Dear SCPP Member,

My name is Darleen Atik and I am a TRS 1 retiree. I have been retired from the Edmonds School District since 1999. In that time I have received THREE cost of living adjustments. I have always appreciated those adjustments but they have hardly helped me keep up with inflation, especially right now. I am requesting, in the strongest possible terms, that you recommend a Plan 1 COLA to the 2023 Legislature. I am looking to you to do the right things for all TRS 1 retirees and institute a 2023 TRS 1 COLA.

Sincerely,

Darleen Atik
