Subject: TRS/PERS Plan 1 automatic Cola

CAUTION:External email.

Dear Select members:

I am a member of PERS 1 retirement plan. I requesting your consideration to approve a permanent automatic cost living adjustment each year to be in line with 13 other retirement plans. Living on a fixed income has been become a real challenge for the aging members of TRS/PERS 1. All of these members dedicated over 30 years to students and the public of this state. The rate of inflation has been devastating for the members. Over the years without COLA increases has diminished our purchasing power. An automatic COLA is needed.

Thank you.

Sincerely,

Gail Rauch
