(1) Whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission shall have power, either upon its own motion or upon complaint, upon notice, to enter upon a hearing concerning such proposed change and the reasonableness and justness thereof, and pending such hearing and the decision thereon the commission may suspend the operation of such rate, charge, rental or toll for a period not exceeding ten months from the time the same would otherwise go into effect, and after a full hearing the commission may make such order in reference thereto as would be provided in a hearing initiated after the same had become effective. The commission shall not suspend a tariff that makes a decrease in a rate, charge, rental, or toll filed by a telecommunications company pending investigation of the fairness, justness, and reasonableness of the decrease when the filing does not contain any offsetting increase to another rate, charge, rental, or toll and the filing company agrees to not file for an increase to any rate, charge, rental, or toll to recover the revenue deficit that results from the decrease for a period of one year. The filing company shall file with any decrease sufficient information as the commission by rule may require to demonstrate the decreased rate, charge, rental, or toll is above the long run incremental cost of the service. A tariff decrease that results in a rate that is below long run incremental cost, or is contrary to commission rule or order, or the requirements of this chapter, shall be rejected for filing and returned to the company. The commission may prescribe a different rate to be effective on the prospective date stated in its final order after its investigation, if it concludes based on the record that the originally filed and effective rate is unjust, unfair, or unreasonable.

For the purposes of this section, tariffs for the following telecommunications services, that temporarily waive or reduce charges for existing or new subscribers for a period not to exceed sixty days in order to promote the use of the services shall be considered tariffs that decrease rates, charges, rentals, or tolls:

- (a) Custom calling service;
- (b) Second access lines; or
- (c) Other services the commission specifies by rule.

The commission may suspend any promotional tariff other than those listed in (a) through (c) of this subsection.

The commission may suspend the initial tariff filing of any water company removed from and later subject to commission jurisdiction because of the number of customers or the average annual gross revenue per customer provisions of RCW 80.04.010. The commission may allow temporary rates during the suspension period. These rates shall not exceed the rates charged when the company was last regulated. Upon a showing of good cause by the company, the commission may establish a different level of temporary rates.

(2) At any hearing involving any change in any schedule, classification, rule or regulation the effect of which is to increase any rate, charge, rental or toll theretofore charged, the burden of proof to show that such increase is just and reasonable shall be upon the public service company.

(3) The implementation of mandatory local measured telecommunications service is a major policy change in available telecommunications service. The commission shall not accept for filing or approve, prior to June 1, 1998, a tariff filed by a telecommunications company which imposes mandatory local measured service on any customer or class of customers, except that, upon finding that it is in the public interest, the commission may accept for filing and approve a tariff that imposes mandatory measured service for a telecommunications company's extended area service or foreign exchange service. This subsection does not apply to land, air, or marine mobile service, or to pay telephone service, or to any service which has been traditionally offered on a measured service basis.

(4) The implementation of Washington telephone assistance program service is a major policy change in available telecommunications service. The implementation of Washington telephone assistance program service will aid in achieving the stated goal of universal telephone service.

(5) If a utility claims a sales or use tax exemption on the pollution control equipment for an electrical generation facility and abandons the generation facility before the pollution control equipment is fully depreciated, any tariff filing for a rate increase to recover abandonment costs for the pollution control equipment shall be considered unjust and unreasonable for the purposes of this section.

NEW SECTION. Sec. 15. The department of revenue and the department of ecology may adopt rules to implement this act.

NEW SECTION. Sec. 16. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 17. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "1975;" strike the remainder of the title and insert "amending RCW 43.79A.040 and 80.04.130; adding new sections to chapter 82.08 RCW; adding new sections to chapter 82.12 RCW; adding new sections to chapter 82.32 RCW; adding a new section to chapter 70.94 RCW; adding a new section to chapter 84.36 RCW; adding a new section to chapter 50.12 RCW; creating new sections; providing an expiration date; and declaring an emergency."

#### MESSAGE FROM THE SENATE

April 10, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1261 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that many businesses have difficulty applying the small business credit under RCW 82.04.4451. Further, the legislature appreciates the valuable time and resources small businesses expend on calculating the amount of credit based upon a statutory formula. For the purpose of tax simplification, it is the intent of this act to direct the department of revenue to create a schedule, in standard increments, to replace required calculations for the small business credit. Each taxpayer can make reference to the taxpayer's tax range on the schedule and find the amount of the taxpayer's small business credit. Further, no taxpayer will owe a greater amount of tax nor will any taxpayer be responsible for a greater amount of taxes otherwise due.

**Sec. 2.** RCW 82.04.4451 and 1994 sp.s. c 2 s 1 are each amended to read as follows:

(1) In computing the tax imposed under this chapter, a credit is allowed against the amount of tax otherwise due under this chapter, as provided in this section. The maximum credit for a taxpayer for a reporting period is thirty-five dollars multiplied by the number of months in the reporting period, as determined under RCW 82.32.045.

(2) When the amount of tax otherwise due under this chapter is equal to or less than the maximum credit, a credit is allowed equal to the amount of tax otherwise due under this chapter.

(3) When the amount of tax otherwise due under this chapter exceeds the maximum credit, a reduced credit is allowed equal to twice the maximum credit, minus the tax otherwise due under this chapter, but not less than zero.

(4) The department may prepare a tax credit table consisting of tax ranges using increments of no more than five dollars and a corresponding tax credit to be applied to those tax ranges. The table shall be prepared in such a manner that no taxpayer will owe a greater amount of tax by using the table than would be owed by performing the calculation under subsections (1) through (3) of this section. A table prepared by the department under this subsection shall be used by all taxpayers in taking the credit provided in this section."

On page 1, line 2 of the title, after "credit;" strike the remainder of the title and insert "amending RCW 82.04.4451; and creating a new section."

#### MESSAGE FROM THE SENATE

April 14, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1272 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds:

- (1) Voluntary water transfers between water users can reallocate water use in a manner that will result in more efficient use of water resources;
- (2) Voluntary water transfers can help alleviate water shortages, save capital outlays, reduce development costs, and provide an incentive for investment in water conservation efforts by water right holders; and
- (3) The state should expedite the administrative process for noncontested water transfers among water right holders, conveying greater operational control to water managers and water right holders.

**NEW SECTION. Sec. 2.** The following definitions apply throughout this chapter, unless the context clearly requires otherwise.

- (1) "Board" means a water conservancy board created under this chapter.
- (2) "Commissioner" means a member of a water conservancy board.
- (3) "Department" means the department of ecology.
- (4) "Director" means the director of the department of ecology.

**NEW SECTION. Sec. 3.** (1) The county legislative authority of a county may create a water conservancy board, subject to approval by the director, for the purpose of expediting voluntary water transfers within the county.

(2) A water conservancy board may be initiated by: (a) A resolution of the county legislative authority; (b) a resolution presented to the county legislative authority calling for the creation of a board by the legislative authority of an irrigation district, public utility district that operates a public water system, a reclamation district, a city operating a public water system, or a water-sewer district that operates a public water system; (c) a resolution by the governing body of a cooperative or mutual corporation that operates a public water system serving one hundred or more accounts; (d) a petition signed by five or more water rights holders, including their addresses, who divert water for use within the county; or (e) any combination of (a) through (d) of this subsection. The resolution or petition must state the need for the board, include proposed bylaws or rules and procedures that will govern the operation of the board, identify the geographic boundaries where there is an initial interest in transacting water sales or transfers, and describe the proposed method for funding the operation of the board.

(3) After receiving a resolution or petition to create a board, a county legislative authority shall determine its sufficiency. If the county legislative authority finds that the resolution or petition is sufficient, or if the county is initiating the creation of a board upon its own motion, it shall hold at least

one public hearing on the proposed creation of the board. Notice of the hearing shall be published at least once in a newspaper of general circulation in the county not less than ten days nor more than thirty days before the date of the hearing. The notice shall describe the time, date, place, and purpose of the hearing, as well as the purpose of the board. Following the hearing, the county legislative authority may adopt a resolution approving the creation of the board if it finds that the board's creation is in the public interest.

**NEW SECTION. Sec. 4.** (1) The county legislative authority shall forward a copy of the resolution or petition calling for the creation of the board, a copy of the resolution approving the creation of the board, and a summary of the public testimony presented at the public hearing to the director following the adoption of the resolution calling for the board's creation.

(2) The director shall approve or deny the creation of a board within forty-five days after the county legislative authority has submitted all information required under subsection (1) of this section. The director must determine whether the creation of the board would further the purposes of this chapter and is in the public interest. The director shall include a description of the necessary training requirements for commissioners in the notice of approval sent to the county legislative authority.

**NEW SECTION. Sec. 5.** The director of the department may, as deemed necessary by the director, adopt rules in accordance with chapter 34.05 RCW necessary to carry out this chapter, including minimum requirements for the training and continuing education of commissioners. Training courses for commissioners shall include an overview of state water law and hydrology. Prior to commissioners taking action on proposed water right transfers, the commissioners shall comply with training requirements that include state water law and hydrology.

**NEW SECTION. Sec. 6.** A water conservancy board constitutes a public body corporate and politic and a separate unit of local government in the state. Each board shall consist of three commissioners appointed by the county legislative authority for six-year terms. The county legislative authority shall stagger the initial appointment of commissioners so that the first commissioners who are appointed shall serve terms of two, four, and six years, respectively, from the date of their appointment. All vacancies shall be filled for the unexpired term. The county legislative authority shall consider, but is not limited in appointing, nominations to the board by people or entities petitioning or requesting the creation of the board. However, the county legislative authority shall ensure that individual water right holders who divert water for use within the county are represented on the board. In making appointments to the board, the county legislative authority shall choose from among persons who are residents of the county or a county that is contiguous to the county that the water conservancy board is to serve. No commissioner may participate in board decisions until he or she has successfully completed the necessary training required under section 5 of this act. Commissioners shall serve without compensation, but are entitled to reimbursement for necessary travel expenses in accordance with RCW 43.03.050 and 43.03.060 and costs incident to training.

**NEW SECTION. Sec. 7.** (1) A water conservancy board may acquire, purchase, hold, lease, manage, occupy, and sell real and personal property or any interest therein, enter into and perform all necessary contracts, appoint and employ necessary agents and employees and fix their compensation, employ contractors including contracts for professional services, sue and be sued, and do any and all lawful acts required and expedient to carry out the purposes of this chapter.

(2) A board constitutes an independently funded entity, and may provide for its own funding as determined by the commissioners. The board may accept grants and may adopt fees for processing applications for transfers of water rights to fund the activities of the board. A board may not impose taxes or acquire property by the exercise of eminent domain.

**NEW SECTION. Sec. 8.** A board shall operate on a county-wide basis, and shall have the following powers, in addition to any others granted in this chapter:

(1) A board may establish a water transfer exchange through which all or part of the water that any person is entitled to use by reason of owning or holding a water right may be listed for sale or

transfer. The board may approve water transfers involving a change in place of use, point of diversion or withdrawal, purpose of use, time of use, source of supply, quantity of use permitted, and the place of storage. Any water transfer approved by the board is subject to final approval by the director pursuant to section 11 of this act.

(2) The board may approve the transfer of a water right or a water right claim filed under chapter 90.14 RCW that has not been adjudicated. The board shall make a tentative determination as to the validity and extent of the existing right, and may only approve transfers of those rights to the extent they are deemed valid by the board. Neither the board's approval of a transfer, nor the director's approval of the board's action constitutes an adjudication of the validity, priority, or quantity of the transferor's water right as between the transferor or the transferee and the state, or as between the transferor or the transferee and one or more water use claimants, and such approvals do not preclude or prejudice a subsequent challenge to the validity, priority, or quantity of the right in an adjudicatory proceeding. The tentative determination of a water right by a board does not preclude a different conclusion in a subsequent adjudication.

(3) Water transfers approved by the board must remain within an existing category of beneficial use, and a transfer of water that is being used for agricultural applications is restricted to short-term or long-term leases.

(4) Each board shall maintain and publish all information made available to it concerning water rights listed with the board and any application to the board for approval of a water transfer. Each board shall establish policies and procedures, consistent with applicable law, for the administration of a system of timely local approvals for water transfers under this chapter. The administration shall be performed exclusively by the board, but the department may provide technical assistance to the board.

**NEW SECTION. Sec. 9.** (1) Applications to the board for transfers shall be made on a form provided by the department, and shall contain such additional information as may be required by the board in order to review and act upon the application. At a minimum, the application shall include information sufficient to establish to the board's satisfaction of the transferor's right to the quantity of water being transferred, and a description of any applicable limitations on the right to use water, including the point of diversion or withdrawal, place of use, source of supply, purpose of use, quantity of use permitted, time of use, period of use, and the place of storage.

(2) The transferor and the transferee of any proposed water transfer may apply to a board for approval of the transfer if the water proposed to be transferred is currently diverted or used within the geographic boundaries of the county, or would be diverted or used within the geographic boundaries of the county if the transfer is approved. In the case of a proposed water transfer in which the water is currently diverted or would be diverted outside the geographic boundaries of the county, the board shall hold a public hearing in the county of the diversion or proposed diversion. The board shall provide for prominent publication of notice of such hearing in a newspaper of general circulation published in the county in which the hearing is to be held for the purpose of affording an opportunity for interested persons to comment upon the application.

(3) After an application for a transfer is filed with the board, the board shall publish notice of the application in accordance with the publication requirements and send notice to state agencies as provided in RCW 90.03.280. Any person may submit comments to the board regarding the application. Any water right holder claiming detriment or injury to an existing water right may intervene in the application before the board pursuant to subsection (4) of this section. If a majority of the board determines that the application is complete, in accordance with the law and the transfer can be made without injury or detriment to existing water rights in accordance with RCW 90.03.380, the board shall issue the applicant a certificate conditionally approving the transfer, subject to review by the director.

(4) If a water right holder claims a proposed transfer will cause an impairment to that right, the water right holder is entitled to a hearing before the board. The board shall receive such evidence as it deems material and necessary to determine the validity of the claim of impairment. If the party claiming the impairment establishes by a preponderance of the evidence that his or her water right will be impaired by the proposed transfer, the board may not approve the transfer unless the applicant and the impaired party agree upon compensation for the impairment.

**NEW SECTION. Sec. 10.** (1) If an application for a transfer is proposed to transfer water from one irrigation district to another, approval of the transfer shall be conditioned upon receipt of the concurrence from each of the irrigation districts that the transfer will not adversely affect the ability to deliver water to other landowners or impair the financial integrity of either of the districts.

(2) A transfer involving a change in place or use or a nonconsumptive use by an individual water user or users of water provided by an irrigation district need only receive the approval for the transfer from the board of directors of the irrigation district if the water continues within the irrigation district.

**NEW SECTION. Sec. 11.** (1) If a transfer is approved by the board, the board shall submit a copy of the proposed certificate conditionally approving the transfer to the department for review. The board shall also submit a report summarizing any factual findings on which the board relied in deciding to approve the proposed transfer. The board shall also transmit notice by mail to any person who objected to the transfer or who requested notice.

(2) The director shall review each proposed transfer conditionally approved by a board for compliance with state water transfer laws including RCW 90.03.380, 90.03.390, and 90.44.100, rules and guidelines adopted by the department, and other applicable law.

(3) Any party to a transfer or a third party who alleges his or her water right will be impaired by the proposed transfer may file objections with the department. If objections to the transfer are filed with the department, the board shall forward the files and records upon which it based its decision to the department.

(4) The director shall review the action of the board and affirm, reverse, or modify the action of the board within forty-five days of receipt. The forty-five day time period may be extended for an additional thirty days by the director, upon the consent of the parties to the transfer. If the director fails to act within this time period, the board's action is final. Upon approval of a water transfer by the action or nonaction of the director, the conditional certificate issued by the board is final and valid.

**NEW SECTION. Sec. 12.** The decision of the director to approve an action to create a board, or to approve, deny, or modify a water transfer either by action or nonaction shall be appealable in the same manner as other water right decisions made pursuant to chapter 90.03 RCW.

**NEW SECTION. Sec. 13.** Neither the county nor the department shall be subject to any cause of action or claim for damages arising out of transfers approved by a board under this chapter.

**NEW SECTION. Sec. 14.** A person who, in good faith and without intent of circumventing water right relinquishment statutes, leases a water right under this chapter may not lose any portion of that water right by relinquishment due to the nonuse of the water by the lessee.

**NEW SECTION. Sec. 15.** Nothing in this chapter eliminates or lessens the requirements necessary for the approval of interties.

**NEW SECTION. Sec. 16.** (1) A commissioner of a water conservancy board who has an ownership interest in a water right subject to an application for approval of a transfer or change by the board, shall not participate in the board's review or decision upon the application.

(2) A commissioner of a water conservancy board who also serves as an employee or upon the governing body of a municipally owned water system, shall not participate in the board's review or decision upon an application for the transfer or change of a water right in which that water system has or is proposed to have an ownership interest.

**NEW SECTION. Sec. 17.** Water conservancy board activities are subject to the open public meetings act, chapter 42.30 RCW.

**NEW SECTION. Sec. 18.** Nothing in this chapter affects transfers that may be otherwise approved under chapter 90.03 RCW.

NEW SECTION. Sec. 19. The department shall report biennially by December 31st of each even-numbered year to the appropriate committees of the legislature on the boards formed or sought to be formed under the authority of this chapter, the transfer applications reviewed and other activities conducted by the boards, and the funding of such boards.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. Sections 1 through 19 of this act constitute a new chapter in Title 90 RCW."

On page 1, line 1 of the title, after "transfers;" strike the remainder of the title and insert "and adding a new chapter to Title 90 RCW."

#### MESSAGE FROM THE SENATE

April 17, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1277 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 84.08 RCW to read as follows:

(1) For purposes of this section, "tax information" means confidential income data and proprietary business information obtained by the department in the course of carrying out the duties now or hereafter imposed upon it in this title that has been communicated in confidence in connection with the assessment of property and that has not been publicly disseminated by the taxpayer, the disclosure of which would be either highly offensive to a reasonable person and not a legitimate concern to the public or would result in an unfair competitive disadvantage to the taxpayer.

(2) Tax information is confidential and privileged, and except as authorized by this section, neither the department nor any other person may disclose tax information.

(3) Subsection (2) of this section, however, does not prohibit the department from:

(a) Disclosing tax information to any county assessor or county treasurer;

(b) Disclosing tax information in a civil or criminal judicial proceeding or an administrative proceeding in respect to taxes or penalties imposed under this title or Title 82 RCW or in respect to assessment or valuation for tax purposes of the property to which the information or facts relate;

(c) Disclosing tax information with the written permission of the taxpayer;

(d) Disclosing tax information to the proper officer of the tax department of any state responsible for the imposition or collection of property taxes, or for the valuation of property for tax purposes, if the other state grants substantially similar privileges to the proper officers of this state;

(e) Disclosing tax information that is also maintained by another Washington state or local governmental agency as a public record available for inspection and copying under chapter 42.17 RCW or is a document maintained by a court of record not otherwise prohibited from disclosure;

(f) Disclosing tax information to a peace officer as defined in RCW 9A.04.110 or county prosecutor, for official purposes. The disclosure may be made only in response to a search warrant, subpoena, or other court order, unless the disclosure is for the purpose of criminal tax enforcement. A peace officer or county prosecutor who receives the tax information may disclose the tax information only for use in the investigation and a related court proceeding, or in the court proceeding for which the tax information originally was sought; or

(g) Disclosing information otherwise available under chapter 42.17 RCW.

(4) A violation of this section constitutes a gross misdemeanor.

**Sec. 2.** RCW 84.40.020 and 1973 c 69 s 1 are each amended to read as follows:

All real property in this state subject to taxation shall be listed and assessed every year, with reference to its value on the first day of January of the year in which it is assessed. Such listing and all supporting documents and records shall be open to public inspection during the regular office hours of the assessor's office: PROVIDED, That confidential income data is hereby exempted from public inspection (~~(pursuant to RCW 42.17.310)~~) as noted in RCW 42.17.260 and 42.17.310. All personal property in this state subject to taxation shall be listed and assessed every year, with reference to its value and ownership on the first day of January of the year in which it is assessed: PROVIDED, That if the stock of goods, wares, merchandise or material, whether in a raw or finished state or in process of manufacture, owned or held by any taxpayer on January 1 of any year does not fairly represent the average stock carried by such taxpayer, such stock shall be listed and assessed upon the basis of the monthly average of stock owned or held by such taxpayer during the preceding calendar year or during such portion thereof as the taxpayer was engaged in business.

**Sec. 3.** RCW 84.40.340 and 1973 1st ex.s. c 74 s 1 are each amended to read as follows:

For the purpose of verifying any list, statement, or schedule required to be furnished to the assessor by any taxpayer, any assessor or his trained and qualified deputy at any reasonable time may visit, investigate and examine any personal property, and for this purpose the records, accounts and inventories also shall be subject to any such visitation, investigation and examination which shall aid in determining the amount and valuation of such property. Such powers and duties may be performed at any office of the taxpayer in this state, and the taxpayer shall furnish or make available all such information pertaining to property in this state to the assessor although the records may be maintained at any office outside this state.

#### MESSAGE FROM THE SENATE

April 15, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1325 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that nonprofit organizations provide a variety of social services that serve the needs of the citizens of Washington, including many services implemented under contract with state agencies. The legislature also finds that the efficiency and quality of these services may be enhanced by the provision of safe, reliable, and sound facilities, and that, in certain cases, it may be appropriate for the state to assist in the development of these facilities.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.63A RCW to read as follows:

If the legislature provides an appropriation to assist nonprofit organizations in acquiring, constructing, or rehabilitating facilities used for the delivery of nonresidential social services, the legislature may direct the department of community, trade, and economic development to establish a competitive process to prioritize applications for the assistance as follows:

(1) The department shall conduct a state-wide solicitation of project applications from local governments, nonprofit organizations, and other entities, as determined by the department. The department shall evaluate and rank applications in consultation with a citizen advisory committee using objective criteria. At a minimum, applicants must demonstrate that the requested assistance will increase the efficiency or quality of the social services it provides to citizens. The evaluation and ranking process shall also include an examination of existing assets that applicants may apply to projects. Grant assistance under this section shall not exceed twenty-five percent of the total cost of the project. The nonstate portion of the total project cost may include, but is not limited to, land, facilities, and in-kind contributions.

(2) The department shall submit a prioritized list of recommended projects to the legislature by November 1st following the effective date of the appropriation. The list shall include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects.

(3) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements shall be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities shall be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(4) The department shall develop model contract provisions for compliance with subsection (3) of this section and shall distribute its recommendations to the appropriate legislative committees, the office of financial management, and to all state agencies which provide capital grants to nonstate entities.

**NEW SECTION. Sec. 3.** A new section is added to chapter 43.88 RCW to read as follows:

(1) Each state agency shall submit a report to the office of the state auditor listing each nongovernment entity that received over three hundred thousand dollars in state moneys during the previous fiscal year under contract with the agency for purposes related to the provision of social services. The report must be submitted by September 1 each year, and must be in a form prescribed by the office of the state auditor.

(2) The office of the state auditor shall select two groups of entities from the reports for audit as follows:

(a) The first group shall be selected at random using a procedure prescribed by the office of the state auditor. The office of the state auditor shall ensure that the number of entities selected under this subsection (2)(a) each year is sufficient to ensure a statistically representative sample of all reported entities.

(b) The second group shall be selected based on a risk assessment of entities conducted by the office of the state auditor in consultation with state agencies. The office of the state auditor shall consider, at a minimum, the following factors when conducting risk assessments: Findings from previous audits; decentralization of decision making and controls; turnover in officials and key personnel; changes in management structure or operations; and the presence of new programs, technologies, or funding sources.

(3) Each entity selected under subsection (2) of this section shall be required to complete a comprehensive entity-wide audit in accordance with generally accepted government auditing standards. The audit shall determine, at a minimum, whether:

(a) The financial statements of the entity are presented fairly in all material respects in conformity with generally accepted accounting principles;

(b) The schedule of expenditures of state moneys is presented fairly in all material respects in relation to the financial statements taken as a whole;

(c) Internal accounting controls exist and are effective; and

(d) The entity has complied with laws, regulations, and contract and grant provisions that have a direct and material effect on performance of the contract and the expenditure of state moneys.

(4) The office of the state auditor shall prescribe policies and procedures for the conduct of audits under this section. The office of the state auditor shall deem single audits completed in compliance with federal requirements to be in fulfillment of the requirements of this section if the audit meets the requirements of subsection (3)(a) through (d) of this section.

(5) Completed audits must be delivered to the office of the state auditor and the state agency by April 1 in the year following the selection of the entity for audit. Entities must resolve any findings contained in the audit within six months of the delivery of the audit. Entities may not enter into new contracts with state agencies until all major audit findings are resolved.

(6) Nothing in this section limits the authority of the state auditor to carry out statutorily and contractually prescribed powers and duties."

On page 1, line 2 of the title, after "organizations;" strike the remainder of the title and insert "adding a new section to chapter 43.63A RCW; adding a new section to chapter 43.88 RCW; and creating a new section."

#### MESSAGE FROM THE SENATE

April 18, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2018 with the following amendments:

Strike everything after the enacting clause and insert the following:

#### "HEALTH INSURANCE REFORM PART I--CONSUMER PROTECTIONS

NEW SECTION. Sec. 101. UTILIZATION REVIEW--INTENT. The legislature intends that the delivery of quality health care services to individuals in the state of Washington be consistent with a wise use of resources. It is therefore the purpose of this act to define standards for utilization review of health care services and to promote the delivery of health care in a cost-effective manner. The legislature reaffirms its commitment to improving health care services through encouraging the availability of effective and consistent utilization review throughout this state. The legislature believes that standards for utilization review will help assure quality oversight of individual case evaluations in this state.

NEW SECTION. Sec. 102. A new section is added to chapter 48.43 RCW to read as follows:

UTILIZATION REVIEW--REVIEW ORGANIZATION. (1) Beginning on January 1, 1998, every review organization that performs utilization review of inpatient and outpatient benefits for residents of this state shall meet the standards set forth in this section and section 103 of this act.

(a) Review organizations shall comply with all applicable state and federal laws to protect confidentiality of enrollee medical records.

(b) Any certification by a review organization as to the medical necessity or appropriateness of an admission, length of stay, extension of stay, or service or procedure must be made in accordance with medical standards or guidelines approved by a licensed physician.

(c) Any determination by a review organization to deny an admission, length of stay, extension of stay, or service or procedure on the basis of medical necessity or appropriateness must be made by a licensed physician who has reasonable access to board certified specialty providers in making such determinations.

(d) Review organizations shall make staff available to perform utilization review activities by toll-free or collect telephone, at least forty hours per week during normal business hours.

(e) Review organizations shall have a phone system capable of accepting or recording, or both, incoming phone calls relating to utilization review during other than normal business hours and shall respond to these calls within two business days.

(f) Review organizations shall maintain a documented utilization review program description and written utilization review criteria based on reasonable medical evidence. The program must include a method for reviewing and updating criteria. Review organizations shall make utilization review criteria available upon request to the participating provider involved in a specific case under review.

(g) Review organizations shall designate a licensed physician to participate in utilization review program implementation.

(2) The legislature finds that current utilization review accreditation commission and national committee for quality assurance utilization review standards meet or exceed the requirements of this section. Health carriers who continuously maintain such accreditation are hereby deemed in compliance with this section for their accredited health plans. The office of the insurance commissioner shall periodically examine the review organization accreditation standards of the utilization review accreditation commission and the national committee for quality assurance and report to the legislature to ensure that such standards continue to be substantially equivalent to or exceed the requirements of section 103 of this act.

NEW SECTION. Sec. 103. A new section is added to chapter 48.43 RCW to read as follows:

UTILIZATION REVIEW--STANDARDS. (1) Notification of an initial determination by the review organization to certify an admission, length of stay, extension of stay, or service or procedure must be mailed or otherwise communicated to the provider of record or the enrollee, or the enrollee's authorized representative, or both, within two business days of the determination and following the receipt of all information necessary to complete the review.

(2) Notification of an initial determination by the review organization to deny an admission, length of stay, extension of stay, or service or procedure must be mailed or otherwise communicated to the provider of record or the enrollee, or the enrollee's authorized representative, or both, within one business day of the determination and following the receipt of all information necessary to complete the review.

(3) Any notification of a determination to deny an admission, length of stay, extension of stay, or service or procedure must include:

(a) The review organization's decision in clear terms and the rationale in sufficient detail for the enrollee to respond further to the review organization's decision; and

(b) The procedures to initiate an appeal of an adverse determination.

(4) Health care facilities and providers shall cooperate with the reasonable efforts of review organizations to ensure that all necessary enrollee information is available in a timely fashion by phone during normal business hours. Health care facilities and providers shall allow on-site review of medical records by review organizations. These provisions are subject to the requirements regarding health care information disclosure in chapter 70.02 RCW.

**NEW SECTION. Sec. 104.** A new section is added to chapter 48.43 RCW to read as follows:  
**UTILIZATION REVIEW--LIMITED RECORD ACCESS.** In performing a utilization review, a review organization is limited to access to specific health care service information necessary to complete the review being performed relating to the covered person.

**NEW SECTION. Sec. 105.** **GRIEVANCE PROCEDURES--INTENT.** The legislature is committed to the efficient use of state resources in promoting public health and protecting the rights of individuals in the state of Washington. The purpose of this act is to provide standards for the establishment and maintenance of procedures by health carriers to assure that covered persons have the opportunity for the appropriate resolution of their grievances, as defined in this act.

**NEW SECTION. Sec. 106.** A new section is added to chapter 48.43 RCW to read as follows:  
**GRIEVANCE PROCEDURES--STANDARDS.** (1) Every health carrier shall use written procedures for receiving and resolving grievances from covered persons. At each level of review of a grievance, the health carrier shall include a person or persons with sufficient background and authority to deliberate the merits of the grievance and establish appropriate terms of resolution. The health carrier's medical director or designee shall be available to participate in the review of any grievance involving a clinical issue or issues. A grievance that includes an issue of clinical quality of care as determined by the health carrier's medical director or designee may be directed to the health carrier's quality assurance committee for review and comment. Nothing in this section alters any protections afforded under statutes relating to confidentiality and nondiscoverability of quality assurance activities and information.

(2)(a) A complaint that is not submitted in writing may be resolved directly by the health carrier with the covered person, and is not considered a grievance subject to the review, recording, and reporting requirements of this section.

(b) The health carrier is required to provide telephone access to covered persons for purposes of presenting a complaint for review. Each telephone number provided shall be toll free or collect within the health carrier's service area and provide reasonable access to the health carrier without undue delays during normal business hours.

(3)(a) A grievance may be submitted by a covered person or a representative acting on behalf of the covered person through written authority to assure protection of the covered person's private information. Within three working days of receiving a grievance, the health carrier shall acknowledge in writing the receipt of the grievance and the department name and address where additional information may be submitted by the covered person or authorized representative of the covered person. The health carrier shall process the grievance in a reasonable length of time not to exceed thirty days from receipt of the written grievance. If the grievance involves the collection of information from sources external to the health carrier and its participating providers, the health carrier has an additional thirty days to process the covered person's grievance.

(b) The health carrier shall provide the covered person, or authorized representative of the covered person, with a written determination of its review within the time frame specified in (a) of this subsection. The written determination shall contain at a minimum:

(i) The health carrier's decision in clear terms and the rationale in sufficient detail for the covered person or authorized representative of the covered person to respond further to the health carrier's decision; and

(ii) When the health carrier's decision is not wholly favorable to the covered person, a description of the process to obtain a second level grievance review of the decision, including the time frames required for submission of a request by the covered person or authorized representative of the covered person.

(4)(a) A health carrier shall provide a second level grievance review for those covered persons who are dissatisfied with the first level grievance review decision and who submit a written request for review. The second level review process shall include an opportunity for the covered person or authorized representative of the covered person to appear in person before the representative or representatives of the health carrier. The covered person or authorized representative of the covered person must ask for a personal appearance in the written request for a second level review.

(b) The health carrier shall process the grievance in a reasonable length of time, not to exceed thirty days from receipt of the request for a second level review. The time required to resolve the second level review may be extended for a specified period if mutually agreed upon by the covered person or authorized representative of the covered person and the health carrier.

(c) A health carrier's procedures for conducting a second level review must include the following:

(i) The second level review panel shall be comprised of representatives of the health carrier not otherwise participating in the first level review. If the grievance involves a clinical issue or issues, the health carrier shall appoint a health care professional with appropriate qualifications to assess the clinical considerations of the case who was not previously involved with the grievance under review and who has no financial interest in the outcome of the review;

(ii) The review panel shall schedule the review meeting to reasonably accommodate the covered person or authorized representative of the covered person and not unreasonably deny a request for postponement of the review requested by the covered person or authorized representative of the covered person; and

(iii) The health carrier shall notify the covered person or authorized representative of the covered person in writing at least fifteen days in advance of the scheduled review date unless a shorter time frame is agreed to by the health carrier and the covered person. The review meeting shall be held at a location within the health carrier's service area that is reasonably accessible to the covered person or authorized representative of the covered person. In cases where a face-to-face meeting is not practical for geographic reasons, a health carrier shall offer the covered person or authorized representative of the covered person the opportunity to communicate with the review panel, at the health carrier's expense, by conference call, video conferencing, or other appropriate technology as determined by the health carrier.

(d) The health carrier shall issue a written decision to the covered person or authorized representative of the covered person within five working days of completing the review meeting. The decision shall include:

(i) A statement of the health carrier's understanding of the nature of the grievance and all pertinent facts;

(ii) The health carrier's decision in clear terms and the rationale for the review panel's decision; and

(iii) Notice of the covered person's right to any further review by the health carrier.

(e) Determination of a grievance at the final level review that is unfavorable to the covered person may be submitted by the covered person or authorized representative of the covered person to nonbinding mediation. Mediation shall be conducted under mediation rules similar to those of the American arbitration association, the center for public resources, the judicial arbitration and mediation service, RCW 7.70.100, or any other rules of mediation agreed to by the parties.

(5) Each health carrier as defined in this chapter shall file with the commissioner its procedures for review and adjudication of grievances initiated by covered persons.

(6) The health carrier shall maintain accurate records of each grievance to include the following:

(a) A description of the grievance, the date received by the health carrier, and the name and identification number of the covered person; and

(b) A statement as to which level of the grievance procedure the grievance has been brought, the date at which it was brought to each level, the decision reached at each level, and a summary description of the rationale for the decision.

(7) Each health carrier shall make an annual report available to the commissioner. The report shall include for each type of health benefit plan offered by the health carrier: The number of covered lives; the total number of grievances received divided into the following categories: (a) Access, health carrier customer service, health care provider or facility service, and claim payment; (b) dispute resolution; (c) the number of grievances resolved at each level; and (d) the total number of decisions favorable and unfavorable to the covered person.

(8) A notice of the availability and the requirements of the grievance procedure, including the address where a written grievance may be filed, shall be included in or attached to the policy,

certificate, membership booklet, outline of coverage, or other evidence of coverage provided by the health carrier to its enrollees.

(9) The notice shall include a toll-free or collect telephone number for a covered person to obtain verbal explanation of the grievance procedure.

(10) A health carrier shall establish written procedures for the expedited review of a grievance involving a situation where the time to resolve a grievance according to the procedures set forth in this section would seriously jeopardize the life or health of a covered person. A request for an expedited review may be submitted orally or in writing by a covered person or authorized representative of the covered person. A health carrier's procedures for establishing an expedited review process shall include the following:

(a) The health carrier shall appoint an appropriate health care professional to participate in expedited reviews and shall provide reasonable access to board-certified specialty providers as typically manage the issue under review.

(b) A health carrier shall provide expedited review to all requests concerning an admission, availability of care, continued stay, or review of a health care service for a covered person who has received emergency services but has not been discharged from a facility.

(c) All necessary information, including the health carrier's decision, shall be transmitted between the health carrier and the covered person or authorized representative of the covered person by telephone, facsimile, or the most expeditious method available as determined by the health carrier.

(d) A health carrier shall make a decision and notify the covered person or authorized representative of the covered person as expeditiously as the medical condition of the covered person requires, but no more than two business days after the request for expedited review is received by the health carrier. If the expedited review is a concurrent review determination, the service shall be continued without liability to the covered person until the covered person or authorized representative of the covered person has been notified of the decision by the health carrier.

(e) A health carrier shall provide written confirmation of its decision concerning an expedited review within two working days of providing notification of that decision to the enrollee, if the initial notification was not in writing. The written notification shall contain the provisions required in subsection (3) of this section pertaining to a first level grievance review.

(f) In any case where the expedited review process does not resolve a difference of opinion between a health carrier and the covered person, the covered person or authorized representative of the covered person may request a second level grievance review. In conducting the second level grievance review, the health carrier shall adhere to time frames that are reasonable under the circumstances, but in no event to exceed the time frames specified in subsection (4) of this section pertaining to second level grievance review.

(11) The legislature finds that current national committee for quality assurance grievance procedure standards meet or exceed the requirements of this section. Health carriers who continuously maintain such accreditation are hereby deemed in compliance with this section for their accredited health plans. The office of the insurance commissioner shall periodically examine the accreditation standards of the national committee for quality assurance and report to the legislature to ensure that such standards continue to be substantially equivalent to or exceed the requirements of this section.

**Sec. 107.** RCW 48.43.055 and 1995 c 265 s 20 are each amended to read as follows:

**GRIEVANCE PROCEDURE FOR HEALTH CARE PROVIDERS.** Each health carrier as defined under RCW 48.43.005 shall file with the commissioner its procedures for review and adjudication of complaints initiated by ~~((covered persons or))~~ a health care provider~~((s))~~. Procedures filed under this section shall provide a fair review for consideration of complaints. Every health carrier shall provide reasonable means whereby ~~((any person))~~ a health care provider aggrieved by actions of the health carrier may be heard in person or by their authorized representative on their written request for review. If the health carrier fails to grant or reject such request within thirty days after it is made, the complaining ~~((person))~~ provider may proceed as if the complaint had been rejected. A complaint that has been rejected by the health carrier may be submitted to nonbinding mediation. Mediation shall be conducted pursuant to mediation rules similar to those of the American arbitration association, the

center for public resources, the judicial arbitration and mediation service, RCW 7.70.100, or any other rules of mediation agreed to by the parties.

**NEW SECTION. Sec. 108. GRIEVANCE PROCEDURES--REPEALER.** RCW 48.46.100 and 1975 1st ex.s. c 290 s 11 are each repealed.

**NEW SECTION. Sec. 109. NETWORK ADEQUACY--INTENT.** The legislature declares that it is in the public interest that health carriers utilizing provider networks use reasonable means of assessing that their provider networks are adequate to provide covered services to their enrollees. The legislature finds that empirical assessment of provider network adequacy is in developmental stages, and that rigid, formulaic approaches are unworkable and inhibit innovation and approaches tailored to meet the needs of varying communities and populations. The legislature therefore finds that, given these limitations, an assessment is needed to determine whether network adequacy requirements are needed and, if necessary, whether the type of measures used by current accreditation programs, such as the national committee on quality assurance, meets these needs.

**NEW SECTION. Sec. 110. NETWORK ADEQUACY--STUDY AND RESTRICTION.** (1) The health care authority, in consultation with the office of the insurance commissioner, the department of social and health services, the department of health, consumers, providers, and health carriers, shall review the need for network adequacy requirements. The review must include an evaluation of the approaches used by the national committee on quality assurance and any similar, nationally recognized accreditation programs. The department shall submit its report and recommendations to the health care committees of the legislature by January 1, 1998, and include recommendations on:

(a) Whether legislatively determined network adequacy requirements are necessary and advisable and the evidence to support this;

(b) If standards are needed, to what extent such standards can be made consistent with the national committee on quality assurance standards, and whether national committee on quality assurance accredited carriers, or carriers accredited by other, nationally recognized accreditation programs, should be exempted from state review and requirements;

(c) Whether and how the state could promote uniformity of approach across commercial purchaser requirements and state and federal agency requirements so as to assure adequate consumer access while promoting the most efficient use of public and private health care financial resources;

(d) Means to assure that health carriers and health systems maintain the flexibility necessary to responsibly determine the best ways to meet the needs of the populations they serve while controlling the costs of the health care services provided;

(e) Which types of health systems and health carriers should be subject to network adequacy requirements, if any; and

(f) An objective estimate of the potential costs of such requirements and any recommended oversight functions.

(2) No agency may engage in rule making relating to network adequacy until the legislature has reviewed the findings and recommendations of the study and has passed legislation authorizing the department of health or other appropriate agency to engage in rule making in this area in accordance with the policy direction set by the legislature.

**NEW SECTION. Sec. 111.** A new section is added to chapter 48.43 RCW to read as follows:

**ACCESS PLAN REQUIREMENTS.** (1) Beginning July 1, 1997, every health carrier, as defined in RCW 48.43.005, shall develop and update annually an access plan that meets the requirements of this section for each of the health care networks that the carrier offers in this state. The health carrier shall make the access plans available on its business premises and shall provide nonproprietary information to any interested party upon request. The carrier shall prepare an access plan prior to offering a health plan utilizing a substantially different health care network. The plan shall include, at least, the following:

(a) The health carrier's network of providers and facilities by license, certification and registration type, and by geographic location;

(b) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the provider network to meet the covered health care needs of its enrolled populations; and

(c) The health carrier's methods for assessing the health care needs of covered persons and their satisfaction with services.

(2) On or before August 1, 1997, each health carrier shall submit its access plan or plans to the Washington state health care authority for purposes of assisting the authority with its report and recommendations on network adequacy standards required under section 110 of this act.

(3) The legislature finds that current national committee for quality assurance network adequacy standards meet or exceed the requirements of this section. Health carriers who continuously maintain such accreditation are hereby deemed in compliance with this section for their accredited health plans. The office of the insurance commissioner shall periodically examine the accreditation standards of the national committee for quality assurance and report to the legislature to ensure that such standards continue to be substantially equivalent to or exceed the requirements of this section.

NEW SECTION. Sec. 112. A new section is added to chapter 74.09 RCW to read as follows:  
MEDICAL ASSISTANCE WAIVERS. To the extent that federal statutes or regulations, or provisions of waivers granted to the department of social and health services by the federal department of health and human services, include standards that differ from the minimums stated in sections 101 through 106, 109, and 111 of this act, those sections do not apply to contracts with health carriers awarded pursuant to RCW 74.09.522.

#### PART II--MARKETPLACE STABILITY

NEW SECTION. Sec. 201. LEGISLATIVE INTENT. The legislature intends that individuals in the state of Washington have access to affordable individual health plan coverage. The legislature reaffirms its commitment to guaranteed issue and renewability, portability, and limitations on use of preexisting condition exclusions. The legislature also finds that the lack of incentives for individuals to purchase and maintain coverage independent of anticipated need for health care has contributed to soaring health care claims experience in many individual health plans. The legislature therefore intends that refinements be made to the state's individual market reform laws to provide needed incentives and to help assure that more affordable coverage is accessible to Washington residents.

The term "small employer" also includes a self-employed individual or sole proprietor who derives at least seventy-five percent of his or her income from a trade or business through which the individual or sole proprietor has attempted to earn taxable income and for which he or she has filed the appropriate internal revenue service form 1040, schedule C or F, for the previous taxable year.

(25) "Utilization review" means the prospective, concurrent, or retrospective assessment of the necessity and appropriateness of the allocation of health care resources and services of a provider or facility, given or proposed to be given to an enrollee or group of enrollees.

~~((14))~~ (26) "Wellness activity" means an explicit program of an activity consistent with department of health guidelines, such as, smoking cessation, injury and accident prevention, reduction of alcohol misuse, appropriate weight reduction, exercise, automobile and motorcycle safety, blood cholesterol reduction, and nutrition education for the purpose of improving enrollee health status and reducing health service costs.

~~((15) "Basic health plan" means the plan described under chapter 70.47 RCW, as revised from time to time.))~~

**Sec. 203.** RCW 48.43.025 and 1995 c 265 s 6 are each amended to read as follows:

PREEXISTING CONDITION LIMITATIONS MODIFIED. (1) Except as otherwise specified in this section and in RCW 48.43.035:

(a) No carrier may reject an individual for health plan coverage based upon preexisting conditions of the individual ~~((and))~~.

(b) No carrier may deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that a carrier may impose a three-month benefit waiting period for preexisting conditions for which medical advice was given, or for which a health care provider recommended or provided treatment within three months before the effective date of coverage.

(c) Every health carrier offering any individual health plan to any individual must allow open enrollment to eligible applicants into all individual health plans offered by the carrier during the full month of July of each year. The individual health plans exempt from guaranteed continuity under RCW 48.43.035(4) are exempt from this requirement. All applications for open enrollment coverage must be complete and postmarked to or received by the carrier in the months of July or August in any year following the effective date of this section. Coverage for these applicants must begin the first day of the next month subject to receipt of timely payment consistent with the terms of the policies.

(d) At any time other than the open enrollment period specified in (c) of this subsection, a carrier may either decline to accept an applicant for enrollment or apply to such applicant's coverage a preexisting condition benefit waiting period not to exceed the amount of time remaining until the next open enrollment period, or three months, whichever is greater, provided that in either case all of the following conditions are met:

(i) The applicant has not maintained coverage as required in (f) of this subsection;

(ii) The applicant is not applying as a newly eligible dependent meeting the requirements of (g) of this subsection; and

(iii) The carrier uses uniform health evaluation criteria and practices among all individual health plans it offers.

(e) If a carrier exercises the options specified in (d) of this subsection it must advise the applicant in writing within ten business days of such decision. Notice of the availability of Washington state health insurance pool coverage and a brochure outlining the benefits and exclusions of the Washington state health insurance pool policy or policies must be provided in accordance with RCW 48.41.180 to any person rejected for individual health plan coverage, who has had any health condition limited or excluded through health underwriting or who otherwise meets requirements for notice in chapter 48.41 RCW. Provided timely and complete application is received by the pool, eligible individuals shall be enrolled in the Washington state health insurance pool in an expeditious manner as determined by the board of directors of the pool.

(f) A carrier may not refuse enrollment at any time based upon health evaluation criteria to otherwise eligible applicants who have been covered for any part of the three-month period immediately preceding the date of application for the new individual health plan under a comparable group or individual health benefit plan with substantially similar benefits. For purposes of this subsection, in addition to provisions in RCW 48.43.015, the following publicly administered coverage shall be considered comparable health benefit plans: The basic health plan established by chapter 70.47 RCW; the medical assistance program established by chapter 74.09 RCW; and the Washington state health insurance pool, established by chapter 48.41 RCW, as long as the person is continuously enrolled in the pool until the next open enrollment period. If the person is enrolled in the pool for less than three months, she or he will be credited for that period up to three months.

(g) A carrier must accept for enrollment all newly eligible dependents of an enrollee for enrollment onto the enrollee's individual health plan at any time of the year, provided application is made within sixty-three days of eligibility, or such longer time as provided by law or contract.

(h) At no time are carriers required to accept for enrollment any individual residing outside the state of Washington, except for qualifying dependents who reside outside the carrier service area.

(2) No carrier may avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. A new or changed rate classification will be deemed an attempt to avoid the provisions of this section if the new or changed classification would substantially discourage applications for coverage from individuals or groups who are higher than average health risks. ~~((These))~~ The provisions of this section apply only to individuals who are Washington residents.

**Sec. 204.** RCW 48.43.035 and 1995 c 265 s 7 are each amended to read as follows:

**GUARANTEED ISSUE AND CONTINUITY OF COVERAGE MODIFIED.** (1) ~~((A))~~ Except as otherwise specified in this section and in RCW 48.43.025, every health carrier~~((s))~~ shall accept for enrollment any state resident within the carrier's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The insurance commissioner may grant a temporary exemption from this subsection, if, upon application by a health carrier the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

(2) Except as provided in subsection ~~((5))~~ (6) of this section, all health plans shall contain or incorporate by endorsement a guarantee of the continuity of coverage of the plan. For the purposes of this section, a plan is "renewed" when it is continued beyond the earliest date upon which, at the carrier's sole option, the plan could have been terminated for other than nonpayment of premium. In the case of group plans, the carrier may consider the group's anniversary date as the renewal date for purposes of complying with the provisions of this section.

(3) The guarantee of continuity of coverage required in health plans shall not prevent a carrier from canceling or nonrenewing a health plan for:

- (a) Nonpayment of premium;
- (b) Violation of published policies of the carrier approved by the insurance commissioner;
- (c) Covered persons entitled to become eligible for medicare benefits by reason of age who fail to apply for a medicare supplement plan or medicare cost, risk, or other plan offered by the carrier pursuant to federal laws and regulations;
- (d) Covered persons who fail to pay any deductible or copayment amount owed to the carrier and not the provider of health care services;
- (e) Covered persons committing fraudulent acts as to the carrier;
- (f) Covered persons who materially breach the health plan; ~~((f))~~
- (g) Change or implementation of federal or state laws that no longer permit the continued offering of such coverage; or
- (h) Cessation of a plan in accordance with subsection (5) or (7) of this section.

(4) The provisions of this section do not apply in the following cases:

- (a) A carrier has zero enrollment on a product; ~~((a))~~
- (b) A carrier replaces a product and the replacement product is provided to all covered persons within that class or line of business, includes all of the services covered under the replaced product, and does not significantly limit access to the kind of services covered under the replaced product. The health plan may also allow unrestricted conversion to a fully comparable product; or
- (c) A carrier is withdrawing from a service area or from a segment of its service area because the carrier has demonstrated to the insurance commissioner that the carrier's clinical, financial, or administrative capacity to serve enrollees would be exceeded.

(5) A health carrier may discontinue or materially modify a particular health plan, only if:

(a) The health carrier provides notice to each covered person or group provided coverage of this type of such discontinuation or modification at least ninety days prior to the date of the discontinuation or modification of coverage;

(b) The health carrier offers to each covered person provided coverage of this type the option to purchase any other health plan currently being offered by the health carrier to similar covered persons in the market category and geographic area; and

(c) In exercising the option to discontinue or modify a particular health plan and in offering the option of coverage under (b) of this subsection, the health carrier acts uniformly without regard to any health-status related factor of covered persons or persons who may become eligible for coverage.

(6) The provisions of this section do not apply to health plans deemed by the insurance commissioner to be unique or limited or have a short-term purpose, after a written request for such classification by the carrier and subsequent written approval by the insurance commissioner.

(7) A health carrier may discontinue all health plan coverage in one or more of the following lines of business:

(a)(i) Individual; or

(ii)(A) Small group (1-50 eligible employees); and

(B) Large group (51+ eligible employees);

(b) Only if:

(i) The health carrier provides notice to the office of the insurance commissioner and to each person covered by a plan within the line of business of such discontinuation at least one hundred eighty days prior to the expiration of coverage; and

(ii) All plans issued or delivered in the state by the health carrier in such line of business are discontinued, and coverage under such plans in such line of business is not renewed; and

(iii) The health carrier may not issue any health plan coverage in the line of business and state involved during the five-year period beginning on the date of the discontinuation of the last health plan not so renewed.

(8) The portability provisions of RCW 48.43.015 continue to apply to all enrollees whose health insurance coverage is modified or discontinued pursuant to this section.

(9) Nothing in this section modifies a health carrier's responsibility to offer the basic health plan model plan as required by RCW 70.47.060(2)(d).

**Sec. 205.** RCW 48.43.045 and 1995 c 265 s 8 are each amended to read as follows:

MODIFYING CARRIER REPORTING REQUIREMENTS. Every health plan delivered, issued for delivery, or renewed by a health carrier on and after January 1, 1996, shall:

(1) Permit every category of health care provider to provide health services or care for conditions included in the basic health plan services to the extent that:

(a) The provision of such health services or care is within the health care providers' permitted scope of practice; and

(b) The providers agree to abide by standards related to:

(i) Provision, utilization review, and cost containment of health services;

(ii) Management and administrative procedures; and

(iii) Provision of cost-effective and clinically efficacious health services.

(2) Annually report the names and addresses of all officers, directors, or trustees of the health carrier during the preceding year, and the amount of wages, expense reimbursements, or other payments to such individuals. This requirement does not apply to a foreign or alien insurer regulated under chapter 48.20 or 48.21 RCW that files a supplemental compensation exhibit in its annual statement as required by law.

**Sec. 206.** RCW 70.47.060 and 1995 c 266 s 1 and 1995 c 2 s 4 are each reenacted and amended to read as follows:

MODEL PLAN DEFINED. The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care. In addition, the administrator may offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive ~~((covered basic health care services))~~ covered basic health care

services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate.

However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator, but in no case shall the payment made on behalf of the enrollee exceed the total premiums due from the enrollee.

(d) To develop, as an offering by ~~((aH))~~ every health carrier~~((s))~~ providing coverage identical to the basic health plan, as configured on January 1, 1996, a basic health plan model plan ~~((benefits package))~~ with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of enrollee cost sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or

procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the

plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

**Sec. 207.** RCW 48.20.028 and 1995 c 265 s 13 are each amended to read as follows:

TENURE DISCOUNTS--INDIVIDUAL DISABILITY COVERAGE. (1)(a) An insurer offering any health benefit plan to any individual shall offer and actively market to all individuals a health benefit plan providing benefits identical to the schedule of covered health ~~((services))~~ benefits that are required to be delivered to an individual enrolled in the basic health plan subject to RCW 48.43.025 and 48.43.035. Nothing in this subsection shall preclude an insurer from offering, or an individual from purchasing, other health benefit plans that may have more or less comprehensive benefits than the basic health plan, provided such plans are in accordance with this chapter. An insurer offering a health benefit plan that does not include benefits provided in the basic health plan shall clearly disclose these differences to the individual in a brochure approved by the commissioner.

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.20.390, 48.20.393, 48.20.395, 48.20.397, 48.20.410, 48.20.411, 48.20.412, 48.20.416, and 48.20.420 if the health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan.

(2) Premiums for health benefit plans for individuals shall be calculated using the adjusted community rating method that spreads financial risk across the carrier's entire individual product population. All such rates shall conform to the following:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; ~~((and))~~
- (iv) Tenure discounts; and
- (v) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments which shall begin with age twenty and end with age sixty-five. Individuals under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the family composition;
- (ii) Changes to the health benefit plan requested by the individual; or
- (iii) Changes in government requirements affecting the health benefit plan.

(g) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a

provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(h) A tenure discount for continuous enrollment in the health plan of two years or more may be offered, not to exceed ten percent.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.21.045.

(4) As used in this section, "health benefit plan," "basic health plan," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 208.** RCW 48.44.022 and 1995 c 265 s 15 are each amended to read as follows:

(c) The health care service contractor shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the family composition;
- (ii) Changes to the health benefit plan requested by the individual; or

(iii) Changes in government requirements affecting the health benefit plan.

(g) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(h) A tenure discount for continuous enrollment in the health plan of two years or more may be offered, not to exceed ten percent.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.44.023.

(4) As used in this section and RCW 48.44.023 "health benefit plan," "small employer," "basic health plan," "adjusted community rates," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 209.** RCW 48.46.064 and 1995 c 265 s 17 are each amended to read as follows:

TENURE DISCOUNTS--HEALTH MAINTENANCE ORGANIZATIONS. (1)(a) A health maintenance organization offering any health benefit plan to any individual shall offer and actively market to all individuals a health benefit plan providing benefits identical to the schedule of covered health ((services)) benefits that are required to be delivered to an individual enrolled in the basic health plan, subject to the provisions in RCW 48.43.025 and 48.43.035. (2) Premium rates for health benefit plans for individuals shall be subject to the following provisions:

(a) The health maintenance organization shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the family composition;

(ii) Changes to the health benefit plan requested by the individual; or

(iii) Changes in government requirements affecting the health benefit plan.

(g) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(h) A tenure discount for continuous enrollment in the health plan of two years or more may be offered, not to exceed ten percent.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.46.066.

(4) As used in this section and RCW 48.46.066, "health benefit plan," "basic health plan," "adjusted community rate," "small employer," and "wellness activities" mean the same as defined in RCW 48.43.005.

In addition thereto, the board may:

(1) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter including the authority, with the approval of the commissioner, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;

(2) Sue or be sued, including taking any legal action as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;

(3) Establish appropriate rates, rate schedules, rate adjustments, expense allowances, agent referral fees, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial underwriting practices consistent with Washington state small group plan rating requirements under RCW 48.20.028, 48.44.022, and 48.46.064;

HEALTH INSURANCE POOL--ADMINISTRATOR'S POWER MODIFIED. The board shall select an administrator from the membership of the pool whether domiciled in this state or another state through a competitive bidding process to administer the pool.

(1) The board shall evaluate bids based upon criteria established by the board, which shall include:

(a) The administrator's proven ability to handle (~~accident and health insurance~~) health coverage;

(b) The efficiency of the administrator's claim-paying procedures;

(c) An estimate of the total charges for administering the plan; and

(d) The administrator's ability to administer the pool in a cost-effective manner.

(2) The administrator shall serve for a period of three years subject to removal for cause. At least six months prior to the expiration of each three-year period of service by the administrator, the board shall invite all interested parties, including the current administrator, to submit bids to serve as the administrator for the succeeding three-year period. Selection of the administrator for this succeeding period shall be made at least three months prior to the end of the current three-year period.

(3) The administrator shall perform such duties as may be assigned by the board including:

(4) The administrator shall be paid as provided in the contract between the board and the administrator for its expenses incurred in the performance of its services.

**Sec. 213.** RCW 48.41.110 and 1987 c 431 s 11 are each amended to read as follows:

HEALTH INSURANCE POOL--BENEFITS MODIFIED. (1) The pool is authorized to offer one or more managed care plans of coverage. Such plans may, but are not required to, include point of service features that permit participants to receive in-network benefits or out-of-network benefits subject to differential cost shares. Covered persons enrolled in the pool on January 1, 1997, may continue coverage under the pool plan in which they are enrolled on that date. However, the pool may incorporate managed care features into such existing plans.

(2) The administrator shall prepare a brochure outlining the benefits and exclusions of the pool policy in plain language. After approval by the board of directors, such brochure shall be made reasonably available to participants or potential participants. The health insurance policy issued by the

pool shall pay only usual, customary, and reasonable charges for medically necessary eligible health care services rendered or furnished for the diagnosis or treatment of illnesses, injuries, and conditions which are not otherwise limited or excluded. Eligible expenses are the usual, customary, and reasonable charges for the health care services and items for which benefits are extended under the pool policy. Such benefits shall at minimum include, but not be limited to, the following services or related items:

(a) Hospital services, including charges for the most common semiprivate room, for the most common private room if semiprivate rooms do not exist in the health care facility, or for the private room if medically necessary, but limited to a total of one hundred eighty inpatient days in a calendar year, and limited to thirty days inpatient care for mental and nervous conditions, or alcohol, drug, or chemical dependency or abuse per calendar year;

(b) Professional services including surgery for the treatment of injuries, illnesses, or conditions, other than dental, which are rendered by a health care provider, or at the direction of a health care provider, by a staff of registered or licensed practical nurses, or other health care providers;

(c) The first twenty outpatient professional visits for the diagnosis or treatment of one or more mental or nervous conditions or alcohol, drug, or chemical dependency or abuse rendered during a calendar year by one or more physicians, psychologists, or community mental health professionals, or, at the direction of a physician, by other qualified licensed health care practitioners, in the case of mental or nervous conditions, and rendered by a state certified chemical dependency program approved under chapter 70.96A RCW, in the case of alcohol, drug, or chemical dependency or abuse;

(d) Drugs and contraceptive devices requiring a prescription;

(e) Services of a skilled nursing facility, excluding custodial and convalescent care, for not more than one hundred days in a calendar year as prescribed by a physician;

(f) Services of a home health agency;

(g) Chemotherapy, radioisotope, radiation, and nuclear medicine therapy;

(h) Oxygen;

(i) Anesthesia services;

(j) Prostheses, other than dental;

(k) Durable medical equipment which has no personal use in the absence of the condition for which prescribed;

(l) Diagnostic x-rays and laboratory tests;

(m) Oral surgery limited to the following: Fractures of facial bones; excisions of mandibular joints, lesions of the mouth, lip, or tongue, tumors, or cysts excluding treatment for temporomandibular joints; incision of accessory sinuses, mouth salivary glands or ducts; dislocations of the jaw; plastic reconstruction or repair of traumatic injuries occurring while covered under the pool; and excision of impacted wisdom teeth;

(n) Maternity care services, as provided in the managed care plan to be designed by the pool board of directors, and for which no preexisting condition waiting periods may apply;

(o) Services of a physical therapist and services of a speech therapist;

~~((p))~~ (p) Hospice services;

~~((q))~~ (q) Professional ambulance service to the nearest health care facility qualified to treat the illness or injury; and

~~((r))~~ (r) Other medical equipment, services, or supplies required by physician's orders and medically necessary and consistent with the diagnosis, treatment, and condition.

~~((3))~~ (3) The board shall design and employ cost containment measures and requirements such as, but not limited to, care coordination, provider network limitations, preadmission certification, and concurrent inpatient review which may make the pool more cost-effective.

~~((4))~~ (4) The pool benefit policy may contain benefit limitations, exceptions, and ~~((reductions))~~ cost shares such as copayments, coinsurance, and deductibles that are consistent with managed care products, except that differential cost shares may be adopted by the board for nonnetwork providers under point of service plans. The pool benefit policy cost shares and limitations must be consistent with those that are generally included in health ((insurance)) plans ((and are))

approved by the insurance commissioner; however, no limitation, exception, or reduction may be ~~((approved))~~ used that would exclude coverage for any disease, illness, or injury.

(5) The pool may not reject an individual for health plan coverage based upon preexisting conditions of the individual or deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that it may impose a three-month benefit waiting period for preexisting conditions for which medical advice was given, or for which a health care provider recommended or provided treatment, within three months before the effective date of coverage. The pool may not avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification.

**Sec. 214.** RCW 48.41.200 and 1987 c 431 s 20 are each amended to read as follows:

**HEALTH INSURANCE POOL--RATE MODIFIED.** The pool shall determine the standard risk rate by calculating the average group standard rate for groups comprised of up to ~~((ten))~~ fifty persons charged by the five largest members offering coverages in the state comparable to the pool coverage. In the event five members do not offer comparable coverage, the standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage. Maximum rates for pool coverage shall be one hundred fifty percent for the indemnity health plan and one hundred twenty-five percent for managed care plans of the rates established as applicable for group standard risks in groups comprised of up to ~~((ten))~~ fifty persons~~((All rates and rate schedules shall be submitted to the commissioner for approval))~~.

**Sec. 215.** RCW 48.41.130 and 1987 c 431 s 13 are each amended to read as follows:

**HEALTH INSURANCE POOL--SUBSTANTIAL EQUIVALENT CLARIFIED.** All policy forms issued by the pool shall conform in substance to prototype forms developed by the pool, and shall in all other respects conform to the requirements of this chapter, and shall be filed with and approved by the commissioner before they are issued. The pool shall not issue a pool policy to any individual who, on the effective date of the coverage applied for, already has or would have coverage substantially equivalent to a pool policy as an insured or covered dependent, or who would be eligible for such coverage if he or she elected to obtain it at a lesser premium rate. However, coverage provided by the basic health plan, as established pursuant to chapter 70.47 RCW, shall not be deemed substantially equivalent for the purposes of this section.

**NEW SECTION. Sec. 216.** A new section is added to chapter 48.44 RCW to read as follows:

**LOSS RATIOS--HEALTH CARE SERVICE CONTRACTORS.** (1) For purposes of RCW 48.44.020(2)(d), benefits in a contract shall be deemed reasonable in relation to the amount charged provided that the anticipated loss ratio is at least:

- (a) Sixty-five percent for individual subscriber contract forms;
- (b) Seventy percent for franchise plan contract forms;
- (c) Eighty percent for group contract forms other than small group contract forms; and
- (d) Seventy-five percent for small group contract forms.

(2) With the approval of the commissioner, contract, rider, and endorsement forms that provide substantially similar coverage may be combined for the purpose of determining the anticipated loss ratio.

(3) A health care service contractor may charge the rate for prepayment of health care services in any contract identified in RCW 48.44.020(1) upon filing of the rate with the commissioner. If the commissioner disapproves the rate, the commissioner shall explain in writing the specific reasons for the disapproval. A health care service contractor may continue to charge such rate pending a final order in any hearing held under chapters 48.04 and 34.05 RCW, or if applicable, pending a final order in any appeal. Any amount charged that is determined in a final order on appeal to be unreasonable in relation to the benefits provided is subject to refund.

(4) For the purposes of this section:

(a) "Anticipated loss ratio" means the ratio of all anticipated claims or costs for the delivery of covered health care services including incurred but not reported claims and costs and medical management costs to premium minus any applicable taxes.

(b) "Small group contract form" means a form offered to a small employer as defined in RCW 48.43.005(24).

**NEW SECTION. Sec. 217.** A new section is added to chapter 48.46 RCW to read as follows:  
**LOSS RATIOS--HEALTH MAINTENANCE ORGANIZATIONS.** (1) For purposes of RCW 48.46.060(3)(d), benefits shall be deemed reasonable in relation to the amount charged provided that the anticipated loss ratio is at least:

- (a) Sixty-five percent for individual subscriber contract forms;
- (b) Seventy percent for franchise plan contract forms;
- (c) Eighty percent for group contract forms other than small group contract forms; and
- (d) Seventy-five percent for small group contract forms.

(2) With the approval of the commissioner, contract, rider, and endorsement forms that provide substantially similar coverage may be combined for the purpose of determining the anticipated loss ratio.

(3) A health maintenance organization may charge the rate for prepayment of health care services in any contract identified in RCW 48.46.060(1) upon filing of the rate with the commissioner. If the commissioner disapproves the rate, the commissioner shall explain in writing the specific reasons for the disapproval. A health maintenance organization may continue to charge such rate pending a final order in any hearing held under chapters 48.04 and 34.05 RCW, or if applicable, pending a final order in any appeal. Any amount charged that is determined in a final order on appeal to be unreasonable in relation to the benefits provided is subject to refund.

(4) For the purposes of this section:

(a) "Anticipated loss ratio" means the ratio of all anticipated claims or costs for the delivery of covered health care services including incurred but not reported claims and costs and medical management costs to premium minus any applicable taxes.

(b) "Small group contract form" means a form offered to a small employer as defined in RCW 48.43.005(24).

**NEW SECTION. Sec. 218.** A new section is added to chapter 48.21 RCW to read as follows:  
**LOSS RATIOS--GROUPS' DISABILITY COVERAGE.** The following standards and requirements apply to group and blanket disability insurance policy forms and manual rates:

(1) Specified disease group insurance shall generate at least a seventy-five percent loss ratio regardless of the size of the group.

(2) Group disability insurance, other than specified disease insurance, as to which the insureds pay all or substantially all of the premium shall generate loss ratios no lower than those set forth in the following table.

Number of Certificate Holders at Issue, Renewal, or Rerating	Minimum Overall Loss Ratio
9 or less	60%
10 to 24	65%
25 to 49	70%
50 to 99	75%
100 or more	80%

(3) Group disability policy forms, other than for specified disease insurance, for issue to single employers insuring less than one hundred lives shall generate loss ratios no lower than those set forth in subsection (2) of this section for groups of the same size.

(4) The calculating period may vary with the benefit and premium provisions. The company may be required to demonstrate the reasonableness of the calculating period chosen by the actuary responsible for the premium calculations.

(5) A request for a rate increase submitted at the end of the calculating period shall include a comparison of the actual to the expected loss ratios and shall employ any accumulation of reserves in

the determination of rates for the selected calculating period and account for the maintenance of such reserves for future needs. The request for the rate increase shall be further documented by the expected loss ratio for the new calculating period.

(6) A request for a rate increase submitted during the calculating period shall include a comparison of the actual to the expected loss ratios, a demonstration of any contributions to or support from the reserves, and shall account for the maintenance of such reserves for future needs. If the experience justifies a premium increase it shall be deemed that the calculating period has prematurely been brought to an end. The rate increase shall further be documented by the expected loss ratio for the next calculating period.

(7) The commissioner may approve a series of two or three smaller rate increases in lieu of one larger increase. These should be calculated to reduce the lapses and antiselection that often result from large rate increases. A demonstration of such calculations, whether for a single rate increase or a series of smaller rate increases, satisfactory to the commissioner, shall be attached to the filing.

(8) Companies shall review their experience periodically and file appropriate rate revisions in a timely manner to reduce the necessity of later filing of exceptionally large rate increases.

(9) The definitions in section 221 of this act and the provisions in section 220 of this act apply to this section.

**NEW SECTION. Sec. 219.** A new section is added to chapter 48.20 RCW to read as follows:  
**LOSS RATIOS--INDIVIDUAL DISABILITY COVERAGE.** The following standards and requirements apply to individual disability insurance forms:

(1) The overall loss ratio shall be deemed reasonable in relation to the premiums if the overall loss ratio is at least sixty percent over a calculating period chosen by the insurer and satisfactory to the commissioner.

(2) The calculating period may vary with the benefit and renewal provisions. The company may be required to demonstrate the reasonableness of the calculating period chosen by the actuary responsible for the premium calculations. A brief explanation of the selected calculating period shall accompany the filing.

(3) Policy forms, the benefits of which are particularly exposed to the effects of inflation and whose premium income may be particularly vulnerable to an eroding persistency and other similar forces, shall use a relatively short calculating period reflecting the uncertainties of estimating the risks involved. Policy forms based on more dependable statistics may employ a longer calculating period. The calculating period may be the lifetime of the contract for guaranteed renewable and noncancellable policy forms if such forms provide benefits that are supported by reliable statistics and that are protected from inflationary or eroding forces by such factors as fixed dollar coverages, inside benefit limits, or the inherent nature of the benefits. The calculating period may be as short as one year for coverages that are based on statistics of minimal reliability or that are highly exposed to inflation.

(4) A request for a rate increase to be effective at the end of the calculating period shall include a comparison of the actual to the expected loss ratios, shall employ any accumulation of reserves in the determination of rates for the new calculating period, and shall account for the maintenance of such reserves for future needs. The request for the rate increase shall be further documented by the expected loss ratio for the new calculating period.

(5) A request for a rate increase submitted during the calculating period shall include a comparison of the actual to the expected loss ratios, a demonstration of any contributions to and support from the reserves, and shall account for the maintenance of such reserves for future needs. If the experience justifies a premium increase it shall be deemed that the calculating period has prematurely been brought to an end. The rate increase shall further be documented by the expected loss ratio for the next calculating period.

(6) The commissioner may approve a series of two or three smaller rate increases in lieu of one large increase. These should be calculated to reduce lapses and anti-selection that often result from large rate increases. A demonstration of such calculations, whether for a single rate increase or for a series of smaller rate increases, satisfactory to the commissioner, shall be attached to the filing.

(7) Companies shall review their experience periodically and file appropriate rate revisions in a timely manner to reduce the necessity of later filing of exceptionally large rate increases.

**NEW SECTION. Sec. 220.** A new section is added to chapter 48.20 RCW to read as follows:  
**LOSS RATIOS--DISABILITY COVERAGE EXEMPTIONS.** Sections 218 and 219 of this act apply to all insurers and to every disability insurance policy form filed for approval in this state after the effective date of this section, except:

- (1) Additional indemnity and premium waiver forms for use only in conjunction with life insurance policies;
- (2) Medicare supplement policy forms that are regulated by chapter 48.66 RCW;
- (3) Credit insurance policy forms issued pursuant to chapter 48.34 RCW;
- (4) Group policy forms other than:
  - (a) Specified disease policy forms;
  - (b) Policy forms, other than loss of income forms, as to which all or substantially all of the premium is paid by the individuals insured thereunder;
  - (c) Policy forms, other than loss of income forms, for issue to single employers insuring less than one hundred employees;
- (5) Policy forms filed by health care service contractors or health maintenance organizations;
- (6) Policy forms initially approved, including subsequent requests for rate increases and modifications of rate manuals.

**NEW SECTION. Sec. 221.** A new section is added to chapter 48.20 RCW to read as follows:  
**LOSS RATIOS--DISABILITY COVERAGE DEFINITIONS.** (1) The "expected loss ratio" is a prospective calculation and shall be calculated as the projected "benefits incurred" divided by the projected "premiums earned" and shall be based on the actuary's best projections of the future experience within the "calculating period."

(2) The "actual loss ratio" is a retrospective calculation and shall be calculated as the "benefits incurred" divided by the "premiums earned," both measured from the beginning of the "calculating period" to the date of the loss ratio calculations.

(3) The "overall loss ratio" shall be calculated as the "benefits incurred" divided by the "premiums earned" over the entire "calculating period" and may involve both retrospective and prospective data.

(4) The "calculating period" is the time span over which the actuary expects the premium rates, whether level or increasing, to remain adequate in accordance with his or her best estimate of future experience and during which the actuary does not expect to request a rate increase.

(5) The "benefits incurred" is the "claims incurred" plus any increase, or less any decrease, in the "reserves."

(6) The "claims incurred" means:

- (a) Claims paid during the accounting period; plus
- (b) The change in the liability for claims that have been reported but not paid; plus
- (c) The change in the liability for claims that have not been reported but which may reasonably be expected.

The "claims incurred" does not include expenses incurred in processing the claims, home office or field overhead, acquisition and selling costs, taxes or other expenses, contributions to surplus, or profit.

(7) The "reserves," as referred to in sections 218 and 219 of this act include:

- (a) Active life disability reserves;
- (b) Additional reserves whether for a specific liability purpose or not;
- (c) Contingency reserves;
- (d) Reserves for select morbidity experience; and
- (e) Increased reserves that may be required by the commissioner.

(8) The "premiums earned" means the premiums, less experience credits, refunds, or dividends, applicable to an accounting period whether received before, during, or after such period.

(9) Renewal provisions are defined as follows:

- (a) "Guaranteed renewable" means renewal cannot be declined by the insurance company for any reason, but the insurance company can revise rates on a class basis.

(b) "Noncancellable" means renewal cannot be declined nor can rates be revised by the insurance company.

### PART III--BENEFITS AND SERVICE DELIVERY

NEW SECTION. Sec. 301. A new section is added to chapter 48.43 RCW to read as follows:  
**EMERGENCY MEDICAL SERVICES.** (1) When conducting a review of the necessity and appropriateness of emergency services or making a benefit determination for emergency services:

(a) A health carrier shall cover emergency services necessary to screen and stabilize a covered person if a prudent layperson acting reasonably would have believed that an emergency medical condition existed. In addition, a health carrier shall not require prior authorization of such services provided prior to the point of stabilization if a prudent layperson acting reasonably would have believed that an emergency medical condition existed. With respect to care obtained from a nonparticipating hospital emergency department, a health carrier shall cover emergency services necessary to screen and stabilize a covered person if a prudent layperson would have reasonably believed that use of a participating hospital emergency department would result in a delay that would worsen the emergency, or if a provision of federal, state, or local law requires the use of a specific provider or facility. In addition, a health carrier shall not require prior authorization of such services provided prior to the point of stabilization if a prudent layperson acting reasonably would have believed that an emergency medical condition existed and that use of a participating hospital emergency department would result in a delay that would worsen the emergency.

(b) If an authorized representative of a health carrier authorizes coverage of emergency services, the health carrier shall not subsequently retract its authorization after the emergency services have been provided, or reduce payment for an item or service furnished in reliance on approval, unless the approval was based on a material misrepresentation about the covered person's health condition made by the provider of emergency services.

(c) Coverage of emergency services may be subject to applicable copayments, coinsurance, and deductibles, and a health carrier may impose reasonable differential cost-sharing arrangements for emergency services rendered by nonparticipating providers, if such differential between cost-sharing amounts applied to emergency services rendered by participating provider versus nonparticipating provider does not exceed fifty dollars. Differential cost sharing for emergency services may not be applied when a covered person presents to a nonparticipating hospital emergency department rather than a participating hospital emergency department when the health carrier requires preauthorization for postevaluation or poststabilization emergency services if:

(i) Due to circumstances beyond the covered person's control, the covered person was unable to go to a participating hospital emergency department in a timely fashion without serious impairment to the covered person's health; or

(ii) A prudent layperson possessing an average knowledge of health and medicine would have reasonably believed that he or she would be unable to go to a participating hospital emergency department in a timely fashion without serious impairment to the covered person's health.

(d) If a health carrier requires preauthorization for postevaluation or poststabilization services, the health carrier shall provide access to an authorized representative twenty-four hours a day, seven days a week, to facilitate review. In order for postevaluation or poststabilization services to be covered by the health carrier, the provider or facility must make a documented good faith effort to contact the covered person's health carrier within thirty minutes of stabilization, if the covered person needs to be stabilized. The health carrier's authorized representative is required to respond to a telephone request for preauthorization from a provider or facility within thirty minutes. Failure of the health carrier to respond within thirty minutes constitutes authorization for the provision of immediately required medically necessary postevaluation and poststabilization services, unless the health carrier documents that it made a good faith effort but was unable to reach the provider or facility within thirty minutes after receiving the request.

(e) A health carrier shall immediately arrange for an alternative plan of treatment for the covered person if a nonparticipating emergency provider and health plan cannot reach an agreement on which services are necessary beyond those immediately necessary to stabilize the covered person consistent with state and federal laws.

(2) Nothing in this section is to be construed as prohibiting the health carrier from requiring notification within the time frame specified in the contract for inpatient admission or as soon thereafter as medically possible but no less than twenty-four hours. Nothing in this section is to be construed as preventing the health carrier from reserving the right to require transfer of a hospitalized covered person upon stabilization. Follow-up care that is a direct result of the emergency must be obtained in accordance with the health plan's usual terms and conditions of coverage. All other terms and conditions of coverage may be applied to emergency services.

#### PART IV--MISCELLANEOUS

NEW SECTION. Sec. 401. WICKLINE CLAUSE STUDY. (1) There is some question regarding who should be liable when a health carrier or other third-party payer refuses to pay for or provide health services recommended by a health care provider and the patient suffers injury as a result of not receiving the recommended care. This issue typically arises in managed care systems, which integrate the financing and delivery of health care services to covered persons through selected providers. Contracts between a health carrier and a provider may address potential liability issues regarding the relationship between the carrier and the provider. Some contracts shift potential liability for a health carrier's decision not to pay for recommended health services to the provider or patient through what are commonly referred to as "Wickline clauses." These clauses generally state it is a medical decision between the provider and patient as to whether the patient receives services that the carrier refuses to cover; this ignores the fact that the decision not to provide coverage influences the decision of the patient whether to receive the recommended care. The legislature intends to review the policy questions raised by this issue, particularly to what extent the carrier should be able to avoid liability for its decisions by insulating itself through its contracts with providers.

(2) A joint task force on Wickline clauses shall review the practice of contractually assigning or avoiding potential liability for decisions by a health carrier or other third-party payer not to pay for health care services recommended by a health care provider. The task force shall be comprised of two members of the house of representatives appointed by the speaker of the house, one from each major caucus, two members of the senate appointed by the president of the senate, one from each major caucus, and eight persons appointed by the legislative members of the task force. The eight nonlegislative persons on the task force shall consist of: Two representatives of health care providers; two representatives of health care consumers; two representatives of health carriers; and two representatives of self-funded health plans. The legislative members shall organize and administer the task force. Staffing shall be provided by the office of program research and senate committee services.

(3) The task force shall report to the health care committees of the legislature by December 1, 1997. The report shall discuss the policy issues regarding Wickline clauses and the more general issue of potential liability for decisions of a health carrier and others not to cover health care recommended by the provider. The report may contain recommendations for the legislature to consider.

NEW SECTION. Sec. 402. COMMON TITLE. This act shall be known as the consumer assistance and insurance market stabilization act.

NEW SECTION. Sec. 403. Part headings and section captions used in this act are not part of the law.

NEW SECTION. Sec. 404. SEVERABILITY CLAUSE. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 405. EFFECTIVE DATES. (1) Sections 104 through 108 and 301 of this act take effect January 1, 1998.

(2) Section 111 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1997.

(3) Section 205 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

MESSAGE FROM THE SENATE

April 16, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1111 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 401.** (1) If a person placed surface or ground water to beneficial use before January 1, 1993, for irrigation, stock watering, or domestic use supplied by a public water supply system with one hundred fifty or fewer service connections for which a permit or certificate was not issued by the department or its predecessors, the person or the public water supply system, or their respective successors may continue to use water in the amount that has been beneficially used as provided in subsection (3) of this section if:

(a) The person or the public water supply system files with the department a statement of claim during the period beginning September 1, 1997, and ending midnight June 30, 1998, using the standard form prescribed by RCW 90.14.051; and

(b) The person or public water supply system has applied the water to beneficial use to the full extent stated in the statement of claim during at least one of the five years preceding the date the statement is filed and the person attests to having done so on the statement.

(2) The person or public water supply system must file with the statement of claim evidence that the quantity of water described in the claim was used beneficially before January 1, 1993, and during one of the five years preceding the date the statement was filed in the form of any two of the following:

(a) A statement signed by two persons other than the person filing the statement of claim verifying that the claimant beneficially used the water before January 1, 1993, and during one of the five years preceding the date the statement was filed as described in the statement of claim;

(b) A copy of a dated photograph clearly demonstrating the presence of grass or a crop requiring irrigation in the amounts asserted in the statement of claim or of livestock requiring water in such amounts; or records of receipts of the sale of crops by the person or the person's successor indicating that irrigation in the amount claimed was required to produce the crops;

(c) Receipts or records of irrigation or stockwatering equipment purchases or repairs associated with the water use specified in the statement of claim;

(d) Water well construction records identifying the date the well specified in the statement of claim as the point of withdrawal was constructed;

(e) Records of electricity bills directly associated with the withdrawal of water as specified in the statement of claim;

(f) Personal records such as photographs, journals, or correspondence indicating the use of water as asserted in the statement of claim.

(3) Public water supply systems must, in addition to the requirements of subsection (2) of this section, provide evidence of service connections existing and using water as of January 1, 1993, including documentation that the homes were built and occupied.

**NEW SECTION. Sec. 402.** If the claimant has not already filed an application for a water right under RCW 90.30.250 or 90.44.060 for the water use stated in the statement of claim, the claimant shall file such an application with the claimant's statement of claim. A claimant who has filed both a statement of claim and an application for a water right has standing to assert a claim of a water right in a general adjudication under RCW 90.03.110 for the water use stated in the statement of claim. The statement of claim shall be reviewed by the court as provided in section 4 of this act.

**NEW SECTION. Sec. 403.** A person may continue to use water described in the statement of claim until one of the following occurs:

(1) The department makes its final decision granting or denying the water right application filed by the applicant as provided in section 2 of this act; or

(2) If the department has not made a final decision on the water right application, a court of competent jurisdiction issues a decree pursuant to a general adjudication under RCW 90.03.200 that defines or denies the claimant's right to appropriate water as provided in section 4 of this act.

**NEW SECTION. Sec. 404.** The department or the court may authorize the continued use of water under section 3 of this act only if the claimant meets the requirements of RCW 90.03.247 through 90.03.330, chapter 90.44 RCW, and RCW 90.54.020. If the department finds that the applicable requirements are met, it shall grant the water right application and issue a certificate under RCW 90.03.330 authorizing the person to use that quantity of water that had been put to beneficial use, not to exceed that quantity requested in the application or documented in the statement of claim under section 1 of this act, whichever is less. If in a general adjudication the court finds that the requirements are met, it shall confirm such use of water in a decree issued under RCW 90.03.200 and the department shall issue a certificate under RCW 90.03.240. The court may not confirm a right in excess of the quantity of water that was applied to beneficial use as documented in the statement of claim under section 1 of this act or the quantity requested in the application for a water right, whichever is less. The priority date of any right issued by the department or confirmed by a court shall be the date a water right application authorizing the use of water was filed with the department.

**NEW SECTION. Sec. 405.** If the department or the court denies the claimant's use of water under section 4 of this act, the claimant must cease the use of the water. A decision by the department or a court limiting or denying a claimant's right to continue using water does not constitute a compensable taking under state or federal law because such claimants have no continuing legal right to use water.

**NEW SECTION. Sec. 406.** Sections 1 through 8 of this act do not apply to or authorize any use of water that was the subject of a water right application filed with the department, where the department denied such application.

**NEW SECTION. Sec. 407.** A continuing use of water authorized under sections 1 through 8 of this act do not affect or impair in any respect whatsoever a water right existing before September 1, 1997. Sections 1 through 8 of this act do not limit the ability of a senior water right holder to take legal action against any other water user to prevent impairment of his or her water right. A right granted under sections 1 through 8 of this act may be junior in every respect to a right with a more senior date of priority. Any right granted under sections 1 through 8 of this act may only be exercised in a manner that does not impair or interfere with a water right that is senior to it. The filing of a statement of claim under this section does not constitute an adjudication of any claim to the right to the use of waters as between the claimant and the state, or as between one or more water use claimants. A statement of claim filed under this section shall be admissible in a general adjudication of water rights as prima facie evidence of the times of use and the quantity of water the claimant was withdrawing or diverting to the same extent as is provided by RCW 90.14.081 for a statement of claim in the water rights claims registry on the effective date of this section.

**NEW SECTION. Sec. 408.** This section does not apply to ground water in an area that is, during the period established by section 1(2) of this act, the subject of a general adjudication proceeding for water rights in superior court under RCW 90.03.110 through 90.03.245 and the proceeding applies to ground water rights. This section does not apply to surface water in an area that is, during the period established by section 1(2) of this act, the subject of a general adjudication proceeding for water rights in superior court under RCW 90.03.110 through 90.03.245 and the proceeding applies to surface water rights.

**NEW SECTION. Sec. 409.** Sections 1 through 8 of this act do not apply to rights embodied in a water right permit or certificate issued by the department of ecology or its predecessors, a water right represented by a claim in the water rights claims registry, created under RCW 90.14.111, before

September 1, 1997, or a water right exempted from permit and application requirements by RCW 90.44.050.

NEW SECTION. Sec. 410. Sections 1 through 8 of this act do not apply to claims for the use of water in a ground water area or subarea for which a management program adopted by the department by rule and in effect on the effective date of this section establishes acreage expansion limitations for the use of ground water.

NEW SECTION. Sec. 411. Sections 1 through 10 of this act are each added to chapter 90.03 RCW."

On page 1, line 1 of the title, after "rights;" strike the remainder of the title and insert "adding new sections to chapter 90.03 RCW."

and the same are herewith transmitted.

#### MESSAGE FROM THE SENATE

April 7, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1418 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 401.** RCW 79.64.030 and 1993 c 460 s 2 are each amended to read as follows:

Funds in the account derived from the gross proceeds of leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting school lands, university lands, (~~agricultural college lands,~~) scientific school lands, normal school lands, capitol building lands, or institutional lands shall be (~~pooled and~~) expended by the department solely for the purpose of defraying the costs and expenses necessarily incurred in managing and administering (~~all of the trust lands enumerated in this section~~) state lands of the same trust. Such funds may be used for similar costs and expenses in managing and administering other lands managed by the department provided that such expenditures that have been or may be made on such other lands shall be repaid to the resource management cost account together with interest at a rate determined by the board of natural resources.

An accounting shall be made annually of the accrued expenditures from the (~~pooled~~) trust funds in the account. In the event the accounting determines that expenditures have been made from moneys derived from certain trust lands for the benefit of another trust or other lands, such expenditure shall be considered a debt and an encumbrance against the property or trust funds benefited, including property held under chapter 76.12 RCW. The results of the accounting shall be reported to the legislature at the next regular session. The state treasurer is authorized, upon request of the department, to transfer funds between the forest development account and the resource management cost account solely for purpose of repaying loans pursuant to this section.

**Sec. 402.** RCW 79.01.136 and 1979 ex.s. c 109 s 5 are each amended to read as follows:

Before any state lands are offered for sale, or lease, or are assigned, the department of natural resources may establish the fair market value of those authorized improvements not owned by the state. In the event that agreement cannot be reached between the state and the lessee on the fair market value, such valuation shall be submitted to a review board of appraisers. The board shall be as follows: One member to be selected by the lessee and his or her expense shall be borne by the lessee; one member selected by the state and his or her expense shall be borne by the state; these members so selected shall mutually select a third member and his or her expenses shall be shared equally by the lessee and the state. The majority decision of this appraisal review board shall be binding on both parties. For this purpose "fair market value" is defined as: The highest price in terms of money which a property will bring in a competitive and open market under all conditions of a fair sale, the buyer and seller, each prudently knowledgeable and assuming the price is not affected by undue stimulus. All damages and wastes committed upon such lands and other obligations due from the lessee shall be deducted from the appraised value of the improvements(~~(- PROVIDED, That)~~). However, the department of natural resources on behalf of the respective trust may purchase at fair market value those improvements if it appears to be in the best interest of the state ((from the RMCA of the general fund)). Payment for the improvements may be made with funds held on behalf of the trust in the resource management cost account established under RCW 79.64.020.

**Sec. 403.** RCW 79.64.010 and 1967 ex.s. c 63 s 1 are each amended to read as follows:

Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in this chapter shall have the following meanings:

- (1) "Account" means the resource management cost account in the state general fund.
- (2) "Department" means the department of natural resources.
- (3) "Board" means the board of natural resources of the department of natural resources.
- (4) "Rule" means rule as (~~(the same)~~) that term is defined by RCW 34.05.010.
- (5) The definitions set forth in RCW 79.01.004 shall be applicable.
- (6) "Agricultural college lands" means all public lands awarded to the state of Washington under section 16 of the Omnibus Enabling Act (25 Stat. 180) and all lands acquired as the result of the sale or exchange of the lands.

**Sec. 404.** RCW 79.64.020 and 1993 c 460 s 1 are each amended to read as follows:

A resource management cost account in the state treasury is hereby created to be used solely for the purpose of defraying the costs and expenses necessarily incurred by the department in managing and administering public lands, and the making and administering of leases, sales, contracts, licenses, permits, easements, and rights of way on or with respect to such lands as authorized under the

provisions of this title. Appropriations from the account to the department shall be expended for no other purposes. The resource management cost account may receive and accept funds that are to be used for such purposes from any source. Funds in the account produced by a trust may be appropriated or transferred by the legislature (~~for the benefit of all of the trusts from which the funds were derived~~) only for the benefit of the trust.

NEW SECTION. Sec. 405. A new section is added to chapter 79.64 RCW to read as follows:

No part of the gross proceeds from leases, sales, contracts, licenses, permits, easements, and rights of way on or relating to the agricultural college lands may be used to defray costs or expenses incurred in managing and administering the lands, and all such gross proceeds shall be made available to the beneficiary of the agricultural college lands.

**Sec. 406.** RCW 79.64.040 and 1981 2nd ex.s. c 4 s 3 are each amended to read as follows:

The board shall determine the amount deemed necessary in order to achieve the purposes of this chapter and shall provide by rule for the deduction of this amount from the gross proceeds of all leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting public lands other than the agricultural college lands. Moneys received with respect to such lands as deposits from successful bidders, advance payments, and security under RCW 79.01.132 and 79.01.204 prior to December 1, 1981, which have not been subjected to deduction under this section are not subject to deduction under this section. The deductions authorized under this section shall in no event exceed twenty-five percent of the total sum received by the department in connection with any one transaction pertaining to public lands other than second class tide and shore lands and the beds of navigable waters, and fifty percent of the total gross proceeds received by the department pertaining to second class tide and shore lands and the beds of navigable waters.

NEW SECTION. Sec. 407. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1997."

On page 1, line 3 of the title, after "lands;" strike the remainder of the title and insert "amending RCW 79.64.030, 79.01.136, 79.64.010, 79.64.020, and 79.64.040; adding a new section to chapter 79.64 RCW; providing an effective date; and declaring an emergency."

#### MESSAGE FROM THE SENATE

April 17, 1997

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1581 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.40.160 and 1995 c 395 s 7 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230 by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2).

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsections

(5) and (6) of this section. If the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) If the middle offender has less than 110 points, the court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150. If the middle offender has 110 points or more, the court may impose a disposition under option A and may suspend the disposition on the condition that the offender serve up to thirty days of confinement and follow all conditions of community supervision. If the offender violates any condition of the disposition including conditions of a probation bond, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspension and order execution of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230 by the state or the respondent. A disposition pursuant to subsection (4)(a) or (b) of this section is not appealable under RCW 13.40.230.

(5) When a serious, middle, or minor first offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (iv) Anticipated length of treatment; and
- (v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, and the court may suspend the execution of the disposition and place the offender on community supervision for up to two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

- (b)(i) Devote time to a specific education, employment, or occupation;

(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(v) Report as directed to the court and a probation counselor;

(vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof;

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense; ~~((or))~~

(viii) Comply with the conditions of any court-ordered probation bond; or

(ix) The court shall order that the offender may not attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings. The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district. The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (5), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (5) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days' confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days' confinement for the violation of the conditions of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(6) RCW 13.40.193 shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of RCW 9.41.040(1)(~~(e)~~) (b)(iii) or any crime in which a special finding is entered that the juvenile was armed with a firearm.

(7) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(8) Except as provided for in subsection (4)(b) or (5) of this section or RCW 13.40.125, the court shall not suspend or defer the imposition or the execution of the disposition.

(9) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

**Sec. 2.** RCW 13.40.215 and 1995 c 324 s 1 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before discharge, parole, or any other authorized leave or release, or before transfer to a community residential facility, the secretary shall send written notice of the discharge, parole, authorized leave or release, or transfer of a juvenile found to have committed a violent offense, a sex offense, or stalking, to the following:

(i) The chief of police of the city, if any, in which the juvenile will reside;

(ii) The sheriff of the county in which the juvenile will reside; and

(iii) The approved private schools and the common school district board of directors of the district in which the juvenile intends to reside or the approved private school or public school district in which the juvenile last attended school, whichever is appropriate, except when it has been determined by the department that the juvenile is twenty-one years old; is not required to return to school under chapter 28A.225 RCW; or will be in the community for less than seven consecutive days on approved leave and will not be attending school during that time.

(b) After the effective date of this act, the department shall send a written notice to approved private and public schools under the same conditions identified in subsection (1)(a)(iii) of this section when a juvenile adjudicated of any offense is transferred to a community residential facility.

(c) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific juvenile:

(i) The victim of the offense for which the juvenile was found to have committed or the victim's next of kin if the crime was a homicide;

Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the juvenile. The notice to the chief of police or the sheriff shall include the identity of the juvenile, the residence where the juvenile will reside, the identity of the person, if any, responsible for supervising the juvenile, and the time period of any authorized leave.

~~((e))~~ (d) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical furloughs.

~~((d))~~ (e) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2)(a) If a juvenile found to have committed a violent offense, a sex offense, or stalking escapes from a facility of the department, the secretary shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the juvenile resided immediately before the juvenile's arrest. If previously requested, the secretary shall also notify the witnesses and the victim of the offense which the juvenile was found to have committed or the victim's next of kin if the crime was a homicide. If the juvenile is recaptured, the secretary shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(b) The secretary may authorize a leave, for a juvenile found to have committed a violent offense, a sex offense, or stalking, which shall not exceed forty-eight hours plus travel time, to meet an

emergency situation such as a death or critical illness of a member of the juvenile's family. The secretary may authorize a leave, which shall not exceed the time medically necessary, to obtain medical care not available in a juvenile facility maintained by the department. Prior to the commencement of an emergency or medical leave, the secretary shall give notice of the leave to the appropriate law enforcement agency in the jurisdiction in which the juvenile will be during the leave period. The notice shall include the identity of the juvenile, the time period of the leave, the residence of the juvenile during the leave, and the identity of the person responsible for supervising the juvenile during the leave. If previously requested, the department shall also notify the witnesses and victim of the offense which the juvenile was found to have committed or the victim's next of kin if the offense was a homicide.

In case of an emergency or medical leave the secretary may waive all or any portion of the requirements for leaves pursuant to RCW 13.40.205 (2)(a), (3), (4), and (5).

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parents or legal guardian of the child.

(4) The secretary shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(5) Upon discharge, parole, or other authorized leave or release, a convicted juvenile sex offender shall not attend a public or approved private elementary, middle, or high school that is attended by a victim or a sibling of a victim of the sex offender. The parents or legal guardians of the convicted juvenile sex offender shall be responsible for transportation or other costs associated with or required by the sex offender's change in school that otherwise would be paid by a school district. Upon discharge, parole, or other authorized leave or release of a convicted juvenile sex offender, the secretary shall send written notice of the discharge, parole, or other authorized leave or release and the requirements of this subsection to the common school district board of directors of the district in which the sex offender intends to reside or the district in which the sex offender last attended school, whichever is appropriate. The secretary shall send a similar notice to any approved private school the juvenile will attend, if known, or if unknown, to the approved private schools within the district the juvenile resides or intends to reside.

Each school district shall adopt a policy establishing rational, fair, and equitable standards for acceptance and rejection of applications by June 30, 1990. The policy may include rejection of a nonresident student((s)) if:

(b) The student's disciplinary records indicate a history of violent or disruptive behavior or gang membership; or

(c) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (1)(c) must apply uniformly to both resident and nonresident applicants.

#### APPOINTMENT OF CONFEREES

#### MESSAGE FROM THE SENATE

April 17, 1997

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1924 with the following amendments:

On page 21, after line 31, insert the following:

"**Sec. 3.** RCW 9A.44.130 and 1996 c 275 s 11 are each amended to read as follows:

(1) Any adult or juvenile residing in this state who has been found to have committed or has been convicted of any sex offense, or who has been found not guilty by reason of insanity under chapter 10.77 RCW of committing any sex offense, shall register with the county sheriff for the county of the person's residence.

(2) The person shall provide the county sheriff with the following information when registering: (a) Name; (b) address; (c) date and place of birth; (d) place of employment; (e) crime for which convicted; (f) date and place of conviction; (g) aliases used; and (h) social security number.

(3)(a) Sex offenders shall register within the following deadlines. For purposes of this section the term "conviction" refers to adult convictions and juvenile adjudications for sex offenses:

(i) **SEX OFFENDERS IN CUSTODY.** Sex offenders who committed a sex offense on, before, or after February 28, 1990, and who, on or after July 28, 1991, are in custody, as a result of that offense, of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. The agency that has jurisdiction over the offender shall provide notice to the sex offender of the duty to register. Failure to register within twenty-four hours of release constitutes a violation of this section and is punishable as provided in subsection (7) of this section.

(ii) **SEX OFFENDERS NOT IN CUSTODY BUT UNDER STATE OR LOCAL JURISDICTION.** Sex offenders, who, on July 28, 1991, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 28, 1991. A change in supervision status of a sex offender who was required to register under this subsection (3)(a)(ii) as of July 28, 1991, shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iii) **SEX OFFENDERS UNDER FEDERAL JURISDICTION.** Sex offenders who, on or after July 23, 1995, as a result of that offense are in the custody of the United States bureau of prisons or other federal or military correctional agency for sex offenses committed before, on, or after February 28, 1990, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. Sex offenders who, on July 23, 1995, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 23, 1995. A change in supervision status of a sex offender

who was required to register under this subsection (3)(a)(iii) as of July 23, 1995, shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iv) **SEX OFFENDERS WHO ARE CONVICTED BUT NOT CONFINED.** Sex offenders who are convicted of a sex offense on or after July 28, 1991, for a sex offense that was committed on or after February 28, 1990, but who are not sentenced to serve a term of confinement immediately upon sentencing, shall report to the county sheriff to register immediately upon completion of being sentenced.

(v) **SEX OFFENDERS WHO ARE NEW RESIDENTS OR RETURNING WASHINGTON RESIDENTS.** Sex offenders who move to Washington state from another state or a foreign country that are not under the jurisdiction of the state department of corrections, the indeterminate sentence review board, or the state department of social and health services at the time of moving to Washington, must register within thirty days of establishing residence or reestablishing residence if the person is a former Washington resident. The duty to register under this subsection applies to sex offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after February 28, 1990. Sex offenders from other states or a foreign country who, when they move to Washington, are under the jurisdiction of the department of corrections, the indeterminate sentence review board, or the department of social and health services must register within twenty-four hours of moving to Washington. The agency that has jurisdiction over the offender shall notify the offender of the registration requirements before the offender moves to Washington.

(vi) **SEX OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY.** Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of committing a sex offense on, before, or after February 28, 1990, and who, on or after July 23, 1995, is in custody, as a result of that finding, of the state department of social and health services, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. The state department of social and health services shall provide notice to the adult or juvenile in its custody of the duty to register. Any adult or juvenile who has been found not guilty by reason of insanity of committing a sex offense on, before, or after February 28, 1990, but who was released prior to July 23, 1995, shall be required to register within twenty-four hours of receiving notice of this registration requirement. The state department of social and health services shall make reasonable attempts within available resources to notify offenders who were released prior to July 23, 1995. Failure to register within twenty-four hours of release, or of receiving notice, constitutes a violation of this section and is punishable as provided in subsection (7) of this section.

(b) Failure to register within the time required under this section constitutes a per se violation of this section and is punishable as provided in subsection (7) of this section. The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of this section, or arraignment on charges for a violation of this section, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under this section who asserts as a defense the lack of notice of the duty to register shall register immediately following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

(4)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must send written notice of the change of address to the county sheriff at least fourteen days before moving. If any person required to register pursuant to this section moves to a new county, the person must send written notice of the change of address at least fourteen days before moving to the county sheriff in the new county of residence and must register with that county sheriff within twenty-four hours of moving. The person must also send written notice within ten days of the change of address in the new county to the county sheriff with whom the person

last registered. If any person required to register pursuant to this section moves out of Washington state, the person must also send written notice within ten days of moving to the new state or a foreign country to the county sheriff with whom the person last registered in Washington state.

(b) It is an affirmative defense to a charge that the person failed to send a notice at least fourteen days in advance of moving as required under (a) of this subsection that the person did not know the location of his or her new residence at least fourteen days before moving. The defendant must establish the defense by a preponderance of the evidence and, to prevail on the defense, must also prove by a preponderance that the defendant sent the required notice within twenty-four hours of determining the new address.

(5) The county sheriff shall obtain a photograph of the individual and shall obtain a copy of the individual's fingerprints.

#### APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Ballasiotes, Koster and Costa as Conferees on House Bill No. 1924.

#### MESSAGE FROM THE SENATE

April 17, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2279 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.47.015 and 1995 c 265 s 1 are each amended to read as follows:

(1) The legislature finds that the basic health plan has been an effective program in providing health coverage for uninsured residents. Further, since 1993, substantial amounts of public funds have been allocated for subsidized basic health plan enrollment.

(2) It is the intent of the legislature that the basic health plan enrollment be expanded expeditiously, consistent with funds available in the health services account, with the goal of two hundred thousand adult subsidized basic health plan enrollees and one hundred thirty thousand children covered through expanded medical assistance services by June 30, 1997, with the priority of providing needed health services to children in conjunction with other public programs.

(3) Effective January 1, 1996, basic health plan enrollees whose income is less than one hundred twenty-five percent of the federal poverty level shall pay at least a ten-dollar premium share.

(4) No later than July 1, 1996, the administrator shall implement procedures whereby hospitals licensed under chapters 70.41 and 71.12 RCW, health carrier, rural health care facilities regulated under chapter 70.175 RCW, and community and migrant health centers funded under RCW 41.05.220, may expeditiously assist patients and their families in applying for basic health plan or medical assistance coverage, and in submitting such applications directly to the health care authority or the department of social and health services. The health care authority and the department of social and health services shall make every effort to simplify and expedite the application and enrollment process.

(5) No later than July 1, 1996, the administrator shall implement procedures whereby health insurance agents and brokers, licensed under chapter 48.17 RCW, may expeditiously assist patients and their families in applying for basic health plan or medical assistance coverage, and in submitting such applications directly to the health care authority or the department of social and health services.

Brokers and agents (~~shall be entitled to~~) may receive a commission for each individual sale of the basic health plan to anyone not (~~at anytime previously~~) signed up within the previous five years and a commission for each group sale of the basic health plan, if funding for this purpose is provided in a specific appropriation to the health care authority. No commission shall be provided upon a renewal. Commissions shall be determined based on the estimated annual cost of the basic health plan, however, commissions shall not result in a reduction in the premium amount paid to health carriers. For purposes of this section "health carrier" is as defined in RCW 48.43.005. The administrator may establish: (a) Minimum educational requirements that must be completed by the agents or brokers; (b) an appointment process for agents or brokers marketing the basic health plan; or (c) standards for revocation of the appointment of an agent or broker to submit applications for cause, including untrustworthy or incompetent conduct or harm to the public. The health care authority and the department of social and health services shall make every effort to simplify and expedite the application and enrollment process.

**Sec. 2.** RCW 70.47.060 and 1995 c 266 s 1 and 1995 c 2 s 4 are each reenacted and amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care. In addition, the administrator may, to the extent that funds are available, offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive (~~covered basic health care services~~) covered basic health care services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate.

However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the

managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator (~~but in no case shall the payment made on behalf of the enrollee exceed the total premiums due from the enrollee~~)).

(d) To develop, as an offering by all health carriers providing coverage identical to the basic health plan, a model plan benefits package with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of enrollee cost sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1997."

## MESSAGE FROM THE SENATE

April 15, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1372 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The Washington advanced college tuition payment program is established to help make higher education affordable and accessible to all citizens of the state of Washington by offering a savings incentive that will protect purchasers and beneficiaries against rising tuition costs. The program is designed to encourage savings and enhance the ability of Washington citizens to obtain financial access to institutions of higher education. In addition, the program encourages elementary and secondary school students to do well in school as a means of preparing for and aspiring to higher education attendance. This program is intended to promote a well-educated and financially secure population to the ultimate benefit of all citizens of the state of Washington.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Academic year" means the regular nine-month, three-quarter, or two-semester period annually occurring between July 1st and June 30th.

(2) "Account" means the Washington advanced college tuition payment program account established for the deposit of all money received by the board from eligible purchasers and interest earnings on investments of funds in the account, as well as for all expenditures on behalf of eligible beneficiaries for the redemption of tuition units.

(3) "Board" means the higher education coordinating board as defined in chapter 28B.80 RCW.

(4) "Committee on advanced tuition payment" or "committee" means a committee of the following members or their designees: The state treasurer, the director of the office of financial management, and the chair of the higher education coordinating board.

(5) "Governing body" means the entity empowered by the legislature to administer the Washington advanced college tuition payment program.

(6) "Contractual obligation" means a legally binding contract of the state with the purchaser and the beneficiary establishing that purchases of tuition units will be worth the same number of tuition units at the time of redemption as they were worth at the time of the purchase.

(7) "Eligible beneficiary" means the person for whom the tuition unit will be redeemed for attendance at an institution of higher education. The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the board. With the exception of tuition unit contracts purchased by qualified organizations as future scholarships, the beneficiary must reside in the state of Washington or otherwise be a resident of the state of Washington at the time the tuition unit contract is accepted by the board.

(8) "Eligible purchaser" means an individual or organization that has entered into a tuition unit contract with the board for the purchase of tuition units for an eligible beneficiary.

(9) "Full-time tuition charges" means resident tuition charges at a state institution of higher education for enrollments between ten credits and eighteen credit hours per academic term.

(10) "Institution of higher education" means an institution that offers education beyond the secondary level and is accredited by a nationally recognized accrediting association or is licensed to do business in the state in which it is located.

(11) "Investment board" means the state investment board as defined in chapter 43.33A RCW.

(12) "State institution of higher education" means institutions of higher education as defined in RCW 28B.10.016.

(13) "Tuition and fees" means tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. The maximum tuition and fees charges recognized for beneficiaries enrolled in a state technical college shall be equal to the tuition and fees for the community college system.

(14) "Tuition unit contract" means a contract between an eligible purchaser and the board, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

(15) "Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the weighted average tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account.

(16) "Weighted average tuition" shall be calculated as the sum of the undergraduate tuition and services and activities fees for each four-year state institution of higher education, multiplied by the respective full-time equivalent student enrollment at each institution divided by the sum total of undergraduate full-time equivalent student enrollments of all four-year state institutions of higher education, rounded to the nearest whole dollar.

(17) "Weighted average tuition unit" is the value of the weighted average tuition and fees divided by one hundred. The weighted average is the basis upon which tuition benefits are calculated for graduate program enrollments and for attendance at nonstate institutions of higher education and is the basis for any refunds provided from the program.

**NEW SECTION. Sec. 3.** (1) The Washington advanced college tuition payment program shall be administered by the committee on advanced tuition payment which shall be chaired by the representative from the higher education coordinating board. The committee shall be supported by staff of the board.

(2) The committee shall assess the administration and projected financial solvency of the program and make a recommendation to the legislature by the end of the second year after the effective date of this section as to disposition of the further administration of the program.

(3)(a) The Washington advanced college tuition payment program shall consist of the sale of tuition units, which may be redeemed by the beneficiary at a future date for an equal number of tuition units regardless of any increase in the price of tuition, that may have occurred in the interval.

(b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the board.

(c) The number of tuition units necessary to pay for a full year's, full-time tuition and fee charges at a state institution of higher education shall be set by the board at the time a purchaser enters into a tuition unit contract.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program.

(4)(a) No tuition unit may be redeemed until two years after the purchase of the unit. Units may be redeemed for enrollment at any institution of higher education.

(b) Units redeemed at a nonstate institution of higher education or for graduate enrollment shall be redeemed at the current weighted average tuition unit in effect at the time of redemption.

(5) The governing body shall determine the conditions under which the tuition benefit may be transferred to another family member. In permitting such transfers, the governing body may not allow

the tuition benefit to be bought, sold, bartered, or otherwise exchanged for goods and services by either the beneficiary or the purchaser.

(6) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(7) The governing body shall annually determine current value of a tuition unit and the value of the weighted average tuition unit.

(8) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program.

(9) In addition to any other powers conferred by this chapter, the governing body may:

(a) Impose reasonable limits on the number of tuition units or units that may be used in any one year;

(b) Determine and set any time limits, if necessary, for the use of benefits under this chapter;

(c) Impose and collect administrative fees and charges in connection with any transaction under this chapter;

(d) Appoint and use advisory committees as needed to provide program direction and guidance;

(e) Formulate and adopt all other policies and rules necessary for the efficient administration of the program;

(f) Consider the addition of an advanced payment program for room and board contracts and also consider a college savings program;

(g) Purchase insurance from insurers licensed to do business in the state, to provide for coverage against any loss in connection with the account's property, assets, or activities or to further insure the value of the tuition units;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter;

(i) Contract for the provision for all or part of the services necessary for the management and operation of the program with other state or nonstate entities authorized to do business in the state;

(j) Contract for other services or for goods needed by the board in the conduct of its business under this chapter;

(k) Employ all personnel as necessary to carry out its responsibilities under this chapter and to fix the compensation of these persons;

(l) Contract with financial consultants, actuaries, auditors, and other consultants as necessary to carry out its responsibilities under this chapter;

(m) Solicit and accept cash donations and grants from any person, governmental agency, private business, or organization; and

(n) Perform all acts necessary and proper to carry out the duties and responsibilities of this program under this chapter.

**NEW SECTION. Sec. 4.** The governing body may, at its discretion, allow an organization to purchase tuition units for future use as scholarships. Such organizations electing to purchase tuition units for this purpose must enter into a contract with the governing body which, at a minimum, ensures that the scholarship shall be freely given by the purchaser to a scholarship recipient. For such purchases, the purchaser need not name a beneficiary until four months before the date when the tuition units are first expected to be used.

The governing body shall formulate and adopt such rules as are necessary to determine which organizations may qualify to purchase tuition units for scholarships under this section. The governing body also may consider additional rules for the use of tuition units if purchased as scholarships.

The governing body may establish a scholarship fund with moneys from the Washington advanced college tuition payment program account. A scholarship fund established under this authority shall be administered by the higher education coordinating board and shall be provided to students who demonstrate financial need. Financial need is not a criterion that any other organization need consider

when using tuition units as scholarships. The board also may establish its own corporate-sponsored scholarship fund under this chapter.

**NEW SECTION. Sec. 5.** The Washington advanced college tuition payment program is an essential state governmental function. Contracts with eligible participants shall be contractual obligations legally binding on the state as set forth in this chapter. If, and only if, the moneys in the account are projected to be insufficient to cover the state's contracted expenses for a given biennium, then the legislature shall appropriate to the account the amount necessary to cover such expenses.

The tuition and fees charged by a state institution of higher education to an eligible beneficiary for a current enrollment shall be paid by the account to the extent the beneficiary has remaining unused tuition units for the appropriate school. The tuition and fees charged to a beneficiary for graduate level enrollments or by a nonstate institution of higher education shall be paid by the account to the extent that the beneficiary has remaining weighted average tuition units.

**NEW SECTION. Sec. 6.** (1) The Washington advanced college tuition payment program account is created in the custody of the state treasurer. The account shall be a discrete nontreasury account retaining its interest earnings in accordance with RCW 43.79A.040.

(2) The governing body shall deposit in the account all money received for the program. The account shall be self-sustaining and consist of payments received from purchasers of tuition units and funds received from other sources, public or private. With the exception of investment and operating costs associated with the investment of money by the investment board paid under RCW 43.33A.160 and 43.84.160, the account shall be credited with all investment income earned by the account. Disbursements from the account are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment and budgetary controls of chapter 43.88 RCW, but no appropriation is required for expenditures.

(3) The assets of the account may be spent for the purpose of making payments to institutions of higher education on behalf of the qualified beneficiaries, making refunds, transfers, or direct payments upon the termination of the Washington advanced college tuition payment program, and paying the costs of administration of the program. Disbursements from the account shall be made only on the authorization of the board.

**NEW SECTION. Sec. 7.** (1) The investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the account. All investment and operating costs associated with the investment of money shall be paid pursuant to RCW 43.33A.160 and 43.84.160. With the exception of these expenses, the earnings from the investment of the money shall be retained by the account.

(2) All investments made by the investment board shall be made with the exercise of that degree of judgment and care pursuant to RCW 43.33A.140 and the investment policy established by the state investment board.

(3) As deemed appropriate by the investment board, money in the account may be commingled for investment with other funds subject to investment by the board.

(4) The authority to establish all policies relating to the account, other than the investment policies as set forth in subsections (1) through (3) of this section, resides with the board. With the exception of expenses of the investment board set forth in subsection (1) of this section, disbursements from the account shall be made only on the authorization of the governing body, and money in the account may be spent only for the purposes of the program as specified in this chapter.

(5) The investment board shall routinely consult and communicate with the governing body on the investment policy, earnings of the trust, and related needs of the program.

**NEW SECTION. Sec. 8.** The governing body shall annually evaluate, and cause to be evaluated by a nationally recognized actuary, the soundness of the account and determine the additional assets needed, if any, to defray the obligations of the account.

If funds are not sufficient to ensure the actuarial soundness of the account, the governing body shall adjust the price of subsequent tuition credit purchases to ensure its soundness.

If there are insufficient numbers of new purchases to ensure the actuarial soundness of the account, the governing body shall request such funds from the legislature as are required to ensure the integrity of the program. Funds may be appropriated directly to the account or appropriated under the condition that they be repaid at a later date. The repayment shall be made at such time that the account is again determined to be actuarially sound.

**NEW SECTION. Sec. 9.** (1) In the event that the state determines that the program is not financially feasible, or for any other reason, the state may declare the discontinuance of the program. At the time of such declaration, the governing body will cease to accept any further tuition unit contracts or purchases.

(2) The remaining tuition units for all beneficiaries who have either enrolled in higher education or who are within four years of graduation from a secondary school shall be honored until such tuition units have been exhausted, or for ten fiscal years from the date that the program has been discontinued, whichever comes first. All other contract holders shall receive a refund equal to the value of the current weighted average tuition units in effect at the time that the program was declared discontinued.

(3) At the end of the ten-year period, any tuition units remaining unused by currently active beneficiaries enrolled in higher education shall be refunded at the value of the current weighted average tuition unit in effect at the end of that ten-year period.

(4) At the end of the ten-year period, all other funds remaining in the account not needed to make refunds or to pay for administrative costs shall be deposited to the state general fund.

(5) The governing body may make refunds under other exceptional circumstances as it deems fit, however, no tuition units may be honored after the end of the tenth fiscal year following the declaration of discontinuance of the program.

**NEW SECTION. Sec. 10.** (1) The committee, in planning and devising the program, shall consult with the investment board, the state treasurer, the state actuary, the office of financial management, and the institutions of higher education.

(2) The governing body may seek the assistance of the state agencies named in subsection (1) of this section, private financial institutions, and any other qualified party with experience in the areas of accounting, actuary, risk management, or investment management to assist with preparing an accounting of the program and ensuring the fiscal soundness of the account.

(3) State agencies and public institutions of higher education shall fully cooperate with the governing body in matters relating to the program in order to ensure the solvency of the account and ability of the governing body to meet outstanding commitments.

**NEW SECTION. Sec. 11.** This chapter shall not be construed as a promise that any beneficiary shall be granted admission to any institution of higher education, will earn any specific or minimum number of academic credits, or will graduate from any such institution. In addition, this chapter shall not be construed as a promise of either course or program availability.

Participation in this program does not guarantee an eligible beneficiary the right to resident tuition and fees. To qualify for resident and respective tuition subsidies, the eligible beneficiary must meet the applicable provisions of RCW 28B.15.011 through 28B.15.015.

This chapter shall not be construed to imply that the redemption of tuition units shall be equal to any value greater than the undergraduate tuition and services and activities fees at a state institution of higher education as computed under this chapter. Eligible beneficiaries will be responsible for payment of any other fee that does not qualify as a services and activities fee including, but not limited to, any expenses for tuition surcharges, tuition overload fees, laboratory fees, equipment fees, book fees, rental fees, room and board charges, or fines.

**NEW SECTION. Sec. 12.** (1) The intent of the Washington advanced college tuition payment program is to redeem tuition units for attendance at an institution of higher education. Refunds shall be issued under specific conditions that may include the following:

(a) Certification that the beneficiary, who is eighteen years of age or older, will not attend an institution of higher education, will result in a refund not to exceed ninety-five percent of the current weighted average tuition and fees in effect at the time of such certification. No more than one hundred tuition units may be refunded per year to any individual making this certification. The refund shall be made no sooner than ninety days after such certification, less any administrative processing fees assessed by the governing body. The governing body may, at its discretion, impose a greater penalty;

(b) If there is certification of the death or disability of the beneficiary, the refund shall be equal to one hundred percent of any remaining unused tuition units valued at the current weighted average tuition units at the time that such certification is submitted to the board, less any administrative processing fees assessed by the board;

(c) If there is certification by the student of graduation or program completion, the refund may be as great as one hundred percent of any remaining unused weighted average tuition units at the time that such certification is submitted to the governing body, less any administrative processing fees assessed by the governing body. The governing body may, at its discretion, impose a penalty if needed to comply with federal tax rules;

(d) Certification of other tuition and fee scholarships, which will cover the cost of tuition for the eligible beneficiary. The refund shall be equal to one hundred percent of the current weighted average tuition units in effect at the time of the refund request, plus any administrative processing fees assessed by the governing body. The refund under this subsection may not exceed the value of the scholarship;

(e) Incorrect or misleading information provided by the purchaser or beneficiaries may result in a refund of the purchaser's investment, less any administrative processing fees assessed by the governing body. The value of the refund will not exceed the actual dollar value of the purchaser's contributions; and

(f) The governing body may determine other circumstances qualifying for refunds of remaining unused tuition units and may determine the value of that refund.

(2) With the exception of subsection (1)(b) and (e) of this section no refunds may be made before the beneficiary is at least eighteen years of age.

**Sec. 13.** RCW 43.79A.040 and 1996 c 253 s 409 are each amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the Washington international exchange scholarship endowment fund, the energy account, the fair fund, the game farm alternative account, the grain inspection revolving fund, the rural rehabilitation account, and the self-insurance revolving fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right of way revolving fund, the federal narcotics asset forfeitures account, the high occupancy vehicle account, and the local rail service assistance account.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1387 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 48.20.028 and 1995 c 265 s 13 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to any individual shall offer and actively market to all individuals a health benefit plan providing benefits identical to the schedule of covered

health services that are required to be delivered to an individual enrolled in the basic health plan. Nothing in this subsection shall preclude an insurer from offering, or an individual from purchasing, other health benefit plans that may have more or less comprehensive benefits than the basic health plan, provided such plans are in accordance with this chapter. An insurer offering a health benefit plan that does not include benefits provided in the basic health plan shall clearly disclose these differences to the individual in a brochure approved by the commissioner.

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.20.390, 48.20.393, 48.20.395, 48.20.397, 48.20.410, 48.20.411, 48.20.412, 48.20.416, and 48.20.420 if the health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan.

(2) Premiums for health benefit plans for individuals shall be calculated using the adjusted community rating method that spreads financial risk across the carrier's entire individual product population. All such rates shall conform to the following:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments which shall begin with age twenty and end with age sixty-five. Individuals under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the family composition;
- (ii) Changes to the health benefit plan requested by the individual; or
- (iii) Changes in government requirements affecting the health benefit plan.

(g) The frequency of filing of rate adjustments for new and renewing individuals is limited to once every six months.

~~((g))~~ (h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.21.045.

(4) As used in this section, "health benefit plan," "basic health plan," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 2.** RCW 48.21.045 and 1995 c 265 s 14 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to a small employer shall offer and actively market to the small employer a health benefit plan providing benefits identical to the schedule of covered health services that are required to be delivered to an individual enrolled in the basic health

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.21.130, 48.21.140, 48.21.141, 48.21.142, 48.21.144, 48.21.146, 48.21.160 through 48.21.197, 48.21.200, 48.21.220, 48.21.225, 48.21.230, 48.21.235, 48.21.240, 48.21.244, 48.21.250, 48.21.300, 48.21.310, or 48.21.320 if: (i) The health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan; or (ii) the health benefit plan is offered to employers with not more than twenty-five employees.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, benefits in excess of the basic health plan services. (d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

~~((g))~~ (h) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

~~((h))~~ (i) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

~~((i))~~ (j) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage.

(4) The health benefit plans authorized by this section that are lower than the required offering shall not supplant or supersede any existing policy for the benefit of employees in this state. Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(7) As used in this section, "health benefit plan," "small employer," "basic health plan," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

Nothing in this subsection shall preclude a health maintenance organization from offering, or an individual from purchasing, other health benefit plans that may have more or less comprehensive benefits than the basic health plan, provided such plans are in accordance with this chapter. A health maintenance organization offering a health benefit plan that does not include benefits provided in the basic health plan shall clearly disclose these differences to the individual in a brochure approved by the commissioner.

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, ~~((48.26.280 [48.46.280]))~~ 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530 if the health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan.

(2) Premium rates for health benefit plans for individuals shall be subject to the following provisions:

(a) The health maintenance organization shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments which shall begin with age twenty and end with age sixty-five. Individuals under the age of twenty shall be treated as those age twenty.

(c) The health maintenance organization shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(g) The frequency of filing of rate adjustments for new and renewing individuals is limited to once every six months.

~~((g))~~ (h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.46.066.

(4) As used in this section and RCW 48.46.066, "health benefit plan," "basic health plan," "adjusted community rate," "small employer," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 6.** RCW 48.46.066 and 1995 c 265 s 18 are each amended to read as follows:

A health maintenance organization offering a health benefit plan that does not include benefits in the basic health plan shall clearly disclose these differences to the small employer in a brochure approved by the commissioner.

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530 if: (i) The health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan; or (ii) the health benefit plan is offered to employers with not more than twenty-five employees.

(2) Nothing in this section shall prohibit a health maintenance organization from offering, or a purchaser from seeking, benefits in excess of the basic health plan services. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The health maintenance organization shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and

Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the enrollment of the small employer;
- (ii) Changes to the family composition of the employee;
- (iii) Changes to the health benefit plan requested by the small employer; or
- (iv) Changes in government requirements affecting the health benefit plan.

(g) The frequency of filing of rate adjustments for new and renewing small employers is limited to once every six months.

~~((g))~~ (h) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

~~((h))~~ (i) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

~~((i))~~ (j) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage.

(4) The health benefit plans authorized by this section that are lower than the required offering shall not supplant or supersede any existing policy for the benefit of employees in this state. Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a health maintenance organization in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A health maintenance organization shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A health maintenance organization may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) A health maintenance organization must offer coverage to all eligible employees of a small employer and their dependents. A health maintenance organization may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A health maintenance organization may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

#### MESSAGE FROM THE SENATE

April 17, 1997

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1458 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.70.023 and 1996 c 282 s 1 are each amended to read as follows:

(1) An "established place of business" requires a permanent, enclosed commercial building located within the state of Washington easily accessible at all reasonable times. The business of a vehicle dealer must be lawfully carried on at an established place of business in accordance with the terms of all applicable building code, zoning, and other land-use regulatory ordinances. A vehicle dealer may display a vehicle for sale only at its established place of business, licensed subagency, or temporary subagency site, except at auction. The dealer shall keep the building open to the public so that the public may contact the vehicle dealer or the dealer's salespersons at all reasonable times. The books, records, and files necessary to conduct the business shall be kept and maintained at that place. The established place of business shall display an exterior sign with the business name and nature of the business, such as auto sales, permanently affixed to the land or building, with letters clearly visible to the major avenue of traffic. A room or rooms in a hotel, rooming house, or apartment house building or part of a single or multiple-unit dwelling house may not be considered an "established place of business" unless the ground floor of such a dwelling is devoted principally to and occupied for commercial purposes and the dealer offices are located on the ground floor. A mobile office or mobile home may be used as an office if it is connected to utilities and is set up in accordance with state law. A state-wide trade association representing manufactured housing dealers shall be permitted to use a manufactured home as an office if the office complies with all other applicable building code, zoning, and other land-use regulatory ordinances. This subsection does not apply to auction companies that do not own vehicle inventory or sell vehicles from an auction yard.

(2) An auction company shall have office facilities within the state. The books, records, and files necessary to conduct the business shall be maintained at the office facilities. All storage facilities for inventory shall be listed with the department, and shall meet local zoning and land use ordinances. An auction company shall maintain a telecommunications system.

(3) Auction companies shall post their vehicle dealer license at each auction where vehicles are offered, and shall provide the department with the address of the auction at least three days before the auction.

(4) If a dealer maintains a place of business at more than one location or under more than one name in this state, he or she shall designate one location as the principal place of business of the firm, one name as the principal name of the firm, and all other locations or names as subagencies. A subagency license is required for each and every subagency: PROVIDED, That the department may grant an exception to the subagency requirement in the specific instance where a licensed dealer is unable to locate their used vehicle sales facilities adjacent to or at the established place of business.

This exception shall be granted and defined under the promulgation of rules consistent with the Administrative Procedure Act.

(5) All vehicle dealers shall maintain ownership or leasehold throughout the license year of the real property from which they do business. The dealer shall provide the department with evidence of ownership or leasehold whenever the ownership changes or the lease is terminated.

(6) A subagency shall comply with all requirements of an established place of business, except that subagency records may be kept at the principal place of business designated by the dealer. Auction companies shall comply with the requirements in subsection (2) of this section.

(7) A temporary subagency shall meet all local zoning and building codes for the type of merchandising being conducted. The dealer license certificate shall be posted at the location. No other requirements of an established place of business apply to a temporary subagency. Auction companies are not required to obtain a temporary subagency license.

(8) A wholesale vehicle dealer shall have office facilities in a commercial building within this state, and all storage facilities for inventory shall be listed with the department, and shall meet local zoning and land use ordinances. A wholesale vehicle dealer shall maintain a telecommunications system. An exterior sign visible from the nearest street shall identify the business name and the nature of business. ~~((A wholesale dealer need not maintain a display area as required in this section.))~~ When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory, if any, must be physically segregated and clearly identified.

(9) A retail vehicle dealer shall be open during normal business hours, maintain office and display facilities in a commercially zoned location or in a location complying with all applicable building and land use ordinances, and maintain a business telephone listing in the local directory. When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory shall be physically segregated and clearly identified.

~~(10) ((A listing dealer need not have a display area if the dealer does not physically maintain any vehicles for display.~~

~~(11))~~ A subagency license is not required for a mobile home dealer to display an on-site display model, a consigned mobile home not relocated from its site, or a repossessed mobile home if sales are handled from a principal place of business or subagency. A mobile home dealer shall identify on-site display models, repossessed mobile homes, and those consigned at their sites with a sign that includes the dealer's name and telephone number.

~~((12))~~ (11) Every vehicle dealer shall advise the department of the location of each and every place of business of the firm and the name or names under which the firm is doing business at such location or locations. If any name or location is changed, the dealer shall notify the department of such change within ten days. The license issued by the department shall reflect the name and location of the firm and shall be posted in a conspicuous place at that location by the dealer.

~~((13))~~ (12) A vehicle dealer's license shall upon the death or incapacity of an individual vehicle dealer authorize the personal representative of such dealer, subject to payment of license fees, to continue the business for a period of six months from the date of the death or incapacity.

NEW SECTION. Sec. 2. A new section is added to chapter 46.70 RCW to read as follows:

The director may deny a license under this chapter when the application is a subterfuge that conceals the real person in interest whose license has been denied, suspended, or revoked for cause under this chapter and the terms have not been fulfilled or a civil penalty has not been paid, or the director finds that the application was not filed in good faith. This section does not preclude the department from taking an action against a current licensee.

NEW SECTION. Sec. 3. A new section is added to chapter 88.02 RCW to read as follows:

The director may deny a license under this chapter when the application is a subterfuge that conceals the real person in interest whose license has been denied, suspended, or revoked for cause under this chapter and the terms have not been fulfilled or a civil penalty has not been paid, or the director finds that the application was not filed in good faith. This section does not preclude the department from taking an action against a current licensee.

**Sec. 4.** RCW 46.70.051 and 1996 c 282 s 2 are each amended to read as follows:

(1) After the application has been filed, the fee paid, and bond posted, if required, the department shall, if no denial order is in effect and no proceeding is pending under RCW 46.70.101, issue the appropriate license, which license, in the case of a vehicle dealer, shall designate the classification of the dealer. Nothing prohibits a vehicle dealer from obtaining licenses for more than one classification, and nothing prevents any vehicle dealer from dealing in other classes of vehicles on an isolated basis.

(2) An auction company licensed under chapter 18.11 RCW may sell at auction all classifications of vehicles under a motor vehicle dealer's license issued under this chapter including motor vehicles, miscellaneous type vehicles, and mobile homes and travel trailers.

(3) At the time the department issues a vehicle dealer license, the department shall provide to the dealer a current, up-to-date vehicle dealer manual setting forth the various statutes and rules applicable to vehicle dealers. In addition, at the time any such license is renewed under RCW 46.70.083, the department shall provide the dealer with any updates or current revisions to the vehicle dealer manual.

(4) The department may contract with responsible private parties to provide them elements of the vehicle data base on a regular basis. The private parties may only disseminate this information to licensed vehicle dealers.

(a) Subject to the disclosure agreement provisions of RCW 46.12.380 and the requirements of Executive Order 97-01, the department may provide to the contracted private parties the following information:

(i) All vehicle and title data necessary to accurately disclose known title defects, brands, or flags and odometer discrepancies;

(ii) All registered and legal owner information necessary to determine true ownership of the vehicle and the existence of any recorded liens, including but not limited to liens of the department of social and health services or its successor; and

(iii) Any data in the department's possession necessary to calculate the motor vehicle excise tax, license, and registration fees including information necessary to determine the applicability of regional transit authority excise and use tax surcharges.

(b) The department may provide this information in any form the contracted private party and the department agree upon, but if the data is to be transmitted over the Internet or similar public network from the department to the contracted private party, it must be encrypted.

(c) The department shall give these contracted private parties advance written notice of any change in the information referred to in (a)(i), (ii), or (iii) of this subsection, including information pertaining to the calculation of motor vehicle excise taxes.

(d) The department shall revoke a contract made under this subsection (4) with a private party who disseminates information from the vehicle data base to anyone other than a licensed vehicle dealer. A private party who obtains information from the vehicle data base under a contract with the department and disseminates any of that information to anyone other than a licensed vehicle dealer is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW.

(e) Nothing in this subsection (4) authorizes a vehicle dealer or any other organization or entity not otherwise appointed as a vehicle licensing subagent under RCW 46.01.140 to perform any of the functions of a vehicle licensing subagent so appointed.

**Sec. 5.** RCW 46.12.170 and 1994 c 262 s 6 are each amended to read as follows:

If, after a certificate of ownership is issued, a security interest is granted on the vehicle described therein, the registered owner or secured party shall, within ten days thereafter, present an application to the department, to which shall be attached the certificate of ownership last issued covering the vehicle, or such other documentation as may be required by the department, which application shall be upon a form provided by the department and shall be accompanied by a fee of one dollar and twenty-five cents in addition to all other fees. The department, if satisfied that there should be a reissue of the certificate, shall note such change upon the vehicle records and issue to the secured party a new certificate of ownership.

Whenever there is no outstanding secured obligation and no commitment to make advances and incur obligations or otherwise give value, the secured party must assign the certificate of ownership to the debtor or the debtor's assignee or transferee, and transmit the certificate to the department with an accompanying fee of one dollar and twenty-five cents in addition to all other fees. The department shall then issue a new certificate of ownership and transmit it to the owner. If the affected secured party fails to either assign the certificate of ownership to the debtor or the debtor's assignee or transferee or transmit the certificate of ownership to the department within ten days after proper demand, that secured party shall be liable to the debtor or the debtor's assignee or transferee for one hundred dollars, and in addition for any loss caused to the debtor or the debtor's assignee or transferee by such failure.

**Sec. 6.** RCW 46.12.370 and 1982 c 215 s 1 are each amended to read as follows:

In addition to any other authority which it may have, the department of licensing may furnish lists of registered and legal owners of motor vehicles only for the purposes specified in this section to:

(1) The manufacturers of motor vehicles, or their authorized agents, to be used to enable those manufacturers to carry out the provisions of the National Traffic and Motor Vehicle Safety Act of 1966 (15 U.S.C. sec. 1382-1418), including amendments or additions thereto, respecting safety-related defects in motor vehicles;

(2) Any governmental agency of the United States or Canada, or political subdivisions thereof, to be used by it or by its authorized commercial agents or contractors only in connection with the enforcement of motor vehicle or traffic laws by, or programs related to traffic safety of, that government agency. Only such parts of the list as are required for completion of the work required of the agent or contractor shall be provided to such agent or contractor; ~~((or))~~

(3) An authorized agent or contractor of the department, to be used only in connection with providing motor vehicle excise tax, licensing, title, and registration information to motor vehicle dealers; or

(4) Any business regularly making loans to other persons to finance the purchase of motor vehicles, to be used to assist the person requesting the list to determine ownership of specific vehicles for the purpose of determining whether or not to provide such financing. In the event a list of registered and legal owners of motor vehicles is used for any purpose other than that authorized in ~~((subsections (1), (2) and (3) of))~~ this section, the manufacturer, governmental agency, authorized agent, contractor, financial institution, or their authorized agents or contractors responsible for the unauthorized disclosure or use will be denied further access to such information by the department of licensing.

**Sec. 7.** RCW 82.44.060 and 1990 c 42 s 304 are each amended to read as follows:

(1) The excise tax hereby imposed shall be due and payable to the department or its agents at the time of registration of a motor vehicle. Whenever an application is made to the department or its agents for a license for a motor vehicle there shall be collected, in addition to the amount of the license fee or renewal license fee, the amount of the excise tax imposed by this chapter, and no dealer's license or license plates, and no license or license plates for a motor vehicle shall be issued unless such tax is paid in full. The excise tax hereby imposed shall be collected for each registration year. The excise tax upon a motor vehicle licensed for the first time in this state shall be levied for one full registration year commencing on the date of the calendar year designated by the department and ending on the same date of the next succeeding calendar year. For vehicles registered under chapter 46.87 RCW, proportional registration, and for vehicle dealer plates issued under chapter 46.70 RCW, the registration year is the period provided in those chapters: PROVIDED, That the tax shall in no case be less than two dollars except for proportionally registered vehicles.

(2) A motor vehicle shall be deemed licensed for the first time in this state when such vehicle was not previously licensed by this state for the registration year immediately preceding the registration year in which the application for license is made or when the vehicle has been registered in another jurisdiction subsequent to any prior registration in this state.

(3) No additional tax shall be imposed under this chapter upon any vehicle upon the transfer of ownership thereof if the tax imposed with respect to such vehicle has already been paid for the registration year or fraction of a registration year in which transfer of ownership occurs.

(4) The regional transit authority (RTA) must provide at no cost to the private parties referred to in RCW 46.70.051(4) accurate, up-to-date, and easily decipherable excise tax information in a machine readable ASCII text file. This file will allow the contracted private parties to accurately determine which individuals are subject to any such special excise or use taxes and the amount of any such special excise or use taxes. The file must contain the following items: (a) A list of five digit zip codes completely contained within the RTA taxation area; (b) a list of five digit zip codes for those areas on the border of the RTA taxation, with the border area defined as those zip codes where some residences may be subject to the RTA use or motor vehicle excise tax surcharge and some residences are not; and (c) for those residences described in (b) of this subsection, a complete list of only those street addresses subject to RTA taxation.

(5) No person may be denied issuance of a registration or license plates due to the nonpayment of any such special excise tax if the information referred to in subsection (4) of this section is not provided by the RTA to the contracted private parties.

(6) No motor vehicle dealer may be held liable for the remittance of any such special excise tax if the information referred to in subsection (4) of this section is not provided by the RTA to the contracted private parties."

On page 1, line 1 of the title, after "licensing;" strike the remainder of the title and insert "amending RCW 46.70.023, 46.70.051, 46.12.170, 46.12.370, and 82.44.060; adding a new section to chapter 46.70 RCW; adding a new section to chapter 88.02 RCW; and prescribing penalties."

"**Sec. 1.** RCW 17.10.905 and 1975 1st ex.s. c 13 s 17 are each amended to read as follows:

The purpose of this chapter is to limit economic loss ~~((due to the presence and spread of noxious weeds on or near agricultural land))~~ and adverse effects to Washington's agricultural, natural, and human resources due to the presence and spread of noxious weeds on all terrestrial and aquatic areas in the state.

The intent of the legislature is that this chapter be liberally construed, and that the jurisdiction, powers, and duties granted to the county noxious weed control boards by this chapter are limited only by specific provisions of this chapter or other state and federal law.

**Sec. 2.** RCW 17.10.010 and 1995 c 255 s 6 are each amended to read as follows:

(3) "Person" means any individual, partnership, corporation, firm, the state or any department, agency, or subdivision thereof, or any other entity.

(5) As pertains to the duty of an owner, the words "control", "contain", "eradicate", and the term "prevent the spread of noxious weeds" ~~((shall))~~ means conforming to the standards of noxious weed control or prevention in this chapter or as adopted by rule ((or regulation)) in chapter 16-750 WAC by the state noxious weed control board and an activated county noxious weed control board.

(6) "Agent" means any occupant or any other person acting for the owner and working or in charge of the land.

**Sec. 3.** RCW 17.10.020 and 1969 ex.s. c 113 s 2 are each amended to read as follows:

(1) In each county of the state there is ~~((hereby))~~ created a noxious weed control board, ~~((which shall))~~ bearing the name of the county within which it is located. The jurisdictional boundaries of each board ~~((shall be coextensive with))~~ are the boundaries of the county within which it is located.

(2) Each noxious weed control board ~~((shall be))~~ is inactive until activated pursuant to the provisions of RCW 17.10.040.

**Sec. 4.** RCW 17.10.030 and 1987 c 438 s 2 are each amended to read as follows:

There is ~~((hereby))~~ created a state noxious weed control board ~~((which shall be))~~ comprised of nine voting members and three nonvoting members. Four of the voting members shall be elected by the members of the various activated county noxious weed control boards, and shall be residents of a county in which a county noxious weed control board has been activated and a member of said board, and those qualifications shall continue through their term of office. Two ~~((such))~~ of these members shall be elected from the west side of the state, the crest of the Cascades being the dividing line, and two from the east side of the state. The director of agriculture ~~((shall be))~~ is a voting member of the board. The board, by rule, shall establish a position number for each elected position of the board and shall designate which county noxious weed control board members are eligible to vote for each elected position. The elected members ~~((shall))~~ serve staggered terms. Elections for the elected members of the board shall be held thirty days prior to the expiration date of their respective terms. Nominations and elections shall be by mail and conducted by the board.

The board shall conduct its first meeting within thirty days after all its members have been elected. The board shall elect from its members a ~~((chairman))~~ chair and ~~((such))~~ other officers as may be necessary. A majority of the voting members of the board ~~((shall))~~ constitutes a quorum for the transaction of business and ~~((shall be))~~ is necessary for any action taken by the board. **Sec. 5.** RCW 17.10.040 and 1987 c 438 s 3 are each amended to read as follows:

An inactive county noxious weed control board may be activated by any one of the following methods:

(1) Either within sixty days after a petition is filed by one hundred registered voters within the county or, on its own motion, the county legislative authority shall hold a hearing to determine whether there is a need, due to a damaging infestation of noxious weeds, to activate the county noxious weed control board. If such a need is found to exist, then the county legislative authority shall, in the manner provided by RCW 17.10.050, appoint five persons to ~~((hold seats on))~~ the county's noxious weed control board.

(2) If the county's noxious weed control board is not activated within one year following a hearing by the county legislative authority to determine the need for activation, then upon the filing

with the state noxious weed control board of a petition comprised either of the signatures of at least two hundred registered voters within the county, or of the signatures of a majority of an adjacent county's noxious weed control board, the state board shall, within six months of the date of ~~((such))~~ the filing, hold a hearing in the county to determine the need for activation. If a need for activation is found to exist, then the state board shall order the county legislative authority to activate the county's noxious weed control board and to appoint members to ~~((such))~~ the board in the manner provided by RCW 17.10.050.

(3) The director, ~~((with notice to))~~ upon request of the state noxious weed control board, ~~((may))~~ shall order a county legislative authority to activate the noxious weed control board immediately if an infestation of a class A noxious weed or class B noxious weed designated for control ~~((within the region wherein the county lies as defined in RCW 17.10.080))~~ on the state noxious weed list is confirmed in that county. The county legislative authority may, as an alternative to activating the noxious weed board, combat the class A noxious weed or class B noxious weed with county resources and personnel operating with the authorities and responsibilities imposed by this chapter on a county noxious weed control board. No county may continue without a noxious weed control board for a second consecutive year if the class A noxious weed or class B noxious weed ~~((designated for control within the region wherein the county lies))~~ has not been eradicated.

**Sec. 6.** RCW 17.10.050 and 1987 c 438 s 4 are each amended to read as follows:

(1) Each activated county noxious weed control board ~~((shall))~~ consists of five voting members ~~((who shall be))~~ appointed by the county legislative authority. In appointing ~~((such))~~ the voting members, the county legislative authority shall divide the county into five ~~((sections, none of which shall overlap and each of which shall be of the same approximate area))~~ geographical areas that best represent the county's interests, and ~~((shall))~~ appoint a voting member from each ~~((section))~~ geographical area. At least four of the voting members shall be engaged in the primary production of agricultural products. There ~~((shall be))~~ is one nonvoting member on ~~((such))~~ the board who ~~((shall be))~~ is the ~~((chief))~~ chair of the county extension ~~((agent))~~ office or an extension agent appointed by the ~~((chief))~~ chair of the county extension ~~((agent))~~ office. Each voting member of the board ~~((shall))~~ serves a term of four years, except that the county legislative authority shall, when a board is first activated under this chapter, designate two voting members to serve terms of two years. The board members shall not receive a salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties.

(2) The voting members of the board ~~((shall represent the same sections designated by the county legislative authority in appointing members to the board at its inception and shall))~~ serve until their replacements are appointed. New members of the board shall be appointed at least thirty days prior to the expiration of any board member's term of office.

Notice of expiration of a term of office shall be published at least twice in a weekly or daily newspaper of general circulation in ~~((said))~~ the section with last publication occurring at least ten days prior to the nomination. The weeds thus selected and all class A weeds and those class B weeds that have been designated for control in the noxious weed control region in which the county lies shall be classified within that county as noxious weeds, and those weeds ~~((shall))~~ comprise the county noxious weed list.

**Sec. 12.** RCW 17.10.100 and 1987 c 438 s 10 are each amended to read as follows:

Where any of the following occur, the state noxious weed control board may, following a hearing, order any county noxious weed control board or weed district to include a noxious weed from the state board's list in the county's noxious weed list:

(2) Where the state noxious weed control board receives a request for ~~((such))~~ inclusion from an adjacent county's noxious weed control board or weed district, which the adjacent board or district has included that weed in ~~((the))~~ its county list, and ~~((which))~~ the adjacent board or weed district alleges that its noxious weed control program is being hampered by the failure to include the weed on the county's noxious weed list.

**Sec. 13.** RCW 17.10.110 and 1987 c 438 s 11 are each amended to read as follows:

A regional noxious weed control board comprising the area of two or more counties may be created as follows:

Either the county legislative authority ~~((and/or))~~, or the noxious weed control board, or both, of two or more counties may, upon a determination that the purpose of this chapter will be served by the creation of a regional noxious weed control board, adopt a resolution providing for a limited merger of the functions of their respective counties noxious weed control boards. ~~((Such))~~ The resolution ~~((shall))~~ becomes effective only when a similar resolution is adopted by the other county or counties comprising the proposed regional board.

**Sec. 14.** RCW 17.10.120 and 1987 c 438 s 12 are each amended to read as follows:

In any case where a regional noxious weed control board is created, the county noxious weed control boards comprising the regional board shall still remain in existence and shall retain all powers and duties provided for ~~((such))~~ the boards under this chapter.

The regional noxious weed control board ~~((shall be))~~ is comprised of the voting members and the nonvoting members of the component counties noxious weed control boards or county legislative authorities who shall, respectively, be the voting and nonvoting members of the regional board: PROVIDED, That each county shall have an equal number of voting members. The board may appoint other nonvoting members as deemed necessary. A majority of the voting members of the board ~~((shall))~~ constitutes a quorum for the transaction of business and ~~((shall be))~~ is necessary for any action taken by the board. The board shall elect a ~~((chairperson))~~ chair from its members and ~~((such))~~ other officers as may be necessary. Members of the regional board ~~((shall))~~ serve without salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties.

**Sec. 15.** RCW 17.10.130 and 1987 c 438 s 13 are each amended to read as follows:

The powers and duties of a regional noxious weed control board are as follows:

(1) The regional board shall, within ~~((thirty))~~ ninety days of the ~~((receipt))~~ adoption of the state noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the state list ~~((which))~~ that it finds necessary to be controlled on a regional basis. The weeds thus selected shall also be contained in the county noxious weed list of each county in the region.

(2) The regional board shall take ~~((such))~~ action as may be necessary to coordinate the noxious weed control programs of the region and ~~((shall))~~ adopt a regional plan for the control of noxious weeds.

**Sec. 16.** RCW 17.10.134 and 1987 c 438 s 14 are each amended to read as follows:

Obligations or liabilities incurred by any county or regional noxious weed control board or any claims against a county or regional noxious weed control board ~~((shall be))~~ are governed by chapter 4.96 RCW or RCW 4.08.120: PROVIDED, That individual members or employees of a county noxious weed control board ~~((shall be))~~ are personally immune from civil liability for damages arising from actions performed within the scope of their official duties or employment.

**Sec. 17.** RCW 17.10.140 and 1969 ex.s. c 113 s 14 are each amended to read as follows:

(1) Except as is provided under ~~((RCW 17.10.150))~~ subsection (2) of this section, every owner shall perform~~((r))~~ or cause to be performed ~~((such))~~ those acts as may be necessary to ~~((control and to prevent the spread of noxious weeds from his))~~:

(a) Eradicate all class A noxious weeds;

(b) Control and prevent the spread of all class B noxious weeds designated for control in that region within and from the owner's property; and

(c) Control and prevent the spread of all class B and class C noxious weeds listed on the county weed list as locally mandated control priorities within and from the owner's property.

(2) Forest lands classified under RCW 17.10.240(2), or meeting the definition of forest lands contained in RCW 17.10.240, are subject to the requirements of subsection (1)(a) and (b) of this section at all times. Forest lands are subject to the requirements of subsection (1)(c) of this section only within a one thousand foot buffer strip of adjacent land uses. In addition, forest lands are subject to subsection (1)(c) of this section for a single five-year period following the harvesting of trees for lumber.

**Sec. 18.** RCW 17.10.145 and 1995 c 374 s 75 are each amended to read as follows:

All state agencies shall control noxious weeds on lands they own, lease, or otherwise control through integrated pest management practices. Agencies shall develop plans in cooperation with county noxious weed control boards to control noxious weeds in accordance with standards in this chapter. All state agencies' lands must comply with this chapter, regardless of noxious weed control efforts on adjacent lands. ~~((County noxious weed control boards shall assist landowners to meet and exceed the standards on state lands.))~~

**Sec. 19.** RCW 17.10.154 and 1987 c 438 s 16 are each amended to read as follows:

It is recognized that the prevention, control, and eradication of noxious weeds presents a problem for immediate as well as for future action. It is further recognized that immediate prevention, control, and eradication is practicable on some lands and that prevention, control, and eradication on other lands should be extended over a period of time. Therefore, it is the intent of this chapter that county noxious weed control boards may use their discretion and, by agreement with the owners of land, may propose and accept plans for prevention, control, and eradication ~~((which))~~ that may be extended over a period of years. The county noxious weed control board may make an agreement with the owner of any parcel of land by contract between the landowner and the respective county noxious weed control board, and the board shall enforce the terms of any agreement. The county noxious weed control board may make any terms ~~((which))~~ that will best serve the interests of the owners of the parcel of land and the common welfare ~~((which))~~ that comply with this chapter ~~((and the rules adopted thereunder))~~. Agreements made under this section must include at least a one thousand foot buffer for all adjacent agricultural land uses. Noxious weed control in this buffer must comply with RCW 17.10.140(1).

**Sec. 20.** RCW 17.10.160 and 1987 c 438 s 17 are each amended to read as follows:

Any authorized agent or employee of the county noxious weed control board or of the state noxious weed control board or of the department of agriculture where not otherwise proscribed by law may enter upon any property for the purpose of administering this chapter and any power exercisable pursuant thereto, including the taking of specimens of weeds ~~((or other materials))~~, general inspection, and the performance of eradication or control work. Prior to carrying out the purpose~~((s))~~ for which the entry is made, the official making such entry or someone in his or her behalf, shall ~~((have first~~

~~made~~) make a reasonable attempt to notify the owner of the property as to the purpose and need for the entry.

(1) When there is probable cause to believe that there is property within this state not otherwise exempt from process or execution upon which noxious weeds are standing or growing and the owner ~~((thereof))~~ refuses permission to inspect the property, a judge of the superior court or district court in the county in which ~~((such))~~ the property is located may, upon the request of the county noxious weed control board or its agent, issue a warrant directed to ~~((such))~~ the board or agent authorizing the ~~((search for the noxious weeds described in the request for the warrant))~~ taking of specimens of weeds or other materials, general inspection, and the performance of eradication or control work.

(2) Application for issuance and execution and return of the warrant authorized by this section shall be in accordance with the applicable rules of the superior court or the district courts.

(3) Nothing in this section requires the application for and issuance of any warrant not otherwise required by law: PROVIDED, That civil liability for negligence shall lie in any case in which entry and any of the activities connected therewith are not undertaken with reasonable care.

(4) Any person who improperly prevents or threatens to prevent entry upon land as authorized in this section or any person who interferes with the carrying out of this chapter shall be upon conviction guilty of a misdemeanor.

**Sec. 21.** RCW 17.10.170 and 1987 c 438 s 18 are each amended to read as follows:

(1) Whenever the county noxious weed control board finds that noxious weeds are present on any parcel of land, and that the owner ~~((thereof))~~ is not taking prompt and sufficient action to control the ~~((same))~~ noxious weeds, pursuant to the provisions of RCW 17.10.140 ~~((and 17.10.150))~~, it shall notify the owner that a violation of this chapter exists. The notice shall be in writing and sent by certified mail, and shall identify the noxious weeds found to be present, order prompt control action, and specify the time, of at least ten days from issuance of the notice, within which the prescribed action must be taken. Upon deposit of the certified letter of notice, the noxious weed control authority shall make an affidavit of mailing ~~((which shall be))~~ that is prima facie evidence that proper notice was given. If seed ~~((dispersion))~~ or other propagule dispersion is imminent, immediate control action may be taken forty-eight hours following the time that notification is reasonably expected to have been received by the owner or agent by certified mail or personal service, instead of ten days. If a landowner received a notice of violation from the county noxious weed control board in a prior growing season, removal or destruction of all above ground plant parts may be required at the most effective point in the growing season, as determined by the county weed board, which may be before or after propagule dispersion.

(2) The county noxious weed control board or its authorized agents may issue a notice of civil infraction as provided for in RCW 17.10.230 ~~((and))~~ 17.10.310 ~~((through))~~, and 17.10.350 to owners who do not take action to control noxious weeds in accordance with the notice.

(3) If the owner does not take action to control the noxious weeds in accordance with the notice, the county board may control them, or cause their being controlled, at the expense of the owner. The amount of ~~((such))~~ the expense ~~((shall))~~ constitutes a lien against the property and may be enforced by proceedings on ~~((such))~~ the lien except as provided for by RCW 79.44.060. The owner ~~((shall be))~~ is liable for payment of the expense, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Necessary costs and expenses including reasonable attorneys' fees incurred by the county noxious weed control board in carrying out this section may be recovered at the same time as a part of the action filed under this section. Funds received in payment for the expense of controlling noxious weeds shall be transferred to the county noxious weed control board to be expended as required to carry out the purposes of this chapter.

(4) The county auditor shall record in his or her office any lien created under this chapter, and any ~~((such))~~ lien shall bear interest at the rate of twelve percent per annum from the date on which the county noxious weed control board approves the amount expended in controlling ~~((such))~~ the weeds.

(5) As an alternative to the enforcement of any lien created under subsection (3) of this section, the county legislative authority may by resolution or ordinance require that each ~~((such))~~ lien created ~~((shall))~~ be collected by the treasurer in the same manner as a delinquent real property tax, if within

thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes ~~((shall))~~ bear interest at the rate of twelve percent per annum and ~~((such))~~ the interest ~~((shall))~~ accrues as of the date notice of the lien is sent to the owner: PROVIDED, That any collections for ~~((such))~~ the lien shall not be considered as tax.

**Sec. 22.** RCW 17.10.180 and 1987 c 438 s 19 are each amended to read as follows:

Any owner, upon request pursuant to the rules and regulation of the county noxious weed control board, ~~((shall be))~~ is entitled to a hearing before the board on any charge or cost for which the owner is alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board shall send notice by certified mail within thirty days, to each owner at the owner's last known address, as to any ~~((such))~~ charge or cost and as to his or her right of a hearing. The hearing shall be scheduled within forty-five days of notification. Any determination or final action by the board ~~((shall be))~~ is subject to judicial review by a proceeding in the superior court in the county in which the property is located, and ~~((such))~~ the court ~~((shall have))~~ has original jurisdiction to determine any suit brought by the owner to recover damages allegedly suffered on account of control work negligently performed: PROVIDED, That no stay or injunction shall lie to delay any ~~((such))~~ control work subsequent to notice given pursuant to RCW 17.10.160 or pursuant to an order under RCW 17.10.210.

**Sec. 23.** RCW 17.10.190 and 1987 c 438 s 20 are each amended to read as follows:

Each activated county noxious weed control board ~~((shall cause to be published))~~ must publish annually, and at ~~((such))~~ other times as may be appropriate, in at least one newspaper of general circulation within its area, a general notice. The notice shall direct attention to the need for noxious weed control and ~~((shall))~~ give ~~((such))~~ other information ~~((with respect thereto))~~ concerning noxious weed control requirements as may be appropriate, or ~~((shall))~~ indicate where such information may be secured. In addition to the general notice required ~~((hereby))~~, the county noxious weed control board may use any appropriate media for the dissemination of information to the public as may be calculated to bring the need for noxious weed control to the attention of owners. The board may consult with individual owners concerning their problems of noxious weed control and may provide them with information and advice, including giving specific instructions and methods when and how certain named weeds are to be controlled. ~~((Such))~~ The methods may include ~~((definite systems of tillage, cropping, management, or use of livestock))~~ some combination of physical, mechanical, cultural, chemical, and/or biological methods, including livestock. Publication of a notice as required by this section ~~((shall))~~ is not ~~((be))~~ a condition precedent to the enforcement of this chapter.

**Sec. 24.** RCW 17.10.205 and 1975 1st ex.s. c 13 s 16 are each amended to read as follows:

Open areas subject to the spread of noxious weeds, ~~((other than crop land,))~~ including but not limited to subdivisions, school grounds, playgrounds, parks, and rights of way shall be subject to regulation by activated county noxious weed control boards in the same manner and to the same extent as is provided for ~~((agricultural lands))~~ all terrestrial and aquatic lands of the state.

**Sec. 25.** RCW 17.10.210 and 1987 c 438 s 22 are each amended to read as follows:

(1) Whenever the director ~~((or))~~, the county noxious weed control board, or a weed district finds that a parcel of land is so seriously infested with class A or class B noxious weeds that control measures cannot be undertaken thereon without quarantining the land and restricting or denying access thereto or use thereof, the director ~~((or))~~, the county noxious weed control board, or weed district, with the approval of the director of the department of agriculture, may issue an order for ~~((such))~~ the quarantine and restriction or denial of access or use. Upon issuance of the order, the director ~~((or))~~, the county noxious weed control board, or the weed district shall commence necessary control measures and ~~((shall prosecute them with due diligence))~~ may institute legal action for the collection of costs for control work, which may include attorneys' fees and the costs of other appropriate actions.

(2) An order of quarantine shall be served, by any method sufficient for the service of civil process, on all persons known to qualify as owners of the land within the meaning of this chapter.

(3) The director shall, with the advice of the state noxious weed control board, determine how the expense of control work undertaken pursuant to this section, and the cost of any quarantine in connection therewith, ~~((shall be))~~ is apportioned.

**Sec. 26.** RCW 17.10.235 and 1987 c 438 s 30 are each amended to read as follows:

~~(1) ((Any person who knowingly or negligently sells a product, article, or feed stuff designated under subsection (2) of this section containing noxious weed seeds or toxic weeds designated for control under subsection (2) of this section and in an amount greater than the amount established by the director for the seed or weed under subsection (2) of this section is guilty of a misdemeanor.~~

~~(2))~~ The director of agriculture shall adopt, with the advice of the state noxious weed control board, rules designating noxious weed seeds ~~((the presence of))~~ which shall be controlled in products, screenings, or articles to prevent the spread of noxious weeds. The rules shall identify the products, screenings, and articles in which ~~((such))~~ the seeds must be controlled and the maximum amount of ~~((such))~~ the seed to be permitted in the product, screenings, or article to avoid a hazard of spreading the noxious weed by seed from the product, screenings, or article. The director shall also adopt, with the advice of the state board, rules designating toxic weeds ~~((the presence of))~~ which shall be controlled in feed stuffs and screenings to prevent injury to the animal that consumes the feed. The rules shall identify the feed stuffs and screenings in which the toxic weeds must be controlled and the maximum amount of the toxic weed to be permitted in ~~((such))~~ the feed. Rules developed under this section shall identify ways that products, screenings, articles, or feed stuffs containing noxious weed seeds or toxic weeds can be made available for beneficial uses.

(2) Any person who knowingly or negligently sells or otherwise distributes a product, article, screenings, or feed stuff designated by rule containing noxious weed seeds or toxic weeds designated for control by rule and in an amount greater than the amount established by the director for the seed or weed by rule is guilty of a misdemeanor.

(3) The department of agriculture shall, upon request of the buyer, inspect products, screenings, articles, or feed stuffs designated ~~((under subsection (2) of this section))~~ by rule and charge fees, in accordance with chapter 22.09 RCW, to determine the presence of designated noxious weed seeds or toxic weeds.

**Sec. 27.** RCW 17.10.240 and 1995 c 374 s 77 are each amended to read as follows:

(1) The activated county noxious weed control board of each county shall annually submit a budget to the county legislative authority for the operating cost of the county's weed program for the ensuing fiscal year: PROVIDED, That if the board finds the budget approved by the legislative authority is insufficient for an effective county noxious weed control program it shall petition the county legislative authority to hold a hearing as provided in RCW 17.10.890. Control of weeds is a ~~((special))~~ benefit to the lands within any such section. Funding for the budget ~~((shall be))~~ is derived from any or all of the following:

~~((4))~~ (a) The county legislative authority may, in lieu of a tax, levy an assessment against the land for this purpose. Prior to the levying of an assessment the county noxious weed control board shall hold a public hearing at which it ~~((shall))~~ will gather information to serve as a basis for classification and ~~((shall))~~ then classify the lands into suitable classifications, including but not limited to dry lands, range lands, irrigated lands, nonuse lands, forest lands, or federal lands. The board shall develop and forward to the county legislative authority, as a proposed level of assessment for each class, ~~((such))~~ an amount as ~~((shall))~~ seems just. The assessment rate shall be either uniform per acre in its respective class or a flat rate per parcel rate plus a uniform rate per acre: PROVIDED, That if no ~~((special))~~ benefits ~~((should be))~~ are found to accrue to a class of land, a zero assessment may be levied. The county legislative authority, upon receipt of the proposed levels of assessment from the board, after a hearing, shall accept~~((,))~~ or modify by resolution, or refer back to the board for its reconsideration all or any portion of the proposed levels of assessment. ~~((The findings by the county legislative authority of such special benefits, when so declared by resolution and spread upon the minutes of said authority shall be conclusive as to whether or not the same constitutes a special benefit to the lands within the section.))~~ The amount of ~~((such))~~ the assessment ~~((shall))~~ constitutes a lien against the property. The county legislative authority may by resolution or ordinance require that notice of the lien be sent to

each owner of property for which the assessment has not been paid by the date it was due and that each ~~((such))~~ lien created ~~((shall))~~ be collected by the treasurer in the same manner as delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes ~~((shall))~~ bear interest at the rate of twelve percent per annum and ~~((such))~~ the interest ~~((shall))~~ accrues as of the date notice of the lien is sent to the owner: PROVIDED FURTHER, That any collections for ~~((such))~~ the lien shall not be considered as tax; or

~~((2))~~ (b) The county legislative authority may appropriate money from the county general fund necessary for the administration of the county noxious weed control program. In addition the county legislative authority may make emergency appropriations as it deems necessary for the implementation of this chapter.

~~((3))~~ (2) Forest lands used solely for the planting, growing, or harvesting of trees and which are typified, except during a single period of five years following clear-cut logging, by canopies so dense as to prohibit growth of an understory may be subject to an annual noxious weed assessment levied by a county legislative authority that ~~((shall))~~ does not exceed one-tenth of the weighted average per acre noxious weed assessment levied on all other lands in unincorporated areas within the county that are subject to the weed assessment. This assessment shall be computed in accordance with the formula in subsection ~~((4))~~ (3) of this section.

~~((4))~~ (3) The calculation of the "weighted average per acre noxious weed assessment" ~~((shall be))~~ is a ratio expressed as follows:

(a) The numerator ~~((shall be))~~ is the total amount of funds estimated to be collected from the per acre assessment on all lands except (i) forest lands as identified in subsection ~~((3))~~ (2) of this section, (ii) lands exempt from the noxious weed assessment, and (iii) lands located in an incorporated area.

(b) The denominator ~~((shall be))~~ is the total acreage from which funds in (a) of this subsection are collected. For lands of less than one acre in size, the denominator calculation may be based on the following assumptions: (i) Unimproved lands ~~((shall be))~~ are calculated as being one-half acre in size on the average, and (ii) improved lands ~~((shall be))~~ are calculated as being one-third acre in size on the average. The county legislative authority may choose to calculate the denominator for lands of less than one acre in size using other assumptions about average parcel size based on local information.

~~((5))~~ (4) For those counties that levy a per parcel assessment to help fund noxious weed control programs, the per parcel assessment on forest lands as defined in subsection ~~((3))~~ (2) of this section shall not exceed one-tenth of the per parcel assessment on nonforest lands.

**Sec. 28.** RCW 17.10.250 and 1987 c 438 s 32 are each amended to read as follows:

The legislative authority of any county with an activated noxious weed control board or the board of any weed district may apply to the director for noxious weed control funds when informed by the director that funds are available. Any ~~((such))~~ applicant must employ adequate administrative personnel to supervise an effective weed control program as determined by the director with advice from the state noxious weed control board. The director with advice from the state noxious weed control board shall adopt rules on the distribution and use of noxious weed control account funds.

**Sec. 29.** RCW 17.10.300 and 1975 1st ex.s. c 13 s 15 are each amended to read as follows:

No lien created by RCW 17.10.280 ~~((shall))~~ exist, and no action to enforce the same shall be maintained, unless within ninety days from the date of cessation of the performance of ~~((such))~~ the labor, furnishing of materials, or the supplying of ~~((such))~~ equipment, a claim for ~~((such))~~ the lien ~~((shall be))~~ is filed for record as ~~((hereinafter))~~ provided in this section, in the office of the county auditor of the county in which the property, or some part ~~((thereof))~~ of the property to be affected ~~((thereby))~~ by the claim for a lien, is situated. ~~((Such))~~ The claim shall state, as nearly as may be, the time of the commencement and cessation of performing the labor, furnishing the material, or supplying the equipment, the name of the county noxious weed control board ~~((which))~~ that performed the labor or caused the labor to be performed, furnished the material, or supplied the equipment, a description of the property to be charged with the lien sufficient for identification, the name of the owner, or reputed owner if known, or his or her agent, and if the owner is not known, that fact shall be mentioned, the

amount for which the lien is claimed, and shall be signed by the county noxious weed control board, and be verified by the oath of the county noxious weed control board, to the effect that the affiant believes that claim to be just; and ~~((such))~~ the claim of lien may be amended in case of action brought to foreclose the same, by order of the court, as pleadings may be, insofar as the interest of third parties shall not be affected by such an amendment. ~~((A claim or lien substantially in the same form provided by RCW 60.04.060 and not in conflict with this section shall be sufficient.))~~

**Sec. 30.** RCW 17.10.310 and 1987 c 438 s 24 are each amended to read as follows:

The county noxious weed control board may issue a notice of civil infraction if after investigation it has reasonable cause to believe an infraction has been committed. ~~((It shall be a misdemeanor for any person to refuse to identify himself or herself properly for the purpose of issuance of a notice of infraction. Any person willfully violating a written and signed promise to respond to a notice of infraction shall be guilty of a misdemeanor regardless of the disposition of the notice of infraction.))~~ A civil infraction may be issued pursuant to RCW 7.80.005, 7.80.070 through 7.80.110, 7.80.120 (3) and (4), and 7.80.130 through 7.80.900.

**Sec. 31.** RCW 17.10.350 and 1987 c 438 s 28 are each amended to read as follows:

Any person found to have committed a civil infraction under this chapter shall be assessed a monetary penalty ~~((No monetary penalty so assessed may))~~ not to exceed one thousand dollars. The state noxious weed control board shall adopt a schedule of monetary penalties for each violation of this chapter classified as a civil infraction and ~~((shall))~~ submit the schedule to the appropriate court. If a monetary penalty is imposed by the court, the penalty is immediately due and payable. The court may, at its discretion, grant an extension of time, not to exceed thirty days, in which the penalty must be paid. Failure to pay any monetary penalties imposed under this chapter ~~((shall be))~~ is punishable as a misdemeanor.

**Sec. 32.** RCW 17.10.890 and 1987 c 438 s 37 are each amended to read as follows:

The following procedures shall be followed to deactivate a county noxious weed control board:

(1) The county legislative authority ~~((shall))~~ holds a hearing to determine whether there continues to be a need for an activated county noxious weed control board if:

- (a) A petition is filed by one hundred registered voters within the county;
- (b) A petition is filed by a county noxious weed control board as provided in RCW 17.10.240;

or

(c) The county legislative authority passes a motion to hold such a hearing.

(2) Except as provided in subsection (4) of this section, the hearing shall be held within sixty days of final action taken under subsection (1) of this section.

(3) If, after a hearing, the county legislative authority determines that no need exists for a county noxious weed control board, due to the absence of class A or class B noxious weeds designated for control in the region, the county legislative authority shall deactivate the board.

(4) The county legislative authority shall not convene a hearing as provided for in subsection (1) of this section more frequently than once a year.

**Sec. 33.** RCW 17.10.900 and 1987 c 438 s 38 are each amended to read as follows:

Any weed district formed under chapter 17.04 or 17.06 RCW prior to the enactment of this chapter, ~~((shall))~~ continues to operate under the provisions of the chapter under which it was formed: PROVIDED, That if ten percent of the landowners subject to any such weed district, and the county noxious weed control board upon its own motion, petition the county legislative authority for a dissolution of the weed district, the county legislative authority shall provide for an election to be conducted in the same manner as required for the election of directors under the provisions of chapter 17.04 RCW, to determine by majority vote of those casting votes, if ~~((such))~~ the weed district ~~((shall))~~ will continue to operate under the ~~((act))~~ chapter it was formed. The land area of any dissolved weed district ~~((shall forthwith))~~ becomes subject to the provisions of this chapter. Any district assessment funds may be transferred after the dissolution election under contract to the county noxious weed control board to fund the noxious weed control program.

**NEW SECTION. Sec. 34.** A new section is added to chapter 17.10 RCW to read as follows:

(1) The state noxious weed control board shall:

(a) Work with the various federal and tribal land management agencies to coordinate state and federal noxious weed control;

(b) Encourage the various federal and tribal land management agencies to devote more time and resources to noxious weed control; and

(c) Assist the various federal and tribal land management agencies by seeking adequate funding for noxious weed control.

(2) County noxious weed control boards and weed districts shall work with the various federal and tribal land management agencies in each county in order to:

(a) Identify new noxious weed infestations;

(b) Outline and plan necessary noxious weed control actions;

(c) Develop coordinated noxious weed control programs; and

(d) Notify local federal and tribal agency land managers of noxious weed infestations.

(3) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter federal lands, with the approval of the appropriate federal agency, to survey for and control noxious weeds where control measures of a type and extent required under this chapter have not been taken.

(4) The department of agriculture, county noxious weed control boards, and weed districts may bill the federal land management agency that manages the land for all costs of the noxious weed control performed on federal land. If not paid by the federal agency that manages the land, the cost of the noxious weed control on federal land may be paid from any funds available to the county noxious weed control board or weed district that performed the noxious weed control. Alternatively, the costs of noxious weed control on federal land may be paid from any funds specifically appropriated to the department of agriculture for that purpose.

(5) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter into any reasonable agreement with the appropriate authorities for the control of noxious weeds on federal or tribal lands.

(6) The department of agriculture, county noxious weed control boards, and weed districts shall consult with state agencies managing federal land concerning noxious weed infestation and control programs.

#### MESSAGE FROM THE SENATE

April 14, 1997

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1472 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature recognizes that the availability of minerals through surface mining is essential to the economic well-being of the state and nation. The citizens of the state are rapidly running out of approved or designated sites to extract these minerals. Therefore, the available sources of these minerals are nearly exhausted.

The state has enacted several laws in recent years directing local governments to make land use decisions for appropriate uses of land through designation in advance of or during the comprehensive planning process and then to limit the specific approval process to mitigating specific impacts of the use or uses allowed by the designation. The current planning and regulatory environment makes economically viable permits unobtainable for the vast majority of the sites where the minerals are located and needed.

The cost of transportation of minerals for any significant distance can have an effect on the costs to the taxpayers of the state. Surface mining must take place in diverse areas where the geologic, topographic, climatic, biologic, and social conditions are significantly different, and reclamation specifications must vary accordingly. But surface mining is a finite use of the land and another beneficial use must follow through reclamation.

Therefore, the legislature finds that designation, production, and conservation of adequate sources of minerals is in the best interests of the citizens of the state.

**NEW SECTION. Sec. 2.** A new section is added to chapter 36.70A RCW to read as follows:

(1)(a) Where the county has classified mineral lands pursuant to RCW 36.70A.050 and mineral resource lands of long-term commercial significance exist, a county shall designate sufficient mineral resource lands in the comprehensive plans to meet the projected twenty-year, county-wide need. Once designated, mineral resource uses, including operations as defined in RCW 78.44.031, shall be established as an allowed use in local development regulations.

(b) The county shall designate mineral resource deposits, both active and inactive, in economically viable proximity to locations where the deposits are likely to be used.

(c) This section has no applicability to metals mining and milling operations as defined in RCW 78.56.020.

(2) Nothing in this section precludes any unit of government from accepting the lowest responsible bid for purchase of mineral materials, regardless of source.

(3) Through its comprehensive plan and development regulations, as defined in RCW 36.70A.030, a county, city, or town shall discourage the siting of new applications of incompatible uses adjacent to mineral resource industries, deposits, and holdings.

(4) Any additions or amendments to comprehensive plans or development regulations required by this section may be adopted during the normal course of adopting or amending the comprehensive plan or development regulations.

Reasonable notice of additions or amendments to comprehensive plans or development regulations shall be given to property owners and other affected and interested individuals. The county shall use either an existing reasonable notice provision already employed by the county or a new reasonable notice provision, including any of the following:

(a) Notifying owners of real property, as shown by the records of the county assessor, located within three hundred feet of the boundaries of the proposed designation;

(b) Publishing notice in a newspaper of general circulation in the county, city, or general area where the mineral resource deposits are located;

(c) Notifying public or private groups with known interest in the proposed mineral resource designation; or

(d) Placing notices in appropriate regional, neighborhood, or trade journals.

(5) For the purposes of this section:

(a) "Long-term commercial significance" includes the mineral composition of the land for long-term economically viable commercial production, in consideration with the mineral resource land's proximity to population areas, product markets, and the possibility of more intense uses of the land.

(b) "Allowed use" means the use or uses specified by local development regulations as appropriate within those areas designated through the advance or comprehensive planning process. Once designated, a proposed allowed use shall be reviewed for project specific impacts and may be conditioned to mitigate significant adverse impacts within the context of site plan approval, but such review shall not revisit the question of land use."

On page 1, line 1 of the title, after "designation;" strike the remainder of the title and insert "adding a new section to chapter 36.70A RCW; and creating a new section."

and the same are herewith transmitted.

## MESSAGE FROM THE SENATE

April 9, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1491 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 49.60.010 and 1995 c 259 s 1 are each amended to read as follows:

This chapter shall be known as the "law against discrimination". It is an exercise of the police power of the state for the protection of the public welfare, health, and peace of the people of this state, and in fulfillment of the provisions of the Constitution of this state concerning civil rights. The legislature hereby finds and declares that practices of discrimination against any of its inhabitants because of race, creed, color, national origin, families with children, sex, marital status, age, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a disabled person are a matter of state concern, that such discrimination threatens not only the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state. A state agency is herein created with powers with respect to elimination and prevention of discrimination in employment, in credit and insurance transactions, in places of public resort, accommodation, or amusement, and in real property transactions because of race, creed, color, national origin, families with children, sex, marital status, age, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a disabled person; and the commission established hereunder is hereby given general jurisdiction and power for such purposes.

**Sec. 2.** RCW 49.60.030 and 1995 c 135 s 3 are each amended to read as follows:

(1) The right to be free from discrimination because of race, creed, color, national origin, sex, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a disabled person is recognized as and declared to be a civil right. This right shall include, but not be limited to:

- (a) The right to obtain and hold employment without discrimination;
- (b) The right to the full enjoyment of any of the accommodations, advantages, facilities, or privileges of any place of public resort, accommodation, assemblage, or amusement;

(c) The right to engage in real estate transactions without discrimination, including discrimination against families with children;

(d) The right to engage in credit transactions without discrimination;

(e) The right to engage in insurance transactions or transactions with health maintenance organizations without discrimination: PROVIDED, That a practice which is not unlawful under RCW 48.30.300, 48.44.220, or 48.46.370 does not constitute an unfair practice for the purposes of this subparagraph; and

(f) The right to engage in commerce free from any discriminatory boycotts or blacklists. Discriminatory boycotts or blacklists for purposes of this section shall be defined as the formation or execution of any express or implied agreement, understanding, policy or contractual arrangement for economic benefit between any persons which is not specifically authorized by the laws of the United States and which is required or imposed, either directly or indirectly, overtly or covertly, by a foreign government or foreign person in order to restrict, condition, prohibit, or interfere with or in order to exclude any person or persons from any business relationship on the basis of race, color, creed, religion, sex, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide (~~(dog)~~) or service (~~(dog)~~) animal by a disabled person, or national origin or lawful business relationship: PROVIDED HOWEVER, That nothing herein contained shall prohibit the use of boycotts as authorized by law pertaining to labor disputes and unfair labor practices.

(2) Any person deeming himself or herself injured by any act in violation of this chapter shall have a civil action in a court of competent jurisdiction to enjoin further violations, or to recover the actual damages sustained by the person, or both, together with the cost of suit including reasonable attorneys' fees or any other appropriate remedy authorized by this chapter or the United States Civil Rights Act of 1964 as amended, or the Federal Fair Housing Amendments Act of 1988 (42 U.S.C. Sec. 3601 et seq.).

(3) Except for any unfair practice committed by an employer against an employee or a prospective employee, or any unfair practice in a real estate transaction which is the basis for relief specified in the amendments to RCW 49.60.225 contained in chapter 69, Laws of 1993, any unfair practice prohibited by this chapter which is committed in the course of trade or commerce as defined in the Consumer Protection Act, chapter 19.86 RCW, is, for the purpose of applying that chapter, a matter affecting the public interest, is not reasonable in relation to the development and preservation of business, and is an unfair or deceptive act in trade or commerce.

It shall be an unfair practice to use the sex, race, creed, color, national origin, marital status, or the presence of any sensory, mental, or physical disability of any person, or the use of a trained dog guide ~~((dog))~~ or service ~~((dog))~~ animal by a disabled person, concerning an application for credit in any credit transaction to determine the credit worthiness of an applicant.

**Sec. 14.** RCW 49.60.222 and 1995 c 259 s 3 are each amended to read as follows:

(4) Except pursuant to subsection (2)(a) of this section, this section shall not be construed to require structural changes, modifications, or additions to make facilities accessible to a disabled person except as otherwise required by law. Nothing in this section affects the rights, responsibilities, and remedies of landlords and tenants pursuant to chapter 59.18 or 59.20 RCW, including the right to post and enforce reasonable rules of conduct and safety for all tenants and their guests, provided that chapters 59.18 and 59.20 RCW are only affected to the extent they are inconsistent with the nondiscrimination requirements of this chapter. Nothing in this section limits the applicability of any reasonable federal, state, or local restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

(5) Notwithstanding any other provision of this chapter, it shall not be an unfair practice for any public establishment providing for accommodations offered for the full enjoyment of transient guests as defined by RCW 9.91.010(1)(c) to make distinctions on the basis of families with children status. **Sec. 16.** RCW 49.60.224 and 1993 c 69 s 8 are each amended to read as follows:

(1) Every provision in a written instrument relating to real property which purports to forbid or restrict the conveyance, encumbrance, occupancy, or lease thereof to individuals of a specified race, creed, color, sex, national origin, families with children status, or with any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a blind, deaf, or physically disabled person, and every condition, restriction, or prohibition, including a right of entry or possibility of reverter, which directly or indirectly limits the use or occupancy of real property on the basis of race, creed, color, sex, national origin, families with children status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a blind, deaf, or physically disabled person is void.

Sec. 3601 et seq.), and injunctive or other equitable relief. Such order may, to further the public interest, assess a civil penalty against the respondent:

(a) In an amount up to ten thousand dollars if the respondent has not been determined to have committed any prior unfair practice in a real estate transaction;

(b) In an amount up to twenty-five thousand dollars if the respondent has been determined to have committed one other unfair practice in a real estate transaction during the five-year period ending on the date of the filing of this charge; or

(c) In an amount up to fifty thousand dollars if the respondent has been determined to have committed two or more unfair practices in a real estate transaction during the seven-year period ending on the date of the filing of this charge, for loss of the right secured by RCW 49.60.010, 49.60.030, 49.60.040, and 49.60.222 through 49.60.224, as now or hereafter amended, to be free from discrimination in real property transactions because of sex, marital status, race, creed, color, national origin, families with children status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide (~~((dog))~~) or service (~~((dog))~~) animal by a blind, deaf, or physically disabled person. Enforcement of the order and appeal therefrom by the complainant or respondent may be made as provided in RCW 49.60.260 and 49.60.270. If acts constituting the unfair practice in a real estate transaction that is the object of the charge are determined to have been committed by the same natural person who has been previously determined to have committed acts constituting an unfair practice in a real estate transaction, then the civil penalty of up to fifty thousand dollars may be imposed without regard to the period of time within which any subsequent unfair practice in a real estate transaction occurred. All civil penalties assessed under this section shall be paid into the state treasury and credited to the general fund.

(2) Such order shall not affect any contract, sale, conveyance, encumbrance, or lease consummated before the issuance of an order that involves a bona fide purchaser, encumbrancer, or tenant who does not have actual notice of the charge filed under this chapter.

(3) Notwithstanding any other provision of this chapter, persons awarded damages under this section may not receive additional damages pursuant to RCW 49.60.250.

#### MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1589 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 7.69.030 and 1993 c 350 s 6 are each amended to read as follows:

There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights:

(1) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/ witness program, if such a crime victim/witness program exists in the county;

(2) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(3) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(4) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(5) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(6) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(7) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;

(8) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(9) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance;

(10) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program present at any prosecutorial or defense interviews with the victim, and at any judicial proceedings related to criminal acts committed against the victim. This subsection applies

if practical and if the presence of the crime victim advocate does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;

(11) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(12) With respect to victims and survivors of victims, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing for felony convictions upon request by a victim or survivor;

(13) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(14) With respect to victims and survivors of victims, to present a statement personally or by representation, at the sentencing hearing for felony convictions; and

(15) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2018

#### MESSAGE FROM THE SENATE

April 14, 1997

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1647 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** It is the intent of the legislature to provide for diverse educational opportunities at the state's institutions of higher education and to facilitate student participation in educational exchanges with institutions outside the state of Washington. To accomplish this, this act establishes a home tuition program allowing students at Washington state institutions of higher education to take advantage of out-of-state and international educational opportunities while paying an amount equal to their regularly charged tuition and required fees.

**Sec. 2.** RCW 28B.15.012 and 1994 c 188 s 2 are each amended to read as follows:

Whenever used in chapter 28B.15 RCW:

(1) The term "institution" shall mean a public university, college, or community college within the state of Washington.

(2) The term "resident student" shall mean:

(a) A financially independent student who has had a domicile in the state of Washington for the period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution and has in fact established a bona fide domicile in this state primarily for purposes other than educational;

(b) A dependent student, if one or both of the student's parents or legal guardians have maintained a bona fide domicile in the state of Washington for at least one year immediately prior to commencement of the semester or quarter for which the student has registered at any institution;

(c) A student classified as a resident based upon domicile by an institution on or before May 31, 1982, who was enrolled at a state institution during any term of the 1982-1983 academic year, so long as such student's enrollment (excepting summer sessions) at an institution in this state is continuous;

(d) A student who has spent at least seventy-five percent of both his or her junior and senior years in high schools in this state, whose parents or legal guardians have been domiciled in the state for a period of at least one year within the five-year period before the student graduates from high school, and who enrolls in a public institution of higher education within six months of leaving high school, for as long as the student remains continuously enrolled for three quarters or two semesters in any calendar year;

(e) A student who is the spouse or a dependent of a person who is on active military duty stationed in the state; ~~(( $\text{\textcircled{F}}$ ))~~

(f) A student of an out-of-state institution of higher education who is attending a Washington state institution of higher education pursuant to a home tuition agreement as described in RCW 28B.15.725; or

(g) A student who meets the requirements of RCW 28B.15.0131: PROVIDED, That a nonresident student enrolled for more than six hours per semester or quarter shall be considered as attending for primarily educational purposes, and for tuition and fee paying purposes only such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that the student has in fact established a bona fide domicile in this state primarily for purposes other than educational.

(3) The term "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of RCW 28B.15.012 and 28B.15.013. Except for students qualifying under subsection (2)(f) of this section, a nonresident student shall include:

(a) A student attending an institution with the aid of financial assistance provided by another state or governmental unit or agency thereof, such nonresidency continuing for one year after the completion of such semester or quarter.

(b) A person who is not a citizen of the United States of America who does not have permanent or temporary resident status or does not hold "Refugee-Parolee" or "Conditional Entrant" status with the United States immigration and naturalization service or is not otherwise permanently residing in the United States under color of law and who does not also meet and comply with all the applicable requirements in RCW 28B.15.012 and 28B.15.013.

(4) The term "domicile" shall denote a person's true, fixed and permanent home and place of habitation. It is the place where the student intends to remain, and to which the student expects to return when the student leaves without intending to establish a new domicile elsewhere. The burden of proof that a student, parent or guardian has established a domicile in the state of Washington primarily for purposes other than educational lies with the student.

(5) The term "dependent" shall mean a person who is not financially independent. Factors to be considered in determining whether a person is financially independent shall be set forth in rules and regulations adopted by the higher education coordinating board and shall include, but not be limited to, the state and federal income tax returns of the person and/or the student's parents or legal guardian filed for the calendar year prior to the year in which application is made and such other evidence as the board may require.

**Sec. 3.** RCW 28B.15.014 and 1993 sp.s. c 18 s 5 are each amended to read as follows:

Subject to the limitations of RCW 28B.15.910, the governing boards of the state universities, the regional universities, The Evergreen State College, and the community colleges may exempt the following nonresidents from paying all or a portion of the nonresident tuition fees differential:

(1) Any person who resides in the state of Washington and who holds a graduate service appointment designated as such by a public institution of higher education or is employed for an academic department in support of the instructional or research programs involving not less than twenty hours per week during the term such person shall hold such appointment.

(2) Any faculty member, classified staff member or administratively exempt employee holding not less than a half time appointment at an institution who resides in the state of Washington, and the dependent children and spouse of such persons.

(3) Active-duty military personnel stationed in the state of Washington.

(4) Any immigrant refugee and the spouse and dependent children of such refugee, if the refugee (a) is on parole status, or (b) has received an immigrant visa, or (c) has applied for United States citizenship.

(5) ~~((Domestic exchange students participating in the program created under RCW 28B.15.725-  
(6)))~~ Any dependent of a member of the United States congress representing the state of Washington.

**Sec. 4.** RCW 28B.15.725 and 1994 c 234 s 1 are each amended to read as follows:

~~((Subject to the limitations of RCW 28B.15.910,))~~ (1) The governing boards of the state universities, the regional universities, and The Evergreen State College may ~~((enter into undergraduate student exchange))~~ establish home tuition programs by negotiating home tuition agreements with an out-of-state institution or consortium of institutions of higher education ((of other states and agree to exempt participating undergraduate students from payment of all or a portion of the nonresident tuition fees differential subject to the following restrictions:-

~~(1) In any given academic year, the number of students receiving a waiver at a state institution shall not exceed the number of that institution's students receiving nonresident tuition waivers at participating out of state institutions. Waiver imbalances that may occur in one year shall be off set in the year immediately following))~~ if no loss of tuition and fee revenue occurs as a result of the agreements.

(2) ~~((Undergraduate))~~ Home tuition agreements allow students at Washington state institutions of higher education to attend an out-of-state institution of higher education as part of a student exchange. Students participating in a home tuition program shall pay an amount equal to their regular, full-time tuition and required fees to either the Washington institution of higher education or the out-of-state institution of higher education depending upon the provisions of the particular agreement. Payment of course fees in excess of generally applicable tuition and required fees must be addressed in each home tuition agreement to ensure that the instructional programs of the Washington institution of higher education do not incur additional uncompensated costs as a result of the exchange.

(3) ~~Student participation in ((an exchange program))~~ a home tuition agreement authorized by this section is limited to one academic year.

(4) Students enrolled under a home tuition agreement shall reside in Washington state for the duration of the program, may not use the year of enrollment under this program to establish Washington state residency, and are not eligible for state financial aid.

**Sec. 5.** RCW 28B.15.910 and 1993 sp.s. c 18 s 31 are each amended to read as follows:

As used in this section, "gross authorized operating fees revenue" means the estimated gross operating fees revenue as estimated under RCW 82.33.020 or as revised by the office of financial management, before granting any waivers. #### MESSAGE FROM THE SENATE

April 11, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1693 with the following attached amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The purpose of this act is to protect the interest of insureds, claimants, ceding insurers, assuming insurers, and the public generally.

(2) It is the intent of the legislature to ensure adequate regulation of insurers and reinsurers and adequate protection for those to whom they owe obligations.

(3) It is also the intent of the legislature to declare that the matters contained in this act are fundamental to the business of insurance and to exercise its powers and privileges under 15 U.S.C. Secs. 1011 and 1012.

**NEW SECTION. Sec. 2.** For purposes of this act, a "qualified United States financial institution" means an institution that complies with all of the following:

(1) Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;

(2) Is regulated, supervised, and examined by United States federal or state authorities having regulatory authority over banks and trust companies;

(3) Has been determined by the commissioner, or, in the discretion of the commissioner, the securities valuation office of the national association of insurance commissioners, to meet such standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner; and

(4) Is not affiliated with the assuming company.

**NEW SECTION. Sec. 3.** Upon insolvency of a non-United States insurer or reinsurer that provides security to fund its United States obligations in accordance with this act, the assets representing the security must be maintained in the United States and claims must be filed with and valued by the state insurance commissioner with regulatory oversight, and the assets distributed, in accordance with the insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic United States insurance companies.

**NEW SECTION. Sec. 4.** (1) Credit for reinsurance in a reinsurance contract entered into after December 31, 1996, is allowed a domestic ceding insurer as either an asset or a deduction from liability in accordance with RCW 48.12.160 only if the reinsurance contract contains provisions that provide, in substance, as follows:

(a) The reinsurer shall indemnify the ceding insurer against all or a portion of the risk it assumed according to the terms and conditions contained in the reinsurance contract.

(b) In the event of insolvency and the appointment of a conservator, liquidator, or statutory successor of the ceding company, the portion of risk or obligation assumed by the reinsurer is payable to the conservator, liquidator, or statutory successor on the basis of claims allowed against the insolvent company by a court of competent jurisdiction or by a conservator, liquidator, or statutory successor of the company having authority to allow such claims, without diminution because of that insolvency, or because the conservator, liquidator, or statutory successor failed to pay all or a portion of any claims. Payments by the reinsurer as provided in this subsection are made directly to the ceding insurer or to its conservator, liquidator, or statutory successor, except where the contract of insurance, reinsurance, or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer.

(2) Payment under a reinsurance contract must be made within a reasonable time with reasonable provision for verification in accordance with the terms of the reinsurance agreement. However, in no event shall the payments be beyond the period required by the national association of insurance commissioners accounting practices and procedures manual.

(3) The original insured or policyholder may not have any rights against the reinsurer that are not specifically set forth in the contract of reinsurance, or in a specific agreement between the reinsurer and the original insured or policyholder.

**NEW SECTION. Sec. 5.** Credit for reinsurance, as either an asset or a deduction, is prohibited in an accounting or financial statement of the ceding insurer in respect to the reinsurance contract unless, in such contract, the reinsurer undertakes to indemnify the ceding insurer against all or a part of the loss or liability arising out of the original insurance. This section only applies to those reinsurance contracts entered into after December 31, 1996.

**Sec. 6.** RCW 48.12.160 and 1996 c 297 s 1 are each amended to read as follows:

(1) Any insurance company organized under the laws of this state may take credit as an asset or as a deduction from loss or claim, unearned premium, or life policy or contract reserves on risks ceded to a reinsurer to the extent reinsured by an insurer or insurers holding a certificate of authority to transact that kind of business in this state, unless the assuming insurer is the subject of a regulatory order or regulatory oversight by a state in which it is licensed based upon a commissioner's determination that the assuming insurer is in a hazardous financial condition. The credit on ceded risks reinsured by any insurer which is not authorized to transact business in this state may be taken:

(a) Where the reinsurer is a group including incorporated and unincorporated underwriters, and the group maintains a trust fund in a ~~((United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance,))~~ qualified United States financial institution which trust fund must be in an amount equal to ~~((the group's liabilities attributable to business written in the United States, and))~~:

(i) For reinsurance ceded under reinsurance agreements with an inception, amendment, or renewal date on or after August 1, 1995, funds in trust in an amount not less than the group's several liabilities attributable to business ceded by United States domiciled insurers to any member of the group; or

(ii) For reinsurance ceded under reinsurance agreements with an inception date on or before July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of this act, funds in trust in an amount not less than the group's several insurance and reinsurance liabilities attributable to business written in the United States.

In addition, the group shall maintain a trusteed surplus of which one hundred million dollars shall be held jointly and exclusively for the benefit of United States ceding insurers of any member of the group(♾).

The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members; and the group

shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary regulator and its independent public accountants;

(b) Where the reinsurer does not meet the definition of (a) of this subsection, the single assuming alien reinsurer that, as of the date of the ceding insurer's statutory financial statement, maintains a trust fund in a ((United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance)) qualified United States financial institution, which trust fund must be in an amount ((equal to)) not less than the assuming alien reinsurer's liabilities attributable to reinsurance ceded by United States domiciled insurers, and in addition, the assuming insurer shall maintain a trusted surplus of not less than twenty million dollars , and the assuming alien reinsurer maintaining the trust fund must have received a registration from the commissioner under section 7 of this act. The assuming alien reinsurer shall report on or before February 28th to the commissioner substantially the same information as that required to be reported on the national association of insurance commissioners annual statement form by licensed insurers, to enable the commissioner to determine the sufficiency of the trust fund; ((✕))

(c) In an amount not exceeding:

(i) The amount of deposits by and funds withheld from the assuming insurer pursuant to express provision therefor in the reinsurance contract, as security for the payment of the obligations thereunder, if the deposits or funds are assets of the types and amounts that are authorized under chapter 48.13 RCW and are held subject to withdrawal by and under the control of the ceding insurer or if the deposits or funds are placed in trust for these purposes in a bank which is a member of the federal reserve system and withdrawals from the trust cannot be made without the consent of the ceding company; or

(ii) The amount of a clean, irrevocable, and unconditional letter of credit issued by a United States bank that is determined by the national association of insurance commissioners to meet credit standards for issuing letters of credit in connection with reinsurance, and issued for a term of at least one year with provisions that it must be renewed unless the bank gives notice of nonrenewal at least thirty days before the expiration issued under arrangements satisfactory to the commissioner of insurance as constituting security to the ceding insurer substantially equal to that of a deposit under (c)(i) of this subsection.

(2) Credit for reinsurance may not be granted under subsection (1)(a), (b), and (c)(i) of this section unless:

(a) The form of the trust and amendments to the trust have been approved by the insurance commissioner of the state where the trust is located, or the insurance commissioner of another state who, pursuant to the terms of the trust agreement, has accepted principal regulatory oversight of the trust;

(b) The trust and trust amendments are filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled;

(c) The trust instrument provides that contested claims are valid, enforceable, and payable out of funds in trust to the extent remaining unsatisfied thirty days after entry of the final order of a court of competent jurisdiction in the United States;

(d) The trust vests legal title to its assets in the trustees of the trust for the benefit of the grantor's United States ceding insurers, their assigns, and successors in interest;

(e) The trust and the assuming insurer are subject to examination as determined by the commissioner;

(f) The trust shall remain in effect for as long as the assuming insurer, member, or former member of a group of insurers has outstanding obligations due under the reinsurance agreements subject to the trust; and

(g) No later than February 28th of each year, the trustees of the trust report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end. In addition, the trustees of the trust shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire within the next twelve months.

(3) Any reinsurance ceded by a company organized under the laws of this state or ceded by any company not organized under the laws of this state and transacting business in this state must be

payable by the assuming insurer on the basis of liability of the ceding company under the contract or contracts reinsured without diminution because of the insolvency of the ceding company, and any such reinsurance agreement which may be canceled on less than ninety days notice must provide for a run-off of the reinsurance in force at the date of cancellation.

~~((3) A reinsurance agreement may provide that the)~~ (4) The domiciliary conservator, liquidator ~~((or))~~, receiver, or statutory successor of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against the insolvent ceding insurer on the policy or bond reinsured within a reasonable time after such claim is filed in the insolvency proceeding and that during the pendency of such claim any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses which it may deem available to the ceding insurer or its liquidator or receiver or statutory successor.

The expense thus incurred by the assuming insurer shall be chargeable subject to court approval against the insolvent ceding insurer as a part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer.

~~((4))~~ (5) Where two or more assuming insurers are involved in the same claim and a majority in interest elect to interpose to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

(6) The credit permitted by subsection (1)(b) of this section is prohibited unless the assuming alien insurer agrees in the trust agreement, notwithstanding other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by subsection (1)(b) of this section or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile:

(a) To comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust fund;

(b) That assets be distributed by, and insurance claims of United States trust beneficiaries be filed with and valued by, the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies;

(c) That if the commissioner with regulatory oversight determines that the assets of the trust fund or a part thereof are not necessary to satisfy the claims of the United States ceding insurers, which are United States trust beneficiaries, the assets or part thereof shall be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement; and

(d) That the grantor waives any right otherwise available to it under United States law that is inconsistent with this provision.

**NEW SECTION. Sec. 7.** (1) The assuming alien reinsurer must register with the commissioner and must:

(a) File with the commissioner evidence of its submission to this state's jurisdiction and to this state's authority to examine its books and records under chapter 48.03 RCW;

(b) Designate the commissioner as its lawful attorney upon whom service of all papers may be made for an action, suit, or proceeding instituted by or on behalf of the ceding insurer;

(c) File with the commissioner a certified copy of a letter or a certificate of authority or a certificate of compliance issued by the assuming alien insurer's domiciliary jurisdiction and the domiciliary jurisdiction of its United States reinsurance trust;

(d) Submit a statement, signed and verified by an officer of the assuming alien insurer to be true and correct, that discloses whether the assuming alien insurer or an affiliated person who owns or has a controlling interest in the assuming alien insurer is currently known to be the subject of one or more of the following:

(i) An order or proceeding regarding conservation, liquidation, or receivership;

(ii) An order or proceeding regarding the revocation or suspension of a license or accreditation to transact insurance or reinsurance in any jurisdiction; or

(iii) An order or proceeding brought by an insurance regulator in any jurisdiction seeking to restrict or stop the assuming alien insurer from transacting insurance or reinsurance based upon a hazardous financial condition.

The assuming alien insurer shall provide the commissioner with copies of all orders or other documents initiating proceedings subject to disclosure under this subsection. The statement must affirm that no actions, proceedings, or orders subject to this subsection are outstanding against the assuming alien insurer or an affiliated person who owns or has a controlling interest in the assuming alien insurer, except as disclosed in the statement;

(e) File other information, financial or otherwise, which the commissioner reasonably requests.

(2) A registration continues in force until suspended, revoked, or not renewed. A registration is subject to renewal annually on the first day of July upon application of the assuming alien insurer and payment of the fee in the same amount as an insurer pays for renewal of a certificate of authority.

(3) The commissioner shall give an assuming alien insurer notice of his or her intention to revoke or refuse to renew its registration at least ten days before the order of revocation or refusal is to become effective.

(4) The commissioner shall, consistent with chapters 48.04 and 34.05 RCW, deny or revoke an assuming alien insurer's registration if the assuming alien insurer no longer qualifies or meets the requirements for registration.

(5) The commissioner may, consistent with chapters 48.04 and 34.05 RCW, deny or revoke an assuming alien insurer's registration if the assuming alien insurer:

(c) Refuses to remove or discharge a trustee, director, or officer who has been convicted of a crime involving fraud, dishonesty, or moral turpitude;

(d) Usually compels policy-holding claimants either to accept less than the amount due them or to bring suit against the assuming alien insurer to secure full payment of the amount due;

(e) Refuses to be examined, or its trustees, directors, officers, employees, or representatives refuse to submit to examination or to produce its accounts, records, and files for examination by the commissioner when required, or refuse to perform a legal obligation relative to the examination;

(f) Refuses to submit to the jurisdiction of the United States courts;

(g) Fails to pay a final judgment rendered against it:

(i) Within thirty days after the judgment became final;

(ii) Within thirty days after time for taking an appeal has expired; or

(iii) Within thirty days after dismissal of an appeal before final determination;

whichever date is later.

(h) Is found by the commissioner, after investigation or upon receipt of reliable information:

(i) To be managed by persons, whether by its trustees, directors, officers, or by other means, who are incompetent or untrustworthy or so lacking in insurance company management experience as to make proposed operation hazardous to the insurance-buying public; or

(ii) That there is good reason to believe it is affiliated directly or indirectly through ownership, control, or business relations, with a person or persons whose business operations are, or have been found to be, in violation of any law or rule, to the detriment of policyholders, stockholders, investors, creditors, or of the public, by bad faith or by manipulation of the assets, accounts, or reinsurance;

(i) Does business through reinsurance intermediaries or other representatives in this state or in any other state, who are not properly licensed under applicable laws and rules; or

(7) The actual costs and expenses incurred by the commissioner for an examination of a registered alien insurer must be charged to and collected from the alien reinsurer.

(8) A registered alien reinsurer is included as a "class one" organization for the purposes of RCW 48.02.190.

NEW SECTION. Sec. 8. (1) Unless credit for reinsurance or deduction from liability is prohibited under section 5 of this act, a foreign ceding insurer is allowed credit for reinsurance or deduction from liability to the extent credit has been allowed by the ceding insurer's state of domicile if:

(a) The state of domicile is accredited by the national association of insurance commissioners;  
or

(b) Credit or deduction from liability would be allowed under this act if the foreign ceding insurer were domiciled in this state.

(2) Notwithstanding subsection (1) of this section, credit for reinsurance or deduction from liability may be disallowed upon a finding by the commissioner that either the condition of the reinsurer, or the collateral or other security provided by the reinsurer, does not satisfy the credit for reinsurance requirements applicable to ceding insurers domiciled in this state.

NEW SECTION. Sec. 9. The commissioner may adopt rules to implement and administer this act.

NEW SECTION. Sec. 10. RCW 48.05.300 and 1993 c 91 s 1, 1977 ex.s. c 180 s 1, & 1947 c 79 s .05.30 are each repealed.

MESSAGE FROM THE SENATE

April 14, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE SENATE BILL NO. 1565 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that small scale prospecting and mining is an important part of the heritage of the state. The legislature further finds that small scale prospecting and mining provide economic benefits to the state, and help to meet the national security demand and industrial demand for minerals. The legislature further finds that it is critical that small scale miners and prospectors be allowed access to open public lands in the state. The legislature further finds that mineral prospecting and mining activities can be conducted in a manner that is consistent with fish habitat and fish-life population. Now, therefore, the legislature declares that small scale prospecting and mining must not be unreasonably regulated. The legislature further declares that small scale prospecting and mining must not be unfairly limited or obstructed from access to open public lands. The legislature further declares that all restrictions or regulations of small scale prospecting and mining activities must be based on sound scientific evidence and applicable documentation supporting the need for such restrictions.

**Sec. 2.** RCW 75.20.100 and 1993 sp.s. c 2 s 30 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the written approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 (~~and 75.20.1002~~), the department shall grant or deny approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay. Approval is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent. If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If

any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

For the purposes of this section and RCW 75.20.103, "bed" shall mean the land below the ordinary high water lines of state waters. This definition shall not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

The phrase "to construct any form of hydraulic project or perform other work" shall not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately upon request, for a stream crossing during an emergency situation.

This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

This section does not apply to small scale prospecting and mining activities, which are governed by section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 75.20 RCW to read as follows:

(1) Small scale prospecting and mining is exempt from the provisions of this chapter, provided that such activity does not undercut streambanks or disturb rooted live woody plants such as trees or shrubs.

(2) For the purposes of this chapter, "small scale prospecting and mining" means only the use of the following methods: Pans, sluice boxes, concentrators, and mini-rocker boxes for the discovery and recovery of minerals."

On page 1, line 1 of the title, after "mining;" strike the remainder of the title and insert "amending RCW 75.20.100; adding a new section to chapter 75.20 RCW; and creating a new section."

and the same are herewith transmitted.

### RESOLUTION

#### HOUSE RESOLUTION NO. 97-4664, by Representatives Hatfield, Doumit and Quall

WHEREAS, Led by Head Coach Rob Friese, the Willapa Valley Vikings of Pacific County capped an undefeated season when they captured the Washington State B-11 football championship at the Tacoma Dome; and

WHEREAS, Assistant Coaches John Peterson and Greg Wonhoff worked with Coach Friese in guiding the Vikings to their flawless 13-0 season; and

WHEREAS, Willapa Valley's Matt Bannish teams with Coaches Friese and Peterson as Co-athletic Directors, thus providing the school a one-two-three leadership punch the likes of which is seldom seen in southwest Washington or in any other region; and

WHEREAS, The rich tradition of athletic prowess at Willapa Valley has endured over the decades since the Viking basketball men proved Giant Killers in vanquishing a big-city school for the state championship sixty years ago; and

WHEREAS, Coaches Friese and Bannish helped carry on that rich tradition as Willapa Valley students when they starred on former Viking football Coach Bud Sanchez's state-championship teams of 1978 and 1979; and

WHEREAS, In 1981, Coaches Friese and Bannish also starred on the Viking basketball state champions; and

WHEREAS, The B-11 football finale last December was a hard-fought contest and could perhaps have gone either way if the blue-ribbon Willapa Valley offense had not prevailed to bring the impressive championship hardware home to Pacific County; and

WHEREAS, Twenty-nine young Willapa Valley men out of a total school enrollment of one hundred forty-eight participated on the state championship Viking football team; and

WHEREAS, Sixteen players on the team are members of the Class of 1997, thus requiring the Willapa Valley coaching staff to reload in preparation for the next football season;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives salute and applaud the Willapa Valley Vikings for their undefeated, state championship football season; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to Willapa Valley's coaching staff, administration, and each of the players on Willapa Valley Vikings Championship Football Team.

#### SENATE AMENDMENTS TO HOUSE BILL

April 14, 1997

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1817 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 90.46.005 and 1995 c 342 s 1 are each amended to read as follows:

The legislature finds that by encouraging the use of reclaimed water while assuring the health and safety of all Washington citizens and the protection of its environment, the state of Washington will continue to use water in the best interests of present and future generations.

To facilitate the use of reclaimed water as soon as is practicable, the legislature encourages the cooperative efforts of the public and private sectors and the use of pilot projects to effectuate the goals of this chapter. The legislature further directs the department of health and the department of ecology to coordinate efforts towards developing an efficient and streamlined process for creating and implementing processes for the use of reclaimed water.

It is hereby declared that the people of the state of Washington have a primary interest in the development of facilities to provide reclaimed water to replace potable water in nonpotable applications, to supplement existing surface and ground water supplies, and to assist in meeting the future water requirements of the state.

The legislature further finds and declares that the utilization of reclaimed water by local communities for domestic, agricultural, industrial, recreational, and fish and wildlife habitat creation and enhancement purposes, including wetland enhancement, will contribute to the peace, health, safety, and welfare of the people of the state of Washington. To the extent reclaimed water is appropriate for beneficial uses, it should be so used to preserve potable water for drinking purposes. Use of reclaimed water constitutes the development of new basic water supplies needed for future generations.

The legislature further finds and declares that the use of reclaimed water is not inconsistent with the policy of antidegradation of state waters announced in other state statutes, including the water pollution control act, chapter 90.48 RCW and the water resources act, chapter 90.54 RCW.

The legislature finds that other states, including California, Florida, and Arizona, have successfully used reclaimed water to supplement existing water supplies without threatening existing resources or public health.

It is the intent of the legislature that the department of ecology and the department of health undertake the necessary steps to encourage the development of water reclamation facilities so that reclaimed water may be made available to help meet the growing water requirements of the state.

The legislature further finds and declares that reclaimed water facilities are water pollution control facilities as defined in chapter 70.146 RCW and are eligible for financial assistance as provided in chapter 70.146 RCW. The legislature finds that funding demonstration projects will ensure the future use of reclaimed water. The demonstration projects in section 2 of this act are varied in nature and will provide the experience necessary to test different facets of the standards and refine a variety of technologies so that water purveyors can begin to use reclaimed water technology in a more cost-effective manner. This is especially critical in smaller cities and communities where the feasibility for such projects is great, but there are scarce resources to develop the necessary facilities.

**NEW SECTION. Sec. 2.** A new section is added to chapter 90.46 RCW to read as follows:

(1) The department of ecology shall establish and administer a reclaimed water demonstration program for the purposes of funding and monitoring the progress of five demonstration projects. The department shall work in cooperation with the department of health.

(2) The five demonstration projects will be:

(a) The city of Ephrata, to use class A reclaimed water for surface spreading that will recharge the groundwater and reduce the nitrate concentrations that currently exceed drinking water standards in domestic wells;

(b) Lincoln county, for a study of the use of reclaimed water to transport twenty-two million gallons a day from Spokane to water sources that will rehydrate and restore long depleted streambeds;

(c) The city of Royal City to replace an interim emergency sprayfield by using one hundred percent of its discharge as class A reclaimed water to enhance local wetlands and lakes in the winter, and potentially irrigate a golf course;

(d) The city of Sequim to implement a tertiary treatment system and reuse one hundred percent of the city's wastewater to reopen an existing shellfish closure area to benefit state and tribal resources, improve streamflows in the Dungeness river, and provide a sustainable water supply for irrigation purposes;

(e) The city of Yelm to use one hundred percent of its wastewater to provide alternative water supply for irrigation and industrial uses in order to offset increased demand for water supply, to protect the Nisqually river chum salmon runs, and to develop experimental artificial wetlands to test low cost treatment options.

(3) By September 30, 1997, the department of ecology shall enter into a grant agreement with the demonstration project jurisdictions that includes reporting requirements, timelines, and a fund disbursement schedule based on the agreed project milestones.

(4) Upon completion of the projects, the department of ecology shall report to the appropriate committees of the legislature on the results of the program.

(5) Demonstration projects which will discharge or otherwise deliver reclaimed water to federal reclamation project facilities or irrigation district facilities shall meet the requirements of the facilities' operating entity for such discharges or deliveries.

(6) No irrigation district, its directors, officers, employees, or agents operating and maintaining irrigation works for any purpose authorized by law, including the production of food for human consumption and other agricultural and domestic purposes, is liable for damages to persons or property arising from the implementation of the demonstration projects in this section."

On page 1, line 1 of the title, after "program;" strike the remainder of the title and insert "amending RCW 90.46.005; and adding a new section to chapter 90.46 RCW."

and the same are herewith transmitted.

Susan Carlson, Deputy Secretary

SENATE AMENDMENTS TO HOUSE BILL

April 10, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1903 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 18.27 RCW to read as follows:

This chapter shall be strictly enforced. Therefore, the doctrine of substantial compliance shall not be used by the department in the application and construction of this chapter. Anyone engaged in the activities of a contractor is presumed to know the requirements of this chapter.

**Sec. 2.** RCW 18.27.010 and 1993 c 454 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Contractor" means any person, firm, or corporation who or which, in the pursuit of an independent business undertakes to, or offers to undertake, or submits a bid to, construct, alter, repair, add to, subtract from, improve, move, wreck or demolish, for another, any building, highway, road, railroad, excavation or other structure, project, development, or improvement attached to real estate or to do any part thereof including the installation of carpeting or other floor covering, the erection of scaffolding or other structures or works in connection therewith or who installs or repairs roofing or siding; or, who, to do similar work upon his or her own property, employs members of more than one trade upon a single job or project or under a single building permit except as otherwise provided herein. "Contractor" includes any person, firm, or corporation covered by this subsection, whether or not registered as required under this chapter.

(2) "General contractor" means a contractor whose business operations require the use of more than two unrelated building trades or crafts whose work the contractor shall superintend or do in whole or in part. "General contractor" shall not include an individual who does all work personally without employees or other "specialty contractors" as defined (~~(herein)~~) in this section. The terms "general contractor" and "builder" are synonymous.

(3) "Specialty contractor" means a contractor whose operations (~~(as such)~~) do not fall within the foregoing definition of "general contractor".

(4) "Unregistered contractor" means a person, firm, or corporation doing work as a contractor without being registered in compliance with this chapter. "Unregistered contractor" includes contractors whose registration is expired for more than thirty days beyond the renewal date or has been suspended.

(5) "Department" means the department of labor and industries.

~~((5))~~ (6) "Director" means the director of the department of labor and industries.

~~((6))~~ (7) "Verification" means the receipt and duplication by the city, town, or county of a contractor registration card that is current on its face, checking the department's contractor registration data base, or calling the department to confirm that the contractor is registered.

**Sec. 3.** RCW 18.27.020 and 1993 c 454 s 6 are each amended to read as follows:

(1) Every contractor shall register with the department.

(2) It is a misdemeanor for any contractor to:

(a) Advertise, offer to do work, submit a bid, or perform any work as a contractor without being registered as required by this chapter;

(b) Advertise, offer to do work, submit a bid, or perform any work as a contractor when the contractor's registration is suspended or revoked;

(c) Use a false or expired registration number in purchasing or offering to purchase an advertisement for which a contractor registration number is required; or

(d) Transfer a valid registration to an unregistered contractor or allow an unregistered contractor to work under a registration issued to another contractor.

(3) It is not unlawful for a general contractor to employ an unregistered contractor who was registered at the time he or she entered into a contract with the general contractor, unless the general contractor or his or her representative has been notified in writing by the department of labor and industries that the contractor has become unregistered.

(4) All misdemeanor actions under this chapter shall be prosecuted in the county where the infraction occurs.

(5) A person is guilty of a separate misdemeanor for each day worked if, after the person receives a citation from the department, the person works while unregistered, or while his or her registration is suspended or revoked, or works under a registration issued to another contractor. A person is guilty of a separate misdemeanor for each worksite on which he or she violates subsection (2) of this section. Nothing in this subsection applies to a registered contractor.

(6) The director by rule shall establish a two-year audit and monitoring program for a contractor not registered under this chapter who becomes registered after receiving an infraction or conviction under this chapter as an unregistered contractor. The director shall notify the departments of revenue and employment security of the infractions or convictions and shall cooperate with these departments to determine whether any taxes or registration, license, or other fees or penalties are owed the state.

**Sec. 4.** RCW 18.27.030 and 1996 c 147 s 1 are each amended to read as follows:

(1) An applicant for registration as a contractor shall submit an application under oath upon a form to be prescribed by the director and which shall include the following information pertaining to the applicant:

(a) Employer social security number.

(b) As applicable: (i) The industrial insurance account number covering employees domiciled in Washington; and (ii) evidence of workers' compensation coverage in the applicant's state of domicile for the applicant's employees working in Washington who are not domiciled in Washington.

(c) Employment security department number.

(d) State excise tax registration number.

(e) Unified business identifier (UBI) account number may be substituted for the information required by (b), (c), and (d) of this subsection.

(f) Type of contracting activity, whether a general or a specialty contractor and if the latter, the type of specialty.

(g) The name and address of each partner if the applicant be a firm or partnership, or the name and address of the owner if the applicant be an individual proprietorship, or the name and address of the corporate officers and statutory agent, if any, if the applicant be a corporation. The information contained in such application shall be a matter of public record and open to public inspection.

(2) The department may verify the workers' compensation coverage information provided by the applicant under subsection (1)(b) of this section, including but not limited to information regarding the coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) The department shall deny an application for registration (~~(shall be denied)~~) if the applicant has been previously registered as a sole proprietor, partnership, or corporation (~~(, and was a principal or officer of the corporation,)~~) and ((if)) the applicant has an unsatisfied final judgment against him or her in an action based on this chapter that was incurred during a previous registration under this chapter.

**Sec. 5.** RCW 18.27.040 and 1988 c 139 s 1 are each amended to read as follows:

(1) Each applicant shall ~~(, at the time of applying for or renewing a certificate of registration,)~~ file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in ~~((a form acceptable to the department running to the state of Washington if a general contractor, in the sum of six thousand dollars; if a specialty contractor, in the sum of four thousand dollars,))~~ the sum of six thousand dollars if the applicant is a general contractor and four thousand dollars if the applicant is a specialty contractor. If no valid bond is already on file with the department at the time the application is filed, a bond must accompany the registration application. The bond shall have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond shall be continuous and may be canceled by the surety upon the surety

giving written notice to the director of its intent to cancel the bond. A cancellation or revocation of the bond or withdrawal of the surety from the bond suspends the registration issued to the registrant until a new bond or reinstatement notice has been filed and approved as provided in this section. The bond shall be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing labor or material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of ((negligent or improper work or)) breach of contract including negligent or improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity shall not impair a bond for the purposes of this section so long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) Any contractor registered as of ~~((the effective date of this 1983 act))~~ July 1, 1997, who maintains such registration in accordance with this chapter shall be in compliance with this chapter until the next annual renewal of the contractor's certificate of registration. At that time, the contractor shall provide a bond, cash deposit, or other security deposit as required by this chapter and comply with all of the other provisions of this chapter before the department shall renew the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit upon ~~((such))~~ the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. Action upon ~~((such))~~ the bond or deposit shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date of expiration of the certificate of registration in force at the time the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was completed or abandoned. Service of process in an action against the contractor, the contractor's bond, or the deposit shall be exclusively by service upon the department. Three copies of the summons and complaint and a fee of ten dollars to cover the handling costs shall be served by registered or certified mail upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the ten-dollar fee and three copies of the summons and complaint. ~~((Such))~~ The service shall constitute service on the registrant and the surety for suit upon the bond or deposit and the department shall transmit the summons and complaint or a copy thereof to the registrant at the address listed in ~~((his))~~ the registrant's application and to the surety within forty-eight hours after it shall have been received.

(4) The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety shall not cumulate where the bond has been renewed, continued, reinstated, reissued or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated but if the actions commenced and pending at any one time exceed the amount of the bond then unimpaired, claims shall be satisfied from the bond in the following order:

- (a) Employee labor and claims of laborers, including employee benefits;
- (b) Claims for breach of contract by a party to the construction contract;
- (c) Subcontractors, material, and equipment;
- (d) Taxes and contributions due the state of Washington;
- (e) Any court costs, interest, and attorney's fees plaintiff may be entitled to recover. The surety is not liable for any amount in excess of the penal limit of its bond.

A payment made by the surety in good faith exonerates the bond to the extent of any payment made by the surety.

(5) ~~((In the event that any))~~ If a final judgment ((shall)) impairs the liability of the surety upon the bond so furnished that there shall not be in effect a bond undertaking in the full amount prescribed in this section, the department shall suspend the registration of ((such)) the contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims ((shall have been)) is

furnished. If ~~((such))~~ the bond becomes fully impaired, a new bond must be furnished at the ~~((increased))~~ rates prescribed by this section ~~((as now or hereafter amended))~~.

(6) In lieu of the surety bond required by this section the contractor may file with the department a deposit consisting of cash or other security acceptable to the department.

(7) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

(8) The director may ~~((promulgate))~~ adopt rules necessary for the proper administration of the security.

**Sec. 6.** RCW 18.27.060 and 1983 1st ex.s. c 2 s 19 are each amended to read as follows:

(1) A certificate of registration shall be valid for one year and shall be renewed on or before the expiration date. The department shall issue to the applicant a certificate of registration upon compliance with the registration requirements of this chapter.

(2) If the department approves an application, it shall issue a certificate of registration to the applicant. The certificate shall be valid for:

(a) One year;

(b) Until the bond expires; or

(c) Until the insurance expires, whichever comes first. The department shall place the expiration date on the certificate.

(3) A contractor may supply a short-term bond or insurance policy to bring its registration period to the full one year.

(4) If a contractor's surety bond or other security has an unsatisfied judgment against it or is canceled, or if the contractor's insurance policy is canceled, the contractor's registration shall be automatically suspended on the effective date of the impairment or cancellation. The department shall ~~((give))~~ mail notice of the suspension to the ~~((contractor))~~ contractor's address on the certificate of registration by certified and by first class mail within forty-eight hours after suspension.

(5) Renewal of registration is valid on the date the department receives the required fee and proof of bond and liability insurance, if sent by certified mail or other means requiring proof of delivery. The receipt or proof of delivery shall serve as the contractor's proof of renewed registration until he or she receives verification from the department.

**Sec. 7.** RCW 18.27.070 and 1983 c 74 s 1 are each amended to read as follows:

The department shall charge fees for issuance, renewal, and reinstatement of certificates of registration; and changes of name, address, or business structure. The department shall set the fees by rule.

The ~~((fees shall))~~ entire amount of the fees are to be used solely to cover the full cost of issuing certificates, filing papers and notices, and administering and enforcing this chapter. The costs shall include reproduction, travel, per diem, and administrative and legal support costs.

When such verification is made, nothing contained in this section is intended to be, nor shall be construed to create, or form the basis for any liability under this chapter on the part of any city, town or county, or its officers, employees or agents. However, failure to verify the contractor registration number results in liability to the city, town, or county to a penalty to be imposed according to RCW 18.27.100 ~~((6))~~ (7)(a).

#### SENATE AMENDMENTS TO HOUSE BILL

April 15, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2042 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature acknowledges the definition of reading as "Reading is the process of constructing meaning from written text. It is the complex skill requiring the coordination of a number of interrelated sources of information." Marilyn Adams, *Becoming a Nation of Readers* 7. The legislature also acknowledges the role that reading accuracy and fluency plays in the comprehension of text. The legislature finds that one way to determine if a child's inability to read is problematic is to compare the child's reading fluency and accuracy skills with that of other children. To accomplish this objective, the legislature finds that assessments that test students' reading fluency and accuracy skills must be scientifically valid and reliable. The legislature further finds that early identification of students with potential reading difficulties can provide valuable information to parents, teachers, and school administrators. The legislature finds that assessment of second grade students' reading fluency and accuracy skills can assist teachers in planning and implementing a reading curriculum that addresses students' deficiencies in reading.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction shall identify a collection of tests that can be used to measure second grade reading accuracy and fluency skills. The purpose of the second grade reading test is to provide information to parents, teachers, and school administrators on the level of acquisition of reading accuracy and fluency skills of each student at the beginning of second grade. Each of the tests in the collection must:

- (a) Provide a reliable and valid measure of student's reading accuracy and fluency skills;
- (b) Be able to be individually administered;
- (c) Have been approved by a panel of nationally recognized professionals in the area of beginning reading, whose work has been published in peer-reviewed education research journals, and professionals in the area of measurement and assessment; and
- (d) Assess student skills in recognition of letter sounds, phonemic awareness, word recognition, and reading connected text. Text used for the test of fluency must be ordered in relation to difficulty.

(2) The superintendent of public instruction shall select tests for use by schools and school districts participating in pilot projects under section 3 of this act during the 1997-98 school year. The final collection must be selected by June 30, 1998.

(3) The superintendent of public instruction shall develop a per-pupil cost for each of the tests in the collection that details the costs for booklets, scoring services, and training required to reliably administer the test. To the extent funds are appropriated, the superintendent of public instruction shall pay for booklets or other testing material, scoring services, and training required to administer the test.

**NEW SECTION. Sec. 3.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction shall create a pilot project to identify which second grade reading tests selected under section 2 of this act will be included in the final collection of tests that must be available by June 30, 1998.

(2) Schools and school districts may voluntarily participate in the second grade reading test pilot projects in the 1997-98 school year. Schools and school districts voluntarily participating in the pilot project test are not required to have the results available by the fall parent-teacher conference.

(3)(a) Starting in the 1998-99 school year, school districts must select a test from the collection adopted by the superintendent of public instruction. Selection must be at the entire school district level and must remain in place at that school district for at least three years.

(b) Students who score substantially below grade level when tested in the fall shall be tested at least one more time during the second grade. Test performance deemed to be "substantially below grade level" is to be determined for each test in the collection by the superintendent of public instruction during the pilot year of 1997-98.

(c) If a student, while taking the test, reaches a point at which the student's performance will be considered "substantially below grade level" regardless of the student's performance on the remainder of the test, the test may be discontinued.

(d) Each school must have the test results available by the fall parent-teacher conference. Schools must notify parents about the second grade reading test during the conferences, inform the parents of their students' performance on the test, identify actions the school intends to take to improve the child's reading skills, and provide parents with strategies to help the parents improve their child's score.

**NEW SECTION. Sec. 4.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction shall establish a primary grade reading grant program. The purpose of the grant program is to enhance teachers' skills in using teaching methods that have proven results gathered through quantitative research and to assist students in beginning reading.

(2) Schools and school districts may apply for primary grade reading grants. To qualify for a grant, the grant proposal shall provide that the grantee must:

(a) Document that the instructional model the grantee intends to implement, including teaching methods and instructional materials, is based on results validated by quantitative methods;

(b) Agree to work with the independent contractor identified under subsection (3) of this section to determine the effectiveness of the instructional model selected and the effectiveness of the staff development provided to implement the selected model; and

(c) Provide evidence of a significant number of students who are not achieving at grade level.

To the extent funds are appropriated, the superintendent of public instruction shall make initial grants available by September 1, 1997, for schools and school districts voluntarily participating in pilot projects under section 3 of this act. Subject to available funding, additional applications may be submitted to the superintendent of public instruction by September 1, 1998, and by September 1st in subsequent years. Grants will be awarded for two years.

School districts shall test students for second grade reading accuracy and fluency skills starting in the 1998-99 school year as provided in section 3 of this act.

(2) The superintendent of public instruction shall prepare and conduct, with the assistance of school districts, a standardized achievement test to be given annually to all pupils in grade four. Results of such tests shall be compiled by the superintendent of public instruction, who shall make those results available annually to the legislature, to all local school districts and subsequently to parents of those children tested. Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2059 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 9A.56 RCW to read as follows:

(1) A person who, with intent to deprive the owner or owner's agent, wrongfully obtains, or exerts unauthorized control over, or by color or aid of deception gains control of personal property that is rented or leased to the person, is guilty of theft of rental, leased, or lease-purchased property.

(2) The finder of fact may presume intent to deprive if the finder of fact finds either of the following:

(a) That the person who rented or leased the property failed to return or make arrangements acceptable to the owner of the property or the owner's agent to return the property to the owner or the owner's agent within seventy-two hours after receipt of proper notice following the due date of the rental, lease, or lease-purchase agreement; or

(b) That the renter or lessee presented identification to the owner or the owner's agent that was materially false, fictitious, or not current with respect to name, address, place of employment, or other appropriate items.

(3) As used in subsection (2) of this section, "proper notice" consists of a written demand by the owner or the owner's agent made after the due date of the rental, lease, or lease-purchase period, mailed by certified or registered mail to the renter or lessee at: (a) The address the renter or lessee gave when the contract was made; or (b) the renter or lessee's last known address if later furnished in writing by the renter, lessee, or the agent of the renter or lessee.

(4) The replacement value of the property obtained must be utilized in determining the amount involved in the theft of rental, leased, or lease-purchased property. Theft of rental, leased, or lease-purchased property is a: Class B felony if the rental, leased, or lease-purchased property is valued at one thousand five hundred dollars or more; class C felony if the rental, leased, or lease-purchased property is valued at two hundred fifty dollars or more but less than one thousand five hundred dollars; and gross misdemeanor if the rental, leased, or lease-purchased property is valued at less than two hundred fifty dollars.

(5) This section applies to rental agreements that provide that the renter may return the property any time within the rental period and pay only for the time the renter actually retained the property, in addition to any minimum rental fee, to lease agreements, and to lease-purchase agreements as defined under RCW 63.19.010. This section does not apply to rental or leasing of real property under the residential landlord-tenant act, chapter 59.18 RCW.

(1) An additional type of current use valuation is established in this section for agricultural lands that is called agricultural lands with long-term commercial significance.

(2) Lands shall be classified as agricultural lands with long-term commercial significance if: (a) The lands are designated as agricultural lands under RCW 36.70A.170(1) by a county, city, or town planning under RCW 36.70A.040; (b) the lands are devoted primarily to agricultural uses specified under RCW 36.70A.030(2) and not used for residential purposes, industrial purposes, or other commercial purposes; (c) the county, city, or town has adopted its comprehensive plan and development regulations under RCW 36.70A.070 and 36.70A.040; and (d) the owner files an application for this status with the county assessor.

The assessed valuation of agricultural lands with long-term commercial significance shall be one-half of the value of such lands established under RCW 84.40.030 or the value established under RCW 84.34.065, whichever is lower.

(3) The classification of any lands as agricultural lands with long-term commercial significance shall be removed if either: (a) The county, city, or town removes the designation of these lands under RCW 36.70A.170(1); or (b) the use of such lands changes to a use not permitted for designation as agricultural lands with long-term commercial significance under subsection (2) of this section. After the removal of the classification of agricultural lands with long-term commercial significance, the lands shall be valued at their full market value unless the lands are reclassified under another current use classification under this chapter. Lands removed from classification as agricultural lands with long-term commercial significance shall not be subject to an additional tax, penalties, or interest under RCW 84.34.070 through 84.34.108.

**Sec. 2.** RCW 84.34.020 and 1992 c 69 s 4 are each amended to read as follows:

As used in this chapter, unless a different meaning is required by the context:

(1) "Open space land" means (a) any land area so designated by an official comprehensive land use plan adopted by any city or county and zoned accordingly ~~((1-4))~~, or (b) any land area, the preservation of which in its present use would (i) conserve and enhance natural or scenic resources, or (ii) protect streams or water supply, or (iii) promote conservation of soils, wetlands, beaches or tidal marshes, or (iv) enhance the value to the public of abutting or neighboring parks, forests, wildlife preserves, nature reservations or sanctuaries or other open space, or (v) enhance recreation opportunities, or (vi) preserve historic sites, or (vii) preserve visual quality along highway, road, and street corridors or scenic vistas, or (viii) retain in its natural state tracts of land not less than one acre situated in an urban area and open to public use on such conditions as may be reasonably required by the legislative body granting the open space classification, or (c) any land meeting the definition of farm and agricultural conservation land under subsection (8) of this section. As a condition of granting open space classification, the legislative body may not require public access on land classified under (b)(iii) of this subsection for the purpose of promoting conservation of wetlands.

(2) "Farm and agricultural land" means either (a) any parcel of land that is twenty or more acres or multiple parcels of land that are contiguous and total twenty or more acres (i) devoted primarily to the production of livestock or agricultural commodities for commercial purposes, (ii) enrolled in the federal conservation reserve program or its successor administered by the United States department of agriculture, or (iii) other similar commercial activities as may be established by rule ~~((following consultation with the advisory committee established in section 19 of this act))~~; (b) any parcel of land that is five acres or more but less than twenty acres devoted primarily to agricultural uses, which has produced a gross income from agricultural uses equivalent to, as of January 1, 1993, (i) one hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993, and (ii) on or after January 1, 1993, two hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter; (c) any parcel of land of less than five acres devoted primarily to agricultural uses which has produced a gross income as of January 1, 1993, of (i) one thousand dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993, and (ii) on or after January 1, 1993, fifteen hundred dollars or more per year for three of the five calendar years preceding the date of application for classification

under this chapter. Parcels of land described in (b)(i) and (c)(i) of this subsection shall, upon any transfer of the property excluding a transfer to a surviving spouse, be subject to the limits of (b)(ii) and (c)(ii) of this subsection. Agricultural lands shall also include such incidental uses as are compatible with agricultural purposes, including wetlands preservation, provided such incidental use does not exceed twenty percent of the classified land and the land on which appurtenances necessary to the production, preparation, or sale of the agricultural products exist in conjunction with the lands producing such products. Agricultural lands shall also include any parcel of land of one to five acres, which is not contiguous, but which otherwise constitutes an integral part of farming operations being conducted on land qualifying under this section as "farm and agricultural lands"; or (d) the land on which housing for employees and the principal place of residence of the farm operator or owner of land classified pursuant to (a) of this subsection is sited if: The housing or residence is on or contiguous to the classified parcel; and the use of the housing or the residence is integral to the use of the classified land for agricultural purposes.

(3) "Timber land" means any parcel of land that is five or more acres or multiple parcels of land that are contiguous and total five or more acres which is or are devoted primarily to the growth and harvest of forest crops for commercial purposes. A timber management plan shall be filed with the county legislative authority at the time (a) an application is made for classification as timber land pursuant to this chapter or (b) when a sale or transfer of timber land occurs and a notice of classification continuance is signed. Timber land means the land only.

(4) "Current" or "currently" means as of the date on which property is to be listed and valued by the assessor.

(5) "Owner" means the party or parties having the fee interest in land, except that where land is subject to real estate contract "owner" shall mean the contract vendee.

(6) "Contiguous" means land adjoining and touching other property held by the same ownership. Land divided by a public road, but otherwise an integral part of a farming operation, shall be considered contiguous.

(7) "Granting authority" means the appropriate agency or official who acts on an application for classification of land pursuant to this chapter.

(8) "Farm and agricultural conservation land" means either:

(a) Land that was previously classified under subsection (2) of this section, that no longer meets the criteria of subsection (2) of this section, and that is reclassified under subsection (1) of this section; or

(b) Land that is traditional farmland that is not classified under chapter 84.33 or 84.34 RCW, that has not been irrevocably devoted to a use inconsistent with agricultural uses, and that has a high potential for returning to commercial agriculture.

(9) "Agricultural lands of long-term commercial significance" means lands designated by a county, city, or town under RCW 36.70A.170(1) that have been classified as agricultural lands with long-term commercial significance under section 1 of this act.

**Sec. 3.** RCW 84.34.070 and 1992 c 69 s 10 are each amended to read as follows:

(1) When land has once been classified under this chapter as open space land, farm and agricultural land, or timber land, it shall remain under such classification and shall not be applied to other use except as provided by subsection (2) of this section for at least ten years from the date of classification and shall continue under such classification until and unless withdrawn from classification after notice of request for withdrawal shall be made by the owner. During any year after eight years of the initial ten-year classification period have elapsed, notice of request for withdrawal of all or a portion of the land may be given by the owner to the assessor or assessors of the county or counties in which such land is situated. In the event that a portion of a parcel is removed from classification, the remaining portion must meet the same requirements as did the entire parcel when such land was originally granted classification pursuant to this chapter unless the remaining parcel has different income criteria. Within seven days the assessor shall transmit one copy of such notice to the legislative body which originally approved the application. The assessor or assessors, as the case may be, shall, when two assessment years have elapsed following the date of receipt of such notice, withdraw such land from such classification and the land shall be subject to the additional tax and applicable interest due under RCW 84.34.108. Agreement to tax according to use shall not be considered to be a contract and can be abrogated at any time by the legislature in which event no additional tax or penalty shall be imposed.

(2) The following reclassifications are not considered withdrawals or removals and are not subject to additional tax under RCW 84.34.108:

(a) Reclassification between lands under RCW 84.34.020 (2) and (3);

(b) Reclassification of land classified under RCW 84.34.020 (2) or (3) or chapter 84.33 RCW to open space land under RCW 84.34.020(1);

(c) Reclassification of land classified under RCW 84.34.020 (2) or (3) to forest land classified under chapter 84.33 RCW; and

(d) Reclassification of land classified as open space land under RCW 84.34.020(1)(c) and reclassified to farm and agricultural land under RCW 84.34.020(2) if the land had been previously classified as farm and agricultural land under RCW 84.34.020(2).

(3) Applications for reclassification shall be subject to applicable provisions of RCW 84.34.037, 84.34.035, 84.34.041, and chapter 84.33 RCW.

(4) The income criteria for land classified under RCW 84.34.020(2) (b) and (c) may be deferred for land being reclassified from land classified under RCW 84.34.020 (1)(c) or (3), or chapter 84.33 RCW into RCW 84.34.020(2) (b) or (c) for a period of up to five years from the date of reclassification.

**Sec. 4.** RCW 84.34.108 and 1992 c 69 s 12 are each amended to read as follows:

(1) When land has once been classified under this chapter as open space land, farm and agricultural land, or timber land, a notation of such classification shall be made each year upon the assessment and tax rolls and such land shall be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of such classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of such classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner shall not, by itself, result in removal of classification. ~~((The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.120, as now or hereafter amended.))~~ The signed notice of classification continuance shall be part of the real estate excise tax affidavit provided for in RCW 82.45.120 or attached as a separate document to the real estate excise tax affidavit. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of such land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, shall provide reasonable assistance to the assessor in making a determination whether such land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance shall be provided within thirty days of receipt of the request.

(2) Within thirty days after such removal of all or a portion of such land from current use classification as open space land, farm and agricultural land, or timber land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to full market value on the date of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (5) of

this section, an additional tax, applicable interest, and penalty shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of such an additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such additional tax, applicable interest, and penalty shall be determined as follows:

(a) The amount of additional tax shall be equal to the difference between the property tax paid as "open space land", "farm and agricultural land", or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest shall be equal to the interest upon the amounts of such additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which such additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty shall be as provided in RCW 84.34.080. The penalty shall not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(4) Additional tax, applicable interest, and penalty, shall become a lien on such land which shall attach at the time such land is removed from classification under this chapter and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050 now or as hereafter amended. Any additional tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The additional tax, applicable interest, and penalty specified in subsection (3) of this section shall not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of such land;

(e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections: PROVIDED, That at such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (3) of this section shall be imposed; or

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d)."

On page 1, line 2 of the title, after "products;" strike the remainder of the title and insert "amending RCW 84.34.020, 84.34.070, and 84.34.108; and adding a new section to chapter 84.34 RCW."

and the same are herewith transmitted.

- (5) Each master program shall contain provisions to allow for the varying of the application of use regulations of the program, including provisions for permits for conditional uses and variances, to insure that strict implementation of a program will not create unnecessary hardships or thwart the policy enumerated in RCW 90.58.020. - (6) Each master program shall contain standards governing the protection of single family residences and appurtenant structures against damage or loss due to shoreline erosion. The standards shall govern the issuance of substantial development permits for shoreline protection, including structural methods such as construction of bulkheads, and nonstructural methods of protection. The standards shall provide for methods which achieve effective and timely protection against loss or damage to single family residences and appurtenant structures due to shoreline erosion. The standards shall provide a preference for permit issuance for measures to protect single family residences occupied prior to January 1, 1992, where the proposed measure is designed to minimize harm to the shoreline natural environment.

**Sec. 9.** RCW 28A.525.166 and 1990 c 33 s 457 are each amended to read as follows:

Allocations to school districts of state funds provided by RCW 28A.525.160 through 28A.525.182 shall be made by the state board of education and the amount of state assistance to a school district in financing a school plant project shall be determined in the following manner:

(1) The boards of directors of the districts shall determine the total cost of the proposed project, which cost may include the cost of acquiring and preparing the site, the cost of constructing the building or of acquiring a building and preparing the same for school use, the cost of necessary equipment, taxes chargeable to the project, necessary architects' fees, and a reasonable amount for contingencies and for other necessary incidental expenses: PROVIDED, That the total cost of the project shall be subject to review and approval by the state board of education.

(2) The state matching percentage for a school district shall be computed by the following formula:

The ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil shall be subtracted from three, and then the result of the foregoing shall be divided by three plus (the ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil).

$$\text{Computed State Ratio} = \frac{\text{District adjusted valuation per pupil} \div \text{Total state adjusted valuation per pupil} - 3}{3 + \text{District adjusted valuation per pupil} \div \text{Total state adjusted valuation per pupil}} = \text{Matching \%}$$

PROVIDED, That in the event the percentage of state assistance to any school district based on the above formula is less than twenty percent and such school district is otherwise eligible for state assistance under RCW 28A.525.160 through 28A.525.182, the state board of education may establish for such district a percentage of state assistance not in excess of twenty percent of the approved cost of the project, if the state board finds that such additional assistance is necessary to provide minimum facilities for housing the pupils of the district.

(3) In addition to the computed percent of state assistance developed in (2) above, a school district shall be entitled to additional percentage points determined by the average percentage of growth for the past three years. One percent shall be added to the computed percent of state assistance for each percent of growth, with a maximum of twenty percent.

(4) The approved cost of the project determined in the manner herein prescribed times the percentage of state assistance derived as provided for herein shall be the amount of state assistance to the district for the financing of the project: PROVIDED, That need therefor has been established to the satisfaction of the state board of education: PROVIDED, FURTHER, That additional state assistance may be allowed if it is found by the state board of education that such assistance is necessary in order to meet (a) a school housing emergency resulting from the destruction of a school building by fire, the condemnation of a school building by properly constituted authorities, a sudden excessive and clearly foreseeable future increase in school population, or other conditions similarly emergent in nature; or (b) a special school housing burden resulting from industrial projects of state-wide significance or imposed by virtue of the admission of nonresident students into educational programs established, maintained and operated in conformity with the requirements of law; or (c) a deficiency in the capital funds of the district resulting from financing, subsequent to April 1, 1969, and without benefit of the state assistance provided by prior state assistance programs, the construction of a needed school building project or projects approved in conformity with the requirements of such programs, after having first applied for and been denied state assistance because of the inadequacy of state funds available for the purpose, or (d) a condition created by the fact that an excessive number of students live in state owned housing, or (e) a need for the construction of a school building to provide for improved school district organization or racial balance, or (f) conditions similar to those defined under (a), (b), (c), (d) and (e) hereinabove, creating a like emergency.

**Sec. 10.** RCW 28B.80.330 and 1996 c 174 s 1 are each amended to read as follows:

The plan shall be updated every four years, and presented to the governor and the appropriate legislative policy committees. Following public hearings, the legislature shall, by concurrent resolution, approve or recommend changes to the initial plan, and the updates. The plan shall then become state higher education policy unless legislation is enacted to alter the policies set forth in the plan;

(4) Review, evaluate, and make recommendations on operating and capital budget requests from four-year institutions and the community and technical college system, based on the elements outlined in subsections (1), (2), and (3) of this section, and on guidelines which outline the board's fiscal priorities. SENATE AMENDMENTS TO HOUSE BILL

April 14, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1327 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 82.08.050 and 1993 sp.s. c 25 s 704 are each amended to read as follows:

(1)(a) The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department pursuant to the provisions of RCW 82.08.060. The tax required by this chapter, to be collected by the seller, minus the amount retained by the seller for administration under subsection (2) of this section, shall be deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to his or her own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a gross misdemeanor.

(b) In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay ((#)) the amount owed to the department in the manner prescribed by this chapter, whether such failure is the result of his or her own acts or the result of acts or conditions beyond his or her control, he or she shall, nevertheless, be personally liable to the state for the amount of the tax owed, unless the

seller has taken from the buyer in good faith a properly executed resale certificate under RCW 82.04.470.

(c) The amount of tax, until paid by the buyer to the seller or to the department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor. The tax required by this chapter to be collected by the seller shall be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. For purposes of determining the tax due from the buyer to the seller and from the seller to the department it shall be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter, but if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price shall not be considered the selling price.

(d) Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax owed to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

(2) Each seller shall retain, as reimbursement for the costs associated with collection and administration under this section, the following amounts each reporting period:

(a) 1.0 percent of the tax collected under this section on the first forty thousand dollars of taxable sales per month in the reporting period; and

(b) 0.5 percent of the tax collected under this section on sales greater than forty thousand dollars but less than or equal to one hundred twenty thousand dollars per month in the reporting period.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 79.71 RCW to read as follows:

The property currently designated as the Elk river natural area preserve is transferred from management under chapter 79.70 RCW as a natural area preserve to management under chapter 79.71 RCW as a natural resources conservation area. The legislature finds that hunting is a suitable low-impact public use within the Elk river natural resources conservation area. The department of natural resources shall incorporate this legislative direction into the management plan developed for the Elk river natural resources conservation area. The department shall work with the department of fish and wildlife to identify hunting opportunities compatible with the area's conservation purposes."

## FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1056 as amended by the Senate.

Representatives Buck and Regala spoke in favor of passage of the bill.

## COLLOQUY

Representative Buck: Would the gentleman from District 18 yield to a question? The Senate removed a provision in the underlying House bill that stated that upland uses of motorized vehicles do

not constitute a low-impact public use within the conservation area. Does this mean that the department is required to permit use of motorized vehicles?

Representative Hatfield: No. RCW 79.71.070 directs the Department of Natural Resources to develop a management plan for each conservation area. The plan must identify the significant resources to be conserved and the areas with potential for low-impact public and environmental educational uses. The plan must also specify the public uses that are permitted in the area, consistent with conservation purposes. Since the bill does not amend this section of current law, the department will go through the same process for this conservation area as it does for any conservation area in determining whether motorized uses are low-impact public uses consistent with the area's conservation purposes.

#### SENATE AMENDMENTS TO HOUSE BILL

April 15, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1841 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the children of this state have the right to an effective public education and that both students and educators have the need to be safe and secure in the classroom if learning is to occur. The legislature also finds, however, that children in many of our public schools are forced to focus on the threat and message of violence contained in many aspects of our society and reflected through and in gang violence activities on school campuses.

The legislature recognizes that the prevalence of weapons, including firearms and dangerous knives, is an increasing problem that is spreading rapidly even to elementary schools throughout the state. Gang-related apparel and regalia compound the problem by easily concealing weapons that threaten and intimidate students and school personnel. These threats have resulted in tragic and unnecessary bloodshed over the past two years and must be eradicated from the system if student and staff security is to be restored on school campuses. Many educators believe that school dress significantly influences student behavior in both positive and negative ways. Special school dress up and color days signify school spirit and provide students with a sense of unity. Schools that have adopted school uniforms report a feeling of togetherness, greater school pride, and better student behavior in and out of the classroom. This sense of unity provides students with the positive attitudes needed to avert the pressures of gang involvement.

The legislature also recognizes there are other more significant factors that impact school safety such as the pervasive use of drugs and alcohol in school. In addition to physical safety zones, schools should also be drug-free zones that expressly prohibit the sale, use, or possession of illegal drugs on school property. Students involved in drug-related activity are unable to benefit fully from educational opportunities and are disruptive to the learning environment of their fellow students. Schools must be empowered to make decisions that positively impact student learning by eradicating drug use and possession on their campuses. This flexibility should also be afforded to schools as they deal with other harmful substance abuse activities engaged in by their students.

Toward this end, the legislature recognizes the important role of the classroom teacher who must be empowered to restore discipline and safety in the classroom. Teachers must have the ability to control the conduct of students to ensure that their mission of educating students may be achieved. Disruptive behavior must not be allowed to continue to divert attention, time, and resources from educational activities.

The legislature therefore intends to define gang-related activities as criminal behavior disruptive not only to the learning environment but to society as a whole, and to provide educators with the authority to restore order and safety to the student learning environment, eliminate the influence of gang activities, and eradicate drug and substance abuse on school campuses, thus empowering educators to regain control of our classrooms and provide our students with the best educational opportunities available in our schools.

The legislature also finds that students and school employees have been subjected to violence such as rapes, assaults, or harassment that has not been gang or drug-related criminal activity. The legislature intends that all violence and harassment directed at students and school personnel be eradicated in public schools.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.600 RCW to read as follows:

(1) A student who is enrolled in a public school or an alternative school may be suspended or expelled if the student is a member of a gang and knowingly engages in gang activity on school grounds.

(2) "Gang" means a group which: (a) Consists of three or more persons; (b) has identifiable leadership; and (c) on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

**NEW SECTION. Sec. 3.** A new section is added to chapter 9A.46 RCW to read as follows:

A person commits the offense of criminal gang intimidation if the person threatens another person with bodily injury because the other person refuses to join or has attempted to withdraw from a gang, as defined in section 2 of this act, if the person who threatens the victim or the victim attends or is registered in a public or alternative school. Criminal gang intimidation is a class C felony.

**Sec. 4.** RCW 28A.225.330 and 1995 c 324 s 2 and 1995 c 311 s 25 are each reenacted and amended to read as follows:

(1) When enrolling a student who has attended school in another school district, the school enrolling the student may request the parent and the student to briefly indicate in writing whether or not the student has:

- (a) Any history of placement in special educational programs;
- (b) Any past, current, or pending disciplinary action;
- (c) Any history of violent behavior, or behavior listed in section 7 of this act;
- (d) Any unpaid fines or fees imposed by other schools; and
- (e) Any health conditions affecting the student's educational needs.

(2) The school enrolling the student shall request the school the student previously attended to send the student's permanent record including records of disciplinary action, attendance, immunization records, and academic performance. If the student has not paid a fine or fee under RCW 28A.635.060, or tuition, fees, or fines at approved private schools the school may withhold the student's official transcript, but shall transmit information about the student's academic performance, special placement, immunization records, and records of disciplinary action. If the official transcript is not sent due to unpaid tuition, fees, or fines, the enrolling school shall notify both the student and parent or guardian that the official transcript will not be sent until the obligation is met, and failure to have an official transcript may result in exclusion from extracurricular activities or failure to graduate.

(3) If information is requested under subsection (2) of this section, the information shall be transmitted within two school days after receiving the request and the records shall be sent as soon as possible. Any school district or district employee who releases the information in compliance with this section is immune from civil liability for damages unless it is shown that the school district employee acted with gross negligence or in bad faith. The state board of education shall provide by rule for the discipline under chapter 28A.410 RCW of a school principal or other chief administrator of a public school building who fails to make a good faith effort to assure compliance with this subsection.

(4) Any school district or district employee who releases the information in compliance with federal and state law is immune from civil liability for damages unless it is shown that the school district or district employee acted with gross negligence or in bad faith.

**NEW SECTION. Sec. 5.** A new section is added to chapter 28A.195 RCW to read as follows:

If a student who previously attended an approved private school enrolls in a public school but has not paid tuition, fees, or fines at the approved private school, the approved private school may withhold the student's official transcript, but shall transmit information to the public school about the student's academic performance, special placement, immunization records, and records of disciplinary action.

**Sec. 6.** RCW 28A.635.020 and 1981 c 36 s 1 are each amended to read as follows:

(1) It shall be unlawful for any person to willfully disobey the order of the chief administrative officer of a public school district, or of an authorized designee of any such administrator, to leave any motor vehicle, building, grounds or other property which is owned, operated or controlled by the school district if the person so ordered is under the influence of alcohol or drugs, or is committing, threatens to imminently commit or incites another to imminently commit any act which would disturb or interfere with or obstruct any lawful task, function, process or procedure of the school district or any lawful task, function, process or procedure of any student, official, employee or invitee of the school district. The order of a school officer or designee acting pursuant to this subsection shall be valid if the officer or designee reasonably believes a person ordered to leave is under the influence of alcohol or drugs, is committing acts, or is creating a disturbance as provided in this subsection.

(2) It shall be unlawful for any person to refuse to leave public property immediately adjacent to a building, grounds or property which is owned, operated or controlled by a school district when ordered to do so by a law enforcement officer if such person is engaging in conduct which creates a substantial risk of causing injury to any person, or substantial harm to property, or such conduct amounts to disorderly conduct under RCW 9A.84.030.

(3) Nothing in this section shall be construed to prohibit or penalize activity consisting of the lawful exercise of freedom of speech, freedom of press and the right to peaceably assemble and petition the government for a redress of grievances: PROVIDED, That such activity neither does or threatens imminently to materially disturb or interfere with or obstruct any lawful task, function, process or procedure of the school district, or any lawful task, function, process or procedure of any student, official, employee or invitee of the school district: PROVIDED FURTHER, That such activity is not conducted in violation of a prohibition or limitation lawfully imposed by the school district upon entry or use of any motor vehicle, building, grounds or other property which is owned, operated or controlled by the school district.

(4) Any person guilty of violating this section shall be deemed guilty of a gross misdemeanor (~~and, upon conviction therefor, shall be fined not more than five hundred dollars, or imprisoned in jail for not more than six months or both so fined and imprisoned~~) punishable as provided in chapter 9A.20 RCW.

**NEW SECTION. Sec. 7.** A new section is added to chapter 13.04 RCW to read as follows:

(1) Whenever a minor enrolled in any common school is convicted in adult criminal court, or adjudicated or entered into a diversion agreement with the juvenile court on any of the following offenses, the court must notify the principal of the student's school of the disposition of the case, after first notifying the parent or legal guardian that such notification will be made:

- (a) A violent offense as defined in RCW 9.94A.030;
- (b) A sex offense as defined in RCW 9.94A.030;
- (c) Inhaling toxic fumes under chapter 9.47A RCW;
- (d) A controlled substances violation under chapter 69.50 RCW;

- (e) A liquor violation under RCW 66.44.270; and
- (f) Any crime under chapters 9A.36, 9A.40, 9A.46, and 9A.48 RCW.

(2) The principal must provide the information received under subsection (1) of this section to every teacher of any student who qualifies under subsection (1) of this section and any other personnel who, in the judgment of the principal, supervises the student or for security purposes should be aware of the student's record. The principal must provide the information to teachers and other personnel based on any written records that the principal maintains or receives from a juvenile court administrator or a law enforcement agency regarding the student.

**NEW SECTION. Sec. 8.** A new section is added to chapter 13.50 RCW to read as follows:  
Records of disposition for a juvenile offense must be provided to schools as provided in section 7 of this act.

**NEW SECTION. Sec. 9.** A new section is added to chapter 28A.600 RCW to read as follows:

(1) School district boards of directors shall adopt policies that restore discipline to the classroom. Such policies must provide for at least the following: Allowing each teacher to take disciplinary action to correct a student who disrupts normal classroom activities, abuses or insults a teacher as prohibited by RCW 28A.635.010, willfully disobeys a teacher, uses abusive or foul language directed at a school district employee, school volunteer, or another student, violates school rules, or who interferes with an orderly education process. Disciplinary action may include but is not limited to: Oral or written reprimands; written notification to parents of disruptive behavior, a copy of which must be provided to the principal.

(2) A student committing an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW when the activity is directed toward the teacher, shall not be assigned to that teacher's classroom for the duration of the student's attendance at that school or any other school where the teacher is assigned.

(3) A student who commits an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW, when directed toward another student, may be removed from the classroom of the victim for the duration of the student's attendance at that school or any other school where the victim is enrolled. A student who commits an offense under one of the chapters enumerated in this section against a student or another school employee, may be expelled or suspended.

(4) Nothing in this section is intended to limit the authority of a school under existing law and rules to expel or suspend a student for misconduct or criminal behavior.

(5) All school districts must collect data on disciplinary actions taken in each school. The information shall be made available to the public upon request. This collection of data shall not include personally identifiable information including, but not limited to, a student's social security number, name, or address.

**NEW SECTION. Sec. 10.** A new section is added to chapter 28A.320 RCW to read as follows:

School district boards of directors may adopt policies that limit the possession of (1) paging telecommunication devices by students that emit audible signals, vibrate, display a message, or otherwise summons or delivers a communication to the possessor, and (2) portable or cellular telephones.

**Sec. 11.** RCW 28A.600.020 and 1990 c 33 s 497 are each amended to read as follows:

(1) The rules adopted pursuant to RCW 28A.600.010 shall be interpreted to insure that the optimum learning atmosphere of the classroom is maintained, and that the highest consideration is given to the judgment of qualified certificated educators regarding conditions necessary to maintain the optimum learning atmosphere.

(2) Any student who creates a disruption of the educational process in violation of the building disciplinary standards while under a teacher's immediate supervision may be excluded by the teacher from his or her individual classroom and instructional or activity area for all or any portion of the balance of the school day, or up to the following two days, or until the principal or designee and

teacher have conferred, whichever occurs first(~~(= PROVIDED, That)~~). Except in emergency circumstances, the teacher ((shall have)) first ((attempted)) must attempt one or more alternative forms of corrective action(~~(= PROVIDED FURTHER, That)~~). In no event without the consent of the teacher ((shall)) may an excluded student ((be returned)) return to the class during the balance of that class or activity period or up to the following two days, or until the principal or his or her designee and the teacher have conferred.

(3) In order to preserve a beneficial learning environment for all students and to maintain good order and discipline in each classroom, every school district board of directors shall provide that written procedures are developed for administering discipline at each school within the district. Such procedures shall be developed with the participation of parents and the community, and shall provide that the teacher, principal or designee, and other authorities designated by the board of directors, make every reasonable attempt to involve the parent or guardian and the student in the resolution of student discipline problems. Such procedures shall provide that students may be excluded from their individual classes or activities for periods of time in excess of that provided in subsection (2) of this section if such students have repeatedly disrupted the learning of other students(~~(= PROVIDED, That)~~). The procedures ((are)) must be consistent with the ((regulations)) rules of the state board of education and must provide for early involvement of parents in attempts to improve the student's behavior(~~(= PROVIDED FURTHER, That pursuant to RCW 28A.400.110,))~~.

(4) The procedures shall assure, pursuant to RCW 28A.400.110, that all staff work cooperatively toward consistent enforcement of proper student behavior throughout each school as well as within each classroom.

(5) A principal shall consider imposing long-term suspension or expulsion as a sanction when deciding the appropriate disciplinary action for a student who, after the effective date of this section:

(a) Engages in two or more violations within a three-year period of section 2, 3, 9, or 10 of this act, RCW 28A.635.020, 28A.600.020, 28A.635.060, 9.41.280, or 28A.320.140; or

(b) Engages in one or more of the offenses listed in section 7 of this act.

The principal shall communicate the disciplinary action taken by the principal to the school personnel who referred the student to the principal for disciplinary action.

**Sec. 12.** RCW 28A.400.110 and 1990 c 33 s 379 are each amended to read as follows:

Within each school the school principal shall determine that appropriate student discipline is established and enforced. In order to assist the principal in carrying out the intent of this section, the principal and the certificated employees in a school building shall confer at least annually in order to develop and/or review building disciplinary standards and uniform enforcement of those standards. Such building standards shall be consistent with the provisions of RCW 28A.600.020(3).

School principals and certificated employees shall also confer annually, to establish criteria for determining when certificated employees must complete classes to improve classroom management skills.

**Sec. 13.** RCW 28A.635.060 and 1994 c 304 s 1 are each amended to read as follows:

(1) Any pupil who ((shall)) defaces or otherwise injures any school property, ((shall be liable)) or property belonging to a school contractor, employee, or another student, is subject to suspension and punishment. If any property of the school district ((whose property)), a contractor of the district, an employee, or another student has been lost or willfully cut, defaced, or injured, the school district may withhold the grades, diploma, and transcripts of the pupil responsible for the damage or loss until the pupil or the pupil's parent or guardian has paid for the damages. If the student is suspended, the student may not be readmitted until the student or parents or legal guardian has made payment in full or until directed by the superintendent of schools. If the property damaged is a school bus owned and operated by or contracted to any school district, a student suspended for the damage may not be permitted to enter or ride any school bus until the student or parent or legal guardian has made payment in full or until directed by the superintendent. When the pupil and parent or guardian are unable to pay for the damages, the school district shall provide a program of voluntary work for the pupil in lieu of the payment of monetary damages. Upon completion of voluntary work the grades, diploma, and transcripts of the pupil shall be released. The parent or guardian of such pupil shall be liable for damages as otherwise provided by law.

(2) Before any penalties are assessed under this section, a school district board of directors shall adopt procedures which insure that pupils' rights to due process are protected.

(3) If the department of social and health services or a child-placing agency licensed by the department has been granted custody of a child, that child's records, if requested by the department or agency, are not to be withheld for nonpayment of school fees or any other reason.

**Sec. 14.** RCW 28A.320.140 and 1994 sp.s. c 7 s 612 are each amended to read as follows:

(1) School district boards of directors may establish schools or programs which parents may choose for their children to attend in which: (a) Students are required to conform to dress and grooming codes, including requiring that students wear uniforms; (b) parents are required to participate in the student's education; or (c) discipline requirements are more stringent than in other schools in the district.

(2) School district boards of directors may establish schools or programs in which: (a) Students are required to conform to dress and grooming codes, including requiring that students wear uniforms; (b) parents are regularly counseled and encouraged to participate in the student's education; or (c) discipline requirements are more stringent than in other schools in the district. School boards may require that students who are subject to suspension or expulsion attend these schools or programs as a condition of continued enrollment in the school district.

(3) If students are required to wear uniforms in these programs or schools, school districts shall accommodate students so that the uniform requirement is not an unfair barrier to school attendance and participation.

(4) Nothing in this section impairs or reduces in any manner whatsoever the authority of a board under other law to impose a dress and appearance code. However, if a board requires uniforms under such other authority, it shall accommodate students so that the uniform requirement is not an unfair barrier to school attendance and participation.

(5) School district boards of directors may adopt dress and grooming code policies which prohibit students from wearing gang-related apparel. If a dress and grooming code policy contains this provision, the school board must also establish policies to notify students and parents of what clothing and apparel is considered to be gang-related apparel. This notice must precede any disciplinary action resulting from a student wearing gang-related apparel.

(6) School district boards of directors may not adopt a dress and grooming code policy which precludes students who participate in nationally recognized youth organizations from wearing organization uniforms on days that the organization has a scheduled activity or prohibit students from wearing clothing in observance of their religion.

**Sec. 15.** RCW 9.94A.320 and 1996 c 302 s 6, 1996 c 205 s 3, and 1996 c 36 s 2 are each reenacted and amended to read as follows:

#### SENATE AMENDMENTS TO HOUSE BILL

April 17, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2083 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** A new section is added to chapter 36.70A RCW to read as follows:

Counties that are required or choose to plan under RCW 36.70A.040 may include existing resorts as master planned resorts which may constitute urban growth outside of urban growth areas as limited by this section. An existing resort means a resort in existence on July 1, 1990, and developed, in whole or in part, as a significantly self-contained and integrated development that includes short-term visitor accommodations associated with a range of indoor and outdoor recreational facilities within the property boundaries in a setting of significant natural amenities. An existing resort may include other permanent residential uses, conference facilities, and commercial activities supporting the resort, but only if these other uses are integrated into and consistent with the on-site recreational nature of the resort.

An existing resort may be authorized by a county only if:

(1) The comprehensive plan specifically identifies policies to guide the development of the existing resort;

(2) The comprehensive plan and development regulations include restrictions that preclude new urban or suburban land uses in the vicinity of the existing resort, except in areas otherwise designated for urban growth under RCW 36.70A.110 and 36.70A.360(1);

(3) The county includes a finding as a part of the approval process that the land is better suited, and has more long-term importance, for the existing resort than for the commercial harvesting of timber or agricultural production, if located on land that otherwise would be designated as forest land or agricultural land under RCW 36.70A.170;

(4) The county finds that the resort plan is consistent with the development regulations established for critical areas; and

(5) On-site and off-site infrastructure impacts are fully considered and mitigated.

A county may allocate a portion of its twenty-year population projection, prepared by the office of financial management, to the master planned resort corresponding to the projected number of permanent residents within the master planned resort."

Strike everything after the enacting clause and insert the following:

**Washington Wildlife and Recreation Program (98-2-003)**

The appropriations in this section for the Washington wildlife and recreation program under chapter 43.98A RCW are subject to the following conditions and limitations:

(1) \$22,500,000 of the state building construction account appropriation shall be deposited in the habitat conservation account and is hereby appropriated from the habitat conservation account to the interagency committee for outdoor recreation for the fiscal biennium ending June 30, 1999, for the Washington wildlife and recreation program under chapter 43.98A RCW.

(2) \$20,000,000 of the state building account appropriation and \$2,500,000 from the aquatic lands enhancement account appropriation shall be deposited in the outdoor recreation account, and \$22,500,000 is hereby appropriated from the outdoor recreation account to the interagency committee for outdoor recreation for the fiscal biennium ending June 30, 1999, for the Washington wildlife and recreation program under chapter 43.98A RCW. Funds from the aquatic lands enhancement account appropriation shall be distributed to eligible water access projects under RCW 43.98A.050.

(3) The new appropriations in this section are provided for the approved list of projects included in LEAP CAPITAL DOCUMENT NO. 98-6 as developed on April 15, 1997, at 10:00 a.m., the pilot watershed plan implementation program under subsection (6) of this section, and for other projects approved by the legislature under RCW 43.98A.080 referencing this section.

(4) No moneys from the appropriations in this section may be spent on the Rocky Reach trailway project until an agreement with affected property owners has been reached.

(5) The legislature finds that, since the inception of the Washington wildlife and recreation program, over eighty-five percent of the moneys provided for the state parks category has been used for acquisition of property, and that demands for recreational facilities in state parks require that increased funding be devoted to development projects. The committee and the state parks and recreation commission shall ensure that at least forty percent of new funding provided for the state parks category during the 1997-99 biennium be allocated to development projects.

(6) \$4,000,000 of the habitat conservation account appropriation from the unallocated portion of the fund distribution under RCW 43.98A.040(1)(d) is provided solely for matching grants for riparian zone habitat protection projects that implement watershed plans pursuant to this subsection. The interagency committee for outdoor recreation shall develop a pilot watershed plan implementation program within the Washington wildlife and recreation program. The program shall provide matching grants to eligible agencies for implementation of riparian zone habitat protection projects within watershed restoration plans under RCW 89.08.460(1), watershed action plans developed pursuant to rules adopted by the Puget Sound water quality action team, or plans developed pursuant to chapter . . . , Laws of 1997 (Second Substitute House Bill No. 2054). Projects shall have a useful life of at least thirty years. Eligible agencies include conservation districts, counties, cities, and private nonprofit land trust or nature conservancy organizations. Projects eligible for funding under this section include acquisition of land using less-than-fee-simple instruments such as conservation easements and purchase of development rights; and habitat restoration and enhancement projects on such lands including fencing and revegetation of native trees and shrubs that enhance the long-term habitat values of protected lands. The committee shall develop an application process and project eligibility and evaluation criteria in consultation with the state conservation commission. The committee shall report to the appropriate committees of the legislature on the implementation of the pilot matching grant program. A preliminary status report shall be submitted by January 1, 1998, and a final report by January 1, 1999.

(7) Up to \$400,000 of the reappropriations in this section is provided to develop an inventory of all lands in the state owned by federal agencies, state agencies, local governments, and Indian tribes. The committee shall develop the inventory in a computer database format that will facilitate the sharing and reporting of inventory data and provide options for future updates. The inventory shall include, at a minimum, the following information: Owner, location, acreage, and principal use. The inventory shall also include resource-based information for state and federally-owned recreation and habitat lands. The committee shall submit a status report on the inventory to the appropriate committees of the legislature by January 1, 1999, and a final report by January 1, 2000.

(8) All land acquired by a state agency with moneys from these appropriations shall comply with class A, B, and C weed control provisions of chapter 17.10 RCW.

**Special land purchases and common school construction (98-2-015)**

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided to the department of natural resources solely for the purposes of transferring from trust status certain trust lands of state-wide significance to state park, wildlife habitat, natural area preserve, natural resources conservation area, open space, or recreation purposes, acquiring replacement timber trust lands, and providing funding for common school construction.

(2) The appropriation in this section is provided solely for the transfer of the following list of trust properties to the identified agency:

(a) Iron Horse/Bandera, King county, to the state parks and recreation commission;

(b) Kitsap Forest, Kitsap county, to the department of natural resources for natural area preserve purposes;

(c) Upper Sultan Basin, Snohomish county, to the department of natural resources for natural resource conservation area purposes;

(d) West Tiger Mountain, King county, to the department of natural resources for natural resource conservation area purposes.

The department shall transfer the first trust property and then allocate the remaining funds to the remaining properties in roughly equal shares.

(3) Land and timber transferred under this section shall be appraised and transferred at full market value. The department of natural resources shall attempt to maintain a minimum aggregate ratio of 85:15 timber-to-land value in these transactions. The value of the timber transferred shall be deposited by the department of natural resources in the same manner as timber revenues from other common school trust lands, except that no deduction shall be made for the resource management cost account. The value of the land transferred, not to exceed \$3,000,000, shall be deposited in the natural resources real property replacement account to be used for the acquisition of replacement timber lands solely to benefit the common school trust.

(4) All reasonable costs incurred by the department of natural resources to implement this section may be paid out of this appropriation, except that the costs of acquiring replacement timber lands shall be paid out of appropriations from the natural resources real property replacement account.

(5) The department shall use intergrant exchanges between common school and other trust lands of equal value to effect the purposes of this section if the exchange is in the interest of each trust, as determined by the board of natural resources.

(6) The department of natural resources and receiving agencies shall work in good faith to carry out the intent of this section. However, the board of natural resources or a receiving agency may reject a transfer of property if it is determined that the transfer is not in the interest of either the common school trust or the receiving agency.

(7) On June 30, 1999, the state treasurer shall transfer all remaining uncommitted funds from this appropriation to the common school construction fund and the appropriation in this section shall be reduced by an equivalent amount.

- (b) The number, duration and quality of jobs to be created or retained by the project for displaced workers in natural resource impact areas;
- (c) The extent to which the project will help avoid the listing of threatened or endangered species or provides for the recovery of species already listed;
- (d) The extent to which the project will augment existing federal, state, tribal or local watershed planning efforts or completed watershed restoration and conservation plans;
- (e) The cost effectiveness of the project;
- (f) The availability of matching funds; and
- (g) The demonstrated ability of the project sponsors to administer the project.

(3) Funds expended shall be used for specific projects and not for ongoing operational costs. Eligible projects include, but are not limited to, closure or improvement of forest roads, repair of culverts, cleanup of stream beds, removal of fish barriers, installation of fish screens, fencing of streams, and construction and planting of fish cover. (1) One-half of one percent of moneys appropriated in this act for original construction of school plant facilities is provided solely for the purposes of RCW 28A.335.210. The Washington state arts commission may combine the proceeds from individual projects in order to fund larger works of art or mobile art displays in consultation with the superintendent of public instruction and representatives of school district boards.

(2) One-half of one percent of moneys appropriated in this act for original construction or any major renovation or remodel work exceeding two hundred thousand dollars by colleges or universities is provided solely for the purposes of RCW 28B.10.027. The Washington state arts commission may combine the proceeds from individual projects in order to fund larger works of art or mobile art displays in consultation with the board of regents or trustees.

(3) One-half of one percent of moneys appropriated in this act for original construction of any public building by a state agency as defined in RCW 43.17.200 is provided solely for the purposes of RCW 43.17.200. The Washington state arts commission may combine the proceeds from individual projects in order to fund larger works of art or mobile art displays in consultation with the state agency.

**NEW SECTION. Sec. 704.** The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

**NEW SECTION. Sec. 705.** "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 1997, from the 1995-97 biennial appropriations for each project.

**NEW SECTION. Sec. 706.** To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

**NEW SECTION. Sec. 707.** If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate committee on ways and means and the house of representatives capital budget committee.

**NEW SECTION. Sec. 708.** (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

**NEW SECTION. Sec. 709.** Notwithstanding any other provisions of law, for the 1997-99 biennium, transfers of reimbursement by the state treasurer to the general fund from the community college capital projects account for debt service payments made under Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available to the account. Any unpaid reimbursements shall be a continued obligation against the community college capital projects account until paid. The state board for community and technical colleges need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

**NEW SECTION. Sec. 710.** Any capital improvements or capital projects involving construction or major expansion of a state office facility, including, but not limited to, district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation, colocation, and compliance with state office standards before allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

**NEW SECTION. Sec. 711.** The governor, through the office of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes which govern the grants.

For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if: (1) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (2) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section except emergency projects or any transfer under \$250,000 shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

**NEW SECTION. Sec. 712.** To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act referencing this section or in excess of \$5,000,000 shall not be expended until the office of financial management has reviewed and approved the agency's predesign and other documents and approved an allotment for the project. The predesign document shall include but not be limited to program, site, and cost analysis in accordance with the predesign manual adopted by the office of financial management. To improve monitoring of major construction projects, progress reports shall be submitted by the agency administering the project to the office of financial management and to the fiscal committees of the house and senate. Reports will be submitted on July 1 and December 31 each year in a format to be developed by the office of financial management.

**NEW SECTION. Sec. 713.** Allotments for appropriations shall be provided in accordance with the capital project review requirements adopted by the office of financial management. The office of financial management shall notify the house of representatives capital budget committee and the senate ways and means committee of allotment releases based on review by the office of financial management. No expenditure may be incurred or obligation entered into for appropriations referring to this section until the allotment of the funds to be expended has been approved by the office of financial management. Projects that will be employing alternative public works construction procedures, under chapter 39.10 RCW, are subject to the allotment procedures defined in this section and RCW 43.88.110. Contracts shall not be executed that call for expenditures in excess of the approved allotment, and the total amount shown in such contracts for the cost of future work that has not been appropriated shall not exceed the amount identified for such work in the level of funding approved by the office of financial management at the completion of predesign.

**NEW SECTION. Sec. 714.** Appropriations for design and construction of facilities on higher education branch campuses shall be expended only after funds are allotted to institutions of higher education on the basis of: (1) Comparable unit cost standards, as determined by the office of financial management in consultation with the higher education coordinating board; (2) costs consistent with other higher education teaching facilities in the state; and (3) student full-time equivalent enrollment levels as established by the office of financial management in consultation with the higher education coordinating board.

**NEW SECTION. Sec. 715.** State agencies receiving appropriations from this act and from Senate Bill No. 5562 or Senate Bill No. 6091 (transportation budget) for land acquisition and environmental mitigation activities shall, to the extent feasible, coordinate those acquisitions and mitigation activities. When cost-effective and ecologically beneficial, the acquisition and development of environmental mitigation sites and activities, including but not limited to wetland banks and advance mitigation, should be provided in a manner that benefits both the department of transportation sites and activities and other agency sites and activities. The coordination of environmental mitigation shall also take into consideration the acquisitions and activities of local watershed groups. The coordination of environmental mitigation sites and activities is intended to improve ecological benefits gained from state expenditures, provide greater emphasis on shared natural resource management, and increase mitigation credit opportunities for the department of transportation. The credits earned from these activities are not intended to reduce department of transportation mitigation obligations, but to reduce the cost of meeting those obligations. The activities of this section shall be carried out in a manner consistent with recommendations developed by a work group consisting of state agencies with substantial environmental mitigation related responsibilities. The office of financial management shall report to the fiscal committees of the senate and house of representatives and to the legislative transportation committee by December 1, 1998, on the results of the coordination of these environmental mitigation activities and make recommendations to further improve the coordination among state agencies to achieve better cost-efficiencies and ecological benefits.

**NEW SECTION. Sec. 716.** No moneys in this act shall be used to develop facilities for juvenile offenders at Rainier school.

**NEW SECTION. Sec. 717.** When authority has been delegated to a local health district or county to administer and enforce the well tagging, sealing, and decommissioning portions of the water well construction program, the department of ecology shall provide to the local health district or county 75 percent of the fee revenue generated from well construction fees for wells constructed in the delegated county.

"PART I  
GRANTS OF RULE-MAKING AUTHORITY

**Sec. 101.** RCW 76.09.010 and 1993 c 443 s 1 are each amended to read as follows:

(1) The legislature hereby finds and declares that the forest land resources are among the most valuable of all resources in the state; that a viable forest products industry is of prime importance to the state's economy; that it is in the public interest for public and private commercial forest lands to be managed consistent with sound policies of natural resource protection; that coincident with maintenance of a viable forest products industry, it is important to afford protection to forest soils, fisheries, wildlife, water quantity and quality, air quality, recreation, and scenic beauty.

(2) The legislature further finds and declares it to be in the public interest of this state to create and maintain through the adoption of this chapter a comprehensive state-wide system of laws and forest practices regulations which will achieve the following purposes and policies:

(a) Afford protection to, promote, foster and encourage timber growth, and require such minimum reforestation of commercial tree species on forest lands as will reasonably utilize the timber growing capacity of the soil following current timber harvest;

(b) Afford protection to forest soils and public resources by utilizing all reasonable methods of technology in conducting forest practices;

(c) Recognize both the public and private interest in the profitable growing and harvesting of timber;

(d) Promote efficiency by permitting maximum operating freedom consistent with the other purposes and policies stated herein;

(e) Provide for regulation of forest practices so as to avoid unnecessary duplication in such regulation;

(f) Provide for interagency input and intergovernmental and tribal coordination and cooperation;

(g) Achieve compliance with all applicable requirements of federal and state law with respect to nonpoint sources of water pollution from forest practices;

(h) To consider reasonable land use planning goals and concepts contained in local comprehensive plans and zoning regulations; and

(i) Foster cooperation among managers of public resources, forest landowners, Indian tribes and the citizens of the state.

The authority of the board to adopt forest practices rules is prescribed by this subsection (2) and RCW 76.09.040. After the effective date of this act, the board may not adopt forest practices rules based solely on any other section of law stating a statute's intent or purpose, on the enabling provisions of the statute establishing the agency, or on any combination of those provisions.

(3) The legislature further finds and declares that it is also in the public interest of the state to encourage forest landowners to undertake corrective and remedial action to reduce the impact of mass earth movements and fluvial processes.

(4) The legislature further finds and declares that it is in the public interest that the applicants for state forest practice permits should assist in paying for the cost of review and permitting necessary for the environmental protection of these resources.

**Sec. 102.** RCW 76.09.040 and 1994 c 264 s 48 are each amended to read as follows:

(1) Where necessary to accomplish the purposes and policies specifically stated in RCW 76.09.010(2), and to implement the provisions of this chapter, the board shall (~~promulgate~~) adopt forest practices (~~regulations~~) rules pursuant to chapter 34.05 RCW and in accordance with the procedures enumerated in this section that:

(a) Establish minimum standards for forest practices;

(b) Provide procedures for the voluntary development of resource management plans which may be adopted as an alternative to the minimum standards in (a) of this subsection if the plan is consistent with the purposes and policies specifically stated in RCW 76.09.010(2) and the plan meets or exceeds the objectives of the minimum standards;

(c) Set forth necessary administrative provisions; and

(d) Establish procedures for the collection and administration of forest practice fees as set forth by this chapter.

Forest practices (~~(regulations)~~) rules pertaining to water quality protection shall be (~~(promulgated)~~) adopted individually by the board and by the department of ecology after they have reached agreement with respect thereto. In addition to any forest practices (~~(regulations)~~) rules relating to water quality protection proposed by the board, the department of ecology shall prepare proposed forest practices (~~(regulations)~~) rules relating to water quality protection.

Prior to initiating the rule making process, the proposed (~~(regulations)~~) rules shall be submitted for review and comments to the department of fish and wildlife and to the counties of the state. After receipt of the proposed forest practices (~~(regulations)~~) rules, the department of fish and wildlife and the counties of the state shall have thirty days in which to review and submit comments to the board, and to the department of ecology with respect to its proposed (~~(regulations)~~) rules relating to water quality protection. After the expiration of such thirty day period the board and the department of ecology shall jointly hold one or more hearings on the proposed (~~(regulations)~~) rules pursuant to chapter 34.05 RCW. (1) ((If the adoption of rules is not feasible and practicable,-)) An agency may file notice for the expedited adoption of rules in accordance with the procedures set forth in this section for rules meeting any one of the following criteria:

(a) The proposed rules relate only to internal governmental operations that are not subject to violation by a person;

(b) The proposed rules adopt or incorporate by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(c) The proposed rules only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(d) The content of the proposed rules is explicitly and specifically dictated by statute;

(e) The proposed rules have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or

(f) The proposed rule is being amended after a review under RCW 34.05.328 or section 210 of this act.

(2) The expedited rule-making process must follow the requirements for rule making set forth in RCW 34.05.320, except that the agency is not required to prepare a small business economic impact statement under RCW 19.85.025, a statement indicating whether the rule constitutes a significant legislative rule under RCW 34.05.328(5)(c)(iii), or a significant legislative rule analysis under RCW 34.05.328. An agency is not required to prepare statements of inquiry under RCW 34.05.310 or conduct a hearing for the expedited adoption of rules. The notice for the expedited adoption of rules must contain a statement in at least ten-point type, that is substantially in the following form:

#### **NOTICE**

**THIS RULE IS BEING PROPOSED TO BE ADOPTED USING AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS RULE BEING ADOPTED USING THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO (INSERT NAME AND ADDRESS) AND RECEIVED BY (INSERT DATE).**

(3) The agency shall send a copy of the notice of the proposed expedited rule making to any person who has requested notification of proposals for the expedited adoption of rules or of agency rule making, as well as the joint administrative rules review committee, within three days after its publication in the Washington State Register. An agency may charge for the actual cost of providing a requesting party mailed copies of these notices. The notice of the proposed expedited rule making must be preceded by a statement substantially in the form provided in subsection (2) of this section. The notice must also include an explanation of the reasons the agency believes the expedited adoption of the rule is appropriate.

(4) The code reviser shall publish the text of all rules proposed for expedited adoption along with the notice required in this section in a separate section of the Washington State Register. Once the text of the proposed rules has been published in the Washington State Register, the only changes that an agency may make in the text of these proposed rules before their final adoption are to correct typographical errors.

(5) Any person may file a written objection to the expedited adoption of a rule. The objection must be filed with the agency rules coordinator within forty-five days after the notice of the proposed expedited rule making has been published in the Washington State Register. A person who has filed a written objection to the expedited adoption of a rule may withdraw the objection.

(6) If no written objections to the expedited adoption of a rule are filed with the agency within forty-five days after the notice of proposed expedited rule making is published, or if all objections that have been filed are withdrawn by the persons filing the objections, the agency may enter an order adopting the rule without further notice or a public hearing. The order must be published in the manner required by this chapter for any other agency order adopting, amending, or repealing a rule.

(7) If a written notice of objection to the expedited adoption of the rule is timely filed with the agency and is not withdrawn, the notice of proposed expedited rule making published under this section is considered a statement of inquiry for the purposes of RCW 34.05.310, and the agency may initiate further rule adoption proceedings in accordance with this chapter.

(8) Subsections (1) through (8) of this section expire on December 31, 2000.

(9) An agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of ~~((interpretive or policy statements. Current interpretive and policy statements))~~ issuances. Unless adopted under Part III of this chapter or exempted under the definition of de facto rule as defined in RCW 34.05.010, these issuances are advisory only. ~~((To better inform and involve the public, an agency is encouraged to convert long-standing interpretive and policy statements into rules.~~

~~((2))~~ (10) A person may petition an agency ~~((requesting the conversion of interpretive and policy statements into rules))~~ to adopt an issuance as a rule. Upon submission, the agency shall notify the joint administrative rules review committee of the petition. A person may petition an agency requesting the repeal or withdrawal of an interpretive or policy statement. Within sixty days after submission of ~~((a))~~ either type of petition, the agency shall either deny the petition in writing, stating its reasons for the denial, or initiate rule-making proceedings in accordance with this chapter.

~~((3))~~ (11) Each agency shall maintain a roster of interested persons, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. Each agency shall update the roster once each year and eliminate persons who do not indicate a desire to continue on the roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of the statement to each person listed on the roster. The agency may charge a nominal fee to the interested person for this service.

~~((4))~~ (12) Whenever an agency issues an interpretive or policy statement, it shall submit to the code reviser for publication in the Washington State Register a statement describing the subject matter of the interpretive or policy statement, and listing the person at the agency from whom a copy of the interpretive or policy statement may be obtained.

**NEW SECTION. Sec. 203.** A new section is added to chapter 34.05 RCW under the subchapter heading "Part III" to read as follows:

In lieu of regular mail, an agency may send the contents of any notice pertaining to rule making required under this chapter by electronic mail or facsimile mail if requested in writing by the person entitled to receive the notice.

**Sec. 204.** RCW 34.05.325 and 1995 c 403 s 304 are each amended to read as follows:

(1) The agency shall make a good faith effort to insure that the information on the proposed rule published pursuant to RCW 34.05.320 accurately reflects the rule to be presented and considered at the oral hearing on the rule. Written comment about a proposed rule, including supporting data, shall be accepted by an agency if received no later than the time and date specified in the notice, or such later time and date established at the rule-making hearing.

(2) The agency shall provide an opportunity for oral comment to be received by the agency in a rule-making hearing.

(3) If the agency possesses equipment capable of receiving electronic mail, telefacsimile transmissions, or recorded telephonic communications, the agency ~~((may))~~ shall provide in its notice of hearing filed under RCW 34.05.320 that interested parties may comment on proposed rules by these means. If the agency ~~((chooses))~~ is able to receive comments by these means, the notice of hearing shall provide instructions for making such comments, including, but not limited to, appropriate telephone numbers to be used; the date and time by which comments must be received; required methods to verify the receipt and authenticity of the comments; and any limitations on the number of pages for telefacsimile transmission or electronic mail comments and on the minutes of tape recorded comments. The agency shall accept comments received by these means for inclusion in the ~~((official record))~~ rule-making file established under RCW 34.05.370 if the comments are made in accordance with the agency's instructions.

(4) The agency head, a member of the agency head, or a presiding officer designated by the agency head shall preside at the rule-making hearing. Rule-making hearings shall be open to the public. The agency shall cause a record to be made of the hearing by stenographic, mechanical, or electronic means. Unless the agency head presides or is present at substantially all the hearings, the presiding

official shall prepare a memorandum for consideration by the agency head, summarizing the contents of the presentations made at the rule-making hearing. The summarizing memorandum is a public document and shall be made available to any person in accordance with chapter 42.17 RCW.

(5) Rule-making hearings are legislative in character and shall be reasonably conducted by the presiding official to afford interested persons the opportunity to present comment. Rule-making hearings may be continued to a later time and place established on the record without publication of further notice under RCW 34.05.320.

(6)(a) Before it files an adopted rule with the code reviser, an agency shall prepare a concise explanatory statement of the rule:

- (i) Identifying the agency's reasons for adopting the rule;
- (ii) Describing differences between the text of the proposed rule as published in the register and the text of the rule as adopted, other than editing changes, stating the reasons for differences; and
- (iii) Summarizing all comments received regarding the proposed rule, and responding to the comments by category or subject matter, indicating how the final rule reflects agency consideration of the comments, or why it fails to do so.

(b) The agency shall provide the concise explanatory statement to any person upon request or from whom the agency received comment.

**Sec. 205.** RCW 34.05.328 and 1995 c 403 s 201 are each amended to read as follows:

(1) Before adopting a rule described in subsection (5) of this section, an agency shall:

(a) Clearly state in detail the general goals and specific objectives of the statute that the rule implements;

(b) Determine that the rule is needed to achieve the general goals and specific objectives stated under (a) of this subsection, and analyze alternatives to rule making and the consequences of not adopting the rule;

(c) Determine that the probable benefits of the rule are greater than its probable costs, taking into account both the qualitative and quantitative benefits and costs and the specific directives of the statute being implemented;

(d) Determine, after considering alternative versions of the rule and the analysis required under (b) and (c) of this subsection, that the rule being adopted is the least burdensome alternative for those required to comply with it that will achieve the general goals and specific objectives stated under (a) of this subsection;

(e) Determine that the rule does not require those to whom it applies to take an action that violates requirements of another federal or state law;

(f) Determine that the rule does not impose more stringent performance requirements on private entities than on public entities unless required to do so by federal or state law;

(g) Determine if the rule differs from any federal regulation or statute applicable to the same activity or subject matter and, if so, determine that the difference is justified by the following:

- (i) A state statute that explicitly allows the agency to differ from federal standards; or
- (ii) Substantial evidence that the difference is necessary to achieve the general goals and specific objectives stated under (a) of this subsection; and

(h) Coordinate the rule, to the maximum extent practicable, with other federal, state, and local laws applicable to the same activity or subject matter.

(2) In making its determinations pursuant to subsection (1)(b) through (g) of this section, the agency shall place in the rule-making file documentation of sufficient quantity and quality so as to persuade a reasonable person that the determinations are justified.

(3) Before adopting rules described in subsection (5) of this section, an agency shall place in the rule-making file a rule implementation plan for rules filed under each adopting order. The plan shall describe how the agency intends to:

(a) Implement and enforce the rule, including a description of the resources the agency intends to use;

(b) Inform and educate affected persons about the rule;

(c) Promote and assist voluntary compliance; and

(d) Evaluate whether the rule achieves the purpose for which it was adopted, including, to the maximum extent practicable, the use of interim milestones to assess progress and the use of objectively measurable outcomes.

(4) After adopting a rule described in subsection (5) of this section regulating the same activity or subject matter as another provision of federal or state law, an agency shall do all of the following:

(a) Provide to the ~~((business assistance center))~~ department of community, trade, and economic development a list citing by reference the other federal and state laws that regulate the same activity or subject matter;

(b) Coordinate implementation and enforcement of the rule with the other federal and state entities regulating the same activity or subject matter by making every effort to do one or more of the following:

(i) Deferring to the other entity;

(ii) Designating a lead agency; or

(iii) Entering into an agreement with the other entities specifying how the agency and entities will coordinate implementation and enforcement.

If the agency is unable to comply with this subsection (4)(b), the agency shall report to the legislature pursuant to (c) of this subsection;

(c) Report to the joint administrative rules review committee:

(i) The existence of any overlap or duplication of other federal or state laws, any differences from federal law, and any known overlap, duplication, or conflict with local laws; and

(ii) Make recommendations for any legislation that may be necessary to eliminate or mitigate any adverse effects of such overlap, duplication, or difference.

(5)(a) Except as provided in (b) of this subsection, this section applies to:

(i) Significant legislative rules of the departments of ecology, labor and industries, health, revenue, social and health services, and natural resources, the employment security department, the forest practices board, the office of the insurance commissioner, and to the legislative rules of the department of fish and wildlife implementing chapter 75.20 RCW; and

(ii) Any rule of any agency, if this section is voluntarily made applicable to the rule by the agency, or is made applicable to the rule by a majority vote of the joint administrative rules review committee within ~~((forty five))~~ ninety days of receiving the notice of proposed rule making under RCW 34.05.320.

(b) This section does not apply to:

(i) Emergency rules adopted under RCW 34.05.350;

(ii) Rules relating only to internal governmental operations that are not subject to violation by a nongovernment party;

(iii) Rules adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(iv) Rules that only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(v) Rules the content of which is explicitly and specifically dictated by statute; ~~((or))~~

(vi) Rules that set or adjust fees or rates pursuant to legislative standards; or

(vii) Rules of the department of social and health services relating only to client medical or financial eligibility and rules concerning liability for care of dependents.

(c) For purposes of this subsection:

(i) A "procedural rule" is a rule that adopts, amends, or repeals (A) any procedure, practice, or requirement relating to any agency hearings; (B) any filing or related process requirement for making application to an agency for a license or permit; or (C) any policy statement pertaining to the consistent internal operations of an agency.

(ii) An "interpretive rule" is a rule, the violation of which does not subject a person to a penalty or sanction, that sets forth the agency's interpretation of statutory provisions it administers.

(iii) A "significant legislative rule" is a rule other than a procedural or interpretive rule that (A) adopts substantive provisions of law pursuant to delegated legislative authority, the violation of which subjects a violator of such rule to a penalty or sanction; (B) establishes, alters, or revokes any qualification or standard for the issuance, suspension, or revocation of a license or permit; or (C) adopts a new, or makes significant amendments to, a policy or regulatory program.

(d) In the notice of proposed rule making under RCW 34.05.320, an agency shall state whether this section applies to the proposed rule pursuant to (a)(i) of this subsection, or if the agency will apply this section voluntarily.

(6) By January 31, 1996, and by January 31st of each even-numbered year thereafter, the office of financial management, after consulting with state agencies, counties, and cities, and business, labor, and environmental organizations, shall report to the governor and the legislature regarding the effects of this section on the regulatory system in this state. The report shall document:

(a) The rules proposed to which this section applied and to the extent possible, how compliance with this section affected the substance of the rule, if any, that the agency ultimately adopted;

(b) The costs incurred by state agencies in complying with this section;

(c) Any legal action maintained based upon the alleged failure of any agency to comply with this section, the costs to the state of such action, and the result;

(d) The extent to which this section has adversely affected the capacity of agencies to fulfill their legislatively prescribed mission;

(e) The extent to which this section has improved the acceptability of state rules to those regulated; and

(f) Any other information considered by the office of financial management to be useful in evaluating the effect of this section.

**NEW SECTION. Sec. 206.** A new section is added to chapter 34.05 RCW under the subchapter heading "Part III" to read as follows:

Each state agency shall prepare a semiannual agenda for rules under development. The agency shall file the agenda with the code reviser for publication in the state register not later than January 31st and July 31st of each year. Not later than three days after its publication in the state register, the agency shall send a copy of the agenda to each person who has requested receipt of a copy of the agenda. The agency shall also submit the agenda to the director of financial management, the rules review committee, and any other state agency that may reasonably be expected to have an interest in the subject of rules that will be developed.

**Sec. 207.** RCW 34.05.350 and 1994 c 249 s 3 are each amended to read as follows:

(1) If an agency for good cause finds:

(a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest; or

(b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule,

the agency may dispense with those requirements and adopt, amend, or repeal the rule on an emergency basis. ~~((The agency's finding and a concise statement of the reasons for its finding shall be incorporated in))~~ The order for adoption of the emergency rule or amendment filed with the office of the code reviser under RCW 34.05.380 and with the rules review committee must contain the governor's signature approving the adoption of the emergency rule or amendment if immediate adoption is found necessary for the preservation of the general welfare. In that case, the governor shall also include a statement explaining why the rule is necessary for that reason. For all other emergency rules, the order of adoption must contain the agency's finding and a concise statement of the reasons for its finding.

(2) An emergency rule adopted under this section takes effect upon filing with the code reviser, unless a later date is specified in the order of adoption, and may not remain in effect for longer than one hundred twenty days after filing. Identical or substantially similar emergency rules may not be adopted in sequence unless conditions have changed or the agency has filed notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

(3) Within seven days after the rule is adopted, any person may petition the governor requesting the immediate repeal of a rule adopted on an emergency basis by any department listed in RCW 43.17.010. Within seven days after submission of the petition, the governor shall either deny the petition in writing, stating his or her reasons for the denial, or order the immediate repeal of the rule. In ruling on the petition, the governor shall consider only whether the conditions in subsection (1) of

this section were met such that adoption of the rule on an emergency basis was necessary. If the governor orders the repeal of the emergency rule, any sanction imposed based on that rule is void. This subsection shall not be construed to prohibit adoption of any rule as a permanent rule.

~~((4) In adopting an emergency rule, the agency shall comply with section 4 of this act or provide a written explanation for its failure to do so.))~~

**Sec. 208.** RCW 34.05.354 and 1995 c 403 s 701 are each amended to read as follows:

(1) Not later than ~~((June 30th))~~ April 1st or October 1st of each year, each agency shall submit to the code reviser, according to procedures and time lines established by the code reviser, rules that it determines should be repealed by the expedited repeal procedures provided for in this section. An agency shall file a copy of a preproposal notice of inquiry, as provided in RCW 34.05.310(1), that identifies the rule as one that is proposed for expedited repeal.

(2) An agency may propose the expedited repeal of rules meeting one or more of the following criteria:

(a) The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;

(b) The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;

(c) The rule is no longer necessary because of changed circumstances; or

(d) Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

(3) The agency shall also send a copy of the preproposal notice of inquiry to any person who has requested notification of copies of proposals for the expedited repeal of rules or of agency rule making. The preproposal notice of inquiry shall include a statement that any person who objects to the repeal of the rule must file a written objection to the repeal within thirty days after the preproposal notice of inquiry is published. The notice of inquiry shall also include an explanation of the reasons the agency believes the expedited repeal of the rule is appropriate.

(4) The code reviser shall publish all rules proposed for expedited repeal in a separate section of a regular edition of the Washington state register or in a special edition of the Washington state register. The publication shall be not later than ~~((July))~~ May 31st or November 30th of each year, or in the first register published after that date.

(5) Any person may file a written objection to the expedited repeal of a rule. The notice shall be filed with the agency rules coordinator within thirty days after the notice of inquiry has been published in the Washington state register. The written objection need not state any reason for objecting to the expedited repeal of the rule.

(6) If no written objections to the expedited repeal of a rule are filed with the agency within thirty days after the preproposal notice of inquiry is published, the agency may enter an order repealing the rule without further notice or an opportunity for a public hearing. The order shall be published in the manner required by this chapter for any other order of the agency adopting, amending, or repealing a rule. If a written objection to the expedited repeal of the rule is filed with the agency within thirty days after the notice of inquiry has been published, the preproposal notice of inquiry published pursuant to this section shall be considered a preproposal notice of inquiry for the purposes of RCW 34.05.310(1) and the agency may initiate rule adoption proceedings in accordance with the provisions of this chapter.

**NEW SECTION. Sec. 209.** The legislature finds that rules existing as of the effective date of this act may be unclear or difficult to understand; written or being implemented in a way that does not conform with the intent of the legislature as expressed by the statute that the rule implements; duplicative of, inconsistent with, or in conflict with other state, federal, or local rules or statutes; excessively costly or outdated in the methods prescribed; unauthorized because the authorizing statute has since been repealed or amended; or no longer necessary to meet the purposes of the statute that it implements. The legislature further finds that the review of existing rules is a critical undertaking that is necessary to address these and other deficiencies.

The legislature acknowledges the special nature of the relationship between the legislative and executive branches of government, the cooperation between both of which is essential to the just and efficient administration of the laws of this state.

The legislature further acknowledges the governor's Executive Order 97-02, which provides for executive review of existing rules of agencies the heads of which are appointed by and serve at the pleasure of the governor. The legislature encourages not only these but all agencies to establish a formal and expeditious process for the review of existing rules in consideration of the aforementioned deficiencies in the rules of all state agencies and their interactions with each other.

**NEW SECTION. Sec. 210.** A new section is added to chapter 34.05 RCW under the subchapter heading "Part III" to read as follows:

(1) No rule, adopted by any agency after the effective date of this act, is effective for more than seven years after the rule is adopted, unless the rule has been reviewed under the procedure in this subsection. An agency shall review a rule to evaluate:

- (a) Achievement of the goals and objectives of the rule;
- (b) Technological changes that impact the implementation of or compliance with the rule;
- (c) Controversy surrounding the implementation or enforcement of the rule, stating the nature of the controversy;
- (d) The outcome of any court challenges to the validity of the rule or its authority to draft the rule;
- (e) Actual costs or changes undergone by the regulated community; and
- (f) Laws or other rules passed since the rule was adopted that are in conflict, impact its implementation, or render the rule obsolete.

The agency shall place in a rules review file documentation sufficient to show that the agency conducted the review under this section.

(2) Those rules certified to the legislature by the governor to have undergone executive rules review by July 31, 2001, are subject to review under subsection (1) of this section beginning July 31, 2001, and may be effective for no more than seven years after that date unless so reviewed.

**Sec. 211.** RCW 82.32.410 and 1991 c 330 s 2 are each amended to read as follows:

(1) The director may designate certain written determinations as precedents.

(a) By rule adopted pursuant to chapter 34.05 RCW, the director shall adopt criteria which he or she shall use to decide whether a determination is precedential. These criteria shall include, but not be limited to, whether the determination clarifies an unsettled interpretation of Title 82 RCW or where the determination modifies or clarifies an earlier interpretation.

(b) Written determinations designated as precedents by the director shall be indexed by subject matter. The determinations and indexes shall be made available for public inspection and shall be published by the department.

(c) The department shall disclose any written determination upon which it relies to support any assessment of tax, interest, or penalty against such taxpayer, after making the deletions provided by subsection (2) of this section.

(2) Before making a written determination available for public inspection under subsection (1) of this section, the department shall delete:

(a) The names, addresses, and other identifying details of the person to whom the written determination pertains and of another person identified in the written determination; and

(b) Information the disclosure of which is specifically prohibited by any statute applicable to the department of revenue, and the department may also delete other information exempted from disclosure by chapter 42.17 RCW or any other statute applicable to the department of revenue.

**Sec. 212.** RCW 19.85.025 and 1995 c 403 s 401 are each amended to read as follows:

(1) Unless an agency receives a written objection to the expedited repeal of a rule, this chapter does not apply to a rule proposed for expedited repeal pursuant to RCW 34.05.354. If an agency receives a written objection to expedited repeal of the rule, this chapter applies to the rule-making proceeding.

(2) This chapter does not apply to a rule proposed for expedited adoption under RCW 34.05.230 (1) through (8), unless a written objection is timely filed with the agency and the objection is not withdrawn.

(3) This chapter does not apply to the adoption of a rule described in RCW 34.05.310(4).

~~((3))~~ (4) An agency is not required to prepare a separate small business economic impact statement under RCW 19.85.040 if it prepared an analysis under RCW 34.05.328 that meets the

requirements of a small business economic impact statement, and if the agency reduced the costs imposed by the rule on small business to the extent required by RCW 19.85.030(3). The portion of the analysis that meets the requirements of RCW 19.85.040 shall be filed with the code reviser and provided to any person requesting it in lieu of a separate small business economic impact statement.

**NEW SECTION. Sec. 213.** (1) The legislature finds that there are state rules on the same subject adopted by more than one state agency. The legislature further finds that this situation places an undue hardship on those regulated by rules issued by more than one state agency on the same subject since the regulated individuals must determine what the combined requirements of the rules from the multiple agencies are and how to comply with the requirements of one agency without violating the requirements of another agency.

(2) The governor or his or her designee shall present to the legislature a plan for the design and implementation of a pilot project on a single subject for the consolidation of all rules adopted by any state agency that regulate that same activity or subject matter. The goal of the pilot project is to consolidate these rules into one rule or set of rules that will be the sole and conclusive source of all regulation affecting that activity or subject matter.

The governor or his or her designee shall present the plan for the pilot project to the legislature no later than November 30, 1997.

### PART III JUDICIAL REVIEW

**Sec. 301.** RCW 34.05.570 and 1995 c 403 s 802 are each amended to read as follows:

(1) Generally. Except to the extent that this chapter or another statute provides otherwise:

(a) Except as provided in subsection (2) of this section, the burden of demonstrating the invalidity of agency action is on the party asserting invalidity;

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;

(c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and

(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to this subsection or in the context of any other review proceeding under this section. In an action challenging the validity of a rule, the agency shall be made a party to the proceeding.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. When the validity of a rule is challenged, after the petitioner has identified the defects in the rule, the burden of going forward with the evidence is on the agency. The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a proceeding involving review of a rule, the court shall declare the rule invalid only if it finds that: The rule violates constitutional provisions; the rule exceeds the statutory authority of the agency; the rule was adopted without compliance with statutory rule-making procedures; or the rule is arbitrary and capricious.

(3) Review of agency orders in adjudicative proceedings. The court shall grant relief from an agency order in an adjudicative proceeding only if it determines that:

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied;

(b) The order is outside the statutory authority or jurisdiction of the agency conferred by any provision of law;

(c) The agency has engaged in unlawful procedure or decision-making process, or has failed to follow a prescribed procedure;

(d) The agency has erroneously interpreted or applied the law;

(e) The order is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter;

(f) The agency has not decided all issues requiring resolution by the agency;  
(g) A motion for disqualification under RCW 34.05.425 or 34.12.050 was made and was improperly denied or, if no motion was made, facts are shown to support the grant of such a motion that were not known and were not reasonably discoverable by the challenging party at the appropriate time for making such a motion;

(h) The order is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency; ~~((e))~~

(i) The order is arbitrary or capricious; or

(j) The order is based on a de facto rule.

(4) Review of other agency action.

(a) All agency action not reviewable under subsection (2) or (3) of this section shall be reviewed under this subsection.

(b) A person whose rights are violated by an agency's failure to perform a duty that is required by law to be performed may file a petition for review pursuant to RCW 34.05.514, seeking an order pursuant to this subsection requiring performance. Within twenty days after service of the petition for review, the agency shall file and serve an answer to the petition, made in the same manner as an answer to a complaint in a civil action. The court may hear evidence, pursuant to RCW 34.05.562, on material issues of fact raised by the petition and answer.

(c) Relief for persons aggrieved by the performance of an agency action, including the exercise of discretion, or an action under (b) of this subsection can be granted only if the court determines that the action is:

(i) Unconstitutional;

(ii) Outside the statutory authority of the agency or the authority conferred by a provision of law;

(iii) Arbitrary or capricious; ~~((e))~~

(iv) Taken by persons who were not properly constituted as agency officials lawfully entitled to take such action; or

(v) Based on a de facto rule.

**Sec. 302.** RCW 34.05.534 and 1995 c 403 s 803 are each amended to read as follows:

A person may file a petition for judicial review under this chapter only after exhausting all administrative remedies available within the agency whose action is being challenged, or available within any other agency authorized to exercise administrative review, except:

(1) A petitioner for judicial review of a rule need not have participated in the rule-making proceeding upon which that rule is based, have petitioned for its amendment or repeal, have petitioned the joint administrative rules review committee for its review, or have appealed a petition for amendment or repeal to the governor;

(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that this chapter or any other statute states that exhaustion is not required; or

(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative remedies upon a showing that:

(a) The remedies would be patently inadequate;

(b) The exhaustion of remedies would be futile; or

(c) The grave irreparable harm that would result from having to exhaust administrative remedies would clearly outweigh the public policy requiring exhaustion of administrative remedies.

**Sec. 303.** RCW 48.04.010 and 1990 1st ex.s. c 3 s 1 are each amended to read as follows:

(1) The commissioner may hold a hearing for any purpose within the scope of this code as he or she may deem necessary. The commissioner shall hold a hearing:

(a) If required by any provision of this code; or

(b) Upon written demand for a hearing made by any person aggrieved by any act, threatened act, or failure of the commissioner to act, if such failure is deemed an act under any provision of this code, or by any report, promulgation, or order of the commissioner other than an order on a hearing of which such person was given actual notice or at which such person appeared as a party, or order pursuant to the order on such hearing.

(2) Any such demand for a hearing shall specify in what respects such person is so aggrieved and the grounds to be relied upon as basis for the relief to be demanded at the hearing.

(3) Unless a person aggrieved by a written order of the commissioner demands a hearing thereon within ninety days after receiving notice of such order, or in the case of a licensee under Title 48 RCW within ninety days after the commissioner has mailed the order to the licensee at the most recent address shown in the commissioner's licensing records for the licensee, the right to such hearing shall conclusively be deemed to have been waived.

(4) If a hearing is demanded by a licensee whose license has been temporarily suspended pursuant to RCW 48.17.540, the commissioner shall hold such hearing demanded within thirty days after receipt of the demand or within thirty days of the effective date of a temporary license suspension issued after such demand, unless postponed by mutual consent.

(5) A hearing held under this section must be conducted by an administrative law judge unless the person demanding the hearing agrees in writing to have an employee of the commissioner conduct the hearing.

**Sec. 304.** RCW 34.12.040 and 1981 c 67 s 4 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, whenever a state agency conducts a hearing which is not presided over by officials of the agency who are to render the final decision, the hearing shall be conducted by an administrative law judge assigned under this chapter. In assigning administrative law judges, the chief administrative law judge shall wherever practical ((+)) (a) use personnel having expertise in the field or subject matter of the hearing, and ((-)) (b) assign administrative law judges primarily to the hearings of particular agencies on a long-term basis.

(2) An employee of the office of the insurance commissioner may conduct a hearing as provided in RCW 48.04.010(5).

#### PART IV LEGISLATIVE REVIEW

**Sec. 401.** RCW 34.05.630 and 1996 c 318 s 4 are each amended to read as follows:

~~(1) All ((rules required to be filed pursuant to RCW 34.05.380, and emergency rules adopted pursuant to RCW 34.05.350,)) issuances are subject to selective review by the legislature.~~

~~(2) ((All agency policy and interpretive statements are subject to selective review by the legislature.~~

~~(3)) If the rules review committee finds by a majority vote of its members: (a) That an existing rule is not within the intent of the legislature as expressed by the statute ((which)) that the rule implements, (b) that the rule has not been adopted in accordance with all applicable provisions of law, or (c) that an agency issuance is ((using a policy or interpretive statement in place of)) a de facto rule, the agency affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the rules review committee's notice, the agency shall file notice of a hearing on the rules review committee's finding with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings as provided in RCW 34.05.320. The agency's notice shall include the rules review committee's findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.~~

~~((4)) (3) The agency shall consider fully all written and oral submissions regarding (a) whether the rule in question is within the intent of the legislature as expressed by the statute ((which)) that the rule implements, (b) whether the rule was adopted in accordance with all applicable provisions of law, or (c) whether ((the agency is using a policy or interpretive statement in place of a)) an agency issuance is a de facto rule.~~

**Sec. 402.** RCW 34.05.640 and 1996 c 318 s 5 are each amended to read as follows:

(1) Within seven days of an agency hearing held after notification of the agency by the rules review committee pursuant to RCW 34.05.620 or 34.05.630, the affected agency shall notify the committee of its intended action on a proposed or existing rule or issuance to which the committee objected ~~((or on a committee finding of the agency's failure to adopt rules)).~~

(2) If the rules review committee finds by a majority vote of its members: (a) That the proposed or existing rule in question will not be modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, (b) that an existing rule was not adopted in accordance with all applicable provisions of law, or (c) that the agency will not modify or withdraw a

~~de facto rule, or replace ((the policy or interpretive statement)) it~~ with a rule, the rules review committee may, within thirty days from notification by the agency of its intended action, file with the code reviser notice of its objections together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the agency by the rules review committee.

(3) If the rules review committee makes an adverse finding regarding an existing rule under subsection (2)(a) or (b) of this section ~~or a de facto rule under subsection (2)(c) of this section~~, the committee may, by a majority vote of its members, recommend suspension of the rule. Within seven days of such vote the committee shall transmit to the appropriate standing committees of the legislature, the governor, the code reviser, and the agency written notice of its objection and recommended suspension and the concise reasons therefor. Within thirty days of receipt of the notice, the governor shall transmit to the committee, the code reviser, and the agency written approval or disapproval of the recommended suspension. If the suspension is approved by the governor, it is effective from the date of that approval and continues until ninety days after the expiration of the next regular legislative session.

(4) The code reviser shall publish transmittals from the rules review committee or the governor issued pursuant to subsection (2) or (3) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committee's objection or recommended suspension and the governor's action on it and to the issue of the Washington state register in which the full text thereof appears. If the transmittal relates to a de facto rule, the code reviser shall publish the reference within the Washington State Register and the Washington Administrative Code in a location that addresses the most relevant subject matter.

(5) The reference shall be removed from a rule published in the Washington Administrative Code if a subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the rules review committee.

**Sec. 403.** RCW 34.05.655 and 1996 c 318 s 7 are each amended to read as follows:

(1) Any person may petition the rules review committee for a review of a proposed or existing rule or ~~((a policy or interpretive statement))~~ other issuance. Within thirty days of the receipt of the petition, the rules review committee shall acknowledge receipt of the petition and describe any initial action taken. If the rules review committee rejects the petition, a written statement of the reasons for rejection shall be included.

(2) A person may petition the rules review committee under subsection (1) of this section requesting review of an existing rule only if the person has petitioned the agency to amend or repeal the rule under RCW 34.05.330(1) and such petition was denied.

(3) A petition for review of a rule under subsection (1) of this section shall:

(a) Identify with specificity the proposed or existing rule to be reviewed;

(b) Identify the specific statute identified by the agency as authorizing the rule, the specific statute which the rule interprets or implements, and, if applicable, the specific statute the department is alleged not to have followed in adopting the rule;

(c) State the reasons why the petitioner believes that the rule is not within the intent of the legislature, or that its adoption was not or is not in accordance with law, and provide documentation to support these statements;

(d) Identify any known judicial action regarding the rule or statutes identified in the petition.

A petition to review an existing rule shall also include a copy of the agency's denial of a petition to amend or repeal the rule issued under RCW 34.05.330(1) and, if available, a copy of the governor's denial issued under RCW 34.05.330(3).

(4) A petition for review of ~~((a policy or interpretive statement))~~ an issuance other than a proposed or existing rule under subsection (1) of this section shall:

(a) Identify the specific ~~((statement))~~ issuance to be reviewed;

(b) ~~((Identify the specific statute which the rule interprets or implements;~~

~~((c)))~~ State the reasons why the petitioner believes that the ~~((statement))~~ issuance meets the definition of a de facto rule under RCW 34.05.010 ~~((and should have been adopted according to the procedures of this chapter));~~

~~((d)))~~ (c) Identify any known judicial action regarding the ~~((statement))~~ issuance or statutes identified in the petition.

(5) Within ninety days of receipt of the petition, the rules review committee shall make a final decision on the rule or other issuance for which the petition for review was not previously rejected.

**Sec. 404.** RCW 34.05.660 and 1988 c 288 s 606 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, it is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of objection required by RCW 34.05.630(2) and 34.05.640(2) in no way serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules.

(2) If the joint administrative rules review committee recommends to the governor that an existing rule be suspended because it does not conform with the intent of the legislature or was not adopted in accordance with all applicable provisions of law, the recommendation establishes a rebuttable presumption in a proceeding challenging the validity of the rule that the rule is invalid. The burden of demonstrating the validity of the rule is then on the adopting agency.

## PART V FEES AND EXPENSES

**Sec. 501.** RCW 4.84.340 and 1995 c 403 s 902 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 4.84.340 through 4.84.360.

(1) "Agency" means any state board, commission, department, institution of higher education, or officer, authorized by law to make rules or to conduct adjudicative proceedings, except those in the legislative or judicial branches, the governor, or the attorney general except to the extent otherwise required by law.

(2) "Agency action" means agency action as defined by chapter 34.05 RCW.

(3) "Fees and other expenses" includes the reasonable expenses of expert witnesses, the reasonable cost of a study, analysis, engineering report, test, or project that is found by the court to be necessary for the preparation of the party's case, and reasonable attorneys' fees. Reasonable attorneys' fees shall be based on the prevailing market rates for the kind and quality of services furnished, except that (a) no expert witness shall be compensated at a rate in excess of the highest rates of compensation for expert witnesses paid by the state of Washington, and (b) attorneys' fees shall not be awarded in excess of one hundred fifty dollars per hour unless the court determines that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.

(4) "Judicial review" means ~~((a judicial review as defined by chapter 34.05 RCW))~~ review of an agency action in the superior court and courts of appeal.

(5) "Qualified party" means (a) an individual whose net worth did not exceed ~~((one))~~ two million dollars at the time the initial petition for judicial review was filed or (b) a sole owner of an unincorporated business, or a partnership, corporation, association, or organization whose net worth did not exceed ~~((five))~~ seven million dollars at the time the initial petition for judicial review was filed, except that an organization described in section 501(c)(3) of the federal Internal Revenue Code of 1954 as exempt from taxation under section 501(a) of the code and a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141J(a)), may be a party regardless of the net worth of such organization or cooperative association.

**Sec. 502.** RCW 4.84.350 and 1995 c 403 s 903 are each amended to read as follows:

(1) Except as otherwise specifically provided by statute, a court shall award a qualified party that prevails in a judicial review of an agency action fees and other expenses incurred in the judicial review, including reasonable attorneys' fees, unless the court finds that ~~((the agency action was substantially justified or that))~~ circumstances make an award grossly unjust. A qualified party shall be considered to have prevailed if the qualified party obtained relief on a significant issue that achieves some benefit that the qualified party sought.

(2) The amount awarded a qualified party under subsection (1) of this section shall not exceed ~~((twenty-five))~~ fifty thousand dollars for the fees and other expenses incurred in superior court, and fifty thousand dollars for the fees and other expenses incurred in each court of appeal to a maximum of seventy-five thousand dollars. Subsection (1) of this section shall not apply unless all parties challenging the agency action are qualified parties. If two or more qualified parties join in an action, the award in total shall not exceed ~~((twenty-five))~~ fifty thousand dollars in the superior court and fifty thousand dollars in each court of appeal to a maximum of seventy-five thousand dollars. The court, in

its discretion, may reduce the amount to be awarded pursuant to subsection (1) of this section, or deny any award, to the extent that a qualified party during the course of the proceedings engaged in conduct that unduly or unreasonably protracted the final resolution of the matter in controversy.

**Sec. 503.** RCW 4.84.360 and 1995 c 403 s 904 are each amended to read as follows:

Fees and other expenses awarded under RCW 4.84.340 and 4.84.350 shall be paid by the agency over which the party prevails from operating funds appropriated to the agency within ~~((sixty days))~~ thirty days of the decision of a superior court or court of appeal. The fees and other expenses must be paid from moneys appropriated to the agency for administration and support services and not out of moneys for program activities or service delivery if the operating budget or budget notes separately designate administration and support services. Agencies paying fees and other expenses pursuant to RCW 4.84.340 and 4.84.350 shall report all payments to the office of financial management within five days of paying the fees and other expenses. Fees and other expenses awarded by the court shall be subject to the provisions of chapter 39.76 RCW and shall be deemed payable on the date the court announces the award.

## PART VI MISCELLANEOUS

**Sec. 601.** RCW 42.17.260 and 1995 c 397 s 11 and 1995 c 341 s 1 are each reenacted and amended to read as follows:

(1) Each agency, in accordance with published rules, shall make available for public inspection and copying all public records, unless the record falls within the specific exemptions of subsection (6) of this section, RCW 42.17.310, 42.17.315, or other statute which exempts or prohibits disclosure of specific information or records. To the extent required to prevent an unreasonable invasion of personal privacy interests protected by RCW 42.17.310 and 42.17.315, an agency shall delete identifying details in a manner consistent with RCW 42.17.310 and 42.17.315 when it makes available or publishes any public record; however, in each case, the justification for the deletion shall be explained fully in writing.

(2) For informational purposes, each agency shall publish and maintain a current list containing every law, other than those listed in this chapter, that the agency believes exempts or prohibits disclosure of specific information or records of the agency. An agency's failure to list an exemption shall not affect the efficacy of any exemption.

(3) Each local agency shall maintain and make available for public inspection and copying a current index providing identifying information as to the following records issued, adopted, or promulgated after January 1, 1973:

(a) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(b) Those statements of policy and interpretations of policy, statute, and the Constitution which have been adopted by the agency;

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Planning policies and goals, and interim and final planning decisions;

(e) Factual staff reports and studies, factual consultant's reports and studies, scientific reports and studies, and any other factual information derived from tests, studies, reports, or surveys, whether conducted by public employees or others; and

(f) Correspondence, and materials referred to therein, by and with the agency relating to any regulatory, supervisory, or enforcement responsibilities of the agency, whereby the agency determines, or opines upon, or is asked to determine or opine upon, the rights of the state, the public, a subdivision of state government, or of any private party.

(4) A local agency need not maintain such an index, if to do so would be unduly burdensome, but it shall in that event:

(a) Issue and publish a formal order specifying the reasons why and the extent to which compliance would unduly burden or interfere with agency operations; and

(b) Make available for public inspection and copying all indexes maintained for agency use.

(5) Each state agency shall, by rule, establish and implement a system of indexing for the identification and location of the following records:

(a) All records issued before July 1, 1990, for which the agency has maintained an index;

(b) Final orders entered after June 30, 1990, that are issued in adjudicative proceedings as defined in RCW 34.05.010(~~((4))~~) and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(c) Declaratory orders entered after June 30, 1990, that are issued pursuant to RCW 34.05.240 and that contain an analysis or decision of substantial importance to the agency in carrying out its duties;

(d) Interpretive statements as defined in RCW 34.05.010(~~((8))~~) that were entered after June 30, 1990; and

(e) Policy statements as defined in RCW 34.05.010(~~((14))~~) that were entered after June 30, 1990.

Rules establishing systems of indexing shall include, but not be limited to, requirements for the form and content of the index, its location and availability to the public, and the schedule for revising or updating the index. State agencies that have maintained indexes for records issued before July 1, 1990, shall continue to make such indexes available for public inspection and copying. Information in such indexes may be incorporated into indexes prepared pursuant to this subsection. State agencies may satisfy the requirements of this subsection by making available to the public indexes prepared by other parties but actually used by the agency in its operations. State agencies shall make indexes available for public inspection and copying. State agencies may charge a fee to cover the actual costs of providing individual mailed copies of indexes.

(6) A public record may be relied on, used, or cited as precedent by an agency against a party other than an agency and it may be invoked by the agency for any other purpose only if—

(a) It has been indexed in an index available to the public; or

(b) Parties affected have timely notice (actual or constructive) of the terms thereof.

(7) Each agency shall establish, maintain, and make available for public inspection and copying a statement of the actual per page cost or other costs, if any, that it charges for providing photocopies of public records and a statement of the factors and manner used to determine the actual per page cost or other costs, if any.

(a) In determining the actual per page cost for providing photocopies of public records, an agency may include all costs directly incident to copying such public records including the actual cost of the paper and the per page cost for use of agency copying equipment. In determining other actual costs for providing photocopies of public records, an agency may include all costs directly incident to shipping such public records, including the cost of postage or delivery charges and the cost of any container or envelope used.

(b) In determining the actual per page cost or other costs for providing copies of public records, an agency may not include staff salaries, benefits, or other general administrative or overhead charges, unless those costs are directly related to the actual cost of copying the public records. Staff time to copy and mail the requested public records may be included in an agency's costs.

(8) An agency need not calculate the actual per page cost or other costs it charges for providing photocopies of public records if to do so would be unduly burdensome, but in that event: The agency may not charge in excess of fifteen cents per page for photocopies of public records or for the use of agency equipment to photocopy public records and the actual postage or delivery charge and the cost of any container or envelope used to mail the public records to the requestor.

(9) This chapter shall not be construed as giving authority to any agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall not do so unless specifically authorized or directed by law: PROVIDED, HOWEVER, That lists of applicants for professional licenses and of professional licensees shall be made available to those professional associations or educational organizations recognized by their professional licensing or examination board, upon payment of a reasonable charge therefor: PROVIDED FURTHER, That such recognition may be refused only for a good cause pursuant to a hearing under the provisions of chapter 34.05 RCW, the Administrative Procedure Act.

**Sec. 602.** RCW 51.04.030 and 1994 c 164 s 25 are each amended to read as follows:

The director shall supervise the providing of prompt and efficient care and treatment, including care provided by physician assistants governed by the provisions of chapters 18.57A and 18.71A RCW, acting under a supervising physician, and including chiropractic care, to workers injured during

the course of their employment at the least cost consistent with promptness and efficiency, without discrimination or favoritism, and with as great uniformity as the various and diverse surrounding circumstances and locations of industries will permit and to that end shall, from time to time, establish and adopt and supervise the administration of printed forms, rules, regulations, and practices for the furnishing of such care and treatment: PROVIDED, That, the department may recommend to an injured worker particular health care services and providers where specialized treatment is indicated or where cost effective payment levels or rates are obtained by the department: AND PROVIDED FURTHER, That the department may enter into contracts for goods and services including, but not limited to, durable medical equipment so long as state-wide access to quality service is maintained for injured workers.

The director shall, in consultation with interested persons, establish and, in his or her discretion, periodically change as may be necessary, and make available a fee schedule of the maximum charges to be made by any physician, surgeon, chiropractor, hospital, druggist, physicians' assistants as defined in chapters 18.57A and 18.71A RCW, acting under a supervising physician or other agency or person rendering services to injured workers. The department shall coordinate with other state purchasers of health care services to establish as much consistency and uniformity in billing and coding practices as possible, taking into account the unique requirements and differences between programs. No service covered under this title shall be charged or paid at a rate or rates exceeding those specified in such fee schedule, and no contract providing for greater fees shall be valid as to the excess. The establishment of such a schedule, exclusive of conversion factors, does not constitute "agency action" as used in RCW 34.05.010(~~(3)~~), nor does such a fee schedule constitute a "de facto rule" as used in RCW 34.05.010(~~(15)~~).

The director or self-insurer, as the case may be, shall make a record of the commencement of every disability and the termination thereof and, when bills are rendered for the care and treatment of injured workers, shall approve and pay those which conform to the adopted rules, regulations, established fee schedules, and practices of the director and may reject any bill or item thereof incurred in violation of the principles laid down in this section or the rules, regulations, or the established fee schedules and rules and regulations adopted under it.

**NEW SECTION. Sec. 603.** A new section is added to chapter 43.17 RCW to read as follows:

(1) An agency, prior to releasing a final report or study regarding management by a county, city, town, special purpose district, or other unit of local government of a program delegated to the local government by the agency or for which the agency has regulatory responsibility, shall provide copies of a draft of the report or study at least two weeks in advance of the release of the final report or study to the legislative body of the local government. The agency shall, at the request of a local government legislative body, meet with the legislative body before the release of a final report or study regarding the management of such a program.

(2) For purposes of this section, "agency" means an office, department, board, commission, or other unit of state government, other than a unit of state government headed by a separately elected official.

**NEW SECTION. Sec. 604.** A new section is added to chapter 43.05 RCW to read as follows:

When issuing a citation or other written finding that a person has violated a statute, rule, or order, the agency shall include with the citation or other written finding the text of the specific statute or statutes granting the agency the authority to regulate the subject matter of the citation or other written finding.

**Sec. 605.** RCW 50.13.060 and 1996 c 79 s 1 are each amended to read as follows:

(1) Governmental agencies, including law enforcement agencies, prosecuting agencies, and the executive branch, whether state, local, or federal shall have access to information or records deemed private and confidential under this chapter if the information or records are needed by the agency for official purposes and:

(a) The agency submits an application in writing to the employment security department for the records or information containing a statement of the official purposes for which the information or records are needed and specific identification of the records or information sought from the department; and

(b) The director, commissioner, chief executive, or other official of the agency has verified the need for the specific information in writing either on the application or on a separate document; and

(c) The agency requesting access has served a copy of the application for records or information on the individual or employing unit whose records or information are sought and has provided the department with proof of service. Service shall be made in a manner which conforms to the civil rules for superior court. The requesting agency shall include with the copy of the application a statement to the effect that the individual or employing unit may contact the public records officer of the employment security department to state any objections to the release of the records or information. The employment security department shall not act upon the application of the requesting agency until at least five days after service on the concerned individual or employing unit. The employment security department shall consider any objections raised by the concerned individual or employing unit in deciding whether the requesting agency needs the information or records for official purposes.

(2) The requirements of subsections (1) and (8) of this section shall not apply to the state legislative branch. The state legislature shall have access to information or records deemed private and confidential under this chapter, if the legislature or a legislative committee finds that the information or records are necessary and for official purposes. If the employment security department does not make information or records available as provided in this subsection, the legislature may exercise its authority granted by chapter 44.16 RCW.

(3) In cases of emergency the governmental agency requesting access shall not be required to formally comply with the provisions of subsection (1) of this section at the time of the request if the procedures required by subsection (1) of this section are complied with by the requesting agency following the receipt of any records or information deemed private and confidential under this chapter. An emergency is defined as a situation in which irreparable harm or damage could occur if records or information are not released immediately.

(4) The requirements of subsection (1)(c) of this section shall not apply to governmental agencies where the procedures would frustrate the investigation of possible violations of criminal laws or to the release of employing unit names, addresses, number of employees, and aggregate employer wage data for the purpose of state governmental agencies preparing small business economic impact statements under chapter 19.85 RCW or preparing cost-benefit analyzes under RCW 34.05.328(1)(c). Information provided by the department and held to be private and confidential under state or federal laws must not be misused or released to unauthorized parties. A person who misuses such information or releases such information to unauthorized parties is subject to the sanctions in RCW 50.13.080.

(5) Governmental agencies shall have access to certain records or information, limited to such items as names, addresses, social security numbers, and general information about benefit entitlement or employer information possessed by the department, for comparison purposes with records or information possessed by the requesting agency to detect improper or fraudulent claims, or to determine potential tax liability or employer compliance with registration and licensing requirements. In those cases the governmental agency shall not be required to comply with subsection (1)(c) of this section, but the requirements of the remainder of subsection (1) must be satisfied.

(6) Governmental agencies may have access to certain records and information, limited to employer information possessed by the department for purposes authorized in chapter 50.38 RCW. Access to these records and information is limited to only those individuals conducting authorized statistical analysis, research, and evaluation studies. Only in cases consistent with the purposes of chapter 50.38 RCW are government agencies not required to comply with subsection (1)(c) of this section, but the requirements of the remainder of subsection (1) of this section must be satisfied. Information provided by the department and held to be private and confidential under state or federal laws shall not be misused or released to unauthorized parties subject to the sanctions in RCW 50.13.080.

(7) Disclosure to governmental agencies of information or records obtained by the employment security department from the federal government shall be governed by any applicable federal law or any agreement between the federal government and the employment security department where so required by federal law. When federal law does not apply to the records or information state law shall control.

(8) The disclosure of any records or information by a governmental agency which has obtained the records or information under this section is prohibited unless the disclosure is directly connected to the official purpose for which the records or information were obtained.

(9) In conducting periodic salary or fringe benefit studies pursuant to law, the department of personnel shall have access to records of the employment security department as may be required for such studies. For such purposes, the requirements of subsection (1)(c) of this section need not apply.

**NEW SECTION. Sec. 606.** The code reviser shall study the feasibility of accepting agency rule filings in an electronic format. The study must include consideration of the benefits to be achieved by electronic filing compared to the costs that electronic filing would entail. The code reviser may consult with the office of financial management, state agencies, and the general public in conducting the study. The code reviser shall report to the legislature and the governor by July 1, 1998, on the results of this study.

**NEW SECTION. Sec. 607.** Part headings used in this act do not constitute any part of the law.

**NEW SECTION. Sec. 608.** Section 605 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

**NEW SECTION. Sec. 609.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On line 1 of the title, after "reform" strike the remainder of the title and insert "amending RCW 76.09.010, 76.09.040, 48.02.060, 48.44.050, 48.46.200, 48.30.010, 34.05.010, 34.05.230, 34.05.325, 34.05.328, 34.05.350, 34.05.354, 82.32.410, 19.85.025, 34.05.570, 34.05.534, 48.04.010, 34.12.040, 34.05.630, 34.05.640, 34.05.655, 34.05.660, 4.84.340, 4.84.350, 4.84.360, 51.04.030, and 50.13.060; reenacting and amending RCW 42.17.260; adding a new section to chapter 43.22 RCW; adding new sections to chapter 34.05 RCW; adding a new section to chapter 43.17 RCW; adding a new section to chapter 43.05 RCW; creating new sections; providing an expiration date; and declaring an emergency."

Strike everything after the enacting clause and insert the following:

"**Sec. 601.** RCW 34.05.328 and 1995 c 403 s 201 are each amended to read as follows:

(1) Before adopting a rule described in subsection (5) of this section, an agency shall:

(a) Clearly state in detail the general goals and specific objectives of the statute that the rule implements;

(b) Determine that the rule is needed to achieve the general goals and specific objectives stated under (a) of this subsection, and analyze alternatives to rule making and the consequences of not adopting the rule;

(c) Determine that the probable benefits of the rule are greater than its probable costs, taking into account both the qualitative and quantitative benefits and costs and the specific directives of the statute being implemented;

(d) Determine, after considering alternative versions of the rule and the analysis required under (b) and (c) of this subsection, that the rule being adopted is the least burdensome alternative for those required to comply with it that will achieve the general goals and specific objectives stated under (a) of this subsection;

(e) Determine that the rule does not require those to whom it applies to take an action that violates requirements of another federal or state law;

(f) Determine that the rule does not impose more stringent performance requirements on private entities than on public entities unless required to do so by federal or state law;

(g) Determine if the rule differs from any federal regulation or statute applicable to the same activity or subject matter and, if so, determine that the difference is justified by the following:

(i) A state statute that explicitly allows the agency to differ from federal standards; or

(ii) Substantial evidence that the difference is necessary to achieve the general goals and specific objectives stated under (a) of this subsection; and

(h) Coordinate the rule, to the maximum extent practicable, with other federal, state, and local laws applicable to the same activity or subject matter.

(2) In making its determinations pursuant to subsection (1)(b) through (g) of this section, the agency shall place in the rule-making file documentation of sufficient quantity and quality so as to persuade a reasonable person that the determinations are justified.

(3) Before adopting rules described in subsection (5) of this section, an agency shall place in the rule-making file a rule implementation plan for rules filed under each adopting order. The plan shall describe how the agency intends to:

(a) Implement and enforce the rule, including a description of the resources the agency intends to use;

(b) Inform and educate affected persons about the rule;

(c) Promote and assist voluntary compliance; and

(d) Evaluate whether the rule achieves the purpose for which it was adopted, including, to the maximum extent practicable, the use of interim milestones to assess progress and the use of objectively measurable outcomes.

(4) After adopting a rule described in subsection (5) of this section regulating the same activity or subject matter as another provision of federal or state law, an agency shall do all of the following:

(a) Provide to the business assistance center a list citing by reference the other federal and state laws that regulate the same activity or subject matter;

(b) Coordinate implementation and enforcement of the rule with the other federal and state entities regulating the same activity or subject matter by making every effort to do one or more of the following:

(i) Deferring to the other entity;

(ii) Designating a lead agency; or

(iii) Entering into an agreement with the other entities specifying how the agency and entities will coordinate implementation and enforcement.

If the agency is unable to comply with this subsection (4)(b), the agency shall report to the legislature pursuant to (c) of this subsection;

(c) Report to the joint administrative rules review committee:

(i) The existence of any overlap or duplication of other federal or state laws, any differences from federal law, and any known overlap, duplication, or conflict with local laws; and

(ii) Make recommendations for any legislation that may be necessary to eliminate or mitigate any adverse effects of such overlap, duplication, or difference.

(5)(a) Except as provided in (b) of this subsection, this section applies to:

(i) Significant legislative rules of the departments of ecology, labor and industries, health, revenue, social and health services, and natural resources, the employment security department, the forest practices board, the office of the insurance commissioner, and to the legislative rules of the department of fish and wildlife implementing chapter 75.20 RCW; and

(ii) Any rule of any agency, if this section is voluntarily made applicable to the rule by the agency, or is made applicable to the rule by a majority vote of the joint administrative rules review committee within forty-five days of receiving the notice of proposed rule making under RCW 34.05.320.

(b) This section does not apply to:

(i) Emergency rules adopted under RCW 34.05.350;

(ii) Rules relating only to internal governmental operations that are not subject to violation by a nongovernment party;

(iii) Rules adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(iv) Rules that only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(v) Rules the content of which is explicitly and specifically dictated by statute; ~~((or))~~

(vi) Rules that set or adjust fees or rates pursuant to legislative standards ; or

(vii) Rules of the department of social and health services relating only to client medical or financial eligibility and rules concerning liability for care of dependents.

(c) For purposes of this subsection:

(i) A "procedural rule" is a rule that adopts, amends, or repeals (A) any procedure, practice, or requirement relating to any agency hearings; (B) any filing or related process requirement for making application to an agency for a license or permit; or (C) any policy statement pertaining to the consistent internal operations of an agency.

(ii) An "interpretive rule" is a rule, the violation of which does not subject a person to a penalty or sanction, that sets forth the agency's interpretation of statutory provisions it administers.

(iii) A "significant legislative rule" is a rule other than a procedural or interpretive rule that (A) adopts substantive provisions of law pursuant to delegated legislative authority, the violation of which subjects a violator of such rule to a penalty or sanction; (B) establishes, alters, or revokes any qualification or standard for the issuance, suspension, or revocation of a license or permit; or (C) adopts a new, or makes significant amendments to, a policy or regulatory program.

(d) In the notice of proposed rule making under RCW 34.05.320, an agency shall state whether this section applies to the proposed rule pursuant to (a)(i) of this subsection, or if the agency will apply this section voluntarily.

(6) By January 31, 1996, and by January 31st of each even-numbered year thereafter, the office of financial management, after consulting with state agencies, counties, and cities, and business, labor, and environmental organizations, shall report to the governor and the legislature regarding the effects of this section on the regulatory system in this state. The report shall document:

### SENATE AMENDMENTS TO HOUSE BILL

April 14, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2096 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.21I.005 and 1991 c 200 s 401 are each amended to read as follows:

(1) The legislature declares that Washington's waters have irreplaceable value for the citizens of the state. These waters are vital habitat for numerous and diverse marine life and wildlife and the source of recreation, aesthetic pleasure, and pride for Washington's citizens. These waters are also vital for much of Washington's economic vitality.

The legislature finds that the transportation of oil on these waters creates a great potential hazard to these important natural resources. The legislature also finds that there is no state agency responsible for maritime safety to ensure this state's interest in preserving these resources.

The legislature therefore finds that in order to protect these waters it is necessary to establish an office of marine safety which will have the responsibility to promote the safety of marine transportation in Washington.

(2) The legislature finds that adequate funding is necessary for the state to continue its priority focus on the prevention of oil spills, as well as maintain a strong oil spill response, planning, and environmental restoration capability. The legislature further finds that long-term environmental health of the state's waters depends upon the strength and vitality of its oil spill prevention and response program that fosters planning, coordination, and incident command. To that end, the merger of the office of marine safety with the department of ecology shall: Ensure coordination via streamlining the marine safety functions of two agencies into one; provide a focused prevention and response program under a single administration; generate efficient incident command response capability and continue to meet the challenges threatening marine safety and the environment; and increase accountability to the public, the executive branch, and the legislature.

(3) It is the intent of the legislature that the state's oil spill prevention, response, planning, and environmental restoration activities be sufficiently funded to maintain a strong prevention and response program. It is further the intent of the legislature that the merger of the office of marine safety with the department of ecology be accomplished in an organizational manner that maintains a priority focus and position for the oil spill prevention and response program. The merger shall allow for ready identification of the program by the public and ensure no diminution in the state's commitment to marine safety and environmental protection as follows:

(a) The director of the department of ecology shall consolidate all of the agency's oil spill prevention, planning, and response programs and personnel into a division or equivalent unit of

organization within the department. The division shall be managed by a single administrator who is an assistant director or person of equivalent status in the department's organization. The administrator shall report directly to the director.

(b) The consolidated oil spill program unit within the department shall maintain prevention of oil spills as a specific program.

(c) The department shall identify and participate in resolving threats to safety of marine transportation and the impact of marine transportation on the environment.

**Sec. 2.** RCW 82.23B.020 and 1995 c 399 s 214 are each amended to read as follows:

(1) An oil spill response tax is imposed on the privilege of receiving crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine terminal from a waterborne vessel or barge at the rate of ~~((two))~~ one cent~~((s))~~ per barrel of crude oil or petroleum product received.

(2) In addition to the tax imposed in subsection (1) of this section, an oil spill administration tax is imposed on the privilege of receiving crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine terminal from a waterborne vessel or barge at the rate of ~~((three))~~ four cents per barrel of crude oil or petroleum product.

(3) The taxes imposed by this chapter shall be collected by the marine terminal operator from the taxpayer. If any person charged with collecting the taxes fails to bill the taxpayer for the taxes, or in the alternative has not notified the taxpayer in writing of the imposition of the taxes, or having collected the taxes, fails to pay them to the department in the manner prescribed by this chapter, whether such failure is the result of the person's own acts or the result of acts or conditions beyond the person's control, he or she shall, nevertheless, be personally liable to the state for the amount of the taxes. Payment of the taxes by the owner to a marine terminal operator shall relieve the owner from further liability for the taxes.

(4) Taxes collected under this chapter shall be held in trust until paid to the department. Any person collecting the taxes who appropriates or converts the taxes collected shall be guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. The taxes required by this chapter to be collected shall be stated separately from other charges made by the marine terminal operator in any invoice or other statement of account provided to the taxpayer.

(5) If a taxpayer fails to pay the taxes imposed by this chapter to the person charged with collection of the taxes and the person charged with collection fails to pay the taxes to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the taxes.

(6) The taxes shall be due from the marine terminal operator, along with reports and returns on forms prescribed by the department, within twenty-five days after the end of the month in which the taxable activity occurs.

(7) The amount of taxes, until paid by the taxpayer to the marine terminal operator or to the department, shall constitute a debt from the taxpayer to the marine terminal operator. Any person required to collect the taxes under this chapter who, with intent to violate the provisions of this chapter, fails or refuses to do so as required and any taxpayer who refuses to pay any taxes due under this chapter, shall be guilty of a misdemeanor as provided in chapter 9A.20 RCW.

(8) Upon prior approval of the department, the taxpayer may pay the taxes imposed by this chapter directly to the department. The department shall give its approval for direct payment under this section whenever it appears, in the department's judgment, that direct payment will enhance the administration of the taxes imposed under this chapter. The department shall provide by rule for the issuance of a direct payment certificate to any taxpayer qualifying for direct payment of the taxes. Good faith acceptance of a direct payment certificate by a terminal operator shall relieve the marine terminal operator from any liability for the collection or payment of the taxes imposed under this chapter.

(9) All receipts from the tax imposed in subsection (1) of this section shall be deposited into the state oil spill response account. All receipts from the tax imposed in subsection (2) of this section shall be deposited into the oil spill administration account.

(10) Within forty-five days after the end of each calendar quarter, the office of financial management shall determine the balance of the oil spill response account as of the last day of that calendar quarter. Balance determinations by the office of financial management under this section are final and shall not be used to challenge the validity of any tax imposed under this chapter. The office of financial management shall promptly notify the departments of revenue and ecology of the account balance once a determination is made. For each subsequent calendar quarter, the tax imposed by subsection (1) of this section shall be imposed during the entire calendar quarter unless:

(a) Tax was imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than ~~((twenty-five))~~ ten million dollars; or

(b) Tax was not imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than ~~((fifteen))~~ nine million dollars.

~~((11) The office of marine safety, the department of revenue, and the department of community, trade, and economic development shall study tax credits for taxpayers employing vessels with the best achievable technology and the best available protection to reduce the risk of oil spills to the navigable waters of the state and submit the study to the appropriate standing committees of the legislature by December 1, 1992.))~~

**Sec. 3.** RCW 90.56.510 and 1995 2nd sp.s. c 14 s 525 are each amended to read as follows:

(1) The oil spill administration account is created in the state treasury. All receipts from RCW 82.23B.020(2) shall be deposited in the account. Moneys from the account may be spent only after appropriation. The account is subject to allotment procedures under chapter 43.88 RCW. ~~((On July 1 of each odd-numbered year, if receipts deposited in the account from the tax imposed by RCW 82.23B.020(2) for the previous fiscal biennium exceed the amount appropriated from the account for the previous fiscal biennium, the state treasurer shall transfer the amount of receipts exceeding the appropriation to the oil spill response account.))~~ If, on the first day of any calendar month, the balance of the oil spill response account is greater than ~~((twenty-five))~~ ten million dollars and the balance of the oil spill administration account exceeds the unexpended appropriation for the current biennium, then the tax under RCW 82.23B.020(2) shall be suspended on the first day of the next calendar month until the beginning of the following biennium, provided that the tax shall not be suspended during the last six months of the biennium. If the tax imposed under RCW 82.23B.020(2) is suspended during two consecutive biennia, the department shall by November 1st after the end of the second biennium, recommend to the appropriate standing committees an adjustment in the tax rate. For the biennium ending June 30, 1997, the state treasurer may transfer up to \$1,718,000 from the oil spill response account to the oil spill administration account to support appropriations made from the oil spill administration account in the omnibus and transportation appropriations acts adopted not later than June 30, 1997.

(2) Expenditures from the oil spill administration account shall be used exclusively for the administrative costs related to the purposes of this chapter, and chapters 90.48, 88.40, and 88.46 RCW. Starting with the 1995-1997 biennium, the legislature shall give activities of state agencies related to prevention of oil spills priority in funding from the oil spill administration account. Costs of administration include the costs of:

- (a) Routine responses not covered under RCW 90.56.500;
- (b) Management and staff development activities;
- (c) Development of rules and policies and the state-wide plan provided for in RCW 90.56.060;
- (d) Facility and vessel plan review and approval, drills, inspections, investigations, enforcement, and litigation;
- (e) Interagency coordination and public outreach and education;
- (f) Collection and administration of the tax provided for in chapter 82.23B RCW; and
- (g) Appropriate travel, goods and services, contracts, and equipment.

**NEW SECTION. Sec. 4.** All employees of the office of marine safety are transferred to the jurisdiction of the department of ecology. All employees classified under chapter 41.06 RCW, the state civil service law, are assigned to the department of ecology to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service.

**NEW SECTION. Sec. 5.** (1) An oil spill prevention and response advisory committee is created within the department of ecology. The committee shall consist of eleven members as follows: Four legislators, one from each caucus; one member each to represent pilots licensed under chapter 88.16 RCW, the marine oil transportation industry, the marine cargo transportation industry, the fishing industry, the shellfish industry, an environmental organization, and the department of ecology. The member representing the department of ecology shall be an ex-officio member. Legislative members shall be appointed by the speaker of the house of representatives or the president of the senate, as appropriate. The director of the department of ecology shall appoint all other members.

(2) By December 1, 1998, the committee shall submit a report to the appropriate standing committees of the legislature evaluating the merger of the functions of the office of marine safety into the department of ecology.

(3) This section expires June 30, 1999.

**NEW SECTION. Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 1997."

On page 1, line 2 of the title, after "ecology;" strike the remainder of the title and insert "amending RCW 43.21I.005, 82.23B.020, and 90.56.510; creating new sections; providing an effective date; providing an expiration date; and declaring an emergency."

#### SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

April 17, 1997

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2264 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 41.05.021 and 1995 1st sp.s. c 6 s 7 are each amended to read as follows:

(1) The Washington state health care authority is created within the executive branch. The authority shall have an administrator appointed by the governor, with the consent of the senate. The administrator shall serve at the pleasure of the governor. The administrator may employ up to seven staff members, who shall be exempt from chapter 41.06 RCW, and any additional staff members as are necessary to administer this chapter. The administrator may delegate any power or duty vested in him or her by this chapter, including authority to make final decisions and enter final orders in hearings conducted under chapter 34.05 RCW. The primary duties of the authority shall be to: Administer state employees' insurance benefits and retired or disabled school employees' insurance benefits; administer the basic health plan pursuant to chapter 70.47 RCW; study state-purchased health care programs in order to maximize cost containment in these programs while ensuring access to quality health care; and implement state initiatives, joint purchasing strategies, and techniques for efficient administration that have potential application to all state-purchased health services. The authority's duties include, but are not limited to, the following:

(a) To administer health care benefit programs for employees and retired or disabled school employees as specifically authorized in RCW 41.05.065 and in accordance with the methods described in RCW 41.05.075, 41.05.140, and other provisions of this chapter;

(b) To analyze state-purchased health care programs and to explore options for cost containment and delivery alternatives for those programs that are consistent with the purposes of those programs, including, but not limited to:

(i) Creation of economic incentives for the persons for whom the state purchases health care to appropriately utilize and purchase health care services, including the development of flexible benefit plans to offset increases in individual financial responsibility;

(ii) Utilization of provider arrangements that encourage cost containment, including but not limited to prepaid delivery systems, utilization review, and prospective payment methods, and that ensure access to quality care, including assuring reasonable access to local providers, especially for employees residing in rural areas;

(iii) Coordination of state agency efforts to purchase drugs effectively as provided in RCW 70.14.050;

(iv) Development of recommendations and methods for purchasing medical equipment and supporting services on a volume discount basis; and

(v) Development of data systems to obtain utilization data from state-purchased health care programs in order to identify cost centers, utilization patterns, provider and hospital practice patterns, and procedure costs, utilizing the information obtained pursuant to RCW 41.05.031;

(c) To analyze areas of public and private health care interaction;

(d) To provide information and technical and administrative assistance to the board;

(e) To review and approve or deny applications from counties, municipalities, and other political subdivisions of the state to provide state-sponsored insurance or self-insurance programs to their employees in accordance with the provisions of RCW 41.04.205, setting the premium contribution for approved groups as outlined in RCW 41.05.050;

(f) To appoint a health care policy technical advisory committee as required by RCW 41.05.150;

(g) To establish billing procedures and collect funds from school districts and educational service districts under RCW 28A.400.400 in a way that minimizes the administrative burden on districts; and

(h) To promulgate and adopt rules consistent with this chapter as described in RCW 41.05.160.

(2) On and after January 1, 1996, the public employees' benefits board may implement strategies to promote managed competition among employee health benefit plans. Strategies may include but are not limited to:

(a) Standardizing the benefit package;

(b) Soliciting competitive bids for the benefit package;

(c) Limiting the state's contribution to a percent of the lowest priced qualified plan within a geographical area;

(d) Monitoring the impact of the approach under this subsection with regards to: Efficiencies in health service delivery, cost shifts to subscribers, access to and choice of managed care plans state-wide, and quality of health services. The health care authority shall also advise on the value of administering a benchmark employer-managed plan to promote competition among managed care plans. The health care authority shall report its findings and recommendations to the legislature by January 1, 1997.

(3) The health care authority shall, no later than July 1, 1996, submit to the appropriate committees of the legislature, proposed methods whereby, through the use of a voucher-type process, state employees may enroll with any health carrier to receive employee benefits. Such methods shall include the employee option of participating in a health care savings account, as set forth in Title 48 RCW.

~~((4) The Washington health care policy board shall study the necessity and desirability of the health care authority continuing as a self-insuring entity and make recommendations to the appropriate committees of the legislature by December 1, 1996.))~~

**Sec. 2.** RCW 43.70.054 and 1995 c 267 s 2 are each amended to read as follows:

(1) To promote the public interest consistent with chapter 267, Laws of 1995, the department of health, in cooperation with the ~~((health care policy board and the))~~ information services board established under RCW 43.105.032, shall develop health care data standards to be used by, and developed in collaboration with, consumers, purchasers, health carriers, providers, and state government as consistent with the intent of chapter 492, Laws of 1993 as amended by chapter 267, Laws of 1995, to promote the delivery of quality health services that improve health outcomes for state residents. The data standards shall include content, coding, confidentiality, and transmission standards for all health care data elements necessary to support the intent of this section, and to improve administrative efficiency and reduce cost. Purchasers, as allowed by federal law, health carriers, health facilities and providers as defined in chapter 48.43 RCW, and state government shall utilize the data standards. The information and data elements shall be reported as the department of health directs by rule in accordance with data standards developed under this section.

(2) The health care data collected, maintained, and studied by the department under this section~~((, the health care policy board,))~~ or any other entity: (a) Shall include a method of associating all information on health care costs and services with discrete cases; (b) shall not contain any means of determining the personal identity of any enrollee, provider, or facility; (c) shall only be available for retrieval in original or processed form to public and private requesters; (d) shall be available within a reasonable period of time after the date of request; and (e) shall give strong consideration to data standards that achieve national uniformity.

(3) The cost of retrieving data for state officials and agencies shall be funded through state general appropriation. The cost of retrieving data for individuals and organizations engaged in research or private use of data or studies shall be funded by a fee schedule developed by the department that reflects the direct cost of retrieving the data or study in the requested form.

(4) All persons subject to this section shall comply with departmental requirements established by rule in the acquisition of data, however, the department shall adopt no rule or effect no policy implementing the provisions of this section without an act of law.

(5) The department shall submit developed health care data standards to the appropriate committees of the legislature by December 31, 1995.

**Sec. 3.** RCW 43.70.066 and 1995 c 267 s 4 are each amended to read as follows:

(1) The department of health ~~((in consultation with the health policy board))~~ shall study the feasibility of a uniform quality assurance and improvement program for use by all public and private health plans and health care providers and facilities. In this study, the department shall consult with:

- (a) Public and private purchasers of health care services;
- (b) Health carriers;
- (c) Health care providers and facilities; and
- (d) Consumers of health services.

(2) In conducting the study, the department shall propose standards that meet the needs of affected persons and organizations, whether public or private, without creation of differing levels of quality assurance. All consumers of health services should be afforded the same level of quality assurance.

- (3) At a minimum, the study shall include but not be limited to the following program components and indicators appropriate for consumer disclosure:
- (a) Health care provider training, credentialing, and licensure standards;
  - (b) Health care facility credentialing and recredentialing;
  - (c) Staff ratios in health care facilities;
  - (d) Annual mortality and morbidity rates of cases based on a defined set of procedures performed or diagnoses treated in health care facilities, adjusted to fairly consider variable factors such as patient demographics and case severity;
  - (e) The average total cost and average length of hospital stay for a defined set of procedures and diagnoses;
  - (f) The total number of the defined set of procedures, by specialty, performed by each physician at a health care facility within the previous twelve months;
  - (g) Utilization performance profiles by provider, both primary care and specialty care, that have been adjusted to fairly consider variable factors such as patient demographics and severity of case;
  - (h) Health plan fiscal performance standards;
  - (i) Health care provider and facility recordkeeping and reporting standards;
  - (j) Health care utilization management that monitors trends in health service underutilization, as well as overutilization of services;
  - (k) Health monitoring that is responsive to consumer, purchaser, and public health assessment needs; and

(l) Assessment of consumer satisfaction and disclosure of consumer survey results.

(4) In conducting the study, the department shall develop standards that permit each health care facility, provider group, or health carrier to assume responsibility for and determine the physical method of collection, storage, and assimilation of quality indicators for consumer disclosure. The study may define the forms, frequency, and posting requirements for disclosure of information.

In developing proposed standards under this subsection, the department shall identify options that would minimize provider burden and administrative cost resulting from duplicative private sector data submission requirements.

(5) The department shall submit a preliminary report to the legislature by December 31, 1995, including recommendations for initial legislation pursuant to subsection (6) of this section, and shall submit supplementary reports and recommendations as completed, consistent with appropriated funds and staffing.

(6) The department shall not adopt any rule implementing the uniform quality assurance program or consumer disclosure provisions unless expressly directed to do so by an act of law.

**Sec. 4.** RCW 43.70.068 and 1995 c 267 s 5 are each amended to read as follows:

~~((No later than July 1, 1995, the health care policy board together with))~~ The department of health, the health care authority, the department of social and health services, the office of the insurance commissioner, and the department of labor and industries shall form an interagency group for coordination and consultation on quality assurance activities and collaboration on final recommendations for the study required under RCW 43.70.066. ~~((By December 31, 1996, the group shall review all state agency programs governing health service quality assurance, in light of legislative actions pursuant to RCW 43.70.066(6), and shall recommend to the legislature, the consolidation, coordination, or elimination of rules and programs that would be made unnecessary pursuant to the development of a uniform quality assurance and improvement program.))~~

**NEW SECTION. Sec. 5.** A new section is added to chapter 43.72 RCW to read as follows:

As used in this chapter, "health carrier," "health care provider," "provider," "health plan," and "health care facility" have the same meaning as provided in RCW 48.43.005.

**Sec. 6.** RCW 43.72.300 and 1993 c 492 s 447 are each amended to read as follows:

(1) The legislature recognizes that competition among health care providers, facilities, payers, and purchasers will yield the best allocation of health care resources, the lowest prices for health care services, and the highest quality of health care when there exists a large number of buyers and sellers, easily comparable health ~~(care)~~ plans and services, minimal barriers to entry and exit into the health care market, and adequate information for buyers and sellers to base purchasing and production decisions. However, the legislature finds that purchasers of health care services and health care

coverage do not have adequate information upon which to base purchasing decisions; that health care facilities and providers of health care services face legal and market disincentives to develop economies of scale or to provide the most cost-efficient and efficacious service; that health insurers, contractors, and health maintenance organizations face market disincentives in providing health care coverage to those Washington residents with the most need for health care coverage; and that potential competitors in the provision of health care coverage bear unequal burdens in entering the market for health care coverage.

(2) The legislature therefore intends to exempt from state anti-trust laws, and to provide immunity from federal anti-trust laws through the state action doctrine for activities approved under this chapter that might otherwise be constrained by such laws and intends to displace competition in the health care market: To contain the aggregate cost of health care services; to promote the development of comprehensive, integrated, and cost-effective health care delivery systems through cooperative activities among health care providers and facilities; to promote comparability of health care coverage; to improve the cost-effectiveness in providing health care coverage relative to health promotion, disease prevention, and the amelioration or cure of illness; to assure universal access to a publicly determined, uniform package of health care benefits; and to create reasonable equity in the distribution of funds, treatment, and medical risk among purchasers of health care coverage, payers of health care services, providers of health care services, health care facilities, and Washington residents. To these ends, any lawful action taken pursuant to chapter 492, Laws of 1993 by any person or entity created or regulated by chapter 492, Laws of 1993 are declared to be taken pursuant to state statute and in furtherance of the public purposes of the state of Washington.

(3) The legislature does not intend and unless explicitly permitted in accordance with RCW 43.72.310 or under rules adopted pursuant to chapter 492, Laws of 1993, does not authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of state and federal anti-trust laws including but not limited to conspiracies or agreements:

(a) Among competing health care providers not to grant discounts, not to provide services, or to fix the price of their services;

(b) Among ~~((certified))~~ health ~~((plans))~~ carriers as to the price or level of reimbursement for health care services;

(c) Among ~~((certified))~~ health ~~((plans))~~ carriers to boycott a group or class of health care service providers;

(d) Among purchasers of ~~((certified))~~ health plan coverage to boycott a particular plan or class of plans;

(e) Among ~~((certified))~~ health ~~((plans))~~ carriers to divide the market for health care coverage;

or

(f) Among ~~((certified))~~ health ~~((plans))~~ carriers and purchasers to attract or discourage enrollment of any Washington resident or groups of residents in a ~~((certified))~~ health plan based upon the perceived or actual risk of loss in including such resident or group of residents in a ~~((certified))~~ health plan or purchasing group.

**Sec. 7.** RCW 43.72.310 and 1995 c 267 s 8 are each amended to read as follows:

(1) ~~((Until May 8, 1995, and after June 30, 1996, a certified))~~ A health ~~((plan))~~ carrier, health care facility, health care provider, or other person involved in the development, delivery, or marketing of health care or ~~((certified))~~ health plans may request, in writing, that the ~~((commission))~~ department of health obtain an informal opinion from the attorney general as to whether particular conduct is authorized by chapter 492, Laws of 1993. Trade secret or proprietary information contained in a request for informal opinion shall be identified as such and shall not be disclosed other than to an authorized employee of the ~~((commission))~~ department of health or attorney general without the consent of the party making the request, except that information in summary or aggregate form and market share data may be contained in the informal opinion issued by the attorney general. The attorney general shall issue such opinion within thirty days of receipt of a written request for an opinion or within thirty days of receipt of any additional information requested by the attorney general necessary for rendering an opinion unless extended by the attorney general for good cause shown. If the attorney general concludes that such conduct is not authorized by chapter 492, Laws of 1993, the person or organization making the request may petition the ~~((commission))~~ department of health for review and approval of such conduct in accordance with subsection (3) of this section.

(2) After obtaining the written opinion of the attorney general and consistent with such opinion, the ~~((health services commission))~~ department of health:

(a) May authorize conduct by a ~~((certified))~~ health ~~((plan))~~ carrier, health care facility, health care provider, or any other person that could tend to lessen competition in the relevant market upon a strong showing that the conduct is likely to achieve the policy goals of chapter 492, Laws of 1993 and a more competitive alternative is impractical;

(b) Shall adopt rules governing conduct among providers, health care facilities, and ~~((certified))~~ health ~~((plans))~~ carriers including rules governing provider and facility contracts with ~~((certified))~~ health ~~((plans))~~ carriers, rules governing the use of "most favored nation" clauses and exclusive dealing clauses in such contracts, and rules providing that ~~((certified))~~ health ~~((plans))~~ carriers in rural areas contract with a sufficient number and type of health care providers and facilities to ensure consumer access to local health care services;

(c) Shall adopt rules permitting health care providers within the service area of a plan to collectively negotiate the terms and conditions of contracts with a ~~((certified))~~ health ~~((plan))~~ carrier including the ability of providers to meet and communicate for the purposes of these negotiations; ~~((and))~~

(d) Shall adopt rules governing cooperative activities among health care facilities and providers; and

(e) Effective July 1, 1997, in addition to the rule-making authority granted to the department under this section, the department shall have the authority to enforce and administer rules previously adopted by the health services commission and the health care policy board pursuant to RCW 43.72.310.

(3) ~~((Until May 8, 1995, and after June 30, 1996, a certified))~~ A health ~~((plan))~~ carrier, health care facility, health care provider, or any other person involved in the development, delivery, and marketing of health care services or ~~((certified))~~ health plans may file a written petition with the ~~((commission))~~ department of health requesting approval of conduct that could tend to lessen competition in the relevant market. Such petition shall be filed in a form and manner prescribed by rule of the ~~((commission))~~ department of health.

The ~~((commission))~~ department of health shall issue a written decision approving or denying a petition filed under this section within ninety days of receipt of a properly completed written petition unless extended by the ~~((commission))~~ department of health for good cause shown. The decision shall set forth findings as to benefits and disadvantages and conclusions as to whether the benefits outweigh the disadvantages.

(4) In authorizing conduct and adopting rules of conduct under this section, the ~~((commission))~~ department of health with the advice of the attorney general, shall consider the benefits of such conduct in furthering the goals of health care reform including but not limited to:

- (a) Enhancement of the quality of health services to consumers;
- (b) Gains in cost efficiency of health services;
- (c) Improvements in utilization of health services and equipment;
- (d) Avoidance of duplication of health services resources; or
- (e) And as to (b) and (c) of this subsection: (i) Facilitates the exchange of information relating to performance expectations; (ii) simplifies the negotiation of delivery arrangements and relationships; and (iii) reduces the transactions costs on the part of ~~((certified))~~ health ~~((plans))~~ carriers and providers in negotiating more cost-effective delivery arrangements.

These benefits must outweigh disadvantages including and not limited to:

- (i) Reduced competition among ~~((certified))~~ health ~~((plans))~~ carriers, health care providers, or health care facilities;
- (ii) Adverse impact on quality, availability, or price of health care services to consumers; or
- (iii) The availability of arrangements less restrictive to competition that achieve the same benefits.

(5) Conduct authorized by the ~~((commission))~~ department of health shall be deemed taken pursuant to state statute and in the furtherance of the public purposes of the state of Washington.

(6) With the assistance of the attorney general's office, the ~~((commission))~~ department of health shall actively supervise any conduct authorized under this section to determine whether such conduct or rules permitting certain conduct should be continued and whether a more competitive alternative is practical. The ~~((commission))~~ department of health shall periodically review petitioned conduct through, at least, annual progress reports from petitioners, annual or more frequent reviews by the

~~((commission))~~ department of health that evaluate whether the conduct is consistent with the petition, and whether the benefits continue to outweigh any disadvantages. If the ~~((commission))~~ department of health determines that the likely benefits of any conduct approved through rule, petition, or otherwise by the ~~((commission))~~ department of health no longer outweigh the disadvantages attributable to potential reduction in competition, the ~~((commission))~~ department of health shall order a modification or discontinuance of such conduct. Conduct ordered discontinued by the ~~((commission))~~ department of health shall no longer be deemed to be taken pursuant to state statute and in the furtherance of the public purposes of the state of Washington.

(7) Nothing contained in chapter 492, Laws of 1993 is intended to in any way limit the ability of rural hospital districts to enter into cooperative agreements and contracts pursuant to RCW 70.44.450 and chapter 39.34 RCW.

~~(8) ((Only requests for informal opinions under subsection (1) of this section and petitions under subsection (3) of this section that were received prior to May 8, 1995, or after June 30, 1996, shall be considered.))~~ The secretary of health shall from time to time establish fees to accompany the filing of a petition or a written request to the department to obtain an opinion from the attorney general under this section and for the active supervision of conduct approved under this section. Such fees may vary according to the size of the transaction proposed in the petition or under active supervision. In setting such fees, the secretary shall consider that consumers and the public benefit when activities meeting the standards of this section are permitted to proceed; the importance of assuring that persons sponsoring beneficial activities are not foreclosed from filing a petition under this section because of the fee; and the necessity to avoid a conflict, or the appearance of a conflict, between the interests of the department and the public. The total fee for a petition under this section, a written request to the department to obtain an opinion from the attorney general, or a combination of both regarding the same conduct shall not exceed the level that will defray the reasonable costs the department and attorney general incur in considering a petition and in no event shall be greater than twenty-five thousand dollars. The fee for review of approved conduct shall not exceed the level that will defray the reasonable costs the department and attorney general incur in conducting such a review and in no event shall be greater than ten thousand dollars per annum. The fees shall be fixed by rule adopted in accordance with the provisions of the administrative procedure act, chapter 34.05 RCW, and shall be deposited in the health professions account established in accordance with RCW 43.70.320.

## SENATE AMENDMENTS TO HOUSE BILL

April 17, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1113 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that incentives need to be established to encourage the installation of more efficient irrigation conveyance and on-farm application systems and that significant benefits can accrue including water quantity and water quality benefits. The legislature finds that increasing the amount of lands that may be irrigated under an existing water right can impact the amount of return flow water available to meet the needs of other existing water rights. Further, that adherence to a strict nonimpairment standard has slowed efforts to make irrigation water delivery systems more efficient. The legislature finds that reliance on public funds to provide incentives to install efficient irrigation systems is less reliable and more costly to the public than providing economic incentives together with establishing compensating mechanisms to protect existing rights from impairment.

The purpose of this act is to establish mechanisms that will provide a means to test incentives for improving the efficiency of irrigation water use.

**NEW SECTION. Sec. 2.** A new section is added to chapter 90.03 RCW to read as follows: RCW 90.03.380 does not apply to a change regarding a portion of the water governed by a water right to appropriate surface water used for agricultural purposes that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies that are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. If a portion of the water governed by a water right to surface water is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected, the right to use the surplus water may be changed to use on other lands owned by the holder of the water right that are contiguous to the lands upon which the use of the water was authorized by the right before such a change in accordance with the following:

(1) For the purpose of calculating the amount of surplus water that may be allocated to irrigate additional lands, the water right holder shall assume that the amount of water per acre that is to be used to irrigate the additional land is equal to the revised amount of water per acre that the lands previously allowed to be irrigated under the original right would receive. Once the amount of surplus water is calculated in accordance with this section, the allowable quantity of water that may be used to irrigate each parcel may be used on either the original parcel or on the additional land without differentiation;

(2) Of the waters determined to be surplus to the beneficial uses exercised under the right:

(a) Fifty percent shall be available to be used on additional land and shall retain the date of priority of the original right; and

(b) Fifty percent shall be available to be used on additional land and shall have a date of priority that is subordinate to other water rights that were established as of the date the water was applied to the additional land.

The holder of the water right shall notify the department of such a change. The department may prescribe a form upon which notification is to be made. The department shall establish procedures to verify the information contained in the notification and may require the submission of additional information to assure general compliance with the provisions of this section. Such notification

constitutes a change in the holder's water right and, upon receiving the notification, the department shall revise its records for the water right to reflect the change.

This section does not apply to water supplied by an irrigation district.

This section does not apply to surplus water resulting from water efficiency improvements that were financed in whole or in part with state funds.

Any person who uses this section shall not impair any existing right unless compensation or mitigation for such impairment or injury is agreed to by the holder of the affected water right.

**NEW SECTION. Sec. 3.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Contract" means a written legal instrument that provides for the transfer of a portion of a water right from an existing water right holder to another person for consideration.

(2) "Department" means the department of ecology.

(3) "Net water savings" has the same meaning as defined in RCW 90.42.020.

(4) "Person" means a person, corporation, quasi-municipal corporation, municipal corporation, or state agency.

(5) "Reduction in evaporative loss" means the amount of water that is no longer lost to further use as a result of changing from a conventional irrigation system to a water-efficient irrigation system. "Reduction in evaporative loss" includes the reduction in the amount of water consumed through evaporation or through transpiration by nonproductive plants such as cover crops, but does not include any water that contributed to return flows used to satisfy existing rights.

(6) "Trust water right" means a water right transferred to and managed by the department for the benefit of instream flows or for the allocation to new uses as provided in chapter 90.38 or 90.42 RCW.

(7) "Water-efficient irrigation system" means a system that, through technological modifications, results in water savings.

**NEW SECTION. Sec. 4.** A person holding a valid water right or contractual right to use water, who finances the installation of a water-efficient irrigation system, may enter into a contract with another person for the transfer of water saved through installation of the water-efficient irrigation system. In determining the amount that is transferrable, the department shall allow the transfer of an amount equal to the reduction in the evaporative loss. The reduction in evaporative loss is a readily transferrable component of net water savings.

In addition, the department shall evaluate whether there are additional net water savings that result directly from installation of the water-efficient irrigation system that could be transferred to the purchaser without detriment to other existing water users. The department may not delay because of decisions on the determination of additional net water savings the approval of the transfer of the water that constitutes the reduction in evaporative loss. The use of water supplied by an irrigation district that is saved through installation of a qualifying water-efficient irrigation system as provided in this section shall be regulated solely as provided by the board of directors of the irrigation district.

A person wishing to make application for a transfer of a water right under this chapter shall comply with RCW 90.03.380. A contract may allow for a permanent transfer of a portion of the original water right, or for lease agreements with set expiration dates. The applicant shall state that the contract is not permanent in the application if the contract is not permanent.

The transferred portion has the same date of priority as the water right from which it originated, but between them the transferred portion of the right is inferior in priority unless otherwise provided by the parties in the contract.

The department shall maintain a record of contracts with the certificate of water right for the transferred water.

**NEW SECTION. Sec. 5.** The department may adopt rules, in accordance with chapter 34.05 RCW, for procedures to be used to facilitate the processing of requests for water right transfers made under this chapter and to establish a streamlined procedure to quantify the reduction in the evaporative loss. In developing streamlined procedures, the department may use data from the United States natural resource conservation service or the Washington state cooperative extension service to base calculations of reduction in evaporative loss in various regions of the state.

The rules may establish procedures for the department to make preliminary findings that can be used as an initial basis for developing contracts by applicants.

**NEW SECTION. Sec. 6.** An applicant shall accompany an application for a water right transfer under this chapter with a fee established in RCW 90.03.470.

**NEW SECTION. Sec. 7.** In processing applications for transfers of portions of water rights under this chapter, if the department is unable to conclusively determine the validity of the original water right, the department may include a presumption of validity in the certificate of water rights. The presumption must provide to the contract purchaser the same right to the use of water embodied in the original water right.

The presumption of validity may not be used as evidence as to the existence or nonexistence in a water right adjudication conducted under chapter 90.03 RCW.

**NEW SECTION. Sec. 8.** A holder of a water right may voluntarily enter into a contract with the department. The department may utilize funds that are now or hereafter authorized for the purchase of water savings made available under this chapter. The department shall utilize the same methods of calculating water that is transferrable to another party under this chapter in determining the amount of water that is transferrable to the state. If additional net water saved is available for the benefit of only a stream segment, the calculations may be made on a case-by-case basis while assuring no detriment to existing water users occurs.

**NEW SECTION. Sec. 9.** A valid water right user who installs a water-efficient irrigation system may apply for a transfer of the reduction in evaporative loss, plus any additional net water savings, for the irrigation of an additional parcel of previously unirrigated land, to land with less senior water rights, or that lacks a full and sufficient supply. The application must be processed based upon the same criteria as if the transfer were to be made to another person.

**NEW SECTION. Sec. 10.** This chapter may be known and cited as the agricultural water conservation incentives act.

**Sec. 11.** RCW 90.03.380 and 1996 c 320 s 19 are each amended to read as follows:

(1) The right to the use of water which has been applied to a beneficial use in the state shall be and remain appurtenant to the land or place upon which the same is used (~~(: PROVIDED, HOWEVER, That said)~~). However, all or a portion of a right may be transferred to another or to others and become appurtenant to any other land or place of use without loss of priority of right theretofore established if such change can be made without detriment or injury to existing rights. The point of diversion of water for beneficial use or the purpose of use may be changed, if such change can be made without detriment or injury to existing rights. A change in the place of use, point of diversion, and/or purpose of use of a water right to enable irrigation of additional acreage or the addition of new uses may be permitted if such change results in no increase in the annual consumptive quantity of water used under the water right. For purposes of this section, "annual consumptive quantity" means the estimated or actual annual amount of water diverted pursuant to the water right, reduced by the estimated annual amount of return flows, averaged over the most recent five-year period of continuous beneficial use of the water right. Before any transfer of such right to use water or change of the point of diversion of water or change of purpose of use can be made, any person having an interest in the transfer or change, shall file a written application therefor with the department, and said application shall not be granted until notice of said application shall be published as provided in RCW 90.03.280. If it shall appear that such transfer or such change may be made without injury or detriment to existing rights, the department shall issue to the applicant an authorization to make the change or transfer. When the applicant has completed the change or transfer, the department shall issue to the applicant a certificate in duplicate granting the right for such transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and be made a record with the department and the duplicate certificate issued to the applicant may be filed with the county auditor in like manner and with the same effect as provided in the original certificate or permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to another, the department shall, before publication of notice, receive concurrence from each of the

irrigation districts that such transfer or change will not adversely affect the ability to deliver water to other landowners or impair the financial integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an irrigation district need only receive approval for the change from the board of directors of the district if the use of water continues within the irrigation district, and when water is provided by an irrigation entity that is a member of a board of joint control created under chapter 87.80 RCW, approval need only be received from the board of joint control if the use of water continues within the area of jurisdiction of the joint board and the change can be made without detriment or injury to existing rights. The board of directors of an irrigation district may approve such a change if the board determines that the change: Will not adversely affect the district's ability to deliver water to other landowners; will not require the construction by the district of diversion or drainage facilities unless the board finds that the construction by the district is in the interest of the district; will not impair the financial or operational integrity of the district; and is consistent with the contractual obligations of the district.

(4) This section shall not apply to trust water rights acquired by the state through the funding of water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070.

An amendment to a permit or certificate to change the place of use, point of withdrawal, and/or purpose of use of a ground water right to enable irrigation of additional acreage or the addition of new uses may be issued if such change results in no increase in the annual consumptive quantity of water used under a certificate or authorized for use under a permit. For purposes of this section, "annual consumptive quantity" means the estimated or actual annual amount of water withdrawn under a certificate or the amount authorized for use under a permit reduced by the estimated annual amount of return flows. For permits or certificates under which actual amounts of water have been withdrawn, withdrawals and return flows shall be averaged over the most recent five-year period of continuous beneficial use of the ground water right or, if the period of actual continuous beneficial use is less than five years, such lesser period.

April 18, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1303 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** As we face a more complex society and increasing demands are placed on schools and the educational services they provide for children, it is important that school districts are provided with flexibility to determine how best to work within their communities to ensure students are meeting high academic standards. It is the intent of the legislature to allow schools to approach their educational mission with both increased flexibility and accountability that will assist them in better meeting the needs of the students in their district.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.320 RCW to read as follows:

(1) As provided in sections 3 through 20 of this act, the board of directors of each school district may grant waivers, or partial waivers, of state laws and rules to schools within the district. The school board shall grant waivers in accordance with this section.

(2) To apply for waivers, a school principal must prepare an application to the board of directors that identifies which laws and rules are being requested for waiver and the rationale for the request. The rationale must identify how granting the waivers will improve student learning or the delivery of education services in the school. The application must include evidence that the school's teachers, classified employees, site council, parents, and students, as appropriate, are committed to working cooperatively in implementing the waiver.

(3) The school board shall provide for public review and comment regarding the waiver request.

(4) The duration, renewal, and rescission of the waivers shall be determined by the school district board of directors. The renewal of a waiver shall be subject to the review process by the superintendent of public instruction and the state board of education as provided in subsection (7) of this section.

(f) State and federal financial reporting and auditing requirements;

(g) State constitutional requirements; and

(h) Certification and other requirements in chapter 28A.410 RCW.

(6) A school district may not include provisions in a collective bargaining agreement that limit the district's authority to grant waivers under this section.

(7) School district boards of directors granting waivers to state laws and rules shall certify to the superintendent of public instruction that they have a waiver review process in effect and shall transmit to the superintendent of public instruction and the state board of education a list of laws and rules that have been waived in accordance with this section and a description of the process used in considering the waivers. The superintendent of public instruction and the state board of education shall review the waivers of state laws and rules within their respective jurisdictions. The waivers shall be approved by the superintendent of public instruction or the state board of education, as appropriate, if the school district board of directors complied with the requirements of this section. The superintendent of public instruction or state board of education, as appropriate, shall approve or deny the waiver request, in whole or in part, within forty calendar days of receiving the list of waivers. If the district receives no response from either the superintendent of public instruction or the state board of education after forty days, the waiver shall be deemed uncontested. The state board of education may delegate the responsibility for reviewing and approving or denying the waivers to its staff if an appeal procedure to the board is provided.

**Sec. 21.** RCW 28A.405.100 and 1994 c 115 s 1 are each amended to read as follows:

(1) The superintendent of public instruction shall establish and may amend from time to time minimum criteria for the evaluation of the professional performance capabilities and development of certificated classroom teachers and certificated support personnel. For classroom teachers the criteria shall be developed in the following categories: Instructional skill; classroom management, professional preparation and scholarship; effort toward improvement when needed; the handling of student discipline and attendant problems; and interest in teaching pupils and knowledge of subject matter.

Every board of directors shall, in accordance with procedure provided in RCW 41.59.010 through 41.59.170, 41.59.910 and 41.59.920, establish evaluative criteria and procedures for all certificated classroom teachers and certificated support personnel. The evaluative criteria must contain as a minimum the criteria established by the superintendent of public instruction pursuant to this section and must be prepared within six months following adoption of the superintendent of public instruction's minimum criteria. The district must certify to the superintendent of public instruction that evaluative criteria have been so prepared by the district.

Except as provided in subsection (5) of this section, it shall be the responsibility of a principal or his or her designee to evaluate all certificated personnel in his or her school. During each school year all classroom teachers and certificated support personnel, hereinafter referred to as "employees" in this section, shall be observed for the purposes of evaluation at least twice in the performance of their assigned duties. Total observation time for each employee for each school year shall be not less than sixty minutes. Following each observation, or series of observations, the principal or other evaluator shall promptly document the results of the observation in writing, and shall provide the employee with a copy thereof within three days after such report is prepared. New employees shall be observed at least once for a total observation time of thirty minutes during the first ninety calendar days of their employment period.

~~(Every)~~ At any time after October 15th, an employee whose work is judged unsatisfactory based on district evaluation criteria shall be notified in writing of ~~((stated))~~ the specific areas of deficiencies along with a ~~((suggested specific and))~~ reasonable program for improvement ~~((on or before February 1st of each year))~~. During the period of probation, the employee may not be transferred from the supervision of the original evaluator. Improvement of performance or probable cause for nonrenewal must occur and be documented by the original evaluator before any consideration of a request for transfer or reassignment as contemplated by either the individual or the school district. A probationary period of sixty school days shall be established ~~((beginning on or before February 1st and ending no later than May 1st))~~. The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency; such additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. The probationer may be removed from probation if he or she has demonstrated improvement to the satisfaction of the principal in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in his or her improvement program. Lack of necessary improvement ~~((shall be))~~ during the established

probationary period, as specifically documented in writing with notification to the probationer and shall constitute grounds for a finding of probable cause under RCW 28A.405.300 or 28A.405.210.

~~((The establishment of a probationary period shall not be deemed to adversely affect the contract status of an employee within the meaning of RCW 28A.405.300.))~~

Immediately following the completion of a probationary period that does not produce performance changes detailed in the initial notice of deficiencies and improvement program, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.

(2) Every board of directors shall establish evaluative criteria and procedures for all superintendents, principals, and other administrators. It shall be the responsibility of the district superintendent or his or her designee to evaluate all administrators. Such evaluation shall be based on the administrative position job description. Such criteria, when applicable, shall include at least the following categories: Knowledge of, experience in, and training in recognizing good professional performance, capabilities and development; school administration and management; school finance; professional preparation and scholarship; effort toward improvement when needed; interest in pupils, employees, patrons and subjects taught in school; leadership; and ability and performance of evaluation of school personnel.

(3) Each certificated employee shall have the opportunity for confidential conferences with his or her immediate supervisor on no less than two occasions in each school year. Such confidential conference shall have as its sole purpose the aiding of the administrator in his or her assessment of the employee's professional performance.

(4) The failure of any evaluator to evaluate or supervise or cause the evaluation or supervision of certificated employees or administrators in accordance with this section, as now or hereafter amended, when it is his or her specific assigned or delegated responsibility to do so, shall be sufficient cause for the nonrenewal of any such evaluator's contract under RCW 28A.405.210, or the discharge of such evaluator under RCW 28A.405.300.

(5) After an employee has four years of satisfactory evaluations under subsection (1) of this section, a school district may use a short form of evaluation, a locally bargained evaluation emphasizing professional growth, an evaluation under subsection (1) of this section, or any combination thereof. The short form of evaluation shall include either a thirty minute observation during the school year with a written summary or a final annual written evaluation based on the criteria in subsection (1) of this section and based on at least two observation periods during the school year totaling at least sixty minutes without a written summary of such observations being prepared. However, the evaluation process set forth in subsection (1) of this section shall be followed at least once every three years unless this time is extended by a local school district under the bargaining process set forth in chapter 41.59 RCW. The employee or evaluator may require that the evaluation process set forth in subsection (1) of this section be conducted in any given school year. No evaluation other than the evaluation authorized under subsection (1) of this section may be used as a basis for determining that an employee's work is unsatisfactory under subsection (1) of this section or as probable cause for the nonrenewal of an employee's contract under RCW 28A.405.210 unless an evaluation process developed under chapter 41.59 RCW determines otherwise.

(6) This section expires June 30, 1999.

**Sec. 22.** RCW 41.59.935 and 1990 c 33 s 571 are each amended to read as follows:

(1) Nothing in this chapter shall be construed to grant employers or employees the right to reach agreements regarding:

(a) Salary or compensation increases in excess of those authorized in accordance with RCW 28A.150.410 and 28A.400.200; or

(b) Limiting the employer's authority to grant waivers under section 2 of this act.

(2) This section expires June 30, 1999.

**Sec. 23.** RCW 28A.630.945 and 1995 c 208 s 1 are each amended to read as follows:

(1) The state board of education, where appropriate, or the superintendent of public instruction, where appropriate, may grant waivers to districts from the provisions of statutes or rules relating to:

The length of the school year; student-to-teacher ratios; and other administrative rules that in the opinion of the state board of education or the opinion of the superintendent of public instruction may need to be waived in order for a district to implement a plan for restructuring its educational program or the educational program of individual schools within the district.

(2) School districts may use the application process in RCW 28A.305.140 or 28A.300.138 to apply for the waivers under subsection (1) of this section.

(3) ~~((The joint select committee on education restructuring shall study which waivers of state laws or rules are necessary for school districts to implement education restructuring. The committee shall study whether the waivers are used to implement specific essential academic learning requirements and student learning goals. The committee shall study the availability of waivers under the schools for the twenty first century program created by chapter 525, Laws of 1987, and the use of those waivers by schools participating in that program. The committee shall also study the use of waivers authorized under RCW 28A.305.140. The committee shall report its findings to the legislature by December 1, 1997)) This section expires June 30, 1999.~~

NEW SECTION. Sec. 24. The superintendent of public instruction, in collaboration with school district personnel and the state board of education, shall conduct a study to identify additional actions that can be taken to increase flexibility for individual schools and school districts. The study shall review the superintendent of public instruction's rule-making process, the granting of waivers from provisions of collective bargaining agreements, and other policies and practices that reduce school and school district flexibility. The study shall be submitted to the education committees of the senate and house of representatives by December 1, 1997."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 82.24 RCW to read as follows:

In transferring the enforcement of existing cigarette and tobacco taxes from the department of revenue to the liquor control board, it is the intent of the legislature that the cigarette and tobacco tax laws of the state of Washington be actively enforced. Enforcement officers of the liquor control board appointed under section 10 or 11 of this act shall pursue all necessary means within their statutory authority in order to ensure compliance with chapters 82.24 and 82.26 RCW.

**Sec. 2.** RCW 66.44.010 and 1987 c 202 s 224 are each amended to read as follows:

(1) All county and municipal peace officers are hereby charged with the duty of investigating and prosecuting all violations of this title, and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor, and all fines imposed for violations of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor shall belong to the county, city or town wherein the court imposing the fine is located, and shall be placed in the general fund for payment of the salaries of those engaged in the enforcement of the provisions of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor: PROVIDED, That all fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended.

(ii) A conveyance subject to forfeiture under this section by reason of any act or omission of which the owner thereof establishes to have been committed or omitted without his or her knowledge or consent;

(iii) A conveyance encumbered by a bona fide security interest if the secured party neither had knowledge of nor consented to the act or omission.

(c) Any vending machine used for the purpose of violating the provisions of this chapter.

(2) Property subject to forfeiture under this chapter may be seized by any agent of the department authorized to collect taxes, any enforcement officer of the board, or law enforcement officer of this state upon process issued by any superior court or district court having jurisdiction over the property. Seizure without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant; or

(b) The department, the board, or the law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter and exigent circumstances exist making procurement of a search warrant impracticable.

(3) Notwithstanding the foregoing provisions of this section, articles taxed in this chapter which are in the possession of a wholesaler or retailer, licensed under Washington state law, for a period of time necessary to affix the stamps after receipt of the articles, shall not be considered contraband.

**Sec. 6.** RCW 82.24.190 and 1987 c 202 s 244 are each amended to read as follows:

When the department of revenue or the board has good reason to believe that any of the articles taxed herein are being kept, sold, offered for sale, or given away in violation of the provisions of this chapter or regulations issued under authority hereof, it may make affidavit of such fact, describing the place or thing to be searched, before any judge of any court in this state, and such judge shall issue a search warrant directed to the sheriff, any deputy, police officer, or duly authorized agent of the department of revenue commanding him or her diligently to search any building, room in a building, place or vehicle as may be designated in the affidavit and search warrant, and to seize such tobacco so possessed and to hold the same until disposed of by law, and to arrest the person in possession or

control thereof. If upon the return of such warrant, it shall appear that any of the articles taxed herein, unlawfully possessed, were seized, the same shall be sold as provided in this chapter.

**Sec. 7.** RCW 82.24.250 and 1995 c 278 s 10 are each amended to read as follows:

(1) No person other than: (a) A licensed wholesaler in the wholesaler's own vehicle; or (b) a person who has given notice to the ~~((department))~~ the board in advance of the commencement of transportation shall transport or cause to be transported in this state cigarettes not having the stamps affixed to the packages or containers.

(2) When transporting unstamped cigarettes, such persons shall have in their actual possession or cause to have in the actual possession of those persons transporting such cigarettes on their behalf invoices or delivery tickets for such cigarettes, which shall show the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of the cigarettes so transported.

(3) If the cigarettes are consigned to or purchased by any person in this state such purchaser or consignee must be a person who is authorized by chapter 82.24 RCW to possess unstamped cigarettes in this state.

(4) In the absence of the notice of transportation required by this section or in the absence of such invoices or delivery tickets, or, if the name or address of the consignee or purchaser is falsified or if the purchaser or consignee is not a person authorized by chapter 82.24 RCW to possess unstamped cigarettes, the cigarettes so transported shall be deemed contraband subject to seizure and sale under the provisions of RCW 82.24.130.

(5) Transportation of cigarettes from a point outside this state to a point in some other state will not be considered a violation of this section provided that the person so transporting such cigarettes has in his possession adequate invoices or delivery tickets which give the true name and address of such out-of-state seller or consignor and such out-of-state purchaser or consignee.

(6) In any case where the department or its duly authorized agent, or any peace officer of the state, has knowledge or reasonable grounds to believe that any vehicle is transporting cigarettes in violation of this section, the department, such agent, or such police officer, is authorized to stop such vehicle and to inspect the same for contraband cigarettes.

(7) For purposes of this section, the term "person authorized by chapter 82.24 RCW to possess unstamped cigarettes" means:

(a) A wholesaler or retailer, licensed under Washington state law;

(b) The United States or an agency thereof; and

**Sec. 8.** RCW 82.24.550 and 1993 c 507 s 17 are each amended to read as follows:

The department of revenue has full power and authority to revoke or suspend the license or permit of any wholesale or retail cigarette dealer in the state upon sufficient cause appearing of the violation of this chapter or upon the failure of such licensee to comply with any of the provisions of this chapter.

~~((2))~~ (3) A license shall not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the department of revenue. The department of revenue, upon a finding by same, that the licensee has failed to comply with any provision of this chapter or any rule promulgated thereunder, shall, in the case of the first offender, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and, in the case of a second or plural offender, shall suspend the license or licenses for a period of not less than ninety consecutive business days nor more than twelve months, and, in the event the department of revenue finds the offender has been guilty of willful and persistent violations, it may revoke the license or licenses.

~~((3))~~ (4) Any person whose license or licenses have been so revoked may apply to the department of revenue at the expiration of one year for a reinstatement of the license or licenses. The license or licenses may be reinstated by the department of revenue if it appears to the satisfaction of the department of revenue that the licensee will comply with the provisions of this chapter and the rules promulgated thereunder.

~~((4))~~ (5) A person whose license has been suspended or revoked shall not sell cigarettes or permit cigarettes to be sold during the period of such suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form whatever.

~~((5))~~ (6) Any determination and order by the department of revenue, and any order of suspension or revocation by the department of revenue of the license or licenses, or refusal to reinstate a license or licenses after revocation shall be reviewable by an appeal to the superior court of Thurston county. The superior court shall review the order or ruling of the department of revenue and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the department of revenue and the board.

#### THIRD READING

#### SENATE AMENDMENTS TO HOUSE BILL

April 14, 1997

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1330 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 51.14.020 and 1995 c 31 s 1 are each amended to read as follows:

(1) An employer may qualify as a self-insurer by establishing to the director's satisfaction that he or she has sufficient financial ability to make certain the prompt payment of all compensation under this title and all assessments which may become due from such employer. Each application for certification as a self-insurer submitted by an employer shall be accompanied by payment of a fee of one hundred fifty dollars or such larger sum as the director shall find necessary for the administrative costs of evaluation of the applicant's qualifications. Any employer who has formerly been certified as a self-insurer and thereafter ceases to be so certified may not apply for certification within three years of ceasing to have been so certified.

(2)(a) A self-insurer may be required by the director to supplement existing financial ability by depositing in an escrow account in a depository designated by the director, money and/or corporate or governmental securities approved by the director, or a surety bond written by any company admitted to transact surety business in this state, or provide an irrevocable letter of credit issued by a federally or

state chartered commercial banking institution authorized to conduct business in the state of Washington filed with the department. The money, securities, bond, or letter of credit shall be in an amount reasonably sufficient in the director's discretion to insure payment of reasonably foreseeable compensation and assessments but not less than the employer's normal expected annual claim liabilities and in no event less than one hundred thousand dollars. In arriving at the amount of money, securities, bond, or letter of credit required under this subsection, the director shall take into consideration the financial ability of the employer to pay compensation and assessments and his or her probable continuity of operation. However, a letter of credit shall be acceptable only if the self-insurer has a net worth of not less than five hundred million dollars as evidenced in an annual financial statement prepared by a qualified, independent auditor using generally accepted accounting principles. The money, securities, bond, or letter of credit so deposited shall be held by the director solely for the payment of compensation by the self-insurer and his or her assessments. In the event of default the self-insurer loses all right and title to, any interest in, and any right to control the surety. The amount of surety may be increased or decreased from time to time by the director. The income from any securities deposited may be distributed currently to the self-insurer.

(b) The letter of credit option authorized in (a) of this subsection shall not apply to self-insurers authorized under RCW 51.14.150 or to self-insurers who are counties, cities, or municipal corporations.

(3) Securities or money deposited by an employer pursuant to subsection (2) of this section shall be returned to him or her upon his or her written request provided the employer files the bond required by such subsection.

(4) If the employer seeking to qualify as a self-insurer has previously insured with the state fund, the director shall require the employer to make up his or her proper share of any deficit or insufficiency in the state fund as a condition to certification as a self-insurer.

(5) A self-insurer may reinsure a portion of his or her liability under this title with any reinsurer authorized to transact such reinsurance in this state: **PROVIDED**, That the reinsurer may not participate in the administration of the responsibilities of the self-insurer under this title. Until July 1, 2001, subsidiary companies, holding companies, or affiliated legal entities of the reinsurer not involved in providing reinsurance shall be allowed to participate in the administration of the responsibilities of the self-insurer under this title. Such reinsurance may not exceed eighty percent of the liabilities under this title.

(6) For purposes of the application of this section, the department may adopt separate rules establishing the security requirements applicable to units of local government. In setting such requirements, the department shall take into consideration the ability of the governmental unit to meet its self-insured obligations, such as but not limited to source of funds, permanency, and right of default.

(7) The director shall adopt rules to carry out the purposes of this section including, but not limited to, rules respecting the terms and conditions of letters of credit and the establishment of the appropriate level of net worth of the self-insurer to qualify for use of the letter of credit. Only letters of credit issued in strict compliance with the rules shall be deemed acceptable.

**NEW SECTION. Sec. 2.** A new section is added to chapter 51.14 RCW to read as follows:

(1) Self-insurers shall report to the department any attempt by a reinsurer to participate in the administration of the responsibilities of the self-insurer under this title.

(2) The department shall conduct a study of self-insurers' adjudication outcomes, claims management practices, and other appropriate outcomes and practices. The study shall compare outcomes and practices of self-insurers who use the services of reinsurers and administrators that are affiliated to those of self-insurers who use the services of unaffiliated reinsurers and administrators, as well as to the outcomes and practices of the department. The department shall report the results of the study to the legislature by January 1, 2000.

(3) The department shall adopt rules to implement this act.

(4) This section expires July 1, 2001."

On page 1, line 2 of the title, after "insurers;" strike the remainder of the title and insert "amending RCW 51.14.020; adding a new section to chapter 51.14 RCW; and providing an expiration date."

and the same are herewith transmitted.

SUSAN CARLSON, DEPUTY Secretary

There being no objection, the House concurred in the Senate amendments to House Bill No. 1330, and advanced the bill as amended by the Senate to Final Passage.

#### SENATE AMENDMENTS TO HOUSE BILL

April 17, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1592 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that encouraging water districts to better manage state water resources and encouraging satellite management of failing water systems is in the best interests of the people of Washington state. Continual updates of water quantity and quality, as mandated by federal and state agencies, have revealed that degradation of water quality exists in small water systems throughout the state and that satellite management and consolidation of small systems under a centralized management structure can best utilize existing resources available to assure safe, clean drinking water. The legislature further finds that costs involved in upgrading these small systems can be extremely burdensome to water customers and public water purveyors. With diminishing resources available to these small systems, the legislature finds that granting business and occupation and excise tax relief, under certain conditions, will assist smaller water districts to meet state and federal standards.

**NEW SECTION. Sec. 2.** A new section is added to chapter 82.04 RCW to read as follows:

(1) This chapter does not apply to amounts received for water services supplied by a water-sewer district established under Title 57 RCW that has been certified by the department of health as:

(a) Having less than one thousand five hundred connections; and

(b) Charging residential water rates that exceed one hundred twenty-five percent of the state-wide average water rate.

(2) This chapter does not apply to amounts received for water services supplied by a water system that has been certified by the department of health as:

(a) Being operated or owned by a qualified satellite management agency under RCW 70.116.134;

(b) Having less than two hundred connections; and

(c) Charging residential water rates that exceed one hundred twenty-five percent of the state-wide average water rate.

(3) To receive an exemption under this section, the water system shall supply to the department of health proof that an amount equal to at least 90 percent of the value of the exemption shall be expended to repair, equip, maintain, and upgrade the water system.

(4) The department of health shall certify to the department of revenue the eligibility of water districts and water systems under this section. In order to determine eligibility, the department of health may use rate information provided in surveys and reports produced by the association of Washington cities, an association of elected officials, or other municipal association to estimate a state-wide average residential water rate. The department of health shall update the estimated state-wide average residential water rate by July 1 of each year that this section remains in effect.

(5) This section expires July 1, 2003.

**NEW SECTION. Sec. 3.** A new section is added to chapter 82.16 RCW to read as follows:

(1) This chapter does not apply to amounts received for water services supplied by a water-sewer district established under Title 57 RCW that has been certified by the department of health as:

(a) Having less than one thousand five hundred connections; and

(b) Charging residential water rates that exceed one hundred twenty-five percent of the state-wide average water rate.

(2) This chapter does not apply to amounts received for water services supplied by a water system that has been certified by the department of health as:

(a) Being operated or owned by a qualified satellite management agency under RCW 70.116.134;

(b) Having less than two hundred connections; and

(c) Charging residential water rates that exceed one hundred twenty-five percent of the state-wide average water rate.

(3) To receive an exemption under this section, the water system shall supply to the department of health proof that an amount equal to at least 90 percent of the value of the exemption shall be expended to repair, equip, maintain, and upgrade the water system.

(4) The department of health shall certify to the department of revenue the eligibility of water districts and water systems under this section. In order to determine eligibility, the department of health may use rate information provided in surveys and reports produced by the association of Washington cities, an association of elected officials, or other municipal association to estimate a state-wide average residential water rate. The department of health shall update the estimated state-wide average residential water rate by July 1 of each year that this section remains in effect.

(5) This section expires July 1, 2003."

On page 1, line 2 of the title, after "systems;" strike the remainder of the title and insert "adding a new section to chapter 82.04 RCW; adding a new section to chapter 82.16 RCW; creating a new section; and providing expiration dates."

and the same are herewith transmitted.

Susan Carlson, Deputy Secretary

There being no objection, the House concurred in the Senate amendments to Substitute House Bill No. 1592, and advanced the bill as amended by the Senate to Final Passage.

### SENATE AMENDMENTS TO HOUSE BILL

April 16, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1425 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 39.10.020 and 1994 c 132 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Alternative public works contracting procedure" means the design-build and the general contractor/construction manager contracting procedures authorized in RCW 39.10.050 and 39.10.060, respectively.

(2) "Public body" means the state department of general administration; the University of Washington; Washington State University; every city with a population greater than one hundred fifty thousand; every city authorized to use the design-build procedure for a water system demonstration project under section 5(3) of this act; every county with a population greater than four hundred fifty thousand; and every port district with a population greater than five hundred thousand.

(3) "Public works project" means any work for a public body within the definition of the term public work in RCW 39.04.010.

**Sec. 2.** RCW 39.10.030 and 1994 c 132 s 3 are each amended to read as follows:

(1) An alternative public works contracting procedure authorized under this chapter may be used for a specific public works project only after a public body determines that use of the alternative procedure will serve the public interest by providing a substantial fiscal benefit, or that use of the traditional method of awarding contracts in lump sum to the low responsive bidder is not practical for meeting desired quality standards or delivery schedules.

(2) Whenever a public body determines to use one of the alternative public works contracting procedures authorized under this chapter for a public works project, it shall first ensure adequate public

notification and opportunity for public review and comment (~~(as follows:))~~ by implementing the public hearing procedure under (a) of this subsection or the written public comment procedure under (b) of this subsection.

(a) Public hearing procedure:

(i) The public body shall conduct a public hearing to receive public comment on its preliminary determination to use the alternative public works contracting procedure. At least twenty days before the public hearing, the public body shall cause notice of such hearing to be published at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done. The notice shall clearly describe the proposed project and the preliminary determination to use the alternative public works contracting procedure. The notice shall also indicate when, where, and how persons may present their comments on the preliminary determination, and where persons may obtain additional written information describing the project.

~~((b))~~ (ii) The public body shall summarize in a written statement its reasons for using the alternative public works contracting procedure. This statement, along with other relevant information describing the project, shall be made available upon request to interested parties at least twenty days before the public hearing.

~~((e))~~ (iii) The public body shall receive and record both written and oral comments concerning the preliminary determination at the public hearing.

(b) Written public comment procedure:

(i) The public body shall establish a thirty-day public comment period to receive public comment on its preliminary determination to use the alternative public works contracting procedure. At least seven days before the beginning of the public comment period, the public body shall cause notice of the public comment period to be published at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done. The notice shall clearly describe the proposed project and the preliminary determination to use the alternative public works contracting procedure. The notice shall also indicate when, where, and how persons may submit their written comments on the preliminary determination, where persons may obtain additional written information describing the project, and the date, time, and location of the public hearing that shall be conducted under (b)(iv) of this subsection if significant adverse written comments are received by the public body.

(ii) The public body shall summarize in a written statement its reasons for using the alternative public works contracting procedure. This statement, along with other relevant information describing the project, shall be made available upon request to interested parties at least seven days before the beginning of the public comment period.

(iii) The public body shall receive written comments concerning the preliminary determination during the public comment period.

(iv) If the public body finds that it has received significant adverse comments relating to the use of the alternative public works contracting procedure, the public body shall conduct a public hearing to receive additional oral and written public comments on its preliminary determination to use the alternative public works contracting procedure. The public hearing shall be held on the date and at the time and location specified in the public notice published under (b)(i) of this subsection. At least seven days before the public hearing, the public body shall provide notice of the hearing to each person who has submitted written comments, and cause a notice of the hearing to be published at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done.

(v) The public body shall receive and record written and oral comments concerning the preliminary determination at the public hearing.

(3) Final determinations to use an alternative public works contracting procedure may be made only by the legislative or governing authority of the public body, or, in the case of state agencies, by the agency director or chief administrative officer. Final determinations shall be accompanied by a concise statement of the principal reasons for overruling any considerations urged against the determination. Final determinations are subject to appeal to superior court within thirty days of the determination, provided that notice of such appeal shall be provided to the public body within seven days of the determination. The court may award reasonable attorneys' fees to the prevailing party.

(4) Following completion of a public works project using one of the alternative public works contracting procedures under this chapter, a report shall be submitted to the legislative or governing

authority of the public body reviewing the utilization and performance of the alternative public works contracting procedure. Such report shall be made available to the public.

**Sec. 3.** RCW 39.10.050 and 1994 c 132 s 5 are each amended to read as follows:

(1) Notwithstanding any other provision of law, and after complying with RCW 39.10.030, the following public bodies may utilize the design-build procedure of public works contracting for public works projects authorized under this section: The state department of general administration; the University of Washington; Washington State University; every city with a population greater than one hundred fifty thousand; ~~((and))~~ every county with a population greater than four hundred fifty thousand; and every port district with a population greater than five hundred thousand. The authority granted to port districts in this section is in addition to and does not affect existing contracting authority under RCW 53.08.120 and 53.08.130. For the purposes of this section, "design-build procedure" means a contract between a public body and another party in which the party agrees to both design and build the ~~((structure,))~~ facility, portion of the facility, or other item specified in the contract.

(2) Public bodies authorized under this section may utilize the design-build procedure for public works projects valued over ten million dollars where:

(a) The construction activities or technologies to be used are highly specialized and a design-build approach is critical in developing the construction methodology or implementing the proposed technology;

(b) The project design is repetitive in nature and is an incidental part of the installation or construction; or

(c) ~~((The program elements of the project design are simple and do not involve complex functional interrelationships))~~ Regular interaction with and feedback from facilities users and operators during design is not critical to an effective facility design.

(3) ~~((The state department of general administration may use the design-build procedure authorized in subsection (2)(e) of this section for one project))~~ Public bodies authorized under this section may also use the design-build procedure for the following projects that meet the criteria in subsection (2)(b) and (c) of this section:

(a) The construction or erection of preengineered metal buildings or prefabricated modular buildings, regardless of cost; or

(b) The construction of new student housing projects valued over five million dollars.

(4) Contracts for design-build services shall be awarded through a competitive process utilizing public solicitation of proposals for design-build services. The public body shall publish at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done, a notice of its request for proposals for design-build services and the availability and location of the request for proposal documents. The request for proposal documents shall include:

(a) A detailed description of the project including programmatic, performance, and technical requirements and specifications, functional and operational elements, ~~((and))~~ minimum and maximum net and gross areas of any building, and, at the discretion of the public body, preliminary engineering and architectural drawings;

(b) The reasons for using the design-build procedure;

(c) A description of the qualifications~~((, if any,))~~ to be required of the proposer including, but not limited to, submission of the proposer's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors. Evaluation factors shall include, but not be limited to: Proposal price; ability of professional personnel; past performance on similar projects; ability to meet time and budget requirements; ability to provide a performance and payment bond for the project; recent, current, and projected work loads of the firm; location; and the concept of the proposal;

(e) The form of the contract to be awarded;

(f) The maximum allowable construction cost and minority and women enterprise total project goals;

(g) The amount to be paid to finalists submitting best and final proposals who are not awarded a design-build contract; and

(h) Other information relevant to the project.

(5) The public body shall establish a committee to evaluate the proposals based on the factors, weighting, and process identified in the request for proposals. Based on its evaluation, the public body shall select not fewer than three nor more than five finalists to submit best and final proposals. The public body may, in its sole discretion, reject all proposals. Design-build contracts shall be awarded using the procedures in (a) or (b) of this subsection.

(a) Best and final proposals shall be evaluated and scored based on the factors, weighting, and process identified in the initial request for proposals. The public body may score the proposals using a system that measures the quality and technical merits of the proposal on a unit price basis. Final proposals may not be considered if the proposal cost is greater than the maximum allowable construction cost identified in the initial request for proposals. ~~((6))~~ The public body shall initiate negotiations with the firm submitting the highest scored best and final proposal. If the public body is unable to execute a contract with ~~((that))~~ the firm submitting the highest scored best and final proposal, negotiations with that firm may be suspended or terminated and the public body may proceed to negotiate with the next highest scored firm. Public bodies shall continue in accordance with this procedure until a contract agreement is reached or the selection process is terminated. ~~((The public body may, in its sole discretion, reject all proposals.))~~

(b) If the public body determines that all finalists are capable of producing plans and specifications that adequately meet project requirements, the public body may award the contract to the firm that submits the responsive best and final proposal with the lowest price.

(6) ~~The ((finalist))~~ firm awarded the contract shall provide a performance and payment bond for the contracted amount. The public body shall provide appropriate honorarium payments to finalists submitting best and final proposals who are not awarded a design-build contract. Honorarium payments shall be sufficient to generate meaningful competition among potential proposers on design-build projects.

**Sec. 4.** RCW 39.10.060 and 1996 c 18 s 6 are each amended to read as follows:

(1) Notwithstanding any other provision of law, and after complying with RCW 39.10.030, the following public bodies may utilize the general contractor/construction manager procedure of public works contracting for public works projects authorized under subsection (2) of this section: The state department of general administration; the University of Washington; Washington State University; every city with a population greater than one hundred fifty thousand; every county with a population greater than four hundred fifty thousand; and every port district with a population greater than five hundred thousand. For the purposes of this section, "general contractor/construction manager" means a firm with which a public body has selected and negotiated a maximum allowable construction cost to be guaranteed by the firm, after competitive selection through formal advertisement and competitive bids, to provide services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work, and to act as the construction manager and general contractor during the construction phase.

(2) Public bodies authorized under this section may utilize the general contractor/construction manager procedure for public works projects valued over ten million dollars where:

(a) Implementation of the project involves complex scheduling requirements;

(b) The project involves construction at an existing facility which must continue to operate during construction; or

(c) The involvement of the general contractor/construction manager during the design stage is critical to the success of the project.

(3) Public bodies should select general contractor/construction managers early in the life of public works projects, and in most situations no later than the completion of schematic design.

(4) Contracts for the services of a general contractor/construction manager under this section shall be awarded through a competitive process requiring the public solicitation of proposals for general contractor/ construction manager services. ~~((Minority and women business enterprise total project goals shall be specified in))~~ The public solicitation of proposals shall include: A description of the project, including programmatic, performance, and technical requirements and specifications when available; the reasons for using the general contractor/construction manager procedure; a description of the qualifications to be required of the proposer, including submission of the proposer's accident prevention program; a description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors; the form of the contract to be

awarded; the estimated maximum allowable construction cost; minority and women business enterprise total project goals, where applicable; and the bid instructions to be used by the general contractor/construction manager finalists. ((A public body is authorized to include an incentive clause in any contract awarded under this section for savings of either time or cost or both from that originally negotiated. No incentives granted shall exceed five percent of the maximum allowable construction cost.)) Evaluation factors shall include, but not be limited to: Ability of professional personnel, past performance in negotiated and complex projects, and ability to meet time and budget requirements; location; recent, current, and projected work loads of the firm; and the concept of their proposal. A public body shall establish a committee to evaluate the proposals ((considering such factors as: Ability of professional personnel; past performance in negotiated and complex projects; ability to meet time and budget requirements; location; recent, current, and projected work loads of the firm; and the concept of their proposal)). After the committee has selected the most qualified finalists, these finalists shall submit final proposals, including sealed bids for the percent fee, which is the percentage amount to be earned by the general contractor/construction manager as overhead and profit, on the estimated maximum allowable construction cost and the fixed amount for the detailed specified general conditions work. The public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors published in the public solicitation of proposals.

(5) The maximum allowable construction cost may be negotiated between the public body and the selected firm after the scope of the project is adequately determined to establish a guaranteed contract cost for which the general contractor/construction manager will provide a performance and payment bond. The guaranteed contract cost includes the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable construction cost, the percent fee on the negotiated maximum allowable construction cost, and sales tax. If the public body is unable to negotiate a satisfactory maximum allowable construction cost with the firm selected that the public body determines to be fair, reasonable, and within the available funds, negotiations with that firm shall be formally terminated and the public body shall negotiate with the next ~~((low bidder))~~ highest scored firm and continue until an agreement is reached or the process is terminated. If the maximum allowable construction cost varies more than fifteen percent from the bid estimated maximum allowable construction cost due to requested and approved changes in the scope by the public body, the percent fee shall be renegotiated.

(6) All subcontract work shall be competitively bid with public bid openings. ~~((Specific contract requirements for women and minority enterprise participation shall be specified in each subcontract bid package that exceeds ten percent of the public body's estimated project cost.))~~ Subcontract work shall not be issued for bid until the public body has approved, in consultation with the office of minority and women's business enterprises or the equivalent local agency, a plan prepared by the general contractor/construction manager for attaining applicable minority and women business enterprise total project goals that equitably spreads women and minority enterprise opportunities to as many firms in as many bid packages as is practicable. When critical to the successful completion of a subcontractor bid package the owner and general contractor/construction manager may evaluate for bidding eligibility a subcontractor's ability, time, budget, and specification requirements based on the subcontractor's performance of those items on previous projects. Subcontract bid packages shall be awarded to the responsible bidder submitting the low responsive bid. The requirements of RCW 39.30.060 apply to each subcontract bid package. All subcontractors who bid work over ~~((two))~~ three hundred thousand dollars shall post a bid bond and all subcontractors who are awarded a contract over ~~((two))~~ three hundred thousand dollars shall provide a performance and payment bond for their contract amount. All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project. ~~((All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager.))~~ Except as provided for under subsection (7) of this section, bidding on subcontract work by the general contractor/construction manager or its subsidiaries is prohibited. The general contractor/construction manager may negotiate with the low-responsive bidder in accordance with RCW 39.10.080 or, if unsuccessful in such negotiations, rebid.

~~((4))~~ (7) The general contractor/construction manager, or its subsidiaries, may bid on subcontract work on projects valued over twenty million dollars if:

(a) The work within the subcontract bid package is customarily performed by the general contractor/construction manager;

(b) The bid opening is managed by the public body; and

(c) Notification of the general contractor/construction manager's intention to bid is included in the public solicitation of bids for the bid package.

In no event may the value of subcontract work performed by the general contractor/construction manager exceed twenty percent of the negotiated maximum allowable construction cost.

(8) A public body may include an incentive clause in any contract awarded under this section for savings of either time or cost or both from that originally negotiated. No incentives granted may exceed five percent of the maximum allowable construction cost. If the project is completed for less than the agreed upon maximum allowable construction cost, any savings not otherwise negotiated as part of an incentive clause shall accrue to the public body. If the project is completed for more than the agreed upon maximum allowable construction cost, excepting increases due to any contract change orders approved by the public body, the additional cost shall be the responsibility of the general contractor/construction manager.

NEW SECTION. Sec. 5. A new section is added to chapter 39.10 RCW to read as follows:

(1) In addition to the projects authorized in RCW 39.10.050 and 39.10.060, public bodies may use the general contractor/construction manager or design-build procedure for demonstration projects valued between three million dollars and ten million dollars as follows:

(a) Three demonstration projects by the department of general administration; and

(b) One demonstration project by each of the public bodies authorized in RCW 39.10.020(2) other than the department of general administration.

(2) Public bodies shall give weight to proposers' experience working on projects valued between three million dollars and ten million dollars in the evaluation process for the selection of a general contractor/construction manager or design-build firm for demonstration projects authorized in subsection (1) of this section.

(3) Cities which supply water to over three hundred fifty thousand people may use the design-build procedure for one water system demonstration project valued over ten million dollars. Use of the design-build procedure shall be deemed to effect compliance with the requirement for competitive bids under RCW 43.155.060.

(4) All contracts authorized under this section must be entered into before July 1, 1999.

(5) In the event that a public body determines not to perform a demonstration project using its authority under this section, it may transfer its authority to another public body.

Sec. 6. RCW 39.10.110 and 1994 c 132 s 11 are each amended to read as follows:

(1) There is established a temporary independent oversight committee to review the utilization of the alternative public works contracting procedures authorized under this chapter (~~and~~), to evaluate potential future utilization of other alternative contracting procedures, including, but not limited to, contractor prequalification, and, if desired by the committee, to review traditional public works contracting procedures used by state agencies and municipalities. The committee shall also pursue the development of a mentoring program for expansion of the authorities in this chapter to other public bodies. The membership of the committee shall include: Two members of the house of representatives, one from each major caucus, appointed by the speaker of the house of representatives; two members of the senate, one from each major caucus, appointed by the president of the senate; representatives from the appropriate segments of the construction, contracting, subcontracting, and design industries, appointed by the governor; representatives from appropriate labor organizations, appointed by the governor; representatives from public bodies authorized to use the alternative public works contracting procedures under this chapter, appointed by the governor; a representative from the office of minority and women's business enterprises, appointed by the governor; and a representative from the office of financial management, appointed by the governor. (2) The committee shall meet (~~quarterly~~) beginning after July 1, 1994. (~~At the first meeting of the committee,~~) A chair or cochairs shall be selected from among the committee's membership.

Staff support for the committee shall be provided by the agencies and organizations represented on the committee.

(3) Public bodies utilizing the alternative contracting procedures authorized under this chapter shall provide any requested information concerning implementation of projects under this chapter to the committee in a timely manner, excepting any trade secrets or proprietary information.

(4) The committee shall report to the appropriate standing committees of the legislature by December 10, ~~((1996))~~ 2000, concerning its findings and recommendations.

**Sec. 7.** RCW 39.10.120 and 1995 3rd sp.s. c 1 s 305 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the alternative public works contracting procedures authorized under this chapter are limited to public works contracts signed before July 1, ~~((1997))~~ 2001. Methods of public works contracting authorized by RCW 39.10.050 and 39.10.060 shall remain in full force and effect until completion of contracts signed before July 1, ~~((1997))~~ 2001.

(2) For the purposes of a baseball stadium as defined in RCW 82.14.0485, the design-build contracting procedures under RCW 39.10.050 shall remain in full force and effect until completion of contracts signed before December 31, 1997.

Such petition must be made on forms prescribed or approved by the department of revenue and any petition not conforming to those requirements or not properly completed shall not be considered by the board. The petition must be filed with the board on or before July 1st of the year of the assessment ~~((or))~~, within thirty days after the date an assessment or value change notice has been mailed, or within a time limit of up to sixty days adopted by the county legislative authority, whichever is later. The state board of tax appeals may reject the appeal, in which case the county board of equalization shall consider the appeal under RCW 84.48.010. Notice of such a rejection, together with the reason therefor, shall be provided to the affected parties and the county board of equalization within thirty days of receipt of the direct appeal by the state board."

#### SENATE AMENDMENTS TO HOUSE BILL

April 18, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1866 with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The purpose of this act is to create a voluntary program authorizing environmental excellence program agreements with persons regulated under the environmental laws of the state of Washington, and to direct agencies of the state of Washington to solicit and support the development of agreements that use innovative environmental measures or strategies to achieve environmental results more effectively or efficiently.

Agencies shall encourage environmental excellence program agreements that favor or promote pollution prevention, source reduction, or improvements in practices that are transferable to other interested entities or that can achieve better overall environmental results than required by otherwise applicable rules and requirements.

In enacting this act it is not the intent of the legislature that state environmental standards be applied in a manner that could result in these state standards being waived under section 121 of the federal comprehensive environmental response, compensation, and liability act (42 U.S.C. Sec. 9261).

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "State, regional, or local agency" means an agency, board, department, authority, or commission that administers environmental laws.

(2) "Coordinating agency" means the state, regional, or local agency with the primary regulatory responsibility for the proposed environmental excellence program agreement. If multiple agencies have jurisdiction to administer state environmental laws affected by an environmental excellence agreement, the department of ecology shall designate or act as the coordinating agency.

(3) "Director" means the individual or body of individuals in whom the ultimate legal authority of an agency is vested by any provision of law. If the agency head is a body of individuals, a majority of those individuals constitutes the director.

(4) "Environmental laws" means chapters 43.21A, 70.94, 70.95, 70.105, 70.119A, 75.20, 90.48, 90.52, 90.58, 90.64, and 90.71 RCW, and RCW 90.54.020(3)(b) and rules adopted under those chapters and section. The term environmental laws as used in this chapter does not include any provision of the Revised Code of Washington, or of any municipal ordinance or enactment, that regulates the selection of a location for a new facility.

(5) "Facility" means a site or activity that is regulated under any of the provisions of the environmental laws.

(6) "Legal requirement" includes any provision of an environmental law, rule, order, or permit.

(7) "Sponsor" means the owner or operator of a facility, including a municipal corporation, subject to regulation under the environmental laws of the state of Washington, or an authorized representative of the owner or operator, that submits a proposal for an environmental excellence program agreement.

(8) "Stakeholder" means a person who has a direct interest in the proposed environmental excellence program agreement or who represents a public interest in the proposed environmental excellence program agreement. Stakeholders may include communities near the project, local or state governments, permittees, businesses, environmental and other public interest groups, employees or employee representatives, or other persons.

**NEW SECTION. Sec. 3.** An environmental excellence program agreement entered into under this chapter must achieve more effective or efficient environmental results than the results that would be otherwise achieved. The basis for comparison shall be a reasonable estimate of the overall impact of the participating facility on the environment in the absence of an environmental excellence program agreement. More effective environmental results are results that are better overall than those that would be achieved under the legal requirements superseded or replaced by the agreement. More efficient environmental results are results that are achieved at reduced cost but do not decrease the overall environmental results achieved by the participating facility. An environmental excellence program agreement may not authorize either (1) the release of water pollutants that will cause to be exceeded, at points of compliance in the ambient environment established pursuant to law, numeric surface water or ground water quality criteria or numeric sediment quality criteria adopted as rules under chapter 90.48 RCW; or (2) the emission of any air contaminants that will cause to be exceeded any air quality standard as defined in RCW 70.94.030(3); or (3) a decrease in the overall environmental results achieved by the participating facility compared with results achieved over a representative period before the date on which the agreement is proposed by the sponsor. However, an environmental excellence program agreement may authorize reasonable increases in the release of pollutants to permit increases in facility production or facility expansion and modification.

**NEW SECTION. Sec. 4.** (1) The director of a state, regional, or local agency may enter into an environmental excellence program agreement with any sponsor, even if one or more of the terms of the environmental excellence program agreement would be inconsistent with an otherwise applicable legal requirement. An environmental excellence program agreement must meet the requirements of section 3 of this act. Otherwise applicable legal requirements identified according to section 7(1) of this act shall be superseded and replaced in accordance with section 9 of this act.

(2) The director of a state, regional, or local agency may enter into an environmental excellence program agreement only to the extent the state, regional, or local agency has jurisdiction to administer state environmental laws either directly or indirectly through the adoption of rules.

(3) Where a sponsor proposes an environmental excellence program agreement that would affect legal requirements applicable to the covered facility that are administered by more than one state,

regional, or local agency, the coordinating agency shall take the lead in developing the environmental excellence program agreement with the sponsor and other agencies administering legal requirements applicable to the covered facility and affected by the agreement. The environmental excellence program agreement does not become effective until the agreement is approved by the director of each agency administering legal requirements identified according to section 7(1) of this act.

(4) No director may enter into an environmental excellence program agreement applicable to a remedial action conducted under the Washington model toxics control act, chapter 70.105D RCW, or the federal comprehensive environmental response, compensation and liability act (42 U.S.C. Sec. 9601 et seq). No action taken under this chapter shall be deemed a waiver of any applicable, relevant, or appropriate requirements for any remedial action conducted under the Washington model toxics control act or the federal comprehensive environmental response, compensation and liability act.

(5) The directors of state, regional, or local agencies shall not enter into an environmental excellence program agreement or a modification of an environmental excellence program agreement containing terms affecting legal requirements adopted to comply with provisions of a federal regulatory program and to which the responsible federal agency objects after notice under the terms of section 8(4) of this act.

(6) The directors of regional or local governments may not enter into an environmental excellence program agreement or a modification of an environmental excellence program agreement containing terms affecting legal requirements that are subject to review or appeal by a state agency, including but not limited to chapters 70.94, 70.95, and 90.58 RCW, and to which the responsible state agency objects after notice is given under the terms of section 8(4) of this act.

**NEW SECTION. Sec. 5.** (1) A sponsor may propose an environmental excellence program agreement. A trade association or other authorized representative of a sponsor or sponsors may propose a programmatic environmental excellence program agreement for multiple facilities.

(2) A sponsor must submit, at a minimum, the following information and other information that may be requested by the director or directors required to sign the agreement:

(a) A statement that describes how the proposal is consistent with the purpose of this chapter and the project approval criteria in section 3 of this act;

(b)(i) For a site-specific proposal, a comprehensive description of the proposed environmental excellence project that includes the nature of the facility and the operations that will be affected, how the facility or operations will achieve results more effectively or efficiently, and the nature of the results anticipated; or

(ii) For a programmatic proposal, a comprehensive description of the proposed environmental excellence project that identifies the facilities and the operations that are expected to participate, how participating facilities or operations will achieve environmental results more effectively or efficiently, the nature of the results anticipated, and the method to identify and document the commitments made by individual participants;

(c) An environmental checklist, containing sufficient information to reasonably inform the public of the nature of the proposed environmental excellence program agreement and describing probable significant adverse environmental impacts and environmental benefits expected from implementation of the proposal;

(d) A draft environmental excellence program agreement;

(e) A description of the stakeholder process as provided in section 6 of this act;

(f) A preliminary identification of the permit amendments or modifications that may be necessary to implement the proposed environmental excellence program agreement.

**NEW SECTION. Sec. 6.** (1) Stakeholder participation in and support for an environmental excellence program agreement is vital to the integrity of the environmental excellence program agreement and helps to inform the decision whether an environmental excellence program agreement can be approved.

(2) A proposal for an environmental excellence program agreement shall include the sponsor's plan to identify and contact stakeholders, to advise stakeholders of the facts and nature of the project, and to request stakeholder participation and review. Stakeholder participation and review shall occur during the development, consideration, and implementation stages of the proposed environmental excellence program agreement. The plan shall include notice to the employees of the facility to be

covered by the proposed environmental excellence program agreement and public notice in the area of the covered facility.

(3) The coordinating agency shall extend an invitation to participate in the development of the proposal to a broad and representative sector of the public likely to be affected by the environmental excellence program agreement, including representatives of local community, labor, environmental, and neighborhood advocacy groups. The coordinating agency shall select participants to be included in the stakeholder process that are representative of the diverse sectors of the public that are interested in the agreement. The stakeholder process shall include the opportunity for discussion and comment at multiple stages of the process and access to the information relied upon by the directors in approving the agreement.

(4) The coordinating agency will identify any additional provisions for the stakeholder process that the director of the coordinating agency, in the director's sole discretion, considers appropriate to the success of the stakeholder process, and provide for notice to the United States environmental protection agency or other responsible federal agency of each proposed environmental excellence program agreement that may affect legal requirements of any program administered by that agency.

**NEW SECTION. Sec. 7.** An environmental excellence program agreement must contain the following terms and conditions:

(1) An identification of all legal requirements that are superseded or replaced by the environmental excellence program agreement;

(2) A description of all legal requirements that are enforceable as provided in section 13(1) of this act that are different from those legal requirements applicable in the absence of the environmental excellence program agreement;

(3) A description of the voluntary goals that are or will be pursued by the sponsor;

(4) A statement describing how the environmental excellence program agreement will achieve the purposes of this chapter;

(5) A statement describing how the environmental excellence program agreement will be implemented, including a list of steps and an implementation schedule;

(6) A statement that the proposed environmental excellence program agreement will not increase overall worker safety risks or cause an unjust or disproportionate and inequitable distribution of environmental risks among diverse economic and cultural communities;

(7) A summary of the stakeholder process that was followed in the development of the environmental excellence program agreement;

(8) A statement describing how any participating facility shall measure and demonstrate its compliance with the environmental excellence program agreement including, without limitation, a description of the methods to be used to monitor performance, criteria that represent acceptable performance, and the method of reporting performance to the public and local communities. The facility's compliance with the agreement must be independently verifiable;

(9) A description of and plan for public participation in the implementation of the environmental excellence program agreement and for public access to information needed to assess the benefits of the environmental excellence program agreement and the sponsor's compliance with the environmental excellence program agreement;

(10) A schedule of periodic performance review of the environmental excellence program agreement by the directors that signed the agreement;

(11) Provisions for voluntary and involuntary termination of the agreement;

(12) The duration of the environmental excellence program agreement and provisions for renewal;

(13) Statements approving the environmental excellence program agreement made by the sponsor and by or on behalf of directors of each state, regional, or local agency administering legal requirements that are identified according to section 7(1) of this act;

(14) Additional terms as requested by the directors signing the environmental excellence program agreement and consistent with this chapter;

(15) Draft permits or permit modifications as needed to implement the environmental excellence program agreement;

(16) With respect to a programmatic environmental excellence program agreement, a statement of the method with which to identify and document the specific commitments to be made by individual participants.

**NEW SECTION. Sec. 8.** (1) The coordinating agency shall provide at least thirty days after notice has been published in a newspaper under subsection (2) of this section for public comment on a proposal to enter into or modify an environmental excellence program agreement. The coordinating agency may provide for an additional period of public comment if required by the complexity of the proposed environmental excellence program agreement and the degree of public interest. Before the start of the comment period, the coordinating agency shall prepare a proposed agreement, a public notice and a fact sheet. The fact sheet shall: (a) Briefly describe the principal facts and the significant factual, legal, methodological and policy questions considered by the directors signing the agreement, and the directors' proposed decisions; and (b) briefly describe how the proposed action meets the requirements of section 3 of this act.

(2) The coordinating agency shall publish notice of the proposed agreement in the Washington State Register and in a newspaper of general circulation in the vicinity of the facility or facilities covered by the proposed environmental excellence program agreement. The notice shall generally describe the agreement or modification; the facilities to be covered; summarize the changes in legal requirements that will result from the agreement; summarize the reasons for approving the agreement or modifications; identify an agency person to contact for additional information; state that the proposed agreement or modification and fact sheet are available on request; and state that comments may be submitted to the agency during the comment period. The coordinating agency shall order a public informational meeting or a public hearing to receive oral comments if the written comments during the comment period demonstrate considerable public interest in the proposed agreement.

(3) The coordinating agency shall prepare and make available a responsiveness summary indicating the agencies' actions taken in response to comments and the reasons for those actions.

(4) With respect to an environmental excellence program agreement that affects legal requirements adopted to comply with provisions of a federal regulatory program, the coordinating agency shall provide a copy of the environmental excellence program agreement, and a copy of the notice required by subsection (1) of this section, to the federal agency that is responsible for administering that program at least thirty days before entering into or modifying the environmental excellence program agreement, and shall afford the federal agency the opportunity to object to those terms of the environmental excellence program agreement or modification of an environmental excellence program agreement affecting the legal requirements. The coordinating agency shall provide similar notice to state agencies that have statutory review or appeal responsibilities regarding provisions of the environmental excellence program agreement.

**NEW SECTION. Sec. 9.** (1) Notwithstanding any other provision of law, any legal requirement identified under section 7(1) of this act shall be superseded or replaced in accordance with the terms of the environmental excellence program agreement. Legal requirements contained in a permit that are affected by an environmental excellence program agreement will continue to be enforceable until such time as the permit is revised in accordance with subsection (2) of this section. With respect to any other legal requirements, the legal requirements contained in the environmental excellence program agreement are effective as provided by the environmental excellence program agreement, and the facility or facilities covered by an environmental excellence program agreement shall comply with the terms of the environmental excellence program agreement in lieu of the legal requirements that are superseded and replaced by the approved environmental excellence program agreement.

(2) Any permits affected by an environmental excellence program agreement shall be revised to conform to the environmental excellence program agreement by the agency with jurisdiction. The permit revisions will be completed within one hundred twenty days of the effective date of the agreement in accordance with otherwise applicable procedural requirements, including, where applicable, public notice and the opportunity for comment, and the opportunity for review and objection by federal agencies.

(3) Other than as superseded or replaced as provided in an approved environmental excellence program agreement, any existing permit requirements remain in effect and are enforceable.

(4) A programmatic environmental excellence program agreement shall become applicable to an individual facility when all directors entering into the programmatic agreement approve the owner or operator's commitment to comply with the agreement. A programmatic agreement may not take effect, however, until notice and an opportunity to comment for the individual facility has been provided in accordance with the requirements of section 8 (1) through (3) of this act.

**NEW SECTION. Sec. 10.** (1) A decision by the directors of state, regional, or local agencies to approve a proposed environmental excellence program agreement, or to terminate or modify an approved environmental excellence program agreement, is subject to judicial review in superior court. For purposes of judicial review, the court may grant relief from the decision to approve or modify an environmental excellence program agreement only if it determines that the action: (a) Violates constitutional provisions; (b) exceeds the statutory authority of the agency; (c) was arbitrary and capricious; or (d) was taken without compliance with the procedures provided by this chapter. However, the decision of the director or directors shall be accorded substantial deference by the court. A decision not to enter into or modify an environmental excellence program agreement and a decision not to accept a commitment under section 9(4) of this act to comply with the terms of a programmatic environmental excellence agreement are within the sole discretion of the directors of the state, regional, or local agencies and are not subject to review.

(2) An appeal from a decision to approve or modify a facility specific or a programmatic environmental excellence program agreement is not timely unless filed with the superior court and served on the parties to the environmental excellence program agreement within thirty days of the date on which the agreement or modification is signed by the director. For an environmental excellence program agreement or modification signed by more than one director, there is only one appeal, and the time for appeal shall run from the last date on which the agreement or modification is signed by a director.

(3) A decision to accept the commitment of a specific facility to comply with the terms of a programmatic environmental excellence program agreement, or to modify the application of an agreement to a specific facility, is subject to judicial review as described in subsection (1) of this section. An appeal is not timely unless filed with the superior court and served on the directors signing the agreement, the sponsor, and the owner or operator of the specific facility within thirty days of the date the director or directors that signed the programmatic agreement approve the owner or operator's commitment to comply with the agreement. For a programmatic environmental excellence program agreement or modification signed by more than one director, there shall be only one appeal and the time for appeal shall run from the last date on which a director approves the commitment.

(4) The issuance of permits and permit modifications is subject to review under otherwise applicable law.

(5) An appeal of a decision by a director under section 11 of this act to terminate in whole or in part a facility specific or programmatic environmental excellence program agreement is not timely unless filed with the superior court and served on the director within thirty days of the date on which notice of the termination is issued under section 11(2) of this act.

**NEW SECTION. Sec. 11.** (1) In addition to any termination provisions contained in an environmental excellence program agreement, a director of an agency may terminate an environmental excellence program agreement in whole or in part with respect to a legal requirement administered by that agency, if the director finds: (a) That after notice and a reasonable opportunity to cure, the covered facility is in violation of a material requirement of the agreement; (b) that the facility has repeatedly violated any requirements of the agreement; (c) that the operation of the facility under the agreement has caused endangerment to public health or the environment that cannot be remedied by modification of the agreement; or (d) the facility has failed to make substantial progress in achieving the voluntary goals identified under section 6(4) of this act, and these goals are material to the overall objectives of the agreement.

(2) A director of an agency terminating an environmental excellence program agreement in any respect shall provide each of the parties to the agreement with a written notice of that action specifying the extent to which the environmental excellence program agreement is to be terminated, the factual and legal basis for termination, and a description of the opportunity for judicial review of the decision to terminate the environmental excellence program agreement.

(3) If a director terminates less than the entire environmental excellence program agreement, the owner or operator of the covered facility may elect to terminate the entire agreement as it applies to the facility.

(4) If a director decides to terminate an environmental excellence program agreement because the facility has not been able to meet the legal requirements established under the agreement, or because operation of the facility under the agreement has caused endangerment to public health or the environment, as provided in subsection (1)(c) of this section, the director may establish in the notice of

termination: (a) Practical interim requirements for the facility that are no less stringent than the legal requirements that would apply to the facility in the absence of the agreement; and (b) a practical schedule of compliance for meeting the interim requirements. The interim requirements and schedule of compliance shall be subject to judicial review under the provisions of section 10(5) of this act. The facility shall comply with the interim requirements established under this subsection after they are final and no longer subject to judicial review until applicable permits or permit modifications have been issued under section 12 of this act.

**NEW SECTION. Sec. 12.** After a termination under section 11 of this act is final and no longer subject to judicial review, the sponsor has sixty days in which to apply for any permit or approval affected by any terminated portion of the environmental excellence program agreement. An application filed during the sixty-day period shall be deemed a timely application for renewal of a permit under the terms of any applicable law. Except as provided in section 11(4) of this act, the terms and conditions of the environmental excellence program agreement and of permits issued will continue in effect until a final permit or approval is issued. If the sponsor fails to submit a timely or complete application, any affected permit or approval may be modified at any time that is consistent with applicable law.

**NEW SECTION. Sec. 13.** (1) The legal requirements contained in the environmental excellence program agreement in accordance with section 7(2) of this act are enforceable commitments of the facility covered by the agreement. Any violation of these legal requirements is subject to penalties and remedies to the same extent as the legal requirements that they superseded or replaced.

(2) The voluntary goals stated in the environmental excellence program agreement in accordance with section 7(3) of this act are voluntary commitments of the facility covered by the agreement. If the facility fails to meet these goals, it shall not be subject to any form of enforcement action, including penalties, orders, or any form of injunctive relief. The failure to make substantial progress in meeting these goals may be a basis on which to terminate the environmental excellence program agreement under section 11 of this act.

(3) Nothing in this chapter limits the authority of an agency, the attorney general, or a prosecuting attorney to initiate an enforcement action for violation of any applicable legal requirement. However, no civil, criminal, or administrative action may be brought with respect to any legal requirement that is superseded or replaced under the terms of an environmental excellence program agreement.

(4) This chapter does not create any new authority for citizen suits, and does not alter or amend other statutory provisions authorizing citizen suits.

**NEW SECTION. Sec. 14.** An environmental excellence program agreement may contain a reduced fee schedule with respect to a program applicable to the covered facility or facilities.

**NEW SECTION. Sec. 15.** A decision to approve an environmental excellence program agreement is not subject to the requirements of the state environmental policy act, chapter 43.21C RCW, including the requirement to prepare an environmental impact statement under RCW 43.21C.031. However, the consideration of a proposed environmental excellence program agreement will integrate an assessment of environmental impacts.

**NEW SECTION. Sec. 16.** Any state, regional, or local agency administering programs under an environmental law may adopt rules or ordinances to implement this chapter. However, it is not necessary that an agency adopt rules or ordinances in order to consider or enter into environmental excellence program agreements.

**NEW SECTION. Sec. 17.** The director of the department of ecology shall appoint an advisory committee to review the effectiveness of the environmental excellence program agreement program and to make a recommendation to the legislature concerning the continuation, termination, or modification of the program. The committee also may make recommendations it considers appropriate for revision of any regulatory program that is affected by an environmental excellence program agreement. The committee shall be composed of one representative each from two state agencies, two representatives of the regulated community, and two representatives of environmental organizations or other public

interest groups. The committee must submit a report and its recommendation to the legislature not later than October 31, 2001. The department of ecology shall provide the advisory committee with such support as they may require.

**NEW SECTION. Sec. 18.** (1) Agencies authorized to enter into environmental excellence program agreements may assess and collect a fee to recover the costs of processing environmental excellence program agreement proposals. The amount of the fee may not exceed the direct and indirect costs of processing the environmental excellence program agreement proposal. Processing includes, but is not limited to: Working with the sponsor to develop the agreement, meeting with stakeholder groups, conducting public meetings and hearings, preparing a record of the decision to enter into or modify an agreement, and defending any appeal from a decision to enter into or modify an agreement. Fees also may include, to the extent specified by the agreement, the agencies' direct costs of monitoring compliance with those specific terms of an agreement not covered by permits issued to the participating facility.

(2) Agencies assessing fees may graduate the initial fees for processing an environmental excellence program agreement proposal to account for the size of the sponsor and to make the environmental excellence program agreement program more available to small businesses. An agency may exercise its discretion to waive all or any part of the fees.

(3) Sponsors may voluntarily contribute funds to the administration of an agency's environmental excellence program agreement program.

**NEW SECTION. Sec. 19.** The authority of a director to enter into a new environmental excellence program agreement program shall be terminated June 30, 2002. Environmental excellence program agreements entered into before June 30, 2002, shall remain in force and effect subject to the provisions of this chapter.

**Sec. 31.** RCW 90.54.020 and 1989 c 348 s 1 are each amended to read as follows:  
Utilization and management of the waters of the state shall be guided by the following general declaration of fundamentals:

(1) Uses of water for domestic, stock watering, industrial, commercial, agricultural, irrigation, hydroelectric power production, mining, fish and wildlife maintenance and enhancement, recreational, and thermal power production purposes, and preservation of environmental and aesthetic values, and all other uses compatible with the enjoyment of the public waters of the state, are declared to be beneficial.

(2) Allocation of waters among potential uses and users shall be based generally on the securing of the maximum net benefits for the people of the state. Maximum net benefits shall constitute total benefits less costs including opportunities lost.

(3) The quality of the natural environment shall be protected and, where possible, enhanced as follows:

(a) Perennial rivers and streams of the state shall be retained with base flows necessary to provide for preservation of wildlife, fish, scenic, aesthetic and other environmental values, and navigational values. Lakes and ponds shall be retained substantially in their natural condition. Withdrawals of water which would conflict therewith shall be authorized only in those situations where it is clear that overriding considerations of the public interest will be served.

(b) Waters of the state shall be of high quality. Regardless of the quality of the waters of the state, all wastes and other materials and substances proposed for entry into said waters shall be provided with all known, available, and reasonable methods of treatment prior to entry.

Notwithstanding that standards of quality established for the waters of the state would not be violated, wastes and other materials and substances shall not be allowed to enter such waters which will reduce the existing quality thereof, except in those situations where it is clear that overriding considerations of the public interest will be served. Technology-based effluent limitations or standards for discharges for municipal water treatment plants located on the Chehalis, Columbia, Cowlitz, Lewis, or Skagit river shall be adjusted to reflect credit for substances removed from the plant intake water if:

(i) The municipality demonstrates that the intake water is drawn from the same body of water into which the discharge is made; and

(ii) The municipality demonstrates that no violation of receiving water quality standards or appreciable environmental degradation will result.

(4) Adequate and safe supplies of water shall be preserved and protected in potable condition to satisfy human domestic needs.

(5) Multiple-purpose impoundment structures are to be preferred over single-purpose structures. Due regard shall be given to means and methods for protection of fishery resources in the planning for and construction of water impoundment structures and other artificial obstructions.

(6) Federal, state, and local governments, individuals, corporations, groups and other entities shall be encouraged to carry out practices of conservation as they relate to the use of the waters of the state. In addition to traditional development approaches, improved water use efficiency and conservation shall be emphasized in the management of the state's water resources and in some cases will be a potential new source of water with which to meet future needs throughout the state.

(7) Development of water supply systems, whether publicly or privately owned, which provide water to the public generally in regional areas within the state shall be encouraged. Development of water supply systems for multiple domestic use which will not serve the public generally shall be discouraged where water supplies are available from water systems serving the public.

(8) Full recognition shall be given in the administration of water allocation and use programs to the natural interrelationships of surface and ground waters.

(9) Expressions of the public interest will be sought at all stages of water planning and allocation discussions.

(10) Water management programs, including but not limited to, water quality, flood control, drainage, erosion control and storm runoff are deemed to be in the public interest.

(11) Notwithstanding any other provision of law, any legal requirement under subsection (3)(b) of this section is superseded and replaced in accordance with the terms and provisions of an environmental excellence program agreement, entered into under chapter 43.-- RCW (sections 2 through 19 of this act).

**NEW SECTION. Sec. 32.** The environmental excellence account is hereby created in the state treasury. All fees and voluntary contributions collected by state agencies under section 18 of this act shall be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for purposes consistent with the environmental excellence program created under sections 2 through 19 of this act. Moneys in the account may be appropriated to each agency in an amount equal to the amount each agency collects and deposits into the account.

**NEW SECTION. Sec. 33.** Sections 2 through 19 of this act constitute a new chapter in Title 43 RCW."

(6) "Subsidy" means the difference between the amount of periodic payment the administrator makes to a managed health care system on behalf of a subsidized enrollee plus the administrative cost to the plan of providing the plan to that subsidized enrollee, and the amount determined to be the subsidized enrollee's responsibility under RCW 70.47.060(2).

**Sec. 2.** RCW 70.47.060 and 1995 c 266 s 1 and 1995 c 2 s 4 are each reenacted and amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and

medications, and other services that may be necessary for basic health care. In addition, the administrator may offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive covered services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate.

However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator, but in no case shall the payment made on behalf of the enrollee exceed the total premiums due from the enrollee.

(d) To develop, as an offering by all health carriers providing coverage identical to the basic health plan, a model plan benefits package with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of enrollee cost sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the

plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

(16) In consultation with appropriate state and local government agencies, to establish criteria defining eligibility for persons confined or residing in government-operated institutions."

On page 1, line 2 of the title, after "institutions;" strike the remainder of the title and insert "and reenacting and amending RCW 70.47.020 and 70.47.060."

If the investigation reveals that a crime may have been committed, the department shall notify the appropriate law enforcement agency.

(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) Monitor out-of-home placements, on a timely and routine basis, to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010, and annually submit a report (~~delineating the results~~) measuring the extent to which the department achieved the specified goals to the ((house and senate committees on social and health services)) governor and the legislature.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and make payment of maintenance costs if needed. The passport shall be provided to a foster parent at any placement of a child covered by this section. The department shall update the passport during the regularly scheduled court reviews required under chapter 13.34 RCW.

New placements after the effective date of this act shall have first priority in the preparation of passports. Within available resources, the department may prepare passports for any child in a foster home on the effective date of this act, provided that no time spent in a foster home before the effective date of this act shall be included in the computation of the ninety days.

(2) In addition to the requirements of subsection (1) of this section, the department shall, within available resources, notify a foster parent before placement of a child of any known health conditions that pose a serious threat to the child and any known behavioral history that presents a serious risk of harm to the child or others.

#### SENATE AMENDMENTS TO HOUSE BILL

April 18, 1997

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2050 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 90.03.380 and 1996 c 320 s 19 are each amended to read as follows:

(1) The right to the use of water which has been applied to a beneficial use in the state shall be and remain appurtenant to the land or place upon which the same is used: **PROVIDED, HOWEVER,** That said right may be transferred to another or to others and become appurtenant to any other land or place of use without loss of priority of right theretofore established if such change can be made without detriment or injury to existing rights. The point of diversion of water for beneficial use or the purpose

of use may be changed, if such change can be made without detriment or injury to existing rights. Before any transfer of such right to use water or change of the point of diversion of water or change of purpose of use can be made, any person having an interest in the transfer or change, shall file a written application therefor with the department, and said application shall not be granted until notice of said application shall be published as provided in RCW 90.03.280. If it shall appear that such transfer or such change may be made without injury or detriment to existing rights, the department shall issue to the applicant a certificate in duplicate granting the right for such transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and be made a record with the department and the duplicate certificate issued to the applicant may be filed with the county auditor in like manner and with the same effect as provided in the original certificate or permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to another, the department shall, before publication of notice, receive concurrence from each of the irrigation districts that such transfer or change will not adversely affect the ability to deliver water to other landowners or impair the financial integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an irrigation district need only receive approval for the change from the board of directors of the district if the use of water continues within the irrigation district, and when water is provided by an irrigation entity that is a member of a board of joint control created under chapter 87.80 RCW, approval need only be received from the board of joint control if the use of water continues within the area of jurisdiction of the joint board and the change can be made without detriment or injury to existing rights.

(4) Any right represented by an application for a water right for which a permit for water use has not been issued by the time a transfer or change is approved under this section shall not be construed as being injured or detrimentally affected by the transfer or change.

(5) This section shall not apply to trust water rights acquired by the state through the funding of water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070.

**Sec. 2.** RCW 90.44.100 and 1987 c 109 s 113 are each amended to read as follows:

After an application to, and upon the issuance by the department of an amendment to the appropriate permit or certificate of ground water right, the holder of a valid right to withdraw public ground waters may, without losing his priority of right, construct wells or other means of withdrawal at a new location in substitution for or in addition to those at the original location, or he may change the manner or the place of use of the water: PROVIDED, HOWEVER, That such amendment shall be issued only after publication of notice of the application and findings as prescribed in the case of an original application. Such amendment shall be issued by the department only on the conditions that: (1) The additional or substitute well or wells shall tap the same body of public ground water as the original well or wells; (2) use of the original well or wells shall be discontinued upon construction of the substitute well or wells; (3) the construction of an additional well or wells shall not enlarge the right conveyed by the original permit or certificate; and (4) other existing rights shall not be impaired. The department may specify an approved manner of construction and shall require a showing of compliance with the terms of the amendment, as provided in RCW 90.44.080 in the case of an original permit.

Any right represented by an application for a water right for which a permit for water use has not been issued by the time an amendment is approved under this section shall not be construed as being impaired by the amendment.

**Sec. 3.** RCW 90.44.030 and 1945 c 263 s 2 are each amended to read as follows:

(1) The rights to appropriate the surface waters of the state and the rights acquired by the appropriation and use of surface waters shall not be affected or impaired by any of the provisions of this supplementary chapter and, to the extent that any underground water is part of or tributary to the source of any surface stream or lake, or that the withdrawal of ground water may affect the flow of any spring, water course, lake, or other body of surface water, the right of an appropriation and owner of surface water shall be superior to any subsequent right hereby authorized to be acquired in or to ground water.

(2) Rights acquired by appropriation of surface waters are affected or impaired by a ground water withdrawal from a confined aquifer only if:

(a) Withdrawal of ground water causes a measurable head reduction within fifty feet of the surface water body in question in the shallowest unconfined water table aquifer that underlies that surface water body; or

(b) Withdrawal of ground water will cause a measurable reduction in the flow or level of the surface water body.

(3) If any of the conditions in subsection (2) of this section occur, then withdrawal of ground water affects or impairs existing surface water rights, including instream flow appropriations adopted by regulation, that are not being satisfied during the period of the occurrence.

**NEW SECTION. Sec. 4.** A new section is added to chapter 90.44 RCW to read as follows:

In addition to RCW 90.44.030(1), rights acquired by appropriation of surface waters are affected or impaired by a ground water withdrawal from an unconfined aquifer only if after no more than six months pumping, the surface water will lie within the cone of depression of a well tapping an unconfined aquifer.

**Sec. 5.** RCW 90.44.035 and 1987 c 109 s 107 are each amended to read as follows:

For purposes of this chapter:

(1) "Department" means the department of ecology;

(2) "Director" means the director of ecology;

(3) "Ground waters" means all waters that exist beneath the land surface or beneath the bed of any stream, lake or reservoir, or other body of surface water within the boundaries of this state, whatever may be the geological formation or structure in which such water stands or flows, percolates or otherwise moves. There is a recognized distinction between natural ground water and artificially stored ground water;

(4) "Natural ground water" means water that exists in underground storage owing wholly to natural processes; ~~(and)~~

(5) "Artificially stored ground water" means water that is made available in underground storage artificially, either intentionally, or incidentally to irrigation and that otherwise would have been dissipated by natural waste;

(6) "Confined aquifer" means an aquifer in which ground water is under sufficient hydrostatic head to rise above the bottom of the overlying confining bed;

(7) "Confining bed" means a layer of low permeability material immediately overlying a confined aquifer; and

(8) "Measurable" means capable of being measured in the field with the use of equipment normally used by professionals for the measurement in question.

**Sec. 6.** RCW 90.44.070 and 1987 c 109 s 110 are each amended to read as follows:

(1) No permit shall be granted for the development or withdrawal of public ground waters beyond the capacity of the underground bed or formation in the given basin, district, or locality to yield such water within a reasonable or feasible pumping lift in case of pumping developments, or within a reasonable or feasible reduction of pressure in the case of artesian developments. The department shall have the power to determine whether the granting of any such permit will injure or damage any vested or existing right or rights under prior permits and may in addition to the records of the department, require further evidence, proof, and testimony before granting or denying any such permits.

(2) No permit for the development or withdrawal of public ground waters from a confined aquifer may be denied or conditioned due to injury to, impairment of, or conflict with an existing surface water right unless the ground water withdrawal in question will impair the surface water right pursuant to RCW 90.44.030(2): **PROVIDED**, That this section does not affect the ability of the department to limit or restrict future ground water appropriations by adopting rules after following the procedures of RCW 90.44.180 or 90.44.400 through 90.44.420 or chapter 90.54 RCW.

(3) The department may grant a ground water permit for a withdrawal that will impair a surface water right if the applicant has proposed a satisfactory plan for mitigating the impairment. Mitigation may include, but is not limited to: Reduction in pumping rates, limitation of pumping to times that will not lead to impairment, increased recharge of the ground water, and augmentation of stream flows either through release of stored water or the import of water from out of the basin.

**NEW SECTION. Sec. 7.** A new section is added to chapter 90.03 RCW to read as follows:

(1) The existence of hydraulic continuity between ground water and a surface body of water does not, in itself, constitute the impairment of an existing water right in the surface water body by a proposed permit for a ground water right or an amendment to a ground water right.

(2) In making a determination as to whether an application to appropriate public water will impair existing rights the department shall take into consideration:

(a) The availability of water and the effect of granting a water right permit, transfer, change, or amendment are those that exist with the incorporation of the effects of any offset to be provided by the applicant under RCW 90.03.255 or 90.44.055 or any other water supply augmentation or mitigation to be provided by the applicant as part of his or her application for a water right permit, transfer, change, or amendment;

(b) Seasonal variations in water supply and in the recharge of surface and ground water bodies; and

(c) The provisions of RCW 90.44.030.

(3) The standards governing impairment of existing surface water rights by applications to appropriate public ground water in RCW 90.44.030(2), this subsection, and RCW 90.44.070(2) apply only to the determinations to be made by the department in ruling upon such applications, and reflect the uncertainties inherent in making tentative determinations regarding future impacts of withdrawing ground water. Any person claiming that a senior water right is injured by one or more junior water rights may file an action to enjoin the junior water rights in the superior court of the county where the claimed senior water right is located. The superior court shall hear such action de novo, and if it finds by a preponderance of the evidence that one or more junior water rights is causing or contributing to the injury of a senior water right, the court may enjoin use of the junior water rights in reverse order of priority in the manner it deems necessary to protect the senior water right. This section does not apply where the claimed senior water right consists of a minimum flow or level or the closure of a surface water body.

**NEW SECTION. Sec. 8.** Any person whose application to appropriate public ground water was denied by the department of ecology between November 1, 1995, and the effective date of this section, when one of the grounds for denial was that the proposed ground water withdrawal would impair, or conflict with, surface water closures or surface water rights including minimum flows, may have his or her application reconsidered in accordance with this section. Any such person desiring reconsideration shall resubmit his or her application to the department of ecology within thirty days of the effective date of this section. The department of ecology shall accord any such resubmitted application its original priority date and shall reconsider the application on a priority basis, applying the standards of this act. The decision of the department of ecology may be appealed in the manner provided by law for appeals of decisions on applications to appropriate public water."

"**Sec. 1.** RCW 36.70A.367 and 1996 c 167 s 2 are each amended to read as follows:

(1) In addition to the major industrial development allowed under RCW 36.70A.365 and in addition to the authority to establish an urban growth area outside of a city allowed under RCW 36.70A.110, a county required or choosing to plan under RCW 36.70A.040 ((that has a population greater than two hundred fifty thousand and that is part of a metropolitan area that includes a city in another state with a population greater than two hundred fifty thousand)) may establish, in consultation with cities consistent with procedures and provisions of RCW 36.70A.210, a process for designating ((a bank of no more than two master planned locations for major industrial activity outside)) and determining the allowed uses within industrial land banks. The industrial land banks shall consist of no more than two noncontiguous locations, which may include multiple development sites outside urban growth areas.

(2) ((A master planned location for major industrial developments outside an urban growth area may be included in the urban industrial land bank for the county if criteria including, but not limited to, the following are met)) "Industrial land bank" means a location designated for one or more manufacturing, industrial, commercial, or high-technology businesses, and related office uses. (5) Final approval of an industrial land bank shall be through adoption of the comprehensive plan or an adopted amendment to the comprehensive plan, and development regulations that are consistent with and implement the comprehensive plan, except that RCW 36.70A.130(2) does not apply so that inclusion or exclusion of industrial land bank locations may be considered at any time.

(6) Nothing in this section may be construed to alter the requirements for a county to comply with chapter 43.21C RCW.

~~(5) Once a master planned location has been included in the urban industrial land bank, manufacturing and industrial businesses that qualify as major industrial development under RCW 36.70A.365 may be located there.~~

~~(6) Nothing in this section may be construed to alter the requirements for a county to comply with chapter 43.21C RCW.~~

**NEW SECTION. Sec. 5.** (1) The department, in consultation with the attorney general, shall determine if the application is complete for the purposes of review. The department may find that an application is incomplete if a question on the application form has not been answered in whole or in part, or has been answered in a manner that does not fairly meet the question addressed, or if the application does not include attachments of supporting documents as required by section 4 of this act. If the department determines that an application is incomplete, it shall notify the applicant within fifteen working days after the date the application was received stating the reasons for its determination of incompleteness, with reference to the particular questions for which a deficiency is noted.

(2) Within five working days after receipt of a completed application, the department shall publish notice of the application in a newspaper of general circulation in the county or counties where the hospital is located and shall notify by first class United States mail, electronic mail, or facsimile transmission, any person who has requested notice of the filing of such applications. **NEW SECTION. Sec. 7.** (1) The department shall provide the attorney general with a copy of a completed application upon receiving it. (5) The department or the attorney general may extend, by not more than thirty days, any deadline established under this chapter one time during consideration of any application, for good cause.

**NEW SECTION. Sec. 8.** The department shall only approve an application if the parties to the acquisition have taken the proper steps to safeguard the value of charitable assets and ensure that any proceeds from the acquisition are used for appropriate charitable health purposes. To this end, the department may not approve an application unless, at a minimum, it determines that:

(1) The acquisition is permitted under chapter 24.03 RCW, the Washington nonprofit corporation act, and other laws governing nonprofit entities, trusts, or charities;

(2) The nonprofit corporation that owns the hospital being acquired has exercised due diligence in authorizing the acquisition, selecting the acquiring person, and negotiating the terms and conditions of the acquisition;

(3) The procedures used by the nonprofit corporation's board of trustees and officers in making its decision fulfilled their fiduciary duties, that the board and officers were sufficiently informed about the proposed acquisition and possible alternatives, and that they used appropriate expert assistance;

(4) No conflict of interest exists related to the acquisition, including, but not limited to, conflicts of interest related to board members of, executives of, and experts retained by the nonprofit corporation, acquiring person, or other parties to the acquisition;

(5) The nonprofit corporation will receive fair market value for its assets. The attorney general or the department may employ, at the expense of the acquiring person, reasonably necessary expert assistance in making this determination. This expense must be in addition to the fees charged under section 4 of this act;

(6) Charitable funds will not be placed at unreasonable risk, if the acquisition is financed in part by the nonprofit corporation;

(7) Any management contract under the acquisition will be for fair market value;

(8) The proceeds from the acquisition will be controlled as charitable funds independently of the acquiring person or parties to the acquisition, and will be used for charitable health purposes consistent with the nonprofit corporation's original purpose, including providing health care to the disadvantaged, the uninsured, and the underinsured and providing benefits to promote improved health in the affected community;

(9) Any charitable entity established to hold the proceeds of the acquisition will be broadly based in and representative of the community where the hospital to be acquired is located, taking into consideration the structure and governance of such entity; and

(10) A right of first refusal to repurchase the assets by a successor nonprofit corporation or foundation has been retained if the hospital is subsequently sold to, acquired by, or merged with another entity.

**NEW SECTION. Sec. 9.** The department shall only approve an application if the acquisition in question will not detrimentally affect the continued existence of accessible, affordable health care that is responsive to the needs of the community in which the hospital to be acquired is located. To this end, the department shall not approve an application unless, at a minimum, it determines that:

(1) Sufficient safeguards are included to assure the affected community continued access to affordable care, and that alternative sources of care are available in the community should the acquisition result in a reduction or elimination of particular health services;

(2) The acquisition will not result in the revocation of hospital privileges;

(3) Sufficient safeguards are included to maintain appropriate capacity for health science research and health care provider education;

(4) The acquiring person and parties to the acquisition are committed to providing health care to the disadvantaged, the uninsured, and the underinsured and to providing benefits to promote improved health in the affected community. Activities and funding provided under section 8(8) of this act may be considered in evaluating compliance with this commitment; and

(5) Sufficient safeguards are included to avoid conflict of interest in patient referral.

**NEW SECTION. Sec. 11.** The department shall require periodic reports from the nonprofit corporation or its successor nonprofit corporation or foundation and from the acquiring person or other parties to the acquisition to ensure compliance with commitments made. The department may subpoena information and documents and may conduct onsite compliance audits at the acquiring person's expense.

If the department receives information indicating that the acquiring person is not fulfilling commitments to the affected community under section 9 of this act, the department shall hold a hearing upon ten days' notice to the affected parties. If after the hearing the department determines that the information is true, it may revoke or suspend the hospital license issued to the acquiring person pursuant to the procedure established under RCW 70.41.130, refer the matter to the attorney general for appropriate action, or both. The attorney general may seek a court order compelling the acquiring person to fulfill its commitments under section 9 of this act.

**NEW SECTION. Sec. 12.** The attorney general has the authority to ensure compliance with commitments that inure to the public interest.

**NEW SECTION. Sec. 13.** An acquisition of a hospital completed before the effective date of this act and an acquisition in which an application for a certificate of need under chapter 70.38 RCW has been granted by the department before the effective date of this act is not subject to this chapter.

**NEW SECTION. Sec. 14.** No provision of this chapter derogates from the common law or statutory authority of the attorney general.

**NEW SECTION. Sec. 15.** The department may adopt rules necessary to implement this chapter and may contract with and provide reasonable reimbursement to qualified persons to assist in determining whether the requirements of sections 8 and 9 have been met.

No licensed real estate broker or professionally designated real estate appraisers as defined in RCW 74.46.020 or independent expert in valuing health care property selected by the board to appraise the market value of a parcel of property to be sold may be a party to any contract with the public hospital district to sell such property for a period of three years after the appraisal.

An Act Relating to: Apiaries.

IN RULING UPON THE POINT OF ORDER RAISED (DATE: APRIL 19, 1997) BY SENATOR RASMUSSEN TO THE SCOPE AND OBJECT OF THE HOUSE AMENDMENT THE PRESIDENT FINDS THAT SB 5468 IS A MEASURE WHICH: MAKES DIFFERING PROVISIONS RELATING TO BEEKEEPING; INCLUDING (1) EXEMPTING BEEKEEPING FROM THE ACTIVITIES SUBJECT TO ACTIONABLE NUISANCE, (2) DIRECTING THE APIARY ADVISORY COMMITTEE TO EXPLORE THE BENEFITS OF LOCATING POLLINATING BEES ON STATE LANDS, AND (3) ENABLING THE DEPARTMENT OF AGRICULTURE TO ESTABLISH A MODEL HONEY BEE MANAGEMENT PROGRAM AT THE REQUEST OF THE APIARY ADVISORY COMMITTEE.

#### RESOLUTIONS

HOUSE RESOLUTION NO. 97-4668, by Representatives Costa, Cooper, Anderson, Tokuda, Wood, Cole, Dickerson, Gardner, Gombosky, O'Brien, Blalock, Lantz, Ogden, Cody, Dunshee, Sehlin, Murray, Sullivan, Grant, Chopp, Conway, Fisher, Keiser, Wolfe, Kastama, Linville, Appelwick, Carlson, Mason, Romero and Morris

WHEREAS, The Washington State Legislature recognizes that a healthy, robust, and protected population of whales and other marine mammals within Washington coastal waters is of critical significance to our regional ecology, economy, recreation opportunities, and our general quality of life; and

WHEREAS, The presence of migrating and residential marine mammal populations is also a distinctive element of our state's geographical, cultural, and historical identity, and our children's natural legacy; and

WHEREAS, Due to the privileged presence of cetaceans and pinnipeds in our waters, many coastal communities, which currently endure the economic hardships of declining fisheries and timber, have successfully turned to sustainable natural resource-based tourism, including whale-watching

activities, an industry that now generates more than eleven million dollars of direct state-wide revenue annually and which greatly benefits secondary tourism and hospitality business; and

WHEREAS, Despite the establishment of a federal Marine Mammal Protection Act in 1972, many species of marine mammals, nationally and internationally, continue to endure threats from humans through overfishing, habitat degradation, small-scale harvesting, environmental and atmospheric pollution, and other anthropogenic causes; and

WHEREAS, The Legislature recognizes that efforts to protect and maintain healthy and robust marine mammal species is of vital benefit to both ourselves and our children, and that the responsible guardianship of our existing marine mammal populations will provide future generations with enjoyment and sustainable educational, recreational, and tourism resources for years to come;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives acknowledge efforts by our residents to protect marine mammals living in and migrating through our coastal waters for present and future generations, so that the coastlines and estuaries of the state of Washington may become renowned internationally as places of sanctuary for all marine mammals.

There being no objection, House Resolution No. 4668 was adopted.

HOUSE RESOLUTION NO. 97- 4663, by Representatives Tokuda, Mason, Veloria and Cody

WHEREAS, The Seattle Community For Youth was founded in 1985 as a nonprofit organization to promote the use of mentors to prevent academic and social failures by positively participating in the lives of youth at risk. The focus of Steps Ahead is ninth and tenth graders identified by teachers and counselors as needing extra adult guidance to make a successful transition from middle school to high school. There is no other volunteer mentor program working in the Seattle public schools matching adults with high school students that offers this rigorous day-to-day support for youth nominated by teachers and counselors; and

WHEREAS, Students are given the choice to participate in this program, entering as ninth graders with the option of reenrolling each year. They know they are committing for an entire school year. They set their own goals for school performance, attendance, behavior, and relationships at home. The program works because these students want to succeed in school and in life but, simply, do not have all the skills to do so; and

WHEREAS, Many of these students are likely to drop out, get into trouble with the school or the law, or get pregnant. They have risk factors such as: Siblings who have dropped out of school, truancy, death of a parent or close relative, behind a grade in school, abuse, previously homeless, academic achievement significantly below ability level, or gang involvement; and

WHEREAS, During its first six years, two hundred thirty-five ninth graders enrolled. The program is now in its seventh year at Rainier Beach High School, fourth year at Cleveland High School, and third year at Garfield High School in Seattle; and

WHEREAS, The Seattle Community For Youth encourages the returning students to continue in the program as juniors and seniors in the Steps Beyond program. With mentors, these students work in monthly workshops learning leadership skills as they volunteer to work with other community volunteer groups. They continue to apply their learning in the areas of responsibility, commitment, and personal integrity; and

WHEREAS, Steps Ahead students do better than their statistical control group. Steps Ahead students have ten percent better classroom attendance, twenty-five percent fewer failing grades, and fifteen percent fewer dropouts, expulsions, and long-term suspensions. Over the course of the school years, more of the control group of students commit increasingly serious offenses and leave school while the Steps Ahead students receive fewer discipline referrals and the seriousness of the offenses diminishes; and

WHEREAS, Students from the Steps Ahead group graduated from the Rainier Beach High School in June 1994. One third of the graduates won scholarships and scholastic awards and one-fifth were on the honor roll;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives recognize the Community For Youth organization for its outstanding contribution to the state of Washington, the city of Seattle, and the community for which it was founded; and

BE IT FURTHER RESOLVED, That the House of Representatives recognize the adult mentors of the Seattle Community For Youth for their dedication to the youth of today and the leaders of tomorrow; and

BE IT FURTHER RESOLVED, That the House of Representatives recognize the students voluntarily participating in this program and commend them for looking out for their own futures; and

BE IT FURTHER RESOLVED, That the Community For Youth should act as a model for others desiring to contribute in a positive manner for the benefit of the community to act as positive role models for the youth of the state of Washington.

There being no objection, House Resolution No. 4663 was adopted.

There being no objection, the House advanced to the eleventh order of business.

There being no objection, the House adjourned until 9:00 a.m., Wednesday, April 23, 1997.

#### SENATE AMENDMENTS TO HOUSE BILL

April 18, 1997

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2054 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 101. The purpose of this chapter is to develop a more thorough and cooperative method of determining what the current water resource situation is in each water resource inventory area of the state and to provide local citizens with the maximum possible input concerning their goals and objectives for water resource management and development.

It is necessary for the legislature to establish processes and policies that will result in providing state agencies with more specific guidance to manage the water resources of the state consistent with current law and direction provided by local entities and citizens through the process established in accordance with this chapter.

NEW SECTION. Sec. 102. The legislature finds that the local development of watershed plans for managing water resources and for protecting existing water rights is vital to both state and local interests. The local development of these plans serves vital local interests by placing it in the hands of people: Who have the greatest knowledge of both the resources and the aspirations of those who live and work in the watershed; and who have the greatest stake in the proper, long-term management of the resources. The development of such plans serves the state's vital interests by ensuring that the state's water resources are used wisely, by protecting existing water rights, by protecting instream flows for fish, and by providing for the economic well-being of the state's citizenry and communities. Therefore, the legislature believes it necessary for units of local government throughout the state to engage in the orderly development of these watershed plans.

**NEW SECTION. Sec. 103.** When considering applications to appropriate public waters or the perfection, transfer, change, or cancellation of water right permits, the department shall not have discretion to take any action except in a manner consistent with the standards set forth in chapters 90.03, 90.22, 90.44, and 90.54 RCW.

**NEW SECTION. Sec. 104.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of ecology.

(2) "WRIA" means a water resource inventory area established in chapter 173-500 WAC as it existed on January 1, 1997.

(3) "Water supply utility" means a water, combined water-sewer, irrigation, reclamation, or public utility district that provides water to persons or other water users within the district or a division or unit responsible for administering a publicly governed water supply system on behalf of a city, town, or county.

(4) "WRIA plan" or "plan" means the product of the planning unit including any rules adopted in conjunction with the product of the planning unit.

**NEW SECTION. Sec. 105.** In order to have the best possible program for appropriating and administering water use in the state, the legislature establishes the following principles and criteria to carry out the purpose and intent of chapter . . . , Laws of 1997 (this act).

(1) All WRIA planning units established under this chapter shall develop a process to assure that water resource user interests and directly involved interest groups at the local level have the opportunity, in a fair and equitable manner, to give input and direction to the process.

(2) State agencies with major water resource management responsibilities shall be available to share information on state-wide statutorily designated interests.

(3) Plans developed under chapter . . . , Laws of 1997 (this act) shall be consistent with and not duplicative of efforts already under way in a WRIA, including but not limited to watershed analysis conducted under state forest practices statutes and rules.

**NEW SECTION. Sec. 106.** (1) Once a WRIA planning unit has been organized and designated a lead agency, it shall notify the department and may apply to the department for funding assistance for conducting the planning. Funds shall be provided from and to the extent of appropriations made by the legislature to the department expressly for this purpose.

(2) Each planning unit that has complied with subsection (1) of this section is eligible to receive fifty thousand dollars for each WRIA to initiate the planning process. The department shall allocate additional funds to WRIA planning units based on demonstrated need. Each WRIA planning unit may receive up to two hundred fifty thousand dollars for each WRIA during the first two-year period of planning, with a maximum allocation of five hundred thousand dollars for each WRIA. Funding provided under this section shall be considered a contractual obligation against the moneys appropriated for this purpose.

(3) Preference shall be given to planning units requesting funding for conducting multi-WRIA planning under section 109 of this act. Preference shall also be given to planning projects that are clearly intended to respond to endangered species act listings or to attempt to resolve problems that may lead to such listings or to address water availability to meet projected growth based on office of financial management twenty-year population projections.

(4) The department may retain up to one percent of funds allocated under this section to defray administrative costs.

**NEW SECTION. Sec. 107.** (1) This chapter shall not be construed as creating a new cause of action against the state or any county, city, town, water supply utility, conservation district, or planning unit.

(2) Notwithstanding RCW 4.92.090, 4.96.010, and 64.40.020, no claim for damages may be filed against the state or any county, city, town, water supply utility, Indian tribes, conservation district, or planning unit that or member of a planning unit who participates in a WRIA planning unit for performing responsibilities under this chapter. The exclusion from liability contained in this subsection does not apply to a county, city, town, or water supply utility that votes to adopt provisions in a WRIA plan that have been identified by the superior court as being in conflict with state statute or

federal law with regard to those provisions if advice regarding the conflict was provided under section 113(2) of this act.

**NEW SECTION. Sec. 108.** (1)(a) Except as provided in section 109 of this act for multi-WRIA planning, the county with the largest area within the boundaries of a WRIA or a municipal corporation obtaining its water supply from the WRIA may choose to initiate water resource planning for the WRIA under this chapter. If it does so choose, it shall make application to the department of ecology to declare its intent to conduct watershed planning. Upon making application to the department, the county with the largest area within the WRIA shall convene meetings of the members of the legislative authorities of the counties with territory within a WRIA for the appointment of a WRIA planning unit. The county or municipal corporation shall also notify the cities, water supply utilities, Indian tribes, and conservation districts with territory within the WRIA that these groups are to meet to appoint their members of the WRIA planning unit. For the purposes of this section and sections 109 and 113 of this act, a county is considered to have territory within a WRIA only if the territory of the county located in the WRIA constitutes at least fifteen percent of the area of the WRIA. For conducting planning under this chapter, the county with the largest area within the boundaries of the WRIA is the lead agency for the WRIA planning, except as provided in section 109 of this act for multi-WRIA planning. When the counties of a WRIA have convened jointly to make appointments to the planning unit, they may, by a majority vote, choose as the lead agency for WRIA planning any governmental entity in the WRIA. Such a governmental entity shall act as the lead agency for this purpose if it agrees in writing to accept the designation.

(b) For a WRIA located within Pierce, King, or Snohomish county, the lead agency shall be the water supply utility that is using the largest amount of water from the WRIA.

(2) In a WRIA where water resource planning efforts have commenced before the effective date of this section, such as but not limited to the Kettle river WRIA, the county legislative authorities with territory within the WRIA in accordance with subsection (1) of this section may, by majority vote, choose to adopt the existing planning unit membership for purposes of planning under chapter . . . , Laws of 1997 (this act).

Nothing in this act shall affect ongoing efforts to develop new resources and the sharing of existing resources. No moratorium may be imposed on water resource decision making by the department solely because of ongoing planning efforts or the absence of a plan or planning effort. Any new planning units formed under this act shall recognize efforts already in progress.

(3)(a) One WRIA planning unit shall be appointed for the WRIA as provided by this section or for a multi-WRIA area as provided by section 109 of this act for multi-WRIA planning. The planning unit shall be composed of: (i) One member from each county with territory in the WRIA representing the county and appointed by the county; (ii) one member for each county with territory in the WRIA, but not less than two members, representing cities with territory in the WRIA and appointed jointly by those cities and incorporated towns; (iii) two members representing water supply utilities other than those of a city or town with territory within the WRIA and appointed jointly by those districts; (iv) one member representing all conservation districts with territory within the WRIA and appointed jointly by those districts; (v) three members representing various special interest groups appointed jointly by the cities with territory within the WRIA; and six members representing various special interest groups appointed jointly by the counties with territory within the WRIA; (vi) one member representing the general citizenry appointed jointly by the cities with territory within the WRIA; (vii) three members representing the general citizenry appointed jointly by the counties with territory in the WRIA, of which at least one shall be a holder of a water right certificate and at least one shall be a holder of a water right for which a statement of claim was in the state's water rights claims registry before January 1, 1997; (viii) if one or more federal Indian reservations are located in whole or in part within the boundaries of the WRIA, the planning unit shall extend an invitation to the tribal government of each reservation to appoint one member representing the tribal government; and (ix) three members representing state agencies including the secretary of the department of transportation or the secretary's designee, the director of the department of fish and wildlife or the director's designee, and the director of the department of ecology or the director's designee. The three members representing state government shall have a single vote representing state agency interests.

(b) In addition, for a WRIA located within Pierce, King, or Snohomish county, one representative of the water supply utility that is the water purveyor using the largest amount of water

from the WRIA shall be a voting member of the planning unit whether the principal offices of the purveyor are or are not located within the WRIA.

(4) Except for a person appointed under subsection (3)(a)(ix) or (b) of this section, each person appointed to a WRIA planning unit shall have been a resident and a property owner of the WRIA for at least three years. State employees or state officials other than members appointed under subsection (3)(a)(ix) or (b) of this section may be appointed to the planning unit unless they have state water resource-related duties. In appointing persons to the WRIA planning unit representing special interest groups, the counties shall consider industrial water users, general businesses, hydroelectric and thermal power producers, and irrigated agriculture, nonirrigated agriculture, forestry, recreation, environmental, and fisheries interest groups and other groups with interests in the WRIA. Counties shall attempt to provide for a balanced group of interests on the planning unit, with emphasis given to local interests and concerns.

(5)(a) In voting to appoint the members of a WRIA planning unit, to select a lead agency for water resource planning under section 108 or 109 of this act, to approve a WRIA plan under section 113 of this act, or to request or concur with a request for multi-WRIA planning under section 109 of this act, each county with territory within the WRIA shall have three votes, divided equally among the members of the county's legislative authority and these actions shall be made by majority vote based on the votes allocated under this section. In voting to appoint members of a WRIA planning unit: Each city with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such cities; each water supply utility other than those of a city or town with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such districts; and each conservation district with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such districts. All appointments shall be made within sixty days of the date the appointing authorities other than the counties are notified to convene to make appointments or the appointments shall be made by the counties with territory in the WRIA in the same manner the counties make other appointments.

(b) The local governments of the WRIA planning unit may, by majority vote, add up to two additional members representing interests that are not included in the planning unit.

(c) A vacancy on the planning unit shall be filled by appointment in the same manner prescribed for appointing the position that has become vacant. The planning unit shall convene and begin work as soon as two-thirds of the number of persons eligible to be members of the planning unit have been appointed. All positions must be filled within thirty days of the convening of the planning unit. The unit shall not interrupt its work to await additional original appointments or appointments to fill any vacancies that may occur in its membership.

**NEW SECTION. Sec. 109.** (1) The counties with territory in a WRIA may elect to conduct multi-WRIA planning with the counties with territory in one or more other WRIsAs. If the counties with territory in these other WRIsAs concur, all of the counties with territory in these WRIsAs shall convene and shall appoint one planning unit to conduct the water resource planning for the multi-WRIA area.

(a) The planning unit shall be composed of: (i) Up to one member, as that number is determined by the counties jointly, for each county with territory in the multi-WRIA area representing the counties and appointed by the counties jointly; (ii) up to one member, as that number is determined by the cities jointly, for each county with territory in the multi-WRIA area, representing cities with territory in the multi-WRIA area and appointed jointly by those cities; (iii) up to three members, as that number is determined by the districts, representing water supply utilities other than those of a city or town with territory within the multi-WRIA area and appointed jointly by those districts; (iv) up to two members, as that number is determined by the districts, representing all conservation districts with territory within the multi-WRIA area and appointed jointly by those districts; (v) three members representing various special interest groups appointed jointly by the cities with territory within the multi-WRIA area; and six members representing various special interest groups appointed jointly by the counties with territory within the multi-WRIA area; (vi) one member representing the general citizenry appointed jointly by the cities with territory within the multi-WRIA area; (vii) three members representing the general citizenry appointed jointly by the counties with territory in the multi-WRIA area, of which at least one shall be a holder of a water right certificate and at least one shall be a holder of a water right for which a statement of claim was in the state's water rights claims registry before January 1, 1997; (viii) if one or more federal Indian reservations are located in whole or in part within the boundaries of the multi-WRIA area, the planning unit shall extend an invitation to the tribal

government of each reservation to appoint one member representing the tribal government; and (ix) three members representing state agencies including the secretary of the department of transportation or the secretary's designee, the director of the department of fish and wildlife or the director's designee, and the director of the department of ecology or the director's designee. The three members representing state government shall have a single vote representing state agency interests.

(b) In addition, for a multi-WRIA planning unit located within Pierce, King, or Snohomish county, one representative of the water purveyor using the largest amount of water from the multi-WRIA area shall be a voting member of the planning unit whether the principal offices of the purveyor are or are not located within the multi-WRIA area.

(c) Except for a person appointed under (a)(ix) or (b) of this subsection, each person appointed to a multi-WRIA planning unit shall have been a resident and property owner within the multi-WRIA area for at least three years. State employees or state officials other than members appointed under subsection (a)(ix) or (b) of this subsection may be appointed to the planning unit unless they have state water resource-related duties. In appointing persons to the multi-WRIA planning unit representing special interest groups the counties shall consider industrial water users, general businesses, hydroelectric and thermal power producers, and irrigated agriculture, nonirrigated agriculture, forestry, recreation, environmental, and fisheries interest groups and other groups with interests in the multi-WRIA area. Counties shall attempt to provide for a balanced group of interests on the planning unit, with emphasis given to local interests and concerns.

(2) In a multi-WRIA area where water resource planning efforts have commenced before the effective date of this section, such as but not limited to the Kettle river WRIA, the county legislative authorities with territory within the WRIA in accordance with subsection (1) of this section may, by majority vote, choose to adopt the existing planning unit membership for purposes of planning under chapter . . . , Laws of 1997 (this act).

Nothing in this act shall affect ongoing efforts to develop new resources and the sharing of existing resources. No moratorium may be imposed on water resource decision making by the department solely because of ongoing planning efforts or the absence of a plan or planning effort. Any new planning units formed under this act shall recognize efforts already in progress.

(3)(a) The counties in the multi-WRIA area shall select, by a majority vote, a governmental entity in the multi-WRIA area to act as lead agency for water resource planning in the multi-WRIA area under this chapter. Such an entity shall serve as the lead agency if it agrees in writing to do so. All appointments shall be made within sixty days of the date the lead agency in the multi-WRIA area notifies the other appointing authorities to convene to make appointments or the appointments shall be made by the counties with territory in the multi-WRIA area in the same manner the counties make other appointments.

(b) The local governments of the WRIA planning unit may, by majority vote, add up to two additional members representing interests that are not included in the planning unit.

(c) A vacancy on the planning unit shall be filled by appointment in the same manner prescribed for appointing the position that has become vacant. The planning unit shall convene and begin work as soon as two-thirds of the number of persons eligible to be members of the planning unit have been appointed. All positions must be filled within thirty days of the convening of the planning unit. The unit shall not interrupt its work to await additional original appointments or appointments to fill any vacancies that may occur in its membership.

(4) A planning unit for a multi-WRIA area shall perform all of the functions assigned by this chapter to a WRIA planning unit and is subject to all of the provisions of this chapter that apply to a WRIA planning unit.

**NEW SECTION. Sec. 110.** The lead agency shall provide staff support from resources provided for planning under chapter . . . , Laws of 1997 (this act) for the work of the WRIA planning unit. Each WRIA planning unit may establish its own methods of operation that are consistent with this chapter and may establish methods for reviewing the operations of its lead agency. No planning unit appointed or selected under this chapter may possess or exercise the power of eminent domain. No planning unit appointed or selected under this chapter may take any action that affects in any manner a general adjudication proceeding for water rights, completed or ongoing. Each WRIA planning unit is encouraged to: Consider information and plans that may have been previously developed by other entities in establishing water resource management plans for the WRIA; consider existing data regarding water resources in the WRIA; and, for a WRIA that borders another state, cooperate with

local government counterparts in the adjacent state regarding water resource planning. Water resource plans developed under this chapter for a WRIA may not interfere in any manner with a general adjudication of water rights, completed or ongoing. Such a WRIA plan may not in any manner impair, diminish, or interfere with a water right that exists before the adoption of the plan by the department under section 113 of this act.

All meetings of a WRIA planning unit shall be conducted as public meetings as required for such meetings by the open public meetings act, chapter 42.30 RCW. Some time shall be set aside at the end of each meeting of a WRIA planning unit for public comments. Each planning unit shall establish procedures to be followed by the unit in making decisions. The objective to be sought by the planning unit in making decisions is to reach consensus among its members on the decisions. Decisions by a two-thirds majority vote may be used if the unit has found that attempts at achieving consensus have not been successful.

No person who is a member of a WRIA planning unit may designate another to act on behalf of the person as a member or to attend as a member a meeting of the unit on behalf of the person. If a member of a WRIA planning unit is absent from more than five meetings of the WRIA planning unit that constitute twenty percent or more of the meetings that have been conducted by the planning unit while the person is a member of the unit and these absences have not been excused as provided by this section, the member's position on the WRIA planning unit is to be considered vacant. A person's absence from a meeting may be excused: By the chair of the planning unit if a written request to do so is received by the chair before the meeting from which the member is to be absent; or by a majority vote of the members of the planning unit at the meeting during which the member is absent.

**NEW SECTION. Sec. 111.** (1) Each WRIA planning unit shall develop a water resource plan. The plan must address the elements listed in subsection (2) of this section and may include other elements added by the planning unit. Once organized, the first task of the planning unit is to prioritize these elements regarding their importance in the WRIA and in developing a water resource plan for the WRIA. A plan shall not be developed such that its provisions are in conflict with state statute or federal law or impair, diminish, or interfere in any manner with a water right existing prior to its adoption or with the construction, operation, or maintenance of a federal reclamation project or an instream flow requirement or condition established for hydroelectric power project licensed under the federal power act. No aspect of the plan may establish standards for water quality or regulate water quality in any manner whatsoever.

(2) The plan must include the following:

(a) An assessment of water supply and use in the WRIA, including:

(i) A quantitative estimation of the amount of surface and ground water present in the planning unit, using United States geological survey information and other existing sources of information;

(ii) A quantitative estimation using existing sources of information, of the amount of precipitation and surface and ground water available, using currently available or likely available technologies, collectively for both current and future water uses, including for instream purposes and for withdrawal or diversion;

(iii) A quantitative estimation using existing sources of information, of the amount of surface and ground water actually being used, and the months of peak and minimum use, both in-stream and by withdrawal, for agricultural, industrial, fisheries, recreational, environmental, municipal, and residential purposes, and including amounts claimed, permitted, or certificated for future municipal needs; and

(iv) A quantitative estimation of the amount of water, approximately, that is represented by amounts in claims in the water rights claims registry, in water use permits, in certificated rights, and in rules establishing instream flows;

(b) A quantitative description of future water-based instream and out-of-stream needs in the planning unit, based on projected population and agricultural and other economic growth. That is, an identification of the water needed collectively for use for agricultural, fisheries, recreational, environmental, industrial, municipal, and residential purposes. If a federal reclamation project is providing water for reclamation purposes within the WRIA or multi-WRIA area, federal reclamation water use requirements shall be those for project lands within the WRIA or multi-WRIA area;

(c) Instream flows.

(i) Except for the main stem of the Columbia river or the main stem of the Snake river, a planning unit may propose instream flow levels as part of its plan for other rivers and streams in its WRIA or multi-WRIA area.

(ii) The planning unit, by unanimous recorded vote of all voting members, may set specific instream flow levels, and such flow levels shall be adopted by rule of the department.

(iii) If the planning unit is unable to approve specific instream flow levels unanimously, such levels may be submitted as a recommended instream flow in the WRIA plan for consideration by the department. Such recommendations must be approved by a two-thirds majority vote of the voting members of the planning unit.

(iv) Instream flow levels proposed under this subsection may not conflict with flow requirements or conditions in effect under a license issued under the federal power act.

(v) The planning unit may propose adjustments to instream flow levels that have been set by the state before the adoption of the planning unit's plan and will propose instream flow levels as part of the plan for the other rivers, streams, and lakes for which it determines the establishment of flows or levels to be appropriate in the WRIA, or in the multi-WRIA area for multi-WRIA planning under section 109 of this act.

(vi) The planning unit, by unanimous recorded vote of all voting members, may adjust established instream flow levels, and such flow levels shall be adopted by rule of the department.

(vii) If the planning unit is unable to approve such adjustments unanimously, such levels may be submitted as a recommended adjustment to established instream flows in the WRIA plan for consideration by the department. Such recommendations must be approved by a two-thirds majority vote of the voting members of the planning unit.

(viii) An instream flow or base flow or level set for a body of water in a WRIA plan adopted by the department under section 113 of this act supersedes any other such flow or level previously established for the body of water;

(d) A quantitative description of the ground water and of the surface water available for further appropriation including water that may be obtained through reuse. As used in this subsection (2)(d), "available" means available on the date the plan takes effect as a rule under section 113 of this act;

(e) An identification of known areas that provide for the recharge of aquifers from the surface and areas where aquifers recharge surface bodies of water;

(f) Strategies for increasing water supplies in the WRIA, including:

(i) Water conservation and reuse measures; and

(ii) Storage enhancements, including modifications to existing reservoirs, new reservoirs, and underground storage. Any quantity of water made available under these strategies is a quantity that is in addition to the water declared available for appropriation under (d) of this subsection; and

(g) An identification of areas where voluntary water-related habitat improvement projects or voluntary transactions providing for the purchase of water-related habitat or water-related habitat easements would provide the greatest benefit to habitat in the WRIA, and a prioritization of the areas based on their potential for providing such benefits. The purpose of this element of the plan is to provide a means of coordinating nonregulatory, voluntary efforts for improving water-related habitat in the WRIA.

(3) Upon request the department shall assist the planning unit in drafting proposed implementing rules for the elements of the plan over which the department has authority. The draft rules shall accompany the plan as it is reviewed under the provisions of this chapter.

(4) A plan shall not be developed under this chapter to require directly or indirectly the implementation of laws, rules, or programs that are designed primarily to control water pollution or discharges of pollutants to water, to regulate effluent discharges or wastewater treatment systems or facilities, or to establish or require the achievement of water quality standards, including but not limited to chapter 90.48 RCW and rules adopted under chapter 90.48 RCW, the national pollutant discharge elimination system permit program, and the state waste discharge permit program.

**NEW SECTION. Sec. 112.** (1) Water resource management plans developed pursuant to the process in this chapter and subsequently adopted by the department under section 113 of this act are presumed valid. This presumption shall apply in any petition or action filed against a plan.

(2) Any action taken by a state agency regarding or affecting water resources within a WRIA for which a plan has been adopted under section 113 of this act and any planning conducted by a state agency regarding or affecting water resources within a WRIA for which a plan has been adopted under

section 113 of this act shall be taken or conducted in a manner that is consistent with the plan. All actions and decisions of the department regarding water resources in the WRIA shall be consistent with and based upon such an adopted plan for the WRIA. Any other authority of the department exercised within the WRIA regarding or affecting water resources shall be exercised in a manner that is consistent with such an adopted plan.

**NEW SECTION. Sec. 113.** (1) Upon completing a proposed water resource plan for the WRIA, the WRIA planning unit shall publish notice of and conduct at least one public hearing in the WRIA on the proposed plan. The planning unit shall take care to provide notice of the hearing throughout the WRIA or multi-WRIA area. As a minimum, it shall publish a notice of the hearing in one or more newspapers of general circulation in the WRIA or multi-WRIA area. After considering the public comments presented at the hearing or hearings, the planning unit shall submit a copy of its proposed plan to the department and to the tribal council of each reservation with territory within the WRIA.

(2)(a) The department shall provide advice as to any specific subsections or sections of the plan that the department believes to be in conflict with state statute or federal law and may provide other recommendations regarding the plan. The department shall transmit its advice and recommendations regarding the plan to the WRIA planning unit within sixty days of receiving it for review.

(b) The tribal council may review and provide comments and recommendations to the planning unit within sixty days of the receipt of the plan.

(3) The WRIA planning unit shall consider each recommendation provided under subsection (2) of this section. The planning unit may adopt such a recommendation or provide changes to respond to the advice of the department and the tribal council by a two-thirds majority vote of the members of the planning unit.

The WRIA planning unit shall approve a water resource plan for the WRIA by a two-thirds majority vote of the members of the planning unit. An approved plan shall be submitted to the counties with territory within the WRIA for adoption. If a WRIA planning unit receives funding for WRIA or multi-WRIA planning under section 106 of this act and does not approve a plan for submission to the counties within four years of the date the planning unit receives the first of that funding from the department for the planning, the department shall develop and adopt a water resource plan for the WRIA or multi-WRIA area.

(4) The legislative authority of each of the counties with territory within the WRIA shall provide public notice for and conduct at least one public hearing on the WRIA plan submitted to the county under this section. The counties shall take care to provide notice of the hearings throughout the WRIA or multi-WRIA area. As a minimum, they shall publish a notice of the hearings in one or more newspapers of general circulation in the WRIA or multi-WRIA area. After the public hearings, the legislative authorities of these counties shall convene in joint session to consider the plan. The counties may approve or reject the plan, but may not amend the plan. Approval of a plan, or of recommendations for a plan that is not approved, shall be made by a majority vote of the members of the various legislative authorities of the counties with territory in the WRIA based on the votes allocated under section 108 of this act.

If the plan is not approved, it shall be returned to the WRIA planning unit with recommendations for revisions. Any revised plan and implementing rules prepared by the planning unit shall be submitted to the department and to the counties as provided by this section for WRIA water resource plans generally.

(5) If the plan is approved by the members of the legislative authorities, the plan shall be transmitted to the department for adoption. The department shall adopt such an approved WRIA water resource plan by rule. The department has no discretion to amend or reject the plan except as provided in section 111(2)(c) (iii) or (vii) of this act. A copy of the plan and notice of its adoption as rules shall be published in the state register under chapter 34.05 RCW. The public hearing required by chapter 34.05 RCW shall be deemed to have been satisfied by public hearings held by county legislative authorities.

(6) If the department finds that an element of a WRIA plan is in conflict with state statute or federal law and the unit does not remove the conflict created by the element from its plan, the state is not liable for any judgment that may be awarded regarding the conflict. The department may file a petition for declaratory judgment in the superior court to determine whether the element is or is not in conflict with state statute or federal law. The petition shall be filed in the superior court in the county

with the largest area in the WRIA or multi-WRIA area governed by the plan. The counties that approved the plan shall be named as parties to the proceeding. The superior court shall review the potential conflict under the error of law standard. If the superior court finds that an element of the plan is in conflict with state statute or federal law, that element of the plan shall be invalid. Decisions on such petitions are reviewable as in other civil cases. This subsection shall not be construed as establishing such state liability for any other element of the plan adopted as rules.

**NEW SECTION. Sec. 114.** The WRIA planning units may accept grants, funds, and other financing, as well as enter into cooperative agreements with private and public entities for planning assistance and funding.

**NEW SECTION. Sec. 115.** A new section is added to chapter 90.03 RCW to read as follows:

(1) The department shall rule in a timely manner upon complete applications to appropriate public surface and ground water. For complete applications that seek to appropriate water from within a WRIA for which a WRIA plan has been adopted, the department shall grant or deny the application within one hundred eighty days of the date the properly completed application is filed with the department, except as provided in subsection (2) of this section. For applications filed after July 1, 1999, that seek to appropriate water from within a WRIA for which no WRIA plan has been adopted, the department shall grant or deny the application within one year of the date the properly completed application is filed with the department, except as provided in subsection (2) of this section. The times allowed in this section to rule upon an application shall not include the time it takes the applicant to respond to an explicit request for additional information reasonably required to make a determination on the application. The department shall be allowed only one such request for additional information. The cost of obtaining such information shall be reasonable in relation to the quantity and value of the water right applied for. Once the applicant responds to an information request, the stay of the time allowed for the permit decision shall end.

(2) If a detailed statement, generally referred to as an environmental impact statement, must be prepared under chapter 43.21C RCW for or in regard to an application to appropriate water, the department shall grant or deny the application within ninety days of the date the final environmental impact statement is available from the official responsible for it under chapter 43.21C RCW.

**NEW SECTION. Sec. 116.** A new section is added to chapter 34.05 RCW to read as follows:

(1) Once the department of ecology receives a water resource plan submitted by a WRIA planning unit for advice and recommendations under section 113 of this act, the department shall conduct at least one public hearing on the plan and shall provide notice of the hearing and proposed plan as provided in RCW 34.05.320 for the proposal of a rule. The department shall maintain a file for the plan. Once the plan has been adopted by the counties in the WRIA under section 113 of this act and the plan has been submitted to the department of ecology, the department shall file the plan with the code reviser along with an order adopting the plan as rules. The code reviser shall cause the order and the water resource plan to be published in the Washington state register in the manner provided for the adoption of final rules and shall incorporate the plan into the Washington Administrative Code. No other aspect of this chapter that establishes procedures for the adoption of rules applies to the adoption of the plan by the department.

(2) For the purposes of this section, "WRIA" has the meaning established in section 104 of this act.

(3) Sections 101 through 116 of this act are null and void if any of sections 401, 402, or 501 of this act is vetoed by June 30, 1997.

**Sec. 117.** RCW 90.54.040 and 1997 c ... s 2 (Senate Bill 5029) are each amended to read as follows:

(1) Consistent with chapter . . . , Laws of 1997 (this act) the department, through the adoption of appropriate rules, is directed, as a matter of high priority to insure that the waters of the state are utilized for the best interests of the people, to develop and implement in accordance with the policies of this chapter a comprehensive state water resources program which will provide a process for making decisions on future water resource allocation and use. The department may develop the program in segments so that immediate attention may be given to waters of a given physioeconomic region of the state or to specific critical problems of water allocation and use.

(2) In relation to the management and regulatory programs relating to water resources vested in it, the department is further directed to modify existing regulations and adopt new regulations, when needed and possible, to insure that existing regulatory programs are in accord with the water resource policy of this chapter and the program established in subsection (1) of this section.

(3) The department is directed to review all statutes relating to water resources which it is responsible for implementing. When any of the same appear to the department to be ambiguous, unclear, unworkable, unnecessary, or otherwise deficient, it shall make recommendations to the legislature including appropriate proposals for statutory modifications or additions. Whenever it appears that the policies of any such statutes are in conflict with the policies of this chapter, and the department is unable to fully perform as provided in subsection (2) of this section, the department is directed to submit statutory modifications to the legislature which, if enacted, would allow the department to carry out such statutes in harmony with this chapter.

## PART II STORAGE

**Sec. 201.** RCW 90.54.020 and 1989 c 348 s 1 are each amended to read as follows:

Utilization and management of the waters of the state shall be guided by the following general declaration of fundamentals:

(1) Uses of water for domestic, stock watering, industrial, commercial, agricultural, irrigation, hydroelectric power production, mining, fish and wildlife maintenance and enhancement, recreational, and thermal power production purposes, and preservation of environmental and aesthetic values, and all other uses compatible with the enjoyment of the public waters of the state, are declared to be beneficial.

(2) Allocation of waters among potential uses and users shall be based generally on the securing of the maximum net benefits for the people of the state. Maximum net benefits shall constitute total benefits less costs including opportunities lost.

(3) The quality of the natural environment shall be protected and, where possible, enhanced as follows:

(a) Perennial rivers and streams of the state shall be retained with base flows necessary to provide for preservation of wildlife, fish, scenic, aesthetic and other environmental values, and navigational values. Lakes and ponds shall be retained substantially in their natural condition. Withdrawals of water which would conflict therewith shall be authorized only in those situations where it is clear that overriding considerations of the public interest will be served.

(b) Waters of the state shall be of high quality. Regardless of the quality of the waters of the state, all wastes and other materials and substances proposed for entry into said waters shall be provided with all known, available, and reasonable methods of treatment prior to entry. Notwithstanding that standards of quality established for the waters of the state would not be violated, wastes and other materials and substances shall not be allowed to enter such waters which will reduce the existing quality thereof, except in those situations where it is clear that overriding considerations of the public interest will be served. Technology-based effluent limitations or standards for discharges for municipal water treatment plants located on the Chehalis, Columbia, Cowlitz, Lewis, or Skagit river shall be adjusted to reflect credit for substances removed from the plant intake water if:

(i) The municipality demonstrates that the intake water is drawn from the same body of water into which the discharge is made; and

(ii) The municipality demonstrates that no violation of receiving water quality standards or appreciable environmental degradation will result.

(4) The development of multipurpose water storage facilities shall be a high priority for programs of water allocation, planning, management, and efficiency. The department, other state agencies, local governments, and planning units formed under section 108 or 109 of this act shall evaluate the potential for the development of new storage projects and the benefits and effects of storage in reducing damage to stream banks and property, increasing the use of land, providing water for municipal, industrial, agricultural, power generation, and other beneficial uses, and improving stream flow regimes for fisheries and other instream uses.

(5) Adequate and safe supplies of water shall be preserved and protected in potable condition to satisfy human domestic needs.

~~((5))~~ (6) Multiple-purpose impoundment structures are to be preferred over single-purpose structures. Due regard shall be given to means and methods for protection of fishery resources in the planning for and construction of water impoundment structures and other artificial obstructions.

~~((6))~~ (7) Federal, state, and local governments, individuals, corporations, groups and other entities shall be encouraged to carry out practices of conservation as they relate to the use of the waters of the state. In addition to traditional development approaches, improved water use efficiency and conservation shall be emphasized in the management of the state's water resources and in some cases will be a potential new source of water with which to meet future needs throughout the state.

~~((7))~~ (8) Development of water supply systems, whether publicly or privately owned, which provide water to the public generally in regional areas within the state shall be encouraged. Development of water supply systems for multiple domestic use which will not serve the public generally shall be discouraged where water supplies are available from water systems serving the public.

~~((8))~~ (9) Full recognition shall be given in the administration of water allocation and use programs to the natural interrelationships of surface and ground waters.

~~((9))~~ (10) Expressions of the public interest will be sought at all stages of water planning and allocation discussions.

~~((10))~~ (11) Water management programs, including but not limited to, water quality, flood control, drainage, erosion control and storm runoff are deemed to be in the public interest.

**Sec. 202.** RCW 90.54.180 and 1989 c 348 s 5 are each amended to read as follows:

Consistent with the fundamentals of water resource policy set forth in this chapter, state and local governments, individuals, corporations, groups and other entities shall be encouraged to carry out water use efficiency and conservation programs and practices consistent with the following:

(1) Water efficiency and conservation programs should utilize an appropriate mix of economic incentives, cost share programs, regulatory programs, and technical and public information efforts. Programs which encourage voluntary participation are preferred.

(2) Increased water use efficiency should receive consideration as a potential source of water in state and local water resource planning processes. In determining the cost-effectiveness of alternative water sources, consideration should be given to the benefits of conservation, including waste water recycling, and ~~((impoundment))~~ storage of waters.

(3) In determining the cost-effectiveness of alternative water sources, full consideration should be given to the benefits of storage which can reduce the damage to stream banks and property, increase the utilization of land, provide water for municipal, industrial, agricultural, and other beneficial uses, provide for the generation of electric power from renewable resources, and improve stream flow regimes for fishery and other instream uses.

(4) Entities receiving state financial assistance for construction of water source expansion or acquisition of new sources shall develop, and implement if cost-effective, a water use efficiency and conservation element of a water supply plan pursuant to RCW 43.20.230(1).

(5) State programs to improve water use efficiency should focus on those areas of the state in which water is overappropriated; areas that experience diminished streamflows or aquifer levels; and areas where projected water needs, including those for instream flows, exceed available supplies.

(6) Existing and future generations of citizens of the state of Washington should be made aware of the importance of the state's water resources and the need for wise and efficient use and development of this vital resource. In order to increase this awareness, state agencies should integrate public education on increasing water use efficiency into existing public information efforts. This effort shall be coordinated with other levels of government, including local governments and Indian tribes.

### PART III GENERAL ADJUDICATIONS

**NEW SECTION. Sec. 301.** A new section is added to chapter 90.03 RCW to read as follows:

The legislature finds that the lack of certainty regarding water rights within a water resource basin may impede management and planning for water resources. The legislature further finds that planning units conducting water resource planning under chapter 90.-- RCW (sections 101 through 114 of this act) may find that the certainty provided by a general adjudication of water rights under this chapter is required for water planning or water management in a water resource inventory area or in a

portion of the area. Therefore, such planning units may petition the department to conduct such a general adjudication and the department shall give high priority to such a request in initiating any such general adjudications under this chapter.

#### PART IV WATER PURVEYORS

**Sec. 401.** RCW 90.03.383 and 1991 c 350 s 1 are each amended to read as follows:

(1) The legislature recognizes the value of interties for improving the reliability of public water systems, enhancing their management, and more efficiently utilizing the increasingly limited resource. Given the continued growth in the most populous areas of the state, the increased complexity of public water supply management, and the trend toward regional planning and regional solutions to resource issues, interconnections of public water systems through interties provide a valuable tool to ensure reliable public water supplies for the citizens of the state. Public water systems have been encouraged in the past to utilize interties to achieve public health and resource management objectives. The legislature finds that it is in the public interest to recognize interties existing and in use as of January 1, 1991, and to have associated water rights modified by the department of ecology to reflect current use of water through those interties, pursuant to subsection (3) of this section. The legislature further finds it in the public interest to develop a coordinated process to review proposals for interties commencing use after January 1, 1991.

(2) For the purposes of this section, the following definitions shall apply:

(a) "Interties" are interconnections between public water systems permitting exchange, acquisition, or delivery of wholesale and/or retail water between those systems for other than emergency supply purposes, where such exchange, acquisition, or delivery is within established instantaneous and annual withdrawal rates specified in the systems' existing water right permits or certificates, or contained in claims filed pursuant to chapter 90.14 RCW, and which results in better management of public water supply consistent with existing rights and obligations. Interties include interconnections between public water systems permitting exchange, acquisition, or delivery of water to serve as primary or secondary sources of supply (~~(, but do not include development of new sources of supply to meet future demand)~~) and the development of new sources of supply to meet future demands if the water system or systems receiving water through such an intertie make efficient use of existing sources of water supply and the provision of water through such an intertie is consistent with local land use plans. For this purpose, a system's full compliance with the state department of health's conservation guidelines for such systems is deemed efficient use.

(b) "Service area" is the area designated as the wholesale and/or retail area in a water system plan or a coordinated water system plan pursuant to chapter 43.20 or 70.116 RCW respectively. When a public water system does not have a designated service area subject to the approval process of those chapters, the service area shall be the designated place of use contained in the water right permit or certificate, or contained in the claim filed pursuant to chapter 90.14 RCW.

(3)(a) Public water systems with interties existing and in use as of January 1, 1991, or that have received written approval from the department of health prior to that date, shall file written notice of those interties with the department of health and the department of ecology. The notice may be incorporated into the public water system's five-year update of its water system plan, but shall be filed no later than June 30, 1996. The notice shall identify the location of the intertie; the dates of its first use; the purpose, capacity, and current use; the intertie agreement of the parties and the service areas assigned; and other information reasonably necessary to modify the public water system's water right (~~(permit)~~). Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, for public water systems with interties existing and in use or with written approval as of January 1, 1991, the department of ecology, upon receipt of notice meeting the requirements of this subsection, shall, as soon as practicable, modify the place of use descriptions in the water right permits, certificates, or claims to reflect the actual use through such interties, provided that the place of use is within service area designations established in a water system plan approved pursuant to chapter 43.20 RCW, or a coordinated water system plan approved pursuant to chapter 70.116 RCW, and further provided that the water used is within the instantaneous and annual withdrawal rates specified in the water rights (~~(permit)~~) and that no outstanding complaints of impairment to existing water rights have been filed with the department of ecology prior to September 1, 1991. Where such complaints of impairment have

been received, the department of ecology shall make all reasonable efforts to resolve them in a timely manner through agreement of the parties or through available administrative remedies.

(b) An intertie meeting the requirements of this subsection (3) for modifying the place of use description in a water right permit, certificate, or claim may be used to its full design or built capacity within the most recently approved retail or wholesale or retail and wholesale service area, without further approval under this section and without regard to the capacity actually used before January 1, 1991.

(4) Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, exchange, acquisition, or delivery of water through interties approved by the department of health commencing use after January 1, 1991, shall be permitted when the intertie improves overall system reliability, enhances the manageability of the systems, provides opportunities for conjunctive use, or delays or avoids the need to develop new water sources, and otherwise meets the requirements of this section, provided that each public water system's water use shall not exceed the instantaneous or annual withdrawal rate specified in its water right authorization, shall not adversely affect existing water rights, and shall not be inconsistent with state-approved plans such as water system plans or other plans which include specific proposals for construction of interties. Interties approved and commencing use after January 1, 1991, shall not be inconsistent with regional water resource plans developed pursuant to chapter 90.54 RCW or chapter 90.-- RCW (sections 101 through 114 of this act).

(5) For public water systems subject to the approval process of chapter 43.20 RCW or chapter 70.116 RCW, proposals for interties commencing use after January 1, 1991, shall be incorporated into water system plans pursuant to chapter 43.20 RCW or coordinated water system plans pursuant to chapter 70.116 RCW and submitted to the department of health and the department of ecology for review and approval as provided for in subsections (5) through (9) of this section. The plan shall state how the proposed intertie will improve overall system reliability, enhance the manageability of the systems, provide opportunities for conjunctive use, or delay or avoid the need to develop new water sources.

(6) The department of health shall be responsible for review and approval of proposals for new interties. In its review the department of health shall determine whether the intertie satisfies the criteria of subsection (4) of this section, with the exception of water rights considerations, which are the responsibility of the department of ecology, and shall determine whether the intertie is necessary to address emergent public health or safety concerns associated with public water supply.

(7) If the intertie is determined by the department of health to be necessary to address emergent public health or safety concerns associated with public water supply, the public water system shall amend its water system plan as required and shall file an application with the department of ecology to change its existing water right to reflect the proposed use of the water as described in the approved water system plan. The department of ecology shall process the application for change pursuant to RCW 90.03.380 or 90.44.100 as appropriate, except that, notwithstanding the requirements of those sections regarding notice and protest periods, applicants shall be required to publish notice one time, and the comment period shall be fifteen days from the date of publication of the notice. Within sixty days of receiving the application, the department of ecology shall issue findings and advise the department of health if existing water rights are determined to be adversely affected. If no determination is provided by the department of ecology within the sixty-day period, the department of health shall proceed as if existing rights are not adversely affected by the proposed intertie. The department of ecology may obtain an extension of the sixty-day period by submitting written notice to the department of health and to the applicant indicating a definite date by which its determination will be made. No additional extensions shall be granted, and in no event shall the total review period for the department of ecology exceed one hundred eighty days.

(8) If the department of health determines the proposed intertie appears to meet the requirements of subsection (4) of this section but is not necessary to address emergent public health or safety concerns associated with public water supply, the department of health shall instruct the applicant to submit to the department of ecology an application for change to the underlying water right or claim as necessary to reflect the new place of use. The department of ecology shall consider the applications pursuant to the provisions of RCW 90.03.380 and 90.44.100 as appropriate. The department of ecology shall not deny or limit a change of place of use for an intertie on the grounds that the holder of a permit has not yet put all of the water authorized in the permit to beneficial use. If in its review of proposed interties and associated water rights the department of ecology determines that additional information is required to act on the application, the department may request applicants to

provide information necessary for its decision, consistent with agency rules and written guidelines. Parties disagreeing with the decision of the department of ecology (~~(en)~~) to approve or deny the application for change in place of use may appeal the decision to the pollution control hearings board.

(9) The department of health may approve plans containing intertie proposals prior to the department of ecology's decision on the water right application for change in place of use. However, notwithstanding such approval, construction work on the intertie shall not begin until the department of ecology issues the appropriate water right document to the applicant consistent with the approved plan.

(10) The 1997 amendments to this section in this act are null and void if any one of sections 101 through 116 of this act is vetoed by June 30, 1997.

**Sec. 402.** RCW 90.03.330 and 1987 c 109 s 89 are each amended to read as follows:

(1) Upon a showing satisfactory to the department that any appropriation has been perfected in accordance with the provisions of this chapter, it shall be the duty of the department to issue to the applicant a certificate stating such facts in a form to be prescribed by him, and such certificate shall thereupon be recorded with the department. Any original water right certificate issued, as provided by this chapter, shall be recorded with the department and thereafter, at the expense of the party receiving the same, be by the department transmitted to the county auditor of the county or counties where the distributing system or any part thereof is located, and be recorded in the office of such county auditor, and thereafter be transmitted to the owner thereof.

(2) If a public water system is providing water for municipal supply purposes under a certificated water right, the instantaneous and annual withdrawal rates specified in the certificate are deemed valid and perfected.

(3) If a federal reclamation project is providing water for reclamation purposes under a certificated water right, the instantaneous and annual withdrawal rates specified in the certificate are deemed valid and perfected.

(4) If an irrigation district is providing water for the purposes authorized by chapter 87.03 RCW under a certificated water right, the instantaneous and annual withdrawal rates specified in the certificate are deemed valid and perfected.

(5) The 1997 amendments to this section in this act are null and void if any one of sections 101 through 116 of this act is vetoed by June 30, 1997.

## PART V RELINQUISHMENT

**Sec. 501.** RCW 90.14.140 and 1987 c 125 s 1 are each amended to read as follows:

(1) For the purposes of RCW 90.14.130 through 90.14.180, "sufficient cause" shall be defined as the nonuse of all or a portion of the water by the owner of a water right for a period of five or more consecutive years where such nonuse occurs as a result of:

(a) Drought, or other unavailability of water;

(b) Active service in the armed forces of the United States during military crisis;

(c) Nonvoluntary service in the armed forces of the United States;

(d) The operation of legal proceedings;

(e) Federal laws imposing land or water use restrictions either directly or through the voluntary enrollment of a landowner in a federal program implementing those laws, or acreage limitations, or production quotas;

(f) An elapse of time occurring while a request or application is processed for transferring or changing a water right to use by a public water supplier for municipal purposes;

(g) The implementation of practices or technologies or the installation or repair of facilities, including but not limited to water conveyance practices, technologies, or facilities, that are more efficient or more water use efficient than practices, technologies, or facilities previously used under the water right.

(2) Notwithstanding any other provisions of RCW 90.14.130 through 90.14.180, there shall be no relinquishment of any water right:

(a) If such right is claimed for power development purposes under chapter 90.16 RCW and annual license fees are paid in accordance with chapter 90.16 RCW, or

(b) If such right is used for a standby or reserve water supply to be used in time of drought or other low flow period so long as withdrawal or diversion facilities are maintained in good operating condition for the use of such reserve or standby water supply, or

(c) If such right is claimed for a determined future development to take place (~~either~~) at any time within fifteen years of either July 1, 1967, or the most recent beneficial use of the water right, whichever date is later, or

(d) If such right is claimed for municipal water supply purposes under chapter 90.03 RCW, or

(e) If such waters are not subject to appropriation under the applicable provisions of RCW 90.40.030 as now or hereafter amended.

## PART VI GENERAL PERMITS

**NEW SECTION. Sec. 601.** The legislature finds that the present delay in the processing of water right applications is not beneficial to the citizens of the state nor is it in keeping with the goal of managing the resource to the highest possible standard and maximum net benefit.

The legislature further finds that water conservation efforts would be greatly enhanced by a permit system that encourages water right applicants to use only the amount of water actually necessary to meet their needs.

**NEW SECTION. Sec. 602.** A new section is added to chapter 90.03 RCW to read as follows:

(1) The department shall develop a general permit system for appropriating water for nonconsumptive, nonbypass uses. This system must be designed and used to accurately identify and register any water right application that qualifies for the streamlined process of appropriation of water by meeting the requirements in this section and registering the use. The general permit system must be applicable state-wide, and all waters of the state shall be eligible for coverage under the system. The evaluation and report required for an application under RCW 90.03.290 are not required for applications processed under the general permit system. For the purposes of this section:

(a) "Nonconsumptive, nonbypass use" means a use of water in which water is diverted from a stream or drawn from an aquifer and following its use is discharged Backlund into or near the point of diversion or withdrawal without diminishment in quality and less than five thousand gallons of net consumption per day; and

(b) "Without diminishment of quality" means that, before being discharged Backlund to its source, the water being discharged meets state water quality standards adopted under chapter 90.48 RCW.

(2) The department shall, by January 1, 1998, establish the general permit system by adopting rules in accordance with chapter 34.05 RCW. Before the adoption of rules for a system, the department shall consult with representatives of the following interest groups: Agriculture; aquaculture; home construction and development; county government; city government; surface mining; and the environmental community. At least four public hearings must be held at various locations around the state, not less than two of which shall be east of the crest of the Cascade mountains. The rules must identify criteria for proposed uses of water for which applications might be processed under the system and must establish procedures for filing and processing applications and issuing water rights certificates under the general permit system.

**NEW SECTION. Sec. 603.** A new section is added to chapter 90.03 RCW to read as follows:

An application for registration as a nonconsumptive, nonbypass water user under the general permit system established under section 602 of this act must be made on a form adopted and provided by the department. Within sixty days of receipt of a properly completed application, the department shall determine whether the proposed use is eligible to be processed under the general permit system. If the department determines that the proposed use is eligible to be processed under the system, the application must be processed under the system within the next sixty days. The priority date of the water right established pursuant to this section shall be the date that the properly completed application is submitted. If the department determines that the proposed use is not eligible for the processing, the department shall explain to the applicant in writing the reasons for its determination. For a proposed use determined ineligible for the processing, if the department finds that the information contained on the application form substantially satisfies the information requirements for an application for a use that

would normally be filed for processing the application outside of the general permit system, the department shall notify the applicant of its finding and shall process the application as if it were filed for processing outside of the system. If the department finds that the information does not substantially satisfy the requirements, the application must be considered to be incomplete for the processing and the applicant must be notified of this consideration.

**NEW SECTION. Sec. 604.** A new section is added to chapter 90.03 RCW to read as follows:

Nothing in sections 602 and 603 of this act authorizes the impairment or operates to impair any existing water rights. A water right holder under sections 602 and 603 of this act shall not make withdrawals that impair a senior water right. A holder of a senior water right who believes his or her water right is impaired may file a complaint with the department of ecology. Where such complaints of impairment have been received, the department of ecology shall make all reasonable efforts to resolve them in a timely manner through agreement of the parties. Nothing in section 602 or 603 of this act may be construed as waiving any requirement established under chapter 90.48 RCW or federal law that a permittee secure a discharge permit regarding water quality.

**NEW SECTION. Sec. 605.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1997, in the omnibus appropriations act, this act is null and void.

## PART VII APPEALS

**NEW SECTION. Sec. 701.** The legislature recognizes that in many cases the value of real property directly depends upon the amount of water that is available for use on that property. The legislature also recognizes that water rights are a type of property right in which many different parties may assert an interest. Current statutes require many property rights actions in which different parties assert interests, such as actions for partition or eminent domain, to be filed in superior court. The legislature further finds that informal procedures such as mediation and fact finding have been employed successfully in other areas of the law, and may produce positive results in certain types of water disputes. The legislature therefore finds that property owners should have a choice to select informal or formal hearings before the pollution control hearings board, and that relinquishment proceedings should be appealed to the local superior courts.

**Sec. 702.** RCW 34.05.514 and 1995 c 347 s 113 and 1995 c 292 s 9 are each reenacted and amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, proceedings for review under this chapter shall be instituted by paying the fee required under RCW 36.18.020 and filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

(3) For proceedings involving the relinquishment of a water right and appeals of informal hearings of the pollution control hearings board, the petition shall be filed in the superior court for the county in which is located the land upon which the water was used.

**Sec. 703.** RCW 43.21B.110 and 1993 c 387 s 22 are each amended to read as follows:

(1) The pollution control hearings board shall only have jurisdiction to hear and decide appeals from the following decisions of the department, the director, the administrator of the office of marine safety, and the air pollution control boards or authorities as established pursuant to chapter 70.94 RCW, or local health departments:

(a) Civil penalties imposed pursuant to RCW 18.104.155, 70.94.431, 70.105.080, 70.107.050, 88.46.090, 90.03.600, 90.48.144, 90.56.310, and 90.56.330.

(b) Orders issued pursuant to RCW 18.104.043, 18.104.060, 43.27A.190, 70.94.211, 70.94.332, 70.105.095, 86.16.020, 88.46.070, (~~90.14.130~~) and 90.48.120.

(c) The issuance, modification, or termination of any permit, certificate, or license by the department or any air authority in the exercise of its jurisdiction, including the issuance or termination of a waste disposal permit, the denial of an application for a waste disposal permit, or the modification of the conditions or the terms of a waste disposal permit.

(d) Decisions of local health departments regarding the grant or denial of solid waste permits pursuant to chapter 70.95 RCW.

(e) Decisions of local health departments regarding the issuance and enforcement of permits to use or dispose of biosolids under RCW 70.95J.080.

(f) Any other decision by the department, the administrator of the office of marine safety, or an air authority which pursuant to law must be decided as an adjudicative proceeding under chapter 34.05 RCW.

(2) The jurisdiction of the pollution control hearings board is further limited as follows:

(a) The hearings board has no jurisdiction to review orders pertaining to the relinquishment of a water right under RCW 90.14.130, or to review proceedings regarding general adjudications of water rights conducted pursuant to chapter 90.03 or 90.44 RCW.

(b) The following hearings shall not be conducted by the hearings board:

~~((a))~~ (i) Hearings required by law to be conducted by the shorelines hearings board pursuant to chapter 90.58 RCW.

~~((b))~~ (ii) Hearings conducted by the department pursuant to RCW 70.94.332, 70.94.390, 70.94.395, 70.94.400, 70.94.405, 70.94.410, and 90.44.180.

~~((c) Proceedings by the department relating to general adjudications of water rights pursuant to chapter 90.03 or 90.44 RCW.~~

~~((d))~~ (iii) Hearings conducted by the department to adopt, modify, or repeal rules.

(3) ~~((Review of))~~ Rules and regulations adopted by the hearings board shall be subject to review in accordance with the provisions of the Administrative Procedure Act, chapter 34.05 RCW.

**Sec. 704.** RCW 43.21B.130 and 1990 c 65 s 3 are each amended to read as follows:

The administrative procedure act, chapter 34.05 RCW, shall apply to the appeal of rules and regulations adopted by the board to the same extent as it applied to the review of rules and regulations adopted by the directors and/or boards or commissions of the various departments whose powers, duties and functions were transferred by section 6, chapter 62, Laws of 1970 ex. sess. to the department. ~~((All other decisions and orders of the director and all decisions of air pollution control boards or authorities established pursuant to chapter 70.94 RCW shall be subject to review by the hearings board as provided in this chapter.))~~

**Sec. 705.** RCW 43.21B.240 and 1989 c 175 s 105 are each amended to read as follows:

The department and air authorities shall not have authority to hold adjudicative proceedings pursuant to the Administrative Procedure Act, chapter 34.05 RCW. Such hearings, except those involving water quantity decisions, as defined in section 713 of this act, that are appealed directly to a superior court, and appeals of orders pertaining to the relinquishment of a water right issued pursuant to RCW 90.14.130, shall be held by the pollution control hearings board.

**Sec. 706.** RCW 43.21B.305 and 1994 c 253 s 5 are each amended to read as follows:

In an appeal that involves a penalty of five thousand dollars or less, and in an informal hearing appeal relating to a water quantity decision as defined in section 713 of this act, the appeal may be heard by one member of the board, whose decision shall be the final decision of the board. The board shall define by rule alternative procedures to expedite small appeals. These alternatives may include: Mediation, upon agreement of all parties unless initiated as provided in section 713 of this act; submission of testimony by affidavit; conducting hearing by telephone; or other forms that may lead to less formal and faster resolution of appeals.

**Sec. 707.** RCW 43.21B.310 and 1992 c 73 s 3 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, any order issued by the department ~~((, the administrator of the office of marine safety,))~~ or authority pursuant to RCW 70.94.211, 70.94.332, 70.105.095, 43.27A.190, 86.16.020, 88.46.070, or 90.48.120(2) or any provision enacted after July 26, 1987, or any permit, certificate, or license issued by the department may be appealed to the pollution control hearings board if the appeal is filed with the board and served on the department or

authority within thirty days after receipt of the order. Except as provided under chapter 70.105D RCW, ~~((this is))~~ these are the exclusive means of appeal of such an order.

~~((2))~~ (a) The department, the administrator, or the authority in its discretion may stay the effectiveness of an order during the pendency of such an appeal.

~~((3))~~ (b) At any time during the pendency of an appeal of such an order to the board, the appellant may apply pursuant to RCW 43.21B.320 to the hearings board for a stay of the order or for the removal thereof.

~~((4))~~ (c) Any appeal before the hearings board must contain the following in accordance with the rules of the hearings board:

~~((a))~~ (i) The appellant's name and address;

~~((b))~~ (ii) The date and docket number of the order, permit, or license appealed;

~~((c))~~ (iii) A description of the substance of the order, permit, or license that is the subject of the appeal;

~~((d))~~ (iv) A clear, separate, and concise statement of every error alleged to have been committed;

~~((e))~~ (v) A clear and concise statement of facts upon which the requester relies to sustain his or her statements of error; and

~~((f))~~ (vi) A statement setting forth the relief sought.

~~((5))~~ (d) Upon failure to comply with any final order of the department or the administrator, the attorney general, on request of the department or the administrator, may bring an action in the superior court of the county where the violation occurred or the potential violation is about to occur to obtain such relief as necessary, including injunctive relief, to insure compliance with the order. The air authorities may bring similar actions to enforce their orders.

~~((6))~~ (e) An appealable decision or order shall be identified as such and shall contain a conspicuous notice to the recipient that it may be appealed only by filing an appeal with the hearings board and serving it on the department within thirty days of receipt.

(2) Water quantity decisions of the department, as defined in section 713 of this act, may be appealed either to the pollution control hearings board or directly to a superior court as provided in section 713 of this act. Appeals of orders pertaining to the relinquishment of a water right are filed in superior court as provided by RCW 90.14.130.

**Sec. 708.** RCW 43.27A.190 and 1987 c 109 s 11 are each amended to read as follows:

Notwithstanding and in addition to any other powers granted to the department of ecology, whenever it appears to the department that a person is violating or is about to violate any of the provisions of the following:

(1) Chapter 90.03 RCW; or

(2) Chapter 90.44 RCW; or

(3) Chapter 86.16 RCW; or

(4) Chapter 43.37 RCW; or

(5) Chapter 43.27A RCW; or

(6) Any other law relating to water resources administered by the department; or

(7) A rule or regulation adopted, or a directive or order issued by the department relating to subsections (1) through (6) of this section; the department may cause a written regulatory order to be served upon ~~((said))~~ the person either personally, or by registered or certified mail delivered to addressee only with return receipt requested and acknowledged by him or her. The order shall specify the provision of the statute, rule, regulation, directive or order alleged to be or about to be violated, and the facts upon which the conclusion of violating or potential violation is based, and shall order the act constituting the violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary corrective action to be taken with regard to such acts within a specific and reasonable time. The regulation of a headgate or controlling works as provided in RCW 90.03.070, by a watermaster, stream patrolman, or other person so authorized by the department shall constitute a regulatory order within the meaning of this section. A regulatory order issued hereunder shall become effective immediately upon receipt by the person to whom the order is directed, except for regulations under RCW 90.03.070 which shall become effective when a written notice is attached as provided therein. Any person aggrieved by such order may appeal the order pursuant to RCW 43.21B.310, except that appeals of orders pertaining to the relinquishment of a water right shall be filed in superior court pursuant to RCW 90.14.130.

**Sec. 709.** RCW 90.14.130 and 1987 c 109 s 13 are each amended to read as follows:

When it appears to the department of ecology that a person entitled to the use of water has not beneficially used his or her water right or some portion thereof, and it appears that ~~((said))~~ the person's right has or may have reverted to the state because of such nonuse, as provided by RCW 90.14.160, 90.14.170, or 90.14.180, the department of ecology shall notify such person by order: PROVIDED, That where a company, association, district, or the United States has filed a blanket claim under the provisions of RCW 90.14.060 for the total benefits of those served by it, the notice shall be served on such company, association, district or the United States and not upon any of its individual water users who may not have used the water or some portion thereof which they were entitled to use. The order shall contain: (1) A description of the water right, including the approximate location of the point of diversion, the general description of the lands or places where such waters were used, the water source, the amount involved, the purpose of use, and the apparent authority upon which the right is based; (2) a statement that unless sufficient cause be shown on appeal the water right will be declared relinquished; and (3) a statement that such order may be appealed to the ~~((pollution control hearings board))~~ superior court. Any person aggrieved by such an order may appeal it to the ~~((pollution control hearings board pursuant to RCW 43.21B.310))~~ superior court for the county in which is located the land upon which the water was used. Any such appeal to superior court shall be heard de novo. The order shall be served by registered or certified mail to the last known address of the person and be posted at the point of diversion or withdrawal. The order by itself shall not alter the recipient's right to use water, if any.

**Sec. 710.** RCW 90.14.190 and 1987 c 109 s 14 are each amended to read as follows:

Any person feeling aggrieved by any decision of the department of ecology may have the same reviewed pursuant to RCW 43.21B.310. However, any order pertaining to the relinquishment of a water right shall be filed in superior court pursuant to RCW 90.14.130. In any such review, the findings of fact as set forth in the report of the department of ecology shall be prima facie evidence of the fact of any waiver or relinquishment of a water right or portion thereof. If the hearings board affirms the decision of the department, a party seeks review in superior court of that hearings board decision pursuant to chapter 34.05 RCW, and the court determines that the party was injured by an arbitrary, capricious, or erroneous order of the department, the court may award reasonable attorneys' fees.

**Sec. 711.** RCW 90.14.200 and 1989 c 175 s 180 are each amended to read as follows:

(1) All matters relating to the implementation and enforcement of this chapter by the department of ecology shall be carried out in accordance with chapter 34.05 RCW, the Administrative Procedure Act, except where the provisions of this chapter expressly conflict with chapter 34.05 RCW. Proceedings held pursuant to RCW 90.14.130 are ~~((adjudicative proceedings within the meaning of chapter 34.05 RCW. Final decisions of the department of ecology in these proceedings))~~ appealable to superior court as provided in that section. Other final decisions of the department of ecology under this chapter are subject to review by the pollution control hearings board in accordance with chapter 43.21B RCW.

(2) RCW 90.14.130 provides nonexclusive procedures for determining a relinquishment of water rights under RCW 90.14.160, 90.14.170, and 90.14.180. RCW 90.14.160, 90.14.170, and 90.14.180 may be applied in, among other proceedings, general adjudication proceedings initiated under RCW 90.03.110 or 90.44.220: PROVIDED, That nothing herein shall apply to litigation involving determinations of the department of ecology under RCW 90.03.290 relating to the impairment of existing rights.

**Sec. 712.** RCW 90.66.080 and 1979 c 3 s 8 are each amended to read as follows:

The department is hereby empowered to promulgate such rules as may be necessary to carry out the provisions of this chapter. Decisions of the department, other than rule making, shall be subject to review by the pollution control hearings board or a superior court in accordance with chapter 43.21B RCW.

NEW SECTION. **Sec. 713.** A new section is added to chapter 43.21B RCW to read as follows:

(1) A water right claimant, or permit or certificate holder or applicant who is aggrieved or adversely affected by a water quantity decision may appeal the decision either to the pollution control

hearings board pursuant to RCW 43.21B.310 or to the superior court for a county in which is located land on which the water is or was put to a beneficial use.

(2) At the request of any party, the board shall conduct an informal hearing, consisting of mediation and, if a settlement cannot be agreed upon, fact finding with recommendations. The hearings board shall adopt rules governing the election, practice, and procedures of informal hearings consistent with this section and section 714 of this act.

(3) For purposes of this chapter, a "water quantity decision" includes the following:

(a) A decision to grant or deny a permit or certificate for a right to the beneficial use of water or to amend, change, or transfer such a right; and

(b) A decision to enforce the conditions of a permit for, or right to, the beneficial use of water or to require any person to discontinue the use of water.

**NEW SECTION. Sec. 714.** A new section is added to chapter 43.21B RCW to read as follows:

(1) When one of the parties elects an informal hearing pursuant to section 713 of this act, a board member or an administrative law judge from the environmental hearings office shall be assigned as the mediator for the appeal.

(2) The parties involved in the informal hearing must provide the mediator and the other parties in advance with a clear, concise statement of the disputed issues and the parties' position in relation to the issues and supporting documentation. The mediator shall meet with the parties either jointly or separately, in the general area of the project under review or by telephone, at the discretion of the mediator, and shall take such steps as the mediator deems appropriate to resolve their differences and reach a settlement agreement. If a settlement agreement is reached, the mediator shall prepare and submit to the hearings board a written order of dismissal to which the settlement agreement is attached. The hearings board shall enter the order and dismiss the case unless the hearings board finds that the settlement agreement is contrary to law.

If the hearings board finds that the settlement agreement is contrary to law, it shall notify the parties and refer the dispute Backlund to mediation.

(3) If the parties are unable to achieve a settlement agreement within ninety days after being appointed, the mediator shall issue a statement that a settlement agreement has not been reached. After issuance of the statement, the party filing the appeal may request the hearings board to submit the dispute to fact finding with recommendations. Notice of the request for fact finding must be sent to the other parties.

(4) Within five days of the receipt of the request for fact finding, the hearings board shall assign a board member or an administrative appeals judge from the environmental hearings office to serve as fact finder. The person who served as the mediator to the dispute may serve as the fact finder with the consent of both parties.

(5) Within five days of being appointed, the fact finder shall establish a date, time, and place for the fact-finding hearing. The date of the hearing must be within thirty days of the appointment of the fact finder. The hearing shall be conducted in the general area where the project under review is located. At least seven days before the date of the hearing, each party must submit to the fact finder and to the other parties written proposals on all of the issues it intends to submit to fact finding. The fact finder has the power to issue subpoenas requiring the attendance and production of witnesses and the production of evidence. The order of presentation at the hearing shall be as agreed by the parties or as determined by the fact finder. Each documentary exhibit shall be filed with the fact finder and copies shall be provided to the other parties. The fact finder shall declare the hearing closed after the parties have completed presenting their testimony within agreed time limits.

(6) The fact finder shall, within thirty days following the conclusion of the hearing, make written findings of fact and written recommendations to the parties as to how the dispute should be resolved. The fact finder may not apply any presumption as part of the findings of fact or recommendations. A copy of the findings and recommendations shall be filed with the hearings board. The findings of fact and recommendations of the fact finder are advisory only, and are not subject to review by the hearings board.

(7) The time limits established in this section may be extended by mutual agreement of all the parties.

**NEW SECTION. Sec. 715.** A new section is added to chapter 43.21B RCW to read as follows:

(1) Within thirty days after the fact finder has filed the findings of fact and recommendations pursuant to section 714 of this act, a party may request a formal hearing by the hearings board or appeal the water quantity decision directly to superior court. All parties must agree to a formal hearing before a formal hearing is granted.

(2) If a party elects to file an action in superior court following an informal hearing, it must be filed in the county in which is located the land upon which the water is or would be used.

NEW SECTION. Sec. 716. A new section is added to chapter 43.21B RCW to read as follows:

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1997

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1565 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that small scale prospecting and mining is an important part of the heritage of the state. The legislature further finds that small scale prospecting and mining provide economic benefits to the state, and help to meet the national security demand and industrial demand for minerals. The legislature further finds that it is critical that small scale miners and prospectors be allowed access to open public lands in the state. The legislature further finds that mineral prospecting and mining activities can be conducted in a manner that is consistent with fish habitat and fish-life population. Now, therefore, the legislature declares that small scale prospecting and mining must not be unreasonably regulated. The legislature further declares that small scale prospecting and mining must not be unfairly limited or obstructed from access to open public lands. The legislature further declares that all restrictions or regulations of small scale prospecting and mining activities must be based on sound scientific evidence and applicable documentation supporting the need for such restrictions.

**Sec. 2.** RCW 75.20.100 and 1993 sp.s. c 2 s 30 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the written approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 (~~and 75.20.1002~~), the department shall grant or deny approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay. Approval is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent. If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

For the purposes of this section and RCW 75.20.103, "bed" shall mean the land below the ordinary high water lines of state waters. This definition shall not include irrigation ditches, canals,

storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

The phrase "to construct any form of hydraulic project or perform other work" shall not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately upon request, for a stream crossing during an emergency situation.

This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

This section does not apply to small scale prospecting and mining activities, which are governed by section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 75.20 RCW to read as follows:

(1) Small scale prospecting and mining is exempt from the provisions of this chapter, provided that such activity does not undercut streambanks or disturb rooted live woody plants such as trees or shrubs.

(2) For the purposes of this chapter, "small scale prospecting and mining" means only the use of the following methods: Pans, sluice boxes, concentrators, and mini-rocker boxes for the discovery and recovery of minerals."

On page 1, line 1 of the title, after "mining;" strike the remainder of the title and insert "amending RCW 75.20.100; adding a new section to chapter 75.20 RCW; and creating a new section."

and the same is herewith transmitted.

Susan Carlson, Deputy Secretary

There being no objection, the House did not concur in the Senate amendments to Substitute House Bill No. 1565, and asked the Senate for a Conference thereon.

#### APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Pennington, Mielke and Regala as conferees on Substitute House Bill No. 1565.

#### SENATE AMENDMENTS TO HOUSE BILL

April 16, 1997

Mr. Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 3900 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 5.60.060 and 1996 c 156 s 1 are each amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by

one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding against a spouse if the marriage occurred subsequent to the filing of formal charges against the defendant, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 70.96A or 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 70.96A or 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2)(a) An attorney or counselor shall not, without the consent of his or her client, be examined as to any communication made by the client to him or her, or his or her advice given thereon in the course of professional employment.

(b) No parent or guardian of a minor child arrested on a criminal charge may be examined as to a communication between the child and his or her attorney if the communication was made in the presence of the parent or guardian. This privilege does not extend to communications made prior to the arrest.

(3) A member of the clergy or a priest shall not, without the consent of a person making the confession, be examined as to any confession made to him or her in his or her professional character, in the course of discipline enjoined by the church to which he or she belongs.

(4) Subject to the limitations under RCW 70.96A.140 or 71.05.250, a physician or surgeon or osteopathic physician or surgeon shall not, without the consent of his or her patient, be examined in a civil action as to any information acquired in attending such patient, which was necessary to enable him or her to prescribe or act for the patient, except as follows:

(a) In any judicial proceedings regarding a child's injury, neglect, or sexual abuse or the cause thereof; and

(b) Ninety days after filing an action for personal injuries or wrongful death, the claimant shall be deemed to waive the physician-patient privilege. Waiver of the physician-patient privilege for any one physician or condition constitutes a waiver of the privilege as to all physicians or conditions, subject to such limitations as a court may impose pursuant to court rules.

(5) A public officer shall not be examined as a witness as to communications made to him or her in official confidence, when the public interest would suffer by the disclosure.

(6)(a) A peer support group counselor shall not, without consent of the law enforcement officer making the communication, be compelled to testify about any communication made to the counselor by the officer while receiving counseling. The counselor must be designated as such by the sheriff, police chief, or chief of the Washington state patrol, prior to the incident that results in counseling. The privilege only applies when the communication was made to the counselor while acting in his or her capacity as a peer support group counselor. The privilege does not apply if the counselor was an initial responding officer, a witness, or a party to the incident which prompted the delivery of peer support group counseling services to the law enforcement officer.

(b) For purposes of this section, "peer support group counselor" means a:

(i) Law enforcement officer, or civilian employee of a law enforcement agency, who has received training to provide emotional and moral support and counseling to an officer who needs those services as a result of an incident in which the officer was involved while acting in his or her official capacity; or

(7) A sexual assault advocate may not, without the consent of the victim, be examined as to any communication made by the victim to the sexual assault advocate.

(a) For purposes of this section, "sexual assault advocate" means the employee or volunteer from a rape crisis center, victim assistance unit, program, or association, that provides information, medical or legal advocacy, counseling, or support to victims of sexual assault, who is designated by the victim to accompany the victim to the hospital or other health care facility and to proceedings concerning the alleged assault, including police and prosecution interviews and court proceedings.

(b) A sexual assault advocate may disclose a confidential communication without the consent of the victim if failure to disclose is likely to result in a clear, imminent risk of serious physical injury or death of the victim or another person. Any sexual assault advocate participating in good faith in the disclosing of records and communications under this section shall have immunity from any liability,

civil, criminal, or otherwise, that might result from the action. In any proceeding, civil or criminal, arising out of a disclosure under this section, the good faith of the sexual assault advocate who disclosed the confidential communication shall be presumed.

**Sec. 2.** RCW 9.94A.030 and 1996 c 289 s 1 and 1996 c 275 s 5 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction. Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to the provisions in RCW 38.52.430.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(12)~~((a))~~ "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction ~~((a))~~ (a) whether the defendant has been placed on probation and the length and terms thereof; and ~~((b))~~ (b) whether the defendant has been incarcerated and the length of incarceration.

~~((b) "Criminal history" shall always include juvenile convictions for sex offenses and serious violent offenses and shall also include a defendant's other prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020(9); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.))~~

(16) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(17) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a felony traffic offense under (a) of this subsection.

(24) "Nonviolent offense" means an offense which is not a violent offense.

(1) A sentencing guidelines commission is established as an agency of state government.

(2) The legislature finds that the commission, having accomplished its original statutory directive to implement this chapter, and having expertise in sentencing practice and policies, shall:

(a) Evaluate state sentencing policy, to include whether the sentencing ranges and standards are consistent with and further:

(i) The purposes of this chapter as defined in RCW 9.94A.010; and

(ii) The intent of the legislature to emphasize confinement for the violent offender and alternatives to confinement for the nonviolent offender.

The commission shall provide the governor and the legislature with its evaluation and recommendations under this subsection not later than December 1, 1996, and every two years thereafter;

(b) Recommend to the legislature revisions or modifications to the standard sentence ranges, state sentencing policy, prosecuting standards, and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity;

(c) Study the existing criminal code and from time to time make recommendations to the legislature for modification;

(d)(i) Serve as a clearinghouse and information center for the collection, preparation, analysis, and dissemination of information on state and local adult and juvenile sentencing practices; (ii) develop and maintain a computerized adult and juvenile sentencing information system by individual superior court judge consisting of offender, offense, history, and sentence information entered from judgment and sentence forms for all adult felons; and (iii) conduct ongoing research regarding adult and juvenile sentencing guidelines, use of total confinement and alternatives to total confinement, plea bargaining, and other matters relating to the improvement of the adult criminal justice system and the juvenile justice system;

modifications of the standards (~~in accordance with RCW 9.94A.045~~). The evaluations shall be submitted to the legislature on December 1 of each odd-numbered year. The department of social and health services shall provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders, and with recommendations for modification of the disposition standards. The office of the administrator for the courts shall provide the commission with available data on diversion and dispositions of juvenile offenders under chapter 13.40 RCW; and

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

(4) The standard sentence ranges of total and partial confinement under this chapter are subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range, except that if the maximum term in the range is ninety days or less, the minimum term may be less than one-third of the maximum;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) The maximum term of confinement in a range may not exceed the statutory maximum for the crime as provided in RCW 9A.20.021.

**Sec. 4.** RCW 9.94A.120 and 1996 c 275 s 2, 1996 c 215 s 5, 1996 c 199 s 1, and 1996 c 93 s 1 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (4), (5), (6), and (8) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) A persistent offender shall be sentenced to a term of total confinement for life without the possibility of parole or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, notwithstanding the maximum sentence under any other law. An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section. In addition, all offenders subject to the provisions of this subsection shall not be eligible for community custody, earned early release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release as defined under RCW 9.94A.150 (1), (2), (3), (5), (7), or (8), or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer or officers during such minimum terms of total confinement except in the case of an offender in need of emergency medical treatment or for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

- (a) Devote time to a specific employment or occupation;
- (b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;
- (c) Pursue a prescribed, secular course of study or vocational training;
- (d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (e) Report as directed to the court and a community corrections officer; or
- (f) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(6)(a) An offender is eligible for the special drug offender sentencing alternative if:

(i) The offender is convicted of the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or a felony that is, under chapter 9A.28 RCW or RCW 69.50.407, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes, and the violation does not involve a sentence enhancement under RCW 9.94A.310 (3) or (4);

(ii) The offender has no prior convictions for a felony in this state, another state, or the United States; and

(iii) The offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance.

(b) If the midpoint of the standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this subsection shall undergo a comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. The treatment services shall be designed by the division of alcohol and substance abuse of the department of social and health services, in cooperation with the department of corrections. If the midpoint of the standard range is twenty-four months or less, no more than three months of the sentence may be served in a work release status. The court shall also impose one year of concurrent community custody and community supervision that must include appropriate outpatient substance abuse treatment, crime-related prohibitions including a condition not to use illegal controlled substances, and a requirement to submit to urinalysis or other testing to monitor that status. The court may require that the monitoring for controlled substances be conducted by the department or by a treatment alternatives to street crime program or a comparable court or agency-referred program. The offender may be required to pay thirty dollars per month while on community custody to offset the cost of monitoring. In addition, the court shall impose three or more of the following conditions:

- (i) Devote time to a specific employment or training;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer before any change in the offender's address or employment;
- (iii) Report as directed to a community corrections officer;
- (iv) Pay all court-ordered legal financial obligations;
- (v) Perform community service work;
- (vi) Stay out of areas designated by the sentencing judge.

(c) If the offender violates any of the sentence conditions in (b) of this subsection, the department shall impose sanctions administratively, with notice to the prosecuting attorney and the sentencing court. Upon motion of the court or the prosecuting attorney, a violation hearing shall be held by the court. If the court finds that conditions have been willfully violated, the court may impose confinement consisting of up to the remaining one-half of the midpoint of the standard range. All total confinement served during the period of community custody shall be credited to the offender,

regardless of whether the total confinement is served as a result of the original sentence, as a result of a sanction imposed by the department, or as a result of a violation found by the court. The term of community supervision shall be tolled by any period of time served in total confinement as a result of a violation found by the court.

(d) The department shall determine the rules for calculating the value of a day fine based on the offender's income and reasonable obligations which the offender has for the support of the offender and any dependents. These rules shall be developed in consultation with the administrator for the courts, the office of financial management, and the commission.

(7) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(8)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (A) Frequency and type of contact between offender and therapist;
- (B) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;
- (D) Anticipated length of treatment; and
- (E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sexual offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eight years of confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community custody for the length of the suspended sentence or three years, whichever is greater, and require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section; and

(B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of

confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (I) Devote time to a specific employment or occupation;
- (II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (III) Report as directed to the court and a community corrections officer;
- (IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or
- (V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community custody, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community custody.

(v) If a violation of conditions occurs during community custody, the department shall either impose sanctions as provided for in RCW 9.94A.205(2)(a) or refer the violation to the court and recommend revocation of the suspended sentence as provided for in (a)(vi) of this subsection.

(vi) The court may revoke the suspended sentence at any time during the period of community custody and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community custody shall be credited to the offender if the suspended sentence is revoked.

(vii) Except as provided in (a) (viii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(viii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (8) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (8) and the rules adopted by the department of health.

(ix) For purposes of this subsection (8), "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(x) If the defendant was less than eighteen years of age when the charge was filed, the state shall pay for the cost of initial evaluation and treatment.

(b) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of

confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in this subsection (8)(b) shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (8)(b) does not apply to any crime committed after July 1, 1990.

(c) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(9)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense committed on or after July 1, 1990, but before June 6, 1996, a serious violent offense, vehicular homicide, or vehicular assault, committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

- (i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
- (ii) The offender shall work at department of corrections-approved education, employment, and/or community service;
- (iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;
- (iv) An offender in community custody shall not unlawfully possess controlled substances;
- (v) The offender shall pay supervision fees as determined by the department of corrections; and

(vi) The residence location and living arrangements are subject to the prior approval of the department of corrections during the period of community placement.

(c) As a part of any sentence imposed under (a) or (b) of this subsection, the court may also order any of the following special conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(iii) The offender shall participate in crime-related treatment or counseling services;

(iv) The offender shall not consume alcohol;

(v) The offender shall comply with any crime-related prohibitions; or

(vi) For an offender convicted of a felony sex offense against a minor victim after June 6, 1996, the offender shall comply with any terms and conditions of community placement imposed by the department of corrections relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(10)(a) When a court sentences a person to the custody of the department of corrections for an offense categorized as a sex offense committed on or after June 6, 1996, the court shall, in addition to other terms of the sentence, sentence the offender to community custody for three years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2).

(b) Unless a condition is waived by the court, the terms of community custody shall be the same as those provided for in subsection (9)(b) of this section and may include those provided for in subsection (9)(c) of this section. As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section.

(c) At any time prior to the completion of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040.

(11) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(12) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

(13) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(14) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the department of corrections and shall follow explicitly the instructions and conditions of the department of corrections.

(a) The instructions shall include, at a minimum, reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment.

(b) For sex offenders sentenced to terms involving community custody for crimes committed on or after June 6, 1996, the department may include, in addition to the instructions in (a) of this subsection, any appropriate conditions of supervision, including but not limited to, prohibiting the offender from having contact with any other specified individuals or specific class of individuals. The conditions authorized under this subsection (14)(b) may be imposed by the department prior to or during a sex offender's community custody term. If a violation of conditions imposed by the court or the department pursuant to subsection (10) of this section occurs during community custody, it shall be deemed a violation of community placement for the purposes of RCW 9.94A.207 and shall authorize the department to transfer an offender to a more restrictive confinement status as provided in RCW 9.94A.205. At any time prior to the completion of a sex offender's term of community custody, the department may recommend to the court that any or all of the conditions imposed by the court or the department pursuant to subsection (10) of this section be continued beyond the expiration of the offender's term of community custody as authorized in subsection (10)(c) of this section.

The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

(15) All offenders sentenced to terms involving community supervision, community service, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

(16) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(17) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(18) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(19) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

(20) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(21) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

**Sec. 5.** RCW 9.94A.360 and 1995 c 316 s 1 and 1995 c 101 s 1 are each reenacted and amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.

(2) ~~((Except as provided in subsection (4) of this section,))~~ Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

~~(4) ((Always include juvenile convictions for sex offenses and serious violent offenses. Include other class A juvenile felonies only if the offender was 15 or older at the time the juvenile offense was committed. Include other class B and C juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she is being sentenced was committed.~~

~~(5))~~ Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

~~((6))~~ (5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior ~~((adult))~~ offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior ~~((adult))~~ offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) ~~((Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score, except for juvenile prior convictions for violent offenses with separate victims, which shall count as separate offenses; and~~

~~((iii))~~ In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection ~~((6))~~ (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

~~((7))~~ (6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

~~((8))~~ (7) If the present conviction is for a nonviolent offense and not covered by subsection ~~((12))~~ (11) or ~~((13))~~ (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

~~((9))~~ (8) If the present conviction is for a violent offense and not covered in subsection ~~((10), (11), (12), or (13))~~ (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

~~((10))~~ (9) If the present conviction is for Murder 1 or 2, Assault 1, Assault of a Child 1, Kidnapping 1, Homicide by Abuse, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

~~((11))~~ (10) If the present conviction is for Burglary 1, count prior convictions as in subsection ~~((9))~~ (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

~~((12))~~ (11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense or serious traffic offense, count one point for each adult and ½ point for each juvenile prior conviction.

~~((13))~~ (12) If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection ~~((9))~~ (8) of this section if the current drug offense is violent, or as in subsection ~~((8))~~ (7) of this section if the current drug offense is nonviolent.

~~((14))~~ (13) If the present conviction is for Willful Failure to Return from Furlough, RCW 72.66.060, Willful Failure to Return from Work Release, RCW 72.65.070, or Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as ½ point.

~~((15))~~ (14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as ½ point.

~~((16))~~ (15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection ~~((8))~~ (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

~~((17))~~ (16) If the present conviction is for a sex offense, count priors as in subsections ~~((8))~~ (7) through ~~((16))~~ (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

~~((18))~~ (17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

NOTE: References in the grid to days or weeks mean periods of confinement.

(a) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.

Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(c) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(d) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.

(3) Upon a juvenile offender's conviction for a third or subsequent offense, the court shall refer the juvenile to a community-based intervention program funded under sections 65 through 69 of this act.

**Sec. 11.** RCW 13.40.038 and 1992 c 205 s 105 are each amended to read as follows:

It is the policy of this state that all county juvenile detention facilities provide a humane, safe, and rehabilitative environment ((and that adjudicated youth remain in the community whenever possible, consistent with public safety and the provisions of chapter 13.40 RCW)). It is the policy of this state that a juvenile suspect be removed from a confrontational situation as soon as possible. Counties should emphasize immediate enforcement by arrest, booking, and release to a responsible adult or the department of social and health services as provided in RCW 13.40.040.

The counties shall develop and implement detention intake standards and risk assessment standards to determine whether detention is warranted and if so whether the juvenile should be placed in secure, nonsecure, or home detention to implement the goals of this section. Inability to pay for a less restrictive detention placement shall not be a basis for denying a respondent a less restrictive placement in the community. The detention and risk assessment standards shall be developed and implemented no later than December 31, 1992.

**Sec. 12.** RCW 13.40.040 and 1995 c 395 s 4 are each amended to read as follows:

(1) A juvenile may be taken into custody:

(a) Pursuant to a court order if a complaint is filed with the court alleging, and the court finds probable cause to believe, that the juvenile has committed an offense or has violated terms of a disposition order or release order; or

(b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection ~~((2))~~ (3) of this section; or

(c) Pursuant to a court order that the juvenile be held as a material witness; or

(d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.

(2) A juvenile taken into custody may be held in detention until the juvenile can be released to a responsible adult.

(3) Except as provided in subsection (2) of this section, a juvenile may not be held in detention unless there is probable cause to believe that:

(a) The juvenile has committed an offense or has violated the terms of a disposition order; and

(i) The juvenile will likely fail to appear for further proceedings; or

(ii) Detention is required to protect the juvenile from himself or herself; or

(iii) The juvenile is a threat to community safety; or

(iv) The juvenile will intimidate witnesses or otherwise unlawfully interfere with the administration of justice; or

(v) The juvenile has committed a crime while another case was pending; or

(b) The juvenile is a fugitive from justice; or

(c) The juvenile's parole has been suspended or modified; or

(d) The juvenile is a material witness.

~~((3))~~ (4) Upon a finding that members of the community have threatened the health of a juvenile taken into custody, at the juvenile's request the court may order continued detention pending further order of the court.

~~((4))~~ (5) A juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the juvenile and shall set the date of his or her next court appearance. The court shall advise the juvenile of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

**Sec. 13.** RCW 13.40.045 and 1994 sp.s. c 7 s 518 are each amended to read as follows:

The secretary, assistant secretary, or the secretary's designee shall issue arrest warrants for juveniles who escape from department residential custody. The secretary, assistant secretary, or the secretary's designee may issue arrest warrants for juveniles who abscond from parole supervision or fail to meet conditions of parole. These arrest warrants shall authorize any law enforcement, probation and parole, or peace officer of this state, or any other state where the juvenile is located, to arrest the juvenile and to place the juvenile in physical custody pending the juvenile's return to confinement in a state juvenile rehabilitation facility.

**Sec. 14.** RCW 13.40.050 and 1995 c 395 s 5 are each amended to read as follows:

(1) When a juvenile taken into custody is held in detention:

(a) An information, a community supervision modification or termination of diversion petition, or a parole modification petition shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the juvenile shall be released; and

(b) A detention hearing, a community supervision modification or termination of diversion petition, or a parole modification petition shall be held within seventy-two hours, Saturdays, Sundays,

and holidays excluded, from the time of filing the information or petition, to determine whether continued detention is necessary under RCW 13.40.040.

(2) Notice of the detention hearing, stating the time, place, and purpose of the hearing, ~~((and))~~ stating the right to counsel, and requiring attendance shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the juvenile if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under RCW 13.40.080. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a juvenile shall at the detention hearing be ordered released on the juvenile's personal recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040 ~~((as now or hereafter amended))~~.

(6) If detention is not necessary under RCW 13.40.040, ~~((as now or hereafter amended,))~~ the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

(a) Place the juvenile in the custody of a designated person agreeing to supervise such juvenile;  
(b) Place restrictions on the travel of the juvenile during the period of release;  
(c) Require the juvenile to report regularly to and remain under the supervision of the juvenile court;

(d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required;

(e) Require that the juvenile return to detention during specified hours; or

(f) Require the juvenile to post a probation bond set by the court under terms and conditions as provided in RCW 13.40.040(4).
