(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. In order to achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural densities and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and ground water resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments. A commercial, industrial, residential, shoreline, or mixed-use area shall be subject to the requirements of (d)(iv) of this subsection, but shall not be subject to the requirements of (c)(ii) and (iii) of this subsection. An industrial area is not required to be principally designed to serve the existing and projected rural population;

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdiction boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the department of transportation's six-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the six-year improvement program developed by the department of transportation as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

(c) The transportation element described in this subsection (6), and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, RCW 35.58.2795 for public transportation systems, and RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth, vitality, and quality of life. The element shall include: (a) An assessment of the economic contributions made by existing commercial and industrial sectors to the community or region; (b) an assessment of opportunities for business retention, expansion, recruitment, and economic benefits of natural amenities; (c) an assessment of future needs, including for capital facilities, land use, and housing, to manage projected growth and foster economic vitality; and (d) an

evaluation of economic impacts from new and existing businesses to determine the effects on job retention, expansion, and enhancement opportunities."

Representative Morris moved the adoption of amendment (267):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that local public utilities provide essential services to all of the residents of the state and that the construction and improvement of local utility infrastructure is critical to the public health, safety, and welfare, community and economic development, and installation of modern and reliable communication and energy technology. The legislature further finds that local utility lines must cross state-owned aquatic lands in order to reach all state residents and that, for the benefit of such residents, the state should permit the crossings, consistent with all applicable state environmental laws, in a nondiscriminatory, economic, and timely manner. The legislature further finds that this act and the valuation methodology in section 3 of this act applies only to the uses listed in section 2 of this act, and does not establish a precedent for valuation for any other uses on state-owned aquatic lands.

Sec. 2. RCW 79.90.470 and 1984 c 221 s 5 are each amended to read as follows:

(1) The use of state-owned aquatic lands for public utility lines owned by a governmental entity shall be granted ((without charge)) by an agreement, permit, or other instrument if the use is consistent with the purposes of RCW 79.90.450 through 79.90.460 and does not obstruct navigation or other public uses. The department may recover only its reasonable direct administrative costs incurred in processing and approving the request or application, and reviewing plans for construction of public utility lines. For purposes of this section, "direct administrative costs" means the cost of hours worked directly on an application or request, based on salaries and benefits, plus travel reimbursement and other actual out-of-pocket costs. Direct administrative costs recovered by the department must be deposited into the resource management cost account. Use for public parks or public recreation purposes shall be granted without charge if the aquatic lands and improvements are available to the general public on a first-come, first-served basis and are not managed to produce a profit for the operator or a concessionaire. The department may lease state-owned tidelands that are in front of state parks only with the approval of the state parks and recreation commission. The department may lease bedlands in front of state parks only after the department has consulted with the state parks and recreation commission.

(2) The use of state-owned aquatic lands for local public utility lines owned by a nongovernmental entity will be granted by easement if the use is consistent with the purpose of RCW 79.90.450 through 79.90.460 and does not obstruct navigation or other public uses. The total charge for the easement will be determined under section 3 of this act.

(3) Nothing in this section limits the ability of the department to obtain payment for commodity costs, such as lost revenue from renewable resources, resulting from the granted use of state-owned aquatic lands for public utility lines.

NEW SECTION. Sec. 3. A new section is added to chapter 79.90 RCW to read as follows:

(1) Until July 1, 2008, the charge for the term of an easement granted under RCW 79.90.470(2) will be determined as follows and will be paid in advance upon grant of the easement:

(a) Five thousand dollars for individual easement crossings that are no longer than one mile in length;

(b) Twelve thousand five hundred dollars for individual easement crossings that are more than one mile but less than five miles in length; or

(c) Twenty thousand dollars for individual easement crossings that are five miles or more in length.

(2) The charge for easements under subsection (1) of this section must be adjusted annually by the rate of yearly increase in the most recently published consumer price index, all urban consumers, for the Seattle-Everett SMSA, over the consumer price index for the preceding year, as compiled by the bureau of labor statistics, United States department of labor for the state of Washington rounded up to the nearest fifty dollars.

(3) The term of the easement is thirty years.

(4) In addition to the charge for the easement under subsection (1) of this section, the department may recover its reasonable direct administrative costs incurred in receiving an application for the easement, approving the easement, and reviewing plans for and construction of the public utility lines. For the purposes of this subsection, "direct administrative costs" means the cost of hours worked directly on an application, based on salaries and benefits, plus travel reimbursement and other actual out-of-pocket costs. Direct administrative costs recovered by the department must be deposited into the resource management cost account.

(5) Applicants under RCW 79.90.470(2) providing a residence with an individual service connection for electrical, natural gas, cable television, or telecommunications service are not required to pay the charge for the easement under subsection (1) of this section but shall pay administrative costs under subsection (4) of this section.

(6) A final decision on applications for an easement must be made within one hundred twenty days after the department receives the completed application and after all applicable regulatory permits for the aquatic easement have been acquired. This subsection applies to applications submitted before the effective date of this section, as well as to applications submitted on or after the effective date of this section. Upon request of the applicant, the department may reach a decision on an application within sixty days and charge an additional fee for an expedited processing. The fee for an expedited processing is the greater of: (a) Ten percent of the combined total of the easement charge and direct administrative costs; or (b) the cost of staff overtime, calculated at time and one-half, associated with the expedited processing.

"NEW SECTION. Sec. 4. A new section is added to chapter 77.55 RCW to read as follows:

(1) The regulation of storm water projects is the primary responsibility of the department of ecology and local governments under chapter 90.48 RCW. Notwithstanding any other provision of this chapter, all hydraulic project approvals related to storm water discharges must follow the provisions established in this section.

(2) Once the department of ecology or a local government has approved a storm water project that is consistent with the guidelines contained in the department of ecology's adopted storm water manual, or its equivalent, a hydraulic project approval is only required for the actual construction of any storm water outfall or associated structures pursuant to this chapter. The department may not in these instances deny or condition hydraulic project approvals for water quality or quantity impacts arising from storm water discharges for which the structure is being installed.

(3)(a) In any other location the department may issue hydraulic project approvals that contain provisions that protect fish life from adverse effects, such as scouring or erosion of the bed of the water body, resulting from the direct hydraulic impacts of the discharge.

(b) Prior to the issuance of a hydraulic project approval issued under this subsection (3), the department must:

(i) Make a finding that the discharge from the outfall will cause harmful effects to fish life;

(ii) Transmit the findings to the applicant and to the city or county where the project is being proposed; and

(iii) Allow the applicant an opportunity to use local ordinances or other mechanisms to avoid the adverse effects resulting from the direct hydraulic discharge.

(c) After following the procedures set forth in (b) of this subsection, the department may issue a hydraulic project approval that prescribes the discharge rates from an outfall structure that will prevent adverse effects to the bed or flow of the waterway. The department may recommend, but not specify, the measures required to meet these discharge rates. The department may not require changes to the project design above the mean higher high water mark of marine waters, or the ordinary high water mark of fresh waters of the state. Nothing in this section alters any authority the department may have to regulate other types of projects under this chapter."

Renumber the remaining sections consecutively, correct any internal references accordingly, and correct the title.

Prohibiting price gouging during significant disruption, emergency, or disaster.

Representative Benson moved the adoption of amendment (225):

Strike everything after the enacting clause and insert the following:

“NEW SECTION. Sec. 1. The legislature finds that consumers are vulnerable to price gouging or clearly excessive pricing during times of abnormal market conditions caused by significant disruptions, emergencies, or disasters. The legislature declares that excessive and unjustified increases in retail prices charged during abnormal market conditions as defined in section 2 of this act should be prohibited.

NEW SECTION. Sec. 2. The definitions in this section apply throughout sections 1 through 4 of this act unless the context clearly requires otherwise.

(1) "Abnormal market conditions" means those instances of significant disruption to the marketplace caused by terrorist acts, civil disorder, war, or military action; extreme weather conditions; or convulsion of nature, including earthquake, tornado, tsunami, volcanic activity, fire, flood, or storm; and any emergency or disaster as set forth in chapters 43.06 and 38.52 RCW.

(2) "Person" has the same meaning as provided under RCW 19.86.010.

(3) "Essential consumer good or service" means a retail good or service that is used, bought, or rendered primarily for personal, family, or household purposes, and is necessary for consumption or use during a period of abnormal market condition, including food items; emergency supplies; medical supplies; building materials; fuel; transportation services; storage services; and temporary housing.

(4) "Food item" means any article that is used or intended for use for food or drink by a person or animal.

(5) "Emergency supplies" includes but is not limited to water, flashlights, fire extinguishers, radios, batteries, candles, blankets, soaps, diapers, temporary shelters, tape, toiletries, and portable fossil-fueled electric generators.

(6) "Medical supplies" includes but is not limited to prescription and nonprescription medications, bandages, gauze, isopropyl alcohol, and antibacterial products.

(7) "Building materials" includes lumber, construction tools, nails, windows, and other products used to protect, repair, build, or rebuild property.

(8) "Fuel" includes oil or propane used for home heating, or any fuel used to power any motor vehicle, portable electric generator, or power tool.

(9) "Transportation services" includes any service that is performed by any person who contracts to move or transport persons or personal or business property, or rents equipment for such purposes.

(10) "Storage services" includes any service that is performed by any person who contracts to store personal or business property or rents equipment for such purposes.

(11) "Temporary housing" includes any rental housing or office space leased on a temporary or short-term basis to a person who has been displaced from his or her dwelling, housing, or office space because of a significant disruption, emergency, or disaster.

(12) "Emergency cleanup, repair, or reconstruction services" means services provided and equipment used to clear or remove debris or other material that poses a public safety or health hazard and to repair residential or commercial property of any type to a safe and habitable condition.

NEW SECTION. Sec. 3. (1) In addition to the powers in chapters 43.06 and 38.52 RCW for the governor to make disaster or emergency proclamations, for purposes of triggering the provisions in sections 1 through 4 of this act, the governor is also hereby empowered to make and to rescind a proclamation of an abnormal market condition as defined in section 2 of this act.

(2) Upon the proclamation by the governor under chapters 43.06 and 38.52 RCW or sections 1 through 4 of this act of an abnormal market condition, and for a period of thirty days following the proclamation, or a lesser time period if the proclamation is rescinded, it is unlawful for any person to sell or offer to sell at retail any essential consumer good or service within the area designated in the proclamation at a clearly excessive increase in price above the price charged by that person for such goods or services immediately prior to the proclamation as specified in section 4 of this act.

(3) Upon the proclamation by the governor under chapters 43.06 and 38.52 RCW or sections 1 through 4 of this act of an abnormal market condition, and for a period of ninety days following the proclamation, or a lesser time period if the proclamation is rescinded, it is unlawful for any person to sell or offer to sell at retail any emergency cleanup, repair, or reconstruction service within the area

designated in the proclamation at a clearly excessive increase in price above the price charged by that person for such goods or services immediately prior to the proclamation as defined in section 4 of this act.

(4) An increase in price is not unlawful if the higher price charged reflected reasonable expenses in addition to the prior price of the goods or services but such reasonable expenses are limited to those which are necessarily incurred in procuring or delivering such goods and services during the period of time set forth in subsections (2) and (3) of this section. A price increase in excess of fifteen percent not tied to the reasonable expenses necessarily incurred in procuring or delivering an essential consumer good or service during the period of time set forth in subsections (2) and (3) of this section is prima facie evidence of a clearly excessive price increase.

(5) Any person who sold or had offered to sell an essential consumer good or service, or emergency cleanup, repair, or reconstruction service at a temporarily discounted or reduced price immediately prior to the proclamation as set forth in this section may use the price at which the person normally or usually sold the good or service for purposes of determining whether a price increase violates sections 1 through 4 of this act.

(6) The governor may extend the time periods set forth in subsections (2) and (3) of this section for additional thirty-day periods by issuing a renewed proclamation, upon a finding that the abnormal market condition continues and that any such extension is deemed necessary to protect the health, safety, or welfare of the citizens of the state.

(7) The governor may rescind an emergency proclamation made in accordance with subsection (1) of this section upon a finding that no abnormal market conditions exist.

(8) Any individual who violates any provision of this section shall be guilty of a gross misdemeanor.

NEW SECTION. Sec. 4. (1) The provisions of sections 1 through 4 of this act do not apply to persons whose activities or transactions as to prices for goods or services are subject to regulation by the Washington utilities and transportation commission or the federal energy regulatory commission.

(2) Persons who merely provide advertising and related services for persons engaged in making offers to sell goods or perform services shall not be deemed to be making any offer to sell any goods or perform any services for purposes of sections 1 through 4 of this act.

(3) In any action against a person under the provisions of sections 1 through 4 of this act, the defendant shall be deemed not to have violated sections 1 through 4 of this act if the defendant proves all of the following:

(a) The violation of the price limitation was unintentional;

(b) The defendant voluntarily rolled back prices to a level permitted under sections 1 through 4 of this act upon discovering that this section was or may have been violated; and

(c) The defendant has instituted a restitution program for all consumers who may have paid excessive prices.

(4) Subsequent remedial measures are not admissible as evidence of a violation of sections 1 through 4 of this act.

NEW SECTION. Sec. 5. This act shall be known as the "Preventing Price Gouging During Emergencies and Disasters Act."

NEW SECTION. Sec. 6. Sections 1 through 5 of this act constitute a new chapter in Title 19 RCW."

The flag was escorted to the rostrum by the Nisei Veterans Committee Color Guard. The Speaker (Representative Ogden) led the Chamber in the Pledge of Allegiance. Prayer was offered by Reverend Jerry Shigaki, St. Benedict's Episcopal Church, Lacey.

RESOLUTION

HOUSE RESOLUTION NO. 2002-4704, By Representatives Santos, Tokuda, Veloria, Rockefeller, Kenney, Haigh, Hurst, Conway, Cody, Fisher, Skinner, Campbell, Grant, Holmquist, Wood, Van Luven, Sullivan, Linville, Cooper, Bush, Hankins, Mielke, Ballasiotes, Dickerson,

Ruderman, Doumit, Lisk, Morris, Nixon, Schoesler, Buck, Carrell, Alexander, Mulliken, Anderson, Lovick, Cox, Armstrong, Schmidt, Clements, Esser, McDermott, Sehlin, Jarrett and Boldt

WHEREAS, On February 19, 1942, President Franklin D. Roosevelt issued Executive Order 9066, which authorized the forced assembly, evacuation, and internment of approximately 12,000 Japanese-Americans residing in the state of Washington; and

WHEREAS, The order for assembly and detention at Camp Harmony in Puyallup, Washington, prior to evacuation and subsequent internment caused the Japanese-Americans from the state of Washington to lose millions of dollars in property and assets, to suffer immeasurable physical and psychological damage, and to be deprived of their constitutional liberties without due process of law; and

WHEREAS, The alleged purpose of this drastic course of action was to prevent Japanese-Americans, all of whom were deemed disloyal and untrustworthy, from committing acts of espionage and sabotage against the United States during the period of its involvement in World War II; and

WHEREAS, An overwhelming number of Japanese-Americans from the state of Washington responded to questions of their loyalty and patriotism by volunteering from within barbed wire camps to serve in the United States Military Intelligence Service and the United States Army's 442nd Regimental Combat Team, the latter of which became the most decorated unit of its size in American history with seven Presidential Unit Citations, 21 Congressional Medals of Honor, 52 Distinguished Service Crosses, 588 Silver Stars, 4,000 Bronze Stars, 9,486 Purple Hearts, and a total of 18 decorations from France and Italy; and

WHEREAS, A few equally patriotic Japanese-Americans, such as Gordon Hirabayashi, then a student at the University of Washington, were willing to face imprisonment to seek justice by challenging the constitutionality of the evacuation and internment orders; and

WHEREAS, Hindsight has proven that the predominant factor that actually led to the internment of Japanese-Americans was not "military necessity" to protect the United States from possible espionage or sabotage, but was the result of "race prejudice, war hysteria, and a failure of political leadership"; and

WHEREAS, Japanese-American internees from the state of Washington endured economic, physical, and psychological hardship and suffered in silence for more than forty years before the state of Washington provided monetary redress and reparations to municipal and state employees;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives, along with the people of Washington, pause in its endeavors on February 19, 2002, to acknowledge the sixtieth anniversary of the signing of Executive Order 9066, to recognize the Japanese-American internees from the state of Washington and honor their patience, heroism, sacrifice, and patriotic loyalty, and to remember the lessons and blessings of liberty and justice for all; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to the Nisei Veterans Committee, the Military Intelligence Service – Northwest Association, and the Japanese-American Citizens League.

If it appears from investigation by the commission that the revenue from the assessment levied on fresh apples under this chapter is too high or is inadequate to accomplish the purposes of this chapter, the commission shall adopt a resolution setting forth the necessities of the industry, the extent and probable cost of the required research, market promotion, and advertising, the extent of public convenience, interest, and necessity, and probable revenue from the assessment levied. It shall thereupon decrease or increase the assessment to a sum determined by the commission to be necessary for those purposes based upon a rate per one hundred pounds of apples, gross billing weight, shipped in bulk, container, or any style of package or reasonable equivalent net product assessment as determined by the commission. However, if a different rate is determined for any specific variety or for fresh apples sliced or cut for raw consumption, that different rate must be applied to that variety or those sliced or cut apples. A decrease or an increase becomes effective sixty days after the resolution is adopted or on any other date provided for in the resolution, but shall be first referred by the commission to a referendum mail ballot by the apple growers of this state conducted under the supervision of the director and be approved by a majority of the growers voting on it and also be approved by voting growers who operate more than fifty percent of the acreage voted in the same election. After the mail ballot, if favorable to the increase or decrease, the commission shall nevertheless exercise its independent judgment and discretion as to whether or not to approve the increase or decrease.

Sec. 122. RCW 15.24.100 and 1967 c 240 s 28 are each amended to read as follows:

There is hereby levied upon all fresh apples grown annually in this state, and all apples packed as Washington apples, an assessment of twelve cents on each one hundred pounds gross billing weight or reasonable equivalent net product assessment measurement, as determined by the commission, plus such annual decreases or increases thereof as are imposed pursuant to the provisions of RCW 15.24.090. All moneys collected hereunder shall be expended to effectuate the purpose and objects of this chapter.

Sec. 123. RCW 15.24.110 and 1967 c 240 s 29 are each amended to read as follows:

The assessments on fresh apples shall be paid, or provision made therefor satisfactory to the commission, prior to shipment, and no fresh apples shall be carried, transported, or shipped by any person or by any carrier, railroad, truck, boat, or other conveyance until the assessment has been paid or provision made therefor satisfactory to the commission.

The commission shall by rule ~~((or regulation))~~ prescribe the method of collection, and for that purpose may require stamps to be known as "Washington apple ((advertising)) stamps" to be purchased from the commission and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets. Rule-making procedures conducted under this section are exempt from the provisions of RCW 43.135.055 when adoption of the rule or rules is determined by a referendum vote of the persons taxed under this chapter.

NEW SECTION. Sec. 124. A new section is added to chapter 15.24 RCW to read as follows:

Rule-making proceedings conducted under this chapter are exempt from compliance with RCW 34.05.310 and the provisions of chapter 19.85 RCW, the regulatory fairness act, when the proposed rule is subject to a referendum.

Sec. 125. RCW 15.24.160 and 1961 c 11 s 15.24.160 are each amended to read as follows:

For such purposes it may employ and pay for legal counsel and contract and pay for other professional services. Neither the state, nor any member, agent, or employee of the commission, is liable for the acts of the commission, or upon its contracts. In any civil or criminal action or proceeding for violation of any rule of statutory or common law against monopolies or combinations in restraint of trade, including any action under chapter 19.86 RCW, proof that the act complained of was done in compliance with the provisions of this chapter, and in furtherance of the purposes and provisions of this chapter, is a complete defense to such an action or proceeding.

Sec. 127. RCW 15.24.800 and 1987 c 6 s 1 are each amended to read as follows:

The legislature hereby finds that, in order to permit the Washington ((state)) apple ((advertising)) commission to accomplish more efficiently its important public purposes, as enumerated in chapter 15.24 RCW, it is necessary for the state to assist in financing a new building for the commission, to be located on Euclid Avenue in Chelan county, and housing commission offices, warehouse space, and a display room. The state's assistance shall augment approximately five hundred thousand dollars in commission funds which will be applied directly to the payment of the costs of this project. The state's assistance shall be in the amount of eight hundred thousand dollars, or so much thereof as may be required, to be provided from the proceeds from the sale and issuance of general obligation bonds of the state, the principal of and interest on which shall be reimbursed to the state treasury by the commission from revenues derived from the assessments levied pursuant to chapter 15.24 RCW and other sources.

For the purpose of providing part of the funds necessary for the Washington ((state)) apple ((advertising)) commission to undertake a capital project consisting of the land acquisition for, and the design, construction, furnishing, and equipping of, the building described in RCW 15.24.800, and to pay the administrative costs of such project, including costs of bond issuance and retirement, salaries and related costs of officials and employees of the state, and other expenses incidental to the administration of such project, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eight hundred thousand dollars, or so much thereof as may be required.

Sec. 129. RCW 15.24.806 and 1987 c 6 s 4 are each amended to read as follows:

The proceeds from the sale of the bonds authorized in RCW 15.24.802, together with all grants, donations, transferred funds, and all other moneys which the state finance committee or the Washington ((state)) apple ((advertising)) commission may direct the state treasurer to deposit therein, shall be deposited in the state building construction account in the state treasury.

Sec. 130. RCW 15.24.808 and 1987 c 6 s 5 are each amended to read as follows:

Subject to legislative appropriation, all proceeds from the sale of the bonds authorized in RCW 15.24.802 shall be administered and expended by the Washington ((state)) apple ((advertising)) commission exclusively for the purposes specified in RCW 15.24.802.

Sec. 131. RCW 15.24.812 and 1987 c 6 s 7 are each amended to read as follows:

On or before June 30 of each year, the state finance committee shall certify to the Washington ((state)) apple ((advertising)) commission the principal and interest payments determined under RCW

15.24.810, exclusive of deposit interest credit, attributable to the bonds issued under RCW 15.24.802. On each date on which any interest or principal and interest payment is due, the commission shall cause the amount certified by the state finance committee to be due on such date to be paid out of the commission's general fund to the state treasurer for deposit into the general fund of the state treasury.

Sec. 132. RCW 15.24.818 and 1987 c 6 s 10 are each amended to read as follows:

The bonds authorized by RCW 15.24.802 shall be issued only after the treasurer of the Washington ~~((state))~~ apple ~~((advertising))~~ commission has certified that the net proceeds of the bonds, together with all money to be made available by the commission for the purposes described in RCW 15.24.802, shall be sufficient for such purposes; and also that, based upon the treasurer's estimates of future income from assessments levied pursuant to chapter 15.24 RCW and other sources, an adequate balance will be maintained in the commission's general fund to enable the commission to meet the requirements of RCW 15.24.812 during the life of the bonds to be issued.

Sec. 133. RCW 15.24.900 and 1961 c 11 s 15.24.900 are each amended to read as follows:

~~((1))~~ (1) This chapter is passed:

~~((4))~~ (a) In the exercise of the police power of the state to assure, through this chapter, and other chapters, that the apple industry is highly regulated to protect the public health, to prevent fraudulent practices, to promote the welfare of the state, and to stabilize and protect the apple industry of the state as a vital and integral part of its economy for the benefit of all its citizens;

~~((2))~~ (b) Because the apple crop grown in Washington comprises one of the major agricultural crops of Washington, and that therefore the business of selling and distributing such crop and the expanding and protection of its market is of public interest;

~~((3))~~ (c) Because it is necessary and expedient to enhance the reputation of Washington apples in domestic and foreign markets;

~~((4))~~ (d) Because it is necessary to discover the health giving qualities and food and dietetic value of Washington apples, and to spread that knowledge throughout the world in order to increase the consumption of Washington apples;

~~((5))~~ (e) Because Washington grown apples are handicapped by high freight rates in competition with eastern and foreign grown apples in the markets of the world, and this disadvantage can only be overcome by education and advertising;

~~((6))~~ (f) Because the stabilizing and promotion of the apple industry, the enlarging of its markets, and the increasing of the consumption of apples are necessary to assure and increase the payment of taxes to the state and its subdivisions, to alleviate unemployment within the state, and increase wages for agricultural labor;

~~((7))~~ (g) To disseminate information giving the public full knowledge of the manner of production, the cost and expense thereof, the care taken to produce and sell only apples of the finest quality, the methods and care used in preparing for market, and the methods of sale and distribution to increase the amount secured by the producer therefor, so that they can pay higher wages and pay their taxes, and by such information to reduce the cost of distribution so that the spread between the cost to the consumer and the amount received by the producer will be reduced to the minimum absolutely necessary; and

~~((8))~~ (h) To protect the general public by educating it in reference to the various varieties and grades of Washington apples, the time to use and consume each variety, and the uses to which each variety should be put.

(2) The history, economy, culture, and future of Washington state's agricultural industry involves the apple industry. In order to develop and promote apples and apple products as part of an existing comprehensive scheme to regulate those products, the legislature declares:

(a) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its apple and apple products be properly promoted by establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standards of and for apples and apple products; and by working to stabilize the apple industry and by increasing consumption of apples and apple products within the state, nation, and internationally;

(b) That apple producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

(c) That it is in the overriding public interest that support for the apple industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that apples and apple products be promoted individually, as well as part of a comprehensive promotion of the agricultural industry to:

(i) Enhance the reputation and image of Washington state's agricultural industry;

(ii) Increase the sale and use of apples and apple products in local, domestic, and foreign markets;

(iii) Protect the public and consumers by correcting any false or misleading information and by educating the public in reference to the quality, care, and methods used in the production of apples and apple products, and in reference to the various sizes, grades, and varieties of apples and the uses to which each should be put;

(iv) Increase the knowledge of the health-giving qualities and dietetic value of apple products;
and

(v) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of apples and apple products;

(d) That the apple industry is a highly regulated industry and that this chapter and the rules adopted under it are only one aspect of the regulation of the industry. Other regulations and restraints applicable to the apple industry include:

(i) Washington agriculture general provisions, chapter 15.04 RCW;

(ii) Pests and diseases, chapter 15.08 RCW;

(iii) Standards of grades and packs, chapter 15.17 RCW;

(iv) Tree fruit research, chapter 15.26 RCW;

(v) Controlled atmosphere storage, chapter 15.30 RCW;

(vi) Higher education in agriculture, chapter 28.30 RCW;

(vii) Department of agriculture, chapter 43.23 RCW;

(viii) Fertilizers, minerals, and limes under chapter 15.54 RCW;

(ix) Organic food products act under chapter 15.86 RCW;

(x) Intrastate commerce in food, drugs, and cosmetics under chapter 69.04 RCW and rules;

(xi) Horticultural plants and facilities - inspection and licensing under chapter 15.13 RCW;

(xii) Planting stock under chapter 15.14 RCW;

(xiii) Washington pesticide control act under chapter 15.58 RCW;

(xiv) Farm marketing under chapter 15.64 RCW;

(xv) Insect pests and plant diseases under chapter 17.24 RCW;

(xvi) Weights and measures under chapter 19.94 RCW;

(xvii) Agricultural products - commission merchants, dealers, brokers, buyers, and agents under chapter 20.01 RCW; and

(xviii) The federal insecticide, fungicide, and rodenticide act under 7 U.S.C. Sec. 136; and

(e) That this chapter is in the exercise of the police powers of this state for the purposes of protecting the health, peace, safety, and general welfare of the people of this state.

Sec. 134. RCW 15.26.130 and 1969 c 129 s 13 are each amended to read as follows:

The Washington apple ((advertising)) commission and the Washington state fruit commission shall supply the director with a list of known producers subject to paying assessments to the respective commissions. The director, in addition, shall at the commission's cost compile a list of known tree fruit producers producing fruit not subject to assessments of the Washington apple ((advertising)) commission and the Washington state fruit commission but subject to assessments or becoming subject to assessments under the provisions of this chapter. In compiling such list the director shall publish notice to producers of such tree fruit, requiring them to file with the director a report giving the producer's name, mailing address and orchard location. The notice shall be published once a week for four consecutive weeks in weekly or daily newspapers of general circulation in the area or areas where such tree fruit is produced. All producer reports shall be filed with the director within twenty days from the date of last publication of notice or thirty days of mailing notice to producers of such tree fruit, whichever is later. The director shall for the purpose of conducting any referendum affecting tree fruits subject to the provisions of this chapter keep such list up to date when conducting such referendum. Every person who becomes a producer after ~~((said))~~ the list is compiled shall file with the director a similar report, giving his or her name, mailing address and orchard location. Such list shall

be final and conclusive in conducting referendums and failure to notify a producer shall not be cause for the invalidation of any referendum.

Sec. 135. RCW 15.26.250 and 1969 c 129 s 25 are each amended to read as follows:

The Washington apple (~~(advertising)~~) commission and Washington state fruit commission in order to avoid unnecessary duplication of costs and efforts in collecting assessments for tree fruits at the time said commissions collect assessments due under the provisions of their acts may also collect the assessment due the commission on such tree fruit. Such assessments on winter pears may be collected by the Washington state fruit commission or in a manner prescribed by the commission. Assessments collected for the commission by the Washington (~~(state)~~) apple (~~(advertising)~~) commission and the Washington state fruit commission shall be forwarded to the commissions expeditiously. No fee shall be charged the commission for the collection of assessments because the research conducted by the commission shall be of direct benefit to all commercial growers of tree fruits in the state of Washington(~~(: PROVIDED, That)~~). However, the commission shall reimburse at actual cost to the department or the Washington state fruit commission or apple commission any assessment collected for the commission by such agencies for any tree fruit subject to the provisions of this chapter, but not subject to pay assessments to the Washington state fruit commission or the Washington apple (~~(advertising)~~) commission."

With the consent of the House, amendments ((179), (116), (180) and (117)) was withdrawn.

Representative Veloria moved the adoption of amendment (267):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.105D.010 and 1994 c 254 s 1 are each amended to read as follows:

(1) Each person has a fundamental and inalienable right to a healthful environment, and each person has a responsibility to preserve and enhance that right. The beneficial stewardship of the land, air, and waters of the state is a solemn obligation of the present generation for the benefit of future generations.

(2) A healthful environment is now threatened by the irresponsible use and disposal of hazardous substances. There are hundreds of hazardous waste sites in this state, and more will be created if current waste practices continue. Hazardous waste sites threaten the state's water resources, including those used for public drinking water. Many of our municipal landfills are current or potential hazardous waste sites and present serious threats to human health and environment. The costs of eliminating these threats in many cases are beyond the financial means of our local governments and ratepayers. The main purpose of chapter 2, Laws of 1989 is to raise sufficient funds to clean up all hazardous waste sites and to prevent the creation of future hazards due to improper disposal of toxic wastes into the state's land and waters.

(3) Many farmers and small business owners who have followed the law with respect to their uses of pesticides and other chemicals nonetheless may face devastating economic consequences because their uses have contaminated the environment or the water supplies of their neighbors. With a source of funds, the state may assist these farmers and business owners, as well as those persons who sustain damages, such as the loss of their drinking water supplies, as a result of the contamination.

(4) It is in the public's interest to efficiently use our finite land base, to integrate our land use planning policies with our clean-up policies, and to clean up and reuse contaminated industrial properties in order to minimize industrial development pressures on undeveloped land and to make clean land available for future social use.

(5) Because it is often difficult or impossible to allocate responsibility among persons liable for hazardous waste sites and because it is essential that sites be cleaned up well and expeditiously, each responsible person should be liable jointly and severally.

(6) Because releases of hazardous substances can adversely affect the health and welfare of the public, the environment, and property values, it is in the public interest that affected communities be notified of where releases of hazardous substances have occurred and what is being done to clean them up.

NEW SECTION. Sec. 2. A new section is added to chapter 70.105D RCW to read as follows:

(1) Except as provided in subsection (5) of this section, any owner or operator of a facility that is actively transitioning from operating under federal laws to operating under the provisions of this chapter, who has information that a hazardous substance has been released to the environment at the owner of operator's facility that may be a threat to human health or the environment, shall issue a notice to the department within ninety days. The notice shall include a description of any remedial actions planned, completed, or underway.

(2) The notice must be posted in a visible, publicly accessible location on the facility, to remain in place until all remedial actions except confirmational monitoring are complete.

(3) After receiving the notice from the facility, the department must review the notice and mail a summary of its contents, along with any additional information deemed appropriate by the department, to:

(a) Each residence and landowner of a residence whose property boundary is within three hundred feet of the boundary of the property where the release occurred or if the release occurred from a pipeline or other facility that does not have a property boundary, within three hundred feet of the actual release;

(b) Each business and landowner of a business whose property boundary is within three hundred feet of the boundary of the property where the release occurred;

(c) Each residence, landowner of a residence, and business with a property boundary within the area where hazardous substances have come to be located as a result of the release;

(d) Neighborhood associations and community organizations representing an area within one mile of the facility and recognized by the city or county with jurisdiction within this area;

(e) The city, county, and local health district with jurisdiction within the areas described in (a), (b), and (c) of this subsection; and

(f) The department of health.

(4) A notice produced by a facility shall provide the following information:

(a) The common name of any hazardous substances released and, if available, the chemical abstract service registry number of these substances;

(b) The address of the facility where the release occurred;

(c) The date the release was discovered;

(d) The cause and date of the release, if known;

(e) The remedial actions being taken or planned to address the release;

(f) The potential health and environmental effects of the hazardous substances released; and

(g) The name, address, and telephone number of a contact person at the facility where the release occurred.

(5) The following releases are exempt from the notification requirements in this section:

(a) Application of pesticides and fertilizers for their intended purposes and according to label instructions;

(b) The lawful and nonnegligent use of hazardous household substances by a natural person for personal or domestic purposes;

(c) The discharge of hazardous substances in compliance with permits issued under chapter 70.94, 90.48, or 90.56 RCW;

(d) De minimis amounts of any hazardous substance leaked or discharged onto the ground;

(e) The discharge of hazardous substances to a permitted waste water treatment facility or from a permitted waste water collection system or treatment facility as allowed by a facility's discharge permit;

(f) Any releases originating from a single-family or multifamily residence, including but not limited to the discharge of oil from a residential home heating oil tank with the capacity of five hundred gallons or less;

(g) Any spill on a public road, street, or highway or to surface waters of the state that has previously been reported to the United States coast guard and the state division of emergency management under chapter 90.56 RCW;

(h) Any release of hazardous substances to the air;

(i) Any release that occurs on agricultural land, including land used to grow trees for the commercial production of wood or wood fiber, that is at least five acres in size, when the effects of the release do not come within three hundred feet of any property boundary. For the purposes of this subsection, agricultural land includes incidental uses that are compatible with agricultural or silvicultural purposes, including, but not limited to, land used for the housing of the owner, operator, or employees, structures used for the storage or repair of equipment, machinery, and chemicals, and any paths or roads on the land; and

(j) Releases that, before the effective date of this section, have been previously reported to the department, or remediated in compliance with a settlement agreement under RCW 70.105D.040(4) or enforcement order or agreed order issued under this chapter or have been the subject of an opinion from the department under RCW 70.105D.030(1)(i) that no further remedial action is required.

An exemption from the notification requirements of this section does not exempt the owner or operator of a facility from any other notification or reporting requirements, or imply a release from liability under this chapter.

(6) If a significant segment of the community to be notified speaks a language other than English, an appropriate translation of the notice must also be posted and mailed to the department in accordance with the requirements of this section.

(7) The facility where the release occurred is responsible for reimbursing the department within thirty days for the actual costs associated with the production and mailing of the notices under this section.

Sec. 3. RCW 70.105D.030 and 2001 c 291 s 401 are each amended to read as follows:

(1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or wilful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of RCW 70.105D.020(7) and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, deed restrictions where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing a deed restriction under this subsection, the department shall notify and seek comment from a city or county department with land use planning authority for real property subject to a deed restriction;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in section 2 of this act, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(12)(b)(ii)(C);

(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of

public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and

(j) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(1) With respect to any release, or threatened release, for which the department does not conduct or contract for conducting remedial action and for which the department believes remedial action is in the public interest, the director shall issue orders or agreed orders requiring potentially liable persons to provide the remedial action. Any liable person who refuses, without sufficient cause, to comply with an order or agreed order of the director is liable in an action brought by the attorney general for:

The treble damages and civil penalty under this subsection apply to all recovery actions filed on or after March 1, 1989.

(2) Any person who incurs costs complying with an order issued under subsection (1) of this section may petition the department for reimbursement of those costs. If the department refuses to grant reimbursement, the person may within thirty days thereafter file suit and recover costs by proving that he or she was not a liable person under RCW 70.105D.040 and that the costs incurred were reasonable.

At least thirty days before commencing the action, the person must give notice of intent to sue, unless a substantial endangerment exists. The court may award attorneys' fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and RCW 70.105D.060 may be brought in the superior court of Thurston county or of the county in which the release or threatened release exists.

(6) Any person who fails to provide notification of releases consistent with section 2 of this act or who submits false information is liable in an action brought by the attorney general for a civil penalty of up to five thousand dollars per day for each day the party refuses to comply.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

"NEW SECTION. Sec. 6. (1) A pilot performance audit of the department of agriculture is authorized to be performed in the 01-03 biennium by the state auditor. In conducting the performance audit, the office of the state auditor shall work in cooperation with the office of financial management

and state agency personnel. The state auditor shall use the guidelines for a performance audit contained in RCW 44.28.075.

(2) The performance audit of the department of agriculture by the state auditor shall be completed by December 31, 2002 and shall be presented to the appropriate policy and fiscal committees of the legislature. The state auditor shall include in the report to the legislature information on the staffing, time, and cost used by the office of the state auditor to complete the performance audit of the Department of Agriculture. This section shall expire June 30, 2003.

Sec. 7. RCW 43.88.160 and 1998 c 135 s 1 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for fiscal management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources, and obligations of the state shall be properly and systematically accounted for. The accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the appropriate legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.

(2) Except as provided in chapter 43.88C RCW, the director of financial management is responsible for quarterly reporting of primary operating budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

(3) The director of financial management shall report at least annually to the appropriate legislative committees regarding the status of all appropriated capital projects, including transportation projects, showing significant cost overruns or underruns. If funds are shifted from one project to another, the office of financial management shall also reflect this in the annual variance report. Once a project is complete, the report shall provide a final summary showing estimated start and completion dates of each project phase compared to actual dates, estimated costs of each project phase compared to actual costs, and whether or not there are any outstanding liabilities or unsettled claims at the time of completion.

(4) In addition, the director of financial management, as agent of the governor, shall:

(a) Develop and maintain a system of internal controls and internal audits comprising methods and procedures to be adopted by each agency that will safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies for accounting and financial controls. The system developed by the director shall include criteria for determining the scope and comprehensiveness of internal controls required by classes of agencies, depending on the level of resources at risk.

Each agency head or authorized designee shall be assigned the responsibility and authority for establishing and maintaining internal audits following the standards of internal auditing of the institute of internal auditors;

(b) Make surveys and analyses of agencies with the object of determining better methods and increased effectiveness in the use of manpower and materials; and the director shall authorize

expenditures for employee training to the end that the state may benefit from training facilities made available to state employees;

(c) Establish policies for allowing the contracting of child care services;

(d) Report to the governor with regard to duplication of effort or lack of coordination among agencies;

(e) Review any pay and classification plans, and changes thereunder, developed by any agency for their fiscal impact: PROVIDED, That none of the provisions of this subsection shall affect merit systems of personnel management now existing or hereafter established by statute relating to the fixing of qualifications requirements for recruitment, appointment, or promotion of employees of any agency. The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter said plans, except that for the following agencies no amendment or alteration of said plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(f) Fix the number and classes of positions or authorized man years of employment for each agency and during the fiscal period amend the determinations previously fixed by the director except that the director shall not be empowered to fix said number or said classes for the following: Agencies headed by elective officials;

(g) Adopt rules to effectuate provisions contained in (a) through (f) of this subsection.

(5) The treasurer shall:

(a) Receive, keep, and disburse all public funds of the state not expressly required by law to be received, kept, and disbursed by some other persons: PROVIDED, That this subsection shall not apply to those public funds of the institutions of higher learning which are not subject to appropriation;

(b) Receive, disburse, or transfer public funds under the treasurer's supervision or custody;

(c) Keep a correct and current account of all moneys received and disbursed by the treasurer, classified by fund or account;

(d) Coordinate agencies' acceptance and use of credit cards and other payment methods, if the agencies have received authorization under RCW 43.41.180;

(e) Perform such other duties as may be required by law or by regulations issued pursuant to this law.

It shall be unlawful for the treasurer to disburse public funds in the treasury except upon forms or by alternative means duly prescribed by the director of financial management. These forms or alternative means shall provide for authentication and certification by the agency head or the agency head's designee that the services have been rendered or the materials have been furnished; or, in the case of loans or grants, that the loans or grants are authorized by law; or, in the case of payments for periodic maintenance services to be performed on state owned equipment, that a written contract for such periodic maintenance services is currently in effect and copies thereof are on file with the office of financial management; and the treasurer shall not be liable under the treasurer's surety bond for erroneous or improper payments so made. When services are lawfully paid for in advance of full performance by any private individual or business entity other than as provided for by RCW 42.24.035, such individual or entity other than central stores rendering such services shall make a cash deposit or furnish surety bond coverage to the state as shall be fixed in an amount by law, or if not fixed by law, then in such amounts as shall be fixed by the director of the department of general administration but in no case shall such required cash deposit or surety bond be less than an amount which will fully indemnify the state against any and all losses on account of breach of promise to fully perform such services. No payments shall be made in advance for any equipment maintenance services to be performed more than three months after such payment. Any such bond so furnished shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head's designee in accordance with regulations issued pursuant to this chapter. Nothing in this section shall be construed to permit a public body to advance funds to a private service provider pursuant to a grant or loan before services have been rendered or material furnished.

(6) The state auditor shall:

(a) Report to the legislature the results of current post audits that have been made of the financial transactions of each agency; to this end the auditor may, in the auditor's discretion, examine the books and accounts of any agency, official, or employee charged with the receipt, custody, or

safekeeping of public funds. Where feasible in conducting examinations, the auditor shall utilize data and findings from the internal control system prescribed by the office of financial management. The current post audit of each agency may include a section on recommendations to the legislature as provided in (c) of this subsection.

(b) Give information to the legislature, whenever required, upon any subject relating to the financial affairs of the state.

(c) Make the auditor's official report on or before the thirty-first of December which precedes the meeting of the legislature. The report shall be for the last complete fiscal period and shall include determinations as to whether agencies, in making expenditures, complied with the laws of this state. The state auditor is authorized to perform or participate in performance verifications and performance audits as expressly authorized by the legislature in the omnibus biennial appropriations acts or in the performance audit work plan approved by the joint legislative audit and review committee. The state auditor, upon completing an audit for legal and financial compliance under chapter 43.09 RCW or a performance verification, may report to the joint legislative audit and review committee or other appropriate committees of the legislature, in a manner prescribed by the joint legislative audit and review committee, on facts relating to the management or performance of governmental programs where such facts are discovered incidental to the legal and financial audit or performance verification. The auditor may make such a report to a legislative committee only if the auditor has determined that the agency has been given an opportunity and has failed to resolve the management or performance issues raised by the auditor. If the auditor makes a report to a legislative committee, the agency may submit to the committee a response to the report. This subsection (6) shall not be construed to authorize the auditor to allocate other than de minimis resources to performance audits except as expressly authorized in section 6 of this act, in the appropriations acts, or in the performance audit work plan. The results of a performance audit conducted by the state auditor that has been requested by the joint legislative audit and review committee must only be transmitted to the joint legislative audit and review committee.

(d) Be empowered to take exception to specific expenditures that have been incurred by any agency or to take exception to other practices related in any way to the agency's financial transactions and to cause such exceptions to be made a matter of public record, including disclosure to the agency concerned and to the director of financial management. It shall be the duty of the director of financial management to cause corrective action to be taken within six months, such action to include, as appropriate, the withholding of funds as provided in RCW 43.88.110. The director of financial management shall annually report by December 31st the status of audit resolution to the appropriate committees of the legislature, the state auditor, and the attorney general. The director of financial management shall include in the audit resolution report actions taken as a result of an audit including, but not limited to, types of personnel actions, costs and types of litigation, and value of recouped goods or services.

(e) Promptly report any irregularities to the attorney general.

(f) Investigate improper governmental activity under chapter 42.40 RCW.

(7) The joint legislative audit and review committee may:

(a) Make post audits of the financial transactions of any agency and management surveys and program reviews as provided for in chapter 44.28 RCW as well as performance audits and program evaluations. To this end the joint committee may in its discretion examine the books, accounts, and other records of any agency, official, or employee.

(b) Give information to the legislature or any legislative committee whenever required upon any subject relating to the performance and management of state agencies.

(c) Make a report to the legislature which shall include at least the following:

(i) Determinations as to the extent to which agencies in making expenditures have complied with the will of the legislature and in this connection, may take exception to specific expenditures or financial practices of any agencies; and

(ii) Such plans as it deems expedient for the support of the state's credit, for lessening expenditures, for promoting frugality and economy in agency affairs, and generally for an improved level of fiscal management."

"NEW SECTION. Sec. 1. A new section is added to chapter 48.18 RCW to read as follows:
UNDERWRITING RESTRICTIONS THAT APPLY TO PERSONAL INSURANCE. (1) For the purposes of this section:

(a) "Adverse action" has the same meaning as defined in the fair credit reporting act, 15 U.S.C. Sec. 1681 et seq. Adverse actions include, but are not limited to:

(i) Cancellation, denial, or nonrenewal of personal insurance coverage;
(ii) Charging a higher insurance premium for personal insurance than would have been offered if the credit history or insurance score had been more favorable, whether the charge is by:

(A) Application of a rating rule;
(B) Assignment to a rating tier that does not have the lowest available rates; or
(C) Placement with an affiliate company that does not offer the lowest rates available to the consumer within the affiliate group of insurance companies; or
(iii) Any reduction, adverse, or unfavorable change in the terms of coverage or amount of any personal insurance due to a consumer's credit history or insurance score. A reduction, adverse, or unfavorable change in the terms of coverage occurs when:

(A) Coverage provided to the consumer is not as broad in scope as coverage requested by the consumer but available to other insureds of the insurer or any affiliate; or

(B) The consumer is not eligible for benefits such as dividends that are available through affiliate insurers.

(b) "Affiliate" has the same meaning as defined in RCW 48.31B.005(1).

(c) "Consumer" means an individual policyholder or applicant for insurance.

(d) "Consumer report" has the same meaning as defined in the fair credit reporting act, 15 U.S.C. Sec. 1681 et seq.

(e) "Credit history" means any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer's creditworthiness, credit standing, or credit capacity that is used or expected to be used, or collected in whole or in part, for the purpose of serving as a factor in determining personal insurance premiums or eligibility for coverage.

(f) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit history.

(g) "Personal insurance" means:

(i) Private passenger automobile coverage, including motorcycle and recreational vehicle coverage;

(ii) Homeowner's coverage, including mobile homeowners, manufactured homeowners, condominium owners, and renter's coverage;

(iii) Dwelling property coverage;

(iv) Earthquake coverage for a residence or personal property;

(v) Personal liability and theft coverage;

(vi) Personal inland marine coverage; and

(vii) Mechanical breakdown coverage for personal auto or home appliances.

(h) "Tier" means a category within a single insurer into which insureds with substantially like insuring, risk or exposure factors, and expense elements are placed for purposes of determining rate or premium.

(2) An insurer that takes adverse action against a consumer based in whole or in part on credit history or insurance score shall provide written notice to the applicant or named insured. The notice must state the significant factors of the credit history or insurance score that resulted in the adverse action. The insurer shall also inform the consumer that the consumer is entitled to a free copy of their consumer report under the fair credit reporting act.

(3) An insurer shall not cancel or nonrenew personal insurance based in whole or in part on a consumer's credit history or insurance score. Placement with an affiliate insurer does not constitute cancellation or nonrenewal under this section.

(4) An insurer may use credit history to deny personal insurance only in combination with other substantive underwriting factors. For the purposes of this subsection:

(a) "Deny" means an insurer refuses to offer insurance coverage to a consumer;

(b) Placement with an affiliate insurer does not constitute denial of coverage; and

(c) An insurer may reject an application when coverage is not bound or cancel an insurance contract within the first sixty days after the effective date of the contract.

(5) Insurers shall not deny personal insurance coverage based on:

(a) The absence of credit history or the inability to determine the consumer's credit history, if the insurer has received accurate and complete information from the consumer;

(b) The number of credit inquiries;

(c) Credit history or an insurance score based on collection accounts identified with a medical industry code;

(d) The initial purchase or finance of a vehicle or house that adds a new loan to the consumer's existing credit history, if evident from the consumer report; however, an insurer may consider the bill payment history of any loan, the total number of loans, or both;

(e) The consumer's use of a particular type of credit card, charge card, or debit card; or

(f) The consumer's total available line of credit; however, an insurer may consider the total amount of outstanding debt in relation to the total available line of credit.

(6)(a) If disputed credit history is used to determine eligibility for coverage and a consumer is placed with an affiliate that charges higher premiums or offers less favorable policy terms:

(i) The insurer shall reissue or rerate the policy retroactive to the effective date of the current policy term; and

(ii) The policy, as reissued or rerated, shall provide premiums and policy terms the consumer would have been eligible for if accurate credit history had been used to determine eligibility.

(b) This subsection only applies if the consumer resolves the dispute under the process set forth in the fair credit reporting act and notifies the insurer in writing that the dispute has been resolved.

(7) The commissioner may adopt rules to implement this section.

(8) This section applies to all personal insurance policies issued or renewed after January 1, 2003.

(c) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit history.

(iv) Earthquake coverage for a residence or personal property;

(v) Personal liability and theft coverage;

(vi) Personal inland marine coverage; and

Insurance scoring models include all attributes and factors used in the calculation of an insurance score. RCW 48.19.040(5) does not apply to any information filed under this subsection, and the information shall be withheld from public inspection and kept confidential by the commissioner. All information filed under this subsection shall be considered trade secrets under RCW 48.02.120(3). Information filed under this subsection may be made public by the commissioner for the sole purpose of enforcement actions taken by the commissioner.

(3) Insurers shall not use the following types of credit history to calculate a personal insurance score or determine personal insurance premiums or rates:

(a) The absence of credit history or the inability to determine the consumer's credit history, unless the insurer has filed actuarial data segmented by demographic factors in a manner prescribed by the commissioner that demonstrates compliance with RCW 48.19.020;

(b) The number of credit inquiries;

(c) Credit history or an insurance score based on collection accounts identified with a medical industry code;

(f) The consumer's total available line of credit; however, an insurer may consider the total amount of outstanding debt in relation to the total available line of credit.

(4) If a consumer is charged higher premiums due to disputed credit history, the insurer shall rerate the policy retroactive to the effective date of the current policy term. As rerated, the consumer shall be charged the same premiums they would have been charged if accurate credit history was used to calculate an insurance score. This subsection applies only if the consumer resolves the dispute under the process set forth in the fair credit reporting act and notifies the insurer in writing that the dispute has been resolved.

(5) The commissioner may adopt rules to implement this section.

(6) This section applies to all personal insurance policies issued or renewed on or after June 30, 2003.

NEW SECTION. Sec. 3. Captions used in this act are not any part of the law.

NEW SECTION. Sec. 4. The commissioner shall report to the legislature by January 1, 2004, on issues related to the use of credit history in personal insurance underwriting and rating and the implementation of this act. The report must include:

(1) A review of how this act has been implemented and how it has impacted consumers; and

(2) A review and analysis of insurance scoring that is due to the legislature by January 1, 2003, which includes, but is not limited to:

(1) The hydraulic project approval permit program technical advisory group must conduct a study of the state hydraulic project approval permit program to determine:

(a) If there are clear statutory and administrative goals for the program;

(b) Whether the activities, projects, and physical areas covered by the program are clearly delineated in statute;

(c) Whether there is redundancy, duplication, or conflict between federal, state, or local regulatory programs of similar nature;

(d) Whether the hydraulic project approval permit program is being administered in an economical, cost-effective manner and whether there are system efficiencies that can be used to improve program performance in protecting fish life and processing permits;

(e) Consistency of hydraulic project approval permit program implementation from region to region of the state;

(f) The effectiveness of hydraulic project approval permit conditions and mitigation requirements in terms of protecting fish life;

(g) The adequacy of hydraulic project approval permit monitoring to ensure that the protection of fish life is being achieved;

(h) If currently available training and education programs are adequate and appropriate for educating department personnel responsible for adopting, implementing, and enforcing the hydraulic code and industry and other groups responsible for complying with hydraulic program requirements;

(i) Whether the hydraulic appeals board process and membership under RCW 77.55.170 can be modified to improve the hydraulic appeals process; and

(j) Based on findings from (c) through (e) of this subsection, whether existing funding sources:

(i) Are adequate for program workload; and

(ii) Fairly distribute program costs and benefits between the general taxpayer and program applicants.

(2) Once the hydraulic project approval permit program technical advisory group has concluded review of the existing program and the areas listed in subsection (1) of this section, the group must develop and provide a report to the commission, the governor, and the legislature that provides recommendations for administrative and statutory changes to improve the program, and appropriate funding sources for the program. However, projects whose sole purpose is to restore and enhance habitat are exempt from the payment of fees. The report must also identify outcome-based performance measures to improve the timeliness of permit issuance, service delivery, and client satisfaction.

(3) For those recommendations that do not receive the unanimous support of the hydraulic project approval permit program technical advisory group, a list of options for addressing the identified issue must be provided as part of the report.

(4) Any recommendations of the hydraulic project approval permit program technical advisory group concerning fees must be consistent with the direction provided in RCW 76.09.030(2) to work for the integration of the forest practices and hydraulic permitting processes. It is the legislature's intent that no hydraulic permit fees be charged once these two permitting processes are integrated.

(5) The final report of the hydraulic project approval permit program technical advisory group must be provided to the commission, the governor, and the appropriate committees of the legislature by November 15, 2002."

Strike everything after the enacting clause and insert:

"NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND INTENT. (1) The legislature finds that:

(a) Businesses in Washington are concerned about the potential multiple taxation that arises due to the various city gross receipts taxes and the lack of uniformity among city jurisdictions;

(b) The current system of city gross receipts taxes has a negative impact on Washington's business climate by creating complexity and inconsistencies for taxpayers;

(c) City gross receipts tax revenue provides a sizable portion of city revenue that is used for essential services;

(d) Local government services contribute to a healthy business climate; and

(e) Cities have and should retain the flexibility to tailor their tax structures to meet unique local needs, but that flexibility must be balanced with predictability and ease of administration of city gross receipts taxes.

(2) Therefore, it is the intent of the legislature to:

(a) Require cities that impose a gross receipts tax to adopt a model ordinance that creates a more uniform system of city gross receipts taxes;

(b) Eliminate any potential for multiple taxation of the same gross income;

(c) Make city gross receipts taxes simpler, more predictable, and easier to administer, while allowing for some continued local control and flexibility for cities.

NEW SECTION. Sec. 2. MUNICIPAL GROSS RECEIPTS TAX--LIMITED SCOPE.

Sections 3 through 15 of this act do not apply to gross receipts taxes on business activities that, before February 1, 2002, have been historically or traditionally taxed as a utility business for municipal tax purposes such as:

- (1) A light and power business or a natural gas distribution business, as defined in RCW 82.16.010;
- (2) A telephone business, as defined in RCW 82.04.065;
- (3) Cable television services;
- (4) Sewer or water services;
- (5) Drainage services;
- (6) Solid waste services; or
- (7) Steam services.

NEW SECTION. Sec. 3. MUNICIPAL GROSS RECEIPTS TAX--DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

- (1) "Business" has the same meaning as that provided in RCW 82.04.140.
- (2) "City" means a city, town, or code city.
- (3) "Business and occupation tax" or "gross receipts tax" means a tax which is imposed on or measured by the value of products, the gross income of the business, or the gross proceeds of sales, as the case may be and which is also not, pursuant to law or custom, separately stated from the sales price. As used throughout this chapter, the terms "value of products," "gross income of the business," and "gross proceeds of sales" have the same meaning as those provided in chapter 82.04 RCW.
- (4) "Local jurisdiction" means any city, town, code city, county, municipal district or corporation, political subdivision, Indian reservation, or federal area located in the state of Washington.

NEW SECTION. Sec. 4. MUNICIPAL GROSS RECEIPTS TAX--MODEL ORDINANCE.

(1)(a) The association of Washington cities shall form a model ordinance development committee made up of a representative sampling of large, medium, and small cities that currently impose a gross receipts tax. By September 1, 2003, this committee shall develop and adopt a model ordinance regarding municipal gross receipts taxes in accordance with the provisions of this chapter. The committee shall develop the model ordinance and any subsequent amendments using a process that includes substantial input from business stakeholders and other members of the public. Input shall be solicited from statewide business associations and from local chambers of commerce and downtown business associations in cities that levy a gross receipts tax.

(b) The municipal research and services center shall post the officially adopted version of the model ordinance and a summary of any stakeholder input on its internet web site and shall have paper copies available upon request. Additionally, a city that imposes a gross receipts tax must make copies of its full and complete gross receipts tax ordinance available in both electronic and paper form. The model ordinance and accompanying information shall also be made available to the department of revenue taxpayer information services division and the department of licensing master license program.

(c) The definitions and tax classifications provided in the model ordinance may not be amended more frequently than once every four years. However, the model ordinance may be amended at any time to comply with changes in state law. Any amendment made to the model ordinance under this subsection (1)(c) shall be posted on the internet web site of the municipal research and services center at least one hundred twenty days prior to the effective date of the amendment. In addition, any amendment to a mandatory provision of the model ordinance must be uniformly adopted with the same effective date by all cities imposing a gross receipts tax.

(2) The model ordinance must contain, at a minimum, the following, mandatory provisions:

(a) The following core definitions from the state business and occupation tax: RCW 82.04.030 ("Person," "company"); RCW 82.04.040 ("Sale," "casual or isolated sale"); RCW 82.04.050 ("Sale at retail," "retail sale"); RCW 82.04.060 ("Sale at wholesale," "wholesale sale"); RCW 82.04.070 ("Gross proceeds of sales"); RCW 82.04.080 ("Gross income of the business"); RCW 82.04.090 ("Value proceeding or accruing"); RCW 82.04.100 ("Extractor"); RCW 82.04.110 ("Manufacturer"); RCW 82.04.120 ("To manufacture"); RCW 82.04.130 ("Commercial or industrial use"); RCW 82.04.140 ("Business"); RCW 82.04.150 ("Engaging in business"); and RCW 82.04.190 ("Consumer"). The incorporation of these core definitions in the model ordinance shall be construed to include, as an extension of each definition, any state level determination, regulation, interpretation, or court opinion pertaining to any one of these definitions. In addition, if the model ordinance or an individual city uses a classification, exemption, deduction or credit substantially similar to one set forth in the state's gross receipts tax system, the definitions used for the classification, exemption, deduction,

or credit shall be identical to those provided in the state's gross receipts business and occupation tax system. However, this subsection (2) shall not be construed to limit any individual city's flexibility to establish its own classifications or rate structures for gross receipts tax purposes subject to the provisions of RCW 35.21.710 nor shall it be construed to reduce, limit, or eliminate a city's ability to continue to tax an activity at the rate established for an activity prior to January 1, 2002, pursuant to either a gross receipts tax or utility tax;

(b) The system of credits contained in section 6 of this act and a form for such use;

(c) A uniform, minimum small business tax exemption of at least the equivalent of twenty-five thousand dollars in gross income. A city may elect to deviate from this requirement by creating a higher threshold, but it shall not deviate lower than the level required in this subsection (2)(c). A city with a small business tax exemption or threshold in excess of that provided in this subsection (2)(c) prior to January 1, 2001, shall retain its current threshold;

(d) Tax reporting frequencies that meet the requirements of section 8 of this act;

(e) Penalty and interest provisions that meet the requirements of sections 9 and 10 of this act;

(f) Claim periods that meet the requirements of section 11 of this act;

(g) Refund provisions that meet the requirements of section 12 of this act.

(3) Except for the system of credits developed to address multiple taxation under subsection (2)(b) of this section, the model ordinance may adopt its own provisions for tax exemptions, tax credits, and tax deductions.

(4) In drafting the mandatory definitions required under subsection (2)(a) of this section, the committee established in subsection (1)(a) of this section shall, by December 1, 2003, develop recommendations to the legislature regarding possible amendments to the state's gross receipts tax definitions to make them more clear, concise, understandable, and easier to administer as part of the model ordinance.

NEW SECTION. Sec. 5. MUNICIPAL GROSS RECEIPTS TAX--MODEL ORDINANCE ADOPTION REQUIRED. (1) A city with a population of fifty thousand or more and imposing a gross receipts tax must adopt and implement, at a minimum, the mandatory provisions of the model ordinance provided in section 4 of this act by January 1, 2004. However, if a definition required to be adopted as a mandatory provision of the model ordinance under section 4(2)(a) of this act would cause a city with a population of fifty thousand or more to lose more than ten percent of the total gross receipts taxes received by that city, the city may delay the adoption of that particular definition until January 1, 2005.

(2) A city with a population of less than fifty thousand and imposing a gross receipts tax must adopt and implement, at a minimum, the mandatory provisions of the model ordinance provided in section 4 of this act by January 1, 2005. However, if a definition required to be adopted as a mandatory provision of the model ordinance under section 4(2)(a) of this act would cause a city with a population of less than fifty thousand to lose more than ten percent of the total gross receipts taxes received by that city, the city may delay the adoption of that particular definition until January 1, 2006.

(3) While it is the intent of the legislature to allow some deviation from the nonmandatory provisions of the model ordinance, cities are encouraged to deviate as little as possible from the nonmandatory portions of the model ordinance to maintain the highest degree of uniformity among the cities imposing a gross receipts tax. If a city chooses to deviate from the nonmandatory provisions of the model ordinance, the deviation should be noted along with an explanatory statement regarding the deviation. Both the deviation and the explanatory statement shall then be placed in a centralized depository such as the municipal research and services center to provide taxpayers with quick access to all deviations in both paper and electronic form.

NEW SECTION. Sec. 6. MUNICIPAL GROSS RECEIPTS TAX--MULTIPLE TAXATION--CREDIT SYSTEM. (1) It is the intent of the legislature in providing the system of credits in subsections (3)(a) and (b) of this section to eliminate any circumstance that would result in any city or multiple cities imposing a gross receipts business and occupation tax on greater than one hundred percent of the gross income of the business.

(2)(a) Persons who engage in business activities that are within the purview of more than one classification of a gross receipts business and occupation tax shall be taxable under each applicable classification.

(b) Notwithstanding anything to the contrary in this section, if imposition of the tax would place an undue burden upon interstate commerce or violate other constitutional requirements, a taxpayer shall be allowed a credit to the extent necessary to preserve the validity of the tax.

(3)(a) Every person engaged in manufacturing activities is allowed a credit against the measure of tax of any manufacturing gross receipts tax imposed by a local jurisdiction for any portion of the measure of tax which has been previously subjected to a local jurisdiction gross receipts tax on either extracting or previously performed manufacturing activities.

(b) Every person engaged in making retail or wholesale sales is allowed a credit against the measure of tax of any retailing or wholesaling gross receipts tax imposed by a local jurisdiction for any portion of the measure of tax which has been previously subjected to a local jurisdiction gross receipts tax on either extracting or manufacturing activities.

(c) The model ordinance provided for in section 4 of this act shall be drafted to address the issue of multiple taxation for those tax classifications that are in addition to those enumerated in (a) and (b) of this subsection. The objective of any such provisions shall be to eliminate multiple taxation of the same income by two or more cities through the use of credits against the measure of tax.

NEW SECTION. Sec. 7. MUNICIPAL GROSS RECEIPTS TAX--NEXUS. A city may not impose a gross receipts tax on a person unless that person has nexus with the city. For the purposes of this section, the term "nexus" means business activities conducted by a person sufficient to subject that person to the taxing jurisdiction of a city under the standards established for interstate commerce under the commerce clause of the United States Constitution.

NEW SECTION. Sec. 8. MUNICIPAL GROSS RECEIPTS TAX--REPORTING FREQUENCY. A city that imposes a gross receipts tax shall allow reporting and payment of tax on a monthly, quarterly, or annual basis. The frequency for any particular person may be assigned at the discretion of the city, except that monthly reporting may be assigned only if it can be demonstrated that the taxpayer is remitting excise tax to the state on a monthly basis. For persons assigned a monthly frequency, payment is due within the same time period provided for monthly taxpayers under RCW 82.32.045(1). For persons assigned a quarterly or annual frequency, payment is due within the same time period as provided for quarterly or annual frequency under RCW 82.32.045(2).

NEW SECTION. Sec. 9. MUNICIPAL GROSS RECEIPTS TAX--PENALTIES AND INTEREST. (1) A city that imposes a gross receipts tax shall compute interest charged a taxpayer on an underpaid tax or penalty in accordance with RCW 82.32.050.

(2) A city that imposes a gross receipts tax shall compute interest paid on refunds or credits of amounts paid or other recovery allowed a taxpayer in accordance with RCW 82.32.060.

NEW SECTION. Sec. 10. MUNICIPAL BUSINESS AND OCCUPATION TAX--PENALTIES. A city that imposes a gross receipts tax shall provide for the imposition of penalties as follows:

(1) If payment of any tax due on a return to be filed by a taxpayer is not received by the city by the due date, the taxpayer shall be charged a penalty equivalent to that provided in RCW 82.32.090(1).

(2) If payment of any tax assessed by the city is not received by the city by the due date specified in the notice, or any extension, the city shall add a penalty equivalent to that provided in RCW 82.32.090(2).

(3) If a warrant is issued by the city for the collection of taxes, increases, and penalties, a penalty equivalent to that provided in RCW 82.32.090(3) shall be added to it.

(4) If the city, code city, or town finds that all or any part of a deficiency resulted from the disregard of specific written instructions as to reporting or tax liabilities, the city shall add a penalty equivalent to that provided in RCW 82.32.090(4). A taxpayer disregards specific written instructions when the city has informed the taxpayer in writing of the taxpayer's tax obligations and the taxpayer fails to act in accordance with those instructions unless the city has not issued final instructions because the matter is under appeal. The city shall not assess the penalty under this section upon any taxpayer who has made a good faith effort to comply with the specific written instructions provided by the city to that taxpayer. Specific written instructions may be given as a part of a tax assessment, audit, determination, or closing agreement, provided that specific written instructions apply only to the taxpayer addressed or referenced on the documents. Any specific written instructions by the city shall

be clearly identified as such and shall inform the taxpayer that failure to follow the instructions may subject the taxpayer to the penalties imposed by this subsection.

(5) If the city finds that all or any part of the deficiency resulted from an intent to evade the tax, a further penalty equivalent to that provided in RCW 82.32.090(5) shall be added.

(6) The aggregate of penalties imposed under subsections (1), (2), and (3) of this section shall not exceed the limit for penalties provided in RCW 82.32.090(6). This subsection does not prohibit or restrict the application of other penalties authorized by law.

(7) The city may not impose both the evasion penalty and the penalty for disregarding specific written instructions on the same tax found to be due.

(8) For the purposes of this section, "return" means any document a person is required by the city to file to satisfy or establish a tax obligation that is administered by the city and that has a due date defined by ordinance.

NEW SECTION. Sec. 11. MUNICIPAL GROSS RECEIPTS TAX--CLAIM PERIOD. The provisions relating to the time period allowed for an assessment or correction of an assessment for additional taxes, penalties, or interest shall be substantially identical to those provided in RCW 82.32.050(3).

NEW SECTION. Sec. 12. MUNICIPAL GROSS RECEIPTS TAX--REFUND PERIOD. The provisions relating to the time period allowed for a refund of taxes paid shall be substantially identical to those provided in RCW 82.32.060 (1) and (2).

NEW SECTION. Sec. 13. MUNICIPAL GROSS RECEIPTS TAX--APPORTIONMENT PROVISIONS. (1) For the purposes of apportioning or allocating gross income of the business for city gross receipts taxes:

(a) The total tax measure apportioned or allocated to all applicable local jurisdictions shall not exceed the total tax measure computed by the state for the purpose of state gross receipts taxation.

(b) All state and federal constitutional provisions and laws pertaining to the establishment of due process and commerce clause protections for the taxation of interstate commerce are duly applicable to the establishment of due process and commerce clause protections for the taxation of intrastate commerce.

(2) The following specific guidelines shall be applied by any city that imposes a gross receipts tax:

(a) For the purposes of imposing a gross receipts tax on extracting, manufacturing, or processing for hire activities, the activities are subject to tax in the local jurisdiction where the activities occur. If the activities occur in more than one local jurisdiction, the activities are consistently, equitably, and reasonably apportioned between or among those local jurisdictions even though the taxpayer may not have an office or other permanent place of business in each jurisdiction.

(b) For the purposes of imposing a gross receipts tax on retail sales, all sales are subject to tax in the local jurisdiction where the sales occur. For the purposes of determining where a retail sale occurs under this subsection (2)(b), the methods provided in RCW 82.14.020 (1) through (5) for determining where a retail sale occurs apply.

(c) For the purposes of imposing a gross receipts tax on wholesale sales, all sales are subject to tax in the local jurisdiction where the sales occur. For the purposes of determining where a wholesale sale occurs under this subsection, the methods provided in RCW 82.14.020 (1) through (5) for determining where a retail sale occurs apply as if the wholesale sale was a retail sale.

(d) For the purposes of imposing a gross receipts tax on any person rendering services, other than services defined as a retail sale under RCW 82.04.050, the services are subject to tax in the local jurisdiction where the services were primarily performed. If the person rendering services performs substantial service activities in more than one local jurisdiction, the person shall apportion to each local jurisdiction that portion of the total gross income that is derived from services rendered in each local jurisdiction. Where apportionment cannot be accurately made by separate accounting methods, the person shall apportion to each local jurisdiction that proportion of the total gross income which is derived from services which the cost of performing the services within a local jurisdiction bears to the total cost of performing the services in all local jurisdictions. The city shall apportion the gross receipts derived from services even though the taxpayer may not have an office or other permanent place of business in each jurisdiction where it performs the services.

(e) Under no circumstances may a business apportion or allocate gross receipts to a jurisdiction in which it has no nexus for tax purposes.

(f) Upon the effective date of this section, the model ordinance developed under section 4 of this act shall not contain any provisions relating to the apportionment or allocation of gross income.

NEW SECTION. Sec. 14. MUNICIPAL GROSS RECEIPTS TAX--APPORTIONMENT PROVISIONS STUDY. The department of revenue shall work with the association of Washington cities and the business community to study the possible impacts of section 13 of this act regarding the issues of apportionment and allocation of income as they relate to cities, businesses engaged in business solely within the boundaries of a single, local jurisdiction, and businesses engaged in business within multiple local jurisdictions. In conducting the study, the department shall perform an independent analysis of the specific revenue impacts to cities, if any, which may occur when section 13 of this act is implemented. If the department determines that revenue impacts are anticipated as a result of the implementation of section 13 of this act, it shall, on January 1, 2004, make recommendations to the governor and the fiscal committees of the legislature regarding actions the legislature could take to mitigate the financial impact. In addition to methods offered by the department to financially mitigate any impact, the recommendations may also include the substantive alteration or repeal of section 13 of this act.

NEW SECTION. Sec. 15. MUNICIPAL GROSS RECEIPTS TAX--IMPLEMENTATION BY CITIES--CONTINGENT AUTHORITY. A city that has not complied with the model ordinance adoption requirements of section 5 of this act may not impose a gross receipts tax on business activities subject to the mandatory provisions of the model ordinance.

NEW SECTION. Sec. 16. MUNICIPAL GROSS RECEIPTS TAX--PREEMPTION OF GROSS RECEIPTS TAXATION OF INTELLECTUAL PROPERTY. (1) A city shall not impose a gross receipts tax upon any intellectual property creating activity. However, nothing in this section shall be construed to prohibit a city from imposing a gross receipts tax on the sale of tangible personal property or services that include the benefits from intellectual property creating activities.

(2) For the purposes of this section, "intellectual property creating activity" means research, development, authorship, creation, or general or specific inventive activity without regard to whether the intellectual property creating activity results in the creation of patents, trademarks, trade secrets, matter subject to copyright, or any other intellectual property.

Sec. 17. RCW 82.32.060 and 1999 c 358 s 13 are each amended to read as follows:

(1) If, upon receipt of an application by a taxpayer for a refund or for an audit of the taxpayer's records, or upon an examination of the returns or records of any taxpayer, it is determined by the department that within the statutory period for assessment of taxes, penalties, or interest prescribed by RCW 82.32.050 any amount of tax, penalty, or interest has been paid in excess of that properly due, the excess amount paid within, or attributable to, such period shall be credited to the taxpayer's account or shall be refunded to the taxpayer, at the taxpayer's option. Except as provided in subsections (2) and (3) of this section, no refund or credit shall be made for taxes, penalties, or interest paid more than four years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

(2) The execution of a written waiver under RCW 82.32.050 or 82.32.100 shall extend the time for making a refund or credit of any taxes paid during, or attributable to, the years covered by the waiver if, prior to the expiration of the waiver period, an application for refund of such taxes is made by the taxpayer or the department discovers a refund or credit is due.

(3) Notwithstanding the foregoing limitations there shall be refunded or credited to taxpayers engaged in the performance of United States government contracts or subcontracts the amount of any tax paid, measured by that portion of the amounts received from the United States, which the taxpayer is required by contract or applicable federal statute to refund or credit to the United States, if claim for such refund is filed by the taxpayer with the department within one year of the date that the amount of the refund or credit due to the United States is finally determined and filed within four years of the date on which the tax was paid: PROVIDED, That no interest shall be allowed on such refund.

(4) Any such refunds shall be made by means of vouchers approved by the department and by the issuance of state warrants drawn upon and payable from such funds as the legislature may provide.

However, taxpayers who are required to pay taxes by electronic funds transfer under RCW 82.32.080 shall have any refunds paid by electronic funds transfer.

(5) Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer shall be paid in the same manner, as provided in subsection (4) of this section, upon the filing with the department of a certified copy of the order or judgment of the court.

(a) Interest at the rate of three percent per annum shall be allowed by the department and by any court on the amount of any refund, credit, or other recovery allowed to a taxpayer for taxes, penalties, or interest paid by the taxpayer before January 1, 1992. This rate of interest shall apply for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, shall be computed at the rate as computed under RCW 82.32.050(2). The rate so computed shall be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(b) For refunds or credits of amounts paid or other recovery allowed to a taxpayer after December 31, 1991, the rate of interest shall be the rate as computed for assessments under RCW 82.32.050(2) less one percent. This rate of interest shall apply for all interest allowed through December 31, 1998. Interest allowed after December 31, 1998, shall be computed at the rate as computed under RCW 82.32.050(2). The rate so computed shall be adjusted on the first day of January of each year for use in computing interest for that calendar year.

(6)(a) Interest allowed on a credit notice or refund issued after July 1, 2002, shall be computed from the last day of each calendar year containing the overpayment, and the last day of the final month included in a credit notice or refund if not the end of a calendar year.

(b) The department's credit notices shall include any applicable interest. Interest allowed with a credit notice shall accrue up to the date the taxpayer could reasonably be expected to use the credit notice, as defined by the department's rules.

(c) If a credit notice is converted to a refund, interest shall be recomputed to the date the refund is issued, but not to exceed the amount of interest that would have been allowed with the credit notice.

SB 6538 Prime Sponsor, Senator Regala: Establishing the ballast water work group. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** (1) The director of the department of fish and wildlife must establish the ballast water work group.

(2) The ballast water work group consists of the following individuals:

(a) One staff person from the governor's executive policy office. This person must act as chair of the ballast water work group;

(b) Two representatives from the Puget Sound steamship operators;

(c) Two representatives from the Columbia river steamship operators;

(d) Three representatives from the Washington public ports, one of whom must be a marine engineer;

(e) Two representatives from the petroleum transportation industry; and

(f) Two representatives from the environmental community.

(3) The ballast water work group must study, and provide a report to the legislature by December 15, 2003, the following issues:

(a) All issues relating to ballast water technology, including exchange and treatment methods and the associated costs;

(b) The services needed by the industry and the state to protect the marine environment; and

(c) The costs associated with, and possible funding methods for, implementing the ballast water program.

(4) The ballast water work group must begin operation immediately upon the effective date of this section. The department of fish and wildlife must provide staff for the ballast water work group. The staff must come from existing personnel within the department of fish and wildlife.

(5) The director must also monitor the activities of the task force created by the state of Oregon in 2001 Or. Laws 722, concerning ballast water management. The director shall provide the ballast water work group with periodic updates of the Oregon task force's efforts at developing a ballast water management system.

(6)(a) The ballast water work group expires June 30, 2004.

(b) This section expires June 30, 2004.

Sec. 2. RCW 77.120.030 and 2000 c 108 s 4 are each amended to read as follows:

The owner or operator in charge of any vessel covered by this chapter is required to ensure that the vessel under their ownership or control does not discharge ballast water into the waters of the state except as authorized by this section.

(1) Discharge into waters of the state is authorized if the vessel has conducted an open sea exchange of ballast water. A vessel is exempt from this requirement if the vessel's master reasonably determines that such a ballast water exchange operation will threaten the safety of the vessel or the vessel's crew, or is not feasible due to vessel design limitations or equipment failure. If a vessel relies on this exemption, then it may discharge ballast water into waters of the state, subject to any requirements of treatment under subsection (2) of this section and subject to RCW 77.120.040.

(2) After July 1, ~~((2002))~~ 2004, discharge of ballast water into waters of the state is authorized only if there has been an open sea exchange or if the vessel has treated its ballast water to meet standards set by the department. When weather or extraordinary circumstances make access to treatment unsafe to the vessel or crew, the master of a vessel may delay compliance with any treatment required under this subsection until it is safe to complete the treatment.

(3) The requirements of this section do not apply to a vessel discharging ballast water or sediments that originated solely within the waters of Washington state, the Columbia river system, or the internal waters of British Columbia south of latitude fifty degrees north, including the waters of the Straits of Georgia and Juan de Fuca.

(4) Open sea exchange is an exchange that occurs fifty or more nautical miles offshore. If the United States coast guard requires a vessel to conduct an exchange further offshore, then that distance is the required distance for purposes of compliance with this chapter.

Sec. 3. RCW 77.120.040 and 2000 c 108 s 5 are each amended to read as follows:

The owner or operator in charge of any vessel covered by this chapter is required to ensure that the vessel under their ownership or control complies with the reporting and sampling requirements of this section.

(1) Vessels covered by this chapter must report ballast water management information to the department using ballast water management forms that are acceptable to the United States coast guard. The frequency, manner, and form of such reporting shall be established by the department by rule. Any vessel may rely on a recognized marine trade association to collect and forward this information to the department.

(2) In order to monitor the effectiveness of national and international efforts to prevent the introduction of nonindigenous species, all vessels covered by this chapter must submit nonindigenous species ballast water monitoring data. The monitoring, sampling, testing protocols, and methods of identifying nonindigenous species in ballast water shall be determined by the department by rule. A vessel covered by this chapter may contract with a recognized marine trade association to randomly sample vessels within that association's membership, and provide data to the department.

(3) Vessels that do not belong to a recognized marine trade association must submit individual ballast tank sample data to the department for each voyage.

(4) All data submitted to the department under subsection (2) of this section shall be consistent with sampling and testing protocols as adopted by the department by rule.

(5) The department shall adopt rules to implement this section. The rules and recommendations shall be developed in consultation with advisors from regulated industries and the potentially affected parties, including but not limited to shipping interests, ports, shellfish growers, fisheries, environmental interests, interested citizens who have knowledge of the issues, and appropriate governmental representatives including the United States coast guard. In recognition of the need to have a coordinated response to ballast water management for the Columbia river system, the department must consider rules adopted by the state of Oregon when adopting rules under this section for ballast water management in the navigable waters of the Columbia river system.

(a) The department shall set standards for the discharge of treated ballast water into the waters of the state. The rules are intended to ensure that the discharge of treated ballast water poses minimal risk of introducing nonindigenous species. In developing this standard, the department shall consider the extent to which the requirement is technologically and practically feasible. Where practical and appropriate, the standards shall be compatible with standards set by the United States coast guard and shall be developed in consultation with federal and state agencies to ensure consistency with the federal clean water act, 33 U.S.C. Sec. 1251-1387.

(b) The department shall adopt ballast water sampling and testing protocols for monitoring the biological components of ballast water that may be discharged into the waters of the state under this chapter. Monitoring data is intended to assist the department in evaluating the risk of new, nonindigenous species introductions from the discharge of ballast water, and to evaluate the accuracy of ballast water exchange practices. The sampling and testing protocols must consist of cost-effective, scientifically verifiable methods that, to the extent practical and without compromising the purposes of this chapter, utilize easily measured indices, such as salinity, or check for species that indicate the potential presence of nonindigenous species or pathogenic species. The department shall specify appropriate quality assurance and quality control for the sampling and testing protocols.

Sec. 4. RCW 77.120.060 and 2000 c 108 s 7 are each amended to read as follows:

The legislature recognizes that international and national laws relating to this chapter are changing and that state law must adapt accordingly. The department shall submit to the legislature, and make available to the public, a report that summarizes the results of this chapter and makes recommendations for improvement to this chapter on or before December 1, 2001, and a second report on or before December 1, 2004. The ((2004)) 2004 report shall describe how the costs of treatment required as of July 1, ((2002)) 2004, will be substantially equivalent among ports where treatment is required. The 2004 report must describe how the states of Washington and Oregon are coordinating their efforts for ballast water management in the Columbia river system. The department shall strive to fund the provisions of this chapter through existing resources, cooperative agreements with the maritime industry, and federal funding sources.

NEW SECTION. **Sec. 5.** A new section is added to chapter 77.120 RCW to read as follows:

The department, working with the United States coast guard and the marine exchanges, will work cooperatively to improve the ballast water information system and make improvements no later than October 1, 2002. The cooperative effort will strive to obtain ballast water reports for the United States coast guard under contract. The reports may be used for ballast water management information under this chapter and be forwarded to the United States coast guard for its management purposes. Prior to July 1, 2002, the department must take steps to reduce or eliminate the costs of reporting.

NEW SECTION. **Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Correct the title.

Such facilities include total confinement facilities, secure community transition facilities, and any residence used as a court-ordered placement under RCW 71.09.096.

(10) "Secure community transition facility" means a residential facility for persons civilly committed and conditionally released to a less restrictive alternative under this chapter. A secure community transition facility has supervision and security, and either provides or ensures the provision of sex offender treatment services. Secure community transition facilities include but are not limited to the ~~((facilities))~~ facility established pursuant to RCW 71.09.250(1)(a)(i) and any community-based facilities established under this chapter and operated by the secretary or under contract with the secretary.

(11) "Sexually violent offense" means an act committed on, before, or after July 1, 1990, that is: (a) An act defined in Title 9A RCW as rape in the first degree, rape in the second degree by forcible compulsion, rape of a child in the first or second degree, statutory rape in the first or second degree, indecent liberties by forcible compulsion, indecent liberties against a child under age fourteen, incest against a child under age fourteen, or child molestation in the first or second degree; (b) a felony offense in effect at any time prior to July 1, 1990, that is comparable to a sexually violent offense as defined in (a) of this subsection, or any federal or out-of-state conviction for a felony offense that under the laws of this state would be a sexually violent offense as defined in this subsection; (c) an act of murder in the first or second degree, assault in the first or second degree, assault of a child in the first or second degree, kidnapping in the first or second degree, burglary in the first degree, residential burglary, or unlawful imprisonment, which act, either at the time of sentencing for the offense or subsequently during civil commitment proceedings pursuant to this chapter, has been determined beyond a reasonable doubt to have been sexually motivated, as that term is defined in RCW 9.94A.030; or (d) an act as described in chapter 9A.28 RCW, that is an attempt, criminal solicitation, or criminal conspiracy to commit one of the felonies designated in (a), (b), or (c) of this subsection.

Total confinement facilities include the special commitment center and any similar facility designated as a ~~((secure))~~ total confinement facility by the secretary.

Sec. 2. RCW 71.09.250 and 2001 2nd sp.s. c 12 s 201 are each amended to read as follows:

(1)(a) The secretary is authorized to site, construct, occupy, and operate (i) a secure community transition facility on McNeil Island for persons authorized to petition for a less restrictive alternative under RCW 71.09.090(1) and who are conditionally released; and (ii) a special commitment center on McNeil Island with up to four hundred four beds as a total confinement facility under this chapter, subject to appropriated funding for those purposes. The secure community transition facility shall be authorized for the number of beds needed to ensure compliance with the orders of the superior courts under this chapter and the federal district court for the western district of Washington. The total number of beds in the secure community transition facility shall be limited to twenty-four, consisting of up to a maximum of fifteen transitional beds ~~((shall be limited to fifteen))~~ and up to a maximum of nine pretransitional beds established in subsection (2)(a) of this section. The residents occupying ~~((these))~~ the transitional beds shall be the only residents eligible for transitional services occurring in Pierce county. In no event shall more than fifteen residents of the secure community transition facility be participating in off-island transitional, educational, or employment activity at the same time in Pierce county. The department shall provide the Pierce county sheriff, or his or her designee, with a list of

the fifteen residents so designated, along with their photographs and physical descriptions, and ~~((#))~~ the list shall be immediately updated whenever a residential change occurs. The Pierce county sheriff, or his or her designee, shall be provided an opportunity to confirm the residential status of each resident leaving McNeil Island.

(b) For purposes of this subsection, "transitional beds" means beds only for residents ~~((in halfway house status))~~ who are judged by a qualified expert to be suitable to leave the island for treatment, education, and employment.

(2)(a) The secretary is authorized to site, either within the secure community transition facility established pursuant to subsection (1)(a)(i) of this section, or within the special commitment center, up to a maximum of nine pretransitional beds.

(b) Residents assigned to pretransitional beds shall not be permitted to leave McNeil Island for education, employment, treatment, or community activities in Pierce county.

(c) For purposes of this subsection, "pretransitional beds" means beds for residents whose progress toward a less secure residential environment and transition into more complete community involvement is projected to take substantially longer than a typical resident of the special commitment center.

(3) Notwithstanding RCW 36.70A.103 or any other law, this statute preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and all other laws as necessary to enable the secretary to site, construct, occupy, and operate a secure community transition facility on McNeil Island and a total confinement facility on McNeil Island.

(4) To the greatest extent possible, until June 30, 2003, persons who were not civilly committed from the county in which the secure community transition facility established pursuant to subsection (1) of this section is located may not be conditionally released to a setting in that same county less restrictive than that facility.

(5) As of June 26, 2001, the state shall immediately cease any efforts in effect on such date to site secure community transition facilities, other than the facility authorized by subsection (1) of this section, and shall instead site such facilities in accordance with the provisions of this section.

(6) The department must:

(a) Identify the minimum and maximum number of secure community transition facility beds in addition to the facility established under subsection (1) of this section that may be necessary for the period of May 2004 through May 2007 and provide notice of these numbers to all counties by August 31, 2001;

(b) ~~((In consultation with the joint select committee established in section 225, chapter 12, Laws of 2001 2nd sp. sess.,))~~ Develop and publish policy guidelines for the siting and operation of secure community transition facilities ~~((by October 1, 2001));~~ and

(c) Provide a status report to the appropriate committees of the legislature by December 1, 2002, on the development of facilities under the incentive program established in RCW 71.09.255. The report shall include a projection of the anticipated number of secure community transition facility beds that will become operational between May 2004 and May 2007. If it appears that an insufficient number of beds will be operational, the department's report shall recommend a progression of methods to facilitate siting in counties and cities including, if necessary, preemption of local land use planning process and other laws.

(7)(a) The total number of secure community transition facility beds that may be required to be sited in a county between June 26, 2001, and June 30, 2008, may be no greater than the total number of persons civilly committed from that county, or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause had been made on April 1, 2001. The total number of secure community transition facility beds required to be sited in each county between July 1, 2008, and June 30, 2015, may be no greater than the total number of persons civilly committed from that county or detained at the special commitment center under a pending civil commitment petition from that county where a finding of probable cause had been made as of July 1, 2008.

(b) Counties and cities that provide secure community transition facility beds above the maximum number that they could be required to site under this subsection are eligible for a bonus grant under the incentive provisions in RCW 71.09.255. The county where the special commitment center is located shall receive this bonus grant for the number of beds in the facility established in subsection (1) of this section in excess of the maximum number established by this subsection.

(c) No secure community transition facilities in addition to the one established in subsection (1) of this section may be required to be sited in the county where the special commitment center is located until after June 30, 2008, provided however, that the county and its cities may elect to site additional secure community transition facilities and shall be eligible under the incentive provisions of RCW 71.09.255 for any additional facilities meeting the requirements of that section.

(8) In identifying potential sites within a county for the location of a secure community transition facility, the department shall work with and assist local governments to provide for the equitable distribution of such facilities. In coordinating and deciding upon the siting of secure community transition facilities, great weight shall be given by the county and cities within the county to:

(a) The number and location of existing residential facility beds operated by the department of corrections or the mental health division of the department of social and health services in each jurisdiction in the county; and

(b) The number of registered sex offenders classified as level II or level III and the number of sex offenders registered as homeless residing in each jurisdiction in the county.

(9)(a) "Equitable distribution" means siting or locating secure community transition facilities in a manner that will not cause a disproportionate grouping of similar facilities either in any one county, or in any one jurisdiction or community within a county, as relevant; and

(b) "Jurisdiction" means a city, town, or geographic area of a county in which ~~((district))~~ distinct political or judicial authority may be exercised.

Sec. 3. RCW 71.09.255 and 2001 2nd sp.s. c 12 s 204 are each amended to read as follows:

(1) Upon receiving the notification required by RCW 71.09.250, counties must promptly notify the cities within the county of the maximum number of secure community transition facility beds that may be required and the projected number of beds to be needed in that county.

(2) The incentive grants provided under this section are subject to the following provisions:

(a) Counties and the cities within the county must notify each other of siting plans to promote the establishment and equitable distribution of secure community transition facilities;

(b) Development regulations, ordinances, plans, laws, and criteria established for siting must be consistent with statutory requirements and ~~((rules))~~ policies applicable to siting and operating secure community transition facilities;

(c) The minimum size for any facility is three beds; and

(d) The department must approve any sites selected.

(3) Any county or city that makes a commitment to initiate the process to site one or more secure community transition facilities by February 1, 2002, shall receive a planning grant as proposed and approved by the department of community, trade, and economic development.

(4) Any county or city that has issued all necessary permits by May 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive an incentive grant in the amount of fifty thousand dollars for each bed sited.

(5) To encourage the rapid permitting of sites, any county or city that has issued all necessary permits by January 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive a bonus in the amount of twenty percent of the amount provided under subsection (4) of this section.

(6) Any county or city that establishes secure community transition facility beds in excess of the maximum number that could be required to be sited in that county shall receive a bonus payment of one hundred thousand dollars for each bed established in excess of the maximum requirement.

(7) No payment shall be made under subsection (4), (5), or (6) of this section until all necessary permits have been issued.

Sec. 4. RCW 71.09.265 and 2001 2nd sp.s. c 12 s 208 are each amended to read as follows:

(1) The department shall make reasonable efforts to distribute the impact of the employment, education, and social services needs of the residents of the secure community transition facility established pursuant to RCW 71.09.250(1)(a)(i) among the adjoining counties that are west of the Cascade mountains and not to concentrate the residents' use of resources in any one community.

(2) The department shall develop policies to ensure that, to the extent possible, placement of persons eligible in the future for conditional release to a setting less restrictive than the facility

established pursuant to RCW 71.09.250(1)(a)(i) will be equitably distributed among the counties and within jurisdictions in the county.

Sec. 5. RCW 71.09.275 and 2001 2nd sp.s. c 12 s 211 are each amended to read as follows:

~~(2))~~ If the department does not provide a separate vessel for transporting residents of the secure community transition facility established in RCW 71.09.250(1) between McNeil Island and the mainland, the ~~((plan))~~ department shall ~~((include at least the following components))~~:

~~(a) ((The))~~ Separate residents ~~((shall be separated))~~ from minors and vulnerable adults, except vulnerable adults who have been found to be sexually violent predators.

~~(b) ((The))~~ Not transport residents ~~((shall not be transported))~~ during times when children are normally coming to and from the mainland for school.

~~((3))~~ ~~(2)~~ The department shall designate a separate waiting area at the points of debarkation, and residents shall be required to remain in this area while awaiting transportation.

~~((4))~~ ~~(3)~~ The department shall provide law enforcement agencies in the counties and cities in which residents of the secure community transition facility established pursuant to RCW 71.09.250(1)(a)(i) regularly participate in employment, education, or social services, or through which these persons are regularly transported, with a copy of the court's order of conditional release with respect to these persons.

(3) Public safety and security criteria shall include at least the following:

(a) Whether limited visibility between the facility and adjacent properties can be achieved prior to placement of any person;

Sec. 8. RCW 71.09.325 and 2001 2nd sp.s. c 12 s 221 are each amended to read as follows:

(1) The secretary shall adopt a violation reporting policy for persons conditionally released to less restrictive alternative placements. The policy shall require written documentation by the department and service providers of all violations of conditions set by the department, the department of corrections, or the court and establish criteria for returning a violator to the special commitment center or a secure community transition facility with a higher degree of security. Any conditionally released person who commits a serious violation of conditions shall be returned to the special commitment center, unless arrested by a law enforcement officer, and the court shall be notified immediately and shall initiate proceedings under RCW 71.09.098 to revoke or modify the less restrictive alternative placement. Nothing in this section limits the authority of the department to return a person to the special commitment center based on a violation that is not a serious violation as defined in this section. For the purposes of this section, "serious violation" includes but is not limited to:

- (a) The commission of any criminal offense;
- (b) Any unlawful use or possession of a controlled substance; and
- (c) Any violation of conditions targeted to address the person's documented pattern of offense that increases the risk to public safety.

The secretary shall give great weight to a service provider's record of violations, penalties, actions by the department (~~of social and health services~~) or the department of corrections to remove persons from a secure community transition facility, and contract terminations in determining whether to execute, renew, or renegotiate a contract with a service provider.

Sec. 9. RCW 9.95.011 and 2001 2nd sp.s. c 12 s 320 are each amended to read as follows:

(1) When the court commits a convicted person to the department of corrections on or after July 1, 1986, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.850, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9A.32.040, 9A.44.045, and chapter 69.50 RCW. The court's minimum term decision is subject to review to the same extent as a minimum term decision by the parole board before July 1, 1986.

Thereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board's authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(2) Not less than ninety days prior to the expiration of the minimum term of a person sentenced under RCW 9.94A.712, for a sex offense committed on or after (~~July~~) September 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional two years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

Sec. 10. RCW 9.95.017 and 2001 2nd sp.s. c 12 s 321 are each amended to read as follows:

(1) The board shall cause to be prepared criteria for duration of confinement, release on parole, and length of parole for persons committed to prison for crimes committed before July 1, 1984.

The proposed criteria should take into consideration RCW 9.95.009(2). Before submission to the governor, the board shall solicit comments and review on their proposed criteria for parole release. (~~These proposed criteria shall be submitted for consideration by the 1987 legislature.~~)

(2) Persons committed to the department of corrections and who are under the authority of the board for crimes committed on or after (~~July~~) September 1, 2001, are subject to the provisions for duration of confinement, release to community custody, and length of community custody established in RCW 9.94A.712, 9.94A.713, 72.09.335, and 9.95.420 through 9.95.440.

Sec. 11. RCW 9.95.055 and 2001 2nd sp.s. c 12 s 325 are each amended to read as follows:

The indeterminate sentence review board is hereby granted authority, in the event of a declaration by the governor that a war emergency exists, including a general mobilization, and for the duration thereof only, to reduce downward the minimum term, as set by the board, of any inmate under the jurisdiction of the board confined in a state correctional facility, who will be accepted by and inducted into the armed services: PROVIDED, That a reduction downward shall not be made under this section for those inmates who: (1) Are confined for (a) treason, (b) murder in the first degree, or (c) carnal knowledge of a female child under ten years; AND PROVIDED FURTHER, That no such inmate shall be released under this section who is (c) rape of a child in the first degree where the victim is under ten years of age or an equivalent offense under prior law; (2) are being considered for civil commitment as a sexually violent predator under chapter 71.09 RCW; or (~~was~~) (3) were sentenced under RCW 9.94A.712 for a crime committed on or after (~~July~~) September 1, 2001.

Sec. 12. RCW 9.95.070 and 2001 2nd sp.s. c 12 s 327 are each amended to read as follows:

(1) Every prisoner, convicted of a crime committed before July 1, 1984, who has a favorable record of conduct at (~~the penitentiary or the reformatory~~) a state correctional institution, and who

performs in a faithful, diligent, industrious, orderly and peaceable manner the work, duties, and tasks assigned to him or her to the satisfaction of the superintendent of the (~~penitentiary or reformatory~~) institution, and in whose behalf the superintendent of the (~~penitentiary or reformatory~~) institution files a report certifying that his or her conduct and work have been meritorious and recommending allowance of time credits to him or her, shall upon, but not until, the adoption of such recommendation by the indeterminate sentence review board, be allowed time credit reductions from the term of imprisonment fixed by the board.

(2) Offenders sentenced under RCW 9.94A.712 for a crime committed on or after (~~July~~) September 1, 2001, are subject to the earned release provisions for sex offenders established in RCW 9.94A.728.

Sec. 13. RCW 9.95.110 and 2001 2nd sp.s. c 12 s 331 are each amended to read as follows:

(1) The board may permit an offender convicted of a crime committed before July 1, 1984, to leave the buildings and enclosures of a state correctional institution on parole, after such convicted person has served the period of confinement fixed for him or her by the board, less time credits for good behavior and diligence in work: PROVIDED, That in no case shall an inmate be credited with more than one-third of his or her sentence as fixed by the board.

The board may establish rules and regulations under which an offender may be allowed to leave the confines of a state correctional institution on parole, and may return such person to the confines of the institution from which he or she was paroled, at its discretion.

(2) The board may permit an offender convicted of a crime committed on or after (~~July~~) September 1, 2001, and sentenced under RCW 9.94A.712, to leave a state correctional institution on community custody according to the provisions of RCW 9.94A.712, 9.94A.713, 72.09.335, and 9.95.420 through 9.95.440. The person may be returned to the institution following a violation of his or her conditions of release to community custody pursuant to the hearing provisions of RCW 9.95.435.

Sec. 14. RCW 9.95.120 and 2001 2nd sp.s. c 12 s 333 are each amended to read as follows:

Whenever the board or a community corrections officer of this state has reason to believe a person convicted of a crime committed before July 1, 1984, has breached a condition of his or her parole or violated the law of any state where he or she may then be or the rules and regulations of the board, any community corrections officer of this state may arrest or cause the arrest and detention and suspension of parole of such convicted person pending a determination by the board whether the parole of such convicted person shall be revoked. All facts and circumstances surrounding the violation by such convicted person shall be reported to the board by the community corrections officer, with recommendations. The board, after consultation with the secretary of corrections, shall make all rules and regulations concerning procedural matters, which shall include the time when state community corrections officers shall file with the board reports required by this section, procedures pertaining thereto and the filing of such information as may be necessary to enable the board to perform its functions under this section. On the basis of the report by the community corrections officer, or at any time upon its own discretion, the board may revise or modify the conditions of parole or order the suspension of parole by the issuance of a written order bearing its seal, which order shall be sufficient warrant for all peace officers to take into custody any convicted person who may be on parole and retain such person in their custody until arrangements can be made by the board for his or her return to a state correctional institution for convicted felons. Any such revision or modification of the conditions of parole or the order suspending parole shall be personally served upon the parolee.

Any parolee arrested and detained in physical custody by the authority of a state community corrections officer, or upon the written order of the board, shall not be released from custody on bail or personal recognizance, except upon approval of the board and the issuance by the board of an order of reinstatement on parole on the same or modified conditions of parole.

All chiefs of police, marshals of cities and towns, sheriffs of counties, and all police, prison, and peace officers and constables shall execute any such order in the same manner as any ordinary criminal process.

Whenever a paroled prisoner is accused of a violation of his or her parole, other than the commission of, and conviction for, a felony or misdemeanor under the laws of this state or the laws of any state where he or she may then be, he or she shall be entitled to a fair and impartial hearing of such charges within thirty days from the time that he or she is served with charges of the violation of

conditions of parole after his or her arrest and detention. The hearing shall be held before one or more members of the board at a place or places, within this state, reasonably near the site of the alleged violation or violations of parole.

In the event that the board suspends a parole by reason of an alleged parole violation or in the event that a parole is suspended pending the disposition of a new criminal charge, the board shall have the power to nullify the order of suspension and reinstate the individual to parole under previous conditions or any new conditions that the board may determine advisable. Before the board shall nullify an order of suspension and reinstate a parole they shall have determined that the best interests of society and the individual shall best be served by such reinstatement rather than a return to a ~~((penal))~~ correctional institution.

Sec. 15. RCW 9.95.435 and 2001 2nd sp.s. c 12 s 309 are each amended to read as follows:

(1) If an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody, the board may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2) Following the hearing specified in subsection (3) of this section, the board may impose sanctions such as work release, home detention with electronic monitoring, work crew, community service, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community, or may suspend or revoke the release to community custody whenever an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody.

(3) If an offender released by the board under RCW 9.95.420 is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the board or its designee prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The board shall develop hearing procedures and a structure of graduated sanctions consistent with the hearing procedures and graduated sanctions developed pursuant to RCW 9.94A.737. The board may suspend the offender's release to community custody and confine the offender in a correctional institution owned, operated by, or operated under contract with the state prior to the hearing unless the offender has been arrested and confined for a new criminal offense.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearings shall be conducted by members of the board unless the board enters into an agreement with the department to use the hearing officers established under RCW 9.94A.737;

(b) The board shall provide the offender with written notice of the violation, the evidence relied upon, and the reasons the particular sanction was imposed. The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the board;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within fifteen working days, but not less than twenty-four hours after notice of the violation. For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing examiner if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) be represented by counsel if revocation of the release to community custody is a possible sanction for the violation; and

(e) The sanction shall take effect if affirmed by the hearing examiner.

(5) Within seven days after the hearing examiner's decision, the offender may appeal the decision to a panel of three reviewing examiners designated by the chair of the board or by the chair's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: ~~((#))~~ (a) The crime of conviction; ~~((#))~~ (b) the

violation committed; ~~((iii))~~ (c) the offender's risk of reoffending; or ~~((iv))~~ (d) the safety of the community.

~~((5))~~ (6) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

Sec. 16. RCW 9.95.440 and 2001 2nd sp.s. c 12 s 310 are each amended to read as follows:

In the event the board suspends the release status of an offender released under RCW 9.95.420 by reason of an alleged violation of a condition of release, or pending disposition of a new criminal charge, the board may nullify the suspension order and reinstate release under previous conditions or any new conditions the board determines advisable pursuant to RCW 9.94A.713(5). Before the board may nullify a suspension order and reinstate release, it shall determine that the best interests of society and the offender shall be served by such reinstatement rather than return to confinement.

Sec. 17. RCW 18.155.030 and 2001 2nd sp.s. c 12 s 402 are each amended to read as follows:

(1) No person shall represent himself or herself as a certified sex offender treatment provider without first applying for and receiving a certificate pursuant to this chapter.

ESSB 5264 Prime Sponsor, Senate Committee on Ways & Means: Prohibiting public employers from misclassifying employees to avoid providing benefits. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 49.44 RCW to read as follows:

The legislature intends that public employers be prohibited from misclassifying employees, or taking other action to avoid providing or continuing to provide employment-based benefits to which employees are entitled under state law or employer policies or collective bargaining agreements applicable to the employee's correct classification.

This act does not mandate that any public employer provide benefits to actual temporary, seasonal, or part-time employees beyond the benefits to which they are entitled under state law or employer policies or collective bargaining agreements applicable to the employee's correct classification. Public employers may determine eligibility rules for their own benefit plans and may exclude categories of workers such as "temporary" or "seasonal," so long as the definitions and eligibility rules are objective and applied on a consistent basis. Objective standards, such as control over the work and the length of the employment relationship, should determine whether a person is an employee who is entitled to employee benefits, rather than the arbitrary application of labels, such as "temporary" or "contractor." Common law standards should be used to determine whether a person is performing services as an employee, as a contractor, or as part of an agency relationship.

This act does not modify any statute or policy regarding the employment of: Public employee retirees who are hired for postretirement employment as provided for in chapter 41.26, 41.32, 41.35, or 41.40 RCW or who work as contractors; or enrolled students who receive employment as student employees or as part of their education or financial aid.

NEW SECTION. Sec. 2. A new section is added to chapter 49.44 RCW to read as follows:

(1) It is an unfair practice for any public employer to:

(a) Misclassify any employee to avoid providing or continuing to provide employment-based benefits; or

(b) Include any other language in a contract with an employee that requires the employee to forgo employment-based benefits.

(2) The definitions in this subsection apply throughout this act unless the context clearly requires otherwise.

(a) "Employee" means a person who is providing services for compensation to an employer, unless the person is free from the employer's direction and control over the performance of work. This definition shall be interpreted consistent with common law.

(b) "Employment-based benefits" means any benefits to which employees are entitled under state law or employer policies or collective bargaining agreements applicable to the employee's correct classification.

(c) "Public employer" means: (i) Any unit of local government including, but not limited to, a county, city, town, municipal corporation, quasi-municipal corporation, or political subdivision; and (ii) the state, state institutions, and state agencies. This definition shall be interpreted consistent with common law.

(d) "Misclassify" and "misclassification" means to incorrectly classify or label a long-term public employee as "temporary," "leased," "contract," "seasonal," "intermittent," or "part-time," or to use a similar label that does not objectively describe the employee's actual work circumstances.

(3) An employee deeming himself or herself harmed in violation of subsection (1) of this section may bring a civil action in a court of competent jurisdiction.

NEW SECTION. Sec. 3. This act shall be construed liberally for the accomplishment of its purposes.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to ensure that long-term care facilities are safe.

- (1) The long-term care resident immunization act is intended to:
 - (a) Prevent and reduce the occurrence and severity of the influenza virus and pneumococcal disease by increasing the use of immunizations licensed by the food and drug administration;
 - (b) Avoid pain, suffering, and deaths that may result from the influenza virus and pneumococcal disease;
 - (c) Improve the well-being and quality of life of residents of long-term care facilities; and
 - (d) Reduce avoidable costs associated with treating the influenza virus and pneumococcal disease.
- (2) The legislature finds that:
 - (a) Recent studies show that it is important to immunize older citizens against the influenza virus and pneumococcal disease;
 - (b) The centers for disease control and prevention recommend individuals living in long-term care facilities and those over age sixty-five receive immunizations against the influenza virus and pneumococcal disease;
 - (c) The influenza virus and pneumococcal disease have been identified as leading causes of death for citizens over age sixty-five; and
 - (d) Immunizations licensed by the food and drug administration are readily available and effective in reducing and preventing the severity of the influenza virus and pneumococcal disease.

NEW SECTION. Sec. 2. A new section is added to chapter 74.42 RCW to read as follows:

- (1) Long-term care facilities shall:
 - (a) Provide access on-site or make available elsewhere for all residents to obtain the influenza virus immunization on an annual basis;
 - (b) Require that each resident, or the resident's legal representative, upon admission to the facility, be informed verbally and in writing of the benefits of receiving the influenza virus immunization and, if not previously immunized against pneumococcal disease, the benefits of the pneumococcal immunization.

(2) As used in this section, "long-term care facility" is limited to nursing homes licensed under chapter 18.51 RCW.

(3) The department of social and health services shall adopt rules to implement this section.

(4) This section and rules adopted under this section shall not apply to nursing homes conducted for those who rely exclusively upon treatment by nonmedical religious healing methods, including prayer.

"**Sec. 9.** RCW 74.20A.080 and 2000 c 86 s 8 are each amended to read as follows:

(1) The secretary may issue to any person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States, an order to withhold and deliver property of any kind, including but not restricted to earnings which are or might become due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, department of the

state, or agency, subdivision, or instrumentality of the United States property which is or might become due, owing, or belonging to said debtor. Such order to withhold and deliver may be issued:

 - (iv) By regular mail to a responsible parent's employer unless the division of child support reasonably believes that service of process in the manner prescribed in (d)(i) or (ii) of this subsection is required for initiating an action to ensure employer compliance with the withholding requirement; or
 - (v) By regular mail to an address if designated by the financial institution as a central levy or garnishment address, and if the notice is clearly identified as a levy or garnishment order. Before the division of child support may initiate an action for noncompliance with a withholding action against a financial institution, the division of child support must serve the order to withhold and deliver on the financial institution in the manner described in (d)(i) or (ii) of this subsection.
- (3) The division of child support may use uniform interstate withholding forms adopted by the United States department of health and human services to take withholding actions under this section when the responsible parent is owed money or property that is located in this state or in another state.
- (4) Any person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States upon whom service has been made is hereby required to:
- (a) Answer said order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein; and
 - (b) Provide further and additional answers when requested by the secretary.
- (5) The returned answer or a payment remitted to the division of child support by the employer constitutes proof of service of the order to withhold and deliver in the case where the order was served by regular mail.
- (6) Any such person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States in possession of any property which may be subject to the claim of the department shall:
- (a)(i) Immediately withhold such property upon receipt of the order to withhold and deliver; and
 - (ii) Within seven working days deliver the property to the secretary;
 - (iii) Continue to withhold earnings payable to the debtor at each succeeding disbursement interval as provided for in RCW 74.20A.090, and deliver amounts withheld from earnings to the secretary within seven working days of the date earnings are payable to the debtor;

(iv) Deliver amounts withheld from periodic payments to the secretary within seven working days of the date the payments are payable to the debtor;

(v) Inform the secretary of the date the amounts were withheld as requested under this section;

or

(b) Furnish to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability.

(7) An order to withhold and deliver served under this section shall not expire until:

(a) Released in writing by the division of child support;

(b) Terminated by court order;

(c) A person or entity, other than an employer as defined in Title 50 RCW, who has received the order to withhold and deliver does not possess property of or owe money to the debtor; or

(d) An employer who has received the order to withhold and deliver no longer employs, contracts, or owes money to the debtor under a contract of employment, express or implied.

(8) Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, or association, political subdivision, or department of the state, or agency, subdivision, or instrumentality of the United States subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary.

(9) Delivery to the secretary of the money or other property held or claimed shall satisfy the requirement and serve as full acquittance of the order to withhold and deliver.

(10) A person, firm, corporation, or association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States that complies with the order to withhold and deliver under this chapter is not civilly liable to the debtor for complying with the order to withhold and deliver under this chapter.

(11) The secretary may hold the money or property delivered under this section in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability.

(12) Exemptions contained in RCW 74.20A.090 apply to orders to withhold and deliver issued under this section.

(13) The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address, or, in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with a concise explanation of the right to petition for judicial review. This requirement is not jurisdictional, but, if the copy is not mailed or served as in this section provided, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.

(14) An order to withhold and deliver issued in accordance with this section has priority over any other wage assignment, garnishment, attachment, or other legal process.

(15) The division of child support shall notify any person, firm, corporation, association, or political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States required to withhold and deliver the earnings of a debtor under this action that they may deduct a processing fee from the remainder of the debtor's earnings, even if the remainder would otherwise be exempt under RCW 74.20A.090. The processing fee shall not exceed ten dollars for the first disbursement to the department and one dollar for each subsequent disbursement under the order to withhold and deliver."

NEW SECTION. Sec. 3. A new section is added to chapter 15.58 RCW, to be codified between RCW 15.58.065 and 15.58.070, to read as follows:

(1) When the director proposes to eradicate the Asian gypsy moth through the aerial application of pesticides within a large urban residential area as defined in RCW 17.24.007, the director shall consult with the department of health and with appropriate federal agencies concerning unpublished formulas of products acquired by authorization of this chapter for the purpose of obtaining an independent assessment of the possible human health risks associated with the proposed use.

The director shall hold a public meeting within the area to provide information and to receive comments from the public on the survey results, and the alternatives for eradication measures. The director shall accept such comments for a period of thirty days from the date the public meeting is held, or a lesser period as the director determines if immediate action is required to implement eradication measures.

When the requested measures include the aerial application of pesticides in a large urban residential area for the eradication of Asian gypsy moths, the findings shall also include a summary of

(4) The governor is the sole official organ of communication between the government of this state and the government of any other state or territory, or of the United States;

(13) The governor may, after finding that there exists within this state an imminent danger of infestation of plant pests as defined in RCW 17.24.007 or plant diseases which seriously endangers the agricultural, silvicultural, or horticultural industries of the state of Washington, or which seriously threatens life, health, or economic well-being, order emergency measures to prevent or abate the infestation or disease situation, which measures, after thorough evaluation of all other alternatives, may include the aerial application of pesticides if such an aerial application is clearly the preferred alternative;

(14) On all compacts forwarded to the governor pursuant to RCW 9.46.360(6), the governor is authorized and empowered to execute on behalf of the state compacts with federally recognized Indian tribes in the state of Washington pursuant to the federal Indian Gaming Regulatory Act, 25 U.S.C. "**Sec. 1.** RCW 48.38.020 and 1998 c 284 s 2 are each amended to read as follows:

(1) Upon granting to such insurer or institution under RCW 48.38.010 a certificate of exemption to conduct a charitable gift annuity business, the insurance commissioner shall require it to establish and maintain a separate reserve fund adequate to meet the future payments under its charitable gift annuity contracts.

(2) The assets of the separate reserve fund:

(a) Shall be held legally and physically segregated from the other assets of the certificate of exemption holder;

(b) Shall be invested in the same manner that persons of reasonable prudence, discretion, and intelligence exercise in the management of a like enterprise, not in regard to speculating but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital. Investments shall be of sufficient value, liquidity, and diversity to assure the insurer or institution's ability to meet its outstanding obligations; and

(c) Shall not be liable for any debts of the insurer or institution holding a certificate of exemption under this chapter, other than those incurred pursuant to the issuance of charitable gift annuities.

(3) The amount of the separate reserve fund shall be:

(c) Plus a surplus of ten percent of the combined amounts under (a) and (b) of this subsection.

(4) The general assets of the insurer or institution holding a certificate of exemption under this chapter shall be liable for the payment of annuities to the extent that the separate reserve fund is inadequate.

(5) For any failure on its part to establish and maintain the separate reserve fund, the insurance commissioner shall revoke its certificate of exemption.

(6) If an institution holding a certificate of exemption under RCW 48.38.010 has purchased a single premium life annuity that pays the entire amount stipulated in the gift annuity agreement or agreements from an insurer (a) holding a certificate of authority under chapter 48.05 RCW, (b) licensed in the state in which the institution has its principle office, and (c) licensed in the state in which the single premium life annuity is issued, then in determining the minimum reserve fund that must be maintained under this section, a deduction shall be allowed from the minimum reserve fund in an amount not exceeding the reserve fund amount required for the annuity or annuities for which the single premium life annuity is purchased, subject to the following conditions:

(i) The institution has filed with the commissioner a copy of the single premium life annuity purchased and specifying which charitable gift annuity or annuities are being insured; and

(ii) The institution has entered into a written agreement with the annuitant and the insurer issuing the single premium life annuity providing that if for any reason the institution is unable to continue making the annuity payments required by its annuity agreements, the annuitants shall receive payments directly from the insurer and the insurer shall be credited with all of these direct payments in the accounts between the insurer and the institution."

(xx) Commercial fishing catch data from logbooks required to be provided to the department of fish and wildlife under RCW 77.12.047, when the data identifies specific catch location, timing, or methodology and the release of which would result in unfair competitive disadvantage to the commercial fisher providing the catch data. (yy) Sensitive wildlife data obtained by the department of fish and wildlife. However, sensitive wildlife data may be released to government agencies concerned with the management of fish and wildlife resources. Sensitive wildlife data includes:

(2) Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such

ESB 5692 Prime Sponsor, Senator Costa: Creating youth courts. Reported by Committee on Juvenile Justice & Family Law

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Court" when used without further qualification means the district court under chapter 3.30 RCW, the municipal department under chapter 3.46 RCW, or the municipal court under chapter 3.50 or 35.20 RCW.

(2) "Traffic infraction" means those acts defined as traffic infractions by RCW 46.63.020.

(3) "Youth court" means an alternative method of hearing and disposing of traffic infractions for juveniles age sixteen or seventeen.

NEW SECTION. Sec. 2. (1) A court created under chapter 3.30, 3.46, 3.50, or 35.20 RCW may create a youth court. The youth court shall have jurisdiction over traffic infractions alleged to have been committed by juveniles age sixteen or seventeen. The court may refer a juvenile to the youth court upon request of any party or upon its own motion. However, a juvenile shall not be required under this section to have his or her traffic infraction referred to or disposed of by a youth court.

(2) To be referred to a youth court, a juvenile:

(a) May not have had a prior traffic infraction referred to a youth court;

(b) May not be under the jurisdiction of any court for a violation of any provision of Title 46 RCW;

(c) May not have any convictions for a violation of any provision of Title 46 RCW; and

(d) Must acknowledge that there is a high likelihood that he or she would be found to have committed the traffic infraction.

NEW SECTION. Sec. 3. (1) A youth court agreement shall be a contract between a juvenile accused of a traffic infraction and a court whereby the juvenile agrees to fulfill certain conditions imposed by a youth court in lieu of a determination that a traffic infraction occurred. Such agreements may be entered into only after the law enforcement authority has determined that probable cause exists to believe that a traffic infraction has been committed and that the juvenile committed it. A youth court agreement shall be reduced to writing and signed by the court and the youth accepting the terms of the agreement. Such agreements shall be entered into as expeditiously as possible.

(2) Conditions imposed on a juvenile by a youth court shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Attendance at defensive driving school or driver improvement education classes or, in the discretion of the court, a like means of fulfilling this condition. The state shall not be liable for costs resulting from the youth court or the conditions imposed upon the juvenile by the youth court;

(c) A monetary penalty, not to exceed one hundred dollars. In determining the amount of the monetary penalty, the youth court shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the monetary penalty. The youth court shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the monetary penalty to be imposed. All monetary penalties assessed and collected under this section shall be deposited and distributed in the same manner as costs, fines, forfeitures, and penalties are assessed and collected under RCW 2.68.040, 3.46.120, 3.50.100, 3.62.020, 3.62.040, 35.20.220, and 46.63.110(6), regardless of the juvenile's successful or unsuccessful completion of the youth court agreement;

(d) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas;

(e) Participating in law-related education classes;

(f) Providing periodic reports to the youth court or the court;

(g) Participating in mentoring programs;

(h) Serving as a participant in future youth court proceedings;

(i) Writing apology letters; or

(j) Writing essays.

(3) Youth courts may require that the youth pay any costs associated with conditions imposed upon the youth by the youth court.

(a) A youth court disposition shall be completed within one hundred eighty days from the date of referral.

(b) The court, as specified in section 2 of this act, shall monitor the successful or unsuccessful completion of the disposition.

(4) A youth court agreement may extend beyond the eighteenth birthday of the youth.

(5) Any juvenile who is, or may be, referred to a youth court shall be afforded due process in all contacts with the youth court regardless of whether the juvenile is accepted by the youth court or

whether the youth court program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written agreement shall be executed stating all conditions in clearly understandable language and the action that will be taken by the court upon successful or unsuccessful completion of the agreement;

(b) Violation of the terms of the agreement shall be the only grounds for termination.

(6) The youth court shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during youth court hearings or negotiations.

(7) The court shall be responsible for advising a juvenile of his or her rights as provided in this chapter.

(8) When a juvenile enters into a youth court agreement, the court may receive only the following information for dispositional purposes:

(a) The fact that a traffic infraction was alleged to have been committed;

(b) The fact that a youth court agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the juvenile performed his or her obligations under such agreement; and

(e) The facts of the alleged traffic infraction.

(9) A court may refuse to enter into a youth court agreement with a juvenile. When a court refuses to enter a youth court agreement with a juvenile, it shall set the matter for hearing in accordance with all applicable court rules and statutory provisions governing the hearing and disposition of traffic infractions.

(10) If a monetary penalty required by a youth court agreement cannot reasonably be paid due to a lack of financial resources of the youth, the court may convert any or all of the monetary penalty into community service. The modification of the youth court agreement shall be in writing and signed by the juvenile and the court. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

NEW SECTION. Sec. 4. Youth courts provide a disposition method for cases involving juveniles alleged to have committed traffic infractions, in which participants, under the supervision of the court, may serve in various capacities within the youth court, acting in the role of jurors, lawyers, bailiffs, clerks, and judges. Youth courts have no jurisdiction except as provided for in this chapter. Youth courts are not courts established under Article IV of the state Constitution.

NEW SECTION. Sec. 5. The administrative office of the courts shall encourage the courts to work with cities, counties, and schools to implement, expand, or use youth court programs for juveniles who commit traffic infractions. Program operations of youth court programs may be funded by government and private grants. Youth court programs are limited to those that:

(1) Are developed using the guidelines for creating and operating youth court programs developed by nationally recognized experts in youth court projects;

(2) Target youth ages sixteen and seventeen who are alleged to have committed a traffic infraction; and

(3) Emphasize the following principles:

(a) Youth must be held accountable for their problem behavior;

(b) Youth must be educated about the impact their actions have on themselves and others including their victims, their families, and their community;

(c) Youth must develop skills to resolve problems with their peers more effectively; and

(d) Youth should be provided a meaningful forum to practice and enhance newly developed skills.

NEW SECTION. Sec. 6. A court may require that a youth pay a nonrefundable fee, not exceeding thirty dollars, to cover the costs of administering the program. The fee may be reduced or waived for a participant. Fees shall be paid to and accounted for by the court. The fees collected

under this section shall not constitute "certain costs" as defined in RCW 3.46.120(2), 3.50.100(2), 3.62.020(2), 3.62.040(2), and 35.20.220(2).

Sec. 8. RCW 13.40.080 and 1999 c 91 s 1 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a ~~((diversionary))~~ diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by ~~((the))~~ any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the ~~((diversionary))~~ diversion unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of ~~((the))~~ any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to section 14 of this act.

(4) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted the ~~((diversionary))~~ diversion unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

~~((4))~~ (5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to ~~((the))~~ a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection ~~((4))~~ (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may not require the juvenile to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

~~((5))~~ (6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

~~((6))~~ (7) Divertees and potential divertees shall be afforded due process in all contacts with a ~~((diversionary))~~ diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

~~((7))~~ (8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

~~((8))~~ (9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

~~((9))~~ (10) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

~~((10))~~ (11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall

be obtained from the juvenile, and the document shall be maintained by the ~~((diversionary))~~ diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

~~((11))~~ (12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

- (a) The fact that a charge or charges were made;
- (b) The fact that a diversion agreement was entered into;
- (c) The juvenile's obligations under such agreement;
- (d) Whether the alleged offender performed his or her obligations under such agreement; and
- (e) The facts of the alleged offense.

~~((12))~~ (13) A ~~((diversionary))~~ diversion unit may refuse to enter into a diversion agreement with a juvenile. When a ~~((diversionary))~~ diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The ~~((diversionary))~~ diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

~~((13))~~ (14) A ~~((diversionary))~~ diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection ~~((shall))~~ includes the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a ~~((diversionary))~~ diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

~~((14))~~ (15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

~~((15))~~ (16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

~~((16))~~ (17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

(i) The purposes of this chapter as defined in RCW 9.94A.010; and

(ii) The intent of the legislature to emphasize confinement for the violent offender and alternatives to confinement for the nonviolent offender.

The commission shall provide the governor and the legislature with its evaluation and recommendations under this subsection not later than December 1, 1996, and every two years thereafter;

(b) Recommend to the legislature revisions or modifications to the standard sentence ranges, state sentencing policy, prosecuting standards, and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity;

(c) Study the existing criminal code and from time to time make recommendations to the legislature for modification;

(d)(i) Serve as a clearinghouse and information center for the collection, preparation, analysis, and dissemination of information on state and local adult and juvenile sentencing practices; (ii) develop and maintain a computerized adult and juvenile sentencing information system by individual superior court judge consisting of offender, offense, history, and sentence information entered from judgment and sentence forms for all adult felons; and (iii) conduct ongoing research regarding adult and juvenile sentencing guidelines, use of total confinement and alternatives to total confinement, plea bargaining, and other matters relating to the improvement of the adult criminal justice system and the juvenile justice system;

application of current and proposed juvenile sentencing standards and guidelines for potential adverse impacts on the sentencing outcomes of racial and ethnic minority youth;

(g) Solicit the comments and suggestions of the juvenile justice community concerning disposition standards, and make recommendations to the legislature regarding revisions or modifications of the standards. The evaluations shall be submitted to the legislature on December 1 of each odd-numbered year. The department of social and health services shall provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders, and with recommendations for modification of the disposition standards. The office of the administrator for the courts shall provide the commission with available data on diversion, including the use of youth court programs, and dispositions of juvenile offenders under chapter 13.40 RCW; and

(h) Not later than December 1, 1997, and at least every two years thereafter, based on available information, report to the governor and the legislature on:

(i) Racial disproportionality in juvenile and adult sentencing, and, if available, the impact that diversions, such as youth courts, have on racial disproportionality in juvenile prosecution, adjudication, and sentencing;

(ii) The capacity of state and local juvenile and adult facilities and resources; and

(iii) Recidivism information on adult and juvenile offenders.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

(4) The standard sentence ranges of total and partial confinement under this chapter are subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range, except that if the maximum term in the range is ninety days or less, the minimum term may be less than one-third of the maximum;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range, except that for murder in the second degree in seriousness level XIV under RCW 9.94A.510, the minimum term in the range shall be no less than fifty percent of the maximum term in the range; and

(5)(a) Not later than December 31, 1999, the commission shall propose to the legislature the initial community custody ranges to be included in sentences under RCW 9.94A.715 for crimes committed on or after July 1, 2000. Not later than December 31 of each year, the commission may propose modifications to the ranges. The ranges shall be based on the principles in RCW 9.94A.010, and shall take into account the funds available to the department for community custody. The minimum term in each range shall not be less than one-half of the maximum term.

(b) The legislature may, by enactment of a legislative bill, adopt or modify the community custody ranges proposed by the commission. If the legislature fails to adopt or modify the initial ranges in its next regular session after they are proposed, the proposed ranges shall take effect without legislative approval for crimes committed on or after July 1, 2000.

(c) When the commission proposes modifications to ranges pursuant to this subsection, the legislature may, by enactment of a bill, adopt or modify the ranges proposed by the commission for crimes committed on or after July 1 of the year after they were proposed. MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.130 and 1997 c 429 s 10 are each amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. ~~((Not later than September 1, 2002, and at least every five years thereafter,))~~ A county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure ((that)) the plan and regulations ((are complying)) comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section. A county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons therefore. The review and evaluation required by this subsection may be combined with the review required by subsection (3) of this section. The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

(b) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter ~~((, and))~~. ~~Any ((change)) amendment of or revision~~ amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program ~~((identifying))~~ consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year ((except that)). "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the time periods specified in subsection (4) of this section. Amendments may be considered more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan that does not modify the comprehensive plan policies and designations applicable to the subarea;

(ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW; and

(iii) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with a growth management hearings board or with the court.

(3) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas. The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

(4) The department shall establish a schedule for counties and cities to take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter. The schedule established by the department shall provide for the reviews and evaluations to be completed as follows:

(a) On or before December 1, 2004, and every seven years thereafter, for Clallam, Clark, Jefferson, King, Kitsap, Pierce, Snohomish, Thurston, and Whatcom counties and the cities within those counties;

(b) On or before December 1, 2005, and every seven years thereafter, for Cowlitz, Island, Lewis, Mason, San Juan, Skagit, and Skamania counties and the cities within those counties;

(c) On or before December 1, 2006, and every seven years thereafter, for Benton, Chelan, Douglas, Grant, Kittitas, Spokane, and Yakima counties and the cities within those counties; and

(5)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the time limits established in subsection (4) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

(b) State agencies are encouraged to provide technical assistance to the counties and cities in the review of critical area ordinances, comprehensive plans, and development regulations.

(6) A county or city subject to the time periods in subsection (4)(a) of this section that, pursuant to an ordinance adopted by the county or city establishing a schedule for periodic review of its comprehensive plan and development regulations, has conducted a review and evaluation of its comprehensive plan and development regulations and, on or after January 1, 2001, has taken action in response to that review and evaluation shall be deemed to have conducted the first review required by subsection (4)(a) of this section. Subsequent review and evaluation by the county or city of its comprehensive plan and development regulations shall be conducted in accordance with the time periods established under subsection (4)(a) of this section.

(7) The requirements imposed on counties and cities under this section shall be considered "requirements of this chapter" under the terms of RCW 36.70A.040(1). Only those counties and cities in compliance with the schedules in this section shall have the requisite authority to receive grants, loans, pledges, or financial guarantees from those accounts established in RCW 43.155.050 and 70.146.030. Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 18.92 RCW to read as follows:

The legislature recognizes that low-income households may not receive needed veterinary services for household pets. It is the intent of the legislature to allow qualified animal control agencies and humane societies to provide limited veterinary services to low-income members of our communities. It is not the intent of the legislature to allow these agencies to provide veterinary services to the public at large.

NEW SECTION. Sec. 2. A new section is added to chapter 18.92 RCW to read as follows:

(1)(a) Subject to the limitations in this section, animal care and control agencies as defined in RCW 16.52.011 and nonprofit humane societies, that have qualified under section 501(c)(3) of the internal revenue code may provide limited veterinary services to animals owned by qualified low-income households. The veterinary services provided shall be limited to electronic identification, surgical sterilization, and vaccinations. A veterinarian or veterinary technician acting within his or her scope of practice must perform the limited veterinary services. For purposes of this section, "low-income household" means the same as in RCW 43.185A.010.

(b) Animal control agencies and nonprofit humane societies, receiving animals on an emergency basis, may provide emergency care, subject to a local ordinance that defines an emergency situation and establishes temporary time limits.

(c) Any local ordinance addressing the needs under this section that was approved by the voters and is in effect on the effective date of this act remains in effect.

(2) Veterinarians and veterinary technicians employed at these facilities must be licensed under this chapter. No officer, director, supervisor, or any other individual associated with an animal care or control agency or nonprofit humane society owning and operating a veterinary medical facility may impose any terms or conditions of employment or direct or attempt to direct an employed veterinarian in any way that interferes with the free exercise of the veterinarian's professional judgment or infringes upon the utilization of his or her professional skills.

(3) Veterinarians, veterinary technicians, and animal control agencies and humane societies acting under this section shall, for purposes of providing the limited veterinary services, meet the requirements established under this chapter and are subject to the rules adopted by the veterinary board of governors in the same fashion as any licensed veterinarian or veterinary medical facility in the state.

(4) The Washington state veterinary board of governors shall adopt rules to:

(a) Establish registration and registration renewal requirements;

(b) Govern the purchase and use of drugs for the limited veterinary services authorized under this section; and

(c) Ensure that agencies and societies are in compliance with this section.

(5) The limited veterinary medical service authority granted by registration under this section may be denied, suspended, revoked, or conditioned by a determination of the board of governors for any act of noncompliance with this chapter. The uniform disciplinary act, chapter 18.130 RCW, governs unregistered operation, the issuance and denial of registrations, and the discipline of registrants under this section.

(6) No animal control agency or humane society may operate under this chapter without registering with the department. An application for registration shall be made upon forms provided by the department and shall include the information the department reasonably requires, as provided by RCW 43.70.280. The department shall establish registration and renewal fees as provided by RCW 43.70.250. A registration fee shall accompany each application for registration or renewal.

SSB 6254 Prime Sponsor, Senate Committee on Agriculture & International Trade: Creating the fruit and vegetable inspection account. Reported by Committee on Agriculture & Ecology

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 15.17.230 and 1998 c 154 s 15 are each amended to read as follows:

For the purpose of this chapter the state shall be divided into not less than ~~((three))~~ two fruit and vegetable inspection districts ~~((to which the director may assign a district manager who shall supervise and administer regulatory and inspection affairs of the districts))~~. The director, by rule, shall establish the boundaries of the districts and may adjust the boundaries for purposes of efficiency and economy.

Sec. 2. RCW 15.17.240 and 1998 c 154 s 16 are each amended to read as follows:

~~(1) ((The district managers shall collect the fees provided for under this chapter and deposit them in the fruit and vegetable district fund in any bank in the district approved for the deposit of state funds. The fees shall be used to carry out the provisions of this chapter and no appropriation is required for disbursement from the fund. District managers shall approve payments from the fruit and vegetable inspection district funds to the fruit and vegetable inspection trust account in accordance with RCW 15.17.245. On a monthly basis, each district manager shall provide to the director a detailed account of the receipts and disbursements for the preceding month.~~

~~(2) Assessments and other fees approved by the director or authorized by law and collected by the district managers shall be deposited in the fruit and vegetable inspection district funds and distributed to the appropriate fund or agency.)~~ The fruit and vegetable inspection account is created in the custody of the state treasurer. All fees collected under this chapter must be deposited into the account. The director may authorize expenditures from the account solely for the implementation and enforcement of this chapter and any other expenditures authorized by statute or session law and applying specifically to the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

The director shall establish and maintain an account within the fruit and vegetable inspection account for each district established under RCW 15.17.230.

(2) By August 1, 2004, and by August 1st of each even-numbered year thereafter, the director shall review the balance of each of the district accounts in the fruit and vegetable inspection account at the end of the previous fiscal year. If the balance in the district account exceeds the sum of the following: An amount equal to the total expenditures of the district served by that account for the last six months of that previous fiscal year; any budgeted capital expenditures from the account for the current fiscal year; and six hundred thousand dollars, the director shall temporarily and equally, on a percentage basis, reduce each of the fees accruing to the district account until such time that the district account has a balance equal to the amount of the total expenditures from the account for the last seven months of the previous fiscal year, at which time the fees shall be returned to the amounts before the temporary reduction. In making the reductions, the director shall attempt to reduce fees for a twelve-month period so as to apply the reductions to as many of the persons who annually pay fees for services provided by the district. The temporary fee reductions shall be initially provided through the adoption of emergency rules. The emergency and subsequent rules temporarily reducing the fees are exempt from the requirements of RCW 34.05.310 and chapter 19.85 RCW. These fees shall be reinstated through the expiration of the rules temporarily reducing them and the authority to reinstate them is hereby granted.

NEW SECTION. Sec. 3. (1) Except as provided in subsection (2) of this section, any residual balance in any fruit and vegetable district fund on the effective date of this act shall be transferred to the fruit and vegetable inspection account established in RCW 15.17.240. Any such residual balance in the district fund for district number 2, as the district is constituted by rule on January 1, 2002, shall be

transferred to the district account for the district containing Yakima county. Any such residual balance in the district fund for any other district shall be transferred to the district account for the district not containing Yakima county. Any residual balance in the fruit and vegetable inspection trust account on the effective date of this act shall be transferred to the fruit and vegetable inspection account established in RCW 15.17.240 and shall be equally distributed among the district accounts.

(2) The director shall review the residual balance of each of the district funds transferred to the fruit and vegetable inspection account under subsection (1) of this section.

(a) Except as provided in (b) of this subsection, if such a residual balance in the district fund exceeds an amount equal to the total of the expenditures of the district served by that fund for the last six months of fiscal year 2002, the director of agriculture shall temporarily reduce each of the inspection fees adopted by rule that are collected for inspection services conducted in the area served by the district as it is constituted on January 1, 2002, and shall use such excess amount to provide the fee reductions. The fees shall be temporarily reduced by twelve and one-half percent for that area until the excess amount remaining is equal to an average one month's expenditures from the district fund during the six months ending June 30, 2002, at which time the fees charged shall return to the level of the fees adopted by rule. The amount equal to the average one month's expenditures shall be deposited in the district account to which other portions of the residual balance from the district fund were deposited.

(b) A portion of the amount transferred to the account from the district fund from district number three, as the district is constituted by rule on January 1, 2002, shall be used exclusively to reduce the fees charged for inspection services in the area served by the district as the district is constituted by rule on January 1, 2002. The fees shall be temporarily reduced by nine and one-half percent for that area for a period of twelve months at which time the fees charged shall return to the level of the fees adopted by rule.

Sec. 4. RCW 15.17.243 and 2001 c 92 s 1 are each amended to read as follows:

The district manager for district two as defined in WAC 16-458-075 is authorized to transfer two hundred thousand dollars from the fruit and vegetable district fund to the plant pest account within the agricultural local fund. The amount transferred is to be derived from fees collected for state inspections of tree fruits and is to be used solely for activities related to the control of *Rhagoletis pomonella* in district two. The transfer of funds shall occur by June 1, 1997. On June 30, 2003, any unexpended portion of the two hundred thousand dollars shall be ~~((returned))~~ transferred to the fruit and vegetable ((district fund)) inspection account and deposited in the district account for the district that includes Yakima county.

Sec. 5. RCW 43.79A.040 and 2001 c 201 s 4 and 2001 c 184 s 4 are each reenacted and amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The college savings program account, the Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the basic health plan self-insurance reserve

account, the Washington international exchange scholarship endowment fund, the developmental disabilities endowment trust fund, the energy account, the fair fund, the fruit and vegetable inspection account, the game farm alternative account, the grain inspection revolving fund, the juvenile accountability incentive account, the rural rehabilitation account, the stadium and exhibition center account, the youth athletic facility account, the self-insurance revolving fund, the sulfur dioxide abatement account, and the children's trust fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right of way revolving fund, the advanced environmental mitigation revolving account, the city and county advance right-of-way revolving fund, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

NEW SECTION. Sec. 6. If fruit and vegetable inspection districts that existed on January 1, 2002, under RCW 15.17.230 are consolidated or otherwise altered during 2002, the consolidation or alternation must not result in a reduction of inspection services or the availability or quality of those services in any of the districts, but may result in a consolidation of administrative support for those services.

NEW SECTION. Sec. 7. RCW 15.17.245 (Fruit and vegetable inspection trust account) and 1998 c 154 s 19, 1987 c 393 s 2, 1986 c 203 s 1, 1969 ex.s. c 76 s 1, & 1961 c 11 s 15.04.100 are each repealed.

NEW SECTION. Sec. 8. This act takes effect July 1, 2002. However, the director of the department of agriculture and the state treasurer may take actions before July 1, 2002, to permit the creation of the fruit and vegetable inspection account and the district accounts described in RCW 15.17.240 by July 1, 2002."

SSB 6257 Prime Sponsor, Senate Committee on Natural Resources, Parks & Shorelines: Establishing contract harvesting of timber on state trust lands. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass as amended.
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is in the best interest of the trust beneficiaries to capture additional revenues while providing for additional environmental protection on timber sales. Further, the legislature finds that contract harvesting is one method to achieve these desired outcomes. Therefore, the legislature directs the department of natural resources to establish and implement contract harvesting where there exists the ability to increase revenues for the beneficiaries of the trusts while obtaining increases in environmental protection.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commissioner" means the commissioner of public lands.

(2) "Contract harvesting" means a timber operation occurring on state forest lands, in which the department contracts with a firm or individual to perform all the necessary harvesting work to process trees into logs sorted by department specifications. The department then sells the individual log sorts.

(3) "Department" means the department of natural resources.

(4) "Harvesting costs" are those expenses related to the production of log sorts from a stand of timber. These expenses typically involve road building, labor for felling, bucking, and yarding, as well as the transporting of sorted logs to the forest product purchasers.

(5) "Net proceeds" means gross proceeds from a contract harvesting sale less harvesting costs.

NEW SECTION. Sec. 3. (1) The department may establish a contract harvesting program by directly contracting for the removal of timber and other valuable materials from state lands.

(2) The contract requirements must be compatible with the office of financial management's guide to public service contracts.

(3) Contract harvesting may be used anywhere in the state except for the area east of the Okanogan river, north of the Columbia river and main fork of the Spokane river as these rivers flow east of the crest of the Cascade mountains.

(4) The department may not use contract harvesting for more than ten percent of the total annual volume of timber offered for sale.

NEW SECTION. Sec. 4. The contract harvesting revolving account is created in the custody of the state treasurer. All receipts from the gross proceeds of the sale of logs from a contract harvesting must be deposited into the account. Expenditures from the account may be used only for the payment of harvesting costs incurred on contract harvesting sales. Only the commissioner or the commissioner's designee may authorize expenditures from the account. The board of natural resources has oversight of the account, and the commissioner must periodically report to the board of natural resources as to the status of the account, its disbursement, and receipts. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

When the logs from a contract harvesting sale are sold, the gross proceeds must be deposited into the contract harvesting revolving account. Moneys equal to the harvesting costs must be retained in the account and be deducted from the gross proceeds to determine the net proceeds. The net proceeds from the sale of the logs must be distributed in accordance with RCW 43.85.130(1)(b). The final receipt of gross proceeds on a contract harvesting sale must be retained in the contract harvesting revolving account until all required costs for that sale have been paid. The contract harvesting revolving account is an interest-bearing account and the interest must be credited to the account. The account balance may not exceed one million dollars at the end of each fiscal year. Moneys in excess of one million dollars must be disbursed according to RCW 76.12.030, 76.12.120, and 79.64.040. If the department permanently discontinues the use of contract harvesting sales, any sums remaining in the contract harvesting revolving account must be returned to the resource management cost account and the forest development account in proportion to each account's contribution to the initial balance of the contract harvesting revolving account.

NEW SECTION. Sec. 5. The board of natural resources must determine whether any special appraisal practices are necessary for logs sold by the contract harvesting processes, and if so, must

adopt the special appraisal practices or procedures. In its consideration of special appraisal practices, the board of natural resources must consider and adopt procedures to rapidly market and sell any log sorts that failed to receive the required minimum bid at the original auction, which may include allowing the department to set a new appraised value for the unsold sort.

The board of natural resources must establish and adopt policy and procedures by which the department evaluates and selects certified contract harvesters. The procedures must include a method whereby a certified contract harvester may appeal a decision by the department or board of natural resources to not include the certified contract harvester on the list of approved contract harvesters.

Sec. 6. RCW 76.12.030 and 1997 c 370 s 1 are each amended to read as follows:

If any land acquired by a county through foreclosure of tax liens, or otherwise, comes within the classification of land described in RCW 76.12.020 and can be used as state forest land and if the department deems such land necessary for the purposes of this chapter, the county shall, upon demand by the department, deed such land to the department and the land shall become a part of the state forest lands.

Such land shall be held in trust and administered and protected by the department as other state forest lands. Any moneys derived from the lease of such land or from the sale of forest products, oils, gases, coal, minerals, or fossils therefrom, shall be distributed as follows:

(1) The expense incurred by the state for administration, reforestation, and protection, not to exceed twenty-five percent, which rate of percentage shall be determined by the board of natural resources, shall be returned to the forest development account in the state general fund.

(2) Any balance remaining shall be paid to the county in which the land is located to be paid, distributed, and prorated, except as hereinafter provided, to the various funds in the same manner as general taxes are paid and distributed during the year of payment: PROVIDED, That any such balance remaining paid to a county with a population of less than sixteen thousand shall first be applied to the reduction of any indebtedness existing in the current expense fund of such county during the year of payment.

In the event that the department sells logs using the contract harvesting process described in chapter 79.-- RCW (sections 2 through 5 of this act), the moneys derived subject to this section are the net proceeds from the contract harvesting sale.

Sec. 7. RCW 76.12.120 and 2000 c 148 s 2 are each amended to read as follows:

Except as provided in RCW 76.12.125, all land, acquired or designated by the department as state forest land, shall be forever reserved from sale, but the timber and other products thereon may be sold or the land may be leased in the same manner and for the same purposes as is authorized for state granted land if the department finds such sale or lease to be in the best interests of the state and approves the terms and conditions thereof.

Except as provided in RCW 79.12.035, all money derived from the sale of timber or other products, or from lease, or from any other source from the land, except where the Constitution of this state or RCW 76.12.030 requires other disposition, shall be disposed of as follows:

(1) Fifty percent shall be placed in the forest development account.

(2) Fifty percent shall be prorated and distributed to the state general fund, to be dedicated for the benefit of the public schools, and the county in which the land is located according to the relative proportions of tax levies of all taxing districts in the county. The portion to be distributed to the state general fund shall be based on the regular school levy rate under RCW 84.52.065 as now or hereafter amended and the levy rate for any maintenance and operation special school levies. With regard to the portion to be distributed to the counties, the department shall certify to the state treasurer the amounts to be distributed within seven working days of receipt of the money. The state treasurer shall distribute funds to the counties four times per month, with no more than ten days between each payment date. The money distributed to the county shall be paid, distributed, and prorated to the various other funds in the same manner as general taxes are paid and distributed during the year of payment.

In the event that the department sells logs using the contract harvesting process described in chapter 79.-- RCW (sections 2 through 5 of this act), the moneys received subject to this section are the net proceeds from the contract harvesting sale.

Sec. 8. RCW 79.64.040 and 2001 c 250 s 16 are each amended to read as follows:

The board shall determine the amount deemed necessary in order to achieve the purposes of this chapter and shall provide by rule for the deduction of this amount from the moneys received from all leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting public lands, provided that no deduction shall be made from the proceeds from agricultural college lands. Moneys received as deposits from successful bidders, advance payments, and security under RCW 79.01.132 and 79.01.204 prior to December 1, 1981, which have not been subjected to deduction under this section are not subject to deduction under this section. The deductions authorized under this section shall in no event exceed twenty-five percent of the moneys received by the department in connection with any one transaction pertaining to public lands other than second class tide and shore lands and the beds of navigable waters, and fifty percent of the moneys received by the department pertaining to second class tide and shore lands and the beds of navigable waters.

In the event that the department sells logs using the contract harvesting process described in chapter 79.-- RCW (sections 2 through 5 of this act), the moneys received subject to this section are the net proceeds from the contract harvesting sale.

Sec. 9. RCW 43.85.130 and 1981 2nd ex.s. c 4 s 1 are each amended to read as follows:

(1) The department shall deposit daily all moneys and fees collected or received by the commissioner of public lands and the department of natural resources in the discharge of official duties as follows:

(a) The department shall pay moneys received as advance payments, deposits, and security from successful bidders under RCW 79.01.132 and 79.01.204 to the state treasurer for deposit under subsection (1)(b) of this section. Moneys received from unsuccessful bidders shall be returned as provided in RCW 79.01.204;

(b) The department shall pay all moneys received on behalf of a trust fund or account to the state treasurer for deposit in the trust fund or account after making the deduction authorized under RCW 76.12.030, 76.12.120, ~~((and))~~ 79.64.040, and section 4 of this act;

(c) The natural resources deposit fund is hereby created. The state treasurer is the custodian of the fund. All moneys or sums which remain in the custody of the commissioner of public lands awaiting disposition or where the final disposition is not known shall be deposited into the natural resources deposit fund. Disbursement from the fund shall be on the authorization of the commissioner or the commissioner's designee, without necessity of appropriation;

(d) If it is required by law that the department repay moneys disbursed under subsections (1)(a) and (1)(b) of this section the state treasurer shall transfer such moneys, without necessity of appropriation, to the department upon demand by the department from those trusts and accounts originally receiving the moneys.

(2) Money shall not be deemed to have been paid to the state upon any sale or lease of land until it has been paid to the state treasurer.

Sec. 11. RCW 84.33.078 and 1986 c 65 s 1 are each amended to read as follows:

When any timber standing on public land, other than federally owned land, is sold separate from the land, the department of natural resources or other governmental unit, as appropriate, shall state in its notice of the sale or prospectus that timber sold separate from the land is subject to property tax and that the amount of the tax paid may be used as a credit against any tax imposed with respect to business of harvesting timber from publicly owned land under RCW 84.33.041. If the timber from public land is harvested by the state, its departments and institutions and political subdivisions, or any municipal corporation therein, the governmental unit, or governmental units, that harvest or market the timber must provide the harvester purchasing the timber with its harvesting and marketing costs as defined in RCW 84.33.035(7).

Sec. 12. RCW 84.33.035 and 2001 c 249 s 1 and 2001 c 97 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Agricultural methods" means the cultivation of trees that are grown on land prepared by intensive cultivation and tilling, such as irrigating, plowing, or turning over the soil, and on which all unwanted plant growth is controlled continuously for the exclusive purpose of raising trees such as Christmas trees and short-rotation hardwoods.

(2) "Average rate of inflation" means the annual rate of inflation as determined by the department averaged over the period of time as provided in RCW 84.33.220 (1) and (2). This rate shall be published in the state register by the department not later than January 1st of each year for use in that assessment year.

(3) "Composite property tax rate" for a county means the total amount of property taxes levied upon forest lands by all taxing districts in the county other than the state, divided by the total assessed value of all forest land in the county.

(4) "Forest land" is synonymous with "designated forest land" and means any parcel of land that is twenty or more acres or multiple parcels of land that are contiguous and total twenty or more acres that is or are devoted primarily to growing and harvesting timber. Designated forest land means the land only and does not include a residential homesite. The term includes land used for incidental uses that are compatible with the growing and harvesting of timber but no more than ten percent of the land may be used for such incidental uses. It also includes the land on which appurtenances necessary for the production, preparation, or sale of the timber products exist in conjunction with land producing these products.

(5) "Harvested" means the time when in the ordinary course of business the quantity of timber by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department.

(6) "Harvester" means every person who from the person's own land or from the land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services, fells, cuts, or takes timber for sale or for commercial or industrial use. When the United States or any instrumentality thereof, the state, including its departments and institutions and political subdivisions, or any municipal corporation therein so fells, cuts, or takes timber for sale or for commercial or industrial use, the harvester is the first person other than the United States or any instrumentality thereof, the state, including its departments and institutions and political subdivisions, or any municipal corporation therein, who acquires title to or a possessory interest in the timber. The term "harvester" does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(7) "Harvesting and marketing costs" means only those costs directly associated with harvesting the timber from the land and delivering it to the buyer and may include the costs of disposing of logging residues. Any other costs that are not directly and exclusively related to harvesting and marketing of the timber, such as costs of permanent roads or costs of reforesting the land following harvest, are not harvesting and marketing costs.

(8) "Incidental use" means a use of designated forest land that is compatible with its purpose for growing and harvesting timber. An incidental use may include a gravel pit, a shed or land used to store machinery or equipment used in conjunction with the timber enterprise, and any other use that does not interfere with or indicate that the forest land is no longer primarily being used to grow and harvest timber.

(9) "Local government" means any city, town, county, water-sewer district, public utility district, port district, irrigation district, flood control district, or any other municipal corporation, quasi-municipal corporation, or other political subdivision authorized to levy special benefit assessments for sanitary or storm sewerage systems, domestic water supply or distribution systems, or road construction or improvement purposes.

(10) "Local improvement district" means any local improvement district, utility local improvement district, local utility district, road improvement district, or any similar unit created by a local government for the purpose of levying special benefit assessments against property specially benefited by improvements relating to the districts.

(11) "Owner" means the party or parties having the fee interest in land, except where land is subject to a real estate contract "owner" means the contract vendee.

(12) "Primarily" or "primary use" means the existing use of the land is so prevalent that when the characteristic use of the land is evaluated any other use appears to be conflicting or nonrelated.

(13) "Short-rotation hardwoods" means hardwood trees, such as but not limited to hybrid cottonwoods, cultivated by agricultural methods in growing cycles shorter than fifteen years.

(14) "Small harvester" means every person who from his or her own land or from the land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services, fells, cuts, or takes timber for sale or for commercial or industrial use in an amount not exceeding two million board feet in a calendar year. When the United States or any instrumentality thereof, the state, including its departments and institutions and political subdivisions, or any municipal corporation therein so fells, cuts, or takes timber for sale or for commercial or industrial use, not exceeding these amounts, the small harvester is the first person other than the United States or any instrumentality thereof, the state, including its departments and institutions and political subdivisions, or any municipal corporation therein, who acquires title to or a possessory interest in the timber. Small harvester does not include persons performing under contract the necessary labor or mechanical services for a harvester, and it does not include the harvesters of Christmas trees or short-rotation hardwoods.

(15) "Special benefit assessments" means special assessments levied or capable of being levied in any local improvement district or otherwise levied or capable of being levied by a local government to pay for all or part of the costs of a local improvement and which may be levied only for the special benefits to be realized by property by reason of that local improvement.

(16) "Stumpage value of timber" means the appropriate stumpage value shown on tables prepared by the department under RCW 84.33.091, provided that for timber harvested from public land and sold under a competitive bidding process, stumpage value shall mean the actual amount paid

to the seller in cash or other consideration. The stumpage value of timber from public land does not include harvesting and marketing costs if the timber from public land is harvested by, or under contract for, the United States or any instrumentality of the United States, the state, including its departments and institutions and political subdivisions, or any municipal corporation therein. Whenever payment for the stumpage includes considerations other than cash, the value shall be the fair market value of the other consideration. If the other consideration is permanent roads, the value of the roads shall be the appraised value as appraised by the seller.

(17) "Timber" means forest trees, standing or down, on privately or publicly owned land, and except as provided in RCW 84.33.170 includes Christmas trees and short-rotation hardwoods.

(18) "Timber assessed value" for a county means a value, calculated by the department before October 1st of each year, equal to the total stumpage value of timber harvested from privately owned land in the county during the most recent four calendar quarters for which the information is available multiplied by a ratio. The numerator of the ratio is the rate of tax imposed by the county under RCW 84.33.051 for the year of the calculation. The denominator of the ratio is the composite property tax rate for the county for taxes due in the year of the calculation, expressed as a percentage of assessed value.

(19) "Timber assessed value" for a taxing district means the timber assessed value for the county multiplied by a ratio. The numerator of the ratio is the total assessed value of forest land in the taxing district. The denominator is the total assessed value of forest land in the county. As used in this section, "assessed value of forest land" means the assessed value of forest land for taxes due in the year the timber assessed value for the county is calculated.

(20) "Timber management plan" means a plan prepared by a trained forester, or any other person with adequate knowledge of timber management practices, concerning the use of the land to grow and harvest timber. Such a plan includes:

- (a) A legal description of the forest land;
- (b) A statement that the forest land is held in contiguous ownership of twenty or more acres and is primarily devoted to and used to grow and harvest timber;
- (c) A brief description of the timber on the forest land or, if the timber on the land has been harvested, the owner's plan to restock the land with timber;
- (d) A statement about whether the forest land is also used to graze livestock;
- (e) A statement about whether the land has been used in compliance with the restocking, forest management, fire protection, insect and disease control, and forest debris provisions of Title 76 RCW; and
- (f) If the land has been recently harvested or supports a growth of brush and noncommercial type timber, a description of the owner's plan to restock the forest land within three years.

Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.95.420 and 2001 2nd sp.s. c 12 s 306 are each amended to read as follows:

(1)(a) Except as provided in (c) of this subsection, before the expiration of the minimum term, as part of the end of sentence review process under RCW 72.09.340, 72.09.345, and where appropriate, 72.09.370, the department shall conduct, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(b) The board may contract for an additional, independent examination, subject to the standards in this section.

(c) If at the time the sentence is imposed by the superior court the offender's minimum term has expired or will expire within one hundred twenty days of the sentencing hearing, the department shall conduct, within ninety days of the offender's arrival at a department of corrections facility, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(2) The board shall impose the conditions and instructions provided for in RCW 9.94A.720. The board shall consider the department's recommendations and may impose conditions in addition to

those recommended by the department. The board may impose or modify conditions of community custody following notice to the offender.

(3)(a) Except as provided in (b) of this subsection, no later than ninety days before expiration of the minimum term, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term, not to exceed an additional two years.

(b) If at the time the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival at a department of correction's facility, then no later than one hundred twenty days after the offender's arrival at a department of corrections facility, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term, not to exceed an additional two years.

Sec. 2. RCW 9.95.011 and 2001 2nd sp.s. c 12 s 320 are each amended to read as follows:

(1) When the court commits a convicted person to the department of corrections on or after July 1, 1986, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.850, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9A.32.040, 9A.44.045, and chapter 69.50 RCW. The court's minimum term decision is subject to review to the same extent as a minimum term decision by the parole board before July 1, 1986.

Thereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board's authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(2)(a) Except as provided in (b) of this subsection, not less than ninety days prior to the expiration of the minimum term of a person sentenced under RCW 9.94A.712, for a sex offense committed on or after ((July)) September 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional two years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

(b) If at the time a person sentenced under RCW 9.94A.712 for a sex offense committed on or after September 1, 2001, arrives at a department of corrections facility, the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival, then no later than one hundred twenty days after the offender's arrival at a department of corrections facility, but after the

board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional two years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

Sec. 2. RCW 77.12.670 and 1998 c 191 s 32 are each amended to read as follows:

(1) The migratory bird stamp to be produced by the department shall use the design as provided by the migratory waterfowl art committee.

(2) All revenue derived from the sale of ~~((the))~~ migratory bird license validations or stamps by the department to any person hunting waterfowl or to any stamp collector shall be deposited in the state wildlife fund and shall be used only for that portion of the cost of printing and production of the stamps for migratory waterfowl hunters as determined by subsection (4) of this section, and for those migratory waterfowl projects specified by the director of the department for the acquisition and development of migratory waterfowl habitat in the state and for the enhancement, protection, and propagation of migratory waterfowl in the state. Migratory bird license validation and stamp funds may not be used on lands controlled by private hunting clubs or on private lands that charge a fee for public access. Migratory bird license validation and stamp funds may be used for migratory waterfowl projects on private land where public hunting is provided by written permission or on areas established by the department as waterfowl hunting closures.

(3) All revenue derived from the sale of the license validation and stamp by the department to persons hunting solely nonwaterfowl migratory birds shall be deposited in the state wildlife fund and shall be used only for that portion of the cost of printing and production of the stamps for nonwaterfowl migratory bird hunters as determined by subsection (4) of this section, and for those nonwaterfowl migratory bird projects specified by the director for the acquisition and development of nonwaterfowl

(4) With regard to the revenue from license validation and stamp sales that is not the result of sales to stamp collectors, the department shall determine the proportion of migratory waterfowl hunters and solely nonwaterfowl migratory bird hunters by using the yearly migratory bird hunter harvest information program survey results or, in the event that these results are not available, other similar survey results. A two-year average of the most recent survey results shall be used to determine the proportion of the revenue attributed to migratory waterfowl hunters and the proportion attributed to solely nonwaterfowl migratory bird hunters for each fiscal year. For fiscal year 1998-99 and for fiscal year 1999-2000, ninety-six percent of the stamp revenue shall be attributed to migratory waterfowl hunters and four percent of the stamp revenue shall be attributed to solely nonwaterfowl migratory game hunters.

If the department acquires any fee interest, leasehold, or rental interest in real property under this section, it shall allow the general public reasonable access to that property and shall, if appropriate, ~~((insure))~~ ensure that the deed or other instrument creating the interest allows such access to the general public. If the department obtains a covenant in real property in its favor or an easement or any other interest in real property under this section, it shall exercise its best efforts to ~~((insure))~~ ensure that the deed or other instrument creating the interest grants to the general public in the form of a covenant running with the land reasonable access to the property. The private landowner from whom the department obtains such a covenant or easement shall retain the right of granting access to the lands by written permission, but may not charge a fee for access.

(6) The department may produce migratory bird stamps in any given year in excess of those necessary for sale in that year. The excess stamps may be sold to the migratory waterfowl art committee for sale to the public."

2SSB 6356 Prime Sponsor, Senate Committee on Ways & Means: Creating the children's environmental health and protection advisory council. Reported by Committee on Agriculture & Ecology

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that children in the state face many preventable exposures to environmental hazards in their schools, homes, and communities. In certain cases children are at greater risk than adults for exposure to and possible illness from environmental hazards. This is due in part to their behaviors but also to their decreased ability to detoxify certain substances due to the immaturity of their body organs and immune systems.

The legislature further finds that higher rates of poverty place children of ethnic and minority communities at disproportionate risk for environmental exposures due to inadequate housing, poor nutrition, and limited access to health care. Solutions to complex environmental health problems require the ongoing communication, collaboration, and cooperation of affected communities.

NEW SECTION. Sec. 2. As used in this act, "environmental hazard" means one or a group of toxic chemical, biological, or physical agents in the environment, resulting from human activities or natural processes, that may impact the health of exposed children, including such pollutants as lead, pesticides, air pollutants, contaminated drinking water, polluted waters, toxic waste, polychlorinated biphenyls, secondhand tobacco smoke, and industrial and home chemicals.

NEW SECTION. Sec. 3. (1) The children's environmental health and protection advisory council is created.

(2) Membership of the advisory council shall consist of fifteen members. The president of the senate shall appoint one member of the majority party and one member of the minority party. The speaker of the house of representatives shall appoint one member from each party. The other members shall include: The secretary of the department of health or designee; the secretary of the department of ecology or designee; the secretary of the department of agriculture or designee; the superintendent of public instruction or designee; the secretary of the department of social and health services or designee; the secretary of the department of labor and industries or designee; one member of the state board of health; one tribal representative, appointed by the governor; one licensed pediatric health care provider with expertise in the field of children's environmental health, appointed by the governor; one parent or guardian whose child has been clinically diagnosed with exposure to an environmental health hazard, appointed by the governor; and an expert in the field of environmental toxicology, appointed by the governor.

(3) Members of the advisory council shall serve without compensation.

(4) The board of health shall provide staff support and administrative assistance to the advisory council.

NEW SECTION. Sec. 4. The advisory council shall, beginning in 2003:

(1) Meet at least four times a year;

(2) Review and comment on existing laws, rules, regulations, and standards to ensure that they adequately protect the health of children from environmental hazards;

(3) Work collaboratively with state agencies and others without duplicating current work in this area; and

(4) Report to the governor and the legislature by December 1, 2003, and December 1, 2004, with recommendations on changes in regulation that would reduce children's exposure to environmental hazards and recommendations for collaborative approaches to public education.

NEW SECTION. Sec. 5. The state board of health may solicit, accept, and spend gifts, grants, bequests, devises, and other funds from public and private sources to fund the activities of the children's environmental health and protection advisory council created under section 3 of this act. Funding for the state board of health and state agencies directed to participate in and support the activities of the children's environmental health and protection advisory council shall be provided from funds acquired according to this section and any existing resources these agencies may be able to direct toward these purposes.

NEW SECTION. Sec. 6. This act expires June 30, 2005."

ESSB 6368 Prime Sponsor, Senate Committee on Health & Long-Term Care: Developing a
comprehensive prescription drug education and utilization system. Reported by
Committee on Health Care

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that prescription drugs are an effective and important part of efforts to maintain and improve the health of Washington state residents. Yet prescription drug expenditures in both the public and private sectors are growing at rates far in excess of consumer or medical inflation, placing a strain on the ability of public and private health care purchasers to continue to offer comprehensive health benefits coverage. In addition, inappropriate use of prescription drugs can have serious health consequences for Washington state residents.

(2) It is the intent of the legislature to develop a comprehensive prescription drug education and utilization system in Washington state that will ensure best prescribing practices and pharmaceutical use, reduce administrative burdens on providers, increase consumer understanding of and compliance with appropriate use of prescription drugs, help to control increases in consumer and state health care spending, and improve prescription drug purchasing through a sound evidence-based process that evaluates the therapeutic value and cost-effectiveness of prescription drugs.

NEW SECTION. Sec. 3. A new section is added to chapter 41.05 RCW to read as follows:

The administrator, in concert with other state agencies involved in state purchased health care, must begin implementation of a preferred drug program by January 1, 2003. The preferred drug program is initially limited to fee-for-service prescription drug purchasing through medical assistance programs under chapter 74.09 RCW, the uniform medical plan under this chapter, and other state purchased health care programs. The administrator must include bulk purchased prescription drugs in the preferred drug program according to a timetable of the administrator's choosing. The preferred drug program shall not be applied to health care purchased through managed care contracts with carriers for state purchased health care programs. In implementing the preferred drug program, the administrator may adopt rules, and must:

(1) Use a nationally recognized listing of therapeutic classes of drugs, such as those published by first databank or the American society of health system pharmacists, to place drugs into therapeutic classes;

(2) Identify for initial consideration those classes of drugs for which agencies have substantial annual aggregate fee-for-service expenditures;

(3) Exempt the following drug classes from inclusion on any preferred drug list:

(a) Antipsychotics;

(b) Chemotherapy;

(c) Antiretroviral drugs;

(d) Immunosuppressants; and

(e) Hypoglycemia rescue agents;

(4) Contract with one or more qualified, independent entities to determine which drugs within each of the identified therapeutic classes are essentially equal in terms of safety, efficacy, and outcomes. Upon request of the pharmacy and therapeutics committee or the authority, manufacturers must submit dossiers containing clinical and economic data utilizing the academy of managed care pharmacy format for preferred drug list submissions. The dossier must include any available data, research, or information on the effectiveness of the drug for treatment of women and racial and ethnic minorities. The pharmacy and therapeutics committee or the administrator shall request the dossier from a manufacturer within thirty days of food and drug administration approval of any new drug that is in a therapeutic class included in the preferred drug list. The pharmacy and therapeutics committee or the authority must provide the dossier to the contracted entity, who will base its determinations on the strength of scientific evidence and standards of practice that include, but are not limited to:

(a) Assessing peer-reviewed medical literature, including randomized clinical trials (especially drug comparison studies), pharmacoeconomic studies, and outcomes research data;

(b) Employing published practice guidelines developed by an acceptable evidence-based process;

(c) Comparing the efficacy as well as the type and frequency of side effects and potential drug interactions among alternative drug products in the class under review;

(d) Assessing the likely impact of a drug product on patient compliance when compared to alternative drug products in the class under review; and

(e) Thoroughly evaluating the benefits, risks, and potential outcomes for patients, including adverse drug events. To expedite development of the preferred drug list, the administrator, the independent entity chosen under this subsection, and the pharmacy and therapeutics committee must make maximum use of sound evidence-based prescription drug reviews that have been completed by independent experts, giving consideration to the needs and characteristics of populations, including racial and ethnic minorities, served by state purchased health care programs;

(5) Submit the determinations made under subsection (4) of this section to the pharmacy and therapeutics committee established in section 5 of this act, which must incorporate them into recommendations to the administrator as provided in section 5 of this act;

(6) Develop a preferred drug list based on the recommendations of the pharmacy and therapeutics committee. For each therapeutic class considered, the list must identify the drugs determined to be essentially equal and, from among those, which ones are the preferred drugs. If a particular class of drugs will be used in a disease management program developed under section 12 of this act, an effort shall be made to ensure that the preferred drugs in that class are consistent with protocols or algorithms used in the disease management program. The pharmacy and therapeutics committee or the administrator will revise the preferred drug list annually or as needed, to be determined by new drug approvals, recalls, or new scientific evidence that may change a given drug's status or use, or as necessary to meet the objectives of this act. Each state agency that purchases or provides health care services must adopt the preferred drug list consistent with the scope of benefits offered through programs administered by that agency;

(7) Directly or through interagency agreement, distribute the initial preferred drug list, and any subsequent revisions, to every provider with prescriptive authority with whom an agency has a core provider agreement, including with it a description of how the list was developed, how it will be used, and requesting his or her endorsement;

(8) Ensure that a prescriber who does not endorse the list must do so in writing to the administrator and is subject to prior authorization as provided in section 6(2) of this act;

(9) Require any pharmacist filling a prescription under the preferred drug program established under section 3 or 10 of this act from a prescriber who has endorsed the preferred drug list to substitute a preferred drug for any nonpreferred drug in a given therapeutic category, unless the prescriber has indicated on the prescription that the nonpreferred drug must be dispensed as written, in which case the pharmacist must dispense the nonpreferred drug as written. When a substitution is made, or a preferred drug within a therapeutic class changes, the prescriber will be notified in writing by the dispensing pharmacist of the specific drug and dose dispensed;

(10) The administrator must either provide each pharmacy with a listing of the prescribers who have endorsed the preferred drug list or include that information in the electronic claim adjudication system of each state drug purchasing program so that the pharmacist may easily determine when substitution of a preferred drug has been authorized.

NEW SECTION. **Sec. 4.** A new section is added to chapter 41.05 RCW to read as follows:

To complement the preferred drug program established in section 3 of this act, the administrator must, in concert with state agencies involved in state purchased health care:

(1) Implement a program of academic detailing and client counterdetailing that educates physicians and other prescribers, and clients of state purchased health care, on the cost-effective utilization of prescription drugs on the preferred drug list;

(2) By July 1, 2004, use electronic drug claims processing and information retrieval systems to analyze pharmacy and medical claims to identify those prescribers who request that prescriptions for nonpreferred drugs be dispensed as written on a more frequent basis than their peers. In consultation with the Washington state medical association and other prescriber organizations, the administrator must develop strategies to provide early educational information to the identified prescribers as needed to improve prescribing practices and prescription drug utilization. If a substantial number of prescribers in a peer group are frequently prescribing nonpreferred drugs in one or more therapeutic class, the administrator must provide the pharmacy and therapeutics committee created under section 5

of this act with information on these prescribing patterns to enable the committee to review their recommendations related to affected therapeutic classes;

(3) Conduct a feasibility study of developing a system to periodically provide a complete drug profile of persons covered through state purchased health care programs to health care providers caring for those persons; and

(4) Appoint an advisory committee of prescribers and consumers to provide input on the design and implementation of the education and outreach programs authorized under this section. The advisory committee shall contain at least three consumers representing individuals with a chronic disease, the elderly, and racial or ethnic minorities.

NEW SECTION. **Sec. 5.** A new section is added to chapter 41.05 RCW to read as follows:

(1) A pharmacy and therapeutics committee is established to assist the administrator, and other agencies involved in state purchased health care, in the development and implementation of a preferred drug program.

(2) The committee consists of nine members, to be appointed by the governor as follows:

(a) Four physicians licensed under chapter 18.57 or 18.71 RCW in this state and actively engaged in the practice of medicine, at least one of whom is employed by a carrier as defined in RCW 48.43.005, chosen from a list of nominees provided by the Washington state medical association, and at least one of whom must have significant experience in serving racial and ethnic minority communities;

(b) One advanced registered nurse practitioner licensed in this state and actively engaged in the practice of nursing chosen from a list of nominees provided by the Washington state nurses association;

(c) Three pharmacists licensed in this state and actively engaged in the practice of pharmacy chosen from a list of nominees provided by the Washington state pharmacists association; and

(d) One person with background experience, education, or expertise in pharmacoeconomics.

(3) No member of the committee may be employed by a pharmaceutical manufacturer, or be employed by any agency administering "state purchased health care," as defined in RCW 41.05.011. As a condition of appointment to the committee, each member must disclose any potential conflict of interest, including receipt of any remuneration, grants, or other compensation from a pharmaceutical manufacturer.

(4) Committee members serve staggered three-year terms. Of the initial members, one physician, the advanced registered nurse practitioner, and one pharmacist must each be appointed for two-year terms, and one physician and one pharmacist must each be appointed for one-year terms. The remaining committee members must be appointed for three-year terms. Members may be reappointed for a period not to exceed two three-year terms. Vacancies on the committee must be filled for the balance of the unexpired term from nominee lists for the appropriate committee category as provided under subsection (2) of this section.

(5) Committee members must select a chair and a vice-chair on an annual basis from the committee membership.

(6) The administrator must enter into a confidentiality agreement with any private contractor or state employee who has access to proprietary or confidential nonpublished data that is in the custody of the pharmacy and therapeutics committee established under this section. The failure of any contractor to adhere to the terms of the confidentiality agreement is grounds for termination of the contract by the administrator. Unauthorized disclosure of proprietary or confidential nonpublished data by any contractor or their employee, or by any employee of a state agency, is punishable as a class C felony.

(7) The authority shall provide staff support to the committee. Committee members shall be compensated for their service and shall be reimbursed for expenses pursuant to RCW 43.03.050 and 43.03.060.

(8) The members of the committee are immune from civil liability for any official acts performed in good faith as members of the committee.

(9) The committee must:

(a) Recommend to the administrator, and other agencies involved in state purchased health care, which drugs should be identified as preferred drugs from among those determined, pursuant to section 3(4) of this act, to be essentially equal in terms of safety, efficacy, and outcomes. In updating

the preferred drug list, the pharmacy and therapeutics committee shall complete its review and submit recommendations to the administrator within one hundred twenty days from the date of receipt of the dossier under section 3 of this act. In making these recommendations, the committee must consider, among other factors, the relative cost-effectiveness of the drugs being considered, and the impact of each drug on the state's overall health care expenditures.

(b) Make recommendations regarding the rules to be adopted by the administrator and other state agencies involved in state purchased health care to implement the preferred drug program; and

(c) Make recommendations regarding the preferred drug list development and review process, and program implementation, as necessary to achieve the objectives of this act.

NEW SECTION. Sec. 6. A new section is added to chapter 41.05 RCW to read as follows:

The administrator must design, in concert with state agencies involved in state purchased fee-for-service health care, a uniform drug utilization review program for state purchased health care that meets the requirement of Title XIX of the social security act. Each state agency that purchases or provides health care services must adopt the uniform drug utilization review program for its fee-for-service purchasing consistent with the scope of benefits offered through programs administered by that agency, and may implement it directly or by contract or interagency agreement. The program must include but is not limited to prescription drug review, management, and education, including prospective, concurrent, and retrospective review. The program shall improve the quality of pharmaceutical care by ensuring that prescription drugs provided through state purchased fee-for-service health care programs advance quality clinical outcomes and are appropriate, medically necessary, and not likely to produce adverse medical results. Drugs exempted from the preferred drug list under section 3(3) of this act may be included in the drug utilization review program. The program also must identify clients utilizing large numbers of prescription drugs, and develop strategies to enhance coordination of care for these individuals.

(1) The administrator shall establish a drug utilization review committee either directly or through a contract with a private organization to assist in development and implementation of the drug utilization review program. The committee must be composed primarily of actively practicing health care professionals licensed to practice in the state of Washington and must include at least one person representing consumers of state purchased health care. Additional specialty expertise must be obtained as needed. Employees of agencies that purchase health services cannot be a member of the drug utilization review committee but will provide staff support to the committee. Upon establishment of the committee, the department of social and health services shall disband the drug utilization review committee under the medical assistance administration.

(2) The administrator and state purchased health care programs may use prior authorization as a means of concurrent drug utilization review.

(a) Upon incorporation of a therapeutic class into the preferred drug list, existing prior authorization procedures applicable to that therapeutic class shall cease, and the prior authorization provisions of this section shall apply.

(b) A drug in a class that has been reviewed for the preferred drug list established under section 3 of this act may be subject to prior authorization in only limited circumstances, based upon factors such as the relative cost-effectiveness of the drug, and whether the drug has a narrow therapeutic indication, presents a risk of inappropriate utilization, or poses significant safety concerns. Consideration of the cost-effectiveness of a drug cannot be based solely upon the price of the drug itself.

(c) A drug newly approved by the federal food and drug administration that has not yet been reviewed under section 3 of this act may be subject to prior authorization only where clinically indicated to avoid health risks to patients. Drugs identified in section 3(3) of this act may be subject to prior authorization where clinically indicated.

(d) Any prior authorization process must include clear standards and procedures for a process to ensure consumer access to medically necessary drugs. No preferred drug list can account for every therapeutic eventuality or unique patient need. Prior authorization procedures must neither pose a substantial barrier to the prescribing health care professional nor hinder the consumer's ability to receive necessary medication in a safe and timely manner. A prior authorization program must provide

for: (i) A response within twenty-four hours after receipt of a request for prior authorization; and (ii) the dispensing of at least a seventy-two hour supply of the requested drug in an emergency situation.

(e) A prescriber who does not endorse the preferred drug list is subject to a broader scope of prior authorization as determined by the agency administering a state purchased health care program.

(2) Within one year following initial adoption of the preferred drug list for state purchased health care, units of local government, private entities, and individuals who lack prescription drug coverage must be offered an opportunity to participate on a purely voluntary basis in the purchasing

cooperative resulting from adoption of the preferred drug list. The administrator may charge reasonable administrative fees to units of local government and private entities who choose to participate in the purchasing cooperative.

(3) For purposes of this section, "voluntary participation" for individuals who lack prescription drug coverage means that, following payment of a reasonable annual enrollment fee, these individuals can benefit from any price discounts obtained from prescription drug manufacturers through adoption of the preferred drug list. The administrator must develop mechanisms to ensure that pharmacies filling prescriptions for individuals participating voluntarily in the purchasing cooperative recover any discounts given to these individuals through their participation in the cooperative.

(4) The administrator shall establish an advisory committee representing units of local government, organized labor, private entities, retail pharmacists, and consumers to develop an implementation plan for the opportunity to participate as authorized by this section. The advisory committee shall submit an implementation plan to the appropriate committees of the senate and house of representatives by September 15, 2003.

NEW SECTION. Sec. 11. A new section is added to chapter 41.05 RCW to read as follows:

The consolidated prescription drug purchasing account is created in the custody of the state treasurer. All receipts from the fees from the preferred drug purchasing cooperative created in section 10 of this act must be deposited into the account. Expenditures from the account may be used only for the purposes of this act. Only the administrator or the administrator's designee may authorize expenditures from the account. The administrator, in concert with agencies involved in state purchased health care, must implement at least two disease management programs for persons covered through state purchased fee for service health care programs or served in state operated facilities. The programs must begin operation by July 1, 2003.

(1) The administrator, in concert with agencies involved in state purchased health care, must determine the disease groups most appropriate for disease management and the state purchased health care programs to which the disease management programs will apply, after reviewing claims and cost information and research on the effectiveness of disease management programs. The following disease groups should first be considered for disease management programs: Asthma, diabetes, cardiovascular disease, malignancies, mental disorders, obesity, hemophilia, renal disease, transplants, intervertebral disc disorders, and populations at highest risk of improper use of medication.

(2) Each disease management program must include physicians, pharmacists, and other appropriate health care providers in the design and implementation of the program. Drug classes exempted under section 3(3) of this act must be integrated into disease management programs as appropriate. Providers may not be required to participate in a disease management program as a condition of contracting to provide state purchased health care services.

(3) The programs must incorporate an evaluation component that allows the administrator to identify successful programs that are candidates for statewide expansion. The evaluation should consider the impact of the disease management program upon the health status of participating enrollees, the use of health services by these enrollees, the impact on the state's overall health care expenditures, the coverage of comorbidities associated with the selected disease group, and the overall costs of treating these enrollees.

(4) In addition to the programs established under this section, the administrator and the secretary of the department of social and health services shall consider means to promote awareness of antibiotic resistance among individuals and health care providers who participate in state health care programs.

NEW SECTION. Sec. 13. A new section is added to chapter 41.05 RCW to read as follows:

The administrator may solicit and accept grants or other funds from public and private sources to support consumer and provider education, disease management programs, and other related activities

under this act. Any grants or funds received may be used to enhance these activities as long as program standards established by the administrator are maintained.

NEW SECTION. Sec. 14. A new section is added to chapter 41.05 RCW to read as follows:

Any savings to health care benefit programs administered by the public employees' benefits board that result from implementation of the prescription drug education and utilization system under this act must be deposited into the public employees' and retirees' insurance account established under RCW 41.05.120. In developing its annual budget proposal for public employee health benefits, the administrator must consider the extent to which implementation of the preferred drug program has moderated increases in public employee health benefit costs and attempt to reflect that moderation in employee cost-sharing.

NEW SECTION. Sec. 15. A new section is added to chapter 41.05 RCW to read as follows:

(1) By January 1, 2003, the administrator must submit to the governor and the health care and fiscal committees of the legislature a progress report regarding the implementation of the prescription drug education and utilization system. The report must include a description of the extent to which the evidence-based review has been incorporated into the preferred drug list, and any prior authorization policies or procedures that have been developed.

(2) By January 1, 2004, and January 1, 2005, the administrator must submit to the governor and the health care and fiscal committees of the legislature a report on the impacts of the prescription drug education and utilization system. The report must address whether the activities under this act have succeeded in promoting improved clinical outcomes and cost-effective drug utilization and report specifically on the status and outcomes associated with the pilot disease management programs established under section 12 of this act. The report must include a description of the extent to which the evidence-based review has been incorporated into the preferred drug list, and any prior authorization policies or procedures that have been developed. The report may present recommendations for modifications to the system, or for additional strategies that should be pursued to promote therapeutic and cost-effective utilization of prescription drugs by residents of the state of Washington.

(3) By January 1, 2003, the secretary of the department of social and health services shall submit to the governor and the health care and fiscal committees of the legislature a report on implementation and operation of the therapeutic consultation program. The report must include, at a minimum, a description of the impact of the program on medical assistance clients and providers and any cost savings associated with the program, and when the program should be discontinued, in whole or in part.

NEW SECTION. Sec. 16. A new section is added to chapter 41.05 RCW to read as follows:

The administrator shall contract with an independent entity to evaluate the implementation and impacts of the prescription drug education and utilization system established in this act.

(1) The evaluation shall assess:

(a) The degree to which the program has influenced prescription drug prescribing practices among health care providers in Washington, including a description of how prescribing practices may have changed;

(b) The impact of the program on quality of care and clinical outcomes for persons enrolled in state purchased health care programs;

(c) The extent to which the program has lessened administrative burdens on health care providers participating in state purchased health care programs;

(d) The impact of the program on prescription drug expenditures across state purchased health care programs;

(e) The impact of the program on the utilization of, and expenditures for, other health care services funded by state purchased health care programs.

(2) The administrator may include the evaluation of disease management programs required under section 12 of this act in the evaluation under this section.

(3) The administrator shall make every effort to pursue and obtain federal or private foundation funding for the evaluation from entities such as the federal agency for health care research and quality or the milbank memorial fund. To ensure that results of the evaluation are objective and unbiased, private foundation funds derived from the pharmaceutical industry may not be used to fund the evaluation.

(4) The results of the evaluation shall be submitted to the governor and legislature by January 1, 2006.

When a substitution is made, or a preferred drug within a therapeutic class changes, the prescriber will be notified in writing by the dispensing pharmacist of the specific drug and dose dispensed.

NEW SECTION. **Sec. 18.** A new section is added to chapter 41.05 RCW to read as follows:

The department may choose to participate in the preferred drug program under section 3 of this act if drugs can be obtained at lower cost.

NEW SECTION. **Sec. 20.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 21.** If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. **Sec. 22.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

SSB 6393 Prime Sponsor, Senate Committee on Judiciary: Expanding authority for interlocal agreements for jail services. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.48.090 and 1987 c 462 s 7 are each amended to read as follows:

(1) Contracts for jail services may be made between a county and a city (~~located within the boundaries of a county~~), and among counties and cities. The contracts shall: Be in writing, give one governing unit the responsibility for the operation of the jails, specify the responsibilities of each governing unit involved, and include the applicable charges for custody of the prisoners as well as the basis for adjustments in the charges. The contracts may be terminated only by ninety days written notice to the governing units involved and to the office. The notice shall state the grounds for termination and the specific plans for accommodating the affected jail population.

(2) The contract authorized in subsection (1) of this section shall be for a minimum term of ten years when state funds are provided to construct or remodel a jail in one governing unit that will be used to house prisoners of other governing units. The contract may not be terminated prior to the end of the term without the office's approval. If the contract is terminated, or upon the expiration and nonrenewal of the contract, the governing unit whose jail facility was built or remodeled to hold the prisoners of other governing units shall pay to the state treasurer the amount set by the corrections standards board or office when it authorized disbursement of state funds for the remodeling or construction under RCW 70.48.120. This amount shall be deposited in the local jail improvement and construction account and shall fairly represent the construction costs incurred in order to house prisoners from other governing units. The office may pay the funds to the governing units which had previously contracted for jail services under rules which the office may adopt. The acceptance of state funds for constructing or remodeling consolidated jail facilities constitutes agreement to the proportionate amounts set by the office. Notice of the proportionate amounts shall be given to all governing units involved.

(3) A city or county primarily responsible for the operation of a jail or jails may create a department of corrections to be in charge of such jail and of all persons confined therein by law, subject to the authority of the governing unit. If such department is created, it shall have charge of jails and persons confined therein. If no such department of corrections is created, the chief law enforcement officer of the city or county primarily responsible for the operation of said jail shall have charge of the jail and of all persons confined therein.

Sec. 2. RCW 70.48.220 and 1979 ex.s. c 232 s 19 are each amended to read as follows:

A person (~~(convicted of)~~) confined for an offense punishable by imprisonment in a city or county jail may be confined in the jail of any city or county contracting with the prosecuting city or county for jail services.

A jurisdiction that confines persons prior to conviction in a jail in another county is responsible for providing private telephone, video-conferencing, or in-person contact between the defendant and his or her public defense counsel."

ESSB 6400 Prime Sponsor, Senate Committee on Natural Resources, Parks & Shorelines: Developing a statewide biodiversity conservation strategy. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the state of Washington possesses a diversity of plants and animals in a diverse array of ecologically distinct regions. This biological diversity and its role in forming the diverse landscapes of the state are an important part of the high quality of life shared by all of the state's citizens and its visitors. By better understanding the variety and status of living organisms and the communities and ecosystems in which they occur, conservation efforts can be more effective in ensuring that this wealth of biological diversity is enjoyed by current and future generations.

The legislature further finds that extensive scientific work has been completed by both public and private entities to map the state's ecoregions and address ecoregional planning issues, by academic institutions, by state agencies such as the departments of natural resources and fish and wildlife, and by nongovernmental organizations such as the nature conservancy. However, these existing information sources are not complete, and this information may not be sufficiently coordinated or accessible and useful to the public or policymakers. Similarly, there is no single entity responsible for development and implementation of a coordinated state strategy to conserve remaining functioning ecosystems and restore habitats needed to maintain Washington's biodiversity. There should be a comprehensive review to identify the state's needs for biodiversity data and conservation, and to coordinate development, dissemination, and use of existing information.

There is also a need to strengthen the state's nonregulatory approaches to biodiversity conservation, including incentives for voluntary conservation efforts by private landowners. Incentives shall be a major element of the state's overall biodiversity conservation strategy.

The legislature further finds that resource management on a single-species or single-resource basis has proven to be costly, acrimonious, and ultimately ineffective at either preserving the state's biodiversity or allowing reasonable economic development.

Therefore, the purpose of this act is to create a temporary committee to develop recommendations to the governor and the legislature to establish the framework for the development and implementation of a statewide biodiversity conservation strategy, to replace existing single-species or single-resource protection programs.

NEW SECTION. Sec. 2. (1) The interagency committee for outdoor recreation is authorized to grant up to forty-five thousand dollars, on a competitive basis, to conduct the review of biodiversity programs as described in this section.

(2) The successful grantee must convene and facilitate a biodiversity conservation committee that will review existing biodiversity mapping and research programs in Washington conducted by state and federal agencies, nongovernmental organizations, and other entities, as well as reviewing programs and projects in other states.

(3) The biodiversity conservation committee must develop recommendations for a state biodiversity strategy that includes:

(a) Creation and composition of a standing public/private council to oversee design, development, and implementation of the strategy;

(b) Identification of a lead agency to support and facilitate development and implementation of a state biodiversity conservation plan;

(c) Methods to improve state agency and nongovernmental organization coordination and cooperation;

(d) Consistent definitions of the state's ecoregions and an integrated system of data management and mapping of the state's biodiversity;

(e) A review of Oregon's forest sustainability project and incorporation of key processes and criteria that are applicable in Washington;

(f) The state role for housing and administering biodiversity data and making the data accessible to local governments and others;

(g) A public education and outreach component that includes the production of a visual overview of Washington's ecoregions;

(h) Methods to ensure continuing stakeholder involvement;

(i) Methods to provide technical assistance to support state and local government land management;

- (j) Identification of the time frames and funding needed to implement the strategy;
 - (k) Identification and development of nonregulatory methods to preserve biodiversity, including incentives to conserve land with important biodiversity values. These methods shall focus on approaches such as landowner incentives and acquisition of conservation easements from willing landowners;
 - (l) Recognition of the forests and fish program and other public-private efforts to identify and protect important fish and wildlife habitat;
 - (m) Development of consistent, workable definitions for key terms that are currently undefined in this act, including the terms "biodiversity" and "ecosystem"; and
 - (n) Review state policies and legal mechanisms that may affect biodiversity.
- (4) The purpose of the state biodiversity strategy is to develop and suggest implementation recommendations for an ongoing biodiversity conservation strategy to maintain Washington's biodiversity in perpetuity, within the context of human activities on the landscape, to prevent additional species from being listed as endangered or threatened, and to create a more predictable environment in which to conduct economic activities.
- (5) In carrying out the duties assigned in this section, the biodiversity conservation committee must recognize existing conservation commitments, including approved habitat conservation plans and other similar methods initiated by the legislature or a regulatory board, and focus on addressing conservation needs that have not already been addressed.
- (6) The successful grantee must invite representatives of the following groups to participate on the biodiversity conservation committee:
- (a) State agencies, including the departments of fish and wildlife, natural resources, and ecology, the Puget Sound action team, and the state salmon recovery office;
 - (b) Federal land management and natural resource agencies;
 - (c) Local governments;
 - (d) Tribes;
 - (e) Property owners, including forestry and agriculture;
 - (f) Business, including land development;
 - (g) Academia and research institutions; and
 - (h) Conservation nongovernmental organizations.
- (7) The biodiversity conservation committee must choose a chair from among its members and adopt operating procedures.
- (8) The grant agreement must be conditioned to require that at least an amount of funding equal to the state grant be applied to the project from nonstate sources.
- (9) The grantee must provide a final report describing its review and recommendations to the governor and the appropriate standing committees of the senate and the house of representatives by October 1, 2003.

NEW SECTION. Sec. 3. The sum of forty-nine thousand dollars, or as much thereof as may be necessary, is appropriated for the fiscal year ending June 30, 2003, from the general fund to the interagency committee for outdoor recreation for the purposes of this act."

ESSB 6414 Prime Sponsor, Senate Committee on Labor, Commerce & Financial Institutions: Licensing and regulating money transmitters and currency exchangers. (REVISED FOR ENGROSSED: Creating the uniform money services act.) Reported by Committee on Select Committee on Community Security

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that it is important for the state to establish a system of licensure and regulation to ensure the safe and sound operation of money transmission and currency exchange businesses, to ensure that these businesses are not used for criminal purposes, to

promote confidence in the state's financial system, and to protect the public interest. The legislature also finds that the creation of an effective regulatory scheme will require careful consideration of the current practices of small community-based money transmission or currency exchange businesses, the role such businesses play in local communities, as well as an assessment of the needs and practices of corporate financial institutions. To achieve these ends in a manner that both serves the general public interest and that is sensitive to the needs of smaller communities, the legislature intends to study current business practices regarding both money transmission and currency exchange in this state, and examine pertinent regulatory schemes and policies in other jurisdictions.

NEW SECTION. Sec. 2. (1) A joint legislative task force on licensing and regulating money transmitters and currency exchangers is established. The joint task force shall consist of ten members of the legislature appointed by the speaker of the house of representatives and the president of the senate as follows:

(a) Three members from the majority caucus and two members from the minority caucus of the house of representatives, with at least one member from each caucus being a member of the house financial institutions and insurance committee; and

(b) Three members from the majority caucus and two members from the minority caucus of the senate, with at least one member from each caucus being a member of the senate labor, commerce and financial institutions committee.

(2) The joint task force shall, when necessary, receive technical assistance from the department of financial institutions, and the department shall make staff available for this purpose. The department shall cooperate with the task force, maintain a liaison representative who is a nonvoting member, and provide appropriate technical or other assistance to small businesses or local, immigrant, or ethnic communities to comply with federal registration requirements dealing with money transmitters and currency exchangers.

(3) The joint task force may, when necessary, consult with individuals from the public and private sector or ask such persons to establish an advisory committee.

(4) The staff of senate committee services and the office of program research of the house of representatives shall provide administrative and clerical assistance to the joint task force.

NEW SECTION. Sec. 3. The joint task force shall review, but not be limited to, the following issues:

(1) Make recommendations for a system of licensure that is in compliance with federal laws and regulations, and that is responsive to the particular statutory framework of licensure for other money service industries in Washington state;

(2) Identify the barriers to licensing, either directly or as an affiliate, that may exist for small community-based businesses or local, immigrant, or ethnic communities which may not typically use traditional financial depository institutions;

(3) Identify how money transmission and currency exchange licensing regulations in other states have affected small community-based businesses or local, immigrant, or ethnic communities which may not typically use traditional financial depository institutions in those states, and how other states have addressed issues around technical assistance and access to traditional financial institutions that these businesses and communities face; and

(4) Recommend implementation of a regulatory scheme that will minimize adverse impact on small community-based businesses or local, immigrant, or ethnic communities that may not typically use traditional financial depository institutions, and that will minimize disruption to the legitimate purposes for which money transmission and currency exchange services currently operate in these communities.

NEW SECTION. Sec. 4. The joint task force shall meet as and when it sees fit in order to properly carry out the functions and duties set forth in this act.

NEW SECTION. Sec. 5. All expenses of the joint task force, including travel, shall be paid jointly by the senate and the house of representatives.

NEW SECTION. **Sec. 6.** The joint task force shall report its findings and recommendations to the legislature by December 1, 2002.

NEW SECTION. **Sec. 7.** This act expires July 1, 2003."

SSB 6488 Prime Sponsor, Senate Committee on Human Services & Corrections: Creating a statewide registered sex offender web site. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 4.24.550 and 2001 c 283 s 2 and 2001 c 169 s 2 are each reenacted and amended to read as follows:

(1) In addition to the disclosure under subsection (5) of this section, public agencies are authorized to release information to the public regarding sex offenders and kidnapping offenders when the agency determines that disclosure of the information is relevant and necessary to protect the public and counteract the danger created by the particular offender. This authorization applies to information regarding: (a) Any person adjudicated or convicted of a sex offense as defined in RCW 9A.44.130 or a kidnapping offense as defined by RCW 9A.44.130; (b) any person under the jurisdiction of the indeterminate sentence review board as the result of a sex offense or kidnapping offense; (c) any person committed as a sexually violent predator under chapter 71.09 RCW or as a sexual psychopath under chapter 71.06 RCW; (d) any person found not guilty of a sex offense or kidnapping offense by reason of insanity under chapter 10.77 RCW; and (e) any person found incompetent to stand trial for a sex offense or kidnapping offense and subsequently committed under chapter 71.05 or 71.34 RCW.

(2) Except for the information specifically required under subsection (5) of this section, the extent of the public disclosure of relevant and necessary information shall be rationally related to: (a) The level of risk posed by the offender to the community; (b) the locations where the offender resides, expects to reside, or is regularly found; and (c) the needs of the affected community members for information to enhance their individual and collective safety.

(3) Except for the information specifically required under subsection (5) of this section, local law enforcement agencies shall consider the following guidelines in determining the extent of a public disclosure made under this section: (a) For offenders classified as risk level I, the agency shall share information with other appropriate law enforcement agencies and may disclose, upon request, relevant, necessary, and accurate information to any victim or witness to the offense and to any individual community member who lives near the residence where the offender resides, expects to reside, or is regularly found; (b) for offenders classified as risk level II, the agency may also disclose relevant, necessary, and accurate information to public and private schools, child day care centers, family day care providers, businesses and organizations that serve primarily children, women, or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found; (c) for offenders classified as risk level III, the agency may also disclose relevant, necessary, and accurate information to the public at large; and (d) because more localized notification is not feasible and homeless and transient offenders may present unique risks to the community, the agency may also disclose relevant, necessary, and accurate information to the public at large for offenders registered as homeless or transient.

(4) The county sheriff with whom an offender classified as risk level III is registered shall cause to be published by legal notice, advertising, or news release a sex offender community notification that conforms to the guidelines established under RCW 4.24.5501 in at least one legal newspaper with general circulation in the area of the sex offender's registered address or location. The county sheriff shall also cause to be published consistent with this subsection a current list of level III registered sex offenders, twice yearly. Unless the information is posted on the web site described in subsection (5) of this section, this list shall be maintained by the county sheriff on a publicly accessible web site and shall be updated at least once per month.

(5)(a) When funded by federal grants or other sources other than state funds, the Washington association of sheriffs and police chiefs shall create and maintain a statewide registered sex offender web site, which shall be available to the public. The web site shall post all level III registered sex offenders in the state of Washington. The web site shall contain, but is not limited to, the registered sex offender's name, relevant criminal convictions, address by hundred block, physical description, and photograph. The web site shall provide mapping capabilities that display the sex offender's address by hundred block on a map. The web site shall allow citizens to search for registered sex offenders within the state of Washington by county, city, zip code, last name, type of conviction, and address by hundred block.

(b) Until the implementation of (a) of this subsection, the Washington association of sheriffs and police chiefs shall create a web site available to the public that provides electronic links to county-operated web sites that offer sex offender registration information.

(6) Local law enforcement agencies that disseminate information pursuant to this section shall:
(a) Review available risk level classifications made by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (b) assign risk level classifications to all offenders about whom information will be disseminated; and (c) make a good faith effort to notify the public and residents at least fourteen days before the offender is released from confinement or, where an offender moves from another jurisdiction, as soon as possible after the agency learns of the offender's move, except that in no case may this notification provision be construed to require an extension of an offender's release date. The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.

~~((6))~~ (7) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 ~~((is))~~, or units of local government and its employees, as provided in RCW 36.28A.010, are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

~~((7))~~ (8) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

~~((8))~~ (9) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

~~((9))~~ (10) When a local law enforcement agency or official classifies an offender differently than the offender is classified by the ~~((department of corrections,))~~ end of sentence review committee or the department of social and health services~~((, or the indeterminate sentence review board))~~ at the time of the offender's release from confinement, the law enforcement agency or official shall notify the ~~((appropriate department or the board))~~ end of sentence review committee of the department of social and health services and submit its reasons supporting the change in classification. Upon implementation of subsection (5)(a) of this section, notification of the change shall also be sent to the Washington association of sheriffs and police chiefs.

Sec. 2. RCW 43.43.540 and 1998 c 220 s 4 are each amended to read as follows:

The county sheriff shall (1) forward the information, photographs, and fingerprints obtained pursuant to RCW 9A.44.130, including any notice of change of address, to the Washington state patrol within five working days; and (2) upon implementation of RCW 4.24.550(5)(a), forward any information obtained pursuant to RCW 9A.44.130 that is necessary to operate the registered sex

offender web site described in RCW 4.24.550(5)(a) to the Washington association of sheriffs and police chiefs within five working days of receiving the information, including any notice of change of address or change in risk level notification. The state patrol shall maintain a central registry of sex offenders and kidnapping offenders required to register under RCW 9A.44.130 and shall adopt rules consistent with chapters 10.97, 10.98, and 43.43 RCW as are necessary to carry out the purposes of RCW 9A.44.130, 9A.44.140, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330. The Washington state patrol shall reimburse the counties for the costs of processing the offender registration, including taking the fingerprints and the photographs.

NEW SECTION. Sec. 3. MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 79.70.030 and 1994 c 264 s 61 are each amended to read as follows:

In order to set aside, preserve, and protect natural areas within the state, the department is authorized, in addition to any other powers, to:

(1) Establish (~~by rule and regulation~~) the criteria for selection, acquisition, management, protection, and use of such natural areas, including:

(a) Limiting public access to natural area preserves consistent with the purposes of this chapter. Where appropriate, and on a case-by-case basis, a buffer zone with an increased low level of public access may be created around the environmentally sensitive areas;

(b) Developing a management plan for each designated natural area preserve. The plan must identify the significant resources to be conserved consistent with the purposes of this chapter and identify the areas with potential for low-impact public and environmental educational uses. The plan must specify the types of management activities and public uses that are permitted, consistent with the purposes of this chapter. The department must make the plans available for review and comment by the public, and state, tribal, and local agencies, prior to final approval;

(2) Cooperate or contract with any federal, state, or local governmental agency, private organizations, or individuals in carrying out the purpose of this chapter;

(3) Consistent with the plan, acquire by gift, devise, purchase, grant, dedication, or means other than eminent domain, the fee or any lesser right or interest in real property which shall be held and managed as a natural area;

(4) Acquire by gift, devise, grant, or donation any personal property to be used in the acquisition and/or management of natural areas;

(5) Inventory existing public, state, and private lands in cooperation with the council to assess possible natural areas to be preserved within the state;

(6) Maintain a natural heritage program to provide assistance in the selection and nomination of areas containing natural heritage resources for registration or dedication. The program shall maintain a classification of natural heritage resources, an inventory of their locations, and a data bank for such information. The department of natural resources shall cooperate with the department of fish and wildlife in the selection and nomination of areas from the data bank that relate to critical wildlife habitats. Information from the data bank shall be made available to public and private agencies and individuals for environmental assessment and proprietary land management purposes. Usage of the classification, inventory, or data bank of natural heritage resources for any purpose inconsistent with the natural heritage program is not authorized;

(7) Prepare a natural heritage plan which shall govern the natural heritage program in the conduct of activities to create and manage a system of natural areas (~~which~~) that includes natural resources conservation areas, and may include areas designated under the research natural area program on federal lands in the state;

(a) The plan shall list the natural heritage resources to be considered for registration and shall provide criteria for the selection and approval of natural areas under this chapter;

(b) The department shall provide opportunities for input, comment, and review to the public, other public agencies, and private groups with special interests in natural heritage resources during preparation of the plan;

(c) Upon approval by the council and adoption by the department, the plan shall be updated and submitted biennially to the appropriate committees of the legislature for their information and review. The plan shall take effect ninety days after the adjournment of the legislative session in which it is submitted unless the reviewing committees suggest changes or reject the plan; and

(8) Maintain a state register of natural areas containing significant natural heritage resources to be called the Washington register of natural area preserves. Selection of natural areas for registration shall be in accordance with criteria listed in the natural heritage plan and accomplished through voluntary agreement between the owner of the natural area and the department. No privately owned lands may be proposed to the council for registration without prior notice to the owner or registered without voluntary consent of the owner. No state or local governmental agency may require such consent as a condition of any permit or approval of or settlement of any civil or criminal proceeding or to penalize any landowner in any way for failure to give, or for withdrawal of, such consent.

(a) The department shall adopt rules and regulations as authorized by RCW 43.30.310 and 79.70.030(1) and chapter 34.05 RCW relating to voluntary natural area registration.

(b) After approval by the council, the department may place sites onto the register or remove sites from the register.

(c) The responsibility for management of registered natural area preserves shall be with the preserve owner. A voluntary management agreement may be developed between the department and the owners of the sites on the register.

(d) Any public agency may register lands under provisions of this chapter.

Sec. 2. RCW 79.70.060 and 1981 c 189 s 2 are each amended to read as follows:

The legislature finds:

(1) That it is necessary to establish a process and means for public and private sector cooperation in the development of a system of natural areas. Private and public landowners should be encouraged to participate in a program of natural area establishment which will benefit all citizens of the state;

(2) That there is a need for a systematic and accessible means for providing information concerning the locations of the state's natural heritage resources; and

(3) That the natural heritage advisory council should utilize a specific framework for natural heritage resource conservation decision making through a classification, inventory, priority establishment, acquisition, and management process known as the natural heritage program. Future natural areas should avoid unnecessary duplication of already protected natural heritage resources including those which may already be protected in existing publicly owned or privately dedicated lands such as nature preserves, natural areas, natural resources conservation areas, parks, or wilderness.

Sec. 3. RCW 79.70.080 and 1994 c 264 s 63 are each amended to read as follows:

(1) The council shall:

(a) Meet at least annually and more frequently at the request of the chairperson;

(b) Recommend policy for the natural heritage program through the review and approval of the natural heritage plan;

(c) Advise the department, the department of fish and wildlife, the state parks and recreation commission, and other state agencies managing state-owned land or natural resources regarding areas under their respective jurisdictions which are appropriate for natural area registration or dedication;

(d) Advise the department of rules and regulations that the council considers necessary in carrying out this chapter; (~~and~~)

(e) Review and approve area nominations by the department or other agencies for registration and review and comment on legal documents for the voluntary dedication of such areas;

(f) Recommend whether new areas proposed for protection be established as natural area preserves, natural resources conservation areas, a combination of both, or by some other protected status; and

(g) Review and comment on management plans proposed for individual natural area preserves.

(2) From time to time, the council shall identify areas from the natural heritage data bank which qualify for registration. Priority shall be based on the natural heritage plan and shall generally be given to those resources which are rarest, most threatened, or under-represented in the heritage conservation system on a statewide basis. After qualifying areas have been identified, the department shall advise the owners of such areas of the opportunities for acquisition or voluntary registration or dedication."

(5) No local comprehensive plan or development regulation may preclude the siting of essential public facilities.

(6) No person may bring a cause of action for civil damages based on the good faith actions of any county or city to provide for the siting of secure community transition facilities in accordance with this section and with the requirements of chapter 12, Laws of 2001 2nd sp. sess. Sec. 4. RCW 71.09.020 and 2001 2nd sp.s. c 12 s 102 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of social and health services.

(2) "Less restrictive alternative" means court-ordered treatment in a setting less restrictive than total confinement which satisfies the conditions set forth in RCW 71.09.092.

(3) "Likely to engage in predatory acts of sexual violence if not confined in a secure facility" means that the person more probably than not will engage in such acts if released unconditionally from detention on the sexually violent predator petition. Such likelihood must be evidenced by a recent overt act if the person is not totally confined at the time the petition is filed under RCW 71.09.030.

(4) "Mental abnormality" means a congenital or acquired condition affecting the emotional or volitional capacity which predisposes the person to the commission of criminal sexual acts in a degree constituting such person a menace to the health and safety of others.

Risk potential activities and facilities include: Public and private schools, school bus stops, licensed day care and licensed preschool facilities, public parks, publicly dedicated trails, sports fields, playgrounds, recreational and community centers, churches, synagogues, temples, mosques, ~~(and)~~ public libraries, and others identified by the department following the hearings on a potential site required in RCW 71.09.315. For purposes of this chapter, "school bus stops" does not include bus stops established primarily for public transit.

(8) "Secretary" means the secretary of social and health services or the secretary's designee.

(9) "Secure facility" means a residential facility for persons civilly confined under the provisions of this chapter that includes security measures sufficient to protect the community. (12) "Sexually violent predator" means any person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility.

(13) "Total confinement facility" means a facility that provides supervision and sex offender treatment services in a total confinement setting. Total confinement facilities include the special commitment center and any similar facility designated as a secure facility by the secretary.

Sec. 5. RCW 71.09.285 and 2001 2nd sp.s. c 12 s 213 are each amended to read as follows:

(1) Except with respect to the secure community transition facility established pursuant to RCW 71.09.250, the secretary shall develop policy guidelines that balance the average response time of emergency services to the general area of a proposed secure community transition facility against the proximity of the proposed site to risk potential activities and facilities in existence at the time the site is listed for consideration.

(2) In ~~((balancing the competing criteria of proximity and response time the policy guidelines shall endeavor to achieve an average law enforcement response time not greater than five minutes and in))~~ no case shall the policy guidelines permit location of a facility adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration. "Within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

(3) The policy guidelines shall require that great weight be given to sites that are the farthest removed from any risk potential activity.

(4) The policy guidelines shall specify how distance from the location is measured and any variations in the measurement based on the size of the property within which a proposed facility is to be located.

(5) The policy guidelines shall establish a method to analyze and compare the criteria for each site in terms of public safety and security, site characteristics, and program components. In making a decision regarding a site following the analysis and comparison, the secretary shall give priority to public safety and security considerations. The analysis and comparison of the criteria are to be documented and made available at the public hearings prescribed in RCW 71.09.315.

(6) Policy guidelines adopted by the secretary under this section shall be considered by counties and cities when providing for the siting of secure community transition facilities as required under RCW 36.70A.200.

Sec. 6. RCW 71.09.305 and 2001 2nd sp.s. c 12 s 217 are each amended to read as follows:

Escorting persons must supervise the resident closely and maintain close proximity to the resident. The escort must immediately notify the department of any serious violation, as defined in RCW 71.09.325, by the resident and must immediately notify law enforcement of any violation of law by the resident. The escort may not be a relative of the resident or a person with whom the resident has, or has had, a dating relationship as defined in RCW 26.50.010.

(2) Staff members of the special commitment center and any other total confinement facility and any secure community transition facility must be trained in self-defense and appropriate crisis responses including incident de-escalation. Prior to escorting a person outside of a facility, staff members must also have training in the offense pattern of the offender they are escorting. ~~((The escort may not be a relative of the resident.))~~

(3) Any escort must carry a cellular telephone or a similar device at all times when escorting a resident of a secure community transition facility.

(4) The department shall require training in offender pattern, self-defense, and incident response for all court-authorized escorts who are not employed by the department or the department of corrections.

NEW SECTION. Sec. 7. A new section is added to chapter 71.09 RCW to read as follows:
The minimum requirements set out in RCW 71.09.285 through 71.09.340 are minimum requirements to be applied by the department. Nothing in this section is intended to prevent a city or county from adopting development regulations, as defined in RCW 36.70A.030, unless the proposed regulation imposes requirements more restrictive than those specifically addressed in RCW 71.09.285 through 71.09.340. Regulations that impose requirements more restrictive than those specifically addressed in these sections are void. Nothing in these sections prevents the department from adding requirements to enhance public safety.

Sec. 8. RCW 71.09.255 and 2001 2nd sp.s. c 12 s 204 are each amended to read as follows:

(1) Upon receiving the notification required by RCW 71.09.250, counties must promptly notify the cities within the county of the maximum number of secure community transition facility beds that may be required and the projected number of beds to be needed in that county.

(2) The incentive grants and payments provided under this section are subject to the following provisions:

(a) Counties and the cities within the county must notify each other of siting plans to promote the establishment and equitable distribution of secure community transition facilities;

(b) Development regulations, ordinances, plans, laws, and criteria established for siting must be consistent with statutory requirements and rules applicable to siting and operating secure community transition facilities;

(c) The minimum size for any facility is three beds; and

(d) The department must approve any sites selected.

(3) Any county or city that makes a commitment to initiate the process to site one or more secure community transition facilities by ~~((February 1, 2002))~~ one hundred twenty days after the effective date of this act, shall receive a planning grant as proposed and approved by the department of community, trade, and economic development.

(4) Any county or city that has issued all necessary permits by May 1, 2003, for one or more secure community transition facilities that comply with the requirements of this section shall receive an incentive grant in the amount of fifty thousand dollars for each bed sited.

(5) To encourage the rapid permitting of sites, any county or city that has issued all necessary permits by January 1, 2003, for one or more secure community transition facilities that comply with

the requirements of this section shall receive a bonus in the amount of twenty percent of the amount provided under subsection (4) of this section.

(6) Any county or city that establishes secure community transition facility beds in excess of the maximum number that could be required to be sited in that county shall receive a bonus payment of one hundred thousand dollars for each bed established in excess of the maximum requirement.

(7) No payment shall be made under subsection (4), (5), or (6) of this section until all necessary permits have been issued.

(8) The funds available to counties and cities under this section are contingent upon funds being appropriated by the legislature.

NEW SECTION. **Sec. 9.** A new section is added to chapter 71.09 RCW to read as follows:

(1) After October 1, 2002, notwithstanding RCW 36.70A.103 or any other law, this section preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and all other laws as necessary to enable the department to site, construct, renovate, occupy, and operate secure community transition facilities within the borders of the following:

(a) Chelan, Clark, Cowlitz, Franklin, Grays Harbor, King, Kitsap, Snohomish, Spokane, Thurston, Whatcom, and Yakima counties, if the department determines that the county has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities; and

(b) Any city located within a county listed in (a) of this subsection that the department determines has not met the requirements of RCW 36.70A.200 with respect to secure community transition facilities.

(2) The department's determination under subsection (1)(a) or (b) of this section is final and is not subject to appeal under chapter 34.05 or 36.70A RCW.

(3) When siting a facility in a county or city that has been preempted under this section, the department shall consider the policy guidelines established under RCW 71.09.275 and 71.09.290 and shall hold the hearings required in RCW 71.09.315.

(4) Nothing in this section prohibits the department from:

(a) Siting a secure community transition facility in a city or county that has complied with the requirements of RCW 36.70A.200 with respect to secure community transition facilities, including a city that is located within a county that has been preempted. If the department sites a secure community transition facility in such a city or county, the department shall use the process established by the city or county for siting such facilities; or

(b) Consulting with a city or county that has been preempted under this section regarding the siting of a secure community transition facility.

(5)(a) A preempted city or county may propose public safety measures specific to any finalist site to the department. The measures must be consistent with the location of the facility at that finalist site. The proposal must be made in writing by the date of:

(i) The second hearing under RCW 71.09.315(2)(a) when there are three finalist sites; or

(ii) The first hearing under RCW 71.09.315(2)(b) when there is only one site under consideration.

(b) The department shall respond to the city or county in writing within fifteen business days of receiving the proposed measures. The response shall address all proposed measures.

(c) If the city or county finds that the department's response is inadequate, the city or county may notify the department in writing within fifteen business days of the specific items which it finds inadequate. If the city or county does not notify the department of a finding that the response is inadequate within fifteen business days, the department's response shall be final.

(d) If the city or county notifies the department that it finds the response inadequate and the department does not revise its response to the satisfaction of the city or county within seven business days, the city or county may petition the governor to designate a person with law enforcement expertise to review the response under RCW 34.05.479.

(e) The governor's designee shall hear a petition filed under this subsection and shall make a determination within thirty days of hearing the petition. The governor's designee shall consider the department's response, and the effectiveness and cost of the proposed measures, in relation to the

purposes of this chapter. The determination by the governor's designee shall be final and may not be the basis for any cause of action in civil court.

(f) The city or county shall bear the cost of the petition to the governor's designee. If the city or county prevails on all issues, the department shall reimburse the city or county costs incurred, as provided under chapter 34.05 RCW.

(g) Neither the department's consideration and response to public safety conditions proposed by a city or county nor the decision of the governor's designee shall affect the preemption under this section or the department's authority to site, construct, renovate, occupy, and operate the secure community transition facility at that finalist site or at any finalist site.

(6) The secretary shall site, construct, occupy, and operate a secure community transition facility sited under this section in an environmentally responsible manner that is consistent with the substantive objectives of chapter 43.21C RCW, and shall consult with the department of ecology as appropriate in carrying out the planning, construction, and operations of the facility. The secretary shall make a threshold determination of whether a secure community transition facility sited under this section would have a probable significant, adverse environmental impact. If the secretary determines that the secure community transition facility has such an impact, the secretary shall prepare an environmental impact statement that meets the requirements of RCW 43.21C.030 and 43.21C.031 and the rules promulgated by the department of ecology relating to such statements. Nothing in this subsection shall be the basis for any civil cause of action or administrative appeal.

(7) This section does not apply to the secure community transition facility established pursuant to RCW 71.09.250(1).

NEW SECTION. **Sec. 10.** A new section is added to chapter 34.05 RCW to read as follows:
A petition brought pursuant to section 9(5) of this act shall be heard under the provisions of RCW 34.05.479 except that the decision of the governor's designee shall be final and is not subject to judicial review.

NEW SECTION. **Sec. 11.** A new section is added to chapter 71.09 RCW to read as follows:
For purposes of RCW 71.09.250 and section 9 of this act, "all other laws" means the state environmental policy act, the shoreline management act, the hydraulics code, and all other state laws regulating the protection and use of the water, land, and air.

NEW SECTION. **Sec. 12.** A new section is added to chapter 43.21C RCW to read as follows:

Secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

NEW SECTION. **Sec. 13.** A new section is added to chapter 90.58 RCW to read as follows:
Secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

NEW SECTION. **Sec. 14.** A new section is added to chapter 77.55 RCW to read as follows:
Secure community transition facilities sited pursuant to the preemption provisions of section 9 of this act and secure facilities sited pursuant to the preemption provisions of RCW 71.09.250 are not subject to the provisions of this chapter.

Sec. 15. RCW 36.70A.103 and 2001 2nd sp.s. c 12 s 203 are each amended to read as follows:

State agencies shall comply with the local comprehensive plans and development regulations and amendments thereto adopted pursuant to this chapter except as otherwise provided in RCW 71.09.250 (1) through (3), section 9 of this act, and 72.09.333.

The provisions of chapter 12, Laws of 2001 2nd sp. sess. do not affect the state's authority to site any other essential public facility under RCW 36.70A.200 in conformance with local comprehensive plans and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. Sec. 16. A new section is added to chapter 71.09 RCW to read as follows:

(1) At the request of the local government of the city or county in which a secure community transition facility is initially sited after January 1, 2002, the department shall enter into a long-term contract memorializing the agreements between the state and the city or county for the operation of the facility. This contract shall be separate from any contract regarding mitigation due to the facility. The contract shall include a clause that states:

(a) The contract does not obligate the state to continue operating any aspect of the civil commitment program under this chapter;

(b) The operation of any secure community transition facility is contingent upon sufficient appropriation by the legislature. If sufficient funds are not appropriated, the department is not obligated to operate the secure community transition facility and may close it; and

(c) This contract does not obligate the city or county to operate a secure community transition facility.

(2) Any city or county may, at their option, contract with the department to operate a secure community transition facility.

NEW SECTION. Sec. 17. A new section is added to chapter 71.09 RCW to read as follows:

(1) Subject to funds appropriated by the legislature, the department may enter into negotiation for a mitigation agreement with:

(a) The county and/or city in which a secure community transition facility sited after January 1, 2002, is located;

(b) Each community in which the persons from those facilities will reside or regularly spend time, pursuant to court orders, for regular work or education, or to receive social services, or through which the person or persons will regularly be transported to reach other communities; and

(c) Educational institutions in the communities identified in (a) and (b) of this subsection.

(2) Mitigation agreements are limited to the following:

(a) One-time training for local law enforcement and administrative staff, upon the establishment of a secure community transition facility.

(i) Training between local government staff and the department includes training in coordination, emergency procedures, program and facility information, legal requirements, and resident profiles.

(ii) Reimbursement for training under this subsection is limited to:

(A) The salaries or hourly wages and benefits of those persons who receive training directly from the department; and

(B) Costs associated with preparation for, and delivery of, training to the department or its contracted staff by local government staff or contractors;

(b) Information coordination:

(i) Information coordination includes data base infrastructure establishment and programming for the dissemination of information among law enforcement and the department related to facility residents.

(ii) Reimbursement for information coordination is limited to start-up costs;

(c) One-time capital costs:

(i) One-time capital costs are off-site costs associated with the need for increased security in specific locations.

(ii) Reimbursement for one-time capital costs is limited to actual costs; and

(d) Incident response:

(i) Incident response costs are law enforcement and criminal justice costs associated with violations of conditions of release or crimes by residents of the secure community transition facility.

(ii) Reimbursement for incident response does not include private causes of action.

NEW SECTION. Sec. 18. A new section is added to chapter 71.09 RCW to read as follows:

(1) To encourage economies of scale in the siting and operation of secure community transition facilities, the department may enter into an agreement with two or more counties to create a regional secure community transition facility. The agreement must clearly identify the number of beds from each county that will be contained in the regional secure community transition facility. The agreement must specify which county must contain the regional secure community transition facility and the facility must be sited accordingly. No county may withdraw from an agreement under this section unless it has provided an alternative acceptable secure community transition facility to house any displaced residents that meets the criteria established for such facilities in this chapter and the guidelines established by the department.

(2) A regional secure community transition facility must meet the criteria established for secure community transition facilities in this chapter and the guidelines established by the department.

(3) The department shall count the beds identified for each participating county in a regional secure community transition facility against the maximum number of beds that could be required for each county under RCW 71.09.250(7)(a).

(4) An agreement for a regional secure community transition facility does not alter the maximum number of beds for purposes of the incentive grants under RCW 71.09.255 for the county containing the regional facility.

NEW SECTION. Sec. 19. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 20. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

ESSB 6641 Prime Sponsor, Senate Committee on Education: Accommodating children with diabetes in schools. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.210 RCW to read as follows:

The legislature finds that diabetes imposes significant health risks to students enrolled in the state's public schools and that providing for the medical needs of students with diabetes is crucial to ensure both the safety of students with diabetes and their ability to obtain the education guaranteed to all citizens of the state. The legislature also finds that children with diabetes can and should be provided with a safe learning environment and access to all other nonacademic school sponsored activities. The legislature further finds that an individual health plan for each child with diabetes should be in place in the student's school and should include provisions for a parental signed release form, medical equipment and storage capacity, and exemptions from school policies, school schedule, meals and eating, disaster preparedness, inservice training for staff, legal documents for parent-designated adults who may provide care, as needed, and personnel guidelines describing who may assume responsibility for activities contained in the student's individual health plan.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.210 RCW to read as follows:

(1) School districts shall provide individual health plans for students with diabetes, subject to the following conditions:

(a) The board of directors of the school district shall adopt policies to be followed for students with diabetes. The policies shall include, but need not be limited to:

(i) The acquisition of parent requests and instructions;

(ii) The acquisition of orders from licensed health professionals prescribing within the scope of their prescriptive authority for monitoring and treatment at school;

(iii) The provision for storage of medical equipment and medication provided by the parent;

(iv) The provision for students to perform blood glucose tests, administer insulin, treat hypoglycemia and hyperglycemia, and have easy access to necessary supplies and equipment to perform monitoring and treatment functions as specified in the individual health plan. The policies shall include the option for students to carry on their persons the necessary supplies and equipment and the option to perform monitoring and treatment functions in the students' classrooms;

(v) The establishment of school policy exceptions necessary to accommodate the students' needs to eat whenever and wherever necessary, have easy, unrestricted access to water and bathroom use, have provisions made for parties at school when food is served, eat meals and snacks on time, and other necessary exceptions as described in the individual health plan;

(vi) The assurance that school meals are never withheld because of nonpayment of fees or disciplinary action;

(vii) A description of the students' school day schedules for timing of meals, snacks, blood sugar testing, insulin injections, and related activities;

- (viii) The development of individual emergency preparedness plans;
 - (ix) The establishment of inservice training for staff on symptoms, treatment, and monitoring of students with diabetes and on the additional observations that may be needed in different situations that may arise during the school day and during school sponsored activities;
 - (x) The distribution of the individual health plan to appropriate staff based on the students' needs and staff level of contact with the students;
 - (xi) The possession of legal documents for parent-designated adults to provide care, if needed;
 - (xii) The description of policies that specify who may assume responsibility for activities contained in the student's individual health plan as determined by statute, rule, nursing care quality assurance commission guidelines, and best practices; and
 - (xiii) The updating of the individual health plan at least annually or more frequently, as needed;
- and

(b) The board of directors, in the course of developing the policies in (a) of this subsection, shall seek advice from one or more licensed physicians or nurses or diabetes educators who are nationally certified.

(2)(a) For the purposes of this section, "parent-designated adult" means a volunteer, who may be a school district employee, who receives additional training from or through the parents, and who provides care for the child consistent with the individual health plan.

(b) To be eligible to be a parent-designated adult, a school district employee not licensed under chapter 18.79 or 18.88A RCW shall file, without coercion by the employer, a voluntary written, current, and unexpired letter of intent stating the employee's willingness to be a parent-designated adult. If a school employee who is not licensed under chapter 18.79 or 18.88A RCW chooses not to file a letter under this section, the employee shall not be subject to any employer reprisal or disciplinary action for refusing to file a letter.

(3) The board of directors shall designate a professional person licensed under chapter 18.71, 18.57, or 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners, to consult and coordinate with the student's parents and health care provider, and train and supervise the appropriate school district personnel in proper procedures for care for students with diabetes to ensure a safe, therapeutic learning environment. Training may also be provided by a diabetes educator who is nationally certified. Training and supervision requirements under this subsection do not extend to parent-designated adults.

NEW SECTION. **Sec. 3.** A new section is added to chapter 28A.210 RCW to read as follows:

A school district, school district employee, agent, parent-designated adult, or volunteer who, acting in good faith and in substantial compliance with the student's individual health plan and the instructions of the student's licensed health care professional, provides assistance or services under section 1 or 2 of this act shall not be liable in any criminal action or for civil damages in his or her individual or marital or governmental or corporate or other capacities as a result of the services provided under section 1 or 2 of this act to students with diabetes.

For the purposes of this subsection, a conviction shall be deemed to have occurred upon a verdict, finding, or plea of guilty, notwithstanding the fact that appellate review of the conviction and sentence has been or may be sought. If a subsequent reversal of the conviction occurs, any judgment that was based upon that conviction may be reopened upon motion of the defendant.

(7) The initiation of civil proceedings under this section shall be commenced within three years after discovery of the pattern of criminal profiteering activity or after the pattern should reasonably have been discovered or, in the case of an offense which is defined in chapter 9A.-- RCW (sections 1 through 8 and 19 through 25 of this act), within three years after the final disposition of any criminal charges relating to the offense, whichever is later.

(8) The attorney general or county prosecuting attorney may, in a civil action brought pursuant to this section, file with the clerk of the superior court a certificate stating that the case is of special public importance. A copy of that certificate shall be furnished immediately by the clerk to the presiding chief judge of the superior court in which the action is pending and, upon receipt of the copy, the judge shall immediately designate a judge to hear and determine the action. The judge so designated shall promptly assign the action for hearing, participate in the hearings and determination, and cause the action to be expedited.

(9) The standard of proof in actions brought pursuant to this section is the preponderance of the evidence test.

(10) A person other than the attorney general or county prosecuting attorney who files an action under this section shall serve notice and one copy of the pleading on the attorney general within thirty days after the action is filed with the superior court. The notice shall identify the action, the person, and the person's attorney. Service of the notice does not limit or otherwise affect the right of the state to maintain an action under this section or intervene in a pending action nor does it authorize the person to name the state or the attorney general as a party to the action.

(11) Except in cases filed by a county prosecuting attorney, the attorney general may, upon timely application, intervene in any civil action or proceeding brought under this section if the attorney general certifies that in the attorney general's opinion the action is of special public importance. Upon intervention, the attorney general may assert any available claim and is entitled to the same relief as if the attorney general had instituted a separate action.

(12) In addition to the attorney general's right to intervene as a party in any action under this section, the attorney general may appear as amicus curiae in any proceeding in which a claim under this section has been asserted or in which a court is interpreting RCW 9A.82.010, 9A.82.080, 9A.82.090, 9A.82.110, or 9A.82.120, or this section.

(13) A private civil action under this section does not limit any other civil or criminal action under this chapter or any other provision. Private civil remedies provided under this section are supplemental and not mutually exclusive.

(14) Upon motion by the defendant, the court may authorize the sale or transfer of assets subject to an order or lien authorized by this chapter for the purpose of paying actual attorney's fees and costs of defense. The motion shall specify the assets for which sale or transfer is sought and shall be accompanied by the defendant's sworn statement that the defendant has no other assets available for such purposes. No order authorizing such sale or transfer may be entered unless the court finds that the assets involved are not subject to possible forfeiture under RCW 9A.82.100(4)(f). Prior to disposition of the motion, the court shall notify the state of the assets sought to be sold or transferred and shall hear argument on the issue of whether the assets are subject to forfeiture under RCW 9A.82.100(4)(f). Such a motion may be made from time to time and shall be heard by the court on an expedited basis.

(15) In an action brought under subsection (1)(a) and (b)(i) of this section, either party has the right to a jury trial.

Sec. 12. RCW 9A.82.120 and 2001 c 222 s 16 are each amended to read as follows:

(1) The state, upon filing a criminal action under RCW 9A.82.060 or 9A.82.080 or for an offense defined in chapter 9A.-- RCW (sections 1 through 8 and 19 through 25 of this act) whether or not committed for financial gain, or a civil action under RCW 9A.82.100, may file in accordance with this section a criminal profiteering lien. A filing fee or other charge is not required for filing a criminal profiteering lien.

(2) A criminal profiteering lien shall be signed by the attorney general or the county prosecuting attorney representing the state in the action and shall set forth the following information:

- (a) The name of the defendant whose property or other interests are to be subject to the lien;
- (b) In the discretion of the attorney general or county prosecuting attorney filing the lien, any aliases or fictitious names of the defendant named in the lien;
- (c) If known to the attorney general or county prosecuting attorney filing the lien, the present residence or principal place of business of the person named in the lien;
- (d) A reference to the proceeding pursuant to which the lien is filed, including the name of the court, the title of the action, and the court's file number for the proceeding;
- (e) The name and address of the attorney representing the state in the proceeding pursuant to which the lien is filed;
- (f) A statement that the notice is being filed pursuant to this section;
- (g) The amount that the state claims in the action or, with respect to property or other interests that the state has requested forfeiture to the state or county, a description of the property or interests sought to be paid or forfeited;
- (h) If known to the attorney general or county prosecuting attorney filing the lien, a description of property that is subject to forfeiture to the state or property in which the defendant has an interest that is available to satisfy a judgment entered in favor of the state; and
- (i) Such other information as the attorney general or county prosecuting attorney filing the lien deems appropriate.

(3) The attorney general or the county prosecuting attorney filing the lien may amend a lien filed under this section at any time by filing an amended criminal profiteering lien in accordance with this section that identifies the prior lien amended.

(4) The attorney general or the county prosecuting attorney filing the lien shall, as soon as practical after filing a criminal profiteering lien, furnish to any person named in the lien a notice of the filing of the lien. Failure to furnish notice under this subsection does not invalidate or otherwise affect a criminal profiteering lien filed in accordance with this section.

(5)(a) A criminal profiteering lien is perfected against interests in personal property in the same manner as a security interest in like property pursuant to RCW 62A.9-302, 62A.9-303, 62A.9-304, 62A.9-305, and 62A.9-306 or as otherwise required to perfect a security interest in like property under applicable law. In the case of perfection by filing, the state shall file, in lieu of a financing statement in the form prescribed by RCW 62A.9-402, a notice of lien in substantially the following form:

NOTICE OF LIEN

Pursuant to RCW 9A.82.120, the state of Washington claims a criminal profiteering lien on all real and personal property of:

Name:

Address:

.....
.....
.....

State of Washington

By (authorized signature)

On receipt of such a notice from the state, a filing officer shall, without payment of filing fee, file and index the notice as if it were a financing statement naming the state as secured party and the defendant as debtor.

(b) A criminal profiteering lien is perfected against interests in real property by filing the lien in the office where a mortgage on the real estate would be filed or recorded. The filing officer shall file and index the criminal profiteering lien, without payment of a filing fee, in the same manner as a mortgage.

(6) The filing of a criminal profiteering lien in accordance with this section creates a lien in favor of the state in:

(a) Any interest of the defendant, in real property situated in the county in which the lien is filed, then maintained, or thereafter acquired in the name of the defendant identified in the lien;

(b) Any interest of the defendant, in personal property situated in this state, then maintained or thereafter acquired in the name of the defendant identified in the lien; and

(c) Any property identified in the lien to the extent of the defendant's interest therein.

(7) The lien created in favor of the state in accordance with this section, when filed or otherwise perfected as provided in subsection (5) of this section, has, with respect to any of the property described in subsection (6) of this section, the same priority determined pursuant to the laws of this state as a mortgage or security interest given for value (but not a purchase money security interest) and perfected in the same manner with respect to such property; except that any lien perfected pursuant to Title 60 RCW by any person who, in the ordinary course of his business, furnishes labor, services, or materials, or rents, leases, or otherwise supplies equipment, without knowledge of the criminal profiteering lien, is superior to the criminal profiteering lien.

(8) Upon entry of judgment in favor of the state, the state may proceed to execute thereon as in the case of any other judgment, except that in order to preserve the state's lien priority as provided in this section the state shall, in addition to such other notice as is required by law, give at least thirty days' notice of the execution to any person possessing at the time the notice is given, an interest recorded subsequent to the date the state's lien was perfected.

(9) Upon the entry of a final judgment in favor of the state providing for forfeiture of property to the state, the title of the state to the property:

(a) In the case of real property or a beneficial interest in real property, relates back to the date of filing the criminal profiteering lien or, if no criminal profiteering lien is filed, then to the date of recording of the final judgment or the abstract thereof; or

(b) In the case of personal property or a beneficial interest in personal property, relates back to the date the personal property was seized by the state, or the date of filing of a criminal profiteering lien in accordance with this section, whichever is earlier, but if the property was not seized and no criminal profiteering lien was filed then to the date the final judgment was filed with the department of licensing and, if the personal property is an aircraft, with the federal aviation administration.

(10) This section does not limit the right of the state to obtain any order or injunction, receivership, writ, attachment, garnishment, or other remedy authorized under RCW 9A.82.100 or appropriate to protect the interests of the state or available under other applicable law.

(11) In a civil or criminal action under this chapter, the superior court shall provide for the protection of bona fide interests in property, including community property, subject to liens of persons who were not involved in the violation of this chapter, except to the extent that such interests or property were acquired or used in such a way as to be subject to forfeiture pursuant to RCW 9A.82.100(4)(f).

NEW SECTION. Sec. 13. A new section is added to chapter 10.95 RCW to read as follows:
AGGRAVATED FIRST DEGREE MURDER--DEFINITION--ALTERNATIVE MEANS OF COMMISSION--TERRORISM IN THE FIRST DEGREE. A person is guilty of aggravated murder in the first degree if he or she commits terrorism in the first degree as defined by section 3 of this act and shall be punished in accordance with the provisions of this chapter.

Sec. 14. RCW 10.95.040 and 1981 c 138 s 4 are each amended to read as follows:

(1) If a person is charged with aggravated first degree murder as defined by RCW 10.95.020 or section 13 of this act, the prosecuting attorney shall file written notice of a special sentencing proceeding to determine whether or not the death penalty should be imposed when there is reason to believe that there are not sufficient mitigating circumstances to merit leniency.

(2) The notice of special sentencing proceeding shall be filed and served on the defendant or the defendant's attorney within thirty days after the defendant's arraignment upon the charge of aggravated first degree murder unless the court, for good cause shown, extends or reopens the period for filing and service of the notice. Except with the consent of the prosecuting attorney, during the period in which the prosecuting attorney may file the notice of special sentencing proceeding, the defendant may not tender a plea of guilty to the charge of aggravated first degree murder nor may the court accept a plea of guilty to the charge of aggravated first degree murder or any lesser included offense.

(3) If a notice of special sentencing proceeding is not filed and served as provided in this section, the prosecuting attorney may not request the death penalty.

Sec. 15. RCW 9.94A.515 and 2001 2nd sp.s. c 12 s 361, 2001 c 300 s 4, 2001 c 217 s 12, and 2001 c 17 s 1 are each reenacted and amended to read as follows:

PRIOR ADJUDICATIONS

NOTE: References in the grid to days or weeks mean periods of confinement.

(1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.

(2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(4) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.

(5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

OR

**OPTION B
CHEMICAL DEPENDENCY DISPOSITION ALTERNATIVE**

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

OR

**OPTION C
MANIFEST INJUSTICE**

If the court determines that a disposition under option A or B would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2).

Sec. 17. RCW 9.94A.030 and 2001 2nd sp.s. c 12 s 301, 2001 c 300 s 3, and 2001 c 7 s 2 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or 9.94A.545, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(8) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(9) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(10) "Confinement" means total or partial confinement.

(11) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(12) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(13) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (a) whether the defendant has been placed on probation and the length and terms thereof; and (b) whether the defendant has been incarcerated and the length of incarceration.

(14) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(15) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(16) "Department" means the department of corrections.

(17) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(18) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

Upon

conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to RCW 38.52.430.

Throughout this chapter, the terms "offender" and "defendant" are used interchangeably.

(31) "Partial confinement" means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, or, if home detention or work crew has been ordered by the court, in an approved residence, for a substantial

NEW SECTION. Sec. 101. It is essential that the legislature improve the accountability and efficiency of the department of transportation. Taxpayers must know that their tax dollars are being well spent to deliver critically needed transportation projects. To accomplish this, an independent transportation accountability process must be established to provide oversight on these transportation

projects. This process will provide reports back to the public on how their tax dollars are spent on major projects funded by new transportation taxes.

NEW SECTION. Sec. 102. (1) A transportation audit committee shall be appointed by the chairs of the joint legislative audit and review committee and the legislative transportation committee.

(2) The committee shall consist of eight members, with four members of and appointed by the chair of the joint legislative audit and review committee, and four members of and appointed by the chair of the legislative transportation. Of the four members appointed from each committee, a member of each house and of each of the major political parties must be represented. Serving on the committee shall be considered as being engaged in the business of each of the respective committees from which they are named.

(3) The members of the committee shall elect a chair and vice-chair and shall adopt rules for operation of the committee, including recorded resolutions or motions adopted by the committee.

NEW SECTION. Sec. 103. (1) Staff support to the transportation audit committee must be provided by the joint legislative audit and review committee, which shall provide professional support for the duties, functions, responsibilities, and activities of the committee, including but not limited to information technology systems; data collection, processing, analysis, and reporting; project management; and office space, equipment, and secretarial support.

NEW SECTION. Sec. 104. The transportation audit committee shall serve as a single, independent point of accountability for reporting, analyzing, and monitoring the department's performance in delivering improvement projects and programs costing in excess of fifty million dollars funded with new revenues under this act. After reviewing the information contained therein, the contractor may request additional information or data, or ask for clarifications. The contractor is prohibited from changing any of the data contained in the audit report.

NEW SECTION. Sec. 107. (1) Upon completion of its review under section 106 of this act, the audit review contractor shall forward the quarterly audit report to the transportation audit committee. The committee will accept or reject the audit report.

(a) In determining whether to accept or reject the audit report, the committee:

(i) Will analyze, investigate, and evaluate the data contained in the quarterly audit report;

(ii) Will receive staff support for this evaluation from the joint legislative audit and review committee; and

10,001 - 18,000	\$ 80
18,001 - 28,000	\$110
28,001 - 36,000	\$150
36,001 and above	\$250

To determine the actual annual license fee imposed by this section for a registration year, the appropriate dollar amount set out in the above schedule shall be multiplied by the ~~((motor vehicle))~~ special fuel tax rate ~~((in cents per gallon))~~ as established by RCW ~~((82.36.025))~~ 82.38.030 effective on July 1st of the preceding calendar year and the product thereof shall be divided by 12 cents.

A decal or other identifying device issued upon payment of these annual fees shall be displayed as prescribed by the department as authority to purchase this fuel.

Persons selling or dispensing natural gas or propane may not sell or dispense this fuel for their own use or the use of others into tanks of vehicles powered by this fuel which do not display a valid decal or other identifying device as provided in this section.

A highway project qualifies under this section if it is constructed in whole or in part with funds:

(a) Collected under RCW 82.36.025 (2) or (3); or

(b) Obtained through the sale of bonds authorized by this act.

(2) This transaction is exempt from the requirements in RCW 43.135.035(4).

(3) The department of transportation shall report the amount of sales or use tax eligible for transfer under this section to the department of revenue. PART IV - BOND AUTHORIZATION

NEW SECTION. Sec. 401. In order to provide funds necessary for the location, design, right of way, and construction of selected state and local highway improvements, there shall be issued and sold upon the request of the transportation commission a total of three billion five hundred million dollars of general obligation bonds of the state of Washington.

NEW SECTION. Sec. 402. Upon the request of the transportation commission, as appropriate, the state finance committee shall supervise and provide for the issuance, sale, and retirement of the bonds authorized by RCW 46.68.090 in accordance with chapter 39.42 RCW. Bonds authorized by section 401 of this act shall be sold in the manner, at time or times, in amounts, and at the price as the state finance committee shall determine. No bonds may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

The state finance committee shall consider the issuance of short-term obligations in lieu of long-term obligations for the purposes of more favorable interest rates, lower total interest costs, and increased marketability and for the purpose of retiring the bonds during the life of the project for which they were issued.

NEW SECTION. **Sec. 403.** The proceeds from the sale of bonds authorized by section 401 of this act shall be deposited in the motor vehicle fund. The proceeds shall be available only for the purposes enumerated in section 401 of this act, for the payment of bond anticipation notes, if any, and for the payment of bond issuance costs, including the costs of underwriting.

NEW SECTION. **Sec. 404.** Bonds issued under the authority of section 401 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on the bonds shall be first payable from the proceeds of the state excise taxes on motor vehicle and special fuels imposed by chapters 82.36 and 82.38 RCW. Proceeds of these excise taxes are hereby pledged to the payment of any bonds and the interest thereon issued under the authority of RCW 47.10.843 through 47.10.848, and the legislature agrees to continue to impose these excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the authority of section 401 of this act.

NEW SECTION. **Sec. 405.** Both principal and interest on the bonds issued for the purposes of section 401 of this act shall be payable from the highway bond retirement fund. The state finance committee may provide that a special account be created in the fund to facilitate payment of the principal and interest. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond proceedings. The state treasurer shall withdraw revenues from the motor vehicle fund and deposit in the highway bond retirement fund, or a special account in the fund, such amounts, and at such times, as are required by the bond proceedings.

Any funds required for bond retirement or interest on the bonds authorized by section 401 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and that is, or may be, appropriated to the department of transportation for state highway purposes. Funds required shall never constitute a charge against any other allocations of motor vehicle fuel and special fuel tax revenues to the state, counties, cities, and towns unless the amount arising from excise taxes on motor vehicle and special fuels distributed to the state in the motor vehicle fund proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Any payments for bond retirement or interest on the bonds taken from other revenues from the motor vehicle fuel or special fuel taxes that are distributable to the state, counties, cities, and towns shall be repaid from the first revenues from the motor vehicle fuel or special fuel taxes distributed to the motor vehicle fund not required for bond retirement or interest on the bonds.

NEW SECTION. **Sec. 406.** Bonds issued under the authority of section 401 of this act and this section and any other general obligation bonds of the state of Washington that have been or that may be authorized and that pledge motor vehicle and special fuels excise taxes for the payment of principal and interest thereon shall be an equal charge against the revenues from such motor vehicle and special fuels excise taxes.

NEW SECTION. **Sec. 407.** Sections 401 through 406 of this act are each added to chapter 47.10 RCW.

NEW SECTION. Sec. 501. (1) The secretary of state shall submit this act to the people for their adoption and ratification, or rejection, at a special election to be held in this state on or before June 20, 2002, in accordance with Article II, section 1 of the state Constitution and the laws adopted to facilitate its operation. The special election shall be limited to submission of this act to the people.

(2) If the people ratify this act, revenues generated shall be spent as detailed in House Bill No., the 2001-03 state supplemental transportation budget. The primary emphasis of revenues raised shall be improving transportation safety, reducing congestion, and improving the movement of freight and goods. The legislature recognizes that the projects detailed in House Bill No. are based on assumptions that are beyond the legislature's control, such as availability of federal funds, interest rates, required public approval for certain projects, etc., and furthermore, that current laws authorize the state transportation commission to make necessary adjustments to the proposed projects as unforeseen circumstances may require. If additional funding for the projects contained in House Bill No. becomes available, the legislature urges the acceleration of project construction wherever possible.

(3) The attorney general shall prepare the explanatory statement required by RCW 29.81.250 and transmit that statement regarding the referendum to the secretary of state no later than the last Monday of April before the special election.

(4) The secretary of state shall prepare and distribute a voters' pamphlet addressing this referendum measure following the procedures and requirements of chapter 29.81 RCW, except that the secretary of state may establish different deadlines for the appointment of committees to draft arguments for and against the referendum, for submitting arguments for and against the referendum, and for submitting rebuttal statements of arguments for and against the referendum.

(5) A county auditor may conduct the voting at this special election in all precincts of the county by mail using the procedures set forth in chapter 29.36 RCW.

(6) Notwithstanding the provisions of RCW 29.62.020, the county canvassing board in each county shall canvass and certify the votes cast at this special election in that county to the secretary of state no later than the seventh day following the election. Notwithstanding the provisions of RCW 29.62.120, the secretary of state shall canvass and certify the returns from the counties no later than the ninth day following the special election.

(7) The secretary of state shall reimburse each county for the cost of conducting the special election in that county in the same manner as state primary and general election costs are reimbursed under RCW 29.13.047 (1) and (3).

NEW SECTION. Sec. 502. If ratified by the people under section 501 of this act, sections 101 and 102 of this act take effect October 1, 2002.

NEW SECTION. Sec. 503. Section 501 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

An addition to an existing facility is not deemed to be a major energy project unless the addition itself is capable, or intended to be capable, of generating electricity in an amount greater than ~~((two))~~ four hundred ~~((fifty))~~ megawatts. A project which is under construction on July 1, 1982, shall not be considered a major public energy project unless the official agency budget or estimate for total construction costs for the project as of July 1, 1982, is more than two hundred percent of the first official estimate of total construction costs as specified in the senate energy and utilities committee WPPSS inquiry report, volume one, January 12, 1981, and unless, as of July 1, 1982, the projected remaining cost of construction for that project exceeds two hundred million dollars.

(a) To be reliable and available within the time it is needed; and

(b) To meet or reduce the electric power demand of the intended consumers at an estimated incremental system cost no greater than that of the least-cost similarly reliable and available alternative project or resource, or any combination thereof.

(8) "System cost" means an estimate of all direct costs of a project or resource over its effective life, including, if applicable, the costs of distribution to the consumer, and, among other factors, waste disposal costs, end-of-cycle costs, and fuel costs (including projected increases), and such quantifiable environmental costs and benefits as are directly attributable to the project or resource."

ESB 5692 Prime Sponsor, Senator Costa: Creating youth courts. Reported by Committee on Juvenile Justice & Family Law

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Court" when used without further qualification means the district court under chapter 3.30 RCW, the municipal department under chapter 3.46 RCW, or the municipal court under chapter 3.50 or 35.20 RCW.

(2) "Traffic infraction" means those acts defined as traffic infractions by RCW 46.63.020.

(3) "Youth court" means an alternative method of hearing and disposing of traffic infractions for juveniles age sixteen or seventeen.

NEW SECTION. Sec. 2. (1) A court created under chapter 3.30, 3.46, 3.50, or 35.20 RCW may create a youth court. The youth court shall have jurisdiction over traffic infractions alleged to have been committed by juveniles age sixteen or seventeen. The court may refer a juvenile to the youth court upon request of any party or upon its own motion. However, a juvenile shall not be required under this section to have his or her traffic infraction referred to or disposed of by a youth court.

(2) To be referred to a youth court, a juvenile:

(a) May not have had a prior traffic infraction referred to a youth court;

(b) May not be under the jurisdiction of any court for a violation of any provision of Title 46 RCW;

(c) May not have any convictions for a violation of any provision of Title 46 RCW; and

(d) Must acknowledge that there is a high likelihood that he or she would be found to have committed the traffic infraction.

NEW SECTION. Sec. 3. (1) A youth court agreement shall be a contract between a juvenile accused of a traffic infraction and a court whereby the juvenile agrees to fulfill certain conditions imposed by a youth court in lieu of a determination that a traffic infraction occurred. Such agreements may be entered into only after the law enforcement authority has determined that probable cause exists to believe that a traffic infraction has been committed and that the juvenile committed it. A youth court agreement shall be reduced to writing and signed by the court and the youth accepting the terms of the agreement. Such agreements shall be entered into as expeditiously as possible.

(2) Conditions imposed on a juvenile by a youth court shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Attendance at defensive driving school or driver improvement education classes or, in the discretion of the court, a like means of fulfilling this condition. The state shall not be liable for costs resulting from the youth court or the conditions imposed upon the juvenile by the youth court;

(c) A monetary penalty, not to exceed one hundred dollars. In determining the amount of the monetary penalty, the youth court shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the monetary penalty. The youth court shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the monetary penalty to be imposed. All monetary penalties assessed and collected under this section shall be deposited and distributed in the same manner as costs, fines, forfeitures, and penalties are assessed and collected under RCW 2.68.040, 3.46.120, 3.50.100, 3.62.020, 3.62.040, 35.20.220, and 46.63.110(6), regardless of the juvenile's successful or unsuccessful completion of the youth court agreement;

(d) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas;

(e) Participating in law-related education classes;

(f) Providing periodic reports to the youth court or the court;

(g) Participating in mentoring programs;

(h) Serving as a participant in future youth court proceedings;

(i) Writing apology letters; or

(j) Writing essays.

(3) Youth courts may require that the youth pay any costs associated with conditions imposed upon the youth by the youth court.

(a) A youth court disposition shall be completed within one hundred eighty days from the date of referral.

(b) The court, as specified in section 2 of this act, shall monitor the successful or unsuccessful completion of the disposition.

(4) A youth court agreement may extend beyond the eighteenth birthday of the youth.

(5) Any juvenile who is, or may be, referred to a youth court shall be afforded due process in all contacts with the youth court regardless of whether the juvenile is accepted by the youth court or whether the youth court program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written agreement shall be executed stating all conditions in clearly understandable language and the action that will be taken by the court upon successful or unsuccessful completion of the agreement;

(b) Violation of the terms of the agreement shall be the only grounds for termination.

(6) The youth court shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during youth court hearings or negotiations.

(7) The court shall be responsible for advising a juvenile of his or her rights as provided in this chapter.

(8) When a juvenile enters into a youth court agreement, the court may receive only the following information for dispositional purposes:

(a) The fact that a traffic infraction was alleged to have been committed;

(b) The fact that a youth court agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the juvenile performed his or her obligations under such agreement; and

(e) The facts of the alleged traffic infraction.

(9) A court may refuse to enter into a youth court agreement with a juvenile. When a court refuses to enter a youth court agreement with a juvenile, it shall set the matter for hearing in accordance with all applicable court rules and statutory provisions governing the hearing and disposition of traffic infractions.

(10) If a monetary penalty required by a youth court agreement cannot reasonably be paid due to a lack of financial resources of the youth, the court may convert any or all of the monetary penalty into community service. The modification of the youth court agreement shall be in writing and signed by the juvenile and the court. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

NEW SECTION. Sec. 4. Youth courts provide a disposition method for cases involving juveniles alleged to have committed traffic infractions, in which participants, under the supervision of the court, may serve in various capacities within the youth court, acting in the role of jurors, lawyers, bailiffs, clerks, and judges. Youth courts have no jurisdiction except as provided for in this chapter. Youth courts are not courts established under Article IV of the state Constitution.

NEW SECTION. Sec. 5. The administrative office of the courts shall encourage the courts to work with cities, counties, and schools to implement, expand, or use youth court programs for juveniles who commit traffic infractions. Program operations of youth court programs may be funded by government and private grants. Youth court programs are limited to those that:

(1) Are developed using the guidelines for creating and operating youth court programs developed by nationally recognized experts in youth court projects;

(2) Target youth ages sixteen and seventeen who are alleged to have committed a traffic infraction; and

(3) Emphasize the following principles:

(a) Youth must be held accountable for their problem behavior;

(b) Youth must be educated about the impact their actions have on themselves and others including their victims, their families, and their community;

(c) Youth must develop skills to resolve problems with their peers more effectively; and

(d) Youth should be provided a meaningful forum to practice and enhance newly developed skills.

NEW SECTION. Sec. 6. A court may require that a youth pay a nonrefundable fee, not exceeding thirty dollars, to cover the costs of administering the program. The fee may be reduced or waived for a participant. Fees shall be paid to and accounted for by the court. The fees collected under this section shall not constitute "certain costs" as defined in RCW 3.46.120(2), 3.50.100(2), 3.62.020(2), 3.62.040(2), and 35.20.220(2).

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a ~~((diversionary))~~ diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by ~~((the))~~ any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the ~~((diversionary))~~ diversion unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of ~~((the))~~ any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to section 14 of this act.

(4) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted

the ~~((diversionary))~~ diversion unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

~~((4))~~ (5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.

(b) If additional time is necessary for the juvenile to complete restitution to ~~((the))~~ a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection ~~((4))~~ (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may not require the juvenile to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

~~((5))~~ (6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

~~((6))~~ (7) Divertees and potential divertees shall be afforded due process in all contacts with a ~~((diversionary))~~ diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. (e) The prosecutor may file an information on the offense for which the divertee was diverted:

~~((9))~~ (10) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

~~((10))~~ (11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear

in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the ~~((diversionary))~~ diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

~~((11))~~ (12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

- (a) The fact that a charge or charges were made;
- (b) The fact that a diversion agreement was entered into;
- (c) The juvenile's obligations under such agreement;
- (d) Whether the alleged offender performed his or her obligations under such agreement; and
- (e) The facts of the alleged offense.

~~((12))~~ (13) A ~~((diversionary))~~ diversion unit may refuse to enter into a diversion agreement with a juvenile. When a ~~((diversionary))~~ diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The ~~((diversionary))~~ diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

~~((13))~~ (14) A ~~((diversionary))~~ diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection ~~((shall))~~ includes the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a ~~((diversionary))~~ diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

~~((14))~~ (15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diveree's eighteenth birthday.

~~((15))~~ (16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the diveree and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the diveree and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

~~((16))~~ (17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile

services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

SSB 6409 Prime Sponsor, Senate Committee on Labor, Commerce & Financial Institutions: Requiring an opportunity for a cure before an action on a construction defect may be filed. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds, declares, and determines that limited changes in the law are necessary and appropriate concerning actions claiming damages, indemnity, or contribution in connection with alleged construction defects. It is the intent of the legislature that this chapter apply to these types of civil actions while preserving adequate rights and remedies for property owners who bring and maintain such actions.

NEW SECTION. **Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Action" means any civil lawsuit or action in contract or tort for damages or indemnity brought against a construction professional to assert a claim, whether by complaint, counterclaim, or cross-claim, for damage or the loss of use of real or personal property caused by a defect in the construction of a residence or in the substantial remodel of a residence. "Action" does not include any civil action in tort alleging personal injury or wrongful death to a person or persons resulting from a construction defect.

(2) "Association" means an association, master association, or subassociation as defined and provided for in RCW 64.34.020(4), 64.34.276, 64.34.278, and 64.38.010(1).

(3) "Claimant" means a homeowner or association who asserts a claim against a construction professional concerning a defect in the construction of a residence or in the substantial remodel of a residence.

(4) "Construction professional" means an architect, builder, builder vendor, contractor, subcontractor, engineer, or inspector, including, but not limited to, a dealer as defined in RCW 64.34.020(12) and a declarant as defined in RCW 64.34.020(13), performing or furnishing the design, supervision, inspection, construction, or observation of the construction of any improvement to real property, whether operating as a sole proprietor, partnership, corporation, or other business entity.

(5) "Homeowner" means: (a) Any person, company, firm, partnership, corporation, or association who contracts with a construction professional for the construction, sale, or construction and sale of a residence; and (b) an "association" as defined in this section. "Homeowner" includes, but is not limited to, a subsequent purchaser of a residence from any homeowner.

(6) "Residence" means a single-family house, duplex, triplex, quadraplex, or a unit in a multiunit residential structure in which title to each individual unit is transferred to the owner under a condominium or cooperative system, and shall include common elements as defined in RCW 64.34.020(6) and common areas as defined in RCW 64.38.010(4).

(7) "Serve" or "service" means personal service or delivery by certified mail to the last known address of the addressee.

(8) "Substantial remodel" means a remodel of a residence, for which the total cost exceeds one-half of the assessed value of the residence for property tax purposes at the time the contract for the remodel work was made.

NEW SECTION. Sec. 3. (1) In every construction defect action brought against a construction professional, the claimant shall, no later than forty-five days before filing an action, serve written notice of claim on the construction professional. The notice of claim shall state that the claimant asserts a construction defect claim against the construction professional and shall describe the claim in reasonable detail sufficient to determine the general nature of the defect.

(2) Within twenty-one days after service of the notice of claim, the construction professional shall serve a written response on the claimant by registered mail or personal service. The written response shall:

(a) Propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified time frame. The proposal shall include the statement that the construction professional shall, based on the inspection, offer to remedy the defect, compromise by payment, or dispute the claim;

(b) Offer to compromise and settle the claim by monetary payment without inspection. A construction professional's offer under this subsection (2)(b) to compromise and settle a homeowner's claim may include, but is not limited to, an express offer to purchase the claimant's residence that is the subject of the claim, and to pay the claimant's reasonable relocation costs; or

(c) State that the construction professional disputes the claim and will neither remedy the construction defect nor compromise and settle the claim.

(3)(a) If the construction professional disputes the claim or does not respond to the claimant's notice of claim within the time stated in subsection (2) of this section, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(b) If the claimant rejects the inspection proposal or the settlement offer made by the construction professional pursuant to subsection (2) of this section, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within thirty days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the inspection proposal or settlement offer, then at anytime thereafter the construction professional may terminate the proposal or offer by serving written notice to the claimant, and the claimant may thereafter bring an action against the construction professional for the construction defect claim described in the notice of claim.

(4)(a) If the claimant elects to allow the construction professional to inspect in accordance with the construction professional's proposal pursuant to subsection (2)(a) of this section, the claimant shall

provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to inspect the premises and the claimed defect.

(b) Within fourteen days following completion of the inspection, the construction professional shall serve on the claimant:

(i) A written offer to remedy the construction defect at no cost to the claimant, including a report of the scope of the inspection, the findings and results of the inspection, a description of the additional construction necessary to remedy the defect described in the claim, and a timetable for the completion of such construction;

(ii) A written offer to compromise and settle the claim by monetary payment pursuant to subsection (2)(b) of this section; or

(iii) A written statement that the construction professional will not proceed further to remedy the defect.

(c) If the construction professional does not proceed further to remedy the construction defect within the agreed timetable, or if the construction professional fails to comply with the provisions of (b) of this subsection, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(d) If the claimant rejects the offer made by the construction professional pursuant to (b)(i) or (ii) of this subsection to either remedy the construction defect or to compromise and settle the claim by monetary payment, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection notice, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within thirty days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the offer made pursuant to (b)(i) or (ii) of this subsection, then at anytime thereafter the construction professional may terminate the offer by serving written notice to the claimant.

(5)(a) Any claimant accepting the offer of a construction professional to remedy the construction defect pursuant to subsection (4)(b)(i) of this section shall do so by serving the construction professional with a written notice of acceptance within a reasonable time period after receipt of the offer, and no later than thirty days after receipt of the offer. The claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to perform and complete the construction by the timetable stated in the offer.

(b) The claimant and construction professional may, by written mutual agreement, alter the extent of construction or the timetable for completion of construction stated in the offer, including, but not limited to, repair of additional defects.

(6) Any action commenced by a claimant prior to compliance with the requirements of this section shall be subject to dismissal without prejudice, and may not be recommenced until the claimant has complied with the requirements of this section.

(7) Nothing in this section may be construed to prevent a claimant from commencing an action on the construction defect claim described in the notice of claim if the construction professional fails to perform the construction agreed upon, fails to remedy the defect, or fails to perform by the timetable agreed upon pursuant to subsection (2)(a) or (5) of this section.

(8) Prior to commencing any action alleging a construction defect, or after the dismissal of any action without prejudice pursuant to subsection (6) of this section, the claimant may amend the notice of claim to include construction defects discovered after the service of the original notice of claim, and must otherwise comply with the requirements of this section for the additional claims. The service of an amended notice of claim shall relate back to the original notice of claim for purposes of tolling statutes of limitations and repose. Claims for defects discovered after the commencement or recommencement of an action may be added to such action only after providing notice to the construction professional of the defect and allowing for response under subsection (2) of this section.

NEW SECTION. **Sec. 4.** (1) In every action brought against a construction professional, the claimant, including a construction professional asserting a claim against another construction

professional, shall file with the court and serve on the defendant a list of known construction defects in accordance with this section.

(2) The list of known construction defects shall contain a description of the construction that the claimant alleges to be defective. The list of known construction defects shall be filed with the court and served on the defendant within thirty days after the commencement of the action or within such longer period as the court in its discretion may allow.

(3) The list of known construction defects may be amended by the claimant to identify additional construction defects as they become known to the claimant.

(4) The list of known construction defects must specify, to the extent known to the claimant, the construction professional responsible for each alleged defect identified by the claimant.

(5) If a subcontractor or supplier is added as a party to an action under this section, the party making the claim against such subcontractor or supplier shall serve on the subcontractor or supplier the list of construction defects in accordance with this section within thirty days after service of the complaint against the subcontractor or supplier or within such period as the court in its discretion may allow.

NEW SECTION. Sec. 5. (1)(a) In the event the board of directors, pursuant to RCW 64.34.304(1)(d) or 64.38.020(4), institutes an action asserting defects in the construction of two or more residences, common elements, or common areas, this section shall apply. For purposes of this section, "action" has the same meaning as set forth in section 2 of this act.

(b) The board of directors shall substantially comply with the provisions of this section.

(2)(a) Prior to the service of the summons and complaint on any defendant with respect to an action governed by this section, the board of directors shall mail or deliver written notice of the commencement or anticipated commencement of such action to each homeowner at the last known address described in the association's records.

(b) The notice required by (a) of this subsection shall state a general description of the following:

(i) The nature of the action and the relief sought; and

(ii) The expenses and fees that the board of directors anticipates will be incurred in prosecuting the action.

(3) Nothing in this section may be construed to:

(a) Require the disclosure in the notice or the disclosure to a unit owner of attorney-client communications or other privileged communications;

(b) Permit the notice to serve as a basis for any person to assert the waiver of any applicable privilege or right of confidentiality resulting from, or to claim immunity in connection with, the disclosure of information in the notice; or

(c) Limit or impair the authority of the board of directors to contract for legal services, or limit or impair the ability to enforce such a contract for legal services.

NEW SECTION. Sec. 6. (1) The construction professional shall provide notice to each homeowner upon entering into a contract for sale, construction, or substantial remodel of a residence, of the construction professional's right to offer to cure construction defects before a homeowner may commence litigation against the construction professional. Such notice shall be conspicuous and may be included as part of the underlying contract signed by the homeowner. In the sale of a condominium unit, the requirement for delivery of such notice shall be deemed satisfied if contained in a public offering statement delivered in accordance with chapter 64.34 RCW.

(2) The notice required by this subsection shall be in substantially the following form:

CHAPTER 64.-- RCW (sections 1 through 7 of this act) CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT FOR DEFECTIVE CONSTRUCTION AGAINST THE SELLER OR BUILDER OF YOUR HOME. FORTY-FIVE DAYS BEFORE YOU FILE YOUR LAWSUIT, YOU MUST DELIVER TO THE SELLER OR BUILDER A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE AND

PROVIDE YOUR SELLER OR BUILDER THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY THE BUILDER OR SELLER. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER STATE LAW, AND FAILURE TO FOLLOW THEM MAY AFFECT YOUR ABILITY TO FILE A LAWSUIT.

(3) This chapter shall not preclude or bar any action if notice is not given to the homeowner as required by this section.

NEW SECTION. Sec. 7. Nothing in this chapter shall be construed to hinder or otherwise affect the employment, agency, or contractual relationship between and among homeowners and construction professionals during the process of construction or remodeling and does not preclude the termination of those relationships as allowed under current law. Nothing in this chapter shall negate or otherwise restrict a construction professional's right to access or inspection provided by law, covenant, easement, or contract.

NEW SECTION. Sec. 8. A new section is added to chapter 4.16 RCW to read as follows:
If a written notice of claim is served under section 3 of this act within the time prescribed for the filing of an action under this chapter, the statutes of limitations for construction-related claims are tolled until sixty days after the period of time during which the filing of an action is barred under section 3 of this act.

Sec. 9. RCW 4.16.310 and 1986 c 305 s 702 are each amended to read as follows:

The phrase "substantial completion of construction" shall mean the state of completion reached when an improvement upon real property may be used or occupied for its intended use. Any cause of action which has not accrued within six years after such substantial completion of construction, or within six years after such termination of services, whichever is later, shall be barred: PROVIDED, That this limitation shall not be asserted as a defense by any owner, tenant or other person in possession and control of the improvement at the time such cause of action accrues. The limitations prescribed in this section apply to all claims or causes of action as set forth in RCW 4.16.300 brought in the name or for the benefit of the state which are made or commenced after June 11, 1986.

If a written notice is filed under section 3 of this act within the time prescribed for the filing of an action under this chapter, the period of time during which the filing of an action is barred under section 3 of this act plus sixty days shall not be a part of the period limited for the commencement of an action, nor for the application of this section.

SSB 6447 Prime Sponsor, Senate Committee on Labor, Commerce & Financial Institutions: Establishing a do not call list. Reported by Committee on Technology, Telecommunications & Energy

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 19.158.110 and 1989 c 20 s 11 are each amended to read as follows:
(1) Within the first minute of the telephone call, a commercial telephone solicitor or salesperson shall:

- (a) Identify himself or herself, the company on whose behalf the solicitation is being made, the property, goods, or services being sold; and
 - (b) Terminate the telephone call within ten seconds if the purchaser indicates he or she does not wish to continue the conversation.
- (2) If at any time during the telephone contact, the purchaser states or indicates that he or she does not wish to be called again by the commercial telephone solicitor or wants to have his or her name and individual telephone number removed from the telephone lists used by the commercial telephone solicitor:
- (a) The commercial telephone solicitor shall not make any additional commercial telephone solicitation of the called party at that telephone number within a period of at least one year; and
 - (b) The commercial telephone solicitor shall not sell or give the called party's name and telephone number to another commercial telephone solicitor: PROVIDED, That the commercial telephone solicitor may return the list, including the called party's name and telephone number, to the company or organization from which it received the list.
- (3) The utilities and transportation commission shall by rule ensure that telecommunications companies inform their residential customers of the provisions of this section and section 2 of this act. The notification may be made by:
- (a) Annual inserts in the billing statements mailed to residential customers; or
 - (b) Conspicuous publication of the notice in the consumer information pages of local telephone directories.
- (4) If a sale or an agreement to purchase is completed, the commercial telephone solicitor must inform the purchaser of his or her cancellation rights as enunciated in this chapter, state the registration number issued by the department of licensing, and give the street address of the seller.
- (5) If, at any time prior to sale or agreement to purchase, the commercial telephone solicitor's registration number is requested by the purchaser, it must be provided.
- (6) All oral disclosures required by this section shall be made in a clear and intelligible manner.

NEW SECTION. Sec. 2. A new section is added to chapter 19.158 RCW to read as follows:

- (1)(a) The department of licensing shall provide for the establishment and operation of a list of telephone numbers of persons who object to receiving commercial telephone solicitations. The list shall be called the do not call list. The department shall update the list quarterly, and shall provide the list, in written or electronic form, to commercial telephone solicitors that are registered with the department under RCW 19.158.050 and have paid all applicable fees. The department shall establish a fee sufficient to support the costs of administering and enforcing this section and providing the list quarterly to each commercial telephone solicitor. To the extent that moneys from civil penalties or attorney fee awards are deposited in the commercial telephone solicitation account, the department shall use these revenues to support its responsibilities under this section, and it shall adjust the fee accordingly. Each commercial telephone solicitor registered under this chapter must pay the fee annually. The department of licensing may contract with a private vendor to establish and maintain the do not call list.
- (b) Beginning January 1, 2003, persons wishing to have their phone numbers placed on the list must notify the department of licensing. A listing shall be effective for two years, after which the person may renew the listing for successive two-year periods by notifying the department of licensing. The department of licensing shall determine the notification requirements.
- (c) All fees collected by the department of licensing under this section, and civil penalties and attorneys' fees collected by the attorney general in enforcing this section, shall be deposited in the commercial telephone solicitation account created in section 3 of this act, and used solely for the administration and enforcement of this section.
- (2) No commercial telephone solicitor may make a commercial telephone solicitation to any telephone number more than sixty days after the number appears on the current do not call list.
- (3) A telephone solicitation made to a number on the do not call list is not a violation of this section if the telephone solicitation is an isolated occurrence made by a person who has in place adequate procedures to comply with this section.

(4) The legislature finds that the practices covered by this section are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this section is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW. In addition to any other penalties or remedies available under this chapter or chapter 19.86 RCW, a person injured by a violation of subsection (2) of this section may bring an action for recovery of liquidated damages in the amount of one thousand dollars per violation, plus court costs and attorneys' fees.

(5) The director of the department of licensing may make rules, create forms, and issue orders as necessary to carry out the provisions of this section.

NEW SECTION. **Sec. 3.** A new section is added to chapter 19.158 RCW to read as follows:

The commercial telephone solicitation account is created in the custody of the state treasurer. All moneys received by the department under section 2 of this act and civil penalties and attorneys' fees collected by the attorney general in enforcing section 2 of this act shall be deposited in the commercial telephone solicitation account and used solely for the administration and enforcement of section 2 of this act. Only the director of the department of licensing or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

SSB 6473 Prime Sponsor, Senate Committee on Human Services & Corrections: Facilitating the convicted offender DNA data base. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** 1989 c 350 s 1 (uncodified) is amended to read as follows:

The legislature finds that recent developments in molecular biology and genetics have important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of the deoxyribonucleic acid (DNA) contained in each cell of the human body. The process for identifying this pattern is called "DNA identification."

The legislature further finds that ~~((the accuracy of identification provided by this method is superior to that of any presently existing technique and recognizes the importance of this scientific~~

~~breakthrough in providing a reliable and accurate tool for the investigation and prosecution of sex offenses as defined in RCW 9.94A.030(26) and violent offenses as defined in RCW 9.94A.030(29))~~ DNA data bases are important tools in criminal investigations, in the exclusion of individuals who are the subject of investigations or prosecutions, and in detecting recidivist acts. It is the policy of this state to assist federal, state, and local criminal justice and law enforcement agencies in both the identification and detection of individuals in criminal investigations and the identification and location of missing and unidentified persons. Therefore, it is in the best interest of the state to establish a DNA data base and DNA data bank containing DNA samples submitted by persons convicted of felony offenses and DNA samples necessary for the identification of missing persons and unidentified human remains.

The legislature further finds that the DNA identification system used by the Federal Bureau of Investigation and the Washington state patrol has no ability to predict genetic disease or predisposal to illness. Nonetheless, the legislature intends that biological samples collected under RCW 43.43.754, and DNA identification data obtained from the samples, be used only for purposes related to criminal investigation, identification of human remains or missing persons, or improving the operation of the system authorized under RCW 43.43.752 through 43.43.758.

Sec. 2. RCW 43.43.754 and 1999 c 329 s 2 are each amended to read as follows:

(1) Every adult or juvenile individual convicted of a felony, stalking under RCW 9A.46.110, harassment under RCW 9A.46.020, communicating with a minor for immoral purposes under RCW 9.68A.090, or adjudicated guilty of an equivalent juvenile offense ~~((defined as a sex offense under RCW 9.94A.030(33)(a) or a violent offense as defined in RCW 9.94A.030~~ shall have a blood sample ~~drawn~~) must have a biological sample collected for purposes of DNA identification analysis~~((--))~~ in the following manner:

(a) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense who ~~((are serving or who are to serve a term of confinement in a county jail or detention))~~ do not serve a term of confinement in a department of corrections facility, and do serve a term of confinement in a city or county jail facility, the city or county shall be responsible for obtaining ~~((blood))~~ the biological samples either as part of the intake process into the city or county jail or detention facility for those persons convicted on or after ~~((July 25, 1999))~~ the effective date of this act, or within a reasonable time after ~~((July 25, 1999))~~ the effective date of this act, for those persons incarcerated ~~((prior to July 25, 1999))~~ before the effective date of this act, who have not yet had a ~~((blood))~~ biological sample ~~((drawn))~~ collected, beginning with those persons who will be released the soonest.

(b) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense who do not serve a term of confinement in a department of corrections facility, and do not serve a term of confinement in a city or county jail facility, the local police department or sheriff's office is responsible for obtaining the biological samples after sentencing on or after the effective date of this act.

(c) For persons convicted of such offenses or adjudicated guilty of an equivalent juvenile offense, who are serving or who are to serve a term of confinement in a department of corrections facility or a ~~((division of juvenile rehabilitation))~~ department of social and health services facility, the facility holding the person shall be responsible for obtaining ~~((blood))~~ the biological samples either as part of the intake process into such facility for those persons convicted on or after ~~((July 25, 1999))~~ the effective date of this act, or within a reasonable time after ~~((July 25, 1999))~~ the effective date of this act, for those persons incarcerated ~~((prior to July 25, 1999))~~ before the effective date of this act, who have not yet had a ~~((blood))~~ biological sample ~~((drawn))~~ collected, beginning with those persons who will be released the soonest.

(2) Any ~~((blood))~~ biological sample taken pursuant to RCW 43.43.752 through 43.43.758 may be retained by the forensic laboratory services bureau, and shall be used solely for the purpose of providing DNA or other ~~((blood grouping))~~ tests for identification analysis and prosecution of a ~~((sex offense or a violent offense))~~ criminal offense or for the identification of human remains or missing persons. Nothing in this section prohibits the submission of results derived from the biological samples to the Federal Bureau of Investigation combined DNA index system.

(3) The director of the forensic laboratory services bureau of the Washington state patrol shall perform testing on all biological samples collected under subsection (1) of this section, to the extent allowed by funding available for this purpose. The director shall give priority to testing on samples collected from those adults or juveniles convicted of a felony or adjudicated guilty of an equivalent juvenile offense that is defined as a sex offense or a violent offense in RCW 9.94A.030.

(4) This section applies to all adults who are convicted of a sex or violent offense after July 1, 1990; and to all adults who were convicted of a sex or violent offense on or prior to July 1, 1990, and who are still incarcerated on or after July 25, 1999. This section applies to all juveniles who are adjudicated guilty of a sex or violent offense after July 1, 1994; and to all juveniles who were adjudicated guilty of a sex or violent offense on or prior to July 1, 1994, and who are still incarcerated on or after July 25, 1999. This section applies to all adults and juveniles who are convicted of a felony other than a sex or violent offense, stalking under RCW 9A.46.110, harassment under RCW 9A.46.020, or communicating with a minor for immoral purposes under RCW 9.68A.090, or adjudicated guilty of an equivalent juvenile offense, on or after the effective date of this act; and to all adults and juveniles who were convicted or adjudicated guilty of such an offense before the effective date of this act and are still incarcerated on or after the effective date of this act.

(5) This section creates no rights in a third person. No cause of action may be brought based upon the noncollection or nonanalysis or the delayed collection or analysis of a biological sample authorized to be taken under RCW 43.43.752 through 43.43.758.

(6) The detention, arrest, or conviction of a person based upon a data base match or data base information is not invalidated if it is determined that the sample was obtained or placed in the data base by mistake, or if the conviction or juvenile adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including but not limited to posttrial or postfact-finding motions, appeals, or collateral attacks.

Sec. 3. RCW 43.43.759 and 1990 c 230 s 1 are each amended to read as follows:

The Washington state patrol shall consult with the forensic investigations council and adopt rules to implement RCW 43.43.752 through 43.43.758. The rules shall prohibit the use of DNA identification data for any research or other purpose that is not related to a criminal investigation, to the identification of human remains or missing persons, or to improving the operation of the system authorized by RCW 43.43.752 through 43.43.758. The rules must also identify appropriate sources and collection methods for biological samples needed for purposes of DNA identification analysis.

NEW SECTION. Sec. 4. A new section is added to chapter 43.43 RCW to read as follows:

Every sentence imposed under chapter 9.94A RCW, for a felony specified in RCW 43.43.754 that is committed on or after the effective date of this act, must include a fee of one hundred dollars for collection of a biological sample as required under RCW 43.43.754, unless the court finds that imposing the fee would result in undue hardship on the offender. The fee is a court-ordered legal financial obligation as defined in RCW 9.94A.030, payable by the offender after payment of all other legal financial obligations included in the sentence has been completed. The clerk of the court shall transmit fees collected to the state treasurer for deposit in the state DNA data base account created under section 5 of this act.

NEW SECTION. Sec. 5. A new section is added to chapter 43.43 RCW to read as follows:

The state DNA data base account is created in the custody of the state treasurer. All receipts under section 4 of this act must be deposited into the account. Expenditures from the account may be used only for creation, operation, and maintenance of the DNA data base under RCW 43.43.754. Only the chief of the Washington state patrol or the chief's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 6. RCW 9.94A.505 and 2001 2nd sp.s. c 12 s 312 are each amended to read as follows:

(1) When a person is convicted of a felony, the court shall impose punishment as provided in this chapter.

(2)(a) The court shall impose a sentence as provided in the following sections and as applicable in the case:

(i) Unless another term of confinement applies, the court shall impose a sentence within the standard sentence range established in RCW 9.94A.510;

(ii) RCW 9.94A.700 and 9.94A.705, relating to community placement;

(iii) RCW 9.94A.710 and 9.94A.715, relating to community custody;

(iv) RCW 9.94A.545, relating to community custody for offenders whose term of confinement is one year or less;

(v) RCW 9.94A.570, relating to persistent offenders;

(vi) RCW 9.94A.540, relating to mandatory minimum terms;

(vii) RCW 9.94A.650, relating to the first-time offender waiver;

(viii) RCW 9.94A.660, relating to the drug offender sentencing alternative;

(ix) RCW 9.94A.670, relating to the special sex offender sentencing alternative;

(x) RCW 9.94A.712, relating to certain sex offenses;

(xi) RCW 9.94A.535, relating to exceptional sentences;

(xii) RCW 9.94A.589, relating to consecutive and concurrent sentences.

(b) If a standard sentence range has not been established for the offender's crime, the court shall impose a determinate sentence which may include not more than one year of confinement; community service work; until July 1, 2000, a term of community supervision not to exceed one year and on and after July 1, 2000, a term of community custody not to exceed one year, subject to conditions and sanctions as authorized in RCW 9.94A.710 (2) and (3); and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

(3) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(4) If a sentence imposed includes payment of a legal financial obligation, it shall be imposed as provided in RCW 9.94A.750, 9.94A.753, ~~((and))~~ 9.94A.760, and section 4 of this act.

(5) Except as provided under RCW 9.94A.750(4) and 9.94A.753(4), a court may not impose a sentence providing for a term of confinement or community supervision, community placement, or community custody which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The court shall order restitution as provided in RCW 9.94A.750 and 9.94A.753.

(8) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter.

(9) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(11) In sentencing an offender convicted of a crime of domestic violence, as defined in RCW 10.99.020, if the offender has a minor child, or if the victim of the offense for which the offender was convicted has a minor child, the court may, as part of any term of community supervision, community

placement, or community custody, order the offender to participate in a domestic violence perpetrator program approved under RCW 26.50.150.

NEW SECTION. **Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 8.** Section 1 of this act is added to chapter 43.43 RCW.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 48.18 RCW to read as follows: UNDERWRITING RESTRICTIONS THAT APPLY TO PERSONAL INSURANCE. (1) For the purposes of this section:

- (a) "Adverse action" has the same meaning as defined in the fair credit reporting act, 15 U.S.C. Sec. 1681 et seq. Adverse actions include, but are not limited to:
- (i) Cancellation, denial, or nonrenewal of personal insurance coverage;
 - (ii) Charging a higher insurance premium for personal insurance than would have been offered if the credit history or insurance score had been more favorable, whether the charge is by:
 - (A) Application of a rating rule;
 - (B) Assignment to a rating tier that does not have the lowest available rates; or
 - (C) Placement with an affiliate company that does not offer the lowest rates available to the consumer within the affiliate group of insurance companies; or
 - (iii) Any reduction, adverse, or unfavorable change in the terms of coverage or amount of any personal insurance due to a consumer's credit history or insurance score. A reduction, adverse, or unfavorable change in the terms of coverage occurs when:
 - (A) Coverage provided to the consumer is not as broad in scope as coverage requested by the consumer but available to other insureds of the insurer or any affiliate; or
 - (B) The consumer is not eligible for benefits such as dividends that are available through affiliate insurers.
- (b) "Affiliate" has the same meaning as defined in RCW 48.31B.005(1).
- (c) "Consumer" means an individual policyholder or applicant for insurance.
- (d) "Consumer report" has the same meaning as defined in the fair credit reporting act, 15 U.S.C. Sec. 1681 et seq.
- (e) "Credit history" means any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer's creditworthiness, credit standing, or credit capacity that is used or expected to be used, or collected in whole or in part, for the purpose of serving as a factor in determining personal insurance premiums or eligibility for coverage.
- (f) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit history.
- (g) "Personal insurance" means:

- (i) Private passenger automobile coverage;
- (ii) Homeowner's coverage, including mobile homeowners, manufactured homeowners, condominium owners, and renter's coverage;
- (iii) Dwelling property coverage;
- (iv) Earthquake coverage for a residence or personal property;
- (v) Personal liability and theft coverage;
- (vi) Personal inland marine coverage; and
- (vii) Mechanical breakdown coverage for personal auto or home appliances.

(h) "Tier" means a category within a single insurer into which insureds with substantially like insuring, risk or exposure factors, and expense elements are placed for purposes of determining rate or premium.

(2) An insurer that takes adverse action against a consumer based in whole or in part on credit history or insurance score shall provide written notice to the applicant or named insured. The notice must state the significant factors of the credit history or insurance score that resulted in the adverse action. The insurer shall also inform the consumer that the consumer is entitled to a free copy of their consumer report under the fair credit reporting act.

(3) An insurer shall not cancel or nonrenew personal insurance based in whole or in part on a consumer's credit history or insurance score. An offer of placement with an affiliate insurer does not constitute cancellation or nonrenewal under this section.

(4) An insurer may use credit history to deny personal insurance only in combination with other substantive underwriting factors. For the purposes of this subsection:

- (a) "Deny" means an insurer refuses to offer insurance coverage to a consumer;
- (b) An offer of placement with an affiliate insurer does not constitute denial of coverage; and
- (c) An insurer may reject an application when coverage is not bound or cancel an insurance contract within the first sixty days after the effective date of the contract.

(5) Insurers shall not deny personal insurance coverage based on:

- (a) The absence of credit history or the inability to determine the consumer's credit history, if the insurer has received accurate and complete information from the consumer;

- (b) The number of credit inquiries;

- (c) Credit history or an insurance score based on collection accounts identified with a medical industry code;

- (d) The initial purchase or finance of a vehicle or house that adds a new loan to the consumer's existing credit history, if evident from the consumer report; however, an insurer may consider the bill payment history of any loan, the total number of loans, or both;

- (e) The consumer's use of a particular type of credit card, charge card, or debit card, unless specifically permitted by rule adopted by the commissioner; or

- (f) The consumer's total available line of credit; however, an insurer may consider the total amount of outstanding debt in relation to the total available line of credit.

(6)(a) If disputed credit history is used to determine eligibility for coverage and a consumer is placed with an affiliate that charges higher premiums or offers less favorable policy terms:

- (i) The insurer shall reissue or rerate the policy retroactive to the effective date of the current policy term; and

- (ii) The policy, as reissued or rerated, shall provide premiums and policy terms the consumer would have been eligible for if accurate credit history had been used to determine eligibility.

- (b) This subsection only applies if the consumer resolves the dispute under the process set forth in the fair credit reporting act and notifies the insurer in writing that the dispute has been resolved.

(7) The commissioner may adopt rules to implement this section.

(8) This section applies to all personal insurance policies issued or renewed after January 1, 2003.

(vi) Personal inland marine coverage; and

(vii) Mechanical breakdown coverage for personal auto or home appliances.

(2) Credit history shall not be used to determine personal insurance rates, premiums, or eligibility for coverage unless the insurance scoring models are filed with the commissioner. Insurance scoring models include all attributes and factors used in the calculation of an insurance score. RCW 48.19.040(5) does not apply to any information filed under this subsection, and the information shall be withheld from public inspection and kept confidential by the commissioner. All information filed under this subsection shall be considered trade secrets under RCW 48.02.120(3). Information filed under this subsection may be made public by the commissioner for the sole purpose of enforcement actions taken by the commissioner.

(3) Insurers shall not use the following types of credit history to calculate a personal insurance score or determine personal insurance premiums or rates:

(a) The absence of credit history or the inability to determine the consumer's credit history, unless the insurer has filed actuarial data segmented by demographic factors in a manner prescribed by the commissioner that demonstrates compliance with RCW 48.19.020;

(b) The number of credit inquiries;

(c) Credit history or an insurance score based on collection accounts identified with a medical industry code;

(d) The initial purchase or finance of a vehicle or house that adds a new loan to the consumer's existing credit history, if evident from the consumer report; however, an insurer may consider the bill payment history of any loan, the total number of loans, or both;

(e) The consumer's use of a particular type of credit card, charge card, or debit card, unless specifically permitted by rule adopted by the commissioner; or

(f) The consumer's total available line of credit; however, an insurer may consider the total amount of outstanding debt in relation to the total available line of credit.

(4) If a consumer is charged higher premiums due to disputed credit history, the insurer shall rerate the policy retroactive to the effective date of the current policy term. As rerated, the consumer shall be charged the same premiums they would have been charged if accurate credit history was used to calculate an insurance score. This subsection applies only if the consumer resolves the dispute under the process set forth in the fair credit reporting act and notifies the insurer in writing that the dispute has been resolved.

(5) The commissioner may adopt rules to implement this section.

(6) This section applies to all personal insurance policies issued or renewed on or after June 30, 2003.

NEW SECTION. **Sec. 3.** Captions used in this act are not any part of the law.

NEW SECTION. **Sec. 4.** The commissioner shall report to the legislature by January 1, 2004, on issues related to the use of credit history in personal insurance underwriting and rating and the implementation of this act. The report must include:

(1) A review of how this act has been implemented and how it has impacted consumers; and

(2) A review and analysis of insurance scoring that is due to the legislature by January 1, 2003, which includes, but is not limited to:

- (a) Which types of consumers, based on demographic factors, benefit from or are harmed by the use of credit history in personal insurance rating and underwriting;
- (b) The extent to which the use of credit history affects rates charged to the consumer;
- (c) Whether insurance scoring results in discrimination against a protected class of people or the poor; and
- (d) Other issues as determined by the commissioner."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that single premium credit insurance, when added to a loan balance and financed, reduces equity in real property and may cost purchasers of credit insurance thousands of dollars in interest payments. NEW SECTION. Sec. 2. A new section is added to chapter 48.30 RCW to read as follows:

(1) For the purpose of this section:

(a) "Single premium credit insurance" means any credit insurance where the full premium is charged to the consumer as a whole sum at or near the inception of coverage whether that charge is made by the creditor or by the insurer.

(b) "Residential mortgage loan" means any loan primarily for personal, family, or household use secured by a mortgage or deed of trust on residential real estate upon which is constructed or intended to be constructed a single-family dwelling or multiple-family dwelling of four or less units.

(c) The borrower is provided a full refund of premiums if the insurance is canceled within sixty days of the date of the loan; and

(d) The borrower is provided with written notification that the purchase of the single premium credit insurance is optional and that the receipt of the loan is not contingent on the purchase of the insurance. Failure to provide this notification shall constitute an unfair or deceptive practice under RCW 19.146.0201 and 31.04.027.

(3) An insurer must comply with the terms of this section:

(a) The earlier of sixty days after the commissioner approves an insurer's credit insurance monthly product or one year after the effective date of this section, unless the insurer and the commissioner are actively engaged in making a good faith effort towards approval of the credit insurance monthly product; or

(b) One year after the effective date of this section if the insurer has not filed a credit insurance monthly product for approval.

(4) The commissioner may adopt rules establishing disclosure standards for the sale of single premium credit insurance. All disclosures to the borrower must be in writing. (d) Notification to the borrower that the purchase of the single premium credit insurance is optional and that the receipt of the loan is not contingent on the purchase of the insurance.

NEW SECTION. Sec. 3. A new section is added to chapter 48.30 RCW to read as follows:

SB 6571 Prime Sponsor, Senator Franklin: Providing fiscal impact statements for ballot measures. Reported by Committee on State Government

MAJORITY recommendation: Do pass as amended.

On page 1, after line 3, insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 29.79 RCW to read as follows:

The legislature recognizes that through the initiative and referendum processes, voters play an increasing role in setting statewide legislative policy and adopting new laws. In exercising this authority, voters in this state deserve to have sufficient information to make educated decisions. The Washington state supreme court recognized that a significant number of voters make decisions on initiatives and referenda based merely upon the information provided in the ballot. Therefore, the ballot should provide voters with the information they need to evaluate the impacts of their decision, just as the legislature educates its own decisions through fiscal notes under chapter 43.88A RCW. The legislature finds that the voters of the state have a particular interest in understanding their decisions'

impacts on existing government services and programs. This is best accomplished by preparing a fiscal impact statement and providing voters with a "notice of probable impacts," which summarizes the fiscal impact statement and shall be displayed on ballots directly beneath the ballot title."

Correct the title, renumber the sections consecutively, and correct internal references accordingly.

On page 2, beginning on line 11, strike all material through page 3, line 8, and insert the following:

NEW SECTION. Sec. 3. A new section is added to chapter 29.79 RCW to read as follows:

If a fiscal impact statement identifies a combined financial impact of at least twenty-five million dollars on state and local governments, the office of financial management must prepare a notice of probable impacts to be placed on the ballot beneath the ballot title. The office of financial management shall prepare a notice of probable impacts in consultation with the secretary of state, the attorney general, and any other appropriate state or local agencies.

The notice of probable impacts must be no more than fifty words, must be written in clear and concise language, avoiding legal and technical terms when possible, and may include easy to understand graphics. Where appropriate, the notice of probable impacts may include both estimated dollar amounts and a description placing the estimated dollar amounts into context.

The notice of probable impacts shall appear on all ballots directly beneath the ballot title. Above the notice must be a heading in capital letters, stating "NOTICE OF PROBABLE IMPACTS OF BALLOT MEASURE."

NEW SECTION. Sec. 4. A new section is added to chapter 29.79 RCW to read as follows:

The fiscal impact statement and the notice of probable impacts must identify which programs, if any, will be eliminated because of a decrease in revenues or increase in costs, expenditures, or indebtedness. If the office of financial management cannot determine which specific government services or programs will be impacted, the fiscal impact statement and notice of probable impacts must list five of the largest services or programs currently funded by the impacted governments.

The office of financial management must file the fiscal impact statement and notice of probable impacts with the office of the secretary of state no later than thirty days following qualification of the ballot measure for the ballot pursuant to RCW 29.79.230, 29.79.270, 29.79.280, or 29.79.250.

NEW SECTION. Sec. 5. A new section is added to chapter 29.79 RCW to read as follows:

Once a notice of probable impacts is filed with the secretary of state, the secretary of state shall immediately provide the text of the notice of probable impacts to the person proposing the ballot measure and any others who have made written request for notification of the exact language of the notice.

A person dissatisfied with the notice of probable impacts may appeal to the superior court of Thurston County within five days of the filing date. A copy of the petition and a notice of the appeal must be served on the secretary of state and the attorney general. The court shall examine the measure, the notice of probable impacts, the fiscal impact statement, and objections, and may hear arguments. The court shall render its decision and certify to and file with the secretary of state a notice of probable impacts it determines will be sufficient.

The decision of the superior court is final, and its notice of probable impacts is the established notice of probable impacts.

Sec. 6. RCW 29.30.081 and 1990 c 59 s 13 are each amended to read as follows:

(1) On the top of each ballot there shall be printed instructions directing the voters how to mark the ballot, including write-in votes. After the instructions and before the offices shall be placed the questions of adopting constitutional amendments or any other state measure authorized by law to be submitted to the voters at that election. If a state measure has a combined fiscal impact of at least twenty-five million dollars on state and local governments, a fifty word notice of probable impacts

prepared by the office of financial management under section 3 of this act must be placed on the ballot beneath the ballot title.

(2) The candidate or candidates of the major political party which received the highest number of votes from the electors of this state for the office of president of the United States at the last presidential election shall appear first following the appropriate office heading, the candidate or candidates of the other major political parties shall follow according to the votes cast for their nominees for president at the last presidential election, and independent candidates and the candidate or candidates of all other parties shall follow in the order of their qualification with the secretary of state.

(3) The names of candidates for president and vice-president for each political party shall be grouped together with a single response position for a voter to indicate his or her choice.

(4) All paper ballots and ballot cards shall be sequentially numbered in such a way to permit removal of such numbers without leaving any identifying marks on the ballot.

Sec. 7. RCW 29.81.240 and 1999 c 260 s 4 are each amended to read as follows:

Committees shall write and submit arguments advocating the approval or rejection of each statewide ballot issue ~~((and))~~, rebuttals of those arguments, and statements responding to each fiscal impact statement prepared by the office of financial management. The secretary of state, the presiding officer of the senate, and the presiding officer of the house of representatives shall appoint the initial two members of each committee. In making these committee appointments the secretary of state and presiding officers of the senate and house of representatives shall consider legislators, sponsors of initiatives and referendums, and other interested groups known to advocate or oppose the ballot measure.

The initial two members may select up to four additional members, and the committee shall elect a chairperson. The remaining committee member or members may fill vacancies through appointment.

After the committee submits its initial ~~((argument statements))~~ arguments advocating the approval or rejection of the ballot measure to the secretary of state, the secretary of state shall transmit the ~~((statements))~~ arguments to the opposite committee. The opposite committee may then prepare rebuttal arguments. Rebuttals may not interject new points.

The voters' pamphlet may contain only argument statements prepared according to this section. Arguments may contain graphs and charts supported by factual statistical data and pictures or other illustrations. Cartoons or caricatures are not permitted.

Sec. 8. RCW 29.81.250 and 1999 c 260 s 5 are each amended to read as follows:

The secretary of state shall determine the format and layout of the voters' pamphlet. The secretary of state shall print the pamphlet in clear, readable type on a size, quality, and weight of paper that in the judgment of the secretary of state best serves the voters. The pamphlet must contain a table of contents. Federal and state offices must appear in the pamphlet in the same sequence as they appear on the ballot. Measures and arguments must be printed in the order specified by RCW 29.79.300.

The voters' pamphlet must provide the following information for each statewide issue on the ballot:

- (1) The legal identification of the measure by serial designation or number;
- (2) The official ballot title of the measure;
- (3) A statement prepared by the attorney general explaining the law as it presently exists;
- (4) A statement prepared by the attorney general explaining the effect of the proposed measure if it becomes law;

(5) A fiscal impact statement prepared by the office of financial management explaining the fiscal impact of the proposed measure if it becomes law, not to exceed one hundred words;

(6) The total number of votes cast for and against the measure in the senate and house of representatives, if the measure has been passed by the legislature;

~~((6))~~ (7) An argument advocating the voters' approval of the measure together with any statement in rebuttal of the opposing argument;

~~((7))~~ (8) An argument advocating the voters' rejection of the measure together with any statement in rebuttal of the opposing argument;

~~((8))~~ (9) A statement from each committee responding to the fiscal impact statement prepared by the office of financial management;

(10) Each argument ~~((or))~~, rebuttal statement, and response statement must be followed by the names of the committee members who submitted them, and may be followed by a telephone number that citizens may call to obtain information on the ballot measure;

~~((9))~~ (11) The full text of each measure.

Sec. 9. RCW 29.81.280 and 1999 c 260 s 8 are each amended to read as follows:

(1) If in the opinion of the secretary of state any argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate, or in response to a fiscal impact statement, contains obscene matter or matter that is otherwise prohibited by law from distribution through the mail, the secretary may petition the superior court of Thurston County for a judicial determination that the argument or statement may be rejected for publication or edited to delete the matter. The court shall not enter such an order unless it concludes that the matter is obscene or otherwise prohibited for distribution through the mail.

(2)(a) A person who believes that he or she may be defamed by an argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate may petition the superior court of Thurston County for a judicial determination that the argument or statement may be rejected for publication or edited to delete the defamatory ~~((statement))~~ matter.

(b) The court shall not enter such an order unless it concludes that the argument or statement is untrue and that the petitioner has a very substantial likelihood of prevailing in a defamation action.

(c) An action under this subsection (2) must be filed and served no later than the tenth day after the deadline for the submission of the argument or statement to the secretary of state.

(d) If the secretary of state notifies a person named or identified in an argument or statement of the contents of the argument or statement within three days after the deadline for submission to the secretary, then neither the state nor the secretary is liable for damages resulting from publication of the argument or statement unless the secretary publishes the argument or statement in violation of an order entered under this section. Nothing in this section creates a duty on the part of the secretary of state to identify, locate, or notify the person.

(3) Parties to a dispute under this section may agree to resolve the dispute by rephrasing the argument or statement, even if the deadline for submission to the secretary has elapsed, unless the secretary determines that the process of publication is too far advanced to permit the change. The secretary shall promptly provide any such revision to any committee entitled to submit a rebuttal argument. If that committee has not yet submitted its rebuttal, its deadline to submit a rebuttal is extended by five days. If it has submitted a rebuttal, it may revise it to address the change within five days of the filing of the revised argument with the secretary.

(4) In an action under this section the committee or candidate must be named as a defendant, and may be served with process by certified mail directed to the address contained in the secretary's records for that party. The secretary of state shall be a nominal party to an action brought under subsection (2) of this section, solely for the purpose of determining the content of the voters' pamphlet. The superior court shall give such an action priority on its calendar.

Sec. 10. RCW 29.81.290 and 1999 c 260 s 9 are each amended to read as follows:

(1) An argument or statement submitted to the secretary of state for publication in the voters' pamphlet is not available for public inspection or copying until:

(a) In the case of candidate statements, (i) all statements by all candidates who have filed for a particular office have been received, except those who informed the secretary that they will not submit statements, or (ii) the deadline for submission of statements has elapsed;

(b) In the case of arguments supporting or opposing a measure, (i) the arguments on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed; ~~((and))~~

(c) In the case of rebuttal arguments, (i) the rebuttals on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed; and

(d) In the case of statements written in response to fiscal impact statements, (i) the statements on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of statements has elapsed.

(2) Nothing in this section prohibits the secretary from releasing information under RCW 29.81.280(2)(d).

Sec. 11. RCW 29.81.310 and 1999 c 260 s 11 are each amended to read as follows:

(1) The maximum number of words for statements submitted by candidates is as follows: State representative, one hundred words; state senator, judge of the superior court, judge of the court of appeals, justice of the supreme court, and all state offices voted upon throughout the state, except that of governor, two hundred words; president and vice-president, United States senator, United States representative, and governor, three hundred words.

(2) Arguments written by committees under RCW ((~~29.81.230~~) 29.81.240) may not exceed two hundred fifty words in length.

(3) Rebuttal arguments written by committees may not exceed seventy-five words in length.

(4) Statements from committees responding to fiscal impact statements may not exceed fifty words in length.

(5) The secretary of state shall allocate space in the pamphlet based on the number of candidates or nominees for each office.

SB 6577 Prime Sponsor, Senator Gardner: Prohibiting substitution of subcontractors on larger public works contracts. Reported by Committee on State Government

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** This act is intended to discourage bid shopping and bid peddling on Washington state public building and works projects.

Sec. 2. RCW 39.30.060 and 1999 c 109 s 1 are each amended to read as follows:

(1) Every invitation to bid on a prime contract that is expected to cost one million dollars or more for the construction, alteration, or repair of any public building or public work of the state or a state agency or municipality as defined under RCW 39.04.010 or an institution of higher education as defined under RCW 28B.10.016 shall require each prime contract bidder to submit as part of the bid, or within one hour after the published bid submittal time, the names of the subcontractors with whom

the bidder, if awarded the contract, will subcontract for performance of the work of: HVAC (heating, ventilation, and air conditioning); plumbing as described in chapter 18.106 RCW; and electrical as described in chapter 19.28 RCW, or to name itself for the work. The prime contract bidder shall not list more than one subcontractor for each category of work identified, unless subcontractors vary with bid alternates, in which case the prime contract bidder must indicate which subcontractor will be used for which alternate. Failure of the prime contract bidder to submit as part of the bid the names of such subcontractors or to name itself to perform such work or the naming of two or more subcontractors to perform the same work shall render the prime contract bidder's bid nonresponsive and, therefore, void.

(2) Substitution of a listed subcontractor in furtherance of bid shopping or bid peddling before or after the award of the prime contract is prohibited and the originally listed subcontractor is entitled to recover monetary damages from the prime contract bidder who executed a contract with the public entity and the substituted subcontractor but not from the public entity inviting the bid. It is the original subcontractor's burden to prove by a preponderance of the evidence that bid shopping or bid peddling occurred. Substitution of a listed subcontractor may be made by the prime contractor for the following reasons:

- (a) Refusal of the listed subcontractor to sign a contract with the prime contractor;
- (b) Bankruptcy or insolvency of the listed subcontractor;
- (c) Inability of the listed subcontractor to perform the requirements of the proposed contract or the project;
- (d) Inability of the listed subcontractor to obtain the necessary license, bonding, insurance or other statutory requirements to perform the work detailed in the contract; or
- (e) The listed subcontractor is barred from participating in the project as a result of a court order or summary judgment.

(3) The requirement of this section to name the prime contract bidder's proposed (~~heating, ventilation and air conditioning~~)HVAC, plumbing, and electrical subcontractors applies only to proposed (~~heating, ventilation and air conditioning~~)HVAC, plumbing, and electrical subcontractors who will contract directly with the (~~general contractor~~)prime contract bidder submitting the bid to the public entity."

SSB 6648 Prime Sponsor, Senate Committee on Human Services & Corrections: Improving coordination of services when criminal mistreatment occurs. Reported by Committee on Criminal Justice & Corrections

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature recognizes that responses by the department of social and health services and public safety agencies have varied between jurisdictions when allegations of withholding of the basic necessities of life are made. The legislature intends to improve the capacity of the department of social and health services and public safety agencies to respond to situations where the basic necessities of life are withheld by allowing an earlier intervention in such cases. The legislature finds that improved coordination between the department of social and health services and public safety agencies at an earlier point will lead to better treatment of children and families and will reduce the likelihood of serious harm.

NEW SECTION. **Sec. 2.** A new section is added to chapter 9A.42 RCW to read as follows:

(1) A person is guilty of the crime of criminal mistreatment in the fourth degree if the person is the parent of a child, is a person entrusted with the physical custody of a child or other dependent person, or is a person employed to provide to the child or dependent person the basic necessities of life, and either:

(a) With criminal negligence, creates an imminent and substantial risk of bodily injury to a child or dependent person by withholding any of the basic necessities of life; or

(b) With criminal negligence, causes bodily injury or extreme emotional distress manifested by more than transient physical symptoms to a child or dependent person by withholding the basic necessities of life.

(2) Criminal mistreatment in the fourth degree is a misdemeanor.

Sec. 3. RCW 9A.42.040 and 2000 c 76 s 2 are each amended to read as follows:

Sec. 4. RCW 9A.42.045 and 2000 c 76 s 3 are each amended to read as follows:

RCW 9A.42.020, 9A.42.030, ~~((and))~~ 9A.42.035, and section 2 of this act do not apply when a terminally ill or permanently unconscious person or his or her legal surrogate, as set forth in chapter 7.70 RCW, requests, and the person receives, palliative care from a licensed home health agency, hospice agency, nursing home, or hospital providing care under the medical direction of a physician. As used in this section, the terms "terminally ill" and "permanently unconscious" have the same meaning as "terminal condition" and "permanent unconscious condition" in chapter 70.122 RCW.

NEW SECTION. **Sec. 5.** A new section is added to chapter 9A.42 RCW to read as follows:

(1) When a law enforcement officer arrests a person for criminal mistreatment of a child, the officer must notify child protective services.

(2) When a law enforcement officer arrests a person for criminal mistreatment of a dependent person other than a child, the officer must notify adult protective services.

Sec. 6. RCW 10.05.010 and 1998 c 208 s 1 are each amended to read as follows:

The petition shall be filed with the court at least seven days before the date set for trial but, upon a written motion and affidavit establishing good cause for the delay and failure to comply with this section, the court may waive this requirement subject to the defendant's reimbursement to the court of the witness fees and expenses due for subpoenaed witnesses who have appeared on the date set for trial.

(2) A person charged with a traffic infraction, misdemeanor, or gross misdemeanor under Title 46 RCW shall not be eligible for a deferred prosecution program unless the court makes specific findings pursuant to RCW 10.05.020. He or she shall also be advised that the court will not accept a petition for deferred prosecution from a person who sincerely believes that he or she is innocent of the charges or sincerely believes that he or she does not, in fact, suffer from alcoholism, drug addiction, or mental problems, or in the case of a petitioner charged under chapter 9A.42 RCW, sincerely believes that he or she does not need child welfare services.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that placing a high priority on the continuation of military activities at the military bases located in our state is in the best interest of the state and the United States. The combined efforts of the state and local governments and the private sector, working in partnership with the United States military, will be required to avoid the closure of these bases. Therefore, the joint committee on veterans' and military affairs is tasked to conduct a Washington military facilities study to determine and coordinate statewide efforts needed to ensure all military facilities in Washington retain their premier status with respect to their national defense missions.

NEW SECTION. Sec. 2. (1) The joint committee on veterans' and military affairs shall inform the governor and the legislature on matters affecting the operational viability of military facilities within Washington through:

- (a) Understanding the mission of each military facility in Washington;
- (b) Examining the integral role of Washington facilities within the national defense structure;
- (c) Identifying any obstacles to the mission of each facility according to criteria used by its respective branch of service;
- (d) Examining methods and options for outsourcing and privatizing military base infrastructure support activities;
- (e) Examining any law, ordinance, requirement, rule, or regulation that impacts each facility's mission;
- (f) Evaluating any locally developed proposals intended to mitigate the impact of military facilities on surrounding areas or the impact of nonmilitary activities in surrounding areas on the mission of military facilities; and

- (g) Studying the economic impacts of the facilities on the Washington economy.
- (2) The joint committee shall make recommendations to the governor and the legislature regarding actions needed to ensure the viability of military facilities, including:
 - (a) Expenditures appropriate to ensure the proper functioning and continued operation of military facilities within the state;
 - (b) Required changes to state law, local ordinances, local zoning requirements, or any other state or local requirement, rule, or regulation in order to encourage the continued operation of military facilities within the state; and
 - (c) Any required actions to be taken by the state at the federal level in support of military facilities within the state.

NEW SECTION. **Sec. 3.** In carrying out the requirements of this act, the joint committee shall invite participation and seek input from any experts it deems appropriate, but at minimum shall consult with representatives and nonelected community leaders of each county and city containing a major military facility and the military authorities of each military base in the state.

Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.44.105 and 1999 c 23 s 1 are each amended to read as follows:

(1) Violation of any of the provisions of this chapter is a traffic infraction, and upon the first finding thereof shall be assessed a basic penalty of not less than fifty dollars; and upon a second finding thereof shall be assessed a basic penalty of not less than seventy-five dollars; and upon a third or subsequent finding shall be assessed a basic penalty of not less than one hundred dollars.

(2) In addition to the penalties imposed in subsection (1) of this section, any person violating RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 shall be assessed a penalty for each pound overweight, as follows:

(a) One pound through four thousand pounds overweight is three cents for each pound;

(b) Four thousand one pounds through ten thousand pounds overweight is one hundred twenty dollars plus twelve cents per pound for each additional pound over four thousand pounds overweight;

(c) Ten thousand one pounds through fifteen thousand pounds overweight is eight hundred forty dollars plus sixteen cents per pound for each additional pound over ten thousand pounds overweight;

(d) Fifteen thousand one pounds through twenty thousand pounds overweight is one thousand six hundred forty dollars plus twenty cents per pound for each additional pound over fifteen thousand pounds overweight;

(e) Twenty thousand one pounds and more is two thousand six hundred forty dollars plus thirty cents per pound for each additional pound over twenty thousand pounds overweight.

Upon a first violation in any calendar year, the court may suspend the penalty for five hundred pounds of excess weight for each axle on any vehicle or combination of vehicles, not to exceed a two thousand pound suspension. In no case may the basic penalty assessed in subsection (1) of this section or the additional penalty assessed in subsection (2) of this section, except as provided for the first violation, be suspended.

(3) Whenever any vehicle or combination of vehicles is involved in two violations of RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 during any twelve-month period, the court may suspend the certificate of license registration of the vehicle or combination of vehicles for not less than thirty days. Upon a third or succeeding violation in any twelve-month period, the court shall suspend the certificate of license registration for not less than thirty days. Whenever the certificate of license registration is suspended, the court shall secure such certificate and immediately forward the same to the director with information concerning the suspension.

(4) Any person found to have violated any posted limitations of a highway or section of highway shall be assessed a monetary penalty of not less than one hundred and fifty dollars, and the court shall in addition thereto upon second violation within a twelve-month period involving the same power unit, suspend the certificate of license registration for not less than thirty days.

(5) It is unlawful for the driver of a vehicle to fail or refuse to stop and submit the vehicle and load to a weighing, or to fail or refuse, when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section. It is unlawful for a driver of a commercial motor vehicle as defined in RCW 46.32.005, other than the driver of a bus as defined in RCW 46.32.005(2) or a vehicle with a gross vehicle or combination weight not over sixteen thousand pounds and not transporting hazardous materials in accordance with RCW 46.32.005(3), to fail or refuse to stop at a weighing station when proper traffic control signs indicate scales are open. However, unladen tow trucks regardless of weight and farm vehicles carrying farm produce with a gross vehicle or combination weight not over twenty-six thousand pounds may fail or refuse to stop at a weighing station when proper traffic control signs indicate scales are open.

Any police officer is authorized to require the driver of any vehicle or combination of vehicles to stop and submit to a weighing either by means of a portable or stationary scale and may require that the vehicle be driven to the nearest public scale. Whenever a police officer, upon weighing a vehicle and load, determines that the weight is unlawful, the officer may require the driver to stop the vehicle in a suitable location and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of the vehicle to the limit permitted by law. If the vehicle is loaded with grain or other perishable commodities, the driver shall be permitted to proceed without removing any of the load, unless the gross weight of the vehicle and load exceeds by more than ten percent the limit permitted by this chapter. The owner or operator of the vehicle shall care for all materials unloaded at the risk of the owner or operator.

Any vehicle whose driver or owner represents that the vehicle is disabled or otherwise unable to proceed to a weighing location shall have its load sealed or otherwise marked by any police officer. The owner or driver shall be directed that upon completion of repairs, the vehicle shall submit to weighing with the load and markings and/or seal intact and undisturbed. Failure to report for weighing, appearing for weighing with the seal broken or the markings disturbed, or removal of any cargo prior to weighing is unlawful. Any person so convicted shall be fined one thousand dollars, and in addition the certificate of license registration shall be suspended for not less than thirty days.

(6) Any other provision of law to the contrary notwithstanding, district courts having venue have concurrent jurisdiction with the superior courts for the imposition of any penalties authorized under this section.

(7) For the purpose of determining additional penalties as provided by subsection (2) of this section, "overweight" means the poundage in excess of the maximum allowable gross weight or axle/axle grouping weight prescribed by RCW 46.44.041, 46.44.042, 46.44.047, 46.44.091, and 46.44.095.

(8) The penalties provided in subsections (1) and (2) of this section shall be remitted as provided in chapter 3.62 RCW or RCW 10.82.070. For the purpose of computing the basic penalties and additional penalties to be imposed under subsections (1) and (2) of this section, the convictions shall be on the same vehicle or combination of vehicles within a twelve-month period under the same ownership.

(9) Any state patrol officer or any weight control officer who finds any person operating a vehicle or a combination of vehicles in violation of the conditions of a permit issued under RCW

46.44.047, 46.44.090, and 46.44.095 may confiscate the permit and forward it to the state department of transportation which may return it to the permittee or revoke, cancel, or suspend it without refund. The department of transportation shall keep a record of all action taken upon permits so confiscated, and if a permit is returned to the permittee the action taken by the department of transportation shall be endorsed thereon. Any permittee whose permit is suspended or revoked may upon request receive a hearing before the department of transportation or person designated by that department. After the hearing the department of transportation may reinstate any permit or revise its previous action.

Every permit issued as provided for in this chapter shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any law enforcement officer or authorized agent of any authority granting such a permit.

Upon the third finding within a calendar year of a violation of the requirements and conditions of a permit issued under RCW 46.44.095, the permit shall be canceled, and the canceled permit shall be immediately transmitted by the court or the arresting officer to the department of transportation. The vehicle covered by the canceled permit is not eligible for a new permit for a period of thirty days.

(10) For the purposes of determining gross weights the actual scale weight taken by the arresting officer is prima facie evidence of the total gross weight.

(11) It is a traffic infraction to direct the loading of a vehicle with knowledge that it violates the requirements in RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 and that it is to be operated on the public highways of this state.

(12) The chief of the state patrol, with the advice of the department, may adopt reasonable rules to aid in the enforcement of this section."

(b) Submit such marked material separately from other material required to be submitted under this chapter.

(2) Except under section 3 of this act and notwithstanding any other provision of this chapter or other law, the director shall not make public information which in the director's judgment should be privileged or confidential because it contains or relates to trade secrets or commercial or financial information except that, when necessary to carry out the provisions of this chapter, information relating to unpublished formulas of products acquired by authorization of this chapter may be revealed to any state or federal agency consulted and may be revealed at a public hearing or in findings of fact issued by the director when necessary under this chapter.

(3) Except under section 3 of this act, if the director proposes to release for inspection information which the applicant or registrant believes to be protected from disclosure under subsection (2) of this section, the director shall notify the applicant or registrant in writing, by certified mail. The director shall not thereafter make available for inspection such data until thirty days after receipt of the notice by the applicant or registrant. During this period, the applicant or registrant may institute an action in the superior court of Thurston county for a declaratory judgment as to whether such information is subject to protection under subsection (2) of this section.

NEW SECTION. **Sec. 3.** A new section is added to chapter 15.58 RCW, to be codified between RCW 15.58.065 and 15.58.070, to read as follows:

(1) When the director proposes to eradicate the Asian gypsy moth through the aerial application of pesticides within a large urban residential area as defined in RCW 17.24.007, the director shall consult with the department of health concerning unpublished formulas of products acquired by authorization of this chapter for the purpose of obtaining the department's independent assessment of the possible human health risks associated with the proposed use. The director shall consult with the department of health regarding such an application if:

(a) The director has not previously consulted the department of health under this section regarding the product or products;

(b) There has been a change in the formula of the product or products since a previous such consultation; or

(c) The director has been notified by the department of health that new information is available to it that would materially alter the assessment the department provided to the director in a previous consultation regarding the product or products.

(2) The director shall reveal to the department of health the confidential statement of formula for the purpose of assessing the possible human health risks associated with the proposed pesticide use.

(3) The department of health shall consider the confidential statement of formula, the proposed pesticide use, the impact on affected populations, and any other considerations that may bear on public health in making an assessment of the possible human health risks.

(4) The director shall make any independent assessment available to the public except that the names, chemical abstract service numbers, or other identifying characteristics or percentages of inert ingredients in a pesticide, and any other information that in the director's judgment should be confidential, shall not be disclosed. Additionally, any information or documents used in preparation of an independent assessment that pertain to the confidential statement of formula and any protected trade secret information shall not be disclosed to the public by any person.

(5) This section shall be in addition to and shall not limit the authority of the director under any other provision of law to release to the public information relating to pesticide formula, ingredients, or other information.

(6) Damages may be sought under chapter 19.108 RCW with regard to an unauthorized release of the unpublished formula of a product that is the subject of a consultation under this section to any person not authorized to receive the information under this section or this chapter.

NEW SECTION. Sec. 4. A new section is added to chapter 17.24 RCW to read as follows:

When surveys and other measures detect the presence of the Asian gypsy moth within a large urban residential area, and when the aerial application of pesticides may be considered as a measure to eradicate the pest, the director shall provide public notice of the survey results and the alternatives for eradication measures. The director shall hold a public meeting within the area to provide information and to receive comments from the public on the survey results, and the alternatives for eradication measures. The director shall accept such comments for a period of thirty days from the date the public meeting is held, or a lesser period as the director determines if immediate action is required to implement eradication measures.

Sec. 5. RCW 17.24.171 and 1991 c 257 s 21 are each amended to read as follows:

(1) If the director determines that there exists an imminent danger of an infestation of plant pests or plant diseases that seriously endangers the agricultural or horticultural industries of the state, or that seriously threatens life, health, or economic well-being, the director shall request the governor to order emergency measures to control the pests or plant diseases under RCW 43.06.010(~~((14))~~) (13). The director's findings shall contain an evaluation of the affect of the emergency measures on public health. When the requested measures include the aerial application of pesticides in a large urban residential area for the eradication of Asian gypsy moths, the findings shall also include a summary of the information relied upon in determining the extent of the danger, the alternative measures considered, and, when applicable, the director's response to the public comments received under section 4 of this act.

(2) If an emergency is declared pursuant to RCW 43.06.010(~~((14))~~) (13), the director may appoint a committee to advise the governor through the director and to review emergency measures necessary under the authority of RCW 43.06.010(~~((14))~~) (13) and this section and make subsequent recommendations to the governor. The committee shall include representatives of the agricultural and silvicultural industries, state and local government, public health interests, technical service providers, and environmental organizations.

(3) Upon the order of the governor of the use of emergency measures, the director is authorized to implement the emergency measures to prevent, control, or eradicate plant pests or plant diseases that are the subject of the emergency order. Such measures, after thorough evaluation of all other alternatives, may include the aerial application of pesticides.

(4) Upon the order of the governor of the use of emergency measures, the director is authorized to enter into agreements with individuals or companies, or both, to accomplish the prevention, control, or eradication of plant pests or plant diseases, notwithstanding the provisions of chapter 15.58 or 17.21 RCW, or any other statute.

(5) When emergency measures taken include the aerial application of pesticides in a large urban residential area for the eradication of Asian gypsy moths, the director shall implement procedures for notifying the community in the application area before each aerial application.

(6) The director shall continually evaluate the emergency measures taken and report to the governor at intervals of not less than ten days. The director shall immediately advise the governor if he or she finds that the emergency no longer exists or if certain emergency measures should be discontinued.

ESB 5692 Prime Sponsor, Senator Costa: Creating youth courts. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Juvenile Justice & Family Law.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Court" when used without further qualification means the district court under chapter 3.30 RCW, the municipal department under chapter 3.46 RCW, or the municipal court under chapter 3.50 or 35.20 RCW.

(2) "Traffic infraction" means those acts defined as traffic infractions by RCW 46.63.020.

(3) "Youth court" means an alternative method of hearing and disposing of traffic infractions for juveniles age sixteen or seventeen.

NEW SECTION. Sec. 2. (1) A court created under chapter 3.30, 3.46, 3.50, or 35.20 RCW may create a youth court. The youth court shall have jurisdiction over traffic infractions alleged to have been committed by juveniles age sixteen or seventeen. The court may refer a juvenile to the youth court upon request of any party or upon its own motion. However, a juvenile shall not be required under this section to have his or her traffic infraction referred to or disposed of by a youth court.

(2) To be referred to a youth court, a juvenile:

(a) May not have had a prior traffic infraction referred to a youth court;

(b) May not be under the jurisdiction of any court for a violation of any provision of Title 46 RCW;

(c) May not have any convictions for a violation of any provision of Title 46 RCW; and

(d) Must acknowledge that there is a high likelihood that he or she would be found to have committed the traffic infraction.

NEW SECTION. Sec. 3. (1) A youth court agreement shall be a contract between a juvenile accused of a traffic infraction and a court whereby the juvenile agrees to fulfill certain conditions imposed by a youth court in lieu of a determination that a traffic infraction occurred. Such agreements may be entered into only after the law enforcement authority has determined that probable cause exists to believe that a traffic infraction has been committed and that the juvenile committed it. A youth court agreement shall be reduced to writing and signed by the court and the youth accepting the terms of the agreement. Such agreements shall be entered into as expeditiously as possible.

(2) Conditions imposed on a juvenile by a youth court shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Attendance at defensive driving school or driver improvement education classes or, in the discretion of the court, a like means of fulfilling this condition. The state shall not be liable for costs resulting from the youth court or the conditions imposed upon the juvenile by the youth court;

(c) A monetary penalty, not to exceed one hundred dollars. All monetary penalties assessed and collected under this section shall be deposited and distributed in the same manner as costs, fines, forfeitures, and penalties are assessed and collected under RCW 2.68.040, 3.46.120, 3.50.100, 3.62.020, 3.62.040, 35.20.220, and 46.63.110(6), regardless of the juvenile's successful or unsuccessful completion of the youth court agreement;

(d) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas;

(e) Participating in law-related education classes;

(f) Providing periodic reports to the youth court or the court;

(g) Participating in mentoring programs;

(h) Serving as a participant in future youth court proceedings;

(i) Writing apology letters; or

(j) Writing essays.

(3) Youth courts may require that the youth pay any costs associated with conditions imposed upon the youth by the youth court.

(a) A youth court disposition shall be completed within one hundred eighty days from the date of referral.

(b) The court, as specified in section 2 of this act, shall monitor the successful or unsuccessful completion of the disposition.

(4) A youth court agreement may extend beyond the eighteenth birthday of the youth.

(5) Any juvenile who is, or may be, referred to a youth court shall be afforded due process in all contacts with the youth court regardless of whether the juvenile is accepted by the youth court or whether the youth court program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written agreement shall be executed stating all conditions in clearly understandable language and the action that will be taken by the court upon successful or unsuccessful completion of the agreement;

(b) Violation of the terms of the agreement shall be the only grounds for termination.

(6) The youth court shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during youth court hearings or negotiations.

(7) The court shall be responsible for advising a juvenile of his or her rights as provided in this chapter.

(8) When a juvenile enters into a youth court agreement, the court may receive only the following information for dispositional purposes:

(a) The fact that a traffic infraction was alleged to have been committed;

(b) The fact that a youth court agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the juvenile performed his or her obligations under such agreement; and

(e) The facts of the alleged traffic infraction.

(9) A court may refuse to enter into a youth court agreement with a juvenile. When a court refuses to enter a youth court agreement with a juvenile, it shall set the matter for hearing in accordance with all applicable court rules and statutory provisions governing the hearing and disposition of traffic infractions.

(10) If a monetary penalty required by a youth court agreement cannot reasonably be paid due to a lack of financial resources of the youth, the court may convert any or all of the monetary penalty into community service. The modification of the youth court agreement shall be in writing and signed by the juvenile and the court. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

NEW SECTION. Sec. 4. Youth courts provide a disposition method for cases involving juveniles alleged to have committed traffic infractions, in which participants, under the supervision of the court, may serve in various capacities within the youth court, acting in the role of jurors, lawyers, bailiffs, clerks, and judges. Youth courts have no jurisdiction except as provided for in this chapter. Youth courts are not courts established under Article IV of the state Constitution.

NEW SECTION. Sec. 5. The administrative office of the courts shall encourage the courts to work with cities, counties, and schools to implement, expand, or use youth court programs for juveniles who commit traffic infractions. Program operations of youth court programs may be funded by government and private grants. Youth court programs are limited to those that:

- (1) Are developed using the guidelines for creating and operating youth court programs developed by nationally recognized experts in youth court projects;
- (2) Target youth ages sixteen and seventeen who are alleged to have committed a traffic infraction; and
- (3) Emphasize the following principles:
 - (a) Youth must be held accountable for their problem behavior;
 - (b) Youth must be educated about the impact their actions have on themselves and others including their victims, their families, and their community;
 - (c) Youth must develop skills to resolve problems with their peers more effectively; and
 - (d) Youth should be provided a meaningful forum to practice and enhance newly developed skills.

NEW SECTION. Sec. 6. A court may require that a youth pay a nonrefundable fee, not exceeding thirty dollars, to cover the costs of administering the program. The fee may be reduced or waived for a participant. Fees shall be paid to and accounted for by the court. The fees collected under this section shall not constitute "certain costs" as defined in RCW 3.46.120(2), 3.50.100(2), 3.62.020(2), 3.62.040(2), and 35.20.220(2).

Sec. 8. RCW 13.40.080 and 1999 c 91 s 1 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a ~~((diversionary))~~ diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to one or more of the following:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by ~~((the))~~ any victim;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, if approved by the diversion unit. The state shall not be liable for costs resulting from the ~~((diversionary))~~ diversion unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions;

(d) A fine, not to exceed one hundred dollars ~~((-- In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed))~~;

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and

(f) Upon request of ~~((the))~~ any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.

(3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to section 14 of this act.

(4) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted the ~~((diversionary))~~ diversion unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

~~((4))~~ (5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the diverttee.

(b) If additional time is necessary for the juvenile to complete restitution to ~~((the))~~ a victim, the time period limitations of this subsection may be extended by an additional six months.

(c) If the juvenile has not paid the full amount of restitution by the end of the additional six-month period, then the juvenile shall be referred to the juvenile court for entry of an order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection ~~((4))~~ (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may not require the juvenile to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a ten-year period. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.

~~((5))~~ (6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

~~((6))~~ (7) Diverttees and potential diverttees shall be afforded due process in all contacts with a ~~((diversionary))~~ diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No diverttee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the diverttee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the diverttee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the diverttee was diverted:

(i) In juvenile court if the diverttee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the diverttee is eighteen years of age or older.

~~((7))~~ (8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

~~((8))~~ (9) The diversion unit shall be responsible for advising a diverttee of his or her rights as provided in this chapter.

~~((9))~~ (10) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

~~((40))~~ (11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the ~~((diversionary))~~ diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

~~((41))~~ (12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

- (a) The fact that a charge or charges were made;
- (b) The fact that a diversion agreement was entered into;
- (c) The juvenile's obligations under such agreement;
- (d) Whether the alleged offender performed his or her obligations under such agreement; and
- (e) The facts of the alleged offense.

~~((42))~~ (13) A ~~((diversionary))~~ diversion unit may refuse to enter into a diversion agreement with a juvenile. When a ~~((diversionary))~~ diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The ~~((diversionary))~~ diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

~~((43))~~ (14) A ~~((diversionary))~~ diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection ~~((shall))~~ includes the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(7). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a ~~((diversionary))~~ diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

~~((44))~~ (15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

~~((45))~~ (16) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

~~((46))~~ (17) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile

services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

(b) Recommend to the legislature revisions or modifications to the standard sentence ranges, state sentencing policy, prosecuting standards, and other standards. (d)(i) Serve as a clearinghouse and information center for the collection, preparation, analysis, and dissemination of information on state and local adult and juvenile sentencing practices; (ii) develop and maintain a computerized adult and juvenile sentencing information system by individual superior court judge consisting of offender, offense, history, and sentence information entered from judgment and sentence forms for all adult felons; and (iii) conduct ongoing research regarding adult and juvenile sentencing guidelines, use of total confinement and alternatives to total confinement, plea bargaining, and other matters relating to the improvement of the adult criminal justice system and the juvenile justice system;

The minimum term in each range shall not be less than one-half of the maximum term.

(b) The legislature may, by enactment of a legislative bill, adopt or modify the community custody ranges proposed by the commission. If the legislature fails to adopt or modify the initial ranges in its next regular session after they are proposed, the proposed ranges shall take effect without legislative approval for crimes committed on or after July 1, 2000.

ESSB 5777 Prime Sponsor, Senate Committee on Health & Long-Term Care: Permitting retired and disabled employees to obtain health insurance. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of this act to provide retirees of local government employers access to health care benefits. It is also the intent of this act that local government employers be allowed the flexibility to design programs to meet the health care needs of their retirees and that the local government employer be able to recover all costs associated with providing retirees access to health benefits.

NEW SECTION. Sec. 2. A new section is added to chapter 41.04 RCW to read as follows:

(1) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Disabled employee" means an individual eligible to receive a disability retirement allowance from the public employees' retirement system.

(b) "Health plan" means a contract, policy, fund, trust, or other program established jointly or individually by a county, municipality, or other political subdivision of the state that provides for all or a part of hospitalization or medical aid for its employees and their dependents under RCW 41.04.180.

(c) "Retired employee" means a public employee meeting the retirement eligibility, years of service requirements, and other criteria set forth in the public employees' retirement system.

(2) A county, municipality, or other political subdivision that provides a health plan for its employees shall permit retired and disabled employees and their dependents to continue participation in a plan subject to the exceptions, limitations, and conditions set forth in this section. However, this section does not apply to a county, municipality, or other political subdivision participating in an insurance program administered under chapter 41.05 RCW if retired and disabled employees and their dependents of the participating county, municipality, or other political subdivision are covered under an insurance program administered under chapter 41.05 RCW. Nothing in this subsection or this act precludes the local government employer from offering retired or disabled employees a health plan with a benefit structure, copayment, deductible, coinsurance, lifetime benefit maximum, and other plan features which differ from those offered through a health plan provided to active employees. Further, nothing in this subsection precludes a local government employer from joining with other public agency employers, including interjurisdictional benefit pools and multi-employer associations or consortiums, to fulfill its obligations under this act.

(3) A county, municipality, or other political subdivision has full authority to require a person who requests continued participation in a health plan under subsection (2) of this section to pay the full cost of such participation, including any amounts necessary for administration. However, this subsection does not require an employer who is currently paying for all or part of a health plan for its retired and disabled employees to discontinue those payments.

(4) Payments for continued participation in a former employer's health plan may be assigned to the underwriter of the health plan from public pension benefits or may be paid to the former employer, as determined by the former employer, so that an underwriter of the health plan that is an insurance company, health care service contractor, or health maintenance organization is not required to accept individual payments from persons continuing participation in the employer's health plan.

(5) After an initial open enrollment period of ninety days after the effective date of this section, an employer may not be required to permit a person to continue participation in the health plan if the person is responsible for a lapse in coverage under the plan. In addition, an employer may not be required to permit a person to continue participation in the employer's health plan if the employer offered continued participation in a health plan that meets the requirements of this act.

(6) If a person continuing participation in the former employer's health plan has medical coverage available through another employer, the medical coverage of the other employer is the primary coverage for purposes of coordination of benefits as provided for in the former employer's health plan.

(7) If a person's continued participation in a health plan was permitted because of the person's relationship to a retired or disabled employee of the employer providing the health plan and the retired or disabled employee dies, then that person is permitted to continue participation in the health plan for a period of not more than six months after the death of the retired or disabled employee. However, the employer providing the health plan may permit continued participation beyond that time period.

(8) An employer may offer one or more health plans different from that provided for active employees and designed to meet the needs of persons requesting continued participation in the

employer's health plan. An employer, in designing or offering continued participation in a health plan, may utilize terms or conditions necessary to administer the plan to the extent the terms and conditions do not conflict with this section.

(9) If an employer changes the underwriter of a health plan, the replaced underwriter has no further responsibility or obligation to persons who continued participation in a health plan of the replaced underwriter. However, the employer shall permit those persons to participate in any new health plan.

(10) The benefits granted under this section are not considered a matter of contractual right. Should the legislature, a county, municipality, or other political subdivision of the state revoke or change any benefits granted under this section, an affected person is not entitled to receive the benefits as a matter of contractual right.

(11) This section does not affect any health plan contained in a collective bargaining agreement in existence as of the effective date of this section. However, any plan contained in future collective bargaining agreements shall conform to this section. In addition, this section does not affect any health plan contract or policy in existence as of the effective date of this section. However, any renewal of the contract or policy shall conform to this section.

NEW SECTION. **Sec. 3.** A new section is added to chapter 41.04 RCW to read as follows:

Employers providing access to health insurance coverage under this act may adopt criteria which specify allowable enrollment periods, require enrollees to keep current addresses and information, and outline other processes to ensure that plans can be administered efficiently and effectively.

Sec. 4. RCW 41.05.050 and 1995 1st sp.s. c 6 s 22 and 1994 c 153 s 4 are each reenacted and amended to read as follows:

(1) Every department, division, or separate agency of state government, and such county, municipal, school district, educational service district, or other political subdivisions as are covered by this chapter, shall provide contributions to insurance and health care plans for its employees and their dependents, the content of such plans to be determined by the authority. Contributions, paid by the county, the municipality, school district, educational service district, or other political subdivision for their employees, shall include an amount determined by the authority to pay such administrative expenses of the authority as are necessary to administer the plans for employees of those groups. Until October 1, 1995, contributions to be paid by school districts or educational service districts shall be adjusted by the authority to reflect the remittance provided under RCW 28A.400.400.

(2) If the authority at any time determines that the participation of a county, municipal, or other political subdivision covered under this chapter adversely impacts insurance rates for state employees, the authority shall implement limitations on the participation of additional county, municipal, or other political subdivisions.

(3) The contributions of any department, division, or separate agency of the state government, and such county, municipal, or other political subdivisions as are covered by this chapter, shall be set by the authority, subject to the approval of the governor for availability of funds as specifically appropriated by the legislature for that purpose. Insurance and health care contributions for ferry employees shall be governed by RCW 47.64.270.

~~((3))~~ (4) The authority shall transmit a recommendation for the amount of the employer contribution to the governor and the director of financial management for inclusion in the proposed budgets submitted to the legislature.

NEW SECTION. **Sec. 5.** This act takes effect January 1, 2003. However, if a political subdivision is unable to structure a health plan to meet the requirements of this act by January 1, 2003, additional time of up to one year is allowed. All political subdivisions must implement this act by January 1, 2004."

2ESB 5872 Prime Sponsor, Senator Prentice: Modifying the multiple-unit property tax exemption.
Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.14.010 and 2000 c 242 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "City" means either (a) a city or town with a population of at least ~~((fifty))~~ thirty thousand or (b) the largest city or town, if there is no city or town with a population of at least ~~((fifty))~~ thirty thousand, located in a county planning under the growth management act.

(2) "Governing authority" means the local legislative authority of a city having jurisdiction over the property for which an exemption may be applied for under this chapter.

(3) "Growth management act" means chapter 36.70A RCW.

(4) "Multiple-unit housing" means a building having four or more dwelling units not designed or used as transient accommodations and not including hotels and motels. Multifamily units may result from new construction or rehabilitated or conversion of vacant, underutilized, or substandard buildings to multifamily housing.

(5) "Owner" means the property owner of record.

(6) "Permanent residential occupancy" means multiunit housing that provides either rental or owner occupancy on a nontransient basis. This includes owner-occupied or rental accommodation that is leased for a period of at least one month. This excludes hotels and motels that predominately offer rental accommodation on a daily or weekly basis.

(7) "Rehabilitation improvements" means modifications to existing structures, that are vacant for twelve months or longer, that are made to achieve a condition of substantial compliance with existing building codes or modification to existing occupied structures which increase the number of multifamily housing units.

(8) "Residential targeted area" means an area within an urban center that has been designated by the governing authority as a residential targeted area in accordance with this chapter.

(9) "Substantial compliance" means compliance with local building or housing code requirements that are typically required for rehabilitation as opposed to new construction.

(10) "Urban center" means a compact identifiable district where urban residents may obtain a variety of products and services. An urban center must contain:

(a) Several existing or previous, or both, business establishments that may include but are not limited to shops, offices, banks, restaurants, governmental agencies;

(b) Adequate public facilities including streets, sidewalks, lighting, transit, domestic water, and sanitary sewer systems; and

(c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

Sec. 2. RCW 84.14.020 and 1999 c 132 s 1 are each amended to read as follows:

(1) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, for ten successive years beginning January 1 of the year immediately following the calendar year of issuance of the certificate of tax exemption eligibility. However, the exemption does not include the value of land or

nonhousing-related improvements not qualifying under this chapter. When a local government adopts guidelines pursuant to RCW 84.14.030(2) and the qualifying dwelling units are each on separate parcels for the purpose of property taxation, the exemption may, at the local government's discretion, be limited to those dwelling units that meet the local guidelines.

(2) In the case of rehabilitation of existing buildings, the exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

(3) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

(4) At the conclusion of the ten-year exemption period, the new or rehabilitated housing cost shall be considered as new construction for the purposes of chapter 84.55 RCW.

Sec. 3. RCW 84.14.110 and 2001 c 185 s 1 are each amended to read as follows:

(1) If improvements have been exempted under this chapter, the improvements continue to be exempted and not be converted to another use for at least ten years from date of issuance of the certificate of tax exemption. If the owner intends to convert the multifamily development to another use, the owner shall notify the assessor within sixty days of the change in use. If, after a certificate of tax exemption has been filed with the county assessor the city or assessor or agent discovers that a portion of the property is changed or will be changed to a use that is other than residential or that housing or amenities no longer meet the requirements as previously approved or agreed upon by contract between the governing authority and the owner and that the multifamily housing, or a portion of the housing, no longer qualifies for the exemption, the tax exemption must be canceled and the following must occur:

(a) Additional real property tax must be imposed upon the value of the nonqualifying improvements in the amount that would normally be imposed, plus a penalty must be imposed amounting to twenty percent. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonmultifamily use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the improvements had been assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty must become a lien on the land and attach at the time the property or portion of the property is removed from multifamily use or the amenities no longer meet applicable requirements, and has priority to and must be fully paid and satisfied before a recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(2) Upon a determination that a tax exemption is to be canceled for a reason stated in this section, the governing authority shall notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to cancel the exemption. The owner may appeal the determination to the governing authority within thirty days by filing a notice of appeal with the clerk of the governing authority, which notice must specify the factual and legal basis on which the determination of cancellation is alleged to be erroneous. The governing authority or a hearing examiner or other official authorized by the governing authority may hear the appeal. At the hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer shall either affirm, modify, or repeal the decision of cancellation of exemption based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court under RCW 34.05.510 through 34.05.598.

(3) Upon determination by the governing authority or authorized representative to terminate an exemption, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor shall make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The value of the new housing construction, conversion, and rehabilitation improvements added to the rolls shall be considered as new construction for the purposes of chapter 84.55 RCW. The owner may appeal the valuation to the county board of equalization under chapter 84.48 RCW and according to the provisions of RCW 84.40.038. If there has been a failure to comply with this chapter, the property must be listed as an omitted assessment for assessment years beginning January 1 of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered."

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature finds that statewide enhanced 911 has proven to be a lifesaving service and that routing a 911 call to the appropriate public safety answering point with a display of the caller's identification and location should be available for all users of telecommunications services, regardless of the technology used to make and transmit the 911 call. These standards must not exceed the requirements set by the federal communications commission. The authority given to the state enhanced 911 coordinator in this section is limited to setting standards as set forth in this section and does not constitute authority to regulate radio communications service companies.

notice of such tax to all local exchange companies serving in the county at least sixty days in advance of the date on which the first payment is due.

(2) The legislative authority of a county may also impose a county enhanced 911 excise tax on the use of radio access lines whose place of primary use is located within the county in an amount not exceeding ~~((twenty-five))~~ fifty cents per month for each radio access line. The amount of tax shall be uniform for each radio access line. The county shall provide notice of such tax to all radio communications service companies serving in the county at least sixty days in advance of the date on which the first payment is due. Any county imposing this tax shall include in its ordinance a refund mechanism whereby the amount of any tax ordered to be refunded by the judgment of a court of record, or as a result of the resolution of any appeal therefrom, shall be refunded to the radio communications service company or local exchange company that collected the tax, and those companies shall reimburse the subscribers who paid the tax. The ordinance shall further provide that to the extent the subscribers who paid the tax cannot be identified or located, the tax paid by those subscribers shall be returned to the county.

(3) A state enhanced 911 excise tax is imposed on all switched access lines in the state. The amount of tax shall not exceed twenty cents per month for each switched access line. The tax shall be uniform for each radio access line. The tax imposed under this subsection (4) shall be remitted to the department of revenue by radio communications service companies, including those companies that resell radio access lines, on a tax return provided by the department. Tax proceeds shall be deposited by the treasurer in the enhanced 911 account created in RCW 38.52.540. The tax imposed under this subsection (4) is not subject to the taxes imposed under chapters 82.08 and 82.12 RCW or to any tax imposed by a local government.

(5) By August 31st of each year the state enhanced 911 coordinator shall recommend the level for the next year of the state enhanced 911 excise tax imposed by subsection (3) of this section, based on a systematic cost and revenue analysis, to the utilities and transportation commission. The commission shall by the following October 31st determine the level of the state enhanced 911 excise tax for the following year.

Sec. 10. RCW 82.14B.040 and 1998 c 304 s 4 are each amended to read as follows:

The state enhanced 911 tax and the county 911 tax on radio access lines shall be collected from the subscriber by the radio communications service company providing the radio access line to the subscriber. The amount of the tax shall be stated separately on the billing statement which is sent to the subscriber.

Sec. 11. RCW 82.14B.042 and 2000 c 106 s 2 are each amended to read as follows:

(1) The state enhanced 911 excise ~~((tax))~~ taxes imposed by this chapter must be paid by the subscriber to the local exchange company providing the switched access line or the radio communications service company providing the radio access line, and each local exchange company and each radio communications service company shall collect from the subscriber the full amount of the ~~((tax))~~ taxes payable. The state enhanced 911 excise ~~((tax))~~ taxes required by this chapter to be collected by the local exchange company ~~((is))~~ or the radio communications service company are deemed to be held in trust by the local exchange company or the radio communications service company until paid to the department. Any local exchange company or radio communications service company that appropriates or converts the tax collected to its own use or to any use other than the payment of the tax to the extent that the money collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(2) If any local exchange company or radio communications service company fails to collect the state enhanced 911 excise tax or, after collecting the tax, fails to pay it to the department in the

manner prescribed by this chapter, whether such failure is the result of its own act or the result of acts or conditions beyond its control, the local exchange company or the radio communications service company is personally liable to the state for the amount of the tax, unless the local exchange company or the radio communications service company has taken from the buyer in good faith a properly executed resale certificate under RCW 82.14B.200.

(3) The amount of tax, until paid by the subscriber to the local exchange company, the radio communications service company, or to the department, constitutes a debt from the subscriber to the local exchange company or the radio communications service company. Any local exchange company or radio communications service company that fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any subscriber who refuses to pay any tax due under this chapter is guilty of a misdemeanor. The state enhanced 911 excise ~~((tax))~~ taxes required by this chapter to be collected by the local exchange company or the radio communications service company must be stated separately on the billing statement that is sent to the subscriber.

(4) If a subscriber has failed to pay to the local exchange company or the radio communications service company the state enhanced 911 excise ~~((tax))~~ taxes imposed by this chapter and the local exchange company or the radio communications service company has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the subscriber for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the subscriber to pay the tax to the local exchange company or the radio communications service company, regardless of when the tax is collected by the department. Tax under this chapter is due as provided under RCW 82.14B.061.

Sec. 12. RCW 82.14B.061 and 2000 c 106 s 3 are each amended to read as follows:

(1) The department of revenue shall administer and shall adopt such rules as may be necessary to enforce and administer the state enhanced 911 excise ~~((tax))~~ taxes imposed by this chapter. Chapter 82.32 RCW, with the exception of RCW 82.32.045, 82.32.145, and 82.32.380, applies to the administration, collection, and enforcement of the state enhanced 911 excise ~~((tax))~~ taxes.

(2) The state enhanced 911 excise ~~((tax))~~ taxes imposed by this chapter, along with reports and returns on forms prescribed by the department, are due at the same time the taxpayer reports other taxes under RCW 82.32.045. If no other taxes are reported under RCW 82.32.045, the taxpayer shall remit tax on an annual basis in accordance with RCW 82.32.045.

(3) The department of revenue may relieve any taxpayer or class of taxpayers from the obligation of remitting monthly and may require the return to cover other longer reporting periods, but in no event may returns be filed for a period greater than one year.

(4) The state enhanced 911 excise ~~((tax))~~ taxes imposed by this chapter ~~((is))~~ are in addition to any taxes imposed upon the same persons under chapters 82.08 and 82.12 RCW.

Sec. 13. RCW 82.14B.200 and 1998 c 304 s 10 are each amended to read as follows:

(1) Unless a local exchange company or a radio communications service company has taken from the buyer a resale certificate or equivalent document under RCW 82.04.470, the burden of proving that a sale of the use of a switched access ~~((lines [line]))~~ line or radio access line was not a sale to a subscriber is upon the person who made the sale.

(2) If a local exchange company or a radio communications service company does not receive a resale certificate at the time of the sale, have a resale certificate on file at the time of the sale, or obtain a resale certificate from the buyer within a reasonable time after the sale, the local exchange company or the radio communications service company remains liable for the tax as provided in RCW 82.14B.042, unless the local exchange company or the radio communications service company can demonstrate facts and circumstances according to rules adopted by the department of revenue that show the sale was properly made without payment of the state enhanced 911 excise tax.

(3) The penalty imposed by RCW 82.32.291 may not be assessed on state enhanced 911 excise taxes due but not paid as a result of the improper use of a resale certificate. This subsection does not prohibit or restrict the application of other penalties authorized by law.

NEW SECTION. Sec. 14. RCW 38.52.560 (Automatic number identification--Wireless two-way telecommunications service) and 1994 c 96 s 5 are each repealed.

NEW SECTION. **Sec. 15.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 16.** This act takes effect January 1, 2003."

SSB 6248 Prime Sponsor, Senate Committee on Transportation: Funding bicycle and pedestrian safety. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that bicycling and walking are becoming increasingly popular in Washington as clean and efficient modes of transportation, as recreational activities, and as organized sports. Future plans for the state's transportation system will require increased access and safety for bicycles and pedestrians on our common roadways, and federal transportation legislation and funding programs have created strong incentives to implement these changes quickly. As a result, many more people are likely to take up bicycling in Washington both as a leisure activity and as a convenient, inexpensive form of transportation. Bicyclists are more vulnerable to injury and accident than motorists, and both should be knowledgeable about traffic laws. Bicyclists should be highly visible and predictable when riding in traffic, and be encouraged to wear bicycle safety helmets. Hundreds of bicyclists and pedestrians are seriously injured every year in accidents, and millions of dollars are spent on health care costs associated with these accidents. There is clear evidence that organized training in the rules and techniques of safe and effective cycling can significantly reduce the incidence of serious injury and accidents, increase cooperation among road users, and significantly increase the incidence of bicycle helmet use, particularly among minors. A reduction in accidents benefits the entire community. Therefore, it is appropriate for businesses and community organizations to provide donations to bicycle and pedestrian safety training programs.

NEW SECTION. Sec. .2 A new section is added to chapter 46.04 RCW to read as follows:
"Cooper Jones Act license plate emblems" means emblems on valid Washington license plates that display the symbol of bicycle safety created in section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 46.16 RCW to read as follows:
In cooperation with the Washington state patrol and the department of licensing, the traffic safety commission shall create and design, and the department shall issue, Cooper Jones license plate emblems displaying a symbol of bicycle safety that may be used on motor vehicles required to display two motor vehicle license plates, excluding vehicles registered under chapter 46.87 RCW, upon terms and conditions established by the department. These license plate emblems will fund the Cooper Jones act and provide funding for bicyclist and pedestrian safety education, enforcement, and encouragement.

Any person may purchase Cooper Jones license plate emblems. The emblems are to be displayed on the vehicle license plates in the manner described by the department, existing vehicular licensing procedures, and current laws. The fee for Cooper Jones emblems shall be twenty-five dollars. The department shall deduct an amount not to exceed five dollars of each fee collected for Cooper Jones emblems for administration and collection expenses. The remaining proceeds shall be remitted to the custody of the state treasurer with a proper identifying detailed report. The state treasurer shall credit the proceeds to the bicycle and pedestrian safety account as established in RCW 43.59.150."

ESB 6316 Prime Sponsor, Senator Kastama: Regulating electric personal assistive mobility devices.
Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.04 RCW to read as follows:

"Electric personal assistive mobility device" (EPAMD) means a self-balancing device with two wheels not in tandem, designed to transport only one person by an electric propulsion system with an average power of seven hundred fifty watts (one horsepower) having a maximum speed on a paved level surface, when powered solely by such a propulsion system while ridden by an operator weighing one hundred seventy pounds, of less than twenty miles per hour.

Sec. 2. RCW 46.04.320 and 1961 c 12 s 46.04.320 are each amended to read as follows:

"Motor vehicle" shall mean every vehicle which is self-propelled and every vehicle which is propelled by electric power obtained from overhead trolley wires, but not operated upon rails. An electric personal assistive mobility device is not considered a motor vehicle.

Sec. 3. RCW 46.04.330 and 1990 c 250 s 20 are each amended to read as follows:

"Motorcycle" means a motor vehicle designed to travel on not more than three wheels in contact with the ground, on which the driver rides astride the motor unit or power train and is designed to be steered with a handle bar, but excluding a farm tractor, an electric personal assistive mobility device, and a moped.

The Washington state patrol may approve of and define as a "motorcycle" a motor vehicle that fails to meet these specific criteria, but that is essentially similar in performance and application to motor vehicles that do meet these specific criteria.

Sec. 4. RCW 46.04.332 and 1979 ex.s. c 213 s 3 are each amended to read as follows:

"Motor-driven cycle" means every motorcycle, including every motor scooter, with a motor ~~((which))~~ that produces not to exceed five brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft). A motor-driven cycle does not include a moped or an electric personal assistive mobility device.

Sec. 5. RCW 46.04.670 and 1994 c 262 s 2 are each amended to read as follows:

"Vehicle" includes every device capable of being moved upon a public highway and in, upon, or by which any persons or property is or may be transported or drawn upon a public highway, including bicycles. The term does not include devices other than bicycles moved by human or animal power or used exclusively upon stationary rails or tracks. Mopeds shall not be considered vehicles or motor vehicles for the purposes of chapter 46.70 RCW. Bicycles shall not be considered vehicles for the purposes of chapter 46.12, 46.16, or 46.70 RCW. Electric personal assistive mobility devices are not considered vehicles or motor vehicles for the purposes of chapter 46.12, 46.16, 46.29, 46.37, or 46.70 RCW.

Sec. 6. RCW 46.20.500 and 1999 c 274 s 8 are each amended to read as follows:

(1) No person may drive a motorcycle or a motor-driven cycle unless such person has a valid driver's license specially endorsed by the director to enable the holder to drive such vehicles.

(2) However, a person sixteen years of age or older, holding a valid driver's license of any class issued by the state of the person's residence, may operate a moped without taking any special examination for the operation of a moped.

(3) No driver's license is required for operation of an electric-assisted bicycle if the operator is at least sixteen years of age. Persons under sixteen years of age may not operate an electric-assisted bicycle.

(4) No driver's license is required to operate an electric personal assistive mobility device.

Sec. 7. RCW 46.61.710 and 1997 c 328 s 5 are each amended to read as follows:

(1) No person shall operate a moped upon the highways of this state unless the moped has been assigned a moped registration number and displays a moped permit in accordance with the provisions of RCW 46.16.630.

(2) Notwithstanding any other provision of law, a moped may not be operated on a bicycle path or trail, bikeway, equestrian trail, or hiking or recreational trail.

(3) Operation of a moped, electric personal assistive mobility device, or an electric-assisted bicycle on a fully controlled limited access highway ~~((or on a sidewalk))~~ is unlawful. Operation of a moped or an electric-assisted bicycle on a sidewalk is unlawful.

(4) Removal of any muffling device or pollution control device from a moped is unlawful.

(5) Subsections (1), (2), and (4) of this section do not apply to electric-assisted bicycles. Electric-assisted bicycles may have access to highways of the state to the same extent as bicycles. Electric-assisted bicycles may be operated on a multipurpose trail or bicycle lane, but local jurisdictions may restrict or otherwise limit the access of electric-assisted bicycles.

(6) A person operating an electric personal assistive mobility device (EPAMD) shall obey all speed limits and shall yield the right-of-way to pedestrians and human-powered devices at all times. An operator must also give an audible signal before overtaking and passing a pedestrian. Except for the limitations of this subsection, persons operating an EPAMD have all the rights and duties of a pedestrian.

(7) The use of an EPAMD may be regulated in the following circumstances:

(a) A municipality and the department of transportation may prohibit the operation of an EPAMD on public highways within their respective jurisdictions where the speed limit is greater than twenty-five miles per hour;

(b) A municipality may restrict the speed of an EPAMD in locations with congested pedestrian or nonmotorized traffic and where there is significant speed differential between pedestrians or nonmotorized traffic and EPAMD operators. The areas in this subsection must be designated by the city engineer or designee of the municipality. Municipalities shall not restrict the speed of an EPAMD in the entire community or in areas in which there is infrequent pedestrian traffic.

Sec. 8. RCW 35.75.020 and 1965 c 7 s 35.75.020 are each amended to read as follows:

It shall be unlawful for any person to lead, drive, ride, or propel any team, wagon, animal, or vehicle other than a bicycle, electric personal assistive mobility device, or similar vehicle upon and along any bicycle path constructed within or without the corporate limits of any city or town excepting at suitable crossings to be provided in the construction of such paths. Any person violating the provisions of this section shall be guilty of a misdemeanor.

NEW SECTION. Sec. 9. The legislature shall review the provisions of this act and make any necessary changes by July 1, 2005."

(1) No later than July 1, 2003, the department shall adopt rules to allow a member who meets the criteria set forth in subsection (2) of this section to choose an actuarially equivalent benefit that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of a spouse ineligible for survivor benefits under RCW 41.26.160 or 41.26.161.

(2) To choose an actuarially equivalent benefit according to subsection (1) of this section, a member shall:

(a) Have the retirement allowance payable to the retiree not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670;

(b) Have no qualified ex spouse under RCW 41.26.162(1); and

(c) Choose an actuarially reduced benefit during a one-year period beginning one year after the date of marriage to the survivor benefit-ineligible spouse.

(3) A member who married a spouse ineligible for survivor benefits under RCW 41.26.160 or 41.26.161 prior to the effective date of the rules adopted under this section and satisfies the conditions of subsection (2)(a) and (b) of this section has one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(4) No benefit provided to a child survivor beneficiary under RCW 41.26.160 or 41.26.161 is affected or reduced by the member's selection of the actuarially reduced spousal survivor benefit provided by this section.

(5)(a) Any member who chose to receive a reduced retirement allowance under subsection (1) of this section is entitled to receive a retirement allowance adjusted in accordance with (b) of this subsection if:

(i) The retiree's survivor spouse designated in subsection (1) of this section predeceases the retiree; and

(ii) The retiree provides to the department proper proof of the designated beneficiary's death.

(b) The retirement allowance payable to the retiree from the beginning of the month following the date of the beneficiary's death shall be increased by the following:

(i) One hundred percent multiplied by the result of (b)(ii) of this subsection converted to a percent;

(ii) Subtract one from the reciprocal of the appropriate joint and survivor option factor.

Sec. 5. RCW 41.50.670 and 1998 c 341 s 513 are each amended to read as follows:

(1) Nothing in this chapter regarding mandatory assignment of benefits to enforce a spousal maintenance obligation shall abridge the right of an obligee to direct payments of retirement benefits to satisfy a property division obligation ordered pursuant to a court decree of dissolution or legal separation or any court order or court-approved property settlement agreement incident to any court decree of dissolution or legal separation as provided in RCW 2.10.180, 2.12.090, 41.04.310, 41.04.320, 41.04.330, 41.26.053, 41.26.162, 41.32.052, 41.35.100, 41.34.070(~~(43))~~ (4), 41.40.052, 43.43.310, or 26.09.138, as those statutes existed before July 1, 1987, and as those statutes exist on and after July 28, 1991. The department shall pay benefits under this chapter in a lump sum or as a portion of periodic retirement payments as expressly provided by the dissolution order. A dissolution order may not order the department to pay a periodic retirement payment or lump sum unless that payment is specifically authorized under the provisions of chapter 2.10, 2.12, 41.26, 41.32, 41.35, 41.34, 41.40, or 43.43 RCW, as applicable.

(2) The department shall pay directly to an obligee the amount of periodic retirement payments or lump sum payment, as appropriate, specified in the dissolution order if the dissolution order filed with the department pursuant to subsection (1) of this section includes a provision that states in the following form:

If (the obligor) receives periodic retirement payments as defined in RCW 41.50.500, the department of retirement systems shall pay to (the obligee) dollars from such payments or . . . percent of such payments. If the obligor's debt is expressed as a percentage of his or her periodic retirement payment and the obligee does not have a survivorship interest in the obligor's benefit, the amount received by the obligee shall be the percentage of the periodic retirement payment that the obligor would have received had he or she selected a standard allowance.

If (the obligor) requests or has requested a withdrawal of accumulated contributions as defined in RCW 41.50.500, or becomes eligible for a lump sum death benefit, the department of retirement systems shall pay to (the obligee) dollars plus interest at the rate paid by the department of retirement systems on member contributions. Such interest to accrue from the date of this order's entry with the court of record.

(3) This section does not require a member to select a standard allowance upon retirement nor does it require the department to recalculate the amount of a retiree's periodic retirement payment based on a change in survivor option.

(4) A court order under this section may not order the department to pay more than seventy-five percent of an obligor's periodic retirement payment to an obligee.

(5) Persons whose court decrees were entered between July 1, 1987, and July 28, 1991, shall also be entitled to receive direct payments of retirement benefits to satisfy court-ordered property divisions if the dissolution orders comply or are modified to comply with this section and RCW 41.50.680 through 41.50.720 and, as applicable, RCW 2.10.180, 2.12.090, 41.26.053, 41.32.052, 41.35.100, 41.34.070, 41.40.052, 43.43.310, and 26.09.138.

(6) The obligee must file a copy of the dissolution order with the department within ninety days of that order's entry with the court of record.

(7) A division of benefits pursuant to a dissolution order under this section shall be based upon the obligor's gross benefit prior to any deductions. If the department is required to withhold a portion of the member's benefit pursuant to 26 U.S.C. Sec. 3402 and the sum of that amount plus the amount owed to the obligee exceeds the total benefit, the department shall satisfy the withholding requirements

under 26 U.S.C. Sec. 3402 and then pay the remainder to the obligee. The provisions of this subsection do not apply to amounts withheld pursuant to 26 U.S.C. Sec. 3402(i).

Sec. 6. RCW 41.50.700 and 1991 c 365 s 16 are each amended to read as follows:

(1) Except under subsection (3) of this section, the department's obligation to provide direct payment of a property division obligation to an obligee under RCW 41.50.670 shall cease upon the death of the obligee or upon the death of the obligor, whichever comes first. However, if an obligor dies and is eligible for a lump sum death benefit, the department shall be obligated to provide direct payment to the obligee of all or a portion of the withdrawal of accumulated contributions pursuant to a court order that complies with RCW 41.50.670.

(2) The direct payment of a property division obligation to an obligee under RCW 41.50.670 shall be paid as a deduction from the member's periodic retirement payment. An obligee may not direct the department to withhold any funds from such payment.

(3) The department's obligation to provide direct payment to a nonmember ex spouse from a preretirement divorce meeting the criteria of RCW 41.26.162(2) or 43.43.270(2) may continue for the life of the member's surviving spouse qualifying for benefits under RCW 41.26.160, 41.26.161, or 43.43.270(2). Upon the death of the member's surviving spouse qualifying for benefits under RCW 41.26.160, 41.26.161, or 43.43.270(2), the department's obligation under this subsection shall cease.

Sec. 7. RCW 41.26.460 and 2000 c 186 s 1 are each amended to read as follows:

(1) Upon retirement for service as prescribed in RCW 41.26.430 or disability retirement under RCW 41.26.470, a member shall elect to have the retirement allowance paid pursuant to the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. Such benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The spousal consent provisions of (a) of this subsection do not apply.

(3)(a) Any member who retired before January 1, 1996, and who elected to receive a reduced retirement allowance under subsection (1)(b) or (2) of this section is entitled to receive a retirement allowance adjusted in accordance with (b) of this subsection, if they meet the following conditions:

(i) The retiree's designated beneficiary predeceases or has predeceased the retiree; and

(ii) The retiree provides to the department proper proof of the designated beneficiary's death.

(b) The retirement allowance payable to the retiree, as of July 1, 1998, or the date of the designated beneficiary's death, whichever comes last, shall be increased by the percentage derived in (c) of this subsection.

(c) The percentage increase shall be derived by the following:

(i) One hundred percent multiplied by the result of (c)(ii) of this subsection converted to a percent;

(ii) Subtract one from the reciprocal of the appropriate joint and survivor option factor;

(iii) The joint and survivor option factor shall be from the table in effect as of July 1, 1998.

(d) The adjustment under (b) of this subsection shall accrue from the beginning of the month following the date of the designated beneficiary's death or from July 1, 1998, whichever comes last.

(4) No later than July 1, 2001, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(5) No later than July 1, 2003, the department shall adopt rules to permit:

(a) A court-approved property settlement incident to a court decree of dissolution made before retirement to provide that benefits payable to a member who meets the length of service requirements of RCW 41.26.530(1) and the member's divorcing spouse be divided into two separate benefits payable over the life of each spouse.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried at the time of retirement remains subject to the spousal consent requirements of subsection (2) of this section. Both the retired member and the nonmember divorced spouse shall be eligible to commence receiving their separate benefits upon filing a copy of the dissolution order with the department in accordance with RCW 41.50.670.

(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout the member's life. However, if the retiree dies before the total of the retirement allowance paid to the retiree equals the amount of the retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. This benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The spousal consent provisions of (a) of this subsection do not apply.

(3) No later than January 1, 2003, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.

(c) The department may make an additional charge, if necessary, to ensure that the benefits provided under this subsection remain actuarially equivalent.

(4) No later than July 1, 2003, the department shall adopt rules to permit:

(a) A court-approved property settlement incident to a court decree of dissolution made before retirement to provide that benefits payable to a member who has completed at least five years of service and the member's divorcing spouse be divided into two separate benefits payable over the life of each spouse.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried at the time of retirement remains subject to the spousal consent requirements of subsection (2) of this section. Any reductions of the member's benefit subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

The nonmember ex spouse shall be eligible to commence receiving their separate benefit upon reaching the ages provided in RCW 43.43.250(2) and after filing a written application with the department.

(b) A court-approved property settlement incident to a court decree of dissolution made after retirement may only divide the benefit into two separate benefits payable over the life of each spouse if the nonmember ex spouse was selected as a survivor beneficiary at retirement.

The retired member may later choose the survivor benefit options available in subsection (3) of this section. Any actuarial reductions subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

Both the retired member and the nonmember divorced spouse shall be eligible to commence receiving their separate benefits upon filing a copy of the dissolution order with the department in accordance with RCW 41.50.670.

(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution."

ESSB 6400 Prime Sponsor, Senate Committee on Natural Resources, Parks & Shorelines: Developing a statewide biodiversity conservation strategy. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Natural Resources.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the state of Washington possesses a diversity of plants and animals in a diverse array of ecologically distinct regions. This biological diversity and its role in forming the diverse landscapes of the state are an important part of the high quality of life shared by all of the state's citizens and its visitors. By better understanding the variety and status of living organisms and the communities and ecosystems in which they occur, conservation efforts can be more effective in ensuring that this wealth of biological diversity is enjoyed by current and future generations.

The legislature further finds that extensive scientific work has been completed by both public and private entities to map the state's ecoregions and address ecoregional planning issues, by academic institutions, by state agencies such as the departments of natural resources and fish and wildlife, and by nongovernmental organizations such as the nature conservancy. However, these existing information sources are not complete, and this information may not be sufficiently coordinated or accessible and useful to the public or policymakers. Similarly, there is no single entity responsible for development and implementation of a coordinated state strategy to conserve remaining functioning ecosystems and restore habitats needed to maintain Washington's biodiversity. There should be a comprehensive review to identify the state's needs for biodiversity data and conservation, and to coordinate development, dissemination, and use of existing information.

There is also a need to strengthen the state's nonregulatory approaches to biodiversity conservation, including incentives for voluntary conservation efforts by private landowners. Incentives shall be a major element of the state's overall biodiversity conservation strategy.

The legislature further finds that resource management on a single-species or single-resource basis has proven to be costly, acrimonious, and ultimately ineffective at either preserving the state's biodiversity or allowing reasonable economic development.

Therefore, the purpose of this act is to create a temporary committee to develop recommendations to the governor and the legislature to establish the framework for the development and implementation of a statewide biodiversity conservation strategy, to replace existing single-species or single-resource protection programs.

NEW SECTION. Sec. 2. (1) The interagency committee for outdoor recreation is authorized to grant up to forty-five thousand dollars, on a competitive basis, to conduct the review of biodiversity programs as described in this section.

(2) The successful grantee must convene and facilitate a biodiversity conservation committee that will review existing biodiversity mapping and research programs in Washington conducted by state and federal agencies, nongovernmental organizations, and other entities, as well as reviewing programs and projects in other states.

(3) The biodiversity conservation committee must develop recommendations for a state biodiversity strategy that includes:

(a) Creation and composition of a standing public/private council to oversee design, development, and implementation of the strategy;

(b) Identification of a lead agency to support and facilitate development and implementation of a state biodiversity conservation plan;

(c) Methods to improve state agency and nongovernmental organization coordination and cooperation;

(d) Consistent definitions of the state's ecoregions and an integrated system of data management and mapping of the state's biodiversity;

(e) A review of Oregon's forest sustainability project and incorporation of key processes and criteria that are applicable in Washington;

(f) The state role for housing and administering biodiversity data and making the data accessible to local governments and others;

(g) A public education and outreach component that includes the production of a visual overview of Washington's ecoregions;

(h) Methods to ensure continuing stakeholder involvement;

- (i) Methods to provide technical assistance to support state and local government land management;
- (j) Identification of the time frames and funding needed to implement the strategy;
- (k) Identification and development of nonregulatory methods to preserve biodiversity, including incentives to conserve land with important biodiversity values. These methods shall focus on approaches such as landowner incentives and acquisition of conservation easements from willing landowners;
- (l) Recognition of the forests and fish program and other public-private efforts to identify and protect important fish and wildlife habitat;
- (m) Development of consistent, workable definitions for key terms that are currently undefined in this act, including the terms "biodiversity" and "ecosystem"; and
- (n) Review state policies and legal mechanisms that may affect biodiversity.
- (4) The purpose of the state biodiversity strategy is to develop and suggest implementation recommendations for an ongoing biodiversity conservation strategy to maintain Washington's biodiversity in perpetuity, within the context of human activities on the landscape, to prevent additional species from being listed as endangered or threatened, and to create a more predictable environment in which to conduct economic activities.
- (5) In carrying out the duties assigned in this section, the biodiversity conservation committee must recognize existing conservation commitments, including approved habitat conservation plans and other similar methods initiated by the legislature or a regulatory board, and focus on addressing conservation needs that have not already been addressed.
- (6) The successful grantee must invite representatives of the following groups to participate on the biodiversity conservation committee:
- (a) State agencies, including the departments of fish and wildlife, natural resources, and ecology, the Puget Sound action team, and the state salmon recovery office;
- (b) Federal land management and natural resource agencies;
- (c) Local governments;
- (d) Tribes;
- (e) Property owners, including forestry and agriculture;
- (f) Business, including land development;
- (g) Academia and research institutions; and
- (h) Conservation nongovernmental organizations.
- (7) The biodiversity conservation committee must choose a chair from among its members and adopt operating procedures.
- (8) The grant agreement must be conditioned to require that at least an amount of funding equal to the state grant be applied to the project from nonstate sources.
- (9) The grantee must provide a final report describing its review and recommendations to the governor and the appropriate standing committees of the senate and the house of representatives by October 1, 2003."

SSB 6461 Prime Sponsor, Senate Committee on Transportation: Strengthening procedures for disqualification of drinking or drugged commercial drivers. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.25 RCW to read as follows:

All medical review officers or breath alcohol technicians hired by or under contract to a motor carrier or employer who is required to have a testing program under 49 C.F.R. 382 or to a consortium the carrier belongs to, as defined in 49 C.F.R. 382.17, shall report the finding of a commercial driver's confirmed positive drug or alcohol test to the department of licensing on a form provided by the department. Motor carriers, employers, or consortiums shall make it a written condition of their contract or agreement with a medical review officer or breath alcohol technician, regardless of the state where the medical review officer or breath alcohol technician is located, that the medical review officer or breath alcohol technician is required to report all Washington state licensed drivers who have a confirmed positive drug or alcohol test to the department of licensing within three business days of the confirmed test. Failure to obtain this contractual condition or agreement with the medical review officer or breath alcohol technician by the motor carrier, employer, or consortium will result in an administrative fine as provided in RCW 81.04.405. Substances obtained for testing may not be used for any purpose other than drug or alcohol testing under 49 C.F.R. 382.

NEW SECTION. Sec. 2. A new section is added to chapter 46.25 RCW to read as follows:

(1) When the department of licensing receives a report from a medical review officer or breath alcohol technician that the holder of a commercial driver's license has a confirmed positive drug or alcohol test, either as part of the testing program required by 49 C.F.R. 382 or as part of a preemployment drug test, the department shall disqualify the driver from driving a commercial motor vehicle under RCW 46.25.090(7) subject to a hearing as provided in this section. The department shall notify the person in writing of the disqualification by first class mail. The notice must explain the procedure for the person to request a hearing.

(2) A person disqualified from driving a commercial motor vehicle for having a confirmed positive drug or alcohol test may request a hearing to challenge the disqualification within twenty days from the date notice is given. If the request for a hearing is mailed, it must be postmarked within twenty days after the department has given notice of the disqualification.

(3) The hearing must be conducted in the county of the person's residence, except that the department may conduct all or part of the hearing by telephone or other electronic means.

(4) For the purposes of this section, the hearing must be limited to the following issues: (a) Whether the driver is the person who took the drug or alcohol test; (b) whether the motor carrier, employer, or consortium has a program that meets the federal requirements under 49 C.F.R. 382; and (c) whether the medical review officer or breath alcohol technician making the report accurately followed the protocols for testing established to certify the results. Evidence may be presented to demonstrate that the test results are a false positive. For the purpose of a hearing under this section, a copy of the positive test result with a declaration by the tester or medical review officer or breath alcohol technician stating the accuracy of the laboratory protocols followed to arrive at the test result is prima facie evidence of a confirmed positive drug or alcohol test result. After the hearing, the department shall order the disqualification of the person either be rescinded or sustained.

(5) If the person does not request a hearing within the twenty-day time limit, or if the person fails to appear at a hearing, the person has waived the right to a hearing and the department shall sustain the disqualification.

(6) A decision by the department disqualifying a person from driving a commercial motor vehicle is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation and the department receives no further report of a confirmed positive drug or alcohol test during the pendency of the hearing and appeal. If the disqualification is sustained after the hearing, the person who is disqualified may file a petition in the superior court of the county of his or her residence to

review the final order of disqualification by the department in the manner provided in RCW 46.20.334.

(7) The department of licensing may adopt rules specifying further requirements for requesting a hearing under this section.

(8) The department of licensing is not civilly liable for damage resulting from disqualifying a driver based on a confirmed positive drug or alcohol test result as required by this section or for damage resulting from release of this information that occurs in the normal course of business.

Sec. 3. RCW 46.25.090 and 1996 c 30 s 3 are each amended to read as follows:

(1) A person is disqualified from driving a commercial motor vehicle for a period of not less than one year if a report has been received by the department pursuant to RCW 46.25.120, or if the person has been convicted of a first violation, within this or any other jurisdiction, of:

(a) Driving a commercial motor vehicle under the influence of alcohol or any drug;

(b) Driving a commercial motor vehicle while the alcohol concentration in the person's system is 0.04 or more as determined by any testing methods approved by law in this state or any other state or jurisdiction;

(c) Leaving the scene of an accident involving a commercial motor vehicle driven by the person;

(d) Using a commercial motor vehicle in the commission of a felony;

(e) Refusing to submit to a test to determine the driver's alcohol concentration while driving a motor vehicle.

If any of the violations set forth in this subsection occurred while transporting a hazardous material required to be identified by a placard, the person is disqualified for a period of not less than three years.

(2) A person is disqualified for life if it has been determined that the person has committed or has been convicted of two or more violations of any of the offenses specified in subsection (1) of this section, or any combination of those offenses, arising from two or more separate incidents. Only offenses committed after October 1, 1989, may be considered in applying this subsection.

(3) The department may adopt rules, in accordance with federal regulations, establishing guidelines, including conditions, under which a disqualification for life under subsection (2) of this section may be reduced to a period of not less than ten years.

(4) A person is disqualified from driving a commercial motor vehicle for life who uses a commercial motor vehicle in the commission of a felony involving the manufacture, distribution, or dispensing of a controlled substance, as defined by chapter 69.50 RCW, or possession with intent to manufacture, distribute, or dispense a controlled substance, as defined by chapter 69.50 RCW.

(5) A person is disqualified from driving a commercial motor vehicle for a period of not less than sixty days if convicted of or found to have committed two serious traffic violations, or one hundred twenty days if convicted of or found to have committed three serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period.

(6) A person is disqualified from driving a commercial motor vehicle for a period of:

(a) Not less than ninety days nor more than one year if convicted of or found to have committed a first violation of an out-of-service order while driving a commercial vehicle;

(b) Not less than one year nor more than five years if, during a ten-year period, the person is convicted of or is found to have committed two violations of out-of-service orders while driving a commercial vehicle in separate incidents;

(c) Not less than three years nor more than five years if, during a ten-year period, the person is convicted of or is found to have committed three or more violations of out-of-service orders while driving commercial vehicles in separate incidents;

(d) Not less than one hundred eighty days nor more than two years if the person is convicted of or is found to have committed a first violation of an out-of-service order while transporting hazardous materials required to be placarded under the Hazardous Materials Transportation Act (46 U.S.C. Sec. 1801-1813), or while operating motor vehicles designed to transport sixteen or more passengers, including the driver. A person is disqualified for a period of not less than three years nor more than five years if, during a ten-year period, the person is convicted of or is found to have committed subsequent violations of out-of-service orders, in separate incidents, while transporting hazardous

materials required to be placarded under the Hazardous Materials Transportation Act, or while operating motor vehicles designed to transport sixteen or more passengers, including the driver.

(7) A person is disqualified from driving a commercial motor vehicle if a report has been received by the department under section 2 of this act that the person has received a confirmed positive drug or alcohol test either as part of the testing program required by 49 C.F.R. 382 or 49 C.F.R. 40 or as part of a preemployment drug test. A disqualification under this subsection remains in effect until the person undergoes a drug and alcohol assessment by an agency certified by the department of social and health services and, if the person is classified as an alcoholic, drug addict, alcohol abuser, or drug abuser, until the person presents evidence of satisfactory participation in or successful completion of a drug or alcohol treatment program that has been certified by the department of social and health services under chapter 70.96A RCW and until the person has met the requirements of RCW 46.25.100. The agency making a drug and alcohol assessment under this section shall forward a diagnostic evaluation and treatment recommendation to the department of licensing for use in determining the person's eligibility for driving a commercial motor vehicle. Persons who are disqualified under this subsection more than twice in a five-year period are disqualified for life.

(8) Within ten days after suspending, revoking, or canceling a commercial driver's license, the department shall update its records to reflect that action. After suspending, revoking, or canceling a nonresident commercial driver's privileges, the department shall notify the licensing authority of the state that issued the commercial driver's license.

Sec. 4. RCW 46.25.100 and 1989 c 178 s 12 are each amended to read as follows:

When a person has been disqualified from operating a commercial motor vehicle, the person is not entitled to have the commercial driver's license restored until after the expiration of the appropriate disqualification period required under RCW 46.25.090 or until the department has received a drug and alcohol assessment and evidence is presented of satisfactory participation in or completion of any required drug or alcohol treatment program for ending the disqualification under RCW 46.25.090(7). After expiration of the appropriate period and upon payment of a requalification fee of twenty dollars, or one hundred fifty dollars if the person has been disqualified under RCW 46.25.090(7), the person may apply for a new, duplicate, or renewal commercial driver's license as provided by law. If the person has been disqualified for a period of one year or more, the person shall demonstrate that he or she meets the commercial driver's license qualification standards specified in RCW 46.25.060.

Sec. 5. RCW 46.25.120 and 1998 c 41 s 6 are each amended to read as follows:

(1) A person who drives a commercial motor vehicle within this state is deemed to have given consent, subject to RCW 46.61.506, to take a test or tests of that person's blood or breath for the purpose of determining that person's alcohol concentration or the presence of other drugs.

(2) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the commercial motor vehicle driver, has probable cause to believe that driver was driving a commercial motor vehicle while having alcohol in his or her system.

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under RCW 46.25.090.

(4) If the person refuses testing, or submits to a test that discloses an alcohol concentration of 0.04 or more, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section and that the person refused to submit to testing, or submitted to a test that disclosed an alcohol concentration of 0.04 or more.

(5) Upon receipt of the sworn report of a law enforcement officer under subsection (4) of this section, the department shall disqualify the driver from driving a commercial motor vehicle under RCW 46.25.090, subject to the hearing provisions of RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a commercial motor vehicle within this state while having alcohol in the person's system, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the disqualification of the person from driving a commercial motor vehicle, and, if the test was administered, whether the results indicated an alcohol concentration of 0.04 percent or more. The department shall order that the disqualification of the person either be rescinded or sustained. Any decision by the department

disqualifying a person from driving a commercial motor vehicle is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during the pendency of the hearing and appeal. If the disqualification of the person is sustained after the hearing, the person who is disqualified may file a petition in the superior court of the county of arrest to review the final order of disqualification by the department in the manner provided in RCW 46.20.334.

(6) If a motor carrier or employer who is required to have a testing program under 49 C.F.R. 382 knows that a commercial driver in his or her employ has refused to submit to testing under this section and has not been disqualified from driving a commercial motor vehicle, the employer may notify law enforcement or his or her medical review officer or breath alcohol technician that the driver has refused to submit to the required testing.

(7) The hearing provisions of this section do not apply to those persons disqualified from driving a commercial motor vehicle under RCW 46.25.090(7)."
