On page 4, beginning on line 14, after "for the" strike "city, town, or special purpose district" and insert "eligible jurisdiction"

On page 4, after line 16, insert the following:

"(f) For purposes of this section, "eligible jurisdiction" means a city, town, or special purpose district that is wholly or partially located in a county with a population of at least 1.5 million people."

Representative Low spoke in favor of the adoption of the amendment.

Representative Mena spoke against the adoption of the amendment.

Amendment (814) was not adopted.

Representative Gregerson moved the adoption of amendment (810):

On page 4, beginning on line 9, after "(d)" strike all material through "revocable" on line 12 and insert "If a city, town, or special purpose district repeals an ordinance, charter amendment, or policy that moved its elections to even-numbered years, the jurisdiction shall transition back to odd-numbered year elections by electing each position to one term that is one year shorter in duration than provided by law. After conclusion of that term, beginning in an odd-numbered year, elections for positions must be for their prescribed term lengths"

Representatives Gregerson and Low spoke in favor of the adoption of the amendment.

Amendment (810) was adopted.

Representative Orcutt moved the adoption of amendment (811):

On page 11, after line 5, insert the following:

"Sec. 10. RCW 84.55.050 and 2021 c 296 s 14 are each amended to read as follows:

(1) Subject to any otherwise applicable statutory dollar rate limitations, regular property taxes may be levied by or for a taxing district in an amount exceeding the limitations provided for in this chapter if such levy is authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing

district called by the district for the purpose of submitting such proposition to the voters. Any election held pursuant to this section shall be held not more than 12 months prior to the date on which the proposed levy is to be made, except as provided in subsection (2) of this section. If the taxing district holds its regular elections in even-numbered years under RCW 29A.04.330(6), the election may be held only at a general election in an even-numbered year. The ballot of the proposition shall state the dollar rate proposed and shall clearly state the conditions, if any, which are applicable under subsection (4) of this section.

(2)(a) Subject to statutory dollar limitations, a proposition placed before the voters under this section may authorize annual increases in levies for multiple consecutive years, up to six consecutive years, during which period each year's authorized maximum legal levy shall be used as the base upon which an increased levy limit for the succeeding year is computed, but the ballot proposition must state the dollar rate proposed only for the first year of the consecutive years and must state the limit factor, or a specified index to be used for determining a limit factor, such as the consumer price index, which need not be the same for all years, by which the regular tax levy for the district may be increased in each of the subsequent consecutive years. Elections for this purpose must be held at a primary or general election. The title of each ballot measure must state the limited purposes for which the proposed annual increases during the specified period of up to six consecutive years shall be used.

(b)(i) Except as otherwise provided in this subsection (2)(b), funds raised by a levy under this subsection may not supplant existing funds used for the limited purpose specified in the ballot title. For purposes of this subsection, existing funds means the actual operating expenditures for the calendar year in which the ballot measure is approved by voters. Actual operating expenditures excludes lost federal funds, lost or expired state grants or loans, extraordinary events not likely to reoccur, changes in contract provisions beyond the control of the taxing district receiving the services, and major nonrecurring capital expenditures.

(ii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar years 2009, 2010, 2011, 2015, 2016, 2017, 2018, 2019, 2020, 2021, and 2022, in any county with a population of 1,500,000 or more. This subsection (2)(b)(ii) only applies to levies approved by the voters after July 26, 2009.

(iii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar year 2009 and thereafter in any county with a population less than 1,500,000. This subsection (2)(b)(iii) only applies to levies approved by the voters after July 26, 2009.

(3) After a levy authorized pursuant to this section is made, the dollar amount of such levy may not be used for the purpose of

computing the limitations for subsequent levies provided for in this chapter, unless the ballot proposition expressly states that the levy made under this section will be used for this purpose.

(4) If expressly stated, a proposition placed before the voters under subsection (1) or (2) of this section may:

(a) Use the dollar amount of a levy under subsection (1) of this section, or the dollar amount of the final levy under subsection (2) of this section, for the purpose of computing the limitations for subsequent levies provided for in this chapter;

(b) Limit the period for which the increased levy is to be made under (a) of this subsection;

(c) Limit the purpose for which the increased levy is to be made under (a) of this subsection, but if the limited purpose includes making redemption payments on bonds;

(i) For the county in which the state capitol is located, the period for which the increased levies are made may not exceed 25 years; and

(ii) For districts other than a district under (c)(i) of this subsection, the period for which the increased levies are made may not exceed nine years;

(d) Set the levy or levies at a rate less than the maximum rate allowed for the district;

(e) Provide that the exemption authorized by RCW 84.36.381 will apply to the levy of any additional regular property taxes authorized by voters; or

(f) Include any combination of the conditions in this subsection.

(5) Except as otherwise expressly stated in an approved ballot measure under this section, subsequent levies shall be computed as if:

(a) The proposition under this section had not been approved; and

(b) The taxing district had made levies at the maximum rates which would otherwise have been allowed under this chapter during the years levies were made under the proposition.

Sec. 11. RCW 84.52.052 and 2004 c 129 s 22 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by any taxing district, except school districts and fire protection districts, in which a larger levy is necessary in order to prevent the impairment of the obligation of contracts. As used in this section, the term "taxing district" means any county, metropolitan park district, park and recreation service area, park and recreation district, water-sewer district, solid waste disposal district, public facilities district, flood control zone district, county rail district, service district, public hospital district, road district, rural county library district, island library district, rural partial-county library district, intercounty rural library district, cemetery district, city, town, transportation benefit district, emergency

medical service district with a population density of less than one thousand per square mile, cultural arts, stadium, and convention district, ferry district, city transportation authority, or regional fire protection service authority.

Any such taxing district may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056 and 84.52.043, or 84.55.010 through 84.55.050, when authorized so to do by the voters of such taxing district in the manner set forth in Article VII, section 2(a) of the Constitution of this state at a special or general election to be held in the year in which the levy is made.

A special election may be called and the time therefor fixed by the county legislative authority, or council, board of commissioners, or other governing body of any such taxing district, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "yes" and those opposed thereto to vote "no." If the taxing district holds its regular elections in even-numbered years under RCW 29A.04.330(6), the election may be held only at a general election in an even-numbered year.

Sec. 12. RCW 84.52.053 and 2018 c 266 s 306 are each amended to read as follows:

(1) The limitations imposed by RCW 84.52.050 through 84.52.056, and 84.52.043 shall not prevent the levy of taxes by school districts, when authorized so to do by the voters of such school district in the manner and for the purposes and number of years allowable under Article VII, section 2(a) and Article IX, section 1 of the Constitution of this state. Elections for such taxes shall be held in the year in which the levy is made or, in the case of propositions authorizing two-year through four-year levies for enrichment funding for a school district, authorizing two-year levies for transportation vehicle funds established in RCW 28A.160.130 or authorizing two-year through six-year levies to support the construction, modernization, or remodeling of school facilities, which includes the purposes of RCW 28A.320.330(2) (f) and (g), in the year in which the first annual levy is made.

(2)(a) Once additional tax levies have been authorized for enrichment funding for a school district for a two-year through four-year period as provided under subsection (1) of this section, no further additional tax levies for enrichment funding for the district for that period may be authorized, except for additional levies to provide for subsequently enacted increases affecting the district's maximum levy.

(b) Notwithstanding (a) of this subsection, any school district that is required to annex or receive territory pursuant to a dissolution of a financially insolvent school district pursuant to RCW 28A.315.225 may call either a replacement or supplemental levy election within the school

district, including the territory annexed or transferred, as follows:

(i) An election for a proposition authorizing two-year through four-year levies for enrichment funding for a school district may be called and held before the effective date of dissolution to replace existing enrichment levies and to provide for increases due to the dissolution.

(ii) An election for a proposition authorizing additional tax levies may be called and held before the effective date of dissolution to provide for increases due to the dissolution.

(iii) In the event a replacement levy election under (b)(i) of this subsection is held but does not pass, the affected school district may subsequently hold a supplemental levy election pursuant to (b)(ii) of this subsection if the supplemental levy election is held before the effective date of dissolution. In the event a supplemental levy election is held under (b)(ii) of this subsection but does not pass, the affected school district may subsequently hold a replacement levy election pursuant to (b)(i) of this subsection if the replacement levy election is held before the effective date of dissolution. Failure of a replacement levy or supplemental levy election does not affect any previously approved and existing enrichment levy within the affected school district or districts.

(c) For the purpose of applying the limitation of this subsection (2), a two-year through six-year levy to support the construction, modernization, or remodeling of school facilities shall not be deemed to be a tax levy for enrichment funding for a school district.

(3) A special election may be called and the time therefor fixed by the board of school directors, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "yes" and those opposed thereto to vote "no." If the school district holds its regular elections in even-numbered years under RCW 29A.04.330(6), the election may be held only at a general election in an even-numbered year.

(4)(a) Beginning September 1, 2018, school districts may use enrichment levies solely to enrich the state's statutory program of basic education as authorized under RCW 28A.150.276.

(b) Beginning with propositions for enrichment levies for collection in calendar year 2020 and thereafter, a district must receive approval of an enrichment levy expenditure plan from the superintendent of public instruction under RCW 28A.505.240 before submission of the proposition to the voters.

Sec. 13. RCW 84.52.069 and 2018 c 136 s 1 are each amended to read as follows:

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public

hospital district, urban emergency medical service district, regional fire protection service authority, or fire protection district.

(2)(a) Except as provided in subsection (10) of this section, a taxing district may impose additional regular property tax levies in an amount equal to fifty cents or less per thousand dollars of the assessed value of property in the taxing district. The tax is imposed ~~((+))~~(i) each year for six consecutive years, ~~((+))~~(ii) each year for ten consecutive years, or ~~((+))~~(iii) permanently. Except as otherwise provided in this subsection, a permanent tax levy under this section, or the initial imposition of a six-year or ten-year levy under this section, must be specifically authorized by a majority of at least three-fifths of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition must constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the registered voters thereof voting on the proposition when the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in such taxing district in the last preceding general election. The subsequent approval of a six-year or ten-year tax levy under this section must be specifically authorized by a majority of the registered voters thereof approving a proposition authorizing the levies submitted at a general or special election. If the entire region comprising a newly formed regional fire protection service authority was subject to the levy authorized under this section immediately prior to the creation of the authority under chapter 52.26 RCW, the initial imposition of a six-year or ten-year tax levy under this section may be approved by a majority of the registered voters thereof approving the creation of the authority and the related service plan. Ballot propositions must conform with RCW 29A.36.210. A taxing district may not submit to the voters at the same election multiple propositions to impose a levy under this section.

(b) If a taxing district holds its regular elections in even-numbered years under RCW 29A.04.330(6), an election under this section may be held only at a general election in an even-numbered year.

(3) A taxing district imposing a permanent levy under this section must provide for separate accounting of expenditures of the revenues generated by the levy. The taxing district must maintain a statement of the accounting which must be updated at least every two years and must be available to the public upon request at no charge.

(4)(a) A taxing district imposing a permanent levy under this section must

provide for a referendum procedure to apply to the ordinance or resolution imposing the tax. This referendum procedure must specify that a referendum petition may be filed at any time with a filing officer, as identified in the ordinance or resolution. Within ten days, the filing officer must confer with the petitioner concerning form and style of the petition, issue the petition an identification number, and secure an accurate, concise, and positive ballot title from the designated local official. The petitioner has thirty days in which to secure the signatures of not less than fifteen percent of the registered voters of the taxing district, as of the last general election, upon petition forms which contain the ballot title and the full text of the measure to be referred. The filing officer must verify the sufficiency of the signatures on the petition and, if sufficient valid signatures are properly submitted, must certify the referendum measure to the next election within the taxing district if one is to be held within one hundred eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW 29A.04.330. However, if the taxing district holds its regular elections in even-numbered years under RCW 29A.04.330(6), an election under this section may be held only at a general election in an even-numbered year.

(b) The referendum procedure provided in this subsection (4) is exclusive in all instances for any taxing district imposing the tax under this section and supersedes the procedures provided under all other statutory or charter provisions for initiative or referendum which might otherwise apply.

(5) Any tax imposed under this section may be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(6) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. If a regional fire protection service authority imposes a tax under this section, no other taxing district that is a participating fire protection jurisdiction in the regional fire protection service authority may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a county levies less than fifty cents per thousand dollars of the assessed value of property, then any other taxing district may levy a tax under this section equal to the difference between the rate of the levy by the county and fifty cents: PROVIDED FURTHER, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the amount of the taxing district levy within the county must be reduced, when the combined levies exceed fifty cents. Whenever a tax is levied countywide, the service must, insofar as is

feasible, be provided throughout the county: PROVIDED FURTHER, That no countywide levy proposal may be placed on the ballot without the approval of the legislative authority of a majority of at least seventy-five percent of all cities exceeding a population of fifty thousand within the county: AND PROVIDED FURTHER, That this section and RCW 36.32.480 may not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is limited in duration and that is authorized subsequent to a county emergency medical service levy that is limited in duration, expires concurrently with the county emergency medical service levy. A fire protection district that has annexed an area described in subsection (10) of this section may levy the maximum amount of tax that would otherwise be allowed, notwithstanding any limitations in this subsection (6).

(7) The limitations in RCW 84.52.043 do not apply to the tax levy authorized in this section.

(8) If a ballot proposition approved under subsection (2) of this section did not impose the maximum allowable levy amount authorized for the taxing district under this section, any future increase up to the maximum allowable levy amount must be specifically authorized by the voters in accordance with subsection (2) of this section at a general or special election.

(9) The limitation in RCW 84.55.010 does not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

(10) For purposes of imposing the tax authorized under this section, the boundary of a county with a population greater than one million five hundred thousand does not include all of the area of the county that is located within a city that has a boundary in two counties, if the locally assessed value of all the property in the area of the city within the county having a population greater than one million five hundred thousand is less than two hundred fifty million dollars.

(11) For purposes of this section, the following definitions apply:

(a) "Fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district; and

(b) "Participating fire protection jurisdiction" means a fire protection district, city, town, Indian tribe, or port district that is represented on the governing board of a regional fire protection service authority.

Sec. 14. RCW 84.52.130 and 2002 c 180 s 2 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and 84.52.043 shall not

prevent the levy of taxes by a fire protection district, when authorized so to do by the voters of a fire protection district in the manner and for the purposes and number of years allowable under Article VII, section 2(a) of the Constitution of this state. Elections for taxes shall be held in the year in which the levy is made, or in the case of propositions authorizing two-year through four-year levies for maintenance and operation support of a fire district, or authorizing two-year through six-year levies to support the construction, modernization, or remodeling of fire district facilities, in the year in which the first annual levy is made. Once additional tax levies have been authorized for maintenance and operation support of a fire protection district for a two-year through four-year period, no further additional tax levies for maintenance and operation support of the district for that period may be authorized.

A special election may be called and the time fixed by the fire protection district commissioners, by giving notice by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing the excess levy shall be submitted in a form as to enable the voters favoring the proposition to vote "yes" and those opposed to vote "no."

If the fire protection district holds its regular elections in even-numbered years under RCW 29A.04.330(6), the election may be held only at a general election in an even-numbered year.

Sec. 15. RCW 84.52.135 and 2004 c 80 s 1 are each amended to read as follows:

(1) A county with a population of ninety thousand or less may impose additional regular property tax levies in an amount equal to fifty cents or less per thousand dollars of the assessed value of property in the county in accordance with the terms of this section.

(2) The tax proposition may be submitted at a general or special election. If the county holds its regular elections in even-numbered years under RCW 29A.04.330(6), the election may be held only at a general election in an even-numbered year.

(3) The tax may be imposed each year for six consecutive years when specifically authorized by the registered voters voting on the proposition, subject to the following:

(a) If the number of registered voters voting on the proposition does not exceed forty percent of the total number of voters voting in the taxing district at the last general election, the number of persons voting "yes" on the proposition shall constitute at least three-fifths of a number equal to forty percent of the total number of voters voting in the taxing district at the last general election.

(b) If the number of registered voters voting on the proposition exceeds forty percent of the total number of voters voting in the taxing district at the last preceding general election, the number of persons voting "yes" on the proposition shall be at

least three-fifths of the registered voters voting on the proposition.

(4) Ballot propositions shall conform with RCW 29A.36.210.

(5) Any tax imposed under this section shall be used exclusively for criminal justice purposes.

(6) The limitations in RCW 84.52.043 do not apply to the tax authorized in this section.

(7) The limitation in RCW 84.55.010 does not apply to the first tax levy imposed pursuant to this section following the approval of the levy by the voters pursuant to subsection (3) of this section."

Representative Bergquist moved the adoption of the striking amendment (877):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that people participating in their government is an essential part of developing public policy. Familiarizing students with their representative

government's policy development process increases social responsibility and civic awareness that will benefit them now as students and later as adults, while improving our state. The legislature further finds that policymakers can benefit from the input of students presently in our kindergarten through grade 12 school system and those attending a community or technical college, sharing insights and ideas on education and other issues affecting youth in our state. Therefore, the legislature intends to establish student councils, including 49 legislative district student councils each representing one legislative district to ensure proportional and geographical representation, to allow students to learn about and participate in our representative democracy and share policy ideas with their state elected officials.

NEW SECTION.

Sec. 2. (1) A legislative district student council is established in each legislative district. Legislative district student councils are informal nonpartisan advisory bodies that may examine issues affecting youth and education and make recommendations to the legislative youth advisory council on those issues.

(2) The office of the superintendent of public instruction shall select a statewide organization that provides leadership opportunities to students to complete the following tasks, consistent with the provisions of this act, by August 1, 2025:

(a) Develop processes and procedures that may be used to set up legislative district student councils;

(b) Contribute to the development of an application and selection process that may be used to select student members to serve on the council, including for the position of chair for each legislative district student council;

(c) Develop model practices regarding increasing student engagement; and

(d) Distribute information to students in qualifying schools about participating in a legislative district student council, including the application process and timeline.

(3) Each legislative district student council is composed of no more than seven student members as follows:

(a) One chair for each legislative district student council. The organization selected in subsection (2) of this section shall select the initial chairs for councils in legislative districts no later than October 1, 2025. Subsequent chairs shall be selected no later than June 1, 2027, and each June 1st every two years thereafter.

(b) One vice chair for each legislative district student council. The youth civic engagement council member from the respective legislative district shall serve as the vice chair for that district's legislative district student council.

(c) To the greatest extent possible, the Washington state school directors' association shall select up to two student board representatives from each legislative district who attend a qualifying school that

serves students in any of grades nine through 12 and are members of the Washington state school directors' association's student representatives network to be members in that district's legislative district student council.

(d)(i) At least three additional members who are under the age of 21 at the start of their term and attend either a qualifying school that serves students in any of grades nine through 12 or a community or technical college that is located within that student council's legislative district.

(ii) Factors to consider for selection of the members described in this subsection (3)(d) include:

(A) Balancing representation among the various grades, with at least one student being in grade 11 and one being in grade 12; and

(B) Selecting students who have demonstrated a commitment to civic education through current participation in another local youth council.

(iii)(A) For the selection of initial members described in this subsection (3)(d) for new legislative district student councils, a committee consisting of the chairs of each legislative district student council shall meet for the purpose of selecting members for each legislative district student council from the applications submitted. Initial members must be selected by November 15, 2025.

(B) Subsequent selection of members described in this subsection (3)(d) shall be the responsibility of each legislative district student council and must occur no later than October 1, 2027, and on October 1st every two years thereafter.

(4) To the greatest extent feasible, the members of each legislative district student council must attend either a qualifying school that serves students in any of grades nine through 12 or a community or technical college that is in their council's legislative district. If there are no applicants from a legislative district, eligible students who attend a qualifying school that serves students in any of grades nine through 12 or a community or technical college located in an adjacent legislative district may be selected for membership.

(5) Membership terms are as follows:

(a) Of the chairs initially selected, each chair shall serve two-year terms, except that students who are in grade 12 shall serve a one-year term but may serve the full two-year term if they attend a community or technical college within the student council's legislative district in the following year. The term of each subsequent chair shall be two years, and qualifying chairs may be selected for subsequent two-year terms.

(b) Of the members initially selected to serve on a legislative district student council, two members shall serve one-year terms, and all other members shall serve two-year terms. Members initially selected to serve on a legislative district student council who are in grade 12 shall serve a one-year term but may serve the full two-year term if they attend a community or technical college within the student council's legislative district in the

following year. The term of each subsequent eligible member shall be two years, and members may be selected for subsequent two-year terms.

(c) In the case of a vacancy, the selection of a student member to fill the remainder of an unexpired term must be conducted in the same manner as the original appointment.

(6) Each student council may not conduct more than four in-person meetings, with one of the in-person meetings occurring in person in Olympia on the day of youth civic education organized by the legislative youth advisory council, in collaboration with the student representative network, pursuant to RCW 43.15.095(6)(e). The student councils are encouraged to use technology, such as remote videoconferencing technology, to conduct additional virtual meetings.

(7) The legislature, any agency of the legislature, and any official or employee of such office or agency is immune from liability for any injury that is incurred by or caused by a member of the legislative district student council and that occurs while the member of the council is performing duties of the council. The immunity provided by this subsection does not apply to an injury intentionally caused by the act or omission of an employee or official of the office of the legislature or any agency of the legislature.

(8) When engaging in outreach and recruiting efforts to educate students and schools about opportunities to participate in a legislative district student council, and when creating an application and selection process as described in subsection (2) of this section, the lieutenant governor, the organization selected in subsection (2) of this section, and the Washington state school directors' association, as applicable, shall comply with the principles of the state pro-equity antiracism plan and playbook developed by the office of equity to bridge opportunity gaps, reduce disparities, and increase diversity of student membership.

(9) As used in this section:

(a) "Qualifying school" means a public school as defined in RCW 28A.150.010, a private school approved under chapter 28A.195 RCW, or home-based instruction as defined in RCW 28A.225.010.

(b) "Student board representative" has the same meaning as in section 4 of this act.

NEW SECTION.

Sec. 3.

(1) The organization selected in section 2(2) of this act shall, by December 31, 2025, and in compliance with RCW 43.01.036, submit a report to the legislature that details the following:

(a) The number of legislative district student councils that have been established pursuant to section 2 of this act;

(b) The legislative district of each legislative district student council;

(c) A list of schools represented on legislative district student councils;

(d) Grade levels represented on legislative district student councils; and

(e) The demographics of student members on each legislative district student council. The data must be disaggregated by categories listed in RCW 28A.642.010 and by legislative district student council.

(2) This section expires January 31, 2026.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.345 RCW to read as follows:

(1) The Washington state school directors' association shall form a student representative network to examine issues important to youth and engage student school board representatives in the legislative process.

(2) Subject to the supervision of the Washington state school directors' association, the duties of the student representative network are as follows:

(a) Advise the legislature through feedback and testimony on proposed and pending legislation, including policy matters relating to youth;

(b) Advise the standing committees of the legislature and study commissions, committees, and task forces through feedback and testimony on issues relating to youth;

(c) Collaborate with the legislative youth advisory council established under RCW 43.15.095 to organize an in-person annual day of youth civic education in Olympia;

(d) Develop and assemble resources for new and existing student board representatives;

(e) Provide writing, photos, and other content for the Washington state school directors' association publications in consultation with Washington state school directors' association staff;

(f) Collaborate with the Washington state school directors' association standing committees, advisory committees, task forces, and caucuses as invited; and

(g) Provide additional student voices at Washington state school directors' association events in consultation with Washington state school directors' association staff.

(3) When acting on behalf of the student representative network, advocacy position and policy recommendations from network members shall be in accordance with the Washington state school directors' association's approved positions. When acting on behalf of individual school districts, legislative district student councils, or the legislative youth advisory council established under RCW 43.15.095, advocacy positions and policy recommendations made by network members are considered independent from the Washington state school directors' association.

(4) In supporting the student representative network, the Washington state school directors' association shall provide network members with the ability to learn about education policy issues and determine best practices for establishing and supporting student councils. Additionally, the Washington state school directors' association shall facilitate a connection between network members and the legislators in their legislative districts.

(5) All student board representatives are members of the student representative network. The Washington state school directors' association shall engage in outreach annually to each school district to provide information about the student representative network. To the greatest extent feasible, the Washington state school directors' association shall identify at least one student board representative from each legislative district to participate in the student representative network. In legislative districts where there are no established student board representatives, the Washington state school directors' association shall communicate with school districts to create awareness of and share best practices about the role and to encourage participation.

(6) The Washington state school directors' association shall invite legislators to participate in the student representative network in an advisory capacity.

(7) The student representative network shall meet at least four times per year. The number of in-person meetings may not exceed four.

(8) The Washington state school directors' association, the legislature, any agency of the legislature, and any official or employee of such office or agency is immune from liability for any injury that is incurred by or caused by a member of the student representative network and that occurs while the member of the network is performing duties of the network or is otherwise engaged in activities or receiving services for which reimbursement is allowed under RCW 43.15.095(8). The immunity provided by this subsection does not apply to an injury intentionally caused by the act or omission of an employee or official of the Washington state school directors' association, the legislature, or any agency of the legislature.

(9) In compliance with RCW 43.01.036, the student representative network, in consultation and with the support of Washington state school directors' association staff, shall report on December 1st of each year to the appropriate committees of the legislature on the number of student board representatives in Washington and the activities of the network.

(10) As used in this section, "student board representative" means a student who is recognized by their local school board as a representative of the student body serving on that board.

Sec. 5. RCW 43.15.095 and 2022 c 96 s 6 are each amended to read as follows:

(1) The legislative youth advisory council is established to examine issues of importance to youth, including but not limited to education, employment, strategies to increase youth participation in state and municipal government, safe environments for youth, substance abuse, emotional and physical health, foster care, poverty, homelessness, and youth access to services on a statewide and municipal basis.

(2) The council consists of at least ~~((twenty-two))~~ 22 members as provided in this subsection who, at the time of appointment, are ~~((aged))~~ age ~~((fourteen to eighteen))~~ 14 to 18. The council shall select a chair from among its members.

(3) Members shall serve two-year terms and, if eligible, may be reappointed for subsequent two-year terms.

(4) (a) Students may apply annually to be considered for participation in the program by completing an online application form and submitting the application to the legislative youth advisory council. The council may develop selection criteria and an application review process. The council shall recommend candidates whose names will be submitted to the office of the lieutenant governor for final selection. The office of the lieutenant governor shall notify all applicants of the final selections.

(b) The office of the lieutenant governor shall make the application available on the lieutenant governor's website.

(5) Information about participating in the legislative youth advisory council, including the application process and timeline, shall be distributed by the Washington state school directors' association.

(6) Subject to the supervision of the office of the lieutenant governor, the council shall have the following duties:

(a) Advising the legislature on proposed and pending legislation, including state budget expenditures and policy matters relating to youth;

(b) Advising the standing committees of the legislature and study commissions, committees, and task forces regarding issues relating to youth;

(c) Conducting periodic seminars for its members regarding leadership, government, and the legislature;

(d) Accepting and soliciting for grants and donations from public and private sources to support the activities of the council; ~~((and))~~

(e) In coordination with the student representative network, organizing an in-person annual day of youth civic education in Olympia;

(f) In collaboration with the youth civic engagement caucus, organizing a virtual town hall meeting within the three-month period preceding the commencement of the legislative session; and

(g) Reporting annually by December 1st to the legislature on its activities, including proposed legislation that implements recommendations of the council.

~~((6))~~ (7) In carrying out its duties under this section, the council must meet at least three times per year. The council is encouraged to use technology, such as remote videoconferencing technology, to facilitate members' participation in meetings. The council is encouraged to invite local state legislators to participate in the meetings. The council is encouraged to poll other students in order to get a broad perspective on various policy issues. The council is encouraged to use technology to conduct polling.

~~((7))~~ (8) Members may be reimbursed as provided in RCW 43.03.050 and 43.03.060.

~~((8))~~ (9) The office of the lieutenant governor shall provide administration, supervision, and facilitation support to the council. In facilitating the program, the office of the lieutenant governor may collaborate with the Washington state leadership board established in RCW 43.388.010. The senate and house of representatives may provide policy and fiscal briefings and assistance with drafting proposed legislation. The senate and the house of representatives shall each develop internal policies relating to staff assistance provided to the council. Such policies may include applicable internal personnel and practices guidelines, resource use and expense reimbursement guidelines, and applicable ethics mandates. Provision of funds, resources, and staff, as well as the assignment and direction of staff, remains at all times within the sole discretion of the chamber making the provision.

~~((9))~~ (10) The office of the lieutenant governor, the legislature, any agency of the legislature, and any official or employee of such office or agency ~~((are))~~ is immune from liability for any injury that is incurred by or caused by a member of the legislative youth advisory council and that occurs while the member of the council is performing duties of the council or is otherwise engaged in activities or receiving services for which reimbursement is allowed under subsection ~~((7))~~ (8) of this section. The immunity provided by this subsection does not apply to an injury intentionally caused by the act or omission of an employee or official of the office of the lieutenant governor, the legislature, or any agency of the legislature.

NEW SECTION. Sec. 6. (1) A youth civic engagement caucus is established to examine issues of importance to youth, including but not limited to education, employment, strategies to increase youth participation in state and municipal government, safe environments for youth, substance abuse, emotional and physical health, foster care, poverty, homelessness, and youth access to services on a statewide and municipal basis.

(2) The office of the superintendent of public instruction shall select a statewide organization that provides leadership opportunities to students to create model processes and procedures that may be used to establish and maintain the youth civic engagement caucus. The model processes and procedures must be completed by September 1, 2025.

(3) Membership terms are as follows:

(a) The caucus consists of up to 49 members, with one member from each legislative district, who are sixth, seventh, or eighth grade students who attend a qualifying school, as defined in section 2 of this act, in the legislative district.

(b) The initial members on the caucus shall be equally balanced between sixth and seventh grade students to the greatest extent feasible. Sixth graders initially selected to the caucus shall serve three-year terms. Seventh graders initially selected to the caucus shall serve two-year

terms, commencing October 1, 2025. All students subsequently selected to the caucus shall serve two-year terms, commencing each June 1st every two years thereafter.

(4) Members of the caucus shall serve as the vice chair for the legislative district student council of the member's respective legislative district.

(5) The caucus shall advise the legislature on proposed and pending legislation, including policy matters relating to youth.

(6) In carrying out its duties under this section, the caucus must meet at least four times per year, including:

(a) Collaborating with the legislative youth advisory council to play an active role in organizing action day, the annual day of civic youth education in Olympia under RCW 43.15.095(6)(e); and

(b) Collaborating with the legislative youth advisory council to organize a virtual town hall meeting within the three-month period preceding the commencement of the legislative session.

(7) The caucus is encouraged to use technology, such as remote videoconferencing technology, to facilitate members' participation in meetings. The caucus is encouraged to invite local state legislators to participate in the meetings. The caucus is encouraged to poll other students in order to get a broad perspective on various policy issues. The caucus is encouraged to use technology to conduct polling.

(8) When engaging in outreach and recruiting efforts to educate students and schools about opportunities to participate in the youth civic engagement caucus, the lieutenant governor and the organization selected in subsection (2) of this section, as applicable, shall comply with the principles of the state pro-equity antiracism plan and playbook developed by the office of equity to bridge opportunity gaps, reduce disparities, and increase diversity of student membership.

SUBSTITUTE HOUSE BILL NO. 1248 was read the second time.

With the consent of the House, amendment (786) was withdrawn.

Representative Berg moved the adoption of the striking amendment (887):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that school bus drivers play a crucial role in ensuring students' safe passage to and from school, preventing absences, and extending a positive school climate beyond the classroom. By delivering this essential service, school bus drivers provide a significant time and convenience benefit to thousands of Washington families, remove cars from the road, reduce overall emissions, and increase traffic safety. However, a recent national survey revealed that 94 percent of bus contractors experience driver shortages, with 21 percent reporting their shortages as severe. With this act, the state of Washington intends to encourage the retention of bus drivers who provide vital services to local communities.

Sec. 2. RCW 28A.160.140 and 1990 c 33 s 140 are each amended to read as follows:

(1) As a condition of entering into a pupil transportation services contract with a private nongovernmental entity, each school district shall engage in an open competitive process at least once every five years. This requirement shall not be construed to prohibit a district from entering into a pupil transportation services contract of less than five years in duration with a district option to renew, extend, or terminate the contract, if the

district engages in an open competitive process at least once every five years after July 26, 1987.

(2)(a) A school district may only enter into, renew, or extend a pupil transportation services contract with a private nongovernmental entity if that entity provides the following to, or on behalf of, its employees who choose to opt in for coverage:

(i) An employer health benefits contribution equal to the employer payment dollar amount in effect for the first year of the contract for health care benefit rates (cockle rates), published annually by the health care authority, for the school employees' benefits board program for school employees; and

(ii) An amount equivalent to the salaries of the employees of the private nongovernmental entity multiplied by the employer normal cost contribution rate determined under the entry age cost method for the school employees' retirement system, as published in the most recent actuarial valuation report from the office of the state actuary for the first year of the contract.

(b) All pupil transportation service contracts entered into or modified after the effective date of this section must include a detailed explanation of any contract cost increase by year, expenditure type, and amount, including any increases in cost that result from providing the benefits required under this section.

(3) As used in this section:

~~((1+))~~(a) "Employees" means in-state employees of the private nongovernmental entity working sufficient compensated hours performing services pursuant to the contract with the school district to meet the eligibility requirements for the school employees' benefits board program if the employees were directly employed by a school district;

(b) "Open competitive process" means either one of the following, at the choice of the school district:

~~((+))~~(i) The solicitation of bids or quotations and the award of contracts under RCW 28A.335.190; or

~~((b))~~(ii) The competitive solicitation of proposals and their evaluation consistent with the process and criteria recommended or required, as the case may be, by the office of financial management for state agency acquisition of personal service contractors;

~~((2))~~(c) "Pupil transportation services contract" means a contract for the operation of privately owned or school district owned school buses, and the services of drivers or operators, management and supervisory personnel, and their support personnel such as secretaries, dispatchers, and mechanics, or any combination thereof, to provide students with transportation to and from school on a regular basis; and

~~((3))~~(d) "School bus" means a motor vehicle as defined in RCW 46.04.521 and under the rules of the superintendent of public instruction.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.160 RCW to read as follows:

(1) A school district that experiences an increase in costs to a pupil transportation services contract as compared to prior year contract costs as a result of the provisions in RCW 28A.160.140 is eligible for supplemental transportation allocations as described in this section.

(2) Beginning September 1, 2024, school districts that provide pupil transportation through a contract with a nongovernmental entity under RCW 28A.160.140 must annually provide the office of the superintendent of public instruction with the following information:

(a) A breakdown of the total contract cost increase, including a detailed explanation of the increase by expenditure type demonstrating dollar equivalency as required in RCW 28A.160.140(2)(a)(i) and percentage equivalency as required in RCW 28A.160.140(2)(a)(ii), as defined by the office of the superintendent of public instruction, and amount;

(b) A breakdown of cost from the contractor that shows the cost to provide health care and pension benefits to employees prior to the effective date of this section and the cost to provide health care and pension benefits to employees after the implementation of benefits as described in RCW 28A.160.140;

(c) The amount of funding received through transportation allocations under RCW 28A.160.150 through 28A.160.192 prior to the implementation of school employee benefits under chapter 41.05 RCW and the amount of funding received through the same transportation allocations for the period immediately following the implementation of school employee benefits under chapter 41.05 RCW, to determine the amount of funding for health care that is already being included in allocations.

(3) The office of the superintendent of public instruction may suspend the reporting requirements under subsection (2) of this section on or after September 1, 2027, for districts that do not request supplemental transportation allocations under this section.

(4) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction must reimburse a school district for the increased cost that is directly attributable to increased benefits as required under this act, using the following formula: The total contract cost increase, less any amounts not attributable to benefits required under RCW 28A.160.140, less the amount the allocation was increased based on the actual cost increase through the transportation funding formula."

Correct the title.

Representative Walsh moved the adoption of amendment (890) to the striking amendment (887):

On page 1, beginning on line 3 of the striking amendment, strike all material through the end of the striking amendment and insert the following:

" **NEW SECTION. Sec. 1.** A new section is added to chapter 28A.160 RCW to read as follows:

(1) The superintendent of public instruction must provide transportation safety net awards to school districts with a convincingly demonstrated need for additional transportation funding for special passengers. Transportation safety net awards shall only be provided when a school district's allowable transportation expenditures attributable to serving special passengers exceeds the amount provided under RCW 28A.160.180 and any excess transportation costs reimbursed by federal, state, tribal, or local child welfare agencies.

(2) For the purposes of this section, "special passengers" include:

(a) Students eligible for and receiving special education that require transportation as a related service of their individualized education program;

(b) Homeless students requiring transportation under the McKinney-Vento act, reauthorized as Title X, Part C, of the no child left behind act, P.L. 107-110, in January 2002; and

(c) Foster students receiving transportation as required under section 1112(c)(5)(B) of the every student succeeds act, P.L. 114-95.

(3) To be eligible for additional transportation safety net award funding, the school district must report, in accordance with statewide accounting guidance, the amount of the excess costs and the specific activities or services provided to special passengers that created the excess costs.

(4) The superintendent of public instruction must establish rules and processes for transportation safety net applications and awards. The omnibus appropriations act must specify the total amount available for transportation safety net awards. Total awards may not exceed the amount appropriated. The superintendent of public instruction must submit to the office of financial management, and the education and fiscal committees of the legislature, the total demonstrated need and awards by school district.

(5) Charter schools established under chapter 28A.710 RCW and state-tribal compact schools established under chapter 28A.715 RCW are eligible for awards under this section.

(6) Transportation safety net awards allocated under this section are not part of the state's program of basic education.

Sec. 2. RCW 28A.160.193 and 2018 c 266 s 103 are each amended to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, a transportation alternate funding grant program is created.

(2) As part of the award process for the grants, the superintendent of public instruction must include a review of the school district's efficiency rating, key performance indicators, and local school district characteristics such as unique geographic constraints, low enrollment, geographic density of students, ((the

~~percentage of students served under the McKinney-Vento homeless assistance act from outside the district,)) or whether the district is a nonhigh district."~~

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1371, by House Committee on Finance (originally sponsored by Barkis, Leavitt, Orcutt, Fey, Barnard, Chapman, Low, Connors, Goehner, Chambers, Chandler, Couture, Griffey, Hutchins, Robertson, Volz, Walsh, Christian, Doglio, Schmick and Gregerson)

Providing incentives to improve freight railroad infrastructure.

The bill was read the third time.

There being no objection, the rules were suspended, and ENGROSSED SUBSTITUTE HOUSE BILL NO. 1371 was returned to second reading for the purpose of amendment.

Representative Barkis moved the adoption of the striking amendment (783):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that railroads play a crucial role in economic development, serving nearly every industrial, wholesale, retail, and resource-based sector in Washington's economy. The legislature further finds that freight railroad infrastructure is an essential link in the supply chain and provides an efficient way to connect Washington's economy to national and international markets. The legislature further finds that maintenance and improvements to the railroad system are needed to support modern 286,000 pound railcars, foster economic development, increase infrastructure resiliency, avoid supply chain disturbances, and meet carbon reduction goals for transportation greenhouse gases. The legislature intends to provide incentives to the rail industry that can lead to a more effective short line rail system.

NEW SECTION. Sec. 2. A new section is added to chapter 82.04 RCW to read as follows:

(1) A credit is allowed against taxes due under this chapter for expenditures made by an eligible taxpayer pursuant to subsection (2) of this section. The credit is subject to a maximum annual credit amount set forth in subsection (3) of this section.

(2) Qualified expenditures incurred by an eligible taxpayer may be used to generate a credit for the following amounts:

(a) For qualified short line railroad maintenance expenditures, a credit is allowed against the taxes due under this chapter in an amount equal to 50 percent of the qualified short line railroad maintenance expenditures. The amount of the credit earned in a calendar year may not exceed an amount equal to \$3,500 multiplied by the number of miles of railroad track owned or leased in the state by the eligible taxpayer as of the close of the calendar year.

(b) For qualified new rail development expenditures, a credit is allowed against the taxes due under this chapter in an amount equal to 50 percent of the new rail development expenditures of an eligible taxpayer.

(c) For qualified railroad modernization and rehabilitation expenditures, a credit is allowed against the taxes due under this chapter in an amount equal to 50 percent of the qualified railroad modernization and rehabilitation expenditures by an eligible taxpayer.

(3) The total credit amount approved under subsection (2) of this section and section 6(2) of this act may not exceed \$1,000,000 for each eligible taxpayer in a calendar year. Credits are available on a first-in-time basis. The department must disallow any credits, or portions thereof, that would cause the total amount of credits approved under subsection (2) of this section and section 6(2) of this act to exceed \$15,000,000 during any calendar year.

(4) The credit claimed may not exceed the tax that would otherwise be due under this chapter. Refunds may not be granted in the place of credits. Any amount of credit earned under this section not claimed by the taxpayer in one calendar year may be carried forward for no more than five calendar years immediately following the year that the credit was earned.

(5)(a) An eligible taxpayer may transfer all or a portion of the credit approved under this section to any taxpayer subject to the tax imposed under this chapter at any time during the calendar year in which the credit is approved by the department and for five calendar years following the year that the credit is approved.

(b) To transfer all or any portion of an approved credit, the taxpayer originally allowed the credit, and the subsequent transferee, must jointly file a credit transfer application with the department. The application must include:

(i) The names, addresses, and taxpayer identification numbers of the parties to the transfer;

(ii) The amount of the credit being transferred;

(iii) The year the credit was originally approved by the department for use by the transferring taxpayer;

(iv) The tax year or years for which the credit may be claimed; and

(v) Any other information or documents the department may require.

(c) No credit or portion thereof may be transferred more than once.

(6) The department must administer the credit. To claim or transfer a credit under this section, the taxpayer applying must

complete an application for credit based on qualified expenditures incurred by the eligible taxpayer the previous calendar year. The department must rule on applications within 60 days of receipt. The department may extend the time of processing an application upon notice to the taxpayer and by providing the taxpayer an explanation on why the application processing cannot be completed on time.

(7) For purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Eligible taxpayer" means:

(i) Any railroad subject to the tax under this chapter that is classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024;

(ii) Any railroad owned by a port, city, or county in the state of Washington; or

(iii) Any owner or lessee of rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(c) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(d) "Qualified new rail development expenditures" means expenditures for new rail development by an eligible taxpayer, which includes the construction of new track, industrial leads, switches, industrial spurs, sidings, rail loading docks, and transloading structures involved with providing rail services to new customer locations or existing customer expansions in the state by an eligible taxpayer.

(e) "Qualified railroad modernization and rehabilitation expenditures" means expenditures by an eligible taxpayer to upgrade less than 90 pound rail and switches, 286,000 pound capacity rail upgrades to the mainline track, rail and tie replacement projects, track capacity enhancements, bridge rehabilitation or bridge replacement projects, natural disaster projects, or other track-related projects determined to enhance or modernize the existing track infrastructure in the state by an eligible taxpayer.

(f) "Qualified short line railroad maintenance expenditures" means expenditures for railroad infrastructure maintenance including, but not limited to, rail, ties, tie plates, joint bars, fasteners, switches, ballast, subgrade, roadbed, bridges, industrial leads, sidings, signs, safety barriers, crossing signals and gates, and related track structures owned or leased by a class II or class III railroad.

(g) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(8) Qualified expenditures, as defined in subsection (7)(d), (e), and (f) of this section, do not include expenditures used to generate a federal tax credit or expenditures funded by a state or federal grant.

(9) This section does not apply to class I railroads or short line railroads owned by a class I railroad or any of its subsidiaries.

(10) No person may claim a credit against taxes due under both this chapter and chapter 82.16 RCW for the same qualified expenditures.

(11) To claim a credit under this chapter, a taxpayer must electronically file with the department all returns, forms, and other information the department requires in an electronic format as provided and approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. For purposes of this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(12) The ability to earn credits for qualifying expenditures under this section expires January 1, 2036. No credit may be claimed on tax returns filed for reporting periods beginning on or after January 1, 2042.

NEW SECTION. Sec. 3. A new section is added to chapter 82.04 RCW to read as follows:

(1) Any company that recycles railroad material is eligible for a credit as provided in this section if, on or after the effective date of this section, the company transfers to an eligible taxpayer rail, ties, tie plates, joint bars, fasteners, switches, ballast, or other equipment or materials that are part of the rail infrastructure to be installed on tracks used by class II and class III railroads.

(2) The credit is equal to the fair market value of the donated materials used for track maintenance, expansion, or modernization. Materials must be given to a qualifying recipient without consideration to receive a credit. The department must provide in rule a standard for determining the fair market value of donated materials under this section.

(3)(a) A company that recycles railroad material may transfer all or a portion of the credit earned under this section to any taxpayer subject to the tax imposed under this chapter at any time during the year in which the credit is earned and five years following the year that the credit is earned.

(b) To transfer all or any portion of a credit earned, the taxpayer originally allowed the credit and the subsequent transferee must jointly file a credit transfer application with the department. The application must include:

(i) The names, addresses, and taxpayer identification numbers of the parties to the transfer;

(ii) The amount of the credit being transferred;

(iii) The year the credit was originally earned by the transferring taxpayer;

(iv) The tax year or years for which the credit may be claimed; and

(v) Any other information or documents the department may require.

(c) No credit or portion thereof may be transferred more than once.

(d) No credit transfer applications under (b) of this subsection (3) may be submitted for qualifying materials donated after December 31, 2036.

(4) The department must administer the credit.

(5) The credit claimed may not exceed the tax that would otherwise be due under this chapter. Refunds may not be granted in the place of credits. Any amount of credit earned under this section not claimed by the person in one calendar year may be carried forward for no more than five calendar years immediately following the year that the credit was earned.

(6) For purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Eligible taxpayer" means:

(i) Any railroad subject to the tax under this chapter that is classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024;

(ii) Any railroad owned by a port, city, or county in the state of Washington; or

(iii) Any owner or lessee of rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(c) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(d) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(7) Credit under this section may not be earned for donations to short line railroads owned by a class I railroad or any of its subsidiaries.

(8) No person may claim a credit against taxes due under both this chapter and chapter 82.16 RCW for the same donated materials.

(9) To claim a credit under this chapter, a person must electronically file with the department all returns, forms, and other information the department requires in an electronic format as provided and approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. For purposes of this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(10) The ability to earn credits for qualifying expenditures under this section expires January 1, 2036. No credit may be claimed on tax returns filed for reporting periods beginning on or after January 1, 2042.

NEW SECTION. Sec. 4. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of materials required for track maintenance to:

(a) Owners and operators of class II or class III railroads;

(b) Any railroad or freight rail facility owned by a port, city, or county in the state of Washington; or

(c) Any owner or lessee of a rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(2) Sellers making tax-exempt sales under this section must obtain an exemption certificate from the buyer in a form and manner prescribed by the department. The seller must retain a copy of the exemption certificate for the seller's files. Instead of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

(3) For the purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Class II or class III railroad" means railroads that are classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(c) "Freight rail facilities" means the infrastructure used to transport freight by rail, specifically to rail yards, terminals, sidings, and marshalling yards that play an important role in the transportation and distribution and shipping of goods over long distances.

(d) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(e) "Materials required for track maintenance" means the following items when used for purposes of track maintenance: Rail, ties, tie plates, joint bars, fasteners, switches, ballast, subgrade, roadbed, bridges, industrial leads, sidings, signs, safety barriers, crossing signals and gates, and track.

(f) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(4) This section does not apply to class I railroads or short line railroads owned by

a class I railroad or any of its subsidiaries.

(5) This section expires January 1, 2036.

NEW SECTION. Sec. 5. A new section is added to chapter 82.12 RCW to read as follows:

(1) The provisions of this chapter do not apply to the use of materials required for track maintenance by:

(a) Owners and operators of class II or class III railroads;

(b) Any railroad or freight rail facility owned by a port, city, or county in the state of Washington; or

(c) Any owner or lessee of a rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(2) For purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Class II or class III railroad" means railroads that are classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(c) "Freight rail facilities" means the infrastructure used to transport freight by rail, specifically to rail yards, terminals, sidings, and marshalling yards that play an important role in the transportation and distribution and shipping of goods over long distances.

(d) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(e) "Materials required for track maintenance" has the same meaning as in section 4 of this act.

(f) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(3) This section does not apply to class I railroads or short line railroads owned by a class I railroad or any of its subsidiaries.

(4) This section expires January 1, 2036.

NEW SECTION. Sec. 6. A new section is added to chapter 82.16 RCW to read as follows:

(1) A credit is allowed against taxes due under this chapter for expenditures made by an eligible taxpayer pursuant to subsection (2) of this section. The credit is subject to a maximum annual credit amount set forth in subsection (3) of this section.

(2) Qualified expenditures incurred by an eligible taxpayer may be used to generate a credit for the following amounts:

(a) For qualified short line railroad maintenance expenditures, a credit is allowed against the taxes due under this

chapter in an amount equal to 50 percent of the qualified short line railroad maintenance expenditures. The amount of the credit earned in a calendar year may not exceed an amount equal to \$3,500 multiplied by the number of miles of railroad track owned or leased in the state by the eligible taxpayer as of the close of the calendar year.

(b) For qualified new rail development expenditures, a credit is allowed against the taxes due under this chapter in an amount equal to 50 percent of the new rail development expenditures of an eligible taxpayer.

(c) For qualified railroad modernization and rehabilitation expenditures, a credit is allowed against the taxes due under this chapter in an amount equal to 50 percent of the qualified railroad modernization and rehabilitation expenditures by an eligible taxpayer.

(3) The total credit amount approved under subsection (2) of this section and section 2(2) of this act may not exceed \$1,000,000 for each eligible taxpayer in a calendar year. Credits are available on a first-in-time basis. The department must disallow any credits, or portions thereof, that would cause the total amount of credits approved under subsection (2) of this section and section 2(2) of this act to exceed \$15,000,000 during any calendar year.

(4) The credit claimed may not exceed the tax that would otherwise be due under this chapter. Refunds may not be granted in the place of credits. Any amount of credit earned under this section not claimed by the taxpayer in one calendar year may be carried forward for no more than five calendar years immediately following the year that the credit was earned.

(5)(a) An eligible taxpayer may transfer all or a portion of the credit approved under this section to any taxpayer subject to the tax imposed under this chapter at any time during the calendar year in which the credit is approved by the department and five calendar years following the year that the credit is approved.

(b) To transfer all or any portion of an approved credit, the taxpayer originally allowed the credit and the subsequent transferee must jointly file a credit transfer application with the department. The application must include:

(i) The names, addresses, and taxpayer identification numbers of the parties to the transfer;

(ii) The amount of the credit being transferred;

(iii) The year the credit was originally approved by the department for use by the transferring taxpayer;

(iv) The tax year or years for which the credit may be claimed; and

(v) Any other information or documents the department may require.

(c) No credit or portion thereof may be transferred more than once.

(6) The department must administer the credit. To claim or transfer a credit under this section, the taxpayer applying must complete an application for credit based on qualified expenditures incurred by the eligible taxpayer the previous calendar

year. The department must rule on applications within 60 days of receipt. The department may extend the time of processing any application upon notice to the taxpayer and by providing the taxpayer an explanation on why the application processing cannot be completed on time.

(7) For the purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Eligible taxpayer" means:

(i) Any railroad subject to the tax under this chapter that is classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024;

(ii) Any railroad owned by a port, city, or county in the state of Washington; or

(iii) Any owner or lessee of rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(c) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(d) "Qualified new rail development expenditures" means expenditures for new rail development by an eligible taxpayer, which includes the construction of new track, industrial leads, switches, industrial spurs, sidings, rail loading docks, and transloading structures involved with providing rail services to new customer locations or existing customer expansions in the state by an eligible taxpayer.

(e) "Qualified railroad modernization and rehabilitation expenditures" means expenditures by an eligible taxpayer to upgrade less than 90 pound rail and switches, 286,000 pound capacity rail upgrades to the mainline track, rail and tie replacement projects, track capacity enhancements, bridge rehabilitation or bridge replacement projects, natural disaster projects, or other track-related projects determined to enhance or modernize the existing track infrastructure in the state by an eligible taxpayer.

(f) "Qualified short line railroad maintenance expenditures" means expenditures for railroad infrastructure maintenance including, but not limited to, rail, ties, tie plates, joint bars, fasteners, switches, ballast, subgrade, roadbed, bridges, industrial leads, sidings, signs, safety barriers, crossing signals and gates, and related track structures owned or leased by a class II or class III railroad.

(g) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(8) Qualified expenditures, as defined in subsection (7)(d), (e), and (f) of this section, do not include expenditures used to generate a federal tax credit or

expenditures funded by a state or federal grant.

(9) This section does not apply to class I railroads or short line railroads owned by a class I railroad or any of its subsidiaries.

(10) No person may claim a credit against taxes due under both this chapter and chapter 82.04 RCW for the same qualified expenditures.

(11) To claim a credit under this chapter, a taxpayer must electronically file with the department all returns, forms, and other information the department requires in an electronic format as provided and approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. For purposes of this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(12) The ability to earn credits for qualifying expenditures under this section expires January 1, 2036. No credit may be claimed on tax returns filed for reporting periods beginning on or after January 1, 2042.

NEW SECTION. Sec. 7. A new section is added to chapter 82.16 RCW to read as follows:

(1) Any company that recycles railroad material is eligible for a credit as provided in this section if, on or after the effective date of this section, the company transfers to an eligible taxpayer rail, ties, tie plates, joint bars, fasteners, switches, ballast, or other equipment or materials that are part of the rail infrastructure to be installed on tracks used by class II and class III railroads.

(2) The credit is equal to the fair market value of the donated materials used for track maintenance, expansion, or modernization. Materials must be given to a qualifying recipient without consideration to receive a credit. The department must provide in rule a standard for determining the fair market value of donated materials under this section.

(3)(a) A company that recycles railroad material may transfer all or a portion of the credit earned under this section to any taxpayer subject to the tax imposed under this chapter at any time during the year in which the credit is earned and five years following the year that the credit is earned.

(b) To transfer all or any portion of a credit earned, the taxpayer originally allowed the credit and the subsequent transferee must jointly file a credit transfer application with the department. The application must include:

(i) The names, addresses, and taxpayer identification numbers of the parties to the transfer;

(ii) The amount of the credit being transferred;

(iii) The year the credit was originally earned by the transferring taxpayer;

(iv) The tax year or years for which the credit may be claimed; and

(v) Any other information or documents the department may require.

(c) No credit or portion thereof may be transferred more than once.

(d) No credit transfer applications under (b) of this subsection (3) may be submitted for qualifying materials donated after December 31, 2036.

(4) The department must administer the credit.

(5) The credit claimed may not exceed the tax that would otherwise be due under this chapter. Refunds may not be granted in the place of credits. Any amount of credit earned under this section not claimed by the person in one calendar year may be carried forward for no more than five calendar years immediately following the year that the credit was earned.

(6) For purposes of this section, the following definitions apply:

(a) "Class I railroad" means a railroad that is classified by the United States surface transportation board as a class I railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024.

(b) "Eligible taxpayer" means:

(i) Any railroad subject to the tax under this chapter that is classified by the United States surface transportation board as a class II or class III railroad, as defined in 49 C.F.R. Sec. 1201.1-1(a), as in effect on January 1, 2024;

(ii) Any railroad owned by a port, city, or county in the state of Washington; or

(iii) Any owner or lessee of rail siding, industrial spur, or industry track, if the rail siding, industrial spur, or industry track is located on or adjacent to a class II or class III railroad in the state of Washington.

(c) "Industrial spur" means a secondary track used by railroads and customers at a location to load and unload railcars without interfering with other railroad operations.

(d) "Siding" means a short section of track, distinct from a mainline, branch line, or spur, connected by switches to a main track and used for storage, passing, or other purposes.

(7) Credit under this section may not be earned for donations to short line railroads owned by a class I railroad or any of its subsidiaries.

(8) No person may claim a credit against taxes due under both this chapter and chapter 82.04 RCW for the same donated materials.

(9) To claim a credit under this chapter, a person must electronically file with the department all returns, forms, and other information the department requires in an electronic format as provided and approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. For purposes of this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(10) The ability to earn credits for qualifying expenditures under this section expires January 1, 2036. No credit may be claimed on tax returns filed for reporting

periods beginning on or after January 1, 2042.

NEW SECTION. Sec. 8. (1) This section is the tax preference performance statement for the tax preferences contained in chapter . . . , Laws of 2024 (this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes the tax preferences in this act as ones intended to accomplish a general purpose, as indicated in RCW 82.32.808(2)(f).

(3) It is the legislature's specific public policy objective to promote economic development and reduce impacts of freight transportation on roads and the environment.

(4) In conducting its review under this section, the joint legislative audit and review committee should consider, among other measures:

(a) The total miles capable of transporting 286,000 pound railcars;

(b) The number of miles of track rehabilitated to 90 pound rail or greater;

(c) The number of ties replaced;

(d) The amount of ballast replaced;

(e) The number of bridges returned from out of service or able to operate heavier loaded equipment;

(f) The number of switches installed;

(g) Any related safety benefits of addressing at-grade crossings;

(h) The number of rail cars from increased economic activity;

(i) Any improvement in federal railroad administration track classification designation up to and including class II track and the ability to operate at greater speeds;

(j) The amount of steel or ties made obsolete pursuant to section 2 of this act that are reused by a class II or class III railroad, as defined in section 5 of this act, within Washington;

(k) The number of prevailing wage jobs associated with new rail development, modernization, and rehabilitation projects by taxpayers using the tax preferences under this act; and

(l) The number of additional rail cars utilizing class I railroads as a result of new development, modernization, and rehabilitation projects by taxpayers using the tax preferences under this act.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

NEW SECTION. Sec. 9. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2024, in the omnibus appropriations act, this act is null and void.

NEW SECTION. **Sec. 10.** Sections 4, 5, and 8 of this act take effect August 1, 2024.

NEW SECTION. **Sec. 11.** Sections 3 and 7 of this act take effect July 1, 2025.

NEW SECTION. **Sec. 12.** Sections 2 and 6 of this act take effect January 1, 2025."

Correct the title.

Representative Barkis moved the adoption of amendment (882) to the striking amendment (783):

On page 6, beginning on line 39 of the striking amendment, after "credits" strike "for qualifying expenditures under this section expires January 1, 2036" and insert "under this section expires January 1, 2037"

On page 14, beginning on line 28 of the striking amendment, after "credits" strike "for qualifying expenditures under this section expires January 1, 2036" and insert "under this section expires January 1, 2037"

Representatives Barkis and Leavitt spoke in favor of the adoption of the amendment to the striking amendment.
