Subject: Plan I COLA

CAUTION: External email.

Dear SCPP Member:

My name is Robert Brooke and I am a TRS retiree. I have been retired for eleven years and only have received three cost of living adjustments over that time. I am struggling to keep up with inflation as everything has gone up, especially basic needs, including food, gas, utilities, health care premiums, insurance, etc. I am asking you to please recommend a Plan I COLA to the 2023 Legislature. I am struggling financially just keeping up and am counting on you to help me.

Very Sincerely,

Robert Brooke
