SENATE RESOLUTION

8616

By Senators Hasegawa, Fortunato, Saldaña, Wagoner, and Warnick

WHEREAS, On February 19, 1942, President Franklin D. Roosevelt issued Executive Order 9066, which authorized the United States military to forcibly remove and incarcerate more than 120,000 persons of Japanese ancestry from the West Coast,

including 12,000 Japanese American residents of Washington State; and

WHEREAS, The first civilian evacuation order gave Japanese Americans from Bainbridge Island, Washington less than one week to leave behind homes, personal belongings, farms, businesses, friends, and family and report to detention centers like Camp Harmony on the grounds of the Washington State fair in Puyallup, where hastily converted horse stables housed the evacuated families; and

WHEREAS, These detention centers were temporary quarters for the evacuees while the U.S. military department constructed mass incarceration sites for Japanese Americans located in remote inland areas of the United States; and

WHEREAS, This drastic policy of forced removal allegedly aimed to prevent acts of espionage and sabotage by Japanese Americans who were deemed untrustworthy and disloyal to the United States; and

WHEREAS, On March 23, 1943, the War Department organized the 442nd Regimental Combat Team, a segregated unit of Japanese Americans, most of whom reported for military duty from the concentration camps in which they and their families were held as prisoners surrounded by barbed wire and armed guards; and

WHEREAS, More than 12,000 volunteers responded to questions about their loyalty and patriotism by amassing a battle record unparalleled in United States military history, earning a collective 7 Presidential Unit Citations, 21 Medals of Honor, 29 Distinguished Service Crosses, 1 Distinguished Service Medal, 588 Silver Stars, more than 4,000 Bronze Stars, 22 Legion of Merit Medals, 145 Soldier's Medals, 9,486 Purple Hearts, 16 decorations from France and Italy, and, in 2010, the Congressional Gold Medal; and

WHEREAS, Equally loyal and patriotic Japanese Americans fought to protect our constitutional rights and liberties through dissent, like University of Washington student and Auburn native Gordon Hirabayashi who was arrested, convicted, and imprisoned for defying the military curfew on select civilians and refusing to evacuate when ordered; and

WHEREAS, In 1982, the congressional commission on wartime relocation and internment of civilians found "no military or security reason" for the incarceration of persons of Japanese ancestry, but determined the cause as "racial prejudice, war hysteria, and a failure of political leadership"; and

WHEREAS, Through this travesty of justice, Japanese Americans suffered immense economic loss of property and assets, experienced immeasurable physical and psychological harm as individuals and collectively as a community, and were deprived of their constitutional liberties without due process of law; and

WHEREAS, In 1979, Washington State Congressman Mike Lowry introduced H.R. 5977 to provide reparations and an apology to the Japanese American incarcerated, thus initiating a 10-year legislative quest that ended when President Ronald Reagan signed the Civil Liberties Act of 1988; and

WHEREAS, With this historical lived experience, the Japanese American community has become an authentic and powerful voice for equity and justice and against racism, bigotry, and hate through the message Nidoto Nai Yoni – Let it Not Happen Again;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate pause to acknowledge the 83rd anniversary of the signing of Executive Order 9066, to recognize and remember Japanese American veterans, incarcerated, and civil rights activists from the State of Washington, and to reflect upon the responsibilities of the phrase "with liberty and justice for all"; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Secretary of the Senate to the Nisei Veterans Committee, Denzho, the Japanese American Citizens League, the Japanese Cultural and Community Center of Washington State, and the Wing Luke Museum of the Asian Pacific American Experience.

THIRTY EIGHTH DAY, FEBRUARY 19, 2025

2025 REGULAR SESSION

State Senate seat of the 26th Legislative District last December and that was following Senator Emily Randall, she was elected to the U.S. House of Representatives. Congresswoman Randall exemplifies the beauty and the heart of the 26th. She fought for us as a senator, and she continues to as a representative and we are better for it. As I work to fill her very big shoes, I appreciate the support and the encouragement I have received from all of my fellow senators, the amazing staff, and you, Mr. President. The pages are passing around a gift from me as a thank you and there are goodies in there that represent why I love the 26th so much and why I am proud to call it my home. The first is a cookie from Java & Clay, a locally owned family business in Gig Harbor and its like many locally owned family businesses in our, in the 26th. The next is a shot glass from Heritage Distillery. That is for a shot of milk to go with the cookies, right? Right? Heritage Distillery is another family-owned local business, and they have expanded, actually, to Roslyn and just down the road in Tumwater. You'll also find a ferry lanyard. And I do this because it represents a major mode of transportation in the 26th. And my constituents rely on this ferry service to get to work, to see their family, and to explore the rest of the Pacific Northwest. I also include it because I want us all to be thinking about the ferry systems this session. Please. The accompanying name badge actually is there and has some stickers in there from professional soccer teams. Those teams and their fans will be travelling to Bremerton's Fan Zone for FIFA 2026. And I hope they will be travelling there on our expanded ferry services. And additionally, there's a boat in your bag and that is because everywhere there is so many bodies of water in the 26th. There's streams, there's bays, there's harbors, there's rivers. And we host marinas and shipyards and docks and everywhere you look if you come visit you will find some type, in a different type of watercraft. From the fishing boats in Gig Harbor, up to the mighty Navy vessels in Bremerton. So, I just wanted to share with you some fun things why I love being in the 26th. I thank you all for being so welcoming to me in the 26th into the senate. I just, I really look forward to continuing the relationships I've built and really giving my all to the 26th, to the people of the 26th, and the people across the state. Thank you guys all for just being partners with me and let's do great things for Washington."

PERSONAL PRIVILEGE

Senator Goehner: "Mr. President, I know you are really surprised to see me standing, but I appreciate the opportunity to address you and I would ask that you would convey to the rest of the body that the gift that they have received is kind of an out extension of my livelihood, and that's raising pears. Within the box you will find something that's a little bit different. We don't raise that kind of pears in Dryden. I do have some natural Anjou pears and if you are aware of how to ripen these so that they're the Beurré d'Anjou, they will have a very buttery texture to them. And if you just get them nice and soft they will be right up your alley. There is also some candy in there from Liberty Orchards, which is a candy making factory there in Cashmere which has been going for close to 100 years. And then there is also a pin and fortunately the best laid plans don't always work out but some people ended up with and IOU. I don't know if anybody has ever been given an IOU as a gift but, they're my guys so I mean we'll get them covered. But we appreciate the opportunity to be a part of the Senate. Having served in the Legislature for a few years this has been a tremendous change, I guess. The dynamics are so much different. I appreciate your leadership, and I appreciate working with all of the fellows, senators here and making Washington a better place. So, thank you for the opportunity to serve."

PERSONAL PRIVILEGE

Senator Christian: “Thank you Mr. President. Mr. President, directly to your right stands the American flag. And on July 3, 1984 I raised my hand as a eighteen year old young man, been

married about two weeks, and I swore an oath to protect that Constitution that that flag represented. I was you and I did not understand completely what my oath was about. I am just going to be honest with you, I was eighteen years old, I just wanted a job to support my wife and, at the time. But as I began to serve in the Air Force, and started to see Desert Storm, and then people I knew killed in training accidents and additional wars that came along and the twin towers, as I served in the Air Force, that flag, it meant a lot to me. It began to mean that there was thousands of people that went before me. Out forefathers who died to protect that flag and what it stands for. The symbol of freedom in America. So, when it came to giving a gift, I knew exactly what I wanted to give. A symbol of a flag of the United States of America. Not only just any flag, this flag is aluminum because it represents the Kaiser folks in my area who produce aluminum and have for years. In World War II they produced the aluminum that allowed the planes to fly and fight and win our wars. They still do it today. They produce amazing aluminum. Mr. Speaker, Mr. President, my apologies, I actually went out a little further. These flags are made in Spokane at our Spokane Community College. In the manufacturing program, I actually placed an order with them to produce these flags for you guys today and they engraved on the back ‘Our forefathers were willing to die for this flag, the citizens of this state are just asking you to do your best.’ I hope we remember that everyday that we are here. That we are here to do our best. Thank you Mr. President.”
