"(4) Every member shall be deemed to consent and agree to the contribution made and provided for herein, and shall receipt in full for his salary or compensation. Payment less said contributions shall be a complete discharge of all claims and demands whatsoever for the services rendered by such person during the period covered by such payments, except his claim to the benefits to which he may be entitled under the provisions of this 1969 amendatory act.

"NEW SECTION. Sec. 9. Retirement of a member for service shall be made by the board as follows:

"(1) Any member having twenty-five or more years of service and having attained the age of fifty years shall be eligible for retirement and shall be retired upon his written request;

"(2) Any member having five or more years of service, who terminates his employment with any employer, may leave his contributions in the fund. Any employee who so elects shall be eligible at age fifty for a retirement allowance based on his years of service as follows: Five years but under ten years, one percent of his final average salary for each year of service; ten years but under fifteen years, one and one-quarter percent of his final average salary for each year of service; fifteen years but under twenty years, one and one-half percent of his final average salary for each year of service; twenty years but under twenty-five years, one and three-quarters percent of his final average salary for each year of service, and twenty-five years and over, two percent of his final average salary for each year of service. Any member selecting this optional vesting shall not be covered by the provisions of section 15 of this 1969 amendatory act.

"(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty: PROVIDED, That for any member who is elected or appointed to the office of sheriff, his election or appointment shall be considered as a waiver of the age sixty provision for retirement for whatever number of years remain in his present term of office and any succeeding terms to which he may be so elected or appointed: PROVIDED FURTHER, That the provisions of this subsection shall not apply to any member employed on the effective date of this 1969 amendatory act.

"NEW SECTION. Sec. 10. A member upon retirement for service shall receive a monthly retirement allowance of two percent of his final average salary for each completed year of service.

"NEW SECTION. Sec. 11. (1) All claims for disability made against the retirement system as defined in section 3(1) of this 1969 amendatory act shall be acted upon and either approved or disapproved by either type of disability board hereafter authorized to be created.

"(a) Each city having a population of twenty thousand or more shall establish a disability board having jurisdiction over all members employed by said cities and composed of the following five members: Two members of the city legislative body to be appointed by the mayor, one fire fighter to be elected by the fire fighters employed by the city, one law

enforcement officer to be elected by the law enforcement officers employed by the city, and one member from the public at large who resides within the city to be appointed by the other four appointed members heretofore designated in this subsection. All members appointed or elected pursuant to this subsection shall serve for two year terms.

"(b) Each county shall establish a disability board having jurisdiction over all members residing in the county and not residing within a city in which a disability board is established. The county disability board so created shall be composed of five members to be chosen as follows: One member of the legislative body of the county to be appointed by the county legislative body, one member of a city or town legislative body located within the county which does not contain a city disability board established pursuant to subsection (1) (a) of this section to be chosen by a majority of the mayors of such cities and towns within the county which does not contain a city disability board, one fire fighter to be elected by the fire fighters subject to the jurisdiction of the county disability board, one law enforcement officer to be elected by the law enforcement officers subject to the jurisdiction of the county disability board, and one member from the public at large who resides within the county but does not reside within a city in which a city disability board is established, to be appointed by the other four appointed members heretofore designated in this subsection. All members appointed or elected pursuant to this subsection shall serve for two year terms.

"(2) The members of both the county and city disability boards shall not receive compensation for their service upon the boards but said members shall be reimbursed for all travel expenses incidental to such service as to the amount authorized by law.

"(3) The disability boards authorized for establishment by this section shall perform all functions, exercise all powers, and make all such determinations as specified in this 1969 amendatory act and subsequent legislative acts.

"*NEW SECTION.* Sec. 12. Any member, regardless of his age or years of service may be recommended for retirement by the disability board for any disability which renders him unable to continue his service, whether incurred in the line of duty or not. Benefits hereunder shall not begin for a period of six months after the disability is incurred.

"Any member who believes he is or is believed to be physically or mentally disabled, if such disability has been continuous from discontinuance of service, shall be examined by such medical authority as the disability board shall employ, upon the application of the head of the office or department in which the member is employed, or upon application of said member, or a person acting in his behalf, stating that said member is disabled, either physically or mentally. If examination shows, to the satisfaction of the disability board, that the member should be retired, he shall be retired forthwith: PROVIDED, That no such application shall be considered unless said member or someone in his behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member. Where an application for disability is filed after the sixth month of disability but prior to the one-year time limit, the member shall be entitled to receive disability benefits to which he is entitled retroactive to the end of the sixth month.

"*NEW SECTION.* Sec. 13. (1) On retirement for disability, as provided in section 12 of this 1969 amendatory act, a member shall be entitled to receive a monthly retirement allowance computed as follows: (a) A basic amount of fifty percent of final average salary at time of disability, and (b) an additional five percent of final average salary for each child as defined in section 3(8) of this 1969 amendatory act, (c) the combined total of subsections (1) (a) and (1) (b) of this section shall not exceed a maximum of sixty percent of final average salary.

"(2) A disabled member shall receive his full monthly salary from the employer during the six months waiting period applicable under section 12 of this 1969 amendatory act.

"(3) Benefits under this section will be payable until the member recovers from the disability or dies. If at the time that the disability ceases the member is over the age of fifty, he shall then receive either his disability retirement allowance or his retirement for service allowance, whichever is greater.

"(4) Benefits under this section for a disability that is incurred while in other employment will be reduced by any amount the member receives or is entitled to receive from workmen's compensation, social security, group insurance or any other similar source provided by another employer.

"(5) A member retired for disability shall, at the discretion of the disability board, be subject to a semiannual medical examination by a physician approved by the disability board.

"*NEW SECTION.* Sec. 14. (1) Upon the basis of a semiannual reexamination of disabled members, the disability board shall determine whether such disability beneficiary is still unable to perform his duties either physically or mentally for service in the department where he was employed.

"(2) If the disability board shall determine that the beneficiary is not so incapacitated his retirement allowance shall be canceled and he shall be restored to duty in the same civil service rank if any, held by the beneficiary at the time of his retirement or if unable to perform the duties of said rank then, at his request, in such other like or lesser rank as may be or become open and available, the duties of which he is then able to perform. In no event, shall a beneficiary previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than that received by the said beneficiary at the date of his retirement for disability. If the disability board determines that the

beneficiary is able to return to service he shall be entitled to notice and a hearing, both the notice and the hearing shall comply with the requirements of chapter 34.04 RCW, as now or hereafter amended. If the employer is unable to find employment for a disability beneficiary subsequently found to be able to perform his duties, the disability board shall continue the disability retirement allowance of the beneficiary until such time as employment is available.

"(3) Should a disability beneficiary reenter service and be eligible for membership in the retirement system, his retirement allowance shall be canceled and he shall immediately become a member of the retirement system. Such member shall receive credit for service in the same manner as if he had never been retired for disability.

"(4) Should any disability beneficiary under age fifty refuse to submit to medical examination, his retirement allowance shall be discontinued until his withdrawal of such refusal, and should such refusal continue for one year or more, his retirement allowance shall be canceled.

"(5) Should a nonduty disability beneficiary, prior to attaining age fifty engage in a gainful occupation, the disability board shall reduce the amount of his retirement allowance to an amount which when added to the compensation earned by him in such occupation shall not exceed the basic salary currently being paid for the rank the retired member held at the time he was disabled. All disability beneficiaries under age fifty shall file with the disability board every six months a signed and sworn statement of earnings and any person who shall knowingly swear falsely on such statement shall be subject to prosecution for perjury. Should the earning capacity of such beneficiary be further altered, the disability board may further alter his retirement allowance as indicated above. The failure of any member to file the required statement of earnings shall be cause for cancellation of retirement benefits.

"(6) Should the disability board find that a member has a disability remediable by treatment which, in the opinion of the disability board upon receipt in writing of information to this effect from competent medical authority, will not endanger the health of the member, refusal of the member to undergo treatment will disqualify such member for further disability retirement payments. Any decision of the disability board under this subsection may be appealed in accordance with the appeal provisions of section 16 of this 1969 amendatory act.

"(7) Should the disability retirement allowance of any disability beneficiary be canceled for any cause other than reentrance into service or retirement for service, he shall be paid his accumulated contributions, less annuity payments made to him.

"NEW SECTION. Sec. 15. (1) Whenever any active member, or any member hereafter retired, on account of service, sickness or disability, not caused or brought on by dissipation or abuse, of which the disability board shall be judged, is confined in any hospital or in his home, and whether or not so confined, requires nursing, care, or attention, the employer shall pay for such active member the necessary hospital, care, and nursing expenses of such member; and the employer shall pay for such retired member hospital, care, and nursing expenses as are reasonable, in the disability board discretion. The salary of such active member shall continue while he is necessarily confined to such hospital or home or elsewhere during the period of recuperation, as determined by the disability board, for a period not exceeding six months; after which period the other provisions of this chapter shall apply: PROVIDED, That the disability board in all cases may have the active or retired member suffering from such sickness or disability examined at any time by a licensed physician or physicians, to be appointed by the disability board, for the purpose of ascertaining the nature and extent of the sickness or disability, the physician or physicians to report to the disability board the result of the examination within three days thereafter. Any active or retired member who refuses to submit to such examination or examinations shall forfeit all his rights to benefits under this section: PROVIDED FURTHER, That the disability board shall designate the hospital and medical services available to such sick or disabled member.

"(2) The medical benefits payable under this section will be reduced by any amount received or eligible to be received by the member under workmen's compensation, social security including the changes incorporated under Public Law 89-97 as now or hereafter amended, insurance provided by another employer, or any other similar source. Failure to apply for coverage if otherwise eligible under the provisions of Public Law 89-97 as now or hereafter amended shall not be deemed a refusal of payment of benefits thereby enabling collection of charges under the provisions of this 1969 amendatory act.

"(3) Upon making such payments as are provided for in subsection (1), the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries to the extent necessary to recover the amount of payments made by the employer.

"NEW SECTION. Sec. 16. (1) Any person feeling aggrieved by any order or determination of a disability board shall have the right to appeal the said order or determination to the retirement board designated in chapter 41.40 RCW. The said retirement board shall have no jurisdiction to entertain the appeal unless a notice of appeal is filed with the said retirement board within thirty days following the rendition of the order by the applicable disability board.

"(2) The said appeal authorized by this section shall be governed by the provisions of sections 19 and 20 of this 1969 amendatory act.

"NEW SECTION. Sec. 17. (1) In the event of the death of any member who is in active service, or who is retired, his surviving spouse shall become entitled to receive a monthly

allowance equal to fifty percent of his final average salary at the date of death if active, or fifty percent of final average salary at time of retirement if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in section 3 (8) of this 1969 amendatory act, subject to a maximum combined allowance of sixty percent of final average salary.

"(2) If at the time of the death of a member retired for service or disability, the surviving spouse has not been lawfully married to the member for one year prior to his retirement, the surviving spouse shall not be eligible to receive the benefits under this section: PROVIDED, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

"(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When all the eligible children reach the age of eighteen, the balance of employee contributions, if any, shall be paid to the legal heirs of said member.

"(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

"(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies and there are children under eighteen years of age the child or children shall receive the benefits as provided in subsection (3) above.

"(6) If a surviving spouse receiving benefits under the provisions of this section thereafter remarries and there are children under eighteen years of age, the benefit payable to the children will be twenty percent of final average salary for each child, subject to maximum combined payment of sixty percent of final average salary. When all the eligible children reach the age of eighteen the balance of employee contributions, if any, shall be paid to the legal heirs of said member.

"NEW SECTION. Sec. 18. The employer shall pay into the fund an amount equal to that paid by the member.

"NEW SECTION. Sec. 19. Any person aggrieved by any final decision of the retirement board must, before petitioning for judicial review, file with the director of the retirement system by mail or personally within sixty days from the day such decision was communicated to such person, a notice for a hearing before the retirement board. The notice of hearing shall set forth in full detail the grounds upon which such person considers such decision unjust or unlawful and shall include every issue to be considered by the retirement board, and it must contain a detailed statement of facts upon which such person relies in support thereof. Such persons shall be deemed to have waived all objections or irregularities concerning the matter on which such appeal is taken other than those specifically set forth in the notice of hearing or appearing in the records of the retirement system.

"NEW SECTION. Sec. 20. A hearing shall be held by members of the retirement board, or its duly authorized representatives, in the county of the residence of the claimant at a time and place designated by the retirement board. Judicial review of any final decision by the retirement board shall be governed by the provisions of chapter 34.04 RCW as now law or hereafter amended.

"NEW SECTION. Sec. 21. No bond of any kind shall be required of a claimant appealing to the superior or the supreme court from a finding of the retirement board affecting such claimant's right to retirement or disability benefits.

"NEW SECTION. Sec. 22. (1) Should service of a member be discontinued except by death, disability or retirement, within six months after the day of discontinuance, he shall be paid his accumulated contributions, and his rights to all benefits as a member shall cease without notice. The provisions of this section shall be inapplicable to a member who leaves the service and is later found to have left the service by reason of disability: PROVIDED, That any member with at least five years' service may elect the provisions of section 9(2) of this 1969 amendatory act.

"(2) Any member who reenters the service of an employer shall upon the restoration of all withdrawn contributions, which restoration must be completed within a total period of five years of membership service following resumption of employment, then receive credit toward retirement for the period of previous service which these contributions are to cover.

"The total amount of each retirement allowance shall include and shall be increased or decreased by each such percentage increase or decrease which may be added thereto or subtracted therefrom from time to time. Each subsequent percentage increase or decrease shall be calculated on the basis of the total amount of such retirement allowance as increased or decreased by any such percentage increases or decreases. At the effective date of this 1969 amendatory act such presently payable benefits shall be increased two percent each year using as a basis for such two percent increase, the amount of the present benefit payable and not the amount of the future benefit payable which will hereafter be increased by the provisions of this section.

"Said increases shall become effective July 1, 1969 or one year after the date when the said benefits are payable, whichever is later. Each year effective with the July payment all benefits specified herein, shall be increased two percent as authorized by this section. "Sec. 36. Section 1, chapter 6, Laws of 1959 as last amended by section 1, chapter 123, Laws of 1969 (Engrossed SB 138) and RCW 41.20.050 are each amended to read as follows:

"Whenever a person has been duly appointed, and has served honorably for a period of

twenty-five years, as a member, in any capacity, of the regularly constituted police department of a city subject to the provisions of this chapter, the board, after hearing, if one is requested in writing, may order and direct that such person be retired, and the board shall retire any member so entitled, upon his written request therefor. The member so retired hereafter shall be paid from the fund during his lifetime a pension equal to fifty percent of the amount of salary at any time hereafter attached to the position held by the retired member for the year preceding the date of his retirement: PROVIDED, That no such pension shall exceed the amount equivalent to fifty percent of the salary of captain, and all existing pensions shall be increased to not less than one hundred fifty dollars per month as of July 1, 1957: PROVIDED FURTHER, That a person hereafter retiring who has served as a member for more than twenty-five years, shall have his pension payable under this section increased by two percent of *his basic salary* per year for each full year of such additional service to a maximum of five additional years.

"Any person affected by this chapter who at the time of entering the armed services was a member of such police department and has honorably served in the armed services of the United States in the time of war, shall have added to his period of employment as computed under this chapter, his period of war service in the armed forces, but such credited service shall not exceed five years and such period of service shall be automatically added to each member's service upon payment by him of his contribution for the period of his absence at the rate provided in RCW 41.20.130.

"Sec. 37. Section 5, chapter 39, Laws of 1909 as last amended by section 2, chapter 123, Laws of 1969 (Engrossed SB 138) and RCW 41.20.060 are each amended to read as follows:

"Whenever any person, while serving as a policeman in any such city becomes physically disabled by reason of any bodily injury received in the immediate or direct performance or discharge of his duties as a policeman, or becomes incapacitated for service, such incapacity not having been caused or brought on by dissipation or abuse, of which the board shall be judge, the board may, upon his written request filed with the secretary, or without such written request, if it deems it to be for the benefit of the public, retire such person from the department, and order and direct that he be paid from the fund during his lifetime, a pension equal to fifty percent of the amount of salary at any time hereafter attached to the position which he held in the department at the date of his retirement, but not to exceed an amount equivalent to fifty percent of the salary of captain, and all existing pensions shall be increased to not less than one hundred fifty dollars per month as of July 1, 1967: PROVIDED, That where, at the time of retirement hereafter for disability under this section, such person has served honorably for a period of more than twenty-five years as a member, in any capacity of the regularly constituted police department of a city subject to the provisions of this chapter, the foregoing percentage factors to be applied in computing the pension payable under this section shall be increased by two percent of *his basic salary* per year for each full year of such additional service to a maximum of five additional years.

"Whenever such disability ceases, the pension shall cease, and such person shall be restored to active service at the same rank he held at the time of his retirement, and at the current salary attached to said rank at the time of his return to active service.

"Disability benefits provided for by this chapter shall not be paid when the policeman is disabled while he is engaged for compensation in outside work not of a police or special police nature.

"**NEW SECTION.** Sec. 38. If any provision of this 1969 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

"**NEW SECTION.** Sec. 39. To the extent that the provisions of this 1969 amendatory act are inconsistent with the provisions of any other law, the provisions of this 1969 amendatory act shall be controlling.

Of this amount two hundred fifty thousand dollars shall be available for costs of administration during the 1969-1971 fiscal biennium and said sum is hereby appropriated from the retirement fund for that purpose.

"**NEW SECTION.** Sec. 41. This 1969 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions and shall take effect on July 1, 1969."

MOTION

On motion of Mr. Morrison, Engrossed Substitute Senate Bill No. 74 was rereferred to the Committee on Appropriations.

April 8, 1969.

ENGROSSED SUBSTITUTE SENATE BILL NO. 168, establishing a new garnishment law, reported by Committee on Judiciary.

MAJORITY recommendation: Do pass with the following amendments:

On page 3, line 33, strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. For purposes of this act:

"(1) 'Earnings' means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus, or otherwise, and includes periodic payments pursuant to a pension or retirement program.

"(2) 'Garnishment' means every legal and equitable procedure through which the earnings of any individual must be withheld for the payment of any debt.

"(3) 'Net earnings' means any earnings remaining after deduction for federal income taxes, social security, and all other amounts required by federal, state and local law, but includes any other deductions not required by federal, state or local law.

"NEW SECTION. Sec. 2. No justice of the peace, justice court nor superior court or clerk thereof may issue writs of garnishment for the attachment of earnings prior to entry of judgment in an action based on an assigned claim: PROVIDED, That where plaintiff seeks a garnishment in such an action based on his belief that the defendant

"(1) is not a resident of this state, or is about to move from this state; or

"(2) has concealed himself, absconded, or absented himself so that ordinary process of law cannot be served on him; or

"(3) has removed or is about to remove any of his property from this state, with intent to delay or defraud his creditors; the plaintiff shall file an affidavit stating the specific facts upon which his belief is founded and if to the court there appears sufficient grounds to find the belief true, it shall enter an order causing a writ of garnishment to issue.

"NEW SECTION. Sec. 3. Seventy-five percent of the net earnings of an individual, or, in the alternative, forty times the state hourly minimum wage, whichever is the greater, is not subject to garnishment by a creditor to enforce payment of any judgment. Every employer served with a writ of garnishment as provided in this act shall pay the employee the amount of his exempt earnings, without undue delay.

"NEW SECTION. Sec. 4. Except as otherwise provided in section 2 of this act, in an action based upon the assigned claim the justices of the peace, the justice courts, and the superior courts and the clerks thereof where authorized by law may issue writs of garnishment upon earnings only after entry of final judgment and only when such final judgment is wholly or partially unsatisfied. A copy of the judgment or decree, duly made and recorded, shall be filed with every application for the issuance of a writ of garnishment against earnings, and such writ of garnishment shall issue for service upon the person named in the affidavit for garnishment as the employer.

"NEW SECTION. Sec. 5. The employer shall answer on or before a date twenty days after service of the writ stating whether or not the defendant was employed by him at the time of service of the writ, and declaring under penalty of perjury the amount of nonexempt earnings held by such employer. The answer of the employer shall be in writing, and signed under penalty of perjury and the original delivered, either personally or by mail, to the clerk of the court, one copy to the plaintiff or his attorney, and one copy to the defendant, in the form and in the manner provided for answer of other writs of garnishment.

"NEW SECTION. Sec. 6. No employer shall discharge any employee for the reason that a creditor of the employee has subjected or attempted to subject any unpaid earnings of the employee to a writ of garnishment directed to the employer unless, within a period of any twelve consecutive months, the employer has been required, on behalf of the employee, to make payment into one or more court judgment dockets in order to satisfy a judgment, in whole or in part, upon each of two or more successive writs of garnishment upon earnings.

"NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall be construed as applying only to garnishments upon wages and earnings and shall not affect any other types of garnishment proceedings.

"NEW SECTION. Sec. 8. Section 23, chapter 56, Laws of 1893 as last amended by section 1, chapter 13, Laws of 1963 and RCW 7.32.280 are each repealed.

MESSAGE FROM THE SECRETARY OF STATE

March 27, 1969.

TO THE HONORABLE, THE SPEAKER OF THE HOUSE OF REPRESENTATIVES,
THE LEGISLATURE OF THE STATE OF WASHINGTON,
OLYMPIA, WASHINGTON.

SIR:

I have the honor to transmit herewith pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the House, the following bills passed by the House of Representatives and the State Senate at the Regular Legislative Session of 1969, and partially vetoed by the Governor, together with his veto messages attached thereto. They are ENROLLED HOUSE BILLS NOS. 24, 52, 127, 203, 346 and 388.

Respectfully,

A. LUDLOW KRAMER
Secretary of State.

GOVERNOR'S MESSAGES ON HOUSE BILLS PARTIALLY VETOED

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED SUBSTITUTE HOUSE BILL NO. 24 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of certain items in Section 3 and all of Section 5 which were vetoed.

I further certify that said Act is now identified as Chapter 134, Laws of 1969.
 IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.

(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
 Secretary of State.

Office of the Governor, March 25, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to certain items, SUBSTITUTE HOUSE BILL NO. 24 entitled:

"An Act relating to railroad grade crossings; creating a grade crossing protective fund."

This bill establishes a procedure for identifying needed railroad crossing warning devices and creates a grade crossing protective fund to provide for the state's share of the cost of this program. Since 1961 the Utilities and Transportation Commission has had the authority to allocate to cities and counties funds necessary to defray the costs of installing warning signals. However, no appropriations have been made for this purpose. As a result, there has been no significant increase in the number of warning signals installed at railroad crossings. The primary effect of this bill is to provide state funds for the installation and maintenance of adequate warning signals at railroad crossings. I am in agreement with this principle.

Section 3 of the act calls for the railroad, upon completion of the installation of a crossing signal, to submit its claim for reimbursement for the cost of installation to the state auditor and authorizes the auditor to make such audit as he deems necessary. These provisions are inconsistent with the Budget and Accounting Act.

I am certain that the legislature did not intend to alter established procedures under the Budget and Accounting Act. I have therefore vetoed these provisions.

Section 4 provides that the act shall be operative within the limits of all cities, towns and counties, except first-class cities. Section 5 states, "This 1969 amendatory act shall be operative within the limits of all cities, towns and counties, including cities of the first class." These two sections are obviously inconsistent. Reading the bill, it is clear that the legislature intended that it apply only to railroad crossings within the boundaries of first class cities that the city specifically designates. I have therefore vetoed section 5, which is totally inconsistent with this intent.

With the exception of those certain items in section 3 and all of section 5, which I have vetoed, the remainder of SUBSTITUTE HOUSE BILL NO. 24 is approved.

Respectfully submitted,
 DANIEL J. EVANS
 Governor.

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED HOUSE BILL NO. 52 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of an item in subsection 1 which was vetoed.

I further certify that said Act is now identified as Chapter 135, Laws of 1969.

IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.

(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
 Secretary of State.

Office of the Governor, March 25, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to one item, HOUSE BILL NO. 52 entitled:

"An Act relating to motor vehicles."

This bill was introduced at the request of the Washington State Patrol and amends the "rules of the road". Under current law, a driver is authorized to exceed the speed limit to pass a vehicle driving at less than the legal speed limit. As introduced, the bill was designed

to provide that this exception shall apply only on highways having one lane of traffic in each direction.

An additional item was added to the bill making it also permissible to exceed the speed limit when it is necessary to move to an exit on a multi-lane highway. This item creates a substantial safety hazard.

Traffic safety experts advise that such a maneuver is substantially more dangerous than slowing slightly to move into an exit lane. This provision authorizes a virtually unlimited speed for a substantial distance while an auto is attempting to pass a string of cars to move to an outside exit lane.

In addition, and equally important, the provision permitting a driver to exceed a speed limit in order to move to the outside lane for the purpose of exiting from the freeway will have a deleterious effect on enforcement of the speed laws on our highways. Under the law, not only must proscribed criminal conduct be proven beyond a reasonable doubt, but the provisions must be plain and unambiguous. The item added to the bill by amendment for multi-lane highway travel is not in the best interests of the state.

With the exception of the item discussed in this letter, which I have vetoed, the remainder of HOUSE BILL NO. 52 is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED HOUSE BILL NO. 127 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of a certain item in Section 7 which was vetoed.

I further certify that said Act is now identified as Chapter 13, Laws of 1969.

IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.
(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
Secretary of State.

Office of the Governor, March 8, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I return without my approval as to one item, HOUSE BILL NO. 127 entitled:

"An Act relating to the common schools and the support thereof; authorizing the sale of limited obligation bonds and the use of the proceeds for needed common school plant facilities, modernization of existing common school facilities; providing ways and means to pay said bonds; making appropriations; and declaring an emergency."

This is an emergency school bond construction bill providing for the issuance of \$26,400,000 in bonds and appropriating \$5,755,446 to the state board of education to provide common school plant facilities and modernization of existing common school plant facilities.

Section 7 provides that funds appropriated for the purposes of the act shall be allotted by the state board of education. After the bill passed the House, the Senate added a proviso to the effect that the state board of education may not discriminate either individually or by classification as to non-high school districts in the apportionment of the funds authorized by this emergency act. This would require that non-high school districts receive bond funds if they qualify as emergency districts.

Under present law the allocation of school building funds is the responsibility of the state board of education. The exercise of this power through appropriate rules and regulations is one of the most important functions of the board. The proviso deprives the board of education of a significant part of its responsibility to allocate funds among school districts.

If the legislature intends to withdraw from the board of education this duty, it should consider whether this principle should apply to all state school bond issues and not merely to the funds authorized by this act. Such a step should be taken only after the most careful consideration and in accordance with the normal legislative processes.

Elimination of this proviso from the act does not deprive any non-high district of the opportunity to apply for emergency funds. Elimination of the proviso does restore the responsibility for the allocation of funds for school construction to the board of education.

With the exception of the item in Section 13, which I have vetoed for the reasons set forth above, the remainder of the bill is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED HOUSE BILL NO. 203 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of Section 9 which was vetoed.

I further certify that said Act is now identified as Chapter 114, Laws of 1969.

IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.

(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
Secretary of State.

Office of the Governor, March 25, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to one item, HOUSE BILL NO. 203 entitled:

"An Act relating to accountancy; providing standards for C.P.A. licensees."

This bill amends the qualifications for a license for a certified public accountant and increases the license fees for certified and licensed public accountants and for candidates for examination.

Section 9 of the bill contains a clause providing that the enactment of the act shall not effect those persons licensed as certified public accountants prior to the effective date of this 1969 act. While the intent of this "grandfather" clause was to assure that presently licensed accountants would not be affected by the qualification standards of this act, the legal effect is to relieve them from the obligation of paying increased license fees. This is not in keeping with the intent of the act. I have therefore vetoed section 9.

With the exception of section 9 which I have vetoed for the reasons set forth above, the remainder of the bill is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED HOUSE BILL NO. 346 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of a certain item in Section 8 and all of Section 18 which were vetoed.

I further certify that said Act is now identified as Chapter 133, Laws of 1969.

IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.

(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
Secretary of State.

Office of the Governor, March 25, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I return without my approval as to two items, HOUSE BILL NO. 346 entitled:

"An Act relating to beef and beef products and the sale and promotion thereof; creating a state beef commission; levying assessments; and declaring an emergency."

This is a bill creating a state agency for the purpose of promoting the sale of beef and research for beef producing livestock in this state.

The beef commission would be subject to the same constitutional limitations as any other state agency created by the legislature.

New Section 8, subsection 13, grants the beef commission all the powers and authority granted a corporation under the provisions of RCW 23A.08.020 of the general corporation statutes. In addition to the power to issue stock and pay dividends, the use of the words "all powers" of a corporation include certain powers of a corporation to loan money to its

employees. This would be in conflict with Article 8, section 5 of the state constitution which states that the credit of the state shall not be given or loaned, or in aid of any individual, association, company, or corporation. While I appreciate the intent of the sponsors of the bill in giving the new commission broad powers to accomplish its purposes, I am concerned that the grant of all of the powers of a corporation is too broad to afford adequate protection for the contributors to the fund supporting the commission.

Section 18, page 9, of the bill provides for a refund of any assessment upon application within 60 days.

I do not consider this section to be adequate legislation for the following reasons:

The sponsors of this measure applied the assessment at *each* point of sale, for the express purpose of insuring that all segments of the industry from producer to packer would share in the support of the program.

In my judgment the refund clause in operation will be unfair to the small producer or handler. The small amount of money involved for the small producer at 10 cents a head would make it impractical to go through the procedure of claiming the refund. It would, however, be worthwhile for the large producer or handler.

Furthermore, the uncertainty of income because of the refund clause would make it difficult to budget and maintain commission programs.

With the new Tree Fruit Research Commission, approved by this Legislature, there are now 12 agricultural commodity commissions in this state. None of the 12 has a recovery clause. Neither the 1955 nor the 1961 Agricultural Enabling Act permits a recovery clause on the assessment.

With the exception of a certain item in Section 8 and all of Section 18 which I have vetoed, the remainder of HOUSE BILL NO. 346 is approved.

Sincerely,
DANIEL J. EVANS
Governor.

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of its seal, hereby certify that according to the records on file in my office

Attached is a true and correct copy of ENROLLED HOUSE BILL NO. 388 as passed by the Regular Session of the 1969 Legislature and approved into law by the Governor, with the exception of certain items in Section 5 and Section 6 and all of Section 12 which were vetoed.

I further certify that said Act is now identified as Chapter 132, Laws of 1969.

IN WITNESS WHEREOF I have signed and have affixed the seal of the State of Washington to this certificate at Olympia, the State Capitol, March 27, 1969.

(SEAL OF THE STATE OF WASHINGTON)

A. LUDLOW KRAMER
Secretary of State.

Office of the Governor, March 25, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

(Through the Secretary of State)

LADIES AND GENTLEMEN:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to several items, HOUSE BILL NO. 388 entitled:

"An Act relating to transportation."

In 1965 the Legislature adopted an act that required charter party carriers to obtain an annual permit from the Utilities and Transportation Commission. House Bill No. 388 amends this 1965 act and requires that these passenger carriers obtain certificates of public convenience and necessity from the Commission.

I am in agreement with the purpose of the bill to change the permit system to a system that requires the carriers to obtain certificates of convenience and necessity for their operations. This is in keeping with the concepts of transportation regulation. However, the bill contains unnecessarily restrictive provisions that are contrary to the public interest and serve only the private interests of existing carriers.

Section 5 requires an applicant for a certificate to establish reasonable fitness and financial responsibility to offer charter transportation services. However, all persons holding permits under the present act must be issued a certificate of public convenience and necessity without regard to these standards.

Further, no charter party carrier of passengers initially issued a certificate may be restricted as to point of origin or destination in the state. On the other hand, all holders of certificates issued more than three months after the effective date of the act are limited to a service area no larger than a radius of forty air miles from the home terminal. All holders of existing permits will be given a Class A certificate. All new applicants will receive Class B certificates.

This section unnecessarily discriminates between existing permit holders and persons desiring to establish new passenger charter services. The discrimination extends not only to the issuance of the permit, but to the area that these possible competitors are permitted to serve.

Section 6 authorizes the commission to issue certificates upon finding that the public convenience and necessity require the proposed transportation service. I have vetoed language in this section that is unnecessarily restrictive and adds little to the statute that the requirement of public convenience and necessity does not convey. I have also vetoed the provision authorizing the commission to place such restrictions on new certificates as may reasonably be necessary to protect any existing charter party carrier of passengers. I do not consider this a reasonable criterion for limitations upon certificates.

I have vetoed section 12 in order to make the act consistent with the other items vetoed.

The bill still contains the required measures in order for the Utilities and Transportation Commission constructively to regulate the industry, but with greater flexibility than that allowed by the original bill. I consider this to be more in the public interest.

With the exception of those items which have been vetoed for the reasons stated above, the remainder of HOUSE BILL NO. 388 is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

"All applications for examination must be filed with the director [of licenses] not less than sixty days prior to the date set for the examination. The application fee shall be [forty] sixty dollars, [twenty] thirty-five dollars of which shall accompany the application, the remaining [twenty] twenty-five dollars to be paid upon issuance of the certificate. Should the director deny issuance of a certificate of registration to any applicant, the initial fee shall not be refundable. Graduates of an approved architectural college may apply for and take the examination but shall not be granted certificates of registration until their required office experience is completed.

"Sec. 2. Section 9, chapter 323, Laws of 1959 and RCW 18.08.180 are each amended to read as follows:

"The director may, upon payment of [the current registration fee] fifty dollars, grant a certificate of registration without examination to an applicant who is a registered architect in another state who has had at least the equivalent experience in responsible charge of architectural work or responsible charge of architectural teaching required by RCW 18.08.140: PROVIDED, That such applicant presents evidence that he has satisfactorily completed a written examination equivalent to the national council of architects registration board examination: AND PROVIDED FURTHER, The state in which the applicant is registered grants reciprocal privileges to architects registered in this state.

The [director shall set the yearly] fee for renewal [which fee] shall be [not less than ten] twenty-five dollars [nor more than twenty dollars]. Renewal may be effected during the month of June by payment to the director of the fee set. In case any registrant fails to pay the renewal fee before thirty days after the due date, the renewal fee shall be the current fee plus an amount equal to one year's fee: PROVIDED, That any registrant in good standing may withdraw from practice by giving written notice to the director, and may thereafter resume practice at any time upon payment of the then current annual renewal fee.

"Sec. 4. Section 7, chapter 75, Laws of 1923, as last amended by section 9, chapter 223, Laws of 1967, and RCW 18.15.060 are each amended to read as follows:

Failure to pay the annual license renewal fees before delinquency shall work a forfeiture of the license, but the license may be renewed within three years thereafter without examination upon application therefor by the licentiate, and payment of a fee of fifteen dollars plus all lapsed fees. Should the licentiate allow his license to elapse for more than three years, he must be reexamined as for a new license.

"Sec. 5. Section 6, chapter 149, Laws of 1955, as amended by section 2, chapter 97, Laws of 1965, and RCW 18.22.120 are each amended to read as follows:

"Every person practicing chiropody must renew his license each year and pay a renewal fee of [fifteen] twenty-five dollars.

Each applicant shall be a graduate of a chiropractic school or college accredited and approved by the board of chiropractic examiners and shall show satisfactory evidence of completion by each applicant of a resident course of study of not less than four thousand classroom hours of instruction in such school or college. Applications shall be in writing, and shall be signed by the applicant in his own handwriting and shall be sworn to before some officer authorized to administer oaths, and shall recite the history of the applicant as to his educational advantages, his experience in matters pertaining to a knowledge of the care of the sick, how long he has studied chiropractic, under what teachers, what collateral branches, if any, he has studied, the length of time he has engaged in clinical practice; accompanying the same by reference therein, with any proof thereof in the shape of diplomas, certificates, and shall accompany said application with satisfactory evidence of good character and reputation.

"(2) There shall be paid to the director [of licenses] by each applicant for a license, a fee of [twenty-five] fifty dollars, [ten] twenty-five dollars of which shall accompany application and the remainder, [fifteen] twenty-five dollars, shall be paid upon issuance of license. Like fees shall be paid for any subsequent examination and application.

"Sec. 7. Section 10, chapter 5, Laws of 1919, as amended by section 5, chapter 53, Laws of 1959, and RCW 18.25.070 are each amended to read as follows:

"Every person practicing chiropractic shall, as a prerequisite to annual renewal of license, submit to the director at the time of application thereof, satisfactory proof showing attendance during the preceding year, at one or more chiropractic symposiums which are recognized and approved by the board of chiropractic examiners: *PROVIDED, That this requirement shall be waived by the director when requested by the board of chiropractic examiners.*

"Every person practicing chiropractic within this state shall pay on or before the first day of September of each year, after a license is issued to him as herein provided, to said director a renewal license fee of [fifteen] *twenty-five* dollars. The director shall, thirty days or more before September first, of each year mail to all chiropractors in the state a notice of the fact that the renewal fee will be due on or before the first of September. Nothing in this chapter shall be construed so as to require that the receipts shall be recorded as original licenses are required to be recorded.

"Sec. 8. Section 32, chapter 16, Laws of 1923 and RCW 18.29.070 are each amended to read as follows:

"Every person licensed as a dental hygienist shall pay on or before the first day of October of each year after a license is issued to him a license renewal fee of [one] *ten* dollars and the license renewal certificate which shall be thereupon issued by the director [of licenses], shall be displayed with the license of said licensee.

"Sec. 9. Section 3, chapter 84, Laws of 1959, as amended by section 10, chapter 223, Laws of 1967, and RCW 18.55.065 are each amended to read as follows:

WHEREAS, Cypress Island at present is in large part owned by the state of Washington and a few private owners, some of whom have indicated willingness to sell to the state; and

WHEREAS, There is a great, growing, and undisputed need for a more comprehensive environmental and outdoor educational program, utilizing the limited land resources of the state; and

On page 1, beginning on line 8 following the enacting clause add six new sections as follows:

"Section 1. Section 35.03.010, chapter 7, Laws of 1965 and RCW 35.03.010 are each amended to read as follows:

"Any portion of a county, which portion contains not less than twenty thousand inhabitants [, living within an area of not more than ten square miles,] and which is not incorporated as a municipal corporation, may become incorporated under the provisions of this chapter, and when so incorporated, shall have the powers conferred, or that may hereafter be conferred, by law upon cities of the first class.

"Sec. 2. Section 35.03.020, chapter 7, Laws of 1965 and RCW 35.03.020 are each amended to read as follows:

"A petition shall first be presented under the provisions of sections 1 through 6 of this 1969 amendatory act to the [board of county commissioners] county auditor of such county, signed by at least [one] five hundred qualified electors of the county, residents within the limits of such proposed corporation, which petition shall set forth and particularly describe the proposed boundaries of such corporation, state the name of the proposed corporation, and state the number of inhabitants therein as nearly as may be, and shall pray that the same may be incorporated under the provisions of this chapter. The county auditor shall within thirty days from the time of receiving said petition determine that the legal description of the area proposed to be incorporated is correct and that there is a sufficient number of valid signatures. Upon such determination, the county auditor shall transmit said petitions accompanied by the certificate of sufficiency to the board of county commissioners except that in counties in which a boundary review board exists under chapter 36.93 RCW, said petition and the certificate of sufficiency shall be transmitted to the boundary review board. If a period of sixty days shall elapse from the filing of the said petition with the boundary review board without such board's jurisdiction having been invoked, as provided in RCW 36.93.100, the proposed incorporation shall be deemed to have been approved by the board. Upon presentation of said petition in counties in which there is no boundary review board, the board of county commissioners shall ascertain the number of inhabitants residing within said proposed boundaries. If, in the opinion of the board of county commissioners, the population within such proposed boundaries can be ascertained from the figures compiled from the last federal or state census for said county, such population figures shall be used, otherwise said board of county commissioners shall make an enumeration of all persons residing within said proposed boundaries. If the board of county commissioners shall ascertain that there are twenty thousand or more inhabitants within said proposed boundaries, they shall set a date for hearing on said petition, the same to be published [for a period of at least two weeks] in accordance with the notice required by RCW 29.27.080 prior to such hearing in some newspaper published in said county, together with a notice stating the time and place of the meeting at which said petition will be heard. Such hearing may be adjourned from time to time, not to exceed one month in all, and, on the final hearing, the board of county commissioners shall make such changes in the proposed boundaries as they may find to be proper, but may not enlarge the same, nor reduce the same so that the population therein would be less than twenty thousand inhabitants: PROVIDED, That if the jurisdiction of the boundary review board has been invoked and it has approved the proposed incorporation or has modified it so that the statutory requirements for incorporation have still been satisfied, then the said petition shall not be referred to the board of county commissioners for action and hearing thereon as provided above. Within thirty days after the conclusion of the final hearing on the proposed incorporation before a boundary review board, that board shall file its written decision of approval, modification, or rejection with the board of county commissioners.

"Sec. 3. Section 35.03.030, chapter 7, Laws of 1965 and RCW 35.03.030 are each amended to read as follows:

"If no boundary review board has jurisdiction over a proposed incorporation under sections 1 through 6 of this 1969 amendatory act or such a board's jurisdiction is not invoked within the sixty day period prescribed in RCW 36.93.100, the board of county commissioners shall by resolution establish and define the boundaries of such corporation, establish and find the number of inhabitants residing therein and state the name of the proposed corporation as specified in the petition for incorporation. Within ninety days after the passage of said resolution or the filing of the decision of approval or modification of the boundary review board with the board of county commissioners, the board of county commissioners shall cause an election to be called and held within the boundaries so established, said election to be conducted [as provided in chapter 29.13 RCW as now or hereafter amended] in the manner required for the calling of a special election in Title 29 RCW, as now or hereafter amended, except as otherwise provided in this chapter, for the purpose of determining whether such boundaries so established shall be incorporated [into a city of the first class and the election] and of electing fifteen freeholders, who shall have been residents within said boundaries for a period of at least two years preceding their election and qualified electors of the county, for the purpose of framing a charter for said city. Any qualified person may, not earlier than sixty days nor later than thirty days prior to such election, file with the county auditor of said county his declaration of candidacy in

writing. The form of ballot at such election shall be "for incorporation," "against incorporation"; and shall contain the names of the [freeholders] candidates for the office of freeholder to be voted upon to frame said charter. No person shall be entitled to vote at such election unless he shall be a qualified elector of said county and shall have resided within the limits of such proposed corporation for at least thirty days next preceding such election.

"Sec. 4. Section 35.03.040, chapter 7, Laws of 1965 and RCW 35.03.040 are each amended to read as follows:

"[If at such election a majority of those voting thereat vote in favor of incorporation, the board of county commissioners shall, by resolution entered upon its minutes, declare such territory duly incorporated as a city of the first class under the name of (naming it). Thereafter said city shall have no authority to function as a municipal corporation until a charter has been adopted in accordance with the provisions of this section, except for all purposes necessary for the adoption of such charter.] The fifteen freeholders receiving the highest number of votes at such election shall be certified by the county auditor as elected as freeholders to form a charter for said city provided a majority of those voting at the election referred to in section 3 of this 1969 amendatory act vote in favor of incorporation. It shall be the duty of the persons so elected to convene within ten days after their election and frame a charter for said city, and within sixty days thereafter they, or a majority of their number, shall submit such charter to the board of county commissioners which shall within ninety days thereafter cause another election to be called and held in said city and to be conducted [as provided in chapter 29.13 RCW as now or hereafter amended] in the manner required for the calling of a special election in Title 29 RCW, as now or hereafter amended, except as otherwise provided in this chapter, and in conformity with article 11, section 10 of the Constitution, for the purpose of submitting said charter to the qualified electors of said city and for the election of the various elective officials to the respective offices named in said charter. The form at such election shall be "for proposed charter," "against proposed charter," and the names of the candidates for the respective offices named in said proposed charter. At the first election of officials for said city any qualified elector of said city may become a candidate for any of the elective offices set forth in such proposed charter without nomination by filing with the proper election officials of the county a declaration in writing that he desires to be a candidate for a particular office (naming it), such declaration to be filed not earlier than sixty nor later than thirty days prior to such election. Candidates for council positions shall file for a numbered position as provided by RCW 29.21.017. The candidates receiving the highest number of votes for the respective offices shall be declared elected to such office and the county auditor shall issue a certificate of such election. After the first election the nomination and election of officials for said city shall be as prescribed in the charter adopted by the people and the laws of the state. No person shall be entitled to vote at such election unless he shall be a qualified elector of said city and shall have resided within the limits of said city for at least thirty days preceding such election. If a majority of all the votes cast on the proposed charter are not in favor of the proposed charter, no further proceeding shall be had on the petition for incorporation filed pursuant to section 2 of this 1969 amendatory act, but this shall not bar any new proceeding for such purpose.

"Sec. 5. Section 35.03.050, chapter 7, Laws of 1965 and RCW 35.03.050 are each amended to read as follows:

"If a majority of the votes cast [at] on such [election] charter are cast in favor of ratification of such charter, the same shall become the organic law of said city, and shall supersede all special laws inconsistent therewith, when authenticated, recorded and attested as hereinafter provided: I,, chairman of the board of county commissioners for county, do hereby certify that, in accordance with the provisions of chapter . . . of the Laws of 19. . ., of the state of Washington, the county commissioners of said county duly caused an election to be held on the day of, 19. . ., within the boundaries hereinafter described, for the purpose of determining whether or not the same should be incorporated [into a city of the first class] and for the purpose of electing fifteen freeholders to form a charter for such city, said boundaries being described as follows: (describe proposed boundaries). RESOLUTIONS

HOUSE RESOLUTION NO. 69-72, by Representatives Flanagan, Bledsoe, Bozarth, Jolly, Haussler and Evans:

WHEREAS, The amount of land that can be served by the Columbia Basin Project is limited to the capacity of the Bacon Siphon and Tunnel; and

WHEREAS, The entire capacity of that structure is presently completely utilized; and

WHEREAS, Continued development in the Columbia Basin Project is dependent on the added capacity that would be supplied by the second unit of the Bacon Siphon and Tunnel; and

WHEREAS, A bid call on the structure had been scheduled for May 8th of this year by the Bureau of Reclamation; and

WHEREAS, The bid opening has been "postponed" and call for bids "canceled" by the Bureau of Reclamation as a result of a request by President Nixon that all departments review their budgets now before Congress in an effort to curtail spending for the next fiscal year; and

WHEREAS, Completion of the Columbia Basin Project has been seriously jeopardized by this action;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives of this Forty-first Legislative Session, That orderly completion of the Columbia Basin Project is essential to Washington's water resource development plans; and

BE IT FURTHER RESOLVED, That President Nixon is hereby urged to review the impact of action that in effect will terminate further development of the Columbia Basin Project, and urged, further, not to reduce the administration reclamation budget for FY 1970, already at a minimum, if the national reclamation program is to be maintained; and

BE IT FURTHER RESOLVED, That copies of this resolution be forwarded by the Chief Clerk of the House of Representatives to the Honorable Richard M. Nixon, President of the United States; the Honorable Robert P. Mayo, Budget Bureau Director; the Honorable Walter J. Hickel, Secretary of the Interior; the Honorable Floyd Dominy, Commissioner of Reclamation; and each member of Congress from the State of Washington.

WHEREAS, The construction of common school facilities comprises a substantial expenditure of state and local public funds; and

WHEREAS, It is in the best interests of the public that optimum school facilities be provided in the most economical manner; and

WHEREAS, Probable savings on school construction may be attained by increasing communication and cooperation during the planning of said construction and prior to any decision as to the adoption of final plans therefor; and

WHEREAS, Louis Bruno, the Superintendent of Public Instruction, has indicated as a part of his program the appointment of a committee to study school construction costs and the means whereby economies might be affected, said committee to be composed of school directors, architects, contractors, educators and the public;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That Louis Bruno, the Superintendent of Public Instruction, be complimented for initiating this study to determine savings in school construction costs; and

BE IT FURTHER RESOLVED, That in keeping with the purposes of this study the Superintendent of Public Instruction invite a member of the Joint Committee on Education to be a member of this committee; and

BE IT FURTHER RESOLVED, That the construction industry be encouraged to volunteer their expertise to school districts during the planning stages of school construction regarding construction technology and bidding techniques to implement savings in any contemplated construction; and

The Seattle Master Builders Association;

The American Society of Civil Engineers;

The Washington State Labor Council.

On motion of Mr. Hoggins, the resolution was adopted.

HOUSE RESOLUTION NO. 69-74, by Representatives Kink, Copeland, Litchman, Merrill, Wolf, Adams, Anderson, Bagnariol, Berentson, Bledsoe, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Evans, Flanagan, Francis, Gallagher, Goldsworthy, Grant, Harris, Haussler, Heavey, Hoggins, Jastad, Jolly, Juelling, Kalich, King, Kuehnle, Leland, Marsh, Martinis, Marzano, May, McCormick, Mentor, Moon, Morrison, Newhouse, O'Dell, Pardini, Randall, Richardson, Rosellini, Saling, Savage, Sawyer, Smythe, Spanton, Swayze, Thompson, Veroske, Wanamaker and Wojahn:

WHEREAS, There rests within the city of Seattle as the envied possession of the University of Washington a fifty-five thousand seat stadium, one of the finest of its kind in the nation, and the necessary accouterments thereto commonly known as indestructible asphalt turf; and

WHEREAS, Sitting silent and solitary except for a few Saturday afternoons during the fall season, its bulk valued at some thirty-one million dollars, such stadium may well represent a wasted public resource, since its utilization might be five times that at present without interfering with its being the home of the University of Washington Huskies football team; and

WHEREAS, The lease or rental of such stadium is desired not only by professional sport promoters but by other universities and colleges within the Northwest; and

WHEREAS, Estimates of probable income from the rental of such stadium for professional football itself range in the million-dollar-a-year bracket; and

WHEREAS, Interest in the rental of such stadium by professional sport promoters is exemplified by the story out of Boston this week that the Boston Patriots of the American Football League "are on the threshold of moving to Seattle" because of their insolvable stadium problems, and, likewise, the Buffalo Bills of said league are highly interested in moving their franchise to Seattle;

NOW, THEREFORE, BE IT RESOLVED, By this House of Representatives, That the Legislature's interest in the procurement of sports entertainment for the citizens of this state, coincident with the substantial revenue forthcoming from the lease or rental of the stadium for sports purposes, be impressed upon the Board of Regents of the University of Washington, said House members being of a mind that sports activities of the University of Washington should always be the University's first consideration; that the Board of Regents in furthering the University's interests should perhaps think more affirmatively in the promotion of sports events at the stadium, whether of an amateur or a professional nature, being aware that a more complete utilization of any facility must necessarily result in a greater worth to the community of which it is a part; and it is the honest hope of the members of this body that the Board of Regents of the University of Washington shall expend their utmost efforts in an attempt to accommodate to the satisfaction of all parties a more fully realized sports program for the citizens of this State; and

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives send a copy of this resolution to the Honorable Daniel J. Evans, the Governor of this Great State, and to each and every member of the University of Washington Board of Regents.

Mr. Kink moved adoption of the resolution.

Mr. Clark (Newman H.) moved adoption of the following amendment to the resolution:

On page 1, line 5, after the word "WHEREAS," strike the remainder of the resolution and add in lieu thereof the following: "The costs of construction, maintenance, improvements and additions of the stadium have been affected by the millions of loyal, enthusiastic, zealous and devoted participants in sports and their worshiping fans and the citizens of this state; and

"WHEREAS, It would be illegal and a breach of good faith by the members of the Legislature to disregard the passage of a bond issue of forty million dollars for the construction of a multi-purpose stadium, which will have everlasting and various extensive uses and benefits to the citizens of this state, for which by vote thereof a mandate has been given to this legislature;

NOW, THEREFORE, BE IT RESOLVED, By this House of Representatives, That there shall not now or hereafter be any authorized or other use permitted by the Board of Regents of the University of Washington stadium which is of a professional or commercial sports purpose; and

BE IT FURTHER RESOLVED, That the chief clerk of the House send a copy of this House resolution to the Honorable Daniel Evans, the Governor of this Great State, and to each and every member of the University of Washington Board of Regents."

POINT OF ORDER

Mr. Kink: "Mr. Speaker, the content of the amendment I think would be out of order because it changes the whole concept of the resolution and places it in a negative position."

The Speaker: "I think, Mr. Kink, I would have to allow the amendment. It seems to me we are talking about a pretty broad subject here, and I think the amendment would be germane."

Debate ensued, Representative Clark (Newman H.) speaking in favor of adoption of the amendment, and Representative Kink speaking against it.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The amendment by Mr. Clark was lost.

The resolution was adopted.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Renumber the remaining sections consecutively.

On page 4, beginning on line 5 following section 2 of the printed bill, add a new section as follows:

ENGROSSED SENATE BILL NO. 150, by Senators Williams and Uhlman:

Section 1, line 20, after "generally," insert "In the event said vehicle is not reclaimed within forty-eight hours the firm shall provide written notice by certified mail, return receipt requested, to the registered owner of the vehicle at the last address shown on his registration certificate."

The committee amendment as amended was adopted.

Mr. Clarke (George W.) moved adoption of the committee amendment to section 1, line 20.

Mr. Whetzel moved adoption of the following amendment to the committee amendment:

Strike the amendment by the Committee on Judiciary to section 1, line 20, and in section 1, line 20, after "generally," insert "If the vehicle is not reclaimed within five days after the towing firm has received custody of such vehicle, the towing firm shall give notice of its custody to the department of motor vehicles and the chief of the Washington state patrol and within five days after having received the name and address of the owner, he shall notify the registered and legal owner of the same with copies of such notice being sent to the chief of the Washington state patrol and to the department of motor vehicles. The notice to the registered and legal owner shall be sent by the towing firm to the last known address of said owner appearing on the records of the department of motor vehicles, and such notice shall be sent to the registered and legal owner by certified or registered mail with a five-day return receipt requested. Such notice shall contain a description of the vehicle including its license number and/or motor number if obtainable, and shall state the amount due the towing firm for services in the towing and storage of the same and the time and place of public sale if the amount remains unpaid.

"The department of motor vehicles shall supply the last known names and addresses of registered and legal owners of vehicles appearing on the records of the department to the towing firm on request without charge."

Representative Whetzel spoke in favor of adoption of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Whetzel yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Whetzel, there have been several articles in the paper about towing firms allowing the storage bill to run up fairly substantially without telling the owner that his lost or stolen car was at their place of business. Is this amendment to the committee amendment going to require them to send some kind of notice to the owner that his car is down there?"

Mr. Whetzel: "Yes, the bill apart from this amendment requires prompt notice to the appropriate law enforcement authority and the amendment requires notice to the registered legal owner. In order to give the proper notice they have to go to the department of motor vehicles; they furnish this information; and then it is sent out appropriately."

POINT OF INQUIRY

Mr. Whetzel yielded to question by Mr. Hawley.

Mr. Hawley: "Under this bill, how about a car that is not registered with the department of motor vehicles? What would happen to out-of-state cars?"

Mr. Whetzel: "I think the towing firms will have to take whatever steps they take now under the law. If they pick up a car on the street that has overstayed its parking, they hold the car and make an effort to find who the registered legal owner is, and this bill would not in any way change that procedure."

The amendment by Mr. Whetzel to the committee amendment was adopted.

The committee amendment as amended was adopted.

On motion of Mr. Whetzel, the following amendment was adopted:

In section 1, line 7, after "chapter" and before "RCW" strike "46.48" and insert "46.52"

On motion of Mr. Whetzel, the following amendment to the title was adopted:

On page 1, line 4 of the title strike "46.48" and insert "46.52"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 150, as amended by the House, was placed on final passage.

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, I question whether the amendment will fit under the title of the bill."

The Speaker declared the House to be at ease.

POINT OF INQUIRY

Mr. Clarke (George W.) yielded to question by Mr. Hawley.

Mr. Hawley: "The amendment to page 22 relates to the proceeds of sales of salmon. What is the application of the amendment? Was there a bill passed concerning this?"

Mr. Clarke: "I assume, Mr. Hawley there must have been. These amendments were prepared by the code reviser's office for the purpose of conforming to enactments this session."

Mr. Hawley: "I see. I was just wondering what it had to do with justice fees. In other words, would a portion of these fines go into the general fund where these other proceeds go?"

Mr. Clarke: "I would assume so, yes."

The committee amendment to page 22 was adopted.

On motion of Mr. Clarke, the committee amendments to the title were adopted.

Renumber the remaining sections consecutively.

Representatives Whetzel and Leland spoke in favor of adoption of the amendment.

The amendment by Representatives Whetzel and Gallagher was adopted.

Mr. Leland moved adoption of the following amendment:

On page 11, section 17, line 8, after "shall be" strike the remainder of the section and insert "operative as to all such acquisitions which were completed after August 23, 1968 but before the effective date of this act, in connection with which representations were made to and relied upon by displaced persons, that as an inducement to settle, relocation assistance would become available to them upon the enactment of enabling legislation."

PARLIAMENTARY INQUIRY

Mr. Heavey: "I have an amendment which precedes this one. It is on line 9, page 11. Unless I misheard it, this one is on line 17, page 11. I have no objection to it being considered first so long as mine is not going to be out of order when it is offered."

The Speaker: "No, your amendment adds new sections 18 and 19. Mr. Leland's amendment perfects section 17."

Representative Leland spoke in favor of adoption of the amendment.

The amendment was adopted.

The clerk read the following amendment by Mr. Heavey:

On page 11, line 9, after section 17 add the following new sections and renumber the remaining sections:

"Notwithstanding any other provision of law to the contrary, the fact that property is publicly owned as a park or permanently dedicated for public use as a park or open space shall be prima facie evidence of its having been appropriated for the most necessary public use, and that such use is the highest and best use.

"NEW SECTION. Sec. 19. There is added to Title 8 RCW a new section to read as follows:

"No agency of the state, county, municipality, public utility, local improvement district, or other entity having the power of eminent domain shall acquire any real property by condemnation or by threat of condemnation for the purpose of utilizing such property for any nonpark facility when such property is in use as a public park at the time of such acquisition, or has been permanently dedicated for use as a public park or open space and is administered by a public agency or trust, unless, upon demand therefor, adequate provision

has been made to assure that an equal amount of new park or open space with equivalent facilities will be made reasonably equally accessible for public use in the same general vicinity as the parkland which is acquired: PROVIDED, HOWEVER, That such agency of the state, county, municipality, public utility, local improvement district, or other entity having the power of eminent domain shall have the power of eminent domain to acquire new park or open space through the exercise of the power of eminent domain for the purpose of carrying out the intent of this statute."

PARLIAMENTARY INQUIRY

Mr. Newhouse: "Mr. Speaker, I notice that this amendment as proposed by Mr. Heavey is exactly the same as Engrossed Senate Bill No. 218 which I believe was handled in Natural Resources Committee and is also the same as House Bill No. 235 (except for a proviso) which was in Natural Resources Committee. I wonder if the amendment is in order at this time."

POINT OF INFORMATION

Mr. Heavey: "This is not the same. The amendment applies to parks and/or open spaces, not just parks, so it is different in context."

RULING BY THE SPEAKER

The Speaker: "It would appear that according to Rule 32: '... no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the House.', a measure has to be pending. It is my understanding that Engrossed Senate Bill No. 218 is not pending at this time. Was it in your committee, Mr. Flanagan?"

POINT OF INFORMATION

Mr. Flanagan: "Senate Bill No. 218 was in Natural Resources Committee. We had a very thorough hearing on it. A large number of people attended. Twelve or fifteen people talked on the bill and after very thorough discussion and analysis the committee voted to indefinitely postpone the bill by a vote of about 13 to 2."

The Speaker declared the House to be at ease.
The Speaker called the House to order.

POINT OF ORDER

Mr. Leland: "Mr. Speaker, I raise a point of order that it is a matter no longer pending before the body."

RULING BY THE SPEAKER

The Speaker: "Indefinite postponement by a committee does not constitute having the bill out of the hands of the House. If it had been indefinitely postponed by the House that would be a different matter. Your point is not well taken."

POINT OF ORDER

Mr. Leland: "In the case of House Bill No. 235 which was before the legislature and is no longer pending because of the cutoff date, I would ask you to rule also."

RULING BY THE SPEAKER

The Speaker: "I think your point is not well taken with relationship to House Bill No. 235 because Mr. Heavey's amendment is not a direct lift of the bill."
Mr. Heavey moved adoption of the amendment.
Debate ensued, Representative Heavey speaking in favor of adoption of the amendment, and Representative Newhouse speaking against it.

PARLIAMENTARY INQUIRY

Mr. Whetzel: "I notice that the amendment by Representative Heavey involves two sections—section 18 and section 19. Would it be possible to divide the question so that we could vote on section 18 first and then section 19?"

The Speaker: "It would appear that if you want to move that the question be divided and the motion is sustained by the House, we could do that, Mr. Whetzel."

MOTION

Mr. Whetzel moved to divide the question and consider section 18 and section 19 of Mr. Heavey's amendment separately.

The motion was lost on a rising vote.

The Speaker declared the question before the House to be the amendment by Mr. Heavey.

Further debate ensued, Representative Leland speaking against the amendment, and Representative Sprague speaking in favor of it.

POINT OF ORDER

Mr. Leland: "Mr. Speaker, we are discussing a relocation bill with impact on park purposes and not the R. H. Thomson freeway."

The Speaker: "I think, Mr. Sprague, it might be advisable to stick to the amendment."

Representative Sprague concluded his remarks in favor of the amendment.

Representative Bledsoe spoke against adoption of the amendment by Mr. Heavey to Engrossed Senate Bill No. 310.

Mr. Brown moved adoption of the following amendment to the amendment by Mr. Heavey to Engrossed Senate Bill No. 310:

Amend the amendment by Mr. Heavey as follows: Beginning on line 3, delete new section 18 and renumber the remaining section consecutively.

Representative Brown spoke in favor of adoption of the amendment to the amendment.

POINT OF ORDER

Mr. Garrett: "Mr. Speaker, I raise a point of order on Mr. Brown's amendment. I think the House decided this question a moment ago when they voted they did not want to divide the amendment. I think the matter has already been decided."

RULING BY THE SPEAKER

The Speaker: "There is some question about the amendment due to the fact that the House refused to concur in the motion to divide the question. However, both parties involved have agreed that this would probably be the appropriate manner in which to handle this particular situation. In view of that, the Speaker would rule that the floor amendment by Mr. Brown would be in order."

Debate ensued, Representative Heavey speaking in favor of adoption of the amendment by Mr. Brown to the amendment, and Representative Leland speaking against it.

POINT OF ORDER

Mr. Heavey: "My point of order is that Mr. Leland is not directing his remarks as to why we should not delete section 18."

The Speaker: "Mr. Leland, I wonder if you couldn't confine your remarks to the amendment that is before us."

Representative Leland concluded his remarks in opposition to the amendment to the amendment.

Representative Beck spoke against adoption of the amendment by Mr. Brown to the amendment by Mr. Heavey to Engrossed Senate Bill No. 310.

POINT OF ORDER

Mr. Heavey: "Mr. Beck is not directing his remarks as to why section 18 should be deleted from this amendment."

The Speaker: "Mr. Beck, would you try to confine your remarks to the amendment?"

Representative Beck continued his remarks in opposition to the amendment to the amendment.

RULING BY THE SPEAKER

The Speaker: "I think you are way off the discussion on the amendment, Mr. Beck. Will you confine your remarks to the amendment to delete the section, please."

Representative Beck concluded his remarks in opposition to the amendment to the amendment.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The amendment by Mr. Brown to the amendment by Mr. Heavey to Engrossed Senate Bill No. 310 was lost.

The Speaker declared the question before the House to be the amendment by Mr. Heavey.

MOTION

Mr. Heavey moved that the House defer further consideration of Engrossed Senate Bill No. 310 on second reading and the bill be ordered placed at the end of today's second reading calendar.

Debate ensued, Representative Heavey speaking in favor of the motion, and Representative Wolf speaking against it.

The motion was lost.

The Speaker declared the question before the House to be the amendment by Mr. Heavey.

Mr. Litchman demanded an electric roll call and demand was sustained.

"NEW SECTION. Sec. 4. For the purpose of appointment of retired judges to the pro tem pool, as herein provided for and for the administration of such pool under the terms of this act, there is established a judges' appointment commission consisting of five members, two of which shall be superior court judges, one retired, and one in active service, to be appointed by the president judge of the superior court judges association, and one to be a judge of the state supreme court appointed by a majority vote of the judges thereof and two nonjudicial members appointed by the governor. "NEW SECTION. Sec. 6. Upon receipt of an application from a retired judge for inclusion in the pro tem pool the commission shall make such inquiry and examination as it may deem necessary and practical to determine the current qualifications and capacity of such judge to act as a pro tem, and the current need for his services. In the event the qualifications and need are found to be present, the commission shall issue a declaration placing him upon the pro tem list, and he shall thereupon become subject to sections 3 through 14 of this enactment.

"NEW SECTION. Sec. 7. Every judge of a court of record of this state who is placed upon the retired judge pro tem list as provided in section 6 of the 1969 amendatory act shall be entitled to receive monthly during the period he remains on such list, out of the judges' retirement fund, a percentage of the salary herein received by a regularly elected judge of the highest court in which he served prior to retirement. The amount received hereunder in excess of the amount which he would otherwise receive under RCW 2.12.030 shall be reimbursement for his pro tem service and availability: PROVIDED, That such amount shall be reduced by one-half of any amount received during any month under federal old age and survivors insurance.

A request for a pro tem judge may be initiated by a judge, or by a majority of the judges (if there be more than one) of the superior court of any county, or by any division of the court of appeals. The judges' appointment commission shall determine whether a pro tem judge shall be furnished and shall designate the retired judge who shall hold court pursuant to such request. The judges' appointment commission shall establish rules and direct the administrator for the courts to make such determinations and designations pursuant to the rules in the interim between meetings of the commission.

"NEW SECTION. Sec. 10. "NEW SECTION. Sec. 11. No judge who is a member of the retired judges' pro tem pool shall engage in the practice of law, and any judge who violates this provision shall be ineligible to serve as a pro tem judge for one year from the date of such violation, and the full amount of his retirement pay shall likewise be suspended during such period. "NEW SECTION. Sec. 12. The commission may at any time reassess the qualifications of or the need for continued availability of any judge on the retired judges' pro tem list, or the effectiveness of his participation, and upon thirty days' notice remove him from such list, in which case his retirement benefits shall be the same as provided in section 13 of this 1969 amendatory act. The primary purpose of this enactment is to provide the public with the availability of an adequate number of qualified pro tem judges and the determination of the commission shall be final.

"NEW SECTION. Sec. 13. Any retired judge on the pro tem list shall have the right, upon the giving of thirty days' notice to the commission, to have his name removed from the list. Should any judge have his name removed from the list under the provisions of this section or section 12 of this 1969 amendatory act, then his retirement pay shall revert to the retirement pay provided for in RCW sections 2.12.012 through 2.12.030, as now or hereafter amended, plus an additional pension benefit based upon three percent of his salary for each year or major part thereof of service in the pro tem pool, but not to exceed a total pension benefit of eighty percent: PROVIDED, That no judge shall receive any additional pension benefits after his removal from the pro tem pool unless he shall have served in the pro tem pool for three or more years: PROVIDED FURTHER, That, the retirement pay and all percentages under this section shall be based upon the salary being received at the time the judge leaves the pro tem pool by a regularly elected judge of the highest court in which he shall have served prior to his retirement from the bench.

"NEW SECTION. Sec. 14. No judge who has at any time accepted the benefits of this act and had his name placed in the pro tem pool and no judge whose period of judicial service commences subsequent to the effective date of this act shall receive any retirement pay under this act or under chapter 229, Laws of 1937 and RCW 2.12 during any calendar year in which he engages in the practice of law. As to judges whose period of judicial service commenced prior to the effective date of this act, the election to accept the benefit of this act constitutes a waiver and permanent abandonment of any rights not provided for in this act.

WHEREAS, The incidence and the amount of air pollution within the state is ever increasing; and

WHEREAS, The Fortieth Session of the Legislature enacted the Washington Clean Air Act, chapter 70.94 RCW, in which the Department of Health, the State Air Pollution Control Board and the Regional Air Pollution Control Agencies were given broad and comprehensive authority to adopt and enforce ambient air quality standards and air emission standards; and

WHEREAS, The continuing and increasing amount of air pollution particularly within the Puget Sound region indicates that either additional powers need be granted or the previously enumerated enforcement agencies are inadequately enforcing existing regulations adopted pursuant to the "Washington Clean Air Act";

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council is directed to undertake a study and to prepare drafts of proposed curative legislation that would:

(1) Determine the recommended quantity of allowable pollutant emissions from each type of major industrial facility located within the Puget Sound region;

(2) Determine the amount of air pollution within this state caused by the exhaust fumes of all motor vehicles with internal combustion engines and to recommend the installation or attachment of appropriate mechanical devices on such engines that will reduce the quantity of noxious exhaust emissions to a recommended level;

(3) Determine the need for additional statutory enforcement powers by all agencies enumerated in chapter 70.94 RCW.

BE IT FURTHER RESOLVED, That the Legislative Council submit the results of this study and the drafts of any proposed legislation to the Forty-second Session of the Legislature, thirty days prior to the convening thereof.

WHEREAS, The United States Congress recognized this need by requiring in Public Law 90-248 that welfare agencies provide for the training and effective use of such volunteers; and

WHEREAS, Due to the increased hazards of traffic and other liability exposure, it appears that some form of liability insurance coverage should be provided by the state for these unpaid volunteers; and

WHEREAS, Information should be developed to examine the scope of the problem and determine appropriate relief;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That:

(1) An in-depth study is requested to determine the particular need for insurance and the extent of coverage that might be appropriate for volunteers providing service for state agencies;

In presidential election years, the convention shall nominate presidential electors, select delegates to national convention, and perform such other acts which by custom or practice are usual for such convention. "NEW SECTION. Sec. 30. Each major political party shall provide for the holding of precinct caucuses in accordance with sections 29 through 41 of this act. Such caucuses shall be held in each even-numbered year on the first Tuesday of March at 8:00 p.m. at a location within each precinct if reasonably practicable or within a reasonable distance therefrom. Any person may attend such precinct caucus, however, only registered voters residing in the precinct may vote at the precinct caucus. No person may vote in more than one precinct caucus nor shall any proxies or absentee ballots be allowed.

"NEW SECTION. Sec. 31. The county chairman of each major political party shall arrange for adequate publicity of the location of each precinct caucus for his party. During the week preceding the last Tuesday in February, locations shall be provided by the county chairman to all newspapers of general circulation covering the area in which the caucus is to be held, and to the radio and television stations in the same areas; and on or before the last Tuesday in February, the county chairman shall also file with the county auditor, a complete list of the location of all precinct caucuses. If a location is unknown, but there is an elected or appointed precinct committeeman for the precinct, the precinct committeeman's name, address, and his telephone number, shall be set forth in lieu of the location.

"NEW SECTION. Sec. 32. The county chairman of each major political party shall file a list of the names and addresses of all elected and appointed precinct committeemen designating whether the precinct committeeman was elected or appointed, with the county auditor on or before the last Tuesday of January in each even-numbered year. In any precinct in which there is no precinct committeeman designated upon said list, any three registered voters in a precinct may petition the county auditor to hold a precinct caucus for a major political party in the precinct in which they are registered. Such petition shall be verified under oath, be signed by the petitioners and designate one of the petitioners to be the temporary chairman of the caucus. The temporary chairman designated in the first petition filed for each major party in each precinct shall be the temporary chairman and shall perform the duties in connection with the precinct caucus that are required of elected and appointed precinct committeemen.

"NEW SECTION. Sec. 33. Each precinct committeeman shall be primarily responsible for obtaining the location and making necessary arrangements for a precinct caucus in his precinct. Said notices to be of a size not less than eight and one-half inches by eleven inches.

"NEW SECTION. Sec. 34. The precinct caucus shall be called to order by the temporary chairman who shall be the precinct committeeman or the person designated in the first filed qualifying petition. An elected precinct committeeman shall serve as a permanent chairman of the caucus unless he is absent or declines to so serve. In precincts where there is no elected precinct committeeman, the temporary chairman may be elected permanent chairman. The order of business at each precinct caucus shall be: (1) election of permanent chairman, as necessary; (2) election of secretary; (3) and shall include (a) nomination and the election of delegates and alternates to the county convention; (b) resolutions, platform discussions and such other business as may be appropriate for the caucus. A precinct caucus shall not be adjourned earlier than 9:00 p.m. No caucus shall be recessed and removed to another location. The nomination and election of delegates and alternates shall not commence earlier than 8:30 p.m. The chairman, secretary, delegates and alternates shall be registered voters in the precinct.

"NEW SECTION. Sec. 35. Each precinct caucus shall elect three delegates to the county convention, and in the case of class AA and A counties, to the legislative district caucuses if such be held; PROVIDED, HOWEVER, That if the precinct has an elected precinct committeeman he shall be an automatic delegate, and the caucus shall elect only two delegates. Each caucus shall elect three alternate delegates which shall be designated as first, second and third alternates respectively. The first alternate shall fill the first vacancy occurring in the delegation at the convention, the second the next vacancy and the third the next vacancy, if such should occur. In all elections, nominations shall be made from the floor and a candidate may be permitted to speak or answer questions of the participants of the caucus. Any registered voter in the precinct who is not attending another precinct caucus shall be eligible to be a delegate or alternate. If more than two candidates shall be placed in nomination for any office, the participants shall first vote upon all nominees. If one candidate receives the majority of all votes cast, he shall be declared elected. If no candidate receives the majority of all votes cast, the two receiving the highest number of votes shall then become the nominees, to be voted upon. The participants shall then vote on those two persons and the one receiving the highest number of votes shall be declared elected. Any tie votes shall be decided by a flip of a coin.

"NEW SECTION. Sec. 36. Within forty-eight hours after the precinct caucus, the permanent chairman shall mail to the county chairman of the political party a certified

report of the results of the caucus elections including all resolutions adopted. Such report shall be on a form provided by the political parties. It shall be a three-copy form and shall contain at least the following information: (1) the name or number of the precinct, the legislative district, the county, and the United States congressional district wherein the precinct is located; (2) the name and address of each participant in the caucus. A participant's signing of the report form as a means of registration shall constitute a certification by him that he is a duly registered voter in the precinct and thus eligible to participate in the caucus; (3) the name and address of the elected precinct committeeman, if any; (4) the name and mailing address of each elected delegate and alternate. Alternates shall be designated as first alternate, second alternate and third alternate; (5) the name and address of the permanent chairman and secretary of the caucus. The permanent chairman and secretary shall then sign the report and such signatures shall constitute a certification that the report is true and correct. The permanent chairman of the caucus shall retain one copy of the report form and mail the other three copies to the county chairman. Upon receipt of the caucus report forms, the county chairman shall retain one copy and shall forward, no later than the second Tuesday of March, one copy to the chairman of the state central committee.

"NEW SECTION. Sec. 37. Each major political party shall hold a county convention in each county of the state within forty-five days following the precinct caucuses; however, in class AA and class A counties where legislative district caucuses are held, the county convention shall be within sixty days after the precinct caucuses. The only delegates to the county convention and legislative district caucuses shall be those elected at the precinct caucuses and elected precinct committeemen, and partisan public elected officials residing within the county and the county chairman, vice chairman, state committeeman and state committeewoman. The county convention and district caucuses, if such be held, shall elect delegates to the state convention in accordance with the call of the state committee. Each convention shall be the judge of the qualifications of its own members: PROVIDED, That all elected state legislators be automatic at large delegates to their respective party county and state conventions. Notice of the time and place of the county convention and any legislative district caucuses which may be held, shall be mailed by the county central committee no later than ten days prior to the convention and caucus, to every delegate and alternate to said convention or caucus.

"NEW SECTION. Sec. 38. At all party conventions, caucuses and meetings, the unit rule shall not be permitted, all nominations shall be from the floor, and all business shall be governed by Robert's Rules of Order (Revised) except where such rules are inconsistent with sections 29 through 41 of this act.

"NEW SECTION. Sec. 39. If an elected or appointed precinct committeeman or officer of a major political party signs a certificate evidencing a nomination made at a minor party convention or votes at a precinct caucus of a different major political party, he shall be deemed to have resigned his office in his major political party and a vacancy shall exist.

"NEW SECTION. Sec. 40. Any person who (1) wilfully fails to perform the duties prescribed and imposed upon him by this act; or (2) certifies the results of a precinct caucus as true, knowing in fact them to be otherwise; or (3) certifies that he is a duly registered voter in a precinct, where in fact he is not; shall be guilty of a misdemeanor and, upon conviction, shall forfeit any office held in a political party.

"NEW SECTION. Sec. 41. If any provision of sections 29 through 41 of this act is declared unconstitutional, or the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of sections 29 through 41 of this act in its application to other persons and circumstances shall not be affected."

SECOND READING

ENGROSSED SENATE BILL NO. 556, by Senators Sandison, Durkan and Peterson (Ted) (by departmental request):

Providing tenure and leave provisions for community colleges.

The bill was read the second time.

Mr. Randall moved adoption of the following amendment:

On page 1, beginning on line 14 following the enacting clause add three new sections as follows:

"NEW SECTION. Section 1. Every school district by action of its board of directors shall adopt annual salary schedules and reproduce the same by printing, mimeographing or other reasonable method, which shall be the basis for salaries for all certificated employees in the district. The salary schedules shall provide for an annual one hundred eighty day base salary with regular increment increases within the series of steps provided for each position classification in which certificated employees are employed, and extra duty pay, except for those cases where extra duty assignments cannot be described on a per diem basis, in which cases the schedules shall specify the compensation for such extra duties or responsibilities: PROVIDED, That nothing in this section shall prevent any school district from contracting for the employment of a certificated employee for more than one hundred eighty days, but the salary base for one hundred eighty days as in this section provided shall then be

determined by dividing the contractual salary by the number of contracted days and multiplying the result by one hundred eighty. The salary schedules may be amended by the board from time to time, and the then current schedules shall be made available on request to the state superintendent of public instruction, the county or intermediate district superintendent, and any employee of that school district.

"NEW SECTION. Sec. 2. All contracts required by RCW 28.67.070 with certificated employees and salaries stated therein shall be determined on a pro rata basis of no less than one-one hundred-eightieth of the individual's salary base as defined in section 1 of this 1969 amendatory act for each day of duty over one hundred eighty days, except for those cases where extra duty assignments cannot be described on a per diem basis, in which cases the contracts shall specify the compensation for such extra duty. Every such contract shall clearly specify by description directly, or by reference, all regular and extra duties which are to be performed by the employee. Additional duties agreed upon by the school district and employee after the making of the regular contract and compensation therefor shall be appended to the contract by supplemental contract. No such employee shall be required to perform duties not described in the contract unless a new or supplemental contract is made, except that in an unexpected emergency the board of directors or school district administration may require the employee to perform other reasonable duties on a temporary basis.

"NEW SECTION. Sec. 3. School districts which employ substitute teachers on a continuing basis of twelve or more days within a calendar month shall compensate such employees commensurate with their training and experience and at a per diem salary in proportion to the salary for which that employee would be eligible as shown on the district's salary schedules."

Representatives Randall and Zimmerman spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Goldsworthy.

Mr. Goldsworthy: "Is it your opinion that there is no fiscal impact in this amendment?"

Mr. Zimmerman: "I would say there is no fiscal impact in this amendment; however, in Mr. Randall's next amendment which would add a new Section 27, there is a fiscal impact of \$5,000 which would be appropriated to the Legislative Budget Committee for a study of this matter."

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Richardson.

Mr. Richardson: "Mr. Randall, how would this affect a district that is now contracting for 183 or 185 days?"

Mr. Randall: "I would like to defer the question to Mr. Hoggins."

POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Richardson.

Mr. Richardson: "Do I need to repeat the question, Mr. Hoggins?"

Mr. Hoggins: "No. If a district which is presently on 183 contract days reduces the number of contract days, the salary would be reduced."

Mr. Richardson: "The salary to the individual teacher or employee would be reduced if they reduced the number of contract days?"

Mr. Hoggins: "Yes, according to the language of Mr. Randall's amendment."

Representative Julin spoke against adoption of the amendment.

The amendment by Mr. Randall to Engrossed Senate Bill No. 556 was adopted on a rising vote.

On motion of Mr. Randall, the following amendment was adopted:

On page 11, beginning on line 24 of the printed bill, strike "Part III. Construction." and insert the following:

"Part III. Construction and sections temporary in nature.

"NEW SECTION. Sec. 26. There is hereby appropriated from the general fund to the Legislative Budget Committee for the biennium ending June 30, 1971, five thousand dollars, or so much thereof as necessary to accomplish a budget study of the fiscal impact which results from the payment of substitute teachers in proportion to the salary such employee would be eligible for as shown on the district's salary schedules in accordance with section 3 of this 1969 amendatory act; the results of such study to be submitted to the legislature prior to the next session thereof.

"NEW SECTION. Sec. 27. The provisions of sections 1, 2, 3 and 26 of this 1969 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1969.

MOTION

On motion of Mr. Bledsoe, the House deferred further consideration of Engrossed Senate Bill No. 556 on second reading, and the bill was ordered held for Monday's second reading calendar.

SENATE BILL NO. 55, by Senator Gissberg:

Voting requirements for county commissioner action.

The House resumed consideration of Senate Bill No. 55.

Mr. Chapin moved adoption of the following amendment by Representatives Chapin and Thompson:

On page 2, line 16 add the following:

"NEW SECTION. Sec. 4. The legislative body of any county after a public hearing may provide that for a period not to exceed one year, but not to extend past July 1, 1971, no structure except a dock, boathouse, other moorage, or any single-family residence may be constructed on all or any land within the county lying below the ordinary high-water mark of any body of navigable water. For the purpose of this section, the ordinary high-water mark will be found by examining the bed and banks, and ascertaining where the presence and action of water are so common and usual, and so long-continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as well as in respect to the nature of the soil itself, as these conditions exist on the effective date of this section or as they may naturally change thereafter.

"NEW SECTION. Sec. 5. Nothing in section 4 of this 1969 amendatory act shall apply to prohibit any structure for which a building permit has been approved and issued prior to the date on which the county legislative body takes the action authorized by section 4, or to restrict construction by the state or any of its subdivisions, or to restrict construction on land used for port district or harbor terminal purposes.

"NEW SECTION. Sec. 6. If any provision of this 1969 amendatory act or its application to other persons or circumstances is held invalid, the remainder of the act, or its application to other persons or circumstances is not affected.

"NEW SECTION. Sec. 7. Sections 4 and 5 of this 1969 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF ORDER

Mr. Hawley: "I do not believe this amendment is germane. It deals with an entirely different subject than Senate Bill No. 55 which deals with county roads. Also, Section 4 is similar to Section 2 of Engrossed Substitute Senate Bill No. 89. This was considered at a special meeting of the Natural Resources Committee yesterday at which they appointed a committee to draw a resolution to present to this body concerning this subject."

RULING BY THE SPEAKER

The Speaker: "Speaking to the point of order, it would appear that the title is broad enough to cover just about anything you wanted to put in there. I question somewhat the propriety of at least two of these amendments which are quite far afield from the subject matter of the particular section; however, in view of the fact that we have a broad title, I would have to rule that the amendment is in order."

Representative Chapin spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "When you speak of navigable waters, Mr. Chapin, does this include the primary and secondary tidelands? I am speaking for example of the Alki Beach area where we are having this problem and we are trying to do something about it. Does this also include the primary and secondary tidelands which come under the ownership of the property?"

Mr. Chapin: "I am no expert, Mr. Ceccarelli, on what are and what are not navigable waters. I would presume they would, but perhaps there is someone else in the House who would have a better understanding of the technicalities of the definition than I."

POINT OF INQUIRY

Mr. Whetzel yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "Do you know the answer to that?"

Mr. Whetzel: "I haven't done any research on this lately, but my understanding is that navigable waters would include those waters through which vessels could travel over tidelands. Of course, they are not navigable if they are generally high and dry, but if there is water over them through which a vessel (even of a small size) can pass, then I think that would be considered navigable waters."

Representatives Hawley and Charette spoke against adoption of the amendment by Representatives Chapin and Thompson to Senate Bill No. 55, and Representative Leckenby spoke in favor of the amendment.

Mr. Leland demanded an electric roll call and the demand was sustained.

"NEW SECTION. Sec. 5. There is added to chapter 4, Laws of 1963, and to chapter 36.87 RCW, a new section to read as follows:

"NEW SECTION. Sec. 7. There is added to chapter 4, Laws of 1963, and to chapter 36.87 RCW a new section to read as follows:

SPECIAL ORDER OF BUSINESS

The hour of 11:30 having arrived, the Speaker declared the question before the House to be the special order of business, Engrossed Substitute Senate Bill No. 168 on second reading.

ENGROSSED SUBSTITUTE SENATE BILL NO. 168, by Committee on Judiciary:
Establishing a new garnishment law.

Committee recommendation: Majority, do pass as amended. (For amendment see Journal for Twenty-Sixth Day, April 8, 1969.)

The bill was read the second time.

Mr. Clarke (George W.) moved adoption of the committee amendment.

PARLIAMENTARY INQUIRY

Mr. Clarke (George W.): "Parliamentary inquiry, Mr. Speaker. The important thing here is to get the enactment of some sort of garnishment reform. Earlier this session we passed Substitute House Bill No. 342 which we sent to the Senate and it has not moved. This committee amendment would in substance restore Engrossed Substitute Senate Bill No. 168 to the same situation as our Substitute House Bill No. 342. Since our committee meeting, we have had some negotiations with the Senate. The indications are that if instead of adopting the committee amendment, we perfect this bill by floor amendments (which will be offered by Representative Chapin) there is a much better chance that we will get some sort of garnishment reform. My parliamentary inquiry is, Since the committee amendment would strike everything after the enacting clause and since the floor amendments would perfect the bill, would it not be proper to consider the floor amendments first?"

POINT OF INQUIRY

The Speaker: "Mr. Chapin, the floor amendments are amendments to the bill and not to the committee amendment?"

Mr. Chapin: "That is correct, Mr. Speaker. The floor amendments would be a perfection of the bill which the committee amendment would strike. I would think on that basis, the floor amendments to perfect should be considered first."

RULING BY THE SPEAKER

The Speaker: "That is correct. We will hold the committee amendment and consider the floor amendments."

Mr. Swayze moved adoption of the following amendment:

On page 4, section 1, line 14, after "(2)" and before "writ" strike "A" and insert "In an action based upon an assigned claim, a"

Debate ensued, Representative Swayze speaking in favor of adoption of the amendment, and Representatives Clarke (George W.) and Bottiger speaking against it.

The amendment by Mr. Swayze was lost.

PARLIAMENTARY INQUIRY

Mr. Chapin: "Mr. Speaker, I have fourteen separate amendments which are all technical and which are all related. With the consent of the House, in view of the clock, I would like to suggest that we take them at one time. They are all on the desk."

The Speaker: "Does anyone have an objection to handling these other than by action on each amendment? If there be no objection we will consider them together."

Mr. Chapin moved adoption of the following amendments:

On page 4, section 1, beginning on line 18, after "plaintiff" strike everything down through "believe" on line 21 and insert "believes"

On page 4, section 1, line 27, after "creditors" and before the period insert "and the plaintiff or someone on his behalf files an affidavit stating the specific facts upon which his belief is founded and the court pursuant to an ex parte hearing finds that there is sufficient reason to find the belief true"

On page 9, section 13, beginning on line 10 after "dollars." strike everything through "valid," on line 13

On page 11, section 15, strike everything from line 1 through line 6 on page 12

On page 12, section 15, line 18, after "\$..." insert "Garnishee has deducted from this amount \$... which is the exemption to which the defendant is entitled"

On pages 12 and 13, strike sections 16 and 17.

Renumber the remaining sections consecutively and correct cross-references.

On page 14, section 21, beginning on line 24, after "costs" strike the remainder of the section and insert "PROVIDED, That upon motion by the garnishee at any time prior to execution, such judgment against garnishee shall be reduced to the amount of any nonexempt funds or property which was actually in the possession of garnishee at the time the writ was served, or the sum of one hundred dollars, whichever is more, but in no event

to exceed the amount of the judgment against defendant plus all accruing costs, and in addition plaintiff shall be entitled to a reasonable attorney's fee for plaintiff's response to garnishee's motion to reduce said judgment under this proviso."

On page 18, section 30, beginning on line 13 of the engrossed bill, being line 12 of the printed bill, after "(1)" strike everything through "earnings" on line 14, and insert "Forty times the state hourly minimum wage"

Providing certain insurance contract benefits to include services performed by licensed chiropractors.

The bill was read the second time.

On motion of Mr. O'Dell, the following amendments were adopted:

On page 1, add new sections as follows:

"NEW SECTION. Sec. 3. There is added to chapter 79, Laws of 1947 and to chapter 48.19 RCW a new section to read as follows:

"The purpose of sections 3 through 34 of this act is to promote the public welfare by regulating insurance rates as herein provided to the end that they shall not be excessive, inadequate, or unfairly discriminatory, to authorize the existence and operation of qualified rating organizations and advisory organizations and require that specified rating services of such rating organizations be generally available to all admitted insurers, and to authorize cooperation between insurers in ratemaking and other related matters.

"It is the express intent of sections 3 through 34 of this act to permit and encourage competition between insurers on a sound financial basis and nothing in sections 3 through 34 of this act is intended to give to the commissioner power to fix and determine a rate level by classification or otherwise.

"Sec. 4. Section .19.02, chapter 79, Laws of 1947 and RCW 48.19.020 are each amended to read as follows:

"Premium rates for insurance shall not be excessive, inadequate, or unfairly discriminatory. [This section does not apply to casualty insurance.] No rate shall be held to be excessive unless (1) such rate is unreasonably high for the insurance provided and (2) a reasonable degree of rate competition does not exist in the area with respect to the classification to which such rate is applicable.

"No rate shall be held to be inadequate unless (1) such rate is unreasonably low for the insurance provided and (2) the continued use of such rate endangers the solvency of the insurer using the same, or unless (3) such rate is unreasonably low for the insurance provided and the use of such rate by the insurer using same has, or if continued will have, the effect of destroying competition or creating a monopoly.

"NEW SECTION. Sec. 5. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"Every insurer, rating organization, or advisory organization and every group, association, or other organization of insurers which engages in joint underwriting or joint reinsurance shall maintain reasonable records, of the type and kind reasonably adapted to its method of operation, of its experience or the experience of its members and of the data, statistics, or information collected or used by it in connection with the rates, rating plans, rating systems, underwriting rules, policy or bond forms, surveys, or inspections made or used by it so that such records will be available at all reasonable times to enable the commissioner to determine whether such organization, insurer, group, or association, and, in the case of an insurer or rating organization, every rate, rating plan, and rating system made or used by it, complies with the provisions of this 1969 amendatory act applicable to it. The maintenance of such records in the office of a licensed rating organization of which an

insurer is a member or subscriber will be sufficient compliance with this section for any insurer maintaining membership or subscribership in such organization, to the extent that the insurer uses the rates, rating plans, rating systems or underwriting rules of such organization. Such records shall be maintained in an office within this state or shall be made available for examination or inspection within this state by the commissioner at any time upon reasonable notice.

"NEW SECTION. Sec. 6. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"The commissioner shall, at least once every five years, and may, as often as may be reasonable and necessary, make or cause to be made an examination of each licensed rating organization, and he may, as often as may be reasonable and necessary, make or cause to be made an examination of any advisory organization or group, association, or other organization of insurers which engages in joint underwriting or joint reinsurance.

"In lieu of any such examination the commissioner may accept the report of an examination made by the insurance supervisory official of another state.

"In examining any organization, group or association pursuant to this section the commissioner shall ascertain whether such organization, group, or association, and, in the case of a rating organization, any rate or rating system made or used by it, complies with the requirements and standards of this 1969 amendatory act applicable to it.

"NEW SECTION. Sec. 7. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"The commissioner may, at any reasonable time, make or cause to be made a reasonable examination of every admitted insurer transacting any class of insurance to which the provisions of this 1969 amendatory act are applicable to ascertain whether such insurer and every rate and rating system used by it for every such class of insurance complies with the requirements and standards of this 1969 amendatory act applicable thereto. Such examination shall not be a part of a periodic general examination participated in by representatives of more than one state.

"NEW SECTION. Sec. 8. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"The officers, managers, agents, and employees of any such organization, group, association, or insurer may be examined at any time under oath and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation, together with all data, statistics, and information of every kind and character collected or considered by such organization, group, association, or insurer in the conduct of the operations to which such examination relates.

"NEW SECTION. Sec. 9. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"The reasonable cost of any examination authorized by this 1969 amendatory act shall be paid by the organization, group, association, or insurer to be examined.

"NEW SECTION. Sec. 10. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"Any person aggrieved by any rate charged, rating plan, rating system, or underwriting rule followed or adopted by an insurer or rating organization may request the insurer or rating organization to review the manner in which the rate, plan, system, or rule has been applied with respect to insurance afforded him. Such request may be made by his authorized representative, and shall be written. If the request is not granted within thirty days after it is made, the requestor may treat it as rejected. Any person aggrieved by the action of an insurer or rating organization in refusing the review requested, or in failing or refusing to grant all or part of the relief requested, may file a written complaint and request for hearing with the commissioner, specifying the grounds relied upon. If the commissioner has information concerning a similar complaint he may deny the hearing. If he believes that probable cause for the complaint does not exist or that the complaint is not made in good faith he shall deny the hearing. Otherwise, and if he finds that the complaint charges a violation of this 1969 amendatory act and that the complainant would be aggrieved if the violation is proven, he shall proceed as provided in section 9 of this 1969 amendatory act.

"NEW SECTION. Sec. 11. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"If after examination of an insurer, rating organization, advisory organization, or group, association, or other organization of insurers which engages in joint underwriting or joint reinsurance, or upon the basis of other information, or upon sufficient complaint as provided in section 8 of this 1969 amendatory act, the commissioner has good cause to believe that such insurer, organization, group or association, or any rate, rating plan, or rating system made or used by any such insurer or rating organization, does not comply with the requirements and standards of this 1969 amendatory act applicable to it, he shall, unless he has good cause to believe such noncompliance is wilful, give notice in writing to such insurer, organization, group, or association stating therein in what manner and to what extent such noncompliance is alleged to exist and specifying therein a reasonable time, not less than ten days thereafter, in which such noncompliance may be corrected. Notices under this section shall be confidential as between the commissioner and the parties unless a hearing is held under section 10 of this 1969 amendatory act.

"NEW SECTION. Sec. 12. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"If the commissioner has good cause to believe such noncompliance to be wilful, or if

within the period prescribed by the commissioner in the notice required by section 9 of this 1969 amendatory act, the insurer, organization, group, or association does not make such changes as may be necessary to correct the noncompliance specified by the commissioner or establish to the satisfaction of the commissioner that such specified noncompliance does not exist, then the commissioner may hold a public hearing in connection therewith, provided that within a reasonable period of time, which shall be not less than ten days before the date of such hearing, he shall mail written notice specifying the matters to be considered at such hearing to such insurer, organization, group, or association. If no notice has been given as provided in section 9 of this 1969 amendatory act such notice shall state therein in what manner and to what extent noncompliance is alleged to exist. The hearing shall not include any additional subjects not specified in the notices required by section 9 of this 1969 amendatory act or this section. At any such hearing the insurer, organization, group or association shall have the burden of justifying the rate, rating plan or system in question.

"NEW SECTION. Sec. 13. There is added to chapter 79, Laws of 1947, and to chapter 48.19 RCW a new section to read as follows:

"(3) That the violation of any of the provisions of this 1969 amendatory act applicable to it by any insurer or rating organization which has been the subject of hearing was wilful, he may suspend or revoke, in whole or in part, the certificate of authority of such insurer or the license of such rating organization with respect to the class of insurance which has been the subject matter of the hearing.

"(1) Cooperation among rating organizations or among rating organizations and insurers in rate making or in other matters within the scope of this chapter is hereby authorized [, if the filings resulting from such cooperation are subject to all the provisions of this chapter which are applicable to filings generally].

"(2) The commissioner may review such cooperative activities and prices and if, after a hearing, he finds that any such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this code, he may issue a written order specifying in what respect such activity or practice is so unfair, unreasonable, or inconsistent, and requiring the discontinuance of such activity or practice.

"(2) This section does not apply to subscribers' committees provided for in RCW 48.19.230.

"(2) A list of its members;

"(3) The name and address of a resident of this state upon whom notices or orders of the commissioner or process issued at his direction may be served; and

If the commissioner finds such insurer or rating organization to be in violation of this section he may issue an order requiring the discontinuance of the violation.

"No such group, association, or organization shall engage in any unfair or unreasonable practice with respect to such activities.

"Sec. 25. Section 19.37, chapter 79, Laws of 1947 and RCW 48.19.370 are each amended to read as follows:

"(1) The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems [on file with him] *in use*, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him in determining whether rating systems comply with the standards set forth in RCW 48.19.020 and 48.19.030. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countrywide expense experience.

"(2) In promulgating such rules and plans, the commissioner shall give due consideration to the rating systems [on file with him] *in use*, and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states.

"(3) No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system [filed] *used* by it.

"(4) The commissioner may designate one or more rating organizations or other agencies to assist him in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the commissioner, to insurers and rating organizations.

"NEW SECTION. Sec. 28. There is added to chapter 79, Laws of 1947 and to chapter 48.19 RCW a new section to read as follows:

"Members and subscribers of rating or advisory organizations may use the rates, rating systems, underwriting rules, or policy or bond forms of such organizations, either consistently or intermittently, but, except as provided in sections 22 and 25 of this 1969 amendatory act and RCW 48.19.400, shall not agree with each other or rating organizations or others to adhere thereto. The fact that two or more admitted insurers, whether or not members or subscribers of a rating or advisory organization, use, either consistently or intermittently, the rates or rating systems made or adopted by a rating organization, or the underwriting rules or policy or bond forms prepared by a rating or advisory organization, shall not be sufficient in itself to support a finding that an agreement to so adhere exists, and may be used only for the purpose of supplementing or explaining direct evidence of the existence of any such agreement.

"NEW SECTION. Sec. 31. There is added to chapter 79, Laws of 1947 and to chapter 48.19 RCW a new section to read as follows:

Allowing police officers to arrest a person who committed certain misdemeanors though the act was not in the officers' presence.

The Speaker declared the question before the House to be the amendment by Representatives North, Scott and Brown.

With the consent of the House, Mrs. North withdrew the amendment.

Representative North explained the reasons for withdrawing the amendment.

PERSONAL PRIVILEGE

Mr. Copeland: "Mr. Speaker, ladies and gentlemen of the House, I don't think that anyone on the floor of this House wants to have his vote recorded as being in favor of or opposed to the abortion bill relative to the motion to refer this bill to Rules. I think it is unkind and unfair for a member to suggest this is the case. We do have an orderly procedure to follow. Many suggested by their vote we follow it. Some thought we shouldn't. But I don't think this is necessarily a vote either for or against, and I resent somebody suggesting that my vote was cast on that basis."

SPEAKER'S PRIVILEGE

The Speaker: "The Speaker would like to point out that under Senate Concurrent Resolution No. 22, as amended by the House, which established the cutoff date, a proviso was not included that we continue after the cutoff time with any measure that was under consideration. At 12:00 noon I will recognize a motion to adjourn."

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 387, as amended by the House, was placed on final passage.

ROLL CALL

Engrossed House Bill No. 387, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

Regarding the "abortion" amendment offered on Engrossed Senate Bill No. 387, I object to the amendment being withdrawn on the grounds that "the House could have passed this measure." It is my feeling that if Section 5, the section dealing with the referendum, had not been included in the amendment, and the votes would have had to be recorded on the strict merits of the amendment, it would not have passed. ROBERT "BOB" CURTIS, 12th District.

MOTION

On motion of Mr. Bledsoe, the House adjourned until 12:00 noon, Monday, April 14, 1969.

DON ELDRIDGE, Speaker.

POINT OF INQUIRY

Mr. Leland yielded to question by Mr. Sprague.

Mr. Sprague: "I would like to know, Mr. Leland, if you could tell me whether there is any general fund money in this budget or any money which comes from nonautomobile sources?"

Mr. Leland: "No. Do you have the booklet on your desk?"

Mr. Sprague: "I have a caucus digest."

Mr. Leland: "I had passed out a pamphlet last week when I thought we were going to handle this matter. If anybody wants to know exactly where the money comes from, the first few pages detail where the money goes, where the money comes from—the source—and then carries on through the various programs on how it is spent. But this reflects motor vehicle money, Mr. Sprague."

Mr. Sprague: "Then there is no general fund money?"

Mr. Leland: "These are the constitutionally reserved highway funds. If you do not have one of these pamphlets, I'll get one for you because we made them especially available to every member of the House so you could take them home with you and have a complete rundown on where the money comes from and how it is spent."

"The program must be at least sixty minutes in length, setting forth the part taken by the United States and the state of Washington in the world war for the years nineteen hundred seventeen and nineteen hundred and eighteen, the principles for which the allied nations fought, and the heroic deeds of American soldiers and sailors, the leading events in the history of our state and of Washington Territory, the character and struggles of the pioneer settlers and other topics tending to instill a loyalty and devotion to the institutions and laws of our state.

"It shall be the duty of the superintendent of public instruction and of each county superintendent of schools, by advice and suggestion, to aid in the suitable observance of Veterans' [and Admission] Day."

Remember the remaining sections consecutively.

On page 5, beginning on line 33 add three new sections as follows:

Mr. Hoggins moved adoption of the following amendment:

On page 1, beginning on line 14 following the enacting clause add five new sections as follows:

"NEW SECTION. Section 1. The Interstate Agreement on Qualifications of Educational Personnel is hereby enacted into law and entered into by this state with all other states legally joining therein in the form substantially as follows:

"The contracting states solemnly agree that:

"Article I

"1. The states party to this Agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interests of society, of education, and of the teaching profession. It is the purpose of this Agreement to provide for the development and execution of such programs of cooperation as will facilitate the movement of teachers and other professional educational personnel among the states party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

"2. The party states find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from state to state in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other states. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their states of origin, can increase the available educational resources. Participation in this compact can increase the availability of educational manpower.

"Article II

"As used in this Agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

"1. 'Educational personnel' means persons who must meet requirements pursuant to state law as a condition of employment in educational programs.

"2. 'Designated State official' means the education official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this Agreement.

"3. 'Accept', or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.

"4. 'State' means a state, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico.

"5. 'Originating State' means a state (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools is acceptable in accordance with the terms of a contract made pursuant to Article III.

"6. 'Receiving State' means a state (and the subdivisions thereof) which accept educational personnel in accordance with the terms of a contract made pursuant to Article III.

"Article III

"1. The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this Agreement. A designated state official may enter into a contract pursuant to this Article only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

"2. Any such contract shall provide for:

"(a) Its duration.

"(b) The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state.

"(c) Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards.

"(d) Any other necessary matters.

"3. No contract made pursuant to this Agreement shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

"4. Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this Agreement shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January 1, 1954.

"5. The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

"6. A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states.

"Article IV

"1. Nothing in this Agreement shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that state.

"2. To the extent that contracts made pursuant to this Agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract.

"Article V

"The party states agree that:

"1. They will, so far as practicable, prefer the making of multi-lateral contracts pursuant to Article III of this Agreement.

"2. They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with

agencies, organizations, and associations interested in certification and other elements of educational personnel qualification.

"Article VI

"The designated state officials of any party state may meet from time to time as a group to evaluate progress under the Agreement, and to formulate recommendations for changes.

"Article VII

"Nothing in this Agreement shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel.

"Article VIII

"1. This Agreement shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this Agreement.

"2. Any party state may withdraw from this Agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

"3. No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms.

"Article IX

"This Agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Agreement shall be severable and if any phrase, clause, sentence, or provision of this Agreement is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Agreement shall be held contrary to the constitution of any state participating therein, the Agreement shall remain in full force and effect as to the state affected as to all severable matters.

"NEW SECTION. Sec. 2. The 'designated state official' for this state shall be the superintendent of public instruction, who shall be the compact administrator and who shall have power to promulgate rules to carry out the terms of this compact. The superintendent of public instruction shall enter into contracts pursuant to Article III of the Agreement only with the approval of the specific text thereof by the state board of education.

"NEW SECTION. Sec. 3. True copies of all contracts made on behalf of this state pursuant to the Agreement shall be kept on file in the office of the superintendent of public instruction. The superintendent of public instruction shall publish all such contracts in convenient form.

"NEW SECTION. Sec. 4. The foregoing provisions of this act are added to Title 28 RCW, and shall constitute a new chapter therein unless or until such time as the education code of 1969 (HB 58) shall become effective, at which time it shall be added as a new chapter thereto.

"NEW SECTION. Sec. 5. Sections 1 through 4 of this 1969 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1969."

Renumber the remaining sections consecutively.

Representatives Hoggins and Randall spoke in favor of adoption of the amendment.

The amendment was adopted.

On motion of Mr. Hoggins, the following amendment was adopted:

On page 1, beginning on line 15 add a new section as follows:

"NEW SECTION. Section 1. There is added to chapter 28.58 RCW a new section to read as follows:

"The board of directors of any school district shall have authority to authorize the expenditure of funds for the purpose of preparing and distributing information to the general public to explain the instructional program, operation and maintenance of the schools of the district: PROVIDED, That nothing contained herein shall be construed to authorize preparation and distribution of information to the general public for the purpose of influencing the outcome of a school district election."

Renumber the remaining sections consecutively.

On page 5, beginning on line 33 of the printed bill add a new section as follows:

"NEW SECTION. Sec. 17. There is added to chapter 28A.58 RCW a new section to read as follows:

"The board of directors of any school district shall have authority to authorize the expenditure of funds for the purpose of preparing and distributing information to the general public to explain the instructional program, operation and maintenance of the schools of the district: PROVIDED, That nothing contained herein shall be construed to authorize preparation and distribution of information to the general public for the purpose of influencing the outcome of a school district election."

Renumber the remaining sections consecutively.

Representative Bluechel moved adoption of the following amendment:

On page 1, beginning on line 14 following the enacting clause add three new sections as follows:

"NEW SECTION. Section 1. The board of trustees of each community college district shall adopt for each community college under its jurisdiction written policies on granting leaves to employees of the district and those colleges, including but not limited to leaves for attendance at official or private institutions and conferences, sabbatical leaves for academic personnel, leaves for illness, injury, bereavement and emergencies, with such compensation as the board of trustees may prescribe, except that the board shall grant to all such persons annual leave with full compensation for illness, injury, bereavement and emergencies as follows:

"(1) For persons under contract to be employed, or otherwise employed, for at least three quarters, at least fifteen days, commencing with the first day on which work is to be performed;

"(2) Such leave entitlement may be accumulated after the first three-quarter period of employment at a minimum rate of five days per quarter for full time employees up to a maximum of one hundred eighty days, and may be taken at any time;

"(3) Leave for illness, injury, bereavement and emergencies heretofore accumulated pursuant to law, rule, regulation or policy by persons presently employed by community college districts and community colleges shall be added to such leave accumulated under this section;

"(4) Except as otherwise provided in this section or other law, accumulated leave under this section not taken at the time such person retires or ceases to be employed by community college districts or community colleges shall not be compensable;

"(5) Accumulated leave for illness, injury, bereavement and emergencies under this section shall be transferred from one community college district or community college to another, to the state board for community college education, to the state superintendent of public instruction, to any county or intermediate school district, to any school district, or to any other institutions of higher learning of the state; and

"(6) Leave accumulated by a person in a community college district or community college prior to leaving that district or college may, under the policy of the board of trustees, be granted to such person when he returns to the employment of that district or college.

"NEW SECTION. Sec. 2. The code reviser is hereby directed to add the provisions of section 1 of this 1969 amendatory act to chapter 8, Laws of 1967 ex. sess., and to chapter 28.85 RCW, unless or until the proposed education code of 1969 (HB 58) shall become effective, at which time it shall be added to chapter 28B.50 thereof.

"NEW SECTION. Sec. 3. Section 55, chapter 8, Laws of 1967 ex. sess. and RCW 28.85.550 are each hereby repealed and section 28B.50.550, chapter —, Laws of 1969 (HB 58) and RCW 28B.50.550 are each repealed at such time as the education code of 1969 becomes effective."

Renumber the remaining sections consecutively.

Representative Brouillet moved adoption of the following amendment by Representatives Brouillet and Evans to the amendment by Mr. Bluechel:

Amend the amendment by Representative Bluechel as follows: In section 8, line 4 of subsection 2, after "maximum of" and before "days" strike "one hundred eighty" and insert "two hundred twenty"

Representatives Brouillet, Bluechel and Evans spoke in favor of adoption of the amendment to the amendment.

POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Newhouse.

Mr. Newhouse: "In your remarks, Mr. Brouillet, you inferred that K-12 employees have a total of more than 180 days. Would you advise the House as to the total number of accumulated days of pay without work that K-12 employees may have, including the 180 days of illness, and what the others are?"

Mr. Brouillet: "Yes. I have to be a little vague on this because all the law says is that they may accumulate 180 days for injury and illness, and then the board is also empowered to grant leaves for certain kinds of meetings, sabbatical leaves, bereavement, and other leaves. Therefore, in the K-12 program you have 180 days for illness or injury. Then the board is empowered to grant 5 or 6 days a year additional leave for bereavement, emergencies, etc. Many boards grant this additional leave, but not all of them do (for example, Spokane).

Mr. Newhouse: "Which boards, Mr. Brouillet?"

Mr. Brouillet: "It varies with different boards. In Puyallup, for example, they have a four-day bereavement period, and they also have emergency leaves. This is at local option. The only thing that is standard is the 180 days for sick leave."

Mr. Newhouse: "Mr. Brouillet, aren't you talking about other leave that is allowed employees but is not accumulative leave? In this 220 and 180 days situation, we are talking about accumulative leave and what you have mentioned is not accumulative. Isn't it true the only accumulative leave allowed a K-12 individual teacher is 180 days?"

Mr. Brouillet: "Yes, but also Mr. Bluechel's amendment proposes that only sick leave may be accumulated under the section. Any other leaves they give are not accumulative. Subsection (3) of Mr. Bluechel's amendment says: 'Leave for illness, injury, bereavement and emergencies heretofore accumulated pursuant to law, rule, regulation or policy by persons presently employed by community college districts and community colleges shall be added to such leave accumulated under this section.' Further leaves, although they could be granted, would not be accumulated under the amendment he proposes."

Representative Newhouse spoke against adoption of the amendment by Representatives Brouillet and Evans to the amendment by Mr. Bluechel.

The amendment to the amendment was adopted on a rising vote.

The Speaker declared the question before the House to be the amendment by Mr. Bluechel as amended by Representatives Brouillet and Evans.

The amendment by Mr. Bluechel as amended was adopted.

Mr. Leckenby moved adoption of the following amendment:

On page 12, after section 31 add the following four sections:

"NEW SECTION. Sec. 32. The legislature finds that unrestricted commercial solicitation and the unrestricted sale or distribution of publications by nonstudents on the campuses of the state community colleges threatens to disrupt the educational process and functions of the state community colleges. Therefore the legislature deems it necessary to enact the provisions of this 1969 amendatory act.

"NEW SECTION. Sec. 33. As used in this act the following definitions shall mean:

"(1) 'Student' shall mean any person who is enrolled within the community college.

"(2) 'Board' shall mean the board of trustees of any community college.

"(3) 'Publication' shall mean and include any newspaper, magazine, pamphlet, leaflet, publication, or other paper with printing or writing thereon, the primary purpose of which is to disseminate ideas, or news.

"(4) 'Commercial solicitation' shall mean any act, or form of oral communication, the primary purpose of which is to sell or to attempt to sell any tangible item of value including but not limited to, insurance, real or personal property, or any form of security or stock: PROVIDED, That commercial solicitation shall not include any 'publication' as defined in this section.

"NEW SECTION. Sec. 34. The board of any community college is authorized to adopt reasonable regulations relating to the sale or distribution of any publication or publications by any nonstudent on any portion of the community college grounds or buildings. The said regulations may only specify:

"(1) Reasonable hours for distribution or sale; and

"(2) The location or locations on the campus where such distribution and sale shall be lawful; and

"(3) Reasonable rules of demeanor for nonstudents while engaging in such activities; and

"(4) That each nonstudent prior to sale or distribution of any publication, register with a designated community college official or office and supply his or her name and address: PROVIDED, That nothing in this subsection shall authorize any community college to license such activity or by registration, restrict the sale or distribution of any lawful publications, nor shall any portion of this subsection be construed or applied as a prior restraint.

"NEW SECTION. Sec. 35. The board of any community college is authorized to adopt reasonable regulations relating to any commercial solicitation, as defined in this 1969 amendatory act, by any person on or at any portion of the community college. The regulations may include but need not be limited to:

"(1) The registration of any person who wishes to engage in any commercial solicitation;

"(2) The requiring of any necessary proof of financial responsibility and ability to respond to damages;

"(3) The location or locations of the community college where such commercial solicitation shall be lawful; and

"(4) The times at which any commercial solicitation shall be lawful.

"The board may prohibit any commercial solicitation which would be against the public interest or which would be harmful to students."

Remember the remaining sections consecutively.

Debate ensued, Representatives Leckenby, Brouillet and Lynch speaking in favor of adoption of the amendment, and Representatives Grant and Sprague speaking against it.

POINT OF INQUIRY

Mr. Leckenby yielded to question by Mr. Grant.

Mr. Grant: "Mr. Leckenby, I want to give you a hypothetical situation. Suppose an organization such as the education association or federation of teachers distributed publications on a college campus. Could the board of trustees by this act prevent nonstudents (organizers from either the association or the union) from distributing leaflets to the faculty?"

Mr. Leckenby: "Mr. Grant, I believe that this would give the board considerable power. I'd have to defer to a lawyer to answer this. I can't tell you for sure. I usually ask lawyers to answer legal questions."

Representative Grant spoke against adoption of the amendment by Mr. Leckenby.

POINT OF INQUIRY

Mr. Sprague yielded to question by Mr. Fleming.

Mr. Fleming: "Were you speaking for the amendment or against it?"

Mr. Sprague: "I was speaking against it."

MOTION

Mr. Bottiger moved that the House defer further consideration of Engrossed Senate Bill No. 556 on second reading and the bill be placed at the top of the next second reading calendar.

The motion by Mr. Bottiger was lost.

POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. King.

Mr. King: "What puzzled me was in talking about the distribution of the *Helix*. Subsection (4) of section 34 says '... nor shall any portion of this section be construed or applied as a prior restraint.' I'm not an attorney, but if I read that correctly, it would mean that no community college board would have the right to keep any publication from being sold on a community college campus. If this is the case, I support it. I certainly think they should have the right to regulate it if it is sold in the middle of a doorway or something like this, but for them to make decisions about what is lawful or what is not lawful would, I think, be giving them far more power than you ordinarily would want to give a board."

Mr. Brouillet: "Yes, you are right, Representative King. As I tried to point out to Mr. Grant, subsection (4) of section 34 provides that '... nothing in this subsection shall authorize any community college to license such activity or by registration, restrict the sale or distribution of any lawful publications...' All it says is they can tell you where to sell them. You may have to sell them in a bookstore like every other book or the *Seattle Times* or any magazine. It is unfortunate a specific paper or publication has been mentioned because this was not the intent of this piece of legislation. It was only to allow community college boards of trustees the same authority and powers now given to the boards of trustees of the state colleges and universities who have some semblance of order on their campuses. That is all it does."

POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Sprague.

Mr. Sprague: "Section 33, subsection (3) provides: 'Publication' shall mean and include any newspaper, magazine, pamphlet, leaflet, publication, or other paper with printing or writing thereon, . . .' Now then, if we look to section 35, subsection (2) which provides: 'The requiring of any necessary proof of financial responsibility and ability to respond to damages;'—could this requirement of financial responsibility (which I presume is libel and slander insurance) be used to prevent the dissemination of material by organizations?"

Mr. Brouillet: "No, Mr. Sprague, The section to which you refer deals with commercial solicitation, not publication. Section 35 deals with commercial solicitation which shall mean not limited to stocks and bonds, etc. You are confusing publication with selling real estate, used cars, etc."

Representative Chapin spoke in favor of adoption of the amendment.

MOTION

Mr. Bottiger moved that Mr. Chapin's remarks be placed in the journal.

The motion by Mr. Bottiger was lost.

Mr. Gladder demanded the previous question and the demand was sustained.

The amendment by Mr. Leckenby to Engrossed Senate Bill No. 556 was adopted.

Mr. King moved adoption of the following amendment:

On page 1, section 1, line 15, strike section 1 in its entirety down to and including "service" on page 2.

Debate ensued, Representative King speaking in favor of adoption of the amendment, and Representative Bluechel speaking against it.

The amendment by Mr. King was lost.

On motion of Mr. Hoggins, the following amendment was adopted:

On page 12 after section 32 add four new sections as follows:

"Part IV. Sections affecting current law.

"Sec. 33. Section 3, chapter 258, Laws of 1947 as last amended by section 1, chapter 158, Laws of 1967 and RCW 28.04.060 are each amended to read as follows:

"Each member of the state board of education shall be elected by a majority of the electoral points accruing from all the votes cast at the election for all candidates for the position. All votes shall be cast by mail addressed to the superintendent of public instruction and no votes shall be accepted for counting if postmarked after the sixteenth day of October following the call of the election. The superintendent of public instruction and an election board comprised of three persons appointed by the state board of education shall count and tally the votes and the electoral points accruing therefrom not later than the twenty-fifth day of October in the following manner: Each vote cast by a school director shall be accorded as many electoral points as there are enrolled students in that director's school district [on the last day for filing declarations of candidacy under RCW 28.04.040] as determined by the enrollment reports forwarded to the state superintendent of public instruction for apportionment purposes for the month of September of the year of election: PROVIDED, That school directors from a school district which has more than five directors shall have their electoral points based upon population recomputed by multiplying such number by a fraction, the denominator of which shall be the number of directors in such district, and the numerator of which shall be five; the electoral points shall then be tallied for each candidate as the votes are counted; and it shall be the majority of electoral points which determines the winning candidate. If no candidate receives a majority of the possible electoral points, then, not later than the first day of November, the superintendent of public instruction shall call a second election to be conducted in the same manner and at which the candidates shall be the two candidates receiving the highest number of electoral points accruing from such votes cast. No vote cast at such second election shall be received for counting if postmarked after the sixteenth day of November and the votes shall be counted as hereinabove provided on the twenty-fifth day of November. The candidate receiving a majority of electoral points accruing from the votes at any such second election shall be declared elected. Within ten days following the count of votes in an election at which a member of the state board of education is elected, the superintendent of public instruction shall certify to the secretary of state the name or names of the persons elected to be members of the state board of education.

"Part V. Sections affecting proposed 1969 education code.

"Sec. 34. Section 28A.04.060, chapter —, Laws of 1969 (HB 58) and RCW 28A.04.060 are each amended to read as follows:

"Each member of the state board of education shall be elected by a majority of the electoral points accruing from all the votes cast at the election for all candidates for the position. All votes shall be cast by mail addressed to the superintendent of public instruction and no votes shall be accepted for counting if postmarked after the sixteenth day of October following the call of the election. The superintendent of public instruction and an election board comprised of three persons appointed by the state board of education shall count and tally the votes and the electoral points accruing therefrom not later than the twenty-fifth day of October in the following manner: Each vote cast by a school director shall be accorded as many electoral points as there are enrolled students in that director's school district [on the last day for filing declarations of candidacy under RCW 28A.04.040] as determined by the enrollment reports forwarded to the state superintendent of public instruction for apportionment purposes for the month of September of the year of election: PROVIDED, That school directors from a school district which has more than five directors shall have their electoral points based upon population recomputed by multiplying such number by a fraction, the denominator of which shall be the number of directors in such district, and the numerator of which shall be five; the electoral points shall then be tallied for each candidate as the votes are counted; and it shall be the majority of electoral points which determines the winning candidate. If no candidate receives a majority of the possible electoral points, then, not later than the first day of November, the superintendent of public

No vote cast at such second election shall be received for counting if postmarked after the sixteenth day of November and the votes shall be counted as hereinabove provided on the twenty-fifth day of November. The candidate receiving a majority of electoral points accruing from the votes at any such second election shall be declared elected. Within ten days following the count of votes in an election at which a member of the state board of education is elected, the superintendent of public instruction shall certify to the secretary of state the name or names of the persons elected to be members of the state board of education.

It is the further intent of the legislature that Part V of the instant bill shall not take effect unless the proposed 1969 education code is adopted at this legislature, but if such event occurs then any amendatory provisions of Part V of this bill shall be construed as amending the correlative sections of the 1969 education code, any repealing provisions of Part V shall be construed as repealing the correlative section of the 1969 education code, and any new or additional provisions of Part V shall be construed as being in pari materia with the 1969 education code.

Mr. Marsh moved adoption of the following amendment:

On page 1, strike everything after the enacting clause down through section 33 of page 12 and insert the following:

"**NEW SECTION.** Section 1. Each board of trustees shall make with each instructor and other member of the professional instructional service staff, professional student personnel staff, and administrative faculty of its community college a written contract, which shall be made in duplicate, one copy of which shall be retained by the secretary of the board and the other delivered to the staff member. Such contract shall specify the staff member's salary or other compensation and the full time, part time and extra duties which that staff member shall perform.

"**NEW SECTION.** Sec. 2. Every board of trustees determining that there is probable cause or causes that the employment contract of such a staff member should not be renewed by the board for the next ensuing term shall notify that staff member in writing no later than February 1st (for those employed on a fiscal or academic year basis) or thirty days before the expiration of the contract (for those employed on another basis) of the determination of the board of trustees, which notification shall specify the probable cause or causes for nonrenewal of contract. Such notice shall be served upon the staff member personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such staff member so notified, at his request made in writing and filed with the secretary of the board of trustees within ten days after receiving such notice, shall be granted opportunity for hearing before the board of trustees to determine whether or not the facts constitute sufficient cause or causes for nonrenewal of contract. In the request for hearing the staff member may request either an open or closed hearing. Such board, upon receipt of such request, shall call the hearing to be held within ten days following the receipt of such request, and at least three days prior to the date fixed for the hearing, shall notify the staff member in writing of the date, time and place of hearing. The hearing shall be open or closed as requested by the staff member, but if the staff member fails to make such a request, the board may determine whether the hearing shall be open or closed. The board may reasonably regulate the conduct of the hearing. The staff member may engage such counsel and produce, examine and cross-examine such witnesses as he may desire. The board of trustees, within five days following the conclusion of such hearing, shall notify the staff member in writing of its final decision either to renew or not to renew the employment of the staff member for the next ensuing term. Any decision not to renew such employment contract shall be based solely upon the cause or causes for nonrenewal specified in the notice of probable cause to the employee and established by a preponderance of the

evidence at the hearing to be sufficient cause or causes for nonrenewal. If any such notification or opportunity for hearing is not timely given by the board, the staff member entitled thereto shall be conclusively presumed to have been reemployed by the board upon contractual terms identical with those which would have prevailed if his employment had actually been renewed by the board of trustees for such additional period.

"NEW SECTION. Sec. 3. Every board of trustees determining that there is probable cause or causes for a staff member under contract pursuant to section 1 of this act to be discharged or otherwise adversely affected in his contract status, shall notify such staff member in writing of its decision, which notification shall specify the probable cause or causes for such action. Such notice shall be served upon that staff member personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such staff member so notified, at his request made in writing and filed with the secretary of the board of trustees within ten days after receiving such notice, shall be granted opportunity for hearing before the board of trustees to determine whether or not there is sufficient cause or causes for his discharge or other adverse action against his contract status. In the request for hearing the staff member may request either an open or closed hearing. The board upon receipt of such request shall call the hearing to be held within ten days following the receipt of such request, and at least three days prior to the date fixed for the hearing, shall notify such staff member in writing of the date, time and place of the hearing. The hearing shall be open or closed as requested by the staff member, but if the staff member fails to make such a request, the board may determine whether the hearing shall be open or closed. The board may reasonably regulate the conduct of the hearing. The staff member may engage such counsel and produce, examine and cross-examine such witnesses as he or she may desire. The board of trustees, within five days following the conclusion of such hearing, shall notify such staff member in writing of its final decision. Any decision to discharge or to take other adverse action against such staff member shall be based solely upon the cause or causes specified in the notice of probable cause to the staff member and established by a preponderance of the evidence at the hearing to be sufficient cause or causes for discharge or other adverse action against his contract status.

"In the event any such notice or opportunity for hearing is not timely given by the board, or in the event cause for discharge or other adverse action is not established by a preponderance of the evidence at the hearing, such staff member shall not be discharged or otherwise adversely affected in his contract status for the causes stated in the original notice for the duration of his or her contract.

"If such staff member does not request a hearing as provided herein, such staff member may be discharged or otherwise adversely affected as provided in the notice served upon the staff member.

"NEW SECTION. Sec. 4. Any staff member desiring to appeal from any action or failure to act upon the part of a board of trustees relating to the discharge or other action adversely affecting his contract status, or failure to renew that staff member's contract for the next ensuing term, within thirty days after his receipt of such decision or order, may serve upon the secretary of the board of trustees and file with the clerk of the superior court in any county located in whole or in part within that community college district a notice of appeal which shall also set forth in a clear and concise manner the errors complained of.

"NEW SECTION. Sec. 5. The clerk of the superior court, within ten days of his receipt of the notice of appeal, shall notify in writing the clerk of the school board of the taking of the appeal, and within twenty days thereafter the school board shall at its expense file the complete transcript of the evidence and the papers and exhibits relating to the decision complained of, all properly certified to be correct.

"Any such appeal to the superior court by a staff member shall be heard de novo by the superior court. Such appeal shall be heard expeditiously. The court in its discretion may award to the staff member a reasonable attorney's fee for the preparation and trial of his appeal, together with his taxable costs in the superior court. If the court enters judgment for the staff member, in addition to ordering the board of trustees to reinstate or issue a new contract to the staff member, the court may award damages incurred by the staff member by reason of the action of the community college district. Either party to the proceedings in the superior court may appeal the decision to the supreme court of this state as any other civil action is appealed.

"NEW SECTION. Sec. 6. In lieu of requesting a hearing before the board of trustees pursuant to the provisions of sections 2 and 3 of this act, a staff member may elect to appeal the action of the board directly to the superior court of any county located in whole or in part within the community college district by serving upon the secretary of the board of trustees and filing with the clerk of the superior court a notice of appeal within ten days after receiving the notification of probable cause from the board. The notice of appeal shall set forth in a clear and concise manner the action appealed from. The superior court shall determine whether or not there was sufficient cause for the action of the board of trustees and shall base its determination solely upon the cause or causes stated in the notice to the staff member. The appeal provided in this section shall be conducted as provided in sections 4 and 5 of this act.

"NEW SECTION. Sec. 7. The board of trustees of any community college district and its employees or agents shall not discriminate in any way against any applicant for employment or any employee

"(1) On account of his membership in any lawful organization, or

"(2) For the orderly exercise during off-school hours of any rights guaranteed under the law to citizens generally, or

"(3) For family relationship, except where covered by chapter 42.22 RCW.

"The community college district personnel file on any employee in the possession of the district, its employees, or agents shall not be withheld at any time from the inspection of that employee.

"NEW SECTION. Sec. 8. The code reviser is hereby directed to add the provisions of sections 1 through 7 of this act to chapter 8, Laws of 1967 ex. sess., and to chapter 28.85 RCW, unless or until such time as the education code of 1969 (HB 58) shall become effective, at which time they shall be added to chapter 28B.50 RCW thereof.

"NEW SECTION. Sec. 9. Section 54, chapter 8, Laws of 1967 ex. sess. and RCW 28.85.540 are each hereby repealed and section 28B.50.540, chapter —, Laws of 1969 (HB 58) and RCW 28B.50.540 are each hereby repealed at such time as the 1969 education code becomes effective.

AMENDMENTS TO ENGROSSED SENATE BILL NO. 556

Because of the complexity of the amendments adopted by the House, the office of the Code Reviser assisted in combining the amendments in proper form and inserting them in the correct order in the bill. The following is the amendment to Engrossed Senate Bill No. 556 as prepared by the office of the Code Reviser. This amendment includes the amendments by Representatives Randall, Hoggins, Bluechel, Leckenby, Wolf, Heavey, Brouillet and Smythe which appear in the preceding pages of the journal in the form in which they were adopted by the House :

On page 1, beginning on line 14 following the enacting clause add 12 sections as follows:

"NEW SECTION. Section 1. Every school district by action of its board of directors shall adopt annual salary schedules and reproduce the same by printing, mimeographing or other reasonable method, which shall be the basis for salaries for all certificated employees in the district. The salary schedules shall provide for an annual one hundred eighty day base salary with regular increment increases within the series of steps provided for each position classification in which certificated employees are employed, and extra duty pay, except for those cases where extra duty assignments cannot be described on a per diem basis, in which cases the schedules shall specify the compensation for such extra duties or responsibilities: **PROVIDED,** That nothing in this section shall prevent any school district from contracting for the employment of a certificated employee for more than one hundred eighty days, but the salary base for one hundred eighty days as in this section provided shall then be determined by dividing the contractual salary by the number of contracted days and multiplying the result by one hundred eighty. The salary schedules may be amended by the board from time to time, and the then current schedules shall be made available on request to the state superintendent of public instruction, the county or intermediate district superintendent, and any employee of that school district.

"NEW SECTION. Sec. 2. All contracts required by RCW 28.67.070 with certificated employees and salaries stated therein shall be determined on a pro rata basis of no less than one-one hundred-eightieth of the individual's salary base as defined in section 1 of this 1969 amendatory act for each day of duty over one hundred eighty days, except for those cases where extra duty assignments cannot be described on a per diem basis, in which cases the contracts shall specify the compensation for such extra duty. Every such contract shall clearly specify by description directly, or by reference, all regular and extra duties which are to be performed by the employee. Additional duties agreed upon by the school district and employee after the making of the regular contract and compensation therefor shall be

appended to the contract by supplemental contract. No such employee shall be required to perform duties not described in the contract unless a new or supplemental contract is made, except that in an unexpected emergency the board of directors or school district administration may require the employee to perform other reasonable duties on a temporary basis.

"NEW SECTION. Sec. 3. School districts which employ substitute teachers on a continuing basis of twelve or more days within a calendar month shall compensate such employees commensurate with their training and experience and at a per diem salary in proportion to the salary for which that employee would be eligible as shown on the district's salary schedules.

"NEW SECTION. Sec. 4. The Interstate Agreement on Qualifications of Educational Personnel is hereby enacted into law and entered into by this state with all other states legally joining therein in the form substantially as follows:

"The contracting states solemnly agree that:

"Article I

"1. The states party to this Agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interests of society, of education, and of the teaching profession. It is the purpose of this Agreement to provide for the development and execution of such programs of cooperation as will facilitate the movement of teachers and other professional educational personnel among the states party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

"2. The party states find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from state to state in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other states. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their states or origin, can increase the available educational resources. Participation in this compact can increase the availability of educational manpower.

"Article II

"As used in this Agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

"1. 'Educational personnel' means persons who must meet requirements pursuant to state law as a condition of employment in educational programs.

"2. 'Designated State official' means the education official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this Agreement.

"3. 'Accept', or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.

"4. 'State' means a state, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico.

"5. 'Originating State' means a state (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools is acceptable in accordance with the terms of a contract made pursuant to Article III.

"6. 'Receiving State' means a state (and the subdivisions thereof) which accept educational personnel in accordance with the terms of a contract made pursuant to Article III.

"Article III

"1. The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this Agreement. A designated state official may enter into a contract pursuant to this Article only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

"2. Any such contract shall provide for:

"(a) Its duration.

"(b) The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state.

"(c) Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards.

"(d) Any other necessary matters.

"3. No contract made pursuant to this Agreement shall be for a term longer than five years but any such contract may be renewed for life or lesser periods.

"4. Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this Agreement shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January 1, 1954.

"5. The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

"6. A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states.

"Article IV

"1. Nothing in this Agreement shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that state.

"2. To the extent that contracts made pursuant to this Agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract.

"Article V

"The party states agree that:

"1. They will, so far as practicable, prefer the making of multi-lateral contracts pursuant to Article III of this Agreement.

"2. They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification.

"Article VI

"The designated state officials of any party state may meet from time to time as a group to evaluate progress under the Agreement, and to formulate recommendations for changes.

"Article VII

"Nothing in this Agreement shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel.

"Article VIII

"1. This Agreement shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this Agreement.

"2. Any party state may withdraw from this Agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

"3. No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms.

"Article IX

"This Agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Agreement shall be severable and if any phrase, clause, sentence, or provision of this Agreement is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Agreement shall be held contrary to the constitution of any state participating therein, the Agreement shall remain in full force and effect as to the state affected as to all severable matters.

"NEW SECTION. Sec. 5. Representatives Morrison and O'Brien spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Richardson yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "I think Representative Morrison touched on this matter, but I would like complete clarification. It is my understanding that under our State Constitution, when a public employee is a member of a given retirement system and the legislature passes a law requiring him to accept a substitute system or substitute benefits or to transfer into a new system, the law must provide equal or better benefits than he enjoyed under the previous system. This new law will transfer present members of police and firemen pension systems into the new system without any choice on their part. I wish you would clarify for me how their rights under the existing systems will be protected."

Mr. Richardson: "It is the intent of the legislature that presently employed police officers and firefighters, now covered under chapter 41.20 and chapter 41.18 RCW who are to have their membership transferred mandatorily from those existing acts to Engrossed Substitute Senate Bill No. 74, will have all rights and all benefits preserved completely as now provided by those prior acts. For example, presently employed police members who now qualify for retirement after 25 years' service before attaining the age of 50, which is the minimum age requirement under the new system, will still continue to retire regardless of age and be covered by provisions of the prior act. When such members reach the age of 50 years, they will start to receive benefits under this newly enacted bill and thereafter be covered by its provisions. However, to the extent that these benefits fall short of those payable under the prior system, the difference—including survivors and all other benefits now provided in the existing act—will be paid by the employing municipality to such members. This is clearly spelled out in Section 4 of this act."

On page 10, line 28, following section 8 add a new section to read as follows:

"Sec. 9. Section .14.02, chapter 79, Laws of 1947 and RCW 48.14.020 are each amended to read as follows:

"(1) Subject to other provisions of this chapter, each authorized insurer except title insurers shall on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax on premiums. Except as provided in subsection (2) of this section, such tax shall be in the amount of two percent of all premiums, excluding amounts returned to or the amount of reductions in premiums allowed to holders of industrial life policies for payment of premiums directly to an office of the insurer, collected or received by the insurer during the preceding calendar year in the case of foreign and alien insurers, and in the amount of one percent of all such premiums in the case of domestic insurers, for direct insurances, other than ocean marine and foreign trade insurances, after deducting premiums paid to policyholders as returned premiums, upon risks or property resident, situated, or to be performed in this state. For the purposes of this section the consideration received by an insurer for the granting of an annuity is deemed to be a premium.

"(2) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks, regardless of the length of term for which such policies are written, such tax shall be in the amount of two percent of the gross amount of such premiums and premium deposits upon policies on risks resident, located, or to be performed in this state, in force as of the thirty-first day of December next preceding, less the unused or unabsorbed portion of such premiums and premium deposits computed at the average rate thereof actually paid or credited to policyholders or applied in part payment of any renewal premiums or premium deposits on one-year policies expiring during such year.

"(3) Each authorized insurer shall with respect to all ocean marine and foreign trade insurance contracts written within this state during the preceding calendar year, on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax of three-quarters of one percent on its gross underwriting profit. Such gross underwriting profit shall be ascertained by deducting from the net premiums (i.e., gross premiums less all return premiums and premiums for reinsurance) on such ocean marine and foreign trade insurance contracts the net losses paid (i.e., gross losses paid less salvage and recoveries on insurance ceded) during such calendar year under such contracts. In the case of insurers issuing participating contracts, such gross underwriting profit shall not include, for computation of the tax prescribed by this subsection, the amounts refunded, or paid as participation dividends, by such insurers to the holders of such contracts.

"(4) The state does hereby preempt the field of imposing excise or privilege taxes upon insurers or *their agents*, other than title insurers, and no county, city, town or other municipal subdivision shall have the right to impose any such taxes upon such insurers or *their agents*.

"(5) If an authorized insurer collects or receives any such premiums on account of policies in force in this state which were originally issued by another insurer and which other insurer is not authorized to transact insurance in this state on its own account, such collecting insurer shall be liable for and shall pay the tax on such premiums.

"(6) This section shall be effective as to and shall govern the payment of all taxes falling due after the effective date of this code."

"(1) Every insurer issuing participating policies, shall pay dividends, unused premium refunds or savings distributed on account of any such policy, only to the real party in interest entitled thereto as shown by the insurer's records, or to any person to whom the right thereto has been assigned in writing of record with the insurer, or given in the policy by such real party in interest.

"(2) Any person who is shown by the insurer's records to have paid for his own account, or to have been ultimately charged for, the premium for insurance provided by a policy in which another person is the nominal insured, shall be deemed such real party in interest proportionate to premium so paid or so charged. This subsection shall not apply as to any such dividend, refund, or distribution which would amount to less than one dollar.

"(3) This section shall not apply to contracts of group life insurance, group annuities, or group disability insurance.

"(4) *This section shall apply to group blanket motor vehicle policies authorized for issuance by this 1969 amendatory act.*

"NEW SECTION. Sec. 28. The insurance commissioner is authorized to adopt all necessary rules and regulations to carry out the purposes and intent of this 1969 amendatory act."

On page 6, section 12, line 19, after "and (2)" and before "of section" insert "and (7)"

On page 7, section 14, line 24, after "and (2)" and before "of section" insert "and (7)"

Representative Heavey spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Heavey yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Heavey, could you explain to me how your amendment would affect either an oil company (when there are no oil companies with oil wells in this state) or the Washington residents who may invest in a nationwide oil company? I don't understand how this affects the people in the state of Washington or oil companies in the state of Washington."

Mr. Heavey: "Mr. Flanagan, there are oil companies that do business in the state of Washington. There are oil companies that are drilling wells in the state of Washington. We are taxing oil companies on their adjusted gross income. Their adjusted gross income is dependent on the oil depletion allowance, so what we are doing is adding back in that portion of the oil depletion allowance which they are allowed as an offset on their adjusted gross income against that part of their income which is allocated to the state of Washington. For instance, if Standard Oil had an income from the state of Washington of \$1 million, this would be increased by that portion of the oil depletion allowance that it took as an offset against the total net profits, so then its adjusted gross income would go up and it would pay a higher rate of taxation, as it ought to. Now an investor in an oil company in this state will be taxed on the dividends paid to him for his stock, or when he sells his stock he will be taxed on the gains he earns from the sale of the stock."

Mr. Flanagan: "The way I understand it, then the only effect on an oil company would be on producing wells it had in this state. Is that right? As far as I know, there aren't any producing oil wells in the state of Washington. Is that what you said in your explanation?"

Mr. Heavey: "No, I don't even understand my own explanation, Mr. Flanagan. What I said is that by taking out the oil depletion allowance, you will raise the company's gross income whether or not it has an oil producing well in the state because we are taxing it on its adjusted gross income and not on just its oil producing wells. If a company's adjusted gross income is decreased by the oil depletion allowance, once we take that out it goes back up so it increases the tax base. It is an increase of the tax base of oil companies."

Representative Moon spoke in favor of adoption of the amendment, and Representative Pardini spoke against it.

The amendment by Mr. Heavey to Substitute House Bill No. 582 was lost.

Mr. Heavey moved adoption of the following amendment (the three amendments being considered as one):

On page 5, section 7, line 7, change the period to a semicolon and insert a new paragraph:

"(8) Add the amount excluded from gross income for federal income tax purposes under section 103(a) (1) of the internal revenue code."

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Pardini, what impact do you feel the increased rate would have on, say, sewer district bonds because a taxpayer was required to pay a three and one-half percent Washington income tax?"

Mr. Pardini: "I don't think you can tie it down to a three and one-half percent rate, Representative Bottiger. What you will find is that investors will just stay away from the market place. The bonds will not be marketable because of a lack of investor interest and then you don't know where the price is going to go. The bond is really worthless until you can sell it."

Engrossed Substitute House Bill No. 582, having failed to receive the constitutional majority, was declared lost.

EXPLANATION OF VOTE

I oppose and shall vote against Engrossed Substitute House Bill No. 582. While so doing I should like to make it perfectly clear that my vote does not represent a vote against true "Tax Reform." If Engrossed Substitute House Bill No. 582 and the companion constitutional amendment truly represented "reform"—a new system of limited but fair taxes for all so that each Washington wage earner and businessman was contributing his fair share to state services—I would vote for it.

Today we are considering a statute to institute a new taxation system in this state without ever having discussed on the floor of the legislature the constitutional amendment needed first—much less having referred such a constitutional amendment to the people for their approval. Considering the bill without the referendum is something akin to breathing with one lung, which feat I am unable to perform.

Engrossed Substitute House Bill No. 582 does not eliminate the unfair Business and Occupation Tax—it does nothing in the area of discriminatory inventory taxes. Engrossed Substitute House Bill No. 582 does create a tax haven for the already advantaged business cooperatives. It also relieves foreign-owned corporations and businesses of one-half of their present contribution to the state. This burden, of course, is transferred to the individual and resident taxpayer of the state.

Passage of Engrossed Substitute House Bill No. 582 simply opens the door to more and accelerated state spending while, by admission of one of the proponents, only relieving about twenty-five percent of the burdensome M and O school excess levies. Neither does it solve the financial plight of local government.

Until such time as a constitutional amendment has been passed by the legislature, we are simply engaging in a futile exercise in discussing and passing or rejecting Engrossed Substitute House Bill No. 582. Should we find an area of agreement on a constitutionally limited constitutional amendment which could open the door to an income tax, then—and then only—would it make sense to provide the instituting legislation within the confines of the constitutional amendment. JAMES P. KUEHNLE, 4th District.

EXPLANATION OF VOTE

My vote against Engrossed Substitute House Bill No. 582 was based upon my belief that this bill was not a true "Tax Reform" measure, but should have been tabbed "Tax Increase by Re-shuffling." It embodies tax increase by razzle-dazzle, by sugar-coating, by sleight-of-hand. It is designed as a vehicle to fund the further expansion of state government and services. It flaunts the principle of economy in government and sets the stage for further escalation of both taxes and governmental expenditures at the state level.

I oppose it because it negates the principle of economy in government at the same time that it adds to the cruel tax burdens that our citizens presently bear. CARLTON A. GLADDER, 7th District.

EXPLANATION OF VOTE

I voted against the amendments offered on Engrossed Substitute House Bill No. 582 by Representatives Heavey, Grant, Sawyer, Litchman, and Marzano because these proposals would change the tax reform proposal without any assurance of the ultimate effects on revenue to meet state needs. These proposals had been considered and debated by the Revenue and Taxation Committee and were all voted down. This committee, by a sizable majority, approved the bill.

During debate on the floor, the Democrat speakers pointed out the inequities of the federal income taxes, mentioning loopholes of oil depletion and municipal bonds, but these merely emphasize the need for federal tax reform as well as state tax reform.

I believe it is important that we have state tax reform; that we have a package that will provide equity, fairness, responsiveness, and which can pass the legislature and the public. HAROLD S. ZIMMERMAN, 17th District.

NOTICE OF RECONSIDERATION

Mr. Morrison served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which Engrossed Substitute House Bill No. 582 failed to pass the House.

MOTION

Mr. Ceccarelli moved that the vote for reconsideration be laid on the table.

RULING BY THE SPEAKER

The Speaker: "Notice was all that was given, Mr. Ceccarelli."

MOTION

On motion of Mr. Bledsoe, the House reverted to the third order of business.

"NEW SECTION. Sec. 22. Within a reasonable time after holding a hearing under the provisions of this 1969 amendatory act, the board shall render its decision. If a majority of the members of the board vote in favor of finding the accused guilty of unprofessional conduct as specified in the charges, or any of them, the board shall prepare written findings of fact and may thereafter prepare and file in the office of the director a certificate or order of revocation or suspension, in which case a copy thereof shall be served upon the accused, or the board may reprimand the accused, as it deems most appropriate. If the license holder is found not guilty, or if less than a majority of the members vote for a finding of guilty, the board shall forthwith order a dismissal of the charges and the exoneration of the accused. When a proceeding has been dismissed, either on the merits or otherwise, the board shall relieve the accused from any possible odium that may attach by reason of the charges made against him by such public exoneration as is necessary, if requested by the accused to do so.

"NEW SECTION. Sec. 23. The filing by the board in the office of the director of a certificate or order of revocation or suspension after due notice, hearing and findings in accordance with the procedure specified in this 1969 amendatory act, certifying that any holder of a license has been found guilty of unprofessional conduct by the board, shall constitute a revocation or suspension of the license to practice dentistry in this state in accordance with the terms and conditions imposed by the board and embodied in the certificate or order of revocation or suspension. Such certificate or order of revocation or suspension, if appealed, may be stayed by the board or by the reviewing court upon such terms as is deemed proper.

"NEW SECTION. Sec. 24. The certificate or order of revocation or suspension shall

contain a brief and concise statement of the ground or grounds upon which the certificate or order is based and the specific terms and conditions of such revocation or suspension, and shall be retained as a permanent record by the director.

The director shall not issue any license or any renewal thereof to any person whose license has been revoked or suspended by the board except in conformity with the terms and conditions of the certificate or order of revocation or suspension, or in conformity with any order of reinstatement issued by the board, or in accordance with the final judgment in any proceeding for review instituted under the provisions of this 1969 amendatory act.

"NEW SECTION. Sec. 26. Any person whose license has been revoked or suspended by the board shall have the right to a judicial review of the board's decision. Such review shall be initiated by serving on the secretary a notice of appeal and filing such notice of appeal either in the superior court of Thurston county, or in the superior court of the county in which the appellant resides, within thirty days after the filing of the certificate or order of revocation or suspension in the office of the director.

The review in the superior court shall be limited to determining whether the findings of the board are supported by the preponderance of evidence and whether the proceedings of the board were erroneous as a matter of law, or in violation of due process, or so arbitrary or capricious as to amount to an abuse of discretion, or contrary to any constitutional right, power, privilege or immunity.

"NEW SECTION. Sec. 29. The procedure governing appeals to the superior court by those provisions of chapter 34.04 RCW relating to contested cases, as amended from time to time, shall govern in matters of appeal from a decision of the board, insofar as applicable and to the extent such procedure is not inconsistent with the type of appeal provided in this 1969 amendatory act. The accused may secure a review of any final judgment of the superior court by appeal to the supreme court.

"NEW SECTION. Sec. 30. If the board finds the holder of any license guilty of unprofessional conduct and fails to file a certificate or order of revocation or suspension in the office of the director within thirty days, the license holder shall have the right to a judicial review of such finding of the board in the same manner and to the same extent as if the certificate or order had been filed.

"NEW SECTION. Sec. 31. "Sec. 32. Section 22, chapter 112, Laws of 1935 and RCW 18.32.080 are each amended to read as follows:

"The said director is charged with the duty of enforcing this chapter and it shall be the duty of any prosecuting attorney on the complaint of the director [or], the state board of dental examiners, or the dental disciplinary board, or of any member [there] of either of said boards to prosecute any violation of this chapter. The certificate of the county auditor of the county in which any such proceeding shall be pending and/or the certificate of said director [of licenses] certifying in substance to the facts shown of record in their respective offices, or of the facts that no license required by this chapter has been issued, registered or renewed, shall be prima facie evidence in such proceeding of the truth of such certificate.

"Sec. 33. Section 8, chapter 112, Laws of 1935 and RCW 18.32.230 are each amended to read as follows:

"The director [may] shall refuse to issue the license provided for in this chapter [, and any license now in force or that shall be hereafter given may be revoked or suspended, if issued] to [an] any individual who has, by false or fraudulent representations, obtained or sought to obtain practice, or, by false or fraudulent representations obtained or sought to obtain money or any other thing of value, or [for] who is guilty of any other improper, unprofessional, or dishonorable conduct in the practice of dentistry, or who is convicted of a felony, or [when the licensee if found] who is guilty of any of the following acts or offenses:

"(7) Professional connection or association with, or lending his name to another for the illegal practice of dentistry by another, or professional connection or association with any person, firm, or corporation holding himself, themselves, or itself out in any manner contrary to this chapter.

"Upon refusal of a license upon the ground of unprofessional conduct, the applicant may apply for a hearing before the dental disciplinary board. Such hearing shall be governed by the procedure set forth in the dental disciplinary board act and the applicant shall have all the rights accorded to an accused license holder under such act, including the right to appeal from an adverse decision. In case of the refusal of a license by the dental disciplinary board, said board shall file a brief and concise statement of the grounds and reasons therefor in the office of the director which, together with the decision of the hearing committee of the dental disciplinary board in writing, shall remain of record therein.

MESSAGE FROM THE GOVERNOR

Office of the Governor, April 15, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to one item, ENGROSSED HOUSE BILL NO. 606, entitled:

"An Act relating to horse racing."

This bill authorizes the racing commission to license race meets which are non-profit, of six days or less, and having a total annual handle of \$200,000 or less. Section 1 of the bill amends the definition of "race meet." The amendments are not designed to make any substantive changes but are rather technical improvements to the original wording.

In the regular session, the legislature passed House Bill No. 617, now chapter 22, Laws of 1969. This act added "appaloosa horse racing" to the definition of "race meet." Engrossed House Bill No. 606 makes no mention of this earlier bill. While not demonstrably inconsistent, the printing of both of the sections in the code will cause unnecessary confusion.

The amendment to the definitions contained in RCW 67.16.010 is not necessary for the purpose of Engrossed House Bill No. 606. In order to save the confusion of printing both sections in the Revised Code of Washington, I have vetoed section 1 of Engrossed House Bill No. 606.

The remainder of the bill is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

MOTION

On motion of Mr. Bledsoe, Engrossed House Bill No. 606 with the Governor's partial veto message was referred to the Secretary of State.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-79, by Representatives O'Brien, Kopet, Richardson, North, Barden, Brown, Garrett, Ceccarelli, Chatalas, Martinis, Leckenby, Merrill, Francis, Rosellini, Bozarth and May:

WHEREAS, It is of paramount economic importance to the state that the maritime ports abutting Puget Sound waters and the airports within the Puget Sound region retain continued vitality and meet future capacity requirements; and

WHEREAS, The present operation by the several port districts of such maritime ports abutting the waters of Puget Sound is resulting (1) in unwarranted competition amongst the several competing port districts causing the unnecessary raiding of each others business, (2) in duplication of unneeded and expensive facilities, and (3) is a hindrance to the implementation of coordinated long range programs necessary to insure the competitiveness of the Puget Sound ports with other Pacific ports; and

WHEREAS, There exists within the Puget Sound area a need for better coordination in the development of airports and marine ports so as to more adequately meet the total need for such separate but economically integrated facilities;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the

Legislative Council is directed to undertake a study and to prepare a proposed legislative program that would:

(1) Eliminate this unwarranted competition that now exists among the several Puget Sound port districts and encourage the joint acquisition of expensive machinery and equipment that could be shared by the several Puget Sound port districts;

(2) Coordinate long range planning of needed airport and marine port capital improvements within the Puget Sound region;

(3) Insure that future construction of airport and marine port facilities and capital improvements to existing facilities reflect the total integrated port needs within the Puget Sound region; and

(4) Insure the elimination of port district dependence upon tax revenues derived from property taxes and place all airport and marine port facilities on a revenue sustaining financial basis.

AND BE IT FURTHER RESOLVED, That the result of this study and proposed legislative program be submitted to the next regular session of the legislature for its consideration, thirty days prior to the convening thereof.

Mr. O'Brien moved adoption of the resolution.

Representatives O'Brien and Kopet spoke in favor of adoption of the resolution.

POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Farr.

Mr. Farr: "Mr. O'Brien, does this study contemplate or possibly head in the direction of taking away the Port of Bellingham or making it become a part of the Port of Seattle?"

Mr. O'Brien: "There is no intention along this line at all. I think the Port of Bellingham would remain as it is. There is a possibility, of course, that by the ports integrating their operation somewhat you could be benefited by advice and counsel from the larger ports that have things your port doesn't have. But it isn't contemplated to banish your port or to eliminate it in any way, shape or form. As a matter of fact, very small ports would continue. The basic concept here, to a degree, is to have the larger ports operate more or less as a utility—like any private utility—where they would be able to secure proper pricing for their various services. One may now try to get \$1.00 a ton for wharfage, and another may be charging 80 cents a ton. It would affect things of this nature or the duplication of facilities. It was felt that if this was set up properly, on sort of a regional cooperative basis, these ports could be self-sustaining. However, your smaller ports would probably have common interests with other smaller ports, and there is no attempt at all to eliminate the Port of Bellingham."

Further debate ensued, Representatives Farr, Shera and Swayze speaking against adoption of House Resolution No. 69-79, and Representative O'Brien again speaking in favor of its adoption.

POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Kink.

Mr. Kink: "Mr. O'Brien, does the Washington State Port Association concur with this resolution?"

Mr. O'Brien: "I don't know whether the Washington State Port Association does or not. I didn't clear it with them if that is what you mean."

Mr. Kink: "Well, they do have a state association to which the majority of the ports in the state belongs, and I was wondering if you had cleared this with the association."

Mr. O'Brien: "I would say this much, some of the leaders in the Washington State Port Association are well acquainted with the problem, and I don't know of any objection that they raised. Certainly they feel that certain ports in the Puget Sound area should cooperate and work together. I think the smaller ports are outside this realm and probably don't have the problems or facts involved that some of the larger ports have."

Further debate ensued, Representatives Kink and Hoggins speaking against adoption of the resolution, and Representatives Martinis and Leckenby speaking in favor of its adoption.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

House Resolution No. 69-79 was lost on a rising vote.

BE IT FURTHER RESOLVED, That copies of this resolution be directed to the Governor, the Mayor of the City of Port Angeles, the Port Angeles Junior Badminton Club, and to the coach of the Port Angeles Junior Badminton Club, Mr. V. G. Burton.

Mr. Conner moved adoption of the resolution.

Representative Conner spoke in favor of adoption of the resolution.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Thompson.

Mr. Thompson: "Mr. Conner, is this a resolution that bird watchers should support?"

Mr. Conner: "That is right."

Representative Scott spoke against adoption of the resolution.

House Resolution No. 69-80 was adopted.

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives and all the people of the State of Washington, That appropriate recognition of the contributions, past, present, and potential of the library toward a richer and fuller life, be given, by the observance of National Library Week, April 20-26, 1969.

EXPLANATIONS OF VOTE

The assurance of a "yes" vote from me on Substitute House Bill No. 582 was given on April 17. At the same time, intention of voting "no" on proposed related House Joint Resolution No. 42 was also stated. It was my understanding that this was the final language to both Substitute House Bill No. 582 and House Joint Resolution No. 42. Then on April 18, the following day, several new amendments were added, one of which was introduced as "the first step in the elimination of the inventory or personal property tax." This amendment, added on page 24 after line 20, includes the wording listed under a new section. This amendment grants a 10 percent reduction in inventory taxes and includes language which says "including livestock, fur bearing animals, fish, fowl and bees; crops and agricultural products." The assumption that agriculture was to share in a much needed reduction in personal or inventory property taxes faded quickly when I found that this 10 percent reduction was a credit against the B & O tax, Chapter 82.04 RCW, which is not imposed on agriculture and never has been imposed on agriculture. With this language being so misleading, I quickly announced a "no" vote on Substitute House Bill No. 582. My change from a yea to nay was noted and all was well until the next morning in session. I was told that unless my vote was changed back to a "yes" vote there "would be no tax reform measure through the Legislature this session." The gravity of the situation was very great when I thought of these 96 days of session, everyone pointed toward the goal of tax reform. Yet here was a vote giving tax relief to a group that has ability in most cases to pass the tax on, and no relief for agriculture that has little opportunity, if any, to pass on its inventory tax. By agreeing to change my vote to a "yes," so that the public can decide this issue, I felt I had completely abandoned my own principles and, of course, my own industry. If this bill becomes a statute in the RCW, I would like formally to request that the House Revenue and Taxation Committee make it their paramount duty to correct this issue as quickly as possible. MAX E. BENITZ, District 8-B.

I would like to enter into the Journal my reasons for voting "yes" on the proposed tax reform package—Reengrossed Substitute House Bill No. 582.

This is a pretty good bill. Although it does not do a complete job in tax reform, it is better than the regressive system which now exists.

Here are some reasons why I have some reservations about this bill:

- (1) Even though there is relief in overall taxes for low income groups, there are still inequities for the \$8,000 to \$15,000 income groups.
- (2) This bill will tax industry at a corporate rate of 3.5%, which is the same rate individuals will be taxed on income. With reductions in B & O taxes and a credit in inventory taxes, this leaves industry paying taxes at about the same level while adding taxes to the middle income group.
- (3) This bill will not raise enough revenue to meet our needs, or the future needs of your state. With no limitations on sales tax or income tax written into the statute (no safeguards), I do have some reservations about this area of concern.
- (4) There are no provisions for a ceiling on property taxes, and no assurance that we will get any special levy relief.

So with these concerns, Why am I voting "yes"? I hope this vote of "yes" will get the bill passed to the Senate so that some of my concerns, if not all, can be dealt with.

If this bill can be amended or go to Conference, I think we can come out of this session with a topnotch tax package. If the bill is passed in its original form, we will still have a better system than that which now exists. GEORGE FLEMING, 37th District.

Objection to Reengrossed Substitute House Bill No. 582 (tax bill) related itself to the inequities of tax payment distribution and the inconsistency of legislative projections in respect to taxation; namely, tax relief to some segments of our society and increasing the tax support in the other instance. These areas should be modified and coordinated with sound, realistic projection of monetary assessment upon all areas of citizens. FRANK MARZANO, 27th District, and HENRY BACKSTROM, 39th District.

Substitute House Bill No. 582 had a new section added very shortly before passage. This section on page 24 after line 20 due to press of time contains some very ambiguous language. As Chairman of the Revenue and Taxation Committee, it is my intention at the next session of the Legislature to aid in sponsoring legislation that will correct the wording so that agriculture will not be led to believe that their industry would be eligible for a 10 percent reduction in inventory tax. This amendment gives all other industry a 10 percent credit of inventory taxes to be applied to taxes collected under Chapter 82.04 RCW, the Business and Occupation Tax. Lines 9 and 10 of this amendment refer specifically to agriculture, which wording states "including livestock, fur bearing animals, fish, fowl and bees; crops and agricultural products." Agriculture is exempt from the Business and Occupation Tax, even though the language would indicate a 10 percent tax reduction of

inventory tax on agriculture. This is simply not the case. It is the stated intention of this section by the proponents of it to be the first step in the elimination of inventory tax.

I would like to quote Representative Adams' speech on the floor. Speaking in favor of this amendment, he said: "This is the first step towards the elimination of inventory tax which is a worse tax than the B & O." (These words were confirmed by Representative Adams.)

Inventory tax as currently applied to agriculture is in nearly all cases impossible to pass on, as does most of industry and business. Yet if there is a continuation of the stated goal as commenced in this amendment, we will see the elimination of inventory tax on business and industry and no relief for agriculture. This would be grossly unfair. The credit granted for inventory should be made available to all those who are subject to the tax. It is a useless and dangerous act to grant a credit to an industry against a tax to which that industry is not subject. The danger lies in the future inclusion of that industry as one subject to the tax. MARY ELLEN McCAFFREE, District 32-A.

HOUSE JOINT RESOLUTION NO. 42, by Representatives McCaffree and Kiskaddon: Amending Article VII of the Constitution relating to taxation.

The resolution was read the second time.

Mrs. McCaffree moved adoption of the following amendment by Representatives McCaffree, Murray, Kiskaddon, Charette, Brouillet and Francis:

Beginning on line 3, strike the remainder of the resolution and insert the following:

"THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, a proposal to amend Article VII of the Constitution of the state of Washington by amending section 2, as amended by Amendment 17, to read as follows:

"Article VII, section 2. (1) Except as hereinafter provided and notwithstanding any other provision of this Constitution, the aggregate of all tax levies upon real and personal property by the state and all taxing districts now existing or hereafter created shall not in any year exceed [forty mills on the dollar of assessed valuation, which assessed valuation shall be fifty] one per centum of the true and fair value of such property in money: PROVIDED, HOWEVER, That nothing herein shall prevent levies at the rates now provided by law by or for any port or public utility district: PROVIDED FURTHER, That notwithstanding any other provision of this Constitution the legislature shall have the power to provide for enforcement of the provisions of this article.

"The term 'taxing district' for the purposes of this section shall mean any political subdivision, municipal corporation, district, or other governmental agency authorized by law to levy, or have levied for it, ad valorem taxes on property, other than a port or public utility district. Such aggregate limitation or any specific limitation imposed by law in conformity therewith may be exceeded only

"(a) By any taxing district when specifically authorized so to do by a majority of at least three-fifths of the electors thereof voting on the proposition to levy such additional tax submitted not more than twelve months prior to the date on which the proposed levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of such taxing district, at which election the number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election;

"(b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: PROVIDED, That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, AND PROVIDED FURTHER, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;

"(c) By the state or any taxing district for the purpose of paying the principal or interest on general obligation bonds outstanding on December 6, 1934; or for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort.

"(2) Notwithstanding any other provision of this Constitution, the legislature shall have the power,

"(a) To impose a tax upon income from whatever source derived at a rate or rates in excess of that permitted by subsection (1) of this section: PROVIDED, That the first income tax statute to take effect pursuant to this amendment shall impose one of the following types of taxes based upon income: Type (1)—a tax upon income of all taxpayers

at one single uniform rate; or Type (2)—a tax at a single uniform rate upon the income of corporations which may be different from the single uniform rate imposed upon other income; or Type (3)—a tax which may be graduated as to rates and in which the graduated rates applicable to income of corporations may be different from the graduated rates applicable to other income: PROVIDED FURTHER, That one of the types of tax herein specified first to take effect pursuant to this amendment may be changed to one of the other types of tax only by a majority of at least sixty percent of the members elected to each of the two houses of the legislature and may thereafter be referred to the people by the legislature for their approval or rejection or shall be subject to referral to the people by referendum petition.

“(b) To provide for allowance of credits, exclusions, exemptions, and deductions to be used in determining the amount of income subject to tax or in computing such tax; and to provide further for direct payments to an individual or corporation to the extent that (i) insufficient income tax liability exists for full application of an otherwise applicable credit, and (ii) such credit is granted for the purpose of providing direct or indirect relief from other state or local taxes;

“(c) To coordinate the administration and collection of state income taxes with the income tax laws and procedures of the United States, and to delegate to such state administrators as it may designate the authority to prescribe the means of coordination of state and United States tax laws and methods for the allocation of income for taxing purposes. The legislature may adopt by reference any federal statutes relating to the determination of taxable income, as existing at time of adoption and as amended from time to time.

“BE IT FURTHER PROVIDED, That the foregoing amendment shall be construed as a single amendment within the meaning of Article XXIII, section 1 (Amendment 37) of this Constitution.

“The legislature finds that the changes contained in the foregoing amendment constitute a single integrated plan for a balanced revision of the tax structure for state and local government. It is the intention of the legislature that in the event the foregoing amendment is held to be separate amendments, this house joint resolution shall be void in its entirety and shall be of no further force and effect.

“AND BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.”

MOTION

On motion of Mr. Bledsoe, Engrossed House Joint Resolution No. 42 was ordered transmitted immediately to the Senate.

EXPLANATIONS OF VOTE

I voted for Engrossed House Joint Resolution No. 42 in order to fulfill my pledge to the citizens of the 30th District that I would not use my vote to obstruct an opportunity for the people to decide any tax reform constitutional amendment.

In my opinion, this proposal will probably fail at the polls because it does not contain any guarantees or any limitations on the legislature's power of taxation. PAUL BARDEN, 30th District.

May the record show that my "aye" vote for Engrossed House Joint Resolution No. 42—the referendum to the people relative to the institution of an income tax—does not indicate my approval of the total concept of the referendum.

I have voted "aye" because I am of the opinion that Engrossed House Joint Resolution No. 42 represents the best compromise that can be passed out of this legislature. I have a number of serious objections to the provisions of Engrossed House Joint Resolution No. 42 but I am faced with the alternative of saying, "Yes, I feel the people of the state of

Washington should have a chance to approve or reject the concept of the referendum" or saying, "No, I don't think the people should be afforded the opportunity to express themselves."

I have chosen the former course reluctantly. I shall then attempt in every way possible to carry forth the will of the people by effecting appropriate legislation based on the decision made next November by the electorate. JAMES P. KUEHNLE, 4th District.

I have voted against Engrossed House Joint Resolution No. 42 for the following reasons:

First, it does not provide adequate constitutional protection against an improvident legislative extension of the income tax to a point where it would become oppressive, confiscatory and discriminative. This protection could easily have been accomplished by including in the resolution a top permissible rate of 5%, which would not only have been compatible with the 3.5% specified in Reengrossed Substitute House Bill No. 582, for which I voted, but also would have provided sufficient latitude for increase in the foreseeable future.

Second, it removes the existing constitutional requirement for the adoption of a graduated net income tax. To date, our Constitution has been amended 54 times under these protections, and many of such amendments have related to far less important subjects. Basic revisions of philosophy of the magnitude of the adoption of a graduated net income tax should continue to be subject to the screening process of the constitutional amendatory requirements which have served us so well in the past.

I am in favor of giving the people the opportunity to vote on whether they wish to adopt a tax reform which would include a single rate income tax with a top limit restriction, and would have voted for a resolution which would have given them such an opportunity provided that it encompassed the limitations referred to above. GEORGE W. CLARKE, 41st District.

PERSONAL PRIVILEGE

Mr. Bledsoe: "Mr. Speaker, I would like to have the record show that this House is indeed indebted to a very fine and loyal public servant. The Chairman of the Committee on Revenue and Taxation, though just a mere woman, is a giant as a legislator. As this young lady stood on the floor today and explained this most complex measure in its entirety, I could not help but salute her. I am most proud she is one of ours on this side of the aisle, but at this point she is not just a Republican—she is a legislator. I can't tell you how proud this body is to claim her as one of its own. Mrs. McCaffree, we are in your debt."

(Standing ovation)

Mrs. McCaffree: "Thank you, Mr. Speaker. Thank you, Mr. Bledsoe. Thank all of you for the opportunity to serve as a legislator this session."

Office of the Governor, April 17, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval ENGROSSED HOUSE BILL NO. 168, entitled:

"An Act relating to intoxicating liquor."

This bill enables a domestic brewer to own an interest in a distillery and permits a distiller to own an interest in a domestic brewery.

Engrossed Senate Bill No. 341, the Liquor Board omnibus bill, as amended and subsequently passed by both houses of the legislature, contains essentially the same provisions as Engrossed House Bill No. 168. In fact, all of the purposes of Engrossed House Bill No. 168 are accomplished by the enactment of Engrossed Senate Bill No. 341. In order to prevent the confusion that would result from both bills becoming effective, I have vetoed Engrossed House Bill No. 168.

Respectfully submitted,
DANIEL J. EVANS
Governor.

MOTION

On motion of Mr. Bledsoe, Engrossed House Bill No. 168 and the Governor's veto message were referred to the Committee on Rules and Administration.

EXPLANATION OF VOTE

I would like to explain my vote on Senate Bill No. 488. The reason that I voted "no" is that the planning data by Western Washington State College had shifted its emphasis from administration to additional classroom facilities. I am concerned that this shift has now increased the enrollment and that the administration of Western Washington State College will appear before the 42nd session of the legislature asking for capital funds for an administration building as was provided prior to the passage of Senate Bill No. 488. THOMAS L. COPELAND, District 11-B.

ENGROSSED SENATE BILL NO. 643, by Senators Andersen and Henry:

Pertaining to state lands reserved for state parks use.

"NEW SECTION. Sec. 3. Nothing in this act shall permit the board of natural resources

to determine the full market value, for sale or lease to a city, of trust lands, held in trust for the University of Washington, wholly within the corporate limits of a city, on a basis other than the present zoning, provided such zoning is not inconsistent with the comprehensive plan or the zoning of the surrounding property."

Remember the remaining sections consecutively.

Debate ensued, Representative Hoggins speaking in favor of adoption of the amendment, and Representatives Flanagan and Thompson speaking against it.

The amendment was lost.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 643 was placed on final passage.

WHEREAS, No substantial changes or revisions have since occurred; and

WHEREAS, The laws of landlord and tenant relations in this state fail adequately to deal with modern conditions; and

WHEREAS, It is desirable that a systematic and comprehensive review of landlord and tenant laws be undertaken to update the rights of both landlord and tenant and to clarify their respective responsibilities;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council is authorized and directed to undertake an interim study of the landlord-tenant laws and to make recommendations as to the changes, if any, that are desirable, and draft appropriate legislation pursuant thereto for presentation to the next Regular Session of the Legislature.

WHEREAS, A myriad of special purpose districts have been created to fill the needs referred to above; and

WHEREAS, The services offered by special purpose districts often overlap in given geographical areas; and

(2) Whether or not such a need, if found, is uniform throughout the state; and if not, in what areas is such combination needed and not needed;

(3) The practicality, both from the standpoint of efficiency of operation and economics, of combining special purpose districts in the areas where a need is found to exist;

(4) The desirability and extent to which it may be possible in some geographical areas to have the needs herein referred to served by an adjoining city or by a county;

(5) The desirability of empowering the counties, through their commissioners, to combine special purpose districts within statutory guidelines;

(6) The desirability and practicality of making the creation, expansion and/or dissolution and any other activities of special purpose districts subject to the control of a state agency; and if so, which agency;

(7) Whether the various legislative enabling authorities should be partially or entirely revised, made uniform and/or combined;

(8) Preparation of legislation effectuating the findings of the comprehensive study herein directed.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-89, by Representatives Goldsworthy, Brouillet and Saling:

WHEREAS, Article IX, Section 1, of the Washington State Constitution declares that education is the paramount duty of the state; and

WHEREAS, The 39th Legislature enacted a revised school disbursement formula that was designed to provide a high quality foundation educational program for each student in the state; and

WHEREAS, Such foundation educational program was based on the concept of a defined program, equal dollar appropriation for each student, additional appropriations for special categories of students, and equal local taxing efforts; and

WHEREAS, The foundation educational program has remained undefined, the heavy but unequal reliance on special levies in most school districts has severely altered the concept of equal dollar appropriations for each student, the special categorical fundings are unrelated to actual expenditures, and local taxing efforts are not equal; and

WHEREAS, It is the intent of the House of Representatives that a comprehensive system of tax reform should eliminate any special levies related to supporting the state's guaranteed foundation education program; and

WHEREAS, Recent studies by the legislature's Joint Committee on Education have noted the need for a new school disbursement formula which places more emphasis on an equalization of program or foundation objectives for students rather than equal dollar expenditures or appropriations;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Joint Committee on Education and the Legislative Budget Committee, through a special joint subcommittee thereof, and with the advice and cooperation of the superintendent of public instruction, central budget agency, and other public and private agencies and organizations affected, prepare for submission to the next session of the Washington State Legislature such revisions of the school disbursement formula as are necessary to eliminate that portion of special levy financing related to a defined foundation program for the students in the common schools of the state; and

BE IT FURTHER RESOLVED, That such joint subcommittee prepare for submission to the 42nd Session of the Washington State Legislature a comprehensive report on the desirability of and progress towards the implementation of a planning, programming, budgeting system for the common schools of the state.

Representative Spanton spoke in favor of the memorial.

POINT OF INQUIRY

Mr. Spanton yielded to question by Mr. Grant.

Mr. Grant: "What are the six questions, Mr. Spanton, that are objectionable insofar as this memorial is concerned?"

Mr. Spanton: "If you will look at the pamphlet I left on your desk, you will see it contains a copy of the form and the questions. If you will turn to page two of House Bill No. 3779 you will note that it limits the questions to name and address, relationship to head of household, sex, date of birth, marital status and visitors in the home at the time of the census. They may still ask the other questions that are in the form, but you do not have to answer them unless you wish to. Does that answer the question?"

Mr. Grant: "That answers the question, yes."

Representative Grant spoke against the memorial.

POINT OF INQUIRY

Mr. Spanton yielded to question by Mr. Brouillet.

Mr. Brouillet: "It was reported in the press a day or two ago that the Director of the Census Bureau had revised some of these questions as a result of inquiries from Congressmen. I'm not sure what he revised, but does this take care of any of the problems you have raised here?"

Mr. Spanton: "Very little. I have a copy here of an article which states that Commerce Secretary Maurice Stans ' . . . ordered yesterday a change in the controversial multiple-choice answer to a question about a household's kitchen and bathroom facilities. Some legislators had charged the answer amounted to invasion of privacy.' The changes made were not very substantive and didn't really accomplish the task. Again, I would just mention this doesn't say you can't answer the questions, but there are a great many of these questions which delve pretty deeply into people's private affairs and I think they ought to remain sensitive if they wish. The changes made were not enough to accomplish the task."

MOTION

On motion of Mr. Chatalas, the House deferred further consideration of House Joint Memorial No. 19 and the memorial was ordered held for tomorrow's second reading calendar.

HOUSE CONCURRENT RESOLUTION NO. 31, by Representatives McCaffree, Haussler and Murray:

INTRODUCTION AND FIRST READING

Referred to Committee on State Government and Legislative Procedures.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-85, by Representatives Newhouse, Haussler, Copeland, Benitz, Jolly, Bledsoe, Morrison and Berentson:

WHEREAS, The Director of the Department of Labor and Industries has adopted an administrative rule requiring compulsory coverage under the Industrial Insurance and Medical Aid Acts for certain agricultural employees in the hop and tree fruit industries effective April 1, 1969; and

WHEREAS, Adoption of the rule has created confusion within Washington's agricultural industry; and

WHEREAS, The Director, in a report dated January 2, 1969, has recommended that the Legislative Council conduct a study of all facets of workmen's compensation as it may apply to agricultural workers and employers;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Agriculture and Labor Committees of the Legislative Council jointly shall:

(1) Conduct a two-year study concerning the feasibility and applicability of workmen's compensation coverage to agricultural workers and employers; and

(2) Recommend what changes, if any, should be made in the existing law to permit orderly and economic coverage of agricultural workers and other workers presently excluded from the mandatory provisions of the law.

BE IT FURTHER RESOLVED, That the Legislative Council report the results of its study and recommendations based thereon to the next Regular Session of the Legislature.

BE IT FURTHER RESOLVED, That the Director defer any further administrative extension of coverage to workmen and employers not now subject to the existing law pending completion of the Legislative Council's study and submission of its report.

The House resumed consideration of House Resolution No. 69-85.

Mr. Grant moved adoption of the following amendment to the resolution:

On page 1, line 25, strike "BE IT FURTHER RESOLVED, That the Director defer any further administrative extension of coverage to workmen and employers not now subject to the existing law pending completion of the Legislative Council's study and submission of its report."

Debate ensued, Representatives Grant and Sprague speaking in favor of adoption of the amendment, and Representatives Moon and Newhouse speaking against it.

Mr. King demanded an electric roll call and the demand was sustained.

POINT OF ORDER

Mr. Amen: "Mr. Speaker, I have an amendment to the amendment."

Mr. Amen moved adoption of the following amendment to the amendment by Mr. Grant to House Resolution No. 69-85:

Amend the amendment by Representative Grant as follows: On line 4 of the amendment, after "employers" and before "not" insert "in agriculture"

Debate ensued, Representatives Amen, Morrison and Benitz speaking in favor of adoption of the amendment by Mr. Amen to the amendment by Mr. Grant, and Representatives Bottiger and Perry speaking against it.

The amendment to the amendment was adopted on a rising vote.

The Speaker declared the question before the House to be the amendment by Mr. Grant as amended by Mr. Amen to House Resolution No. 69-85.

Representative Newhouse spoke against adoption of the amendment.

ROLL CALL

The clerk called the roll on the adoption of the amendment by Mr. Grant as amended by Mr. Amen to House Resolution No. 69-85 and the amendment was adopted by the following vote: Yeas, 50; nays, 41; absent or not voting, 8.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Barden, Beck, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Charette, Chatalas, Clark (Newman H.), Conner, Cunningham, DeJarnatt, Fleming, Francis, Gallagher, Grant, Haussler, Hawley, Hoggins, Hurley, Jastad, Jolly, Kalich, King, Kink, Kiskaddon, Litchman, Marsh, Martinis, Marzano, May, McCaffree, McCormick, Merrill, Moon, O'Brien, Randall, Rosellini, Savage, Sawyer, Scott, Sprague, Swayze, Thompson, Wojahn-50.

Voting nay: Representatives Amen, Benitz, Bledsoe, Bluechel, Chapin, Clarke (George W.), Conway, Copeland, Curtis, Evans, Flanagan, Gladder, Goldsworthy, Harris, Hubbard, Jueling, Julin, Kirk, Kopet, Kuehne, Leckenby, Lynch, Mentor, Morrison, Murray, Newhouse, North, O'Dell, Pardini, Perry, Richardson, Saling, Schumaker, Shera, Spanton, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker-41.

Absent or not voting: Representatives Berentson, Farr, Garrett, Hatfield, Heavey, Leland, Mahaffey, Smythe-8.

POINT OF INQUIRY

Mr. Amen: "Mr. Speaker, there was some disagreement as to what we were voting on. Could you explain the vote?"

The Speaker: "Yes, your amendment perfected the section. The section was then struck by Mr. Grant's amendment."

Mr. Amen: "The last vote was to strike everything. Is that right?"

The Speaker: "That is right. The section that had been perfected by your amendment has been deleted."

Mr. Amen: "Mr. Speaker, I would ask for reconsideration."

The Speaker: "It would appear, Mr. Amen, that if you want to get your position back in the resolution, you should submit a new amendment. The striking amendment was the final action. Had Mr. Grant's amendment been defeated, the language you had inserted in the section would have remained."

PARLIAMENTARY INQUIRY

Mr. Moon: "There seems to be quite a bit of confusion on this. I voted on the prevailing side. I wonder if it would be proper for me at this time to move for reconsideration?"

The Speaker: "It would."

MOTION FOR RECONSIDERATION

Mr. Moon, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Mr. Grant, as amended by Mr. Amen, to House Resolution No. 69-85 was adopted.

The motion to reconsider was carried on a rising vote.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Grant as amended. The Speaker explained that if the amendment was adopted, the section as amended by Mr. Amen would be stricken from the resolution. If the nays prevailed, the section would remain in the resolution as amended by Mr. Amen.

PARLIAMENTARY INQUIRY

Mr. Sprague: "Mr. Speaker, I would respectfully suggest that Mr. Amen's amendment related, as I read it, to the last paragraph. It was not an amendment to Mr. Grant's amendment in the first place. I think Mr. Amen's amendment says the section would read, 'That the Director defer any further administrative extension of coverage to workmen and employers in agriculture . . .' Isn't that right? The point is that the amendment was to the section, not to the Grant amendment."

The Speaker: "The body has the right to perfect a section before it strikes it."

MOTION

Mr. Charette moved that House Resolution No. 69-85 be referred to the Committee on Agriculture.

Debate ensued, Representatives Charette and Haussler speaking in favor of the motion, and Representative Amen speaking against it.

The motion was carried on a rising vote.

Legislative Counsel.

Office of the Governor, April 17, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to one item Substitute House Bill No. 724, entitled:

"An Act relating to poultry and poultry products including turkey."

This bill establishes labeling requirements for poultry products. Section 1 requires that poultry or poultry products, including turkey, that has been frozen and then thawed must be labeled to advise prospective buyers of this fact.

Section 2 requires that all turkeys must bear a label showing whether they are graded or ungraded, and if graded, the label must show the grade. The bill does not require that all turkeys be graded.

As a practical matter, this requirement cannot be met. More than 85 percent of the turkeys consumed in Washington are grown and prepared for marketing outside the state. Nearly all imported turkeys are frozen before shipment into Washington. All turkeys in interstate commerce are labeled, and turkeys which are graded are presently labeled as such. If a turkey is ungraded no grade will appear on the label. To require an additional label on ungraded imported turkeys would place an extraordinary and unnecessary burden on local dealers without giving any additional protection to the consumer and would serve no useful purpose. I have therefore vetoed from section 2 of the bill the item that requires the label to state "whether such turkey is graded or ungraded."

Respectfully submitted,
DANIEL J. EVANS
Governor.

EXPLANATION OF VOTE

My vote against Engrossed Senate Bill No. 477 as amended by the House was cast for the purpose of insuring that if this bill goes to conference, all viewpoints will be represented. It is important that a police academy be constructed, but not before a full and careful study has been conducted. Some individuals desire to immediately begin construction of such a facility and may attempt to facilitate this desire by the use of a conference committee.

I favor both the philosophy and intent of Engrossed Senate Bill No. 477 as amended by the House; however, to insure that these purposes are carried out, I voted against this measure. FRANK B. BROUILLET, 25th District.

HOUSE BILL NO. 382, by Representatives Whetzel, Zimmerman and Merrill (by departmental request):

Determining responsibility for burial expenses for public assistance recipients.

Committee recommendation: Majority, do pass with the following amendment:

On page 1, section 1, beginning on line 8, strike the remainder of the section and insert the following:

"The term 'funeral' shall mean the proper preparation and care of the remains of a deceased person with needed facilities and appropriate memorial services, including necessary costs of a lot or cremation and all services related to interment and the customary memorial marking of a grave.

"The department is hereby authorized through the county offices to assume responsibility for the funeral of deceased persons dying without assets sufficient to pay for the minimum standard funeral herein provided: PROVIDED, HOWEVER, That the director may furnish funeral assistance [in other cases] if [the] assets are left to a surviving spouse

and/or to minor children and if the assets are resources permitted to be owned by or available to an eligible applicant or recipient under RCW 74.04.005, and the department shall thereby have a lien against said assets valid for six years from the date of filing with [county clerk and] the county auditor and such lien claim shall have preference to all other claims except prior secured creditors. If the assets remain exempt, or if no probate is commenced, the lien shall automatically terminate without further action six years after filing. *If the deceased person is survived by a spouse or is a minor child survived by his parent or parents, the department may take into consideration the assets of such surviving spouse, parent, or parents in determining whether or not the department will assume responsibility for the funeral.*

"The department shall not pay more than cost for a minimum standard service rendered by each vendor. Payments to the funeral director and to the cemetery or crematorium will be made by separate vouchers. The standard of such services and the uniform amounts to be paid shall be determined by the department after giving due consideration to such advice and counsel as it shall obtain from the trade associations of the various vendors and related state departments, agencies, and commissions. The payments made by the department shall not be subject to supplementation by the relatives or friends of recipients. Whenever relatives or friends provide for other than the minimum standard service authorized, the state shall not participate in the payment of any part of the cost."

On motion of Mr. Farr, the committee amendment was not adopted.

Mr. Farr moved adoption of the following amendment:

Strike everything after the enacting clause and insert:

"Section 1. Section 74.08.120, chapter 26, Laws of 1959 as last amended by section 1, chapter —, Laws of 1969 ex. sess. (ESB No. 228) and RCW 74.08.120 are each amended to read as follows:

"The term 'funeral' shall mean the proper preparation and care of the remains of a deceased [person] recipient with needed facilities and appropriate memorial services, including necessary costs of a lot or cremation and all services related to interment and the customary memorial marking of a grave.

"The department is hereby authorized through the county offices to assume responsibility for the funeral of deceased [persons] recipients dying without assets sufficient to pay for the minimum standard funeral herein provided: PROVIDED, HOWEVER, That the director may furnish funeral assistance [in other cases if the assets are left] for deceased recipients if they leave assets to a surviving spouse and/or to minor children and if the assets are resources permitted to be owned by or available to an eligible applicant or recipient under RCW 74.04.005, and the department shall thereby have a lien against said assets valid for six years from the date of filing with the county auditor and such lien claim shall have preference to all other claims except prior secured creditors. If the assets remain exempt, or if no probate is commenced, the lien shall automatically terminate without further action six years after filing. If the deceased [person] recipient is survived by a spouse or is a minor child survived by his parent or parents, the department may take into consideration the assets of such surviving spouse, parent, or parents in determining whether or not the department will assume responsibility for the funeral.

"The department shall not pay more than cost for a minimum standard service rendered by each vendor. Payments to the funeral director and to the cemetery or crematorium will be made by separate vouchers. The standard of such services and the uniform amounts to be paid shall be determined by the department after giving due consideration to such advice and counsel as it shall obtain from the trade associations of the various vendors and related state departments, agencies and commissions. On page 2, after section 1, add a new section as follows:

"NEW SECTION. Sec. 2. There is added to Chapter 36.24 RCW a new section to read as follows: Whenever anyone shall die within a county without making prior plans for the disposition of his body and there is no other person willing to provide for the disposition of the body, the county coroner shall cause such body to be entrusted to a funeral home in the county where the body is found. Disposition shall be on a rotation basis, which shall treat equally all funeral homes or mortuaries desiring to participate, such rotation to be established by the coroner after consultation with representatives of the funeral homes or mortuaries in the county or counties involved."

Representatives Whetzel, Veroske and Charette spoke in favor of adoption of the amendment by Mr. Whetzel to the amendment.

Mr. Sprague demanded the previous question and the demand was sustained.

The amendment by Mr. Whetzel to the amendment by Mr. Farr was adopted.

POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Veroske.

Mr. Veroske: "Dr. Farr, in considering this bill in your committee, did you have any inquiries or show of concern from any of the county commissioners in the state on the effect the bill would have?"

Mr. Farr: "No, we had testimony. There were no questions or controversy before the committee as it was discussed. I don't recall a member of the county commissioners, that I recognized, being present in the audience. I think their representative was present due to other bills that were before us at the time."

Mr. Veroske: "Could you tell this body what effect this might have on the county commissioners in regard to the indigent funerals, please?"

Mr. Farr: "I am certainly not an attorney, Mr. Veroske, as you know. I would imagine that the effect of this would probably revert back to the situation as it was prior to the time public assistance was directed to take over the responsibility of burial of unclaimed deceased bodies, and I would imagine that some sort of arrangement would fall on the shoulders of county government."

POINT OF INQUIRY

Mr. Veroske: "Point of information, Mr. Speaker. Does this appear in the Journal?"

The Speaker: "Yes, the questions and answers appear in the Journal."

ROLL CALL

The clerk called the roll on the final passage of Engrossed House Bill No. 382, and the bill passed the House by the following vote: Yeas, 52; nays, 38; absent or not voting, 9.

On motion of Mr. Marsh, the resolution was adopted.

MESSAGES FROM THE SENATE

April 19, 1969.

Mr. Speaker: The Senate adheres to its position regarding ENGROSSED SUBSTITUTE SENATE BILL NO. 169 and again asks the House to recede therefrom.

WARD BOWDEN, Secretary.

MOTION

Mr. Kopet moved that the House recede from its amendment to page 4 of Engrossed Substitute Senate Bill No. 169.

Debate ensued, Representatives Haussler, Benitz and Moon speaking in favor of the motion, and Representatives Wolf and Leland speaking against it.

Mr. Cunningham demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative Chapin speaking in favor of the motion, and Representative Mentor speaking against it.

POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Merrill.

Mr. Merrill: "Does this apply to King County?"

Mr. Wolf: "Yes."

Mr. Merrill: "I'm sure I am not alone in being confused. I asked three or four people if it applied to King County, and they said 'no.' I just wanted to have the matter clarified."

Representative Clark (Newman H.) spoke against the motion.

Mr. Barden demanded the previous question and the demand was sustained.

PARLIAMENTARY INQUIRY

Mr. Kopet: "Mr. Speaker, in view of the conversations here, will you clarify the meaning of the vote?"

The Speaker: "On April 16, the Senate concurred in the House amendments to line 3 of the title and to page 11 of Engrossed Substitute Senate Bill No. 169, and it refused to concur in the House amendment to page 4. On April 17, the House refused to recede from its amendment to page 4. On April 19, the Senate again asked the House to recede therefrom. The question before the House is the motion by Mr. Kopet that the House recede from its amendment to page 4, Engrossed Substitute Senate Bill No. 169."

ROLL CALL

The clerk called the roll on the motion by Mr. Kopet that the House recede from its amendment to page 4, Engrossed Substitute Senate Bill No. 169, and the motion was carried by the following vote: Yeas, 52; nays, 35; absent or not voting, 12.

Voting yea: Representatives Adams, Bagnariol, Beck, Benitz, Bledsoe, Bozarth, Brouillet, Brown, Ceccarelli, Chapin, Charette, Curtis, DeJarnatt, Evans, Farr, Fleming, Francis, Garrett, Gladder, Grant, Haussler, Heavey, Jastad, Jolly, Kink, Kiskaddon, Kopet, Leckenby, Marsh, Martinis, Marzano, May, McCaffree, Moon, Morrison, Murray, Newhouse, North, O'Dell, Pardini, Perry, Randall, Rosellini, Savage, Schumaker, Scott, Shera, Smythe, Sprague, Thompson, Whetzel, Zimmerman—52.

Voting nay: Representatives Anderson, Backstrom, Barden, Berentson, Bluechel, Chatalas, Clark (Newman H.), Clarke (George W.), Conner, Conway, Cunningham, Flanagan, Gallagher, Harris, Hatfield, Hawley, Hoggins, Hubbard, Hurley, Jueling, Julin, King, Kuehne, Leland, Lynch, Mahaffey, Mentor, Merrill, O'Brien, Richardson, Spanton, Swayze, Wanamaker, Wolf, Mr. Speaker—35.

Absent or not voting: Representatives Amen, Bottiger, Copeland, Goldsworthy, Kalich, Kirk, Litchman, McCormick, Saling, Sawyer, Veroske, Wojahn—12.

DISCHARGE OF CONFERENCE COMMITTEE

The Conference Committee on Engrossed Substitute Senate Bill No. 169, consisting of Representatives Wolf, Bottiger and Morrison, was considered discharged by reason of the action of the House in receding from its amendment to page 4.

FINAL PASSAGE OF SENATE BILL
WITHOUT HOUSE AMENDMENT

The Speaker declared the question before the House to be final passage of Engrossed Substitute Senate Bill No. 169 without the House amendment to page 4.

Representative Leland spoke against passage of the bill.

POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Hoggins.

Mr. Hoggins: "I am interested in the property owner—not the large owner, but just the ordinary citizen who has some acreage. I am interested in the total tax impact on him should he sell a lot that comes under these sizes. I am of the opinion that through this forced platting he is going to receive quite a substantial increase in his taxes and then will be forced to sell his property rather than being able to hold it for whatever purposes he desires. Is this true?"

Mr. Wolf: "Mr. Hoggins, I am not an expert, but it is my opinion that you are absolutely correct. Platting as you know calls for dedication and raises the property value of the entire piece, so his tax burden as an original landowner changes from stump ranch to residential home sites. I think this is the thing Representative Mentor was speaking to. The minute you plat, you in effect have said, 'From now on this is not a stump ranch; we are not going to raise Christmas trees; we are not going to harvest the timber; we are not going to use it for grazing; it has now become residential land.'"

Representative Hoggins spoke against passage of the bill.

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Bluechel.

Mr. Bluechel: "I have some confusion about this bill in exactly what it refers to. In section 2, it mentions that 'subdivision' applies only to residential subdivisions, but further on in the bill the wording leads me to believe that it would also apply to industrial—commercial, which do not fall into the same type of development. If they did, this would place a great burden on anybody developing small commercial tracts or industrial tracts because the layout of the lots is not known until you know what is going on the tract. Can you tell me, Mr. Chapin, if this applies only to residential subdividers?"

Mr. Chapin: "I don't know what language you are referring to, Mr. Bluechel, unless you want to point it out to me. But I would point out that the definition of 'subdivision' on page 2, section 2, says:

"(1) 'Subdivision' is the division of land into five or more lots, tracts, parcels, sites or divisions for the purpose of sale or lease for residential purposes, . . ."

"I don't know, offhand, of any definition in here that would change or alter that."

Debate ensued, Representatives Bledsoe, Chapin, Haussler, Benitz and Moon speaking in favor of passage of the bill, and Representatives Wolf, Clarke (George W.) and Hawley speaking against it.

Mr. Beck demanded the previous question and the demand was sustained.

ROLL CALL

The clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 169 without the House amendment to page 4, and the bill failed to pass the House by the following vote: Yeas, 41; nays, 49; absent or not voting, 9.

Voting yea: Representatives Beck, Benitz, Bledsoe, Brown, Charette, Conner, Curtis, DeJarnatt, Evans, Fleming, Francis, Hatfield, Haussler, Heavey, Jolly, King, Kiskaddon, Kopet, Leckenby, Lynch, Marsh, Martinis, May, McCaffree, Moon, Murray, Newhouse, North, O'Brien, O'Dell, Pardini, Randall, Savage, Schumaker, Scott, Shera, Smythe, Sprague, Thompson, Whetzel, Zimmerman—41.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Barden, Berentson, Bluechel, Bottiger, Bozarth, Brouillet, Ceccarelli, Chapin, Chatalas, Clark (Newman H.), Clarke (George W.), Conway, Cunningham, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Harris, Hawley, Hoggins, Hubbard, Hurley, Jastad, Jueling, Julin, Kalich, Kink, Kuehnle, Leland, Mahaffey, Marzano, Mentor, Merrill, Morrison, Perry, Richardson, Rosellini, Saling, Spanton, Swayze, Wanamaker, Wolf, Mr. Speaker—49.

Absent or not voting: Representatives Amen, Copeland, Grant, Kirk, Litchman, McCormick, Sawyer, Veroske, Wojahn—9.

Engrossed Substitute Senate Bill No. 169, without the House amendment to page 4, having failed to receive the constitutional majority was declared lost.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-102, by Representatives Francis, Evans, Chapin, Marsh, Charette, Heavey, Bagnariol, Fleming, Sprague, Haussler, King, O'Dell and Barden:

WHEREAS, The incidence of crime against persons and properties is increasing in this state; and

WHEREAS, The traditional emphasis upon punishment by incarceration as the singular deterrent to crime is apparently ineffective to stem the said increase;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Judicial Council is directed to undertake a comprehensive study of crime, its causes, and means of reduction and to prepare recommendations, including drafts of curative legislative programs in which would be included the estimated cost of implementation. The study should include, but not be limited to the following:

(1) Crime prevention programs, such as special education for such potential criminals as school dropouts, emotionally disturbed individuals and physically, mentally and socially handicapped persons.

(2) Means of improving apprehension and conviction of criminals.

(3) Means of ensuring that persons convicted of crimes will not repeat their crimes, including an assessment of the effectiveness of current sentencing procedures, and methods of treating the criminally convicted for potential rehabilitation. Such assessment should include a study and recommendations regarding types of incarceration and treatment after release; the possible need for construction of additional or expanded correction facilities and for increasing the number of trained personnel at correction institutions; the possible value of increased utilization of work release programs from correction institutions; and the benefits to be derived from construction and utilization of halfway houses; and the need for increasing the number of parole and probation field staff personnel. In making the comprehensive study and in preparing the curative legislative proposals, the Judicial Council is authorized to utilize all existing studies from every source and shall not be limited by the previously enumerated categories of study.

BE IT FURTHER RESOLVED, That the Judicial Council submit the results of the said study and proposed legislative programs to the next regular or extraordinary session of the Legislature for its review and possible implementation.

On motion of Mr. Francis, the resolution was adopted.

HOUSE RESOLUTION NO. 69-103, by Representatives King and McCaffree:

WHEREAS, In administering laws enacted by the Legislature, recognition should be given to the intent as well as the letter of the law; and

WHEREAS, The Department of Revenue has adopted rules for administering the application of the retail sales tax; and

WHEREAS, Rule 197 states that the taxpayer must report on an accrual basis any income that he becomes legally entitled to, and Rule 196 says that no deduction is allowed because of credit losses or bad debts or repossession of properties sold under conditional

sales contracts thus requiring payment of sales tax on bad and uncollectible debts thus obviously being in direct conflict with the original intent of the Legislature;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Budget Committee undertake a study of the retail sales tax law as applied by departmental rule or regulation to credit losses, bad debts, repossession of property sold under conditional sales contracts and the methods of determining tax liability for persons making returns on the accrual basis and the efficacy thereof; and

BE IT FURTHER RESOLVED, That the result of the study and the recommendations be presented to the next Session of the Legislature, regular or special, for its consideration.

On motion of Mr. King, the resolution was adopted.

HOUSE RESOLUTION NO. 69-104, by Representatives Brouillet and Berentson:

WHEREAS, Each year many students are injured in activities on school property or while participating in field trips or other school related activities; and

WHEREAS, These injured students are technically under the supervision of school authorities; and

WHEREAS, It is neither feasible nor desirable to inaugurate regimented programs which provide complete supervision of all students at all times; and

WHEREAS, Even if such supervision were instituted, some injuries would still occur to students on school property or while participating in school related activities; and

WHEREAS, Accident insurance programs for students are primarily voluntary and not offered on a uniform basis among school districts; and

WHEREAS, Current law permits school personnel to be personally liable for accidents to students under their supervision; and

WHEREAS, Liability insurance programs for school personnel are either not provided or are not offered on a uniform basis among school districts; and

WHEREAS, Accident and liability insurance for students and school personnel are minimal in cost;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Joint Committee on Education, with the advice and cooperation of the State Insurance Commissioner, study the desirability and feasibility of various forms of accident and liability insurance for students and school personnel and report its findings, including any recommended legislation, to a subsequent session of the Legislature; and

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives transmit a copy of this house resolution to the Executive Secretary of the Joint Committee on Education and the State Insurance Commissioner.

Mr. Brouillet moved adoption of the resolution.

Representatives Brouillet and Berentson spoke in favor of the resolution.

The resolution was adopted.

MOTION FOR RECONSIDERATION

Mr. Chapin, having given notice on the preceding day, moved that the House reconsider the vote by which Engrossed Substitute Senate Bill No. 169 without the amendment to section 4 failed to pass the House.

POINT OF ORDER

Mr. Barden: "Mr. Speaker, Rule 70 of the Rules of the House states that a motion to reconsider can be decided only once when decided in the negative. We did decide in the negative yesterday. Therefore, the further motion to reconsider is out of order."

POINT OF ORDER

Mr. Wolf: "Mr. Speaker, I would like to add to the point of order and ask for the ruling: First, in regard to Mr. Barden's point of order; second, in regard to the motion being placed to reconsider immediately taking precedence over one to a time certain; and third, the fact that a double negative would kill a bill (in other words we have reconsidered and also killed the bill twice)."

POINT OF ORDER

Mr. Chapin: "Mr. Speaker, Rule 70 provides that an affirmative or negative vote on final passage of a bill may be reconsidered only on the next working day after such vote has been taken. I would submit that our action yesterday was null and void in that we could not reconsider then. If there was any effect at all as to what the House did yesterday, it was that we said we didn't want to suspend the rules to reconsider then what was not reconsiderable by the rules. It seems to me in essence what we did was void under Rule 70."

RULING BY THE SPEAKER

The Speaker: "It is my position that Mr. Chapin yesterday served notice that he would ask for reconsideration of the vote today. Mr. Barden then moved that the House reconsider the vote immediately. It is my opinion that the body determined it did not want to make the decision yesterday—it wanted to make it today. If you want to challenge the ruling of the chair, you can do that, but I am going to allow Mr. Chapin's motion. If you want to defeat the motion, that is your prerogative. If you want to challenge the ruling, that is also your prerogative. The Speaker is here to expedite the business of the House, and I think the body yesterday made the determination that it wanted to reconsider the vote but it didn't want to do it yesterday. Mr. Chapin, your motion is in order."

PERSONAL PRIVILEGE

Mr. Chatalas: "I am very happy you ruled that way, Mr. Speaker, because otherwise you would be setting a precedent in that any time someone wanted to reconsider on the next working day, someone else would be making a motion to reconsider immediately. Then you would really have something on your hands that you wouldn't be able to handle."

RULING BY THE SPEAKER

The Speaker: "I might state further that had some of you experts with the rule book been on your toes, you would have challenged Mr. Barden's motion as being out of order, because it was, and he slipped that one by me. For that reason I think the body is entitled to make the determination today."

RECONSIDERATION

The Speaker declared the question before the House to be the motion by Mr. Chapin that the House reconsider the vote by which Engrossed Substitute Senate Bill No. 169 without the amendment to section 4 failed to pass the House.

Representative Chapin spoke in favor of the motion.

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Sawyer.

Mr. Sawyer: "There is a certain amount of negotiation going on in the Senate. Since Senator Gissberg is the prime sponsor of this bill, this delay would have nothing to do with any negotiations that are presently being conducted in the Senate, would it?"

Mr. Chapin: "I haven't been a part of any negotiations with Mr. Gissberg, so I can't answer that question."

Debate ensued, Representatives Wolf, Harris and Berentson speaking against the motion to reconsider, and Representatives Savage, Kalich, Leckenby, Thompson and Smythe speaking in favor of the motion.

Mr. Anderson demanded the previous question and the demand was sustained.

Mr. Juelsing demanded an electric roll call and the demand was sustained.

The clerk called the roll on the motion by Representative Chapin that the House reconsider the vote by which Engrossed Substitute Senate Bill No. 169 without the amendment to section 4 failed to pass the House, and the motion was carried by the following vote: Yeas, 71; nays, 24; absent or not voting, 4.

Absent or not voting: Representatives Amen, Copeland, Litchman, Shera—4.

MOTIONS

On motion of Mr. Chapin, the House deferred further consideration of Engrossed Substitute Senate Bill No. 169, and the bill was ordered placed on Monday's third reading calendar.

On motion of Mr. Bledsoe, the House reverted to the sixth order of business.

INTRODUCTION AND FIRST READING

HOUSE JOINT MEMORIAL NO. 20, by Representatives Berentson, Veroske and Wanamaker:

Requesting commemoration of pig war centennial.

On motion of Mr. Newhouse, the rules were suspended, House Joint Memorial No. 20 was advanced to second reading and read the second time.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and House Joint Memorial No. 20 was placed on final passage.

Representative Berentson spoke in favor of passage of the memorial.

The clerk called the roll on the final passage of House Joint Memorial No. 20, and the memorial passed the House by the following vote: Yeas, 94; nays, 0; absent or not voting, 5.

Absent or not voting: Representatives Amen, Copeland, Leckenby, Litchman, Shera—5.

House Joint Memorial No. 20, having received the constitutional majority, was declared passed.

MOTION

On motion of Mr. Bledsoe, the House reverted to the fifth order of business.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I return herewith without my approval as to one item, HOUSE BILL NO. 356, entitled:

"An Act relating to deposit and investment of public funds."

Section 3 of the act designates the State Finance Committee as the Washington Public Deposit Protection Commission. The section further provides that meetings of the Commission shall be held at least once a month, and more frequently whenever called by the chairman after notice thereof.

The Commission will be required to meet as often as is necessary to perform its function. The requirement of a monthly meeting is artificial and has no relationship to the actual work required of the Commission. I have therefore vetoed from section 3 the item requiring meetings at least once each month. The remainder of the bill is approved.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 828 as amended by the Senate.

POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Leland.

Mr. Leland: "Would you mind telling us what Engrossed Substitute House Bill No. 828 is?"

Mr. Bluechel: "It is the automatic data processing bill. The Senate made three amendments to the bill. We had taken out one provision that allowed for sixty percent of the elected officials to veto an action. It was a technical move because this had never come up in the prior two-year study as there were unanimous votes throughout. The Senate insisted this section be put back in and we have agreed. We deleted the state treasurer from the committee and the Senate put him back on. We just wanted to reduce the number on the committee. The third amendment was one suggested by the state auditor, technically changing some wording to fit with existing law. There were no serious changes."

ROLL CALL

The clerk called the roll on the final passage of Engrossed Substitute House Bill No. 828, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 95; nays, 0; absent or not voting, 4.

SENATE AMENDMENTS TO HOUSE BILL

April 9, 1969.

Mr. Speaker: The Senate has passed ENGROSSED HOUSE BILL NO. 635 with the following amendments:

On page 1, line 6 of the title, after the semicolon insert "providing for financial assistance to needy or disadvantaged students attending institutions of higher education within the state; making an appropriation;"

On page 2, after section 5, add the following new sections:

"Part IV

"NEW SECTION. Sec. 6. The legislature hereby declares that it regards the higher education of its qualified domiciliaries to be a public purpose of great importance to the welfare and security of this state and nation; and further declares that the establishment of a student financial aid program, assisting financially needy or disadvantaged students in this state to be a desirable and economical method of furthering this purpose. The legislature has concluded that the benefit to the state in assuring the development of the talents of its qualified domiciliaries will bring tangible benefits to the state in the future.

"The legislature further declares that there is an urgent need at present for the establishment of a state of Washington student financial aid program, and that the most efficient and economical way to meet this need is through the plan prescribed in this act.

"NEW SECTION. Sec. 7. The sole purpose of this act is to establish a state of Washington student financial aid program, thus assisting financially needy or disadvantaged students domiciled in Washington to obtain the opportunity of attending an accredited institution of higher education, as defined in section 8 (1) of this act.

"NEW SECTION. Sec. 8. As used in Part IV of this act:

"(1) 'Institutions of higher education' shall mean any public or private college, university or community college in the state of Washington which is accredited by the Northwest Association of Secondary and Higher Schools; and an institute of higher education shall also mean any public vocational-technical institute in the state of Washington.

"(2) The term 'financial aid' shall mean loans and/or grants to needy students enrolled or accepted for enrollment as a full time student at institutions of higher education.

"(3) The term 'commission' shall mean the Washington state student financial aid commission.

"(4) The term 'needy student' shall mean a post high school student of an institution of higher learning as defined in subsection (1) above who demonstrates to the commission the financial inability, either through his parents, family and/or personally, to meet the total cost of board, room, books, and tuition and incidental fees for any semester or quarter.

"(5) The term 'disadvantaged student' shall mean a post high school student who by reason of adverse cultural, educational, environmental, experiential, familial or other circumstances is unable to qualify for enrollment as a full time student in an institution of higher learning, who would otherwise qualify as a needy student, and who is attending an institution of higher learning under an established program designed to qualify him for enrollment as a full time student.

"NEW SECTION. Sec. 9. This program shall be administered by the Washington state student financial aid commission, hereinafter referred to as the 'commission'. The commission shall be composed of seven members appointed by the governor. The length of term of members initially appointed to the commission shall be decided by lot. Three members shall serve for three years, two members shall serve for two years, and the remaining two members shall serve for one year. Thereafter all terms shall be for the period of three years. Vacancies shall be filled for unexpired terms in the same manner as for original appointments.

"The commission shall elect from its own members each year a chairman and secretary who shall serve for terms of one year.

"The members of the commission shall receive no compensation for their services, but shall be reimbursed for expenses necessarily incurred in the performance of their duties.

"NEW SECTION. Sec. 10. The commission shall be cognizant of the following guidelines in the performance of its duties:

"(1) The commission shall be research oriented, not only at its inception but continually through its existence.

"(2) The commission shall coordinate all existing programs of financial aid except those specifically dedicated to a particular institution by the donor.

"(3) The commission shall take the initiative and responsibility for coordinating all federal student financial aid programs to insure that the state recognizes the maximum

potential effect of these programs, and shall design the state program which complements existing federal, state and institutional programs.

"(4) Counseling is a paramount function of student financial aid, and in most cases could only be properly implemented at the institutional levels; therefore, state student financial aid programs shall be concerned with the attainment of those goals which, in the judgment of the commission, are the reasons for the existence of a student financial aid program, and not solely with administration of the program on an individual basis.

"(5) In the development of any new program, the commission shall seek advice from and consultation with the institutions of higher learning, state agencies, industry, labor, and such other interested groups as may be able to contribute to the effectiveness of program development and implementation.

"(6) The 'package' approach of combining loans, grants and employment for student financial aid shall be the conceptional element of the state's involvement.

NEW SECTION. Sec. 11. The commission shall have the following powers and duties:

"(1) Conduct a full analysis of student financial aid as a means of;

"(a) Fulfilling educational aspirations of students of the state of Washington, and

"(b) Improving the general, social, cultural, and economic character of the state.

"Such an analysis will be a continuous one and will yield current information relevant to needed improvements in the state program of student financial aid. The commission will disseminate the information yielded by their analyses to all appropriate individuals and agents.

"(c) This study should include information on the following:

"(i) All programs and sources of available student financial aid,

"(ii) distribution of Washington citizens by socio-economic class,

"(iii) data from federal and state studies useful in identifying;

"(A) demands of students for specific educational goals in colleges, and

"(B) the discrepancy between high school students' preferences and the colleges they actually selected.

"(2) Design a state program of student financial aid based on the data of the study referred to in this section. The state program will supplement available federal and local aid programs. The state program of student financial aid will not exceed the difference between the budgetary costs of attending an institution of higher learning and the student's total resources, including family support, personal savings, employment, and federal and local aid programs.

"(3) Determine and establish criteria for financial need of the individual applicant based upon the consideration of that particular applicant. In making this determination the commission shall consider the following:

"(a) Assets and income of the student.

"(b) Assets and income of the parents, or the individuals legally responsible for the care and maintenance of the student.

"(c) The cost of attending the institution the student is attending or planning to attend.

"(d) Any other criteria deemed relevant to the commission.

"(4) Set the amount of financial aid to be awarded to any individual needy or disadvantaged student in any school year.

"(5) Award financial aid to full time needy or disadvantaged students for a school year based upon only that amount necessary to fill the financial gap between the budgetary cost of attending an institution of higher education and the family and student contribution.

"(6) Review the need and eligibility of all applications on an annual basis and adjust financial aid to reflect changes in the financial need of the recipients and the cost of attending the institution of higher education.

NEW SECTION. Sec. 12. In awarding grants, the commission shall proceed substantially as follows: PROVIDED, That nothing contained herein shall be construed to prevent the commission, in the exercise of its sound discretion, from following another procedure when the best interest of the program so dictates:

"(1) The commission shall annually select the financial aid award winners from among Washington residents applying for student financial aid who have been ranked according to financial need as determined by the amount of the family contribution and other considerations brought to the commission's attention.

"(2) The financial need of the highest ranked students shall be met by grants depending upon the evaluation of financial need until the total allocation has been disbursed. Funds from grants which are declined, forfeited or otherwise unused shall be reawarded until dispersed.

"(3) A grant may be renewed until the course of study is completed, but not for more than an additional three academic years beyond the first year of the award. These shall not be required to be consecutive years. Qualifications for renewal will include maintaining satisfactory academic standing toward completion of the course of study, and continued eligibility as determined by the commission. Should the recipient terminate his enrollment for any reason during the academic year, the unused portion of the grant shall be returned to the state educational grant fund by the institution according to the institution's own policy for issuing refunds.

"(4) In computing financial need the commission shall determine a maximum student expense budget allowance, not to exceed an amount equal to the total maximum student

expense budget at the public institutions plus the current average state appropriation per student for operating expense in the public institutions.

"NEW SECTION. Sec. 13. For a student to be eligible for financial aid he must:

"(1) Be a 'needy student' or 'disadvantaged student' as determined by the commission in accordance with section 8(4) and (5) of this act.

"(2) Have been domiciled within the state of Washington for at least one year.

"(3) Be enrolled or accepted for enrollment as a full time student or is a student under an established program designed to qualify him for enrollment as a full time student at an institution of higher education in Washington.

"(4) Have complied with all the rules and regulations adopted by the commission for the administration of Part IV of this act.

"NEW SECTION. Sec. 14. All student financial aid shall be granted by the commission without regard to the applicant's race, creed, color, religion, sex, or ancestry.

"NEW SECTION. Sec. 15. No aid shall be awarded to any student who is pursuing a degree in theology.

"NEW SECTION. Sec. 16. A state financial aid recipient under Part IV of this act shall apply the award toward the cost of tuition, room, board, books and fees at the institution of higher education attended.

"NEW SECTION. Sec. 17. Funds appropriated for student financial assistance to be granted pursuant to Part IV of this act shall be disbursed as determined by the commission.

"NEW SECTION. Sec. 18. The commission shall be authorized to accept grants, gifts, bequests, and devises of real and personal property from any source for the purpose of granting financial aid in addition to that funded by the state.

"NEW SECTION. Sec. 19. The commission shall adopt rules and regulations as may be necessary or appropriate for effecting the provisions of Part IV of this act, and not in conflict with Part IV of this act, in accordance with the provisions of chapter 34.04 RCW, the Administrative Procedure Act.

"NEW SECTION. Sec. 20. Subject to the provisions of chapter 41.06 RCW, state civil service law, or the higher education personnel board statute, if enacted by the forty-first legislature as Senate Bill No. 246, the commission shall appoint an executive director as chief administrator of the commission, and such employees as it deems advisable, and shall fix their compensation and prescribe their duties.

"NEW SECTION. Sec. 21. The responsibility for administering Title IV-B of the Higher Education Act of 1965 is hereby transferred from the higher education facilities commission to the Washington student financial aid commission effective July 1, 1969.

"NEW SECTION. Sec. 22. If this measure is enacted without the provisions of section 9 of this act, then the act shall be administered by the higher education facilities commission until a student financial aid commission is established.

"NEW SECTION. Sec. 23. There is hereby appropriated from the state general fund to the Washington state student financial aid commission for the biennium ending June 30, 1971, the sum of six hundred thousand dollars or so much thereof as may be necessary to carry out the provisions of Part IV of this act: PROVIDED, That if this measure is enacted without the provisions of section 9 of this act then such appropriation shall be administered by the higher education facilities commission until a student financial aid commission is established.

"NEW SECTION. Sec. 24. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

"NEW SECTION. Sec. 25. Part IV of this act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately," and the same is herewith transmitted. WARD BOWDEN, Secretary.

MOTION

Mr. Mahaffey moved that the House do not concur in the Senate amendments to Engrossed House Bill No. 635 and that the Senate be asked to recede therefrom.

POINT OF ORDER

Mr. DeJarnatt: "Mr. Speaker, I cite Rule 31 of Rules of the House which states:

"A house bill, passed by the senate with amendment or amendments which shall change the scope and object of the bill, upon being received in the house, shall be referred to appropriate committee and shall take the same course as for original bills."

"Mr. Speaker, I raise the point that the Senate amendment to this bill, which is actually the subject matter of Senate Bill No. 245, changes the scope and object of House Bill No. 635 as it was passed by the House."

RULING BY THE SPEAKER

The Speaker: "It would appear that we are talking about student aid, scholarships, grants-in-aid, work programs and financial assistance of all descriptions. It would seem to me that the title is broad enough to include the substance of Senate Bill No. 245 without coming under the provisions of Rule 31."

POINT OF ORDER

Mr. DeJarnatt: "Mr. Speaker, House Bill No. 635 pertains to our state colleges and community colleges and their authority to receive federal funds and set up student loan funds. This pertains to public colleges. Senate Bill No. 245 creates a new commission, an entirely new concept, and applies to student aid in private colleges as well as public colleges. It seems to me it broadens it rather widely."

RULING BY THE SPEAKER

The Speaker: "We are talking about the general situation of student aid, whether it be for students who want to attend a private or a public institution in the state. I would think the title is probably broad enough to cover the situation, Mr. DeJarnatt."

MOTION

Mrs. Lynch moved that the House concur in the Senate amendments to Engrossed House Bill No. 635.

Representative O'Brien spoke in favor of the motion.

POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. O'Brien, did you say this amendment is the same wording or intent as Senate Bill No. 245?"

Mr. O'Brien: "It is similar, yes."

Debate ensued, Representatives Lynch and Fleming speaking in favor of the motion to concur in the Senate amendments to Engrossed House Bill No. 635, and Representatives DeJarnatt and Goldsworthy speaking against the motion.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Moon.

Mr. Moon: "How much will be made available per student, per year?"

Mrs. Lynch: "Representative Moon, the bill requires that the highest amount that goes to public education can be given. In other words, you take the resources of the student from the cost of whatever school he is going to attend, but the difference cannot be higher than the highest grant that can be given for going to a public school. So there is no way of putting a specific figure on it right now. This will be left to the commission to decide individually on each student who attends. It is quite clearly spelled out in the bill how this is to be done."

Mr. Moon: "In a dollar amount, what would that be then, approximately, per student?"

Mrs. Lynch: "I think the example we used was around \$323 per student."

Mr. Moon: "That would then be the same figure as the amount of tuition per year at the University of Washington?"

Mrs. Lynch: "At the University of Washington, yes."

Further debate ensued, Representatives Moon and Mahaffey speaking against the motion to concur in the Senate amendments to Engrossed House Bill No. 635, and Representatives Hurley and Bottiger speaking in favor of the motion.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mrs. McCaffree.

Mrs. McCaffree: "The question of the money in this bill has come up, Mrs. Lynch, and I would like to know if it is possible to secure this money from the higher education budget at this time?"

Mrs. Lynch: "Representative McCaffree, after listening to the many comments on this, I am quite sure that ninety percent of the people on this floor are absolutely convinced that the \$600,000 could well be taken out of the budget of all higher education."

Mr. Garrett demanded an electric roll call and the demand was sustained.

Representatives Smythe and Sprague spoke in favor of the motion by Mrs. Lynch to concur in the Senate amendments to Engrossed House Bill No. 635.

Mr. O'Dell demanded the previous question and the demand was sustained.

ROLL CALL

The clerk called the roll on the motion by Mrs. Lynch that the House concur in the Senate amendments to Engrossed House Bill No. 635, and the motion was carried by the following vote: Yeas, 50; nays, 46; absent or not voting, 3.

Voting yea: Representatives Backstrom, Bagnariol, Beck, Berentson, Bledsoe, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Curtis, Farr, Flanagan, Fleming, Francis, Gallagher, Grant, Heavey, Hoggins, Hurley, Kalich, King, Kink, Kiskaddon, Litchman, Lynch, Marsh, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Murray, North, O'Brien, Perry, Randall, Rosellini, Savage, Sawyer, Smythe, Sprague, Swayze, Thompson, Whetzel, Wojahn, Zimmerman—50.

Voting nay: Representatives Adams, Amen, Anderson, Barden, Bluechel, Brown, Chapin, Clark (Newman H.), Clarke (George W.), Conway, Copeland, Cunningham, DeJarnatt, Evans, Garrett, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hawley, Hubbard, Jastad, Jolly, Juelling, Julin, Kirk, Kopet, Kuehnle, Leckenby, Mahaffey, Martinis, Moon, Morrison, Newhouse, O'Dell, Pardini, Richardson, Saling, Schumaker, Scott, Spanton, Veroske, Wanamaker, Wolf, Mr. Speaker—46.

Absent or not voting: Representatives Benitz, Leland, Shera—3.

EXPLANATION OF VOTE

This scholarship or financial assistance to students will not fill the empty classrooms at Seattle University. They could do that with half of what they pay for athletic scholarships.

This is not the reason for the private schools—10 of them—wanting this student assistance bill. There would have to be a few million dollars to fill the classrooms of the 10 private schools. And how about a few scholarships for the 22 community colleges and the six public colleges and universities?

No, the President of the University of Puget Sound and the President of Seattle University have said publicly why the student assistance bill is so important to them. And a former champion of the public schools who is now hired by Seattle University has said it also. I refer to the distinguished former Superintendent of Schools of Shoreline. What they have said is, "We need this bill to get the foot in the door for all-out public support of the private colleges."

My friends of the public schools—and most of you are—Confucius said it: "The journey of a thousand miles begins with the first step." This student assistance is the first step.

Let your consciences and good sense be your guides. Vote not to concur. A conference committee may help this bill to be helpful to all of higher education in Washington.

We must keep the public colleges strong and free—free of as much tuition as possible to let more boys and girls go to college, and free of political and secular control. AUDLEY F. MAHAFFEY, 46th District.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY THE SENATE

The Speaker stated the question before the House to be the final passage of Engrossed House Bill No. 635 as amended by the Senate.

NOTICE OF RECONSIDERATION

Mr. Farr served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which the House moved to concur with the Senate amendments to Engrossed House Bill No. 635.

RULING BY THE SPEAKER

The Speaker: "Dr. Farr, as stated, your notice would be out of order."

ROLL CALL

The clerk called the roll on the final passage of Engrossed House Bill No. 635, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 55; nays, 42; absent or not voting, 2.

Voting yea: Representatives Backstrom, Bagnariol, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Charette, Chatalas, Conner, Copeland, Curtis, Farr, Flanagan, Fleming, Francis, Gallagher, Grant, Heavey, Hoggins, Hurley, Kalich, King, Kink, Kiskaddon, Leckenby, Leland, Litchman, Lynch, Marsh, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Murray, North, O'Brien, Perry, Randall, Rosellini, Savage, Sawyer, Smythe, Sprague, Swayze, Thompson, Whetzel, Wojahn, Zimmerman—55.

Voting nay: Representatives Adams, Amen, Anderson, Barden, Chapin, Clark (Newman H.), Clarke (George W.), Conway, Cunningham, DeJarnatt, Evans, Garrett, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hawley, Hubbard, Jastad, Jolly, Jueling, Julin, Kirk, Kopet, Kuehnle, Mahaffey, Martinis, Moon, Morrison, Newhouse, O'Dell, Pardini, Richardson, Saling, Schumaker, Scott, Spanton, Veroske, Wanamaker, Wolf, Mr. Speaker—42.

Absent or not voting: Representatives Benitz, Shera—2.

Engrossed House Bill No. 635, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

NOTICE OF RECONSIDERATION

Mr. Farr served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which Engrossed House Bill No. 635 as amended by the Senate passed the House.

POINT OF INQUIRY

Mr. Kink: "Did Representative Farr make a motion?"

The Speaker: "He gave notice of reconsideration."

EXPLANATION OF VOTE

On Monday, April 28, I voted "yes" to concur in the Senate amendments to Engrossed House Bill No. 635 only so I would be able to move for reconsideration of that vote. It was the decision of the Speaker that my motion for reconsideration at that point was out of order. Had I known this would result I would have voted "nay" on concurrence with the Senate amendments.

Regarding the vote on Monday, April 28, relative to final passage of Engrossed House Bill No. 635, as amended by the Senate, I voted "yes" in order to be on the prevailing side so I could give notice of reconsideration on this vote.

I did so because of my firm conviction that it is improper for us, the members of the Washington State Legislature, to spend public tax funds for the support of private colleges.

The proponents of this legislation have made many claims that the use of public funds for support of private colleges was not the intent of this legislation. I cannot accept this contention and, for this reason, have voted in opposition to the Senate-amended Engrossed House Bill No. 635. CASWELL J. FARR, 42nd District.

MOTIONS

On motion of Mr. Bledsoe, the House deferred consideration of the third reading calendar, and the bill thereon was ordered placed on tomorrow's third reading calendar.

On motion of Mr. Bledsoe, the House adjourned until 11:00 a.m., Tuesday, April 29, 1969.

DON ELDRIDGE, Speaker.

MALCOLM McBEATH, Chief Clerk.

and the same are herewith transmitted. WARD BOWDEN, Secretary.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign:
SENATE JOINT MEMORIAL NO. 15.

INTRODUCTION AND FIRST READING

SENATE JOINT MEMORIAL NO. 14, by Senators Canfield, Washington, Peterson (Lowell), Donohue, Wilson, McCormack, Matson and McDougall:

Memorializing Congress to enact certain legislation which will more adequately protect state granted water rights from federal uses.

On motion of Mr. Newhouse, the rules were suspended, Senate Joint Memorial No. 14 was advanced to second reading and read the second time.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and Senate Joint Memorial No. 14 was placed on final passage.

Representative Flanagan spoke in favor of passage of the memorial.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Clark (Newman H.).

Mr. Clark: "I wish this for the record in order to know the legislative intent as to liability. Would the loss by reason of federal action have a direct obligation existing to the state of Washington for reimbursement to the holder of the water right, or is it the intent of this memorial that the federal government would make reimbursement for the loss?"

Mr. Flanagan: "Which part are you referring to?"

Mr. Clark: "I am referring to line 20, subparagraph (1) which states: 'will provide that whenever a water right based on state law is made ineffective due to the exercise by the federal government of its "reserved water right" powers, the holder of the state-based right shall be entitled to full compensation for the loss caused by the federal government;'. To whom are we looking, the state or the federal government, for reimbursement of the loss to the holder?"

Mr. Flanagan: "Representative Clark, there has to be an existing water right on record at the state level for this subparagraph (1) to be effective. In other words, I don't think the state itself can claim a water right. I think we protect the rights of individuals, districts, or whoever recorded the water right at the state level. I don't know of any case where the federal government has come into the state and removed an existing water right. What the federal government does, when it comes into the state and contracts with the water users or irrigation district to construct an irrigation project, is to ask for a withdrawal of an amount of water it thinks will be necessary to supply this project. The water it claims is not subject to any individual existing water right. I don't know of any specific case where this has happened, but I've heard of some cases with regard to the federal forest service where they have claimed some reserve rights that have possibly brought about this condition. I would assume the federal government in such a case, under the wording of the memorial and if such condition could be proven, would be the one that would be responsible."

Mr. Clark: "That is the purpose of the memorial then?"

Mr. Flanagan: "Yes, partially, although I think, as I said in my statement, that what they are aiming at is protection from diversion of water out of the state. I think to really make the memorial work, we need to get water rights on record in the state. Individuals, districts, and companies should record their water rights. I don't think the memorial would be very effective if we have large amounts of surplus water on which we haven't recorded any claims."

Mr. Clark: "Mr. Flanagan, I assume the memorial is directed to Congress to assume the liability if the federal government obstructs water rights."

Mr. Flanagan: "That is right, yes."

ROLL CALL

The clerk called the roll on the final passage of Senate Joint Memorial No. 14, and the memorial passed the House by the following vote: Yeas, 90; nays, 1; absent or not voting, 8.

Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Conner, Conway, Copeland,

Cunningham, DeJarnatt, Evans, Farr, Flanagan, Francis, Gallagher, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hawley, Heavey, Hoggins, Hubbard, Hurley, Jastad, Jolly, Jueling, Julin, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Kuehne, Leckenby, Litchman, Lynch, Mahaffey, Marsh, Martinis, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Moon, Morrison, Murray, Newhouse, North, O'Brien, O'Dell, Pardini, Perry, Richardson, Rosellini, Saling, Savage, Sawyer, Schumaker, Scott, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wojahn, Wolf, Zimmerman, Mr. Speaker—90.

Voting nay: Representative Grant—1.

Absent or not voting: Representatives Backstrom, Benitz, Curtis, Fleming, Garrett, Leland, Randall, Shera—8.

Senate Joint Memorial No. 14, having received the constitutional majority, was declared passed.

SENATE CONCURRENT RESOLUTION NO. 12, by Senators Greive, Connor and Woodall:

Renewing governmental cooperation studies committee.

Referred to Committee on State Government and Legislative Procedures.

MOTION FOR RECONSIDERATION

Mr. Farr, having given notice on the preceding day, moved that the House do now reconsider the vote by which Engrossed House Bill No. 635, as amended by the Senate, passed the House.

Mr. Marsh demanded a Call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The clerk called the roll and all members were present except Representatives Backstrom, Benitz, Curtis, Leland and Shera.

Mr. Newhouse moved that the absent members be excused and the House proceed with business under the Call of the House.

The motion was carried on a rising vote.

The Speaker declared the question before the House to be the motion by Mr. Farr that the House reconsider the vote by which Engrossed House Bill No. 635, as amended by the Senate, passed the House.

Mr. Kink demanded an oral roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Mr. Charette: "Mr. Speaker, will you explain what the 'yes' and 'no' votes mean on this matter?"

The Speaker: "A vote 'aye' would place Engrossed House Bill No. 635, as amended by the Senate, before us once again. A vote 'no' would leave it in the position of having passed the House."

Debate ensued, Representative Farr speaking in favor of the motion, and Representative Sprague speaking against it.

PARLIAMENTARY INQUIRY

Mr. Barden: "Mr. Speaker, if by simple majority this House did vote to reconsider the measure and it was then before us, could we by simple majority then refer it to the Committee on Appropriations for the purpose of reducing the appropriation on the bill?"

The Speaker: "I think you would have a little problem there because we were dealing with a Senate message. We are within certain limitations as to what subject matter can be considered by the body. I would think that referring the Senate message with the bill attached to a committee would not prove to be of any value, Mr. Barden."

Mr. Leland appeared at the bar of the House.

Further debate ensued, Representative Newhouse speaking in favor of the motion to reconsider, and Representatives King, Heavey and Lynch speaking against it.

POINT OF INQUIRY

Mrs. Kirk yielded to question by Mr. Mahaffey.

Mr. Mahaffey: "Representative Kirk, you were Chairman of the subcommittee of the Interim Committee on Education which investigated this matter of need. Much has been said here today about the great need for student assistance, how a lot of good students can't go to school because they need money, etc. Would you please tell the House what your subcommittee actually found in regard to this matter?"

Mrs. Kirk: "I was Chairman of the subcommittee that handled this in Higher Education during the interim. We found and recommended that we have a further study of two years on this particular subject. We were not able to get from the high schools and the superintendent of public instruction information as to where our high school students were going to college, if they were going to college, if they needed financial aid, if they were getting it for one year, if they were staying in school or if they were dropping out. We had Mr. Jeff Lee, who is head of this kind of program in Oregon, to our committee and he talked to us about the program there. He felt also that we needed further study in regard to the problem that we are facing here in the state of Washington. We were not able to get from some of the private schools the information that we felt was necessary to give us a lead in regard to definite need of financial help. The community colleges also were a little lacking in information for us. It was the recommendation of the committee that we have a further study of two years, setting up a research department as Oregon has with one man and one secretary, to do research during the full two-year period and then come back to the legislature with information which would give us a better understanding of the number of students that actually need help. I am sure no one on the floor of the House wants children or students to stay out of school because they need financial help, but I think we are today starting a brand new program of \$600,000 when we are faced with the tax program. If we get the tax program through, we will know how much money we have. After two more years of study we can then tell how much we feel we need to put into this program."

Further debate ensued, Representative DeJarnatt speaking in favor of the motion to reconsider, and Representatives Fleming and O'Brien speaking against it.

Mr. Marsh demanded the previous question and the demand was sustained.

ROLL CALL

The clerk called the roll on the motion by Mr. Farr that the House reconsider the vote by which Engrossed House Bill No. 635, as amended by the Senate, passed the House, and the motion was lost by the following vote: Yeas, 44; nays, 51; absent or not voting, 4.

Voting yea: Representatives Amen, Anderson, Barden, Chapin, Clark (Newman H.), Clarke (George W.), Copeland, Cunningham, DeJarnatt, Evans, Farr, Garrett, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hawley, Hubbard, Jastad, Jolly, Juelling, Julin, Kirk, Kopet, Kuehnle, Leckenby, Mahaffey, Martinis, Moon, Morrison, Newhouse, O'Dell, Pardini, Richardson, Saling, Savage, Schumaker, Scott, Spanton, Veroske, Wanamaker, Wolf, Mr. Speaker—44.

Voting nay: Representatives Adams, Bagnariol, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Charette, Chatalas, Conner, Conway, Flanagan, Fleming, Francis, Gallagher, Grant, Heavey, Hoggins, Hurley, Kalich, King, Kink, Kiskaddon, Leland, Litchman, Lynch, Marsh, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Murray, North, O'Brien, Pery, Randall, Rosellini, Sawyer, Smythe, Sprague, Swayze, Thompson, Whetzel, Wojahn, Zimmerman—51.

Absent or not voting: Representatives Backstrom, Benitz, Curtis, Shera—4.

MOTION FOR RECONSIDERATION

Mr. Chapin moved that the rules be suspended and the House do now reconsider the vote by which it receded from its amendment to page 4, ENGROSSED SUBSTITUTE SENATE BILL NO. 169.

POINT OF INQUIRY

The Speaker: "Mr. Chapin, before I put the question, did you vote on the prevailing side?"

Mr. Chapin: "Yes, I did, Mr. Speaker."

PARLIAMENTARY INQUIRY

Mr. Heavey: "As I recall, last Thursday Mr. Chapin gave notice of reconsideration. The next day he made the motion for reconsideration which carried, and the reconsideration was placed on Monday's calendar. The House adjourned before it considered the bill on Monday. Does that mean then that it requires a two-thirds vote, or are we considering the special order of business?"

The Speaker: "The House voted to reconsider the vote by which Engrossed Substitute Senate Bill No. 169, without the amendment to page 4, failed to pass the House, and then held the bill for the third reading calendar today. Mr. Chapin has asked for a suspension of the rules which, if the body so desires, could put the bill with the Senate message back into the position it was on April 24."

Mr. Heavey: "In other words, what we are doing is shortcutting one vote by suspending the rules? In other words, we are on the third reading calendar today on the reconsideration?"

The Speaker: "We are trying to get the bill back, Mr. Heavey, where we can perform a little operation."

POINT OF INFORMATION

Mr. Chapin: "Let me explain what has happened. You will recall that when we voted on Friday to reconsider the vote by which we defeated Engrossed Substitute Senate Bill No. 169, it was implicit that we would then put the matter over so we could take a further look at the bill and attempt to work out the problem. You will recall we did vote to reconsider the vote on final passage, and we then deferred the reconsideration. In the interim period, Senator Gissberg who was the prime mover and author of this bill in the Senate, the Attorney General who was the Chairman of the Legislative Council Subcommittee that worked on this, Mr. Guenther of the Legislative Council, Representative Haussler and others have spent a number of hours in trying to perfect this bill. We think we are very, very close to working out a solution that solves the problem Representative Wolf raised and some of the other problems to give more flexibility to the counties to prevent the short plat from being an onerous requirement—generally making this a much better bill than it was. The only device we have open to accomplish this is to get the bill into conference. Because of our rules, since it came over from the Senate as a message from the Senate, it cannot go back to second reading. We have to get it in conference. The only way we can do that (because at this point we have nothing to confer about, having receded from the Senate amendment) is to vote for this motion to reconsider. We will then reconsider and refuse to recede from Mr. Wolf's amendment to page 4. We will then be in a position where we can ask the Senate for a conference and we can sit down and put this bill together. This has the approval of Representative Haussler on the other side of the aisle who has worked on it and, I think, also the others who are concerned with it. I would appreciate if you would give us the opportunity to try and perfect this measure and bring it back before you for final consideration out of a conference report."

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Moon.

Mr. Moon: "My main concern about this is the selling of small acreage without review by a planning commission. In my county an individual by law may sell four pieces of land from a tract that he owns, but he phonies this up by selling to corporations that either he or someone close to him controls. They in turn subdivide these into four more, as many times as they want. What they are doing is legally circumventing the intent of the law. Is it your desire to perpetuate this type of circumvention of the law, or do you intend, if this is put into conference, to do something that will stop this kind of practice?"

Mr. Chapin: "It is my intention and the intention of the other people who have been working on this bill to prevent this kind of practice. This is one of the practices that gave rise to this bill in the first place because of the ability under present law to do just what you have said (to divide four, four, four, indefinitely without any restrictions). This is one of the practices, Representative Moon, that we are working to take out. At the same time we want to insure that the so-called short plat provisions are not made so onerous that the fellow who wants to sell a five-acre or ten-acre piece to his son, for example, cannot because it is so expensive that it is not practical to do so. I think if you are interested, after the session, in taking a look at where we are on this, that you will agree with me we are getting close to a solution. All we are asking is an opportunity to work this out and get it back before you in a cleaned-up form."

Mr. Moon: "I might add, does this have the approval of Senator Gissberg? I have the utmost confidence in him as a legislator and I think he will do the best possible for the people of the state."

Mr. Chapin: "Yes, it does have the approval of Senator Gissberg."

Representative Wolf spoke in favor of the motion to reconsider.

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Leland.

Mr. Leland: "Representative Chapin, is it your thought that you might attempt to secure at local county option a flexible scale between five and twenty acres?"

Mr. Chapin: "The bill as it now stands in the ad hoc committee (which of course is all it is at this point) would allow a county the option of setting a minimum anywhere between five and twenty."

The Speaker declared the question before the House to be the motion by Mr. Chapin to suspend the rules and reconsider the vote by which the House receded from its amendment to page 4, Engrossed Substitute Senate Bill No. 169.

The motion was carried.

RECONSIDERATION

On motion of Mr. Chapin, the House refused to recede from its amendment to page 4, Engrossed Substitute Senate Bill No. 169, and asked the Senate for a conference thereon.

MOTIONS

On motion of Mr. Bledsoe, the House dispensed with further business under the Call of the House.

On motion of Mr. Bledsoe, the House advanced to the twelfth order of business.

On motion of Mr. Bledsoe, the House adjourned until 11:00 a.m., Wednesday, April 30, 1969.

DON ELDRIDGE, Speaker.

MALCOLM McBEATH, Chief Clerk.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-105, by Representatives Marzano, Anderson and Backstrom:

WHEREAS, The citizens of this State have amply demonstrated policy approval of veterans' bonus acts through World War II and Korean War bonus provisions passed by this Legislature in 1949 and 1955; and

WHEREAS, Means of financing provided for the veterans' bonus of 1949 and approved by the state's electors continue not only to pay off both that bond issue and the Korean War bond issue, but in addition contribute to the support of the general fund some four million dollars each biennium; and

WHEREAS, It is contemplated that the two prior bonus bond issues will be completely redeemed in 1971; and

WHEREAS, No agency appears to have surveyed the favorable economic impact attendant to this state as a result of the prior veterans' bonus acts, irrespective of those personal opportunities and advantages accruing to the respective veterans; and

WHEREAS, There have been concerted attempts in both chambers of this Legislature during the Fortieth and Forty-first Regular and Special Sessions thereof to pass a Viet Nam veterans' bonus act, but there is seemingly a lack of information as to the positive results thereof;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Budget Committee begin an immediate study of (1) the economic impact of past veterans' bonus provisions upon the economy of the state, including therein, if possible, an analysis of bonus use; as for educational or business pursuits and (2) the economic impact upon the state of a new Viet Nam veterans' bonus as generally proposed during this Forty-first Regular and Special Session of the Legislature; and

MOTION

Mrs. McCaffree moved that the House concur in the Senate amendments to House Bill No. 710.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of House Bill No. 710, as amended by the Senate.

POINT OF INQUIRY

Mr. Farr: "Mr. Speaker, before we vote again, will someone explain this one to me?"

Representative McCaffree spoke in favor of passage of the bill.

POINT OF INQUIRY

Mrs. McCaffree yielded to question by Mr. O'Brien.

Mr. O'Brien: "Why was the interest rate increased to ten percent? Was there some basis to increase it from eight to ten percent? Is this a current rate of interest on things of this nature?"

Mrs. McCaffree: "Eight percent is the percentage you pay on delinquent taxes now. The Senate amendment increases it to ten percent on delinquent taxes."

POINT OF INFORMATION

Mr. Newhouse: "Mr. Speaker, far be it from me to read the minds of the Senators, but it seems to me the situation is something like this, Mr. O'Brien—that it is more profitable for some people to not pay their taxes and to pay the interest to the county rather than to borrow money at the current higher rate of interest from certain lending institutions. This is the reason I believe the Senate attached this amendment."

ROLL CALL

The clerk called the roll on the final passage of House Bill No. 710, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 57; nays, 37; absent or not voting, 5.

Voting yea: Representatives Adams, Anderson, Barden, Berentson, Bledsoe, Bottiger, Brouillet, Brown, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Conner, Copeland, Cunningham, Curtis, DeJarnatt, Evans, Farr, Flanagan, Grant, Hatfield, Hoggins, Hubbard, Jueling, Kalich, King, Kirk, Kiskaddon, Kopet, Kuehnle, Leckenby, Leland, Litchman, Mahaffey, Marsh, Martinis, McCaffree, Mentor, Merrill, Moon, Murray, North, Pardini, Perry, Richardson, Saling, Scott, Shera, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wojahn, Mr. Speaker—57.

Voting nay: Representatives Amen, Backstrom, Beck, Benitz, Bluechel, Bozarth, Ceccarelli, Chatalas, Conway, Fleming, Francis, Gallagher, Garrett, Gladder, Goldsworthy, Harris, Haussler, Hawley, Hurley, Jastad, Jolly, Kink, Lynch, Marzano, May, McCormick, Morrison, Newhouse, O'Brien, O'Dell, Rosellini, Savage, Schumaker, Smythe, Spanton, Wolf, Zimmerman—37.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-111, by Representatives Beck, Anderson, Kiskaddon, Jolly, Gallagher, Smythe, Berentson, Julin, Zimmerman, Martinis, Kink, Hawley and Wanamaker:

WHEREAS, The legislature finds that the salt water shorelines of our inland seas and waterways form a natural resource without parallel in our nation; and

WHEREAS, In many states, rapid and unrestricted overdevelopment of such lands has resulted in their virtual disappearance as recreational areas for the public, at precisely the time when the need for them is swiftly escalating; and

WHEREAS, It is necessary to take steps to insure that prompt action be taken to preserve for the general public of today as well as for future generations certain selected marine shorelines;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That it should be the policy of the State to retain publicly owned shorelines in public hands; and

BE IT FURTHER RESOLVED, That certain limited, specified, presently underdeveloped portions of the state-owned marine and estuarian shore, designated herein as "high priority natural shorelines" should be preserved in as natural and unspoiled a state as possible to the ultimate benefit of all the citizens of the state and of their heirs; and

BE IT FURTHER RESOLVED, That in order to take an essential first step toward this goal, the Department of Natural Resources is requested to undertake a first-phase identification survey of all state-owned marine shorelines, meaning both tidelands, as defined in chapter 79.01 RCW, and the uplands immediately adjacent thereto, within the area of the Puget Sound Basin and the Straits of Juan de Fuca, northward from Olympia to the Canadian border and westward to Cape Flattery, including all estuarian zones and the shorelines of all inlets such as Hood Canal and all islands; and

BE IT FURTHER RESOLVED, That the purposes of this survey shall be as follows:

(1) To identify and catalog all state-owned marine shorelines in the area to be surveyed; and

(2) To select a limited number of areas that may be suitable for designation as high priority natural shorelines. These shall include natural shorelines preservation of which in their existing condition may represent their highest potential value to the public, and especially those shorelines in this category which may be in danger of being altered, marred, or totally lost as part of a unique heritage resource. Efforts shall be made to designate as high priority natural shorelines areas which are relatively undeveloped. Additional criteria for such designation shall include the natural beauty of a proposed site, its unusual character from ecological or wildlife preservation standpoints, its utility for recreational purposes, and any historical interest it may have. High priority natural shorelines especially worthy of preservation in their natural state may include wilderness beaches at the foot of sea cliffs or bluffs, which may have a high potential for swimming, hiking, picnicking or similar recreational activities; and

BE IT FURTHER RESOLVED, That the Department of Natural Resources in conjunction with the Legislative Committee on Water Resources created by Substitute House Concurrent Resolution No. 15, is requested to prepare and present to the Legislature prior to January 1, 1970, the results of its survey, together with any recommendations concerning future disposition and management of all state-owned natural shorelines and particularly of high priority natural shorelines, as may accord with the purposes of this resolution.

HOUSE RESOLUTION NO. 69-112, by Representatives Julin, Chapin, Clarke (George W.), Lynch, Charette, Adams and Wojahn:

WHEREAS, The number of malpractice cases against licensed professionals in the state of Washington and across the country is on the increase; and

WHEREAS, The increased number of malpractice suits and damages granted in Washington courts in malpractice cases directly affects the cost to the public for services of licensed professionals, particularly those in the health field; and

WHEREAS, The increasing threat of such malpractice actions tends to require that professionals order and require tests and other additional services at added expense to the

public when the same may not be required, but are felt by professional people as necessary to protect against possible future litigation; and

WHEREAS, It is to the benefit of the public that architects, attorneys, engineers, dentists, physicians and other licensed professionals, and the public they serve, have clear understanding of the legal responsibilities of professionals to the public;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Judicial Committee of the Legislative Council is authorized and directed to undertake a study of laws relative to malpractice, including those governing evidence, standards of conduct within a community, statutes of limitation and informed consent; to make recommendations as to the changes, if any, that are desirable; and to draft appropriate legislation relative thereto for presentation to the next Regular Session of the Legislature.

Mr. Julin moved adoption of the resolution.

Following line 13 add a new paragraph to read as follows:

Debate ensued, Representative Bottiger speaking in favor of adoption of the amendment, and Representative Clarke (George W.) speaking against it.

POINT OF INQUIRY

MOTION

Mr. Bledsoe moved that the rules be suspended, Engrossed Substitute Senate Bill No. 724 be advanced to second reading and read the second time.

POINT OF ORDER

Mr. O'Brien: "Why are you bypassing the Rules and Administration Committee? We weren't discussing these bills. To my knowledge neither bill was brought to our attention. You apparently are moving them to second reading for the purpose of putting them on the calendar and then delaying action."

The Speaker: "That is right."

The motion by Mr. Bledsoe was carried.

MOTION

On motion of Mr. Bledsoe, the House deferred consideration of Engrossed Substitute Senate Bill No. 724 and the bill was ordered placed on the second reading calendar following Engrossed Senate Bill No. 377.

PERSONAL PRIVILEGE

Mr. Bledsoe: "Point of general privilege, Mr. Speaker. I think it might be well, with permission of the House, to comment on the proposed schedule of activities through the next several days so the members might make their plans. These, of course, are subject to change, but insofar as possible, depending on the Senate action, they should work as follows: We would propose to recess shortly after completing these opening ceremonies today. The Speaker intends, I am informed, to call a Rules Committee meeting immediately after adjournment. It is proposed on this side of the aisle that we caucus at 2:00. The motion would be to recess until 4:00 p.m., pending action in the Senate. It is hoped they will address themselves to the tax bill which is before them now. At 4:00 we should have some kind of reading on what they have done or intend to do. If they have acted, at 4:00 we could proceed. Failing at that we will be back, regardless, at 7:00 tonight when we propose to act on the highway omnibus bill. It would be hoped on the other side of the aisle your caucus would address itself to that. For tomorrow, the Speaker proposes we convene at 2:00 and work through the afternoon depending on the workload before us—whether it is the tax measure from the Senate or whether it is the calendar which Mr. Copeland and Mr. O'Brien have been making up on a consent basis out of our Rules calendar. At least we will have work before us for tomorrow. We have been informed that the funeral of our late and fine friend, Ward Bowden, is scheduled for 12:00 Monday in Olympia, and it is certainly our wish that all members who mourn his passing attend. We would convene at 10:00 Monday morning, recess for the funeral, and reconvene early in the afternoon for such action as is before us."

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign:

HOUSE BILL NO. 58,
SUBSTITUTE HOUSE BILL NO. 344,
HOUSE BILL NO. 542.

APPOINTMENT OF CONFERENCE COMMITTEE

The Speaker appointed Representatives Whetzel, Perry and O'Dell as members of the Conference Committee on Engrossed Senate Bill No. 310.

Mr. Kiskaddon moved adoption of the resolution.

On page 1, beginning on line 8 following the enacting clause add six new sections as follows:

“Section 1. Section 35.03.010, chapter 7, Laws of 1965 and RCW 35.03.010 are each amended to read as follows:

“Any portion of a county, which portion contains not less than twenty thousand inhabitants [, living within an area of not more than ten square miles,] and which is not incorporated as a municipal corporation, may become incorporated under the provisions of this chapter, and when so incorporated, shall have the powers conferred, or that may hereafter be conferred, by law upon cities of the first class.

“Sec. 2. Section 35.03.020, chapter 7, Laws of 1965 and RCW 35.03.020 are each amended to read as follows:

“A petition shall first be presented under the provisions of sections 1 through 6 of this 1969 amendatory act to the [board of county commissioners] county auditor of such county, signed by at least [one] five hundred qualified electors of the county, residents within the limits of such proposed corporation, which petition shall set forth and particularly describe the proposed boundaries of such corporation, state the name of the proposed corporation, and state the number of inhabitants therein as nearly as may be, and shall pray that the same may be incorporated under the provisions of this chapter. The county auditor shall within thirty days from the time of receiving said petition determine that the legal description of the area proposed to be incorporated is correct and that there is a sufficient number of valid signatures. Upon such determination, the county auditor shall transmit said petitions accompanied by the certificate of sufficiency to the board of county commissioners except that in counties in which a boundary review board exists under chapter 36.93 RCW, said petition and the certificate of sufficiency shall be transmitted to the boundary review board. If a period of sixty days shall elapse from the filing of the said

petition with the boundary review board without such board's jurisdiction having been invoked, as provided in RCW 36.93.100, the proposed incorporation shall be deemed to have been approved by the board. Upon presentation of said petition in counties in which there is no boundary review board, the board of county commissioners shall ascertain the number of inhabitants residing within said proposed boundaries. If, in the opinion of the board of county commissioners, the population within such proposed boundaries can be ascertained from the figures compiled from the last federal or state census for said county, such population figures shall be used, otherwise said board of county commissioners shall make an enumeration of all persons residing within said proposed boundaries. If the board of county commissioners shall ascertain that there are twenty thousand or more inhabitants within said proposed boundaries, they shall set a date for hearing on said petition, the same to be published [for a period of at least two weeks] in accordance with the notice required by RCW 29.27.080 prior to such hearing in some newspaper published in said county, together with a notice stating the time and place of the meeting at which said petition will be heard. Such hearing may be adjourned from time to time, not to exceed one month in all, and, on the final hearing, the board of county commissioners shall make such changes in the proposed boundaries as they may find to be proper, but may not enlarge the same, nor reduce the same so that the population therein would be less than twenty thousand inhabitants: PROVIDED, That if the jurisdiction of the boundary review board has been invoked and it has approved the proposed incorporation or has modified it so that the statutory requirements for incorporation have still been satisfied, then the said petition shall not be referred to the board of county commissioners for action and hearing thereon as provided above. Within thirty days after the conclusion of the final hearing on the proposed incorporation before a boundary review board, that board shall file its written decision of approval, modification, or rejection with the board of county commissioners.

"Sec. 3. Section 35.03.030, chapter 7, Laws of 1965 and RCW 35.03.030 are each amended to read as follows:

"If no boundary review board has jurisdiction over a proposed incorporation under sections 1 through 6 of this 1969 amendatory act or such a board's jurisdiction is not invoked within the sixty day period prescribed in RCW 36.93.100, the board of county commissioners shall by resolution establish and define the boundaries of such corporation, establish and find the number of inhabitants residing therein and state the name of the proposed corporation as specified in the petition for incorporation. Within ninety days after the passage of said resolution or the filing of the decision of approval or modification of the boundary review board with the board of county commissioners, the board of county commissioners shall cause an election to be called and held within the boundaries so established, said election to be conducted [as provided in chapter 29.13 RCW as now or hereafter amended] in the manner required for the calling of a special election in Title 29 RCW, as now or hereafter amended, except as otherwise provided in this chapter, for the purpose of determining whether such boundaries so established shall be incorporated [into a city of the first class and the election] and of electing fifteen freeholders, who shall have been residents within said boundaries for a period of at least two years preceding their election and qualified electors of the county, for the purpose of framing a charter for said city. Any qualified person may, not earlier than sixty days nor later than thirty days prior to such election, file with the county auditor of said county his declaration of candidacy in writing. The form of ballot at such election shall be "for incorporation," "against incorporation"; and shall contain the names of the [freeholders] candidates for the office of freeholder to be voted upon to frame said charter. No person shall be entitled to vote at such election unless he shall be a qualified elector of said county and shall have resided within the limits of such proposed corporation for at least thirty days next preceding such election.

"Sec. 4. Section 35.03.040, chapter 7, Laws of 1965 and RCW 35.03.040 are each amended to read as follows:

"[If at such election a majority of those voting thereat vote in favor of incorporation, the board of county commissioners shall, by resolution entered upon its minutes, declare such territory duly incorporated as a city of the first class under the name of (naming it). Thereafter said city shall have no authority to function as a municipal corporation until a charter has been adopted in accordance with the provisions of this section, except for all purposes necessary for the adoption of such charter.] The fifteen freeholders receiving the highest number of votes at such election shall be certified by the county auditor as elected as freeholders to form a charter for said city provided a majority of those voting at the election referred to in section 3 of this 1969 amendatory act vote in favor of incorporation. It shall be the duty of the persons so elected to convene within ten days after their election and frame a charter for said city, and within sixty days thereafter they, or a majority of their number, shall submit such charter to the board of county commissioners which shall within ninety days thereafter cause another election to be called and held in said city and to be conducted [as provided in chapter 29.13 RCW as now or hereafter amended] in the manner required for the calling of a special election in Title 29 RCW, as now or hereafter amended, except as otherwise provided in this chapter, and in conformity with article 11, section 10 of the Constitution, for the purpose of submitting said charter to the qualified electors of said city and for the election of the various elective officials to the respective offices named in said charter. The form at such election shall be "for proposed charter," "against proposed charter," and the names of the candidates for the respective offices named in said proposed charter. At the first election of officials for said city any qualified elector of said city may become a candidate for any of the elective offices set forth in such

proposed charter without nomination by filing with the proper election officials of the county a declaration in writing that he desires to be a candidate for a particular office (naming it), such declaration to be filed not earlier than sixty nor later than thirty days prior to such election. *Candidates for council positions shall file for a numbered position as provided by RCW 29.21.017.* The candidates receiving the highest number of votes for the respective offices shall be declared elected to such office and the county auditor shall issue a certificate of such election. No person shall be entitled to vote at such election unless he shall be a qualified elector of said city and shall have resided within the limits of said city for at least thirty days preceding such election. *If a majority of all the votes cast on the proposed charter are not in favor of the proposed charter, no further proceeding shall be had on the petition for incorporation filed pursuant to section 2 of this 1969 amendatory act, but this shall not bar any new proceeding for such purpose.*

"Sec. 5. Section 35.03.050, chapter 7, Laws of 1965 and RCW 35.03.050 are each amended to read as follows:

"If a majority of the votes cast [at] on such [election] charter are cast in favor of ratification of such charter, the same shall become the organic law of said city, and shall supersede all special laws inconsistent therewith, when authenticated, recorded and attested as hereinafter provided: I,, chairman of the board of county commissioners for county, do hereby certify that, in accordance with the provisions of chapter of the Laws of 19. of the state of Washington, the county commissioners of said county duly caused an election to be held on the day of, 19. within the boundaries hereinafter described, for the purpose of determining whether or not the same should be incorporated [into a city of the first class] and for the purpose of electing fifteen freeholders to form a charter for such city, said boundaries being described as follows: (describe proposed boundaries). "(7) If married with five or more children, seventy-five percent of wages, but not less than two hundred ten dollars nor more than three hundred eighty-five dollars per month.

"(8) If unmarried at the time of injury with one child, sixty-two percent of wages, but not less than one hundred thirty-five dollars nor more than two hundred eighty-five dollars per month.

"(9) If unmarried at the time of injury with two children, sixty-four percent of wages, but not less than one hundred fifty dollars nor more than three hundred five dollars per month.

"(10) If unmarried at the time of injury with three children, sixty-six percent of wages, but not less than one hundred sixty-five dollars nor more than three hundred twenty-five dollars per month.

"(11) If unmarried at the time of injury with four children, sixty-eight percent of wages, but not less than one hundred eighty dollars nor more than three hundred forty-five dollars per month.

"(12) If unmarried at the time of injury with five or more children, seventy percent of wages, but not less than one hundred ninety-five dollars nor more than three hundred sixty-five dollars per month.

"(13) For any period of time where both husband and wife are entitled to compensation as temporarily and totally disabled workmen, only that spouse having the higher wages of the two shall be entitled to claim their child or children for compensation purposes.

"(14) For purposes of this section, the monthly wages the workman was receiving from all employment at the time of injury shall be the basis upon which compensation is computed. In cases where the workman's wages are not fixed by the month, they shall be determined by multiplying the daily wage the workman was receiving at the time of injury:

"(a) By five, if the workman was normally employed one day a week;

"(b) By nine, if the workman was normally employed two days a week;

"(c) By thirteen, if the workman was normally employed three days a week;

"(d) By eighteen, if the workman was normally employed four days a week;

"(e) By twenty-two, if the workman was normally employed five days a week;

"(f) By twenty-six, if the workman was normally employed six days a week;

"(g) By thirty, if the workman was normally employed seven days a week;

"The term 'wages' shall include the reasonable value of board, housing, fuel or any other consideration of like nature received from the employer, but shall not include overtime pay, tips or gratuities. The daily wage shall be taken to be eight times the hourly wage unless the workman is normally employed for less than eight hours.

"(15) For purposes of this section, the monthly wages of a workman who works on a seasonal basis shall not exceed one-twelfth of the actual wages received by such workman in the twelve-month period immediately preceding the injury.

"(16) In cases where a wage has not been fixed or cannot reasonably and fairly be determined, the monthly wage shall be computed on the basis of the usual wage paid other employees engaged in like or similar occupations where the wages are fixed.

"[(3)] (17) As soon as recovery is so complete that the present earning power of the workman, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable out of the accident fund unless the loss of earning power shall exceed five percent.

"[(4)] (18) No workman shall receive compensation out of the accident fund for or during the day on which injury was received or the [three] two days following the same, unless his disability shall continue for a period of [thirty] fourteen consecutive calendar days from date of injury.

"[(5)] (19) Should a workman suffer a temporary total disability and should his employer at the time of the injury continue to pay him the wages which he was earning at the time of such injury, such injured workman shall not receive any payment provided in [subsection (1) of] this section from the accident fund during the period his employer shall so pay such wages.

"Sec. 3. Section 51.16.080, chapter 23, Laws of 1961 and RCW 51.16.080 are each amended to read as follows:

"If a single establishment or work comprises several occupations listed in chapter 51.20 in different risk classes, the premium shall be computed according to [the workmen hours of] each occupation or, in the discretion of the director, a single rate of premium may be charged for the entire establishment based upon the rate of premium of the occupation reporting the largest number of workmen hours.

"Sec. 4. Section 51.16.110, chapter 23, Laws of 1961 and RCW 51.16.110 are each amended to read as follows:

"Every employer who shall enter into any business, or who shall resume operations in any work or plant after the final adjustment of his payroll in connection therewith, shall, before so commencing or resuming operations, as the case may be, notify the director of such fact, accompanying such notification with a cash deposit in a sum equal to the premiums on the estimate of his payroll and workmen hours for the first three calendar months of his proposed operations which shall remain on deposit subject to the other provisions of this section.

"The director may, in his discretion and in lieu of such deposit, accept a bond, in an amount which he deems sufficient, to secure payment of premiums due or to become due to

the accident fund and medical aid fund. The deposit or posting of a bond shall not relieve the employer from paying premiums to the accident fund and medical aid fund [based on his actual workmen hours] as provided by RCW [51.16.010 and] 51.16.060.

"Should the employer acquire sufficient assets to assure the payment of premiums due to the accident fund and the medical aid fund the director may, in his discretion, refund the deposit or cancel the bond.

"If the employer ceases to be an employer under RCW 51.08.070, the director shall, upon receipt of all payments due the accident fund and medical aid fund, [based on the actual workmen hours.] refund to the employer all deposits remaining to the employer's credit and shall cancel any bond given under this section.

"Every such employer shall pay the full basic rate until such time as an experience rating in excess of a one, two, three, or four year period may be computed as of a first succeeding July 1st date [, which said cost experience shall be computed in accordance with the provisions of RCW 51.16.020, and shall be liable for a premium of at least two dollars per month irrespective of the amount of his workmen hours reported during said month to the department]: PROVIDED, That where an employer is now or has prior to January 1, 1958, been covered under the provisions of this title for a period of at least two years and subsequent thereto the legal structure of such employer changes by way of incorporation, disincorporation, merger, consolidation, transfer of stock ownership, or by any other means, the director may continue, increase, or decrease such experience rating which existed prior to such change in the employer's legal structure.

"Sec. 5. Section 51.16.130, chapter 23, Laws of 1961 and RCW 51.16.130 are each amended to read as follows:

"Whenever there shall occur an accident in which three or more employees are fatally injured or receive injuries consisting of loss of both eyes or sight thereof, or loss of both hands or use thereof, or loss of both feet or use thereof, or loss of one hand and one foot or use thereof, the amount of total costs other than medical aid costs arising out of this accident that shall be charged to the proper class of the accident fund and to the account of the employer, shall be twice the average cost of pension claims [chargeable under RCW 51.16.020], and the balance of costs arising out of the accident shall be charged against and defrayed by the catastrophe injury account.

"Sec. 6. Section 51.48.070, chapter 23, Laws of 1961, and RCW 51.48.070 are each amended to read as follows:

"If any workman is injured because of the absence of any safeguard or protection required to be provided or maintained by, or pursuant to, any statute or ordinance, or any departmental regulation under any statute, or is, at the time of the injury, of less than the maximum age prescribed by state law for the employment of a minor in the occupation in which he is engaged when injured the employer shall, within ten days after the demand therefor by the department, pay into the accident fund in addition to all other payments required by law:

"(1) In case the consequent payment to the workman out of the accident fund is a lump sum, a sum equal to fifty percent of that amount.

"(2) In case the consequent payment to the workman is payable in monthly payments, a sum equal to fifty percent of the lump value of such monthly payment, estimated in accordance with the rule stated in RCW 51.32.130.

"The foregoing provisions shall not apply to the employer if the absence of such guard or protection is due to the removal thereof by the injured workman himself or with his knowledge by any of his fellow workmen, unless such removal is by order or direction of the employer or superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such workman. If the removal of such guard or protection is by the workman himself or with his consent by any of his fellow workmen, unless by order or direction of the employer or the superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such workman, the schedule of compensation provided in chapter 51.32 shall be reduced ten percent for the individual case of such workman.

"NEW SECTION. Sec. 7. There is added to chapter 23, Laws of 1961 and to chapter 51.16 RCW a new section to read as follows:

"Subject to the provisions of chapter 34.04 RCW, the department shall classify all occupations or industries in accordance with their degree of hazard and fix therefor basic rates of premium which shall be in accordance with recognized insurance principles and which shall also be the lowest necessary to maintain actuarial solvency of the accident and medical aid funds as determined after consultation with a qualified actuary. Subject to the provisions of chapter 34.04 RCW, the department shall formulate and adopt rules and regulations governing the method of premium calculation and collection and providing for a rating system consistent with recognized principles of workmen's compensation insurance designed to stimulate and encourage accident prevention and to facilitate collection. The department may annually, or at such other times as it deems necessary to maintain solvency of the funds, readjust rates in accordance with the rating system, to become effective on such dates as the department may designate.

"NEW SECTION. Sec. 8. There is added to chapter 23, Laws of 1961, and to chapter 51.12 RCW a new section to read as follows:

"No employee engaged in agricultural work declared to be extrahazardous under the authority of RCW 51.12.040 shall be deemed to be engaged in extrahazardous work for an

employer until his cash remuneration paid or payable in the calendar year in question from such employer for agricultural work reaches \$150.

"Sec. 9. Section 51.44.070, chapter 23, Laws of 1961 as amended by section 5, chapter 274, Laws of 1961 and RCW 51.44.070 are each amended to read as follows:

"For every case resulting in death or permanent total disability the department shall transfer on its books from the accident fund of the proper class and/or appropriate account to the "reserve fund" a sum of money for that case equal to the estimated present cash value of the monthly payments provided for it, to be calculated upon the basis of an annuity covering the payments in this title provided to be made for the case. [Such annuities shall be based upon tables to be prepared for that purpose by the state insurance commissioner and by him furnished to the state treasurer, calculated upon standard mortality tables with an interest assumption of three percent per annum] *Such annuity values shall be based upon rates of mortality, disability, remarriage and interest as determined by the state insurance commissioner, taking into account the experience of the reserve fund in such respects.*

"Sec. 10. Section 51.44.080, chapter 23, Laws of 1961 and RCW 51.44.080 are each amended to read as follows:

"The department shall notify the state treasurer from time to time, of such transfers as a whole from the accident fund to the reserve fund and the interest or other earnings of the reserve fund shall become a part of the reserve fund itself. The department shall, on October 1st of each year, apportion the interest or other earnings of the reserve fund, as certified to it by the state treasurer, to the various class reserve funds according to the average class balance for the preceding year. As soon as possible after October 1st of each year the state insurance commissioner shall expert the reserve fund of each class to ascertain its standing as of October 1st of that year and the relation of its outstanding annuities as their then value on the bases currently employed for new cases to the cash on hand or at interest belonging to that fund. He shall promptly report the result of his examination to the department and to the state treasurer in writing not later than December 31st following. If the report shows that there was on said October 1st, in the reserve fund of any class in cash or at interest, a greater sum than the then annuity value of the outstanding pension obligations of that class, the surplus shall be forthwith turned over to the accident fund of that class but, if the report shows the contrary condition of any class reserve, the deficiency shall be forthwith made good out of the accident fund of that class.

"NEW SECTION. Sec. 11. There is added to chapter 23, Laws of 1961 and to chapter 51.32 RCW a new section to read as follows:

"The director shall appoint advisory committees or councils whose membership shall consist of individuals whose experience, training and interests in vocational rehabilitation or retraining qualify them to lend valuable assistance to the supervisor of industrial insurance in all phases of a program of vocational rehabilitation or retraining as may be reasonable to qualify the workman for employment consistent with his physical and mental status. Where, after evaluation and recommendation by the committee or council and prior to final evaluation of the workman's permanent disability and in the sole opinion of the supervisor, vocational rehabilitation or retraining is both necessary and likely to restore the injured workman to a form of gainful employment, the supervisor may, in his sole discretion, continue the workman's compensation under RCW 51.32.090 while the workman is actively and successfully undergoing a formal program of vocational rehabilitation or retraining: PROVIDED, That such compensation may not be authorized for a period of more than fifty-two weeks: PROVIDED FURTHER, That such period may, in the sole discretion of the supervisor after his review, be extended for an additional twenty-six weeks or portion thereof by written order of the supervisor.

"The costs of instruction and, in cases where the workman is required to reside away from his regular residence, the reasonable cost of board, lodging and travel shall not be chargeable to the employer's cost experience but shall be paid out of the accident fund and charged back to each class on June 30th and December 31st of each year in proportion to its premium contributions for the preceding calendar year.

"NEW SECTION. Sec. 12. Section 51.16.010, chapter 23, Laws of 1961 and RCW 51.16.010; section 51.16.020, chapter 23, Laws of 1961, as amended by section 6, chapter 274, Laws of 1961 and RCW 51.16.020; section 51.16.030, chapter 23, Laws of 1961 and RCW 51.16.030 are each repealed.

"NEW SECTION. Sec. 13. If any provision of this 1969 amendatory act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this 1969 amendatory act which can be given effect without the invalid provision or application, and to this end the provisions of this 1969 amendatory act are declared to be severable.

"NEW SECTION. Sec. 14. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions and shall take effect on July 1, 1969."

RESOLUTIONS

HOUSE RESOLUTION NO. 69-120, by Representative Hoggins:

WHEREAS, The cities prepare a comprehensive plan for proper land use and protection of property owners; and

WHEREAS, Individuals and businesses must follow the local zoning ordinances in land uses; and

WHEREAS, Changing zoning prohibitions on land use requires the utilization of established legal procedures; and

WHEREAS, The Board and Department of Natural Resources has appraised trust land held for the University of Washington, wholly within the corporate limits of a city, in an area of the city zoned for residential use, and such property has been appraised on a basis which does not take into consideration the zoning regulations of the city; and

WHEREAS, The Department of Natural Resources maintains that it is not legally required to follow the local zoning plan in determining the full market value for sale or lease of the trust lands; and

WHEREAS, The Department of Natural Resources maintains that local zoning does not apply to state trust lands, located wholly within the corporate limits of a city, and that such zoning does not apply to the utilization of such state trust lands; and

WHEREAS, The Department of Natural Resources seeks to establish the use of such property, presently zoned as residential, for use as a mobile home development or planned unit development; and

WHEREAS, The use of such land as trailer courts or high density multi-story construction upon land which is zoned for residential use may be inconsistent with the legitimate interests of the public; and

WHEREAS, Government is often arbitrary and capricious in the handling of items of concern to the general public;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, that the Legislative Council be authorized and directed to undertake a study of the factors to be used in determining fair market value of state trust lands, especially those which are located wholly within the corporate limits of a city, and whether the State of Washington, its agencies and departments must or should follow local zoning regulations with regard to state land use either by the agencies or departments of the State of Washington, or by any purchaser or lessee of state land; and

BE IT FURTHER RESOLVED, That the Department of Natural Resources and the Board of Natural Resources respect local zoning upon property located wholly within the corporate limits of a city when determining the fair market value of state trust lands until the Legislative Council makes recommendations of methods to be used in determining the fair market value of such state trust lands;

BE IT FURTHER RESOLVED, That the Legislative Council be directed to prepare the results of their study and any legislation deemed necessary as a result of such study and make such study report and legislation available to the members of the legislature prior to the next session of the legislature.

Mr. Hoggins moved adoption of the resolution.

Representative Hoggins spoke in favor of adoption of the resolution.

POINT OF INQUIRY

Mr. Garrett: "Are there copies of this resolution on the desk?"

The Speaker: "No, not this one."

Representative Garrett spoke against adoption of the resolution.

MOTION

Mr. Clark (Newman H.) moved that the resolution be referred to the Committee on Higher Education.

Representative Clark (Newman H.) spoke in favor of the motion.

PARLIAMENTARY INQUIRY

Mr. Chapin: "Does a motion to postpone to a time certain take precedence over Mr. Clark's motion?"

The Speaker: "They are the same rank, and since Mr. Clark's motion was made first, we have to dispose of it."

The motion was lost on a rising vote.

MOTION

On motion of Mr. Chapin, the House deferred further consideration of House Resolution No. 69-120, and the resolution was placed on the eighth order of business for Monday.

HOUSE RESOLUTION NO. 69-121, by Representatives Benitz, Flanagan, Chapin, Thompson and Smythe:

WHEREAS, The costs and expenses of state and local government have continued to rise because of increasing population growth, expansion of governmental services and inflation; and

WHEREAS, Many governmental services have been considered to be the basic responsibility of government and consequently are financed all or partially out of the State's General Fund; and

WHEREAS, Other governmental services, such as those provided by the State Department of Game, are financed all or partially on the so-called "user pay" basis; and

WHEREAS, It would appear that it may be both financially feasible and reasonably equitable that some other governmental services be financed either wholly or partially on a "user pay" basis;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, that the Legislative Budget Committee be authorized and directed to study the feasibility of financing all or a portion of the park and outdoor recreation services provided by state government on a "user pay" basis and report thereon to the next Regular Session of the Washington State Legislature, together with such legislation as it may recommend.

On motion of Mr. Chapin, the resolution was adopted.

ENGROSSED SENATE BILL NO. 243, by Senators Sandison, Ryder, Lewis (Harry), Atwood, Bailey, Keefe, Knoblauch, Foley, Williams, Washington, Pritchard, Guess, Dore, Talley, Uhlman, Odegaard, Walgren, Faulk, Huntley, Twigg and Newschwander (by Advisory Council on Public Higher Education request):

Creating a council on higher education in the state of Washington.

The bill was read the second time.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 243 was placed on final passage.

Representatives Lynch and Savage spoke in favor of passage of the bill.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Brouillet.

Mr. Brouillet: "Mrs. Lynch, as you know, there is a section in this bill which bothers me a little. It is new section 3 which says: 'The council, upon the prior approval of the joint committee on higher education, may perform any of the following functions:' and then it goes on to list the functions they may do. What bothers me, as you know, is that they can't do anything—they can't even assess, define, recommend, study, or anything else, unless the committee on higher education approves of it. I didn't present an amendment to strike this, out of deference to you, because you indicated it might have to go to conference and it would probably kill it. I thought this bill was too important for me to try to put into conference. My question to you is, Do you feel this is any more than a perfunctory thing by the higher education committee, to get their approval on these things?"

Mrs. Lynch: "Representative Brouillet, I also was not very happy about this. If we had run this bill earlier, I might have gone to conference on it. I think we have very definitely directed the council to make many studies that I don't believe will have to go with the approval of the interim committee. Personally, I think the interim committee will give to

the council the prerogatives and rights to make these studies, and it would seem to me if they get the initial okay from the interim committee, they can go ahead and make the studies without going back each time."

Representative Brouillet spoke in favor of passage of the bill.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Moon.

Mr. Moon: "I notice that Engrossed House Bill No. 132 has a price tag of a little over one hundred seventeen thousand dollars on it, and then directly following that we have Engrossed Senate Bill No. 243 and Engrossed Senate Bill No. 244. Can you tell me what the financial impact of the combined bills is?"

Mrs. Lynch: "Representative Moon, may I ask the Chairman of the Appropriations Committee, because the conference committee has changed this around? Secondly, the money that is in House Bill No. 132, I am quite sure, will be struck out of there. The only reason it was put in there was because of the time element. At that time we didn't know when it was going to move. There is no real reason for that money to be in there now, and I think it can be struck. If you would ask Representative Goldsworthy, I think he could probably tell you what we have finally come up with."

Mr. Moon: "Of course, we have already passed Engrossed House Bill No. 132 with the appropriation in it. How are we going to strike it now?"

Mrs. Lynch: "I believe that the Governor can strike it, Representative Moon."

POINT OF INQUIRY

Mr. Goldsworthy yielded to question by Mr. Grant.

Mr. Grant: "I understand there is money in the budget to provide for Engrossed House Bill No. 132 relating to higher education, Engrossed Senate Bill No. 243 creating a Council on Higher Education, and Engrossed Senate Bill No. 244 creating the legislative Joint Committee on Higher Education. How much is provided?"

Mr. Goldsworthy: "Of course, Representative Grant, the conference committee has not come out publicly yet. It is still in the stage of being drafted, but I will tell you that one hundred seventeen thousand dollars is in the proper place to fund this, and it will be written into the conference report in the proper place as it was in the first bill. It handles all three, but this is the amount of money that will be in the report."

ROLL CALL

The clerk called the roll on the final passage of Engrossed Senate Bill No. 243, and the bill passed the House by the following vote: Yeas, 87; nays, 7; absent or not voting, 5.

Voting yea: Representatives Adams, Amen, Backstrom, Bagnariol, Beck, Benitz, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Conway, Copeland, Cunningham, Curtis, DeJarnatt, Evans, Farr, Flanagan, Fleming, Francis, Gallagher, Garrett, Gladder, Goldsworthy, Harris, Haussler, Hawley, Heavey, Hoggins, Hurley, Jastad, Jolly, Julin, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Kuehne, Leckenby, Leland, Litchman, Lynch, Marsh, Martinis, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Moon, Morrison, Murray, Newhouse, North, O'Brien, O'Dell, Pardini, Perry, Randall, Richardson, Rosellini, Saling, Savage, Schumaker, Scott, Shera, Smythe, Swayze, Thompson, Veroske, Wanamaker, Wojahn, Wolf, Zimmerman, Mr. Speaker—87.

Absent or not voting: Representatives Anderson, Conner, Sawyer, Sprague, Whetzel—5.

Engrossed Senate Bill No. 243, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 244, by Senators Sandison, Lewis (Harry) and Ryder (by Advisory Council on Public Higher Education request):

Creating the legislative joint committee on higher education.

Committee recommendation: Majority, do pass with the following amendment:

On page 4, section 11, line 19, after "committee, the" and before "committee on education" strike "interim" and insert "joint"

The bill was read the second time.

On motion of Mrs. Lynch, the committee amendment was adopted.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 244, as amended by the House, was placed on final passage.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Chapin.

Mr. Chapin: "What is the effect of taking out the word 'interim' and putting in the word 'joint'?"

Mrs. Lynch deferred to Mr. Brouillet.

Mr. Brouillet: "Nothing, Mr. Chapin. The title of the committee is the 'Joint Committee on Education.' This was just a typographical error in the bill. It is already a permanent committee. This doesn't change the status. It merely puts the correct name in the bill."

ROLL CALL

The clerk called the roll on the final passage of Engrossed Senate Bill No. 244, as amended by the House, and the bill passed the House by the following vote: Yeas, 74; nays, 18; absent or not voting, 7.

HOUSE CONCURRENT RESOLUTION NO. 15, by Representatives Flanagan, Haussler, Bledsoe, Benitz and Evans:

Providing for study on governmental cooperation in irrigation construction for state's arid areas.

MOTION

On motion of Mr. Flanagan, Substitute House Concurrent Resolution No. 15 was substituted for House Concurrent Resolution No. 15, and the substitute resolution was placed on the calendar for second reading.

Substitute Concurrent Resolution No. 15 was read the second time.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and Substitute House Concurrent Resolution No. 15 was placed on final passage.

Representatives Flanagan, Benitz and Amen spoke in favor of the resolution.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Hoggins.

Mr. Hoggins: "Mr. Flanagan, the question I have relates to state trust lands. It is my understanding that when state trust lands become irrigable the state is required to sell this land. Is that correct?"

Mr. Flanagan: "No, they are not required to sell it. They can hang on to it if they want to, and, of course, it depends on where these lands are located. If they aren't in a federal project, they aren't subject to any federal laws. There are a good many state trust lands that could be irrigated that are not in federal reclamation projects. Are you referring particularly to the ones that are within an authorized federal reclamation project?"

Mr. Hoggins: "Yes."

Mr. Flanagan: "In an authorized federal reclamation project, they come under the one hundred sixty-acre limitation law, which has been part of the law since 1902 and which allows one person who owns one hundred sixty acres to receive water (a man and wife can hold three hundred twenty acres and receive water for it). But under the present interpretation of the law, the state is allowed to own and receive water for one, one hundred sixty-acre tract within one irrigation district. If they don't want to sell this, they can continue to hold it and not have it irrigated. It has been my advice to the state that under the present federal law, they should put this land up for sale at the time the bureau of reclamation makes it a part of their budget request. At that time they issue what is known as a preliminary plat, and they will serve notice to the state that the preliminary plat has been issued. At that time the state can put this land up for sale to the highest bidder with the knowledge that water will be received, which substantially increases the value. This is the time the state should put this land up for sale to derive the maximum revenue for the trust account."

ROLL CALL

The clerk called the roll on the final passage of Substitute House Concurrent Resolution No. 15, and the resolution passed the House by the following vote: Yeas, 93; nays, 0; absent or not voting, 6.

Absent or not voting: Representatives Anderson, Chapin, Conner, Julin, Sprague, Whetzel—6.

Substitute House Concurrent Resolution No. 15, having received the constitutional majority, was declared passed.

HOUSE BILL NO. 893, by Representatives McCaffree, Bledsoe and Julin (by executive request):

Creating temporary special levy study commission and setting out its powers and duties.

Committee recommendation: Majority, do pass with the following amendments:

On page 2, section 4, line 20, after "the state" and before the period insert "one of which shall be a county or intermediate superintendent of schools"

On page 4, section 8, line 7, after "variations in" strike "those" and insert "salary schedules and other"

On page 4, section 8, following subsection (5), add two new subsections as follows:

"(6) A comparison between school districts in parts of the state showing the ratio of the number of classroom teachers to the total number of employees in each district; and

"(7) Study possible solutions to the inequity arising because of differences in the amount of special levy revenue raised per student by a one mill increase in property taxation in one district relative to other districts; and"

Renumber the following subsection consecutively

The bill was read the second time.

On motion of Mrs. McCaffree, the committee amendments were adopted.

Mr. Brouillet moved adoption of the following amendment by Representatives Brouillet and Goldsworthy:

On page 2, section 4, after subsection (1), insert a new subsection which reads as follows:

"(2) One member from among the membership of the joint committee on education appointed by the chairman of the joint committee on education and one member from among the membership of the legislative budget committee appointed by the chairman of the legislative budget committee."

Renumber the remaining subsections consecutively

Representatives Brouillet and McCaffree spoke in favor of adoption of the amendment. The amendment was adopted.

Mr. Chatalas moved adoption of the following amendment:

On page 2, section 5, line 32, strike "and subsistence"

Representatives Chatalas and McCaffree spoke in favor of adoption of the amendment. The amendment was adopted.

House Bill No. 893 was ordered engrossed.

On motion of Mr. Newhouse, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 893 was placed on final passage.

Debate ensued, Representative McCaffree speaking in favor of passage of the bill, and Representative Brouillet speaking against it.

POINT OF INQUIRY

Mrs. McCaffree yielded to question by Mr. Moon.

Mr. Moon: "Could you tell me what the general fund appropriation for this committee is going to be?"

Mrs. McCaffree: "It hasn't been determined, Mr. Moon. Because we have not been sure what is going to happen with tax reform, we have decided to wait and see. I think it is an urgent matter because if we have tax reform passed as we hope, and come back here in 1970, we need to have some basic figures and ideas of what we are going to do about the special levies. This is one of the reasons we have waited until now to decide how much money we really will need for this, and it hasn't been determined as yet. We will determine it and it will come in the supplemental budget, I'm sure."

Further debate ensued, Representative Moon speaking against passage of the bill, and Representatives Bledsoe and Charette speaking in favor of its passage.

MOTION

Mr. Grant moved that Engrossed House Bill No. 893 be rereferred to the Committee on Appropriations.

Debate ensued, Representative Grant speaking in favor of the motion, and Representative Smythe speaking against it.

The motion was lost.

Representative Brouillet spoke again in opposition to passage of the bill.

POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Heavey.

Mr. Heavey: "Do you feel that the seven (or whatever number it is) new people can have an adequate report prepared and printed by December 15, 1969?"

Mr. Brouillet: "It would seem to me that in seven months, to hire the kind of person you need to do this, an executive secretary, as well as other staff, and to appoint a committee, and then do the kind of study the people talk about on this floor, is going to be a mighty monumental task to accomplish in seven months. I doubt seriously if there is anyone who can do this in our state today."

Further debate ensued, Representatives Heavey and King speaking against passage of the bill, and Representatives Harris, Bledsoe and Savage speaking in favor of its passage.

Mr. Newhouse demanded the previous question and the demand was sustained.

ROLL CALL

The clerk called the roll on the final passage of Engrossed House Bill No. 893, and the bill passed the House by the following vote: Yeas, 64; nays, 31; absent or not voting, 4.

Voting nay: Representatives Backstrom, Bagnariol, Beck, Bottiger, Brouillet, Chatalas, Clark (Newman H.), DeJarnatt, Gallagher, Garrett, Grant, Hausser, Heavey, Hurley, Jastad, Jolly, King, Kink, Litchman, Mahaffey, Marsh, Marzano, May, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Scott, Zimmerman—31.

Absent or not voting: Representatives Anderson, Conner, Sprague, Whetzel—4.

Engrossed House Bill No. 893, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I voted against this bill, not because I oppose its concept (which I personally favor) but because the information and funds are available, and we can put the details together better, easier, and more economically by using the Legislative Budget Committee and the Joint Committee on Education. The staff of these two committees is set up and can begin immediately. The report is needed by December, 1969, only seven months away. The details on school finance are included in the present education committee report. The decisions involve what should be recommended as basic education and require "citizen involvement"; cooperation is vital, and the report can be conducted most efficiently by using existing staff and lay citizens. HAROLD S. ZIMMERMAN, 17th District.

On motion of Mr. Wolf, the House adjourned until 11:00 a.m., Monday, May 5, 1969.

Mr. President:

Mr. Speaker:

"A license is required for each and every mechanical and/or hydraulic device operated for the purpose of taking clams other than geoduck clams for commercial purposes from tidelands and beds of navigable waters of the state of Washington, the fee for which license shall be three hundred dollars per annum.", and that the amended bill do pass.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY

ROLL CALL

Engrossed House Bill No. 77, as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGES FROM THE GOVERNOR

Office of the Governor, May 5, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I have the honor to advise that Governor Evans has approved the following House Bill, entitled:

ENGROSSED HOUSE BILL NO. 381: Limiting duty to support stepchildren.

Sincerely,
JOHN SHERWOOD
Legislative Counsel.

Office of the Governor, May 3, 1969.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I return herewith without my approval as to one section, ENGROSSED HOUSE BILL NO. 314, entitled:

"An Act relating to the education of motor vehicle drivers; prescribing certain penalty assessments for the financing thereof; renaming the driver education account of the general fund as the traffic safety education account of the general fund in the state treasury."

Under RCW 46.68.041, one dollar of the driver's license fee is transferred to the driver education account. Section 11 of Engrossed House Bill No. 314 changes the name of the account to which this dollar is allocated from the driver education account to the traffic safety education account.

Senate Bill No. 287, adopted by the first session of the 41st Legislature raised the driver's license fee to \$5.00. This bill is now Chapter 99, Laws of 1969. Section 9 of Chapter 99 provided for the allocation of the new \$5.00 driver's license fee.

Section 11 of Engrossed House Bill No. 314 neither mentions the amendment to RCW 46.68.041 by Chapter 99 nor provides for the allocation of the increased driver's license fee.

In order to avoid the confusion resulting from both these amendments to the same section from becoming effective and the danger that section 9 of Chapter 99, Laws of 1969, would thereby be repealed by implication, I have vetoed section 11 of Engrossed House Bill No. 314. Since section 5 of Engrossed House Bill No. 314 specifically changes the name of the "driver education account" to the "traffic safety education account", my veto will not affect the practical operation of the bill.

With the exception of Section 11 which I have vetoed, the remainder of Engrossed House Bill No. 314 is approved.

Respectfully submitted,
DANIEL J. EVANS
Governor.

MOTION

On motion of Mr. Newhouse, Engrossed House Bill No. 314 as partially vetoed by the Governor was referred to the Secretary of State.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-122, by Representatives Jueling, Amen, Barden, Bluechel, Brown, Conway, Cunningham, Curtis, Evans, Francis, Garrett, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hubbard, Jastad, Jolly, Julin, Kirk, Kopet, Kuehne, Leckenby, Mahaffey, Marsh, McCormick, Mentor, Moon, Morrison, Murray, North, O'Dell, Pardini, Randall, Richardson, Saling, Smythe, Spanton, Swayze, Wanamaker, Wolf and Zimmerman:

WHEREAS, The growth needs of the state are nearly three times the national average and are creating related growths in public expenditures such that the general fund expenditures for the 1969-1971 biennium are projected to increase approximately 560 million dollars over the previous biennium—an increase of approximately 30.5 percent; and

WHEREAS, This growth in state government is evidenced in increases in the supplementary budget for the 1969-1971 biennium; by increases in estimated man-years of employment of state employees during said biennium of approximately 6,185 years; and by increases in travel expenditures of approximately 4 million dollars; and

WHEREAS, State government organization is such that budgeted funds are being administered by some 147 state agencies; and

WHEREAS, Attempts at reorganization of the state government for better management administration thereof as recommended by the Governor's task force on executive reorganization have failed to pass the legislature; and

WHEREAS, The Legislative Budget Committee is primarily concerned with whether appropriated funds are expended for the purposes for which provided by the legislature, and the availability of revenue to meet the expenditures appropriated; and

WHEREAS, The legislative surveillance of the operations of state government is considered essential to a sound legislative program to establish the best possible management procedures within state government; and

WHEREAS, The Legislative Council has the power and duty to examine and study the administrative organization and procedures of all offices, boards, committees, commissions, institutions and agencies of state government for the purpose of promoting economy and efficiency in state government;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council carry out a study as to the feasibility of engaging the services of a firm or firms responsible directly to the Council, to investigate and study the operations of the various departments and agencies of the state in utilizing general fund moneys, in order to make recommendations directed to the elimination of unnecessary overlapping or duplication of functions, reductions in personnel and expenditures, improvements in management procedures, and the promotion of economy and efficiency in state government; and

BE IT FURTHER RESOLVED, That the findings and recommendations of such study be presented to the Speaker of the House of Representatives and to the Secretary of the Senate prior to the next Session of the Legislature, regular or special, for distribution to the respective members thereof; and

BE IT FURTHER RESOLVED, That a copy of this resolution be transmitted by the Chief Clerk of the House of Representatives to the chairman of the Legislative Council.

Mr. Jueling moved adoption of the resolution.

Representative Jueling spoke in favor of the resolution.

POINT OF INQUIRY

Mr. Jueling yielded to question by Mr. Goldsworthy.

Mr. Goldsworthy: "Representative Jueling, I signed this resolution and it sounded like a pretty good idea to avoid duplication in state efforts. However, since talking to Representative Backstrom (as you know we have been on the Budget Committee for some time) I wonder if, rereading this, you see any place you could be running contrary to, or taking over any prerogatives of, the Budget Committee? Would we be duplicating efforts with the Legislative Council and the Budget Committee, studying the same type of thing, just what we are trying to avoid in this resolution?"

Mr. Jueling: "In answer to your question, Representative Goldsworthy, I think the fourth paragraph probably contains the key, and that is that we have to have some kind of legislation. Now, we did have the Governor's task force on executive reorganization, and the legislature failed to implement it. This doesn't go into the figures as much as into the methods, and that is why I don't think there will be a conflict."

The resolution was adopted.

HOUSE RESOLUTION NO. 69-123, by Representatives O'Brien, Copeland and Beck:

WHEREAS, The late William Bremer, the founder of the city of Bremerton, was a man whose ability, benevolence and foresight is legendary; and

May 8, 1969.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED HOUSE JOINT RESOLUTION NO. 42, amending Article VII of the Constitution relating to taxation, have had the same under consideration, and we recommend that the attached resolution be substituted therefor and that it do pass.

BE IT RESOLVED, BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON, IN LEGISLATIVE SESSION ASSEMBLED:

THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, a proposal to amend Article VII of the Constitution of the state of Washington by amending section 2, as amended by Amendment 17, to read as follows:

Article VII, section 2. (1) Except as hereinafter provided and notwithstanding any other provision of this Constitution, the aggregate of all tax levies upon real and personal property by the state and all taxing districts now existing or hereafter created shall not in any year exceed [forty mills on the dollar of assessed valuation, which assessed valuation shall be fifty] one per centum of the true and fair value of such property in money: **PROVIDED, HOWEVER,** That nothing herein shall prevent levies at the rates now provided by law by or for any port or public utility district.

The term "taxing district" for the purposes of this section shall mean any political subdivision, municipal corporation, district, or other governmental agency authorized by law to levy, or have levied for it, ad valorem taxes on property, other than a port or public utility district. Such aggregate limitation or any specific limitation imposed by law in conformity therewith may be exceeded only

(a) By any taxing district when specifically authorized so to do by a majority of at least three-fifths of the electors thereof voting on the proposition to levy such additional tax submitted not more than twelve months prior to the date on which the proposed levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of such taxing district, at which election the number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election;

(b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: **PROVIDED,** That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of

said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, AND PROVIDED FURTHER, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6 of this Constitution;

(c) By the state or any taxing district for the purpose of paying the principal or interest on general obligation bonds outstanding on December 6, 1934; or for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort.

(2) Notwithstanding any other provision of this Constitution, the legislature shall have the power,

(a) To impose a tax upon income from whatever source derived, at a rate or rates in excess of that permitted by subsection (1) of this section: PROVIDED, That the tax may be imposed only (i) at a single rate upon the income of all taxpayers, or (ii) at a single rate upon the income of corporations which may be different from the single rate imposed upon other income;

(b) To provide for allowance of credits, exclusions, exemptions, and deductions to be used in determining the amount of income subject to tax or in computing such tax; and to provide further for direct payments to an individual or corporation to the extent that (i) insufficient income tax liability exists for full application of an otherwise applicable credit, and (ii) such credit is granted for the purpose of providing direct or indirect relief from other state or local taxes;

(c) To coordinate the administration and collection of state income taxes with the income tax laws and procedures of the United States, and to delegate to such state administrators as it may designate the authority to prescribe the means of coordination of state and United States tax laws and methods for the allocation of income for taxing purposes. The legislature may adopt by reference any federal statutes relating to the determination of taxable income, as existing at time of adoption and as amended from time to time.

A proposition to remove the limitations contained in clause (a) of this subsection (2) upon the types of income tax which may be imposed shall be submitted to the qualified voters of this state at the general election to be held in this state in November, 1975.

At a general election to be held in this state in November of any year after 1975, there may be submitted to the qualified voters of this state a proposition to remove the limitations contained in clause (a) of this subsection (2) upon the types of income tax which may be imposed, if a resolution providing for submission of such proposition is adopted, at the legislative session immediately preceding such election, by a majority of at least sixty percent of the members elected to each of the two houses of the legislature.

Whenever such a proposition is submitted to the qualified voters of this state, the secretary of state shall cause the proposition to be prepared and placed upon the ballot at the November general election as follows:

"Shall Article VII, section 2(2) of the state Constitution be changed to authorize a state graduated net income tax? Yes
No

If a majority of the qualified voters voting upon the proposition vote for removing such limitations, the limitations shall be removed, and thereafter the tax may be imposed upon income at such rate or rates, single or graduated, as may be prescribed by law. If a majority of the qualified voters voting upon the proposition vote against removing such limitations, the limitations shall be continued, unless changed by subsequent amendment to this Constitution or as provided in this subsection (2).

BE IT FURTHER RESOLVED, That the foregoing amendment shall be construed as a single amendment within the meaning of Article XXIII, section 1 (Amendment 37) of this Constitution.

The legislature finds that the changes contained in the foregoing amendment constitute a single integrated plan for a balanced revision of the tax structure for state and local government. It is the intention of the legislature that in the event the foregoing amendment is held to be separate amendments, this house joint resolution shall be void in its entirety and shall be of no further force and effect.

AND BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.

Signed by Senators Greive, McCormack and Ryder; Representatives Charette, McCaffree and Morrison.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 28, chapter 13, Laws of 1967 and RCW 90.48.290 are each amended to read as follows:

"The commission is authorized to make and administer grants within appropriations authorized by the legislature to any [municipality] *municipal or public corporation*, or political subdivision within the state for the purpose of aiding in the construction of water pollution control projects necessary to prevent the discharge of untreated or inadequately treated sewage or other waste into the waters of the state *including, but not limited to, projects for the control of storm or surface waters which will provide for the removal of waste or polluting materials therefrom.*

"Grants so made by the commission shall be subject to the following limitations:

"(1) No grant shall be made in an amount which exceeds the recipient's contribution to the estimated cost of the project: PROVIDED, That *the following shall be considered a part of the recipient's contribution:*

"(a) Any grant received by the recipient from the federal government pursuant to section 8 (f) of the Federal Water Pollution Control Act (33 U.S.C. 466) for the project [shall be considered as part of the recipient's contribution];

"(b) *Any expenditure which is made by any municipal or public corporation, or political subdivision within the state as a part of a joint effort with the recipient to carry out the project and which has not been used as a matching contribution for another grant made pursuant to this chapter, and*

"(c) Any expenditure for the project made by the recipient out of moneys advanced by the commission from a revolving fund and repayable to said fund.

"(2) No grant shall be made for any project which does not qualify for and receive a grant of federal funds under the provisions of the Federal Water Pollution Control Act as now or hereafter amended: *PROVIDED, That this restriction shall not apply to state grants made in any biennium over and above the amount of such grants required to match all federal funds allocated to the state for such biennium.*

"(3) No grant shall be made to any [municipality] *municipal or public corporation*, or political subdivision for any project located within a drainage basin [for which] *unless the commission shall have previously adopted a comprehensive water pollution control and abatement plan and unless the project is found by the commission to conform with such basin comprehensive plan: PROVIDED, That the requirement for a project to conform to a comprehensive water pollution control and abatement plan may be waived by the commission or director for any grant application filed with the commission prior to July 1, 1974, in those situations where the commission or director finds the public interest would be served better by approval of any grant application made prior to adoption of such plan than by its denial.*

"(4) Recipients of grants shall meet such qualifications and follow such procedures in applying for grants as shall be established by the commission.

"(5) *Grants may be made to reimburse recipients for expenditures made after July 1, 1967 for projects which meet the requirements of this 1969 amendatory act and were commenced after the recipient had filed a grant application with the commission.*

"*NEW SECTION. Sec. 2. There is added to chapter 90.48 RCW a new section to read as follows:*

"The commission shall submit a biennial report to the legislature setting forth the grants made pursuant to RCW 90.48.290 as now or hereafter amended, agencies to which granted, progress towards adoption of comprehensive plans for water pollution control and abatement for the drainage basins of the state, and the extent to which approved projects have conformed to said plans.

"NEW SECTION. Sec. 3. The department of water resources may establish minimum water flows or levels for streams, lakes or other public waters for the purposes of protecting fish, game, birds or other wildlife resources, or recreational or aesthetic values of said public waters whenever it appears to be in the public interest to establish the same. In addition, the department of water resources shall, when requested by the department of fisheries or the game commission to protect fish, game or other wildlife resources under the jurisdiction of the requesting state agency, or by the water pollution control commission to preserve water quality, establish such minimum flows or levels as are required to protect the resource or preserve the water quality described in the request. Any request submitted by the department of fisheries, game commission or water pollution control commission shall include a statement setting forth the need for establishing a minimum flow or level. This section shall not apply to waters artificially stored in reservoirs, provided that in the granting of storage permits by the department of water resources in the future, full recognition shall be given to downstream minimum flows, if any there may be, which have theretofore been established hereunder.

"NEW SECTION. Sec. 4. Flows or levels authorized for establishment under section 3 hereof, or subsequent modification thereof by the department shall be provided for through the adoption of regulations. Prior to the establishment or modification of a water flow or level for any stream or lake or other public water, the department shall hold a public hearing in the county in which the stream, lake or other public water is located. If the same is located in more than one county the department shall determine the location or locations therein and number of hearings to be conducted. Notice of hearings shall be given by publication in a newspaper of general circulation in the county or counties in which the stream, lake or other public waters is located, once a week for three consecutive weeks prior to the hearing. Said notice shall include the following:

"(1) The name of the stream, lake or other water source under consideration.

"(2) The proposed levels or flows to be established, if the department has made such a determination prior to the hearing.

"(3) The place and time of the hearing.

"(4) A statement that any person, including any private citizen or public official may present his views either orally or in writing.

"Notice of the hearing shall also be served upon the administrators of the departments of fisheries, health and natural resources, the game commission, the state highway commission and the water pollution control commission.

"NEW SECTION. Sec. 5. The establishment of levels and flows pursuant to section 3 of this 1969 amendatory act shall in no way affect existing water and storage rights and the use thereof, including but not limited to rights relating to the operation of any hydroelectric or water storage reservoir or related facility. No right to divert or store public waters shall be granted by the department of water resources which shall conflict with regulations adopted pursuant to sections 3 and 4 of this 1969 amendatory act establishing flows or levels. All regulations establishing flows or levels shall be filed in a 'Minimum Water Level and Flow Register' of the department of water resources.

"NEW SECTION. Sec. 6. It shall be the policy of the state, and the department of water resources shall be so guided in the implementation of sections 3 and 4 of this 1969 amendatory act, to retain sufficient minimum flows or levels in streams, lakes or other

public waters to provide adequate waters in such water sources to satisfy stockwatering requirements for stock or riparian grazing lands which drink directly therefrom where such retention shall not result in an unconscionable waste of public waters. The policy hereof shall not apply to stockwatering relating to feed lots and other activities which are not related to normal stockgrazing land uses.

"NEW SECTION. Sec. 7. There is added to chapter 242, Laws of 1967 and to chapter 43.27A RCW a new section to read as follows:

"Notwithstanding and in addition to any other powers granted to the department of water resources, whenever it appears to the director of the department of water resources, or to an assistant authorized by the director to issue regulatory orders under this section, that a person is violating or is about to violate any of the provisions of the following:

- "(1) Chapter 90.03 RCW; or
- "(2) Chapter 90.44 RCW; or

- "(5) Chapter 43.27A RCW; or
- "(6) Any other chapter or statute the director of the department of water resources is charged with administering; or

"(7) A rule or regulation adopted, or a directive or order issued by the department of water resources relating to subsections (1) through (6) of this section; the director of the department of water resources, or an authorized assistant, may cause a written regulatory order to be served upon said person either personally, or by registered or certified mail delivered to addressee only with return receipt requested and acknowledged by him. The order shall specify the provision of the statute, rule, regulation, directive or order alleged to be or about to be violated, and the facts upon which the conclusion of violating or potential violation is based, and shall order the act constituting the violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary corrective action to be taken with regard to such acts within a specific and reasonable time. The regulation of a headgate or controlling works as provided in RCW 90.03.070, by a watermaster, stream patrolman, or other person so authorized by the director of the department of water resources, shall constitute a regulatory order within the meaning of this section. A regulatory order issued hereunder shall become effective immediately upon receipt by the person to whom the order is directed, except for regulations under RCW 90.03.070 which shall become effective when a written notice is attached as provided therein, and shall become final unless review thereof is requested as provided in section 8 of this 1969 amendatory act. This section is supplementary to and shall not lessen any of the regulatory and enforcement powers of the department of water resources.

"NEW SECTION. Sec. 8. There is added to chapter 242, Laws of 1967 and to chapter 43.27A a new section to read as follows:

"Any person feeling aggrieved by a regulatory order issued pursuant to section 7 of this 1969 amendatory act shall be entitled to review thereof upon request as follows:

"(1) Review of the following categories of orders enumerated in subsections (a), (b), (c) and (d) of this subsection (1) shall be available in superior court pursuant and subject to the provisions of RCW 90.03.080 and shall include:

"(b) An order which relates to the performance of an activity, or the construction or operation of a facility or improvement by a person without a permit, certificate, license or other authorization or approval of the department of water resources when the same is required to be obtained from the department by the person by statute, including but not limited to RCW 90.03.250, 90.03.350, 90.03.370, 90.03.380, 90.44.050, 86.16.080, or 43.37.080, prior to said performance, construction or operation; or

"(c) An order which relates to the violation of a term or condition of a permit or certificate, license or other authorization or approval issued by the department of water resources; or

"(d) An order which relates to a water use condition constituting an emergency which threatens the public safety or welfare;

"(2) Review of all regulatory orders issued pursuant to section 7 of this 1969 amendatory act, other than those described in section 8 (1) of this act, shall be available through administrative hearings conducted by the department of water resources. A hearing shall be granted by the director of the department of water resources if the requester submits a written request to the director by certified or registered mail for a hearing and the same is received by, or mailed to the director within thirty days from the date of receipt of the order. No such request shall be entertained unless it contains the following:

"No special permit shall be issued for movement on any two lane state highway outside the limits of any city or town where the overall width of load exceeds fourteen feet, or on any multiple lane state highway where the overall width of load exceeds thirty-two feet; except that on multiple lane state highways where a physical barrier serving as a median divider separates the oncoming and opposing traffic lanes, no special permit shall be issued for width in excess of twenty feet: PROVIDED, That (1) these width limitations may be exceeded on state highways where the latest available traffic figures show that the highway or section of highway carries less than one hundred vehicles per day: PROVIDED FURTHER, That in the case of buildings, the limitations referred to in this section for movement on any two lane state highway other than the national system of interstate and defense highways may be exceeded under the following conditions: (a) Uninterrupted vehicular traffic shall be maintained in one direction at all times; (b) maximum distance of movement shall not exceed the five mile limit: PROVIDED, That when in the opinion of the highway commission a hardship would result, this limitation may be exceeded upon approval of the commission; (c) prior to issuing a permit a qualified highway department employee shall make a visual inspection of the building and route involved determining that the conditions listed herein shall be complied with and that structures or overhead obstructions may be cleared or moved in order to maintain a constant and uninterrupted

Mr. Whetzel: "I'm glad you asked that question, Mr. Hoggins. I can only say that I appreciated Mr. Harris' help, but I'm going to help him and vote to keep this Mount Spokane Park Drive in this bill because it does go to a state park and I think that is a legitimate function of the state highway system."

POINT OF ORDER

Mr. Heavey: "Mr. Speaker, my point of order is that the amendment is out of order and the consideration of the bill is out of order. I cite the chair to Article II, section 19, of the Washington State Constitution which states: 'No bill shall embrace more than one subject, and that shall be expressed in the title.'

"Section 1 of the bill deals with studies; section 2 of the bill deals with seeking federal aid; section 17 appropriates money on a loan basis; section 18 amends the railroad grade act; section 19 creates a division of urban transportation; section 20 deals with landscaping; section 21 establishes penalties for driving without a license; section 26 amends the authority of a publicly owned mass transit system to provide services fifteen miles beyond the corporate limits; section 31 deals with overweight vehicles; the amendment before us deals with Hovercraft; there is a section in the bill which appropriates funds for the operation of a ferry.

"I contend that we are out of order considering this bill because it contains more than one subject, and I don't see how any title can contain them all."

RULING BY THE SPEAKER

The Speaker: "There are omnibus bills, and there are omnibus bills; and the highway omnibus bill is the granddaddy of them all and always has been. Historically we have considered this type of combination of subjects, particularly in the matter of highway legislation. Mr. Heavey, I would just have to rule your point of order is out of order."

The Speaker declared the question before the House to be the committee amendment striking sections 36, 37, 38 and 39.

MOTION

On motion of Mr. Wolf, the House recessed until 5:00 p.m.

SECOND AFTERNOON SESSION

The Speaker called the House to order at 5:00 p.m.

The clerk called the roll and all members were present except Representatives Kalich, Murray and Wolf. Representative Murray was excused.

The Speaker called on Mr. Copeland to preside.

The Speaker (Mr. Copeland presiding) declared the question before the House to be the committee amendment adding a new section 63 to Engrossed Substitute Senate Bill No. 724.

Representatives Bluechel and Scott spoke against adoption of the amendment.

RULING BY THE SPEAKER

The Speaker (Mr. Copeland presiding): "The Speaker would like to remind you, Mr. Scott, and others that we are now beyond the fiftieth day of the extraordinary session and Rule 51 is in effect which requires that no member speak more than once without leave of the House and that he confine his remarks to three minutes. The Speaker has been very lenient, but I think in the interests of time, we should observe Rule 51 unless the body cares to suspend the rule."

Representative Scott concluded his remarks in opposition to the amendment.

Further debate ensued, Representatives Berentson, Bottiger and Sawyer speaking in favor of adoption of the amendment, and Representatives Cunningham and Sprague speaking against it.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Hawley.

Mr. Hawley: "Mr. Berentson, I have known you as a very conscientious legislator. Would you tell us where these signs would be located?"

Mr. Berentson: "I think all of you received a diagram on your desks. Mr. Bluechel was correct in that the space back from the exit sign, which indicates one mile to the off-ramp, a minimum of 1,500 feet from there as I understand it, back another 800 feet, and still another sign back another 800 feet. So you are talking about 3,100 feet back from the turnoff, as the diagram indicates, there is the possibility of one service panel of gas, food and lodging."

Mr. Hawley: "Between, let's say, Marysville and Mount Vernon, how many signs would there be?"

Mr. Berentson: "I live up that way, and I suspect the commission probably would not use that particular area because we don't see many interchanges with businesses other than perhaps a service station of a major oil company. A point that has been missed here is that this isn't basically for a metropolitan area like Seattle. I think it would be better used in the rural areas where people really aren't familiar and they are looking for the possibility of either a service station or else a motel unit. I don't see any problem at all in the Seattle area. The question has been raised, How do you decide which business should have signs? I think you will find that it is permissive by the highway commission, and they will not misuse their authority."

Further debate ensued, Representative Chapin speaking against adoption of the committee amendment, and Representative Wolf speaking in favor of it.

Mr. King demanded the previous question and the demand was sustained.

Mr. Hoggins demanded an electric roll call and the demand was sustained.

The amendment by Mr. Kuehne to the committee amendment was adopted.

The committee amendment adding a new section 66, as amended by Representatives Leland and Kuehne, was adopted.

Mr. Barden moved adoption of the following amendment by Representatives Adams, Wojahn, Barden, Cunningham, Jueling, Marzano and Swayze:

On page 17, section 13, after line 15, insert a new paragraph:

"That part of former primary state highway No. 1 (Pacific Highway) from Midway south to Tacoma shall be reinstated as part of the state highway system."

Debate ensued, Representatives Barden, Cunningham and Bottiger speaking in favor of adoption of the amendment, and Representatives Leland and Beck speaking against it.

POINT OF INQUIRY

Mr. Cunningham yielded to question by Mr. Leckenby.

Mr. Leckenby: "Mr. Cunningham, it has been said that this matter is being studied. You seem to be concerned about waiting for a study. Now just why are you concerned about this? Why can't we wait until this study is completed?"

Mr. Cunningham: "What is happening on highway 99 between Tacoma and Seattle is the fact that the traffic went down a great deal when Interstate 5 opened and now it is back up again, and is coming up at a rapid rate. It is up to three times what it was when Interstate 5 went into operation a little more than two years ago. The traffic is rapidly increasing on that particular section of roadway between Tacoma and Seattle, and that includes all the way to Tacoma. The Allison Report indicated that this should be back on the system. It indicated also that the Mount Spokane Road should be on the system and some others that were placed on the system in the bill. I think this is one of the most heavily traveled roads in the state of Washington, between Seattle and Tacoma, and it certainly should be back on the state highway system so it can be maintained and kept in condition for heavy traffic because it is going to have it, and have it rapidly, and we can't afford to wait two more years."

Representative Hawley spoke against adoption of the amendment.

Mr. Grant demanded the previous question and the demand was sustained.

The amendment was adopted on a rising vote.

Mr. Newhouse moved adoption of the following amendment:

On page 19, section 17, line 16, after "the sum of" strike "thirty-five" and insert "ten"

Debate ensued, Representative Newhouse speaking in favor of adoption of the amendment, and Representative Jolly speaking against it.

The amendment was adopted on a rising vote.

Mr. Newhouse moved adoption of the following amendment:

On page 20, section 17, line 9, after "project." insert "To the extent feasible, the results of previous studies shall be considered in preparing this feasibility study."

Representatives Newhouse and Jolly spoke in favor of adoption of the amendment.

The amendment was adopted.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger and Leland:

On page 56, line 4, insert a new section to read as follows:

"Sec. 67. Section 40, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.290 are each amended to read as follows:

"The driver of a vehicle intending to turn at an intersection shall do so as follows:

"(1) Right turns. Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.

"[(2) Left turns on two-way roadways. At any intersection where traffic is permitted to move in both directions on each roadway entering the intersection, an approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection and after entering the intersection the left turn shall be made so as to leave the intersection to the right of the center line of the roadway being entered. Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

"(3) Left turns on other than two-way roadways. At any intersection where traffic is restricted to one direction on one or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection the left turn shall be made so as to leave the intersection, as nearly as practicable, in the left-hand lane lawfully available to traffic moving in such direction upon the roadway being entered.]

"(2) Left turns. The driver of a vehicle intending to turn left at any intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection, the left turn shall be made so as to leave the intersection in a lane lawfully available to traffic moving in such direction upon the roadway being entered. Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

"(3) Two-way left turn lanes.

"(a) The department of highways and local authorities in their respective jurisdictions may designate a two-way left turn lane on a roadway. A two-way left turn lane is near the center of the roadway set aside for use by vehicles making left turns in both directions from or into the roadway.

"(b) Two-way left turn lanes shall be designated by distinctive uniform roadway markings. The department of highways shall determine and prescribe standards and

specifications governing type, length, width, and positioning of the distinctive permanent markings. The standards and specifications developed shall be filed with the code revisor in accordance with the procedures set forth in the Administrative Procedure Act, chapter 34.04 RCW. On and after July 1, 1971, permanent markings designating a two-way left turn lane shall conform to such standards and specifications.

"(c) Upon a roadway where a center lane has been provided by distinctive pavement markings for the use of vehicles turning left from both directions, no vehicles shall turn left from any other lane. A vehicle shall not be driven in this center lane for the purpose of overtaking or passing another vehicle proceeding in the same direction. A signal, either electric or manual, for indicating a left-turn movement, shall be made at least one hundred feet before the actual left turn movement is made. Any maneuver other than a left turn from this center lane will be deemed a violation of this section.

"(4) The state highway commission and local authorities in their respective jurisdictions may cause [markers, buttons or signs] official traffic-control devices to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when [markers, buttons or signs] such devices are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such [markers, buttons or signs] devices."

Remember the remaining sections consecutively and correct internal references accordingly.

Representatives Bottiger and Leland spoke in favor of adoption of the amendment.

The amendment was adopted.

Mr. Cunningham moved adoption of the following amendment:

On page 56, line 4, insert a new section to read as follows:

"NEW SECTION. Sec. 68. In the event that any commercial business shall use any sign, display or device within a highway right of way to inform the traveling public of its business, then said business shall be prohibited from erecting or maintaining within 10 miles along the same highway said sign, display or device that is located upon any outdoor on-premise sign, display or device containing commercial information about said business that is located within 1,000 feet of the right of way of said highway."

Remember the remaining sections consecutively and correct internal references accordingly.

Debate ensued, Representative Cunningham speaking in favor of adoption of the amendment, and Representative Berentson speaking against it.

POINT OF INQUIRY

Mr. Cunningham yielded to question by Mr. Leland.

Mr. Leland: "Standard Oil Company would be a 'business' and if they happen to have a sign within a right of way, then (as I understand the amendment) they wouldn't be able to have any other sign for ten miles around."

Mr. Cunningham: "What would happen in a situation like this is the fact the high pylons you see along the freeways, that are high in the air and which the oil companies say are a burden to them (and I think they are) they would not be able to have these, indicating where they are located, and neither would any other business within 1,000 feet of the right of way. I don't think this is asking anything that is unusual because if you want a sign one place, I don't see why you should want high signs other places, and this is one of the reasons the oil companies want these right of way signs, so that they don't have to put up these high signs where you see them from the freeways. I think this would solve their problem. They wouldn't have to put them up. It wouldn't be necessary to have them in both places. I think if you had them on the roadway, you certainly wouldn't want high rise signs along the freeway."

The Speaker resumed the chair.

Further debate ensued, Representatives Leland, Wolf and Beck speaking against adoption of the amendment by Mr. Cunningham to Engrossed Substitute Senate Bill No. 724, and Representative Sprague speaking in favor of it.

Mr. Newhouse demanded the previous question and the demand was sustained.

The amendment was lost.

Mr. Smythe moved adoption of the following amendment by Representatives Francis and Smythe:

On page 56, line 4, insert a new section to read as follows:

"Sec. 68. Section 4, chapter 232, Laws of 1967 as amended by section 1, chapter 42, Laws of 1969, and RCW 46.37.530 are each amended to read as follows:

It shall be unlawful:

"(1) For any person to operate a motorcycle not equipped with a mirror on the left side of the handlebars, the mirror shall be so located as to give the driver a complete view of the highway for a distance of at least two hundred feet to the rear of the motorcycle.

"(2) For any person to operate a motorcycle in excess of thirty-five miles per hour which does not have a windshield unless he wears goggles or a face shield of a type approved by the commission. The commission is hereby authorized and empowered to adopt and amend regulations covering the types of goggles and face shields and the specifications therefor and to establish and maintain a list of approved goggles and face shields which meet the specifications of the established list hereunder.

"[(3) For any person to operate or ride upon a motorcycle unless he wears a protective helmet of a type approved by the commission on equipment. Such a helmet must be equipped with either a neck or chin strap which shall be fastened securely while the motorcycle is in motion. The commission is hereby authorized and empowered to adopt and amend regulations covering the types of helmet and the special specifications therefor and to establish, maintain, and distribute to law enforcement agencies throughout the state a list of approved helmets which meet the specifications to be established by the commission on equipment.]"

Remember the remaining sections consecutively and correct internal references accordingly.

Debate ensued, Representatives Smythe and Francis speaking in favor of adoption of the amendment.

Mr. Juelling demanded the previous question and the demand was not sustained.

Representatives Cunningham and Farr spoke against adoption of the amendment.

Mr. Newhouse demanded the previous question and the demand was sustained.

Mr. Leland demanded an electric roll call and the demand was sustained.

"Sec. 68. Section 1, chapter 10, Laws of 1959 ex. sess. as last amended by section 4, chapter 112, Laws of 1967 1st ex. sess., and RCW 44.04.120 are each amended to read as follows:

"Each member of the senate or house of representatives when serving on official legislative business during the interim between legislative sessions, or while serving on the legislative council, the legislative budget committee, or any other permanent or interim committee, commission, or council of the legislature shall be entitled to receive, in lieu of per diem or any other payment, for each day or major portion thereof in which he is actually engaged in legislative business or business of the committee, commission, or council notwithstanding any laws to the contrary, twenty-five dollars per day. *In addition such member of the senate or house of representatives [, plus mileage allowance at the rate of ten cents per mile] when authorized to travel by the house, committee, commission, or council of which he is a member and on the business of which he is engaged, shall be reimbursed as provided in this section for actual travel expenses away from and back to their designated residences. Travel expenses may include actual limousine or taxicab fare or actual car rental costs. If it is found to be more advantageous and economical to the state that he travel by a privately owned automobile rather than a common carrier, he shall be allowed a mileage rate not to exceed ten cents a mile."*

Remember the remaining sections consecutively and correct internal references accordingly.

POINT OF ORDER

The Speaker recognized Mr. Copeland on a point of order.

Mr. Copeland: "Mr. Speaker, I would like to raise a point of order questioning whether or not this amendment is germane or in violation of Rule 32. The act before us is an act relating to highways, the operation of motor vehicles thereon, prescribing the powers and duties of the Washington state highway commission, etc. This truly is a mileage bill, having to do with RCW 44 and relates to such things as the statute law committee, the legislative council and the budget committee. I would suggest that this probably enlarges the scope and object of this bill over and above the title."

RULING BY THE SPEAKER

The Speaker: "Your point is well taken, Mr. Copeland. The amendment is out of order."

The clerk read the following amendment by Mr. Leckenby:

On page 56, insert a new section to read as follows:

"NEW SECTION. Sec. 68. The joint committee on highways is authorized to conduct a study to define the term 'bird watcher.'"

POINT OF INQUIRY

The Speaker: "Mr. Copeland, would you like to raise the point of order?"

On motion of Mr. Leckenby, the amendment was not adopted.

Mr. Leland moved adoption of the committee amendment to the title.

On motion of Mr. Bottiger, the following amendment by Representatives Bottiger and Leland to the committee amendment to the title was adopted:

Amend the committee amendment to the title as follows: On line 6 of the committee amendment to the title, insert "amending section 40, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.290;"

The committee amendment to the title as amended by Representatives Bottiger and Leland was adopted.

On motion of Mr. Newhouse, the following amendment to the title was adopted:

On page 2, line 13 of the title, after ".055;" strike "amending section 46.16.060, chapter 12, Laws of 1961 as last amended by section 5, chapter 99, Laws of 1969 and RCW 46.16.060;"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 724, as amended by the House, was placed on final passage.

Representative Sprague spoke against passage of the bill.

POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Chapin.

Mr. Chapin: "Representative Wolf, is it the intention of section 63 of this bill, which I understand is the section dealing with signs, displays and devices, that the highway commission is going to authorize one or perhaps two intersections in the state of Washington to be used as experimental intersections under this section?"

Mr. Wolf: "Mr. Chapin, I doubt whether they will ever authorize it until you have further legislative intent. I think it is a permissive section. If in their wisdom with the new seven members or the five members and the director they try an experiment, it would certainly be in their discretion with the inclusion of section 63."

Mr. Chapin: "Representative Wolf, you didn't answer my question. You said what you think they might or might not do. I understand you are a member of this committee; I've heard you discuss this in caucus and elsewhere. My question is, Is it the intent of this section that the highway commission is going to authorize one or perhaps two intersections in the state on an experimental basis, period?"

Mr. Wolf: "It is the intention of this section that the authorization be given to the Washington state highway commission to consider the question."

Representative Chapin spoke against passage of the bill.

POINT OF INQUIRY

Mr. Leland yielded to question by Mr. Heavey.

Mr. Heavey: "Mr. Leland, in previous discussions, I indicated I would ask you this question: Section 19 which establishes the division or urban transportation in the Washington state highway commission—is it the intent of that section to have them assume the responsibilities which are now exercised by the Puget Sound Governmental Conference or to usurp the responsibilities this conference has, and is it also the intent of that section to usurp or to delete the authority that may be established under House Bill No. 641 with regard to mass transportation?"

Mr. Leland: "Mr. Heavey, the answer to both of those is 'no.' The section that you see before you, that is section 19, was section 41 of the department of transportation bill and was originally created and put into that bill to indicate the concern and the need for emphasis on transportation problems in the urban areas. It was meant to have coordination of all systems and to assist in all systems and all modes of systems. So the answer of usurping anyone's authority on (a) the case of the regional or Puget Sound Governmental Conference, or (b) as far as mass transit may be, the answer is 'no.'"

Mr. Heavey: "Section 42(3)—is it the intent of that subsection to have the joint committee on highways usurp the authority of these same bodies that I talked about?"

Mr. Leland: "The purpose—and now you are speaking of the retention of a team of nationally recognized consultants—is intended when utilized (and when I say 'the joint committee' you recognize the joint committee is made up of legislators) that they retain a team of nationally recognized experts in the various disciplines—mass transit, etc.—to review the long range plans for the benefit of the legislature, and to ascertain that they are in conformity with a total, balanced transportation system in the interests of the citizenry of the state."

Representative Heavey spoke against adoption of the bill.

POINT OF INQUIRY

Mr. Leland yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Leland, in section 19 where it pertains to port districts operating either ports for water shipping or airports—is the urban transportation division of the Washington state highway commission going to get involved on a cooperative basis with regional planning for port districts and airports?"

Mr. Leland: "Mr. O'Brien, the answer on planning would be 'yes' to the extent of airports—airport coordination that is of the access to and from—not the airport itself. The reason is that, with the Boeing 747 and the number of people that they will start letting off at one clip, it requires the utmost in coordination to be able to get the large numbers of people away from the airport and disbursed to their destinations. Secondly, at the hearings Mr. Garrett conducted with his subcommittee on industrial highways, the ports came before us and testified as to the tremendous upsurge in air freight development and that air freight was tied to containerization, containerization was tied to trucking, and hence again the need for the closest of planning to permit the rapid and expeditious moving of trucking to and from air freight terminals. That is the intent as it relates to transportation, Mr. O'Brien, not what you would call the broad scope of a port authority."

Mr. O'Brien: "Mr. Leland, this more or less pertains only to planning and coordination of planning; do you have any authority beyond that? This is just purely on a planning and cooperative basis?"

Mr. Leland: "Mr. O'Brien, let me give you one example. When we were holding hearings in the three main counties of Pierce, King and Snohomish, and we were attempting to ascertain whether there was a direct attempt to follow, or coordinate, let's say land use planning in Snohomish County with Puget Sound regional governmental plans, the same with King, or the same with Pierce, we found 'yes' they corresponded so to speak with each other. But so far as necessarily following out their plans, 'no' they did not. So it became very obvious as we took more and more testimony that as we planned the complex transportation systems that must serve particularly the Seattle-King County metropolitan area of all modes, including getting people to and from airports and airfreight to and from air freight terminals as well as all other aspects, it required this coordination of planning. That is what is intended."

Mr. O'Brien: "This pertains also apparently to water shipping. If you constructed a large port, you would be involved with the access to the port—is this what the primary purpose is?"

Mr. Leland: "This is another obvious need. I might say that most of the people on this floor realize that without the legislature having come to the rescue in Snohomish County to provide the access to Paine Field or the Casino Road problem which was solved, the Boeing 747 program wouldn't be going. So obviously, Mr. O'Brien, if you were to develop a major facility that might be the recipient of water shipping to, or shipping away from, you are going to have to have facilities of whatever nature to move that freight or move the people, and that is the intent."

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Fleming.

Mr. Fleming: "Representative Berentson, unfortunately I missed out on some of the debate on section 63. Representative Wolf has spoken in terms of the intent of section 63 (the commercial signs section). I would like to know, through passage of this bill, with the addition of these decal signs, or whichever, is the intent also to remove some of the signs that are already standing—the big signs, etc.—off the freeway if we get these signs on?"

Mr. Berentson: "I might just mention that this, as you know, was offered by major oil companies and drawn by them. Their lobbyist here did give indication that they would most likely do this. Now I suspect they wouldn't take down existing signs, assuming that the highway commission proceeds with this, but he seemed to feel that because of the tremendous cost of erecting one of these signs (which runs from \$10,000 to \$12,000) I understand that they would probably not construct the large sign if they had this service board leading into the station. Time will only tell, but there was an indication by the proponents that this would probably be the case."

Mr. Fleming: "That none would be taken down, but in future erection of service stations they might not use the large neon signs?"

Mr. Berentson: "That's right."

ROLL CALL

Mr. Farr: "I don't understand this bill. I haven't gone through it and I think there are also other members who don't understand it. Mr. Hawley: "Did we change it to 32 years?"

Mrs. McCaffree: "I don't know the answer."

Mr. Hawley: "Would this affect that property?"

Mrs. McCaffree: "It does affect long-term leases, but 'no' . . ."

Mr. Hawley: "This has been cut to 30 years—it was 50 originally. And the tax is one percent. But it wouldn't affect the University property?"

Mrs. McCaffree: "No."

Mr. Hawley: "Are you sure?"

Mrs. McCaffree: "No."

(4) "Preliminary plat" is a neat and approximate drawing of a proposed subdivision showing the general layout of streets and alleys, lots, blocks, and restrictive covenants to be applicable to the subdivision, and other elements of a plat or subdivision which shall furnish a basis for the approval or disapproval of the general layout of a subdivision.

(2) Divisions of land into lots or tracts where the smallest lot is twenty acres or more and not containing a dedication of a public right-of-way;

(4) Divisions made by testamentary provisions, the laws of descent, or upon court order.

NEW SECTION. Sec. 5. An assessors plat made in accordance with RCW 58.18.010 need not comply with any of the requirements of this act except sections 24 and 25 of this act.

NEW SECTION. Sec. 6. Unless the legislative body of a city, town or county adopts regulations and procedures, and appoints administrative personnel for the summary approval of short plats and short subdivisions, the provisions of this act shall not apply to short subdivisions. Such regulations may contain wholly different requirements than those governing the approval of preliminary and final plats of subdivisions but shall not require surveys and monumentations and a filing of a short plat for record in the office of the county auditor unless there is a dedication: PROVIDED, That such regulations must contain a requirement that land in short subdivisions may not be further divided in any manner within a period of five years without the filing of a final plat: PROVIDED FURTHER, That such regulations are not required to contain a penalty clause as provided in RCW 36.32.120 and may provide for wholly injunctive relief.

NEW SECTION. Sec. 7. A preliminary plat of proposed subdivisions and dedications of land shall be submitted for approval to the legislative body of the city, town, or county within which the plat is situated.

NEW SECTION. Sec. 8. Notice of the filing of a preliminary plat of a proposed subdivision adjacent to or within one mile of the municipal boundaries of a city or town, or which contemplates the use of any city or town utilities shall be given to the appropriate city or town authorities. Any notice required by this act shall include the hour and location of the hearing and a description of the property to be platted. Notice of the filing of a preliminary plat of a proposed subdivision located in a city or town and adjoining the municipal boundaries thereof shall be given to appropriate county officials. Notice of the filing of a preliminary plat of a proposed subdivision located adjacent to the right-of-way of a state highway shall be given to the state department of highways.

NEW SECTION. Sec. 9. Upon receipt of an application for preliminary plat approval the administrative officer charged by ordinance with responsibility for administration of regulations pertaining to platting and subdivision shall set a date for a public hearing. Notice of such hearing shall be given by publication of at least one notice not less than ten days prior to the hearing in a newspaper of general circulation within the county. Additional

notice of such hearing may be given by mail, posting on the property or in any manner local authorities deem necessary to notify adjacent landowners and the public. All hearings shall be public.

NEW SECTION. Sec. 10. If a city, town or county has established a planning commission or planning agency in accordance with state law or local charter, such commission or agency shall review all proposed subdivisions and make recommendations thereon to the city, town or county legislative body to assure conformance of the proposed subdivision to the general purposes of the comprehensive plan and to planning standards and specifications as adopted by the city, town or county. Reports of the planning commission or agency shall be advisory only: PROVIDED, That the legislative body of the city, town or county may, by ordinance, assign to such commission or agency, or any department official or group of officials, such administrative functions, powers and duties as may be appropriate, including the holding of hearings, and recommendations for approval or disapproval of preliminary plats of proposed subdivisions.

Such recommendation shall be submitted to the legislative body not later than fourteen days following action by the hearing body. Upon receipt of the recommendation on any preliminary plat the legislative body shall at its next public meeting set the date for the public meeting where it may adopt or reject the recommendations of such hearing body. If, after considering the matter at a public meeting, the legislative body deems a change in the planning commission's or planning agency's recommendation approving or disapproving any preliminary plat is necessary, the change of the recommendation shall not be made until the legislative body shall conduct a public hearing and thereupon adopt its own recommendations and approve or disapprove the preliminary plat. Such public hearing may be held before a committee constituting a majority of the legislative body. If the hearing is before a committee, the committee shall report its recommendations on the matter to the legislative body for final action.

A record of all public meetings and public hearings shall be kept by the appropriate city, town or county authority and shall be open to public inspection.

Sole authority to approve final plats, and to adopt or amend platting ordinances shall reside in the legislative bodies.

NEW SECTION. Sec. 11. The city, town, or county legislative body shall inquire into the public use and interest proposed to be served by the establishment of the subdivision and dedication. It shall determine if appropriate provisions are made in the subdivision for, but not limited to, drainage ways, streets, alleys, other public ways, water supplies, sanitary wastes, parks, playgrounds, sites for schools and school grounds, and shall consider all other relevant facts and determine whether the public interest will be served by the subdivision and dedication. If it finds that the plat makes appropriate provisions for the public health, safety and general welfare and for such drainage ways, streets, alleys, other public ways, water supplies, sanitary wastes, parks, playgrounds, sites for schools and school grounds and that the public use and interest will be served by the platting of such subdivision, then it shall be approved. Dedication of land to any public body shall be clearly shown on the final plat. The legislative body shall not as a condition to the approval of any plat require a release from damages to be procured from other property owners.

NEW SECTION. Sec. 12. The city, town or county legislative body shall consider the physical characteristics of a proposed subdivision site and may disapprove a proposed plat because of flood, inundation, or swamp conditions. Construction of protective improvements may be required as a condition of approval, and such improvements shall be noted on the final plat. No plat shall be approved by any city, town or county legislative authority covering any land situated in a flood control zone as provided in chapter 86.16 RCW without the prior written approval of the department of water resources, state of Washington.

NEW SECTION. Sec. 13. Local regulations may provide that in lieu of the completion of the actual construction of any improvements prior to the approval of a final plat, the city, town or county legislative body may accept a bond, in an amount and with surety and conditions satisfactory to it, or other secure method, providing for and securing to the municipality the actual construction and installation of such improvements within a period specified by the city, town or county legislative body and expressed in the bonds; and the municipality is hereby granted the power to enforce such bonds by all appropriate legal and equitable remedies. Such local regulations may provide that the improvements such as structures, sewers and water systems shall be designed and certified by or under the supervision of a registered civil engineer prior to the acceptance of such improvements.

NEW SECTION. Sec. 14. Preliminary plats of any proposed subdivision and dedication shall be approved, disapproved or returned to the applicant for modification or correction within sixty days from date of filing thereof unless the applicant consents to an extension of such time period. Final plats and short plats shall be approved, disapproved or returned to the applicant within thirty days from the date of filing thereof, unless the applicant consents to an extension of such time period. Ordinances may provide for the expiration of approval given to any preliminary plats.

NEW SECTION. Sec. 15. Each and every preliminary plat submitted for final approval of the legislative body shall be accompanied by the following agencies' recommendations for approval or disapproval:

(2) Be accompanied by a complete survey of the section or sections in which the plat or replat is located, or as much thereof as may be necessary to properly orient the plat within such section or sections. The plat and section survey shall be submitted with complete field and computation notes showing the original or reestablished corners with descriptions of the same and the actual traverse showing error of closure and method of balancing. A sketch showing all distances, angles and calculations required to determine corners and distances of the plat shall accompany this data. The allowable error of closure shall not exceed one foot in five thousand feet.

(3) Be acknowledged by the person filing the plat before the auditor of the county in which the land is located, or any other officer who is authorized by law to take acknowledgment of deeds, and a certificate of said acknowledgment shall be enclosed or annexed to such plat and recorded therewith.

(4) Contain a certification from the proper officer or officers in charge of tax collections that all taxes and delinquent assessments for which the property may be liable as of the date of certification have been duly paid, satisfied or discharged.

No engineer who is connected in any way with the subdividing and platting of the land for which subdivision approval is sought, shall examine and approve such plats on behalf of any city, town or county.

NEW SECTION. Sec. 17. When the legislative body of the city, town or county finds that the public use and interest will be served by the proposed subdivision, and that said subdivision meets the requirements of this act and any local regulations adopted pursuant thereto, it shall suitably inscribe and execute its written approval on the face of the plat. The original of said final plat shall be filed for record with the county auditor. One reproducible copy shall be furnished to the city, town or county engineer. One paper copy shall be filed with the county assessor. Paper copies shall be provided to such other agencies as may be required by ordinance. Any lots in a final plat filed for record shall be a valid land use notwithstanding any change in zoning laws for a period of five years from the date of filing.

NEW SECTION. Sec. 18. Any decision approving or disapproving any plat shall be reviewable for unlawful, arbitrary, capricious or corrupt action or nonaction by writ of review before the superior court of the county in which such matter is pending. The action may be brought by any property owner in the city, town or county having jurisdiction, who deems himself aggrieved thereby: PROVIDED, That application for a writ of review shall be made to the court within thirty days from any decision so to be reviewed. The cost of transcription of all records ordered certified by the court for such review shall be borne by the appellant.

NEW SECTION. Sec. 19. The county auditor shall refuse to accept any plat for filing until approval of the plat has been given by the appropriate legislative body. Should a plat or dedication be filed without such approval, the prosecuting attorney of the county in which the plat is filed shall apply for a writ of mandate in the name of and on behalf of the legislative body required to approve same, directing the auditor and assessor to remove from their files or records the unapproved plat, or dedication of record.

NEW SECTION. Sec. 20. Whenever any parcel of land is divided into five or more lots, tracts, or parcels of land and any person, firm or corporation or any agent of any of them sells or transfers, or offers or advertises for sale or transfer, any such lot, tract, or parcel without having a final plat of such subdivision filed for record, the prosecuting attorney shall commence an action to restrain and enjoin further subdivisions or sales, or transfers, or offers of sale or transfer and compel compliance with all provisions of this act. The costs of such action shall be taxed against the person, firm, corporation or agent selling or transferring the property.

NEW SECTION. Sec. 21. No building permit, septic tank permit, or other development permit, shall be issued for any lot, tract, or parcel of land divided in violation of this act or local regulations adopted pursuant thereto unless the authority authorized to issue such permit finds that the public interest will not be adversely affected thereby. The prohibition contained in this section shall not apply to an innocent purchaser for value without actual notice. All other purchasers' or transferees' property shall comply with provisions of this act and such purchaser or transferee may recover his damages from any person, firm, corporation or agent including any amount reasonably spent as a result of inability to obtain any development permit and spent to conform to the requirements of this act as well as cost of investigation, suit and reasonable attorneys' fees occasioned thereby. Such purchaser or transferee may as an alternative to conforming his property to these requirements, rescind the sale or transfer and recover costs of investigation, suit and reasonable attorneys' fees occasioned thereby.

NEW SECTION. Sec. 22. Any person who violates any court order or injunction issued pursuant to this act shall be subject to a fine of not more than five thousand dollars or imprisonment for not more than ninety days or both.

In the enforcement of this act, the prosecuting attorney may accept an assurance of discontinuance of any act or practice deemed in violation of this act from any person engaging in, or who has engaged in such act or practice. Any such assurance shall be in writing and be filed with and subject to the approval of the superior court of the county in which the alleged violation occurs. A violation of such assurance shall constitute prima facie proof of a violation of this act.

NEW SECTION. Sec. 24. Permanent control monuments shall be established at each and every controlling corner on the boundaries of the parcel of land being subdivided. The local authority shall determine the number and location of permanent control monuments within the plat, if any.

Sec. 25. Section 6, chapter 224, Laws of 1951 and RCW 58.24.040 are each amended to read as follows:

The agency is further authorized to:

NEW SECTION. Sec. 28. An offer of dedication may include a waiver of right of direct access to any street from any property, and if the dedication is accepted, any such waiver is effective. Such waiver may be required by local authorities as a condition of approval. Roads not dedicated to the public must be clearly marked on the face of the plat. NEW SECTION. Sec. 32. Any person, firm, corporation, or association or any agent of any person, firm, corporation, or association who violates any provision of this act or any local regulations adopted pursuant thereto relating to the sale, offer for sale, lease, or transfer of any lot, tract or parcel of land, shall be guilty of a gross misdemeanor and each sale, offer for sale, lease or transfer of each separate lot, tract, or parcel of land in violation of any provision of this act or any local regulation adopted pursuant thereto, shall be deemed a separate and distinct offense.

NEW SECTION. Sec. 33. All ordinances and resolutions enacted at a time prior to the passage of this act by the legislative bodies of cities, towns, and counties and which are in substantial compliance with the provisions of this act, shall be construed as valid and may be further amended to include new provisions and standards as are authorized in general law.

Sec. 34. Section 2, chapter 129, Laws of 1893, as last amended by section 1, chapter 66, Laws of 1963 and RCW 58.08.040 are each amended to read as follows:

The treasurer's receipt for said amount shall be taken by the auditor as evidence of the payment of the tax. The treasurer shall appropriate so much of said deposit as will pay the taxes on the said property when the tax rolls are placed in his hands for collection, and in case the sum deposited is in excess of the amount necessary for the payment of the said taxes, the treasurer shall return, to the party depositing, the amount of said excess, taking his receipt therefor, which receipt shall be accepted for its face value on the treasurer's quarterly settlement with the county auditor.

MOTION

On motion of Mr. Chapin, the House adopted the report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 169.

FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker stated the question before the House to be the final passage of Engrossed Substitute Senate Bill No. 169 as amended by the Free Conference Committee.

Representative Wolf spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chapin yielded to question by Mr. Moon.

Mr. Moon: "As this bill has been amended by the Free Conference Committee, will an individual be able to subdivide his land, and then can the individual to whom he sells it, resubdivide without any control on the local level or any control on the state level?"

Mr. Chapin: "No. Well, yes and no. Let me explain it this way: In a division of land of five or more acres, if the smallest piece is larger than five acres, it is totally exempt from any regulation unless the local jurisdiction, under their option, ups that exemption as high as twenty. In other words, the county could provide that any five or more divisions where the smallest is twenty or greater is totally exempt. Number two: If they adopt the so-called 'short subdivision' regulation, the answer to your question would be 'no.' Then any sale of one could be made under the short subdivision but any further division by the buyer of that piece within five years would have to comply with the platting requirements."

Mr. Moon: "I can understand how this would work in Snohomish County which has perhaps one of the best planning departments in the state, county-wise, but what about the smaller counties, like Ferry, Okanogan, or Omak, that do not have planning departments, and their county commissioners, because they have other problems to deal with and because their salaries are low and it isn't a full-time job, do not have planning departments? They have no comprehensive plan or anything of that sort and are just operating on a day-by-day basis. Does this affect that county any differently than it does King County or Snohomish County?"

Mr. Chapin: "The basic idea of this, Mr. Moon, was to give as broad a basis of local option and control as we could, consistent with minimum guidelines. I would submit that you don't need a full-time planning department or planning staff in order to come up with some kind of simple short subdivision regulations. Knowing the thoroughness of the County Commissioners' Association and other state-wide agencies, I would venture a guess that model short subdivision ordinances will be forthcoming and will be available for adoption by all counties without the necessity of each county having a planning department in order to do it. This certainly provides a means for allowing all counties, if they so desire, to prevent this business of dividing, and dividing, and dividing, without any regulation, as is now permitted by state law. I can say that the County Commissioners' Association likes the bill. They feel it is an improvement over what they now have."

Mr. Moon: "Then until the county commissioners of the local counties, the small ones particularly, enact an ordinance specifically outlining their own plan, it is wide open, because there is no state regulation. Is this what you are saying?"

Mr. Chapin: "There is no state requirement that a county regulate four divisions or less any more than there is now. This law says that they can do that, and if they do, then a second division within five years must comply with all the state requirements as to platting."

Representative Haussler spoke in favor of passage of the bill.

RESOLUTIONS

HOUSE RESOLUTION NO. 69-130, by Representatives Rosellini, Adams, Marzano, Bottiger, Heavey, Charette, Thompson, Beck, Wojahn, Francis, Savage, Backstrom, May, Sprague, Fleming, Leland, Grant and Chatalas:

WHEREAS, According to the Legislative Council Report on Hospital Costs, after experiencing regular increases averaging about seven percent a year, hospital costs in the past two years have gone up over thirty percent in the State of Washington; and

WHEREAS, According to the Bureau of Labor Statistics, hospital daily charges throughout the nation skyrocketed 16.5% in 1966, the largest annual increase in eighteen years, and rose another 15.5% in 1967, and are continuing to rise; and

WHEREAS, Both the Legislative Council and the Advisory Council on Urban Affairs have recommended the establishment of a study commission to identify the role hospitals, nursing homes, and other health facilities would play in the total health care, to investigate hospital services, planning, costs and pricing in the State of Washington and develop legislative recommendations; and

WHEREAS, The Province of British Columbia, as well as the majority of her sister provinces in Canada, has instituted a unique plan for controlling hospital costs, costing the resident of British Columbia one dollar per day for daily hospital charges;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Hospital and Health Care Study Commission, or in the event such commission is not established, the Legislative Council, be authorized to conduct a study and make recommendations for establishing a system of inter-hospital organization for the State of Washington. The study shall include an inquiry into British Columbia's broad based medical care plan insofar as it relates to the control of hospital costs in British Columbia. The study shall also include the consideration of all adequate methods likely to effectuate the control over spiralling costs of health care, including, but not limited to, the feasibility of the organization of hospitals in the State of Washington as public utilities within the jurisdiction of the Utilities and Transportation Commission, or a special regulatory commission, or any other state or regional supra-hospital organization, private or public, whose primary purpose is to oversee hospital costs.

BE IT FURTHER RESOLVED, That a copy of this resolution be transmitted to the appropriate agency which will conduct the study.

BE IT FURTHER RESOLVED, That the appropriate agency conducting the study, report its findings and recommendations, if any, to the 42nd session of the Washington State Legislature.

The House resumed consideration of the resolution.

The Speaker declared the question before the House to be the adoption of the resolution. An electric roll call had been demanded.

On motion of Mr. Newhouse, House Resolution No. 69-130 was referred to the Committee on Public Health and Welfare.

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives of the State of Washington in legislative session assembled on the occasion of the eighty-fifth birthday of former President Harry S. Truman, That our continuing gratitude be expressed to President Truman for his contributions to our nation with our accompanying fervent wish for many more such birthdays.

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives forward a suitably inscribed copy of this resolution to President Truman at his home in Independence, Missouri.

Mr. Anderson moved adoption of the resolution.

Representatives Anderson, Whetzel and Clark (Newman H.) spoke in favor of adoption of the resolution.

The resolution was adopted.

HOUSE RESOLUTION NO. 69-133, by Representatives Backstrom and Flanagan:

WHEREAS, Sales contracts have been used to confuse the responsibilities of ownership for purposes of taxation; and

WHEREAS, There are questions involved in the application of ad valorem taxes on inventories; and

WHEREAS, The legislature has the responsibility for insuring that taxes are levied on a uniform and equitable basis in this state;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Budget Committee be authorized and instructed to prepare a study of the administration and application of ad valorem taxes on inventories;

BE IT FURTHER RESOLVED, That the result of this study, together with any pertinent recommendations or proposed legislation, be presented to the next Regular Session of the Legislature.

On motion of Mr. Backstrom, the resolution was adopted.

HOUSE RESOLUTION NO. 69-134, by Representatives Berentson, Charette and Evans:

WHEREAS, The development of nuclear energy, including its use as a source of electric power, is important to the economic growth, environment and resources of the State of Washington; and

WHEREAS, Two utilities, Seattle City Light and the Snohomish County Public Utility District, have announced plans to build a nuclear-powered electricity generating plant at Kiket Island near LaConner, Washington; and

WHEREAS, There exists a present need to develop scientific data upon which to predict what effect such plants will have on fish and other marine life in the affected area; and

WHEREAS, Kiket Island is located just inside Deception Pass in an area adjacent to the famed Hope Island salmon-fishing grounds; and

WHEREAS, The cooling process in a nuclear facility of the type planned for Kiket Island may alter the natural water temperature; and

WHEREAS, Presently unknown is the deleterious effects, if any, which may occur to an area's natural environmental conditions from the operation of a nuclear-powered facility; NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council shall:

(1) Conduct an in-depth study regarding the development and uses of nuclear energy

and the effects of such power generation development on the affected natural environmental factors within the State of Washington.

(2) Submit to the next regular session of the Legislature for its consideration the resolution of such study and any recommendations pursuant thereto.

Mr. Berentson moved adoption of the resolution.

Representative Berentson spoke in favor of adoption of the resolution.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Berentson, would you have any objection to including in this study the location of this plant in another area where there would be no effect whatsoever on fish? If we located this plant near Grand Coulee and pumped the water to a high point into equalizing reservoirs, and ran it down the hill through some canals, we could use it to irrigate dry land. The water by the time it ever got back would have been down into the subsoil, completely cooled off, and back in the river without having any effect whatsoever on the fish."

Mr. Berentson: "I might say, Representative Flanagan, that at first glance the resolution might seem a little narrow, but I'm sure it is the intent of the resolution to look at all possible areas, including any plant that might be built on a river."

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Amen.

Mr. Amen: "Just for my information, Representative Berentson, I was under the impression that a study like this has been going on at the Hanford Project in the Tri-Cities area. Is this right, and if so, would this be a duplication? I realize this is a different area."

Mr. Berentson: "I understand the Joint Committee on Nuclear Energy has been spending some time on this. I don't think, however, they have developed the information as it might affect the shallow bay areas and marine life. This is the study that will be conducted by a subcommittee of the council."

POINT OF INFORMATION

The Speaker recognized Mr. Kink on a point of information.

Mr. Kink: "To answer Representative Amen's question—yes, there have been studies made in regard to fish life on rivers. However, where this proposed nuclear plant will be located there is a mixture of salt water and fresh water and we have never had a study with regard to cooling processes of salt water, so this will be a new study."

The resolution was adopted.

HOUSE RESOLUTION NO. 69-135, by Representatives Backstrom, Hoggins, North, Chatalas, Lynch, Francis, Wojahn and Fleming:

WHEREAS, Considerable discussion and debate has revolved around the question of the provision of supervised care facilities for dependent children of disadvantaged mothers; and

WHEREAS, The State of Washington has a vested interest in seeing that disadvantaged mothers become worthwhile, productive members of society to the furthest extent possible; and

WHEREAS, It is in the interests of the state to restore the disadvantaged mothers of our society to independence and useful roles in their communities; and

WHEREAS, Benefits will accrue to the dependent children of disadvantaged families from the recognition of their parents as wage-earning members of society, with a sense of dignity, self-worth, and confidence; and

WHEREAS, Methods should be explored to assist such disadvantaged mothers in becoming worthwhile members of society through state action;

NOW, THEREFORE, BE IT RESOLVED, That the Legislative Budget Committee undertake a study to determine the most appropriate ways in which the state may assist the disadvantaged mothers of our state, including, but not limited to, a study of the potential cost implications of various alternative means of obtaining the aforementioned objectives; the potentialities for the establishment of day care centers; the potentiality of contracting with school districts for the provision of child care centers; and the potential savings in taxpayer funds which might accrue from state assistance, leading to the employment of disadvantaged mothers; and

BE IT FURTHER RESOLVED, That the Legislative Budget Committee shall report its findings, conclusions and recommendations to the Forty-second Regular Session of the Legislature.

Mr. Backstrom moved adoption of the resolution.

Representatives Backstrom and North spoke in favor of adoption of the resolution.

The resolution was adopted.

HOUSE RESOLUTION NO. 69-136, by Representatives Backstrom, Charette and Sprague:

WHEREAS, The Treaty of 1855 granted certain jurisdictional rights and privileges to Indians which have thereafter been restricted by the passage of state laws; and

WHEREAS, Chapter 37.12 RCW authorizes the state to assume civil or criminal jurisdiction over Indians and their lands upon their request; and

WHEREAS, Existing law contains no provision for the state to retrocede from any measure of civil or criminal jurisdiction acquired by the state under the provisions of Chapter 37.12 RCW.

"(2) 'Principal board of county commissioners' means the legislative authority of the most populous county within a taxing district.

"(3) 'Taxing district' means an area comprising one or more counties, and the cities and towns situated therein, which is established for the purpose of imposing a tax under this chapter.

"(4) 'Taxing district authority' means a body composed of delegates named by the legislative bodies of cities, towns, and counties within a taxing district.

"NEW SECTION. Sec. 73. A taxing district authority may impose a tax upon persons within its jurisdiction taxable by the state pursuant to chapter 82.08 RCW and upon persons within its jurisdiction taxable by the state pursuant to chapter 82.12 RCW as either of those chapters now exists or is later amended for the occurrence of any tax incident on which a state tax is imposed under chapters 82.08 or 82.12 RCW as either of those chapters now exists or is later amended. The collection and administration of any tax imposed under authority of this section shall be in accordance with chapters 82.08 and 82.12 RCW as now exists or are later amended and the rules and regulations of the department of revenue of the state of Washington applicable thereto.

"NEW SECTION. Sec. 74. The tax which may be imposed by a particular body under the authority granted by section 73 of this 1969 amendatory act shall be of one single rate as imposed by that body for all persons and/or tax incidents within the jurisdiction of the taxing district authority and the rate of taxes imposed under sections 72 through 89 of this 1969 amendatory act shall not exceed a total of three-tenths of one percent on any tax incident.

"NEW SECTION. Sec. 75. Whenever any city, town, or county desires to establish a taxing district, its legislative body shall adopt a resolution calling for the formation of a taxing district and containing a description of the area to be included within the proposed taxing district. The resolution shall also include a tax proposition to be considered by the proposed taxing district authority. A resolution adopted by the legislative body of a city or town shall be transmitted to the legislative authority of the county in which the city or town is located.

"After the filing with the legislative authority of the county of the first resolution by a city or town or upon the adoption of a resolution by a county before the filing of any other resolution, action by the legislative authority shall be deferred on any subsequent resolution until it is determined whether or not the taxing district proposed in the first resolution will be established as provided in section 76 of this 1969 amendatory act. If such taxing district is not so established, subsequent resolutions shall be considered, one at a time in like manner, according to their date of adoption.

"NEW SECTION. Sec. 76. The legislative authority of the county within five days after the receipt or adoption of the first resolution shall set a time and place for the initial meeting of the proposed taxing district authority. It shall notify the legislative body of each city and town within the county of the appointed time and place, and of the purpose of the meeting. The date for such initial meeting shall be not more than thirty days after a county's adoption of its own resolution or its receipt of a resolution adopted by a city or town. The board also shall notify the legislative authority of every other county proposed for inclusion within the taxing district, and every legislative authority so notified shall in turn notify the legislative body of each city and town within that county of the date, place, and purpose of the meeting. Public notice of the meeting shall be given to the communications media within the proposed taxing district, and a notice of meeting shall be published at least once in the official newspaper of each county proposed for inclusion within the taxing district, which publication or publications shall be at least ten days prior to the date of meeting and at the expense of the county wherein the newspaper is published.

"NEW SECTION. Sec. 77. Each city and town within the taxing district is entitled to be represented at the meeting by one delegate who shall be appointed by the legislative body of that city or town. Each county within the taxing district is entitled to be represented at the meeting by one delegate who shall be appointed by the legislative authority of that county. The attendance of delegates representing a majority of the population within the taxing district shall be sufficient to establish a taxing district authority.

"In the event a county, city, or town is included in more than one taxing district so established, it shall be included only in that district the formation resolution for which was adopted on the earliest date.

"NEW SECTION. Sec. 78. The chairman of the principal board of county commissioners shall preside over the meeting of the taxing district authority. The presiding officer shall not be the delegate from his county to the authority, and shall have neither vote nor voice in the proceedings, except as may be necessary to fulfill his administrative duties as presiding officer. In addition to presiding over the meeting, he shall prepare a detailed report of the meeting, including a record of all motions and votes, and shall submit his report within ten days after adjournment of the meeting to the state department of revenue.

"NEW SECTION. Sec. 79. The presiding officer of the formation meeting of a taxing district authority shall first determine if there is in attendance delegates representing a majority of the population within the proposed taxing district. If so he shall declare the district formed. Thereupon, the authority shall vote on the tax proposition. If the vote on the tax proposition is negative any delegate may submit for similar consideration and vote any other tax proposal in accordance with the authorization granted by sections 72 through 89 of this 1969 amendatory act.

"NEW SECTION. Sec. 80. On any proposition, the vote of each city, town, or county shall be by weighted vote. The vote of a city or town shall be weighted according to the ratio of its population to the total population within the taxing district. The vote of a county shall be weighted according to the ratio of the population within its unincorporated areas to the total population within the taxing district. An affirmative vote of delegates representing a majority of the population within the taxing district shall be necessary to enact a tax as provided in sections 72 through 89 of this 1969 amendatory act. An oral vote shall be taken on each proposition, and each delegate's vote duly recorded. Except as otherwise provided in sections 72 through 89 of this 1969 amendatory act, Robert's Rules of Order, Revised, shall govern the conduct of all meetings of the taxing district authority.

"NEW SECTION. Sec. 81. Any meeting of the taxing district authority shall be concluded within two days of its convening, and no more than two meetings shall be held during the year following any meeting in which a tax is levied.

"NEW SECTION. Sec. 82. Any tax imposed under the authority of sections 72 through 89 of this 1969 amendatory act on or before August 31st of any year, shall become effective on January 1st of the following year. Any taxes so imposed after August 31st of any year shall not become effective until January 1st of the second year following the imposition of the tax.

"NEW SECTION. Sec. 83. The state department of revenue shall administer and collect the taxes imposed under sections 72 through 89 of this 1969 amendatory act, and shall deduct an amount not to exceed two percent of the taxes collected for collection and administrative expenses incurred by the department. The remainder of the taxes collected shall be deposited by the department of revenue in a local government revenue revolving fund, hereby created, in the state treasury.

"NEW SECTION. Sec. 84. The state treasurer shall distribute bimonthly from the local government revolving fund to each city and town and to each county within which a tax is imposed under sections 72 through 89 of this 1969 amendatory act the revenue collected minus the amount deducted by the department of revenue for its collection and administration expenses. Apportionment shall be on a per capita basis according to the population of each city, town and total population of unincorporated areas of the county for revenue collected by imposition of a tax under sections 72 through 89 of this 1969 amendatory act by a county or taxing district authority.

"NEW SECTION. Sec. 85. A taxing district authority may increase, reduce, or eliminate any tax it has previously imposed, but any such change must be made no later than May 1st of any year if the change is to take effect the following year. Any meeting of the taxing district authority for the purpose of increasing, reducing, or eliminating any tax shall be initiated, convened, or conducted in the same manner as is provided in sections 72 through 89 of this 1969 amendatory act for the formation meeting of the authority.

"NEW SECTION. Sec. 86. If at the formation meeting of a taxing district authority no tax is levied, the taxing district is automatically dissolved. A taxing district is dissolved automatically if a previously levied tax is eliminated.

"NEW SECTION. Sec. 87. Before any moneys are collected as a consequence of sections 72 through 89 of this 1969 amendatory act the voters within the jurisdiction of the body imposing the tax shall have approved its imposition by majority vote at the next general election at which the issue may be put on the ballot or a special election called for that purpose. However, if a tax is imposed by a taxing district authority under sections 72 through 89 of this 1969 amendatory act the county government of any county in the taxing district shall place the issue on the ballot at the next general election.

"Sec. 88. Section 82.02.020, chapter 15, Laws of 1961 as amended by section 16, chapter 236, Laws of 1967 and RCW 82.02.020 are each amended to read as follows:

"Except only as expressly provided in RCW 67.28.180 and 67.28.190 and sections 72 through 89 of this 1969 amendatory act the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature.

"NEW SECTION. Sec. 89. If any provision of sections 72 through 89 of this 1969 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

Add a new section following section 89 as follows:

"NEW SECTION. Sec. 90. Sections 72 through 89 of this act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.", and the same is herewith transmitted. POINT OF GENERAL INFORMATION

The Speaker recognized Mr. Bledsoe on a point of general information.

Mr. Bledsoe: "Now that we have had our moment of frustration, I would like to ask you gentlemen on the other side of the aisle a question if I might. I don't know how to phrase it, but let me tell you what the problem is. In the early days of this session we passed

by a vote of eighty-two to something, if I remember correctly, a gateway amendment—House Joint Resolution No. 24. It has been residing in the Constitution and Elections Committee in the Senate ever since then, and many of us on both sides of the aisle who have had an interest in constitutional revision, in whatever form, have made trips to the Senate to discuss this with the esteemed Senator McCutcheon in whose loving arms this measure has rested for these many days. At this point the Senate is at an impasse in that they are unable to put this measure before them. Several of the leadership of the Senate, of your party I might add, have approached us asking that we bring from our Rules Committee House Joint Resolution No. 1, so that they might be able to do something about this in open session of the Senate. It is our wish so to do. However, in view of our previous vote, it is obvious that the line down the middle of this House is rather sharply drawn. Perhaps you may wish to be at ease while you discuss it. I would not like to bring it out and have it lose for reasons other than the issue itself. However, I would like your concurrence to make a motion to relieve the Rules Committee of House Joint Resolution No. 1, put it before this body and take it through to final passage if such be your inclination. If our attitudes are fixed so we must resist rather than discuss, I'll not attempt it. Mr. O'Brien and Mr. Charette, maybe you can help me here and tell me what you think we ought to do."

POINT OF GENERAL INFORMATION

The Speaker recognized Mr. O'Brien on a point of general information.

Mr. O'Brien: "Mr. Speaker, and ladies and gentlemen of the House:

"Your request at an open session of this House is certainly unusual and completely out of the customary legislative procedure and processes. Of course, I suppose that confession is always good for the soul, Mr. Bledsoe, but I don't know why you want to give us an open confession like this. I think you have to take your chances."

MOTION

Mr. Bledsoe moved that the Committee on Rules and Administration be relieved of House Joint Resolution No. 1, and that the resolution be placed immediately on the second reading calendar.

POINT OF ORDER

The Speaker recognized Mr. Grant on a point of order.

Mr. Grant: "Are we under the eighth order of business?"

The Speaker: "We are still on the eighth order of business, so the motion would be in order."

The motion was carried.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

MOTION

On motion of Mr. Bledsoe, the House advanced to the ninth order of business for the purpose of second reading of bills.

SECOND READING

HOUSE JOINT RESOLUTION NO. 1, by Representatives Bledsoe, Moon and Harris (by Legislative Council request):

Providing for a gateway amendment of the state Constitution.

The resolution was read the second time.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and House Joint Resolution No. 1 was placed on final passage.

Representative Bledsoe spoke in favor of passage of the resolution.

MOTION

Mr. Bottiger moved that the House defer further consideration of House Joint Resolution No. 1 and the resolution be ordered held for tomorrow's third reading calendar.

Representative Bottiger spoke in favor of the motion.

Mr. Grant demanded an electric roll call and the demand was sustained.

ROLL CALL

The clerk called the roll on the motion by Mr. Bottiger that the House defer further consideration of House Joint Resolution No. 1, and the resolution be ordered held for tomorrow's third reading calendar, and the motion was carried by the following vote: Yeas, 82; nays, 15; absent or not voting, 2.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Chapin, Charette, Chatalas, Conner, Conway, Copeland, Cunningham, Curtis, DeJarnatt, Evans, Farr, Fleming, Francis, Gallagher, Garrett, Gladder, Grant, Harris, Hatfield, Haussler, Hawley, Heavey, Hoggins, Hurley, Jolly, Jueling, Julin, Kalich, King, Kink, Kirk, Kiskaddon, Leckenby, Leland, Litchman, Lynch, Mahaffey, Marsh, Martinis, Marzano, May, McCaffree, McCormick, Mentor, Merrill, Moon, North, O'Brien, O'Dell, Pardini, Perry, Randall, Rosellini, Saling, Savage, Sawyer, Schumaker, Scott, Shera, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Whetzel, Wojahn, Wolf, Zimmerman, Mr. Speaker—82.

Voting nay: Representatives Amen, Barden, Benitz, Berentson, Clark (Newman H.), Clarke (George W.), Flanagan, Goldsworthy, Hubbard, Kopet, Kuehnlé, Morrison, Newhouse, Richardson, Wanamaker—15.
