MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Criminal Justice & Corrections.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to:

(1) Enable the legislature to act upon the recommendations of the joint select committee on the equitable distribution of secure community transition facilities established in section 225, chapter 12, Laws of 2001 2nd sp. sess.; and

(2) Harmonize the preemption provisions in RCW 71.09.250 with the preemption provisions applying to future secure community transition facilities to reflect the joint select committee's recommendation that the preemption granted for future secure community transition facilities be the same throughout the state.

Sec. 2. RCW 36.70A.200 and 2001 2nd sp.s. c 12 s 205 are each amended to read as follows:

(1) The comprehensive plan of each county and city that is planning under RCW 36.70A.040 shall include a process for identifying and siting essential public facilities. Essential public facilities include those facilities that are typically difficult to site, such as airports, state education public facilities and state or regional transportation facilities as defined in RCW 47.06.140, state and local correctional facilities, solid waste handling facilities, and in-patient facilities including substance abuse facilities, mental health facilities, group homes, and secure community transition facilities as defined in RCW 71.09.020.

(2) Each county and city planning under RCW 36.70A.040 shall, not later than ~~((the deadline specified in RCW 36.70A.130))~~ September 1, 2002, establish a process, or amend its existing process, for identifying and siting essential public facilities~~((;))~~ and adopt or amend its development regulations as necessary to provide for the siting of secure community transition facilities consistent with statutory requirements applicable to these facilities.

(3) Any city or county not planning under RCW 36.70A.040 shall, not later than ~~((the deadline specified in RCW 36.70A.130))~~ September 1, 2002, establish a process for siting secure community transition facilities and adopt or amend its development regulations as necessary to provide for the siting of such facilities consistent with statutory requirements applicable to these facilities.

(4) The office of financial management shall maintain a list of those essential state public facilities that are required or likely to be built within the next six years. The office of financial management may at any time add facilities to the list.

(5) No local comprehensive plan or development regulation may preclude the siting of essential public facilities.

(6) No person may bring a cause of action for civil damages based on the good faith actions of any county or city to provide for the siting of secure community transition facilities in accordance with this section and with the requirements of chapter 12, Laws of 2001 2nd sp. sess. For purposes of this subsection, "person" includes, but is not limited to, any individual, agency as defined in RCW 42.17.020, corporation, partnership, association, and limited liability entity.

(7) Counties or cities siting facilities pursuant to subsection (2) or (3) of this section shall comply with section 7 of this act.

(8) The failure of a county or city to act by the deadlines established in subsections (2) and (3) of this section is not:

(a) A condition that would disqualify the county or city for grants, loans, or pledges under RCW 43.155.070 or 70.146.070;

(b) A consideration for grants or loans provided under RCW 43.17.250(2); or

(c) A basis for any petition under RCW 36.70A.280 or for any private cause of action.

(1) Law enforcement shall respond to a call regarding a resident of a secure community transition facility as a high priority call.

(2) No law enforcement officer responding reasonably and in good faith to a call regarding a resident of a secure community transition facility shall be held liable nor shall the city or county employing the officer be held liable, in any cause of action for civil damages based on the acts of the resident or the actions of the officer during the response.

Sec. 4. RCW 71.09.020 and 2001 2nd sp.s. c 12 s 102 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of social and health services.

(2) "Less restrictive alternative" means court-ordered treatment in a setting less restrictive than total confinement which satisfies the conditions set forth in RCW 71.09.092.

(3) "Likely to engage in predatory acts of sexual violence if not confined in a secure facility" means that the person more probably than not will engage in such acts if released unconditionally from detention on the sexually violent predator petition. Such likelihood must be evidenced by a recent overt act if the person is not totally confined at the time the petition is filed under RCW 71.09.030.

(4) "Mental abnormality" means a congenital or acquired condition affecting the emotional or volitional capacity which predisposes the person to the commission of criminal sexual acts in a degree constituting such person a menace to the health and safety of others.

(5) "Predatory" means acts directed towards: (a) Strangers; (b) individuals with whom a relationship has been established or promoted for the primary purpose of victimization; or (c) persons of casual acquaintance with whom no substantial personal relationship exists.

(6) "Recent overt act" means any act or threat that has either caused harm of a sexually violent nature or creates a reasonable apprehension of such harm in the mind of an objective person who knows of the history and mental condition of the person engaging in the act.

(7) "Risk potential activity" or "risk potential facility" means an activity or facility that provides a higher incidence of risk to the public from persons conditionally released from the special commitment center. Risk potential activities and facilities include: Public and private schools, school bus stops, licensed day care and licensed preschool facilities, public parks, publicly dedicated trails, sports fields, playgrounds, recreational and community centers, churches, synagogues, temples, mosques, ~~(and)~~ public libraries, and others identified by the department following the hearings on a potential site required in RCW 71.09.315. For purposes of this chapter, "school bus stops" does not include bus stops established primarily for public transit.

(8) "Secretary" means the secretary of social and health services or the secretary's designee.

(9) "Secure facility" means a residential facility for persons civilly confined under the provisions of this chapter that includes security measures sufficient to protect the community. Such facilities include total confinement facilities, secure community transition facilities, and any residence used as a court-ordered placement under RCW 71.09.096.

(10) "Secure community transition facility" means a residential facility for persons civilly committed and conditionally released to a less restrictive alternative under this chapter. A secure community transition facility has supervision and security, and either provides or ensures the provision of sex offender treatment services. Secure community transition facilities include but are not limited to the facilities established pursuant to RCW 71.09.250 and any community-based facilities established under this chapter and operated by the secretary or under contract with the secretary.

(11) "Sexually violent offense" means an act committed on, before, or after July 1, 1990, that is: (a) An act defined in Title 9A RCW as rape in the first degree, rape in the second degree by

(12) "Sexually violent predator" means any person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility.

(13) "Total confinement facility" means a facility that provides supervision and sex offender treatment services in a total confinement setting. Total confinement facilities include the special commitment center and any similar facility designated as a secure facility by the secretary.

Sec. 5. RCW 71.09.285 and 2001 2nd sp.s. c 12 s 213 are each amended to read as follows:

(1) Except with respect to the secure community transition facility established pursuant to RCW 71.09.250, the secretary shall develop policy guidelines that balance the average response time of emergency services to the general area of a proposed secure community transition facility against the proximity of the proposed site to risk potential activities and facilities in existence at the time the site is listed for consideration.

(2) In ~~((balancing the competing criteria of proximity and response time the policy guidelines shall endeavor to achieve an average law enforcement response time not greater than five minutes and in))~~ no case shall the policy guidelines permit location of a facility adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration. "Within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

(3) The policy guidelines shall require that great weight be given to sites that are the farthest removed from any risk potential activity.

(4) The policy guidelines shall specify how distance from the location is measured and any variations in the measurement based on the size of the property within which a proposed facility is to be located.

(5) The policy guidelines shall establish a method to analyze and compare the criteria for each site in terms of public safety and security, site characteristics, and program components. In making a decision regarding a site following the analysis and comparison, the secretary shall give priority to public safety and security considerations. The analysis and comparison of the criteria are to be documented and made available at the public hearings prescribed in RCW 71.09.315.

(6) Policy guidelines adopted by the secretary under this section shall be considered by counties and cities when providing for the siting of secure community transition facilities as required under RCW 36.70A.200.

Sec. 6. RCW 71.09.305 and 2001 2nd sp.s. c 12 s 217 are each amended to read as follows:

(1) Unless otherwise ordered by the court:

(a) Residents of a secure community transition facility shall wear electronic monitoring devices at all times. To the extent that electronic monitoring devices that employ global positioning system technology are available and funds for this purpose are appropriated by the legislature, the department shall use these devices.

(b) At least one staff member, or other court-authorized and department-approved person must escort each resident when the resident leaves the secure community transition facility for appointments, employment, or other approved activities. Escorting persons must supervise the resident closely and maintain close proximity to the resident. The escort must immediately notify the department of any

serious violation, as defined in RCW 71.09.325, by the resident and must immediately notify law enforcement of any violation of law by the resident. The escort may not be a relative of the resident or a person with whom the resident has, or has had, a dating relationship as defined in RCW 26.50.010.

(2) Staff members of the special commitment center and any other total confinement facility and any secure community transition facility must be trained in self-defense and appropriate crisis responses including incident de-escalation. Prior to escorting a person outside of a facility, staff members must also have training in the offense pattern of the offender they are escorting. ~~((The escort may not be a relative of the resident.))~~

(3) Any escort must carry a cellular telephone or a similar device at all times when escorting a resident of a secure community transition facility.

(4) The department shall require training in offender pattern, self-defense, and incident response for all court-authorized escorts who are not employed by the department or the department of corrections.

NEW SECTION. Sec. 7. A new section is added to chapter 71.09 RCW to read as follows:
The minimum requirements set out in RCW 71.09.285 through 71.09.340 are minimum requirements to be applied by the department. Nothing in this section is intended to prevent a city or county from adopting development regulations, as defined in RCW 36.70A.030, unless the proposed regulation imposes requirements more restrictive than those specifically addressed in RCW 71.09.285 through 71.09.340. Regulations that impose requirements more restrictive than those specifically addressed in these sections are void. Nothing in these sections prevents the department from adding requirements to enhance public safety.

Sec. 8. RCW 71.09.255 and 2001 2nd sp.s. c 12 s 204 are each amended to read as follows:

(1) Upon receiving the notification required by RCW 71.09.250, counties must promptly notify the cities within the county of the maximum number of secure community transition facility beds that may be required and the projected number of beds to be needed in that county.

(2) The incentive grants and payments provided under this section are subject to the following provisions:

(a) Counties and the cities within the county must notify each other of siting plans to promote the establishment and equitable distribution of secure community transition facilities;

(b) Development regulations, ordinances, plans, laws, and criteria established for siting must be consistent with statutory requirements and rules applicable to siting and operating secure community transition facilities;

(c) The minimum size for any facility is three beds; and

(d) The department must approve any sites selected.

(3) Any county or city that makes a commitment to initiate the process to site one or more secure community transition facilities by ~~((February 1, 2002))~~ one hundred twenty days after the effective date of this act, shall receive a planning grant as proposed and approved by the department of community, trade, and economic development.

(4) Any county or city that has issued all necessary permits by May 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive an incentive grant in the amount of fifty thousand dollars for each bed sited.

(5) To encourage the rapid permitting of sites, any county or city that has issued all necessary permits by January 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive a bonus in the amount of twenty percent of the amount provided under subsection (4) of this section.

(6) Any county or city that establishes secure community transition facility beds in excess of the maximum number that could be required to be sited in that county shall receive a bonus payment of one hundred thousand dollars for each bed established in excess of the maximum requirement.

(7) No payment shall be made under subsection (4), (5), or (6) of this section until all necessary permits have been issued.

(8) The funds available to counties and cities under this section are contingent upon funds being appropriated by the legislature.

NEW SECTION. Sec. 9. A new section is added to chapter 71.09 RCW to read as follows:

(1) After October 1, 2002, notwithstanding RCW 36.70A.103 or any other law, this section preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and all other laws as necessary to enable the department to site, construct, renovate, occupy, and operate secure community transition facilities within the borders of the following:

(a) Any county that had five or more persons civilly committed from that county, or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause has been made, on April 1, 2001, if the department determines that the county has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities. This subsection does not apply to the county in which the secure community transition facility authorized under RCW 71.09.250(1) is located; and

(b) Any city located within a county listed in (a) of this subsection that the department determines has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities.

(2) The department's determination under subsection (1)(a) or (b) of this section is final and is not subject to appeal under chapter 34.05 or 36.70A RCW.

(3) When siting a facility in a county or city that has been preempted under this section, the department shall consider the policy guidelines established under RCW 71.09.275 and 71.09.290 and shall hold the hearings required in RCW 71.09.315.

(4) Nothing in this section prohibits the department from:

(a) Siting a secure community transition facility in a city or county that has complied with the requirements of RCW 36.70A.200 with respect to secure community transition facilities, including a city that is located within a county that has been preempted. If the department sites a secure community transition facility in such a city or county, the department shall use the process established by the city or county for siting such facilities; or

(b) Consulting with a city or county that has been preempted under this section regarding the siting of a secure community transition facility.

(5)(a) A preempted city or county may propose public safety measures specific to any finalist site to the department. The measures must be consistent with the location of the facility at that finalist site. The proposal must be made in writing by the date of:

(i) The second hearing under RCW 71.09.315(2)(a) when there are three finalist sites; or

(ii) The first hearing under RCW 71.09.315(2)(b) when there is only one site under consideration.

(b) The department shall respond to the city or county in writing within fifteen business days of receiving the proposed measures. The response shall address all proposed measures.

(c) If the city or county finds that the department's response is inadequate, the city or county may notify the department in writing within fifteen business days of the specific items which it finds inadequate. If the city or county does not notify the department of a finding that the response is inadequate within fifteen business days, the department's response shall be final.

(d) If the city or county notifies the department that it finds the response inadequate and the department does not revise its response to the satisfaction of the city or county within seven business days, the city or county may petition the governor to designate a person with law enforcement expertise to review the response under RCW 34.05.479.

(e) The governor's designee shall hear a petition filed under this subsection and shall make a determination within thirty days of hearing the petition. The governor's designee shall consider the department's response, and the effectiveness and cost of the proposed measures, in relation to the purposes of this chapter. The determination by the governor's designee shall be final and may not be the basis for any cause of action in civil court.

(f) The city or county shall bear the cost of the petition to the governor's designee. If the city or county prevails on all issues, the department shall reimburse the city or county costs incurred, as provided under chapter 34.05 RCW.

(g) Neither the department's consideration and response to public safety conditions proposed by a city or county nor the decision of the governor's designee shall affect the preemption under this section or the department's authority to site, construct, renovate, occupy, and operate the secure community transition facility at that finalist site or at any finalist site.

(6) Until June 30, 2009, the secretary shall site, construct, occupy, and operate a secure community transition facility sited under this section in an environmentally responsible manner that is consistent with the substantive objectives of chapter 43.21C RCW, and shall consult with the

department of ecology as appropriate in carrying out the planning, construction, and operations of the facility. The secretary shall make a threshold determination of whether a secure community transition facility sited under this section would have a probable significant, adverse environmental impact. If the secretary determines that the secure community transition facility has such an impact, the secretary shall prepare an environmental impact statement that meets the requirements of RCW 43.21C.030 and 43.21C.031 and the rules promulgated by the department of ecology relating to such statements. Nothing in this subsection shall be the basis for any civil cause of action or administrative appeal.

(7) This section does not apply to the secure community transition facility established pursuant to RCW 71.09.250(1).

NEW SECTION. Sec. 10. A new section is added to chapter 34.05 RCW to read as follows:

A petition brought pursuant to section 9(5) of this act shall be heard under the provisions of RCW 34.05.479 except that the decision of the governor's designee shall be final and is not subject to judicial review.

NEW SECTION. Sec. 11. A new section is added to chapter 71.09 RCW to read as follows:

An emergency has been caused by the need to expeditiously site facilities to house sexually violent predators who have been committed under this chapter. To meet this emergency, for purposes of RCW 71.09.250 and section 9 of this act, "all other laws" means the state environmental policy act, the shoreline management act, the hydraulics code, and all other state laws regulating the protection and use of the water, land, and air.

This section expires June 30, 2009.

NEW SECTION. Sec. 12. A new section is added to chapter 43.21C RCW to read as follows:

An emergency has been caused by the need to expeditiously site facilities to house sexually violent predators who have been committed under chapter 71.09 RCW. To meet this emergency, secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

This section expires June 30, 2009.

NEW SECTION. Sec. 13. A new section is added to chapter 90.58 RCW to read as follows:

An emergency has been caused by the need to expeditiously site facilities to house sexually violent predators who have been committed under chapter 71.09 RCW. To meet this emergency, secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

This section expires June 30, 2009.

NEW SECTION. Sec. 14. A new section is added to chapter 77.55 RCW to read as follows:

To meet this emergency, secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

This section expires June 30, 2009.

Sec. 15. RCW 36.70A.103 and 2001 2nd sp.s. c 12 s 203 are each amended to read as follows:

State agencies shall comply with the local comprehensive plans and development regulations and amendments thereto adopted pursuant to this chapter except as otherwise provided in RCW 71.09.250 (1) through (3), section 9 of this act, and 72.09.333.

The provisions of chapter 12, Laws of 2001 2nd sp. sess. do not affect the state's authority to site any other essential public facility under RCW 36.70A.200 in conformance with local comprehensive plans and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. Sec. 16. A new section is added to chapter 71.09 RCW to read as follows:

(1) At the request of the local government of the city or county in which a secure community transition facility is initially sited after January 1, 2002, the department shall enter into a long-term contract memorializing the agreements between the state and the city or county for the operation of the facility. This contract shall be separate from any contract regarding mitigation due to the facility. The contract shall include a clause that states:

(a) The contract does not obligate the state to continue operating any aspect of the civil commitment program under this chapter;

(b) The operation of any secure community transition facility is contingent upon sufficient appropriation by the legislature. If sufficient funds are not appropriated, the department is not obligated to operate the secure community transition facility and may close it; and

(c) This contract does not obligate the city or county to operate a secure community transition facility.

(2) Any city or county may, at their option, contract with the department to operate a secure community transition facility.

NEW SECTION. Sec. 17. A new section is added to chapter 71.09 RCW to read as follows:

(1) Subject to funds appropriated by the legislature, the department may enter into negotiation for a mitigation agreement with:

(a) The county and/or city in which a secure community transition facility sited after January 1, 2002, is located;

(b) Each community in which the persons from those facilities will reside or regularly spend time, pursuant to court orders, for regular work or education, or to receive social services, or through which the person or persons will regularly be transported to reach other communities; and

(c) Educational institutions in the communities identified in (a) and (b) of this subsection.

(2) Mitigation agreements are limited to the following:

(a) One-time training for local law enforcement and administrative staff, upon the establishment of a secure community transition facility.

(i) Training between local government staff and the department includes training in coordination, emergency procedures, program and facility information, legal requirements, and resident profiles.

(ii) Reimbursement for training under this subsection is limited to:

(ii) Reimbursement for incident response does not include private causes of action.

NEW SECTION. Sec. 18. A new section is added to chapter 71.09 RCW to read as follows:

(1) To encourage economies of scale in the siting and operation of secure community transition facilities, the department may enter into an agreement with two or more counties to create a regional secure community transition facility. The agreement must clearly identify the number of beds from each county that will be contained in the regional secure community transition facility. The agreement must specify which county must contain the regional secure community transition facility and the facility must be sited accordingly. No county may withdraw from an agreement under this section

unless it has provided an alternative acceptable secure community transition facility to house any displaced residents that meets the criteria established for such facilities in this chapter and the guidelines established by the department.

(2) A regional secure community transition facility must meet the criteria established for secure community transition facilities in this chapter and the guidelines established by the department.

(3) The department shall count the beds identified for each participating county in a regional secure community transition facility against the maximum number of beds that could be required for each county under RCW 71.09.250(7)(a).

(4) An agreement for a regional secure community transition facility does not alter the maximum number of beds for purposes of the incentive grants under RCW 71.09.255 for the county containing the regional facility.

SSB 6721 Prime Sponsor, Senate Committee on Ways & Means: Authorizing the University of Washington and Washington State University to make financing arrangements for research facilities. Reported by Committee on Capital Budget

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the policy of the state to encourage basic and applied scientific research by the state's research universities. The creation of knowledge is a core mission of the state's research universities, and research provides teaching and learning opportunities for students and faculty. State of the art facilities for research by research universities serve to attract the most capable students and faculty to the state and research grants from public and private institutions throughout the world. The application of such research stimulates investment and employment within Washington and the strengthening of our tax base. In order to finance research facilities, the state's research universities often use federal, state, private, and university resources and therefore require the authority to enter into financing arrangements that leverage funding sources and reduce the costs of such complex facilities to the state.

NEW SECTION. Sec. 2. The University of Washington and Washington State University each may:

(1) Acquire, construct, rehabilitate, equip, and operate facilities and equipment to promote basic and applied research in the sciences;

(2) Borrow money for such research purposes, including interest during construction and other incidental costs, issue revenue bonds or other evidences of indebtedness, refinance the same before or at maturity, and provide for the amortization of such indebtedness by pledging all or a component of the fees and revenues of the university available for such purpose derived from the ownership and operation of any of its facilities or conducting research that are not subject to appropriation by the legislature and that do not constitute general state revenues as defined in Article VIII, section 1 of the state Constitution;

(3) Enter into leases, with or without an option to purchase, of real and personal property to be used in basic and applied research in the sciences; and

(4) Lease all or a portion of such facilities and equipment as is deemed prudent by the university to provide for research conducted by persons or entities that are not part of the university but that provide rental income to support university research facilities or provide opportunities for the interaction of public and private research and research personnel, including students and faculty.

NEW SECTION. Sec. 3. The governing body of a university financing facilities and equipment under this chapter shall give due regard to the costs of maintaining and operating such facilities and equipment during the useful lives of the facilities and equipment. No state appropriated

funds may be used for the payment of maintenance and operation of the facilities and equipment financed under this chapter.

NEW SECTION. Sec. 4. The authority granted by this chapter is supplemental to any existing or future authority granted to the University of Washington and Washington State University and shall not be construed to limit the existing or future authority of these universities.

Sec. 5. RCW 28B.10.022 and 1989 c 356 s 6 are each amended to read as follows:

The boards of regents of the state universities and the boards of trustees of the regional universities, The Evergreen State College, and the state board for community and technical colleges (~~(education)~~), are severally authorized to enter into financing contracts as provided in chapter 39.94 RCW. Except as provided in this section, financing contracts shall be subject to the approval of the state finance committee. Except for facilities financed under chapter 28B.--- RCW (sections 1 through 4 of this act), the board of regents of a state university may enter into financing contracts which are payable solely from and secured by all or any component of the fees and revenues of the university derived from its ownership and operation of its facilities not subject to appropriation by the legislature and not constituting "general state revenues," as defined in Article VIII, section 1 of the state Constitution, without the prior approval of the state finance committee. The board of regents shall notify the state finance committee at least sixty days prior to entering into such contract and provide information relating to such contract as requested by the state finance committee.

Sec. 6. RCW 39.94.040 and 1998 c 291 s 5 are each amended to read as follows:

(1) Except as provided in RCW 28B.10.022 and chapter 28B.--- RCW (sections 1 through 4 of this act), the state may not enter into any financing contract for itself if the aggregate principal amount payable thereunder is greater than an amount to be established from time to time by the state finance committee or participate in a program providing for the issuance of certificates of participation, including any contract for credit enhancement, without the prior approval of the state finance committee. Except as provided in RCW 28B.10.022, the state finance committee shall approve the form of all financing contracts or a standard format for all financing contracts. The state finance committee also may:

(a) Consolidate existing or potential financing contracts into master financing contracts with respect to property acquired by one or more agencies, departments, instrumentalities of the state, the state board for community and technical colleges, or a state institution of higher learning; or to be acquired by an other agency;

(b) Approve programs providing for the issuance of certificates of participation in master financing contracts for the state or for other agencies;

(c) Enter into agreements with trustees relating to master financing contracts; and

(d) Make appropriate rules for the performance of its duties under this chapter.

(2) In the performance of its duties under this chapter, the state finance committee may consult with representatives from the department of general administration, the office of financial management, and the department of information services.

(3) With the approval of the state finance committee, the state also may enter into agreements with trustees relating to financing contracts and the issuance of certificates of participation.

(4) The state may not enter into any financing contract for real property of the state without prior approval of the legislature.

(5) The state may not enter into any financing contract on behalf of an other agency without the approval of such a financing contract by the governing body of the other agency.

NEW SECTION. Sec. 7. Before January 31st of each year, the University of Washington and Washington State University must report to the house of representatives capital budget committee and the senate ways and means committee on the financing arrangements entered into under authority of this chapter.

NEW SECTION. Sec. 8. Sections 1 through 4 and 7 of this act constitute a new chapter in Title 28B RCW."

SSB 6748 Prime Sponsor, Senate Committee on Transportation: Revising vehicle impound and transfer procedures. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.12.101 and 1998 c 203 s 11 are each amended to read as follows:

A transfer of ownership in a motor vehicle is perfected by compliance with the requirements of this section.

(1) If an owner transfers his or her interest in a vehicle, other than by the creation, deletion, or change of a security interest, the owner shall, at the time of the delivery of the vehicle, execute an assignment to the transferee and provide an odometer disclosure statement under RCW 46.12.124 on the certificate of ownership or as the department otherwise prescribes, and cause the certificate and assignment to be transmitted to the transferee. The owner shall notify the department or its agents or subagents, in writing, on the appropriate form, of the date of the sale or transfer, the name and address of the owner and of the transferee, the transferee's driver's license number if available, and such description of the vehicle, including the vehicle identification number, the license plate number, or both, as may be required in the appropriate form provided or approved for that purpose by the department. The report of sale will be deemed properly filed if all information required in this section is provided on the form and includes a department-authorized notation that the document was received by the department, its agents, or subagents on or before the fifth day after the sale of the vehicle, excluding Saturdays, Sundays, and state and federal holidays. Agents and subagents shall immediately electronically transmit the seller's report of sale to the department. Reports of sale processed and recorded by the department's agents or subagents may be subject to fees as specified in RCW 46.01.140 (4)(a) or (5)(b). By January 1, 2003, the department shall create a system enabling the seller of a vehicle to transmit the report of sale electronically. The system created by the department

must immediately indicate on the department's vehicle record that a seller's report of sale has been filed.

(2) The requirements of subsection (1) of this section to provide an odometer disclosure statement apply to the transfer of vehicles held for lease when transferred to a lessee and then to the lessor at the end of the leasehold and to vehicles held in a fleet when transferred to a purchaser.

(3) Except as provided in RCW 46.70.122 the transferee shall within fifteen days after delivery to the transferee of the vehicle, execute the application for a new certificate of ownership in the same space provided therefor on the certificate or as the department prescribes, and cause the certificates and application to be transmitted to the department.

(4) Upon request of the owner or transferee, a secured party in possession of the certificate of ownership shall, unless the transfer was a breach of its security agreement, either deliver the certificate to the transferee for transmission to the department or, when the secured party receives the owner's assignment from the transferee, it shall transmit the transferee's application for a new certificate, the existing certificate, and the required fee to the department. Compliance with this section does not affect the rights of the secured party.

(5) If a security interest is reserved or created at the time of the transfer, the certificate of ownership shall be retained by or delivered to the person who becomes the secured party, and the parties shall comply with the provisions of RCW 46.12.170.

(6) If the purchaser or transferee fails or neglects to make application to transfer the certificate of ownership and license registration within fifteen days after the date of delivery of the vehicle, he or she shall on making application for transfer be assessed a twenty-five dollar penalty on the sixteenth day and two dollars additional for each day thereafter, but not to exceed one hundred dollars. The director may by rule establish conditions under which the penalty will not be assessed when an application for transfer is delayed for reasons beyond the control of the purchaser. Conditions for not assessing the penalty may be established for but not limited to delays caused by:

- (a) The department requesting additional supporting documents;
- (b) Extended hospitalization or illness of the purchaser;
- (c) Failure of a legal owner to release his or her interest;
- (d) Failure, negligence, or nonperformance of the department, auditor, or subagent.

Failure or neglect to make application to transfer the certificate of ownership and license registration within forty-five days after the date of delivery of the vehicle is a misdemeanor.

(7) Upon receipt of an application for reissue or replacement of a certificate of ownership and transfer of license registration, accompanied by the endorsed certificate of ownership or other documentary evidence as is deemed necessary, the department shall, if the application is in order and if all provisions relating to the certificate of ownership and license registration have been complied with, issue new certificates of title and license registration as in the case of an original issue and shall transmit the fees together with an itemized detailed report to the state treasurer, to be deposited in the motor vehicle fund.

(8) Once each quarter the department shall report to the department of revenue a list of those vehicles for which a seller's report has been received but no transfer of title has taken place.

Sec. 2. RCW 46.12.102 and 1984 c 39 s 2 are each amended to read as follows:

(1) An owner who has made a bona fide sale or transfer of a vehicle and has delivered possession of it to a purchaser shall not by reason of any of the provisions of this title be deemed the owner of the vehicle so as to be subject to civil liability or criminal liability for the operation of the vehicle thereafter by another person when the owner has also fulfilled both of the following requirements:

~~((1))~~ (a) When ~~((he))~~ the owner has made proper endorsement and delivery of the certificate of ownership and has delivered the certificate of registration as provided in this chapter;

~~((2))~~ (b) When ~~((he))~~ the owner has delivered to the department either ~~((the notice as provided in))~~ a properly filed report of sale that includes all of the information required in RCW 46.12.101(1) and is delivered to the department within five days of the sale of the vehicle excluding Saturdays, Sundays, and state and federal holidays, or appropriate documents for registration of the vehicle pursuant to the sale or transfer.

(2) When a registered tow truck operator submits an abandoned vehicle report to the department for a vehicle sold at an abandoned vehicle auction, any previous owner is relieved of civil

or criminal liability for the operation of the vehicle, and liability is transferred to the purchaser of the vehicle as listed on the abandoned vehicle report.

Sec. 3. RCW 46.20.031 and 1999 c 6 s 7 are each amended to read as follows:

The department shall not issue a driver's license to a person:

- (1) Who is under the age of sixteen years;
- (2) Whose driving privilege has been withheld unless and until the department may authorize the driving privilege under RCW 46.20.311;
- (3) Who has been classified as an alcoholic, drug addict, alcohol abuser, or drug abuser by a program approved by the department of social and health services. The department may, however, issue a license if the person:
 - (a) Has been granted a deferred prosecution under chapter 10.05 RCW; or
 - (b) Is satisfactorily participating in or has successfully completed an alcohol or drug abuse treatment program approved by the department of social and health services and has established control of his or her alcohol or drug abuse problem;
- (4) Who has previously been adjudged to be mentally ill or insane, or to be incompetent due to a mental disability or disease. The department shall, however, issue a license to the person if he or she otherwise qualifies and:
 - (a) Has been restored to competency by the methods provided by law; or
 - (b) The superior court finds the person able to operate a motor vehicle with safety upon the highways during such incompetency;
- (5) Who has not passed the driver's licensing examination required by RCW 46.20.120 and 46.20.305, if applicable;
- (6) Who is required under the laws of this state to deposit proof of financial responsibility and who has not deposited such proof;
- (7) Who is unable to safely operate a motor vehicle upon the highways due to a physical or mental disability. The department's conclusion that a person is barred from licensing under this subsection must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction(~~;~~);
- ~~(8) Who has violated his or her written promise to appear, respond, or comply regarding a notice of infraction issued for abandonment of a vehicle in violation of RCW 46.55.105, unless:~~
 - ~~(a) The court has not notified the department of the violation;~~
 - ~~(b) The department has received notice from the court showing that the person has been found not to have committed the violation of RCW 46.55.105; or~~
 - ~~(c) The person has paid all monetary penalties owing, including completion of community service, and the court is satisfied that the person has made restitution as provided by RCW 46.55.105(2)).~~

Sec. 4. RCW 46.20.289 and 1999 c 274 s 1 are each amended to read as follows:

The department shall suspend all driving privileges of a person when the department receives notice from a court under RCW 46.63.070(~~((5))~~) ~~(6)~~, 46.63.110(5), or 46.64.025 that the person has failed to respond to a notice of traffic infraction, failed to appear at a requested hearing, violated a written promise to appear in court, or has failed to comply with the terms of a notice of traffic infraction or citation, other than for ~~((a notice of a violation of RCW 46.55.105 or))~~ a standing, stopping, or parking violation. A suspension under this section takes effect thirty days after the date the department mails notice of the suspension, and remains in effect until the department has received a certificate from the court showing that the case has been adjudicated, and until the person meets the requirements of RCW 46.20.311. In the case of failure to respond to a traffic infraction issued under RCW 46.55.105, the department shall suspend all driving privileges until the person provides evidence from the court that all penalties and restitution have been paid. A suspension under this section does not take effect if, prior to the effective date of the suspension, the department receives a certificate from the court showing that the case has been adjudicated.

Sec. 5. RCW 46.55.075 and 1999 c 398 s 3 are each amended to read as follows:

(1) The Washington state patrol shall provide by rule for a uniform impound authorization and inventory form. All law enforcement agencies must use this form for all vehicle impounds after June 30, 2001.

(2) By January 1, 2003, the Washington state patrol shall develop uniform impound procedures, which must include but are not limited to defining an impound and a visual inspection. Local law enforcement agencies shall adopt the procedures by July 1, 2003.

Sec. 6. RCW 46.55.085 and 1993 c 121 s 1 are each amended to read as follows:

(1) A law enforcement officer discovering an unauthorized vehicle left within a highway right of way shall attach to the vehicle a readily visible notification sticker. The sticker shall contain the following information:

(a) The date and time the sticker was attached;
(b) The identity of the officer;
(c) A statement that if the vehicle is not removed within twenty-four hours from the time the sticker is attached, the vehicle may be taken into custody and stored at the owner's expense; ~~((and))~~

(d) A statement that if the vehicle is not redeemed as provided in RCW 46.55.120, the registered owner will have committed the traffic infraction of littering--abandoned vehicle; and

(e) The address and telephone number where additional information may be obtained.

(2) If the vehicle has current Washington registration plates, the officer shall check the records to learn the identity of the last owner of record. The officer or his department shall make a reasonable effort to contact the owner by telephone in order to give the owner the information on the notification sticker.

(3) If the vehicle is not removed within twenty-four hours from the time the notification sticker is attached, the law enforcement officer may take custody of the vehicle and provide for the vehicle's removal to a place of safety. A vehicle that does not pose a safety hazard may remain on the roadside for more than twenty-four hours if the owner or operator is unable to remove it from the place where it is located and so notifies law enforcement officials and requests assistance.

(4) For the purposes of this section a place of safety includes the business location of a registered tow truck operator.

NEW SECTION. Sec. 7. The Washington state patrol and local law enforcement agencies shall convene a task force to consider the advantages and disadvantages of law enforcement agencies immediately transmitting, electronically or by facsimile, the impound authorization form to the impounding tow operator. The task force shall report its findings and recommendations to the house of representatives and senate transportation committees by January 1, 2003.

NEW SECTION. Sec. 8. The department of licensing shall study the feasibility of requiring the seller of a vehicle to remove the vehicle's license plates at the time of the sale. The department shall specifically examine the fiscal impacts of implementing this proposal, the experiences of other states, and the advantages and disadvantages of this proposal. The department shall report its findings and recommendations to the house of representatives and senate transportation committees by January 1, 2003.

Sec. 9. RCW 46.55.100 and 1999 c 398 s 5 are each amended to read as follows:

(1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports. A law enforcement agency, or a private communication center acting on behalf of a law enforcement agency, shall within six to twelve hours of the impoundment, provide to a requesting operator the name and address of the legal and registered owners of the vehicle, and the registered owner of any personal property registered or titled with the department that is attached to or contained in or on the impounded vehicle, the vehicle identification number, and any other necessary, pertinent information. The initial notice of impoundment shall be followed by a written or electronic facsimile notice within twenty-four hours. In the case of a vehicle from another state, time requirements of this subsection do not apply until the requesting law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle, and for any items of personal property registered or titled with the department, that are in the operator's possession after the one hundred twenty hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold that is not a suspended license impound. The owner notification and abandonment process shall be initiated by the registered

tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold that is not a suspended license impound is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within fourteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle and any other items of personal property registered or titled with the department to the ~~((crime information center of the Washington state patrol))~~ department. The vehicle buyer information sent to the department on the abandoned vehicle report relieves the previous owner of the vehicle from any civil or criminal liability for the operation of the vehicle and transfers full liability for the vehicle to the buyer. By January 1, 2003, the department shall create a system enabling tow truck operators the option of sending the portion of the abandoned vehicle report that contains the vehicle's buyer information to the department electronically.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle and any other items of personal property registered or titled with the department to determine whether owner identification is within the vehicle.

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle and any other items of personal property registered or titled with the department for the vehicle identification number or other appropriate identification numbers and check the necessary records to determine the vehicle's or other property's owners.

Sec. 10. RCW 46.55.105 and 1999 c 86 s 5 are each amended to read as follows:

(1) The abandonment of any vehicle creates a prima facie presumption that the last registered owner of record is responsible for the abandonment and is liable for costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction.

(2) If an unauthorized vehicle is found abandoned under subsection (1) of this section and removed at the direction of law enforcement, the last registered owner of record is guilty of ~~((a))~~ the traffic infraction of "littering--abandoned vehicle," unless the vehicle is redeemed as provided in RCW 46.55.120. In addition to any other monetary penalty payable under chapter 46.63 RCW, the court shall not consider all monetary penalties as having been paid until the court is satisfied that the person found to have committed the infraction has made restitution in the amount of the deficiency remaining after disposal of the vehicle under RCW 46.55.140.

(3) A vehicle theft report filed with a law enforcement agency relieves the last registered owner of liability under subsection (2) of this section for failure to redeem the vehicle. However, the last registered owner remains liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle under subsection (1) of this section. Nothing in this section limits in any way the registered owner's rights in a civil action or as restitution in a criminal action against a person responsible for the theft of the vehicle.

(4) Properly filing a report of sale or transfer regarding the vehicle involved in accordance with RCW 46.12.101(1) relieves the last registered owner of liability under subsections (1) and (2) of this section. If the date of sale as indicated on the report of sale is on or before the date of impoundment, the buyer identified on the latest properly filed report of sale with the department is assumed liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction. If the date of sale is after the date of impoundment, the previous registered owner is assumed to be liable for such costs. A licensed vehicle dealer is not liable under subsections (1) and (2) of this section if the dealer, as transferee or assignee of the last registered owner of the vehicle involved, has complied with the requirements of RCW 46.70.122 upon selling or otherwise disposing of the vehicle, or if the dealer has timely filed a transitional ownership record or report of sale under RCW 46.12.103. In that case the person to whom the licensed vehicle dealer has sold or transferred the vehicle is assumed liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction.

(5) For the purposes of reporting notices of traffic infraction to the department under RCW 46.20.270 and 46.52.101, and for purposes of reporting notices of failure to appear, respond, or comply regarding a notice of traffic infraction to the department under RCW 46.63.070~~((5))~~ (6), a

traffic infraction under subsection (2) of this section is not considered to be a standing, stopping, or parking violation.

(6) A notice of infraction for a violation of this section may be filed with a court of limited jurisdiction organized under Title 3, 35, or 35A RCW, or with a violations bureau subject to the court's jurisdiction.

Sec. 11. RCW 46.55.110 and 1999 c 398 s 6 are each amended to read as follows:

(1) When an unauthorized vehicle is impounded, the impounding towing operator shall notify the legal and registered owners of the impoundment of the unauthorized vehicle and the owners of any other items of personal property registered or titled with the department. The notification shall be sent by first-class mail within twenty-four hours after the impoundment to the last known registered and legal owners of the vehicle, and the owners of any other items of personal property registered or titled with the department, as provided by the law enforcement agency, and shall inform the owners of the identity of the person or agency authorizing the impound. The notification shall include the name of the impounding tow firm, its address, and telephone number. The notice shall also include the location, time of the impound, and by whose authority the vehicle was impounded. The notice shall also include the written notice of the right of redemption and opportunity for a hearing to contest the validity of the impoundment pursuant to RCW 46.55.120.

(2) In addition, if a suspended license impound has been ordered, the notice must state the length of the impound, the requirement of the posting of a security deposit to ensure payment of the costs of removal, towing, and storage, notification that if the security deposit is not posted the vehicle will immediately be processed and sold at auction as an abandoned vehicle, and the requirements set out in RCW 46.55.120(1)(b) regarding the payment of the costs of removal, towing, and storage as well as providing proof of satisfaction of any penalties, fines, or forfeitures before redemption. The notice must also state that the registered owner is ineligible to purchase the vehicle at the abandoned vehicle auction, if held.

(3) In the case of an abandoned vehicle, or other item of personal property registered or titled with the department, within twenty-four hours after receiving information on the owners from the department through the abandoned vehicle report, the tow truck operator shall send by certified mail, with return receipt requested, a notice of custody and sale to the legal and registered owners and of the penalties for the traffic infraction littering--abandoned vehicle.

(4) If the date on which a notice required by subsection (3) of this section is to be mailed falls upon a Saturday, Sunday, or a postal holiday, the notice may be mailed on the next day that is neither a Saturday, Sunday, nor a postal holiday.

(5) No notices need be sent to the legal or registered owners of an impounded vehicle or other item of personal property registered or titled with the department, if the vehicle or personal property has been redeemed.

Sec. 12. RCW 46.55.130 and 2000 c 193 s 2 are each amended to read as follows:

(1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in RCW 46.55.110(3) to the registered and legal owners, the vehicle remains unclaimed and has not been listed as a stolen vehicle, or a suspended license impound has been directed, but no security paid under RCW 46.55.120, then the registered tow truck operator having custody of the vehicle shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days and no more than ten days before the date of the auction. The notice shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of such abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form and shall include the name, address, and telephone number of each such bidder;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The successful bidder shall apply for title within fifteen days;

(g) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location, the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

(h) All surplus moneys derived from the auction after satisfaction of the registered tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record as determined by the department within one year from the date of the auction, the surplus moneys shall be remitted to such owner;

(i) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within forty-five days, sell the vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) A tow truck operator may refuse to accept a bid at an abandoned vehicle auction under this section for any reason in the operator's posted operating procedures and for any of the following reasons: (a) The bidder is currently indebted to the operator; (b) the operator has knowledge that the bidder has previously abandoned vehicles purchased at auction; or (c) the bidder has purchased, at auction, more than four vehicles in the last calendar year without obtaining title to any or all of the vehicles. In no case may an operator hold a vehicle for longer than ninety days without holding an auction on the vehicle, except for vehicles that are under a police or judicial hold.

(4)(a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by RCW 46.55.110(3).

(b) The failure of the registered tow truck operator to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available. However, storage charges begin to accrue again on the date the correct and complete information is provided to the department by the registered tow truck operator.

Sec. 13. RCW 46.55.230 and 2001 c 139 s 3 are each amended to read as follows:

(1)(a) Notwithstanding any other provision of law, any law enforcement officer having jurisdiction, or any employee or officer of a jurisdictional health department acting pursuant to RCW 70.95.240, or any person authorized by the director shall inspect and may authorize the disposal of an abandoned junk vehicle. The person making the inspection shall record the make and vehicle identification number or license number of the vehicle if available, and shall also verify that the approximate value of the junk vehicle is equivalent only to the approximate value of the ~~((scrap in it))~~ parts.

(b) A tow truck operator may authorize the disposal of an abandoned junk vehicle if the vehicle has been abandoned two or more times, the registered ownership information has not changed since the first abandonment, and the registered owner is also the legal owner.

(2) The law enforcement officer or department representative shall provide information on the vehicle's registered and legal owner to the landowner.

(3) Upon receiving information on the vehicle's registered and legal owner, the landowner shall mail a notice to the registered and legal owners shown on the records of the department. The notification shall describe the redemption procedure and the right to arrange for the removal of the vehicle.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the registered and legal owner, the landowner may dispose of the vehicle or sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle's registered and legal owner is found in the records of the department, the landowner may immediately dispose of the vehicle or sign an affidavit of sale to be used as a title document.

(6) It is a gross misdemeanor for a person to abandon a junk vehicle on property. If a junk vehicle is abandoned, the vehicle's registered owner shall also pay a cleanup restitution payment equal to twice the costs incurred in the removal of the junk vehicle. The court shall distribute one-half of the restitution payment to the landowner of the property upon which the junk vehicle is located, and one-half of the restitution payment to the law enforcement agency or jurisdictional health department investigating the incident.

(7) For the purposes of this section, the term "landowner" includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

(8) A person complying in good faith with the requirements of this section is immune from any liability arising out of an action taken or omission made in the compliance.

Sec. 14. RCW 46.63.030 and 1995 c 219 s 5 are each amended to read as follows:

(1) A law enforcement officer has the authority to issue a notice of traffic infraction:

(a) When the infraction is committed in the officer's presence;

(b) When the officer is acting upon the request of a law enforcement officer in whose presence the traffic infraction was committed; or

(c) If an officer investigating at the scene of a motor vehicle accident has reasonable cause to believe that the driver of a motor vehicle involved in the accident has committed a traffic infraction.

(2) A court may issue a notice of traffic infraction upon receipt of a written statement of the officer that there is reasonable cause to believe that an infraction was committed.

(3) If any motor vehicle without a driver is found parked, standing, or stopped in violation of this title or an equivalent administrative regulation or local law, ordinance, regulation, or resolution, the officer finding the vehicle shall take its registration number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to the vehicle a notice of traffic infraction.

(4) In the case of failure to redeem an abandoned vehicle under RCW 46.55.120, upon receiving a complaint by a registered tow truck operator that has incurred costs in removing, storing, and disposing of an abandoned vehicle, an officer of the law enforcement agency responsible for directing the removal of the vehicle shall send a notice of infraction by certified mail to the last known address of the registered owner of the vehicle. The notice must be entitled "Littering--Abandoned Vehicle" and give notice of the monetary penalty. The officer shall append to the notice of infraction, on a form prescribed by the department of licensing, a notice indicating the amount of costs incurred as a result of removing, storing, and disposing of the abandoned vehicle, less any amount realized at auction, and a statement that monetary penalties for the infraction will not be considered as having been paid until the monetary penalty payable under this chapter has been paid and the court is satisfied that the person has made restitution in the amount of the deficiency remaining after disposal of the vehicle.

Sec. 15. RCW 46.63.110 and 2001 c 289 s 2 are each amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of RCW 46.55.105(2) is two hundred fifty dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

~~((3))~~ (4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or

resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

~~((4))~~ (5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this chapter.

~~((5))~~ (6) Whenever a monetary penalty is imposed by a court under this chapter it is immediately payable. If the person is unable to pay at that time the court may, in its discretion, grant an extension of the period in which the penalty may be paid. If the penalty is not paid on or before the time established for payment the court shall notify the department of the failure to pay the penalty, and the department shall suspend the person's driver's license or driving privilege until the penalty has been paid and the penalty provided in subsection ~~((3))~~ (4) of this section has been paid.

~~((6))~~ (7) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction shall be assessed a fee of five dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040.

~~((7))~~ (8)(a) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction other than of RCW 46.61.527 shall be assessed an additional penalty of ten dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a community service program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection ~~((7))~~ (8) by participation in the community service program.

(b) Revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited as provided in RCW 43.08.250. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060."

COLLOQUY

Representative Sump: "Will the buffer zone language, or any other provision in SSB 6575, lead to conditions being imposed upon landowners who own property adjacent to natural area preserves, or otherwise affect private property rights?"

Representative Doumit: "SSB 6575 does not affect private property rights in any manner. Nothing in this measure will impose conditions, or lead to conditions being imposed, upon adjacent property owners. Part of the purpose of SSB 6575 is to allow the potential for greater access to natural area preserves. This determination will be made on a case-by-case basis. The buffer zone language contained in the bill pertains to increasing the access to these sites. The buffer zone is an area of increased public access, but protected areas beyond the buffer zone would be restricted in order to protect the environmentally sensitive areas. The buffer zone may be included as part of the natural area preserve, or part of a natural resources conservation area, or could be other property which has been purchased from a willing seller, or in which rights to access have been obtained in some other manner with the permission of the owner."

"NEW SECTION. Sec. 4. The legislature recognizes that good language skills are essential for productive adults and that public schools in the state of Washington provide trained speech pathologists to assist children who lack adequate verbal communication skills to compete successfully in the challenges of securing an education. It recognizes that the task of teaching students to speak well is a formidable one and sees shrinking public funding as an obstacle in providing sufficient professional staff to realize that goal. It further recognizes that professionally trained and nationally certified speech pathologists are provided at no cost by nonprofit charitable organizations to preschool and school-age children. To aid the public schools in teaching essential speech skills, a "Help Kids Speak" license plate emblem is established.

NEW SECTION. Sec. 5. A new section is added to chapter 46.04 RCW to read as follows: "Help Kids Speak license plate emblems" means emblems on valid Washington license plates that display a symbol of a nonprofit, charitable organization that provides no-fee nationally certified speech pathologists to teach youngsters to speak.

NEW SECTION. Sec. 6. A new section is added to chapter 46.16 RCW to read as follows: (1) In cooperation with the Washington state patrol and the department of licensing, the sponsors of the "Help Kids Speak" program shall create and design, and the department shall issue, "Help Kids Speak" license plate emblems displaying a symbol of a nonprofit charitable organization and the words "Help Kids Speak" that may be used on motor vehicles required to display two motor vehicle license plates, excluding vehicles registered under chapter 46.87 RCW, upon terms and conditions established by the department. These license plate emblems will commemorate the "Help Kids Speak" organization.

(2) Effective with vehicle registrations due or to become due on January 1, 2003, in addition to all fees and taxes required to be paid upon application and registration of a motor vehicle, the holder of "Help Kids Speak" license plate emblems shall pay an initial fee of forty dollars. The department shall deduct an amount not to exceed twelve dollars of each fee collected under this subsection for administration and collection expenses incurred by it. The remaining proceeds must be remitted to the custody of the state treasurer with a proper identifying detailed report. The state treasurer shall credit the proceeds to the "Help Kids Speak" account established under section 7 of this act.

(3) Effective with annual renewals due or to become due on January 1, 2004, in addition to all fees and taxes required to be paid upon renewal of a motor vehicle registration, the holder of "Help Kids Speak" license plate emblems shall, upon application, pay a fee of thirty dollars. The department shall deduct an amount not to exceed two dollars of each fee collected under this subsection for administration and collection expenses incurred by it. The remaining proceeds must be remitted to the custody of the state treasurer with a proper identifying detailed report. The state treasurer shall credit the funds to the "Help Kids Speak" account established under section 7 of this act.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The "Help Kids Speak" program is created. The purpose of the program is to provide grants to nonprofit, charitable organizations, incorporated under the laws of the state of Washington that do not discriminate in any way, and that provide nationally certified speech pathologists on a no-fee basis to youngsters, regardless of their economic status, whether enrolled in a public, private, or home school, of preschool or school age, and who have displayed a lack of verbal communication skills; including in the grant application a finding that there is, on staff of the nonprofit, charitable organization, nationally certified speech pathologists trained in the techniques of teaching youngsters essential communication skills. The superintendent of public instruction shall administer the grant program.

(2) The "Help Kids Speak" account is established in the custody of the state treasurer. All receipts, except as provided in section 6 (2) and (3), from "Help Kids Speak" license plate emblems

must be deposited into the account. Expenditures from the account may be used only to fund the grant program under subsection (1) of this section. Only the superintendent of public instruction or the superintendent's designee may authorize expenditures from the account. The account is not subject to allotment procedures under chapter 43.88 RCW, and no appropriation is required for expenditures."

The legislature finds that diabetes imposes significant health risks to students enrolled in the state's public schools and that providing for the medical needs of students with diabetes is crucial to ensure both the safety of students with diabetes and their ability to obtain the education guaranteed to all citizens of the state. The legislature also finds that children with diabetes can and should be provided with a safe learning environment and access to all other nonacademic school sponsored

activities. The legislature further finds that an individual health plan for each child with diabetes should be in place in the student's school and should include provisions for a parental signed release form, medical equipment and storage capacity, and exceptions from school policies, school schedule, meals and eating, disaster preparedness, inservice training for staff, legal documents for parent-designated adults who may provide care, as needed, and personnel guidelines describing who may assume responsibility for activities contained in the student's individual health plan.

NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.210 RCW to read as follows:

(1) School districts shall provide individual health plans for students with diabetes, subject to the following conditions:

(a) The board of directors of the school district shall adopt policies to be followed for students with diabetes. The policies shall include, but need not be limited to:

(i) The acquisition of parent requests and instructions;

(ii) The acquisition of orders from licensed health professionals prescribing within the scope of their prescriptive authority for monitoring and treatment at school;

(iii) The provision for storage of medical equipment and medication provided by the parent;

(iv) The provision for students to perform blood glucose tests, administer insulin, treat hypoglycemia and hyperglycemia, and have easy access to necessary supplies and equipment to perform monitoring and treatment functions as specified in the individual health plan. The policies shall include the option for students to carry on their persons the necessary supplies and equipment and the option to perform monitoring and treatment functions anywhere on school grounds including the students' classrooms, and at school-sponsored events;

(v) The establishment of school policy exceptions necessary to accommodate the students' needs to eat whenever and wherever necessary, have easy, unrestricted access to water and bathroom use, have provisions made for parties at school when food is served, eat meals and snacks on time, and other necessary exceptions as described in the individual health plan;

(vi) The assurance that school meals are never withheld because of nonpayment of fees or disciplinary action;

(vii) A description of the students' school day schedules for timing of meals, snacks, blood sugar testing, insulin injections, and related activities;

(viii) The development of individual emergency plans;

(ix) The establishment of inservice training for staff on symptoms, treatment, and monitoring of students with diabetes and on the additional observations that may be needed in different situations that may arise during the school day and during school sponsored activities;

(x) The distribution of the individual health plan to appropriate staff based on the students' needs and staff level of contact with the students;

(xi) The possession of legal documents for parent-designated adults to provide care, if needed; and

(xii) The updating of the individual health plan at least annually or more frequently, as needed; and

(b) The board of directors, in the course of developing the policies in (a) of this subsection, shall seek advice from one or more licensed physicians or nurses or diabetes educators who are nationally certified.

(2)(a) For the purposes of this section, "parent-designated adult" means a volunteer, who may be a school district employee, who receives additional training from or through the parents, and who provides care for the child consistent with the individual health plan.

(b) To be eligible to be a parent-designated adult, a school district employee not licensed under chapter 18.79 RCW shall file, without coercion by the employer, a voluntary written, current, and unexpired letter of intent stating the employee's willingness to be a parent-designated adult. If a school employee who is not licensed under chapter 18.79 RCW chooses not to file a letter under this section, the employee shall not be subject to any employer reprisal or disciplinary action for refusing to file a letter.

(3) The board of directors shall designate a professional person licensed under chapter 18.71, 18.57, or 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners, to consult and coordinate with the student's parents and health care provider, and train and supervise the appropriate school district personnel in proper procedures for care for students with diabetes to ensure

a safe, therapeutic learning environment. Training may also be provided by a diabetes educator who is nationally certified. Training and supervision requirements under this subsection do not extend to parent-designated adults.

NEW SECTION. **Sec. 3.** A new section is added to chapter 28A.210 RCW to read as follows:

A school district, school district employee, agent, or parent-designated adult who, acting in good faith and in substantial compliance with the student's individual health plan and the instructions of the student's licensed health care professional, provides assistance or services under section 1 or 2 of this act shall not be liable in any criminal action or for civil damages in his or her individual or marital or governmental or corporate or other capacities as a result of the services provided under section 1 or 2 of this act to students with diabetes.

SECOND READING

SUBSTITUTE SENATE BILL NO. 6351, by Senate Committee on Education (originally sponsored by Senators Haugen, McAuliffe, Finkbeiner, Rasmussen, Hochstatter, Stevens, Eide, Kohl-Welles, Keiser and Oke)

Requiring notification policies regarding threats at schools.

The bill was read the second time.

There being no objection, the committee amendment by the Committee on Education was before the House for purpose of amendments. (For committee amendment, see Journal, 26th Day, February 28, 2002.)

Representative Talcott moved the adoption of amendment (420) to the committee amendment:

On page 1, beginning on line 11 of the amendment strike all material through "student" on line 20 and insert:

"(a)Procedures for providing notice of threats of violence or harm to the student or school employee who is the subject of the threat. The policy shall define "threats of violence or harm";

(b)Procedures for disclosing information that is provided to the school administrators about a student's conduct, including but not be limited to the student's prior disciplinary records, official juvenile court records, and history of violence, to classroom teachers, school staff, and school security who, in the judgment of the principal, should be notified; and

(c)Procedures for determining whether or not any threats or conduct established in the policy may be grounds for suspension or expulsion of the student"

Representatives Talcott and Haigh spoke in favor of the adoption of the amendment to the committee amendment.

The amendment to the committee amendment was adopted.

Representative Carrell moved the adoption of amendment (432) to the committee amendment:

On page 1, line 17 of the amendment, after ";" strike "and"

On page 1, line 20 of the amendment, after "student" insert ";" and

(d) Procedures for disclosing information to local law enforcement agencies when school administrators become aware of evidence of misconduct by a student or school employee that the school administrator reasonably believes would constitute a criminal offense"

POINT OF ORDER

Representative Hatfield requested a scope and object ruling on the amendment (432) to the committee amendment to Substitute House Bill No. 6351.

SPEAKER'S RULING

Mr. Speaker: "Substitute Senate Bill No. 6351 is entitled: "an act relating to safety of school employees and students". The bill and the committee amendment require the development of notification procedures for threats of violence or harm to students or school employees that are the subject of such threats.

Amendment (432) requires the adoption of policies notifying local law enforcement of any misconduct by a student or school employee that the school believes would constitute a criminal offense -- even if such misconduct did **not** involve threats of violence or harm to students or school employees.

According, the amendment is beyond the scope and object of the bill.

Mr Speaker : Representative Hatfield, your point of order is well taken."

Representative Anderson moved the adoption of amendment (421) to the committee amendment:

On page 1, on line 35 of the amendment, after "." insert the following:

"**NEW SECTION. Sec. 2.** If specific funding for the school safety center for fiscal year 2003 in the amount of at least \$100,000 is not provided by June 30, 2002, in the omnibus appropriations act, Section 1, subsection 2 of this act is null and void."

Correct the title.

Representatives Anderson and Haigh spoke in favor of the adoption of the amendment.

The amendment to the committee amendment was adopted.

The committee amendment as amended was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House was placed on final passage.

Representatives Talcott, Haigh and Bush spoke in favor of passage of the bill.

MOTIONS

On motion of Representative Santos, Representatives Kirby and Quall were excused. On motion of Representative Woods, Representatives Armstrong and McMorris were excused.

Sec. 3. RCW 9.94A.525 and 2001 c 264 s 5 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(2) Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class

C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and 1/2 point for each juvenile prior conviction.

(12) If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

PRIOR ADJUDICATIONS

NOTE: References in the grid to days or weeks mean periods of confinement.

(1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.

(2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (7) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section

are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, a class C felony listed in RCW 9.94A.411(2) as a crime against persons or listed in RCW 9A.46.060 as a crime of harassment, ~~((or))~~ a class C felony that is a violation of RCW 9.41.080 or 9.41.040(1)(b)(iii), or a class C felony that is a violation of RCW 9A.56.070; or

(b) An alleged offender is accused of a felony and has a criminal history of any felony, or at least two gross misdemeanors, or at least two misdemeanors; or

(c) An alleged offender has previously been committed to the department; or

(d) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion; or

(e) An alleged offender has two or more diversion agreements on the alleged offender's criminal history; or

(f) A special allegation has been filed that the offender or an accomplice was armed with a firearm when the offense was committed.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (7) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(8) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.

(9) The responsibilities of the prosecutor under subsections (1) through (8) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(10) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. (1) It is unlawful for any person, firm, partnership, corporation, or other entity to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to convey electric current, or installing or maintaining equipment to be operated by electric current as it pertains to the electrical industry, without having an unrevoked, unsuspended, and unexpired electrical contractor license, issued by the department in accordance with this chapter. All electrical contractor licenses expire twenty-four calendar months following the day of their issue. The department may issue an electrical contractors license for a period of less than twenty-four months only for the purpose of equalizing the number of electrical contractor licenses that expire each month. Application for an

electrical contractor license shall be made in writing to the department, accompanied by the required fee. The application shall state:

(a) The name and address of the applicant; in case of firms or partnerships, the names of the individuals composing the firm or partnership; in case of corporations, the names of the managing officials thereof;

(b) The location of the place of business of the applicant and the name under which the business is conducted;

(c) Employer social security number;

(d) Evidence of workers' compensation coverage for the applicant's employees working in Washington, as follows:

(i) The applicant's industrial insurance account number issued by the department;

(ii) The applicant's self-insurer number issued by the department; or

(iii) For applicants domiciled in a state or province of Canada subject to an agreement entered into under RCW 51.12.120(7), as permitted by the agreement, filing a certificate of coverage issued by the agency that administers the workers' compensation law in the applicant's state or province of domicile certifying that the applicant has secured the payment of compensation under the other state's or province's workers' compensation law;

(e) Employment security department number;

(f) State excise tax registration number;

(g) Unified business identifier (UBI) account number may be substituted for the information required by (d) of this subsection if the applicant will not employ employees in Washington, and by (e) and (f) of this subsection; and

(h) Whether a general or specialty electrical contractor license is sought and, if the latter, the type of specialty. Electrical contractor specialties include, but are not limited to: Residential, ~~((domestic appliances,))~~ pump and irrigation, limited energy system, signs, nonresidential maintenance, restricted nonresidential maintenance, appliance repair, and a combination specialty. A general electrical contractor license shall grant to the holder the right to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to carry electric current, and installing or maintaining equipment, or installing or maintaining material to fasten or insulate such wires or equipment to be operated by electric current, in the state of Washington. A specialty electrical contractor license shall grant to the holder a limited right to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to carry electrical current, and installing or maintaining equipment; or installing or maintaining material to fasten or insulate such wires or equipment to be operated by electric current in the state of Washington as expressly allowed by the license.

(2) The department may verify the workers' compensation coverage information provided by the applicant under subsection (1)(d) of this section, including but not limited to information regarding the coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) The application for ~~((a))~~ an electrical contractor license shall be accompanied by a bond in the sum of four thousand dollars with the state of Washington named as obligee in the bond, with good and sufficient surety, to be approved by the department. The bond shall at all times be kept in full force and effect, and any cancellation or revocation thereof, or withdrawal of the surety therefrom, suspends the license issued to the principal until a new bond has been filed and approved as provided in this section. Upon approval of a bond, the department shall on the next business day deposit the fee accompanying the application in the electrical license fund and shall file the bond in the office. The department shall upon request furnish to any person, firm, partnership, corporation, or other entity a certified copy of the bond upon the payment of a fee that the department shall set by rule. The fee shall cover but not exceed the cost of furnishing the certified copy. The bond shall be conditioned that in any installation or maintenance of wires or equipment to convey electrical current, and equipment to be operated by electrical current, the principal will comply with the provisions of this chapter and with any electrical ordinance, building code, or regulation of a city or town adopted pursuant to RCW 19.28.010(3) that is in effect at the time of entering into a contract. The bond shall be conditioned

further that the principal will pay for all labor, including employee benefits, and material furnished or used upon the work, taxes and contributions to the state of Washington, and all damages that may be sustained by any person, firm, partnership, corporation, or other entity due to a failure of the principal to make the installation or maintenance in accordance with this chapter or any applicable ordinance, building code, or regulation of a city or town adopted pursuant to RCW 19.28.010(3). In lieu of the surety bond required by this section the license applicant may file with the department a cash deposit or other negotiable security acceptable to the department. If the license applicant has filed a cash deposit, the department shall deposit the funds in a special trust savings account in a commercial bank, mutual savings bank, or savings and loan association and shall pay annually to the depositor the interest derived from the account.

(4) The department shall issue general or specialty electrical contractor licenses to applicants meeting all of the requirements of this chapter. The provisions of this chapter relating to the licensing of any person, firm, partnership, corporation, or other entity including the requirement of a bond with the state of Washington named as obligee therein and the collection of a fee therefor, are exclusive, and no political subdivision of the state of Washington may require or issue any licenses or bonds or charge any fee for the same or a similar purpose. No person, firm, partnership, corporation, or other entity holding more than one specialty contractor license under this chapter may be required to pay an annual fee for more than one such license or to post more than one four thousand dollar bond, equivalent cash deposit, or other negotiable security.

(5) To obtain a general or specialty electrical contractor license the applicant must designate an individual who currently possesses ~~((an))~~ a valid master journeyman electrician's certificate of competency, master specialty electrician's certificate of competency in the specialty for which application has been made, or administrator's certificate as a general electrical contractor administrator or as a specialty electrical contractor administrator in the specialty for which application has been made.

(6) Administrator certificate specialties include but are not limited to: Residential, ~~((domestic, appliance,))~~ pump and irrigation, limited energy system, signs, nonresidential maintenance, restricted nonresidential maintenance, appliance repair, and combination specialty. To obtain an administrator's certificate an individual must pass an examination as set forth in RCW 19.28.051 unless the applicant was a licensed electrical contractor at any time during 1974. Applicants who were electrical contractors licensed by the state of Washington at any time during 1974 are entitled to receive a general electrical contractor administrator's certificate without examination if the applicants apply prior to January 1, 1984. The board of electrical examiners shall certify to the department the names of all persons who are entitled to either a general or specialty electrical contractor administrator's certificate.

Sec. 3. RCW 19.28.061 and 1996 c 241 s 3 are each amended to read as follows:

(1) Each applicant for an electrical contractor's license, other than an individual, shall designate a supervisory employee or member of the firm to take the required master electrician's or administrator's examination. Effective July 1, 1987, a supervisory employee designated as the electrical contractor's master electrician or administrator shall be a full-time supervisory employee. This person shall be designated as master electrician or administrator under the license. No person may concurrently qualify as master electrician or administrator for more than one contractor. If the relationship of the master electrician or administrator with the electrical contractor is terminated, the contractor's license is void within ninety days unless another master electrician or administrator is qualified by the board. However, if the master electrician or administrator dies or is otherwise incapacitated, the contractor's license is void within one hundred eighty days unless another master electrician or administrator is qualified by the board. ~~((A certificate issued under this section is valid for two years from the nearest birthdate of the administrator, unless revoked or suspended, and further is nontransferable.))~~ The contractor must notify the department in writing within ten days if the master electrician's or administrator's relationship with the contractor terminates due to the master electrician's or administrator's death or incapacitation.

(2) The department must issue an administrator's certificate to all applicants who have passed the examination as provided in RCW 19.28.051 and this section, and who have complied with the rules adopted under this chapter. The administrator's certificate must bear the date of issuance, expires on

the holder's birthday, and is nontransferable. The certificate must be renewed every three years, upon application, on or before the holder's birthday.

(a) If the certificate holder demonstrates to the department that he or she has satisfactorily completed an annual eight-hour continuing education course, the certificate may be renewed by appropriate application without examination unless the certificate has been revoked, suspended, or not renewed within ninety days after the expiration date.

(b) The contents and requirements for satisfactory completion of the continuing education course must be determined by the director and approved by the board.

(c) The department must accept proof of a certificate holder's satisfactory completion of a continuing education course offered in another state as meeting the requirements for maintaining a current Washington state certificate if the department is satisfied the course is comparable in nature to that required in Washington state for maintaining a current certificate.

(3) A fee must be assessed for each administrator's certificate and for each renewal. An individual holding more than one administrator's certificate under this chapter is not required to pay fees for more than one certificate. The department must set the fees by rule for issuance and renewal of a certificate. The fees must cover, but not exceed, the costs of issuing the certificates and of administering and enforcing the administrator certification requirements of this chapter.

(4) The department may deny an application for an administrator's certificate for up to two years if the applicant's previous administrator's certificate has been revoked for a serious violation and all appeals concerning the revocation have been exhausted. For the purposes of this section only, a serious violation is a violation that presents imminent danger to the public. The certificate may be renewed for a ~~((two-year))~~ three-year period without examination by appropriate application unless the certificate has been revoked, suspended, or not renewed within ninety days after the expiration date. If the certificate is not renewed before the expiration date, the individual shall pay twice the usual fee. ~~((An individual holding more than one administrator's certificate under this chapter shall not be required to pay annual fees for more than one certificate.))~~ A person may take the administrator's ~~((test))~~ examination as many times as necessary to pass without limit.

~~((2))~~ (5) The designated master electrician or administrator shall:

- (a) Be a member of the firm or a supervisory employee and shall be available during working hours to carry out the duties of an administrator under this section;
- (b) Ensure that all electrical work complies with the electrical installation laws and rules of the state;
- (c) Ensure that the proper electrical safety procedures are used;
- (d) Ensure that all electrical labels, permits, and licenses required to perform electrical work are used;
- (e) See that corrective notices issued by an inspecting authority are complied with; and
- (f) Notify the department in writing within ten days if the master electrician or administrator terminates the relationship with the electrical contractor.

~~((3))~~ (6) The department shall not by rule change the administrator's duties under subsection ~~((2))~~ (5) of this section.

Sec. 4. RCW 19.28.161 and 1997 c 309 s 1 are each amended to read as follows:

(1) No person may engage in the electrical construction trade without having a ~~((current))~~ valid master journeyman electrician certificate of competency, journeyman electrician certificate of competency, master specialty electrician certificate of competency, or ((a-current)) specialty electrician certificate of competency issued by the department in accordance with this chapter. Electrician certificate of competency specialties include, but are not limited to: Residential, ((domestic appliances,)) pump and irrigation, limited energy system, signs, ((and)) nonresidential maintenance, restricted nonresidential maintenance, and appliance repair.

(2) A person who is indentured in an apprenticeship program approved under chapter 49.04 RCW for the electrical construction trade or who is learning the electrical construction trade may work in the electrical construction trade if supervised by a certified master journeyman electrician, journeyman electrician, master specialty electrician in that electrician's specialty, or ((a-certified)) specialty electrician in that electrician's specialty. All apprentices and individuals learning the

electrical construction trade shall obtain an electrical training certificate from the department. The certificate shall authorize the holder to learn the electrical construction trade while under the direct supervision of a master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or ~~((a)) specialty electrician working in ((his or her)) that electrician's specialty.~~ The holder of the electrical training certificate shall renew the certificate ~~((annually)) biennially.~~ At the time of renewal, the holder shall provide the department with an accurate list of the holder's employers in the electrical construction industry for the previous ~~((year)) biennial period~~ and the number of hours worked for each employer. ~~((An annual)) A biennial~~ fee shall be charged for the issuance or renewal of the certificate. The department shall set the fee by rule. The fee shall cover but not exceed the cost of administering and enforcing the trainee certification and supervision requirements of this chapter. Apprentices and individuals learning the electrical construction trade shall have their electrical training certificates in their possession at all times that they are performing electrical work. They shall show their certificates to an authorized representative of the department at the representative's request.

(3) Any person who has been issued an electrical training certificate under this chapter may work if that person is under supervision. Supervision shall consist of a person being on the same job site and under the control of either a certified master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or ~~((an appropriate)) specialty electrician ((who has an applicable certificate of competency issued under this chapter)) working in that electrician's specialty.~~

Either a certified master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or ~~((an appropriate)) specialty electrician working in that electrician's specialty~~ shall be on the same job site as the noncertified individual for a minimum of seventy-five percent of each working day unless otherwise provided in this chapter.

(4) The ratio of noncertified individuals to certified master journeymen electricians, journeymen electricians, master specialty electricians, or specialty electricians ~~((working))~~ on ~~((a)) any one job site ((shall be))~~ is as follows:

(a) When working as a specialty electrician, not more than two noncertified individuals ((working on any one job site)) for every certified master specialty electrician working in that electrician's specialty, specialty electrician working in that electrician's specialty, master journeyman electrician, or journeyman electrician ((working as a specialty electrician)), except that the ratio requirements are one certified master specialty electrician working in that electrician's specialty, specialty electrician working in that electrician's specialty, master journeyman electrician, or journeyman electrician working as a specialty electrician to no more than four students enrolled in and working as part of an electrical construction program at public community or technical colleges, or not-for-profit nationally accredited trade or technical schools licensed by the work force training and education coordinating board under chapter 28C.10 RCW. In meeting the ratio requirements for students enrolled in an electrical construction program at a trade school, a trade school may receive input and advice from the electrical board; and

(b) When working as a journeyman electrician, not more than one noncertified individual ((working on any one job site)) for every certified master journeyman electrician or journeyman electrician, except that the ratio requirements shall be one certified master journeyman electrician or journeyman electrician to no more than four students enrolled in and working as part of an electrical construction program at public community or technical colleges, or not-for-profit nationally accredited trade or technical schools licensed by the work force training and education coordinating board under chapter 28C.10 RCW. In meeting the ratio requirements for students enrolled in an electrical construction program at a trade school, a trade school may receive input and advice from the electrical board.

An individual who has a current training certificate and who has successfully completed or is currently enrolled in an approved apprenticeship program or in an electrical construction program at public community or technical colleges, or not-for-profit nationally accredited technical or trade schools licensed by the work force training and education coordinating board under chapter 28C.10 RCW, may work without direct on-site supervision during the last six months of meeting the practical experience requirements of this chapter.

(5) For the residential (as specified in WAC 296-46A-930(2)(a)), pump and irrigation (as specified in WAC 296-46A-930(2)(b)(i)), sign (as specified in WAC 296-46A-930(2)(c)), limited energy (as specified in WAC 296-46A-930(2)(e)(i)), nonresidential maintenance (as specified in WAC 296-46A-930(2)(f)(i)), restricted nonresidential maintenance as determined by the department in rule, or other new nonresidential specialties, not including appliance repair, as determined by the department in rule, either a master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or specialty electrician working in that electrician's specialty must be on the same job site as the noncertified individual for a minimum of seventy-five percent of each working day. Other specialties must meet the requirements specified in RCW 19.28.191(1)(f)(ii). When the ratio of certified electricians to noncertified individuals on a job site is one certified electrician to three or four noncertified individuals, the certified electrician must:

(a) Directly supervise and instruct the noncertified individuals and the certified electrician may not directly make or engage in an electrical installation; and

(b) Be on the same job site as the noncertified individual for a minimum of one hundred percent of each working day.

(6) The electrical contractor shall accurately verify and attest to the electrical trainee hours worked by electrical trainees on behalf of the electrical contractor.

Sec. 5. RCW 19.28.191 and 1997 c 309 s 3 are each amended to read as follows:

(1) Upon receipt of the application, the department shall review the application and determine whether the applicant is eligible to take an examination for the master journeyman electrician, journeyman electrician, master specialty electrician, or specialty electrician certificate of competency.

(a) Before July 1, 2005, an applicant who possesses a valid journeyman electrician certificate of competency in effect for the previous four years and a valid general administrator's certificate may apply for a master journeyman electrician certificate of competency without examination.

(b) Before July 1, 2005, an applicant who possesses a valid specialty electrician certificate of competency, in the specialty applied for, for the previous two years and a valid specialty administrator's certificate, in the specialty applied for, may apply for a master specialty electrician certificate of competency without examination.

(c) To be eligible to take the examination for a master journeyman electrician certificate of competency the applicant must have possessed a valid journeyman electrician certificate of competency for four years.

(d) To be eligible to take the examination for a master specialty electrician certificate of competency the applicant must have possessed a valid specialty electrician certificate of competency, in the specialty applied for, for two years.

Specialty electricians with less than a four thousand hour work experience requirement cannot credit the time required to obtain that specialty towards qualifying to become a journeyman electrician; or

(ii) Successfully completed an apprenticeship program approved under chapter 49.04 RCW for the electrical construction trade.

~~((b))~~ (f) To be eligible to take the examination ~~((to become))~~ for a specialty electrician certificate of competency the applicant ~~((shall))~~ must have:

(i) Worked in ~~((that specialty of the electrical construction trade, under the supervision of a journeyman electrician or an appropriate specialty electrician, for a minimum of two years employed full time))~~ the residential (as specified in WAC 296-46A-930(2)(a)), pump and irrigation (as specified in WAC 296-46A-930(2)(b)(i)), sign (as specified in WAC 296-46A-930(2)(c)), limited energy (as

The initial period must be spent under one hundred percent supervision of a master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or specialty electrician working in that electrician's specialty. After this initial period, a person may take the specialty examination. If the person passes the examination, the person may work unsupervised for the balance of the minimum hours required for certification. A person may not be certified as a specialty electrician in the appliance repair specialty or in a specialty other than the designated specialties in (f)(i) of this subsection, however, until the person has worked a minimum of two thousand hours in that specialty, or longer if set by rule by the department; or

(iii) Successfully completed an approved apprenticeship program under chapter 49.04 RCW for the applicant's specialty in the electrical construction trade.

~~((e))~~ (g) Any applicant for a journeyman electrician certificate of competency who has successfully completed a two-year program in the electrical construction trade at public community or technical colleges, or not-for-profit nationally accredited technical or trade schools licensed by the work force training and education coordinating board under chapter 28C.10 RCW may substitute up to two years of the technical or trade school program for two years of work experience under a master journeyman electrician or journeyman electrician. The applicant shall obtain the additional two years of work experience required in industrial or commercial electrical installation prior to the beginning, or after the completion, of the technical school program. Any applicant who has received training in the electrical construction trade in the armed service of the United States may be eligible to apply armed service work experience towards qualification to take the examination for the journeyman electrician certificate of competency.

~~((d))~~ (h) An applicant for a specialty electrician certificate of competency who, after January 1, 2000, has successfully completed a two-year program in the electrical construction trade at a public community or technical college, or a not-for-profit nationally accredited technical or trade school licensed by the work force training and education coordinating board under chapter 28C.10 RCW, may substitute up to one year of the technical or trade school program for one year of work experience under a master journeyman electrician, journeyman electrician, master specialty electrician working in that electrician's specialty, or specialty electrician working in that electrician's specialty. Any applicant who has received training in the electrical construction trade in the armed services of the United States may be eligible to apply armed service work experience towards qualification to take the examination for an appropriate specialty electrician certificate of competency.

(i) The department must determine whether hours of training and experience in the armed services or school program are in the electrical construction trade and appropriate as a substitute for hours of work experience. The department must use the following criteria for evaluating the equivalence of classroom electrical training programs and work in the electrical construction trade:

(i) A two-year electrical training program must consist of three thousand or more hours.

(ii) In a two-year electrical training program, a minimum of two thousand four hundred hours of student/instructor contact time must be technical electrical instruction directly related to the scope of work of the electrical specialty. Student/instructor contact time includes lecture and in-school lab.

(iii) The department may not allow credit for a program that accepts more than one thousand hours transferred from another school's program.

(v) Electrical training programs of less than two years may not be credited towards qualification for journeyman electrician unless the training program is used to gain qualification for a four thousand hour electrical specialty.

(j) No other requirement for eligibility may be imposed.

(2) The department shall establish reasonable rules for the examinations to be given applicants for certificates of competency. In establishing the rules, the department shall consult with the board. Upon determination that the applicant is eligible to take the examination, the department shall so notify the applicant, indicating the time and place for taking the examination.

(3) No noncertified individual may work unsupervised more than one year beyond the date when the trainee would be eligible to test for a certificate of competency if working on a full-time basis after original application for the trainee certificate. For the purposes of this section, full-time basis means two thousand hours.

Sec. 6. RCW 19.28.201 and 2001 c 211 s 13 are each amended to read as follows:

The department, in coordination with the board, shall prepare an examination to be administered to applicants for master journeyman electrician, journeyman electrician, master specialty electrician, and specialty electrician certificates of competency.

The department, with the consent of the board, may enter into a contract with a professional testing agency to develop, administer, and score electrician certification examinations. The department may set the examination fee by contract with the professional testing agency.

The department must, at least four times annually, administer the examination to persons eligible to take it under RCW 19.28.191. The fee must cover, but not exceed, the costs of preparing and administering the examination.

The department must certify the results of the examination upon the terms and after such a period of time as the department, in cooperation with the board, deems necessary and proper.

(1)(a) The master electrician's certificates of competency examinations must include questions from the following categories to ensure proper safety and protection for the general public: (i) Safety; (ii) the state electrical code; and (iii) electrical theory.

(b) A person may take the master electrician examination as many times as necessary without limit. All applicants must, before taking the examination, pay the required examination fee to the agency administering the examination.

(2) The journeyman electrician and specialty electrician examinations shall be constructed to determine:

~~((4))~~ (a) Whether the applicant possesses varied general knowledge of the technical information and practical procedures that are identified with the status of journeyman electrician or specialty electrician; and

~~((2))~~ (b) Whether the applicant is sufficiently familiar with the applicable electrical codes and the rules of the department pertaining to electrical installations and electricians.

~~((The department shall, at least four times annually, administer the examination to persons eligible to take it under RCW 19.28.191. A person may take the journeyman or specialty test as many times as necessary without limit. All applicants shall, before taking the examination, pay the required examination fee to the agency administering the examination. The fee shall cover but not exceed the costs of preparing and administering the examination.~~

~~The department shall certify the results of the examination upon such terms and after such a period of time as the department, in cooperation with the board, deems necessary and proper.~~

~~(3) The department upon the consent of the board may enter into a contract with a professional testing agency to develop, administer, and score journeyman and/or specialty electrician certification examinations. The department may set the examination fee by contract with the professional testing agency.))~~

A person may take the examination as many times as necessary without limit. All applicants must, before taking the examination, pay the required examination fee to the agency administering the examination.

Sec. 7. RCW 19.28.211 and 2001 c 211 s 14 are each amended to read as follows:

(1) The department shall issue a certificate of competency to all applicants who have passed the examination provided in RCW 19.28.201, and who have complied with RCW 19.28.161 through 19.28.271 and the rules adopted under this chapter. The certificate shall bear the date of issuance, and shall expire on the holder's birthday. The certificate shall be renewed every three years, upon application, on or before the holder's birthdate. A fee shall be assessed for each certificate and for each annual renewal.

(2) If the certificate holder demonstrates to the department that he or she has satisfactorily completed an annual eight-hour continuing education course, the certificate may be renewed without examination by appropriate application unless the certificate has been revoked, suspended, or not renewed within ninety days after the expiration date.

(a) The contents and requirements for satisfactory completion of the continuing education course shall be determined by the director and approved by the board.

(b) The department shall accept proof of a certificate holder's satisfactory completion of a continuing education course offered in another state as meeting the requirements for maintaining a current Washington state certificate of competency if the department is satisfied the course is comparable in nature to that required in Washington state for maintaining a current certificate of competency.

(3) If the certificate is not renewed before the expiration date, the individual shall pay twice the usual fee. The department shall set the fees by rule for issuance and renewal of a certificate of competency. The fees shall cover but not exceed the costs of issuing the certificates and of administering and enforcing the electrician certification requirements of this chapter.

(4) The certificates of competency and temporary permits provided for in this chapter grant the holder the right to work in the electrical construction trade as a master electrician, journeyman electrician, or specialty electrician in accordance with their provisions throughout the state and within any of its political subdivisions without additional proof of competency or any other license, permit, or fee to engage in such work.

Sec. 8. RCW 19.28.241 and 2001 c 211 s 17 are each amended to read as follows:

(1) The department may revoke any certificate of competency upon the following grounds:

(a) The certificate was obtained through error or fraud;

(b) The holder thereof is judged to be incompetent to work in the electrical construction trade as a journeyman electrician or specialty electrician;

(d) The holder thereof has committed a serious violation of this chapter or any rule adopted under this chapter. A serious violation is a violation that presents imminent danger to the public.

(2) The department may deny an application for a certificate of competency for up to two years if the applicant's previous certificate of competency has been revoked.

~~((2))~~ (3) Before any certificate of competency shall be revoked, the holder shall be given written notice of the department's intention to do so, mailed by registered mail, return receipt requested, to the holder's last known address. The notice shall enumerate the allegations against the holder, and shall give the holder the opportunity to request a hearing before the board. At the hearing, the department and the holder may produce witnesses and give testimony. The hearing shall be conducted in accordance with chapter 34.05 RCW. The board shall render its decision based upon the testimony and evidence presented, and shall notify the parties immediately upon reaching its decision. A majority of the board shall be necessary to render a decision.

~~((3))~~ (4) The department shall immediately suspend the license or certificate of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order."

SENATE AMENDMENTS TO HOUSE BILL

March 5, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1397, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that relatives increasingly are assuming the responsibility for raising the children of their loved ones. The parents of these children are unable to fulfill this responsibility themselves because of various and complex reasons.

The legislature recognizes that these kinship caregivers perform a vital function in our society by providing homes for children who would otherwise be at risk of foster care placement. These homes offer stability to children in crisis and enhance family reunification. Outcome data shows that children in the care of relatives are less likely to enter state custody, and most of these arrangements do not require intensive supervision of the placement by the courts or by the department of social and health services. The legislature recognizes that kinship care is a legitimate and important component in the spectrum of out-of-home placements available to children in need.

The legislature recognizes that these kinship caregivers face many difficulties and need assistance to support the health and well-being of the children they care for. These needs include, but are not limited to, legal assistance, respite care services, financial assistance, counseling, and other supportive services.

NEW SECTION. Sec. 2. (1) Within existing resources, the department of social and health services shall convene a kinship caregivers working group subsequent to the release in June 2002 of the kinship caregivers study being conducted by the Washington state institute for public policy. The working group shall comprise:

- (a) The children's administration;
 - (b) The aging and adult services administration;
 - (c) The economic services administration;
 - (d) Kinship caregivers; and
 - (e) Other stakeholders, such as the grandparents' coalition.
- (2) The kinship caregivers working group shall:
- (a) Review the Washington state institute for public policy kinship caregivers study;
 - (b) Develop a briefing for the legislature that identifies and prioritizes:
 - (i) The policy issues to be considered in making kinship care a robust component of the out-of-home placements spectrum including consideration of a financial means test;
 - (ii) The federal and state statutes associated with these policy issues; and

(iii) Options for addressing these policy issues; and
(c) Submit the briefing to the appropriate committees in the senate and house of representatives by November 1, 2002."

On page 1, line 1 of the title, after "relatives;" strike the remainder of the title and insert "and creating new sections."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 6, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1444, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature declares that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. The legislature finds that harassment, intimidation, or bullying, like other disruptive or violent behavior, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment.

Furthermore, the legislature finds that students learn by example. The legislature commends school administrators, faculty, staff, and volunteers for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

NEW SECTION. Sec. 2. (1) By August 1, 2003, each school district shall adopt or amend if necessary a policy, within the scope of its authority, that prohibits the harassment, intimidation, or bullying of any student. It is the responsibility of each school district to share this policy with parents or guardians, students, volunteers, and school employees.

(2) "Harassment, intimidation, or bullying" means any intentional written, verbal, or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36.080(3), or other distinguishing characteristics, when the intentional written, verbal, or physical act:

- (a) Physically harms a student or damages the student's property; or
- (b) Has the effect of substantially interfering with a student's education; or
- (c) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- (d) Has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation, or bullying.

(3) The policy should be adopted or amended through a process that includes representation of parents or guardians, school employees, volunteers, students, administrators, and community representatives. It is recommended that each such policy emphasize positive character traits and values, including the importance of civil and respectful speech and conduct, and the responsibility of students to comply with the district's policy prohibiting harassment, intimidation, or bullying.

(4) By August 1, 2002, the superintendent of public instruction, in consultation with representatives of parents, school personnel, and other interested parties, shall provide to school districts and educational service districts a model harassment, intimidation, and bullying prevention policy and training materials on the components that should be included in any district policy. Training materials shall be disseminated in a variety of ways, including workshops and other staff developmental activities, and through the office of the superintendent of public instruction's web site, with a link to the safety center web page. On the web site:

- (a) The office of the superintendent of public instruction shall post its model policy, recommended training materials, and instructional materials;
- (b) The office of the superintendent of public instruction has the authority to update with new technologies access to this information in the safety center, to the extent resources are made available; and
- (c) Individual school districts shall have direct access to the safety center web site to post a brief summary of their policies, programs, partnerships, vendors, and instructional and training materials, and to provide a link to the school district's web site for further information.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

Beginning with the 2002-03 school year, each school district shall report to the superintendent of public instruction by January 31st of each year all incidents resulting in disciplinary action involving harassment, intimidation, or bullying on school premises or on transportation systems used by schools, in the year preceding the report. The superintendent shall compile the data and report it to the appropriate committees of the house of representatives and the senate.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.600 RCW to read as follows:

(1) No school employee, student, or volunteer may engage in reprisal, retaliation, or false accusation against a victim, witness, or one with reliable information about an act of harassment, intimidation, or bullying.

(2) A school employee, student, or volunteer who has witnessed, or has reliable information that a student has been subjected to, harassment, intimidation, or bullying, whether verbal or physical, is encouraged to report such incident to an appropriate school official.

(3) A school employee, student, or volunteer who promptly reports an incident of harassment, intimidation, or bullying to an appropriate school official, and who makes this report in compliance with the procedures in the district's policy prohibiting bullying, harassment, or intimidation, is immune from a cause of action for damages arising from any failure to remedy the reported incident."

On page 1, line 2 of the title, after "schools;" strike the remainder of the title and insert "adding a new section to chapter 28A.320 RCW; adding a new section to chapter 28A.600 RCW; and creating new sections."

(2) The assets of the separate reserve fund:

(a) Shall be held legally and physically segregated from the other assets of the certificate of exemption holder;

(b) Shall be invested in the same manner that persons of reasonable prudence, discretion, and intelligence exercise in the management of a like enterprise, not in regard to speculating but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital. (i) The institution has filed with the commissioner a copy of the single premium life annuity purchased and specifying which charitable gift annuity or annuities are being insured; and

(ii) The institution has entered into a written agreement with the annuitant and the insurer issuing the single premium life annuity providing that if for any reason the institution is unable to continue making the annuity payments required by its annuity agreements, the annuitants shall receive payments directly from the insurer and the insurer shall be credited with all of these direct payments in the accounts between the insurer and the institution."

SENATE AMENDMENTS TO HOUSE BILL

March 4, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2382, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature recognizes that responses by the department of social and health services and public safety agencies have varied between jurisdictions when allegations of withholding of the basic necessities of life are made. The legislature intends to improve the capacity of the department of social and health services and public safety agencies to respond to situations where the basic necessities of life are withheld by allowing an earlier intervention in such cases. The legislature finds that improved coordination between the department of social and health services and public safety agencies at an earlier point will lead to better treatment of children and families and will reduce the likelihood of serious harm.

NEW SECTION. **Sec. 2.** A new section is added to chapter 9A.42 RCW to read as follows:

(1) A person is guilty of the crime of criminal mistreatment in the fourth degree if the person is the parent of a child, is a person entrusted with the physical custody of a child or other dependent

person, or is a person employed to provide to the child or dependent person the basic necessities of life, and either:

(a) With criminal negligence, creates an imminent and substantial risk of bodily injury to a child or dependent person by withholding any of the basic necessities of life; or

(b) With criminal negligence, causes bodily injury or extreme emotional distress manifested by more than transient physical symptoms to a child or dependent person by withholding the basic necessities of life.

(2) Criminal mistreatment in the fourth degree is a misdemeanor.

Sec. 3. RCW 9A.42.040 and 2000 c 76 s 2 are each amended to read as follows:

RCW 9A.42.020, 9A.42.030, ~~((and))~~ 9A.42.035, and section 2 of this act do not apply to decisions to withdraw life support systems made in accordance with chapter 7.70 or 70.122 RCW by the dependent person, his or her legal surrogate, or others with a legal duty to care for the dependent person.

Sec. 4. RCW 9A.42.045 and 2000 c 76 s 3 are each amended to read as follows:

RCW 9A.42.020, 9A.42.030, ~~((and))~~ 9A.42.035, and section 2 of this act do not apply when a terminally ill or permanently unconscious person or his or her legal surrogate, as set forth in chapter 7.70 RCW, requests, and the person receives, palliative care from a licensed home health agency, hospice agency, nursing home, or hospital providing care under the medical direction of a physician. As used in this section, the terms "terminally ill" and "permanently unconscious" have the same meaning as "terminal condition" and "permanent unconscious condition" in chapter 70.122 RCW.

The petition shall be filed with the court at least seven days before the date set for trial but, upon a written motion and affidavit establishing good cause for the delay and failure to comply with this section, the court may waive this requirement subject to the defendant's reimbursement to the court of the witness fees and expenses due for subpoenaed witnesses who have appeared on the date set for trial.

(2) A person charged with a traffic infraction, misdemeanor, or gross misdemeanor under Title 46 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020. Such person shall not be eligible for a deferred prosecution program more than once. Separate offenses committed more than seven days apart may not be consolidated in a single program.

(3) A person charged with a misdemeanor or a gross misdemeanor under chapter 9A.42 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020. Such person shall not be eligible for a deferred prosecution program more than once.

The petition shall also contain a case history and a written service plan from the department of social and health services.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28B.15.012 and 2000 c 160 s 1 and 2000 c 117 s 1 are each reenacted and amended to read as follows:

Whenever used in chapter 28B.15 RCW:

(1) The term "institution" shall mean a public university, college, or community college within the state of Washington.

(2) The term "resident student" shall mean:

(a) A financially independent student who has had a domicile in the state of Washington for the period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution and has in fact established a bona fide domicile in this state primarily for purposes other than educational;

(b) A dependent student, if one or both of the student's parents or legal guardians have maintained a bona fide domicile in the state of Washington for at least one year immediately prior to commencement of the semester or quarter for which the student has registered at any institution;

(c) A student classified as a resident based upon domicile by an institution on or before May 31, 1982, who was enrolled at a state institution during any term of the 1982-1983 academic year, so long as such student's enrollment (excepting summer sessions) at an institution in this state is continuous;

(d) Any student who has spent at least seventy-five percent of both his or her junior and senior years in high schools in this state, whose parents or legal guardians have been domiciled in the state for a period of at least one year within the five-year period before the student graduates from high school, and who enrolls in a public institution of higher education within six months of leaving high school, for as long as the student remains continuously enrolled for three quarters or two semesters in any calendar year;

(e) A student who is on active military duty stationed in the state or who is a member of the Washington national guard;

(f) A student who is the spouse or a dependent of a person who is on active military duty stationed in the state;

(g) A student who resides in the state of Washington and is the spouse or a dependent of a person who is a member of the Washington national guard;

(h) A student of an out-of-state institution of higher education who is attending a Washington state institution of higher education pursuant to a home tuition agreement as described in RCW 28B.15.725; or

~~((h))~~ (i) A student who meets the requirements of RCW 28B.15.0131 or 28B.15.0139: PROVIDED, That a nonresident student enrolled for more than six hours per semester or quarter shall be considered as attending for primarily educational purposes, and for tuition and fee paying purposes only such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that the student has in fact established a bona fide domicile in this state primarily for purposes other than educational.

(3) The term "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of RCW 28B.15.012 and 28B.15.013. Except for students qualifying under subsection (2)~~((g))~~ (h) of this section, a nonresident student shall include:

SENATE AMENDMENTS TO HOUSE BILL

March 6, 2002

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2498, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.367 and 2001 c 326 s 1 are each amended to read as follows:

(1) In addition to the major industrial development allowed under RCW 36.70A.365, a county ~~((required or choosing to plan))~~ planning under RCW 36.70A.040 that meets the criteria in subsection (9) or (10) of this section may establish, in consultation with cities consistent with provisions of RCW 36.70A.210, a process for designating a bank of no more than two master planned locations for major industrial activity outside urban growth areas.

(2) A master planned location for major industrial developments outside an urban growth area may be included in the urban industrial land bank for the county if criteria including, but not limited to, the following are met:

- (a) New infrastructure is provided for and/or applicable impact fees are paid;
- (b) Transit-oriented site planning and traffic demand management programs are implemented;
- (c) Buffers are provided between the major industrial development and adjacent nonurban areas;
- (d) Environmental protection including air and water quality has been addressed and provided for;
- (e) Development regulations are established to ensure that urban growth will not occur in adjacent nonurban areas;
- (f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;
- (g) The plan for the major industrial development is consistent with the county's development regulations established for protection of critical areas; ~~((and))~~
- (h) An inventory of developable land has been conducted as provided in RCW 36.70A.365;
- (i) An interlocal agreement related to infrastructure cost sharing and revenue sharing between the county and interested cities are established;
- (j) Provisions are established for determining the availability of alternate sites within urban growth areas and the long-term annexation feasibility of land sites outside of urban growth areas; and
- (k) Development regulations require the industrial land bank site to be used primarily for locating industrial and manufacturing businesses and specify that the gross floor area of all commercial and service buildings or facilities locating within the industrial land bank shall not exceed ten percent of the total gross floor area of buildings or facilities in the industrial land bank. The commercial and service businesses operated within the ten percent gross floor area limit shall be necessary to the primary industrial or manufacturing businesses within the industrial land bank. The intent of this provision for commercial or service use is to meet the needs of employees, clients, customers, vendors, and others having business at the industrial site and as an adjunct to the industry to attract and retain a quality work force and to further other public objectives, such as trip reduction. Such uses would not be promoted to attract additional clientele from the surrounding area. The commercial and service businesses should be established concurrently with or subsequent to the industrial or manufacturing businesses.

(3) In selecting master planned locations for inclusion in the urban industrial land bank, priority shall be given to locations that are adjacent to, or in close proximity to, an urban growth area.

(4) Final approval of inclusion of a master planned location in the urban industrial land bank shall be considered an adopted amendment to the comprehensive plan adopted pursuant to RCW 36.70A.070, except that RCW 36.70A.130(2) does not apply so that inclusion or exclusion of master planned locations may be considered at any time.

(5) Once a master planned location has been included in the urban industrial land bank, manufacturing and industrial businesses that qualify as major industrial development under RCW 36.70A.365 may be located there.

(6) Nothing in this section may be construed to alter the requirements for a county to comply with chapter 43.21C RCW.

(7)(a) The authority of a county meeting the criteria of subsection (9) of this section to engage in the process of including or excluding master planned locations from the urban industrial land bank shall terminate on December 31, ~~((1999))~~ 2007. However, any location included in the urban industrial land bank on or before December 31, ~~((1999))~~ 2007, shall be available for major industrial development as long as the criteria of subsection (2) of this section are met. A county that has established or proposes to establish an industrial land bank pursuant to this section shall review the need for an industrial land bank within the county, including a review of the availability of land for industrial and manufacturing uses within the urban growth area, during the review and evaluation of comprehensive plans and development regulations required by RCW 36.70A.130.

(b) The authority of a county meeting the criteria of subsection (10) of this section to engage in the process of including or excluding master planned locations from the urban industrial land bank terminates on December 31, 2002. However, any location included in the urban industrial land bank on December 31, 2002, shall be available for major industrial development as long as the criteria of subsection (2) of this section are met.

(8) For the purposes of this section, "major industrial development" means a master planned location suitable for manufacturing or industrial businesses that: (a) Requires a parcel of land so large that no suitable parcels are available within an urban growth area; or (b) is a natural resource-based industry requiring a location near agricultural land, forest land, or mineral resource land upon which it is dependent; or (c) requires a location with characteristics such as proximity to transportation facilities or related industries such that there is no suitable location in an urban growth area. The major industrial development may not be for the purpose of retail commercial development or multitenant office parks.

(9) This section and the termination date specified in subsection (7)(a) of this section apply to a county that at the time the process is established under subsection (1) of this section:

(a) Has a population greater than two hundred fifty thousand and is part of a metropolitan area that includes a city in another state with a population greater than two hundred fifty thousand;

(b) Has a population greater than one hundred forty thousand and is adjacent to another country; ~~(($\text{\textcircled{F}}$))~~

(c) Has a population greater than forty thousand but less than seventy-five thousand and has an average level of unemployment for the preceding three years that exceeds the average state unemployment for those years by twenty percent; and

(i) Is bordered by the Pacific Ocean; ~~(($\text{\textcircled{F}}$))~~

(ii) Is located in the Interstate 5 or Interstate 90 corridor; or

(iii) Is bordered by Hood Canal;

(d) Is east of the Cascade divide; and

(i) Borders another state to the south; or

(ii) Is located wholly south of Interstate 90 and borders the Columbia river to the east; or

(e) Has an average level of unemployment for the preceding three years that exceeds the average state unemployment for those years by twenty percent, and is bordered by the Pacific Ocean and by Hood Canal.

(10) This section and the termination date specified in subsection (7)(b) of this section apply to a county that at the time the process is established under subsection (1) of this section:

(a) Has a population greater than forty thousand but fewer than eighty thousand;

(b) Has an average level of unemployment for the preceding three years that exceeds the average state unemployment for those years by twenty percent; and

(c) Is located in the Interstate 5 or Interstate 90 corridor.

(11) Any location included in an industrial land bank pursuant to section 2, chapter 289, Laws of 1998, section 1, chapter 402, Laws of 1997, and section 2, chapter 167, Laws of 1996 shall remain available for major industrial development according to this section as long as the criteria of subsection (2) of this section continue to be satisfied."

On page 1, line 3 of the title, after "circumstances;" strike the remainder of the title and insert "and amending RCW 36.70A.367."

and the same is herewith transmitted.

~~((Cities of five thousand or more population and such contiguous property the residents of which may decide in favor thereof in the manner set forth in this chapter may create))~~ A metropolitan park district may be created for the management, control, improvement, maintenance, and acquisition of parks, parkways, (~~and~~) boulevards, and recreational facilities. A metropolitan park district may

(1) Except as provided in subsection (2) of this section for review by a boundary review board, the ballot proposition authorizing creation of a metropolitan park district that is submitted to voters for their approval or rejection shall appear on the ballot of the next general election or at the next special election date specified under RCW 29.13.020 occurring sixty or more days after the last resolution proposing the creation of the park district is adopted or the date the county auditor certifies that the petition proposing the creation of the park district contains sufficient valid signatures. Where the petition or copy thereof is filed with two or more county auditors in the case of a proposed district in two or more counties, the county auditors shall confer and issue a joint certification upon finding that the required number of signatures on the petition has been obtained.

(2) Where the proposed district is located wholly or in part in a county in which a boundary review board has been created, notice of the proposal to create a metropolitan park district shall be filed with the boundary review board as provided under RCW 36.93.090 and the special election at which a ballot proposition authorizing creation of the park district shall be held on the special election date specified under RCW 29.13.020 that is sixty or more days after the date the boundary review board is deemed to have approved the proposal, approves the proposal, or modifies and approves the proposal. The creation of a metropolitan park district is not subject to review by a boundary review board if the proposed district only includes one or more cities and in such cases the special election at which a ballot proposition authorizing creation of the park district shall be held as if a boundary review board does not exist in the county or counties.

(3) The petition proposing the creation of a metropolitan park district, or the resolution submitting the question to the voters, shall choose and describe the composition of the initial board of commissioners of the district that is proposed under RCW 35.61.050 and shall choose a name for the district. The proposition (~~which~~) shall (~~be expressed in~~) include the following terms:

- "For the formation of a metropolitan park district to be governed by [insert board composition described in ballot proposition]."
- "Against the formation of a metropolitan park district."

Sec. 4. RCW 35.61.040 and 1965 c 7 s 35.61.040 are each amended to read as follows:

If (~~at an election~~) a majority of the voters voting (~~thereon~~) on the ballot proposition authorizing the creation of the metropolitan park district vote in favor of the formation of a metropolitan park district, the metropolitan park district shall (~~then~~) be (~~and become~~) created as a municipal corporation effective immediately upon certification of the election results and its name shall be (~~"Metropolitan Park District of (inserting the name of the city)."~~) that designated in the ballot proposition.

Sec. 5. RCW 35.61.050 and 1994 c 223 s 23 are each amended to read as follows:

(1) The resolution or petition submitting the ballot proposition shall designate the composition of the board of metropolitan park commissioners from among the alternatives provided under subsections (2) through (4) of this section. The ballot proposition shall clearly describe the designated composition of the board.

(2) The commissioners of the district may be selected by election, in which case at the same election at which the proposition is submitted to the voters as to whether a metropolitan park district is to be formed, five park commissioners shall be elected. The election of park commissioners shall be null and void if the metropolitan park district is not created. Candidates shall run for specific commission positions. No primary shall be held to nominate candidates. The person receiving the greatest number of votes for each position shall be elected as a commissioner. The staggering of the terms of office shall occur as follows: (~~(1))~~ (a) The two persons who are elected receiving the two greatest numbers of votes shall be elected to six-year terms of office if the election is held in an odd-numbered year or five-year terms of office if the election is held in an even-numbered year; (~~(2))~~ (b) the two persons who are elected receiving the next two greatest numbers of votes shall be elected to four-year terms of office if the election is held in an odd-numbered year or three-year terms of office if the election is held in an even-numbered year; and (~~(3))~~ (c) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. The initial commissioners shall take office immediately when they are elected and qualified, and for purposes of computing their terms of office the terms shall be assumed to commence on the first day of January in the year after they are elected. Thereafter, all commissioners shall be elected to six-year terms of office. All commissioners shall serve until their respective successors are elected and qualified and assume office in accordance with RCW 29.04.170. Vacancies shall occur and shall be filled as provided in chapter 42.12 RCW.

(3) In a district wholly located within a city or within the unincorporated area of a county, the governing body of such city or legislative authority of such county may be designated to serve in an ex officio capacity as the board of metropolitan park commissioners, provided that when creation of the district is proposed by citizen petition, the city or county approves by resolution such designation.

(4) Where the proposed district is located within more than one city, more than one county, or any combination of cities and counties, each city governing body and county legislative authority may be designated to collectively serve ex officio as the board of metropolitan park commissioners through selection of one or more members from each to serve as the board, provided that when creation of the district is proposed by citizen petition, each city governing body and county legislative authority approve by resolution such designation. Within six months of the date of certification of election results approving creation of the district, the size and membership of the board shall be determined

through interlocal agreement of each city and county. The interlocal agreement shall specify the method for filling vacancies on the board.

(5) Metropolitan park districts created by a vote of the people prior to the effective date of this act may not change the composition and method of selection of their governing authority without approval of the voters. Should such a change be desired, the board of park commissioners shall submit a ballot proposition to the voters of the metropolitan park district.

Sec. 6. RCW 35.61.150 and 1998 c 121 s 1 are each amended to read as follows:

Metropolitan park commissioners selected by election according to RCW 35.61.050(2) shall perform their duties and may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate of up to seventy dollars for each day or portion of a day devoted to the business of the district. However, the compensation for each commissioner must not exceed six thousand seven hundred twenty dollars per year.

Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

Sec. 7. RCW 84.52.010 and 1995 2nd sp.s. c 13 s 4 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy shall take precedence over all other levies and shall not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 84.52.069, 84.34.230, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, and 84.52.105, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies shall be reduced as follows: (a) The portion of the levy by a metropolitan park district that is protected under RCW 84.52.120 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; (b) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, shall be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or shall be eliminated; and (c) if the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 shall be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property shall be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, shall be reduced on a pro rata basis or eliminated;

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, shall be reduced on a pro rata basis or eliminated;

(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated; and

~~((e) Fifth))~~ (f) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, shall be reduced on a pro rata basis or eliminated.

In determining whether the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.050, exceeds the limitations provided in that section, the assessor shall use the hypothetical state levy, as apportioned to the county under RCW 84.48.080, that was computed under RCW 84.48.080 without regard to the reduction under RCW 84.55.012."

On page 1, line 1 of the title, after "districts;" strike the remainder of the title and insert "and amending RCW 35.61.010, 35.61.020, 35.61.030, 35.61.040, 35.61.050, 35.61.150, and 84.52.010."

and the same is herewith transmitted.

The phrase "director or his or her designee" means the director unless, in the provisions of any marketing agreement or order, he or she has designated an administrator, board, or other designee to act (~~(for him)~~) in the matter designated, in which case "director or his or her designee" means for such order or agreement the administrator, board, or other person(s) so designated and not the director.

(2) "Department" means the department of agriculture of the state of Washington.

(3) "Marketing order" means an order (~~(issued)~~) adopted by the director (~~(pursuant to)~~) under this chapter that establishes a commodity board for an agricultural commodity or agricultural commodities with like or common qualities or producers.

NEW SECTION. Sec. 2. A new section is added to chapter 15.65 RCW to read as follows:

The history, economy, culture, and the future of Washington state to a large degree all involve agriculture. In order to develop and promote Washington's agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

(1) That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the commodities they produce and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

(2) That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

(3) That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agricultural commodities;

(b) Increase the sale and use of Washington state's agricultural commodities in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of Washington state's agricultural commodities;

(d) Increase the knowledge of the health-giving qualities and dietetic value of Washington state's agricultural commodities and products; and

(e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

(4) That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber, and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

(5) That the director is hereby authorized to implement, administer, and enforce this chapter through the adoption of marketing orders that establish commodity boards; and

(6) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state.

(4) The list of affected parties used for the issuance of a marketing order or agreement shall be kept in a file maintained by the director. NEW SECTION. Sec. 38. A new section is added to chapter 15.66 RCW to read as follows:

The history, economy, culture, and the future of Washington state to a large degree all involve agriculture. In order to develop and promote Washington's agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

(1) That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the commodities they produce; and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

(2) That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

(3) That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

- (a) Enhance the reputation and image of Washington state's agricultural commodities;
- (b) Increase the sale and use of Washington state's agricultural commodities in local, domestic, and foreign markets;
- (c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of Washington state's agricultural commodities;
- (d) Increase the knowledge of the health-giving qualities and dietetic value of Washington state's agricultural commodities and products; and
- (e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

(4) That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber, and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

(5) That the director is hereby authorized to implement, administer, and enforce this chapter through the adoption of marketing orders that establish commodity commissions; and

(6) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state.

(2) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its beef and beef products be properly promoted by (a) enabling the beef industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of beef and beef products they produce; and (b) working to stabilize the beef industry by increasing consumption of beef and beef products within the state, the nation, and internationally;

NEW SECTION. **Sec. 110.** A new section is added to chapter 15.88 RCW to read as follows:

The history, economy, culture, and future of Washington state's agriculture involves the wine industry. In order to develop and promote wine grapes and wine as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its wine grapes and wine be properly promoted by (a) enabling the wine industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing of wine grapes and wines they produce; and (b) working to stabilize the wine industry by increasing markets for wine grapes and wine within the state, the nation, and internationally;

(2) That wine grape growers and wine producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the wine grape growers' and wine producers' ability to compete in local, domestic, and foreign markets;

(3) That it is in the overriding public interest that support for the wine industry be clearly expressed; that adequate protection be given to agricultural commodities, uses, activities, and operations; and that wine grapes and wine be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agriculture industry;

(b) Increase the sale and use of wine grapes and wine in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of wine grapes and wine;

(d) Increase the knowledge of the qualities and value of Washington's wine grapes and wine;

and

(e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of wine grapes and wine;

(4) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(5) That the production and marketing of wine grapes and wine is a highly regulated industry and that the provisions of this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the wine grape and wine industry include:

- (a) Organic food products act under chapter 15.86 RCW;
- (b) Horticultural pests and diseases under chapter 15.08 RCW;
- (c) Horticultural plants and facilities--inspection and licensing under chapter 15.13 RCW;
- (d) Planting stock under chapter 15.14 RCW;
- (e) Washington pesticide control act under chapter 15.58 RCW;
- (f) Insect pests and plant diseases under chapter 17.24 RCW;
- (g) Wholesale distributors and suppliers of wine and malt beverages under chapter 19.126

RCW;

(h) Weights and measures under chapter 19.94 RCW;

(i) Title 66 RCW, alcoholic beverage control;

(j) Title 69 RCW, food, drugs, cosmetics, and poisons including provisions of 21 C.F.R. relating to the general manufacturing practices, food labeling, food standards, food additives, and pesticide tolerances;

(k) Chapter 69.07 RCW, Washington food processing act;

(l) 27 U.S.C., Secs. 201 through 211, 213 through 219a, and 122A;

(m) 27 C.F.R., Parts 1, 6, 9, 10, 12, 16, 240, 251, 252; and

(n) Rules under Titles 16 and 314 WAC, and rules adopted under chapter 15.88 RCW.

Sec. 111. RCW 15.88.050 and 1987 c 452 s 5 are each amended to read as follows:

The director shall appoint the members of the commission. In making such appointments of the voting members, the director shall take into consideration recommendations made by the growers' association and the wine institute as the persons recommended for appointment as members of the commission. In appointing persons to the commission, the director shall seek to ensure as nearly as possible a balanced representation on the commission which would reflect the composition of the growers and wine producers throughout the state as to number of acres cultivated and amount of wine produced.

The appointment shall be carried out immediately subsequent to July 1, 1987, and members so appointed as set forth in this chapter shall serve for the periods set forth for the original members of the commission under RCW 15.88.040.

In the event a position on the commission becomes vacant due to resignation, disqualification, death, or for any other reason, the unexpired term of the position shall immediately be filled by appointment by the director.

up by the director. This merit rating shall take into account such factors as area and population served, open and/or youth participation, attendance, gate receipts, number and type of exhibits, premiums and prizes paid, community support, evidence of successful achievement of the aims and purposes of the fair, extent of improvements made to grounds and facilities from year to year, and overall condition and appearance of grounds and facilities. The remaining fifteen percent of money in the state fair fund may be used for special assistance to any participating fair or fairs and for administrative expenses incurred in the administration of this chapter only, including expenses incurred by the fair commission as may be approved by the director: PROVIDED, That not more than five percent of the state fair fund may be used for such expenses.

The division and payment of funds authorized in this section shall occur at such times as the director may prescribe.

chapter, the commission shall adopt a resolution setting forth the necessities of the industry, the extent and probable cost of the required research, market promotion, and advertising, the extent of public convenience, interest, and necessity, and probable revenue from the assessment levied. It shall thereupon decrease or increase the assessment to a sum determined by the commission to be necessary for those purposes based upon a rate per one hundred pounds of apples, gross billing weight, shipped in bulk, container, or any style of package or reasonable equivalent net product assessment as determined by the commission. However, if a different rate is determined for any specific variety or for fresh apples sliced or cut for raw consumption, that different rate must be applied to that variety or those sliced or cut apples. A decrease or an increase becomes effective sixty days after the resolution is adopted or on any other date provided for in the resolution, but shall be first referred by the commission to a referendum mail ballot by the apple growers of this state conducted under the supervision of the director and be approved by a majority of the growers voting on it and also be approved by voting growers who operate more than fifty percent of the acreage voted in the same election. After the mail ballot, if favorable to the increase or decrease, the commission shall nevertheless exercise its independent judgment and discretion as to whether or not to approve the increase or decrease.

The commission shall by rule (~~or regulation~~) prescribe the method of collection, and for that purpose may require stamps to be known as "Washington apple (~~advertising~~) stamps" to be purchased from the commission and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets. Rule-making procedures conducted under this section are exempt from the provisions of RCW 43.135.055 when adoption of the rule or rules is determined by a referendum vote of the persons taxed under this chapter.

For such purposes it may employ and pay for legal counsel and contract and pay

for other professional services. Neither the state, nor any member, agent, or employee of the commission, is liable for the acts of the commission, or upon its contracts. In any civil or criminal action or proceeding for violation of any rule of statutory or common law against monopolies or combinations in restraint of trade, including any action under chapter 19.86 RCW, proof that the act complained of was done in compliance with the provisions of this chapter, and in furtherance of the purposes and provisions of this chapter, is a complete defense to such an action or proceeding.

The state's assistance shall be in the amount of eight hundred thousand dollars, or so much thereof as may be required, to be provided from the proceeds from the sale and issuance of general obligation bonds of the state, the principal of and interest on which shall be reimbursed to the state treasury by the commission from revenues derived from the assessments levied pursuant to chapter 15.24 RCW and other sources.

On or before June 30 of each year, the state finance committee shall certify to the Washington ((state)) apple ((advertising)) commission the principal and interest payments determined under RCW 15.24.810, exclusive of deposit interest credit, attributable to the bonds issued under RCW 15.24.802. On each date on which any interest or principal and interest payment is due, the commission shall cause the amount certified by the state finance committee to be due on such date to be paid out of the commission's general fund to the state treasurer for deposit into the general fund of the state treasury.

Sec. 133. RCW 15.24.818 and 1987 c 6 s 10 are each amended to read as follows:

The bonds authorized by RCW 15.24.802 shall be issued only after the treasurer of the Washington ((state)) apple ((advertising)) commission has certified that the net proceeds of the bonds, together with all money to be made available by the commission for the purposes described in RCW 15.24.802, shall be sufficient for such purposes; and also that, based upon the treasurer's estimates of future income from assessments levied pursuant to chapter 15.24 RCW and other sources, an adequate balance will be maintained in the commission's general fund to enable the commission to meet the requirements of RCW 15.24.812 during the life of the bonds to be issued.

Sec. 134. RCW 15.24.900 and 1961 c 11 s 15.24.900 are each amended to read as follows:

(1) This chapter is passed:

((4)) (a) In the exercise of the police power of the state to assure, through this chapter, and other chapters, that the apple industry is highly regulated to protect the public health, to prevent fraudulent practices, to promote the welfare of the state, and to stabilize and protect the apple industry of the state as a vital and integral part of its economy for the benefit of all its citizens;

((2)) (b) Because the apple crop grown in Washington comprises one of the major agricultural crops of Washington, and that therefore the business of selling and distributing such crop and the expanding and protection of its market is of public interest;

((3)) (c) Because it is necessary and expedient to enhance the reputation of Washington apples in domestic and foreign markets;

((4)) (d) Because it is necessary to discover the health giving qualities and food and dietetic value of Washington apples, and to spread that knowledge throughout the world in order to increase the consumption of Washington apples;

((5)) (e) Because Washington grown apples are handicapped by high freight rates in competition with eastern and foreign grown apples in the markets of the world, and this disadvantage can only be overcome by education and advertising;

((6)) (f) Because the stabilizing and promotion of the apple industry, the enlarging of its markets, and the increasing of the consumption of apples are necessary to assure and increase the payment of taxes to the state and its subdivisions, to alleviate unemployment within the state, and increase wages for agricultural labor;

((7)) (g) To disseminate information giving the public full knowledge of the manner of production, the cost and expense thereof, the care taken to produce and sell only apples of the finest quality, the methods and care used in preparing for market, and the methods of sale and distribution to increase the amount secured by the producer therefor, so that they can pay higher wages and pay their taxes, and by such information to reduce the cost of distribution so that the spread between the cost to the consumer and the amount received by the producer will be reduced to the minimum absolutely necessary; and

((8)) (h) To protect the general public by educating it in reference to the various varieties and grades of Washington apples, the time to use and consume each variety, and the uses to which each variety should be put.

(2) The history, economy, culture, and future of Washington state's agricultural industry involves the apple industry. In order to develop and promote apples and apple products as part of an existing comprehensive scheme to regulate those products, the legislature declares:

(a) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its apple and apple products be properly promoted by establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standards of and for apples and apple products; and by working to stabilize the apple industry and by increasing consumption of apples and apple products within the state, nation, and internationally;

(b) That apple producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

(c) That it is in the overriding public interest that support for the apple industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and

operations, and that apples and apple products be promoted individually, as well as part of a comprehensive promotion of the agricultural industry to:

(i) Enhance the reputation and image of Washington state's agricultural industry;

(ii) Increase the sale and use of apples and apple products in local, domestic, and foreign markets;

(iii) Protect the public and consumers by correcting any false or misleading information and by educating the public in reference to the quality, care, and methods used in the production of apples and apple products, and in reference to the various sizes, grades, and varieties of apples and the uses to which each should be put;

(iv) Increase the knowledge of the health-giving qualities and dietetic value of apple products;

and

(v) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of apples and apple products;

(d) That the apple industry is a highly regulated industry and that this chapter and the rules adopted under it are only one aspect of the regulation of the industry. Other regulations and restraints applicable to the apple industry include:

(i) Washington agriculture general provisions, chapter 15.04 RCW;

(ii) Pests and diseases, chapter 15.08 RCW;

(iii) Standards of grades and packs, chapter 15.17 RCW;

(iv) Tree fruit research, chapter 15.26 RCW;

(v) Controlled atmosphere storage, chapter 15.30 RCW;

(vi) Higher education in agriculture, chapter 28.30 RCW;

(vii) Department of agriculture, chapter 43.23 RCW;

(viii) Fertilizers, minerals, and limes under chapter 15.54 RCW;

(ix) Organic food products act under chapter 15.86 RCW;

(x) Intrastate commerce in food, drugs, and cosmetics under chapter 69.04 RCW and rules;

(xi) Horticultural plants and facilities - inspection and licensing under chapter 15.13 RCW;

(xii) Planting stock under chapter 15.14 RCW;

(xiii) Washington pesticide control act under chapter 15.58 RCW;

(xiv) Farm marketing under chapter 15.64 RCW;

(xv) Insect pests and plant diseases under chapter 17.24 RCW;

(xvi) Weights and measures under chapter 19.94 RCW;

(xvii) Agricultural products - commission merchants, dealers, brokers, buyers, and agents under chapter 20.01 RCW; and

(xviii) The federal insecticide, fungicide, and rodenticide act under 7 U.S.C. Sec. 136; and

(e) That this chapter is in the exercise of the police powers of this state for the purposes of protecting the health, peace, safety, and general welfare of the people of this state.

Sec. 135. RCW 15.26.130 and 1969 c 129 s 13 are each amended to read as follows:

The Washington apple ((advertising)) commission and the Washington state fruit commission shall supply the director with a list of known producers subject to paying assessments to the respective commissions. The director, in addition, shall at the commission's cost compile a list of known tree fruit producers producing fruit not subject to assessments of the Washington apple ((advertising)) commission and the Washington state fruit commission but subject to assessments or becoming subject to assessments under the provisions of this chapter. In compiling such list the director shall publish notice to producers of such tree fruit, requiring them to file with the director a report giving the producer's name, mailing address and orchard location. The notice shall be published once a week for four consecutive weeks in weekly or daily newspapers of general circulation in the area or areas where such tree fruit is produced. All producer reports shall be filed with the director within twenty days from the date of last publication of notice or thirty days of mailing notice to producers of such tree fruit, whichever is later. The director shall for the purpose of conducting any referendum affecting tree fruits subject to the provisions of this chapter keep such list up to date when conducting such referendum. Every person who becomes a producer after ((said)) the list is compiled shall file with the director a similar report, giving his or her name, mailing address and orchard location. Such list shall

be final and conclusive in conducting referendums and failure to notify a producer shall not be cause for the invalidation of any referendum.

Sec. 136. RCW 15.26.250 and 1969 c 129 s 25 are each amended to read as follows:

The Washington apple (~~(advertising)~~) commission and Washington state fruit commission in order to avoid unnecessary duplication of costs and efforts in collecting assessments for tree fruits at the time said commissions collect assessments due under the provisions of their acts may also collect the assessment due the commission on such tree fruit. Such assessments on winter pears may be collected by the Washington state fruit commission or in a manner prescribed by the commission. Assessments collected for the commission by the Washington (~~(state)~~) apple (~~(advertising)~~) commission and the Washington state fruit commission shall be forwarded to the commissions expeditiously. No fee shall be charged the commission for the collection of assessments because the research conducted by the commission shall be of direct benefit to all commercial growers of tree fruits in the state of Washington(~~(- PROVIDED, That)~~). However, the commission shall reimburse at actual cost to the department or the Washington state fruit commission or apple commission any assessment collected for the commission by such agencies for any tree fruit subject to the provisions of this chapter, but not subject to pay assessments to the Washington state fruit commission or the Washington apple (~~(advertising)~~) commission.

NEW SECTION. Sec. 137. (1) The legislature finds that a significant growth in the amount of production for several organically grown agricultural products has occurred since the program began in the mid-1980s and that this growth is continuing. The number of acres that are now in transition from conventionally grown to organically grown agricultural products is significant. The legislature finds that there is interest by those involved in the production and marketing of organic food products to examine the feasibility and preferred method of forming a commission to assist in the promotion of organically grown products in domestic and international markets and to conduct research on improved methods of producing these products.

(2) The department of agriculture shall assist in the evaluation by organic food producers and processors of procedures that could be used to establish an organic food commission. The ability of organic food producers and processors to form a commission under the existing statutory authority in chapters 15.65 and 15.66 RCW as compared to using the procedures proposed in Senate Bill No. 6246 from the 2002 legislative session shall be evaluated.

(3) The department of agriculture shall assist in the collection of information on, and provide a forum to review current programs administered by, commodity commissions that provide benefits to organic food producers and to examine and compile the distinct needs of the organic food industry.

(4) The department of agriculture, within the limits of its currently available funds and after consultation with the organic food industry and existing commodity commissions, shall provide recommendations to the legislature by December 15, 2002, regarding legislation for the establishment of an organic food commission, and a method to fairly and equitably provide funding of commission programs.

(5) This section expires April 15, 2003.

NEW SECTION. Sec. 138. A new section is added to chapter 15.65 RCW to read as follows:

In order to ensure a viable and stable hop industry within the state of Washington and to further the policies set forth in RCW 15.65.040(2) (d) and (f), the legislature specifically recognizes that the hop commodity board has the power to enter into contracts, at its discretion, with individual producers of hops to set aside or remove from production existing planted hop acreage until such time as the need to contract with individual producers of hops is eliminated based on the adoption of a federal marketing order. This section does not limit the director's duty under RCW 15.65.600.

NEW SECTION. Sec. 139. This act takes effect July 1, 2002, except for sections 1, 15, 17, 29, 30, 39, 45, 57, 58, 137, and 138 of this act which are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately."

On page 1, line 1 of the title, after "commissions;" strike the remainder of the title and insert "amending RCW 15.65.020, 15.65.040, 15.65.050, 15.65.060, 15.65.070, 15.65.090, 15.65.120, 15.65.170, 15.65.180, 15.65.200, 15.65.220, 15.65.230, 15.65.235, 15.65.240, 15.65.250, 15.65.260, 15.65.270, 15.65.280, 15.65.375, 15.65.380, 15.65.430, 15.65.450, 15.65.570, 15.66.010, 15.66.030, 15.66.050, 15.66.060, 15.66.070, 15.66.090, 15.66.110, 15.66.120, 15.66.130, 15.66.140, 15.66.180, 15.66.185, 15.66.245, 15.66.260, 42.17.31907, 16.67.030, 16.67.070, 16.67.090, 16.67.120, 16.67.122, 15.44.010, 15.44.020, 15.44.035, 15.44.038, 15.44.060, 15.44.070, 15.44.080, 15.44.085, 15.44.110, 15.44.140, 15.44.150, 15.28.010, 15.28.020, 15.28.110, 15.28.130, 15.28.250, 15.88.050, 15.76.150, 15.24.010, 15.24.020, 15.24.040, 15.24.050, 15.24.070, 15.24.080, 15.24.085, 15.24.090, 15.24.100, 15.24.110, 15.24.160, 15.24.170, 15.24.800, 15.24.802, 15.24.806, 15.24.808, 15.24.812, 15.24.818, 15.24.900, 15.26.130, and 15.26.250; adding new sections to chapter 15.65 RCW; adding new sections to chapter 15.66 RCW; adding new sections to chapter 15.26 RCW; adding new sections to chapter 15.28 RCW; adding new sections to chapter 15.44 RCW; adding new sections to chapter 15.88 RCW; adding new sections to chapter 16.67 RCW; adding new sections to chapter 15.24 RCW; adding new sections to chapter 43.23 RCW; adding a new section to chapter 15.88 RCW; creating a new section; repealing RCW 15.65.030, 15.65.080, 15.65.460, 15.65.405, 15.66.020, 16.67.020, 15.44.037, 15.44.900, and 15.28.900; prescribing penalties; providing an effective date; providing an expiration date; and declaring an emergency."

SENATE AMENDMENTS TO HOUSE BILL

March 6, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2765, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.34.020 and 2001 c 249 s 12 are each amended to read as follows:

As used in this chapter, unless a different meaning is required by the context:

(1) "Open space land" means (a) any land area so designated by an official comprehensive land use plan adopted by any city or county and zoned accordingly, or (b) any land area, the preservation of which in its present use would (i) conserve and enhance natural or scenic resources, or (ii) protect streams or water supply, or (iii) promote conservation of soils, wetlands, beaches or tidal marshes, or (iv) enhance the value to the public of abutting or neighboring parks, forests, wildlife preserves, nature reservations or sanctuaries or other open space, or (v) enhance recreation opportunities, or (vi) preserve historic sites, or (vii) preserve visual quality along highway, road, and street corridors or scenic vistas, or (viii) retain in its natural state tracts of land not less than one acre situated in an urban area and open to public use on such conditions as may be reasonably required by the legislative body granting the open space classification, or (c) any land meeting the definition of farm and agricultural conservation land under subsection (8) of this section. As a condition of granting open space classification, the legislative body may not require public access on land classified under (b)(iii) of this subsection for the purpose of promoting conservation of wetlands.

(2) "Farm and agricultural land" means:

(a) Any parcel of land that is twenty or more acres or multiple parcels of land that are contiguous and total twenty or more acres:

(i) Devoted primarily to the production of livestock or agricultural commodities for commercial purposes;

(ii) Enrolled in the federal conservation reserve program or its successor administered by the United States department of agriculture; or

(iii) Other similar commercial activities as may be established by rule;

(b) Any parcel of land that is five acres or more but less than twenty acres devoted primarily to agricultural uses, which has produced a gross income from agricultural uses equivalent to, as of January 1, 1993:

(i) One hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993; and

(ii) On or after January 1, 1993, two hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter;

(c) Any parcel of land of less than five acres devoted primarily to agricultural uses which has produced a gross income as of January 1, 1993, of:

(i) One thousand dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993; and

(ii) On or after January 1, 1993, fifteen hundred dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter.

Parcels of land described in (b)(i) and (c)(i) of this subsection shall, upon any transfer of the property excluding a transfer to a surviving spouse, be subject to the limits of (b)(ii) and (c)(ii) of this subsection;

(d) Any lands including incidental uses as are compatible with agricultural purposes, including wetlands preservation, provided such incidental use does not exceed twenty percent of the classified land and the land on which appurtenances necessary to the production, preparation, or sale of the agricultural products exist in conjunction with the lands producing such products. Agricultural lands shall also include any parcel of land of one to five acres, which is not contiguous, but which otherwise constitutes an integral part of farming operations being conducted on land qualifying under this section as "farm and agricultural lands"; or

(e) The land on which housing for employees and the principal place of residence of the farm operator or owner of land classified pursuant to (a) of this subsection is sited if: The housing or

residence is on or contiguous to the classified parcel; and the use of the housing or the residence is integral to the use of the classified land for agricultural purposes.

(3) "Timber land" means any parcel of land that is five or more acres or multiple parcels of land that are contiguous and total five or more acres which is or are devoted primarily to the growth and harvest of timber for commercial purposes. ~~((A timber management plan shall be filed with the county legislative authority at the time (a) an application is made for classification as timber land pursuant to this chapter or (b) when a sale or transfer of timber land occurs and a notice of classification continuance is signed.))~~ Timber land means the land only.

(4) "Current" or "currently" means as of the date on which property is to be listed and valued by the assessor.

(5) "Owner" means the party or parties having the fee interest in land, except that where land is subject to real estate contract "owner" shall mean the contract vendee.

(6) "Contiguous" means land adjoining and touching other property held by the same ownership. Land divided by a public road, but otherwise an integral part of a farming operation, shall be considered contiguous.

(7) "Granting authority" means the appropriate agency or official who acts on an application for classification of land pursuant to this chapter.

(8) "Farm and agricultural conservation land" means either:

(a) Land that was previously classified under subsection (2) of this section, that no longer meets the criteria of subsection (2) of this section, and that is reclassified under subsection (1) of this section; or

(b) Land that is traditional farmland that is not classified under chapter 84.33 or 84.34 RCW, that has not been irrevocably devoted to a use inconsistent with agricultural uses, and that has a high potential for returning to commercial agriculture.

Sec. 2. RCW 84.34.041 and 1992 c 69 s 20 are each amended to read as follows:

An application for current use classification or reclassification under RCW 84.34.020(3) shall be made to the county legislative authority.

(1) The application shall be made upon forms prepared by the department of revenue and supplied by the granting authority and shall include the following elements that constitute a timber management plan:

(a) A legal description of, or assessor's parcel numbers for, all land the applicant desires to be classified as timber land;

(b) The date or dates of acquisition of the land;

(c) A brief description of the timber on the land, or if the timber has been harvested, the owner's plan for restocking;

(d) Whether there is a forest management plan for the land;

(e) If so, the nature and extent of implementation of the plan;

(f) Whether the land is used for grazing;

(g) Whether the land has been subdivided or a plat filed with respect to the land;

(h) Whether the land and the applicant are in compliance with the restocking, forest management, fire protection, insect and disease control, weed control, and forest debris provisions of Title 76 RCW or applicable rules under Title 76 RCW;

(i) Whether the land is subject to forest fire protection assessments pursuant to RCW 76.04.610;

(j) Whether the land is subject to a lease, option, or other right that permits it to be used for a purpose other than growing and harvesting timber;

(k) A summary of the past experience and activity of the applicant in growing and harvesting timber;

(l) A summary of current and continuing activity of the applicant in growing and harvesting timber;

(m) A statement that the applicant is aware of the potential tax liability involved when the land ceases to be classified as timber land.

(2) An application made for classification of land under RCW 84.34.020(3) shall be acted upon after a public hearing and after notice of the hearing is given by one publication in a newspaper of general circulation in the area at least ten days before the hearing. Application for classification of land in an incorporated area shall be acted upon by a granting authority composed of three members of the county legislative body and three members of the city legislative body in which the land is located.

(3) The granting authority shall act upon the application with due regard to all relevant evidence and without any one or more items of evidence necessarily being determinative, except that the application may be denied for one of the following reasons, without regard to other items:

(a) The land does not contain a stand of timber as defined in chapter 76.09 RCW and applicable rules, except this reason shall not alone be sufficient to deny the application (i) if the land has been recently harvested or supports a growth of brush or noncommercial type timber, and the application includes a plan for restocking within three years or the longer period necessitated by unavailability of seed or ~~((seedings [seedlings]))~~ seedlings, or (ii) if only isolated areas within the land do not meet minimum standards due to rock outcroppings, swamps, unproductive soil, or other natural conditions;

(b) The applicant, with respect to the land, has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control, weed control, and forest debris provisions of Title 76 RCW or applicable rules under Title 76 RCW;

(c) The land abuts a body of salt water and lies between the line of ordinary high tide and a line paralleling the ordinary high tide line and two hundred feet horizontally landward from the high tide line.

(4) The timber management plan must be filed with the county legislative authority either: (a) When an application for classification under this chapter is submitted; (b) when a sale or transfer of timber land occurs and a notice of continuance is signed; or (c) within sixty days of the date the application for reclassification under this chapter or from designated forest land is received. The application for reclassification shall be accepted, but shall not be processed until the timber management plan is received. If the timber management plan is not received within sixty days of the date the application for reclassification is received, the application for reclassification shall be denied.

If circumstances require it, the county assessor may allow in writing an extension of time for submitting a timber management plan when an application for classification or reclassification or notice of continuance is filed. When the assessor approves an extension of time for filing the timber management plan, the county legislative authority may delay processing an application until the timber management plan is received. If the timber management plan is not received by the date set by the assessor, the application or the notice of continuance shall be denied.

The granting authority may approve the application with respect to only part of the land that is described in the application, and if any part of the application is denied, the applicant may withdraw the entire application. The granting authority, in approving in part or whole an application for land classified pursuant to RCW 84.34.020(3), may also require that certain conditions be met.

Granting or denial of an application for current use classification is a legislative determination and shall be reviewable only for arbitrary and capricious actions. The granting authority may not require the granting of easements for land classified pursuant to RCW 84.34.020(3).

The granting authority shall approve or disapprove an application made under this section within six months following the date the application is received."

On page 1, line 1 of the title, after "lands;" strike the remainder of the title and insert "and amending RCW 84.34.020 and 84.34.041."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 6, 2002

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2380, with the following amendments:

On page 2, after line 34, insert the following:

"**Sec. 2.** RCW 13.40.040 and 1999 c 167 s 2 are each amended to read as follows:

(1) A juvenile may be taken into custody:

(a) Pursuant to a court order if a complaint is filed with the court alleging, and the court finds probable cause to believe, that the juvenile has committed an offense or has violated terms of a disposition order or release order; or

(b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection (2) of this section; or

(c) Pursuant to a court order that the juvenile be held as a material witness; or

(d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.

(2) A juvenile may not be held in detention unless there is probable cause to believe that:

(a) The juvenile has committed an offense or has violated the terms of a disposition order; and

(i) The juvenile will likely fail to appear for further proceedings; or

(ii) Detention is required to protect the juvenile from himself or herself; or

(iii) The juvenile is a threat to community safety; or

(iv) The juvenile will intimidate witnesses or otherwise unlawfully interfere with the administration of justice; or

(v) The juvenile has committed a crime while another case was pending; or

(b) The juvenile is a fugitive from justice; or

(c) The juvenile's parole has been suspended or modified; or

(d) The juvenile is a material witness.

(3) Notwithstanding subsection (2) of this section, and within available funds, a juvenile who has been found guilty of one of the following offenses shall be detained pending disposition: Rape in the first or second degree (RCW 9A.44.040 and 9A.44.050); rape of a child in the first, second, or third degree (RCW 9A.44.073, 9A.44.076, and 9A.44.079); or child molestation in the first, second, or third degree (RCW 9A.44.083, 9A.44.086, and 9A.44.089).

(4) Upon a finding that members of the community have threatened the health of a juvenile taken into custody, at the juvenile's request the court may order continued detention pending further order of the court.

~~((4))~~ (5) Except as provided in RCW 9.41.280, a juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the juvenile and shall set the date of his or her next court appearance. The court shall advise the juvenile of any conditions specified in the order and may at any time amend such

an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. A juvenile may be released only to a responsible adult or the department of social and health services. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping."

Renumber the remaining section consecutively.

On page 1, line 1 of the title, after "to" strike all material through "72.01.410;" on line 2, and insert "children offenders; amending RCW 72.01.410 and 13.40.040;"

There being no objection, the House refused to concur in the Senate Amendment to House Bill No. 2380 and asked the Senate to recede therefrom.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1411, with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.105D.010 and 1994 c 254 s 1 are each amended to read as follows:

(1) Each person has a fundamental and inalienable right to a healthful environment, and each person has a responsibility to preserve and enhance that right. The beneficial stewardship of the land, air, and waters of the state is a solemn obligation of the present generation for the benefit of future generations.

(2) A healthful environment is now threatened by the irresponsible use and disposal of hazardous substances. There are hundreds of hazardous waste sites in this state, and more will be created if current waste practices continue. Hazardous waste sites threaten the state's water resources, including those used for public drinking water. Many of our municipal landfills are current or potential hazardous waste sites and present serious threats to human health and environment. The costs of eliminating these threats in many cases are beyond the financial means of our local governments and ratepayers. The main purpose of chapter 2, Laws of 1989 is to raise sufficient funds to clean up all hazardous waste sites and to prevent the creation of future hazards due to improper disposal of toxic wastes into the state's land and waters.

(3) Many farmers and small business owners who have followed the law with respect to their uses of pesticides and other chemicals nonetheless may face devastating economic consequences because their uses have contaminated the environment or the water supplies of their neighbors. With a source of funds, the state may assist these farmers and business owners, as well as those persons who sustain damages, such as the loss of their drinking water supplies, as a result of the contamination.

(4) It is in the public's interest to efficiently use our finite land base, to integrate our land use planning policies with our clean-up policies, and to clean up and reuse contaminated industrial properties in order to minimize industrial development pressures on undeveloped land and to make clean land available for future social use.

(5) Because it is often difficult or impossible to allocate responsibility among persons liable for hazardous waste sites and because it is essential that sites be cleaned up well and expeditiously, each responsible person should be liable jointly and severally.

(6) Because releases of hazardous substances can adversely affect the health and welfare of the public, the environment, and property values, it is in the public interest that affected communities be

notified of where releases of hazardous substances have occurred and what is being done to clean them up.

NEW SECTION. Sec. 2. A new section is added to chapter 70.105D RCW to read as follows:

(1) Except as provided in subsection (5) of this section, any owner or operator of a facility that is actively transitioning from operating under a federal permit for treatment, storage, or disposal of hazardous waste issued under 42 U.S.C. Sec. 6925 to operating under the provisions of this chapter, who has information that a hazardous substance has been released to the environment at the owner or operator's facility that may be a threat to human health or the environment, shall issue a notice to the department within ninety days. The notice shall include a description of any remedial actions planned, completed, or underway.

(2) The notice must be posted in a visible, publicly accessible location on the facility, to remain in place until all remedial actions except confirmational monitoring are complete.

(3) After receiving the notice from the facility, the department must review the notice and mail a summary of its contents, along with any additional information deemed appropriate by the department, to:

(a) Each residence and landowner of a residence whose property boundary is within three hundred feet of the boundary of the property where the release occurred or if the release occurred from a pipeline or other facility that does not have a property boundary, within three hundred feet of the actual release;

(b) Each business and landowner of a business whose property boundary is within three hundred feet of the boundary of the property where the release occurred;

(c) Each residence, landowner of a residence, and business with a property boundary within the area where hazardous substances have come to be located as a result of the release;

(d) Neighborhood associations and community organizations representing an area within one mile of the facility and recognized by the city or county with jurisdiction within this area;

(e) The city, county, and local health district with jurisdiction within the areas described in (a), (b), and (c) of this subsection; and

(f) The department of health.

(4) A notice produced by a facility shall provide the following information:

(a) The common name of any hazardous substances released and, if available, the chemical abstract service registry number of these substances;

(b) The address of the facility where the release occurred;

(c) The date the release was discovered;

(d) The cause and date of the release, if known;

(e) The remedial actions being taken or planned to address the release;

(f) The potential health and environmental effects of the hazardous substances released; and

(g) The name, address, and telephone number of a contact person at the facility where the release occurred.

(5) The following releases are exempt from the notification requirements in this section:

(a) Application of pesticides and fertilizers for their intended purposes and according to label instructions;

(b) The lawful and nonnegligent use of hazardous household substances by a natural person for personal or domestic purposes;

(c) The discharge of hazardous substances in compliance with permits issued under chapter 70.94, 90.48, or 90.56 RCW;

(d) De minimis amounts of any hazardous substance leaked or discharged onto the ground;

(e) The discharge of hazardous substances to a permitted waste water treatment facility or from a permitted waste water collection system or treatment facility as allowed by a facility's discharge permit;

(f) Any releases originating from a single-family or multifamily residence, including but not limited to the discharge of oil from a residential home heating oil tank with the capacity of five hundred gallons or less;

(g) Any spill on a public road, street, or highway or to surface waters of the state that has previously been reported to the United States coast guard and the state division of emergency management under chapter 90.56 RCW;

(h) Any release of hazardous substances to the air;

(i) Any release that occurs on agricultural land, including land used to grow trees for the commercial production of wood or wood fiber, that is at least five acres in size, when the effects of the release do not come within three hundred feet of any property boundary. For the purposes of this subsection, agricultural land includes incidental uses that are compatible with agricultural or silvicultural purposes, including, but not limited to, land used for the housing of the owner, operator, or employees, structures used for the storage or repair of equipment, machinery, and chemicals, and any paths or roads on the land; and

(j) Releases that, before the effective date of this section, have been previously reported to the department, or remediated in compliance with a settlement agreement under RCW 70.105D.040(4) or enforcement order or agreed order issued under this chapter or have been the subject of an opinion from the department under RCW 70.105D.030(1)(i) that no further remedial action is required.

An exemption from the notification requirements of this section does not exempt the owner or operator of a facility from any other notification or reporting requirements, or imply a release from liability under this chapter.

(6) If a significant segment of the community to be notified speaks a language other than English, an appropriate translation of the notice must also be posted and mailed to the department in accordance with the requirements of this section.

(7) The facility where the release occurred is responsible for reimbursing the department within thirty days for the actual costs associated with the production and mailing of the notices under this section.

Sec. 3. RCW 70.105D.030 and 2001 c 291 s 401 are each amended to read as follows:

(1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or wilful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of RCW 70.105D.020(7) and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, deed restrictions where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing a deed restriction under this subsection, the department shall notify and seek comment from a city or county department with land use planning authority for real property subject to a deed restriction;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in section 2 of this act, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(12)(b)(ii)(C);

(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and

(j) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remedying releases or threatened releases at the site;

(e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) Before November 1st of each even-numbered year, the department shall develop, with public notice and hearing, and submit to the ways and means and appropriate standing environmental committees of the senate and house of representatives a ranked list of projects and expenditures recommended for appropriation from both the state and local toxics control accounts. The department shall also provide the legislature and the public each year with an accounting of the department's activities supported by appropriations from the state toxics control account, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its top two management priorities under RCW 70.105.150, and all funds expended under this chapter.

(4) The department shall establish a scientific advisory board to render advice to the department with respect to the hazard ranking system, cleanup standards, remedial actions, deadlines for remedial actions, monitoring, the classification of substances as hazardous substances for purposes of RCW 70.105D.020(7) and the classification of substances or products as hazardous substances for purposes of RCW 82.21.020(1). The board shall consist of five independent members to serve staggered three-

year terms. No members may be employees of the department. Members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(5) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

Sec. 4. RCW 70.105D.050 and 1994 c 257 s 12 are each amended to read as follows:

(1) With respect to any release, or threatened release, for which the department does not conduct or contract for conducting remedial action and for which the department believes remedial action is in the public interest, the director shall issue orders or agreed orders requiring potentially liable persons to provide the remedial action. Any liable person who refuses, without sufficient cause, to comply with an order or agreed order of the director is liable in an action brought by the attorney general for:

(a) Up to three times the amount of any costs incurred by the state as a result of the party's refusal to comply; and

(b) A civil penalty of up to twenty-five thousand dollars for each day the party refuses to comply.

The treble damages and civil penalty under this subsection apply to all recovery actions filed on or after March 1, 1989.

(2) Any person who incurs costs complying with an order issued under subsection (1) of this section may petition the department for reimbursement of those costs. If the department refuses to grant reimbursement, the person may within thirty days thereafter file suit and recover costs by proving that he or she was not a liable person under RCW 70.105D.040 and that the costs incurred were reasonable.

(3) The attorney general shall seek, by filing an action if necessary, to recover the amounts spent by the department for investigative and remedial actions and orders, and agreed orders, including amounts spent prior to March 1, 1989.

(4) The attorney general may bring an action to secure such relief as is necessary to protect human health and the environment under this chapter.

(5)(a) Any person may commence a civil action to compel the department to perform any nondiscretionary duty under this chapter. At least thirty days before commencing the action, the person must give notice of intent to sue, unless a substantial endangerment exists. The court may award attorneys' fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and RCW 70.105D.060 may be brought in the superior court of Thurston county or of the county in which the release or threatened release exists.

(6) Any person who fails to provide notification of releases consistent with section 2 of this act or who submits false information is liable in an action brought by the attorney general for a civil penalty of up to five thousand dollars per day for each day the party refuses to comply.

NEW SECTION. **Sec. 5.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 6.** Sections 2 through 4 of this act take effect January 1, 2003."

On page 1, line 2 of the title, after "substances;" strike the remainder of the title and insert "amending RCW 70.105D.010, 70.105D.030, and 70.105D.050; adding a new section to chapter 70.105D RCW; and providing an effective date."

(3) This chapter does not create, enlarge, or diminish parental rights or duties under other law of this state.

ARTICLE 3 VOLUNTARY ACKNOWLEDGMENT OF PATERNITY

NEW SECTION. Sec. 301. ACKNOWLEDGMENT OF PATERNITY. The mother of a child and a man claiming to be the father of the child conceived as the result of his sexual intercourse with the mother may sign an acknowledgment of paternity with intent to establish the man's paternity.

NEW SECTION. Sec. 302. EXECUTION OF ACKNOWLEDGMENT OF PATERNITY.

(1) An acknowledgment of paternity must:

(a) Be in a record;

- (b) Be signed under penalty of perjury by the mother and by the man seeking to establish his paternity;

 - (i) Does not have a presumed father, or has a presumed father whose full name is stated; and
 - (ii) Does not have another acknowledged or adjudicated father;
- (d) State whether there has been genetic testing and, if so, that the acknowledging man's claim of paternity is consistent with the results of the testing; and
- (e) State that the signatories understand that the acknowledgment is the equivalent of a judicial adjudication of paternity of the child and that a challenge to the acknowledgment is permitted only under limited circumstances and is barred after two years.
 - (2) An acknowledgment of paternity is void if it:
 - (a) States that another man is a presumed father, unless a denial of paternity signed by the presumed father is filed with the state registrar of vital statistics;
 - (b) States that another man is an acknowledged or adjudicated father; or
 - (c) Falsely denies the existence of a presumed, acknowledged, or adjudicated father of the child.
 - (3) A presumed father may sign an acknowledgment of paternity.

NEW SECTION. Sec. 303. DENIAL OF PATERNITY. A presumed father of a child may sign a denial of his paternity. The denial is valid only if:

NEW SECTION. Sec. 305. EFFECT OF ACKNOWLEDGMENT OR DENIAL OF PATERNITY. (1) Except as otherwise provided in sections 307 and 308 of this act, a valid acknowledgment of paternity filed with the state registrar of vital statistics is equivalent to an adjudication of paternity of a child and confers upon the acknowledged father all the rights and duties of a parent.

(2) Except as otherwise provided in sections 307 and 308 of this act, a valid denial of paternity filed with the state registrar of vital statistics in conjunction with a valid acknowledgment of paternity is equivalent to an adjudication of the nonpaternity of the presumed father and discharges the presumed father from all of the rights and duties of a parent.

NEW SECTION. Sec. 306. FILING FEE. The state registrar of vital statistics may charge a fee for filing an acknowledgment or denial of paternity.

NEW SECTION. Sec. 307. PROCEEDING FOR RESCISSION. A signatory may rescind an acknowledgment or denial of paternity by commencing a court proceeding to rescind before the earlier of:

(1) Sixty days after the effective date of the filing of the acknowledgment or denial, as provided in section 304 of this act; or

(2) The date of the first hearing in a proceeding to which the signatory is a party before a court to adjudicate an issue relating to the child, including a proceeding that establishes support.

NEW SECTION. Sec. 308. CHALLENGE AFTER EXPIRATION OF TIME FOR RESCISSION. (1) After the period for rescission under section 307 of this act has elapsed, a signatory of an acknowledgment or denial of paternity may commence a proceeding to challenge the acknowledgment or denial only:

(a) On the basis of fraud, duress, or material mistake of fact; and

(b) Within two years after the acknowledgment or denial is filed with the state registrar of vital statistics.

(2) A party challenging an acknowledgment or denial of paternity has the burden of proof.

NEW SECTION. Sec. 309. PROCEDURE FOR RESCISSION OR CHALLENGE. (1) Every signatory to an acknowledgment or denial of paternity must be made a party to a proceeding to rescind or challenge the acknowledgment or denial.

(2) For the purpose of rescission of, or challenge to, an acknowledgment or denial of paternity, a signatory submits to personal jurisdiction of this state by signing the acknowledgment or denial, effective upon the filing of the document with the state registrar of vital statistics.

(3) Except for good cause shown, during the pendency of a proceeding to rescind or challenge an acknowledgment or denial of paternity, the court may not suspend the legal responsibilities of a signatory arising from an acknowledgment, including the duty to pay child support.

(4) A proceeding to rescind or to challenge an acknowledgment or denial of paternity must be conducted in the same manner as a proceeding to adjudicate parentage under sections 501 through 537 of this act.

(5) At the conclusion of a proceeding to rescind or challenge an acknowledgment or denial of paternity, the court shall order the state registrar of vital statistics to amend the birth record of the child, if appropriate.

NEW SECTION. Sec. 310. RATIFICATION BARRED. A court or administrative agency conducting a judicial or administrative proceeding is not required or permitted to ratify an unchallenged acknowledgment of paternity.

NEW SECTION. Sec. 311. FULL FAITH AND CREDIT. A court of this state shall give full faith and credit to an acknowledgment or denial of paternity effective in another state if the acknowledgment or denial has been signed and is otherwise in compliance with the law of the other state.

NEW SECTION. Sec. 312. FORMS FOR ACKNOWLEDGMENT AND DENIAL OF PATERNITY. (1) To facilitate compliance with sections 301 through 311 of this act, the state registrar of vital statistics shall prescribe forms for the acknowledgment and the denial of paternity. The acknowledgment of paternity shall state, in prominent lettering, that signing the acknowledgment of paternity is equivalent to an adjudication of paternity and confers upon the acknowledged father all the rights and duties of a parent, such as the payment of child support, if the acknowledgment is not challenged or rescinded as prescribed under sections 303 through 309 of this act. The form shall include copies of the provisions in sections 303 through 309 of this act.

(2) A valid acknowledgment or denial of paternity is not affected by a later modification of the prescribed form.

NEW SECTION. Sec. 313. RELEASE OF INFORMATION. The state registrar of vital statistics may release information relating to the acknowledgment or denial of paternity, not expressly sealed under a court order, to: (1) A signatory of the acknowledgment or denial or their attorneys of record; (2) the courts of this or any other state; (3) the agencies of this or any other state operating a

child support program under Title IV-D of the social security act; or (4) the agencies of this or any other state involved in a dependency determination for a child named in the acknowledgment or denial of paternity.

NEW SECTION. Sec. 314. ADOPTION OF RULES. The state registrar of vital statistics may adopt rules to implement sections 301 through 316 of this act.

NEW SECTION. Sec. 315. (1) Sections 301 through 316 of this act apply to all acknowledgments of paternity executed on or after July 1, 1997.

(2) A man who executed an acknowledgment of paternity before July 1, 1997, is rebuttably identified as the father of the child named therein. Any dispute of the parentage, custody, visitation, or support of the child named therein shall be determined in a proceeding to adjudicate the child's parentage commenced under sections 501 through 537 of this act.

NEW SECTION. Sec. 316. (1) After the period for rescission of an acknowledgment of paternity provided in section 307 of this act has passed, a parent executing an acknowledgment of paternity of the child named therein may commence a judicial proceeding for:

(a) Making residential provisions or a parenting plan with regard to the minor child on the same basis as provided in chapter 26.09 RCW; or

(b) Establishing a child support obligation under chapter 26.19 RCW and maintaining health insurance coverage under RCW 26.09.105.

(2) Pursuant to RCW 26.09.010(3), a proceeding authorized by this section shall be entitled "In re the parenting and support of..."

(3) Before the period for a challenge to the acknowledgment or denial of paternity has elapsed under section 308 of this act, the petitioner must specifically allege under penalty of perjury, to the best of the petitioner's knowledge, that: (a) No man other than the man who executed the acknowledgment of paternity is the father of the child; (b) there is not currently pending a proceeding to adjudicate the parentage of the child or that another man is adjudicated the child's father; and (c) the petitioner has provided notice of the proceeding to any other men who have claimed parentage of the child. Should the respondent or any other person appearing in the action deny the allegations, a permanent parenting plan or residential schedule may not be entered for the child without the matter being converted to a proceeding to challenge the acknowledgment of paternity under sections 308 and 309 of this act. A copy of the acknowledgment of paternity must be filed with the petition or response. The court may convert the matter to a proceeding to challenge the acknowledgment on its own motion.

ARTICLE 4 GENETIC TESTING

NEW SECTION. Sec. 401. SCOPE. Sections 402 through 411 of this act govern genetic testing of an individual only to determine parentage, whether the individual:

(1) Voluntarily submits to testing; or

(2) Is tested pursuant to an order of the court or a support enforcement agency.

NEW SECTION. Sec. 402. ORDER FOR TESTING. (1) Except as otherwise provided in this section and sections 403 through 537 of this act, the court shall order the child and other designated individuals to submit to genetic testing if the request for testing is supported by the sworn statement of a party to the proceeding:

(a) Alleging paternity and stating facts establishing a reasonable probability of the requisite sexual contact between the individuals; or

(b) Denying paternity and stating facts establishing a possibility that sexual contact between the individuals, if any, did not result in the conception of the child.

(2) A support enforcement agency may order genetic testing only if there is no presumed, acknowledged, or adjudicated father.

(3) If a request for genetic testing of a child is made before birth, the court or support enforcement agency may not order in utero testing.

(4) If two or more men are subject to court-ordered genetic testing, the testing may be ordered concurrently or sequentially.

NEW SECTION. Sec. 403. REQUIREMENTS FOR GENETIC TESTING. (1) Genetic testing must be of a type reasonably relied upon by experts in the field of genetic testing and performed in a testing laboratory accredited by:

(a) The American association of blood banks, or a successor to its functions;

(b) The American society for histocompatibility and immunogenetics, or a successor to its functions; or

(c) An accrediting body designated by the United States secretary of health and human services.

(2) A specimen used in genetic testing may consist of one or more samples or a combination of samples of blood, buccal cells, bone, hair, or other body tissue or fluid. The specimen used in the testing need not be of the same kind for each individual undergoing genetic testing.

(3) Based on the ethnic or racial group of an individual, the testing laboratory shall determine the data bases from which to select frequencies for use in the calculations. If there is disagreement as to the testing laboratory's choice, the following rules apply:

(a) The individual objecting may require the testing laboratory, within thirty days after receipt of the report of the test, to recalculate the probability of paternity using an ethnic or racial group different from that used by the laboratory.

(b) The individual objecting to the testing laboratory's initial choice shall:

(i) If the frequencies are not available to the testing laboratory for the ethnic or racial group requested, provide the requested frequencies compiled in a manner recognized by accrediting bodies; or

(ii) Engage another testing laboratory to perform the calculations.

(c) The testing laboratory may use its own statistical estimate if there is a question regarding which ethnic or racial group is appropriate. If available, the testing laboratory shall calculate the frequencies using statistics for any other ethnic or racial group requested.

(4) If, after recalculation using a different ethnic or racial group, genetic testing does not rebuttably identify a man as the father of a child under section 405 of this act, an individual who has been tested may be required to submit to additional genetic testing.

NEW SECTION. Sec. 404. REPORT OF GENETIC TESTING. (1) The report of genetic testing must be in a record and signed under penalty of perjury by a designee of the testing laboratory. A report made under the requirements of this section is self-authenticating.

(2) Documentation from the testing laboratory of the following information is sufficient to establish a reliable chain of custody that allows the results of genetic testing to be admissible without testimony:

(a) The names and photographs of the individuals whose specimens have been taken;

(b) The names of the individuals who collected the specimens;

(c) The places and dates the specimens were collected;

(d) The names of the individuals who received the specimens in the testing laboratory; and

(e) The dates the specimens were received.

NEW SECTION. Sec. 405. GENETIC TESTING RESULTS--REBUTTAL. (1) Under this chapter, a man is rebuttably identified as the father of a child if the genetic testing complies with this section and sections 401 through 404 and 406 through 411 of this act and the results disclose that:

- (a) The man has at least a ninety-nine percent probability of paternity, using a prior probability of 0.50, as calculated by using the combined paternity index obtained in the testing; and
 - (b) A combined paternity index of at least one hundred to one.
- (2) A man identified under subsection (1) of this section as the father of the child may rebut the genetic testing results only by other genetic testing satisfying the requirements of this section and sections 401 through 404 and 406 through 411 of this act which:
- (a) Excludes the man as a genetic father of the child; or
 - (b) Identifies another man as the father of the child.
- (3) Except as otherwise provided in section 410 of this act, if more than one man is identified by genetic testing as the possible father of the child, the court shall order them to submit to further genetic testing to identify the genetic father.

NEW SECTION. Sec. 406. COSTS OF GENETIC TESTING. (1) Subject to assessment of costs under sections 501 through 537 of this act, the cost of initial genetic testing must be advanced:

- (a) By a support enforcement agency in a proceeding in which the support enforcement agency is providing services;
 - (b) By the individual who made the request;
 - (c) As agreed by the parties; or
 - (d) As ordered by the court.
- (2) In cases in which the cost is advanced by the support enforcement agency, the agency may seek reimbursement from a man who is rebuttably identified as the father.

NEW SECTION. Sec. 407. ADDITIONAL GENETIC TESTING. The court or the support enforcement agency shall order additional genetic testing upon the request of a party who contests the result of the original testing. If the previous genetic testing identified a man as the father of the child under section 405 of this act, the court or agency may not order additional testing unless the party provides advance payment for the testing.

- NEW SECTION. Sec. 408. GENETIC TESTING WHEN SPECIMEN NOT AVAILABLE.**
- (1) If a genetic testing specimen is not available from a man who may be the father of a child, for good cause and under circumstances the court considers to be just, a court may order the following individuals to submit specimens for genetic testing:
- (a) The parents of the man;
 - (b) Brothers and sisters of the man;
 - (c) Other children of the man and their mothers; and
 - (d) Other relatives of the man necessary to complete genetic testing.
- (2) If a specimen from the mother of a child is not available for genetic testing, the court may order genetic testing to proceed without a specimen from the mother.
- (3) Issuance of an order under this section requires a finding that a need for genetic testing outweighs the legitimate interests of the individual sought to be tested.

NEW SECTION. Sec. 409. DECEASED INDIVIDUAL. For good cause shown, the court may order genetic testing of a deceased individual.

NEW SECTION. Sec. 410. IDENTICAL BROTHERS. (1) The court may order genetic testing of a brother of a man identified as the father of a child if the man is commonly believed to have an identical brother and evidence suggests that the brother may be the genetic father of the child.

(2) If genetic testing excludes none of the brothers as the genetic father, and each brother satisfies the requirements as the identified father of the child under section 405 of this act without consideration of another identical brother being identified as the father of the child, the court may rely on nongenetic evidence to adjudicate which brother is the father of the child.

NEW SECTION. Sec. 411. CONFIDENTIALITY OF GENETIC TESTING. (1) Release of the report of genetic testing for parentage is controlled by chapter 70.02 RCW.

(2) An individual commits a gross misdemeanor punishable under RCW 9.92.020 if the individual intentionally releases an identifiable specimen of another individual for any purpose other than that relevant to the proceeding regarding parentage without a court order or the written permission of the individual who furnished the specimen.

ARTICLE 5
PROCEEDING TO ADJUDICATE PARENTAGE

PART 1
NATURE OF PROCEEDING

NEW SECTION. **Sec. 501.** PROCEEDING AUTHORIZED. A civil proceeding may be maintained to adjudicate the parentage of a child. The proceeding is governed by the rules of civil procedure.

NEW SECTION. **Sec. 502.** STANDING TO MAINTAIN PROCEEDING. Subject to sections 301 through 316, 507, and 509 of this act, a proceeding to adjudicate parentage may be maintained by:

- (1) The child;
- (2) The mother of the child;
- (3) A man whose paternity of the child is to be adjudicated;
- (4) The division of child support;
- (5) An authorized adoption agency or licensed child-placing agency;
- (6) A representative authorized by law to act for an individual who would otherwise be entitled to maintain a proceeding but who is deceased, incapacitated, or a minor; or
- (7) An intended parent under a surrogate parentage contract, as provided in RCW 26.26.210 through 26.26.260.

NEW SECTION. **Sec. 503.** PARTIES TO PROCEEDING. The following individuals must be joined as parties in a proceeding to adjudicate parentage:

- (1) The mother of the child;
- (2) A man whose paternity of the child is to be adjudicated; and
- (3) An intended parent under a surrogate parentage contract, as provided in RCW 26.26.210 through 26.26.260.

NEW SECTION. **Sec. 504.** PERSONAL JURISDICTION. (1) An individual may not be adjudicated to be a parent unless the court has personal jurisdiction over the individual.

(2) A court of this state having jurisdiction to adjudicate parentage may exercise personal jurisdiction over a nonresident individual, or the guardian or conservator of the individual, if the conditions prescribed in RCW 26.21.075 are fulfilled.

(3) Lack of jurisdiction over one individual does not preclude the court from making an adjudication of parentage binding on another individual over whom the court has personal jurisdiction.

NEW SECTION. **Sec. 505.** VENUE. Venue for a proceeding to adjudicate parentage is in the county of this state in which:

- (1) The child resides or is found;
- (2) The respondent resides or is found if the child does not reside in this state; or
- (3) A proceeding for probate of the presumed or alleged father's estate has been commenced.

NEW SECTION. Sec. 506. NO LIMITATION: CHILD HAVING NO PRESUMED, ACKNOWLEDGED, OR ADJUDICATED FATHER. A proceeding to adjudicate the parentage of a child having no presumed, acknowledged, or adjudicated father may be commenced at any time during the life of the child, even after:

- (1) The child becomes an adult; or
- (2) An earlier proceeding to adjudicate paternity has been dismissed based on the application of a statute of limitation then in effect.

NEW SECTION. Sec. 507. LIMITATION: CHILD HAVING PRESUMED FATHER. (1) Except as otherwise provided in subsection (2) of this section, a proceeding brought by a presumed father, the mother, or another individual to adjudicate the parentage of a child having a presumed father must be commenced not later than two years after the birth of the child.

(2) A proceeding seeking to disprove the father-child relationship between a child and the child's presumed father may be maintained at any time if the court determines that:

- (a) The presumed father and the mother of the child neither cohabited nor engaged in sexual intercourse with each other during the probable time of conception; and
- (b) The presumed father never openly treated the child as his own.

NEW SECTION. Sec. 508. AUTHORITY TO DENY GENETIC TESTING. (1) In a proceeding to adjudicate parentage under circumstances described in section 507 of this act, a court may deny genetic testing of the mother, the child, and the presumed father if the court determines that:

(a) The conduct of the mother or the presumed father estops that party from denying parentage; and

(b) It would be inequitable to disprove the father-child relationship between the child and the presumed father.

(2) In determining whether to deny genetic testing under this section, the court shall consider the best interest of the child, including the following factors:

- (a) The length of time between the proceeding to adjudicate parentage and the time that the presumed father was placed on notice that he might not be the genetic father;
 - (b) The length of time during which the presumed father has assumed the role of father of the child;
 - (c) The facts surrounding the presumed father's discovery of his possible nonpaternity;
 - (d) The nature of the father-child relationship;
 - (e) The age of the child;
 - (f) The harm to the child which may result if presumed paternity is successfully disproved;
 - (g) The relationship of the child to any alleged father;
 - (h) The extent to which the passage of time reduces the chances of establishing the paternity of another man and a child support obligation in favor of the child; and
 - (i) Other factors that may affect the equities arising from the disruption of the father-child relationship between the child and the presumed father or the chance of other harm to the child.
- (3) In a proceeding involving the application of this section, the child must be represented by a guardian ad litem.
- (4) A denial of genetic testing must be based on clear and convincing evidence.
- (5) If the court denies genetic testing, it shall issue an order adjudicating the presumed father to be the father of the child.

NEW SECTION. Sec. 509. LIMITATION: CHILD HAVING ACKNOWLEDGED OR ADJUDICATED FATHER. (1) If a child has an acknowledged father, a signatory to the acknowledgment or denial of paternity must commence any proceeding seeking to rescind or challenge the paternity of that child only within the time allowed under section 307 or 308 of this act.

(2) If a child has an acknowledged father or an adjudicated father, an individual, other than the child, who is neither a signatory to the acknowledgment nor a party to the adjudication and who seeks an adjudication of paternity of the child must commence a proceeding not later than two years after the effective date of the acknowledgment or adjudication.

NEW SECTION. Sec. 510. JOINDER OF PROCEEDINGS. (1) Except as provided in subsection (2) of this section, a proceeding to adjudicate parentage may be joined with a proceeding for: Adoption or termination of parental rights under chapter 26.33 RCW; determination of a parenting plan, child support, annulment, dissolution of marriage, or legal separation under chapter 26.09 or 26.19 RCW; or probate or administration of an estate under chapter 11.48 or 11.54 RCW, or other appropriate proceeding.

(2) A respondent may not join the proceedings described in subsection (1) of this section with a proceeding to adjudicate parentage brought under chapter 26.21 RCW.

NEW SECTION. Sec. 511. PROCEEDING BEFORE BIRTH. Although a proceeding to determine parentage may be commenced before the birth of the child, the proceeding may not be concluded until after the birth of the child. The following actions may be taken before the birth of the child:

- (1) Service of process;
 - (2) Discovery;
 - (3) Except as prohibited by section 402 of this act, collection of specimens for genetic testing;
- and
- (4) Temporary orders authorized under section 524 of this act.

NEW SECTION. Sec. 512. CHILD AS PARTY--REPRESENTATION. (1) A minor child is a permissible party, but is not a necessary party to a proceeding under sections 501 through 537 of this act.

(2) If the child is a party, or if the court finds that the interests of a minor child or incapacitated child are not adequately represented, the court shall appoint a guardian ad litem to represent the child, subject to RCW 74.20.310 neither the child's mother or father may represent the child as guardian or otherwise.

PART 2 SPECIAL RULES FOR PROCEEDING TO ADJUDICATE PARENTAGE

NEW SECTION. Sec. 521. ADMISSIBILITY OF RESULTS OF GENETIC TESTING--EXPENSES. (1) Except as otherwise provided in subsection (3) of this section, a record of a genetic testing expert is admissible as evidence of the truth of the facts asserted in the report unless a party objects to its admission within fourteen days after its receipt by the objecting party and cites specific grounds for exclusion. The admissibility of the report is not affected by whether the testing was performed:

- (a) Voluntarily or under an order of the court or a support enforcement agency; or
 - (b) Before or after the commencement of the proceeding.
- (2) A party objecting to the results of genetic testing may call one or more genetic testing experts to testify in person or by telephone, videoconference, deposition, or another method approved by the court. Unless otherwise ordered by the court, the party offering the testimony bears the expense for the expert testifying.
- (3) If a child has a presumed, acknowledged, or adjudicated father, the results of genetic testing are inadmissible to adjudicate parentage unless performed:
- (a) With the consent of both the mother and the presumed, acknowledged, or adjudicated father; or
 - (b) Under an order of the court under section 402 of this act.
- (4) Copies of bills for genetic testing and for prenatal and postnatal health care for the mother and child that are furnished to the adverse party not less than ten days before the date of a hearing are admissible to establish:
- (a) The amount of the charges billed; and

(b) That the charges were reasonable, necessary, and customary.

NEW SECTION. Sec. 522. CONSEQUENCES OF DECLINING GENETIC TESTING. (1) An order for genetic testing is enforceable by contempt.

(2) If an individual whose paternity is being determined declines to submit to genetic testing as ordered by the court, the court may on that basis adjudicate parentage contrary to the position of that individual.

(3) Genetic testing of the mother of a child is not a condition precedent to testing the child and a man whose paternity is being determined. If the mother is unavailable or declines to submit to genetic testing, the court may order the testing of the child and every man whose paternity is being adjudicated.

NEW SECTION. Sec. 523. ADMISSION OF PATERNITY AUTHORIZED. (1) A respondent in a proceeding to adjudicate parentage may admit to the paternity of a child by filing a pleading to that effect or by admitting paternity under penalty of perjury when making an appearance or during a hearing.

(2) If the court finds that the admission of paternity was made under this section and finds that there is no reason to question the admission, the court shall issue an order adjudicating the child to be the child of the man admitting paternity.

NEW SECTION. Sec. 524. TEMPORARY ORDER. This section applies to any proceeding under sections 501 through 537 of this act.

(1) The court shall issue a temporary order for support of a child if the individual ordered to pay support:

- (a) Is a presumed father of the child;
- (b) Is petitioning to have his paternity adjudicated or has admitted paternity in pleadings filed with the court;
- (c) Is identified as the father through genetic testing under section 405 of this act;
- (d) Has declined to submit to genetic testing but is shown by clear and convincing evidence to be the father of the child; or
- (e) Is the mother of the child.

(2) A temporary order may, on the same basis as provided in chapter 26.09 RCW, make residential provisions with regard to minor children of the parties, except that a parenting plan is not required unless requested by a parent.

(3) Any party may request the court to issue a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining any party from:

- (a) Molesting or disturbing the peace of another party;
- (b) Going onto the grounds of or entering the home, workplace, or school of another party or the day care or school of any child;
- (c) Knowingly coming within, or knowingly remaining within, a specified distance from a specified location; and
- (d) Removing a child from the jurisdiction of the court.

(4) Either party may request a domestic violence protection order under chapter 26.50 RCW or an antiharassment protection order under chapter 10.14 RCW on a temporary basis. The court may grant any of the relief provided in RCW 26.50.060 except relief pertaining to residential provisions for the children which provisions shall be provided for under this chapter, and any of the relief provided in RCW 10.14.080. Ex parte orders issued under this subsection shall be effective for a fixed period not to exceed fourteen days, or upon court order, not to exceed twenty-four days if necessary to ensure that all temporary motions in the case can be heard at the same time.

(5) Restraining orders issued under this section restraining or enjoining the person from molesting or disturbing another party, or from going onto the grounds of or entering the home, workplace, or school of the other party or the day care or school of any child, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, shall prominently bear on the front page of the order the legend: VIOLATION OF THIS ORDER WITH

ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.50 RCW AND WILL SUBJECT A VIOLATOR TO ARREST.

(6) The court shall order that any temporary restraining order bearing a criminal offense legend, any domestic violence protection order, or any antiharassment protection order granted under this section be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order is fully enforceable in any county in the state.

(7) If a restraining order issued pursuant to this section is modified or terminated, the clerk of the court shall notify the law enforcement agency specified in the order on or before the next judicial day. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from any computer-based criminal intelligence system.

(8) The court may issue a temporary restraining order without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(9) The court may issue a temporary restraining order or preliminary injunction and an order for temporary support in such amounts and on such terms as are just and proper in the circumstances. In issuing the order, the court shall consider the provisions of RCW 9.41.800.

(10) A temporary order, temporary restraining order, or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified;

(c) Terminates when the final order is entered or when the petition is dismissed; and

(d) May be entered in a proceeding for the modification of an existing order.

(11) A support debt owed to the state for public assistance expenditures which has been charged against a party pursuant to RCW 74.20A.040 and/or 74.20A.055 shall not be merged in, or otherwise extinguished by, the final decree or order, unless the office of support enforcement has been given notice of the final proceeding and an opportunity to present its claim for the support debt to the court and has failed to file an affidavit as provided in this subsection. Notice of the proceeding shall be served upon the office of support enforcement personally, or by certified mail, and shall be given no fewer than thirty days prior to the date of the final proceeding. An original copy of the notice shall be filed with the court either before service or within a reasonable time thereafter. The office of support enforcement may present its claim, and thereby preserve the support debt, by filing an affidavit setting forth the amount of the debt with the court, and by mailing a copy of the affidavit to the parties or their attorney prior to the date of the final proceeding.

PART 3 HEARINGS AND ADJUDICATION

NEW SECTION. **Sec. 531.** RULES FOR ADJUDICATION OF PATERNITY. The court shall apply the following rules to adjudicate the paternity of a child:

(1) The paternity of a child having a presumed, acknowledged, or adjudicated father may be disproved only by admissible results of genetic testing excluding that man as the father of the child or identifying another man to be the father of the child.

(2) Unless the results of genetic testing are admitted to rebut other results of genetic testing, the man identified as the father of the child under section 405 of this act must be adjudicated the father of the child.

(3) If the court finds that genetic testing under section 405 of this act neither identifies nor excludes a man as the father of a child, the court may not dismiss the proceeding. In that event, the results of genetic testing, along with other evidence, are admissible to adjudicate the issue of paternity.

(4) Unless the results of genetic testing are admitted to rebut other results of genetic testing, a man excluded as the father of a child by genetic testing must be adjudicated not to be the father of the child.

NEW SECTION. Sec. 532. JURY PROHIBITED. The court, without a jury, shall adjudicate parentage of a child.

NEW SECTION. Sec. 533. HEARINGS--INSPECTION OF RECORDS. (1) On request of a party and for good cause shown, the court may close a proceeding under this section and sections 501 through 532 and 534 through 537 of this act.

(2) A final order in a proceeding under this section and sections 501 through 532 and 534 through 537 of this act is available for public inspection. Other papers and records are available only with the consent of the parties or on order of the court for good cause.

NEW SECTION. Sec. 534. ORDER ON DEFAULT. The court shall issue an order adjudicating the paternity of a man who:

- (1) After service of process, is in default; and
- (2) Is found by the court to be the father of a child.

NEW SECTION. Sec. 535. DISMISSAL FOR WANT OF PROSECUTION. The court may issue an order dismissing a proceeding commenced under this chapter for want of prosecution only without prejudice. An order of dismissal for want of prosecution with prejudice is void and may be challenged in another judicial or an administrative proceeding.

NEW SECTION. Sec. 536. ORDER ADJUDICATING PARENTAGE. (1) The court shall issue an order adjudicating whether a man alleged or claiming to be the father is the parent of the child.

(2) An order adjudicating parentage must identify the child by name and age.

(3) Except as otherwise provided in subsection (4) of this section, the court may assess filing fees, reasonable attorneys' fees, fees for genetic testing, other costs, and necessary travel and other reasonable expenses incurred in a proceeding under this section and sections 501 through 535 and 537 of this act. The court may award attorneys' fees, which may be paid directly to the attorney, who may enforce the order in the attorney's own name.

(4) The court may not assess fees, costs, or expenses against the support enforcement agency of this state or another state, except as provided by other law.

(5) On request of a party and for good cause shown, the court may order that the name of the child be changed.

(6) If the order of the court is at variance with the child's birth certificate, the court shall order the state registrar of vital statistics to issue an amended birth certificate.

NEW SECTION. Sec. 537. BINDING EFFECT OF DETERMINATION OF PARENTAGE. (1) Except as otherwise provided in subsection (2) of this section, a determination of parentage is binding on:

(a) All signatories to an acknowledgment or denial of paternity as provided in sections 301 through 316 of this act; and

(b) All parties to an adjudication by a court acting under circumstances that satisfy the jurisdictional requirements of RCW 26.21.075.

(2) A child is not bound by a determination of parentage under this chapter unless:

(a) The acknowledgment of paternity is consistent with the results of the genetic testing;

(b) The adjudication of parentage was based on a finding consistent with the results of genetic testing and the consistency is declared in the determination or is otherwise shown; or

(c) The child was represented in the proceeding determining parentage by a guardian ad litem.

(3) In a proceeding to dissolve a marriage, the court is deemed to have made an adjudication of the parentage of a child if the court acts under circumstances that satisfy the jurisdictional requirements of RCW 26.21.075, and the final order:

(a) Expressly identifies a child as a "child of the marriage," "issue of the marriage," or similar words indicating that the husband is the father of the child; or

(b) Provides for support of the child by the husband unless paternity is specifically disclaimed in the order.

(4) Except as otherwise provided in subsection (2) of this section, a determination of parentage may be a defense in a subsequent proceeding seeking to adjudicate parentage by an individual who was not a party to the earlier proceeding.

(5) A party to an adjudication of paternity may challenge the adjudication only under law of this state relating to appeal, vacation of judgments, and other judicial review.

ARTICLE 6 CHILD OF ASSISTED REPRODUCTION

NEW SECTION. **Sec. 601.** SCOPE OF ARTICLE. Sections 602 through 609 of this act do not apply to the birth of a child conceived by means of sexual intercourse.

NEW SECTION. **Sec. 602.** PARENTAL STATUS OF DONOR. A donor is not a parent of a child conceived by means of assisted reproduction.

NEW SECTION. **Sec. 603.** HUSBAND'S PATERNITY OF CHILD OF ASSISTED REPRODUCTION. If a husband provides sperm for, or consents to, assisted reproduction by his wife as provided in section 604 of this act, he is the father of a resulting child born to his wife.

NEW SECTION. **Sec. 604.** CONSENT TO ASSISTED REPRODUCTION. (1) A consent to assisted reproduction by a married woman must be in a record signed by the woman and her husband. This requirement does not apply to the donation of eggs for assisted reproduction by another woman.

(2) Failure of the husband to sign a consent required by subsection (1) of this section, before or after birth of the child, does not preclude a finding that the husband is the father of a child born to his wife if the wife and husband openly treated the child as their own.

NEW SECTION. **Sec. 605.** LIMITATION ON HUSBAND'S DISPUTE OF PATERNITY. (1) Except as otherwise provided in subsection (2) of this section, the husband of a wife who gives birth to a child by means of assisted reproduction may not challenge his paternity of the child unless:

(a) Within two years after learning of the birth of the child he commences a proceeding to adjudicate his paternity; and

(b) The court finds that he did not consent to the assisted reproduction, before or after birth of the child.

(2) A proceeding to adjudicate paternity may be maintained at any time if the court determines that:

(a) The husband did not provide sperm for, or before or after the birth of the child consent to, assisted reproduction by his wife;

(b) The husband and the mother of the child have not cohabited since the probable time of assisted reproduction; and

(c) The husband never openly treated the child as his own.

(3) The limitation provided in this section applies to a marriage declared invalid after assisted reproduction.

NEW SECTION. **Sec. 606.** EFFECT OF DISSOLUTION OF MARRIAGE. (1) If a marriage is dissolved before placement of eggs, sperm, or an embryo, the former spouse is not a parent

of the resulting child unless the former spouse consented in a record that if assisted reproduction were to occur after a divorce, the former spouse would be a parent of the child.

(2) The consent of the former spouse to assisted reproduction may be revoked by that individual in a record at any time before placement of eggs, sperm, or embryos.

NEW SECTION. **Sec. 607.** PARENTAL STATUS OF DECEASED SPOUSE. If a spouse dies before placement of eggs, sperm, or an embryo, the deceased spouse is not a parent of the resulting child unless the deceased spouse consented in a record that if assisted reproduction were to occur after death, the deceased spouse would be a parent of the child.

NEW SECTION. **Sec. 608.** EFFECT OF AGREEMENT BETWEEN OVUM DONOR AND WOMAN WHO GIVES BIRTH. The donor of ovum provided to a licensed physician for use in the alternative reproductive medical technology process of attempting to achieve a pregnancy in a woman other than the donor is treated in law as if she were not the natural mother of a child thereafter conceived and born unless the donor and the woman who gives birth to a child as a result of the alternative reproductive medical technology procedures agree in writing that the donor is to be a parent. Section 602 of this act does not apply in such case. A woman who gives birth to a child conceived through alternative reproductive medical technology procedures under the supervision and with the assistance of a licensed physician is treated in law as if she were the natural mother of the child unless an agreement in writing signed by an ovum donor and the woman giving birth to the child states otherwise. An agreement pursuant to this section must be in writing and signed by the ovum donor and the woman who gives birth to the child and any other intended parent of the child. The physician shall certify the parties' signatures and the date of the ovum harvest, identify the subsequent medical procedures undertaken, and identify the intended parents. The agreement, including the affidavit and certification referenced in RCW 26.26.030, must be filed with the registrar of vital statistics, where it must be kept confidential and in a sealed file.

NEW SECTION. **Sec. 609.** ISSUANCE OF BIRTH CERTIFICATE. The department of health shall, upon request, issue a birth certificate for any child born as a result of an alternative reproductive medical technology procedure indicating the legal parentage of such child as intended by any agreement filed with the registrar of vital statistics pursuant to section 608 of this act.

ARTICLE 7 MISCELLANEOUS PROVISIONS

Sec. 701. RCW 5.44.140 and 1990 c 175 s 1 are each amended to read as follows:

In any proceeding regarding the determination of a family relationship, including but not limited to the parent and child relationship and the marriage relationship, a determination of family relationships regarding any person or persons who immigrated to the United States from a foreign country which was made or accepted by the United States immigration and naturalization service at the time of that person or persons' entry into the United States creates a rebuttable presumption that the determination is valid and that the family relationship under foreign law is as made or accepted at the time of entry. Except as provided in (~~RCW 26.26.040 (1)(f) and (2)~~) section 204(2) of this act, the presumption may be overcome by a preponderance of evidence showing that a living person other than the person named by the United States immigration and naturalization service is in the relationship in question.

Sec. 702. RCW 5.62.030 and 1986 c 212 s 2 are each amended to read as follows:

Notwithstanding anything to the contrary in this chapter, the privilege created in this chapter is subject to the same limitations and exemptions contained in RCW (~~26.26.120,~~) 26.44.060(3)(~~+~~) and

51.04.050 as those limitations and exemptions relate to the physician/patient privilege of RCW 5.60.060.

Sec. 703. RCW 9.41.070 and 1999 c 222 s 2 are each amended to read as follows:

However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours.

The applicant's constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045;

(b) The applicant's concealed pistol license is in a revoked status;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2) The issuing authority shall check with the national crime information center, the Washington state patrol electronic data base, the department of social and health services electronic data base, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm and therefore ineligible for a concealed pistol license. This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. (4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, not more than two complete sets of fingerprints, and signature of the licensee, and the licensee's driver's license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the department of social and health services, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for an original license shall include two complete sets of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's eligibility under RCW 9.41.040 to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall meet the additional requirements of RCW 9.41.170 and produce proof of compliance with RCW 9.41.170 upon application. The license shall be in triplicate and in a form to be prescribed by the department of licensing.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the Federal Bureau of Investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license.

The fee shall be distributed as follows:

- (a) Fifteen dollars shall be paid to the state general fund;
- (b) Four dollars shall be paid to the agency taking the fingerprints of the person licensed;
- (c) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this

chapter; and

(6) The nonrefundable fee for the renewal of such license shall be thirty-two dollars. No other branch or unit of government may impose any additional charges on the applicant for the renewal of the license.

The renewal fee shall be distributed as follows:

- (a) Fifteen dollars shall be paid to the state general fund;
- (b) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this

chapter; and

- (c) Three dollars to the firearms range account in the general fund.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section.

The fee shall be distributed as follows:

(a) Three dollars shall be deposited in the state wildlife fund and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

- (b) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a

temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or

(5) The requirements of subsections (1), (2), and (4) of this section may be for a period of time less than the duration of the order.

(6) The court may require the party to surrender any firearm or other dangerous weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding, the chief of police of the municipality having jurisdiction, or to the restrained or enjoined party's counsel or to any person designated by the court.

(c) Would assist the parties or the division of child support in determining whether it is appropriate to proceed with an action to establish or disestablish paternity.

(2) The order for genetic testing shall be served on the alleged parent or parents and the legal parent by personal service or by any form of mail requiring a return receipt.

(1) If an alleged father has signed an affidavit acknowledging paternity which has been filed with the state registrar of vital statistics before July 1, 1997, the division of child support may serve a

notice and finding of parental responsibility on him. (~~Procedures for and responsibility resulting from acknowledgments filed after July 1, 1997, are in subsections (8) and (9) of this section.~~) Service of the notice shall be in the same manner as a summons in a civil action or by certified mail, return receipt requested. The notice shall have attached to it a copy of the affidavit or certification of birth record information advising of the existence of a filed affidavit, provided by the state registrar of vital statistics, and shall state that:

(a) The alleged father may file an application for an adjudicative proceeding at which he will be required to appear and show cause why the amount stated in the finding of financial responsibility as to support is incorrect and should not be ordered;

(b) An alleged father may request that a blood or genetic test be administered to determine whether such test would exclude him from being a natural parent and, if not excluded, may subsequently request that the division of child support initiate an action in superior court to determine the existence of the parent-child relationship; and

(c) If the alleged father does not request that a blood or genetic test be administered or file an application for an adjudicative proceeding, the amount of support stated in the notice and finding of parental responsibility shall become final, subject only to a subsequent determination under (~~RCW 26.26.060~~) sections 501 through 537 of this act that the parent-child relationship does not exist.

(2) An alleged father who objects to the amount of support requested in the notice or who requests genetic tests may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt, the amount of the current and future support obligation, and the reimbursement of the costs of blood or genetic tests if advanced by the department.

(3) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department. If no application is filed within twenty days:

(a) The amounts in the notice shall become final and the debt created therein shall be subject to collection action; and

(b) Any amounts so collected shall neither be refunded nor returned if the alleged father is later found not to be a responsible parent.

(4) An alleged father who denies being a responsible parent may request that a blood or genetic test be administered at any time. The request for testing shall be in writing and served on the division of child support personally or by registered or certified mail. If a request for testing is made, the department shall arrange for the test and, pursuant to rules adopted by the department, may advance the cost of such testing. The department shall mail a copy of the test results by certified mail, return receipt requested, to the alleged father's last known address.

(5) If the test excludes the alleged father from being a natural parent, the division of child support shall file a copy of the results with the state registrar of vital statistics and shall dismiss any pending administrative collection proceedings based upon the affidavit in issue. The state registrar of vital statistics shall remove the alleged father's name from the birth certificate and change the child's surname to be the same as the mother's maiden name as stated on the birth certificate, or any other name which the mother may select.

(6) The alleged father may, within twenty days after the date of receipt of the test results, request the division of child support to initiate an action under (~~RCW 26.26.060~~) sections 501 through 537 of this act to determine the existence of the parent-child relationship. If the division of child support initiates a superior court action at the request of the alleged father and the decision of the court is that the alleged father is a natural parent, the alleged father shall be liable for court costs incurred.

(7) If the alleged father does not request the division of child support to initiate a superior court action, or if the alleged father fails to appear and cooperate with blood or genetic testing, the notice of parental responsibility shall become final for all intents and purposes and may be overturned only by a subsequent superior court order entered under (~~RCW 26.26.060~~) sections 501 through 537 of this act.

(8)(a) Subsections (1) through (7) of this section do not apply to acknowledgments of paternity filed with the state registrar of vital statistics after July 1, 1997.

(b) If an ~~((alleged))~~ acknowledged father has signed an ~~((affidavit acknowledging))~~ acknowledgment of paternity that has been filed with the state registrar of vital statistics after July 1, 1997~~((, within sixty days from the date of filing of the acknowledgment))~~:

The rescission shall be notarized and delivered to the state registrar of vital statistics personally or by registered or certified mail. The state registrar shall remove the father's name from the birth certificate and change the child's surname to be the same as the mother's maiden name as stated on the birth certificate or any other name that the mother may select. (iii) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order.

~~((b))~~ (c) If the ~~((alleged))~~ acknowledged father or other party to the notice does not file an application for an adjudicative proceeding or ~~((rescind his))~~ the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of paternity, the amount of support stated in the notice and finding of ~~((parental))~~ financial responsibility becomes final, subject only to a subsequent determination under ~~((RCW 26.26.060))~~ sections 501 through 537 of this act that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

~~((e))~~ (d) An ~~((alleged))~~ acknowledged father or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of the service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the alleged father is later found not to be a responsible parent.

~~((d) If an alleged father makes a request for genetic testing, the department shall proceed as set forth under RCW 74.20.360.)~~

(e) If the ~~((alleged))~~ acknowledged father or other party to the notice does not request ~~((an))~~ a timely adjudicative proceeding, or if ~~((the alleged father fails to rescind his filed acknowledgment of paternity))~~ no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of ~~((parental))~~ financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under ~~((RCW 26.26.060))~~ sections 501 through 537 of this act.

(9) ~~((Affidavits acknowledging))~~ Acknowledgments of paternity that are filed after July 1, 1997, are subject to requirements of chapters 26.26, the uniform parentage act, and 70.58 RCW.

(10) The department and the department of health may adopt rules to implement the requirements under this section.

Sec. 708. RCW 70.58.080 and 1997 c 58 s 937 are each amended to read as follows:

Sec. 2. RCW 35.81.020 and 1965 c 7 s 35.81.020 are each amended to read as follows:

It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, hinders job creation and economic growth, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that there is an urgent need to enhance the ability of municipalities to act effectively and expeditiously to revive blighted areas and to prevent further blight due to shocks to the economy of the state and their actual and threatened effects on unemployment, poverty, and the availability of private capital for businesses and projects in the area.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.

Sec. 3. RCW 35.81.030 and 1965 c 7 s 35.81.030 are each amended to read as follows:

A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this chapter, shall afford maximum opportunity, consistent with the ~~((sound))~~ needs of the municipality as a whole, to the rehabilitation or redevelopment of the ~~((urban))~~ community renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this chapter, including the formulation of a workable program, the approval of ~~((urban))~~ community renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements.

Sec. 4. RCW 35.81.040 and 1965 c 7 s 35.81.040 are each amended to read as follows:

A municipality for the purposes of this chapter may formulate a workable program for ~~((utilizing))~~ using appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed ~~((urban))~~ community rehabilitation, to provide for the

redevelopment of such areas, or to undertake ~~((such of))~~ the ~~((aforesaid))~~ activities, or other feasible municipal activities as may be suitably employed to achieve the objectives of ~~((such))~~ the workable program. ~~((Such))~~ The workable program may include, without limitation, provision for: The prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; ~~((and))~~ the replacement of housing that is lost as a result of community renewal activities within a community renewal area; the clearance and redevelopment of blighted areas or portions thereof; and the reduction of unemployment and poverty within the community renewal area by providing financial or technical assistance to a person or public body that is used to create or retain jobs, a substantial portion of which, as determined by the municipality, shall be for persons of low income.

Sec. 5. RCW 35.81.050 and 1965 c 7 s 35.81.050 are each amended to read as follows:

(1) No municipality shall exercise any of the powers hereafter conferred upon municipalities by this chapter until after its local governing body shall have adopted ~~((a))~~ an ordinance or resolution finding that: ~~((1))~~ (a) One or more blighted areas exist in such municipality; and ~~((2))~~ (b) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality.

(2) After adoption of the ordinance or resolution making the findings described in subsection (1) of this section, the local governing body of the municipality may elect to have the powers of a community renewal agency under this chapter exercised in one of the following ways:

(b) By the local governing body of the municipality directly; or

Sec. 6. RCW 35.81.060 and 1965 c 7 s 35.81.060 are each amended to read as follows:

(1) A municipality shall not approve ~~((an urban))~~ a community renewal project for ~~((an urban))~~ a community renewal area unless the local governing body has, by ordinance or resolution, determined such an area to be a blighted area and designated ~~((such))~~ the area as appropriate for ~~((an urban))~~ a community renewal project. The local governing body shall not approve ~~((an urban))~~ a community renewal plan until a comprehensive plan or parts of ~~((such))~~ the plan for an area which would include ~~((an urban))~~ a community renewal area for the municipality have been prepared as provided in chapter ~~((35.63 RCW. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time, a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor))~~ 36.70A RCW. For municipalities not subject to the planning requirements of chapter 36.70A RCW, any proposed comprehensive plan must be consistent with a local comprehensive plan adopted under chapter 35.63 or 36.70 RCW, or any other applicable law. A municipality shall not acquire real property for ~~((an urban))~~ a community renewal project unless the local governing body has approved the ~~((urban))~~ community renewal project plan in accordance with subsection (4) ~~((hereof))~~ of this section.

(2) The municipality may itself prepare or cause to be prepared ~~((an urban))~~ a community renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of ~~((an urban))~~ a community renewal project, the local governing body shall ~~((submit such plan to the planning commission of the municipality for review and recommendations as~~

The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the ((urban)) community renewal area affected, and shall outline the general scope of the ((urban)) community renewal plan under consideration.

(4) Following ((such)) the hearing, the local governing body may approve ((an urban)) a community renewal project if it finds that (a) a ((workable and)) feasible plan exists for making available adequate housing for the ((persons)) residents who may be displaced by the project; (b) the ((urban)) community renewal plan conforms to the comprehensive plan ((or parts thereof)) for the municipality ((as a whole)); (c) the ((urban)) community renewal plan will afford maximum opportunity, consistent with the ((sound)) needs of the municipality ((as a whole)), for the rehabilitation or redevelopment of the ((urban)) community renewal area by private enterprise; ((and)) (d) a sound and adequate financial program exists for the financing of ((said)) the project; and (e) the ((urban)) community renewal project area is a blighted area as defined in RCW 35.81.010(2) (as recodified by this act).

(5) ((An urban)) A community renewal project plan may be modified at any time by the local governing body((: PROVIDED, That)). However, if modified after the lease or sale by the municipality of real property in the ((urban)) community renewal project area, ((such)) the modification shall be subject to ((such)) the rights at law or in equity as a lessee or purchaser, or ((his)) the successor or successors in interest may be entitled to assert.

(6) ((Upon the approval of an urban renewal project by a municipality, the provisions of the urban renewal plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto)) Unless otherwise expressly stated in an ordinance or resolution of the governing body of the municipality, a community renewal plan shall not be considered a subarea plan or part of a comprehensive plan for purposes of chapter 36.70A RCW. However, a municipality that has adopted a comprehensive plan under chapter 36.70A RCW may adopt all or part of a community renewal plan at any time as a new or amended subarea plan, whether or not any subarea plan has previously been adopted for all or part of the community renewal area. Any community renewal plan so adopted, unless otherwise determined by the growth management hearings board with jurisdiction under a timely appeal in RCW 36.70A.280, shall be conclusively presumed to comply with the requirements in this chapter for consistency with the comprehensive plan.

Sec. 7. RCW 35.81.070 and 1965 c 7 s 35.81.070 are each amended to read as follows:

Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others ((herein)) granted under this chapter:

(3) To provide financial or technical assistance, using available public or private funds, to a person or public body for the purpose of creating or retaining jobs, a substantial portion of which, as determined by the municipality, shall be for persons of low income.

(4) To make payments, loans, or grants to, provide assistance to, and contract with existing or new owners and tenants of property in the community renewal areas as compensation for any adverse impacts, such as relocation or interruption of business, that may be caused by the implementation of a community renewal project, and/or consideration for commitments to develop, expand, or retain land uses that contribute to the success of the project or plan, including without limitation businesses that will create or retain jobs, a substantial portion of which, as determined by the municipality, shall be for persons of low income.

(5) To contract with a person or public body to provide financial assistance, authorized under this section, to property owners and tenants impacted by the implementation of the community renewal plan and to provide incentives to property owners and tenants to encourage them to locate in the community renewal area after adoption of the community renewal plan.

(6) Within the municipality, to enter upon any building or property in any ~~((urban))~~ community renewal area, in order to make surveys and appraisals, provided that such entries shall be made in such a manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain, or otherwise, any real property and such personal property as may be necessary for the administration of the provisions herein contained, together with any improvements thereon; to hold, improve, clear, or prepare for redevelopment any such property; to dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance: PROVIDED, That no statutory provision with respect to the acquisition, clearance, or disposition of property by public bodies shall restrict a municipality in the exercise of such functions with respect to ~~((an urban))~~ a community renewal project.

~~((4))~~ (7) To invest any ~~((urban))~~ community renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to RCW 35.81.100 at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

~~((5))~~ (8) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to enter into and carry out contracts in connection therewith. A municipality may include in any application or contract for financial assistance with the federal government for ~~((an urban))~~ a community renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this chapter.

~~((6))~~ (9) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this chapter and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, ~~((and))~~ (e) appraisals, title searches, surveys, studies, and other preliminary plans and work necessary to prepare for the undertaking of ~~((urban))~~ community renewal projects, and (f) plans to provide financial or technical assistance to a person or public body for the purpose of creating or retaining jobs, a substantial portion of which, as determined by the municipality, shall be for persons of low income. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of ~~((urban))~~ blight, for job creation or retention activities, and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

~~((7))~~ (10) To prepare plans for the relocation of families displaced from ~~((an urban))~~ a community renewal area, and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

~~((8))~~ (11) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and in accordance with state law: (a) Levy taxes and assessments for such purposes; (b) acquire land either by negotiation ~~((and/or))~~ or eminent domain, or both; (c) close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places; (d) plan or replan, zone or rezone any part of the municipality; (e) adopt annual budgets for the operation of ~~((an urban))~~ a community renewal agency, department, or offices vested with ~~((urban))~~ community renewal project powers under RCW 35.81.150; and (f) enter into agreements with such agencies or departments (which agreements may extend over any period) respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter.

~~((9))~~ (12) Within the municipality, to organize, coordinate, and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remedying blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively.

~~((10))~~ (13) To contract with a person or public body to assist in carrying out the purposes of this chapter.

(14) To exercise all or any part or combination of powers herein granted.

Sec. 8. RCW 35.81.080 and 1965 c 7 s 35.81.080 are each amended to read as follows:

A municipality shall have the right to acquire by condemnation, in accordance with the procedure provided for condemnation by such municipality for other purposes, any interest in real property, which it may deem necessary for ~~((an urban))~~ a community renewal project under this chapter after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for ~~((urban))~~ community renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or ~~((his))~~ a predecessor in interest by eminent domain may be condemned for the purposes of this chapter.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. No allowance shall be made for the improvements begun on real property after notice to the owner of such property of the institution of proceedings to condemn such property. Evidence shall be admissible bearing upon the insanitary, unsafe, or substandard condition of the premises, or the unlawful use thereof.

Sec. 9. RCW 35.81.090 and 1965 c 7 s 35.81.090 are each amended to read as follows:

(1) A municipality, with approval of its legislative authority, may acquire real property, or any interest therein, for the purposes of a community renewal project (a) prior to the selection of one or more persons interested in undertaking to redevelop or rehabilitate the real property, or (b) after the selection of one or more persons interested in undertaking to redevelop or rehabilitate such real

property. In either case the municipality may select a redeveloper through a competitive bidding process consistent with this section or through a process consistent with section 10 of this act.

(2) A municipality, with approval of its legislative authority, may sell, lease, or otherwise transfer real property or any interest therein acquired by it for ~~((an urban))~~ a community renewal project, in ~~((an urban))~~ a community renewal area for residential, recreational, commercial, industrial, or other uses or for public use, and may enter into contracts with respect thereto, or may retain such a property or interest only for parks and recreation, education, public utilities, public transportation, public safety, health, highways, streets, and alleys, administrative buildings, or civic centers, in accordance with the ~~((urban))~~ community renewal project plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of blighted areas or otherwise to carry out the purposes of this chapter ~~((: PROVIDED, That))~~. However, such a sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the ~~((urban))~~ community renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote ~~((such))~~ the real property only to the uses specified in the ~~((urban))~~ community renewal plan, and may be obligated to comply with ~~((such))~~ any other requirements as the municipality may determine to be in the public interest, including the obligation to begin and complete, within a reasonable time, any improvements on ~~((such))~~ the real property required by the ~~((urban))~~ community renewal plan or promised by the transferee. ~~((Such))~~ The real property or interest shall be sold, leased, or otherwise transferred ~~((, or retained at not less than its fair value for uses in accordance with the urban renewal plan))~~ for the consideration the municipality determines adequate. In determining the ~~((fair value of real property for uses in accordance with the urban renewal plan))~~ adequacy of consideration, a municipality ~~((shall))~~ may take into account ~~((, and give consideration to,))~~ the uses ~~((provided in such))~~ permitted under the community renewal plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the ~~((purchaser or lessee or by the municipality retaining the property))~~ transferee; and the public benefits to be realized, including furthering of the objectives of ~~((such))~~ the plan for the prevention of the recurrence of blighted areas.

(3) The municipality in any instrument of conveyance to a private purchaser or lessee may provide that ~~((such))~~ the purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property, or to permit changes in ownership or control of a purchaser or lessee that is not a natural person, in each case without the prior written consent of the municipality until ~~((he))~~ the purchaser or lessee has completed the construction of ~~((any and))~~ all improvements ~~((which he))~~ that it has obligated ~~((himself))~~ itself to construct thereon. The municipality may also retain the right, upon any earlier transfer or change in ownership or control without consent; or any failure or change in ownership or control without consent; or any failure to complete the improvements within the time agreed to terminate the transferee's interest in the property; or to retain or collect on any deposit or instrument provided as security, or both. The enforcement of these restrictions and remedies is declared to be consistent with the public policy of this state. Real property acquired by a municipality ~~((which))~~ that, in accordance with the provisions of the ~~((urban))~~ community renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the ~~((urban))~~ community renewal plan. The inclusion in any ~~((such))~~ contract or conveyance to a purchaser or lessee of any ~~((such))~~ covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of ~~((an urban))~~ a community renewal plan or any part thereof) shall not prevent the recording of such a contract or conveyance in the land records of the auditor or the county in which ~~((such))~~ the city or town is located, in ~~((such))~~ a manner ~~((as to))~~ that affords actual or constructive notice thereof.

~~((2))~~ (4)(a)(i) A municipality may dispose of real property in ~~((an urban))~~ a community renewal area, acquired by the municipality under this chapter, to any private persons only under ~~((such))~~ those reasonable competitive bidding procedures as it shall prescribe, or by competitive bidding as ~~((hereinafter))~~ provided in this subsection, through direct negotiation where authorized under (c) of this subsection, or by a process authorized in section 10 of this act.

(ii) A competitive bidding process may occur (A) prior to the purchase of the real property by the municipality, or (B) after the purchase of the real property by the municipality.

(b)(i) A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate ~~((an urban))~~ a community renewal area, or any part thereof. ~~((Such))~~ This notice shall identify the area, or portion thereof, and shall state that ~~((such))~~ further information as is available may be obtained at ~~((such))~~ the office as shall be designated in ~~((said))~~ the notice.

(ii) The municipality shall consider all responsive redevelopment or rehabilitation bids and the financial and legal ability of the persons making ~~((such))~~ the bids to carry them out. The municipality may accept ~~((such))~~ the bids as it deems to be in the public interest and in furtherance of the purposes of this chapter. Thereafter, the municipality may execute, in accordance with the provisions of subsection ~~((4))~~ (2) of this section, and deliver contracts, deeds, leases, and other instruments of transfer.

~~((3))~~ (c) If the legislative authority of the municipality determines that the sale of real property to a specific person is necessary to the success of a neighborhood revitalization or community renewal project for which the municipality is providing assistance to a nonprofit organization from federal community development block grant funds under 42 U.S.C. Sec. 5305(a)(15), or successor provision, under a plan or grant application approved by the United States department of housing and urban development, or successor agency, then the municipality may sell or lease that property to that person through direct negotiation, for consideration determined by the municipality to be adequate consistent with subsection (2) of this section. This direct negotiation may occur, and the municipality may enter into an agreement for sale or lease, either before or after the acquisition of the property by the municipality. Unless the municipality has provided notice to the public of the intent to sell or lease the property by direct negotiation, as part of a citizen participation process adopted under federal regulations for the plan or grant application under which the federal community development block grant funds have been awarded, the municipality shall publish notice of the sale at least fifteen days prior to the conveyance of the property.

(5) A municipality may operate and maintain real property acquired in ~~((an urban))~~ a community renewal area for a period of three years pending the disposition of the property for redevelopment, without regard to the provisions of subsection ~~((4 above))~~ (2) of this section, for such uses and purposes as may be deemed desirable even though not in conformity with the ~~((urban))~~ community renewal plan ~~((: PROVIDED, That))~~. However, the municipality may, after a public hearing, extend the time for a period not to exceed three years.

(6) Any covenants, restrictions, promises, undertakings, releases, or waivers in favor of a municipality contained in any deed or other instrument accepted by any transferee of property from the municipality or community renewal agency under this chapter, or contained in any document executed by any owner of property in a community renewal area, shall run with the land to the extent provided in the deed, instrument, or other document, so as to bind, and be enforceable by the municipality against, the person accepting or making the deed, instrument, or other document and that person's heirs, successors in interest, or assigns having actual or constructive notice thereof.

NEW SECTION. Sec. 10. A new section is added to chapter 35.81 RCW to read as follows:

(1) The process authorized under this section may occur (a) prior to the purchase of the real property by the municipality, or (b) after the purchase of the real property by the municipality.

(2) A municipality may, by public notice once each week for three consecutive weeks in a legal newspaper in the municipality, or prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite statements of interest and qualifications and, at the municipality's option, proposals from any persons interested in undertaking to redevelop or rehabilitate the real property.

(3) The notice required under this section shall identify the area, or portion thereof, the process the municipality will use to evaluate qualifications and, if applicable, proposals submitted by

redevelopers or any persons, and other information relevant to the community renewal project. The notice shall also state that further information, as is available, may be obtained at the offices designated in the notice.

(4)(a) Based on its evaluation of qualifications and, if applicable, proposals, the municipality may select a proposer with whom to negotiate or may select two or more finalists to submit proposals, or to submit more detailed or revised proposals. The municipality may, in its sole discretion, reject all responses or proposals, amend any solicitation to allow modification or supplementation of qualifications or proposals, or waive irregularities in the content or timing of any qualifications or proposals.

(b) The municipality may initiate negotiations with the person selected on the basis of qualifications or proposals. If the municipality does not enter into a contract with that person, it may (i) enter into negotiations with the person that submitted the next highest ranked qualifications or proposal, (ii) solicit additional proposals using a process permitted by RCW 35.81.090, or (iii) otherwise dispose of or retain the real property consistent with the provisions of this chapter. A municipality shall not be required to select or enter into a contract with any proposer or to compensate any proposer for the cost of preparing a proposal or negotiating with the municipality.

(c) A municipality, with approval of its legislative authority, may select and enter into a contract with more than one proposer to carry out different aspects or parts of a community renewal plan.

Sec. 11. RCW 35.81.100 and 1983 c 167 s 64 are each amended to read as follows:

(1) A municipality shall have the power to issue bonds from time to time in its discretion to finance the undertaking of any ~~((urban))~~ community renewal project under this chapter, including, without limiting the generality ~~((thereof))~~ of this power, the payment of principal and interest upon any advances for surveys and plans for ~~((urban))~~ community renewal projects, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of ~~((urban))~~ community renewal projects under this chapter ~~(; PROVIDED, That)~~. However, the payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the municipality, the federal government, or from other sources, in aid of any ((urban)) community renewal projects of the municipality under this chapter.

(2) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose, and together with interest thereon and income therefrom, shall be exempted from all taxes.

(3) Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered as provided in RCW 39.46.030, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(4) Such bonds may be sold at not less than ninety-eight percent of par at public or private sale, or may be exchanged for other bonds on the basis of par: **PROVIDED, That** such bonds may be sold to the federal government at private sale at not less than par and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at public or private sale at not less than ninety-eight percent of par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(5)(a) The municipality may annually pay into a fund to be established for the benefit of such bonds any and all excess of the taxes received by it from the same property over and above the average of the annual taxes authorized without vote for a five-year period immediately preceding the acquisition of the property by the municipality for renewal purposes, such payment to continue until such time as all bonds payable from the fund are paid in full. Any other taxing unit ~~((in a municipality))~~ that receives property tax revenues from property in the community renewal area is authorized to allocate ~~((a like amount of such))~~ excess taxes, computed in the same manner, to the municipality or municipalities in which it is situated.

(b) In addition to the excess property tax revenues from property in the community renewal area, authorized in this subsection, the municipality may annually pay into the fund, established in this subsection, any and all excess of the excise tax received by it from business activity in the community renewal area over and above the average of the annual excise tax collected for a five-year period immediately preceding the establishment of a community renewal area. The payment may continue until all the bonds payable from the fund are paid in full. Any other taxing unit that receives excise tax from business activity in the community renewal area is authorized to allocate excess excise tax, computed in the same manner, to the municipality or municipalities in which it is situated. As used in this subsection, "excise tax" means a local retail sales and use tax authorized in chapter 82.14 RCW. The legislature declares that it is a proper purpose of a municipality to allocate an excise tax for purposes of a community renewal project under this chapter.

(6) In case any of the public officials of the municipality whose signatures appear on any bonds or any coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds, issued pursuant to this chapter shall be fully negotiable.

(7) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with ~~((an urban))~~ a community renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this chapter.

(8) Notwithstanding subsections (1) through (7) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. 12. RCW 35.81.110 and 1965 c 7 s 35.81.110 are each amended to read as follows:

All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking or investment business, all insurance companies, insurance associations, and other persons carrying on an insurance business and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or other obligations issued by a municipality ~~((pursuant to))~~ under this chapter ~~((: PROVIDED, That such bonds and other obligations shall be secured by an agreement between the issuer and the federal government in which the issuer agrees to borrow from the federal government and the federal government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which (together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of, and the interest on, such bonds or other obligations at their maturity))~~. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

NEW SECTION. Sec. 13. A new section is added to chapter 35.81 RCW to read as follows:

(1) A community renewal agency may establish local improvement districts within the community renewal area, and levy special assessments, in annual installments extending over a period not exceeding twenty years on all property specially benefited by the local improvement, on the basis of special benefits, to pay in whole or in part the damages or costs of the local improvement, and issue local improvement bonds to be paid from local improvement assessments. The formation of the local improvement districts, the determination, levy, and collection of such assessments, and the issuance of such bonds shall be as provided for the formation of local improvement districts, the determination, levy, and collection of local improvement assessments, and the issuance of local improvement bonds by cities and towns, insofar as consistent with this chapter. These bonds may be in any form, including bearer bonds or registered bonds as provided in RCW 39.46.030.

(2) Notwithstanding subsection (1) of this section, the bonds authorized under subsection (1) of this section may be issued and sold in accordance with chapter 39.46 RCW.

NEW SECTION. Sec. 14. A new section is added to chapter 35.81 RCW to read as follows:

Any notice given to the public or to the owners of specific lots, tracts, or parcels of land relating to the formation of a local improvement district created under section 13 of this act shall contain a statement that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased benefit the improvement adds to the property.

Sec. 15. RCW 35.81.120 and 1965 c 7 s 35.81.120 are each amended to read as follows:

(1) All property of a municipality, including funds, owned or held by it for the purposes of this chapter, shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall judgment against a municipality be a charge or lien upon such property: PROVIDED, That the provisions of this section shall not apply to, or limit the right of, obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this chapter by a municipality on its rents, fees, grants, or revenues from ~~((urban))~~ community renewal projects.

(2) The property of a municipality, acquired or held for the purposes of this chapter, is declared to be public property used for essential public and governmental purposes and such property shall be exempt from all taxes of the municipality, the county, the state, or any political subdivision thereof: PROVIDED, That such tax exemption shall terminate when the municipality sells, leases, or otherwise disposes of such property in ~~((an-urban))~~ a community renewal area to a purchaser or lessee ~~((which))~~ that is not a public body or other organization normally entitled to tax exemption with respect to such property.

Sec. 16. RCW 35.81.130 and 1965 c 7 s 35.81.130 are each amended to read as follows:

~~((4))~~ For the purpose of aiding in the planning, undertaking, or carrying out of ~~((an-urban))~~ a community renewal project located within the area in which it is authorized to act, any public body authorized by law or by this chapter, may, upon such terms, with or without consideration, as it may determine: ~~((a))~~ (1) Dedicate, sell, convey, or lease any of its interest in any property, or grant easements, licenses, or other rights or privileges therein to a municipality or other public body; ~~((b))~~ (2) incur the entire expense of any public improvements made by ~~((such))~~ a public body, in exercising the powers granted in this section; ~~((c))~~ (3) do any and all things necessary to aid or cooperate in the planning or carrying out of ~~((an-urban))~~ a community renewal plan; ~~((d))~~ (4) lend, grant, or contribute funds, including without limitation any funds derived from bonds issued or other borrowings authorized in this chapter, to a municipality or other public body and, subject only to any applicable constitutional limits, to any other person; ~~((e))~~ (5) enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary) with a municipality or other public body respecting action to be taken pursuant to any of the powers granted by this chapter, including the furnishing of funds or other assistance in connection with ~~((an-urban))~~ a community renewal project~~((and (f)))~~; (6) cause public building and public facilities, including parks, playgrounds, recreational, community, educational, water, sewer, or drainage facilities, or any other works ~~((which))~~ that it is otherwise empowered to undertake to be furnished; furnish, dedicate, close,

Sec. 17. RCW 35.81.150 and 1965 c 7 s 35.81.150 are each amended to read as follows:

(1) A municipality may itself exercise its ((urban)) community renewal project powers ~~((as herein defined))~~ or may, if the local governing body by ordinance or resolution determines such action to be in the public interest, elect to have such powers exercised by the ((urban)) community renewal agency ~~((created by RCW 35.81.160))~~ or a department or other officers of the municipality or by any ~~((existing))~~ other public body ~~((corporate, as they are authorized to exercise under this chapter))~~.

governmental entity or nonprofit organization exercises legal control of the ownership entity and in addition, (i) the dwelling units or mobile home lots required to be made available to persons of low income are rented to persons whose incomes do not exceed sixty percent of the area median income, adjusted for household size, and (ii) the development is subject to an agreement that transfers ownership to the governmental entity or nonprofit organization or extends an irrevocable right of first refusal to purchase the development under a formula for setting the acquisition price that is specified in the agreement.

(c) Commercial space in any building financed under this subsection that exceeds four stories in height shall not constitute more than twenty percent of the interior area of the building. Before financing any development under this subsection the authority shall make a written finding that financing is important for project feasibility or necessary to enable the authority to carry out its powers and purposes under this chapter.

SENATE AMENDMENTS TO HOUSE BILL

March 8, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2453, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The protection from identity theft for veterans who choose to file their discharge papers with the county auditor is a matter of gravest concern. At the same time, the integrity of the public record of each county is a matter of utmost importance to the economic life of this state and to the right of each citizen to be secure in his or her ownership of real property and other rights and obligations of our citizens that rely upon the public record for their proof. Likewise the integrity of the public record is essential for the establishment of ancestral ties that may be of interest to this and future generations. While the public record as now kept by the county auditors is sufficient by itself for the accomplishment of these and many other public and private purposes, the proposed use of the public record for purposes that in their nature and intent are not public, so as to keep the veterans' discharge papers from disclosure to those of ill intent, causes concern among many segments of the population of this state.

In order to voice these concerns effectively and thoroughly, a working group may be convened by the joint committee on veterans' and military affairs to develop a means to preserve the integrity of the public record while protecting those veterans from identity theft.

Sec. 2. RCW 42.17.310 and 2001 c 278 s 1, 2001 c 98 s 2, and 2001 c 70 s 1 are each reenacted and amended to read as follows:

(d) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property. However, all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(h) Valuable formulae, designs, drawings, computer source code or object code, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

Elections for taxes shall be held in the year in which the

levy is made, or in the case of propositions authorizing two-year through four-year levies for maintenance and operation support of a fire district, or authorizing two-year through six-year levies to support the construction, modernization, or remodeling of fire district facilities, in the year in which the first annual levy is made. Once additional tax levies have been authorized for maintenance and operation support of a fire protection district for a two-year through four-year period, no further additional tax levies for maintenance and operation support of the district for that period may be authorized.

A special election may be called and the time fixed by the fire protection district commissioners, by giving notice by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing the excess levy shall be submitted in a form as to enable the voters favoring the proposition to vote "yes" and those opposed to vote "no."

Sec. 3. RCW 52.16.130 and 1989 c 63 s 27 are each amended to read as follows:

To carry out the purposes for which fire protection districts are created, the board of fire commissioners of a district may levy each year, in addition to the levy or levies provided in RCW 52.16.080 for the payment of the principal and interest of any outstanding general obligation bonds, an ad valorem tax on all taxable property located in the district not to exceed fifty cents per thousand dollars of assessed value: PROVIDED, That in no case may the total general levy for all purposes, except the levy for the retirement of general obligation bonds, exceed one dollar per thousand dollars of assessed value. Levies in excess of one dollar per thousand dollars of assessed value or in excess of the aggregate dollar rate limitations or both may be made for any district purpose when so authorized at a special election under ~~((RCW 84.52.052))~~ section 2 of this act. Any such tax when levied shall be certified to the proper county officials for the collection of the tax as for other general taxes. The taxes when collected shall be placed in the appropriate district fund or funds as provided by law, and shall be paid out on warrants of the auditor of the county in which all, or the largest portion of, the district is located, upon authorization of the board of fire commissioners of the district.

NEW SECTION. **Sec. 4.** This act takes effect January 1, 2003, if the proposed amendment to Article VII, section 2 of the state Constitution authorizing multiyear excess property tax levies is validly submitted to and approved by the voters at the next general election. If the proposed amendment is not approved, this act is void in its entirety."

On page 1, line 1 of the title, after "taxes;" strike the remainder of the title and insert "amending RCW 84.52.052 and 52.16.130; adding a new section to chapter 84.52 RCW; and providing a contingent effective date."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2641, with the following amendment:
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the application of the business and occupation tax deductions provided in RCW 82.04.4281 for investment income of persons deemed to be "other financial businesses" has been the subject of uncertainty, and therefore, disagreement and litigation between taxpayers and the state. The legislature further finds that the decision of the state supreme court in *Simpson Investment Co. v. Department of Revenue* could lead to a restrictive, narrow interpretation of the deductibility of investment income for business and occupation tax purposes. As a result, the legislature directed the department of revenue to work with affected businesses to develop a revision of the statute that would provide certainty and stability for taxpayers and the state. The legislature intends, by adopting this recommended revision of the statute, to provide a positive environment for capital investment in this state, while continuing to treat similarly situated taxpayers fairly.

Sec. 2. RCW 82.04.4281 and 1980 c 37 s 2 are each amended to read as follows:

(1) In computing tax there may be deducted from the measure of tax:

(a) Amounts derived ((by persons, other than those engaging in banking, loan, security, or other financial businesses,)) from investments ((or the use of money as such, and also));

(b) Amounts derived as dividends or distributions from capital account by a parent from its subsidiary ((corporations)) entities; and

(c) Amounts derived from interest on loans between subsidiary entities and a parent entity or between subsidiaries of a common parent entity, but only if the total investment and loan income is less than five percent of gross receipts of the business annually.

(2) The following are not deductible under subsection (1)(a) of this section:

(a) Amounts received from loans, except as provided in subsection (1)(c) of this section, or the extension of credit to another, revolving credit arrangements, installment sales, the acceptance of payment over time for goods or services, or any of the foregoing that have been transferred by the originator of the same to an affiliate of the transferor; or

(b) Amounts received by a banking, lending, or security business.

(3) The definitions in this subsection apply only to this section.

(a) "Banking business" means a person engaging in business as a national or state-chartered bank, a mutual savings bank, a savings and loan association, a trust company, an alien bank, a foreign bank, a credit union, a stock savings bank, or a similar entity that is chartered under Title 30, 31, 32, or 33 RCW, or organized under Title 12 U.S.C.

(b) "Lending business" means a person engaged in the business of making secured or unsecured loans of money, or extending credit, and (i) more than one-half of the person's gross income is earned from such activities and (ii) more than one-half of the person's total expenditures are incurred in support of such activities.

(c) The terms "loan" and "extension of credit" do not include ownership of or trading in publicly traded debt instruments, or substantially equivalent instruments offered in a private placement.

(d) "Security business" means a person, other than an issuer, who is engaged in the business of effecting transactions in securities as a broker, dealer, or broker-dealer, as those terms are defined in the securities act of Washington, chapter 21.20 RCW, or the federal securities act of 1933. "Security business" does not include any company excluded from the definition of broker or dealer under the federal investment company act of 1940 or any entity that is not an investment company by reason of sections 3(c)(1) and 3(c)(3) through 3(c)(14) thereof.

NEW SECTION. Sec. 3. This act takes effect July 1, 2002."

On page 1, line 3 of the title, after "tax;" strike the remainder of the title and insert "amending RCW 82.04.4281; creating a new section; and providing an effective date."

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2663, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Benzene is detected in most fire environments and has been associated with leukemia and multiple myeloma. Given the established exposure to benzene in a fire environment, there is biologic plausibility for fire fighters to be at increased risk of these malignancies;

(b) Increased risks of leukemia and lymphoma have been described in several epidemiologic studies of fire fighters. The risks of leukemia are often two or three times that of the population as a whole, and a two-fold risk of non-Hodgkin's lymphoma has also been found;

(c) Epidemiologic studies assessing fire fighters' cancer risks concluded that there is adequate support for a causal relationship between fire fighting and brain cancer;

(d) Fire fighters are exposed to polycyclic aromatic hydrocarbons as products of combustion and these chemicals have been associated with bladder cancer. The epidemiologic data suggests fire fighters have a three-fold risk of bladder cancer compared to the population as a whole;

(e) A 1990 review of fire fighter epidemiology calculated a statistically significant risk for melanoma among fire fighters;

(f) Fire fighters are exposed to extremely hazardous environments. Potentially lethal products of combustion include particulates and gases and are the major source of fire fighter exposures to toxic chemicals; and

(g) The burning of a typical urban structure containing woods, paints, glues, plastics, and synthetic materials in furniture, carpeting, and insulation liberates hundreds of chemicals. Fire fighters are exposed to a wide variety of potential carcinogens, including polycyclic aromatic hydrocarbons in soots, tars, and diesel exhaust, arsenic in wood preservatives, formaldehyde in wood smoke, and asbestos in building insulation.

(2) The legislature further finds that some occupational diseases resulting from fire fighter working conditions can develop slowly, usually manifesting themselves years after exposure.

Sec. 2. RCW 51.32.185 and 1987 c 515 s 2 are each amended to read as follows:

(1) In the case of fire fighters as defined in RCW 41.26.030(4) (a), (b), and (c) who are covered under Title 51 RCW and fire fighters, including supervisors, employed on a full-time, fully compensated basis as a fire fighter of a private sector employer's fire department that includes over fifty such fire fighters, there shall exist a prima facie presumption that: (a) Respiratory disease ((is ~~an~~)); (b) heart problems that are experienced within seventy-two hours of exposure to smoke, fumes, or toxic substances; (c) cancer; and (d) infectious diseases are occupational diseases under RCW 51.08.140. This presumption of occupational disease may be rebutted by a preponderance of the evidence ((~~controverting the presumption~~)). ((~~Controverting~~)) Such evidence may include, but is not limited to, use of tobacco products, physical fitness and weight, lifestyle, hereditary factors, and exposure from other employment or nonemployment activities.

(2) The presumptions established in subsection (1) of this section shall be extended to an applicable member following termination of service for a period of three calendar months for each year of requisite service, but may not extend more than sixty months following the last date of employment.

(3) The presumption established in subsection (1)(c) of this section shall only apply to any active or former fire fighter who has cancer that develops or manifests itself after the fire fighter has served at least ten years and who was given a qualifying medical examination upon becoming a fire fighter that showed no evidence of cancer. The presumption within subsection (1)(c) of this section shall only apply to primary brain cancer, malignant melanoma, leukemia, non-Hodgkin's lymphoma, bladder cancer, ureter cancer, and kidney cancer.

(4) The presumption established in subsection (1)(d) of this section shall be extended to any fire fighter who has contracted any of the following infectious diseases: Human immunodeficiency virus/acquired immunodeficiency syndrome, all strains of hepatitis, meningococcal meningitis, or mycobacterium tuberculosis.

(5) Beginning July 1, 2003, this section does not apply to a fire fighter who develops a heart or lung condition and who is a regular user of tobacco products or who has a history of tobacco use. The department, using existing medical research, shall define in rule the extent of tobacco use that shall exclude a fire fighter from the provisions of this section."

On page 1, line 1 of the title, after "fighters;" strike the remainder of the title and insert "amending RCW 51.32.185; and creating a new section."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 5, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2699, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Strategic lawsuits against public participation, or SLAPP suits, involve communications made to influence a government action or outcome which results in a civil complaint or counterclaim filed against individuals or organizations on a substantive issue of some public interest or social significance. SLAPP suits are designed to intimidate the exercise of First Amendment rights and rights under Article I, section 5 of the Washington state Constitution.

Although Washington state adopted the first modern anti-SLAPP law in 1989, that law has, in practice, failed to set forth clear rules for early dismissal review. Since that time, the United States supreme court has made it clear that, as long as the petitioning is aimed at procuring favorable government action, result, product, or outcome, it is protected and the case should be dismissed. This bill amends Washington law to bring it in line with these court decisions which recognizes that the United States Constitution protects advocacy to government, regardless of content or motive, so long as it is designed to have some effect on government decision making.

Sec. 2. RCW 4.24.510 and 1999 c 54 s 1 are each amended to read as follows:

A person who (~~in good faith~~) communicates a complaint or information to any branch or agency of federal, state, or local government, or to any self-regulatory organization that regulates persons involved in the securities or futures business and that has been delegated authority by a federal, state, or local government agency and is subject to oversight by the delegating agency, is immune from civil liability for claims based upon the communication to the agency or organization regarding any matter reasonably of concern to that agency or organization. A person prevailing upon the defense provided for in this section (~~shall be~~) is entitled to recover (~~costs~~) expenses and reasonable attorneys' fees incurred in establishing the defense and in addition shall receive statutory damages of ten thousand dollars. Statutory damages may be denied if the court finds that the complaint or information was communicated in bad faith."

On page 1, line 2 of the title, after "organizations;" strike the remainder of the title and insert "amending RCW 4.24.510; and creating a new section."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2736, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** It is the policy of the state to encourage basic and applied scientific research by the state's research universities. The creation of knowledge is a core mission of the state's research universities, and research provides teaching and learning opportunities for students and faculty. State of the art facilities for research by research universities serve to attract the most capable students and faculty to the state and research grants from public and private institutions throughout the world. The application of such research stimulates investment and employment within Washington and the strengthening of our tax base. In order to finance research facilities, the state's research universities often use federal, state, private, and university resources and therefore require the authority to enter into financing arrangements that leverage funding sources and reduce the costs of such complex facilities to the state.

NEW SECTION. **Sec. 2.** The University of Washington and Washington State University each may:

(1) Acquire, construct, rehabilitate, equip, and operate facilities and equipment to promote basic and applied research in the sciences;

(2) Borrow money for such research purposes, including interest during construction and other incidental costs, issue revenue bonds or other evidences of indebtedness, refinance the same before or

at maturity, and provide for the amortization of such indebtedness by pledging all or a component of the fees and revenues of the university available for such purpose derived from the ownership and operation of any of its facilities or conducting research that are not subject to appropriation by the legislature and that do not constitute general state revenues as defined in Article VIII, section 1 of the state Constitution;

(3) Enter into leases, with or without an option to purchase, of real and personal property to be used in basic and applied research in the sciences; and

(4) Lease all or a portion of such facilities and equipment as is deemed prudent by the university to provide for research conducted by persons or entities that are not part of the university but that provide rental income to support university research facilities or provide opportunities for the interaction of public and private research and research personnel, including students and faculty.

NEW SECTION. Sec. 3. The governing body of a university financing facilities and equipment under this chapter shall give due regard to the costs of maintaining and operating such facilities and equipment during the useful lives of the facilities and equipment. No state appropriated funds may be used for (1) the payment of maintenance and operation of the facilities and equipment financed under this chapter; or (2) the grant or contract-supported research activities housed in these facilities. If funding through grants or contracts for research activities housed in these facilities is reduced, eliminated, or declared insufficient, the funding deficiencies are not a state obligation to be paid from the state general fund.

NEW SECTION. Sec. 4. The authority granted by this chapter is supplemental to any existing or future authority granted to the University of Washington and Washington State University and shall not be construed to limit the existing or future authority of these universities.

Sec. 5. RCW 28B.10.022 and 1989 c 356 s 6 are each amended to read as follows:

The boards of regents of the state universities and the boards of trustees of the regional universities, The Evergreen State College, and the state board for community and technical colleges (~~(education)~~), are severally authorized to enter into financing contracts as provided in chapter 39.94 RCW. Except as provided in this section, financing contracts shall be subject to the approval of the state finance committee. Except for facilities financed under chapter 28B.--- RCW (sections 1 through 4 and 7 of this act), the board of regents of a state university may enter into financing contracts which are payable solely from and secured by all or any component of the fees and revenues of the university derived from its ownership and operation of its facilities not subject to appropriation by the legislature and not constituting "general state revenues," as defined in Article VIII, section 1 of the state Constitution, without the prior approval of the state finance committee. The board of regents shall notify the state finance committee at least sixty days prior to entering into such contract and provide information relating to such contract as requested by the state finance committee.

Sec. 6. RCW 39.94.040 and 1998 c 291 s 5 are each amended to read as follows:

(1) Except as provided in RCW 28B.10.022 and chapter 28B.--- RCW (sections 1 through 4 and 7 of this act), the state may not enter into any financing contract for itself if the aggregate principal amount payable thereunder is greater than an amount to be established from time to time by the state finance committee or participate in a program providing for the issuance of certificates of participation, including any contract for credit enhancement, without the prior approval of the state finance committee. Except as provided in RCW 28B.10.022, the state finance committee shall approve the form of all financing contracts or a standard format for all financing contracts. The state finance committee also may:

(a) Consolidate existing or potential financing contracts into master financing contracts with respect to property acquired by one or more agencies, departments, instrumentalities of the state, the state board for community and technical colleges, or a state institution of higher learning; or to be acquired by an other agency;

(b) Approve programs providing for the issuance of certificates of participation in master financing contracts for the state or for other agencies;

(c) Enter into agreements with trustees relating to master financing contracts; and

(d) Make appropriate rules for the performance of its duties under this chapter.

(2) In the performance of its duties under this chapter, the state finance committee may consult with representatives from the department of general administration, the office of financial management, and the department of information services.

(3) With the approval of the state finance committee, the state also may enter into agreements with trustees relating to financing contracts and the issuance of certificates of participation.

(4) The state may not enter into any financing contract for real property of the state without prior approval of the legislature.

(5) The state may not enter into any financing contract on behalf of an other agency without the approval of such a financing contract by the governing body of the other agency.

NEW SECTION. **Sec. 7.** Before January 31st of each year, the University of Washington and Washington State University must report to the ways and means committee of the senate and the capital budget committee of the house of representatives on the financing arrangements entered into under the authority of this chapter.

NEW SECTION. **Sec. 8.** Sections 1 through 4 and 7 of this act constitute a new chapter in Title 28B RCW."

On page 1, line 1 of the title, after "universities;" strike the remainder of the title and insert "amending RCW 28B.10.022 and 39.94.040; and adding a new chapter to Title 28B RCW."

Regarding unemployment insurance.

The bill was read the second time.

Representative Conway moved the adoption of amendment (507):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 50.22.140 and 2000 2nd sp.s. c 1 s 916 are each amended to read as follows:

(1) The employment security department is authorized to pay training benefits under RCW 50.22.150, but may not obligate expenditures beyond the limits specified in this section or as otherwise set by the legislature. For the fiscal year ending June 30, 2000, the commissioner may not obligate more than twenty million dollars for training benefits. For the two fiscal years ending June 30, 2002, the commissioner may not obligate more than sixty million dollars for training benefits. Any funds not obligated in one fiscal year may be carried forward to the next fiscal year. For each fiscal year beginning after June 30, 2002, the commissioner may not obligate more than twenty million dollars annually in addition to any funds carried ~~((over))~~ forward from previous fiscal years. The department shall develop a process to ensure that expenditures do not exceed available funds and to prioritize access to funds when again available.

(2) After June 30, 2002, in addition to the amounts that may be obligated under subsection (1) of this section, the commissioner may obligate up to thirty-four million dollars for training benefits under RCW 50.22.150 for individuals in the aerospace industry assigned the standard industrial classification code "372" or the North American industry classification system code "336411" whose claims are filed before January 5, 2003. The funds provided in this subsection must be fully obligated for training benefits for these individuals before the funds provided in subsection (1) of this section may be obligated for training benefits for these individuals. Any amount of the funds specified in this subsection that is not obligated as permitted may not be carried forward to any future period.

Sec. 2. RCW 50.22.150 and 2000 c 2 s 8 are each amended to read as follows:

(1) Subject to availability of funds, training benefits are available for an individual who is eligible for or has exhausted entitlement to unemployment compensation benefits and who:

(a) Is a dislocated worker as defined in RCW 50.04.075;

(b) Except as provided under subsection (2) of this section, has demonstrated, through a work history, sufficient tenure in an occupation or in work with a particular skill set. This screening will take place during the assessment process;

(c) Is, after assessment of demand for the individual's occupation or skills in the individual's labor market, determined to need job-related training to find suitable employment in his or her labor market. Beginning July 1, 2001, the assessment of demand for the individual's occupation or skill sets must be substantially based on declining occupation or skill sets identified in local labor market areas by the local work force development councils, in cooperation with the employment security department and its labor market information division, under subsection ~~((9))~~ (10) of this section;

(d) Develops an individual training program that is submitted to the commissioner for approval within sixty days after the individual is notified by the employment security department of the requirements of this section;

(e) Enters the approved training program by ninety days after the date of the notification, unless the employment security department determines that the training is not available during the ninety-day period, in which case the individual enters training as soon as it is available; and

(f) Is enrolled in training approved under this section on a full-time basis as determined by the educational institution, and is making satisfactory progress in the training as certified by the educational institution.

(2) Until June 30, 2002, the following individuals who meet the requirements of subsection (1) of this section may, without regard to the tenure requirements under subsection (1)(b) of this section, receive training benefits as provided in this section:

(a) An exhaustee who has base year employment in the aerospace industry assigned the standard industrial classification code "372" or the North American industry classification system code "336411";

(b) An exhaustee who has base year employment in the forest products industry, determined by the department, but including the industries assigned the major group standard industrial classification codes "24" and "26" or any equivalent codes in the North American industry classification system code, and the industries involved in the harvesting and management of logs, transportation of logs and wood products, processing of wood products, and the manufacturing and distribution of wood processing and logging equipment; or

(c) An exhaustee who has base year employment in the fishing industry assigned the standard industrial classification code "0912" or any equivalent codes in the North American industry classification system code.

(3) An individual is not eligible for training benefits under this section if he or she:

(a) Is a standby claimant who expects recall to his or her regular employer;

(b) Has a definite recall date that is within six months of the date he or she is laid off; or

(c) Is unemployed due to a regular seasonal layoff which demonstrates a pattern of unemployment consistent with the provisions of RCW 50.20.015. Regular seasonal layoff does not include layoff due to permanent structural downsizing or structural changes in the individual's labor market.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Educational institution" means an institution of higher education as defined in RCW 28B.10.016 or an educational institution as defined in RCW 28C.04.410, including equivalent educational institutions in other states.

(i) An education program determined to be necessary as a prerequisite to vocational training after counseling at the educational institution in which the individual enrolls under his or her approved training program; or

(ii) A vocational training program at an educational institution:

(A) That is targeted to training for a high demand occupation. Beginning July 1, 2001, the assessment of high demand occupations authorized for training under this section must be substantially based on labor market and employment information developed by local work force development councils, in cooperation with the employment security department and its labor market information division, under subsection ~~((9))~~ (10) of this section;

(B) That is likely to enhance the individual's marketable skills and earning power; and

(C) That meets the criteria for performance developed by the work force training and education coordinating board for the purpose of determining those training programs eligible for funding under Title I of P.L. 105-220.

"Training program" does not include any course of education primarily intended to meet the requirements of a baccalaureate or higher degree, unless the training meets specific requirements for certification, licensing, or for specific skills necessary for the occupation.

(5) Benefits shall be paid as follows:

(a)(i) Except as provided in (a)(iii) of this subsection, for exhaustees who are eligible under subsection (1) of this section, the total training benefit amount shall be fifty-two times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year; or

(ii) For exhaustees who are eligible under subsection (2) of this section, for claims filed before June 30, 2002, the total training benefit amount shall be seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year. ~~((Beginning with new claims filed after June 30, 2002, for exhaustees eligible under subsection (2) of this section, the total training benefit amount shall be fifty-two times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year)); or~~

(iii) For exhaustees eligible under subsection (1) of this section from industries listed under subsection (2)(a) of this section, for claims filed on or after June 30, 2002, but before January 5, 2003, the total training benefit amount shall be seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year.

(b) The weekly benefit amount shall be the same as the regular weekly amount payable during the applicable benefit year and shall be paid under the same terms and conditions as regular benefits. The training benefits shall be paid before any extended benefits but not before any similar federally funded program.

(c) Training benefits are not payable for weeks more than two years beyond the end of the benefit year of the regular claim.

(6) The requirement under RCW 50.22.010(10) relating to exhausting regular benefits does not apply to an individual otherwise eligible for training benefits under this section when the individual's benefit year ends before his or her training benefits are exhausted and the individual is eligible for a new benefit year. These individuals will have the option of remaining on the original claim or filing a new claim.

(7)(a) Except as provided in (b) of this subsection, individuals who receive training benefits under this section or under any previous additional benefits program for training are not eligible for training benefits under this section for five years from the last receipt of training benefits under this section or under any previous additional benefits program for training.

(b) With respect to claims that are filed before January 5, 2003, an individual in the aerospace industry assigned the standard industrial code "372" or the North American industry classification system code "336411" who received training benefits under this section, and who had been making satisfactory progress in a training program but did not complete the program, is eligible, without regard to the five-year limitation of this section and without regard to the requirement of subsection (1)(b) of this section, if applicable, to receive training benefits under this section in order to complete that training program. The total training benefit amount that applies to the individual is seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits paid, or deemed paid, with respect to the benefit year in which the training program resumed and, if applicable, reduced by the amount of training benefits paid, or deemed paid, with respect to the benefit year in which the training program commenced.

(8) An individual eligible to receive a trade readjustment allowance under chapter 2 of Title II of the Trade Act of 1974, as amended, shall not be eligible to receive benefits under this section for each week the individual receives such trade readjustment allowance. An individual eligible to receive emergency unemployment compensation, so called, under any federal law, shall not be eligible to receive benefits under this section for each week the individual receives such compensation.

(9) All base year employers are interested parties to the approval of training and the granting of training benefits.

~~((9))~~ (10) By July 1, 2001, each local work force development council, in cooperation with the employment security department and its labor market information division, must identify occupations and skill sets that are declining and occupations and skill sets that are in high demand. For the purposes of RCW 50.22.130 through 50.22.150 and section 9, chapter 2, Laws of 2000, "high demand" means demand for employment that exceeds the supply of qualified workers for occupations or skill sets in a labor market area. Local work force development councils must use state and locally developed labor market information. Thereafter, each local work force development council shall update this information annually or more frequently if needed.

~~((10))~~ (11) The commissioner shall adopt rules as necessary to implement this section.

NEW SECTION. Sec. 3. A new section is added to chapter 50.20 RCW to read as follows:

(1) From July 1, 2002, to June 30, 2004, the maximum amount payable weekly shall be four hundred ninety-six dollars.

(2) From July 1, 2004, to June 30, 2010, the maximum amount payable weekly shall be seventy percent of the "average weekly wage" for the calendar year preceding such June 30th, except that the maximum amount payable weekly shall not increase by more than four percent each year. If growth in the average annual wage causes growth in the maximum amount payable weekly that exceeds four percent, then fifty percent of the growth rate that exceeds four percent shall be added to the maximum amount payable weekly in any of the subsequent three years. For years in which the potential recaptured growth rate exceeds the growth rate needed to reach four percent, the excess recaptured growth rate is available to be added to the maximum amount payable weekly in the remaining years in the three-year period. Each year, the department shall add any excess recaptured growth rate to the maximum amount payable weekly. Remaining portions of the excess additional growth rate not applied within the three-year period shall lapse. The sum of the growth rate and the excess additional growth rate shall not exceed four percent.

(3) If the maximum amount payable weekly is less than seventy percent of the average weekly wage on June 30, 2010, it shall be restored to seventy percent of the average weekly wage using one of the following methods. The maximum amount payable weekly may be restored: (a) In equal increments in the four fiscal years ending on June 30, 2014; or (b) in increments which, together with the growth rate in the maximum amount payable weekly, do not exceed nine percent in each fiscal year. The applicable method is the method that restores the maximum amount payable weekly to seventy percent of the average weekly wage first.

Sec. 4. RCW 50.20.120 and 1993 c 483 s 12 are each amended to read as follows:

(1) Subject to the other provisions of this title, benefits shall be payable to any eligible individual during the individual's benefit year in a maximum amount equal to the lesser of thirty times the weekly benefit amount (determined hereinafter) or one-third of the individual's base year wages under this title: PROVIDED, That as to any week beginning on and after March 31, 1981, which falls in an extended benefit period as defined in RCW 50.22.010(1), as now or hereafter amended, an individual's eligibility for maximum benefits in excess of twenty-six times his or her weekly benefit amount will be subject to the terms and conditions set forth in RCW 50.22.020, as now or hereafter amended.

(2) An individual's weekly benefit amount shall be an amount equal to one twenty-fifth of the average quarterly wages of the individual's total wages during the two quarters of the individual's base year in which such total wages were highest. The maximum and minimum amounts payable weekly shall be determined as of each June 30th to apply to benefit years beginning in the twelve-month period immediately following such June 30th. Except as provided in section 3 of this act, the maximum amount payable weekly shall be seventy percent of the "average weekly wage" for the calendar year preceding such June 30th. The minimum amount payable weekly shall be fifteen percent of the "average weekly wage" for the calendar year preceding such June 30th. If any weekly benefit, maximum benefit, or minimum benefit amount computed herein is not a multiple of one dollar, it shall be reduced to the next lower multiple of one dollar.

Sec. 5. RCW 50.24.010 and 2000 c 2 s 2 are each amended to read as follows:

(1) Contributions shall accrue and become payable by each employer (except employers as described in RCW 50.44.010 who have properly elected to make payments in lieu of contributions and those employers who are required to make payments in lieu of contributions) for each calendar year in which the employer is subject to this title at the rate established pursuant to chapter 50.29 RCW.

(2) In each rate year, the amount of wages subject to tax for each individual shall be one hundred fifteen percent of the amount of wages subject to tax for the previous year rounded to the next lower one hundred dollars, except that:

(a) For employers assigned under RCW 50.29.025 to rate class 1 through 18, the amount of wages subject to tax in any rate year shall not exceed eighty percent of the "average annual wage for contributions purposes" for the second preceding calendar year rounded to the next lower one hundred

dollars. (~~However, the amount subject to tax shall be twenty four thousand three hundred dollars for rate year 2000.-~~)

(b) For employers assigned under RCW 50.29.025 to rate class 19 through 20E, and contribution paying employers not qualified to be in the array under RCW 50.29.025(6), the amount of wages subject to tax:

(i) For rate year 2003, shall not exceed eighty-five percent of the "average annual wage for contributions purposes" for the second preceding calendar year rounded to the next lower one hundred dollars.

(ii) For rate year 2004 and thereafter, shall not exceed ninety percent of the "average annual wage for contributions purposes" for the second preceding calendar year rounded to the next lower one hundred dollars.

(3) In making computations under this section and RCW 50.29.010, wages paid based on services for employers making payments in lieu of contributions shall not be considered remuneration. Moneys paid from the fund, based on services performed for employers who make payments in lieu of contributions, which have not been reimbursed to the fund as of any June 30 shall be deemed an asset of the unemployment compensation fund, to the extent that such moneys exceed the amount of payments in lieu of contributions which the commissioner has previously determined to be uncollectible: PROVIDED, FURTHER, That the amount attributable to employment with the state shall also include interest as provided for in RCW 50.44.020.

(4)(a) Contributions shall become due and be paid by each employer to the treasurer for the unemployment compensation fund in accordance with such regulations as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in employment of the employer. Any deduction in violation of the provisions of this section shall be unlawful.

(b) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

Sec. 6. RCW 50.29.020 and 2000 c 2 s 3 are each amended to read as follows:

(1) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department. Benefits paid to any eligible individuals shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individuals later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) In the case of individuals identified under RCW 50.20.015, benefits paid with respect to a calendar quarter, which exceed the total amount of wages earned in the state of Washington in the higher of two corresponding calendar quarters included within the individual's determination period, as defined in RCW 50.20.015, shall not be charged to the experience rating account of any contribution paying employer.

~~((f) Benefits paid under RCW 50.22.150 shall not be charged to the experience rating account of any contribution paying employer.))~~

(3)(a) A contribution-paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, work site, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster; or

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.60 RCW.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

Sec. 7. RCW 50.29.025 and 2000 c 2 s 4 are each amended to read as follows:

The contribution rate for each employer subject to contributions under RCW 50.24.010 shall be determined under this section.

(1) A fund balance ratio shall be determined by dividing the balance in the unemployment compensation fund as of the September 30th immediately preceding the rate year by the total remuneration paid by all employers subject to contributions during the second calendar year preceding the rate year and reported to the department by the following March 31st. The division shall be carried to the fourth decimal place with the remaining fraction, if any, disregarded. The fund balance ratio shall be expressed as a percentage.

(2) The interval of the fund balance ratio, expressed as a percentage, shall determine which tax schedule in subsection (5) of this section shall be in effect for assigning tax rates for the rate year, except that during rate year 2004 tax schedule C shall be in effect unless a lower tax schedule is determined to be in effect by the interval of the fund balance ratio. The intervals for determining the effective tax schedule shall be:

(i) Employers with a benefit ratio of less than 0.054000 shall be assigned to rate class 20A;

(6) Except as provided in sections 9 and 10 of this act, the contribution rate for each employer not qualified to be in the array shall be as follows:

(a) Employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due shall be assigned a contribution rate two-tenths higher than that in rate class 20E for the applicable rate year, except employers who have an approved agency-deferred payment contract by September 30 of the previous rate year. Assignment of employers by the commissioner to industrial classification, for purposes of this section, shall be in accordance with established classification practices found in the "Standard Industrial Classification Manual" issued by the federal office of management and budget to the third digit provided in the standard industrial classification code, or in the North American industry classification system code.

NEW SECTION. Sec. 9. A new section is added to chapter 50.29 RCW to read as follows:

For rate years 2003 and 2004, the contribution rate of each employer subject to contributions under RCW 50.24.010 shall include, in addition to the contribution rate under RCW 50.29.025, an insolvency surcharge of fifteen one-hundredths of one percent. However, the insolvency surcharge is not in effect:

(1) For rate year 2003, if, before January 1, 2003, federal Reed act moneys are transferred to the account of this state pursuant to section 903 of the social security act (42 U.S.C. Sec. 1103), as amended, in an amount equal to or greater than fifteen one-hundredths of one percent multiplied by the amount of total taxable payroll for fiscal year 2002.

(2) For rate year 2004, if the fund balance ratio under RCW 50.29.025 is equal to or greater than 1.40 on September 30, 2003.

NEW SECTION. Sec. 10. A new section is added to chapter 50.29 RCW to read as follows:

(1) Beginning with contributions assessed for rate year 2005, the contribution rate of each employer subject to contributions under RCW 50.24.010 shall include, in addition to the contribution rate under RCW 50.29.025, an equity surcharge as determined under this section if the employer's experience rating account has ineffective charges in at least three of the four completed fiscal years immediately preceding the computation date. The commissioner shall determine the equity surcharge rate for a rate year for each applicable employer as follows:

(a) If the employer's net ineffective charges are equal to or less than zero, no equity surcharge is applicable to the employer. If the employer's net ineffective charges are greater than zero, an equity surcharge is applicable to the employer.

(b) An employer's equity surcharge rate for a rate year is equal to the net ineffective charges divided by the employer's taxable payroll, expressed as a percentage.

(2) The equity surcharge may not exceed four-tenths of one percent, except that for any given rate year the maximum surcharge is six-tenths of one percent if the commissioner determines that the total ineffective charges in the completed fiscal year immediately preceding the computation date is greater than fifteen percent of the total benefits paid in that fiscal year.

(3) This section does not apply to an employer in rate class 20A through 20E whose assigned standard industrial classification code is within major group "09" or is "203," or the equivalent codes in the North American industry classification system code.

(4) For purposes of this section:

(a) "Ineffective charges" means the dollar amount charged in the previous four completed fiscal years to an employer's experience rating account attributable to unemployment benefits paid to claimants that exceed the contributions paid by the respective employer in those four fiscal years.

(b) "Net ineffective charges" means the sum of the employer's ineffective charges as defined in (a) of this subsection reduced by the employer's estimated contributions.

(c) "Estimated contributions" means the employer's taxable payroll multiplied by the employer's contribution rate assigned under RCW 50.29.025 for the next applicable rate year.

(d) "Taxable payroll" means the amount of wages subject to tax for the employer as determined under RCW 50.24.010 in the completed fiscal year immediately preceding the computation date.

Sec. 11. RCW 50.29.010 and 1987 c 213 s 2 are each amended to read as follows:

As used in this chapter:

(1) "Computation date" means July 1st of any year;

(2) "Cut-off date" means September 30th next following the computation date;

(3) "Qualification date" means April 1st of the ~~((third))~~ second year preceding the computation date;

(4) "Rate year" means the calendar year immediately following the computation date;

(5) "Payroll" means all wages (as defined for contribution purposes) paid by an employer to individuals in his or her employment;

(6) "Qualified employer" means any employer who ~~((1))~~ (a) reported some employment in the twelve-month period beginning with the qualification date, ~~((2))~~ (b) had no period of four or more consecutive calendar quarters for which he or she reported no employment in the two calendar years immediately preceding the computation date, and ~~((3))~~ (c) has submitted by the cut-off date all reports, contributions, interest, and penalties required under this title for the period preceding the computation date. Unpaid contributions, interest, and penalties may be disregarded for the purposes of this section if they constitute less than either one hundred dollars or one-half of one percent of the employer's total tax reported for the twelve-month period immediately preceding the computation date. Late reports, contributions, penalties, or interest from employment defined under RCW 50.04.160 may be disregarded for the purposes of this section if showing is made to the satisfaction of the commissioner that an otherwise qualified employer acted in good faith and that forfeiture of qualification for a reduced contribution rate because of such delinquency would be inequitable.

Sec. 12. RCW 50.29.062 and 1996 c 238 s 1 are each amended to read as follows:

Predecessor and successor employer contribution rates shall be computed in the following manner:

(1) If the successor is an employer, as defined in RCW 50.04.080, at the time of the transfer, its contribution rate shall remain unchanged for the remainder of the rate year in which the transfer occurs. From and after January 1 following the transfer, the successor's contribution rate for each rate year shall be based on its experience with payrolls and benefits including the experience of the acquired business or portion of a business from the date of transfer, as of the regular computation date for that rate year.

(2) If the successor is not an employer at the time of the transfer, it shall pay contributions at the lowest rate determined under either of the following:

(a)(i) For transfers before January 1, 1997, the contribution rate of the rate class assigned to the predecessor employer at the time of the transfer for the remainder of that rate year and continuing until the successor qualifies for a different rate in its own right;

(ii) For transfers on or after January 1, 1997, the contribution rate of the rate class assigned to the predecessor employer at the time of the transfer for the remainder of that rate year. Any experience relating to the assignment of that rate class attributable to the predecessor is transferred to the successor. Beginning with the January 1 following the transfer, the successor's contribution rate shall be based on the transferred experience of the acquired business and the successor's experience after the transfer; or

(b) The contribution rate equal to the average industry rate as determined by the commissioner, but not less than one percent, and continuing until the successor qualifies for a different rate in its own right. Assignment of employers by the commissioner to industrial classification, for purposes of this subsection, must be in accordance with established classification practices found in the "Standard Industrial Classification Manual" issued by the federal office of management and budget to the third digit provided in the standard industrial classification code, or in the North American industry classification code system.

(3) If the successor is not an employer at the time of the transfer and simultaneously acquires the business or a portion of the business of two or more employers in different rate classes, its rate from the date the transfer occurred until the end of that rate year and until it qualifies in its own right for a new rate, shall be the highest rate class applicable at the time of the acquisition to any predecessor employer who is a party to the acquisition, but not less than one percent.

(4) If the successor is not an employer at the time of the transfer, the taxable wage base applicable to the predecessor employer at the time of the transfer shall continue to apply to the successor employer for the remainder of the rate year in which the transfer occurs.

(5) The contribution rate on any payroll retained by a predecessor employer shall remain unchanged for the remainder of the rate year in which the transfer occurs.

~~((5))~~ (6) In all cases, from and after January 1 following the transfer, the predecessor's contribution rate for each rate year shall be based on its experience with payrolls and benefits as of the regular computation date for that rate year including the experience of the acquired business or portion of business up to the date of transfer: PROVIDED, That if all of the predecessor's business is transferred to a successor or successors, the predecessor shall not be a qualified employer until it satisfies the requirements of a "qualified employer" as set forth in RCW 50.29.010.

In addition to contributions at rates computed under this section, predecessor and successor employers are subject to contributions under rates computed as provided in sections 9 and 10 of this act.

Sec. 13. RCW 50.24.014 and 2000 c 2 s 15 are each amended to read as follows:

(1)(a) A separate and identifiable account to provide for the financing of special programs to assist the unemployed is established in the administrative contingency fund. Contributions to this account shall accrue and become payable by each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, at a basic rate of two one-hundredths of one percent. The amount of wages subject to tax shall be determined under RCW 50.24.010.

(b) A separate and identifiable account is established in the administrative contingency fund for financing the employment security department's administrative cost under RCW 50.22.150 ~~((and))~~, the costs under RCW 50.22.150(9), and the administrative cost under chapter . . . , Laws of 2002 (this act). Contributions to this account shall accrue and become payable by each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, those employers who are required to make payments in lieu of contributions, those employers described under RCW 50.29.025(6)(b), and those qualified employers assigned one of the rate classes 20A through 20E under RCW 50.29.025, at a basic rate of one one-hundredth of one percent. The amount of wages subject to tax shall be determined under RCW 50.24.010. ~~((Any amount of contributions payable under this subsection (1)(b) that exceeds the amount that would have been collected at a rate of four one-thousandths of one percent must be deposited in the unemployment compensation trust fund.))~~

(c) For the first calendar quarter of 1994 only, the basic two one-hundredths of one percent contribution payable under (a) of this subsection shall be increased by one-hundredth of one percent to a total rate of three one-hundredths of one percent. The proceeds of this incremental one-hundredth of one percent shall be used solely for the purposes described in section 22, chapter 483, Laws of 1993, and for the purposes of conducting an evaluation of the call center approach to unemployment insurance under section 5, chapter 161, Laws of 1998. During the 1997-1999 fiscal biennium, any surplus from contributions payable under this subsection (c) may be deposited in the unemployment compensation trust fund, used to support tax and wage automated systems projects that simplify and streamline employer reporting, or both.

(2)(a) Contributions under this section shall become due and be paid by each employer under rules as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in the employ of the employer. Any deduction in violation of this section is unlawful.

(b) In the payment of any contributions under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

(3) If the commissioner determines that federal funding has been increased to provide financing for the services specified in chapter 50.62 RCW, the commissioner shall direct that collection of contributions under this section be terminated on the following January 1st.

NEW SECTION. Sec. 14. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 16. (1) Section 3 of this act applies beginning with claims that have an effective date on or after July 7, 2002.

(2) Sections 5 and 7 of this act apply to rate years beginning on or after January 1, 2003.

(3) Section 6 of this act applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after July 7, 2002.

(4) Section 8 of this act applies to rate years beginning on or after January 1, 2005.

NEW SECTION. Sec. 17. (1) Sections 7 and 9 of this act expire January 1, 2005.

(2) Section 3 of this act expires July 1, 2014.

NEW SECTION. Sec. 18. (1) Section 3 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

(2) Section 8 of this act takes effect January 1, 2005."

"Sec. 5. RCW 50.20.170 and 1945 c 35 s 85 are each amended to read as follows:

(1)(a) Subject to (b) of this subsection, an individual who has received an initial determination finding that he or she is potentially entitled to receive waiting period credit or benefits shall, during the benefit year, be given waiting period credit or be paid benefits in accordance with such initial determination for any week with respect to which the conditions of eligibility for such credit or benefits, as prescribed by this title, are met, unless the individual is denied waiting period credit or benefits under the disqualification provisions of this title.

(b) An individual who has received an initial determination under (a) of this subsection must be notified in writing that he or she is entitled to a redetermination of the amount of benefits payable if he or she has taken unpaid family and medical leave totaling six or more weeks, whether taken consecutively or intermittently, during his or her base year and if the claim equals less than thirty times the weekly benefit amount. The notice must describe the method by which the claimant may request a redetermination under this subsection. If the notified claimant requests the redetermination, the department must reevaluate the claimant's base year as provided in RCW 50.04.020(2)(b).

(2) All benefits shall be paid through employment offices in accordance with such regulations as the commissioner may prescribe.

Sec. 6. RCW 50.04.020 and 1994 c 3 s 1 are each amended to read as follows:

(1) "Base year" with respect to each individual, shall mean ~~((either))~~ the first four of the last five completed calendar quarters ~~((or))~~, the last four completed calendar quarters immediately preceding the first day of the individual's benefit year, or, if applicable under subsection (2) of this section, an additional base year.

(2)(a) Except as provided in (b) of this subsection, for the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

(b) If a claimant requests a redetermination under RCW 50.20.170(1)(b), the department shall evaluate an additional base year, using the four quarters with the highest wages in the last six completed calendar quarters. The base year, for the purposes of establishing the claimant's benefit year, must be either the base year initially used under (a) of this subsection or the additional base year used under this subsection, whichever base year entitles the claimant to the higher maximum benefits under RCW 50.20.120(1). However, any benefit year established under this subsection may not use calendar quarters that were previously used to establish a prior benefit year.

(3) Computations using the last four completed calendar quarters shall be based on available wage items processed as of the close of business on the day preceding the date of application. The department shall promptly contact employers to request assistance in obtaining wage information for the last completed calendar quarter if it has not been reported at the time of initial application.

"Sec. 1. RCW 50.22.140 and 2000 2nd sp.s. c 1 s 916 are each amended to read as follows:

(1) The employment security department is authorized to pay training benefits under RCW 50.22.150, but may not obligate expenditures beyond the limits specified in this section or as otherwise set by the legislature. For the fiscal year ending June 30, 2000, the commissioner may not obligate more than twenty million dollars for training benefits. For the two fiscal years ending June 30, 2002, the commissioner may not obligate more than sixty million dollars for training benefits. Any funds not obligated in one fiscal year may be carried forward to the next fiscal year. For each fiscal year beginning after June 30, 2002, the commissioner may not obligate more than twenty million dollars annually in addition to any funds carried ~~((over))~~ forward from previous fiscal years. The department shall develop a process to ensure that expenditures do not exceed available funds and to prioritize access to funds when again available.

(2) After June 30, 2002, in addition to the amounts that may be obligated under subsection (1) of this section, the commissioner may obligate up to thirty-four million dollars for training benefits under RCW 50.22.150 for individuals in the aerospace industry assigned the standard industrial classification code "372" or the North American industry classification system code "336411" whose claims are filed before January 5, 2003. The funds provided in this subsection must be fully obligated for training benefits for these individuals before the funds provided in subsection (1) of this section may be obligated for training benefits for these individuals. Any amount of the funds specified in this subsection that is not obligated as permitted may not be carried forward to any future period.

Sec. 2. RCW 50.22.150 and 2000 c 2 s 8 are each amended to read as follows:

(1) Subject to availability of funds, training benefits are available for an individual who is eligible for or has exhausted entitlement to unemployment compensation benefits and who:

(a) Is a dislocated worker as defined in RCW 50.04.075;

(b) Except as provided under subsection (2) of this section, has demonstrated, through a work history, sufficient tenure in an occupation or in work with a particular skill set. This screening will take place during the assessment process;

(c) Is, after assessment of demand for the individual's occupation or skills in the individual's labor market, determined to need job-related training to find suitable employment in his or her labor market. Beginning July 1, 2001, the assessment of demand for the individual's occupation or skill sets must be substantially based on declining occupation or skill sets identified in local labor market areas by the local work force development councils, in cooperation with the employment security department and its labor market information division, under subsection ~~((9))~~ (10) of this section;

(d) Develops an individual training program that is submitted to the commissioner for approval within sixty days after the individual is notified by the employment security department of the requirements of this section;

(e) Enters the approved training program by ninety days after the date of the notification, unless the employment security department determines that the training is not available during the ninety-day period, in which case the individual enters training as soon as it is available; and

(f) Is enrolled in training approved under this section on a full-time basis as determined by the educational institution, and is making satisfactory progress in the training as certified by the educational institution.

(2) Until June 30, 2002, the following individuals who meet the requirements of subsection (1) of this section may, without regard to the tenure requirements under subsection (1)(b) of this section, receive training benefits as provided in this section:

(a) An exhaustee who has base year employment in the aerospace industry assigned the standard industrial classification code "372" or the North American industry classification system code "336411";

(b) An exhaustee who has base year employment in the forest products industry, determined by the department, but including the industries assigned the major group standard industrial classification codes "24" and "26" or any equivalent codes in the North American industry classification system code, and the industries involved in the harvesting and management of logs, transportation of logs and wood products, processing of wood products, and the manufacturing and distribution of wood processing and logging equipment; or

(c) An exhaustee who has base year employment in the fishing industry assigned the standard industrial classification code "0912" or any equivalent codes in the North American industry classification system code.

(3) An individual is not eligible for training benefits under this section if he or she:

(a) Is a standby claimant who expects recall to his or her regular employer;

(b) Has a definite recall date that is within six months of the date he or she is laid off; or

(c) Is unemployed due to a regular seasonal layoff which demonstrates a pattern of unemployment consistent with the provisions of RCW 50.20.015. Regular seasonal layoff does not include layoff due to permanent structural downsizing or structural changes in the individual's labor market.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Educational institution" means an institution of higher education as defined in RCW 28B.10.016 or an educational institution as defined in RCW 28C.04.410, including equivalent educational institutions in other states.

(b) "Sufficient tenure" means earning a plurality of wages in a particular occupation or using a particular skill set during the base year and at least two of the four twelve-month periods immediately preceding the base year.

(c) "Training benefits" means additional benefits paid under this section.

(d) "Training program" means:

(i) An education program determined to be necessary as a prerequisite to vocational training after counseling at the educational institution in which the individual enrolls under his or her approved training program; or

(ii) A vocational training program at an educational institution:

(A) That is targeted to training for a high demand occupation. Beginning July 1, 2001, the assessment of high demand occupations authorized for training under this section must be substantially based on labor market and employment information developed by local work force development councils, in cooperation with the employment security department and its labor market information division, under subsection ~~((9))~~ (10) of this section;

(B) That is likely to enhance the individual's marketable skills and earning power; and

(C) That meets the criteria for performance developed by the work force training and education coordinating board for the purpose of determining those training programs eligible for funding under Title I of P.L. 105-220.

"Training program" does not include any course of education primarily intended to meet the requirements of a baccalaureate or higher degree, unless the training meets specific requirements for certification, licensing, or for specific skills necessary for the occupation.

(5) Benefits shall be paid as follows:

(a)(i) Except as provided in (a)(iii) of this subsection, for exhaustees who are eligible under subsection (1) of this section, the total training benefit amount shall be fifty-two times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year; or

(ii) For exhaustees who are eligible under subsection (2) of this section, for claims filed before June 30, 2002, the total training benefit amount shall be seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year. ~~((Beginning with new claims filed after June 30, 2002, for~~

~~exhaustees eligible under subsection (2) of this section, the total training benefit amount shall be fifty-two times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year); or~~

(iii) For exhaustees eligible under subsection (1) of this section from industries listed under subsection (2)(a) of this section, for claims filed on or after June 30, 2002, but before January 5, 2003, the total training benefit amount shall be seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year.

(b) The weekly benefit amount shall be the same as the regular weekly amount payable during the applicable benefit year and shall be paid under the same terms and conditions as regular benefits. The training benefits shall be paid before any extended benefits but not before any similar federally funded program.

(c) Training benefits are not payable for weeks more than two years beyond the end of the benefit year of the regular claim.

(6) The requirement under RCW 50.22.010(10) relating to exhausting regular benefits does not apply to an individual otherwise eligible for training benefits under this section when the individual's benefit year ends before his or her training benefits are exhausted and the individual is eligible for a new benefit year. These individuals will have the option of remaining on the original claim or filing a new claim.

(7)(a) Except as provided in (b) of this subsection, individuals who receive training benefits under this section or under any previous additional benefits program for training are not eligible for training benefits under this section for five years from the last receipt of training benefits under this section or under any previous additional benefits program for training.

(b) With respect to claims that are filed before January 5, 2003, an individual in the aerospace industry assigned the standard industrial code "372" or the North American industry classification system code "336411" who received training benefits under this section, and who had been making satisfactory progress in a training program but did not complete the program, is eligible, without regard to the five-year limitation of this section and without regard to the requirement of subsection (1)(b) of this section, if applicable, to receive training benefits under this section in order to complete that training program. The total training benefit amount that applies to the individual is seventy-four times the individual's weekly benefit amount, reduced by the total amount of regular benefits paid, or deemed paid, with respect to the benefit year in which the training program resumed and, if applicable, reduced by the amount of training benefits paid, or deemed paid, with respect to the benefit year in which the training program commenced.

(8) An individual eligible to receive a trade readjustment allowance under chapter 2 of Title II of the Trade Act of 1974, as amended, shall not be eligible to receive benefits under this section for each week the individual receives such trade readjustment allowance. An individual eligible to receive emergency unemployment compensation, so called, under any federal law, shall not be eligible to receive benefits under this section for each week the individual receives such compensation.

(9) All base year employers are interested parties to the approval of training and the granting of training benefits.

~~((9))~~ (10) By July 1, 2001, each local work force development council, in cooperation with the employment security department and its labor market information division, must identify occupations and skill sets that are declining and occupations and skill sets that are in high demand. For the purposes of RCW 50.22.130 through 50.22.150 and section 9, chapter 2, Laws of 2000, "high demand" means demand for employment that exceeds the supply of qualified workers for occupations or skill sets in a labor market area. Local work force development councils must use state and locally developed labor market information. Thereafter, each local work force development council shall update this information annually or more frequently if needed.

~~((10))~~ (11) The commissioner shall adopt rules as necessary to implement this section.

Sec. 3. RCW 50.29.020 and 2000 c 2 s 3 are each amended to read as follows:

(1) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make

payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department. Benefits paid to any eligible individuals shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individuals later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) In the case of individuals identified under RCW 50.20.015, benefits paid with respect to a calendar quarter, which exceed the total amount of wages earned in the state of Washington in the higher of two corresponding calendar quarters included within the individual's determination period, as defined in RCW 50.20.015, shall not be charged to the experience rating account of any contribution paying employer.

~~((f) Benefits paid under RCW 50.22.150 shall not be charged to the experience rating account of any contribution paying employer.))~~

(3)(a) A contribution-paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, work site, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster; or

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.60 RCW.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

NEW SECTION. **Sec. 4.** If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. **Sec. 5.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 6.** Section 2 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. **Sec. 7.** Section 3 of this act applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after July 7, 2002."

SENATE AMENDMENTS TO HOUSE BILL

March 8, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2671, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that the health and safety of its citizens, natural resources, and the environment are vital interests of the state that must be protected to preserve the state's quality of life. The legislature also finds that the state's economic well-being is a vital interest that depends upon the development of fair, coordinated environmental permitting processes that ensure that the state not only protects natural resources, but also encourages appropriate activities that stimulate growth and development. The legislature further finds that during the past twenty years, Washington's environmental protection programs have established strict standards to reduce pollution and protect public health and safety and the environment.

The legislature finds that as the number of environmental and land use laws have grown in Washington, so have the number of permits required of business and government. The increasing number of individual permits and permit authorities has generated the potential for conflict, overlap, and duplication between the various state, local, and federal permits. Lack of coordination in the processing of permit applications may cause costly delays and frustration to the applicant.

The legislature finds that not all project applicants require the same type of technical assistance. While applicants with small projects may merely need information about local and state permits, and assistance in applying for those permits, intermediate-sized projects may require a facilitated facilitating permit process. Large, complex projects may even need extensive coordination among local, state, and federal agencies.

The legislature finds that a range of assistance and coordination options should be available for project applicants. The legislature further finds that citizens should be provided with a reliable and consolidated source of information concerning federal, state, and local environmental and land use laws

and procedures that might apply to any given proposal; facilitated interagency forums for discussion of significant issues related to the multiple permitting processes can be very useful for some project proponents; and finally, some applicants may require active coordination of all applicable regulatory and land use permitting procedures.

The legislature declares that the purpose of this chapter is to provide efficient processes that will assist businesses and citizens in complying with the environmental and land use laws while protecting public health and safety and the environment.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Center" means the permit assistance center established in section 3 of this act.
- (2) "Permit" includes any license, certificate, registration, permit, or other form of use authorization required by a permit agency to engage in a particular activity.
- (3) "Project" means an activity, the conduct of which requires permits from one or more permit agencies.
- (4) "Use authorization" means a lease, material purchase, easement, permit, or other document authorizing the use of either state-owned aquatic lands or materials, or both.

NEW SECTION. Sec. 3. (1) The permit assistance center is created in the office of the governor. The center shall:

- (a) Publish and keep current one or more handbooks containing lists and explanations of all permit laws. To the extent possible, the handbook must include relevant local, state, federal, and tribal laws. A state agency or local government must provide a reasonable number of copies of application forms, statutes, ordinances, rules, handbooks, and other informational material requested by the center and must otherwise fully cooperate with the center. The center must seek the cooperation of relevant federal agencies and tribal governments;
 - (b) Establish, and make known, a point of contact for distribution of the handbook and advice to the public as to its interpretation in any given case;
 - (c) Work closely and cooperatively with the business license center in providing efficient and nonduplicative service to the public;
 - (d) Collect and disseminate information to public and private entities on federal, state, local, and tribal government programs that rely on private professional expertise to assist governmental agencies in project permit review;
 - (e) Provide an annual performance report to the legislature and the public. The report must be based on survey of customers;
 - (f) Report annually to the legislature regarding any statutory or regulatory conflicts relating to differing legal authorities and roles of the agencies issuing permits or use authorizations and how these were resolved. The report may include recommendations to the legislature and to agencies; and
 - (g) Report annually to the legislature regarding use of outside independent consultants pursuant to section 7 of this act, including the nature and amount of work performed by outside independent consultants and implementation of the requirements of section 7 of this act relating to costs.
- (2) The center must prioritize the expenditure of general fund moneys allotted to the center to provide a set of services to the applicants of small projects.
 - (3) The center shall work with state resource agencies, the governor's office, local government officials, and the department of community, trade, and economic development to create a range of permit assistance options for permit applicants. These options include, but are not limited to, a centralized customer call center, a web site for permitting information, facilitation services offered on a regional basis, and a process for developing a coordinated permit process utilizing a cost reimbursement system authorized under section 7 of this act.
 - (4) The center shall also work to develop informal processes for dispute resolution between agencies and permit applicants.
 - (5) To the maximum extent possible, the center shall work with the transportation permit efficiency and accountability committee established by chapter 47.06C RCW.

NEW SECTION. Sec. 4. (1) The center shall operate based on the principle that citizens of the state of Washington have the right to expect the following information to be provided to them when asking for a permit, license, or permission to engage in a lawful activity:

- (a) A date and time for a decision on permits;
 - (b) A defined amount of information required to award a permit by a permitting authority before any application for permits can be accepted; and
 - (c) An estimate of the maximum amount of costs in fees, studies, or public processes that will be incurred by the permit applicant.
- (2) This section does not create a right of action.

NEW SECTION. Sec. 5. (1) Upon the request of a project proponent, the center shall appoint a project facilitator to assist the applicant in determining which regulatory requirements, processes, and permits may be required for development and operation of the proposed project. The project facilitator shall provide the information to the applicant and explain the options available to the applicant in obtaining the required permits.

(2) If requested by the applicant, the project facilitator shall facilitate a project scoping meeting. The meeting may involve the project applicant, state agencies that will require a permit or use authorization for the project, and the local governments in whose jurisdiction the project is proposed. Federal agencies and tribal governments that either issue or may require a permit, or that may require a use authorization for the project, shall each be invited to participate in the scoping meeting. All agencies participating in the scoping process are encouraged to remain in communication for purposes of coordination throughout the subsequent permit review processes until final permit decisions are made.

(3) The purpose of the scoping meeting is to share perspectives and identify the issues and information needs of concern to each participant with regard to the proposed project, and jointly develop a strategy for managing the permitting process. This project scoping process must be concluded within sixty days of the applicant's request.

- (a) During this review, the permit agencies shall identify:
 - (i) The permits that are required for the project;
 - (ii) A review of the permit application forms and other application requirements of the agencies that are participating in the scoping meeting;
 - (iii) The specific information needs and issues of concern and their significance to each participant with regard to the permitting processes involved;
 - (iv) Any statutory or regulatory conflicts that might arise relating to differing legal authorities and roles of the agencies issuing the permit or use authorization of the project;
 - (v) Any state or local jurisdiction or private sector liability that might result from permitting or issuing a use authorization for the project;
 - (vi) Any natural resources, including federal or state listed species, that might be adversely affected by the permitting or authorizing decision; and
 - (vii) The permit decision timelines that will be used by each permit agency, including the time periods required to determine if the permit applications are complete, to review the application or applications, and to process the component permits. In the development of this timeline, full attention must be given to achieving the maximum efficiencies possible through concurrent studies, consolidated applications, hearings, and comment periods.

(b) Following this project scoping review, the outcome shall be documented in written form and furnished to the applicant, and be available to the public.

(c) Upon completion of this review, the permitting and authorizing agencies and governments shall proceed according to their respective statutes.

NEW SECTION. Sec. 6. (1) Upon request, a permit applicant may also request that the center actively coordinate the project permitting processes. This process shall be implemented through a cost reimbursement contract developed under section 7 of this act.

(2) According to the specific requirements contained in a cost reimbursement contract, the center may convene a scoping meeting as outlined in section 5 of this act, serve as the main point of

contact for the permit applicant with regard to the coordinated permit processes for the project, and manage the procedural aspects of that processing consistent with existing laws. In carrying out these responsibilities, the center shall ensure that the permit applicant has all the information needed to apply for all the component permits that are incorporated in the coordinated permit process for the project, coordinate the review of those permits by the permit agencies, ensure that timely permit decisions are made by the permit agencies, and assist in resolving any conflict or inconsistency among the permit requirements and conditions that are to be imposed by the permit agencies. The center shall maintain contact with the applicant and local, state, and federal permit agencies to ensure that the process is progressing as scheduled.

(3) Upon completion of the cost reimbursement contract, each permit agency shall send at least one representative qualified to make decisions concerning the applicability and timelines associated with all permits administered by that jurisdiction. At the request of the applicant, the center shall notify any relevant federal agency or federally recognized tribe of the date of the meeting and invite that agency's participation in the process.

(4) If a permit agency or the applicant foresees, at any time, that it will be unable to meet its obligations under the agreement, it shall notify the center of the problem. The center shall notify the permit agencies and the applicant and, upon agreement of all parties, adjust the schedule, or, if necessary, schedule another work plan meeting.

(5) This chapter may not be construed to limit or abridge the powers and duties granted to any permit agency under the law that authorizes or requires the agency to issue a permit or a use authorization for a project.

NEW SECTION. Sec. 7. (1) The center shall negotiate a method of determining, collecting, and distributing permit fees and cost reimbursement for the costs associated with carrying out the purposes of this chapter, including the use of existing fees as set by statute or administrative rule.

(2) The center may enter into a written agreement with the applicant to recover from the applicant the reasonable costs incurred by the center and permit agencies in carrying out the requirements of this chapter.

(3) The center may enter into a written agreement with the applicant to recover from the applicant the reasonable costs incurred by outside independent consultants selected by the center and permit agencies to perform permit review and processing tasks consistent with the coordinated permit process.

(4) The center and outside independent consultants may recover only the costs of performing those permit services that are coordinated through the one-stop coordinated permitting process established under this chapter. The billing process must provide for accurate time and cost accounting and may include a billing cycle that provides for progress payments.

(5) Prior to providing reimbursement or fees to participating permit agencies under this chapter, the center shall ensure that the participating permit agencies have made all the permit decisions that are necessary for the incorporation of the permits into the coordinated permit process and act on the component permits within the time periods agreed to by the participating permit agencies under the process outlined in section 6 of this act.

(6) The center shall adopt a policy to administer cost reimbursement agreements executed under this section. Cost reimbursement agreements administered by the center under this section must be based on competitive bids that are awarded for each agreement to the responsible bidder from a prequalified consultant roster that submitted the lowest responsive bid as described in RCW 43.19.1911.

(7) Prior to entering negotiation with the applicant on cost reimbursement, the center shall request work load analyses for the permits from each permitting agency. These analyses shall be available to the public. The center may only agree to reduce work load if there is a good cause to do so and there is no significant impact on environmental review.

(8) If independent consultants are hired under the cost reimbursement agreement, they shall report directly to the permitting agency.

(9) The center shall develop guidance to ensure that, in developing cost reimbursement agreements, conflict of interest problems are eliminated.

(10) For permits it coordinates, the permit assistance center shall coordinate all cost-reimbursement agreements executed under RCW 43.21A.690, 43.30.420, 43.70.630, 43.300.080, and 70.94.085.

NEW SECTION. Sec. 8. (1) There is established the permit assistance advisory council composed of eleven members. Seven members shall be appointed by the governor. In making these appointments, the governor shall include representation from business, the environmental community, agriculture, port districts, counties, cities, and the tribes. Two members shall be members of the senate selected by the president of the senate with one member selected from each caucus in the senate, and two members shall be members of the house of representatives selected by the speaker of the house of representatives with one member selected from each caucus in the house of representatives. The legislative members shall be nonvoting members of the council. Appointments to the council shall reflect geographical balance and the diversity of population within Washington state. Members shall serve four-year terms. Of the initial members appointed to the council, two shall serve for two years, two shall serve for three years, and two shall serve for four years. Thereafter members shall be appointed to four-year terms. Vacancies shall be filled by appointment in the same manner as the original appointment for the remainder of the unexpired term of the position being vacated. Nonlegislative members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Legislative members shall be reimbursed as provided in RCW 44.04.120.

(2) The council shall elect a chair and a vice-chair from the voting members of the committee. The chair and vice-chair shall serve a term of one year.

(3) The council shall:

(a) Assess the performance of the center;

(b) Review annual customer surveys conducted by the center to determine the effectiveness of the center; and

(c) Recommend changes to the services provided by the center to enhance technical assistance to permit applicants.

(4) The council shall meet at least four times per year.

NEW SECTION. Sec. 9. (1) The powers, duties, and functions of the permit assistance center at the department of ecology are transferred to the center created in section 3 of this act.

(2)(a) All reports, documents, surveys, books, records, files, papers, or written material in the possession of the department of ecology pertaining to the powers, functions, and duties transferred shall be delivered to the custody of the center. All cabinets, furniture, office equipment, motor vehicles, and other tangible property employed by the department of ecology in carrying out the powers, functions, and duties transferred shall be made available to the center. All funds, credits, or other assets held in connection with the powers, functions, and duties transferred shall be assigned to the center.

(b) Any appropriations made to the department of ecology for carrying out the powers, functions, and duties transferred shall, on June 30, 2002, be transferred and credited to the center.

(c) Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

(3) All rules and all pending business before the department of ecology pertaining to the powers, functions, and duties transferred shall be continued and acted upon by the center. All existing contracts and obligations shall remain in full force and shall be performed by the center.

(4) The transfer of the powers, duties, functions, and personnel of the authority shall not affect the validity of any act performed before June 30, 2002.

(5) If apportionments of budgeted funds are required because of the transfers directed by this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

SENATE AMENDMENTS TO HOUSE BILL

February 26, 2002

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2723, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** INTENT. The legislature finds that greater flexibility to provide state financing for projects developed under chapter 47.46 RCW will result in better use of public resources, lower financing costs, and potential savings to taxpayers. The legislature intends to: Clarify the ability of the department of transportation to use public and private financing for projects selected and developed under chapter 47.46 RCW; provide the department with specific means of state financing where that financing is in the public's best interest; provide citizens living in the impacted

areas a statutory mechanism to review proposed toll rates and provide input before adoption of toll schedules by the toll authority; and prevent unreasonable delay of critical transportation projects that are essential for public safety and welfare.

Sec. 2. RCW 47.56.010 and 1984 c 7 s 246 are each amended to read as follows:

PROVIDING DEFINITION FOR 1950 TACOMA NARROWS BRIDGE. As used in this chapter:

(1) "Toll bridge" means a bridge constructed or acquired under this chapter, upon which tolls are charged, together with all appurtenances, additions, alterations, improvements, and replacements thereof, and the approaches thereto, and all lands and interests used therefor, and buildings and improvements thereon.

(2) "Toll road" means any express highway, superhighway, or motorway at such locations and between such termini as may be established by law, and constructed or to be constructed as a limited access highway under the provisions of this chapter by the department, and shall include, but not be limited to, all bridges, tunnels, overpasses, underpasses, interchanges, entrance plazas, approaches, toll houses, service areas, service facilities, communications facilities, and administration, storage, and other buildings that the department may deem necessary for the operation of the project, together with all property, rights, easements, and interests that may be acquired by the department for the construction or the operation of the project, all of which shall be conducted in the same manner and under the same procedure as provided for the establishing, constructing, operating, and maintaining of toll bridges by the department, insofar as those procedures are reasonably consistent and applicable.

(3) "1950 Tacoma Narrows bridge" means the bridge crossing the Tacoma Narrows that was opened to vehicle travel in 1950.

Sec. 3. RCW 47.46.030 and 1996 c 280 s 1 are each amended to read as follows:

DEMONSTRATION PROJECTS--SELECTION--PUBLIC INVOLVEMENT. (1) The secretary or a designee shall solicit proposals from, and negotiate and enter into agreements with, private entities to undertake as appropriate, together with the department and other public entities, all or a portion of the study, planning, design, construction, operation, and maintenance of transportation systems and facilities, using in whole or in part public or private sources of financing.

The public-private initiatives program may develop up to six demonstration projects. Each proposal shall be weighed on its own merits, and each of the six agreements shall be negotiated individually, and as a stand-alone project.

(2) If project proposals selected prior to September 1, 1994, are terminated by the public or private sectors, the department shall not select any new projects, including project proposals submitted to the department prior to September 1, 1994, and designated by the transportation commission as placeholder projects, after June 16, 1995, until June 30, 1997.

~~((The department, in consultation with the legislative transportation committee, shall conduct a program and fiscal audit of the public-private initiatives program for the biennium ending June 30, 1997. The department shall submit a progress report to the legislative transportation committee on the program and fiscal audit by June 30, 1996, with preliminary and final audit reports due December 1, 1996, and June 30, 1997, respectively.~~

~~The department shall develop and submit a proposed public involvement plan to the 1997 legislature to identify the process for selecting new potential projects and the associated costs of implementing the plan. The legislature must adopt the public involvement plan before the department may proceed with any activity related to project identification and selection. Following legislative adoption of the public involvement plan, the department is authorized to implement the plan and to identify potential new projects.~~

~~The public involvement plan for projects selected after June 30, 1997, shall, at a minimum, identify projects that: (a) Have the potential of achieving overall public support among users of the projects, residents of communities in the vicinity of the projects, and residents of communities impacted by the projects; (b) meet a state transportation need; (c) provide a significant state benefit; and (d) provide competition among proposers and maximum cost benefits to users. Prospective projects may include projects identified by the department or submitted by the private sector.))~~

Projects that meet the minimum criteria established under this section (~~and the requirements of the public involvement plan developed by the department and approved by the legislature~~) shall be submitted to the Washington state transportation commission for its review. The commission, in turn, shall submit a list of eligible projects to the legislative transportation committee for its consideration. Forty-five days after the submission to the legislative transportation committee of the list of eligible projects, the secretary is authorized to solicit proposals for the eligible project.

~~((3) Prior to entering into agreements with private entities under the requirements of RCW 47.46.040 for any project proposal selected before September 1, 1994, or after June 30, 1997, except as provided for in subsections (11) and (12) of this section, the department shall require an advisory vote as provided under subsections (5) through (10) of this section.~~

~~(4) The advisory vote shall apply to project proposals selected prior to September 1, 1994, or after June 30, 1997, that receive public opposition as demonstrated by the submission to the department of original petitions bearing at least five thousand signatures of individuals opposing the project collected and submitted in accordance with the dates established in subsections (12) and (13) of this section. The advisory vote shall be on the preferred alternative identified under the requirements of chapter 43.21C RCW and, if applicable, the national environmental policy act, 42 U.S.C. 4321 et seq. The execution by the department of the advisory vote process established in this section is subject to the prior appropriation of funds by the legislature for the purpose of conducting environmental impact studies, a public involvement program, local involvement committee activities, traffic and economic impact analyses, engineering and technical studies, and the advisory vote.~~

~~(5) In preparing for the advisory vote, the department shall conduct a comprehensive analysis of traffic patterns and economic impact to define the geographical boundary of the project area that is affected by the imposition of tolls or user fees authorized under this chapter. The area so defined is referred to in this section as the affected project area. In defining the affected project area, the department shall, at a minimum, undertake: (a) A comparison of the estimated percentage of residents of communities in the vicinity of the project and in other communities impacted by the project who could be subject to tolls or user fees and the estimated percentage of other users and transient traffic that could be subject to tolls or user fees; (b) an analysis of the anticipated traffic diversion patterns; (c) an analysis of the potential economic impact resulting from proposed toll rates or user fee rates imposed on residents, commercial traffic, and commercial entities in communities in the vicinity of and impacted by the project; (d) an analysis of the economic impact of tolls or user fees on the price of goods and services generally; and (e) an analysis of the relationship of the project to state transportation needs and benefits.~~

~~(6)(a) After determining the definition of the affected project area, the department shall establish a committee comprised of individuals who represent cities and counties in the affected project area; organizations formed to support or oppose the project; and users of the project. The committee shall be named the public-private local involvement committee, and be known as the local involvement committee.~~

~~(b) The members of the local involvement committee shall be: (i) An elected official from each city within the affected project area; (ii) an elected official from each county within the affected project area; (iii) two persons from each county within the affected project area who represent an organization formed in support of the project, if the organization exists; (iv) two persons from each county within the affected project area who represent an organization formed to oppose the project, if the organization exists; and (v) four public members active in a statewide transportation organization. If the committee makeup results in an even number of committee members, there shall be an additional appointment of an elected official from the county in which all, or the greatest portion of the project is located.~~

~~(c) City and county elected officials shall be appointed by a majority of the members of the city or county legislative authorities of each city or county within the affected project area, respectively. The county legislative authority of each county within the affected project area shall identify and validate organizations officially formed in support of or in opposition to the project and shall make the appointments required under this section from a list submitted by the chair of the organizations. Public members shall be appointed by the governor. All appointments to the local involvement committee shall be made and submitted to the department of transportation no later than January 1, 1996, for~~

~~projects selected prior to September 1, 1994, and no later than thirty days after the affected project area is defined for projects selected after June 30, 1997. Vacancies in the membership of the local involvement committee shall be filled by the appointing authority under (b)(i) through (v) of this subsection for each position on the committee.~~

~~(d) The local involvement committee shall serve in an advisory capacity to the department on all matters related to the execution of the advisory vote.~~

~~(e) Members of the local involvement committee serve without compensation and may not receive subsistence, lodging expenses, or travel expenses.~~

~~(7) The department shall conduct a minimum thirty day public comment period on the definition of the geographical boundary of the project area. The department, in consultation with the local involvement committee, shall make adjustments, if required, to the definition of the geographical boundary of the affected project area, based on comments received from the public. Within fourteen calendar days after the public comment period, the department shall set the boundaries of the affected project area in units no smaller than a precinct as defined in RCW 29.01.120.~~

~~(8) The department, in consultation with the local involvement committee, shall develop a description for selected project proposals. After developing the description of the project proposal, the department shall publish the project proposal description in newspapers of general circulation for seven calendar days in the affected project area. Within fourteen calendar days after the last day of the publication of the project proposal description, the department shall transmit a copy of the map depicting the affected project area and the description of the project proposal to the county auditor of the county in which any portion of the affected project area is located.~~

~~(9) The department shall provide the legislative transportation committee with progress reports on the status of the definition of the affected project area and the description of the project proposal.~~

~~(10) Upon receipt of the map and the description of the project proposal, the county auditor shall, within thirty days, verify the precincts that are located within the affected project area. The county auditor shall prepare the text identifying and describing the affected project area and the project proposal using the definition of the geographical boundary of the affected project area and the project description submitted by the department and shall set an election date for the submission of a ballot proposition authorizing the imposition of tolls or user fees to implement the proposed project within the affected project area, which date may be the next succeeding general election to be held in the state, or at a special election, if requested by the department. The text of the project proposal must appear in a voter's pamphlet for the affected project area. The department shall pay the costs of publication and distribution. The special election date must be the next date for a special election provided under RCW 29.13.020 that is at least sixty days but, if authorized under RCW 29.13.020, no more than ninety days after the receipt of the final map and project description by the auditor. The department shall pay the cost of an election held under this section.~~

~~(11) Notwithstanding any other provision of law, the department may contract with a private developer of a selected project proposal to conduct environmental impact studies, a public involvement program, and engineering and technical studies funded by the legislature. For projects subject to this subsection, the department shall not enter into an agreement under RCW 47.46.040 prior to the advisory vote on the preferred alternative.~~

~~(12) Subsections (5) through (10) of this section shall not apply to project proposals selected prior to September 1, 1994, that have no organized public opposition as demonstrated by the submission to the department of original petitions bearing at least five thousand signatures of individuals opposing the project, collected and submitted after September 1, 1994, and by thirty calendar days after June 16, 1995.~~

~~(13) Subsections (5) through (10) of this section shall not apply to project proposals selected after June 30, 1997, that have no organized public opposition as demonstrated by the submission to the department of original petitions bearing at least five thousand signatures of individuals opposing the project, collected and submitted by ninety calendar days after project selection.)~~

NEW SECTION. Sec. 4. A new section is added to chapter 47.46 RCW to read as follows:
USE OF STATE BONDS ON CERTAIN PROJECTS. (1) To the extent that the legislature specifically appropriates funding for a project developed under this chapter using the proceeds of bonds

issued by the state, an agreement for the design or construction of the project entered into by the secretary must incorporate provisions that are consistent with the use of the state financing provided by the appropriation.

(2) The secretary shall amend existing agreements or execute new agreements to comply with subsection (1) of this section.

(3) If the secretary is unable to reach agreement with other parties on contractual provisions providing for state financing, the secretary shall not enter into an agreement, or shall take no action with respect to an agreement, or shall exercise termination provisions.

NEW SECTION. Sec. 5. A new section is added to chapter 47.46 RCW to read as follows:
STATE TOLL FACILITIES AUTHORIZED FOR PPI PROJECTS. NEW SECTION. Sec. 6. A new section is added to chapter 47.46 RCW to read as follows:
CITIZEN ADVISORY COMMITTEE CREATED. (1) A citizen advisory committee must be created for any project developed under this chapter that imposes toll charges for use of a transportation facility. The governor shall appoint nine members to the committee, all of whom must be permanent residents of the affected project area, as that term is defined by the department.

(2) The citizen advisory committee shall serve in an advisory capacity to the commission on all matters related to the imposition of tolls. Members of the committee shall serve without compensation.

(3) No toll charge may be imposed or modified unless the citizen advisory committee has been given at least twenty days to review and comment on any proposed toll charge schedule. In setting toll rates, the commission shall give consideration to any recommendations of the citizen advisory committee.

Subject to section 6 of this act, the commission may impose and modify toll charges from time to time as conditions warrant.

(2) In establishing toll charges, the commission shall give due consideration to any required costs for operating and maintaining the toll bridge or toll bridges, including the cost of insurance, and to any amount required by law to meet the redemption of bonds and interest payments on them.

(3) The toll charges must be imposed in amounts sufficient to:

(a) Provide annual revenue sufficient to provide for annual operating and maintenance expenses;

(c) Repay the motor vehicle fund under sections 8, 11, and 12 of this act.

(4) The bond principal and interest payments, including repayment of the motor vehicle fund for amounts transferred from that fund to provide for such principal and interest payments, constitute a first direct and exclusive charge and lien on all tolls and other revenues from the toll bridge concerned, subject to operating and maintenance expenses.

NEW SECTION. Sec. 8. A new section is added to chapter 47.46 RCW to read as follows:
TERM OF TOLLS. (1) The commission shall retain toll charges on any existing and future facilities constructed under this chapter and financed primarily by bonds issued by the state until:

(b) Obligations incurred in constructing that facility have been fully paid; and

(c) The motor vehicle fund is fully repaid under section 12 of this act.

(2) This section does not prohibit the use of toll revenues to fund maintenance, operations, or management of facilities constructed under this chapter.

(3) Notwithstanding the provisions of subsection (2) of this section, upon satisfaction of the conditions enumerated in subsection (1) of this section:

NEW SECTION. Sec. 9. A new section is added to chapter 47.46 RCW to read as follows:
TOLL INCREASES IN EXCESS OF FISCAL GROWTH FACTOR. Pursuant to RCW 43.135.055, the legislature authorizes the transportation commission to increase bridge tolls in excess of the fiscal growth factor.

NEW SECTION. Sec. 10. A new section is added to chapter 47.46 RCW to read as follows:
USE OF STATE BOND PROCEEDS. Proceeds of the sale of bonds issued by the state for projects constructed under this chapter must be deposited in the state treasury to the credit of a special account designated for those purposes. Those proceeds must be expended only for the purposes enumerated in this chapter, for payment of the expense incurred in the issuance and sale of any such bonds, and to repay the motor vehicle fund, except for funds previously expended from a legislative appropriation prior to the effective date of this act, for any sums advanced to pay the cost of surveys, location, design, development, right-of-way, and other activities related to the financing and construction of the bridge and its approaches.

NEW SECTION. Sec. 11. A new section is added to chapter 47.46 RCW to read as follows:
TACOMA NARROWS TOLL BRIDGE ACCOUNT CREATED. A special account to be known as the Tacoma Narrows toll bridge account is created in the motor vehicle fund in the state treasury.

(1) Deposits to the account must include:

(a) All proceeds of bonds issued for construction of the Tacoma Narrows public-private initiative project, including any capitalized interest;

(b) All of the toll charges and other revenues received from the operation of the Tacoma Narrows bridge as a toll facility, to be deposited at least monthly; and

(c) Any interest that may be earned from the deposit or investment of those revenues.

(2) Proceeds of bonds shall be used consistent with section 10 of this act, including the reimbursement of expenses and fees incurred under agreements entered into under RCW 47.46.040 as required by those agreements.

(3) Toll charges, other revenues, and interest may be used to:

(a) Pay any required costs of financing, operation, maintenance, and management and necessary repairs of the facility; and

(b) Repay amounts to the motor vehicle fund as required under section 12 of this act.

(4) When repaying the motor vehicle fund under section 12 of this act, the state treasurer shall transfer funds from the Tacoma Narrows toll bridge account to the motor vehicle fund on or before each debt service date for bonds issued for the Tacoma Narrows public-private initiative project in an amount sufficient to repay the motor vehicle fund for amounts transferred from that fund to the highway bond retirement fund to provide for any bond principal and interest due on that date. The state treasurer may establish subaccounts for the purpose of segregating toll charges, bond sale proceeds, and other revenues.

NEW SECTION. Sec. 12. A new section is added to chapter 47.46 RCW to read as follows:
TOLL CHARGES REMAIN ON FACILITY TO REPAY MOTOR VEHICLE FUND. Toll charges must be used to repay the motor vehicle fund consistent with section 11 of this act for any amounts transferred from the motor vehicle fund to the highway bond retirement fund under RCW 47.10.847 to provide for bond retirement and interest on bonds issued for the Tacoma Narrows public-private initiative project. Toll charges must remain on any facility financed by bonds issued by the state for a length of time necessary to repay the motor vehicle fund, except for funds previously expended from a legislative appropriation prior to the effective date of this act, for any amounts expended from that fund for the design, development, right-of-way, financing, construction, maintenance, repair, or operation of the toll facility or for amounts transferred from the motor vehicle fund to the highway bond retirement fund under RCW 47.10.847 to provide for bond retirement and interest on bonds issued for the Tacoma Narrows public-private initiative project.

NEW SECTION. Sec. 13. A new section is added to chapter 47.46 RCW to read as follows:
ALTERATION DOES NOT CONSTITUTE NEW PROPOSAL. If a proposal is or has been selected for the design, development, construction, maintenance, or operation of transportation systems or facilities under this chapter, subsequent agreements may be made to implement portions of the proposal that modify the proposal or that do not incorporate all the features of the proposal. Any such modified agreement does not require the solicitation or consideration of additional proposals for all or any portion of the services rendered under that modified agreement. Modified agreements may provide for the reimbursement of expenses and fees incurred under earlier agreements.

NEW SECTION. Sec. 14. A new section is added to chapter 47.46 RCW to read as follows:
APPLICABLE RULES AND STATUTES. All projects designed, constructed, and operated under this chapter must comply with all applicable rules and statutes in existence at the time the agreement is executed, including but not limited to the following provisions: Chapter 39.12 RCW, this title, RCW 41.06.380, chapter 47.64 RCW, RCW 49.60.180, and 49 C.F.R. Part 21.

NEW SECTION. Sec. 15. A new section is added to chapter 47.46 RCW to read as follows:
APPLICATION OF RCW 47.46.040 AND 47.46.050. RCW 47.46.040 and 47.46.050 apply only to those agreements that include private sources of financing in whole or in part.

Sec. 16. RCW 47.46.040 and 2001 c 64 s 14 are each amended to read as follows:
DEMONSTRATION PROJECTS--TERMS OF AGREEMENTS--PUBLIC PARTICIPATION. (1) ~~((All projects designed, constructed, and operated under this authority must comply with all applicable rules and statutes in existence at the time the agreement is executed, including but not limited to the following provisions: Chapter 39.12 RCW, this title, RCW 41.06.380, chapter 47.64 RCW, RCW 49.60.180, and 49 C.F.R. Part 21.~~

~~((2)))~~ (2) The secretary or a designee shall consult with legal, financial, and other experts within and outside state government in the negotiation and development of the agreements.

~~((3)))~~ (2) Agreements ~~((shall))~~ may provide for private ownership of the projects during the construction period. After completion and final acceptance of each project or discrete segment thereof, the agreement ~~((shall))~~ may provide for state ownership of the transportation systems and facilities and lease to the private entity unless the state elects to provide for ownership of the facility by the private entity during the term of the agreement.

The state ~~((shall))~~ may lease each of the demonstration projects, or applicable project segments, to the private entities for operating purposes for up to fifty years.

~~((4)))~~ (3) The department may exercise any power possessed by it to facilitate the development, construction, financing operation, and maintenance of transportation projects under this ~~((chapter))~~ section. Agreements for maintenance services entered into under this section shall provide for full reimbursement for services rendered by the department or other state agencies. Agreements for police services for projects, involving state highway routes, developed under agreements shall be entered into with the Washington state patrol. The agreement for police services shall provide that the state patrol will be reimbursed for costs on a comparable basis with the costs incurred for comparable

service on other state highway routes. The department may provide services for which it is reimbursed, including but not limited to preliminary planning, environmental certification, and preliminary design of the demonstration projects.

~~((5))~~ (4) The plans and specifications for each project constructed under this section shall comply with the department's standards for state projects. A facility constructed by and leased to a private entity is deemed to be a part of the state highway system for purposes of identification, maintenance, and enforcement of traffic laws and for the purposes of applicable sections of this title. Upon reversion of the facility to the state, the project must meet all applicable state standards. Agreements shall address responsibility for reconstruction or renovations that are required in order for a facility to meet all applicable state standards upon reversion of the facility to the state.

~~((6))~~ (5) For the purpose of facilitating these projects and to assist the private entity in the financing, development, construction, and operation of the transportation systems and facilities, the agreements may include provisions for the department to exercise its authority, including the lease of facilities, rights of way, and airspace, exercise of the power of eminent domain, granting of development rights and opportunities, granting of necessary easements and rights of access, issuance of permits and other authorizations, protection from competition, remedies in the event of default of either of the parties, granting of contractual and real property rights, liability during construction and the term of the lease, authority to negotiate acquisition of rights of way in excess of appraised value, and any other provision deemed necessary by the secretary.

~~((7))~~ (6) The agreements entered into under this section may include provisions authorizing the state to grant necessary easements and lease to a private entity existing rights of way or rights of way subsequently acquired with public or private financing. The agreements may also include provisions to lease to the entity airspace above or below the right of way associated or to be associated with the private entity's transportation facility. In consideration for the reversion rights in these privately constructed facilities, the department may negotiate a charge for the lease of airspace rights during the term of the agreement for a period not to exceed fifty years. If, after the expiration of this period, the department continues to lease these airspace rights to the private entity, it shall do so only at fair market value. The agreement may also provide the private entity the right of first refusal to undertake projects utilizing airspace owned by the state in the vicinity of the public-private project.

~~((8))~~ (7) Agreements under this section may include any contractual provision that is necessary to protect the project revenues required to repay the costs incurred to study, plan, design, finance, acquire, build, install, operate, enforce laws, and maintain toll highways, bridges, and tunnels and which will not unreasonably inhibit or prohibit the development of additional public transportation systems and facilities. Agreements under this section must secure and maintain liability insurance coverage in amounts appropriate to protect the project's viability and may address state indemnification of the private entity for design and construction liability where the state has approved relevant design and construction plans.

~~((9) Agreements shall include a process that provides for public involvement in decision making with respect to the development of the projects.~~

~~(10)(a) In carrying out the public involvement process required in subsection (9) of this section, the private entity shall proactively seek public participation through a process appropriate to the characteristics of the project that assesses and demonstrates public support among: Users of the project, residents of communities in the vicinity of the project, and residents of communities impacted by the project.~~

~~(b) The private entity shall conduct a comprehensive public involvement process that provides, periodically throughout the development and implementation of the project, users and residents of communities in the affected project area an opportunity to comment upon key issues regarding the project including, but not limited to: (i) Alternative sizes and scopes; (ii) design; (iii) environmental assessment; (iv) right of way and access plans; (v) traffic impacts; (vi) tolling or user fee strategies and tolling or user fee ranges; (vii) project cost; (viii) construction impacts; (ix) facility operation; and (x) any other salient characteristics.~~

~~(c) If the affected project area has not been defined, the private entity shall define the affected project area by conducting, at a minimum: (i) A comparison of the estimated percentage of residents of communities in the vicinity of the project and in other communities impacted by the project who~~

~~could be subject to tolls or user fees and the estimated percentage of other users and transient traffic that could be subject to tolls or user fees; (ii) an analysis of the anticipated traffic diversion patterns; (iii) an analysis of the potential economic impact resulting from proposed toll rates or user fee rates imposed on residents, commercial traffic, and commercial entities in communities in the vicinity of and impacted by the project; (iv) an analysis of the economic impact of tolls or user fees on the price of goods and services generally; and (v) an analysis of the relationship of the project to state transportation needs and benefits.~~

~~The agreement may require an advisory vote by users of and residents in the affected project area.~~

~~(d) In seeking public participation, the private entity shall establish a local involvement committee or committees comprised of residents of the affected project area, individuals who represent cities and counties in the affected project area, organizations formed to support or oppose the project, if such organizations exist, and users of the project. The private entity shall, at a minimum, establish a committee as required under the specifications of RCW 47.46.030(6)(b) (ii) and (iii) and appointments to such committee shall be made no later than thirty days after the project area is defined.~~

~~(e) Local involvement committees shall act in an advisory capacity to the department and the private entity on all issues related to the development and implementation of the public involvement process established under this section.~~

~~(f) The department and the private entity shall provide the legislative transportation committee and local involvement committees with progress reports on the status of the public involvement process including the results of an advisory vote, if any occurs.~~

~~(H)) (8) Nothing in this chapter limits the right of the secretary and his or her agents to render such advice and to make such recommendations as they deem to be in the best interests of the state and the public.~~

Sec. 17. RCW 47.46.050 and 1995 2nd sp.s. c 19 s 4 are each amended to read as follows:

FINANCIAL ARRANGEMENTS. (1) The department may enter into agreements using federal, state, and local financing in connection with the projects, including without limitation, grants, loans, and other measures authorized by ~~((section 1012 of ISTEA))~~ federal law, and to do such things as necessary and desirable to maximize the funding and financing, including the formation of a revolving loan fund to implement this section.

(2) Agreements entered into under this section ~~((shall))~~ may authorize the private entity to lease the facilities within a designated area or areas from the state and to impose user fees or tolls within the designated area to allow a reasonable rate of return on investment, as established through a negotiated agreement between the state and the private entity. The negotiated agreement shall determine a maximum development fee and, where appropriate, a maximum rate of return on investment, based on project and financing characteristics. If the negotiated rate of return on investment or development fee is not affected, the private entity may establish and modify toll rates and user fees.

(3) Agreements that include a maximum rate of return may establish "incentive" rates of return beyond the negotiated maximum rate of return on investment. The incentive rates of return shall be designed to provide financial benefits to the affected public jurisdictions and the private entity, given the attainment of various safety, performance, or transportation demand management goals. The incentive rates of return shall be negotiated in the agreement.

(4) Agreements shall require that over the term of the ownership or lease the user fees or toll revenues be applied only to payment of ~~((the private entity's))~~:

(a) The capital outlay costs for the project, including ((project development costs, interest expense,)) the costs associated with planning, design, development, financing, construction, improvement, operations, toll collection, maintenance, and administration of the project((,));

(b) The reimbursement to the state for all costs associated with ((an election as required under RCW 47.46.030, the costs of)) project review and oversight((,)) and technical and law enforcement services((,));

(c) The establishment of a fund to assure the adequacy of maintenance expenditures((,)); and

(d) A reasonable return on investment to the private entity. A negotiated agreement shall not extend the term of the ownership or lease beyond the period of time required for payment of the private entity's capital outlay costs for the project under this subsection.

Sec. 18. RCW 47.46.060 and 1998 c 179 s 4 are each amended to read as follows:

DEFERRAL OF TAXES. (1) Any person, including the department of transportation and any private entity (~~(that is party to an agreement under this chapter)~~) or entities, may apply for deferral of taxes on the site preparation for, the construction of, the acquisition of any related machinery and equipment which will become a part of, and the rental of equipment for use in the state route number 16 corridor improvements project under this chapter. Application shall be made to the department of revenue in a form and manner prescribed by the department of revenue. The application shall contain information regarding estimated or actual costs, time schedules for completion and operation, and other information required by the department of revenue. The department of revenue shall approve the application within sixty days if it meets the requirements of this section.

(2) The department of revenue shall issue a sales and use tax deferral certificate for state and local sales and use taxes due under chapters 82.08, 82.12, and 82.14 RCW on the project. (~~The use of the certificate shall be governed by rules established by the department of revenue.~~)

(3) The department of transportation or a private entity granted a tax deferral under this section shall begin paying the deferred taxes in the fifth year after the date certified by the department of revenue as the date on which the project is operationally complete. The first payment is due on December 31st of the fifth calendar year after such certified date, with subsequent annual payments due on December 31st of the following nine years. Each payment shall equal ten percent of the deferred tax. The project is operationally complete under this section when the collection of tolls is commenced for the state route number 16 improvements covered by the deferral.

(4) The department of revenue may authorize an accelerated repayment schedule upon request of the department of transportation or a private entity granted a deferral under this section.

(5) Interest shall not be charged on any taxes deferred under this section for the period of deferral, although all other penalties and interest applicable to delinquent excise taxes may be assessed and imposed for delinquent payments under this section. The debt for deferred taxes is not extinguished by insolvency or other failure of the private entity. Transfer of ownership does not terminate the deferral.

(6) Applications and any other information received by the department of revenue under this section are not confidential and are subject to disclosure. Chapter 82.32 RCW applies to the administration of this section.

Sec. 19. RCW 47.56.030 and 2001 c 59 s 1 are each amended to read as follows:

DEPARTMENT'S POWERS AND DUTIES REGARDING TOLL FACILITIES. (1) Except as permitted under chapter 47.46 RCW:

(a) The department of transportation shall have full charge of the construction of all toll bridges and other toll facilities including the Washington state ferries, and the operation and maintenance thereof.

(b) The transportation commission shall determine and establish the tolls and charges thereon, and shall perform all duties and exercise all powers relating to the financing, refinancing, and fiscal management of all toll bridges and other toll facilities including the Washington state ferries, and bonded indebtedness in the manner provided by law.

(c) The department shall have full charge of design of all toll facilities.

(d) Except as provided in this section, the department shall proceed with the construction of such toll bridges and other facilities and the approaches thereto by contract in the manner of state highway construction immediately upon there being made available funds for such work and shall prosecute such work to completion as rapidly as practicable. The department is authorized to negotiate contracts for any amount without bid under (~~(a)~~) (d)(i) and (~~(b)~~) (ii) of this subsection:

(~~(a)~~) (i) Emergency contracts, in order to make repairs to ferries or ferry terminal facilities or removal of such facilities whenever continued use of ferries or ferry terminal facilities constitutes a real or immediate danger to the traveling public or precludes prudent use of such ferries or facilities; and

~~((b))~~ (ii) Single source contracts for vessel dry dockings, when there is clearly and legitimately only one available bidder to conduct dry dock-related work for a specific class or classes of vessels. The contracts may be entered into for a single vessel dry docking or for multiple vessel dry dockings for a period not to exceed two years.

(2) The department shall proceed with the procurement of materials, supplies, services, and equipment needed for the support, maintenance, and use of a ferry, ferry terminal, or other facility operated by Washington state ferries, in accordance with chapter 43.19 RCW except as follows:

(a) Except as provided in (d) of this subsection, when the secretary of the department of transportation determines in writing that the use of invitation for bid is either not practicable or not advantageous to the state and it may be necessary to make competitive evaluations, including technical or performance evaluations among acceptable proposals to complete the contract award, a contract may be entered into by use of a competitive sealed proposals method, and a formal request for proposals solicitation. Such formal request for proposals solicitation shall include a functional description of the needs and requirements of the state and the significant factors.

(b) When purchases are made through a formal request for proposals solicitation the contract shall be awarded to the responsible proposer whose competitive sealed proposal is determined in writing to be the most advantageous to the state taking into consideration price and other evaluation factors set forth in the request for proposals. No significant factors may be used in evaluating a proposal that are not specified in the request for proposals. Factors that may be considered in evaluating proposals include but are not limited to: Price; maintainability; reliability; commonality; performance levels; life cycle cost if applicable under this section; cost of transportation or delivery; delivery schedule offered; installation cost; cost of spare parts; availability of parts and service offered; and the following:

(i) The ability, capacity, and skill of the proposer to perform the contract or provide the service required;

(ii) The character, integrity, reputation, judgment, experience, and efficiency of the proposer;

(iii) Whether the proposer can perform the contract within the time specified;

(iv) The quality of performance of previous contracts or services;

(v) The previous and existing compliance by the proposer with laws relating to the contract or services;

(vi) Objective, measurable criteria defined in the request for proposal. These criteria may include but are not limited to items such as discounts, delivery costs, maintenance services costs, installation costs, and transportation costs; and

(vii) Such other information as may be secured having a bearing on the decision to award the contract.

(c) When purchases are made through a request for proposal process, proposals received shall be evaluated based on the evaluation factors set forth in the request for proposal. When issuing a request for proposal for the procurement of propulsion equipment or systems that include an engine, the request for proposal must specify the use of a life cycle cost analysis that includes an evaluation of fuel efficiency. When a life cycle cost analysis is used, the life cycle cost of a proposal shall be given at least the same relative importance as the initial price element specified in the request of proposal documents. The department may reject any and all proposals received. If the proposals are not rejected, the award shall be made to the proposer whose proposal is most advantageous to the department, considering price and the other evaluation factors set forth in the request for proposal.

(d) If the department is procuring large equipment or systems (e.g., electrical, propulsion) needed for the support, maintenance, and use of a ferry operated by Washington state ferries, the department shall proceed with a formal request for proposal solicitation under this subsection (2) without a determination of necessity by the secretary.

Sec. 20. RCW 47.56.270 and 1983 c 3 s 129 are each amended to read as follows:

((It is the express intent of the legislature that the provisions of RCW 47.56.245 (section 47.56.245, chapter 13, Laws of 1961) shall not be applicable to the Tacoma Narrows bridge.)) Toll charges may be imposed upon the 1950 Tacoma Narrows bridge only if that bridge is included as part of a public toll bridge facility that includes an additional toll bridge adjacent to the 1950 Tacoma Narrows bridge and constructed under section 5 of this act.

SENATE AMENDMENTS TO HOUSE BILL

March 8, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2807, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature intends to strengthen the link between postsecondary education and K-12 education by creating the Washington promise scholarship program for academically successful high school graduates from low and middle-income families. The legislature finds that, increasingly, an individual's economic viability is contingent on postsecondary educational opportunities, yet the state's full financial obligation is eliminated after the twelfth grade. Students who work hard in kindergarten through twelfth grade and successfully complete high school

with high academic marks may not have the financial ability to attend college because they cannot obtain financial aid or the financial aid is insufficient.

NEW SECTION. Sec. 2. The higher education coordinating board shall design the Washington promise scholarship program based on the following parameters:

(1) Scholarships shall be awarded to students graduating from public and approved private high schools under chapter 28A.195 RCW and students participating in home-based instruction as provided in chapter 28A.200 RCW who meet both an academic and a financial eligibility criteria.

(a) Academic eligibility criteria shall be defined as follows:

(i) Beginning with the graduating class of 2002, students graduating from public and approved private high schools under chapter 28A.195 RCW must be in the top ten percent of their graduating class, as identified by each respective high school at the completion of the first term of the student's senior year; or

(ii) Students graduating from public high schools, approved private high schools under chapter 28A.195 RCW, and students participating in home-based instruction as provided in chapter 28A.200 RCW must equal or exceed a cumulative scholastic assessment test I score of twelve hundred on their first attempt or must equal or exceed a composite American college test score of twenty-seven on their first attempt.

(b) To meet the financial eligibility criteria, a student's family income shall not exceed one hundred percent of the state median family income adjusted for family size, as determined by the higher education coordinating board for each graduating class. Students not meeting the eligibility requirements for the first year of scholarship benefits may reapply for the second year of benefits, but must still meet the income standard set by the board for the student's graduating class.

(2) Promise scholarships are not intended to supplant any grant, scholarship, or tax program related to postsecondary education. If the board finds that promise scholarships supplant or reduce any grant, scholarship, or tax program for categories of students, then the board shall adjust the financial eligibility criteria or the amount of scholarship to the level necessary to avoid supplanting.

(3) Within available funds, each qualifying student shall receive two consecutive annual awards, the value of each not to exceed the full-time annual resident tuition rates charged by Washington's community colleges. The higher education coordinating board shall award scholarships to as many students as possible from among those qualifying under this section.

(4) By October 15th of each year, the board shall determine the award amount of the scholarships, after taking into consideration the availability of funds.

(5) The scholarships may only be used for undergraduate coursework at accredited institutions of higher education in the state of Washington.

(6) The scholarships may be used for undergraduate coursework at Oregon institutions of higher education that are part of the border county higher education opportunity project in RCW 28B.80.806 when those institutions offer programs not available at accredited institutions of higher education in Washington state.

(7) The scholarships may be used for college-related expenses, including but not limited to, tuition, room and board, books, and materials.

(8) The scholarships may not be awarded to any student who is pursuing a degree in theology.

(9) The higher education coordinating board may establish satisfactory progress standards for the continued receipt of the promise scholarship.

(10) The higher education coordinating board shall establish the time frame within which the student must use the scholarship.

(11) Scholarships may be awarded only to legal residents of the United States residing in Washington state.

NEW SECTION. Sec. 3. The higher education coordinating board, with the assistance of the office of the superintendent of public instruction, shall implement and administer the Washington promise scholarship program described in section 2 of this act as follows:

(1) The first scholarships shall be awarded to eligible students enrolling in postsecondary education in the 2002-03 academic year.

(2) The office of the superintendent of public instruction shall provide information to the higher education coordinating board that is necessary for implementation of the program. The higher education coordinating board and the office of the superintendent of public instruction shall jointly establish a timeline and procedures necessary for accurate and timely data reporting.

(a) For students meeting the academic eligibility criteria as provided in section 2(1)(a) of this act, the office of the superintendent of public instruction shall provide the higher education coordinating board with student names, addresses, birth dates, and unique numeric identifiers.

(b) Public and approved private high schools under chapter 28A.195 RCW shall provide requested information necessary for implementation of the program to the office of the superintendent of public instruction within the established timeline.

(c) All student data is confidential and may be used solely for the purposes of providing scholarships to eligible students.

(3) The higher education coordinating board may adopt rules to implement this chapter.

NEW SECTION. Sec. 4. The Washington promise scholarship program shall not be funded at the expense of the state need grant program as defined in RCW 28B.10.800 through 28B.10.824. In administering the state need grant and promise scholarship programs, the higher education coordinating board shall first ensure that eligibility for state need grant recipients is at least fifty-five percent of state median family income.

NEW SECTION. Sec. 5. This chapter shall not be construed to change current state requirements for students who received home-based instruction under chapter 28A.200 RCW.

NEW SECTION. Sec. 6. (1) The Washington promise scholarship account is created in the custody of the state treasurer. The account shall be a nontreasury account retaining its interest earnings in accordance with RCW 43.79A.040.

(2) The higher education coordinating board shall deposit in the account all money received for the program. The account shall be self-sustaining and consist of funds appropriated by the legislature for the Washington promise scholarship program, private contributions to the program, and refunds of Washington promise scholarships.

(3) Expenditures from the account shall be used for scholarships to eligible students.

(4) With the exception of the operating costs associated with the management of the account by the treasurer's office as authorized in chapter 43.79A RCW, the account shall be credited with all investment income earned by the account.

(5) Disbursements from the account are exempt from appropriations and the allotment provisions of chapter 43.88 RCW.

(6) Disbursements from the account shall be made only on the authorization of the higher education coordinating board.

Sec. 7. RCW 43.79A.040 and 2001 c 201 s 4 and 2001 c 184 s 4 are each reenacted and amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The Washington promise scholarship account, the college savings program account, the Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the basic health plan self-insurance reserve account, the Washington international exchange scholarship endowment fund, the developmental disabilities endowment trust fund, the energy account, the fair fund, the game farm alternative account, the grain inspection revolving fund, the juvenile accountability incentive account, the rural rehabilitation account, the stadium and exhibition center account, the youth athletic facility account, the self-insurance revolving fund, the sulfur dioxide abatement account, and the children's trust fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right of way revolving fund, the advanced environmental mitigation revolving account, the city and county advance right-of-way revolving fund, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2060, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes housing affordability has become a significant problem for a large portion of society in many parts of Washington state in recent years. The state has traditionally focused its resources on housing for low-income populations. Additional funding resources are needed for building operation and maintenance activities for housing projects affordable to extremely low-income people, for example farmworkers or people with developmental disabilities. Affordable rents for extremely low-income people are not sufficient to cover the cost of building operations and maintenance. In addition resources are needed at the local level to assist in development and preservation of affordable low-income housing to address critical local housing needs.

NEW SECTION. Sec. 2. A new section is added to chapter 36.22 RCW to read as follows:
(1) Except as provided in subsection (2) of this section, a surcharge of ten dollars per instrument shall be charged by the county auditor for each document recorded, which will be in addition to any other charge authorized by law. The auditor may retain up to five percent of these funds collected to administer the collection of these funds. Of the remaining funds, forty percent of the revenue generated through this surcharge will be transmitted monthly to the state treasurer who will deposit the funds into the Washington housing trust account. The office of community development of the department of community, trade, and economic development will develop guidelines for the use of

these funds to support building operation and maintenance costs of housing projects or units within housing projects that are affordable to extremely low-income persons with incomes at or below thirty percent of the area median income, and that require a supplement to rent income to cover ongoing operating expenses. Sixty percent of the revenue generated by this surcharge will be retained by the county and be deposited into a fund that must be used by the county and its cities and towns for housing projects or units within housing projects that are affordable to very low-income persons with incomes at or below fifty percent of the area median income. The portion of the surcharge retained by a county shall be allocated to very low-income housing projects or units within such housing projects in the county and the cities within a county according to an interlocal agreement between the county and the cities within the county, consistent with countywide and local housing needs and policies. The funds generated with this surcharge shall not be used for construction of new housing if at any time the vacancy rate for available low-income housing within the county rises above ten percent. The vacancy rate for each county shall be developed using the state low-income vacancy rate standard developed under subsection (3) of this section. Permissible uses of these local funds are limited to:

(a) Acquisition, construction, or rehabilitation of housing projects or units within housing projects that are affordable to very low-income persons with incomes at or below fifty percent of the area median income;

(b) Supporting building operation and maintenance costs of housing projects or units within housing projects built with housing trust funds, that are affordable to very low-income persons with incomes at or below fifty percent of the area median income, and that require a supplement to rent income to cover ongoing operating expenses;

(c) Rental assistance vouchers for housing projects or units within housing projects that are affordable to very low-income persons with incomes at or below fifty percent of the area median income, to be administered by a local public housing authority or other local organization that has an existing rental assistance voucher program, consistent with the United States department of housing and urban development's section 8 rental assistance voucher program standards; and

(d) Operating costs for emergency shelters and licensed overnight youth shelters.

(2) The surcharge imposed in this section does not apply to assignments or substitutions of previously recorded deeds of trust.

(3) The real estate research center at Washington State University shall develop a vacancy rate standard for low-income housing in the state as described in RCW 18.85.540(1)(i).

Sec. 3. RCW 36.18.010 and 1999 c 233 s 3 are each amended to read as follows:

County auditors or recording officers shall collect the following fees for their official services:

For recording instruments, for the first page eight and one-half by fourteen inches or less, five dollars; for each additional page eight and one-half by fourteen inches or less, one dollar. The fee for recording multiple transactions contained in one instrument will be calculated for each transaction requiring separate indexing as required under RCW 65.04.050 as follows: The fee for each title or transaction is the same fee as the first page of any additional recorded document; the fee for additional pages is the same fee as for any additional pages for any recorded document; the fee for the additional pages may be collected only once and may not be collected for each title or transaction;

For preparing and certifying copies, for the first page eight and one-half by fourteen inches or less, three dollars; for each additional page eight and one-half by fourteen inches or less, one dollar;

For preparing noncertified copies, for each page eight and one-half by fourteen inches or less, one dollar;

For administering an oath or taking an affidavit, with or without seal, two dollars;

For issuing a marriage license, eight dollars, (this fee includes taking necessary affidavits, filing returns, indexing, and transmittal of a record of the marriage to the state registrar of vital statistics) plus an additional five-dollar fee for use and support of the prevention of child abuse and neglect activities to be transmitted monthly to the state treasurer and deposited in the state general fund plus an additional ten-dollar fee to be transmitted monthly to the state treasurer and deposited in the state general fund. The legislature intends to appropriate an amount at least equal to the revenue generated by this fee for the purposes of the displaced homemaker act, chapter 28B.04 RCW;

For searching records per hour, eight dollars;

For recording plats, fifty cents for each lot except cemetery plats for which the charge shall be twenty-five cents per lot; also one dollar for each acknowledgment, dedication, and description: PROVIDED, That there shall be a minimum fee of twenty-five dollars per plat;

For recording of miscellaneous records not listed above, for the first page eight and one-half by fourteen inches or less, five dollars; for each additional page eight and one-half by fourteen inches or less, one dollar;

For modernization and improvement of the recording and indexing system, a surcharge as provided in RCW 36.22.170.

For recording an emergency nonstandard document as provided in RCW 65.04.047, fifty dollars, in addition to all other applicable recording fees.

For recording instruments, a surcharge as provided in section 2 of this act.

NEW SECTION. **Sec. 4.** A new section is added to chapter 43.330 RCW to read as follows:

The office of community development of the department of community, trade, and economic development is directed to conduct a statewide housing market analysis by region. The purpose of the analysis is to identify areas of greatest need for the appropriate investment of state affordable housing funds, using vacancy data and other appropriate measures of need for low-income housing. The analysis shall include the number and types of projects that counties have developed using the funds collected under this act. The analysis shall be completed by September 2003, and updated every two years thereafter.

Sec. 5. RCW 18.85.540 and 1999 c 192 s 3 are each amended to read as follows:

(1) The purpose of a real estate research center in Washington state is to provide credible research, value-added information, education services, and project-oriented research to real estate licensees, real estate consumers, real estate service providers, institutional customers, public agencies, and communities in Washington state and the Pacific Northwest region. (3) This section expires September 30, 2005.

Sec. 6. RCW 43.185.050 and 1994 c 160 s 1 are each amended to read as follows:

(1) The department shall use moneys from the housing trust fund and other legislative appropriations to finance in whole or in part any loans or grant projects that will provide housing for persons and families with special housing needs and with incomes at or below fifty percent of the median family income for the county or standard metropolitan statistical area where the project is located. At least thirty percent of these moneys used in any given funding cycle shall be for the benefit of projects located in rural areas of the state as defined by the department. If the department determines that it has not received an adequate number of suitable applications for rural projects during

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2773, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** To provide uniformity in the marketplace and to protect consignors of apples, the existing state standards for grades and packs of apples shall be evaluated. Revision of the standards for grades and packs of apples that will clarify the standards in such a way that they will be applied consistently among warehouses and commission merchants shall be evaluated. The evaluation must consider the appropriate level of uniformity that will ensure that the apples of a particular variety, grade, and pack sold from one warehouse will be equivalent to the apples of the same variety, grade, and pack sold from other warehouses.

For this purpose, the director shall convene an apple grades and packs committee that is widely recognized within the horticultural industry as representing the interests of the industry to recommend by consensus revisions to the standards that it believes will provide the desired level of uniformity that best serves the interest of apple producers, packers, and consumers.

If the industry committee recommends such revisions by consensus by December 15, 2003, the director shall give great weight to the recommendations in proposing the adoption of rules that reflect the consensus recommendations.

If the apple grades and packs committee does not make recommendations by consensus by December 15, 2003, the committee shall report its findings and conclusions to the department of agriculture, and to appropriate legislative committees that have jurisdiction over agricultural issues at meetings scheduled during the next ensuing regular session of the legislature. The appropriate legislative committees may monitor the activities of the apple grades and packs committee and may schedule interim committee meetings to obtain progress reports by the apple grades and packs committee.

This section expires April 30, 2004.

NEW SECTION. **Sec. 2.** The legislature finds that consignors of fruit, whether the sale is conducted as individual sales or in a pooling arrangement, need timely and more complete marketing information regarding terms of sale for various varieties of fruit so that producers can make informed business decisions. The legislature finds that the affected industry needs to review the type of information that is currently available, the type of information that would be useful, and how best to make available the additional information.

The legislature requests that the Washington state horticultural association, the Wenatchee valley traffic association, the Yakima valley growers and shippers association, and the Washington growers clearinghouse association meet with each other to conduct a thorough analysis of the marketing information needs of the industry and provide recommendations to the legislature on how the market information needs can best be addressed. The legislature requests that these groups develop a joint report containing those items to improve the availability of market information for which agreement has been attained. On issues for which consensus has not been reached, each organization is requested to provide a brief statement containing the perspective of that industry segment. The legislature requests that these reports shall be completed by December 15, 2003, with a copy to be delivered to the director of the department of agriculture and to the appropriate standing committees of the senate and the house of representatives with jurisdiction over agricultural issues. These legislative committees may schedule interim committee meetings to obtain progress reports for activities being conducted under this section.

NEW SECTION. Sec. 3. (1) Each commission merchant that received apples imported into the United States between January 1, 2002, and November 30, 2002, shall report to the department of agriculture by December 15, 2002. The report shall include the volume of each variety of imported apples that was received by and packed and sold by the commission merchant.

(2) The department of agriculture shall compile the information, in the aggregate, and provide a report to the secretary of the senate and the chief clerk of the house of representatives by December 31, 2002.

NEW SECTION. Sec. 4. A new section is added to chapter 42.17 RCW to read as follows:
The disclosure requirements of this chapter do not apply to information that can be identified to a particular business and that is collected under section 3(1), chapter . . . , Laws of 2002 (section 3(1) of this act)."

On page 1, line 1 of the title, after "fruit;" strike the remainder of the title and insert "adding a new section to chapter 42.17 RCW; creating new sections; and providing an expiration date."

SENATE AMENDMENTS TO HOUSE BILL

March 8, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2866, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that hydraulic project approvals should ensure that fish life is properly protected, but conditions attached to the approval of these permits must reasonably relate to the potential harm that the projects may produce. The legislature is particularly concerned over the current overlap of agency jurisdiction regarding storm water projects, and believes that there is an immediate need to address this issue to ensure that project applicants are not given conflicting directions over project design. Requiring a major redesign of a project results in major delays, produces exponentially rising costs for both public and private project applicants, and frequently produces only marginal benefits for fish.

The legislature recognizes that the department of ecology is primarily responsible for the approval of storm water projects. The legislature believes that once the department of ecology approves a proposed storm water project, it is inappropriate for the department of fish and wildlife to require a major redesign of that project in order for the applicant to obtain hydraulic project approval. The legislature further believes that it is more appropriate for the department of fish and wildlife to defer the design elements of a storm water project to the department of ecology and focus its own efforts on determining reasonable mitigation or conditions for the project based upon the project's potential harm to fish. It is the intent of the legislature to restore some balance over conditions attached to hydraulic permits, and to minimize overlapping state regulatory authority regarding storm water projects in order to reduce waste in both time and money while still providing ample protection for fish life.

Sec. 2. RCW 77.55.100 and 2000 c 107 s 16 are each amended to read as follows:

(1) In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld or unreasonably conditioned.

(2)(a) The department shall grant or deny approval of a standard permit within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The permit must contain provisions allowing for minor modifications to the plans and specifications without requiring reissuance of the permit.

(b) The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life.

(c) The forty-five day requirement shall be suspended if:

(i) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project;

(ii) The site is physically inaccessible for inspection; or

(iii) The applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(d) For purposes of this section, "standard permit" means a written permit issued by the department when the conditions under subsections (3) and (5)(b) of this section are not met.

(3)(a) The department may issue an expedited written permit in those instances where normal permit processing would result in significant hardship for the applicant or unacceptable damage to the environment. In cases of imminent danger, the department shall issue an expedited written permit, upon request, for work to repair existing structures, move obstructions, restore banks, protect property, or protect fish resources. Expedited permit requests require a complete written application as provided in subsection (2)(b) of this section and shall be issued within fifteen calendar days of the receipt of a complete written application. Approval of an expedited permit is valid for up to sixty days from the date of issuance.

(b) For the purposes of this subsection, "imminent danger" means a threat by weather, water flow, or other natural conditions that is likely to occur within sixty days of a request for a permit application.

(c) The department may not require the provisions of the state environmental policy act, chapter 43.21C RCW, to be met as a condition of issuing a permit under this subsection.

(d) The department or the county legislative authority may determine if an imminent danger exists. The county legislative authority shall notify the department, in writing, if it determines that an imminent danger exists.

(4) Approval of a standard permit is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent.

(5)(a) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately, upon request, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval to protect fish life shall be established by the department and reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately, upon request, for a stream crossing during an emergency situation.

(b) For purposes of this section and RCW 77.55.110, "emergency" means an immediate threat to life, the public, property, or of environmental degradation.

(c) The department or the county legislative authority may declare and continue an emergency when one or more of the criteria under (b) of this subsection are met. The county legislative authority shall immediately notify the department if it declares an emergency under this subsection.

(6) The department shall, at the request of a county, develop five-year maintenance approval agreements, consistent with comprehensive flood control management plans adopted under the authority of RCW 86.12.200, or other watershed plan approved by a county legislative authority, to allow for work on public and private property for bank stabilization, bridge repair, removal of sand bars and debris, channel maintenance, and other flood damage repair and reduction activity under agreed-upon conditions and times without obtaining permits for specific projects.

(7) This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 77.55.110.

A landscape management plan approved by the department and the department of natural resources under RCW 76.09.350(2), shall serve as a hydraulic project approval for the life of the plan if fish are selected as one of the public resources for coverage under such a plan.

(8) For the purposes of this section and RCW 77.55.110, "bed" means the land below the ordinary high water lines of state waters. This definition does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

(9) The phrase "to construct any form of hydraulic project or perform other work" does not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

Sec. 3. RCW 77.55.110 and 1998 c 190 s 88 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or other work that diverts water for agricultural irrigation or stock watering purposes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020, and when such diversion or streambank stabilization will use, divert, obstruct, or change the natural flow or bed of any river or stream or will utilize any waters of the state or materials from the stream beds, the person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure a written approval from the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld or unreasonably conditioned. (~~Except as provided in RCW 75.20.1001,~~) The department shall grant or deny the approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The permit must contain provisions allowing for minor modifications to the plans and specifications without requiring reissuance of the permit. The applicant may document receipt of application by filing in person or by registered mail. A complete application for an approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within ordinary high water line, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay.

Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

An approval shall remain in effect without need for periodic renewal for projects that divert water for agricultural irrigation or stock watering purposes and that involve seasonal construction or other work. Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual or more frequent basis. The permittee must notify the appropriate agency before commencing the construction or other work within the area covered by the approval.

The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Issuance, denial, conditioning, or modification shall be appealable to the hydraulic appeals board established in RCW 43.21B.005 within thirty days of the notice of decision. The burden shall be upon the department to show that the denial or conditioning of an approval is solely aimed at the protection of fish life.

The department may, after consultation with the permittee, modify an approval due to changed conditions. The modifications shall become effective unless appealed to the hydraulic appeals board within thirty days from the notice of the proposed modification. The burden is on the department to show that changed conditions warrant the modification in order to protect fish life.

A permittee may request modification of an approval due to changed conditions. The request shall be processed within forty-five calendar days of receipt of the written request. A decision by the department may be appealed to the hydraulic appeals board within thirty days of the notice of the decision. The burden is on the permittee to show that changed conditions warrant the requested modification and that such modification will not impair fish life.

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section.

For purposes of this chapter, "streambank stabilization" shall include but not be limited to log and debris removal, bank protection (including riprap, jetties, and groins), gravel removal and erosion control.

NEW SECTION. Sec. 4. A new section is added to chapter 77.55 RCW to read as follows:

(1) Notwithstanding any other provision of this chapter, all hydraulic project approvals related to storm water discharges must follow the provisions established in this section.

(2) Hydraulic project approvals issued in locations covered by a national pollution discharge elimination system municipal storm water general permit may not be conditioned or denied for water quality or quantity impacts arising from storm water discharges. A hydraulic project approval is required only for the actual construction of any storm water outfall or associated structures pursuant to this chapter.

(3)(a) In locations not covered by a national pollution discharge elimination system municipal storm water general permit, the department may issue hydraulic project approvals that contain provisions that protect fish life from adverse effects, such as scouring or erosion of the bed of the water body, resulting from the direct hydraulic impacts of the discharge.

(b) Prior to the issuance of a hydraulic project approval issued under this subsection (3), the department must:

(i) Make a finding that the discharge from the outfall will cause harmful effects to fish life;

(ii) Transmit the findings to the applicant and to the city or county where the project is being proposed; and

(iii) Allow the applicant an opportunity to use local ordinances or other mechanisms to avoid the adverse effects resulting from the direct hydraulic discharge. The forty-five day requirement for hydraulic project approval issuance pursuant to RCW 77.55.100 is suspended during the time period the department is meeting the requirements of this subsection (3)(b).

(c) After following the procedures set forth in (b) of this subsection, the department may issue a hydraulic project approval that prescribes the discharge rates from an outfall structure that will prevent adverse effects to the bed or flow of the waterway. The department may recommend, but not specify, the measures required to meet these discharge rates. The department may not require changes to the project design above the mean higher high water mark of marine waters, or the ordinary high water mark of fresh waters of the state. Nothing in this section alters any authority the department may have to regulate other types of projects under this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 77.55 RCW to read as follows:

Conditions imposed upon hydraulic project approvals must be reasonably related to the project. The conditions must ensure that the project provides proper protection for fish life, but the department may not impose conditions that attempt to optimize conditions for fish life that are out of proportion to the impact of the proposed project.

Sec. 6. RCW 77.55.170 and 2000 c 107 s 20 are each amended to read as follows:

(1) There is hereby created within the environmental hearings office under RCW 43.21B.005 the hydraulic appeals board of the state of Washington.

(2) The hydraulic appeals board shall consist of ~~((three))~~ six members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, ~~((and))~~ the director or the director's designee of the department whose action is appealed under subsection (6) of this section, and three local government members. One of the local government members must be appointed by the Washington state association of counties, one of the local government members must be appointed by the association of Washington cities, and one of the local government members must be appointed by the Washington public ports association. The local government members serve at the pleasure of their respective associations. A decision must be agreed to by at least ~~((two))~~ four members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by ~~((two))~~ four or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by the department: (a) Under the authority granted in RCW 77.55.110 for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020; or (b) under the authority granted in RCW 77.55.230 for off-site mitigation proposals.

(6)(a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 77.55.110 may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings.

Sec. 7. RCW 77.55.220 and 1996 c 192 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Marina" means a public or private facility providing boat moorage space, fuel, or commercial services. Commercial services include but are not limited to overnight or live-aboard boating accommodations.

(b) "Marine terminal" means a public or private commercial wharf located in the navigable water of the state and used, or intended to be used, as a port or facility for the storing, handling, transferring, or transporting of goods to and from vessels.

(2) For a marina or marine terminal in existence on June 6, 1996, or a marina or marine terminal that has received a hydraulic project approval for its initial construction, a renewable, five-year hydraulic project approval shall be issued, upon request, for regular maintenance activities of the marina or marine terminal.

(3) Upon construction of a new marina or marine terminal that has received hydraulic project approval, a renewable, five-year hydraulic project approval shall be issued, upon request, for regular maintenance activities of the marina or marine terminal.

(4) For the purposes of this section, regular maintenance activities are only those activities necessary to restore the marina or marine terminal to the conditions approved in the initial hydraulic project approval. These activities may include, but are not limited to, dredging, piling replacement, and float replacement.

(5) The five-year permit must include a requirement that a fourteen-day notice be given to the department before regular maintenance activities begin."

On page 1, line 1 of the title, after "permits;" strike the remainder of the title and insert "amending RCW 77.55.100, 77.55.110, 77.55.170, and 77.55.220; adding new sections to chapter 77.55 RCW; and creating a new section."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 8, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2874, with the following amendment:

On page 1, after line 5, insert the following:

"NEW SECTION. Sec. 1. The legislature finds that delivery of Columbia basin project water through canals and its application to land through irrigation over approximately the past fifty years has dramatically affected ground water in the Pasco basin, located in western Franklin county, along the Columbia river and north of the city of Pasco. According to studies conducted by the United States geological survey, the volume of ground water has increased by about five million acre-feet. About eighty-five percent of this increase is the result of percolation following irrigation and seepage from the distribution system. Ground water levels have also risen as a result of reservoirs formed behind the dams on the Columbia and Snake rivers. As a result of drainage management, the system is reported to be at equilibrium. The studies provide the information needed to determine which ground water is a result of the project and which is naturally occurring. Potential problems associated with the raised ground water levels include landslides and loss of arable land through ponding. Benefits include dilution of concentrations of nitrate and increase in volume of water potentially available for beneficial use over the naturally occurring volume otherwise available.

NEW SECTION. Sec. 2. It is the intent of the legislature to grant authority to the department of ecology to enter into agreements with the United States for allocation of ground waters that exist as a result of the Columbia basin project, adopt rules for implementing the agreements and establishing priorities for processing applications, and accept funds for expenses incurred, consistent with applicable state and federal law. Inasmuch as rules adopted by the department will be significant legislative rules, the legislature intends to assure that it will be able to properly carry out its responsibility to both give direction and review the rules after their adoption by requiring periodic reports by the department."

Renumber the remaining section consecutively.

On page 2, after line 9, insert the following:

"NEW SECTION. Sec. 4. A new section is added to chapter 89.12 RCW to read as follows:
The department of ecology shall report annually to the standing committees of the legislature with jurisdiction over water resources regarding the activities authorized by section 3 of this act, beginning December 1, 2002, and ending December 1, 2007."

On page 1, line 1 of the title, after "allocation of" strike the remainder of the title and insert "ground waters that exist as a result of the Columbia basin project; adding new sections to chapter 89.12 RCW; and creating new sections."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2867, with the following amendments(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the recent federal court of appeals decision in *Headwaters, Inc. v. Talent Irrigation District*, 243 F.3rd 526 (9th Cir. 2001) imposes a duty to obtain a national pollutant discharge elimination system permit under the clean water act for the application of pesticides to irrigation canals. This duty is also extended to other individuals and organizations that apply pesticides to other waters, where no duty existed before the *Talent* decision.

The legislature finds that the costs associated with the issuance of the national pollutant discharge elimination system permit now required by the department of ecology as a result of the federal decision is burdensome to the affected individuals and organizations. The legislature intends to temporarily reduce the burden of the federal decision on those individuals and organizations.

Sec. 2. RCW 90.48.465 and 1998 c 262 s 16 are each amended to read as follows:

(1) The department shall establish annual fees to collect expenses for issuing and administering each class of permits under RCW 90.48.160, 90.48.162, and 90.48.260. An initial fee schedule shall be established by rule ~~((within one year of March 1, 1989, and thereafter the fee schedule shall))~~ and be adjusted no more often than once every two years. This fee schedule shall apply to all permits, regardless of date of issuance, and fees shall be assessed prospectively. All fees charged shall be based on factors relating to the complexity of permit issuance and compliance and may be based on pollutant loading and toxicity and be designed to encourage recycling and the reduction of the quantity of

pollutants. Fees shall be established in amounts to fully recover and not to exceed expenses incurred by the department in processing permit applications and modifications, monitoring and evaluating compliance with permits, conducting inspections, securing laboratory analysis of samples taken during inspections, reviewing plans and documents directly related to operations of permittees, overseeing performance of delegated pretreatment programs, and supporting the overhead expenses that are directly related to these activities.

(2) The annual fee paid by a municipality, as defined in 33 U.S.C. Sec. 1362, for all domestic wastewater facility permits issued under RCW 90.48.162 and 90.48.260 shall not exceed the total of a maximum of fifteen cents per month per residence or residential equivalent contributing to the municipality's wastewater system. ~~((The department shall adopt by rule a schedule of credits for any municipality engaging in a comprehensive monitoring program beyond the requirements imposed by the department, with the credits available for five years from March 1, 1989, and with the total amount of all credits not to exceed fifty thousand dollars in the five year period.))~~

(3) The department shall ensure that indirect dischargers do not pay twice for the administrative expense of a permit. Accordingly, administrative expenses for permits issued by a municipality under RCW 90.48.165 are not recoverable by the department.

(4) In establishing fees, the department shall consider the economic impact of fees on small dischargers and the economic impact of fees on public entities required to obtain permits for storm water runoff and shall provide appropriate adjustments.

(5) The fee for an individual permit issued for a dairy farm as defined under chapter 90.64 RCW shall be fifty cents per animal unit up to ~~((one thousand one hundred sixty seven dollars for fiscal year 1998 and))~~ one thousand two hundred fourteen dollars for fiscal year 1999. The fee for a general permit issued for a dairy farm as defined under chapter 90.64 RCW shall be fifty cents per animal unit up to ~~((eight hundred seventeen dollars for fiscal year 1998 and))~~ eight hundred fifty dollars for fiscal year 1999. Thereafter, these fees may rise in accordance with the fiscal growth factor as provided in chapter 43.135 RCW.

(6) The fee for a general permit or an individual permit developed solely as a result of the federal court of appeals decision in *Headwaters, Inc. v. Talent Irrigation District*, 243 F.3rd 526 (9th Cir. 2001) is limited, until June 30, 2003, to a maximum of three hundred dollars. The department shall require such permits only if, and as long as, these permits are required under federal law.

(7) All fees collected under this section shall be deposited in the water quality permit account hereby created in the state treasury. Moneys in the account may be appropriated only for purposes of administering permits under RCW 90.48.160, 90.48.162, and 90.48.260.

~~((7) Beginning with the biennium ending June 30, 1997,))~~ (8) The department shall present a biennial progress report on the use of moneys from the account to the legislature. The report will be due December 31st of odd-numbered years. The report shall consist of information on fees collected, actual expenses incurred, and anticipated expenses for the current and following fiscal years.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 3 of the title, after "decision;" strike the remainder of the title and insert "amending RCW 90.48.465; creating a new section; and declaring an emergency."

Substitute House Bill No. 1759, as amended by the Senate having received the constitutional majority, was declared passed.

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2323, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that commercial fishing is vitally important not just to the economy of Washington, but also to the cultural heritage of the maritime communities in the state. Fisher men and women have a long and proud history in the Pacific Northwest. State and local governments should seek out ways to enable and encourage these professionals to share the rewards of their craft with the nonfishing citizens of and visitors to the state of Washington by encouraging the exploration and development of new niche markets.

NEW SECTION. Sec. 2. A new section is added to chapter 77.65 RCW to read as follows:

(1) The department must establish and administer a direct retail endorsement to serve as a single license that permits the holder of a Washington salmon or crab commercial fishing license to clean, dress, and sell his or her catch directly to consumers at retail, including over the internet. The direct retail endorsement must be issued as an optional addition to all holders of a salmon or crab commercial fishing license that the department offers under this chapter.

(2) The direct retail endorsement must be offered at the time of application for the qualifying commercial fishing license. Individuals in possession of a qualifying commercial fishing license issued under this chapter may add a direct retail endorsement to their current license at the time they renew their commercial fishing license. Individuals who do not have a commercial fishing license for salmon or crab issued under this chapter may not receive a direct retail endorsement. The costs, conditions, responsibilities, and privileges associated with the endorsed commercial fishing license is not affected or altered in any way by the addition of a direct retail endorsement. These costs include the base cost of the license and any revenue and excise taxes.

(3) An individual need only add one direct retail endorsement to his or her license portfolio. If a direct retail endorsement is selected by an individual holding more than one commercial fishing license issued under this chapter, a single direct retail endorsement is considered to be added to all qualifying commercial fishing licenses held by that individual, and is the only license required for the individual to sell at retail the harvest of salmon or crab permitted by all of the underlying endorsed licenses. The direct retail endorsement applies only to the person named on the endorsed license, and may not be used by an alternate operator named on the endorsed license.

(4) In addition to any fees charged for the endorsed licenses and harvest documentation as required by this chapter or the rules of the department, the department may set a reasonable annual fee not to exceed the administrative costs to the department for a direct retail endorsement.

(5) The holder of a direct retail endorsement is responsible for documenting the commercial harvest of salmon and crab according to the provisions of this chapter, the rules of the department for a wholesale fish dealer, and the reporting requirements of the endorsed license. Any salmon or crab caught by the holder of a direct retail endorsement must be landed in the round and documented on fish tickets, as provided for by the department, before further processing.

(6) The direct retail endorsement must be displayed in a readily visible manner by the seller wherever and whenever a sale to someone other than a licensed wholesale dealer occurs. For sales occurring in a venue other than in person, such as over the internet, through a catalog, or on the phone, the direct retail endorsement number of the seller must be provided to the buyer both at the time of sale and the time of delivery. All internet sales must be conducted in accordance with federal laws and regulations.

(7) The direct retail endorsement is to be held by a natural person and is not transferrable or assignable. If the endorsed license is transferred, the direct retail endorsement immediately becomes void, and the transferor is not eligible for a full or prorated reimbursement of the annual fee paid for the direct retail endorsement. Upon becoming void, the holder of a direct retail endorsement must surrender the physical endorsement to the department.

(8) The holder of a direct retail endorsement must abide by the provisions of Title 69 RCW as they apply to the processing and retail sale of seafood. The department must distribute a pamphlet, provided by the department of agriculture, with the direct retail endorsement generally describing the labeling requirements set forth in chapter 69.04 RCW as they apply to seafood.

(9) The holder of a qualifying commercial fishing license issued under this chapter must either possess a direct retail endorsement or a wholesale dealer license provided for in RCW 77.65.280 in order to lawfully sell their catch or harvest in the state to anyone other than a licensed wholesale dealer.

(10) The direct retail endorsement entitles the holder to sell wild-caught salmon or crab only at a temporary food service establishment as that term is defined in RCW 69.06.045.

NEW SECTION. Sec. 3. A new section is added to chapter 77.65 RCW to read as follows:

(1) Prior to being issued a direct retail endorsement, an individual must:

(a) Obtain and submit to the department a signed letter on appropriate letterhead from the health department of the county in which the individual makes his or her official residence or where the hailing port for any documented vessel owned by the individual is located as to the fulfillment of all requirements related to county health rules, including the payment of all required fees. The local health department generating the letter may charge a reasonable fee for any necessary inspections. The letter must certify that the methods used by the individual to transport, store, and display fresh salmon and crabs meets that county's standards and the statewide standards adopted by the board of health for food service operations; and

(b) Submit proof to the department that the individual making the direct retail sales is in possession of a valid food and beverage service worker's permit, as provided for in chapter 69.06 RCW.

(2) The requirements of subsection (1) of this section must be completed each license year before a renewal direct retail endorsement can be issued.

(3) Any individual possessing a direct retail endorsement must notify the local health department of the county in which retail sales are to occur, except for the county that conducted the initial inspection, forty-eight hours before any transaction and make his or her facilities available for inspection by a fish and wildlife officer, the local health department of any county in which he or she sells salmon or crab, and any designee of the department of health or the department of agriculture.

(4) Neither the department or a local health department may be held liable in any judicial proceeding alleging that consumption of or exposure to seafood sold by the holder of a direct retail endorsement resulted in a negative health consequence, as long as the department can show that the individual holding the direct retail endorsement complied with the requirements of subsection (1) of this section prior to being issued his or her direct retail license, and neither the department nor a local health department acted in a reckless manner. For the purposes of this subsection, the department or a local health district shall not be deemed to be acting recklessly for not conducting a permissive inspection.

NEW SECTION. Sec. 4. A new section is added to chapter 77.65 RCW to read as follows:

(1) The direct retail endorsement is conditioned upon compliance:

(a) With the requirements of this chapter as they apply to wholesale fish dealers and to the rules of the department relating to the payment of fines for violations of rules for the accounting of the commercial harvest of salmon or crabs; and

(b) With the state board of health and local rules for food service establishments.

(2) Violations of the requirements and rules referenced in subsection (1) of this section may result in the suspension of the direct retail endorsement. The suspended individual must not be reimbursed for any portion of the suspended endorsement. Suspension of the direct retail endorsement may not occur unless and until:

(a) The director has notified by order the holder of the direct retail endorsement when a violation of subsection (1) of this section has occurred. The notification must specify the type of violation, the liability to be imposed for damages caused by the violation, a notice that the amount of liability is due and payable by the holder of the direct retail endorsement, and an explanation of the options available to satisfy the liability; and

(b) The holder of the direct retail endorsement has had at least ninety days after the notification provided in (a) of this subsection was received to either make full payment for all liabilities owed or enter into an agreement with the department to pay off all liabilities within a reasonable time.

(3)(a) If, within ninety days after receipt of the order provided in subsection (2)(a) of this section, the amount specified in the order is not paid or the holder of the direct retail endorsement has not entered into an agreement with the department to pay off all liabilities, the prosecuting attorney for any county in which the persons to whom the order is directed do business, or the attorney general upon request of the department, may bring an action on behalf of the state in the superior court for Thurston county, or any county in which the persons to whom the order is directed do business, to seek suspension of the individual's direct retail endorsement for up to five years.

(b) The department may temporarily suspend the privileges provided by the direct retail endorsement for up to one hundred twenty days following the receipt of the order provided in subsection (2)(a) of this section, unless the holder of the direct retail endorsement has deposited with the department an acceptable performance bond on forms prescribed and provided by the department. This performance bond must be a corporate surety bond executed in favor of the department by a corporation authorized to do business in the state of Washington under chapter 48.28 RCW and approved by the department. The bond must be filed and maintained in an amount equal to one thousand dollars.

(4) For violations of state board of health and local rules under subsection (1)(b) of this section only, any person inspecting the facilities of a direct retail endorsement holder under section 3 of this act may suspend the privileges granted by the endorsement for up to seven days. Within twenty-four hours of the discovery of the violation, the inspecting entity must notify the department of the violation. Upon notification, the department may proceed with the procedures outlined in this section for suspension of the endorsement. If the violation of a state board of health rule is discovered by a local health department, that local jurisdiction may fine the holder of the direct retail endorsement according to the local jurisdiction's rules as they apply to retail food operations.

(5) Subsections (2) and (3) of this section do not apply to a holder of a direct retail endorsement that executes a surety bond and abides by the conditions established in RCW 77.65.320 and 77.65.330 as they apply to wholesale dealers.

Sec. 5. RCW 77.65.280 and 2000 c 107 s 48 are each amended to read as follows:

A wholesale fish dealer's license is required for:

(1) A business in the state to engage in the commercial processing of food fish or shellfish, including custom canning or processing of personal use food fish or shellfish.

(2) A business in the state to engage in the wholesale selling, buying, or brokering of food fish or shellfish. A wholesale fish dealer's license is not required of those businesses which buy exclusively from Washington licensed wholesale dealers and sell solely at retail.

(3) Fishermen who land and sell their catch or harvest in the state to anyone other than a licensed wholesale dealer within or outside the state, unless the fisher has a direct retail endorsement.

(4) A business to engage in the commercial manufacture or preparation of fertilizer, oil, meal, caviar, fish bait, or other byproducts from food fish or shellfish.

(5) A business employing a fish buyer as defined under RCW 77.65.340.

The annual license fee for a wholesale dealer is two hundred fifty dollars. A wholesale fish dealer's license is not required for persons engaged in the processing, wholesale selling, buying, or brokering of private sector cultured aquatic products as defined in RCW 15.85.020. However, if a means of identifying such products is required by rules adopted under RCW 15.85.060, the exemption from licensing requirements established by this subsection applies only if the aquatic products are identified in conformance with those rules.

Sec. 6. RCW 77.15.565 and 2000 c 107 s 12 are each amended to read as follows:

Since violation of the rules of the department relating to the accounting of the commercial harvest of food fish and shellfish result in damage to the resources of the state, liability for damage to food fish and shellfish resources is imposed on a wholesale fish dealer or the holder of a direct retail endorsement for violation of a provision in chapter 77.65 RCW or a rule of the department related to the accounting of the commercial harvest of food fish and shellfish and shall be for the actual damages or for damages imposed as follows:

(1) For violation of rules requiring the timely presentation to the department of documents relating to the accounting of commercial harvest, fifty dollars for each of the first fifteen documents in a series and ten dollars for each subsequent document in the same series. If documents relating to the accounting of commercial harvest of food fish and shellfish are lost or destroyed and the wholesale dealer or holder of a direct retail endorsement notifies the department in writing within seven days of the loss or destruction, the director shall waive the requirement for timely presentation of the documents.

(2) For violation of rules requiring accurate and legible information relating to species, value, harvest area, or amount of harvest, twenty-five dollars for each of the first five violations of this subsection following July 28, 1985, and fifty dollars for each violation after the first five violations.

(3) For violations of rules requiring certain signatures, fifty dollars for each of the first two violations and one hundred dollars for each subsequent violation. For the purposes of this subsection, each signature is a separate requirement.

(4) For other violations of rules relating to the accounting of the commercial harvest, fifty dollars for each separate violation.

Sec. 7. RCW 77.15.620 and 2000 c 107 s 253 are each amended to read as follows:

(1) A person is guilty of engaging in fish dealing activity without a license in the second degree if the person:

(a) Engages in the commercial processing of fish or shellfish, including custom canning or processing of personal use fish or shellfish and does not hold a wholesale dealer's license required by RCW 77.65.280(1) or 77.65.480 for anadromous game fish, or a direct retail endorsement under section 2 of this act;

(b) Engages in the wholesale selling, buying, or brokering of food fish or shellfish and does not hold a wholesale dealer's or buying license required by RCW 77.65.280(2) or 77.65.480 for anadromous game fish;

(c) Is a fisher who lands and sells his or her catch or harvest in the state to anyone other than a licensed wholesale dealer within or outside the state and does not hold a (~~wholesale dealer's license required by RCW 77.65.280(3) or 77.65.480 for anadromous game fish~~) direct retail endorsement required by section 2 of this act; or

(d) Engages in the commercial manufacture or preparation of fertilizer, oil, meal, caviar, fish bait, or other byproducts from food fish or shellfish and does not hold a wholesale dealer's license required by RCW 77.65.280(4) or 77.65.480 for anadromous game fish.

(2) Engaging in fish dealing activity without a license in the second degree is a gross misdemeanor.

(3) A person is guilty of engaging in fish dealing activity without a license in the first degree if the person commits the act described by subsection (1) of this section and the violation involves fish or shellfish worth two hundred fifty dollars or more. Engaging in fish dealing activity without a license in the first degree is a class C felony.

Sec. 8. RCW 77.15.640 and 2000 c 107 s 255 are each amended to read as follows:

(1) A person who holds a wholesale fish dealer's license required by RCW 77.65.280, an anadromous game fish buyer's license required by RCW 77.65.480, (~~or~~) a fish buyer's license

required by RCW 77.65.340, or a direct retail endorsement under section 2 of this act is guilty of violating rules governing wholesale fish buying and dealing if the person:

- (a) Fails to possess or display his or her license when engaged in any act requiring the license;
 - (b) Fails to display or uses the license in violation of any rule of the department;
 - (c) Files a signed fish-receiving ticket but fails to provide all information required by rule of the department; or
 - (d) Violates any other rule of the department regarding wholesale fish buying and dealing.
- (2) Violating rules governing wholesale fish buying and dealing is a gross misdemeanor.

Sec. 9. RCW 36.71.090 and 1984 c 25 s 4 are each amended to read as follows:

(1) It shall be lawful for any farmer, gardener, or other person, without license, to sell, deliver, or peddle any fruits, vegetables, berries, eggs, or any farm produce or edibles raised, gathered, produced, or manufactured by such person and no city or town shall pass or enforce any ordinance prohibiting the sale by or requiring license from the producers and manufacturers of farm produce and edibles as herein defined: **PROVIDED**, That nothing herein authorizes any person to sell, deliver, or peddle, without license, in any city or town, any dairy product, meat, poultry, eel, fish, mollusk, or shellfish where a license is required to engage legally in such activity in such city or town.

(2) It is lawful for an individual in possession of a valid direct retail endorsement, as established in section 2 of this act, to sell, deliver, or peddle wild-caught salmon or crab that is caught, harvested, or collected under rule of the department of fish and wildlife by such a person at a temporary food service establishment, as that term is defined in RCW 69.06.045, and no city, town, or county may pass or enforce an ordinance prohibiting the sale by or requiring additional licenses or permits from the holder of the valid direct retail endorsement. However, this subsection does not prohibit a city, town, or county from inspecting an individual displaying a direct retail endorsement to verify that the person is in compliance with state board of health and local rules for food service operations.

Sec. 10. RCW 69.07.100 and 1995 c 374 s 22 are each amended to read as follows:

The provisions of this chapter shall not apply to establishments issued a permit or licensed under the provisions of:

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2376, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there has been an increase in the number of derelict and abandoned vessels that are either grounded or anchored upon publicly or privately owned submerged lands. These vessels are public nuisances and safety hazards as they often pose hazards to navigation, detract from the aesthetics of Washington's waterways, and threaten the environment with the potential release of hazardous materials. The legislature further finds that the costs associated with the disposal of derelict and abandoned vessels are substantial, and that in many cases there is no way to track down the current vessel owners in order to seek compensation. As a result, the costs associated with the removal of derelict vessels becomes a burden on public entities and the taxpaying public.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned vessel" means the vessel's owner is not known or cannot be located, or if the vessel's owner is known and located but is unwilling to take control of the vessel, and the vessel has been left, moored, or anchored in the same area without the express consent, or contrary to the rules, of the owner, manager, or lessee of the aquatic lands below or on which the vessel is located for either a period of more than thirty consecutive days or for more than a total of ninety days in any three hundred sixty-five day period. For the purposes of this subsection (1) only, "in the same area" means within a radius of five miles of any location where the vessel was previously moored or anchored on aquatic lands.

(2) "Aquatic lands" means all tidelands, shorelands, harbor areas, and the beds of navigable waters, including lands owned by the state and lands owned by other public or private entities.

(3) "Authorized public entity" includes any of the following: The department of natural resources; the department of fish and wildlife; the parks and recreation commission; a metropolitan park district; a port district; and any city, town, or county with ownership, management, or jurisdiction over the aquatic lands where an abandoned or derelict vessel is located.

(4) "Department" means the department of natural resources.

(5) "Derelict vessel" means the vessel's owner is known and can be located, and exerts control of a vessel that:

(a) Has been moored, anchored, or otherwise left in the waters of the state or on public property contrary to RCW 79.01.760 or rules adopted by an authorized public entity;

(b) Has been left on private property without authorization of the owner; or

(c) Has been left for a period of seven consecutive days, and:

(i) Is sunk or in danger of sinking;

(ii) Is obstructing a waterway; or

(iii) Is endangering life or property.

(6) "Owner" means any natural person, firm, partnership, corporation, association, government entity, or organization that has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest.

(7) "Vessel" has the same meaning as defined in RCW 53.08.310.

NEW SECTION. Sec. 3. This chapter is not intended to limit or constrain the ability and authority of the authorized public entities to enact and enforce ordinances or other regulations relating to derelict and abandoned vessels, or to take any actions authorized by federal or state law in responding to derelict or abandoned vessels. This chapter is also not intended to be the sole remedy available to authorized public entities against the owners of derelict and abandoned vessels.

NEW SECTION. Sec. 4. (1) An authorized public entity has the authority, subject to the processes and limitations of this chapter, to store, strip, use, auction, sell, salvage, scrap, or dispose of an abandoned or derelict vessel found on or above aquatic lands within the jurisdiction of the

authorized public entity. A vessel disposal must be done in an environmentally sound manner and in accordance with all federal, state, and local laws, including the state solid waste disposal provisions provided for in chapter 70.95 RCW. Scuttling or sinking of a vessel is only permissible after obtaining the express permission of the owner or owners of the aquatic lands below where the scuttling or sinking would occur, and obtaining all necessary state and federal permits or licenses.

(2) The primary responsibility to remove a derelict or abandoned vessel belongs to the owner, operator, or lessee of the moorage facility or the aquatic lands where the vessel is located. If the authorized public entity with the primary responsibility is unwilling or unable to exercise the authority granted by this section, it may request the department to assume the authorized public entity's authority for a particular vessel. The department may at its discretion assume the authorized public entity's authority for a particular vessel after being requested to do so. For vessels not at a moorage facility, an authorized public entity with jurisdiction over the aquatic lands where the vessel is located may, at its discretion, request to assume primary responsibility for that particular vessel from the owner of the aquatic lands where the vessel is located.

(3) The authority granted by this chapter is permissive, and no authorized public entity has a duty to exercise the authority. No liability attaches to an authorized public entity that chooses not to exercise this authority.

NEW SECTION. Sec. 5. (1) Prior to exercising the authority granted in section 4 of this act, the authorized public entity must first obtain custody of the vessel. To do so, the authorized public entity must:

(a) Mail notice of its intent to obtain custody, at least twenty days prior to taking custody, to the last known address of the previous owner to register the vessel in any state or with the federal government and to any lien holders or secured interests on record. A notice need not be sent to the purported owner or any other person whose interest in the vessel is not recorded with a state or federal agency;

(b) Post notice of its intent clearly on the vessel for thirty days and publish its intent at least once, more than ten days but less than twenty days prior to taking custody, in a newspaper of general circulation for the county in which the vessel is located; and

(c) Post notice of its intent on the department's internet web site on a page specifically designated for such notices. If the authorized public entity is not the department, the department must facilitate the internet posting.

(2) All notices sent, posted, or published in accordance with this section must, at a minimum, explain the intent of the authorized public entity to take custody of the vessel, the rights of the authorized public entity after taking custody of the vessel as provided in section 4 of this act, the procedures the owner must follow in order to avoid custody being taken by the authorized public entity, the procedures the owner must follow in order to reclaim possession after custody is taken by the authorized public entity, and the financial liabilities that the owner may incur as provided for in section 7 of this act.

(3) If a vessel is in immediate danger of sinking, breaking up, or blocking navigational channels, and the owner of the vessel cannot be located or is unwilling to assume responsibility for the vessel, an authorized public entity may tow, beach, or otherwise take temporary possession of the vessel. Before taking temporary possession of the vessel, the authorized public entity must make reasonable attempts to consult with the department and the United States coast guard to ensure that other remedies are not available. The basis for taking temporary possession of the vessel must be set out in writing by the authorized public entity within seven days of taking action and be submitted to the owner, if known, as soon thereafter as is reasonable. Immediately after taking possession of the vessel, the authorized public entity must initiate the notice provisions in subsection (1) of this section. The authorized public entity must complete the notice requirements of subsection (1) of this section before using or disposing of the vessel as authorized in section 6 of this act.

NEW SECTION. Sec. 6. (1) After taking custody of a vessel, the authorized public entity may use or dispose of the vessel in any appropriate and environmentally sound manner without further notice to any owners, but must give preference to uses that derive some monetary benefit from the vessel, either in whole or in scrap. If no value can be derived from the vessel, the authorized public entity must give preference to the least costly, environmentally sound, reasonable disposal option. Any

disposal operations must be consistent with the state solid waste disposal provisions provided for in chapter 70.95 RCW.

(2) If the authorized public entity chooses to offer the vessel at a public auction, either a minimum bid may be set or a letter of credit may be required, or both, to discourage future reabandonment of the vessel.

(3) Proceeds derived from the sale of the vessel must first be applied to any administrative costs that are incurred by the authorized public entity during the notification procedures set forth in section 5 of this act, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. If the proceeds derived from the vessel exceed all administrative costs, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel, the remaining moneys must be applied to satisfying any liens registered against the vessel.

(4) Any value derived from a vessel greater than all liens and costs incurred reverts to the derelict vessel removal account established in section 11 of this act.

NEW SECTION. Sec. 7. (1) The owner of an abandoned or derelict vessel is responsible for reimbursing an authorized public entity for all reasonable and auditable costs associated with the removal or disposal of the owner's vessel under this chapter. These costs include, but are not limited to, costs incurred exercising the authority granted in section 4 of this act, all administrative costs incurred by the authorized public entity during the procedure set forth in section 5 of this act, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel.

(2) Reimbursement for costs may be sought from an owner who is identified subsequent to the vessel's removal and disposal.

(3) If the full amount of all costs due to the authorized public entity under this chapter is not paid to the authorized public entity within thirty days after first notifying the responsible parties of the amounts owed, the authorized public entity or the department may bring an action in any court of competent jurisdiction to recover the costs, plus reasonable attorneys' fees and costs incurred by the authorized public entity.

NEW SECTION. Sec. 8. An authorized public entity may enter into a contract with a private company or individual to carry out the authority granted in this chapter.

NEW SECTION. Sec. 9. The rights granted by this chapter are in addition to any other legal rights an authorized public entity may have to obtain title to, remove, recover, sell, or dispose of an abandoned or derelict vessel, and in no way does this chapter alter those rights, or affect the priority of other liens on a vessel.

NEW SECTION. Sec. 10. A person seeking to redeem a vessel that is in the custody of an authorized public entity may commence a lawsuit to contest the authorized public entity's decision to take custody of the vessel or to contest the amount of reimbursement owed. The lawsuit must be commenced in the superior court of the county in which the vessel existed when custody was taken by the authorized public entity. The lawsuit must be commenced within twenty days of the date the authorized public entity took custody of the vessel under section 5 of this act, or the right to a hearing is deemed waived and the vessel's owner is liable for any costs owed the authorized public entity. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

NEW SECTION. Sec. 11. (1) The derelict vessel removal account is created in the state treasury. All receipts from sections 6 and 7 of this act and those moneys specified in RCW 88.02.030 and 88.02.050 must be deposited into the account. Moneys in the account may only be spent after appropriation. Expenditures from the account shall be used by the department to reimburse authorized public entities for seventy-five percent of the total reasonable and auditable administrative, removal, disposal, and environmental damage costs of abandoned or derelict vessels when the previous owner is either unknown after a reasonable search effort or insolvent. During the 2001-2003 biennium, up to forty percent of the expenditures from the account may be used for administrative expenses of the department of licensing and department of natural resources in implementing this chapter. In each subsequent biennium, up to twenty percent of the expenditures from the account may be used for

administrative expenses of the department of licensing and department of natural resources in implementing this chapter.

(2) If the balance of the account reaches one million dollars as of March 1st of any year, the department must notify the department of licensing and the collection of any fees associated with this account must be suspended for the following fiscal year.

(3) Priority for use of this account is for the removal of derelict and abandoned vessels that are in danger of sinking, breaking up, or blocking navigation channels, or that present environmental risks such as leaking fuel or other hazardous substances. The department must develop criteria, in the form of informal guidelines, to prioritize removal projects associated with this chapter, but may not consider whether the applicant is a state or local entity when prioritizing. The guidelines must also include guidance to the authorized public entities as to what removal activities and associated costs are reasonable and eligible for reimbursement.

(4) The department must keep all authorized public entities apprized of the balance of the derelict vessel removal account and the funds available for reimbursement. The guidelines developed by the department must also be made available to the other authorized public entities. This subsection (4) must be satisfied by utilizing the least costly method, including maintaining the information on the department's internet web site, or any other cost-effective method.

(5) An authorized public entity may contribute its twenty-five percent of costs that are not eligible for reimbursement by using in-kind services, including the use of existing staff, equipment, and volunteers.

(6) This chapter does not guarantee reimbursement for an authorized public entity. Authorized public entities seeking certainty in reimbursement prior to taking action under this chapter may first notify the department of their proposed action and the estimated total costs. Upon notification by an authorized public entity, the department must make the authorized public entity aware of the status of the fund and the likelihood of reimbursement being available. The department may offer technical assistance and assure reimbursement for up to two years following the removal action if an assurance is appropriate given the balance of the fund and the details of the proposed action.

Sec. 12. RCW 88.02.030 and 1998 c 198 s 1 are each amended to read as follows:

Vessel registration is required under this chapter except for the following:

(1) Military or public vessels of the United States, except recreational-type public vessels;
(2) Vessels owned by a state or subdivision thereof, used principally for governmental purposes and clearly identifiable as such;

(3) Vessels either (a) registered or numbered under the laws of a country other than the United States; or (b) having a valid United States customs service cruising license issued pursuant to 19 C.F.R. Sec. 4.94. On or before the sixty-first day of use in the state, any vessel in the state under this subsection shall obtain an identification document from the department of licensing, its agents, or subagents indicating when the vessel first came into the state. At the time of any issuance of an identification document, a ~~((twenty-five))~~ thirty dollar identification document fee shall be paid by the vessel owner to the department of licensing for the cost of providing the identification document by the department of licensing. Five dollars from each such transaction must be deposited in the derelict vessel removal account created in section 11 of this act. Any moneys remaining from the fee after the payment of costs and the deposit to the derelict vessel removal account shall be allocated to counties by the state treasurer for approved boating safety programs under RCW 88.02.045. The department of licensing shall adopt rules to implement its duties under this subsection, including issuing and displaying the identification document and collecting the ~~((twenty-five))~~ thirty dollar fee;

(4) Vessels that have been issued a valid number under federal law or by an approved issuing authority of the state of principal operation. However, a vessel that is validly registered in another state but that is removed to this state for principal use is subject to registration under this chapter. The issuing authority for this state shall recognize the validity of the numbers previously issued for a period of sixty days after arrival in this state;

(5) Vessels owned by a nonresident if the vessel is located upon the waters of this state exclusively for repairs, alteration, or reconstruction, or any testing related to the repair, alteration, or reconstruction conducted in this state if an employee of the repair, alteration, or construction facility is on board the vessel during any testing(~~(= PROVIDED, That)~~). However, any vessel owned by a nonresident is located upon the waters of this state exclusively for repairs, alteration, reconstruction, or testing for a period longer than sixty days, that the nonresident shall file an affidavit with the

department of revenue verifying the vessel is located upon the waters of this state for repair, alteration, reconstruction, or testing and shall continue to file such affidavit every sixty days thereafter, while the vessel is located upon the waters of this state exclusively for repairs, alteration, reconstruction, or testing;

(6) Vessels equipped with propulsion machinery of less than ten horsepower that:

(a) Are owned by the owner of a vessel for which a valid vessel number has been issued;

(b) Display the number of that numbered vessel followed by the suffix "1" in the manner prescribed by the department; and

(c) Are used as a tender for direct transportation between that vessel and the shore and for no other purpose;

(7) Vessels under sixteen feet in overall length which have no propulsion machinery of any type or which are not used on waters subject to the jurisdiction of the United States or on the high seas beyond the territorial seas for vessels owned in the United States and are powered by propulsion machinery of ten or less horsepower;

(8) Vessels with no propulsion machinery of any type for which the primary mode of propulsion is human power;

(9) Vessels primarily engaged in commerce which have or are required to have a valid marine document as a vessel of the United States. Commercial vessels which the department of revenue determines have the external appearance of vessels which would otherwise be required to register under this chapter, must display decals issued annually by the department of revenue that indicate the vessel's exempt status;

(10) Vessels primarily engaged in commerce which are owned by a resident of a country other than the United States; and

(11) On and after January 1, 1998, vessels owned by a nonresident individual brought into the state for his or her use or enjoyment while temporarily within the state for not more than six months in any continuous twelve-month period, unless the vessel is used in conducting a nontransitory business activity within the state. However, the vessel must have been issued a valid number under federal law or by an approved issuing authority of the state of principal operation. On or before the sixty-first day of use in the state, any vessel temporarily in the state under this subsection shall obtain an identification document from the department of licensing, its agents, or subagents indicating when the vessel first came into the state. An identification document shall be valid for a period of two months. At the time of any issuance of an identification document, a twenty-five dollar identification document fee shall be paid by the vessel owner to the department of licensing for the cost of providing the identification document by the department of licensing. Any moneys remaining from the fee after payment of costs shall be allocated to counties by the state treasurer for approved boating safety programs under RCW 88.02.045. The department of licensing shall adopt rules to implement its duties under this subsection, including issuing and displaying the identification document and collecting the twenty-five dollar fee.

Sec. 13. RCW 88.02.050 and 1993 c 244 s 38 are each amended to read as follows:

Application for a vessel registration shall be made to the department or its authorized agent in the manner and upon forms prescribed by the department. The application shall state the name and address of each owner of the vessel and such other information as may be required by the department, shall be signed by at least one owner, and shall be accompanied by a vessel registration fee of ten dollars and fifty cents per year and the excise tax imposed under chapter 82.49 RCW. In addition, two additional dollars must be collected annually from every vessel registration application. These moneys must be deposited into the derelict vessel removal account established in section 11 of this act. If the department of natural resources indicates that the balance of the derelict vessel removal account reaches one million dollars as of March 1st of any year, the collection of the two-dollar fee must be suspended for the following fiscal year. Any fees required for licensing agents under RCW 46.01.140 shall be in addition to the ten dollar and fifty cent annual registration fee and the two-dollar derelict vessel fee.

Upon receipt of the application and the registration fee, the department shall assign a registration number and issue a decal for each vessel. The registration number and decal shall be issued and affixed to the vessel in a manner prescribed by the department consistent with the standard numbering system for vessels set forth in volume 33, part 174, of the code of federal regulations. A valid decal affixed as prescribed shall indicate compliance with the annual registration requirements of this chapter.

The vessel registrations and decals are valid for a period of one year, except that the director of licensing may extend or diminish vessel registration periods, and the decals therefor, for the purpose of staggered renewal periods. For registration periods of more or less than one year, the department may collect prorated annual registration fees and excise taxes based upon the number of months in the registration period. Vessel registrations are renewable every year in a manner prescribed by the department upon payment of the vessel registration fee ~~((and))~~, excise tax, and the derelict vessel fee. Upon renewing a vessel registration, the department shall issue a new decal to be affixed as prescribed by the department.

When the department issues either a notice to renew a vessel registration or a decal for a new or renewed vessel registration, it shall also provide information on the location of marine oil recycling tanks and sewage holding tank pumping stations. This information will be provided to the department by the state parks and recreation commission in a form ready for distribution. The form will be developed and prepared by the state parks and recreation commission with the cooperation of the department of ecology. The department, the state parks and recreation commission, and the department of ecology shall enter into a memorandum of agreement to implement this process.

A person acquiring a vessel from a dealer or a vessel already validly registered under this chapter shall, within fifteen days of the acquisition or purchase of the vessel, apply to the department or its authorized agent for transfer of the vessel registration, and the application shall be accompanied by a transfer fee of one dollar.

Sec. 14. RCW 88.02.040 and 1989 c 393 s 12 are each amended to read as follows:

The department shall provide for the issuance of vessel registrations and may appoint agents for collecting fees and issuing registration numbers and decals. General fees for vessel registrations collected by the director shall be deposited in the general fund: PROVIDED, That any amount above one million one hundred thousand dollars per fiscal year shall be allocated to counties by the state treasurer for boating safety/education and law enforcement programs and the fee collected specifically for the removal and disposal of derelict vessels must be deposited in the derelict vessel removal account created in section 11 of this act. Eligibility for ~~((such))~~ boating safety/education and law enforcement program allocations shall be contingent upon approval of the local boating safety program by the state parks and recreation commission. Fund allocation shall be based on the numbers of registered vessels by county of moorage. Each benefitting county shall be responsible for equitable distribution of such allocation to other jurisdictions with approved boating safety programs within said county. Any fees not allocated to counties due to the absence of an approved boating safety program, shall be allocated to the commission for awards to local governments to offset law enforcement and boating safety impacts of boaters recreating in jurisdictions other than where registered.

NEW SECTION. **Sec. 17.** A new section is added to chapter 36.32 RCW to read as follows:

NEW SECTION. **Sec. 18.** A new section is added to chapter 53.08 RCW to read as follows:

NEW SECTION. Sec. 19. A new section is added to chapter 77.12 RCW to read as follows:

Sec. 20. RCW 79A.65.010 and 2000 c 11 s 115 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Charges" means charges of the commission for moorage and storage, and all other charges related to the vessel and owing to or that become owing to the commission, including but not limited to costs of securing, disposing, or removing vessels, damages to any commission facility, and any costs of sale and related legal expenses for implementing RCW 79A.65.020 and 79A.65.030.

(2) "Commission" means the Washington state parks and recreation commission.

(3) "Commission facility" means any (~~property or~~) moorage facility, as that term is defined in RCW 53.08.310, owned, leased, operated, managed, or otherwise controlled by the commission or by a person pursuant to a contract with the commission.

(4) "Owner" means a person who has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest, and shall not include the holder of a bona fide security interest.

(5) "Person" means any natural person, firm, partnership, corporation, association, organization, or any other entity.

(6)(a) "Registered owner" means any person that is either: (i) Shown as the owner in a vessel certificate of documentation issued by the secretary of the United States department of transportation under 46 U.S.C. Sec. 12103; or (ii) the registered owner or legal owner of a vessel for which a certificate of title has been issued under chapter 88.02 RCW; or (iii) the owner of a vessel registered under the vessel registration laws of another state under which laws the commission can readily identify the ownership of vessels registered with that state.

(b) "Registered owner" also includes: (i) Any holder of a security interest or lien recorded with the United States department of transportation with respect to a vessel on which a certificate of documentation has been issued; (ii) any holder of a security interest identified in a certificate of title for a vessel registered under chapter 88.02 RCW; or (iii) any holder of a security interest in a vessel where the holder is identified in vessel registration information of a state with vessel registration laws that fall within (a)(iii) of this subsection and under which laws the commission can readily determine the identity of the holder.

(c) "Registered owner" does not include any vessel owner or holder of a lien or security interest in a vessel if the vessel does not have visible information affixed to it (such as name and hailing port or registration numbers) that will enable the commission to obtain ownership information for the vessel without incurring unreasonable expense.

(7) "Registered vessel" means a vessel having a registered owner.

(8) "Secured vessel" means any vessel that has been secured by the commission that remains in the commission's possession and control.

(9) "Unauthorized vessel" means a vessel using a commission facility of any type whose owner has not paid the required moorage fees or has left the vessel beyond the posted time limits, or a vessel otherwise present without permission of the commission.

(10) "Vessel" means every watercraft or part thereof constructed, used, or capable of being used as a means of transportation on the water. It includes any equipment or personal property on the vessel that is used or capable of being used for the operation, navigation, or maintenance of the vessel.

Sec. 21. RCW 79A.65.020 and 1994 c 51 s 2 are each amended to read as follows:

(1) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, and locks, or removal from the water, to secure unauthorized vessels located at

or on a commission facility so that the unauthorized vessels are in the possession and control of the commission. At least ten days before securing any unauthorized registered vessel, the commission shall send notification by registered mail to the last registered owner or registered owners of the vessel at their last known address or addresses.

(2) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, locks, or removal from the water, to secure any vessel if the vessel, in the opinion of the commission, is a nuisance, is in danger of sinking or creating other damage to a commission facility, or is otherwise a threat to the health, safety, or welfare of the public or environment at a commission facility. The costs of any such procedure shall be paid by the vessel's owner.

(3) At the time of securing any vessel under subsection (1) or (2) of this section, the commission shall attach to the vessel a readily visible notice or, when practicable, shall post such notice in a conspicuous location at the commission facility in the event the vessel is removed from the premises. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached or posted;

(b) A statement that the vessel has been secured by the commission and that if the commission's charges, if any, are not paid and the vessel is not removed by (the thirty-fifth consecutive day following the date of attachment or posting of the notice), the vessel will be considered abandoned and will be sold at public auction to satisfy the charges;

(c) The address and telephone number where additional information may be obtained concerning the securing of the vessel and conditions for its release; and

(d) A description of the owner's or secured party's rights under this chapter.

(4) With respect to registered vessels: Within five days of the date that notice is attached or posted under subsection (3) of this section, the commission shall send such notice, by registered mail, to each registered owner.

(5) If a vessel is secured under subsection (1) or (2) of this section, the owner, or any person with a legal right to possess the vessel, may claim the vessel by:

(a) Making arrangements satisfactory to the commission for the immediate removal of the vessel from the commission's control or for authorized storage or moorage; and

(b) Making payment to the commission of all reasonable charges incurred by the commission in securing the vessel under subsections (1) and (2) of this section and of all moorage fees owed to the commission.

(6) A vessel is considered abandoned if, within the thirty-five day period following the date of attachment or posting of notice in subsection (3) of this section, the vessel has not been claimed under subsection (5) of this section.

(7) If the owner or owners of a vessel are unable to reimburse the commission for all reasonable charges under subsections (1) and (2) of this section within a reasonable time, the commission may seek reimbursement of seventy-five percent of all reasonable and auditable costs from the derelict vessel removal account established in section 11 of this act.

Sec. 22. RCW 79A.65.030 and 2000 c 11 s 116 are each amended to read as follows:

(1) The commission may provide for the public sale of vessels considered abandoned under RCW 79A.65.020. At such sales, the vessels shall be sold for cash to the highest and best bidder. The commission may establish either a minimum bid or require a letter of credit, or both, to discourage the future reabandonment of the vessel.

(2) Before a vessel is sold, the commission shall make a reasonable effort to provide notice of sale, at least twenty days before the day of the sale, to each registered owner of a registered vessel and each owner of an unregistered vessel. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of charges then owing with respect to the vessel, and a summary of the rights and procedures under this chapter. A notice of sale shall be published at least once, more than ten but not more than twenty days before the sale, in a newspaper of general circulation in the county in which the commission facility is located. This notice shall include: (a) If known, the name of the vessel and the last owner and the owner's address; and (b) a reasonable description of the vessel. The commission may bid all or part of its charges at the sale and may become a purchaser at the sale.

(3) Before a vessel is sold, any person seeking to redeem a secured vessel may commence a lawsuit in the superior court for the county in which the vessel was secured to contest the commission's

decision to secure the vessel or the amount of charges owing. This lawsuit shall be commenced within fifteen days of the date the notification was posted under RCW 79A.65.020(3), or the right to a hearing is deemed waived and the owner is liable for any charges owing the commission. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(4) The proceeds of a sale under this section shall be applied first to the payment of the amount of the reasonable charges incurred by the commission and moorage fees owed to the commission, then to the owner or to satisfy any liens of record or security interests of record on the vessel in the order of their priority. If an owner cannot in the exercise of due diligence be located by the commission within one year of the date of the sale, any excess funds from the sale, following the satisfaction of any bona fide security interest, shall revert to the ~~((department of revenue under chapter 63.29 RCW))~~ derelict vessel removal account established in section 11 of this act. If the sale is for a sum less than the applicable charges, the commission is entitled to assert a claim for the deficiency against the vessel owner. Nothing in this section prevents any lien holder or secured party from asserting a claim for any deficiency owed the lien holder or secured party.

(5) If no one purchases the vessel at a sale, the commission may proceed to properly dispose of the vessel in any way the commission considers appropriate, including, but not limited to, destruction of the vessel or by negotiated sale. The commission may assert a claim against the owner for any charges incurred thereby. If the vessel, or any part of the vessel, or any rights to the vessel, are sold under this subsection, any proceeds from the sale shall be distributed in the manner provided in subsection (4) of this section.

Sec. 23. RCW 53.08.320 and 1986 c 260 s 2 are each amended to read as follows:

A moorage facility operator may adopt all ~~((regulations))~~ rules necessary for rental and use of moorage facilities and for the expeditious collection of port charges. The ~~((regulations))~~ rules may also establish procedures for the enforcement of these ~~((regulations))~~ rules by port district, city, county, metropolitan park district or town personnel. The ~~((regulations))~~ rules shall include the following:

(1) Procedures authorizing moorage facility personnel to take reasonable measures, including the use of chains, ropes, and locks, or removal from the water, to secure vessels within the moorage facility so that the vessels are in the possession and control of the moorage facility operator and cannot be removed from the moorage facility. These procedures may be used if an owner mooring or storing a vessel at the moorage facility fails, after being notified that charges are owing and of the owner's right to commence legal proceedings to contest that such charges are owing, to pay the port charges owed or to commence legal proceedings. Notification shall be by registered mail to the owner at his or her last known address. In the case of a transient vessel, or where no address was furnished by the owner, the moorage facility operator need not give such notice prior to securing the vessel. At the time of securing the vessel, an authorized moorage facility employee shall attach to the vessel a readily visible notice. The notice shall be of a reasonable size and shall contain the following information:

- (a) The date and time the notice was attached;
- (b) A statement that if the account is not paid in full within ninety days from the time the notice is attached, the vessel may be sold at public auction to satisfy the port charges; and
- (c) The address and telephone number where additional information may be obtained concerning release of the vessel.

After a vessel is secured, the operator shall make a reasonable effort to notify the owner by registered mail in order to give the owner the information contained in the notice.

(2) Procedures authorizing moorage facility personnel at their discretion to move moored vessels ashore for storage within properties under the operator's control or for storage with private persons under their control as bailees of the moorage facility, if the vessel is, in the opinion of port personnel a nuisance, if the vessel is in danger of sinking or creating other damage, or is owing port charges. Costs of any such procedure shall be paid by the vessel's owner. If the owner is not known, or unable to reimburse the moorage facility operator for the costs of these procedures, the mooring facility operators may seek reimbursement of seventy-five percent of all reasonable and auditable costs from the derelict vessel removal account established in section 11 of this act.

(3) If a vessel is secured under subsection (1) of this section or moved ashore under subsection (2) of this section, the owner who is obligated to the moorage facility operator for port charges may regain possession of the vessel by:

- (a) Making arrangements satisfactory with the moorage facility operator for the immediate removal of the vessel from the moorage facility or for authorized moorage; and

(b) Making payment to the moorage facility operator of all port charges, or by posting with the moorage facility operator a sufficient cash bond or other acceptable security, to be held in trust by the moorage facility operator pending written agreement of the parties with respect to payment by the vessel owner of the amount owing, or pending resolution of the matter of the charges in a civil action in a court of competent jurisdiction. After entry of judgment, including any appeals, in a court of competent jurisdiction, or after the parties reach agreement with respect to payment, the trust shall terminate and the moorage facility operator shall receive so much of the bond or other security as is agreed, or as is necessary to satisfy any judgment, costs, and interest as may be awarded to the moorage facility operator. The balance shall be refunded immediately to the owner at his or her last known address.

(4) If a vessel has been secured by the moorage facility operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ninety days after notifying or attempting to notify the owner under subsection (1) of this section, the vessel shall be conclusively presumed to have been abandoned by the owner.

(5) If a vessel moored or stored at a moorage facility is abandoned, the moorage facility operator may, by resolution of its legislative authority, authorize the public sale of the vessel by authorized personnel to the highest and best bidder for cash as ~~((follows:))~~ prescribed by this subsection (5). Either a minimum bid may be established or a letter of credit may be required, or both, to discourage the future reabandonment of the vessel.

(a) Before the vessel is sold, the owner of the vessel shall be given at least twenty days' notice of the sale in the manner set forth in subsection (1) of this section if the name and address of the owner is known. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of port charges owed with respect to the vessel. The notice of sale shall be published at least once, more than ten but not more than twenty days before the sale, in a newspaper of general circulation in the county in which the moorage facility is located. Such notice shall include the name of the vessel, if any, the last known owner and address, and a reasonable description of the vessel to be sold. The moorage facility operator may bid all or part of its port charges at the sale and may become a purchaser at the sale~~((:))~~.

(b) Before the vessel is sold, any person seeking to redeem an impounded vessel under this section may commence a lawsuit in the superior court for the county in which the vessel was impounded to contest the validity of the impoundment or the amount of the port charges owing. Such lawsuit must be commenced within ten days of the date the notification was provided pursuant to subsection (1) of this section, or the right to a hearing shall be deemed waived and the owner shall be liable for any port charges owing the moorage facility operator. In the event of litigation, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

(c) The proceeds of a sale under this section shall first be applied to the payment of port charges. The balance, if any, shall be paid to the owner. If the owner cannot in the exercise of due diligence be located by the moorage facility operator within one year of the date of the sale, the excess funds from the sale shall revert to the ~~((department of revenue pursuant to chapter 63.29 RCW))~~ derelict vessel removal account established in section 11 of this act. If the sale is for a sum less than the applicable port charges, the moorage facility operator is entitled to assert a claim for a deficiency.

(d) In the event no one purchases the vessel at a sale, or a vessel is not removed from the premises or other arrangements are not made within ten days of sale, title to the vessel will revert to the moorage facility operator.

(6) The ~~((regulations))~~ rules authorized under this section shall be enforceable only if the moorage facility has had its tariff containing such ~~((regulations))~~ rules conspicuously posted at its moorage facility at all times.

NEW SECTION. Sec. 24. Sections 1 through 11 of this act constitute a new chapter in Title 79 RCW.

NEW SECTION. Sec. 25. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 26. This act takes effect January 1, 2003."

SENATE AMENDMENTS TO HOUSE BILL

March 4, 2002

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2468, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** 1989 c 350 s 1 (uncodified) is amended to read as follows:

The legislature finds that recent developments in molecular biology and genetics have important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of the deoxyribonucleic acid (DNA) contained in each cell of the human body. The process for identifying this pattern is called "DNA identification."

~~The legislature further finds that ((the accuracy of identification provided by this method is superior to that of any presently existing technique and recognizes the importance of this scientific breakthrough in providing a reliable and accurate tool for the investigation and prosecution of sex offenses as defined in RCW 9.94A.030(26) and violent offenses as defined in RCW 9.94A.030(29)))~~ DNA data bases are important tools in criminal investigations, in the exclusion of individuals who are the subject of investigations or prosecutions, and in detecting recidivist acts. It is the policy of this state to assist federal, state, and local criminal justice and law enforcement agencies in both the identification and detection of individuals in criminal investigations and the identification and location of missing and unidentified persons. Therefore, it is in the best interest of the state to establish a DNA data base and DNA data bank containing DNA samples submitted by persons convicted of felony offenses and DNA samples necessary for the identification of missing persons and unidentified human remains.

The legislature further finds that the DNA identification system used by the Federal Bureau of Investigation and the Washington state patrol has no ability to predict genetic disease or predisposal to illness. Nonetheless, the legislature intends that biological samples collected under RCW 43.43.754, and DNA identification data obtained from the samples, be used only for purposes related to criminal investigation, identification of human remains or missing persons, or improving the operation of the system authorized under RCW 43.43.752 through 43.43.758.

Sec. 2. RCW 43.43.754 and 1999 c 329 s 2 are each amended to read as follows:

(1) Every adult or juvenile individual convicted of a felony, stalking under RCW 9A.46.110, harassment under RCW 9A.46.020, communicating with a minor for immoral purposes under RCW 9.68A.090, or adjudicated guilty of an equivalent juvenile offense ((defined as a sex offense under RCW 9.94A.030(33)(a) or a violent offense as defined in RCW 9.94A.030 shall have a blood sample drawn)) must have a biological sample collected for purposes of DNA identification analysis((-)) in the following manner:

(a) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense who ((are serving or who are to serve a term of confinement in a county jail or detention)) do not serve a term of confinement in a department of corrections facility, and do serve a term of confinement in a city or county jail facility, the city or county shall be responsible for obtaining ((blood)) the biological samples either as part of the intake process into the city or county jail or detention facility for those persons convicted on or after ((July 25, 1999)) the effective date of this act, or within a reasonable time after ((July 25, 1999)) the effective date of this act, for those persons

incarcerated (~~(prior to July 25, 1999)~~) before the effective date of this act, who have not yet had a (~~(blood)~~) biological sample (~~(drawn)~~) collected, beginning with those persons who will be released the soonest.

(b) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense who do not serve a term of confinement in a department of corrections facility, and do not serve a term of confinement in a city or county jail facility, the local police department or sheriff's office is responsible for obtaining the biological samples after sentencing on or after the effective date of this act.

(c) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense, who are serving or who are to serve a term of confinement in a department of corrections facility or a (~~(division of juvenile rehabilitation)~~) department of social and health services facility, the facility holding the person shall be responsible for obtaining (~~(blood)~~) the biological samples either as part of the intake process into such facility for those persons convicted on or after (~~(July 25, 1999)~~) the effective date of this act, or within a reasonable time after (~~(July 25, 1999)~~) the effective date of this act, for those persons incarcerated (~~(prior to July 25, 1999)~~) before the effective date of this act, who have not yet had a (~~(blood)~~) biological sample (~~(drawn)~~) collected, beginning with those persons who will be released the soonest.

(2) Any (~~(blood)~~) biological sample taken pursuant to RCW 43.43.752 through 43.43.758 may be retained by the forensic laboratory services bureau, and shall be used solely for the purpose of providing DNA or other (~~(blood grouping)~~) tests for identification analysis and prosecution of a (~~(sex offense or a violent offense)~~) criminal offense or for the identification of human remains or missing persons. Nothing in this section prohibits the submission of results derived from the biological samples to the Federal Bureau of Investigation combined DNA index system.

(3) The director of the forensic laboratory services bureau of the Washington state patrol shall perform testing on all biological samples collected under subsection (1) of this section, to the extent allowed by funding available for this purpose. The director shall give priority to testing on samples collected from those adults or juveniles convicted of a felony or adjudicated guilty of an equivalent juvenile offense that is defined as a sex offense or a violent offense in RCW 9.94A.030.

(4) This section applies to all adults who are convicted of a sex or violent offense after July 1, 1990; and to all adults who were convicted of a sex or violent offense on or prior to July 1, 1990, and who are still incarcerated on or after July 25, 1999. This section applies to all juveniles who are adjudicated guilty of a sex or violent offense after July 1, 1994; and to all juveniles who were adjudicated guilty of a sex or violent offense on or prior to July 1, 1994, and who are still incarcerated on or after July 25, 1999. This section applies to all adults and juveniles who are convicted of a felony other than a sex or violent offense, stalking under RCW 9A.46.110, harassment under RCW 9A.46.020, or communicating with a minor for immoral purposes under RCW 9.68A.090, or adjudicated guilty of an equivalent juvenile offense, on or after the effective date of this act; and to all adults and juveniles who were convicted or adjudicated guilty of such an offense before the effective date of this act and are still incarcerated on or after the effective date of this act.

(5) This section creates no rights in a third person. No cause of action may be brought based upon the noncollection or nonanalysis or the delayed collection or analysis of a biological sample authorized to be taken under RCW 43.43.752 through 43.43.758.

(6) The detention, arrest, or conviction of a person based upon a data base match or data base information is not invalidated if it is determined that the sample was obtained or placed in the data base by mistake, or if the conviction or juvenile adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including but not limited to posttrial or postfact-finding motions, appeals, or collateral attacks.

Sec. 3. RCW 43.43.759 and 1990 c 230 s 1 are each amended to read as follows:

The Washington state patrol shall consult with the forensic investigations council and adopt rules to implement RCW 43.43.752 through 43.43.758. The rules shall prohibit the use of DNA identification data for any research or other purpose that is not related to a criminal investigation, to the identification of human remains or missing persons, or to improving the operation of the system authorized by RCW 43.43.752 through 43.43.758. The rules must also identify appropriate sources and collection methods for biological samples needed for purposes of DNA identification analysis.

NEW SECTION. **Sec. 4.** A new section is added to chapter 43.43 RCW to read as follows:

Every sentence imposed under chapter 9.94A RCW, for a felony specified in RCW 43.43.754 that is committed on or after the effective date of this act, must include a fee of one hundred dollars for collection of a biological sample as required under RCW 43.43.754, unless the court finds that imposing the fee would result in undue hardship on the offender. The fee is a court-ordered legal financial obligation as defined in RCW 9.94A.030, payable by the offender after payment of all other legal financial obligations included in the sentence has been completed. The clerk of the court shall transmit fees collected to the state treasurer for deposit in the state DNA data base account created under section 5 of this act.

NEW SECTION. Sec. 5. A new section is added to chapter 43.43 RCW to read as follows:

The state DNA data base account is created in the custody of the state treasurer. All receipts under section 4 of this act must be deposited into the account. Expenditures from the account may be used only for creation, operation, and maintenance of the DNA data base under RCW 43.43.754. Only the chief of the Washington state patrol or the chief's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 6. RCW 9.94A.505 and 2001 2nd sp.s. c 12 s 312 are each amended to read as follows:

(1) When a person is convicted of a felony, the court shall impose punishment as provided in this chapter.

(2)(a) The court shall impose a sentence as provided in the following sections and as applicable in the case:

(i) Unless another term of confinement applies, the court shall impose a sentence within the standard sentence range established in RCW 9.94A.510;

(ii) RCW 9.94A.700 and 9.94A.705, relating to community placement;

(iii) RCW 9.94A.710 and 9.94A.715, relating to community custody;

(iv) RCW 9.94A.545, relating to community custody for offenders whose term of confinement is one year or less;

(v) RCW 9.94A.570, relating to persistent offenders;

(vi) RCW 9.94A.540, relating to mandatory minimum terms;

(vii) RCW 9.94A.650, relating to the first-time offender waiver;

(viii) RCW 9.94A.660, relating to the drug offender sentencing alternative;

(ix) RCW 9.94A.670, relating to the special sex offender sentencing alternative;

(x) RCW 9.94A.712, relating to certain sex offenses;

(xi) RCW 9.94A.535, relating to exceptional sentences;

(xii) RCW 9.94A.589, relating to consecutive and concurrent sentences.

(b) If a standard sentence range has not been established for the offender's crime, the court shall impose a determinate sentence which may include not more than one year of confinement; community service work; until July 1, 2000, a term of community supervision not to exceed one year and on and after July 1, 2000, a term of community custody not to exceed one year, subject to conditions and sanctions as authorized in RCW 9.94A.710 (2) and (3); and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

(3) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(4) If a sentence imposed includes payment of a legal financial obligation, it shall be imposed as provided in RCW 9.94A.750, 9.94A.753, ~~((and))~~ 9.94A.760, and section 4 of this act.

(5) Except as provided under RCW 9.94A.750(4) and 9.94A.753(4), a court may not impose a sentence providing for a term of confinement or community supervision, community placement, or community custody which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The court shall order restitution as provided in RCW 9.94A.750 and 9.94A.753.

(8) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter.

(9) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(11) In sentencing an offender convicted of a crime of domestic violence, as defined in RCW 10.99.020, if the offender has a minor child, or if the victim of the offense for which the offender was convicted has a minor child, the court may, as part of any term of community supervision, community placement, or community custody, order the offender to participate in a domestic violence perpetrator program approved under RCW 26.50.150.

NEW SECTION. **Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 8.** Section 1 of this act is added to chapter 43.43 RCW.

NEW SECTION. **Sec. 9.** This act takes effect July 1, 2002."

(18) Development of procedures for mutual and voluntary cooperation between state agencies, including educational institutions, and political subdivisions for exchange of purchasing and material control services;

(19) Resolution of all other purchasing and material matters which require the establishment of overall statewide policy for effective and economical supply management;

(20) Development of guidelines and criteria for the purchase of vehicles, high gas mileage vehicles, alternate vehicle fuels and systems, equipment, and materials that reduce overall energy-related costs and energy use by the state, including investigations into all opportunities to aggregate the purchasing of clean technologies by state and local governments, and including the requirement that new passenger vehicles purchased by the state meet the minimum standards for passenger automobile fuel economy established by the United States secretary of transportation pursuant to the energy policy and conservation act (15 U.S.C. Sec. 2002).

Sec. 2. RCW 43.19.570 and 1989 c 113 s 1 are each amended to read as follows:

(1) The department shall direct and be responsible for the acquisition, operation, maintenance, storage, repair, and replacement of state motor vehicles under its control. The department shall utilize state facilities available for the maintenance, repair, and storage of such motor vehicles, and may provide directly or by contract for the maintenance, repair, and servicing of all motor vehicles, and other property related thereto and under its control.

(2) The department may arrange, by agreement with agencies, for the utilization by one of the storage, repair, or maintenance facilities of another, with such provision for charges and credits as may be agreed upon. The department may acquire and maintain storage, repair, and maintenance facilities for the motor vehicles under its control from such funds as may be appropriated by the legislature.

(3)(a) The legislature finds that a clean environment is important and that global warming effects may be offset by decreasing the emissions of harmful compounds from motor vehicles. The legislature further finds that the state is in a position to set an example of large scale use of alternative fuels in motor vehicles and other clean technologies.

(b) The department shall consider the use of state vehicles to conduct field tests on alternative fuels in areas where air pollution constraints may be eased by these optional fuels. These fuels should include but are not limited to gas-powered and electric-powered vehicles.

(c) For planned purchases of vehicles using alternative fuels, the department and other state agencies shall explore opportunities to purchase these vehicles together with the federal government, agencies of other states, other Washington state agencies, local governments, or private organizations for less cost. All state agencies must investigate and determine whether or not they can make clean technologies more cost-effective by combining their purchasing power before completing a planned vehicle purchase.

Sec. 3. RCW 43.19.637 and 1991 c 199 s 213 are each amended to read as follows:

(1) At least thirty percent of all new vehicles purchased through a state contract shall be clean-fuel vehicles.

(2) The percentage of clean-fuel vehicles purchased through a state contract shall increase at the rate of five percent each year.

(3) In meeting the procurement requirement established in this section, preference shall be given to vehicles designed to operate exclusively on clean fuels. In the event that vehicles designed to operate exclusively on clean fuels are not available or would not meet the operational requirements for which a vehicle is to be procured, conventionally powered vehicles may be converted to clean fuel or dual fuel use to meet the requirements of this section.

(4) Fuel purchased through a state contract shall be a clean fuel when the fuel is purchased for the operation of a clean-fuel vehicle.

(5)(a) Weight classes are established by the following motor vehicle types:

(i) Passenger cars;

(ii) Light duty trucks, trucks with a gross vehicle weight rating by the vehicle manufacturer of less than eight thousand five hundred pounds;

(iii) Heavy duty trucks, trucks with a gross vehicle weight rating by the vehicle manufacturer of eight thousand five hundred pounds or more.

(b) This subsection does not place an obligation upon the state or its political subdivisions to purchase vehicles in any number or weight class other than to meet the percent procurement requirement.

(6) The provisions for purchasing clean-fuel vehicles under subsections (1) and (2) of this section are intended as minimum levels. The department should seek to increase the purchasing levels of clean-fuel vehicles above the minimum. The department must also investigate all opportunities to aggregate their purchasing with local governments to determine whether or not they can lower their costs and make it cost-efficient to increase the percentage of clean-fuel or high gas mileage vehicles in both the state and local fleets.

(7) For the purposes of this section, "clean fuels" and "clean-fuel vehicles" shall be those fuels and vehicles meeting the specifications provided for in RCW 70.120.210.

NEW SECTION. Sec. 4. A new section is added to chapter 39.35B RCW to read as follows:

(1) The department of general administration, in cooperation with public agencies, shall investigate opportunities to aggregate the purchase of clean technologies with other public agencies to determine whether or not combined purchasing can reduce the unit cost of clean technologies.

(2) State agencies that are retail electric customers shall investigate opportunities to aggregate the purchase of electricity produced from generation resources that are fueled by wind or solar energy for their facilities located within a single utility's service area, to determine whether or not combined purchasing can reduce the unit cost of those resources.

(3) No public agency is required under this section to purchase clean technologies at prohibitive costs.

(4)(a) "Electric utility" shall have the same meaning as provided under RCW 19.29A.010.

(b) "Clean technology" includes, but may not be limited to, alternative fueled hybrid-electric and fuel cell vehicles, and distributive power generation.

(c) "Distributive power generation" means the generation of electricity from an integrated or stand-alone power plant that generates electricity from wind energy, solar energy, or fuel cells.

(d) "Retail electric customer" shall have the same meaning as provided under RCW 19.29A.010.

(e) "Facility" means any building owned or leased by a public agency.

NEW SECTION. Sec. 5. In preparing the biennial energy report required under RCW 43.21F.045(2)(h) to be transmitted to the governor and the legislature by December 1, 2002, the department of community, trade, and economic development must include the following information:

(1) The percentage of clean-fuel vehicles purchased in 2001 through a state contract pursuant to RCW 43.19.637; and

(2) The results of efforts by the department of general administration and other state agencies to aggregate purchasing of clean technologies.

Sec. 6. RCW 19.29A.090 and 2001 c 214 s 28 are each amended to read as follows:

(1) Beginning January 1, 2002, each electric utility must provide to its retail electricity customers a voluntary option to purchase qualified alternative energy resources in accordance with this section.

(2) Each electric utility must include with its retail electric customer's regular billing statements, at least quarterly, a voluntary option to purchase qualified alternative energy resources. The option may allow customers to purchase qualified alternative energy resources at fixed or variable rates and for fixed or variable periods of time, including but not limited to monthly, quarterly, or annual purchase agreements. A utility may provide qualified alternative energy resource options through either: (a) Resources it owns or contracts for; or (b) the purchase of credits issued by a clearinghouse or other system by which the utility may secure, for trade or other consideration, verifiable evidence that a second party has a qualified alternative energy resource and that the second party agrees to transfer such evidence exclusively to the benefit of the utility.

(3) For the purposes of this section, a "qualified alternative energy resource" means the electricity produced from generation facilities that are fueled by: (a) Wind; (b) solar energy; (c) geothermal energy; (d) landfill gas; (e) wave or tidal action; (f) gas produced during the treatment of

wastewater; (g) qualified hydropower; or (h) biomass energy based on solid organic fuels from wood, forest, or field residues, or dedicated energy crops that do not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic.

(4) For the purposes of this section, "qualified hydropower" means the energy produced either: (a) As a result of modernizations or upgrades made after June 1, 1998, to hydropower facilities operating on May 8, 2001, that have been demonstrated to reduce the mortality of anadromous fish; or (b) by run of the river or run of the canal hydropower facilities that are not responsible for obstructing the passage of anadromous fish.

(5) The rates, terms, conditions, and customer notification of each utility's option or options offered in accordance with this section must be approved by the governing body of the consumer-owned utility or by the commission for investor-owned utilities. All costs and benefits associated with any option offered by an electric utility under this section must be allocated to the customers who voluntarily choose that option and may not be shifted to any customers who have not chosen such option. Utilities may pursue known, lawful aggregated purchasing of qualified alternative energy resources with other utilities to the extent aggregated purchasing can reduce the unit cost of qualified alternative energy resources, and are encouraged to investigate opportunities to aggregate the purchase of alternative energy resources by their customers. Aggregated purchases by investor-owned utilities must comply with any applicable rules or policies adopted by the commission related to least-cost planning or the acquisition of renewable resources.

(6) Each consumer-owned utility must report annually to the department and each investor-owned utility must report annually to the commission beginning October 1, 2002, until October 1, 2012, describing the option or options it is offering its customers under the requirements of this section, the rate of customer participation, the amount of qualified alternative energy resources purchased by customers, ~~((and))~~ the amount of utility investments in qualified alternative energy resources, and the results of pursuing aggregated purchasing opportunities. The department and the commission together shall report annually to the legislature, beginning December 1, 2002, until December 1, 2012, with the results of the utility reports."

On page 1, line 1 of the title, after "technologies;" strike the remainder of the title and insert "amending RCW 43.19.1905, 43.19.570, 43.19.637, and 19.29A.090; adding a new section to chapter 39.35B RCW; and creating a new section."

and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 6, 2002

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2655, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 10.14.040 and 2001 c 260 s 3 are each amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.

(1) A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) All court clerks' offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) Filing fees are set in RCW 36.18.020, but no filing fee may be charged for a petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought or as provided in section 2 of this act. Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

(6) The parent or guardian of a child under age eighteen may petition for an order of protection to restrain a person age eighteen years or over from contact with that child upon a showing that contact with the person to be enjoined is detrimental to the welfare of the child.

(7) The parent or guardian of a child under the age of eighteen may petition in superior court for an order of protection to restrain a person under the age of eighteen years from contact with that child only in cases where the person to be restrained has been adjudicated of an offense against the child protected by the order, or is under investigation or has been investigated for such an offense. In issuing a protection order under this subsection, the court shall consider, among the other facts of the case, the severity of the alleged offense, any continuing physical danger or emotional distress to the alleged victim, and the expense, difficulty, and educational disruption that would be caused by a transfer of the alleged offender to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person under the age of eighteen years protected by the order. In the event that the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

NEW SECTION. **Sec. 2.** A new section is added to chapter 10.14 RCW to read as follows:

No fees for filing or service of process may be charged by a public agency to petitioners seeking relief under this chapter from a person who has stalked them as that term is defined in RCW 9A.46.110, or from a person who has engaged in conduct that would constitute a sex offense as defined in RCW 9A.44.130, or from a person who is a family or household member as defined in RCW 26.50.010(2) who has engaged in conduct that would constitute domestic violence as defined in RCW 26.50.010(1). If the petitioner is entitled to proceed under this section, the court may require, at the time of the full hearing, the respondent to pay the filing fee and costs, including services fees, to the county or municipality incurring the expense. The requirement that the respondent pay the filing fee and costs may not be imposed by the court at the time of issuance of the ex parte temporary protection order.

Sec. 3. RCW 10.14.100 and 2001 c 311 s 2 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsections (5) and (7) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner.

(4) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(5) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court, if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been personally served with the temporary order.

(6) Except in cases where the petitioner has fees waived under section 2 of this act or is granted leave to proceed in forma pauperis, municipal police departments serving documents as required under this chapter may collect the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

(7) If the court previously entered an order allowing service by publication of the notice of hearing and temporary order of protection pursuant to RCW 10.14.085, the court may permit service by publication of the order of protection issued under RCW 10.14.080. Service by publication must comply with the requirements of RCW 10.14.085.

Sec. 4. RCW 10.14.125 and 1992 c 143 s 18 are each amended to read as follows:

The court may permit service by publication under this chapter only if the petitioner pays the cost of publication or if the petitioner's costs have been waived pursuant to section 2 of this act, unless the county legislative authority allocates funds for service of process by publication for petitioners who are granted leave to proceed in forma pauperis.

Sec. 5. RCW 26.50.125 and 1995 c 246 s 17 are each amended to read as follows:

Except as provided in section 2 of this act, the court may permit service by publication or by mail under this chapter only if the petitioner pays the cost of publication or mailing unless the county legislative authority allocates funds for service of process by publication or by mail for indigent petitioners."

On page 1, line 1 of the title, after "orders;" strike the remainder of the title and insert "amending RCW 10.14.040, 10.14.100, 10.14.125, and 26.50.125; and adding a new section to chapter 10.14 RCW."

SENATE AMENDMENTS TO HOUSE BILL

March 7, 2002

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2707, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 18.20.270 and 2000 c 121 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Caregiver" includes any person who provides residents with hands-on personal care on behalf of a boarding home, except volunteers who are directly supervised.

(b) "Direct supervision" means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section, is on the premises, and is quickly and easily available to the caregiver.

(2) Training must have the following components: Orientation, basic training, specialty training as appropriate, and continuing education. All boarding home employees or volunteers who routinely interact with residents shall complete orientation. Boarding home administrators, or their designees, and caregivers shall complete orientation, basic training, specialty training as appropriate, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate boarding home staff to all boarding home employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care or within one hundred twenty days of (~~March~~) September 1, 2002, whichever is later. Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without direct supervision. Boarding home administrators, or their designees, must complete basic training and demonstrate competency within one hundred twenty days of employment or within one hundred twenty days of (~~March~~) September 1, 2002, whichever is later.

(5) For boarding homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of administrators, or designees, and caregivers. Specialty training consists of modules on the core knowledge and skills that caregivers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test. Specialty training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care to a resident having special needs or within one hundred twenty days of (~~March~~) September 1, 2002, whichever is later. However, if specialty training is not integrated with basic training, the specialty

training must be completed within ninety days of completion of basic training. Until competency in the core specialty areas has been demonstrated, caregivers shall not provide hands-on personal care to residents with special needs without direct supervision. Boarding home administrators, or their designees, must complete specialty training and demonstrate competency within one hundred twenty days of ~~((March))~~ September 1, 2002, or one hundred twenty days from the date on which the administrator or his or her designee is hired, whichever is later, if the boarding home serves one or more residents with special needs.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required ~~((during the first))~~ in the same calendar year ~~((following completion of the))~~ in which basic ~~((training))~~ or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8) Licensed persons who perform the tasks for which they are licensed are fully or partially exempt from the training requirements of this section, as specified by the department in rule.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(10) The ~~((community long term care training and education steering committee established under RCW 74.39A.190))~~ department shall develop criteria for the approval of orientation, basic training, and specialty training programs.

(11) Boarding homes that desire to deliver facility-based training with facility designated trainers, or boarding homes that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The ~~((community long term care training and education steering committee))~~ department shall develop criteria for reviewing and approving trainers and training materials that are substantially similar to or better than the materials developed by the ~~((steering committee))~~ department. The department may approve a curriculum based upon attestation by a boarding home administrator that the boarding home's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled yearly inspection and investigation required under RCW 18.20.110. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(12) The department shall adopt rules by ~~((March))~~ September 1, 2002, for the implementation of this section ~~((based on the recommendations of the community long term care training and education steering committee established in RCW 74.39A.190)).~~

(13) The orientation, basic training, specialty training, and continuing education requirements of this section ~~((take effect March))~~ commence September 1, 2002, or one hundred twenty days from the date of employment, whichever is later, and shall be applied ~~((prospectively))~~ to (a) employees hired subsequent to September 1, 2002; and (b) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 and this section. Existing employees who have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 shall be subject to all applicable requirements of this section. However, prior to September 1, 2002, nothing in this section affects the current training requirements under RCW 74.39A.010.

NEW SECTION. Sec. 2. A new section is added to chapter 43.20A RCW to read as follows:
The department shall publish its final basic and specialty training competencies and learning outcomes as required by chapter 121, Laws of 2000 no later than June 1, 2002.

Sec. 3. RCW 70.128.230 and 2000 c 121 s 3 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Caregiver" includes all adult family home resident managers and any person who provides residents with hands-on personal care on behalf of an adult family home, except volunteers who are directly supervised.

(b) "Indirect supervision" means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section and is quickly and easily available to the caregiver, but not necessarily on-site.

(2) Training must have three components: Orientation, basic training, and continuing education. All adult family home providers, resident managers, and employees, or volunteers who routinely interact with residents shall complete orientation. Caregivers shall complete orientation, basic training, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate adult family home staff to all adult family home employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care or within one hundred twenty days of (~~March~~) September 1, 2002, whichever is later. Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without indirect supervision.

(5) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers. Specialty training consists of modules on the core knowledge and skills that providers and resident managers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test. Specialty training must be completed by providers and resident managers before admitting and serving residents who have been determined to have special needs related to mental illness, dementia, or a developmental disability. Should a resident develop special needs while living in a home without specialty designation, the provider and resident manager have one hundred twenty days to complete specialty training.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required (~~during the first~~) in the same calendar year (~~following completion of the~~) in which basic (~~training~~) or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8) Licensed persons who perform the tasks for which they are licensed are fully or partially exempt from the training requirements of this section, as specified by the department in rule.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges, private associations, or other entities, as defined by the department.

(10) Adult family homes that desire to deliver facility-based training with facility designated trainers, or adult family homes that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The (~~community long-term care training and education steering committee~~) department shall develop criteria for reviewing and approving trainers and training materials. The department may approve a curriculum based upon attestation by an adult

family home administrator that the adult family home's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled inspection authorized under RCW 70.128.070. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(11) The department shall adopt rules by ~~((March))~~ September 1, 2002, for the implementation of this section ~~((based on the recommendations of the community long-term care training and education steering committee established in RCW 74.39A.190)).~~

(12) The orientation, basic training, specialty training, and continuing education requirements of this section ~~((take effect March))~~ commence September 1, 2002, and shall be applied ~~((prospectively))~~ to (a) employees hired subsequent to September 1, 2002; or (b) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 70.128.120 or 70.128.130 and this section. Existing employees who have not successfully completed the training requirements under RCW 70.128.120 or 70.128.130 shall be subject to all applicable requirements of this section. However, until September 1, 2002, nothing in this section affects the current training requirements under RCW 70.128.120 and 70.128.130.

Sec. 4. RCW 74.39A.190 and 2000 c 121 s 8 are each amended to read as follows:

(1) The secretary shall appoint a steering committee for community long-term care training and education to advise the department on the development ~~((and approval))~~ of criteria for training materials, the development of competency tests, the development of criteria for trainers, and the development of exemptions from training. The community long-term care training and education steering committee shall also review the effectiveness of the training program or programs, including the qualifications and availability of the trainers. ~~((The steering committee shall also review the appropriateness of the adopted rules implementing this section.))~~ The steering committee shall advise the department on flexible and innovative learning strategies that accomplish the training goals, such as competency and outcome-based models and distance learning. The steering committee shall review and recommend the most appropriate length of time between an employee's date of first hire and the start of the employee's basic training.

(2) The steering committee shall, at a minimum, consist of a representative from each of the following: Each of the statewide boarding home associations, two adult family home associations, each of the statewide home care associations, the long-term care ombudsman program, the area agencies on aging, the department of health representing the nursing care quality assurance commission, and a consumer, or their nonprovider designee, from a boarding home, adult family home, home care served by an agency, and home care served by an individual provider. A majority of the members currently serving constitute a quorum.

(3) Nothing in this chapter shall prevent the adult family home advisory committee from enhancing training requirements for adult family providers and resident managers, regulated under chapter 18.48 RCW, at the cost of those providers and resident managers.

(4) Establishment of the steering committee does not prohibit the department from utilizing other advisory activities that the department deems necessary for program development. However, when the department obtains input from other advisory sources, the department shall present the information to the steering committee for their review ~~((and approval))~~.

(5) Each member of the steering committee shall serve without compensation. Consumer representatives may be reimbursed for travel expenses as authorized in RCW 43.03.060.

(6) The steering committee recommendations must implement the intent of RCW 74.39A.050(14) to create training that includes skills and competencies that are transferable to nursing assistant training.

(7) The steering committee shall cease to exist ~~((on))~~ July 1, ~~((2004))~~ 2003.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 6641, by Senate Committee on Education (originally sponsored by Senators McAuliffe and Thibaudeau)

Accommodating children with diabetes in schools.

Representative Schual-Berke moved the adoption of amendment (502):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.210 RCW to read as follows:

The legislature finds that diabetes imposes significant health risks to students enrolled in the state's public schools and that providing for the medical needs of students with diabetes is crucial to ensure both the safety of students with diabetes and their ability to obtain the education guaranteed to all citizens of the state. The legislature also finds that children with diabetes can and should be provided with a safe learning environment and access to all other nonacademic school sponsored activities. The legislature further finds that an individual health plan for each child with diabetes should be in place in the student's school and should include provisions for a parental signed release form, medical equipment and storage capacity, and exceptions from school policies, school schedule, meals and eating, disaster preparedness, inservice training for staff, legal documents for parent-designated adults who may provide care, as needed, and personnel guidelines describing who may assume responsibility for activities contained in the student's individual health plan.

NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.210 RCW to read as follows:

(1) School districts shall provide individual health plans for students with diabetes, subject to the following conditions:

(a) The board of directors of the school district shall adopt policies to be followed for students with diabetes. The policies shall include, but need not be limited to:

(i) The acquisition of parent requests and instructions;

(ii) The acquisition of orders from licensed health professionals prescribing within the scope of their prescriptive authority for monitoring and treatment at school;

(iii) The provision for storage of medical equipment and medication provided by the parent;

(iv) The provision for students to perform blood glucose tests, administer insulin, treat hypoglycemia and hyperglycemia, and have easy access to necessary supplies and equipment to

perform monitoring and treatment functions as specified in the individual health plan. The policies shall include the option for students to carry on their persons the necessary supplies and equipment and the option to perform monitoring and treatment functions anywhere on school grounds including the students' classrooms, and at school-sponsored events;

(v) The establishment of school policy exceptions necessary to accommodate the students' needs to eat whenever and wherever necessary, have easy, unrestricted access to water and bathroom use, have provisions made for parties at school when food is served, eat meals and snacks on time, and other necessary exceptions as described in the individual health plan;

(vi) The assurance that school meals are never withheld because of nonpayment of fees or disciplinary action;

(vii) A description of the students' school day schedules for timing of meals, snacks, blood sugar testing, insulin injections, and related activities;

(viii) The development of individual emergency plans;

(ix) The distribution of the individual health plan to appropriate staff based on the students' needs and staff level of contact with the students;

(x) The possession of legal documents for parent-designated adults to provide care, if needed; and

(xi) The updating of the individual health plan at least annually or more frequently, as needed; and

(b) The board of directors, in the course of developing the policies in (a) of this subsection, shall seek advice from one or more licensed physicians or nurses or diabetes educators who are nationally certified.

(2)(a) For the purposes of this section, "parent-designated adult" means a volunteer, who may be a school district employee, who receives additional training from a health care professional or expert in diabetic care selected by the parents, and who provides care for the child consistent with the individual health plan.

(b) To be eligible to be a parent-designated adult, a school district employee not licensed under chapter 18.79 RCW shall file, without coercion by the employer, a voluntary written, current, and unexpired letter of intent stating the employee's willingness to be a parent-designated adult. If a school employee who is not licensed under chapter 18.79 RCW chooses not to file a letter under this section, the employee shall not be subject to any employer reprisal or disciplinary action for refusing to file a letter.

(3) The board of directors shall designate a professional person licensed under chapter 18.71, 18.57, or 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners, to consult and coordinate with the student's parents and health care provider, and train and supervise the appropriate school district personnel in proper procedures for care for students with diabetes to ensure a safe, therapeutic learning environment. Training may also be provided by a diabetes educator who is nationally certified. Parent-designated adults who are school employees are required to receive the training provided under this subsection. Parent-designated adults who are not school employees shall show evidence of comparable training. The parent-designated adult must also receive additional training as established in subsection (2)(a) of this section for the additional care the parents have authorized the parent-designated adult to provide. The professional person designated under this subsection is not responsible for the supervision of the parent-designated adult for those procedures that are authorized by the parents.

NEW SECTION. **Sec. 3.** The superintendent of public instruction and the secretary of the department of health shall develop a uniform policy for all school districts providing for the inservice training for school staff on symptoms, treatment, and monitoring of students with diabetes and on the additional observations that may be needed in different situations that may arise during the school day and during school sponsored events. The policy shall include the standards and skills that must be in place for inservice training of school staff.

NEW SECTION. **Sec. 4.** A new section is added to chapter 28A.210 RCW to read as follows:

A school district, school district employee, agent, or parent-designated adult who, acting in good faith and in substantial compliance with the student's individual health plan and the instructions of the student's licensed health care professional, provides assistance or services under section 1 or 2 of

this act shall not be liable in any criminal action or for civil damages in his or her individual or marital or governmental or corporate or other capacities as a result of the services provided under section 1 or 2 of this act to students with diabetes.
