CHAPTER XV.

[H. B. No. 184.]

AMENDING AN ACT REGULATING THE MANUFACTURE OF DAIRY PRODUCTS.

AN ACT relating to dairy products, amending sections 2 and 3 of an act approved March 11, 1895, entitled "An act regulating the manufacture of dairy products, to prevent deception or fraud in the sale of the same or imitations thereof, providing for the appointment of a dairy commissioner and defining his duties, creating a state board of dairy commissioners and defining their duties, imposing certain duties upon chemists of state institutions, providing penalties for violations of this law, making an appropriation, and declaring an emergency."

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Section 2 of said act is hereby amended to read as follows: Sec. 2. In all prosecutions or other proceedings under this or any other law of this state, relating to the sale or furnishing of milk, if it shall be proven that the milk sold or offered for sale, or furnished or delivered, or had in possession with intent to sell or offer for sale, or to furnish or deliver as aforesaid, as pure, wholesome or unskimmed milk, contain less than three per centum of pure butter fat, or less than eight per centum of milk solids other than fat, when subjected to chemical analysis or other satisfactory test, or it had been diluted, or any part of its cream abstracted, or that it, or any part of it, was drawn from cows known by the person complained of to have been within fifteen days before, or four days after parturition, or to have any disease, or ulcers, or other running sores, then, and in either case, the said

milk shall be held and judged to have been unmerchantable, adulterated, impure or unwholesome, as the case may be; and if it shall appear that cows kept for the production of milk or cream, for market or for sale or exchange, or for manufacturing their milk into articles of food, are kept in a crowded or unhealthful condition, or are being fed on undried brewer's grain, or upon any substance of an unhealthful nature, the milk or the cream from the same is hereby declared impure and unwholesome. Any milk or cream from the same that has been exposed or contaminated by emanations, discharges or exhalations from persons or animals, or to which has been added any borax, boracic acid, salicylic acid, or any other poisonous substance which prevents or tends to prevent the normal bacterial actions of milk, is hereby declared to be impure and unwholesome.

SEC. 2. Section 3 of said act is hereby amended to read as follows: Sec. 3. Every person who shall, at any factory in the state, manufacture cheese, shall stamp in a distinct and durable manner on each and every cheese manufactured by him, whether cheddar, twin, flat or Young America, or by whatever name or style known, before the sale thereof, in full face capital letters not less than one inch high, in ordinary stamping ink, either red, black, green, purple or violet in color, and of such composition as not to be easily removed or wholly obliterated by moisture, the grade of the same, in the following named letters and words: "Washington full cream," "Skimmed," or "Half-skimmed," as the case may be, together with the name of the factory, and the name of the city, town or village where the said factory is located; and such cheese only as shall contain 30 per centum of pure butter fat, and have been manufactured from pure and wholesome milk from which no portion of the butter fat shall have been removed by skimming, or by other process, and in the manufacture of which neither butter, nor any substance for butter, or other animal or vegetable fats or oils have been used, or any fat which has been extracted from milk in any form and returned for the purpose of filling said cheese, shall be stamped "Washington full cream," and such cheese
