THIRD READING

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1086 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that the analysis of environmental impacts required under the state environmental policy act adds value to government decision-making processes in Washington state and helps minimize the potential environmental harm coming from those government

decisions. However, the legislature also recognizes that excessive delays in the environmental impact analysis process adds uncertainty and burdensome costs to those seeking to do business in the state of Washington. Therefore, it is the intent of the legislature to promote timely completion of state environmental policy act processes. In doing so, the legislature intends to restore balance between the need to carefully consider environmental impacts and the need to maintain the economic competitiveness of state businesses.

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.21C RCW to read as follows:

(1) A lead agency shall aspire to prepare a final environmental impact statement required by RCW 43.21C.030(2) in as expeditious a manner as possible while not compromising the integrity of the analysis.

(a) For even the most complex government decisions associated with a broad scope of possible environmental impacts, a lead agency shall aspire to prepare a final environmental impact statement required by RCW 43.21C.030(2) within twenty-four months of a threshold determination of a probable significant, adverse environmental impact.

(b) Wherever possible, a lead agency shall aspire to far outpace the twenty-four month time limit established in this section for more commonplace government decisions associated with narrower and more easily identifiable environmental impacts.

(2) Beginning December 31, 2018, and every two years thereafter, the department of ecology must submit a report on the environmental impact statements produced by state agencies and local governments to the appropriate committees of the legislature. The report must include data on the average time, and document the range of time, it took to complete environmental impact statements within the previous two years.

(3) Nothing in this section creates any civil liability for a lead agency or creates a new cause of action against a lead agency."

On page 1, line 2 of the title, after "years;" strike the remainder of the title and insert "adding a new

section to chapter 43.21C RCW; and creating a new section."

and the same is herewith transmitted.

Pablo S. Campos, Deputy, Secretary

MESSAGE FROM THE SENATE

April 5, 2017

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1278 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 18.74 RCW to read as follows:

The Physical Therapy Licensure Compact as set forth in this section is hereby enacted into law and entered into on behalf of this state with any and all other states legally joining therein in a form substantially as follows:

PHYSICAL THERAPY LICENSURE COMPACT

ARTICLE I - PURPOSE

The purpose of this compact is to facilitate interstate practice of physical therapy with the goal of improving public access to physical therapy services. The practice of physical therapy occurs in the state where the patient/client is located at the time of the patient/client encounter. The compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure.

This compact is designed to achieve the following objectives:

(1) Increase public access to physical therapy services by providing for the mutual recognition of other member state licenses;

(2) Enhance the states' ability to protect the public's health and safety;

(3) Encourage the cooperation of member states in regulating multistate physical therapy practice;

(4) Support spouses of relocating military members;

(5) Enhance the exchange of licensure, investigative, and disciplinary information between member states; and

(6) Allow a remote state to hold a provider of services with a compact privilege in that state accountable to that state's practice standards.

ARTICLE II - DEFINITIONS

As used in this compact, and except as otherwise provided, the following definitions apply:

(1) "Active duty military" means full-time duty status in the active uniformed service of the United States, including members of the national guard and reserve on active duty orders pursuant to 10 U.S.C. Secs. 1209 and 1211.

(2) "Adverse action" means disciplinary action taken by a physical therapy licensing board based upon misconduct, unacceptable performance, or a combination of both.

(3) "Alternative program" means a nondisciplinary monitoring or practice remediation process approved by a physical therapy licensing board. This includes, but is not limited to, substance abuse issues.

(4) "Compact privilege" means the authorization granted by a remote state to allow a licensee from another member state to practice as a physical therapist or work as a physical therapist assistant in the remote state under its laws and rules. The practice of physical therapy occurs in the member state where the patient/client is located at the time of the patient/client encounter.

(5) "Continuing competence" means a requirement, as a condition of license renewal, to provide evidence of participation in, and/or completion of, educational and professional activities relevant to practice or area of work.

(6) "Data system" means a repository of information about licensees, including examination, licensure, investigative, compact privilege, and adverse action.

(7) "Encumbered license" means a license that a physical therapy licensing board has limited in any way.

(8) "Executive board" means a group of directors elected or appointed to act on behalf of, and within the powers granted to them by, the commission.

(9) "Home state" means the member state that is the licensee's primary state of residence.

(10) "Investigative information" means information, records, and documents received or generated by a

physical therapy licensing board pursuant to an investigation.

(11) "Jurisprudence requirement" means the assessment of an individual's knowledge of the laws and rules governing the practice of physical therapy in a state.

(12) "Licensee" means an individual who currently holds an authorization from the state to practice as a physical therapist or to work as a physical therapist assistant.

(13) "Member state" means a state that has enacted the compact.

(14) "Party state" means any member state in which a licensee holds a current license or compact privilege or is applying for a license or compact privilege.

(15) "Physical therapist" means an individual who is licensed by a state to practice physical therapy.

(16) "Physical therapist assistant" means an individual who is licensed/certified by a state and who assists the physical therapist in selected components of physical therapy.

(17) "Physical therapy" has the same meaning given in RCW 18.74.010. "Physical therapy practice" and "the practice of physical therapy" have the same meaning given to "practice of physical therapy" in RCW 18.74.010.

(18) "Physical therapy compact commission" or "commission" means the national administrative body whose membership consists of all states that have enacted the compact.

(19) "Physical therapy licensing board" or "licensing board" means the agency of a state that is responsible for the licensing and regulation of physical therapists and physical therapist assistants.

(20) "Remote state" means a member state other than the home state, where a licensee is exercising or seeking to exercise the compact privilege.

(21) "Rule" means a regulation, principle, or directive promulgated by the commission that has the force of law.

(22) "State" means any state, commonwealth, district, or territory of the United States of America that

regulates the practice of physical therapy.

(b) Have a mechanism in place for receiving and investigating complaints about licensees;

(c) Notify the commission, in compliance with the terms of the compact and rules, of any adverse action or the availability of investigative information regarding a licensee;

(e) Comply with the rules of the commission;

(f) Utilize a recognized national examination as a requirement for licensure pursuant to the rules of the commission; and

(g) Have continuing competence requirements as a condition for license renewal.

(2) Upon adoption of this statute, the member state shall have the authority to obtain biometric-based information from each physical therapy licensure applicant and submit this information to the federal bureau of investigation for a criminal background check in accordance with 28 U.S.C. Sec. 534 and 42 U.S.C. Sec. 14616.

(3) A member state shall grant the compact privilege to a licensee holding a valid unencumbered license in another member state in accordance with the terms of the compact and rules.

(4) Member states may charge a fee for granting a compact privilege.

ARTICLE IV - COMPACT PRIVILEGE

(1) To exercise the compact privilege under the terms and provisions of the compact, the licensee shall:

(a) Hold a license in the home state;

(b) Have no encumbrance on any state license;

(c) Be eligible for a compact privilege in any member state in accordance with subsections (4), (7), and (8) of this Article;

(d) Have not had any adverse action against any license or compact privilege within the previous two years;

(e) Notify the commission that the licensee is seeking the compact privilege within a remote state(s);

(f) Pay any applicable fees, including any state fee, for the compact privilege;

(g) Meet any jurisprudence requirements established by the remote state(s) in which the licensee is seeking a compact privilege; and

(h) Report to the commission adverse action taken by any nonmember state within thirty days from the date the adverse action is taken.

(2) The compact privilege is valid until the expiration date of the home license. The licensee must comply with the requirements of subsection (1) of this Article to maintain the compact privilege in the remote state.

(3) A licensee providing physical therapy in a remote state under the compact privilege shall function within the laws and regulations of the remote state.

(4) A licensee providing physical therapy in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, remove a licensee's compact privilege in the remote state for a specific period of time, impose fines, and/or take any other necessary actions to protect the health and safety of its citizens. The licensee is not eligible for a compact privilege in any state until the specific time for removal has passed and all fines are paid.

(5) If a home state license is encumbered, the licensee shall lose the

compact privilege in any remote state until the following occur:

(a) The home state license is no longer encumbered; and

(b) Two years have elapsed from the date of the adverse action.

(6) Once an encumbered license in the home state is restored to good standing, the licensee must meet the requirements of subsection (1) of this Article to obtain a compact privilege in any remote state.

(7) If a licensee's compact privilege in any remote state is removed, the individual shall lose the compact privilege in any remote state until the following occur:

(a) The specific period of time for which the compact privilege was removed has ended;

(b) All fines have been paid; and

(c) Two years have elapsed from the date of the adverse action.

A licensee who is active duty military or is the spouse of an individual who is active duty military may designate one of the following as the home state:

(1) Home of record;

(2) Permanent change of station; or

(3) State of current residence if it is different than the permanent change of station state or home of record.

ARTICLE VI - ADVERSE ACTIONS

(1) A home state shall have exclusive power to impose adverse action against a license issued by the home state.

(2) A home state may take adverse action based on the investigative information of a remote state, so long as the home state follows its own procedures for imposing adverse action.

(3) Nothing in this compact shall override a member state's decision that participation in an alternative program

may be used in lieu of adverse action and that such participation shall remain nonpublic if required by the member state's laws. Member states must require licensees who enter any alternative programs in lieu of discipline to agree not to practice in any other member state during the term of the alternative program without prior authorization from such other member state.

(4) Any member state may investigate actual or alleged violations of the statutes and rules authorizing the practice of physical therapy in any other member state in which a physical therapist or physical therapist assistant holds a license or compact privilege.

(5) A remote state shall have the authority to:

(a) Take adverse actions as set forth in subsection (4) of Article IV of this compact against a licensee's compact privilege in the state;

(b) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a physical therapy licensing board in a party state for the attendance and testimony of witnesses, and/or the production of evidence from another party state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state where the witnesses and/or evidence are located; and

(c) If otherwise permitted by state law, recover from the licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee.

(6) (a) In addition to the authority granted to a member state by its respective physical therapy practice act or other applicable state law, a member state may participate with other member states in joint investigations of licensees.

(b) Member states shall share any investigative, litigation, or

compliance materials in furtherance of any joint or individual investigation initiated under the compact.

(b) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(c) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

(2) (a) Each member state shall have and be limited to one delegate selected by that member state's licensing board.

(b) The delegate shall be a current member of the licensing board, who is a physical therapist, physical therapist assistant, public member, or the board administrator.

(d) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. (b) The commission shall defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(c) The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(2) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

(3) Investigative information pertaining to a licensee in any member state will only be available to other party states.

(4) The commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining

to a licensee in any member state will be available to any other member state.

(5) Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(6) Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

ARTICLE IX - RULE MAKING

(1) The commission shall exercise its rule-making powers pursuant to the criteria set forth in this Article IX and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(2) Notwithstanding subsection (1) of Article IX, the board shall review the rules of the commission. The board may reject or approve and adopt the rules of the commission as rules of the board. The state of Washington is subject to a rule of the commission only if the rule of the commission is adopted by the board and the rule does not violate any right guaranteed by the state Constitution or the United States Constitution.

(3) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(4) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(b) On the web site of each member state physical therapy licensing board

or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(6) The notice of proposed rule making shall include:

(a) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(b) The text of the proposed rule or amendment and the reason for the proposed rule;

(c) A request for comments on the proposed rule from any interested person; and

(d) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(8) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(a) At least twenty-five persons;

(b) A state or federal governmental subdivision or agency; or

(c) An association having at least twenty-five members.

(9) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(a) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) All hearings will be recorded. A copy of the recording will be made available on request.

(d) Nothing in this Article IX shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this Article IX.

(10) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(12) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(13) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the compact and in this Article IX shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(d) Protect public health and safety.

(14) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical

errors. Public notice of any revisions shall be posted on the web site of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

ARTICLE X - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

(1) Oversight. (a) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination. (a) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(i) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(d) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(e) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) Dispute resolution. (a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(4) Enforcement. (a) The commission, in the reasonable exercise of its

discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(c) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

ARTICLE XI - DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

(1) The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rule-making powers necessary to the implementation and administration of the compact.

(2) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(3) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the

withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(4) Nothing contained in this compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

ARTICLE XII - CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.

NEW SECTION. Sec. 2. A new section is added to chapter 18.74 RCW to read as follows:

COMPACT PRIVILEGE—FEES.

(1) The secretary, in consultation with the board, shall establish fees pursuant to RCW 43.70.250 for physical therapists and physical therapist assistants seeking to practice in this state by use of compact privilege as defined in section 1 of this act. At the time of applying for compact privilege in this state, the applicant shall comply with established fee requirements.

(2) The fees established in subsection (1) of this section must be an amount sufficient to cover the state's monetary obligations as a member state to the physical therapy licensure compact.

NEW SECTION. Sec. 3. A new section is added to chapter 18.74 RCW to read as follows:

(1) The secretary shall furnish a license upon the authority of the board to any person who applies and who has qualified under the provisions of this chapter. At the time of applying, the applicant shall comply with administrative procedures, administrative requirements, and fees established pursuant to RCW 43.70.250 and 43.70.280. No person registered or licensed on July 24, 1983, as a physical therapist shall be required to pay an additional fee for a license under this chapter.

Sec. 5. RCW 18.74.090 and 2007 c 98 s 10 are each amended to read as follows:

(1) A person who is not licensed with the secretary of health as a physical therapist under the requirements of this chapter shall not represent him or herself as being so licensed and shall not use in connection with his or her name the words or letters "P.T.", "R.P.T.", "L.P.T.", "physical therapy", "physiotherapy", "physical therapist" or "physiotherapist", or any other letters, words, signs, numbers, or insignia indicating or implying that he or she is a physical therapist. No person may practice physical therapy without first having a valid license. Nothing in this chapter prohibits any person licensed in this state under any

other act from engaging in the practice for which he or she is licensed. It shall be the duty of the prosecuting attorney of each county to prosecute all cases involving a violation of this chapter arising within his or her county. The attorney general may assist in such prosecution and shall appear at all hearings when requested to do so by the board.

(2) No person assisting in the practice of physical therapy may use the title "physical therapist assistant," the letters "PTA," or any other words, abbreviations, or insignia in connection with his or her name to indicate or imply, directly or indirectly, that he or she is a physical therapist assistant without being licensed in accordance with this chapter as a physical therapist assistant.

(3) Subsections (1) and (2) of this section do not apply to an individual who is authorized to practice as a physical therapist or work as a physical therapist assistant by compact privilege as defined in section 1 of this act.

Sec. 6. RCW 18.74.150 and 2013 c 280 s 1 are each amended to read as follows:

(2) This chapter does not restrict persons licensed under any other law of this state from engaging in the profession or practice for which they are licensed, if they are not representing themselves to be physical therapists, physical therapist assistants, or providers of physical therapy.

(3) The following persons are exempt from licensure as physical therapists under this chapter when engaged in the following activities:

(2) All expenses incurred in carrying out the health professions licensing activities of the department and implementing and administering the medical marijuana authorization database established in RCW 69.51A.230 shall be paid from the account as authorized by legislative appropriation, except as provided in subsections (4) and (5) of this section. Any residue in the account shall be accumulated and shall not revert to the general fund at the end of the biennium.

(3) The secretary shall biennially prepare a budget request based on the anticipated costs of administering the health professions licensing activities of the department which shall include the estimated income from health professions fees.

(4) The fees received by the department from applicants for compact privilege under section 1 of this act must be used for the purpose of meeting financial obligations imposed on the state as a result of this state's participation in the physical therapy licensure compact.

MESSAGE FROM THE SENATE

April 11, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1520 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.09.5225 and 2016 sp.s. c 31 s 2 are each amended to read as follows:

(1) Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the centers for medicare and medicaid services as a critical access hospital, unless the critical access hospital is participating in the Washington rural health access preservation pilot described in subsection (2) (b) of this section. Any additional payments made by the authority for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

(2) (a) Beginning on July 24, 2005, except as provided in (b) of this subsection, a moratorium shall be placed on additional hospital participation in critical access hospital payments under this section. However, rural hospitals that applied for certification to the centers for medicare and medicaid services prior to January 1, 2005, but have not yet completed the process or have not yet been approved for certification, remain eligible for medical assistance payments under this section.

(b) (i) The purpose of the Washington rural health access preservation pilot is to develop an alternative service and payment system to the critical access hospital authorized under section 1820 of the social security act to sustain essential services in rural communities.

(ii) For the purposes of state law, any rural hospital approved by the department of health for participation in critical access hospital payments under this section that participates in the Washington rural health access preservation pilot identified by the state office of rural health and ceases to participate in critical access hospital payments may renew participation in critical access hospital associated payment methodologies under this section at any time.

~~((iii))~~ (iii) The Washington rural health access preservation pilot is subject to the following requirements:

(A) In the pilot formation or development, the department of health, health care authority, and Washington state hospital association will identify goals for the pilot project before any hospital joins the pilot project;

(B) Participation in the pilot is optional and no hospital may be required to join the pilot;

(C) Before a hospital enters the pilot program, the health care authority must provide information to the hospital regarding how the hospital could end its participation in the pilot if the pilot is not working in its community; ~~(and)~~

(D) Payments for services delivered by public health care service districts participating in the Washington rural health access preservation pilot to recipients eligible for medical assistance programs under this chapter must be based on an alternative, value-based payment methodology established by the authority. Subject to the availability of amounts appropriated for this specific purpose, the payment methodology must provide sufficient funding to sustain essential services in the areas served, including but not limited to emergency and primary care services. The methodology must adjust payment amounts based on measures of quality and value, rather than volume. As part of the pilot, the health care authority shall encourage additional payers to use the adopted payment methodology for services delivered by the pilot participants to individuals insured by those payers;

(E) The department of health, health care authority, and Washington state hospital association will report interim progress to the legislature no later than December 1, 2018, and will report on the results of the pilot no later than six months following the conclusion of the pilot. The reports will describe any policy changes identified during the course of the pilot that would support small critical access hospitals; and

(F) Funds appropriated for the Washington rural health access preservation pilot will be used to help participating hospitals transition to a

new payment methodology and will not extend beyond the anticipated three-year pilot period.

(3) (a) Beginning January 1, 2015, payments for recipients eligible for medical assistance programs under this chapter for services provided by a hospital, regardless of the beneficiary's managed care enrollment status, shall be increased to one hundred twenty-five percent of the hospital's fee-for-service rates, when services are provided by a rural hospital that:

(i) Was certified by the centers for medicare and medicaid services as a sole community hospital as of January 1, 2013;

(ii) Had a level III adult trauma service designation from the department of health as of January 1, 2014;

(iii) Had less than one hundred fifty acute care licensed beds in fiscal year 2011; and

(iv) Is owned and operated by the state or a political subdivision.

(b) The enhanced payment rates under this subsection shall be considered the hospital's medicaid payment rate for purposes of any other state or private programs that pay hospitals according to medicaid payment rates.

(c) Hospitals participating in the certified public expenditures program may not receive the increased reimbursement rates provided in this subsection (3) for inpatient services.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void."

On page 1, line 3 of the title, after "pilot;" strike the remainder of the title and insert "amending RCW 74.09.5225; and creating a new section."

(ii) Consents electronically, or confirms consent electronically, in a manner that reasonably demonstrates that the party can access information in the electronic form that will be used for notices or documents delivered by electronic means as to which the party has given consent; and

(d) After consent of the party is given, the insurer, in the event a change in the hardware or software requirements needed to access or retain a notice or document delivered by electronic means creates a material risk that the party will not be able to access or retain a subsequent notice or document to which the consent applies:

(i) Shall provide the party with a statement that describes:

(A) The revised hardware and software requirements for access to and retention of a notice or document delivered by electronic means; and

(B) The right of the party to withdraw consent without the imposition of any fee, condition, or consequence that was not disclosed at the time of initial consent; and

(6) If this title or applicable law requiring a notice or document to be provided to a party expressly requires verification or acknowledgment of receipt of the notice or document, the notice or document may be delivered by electronic means only if the method used provides for verification or acknowledgment of receipt.

(7) The legal effectiveness, validity, or enforceability of any contract or policy of insurance executed by a party may not be denied solely because of the failure to obtain electronic consent or confirmation of consent of the party in accordance with subsection (4)(c)(ii) of this section.

(8)(a) A withdrawal of consent by a party does not affect the legal effectiveness, validity, or enforceability of a notice or document delivered by electronic means to the party before the withdrawal of consent is effective.

(b) A withdrawal of consent by a party is effective within a reasonable period of time, not to exceed thirty days, after receipt of the withdrawal by the insurer.

(c) Failure by an insurer to comply with subsections (4)(d) and (10) of this section may be treated, at the election of the party, as a withdrawal of consent for purposes of this section.

(9) This section does not apply to a notice or document delivered by an insurer in an electronic form before July 24, 2015, to a party who, before that date, has consented to receive a notice or document in an electronic form otherwise allowed by law.

(10) If the consent of a party to receive certain notices or documents in an electronic form is on file with an insurer before July 24, 2015, and pursuant to this section, an insurer intends to deliver additional notices or documents to such party in an electronic form, then prior to delivering such additional notices or documents electronically, the insurer shall:

(a) Provide the party with a statement that describes:

(i) The notices or documents that shall be delivered by electronic means under this section that were not previously delivered electronically; and

(ii) The party's right to withdraw consent to have notices or documents delivered by electronic means, without the imposition of any condition or consequence that was not disclosed at the time of initial consent; and

(b) Comply with subsection (4) (b) of this section.

(11) An insurer shall deliver a notice or document by any other delivery method permitted by law other than electronic means if:

(b) The insurer becomes aware that the electronic mail address provided by the party is no longer valid.

(12) A producer shall not be subject to civil liability for any harm or injury that occurs as a result of a party's election to receive any notice or document by electronic means or by an insurer's failure to deliver a notice or document by electronic means.

(3) No charges may be made when the department determines that under a cooperative contract or agreement the assistance received from a municipality, county, or federal agency on state protected lands equals that provided by the state on municipal, county, or federal lands.

(4) The department may transfer ownership of depreciated firefighting vehicles and related equipment upon terms subject to mutual agreement to local fire districts in wildfire prone areas in all areas of the state, as determined by the department, and where the median household income is below the state average. These vehicle and equipment transfers are exempt from the requirements in RCW 43.19.1919(1). The department must notify the chairs and ranking members of the legislative committees with jurisdiction regarding these transfers at least ten days prior to transfer of the equipment.

MESSAGE FROM THE SENATE

April 10, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1105 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 81.61.010 and 1977 ex.s. c 2 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise (~~and the term~~):

(1) "Contract crew transportation vehicle," as used in this chapter, means every motor vehicle, designed to transport fifteen or fewer passengers, including the driver, that is owned, leased, operated, or maintained by a person contracting with a railroad

company or its agents, contractors, subcontractors, vendors, subvendors, secondary vendors, or subcarriers, and used primarily to provide railroad crew transportation.

(2) "Passenger-carrying vehicle," as used in this chapter, means those buses (~~and~~), vans, trucks, and cars owned, operated, and maintained by a railroad company (~~which~~) and primarily used to transport(~~s~~) railroad employees in other than the cab of such vehicle and designed primarily for operation on roads which may or may not be equipped with retractable flanged wheels for operation on railroad tracks.

NEW SECTION. Sec. 2. A new section is added to chapter 81.61 RCW to read as follows:

(1) The commission must regulate persons providing contract railroad crew transportation and every contract crew transportation vehicle with respect to driver qualifications, equipment safety, safety of operations, hours of service by drivers, passenger safety, drug testing requirements, and record retention. This regulation must be consistent with the manner in which the commission regulates these areas under chapter 81.70 RCW and the manner in which it regulates safety under chapter 81.68 RCW, as well as with the approach used in federal motor carrier safety regulations under Title 49 of the code of federal regulations. In the event of a conflict between this chapter and the laws referenced in this subsection, this chapter governs.

(2) The commission must adopt rules under chapter 34.05 RCW as necessary to carry out this chapter regarding the operation of contract crew transportation vehicles.

(3) (a) The commission must require insurance coverage for each contract crew transportation vehicle that satisfies the following minimum amounts:

(i) Five million dollars combined single limit coverage for bodily injury and property damage liability coverage; and

(ii) Uninsured and underinsured motorist coverage of one million dollars.

(b) If a third party contracts with the person operating the vehicle on

behalf of the railroad company or its agents, contractors, subcontractors, vendors, subvendors, secondary vendors, or subcarriers to transport railroad crew, the insurance requirements may be satisfied by either the third party or the person operating the vehicle, so long as the person operating the vehicle names the third party as an additional insured or named insured. The railroad company may also satisfy the insurance requirements. Proof of coverage must be provided to the commission by the person contracting with the railroad company.

(4) The commission must require the form and posting of adequate notices in a conspicuous location in all contract crew transportation vehicles to advise railroad employee passengers of their rights, the opportunity to submit safety complaints to the commission, the complaint process, and contact information for the commission.

(5) The commission must require persons providing contract railroad crew transportation to ensure that all drivers of contract crew transportation vehicles successfully complete at least eight hours of commission-approved safety training that includes, but is not limited to, vehicle and passenger safety awareness, rail yard safety, grade crossing safety, load securement, and distracted and fatigued driving.

(6) The commission must investigate safety complaints related to contract railroad crew transportation under this chapter and take appropriate enforcement action as authorized.

(7) The commission may enforce this chapter with respect to persons providing contract railroad crew transportation under the authority in RCW 81.04.380 through 81.04.405, including assessing penalties as warranted.

(8) The commission may suspend or revoke a permit upon complaint by any interested party, or upon the commission's own motion after notice and opportunity for hearing, when it finds that any person owning, leasing, operating, or maintaining contract crew transportation vehicles has violated this chapter or the rules of the commission, or that the company or its agent has been found by a court or governmental agency to have violated

the laws of a state or the United States.

NEW SECTION. Sec. 3. A new section is added to chapter 81.61 RCW to read as follows:

(1) A person is immediately and automatically disqualified from operating a contract crew transportation vehicle for a period of three years if (a) the person is convicted of, or is found to have committed, two or more traffic violations that result in suspension or revocation of the person's driver's license within a three-year period, for a reason other than the nonpayment of fines, or (b) the person is found guilty of, or is found to have committed, any drug or alcohol-related traffic offense, using a vehicle to commit a felony, leaving the scene of an accident, prohibited passing of another vehicle, a railroad-highway grade crossing offense identified in RCW 46.25.090(8), or driving with a suspended, revoked, or canceled license.

(2) A driver that sustains a conviction or a traffic violation as outlined under this section while employed by a contract carrier must report the conviction or infraction to the carrier within ten days of the date of conviction or the finding that the infraction was committed.

NEW SECTION. Sec. 4. A new section is added to chapter 81.61 RCW to read as follows:

(1) The commission must compile data regarding any reported safety complaints, accidents, regulatory violations and fines, and corrective actions taken by the commission involving vehicles regulated under this chapter. A railroad company, and any person that owns or leases, operates, or maintains contract crew transportation vehicles in the state, must, at the request of the commission, provide data relevant to any complaints and accidents, including location, time of day, visibility, a description of the event, whether any property damage or personal injuries resulted, and any corrective action taken by the railroad company, person operating the contract crew transportation vehicle, or commission. The commission must make this data available upon request.

(2) Information included in safety complaints that identifies the employee who submitted the complaint is exempt from public inspection and copying pursuant to RCW 42.56.330.

Sec. 5. RCW 81.61.040 and 1977 ex.s. c 2 s 4 are each amended to read as follows:

(1) The commission may, in enforcing rules and orders under this chapter, inspect any passenger-carrying vehicle ~~((provided by a railroad company to transport employees in the course of their employment))~~ or contract crew transportation vehicle. Upon request, the chief of the state patrol may assist the commission in these inspections.

(2) Consistent with section 2 of this act, the commission must develop an inspection program for contract crew transportation vehicles. This program must require a periodic inspection of each vehicle, including a review of operational practices.

Sec. 6. RCW 42.56.330 and 2015 c 224 s 4 are each amended to read as follows:

The following information relating to public utilities and transportation is exempt from disclosure under this chapter:

(2) The addresses, telephone numbers, electronic contact information, and customer-specific utility usage and billing information in increments less than a billing cycle of the customers of a public utility contained in the records or lists held by the public utility of which they are customers, except that this information may be released to the division of child support or the agency or firm providing child support enforcement for another state under Title IV-D of the federal social security act, for the establishment, enforcement, or modification of a support order;

(3) The names, residential addresses, residential telephone numbers, and other individually identifiable records held by an agency in relation to a

vanpool, carpool, or other ride-sharing program or service. (4) The personally identifying information of current or former participants or applicants in a paratransit or other transit service operated for the benefit of persons with disabilities or elderly persons;

(5) The personally identifying information of persons who acquire and use transit passes or other fare payment media including, but not limited to, stored value smart cards and magnetic strip cards, except that an agency may disclose personally identifying information to a person, employer, educational institution, or other entity that is responsible, in whole or in part, for payment of the cost of acquiring or using a transit pass or other fare payment media for the purpose of preventing fraud. As used in this subsection, "personally identifying information" includes acquisition or use information pertaining to a specific, individual transit pass or fare payment media.

(b) Personally identifying information may be released to law enforcement agencies if the request is accompanied by a court order;

(6) Any information obtained by governmental agencies that is collected by the use of a motor carrier intelligent transportation system or any comparable information equipment attached to a truck, tractor, or trailer; however, the information may be given to other governmental agencies

or the owners of the truck, tractor, or trailer from which the information is obtained. As used in this subsection, "motor carrier" has the same definition as provided in RCW 81.80.010;

(7) The personally identifying information of persons who acquire and use transponders or other technology to facilitate payment of tolls. This information may be disclosed in aggregate form as long as the data does not contain any personally identifying information. For these purposes aggregate data may include the census tract of the account holder as long as any individual personally identifying information is not released. Personally identifying information may be released to law enforcement agencies only for toll enforcement purposes. (14) "Substantial interest holder" means a person who has actual or potential influence over the management or operation of any driver training school. Evidence of substantial interest includes, but is not limited to, one or more of the following:

(a) Directly or indirectly owning, operating, managing, or controlling a driver training school or any part of a driver training school;

(b) Directly or indirectly profiting from or assuming liability for debts of a driver training school;

Sec. 9. RCW 46.82.320 and 2009 c 101 s 4 are each amended to read as follows:

(1) No person affiliated with a driver training school shall give instruction in the operation of an automobile for a fee without a license issued by the director for that purpose. An application for an original or renewal instructor's license shall be filed with the director, containing

such information as prescribed by this chapter and by the director, accompanied by an application fee set by rule of the department, which shall in no event be refunded. An application for a renewal instructor's license must be accompanied by proof of the applicant's continuing professional development that meets the standards adopted by the director. If the applicant satisfactorily meets the application requirements (~~and the examination requirements~~) as prescribed in RCW 46.82.330, the applicant shall be granted a license valid for a period of two years from the date of issuance. An applicant for a renewal instructor's license is not required to retake the examination specified in RCW 46.82.330 to renew his or her instructor's license if his or her original instructor's license is unexpired or has not been expired for longer than six months before submission of his or her renewal application.

(2) The director shall issue a license certificate to each qualified applicant.

(a) An employing driver training school must conspicuously display an instructor's license at its established place of business and display copies of the instructor's license at any branch office where the instructor provides instruction.

(b) Unless revoked, canceled, or denied by the director, the license shall remain the property of the licensee in the event of termination of employment or employment by another driver training school.

(c) If the director has not received a renewal application on or before the date a license expires, the license (~~will be voided~~) is void, requiring a new application as provided for in this chapter, including (~~examination and~~) payment of all fees, as well as an examination subject to the exception in subsection (1) of this section.

(d) If revoked, canceled, or denied by the director, the license must be surrendered to the department within ten days following the effective date of such action.

(3) Each licensee shall be provided with a wallet-size identification card by the director at the time the license is issued which shall be in the

instructor's immediate possession at all times while engaged in instructing.

(4) The person to whom an instructor's license has been issued shall notify the director in writing within ten days of any change of employment or termination of employment, providing the name and address of the new driver training school by whom the instructor will be employed.

Sec. 10. RCW 46.82.330 and 2010 1st sp.s. c 7 s 21 are each amended to read as follows:

(1) The application for an instructor's license shall document the applicant's fitness, knowledge, skills, and abilities to teach the classroom and behind-the-wheel (~~phases~~) instruction portions of a driver training education program in a commercial driver training school.

(2) An applicant shall be eligible to apply for an original instructor's certificate if the applicant possesses and meets the following qualifications and conditions:

(a) Has been licensed to drive for five or more years and possesses a current and valid Washington driver's license or is a resident of a jurisdiction immediately adjacent to Washington state and possesses a current and valid license issued by such jurisdiction, and does not have on his or her driving record any of the violations or penalties set forth in (a) (i), (ii), or (iii) of this subsection. The director shall have the right to examine the driving record of the applicant from the department of licensing and from other jurisdictions and from these records determine if the applicant has had:

(i) Not more than one moving traffic violation within the preceding twelve months or more than two moving traffic violations in the preceding twenty-four months;

(ii) No drug or alcohol-related traffic violation or incident within the preceding three years. If there are two or more drug or alcohol-related traffic violations in the applicant's driving history, the applicant is no longer eligible to be a driving instructor; and

(iii) No driver's license suspension, cancellation, revocation, or denial within the preceding two years, or no more than two of these occurrences in the preceding five years;

(b) Is a high school graduate or the equivalent and at least twenty-one years of age;

(c) Has completed an acceptable application on a form prescribed by the director;

(d) Has satisfactorily completed a course of instruction in the training of drivers acceptable to the director that is no less than sixty hours in length and includes instruction in classroom and behind-the-wheel teaching methods and supervised practice behind-the-wheel teaching of driving techniques; and

(e) Has paid an examination fee as set by rule of the department and has successfully completed an instructor's examination.

Sec. 11. RCW 46.82.360 and 2009 c 101 s 7 are each amended to read as follows:

The license of any driver training school or instructor may be suspended, revoked, denied, or refused renewal, or such other disciplinary action authorized under RCW 18.235.110 may be imposed, for failure to comply with the business practices specified in this section.

(1) No place of business shall be established nor any business of a driver training school conducted or solicited within one thousand feet of an office or building owned or leased by the department of licensing in which examinations for drivers' licenses are conducted. The distance of one thousand feet shall be measured along the public streets by the nearest route from the place of business to such building.

(2) Any automobile used by a driver training school or an instructor for instruction purposes must be equipped with:

(a) Dual controls for foot brake and clutch, or foot brake only in a vehicle equipped with an automatic transmission;

(b) An instructor's rear view mirror; and

(c) A sign in legible, printed English letters displayed on the back or top, or both, of the vehicle that:

(i) Is not less than twenty inches in horizontal width or less than ten inches in vertical height;

(ii) Has the words "student driver," "instruction car," or "driving school" in letters at least two and one-half inches in height near the top;

(iii) Has the name and telephone number of the school in similarly legible letters not less than one inch in height placed somewhere below the aforementioned words;

(iv) Has lettering and background colors that make it clearly readable at one hundred feet in clear daylight;

(v) Is displayed at all times when instruction is being given.

(3) Instruction may not be given by an instructor to a student who is under the age of fifteen, and behind-the-wheel instruction may not be given by an instructor to a student in an automobile unless the student possesses a current and valid instruction permit issued pursuant to RCW 46.20.055 or a current and valid driver's license.

(4) No driver training school or instructor shall advertise or otherwise indicate that the issuance of a driver's license is guaranteed or assured as a result of the course of instruction offered.

(5) No driver training school or instructor shall utilize any types of advertising without using the full, legal name of the school and identifying itself as a driver training school. Instruction vehicles and equipment, classrooms, driving simulators, training materials and services advertised must be available in a manner as might be expected by the average person reading the advertisement.

(6) A driver training school shall have an established place of business owned, rented, or leased by the school and regularly occupied and used exclusively for the business of giving driver instruction. The established place of business of a driver training school shall be located in a district that is zoned for business or commercial purposes or zoned for conditional use permits for schools,

trade schools, or colleges. However, the use of public or private schools does not alleviate the driver training school from securing and maintaining an established place of business or from using its own classroom on a regular basis as required under this chapter.

(a) The established place of business, branch office, or classroom or advertised address of any such driver training school shall not consist of or include a house trailer, residence, tent, temporary stand, temporary address, bus, telephone answering service if such service is the sole means of contacting the driver training school, a room or rooms in a hotel or rooming house or apartment house, or premises occupied by a single or multiple-unit dwelling house.

(b) A driver training school may lease classroom space within a public or private school that is recognized and regulated by the office of the superintendent of public instruction to conduct student instruction as approved by the director. However, such use of public or private classroom space does not alleviate the driver training school from securing and maintaining an established place of business nor from using its own classroom on a regular basis as required by this chapter.

(c) To classify as a branch office or classroom the facility must be within a thirty-five mile radius of the established place of business. The department may waive or extend the thirty-five mile restriction for driver training schools located in counties below the median population density.

(d) Nothing in this subsection may be construed as limiting the authority of local governments to grant conditional use permits or variances from zoning ordinances.

(7) No driver training school or instructor shall conduct any type of instruction or training on a course used by the department of licensing for testing applicants for a Washington driver's license.

(8) Each driver training school shall maintain its student, instructor, vehicle, insurance, and operating records at its established place of business.

(a) Student records must include the student's name, address, and telephone

number, date of enrollment and all dates of instruction, the student's instruction permit or driver's license number, the type of training given, the total number of hours of instruction, and the name and signature of the instructor or instructors.

(b) Vehicle records shall include the original insurance policies and copies of the vehicle registration for all instruction vehicles.

(c) Student and instructor records shall be maintained for three years following the completion of the instruction. Vehicle records shall be maintained for five years following their issuance. All records shall be made available for inspection upon the request of the department.

(d) Upon a transfer or sale of school ownership the school records shall be transferred to and become the property and responsibility of the new owner.

(9) Each driver training school shall, at its established place of business, display, in a place where it can be seen by all clients, a copy of the required ~~((minimum))~~ curriculum furnished by the department ~~((and a copy of the school's own curriculum))~~. Copies of the required ~~((minimum))~~ curriculum are to be provided to driver training schools and instructors by the director.

(10) Driver training schools and instructors shall submit to periodic inspections of their business practices, facilities, records, and insurance by authorized representatives of the director of the department of licensing.

Sec. 12. RCW 46.82.420 and 2010 1st sp.s. c 7 s 22 are each amended to read as follows:

(1) The department and the office of the superintendent of public instruction shall jointly develop and maintain a ~~((basic minimum))~~ required curriculum ~~((and))~~ as specified in section 4 of this act. The department shall furnish to each qualifying applicant for an instructor's license or a driver training school license a copy of such curriculum.

(2) In addition to information on the safe, lawful, and responsible operation of motor vehicles on the state's highways, the ~~((basic minimum))~~

required curriculum shall include information on:

- (a) Intermediate driver's license issuance, passenger and driving restrictions and sanctions for violating the restrictions, and the effect of traffic violations and collisions on the driving privileges;
- (b) The effects of alcohol and drug use on motor vehicle operators, including information on drug and alcohol related traffic injury and mortality rates in the state of Washington and the current penalties for driving under the influence of drugs or alcohol;
- (c) Motorcycle awareness, approved by the director, to ensure new operators of motor vehicles have been instructed in the importance of safely sharing the road with motorcyclists;
- (d) Bicycle safety, to ensure that operators of motor vehicles have been instructed in the importance of safely sharing the road with bicyclists; and
- (e) Pedestrian safety, to ensure that operators of motor vehicles have been instructed in the importance of safely sharing the road with pedestrians.
- (3) Should the director be presented with acceptable proof that any licensed instructor or driver training school is not showing proper diligence in teaching ((such basic minimum)) the required curriculum ((as required)), the instructor or school shall be required to appear before the director and show cause why the license of the instructor or school should not be revoked for such negligence. If the director does not accept such reasons as may be offered, the director may revoke the license of the instructor or school, or both.

NEW SECTION. Sec. 13. The department of licensing and the office of the superintendent of public instruction must work together on the transfer and coordination of responsibilities to comply with this act.

NEW SECTION. Sec. 14. The following acts or parts of acts are each repealed:

MESSAGE FROM THE SENATE

March 31, 2017

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1648 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 84.56.020 and 2014 c 13 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All ~~((taxes upon))~~ real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in

this section, ~~((shall be))~~ are delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax ~~((be))~~ is paid on or before the thirtieth day of April, the remainder of such tax is due and payable on or before the following thirty-first day of October ~~((following and shall be))~~ and is delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax ~~((be))~~ is paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the following thirty-first day of October ~~((following))~~ and is delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the amount of tax delinquent from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of the tax payment ~~((of the tax))~~, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the amount of tax delinquent is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the ~~((amount of tax))~~ delinquent tax amount on December

1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (12)(b) of this section or a partial payment ~~((agreement under subsection (11)(b) of this section))~~ program pursuant to subsection (13) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(6)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(b) For the purposes of this section, "tax foreclosure avoidance costs" means those ~~((costs that can be identified specifically))~~ direct costs associated with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(i) Compensation of employees for the time devoted ~~((and identified specifically))~~ to administering the avoidance of property foreclosure; and

(ii) The cost of materials, services, or equipment acquired, consumed, or expended ~~((specifically for the purpose of))~~ in administering tax foreclosure avoidance prior to the filing of a certificate of delinquency.

(c) When tax foreclosure avoidance costs are collected, ~~((the tax foreclosure avoidance costs))~~ such costs must be credited to the county treasurer service fund account, except as otherwise directed.

(d) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

(7) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any

period of armed conflict ~~((on))~~ regarding delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(8) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(9) All collections of interest on delinquent taxes must be credited to the county current expense fund.

(10) For purposes of this chapter, "interest" means both interest and penalties.

~~((10) All collections of interest on delinquent taxes must be credited to the county current expense fund; but))~~

(11) The direct cost of foreclosure and sale of real property, and the direct fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint, and sale ~~((for))~~ because of delinquent taxes without regard to budget limitations and not subject to indirect costs of other charges.

~~((11))~~ (12)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic ~~((bill presentment))~~ billing and payment. Electronic ~~((bill presentment))~~ billing and payment may be ~~((utilized))~~ used as an option by the taxpayer, but the treasurer may not require the use of electronic ~~((bill presentment))~~ billing and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for delinquent tax year payments only or for prepayments of current tax. All

prepayments must be paid in full by the due date specified in (c) of this subsection. Payments on past due taxes must include collection of the oldest delinquent year, which includes interest and taxes within a twelve-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

(b) The treasurer (~~(must)~~) may provide, by electronic means or otherwise, a payment agreement that provides for payment of current year taxes, inclusive of prepayment collection charges. The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies, which must also require current year taxes to be paid timely. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes. The treasurer may accept partial payment of current and delinquent taxes including interest and penalties using electronic bill presentment and payments.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the following thirty-first (~~(day)~~) of October (~~(following)~~) and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county treasurer may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfers (~~(payments)~~) on a monthly basis. Delinquent taxes are subject to interest and penalties, as provided in subsection (5) of this section.

(e) The treasurer must pay any collection costs, investment earnings, or both on past due payments or prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

~~((12))~~ (13) In addition to the payment program in subsection (12)(b) of this section, the treasurer may accept partial payment of current and delinquent taxes including interest and penalties by any means authorized.

(14) For purposes of this section unless the context clearly requires otherwise, the following definitions apply:

(a) "Electronic (~~(bill presentment)~~) billing and payment" means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic payment from a person's checking account, debit account, or credit card.

(b) "Internet" has the same meaning as provided in RCW 19.270.010.

Sec. 2. RCW 84.56.050 and 1991 c 245 s 17 are each amended to read as follows:

(1) On (~~(receiving the tax rolls the treasurer shall post)~~) receipt of the certification of the tax rolls from the county assessor, the county treasurer must transfer all real and personal property taxes from the rolls to the treasurer's tax roll, and (~~(shall)~~) must carry forward to the current tax rolls a memorandum of all delinquent taxes on each and every description of property, (~~(and enter the same on the property upon which the taxes are delinquent showing the amounts for each year. The treasurer shall notify each taxpayer in the county, at the expense of the county, of the amount of the real and personal property, and the current and delinquent amount of tax due on the same, and the treasurer shall have printed on the notice the name of each tax and the levy made on the same. The county treasurer shall be the sole collector of all delinquent taxes and all other taxes due and collectible on the tax rolls of the county: PROVIDED, That the term "taxpayer" as used in this section shall)~~) entering which taxes are delinquent and the amounts for each year. Except as provided otherwise in this section, the treasurer must provide a printed notice or electronically publish, at the expense of the county, information for each taxpayer, regarding the amount of real and personal property, and the name of each tax and levy made on the same. The

county treasurer must be the sole collector of all taxes, current or delinquent.

(2) For the purposes of this section, "taxpayer" means any person charged, or whose property is charged, with property tax~~(~~and~~)~~.

(3) The person to be notified ~~((is that))~~ under this section is the person whose name appears on the tax roll herein mentioned~~((~~PROVIDED, FURTHER, That~~))~~. However, if:

(a) No name so appears the person to be notified is ~~((that))~~ the person shown by the treasurer's tax rolls or duplicate tax receipts of any preceding year as the payer of the tax last paid on the property ~~((in question))~~; or

(b) The real property taxes are paid by a bank, as defined in RCW 62A.1-201, the name of each tax and levy in the property tax information on the county treasurer's web site satisfies the notice requirements of this section.

Sec. 3. RCW 82.45.090 and 2009 c 350 s 8 are each amended to read as follows:

(1) Except for a sale of a beneficial interest in real property where no instrument evidencing the sale is recorded in the official real property records of the county in which the property is located, the tax imposed by this chapter ~~((shall))~~ must be paid to and collected by the treasurer of the county within which is located the real property ~~((which))~~ that was sold. In collecting the tax the county treasurer ~~((shall))~~ must act as agent for the state. The county treasurer ~~((shall))~~ must cause a verification of payment evidencing satisfaction of the lien to be affixed to the instrument of sale or conveyance prior to its recording or to the real estate excise tax affidavit in the case of used mobile home sales and used floating home sales. A receipt issued by the county treasurer for the payment of the tax imposed under this chapter ~~((shall be))~~ is evidence of the satisfaction of the lien imposed ~~((hereunder))~~ in this section and may be recorded in the manner prescribed for recording satisfactions of mortgages. No instrument of sale or conveyance evidencing a sale subject to the tax ~~((shall))~~ may be accepted by the county auditor for filing or recording until the tax ~~((shall have been))~~ is paid and the verification of

payment affixed thereto; in case the tax is not due on the transfer, the instrument ~~((shall))~~ may not be so accepted until suitable notation of such fact has been made on the instrument by the treasurer. ~~((Any time there is a))~~ At the sale of a used mobile home, used manufactured home, used park model, or used floating home that has not been title eliminated, property taxes must be current in order to complete the processing of the real estate excise tax affidavit or other documents transferring title. Verification that the property taxes are current must be noted on the mobile home real estate excise tax affidavit or on a form approved by the county treasurer. For the purposes of this subsection, "mobile home," "manufactured home," and "park model" have the same meaning as provided in RCW 59.20.030.

(2) For a sale of a beneficial interest in real property where a tax is due under this chapter and where no instrument is recorded in the official real property records of the county in which the property is located, the sale ~~((shall))~~ must be reported to the department of revenue within five days from the ~~((date of the))~~ sale date on such returns or forms and according to such procedures as the department may prescribe. ENGROSSED HOUSE BILL NO. 1648, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 10, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1814 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.38.070 and 2011 c 309 s 7 are each amended to read as follows:

(1) In any involuntary child custody proceeding seeking the foster care placement of, or the termination of parental rights to, a child in which the petitioning party or the court

knows, or has reason to know, that the child is or may be an Indian child as defined in this chapter, the petitioning party shall notify the parent or Indian custodian and the Indian child's tribe or tribes, by certified mail, return receipt requested, and by use of a mandatory Indian child welfare act notice addressed to the tribal agent designated by the Indian child's tribe or tribes for receipt of Indian child welfare act notice, as published by the bureau of Indian affairs in the federal register. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, such notice shall be given to the secretary of the interior by registered mail, return receipt requested, in accordance with the regulations of the bureau of Indian affairs. The secretary of the interior has fifteen days after receipt to provide the requisite notice to the parent or Indian custodian and the tribe. No foster care placement or termination of parental rights proceeding shall be held until at least ten days after receipt of notice by the parent or Indian custodian and the tribe. The parent or Indian custodian or the tribe shall, upon request, be granted up to twenty additional days to prepare for the proceeding.

(2) The determination of the Indian status of a child shall be made as soon as practicable in order to serve the best interests of the Indian child and protect the interests of the child's tribe.

(3) (a) A written determination by an Indian tribe that a child is a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is an Indian child;

(b) A written determination by an Indian tribe that a child is not a member of or eligible for membership in that tribe, or testimony by the tribe attesting to such status shall be conclusive that the child is not a member of or eligible for membership in that tribe. Such determinations are presumptively those of the tribe where submitted in the form of a tribal resolution, or signed by or testified to by the person(s) authorized by the tribe's governing body to speak for the tribe, or by the tribe's agent

designated to receive notice under the federal Indian child welfare act where such designation is published in the federal register;

(c) Where a tribe provides no response to notice under RCW 13.38.070, such nonresponse shall not constitute evidence that the child is not a member or eligible for membership. Provided, however, that under such circumstances the party asserting application of the federal Indian child welfare act, or this chapter, will have the burden of proving by a preponderance of the evidence that the child is an Indian child.

(4) (a) Where a child has been determined not to be an Indian child, any party to the proceeding, or an Indian tribe that subsequently determines the child is a member, may, during the pendency of any child custody proceeding to which this chapter or the federal Indian child welfare act applies, move the court for redetermination of the child's Indian status based upon new evidence, redetermination by the child's tribe, or newly conferred federal recognition of the tribe.

(b) This subsection (4) does not affect the rights afforded under 25 U.S.C. Sec. 1914.

Sec. 2. RCW 26.44.100 and 2005 c 512 s 1 are each amended to read as follows:

(1) The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this chapter, provided that nothing contained in this chapter shall cause any delay in protective custody action.

(2) The department shall notify the parent, guardian, or legal custodian of a child of any allegations of child abuse or neglect made against such

person at the initial point of contact with such person, in a manner consistent with the laws maintaining the confidentiality of the persons making the complaints or allegations. Investigations of child abuse and neglect should be conducted in a manner that will not jeopardize the safety or protection of the child or the integrity of the investigation process.

Whenever the department completes an investigation of a child abuse or neglect report under this chapter (~~26.44 RCW~~), the department shall notify the subject of the report of the department's investigative findings. The notice shall also advise the subject of the report that:

(a) A written response to the report may be provided to the department and that such response will be filed in the record following receipt by the department;

(b) Information in the department's record may be considered in subsequent investigations or proceedings related to child protection or child custody;

(c) Founded reports of child abuse and neglect may be considered in determining whether the person is disqualified from being licensed to provide child care, employed by a licensed child care agency, or authorized by the department to care for children; and

(d) A subject named in a founded report of child abuse or neglect has the right to seek review of the finding as provided in this chapter.

(3) The founded finding notification required by this section shall be made by certified mail, return receipt requested, to the person's last known address.

(4) The unfounded finding notification required by this section must be made by regular mail to the person's last known address or by email.

(5) The duty of notification created by this section is subject to the ability of the department to ascertain the location of the person to be notified. The department shall exercise reasonable, good-faith efforts to ascertain the location of persons entitled to notification under this section.

~~((5))~~ (6) The department shall provide training to all department personnel who conduct investigations under this section that shall include, but is not limited to, training regarding the legal duties of the department from the initial time of contact during investigation through treatment in order to protect children and families.

Sec. 3. RCW 43.20B.430 and 1989 c 175 s 99 are each amended to read as follows:

In all cases where a determination is made that the estate of a resident of a residential habilitation center is able to pay all or any portion of the charges, ~~((a))~~ an initial notice and finding of responsibility shall be served on the guardian of the resident's estate, or if no guardian has been appointed then to the resident, the resident's spouse, or other person acting in a representative capacity and having property in his or her possession belonging to a resident. The initial notice shall set forth the amount the department has determined that such estate is able to pay, not to exceed the charge as fixed in accordance with RCW 43.20B.420, and the responsibility for payment to the department shall commence twenty-eight days after ~~((personal))~~ service of such notice and finding of responsibility. Service of the initial notice shall be in the manner prescribed for the service of a summons in a civil action or may be served by certified mail, return receipt requested. The return receipt signed by addressee only is prima facie evidence of service. An application for an adjudicative proceeding from the determination of responsibility may be made to the secretary by the guardian of the resident's estate, or if no guardian has been appointed then by the resident, the resident's spouse, or other person acting in a representative capacity and having property in his or her possession belonging to a resident of a state school, within such twenty-eight day period. The application must be written and served on the secretary by registered or certified mail, or by personal service. If no application is filed, the notice and finding of responsibility shall become final. If an application is filed, the execution of notice and finding of responsibility shall be stayed pending the final

adjudicative order. The hearing shall be conducted in a local department office or other location in Washington convenient to the appellant. The proceeding is governed by the Administrative Procedure Act, chapter 34.05 RCW.

Sec. 4. RCW 43.20B.435 and 1979 c 141 s 240 are each amended to read as follows:

The secretary, upon application of the guardian of the estate of the resident, and after investigation, or upon investigation without application, may, if satisfied of the financial ability or inability of such person to make payments in accordance with the ~~((original))~~ initial finding of responsibility as provided for in RCW 43.20B.430, modify or vacate such ~~((original))~~ initial finding of responsibility, and enter a new finding of responsibility. The secretary's determination to modify or vacate findings of responsibility shall be served ~~((and))~~ by regular mail. A new finding of responsibility shall be appealable in the same manner and in accordance with the same procedure for appeals of ~~((original))~~ initial findings of responsibility.

Sec. 5. RCW 43.20B.635 and 1990 c 100 s 1 are each amended to read as follows:

(1) After service of a notice of debt for an overpayment as provided for in RCW 43.20B.630, stating the debt accrued, the secretary may issue to any person, firm, corporation, association, political subdivision, or department of the state, an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state property which is due, owing, or belonging to the debtor.

(2) (a) The order to withhold and deliver shall state the amount of the debt, and shall state in summary the terms of this section, RCW 6.27.150 and 6.27.160, chapters 6.13 and 6.15 RCW, 15 U.S.C. 1673, and other state or federal exemption laws applicable generally to debtors.

(b) The order to withhold and deliver shall be served ~~((in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested))~~ by regular mail or, with a party's agreement, electronically.

(3)(a) Any person, firm, corporation, association, political subdivision, or department of the state upon whom service has been made shall answer the order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of therein.

(b) The secretary may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision, or department of the state.

(c) If any such person, firm, corporation, association, political subdivision, or department of the state possesses any property which may be subject to the claim of the department of social and health services, such property shall be withheld immediately upon receipt of the order to withhold and deliver and shall, after the twenty-day period, upon demand, be delivered forthwith to the secretary.

(d) The secretary shall hold the property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability.

(e) Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, association, political subdivision, or department of the state subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary. Delivery to the secretary, subject to the exemptions under RCW 6.27.150 and 6.27.160, chapters 6.13 and 6.15 RCW, 15 U.S.C. 1673, and other state or federal law applicable generally to debtors, of the money or other property held or claimed satisfies the requirement of the order to withhold and deliver. Delivery to

the secretary serves as full acquittance, and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the secretary pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter.

(4)(a) The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed ~~((by certified mail))~~ a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address ~~((7))~~ or, ~~((in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter))~~ with a party's agreement serve the order upon the debtor electronically on or before the date of service of the order to withhold and deliver.

(b) The copy of the order shall be mailed or served together with a concise explanation of the right to petition for a hearing on any issue related to the collection. This requirement is not jurisdictional, but, if the copy is not mailed or served as provided in this section, or if any irregularity appears with respect to the mailing or service electronically, the superior court, on its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy or serve the copy electronically, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.

Sec. 6. RCW 74.20A.320 and 2009 c 408 s 1 are each amended to read as follows:

(1) The department may serve upon a responsible parent a notice informing the responsible parent of the department's intent to submit the parent's name to the department of licensing and any appropriate licensing entity as a licensee who is not in compliance with a child support order. ~~((The department shall attach a copy of~~

~~the responsible parent's child support order to the notice.)~~

(a) If the support order establishing or modifying the child support obligation includes a statement required under RCW 26.23.050 that the responsible parent's privileges to obtain and maintain a license may not be renewed or may be suspended if the parent is not in compliance with a support order, the department may send the notice required by this section to the responsible parent by regular mail, addressed to the responsible parent's last known mailing address on file with the department or by personal service. Notice by regular mail is deemed served three days from the date the notice was deposited with the United States postal service.

(b) If the support order does not include a statement as required under RCW 26.23.050 that the responsible parent's privileges to obtain and maintain a license may not be renewed or may be suspended if the parent is not in compliance with a support order, service of the notice required by this section to the responsible parent must be by certified mail, return receipt requested. If service by certified mail is not successful, service shall be by personal service.

(2) The notice of noncompliance must include the following information:

(a) The address and telephone number of the department's division of child support office that issued the notice;

(b) That in order to prevent the department from certifying the parent's name to the department of licensing or any other licensing entity, the parent has twenty days from receipt of the notice to contact the department and:

(i) Pay the overdue support amount in full;

(ii) Request an adjudicative proceeding as provided in RCW 74.20A.322;

(iii) Agree to a payment schedule with the department as provided in RCW 74.20A.326; or

(iv) File an action to modify the child support order with the appropriate court or administrative forum, in which case the department will stay the certification process up to six months;

(c) That failure to contact the department within twenty days of receipt of the notice will result in certification of the responsible parent's name to the department of licensing and any other appropriate licensing entity for noncompliance with a child support order. Upon receipt of the notice:

(i) The licensing entity will suspend or not renew the parent's license and the department of licensing will suspend or not renew any driver's license that the parent holds until the parent provides the department of licensing and the licensing entity with a release from the department stating that the responsible parent is in compliance with the child support order;

(ii) The department of fish and wildlife will suspend a fishing license, hunting license, occupational licenses, such as a commercial fishing license, or any other license issued under chapter 77.32 RCW that the responsible parent may possess, and suspension of a license by the department of fish and wildlife may also affect the parent's ability to obtain permits, such as special hunting permits, issued by the department. Notice from the department of licensing that a responsible parent's driver's license has been suspended shall serve as notice of the suspension of a license issued under chapter 77.32 RCW;

(d) That suspension of a license will affect insurability if the responsible parent's insurance policy excludes coverage for acts occurring after the suspension of a license;

(e) If the responsible parent subsequently comes into compliance with the child support order, the department will promptly provide the parent and the appropriate licensing entities with a release stating that the parent is in compliance with the order.

(3) When a responsible parent who is served notice under subsection (1) of this section subsequently complies with the child support order, a copy of a release stating that the responsible parent is in compliance with the order shall be transmitted by the department to the appropriate licensing entities.

(4) The department of licensing and a licensing entity may renew, reinstate, or otherwise extend a license in

accordance with the licensing entity's or the department of licensing's rules after the licensing entity or the department of licensing receives a copy of the release specified in subsection (3) of this section. The department of licensing and a licensing entity may waive any applicable requirement for reissuance, renewal, or other extension if it determines that the imposition of that requirement places an undue burden on the person and that waiver of the requirement is consistent with the public interest."

On page 1, line 2 of the title, after "services;" strike the remainder of the title and insert "and amending RCW 13.38.070, 26.44.100, 43.20B.430, 43.20B.435, 43.20B.635, and 74.20A.320."

HOUSE BILL NO. 1983, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 7, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1988 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** Existing federal law, 8 U.S.C. Sec. 1101(a)(27)(J), establishes a procedure for classification of abandoned, abused, or neglected youth as special immigrants who have been declared dependent on a juvenile court or legally committed to or placed in the custody of a state agency or department, or placed under the custody of an individual or entity appointed by a state or juvenile court, and authorizes those youth to apply for an adjustment of status to that of a lawful permanent resident within the United States. A youth is age-eligible if the youth is under twenty-one years old. Existing state law already provides that superior courts have jurisdiction to make judicial determinations regarding the custody and care of juveniles.

This chapter authorizes a court to appoint a guardian for a vulnerable youth from eighteen to twenty-one years old, who is not participating in extended foster care services authorized under RCW 74.13.031, and who is eligible for classification under 8 U.S.C. Sec. 1101(a)(27)(J) with the consent of the proposed ward. This chapter also provides that a vulnerable youth guardianship of the person terminates on the youth's twenty-first birthday unless the youth requests termination prior to that date. Opening court doors for the provision of a vulnerable youth guardianship serves the state's interest in eliminating human trafficking, preventing further victimization of youth, decreasing

reliance on public resources, reducing youth homelessness, and offering protection for youth who may otherwise be targets for traffickers.

NEW SECTION. **Sec. 2.** (1) The legislature finds and declares the following:

(a) Washington law grants the superior courts jurisdiction to make judicial determinations regarding the custody and care of youth within the meaning of the federal immigration and nationality act. Pursuant to 8 U.S.C. Sec. 1101(b), the term "child" means an unmarried person under twenty-one years of age. Superior courts are empowered to make the findings necessary for a youth to petition the United States citizenship and immigration services for classification under 8 U.S.C. Sec. 1101(a)(27)(J).

(b) 8 U.S.C. Sec. 1101(a)(27)(J) offers interim relief from deportation to undocumented, unmarried immigrant youth under twenty-one years old, if a state court with jurisdiction over juveniles has made specific findings.

(c) The findings necessary for a youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J) include, among others, a finding that reunification with one or both parents is not viable due to abuse, neglect, abandonment, or a similar basis under state law, and a finding that it is not in the youth's best interest to be returned to the youth's country of origin.

(d) Misalignment between state and federal law continues to exist. Federal law allows a person under twenty-one years old, who otherwise meets the requirements for eligibility under 8 U.S.C. Sec. 1101(a)(27)(J), to file for relief. In Washington, however, vulnerable youth who are between eighteen and twenty-one years old have largely been unable to obtain the findings from the superior court necessary to seek classification under 8 U.S.C. Sec. 1101(a)(27)(J) and the relief that it was intended to afford them, solely because superior courts cannot take jurisdiction of these vulnerable youth under current law. This is true despite the fact that many vulnerable youth between eighteen and twenty-one years old face circumstances identical to those faced by their younger counterparts.

(e) Given the recent influx of vulnerable youth arriving to the United States, many of whom have been released to family members and other adults in Washington, and who have experienced parental abuse, neglect, or abandonment, it is necessary to provide an avenue for these vulnerable youth to petition the superior courts to appoint a guardian of the person, even if the youth is over eighteen years old. This is particularly necessary in light of the vulnerability of this class of youth, and their need for a custodial relationship with a responsible adult as they adjust to a new cultural context, language, and education system, and recover from the trauma of abuse, neglect, or abandonment. These custodial arrangements promote the long-term well-being and stability of vulnerable youth present in the United States who have experienced abuse, neglect, or abandonment by one or both parents.

(f) The legislature has an interest in combating human trafficking throughout Washington state. In 2003, Washington became the first state to enact a law making human trafficking a crime and has since continued its efforts to provide support services for victims of human trafficking while also raising awareness of human trafficking. Vulnerable youth who have been subject to parental abuse, neglect, or abandonment are particularly susceptible to becoming victims of human trafficking. By creating an avenue for a vulnerable youth guardianship for certain eligible individuals between eighteen and twenty-one years old, the legislature will provide such youth with the possibility for additional support and protection that a guardian can offer, which will make these youth less likely to become targets for human traffickers. Guardians can support vulnerable youth by providing them stable housing and caring for their basic necessities, which may help alleviate many of the risk factors that make such youth prime targets for trafficking and exploitation.

(g) Vulnerable youth guardianships of the person may be necessary and appropriate for these individuals, even between eighteen and twenty-one years old, although a vulnerable youth for whom a guardian has been appointed

retains the rights of an adult under Washington law.

(2) It is the intent of the legislature to give the juvenile division of superior courts jurisdiction to appoint a guardian for a consenting vulnerable youth between eighteen, up to the age of twenty-one who has been abandoned, neglected, or abused by one or both parents, or for whom the court determines that a guardian is otherwise necessary as one or both parents cannot adequately provide for the youth such that the youth risks physical or psychological harm if returned to the youth's home. The juvenile court will have jurisdiction to make the findings necessary for a vulnerable youth to petition for classification under 8 U.S.C. Sec. 1101(a)(27)(J). It is further the intent of the legislature to provide an avenue for a person between eighteen and twenty-one years old to have a guardian of the person appointed beyond eighteen years old if the youth so requests or consents to the appointment of a guardian as provided in section 5 of this act.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of social and health services.

(2) "Guardian" means a person who has been appointed by the court as the guardian of a vulnerable youth in a legal proceeding under this chapter. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under chapter 13.34 RCW for the purpose of assisting the court in supervising the dependency. The term "guardian" does not include a "guardian" appointed pursuant to a proceeding under chapter 13.36 RCW or a "dependency guardian" appointed pursuant to a proceeding under chapter 13.34 RCW.

(3) "Juvenile court" or "court" means the juvenile division of the superior court.

(4) "Relative" means a person related to the child in the following ways:

(a) Any parent, or blood relative, including those of half-blood, and including first cousins, second cousins, nephews or nieces, and persons

of preceding generations as denoted by prefixes of grand, great, or great-great;

(b) A stepfather, stepmother, stepbrother, and stepsister;

(c) A person who legally adopts a child or the child's parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with state law;

(d) Spouses of any persons named in (a) through (c) of this subsection (4), even after the marriage is terminated;

(e) Relatives, as described in (a) through (d) of this subsection (4), of any half-sibling of the child.

(5) (a) "Suitable person" means a nonrelative who has completed all required criminal history background checks as specified in (b) of this subsection and otherwise appears to be suitable and competent to provide care for the youth.

(b) The criminal background checks required in (a) of this subsection are those set out in RCW 26.10.135 (1) and (2) (b), but apply only to the guardian and not to other adult members of the household.

(6) "Vulnerable youth" is an individual who has turned eighteen years old, but who is not yet twenty-one years old and who is eligible for classification under 8 U.S.C. Sec. 1101(a) (27) (J). A youth who remains in a vulnerable youth guardianship under this chapter shall not be considered a "child" under any other state statute or for any other purpose. A vulnerable youth is one who is not also a nonminor dependent who is participating in extended foster care services authorized under RCW 74.13.031.

NEW SECTION. Sec. 4. (1) A vulnerable youth may petition the court that a vulnerable youth guardianship be established for him or her by filing a petition in juvenile court under this chapter. The proposed guardian must agree to join in the petition, and must receive notice of the petition.

(2) To be designated as a proposed guardian in a petition under this chapter, a person must be age twenty-one or over, suitable, and capable of performing the duties of guardian under section 6 of this act, including but

not limited to parents, licensed foster parents, relatives, and suitable persons.

(3) The petition must allege and show that:

(a) Both the petitioner and the proposed guardian agree to the establishment of a guardianship;

(b) The youth is between the ages of eighteen and twenty-one years;

(c) The youth is prima facie eligible to apply for classification under 8 U.S.C. Sec. 1101(a) (27) (J);

(d) The youth requests the support of a responsible adult; and

(e) The proposed guardian agrees to serve as guardian, and is a suitable adult over twenty-one years old who is capable of performing the duties of a guardian as stated in section 6 of this act.

(4) There must be no fee associated with the filing of a vulnerable youth guardianship petition by or for a vulnerable youth under this section.

NEW SECTION. Sec. 5. (1) At the hearing on a vulnerable youth guardianship petition, both parties, the vulnerable youth and the proposed guardian, have the right to present evidence and cross-examine witnesses. The rules of evidence apply to the conduct of the hearing.

(2) A vulnerable youth guardianship must be established if the court finds by a preponderance of the evidence that:

(a) The allegations in the petition are true;

(b) It is in the vulnerable youth's best interest to establish a vulnerable youth guardianship; and

(c) The vulnerable youth consents in writing to the appointment of a guardian.

(3) A guardianship established under subsection (2) of this section remains in effect as provided in section 8 of this act.

NEW SECTION. Sec. 6. (1) If the court has made the findings required under section 5 of this act, the court shall issue an order establishing a vulnerable youth guardianship for the vulnerable youth. The order shall:

(a) Appoint a person to be the guardian for the vulnerable youth;

(b) Provide that the guardian shall ensure that the legal rights of the vulnerable youth are not violated, and may specify the guardian's other rights and responsibilities concerning the care, custody, and nurturing of the vulnerable youth;

(c) Specify that the guardian shall not have possession of any identity documents belonging to the vulnerable youth; and

(d) Specify the need for and scope of continued oversight by the court, if any.

(2) Unless specifically ordered by the court, the standards and requirements for relocation in chapter 26.09 RCW do not apply to vulnerable youth guardianships established under this chapter.

(3) The court shall provide a certified copy of the vulnerable youth guardianship order to the vulnerable youth and the guardian.

(4) For an unrepresented vulnerable youth whose vulnerable youth guardian is a suitable person, as defined in section 3 of this act, the court shall provide a list of service providers and available resources for survivors of human trafficking, such as any relevant lists or materials created by the Washington state task force against the trafficking of persons under RCW 7.68.350.

NEW SECTION. Sec. 7. (1) The youth may move the court to modify the provisions of a vulnerable youth guardianship order at any time by: (a) Filing with the court a motion for modification and an affidavit setting forth facts supporting the requested modification; and (b) providing notice and a copy of the motion and affidavit to the other party. The nonmoving party may file and serve opposing affidavits.

(2) The youth may move the court to appoint a new guardian at any time by: (a) Filing with the court a motion for appointment of a new guardian and an affidavit setting forth facts supporting the requested appointment; and (b) providing notice and a copy of the motion and affidavit to the other party.

(3) The youth may move the court to substitute a new guardian, provided that the proposed new guardian is a suitable adult over twenty-one years old who is capable of performing the duties of a guardian as stated in section 6 of this act. The substitution of a new guardian must be permitted without termination of the vulnerable youth guardianship and the youth is not required to file a new vulnerable youth guardianship petition to substitute a guardian.

(4) If a party other than the youth moves the court to modify the provisions of a vulnerable youth guardianship order, the modification is subject to the youth's agreement.

NEW SECTION. Sec. 8. (1) The vulnerable youth guardianship terminates on the vulnerable youth's twenty-first birthday.

(2) The vulnerable youth may request the termination of the vulnerable youth guardianship at any time. The court shall terminate the vulnerable youth guardianship upon the request of the vulnerable youth. The vulnerable youth may also withdraw consent to the vulnerable youth guardianship at any time.

(3) The guardian may request termination of the vulnerable youth guardianship by filing a petition and supporting affidavit alleging a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that the termination is necessary to serve the best interests of the vulnerable youth. The petition and affidavit must be served on both parties to the vulnerable youth guardianship.

(4) Except as provided in subsection (2) of this section, the court shall not terminate a vulnerable youth guardianship unless it finds, upon the basis of facts that have arisen since the vulnerable youth guardianship was established or that were unknown to the court at the time the vulnerable youth guardianship was established, that a substantial change has occurred in the circumstances of the vulnerable youth or the guardian and that termination of the vulnerable youth guardianship is necessary to serve the best interests of the vulnerable youth. The effect of a guardian's duties while serving in the military potentially impacting

vulnerable youth guardianship functions is not, by itself, a substantial change of circumstances justifying termination of a vulnerable youth guardianship.

NEW SECTION. Sec. 9. In all proceedings under this chapter to establish, modify, or terminate a vulnerable youth guardianship order, the vulnerable youth and the guardian or prospective guardian have the right to be represented by counsel of their choosing and at their own expense.

NEW SECTION. Sec. 10. (1) Subject to the availability of amounts appropriated for this specific purpose, the Washington state task force against the trafficking of persons created in RCW 7.68.350 shall:

(a) Evaluate whether vulnerable youth guardianships established under chapter 13.--- RCW (the new chapter created in section 11 of this act) where the guardian is a suitable person, as defined in section 3 of this act, have the unintended impact of placing youth at greater risk of being trafficked; and

(b) Compile a list of service providers and available resources for survivors of human trafficking that a court issuing a vulnerable youth guardianship order under section 6 of this act can provide to a vulnerable youth applying for a guardian who is a suitable person, as defined in section 3 of this act.

(2) If findings are made that vulnerable youth guardianships established under chapter 13.--- RCW (the new chapter created in section 11 of this act) where the guardian is a suitable person, as defined in section 3 of this act, have the unintended impact of placing youth at greater risk of being trafficked, the task force shall:

(a) Research and identify ways to reduce this risk, including recommendations on legislation;

(b) Examine whether providing a vulnerable youth applying for a guardian who is a suitable person, as defined in section 3 of this act, with an advocate interview prior to granting a vulnerable youth guardianship will help reduce this risk; and

(c) Identify best practices for an advocate interview and any related

recommendations on training or other requirements for advocate organizations.

(3) The task force shall deliver the evaluation of vulnerable youth guardianships specified by this section to the legislature by January 1, 2019.

NEW SECTION. Sec. 11. Sections 1 through 9 of this act constitute a new chapter in Title 13 RCW."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "adding a new chapter to Title 13 RCW; and creating a new section."

MESSAGE FROM THE SENATE

April 11, 2017

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1547, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.38.111 and 2016 sp.s. c 31 s 4 are each amended to read as follows:

(1) The department shall not require a certificate of need for the offering of an inpatient tertiary health service by:

(a) A health maintenance organization or a combination of health maintenance organizations if (i) the organization or combination of organizations has, in the service area of the organization or the service areas of the organizations in the combination, an enrollment of at least fifty thousand individuals, (ii) the facility in which the service will be provided is or will be geographically located so that the service will be reasonably accessible to such enrolled individuals, and (iii) at least seventy-five percent of the patients who can reasonably be expected to receive the tertiary health service will be individuals enrolled with such organization or organizations in the combination;

(b) A health care facility if (i) the facility primarily provides or will provide inpatient health services, (ii) the facility is or will be controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations which has, in the service area of the organization or service areas of the organizations in the combination, an enrollment of at least fifty thousand individuals, (iii) the facility is or will be geographically located so that the service will be reasonably accessible to such enrolled individuals, and (iv) at least seventy-five percent of the patients who can

reasonably be expected to receive the tertiary health service will be individuals enrolled with such organization or organizations in the combination; or

(c) A health care facility (or portion thereof) if (i) the facility is or will be leased by a health maintenance organization or combination of health maintenance organizations which has, in the service area of the organization or the service areas of the organizations in the combination, an enrollment of at least fifty thousand individuals and, on the date the application is submitted under subsection (2) of this section, at least fifteen years remain in the term of the lease, (ii) the facility is or will be geographically located so that the service will be reasonably accessible to such enrolled individuals, and (iii) at least seventy-five percent of the patients who can reasonably be expected to receive the tertiary health service will be individuals enrolled with such organization;

if, with respect to such offering or obligation by a nursing home, the department has, upon application under subsection (2) of this section, granted an exemption from such requirement to the organization, combination of organizations, or facility.

(2) A health maintenance organization, combination of health maintenance organizations, or health care facility shall not be exempt under subsection (1) of this section from obtaining a certificate of need before offering a tertiary health service unless:

(a) It has submitted at least thirty days prior to the offering of services reviewable under RCW 70.38.105(4)(d) an application for such exemption; and

(b) The application contains such information respecting the organization, combination, or facility and the proposed offering or obligation by a nursing home as the department may require to determine if the organization or combination meets the requirements of subsection (1) of this section or the facility meets or will meet such requirements; and

(c) The department approves such application. The department shall approve or disapprove an application

for exemption within thirty days of receipt of a completed application. In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. The department shall approve an application submitted under this subsection if it determines that the applicable requirements of subsection (1) of this section are met.

(3) A health care facility (or any part thereof) with respect to which an exemption was granted under subsection (1) of this section may not be sold or leased and a controlling interest in such facility or in a lease of such facility may not be acquired and a health care facility described in (1)(c) which was granted an exemption under subsection (1) of this section may not be used by any person other than the lessee described in (1)(c) unless:

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(b) The department determines, upon application, that (i) the entity to which the facility is proposed to be sold or leased, which intends to acquire the controlling interest, or which intends to use the facility is a health maintenance organization or a combination of health maintenance organizations which meets the requirements of (1)(a)(i), and (ii) with respect to such facility, meets the requirements of (1)(a)(ii) or (iii) or the requirements of (1)(b)(i) and (ii).

(4) In the case of a health maintenance organization, an ambulatory care facility, or a health care facility, which ambulatory or health care facility is controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations, the department may under the program apply its certificate of need requirements to the offering of inpatient tertiary health services to the extent that such offering is not exempt under the

provisions of this section or RCW 70.38.105(7).

(5) (a) The department shall not require a certificate of need for the construction, development, or other establishment of a nursing home, or the addition of beds to an existing nursing home, that is owned and operated by a continuing care retirement community that:

(i) Offers services only to contractual members;

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vi) Does not operate, and has not undertaken a project that would result in a number of nursing home beds in excess of one for every four living units operated by the continuing care retirement community, exclusive of nursing home beds; and

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(i) It has submitted an application for exemption at least thirty days prior to commencing construction of, is

submitting an application for the licensure of, or is commencing operation of a nursing home, whichever comes first; and

(ii) The application documents to the department that the continuing care retirement community qualifies for exemption.

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C., 1395c et seq. may, within three years of the reduction of beds licensed under chapter 70.41 RCW, increase the number of licensed beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4) (a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(8) A rural hospital determined to no longer meet critical access hospital status for state law purposes as a result of participation in the Washington rural health access preservation pilot identified by the state office of rural health and

formerly licensed as a hospital under chapter 70.41 RCW may apply to the department to renew its hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW. If all or part of a formerly licensed rural hospital is sold, purchased, or leased during the period the rural hospital does not meet critical access hospital status as a result of participation in the Washington rural health access preservation pilot and the new owner or lessor applies to renew the rural hospital's license, then the sale, purchase, or lease of part or all of the rural hospital is subject to the provisions of this chapter (~~70.38 RCW~~).

(9)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to no more than the previously licensed number of nursing home beds without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.

(b) To convert beds back to nursing home beds under this subsection, the nursing home must:

(i) Give notice of its intent to preserve conversion options to the

department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term "construction," as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

(c) Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.

(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2)(a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

(e) When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner's approval of the bed reduction.

(10)(a) The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural

needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(vi) The hospice agency only serves patients located in the same county as the majority of the long-term care services offered by the organization that operates the agency; and

(vii) The hospice agency is not sold or transferred to another agency.

(b) The department shall include the patient census for an agency exempted under this subsection (10) in its calculations for future certificate of need applications.

(11) To alleviate the need to board psychiatric patients in emergency departments, ~~((for fiscal year 2015))~~ for the period of time from the effective date of this section through June 30, 2019:

(a) The department shall suspend the certificate of need requirement for a hospital licensed under chapter 70.41 RCW that changes the use of licensed beds to increase the number of beds to provide psychiatric services, including involuntary treatment services. A

certificate of need exemption under this ~~((section))~~ subsection (11)(a) shall be valid for two years.

(b) The department may not require a certificate of need for:

(i) The addition of beds as described in RCW 70.38.260 (2) and (3); or

Sec. 2. RCW 70.38.260 and 2015 3rd sp.s. c 22 s 2 are each amended to read as follows:

(1) For a grant awarded during fiscal years 2016 and 2017 by the department of commerce under this section, hospitals licensed under chapter 70.41 RCW and psychiatric hospitals licensed as establishments under chapter 71.12 RCW are not subject to certificate of need requirements for the addition of the number of new psychiatric beds indicated in the grant. The department of commerce may not make a prior approval of a certificate of need application a condition for a grant application under this section. The period during which an approved hospital or psychiatric hospital project qualifies for a certificate of need exemption under this section is two years from the date of the grant award.

(2)(a) Until June 30, 2019, a hospital licensed under chapter 70.41 RCW is exempt from certificate of need requirements for the addition of new psychiatric beds.

(b) A hospital that adds new psychiatric beds under this subsection (2) must:

(i) Notify the department of the addition of new psychiatric beds. The department shall provide the hospital with a notice of exemption within thirty days; and

(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(c) Beds granted an exemption under RCW 70.38.111(11)(b) must remain

psychiatric beds unless a certificate of need is granted to change their use or the hospital voluntarily reduces its licensed capacity.

(3) (a) Until June 30, 2019, a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements for the one-time addition of up to thirty new psychiatric beds, if it demonstrates to the satisfaction of the department:

(i) That its most recent two years of publicly available fiscal year-end report data as required under RCW 70.170.100 and 43.70.050 reported to the department by the psychiatric hospital, show a payer mix of a minimum of fifty percent medicare and medicaid based on a calculation using patient days; and

(ii) A commitment to maintaining the payer mix in (a) of this subsection for a period of five consecutive years after the beds are made available for use by patients.

(b) A psychiatric hospital that adds new psychiatric beds under this subsection (3) must:

(i) Notify the department of the addition of new psychiatric beds. The department shall provide the psychiatric hospital with a notice of exemption within thirty days; and

(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(c) Beds granted an exemption under RCW 70.38.111(1)(b) must remain psychiatric beds unless a certificate of need is granted to change their use or the psychiatric hospital voluntarily reduces its licensed capacity.

(4) (a) Until June 30, 2019, an entity seeking to construct, develop, or establish a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements if the proposed psychiatric hospital will dedicate at least one-third of its beds to providing treatment to adults on ninety or one hundred eighty-day involuntary commitment orders. The psychiatric hospital may also provide treatment to adults on a seventy-two hour detention or fourteen-day involuntary commitment order.

(b) An entity that seeks to construct, develop, or establish a psychiatric hospital under this subsection (4) must:

(i) Notify the department of the construction, development, or establishment. The department shall provide the entity with a notice of exemption within thirty days; and
