[1969 ex.s. c 95 § 11.]

35.33.091 Emergency expenditures—Other emergencies—Hearing. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the annual budget, and if it is not one of the emergencies specifically enumerated in RCW 35.33.081, the city or town legislative body before

allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

Such ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city or town.

[1969 ex.s. c 95 § 14.]

35.33.107 Adjustment of wages, hours and conditions of employment. Notwithstanding the appropriations for any salary, or salary range of any employee or employees adopted in a final budget, the legislative body of any city or town may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. [1969 ex.s. c 95 § 15.]

35.33.111 Forms—Accounting—Supervision by state. The division of municipal corporations in the office of the state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information. [1969 ex.s. c 95 § 16.]

35.33.121 Funds—Limitations on expenditures—Transfers. The expenditures as classified and itemized in the final budget shall constitute the city's or town's appropriations for the ensuing fiscal year. Unless

otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city or town, the expenditure of city or town funds or the incurring of current liabilities on behalf of the city or town shall be limited to the following:

(1) The total amount appropriated for each fund in the budget for the current fiscal year, without regard to the individual items contained therein, except that this limitation shall not apply to wage adjustments authorized by RCW 35.33.107; and

(2) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal years pursuant to RCW 35.33.151; and

(3) Funds received from the sale of bonds or warrants which have been duly authorized according to law; and

(4) Funds received in excess of estimated revenues during the current fiscal year, when authorized by an ordinance amending the original budget; and

(5) Expenditures required for emergencies, as authorized in RCW 35.33.081 and 35.33.091.

Transfers between individual appropriations within any one fund may be made during the current fiscal year by order of the city's or town's chief administrative officer subject to such regulations, if any, as may be imposed by the city or town legislative body. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city or town which may be affected.

The city or town legislative body, upon a finding that it is to the best interests of the city or town to decrease, revoke or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1969 ex.s. c 95 § 17.]

35.33.125 Liabilities incurred in excess of budget. Liabilities incurred by any officer or employee of the city or town in excess of any budget appropriations shall not be a liability of the city or town. The clerk shall issue no warrant and the city or town legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1969 ex.s. c 95 § 18.]

35.33.131 Funds received from sale of bonds and warrants—Expenditure program. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended

fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1969 ex.s. c 95 § 19.]

35.33.135 Revenue estimates—Amount to be raised by ad valorem taxes. At a time fixed by the city's or town's ordinance or city charter, not later than the first Monday in October of each year, the chief administrative officer shall provide the city's or town's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with estimates submitted by the clerk under RCW 35.33.051. The city's or town's legislative body and the city's or town's administrative officer or his designated representative shall consider the city's or town's total anticipated financial requirements for the ensuing fiscal year, and the legislative body shall determine and fix by ordinance the amount to be raised by ad valorem taxes. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. [1969 ex.s. c 95 § 20.]

35.33.141 Report of expenditures and liabilities against budget appropriations. At such intervals as may be required by city charter or city or town ordinance, however, being not less than quarterly, the clerk shall submit to the city's or town's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal year to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1969 ex.s. c 95 § 21.]

35.33.145 Contingency fund—Creation—Purpose—Support—Lapse. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35.33.081 and 35.33.091. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35.33.121: *Provided*, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the contingency fund at the

end of the fiscal year shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1973 1st ex.s. c 195 § 21; 1969 ex.s. c 95 § 22.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

35.33.147 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1969 ex.s. c 95 § 23.]

35.33.151 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: *Provided*, That this shall not prevent payments in the following year upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or furnished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

If the authority is intended to include the signature upon bonds bearing an earlier date than the effective date of the notice, the prior dated bonds must be specifically described by reasonable reference thereto.

The notice designating a proxy shall be filed with the city comptroller or city clerk, together with the specimen signatures attached thereto and a record of the filing shall be made in the journal of the governing body. This record shall note the date and hour of filing and may be made by the official who keeps the journal at any time after filing of the notice, even during a period of recess or adjournment of the governing body. A lease with an option to purchase shall provide that all sums paid as rent up to the time of exercising the option shall be credited toward the payment of the purchase price as of the date of payment. No lease shall provide, nor be construed to provide, that any city or town shall be under any obligation to purchase the leased building. [1965 c 7 § 35.42.040. Prior: 1959 c 80 § 4.]

35.42.050 Provisions to pay taxes, insurance, make repairs, improvements, etc. A lease of a building may provide that as a part of the rental, the lessee city or town may pay taxes and assessments on the leased building, maintain insurance thereon for the benefit of the lessor, and assume responsibilities for repair, replacement, alterations, and improvements during the term of the lease. [1965 c 7 § 35.42.050. Prior: 1959 c 80 § 5.]

35.42.060 Execution of lease prior to construction—Lessor's bond—City not obligated for construction costs. A city or town may, in anticipation of the acquisition of a site and the construction of a building, execute a lease, as lessee, prior to the actual acquisition of a site and the construction of a building, but the lease shall not require payment of rental by the lessee until the building is ready for occupancy. The lessor shall furnish a bond satisfactory to the lessee conditioned on the delivery of possession of the completed building to the lessee city or town at the time prescribed in the lease, unavoidable delay excepted. The lease shall provide that no part of the cost of construction of the building shall ever become an obligation of the lessee city or town. [1965 c 7 § 35.42.060. Prior: 1959 c 80 § 6.]

35.42.070 Lease of city land for building purposes and lease back of building by city. Any city or town desiring to have a building for its use erected on land owned, or to be acquired, by it, may, as lessor, lease the land for a reasonable rental for a term of not to exceed fifty years: *Provided*, That the city or town shall lease back the building or a portion thereof for the same term. The leases shall contain terms as agreed upon between the parties, and shall include the following provisions:

(1) No part of the cost of construction of the building shall ever be or become an obligation of the city or town.

(2) The city or town shall have a prior right to occupy any or all of the building upon payment of rental as agreed upon by the parties, which rental shall not exceed prevailing rates for comparable space.

(3) During any time that all or any portion of the building is not required for occupancy by the city or town, the lessee of the land may rent the unneeded portion to suitable tenants approved by the city or town.

(4) Upon the expiration of the lease, all buildings and improvements on the land shall become the property of the city or town. [1965 c 7 § 35.42.070. Prior: 1959 c 80 § 7.]

35.42.080 Lease of city land for building purposes and lease back of building by city—Bids. A lease and lease back agreement requiring a lessee to build on city or town property shall be made pursuant to a call for bids upon terms most advantageous to the city or town. The call for bids shall be given by posting notice thereof in a public place in the city or town and by publication in the official newspaper of the city or town once each week for two consecutive weeks before the date fixed for opening the bids. If there is no official newspaper, the notice shall be published in a newspaper of general circulation in the city or town. The city council or commission of the city or town may by resolution reject all bids and make further calls for bids in the same manner as the original call. If no bid is received on the first call, the city council or commission may readvertise and make a second call, or may execute a lease without any further call for bids. [1965 c 7 § 35.42.080. Prior: 1959 c 80 § 8.]

LEASES OF REAL OR PERSONAL PROPERTY OR PROPERTY RIGHTS WITH OR WITHOUT OPTION TO PURCHASE—1963 ACT

35.42.200 Leases authorized. Any city or town may execute leases for a period of years with or without an option to purchase with the state or any of its political subdivisions, with the government of the United States, or with any private party for the lease of any real or personal property, or property rights, if the annual rental specified in such lease does not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030: *Provided*, That if the annual rental payment specified in such a proposed lease would result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town, a proposition in regard to whether or not such a lease may be executed shall be submitted to the voters for their approval or rejection in the same manner that bond issues for capital purposes are submitted: *Provided further*, That any city or town may execute leases authorized by this act jointly with the state or any of its political subdivisions. [1965 c 7 § 35.42.200. Prior: 1963 c 170 § 1.]

35.42.210 Exercise of option to purchase. If at the time an option to purchase is exercised the remaining amount to be paid in order to purchase the real or personal property leased after crediting the rental payments toward the total purchase price therefor does not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030, such a city or town may exercise its option to purchase such property. If such remaining amount to be paid to purchase such leased property will result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town, a proposition in regard to whether or not to purchase the property shall be submitted to the voters for approval or rejection in the same manner that bond issues for capital purposes are submitted to the voters. [1965 c 7 § 35.42.210. Prior: 1963 c 170 § 2.]

35.42.220 Budgeting rental payments—Bids—Construction of agreement where rental equals purchase price. The annual budget of a city shall provide for the

payment of rental that falls due in the year for which the budget is applicable: *Provided*, That if the cost of the real or personal property to be leased exceeds the amounts specified in RCW 35.23.352 prior to the execution of a lease with option to purchase therefor, the city or town shall call for bids in accordance with RCW 35.23.352: *Provided*, That if at the expiration of a lease with option to purchase a city or town exercises such an option, the fact that the rental payments theretofore made equal the amount of the purchase price of the real or personal property involved in such lease shall not preclude the agreement from being a lease with option to purchase up to the date of the exercising of the option. [1965 c 7 § 35.42.220. Prior: 1963 c 170 § 3.]

35.43.042 Authority to establish utility local improvement districts—Procedure. Whenever the legislative authority of any city or town has provided pursuant to law for the acquisition, construction, reconstruction, purchase, condemnation and purchase, addition to, repair, or renewal of the whole or any portion of a:

The initiation and formation of such utility local improvement districts and the levying, collection and enforcement of assessments shall be in the manner and

subject to the same procedures and limitations as are now or hereafter provided by law for the initiation and formation of local improvement districts in cities and towns and the levying, collection and enforcement of assessments pursuant thereto.

It must be specified in any petition or resolution initiating the formation of such a utility local improvement district in a city or town and in the ordinance ordered pursuant thereto, that the assessments shall be for the sole purpose of payment into such revenue bond fund as may be specified by the legislative authority for the payment of revenue bonds issued to defray the cost of such system or facilities or any portion thereof as provided for in this section.

Assessments in any such utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of the local improvements portion of any system or facilities payable by issuance of revenue bonds. No warrants or bonds shall be issued in any such utility local improvement district, but the collection of interest and principal on all assessments in such utility local improvement district, when collected, shall be paid into any such revenue bond fund.

When in the petition or resolution for establishment of a local improvement district and in the ordinance ordered pursuant thereto, it is specified or provided that the assessments shall be for the sole purpose of payment into a revenue bond fund for the payment of revenue bonds, then the local improvement district shall be designated a "utility local improvement district".

[1967 c 52 § 27.]

Severability—1967 c 52: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1967 c 52 § 29.]

35.43.043 Conversion of local improvement district into utility local improvement district. The legislative authority of any city or town may by ordinance convert any then existing local improvement district into a utility local improvement district at any time prior to the adoption of an ordinance approving and confirming the final assessment roll of such local improvement district. The ordinance so converting the local improvement district shall provide for the payment of the special assessments levied in that district into the special fund established or to be established for the payment of revenue bonds issued to defray the cost of the local improvement in that district. [1967 c 52 § 28.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

The city or town, at its option, notwithstanding any laws to the contrary, may require the irrigation, drainage, flood control, or other district, agency, person, corporation, or association maintaining the canal or ditch to supervise the installation and construction of such safeguards, or to maintain the same. If such option is exercised reimbursement must be made by the city or town for all actual costs thereof. [1965 c 7 § 35.43.045. Prior: 1959 c 75 § 2.]

A local improvement district or utility local improvement district may include adjoining, vicinal or neighboring streets, avenues and alleys even though the improvement thus made is not connected or continuous: *Provided*, That the cost and expense of each continuous unit of the improvement shall be ascertained separately, as near as may be, and the assessment rates shall be computed on the basis of the cost and expense of each unit. In the event of the initiation of a local improvement district authorized by this section or a utility local improvement district authorized by this section, the legislative body may, in its discretion, eliminate from said district any unit of the improvement which is not connected or continuous and may proceed with the balance of the improvement within said local improvement district or utility local improvement district, as fully and completely as though said eliminated unit had not been included within the improvement district, without the giving of any notices to the property owners remaining within the district, other than such notices as are required by the provisions of this chapter to be given subsequent to such elimination. Charters of cities of the first class may prescribe further limitations. In cities and towns other than cities of the first class, the ordinance must receive the affirmative vote of at least two-thirds of the members of the council if, prior to its passage, written objections to its enactment are filed with the city clerk by or on behalf of the owners of a majority of the lineal frontage of the improvement and of the area within the limits of the proposed improvement district. [1965 c 7 § 35.43.070. Prior: (i) 1911 c 98 § 8; RRS § 9359. (ii) 1911 c 98 § 66; RRS § 9419.]

Whenever the formation of a local improvement district or utility local improvement district which lies entirely or in part outside of a city or town's corporate limits is initiated by petition the legislative authority of the city or town may by a majority vote deny the petition and refuse to form the local improvement district or utility local improvement district. [1967 c 52 § 4; 1965 c 7 § 35.43.075. Prior: 1963 c 56 § 3.]

The action and decision of the council as to all matters passed upon by it in relation to any petition or resolution shall be final and conclusive. No lawsuit whatsoever may be maintained challenging the jurisdiction or authority of the council to proceed with the improvement and creating the local improvement district or in any way challenging the validity thereof or any proceedings relating

thereto unless that lawsuit is served and filed no later than thirty days after the date of passage of the ordinance ordering the improvement and creating the district or, when applicable, no later than thirty days after the expiration of the thirty-day protest period provided in RCW 35.43.180. [1969 ex.s. c 258 § 4; 1965 c 7 § 35.43.100. Prior: 1911 c 98 § 19; RRS § 9371.]

35.43.110 Petition—Mandatory, when. Proceedings to establish local improvement districts must be initiated by petition in the following cases:

(1) Any local improvement payable in whole or in part by special assessments which includes a charge for the cost and expense of furnishing electrical energy to any system of street lighting or for the cost and expense of operation and maintenance of escalators or moving sidewalks shall be initiated only upon a petition signed by the owners of two-thirds of the lineal frontage upon the improvement to be made and two-thirds of the area within the limits of the proposed improvement district;

(2) If the management of park drives, parkways, and boulevards of a city has been vested in a board of park commissioners or similar authority: *Provided*, That the proceedings may be initiated by a resolution, if the ordinance is passed at the request of the park board or similar authority therefor specifying the particular drives, parkways, or boulevards or portions thereof to be improved and the nature of the improvement. [1965 c 7 § 35.43.110. Prior: 1957 c 144 § 3; prior: (i) 1911 c 98 § 58, part; RRS § 9411, part. (ii) 1945 c 190 § 1, part; 1915 c 168 § 6, part; 1913 c 131 § 1, part; 1911 c 98 § 6, part; Rem. Supp. 1945 § 9357, part.]

35.43.120 Petition—Requirements. Any local improvement may be initiated upon a petition signed by the owners of property aggregating a majority (1) of the lineal frontage upon the improvement and (2) of the area within the proposed district. The petition must set forth the nature and territorial extent of the proposed improvement, the mode of payment, and what proportion of the lineal frontage upon the improvement and of the area within the proposed district is owned by the petitioners as shown by the records in the office of the county auditor.

If any of the property within the area of the proposed district stands in the name of a deceased person, or of any person for whom a guardian has been appointed and not discharged, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property on the petition. The petition must be filed with the clerk or with such other officer as the city or town by charter or ordinance may require. [1969 ex.s. c 258 § 5; 1965 c 7 § 35.43.120. Prior: 1957 c 144 § 6; prior: 1911 c 98 § 9, part; RRS § 9360, part.]

35.43.130 Preliminary estimates and assessment roll. Upon the filing of a petition or upon the adoption of a resolution, as the case may be, initiating a proceeding for the formation of a local improvement district or utility local improvement district, the proper board, officer, or authority designated by charter or ordinance to make

the preliminary estimates and assessment roll shall cause an estimate to be made of the cost and expense of the proposed improvement and certify it to the legislative authority of the city or town together with all papers and information in its possession touching the proposed improvement, a description of the boundaries of the district, a statement of what portion of the cost and expense of the improvement should be borne by the property within the proposed district, a statement in detail of the local improvement assessments outstanding and unpaid against the property in the proposed district, and a statement of the aggregate actual valuation of the real estate including twenty-five percent of the actual valuation of the improvements in the proposed district according to the valuation last placed upon it for the purposes of general taxation.

If the proceedings were initiated by petition the designated board, officer or authority shall also determine the sufficiency of the petition and whether the facts set forth therein are true. If the petition is found to be sufficient and in all proceedings initiated by resolution of the legislative authority of the city or town, the estimates must be accompanied by a diagram showing thereon the lots, tracts, and parcels of land and other property which will be specially benefited by the proposed improvement and the estimated amount of the cost and expense thereof to be borne by each lot, tract, or parcel of land or other property: *Provided*, That no such diagram shall be required where such estimates are on file in the office of the city engineer, or other designated city office, together with a detailed copy of the preliminary assessment roll and the plans and assessment maps of the proposed improvement.

For the purpose of estimating and levying local improvement assessments, the value of property of the United States, of the state, or of any county, city, town, school district, or other public corporation whose property is not assessed for general taxes shall be computed according to the standards afforded by similarly situated property which is assessed for general taxes. The cost and expense shall be assessed upon all the property in accordance with the special benefits conferred thereon in proportion to area and distance back from the marginal line of the public way or area improved. 35.44.020 Assessment district—Cost items to be included. There shall be included in the cost and expense of every local improvement for assessment against the property in the district created to pay the same, or any part thereof:

(1) The cost of all of the construction or improvement authorized for the district including, but not limited to, that portion of the improvement within the street intersections;

35.44.030 Assessment district—Zones. For the purpose of ascertaining the amount to be assessed against each separate lot, tract, parcel of land or other property therein, the local improvement district or utility local improvement district shall be divided into subdivisions or zones paralleling the margin of the street, avenue, lane, alley, boulevard, park drive, parkway, public place or public square to be improved, numbered respectively first, second, third, fourth, and fifth.

The first subdivision shall include all lands within the district lying between the street margins and lines drawn parallel therewith and thirty feet therefrom.

The third subdivision shall include all lands within the district lying between lines drawn parallel with and sixty and ninety feet respectively from the street margins.

The fourth subdivision shall include all lands, if any, within the district lying between lines drawn parallel with and ninety and one hundred twenty feet respectively from the street margins.

The fifth subdivision shall include all lands, if any, within the district lying between a line drawn parallel with and one hundred twenty feet from the street margin and the outer limit of the improvement district. [1967 c 52 § 10; 1965 c 7 § 35.44.030. Prior: 1957 c 144 § 17; prior: 1947 c 155 § 1, part; 1941 c 90 § 1, part; 1915 c 168 § 2, part; 1911 c 98 § 13, part; Rem. Supp. 1947 § 9365, part.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.44.040 Assessment rate per square foot. The rate of assessment per square foot in each subdivision of an improvement district shall be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, fourth and fifth, respectively, are related to each other as are the numbers,

forty-five, twenty-five, twenty, ten, and five, respectively, and shall be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, fourth, and fifth, respectively, and the numbers forty-five, twenty-five, twenty, ten, and five, respectively, shall be ascertained;

(2) The aggregate sum thereof shall be divided into the total cost and expense of the improvement;

(3) The resultant quotient multiplied by forty-five, twenty-five, twenty, ten, and five, respectively, shall be the respective rate of assessment per square foot for subdivisions first, second, third, fourth and fifth: *Provided*, That in lieu of the above formula the rate of assessment per square foot in each subdivision of an improvement district may be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, fourth and fifth, respectively, are related to each other as are the numbers 0.015000, 0.008333, 0.006666, 0.003333, and 0.001666, respectively; and the method of determining the assessment on each lot, tract, or parcel of land in the improvement district may be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, fourth and fifth, respectively, for each lot, tract or parcel of land in the improvement district and the numbers 0.015000, 0.008333, 0.006666, 0.003333 and 0.001666, respectively, shall be ascertained. The sum of all such products for each such lot, tract or parcel of land shall be the number of "assessable units of frontage" therein;

(2) The rate for each assessable unit of frontage shall be determined by dividing that portion of the total cost of the improvement representing special benefits by the aggregate sum of all assessable units of frontage;

(3) The assessment for each lot, tract or parcel of land in the improvement district shall be the product of the assessable units of frontage therefor, multiplied by the rate per assessable unit of frontage. [1965 c 7 § 35.44.040. Prior: 1957 c 144 § 18; prior: 1947 c 155 § 1, part; 1941 c 90 § 1, part; 1915 c 168 § 2, part; 1911 c 98 § 13, part; Rem. Supp. 1947 § 9365, part.]

35.44.045 Open canals or ditches—Safe-guards—Ascertaining assessments. As an alternative to other methods of ascertaining assessments for local improvements, in a local improvement district established for safeguarding open canals or ditches, the district may be sectioned into subdivisions or zones paralleling the canal or ditch, numbered respectively, first, second, third and fourth. Each subdivision shall be equal to one-quarter of the width of the district as measured back from the margin of the canal right of way. The rate of assessment per square foot in each subdivision so formed shall be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, and fourth, respectively, are related to each other as are the numbers, forty, thirty, twenty, and ten, respectively, and shall be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, and fourth, respectively,

and the numbers forty, thirty, twenty, and ten, respectively, shall be ascertained;

(2) The aggregate sum thereof shall be divided into the total cost and expense of the local improvement;

(3) The resultant quotient multiplied by forty, thirty, twenty, and ten, respectively, shall be the respective rate of assessment per square foot for each subdivision. [1965 c 7 § 35.44.045. Prior: 1959 c 75 § 3.]

Safeguarding open canals or ditches, assessments: RCW 35.43.040, 35.43.045, 36.88.015, 36.88.350, 36.88.380-36.88.400, 87.03.480, 87.03.526.

35.44.047 Other methods of computing assessments may be used. Notwithstanding the methods of assessment provided in RCW 35.44.030, 35.44.040 and 35.44.045, the city or town may use any other method or combination of methods to compute assessments which may be deemed to more fairly reflect the special benefits to the properties being assessed. The failure of the council to specifically recite in its ordinance ordering the improvement and creating the local improvement district that it will not use the zone and termini method of assessment shall not invalidate the use of any other method or methods of assessment. [1969 ex.s. c 258 § 7.]

35.44.050 Assessment roll—Entry of assessments against property. The total assessment thus ascertained against each separate lot, tract, parcel of land, or other property in the district shall be entered upon the assessment roll as the amount to be levied and assessed against each separate lot, tract, parcel of land, or other property. 35.44.280 Reassessments—When authorized. In all cases of special assessments for local improvements wherein the assessments are not valid in whole or in part for want of form, or insufficiency, informality, irregularity, or nonconformance with the provisions of law, charter, or ordinance, the city or town council may reassess the assessments and enforce their collection in accordance with the provisions of law and ordinance existing at the time the reassessment is made. This shall apply not only to an original assessment but also to any

reassessment, to any assessment upon omitted property and to any supplemental assessment which is declared void and its enforcement refused by any court or which for any cause has been set aside, annulled or declared void by any court either directly or by virtue of any decision thereof. [1965 c 7 § 35.44.280. Prior: 1911 c 98 § 42, part; 1893 c 96 § 3; RRS § 9395, part.]

35.44.290 Reassessments—Basis—Property included. Every reassessment shall be made upon the property which has been or will be specially benefited by the local improvement and may be made upon property whether or not it abuts upon, is adjacent to, or proximate to the improvement or was included in the original assessment district.

Property not included in the original improvement district when so assessed shall become a part of the improvement district and all payments of assessments shall be paid into and become part of the local improvement fund to pay for the improvement.

Property in the original local improvement district which is excluded in reassessment need not be entered upon the assessment roll.

Every reassessment must be based upon the actual cost of the improvement at the time of its completion. [1965 c 7 § 35.44.290. Prior: (i) 1911 c 98 § 42, part; 1893 c 96 § 3, part; RRS § 9395, part. (ii) 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.300 Reassessments—Irregularities not fatal. The fact that the contract has been let or that the improvement has been made and completed in whole or in part shall not prevent the reassessment from being made, nor shall the omission or neglect of any office or officers to comply with the law, the charter, or ordinances governing the city or town as to petition, notice, resolution to improve, estimate, survey, diagram, manner of letting contract, or execution of work or any other matter connected with the improvement and the first assessment thereof operate to invalidate or in any way affect the making of a reassessment. [1965 c 7 § 35.44.300. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.310 Reassessments—Amount thereof. The reassessment shall be for an amount which shall not exceed the actual cost and expense of the improvement, together with the accrued interest thereon, it being the true intent and meaning of the statutes relating to local improvements to make the cost and expense of local improvements payable by the property specially benefited thereby, notwithstanding the proceedings of the council, board of public works or other board, officer, or authority may be found to be irregular or defective, whether jurisdictional or otherwise. [1965 c 7 § 35.44.310. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.320 Reassessments—Credit for prior payments. In case of reassessment, all sums paid on the former attempted assessments shall be credited to the

35.44.330 Reassessments—Payment. In case of reassessment after the certification of the assessment roll to the city or town treasurer for collection, the same length of time for payment of the assessment thereon without the imposition of any penalties or interest and the notice that the assessments are in the hands of the treasurer for collection shall be given as in case of an original assessment. After delinquency, penalties and interest may be charged as in cases of original assessment and if the original assessment was payable in installments, the new assessment may be divided into equal installments and made payable at such times as the city or town council may prescribe in the ordinance ordering the new assessment. [1965 c 7 § 35.44.330. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.340 Reassessments—Limitation of time for. No city or town shall have jurisdiction to proceed with any reassessment unless the ordinance ordering it is passed by the city or town council within ten years from and after the time the original assessment for the same improvement was finally held to be invalid, insufficient or for any cause set aside, in whole or in part or its enforcement denied directly or indirectly by the courts. [1965 c 7 § 35.44.340. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.350 Reassessments, assessments on omitted property, supplemental assessments—Provisions governing. All of the provisions of law relating to the filing of assessment rolls, time and place for hearing thereon, notice of hearing, the hearing upon the roll, the confirmation of the assessment roll, the time when the assessments become a lien upon the property assessed, the proceedings on appeal from any such assessment, the method of collecting the assessment and all proceedings for enforcing the lien thereof shall be had and conducted the same in the case of reassessments, assessments on omitted property, or supplemental assessments as in the case of an original assessment. [1965 c 7 § 35.44.350. Prior: 1911 c 98 § 44; 1893 c 95 § 1; RRS § 9397.]

35.44.360 Assessments on omitted property—Authority. If by reason of mistake, inadvertence, or for any cause, property in a local improvement district or utility local improvement district which except for its omission would have been subject to assessment has been omitted from the assessment roll, the city or town council, upon its own motion, or upon the application of the owner of any property in the district which has been assessed for the improvement, may proceed to assess the property so omitted in accordance with the benefits accruing to it by reason of the improvement in proportion to the assessments levied upon other property in the district. [1967 c 52 § 12; 1965 c 7 § 35.44.360. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

~~Construction—Severability—1967 c 52:~~ See notes following RCW 35.43.042.

35.44.370 Assessments on omitted property—Resolution—Notice. In case of assessments on omitted property the city or town council shall pass a resolution:

(1) Setting forth that the property therein described was omitted from the assessment;

(2) Notifying all persons who may desire to object thereto to appear at a meeting of the city or town council at a time specified in the resolution and present their objections thereto, and

(3) Directing the proper board, officer, or authority to report to the council at or prior to the date fixed for the hearing the amount which should be borne by each lot, tract, or parcel of land or other property so omitted. The resolution shall be published in all respects as provided for publishing the resolutions for an original assessment. [1965 c 7 § 35.44.370. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.380 Assessments on omitted property—Confirmation ordinance—Collection. At the conclusion of the hearing or any adjournment thereof upon proposed assessments on omitted property the council shall consider the matter as though the property were included in the original roll and may confirm the roll or any portion thereof by ordinance. Thereupon the roll of omitted property shall be certified to the treasurer for collection as other assessments. [1965 c 7 § 35.44.380. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.390 Supplemental assessments—When authorized. If by reason of any mistake, inadvertence, or other cause, the amount assessed was not equal to the cost and expense of a local improvement or that portion thereof to be paid by assessment of the property benefited the city or town council shall make supplemental assessments on all the property in the district. The property found to be specially benefited shall not be limited to the property included in the original assessment district.

These assessments shall be made in accordance with the provisions of law, charter, and ordinances existing at the time of the levy. [1965 c 7 § 35.44.390. Prior: 1911 c 98 § 42, part; 1893 c 96 § 3, part; RRS § 9395, part.]

35.44.400 Supplemental assessments—Limitation of time for. No city or town shall have jurisdiction to proceed with any supplemental assessment unless the ordinance ordering it is passed by the city or town council within ten years from and after the time that it was finally determined that the total amount of valid assessments levied and assessed on account of a local improvement was insufficient to pay the whole or that portion of the cost and expense thereof to be paid by special assessment. [1965 c 7 § 35.44.400. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.410 Segregation of assessments. Whenever any land against which there has been levied any special assessment by any city or town shall have been sold in part or subdivided, the legislative authority of that city or

town shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the city or town which levied the assessment. If the legislative authority thereof determines that a segregation should be made, it shall by resolution order the city or town treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the city or town treasurer who shall proceed to make the segregation ordered upon being tendered a fee of ten dollars for each tract of land for which a segregation is to be made. In addition to such charge the legislative authority of the city or town may require as a condition to the order of segregation that the person seeking it pay the city or town the reasonable engineering and clerical costs incident to making the segregation. No segregation need be made if the legislative authority of the city or town shall find that by such segregation the security of the lien for such assessment will be so jeopardized as to reduce the security for any outstanding local improvement district obligations payable from such assessment. [1969 ex.s. c 258 § 10.]

Local improvement bonds shall be issued pursuant to ordinance and shall be made payable on or before a date not to exceed thirty years from and after the date of issue, which latter date may be fixed by ordinance or resolution of the council, and bear interest at such rate or rates as authorized by the council. The council may, in addition to issuing bonds callable under the provisions of RCW 35.45.050 whenever sufficient moneys are available, issue bonds with a fixed maturity schedule or with a fixed maximum annual retirement schedule. 35.45.030 Bonds—Form—Content—Coupons. Local improvement bonds shall be in such denominations as may be provided in the ordinance authorizing their issue and shall be numbered from one upwards consecutively. Each bond shall (1) be signed by the mayor and attested by the clerk, (2) have the seal of the city or town affixed thereto, (3) refer to the improvement to pay for which it is issued and the ordinance ordering it, (4) provide that the principal sum therein named and the interest thereon shall be payable out of the local improvement fund created for the cost and expense of the improvement, or out of the local improvement guaranty fund, or, with respect to interest only, out of the general revenues of the city or town, and not otherwise, (5) provide that the bondholders' remedy in case of nonpayment shall be confined to the enforcement of the special assessments made for the improvement and to the guaranty fund, and (6) have attached thereto interest coupons for each interest payment.

The interest coupons may be signed by the mayor and attested by the clerk, or in lieu thereof, may have printed thereon a facsimile of their signatures. [1967 ex.s. c 44 § 1; 1965 c 7 § 35.45.030. 35.45.040 Bonds—Sale of. Local improvement bonds may be issued to the contractor or sold by the officers authorized by the ordinance directing their issue to do so, in the manner prescribed therein and at not less than par and accrued interest. Any portion of the bonds of any issue remaining unsold may be issued to the contractor constructing the improvement in payment thereof.

The proceeds of all sales of bonds shall be applied in payment of the cost and expense of the improvement. [1965 c 7 § 35.45.040. Prior: (i) 1911 c 98 § 46, part; 1899 c 124 § 1; RRS § 9399, part. (ii) 1911 c 98 § 48; 1899 c 124 § 3; RRS § 9401.]

35.45.050 Call of bonds. Except when bonds have been issued with a fixed maturity schedule or with a fixed maximum annual retirement schedule as authorized in RCW 35.45.020, the city or town treasurer shall call in and pay the principal of one or more bonds of any issue in their numerical order whenever there is sufficient money in any local improvement fund, against which the bonds have been issued, over and above sufficient for the payment of interest on all unpaid bonds of that issue. The call shall be made for publication in the city or town official newspaper in its first publication following the date of delinquency of any installment of the assessment or as soon thereafter as practicable. The call shall state that bonds No. ----- (giving the serial number or numbers of the bonds called) will be paid on the day the next interest coupons on the bonds become due and that interest on those bonds will cease upon that date. [1971 ex.s. c 116 § 11; 1965 c 7 § 35.45.050. Prior: 1911 c 98 § 54, part; RRS § 9407, part.]

35.45.060 Interest on bonds—How payable. The city or town treasurer shall pay interest on the bonds issued against local improvement funds out of the local improvement fund from which the bonds are payable. [1965 c 7 § 35.45.060. Prior: 1911 c 98 § 54, part; RRS § 9407, part.]

35.45.065 Interest on bonds—Payment from general revenues—Authority—Procedure. The city or town council may provide by ordinance that all or part of the interest upon said bonds shall be paid from the general revenues of the city or town and may create a local improvement district bond interest fund for this purpose. If the city or town council determine that the city or town shall pay all interest on such bonds from its general revenues, the interest coupons attached to the bond shall recite that the interest thereby evidenced is payable from general revenues. If the city or town council determines that the city or town council shall pay a part of the interest on such bonds from its general revenues, the interest coupons representing interest payable from the general revenues of the city or town shall be denominated as "B" coupons and shall recite that the interest payable thereunder is payable from the general revenues of the city or town. [1967 ex.s. c 44 § 2.]

35.45.070 Nonliability of city or town. Neither the holder nor owner of any bond, interest coupon, or warrant issued against a local improvement fund shall have any claim therefor against the city or town by which it is issued, except for payment from the special assessments made for the improvement for which the bond or warrant was issued and except also for payment from the local improvement guaranty fund of the city or town as to bonds issued after the creation of a local improvement guaranty fund of that city or town. The city or town shall not be liable to the holder or owner of any bond, interest coupon, or warrant for any loss to the local improvement guaranty fund occurring in the lawful operation thereof. A copy of the foregoing part of this section shall be plainly written, printed or engraved on each bond. [1965 c 7 § 35.45.070. Prior: (i) 1911 c 98 § 52, part; RRS § 9405, part. (ii) 1927 c 209 § 5; 1925 ex.s. c 183 § 5; 1923 c 141 § 5, part; RRS § 9351-5, part.]

35.45.080 Remedy of bondholders. If a city or town fails to pay any bonds or to promptly collect any local improvement assessments when due, the owner of the bonds may proceed in his own name to collect the assessment and foreclose the lien thereof in any court of competent jurisdiction and shall recover in addition to the amount of the bond and interest thereon, five percent, together with the cost of suit. Any number of holders of bonds for any single improvement may join as plaintiffs and any number of owners of property upon which the assessments are liens may be joined as defendants in the same suit.

The owners of local improvement bonds issued by a city or town after the creation of a local improvement guaranty fund therein, shall also have recourse against the local improvement guaranty fund of such city or town. [1965 c 7 § 35.45.080. Prior: (i) 1927 c 209 § 5, part; 1925 ex.s. c 183 § 5, part; 1923 c 141 § 5, part; RRS § 9351-5, part. (ii) 1911 c 98 § 51; 1899 c 124 § 6; RRS § 9404.]

35.45.090 Excess to be refunded—Demand—Right of action. Any funds in the treasury of any municipal corporation belonging to the fund of any local improvement district after the payment of the whole cost and expense of such improvement, in excess of the total sum required to defray all the expenditures by such municipal corporation on account thereof, shall be refunded, on demand, to the payers into such fund. Each such payer shall be entitled to such proportion of such excess as his original assessment bears to the entire original assessment levied for such improvement. Such municipal corporation may, after one year from the date on which the last installment becomes due, transfer any balance remaining on hand to the general fund of such municipal corporation, but shall, notwithstanding such transfer remain liable for the refund herein provided for until such refund shall have been made, unless the actual cost involved in making such refund shall exceed the excess in such fund.

Such demand shall be made in writing to the treasurer of such municipal corporation. No action shall be commenced in any court to obtain any such refund, except

upon such demand, and until ninety days after making such demand. No excess shall be recovered in any action where the excess in the fund does not average the sum of one dollar in favor of all payers into such fund.

This section shall not be deemed to require the refunding of any balance left in any local improvement fund after the payment of all outstanding obligations issued against such fund, where such balance accrues from any saving in interest or from penalties collected upon delinquent assessments, but any such balance, whether accruing heretofore or hereafter, may be turned into the general fund or otherwise disposed of, as the legislative authority of the city may direct.

The provisions of this chapter relating to the refund of excess local improvement district funds shall not apply to any district whose obligations are guaranteed by the local improvement guaranty fund. [1965 c 7 § 35.45-.090. Prior: 1917 c 140 § 1; 1909 c 108 § 1; RRS § 9351.]

35.45.130 Warrants against local improvement fund authorized. Every city and town may provide by ordinance for the issuance of warrants in payment of the cost and expense of any local improvement, payable out of the local improvement district fund. The warrants shall bear interest at a rate or rates as authorized by ordinance and shall be redeemed either in cash or by local improvement bonds for the same improvement authorized by ordinance.

All warrants against any local improvement fund sold by the city or town or issued to a contractor and by him sold or hypothecated for a valuable consideration shall be claims and liens against the improvement fund against which they are drawn prior and superior to any right, lien, or claim of any surety upon the bond or bonds given to the city or town by or for the contractor to secure the performance of his contract or to secure the payment of persons who have performed work thereon, furnished materials therefor, or provisions and supplies for the carrying on of the work. [1970 ex.s. c 56 § 36; 1965 c 7 § 35.45.130. Prior: 1953 c 117 § 1; prior: 1915 c 168 § 3; 1911 c 98 § 72; 1899 c 146 § 7; RRS 9425.]

Purpose—Effective date—1970 ex.s. c 56: See notes following RCW 39.44.030.

35.45.140 Warrants acceptable in payment of assessments. Cities and towns may accept warrants drawn against any local improvement fund upon such conditions as they may by ordinance or resolution prescribe, in satisfaction of:

(1) Assessments levied to supply such fund, in due order of priority of right;

(2) Judgments rendered against property owners who have become delinquent in the payment of assessments levied to supply such fund; and

(3) In payment of certificates of purchase in cases where property of delinquents has been sold under execution or at tax sale for failure to pay assessments levied to supply such fund. [1965 c 7 § 35.45.140. Prior: (i) 1899 c 97 § 1; RRS § 9346. (ii) 1899 c 97 § 2; RRS §

35.45.150 Installment notes—Interest certificates (as amended by 1970 ex.s. c 56 § 37). In addition to the issuance of bonds and warrants in payment of the cost and expense of any local improvement, any city or town may also issue installment notes payable out of the local improvement district fund, where such notes are to be sold exclusively to another fund of the same municipality as an investment thereof. Such installment notes may be issued any time after the thirty day period allowed by law for the payment of assessments of any district without penalty or interest, and may bear any denomination or denominations, the aggregate of which shall represent the balance of the cost and expense of the local improvement district which is to be borne by the property owners therein.

Application of local improvement district funds for the reduction of the principal and interest amounts due on any notes herein provided to finance said improvement shall be made not less than once each year beginning with the issue date thereof. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. All notes issued shall bear on the face thereof: (1) The name of the payee; (2) the number of the local improvement district from whose funds the notes are payable; (3) the date of issue of each note; (4) the date on which the note, or the final installment thereon shall become due; (5) the rate of interest to be paid on the unpaid balance thereof, and; (6) such manual or facsimile signatures and attestations as are required by state statute or city charter to appear on the warrants of each issuing municipality.

The reverse side of each installment note issued pursuant to this section shall bear a tabular payment record which shall indicate at prescribed installment dates, the receipt of any local improvement district funds for the purpose of servicing the debt evidenced by said notes. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter apply as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's clerk, treasurer or other properly designated receiving officer of the municipality.

Whenever there are insufficient funds in a local improvement district to meet any payment of installment interest due on any note herein authorized, a noninterest-bearing defaulted installment interest certificate shall be issued by the city treasurer which shall consist of a written statement certifying the amount of such defaulted interest installment; the name of the payee of the note to whom the interest is due and the number of the local improvement district from whose funds the note and interest thereon is payable. The certificate herein provided shall bear the manual signature of the city treasurer or his authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund.

Whenever at the date of maturity of any installment note issued pursuant to this section, there are insufficient funds in a local improvement district, due to delinquencies in the collection of assessments, to pay the final installment of principal due thereon, the note shall be redeemed with any available funds in the local improvement guaranty fund for the amount of said final installment.

All certificates and notes issued pursuant to this section are to become subject to the same redemption privileges as apply to any local improvement district bonds and warrants now accorded the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW, and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held therein as investments thereof in the same manner as prescribed for other defaulted local improvement district obligations.

Notwithstanding any other statutory provisions, local improvement installment notes authorized by this section which are within the protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the issuing municipality which now or hereafter may be authorized to be invested in the city's local improvement districts' bonds or warrants. [1970 ex.s. c 56 § 37; 1965 c 7 § 35.45.150. Prior: 1961 c 165 § 1.]

Purpose—Effective date—1970 ex.s. c 56: See notes following RCW 39.44.030.

35.45.150 Installment notes—Interest certificates (as amended by 1970 ex.s. c 93 § 2). In addition to the issuance of bonds and warrants in payment of the cost and expense of any local improvement, any city or town may also issue and sell installment notes payable out of the local improvement district fund. Such installment notes may be issued any time after the thirty day period allowed by law for the payment of assessments of any district without penalty or interest, and may bear any denomination or denominations, the aggregate of which shall represent the balance of the cost and expense of the local improvement district which is to be borne by the property owners therein.

Application of local improvement district funds for the reduction of the principal and interest amounts due on any notes herein provided to finance said improvement shall be made not less than once each year beginning with the issue date thereof. Appropriate notification of such application of funds shall be made by the city treasurer to the registered payees of said notes, except those notes owned by funds of the issuing municipality. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. All notes issued shall bear on the face thereof: (1) The name of the payee; (2) the number of the local improvement district from whose funds the notes are payable; (3) the date of issue of each note; (4) the date on which the note, or the final installment thereon shall become due; (5) the rate of interest, not to exceed twelve percent, to be paid on the unpaid balance thereof, and; (6) such manual or facsimile signatures and attestations as are required by state statute or city charter to appear on the warrants of each issuing municipality.

The reverse side of each installment note issued pursuant to this section shall bear a tabular payment record which shall indicate at prescribed installment dates, the receipt of any local improvement district funds for the purpose of servicing the debt evidenced by said notes. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter apply as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's clerk, treasurer or other properly designated receiving officer of the municipality, or of any other registered payee presenting said note for such installment payments.

Whenever there are insufficient funds in a local improvement district to meet any payment of installment interest due on any note herein authorized, a noninterest-bearing defaulted installment interest certificate shall be issued by the city treasurer which shall consist of a written statement certifying the amount of such defaulted interest installment; the name of the payee of the note to whom the interest is due and the number of the local improvement district from whose funds the note and interest thereon is payable. The certificate herein provided shall bear the manual signature of the city treasurer or his authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund.

Whenever at the date of maturity of any installment note issued pursuant to this section, there are insufficient funds in a local improvement district, due to delinquencies in the collection of assessments, to pay the final installment of the principal due thereon, the note shall be redeemed with any available funds in the local improvement guaranty fund for the amount of said final installment.

All certificates and notes issued pursuant to this section are to become subject to the same redemption privileges as apply to any local improvement district bonds and warrants now accorded the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW, and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held therein as investments thereof in the same manner as prescribed for other defaulted local improvement district obligations.

Notwithstanding any other statutory provisions, local improvement installment notes authorized by this section which are within the protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the issuing municipality which now or hereafter may be authorized to be invested in the city's local improvement districts' bonds and warrants and shall be considered legal investments for all national and state banks, savings and loan institutions, and any and all other commercial banking or financial institutions to the same extent that the local improvement district bonds and coupons issued pursuant to the provisions of this chapter have been and are legal investments for such institutions. Any such local improvement installment notes may be transferred or sold by said

city or town upon such terms or conditions and in such manner as the local governing body of said city or town may determine, pursuant to a call for public bid: *Provided, however,* That the same shall not be sold at less than par plus accrued interest. [1970 ex.s. c 93 § 2; 1965 c 7 § 35.45.150. Prior: 1961 c 165 § 1.]

Any city or town having issued one or more installment notes pursuant to RCW 35.45.150 may refund all of such notes or the principal thereof then outstanding payable from any one local improvement district fund by the issuance of local improvement district bonds pursuant to chapter 35.45 RCW and by the payment into the city or town fund or funds holding such notes the then outstanding principal amount of such notes plus the interest thereon accrued to the date of such refunding. The bonds shall be payable from the same local improvement district fund from which such notes were payable; shall be payable no later than the final payment date of the notes being refunded; shall be in the same total principal amount as the outstanding principal amount of the notes being refunded less any sums in the local improvement district fund the city or town applies to the redemption of such notes; and shall be sold at not less than par plus accrued interest to date of delivery. Any interest payable on the bonds in excess of the interest payable on assessment installments payable into the local improvement district fund shall be paid from the general fund of the city or town in accordance with RCW 35.45.065. The principal proceeds and interest accrued to date of delivery of the bonds shall be paid into the local improvement district fund and the notes shall be redeemed on that date. The local improvements within such consolidated districts need not be adjoining, vicinal or neighboring. If any city or town has issued bonds or warrants payable from a local improvement or condemnation award fund, to which the local improvement guaranty fund law is not applicable, and if the assessment, or last installment thereof, against which the bonds or warrants were issued has been delinquent not more than thirty-two years, the city or town may create a special revolving fund and may provide moneys therefor by general tax levy, if the levy, together with other levies made or authorized by such city or town, will not exceed the levy which is legally allowed; or such city or town may place in said

fund or advance or loan to said fund any money which it is not prohibited by law from advancing, loaning to or placing in said fund. [1965 c 7 § 35.48.010. Prior: 1961 c 46 § 1; 1943 c 244 § 2; Rem. Supp. 1943 § 9351-11.]

Purpose—1943 c 244: "Whereas, there are many millions of dollars of delinquent and unpaid local improvement district and condemnation award bonds and warrants issued by various cities of the state and not protected by the Local Improvement Guaranty Fund, only a small part of which for the present at least can be paid and many of which will never be paid because of inability of property owners to pay the special assessments levied to provide funds for payment thereof and the depreciated value of the real estate which is the only security provided by present law from which payment of the assessments may be enforced; and, Whereas, the cities are not legally liable under existing law for payment of such bonds and warrants except as there are moneys available in the special fund from which the same are payable; and, Whereas, such cities and its citizens as a whole have derived benefit from the improvements installed with the proceeds or as a result of the issuance of such bonds and warrants; and, Whereas, the nonpayment of such unpaid and delinquent bonds and warrants not only causes great hardship and suffering on those who have invested money in such bonds and warrants, but also reflects discredit on the financial structure of the various cities involved, to the detriment of the cities as a whole and also the entire state; Now, therefore, this law is enacted to enable cities to provide some relief from the hardship imposed by such conditions." [1943 c 244 § 1.]

35.48.020 Use of revolving fund—Maximum bond price. Any moneys in such revolving fund may be used for the purchase of unpaid delinquent local improvement warrants, or bonds and interest coupons thereon, issued by the city or town, payable from a local improvement district fund or condemnation award fund, to which the local improvement guaranty fund law is not applicable, if the assessment, or last installment thereof, against which the bonds or warrants have been issued, has been delinquent not more than thirty-two years. The maximum purchase price to be paid for said bonds or warrants shall be fixed by the municipality, and may from time to time be changed but shall never exceed fifty percent of the face value of the bonds, interest coupons, or warrants: *Provided*, That no warrants shall be issued payable from the revolving fund unless there is sufficient cash in said fund available for payment of such warrants. [1965 c 7 § 35.48.020. Prior: 1961 c 46 § 2; 1943 c 244 § 3; Rem. Supp. 1943 § 9351-12.]

35.48.030 Subrogation—Refund of surplus. The purchase of any such bonds or warrants shall not relieve the local improvement or condemnation award fund from which the same are payable from liability for payment of the same, but the city or town upon purchase thereof shall become subrogated to all the rights of the former owners thereof and may proceed to enforcement of said bonds or warrants as any owner thereof might do. The city or town may sell any property acquired by it in such proceedings upon such terms and for such prices as it sees fit, or it may resell any of the bonds or warrants for such prices as it shall fix.

Any excess in any local improvement district fund or condemnation award fund which will average a payment of one dollar to each payer into said fund shall, after

payment, retirement, or cancellation of all bonds or warrants payable from said fund, be refunded and paid to the payers into the fund in the proportion that their respective assessments bear to the entire original assessment levied for such improvement, and any unpaid assessments, or portion thereof, shall be reduced in the same proportion. Any proceeds derived from the sale of any bonds or warrants, or from the sale of real estate, shall be placed in the revolving fund. [1965 c 7 § 35.48.030. Prior: 1943 c 244 § 4; Rem. Supp. 1943 § 9351-13.]

35.48.040 Refund to revolving fund. If there are funds in any local improvement district fund or condemnation award fund sufficient to pay or retire any bond or warrant issued and payable from said fund, and the city or town is the owner and holder of the bond or warrant next payable from the fund, the city or town treasurer shall from the moneys in the local improvement or condemnation award fund place in the revolving fund a sum of money equivalent to the amount paid by the city or town for such bond or warrant and shall thereupon cancel, mark paid and remove from said revolving fund such bond or warrant. [1965 c 7 § 35.48.040. Prior: 1943 c 244 § 5; Rem. Supp. 1943 § 9351-14.]

35.48.050 Purchase of warrants on previous funds—Transfer of assets to revolving fund—Disposition. Whenever a city or town has heretofore by ordinance created a fund for use in purchasing delinquent local improvement or condemnation award bonds or warrants not protected by the local improvement guaranty fund law, and has purchased any such bonds or warrants and issued warrants payable from said fund, which warrants are unpaid because of lack of funds and have remained unpaid for a period of less than thirty-two years from date of issue thereof, the city or town may use any funds available in the revolving fund to purchase said warrants at such price as it may determine, but in no event at more than fifty percent of the face value, without interest.

Whenever all such warrants have been purchased or paid, the city or town may transfer to the revolving fund any bonds, warrants or other assets belonging to said fund first above mentioned, and thereafter such bonds, warrants or other assets shall be held and disposed of for the benefit of said revolving fund in the same manner as other funds and assets therein: *Provided*, That nothing contained in this chapter shall legalize any warrants heretofore issued or render any city or town liable thereunder. [1965 c 7 § 35.48.050. Prior: 1961 c 46 § 3; 1943 c 244 § 6; Rem. Supp. 1943 § 9351-15.]

35.48.060 Procedure governed by ordinance. All actions of a city or town respecting the purchase of bonds and warrants or sales of bonds, warrants or assets of the revolving fund shall be as directed by general or special ordinance. [1965 c 7 § 35.48.060. Prior: 1943 c 244 § 7; Rem. Supp. 1943 § 9351-16.]

35.49.010 Collection by city treasurer—Notices.

All assessments for local improvements in local improvement districts shall be collected by the city treasurer and shall be kept in a separate fund to be known as "local improvement fund, district No." and shall be used for no other purpose than the redemption of warrants drawn upon and bonds issued against the fund to provide payment for the cost and expense of the improvement.

All assessments for local improvements in a utility local improvement district shall be collected by the city treasurer, shall be paid into the appropriate revenue bond fund, and shall be used for no other purpose than the redemption of revenue bonds issued to provide funds for the cost and expense of the improvement.

As soon as the assessment roll has been placed in the hands of the city or town treasurer for collection, he shall publish a notice in the official newspaper of the city or town once a week for two consecutive weeks, that the roll is in his hands for collection and that all or any portion of the assessment may be paid within thirty days from the date of the first publication of the notice without penalty, interest or costs.

Within fifteen days of the first newspaper publication, the city or town treasurer shall notify each owner or reputed owner whose name appears on the assessment roll, at the address shown on the tax rolls of the county treasurer for each item of property described on the list, of the nature of the assessment, of the amount of his real property subject to such assessment, of the total amount of assessment due, and of the time during which such assessment may be paid without penalty, interest, or costs. [1972 ex.s. c 137 § 1; 1969 ex.s. c 258 § 13; 1967 c 52 § 13; 1965 c 7 § 35.49.010. Prior: (i) 1911 c 98 §

28; RRS § 9380. (ii) 1911 c 98 § 50, part; RRS § 9403, part.]

Severability—1972 ex.s. c 137: "If any provision of this 1972 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1972 ex.s. c 137 § 6.] This applies to the 1972 ex.s. amendments to this section and RCW 35.50.050 and to RCW 35.43.250 and 35.54.100.

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

Saving—1927 c 275: "All local improvement initiated or proceedings commenced by any city or town before the taking effect of this act, relating to the making of any local improvement, or the collection and foreclosure of local improvement, or the collection and foreclosure of local improvement assessments, and the sale of property therefor, shall proceed without being in any manner affected by the passage of this act; *Provided*, That any city or town may at its option foreclose in the manner provided in this act the lien of any local improvement assessment created prior to the effective date of this act, and cause deed to issue, but as to any such property purchased by such city or town at such foreclosure the same shall be held and sold by such city or town under and pursuant to the provisions of law in force and effect prior to the taking effect of this act." [1927 c 275 § 8.]

35.49.020 Installments—Number—Due date. In all cases where bonds are issued to pay the cost and expense of a local improvement, the ordinance levying the assessments shall provide that the sum charged against any lot, tract, and parcel of land or other property, or any portion thereof, may be paid during the thirty day period allowed for the payment of assessments without penalty or interest and that thereafter the sum remaining unpaid may be paid in equal annual installments. The number of installments shall be less by two than the number of years which the bonds issued to pay for the improvement are to run. Interest on the whole amount unpaid at the rate fixed by the ordinance shall be due on the due date of the first installment of principal and each year thereafter on the due date of each installment of principal: *Provided*, That the legislative authority of any city or town having made a bond issue payable on or before twenty-two years after the date of issue may provide by ordinance that all assessments and portions of assessments unpaid after the thirty day period allowed for payment of assessments without penalty or interest may be paid in ten equal installments beginning with the eleventh year and ending with the twentieth year from the expiration of said thirty day period, together with interest on the unpaid installments at the rate fixed by such ordinance, and that in each year after the said thirty day period, to and including the tenth year thereafter, one installment of interest on the principal sum of the assessment at the rate so fixed shall be paid and collected, and that beginning with the eleventh year after the thirty day period one installment of the principal, together with the interest due thereon, and on all installments thereafter to become due shall be paid and collected. [1969 ex.s. c 258 § 14; 1965 c 7 § 35.49.020. Prior: 1925 ex.s. c 117 § 1; 1915 c 168 § 5; 1911 c 98 § 49; 1899 c 124 § 4; RRS § 9402.]

35.49.030 Ordinance to prescribe time of payment—Interest—Penalties. Every city and town shall prescribe by ordinance within what time assessments or installments thereof shall be paid, and shall

provide for the payment and collection of interest thereon at a rate as shall be fixed by the legislative body of the city or town. Assessments or installments thereof, when delinquent, in addition to such interest, shall bear such penalty not less than five percent as shall be by general ordinance prescribed. [1971 ex.s. c 116 § 5; 1969 ex.s. c 258 § 15; 1965 c 7 § 35.49.030. Prior: 1955 c 353 § 3; prior: 1927 c 275 § 1, part; 1921 c 92 § 1, part; 1911 c 98 § 24, part; RRS § 9376, part.]

35.49.040 Payment without interest or penalty. The owner of any lot, tract, or parcel of land or other property charged with local improvement assessment may redeem it from all or any portion thereof by paying to the city or town treasurer all or any portion thereof without interest within thirty days after the first publication by the treasurer of notice that the assessment roll is in his hands for collection. [1965 c 7 § 35.49.040. Prior: 1911 c 98 § 50, part; RRS § 9403, part.]

35.49.050 Prepayment of installments subsequently due. The owner of any lot, tract, or parcel of land or other property charged with a local improvement assessment may redeem it from all liability for the unpaid amount of the assessment at any time after the thirty day period allowed for payment of assessments without penalty or interest by paying the entire installments of the assessment remaining unpaid to the city or town treasurer with interest thereon to the date of maturity of the installment next falling due. [1965 c 7 § 35.49.050. Prior: 1911 c 98 § 50, part; RRS § 9403, part.]

35.49.060 Payment by city or town. On or before the fifteenth day of August of each year, the city or town treasurer shall certify to the city or town council a detailed statement showing:

(1) The proceedings authorizing and confirming any local improvement assessments or utility local improvement assessments affecting city or town property,

(2) The lots, tracts, or parcels of lands of the city or town so assessed,

(3) The several assessments against each,

(4) The interest, penalties, and charges thereon,

(5) The penalties and charges which will accrue upon the assessments to the date of payment, and

(6) The total of all such assessments, interest, penalty, and charges.

The longest outstanding liens shall be paid first, but if the money in the "city (or town) property assessments redemption fund" is insufficient at any time to discharge all such liens against the lands of the city or town upon a given assessment roll, the city or town treasurer may pay such portion thereof as may be possible from the funds available.

If deemed necessary, the city or town council may transfer money from the general fund to the redemption fund as a loan to be repaid when the money is available for repayment. [1967 c 52 § 14; 1965 c 7 § 35.49.060. Prior: 1929 c 183 § 2, part; 1909 c 130 § 2; RRS § 9345, part.]

The board of county commissioners shall cause the amount of such local assessments to be paid to the city or town as other claims against the county are paid.

If title to any property thus described was acquired by the county through foreclosure of general tax liens, the county shall:

(1) Pay the assessment from the proceeds of the sale of the property; or

(2) Sell the property subject to the lien of the assessment. [1967 c 52 § 15; 1965 c 7 § 35.49.070. Prior: 1929 c 139 § 1; 1905 c 29 § 3; RRS § 9342.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.49.080 Payment by metropolitan park district. Upon the confirmation of the assessment roll for a local improvement district or utility local improvement district, the city treasurer shall certify and forward to the board of park commissioners of any metropolitan park district in which the city is located, a statement of all the lots, tracts, and parcels of land or other property held or owned by the district, assessed thereon, separately describing each lot, tract, or parcel with the amount of the assessment charged against it.

The board of park commissioners shall cause the amount of the local assessments to be paid as other claims against the metropolitan park district are paid. [1967 c 52 § 16; 1965 c 7 § 35.49.080. Prior: 1929 c 204 § 3; RRS § 9343-3.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.49.090 Payment by joint owner. If any assessment for a local improvement, or an installment thereof, or judgment for either of them is paid, or a certificate of sale for either of them is redeemed by a joint owner of any of the property so assessed, he may, after demand and refusal, recover from his co-owners, by an action brought in superior court, the respective portions of the payment which each co-owner should bear. He shall have a lien upon the undivided interests of his co-owners from the date of the payment made by him and in the action shall recover interest at ten percent from the date of payment by him and the costs of the action in addition to the principal sum due him. [1965 c 7 § 35.49-090. Prior: 1911 c 98 § 62; RRS § 9415.]

35.49.100 Payment in error—Remedy. If, through error or inadvertence, a person pays any assessment for a local improvement or an installment thereof upon the lands of another, he may, after demand and refusal, recover from the owner of such lands, by an action in the superior court, the amount so paid and the costs of the

action. [1965 c 7 § 35.49.100. Prior: 1911 c 98 § 65; RRS § 9418.]

35.49.110 Record of payment. If the amount of any assessment for a local improvement with interest, penalty, costs, and charges accrued thereon is paid to the treasurer before sale of the property in foreclosure of the lien thereon, the city or town treasurer shall mark it paid upon the assessment roll with the date of payment thereof. [1965 c 7 § 35.49.110. Prior: 1927 c 275 § 2; 1911 c 98 § 30; RRS § 9382.]

35.49.120 Tax liens—Private certificate holder takes subject to local assessments. The holder of a certificate of delinquency for general taxes, before commencing any action to foreclose the lien of such certificate, shall pay in full all local improvement assessments or installments thereof which are a lien against the property or any portion thereof, or he may elect to proceed to acquire title to the property subject to certain or all of the assessments or installments which are a lien thereon, in which case the complaint, decree of foreclosure, order of sale, sale, certificate of sale, and deed shall so state.

If the holder pays such local assessments or installments he shall be entitled to twelve percent interest per annum on the amount of the delinquent assessments or delinquent installments thereof so paid, from the date of payment. [1965 c 7 § 35.49.120. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.130 Tax liens—County foreclosures—Notice to city treasurers—City may protect assessment lien. In county foreclosures for delinquency in the payment of general taxes, the county treasurer shall mail a copy of the published summons to the treasurer of every city and town within which any property involved in the foreclosure proceeding is situated. The copy of the summons shall be mailed within fifteen days after the first publication thereof, but the county treasurer's failure to do so shall not affect the jurisdiction of the court nor the priority of the tax sought to be foreclosed.

If any property situated in a city or town is offered for sale for general taxes, the city or town shall have power to protect the lien or liens of any local improvement assessments outstanding against the whole or portion of such property by purchase thereof or otherwise. [1965 c 7 § 35.49.130. Prior: (i) 1911 c 98 § 63; RRS § 9416. (ii) 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.140 Tax liens—Payment by city after taking property on foreclosure of local assessments. If a city or town has bid in any property on sale for local improvement assessments, it may satisfy the lien of any outstanding general taxes upon the property by payment of the face of such taxes and costs, without penalty or interest, but this shall not apply where certificates of delinquency against the property have been issued to private persons. [1965 c 7 § 35.49.140. Prior: 1929 c 143

§ 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.150 Tax title property—City may acquire from county before resale. If property is struck off to or bid in by a county at a sale for general taxes, and is subject to local improvement assessments in any city or town, or has been taken over by the city or town on the foreclosure of local improvement assessments, the city or town may acquire the property from the county at any time before resale and receive a deed therefor upon paying the face of such taxes and costs, without penalty or interest. [1965 c 7 § 35.49.150. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.160 Tax title property—Disposition of proceeds upon resale. Whenever property struck off to or bid in by a county at a sale for general taxes is subsequently sold by the county, the proceeds of the sale shall first be applied to discharge in full the lien or liens for general taxes for which property was sold; the remainder, or such portion thereof as may be necessary, shall be paid to the city or town to discharge all local improvement assessment liens against the property; and the surplus, if any, shall be distributed among the proper county funds. [1965 c 7 § 35.49.160. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

Civil procedure: Title 4 RCW.

35.50.005 Filing of title, diagram, expense—Posting proposed roll. Within fifteen days after any city or town has ordered a local improvement and created a local improvement district, the city or town shall cause to be filed with the officer authorized by law to collect the assessments for such improvement, the title of the improvement and district number and a copy of the diagram or print showing the boundaries of the district and preliminary assessment roll or abstract of same showing thereon the lots, tracts and parcels of land that will be specially benefited thereby and the estimated cost and expense of such improvement to be borne by each lot, tract, or parcel of land. Such officer shall immediately post the proposed assessment roll upon his index of local improvement assessments against the properties affected by the local improvement. [1969 ex.s. c 258 § 16; 1965 c 7 § 35.50.005. Prior: 1955 c 353 § 1.]

35.50.010 Assessment lien—Attachment—Priority. The charge assessed upon the respective lots, tracts, or parcels of land and other property in the assessment roll confirmed by ordinance of the city or town council for the purpose of paying the cost and expense in whole or in part of any local improvement, shall be a lien upon the property assessed from the time the assessment roll is placed in the hands of the city or town treasurer for collection, but as between the grantor and grantee, or vendor and vendee of any real property, when there is no express agreement as to payment of the local improvement assessments against the real property, the lien of such assessment shall attach thirty days after the filing of the diagram or print and the estimated cost and expense of such improvement to be borne by each lot, tract, or parcel of land, as provided in RCW 35.50.005. Interest and penalty shall be included in and shall be a part of the assessment lien.

The assessment lien shall be paramount and superior to any other lien or encumbrance theretofore or thereafter created except a lien for general taxes. [1965 c 7 § 35.50.010. Prior: 1955 c 353 § 4; prior: (i) 1911 c 98 § 20; RRS § 9372. (ii) 1927 c 275 § 1, part; 1921 c 92 § 1; 1911 c 98 § 24, part; RRS § 9376, part.]

35.50.020 Assessment lien—Validity. If the city or town council in making assessments against any property within any local improvement district or utility local improvement district has acted in good faith and without fraud, the assessments shall be valid and enforceable as such and the lien thereof upon the property assessed shall be valid.

It shall be no objection to the validity of the assessment, or the lien thereof:

(1) That the contract for the improvement was not awarded in the manner or at the time required by law; or

(2) That the assessment was made by an unauthorized officer or person if the assessment roll was confirmed by the city or town authorities; or

(3) That the assessment is based upon a front foot basis, or upon a basis of benefits to the property within the improvement district unless it is made to appear that the city or town authorities did not act in good faith and did not attempt to act fairly in regard thereto or unless it is made to appear that the city or town authorities acted fraudulently or oppressively in making the assessment.

All local improvement assessments heretofore or hereafter made by city or town authorities in good faith are valid and in full force and effect. [1967 c 52 § 17; 1965 c 7 § 35.50.020. Prior: 1911 c 98 § 61; RRS § 9414.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.50.030 Authority and conditions precedent to foreclosure. If on the first day of January in any year, two installments of any local improvement assessment are delinquent, or if the final installment thereof has been delinquent for more than one year, the city or town shall proceed with the foreclosure of the delinquent assessment or delinquent installments thereof by proceedings brought in its own name in the superior court of the county in which the city or town is situate.

The proceedings shall be commenced on or before March 1st of that year or on or before such other date in such year as may be fixed by general ordinance, but not before the city or town treasurer has mailed to the persons whose names appear on the assessment roll as owners of the property charged with the assessments or installments which are delinquent, at the address last known to the treasurer, a notice thirty days before the commencement of the proceedings.

The notice shall state the amount due upon each separate lot, tract, or parcel of land and the date after which the proceedings will be commenced. 35.50.040 Entire assessment, foreclosure of. When the local improvement assessment is payable in installments, the enforcement of the lien of any installment shall not prevent the enforcement of the lien of any subsequent installment.

A city or town may by general ordinance provide that upon failure to pay any installment due the entire assessment shall become due and payable and the collection thereof enforced by foreclosure: *Provided*, That the payment of all delinquent installments together with interest, penalty, and costs at any time before entry of

judgment in foreclosure shall extend the time of payment on the remainder of the assessments as if there had been no delinquency or foreclosure. Where foreclosure of two installments of the same assessment on any lot, tract, or parcel is sought, the city or town treasurer shall cause such lot, tract, or parcel to be dismissed from the action, if the installment first delinquent together with interest, penalty, costs, and charges is paid at any time before sale. [1965 c 7 § 35.50.040. Prior: (i) 1933 c 9 § 1, part; 1927 c 275 § 5, part; 1919 c 70 § 2, part; 1915 c 185 § 1; 1911 c 98 §§ 34, 36, part; RRS § 9386, part. [1972 ex.s. c 137 § 5; 1965 c 7 § 35.50.050. Prior: 1911 c 98 § 41; RRS § 9394.]

35.50.060 Procedure—Commencement of action. The proceeding when brought by the city or town shall be initiated by filing with the clerk of the superior court a certificate of the city or town treasurer setting forth a description of each separate lot, tract, or parcel of land or other property upon which the assessment or installments thereof are delinquent, the date of delinquency and the amount thereof, including interest and penalty, the name of the owner thereof as appears upon the assessment roll, or that the owner is unknown, the number and date of passage of the ordinance authorizing the improvement, the number and date of passage of the ordinance confirming the assessment roll and the number of the local improvement district.

35.50.070 Procedure—Parties and property included. It shall not be necessary to bring a separate suit for each lot, tract, or parcel of land or other property or for each separate local improvement district or utility local improvement district, but all or any part of the property upon which local improvement assessments are

delinquent under any and all local improvement assessment rolls in the city or town may be proceeded against in the same action and all or any of the owners or persons interested in any of the property being foreclosed upon may be joined as parties defendant in a single action to foreclose, and all or any liens for such delinquent assessments or installments thereof may be foreclosed in such proceeding. [1967 c 52 § 18; 1965 c 7 § 35.50.070. Prior: 1933 c 9 § 1, part; 1927 c 275 § 5, part; 1919 c 70 § 2; 1915 c 185 § 1; 1911 c 98 §§ 34, 36, part; RRS § 9386, part; prior: 1897 c 111.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.50.080 Procedure—Pleadings and evidence. The certificate of the city or town treasurer the filing of which initiated the foreclosure action shall be prima facie evidence of the regularity and legality of the proceedings and the burden of proof shall be on the defendants.

The persons whose names appear on the rolls as owners of the property shall be considered as the owners thereof for the purpose of foreclosure and if it appears upon the rolls that the owner of any property is unknown, that property shall be proceeded against as belonging to an unknown owner and all persons owning, or claiming to own the property, or who have or claim to have an interest therein, are required to take notice of the proceedings and of all steps thereunder. [1965 c 7 § 35.50.080. Prior: 1933 c 9 § 1, part; 1927 c 275 § 5, part; 1919 c 70 § 2; 1915 c 185 § 1; 1911 c 98 §§ 34, 36, part; RRS § 9386, part; prior: 1897 c 111.]

The summons shall require the defendants and each of them to appear and answer it within sixty days from the date of its first publication.

The summons shall be published once each week for four successive weeks in the official newspaper of the city or town or, if it has none, in any weekly newspaper published in the county in which the city or town is situated.

35.50.100 Procedure—Trial and judgment. The action shall be tried before the court without a jury. If the owner or persons interested in any particular lot, tract, or parcel of land or other property included in the foreclosure action suffer a default, the court may enter a judgment of foreclosure and sale as to them and the action may proceed as to the remaining defendants and property.

The judgment shall specify separately the amount of the assessment or installments thereof, including interest, penalty, and costs, chargeable to the several lots, tracts, or parcels of land or other property in the proceeding. The judgment shall have the effect of a separate judgment as to each lot, tract, or parcel described in the judgment, and any appeal from the judgment shall not invalidate or delay the judgment except as to the property concerning which the appeal is taken.

In entering judgment, the court shall decree that the lots, tracts, or parcels of land or other property be sold by the city or town treasurer to enforce the judgment. Judgment may be entered as to any one or more separate lots, tracts, or parcels involved in the proceeding and the court shall retain jurisdiction as to the balance. [1965 c 7 § 35.50.100. No notice to present claims other than the summons in the action shall be necessary. Any claim presented shall be accompanied by the bonds and warrants upon which it is based. Dividends upon any bonds or warrants for which no claim was filed shall be paid into the general fund of the city or town, but the owner thereof may obtain it at any time within five years thereafter upon surrender and cancellation of his bonds and warrants.

35.54.010 Establishment. There is established in every city and town a fund to be designated the "local improvement guaranty fund" for the purpose of guaranteeing, to the extent of the fund, the payment of its local improvement bonds and warrants issued to pay for any local improvement ordered in the city or town or in any area wholly or partly outside its corporate boundaries: (1) In any city of the first class having a population of more than three hundred thousand, subsequent to June 8, 1927; (2) in any city or town having created and maintained a guaranty fund under chapter 141, Laws of 1923, subsequent to the date of establishment of such fund; and (3) in any other city or town subsequent to April 7, 1926: *Provided*, That this shall not apply to any city of the first class which maintains a local improvement guaranty fund under chapter 138, Laws of 1917, but any such city maintaining a guaranty fund under chapter 138, Laws of 1917 may by ordinance elect to operate under the provisions of this chapter and may transfer to the guaranty fund created hereunder all the assets of the former fund and, upon such election and transfer, all bonds guaranteed under the former fund shall be guaranteed under the provisions of this chapter. [1971 ex.s. c 116 § 7; 1965 c 7 § 35.54.010. Prior: (i) 1917 c 138 § 1; RRS § 8986. (ii) 1917 c 138 § 2; RRS § 8987. (iii) 1917 c 138 § 3; RRS § 8988. (iv) 1917 c 138 § 4; RRS § 8989. 35.54.020 Rules and regulations. Every city and town operating under the provisions of this chapter shall prescribe by ordinance appropriate rules and regulations for the maintenance and operation of the guaranty fund not inconsistent with the provisions of this chapter. [1965 c 7 § 35.54.020. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.040 Source—Subrogation rights to assessments. Whenever any sum is paid out of the local improvement guaranty fund on account of principal or interest of a local improvement bond or warrant, the city

or town as trustee of the fund shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the underlying assessment, shall become part of the guaranty fund. [1965 c 7 § 35.54.040. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.050 Source—Surplus from improvement funds. If in any local improvement fund guaranteed by a local improvement guaranty fund there is a surplus remaining after the payment of all outstanding bonds and warrants payable therefrom, it shall be paid into the local improvement guaranty fund. 35.54.060 Source—Taxation. For the purpose of maintaining the local improvement guaranty fund, every city and town shall, at the time of making its annual budget and tax levy, provide for the levy of a sum sufficient, with the other sources of the fund, to pay the warrants issued against the fund during the preceding fiscal year and to establish a balance therein: *Provided*, That the levy in any one year shall not exceed five percent of the outstanding obligations guaranteed by the fund.

The taxes levied for the maintenance of the local improvement guaranty fund shall be additional to and, if need be, in excess of all statutory and charter limitations applicable to tax levies in any city or town. [1965 c 7 § 35.54.060. Prior: (i) 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part. (ii) 1927 c 209 § 2, part; 1925 ex.s. c 183 § 2, part; 1923 c 141 § 2, part; RRS § 9351-2, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.54.070 Use of fund—Purchase of bonds, coupons and warrants. Defaulted bonds, interest coupons and warrants against local improvement funds shall be purchased out of the guaranty fund, and as between the several issues of bonds, coupons, or warrants no preference shall exist, but they shall be purchased in the order of their presentation. [1965 c 7 § 35.54.070. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.080 Use of fund—Purchase of general tax certificates or property on or after foreclosure—Disposition. For the purpose of protecting the guaranty fund, so much of the guaranty fund as is necessary may be used to purchase certificates of delinquency for general taxes on property subject to local improvement assessments which underlie the bonds, coupons, or warrants guaranteed by the fund, or to purchase such property at county tax foreclosures, or from the county after foreclosure.

The city or town, as trustee of the fund, may foreclose the lien of general tax certificates of delinquency and

purchase the property at foreclosure sale; when doing so the court costs, costs of publication, expense for clerical work and other expenses incidental thereto shall be charged to and paid from the local improvement guaranty fund.

After acquiring title to property by purchase at general tax foreclosure sale or from the county after foreclosure, a city or town may lease it or sell it at public or private sale at such price on such terms as may be determined by resolution of the council. All proceeds shall belong to and be paid into the local improvement guaranty fund. [1965 c 7 § 35.54.080. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.090 Warrants against fund. Warrants drawing interest at a rate not to exceed six percent shall be issued against the local improvement guaranty fund to meet any liability accruing against it. The warrants so issued shall at no time exceed five percent of the outstanding obligations guaranteed by the fund. [1965 c 7 § 35.54.090. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.095 Transfer of assets to general fund—When authorized—Payment of claims as general obligation, when. (1) Any city or town maintaining a local improvement guaranty fund under this chapter, upon certification by the city or town treasurer that the local improvement guaranty fund has sufficient funds currently on hand to meet all valid outstanding obligations of the fund and all other obligations of the fund reasonably expected to be incurred in the near future, may by ordinance transfer assets from such fund to its general fund. The net cash of the local improvement guaranty fund may be reduced by such transfer to an amount not less than ten percent of the net outstanding obligations guaranteed by such fund.

(2) If, at any time within five years of any transfer of assets from the local improvement guaranty fund to the general fund of a city or town, the net cash of the local improvement guaranty fund is reduced below the minimum amount specified in subsection (1) of this section, the city or town shall, to the extent of the amount transferred, pay valid claims against the local improvement guaranty fund as a general obligation of the city or town. In addition, such city or town shall pay all reasonable costs of collection necessarily incurred by the holders of valid claims against the local improvement guaranty fund. [1979 c 55 § 1.]

35.54.100 Deferral of collection of assessments for economically disadvantaged persons—Payment from guaranty fund—Lien—Payment dates for deferred obligations. Whenever payment of a local improvement district assessment is deferred pursuant to the provisions of RCW 35.43.250 the amount of the deferred assessment shall be paid out of the local improvement guaranty fund. The local improvement guaranty fund shall have a lien on the benefited property in an amount equal

to the deferral together with interest as provided for by the establishing ordinance.

The lien may accumulate up to an amount not to exceed the sum of two installments: *Provided*, That the ordinance creating the local improvement district may provide for one or additional deferrals of up to two installments. Local improvement assessment obligations deferred under *this 1972 amendatory act shall become payable upon the earliest of the following dates:

(1) Upon the date and pursuant to conditions established by the political subdivision granting the deferral; or

(2) Upon the sale of property which has a deferred assessment lien upon it from the purchase price; or

(3) Upon the death of the person to whom the deferral was granted from the value of his estate; except a surviving spouse shall be allowed to continue the deferral which shall then be payable by that spouse as provided in this section. [1972 ex.s. c 137 § 3.]

*Reviser's note: "this 1972 amendatory act" [1972 ex.s. c 137] consists of RCW 35.43.250 and 35.54.100 and the 1972 ex.s. amendments to RCW 35.49.010 and 35.50.050.

35.55.010 Authority—Second and third class cities. If the city council of any city of the second and third class deems it necessary or expedient on account of the public health, sanitation, the general welfare, or other cause, to fill or raise the grade of any marshlands, swamplands, tidelands, shorelands, or lands commonly known as tideflats, or any other lowlands situated within the limits of the city, and to clear and prepare the lands for such filling, it may do so and assess the expense thereof, including the cost of making compensation for

property taken or damaged, and all other costs and expense incidental to such improvement, to the property benefited, except such amount of such expense as the city council may direct to be paid out of the current or general expense fund.

If, in the judgment of the city council the special benefits for any such improvement shall extend beyond the boundaries of the filled area, the council may create an enlarged district which shall include, as near as may be, all the property, whether actually filled or not, which will be specially benefited by such improvement, and in such case the council shall specify and describe the boundaries of such enlarged district in the ordinance providing for such improvement and shall specify that such portion of the total cost and expense of such improvement as may not be borne by the current or general expense fund, shall be distributed and assessed against all the property of such enlarged district. [1965 c 7 § 35.55.010. Prior: 1917 c 63 § 1; 1909 c 147 § 1; RRS § 9432.]

35.55.020 Alternative methods of financing. If the city council desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon the property benefited, compensation therefor shall be made from any general funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of the special assessments shall be as hereinafter provided. [1965 c 7 § 35.55.020. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.55.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which it is proposed to assess for said improvement. If any parcel of land within the boundaries of such proposed improvement district has been wholly filled to the proposed grade elevation of the proposed fill, such parcel of land may be excluded from the lists of lands to be assessed, when in the opinion of the city council justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.55.030. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

35.55.040 Damages—Eminent domain. If an ordinance has been passed as in this chapter provided, and it appears that in making of the improvement so authorized, private property will be taken or damaged thereby, the city shall file a petition in the superior court of the county in which such city is situated, in the name of the city, praying that just compensation to be made for the property to be taken or damaged for the improvement specified in the ordinance be ascertained, and conduct

proceedings in eminent domain in accordance with the statutes relating to cities for the ascertainment of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.55.010 shall not be considered as damaging or taking of such lands. The damage if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled, shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: *Provided*, That the city shall after the passage of such ordinance, proceed with said improvement with due diligence. If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.55.040. Prior: 1909 c 147 § 3; RRS § 9434.]

Eminent domain by cities: Chapter 8.12 RCW.

35.55.050 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter, or at any time afterward, the city council shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council. [1965 c 7 § 35.55.050. Prior: 1909 c 147 § 4; RRS § 9435.]

35.55.060 Assessment roll—Items—Assessment units—Installments. When such plans and specifications have been prepared and the estimates of the cost and expense of making the improvement have been adopted by the council and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the compensation has been ascertained in the eminent domain proceedings, the city council shall cause an assessment roll to be prepared containing a list of all of the property within the improvement district which it is proposed to assess for the improvement, together with the names of the owners,

if known, and if unknown the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the council, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement, may be assessed against the property within the district subject to assessment, but the council may order any portion of the costs paid out of the current or general expense fund of the city.

The assessments shall be made according to and in proportion to surface area one square foot of surface to be the unit of assessment, except that the several parcels of land in any enlarged district not actually filled shall be assessed in accordance with special benefits: *Provided*, That where any parcel of land was partially filled by the owner prior to the initiation of the improvement, an equitable deduction for such partial filling may be allowed.

The cost and expense incidental to the filling of the streets, alleys and public places within such assessment district shall be borne by the private property within such district subject to assessment when so ordered by the council. When the assessments are payable in installments, the assessment roll when equalized, shall show the number of installments and the amounts thereof. The assessments may be made payable in any number of equal annual installments not exceeding ten in number. [1965 c 7 § 35.55.060. Prior: 1917 c 63 § 2; 1909 c 147 § 5; RRS § 9436.]

35.55.070 Hearing on assessment roll—Notice—Council's authority. When such assessment roll has been prepared it shall be filed in the office of the city clerk and thereupon the city clerk shall give notice by publication in at least three issues of the official paper that such roll is on file in his office and that at a date mentioned in said notice, which shall be at least twenty days after the date of the first publication thereof, the city council will sit as a board of equalization to equalize said roll and to hear, consider and determine protests and objections against the same.

At the time specified in the notice, the city council shall sit as a board of equalization to equalize the roll and they may adjourn the sitting from time to time until the equalization of such roll is completed. The city council as board of equalization may hear, consider and determine objections and protests against any assessment and may make such alterations and modifications in the assessment roll as justice and equity may require. [1965 c 7 § 35.55.070. Prior: 1909 c 147 § 6; RRS § 9437.]

35.55.080 Hearings—Appeals. Any person who has made objections to the assessment as equalized, shall have the right to appeal from the equalization as made by the city council to the superior court of the county. The appeal shall be made by filing a written notice of appeal with the city clerk within ten days after the

equalization of the assessments by the council. The notice of appeal shall describe the property and the objections of such appellant to such assessment.

The appellant shall also file with the clerk of the superior court within ten days from the time of taking the appeal a copy of the notice of appeal together with a copy of the assessment roll and proceedings thereon, certified by the city clerk and a bond to the city conditioned to pay all costs that may be awarded against appellant in such sum not less than two hundred dollars and with such security as shall be approved by the clerk of the court.

The case shall be docketed by the clerk of the court in the name of the person taking the appeal as plaintiff and the city as defendant. The cause shall then be at issue and shall be tried immediately by the court as in the case of equitable causes; no further pleadings shall be necessary. The judgment of the court shall be either to confirm, modify or annul the assessment insofar as the same affects the property of the appellant. Appeal shall lie to the supreme court or the court of appeals as in other causes. [1971 c 81 § 94; 1965 c 7 § 35.55.080. Prior: 1909 c 147 § 7; RRS § 9438.]

35.55.090 Lien—Collection of assessments. From and after the equalization of the roll, the several assessments therein shall become a lien upon the real estate described therein and shall remain a lien until paid. The assessment lien shall take precedence of all other liens against such property, except the lien of general taxes. The assessments shall be collected by the same officers and enforced in the same manner as provided by law for the collection and enforcement of local assessments for street improvements. All of the provisions of laws and ordinances relative to the enforcement and collection of local assessments for street improvements shall be applicable to these assessments. [1965 c 7 § 35.55.090. Prior: 1909 c 147 § 8; RRS § 9439.]

Assessments for local improvements, collection and foreclosure: Chapters 35.49, 35.50 RCW.

35.55.100 Interest on assessments. The local assessments shall bear interest at such rate as may be fixed by the council, not exceeding the rate of eight percent per annum from and after the expiration of thirty days after the equalization of the assessment roll and shall bear such interest after delinquency as may be provided by general ordinance of the city. [1965 c 7 § 35.55.100. Prior: 1909 c 147 § 12, part; RRS § 9443, part.]

35.55.110 Payment of cost of improvement—Interest on warrants. If the improvement contemplated by this chapter is ordered to be made upon the immediate payment plan, the city council shall provide for the payment thereof by the issuance of local improvement fund warrants against the local improvement district, which warrants shall be paid only out of the funds derived from the local assessments in the district and shall bear interest at the rate of eight percent per annum from date of issuance. If the improvement is ordered to be made upon the bond installment plan, the city council shall provide

for the issuance of bonds against the improvement district. [1965 c 7 § 35.55.110. Prior: (i) 1909 c 147 § 12, part; RRS § 9443, part. (ii) 1909 c 147 § 9; RRS § 9440.]

35.55.120 Local improvement bonds—Terms. The city council shall have full authority to provide for the issuance of bonds against the improvement district fund in such denominations as the city council may provide which shall bear such rate of interest as the city council may fix, not exceeding, however, eight percent per annum. Interest shall be paid annually and the bonds shall become due and payable at such time, not exceeding ten years from the date thereof, as may be fixed by the council and shall be payable out of the local assessment district fund.

If so ordered by the council, the bonds may be issued in such a way that different numbers of the bonds may become due and payable at different intervals of time, or they may be so issued that all of the bonds against said district mature together. [1965 c 7 § 35.55.120. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.130 Local improvement bonds—Guaranties. The city may guarantee the payment of the whole or any part of the bonds issued against a local improvement district, but the guaranties on the part of the city, other than a city operating under the council-manager form or the commission form, shall be made only by ordinance passed by the vote of not less than nine councilmen and the approval of the mayor in cities of the second class, and six councilmen and approval of the mayor in cities of the third class. In a city under the council-manager form of government, such guaranties shall be made only in an ordinance passed by a vote of three out of five or five out of seven councilmen, as the case may be, and approval of the mayor. In a city under the commission form of government, such guaranties shall be made only in an ordinance passed by a vote of two out of three of the commissioners. The mayor's approval shall not be necessary in commission form cities. [1965 c 7 § 35.55.130. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.140 Local improvement bonds and warrants—Sale to pay damages, preliminary financing. The city council may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings including the costs of such proceedings. In lieu of so doing, the city council may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.55.140. Prior: 1909 c 147 § 11; RRS § 9442.]

35.55.150 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle awaiting the maturity of the bonds against the district, the city council, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.55.150. Prior: 1909 c 147 § 15; RRS § 9446.]

35.55.160 Letting contract for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants, or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council may best subserve the public interest.

If, after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be rebated pro rata to the property owners on the assessment roll, the rebates to be deducted from the last installment, or installments, when the assessment is upon the installment plan.

If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council, after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included, except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.55.160. Prior: 1909 c 147 § 13; RRS § 9444.]

35.55.170 Payment of contractor—Bonds, warrants, cash. The city council may provide in letting the contract for an improvement, that the contractor shall accept special fund warrants or local improvement bonds against the local improvement district within which such improvement is to be made, in payment for the contract price of the work, and that the warrants or bonds may be issued to the contractor from time to time as the work progresses, or the city council may negotiate the special fund warrants or bonds against the local improvement district at not less than ninety-five cents in money for each dollar of warrants or bonds, and with the proceeds pay the contractor for the work and pay the other costs of such improvement. [1965 c 7 § 35.55.170. Prior: 1909 c 147 § 14; RRS § 9445.]

35.55.180 Reassessments. If any assessment is found to be invalid for any cause or if it is set aside for any

reason in judicial proceeding, a reassessment may be made and all laws relative to the reassessment of local assessments, for street or other improvements, shall, as far as practicable, be applicable hereto. [1965 c 7 § 35.55.180. Prior: 1909 c 147 § 16; RRS § 9447.]

35.55.190 Provisions of chapter not exclusive. The provisions of this chapter shall not be construed as repealing or in any wise affecting any existing laws relative to the making of any such improvements, but shall be considered as concurrent therewith. [1965 c 7 § 35.55.190. Prior: 1909 c 147 § 17; RRS § 9448.]

35.56.010 Authority—First, second and third class cities. If the city council or commission of any city of the first, second or third class in this state deems it necessary or expedient on account of the public health, sanitation, the general welfare, or other cause, to fill or raise the grade or elevation of any marshlands, swamplands, tidelands or lands commonly known as tideflats, or any other lands situated within the limits of such city and to clear and prepare said lands for such filling it

may do so by proceeding in accordance with the provisions of this chapter.

For the purpose of filling and raising the grade or elevation of such lands and to secure material therefor and to provide for the proper drainage thereof after such fill has been effected, the city council or commission may acquire rights of way (and where necessary or desirable, may vacate, use and appropriate streets and alleys for such purposes) and lay out, build, construct and maintain over and across such lowlands, canals or artificial waterways of at least sufficient width, depth and length to provide and afford the quantity of earth, dirt and material required to complete such fill, and with the earth, dirt and material removed in digging and constructing such canals and waterways, fill and raise the grade or elevation of such marshlands, swamplands, tidelands or tideflats; and such canals or waterways shall be constructed of such width and depth (provided that all the earth, dirt and other suitable material removed in constructing the same shall be used to fill the lowlands as herein provided) as will make them available, convenient and suitable to provide water frontage for landings, wharves and other conveniences of navigation and commerce for the use and benefit of the city and the public. If canals or waterways are to be constructed as herein provided, such city may construct and maintain the necessary bridges over and across the same; such canals or waterways shall be forever under the control of such city and shall be and become public thoroughfares and waterways for the use and benefit of commerce, shipping, the city and the public generally.

The expense of making such improvement and in doing, accomplishing and effecting all the work provided for in this chapter including the cost of making compensation for property taken or damaged, and all other cost and expense incidental to such improvement, shall be assessed to the property benefited, except such amount of such expense as the city council or commission, in its discretion, may direct to be paid out of the current or general expense fund. [1965 c 7 § 35.56.010. Prior: 1929 c 63 § 1; 1913 c 16 § 1; RRS § 9449.]

35.56.020 Alternative methods of financing. If the city council or commission desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessment upon the property benefited, compensation therefor shall be made from any general or special funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of such special assessment shall be as hereafter provided. [1965 c 7 § 35.56.020. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.56.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which

it is proposed to assess for said improvement, and shall provide for the filling of such lowlands and shall outline the general scheme or plan of such fill. If any parcel of land within the boundaries of such proposed improvement district prior to the initiation of the improvement has been wholly filled to the proposed grade or elevation of the proposed fill, such parcel of land may be excluded from the lands to be assessed when in the opinion of the city council or commission justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.56.030. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.040 Conditions precedent to passage of ordinance—Protests. Upon the introduction of an ordinance providing for such fill, if the city council or commission desires to proceed, it shall fix a time, not less than ten days, in which protests against said fill may be filed in the office of the city clerk. Thereupon it shall be the duty of the clerk of said city to publish in the official newspaper of said city in at least two consecutive issues thereof before the time fixed for the filing of protests, a notice of the time fixed for the filing of protests together with a copy of the proposed ordinance as introduced.

Protests against the proposed fill to be effective must be filed by the owners of more than half of the area of land situated within the proposed filling district exclusive of streets, alleys and public places on or before the date fixed for such filing. If an effective protest is filed the council shall not proceed further unless two-thirds of the members of the city council vote to proceed with the work; if the city is operating under a commission form of government composed of three commissioners, the commission shall not proceed further except by a unanimous affirmative vote of all the members thereof, if the commission is composed of five members, at least four affirmative votes thereof shall be necessary before proceeding.

If no effective protest is filed or if an effective protest is filed and two-thirds of the councilmen vote to proceed with the work or in cases where cities are operating under the commission form of government, the commissioners vote unanimously or four out of five commissioners vote to proceed with the work, the city council or commission shall at such meeting or in a succeeding meeting proceed to pass the proposed ordinance for the work, with such amendments and modifications as to the said city council or commission of said city may seem proper. The local improvement district shall be called "filling district No." [1965 c 7 § 35.56.040. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.050 Damages—Eminent domain. If an ordinance is passed as in this chapter provided, and it appears that in making of the improvements so authorized, private property will be taken or damaged thereby within or without the city, the city shall file a petition in the superior court of the county in which such city is

situated, in the name of the city, praying that just compensation be made for the property to be taken or damaged for the improvement specified in the ordinance and conduct proceedings in eminent domain in accordance with the statutes relating to cities for the ascertainment of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.56.010 shall not be considered as a damaging or taking of such lands. The damage, if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: *Provided*, That the city shall, after the passage of such ordinance, proceed with said improvement with due diligence.

If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.56.050. Prior: (i) 1913 c 16 § 3; RRS § 9451. (ii) 1929 c 63 § 4; 1913 c 16 § 21; RRS § 9469.]

Eminent domain, cities: Chapter 8.12 RCW.

35.56.060 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter or at any time afterward, the city council or commission shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council or commission. [1965 c 7 § 35.56.060. Prior: 1913 c 16 § 4; RRS § 9452.]

35.56.070 Assessment roll—Items—Assessment units—Installments. When such plans and specifications shall have been prepared and the estimate of the cost and expense of making the improvement has been adopted by the council or commission and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the

compensation has been ascertained in the eminent domain proceedings, the city council or commission shall cause an assessment roll to be prepared containing a list of all the property within the improvement district which it is proposed to assess for the improvements together with the names of the owners, if known, and if unknown, the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the city council or commission, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement may be assessed against the property within the district subject to assessment, but the city council or commission may order any portion of the costs paid out of the current or general expense fund of the city. The assessments shall be made according to and in proportion to surface area, one square foot of surface to be the unit of assessment: *Provided*, That where any parcel of land was wholly or partially filled by the owner prior to the initiation of the improvement an equitable deduction for such filling or partial filling may be allowed.

The cost and expense incidental to the filling of the streets, alleys and public places within said assessment district shall be borne by the private property within such district subject to assessment when so ordered by the city council or commission. When the assessments are payable in installments, the assessment roll when equalized shall show the number of installments and the amounts thereof. The assessment may be made payable in any number of equal annual installments not exceeding fifteen in number. [1965 c 7 § 35.56.070. Prior: 1913 c 16 § 5; RRS § 9453.]

35.56.080 Hearing on assessment roll—Notice—Council's authority. When such assessment roll has been prepared it shall be filed in the office of the city clerk and thereupon the city clerk shall give notice by publication in at least three issues of the official paper that such roll is on file in his office and on a date mentioned in said notice, which shall be at least twenty days after the date of the first publication thereof, the city council or commission will sit as a board of equalization to equalize said roll and to hear, consider and determine protests and objections against the same.

At the time specified in the notice, the city council or commission shall sit as a board of equalization to equalize the roll and they may adjourn the sitting from time to time until the equalization of such roll is completed. The city council or commission as such board of equalization may hear, consider and determine objections and protests against any assessment and make such alterations and modifications in the assessment roll as justice and equity may require. [1965 c 7 § 35.56.080. Prior: 1913 c 16 § 6; RRS § 9454.]

35.56.090 Hearing—Appeals. Any person who has made objections to the assessment as equalized, shall have the right to appeal from the equalization as made

by the city council or commission to the superior court of the county. The appeal shall be made by filing a written notice of appeal with the city clerk within ten days after the equalization of the assessments by the council or commission. The notice of appeal shall describe the property and the objections of such appellant to such assessment.

The appellant shall also file with the clerk of the superior court within ten days from the time of taking the appeal a copy of the notice of appeal together with a copy of the assessment roll and proceedings thereon, certified by the city clerk and a bond to the city conditioned to pay all costs that may be awarded against appellant in such sum not less than two hundred dollars, and with such security as shall be approved by the clerk of the court.

The case shall be docketed by the clerk of the court in the name of the person taking the appeal as plaintiff, and the city as defendant. The cause shall then be at issue and shall be tried immediately by the court as in the case of equitable causes; no further pleadings shall be necessary. The judgment of the court shall be either to confirm, modify or annul the assessment insofar as the same affects the property of the appellant. An appeal shall lie to the supreme court or the court of appeals as in other causes. [1971 c 81 § 95; 1965 c 7 § 35.56.090. Prior: 1913 c 16 § 7; RRS § 9455.]

35.56.100 Lien—Collection of assessments. From and after the equalization of the roll, the several assessments therein shall become a lien upon the real estate described therein and shall remain a lien until paid. The assessment lien shall take precedence of all other liens against such property, except the lien of general taxes. The assessments shall be collected by the same officers and enforced in the same manner as provided by law for the collection and enforcement of local assessments for street improvements. All of the provisions of laws and ordinances relative to the guaranty, enforcement, and collection of local assessments for street improvements, including foreclosure in case of delinquency, shall be applicable to these assessments. [1965 c 7 § 35.56.100. Prior: 1929 c 63 § 2; 1913 c 16 § 8; RRS § 9456.]

Assessments for local improvements, collection and foreclosure: Chapters 35.49, 35.50 RCW.

35.56.110 Interest on assessments. The local assessments shall bear interest at such rate as may be fixed by the council or commission, not exceeding the rate of eight percent per annum from and after the expiration of thirty days after the equalization of the assessment roll and shall bear such interest after delinquency as may be provided by general ordinance of the city. [1965 c 7 § 35.56.110. Prior: 1929 c 63 § 3; 1913 c 16 § 12; RRS § 9460.]

35.56.120 Payment of cost of improvement—Interest on warrants. If the improvement contemplated by this chapter is ordered to be made upon the immediate payment plan, the city council or commission shall provide for the payment thereof by the issuance of local

improvement fund warrants against the local improvement district, which warrants shall be paid only out of the funds derived from the local assessments in the district and shall bear interest at the rate of eight percent per annum from date of issuance. If the improvement is ordered to be made upon the bond installment plan, the city council or commission shall provide for the issuance of bonds against the improvement district. [1965 c 7 § 35.56.120. Prior: 1913 c 16 § 9; RRS § 9457.]

35.56.130 Local improvement bonds—Terms. The city council or commission shall have full authority to provide for the issuance of such bonds against the improvement district fund in such denominations as the city council or commission may provide, which shall bear such rate of interest as the city council or commission may fix, not exceeding, however, eight percent per annum. Interest shall be paid annually and the bonds shall become due and payable at such time, not exceeding fifteen years from the date thereof, as may be fixed by the said council or commission and shall be payable out of the assessment district funds.

If so ordered by the council or commission, the bonds may be issued in such a way that different numbers of the bonds may become due and payable at different intervals of time, or they may be so issued that all of the bonds against said district mature together. The city may reserve the right to call or mature any bond on any interest paying date when sufficient funds are on hand for its redemption; but bonds shall be called in numerical order. [1965 c 7 § 35.56.130. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]

35.56.140 Local improvement bonds—Guaranties. The city may guarantee the payment of the whole or any part of the bonds issued against a local improvement district, but the guaranties on the part of the city shall be made only by ordinance passed by the vote of not less than two-thirds of the councilmen and the approval of the mayor, or three commissioners in case the governing body consist of three commissioners, or four where such city is governed by five commissioners. [1965 c 7 § 35.56.140. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]

35.56.150 Local improvement bonds and warrants—Sale to pay damages—Preliminary financing. The city council or commission may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings, including the costs of such proceedings. In lieu of so doing, the city council or commission may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.56.150. Prior: 1913 c 16 § 11; RRS § 9459.]

35.56.160 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle waiting the maturity of the bonds against the district, the city council or commission, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.56.160. Prior: 1913 c 16 § 15; RRS § 9463.]

35.56.170 Letting contracts for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council or commission may best subserve the public interest.

If after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be rebated pro rata to the property owners on the assessment roll, the rebates to be deducted from the last installment, or installments, when the assessment is upon the installment plan.

If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council or commission after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.56.170. Prior: 1913 c 16 § 13; RRS § 9461.]

35.56.180 Payment of contractor—Bonds—Warrants—Cash. The city council or commission may provide in letting the contract for an improvement, that the contractor shall accept special fund warrants or local improvement bonds against the local improvement district within which such improvement is to be made, in payment for the contract price of the work, and that the warrants or bonds may be issued to the contractor from time to time as the work progresses, or the city council or commission may negotiate the special fund warrants or bonds against the local improvement district at not less than ninety-five cents in money for each dollar of warrants or bonds, and with the proceeds pay the contractor for the work and pay the other costs of such improvement. [1965 c 7 § 35.56.180. Prior: 1913 c 16 § 14; RRS § 9462.]

35.56.190 Tax levy—General—Purposes—

Limit. For the purpose of raising revenues to carry on any project under this chapter including funds for the payment for the lands taken, purchased, acquired or condemned and the expenses incident to the acquiring thereof, or any other cost or expenses incurred by the city under the provisions of this chapter but not including the cost of actually filling the lands for which the local improvement district was created, a city may levy an annual tax of not exceeding seventy-five cents per thousand dollars of assessed valuation of all property within the city. The city council or commission may create a fund into which all moneys so derived from taxation and moneys derived from rents and issues of the lands shall be paid and against which special fund warrants may be drawn or negotiable bonds issued to meet expenditures under this chapter. [1973 1st ex.s. c 195 § 22; 1965 c 7 § 35.56.190. Prior: 1913 c 16 § 19; RRS § 9467.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

35.56.200 Waterways constructed—Requirements.

In the filling of any marshland, swampland, tideland or tideflats no canal or waterway shall be constructed in connection therewith less than three hundred feet wide at the top between the shore lines and with sufficient slope to the sides or banks thereof to as nearly as practicable render bulkheadings or other protection against caving or falling in of said sides or banks unnecessary and of sufficient depth to meet all ordinary requirements of navigation and commerce. [1965 c 7 § 35.56.200. Prior: 1913 c 16 § 17, part; RRS § 9465, part.]

35.56.210 Waterways constructed—Control.

The canal or waterway shall be and remain under the control of the city and immediately upon its completion the city shall establish outer dock lines lengthwise of said canal or waterway on both sides thereof in such manner and position that not less than two hundred feet of the width thereof shall always remain open between such lines and beyond and between which lines no right shall ever be granted to build wharves or other obstructions except bridges; nor shall any permanent obstruction to the free use of the channel so laid out between said wharf or dock lines excepting bridges, their approaches, piers, abutments and spans, ever be permitted but the same shall be kept open for navigation. [1965 c 7 § 35.56.210. Prior: 1913 c 16 § 17, part; RRS § 9465, part.]

35.56.220 Waterways constructed—Leasing facilities.

The city shall have the right to lease the area so created between the said shore lines and the wharf lines so established or any part, parts or parcels thereof during times when the use thereof is not required by the city, for periods not exceeding thirty years, to private individuals or concerns for wharf, warehouse or manufacturing purposes at such annual rate or rental per lineal foot of frontage on the canal or waterway as it may deem reasonable.

The rates of wharfage, and other charges to the public which any lessee may impose shall be reasonable; and

the city council or commission may regulate such rates. The lease so granted by the city shall never be transferred or assigned without the consent of the city council or commission having been first obtained.

A city shall never lease to any individual or concern more than four hundred lineal feet of frontage of the area lying between the shore lines and the dock lines and no individual or concern shall ever hold or occupy by lease, sublease or otherwise more than the said four hundred lineal feet of frontage of such area: *Provided*, That any individual or concern may acquire by lease or sublease whatever additional number of lineal feet of frontage of such area may in the judgment of the city council or commission be necessary for the use of such individual or concern, upon petition therefor to the city council or commission signed by not less than five hundred resident freeholders of the city. for wholesale and retail warehouses and for general commercial purposes and manufacturing sites, but the said city shall never convey or part with title to the abutting lands above mentioned and so acquired nor with the control other than in the manner herein specified. Any lease or leases granted by the city on such abutting lands shall never be transferred or assigned without the consent of the city council or commission having been first obtained.

A city shall never lease to any individual or concern more than four hundred lineal feet of canal or waterway frontage of said land and no individual or concern shall ever hold or occupy by lease, sublease, or otherwise more than the said four hundred lineal feet of said frontage: *Provided*, That any individual or concern may acquire by lease or sublease whatever additional frontage of such abutting land may be in the judgment of the city council or commission necessary for the use of such individual or concern, upon petition presented to the city council or commission therefor signed by not less than five hundred resident freeholders of such city. 35.58.010 Declaration of policy and purpose. It is hereby declared to be the public policy of the state of Washington to provide for the people of the populous metropolitan areas in the state the means of obtaining essential services not adequately provided by existing agencies of local government. The growth of urban population and the movement of people into suburban areas has created problems of water pollution abatement, garbage disposal, water supply, transportation, planning, parks and parkways which extend beyond the boundaries of cities, counties and special districts. For reasons of topography, location and movement of population, and land conditions and development, one or more of these problems cannot be adequately met by the individual cities, counties and districts of many metropolitan areas.

It is the purpose of this chapter to enable cities and counties to act jointly to meet these common problems in order that the proper growth and development of the metropolitan areas of the state may be assured and the health and welfare of the people residing therein may be secured. [1974 ex.s. c 70 § 1; 1965 c 7 § 35.58.010. Prior: 1957 c 213 § 1.]

If a majority of the persons voting on the proposition shall vote in favor thereof, the metropolitan municipal corporation shall be authorized to perform such additional metropolitan function or functions. [1967 c 105 § 2; 1965 c 7 § 35.58.100. Prior: 1957 c 213 § 10.]

35.58.110 Additional functions—Authorized without election. A metropolitan municipal corporation may be authorized to perform one or more metropolitan

functions in addition to those which it previously has been authorized to perform, without an election, in the manner provided in this section. A resolution providing for the performance of such additional metropolitan function or functions shall be adopted by the metropolitan council. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county. If, within ninety days after the date of such mailing, a concurring resolution is adopted by the legislative body of each component county, of each component city of the first class, and of at least two-thirds of all other component cities, and such concurring resolutions are transmitted to the metropolitan council, such council shall by resolution declare that the metropolitan municipal corporation has been authorized to perform such additional metropolitan function or functions. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county and of each special district which will be affected by the particular additional metropolitan function authorized. [1965 c 7 § 35.58.110. Prior: 1957 c 213 § 11.]

35.58.112 Recommended comprehensive plan for performance of additional function—Study and preparation. The metropolitan council of a metropolitan municipal corporation upon the affirmative vote of two-thirds of the members of such council may make planning, engineering, legal, financial and feasibility studies preliminary to or incident to the preparation of a recommended comprehensive plan for any metropolitan function, and may prepare such a recommended comprehensive plan before the metropolitan municipal corporation has been authorized to perform such function. The studies and plan may cover territory within and without the metropolitan municipal corporation. A recommended comprehensive plan prepared pursuant to this section for any metropolitan function may not be adopted by the metropolitan council unless the metropolitan municipal corporation shall have been authorized to perform such function. [1967 c 105 § 7.]

35.58.114 Recommended comprehensive plan for performance of additional function—Resolution for special election to authorize additional function—Contents—Hearings—Election procedure. Whenever a recommended comprehensive plan for the performance of any additional metropolitan function shall have been prepared and the metropolitan council shall have found the plan to be feasible the council may by resolution call a special election to authorize the performance of such additional function without the filing of the petitions or resolutions provided for in RCW 35.58.100.

If the metropolitan council shall determine that the performance of such function requires enlargement of the metropolitan area, such resolution shall contain a description of the boundaries of the proposed metropolitan area and may be adopted only after a public hearing thereon before the council. Notice of such hearing shall be published once a week for at least two consecutive weeks in one or more newspapers of general circulation

within the proposed metropolitan area. The notice shall contain a description of the boundaries of the proposed metropolitan area, shall name the additional function or functions to be performed and shall state the time and place of the hearing and the fact that any changes in the boundaries of the proposed metropolitan area will be considered at such time and place. At such hearing any interested person may appear and be heard. The council may make such changes in the proposed metropolitan area as they shall deem reasonable and proper, but may not delete any portion of the existing metropolitan area and may not delete any portion of the proposed additional area which will create an island of included or excluded lands. If the council shall determine that the proposed additional area should be further enlarged, a second hearing shall be held and notice given in the same manner as for the original hearing. The council may adjourn the hearing or hearings from time to time.

Following the conclusion of such hearing or hearings the council may adopt a resolution fixing the boundaries of the proposed metropolitan area and calling a special election on the performance of such additional function. If the metropolitan municipal corporation is then authorized to perform the function of metropolitan sewage disposal the council may provide in such resolution that local governmental agencies collecting sewage from areas outside the metropolitan area as same is constituted on the date of adoption of such resolution will not thereafter be required to discharge such sewage into the metropolitan sewer system or to secure approval of local construction plans from the metropolitan municipal corporation unless such local agency shall first have entered into a contract with the metropolitan municipal corporation for the disposal of such sewage. The metropolitan council may also provide in such resolution that the authorization to perform such additional function be effective only if the voters at such election also authorize the issuance of any general obligation bonds required to carry out the recommended comprehensive plan.

The resolution calling such election shall fix the form of the ballot proposition and the same may vary from that specified in RCW 35.58.100. If the metropolitan council shall find that the issuance of general obligation bonds is necessary to perform such additional function and to carry out such recommended comprehensive plan then the ballot proposition shall set forth the principal amount of such bonds and the maximum maturity thereof and the proposition shall be so worded that the voters may by a single yes or no vote authorize the performance of the designated function in the area described in the resolution and the issuance of such general obligation bonds.

The persons voting at such election shall be all of the qualified voters who have resided within the boundaries of the proposed metropolitan area for at least thirty days preceding the date of the election. The election shall be conducted and canvassed as provided in RCW 35.58.090.

If the resolution calling such election does not require the approval of general obligation bonds as a condition of the performance of such additional function and if a majority of the persons voting on the ballot proposition

residing within the existing metropolitan municipal corporation shall vote in favor thereof and a majority of the persons residing within the area proposed to be added to the existing metropolitan municipal corporation shall vote in favor thereof the boundaries described in the resolution calling the election shall become the boundaries of the metropolitan municipal corporation and the metropolitan municipal corporation shall be authorized to perform the additional function described in the proposition.

If the resolution calling such election shall require the authorization of general obligation bonds as a condition of the performance of such additional function, then to be effective the ballot proposition must be approved as provided in the preceding paragraph and must also be approved by at least three-fifths of the persons voting thereon and the number of persons voting on such proposition must constitute not less than forty percent of the total number of votes cast within such area at the last preceding state general election. [1967 c 105 § 8.]

35.58.116 Proposition for issuance of general obligation bonds or levy of general tax—Submission at same election or special election. The metropolitan council may at the same election called to authorize the performance of an additional function or at a special election called by the council after it has been authorized to perform any metropolitan function submit a proposition for the issuance of general obligation bonds for capital purposes as provided in RCW 35.58.450 or a proposition for the levy of a general tax for any authorized purpose for one year in such total dollar amount as the metropolitan council may determine and specify in such proposition. Any such proposition to be effective must be assented to by at least three-fifths of the persons voting thereon and the number of persons voting on such proposition shall constitute not less than forty percent of the total number of votes cast within the metropolitan area at the last preceding state general election. Any such proposition shall only be effective if the performance of the additional function shall be authorized at such election or shall have been authorized prior thereto. [1967 c 105 § 9.]

35.58.118 Commission or council form of management of metropolitan transportation function—Submission of proposition to voters—Effect when no proposition submitted. In making such determination, the metropolitan council shall use the last available assessed valuations. The metropolitan council shall certify to each component city and county, prior to the fourth Monday in June of each year, the share of the supplemental income to be paid by such component city or county for the next calendar year. The latter shall then include such amount in its budget for the ensuing calendar year, and during such year shall pay to the metropolitan municipal corporation, in equal quarterly installments, the amount of its supplemental income share from whatever sources may be available to it. Both principal of and interest on such general obligation bonds may be made payable from annual tax levies to be made upon all the taxable property within the metropolitan municipal corporation in excess of the constitutional and/or statutory tax limit or may be made payable from any other taxes or any special assessments which the metropolitan municipal corporation may be authorized to levy or from any otherwise unpledged revenue which may be derived from the ownership or operation of properties or facilities incident to the performance of the authorized function for which such bonds are issued or may be made payable from any combination of the foregoing sources. The metropolitan council may include in the principal amount of such bond issue an amount for engineering, architectural, planning, financial, legal, urban design and other services incident to acquisition or construction solely for authorized capital purposes and may include an amount to establish a guaranty fund for revenue bonds issued solely for capital purposes.

A metropolitan municipal corporation may issue revenue bonds to provide funds to carry out its authorized metropolitan water pollution abatement, water supply, garbage disposal or transportation purposes, without submitting the matter to the voters of the metropolitan municipal corporation. The metropolitan council shall create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the metropolitan council may obligate the metropolitan municipal corporation to pay such amounts of the gross revenue of the particular utility constructed, acquired, improved, added to, or repaired out of the proceeds of sale of such bonds, as the metropolitan council shall determine and may obligate the metropolitan municipal corporation to pay such amounts out of otherwise unpledged revenue which may be derived from the ownership, use or operation of properties or facilities owned, used or operated incident to the performance of the authorized function for which such bonds are issued or out of otherwise unpledged fees, tolls, charges, tariffs, fares, rentals, special taxes or other sources of payment lawfully authorized for such purpose, as the metropolitan council shall determine. The principal of, and interest on, such bonds shall be payable only out of such special fund or funds, and the owners and holders of such bonds shall have a lien and charge against the gross revenue of such utility or any other revenue, fees, tolls, charges, tariffs, fares, special taxes or other authorized sources pledged to the payment of such bonds.

Such revenue bonds and the interest thereon issued against such fund or funds shall be a valid claim of the holders thereof only as against such fund or funds and the revenue pledged therefor, and shall not constitute a general indebtedness of the metropolitan municipal corporation.

Each such revenue bond shall state upon its face that it is payable from such special fund or funds, and all revenue bonds issued under this chapter shall be negotiable securities within the provisions of the law of this state. Such revenue bonds may be registered either as to principal only or as to principal and interest, or may be bearer bonds; shall be in such denominations as the metropolitan council shall deem proper; shall be payable at such time or times and at such places as shall be determined by the metropolitan council; shall bear interest at such rate or rates as shall be determined by the metropolitan council; shall be signed by the chairman and attested by the secretary of the metropolitan council, one of which signatures may be a facsimile signature, and the seal of the metropolitan municipal corporation shall be impressed or imprinted thereon; each of the interest

The metropolitan council may at the time of the issuance of such revenue bonds make such covenants with the purchasers and holders of said bonds as it may deem necessary to secure and guarantee the payment of the principal thereof and the interest thereon, including but not being limited to covenants to set aside adequate reserves to secure or guarantee the payment of such principal and interest, to maintain rates sufficient to pay such principal and interest and to maintain adequate coverage over debt service, to appoint a trustee or trustees for the bondholders to safeguard the expenditure of the proceeds of sale of such bonds and to fix the powers and duties of such trustee or trustees and to make such other covenants as the metropolitan council may deem necessary to accomplish the most advantageous sale of such bonds. The metropolitan council may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds being issued and sold.

The metropolitan council may include in the principal amount of any such revenue bond issue an amount to establish necessary reserves, an amount for working capital and an amount necessary for interest during the period of construction of any such metropolitan facilities plus six months. The metropolitan council may, if it deems it to be the best interest of the metropolitan municipal corporation, provide in any contract for the construction or acquisition of any metropolitan facilities or additions or improvements thereto or replacements or extensions thereof that payment therefor shall be made only in such revenue bonds at the par value thereof.

If the metropolitan municipal corporation shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the holder of any such bond may bring action against the metropolitan municipal corporation and compel the performance of any or all of such covenants. If a general indebtedness is to be incurred, the amount of such indebtedness and the terms thereof shall be included in the proposition submitted to the qualified voters as aforesaid and such proposition shall be adopted and assented to by a three-fifths majority of the qualified voters of such city or town voting at said election. Ten days' notice of such election shall be given in the newspaper doing the city or town printing, by publication in each issue of said paper during said time: *Provided, however,* That where the proposition to be submitted includes a proposed levy of taxes in excess of the levy to which the same is or may be limited by statute or the Constitution of the state of Washington without a vote of the people, then the procedure to be followed in the holding of such election shall be as prescribed by such statutory or constitutional provision regulating the holding of special elections authorizing levies in excess of such limitation. It shall not set aside into the special fund a greater amount or proportion of the revenue and proceeds than in its judgment will be available over and above the cost of maintenance and operation and the amount or proportion of the revenue so previously pledged. In classifying customers served or service furnished by such system of sewerage, the city or town legislative body may in its discretion consider any or all of the following factors: The difference in cost of service to the various customers; the location of the various customers within and without the city or town; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the sewage delivered and the time of its delivery; capital contributions made to the system, including but not limited to, assessments; and any other matters which present a reasonable difference as a ground for distinction.

If special indebtedness bonds or warrants are issued against the revenues, the legislative body shall by ordinance fix charges at rates which will be sufficient to take care of the costs of maintenance and operation, bond and warrant principal and interest, sinking fund requirements, and all other expenses necessary for efficient and proper operation of the system.

All property owners within the area served by such sewerage system shall be compelled to connect their private drains and sewers with such city or town system, under such penalty as the legislative body of such city or town may by ordinance direct. Such penalty may in the discretion of such legislative body be an amount equal to the charge that would be made for sewer service if the property was connected to such system. All penalties collected shall be considered revenue of the system. [1965 c 7 § 35.67.190. Prior: 1959 c 90 § 2; 1941 c 193 § 5; Rem. Supp. 1941 § 9354-8.]

If the owners and parties interested in any particular tract default, the court may enter judgment of foreclosure and sale as to such parties and tracts and the action may proceed as to the remaining defendants and tracts. The judgment shall specify separately the amount of the sewerage charges, with interest, penalty and costs chargeable to each tract. The judgment shall have the effect of a separate judgment as to each tract described in the judgment, and any appeal shall not invalidate or delay the judgment except as to the property concerning which the appeal is taken. In the judgment the court shall order the tracts therein described sold at one general sale, and an order of sale shall issue pursuant thereto for the enforcement of the judgment. Judgment may be entered as to any one or more separate tracts involved in the action, and the court shall retain jurisdiction of other properties. [1965 c 7 § 35.67.250. [1965 c 7 § 35.67.270. Prior: 1941 c 193 § 8; Rem. Supp. 1941 § 9354-11.]

35.67.280 Sewerage sale acquired property—Payment of delinquent taxes. After the entry of judgment of foreclosure against any tract, the city or town may pay delinquent general taxes or purchase certificates of delinquency for general taxes on the tract or purchase the tract at county tax foreclosure or from the county after foreclosure.

After entry of judgment of foreclosure against any premises the city or town may pay local or special assessments which are delinquent or are about to become delinquent and if the tract has been foreclosed upon for local or special assessments and the time for redemption has not expired, it may redeem it.

No moneys shall be expended for the purposes enumerated in this section except upon enactment by the city or town legislative body of a resolution determining the desirability or necessity of making the expenditure. [1965 c 7 § 35.67.280. Prior: 1941 c 193 § 9; Rem. Supp. 1941 § 9354-12.]

The right to enforce the lien by cutting off and refusing water service shall not be exercised after two years from the date of the recording of sewerage lien notice except to enforce payment of six months' charges for which no lien notice is required to be recorded. Any city, town, or organized and established sewer district may contract with any other city, town, or organized and established sewer district for the construction and/or operation of any sewer or sewage disposal facilities for the joint use and benefit of the contracting parties upon such terms and conditions and for such period of time as the governing bodies of the contracting parties may determine. Any such contract may provide that the responsibility for the management of the construction and/or maintenance and operation of any sewer disposal facilities or part thereof covered by such contract shall be vested solely in one of the contracting parties, with the other party or parties thereto paying to the managing party such portion of the expenses thereof as shall be agreed upon. If any such agreement is made and filed with the county auditor of the county in which said property is located, it shall constitute a covenant running with the land and the agreements and covenants therein shall be binding on the owner and all persons subsequently acquiring any right, title or interest in or to said property.

If the terms and conditions of the ordinance or of the agreement are not kept and performed, or the payments made, as required, the city or town may disconnect the sewer and for that purpose may at any time enter upon any public street or road or upon said property. [1965 c 7 § 35.67.310. Prior: 1941 c 75 § 1; Rem. Supp. 1941 § 9354-19.]

[1969 ex.s. c 51 § 2; 1965 c 7 § 35.67.340. Prior: 1941 c 193 § 12, part; Rem. Supp. 1941 § 9354-15, part.]

[1965 c 7 § 35.68.010. Prior: 1949 c 177 § 1; Rem. Supp. 1949 § 9332a.]

35.68.020 Resolution—Contents. No such improvement shall be undertaken or required except pursuant to a resolution of the council or commission of the city or town, hereinafter referred to as the city council. The resolution shall state whether the cost of the improvement shall be borne by the city or whether all or a specified portion shall be borne by the city or whether all or a specified portion shall be borne by the abutting property owner; or whether the abutting owner is required to construct the improvement at his own cost and expense. If the abutting owner is required to construct the improvement the resolution shall specify the time within which the construction shall be commenced and completed; and further that if the improvement or construction is not undertaken and completed within the time specified that the city will perform or complete the improvement and assess the cost against the abutting owner. [1965 c 7 § 35.68.020. Prior: 1949 c 177 § 2; Rem. Supp. 1949 § 9332b.]

35.68.030 Resolution—Publication—Notice—Hearing. If all or any portion of the cost is to be assessed against the abutting property owner, or if the abutting property owner is required to construct the improvement, the resolution shall fix a time from and after its passage, and a place, for hearing on the resolution. The resolution shall be published for two consecutive weeks before the time of hearing in the official newspaper or regularly published official publication of the city or town and a notice of the date of such hearing shall be given each owner or reputed owner of the abutting property by mailing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer, at the address shown thereon a notice of the date of hearing, such mailing to be at least ten days before the date fixed for such hearing. If there be no official newspaper or official publication in the city the resolution may be published in any newspaper of general circulation therein. If the publication and mailing is made as herein required, proof thereof by affidavit shall be filed with the city clerk, comptroller or auditor of the city before the hearing. The hearing may be postponed

from time to time to a definite date until the hearing is held. At the time of hearing the council shall hear persons who appear for or against the improvement, and determine whether it will or will not proceed with the improvement and whether it will make any changes in the original plan, and what the changes shall be. This action may be taken by motion adopted in the usual manner. [1965 c 7 § 35.68.030. Prior: 1949 c 177 § 3; Rem. Supp. 1949 § 9332c.]

The city may advance as a loan to the sidewalk construction fund from any available funds the amounts necessary to pay any costs of the improvement. When any assessments are made for the improvement, payments therefor shall be paid into the particular sidewalk improvement fund; and whenever any funds are available over the amounts necessary to pay outstanding warrants any advances or loans made to the fund shall be repaid. Whenever warrants are drawn on any such fund which are not paid for want of sufficient funds, they shall be so stamped and shall bear interest until called and paid at a rate established by the city council by resolution. [1965 c 7 § 35.68.040. Prior: 1949 c 177 § 4; Rem. Supp. 1949 § 9332d.]

35.68.050 Assessment roll—Hearing—Notice—Confirmation—Appeal. Where all or any portion of the costs are to be assessed against the abutting property, an assessment roll shall be prepared by the proper city official or by the city council which shall to the extent necessary be based on benefits and which shall describe the property assessed, the name of the owner, if known, otherwise stating that the owner is unknown and fixing the amount of the assessment. The assessment roll shall be filed with the city clerk, and when so filed the council shall by resolution fix a date for hearing thereon and direct the clerk to give notice of such hearing and the time and place thereof. The notice of hearing shall be mailed to the person whose name appears on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown thereon, and shall be published before the date fixed for the hearing for two consecutive weeks in the official newspaper or regular official publication of the city, or if there is no official newspaper or official publication, in a newspaper of general circulation in the city. The notice shall be mailed and first publication made at least ten days before the hearing date. Proof of mailing and publication shall be made by affidavit and shall be filed with the city clerk before the date fixed for the hearing. Following the hearing the city council shall by ordinance affirm, modify, or reject or order recasting of the assessment roll. An appeal may be taken to the superior court from the ordinance confirming the assessment roll

in the same manner as is provided for appeals from the assessment roll by chapters 35.43 to 35.54 RCW, inclusive, as now or hereafter amended. [1965 c 7 § 35.68.050. Prior: 1949 c 177 § 5; Rem. Supp. 1949 § 9332e.]

The city council shall by resolution provide whether the full amount of the assessment shall be paid in one payment or whether it may be paid in installments and shall prescribe the time and amount of such payments; and if more than one payment is provided for, the city council may by resolution provide for interest on unpaid installments and fix the rate thereof. [1965 c 7 § 35.68.060. Prior: 1949 c 177 § 6; Rem. Supp. 1949 § 9332f.]

35.68.070 Collection of assessments. The assessment roll as affirmed or modified by the city council shall be filed with the city treasurer for collection, and the amount thereof including interest, if any, shall become a lien against the property described therein from the date of such filing. Whenever any payment on any assessment or installment is delinquent and unpaid for a period of thirty days or more the lien may be foreclosed in the same manner and with the same effect as is provided by chapters 35.43 to 35.54 RCW, inclusive; as now or hereafter amended. Whenever the deed is issued after the sale therein provided, the regularity, validity and correctness of the proceedings relating to such improvement and the assessment therefor shall be final and conclusive and no action shall thereafter be brought by or in behalf of any person to set aside said deed. [1965 c 7 § 35.68.070. Prior: 1949 c 177 § 7; Rem. Supp. 1949 § 9332g.]

35.68.075 Curb ramps for physically handicapped—Required—Standards and requirements.

(1) The standard for construction of curbs on any county, city, or town street, or any connecting street or town road for which curbs and sidewalks have been prescribed by the governing body of the county, town, or city having jurisdiction thereover, shall be not less than two ramps per lineal block on or near the crosswalks at intersections. Such ramps shall be at least thirty-six inches wide and so constructed as to allow reasonable access to the crosswalk for physically handicapped persons, without uniquely endangering blind persons.

(2) Standards set for curb ramping under subsection (1) of this section shall not apply to any curb existing upon enactment of this section but shall apply to all new curb construction and to all replacement curbs constructed at any point in a block which gives reasonable access to a crosswalk.

(3) Upon September 21, 1977, every ramp thereafter constructed under subsection (1) of this section, which serves one end of a crosswalk, shall be matched by another ramp at the other end of the crosswalk. However, no ramp shall be required at the other end of the crosswalk if there is no curb nor sidewalk at the other end of the crosswalk. Nor shall any matching ramp constructed pursuant to this subsection require a subsequent matching ramp. [1977 ex.s. c 137 § 1; 1973 c 83 § 1.]

35.68.076 Curb ramps for physically handicapped—Model standards. By January 1, 1978, the department of general administration shall, pursuant to chapter 34.04 RCW, adopt several suggested model design, construction, or location standards to aid counties, cities, and towns in constructing curb ramps to allow reasonable access to the crosswalk for physically handicapped persons without uniquely endangering blind persons. The department of general administration shall consult with handicapped persons, blind persons, counties, cities, and the building code advisory council in adopting the suggested standards. In addition, the department of general administration shall, within thirty days of September 21, 1977 and pursuant to RCW 34.04.030, adopt a suggested design or construction standard for curb ramps which may be used by counties, cities, or towns to comply with RCW 35.68.075 in the interval between September 21, 1977 and the adoption of further suggested model standards. 35.69.020 Resolution of necessity—Liability of abutting property. Whenever a portion, not longer than one block in length, of any street in any city is not improved by the construction of a sidewalk thereon, or the sidewalk thereon has become unfit or unsafe for purposes of public travel, and such street adjacent to both ends of said portion is so improved and in good repair, and the city council of such city by resolution finds that the improvement of such portion of such street by the

construction or reconstruction of a sidewalk thereon is necessary for the public safety and convenience, the duty, burden, and expense of constructing or reconstructing such sidewalk shall devolve upon the property directly abutting upon such portion: *Provided*, That such abutting property shall not be charged with any costs of construction or reconstruction under this chapter in excess of fifty percent of the valuation of such abutting property, exclusive of improvements thereon, according to the valuation last placed upon it for purposes of general taxation. [1965 c 7 § 35.69.020. Prior: 1927 c 203 § 2; RRS § 9332-2.]

35.69.030 Notice to owners—Service—Contents—Assessment—Collection. Whenever the city council of any such city has adopted such resolution it shall cause a notice to be served on the owner of the property directly abutting on such portion of such street, instructing him to construct or reconstruct a sidewalk on such portion in accordance with the plans and specifications which shall be attached to such notice. The notice shall be deemed sufficiently served if delivered in person to the owner or if left at the home of such owner with a person of suitable age and discretion then resident therein, or with an agent of such owner, authorized to collect rentals on such property, or, if the owner is a nonresident of the state of Washington, by mailing a copy to his last known address, or if he is unknown or if his address is unknown, then by posting a copy in a conspicuous place at such portion of the street where the improvement is to be made. The notice shall specify a reasonable time within which such construction or reconstruction shall be made, and shall state that in case the owner fails to make the same within such time, the city will proceed to make it through the officer or department thereof charged with the inspection of sidewalks and that such officer or department will report to the city council, at a subsequent date, to be definitely stated in the notice, an assessment roll showing the lot or parcel of land directly abutting on such portion of the street so improved, the cost of the improvement, and the name of the owner, if known, and that the city council at the time stated in the notice or at the time or times to which the same may be adjourned, will hear any and all protests against the proposed assessment. Upon the expiration of the time fixed within which the owner is required to construct or reconstruct such sidewalk, if the owner has failed to perform such work, the city may proceed to perform it, and the officer or department of the city performing the work shall, within the time fixed in the notice, report to the city council an assessment roll showing the lot or parcel of land directly abutting on that portion of the street so improved, the cost of the work, and the name of the owner, if known. The city council shall, at the time in such notice designated, or at an adjourned time or times, assess the cost of such improvement against said property and shall fix the time and manner for payment thereof, which said assessment shall become a lien upon said property and shall be collected in the manner as is provided by law for collection of local improvements assessments under this title. [1965 c 7 § 35.69.040. Prior: 1927 c 203 § 4; RRS § 9332-4.]

35.69.050 Construction of chapter. Nothing in this chapter shall be construed to limit or repeal any existing powers of cities with reference to the construction or reconstruction of sidewalks or the improvement or maintenance of streets, but the power and authority herein granted is to be exercised concurrent with or in extension of powers and authority now existing. The legislative authority of any city before exercising the powers and authority herein granted shall, by proper ordinance, provide for the application and enforcement of the same within the limitations herein specified. 35.71.010 Definitions. As used in this chapter, the following terms shall have the meaning herein given to each of them:

"City" means any city or town.

"Chief executive" means the mayor in a mayor-council or commission city and city manager in a council-manager city.

"Corporate authority" means the legislative body of any city.

"Project" means a pedestrian mall project.

"Right of way" means that area of land dedicated for public use or secured by the public for purposes of ingress and egress to abutting property and other public purposes.

"Mall" means an area of land, part of which may be surfaced, landscaped, and used entirely for pedestrian movements, except with respect to governmental functions, utilities, and loading and unloading of goods.

"Mall organization" means a group of property owners, lessors, or lessees in an area that has been organized to consider the establishment, maintenance, and operation of a mall in a given area and persons owning or having any legal or equitable interest in the real property affected by the establishment of the mall. [1965 c 7 § 35.71.010. Prior: 1961 c 111 § 1.]

35.71.020 Establishment declared public purpose—Authority to establish—General powers. The establishment of pedestrian malls is declared to be for a public purpose. Any corporate authority, by ordinance, may establish and regulate any street right of way as a mall, may prohibit, in whole or in part, vehicular traffic on a mall, and may provide for the acquisition of any interest in the right of way necessary to its establishment, and may provide for the determination of legal damages, if any, to abutting property. [1965 c 7 § 35.71.020. Prior: 1961 c 111 § 2.]

35.71.030 Resolution of intention—Traffic limitation—Property owner's right of ingress and egress. When the corporate authority determines that the public interest, safety, and convenience is best served by the establishment of a mall and that vehicular traffic will not be unduly inconvenienced thereby, it may adopt a

resolution declaring its intention to do so, and announcing the intended extent of traffic limitation. Any corporate authority is authorized to limit the utilization of any right of way, except for utilities and governmental functions, provided adequate alternative routes for vehicular movement, and the loading and unloading of goods are established or are available. The abutting property owner's right of ingress and egress shall be considered to have been satisfied whenever the corporate authority has planned and constructed, or there is available, an alternate route, alleyway, and service driveway. [1965 c 7 § 35.71.030. Prior: 1961 c 111 § 3.]

35.71.040 Plan—Alternate vehicle routes—Off-street parking—Hearing, notice. Before a mall is established, a plan shall be formulated consistent with the city's comprehensive plan, including at least the area of the right of way between two intersecting streets and showing alternate routes outside the mall area upon which any vehicles excluded from using the mall may be accommodated; it may include a provision for on and off-street parking. After the plans have been prepared, the corporate authority shall hold a public hearing thereon, giving notice of time and place at least two weeks in advance of the hearing in a newspaper of general circulation in the city and as required by chapter 42.32 RCW. [1965 c 7 § 35.71.040. Prior: 1961 c 111 § 4.]

35.71.050 Real estate appraisers—Report. The corporate authority is authorized to engage duly qualified real estate appraisers, for the purpose of determining the value, or legal damages, if any, to any person, owning or having any legal or equitable interest in any real property who contends that he would suffer damage if a projected mall were established; in connection therewith the city shall take into account any increment in value that may result from the establishment of the mall. The appraisers shall submit their findings in writing to the chief executive of the city. [1965 c 7 § 35.71.050. Prior: 1961 c 111 § 5.]

35.71.060 Financing methods. The corporate authority may finance the establishment of a mall, including, but not limited to, right of way improvements, traffic control devices, and off-street parking facilities in the vicinity of the mall, by one or more of the following methods or by a combination of any two or more of them:

(1) By creating local improvement districts under the laws applicable thereto in Title 35 RCW.

(2) By issuing revenue bonds pursuant to chapter 35.41 RCW, RCW 35.24.305, chapter 35.92 RCW, RCW 35.81.100, and by such other statutes that may authorize such bonds.

(3) By issuing general obligation bonds pursuant to chapter 39.52 RCW, RCW 35.81.115, and by such other statutes and applicable provisions of the state Constitution that may authorize such bonds.

(4) By use of gifts and donations.

(5) General fund and other available moneys: *Provided*, That if any general fund moneys are expended for

a mall, provision may be made for repayment thereof to the general fund from money received from the financing of the mall.

The corporate authority may include within the cost of any mall project the expense of moving utilities, or any facility located within a right of way. [1965 c 7 § 35.71.060. Prior: 1961 c 111 § 6.]

35.71.070 Waivers and quitclaim deeds—Rights in right of way. The corporate authority may formulate, solicit, finance and acquire, purchase, or negotiate the acquisition of waivers and the execution of quitclaim deeds by persons owning or having any legal or equitable interest in the real property affected by the establishment of a mall, conveying the necessary rights to the city to prohibit through vehicular traffic and otherwise limit vehicular access to, and from, such right of way: *Provided*, That the execution of such waivers and quitclaim deeds shall not operate to extinguish the rights of the abutting owner, lessor, or lessee in the right of way, not included in such waiver or quitclaim deed. [1965 c 7 § 35.71.070. Prior: 1961 c 111 § 7.]

35.71.080 Vacating, replatting right of way for mall purposes. The corporate authority, as an alternate to the preceding methods, may find that the right of way no longer is needed as a right of way. When persons owning or having any legal or equitable interest in the real property affected by a proposed mall, present a petition to the corporate authority for vacating the right of way pursuant to chapter 35.79 RCW, or the corporate authority initiates by resolution such a vacation proceeding, a right of way may be vacated and replatted for mall purposes, and closed to vehicular traffic except as provided in RCW 35.71.030, consistent with the subdivision standards allowed by Title 58 RCW, and chapter 35.63 RCW. [1965 c 7 § 35.71.080. Prior: 1961 c 111 § 8.]

35.71.090 "Mall organization"—Powers in general—Directors—Officers. The corporate authority may cause an organization of persons to be known as a "Mall organization" interested in creating a mall in a given area to be formed to provide for consultative assistance to the city with respect to the establishment and administration of a mall. This organization may elect a board of directors of not less than three nor more than twelve members. The board shall elect a president, a vice president, and a secretary from its membership. [1965 c 7 § 35.71.090. Prior: 1961 c 111 § 9.]

35.71.100 Special assessment. After the establishment of the mall, the corporate authority may levy a special assessment on the real property within the area specially benefited by the improvement. Such special levy, if any, shall be for operation and maintenance of the mall and appurtenances thereto, which may not exceed one percent of the aggregate actual valuation of the real property (including twenty-five percent of the actual valuation of the improvements thereon) according to the valuation last placed upon it for purposes of general taxation: *Provided*, That if a mall organization board of

directors exists as authorized by RCW 35.71.090, the corporate authority may entertain a recommendation from this organization with respect to such a levy by the corporate authority. [1965 c 7 § 35.71.100. Prior: 1961 c 111 § 10.]

35.71.110 Claims for damages. Following the public hearing on the ordinance to establish a mall any person owning or having any legal or equitable interest in property which might be affected by reason of the establishment of the proposed mall or the board of directors of a mall organization shall, within twenty days of such hearing, file with the city clerk a statement describing the real property as to which the claim is made, the nature of the claimant's interest therein, the nature of the alleged damage thereto and the amount of damages claimed. After the receipt thereof, the corporate authority may negotiate with the affected parties concerning them or deny them. [1965 c 7 § 35.71.110. Prior: 1961 c 111 § 11.]

35.71.120 Contracts with mall organization for administration—Conflicting charter provisions. If the corporate authority desires to have the mall administered by a mall organization rather than by one of its departments, the corporate authority may execute a contract with such an organization for the administration of the mall upon mutually satisfactory terms and conditions: *Provided*, That if any provision of a city charter conflicts with this section, such provision of the city charter shall prevail. [1965 c 7 § 35.71.120. Prior: 1961 c 111 § 12.]

35.71.130 Election to discontinue mall—Ordinance—Outstanding obligations—Restoration to former status. The board of directors of a mall organization may call for an election, after the mall has been in operation for two years, at which the voting shall be by secret ballot, on the question: "Shall the mall be continued in operation?" If sixty percent of the membership of the organization vote to discontinue the mall, the results of the election shall be submitted to the corporate authority. The corporate authority may initiate proceedings by ordinance for the discontinuation of the mall, allocate the proportionate amount of the outstanding obligations of the mall to the abutting property of the mall or property specially benefited if a local improvement district is established, subject to the provisions of any applicable statutes and bond ordinances, resolutions, or agreements, and thereafter, at a time set by the corporate authority, the mall may be restored to its former right of way status. [1965 c 7 § 35.71.130. Prior: 1961 c 111 § 13.]

35.71.910 Chapter controls inconsistent laws. Insofar as the provisions of this chapter are inconsistent with a provision of any other law, the provisions of this chapter shall be controlling. [1965 c 7 § 35.71.910. Prior: 1961 c 111 § 15.]

35.73.010 Authority—First and second class cities. If a city of the first or second class establishes the grade of any street or alley at a higher elevation than any private property abutting thereon, thereby rendering the drainage of such private property or any part thereof impracticable without the raising of the surface of such private property, or if the surface of any private property in any such city is so low as to make sanitary drainage thereof impracticable and it is determined by resolution of the city council of such city that a fill of such private property is necessary as a sanitary measure, the city may provide therefor, and by general or special ordinance or both make provision for the necessary surveys, estimates, bids, contract, bond and supervision of the work and for making and approving the assessment roll of the local improvement district and for the collection of the assessments made thereby, and for the doing of everything which in their discretion may be necessary or be incidental thereto: *Provided*, That before the approval of the assessment roll, notice shall be given and an opportunity offered for the owners of the property affected by the assessment roll to be heard before such city council in the same manner as in case of assessments for drainage or sewerage in the city. [1965 c 7 § 35.73.010. Prior: (i) 1907 c 243 § 1; RRS § 9426. (ii) 1907 c 243 § 4; RRS § 9429.]

35.73.020 Estimates—Intention—Property included—Resolution. Before establishing a grade for property or providing for the fill of property, the city must adopt a resolution declaring its intention to do so.

The resolution shall:

- (1) Describe the property proposed to be improved by the fill,
- (2) State the estimated cost of making the improvement,
- (3) State that the cost thereof is to be assessed against the property improved thereby, and
- (4) Fix a time not less than thirty days after the first publication of the resolution within which protests against the proposed improvement may be filed with the city clerk.

The resolution may include as many separate parcels of property as may seem desirable whether or not they are contiguous so long as they lie in the same general neighborhood and may be included conveniently in one local improvement district. [1965 c 7 § 35.73.020. Prior: 1907 c 243 § 2, part; RRS § 9427, part.]

35.73.030 Hearing—Time of—Publication of resolution. Upon the passage of the resolution the city clerk shall cause it to be published in the official newspaper of the city in at least two successive issues before the time fixed in the resolution for filing protests. Proof of publication by affidavit shall be filed as part of the record of the proceedings. [1965 c 7 § 35.73.030. Prior: 1907 c 243 § 2, part; RRS § 9427, part.]

35.73.040 Ordinance—Assessments. If no protest is filed, or if protests are filed but the city council after full hearing determines that it is necessary to fill any portion of the private property it shall proceed to enact an ordinance for such improvement. By the provisions of the ordinance, a local improvement district shall be established to be called "local improvement district No. _____," which shall include all the property found by the said council to require the fill as a sanitary measure. The ordinance shall provide that such improvement shall be made and shall fix and establish the grades to which the said property and the different portions thereof shall be brought by such improvement, and that the cost and expense thereof shall be taxed and assessed upon all the property in such local improvement district, which cost shall be assessed in proportion to the number of cubic yards of earth and bulkheading required for the different portions of said property included in said improvement district and in proportion to the benefits derived by such improvement: *Provided*, That the city council may expend from the general fund for such purposes such sums as in its judgment may seem fair and equitable in consideration of the benefits accruing to the general public by reason of such improvement. [1965 c 7 § 35.73.040. Prior: 1907 c 243 § 3, part; RRS § 9428, part.]

35.73.050 Lien of assessments. Whenever any expense or cost of work has been assessed the amount of such expense and cost shall become a lien upon said lands against which the same are so assessed and shall take precedence of all other liens, except general tax liens and special assessment liens theretofore assessed by the said city thereon and which may be foreclosed in accordance with law in the name of such city as plaintiff. And in any such proceeding if the court trying the same shall be satisfied that the work has been done or material furnished for the fill of such property, a recovery shall be permitted or charge enforced to the extent of the proper proportion of the value of the work or material which would be chargeable on such lot or land notwithstanding any informality, irregularity or defects in any of the proceedings of such municipal corporation or its officers. 35.76.010 Declaration of purpose—Budget and accounting by functional categories. Records of city street expenditures are generally inadequate to meet the needs of cities for planning and administration of their street programs and the needs of the legislature in providing for city street financing. It is the intent of the legislature that each city and town shall budget and thereafter maintain records and accounts for all street expenditures by functional categories in a manner consistent with its size, administrative capabilities, and the amounts of money expended by it for street purposes. 35.76.020 Cost accounting and reporting—Cities over eight thousand. The state auditor, through the division of municipal corporations, shall formulate, prescribe and install a system of cost accounting and reporting for each city having a population of more than eight thousand, according to the last official census, which will

correctly show all street expenditures by functional categories. The system shall also provide for reporting all revenues available for street purposes from whatever source including local improvement district assessments and state and federal aid. [1965 c 7 § 35.76.020. Prior: 1963 c 115 § 2.]

Cities over eight thousand, equipment rental fund in street department: RCW 35.21.088.

Consistent with the intent of this chapter as stated in RCW 35.76.010, the state auditor, from and after July 1, 1965, through the division of municipal corporations, is authorized and directed to prescribe accounting and reporting procedures for street expenditures for cities and towns having a population of eight thousand or less, according to the last official census. [1965 c 7 § 35.76.030. Prior: 1963 c 115 § 3.]

35.76.040 Manual of instructions. The state auditor, after consultation with the association of Washington cities and the planning division of the state highway commission shall prepare and distribute to the cities and towns a manual of instructions governing accounting and reporting procedures for all street expenditures. 35.76.050 Cost—audit examination and report. The division of municipal corporations shall annually make a cost—audit examination of street records for each city and town and make a written report thereon to the legislative body of each city and town. The expense of such examination shall be paid out of that portion of the motor vehicle fund allocated to the cities and towns and withheld for use by the state highway commission under the terms of RCW 46.68.110(1). [1965 c 7 § 35.76.050. Prior: 1963 c 115 § 5.]

35.76.060 Budgets. Expenditures for city and town streets shall be budgeted by each city and town according to the same functional categories prescribed by the state auditor for purposes of accounting and reporting as provided in RCW 35.76.020 and 35.76.030.

In the preparation of city and town budgets, including the preparation and filing of budget estimates, adoption of preliminary budgets and adoption of final budgets, all expenditures for street purposes shall be designated by such functional categories only. 35.77.010 Perpetual advanced plans for coordinated street program—Six year program for arterial street construction—Expenditures—Bicycle, pedestrian and equestrian funds, expenditures. (1) The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive street program for the ensuing six calendar years and shall file the same with the director of highways not more than thirty days after its adoption. Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city street needs. Based on these findings each such legislative body prior to July 1st of each year shall prepare and after public hearings thereon adopt a revised and extended comprehensive street program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption. The purpose of this section shall be to assure that perpetually each city and town shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated street construction program. Such program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.

The six year program of each city lying within an urban area shall contain a separate section setting forth the six year program for arterial street construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial street construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the legislative body of the city. The six year program for arterial street construction shall be based upon estimated revenues available for such construction together with

such additional sums as the legislative authority may request for urban arterials only from the urban arterial trust account for the six year period. The arterial street construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial streets than for secondary and collector arterial streets, pursuant to regulations of the urban arterial board: *Provided*, That urban arterial trust funds made available to the group of incorporated cities lying outside the boundaries of federally approved urban areas within each region need not be divided between functional classes of arterials but shall be available for any designated arterial street.

(2) On and after July 1, 1976, each six year program forwarded to the director in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycle, pedestrian, and equestrian purposes. 35.77.015 Provisions for bicycle paths, lanes, routes, roadways and improvements to be included in annual revision or extension of comprehensive street programs—Exception. The annual revision and extension of comprehensive street programs pursuant to RCW 35.77.010 shall include consideration of and, wherever reasonably practicable, provisions for bicycle routes: *Provided*, That no provision need be made for any such route where the cost of establishing it would be excessively disproportionate to the need or probable use. [1974 ex.s. c 141 § 11.]

35.77.020 Agreements with county for planning, establishment, construction, and maintenance. Any city or town may enter into an agreement with the county in which it is located authorizing the county to perform all or any part of the construction, repair, and maintenance of streets in such city or town at such cost as shall be mutually agreed upon. The agreement shall be approved by ordinance of the governing body of the city or town and by resolution of the board of county commissioners.

Any such agreement may include, but shall not be limited to the following:

(1) A provision that the county shall perform all or a specified part of the construction, repair, or maintenance

of the city or town streets and bridges to the same standards provided by the county in unincorporated areas, or to increased standards as shall be specified which may include construction, repair, or maintenance of drainage facilities including storm sewers, sidewalks and curbs, street lighting, and traffic control devices.

(2) A provision that the county may provide engineering and administrative services necessary for the planning, establishment, construction, and maintenance of the streets of the city or town, including engineering and clerical services necessary for the establishment of local improvement districts. In providing such services the county engineer may exercise all the powers and perform all the duties vested by law or by ordinance in the city or town engineer or other officer or department charged with street administration.

(3) A provision that the city or town shall enact ordinances for the administration, establishment, construction, repair, maintenance, regulation, and protection of its streets as may be necessary to authorize the county to lawfully carry out the terms of the agreement. Pursuant to an agreement authorized by RCW 35.77.020, the board of county commissioners may expend funds from the county road fund for the construction, repair, and maintenance of the streets of such city or town and for engineering and administrative services. Payments by a city or town under such an agreement shall be made to the county treasurer and by him deposited in the county road fund. Such construction, repair, maintenance, and engineering service shall be ordered by resolution and proceedings conducted in respect thereto in the same manner as provided for the construction, repair, and maintenance of county roads by counties, and for the preparation of maps, plans and specifications, advertising and award of contracts therefor: *Provided*, That except in case of emergency all construction work performed by a county on city streets pursuant to RCW 35.77.020 through 35.77.040, which exceeds ten thousand dollars, shall be done by contract, unless after advertisement and solicitation of competitive bids it appears that bids are unobtainable or that the lowest bid exceeds the amount for which such construction can be done by means other than contract. No street construction project shall be divided into lesser component parts for the purpose of avoiding the requirements for competitive bidding. [1965 c 7 § 35.77.030. Prior: 1961 c 245 § 2.]

35.77.040 Agreements with county for planning, establishment, construction, and maintenance—Act is additional and concurrent method. RCW 35.77.020 through 35.77.040 shall not repeal, amend, or modify any law providing for joint or cooperative agreements between cities and counties with respect to city streets, but shall be held to be an additional and concurrent method providing for such purpose. If the hearing is before such a committee the same shall, following the hearing, report its recommendation on the petition to the legislative authority which may adopt or reject the recommendation. If such hearing be held before such a committee it shall not be necessary to hold a hearing on the petition before such legislative authority. If the legislative authority determines to grant said petition or any part thereof, such city or town shall be authorized and have authority by ordinance to vacate such street, or alley, or any part thereof, and the ordinance may provide that it shall not become effective until the owners of property abutting upon the street or alley, or part thereof so vacated, shall compensate such city or town in an amount which does not exceed one-half the appraised value of the area so vacated: *Provided*, That such ordinance may provide that the city retain an easement or the right to exercise and grant easements in respect to the vacated land for the construction, repair, and maintenance of public utilities and services: *Provided further*, That no city or town shall be authorized or have authority to vacate such street, or alley, or any parts thereof if any portion thereof abuts on a body of salt or fresh water unless such vacation be sought to enable the city, town, port district or state to acquire the property for port purposes, boat moorage or launching sites, park, viewpoint, recreational, or educational purposes, or other public uses. This proviso shall not apply to industrial zoned property. A certified copy of such ordinance shall be recorded by the clerk of the legislative authority and in the office of the auditor of the county in which the vacated land is located. [1969 c 28 § 4. 35.80.010 Declaration of purpose. It is hereby found that there exist, in the various municipalities and counties of the state, dwellings which are unfit for human habitation, and buildings and structures which are unfit for other uses due to dilapidation, disrepair, structural defects, defects increasing the hazards of fire, accidents, or other calamities, inadequate ventilation and uncleanness, inadequate light or sanitary facilities, inadequate drainage, overcrowding, or due to other conditions which are inimical to the health and welfare of the residents of such municipalities and counties.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended, and that the necessity of the public interest for the enactment of this law is hereby declared to be a matter of local legislative determination. [1969 ex.s. c 127 § 1; 1967 c 111 § 1; 1965 c 7 § 35.80.010. Prior: 1959 c 82 § 1.]

35.80.020 Definitions. The following terms, however used or referred to in this chapter, shall have the following meanings, unless a different meaning is clearly indicated by the context:

(1) "Board" shall mean the improvement board as provided for in RCW 35.80.030(1)(a);

(2) "Local governing body" shall mean the council, board, commission, or other legislative body charged with governing the municipality or county;

(3) "Municipality" shall mean any city, town or county in the state;

(4) "Public officer" shall mean any officer who is in charge of any department or branch of the government of the municipality or county relating to health, fire, building regulation, or other activities concerning dwellings, buildings, and structures in the municipality or county. [1969 ex.s. c 127 § 2; 1967 c 111 § 2; 1965 c 7 § 35.80.020. Prior: 1959 c 82 § 2.]

35.80.030 Permissible ordinances—Appeal. (1) Whenever the local governing body of a municipality finds that one or more conditions of the character described in RCW 35.80.010 exist within its territorial limits, said governing body may adopt ordinances relating to such dwellings, buildings, or structures. Such ordinances may provide for the following:

(a) That an "improvement board" or officer be designated or appointed to exercise the powers assigned to such board or officer by the ordinance as specified herein. Said board or officer may be an existing municipal board or officer in the municipality, or may be a separate board or officer appointed solely for the purpose of exercising the powers assigned by said ordinance.

If a board is created, the ordinance shall specify the terms, method of appointment, and type of membership of said board, which may be limited, if the local governing body chooses, to public officers as herein defined.

(b) If a board is created, a public officer, other than a member of the improvement board, may be designated to work with the board and carry out the duties and exercise the powers assigned to said public officer by the ordinance.

(c) That if, after a preliminary investigation of any dwelling, building, or structure, the board or officer finds that it is unfit for human habitation or other use, he shall cause to be served either personally or by certified mail, with return receipt requested, upon all persons having any interest therein, as shown upon the records of the auditor's office of the county in which such property is located, and shall post in a conspicuous place on such property, a complaint stating in what respects such dwelling, building, or structure is unfit for human habitation or other use. If the whereabouts of such persons is unknown and the same cannot be ascertained by the board or officer in the exercise of reasonable diligence, and the board or officer shall make an affidavit to the effect, then the serving of such complaint or order upon such persons may be made by publishing the same once each week for two consecutive weeks in a legal newspaper published in the municipality in which the property is located, or in the absence of such legal newspaper, it shall be posted in three public places in the municipality in which the dwellings, buildings, or structures are located. Such complaint shall contain a notice that a hearing will be held before the board or officer, at a place therein fixed, not less than ten days nor more than thirty days after the serving of said complaint; or in the event of publication or posting, not less than fifteen days nor more than thirty days from the date of the first publication and posting; that all parties in interest shall be given the right to file an answer to the complaint, and to appear in person, or otherwise, and to give testimony at the time and place fixed in the complaint. The rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the board or officer. A copy of such complaint shall also be filed with the auditor of the county in which the dwelling, building, or structure is located, and such filing of the complaint or order shall have the same force and effect as other lis pendens notices provided by law.

(d) That the board or officer may determine that a dwelling, building, or structure is unfit for human habitation or other use if it finds that conditions exist in such dwelling, building, or structure which are dangerous or injurious to the health or safety of the occupants of such dwelling, building, or structure, the occupants of neighboring dwellings, or other residents of such municipality. Such conditions may include the following, without limitations: Defects therein increasing the hazards of fire or accident; inadequate ventilation, light, or sanitary facilities, dilapidation, disrepair, structural defects, uncleanness, overcrowding, or inadequate drainage. The ordinance shall state reasonable and minimum standards covering such conditions, including those contained in ordinances adopted in accordance with subdivision

(7)(a) herein, to guide the board or the public officer and the agents and employees of either, in determining the fitness of a dwelling for human habitation, or building or structure for other use.

(e) That the determination of whether a dwelling, building, or structure should be repaired or demolished, shall be based on specific stated standards on (i) the degree of structural deterioration of the dwelling, building, or structure, or (ii) the relationship that the estimated cost of repair bears to the value of the dwelling, building, or structure, with the method of determining this value to be specified in the ordinance.

(f) That if, after the required hearing, the board or officer determines that the dwelling is unfit for human habitation, or building or structure is unfit for other use, it shall state in writing its findings of fact in support of such determination, and shall issue and cause to be served upon the owner or party in interest thereof, as is provided in subdivision (1)(c), and shall post in a conspicuous place on said property, an order which (i) requires the owner or party in interest, within the time specified in the order, to repair, alter, or improve such dwelling, building, or structure to render it fit for human habitation, or for other use, or to vacate and close the dwelling, building, or structure, if such course of action is deemed proper on the basis of the standards set forth as required in subdivision (1)(e); or (ii) requires the owner or party in interest, within the time specified on the order, to remove or demolish such dwelling, building, or structure, if this course of action is deemed proper on the basis of said standards. If no appeal is filed, a copy of such order shall be filed with the auditor of the county in which the dwelling, building, or structure is located.

(g) The owner or any party in interest, within thirty days from the date of service upon the owner and posting of an order issued by the board under the provisions of subdivision (c) of this subsection, may file an appeal with the appeals commission.

The local governing body of the municipality shall designate or establish a municipal agency to serve as the appeals commission. The local governing body shall also establish rules of procedure adequate to assure a prompt and thorough review of matters submitted to the appeals commission, and such rules of procedure shall include the following, without being limited thereto: (i) All matters submitted to the appeals commission must be resolved by the commission within sixty days from the date of filing therewith and (ii) a transcript of the findings of fact of the appeals commission shall be made available to the owner or other party in interest upon demand.

The findings and orders of the appeals commission shall be reported in the same manner and shall bear the same legal consequences as if issued by the board, and shall be subject to review only in the manner and to the extent provided in subdivision (2) of this section.

If the owner or party in interest, following exhaustion of his rights to appeal, fails to comply with the final order to repair, alter, improve, vacate, close, remove, or demolish the dwelling, building, or structure, the board or officer may direct or cause such dwelling, building, or

structure to be repaired, altered, improved, vacated, and closed, removed, or demolished.

(h) That the amount of the cost of such repairs, alterations or improvements, or vacating and closing, or removal or demolition by the board or officer, shall be assessed against the real property upon which such cost was incurred unless such amount is previously paid. Upon certification to him by the treasurer of the municipality in cases arising out of the city or town or by the county improvement board or officer, in cases arising out of the county, of the assessment amount being due and owing, the county treasurer shall enter the amount of such assessment upon the tax rolls against the property for the current year and the same shall become a part of the general taxes for that year to be collected at the same time and with interest at such rates and in such manner as provided for in RCW 84.56.020, as now or hereafter amended, for delinquent taxes, and when collected to be deposited to the credit of the general fund of the municipality. If the dwelling, building or structure is removed or demolished by the board or officer, the board or officer shall, if possible, sell the materials of such dwelling, building, or structure in accordance with procedures set forth in said ordinance, and shall credit the proceeds of such sale against the cost of the removal or demolition and if there be any balance remaining, it shall be paid to the parties entitled thereto, as determined by the board or officer, after deducting the cost incident thereto.

The demolition assessment shall constitute a lien against the property of equal rank with state, county and municipal taxes.

(2) Any person affected by an order issued by the appeals commission pursuant to subdivision (1)(f) hereof may, within thirty days after the posting and service of the order, petition to the superior court for an injunction restraining the public officer or members of the board from carrying out the provisions of the order. In all such proceedings the court is authorized to affirm, reverse, or modify the order and such trial shall be heard de novo.

(3) An ordinance adopted by the local governing body of the municipality may authorize the board or officer to exercise such powers as may be necessary or convenient to carry out and effectuate the purposes and provisions of this section. These powers shall include the following in addition to others herein granted: (a) (i) To determine which dwellings within the municipality are unfit for human habitation; (ii) to determine which buildings or structures are unfit for other use; (b) to administer oaths and affirmations, examine witnesses and receive evidence; and (c) to investigate the dwelling and other use conditions in the municipality or county and to enter upon premises for the purpose of making examinations when the board or officer has reasonable ground for believing they are unfit for human habitation, or for other use: *Provided*, That such entries shall be made in such manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose after submitting evidence in support of an application which is adequate to justify such an order from a court of competent jurisdiction in the event entry is denied or resisted.

(4) The local governing body of any municipality adopting an ordinance pursuant to this chapter may appropriate the necessary funds to administer such ordinance.

(5) Nothing in this section shall be construed to abrogate or impair the powers of the courts or of any department of any municipality to enforce any provisions of its charter or its ordinances or regulations, nor to prevent or punish violations thereof; and the powers conferred by this section shall be in addition and supplemental to the powers conferred by any other law.

(6) Nothing in this section shall be construed to impair or limit in any way the power of the municipality to define and declare nuisances and to cause their removal or abatement, by summary proceedings or otherwise.

(7) Any municipality may (by ordinance adopted by its governing body) (a) prescribe minimum standards for the use and occupancy of dwellings throughout the municipality, or county, (b) prescribe minimum standards for the use or occupancy of any building or structure used for any other purpose, (c) prevent the use or occupancy of any dwelling, building, or structure, which is injurious to the public health, safety, morals, or welfare, and (d) prescribe punishment for the violation of any provision of such ordinance. [1973 1st ex.s. c 144 § 1; 1969 ex.s. c 127 § 3; 1967 c 111 § 3; 1965 c 7 § 35.80-.030. Prior: 1959 c 82 § 3.]

35.80.040 Discrimination prohibited. For all the purposes of this chapter and the ordinances adopted as provided herein, no person shall, because of race, creed, color, or national origin, be subjected to any discrimination. [1965 c 7 § 35.80.040. Prior: 1959 c 82 § 4.]

[1975 c 3 § 1; 1971 ex.s. c 177 § 6; 1965 c 7 § 35.81.010. Prior: 1957 c 42 § 1.]

35.81.020 Declaration of purpose and necessity. It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [1965 c 7 § 35.81.020. Prior: 1957 c 42 § 2.]

35.81.030 Encouragement of private enterprise. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this chapter, shall afford maximum opportunity, consistent with the

sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this chapter, including the formulation of a workable program, the approval of urban renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements. [1965 c 7 § 35.81.030. Prior: 1957 c 42 § 3.]

35.81.040 Formulation of workable program. A municipality for the purposes of this chapter may formulate a workable program for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of such areas, or to undertake such of the aforesaid activities, or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for: The prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of blighted areas or portions thereof. [1965 c 7 § 35.81.040. Prior: 1957 c 42 § 4.]

35.81.050 Findings by local governing body required. No municipality shall exercise any of the powers hereafter conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that: (1) One or more blighted areas exist in such municipality; and (2) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality. [1965 c 7 § 35.81.050. Prior: 1957 c 42 § 5.]

35.81.060 Comprehensive plan—Preparation—Hearing—Approval—Modification—Effect. (1) A municipality shall not approve an urban renewal project for an urban renewal area unless the local governing body has, by resolution, determined such area to be a blighted area and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a comprehensive plan or parts of such plan for an area which would include an urban renewal area for the municipality have been prepared as provided in chapter 35.63 RCW. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time,

a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project plan in accordance with subsection (4) hereof.

(2) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality for review and recommendations as to its conformity with the comprehensive plan or parts thereof for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within sixty days after receipt of it. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within sixty days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project plan prescribed by subsection (3) hereof.

(3) The local governing body shall hold a public hearing on an urban renewal plan after public notice thereof. Such notice shall be given by publication once each week for two consecutive weeks not less than ten nor more than thirty days prior to the date of the hearing in a newspaper having a general circulation in the urban renewal area of the municipality and by mailing a notice of such hearing not less than ten days prior to the date of the hearing to the persons whose names appear on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown on the tax roll. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area affected, and shall outline the general scope of the urban renewal plan under consideration.

(4) Following such hearing, the local governing body may approve an urban renewal project if it finds that (a) a workable and feasible plan exists for making available adequate housing for the persons who may be displaced by the project; (b) the urban renewal plan conforms to the comprehensive plan or parts thereof for the municipality as a whole; (c) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and (d) a sound and adequate financial program exists for the financing of said project; (e) the urban renewal project area is a blighted area as defined in RCW 35.81.010(2).

(5) An urban renewal project plan may be modified at any time by the local governing body: *Provided*, That if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification shall be subject to such rights at law or in

equity as a lessee or purchaser, or his successor or successors in interest may be entitled to assert.

(6) Upon the approval of an urban renewal project by a municipality, the provisions of the urban renewal plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto. [1965 c 7 § 35.81.060. Prior: 1957 c 42 § 6.]

35.81.070 Powers of municipality. Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To undertake and carry out urban renewal projects within the municipality, to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this chapter, and to disseminate blight clearance and urban renewal information.

(2) To provide or to arrange or contract for the furnishing or repair by any person or agency, public or private, of services, privileges, works, streets, roads, public utilities or other facilities for, or in connection with, an urban renewal project; to install, construct, and reconstruct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions that it may deem reasonable and appropriate attached to federal financial assistance and imposed pursuant to federal law relating to the determination of prevailing salaries or wages or compliance with labor standards, in the undertaking or carrying out of an urban renewal project, and to include in any contract let in connection with such a project, provisions to fulfill such of said conditions as it may deem reasonable and appropriate.

(3) Within the municipality, to enter upon any building or property in any urban renewal area, in order to make surveys and appraisals, provided that such entries shall be made in such a manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain, or otherwise, any real property and such personal property as may be necessary for the administration of the provisions herein contained, together with any improvements thereon; to hold, improve, clear, or prepare for redevelopment any such property; to dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance: *Provided*, That no statutory provision with respect to the acquisition, clearance, or disposition of property by public bodies shall restrict a municipality in the exercise of such functions with respect to an urban renewal project.

(4) To invest any urban renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds

as have been issued pursuant to RCW 35.81.100 at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

(5) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to enter into and carry out contracts in connection therewith. A municipality may include in any application or contract for financial assistance with the federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this chapter.

(6) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this chapter and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. Such plans may include, without limitation: (a) a comprehensive plan or parts thereof for the locality as a whole, (b) urban renewal plans, (c) plans for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements, (d) plans for the enforcement of state and local laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and (e) appraisals, title searches, surveys, studies, and other preliminary plans and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of urban blight and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

(7) To prepare plans for the relocation of families displaced from an urban renewal area, and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

(8) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and in accordance with state law: (a) levy taxes and assessments for such purposes; (b) acquire land by negotiation and/or eminent domain; (c) close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places; (d) plan or replan, zone or rezone any part of the municipality; (e) adopt annual budgets for the operation of an urban renewal agency, department, or offices vested with urban renewal project powers under RCW 35.81.150; (f) enter into agreements with such agencies or departments (which agreements may extend over any period) respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter.

(9) Within the municipality, to organize, coordinate, and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remedying blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively.

(10) To exercise all or any part or combination of powers herein granted. [1965 c 7 § 35.81.070. Prior: 1957 c 42 § 7.]

35.81.080 Eminent domain. A municipality shall have the right to acquire by condemnation, in accordance with the procedure provided for condemnation by such municipality for other purposes, any interest in real property, which it may deem necessary for an urban renewal project under this chapter after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for urban renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or his predecessor in interest by eminent domain may be condemned for the purposes of this chapter.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. No allowance shall be made for the improvements begun on real property after notice to the owner of such property of the institution of proceedings to condemn such property. Evidence shall be admissible bearing upon the insanitary, unsafe, or substandard condition of the premises, or the unlawful use thereof. [1965 c 7 § 35.81.080. Prior: 1957 c 42 § 8.]

Eminent domain by cities: Chapter 8.12 RCW.

35.81.090 Disposal of real property in urban renewal area. (1) A municipality may sell, lease, or otherwise transfer real property or any interest therein acquired by it for an urban renewal project, in an urban renewal area for residential, recreational, commercial, industrial, or other uses or for public use, and may enter into contracts with respect thereto, or may retain such property or interest only for parks and recreation, education, public utilities, public transportation, public safety, health, highways, streets, and alleys, administrative buildings, or civic centers, in accordance with the urban renewal project plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of blighted areas or otherwise to carry out the purposes of this chapter: *Provided*, That such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall

be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account, and give consideration to, the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any and all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. The inclusion in any such contract or conveyance to a purchaser or lessee of any such covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof) shall not prevent the recording of such contract or conveyance in the land records of the auditor or the county in which such city or town is located, in such manner as to afford actual or constructive notice thereof.

(2) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all redevelopment or rehabilitation bids and the financial and legal ability of the persons making such bids to carry them out. The municipality may accept such bids as it deems to be in the public interest and in furtherance of the purposes of this chapter. Thereafter, the municipality may execute, in accordance with the

provisions of subsection (1), and deliver contracts, deeds, leases, and other instruments of transfer.

(3) A municipality may operate and maintain real property acquired in an urban renewal area for a period of three years pending the disposition of the property for redevelopment, without regard to the provisions of subsection (1) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan: *Provided*, That the municipality may, after a public hearing, extend the time for a period not to exceed three years. [1965 c 7 § 35.81.090. Prior: 1957 c 42 § 9.]

35.81.100 Bonds—Issuance—Form, terms, payment, etc. (1) A municipality shall have the power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this chapter, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans for urban renewal projects, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of urban renewal projects under this chapter: *Provided*, That payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this chapter.

(2) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose, and together with interest thereon and income therefrom, shall be exempted from all taxes.

(3) Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(4) Such bonds may be sold at not less than ninety-eight percent of par at public or private sale, or may be exchanged for other bonds on the basis of par: *Provided*, That such bonds may be sold to the federal government at private sale at not less than par and, in the event less than all of the authorized principal amount of such

bonds is sold to the federal government, the balance may be sold at public or private sale at not less than ninety-eight percent of par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(5) The municipality may annually pay into a fund to be established for the benefit of such bonds any and all excess of the taxes received by it from the same property over and above the average of the annual taxes authorized without vote for a five-year period immediately preceding the acquisition of the property by the municipality for renewal purposes, such payment to continue until such time as all bonds payable from the fund are paid in full. Any other taxing unit in a municipality is authorized to allocate a like amount of such excess taxes to the municipality or municipalities in which it is situated.

(6) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds, issued pursuant to this chapter shall be fully negotiable.

(7) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this chapter. [1970 ex.s. c 56 § 44; 1969 ex.s. c 232 § 21; 1965 c 7 § 35.81.100. Prior: 1957 c 42 § 10.]

on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of, and the interest on, such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities. [1965 c 7 § 35.81.110. Prior: 1957 c 42 § 11.]

35.81.115 General obligation bonds authorized. Any bonds issued by a municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by the laws of this state for the issuance and authorization of bonds by such municipality for public purposes generally. [1965 c 7 § 35.81.115. Prior: 1959 c 79 § 1.]

35.81.120 Property of municipality exempt from process and taxes. (1) All property of a municipality, including funds, owned or held by it for the purposes of this chapter, shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall judgment against a municipality be a charge or lien upon such property: *Provided*, That the provisions of this section shall not apply to, or limit the right of, obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this chapter by a municipality on its rents, fees, grants, or revenues from urban renewal projects.

(2) The property of a municipality, acquired or held for the purposes of this chapter, is declared to be public property used for essential public and governmental purposes and such property shall be exempt from all taxes of the municipality, the county, the state, or any political subdivision thereof: *Provided*, That such tax exemption shall terminate when the municipality sells, leases, or otherwise disposes of such property in an urban renewal area to a purchaser or lessee which is not a public body or other organization normally entitled to tax exemption with respect to such property. [1965 c 7 § 35.81.120. Prior: 1957 c 42 § 12.]

35.81.130 Aid to public bodies. (1) For the purpose of aiding in the planning, undertaking, or carrying out of an urban renewal project located within the area in which it is authorized to act, any public body authorized by law or by this chapter, may, upon such terms, with or without consideration, as it may determine: (a) Dedicate, sell, convey, or lease any of its interest in any property, or grant easements, licenses, or other rights or

(2) Any sale, conveyance, lease, or agreement provided for in this section shall be made by a public body with appraisal, public notice, advertisement, or public bidding in accordance with the provisions of RCW 35.81.090(2). [1965 c 7 § 35.81.130. Prior: 1957 c 42 § 13.]

(2) In the event the local governing body makes such determination, such body may authorize the urban renewal agency or department or other officers of the municipality to exercise any of the following urban renewal project powers:

35.81.160 Exercise of urban renewal project powers—Assignment of powers—Urban renewal agency.

(1) When a municipality has made the finding prescribed in RCW 35.81.050 and has elected to have the urban renewal project powers, as specified in RCW 35.81.150, exercised, such urban renewal project powers may be assigned to a department or other officers of the municipality or to any existing public body corporate, or the legislative body of a city may create an urban renewal agency in such municipality to be known as a

Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body and such disclosure shall be entered upon the minutes of the governing body. If any such official, department or division head owns or controls, or owned or controlled within two years prior to the date of hearing on the urban renewal project, any interest, direct or indirect, in any property which he knows is included in an urban renewal project, he shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body, and any such official, department or division head shall not participate in any action on that particular project by the municipality or urban renewal agency, department, or officers which have been vested with urban renewal project powers by the municipality pursuant to the provisions of RCW 35.81.150. 35.82.010 Finding and declaration of necessity. It is hereby declared: (1) that there exist in the state insanitary or unsafe dwelling accommodations and that persons of low income are forced to reside in such insanitary or unsafe accommodations; that within the state there is a shortage of safe or sanitary dwelling accommodations available at rents which persons of low income can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; (2) that these areas in the state cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved, through the operation of private enterprise, and that the construction of housing projects for persons of low income (as herein defined) would therefore not be competitive with private enterprise; (3) that the clearance, replanning and reconstruction of the areas in which insanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern; (4) that it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now (1939) constitutes an emergency; and the necessity in the public interest for the provisions hereinafter enacted, is hereby declared as a matter of legislative determination. [1979 1st ex.s. c 187 § 1; 1977 ex.s. c 274 § 1; 1965 c 7 § 35.82.020. Prior: 1939 c 23 § 3; RRS § 6889-3. Formerly RCW 74.24.020.]

Severability—1979 1st ex.s. c 187: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1979 1st ex.s. c 187 § 4.]

35.82.030 Creation of housing authorities. In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the "Housing Authority" of the city or county: *Provided, however*, That such authority shall

not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that insanitary or unsafe inhabited dwelling accommodations exist in such city or county; (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford; or (3) that there is a shortage of safe or sanitary dwellings, apartments, mobile home parks, or other living accommodations available for senior citizens. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [1979 1st ex.s. c 187 § 2; 1965 c 7 § 35.82-.030. Prior: 1939 c 23 § 4; RRS § 6889-4. Formerly RCW 74.24.030.]

Severability—1979 1st ex.s. c 187: See note following RCW 35.82.020.

35.82.040 Appointment, qualifications and tenure of commissioners. When the governing body of a city adopts a resolution as aforesaid, it shall promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for said city. When the governing body of a county adopts a resolution as aforesaid, said body shall appoint five persons as commissioners of the authority created for said county. The commissioners who are first appointed shall be designated to serve for

terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed as aforesaid for a term of office of five years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created. A commissioner shall hold office until his successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services for the authority, in any capacity, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chairman and he shall serve in the capacity of chairman until the expiration of his term of office as commissioner. When the office of the chairman of the authority thereafter becomes vacant, the authority shall select a chairman from among its commissioners. An authority shall select from among its commissioners a vice chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. [1965 c 7 § 35.82.040. Prior: 1939 c 23 § 5; RRS § 6889-5. Formerly RCW 74.24.040.]

35.82.050 Interested commissioners or employees. No commissioner or employee of an authority shall acquire any interest direct or indirect in any housing project or in any property included or planned to be included in any project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project. If any commissioner or employee of an authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure so to disclose such interest shall constitute misconduct in office. Upon such disclosure such

commissioner or employee shall not participate in any action by the authority affecting such property. [1965 c 7 § 35.82.050. Prior: 1939 c 23 § 6; RRS § 6889-6. Formerly RCW 74.24.050.]

35.82.060 Removal of commissioners. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the mayor (or in the case of an authority for a county, by the governing body of said county), but a commissioner shall be removed only after he shall have been given a copy of the charges at least ten days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk. [1965 c 7 § 35.82.060. Prior: 1939 c 23 § 7; RRS § 6889-7. Formerly RCW 74.24.060.]

35.82.070 Powers of authority. An authority shall constitute a public body corporate and politic, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To sue and be sued; to have a seal and to alter the same at pleasure; to have perpetual succession; to make and execute contracts and other instruments necessary or convenient to the exercise of the powers of the authority; and to make and from time to time amend and repeal bylaws, rules and regulations, not inconsistent with this chapter, to carry into effect the powers and purposes of the authority.

(2) Within its area of operation: to prepare, carry out, acquire, lease and operate housing projects; to provide for the construction, reconstruction, improvement, alteration or repair of any housing project or any part thereof; to agree to rent or sell dwellings forming part of the projects to or for persons of low income. Where an agreement or option is made to sell a dwelling to a person of low income, the authority may convey the dwelling to the person upon fulfillment of the agreement irrespective of whether the person is at the time of the conveyance a person of low income. Leases, options, agreements, or conveyances may include such covenants as the authority deems appropriate to assure the achievement of the objectives of this chapter.

(3) To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works, or facilities for, or in connection with, a housing project or the occupants thereof; and (notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

(4) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and (subject to the limitations contained in this chapter) to establish and revise the rents or charges therefor; to own, hold, and improve real or personal property; to purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise, or otherwise including financial assistance and other aid from the state or any public body, person or corporation, any real or personal property or any interest therein; to acquire by the exercise of the power of eminent domain any real property; to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein for any purpose upon the finding and declaration by the authority that the property is not needed for low income housing at that time; to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards; to procure or agree to the procurement of insurance or guarantees from the federal government of the payment of any bonds or parts thereof issued by an authority, including the power to pay premiums on any such insurance.

(5) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to purchase its bonds at a price not more than the principal amount thereof and accrued interest, all bonds so purchased to be canceled.

(6) Within its area of operation: to investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

(7) Acting through one or more commissioners or other person or persons designated by the authority: to conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

(8) To exercise all or any part or combination of powers herein granted.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

(9) To agree (notwithstanding the limitation contained in RCW 35.82.210) to make such payments in lieu of taxes as the authority finds consistent with the achievement of the purposes of this chapter.

(10) To exercise the powers granted in this chapter within the boundaries of any city, town, or county not included in the area in which such housing authority is originally authorized to function: *Provided, however,* The governing or legislative body of such city, town, or county, as the case may be, adopts a resolution declaring that there is a need for the authority to function in such territory.

(11) To administer contracts for assistance payments to persons of low income in accordance with section 8 of the United States Housing Act of 1937, as amended by Title II, section 201 of the Housing and Community Development Act of 1974, P.L. 93-383.

(12) To sell at public or private sale, with or without public bidding, for fair market value, any mortgage or other obligation held by the authority.

(13) To the extent permitted under its contract with the holders of bonds, notes, and other obligations of the authority, to consent to any modification with respect to rate of interest, time and payment of any installment of principal or interest security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract or agreement of any kind to which the authority is a party.

(14) To make loans to persons of low income incidental to rehabilitating their dwellings or selling a dwelling to them, and to take such security therefor as is deemed necessary and prudent by the authority. [1977 ex.s. c 274 § 2; 1965 c 7 § 35.82.070. Prior: 1945 c 43 § 1; 1939 c 23 § 8; Rem. Supp. 1945 § 6889-8. Formerly RCW 74.24.070.]

35.82.080 Operation not for profit. It is hereby declared to be the policy of this state that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county. To this end, an authority shall fix the rentals for rental units for persons of low income in projects owned or leased by the authority at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds of the authority issued to finance the projects; (2) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative

expenses of the authority; and (3) to create (during not less than the six years immediately succeeding its issuance of any such bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve. [1977 ex.s. c 274 § 3; 1965 c 7 § 35.82.080. Prior: 1939 c 23 § 9; RRS § 6889-9. Formerly RCW 74.24.080.]

35.82.090 Rentals and tenant selection. In the operation and management of rental units which are rented to persons of low income and/or senior citizens in any housing project an authority shall at all times observe the following duties with respect to rentals and tenant selection: (1) it may rent or lease the dwelling accommodations therein to senior citizens or persons of low income and at rentals within the financial reach of such senior citizens or persons of low income; (2) it may rent or lease to a tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and (3) it shall not accept any person as a low income tenant in any housing project designated for persons of low income if the person or persons who would occupy the dwelling accommodations have an annual net income in excess of five times the annual rental of the quarters to be furnished such person or persons, except that in the case of families with three or more minor dependents, such ratio shall not exceed six to one; in computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental. This income limitation does not apply to housing projects designated for senior citizens.

Nothing contained in this section or RCW 35.82.080 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof, free from all the restrictions imposed by this section or RCW 35.82.080. [1979 1st ex.s. c 187 § 3; 1977 ex.s. c 274 § 4; 1965 c 7 § 35.82.090. Prior: 1939 c 23 § 10; RRS § 6889-10. Formerly RCW 74.24.090.]

Severability—1979 1st ex.s. c 187: See note following RCW 85.82.020.

35.82.100 Cooperation between authorities. Any two or more authorities may join or cooperate with one another in the exercise of any or all of the powers conferred hereby for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects located within the area of operation of any one or more of said authorities. [1965 c 7 § 35.82.100. Prior: 1939 c 23 § 11; RRS § 6889-11. Formerly RCW 74.24.100.]

35.82.110 Eminent domain. An authority shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this chapter after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the same manner and under the same procedure as now is or may be hereafter provided by law in the case of other corporations authorized by the laws of the state to exercise the right of eminent domain; or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other applicable statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: *Provided*, That no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent. [1965 c 7 § 35.82-.110. Prior: 1939 c 23 § 12; RRS § 6889-12. Formerly RCW 74.24.110.]

Eminent domain: Title 8 RCW.

35.82.120 Planning, zoning and building laws. All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated. In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions. [1965 c 7 § 35.82.120. Prior: 1939 c 23 § 13; RRS § 6889-13. Formerly RCW 74.24.120.]

*Ordinances—Adoption of codes by reference: RCW 35.21.180.
Planning commissions: Chapter 35.63 RCW.*

35.82.130 Bonds. An authority shall have power to issue bonds from time to time in its discretion, for any of its corporate purposes. An authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable: (1) exclusively from the income and revenues of the housing project financed with the proceeds of such bonds; (2) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds; or (3) from all or part of its revenues or assets generally. Any such bonds may be additionally secured by a pledge of any grant or contributions from the federal government or other source, or a pledge of any income or revenues of the authority, or a mortgage of any housing project, projects or other property of the authority. Any pledge made by the authority shall be valid and binding from the time when the pledge is made and recorded; the revenues, moneys, or property so pledged and thereafter received by the authority shall immediately be subject to the lien of the pledge without

any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether the parties have notice thereof. The resolution and any other instrument by which a pledge is created shall be recorded.

Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an authority (and such bonds and obligations shall so state on their face) shall not be a debt of the city, the county, the state or any political subdivision thereof and neither the city or the county, nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of said authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes. [1977 ex.s. c 274 § 5; 1965 c 7 § 35.82.130. Prior: 1939 c 23 § 14; RRS § 6889-14. Formerly RCW 74.24.130.]

35.82.140 Form and sale of bonds. Bonds of an authority shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

The bonds may be sold at public or private sale.

In case any of the commissioners or officers of the authority whose signatures appear on any bond or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodations for persons of low income shall be conclusively deemed to have been issued for a housing project of such character and said project shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this chapter. [1977 ex.s. c 274 § 6; 1970 ex.s. c 56 § 45; 1969 ex.s. c 232 § 22; 1965 c 7 § 35.82.140. Prior: 1939 c 23 § 15; RRS § 6889-15. Formerly RCW 74.24.140.]

Purpose—Effective date—1970 ex.s. c 56: See notes following RCW 39.44.030.

Validation—Saving—Severability—1969 ex.s. c 232: See notes following RCW 39.44.030.

35.82.150 Provisions of bonds, trust indentures, and mortgages. In connection with the issuance of bonds or the incurring of obligations under leases and in order to secure the payment of such bonds or obligations, an authority, in addition to its other powers, shall have power:

(1) To pledge all or any part of its gross or net rents, fees, revenues, or assets, including mortgage loans and obligations securing the same, to which its right then exists or may thereafter come into existence.

(2) To mortgage all or any part of its real or personal property, then owned or thereafter acquired.

(4) To covenant as to the bonds to be issued and as to the issuance of such bonds in escrow or otherwise, and as to the use and disposition of the proceeds thereof; to provide for the replacement of lost, destroyed or mutilated bonds; to covenant against extending the time for the payment of its bonds or interest thereon; and to redeem the bonds, and to covenant for their redemption and to provide the terms and conditions thereof.

(5) To covenant (subject to the limitations contained in this chapter) as to the rents and fees to be charged in the operation of a housing project or projects, the amount to be raised each year or other period of time by rents, fees and other revenues, and as to the use and disposition to be made thereof; to create or to authorize the creation of special funds for moneys held for construction or operating costs, debt service, reserves, or other purposes, and to covenant as to the use and disposition of the moneys held in such funds.

(6) To prescribe the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto and the manner in which such consent may be given.

(7) To covenant as to use of any or all of its real or personal property; and to covenant as to the maintenance of its real and personal property, the replacement thereof, the insurance to be carried thereon and the use and disposition of insurance moneys.

(8) To covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenant, condition, or obligation; and to covenant and prescribe as to events of default and terms and conditions upon which any or all of its bonds or obligations shall become or may be declared due before maturity, and as to the terms and conditions upon which such declaration and its consequences may be waived.

In providing such housing, such housing authorities shall not be subject to the tenant selection limitations provided in RCW 35.82.090(3). In connection with such projects, such housing authorities may enter into such leases or purchase agreements, accept such conveyances and rent or sell dwellings forming part of such projects to or for farmers of low income, as such housing authority deems necessary in order to assure the achievement of the objectives of this chapter. Such leases, agreements or conveyances may include such covenants as the housing authority deems appropriate regarding such dwellings and the tracts of land described in any such instrument, which covenants shall be deemed to run with the land where the housing authority deems it necessary and the parties to such instrument so stipulate. 35.82.260 Farmers of low income. 35.82.280 Supplemental projects. Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

"Supplemental project" for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020. [1971 ex.s. c 300 § 2.]

35.82.285 Group homes or halfway houses for released juveniles or developmentally disabled. Housing authorities of first class counties created under this chapter may establish and operate group homes or halfway houses to serve juveniles released from state juvenile or correctional institutions, or to serve the developmentally disabled as defined in 42 U.S.C. 2670, 85 Stat. 1316. Such authorities may contract for the operation of facilities so established, with qualified nonprofit organizations as agent of the authority.

Action under this section shall be taken by the authority only after a public hearing as provided by chapter 42.30 RCW. In exercising this power the authority shall not be empowered to acquire property by eminent domain, and the facilities established shall comply with all zoning, building, fire, and health regulations and procedures applicable in the locality. 35.82.910 Chapter controlling. Insofar as the provisions of this chapter are inconsistent with the provisions

of any other law, the provisions of this chapter shall be controlling. [1965 c 7 § 35.82.910. Prior: 1939 c 23 § 26.]

Housing authorities law: Chapter 35.82 RCW.

35.83.005 Short title. This act may be referred to as the "Housing Cooperation Law." [1965 c 7 § 35.83.005. Prior: 1939 c 24 § 1; RRS § 6889-31.]

35.83.010 Finding and declaration of necessity. It has been found and declared in the housing authorities law that there exist in the state unsafe and insanitary housing conditions and a shortage of safe and sanitary dwelling accommodations for persons of low income; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; and that the public interest requires the remedying of these conditions. It is hereby found and declared that the assistance herein provided for the remedying of the conditions set forth in the housing authorities law constitutes a public use and purpose and an essential governmental function for which public moneys may be spent, and other aid given; that it is a proper public purpose for any state public body to aid any housing authority operating within its boundaries or jurisdiction or any housing project located therein, as the state public body derives immediate benefits and advantages from such an authority or project; and that the provisions hereinafter enacted are necessary in the public interest. [1965 c 7 § 35.83.010. Prior: 1939 c 24 § 2; RRS § 6889-32. Formerly RCW 74.28.010.]

(8) Do any and all things, necessary or convenient to aid and cooperate in the planning, undertaking, construction or operation of such housing projects;

(9) Incur the entire expense of any public improvements made by such state public body in exercising the powers granted in this chapter;

(10) Enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary), with a housing authority respecting action to be taken by such state public body pursuant to any of the powers granted by this chapter. Any law or statute to the contrary notwithstanding, any sale, conveyance, lease or agreement provided for in this section may be made by a state public body without appraisal, advertisement or public bidding: *Provided*, There must

be five days public notice given either by posting in three public places or publishing in the official county newspaper of the county wherein the property is located; and

(11) With respect to any housing project which a housing authority has acquired or taken over from the federal government and which the housing authority by resolution has found and declared to have been constructed in a manner that will promote the public interest and afford necessary safety, sanitation and other protection, no state public body shall require any changes to be made in the housing project or the manner of its construction or take any other action relating to such construction. [1965 c 7 § 35.83.040. Prior: 1939 c 24 § 5; RRS § 6889-35. Formerly RCW 74.28.040.]

35.83.050 Advances to housing authority. Any city, town, or county located in whole or in part within the area of operation of a housing authority shall have the power from time to time to lend or donate money to such authority or to agree to take such action. Such housing authority, when it has money available therefor, shall make reimbursements for all such loans made to it. [1965 c 7 § 35.83.050. Prior: 1939 c 24 § 6; RRS § 6889-36. First class cities, generally: Chapter 35.22 RCW.

35.85.020 Assessment district—Resolution—Hearing—Ordinance ordering improvement. Any such improvement may be initiated by the city council, or other legislative body, by a resolution, declaring its intention to order such improvement, which resolution shall set forth the nature and territorial extent of such proposed improvement, shall specify and describe the boundaries of the proposed improvement district and notify all persons who may desire to object thereto to appear and present such objections at a meeting of the council specified in such resolution and directing the board of public works, or other proper board, officer, or authority of the city, to submit to such council at or prior to the date fixed for such hearing the estimated cost and expense of the improvement, and a statement of the proportionate amount thereof which should be borne by the property within the proposed improvement district, and a statement of the aggregate assessed valuation of the real property exclusive of improvements, within said district, according to the valuation last placed upon it for purposes of general taxation. Such resolution shall be published in at least two consecutive issues of the official newspaper of the city, the date of the first publication to be at least thirty days prior to the date fixed by the resolution for hearing before the council.

Upon such hearing, or upon any adjournment thereof, the council shall have power to amend, change, extend, or contract the boundaries of the proposed improvement district as specified in the resolution, and to consider and determine all matters in relation to the proposed improvement, and, upon the conclusion of the hearing, or any adjournment thereof, shall have power by ordinance to order the improvement to be made and to adopt, fix and establish the boundaries of the improvement district. The action of such council in ordering such improvement, or in abandoning it, and in fixing and establishing the boundaries of the improvement district shall be final and conclusive. Any such ordinance may be passed upon majority vote of the council or other legislative body of the city.

Such ordinance may provide for the construction of the improvement in sections, the letting of separate contracts for each such section, and, in case the same is made in sections, separate assessment rolls to defray the

cost and expense of any such section of such improvement may be prepared, and the amounts thereon appearing as finally determined, may be levied and assessed against real property within the improvement district. The provisions of law, charter and ordinance of any such city, relating to supplemental assessments, reassessments and omitted property shall be applicable to any improvement authorized in this chapter.

The city council, or other legislative body of such city, shall by general ordinance, make provision for hearing any objections in writing, to any assessment roll for such improvement, filed with the city clerk or comptroller at a prior date to the hearing thereon. Any right of appeal to the superior court provided by law to be taken from any local improvement assessment levied and assessed by any such city, may be exercised, within the time and in the manner therein provided, by any person so objecting to any assessment levied and assessed for any improvement authorized in this chapter. [1965 c 7 § 35.85.020. Prior: 1911 c 103 § 2; 1909 ex.s. c 14 § 2; RRS § 9002.]

Appeal from local improvement district assessments: RCW 35.44.200-35.44.270.

35.85.030 Limit of assessment—Lien—Priority.

The city council may prescribe by general ordinance, the mode and manner in which the charge upon property in such local improvement district shall be assessed and determined for the purpose of paying the cost and expense of establishing and constructing such improvement: *Provided*, That no assessment shall be levied on any such district, the aggregate of which is a greater sum than twenty-five percent of the assessed value of all the real property in such district according to the last equalized assessment thereof for general taxation: *Provided further*, That there shall be, in all cases, an opportunity for a hearing upon objections to the assessment roll by the parties affected thereby, before the council as a board of equalization, which hearing shall be after publication of a reasonable notice thereof, such notice to be published in such manner and for such time as may be prescribed by ordinance. At such hearing, or at legal adjournments thereof, such changes may be made in the assessment roll as the city council may find necessary to make the same just and equitable. Railroad rights-of-way shall be assessed for such benefits as shall inure or accrue to the owners, lessees, or operators of the same, resulting or to result from the construction and maintenance of any such improvement, whether such rights-of-way lie within the limits of any street or highway or not; such assessment to lie against the franchise rights when such right-of-way is within such street or highway.

When the assessment roll has been finally confirmed by the city council, the charges therein made shall be and become a lien against the property or franchise therein described, paramount to all other liens (except liens for assessments and taxes) upon the property assessed from the time the assessment roll shall be placed in the hands of the collector. [1965 c 7 § 35.85.030. Prior: 1909 ex.s. c 14 § 3; RRS § 9003.]

35.85.040 Operation by city—Leases—Use of income. As a part of the original construction of any

improvement herein authorized, or afterward as an alteration or renewal thereof, any such city, notwithstanding any charter provision to the contrary, may, at its own cost, construct, maintain and operate street railway tracks in the roadway thereof, and may provide electric power for the propulsion of cars, and may lease the use of such tracks and power for the operation of street cars or interurban railways; or such city may authorize any operator of the street or interurban railways to construct and furnish such street railway tracks and electric power and use the same for street or interurban purposes, under lease or franchise ordinance: *Provided*, That no such lease or franchise shall be exclusive, but shall at all times reserve the right to the city to permit other lines of street or interurban railway to use such street railway tracks in common with any preceding lessee or grantee, upon equal terms. The rate of lease or use of such street railway tracks for streets or interurban cars shall be as fixed by the legislative authority of the city, but shall not be less than one mill for each passenger carried, or ten cents for each freight car moved over such improvement. The income from such charges, rental and leasing shall be used wholly for the maintenance, repair and betterment of said improvement and the extinguishment of any debt incurred by the city in constructing it. [1965 c 7 § 35.85.040. Prior: 1909 ex.s. c 14 § 4; RRS § 9004.]

35.85.050 Authority to construct tunnels and subways. Any city of the first class shall have power to provide for the construction, maintenance and operation within such city of tunnels, subways, or both, with or without roadways, sidewalks, street railway tracks or any combination thereof therein, together with all necessary approaches thereto; and to order any and all work to be done which shall be necessary to complete any such improvement. The word "approaches," as used in this section, shall include any arterial highway or highway or streets connecting with any such tunnel or subway which may be necessary to give convenient access thereto or therefrom from any portion of the improvement district which may be specially benefited by such improvement, and which is liable to assessment for such improvement.

Whenever it is desired to pay the whole or any portion of the cost and expense of any such improvement by special assessments, the council or other legislative body of such city shall, in the ordinance ordering such improvement, fix and establish the boundaries of the improvement district, the property in which is to bear such assessment, which district shall include as near as may be all the property specially benefited by such improvement. [1965 c 7 § 35.85.050. Prior: 1925 ex.s. c 168 § 1; RRS § 9005-1.]

35.85.060 Procedure. Any such improvement may be initiated and assessments therefor determined and levied as prescribed in RCW 35.85.020 to 35.85.040, inclusive. [1965 c 7 § 35.85.060. Prior: 1925 ex.s. c 168 § 2; RRS § 9005-2.]

35.85.070 Assessments—Bonds. Any assessments so levied shall be collected, and bonds may be issued for

the payment of the whole or any part of the cost of such improvement, in the manner now or hereafter provided for the collection of assessments and the issuance of bonds for other local improvements. [1965 c 7 § 35.85-.070. Prior: 1925 ex.s. c 168 § 3; RRS § 9005-3.]

35.85.080 Construction of chapter. The provisions and remedies provided by this chapter are cumulative of existing provisions and remedies, and nothing herein contained shall be held to repeal any provision of the existing law or of any charter of any city upon the subject matter thereof, but such existing law or charter provision shall continue in full force and effect, and it shall be optional with the city authorities to proceed under either such existing law, charter provision or this chapter. [1965 c 7 § 35.85.080. Prior: (i) 1909 ex.s. c 14 § 5; RRS § 9005. (ii) 1925 ex.s. c 168 § 4; RRS § 9005-4.]

35.86A.010 Declaration. It is hereby determined and declared:

(1) The free circulation of traffic of all kinds through our cities is necessary to the health, safety and general welfare of the public, whether residing in, traveling to or through the cities of this state;

(2) The most efficient use of the street and highway system requires availability of strategically located parking for vehicles in localities where large numbers of persons congregate;

(3) An expanding suburban population has increased demands for further concentration of uses in central metropolitan areas, necessitating an increasing investment in streets and highways;

(4) On-street parking is now inadequate, and becomes increasingly an inefficient and uneconomical method for temporary storage of vehicles in commercial, industrial and high-density residential areas, causing such immediate adverse consequences as the following, among others:

(a) Serious traffic congestion from on-street parking, which interferes with use of streets for travel, disrupts public surface transportation at peak hours, impedes rapid and effective fighting of fires and disposition of police forces, slows emergency vehicles, and inflicts hardship upon handicapped persons and others dependent upon private vehicles for transportation;

(b) On-street parking absorbs right-of-way useful and usable for travel;

(c) On-street parking reduces the space available for truck and passenger loading for the abutting properties, hinders ready access, and impedes cleaning of streets;

(d) Inability to temporarily store automobiles has discouraged the public from travel to and within our cities, from congregating at public events, and from using public facilities.

(5) Insufficient off-street parking has had long-range results, as the following, among others:

(a) Metropolitan street and highway systems have lost efficiency and the free circulation of traffic and persons has been impaired;

(b) The growth and development of metropolitan areas has been retarded;

(c) Business, industry, and housing has become unnecessarily and uneconomically dispersed;

(d) Limited and valuable land area is under used.

All of which cause loss of payrolls, business and productivity, and property values, with resulting impairment of the public health, safety and welfare, the utility of our streets and highways, and tax revenues;

(6) Establishment of public off-street parking facilities will promote the public health, safety, convenience, and welfare, by:

(a) Expediting the movement of the public, and of goods in metropolitan areas, alleviating traffic congestion, and preserving the large investment in streets and highways;

(b) Permitting a greater use of public facilities, congregation of the public, and more intensive development of private property within the community;

(7) Establishment of public off-street parking is a necessary ancillary to and extension of an efficient street and highway system in metropolitan areas, as much so as a station or terminal is to a railroad or urban transit line;

(8) Public off-street parking facilities, open to the public and owned by a city or town, are and remain a public use and a public function, irrespective of whether:

(a) Parking fees are charged to users;

(b) The management or operation of one or more parking facilities is conducted by a public agency, or under contract or lease by private enterprise; or

(c) A portion of the facilities is used for commercial, store or automobile accessory purposes;

(9) Public parking facilities under the control of a parking commission are appropriately treated differently from other parking facilities of a city. [1969 ex.s. c 204 § 1.]

Severability—1969 ex.s. c 204: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1969 ex.s. c 204 § 15.] This applies to chapter 35.86A RCW and to RCW 35.86.020 and 35.86.040.

35.86A.020 Authority of cities of first, second and third class to establish parking facilities through parking commissions. Cities of the first, second and third class are authorized and empowered to establish and maintain public off-street parking facilities through a parking commission; the use of property and property rights for such purpose is declared to be a public use; and parking facilities under the control of such parking commission shall be governed by the provisions of this chapter. [1969 ex.s. c 204 § 2.]

35.86A.030 Definitions. (1) "Parking facilities" means lots, garages, parking terminals, buildings and structures and accommodations for parking of motor vehicles off the street or highway, open to public use, with or without charge.

(2) "Parking commission" shall mean the department or agency created by the legislative authority of the municipality as hereinafter provided.

(3) "City council" shall mean the city council or legislative authority of the municipality.

(4) "Mayor" shall mean the chief executive officer of the municipality. [1969 ex.s. c 204 § 3.]

35.86A.040 Ownership, control and use of parking facilities. Parking facilities established pursuant to this chapter shall be owned by the city, under the control of the parking commission (unless relinquished), and for the use of the public. The provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such parking facilities or other facilities under parking commission control. [1969 ex.s. c 204 § 4.]

35.86A.050 Parking commission—Creation authorized—Purpose—Membership—Terms—Vacancies—Expenses. Any city of the first, second or third class may by ordinance create a parking commission for the purpose of establishing and operating off-street parking facilities.

Such parking commission shall consist of five members appointed by the mayor and confirmed by the city council, who shall serve without compensation but may be reimbursed for necessary expenses. One member of the parking commission shall be selected from among persons actively engaged in the private parking industry, if available.

Three of those first appointed shall be designated to serve for one, two, and three years respectively, and two shall be designated to serve four years. The terms for all subsequently appointed members shall be four years. In event of any vacancy, the mayor, subject to confirmation of the city council, shall make appointments to fill the unexpired portion of the term.

A member may be reappointed, and shall hold office until his successor has been appointed and has qualified. Members may be removed by the mayor upon consent of the city council. [1969 ex.s. c 204 § 5.]

35.86A.060 Parking commission—Chairman—Rules—Resolutions. The parking commission shall select from its members a chairman, and may establish its own rules, regulations and procedures not inconsistent with this chapter. No resolution shall be adopted by the parking commission except upon the concurrence of at least three members. [1969 ex.s. c 204 § 6.]

35.86A.070 Powers and authority of parking commission. The parking commission is authorized and empowered, in the name of the municipality by resolution to:

(1) Own and acquire property and property rights by purchase, gift, devise, or lease for the construction, maintenance, or operation of off-street parking facilities, or for effectuating the purpose of this chapter; and accept grants-in-aid, including compliance with conditions attached thereto;

(2) Construct, maintain, and operate off-street parking facilities located on land dedicated for park or civic center purposes, or on other municipally-owned land where the primary purpose of such off-street parking facility is to provide parking for persons who use such park or civic center facilities, and undertake research, and prepare plans incidental thereto subject to applicable statutes and charter provisions for municipal purchases, expenditures, and improvements; and in addition may own other off-street parking facilities and operate them in accordance with RCW 35.86A.120: *Provided*, That the provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such construction, operation or maintenance;

(3) Establish and collect parking fees, make exemption for handicapped persons, lease space for commercial, store, advertising or automobile accessory purposes, and regulate prices and service charges, for use of and

within and the aerial space over parking facilities under its control;

(4) Subject to applicable city civil service provisions, provide for the appointment, removal and control of officers and employees, and prescribe their duties and compensation, and to control all equipment and property under the commission's jurisdiction;

(5) Contract with private persons and organizations for the management and/or operation of parking facilities under its control, and services related thereto, including leasing of such facilities or portions thereof;

(6) Cause construction of parking facilities as a condition of an operating agreement or lease, derived through competitive bidding, or in the manner authorized by chapter 35.42 RCW;

(7) Execute and accept instruments, including deeds, necessary or convenient for the carrying on of its business; acquire rights to develop parking facilities over or under city property; and to contract to operate and manage parking facilities under the jurisdiction of other city departments or divisions and of other public bodies;

(8) Determine the need for and recommend to the city council:

(a) The establishment of local improvement districts to pay the cost of parking facilities or any part thereof;

(b) The issuance of bonds or other financing by the city for construction of parking facilities;

(c) The acquisition of property and property rights by condemnation from the public, or in street areas;

(9) Transfer its control of property to the city and liquidate its affairs, so long as such transfer does not contravene any covenant or agreement made with the holders of bonds or other creditors; and

(10) Require payment of the excise tax hereinafter provided. The city shall not have any power to regulate parking facilities not owned by the city. Parking fees for parking facilities under the control of the parking commission shall be maintained commensurate with and neither higher nor lower than prevailing rates for parking charged by commercial operators in the general area. [1975 1st ex.s. c 221 § 3; 1969 ex.s. c 204 § 7.]

Severability—1975 1st ex.s. c 221: See note following RCW 35.86.010.

35.86A.080 New off-street parking facilities—Powers of parking commission and city council. (1) Whenever the parking commission intends to construct new off-street parking facilities it shall:

(a) Prepare plans for such proposed development, which shall meet the approval of the planning commission, other appropriate city planning agency, or city council;

(b) Prepare a report to the city council stating the proposed method of financing and property acquisition;

(c) Specify the property rights, if any, to be secured from the public or of property devoted to public use; the uses of streets necessary therefor, or realignment or vacation of streets and alleys; the relocation of street utilities; and any street area to be occupied or closed during construction.

(2) In the event the proposed parking facility shall require:

(a) Creation of a local improvement district;

(b) Issuance of bonds, allocation or appropriation of municipal revenues from other sources, or guarantees of or use of the credit of the municipality;

(c) Exercise of the power of eminent domain; or

(d) Use of, or vacation, realignment of streets and alleys, or relocation of municipal utilities.

One or more public hearings shall be held thereon before the city council, or an assigned committee thereof, which shall report its recommendations to be approved, revised, or rejected by the city council. Such hearings may be consolidated with any required hearings for street vacations, or creation of a local improvement district. Pursuant to such hearing, the city council may:

(1) Create a local improvement district to finance all or part of the parking facility, in accordance with Title 35 RCW, as now existing or hereinafter amended: *Provided, however,* That assessments against property within the district may be measured per lot, per square foot, by property valuation, or any other method as fairly reflects the special benefits derived therefrom, and credit in calculating the assessment may be allowed for property rights or services performed;

(2) Provide for issuance of revenue bonds payable from revenues of the proposed parking facility, from other off-street parking facilities, on-street meter collections, or allocations of other sources of funds; issue general obligation bonds; make reimbursable or nonrefundable appropriations from the general fund, or reserves; and/or guarantee bonds issued or otherwise pledge the city's credit, all in such combination, and under such terms and conditions as the city council shall specify;

(3) Authorize acquisition of the necessary property and property rights by eminent domain proceedings, in the manner authorized by law for cities in Title 8 RCW: *Provided,* That the city council shall first determine that the proposed parking facility will promote the circulation of traffic or the more convenient or efficient use by the public of streets or public facilities in the immediate area than would exist if the proposed parking facility were not provided, or that the parking facility otherwise enhances the public health, safety and welfare; and

(4) Authorize and execute the necessary transfer or control of property rights; vacate or realign streets and alleys or permit uses within the same; and direct relocation of street utilities.

In event none of the four above powers need be exercised, the city council's approval of construction plans shall be deemed full authority to construct and complete the parking facility. [1969 ex.s. c 204 § 8.]

35.86A.090 Powers of cities. The city may:

(1) Transfer control of off-street parking facilities under other departments to the parking commission under such conditions as deemed appropriate;

(2) Issue revenue bonds pursuant to chapter 35.41 RCW, and RCW 35.24.305, and 35.81.100 as now or hereafter amended, and such other statutes as may authorize such bonds for parking facilities authorized herein;

(3) Issue general obligation bonds pursuant to chapters 39.44, 39.52 RCW, and RCW 35.81.115 as now or hereafter amended, and such other statutes and applicable provisions of the state Constitution that may authorize such bonds for parking facilities authorized herein;

(4) Appropriate funds for the parking commission; and

(5) Enact such ordinances as may be necessary to carry out the provisions of this chapter, notwithstanding any charter provisions to the contrary. [1969 ex.s. c 204 § 9.]

Regulation of noncity owned parking facilities prohibited: RCW 35.86A.070(10).

35.86A.100 Disposition of revenues—Expenditure procedure. All revenues received shall be paid to the municipal treasurer for the credit of the general fund, or such other funds as may be provided by ordinance.

Expenditures of the parking commission shall be made in accordance with the budget adopted by the municipality pursuant to chapter 35.32A RCW. [1969 ex.s. c 204 § 10.]

35.86A.110 Excise tax to reimburse taxing authorities for loss of property tax revenue. Such cities shall pay to the county treasurer an annual excise tax equal to the amount which would be paid upon real property devoted to the purpose of off-street parking, were it in private ownership. This section shall apply to parking facilities acquired and/or operated under this chapter. The proceeds of such excise tax shall be allocated by the county treasurer to the various taxing authorities in which such property is situated, in the same manner as though the property were in private ownership. [1969 ex.s. c 204 § 11.]

35.86A.120 Operation of parking facilities by cities prohibited—Exceptions—Bid requirements and procedure. Except for off-street park and civic center parking facilities, as provided in RCW 35.86.010 and 35.86A.070, no city shall operate off-street parking facilities but shall call for sealed bids from responsible, experienced private operators of such facilities for the operation thereof. The call for bids shall specify the terms and conditions under which the facility will be leased for private operation. The call for bids shall specify the time and place at which the bids will be received and the time and when the same will be opened, and such call shall be advertised once a week for two successive weeks before the time fixed for the filing of bids in a newspaper of general circulation in the city. The competitive bid requirements of this section shall not apply in any case where such a city shall grant a long-term negotiated lease of any such facility to a private operator on the condition that the tenant-operator shall construct a substantial portion of the facility or the improvements thereto, which construction and/or improvements shall become the property of the city on expiration of the lease. If no bid is received for the operation of such an off-street parking facility, or if the bids received are not satisfactory, the legislative body of the city may reject such bids and shall readvertise the facility for lease. In

the event that no bids or no satisfactory bids shall have been received following the second advertising, the city may negotiate with a private operator of the operation of the facility without competitive bidding. In the event the city shall be unable to negotiate for satisfactory private operation within a reasonable time, the city may operate the facility for a period not to exceed three years, at which time it shall readvertise as provided above in this section. (3) To provide in accordance with any applicable provisions of the Constitution or statutory authority for the issuance and sale of revenue bonds to finance the cost of any parking and business improvement area. [1971 ex.s. c 45 § 1.]

35.87A.020 Definitions. (1) "Business" as used in this chapter means all types of business, including professions.

(2) "Legislative authority" as used in this chapter means the legislative authority of any city or town including unclassified cities or towns operating under special charters or the legislative authority of any county. [1971 ex.s. c 45 § 2.]

35.87A.030 Initiation petition or resolution—Contents. For the purpose of establishing a parking and business improvement area, an initiation petition may be presented to the legislative authority having jurisdiction of the area in which the proposed parking and business improvement area is to be located or the legislative authority may by resolution initiate a parking and business improvement area. The initiation petition or resolution shall contain the following:

- (1) A description of the boundaries of the proposed area;
- (2) The proposed uses and projects to which the proposed special assessment revenues shall be put and the total estimated cost thereof;
- (3) The estimated rate of levy of special assessment with a proposed breakdown by class of business if such classification is to be used.

35.87A.040 Resolution of intention to establish—Contents—Hearing. The legislative authority, after receiving a valid initiation petition or after passage of an

initiation resolution, shall adopt a resolution of intention to establish an area. The resolution shall state the time and place of a hearing to be held by the legislative authority to consider establishment of an area and shall restate all the information contained in the initiation petition or initiation resolution regarding boundaries, projects and uses, and estimated rates of assessment. [1971 ex.s. c 45 § 4.]

(2) Mailing a complete copy of the resolution of intention to each business in the proposed, or established, area. Publication and mailing shall be completed at least ten days prior to the time of the hearing. [1971 ex.s. c 45 § 5.]

35.87A.060 Hearings. Whenever a hearing is held under this chapter, the legislative authority shall hear all protests and receive evidence for or against the proposed action. The legislative authority may continue the hearing from time to time. Proceedings shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed special assessments. [1971 ex.s. c 45 § 6.]

35.87A.070 Change of boundaries. If the legislative authority decides to change the boundaries of the proposed area, the hearing shall be continued to a time at least fifteen days after such decision and notice shall be given as prescribed in RCW 35.87A.050, showing the boundary amendments, but no resolution of intention is required. [1971 ex.s. c 45 § 7.]

35.87A.080 Special assessments—Classification of businesses. For purposes of the special assessments to be imposed pursuant to this chapter, the legislative authority may make a reasonable classification of businesses, giving consideration to various factors, including the degree of benefit received from parking only. [1971 ex.s. c 45 § 8.]

35.87A.090 Special assessments—Same basis or rate for classes not required—Factors as to parking facilities. The special assessments need not be imposed on different classes of business, as determined pursuant to RCW 35.87A.080, on the same basis or the same rate: *Provided, however,* That the special assessments imposed for the purpose of the acquisition, construction or maintenance of parking facilities for the benefit of the area shall be imposed on the basis of benefit determined by the legislative authority after giving consideration to the total cost to be recovered from the businesses upon which the special assessment is to be imposed, the total area within the boundaries of the parking and business improvement area, the assessed value of the land and improvements within the area, the total business volume generated within the area and within each business, and such other factors as the legislative authority may find

and determine to be a reasonable measure of such benefit. [1971 ex.s. c 45 § 9.]

35.87A.100 Ordinance to establish—Adoption—Contents. If the legislative authority, following the hearing, decides to establish the proposed area, it shall adopt an ordinance to that effect. This ordinance shall contain the following information:

(6) A statement that a parking and business improvement area has been established.

(7) The uses to which the special assessment revenue shall be put: *Provided, however,* That such use shall conform to the use as declared in the initiation petition presented pursuant to RCW 35.87A.030. [1971 ex.s. c 45 § 10.]

35.87A.110 Use of revenue—Contracts to administer operation of area. The legislative authority of each city or town or county shall have sole discretion as to how the revenue derived from the special assessments is to be used within the scope of the purposes; however, the legislative authority may appoint existing advisory boards or commissions to make recommendations as to its use, or the legislative authority may create a new advisory board or commission for the purpose.

The legislative authority may contract with a chamber of commerce or other similar business association operating primarily within the boundaries of the legislative authority to administer the operation of a parking and business improvement area, including any funds derived pursuant thereto: *Provided,* That such administration must comply with all applicable provisions of law including this chapter, with all county, city, or town resolutions and ordinances, and with all regulations lawfully imposed by the state auditor or other state agencies. [1971 ex.s. c 45 § 11.]

35.87A.120 Use of assessment proceeds restricted. The special assessments levied hereunder must be for the purposes specified in the ordinances and the proceeds shall not be used for any other purpose. [1971 ex.s. c 45 § 12.]

35.87A.130 Collection of assessments. Collections of assessments imposed pursuant to this chapter shall be made at the same time and in the same manner as otherwise prescribed by Title 35 RCW or in such other manner as the legislative authority shall determine. [1971 ex.s. c 45 § 13.]

35.87A.140 Changes in assessment rates. Changes may be made in the rate or additional rate of special assessment as specified in the ordinance establishing the area, by ordinance adopted after a hearing before the legislative authority.

The legislative authority shall adopt a resolution of intention to change the rate or additional rate of special assessment at least fifteen days prior to the hearing required by this section. This resolution shall specify the proposed change and shall give the time and place of the hearing: *Provided*, That proceedings to change the rate or impose an additional rate of special assessments shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed increase or additional special assessments. [1971 ex.s. c 45 § 14.]

35.87A.150 Benefit zones—Authorized—Rates. The legislative authority may, for each of the purposes set out in RCW 35.87A.010, establish and modify one or more separate benefit zones based upon the degree of benefit derived from the purpose and may impose a different rate of special assessment within each such benefit zone. [1971 ex.s. c 45 § 15.]

35.87A.160 Benefit zones—Establishment, modification and disestablishment of area provisions and procedure to be followed. All provisions of this chapter applicable to establishment or disestablishment of an area also apply to the establishment, modification, or disestablishment of benefit zones pursuant to *RCW 35.87A.150. The establishment or the modification of any such zone shall follow the same procedure as provided for the establishment of a parking and business improvement area and the disestablishment shall follow the same procedure as provided for disestablishment of an area. [1971 ex.s. c 45 § 16.]

**Reviser's note:* "RCW 35.87A.150" has been translated from "section 13 of this act", as the reference to section 13, herein codified as RCW 35.87A.130, was apparently erroneous.

35.87A.170 Exemption period for new businesses. Businesses established after the creation of an area within the area may be exempted from the special assessments imposed pursuant to this chapter for a period not exceeding one year from the date they commenced business in the area. [1971 ex.s. c 45 § 17.]

35.87A.180 Disestablishment of area—Hearing. The legislative authority may disestablish an area by ordinance after a hearing before the legislative authority. The legislative authority shall adopt a resolution of intention to disestablish the area at least fifteen days prior to the hearing required by this section. The resolution shall give the time and place of the hearing. [1971 ex.s. c 45 § 18.]

35.87A.190 Disestablishment of area—Assets and liabilities. Upon disestablishment of an area, any proceeds of the special assessments, or assets acquired with such proceeds, or liabilities incurred as a result of the formation of such area, shall be subject to disposition as

the legislative authority shall determine: *Provided, however*, Any liabilities, either current or future, incurred as a result of action taken to accomplish the purposes of RCW 35.87A.010 shall not be an obligation of the general fund or any special fund of the city or town, but such liabilities shall be provided for entirely from available revenue generated from the projects or facilities authorized by RCW 35.87A.010 or from special assessments on the property specially benefited within the area. [1971 ex.s. c 45 § 19.]

35.87A.200 Bids required—Monetary amount. Any city or town or county authorized by this chapter to establish a parking improvement area shall call for competitive bids by appropriate public notice and award contracts, whenever the estimated cost of such work or improvement, including cost of materials, supplies and equipment, exceeds the sum of two thousand five hundred dollars. [1971 ex.s. c 45 § 20.]

35.87A.210 Computing cost of improvement for bid requirement. The cost of the improvement for the purposes of this chapter shall be aggregate of all amounts to be paid for the labor, materials and equipment on one continuous or inter-related project where work is to be performed simultaneously or in near sequence. Breaking an improvement into small units for the purposes of avoiding the minimum dollar amount prescribed in RCW 35.87A.200 is contrary to public policy and is prohibited. [1971 ex.s. c 45 § 21.]

35.87A.220 Existing laws not affected—Chapter supplemental—Purposes may be accomplished in conjunction with other methods. This chapter providing for parking and business improvement areas shall not be deemed or construed to affect any existing act, or any part thereof, relating to special assessments or other powers of counties, cities and towns, but shall be supplemental thereto and concurrent therewith.

The purposes and functions of parking and business improvement areas as set forth by the provisions of this chapter may be accomplished in part by the establishment of an area pursuant to this chapter and in part by any other method otherwise provided by law, including provisions for local improvements. [1971 ex.s. c 45 § 22.]

35.87A.900 Severability—1971 ex.s. c 45. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected. [1971 ex.s. c 45 § 23.]

35.92.070 Procedure. When the governing body of a city or town deems it advisable that the city or town

purchase, acquire, or construct any such public utility or make any additions and betterments thereto or extensions thereof, it shall provide therefor by ordinance, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof, as near as may be, and the ordinance shall be submitted for ratification or rejection to the voters of the city or town at a general or special election, except in the following cases where no submission shall be necessary:

(1) When the work proposed is an addition to, or betterment of, or extension of, or an increased water supply for, existing waterworks, or an addition, betterment, or extension of an existing system or plant of any other public utility for which no general indebtedness is to be incurred by the city or town;

(2) When in the charter of a city or town a provision has been adopted authorizing the corporate authorities thereof to provide by ordinance for acquiring, opening, or operating any of such public utilities, for which no general indebtedness is to be incurred; or

(3) When in the judgment of the corporate authority, the public health is being endangered by the discharge of raw or untreated sewage into any river or stream and the danger to the public health may be abated by the construction and maintenance of a sewage disposal plant for which no general indebtedness shall be incurred by the city or town responsible for such contamination.

If a general indebtedness is to be incurred, the amount and terms thereof shall be included in the proposition submitted to the voters and such proposition shall be adopted by three-fifths of the voters voting at such election.

If no general indebtedness is to be incurred the proposition may be adopted by a majority vote.

Notice of elections: RCW 29.27.080.

35.92.080 General indebtedness bonds. When the voters have adopted a proposition for any public utility and have authorized a general indebtedness, general city or town bonds may be issued. The bonds shall be registered or coupon bonds; numbered from one up consecutively; bear the date of their issue; and bear interest at a rate or rates as authorized by the city or town council, payable semiannually, with interest coupons attached, and the principal and interest shall be made payable at such place as may be designated. Except as otherwise provided in RCW 39.44.100, the bonds and each coupon

shall be signed by the mayor and attested by the clerk under the seal of the city or town.

There shall be levied each year a tax upon the taxable property of the city or town sufficient to pay the interest and principal of the bonds then due, which taxes shall become due and collectible as other taxes: *Provided*, That it may pledge to the payment of such principal and interest the revenue of the public utility being acquired, constructed, or improved out of the proceeds of sale of such bonds. Such pledge of revenue shall constitute a binding obligation, according to its terms, to continue the collection of such revenue so long as such bonds or any of them are outstanding, and to the extent that revenues are insufficient to meet the debt service requirements on such bonds, the governing body of the municipality shall provide for the levy of taxes sufficient to meet such deficiency.

The bonds shall be printed and engraved, or lithographed, on good bond paper. The bonds shall be sold in such manner as the corporate authorities shall deem for the best interest of the city or town. A register shall be kept of all the bonds, which shall show the number, date, amount, interest, to whom delivered—if coupon bonds—and the name of the payee—if registered bonds; and when and where payable, and each bond issued or sold. 35.92.090 Limit of indebtedness. The total general indebtedness incurred under this chapter, added to all other indebtedness of a city or town at any time outstanding, shall not exceed the amounts of indebtedness authorized by chapter 39.36 RCW, as now or hereafter amended, to be incurred without and with the assent of the voters: *Provided*, That a city or town may become indebted to a larger amount, but not exceeding the amount authorized therefor by chapter 39.36 RCW, as now or hereafter amended, for supplying it with water, artificial light, and sewers when works for supplying such water, light, and sewers are owned and controlled by the city or town. Limitations upon indebtedness: State Constitution Art. 7 § 2 (Amendments 55, 59), Art. 8 § 6 (Amendment 27), RCW 84.52.050.

35.92.100 Revenue bonds or warrants. When the voters of a city or town, or the corporate authorities thereof, have adopted a proposition for any public utility and either no general indebtedness has been authorized or the corporate authorities do not desire to incur a general indebtedness, and when the corporate authorities are authorized to exercise any of the powers conferred by this chapter without submitting the proposition to a vote, the corporate authorities may create a special fund for the sole purpose of defraying the cost of the public

utility or addition, betterment, or extension thereto, into which special fund they may obligate and bind the city or town to set aside and pay a fixed proportion of the gross revenues of the utility, or any fixed amount out of and not exceeding a fixed proportion of such revenues, or a fixed amount without regard to any fixed proportion, and issue and sell bonds or warrants bearing interest at a rate or rates as authorized by the corporate authorities; payable semiannually, executed in such manner and payable at such times and places as the corporate authorities shall determine, but the bonds or warrants and the interest thereon shall be payable only out of the special fund and shall be a lien and charge against payments received from any utility local improvement district assessments pledged to secure such bonds. Such bonds shall be negotiable instruments within the meaning of the negotiable instruments law, Title 62 RCW, or Title 62A RCW, notwithstanding same are made payable out of a particular fund contrary to the provisions of RCW 62.01.003 or 62A.3-105.

When corporate authorities deem it necessary to construct any sewage disposal plant, it may be considered as a part of the waterworks department of the city or town and the cost of construction and maintenance thereof may be chargeable to the water fund of the municipality, or to any other special fund which the corporate authorities may by ordinance designate.

In creating a special fund, the corporate authorities shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to, and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants, or other indebtedness, and shall not set aside into such special fund a greater amount or proportion of the revenue and proceeds than in their judgment will be available above such cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. Rates shall be maintained adequate to service such bonds and to maintain the utility in sound financial condition.

The bonds or warrants and interest thereon issued against any such fund shall be a valid claim of the holder thereof only as against the special fund and its fixed proportion or amount of the revenue pledged thereto, and shall not constitute an indebtedness of the city or town within the meaning of constitutional provisions and limitations. Each bond or warrant shall state upon its face that it is payable from a special fund, naming it and the ordinance creating it. The bonds and warrants shall be sold in such manner as the corporate authorities shall deem for the best interest of the city or town, and they may provide in any contract for the construction and acquirement of the proposed improvement that payment therefor shall be made only in such bonds and warrants at par value thereof.

When a special fund is created and any such obligation is issued against it, a fixed proportion, or a fixed amount out of and not exceeding such fixed proportion, or a fixed amount without regard to any fixed proportion, of revenue shall be set aside and paid into such fund as provided in the ordinance creating it, and in case the city or town fails to thus set aside and pay such fixed

proportion or amount, the holder of any bond or warrant against the fund may bring action against the city or town and compel such setting aside and payment: *Provided*, That whenever the corporate authorities of any city or town shall so provide by ordinance then all such bonds thereafter issued shall be on a parity, without regard to date of issuance or authorization and without preference or priority of right or lien with respect to participation of special funds in amounts from gross revenues for payment thereof. 35.92.110 Funding or refunding bonds. The legislative authority of a city or town which has any outstanding warrants or bonds issued for the purpose of purchasing, acquiring, or constructing any such public utility or for making any additions or betterments thereto or extensions thereof, whether the warrants or bonds are general obligation warrants or bonds of the municipality or are payable solely from a special fund, into which fund the city or town is bound and obligated to set aside and pay any proportion or part of the revenue of the public utility, for the purchase, acquisition, or construction of which utility or the making of any additions and betterments thereto or extensions thereof such outstanding warrants or bonds were issued, may, without submitting the matter to the voters, provide for the issuance of funding or refunding bonds with which to take up, cancel, retire, and refund such outstanding warrants or bonds, or any part thereof, at maturity thereof, or before the maturity thereof, if they are subject to call for prior redemption. Formerly RCW 80.40.120.]

35.92.130 Funding or refunding bonds—Single issue may refund multiple series. At the option of the legislative authority of the city or town various series and issues of outstanding warrants or bonds, or parts thereof, issued for the purpose of acquiring or constructing any public utility, or for making any additions or betterments thereto or extensions thereof, may be funded or refunded by a single issue of funding or refunding bonds. No proportion or part of the revenue of any one such

public utility shall be pledged for the payment of funding or refunding bonds issued to fund or refund warrants or bonds issued for the acquisition or construction, or the making of additions or betterments to or extensions of, any other public utility. 35.92.140 Funding or refunding bonds—Issuance of bonds—Ordinance. When the legislative authority of a city or town determines to issue such funding or refunding bonds, it shall provide therefor by ordinance, which shall create a special fund for the sole purpose of paying the bonds and the interest thereon, into which fund the ordinance shall bind and obligate the city or town to set aside and pay a fixed amount without regard to any fixed proportion out of the gross revenue of the public utility as provided therein. In creating such special fund, the legislative authority shall have due regard to the cost of operation and maintenance of the utility as constructed or added to, and to any proportion or part of the revenue thereof previously pledged as a fund for the payment of bonds, warrants, or other indebtedness, and shall not bind and obligate the city or town to set aside into the fund a greater amount of the revenue of the utility than in its judgment will be available above the cost of maintenance and operation and the amount or proportion of the revenue thereof so previously pledged. 35.92.150 Funding or refunding bonds—Terms of bonds. Such funding or refunding bonds, together with the interest thereon, issued against the special fund shall be a valid claim of the holder thereof only as against such fund, and the amount of the revenue of the utility pledged thereto, and shall not constitute an indebtedness of the city or town within the meaning of constitutional or statutory provisions and limitations. They shall be sold in such manner as the corporate authorities shall deem for the best interest of the municipality. The rate of interest on the bonds shall not exceed the rate of interest on warrants or bonds to be funded or refunded thereby. Interest on the bonds shall be paid semiannually. The bonds shall be executed in such manner and payable at such time and place as the legislative authority shall by ordinance determine. Nothing in this chapter shall prevent a city from funding or refunding any of its indebtedness in any other manner provided by law. [1965 c 7 § 35.92.150. Notice of such hearing shall be given by the city or town clerk in the form and manner required in the preceding proviso. The treasurer shall be present at the hearing and shall note any changes on his books. The legislative authority shall have the same right to make changes in the assessment roll as in an original assessment, and after all changes have been made it shall, by ordinance, confirm the assessment and direct the treasurer to extend it on the books of his office. statement of the financial ability and experience of such person, firm, or corporation in performing electrical work. Such questionnaire shall be sworn to before a notary public or other person authorized to take acknowledgment of deeds, and shall be submitted once a year and at such other times as the governing authority may require. Except where otherwise authorized, such assistance shall be limited to:

- (1) Providing an inspection of the residential structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle

(2) Providing a list of businesses who sell and install such materials and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize such materials in accordance with the prevailing national standards.

The legislature further finds and declares that all municipal corporations, quasi municipal corporations, and other political subdivisions of the state which are engaged in the generation, sale, or distribution of energy should be granted the authority to develop and carry out programs which will conserve resources, reduce waste, and encourage more efficient use of energy by consumers.

In order to establish the most effective state-wide program for energy conservation, the legislature hereby encourages any company, corporation, or association engaged in selling or furnishing utility services to assist their customers in the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy." [1979 1st ex.s. c 239 § 1.]

Effective date—Contingency—1979 1st ex.s. c 239: "This 1979 act shall take effect on the same date as the proposed amendment to Article VIII of the state Constitution, authorizing the use of public moneys or credit to promote conservation or more efficient use of energy, is validly submitted and is approved and ratified by the voters at a general election held in November, 1979. [1965 c 7 § 35.94.010. Prior: 1917 c 137 § 1; RRS § 9512. Cf. 1907 c 86 §§ 1-3; 1897 c 106 §§ 1-4. Formerly RCW 80.48.010.]

35.94.020 Procedure. The legislative authority of the city, if it deems it advisable to lease or sell such works, plant, or system, or any part thereof, shall adopt a resolution stating whether it desires to lease or sell. If it desires to lease, the resolution shall state the general terms and conditions of the lease, but not the rent. If it desires to sell the general terms of sale shall be stated, but not the price. The resolution shall direct the city clerk, or other proper official, to publish the resolution not less than once a week for four weeks in the official newspaper of the city if there is one, or if not, then in any newspaper published in the city, or if there is none, then in any newspaper published in the county in which the city is located, together with a notice calling for sealed bids to be filed with the clerk or other proper official not later than a certain time, accompanied by a certified check payable to the order of the city, for such amount as the resolution shall require, or a deposit of a like sum in money. Each bid shall state that the bidder agrees that if his bid is accepted and he fails to comply therewith within the time hereinafter specified, the check or deposit shall be forfeited to the city. If bids for a lease are called for, bidders shall bid the amount to be paid as the rent for each year of the term of the lease. If bids for a sale are called for, the bids shall state the price offered. The legislative authority of the city may reject any or all bids and accept any bid which it deems best. At the first meeting of the legislative authority of the city held after the expiration of the time fixed for receiving bids, or at some later meeting, the bids shall be considered. In order for such legislative authority to declare it advisable to accept any bid it shall be necessary for two-thirds of all the members elected to such legislative authority to vote in favor of a resolution making the declaration. If the resolution is adopted it shall be necessary, in order that such bid be accepted, to enact an ordinance accepting it and directing the execution of a lease or conveyance by the mayor and city clerk or other proper official. Such ordinance shall not take effect until it has been submitted to the voters of the city for their approval or rejection at the next general election or at a special election called for that purpose, and a majority of the voters voting thereon have approved it. If approved it shall take effect as soon as the result of the vote is proclaimed by the mayor. If it is so submitted and fails of approval, it shall be rejected and annulled. The mayor shall proclaim the vote as soon as it is properly certified. [1965 c 7 § 35.94.020. Prior: 1917 c 137 § 2; RRS § 9513. Cf. 1907 c 86 §§ 1-3; 1897 c 106 §§ 1-4. Formerly RCW 80.48.020.]

Elections: Title 29 RCW.

35.94.030 Execution of lease or conveyance. Upon the taking effect of the ordinance the mayor and the city clerk or other proper official shall execute, in the name and on behalf of the city, the lease or conveyance directed thereby. The lessee or grantee shall accept and execute the instrument within ten days after notice of its execution by the city or forfeit to the city, the amount of the check or deposit accompanying his bid: *Provided*, That if litigation in good faith is instituted within ten days to determine the rights of the parties, no forfeiture

shall take place unless the lessee or grantee fails for five days after the termination of the litigation in favor of the city to accept and execute the lease or conveyance. [1965 c 7 § 35.94.030. Prior: 1917 c 137 § 3; RRS § 9514. Cf. 1907 c 86 §§ 1-3; 1897 c 106 §§ 1-4. Formerly RCW 80.48.030.]

35.94.040 Lease or sale of land or property originally acquired for public utility purposes. Whenever a city shall determine, by resolution of its legislative authority, that any lands, property, or equipment originally acquired for public utility purposes is surplus to the city's needs and is not required for providing continued public utility service, then such legislative authority by resolution and after a public hearing may cause such lands, property, or equipment to be leased, sold, or conveyed. Such resolution shall state the fair market value or the rent or consideration to be paid and such other terms and conditions for such disposition as the legislative authority deems to be in the best public interest.

The provisions of RCW 35.94.020 and 35.94.030 shall not apply to dispositions authorized by this section. [1973 1st ex.s. c 95 § 1.]

35.95.010 Declaration of intent and purpose. We, the legislature find that an increasing number of municipally owned, or leased, and operated transportation systems in the urban areas of the state of Washington, as in the nation, are finding it impossible, from the revenues derived from tolls, tariffs and fares, to maintain the financial solvency of such systems, and as a result thereof such municipalities have been forced to subsidize such systems to the detriment of other essential public services.

All persons in a community benefit from a solvent and adequate public transportation system, either directly or indirectly, and the responsibility of financing the operation, maintenance, and capital needs of such systems is a community obligation and responsibility which should be shared by all.

We further find and declare that the maintenance and operation of an adequate public transportation system is an absolute necessity and is essential to the economic, industrial and cultural growth, development and prosperity of a municipality and of the state and nation, and to protect the health and welfare of the residents of such municipalities and the public in general.

We further find and declare that the appropriation of general funds and levying and collection of taxes by such municipalities as authorized in the succeeding sections of this chapter is necessary, and any funds so derived and expended are for a public purpose for which public funds may properly be used. Counties, conversion of overhead electric and communication facilities to underground facilities: RCW 36.88.410–36.88.480.

Local improvements for underground utilities transmission lines: RCW 35.43.040(12).

35.96.010 Declaration of public interest and purpose. It is hereby found and declared that the conversion of overhead electric and communication facilities to underground facilities is substantially beneficial to the public safety and welfare, is in the public interest and is a public purpose, notwithstanding any resulting incidental private benefit to any electric or communication utility affected by such conversion. [1967 c 119 § 2.]

35.96.020 Definitions. As used in this chapter, unless specifically defined otherwise, or unless the context indicates otherwise:

"Conversion area" means that area in which existing overhead electric and communication facilities are to be converted to underground facilities pursuant to the provisions of this chapter.

"Electric utility" means any publicly or privately owned utility engaged in the business of furnishing electric energy to the public in all or part of the conversion area and includes electrical companies as defined by RCW 80.04.010 and public utility districts.

"Communication utility" means any utility engaged in the business of affording telephonic, telegraphic, cable television or other communication service to the public in all or part of the conversion area and includes telephone companies and telegraph companies as defined by RCW 80.04.010. [1967 c 119 § 3.]

35.96.030 Conversion of electric and communication facilities to underground facilities authorized—Local improvement districts—Special assessments. Every city or town shall have the power to convert existing overhead electric and communication facilities to underground facilities pursuant to RCW 35.43.190 where such facilities are owned or operated by the city or town. Where such facilities are not so owned or operated, every city or town shall have the power to contract with

electric and communication utilities, as hereinafter provided, for the conversion of existing overhead electric and communication facilities to underground facilities. To provide funds to pay the whole or any part of the cost of any such conversion, either where the existing overhead electric and communication facilities are owned or operated by the city or town or where they are not so owned or operated, every city or town shall have the power to create local improvement districts and to levy and collect special assessments against the real property specially benefited by such conversion. For the purpose of ascertaining the amount to be assessed against each lot or parcel of land within any local improvement district established pursuant to this chapter, in addition to other methods provided by law for apportioning special benefits, the legislative authority of any city or town may apportion all or part of the special benefits accruing on a square footage basis or on a per lot basis. [1967 c 119 § 4.]

35.96.040 Contracts for conversion—Authorized—Provisions. Every city or town shall have the power to contract with electric and communication utilities for the conversion of existing overhead electric and communication facilities to underground facilities including all work incidental to such conversion. Such contracts may include, among other provisions, any of the following:

(1) For the supplying and approval by electric and communication utilities of plans and specifications for such conversion;

(2) For the payment to the electric and communication utilities for any work performed or services rendered by it in connection with the conversion project;

(3) For the payment to the electric and communication utilities for the value of the overhead facilities removed pursuant to the conversion;

(4) For ownership of the underground facilities by the electric and communication utilities. [1967 c 119 § 5.]

35.96.050 Notice to owners to convert service lines to underground—Objections—Hearing—Time limitation for conversion. When service from the underground electric and communication facilities is available in all or part of a conversion area, the city or town shall mail a notice to the owners of all structures or improvements served from the existing overhead facilities in the area, which notice shall state that:

(1) Service from the underground facilities is available;

(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within ninety days after the date of the mailing of the notice;

(3) Should such owner fail to convert such service lines from overhead to underground within ninety days after the date of the mailing of the notice, the city or town will order the electric and communication utilities to disconnect and remove the service lines;

(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the city or town clerk within thirty days after the date of the mailing of the notice and failure to so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within ninety days after the mailing to him of the notice, the city or town shall order the electric and communication utilities to disconnect and remove all such service lines: *Provided*, That if the owner has filed his written objections to such disconnection and removal with the city or town clerk within thirty days after the mailing of the notice then the city or town shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the legislative authority of such city or town, or a committee thereof, shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the legislative authority of such city or town may establish for hearings on the objections and shall be held in accordance with the regularly established procedure set by the legislative authority of the city or town. If the hearing is before a committee, the committee shall following the hearing report its recommendation to the legislative authority of the city or town for final action. The determination reached by the legislative authority shall be final in the absence of an abuse of discretion. [1967 c 119 § 6.]

35.96.060 Application of provisions relating to local improvements in cities and towns to chapter. Unless otherwise provided in this chapter, the general provisions relating to local improvements in cities and towns including but not limited to chapters 35.43, 35.44, 35.45, 35.48, 35.49, 35.50, 35.53 and 35.54 RCW shall apply to local improvements authorized by this chapter. [1967 c 119 § 7.]

35.96.070 Validation of preexisting debts, contracts, obligations, etc., made or incurred incidental to conversion of electric and communication facilities to underground facilities. All debts, contracts and obligations heretofore made or incurred by or in favor of any city or town incident to the conversion of overhead electric and communication facilities to underground facilities and all bonds, warrants, or other obligations issued by any such city or town, or by any local improvement district created to effect such conversion and any and all assessments heretofore levied in any such local improvement district, and all other things and proceedings relating thereto are hereby declared to be legal and valid and of full force and effect from the date thereof. [1967 c 119 § 8.]

35.96.080 Authority granted deemed alternative and additional. The authority granted by this chapter shall be considered an alternative and additional method for converting existing overhead electric and communication facilities to underground facilities, and for paying all or part of the cost thereof, and shall not be construed as a restriction or limitation upon any other authority for or method of converting any such facilities or placing such facilities underground or paying all or part of the cost thereof, including, but not limited to, existing authority or methods under chapter 35.43 RCW and chapter 35.44 RCW. [1967 c 119 § 10.]

35.96.900 Severability—1967 c 119. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1967 c 119 § 9.]

- 35A.01.030 Charter code city.
- 35A.01.035 Code city.

- 35A.01.070 Definitions—Change of plan or classification of municipal government.

35A.01.010 Purpose and policy of this title—Interpretation. The purpose and policy of this title is to confer upon two optional classes of cities created hereby the broadest powers of local self-government consistent with the Constitution of this state. Any specific enumeration of municipal powers contained in this title or in any other general law shall not be construed in any way to limit the general description of power contained in this title, and any such specifically enumerated powers shall be construed as in addition and supplementary to the powers conferred in general terms by this title. All grants of municipal power to municipalities electing to be governed under the provisions of this title, whether the grant is in specific terms or in general terms, shall be liberally construed in favor of the municipality. [1967 ex.s. c 119 § 35A.01.010.]

35A.01.020 Noncharter code city. A noncharter code city is one, regardless of population, which has initially incorporated as a noncharter code city, subject to the provisions of this title, or is an incorporated municipality which has elected, under the procedure prescribed in this title, to be classified as a noncharter code city and to be governed according to the provisions of this title under one of the optional forms of government provided for noncharter code cities. [1967 ex.s. c 119 § 35A.01.020.]

35A.01.030 Charter code city. A charter code city is one having at least ten thousand inhabitants at the time of its organization or reorganization which has either initially incorporated as a charter code city and has adopted a charter under the procedure prescribed in this title; or which, as an incorporated municipality, has elected to be classified as a charter code city and to be governed according to the provisions of this title and of its adopted charter. [1967 ex.s. c 119 § 35A.01.030.]

35A.01.035 Code city. The term "code city" means any noncharter code city or charter code city. [1967 ex.s. c 119 § 35A.01.035.]

35A.01.040 Sufficiency of petition. Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in subdivisions (d) and (e) hereof are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, consolidation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action;

(d) Numbered lines for signatures with space provided beside each signature for the date of signing and the address of the signer;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

WARNING

Every person who signs this petition with any other than his true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he is not a legal voter, or signs a petition when he is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the date of signing and the address of the signer.

(3) The term "signer" means any person who signs his own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified electors or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse;

(b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;

(e) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property. [1967 ex.s. c 119 § 35A.01.040.]

35A.01.050 The general law. For the purposes of this optional municipal code, "the general law" means any provision of state law, not inconsistent with this title, enacted before or after the enactment of this title, which is by its terms applicable or available to all cities or towns. Except when expressly provided to the contrary, whenever in this optional municipal code reference is made to "the general law", or to specific provisions of the Revised Code of Washington, it shall mean "the general law, or such specific provisions of the Revised Code of Washington as now enacted or as the same may hereafter be amended". [1967 ex.s. c 119 § 35A.01.050.]

35A.01.060 Optional municipal code—This title. References contained in this title to "Optional Municipal Code", "this title", "this code" or to any specific chapter, section, or provision thereof shall refer to the whole or appropriate part of Title 35A RCW, as now or hereafter amended. [1967 ex.s. c 119 § 35A.01.060.]

35A.01.070 Definitions—Change of plan or classification of municipal government. Where used in this title with reference to procedures established by this title in regard to a change of plan or classification of government, unless a different meaning is plainly required by the context:

(1) "Classify" means a change from a city of the first, second, or third class, or a town, to a code city.

(2) "Classification" means either that portion of the general law under which a city or a town operates under Title 35 RCW as a first, second, or third class city, or town, or otherwise as a code city.

(3) "Organize" means to provide for officers after becoming a code city, under the same general plan of government under which the city operated prior to becoming a code city, pursuant to RCW 35A.02.055.

(4) "Organization" means the general plan of government under which a city operates.

(5) "Plan of government" means either the mayor-council, council-manager, or commission form of government in general, without regard to variations in the number of elective offices or whether officers are elective or appointive.

(6) "Reclassify" means changing from a code city to the classification, if any, held by such a city immediately prior to becoming a code city.

(7) "Reclassification" means changing from city or town operating under Title 35 RCW to a city operating under Title 35A RCW, or vice versa; a change in classification.

(8) "Reorganize" means changing the plan of government under which a city or town operates to a different general plan of government, for which an election of new officers under RCW 35A.02.050 is required. A city or town shall not be deemed to have reorganized simply by increasing or decreasing the number of members of its legislative body.

(9) "Reorganization" means a change in general plan of government where an election of all new officers is required in order to accomplish this change, but an increase or decrease in the number of members of its legislative body shall not be deemed to constitute a reorganization. [1979 1st ex.s. c 18 § 1.]

Severability—1979 1st ex.s. c 18: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1979 1st ex.s. c 18 § 36.]

Any incorporated city or town may become a noncharter code city in accordance with, and be governed by, the provisions of this title relating to noncharter code cities and may select one of the plans of government authorized by this title. A city or town adopting and organizing under the optional municipal code shall not be deemed to have reorganized and to have abandoned its existing general plan of government, upon changing classification and becoming a noncharter code city, solely because organizing under a plan of government authorized in this title changes the number of elective offices or changes the terms thereof, or because an office becomes appointive rather than elective, or because that city or town has come under the optional municipal code, or because of any combination of these factors. [1979 1st ex.s. c 18 § 2; 1967 ex.s. c 119 § 35A.02.010.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.020 Petition method—Direct. When a petition is filed, signed by qualified electors of an incorporated city or town, in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the city or town of the classification of noncharter code city, either under its existing authorized plan of government or naming one of the plans of government authorized for noncharter code cities, the city or town clerk shall promptly proceed to determine the sufficiency of the petition under the rules set forth in RCW 35A.01.040. If the petition is found to be sufficient, the clerk shall file with the legislative body a certificate of sufficiency of the petition. Thereupon the legislative body of such city or town shall, by resolution, declare that the inhabitants of the city or town have decided to adopt the classification of noncharter code city and to be governed under the provisions of this title. If a prayer for reorganization is included in the petition such resolution shall also declare that the inhabitants of the city or town have decided to reorganize under the plan of government specified in the petition. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city or town not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of, first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.025, as now or hereafter amended, as determined by RCW 35A.29.170, the legislative body at its next regular meeting shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of noncharter code city, and if the petition also sought governmental reorganization by adoption of one of the plans of government authorized for noncharter code cities involving a different general plan of government from that under which the city is operating, then the legislative body

shall provide at that time for such reorganization by ordinance and for election of all new officers pursuant to RCW 35A.02.050, as now or hereafter amended. [1979 1st ex.s. c 18 § 3; 1967 ex.s. c 119 § 35A.02.020.]

35A.02.030 Resolution method. When a majority of the legislative body of an incorporated city or town determines that it would serve the best interests and general welfare of such municipality to change the classification of such city or town to that of noncharter code city, such legislative body may, by resolution, declare its intention to adopt for the city or town the classification of noncharter code city. If the legislative body so determines, such resolution may also contain a declaration of intention to reorganize the municipal government under one of the plans of government authorized in this title, naming such plan; but it shall also be lawful for the legislative body of any incorporated city or town which is governed under a plan of government authorized prior to the time this title takes effect to adopt for the city or town the classification of noncharter code city while retaining the same general plan of government under which such city or town is then operating. Within ten days after the passage of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city or town. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.035, as determined by RCW 35A.29.170, the intent expressed in such resolution shall at the next regular meeting of the legislative body be effected by an ordinance adopting for the city or town the classification of noncharter code city; and, if the resolution includes a declaration of intention to reorganize, the legislative body shall provide at that time for such reorganization by ordinance. [1979 1st ex.s. c 18 § 5; 1967 ex.s. c 119 § 35A.02.030.]

of the votes cast in the last general municipal election, such resolution shall be referred for approval or rejection by the voters at an election as specified in RCW 35A.02.025. [1967 ex.s. c 119 § 35A.02.035.]

35A.02.040 Certification of ordinance—Transcript of record to secretary of state. When one or more ordinances are passed under RCW 35A.02.020 or 35A.02.030, as now or hereafter amended, the clerk of the city or town shall forward to the secretary of state a certified copy of any such ordinance. Upon the filing in the office of the secretary of state of a certified copy of an ordinance adopting the classification of noncharter code city, such city or town shall thereafter be classified as a noncharter code city; except that if there is also filed with the secretary of state a certified copy of an ordinance providing for reorganization of the municipal government of such city or town under a different general plan of government, such reclassification and reorganization shall not be effective until the election, qualification, and assumption of office under RCW 35A.02.050 as now or hereafter amended of at least a quorum of all new officers under the plan of government so adopted. 35A.02.050 Election of new officers. The first election of officers where required for reorganization under a different general plan of government newly adopted in a manner provided in RCW 35A.02.020, 35A.02.030, 35A.06.030, or 35A.06.060, as now or hereafter amended, shall be at the next general municipal election if one is to be held more than ninety days but not more than one hundred and eighty days after certification of a reorganization ordinance or resolution, or otherwise at a special election to be held for that purpose in accordance with RCW 29.13.020. In the event that the first election of officers as herein provided is to be held at a general municipal election, such election shall be preceded by a primary election pursuant to RCW 29.21.010 and 29.13.070. In the event that the first election of all officers as herein provided is to be held at a special election rather than at a general election, and notwithstanding any provisions of any other law to the contrary, such special election shall be preceded by a primary election to be held on a date authorized by RCW 29.13.010, and the persons nominated at that primary election shall be voted upon at the next succeeding special election that is authorized by RCW 29.13.010: *Provided*, That in the event the ordinances calling for reclassification or reclassification and reorganization under the provisions of Title 35A RCW have been filed with the secretary of state pursuant to RCW 35A.02.040 in an even-numbered year at least ninety days prior to a state general election then the election of new officers shall be concurrent with the state primary and general election and shall be conducted as set forth in chapter 35A.29 RCW. Upon reorganization, candidates for all offices shall file or be nominated for and successful candidates shall be

elected to specific council positions, and an initial term or office for those elected at a first election of all officers to positions one and two for a five member council, or positions one through three for a seven member council, shall if the election occurs at a general municipal election be only until the second Monday in January first following the next general municipal election two years hence and if the election occurs at a special election, the duration of these initial terms shall be until the second Monday in January in the first even-numbered year that follows the next general municipal election. The duration of the initial term attaching to the remaining councilmanic positions shall be until the second Monday in January two years next thereafter, so that staggered regular four year terms will ultimately result. Any declarations of candidacy for any primary or other election held pursuant to this section shall be filed as provided in RCW 35A.29.110 as now or hereafter amended. The former officers shall, upon the election and qualification of new officers, deliver to the proper officers of the reorganized noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before the reorganization thereof. Officers elected at the first election of officers held pursuant to *this amendatory act shall assume office as soon as the election returns have been certified. [1979 1st ex.s. c 18 § 7; 1971 ex.s. c 251 § 1; 1970 ex.s. c 52 § 2; 1967 ex.s. c 119 § 35A.02.050.]

***Reviser's note:** "this amendatory act" [1970 ex.s. c 52 §§ 1-6] consists of the 1970 amendments to RCW 35A.02.040, 35A.02.050, 35A.12.040, 35A.29.110, 35A.29.150, and 35.13.015.

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.02.055 Election of new officers—Exception where same general plan of government is retained. Where a city elects to become a noncharter code city under one of the optional plans of government provided in Title 35A RCW for code cities which involves the same general plan of government as that under which the city operated prior to the choice and where with the change in classification the number of councilmanic positions in a city remains the same or increases from five to seven, the procedures for the first election of officers which appear in RCW 35A.02.050 shall not be followed. When membership in a city council remains the same or is increased upon becoming a noncharter code city, the terms of incumbent council members shall not be affected. If the number of council members is increased from five to seven, the city council shall, by majority vote, pursuant to RCW 35A.12.050 and 35A.13.020, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term.

A first election of all officers upon a change in classification to a noncharter code city is also not required where the change in classification otherwise retains the same general or specific plan of government and where the change in classification results in a decrease in the number of councilmanic positions in a city.

If the membership in a city council is decreased from seven to five members upon adopting the classification of noncharter code city, this decrease in the number of council members shall be determined in the following manner: The council members shall determine by lot which two councilmanic positions shall be eliminated upon the expiration of their terms of office. The terms of the remaining council members shall not be affected. [1979 1st ex.s. c 18 § 8.]

35A.02.060 Petition for election. When a petition which is sufficient under the rules set forth in RCW 35A.01.040 is filed with the legislative body of an incorporated city or town, signed by qualified electors of such municipality in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city or town of the classification of noncharter code city and the reorganization of the city or town under one of the plans of government authorized in this title, the clerk of the city or town shall file with the legislative body thereof a certificate of sufficiency of such petition. Thereupon, the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days after certification of the sufficiency of the petition, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days from such certification of sufficiency. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in RCW 35A.29.120. [1967 ex.s. c 119 § 35A.02.060.]

35A.02.070 Resolution for election. The legislative body of an incorporated city or town may, by resolution, submit to the voters in the next general municipal election if one is to be held within one hundred and eighty days after passage of the resolution, or in a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days after passage of the resolution, a proposal that the city or town adopt the classification of noncharter code city and organize under one of the plans of government authorized in this title, naming such plan. [1967 ex.s. c 119 § 35A.02.070.]

If the majority of votes cast at an election for organization under a plan provided in this title favor the plan, the city or town shall elect in accordance with RCW 35A.02.050 the officers for the positions created. The former officers of the municipality shall, upon the election and qualification of the new officers, deliver to the proper officers of the new noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before reorganization. [1971 ex.s. c 251 § 2; 1967 ex.s. c 119 § 35A.02.080.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.02.090 Alternative plan of government. Proposals for each of the plans of government authorized by this title may be placed on the ballots in the same election by timely petition as provided in this chapter. When the ballot contains alternative proposals for each of the plans of government the ballot shall clearly state that voters may vote for only one of the plans of government. [1971 ex.s. c 251 § 3; 1967 ex.s. c 119 § 35A.02.090.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.02.100 Notice of election. 35A.02.110 Canvass of returns—Certificates of election—Transcript of record to secretary of state. The election officials, after counting the ballots, shall make their returns to the county auditor upon forms furnished by him within six hours after the closing of the polls; and on the Monday next succeeding the election or as soon thereafter as the county auditor has received the returns from all the precincts included therein, the county canvassing board shall canvass the returns in such election and shall forthwith certify in duplicate to the city or town clerk the whole number of votes given at the election, the number of votes in favor of reclassification and the number against it, and the number of votes in favor of each plan of government voted upon and the number against it. The clerk shall lay the certificate of election before the legislative body of the city or town at its next regular meeting after the receipt of such certificate by the clerk, and if it appears that the votes cast for adoption of the classification of noncharter code city and in favor of a plan of government named on the ballot were a majority of the votes cast in such election, the council shall thereupon, by resolution, declare that the inhabitants of the city or town have decided on such reclassification and reorganization under the plan of government approved and direct the clerk to forward to the secretary of state a certified copy of the resolution. [1979 1st ex.s. c 18 § 9; 1967 ex.s. c 119 § 35A.02.110.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.120 Effective date of reclassification and reorganization. issuance of such certificates, such city or town shall become a noncharter code city governed under the plan of government chosen by the voters, under the provisions of this title and with the powers conferred by this title. [1967 ex.s. c 119 § 35A.02.120.]

35A.02.130 Adoption of classification of noncharter code city without change of governmental plan. Any incorporated city or town governed under a plan of government authorized prior to the time this title takes effect may become a noncharter code city without changing such plan of government by the use of the petition-for-election or resolution-for-election procedures provided in RCW 35A.02.060 and 35A.02.070 to submit to the voters a proposal that such municipality adopt the classification of noncharter code city while retaining its existing plan of government, and upon a favorable vote on the proposal, such municipality shall be classified as a noncharter code city, such reclassification to be effective upon the filing of the record of such election with the office of the secretary of state. Insofar as the provisions of RCW 35A.02.100 and 35A.02.110 are applicable to an election on such a reclassification proposal they shall apply to such election. [1967 ex.s. c 119 § 35A.02.130.]

35A.02.140 Petition or resolution pending—Restriction—Exception. [1967 ex.s. c 119 § 35A.04.010.]

35A.04.020 Incorporation as noncharter code city authorized—Number of inhabitants required—Exception. Any area lying in two or more counties which is not incorporated as a municipal corporation, may become incorporated as a noncharter code city under the provisions of this chapter: *Provided*, That when any part of the area to be incorporated lies within five air miles of the boundary of any city having a population of fifteen thousand or more no petition under RCW 35.04.030 shall be valid unless the limits of the proposed city contain three thousand or more inhabitants. [1979 1st ex.s. c 18 § 11; 1967 ex.s. c 119 § 35A.04.020.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.04.030 Petition for incorporation. A petition shall first be presented to the principal county auditor signed by qualified voters resident within each area of each county of the proposed noncharter code city equal in number to ten percent of the votes cast in the proposed area at the last general state election. The petition shall name one of the plans of government authorized by this title as the form of government under which the proposed corporation is to operate in the event it is incorporated, the proposed boundaries of the proposed corporation, the number of inhabitants, as nearly as may be, within each area of each county within the proposed corporation, the name of the proposed corporation, and shall pray that the area may be incorporated as a noncharter code city. [1967 ex.s. c 119 § 35A.04.030.]

35A.04.040 Duties of county auditors—Certificates of sufficiency. The principal county auditor, within thirty days after the date of receiving the petition, shall determine whether the legal description of the area to be incorporated in his county is correct, whether the petition violates the prohibition contained in RCW 35A.04.020 with regard to number of inhabitants, and whether there is a sufficient number of valid signatures in his county. Upon such determination, if the petition does not on its face violate the prohibition of RCW 35A.04.020, the principal county auditor shall transmit the petition to the other county auditor, or if more than one is involved, successively to each, and such other auditors shall determine whether the legal description is correct

and whether there is a sufficient number of valid signatures from the area within their respective counties. No one county auditor shall be allowed more than thirty days within which to check the petition. Each auditor shall attach a certificate of his determination as to sufficiency and return the petition to the principal county auditor who, in turn, shall, not later than five days after receiving it from the other county auditors, attach thereto a certificate of his determination as to sufficiency for his own county and transmit the petition and certificates to the principal board of county commissioners. [1967 ex.s. c 119 § 35A.04.040.]

35A.04.050 Publication of petition and notice. Within ten days of receipt of a petition for incorporation which has been certified as sufficient by the auditors of the respective counties within the proposed area, the principal board of county commissioners shall meet and fix a date for a hearing on the petition, which shall be not more than thirty-five days after receipt of the petition by the board, and shall give notice of the hearing upon the petition and the time and place thereof by at least one publication not more than ten nor less than three days prior to the date set for the hearing in one or more newspapers of general circulation within the respective counties in which the proposed corporation is located. Before selecting the date for the hearing, the principal board of county commissioners shall first obtain approval of such date from each board of county commissioners of the other counties involved. [1967 ex.s. c 119 § 35A.04.050.]

35A.04.060 Hearing—Factors considered. The hearing provided for in RCW 35A.04.050 shall be held jointly by all the respective boards of county commissioners under the direction of the principal board of county commissioners. The hearing may be adjourned from time to time not to exceed two months in all from the date of commencement of the hearing. The respective boards shall jointly consider: (1) What the initial population of the proposed noncharter code city would be under the boundaries set by the petition; (2) whether there is such a diversity of interests and needs among the inhabitants of the proposed area that the proposed noncharter code city would be unable to provide services for the entire area proposed; and (3) whether those persons, if any, objecting to being included within the proposed corporation have a strong and justifiable reason for being excluded from the area proposed to be incorporated. [1967 ex.s. c 119 § 35A.04.060.]

35A.04.070 Establishment of boundaries—Limitation—Order. If upon final hearing the respective boards find that any land within their respective counties has been unjustly or improperly included within or excluded from the proposed corporation, based on the considerations stated in RCW 35A.04.060, the respective boards may change and fix the boundary lines of the portion of the proposed corporation within their respective counties in such a manner as they deem reasonable and just and conducive to the public welfare and convenience: *Provided*, That when any part of the area to be

incorporated lies within five air miles of the boundary of any city having a population of fifteen thousand or more, the area shall not be so decreased that the number of inhabitants therein shall be less than three thousand. No land shall be so included within the boundaries described in the petition unless each board of county commissioners of that county in which the area sought to be included is located first obtains the written assent of a number of qualified voters resident within each area to be included in the proposed corporation equal in number to not less than twenty percent of the votes cast in that area at the last state election. Within five days after the final hearing each board of county commissioners shall, for the area within its respective county, by order establish and define the boundaries of the proposed corporation consistent with RCW 35A.03.180, determine the number of inhabitants residing therein and affirm the name of the proposed corporation: *Provided*, That for the action required after the final hearing, the boards may act jointly but in such case a majority of each board must vote favorably on such final action and the order shall be entered in the minutes of each board. [1979 1st ex.s. c 18 § 12; 1975 1st ex.s. c 220 § 13; 1967 ex.s. c 119 § 35A.04.070.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170.

The election shall be conducted by the principal county auditor in accordance with the provisions of chapter 35A.29 RCW. The principal county officers and principal county canvassing board shall exercise all powers and perform all duties in connection therewith with the assistance of the officers and canvassing board of the other

county or counties. If the election is successful, all costs incurred shall be borne by the corporation, but if unsuccessful, all costs incurred shall be borne proportionately by each county in that ratio which the number of inhabitants residing in that part of each county forming a part of the proposed corporation bears to the total number of inhabitants residing within the boundaries of the whole of the proposed corporation. No person shall be entitled to vote at such election unless he is a qualified elector of his respective county within the proposed corporation and has resided within the limits of such proposed corporation for at least thirty days next preceding such election. [1967 ex.s. c 119 § 35A.04.100.]

35A.04.130 Certification of election results—Order declaring incorporation. The principal county canvassing board shall certify the results of the election to the respective boards of county commissioners. If the results reveal that a majority of the votes cast in each county area are for incorporation, the respective boards of county commissioners acting jointly shall, by order, declare such territory to be incorporated as a noncharter code city, with the plan of government approved, naming it by the name proposed in the petition. Such order shall be entered in the minutes of each board and the principal county auditor shall cause a certified copy of the order to be filed in the office of the secretary of state. [1967 ex.s. c 119 § 35A.04.140.]

A duly certified copy of such abstract shall be filed with the legislative body of each of the corporations affected and recorded upon its minutes, and the clerk of each such legislative body shall transmit to the secretary of state a duly certified copy of the record of such abstract. [1967 ex.s. c 119 § 35A.05.090.]

35A.05.100 Effective date of consolidation and incorporation of noncharter code city. Upon the filing of the record of the abstract of election with the office of the secretary of state by the clerk of each such legislative body, such corporations shall be consolidated into one corporation which shall be classified as a noncharter code city under the name and with the plan of government approved by the voters at such election, and shall be governed under the provisions of this title, with the powers conferred hereby. [1967 ex.s. c 119 § 35A.05.100.]

35A.05.110 Terms of elected officers—First municipal election. Upon the filing of the record of the abstract of election with the secretary of state, the county auditor shall issue certificates of election to the persons receiving a majority of the votes cast for each office at such election. The newly elected officers, upon their qualification as provided by law, shall assume office on the first Monday following the issuance of the certificate of election and shall continue in office until their successors are elected and qualified at the next general municipal election: *Provided*, That if the date of the next general municipal election is less than seventy-five days after the consolidation election, the officers elected at the consolidation election shall hold office until their successors are elected and qualified at the second general municipal election following such incorporation election. [1967 ex.s. c 119 § 35A.05.110.]

35A.05.120 Cost of election. If the majority vote at an election under this chapter is in favor of consolidation, the costs of such election shall be borne by the new noncharter code city formed by such consolidation. If the majority vote at such election was against consolidation, the costs of election shall be borne proportionately by each corporation affected, in that ratio which the number of inhabitants residing in such corporation bear to the total number of inhabitants residing in the total area in which the election was held, as shown by the figures released at the most recent state or federal census or by a determination of the office of financial management. [1979 c 151 § 31; 1967 ex.s. c 119 § 35A.05.120.]

Population determinations, office of financial management: Chapter 43.62 RCW.

35A.05.130 Disposition of property. Upon the consolidation of two or more municipal corporations as provided in this chapter, the title to all property owned by, or held in trust for, such former corporations shall vest in the consolidated corporation: *Provided*, That if any such former corporation shall be indebted, the proceeds of the sale of any such property not required for the use of such consolidated corporation shall be applied to the payment of such indebtedness, if any exists at the time of such sale. [1967 ex.s. c 119 § 35A.05.130.]

35A.05.140 Assets and liabilities of component corporations—Taxation to pay claims. Such consolidation shall in no wise affect or impair the validity of any claim or chose in action existing in favor of, or against, any such former corporation so consolidated, or the area theretofore comprising such former corporation, or any proceeding pending in relation thereto, but such consolidated noncharter code city shall collect such claim in favor of such former corporation and shall apply the proceeds to the payment of any just claims against them respectively, and shall, when necessary, levy and collect taxes against the taxable property within any such former corporation sufficient to pay all just claims against it. [1967 ex.s. c 119 § 35A.05.140.]

35A.05.150 Continuation of ordinances. All ordinances in force within each former corporation at the time of consolidation not in conflict with the laws governing the consolidated noncharter code city, shall remain in full force and effect within the area of the consolidated city to which such ordinances formerly applied until superseded or repealed by the legislative body of the consolidated noncharter code city, and shall be enforced by the new city, but all ordinances of such former corporations in conflict with ordinances of the consolidated noncharter code city shall be deemed repealed upon the effective date of a conflicting or repealing ordinance of the noncharter code city. Nothing in this section shall be construed to discharge any person from any liability, civil or criminal, for any violation of any ordinance of such former corporation incurred prior to such consolidation. [1967 ex.s. c 119 § 35A.05.150.]

35A.05.160 Taxation of component cities. No property within any former corporation so consolidated under the provisions of this chapter shall be taxed to pay any portion of any general obligation indebtedness of any other of such former corporations contracted or incurred prior to the date of such consolidation; except that, when the petition or resolution initiating such consolidation proceedings proposes that a general obligation indebtedness of one or more of the corporations proposed to be consolidated shall be assumed by the proposed consolidated noncharter code city and such proposal is approved by sixty percent of the voters voting thereon in each former corporation, then the legislative body of the new noncharter code city shall be authorized to apportion the burden of taxation to pay such indebtedness or to meet such obligation. [1967 ex.s. c 119 § 35A.05.160.]

35A.06.020	Laws applicable to noncharter code cities.
35A.06.030	Abandonment of plan of government of a noncharter code city.
35A.06.040	Abandonment—Resolution or petition for election.

35A.06.060	Abandonment—Reorganization under plan adopted—Effective date.
35A.06.070	Abandonment of noncharter code city classification without reorganization.

35A.06.010 Each optional plan of government declared complete form of government. Each of the optional plans of government authorized by chapter 35A.12 RCW and chapter 35A.13 RCW, with any amendments thereto, is declared to be a complete and separate plan of government authorized by the legislature for submission to the voters of a municipality or for adoption by resolution of the legislative body thereof in the manner provided herein, and is additional to the plans of government existing prior to the time this title takes effect. [1967 ex.s. c 119 § 35A.06.010.]

35A.06.020 Laws applicable to noncharter code cities. The classifications of municipalities which existed prior to the time this title goes into effect—first class, second class, third class and fourth class—and the restrictions, limitations, duties, and obligations specifically imposed by law upon such classes of cities and towns, shall have no application to noncharter code cities, but every noncharter code city, by adopting such classification, has elected to be governed by the provisions of this title, with the powers granted hereby. [1967 ex.s. c 119 § 35A.06.020.]

35A.06.030 Abandonment of plan of government of a noncharter code city. By use of the resolution for election or petition for election methods described in RCW 35A.06.040, any noncharter code city which has operated for more than six consecutive years under one of the optional plans of government authorized by this title, or for more than a combined total of six consecutive years under a particular plan of government both as a code city and under the same general plan under Title 35 RCW immediately prior to becoming a code city, may abandon such organization and may reorganize and adopt another plan of government authorized for noncharter code cities, but only after having been a noncharter code city for more than one year or a city after operating for more than six consecutive years under a particular plan of government as a noncharter code city or may reclassify and adopt a plan of government authorized by the general law for municipalities of the highest class for which the population of such city qualifies it, or authorized for the class to which such city belonged immediately prior to becoming a noncharter code

city, if any: *Provided*, That these limitations shall not apply to a city seeking to adopt a charter.

In reorganization under a different general plan of government as a noncharter code city, officers shall all be elected as provided in RCW 35A.02.050. When a noncharter code city adopts a plan of government other than those authorized under Title 35A RCW, such city ceases to be governed under this optional municipal code and shall be classified as a city or town of the class selected in the proceeding for adoption of such new plan, with the powers granted to such class under the general law. [1979 1st ex.s. c 18 § 14; 1971 ex.s. c 251 § 13; 1967 ex.s. c 119 § 35A.06.030.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.06.040 Abandonment—Resolution or petition for election. Upon the passage of a resolution of the legislative body of a noncharter code city, or upon the filing of a sufficient petition with the city clerk signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein, proposing abandonment by the city of the plan of government under which it is then operating and adoption of another plan, naming such plan, the sufficiency of the petition for abandonment shall be determined, an election ordered and conducted, and the results declared generally as provided in chapter 35A.02 RCW insofar as such provisions are applicable. If the resolution or petition proposes a plan of government other than those authorized in chapters 35A.12 RCW and 35A.13 RCW of this title, the resolution or petition shall specify the class under which such city will be classified upon adoption of such plan. [1967 ex.s. c 119 § 35A.06.040.]

35A.06.050 Abandonment—Election. The proposal for abandonment of a plan of government as authorized in RCW 35A.06.030 and for adoption of the plan named in the resolution or petition shall be voted upon at the next general municipal election if one is to be held within one hundred and eighty days or otherwise at a special election called for that purpose in accordance with RCW 29.13.020. The ballot title and statement of the proposition shall be prepared by the city attorney as provided in RCW 29.27.060 and 35A.29.120, as now or hereafter amended. If the plan proposed in the petition is not a plan authorized for noncharter code cities by this title, the ballot statement shall clearly set forth that adoption of such plan by the voters would require abandonment of the classification of noncharter code city and that government would be under the general law relating to cities of the class specified in the resolution or petition. If the plan proposed in the petition is a plan authorized for noncharter code cities the ballot statement shall clearly set forth that adoption of such plan by the voters would not affect the eligibility of the noncharter code city to be governed under this optional municipal code. [1979 1st ex.s. c 18 § 15; 1967 ex.s. c 119 § 35A.06.050.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.06.060 Abandonment—Reorganization under plan adopted—Effective date. If a majority of votes cast at the election favor abandonment of the general plan of government under which the noncharter code city is then organized and reorganization under the different general plan proposed in the resolution or petition, the officers to be elected shall be those prescribed by the plan of government so adopted, and they shall be elected as provided in RCW 35A.02.050 if the city is to remain a noncharter code city, or if the city is abandoning optional municipal code status, they shall be elected at the next succeeding general municipal election. Upon the election, qualification, and assumption of office by such officers the reorganization of the government of such municipality shall be complete and such municipality shall thereafter be governed under such plan. If the plan so adopted is not a plan authorized for noncharter code cities, upon the election, qualification, and assumption of office by such officers the municipality shall cease to be a noncharter code city governed under the provisions of this optional municipal code and shall revert to the classification selected and shall be governed by the general laws relating to municipalities of such class with the powers conferred by law upon municipalities of such class. Such change of classification shall not affect the then existing property rights or liabilities of the municipal corporation. [1979 1st ex.s. c 18 § 16; 1967 ex.s. c 119 § 35A.06.060.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.06.070 Abandonment of noncharter code city classification without reorganization. By means of the procedures set forth in this chapter, insofar as they apply, any noncharter code city which has been governed under the provisions of this title for more than six years may abandon the classification of noncharter code city and elect to be governed under the general law relating to cities or towns of the classification held by such city immediately prior to becoming a noncharter code city, if any, or relating to cities or towns of the highest class for which it is qualified by population, with the powers conferred by law upon such class, while retaining the plan of government under which it is then organized. A change of classification approved by a majority of the voters voting on such proposition shall become effective upon the filing of the record of such election with the office of the secretary of state. [1967 ex.s. c 119 § 35A.06.070.]

[1967 ex.s. c 119 § 35A.07.010.]

35A.07.020 Petition method—Direct. When a petition is filed, signed by qualified electors of a charter city in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the charter city of the classification of charter code city the legislative body of such city shall direct the city clerk to determine the sufficiency of the petition under the rules set forth in RCW 35A.01.040. Thereupon the legislative body of the charter city shall, by resolution, declare that the inhabitants of such city have decided to adopt the classification of charter code city and to be governed under this title. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by RCW 35A.29.170, the legislative body shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of charter code city. Upon the filing of a referendum petition in the manner provided in RCW 35A.29.170 signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general municipal election, the resolution authorized by RCW 35A.07.020 shall be referred to the voters for confirmation or rejection in the next general municipal election, if one is to be held within one hundred and eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days from the filing of such referendum petition. [1967 ex.s. c 119 § 35A.07.025.]

35A.07.030 Resolution method. When a majority of the legislative body of a charter city determines that it would serve the best interests and general welfare of such city to become a charter code city, such legislative body may, by resolution, declare its intention to adopt for the city the classification of charter code city and to be governed under the provisions of this title, with the

powers conferred hereby. Within ten days after the passage of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by RCW 35A.29.170, the intent expressed in such resolution shall be effected by passage of an ordinance adopting for the city the classification of charter code city. [1967 ex.s. c 119 § 35A.07.035.]

35A.07.040 Certification of ordinance—Transcript of record to secretary of state. When an ordinance is passed as provided in RCW 35A.07.020 or 35A.07.030, the clerk of the charter city shall forward to the secretary of state a certified copy thereof. Upon the filing of the certified copy of the ordinance in the office of the secretary of state, such city shall be classified as a charter code city and shall thereafter be governed under the provisions of this optional municipal code and have the powers conferred hereby. [1967 ex.s. c 119 § 35A.07.040.]

35A.07.050 Petition for election. When a petition which is sufficient under the rules set forth in RCW 35A.01.040 is filed with the legislative body of a charter city, signed by qualified electors of such city in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city of the classification of charter code city, the city clerk shall file with the legislative body thereof a certificate of sufficiency of such petition. Thereupon the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days after the filing of such petition. 35A.08.010 Adoption of charter authorized. Any city having a population of ten thousand or more inhabitants may become a charter code city and be governed under the provisions of this title by adopting a charter for its own government in the manner prescribed in this chapter. Once any city, having ten thousand population, has adopted such a charter, any subsequent decrease in population below ten thousand shall not affect its status as a charter code city. [1967 ex.s. c 119 § 35A.08.010.]

35A.08.020 Determining population. For the purposes of this chapter, the population of a city shall be the number of residents shown by the figures released for the most recent official state or federal census, by a population determination made under the direction of the office of financial management, or by a city census conducted in the following manner:

(1) The legislative authority of any such city may provide by ordinance for the appointment by the mayor thereof, of such number of persons as may be designated in the ordinance to make an enumeration of all persons residing within the corporate limits of the city. The enumerators so appointed, before entering upon their duties, shall take an oath for the faithful performance thereof and within five days after their appointment proceed, within their respective districts, to make an enumeration of all persons residing therein, with their names and places of residence.

(2) Immediately upon the completion of the enumeration, the enumerators shall make return thereof upon oath to the legislative authority of the city, who at its

next meeting or as soon thereafter as practicable, shall canvass and certify the returns.

(3) If it appears therefrom that the whole number of persons residing within the corporate limits of the city is ten thousand or more, the mayor and clerk under the corporate seal of the city shall certify the number so ascertained to the secretary of state, who shall file it in his office. This certificate when so filed shall be conclusive evidence of the population of the city. [1979 c 151 § 32; 1967 ex.s. c 119 § 35A.08.020.]

Population determinations, office of financial management: Chapter 43.62 RCW.

35A.08.030 Resolution or petition for election. The legislative body of any city having ten thousand or more inhabitants may, by resolution, provide for submission to the voters of the question whether the city shall become a charter code city and be governed in accordance with a charter to be adopted by the voters under the provisions of this title. The legislative body must provide for such an election upon receipt of a sufficient petition therefor signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein. The question may be submitted to the voters at the next general municipal election if one is to be held within one hundred and eighty days or at a special election held for that purpose not less than ninety nor more than one hundred and eighty days after the passage of the resolution or the filing of the certificate of sufficiency of the petition. At such election provision shall also be made for the election of fifteen freeholders who, upon a favorable vote on the question, shall constitute the charter commission charged with the duty of framing a charter for submission to the voters. [1967 ex.s. c 119 § 35A.08.030.]

35A.08.040 Election on question—Election of freeholders. The election on the question whether to adopt a charter and become a charter code city and the nomination and election of the members of the charter commission shall be conducted, and the result declared, according to the laws regulating and controlling elections in the city. Candidates for election to the charter commission must be nominated by petition signed by ten qualified electors of the city and residents therein for a period of at least two years preceding the election. A nominating petition shall be filed within the time allowed for filing declarations of candidacy and shall be verified by an affidavit of one or more of the signers to the effect that the affiant believes that the candidate and all of the signers are qualified electors of the city and he signed the petition in good faith for the purpose of endorsing the person named therein for election to the charter commission. A written acceptance of the nomination by the nominee shall be affixed to the petition when filed with the city clerk. Nominating petitions need not be in the form prescribed in RCW 35A.01.040. Any nominee may withdraw his nomination by a written statement of withdrawal filed at any time not later than five days before the last day allowed for filing nominations. The positions on the charter commission shall be designated by consecutive numbers one through fifteen,

and the positions so designated shall be considered as separate offices for all election purposes. A nomination shall be made for a specific numbered position. [1967 ex.s. c 119 § 35A.08.040.]

35A.08.050 Organization of charter commission—Vacancies—Duties. Within ten days after its election the charter commission shall hold its first meeting, elect one of the members as chairman, and adopt such rules for the conduct of its business as it may deem advisable. In the event of a vacancy in the charter commission, the remaining members shall fill it by appointment thereto of some properly qualified person. A majority shall constitute a quorum for transaction of business but final charter recommendations shall require a majority vote of the whole membership of the commission. The commission shall study the plan of government of the city, compare it with other available plans of government, and determine whether, in its judgment, the government of the city could be strengthened, made more responsive or accountable to the people, or whether its operation could be made more economical or more efficient by amendment of the existing plan or adoption of another plan of government. The commission shall consider the plans of government described in this title but shall not be limited to such plans in its recommendations for the government of the city and may frame a charter for any plan it deems suitable for the good government of the city; except that the provisions of such charter shall not be valid if inconsistent with the Constitution of this state, the provisions of this title, or the general laws of the state, insofar as they are applicable to cities governed under this title. [1967 ex.s. c 119 § 35A.08.050.]

35A.08.060 Expenses of commission members—Consultants and assistants. Members of the charter commission shall serve without compensation but shall be reimbursed by the city from any funds for their necessary expenses incurred in the performance of their duties. The legislative body may, in its discretion, make a reasonable appropriation of the city funds to provide for public information and discussion concerning the purposes and progress of the commission's work and/or to provide technical or clerical assistance to the commission in its work. Within the limits of any such appropriation and privately contributed funds and services as may be available to it, the charter commission may appoint one or more consultants and clerical or other assistants to serve at the pleasure of the commission and may fix a reasonable compensation to be paid such consultants and assistants. [1967 ex.s. c 119 § 35A.08.060.]

35A.08.070 Public hearing. The charter commission shall hold at least one public hearing in the course of its deliberations, may hold committee meetings and may sponsor public forums and promote public education and discussion respecting its work. [1967 ex.s. c 119 § 35A.08.070.]

35A.08.080 Submission of charter—Election of officers—Publication. Within one hundred and eighty

days from the date of its first meeting, the charter commission, or a majority thereof, shall frame a charter for the city and submit the charter to the legislative body of the city, which, within five days thereafter shall initiate proceedings for the submission of the proposed charter to the qualified electors of the city at the next general election if one is to be held within one hundred and eighty days or at a special election to be held for that purpose not less than ninety nor more than one hundred and eighty days after submission of the charter to the legislative body. The legislative body shall cause the proposed charter to be published in a newspaper of general circulation in the city at least once each week for four weeks next preceding the day of submitting the same to the electors for their approval. At this election the first officers to serve under the provisions of the proposed charter shall also be elected. If the election is from wards, the division into wards as specified in the proposed charter shall govern; in all other respects the then existing laws relating to such elections shall govern. The notice of election shall specify the objects for which the election is held and shall be given as required by law. [1967 ex.s. c 119 § 35A.08.080.]

35A.08.090 Conduct of elections. The election upon the question of becoming a charter code city and framing a charter and the election of the charter commission, and the election upon the adoption or rejection of the proposed charter and the officers to be elected thereunder, the returns of both elections, the canvassing thereof, and the declaration of the result shall be governed by the laws regulating and controlling elections in the city. [1967 ex.s. c 119 § 35A.08.090.]

35A.08.100 Ballot titles. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in RCW 35A.29.120. The ballot statement in the election for adopting or rejecting the proposed charter shall clearly state that, upon adoption of the proposed charter, the city would be governed by its charter and by this title. [1967 ex.s. c 119 § 35A.08.100.]

35A.08.110 Certificates of election to officers—Effective date of becoming charter code city. If a majority of the votes cast at the election upon the adoption of the proposed charter favor it, certificates of election shall be issued to each officer elected at that election. Within ten days after the issuance of the certificates of election, the newly elected officers shall qualify as provided in the charter, and on the tenth day thereafter at twelve o'clock noon of that day or on the next business day if the tenth day is a Saturday, Sunday or holiday, the officers so elected and qualified shall enter upon the duties of the offices to which they were elected and at such time the charter shall be authenticated, recorded, attested and go into effect, and the city shall thereafter be classified as a charter code city. When so authenticated, recorded and attested, the charter shall become the organic law of the city and supersede any existing charter and amendments thereto and all special laws inconsistent therewith. [1967 ex.s. c 119 § 35A.08.110.]

35A.08.120 Authentication of charter. The authentication of the charter shall be by certificate of the mayor in substance as follows:

A councilman also shall forfeit his office if he fails to attend three consecutive regular meetings of the council without being excused by the council. [1967 ex.s. c 119 § 35A.12.060.]

35A.12.065 Pro tempore appointments. Biennially at the first meeting of a new council, or periodically, the members thereof, by majority vote, may designate one of their number as mayor pro tempore or deputy mayor for such period as the council may specify, to serve in the absence or temporary disability of the mayor; or, in lieu thereof, the council may, as the need may arise, appoint any qualified person to serve as mayor pro tempore in the absence or temporary disability of the mayor. In the event of the extended excused absence or disability of a councilman, the remaining members by majority vote may appoint a councilman pro tempore to serve during the absence or disability. [1967 ex.s. c 119 § 35A.12.065.]

35A.12.070 Compensation of elective officers—Expenses. The salaries of the mayor and the councilmen

shall be fixed by ordinance and may be revised from time to time by ordinance, but any increase in the compensation attaching to an office shall not be applicable to the term then being served by the incumbent if such incumbent is a member of the city legislative body fixing his own compensation or as mayor in a mayor-council code city casts a tie-breaking vote relating to such ordinance: *Provided*, That if the mayor of such a city does not cast such a vote, his salary may be increased during his term of office.

Until the first elective officers under this mayor-council plan of government may lawfully be paid the compensation provided by such salary ordinance, such officers shall be entitled to be compensated in the same manner and in the same amount as the compensation paid to officers of such city performing comparable services immediately prior to adoption of this mayor-council plan.

Until a salary ordinance can be passed and become effective as to elective officers of a newly incorporated code city, such first officers shall be entitled to compensation as follows: In cities having less than five thousand inhabitants, the mayor shall be entitled to a salary of one hundred and fifty dollars per calendar month and a councilman shall be entitled to twenty dollars per meeting for not more than two meetings per month; in cities having more than five thousand but less than fifteen thousand inhabitants, the mayor shall be entitled to a salary of three hundred and fifty dollars per calendar month and a councilman shall be entitled to one hundred and fifty dollars per calendar month; in cities having more than fifteen thousand inhabitants, the mayor shall be entitled to a salary of twelve hundred and fifty dollars per calendar month and a councilman shall be entitled to four hundred dollars per calendar month: *Provided*, That such interim compensation shall remain in effect only until a salary ordinance is passed and becomes effective as to such officers, and the amounts herein provided shall not be construed as fixing the usual salary of such officers. The mayor and councilmen shall receive reimbursement for their actual and necessary expenses incurred in the performance of the duties of their office, or the council by ordinance may provide for a per diem allowance. Procedure for approval of claims for expenses shall be as provided by ordinance. [1971 ex.s. c 251 § 5; 1967 ex.s. c 119 § 35A.12.070.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.12.080 Oath and bond of officers. Any officer before entering upon the performance of his duties may be required to take an oath or affirmation as prescribed by charter or by ordinance for the faithful performance of his duties. The clerk, treasurer, if any, chief of police, and such other officers or employees as may be designated by ordinance or by charter shall be required to furnish annually an official bond conditioned on the honest and faithful performance of their official duties. The terms and penalty of official bonds and the surety therefor shall be prescribed by ordinance or charter and the bond shall be approved by the chief administrative officer of the city. The premiums on such bonds shall be paid by the city. When the furnishing of an official bond

is required of an officer or employee, compliance with such provisions shall be an essential part of qualification for office. [1967 ex.s. c 119 § 35A.12.080.]

35A.12.090 Appointment and removal of officers—

Terms. The mayor shall have the power of appointment and removal of all appointive officers and employees subject to any applicable law, rule, or regulation relating to civil service except that a police judge or municipal judge who is appointed may be removed only upon conviction of misconduct or malfeasance in office, or because of physical or mental disability rendering him incapable of performing the duties of his office. The head of a department or office of the city government may be authorized by the mayor to appoint and remove subordinates in such department or office, subject to any applicable civil service provisions. All appointments of city officers and employees shall be made on the basis of ability and training or experience of the appointees in the duties they are to perform, from among persons having such qualifications as may be prescribed by ordinance or by charter, and in compliance with provisions of any merit system applicable to such city. Confirmation by the city council of appointments of officers and employees shall be required only when the city charter, or the council by ordinance, provides for confirmation of such appointments. Confirmation of mayoral appointments by the council may be required by the council in any instance where qualifications for the office or position have not been established by ordinance or charter provision. Appointive offices shall be without definite term unless a term is established for such office by law, charter or ordinance. [1967 ex.s. c 119 § 35A.12.090.]

35A.12.100 Duties and authority of the mayor—

Veto—Tie-breaking vote. The mayor shall be the chief executive and administrative officer of the city, in charge of all departments and employees, with authority to designate assistants and department heads. The mayor may appoint and remove a chief administrative officer or assistant administrative officer, if so provided by ordinance or charter. He shall see that all laws and ordinances are faithfully enforced and that law and order is maintained in the city, and shall have general supervision of the administration of city government and all city interests. All official bonds and bonds of contractors with the city shall be submitted to the mayor or such person as he may designate for approval or disapproval. He shall see that all contracts and agreements made with the city or for its use and benefit are faithfully kept and performed, and to this end he may cause any legal proceedings to be instituted and prosecuted in the name of the city, subject to approval by majority vote of all members of the council. The mayor shall preside over all meetings of the city council, when present, but shall have a vote only in the case of a tie in the votes of the councilmen with respect to matters other than the passage of any ordinance, grant, or revocation of franchise or license, or any resolution for the payment of money. He shall report to the council concerning the affairs of the city and its financial and other needs, and shall make recommendations for council consideration

and action. He shall prepare and submit to the council a proposed budget, as required by chapter 35A.33 RCW. The mayor shall have the power to veto ordinances passed by the council and submitted to him as provided in RCW 35A.12.130 but such veto may be overridden by the vote of a majority of all council members plus one more vote. The mayor shall be the official and ceremonial head of the city and shall represent the city on ceremonial occasions, except that when illness or other duties prevent the mayor's attendance at an official function and no mayor pro tempore has been appointed by the council, a member of the council or some other suitable person may be designated by the mayor to represent the city on such occasion. [1979 1st ex.s. c 18 § 22; 1967 ex.s. c 119 § 35A.12.100.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.12.110 Council meetings. The city council and mayor shall meet regularly, at least once a month, at a place within the corporate limits of the city at such times as may be fixed by ordinance or resolution. Special meetings may be called by the mayor or any three members of the council by written notice delivered to each member of the council at least twenty-four hours before the time specified for the proposed meeting. All actions that have heretofore been taken at special council meetings held pursuant to this section, but for which the number of hours of notice given has been at variance with requirements of RCW 42.30.080, are hereby validated. All council meetings shall be open to the public except as permitted by chapter 42.30 RCW. No ordinance or resolution shall be passed, or contract let or entered into, or bill for the payment of money allowed at any meeting not open to the public, nor at any public meeting the date of which is not fixed by ordinance, resolution, or rule, unless public notice of such meeting has been given by such notice to each local newspaper of general circulation and to each local radio or television station, as provided in RCW 42.30.080 as now or hereafter amended. Meetings of the council shall be presided over by the mayor, if present, or otherwise by the mayor pro tempore, or deputy mayor if one has been appointed, or by a member of the council selected by a majority of the council members at such meeting. Appointment of a council member to preside over the meeting shall not in any way abridge his right to vote on matters coming before the council at such meeting. In the absence of the clerk, a deputy clerk or other qualified person appointed by the clerk, the mayor, or the council, may perform the duties of clerk at such meeting. A journal of all proceedings shall be kept, which shall be a public record. [1979 1st ex.s. c 18 § 23; 1967 ex.s. c 119 § 35A.12.110.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.12.120 Council—Quorum—Rules—Voting. At all meetings of the council a majority of the councilmen shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time and may compel the attendance of absent members

in such manner and under such penalties as may be prescribed by ordinance. The council shall determine its own rules and order of business, and may establish rules for the conduct of council meetings and the maintenance of order. At the desire of any member, any question shall be voted upon by roll call and the ayes and nays shall be recorded in the journal.

The passage of any ordinance, grant or revocation of franchise or license, and any resolution for the payment of money shall require the affirmative vote of at least a majority of the whole membership of the council. [1967 ex.s. c 119 § 35A.12.120.]

35A.12.130 Ordinances—Style—Requisites—Veto. The enacting clause of all ordinances shall be as follows: "The city council of the city of ----- do ordain as follows:" No ordinance shall contain more than one subject and that must be clearly expressed in its title.

No ordinance or any section or subsection thereof shall be revised or amended unless the new ordinance sets forth the revised ordinance or the amended section or subsection at full length.

No ordinance shall take effect until five days after the date of its publication unless otherwise provided by statute or charter, except that an ordinance passed by a majority plus one of the whole membership of the council, designated therein as a public emergency ordinance necessary for the protection of public health, public safety, public property or the public peace, may be made effective upon adoption, but such ordinance may not levy taxes, grant, renew, or extend a franchise, or authorize the borrowing of money.

Every ordinance which passes the council in order to become valid must be presented to the mayor; if he approves it, he shall sign it, but if not, he shall return it with his written objections to the council and the council shall cause his objections to be entered at large upon the journal and proceed to a reconsideration thereof. If upon reconsideration a majority plus one of the whole membership, voting upon a call of ayes and nays, favor its passage, the ordinance shall become valid notwithstanding the mayor's veto. If the mayor fails for ten days to either approve or veto an ordinance, it shall become valid without his approval. Ordinances shall be signed by the mayor and attested by the clerk. [1967 ex.s. c 119 § 35A.12.130.]

35A.12.140 Adoption of codes by reference. Ordinances may by reference adopt Washington state statutes and state, county, or city codes, regulations, or ordinances or any standard code of technical regulations, or portions thereof, including, for illustrative purposes but not limited to, fire codes and codes or ordinances relating to the construction of buildings, the installation of plumbing, the installation of electric wiring, health and sanitation, the slaughtering, processing and selling of meats and meat products for human consumption, the production, pasteurizing and sale of milk and milk products, or other subjects, together with amendments thereof or additions thereto, on the subject of the ordinance. Such Washington state statutes or codes or other

codes or compilations so adopted need not be published in a newspaper as provided in RCW 35A.12.160, but the adopting ordinance shall be so published and a copy of any such adopted statute, ordinance or code, or portion thereof, with amendments or additions, if any, in the form in which it was adopted, shall be authenticated and recorded by the clerk along with the adopting ordinance. Not less than three copies of such statute, code or compilation with amendments or additions, if any, in the form in which it was adopted, shall be filed in the office of the city clerk for use and examination by the public. While any such statute, code or compilation is under consideration by the council prior to adoption, not less than three copies thereof shall be filed in the office of the city clerk for examination by the public. [1967 ex.s. c 119 § 35A.12.140.]

35A.12.150 Ordinances—Authentication and re-cording. The city clerk shall authenticate by his signature and record in full in a properly indexed book kept for the purpose all ordinances and resolutions adopted by the council. Such book, or copies of ordinances and resolutions, shall be available for inspection by the public at reasonable times and under reasonable conditions. [1967 ex.s. c 119 § 35A.12.150.]

35A.12.160 Publication of ordinances. Promptly after adoption, every ordinance shall be published, verbatim, at least once in a newspaper printed and published within the city, such publication to be made in the city's official newspaper if there is one. If there is no official newspaper or other newspaper printed and published within the city, then publication shall be made by printing and posting the ordinance in at least three public places in the city designated by ordinance as the official posting places for city notices. [1967 ex.s. c 119 § 35A.12.160.]

35A.12.170 Audit and allowance of demands against city. All demands against a code city shall be presented and audited in accordance with such regulations as may be prescribed by charter or ordinance; and upon the allowance of a demand, the clerk shall draw a warrant upon the treasurer for it, which warrant shall be countersigned by the mayor, or such person as he may designate, and shall specify the fund from which it is to be paid; or, payment may be made by a bank check when authorized by the legislative body of the code city under authority granted by RCW 35A.40.020, which check shall bear the signatures of the officers designated by the legislative body as required signatories of checks of such city, and shall specify the fund from which it is to be paid. [1967 ex.s. c 119 § 35A.12.170.]

35A.12.180 Optional division of city into wards. At any time not within three months previous to a municipal general election the council of a noncharter code city organized under this chapter may divide the city into wards or change the boundaries of existing wards. No change in the boundaries of wards shall affect the term of any councilman, but he shall serve out his term in the

ward of his residence at the time of his election: *Provided*, That if this results in one ward being represented by more councilmen than the number to which it is entitled those having the shortest unexpired terms shall be assigned by the council to wards where there is a vacancy. The representation of each ward in the city council shall be in proportion to the population as nearly as is practicable. When the city has been divided into wards no person shall be eligible to the office of councilman unless he resides in the ward for which he is elected on the date of his election, and removal of his residence from the ward for which he was elected renders his office vacant. [1967 ex.s. c 119 § 35A.12.180.]

35A.12.190 Powers of council. The council of any code city organized under the mayor-council plan of government provided in this chapter shall have the powers and authority granted to the legislative bodies of cities governed by this title, as more particularly described in chapter 35A.11 RCW. [1967 ex.s. c 119 § 35A.12.190.]

all the rights, privileges, and immunities of a member of the council. The mayor shall be recognized as the head of the city for ceremonial purposes and by the governor for purposes of military law. He shall have no regular administrative duties, but in time of public danger or emergency, if so authorized by ordinance, shall take command of the police, maintain law, and enforce order. The city council of a council-manager city may by resolution place before the voters of the city, a proposition to designate the person elected to council position one as the chairman of the council with the powers and duties set forth in RCW 35A.13.030. If a majority of those voting on the proposition cast a positive vote, then at all subsequent general elections at which position one is on the ballot, the person who is elected to position one shall become the chairman upon taking office. 35A.13.035 Mayor pro tempore or deputy mayor. Biennially at the first meeting of a new council, or periodically, the members thereof, by majority vote, may designate one of their number as mayor pro tempore or deputy mayor for such period as the council may specify, to serve in the absence or temporary disability of the mayor; or, in lieu thereof, the council may, as the need may arise, appoint any qualified person to serve as mayor pro tempore in the absence or temporary disability of the mayor. The appointive officers shall include a city clerk and a chief of police or other law enforcement officer. Pursuant to recommendation of the city manager, the council shall make provision for obtaining legal counsel for the city, either by appointment of a city attorney on a full time or part time basis, or by any reasonable contractual arrangement for such professional services. 35A.13.100 City manager—Department heads—Authority. The city manager may authorize the head of a department or office responsible to him to appoint and remove subordinates in such department or

35A.14.010 Authority for annexation—Consent of county commissioners for certain property. 35A.14.015 Election method—Resolution for election—Contents of resolution. When the legislative body of a charter code city or noncharter code city shall determine that the best interests and general welfare of such city would be served by the annexation of unincorporated territory contiguous to such city, such legislative body may, by resolution, call for an election to be held to submit to the voters of such territory the proposal for annexation. The resolution shall, subject to RCW 35A-.03.180, describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and shall provide that said city will

pay the cost of the annexation election. The resolution may require that there also be submitted to the electorate of the territory sought to be annexed a proposition that all property within the area annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for all or any portion of the then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation. Whenever such city has prepared and filed a proposed zoning regulation for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, the resolution initiating the election may also provide for the simultaneous adoption of the proposed zoning regulation upon approval of annexation by the electorate of the area to be annexed. [1979 1st ex.s. c 124 § 1; 1975 1st ex.s. c 220 § 14; 1971 ex.s. c 251 § 10; 1967 ex.s. c 119 § 35A.14.015.]

35A.14.020 Election method—Petition for election—Contents of petition—Filing and approval—Costs. When a petition which is sufficient under the rules set forth in RCW 35A.01.040 is filed with the legislative body of a code city, calling for an election to vote upon the annexation of unincorporated territory contiguous to such city, describing the boundaries of the area proposed to be annexed, stating the number of voters therein as nearly as may be, and signed by qualified electors resident in such territory equal in number to ten percent of the votes cast at the last state general election therein, the city clerk shall file with the legislative body thereof a certificate of sufficiency of the petition. Within sixty days thereafter, the legislative body shall, by resolution, notify the petitioners, either by mail or by publication in the same manner notice of hearing is required by RCW 35A.14.040 to be published, of its approval or rejection of the proposed action. In approving the proposed action, the legislative body may require that there also be submitted to the electorate of the territory to be annexed, a proposition that all property within the area to be annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for all or any portion of the then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation. Whenever the legislative body has

prepared and filed a proposed zoning regulation for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, the legislative body in approving the proposed action, may require that the proposed zoning regulation be simultaneously adopted upon the approval of annexation by the electorate of the area to be annexed. The approval of the legislative body shall be a condition precedent to further proceedings upon the petition. The costs of conducting the election called for in the petition shall be a charge against the city concerned. [1979 1st ex.s. c 124 § 2; 1967 ex.s. c 119 § 35A.14.020.]

A copy of the petition and the statement, if any, shall also be filed with the boundary review board as provided for in chapter 36.93 RCW or the county annexation review board established by RCW 35A.14.160, unless such proposed annexation is within the provisions of RCW 35A.14.220. The written decision of the county annexation review board shall be filed with the board of county commissioners and with the legislative body of the city concerned. If the annexation proposal is modified by the county annexation review board, such modification shall be fully set forth in the written decision. The question shall be submitted at a general election if one is to be held within ninety days, or at a special election called for that purpose not less than forty-five days nor more than ninety days after the filing of the decision of the review board with the board of county commissioners. If the boundary review board or the county annexation review board disapproves the annexation proposal, no further action shall be taken thereon, and no proposal for annexation of the same territory, or substantially the same as determined by the board, shall be initiated or considered for twelve months thereafter. [1975 1st ex.s. c 220 § 15; 1971 ex.s. c 251 § 7; 1967 ex.s. c 119 § 35A.14.050.]

35A.14.080 Election method—Vote required for annexation—Proposition for assumption of indebtedness—Certification. On the Monday next succeeding the annexation election, the county canvassing board shall proceed to canvass the returns thereof and shall submit the statement of canvass to the county legislative authority.

The proposition for or against annexation or for or against annexation and adoption of the proposed zoning regulation, as the case may be, shall be deemed approved if a majority of the votes cast on that proposition are cast in favor of annexation or in favor of annexation and adoption of the proposed zoning regulation, as the case may be. If a proposition for or against assumption of all or any portion of indebtedness was submitted to the electorate, it shall be deemed approved if a majority of at least three-fifths of the electors of the territory proposed to be annexed voting on such proposition vote in favor thereof, and the number of persons voting on such proposition constitutes not less than forty percent of the total number of votes cast in such territory at the last preceding general election. If either or both propositions were approved by the electors, the county legislative authority shall enter a finding to that effect on its minutes, a certified copy of which shall be forthwith transmitted to and filed with the clerk of the city to which annexation is proposed, together with a certified abstract of the vote showing the whole number who voted at the election, the number of votes cast for annexation and the number cast against annexation or for annexation and adoption of the proposed zoning regulation and the number cast against annexation and adoption of the proposed zoning regulation, as the case may

If a proposition for annexation or for annexation and adoption of a proposed zoning regulation, and a proposition for assumption of all or any portion of indebtedness were both submitted, and both were approved, the legislative body shall adopt an ordinance providing for the annexation or for annexation and adoption of the proposed zoning regulation, including the assumption of the portion of indebtedness that was approved by the voters. If both propositions were submitted and only the annexation or the annexation and adoption of the proposed zoning regulation was approved, the legislative body may adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of the proposed zoning regulation, as the case may be, or the legislative body may refuse to annex when a proposal for assumption of the portion of indebtedness has been disapproved by the voters. [1979 1st ex.s. c 124 § 6; 1967 ex.s. c 119 § 35A.14.090.]

Proceedings for initiating annexation of unincorporated territory to a charter code city or noncharter code city may be commenced by the filing of a petition of property owners of the territory proposed to be annexed, in the following manner. This method of annexation shall be alternative to other methods provided in this chapter. Prior to the circulation of a petition for annexation, the initiating party or parties, who shall be the owners of not less than ten percent in value, according to the assessed valuation for general taxation of the property for which annexation is sought, shall notify the legislative body of the code city in writing of their intention to commence annexation proceedings. If the legislative body requires the assumption of all or of any portion of indebtedness and/or the adoption of a proposed zoning regulation, it shall record this action in its minutes and the petition for annexation shall be so drawn as to clearly indicate these facts. Approval by the legislative body shall be a condition precedent to circulation of the petition. There shall be no appeal from the decision of the legislative body. A petition for annexation of an area contiguous to a code city may be filed with the legislative body of the municipality to which annexation is desired. It must be signed by the owners, as defined by RCW 35A.01.040 (9)(a) through (d), of not less than seventy-five percent in value, according to the assessed valuation for general taxation of the property for which annexation is petitioned. Such petition shall set forth a description of the property according to government legal subdivisions or legal plats and shall be accompanied by a map which outlines the boundaries of the property sought to be annexed. If the legislative body has required the assumption of all or any portion of city indebtedness by the area annexed or the adoption of a proposed zoning regulation, these facts, together with a quotation of the minute entry of such requirement, or requirements, shall also be set forth in the petition. The notice shall also be posted in three public places within the territory proposed for annexation, and shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation. Subject to RCW 35A.03.180, the ordinance may annex all or any portion of the proposed area but may not include in the annexation any property not described in the petition. 35A.14.150 Direct petition method—Effective date of annexation. Upon the date fixed in the ordinance of annexation the area annexed shall become part of the city. All property within the territory hereafter annexed shall, if the annexation petition so provided, be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for the portion of any then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation and that the city has required to be assumed. If the annexation petition so provided, all property in the annexed area shall be subject to and a part of the proposed zoning regulation as prepared and filed as provided for in RCW 35A.14.330 and 35A.14.340. 35A.14.160 Annexation review board—Composition. There is hereby established in each county of the state, other than counties having a boundary review board as provided for in chapter 189, Laws of 1967 [chapter 36.93 RCW], a board to be known as the "annexation review board for the county of _____ (naming the county)", which shall be charged with the duty of reviewing proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within its respective county; except that proposals within the provisions of RCW 35A.14.220 shall not be subject to the jurisdiction of such board.

In all counties in which a boundary review board is established pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] review of proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within such counties shall be subject to chapter 189, Laws of 1967 [chapter 36.93 RCW]. Whenever any county establishes a boundary review board pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] the provisions of this act relating to annexation review boards shall not be applicable.

Except as provided above in this section, whenever one or more cities of a county shall have elected to be governed by this title by becoming a charter code city or noncharter code city, the governor shall, within forty-five days thereafter, appoint an annexation review board for such county consisting of five members appointed in the following manner:

Two members shall be selected independently by the governor. Three members shall be selected by the governor from the following sources: (1) One member shall be appointed from nominees of the individual members of the board of county commissioners; (2) one member shall be appointed from nominees of the individual mayors of charter code cities within such county; (3) one member shall be appointed from nominees of the individual mayors of noncharter code cities within such county.

Each source shall nominate at least two persons for an available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently. If, at the time of appointment, there are within the county no cities of one of the classes named above as a nominating source, a position which would otherwise have been filled by nomination from such source shall be filled by independent appointment of the governor.

In making appointments independently and in making appointments from among nominees, the governor shall strive to appoint persons familiar with municipal government and administration by experience and/or training. [1971 ex.s. c 251 § 8; 1967 ex.s. c 119 § 35A.14.160.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.14.170 Time for filing nominations—Vacancies. Upon the initial formation of a county annexation review board the governor shall give written notice of such formation to all the nominating sources designated therein and nominations must be filed with the office of the governor within fifteen days after receipt of such notice. Nominations to fill vacancies caused by expiration of terms must be filed at least thirty days preceding the expiration of the terms. When vacancies occur in the membership of the board, the governor shall solicit nominations from the appropriate source and if none are filed within fifteen days thereafter, the governor shall fill the vacancy by an independent appointment. [1967 ex.s. c 119 § 35A.14.170.]

35A.14.180 Terms of members. The members of the annexation review board shall be appointed for five year

terms. Upon the initial formation of a board, one member appointed by the governor independently shall be appointed for a four year term, the member appointed from among nominees of the board of county commissioners shall be appointed for a three year term, the member appointed from among nominees of the mayors of noncharter code cities shall be appointed for a three year term, and the remaining members shall be appointed for five year terms. Thereafter board members shall be appointed for five year terms as the terms of their predecessors expire. Members shall be eligible for reappointment to the board for successive terms. [1967 ex.s. c 119 § 35A.14.180.]

35A.14.190 Organization of annexation review board—Rules—Journal—Authority. The members of each annexation review board shall elect from among the members a chairman and a vice chairman, and may employ a nonmember as chief clerk, who shall be the secretary of the board. The board shall determine its own rules and order of business, shall provide by resolution for the time and manner of holding regular or special meetings, and shall keep a journal of its proceedings which shall be a public record. A majority of all the members shall constitute a quorum for the transaction of business.

The chief clerk of the board, the chairman, or the vice chairman shall have the power to administer oaths and affirmations, certify to all official acts, issue subpoenas to any public officer or employee ordering him to testify before the board and produce public records, papers, books or documents. The chief clerk, the chairman or the vice chairman may invoke the aid of any court of competent jurisdiction to carry out such powers.

The planning departments of the county, other counties, and any city, and any state or regional planning agency shall furnish such information to the board at its request as may be reasonably necessary for the performance of its duties.

At the request of the board, the state attorney general shall provide counsel for the board. [1967 ex.s. c 119 § 35A.14.190.]

35A.14.200 Determination by county annexation review board—Factors considered—Filing of findings and decision. The jurisdiction of the county annexation review board shall be invoked upon the filing with the board of a resolution for an annexation election as provided in RCW 35A.14.015, or of a petition for an annexation election as provided in RCW 35A.14.030, and the board shall proceed to hold a hearing, upon notice, all as provided in RCW 35A.14.040. A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit. The board shall make and file its decision, all as provided in RCW 35A.14.050, insofar as said section is applicable to the matter before the board. Dissenting members of the board shall have the right to have their written dissents included as part of the decision. In reaching a decision on an annexation proposal, the county annexation review

board shall consider the factors affecting such proposal, which shall include but not be limited to the following:

(1) The immediate and prospective population of the area proposed to be annexed, the configuration of the area, land use and land uses, comprehensive use plans and zoning, per capita assessed valuation, topography, natural boundaries and drainage basins, the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years, location and coordination of community facilities and services; and

(2) The need for municipal services and the available municipal services, effect of ordinances and governmental codes, regulations and resolutions on existing uses, present cost and adequacy of governmental services and controls, the probable future needs for such services and controls, the probable effect of the annexation proposal or alternatives on cost and adequacy of services and controls in area and adjacent area, the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units; and

(3) The effect of the annexation proposal or alternatives on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county.

The county annexation review board shall determine whether the proposed annexation would be in the public interest and for the public welfare. The decision of the board shall be accompanied by the findings of the board. Such findings need not include specific data on all the factors listed in this section, but shall indicate that all such factors were considered. [1971 ex.s. c 251 § 11; 1967 ex.s. c 119 § 35A.14.200.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.14.210 Court review of decisions of the county annexation review board. Decisions of the county annexation review board shall be final unless within ten days from the date of said action a governmental unit affected by the decision or any person owning real property in or residing in the area proposed to be annexed files in the superior court a notice of appeal. The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board. The superior court may affirm the decision of the county annexation review board or remand the case for further proceedings; or the court may reverse the decision and remand if it finds that substantial rights have been prejudiced because the findings, conclusions, or decision of the board are:

- (1) In violation of constitutional provisions; or
- (2) In excess of the statutory authority or jurisdiction of the board; or
- (3) Made upon unlawful procedure; or
- (4) Affected by other error of law; or
- (5) Unsupported by material and substantial evidence in view of the entire record as submitted; or
- (6) Arbitrary or capricious. [1971 ex.s. c 251 § 12; 1967 ex.s. c 119 § 35A.14.210.]

When the area proposed for annexation in a petition or resolution, initiated and filed under any of the methods of initiating annexation authorized by this chapter, is less than fifty acres or less than two million dollars in assessed valuation, review procedures shall not be required as to such annexation proposal, except as provided in chapter 36.93 RCW in those counties with a review board established pursuant to chapter 36.93 RCW: *Provided*, That when an annexation proposal is initiated by the direct petition method authorized by RCW 35A.14.120, review procedures shall not be required without regard to acreage or assessed valuation, except as provided in chapter 36.93 RCW in those counties with a boundary review board established pursuant to chapter 36.93 RCW. 35A.14.230 Pending disposition of a petition or resolution for annexation no other proposal for same area may be acted upon. After the filing of any petition or resolution for annexation or for an annexation election with the board of county commissioners, the boundary review board or the county annexation review board for the county or the legislative body of a code city and pending its final disposition as provided in this chapter, no other petition or resolution, or petition for incorporation, which embraces any of the territory included therein shall be acted upon by any public official or body that might otherwise be empowered to receive or act upon such a petition or resolution. The resolution shall describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and set a date for a public hearing on such resolution for annexation. Notice of the hearing shall be given by publication of the resolution at least once a week for two weeks prior to the date of the hearing, in one or more newspapers of general circulation within the code city and one or more newspapers of

general circulation within the area to be annexed. [1967 ex.s. c 119 § 35A.14.295.]

If the annexation ordinance provides for assumption of indebtedness or adoption of a proposed zoning regulation, the notice shall include a statement of such requirements. Such annexation ordinance shall be subject to referendum for forty-five days after the passage thereof. Upon the filing of a timely and sufficient referendum petition as provided in RCW 35A.14.299 below, a referendum election shall be held as provided in RCW 35A.14.299, and the annexation shall be deemed approved by the voters unless a majority of the votes cast on the proposition are in opposition thereto. After the expiration of the forty-fifth day from, but excluding the date of passage of the annexation ordinance, if no timely and sufficient referendum petition has been filed, as provided by RCW 35A.14.299 below, the area annexed shall become a part of the code city upon the date fixed in the ordinance of annexation. [1967 ex.s. c 119 § 35A.14.297.]

Notice of such election shall be given as provided in RCW 35A.14.070 and the election shall be conducted as provided in RCW 35A.14.060. The annexation shall be deemed approved by the voters unless a majority of the votes cast on the proposition are in opposition thereto.

After the expiration of the forty-fifth day from but excluding the date of passage of the annexation ordinance, if no timely and sufficient referendum petition has been filed, the area annexed shall become a part of

the code city upon the date fixed in the ordinance of annexation. From and after such date, if the ordinance so provided, property in the annexed area shall be subject to the proposed zoning regulation prepared and filed for such area as provided in RCW 35A.14.330 and 35A.14.340. If the ordinance so provided, all property within the area annexed shall be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for any then outstanding indebtedness of such city contracted prior to, or existing at, the date of annexation. [1967 ex.s. c 119 § 35A.14.299.]

A code city may cause territory annexed pursuant to a gift, grant, or lease of the government of the United States to be surveyed, subdivided and platted into lots, blocks, or tracts and lay out, reserve for public use, and improve streets, roads, alleys, slips, and other public places. It may grant or sublet any lot, block, or tract therein for commercial, manufacturing, or industrial purposes and reserve, receive and collect rents therefrom. It may expend the rents received therefrom in making and maintaining public improvements therein, and if any surplus remains at the end of any fiscal year, may transfer it to the city's current expense fund. [1967 ex.s. c 119 § 35A.14.320.]

(4) The time interval following an annexation during which the ordinance or resolution adopting any such proposed regulation, or any part thereof, must remain in effect before it may be amended, supplemented or modified by subsequent ordinance or resolution adopted by the annexing city or town.

All such regulations and restrictions shall be designed, among other things, to encourage the most appropriate use of land throughout the area to be annexed; to lessen traffic congestion and accidents; to secure safety from fire; to provide adequate light and air; to prevent overcrowding of land; to avoid undue concentration of population; to promote a coordinated development of the unbuilt areas; to encourage the formation of neighborhood or community units; to secure an appropriate allotment of land area in new developments for all the requirements of community life; to conserve and restore natural beauty and other natural resources; to facilitate the adequate provision of transportation, water, sewerage and other public uses and requirements. If a portion of a fire protection district including at least sixty percent of the assessed valuation of the real property of the district is annexed to or incorporated into a code city, ownership of all of the assets of the district shall be vested in the code city, upon payment in cash, properties or contracts for fire protection services to the district within one year, of a percentage of the value of said assets equal to the percentage of the value of the real property in the entire district remaining outside the incorporated or annexed area. [1967 ex.s. c 119 § 35A.14.380.]

35A.14.400 Ownership of assets of fire protection district—When less than sixty percent of assessed valuation is annexed or incorporated in code city. The fire protection district shall provide fire protection to the incorporated or annexed area for such period as the district continues to collect taxes levied in such annexed or incorporated area. Whenever any territory is annexed to a code city, a certificate as hereinafter provided shall be submitted in triplicate to the office of financial management within thirty days of the effective date of annexation specified in the relevant ordinance. After approval of the certificate, the office of financial management shall retain the original copy in its files, and transmit the second copy to the department of transportation and return the third copy to the code city. Such certificates shall be in such form and contain such information as shall be prescribed by the office of financial management. A copy of the complete ordinance containing a legal description and a map showing specifically the boundaries of the annexed territory shall be attached to each of the three copies of the certificate.

The certificate shall be signed by the mayor and attested by the city clerk. Upon request, the office of financial management shall furnish certification forms to any code city.

Upon approval of the annexation certificate, the office of financial management shall forward to each state official or department responsible for making allocations or payments to cities or towns, a revised certificate reflecting the increase in population due to such annexation. Upon and after the date of the commencement of the next quarterly period, the population determination indicated in such revised certificate shall be used as the basis for the allocation and payment of state funds to such city or town.

For the purposes of this section, each quarterly period shall commence on the first day of the months of January, April, July, and October. Whenever a revised certificate is forwarded by the office of financial management thirty days or less prior to the commencement of the next quarterly period, the population of the annexed territory shall not be considered until the commencement of the following quarterly period.

The resident population of the annexed territory shall be determined by, or under the direction of, the mayor of the code city. Such population determination shall consist of an actual enumeration of the population which shall be made in accordance with practices and policies, and subject to the approval of the office of financial management. The population shall be determined as of the effective date of annexation as specified in the relevant ordinance.

Until an annexation certificate is filed and approved as provided herein, such annexed territory shall not be considered by the office of financial management in determining the population of such code city. Such ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall

require the vote of one more than the majority of all members of the legislative body of the code city.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof. [1967 ex.s. c 119 § 35A.33.090.]

35A.33.120 Funds—Limitations on expenditures—Transfers and adjustments. The expenditures as classified and itemized in the final budget shall constitute the city's appropriations for the ensuing fiscal year. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the code city, the expenditure of city

funds or the incurring of current liabilities on behalf of the city shall be limited to the following:

(1) The total amount appropriated for each fund in the budget for the current fiscal year, without regard to the individual items contained therein, except that this limitation shall not apply to wage adjustments authorized by RCW 35A.33.105; and

(2) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal years pursuant to RCW 35A.33.150; and

(3) Funds received from the sale of bonds or warrants which have been duly authorized according to law; and

(4) Funds received in excess of estimated revenues during the current fiscal year, when authorized by an ordinance amending the original budget; and

(5) Expenditures required for emergencies, as authorized in RCW 35A.33.080 and 35A.33.090.

Transfers between individual appropriations within any one fund may be made during the current fiscal year by order of the city's chief administrative officer subject to such regulations, if any, as may be imposed by the city council. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city which may be affected.

The city council, upon a finding that it is to the best interests of the code city to decrease, revoke or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1967 ex.s. c 119 § 35A.33.120.]

35A.33.125 Limitation on expenditures—Void. Liabilities incurred by any officer or employee of the city in excess of any budget appropriations shall not be a liability of the city. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds

or warrants after the accomplishment of the purpose for which they were issued it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1967 ex.s. c 119 § 35A.33.130.]

35A.33.135 Levy for ad valorem tax. At a time fixed by the city's ordinance or charter, not later than the first Monday in October of each year, the chief administrative officer shall provide the city's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with estimates submitted by the clerk under RCW 35A.33.050. The city's legislative body and the city's administrative officer or his designated representative shall consider the city's total anticipated financial requirements for the ensuing fiscal year, and the legislative body shall determine and fix by ordinance the amount to be raised by ad valorem taxes. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. At such intervals as may be required by city charter or ordinance, however, being not less than quarterly, the clerk shall submit to the city's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal year to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1967 ex.s. c 119 § 35A.33.140.]

35A.33.145 Contingency fund—Creation. Every code city may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35A.33.080 and 35A.33.090. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35A.33.120: *Provided*, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city at such time. Any moneys in the contingency fund at the end of the fiscal year shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1967 ex.s. c 119 § 35A.33.146.]

35A.33.150 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: *Provided*, That this shall not prevent payments in the following year upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or furnished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35A.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal year shall be kept open for twenty days after the close of such fiscal year for the purpose of paying and recording claims for indebtedness incurred during such fiscal year; any claim presented after the twentieth day following the close of the fiscal year shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal year. After approval of the comprehensive plan, as set forth above, the legislative body, in developing the municipality and in regulating the use of land, may implement or give effect to the comprehensive plan or parts thereof by ordinance or other action to such extent as the legislative body deems necessary or appropriate. Such ordinances or other action may provide for:

The action of the board of adjustment shall be final and conclusive, unless, within ten days from the date of the action, the original applicant or an adverse party makes application to the superior court for the county in which that city is located for a writ of certiorari, a writ of prohibition, or a writ of mandamus. (a) the variance shall not constitute a grant of special privilege inconsistent with the limitation upon uses of other properties in the vicinity and zone in which the property on behalf of which the application was filed is located; and

(b) that such variance is necessary, because of special circumstances relating to the size, shape, topography, location, or surroundings of the subject property, to provide it with use rights and privileges permitted to other properties in the vicinity and in the zone in which the subject property is located; and

(c) that the granting of such variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which the subject property is situated.

(3) Applications for conditional-use permits, unless such applications are to be heard and decided by the planning agency. A conditional use means a use listed among those classified in any given zone but permitted to locate only after review as herein provided in accordance with standards and criteria set forth in the zoning ordinance.

(4) Such other quasi judicial and administrative determinations as may be delegated by ordinance.

36.09.010 Debts and property to be apportioned. Whenever a new county shall be or shall have been organized out of the territory which was included within the limits of any other county or counties, the new county shall be liable for a reasonable proportion of the debts of the county from which it was taken, and entitled to its proportion of the property of the county. [1963 c 4 § 36.09.010. Prior: Code 1881 § 2657; 1863 p 538 § 3; 1854 p 330 § 1; RRS § 3986.]

36.09.020 Procedure to settle amount charged new county—Basis of apportionment. The auditor of the old county shall give the auditor of the new county reasonable notice to meet him on a certain day at the county seat of the old county, or at some other convenient place, to settle upon and fix the amount which the new county shall pay. In doing so, they shall not charge either county with any share of debts arising from the erection of public buildings, or out of the construction of roads or bridges which shall be and remain, after the division, within the limits of the other county, and of the other debts they shall apportion to each county such a share of the indebtedness as may be just and equitable, taking into consideration the population of such portion of territory so forming a part of the said counties while so united, and also the relative advantages, derived from the old county organization. [1963 c 4 § 36.09.020. Prior: (i) Code 1881 § 2658; 1863 p 538 § 4; 1854 p 330 § 2; RRS § 3987. FORMER PART OF SECTION: 1909 c 79 § 1, part; Code 1881 § 2662, part; RRS § 3991, part. Now codified in RCW 36.09.050.]

36.09.035 Procedure to settle amount charged new county—Disagreement between auditors—Determination by third person. In case the two auditors cannot agree, they shall call a third person, not a citizen of either county, or in any other manner interested, whose decision shall be binding. In case they cannot agree upon such third person, they shall each name one and decide by lot which it shall be. [1963 c 4 § 36.09.035. Prior: Code 1881 § 2659; 1863 p 539 § 5; 1854 p 330 § 3; RRS § 3988.]

36.09.040 Payment of indebtedness—Transfer of property. The auditor of the county indebted upon such decision shall give to the auditor of the other county his order upon the treasurer for the amount to be paid out of the proper fund, as in other cases, and also make out a transfer of such property as shall be assigned to either county. [1963 c 4 § 36.09.040. Prior: Code 1881 § 2660; 1863 p 539 § 6; 1854 p 330 § 4; RRS § 3989.]

36.09.050 Collection of taxes levied—Apportionment. When a county is divided or the boundary is altered, all taxes levied before the division was made or boundaries changed, must be collected by the officers of the county in which the territory was situated before the division or change. And the auditor or auditors of the county or counties so divided or having boundaries changed, shall apportion the amount of the real property taxes so collected after division or change of boundary to the old county or counties and the new county or counties, in the ratio of the assessed value of such property situated in the territory of each county or counties respectively, and the old county that may have been divided or whose boundaries may have been changed, shall retain all of the personal property taxes on the said tax rolls, as compensation for cost of collection of the entire taxes: *Provided*, That in such accounting neither county shall be charged with any debt or liability then existing incurred in the purchase of any county property, or in the purchase or construction of any county buildings

then in use or under construction, which shall fall within and be retained by the county: *Provided further*, That this shall not be construed to affect the rights of creditors: *And provided further*, That any such county property or buildings shall be the property of and owned by the county wherein the same is situated. In case the auditors of the interested counties are not able to agree upon the proportion to be awarded to each county, the same shall be determined by the judge of the superior court of the district in which all of the interested counties are situated, if they be in one district, and have one common judge, and if not, by the judges sitting en banc of the superior courts of the counties involved. Said auditors shall make said apportionment within sixty days after the creation of any new county or the changing of boundaries of any old county, and if they do not, within said time, agree upon said apportionment, thereafter either or any county affected may petition the judge or judges of any court given jurisdiction by this section, and upon ten days' notice to any other county affected, the same may be brought on for hearing and summarily disposed of by said judge or judges, after allowing each side an opportunity to be heard.
