CHAPTER 224.

[H. B. 541.]

PREVENTING UNFAIR TRADE PRACTICES IN APPLE INDUSTRY.

AN ACT relating to the apple industry; providing the public policy of this state; declaring and prohibiting unfair trade practices and preventing frauds; defining terms; providing for certain orders and marketing agreements and the terms thereof; prescribing the powers and duties of the Director of Agriculture and the making of rules and regulations; establishing and delineating the powers and duties of the Washington apple marketing board; providing for the enforcement of this act; prescribing penalties; and declaring an emergency.

*Be it enacted by the Legislature of the State of Washington:*

Apple industry affected with a public interest.

SECTION 1. The present acute economic emergency in the apple industry is, in part, the consequence of the severe and increasing disparity between the prices for which apples can be sold and the increased cost of producing them, which disparity has largely destroyed the purchasing power of
