- (1) The state's highly productive and efficient agricultural sector is composed predominately of family-owned and managed farms and an industrious and efficient work force;
- (2) A reasonable level of safety regulation is needed to protect workers; and
- (3) The smaller but highly efficient farming operations would benefit from safety rules that are easily referenced and agriculture-specific to the extent possible.

NEW SECTION. **Sec. 2.** A new section is added to chapter 49.17 RCW to read as follows:

- (1) To afford the legislature an opportunity to examine more closely the agricultural safety standards that should apply to the agricultural industry, no rules adopted under this chapter amending or establishing agricultural safety standards shall take effect during the period beginning January 1, 1995, and ending January 15, 1996.

(2) Rollover protective structures shall not be required before January 15, 1996, for any tractor that was manufactured before October 25, 1976. By December 15, 1995, the department shall prepare a list of the rollover protective structures available to persons in this state that fully satisfy the standards for such structures proposed for such tractors by the department by rule before January 1, 1995. The list shall include the name and address of the manufacturer of each structure listed, the manufacturer's price of the structure, and approximate delivery and installation costs. The department shall not list a structure if it: Is not readily available; restricts or eliminates a common use for the tractor for which it is designed; or does not include all of the parts needed to install the structure on the tractor for which it is designed in a manner that fully satisfies the standards proposed for such structures by the department. The department shall certify the accuracy of the information on the list and submit the list to the committees of the senate and the house of representatives with general jurisdiction over matters relating to agriculture and those with general jurisdiction over matters relating to labor.

(3) The following applies to rules for agricultural safety adopted under this chapter. The rules shall:

(a) Establish, for agricultural employers, an agriculture safety standard that includes agriculture-specific standards and specific references to the general industry safety standard adopted under this chapter; and

(b) Exempt agricultural employers from the general industry safety standard adopted under this chapter for all requirements not specifically referenced in the agriculture safety standard.

(4) The department shall publish in one volume all of the occupational safety standards that apply to agricultural employers and shall make this volume available to all agricultural employers before February 15, 1996. This volume must be available in both English and Spanish.

(5) The department shall provide training, education, and enhanced consultation services concerning its agricultural safety standards to agricultural employers before the standards take effect. The training, education, and consultation must continue throughout the winter of 1995-1996. Training and education programs must be provided throughout the state and must be coordinated with agricultural associations in order to meet their members' needs.

(6) Subsections (1) and (2) of this section do not limit the authority of the director to adopt rules that are specifically required by federal law, and only to the extent specifically required, for the agricultural safety standards under this chapter to be as effective as the standards adopted or recognized by the United States secretary of labor under the authority of the occupational safety and health act of 1970 (P.L. 91-596; 84 Stat. 1590).

(7) Once the single volume of all of the rules setting agricultural safety standards is first published as required by subsection (4) of this section, no new rules regarding agricultural safety may be established under this chapter except: As specifically required by federal law, and only to the extent specifically required; or as specifically authorized by the legislature by law enacted after the effective date of this section.

SPEAKER'S RULING

Representative Dellwo, the Speaker is prepared to Rule on your Point of Order which challenges the Committee Amendment to Substitute Senate Bill No. 5431 as being beyond the Scope and Object of the bill.

The title of Substitute Senate Bill No. 5431 is "AN ACT Relating to rural health care.

The title is broad. The bill adds a new section to chapter 43.70 RCW, creates new sections, and repeals RCW 48.45.005, 48.45.010, 48.45.020, and 48.05.030.

The bill repeals certain rural health care statutes and directs the Department of Health to set up a committee to study rural health care issues and report their findings to the legislature by December, 1995.

The Committee Amendment adds a new section to chapter 70.170 RCW and chapter 28B.80 RCW, amends RCW 43.70.470, creates new sections, and repeals RCW 28B.125.005 and 28B.125.010.

The object of Substitute Senate Bill No. 5431 is to repeal certain statutes regarding the licensure of small rural health care service arrangements which were never used and to create a study by the Department of Health to determine issues relevant to health care services provided to people living in rural areas.

The Committee Amendment repeals various other statutes and programs, establishes a state-wide data system, transfers various agency functions and programs, and imposes other requirements not related to rural health care issues.

The Speaker finds that the Committee Amendment is beyond the scope and object of the bill.

Representative Dellwo, Your Point of Order is well taken.

With the consent of the House, amendment number 695 to Substitute Senate Bill No. 5431 was withdrawn.

Representative Hymes moved adoption of the following amendment by Representative Hymes:

On page 2, after line 2, insert the following:

"NEW SECTION. **Sec. 3.** A new section is added to chapter 43.70 RCW to read as follows:

(1) To promote the public interest consistent with the purposes of chapter 492, Laws of 1993 as amended by chapter . . . , Laws of 1995 (this act), the department shall continue to require hospitals to submit hospital financial and patient discharge information, which shall be collected, maintained, analyzed, and disseminated by the department. The department may, if deemed cost-effective and efficient, contract with a private entity for any or all parts of data collection. Data elements shall be reported in conformance with a uniform reporting system established by the department. This includes data elements identifying each hospital's revenues, expenses, contractual allowances, charity care, bad debt, other income, total units of inpatient and outpatient services, and other financial information reasonably necessary to fulfill the purposes of chapter 492, Laws of 1993 as amended by chapter . . . , Laws of 1995 (this act). Data elements relating to use of hospital services by patients shall be the same as those currently compiled by hospitals through inpatient discharge abstracts. The department shall encourage and permit reporting by electronic transmission or hard copy as is practical and economical to reporters.

(2) In identifying financial reporting requirements, the department may require both annual reports and condensed quarterly reports from hospitals, so as to achieve both accuracy and timeliness in reporting, but shall craft such requirements with due regard of the data reporting burdens of hospitals.

(3) The health care data collected, maintained, and studied by the department shall only be available for retrieval in original or processed form to public and private requestors and shall be available within a reasonable period of time after the date of request. The cost of retrieving data for state officials and agencies shall be funded through the state general appropriation. The cost of retrieving data for individuals and organizations engaged in research or private use of data or studies shall be funded by a fee schedule developed by the department that reflects the direct cost of retrieving the data or study in the requested form.

(4) All persons subject to chapter 492, Laws of 1993 shall comply with departmental requirements established by rule in the acquisition of data.

NEW SECTION. Sec. 4. A new section is added to chapter 43.70 RCW to read as follows:
HEALTH CARE QUALITY--FINDINGS AND INTENT. The legislature finds that it is difficult for consumers of health care services to determine the quality of health care in rural areas and other parts of the state prior to purchase or utilization of medical care. The legislature also finds that accountability is a key component in promoting quality assurance and quality improvement throughout the health care delivery system, including public programs. Quality assurance and improvement standards are necessary to promote the public interest, contribute to cost efficiencies, and improve the ability of consumers to ascertain quality health care purchases.

The legislature intends to have consumers, health carriers, health care providers and facilities, and public agencies participate in the development of quality assurance and improvement standards that can be used to develop a uniform quality assurance program for use by all public and private health plans, providers, and facilities. To that end, in conducting the study required under section 3 of this act, the department of health shall:

- (1) Consider the needs of consumers, employers, health care providers and facilities, and public and private health plans;
- (2) Take full advantage of existing national standards of quality assurance to extend to middle-income populations the protections required for state management of health programs for low-income populations;
- (3) Consider the appropriate minimum level of quality assurance standards that should be disclosed to consumers and employers by health care providers and facilities, and public and private health plans; and
- (4) Consider standards that permit health care providers and facilities to share responsibility for participation in a uniform quality assurance program.

NEW SECTION. Sec. 5. A new section is added to chapter 43.70 RCW to read as follows:
UNIFORM QUALITY ASSURANCE. (1) The department of health shall study the feasibility of a uniform quality assurance and improvement program for use by all public and private health plans and health care providers and facilities in rural areas and other parts of the state. In this study, the department shall consult with:

- (a) Public and private purchasers of health care services;
 - (b) Health carriers;
 - (c) Health care providers and facilities; and
 - (d) Consumers of health services.
- (2) In conducting the study, the department shall adopt standards that meet the needs of affected persons and organizations, whether public or private, without creation of differing levels of quality assurance. All consumers of health services should be afforded the same level of quality assurance.
- (3) At a minimum, the study shall include but not be limited to the following program components and indicators appropriate for consumer disclosure:
- (a) Health care provider training, credentialing, and licensure standards;
 - (b) Health care facility credentialing and recredentialing;
 - (c) Staff ratios in health care facilities;
 - (d) Annual mortality and morbidity rates of cases based on a defined set of procedures performed or diagnoses treated in health care facilities, adjusted to fairly consider variable factors such as patient demographics and case severity;
 - (e) The average total cost and average length of hospital stay for a defined set of procedures and diagnoses in health care facilities;
 - (f) The total number of the defined set of procedures, by specialty, performed by each physician at a health care facility within the previous twelve months;
 - (g) Utilization performance profiles by provider, both primary care and specialty care, that have been adjusted to fairly consider variable factors such as patient demographics and severity of case;
 - (h) Health plan fiscal performance standards;
 - (i) Health care provider and facility recordkeeping and reporting standards;
 - (j) Health care utilization management that monitors trends in health service under-utilization, as well as over-utilization of services;

(k) Health monitoring that is responsive to consumer and purchaser needs; and

(l) Assessment of consumer satisfaction and disclosure of consumer survey results.

(4) In conducting the study, the department shall develop standards that permit each health care facility, provider group, or health carrier to assume responsibility for and determine the physical method of collection, storage, and assimilation of quality indicators for consumer disclosure. The study may define the forms, frequency, and posting requirements for disclosure of information.

(5) The department shall submit its final report and recommendations to the legislature by December 31, 1995.

(6) The department shall not adopt any rule implementing the uniform quality assurance program or consumer disclosure provisions unless expressly directed to do so by an act of law.

NEW SECTION. Sec. 6. A new section is added to chapter 43.70 RCW to read as follows:
QUALITY ASSURANCE--INTERAGENCY COOPERATION--ELIMINATION AND COORDINATION OF DUPLICATE STATE PROGRAMS. No later than July 1, 1995, the department of health together with the health care authority, the department of social and health services, the office of the insurance commissioner, and the department of labor and industries shall form an interagency group for coordination and consultation on quality assurance activities and collaboration on final recommendations for the study required under section 3 of this act. By December 31, 1995, the group shall review all state agency programs governing health service quality assurance and shall recommend to the legislature, the consolidation, coordination, or elimination of rules and programs that would be made unnecessary pursuant to the development of a uniform quality assurance and improvement program."

Renumber the remaining sections consecutively, correct internal references accordingly, and correct the title.

The amendment was adopted.

Representative Backlund moved adoption of the following amendment by Representative Backlund:

On page 3, after line 10, insert the following:

"NEW SECTION. Sec. 5. The intent of this act is to create the capacity to collect data regarding the distribution of health care professionals in the provider shortage areas of the state, with emphasis on rural areas. The purpose of this collection is to make the data available to the public and private sector for their use.

This data gathering and the analysis of the data by state government is done with the assumption that the scopes of practice of the health care professions in effect at that time are appropriate.

NEW SECTION. Sec. 6. A new section is added to chapter 70.170 RCW to read as follows:
The department of health, in consultation with the health services commission, or its successor agency, shall establish a health care professional information data system. The system shall identify, for the purpose of assisting rural communities and other areas of the state experiencing provider shortages, the type, number, and location of health care professionals working in the state and create a centralized inventory of applications, matriculations, and graduations from all health care training programs in the state in vocational-technical training, community colleges, and four-year colleges and universities.

NEW SECTION. Sec. 7. A new section is added to chapter 28B.80 RCW to read as follows:
In its deliberations regarding the health professions scholarship and forgivable loan program, the board shall consider data collected under section 6 of this act in relation to areas of the state, such as rural communities, experiencing provider shortages as identified by the Washington health services commission or its successor agency.

NEW SECTION. **Sec. 8.** The following acts or parts of acts are each repealed:

- (1) RCW 28B.125.005 and 1991 c 332 s 4; and
- (2) RCW 28B.125.010 and 1993 c 492 s 270 & 1991 c 332 s 5.

NEW SECTION. **Sec. 9.** Information gathered through this act shall not be used to change or recommend change to the scope of practice of any health care profession nor shall the commission, the information advisory council, or its successor, advise or undertake to change such scope of practice."

Correct all internal references and correct the title accordingly.

"**Sec. 1.** RCW 43.143.010 and 1989 1st ex.s. c 2 s 9 are each amended to read as follows:

(1) The purpose of this chapter is to articulate policies and establish guidelines for the exercise of state and local management authority over Washington's coastal waters, seabed, and shorelines.

(2) There shall be no leasing of Washington's tidal or submerged lands extending from mean high tide seaward three miles along the Washington coast from Cape Flattery south to Cape Disappointment, nor in Grays Harbor, Willapa Bay, and the Columbia river downstream from the Longview bridge, for purposes of oil or gas exploration, development, or production until at least July 1, ~~((1995))~~ 2000. During the ~~((1995))~~ 2000 legislative session, the legislature shall determine whether the moratorium on leasing should be extended past July 1, ~~((1995))~~ 2000. This determination shall be based on the information available at that time, including the analysis described in RCW 43.143.040. If the legislature does not extend the moratorium on leasing, the moratorium will end on July 1, ~~((1995))~~ 2000. At any time that oil or gas leasing, exploration, and development are allowed to occur, these activities shall be required to meet or exceed the standards and criteria contained in RCW 43.143.030.

(3) When conflicts arise among uses and activities, priority shall be given to resource uses and activities that will not adversely impact renewable resources over uses which are likely to have an adverse impact on renewable resources.

(4) It is the policy of the state of Washington to actively encourage the conservation of liquid fossil fuels, and to explore available methods of encouraging such conservation.

(5) It is not currently the intent of the legislature to include recreational uses or currently existing commercial uses involving fishing or other renewable marine or ocean resources within the uses and activities which must meet the planning and review criteria set forth in RCW 43.143.030. It is not the intent of the legislature, however, to permanently exclude these uses from the requirements of RCW 43.143.030. If information becomes available which indicates that such uses should reasonably be covered by the requirements of RCW 43.143.030, the permitting government or agency may require compliance with those requirements, and appeals of that decision shall be handled through the established appeals procedure for that permit or approval.

(6) The state shall participate in federal ocean and marine resource decisions to the fullest extent possible to ensure that the decisions are consistent with the state's policy concerning the use of those resources."

POINT OF PERSONAL PRIVILEGE

Representative Kessler: Thank you Mr. Speaker. Well, this afternoon Mr. Speaker I had a moment in my life here on the floor that was very embarrassing for me. I honestly, I couldn't believe it when one of our young Pages delivered, and I'm not going to open it up to the offensive page, but delivered this package and three of us were sitting there having a discussion on the floor, and one of the members started flipping through it, there was a man present when this was happening and I looked at it and I have to quite frankly tell you that I was appalled, I was embarrassed, and I can't believe that this was necessary to get a point across, to show a picture of a woman in that position. I mean I've raised four children to adulthood and I've kept that kind of literature out of my home, because I choose not to look at it. And I did not anticipate seeing a young child carry this piece of pornography to every members desk in this body. I am embarrassed. I am totally embarrassed. And I think the member who distributed it owes many of us an apology. And I'm sorry it does cut across both sides of the aisle. I think many of us would not choose to look at this kind of literature. And I really hope that he will consider apologizing to the body. Thank you Mr. Speaker.

Speaker: Representative Kessler, the Speaker would like to point out that any materials that are to be passed out to the members desks will be approved by the Speaker, that is the Rule. The Rule was not followed.

I have made that clearly known to our Caucus and I'm making it known to all members at this time. And the purpose of that Rule is to make sure that materials are being placed. There are times that members wish to place materials for various reasons, my concern is with what happens with this membership. Those were not approved and were distributed and I have already taken action to make it very clear that in the future there are no materials distributed unless I or the person I appoint, which is the Chief Clerk, approves those.

Representative Kessler: Thank you very much.

POINT OF PERSONAL PRIVILEGE

Representative Goldsmith: Thank you Mr. Speaker. When it was mailed to me through the United States Mail, I also considered it pornography. But it was published in one of our Universities' newspapers.

Speaker. Representative Goldsmith, What we're dealing with here is the Rules of the House. And even though people may do things that are offensive to us in other areas we do not control those areas, here we do control those areas and the point the Speaker is trying to make is we will be making decisions based on our decisions on what materials will be passed out here from either side of the aisle. And quite frankly there's been material from both sides of the aisle that we've had to say no on. And I can assure you that in the future there will be additional times that the Speaker is going to be saying no and quite frankly sometimes people are trying to make political positions and I will not have that either. And I will not have this particular material passed out.

POINT OF PERSONAL PRIVILEGE

Representative Ebersole: Thank you Mr. Speaker. Let me say that we appreciate the decision of the Chair to be a reasonable and fair one.

SPEAKER'S RULING

Representative Rust. Your request for a Scope and Object on a section of the bill to Substitute Senate Bill No. 5315.

The title of the bill is "AN ACT Relating to Agriculture and Marketing. In the original bill there was no reference to Alternative Livestock, therefore your Point is well taken.

There being no objection, the House deferred further consideration of Substitute Senate Bill No. 5315 and Engrossed Second Substitute Senate Bill No. 5448 and the bills held their place on the second reading calendar.

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5633, by Senate Committee on Ways & Means (originally sponsored by Senators Snyder, Swecker, Hargrove, Haugen, Morton, Hochstatter, Owen and Rasmussen)

Attempting to limit the growth and spread of the noxious weed spartina.

The bill was read the second time.

There being no objection, the committee amendment was not adopted. Committee on Appropriations recommendation: Majority, do pass as amended. (For committee amendment see Journal, 85th Day, April 3, 1995.)

Representative Chandler moved adoption of the following amendment by Representative Chandler:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) *Spartina alterniflora*, *Spartina anglica*, *Spartina x townsendii*, and *Spartina patens* which are collectively called spartina are not native to the state of Washington nor to the west coast of North America. This noxious weed was inadvertently introduced into the wetlands of the state and is now aggressively invading new areas to the detriment of native ecosystems and aquatic habitat. The spread of spartina threatens to permanently convert and displace native freshwater and saltwater wetlands and intertidal zones, including critical habitat for migratory birds, many fish species, bivalves, invertebrates, marine mammals, and other animals. The continued spread of spartina will permanently reduce the diversity and the quantity of these species and will have a significant negative environmental impact.

Spartina poses a significant hydrological threat. Clumps and meadows of spartina are dense environments that bind sediments and lift the intertidal gradient up out of the intertidal zone through time. This process reduces flows during flood conditions, raises flood levels, and significantly alters the hydrological regime of estuarine areas.

Spartina spreads by rhizomes and seed production. Through lateral growth by rhizomes, spartina establishes a dense monotypic meadow. Through seed production and the spread of seed through the air and by water, spartina is currently being spread to other states and to Canadian provinces.

(2) Purple loosestrife was first documented in the state in 1929 along freshwater shorelands. It is now present throughout the state and is particularly abundant in Grant county and its neighboring counties. The plant appears to be colonizing more rapidly on the eastern side of the state than on the western side. It was first introduced to the Winchester Wasteway area in the 1960's and has invaded the area rapidly. Purple loosestrife is displacing native plants and as a result is threatening an extremely important part of this state's wildlife habitat. *Lythrum salicaria* and *L. virgatum* are closely related loosestrife species that are morphologically similar and not easily distinguished from each other in the field. Both species have been referred to as purple loosestrife.

(3) Current laws and rules designed to protect the environment and preserve the wetland habitats, fish, and wildlife of the state are not designed to respond to an ecosystem-wide threat of this kind. State and federal agencies, local governments, weed boards, concerned individuals, and property owners attempting to deal with the ecological emergency posed by spartina and purple loosestrife infestations have been frustrated by interagency disagreements, demands for an undue amount of procedural and scientific process and information, dilatory appeals, and the improper application of laws and regulations by agencies that have in fact undermined the legislative purposes of those same laws while ignoring the long-term implications of delay and inaction. There is a compelling need for strong leadership, coordination, and reporting by a single state agency to respond appropriately to this urgent environmental challenge.

Any further delay of control efforts will significantly increase the cost of spartina and purple loosestrife control and reduce the likelihood of long-term success. Control efforts must be coordinated across political and ownership boundaries in order to be effective.

(4) The presence of noxious weeds on public lands constitutes a public nuisance and negatively impacts public and private lands. The legislature finds that control and eradication of noxious weeds on private lands is in the public interest.

NEW SECTION. Sec. 2. This state is facing an environmental disaster that will affect other states as well as other nations. The legislature finds that six years is sufficient time for state agencies to debate solutions to the spartina and purple loosestrife problems that are occurring in state waters. One of the purposes of this act is to focus agency action on control and future eradication of spartina and purple loosestrife. It is the mandate of the legislature that one state agency, the department of

agriculture, be responsible for a unified effort to eliminate spartina and control purple loosestrife, with the advice of the state noxious weed control board, and that state agency shall be directly accountable to the legislature on the progress of the spartina eradication and purple loosestrife control program.

NEW SECTION. Sec. 3. A new section is added to chapter 90.48 RCW to read as follows:

(1) The director shall issue or approve water quality permits for use by federal, state, or local governmental agencies and licensed applicators for the purpose of using, for aquatic noxious weed control, herbicides and surfactants registered under state or federal pesticide control laws. The issuance of the permits shall be subject only to compliance with: Federal and state pesticide label requirements, the requirements of the federal insecticide, fungicide, and rodenticide act, the Washington pesticide control act, the Washington pesticide application act, and the state environmental policy act; and applicable requirements established in an option or options recommended for controlling the noxious weed by a final environmental impact statement published under chapter 43.21C RCW by the department prior to the effective date of this section, by the department of agriculture, or by the department of agriculture jointly with other state agencies. This section may not be construed as requiring the preparation of a new environmental impact statement to replace a final environmental impact statement published before the effective date of this section.

(2) The director of ecology may not utilize this permit authority to otherwise condition or burden weed control efforts. The director's authority to issue water quality modification permits for activities other than the application of surfactants and approved herbicides, to control aquatic noxious weeds, is unaffected by this section.

(3) As used in this section, "aquatic noxious weed" means an aquatic weed on the state noxious weed list adopted under RCW 17.10.080.

NEW SECTION. Sec. 4. A new section is added to chapter 75.20 RCW to read as follows:

(1) An activity conducted solely for the removal or control of spartina shall not require hydraulic project approval.

(2) An activity conducted solely for the removal or control of purple loosestrife and which is performed with hand-held tools, hand-held equipment, or equipment carried by a person when used shall not require hydraulic project approval.

(3) By June 30, 1997, the department of fish and wildlife shall develop rules for projects conducted solely for the removal or control of various aquatic noxious weeds other than spartina and purple loosestrife and for activities or projects for controlling purple loosestrife not covered by subsection (2) of this section, which projects will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state. Following the adoption of the rules, the department shall produce and distribute a pamphlet describing the methods of removing or controlling the aquatic noxious weeds that are approved under the rules. The pamphlet serves as the hydraulic project approval for any project that is conducted solely for the removal or control of such aquatic noxious weeds and that is conducted as described in the pamphlet; no further hydraulic project approval is required for such a project.

From time to time as information becomes available, the department shall adopt similar rules for additional aquatic noxious weeds or additional activities for removing or controlling aquatic noxious weeds not governed by subsection (1) or (2) of this section and shall produce and distribute one or more pamphlets describing these methods of removal or control. Such a pamphlet serves as the hydraulic project approval for any project that is conducted solely for the removal or control of such aquatic noxious weeds and that is conducted as described in the pamphlet; no further hydraulic project approval is required for such a project.

(4) As used in this section, "spartina," "purple loosestrife," and "aquatic noxious weeds" have the meanings prescribed by section 12 of this act.

(5) Nothing in this section shall prohibit the department of fish and wildlife from requiring a hydraulic project approval for those parts of hydraulic projects that are not specifically for the control or removal of spartina, purple loosestrife, or other aquatic noxious weeds.

Sec. 5. RCW 90.58.030 and 1987 c 474 s 1 are each amended to read as follows:

The legislature finds that: The presence of spartina or purple loosestrife on private lands threatens wildlife habitat and provides a source of renewed infestation for public lands; and effective eradication or control of spartina or purple loosestrife requires concerted efforts on both public and private lands to protect public resources. The department of agriculture may grant funds to other state agencies, local governments, and nonprofit corporations for eradication or control purposes and may use those moneys itself. The department of agriculture may match private funds for eradication or control programs on private property on a fifty-fifty matching basis. (2) Select one research and one regional university to participate in the pilot program.

(3) Work with state agencies to exempt participating institutions from state rules that inhibit effective fiscal decisions.

(4) By December 1, 1996, report to the governor and appropriate legislative committees with a preliminary report on the progress of the pilot program and with a list of state laws and rules that may need to be revised in order to encourage effective fiscal decisions by institutions of higher education.

(5) This section shall expire on June 30, 2001.

Sec. 302. RCW 43.10.19054 and 1975-'76 2nd ex.s. c 21 s 7 are each amended to read as follows:

The provisions of RCW 43.19.1905 shall not apply to materials, supplies, and equipment purchased for resale to other than public agencies by state agencies, including educational institutions. In addition, RCW 43.19.1905 shall not apply to purchases by institutions of higher education participating in the fiscal autonomy pilot program under section 301 of this act or liquor purchased by the state for resale under the provisions of Title 66 RCW.

Sec. 303. RCW 41.06.382 and 1979 ex.s. c 46 s 1 are each amended to read as follows:

(1) Nothing contained in this chapter shall prohibit any institution of higher education, as defined in RCW 28B.10.016, or related board from purchasing services by contract with individuals or business entities if such services were regularly purchased by valid contract at such institution prior to April 23, 1979: PROVIDED, That except as provided in subsection (2) of this section, no such contract may be executed or renewed if it would have the effect of terminating classified employees or classified employee positions existing at the time of the execution or renewal of the contract.

(2) An institution of higher education participating in the fiscal autonomy pilot program under section 301 of this act may purchase services by contract with individuals or business entities if the contract would not result in increased expenditures of public funds for the contracted service and if the contract would not result in the termination of classified employees employed at the institution on the effective date of this act.

Sec. 304. RCW 43.88.110 and 1991 sp.s. c 32 s 27 and 1991 c 358 s 2 are each reenacted and amended to read as follows:

This section sets forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch for public funds.

(1) Allotments of an appropriation for any fiscal period shall conform to the terms, limits, or conditions of the appropriation.

(2) The director of financial management shall provide all agencies with a complete set of operating and capital instructions for preparing a statement of proposed expenditures at least thirty days before the beginning of a fiscal period. The set of instructions need not include specific appropriation amounts for the agency.

(3) Within forty-five days after the beginning of the fiscal period or within forty-five days after the governor signs the omnibus biennial appropriations act, whichever is later, all agencies shall submit to the governor a statement of proposed expenditures at such times and in such form as may be required by the governor.

(4) Except as provided in subsection (9) of this section, the office of financial management shall develop a method for monitoring capital appropriations and expenditures that will capture at least the following elements:

- (a) Appropriations made for capital projects including transportation projects;
- (b) Estimates of total project costs including past, current, ensuing, and future biennial costs;
- (c) Comparisons of actual costs to estimated costs;
- (d) Comparisons of estimated construction start and completion dates with actual dates;
- (e) Documentation of fund shifts between projects.

This data may be incorporated into the existing accounting system or into a separate project management system, as deemed appropriate by the office of financial management.

(5) If at any time during the fiscal period the governor projects a cash deficit in a particular fund or account as defined by RCW 43.88.050, the governor shall make across-the-board reductions in allotments for that particular fund or account so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods. Except for the legislative and judicial branches and other agencies headed by elective officials, the governor shall review the statement of proposed operating expenditures for reasonableness and conformance with legislative intent. Once the governor approves the statements of proposed operating expenditures, further revisions shall be made only at the beginning of the second fiscal year and must be initiated by the governor. However, changes in appropriation level authorized by the legislature, changes required by across-the-board reductions mandated by the governor, changes caused by executive increases to spending authority, and changes caused by executive decreases to spending authority for failure to comply with the provisions of chapter 36.70A RCW may require additional revisions. Revisions shall

not be made retroactively. Revisions caused by executive increases to spending authority shall not be made after June 30, 1987. However, the governor may assign to a reserve status any portion of an agency appropriation withheld as part of across-the-board reductions made by the governor and any portion of an agency appropriation conditioned on a contingent event by the appropriations act. The governor may remove these amounts from reserve status if the across-the-board reductions are subsequently modified or if the contingent event occurs. The director of financial management shall enter approved statements of proposed expenditures into the state budgeting, accounting, and reporting system within forty-five days after receipt of the proposed statements from the agencies. If an agency or the director of financial management is unable to meet these requirements, the director of financial management shall provide a timely explanation in writing to the legislative fiscal committees.

(6) Except as provided in subsection (9) of this section, it is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in this chapter and under the regulations issued pursuant to this chapter. Within ninety days of the end of the fiscal year, all agencies shall submit to the director of financial management their final adjustments to close their books for the fiscal year. Prior to submitting fiscal data, written or oral, to committees of the legislature, it is the responsibility of the agency submitting the data to reconcile it with the budget and accounting data reported by the agency to the director of financial management.

(7) Except as provided in subsection (9) of this section, the director of financial management shall monitor agency operating expenditures against the approved statement of proposed expenditures and shall provide the legislature with quarterly explanations of major variances.

(8) The director of financial management may exempt certain public funds from the allotment controls established under this chapter if it is not practical or necessary to allot the funds. With the exception of exemptions that may be granted to institutions of higher education that are participating in the fiscal autonomy pilot program under section 301 of this act, allotment control exemptions expire at the end of the fiscal biennium for which they are granted. The director of financial management shall report any exemptions granted under this subsection to the legislative fiscal committees.

(9) In consultation with the higher education coordinating board, the director of the office of financial management shall develop and implement a simplified allotment and reporting procedure for institutions of higher education participating in the fiscal autonomy pilot program under section 301 of this act."

RESOLUTION

HOUSE RESOLUTION NO. 95-4645, by Representatives Dickerson, Ballasiotes, Chappell, Hatfield, Conway, Wolfe, Mason, Cole, Tokuda, Campbell, Kessler, Blanton, Sherstad, Radcliff, Koster, Kremen, Dyer and Basich

WHEREAS, Youth violence in Washington state affects not just individuals but entire families, neighborhoods, and communities; and

WHEREAS, Incidents of youth violence including murder, assault, and rape have been rising steadily for more than a decade; and

WHEREAS, Youth violence is a reflection of significant problems underlying the fabric of our society, from poverty, drug and alcohol abuse, racism, child abuse and neglect, single parent households, inadequate educational systems, and media glamorization of violence; and

WHEREAS, It is the goal of the House of Representatives to stop youth violence by expanding our vision beyond simply preventing violence and envisioning the creation of healthy communities; and

WHEREAS, Creating healthy communities requires bringing together parents, educators, neighborhood associations, businesses, social and health services providers, law enforcement, and young people themselves;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the State of Washington condemn the scourge of youth violence, and encourage the citizens of this state to actively participate in the creation of renewed, healthy, violence-free communities.

Representative Dickerson moved adoption of the resolution.

Representatives Dickerson, Mason, Sommers, Chopp and Tokuda spoke in favor of adoption of the resolution.

House Resolution No. 4645 was adopted.

POINT OF PERSONAL PRIVILEGE

Representative Costa: Thank you Mr. Speaker, I unfortunately was a little tardy in being here for the House Resolution on youth violence today because I was out gathering resources for an 11 year

old girl that was raped yesterday afternoon. However, I would like to honor the organizations in my area who are working on youth violence: One is the Snohomish County Youth Coalition who works through the Everett YMCA; the other is the interlocal youth gang taskforce through the Snohomish County Office of Children's Affairs. Another is the students against violence everywhere.

There are other agencies in my area that are working hard to combat youth violence, and I just wanted to be able to recognize them as well today. Thank you.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

SUBSTITUTE SENATE JOINT RESOLUTION NO. 8210, by Senate Committee on Law & Justice (originally sponsored by Senators Smith, McCaslin, Gaspard, Deccio, Wojahn, Snyder, Haugen, Morton, Long, Hale, Rinehart, Newhouse, Loveland, McDonald, Palmer, Bauer, Oke and Winsley; by request of Supreme Court)

Revising size and leadership of the state supreme court.

The resolution was read the second time.

There being no objection, the rules were suspended, the second reading considered the third and the resolution was placed on final adoption.

Representatives Hickel and Dellwo spoke in favor of adoption of the resolution.

Representatives Cole, Hargrove and Brown spoke against adoption of the resolution.

POINT OF INQUIRY

Representative Hickel yielded to a question by Representative Cole.

Representative Cole: Thank you Mr. Speaker. My question is, my understanding is that this would make it possible at a later time to reduce the size of the court with just a majority vote instead of having to have 2/3rds vote like when you have to have a constitutional Amendment is that time.

Representative Hickel: Actually I don't have the answer to that, it's my understanding that this measure simply allows the Justices of the Supreme Court to choose who they want to be the Chief Justice. I do not believe but I am not sure, maybe someone else here has that answer as to whether it will effect the other Bill.

Representative Hickel again spoke in favor of passage of the resolution.

MOTIONS

On motion of Representative Brown, Representative Appelwick was excused.

On motion of Representative Talcott, Representatives Benton and Foreman were excused.

The Speaker (Representative Horn presiding) stated the question before the House to be final adoption of Substitute Senate Joint Resolution No. 8210.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Joint Resolution No. 8210, and the resolution was adopted by the following vote: Yeas - 68, Nays - 23, Absent - 2, Excused - 4.

Voting yea: Representatives Backlund, Ballasiotes, Basich, Beeksma, Blanton, Brumsickle, Buck, Cairnes, Campbell, Carlson, Carrell, Chappell, Clements, Cody, Conway, Cooke, Costa, Dellwo, Delvin, Dickerson, Dyer, Ebersole, Elliot, Fisher, G., Fisher, R., Grant, Hankins, Hatfield, Hickel, Honeyford, Horn, Huff, Jacobsen, Johnson, Kessler, Koster, Lambert, Lisk, McMahan, McMorris, Mielke, Mitchell, Morris, Ogden, Pelesky, Poulsen, Radcliff, Regala, Robertson, Romero, Rust, Schmidt, D., Schmidt, K., Scott, Sehlin, Sheahan, Silver, Skinner, Smith, Stevens, Talcott, Thomas, B., Thomas, L., Thompson, Van Luven, Veloria, Wolfe and Mr. Speaker - 68.

Substitute Senate Joint Resolution No. 8210, having received the constitutional majority, was adopted.

(2) Refused, neglected, or failed to keep and maintain records required by this chapter, or to make the records available if requested under the provisions of this chapter.

(1) If the results of an antibiotic, pesticide, or other drug residue test under RCW ((15.36.140)) 15.36.201 are above the actionable level established in the PMO and determined using procedures set forth in the PMO, a person holding a milk producer's license is subject to a civil penalty. The penalty shall be in an amount equal to one-half the value of the sum of the volumes of milk equivalent produced under the license on the day prior to and the day of the adulteration. The value of the milk shall be computed by the weighted average price for the federal market order under which the milk is delivered.

(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters 34.05 and 34.12 RCW. At the conclusion of the hearing, the department shall determine whether the penalty should be affirmed, and, if so, shall issue a final order setting forth the civil penalty assessed, if any. The order may be appealed to superior court in accordance with chapter 34.05 RCW. Tests performed for antibiotic, pesticide, or other drug residues by an official laboratory or an officially designated laboratory of a milk sample drawn by a department official or a licensed

dairy technician shall be admitted as prima facie evidence of the presence or absence of an antibiotic, pesticide, or other drug residue.

(3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department. The penalty shall be deducted by the violator's marketing organization from the violator's final payment for the month following the issuance of the final order. The department shall promptly notify the violator's marketing organization of any penalties contained in the final order.

(4) All penalties received or recovered from violations of this section shall be remitted monthly by the violator's marketing organization to the Washington state dairy products commission and deposited in a revolving fund to be used solely for the purposes of education and research. No appropriation is required for disbursements from this fund.

(5) In case of a violation of the antibiotic, pesticide, or other drug residue test requirements, an investigation shall be made to determine the cause of the residue which shall be corrected. Follow-up sampling and testing must be done in accordance with the requirements of the PMO.

NEW SECTION. **Sec. 35.** A new section is added to chapter 15.53 RCW to read as follows:

(1) Beginning January 1, 1996, a person who manufactures a commercial feed, is an initial distributor of a commercial feed, or whose name appears as the responsible party on a commercial feed label to be distributed in or into this state shall first obtain from the department a commercial feed license for each facility. Sale of food processing byproducts from fruit, vegetable, or potato processing plants, freezing or dehydrating facilities, or juice or jelly preserving plants, bona fide experimental feed on which accurate records and experimental programs are maintained, and pet food and specialty pet food are exempt from the requirement of a commercial feed license. The sale of byproducts or products of sugar refineries are not exempt from the requirement of a commercial feed license.

(2) Application for a commercial feed license shall be made annually on forms provided by the department and shall be accompanied by a fee of fifty dollars, except that for the period beginning January 1, 1996, and ending June 30, 1996, the fee shall be twenty-five dollars. The commercial feed license shall expire on June 30th of each year.

The assessment of the delinquency fee shall not prevent the department from taking other action as provided for in this chapter. The penalty does not apply if the applicant furnishes an affidavit that he or she has not distributed a commercial feed subsequent to the expiration of his or her prior license.

(5) The department may deny a license application if the applicant is not in compliance with this chapter or applicable rules, and may revoke a license if the licensee is not in compliance with this chapter or applicable rules. Prior to denial or revocation of a license, the department shall provide notice and an opportunity to correct deficiencies. If an applicant or licensee fails to correct the deficiency, the department shall deny or revoke the license. If aggrieved by the decision, the applicant or licensee may request a hearing as authorized under chapter 34.05 RCW.

(6) Notwithstanding the payment of a delinquency fee, it is a violation to distribute a commercial feed by an unlicensed person, and nothing in this chapter shall prevent the department from imposing a penalty authorized by this chapter for the violation.

(7) The department may under conditions specified by rule, request copies of labels and labeling in order to determine compliance with the provisions of this chapter.

Sec. 36. RCW 15.53.9014 and 1993 sp.s. c 19 s 2 are each amended to read as follows:

(1) Each ~~((commercial feed))~~ pet food and specialty pet food shall be registered with the department and such registration shall be renewed annually before such commercial feed may be distributed in this state~~((: PROVIDED, That sales of food processing byproducts from fruit, vegetable, or potato processing plants, freezing or dehydrating facilities, or juice or jelly preserving plants; unmixed seed, whole or processed, made directly from the entire seed; unground hay, straw, stover, silage, cobs, husks, and hulls, when not mixed with other material; bona fide experimental feeds on which accurate records and experimental programs are maintained; and customer formula feeds are exempt from such registration. The exemption for byproducts provided by this subsection does not apply to byproducts or products of sugar refineries or to materials used in the preparation of pet foods.~~

~~(a) Beginning July 1, 1993, each registration for a commercial feed product distributed in packages of ten pounds or more shall be accompanied by a fee of eleven dollars. If such commercial feed is also distributed in packages of less than ten pounds it shall be registered under subsection (b) of this section.~~

~~(b) Beginning July 1, 1993, each registration for a commercial feed product distributed in packages of less than ten pounds shall be accompanied by an annual registration fee of forty-five dollars on each such commercial feed so distributed, but no inspection fee may be collected on packages of less than ten pounds of the commercial feed so registered).~~

If such commercial feed is also distributed in packages of less than ten pounds it shall be registered under (b) of this subsection.

(b) Each pet food and specialty pet food distributed in packages of less than ten pounds shall be accompanied by a fee of forty-five dollars, except that for the period beginning January 1, 1996, and ending June 30, 1996, the fee shall be twenty-two dollars and fifty cents. No inspection fee may be collected on pet food and specialty pet food distributed in packages of less than ten pounds.

(4) The department may require that ~~((such))~~ the application for registration of pet food and specialty pet food be accompanied by a label and/or other printed matter describing the product. ~~((All registrations expire on December 31st of each year, and are renewable unless such registration is canceled by the department or it has called for a new registration, or unless canceled by the registrant.~~

~~(4) The application shall include the information required by RCW 15.53.9016(1)(b) through (1)(e).))~~

(6) Changes in the guarantee of either chemical or ingredient composition of a ~~((commercial feed))~~ pet food or specialty pet food registered under the provisions of this chapter may be permitted if there is satisfactory evidence that such changes would not result in a lowering of the feed value of the product for the purpose for which it was designed.

(7) The department is ~~((empowered))~~ authorized to refuse registration of any application not in compliance with the provisions of this chapter and any rule adopted under this chapter and to cancel any registration subsequently found to be not in compliance with any provisions of this chapter ~~((, but a registration shall not be refused or canceled until the registrant has been given opportunity to be heard before the department and to amend his application in order to comply with the requirements of))~~ and any rule adopted under this chapter. corrections, the department shall refuse to register the feed. The applicant or registrant of an existing registered pet food or specialty pet food may request a hearing as provided for in chapter 34.05 RCW.

(8) After January 1, 1996, application for renewal of registration is due July 1st of each year. If an application for renewal of the registration provided for in this section is not filed prior to ((January 1st)) July 15th of any one year, a penalty of ten dollars per product shall be assessed and added to the original fee and shall be paid by the applicant before the renewal registration may be issued, unless the applicant furnishes an affidavit that he has not distributed this feed subsequent to the expiration of his or her prior registration.

(9) It is a violation of this chapter to distribute an unregistered pet food or specialty pet food. Payment of a delinquency fee shall not prevent the department from imposing a penalty authorized by this chapter for the violation.

Sec. 37. RCW 15.53.9016 and 1965 ex.s. c 31 s 5 are each amended to read as follows:

(1) Any commercial feed ((registered with the department and)), except a customer-formula feed, distributed in this state shall be accompanied by a legible label bearing the following information:

In all cases the substances or elements must be determinable by laboratory methods such as the methods published by the association of official analytical chemists.

(c) The common or usual name of each ingredient used in the manufacture of the commercial feed, except as the department may, by regulation, permit the use of a collective term for a group of ingredients all of which perform the same function. structure or any function of the animal body, the department may require the label to show the amount present, directions for use, and/or warnings against misuse of the feed.

~~(5) A customer formula feed shall be considered to be in violation of this chapter if it does not conform to the invoice labeling. Upon request of the department it shall be the duty of the person distributing the customer formula feed to supply the department with a copy of the invoice which represents that particular feed: PROVIDED, That such person shall not be required to keep such invoice for a period of longer than six months))~~ Product name and the net weight as required under chapter 19.94 RCW;

Sec. 38. RCW 15.53.9018 and 1982 c 177 s 3 are each amended to read as follows:

~~(1) ((On or after June 30, 1981,))~~ Except as provided in subsection (4) of this section, each initial distributor of a commercial feed in this state shall pay to the department an inspection fee on all commercial feed sold by such person during the year. (3) Tonnage will be reported and inspection fees will be paid on (a) byproducts or products of sugar refineries; (b) materials used in the preparation of pet foods and specialty pet food.

(4) When more than one distributor is involved in the distribution of a commercial feed, the ((last registrant or)) initial distributor ((who distributes to a nonregistrant (dealer or consumer))) is responsible for reporting the tonnage and paying the inspection fee, unless ((the reporting and paying of fees have been made by a prior distributor of the feed)) this sale or transaction is made to an exempt buyer.

~~((4))~~ (5) Each person made responsible by this chapter for the payment of inspection fees for commercial feed sold in this state shall file a report with the department on January 1st and July 1st of each year showing the number of tons of such commercial feed sold during the six calendar months immediately preceding the date the report is due. ~~(7)) (6) For the purpose of determining accurate tonnage of commercial feed distributed in this state or to identify or verify semiannual tonnage reports, the department may require each registrant or licensee, or both, to maintain records or file additional reports.~~

(7) The department may examine at reasonable times the records maintained under this section. Records shall be maintained in usable condition by the registrant or licensee for a period of two years unless by rule this retention period is extended.

(8) The registrant or licensee shall maintain records required under this section and submit these records to the department upon request.

(9) Any person responsible for reporting tonnage or paying inspection fees who fails to do so before the thirty-first day following the last day of each reporting period, shall pay a penalty equal to fifteen percent of the inspection fee due or fifty dollars, whichever is greater. The penalty, together with any delinquent inspection fee is due before the forty-first day following the last day of each reporting period. The department may cancel registration of a registrant or may revoke a license of a licensee who fails to pay the penalty and delinquent inspection fees within that time period. The applicant or licensee may request a hearing as authorized under chapter 34.05 RCW.

(10) The report required by subsection ~~((4))~~ (5) of this section shall not be a public record, and it is a misdemeanor for any person to divulge any information given in such report which would reveal the business operation of the person making the report: PROVIDED, That nothing contained in this subsection shall be construed to prevent or make unlawful the use of information concerning the business operation of a person if any action, suit, or proceeding instituted under the authority of this chapter, including any civil action for collection of unpaid inspection fees, which action is hereby authorized and which shall be as an action at law in the name of the director of the department.

in or on such processed feed shall not be deemed unsafe if such residue in or on the raw agricultural commodity has been removed to the extent possible in good manufacturing practice and the concentration of such residue in the processed feed is not greater than the tolerance prescribed for the raw agricultural commodity unless the feeding of such processed feed will result or is likely to result in a pesticide residue in the edible product of the animal, which is unsafe within the meaning of section 408(a) of the Federal Food, Drug, and Cosmetic Act; or

(5) If it is, or it bears or contains any color additive which is unsafe within the meaning of section 706 of the Federal Food, Drug, and Cosmetic Act; or

In adopting such rules, the department shall adopt the current good manufacturing practice regulations for type A medicated articles and type B and type C medicated feeds established under authority of the Federal Food, Drug, and Cosmetic Act, unless the department determines that they are not appropriate to the conditions that exist in this state; or

On page 54, after line 37 of the amendment, insert the following:

"**NEW SECTION. Sec. 75.** The legislature finds that in Washington, the loss of state lands from productive use due to infestation by noxious weeds is a major public concern.

It is the intent of the legislature that serious and fundamental policy direction be given to state agencies to:

- (1) Ensure that state lands set an example of excellence in noxious weed control and eradication on state lands;
- (2) Halt the spread of noxious weeds from state to private lands;
- (3) Recognize that state agencies are ultimately responsible for noxious weed control on state land, regardless of type, timing, or amount of use;
- (4) Recognize that the public is not well served by the spread of noxious weeds on state lands, in part, because of the decrease in wildlife habitat and loss of land productivity.

The legislature further finds that biological control agents represent one of the only cost-effective control measures for existing, widespread noxious weed infestations. Members of the genus *Centaurea*, commonly referred to as knapweeds, currently infest and destroy the productivity of hundreds of thousands of acres in Washington.

NEW SECTION. Sec. 76. The state noxious weed control board shall develop a study to determine the cost of controlling weeds on state-owned or managed lands, included along state-owned rights of way. The board may conduct the study, or may contract with either public or private agencies to conduct and complete the study. The departments of natural resources, transportation, and fish and wildlife, and the parks and recreation commission shall cooperate with the weed board or the contractor in the study.

As part of the study, the state noxious weed control board shall identify those weed species that are practical to control and should be controlled. The board shall also identify the impacts and estimate the costs of not controlling these weeds. The board may exclude from the study those weeds that, due to high cost or impracticality, cannot be controlled on private lands. The board shall develop a prioritized list of weeds that are practical to control and that should be controlled on state-owned and managed lands.

NEW SECTION. Sec. 77. The state noxious weed control board shall study alternative funding mechanisms for Washington's noxious weed control program. The departments of natural resources, transportation, and fish and wildlife, and the parks and recreation commission shall cooperate with the weed board in the study. As part of the study, the state noxious weed control board shall identify the impacts and costs of each alternative. Funding alternatives shall address weed control needs of private citizens, local governments, county weed boards, state agencies, the state noxious weed control board, and federal agencies.

NEW SECTION. Sec. 78. A new section is added to chapter 17.10 RCW to read as follows:
All state agencies shall control noxious weeds on lands they own, lease, or otherwise control. Agencies shall develop plans to control noxious weeds in accordance with standards in this chapter. All state agencies' lands must comply with this chapter, regardless of noxious weed control efforts on adjacent lands. County noxious weed control boards shall assist landowners to meet and exceed the standards on state lands.

NEW SECTION. Sec. 79. (1) The standing committee on agriculture and agricultural trade and development of the senate and the standing committee on agriculture and ecology of the house of representatives shall jointly study land leasing practices of state agencies in regard to weed control and report their findings to the legislature in 1996.

(2) State agencies shall list noxious weed control projects in their respective jurisdictions in order of priority, along with their plans to control these infestations, and shall submit the lists and plans to the legislative committees identified in subsection (1) of this section before the beginning of the 1996 regular session of the legislature.

Sec. 80. RCW 17.10.240 and 1987 c 438 s 31 are each amended to read as follows:
The activated county noxious weed control board of each county shall annually submit a budget to the county legislative authority for the operating cost of the county's weed program for the ensuing fiscal year: PROVIDED, That if the board finds the budget approved by the legislative authority is insufficient for an effective county noxious weed control program it shall petition the county legislative authority to hold a hearing as provided in RCW 17.10.890. Control of weeds is a special benefit to the

lands within any such section. Funding for the budget shall be derived from ~~((either or both))~~ any or all of the following:

(1) The county legislative authority may, in lieu of a tax, levy an assessment against the land for this purpose. Prior to the levying of an assessment the county noxious weed control board shall hold a public hearing at which it shall gather information to serve as a basis for classification and shall then classify the lands into suitable classifications, including but not limited to dry lands, range lands, irrigated lands, nonuse lands, forest lands, or federal lands. The board shall develop and forward to the county legislative authority, as a proposed level of assessment for each class, such an amount as shall seem just. The assessment rate shall be either uniform per acre in its respective class or a flat rate per parcel rate plus a uniform rate per acre: PROVIDED, That if no special benefits should be found to accrue to a class of land, a zero assessment may be levied. The legislative authority, upon receipt of the proposed levels of assessment from the board, after a hearing, shall accept, modify, or refer back to the board for its reconsideration all or any portion of the proposed levels of assessment. The findings by the county legislative authority of such special benefits, when so declared by resolution and spread upon the minutes of said authority shall be conclusive as to whether or not the same constitutes a special benefit to the lands within the section. The amount of such assessment shall constitute a lien against the property. The county legislative authority may by resolution or ordinance require that notice of the lien be sent to each owner of property for which the assessment has not been paid by the date it was due and that each such lien created shall be collected by the treasurer in the same manner as delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes shall bear interest at the rate of twelve percent per annum and such interest shall accrue as of the date notice of the lien is sent to the owner: PROVIDED FURTHER, That any collections for such lien shall not be considered as tax; or

(2) The county legislative authority may appropriate money from the county general fund necessary for the administration of the county noxious weed control program. In addition the county legislative authority may make emergency appropriations as it deems necessary for the implementation of this chapter.

(3) Forest lands used solely for the planting, growing, or harvesting of trees and which are typified, except during a single period of five years following clear-cut logging, by canopies so dense as to prohibit growth of an understory may be subject to an annual noxious weed assessment levied by a county legislative authority that shall not exceed one-tenth of the weighted average per acre noxious weed assessment levied on all other lands in unincorporated areas within the county that are subject to the weed assessment. This assessment shall be computed in accordance with the formula in subsection (4) of this section.

(4) The calculation of the "weighted average per acre noxious weed assessment" shall be a ratio expressed as follows: (a) The numerator shall be the total amount of funds estimated to be collected from the per acre assessment on all lands except (i) forest lands as identified in subsection (3) of this section, (ii) lands exempt from the noxious weed assessment, and (iii) lands located in an incorporated area. (b) The denominator shall be the total acreage from which funds in (a) of this subsection are collected. For lands of less than one acre in size, the denominator calculation may be based on the following assumptions: (i) Unimproved lands shall be calculated as being one-half acre in size on the average, and (ii) improved lands shall be calculated as being one-third acre in size on the average. The county legislative authority may choose to calculate the denominator for lands of less than one acre in size using other assumptions about average parcel size based on local information.

(5) For those counties that levy a per parcel assessment to help fund noxious weed control programs, the per parcel assessment on forest lands as defined in subsection (3) of this section shall not exceed one-tenth of the per parcel assessment on nonforest lands.

NEW SECTION. Sec. 81. The sum of thirty thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund for the biennium ending June 30, 1997, to Washington State University for the use of the cooperative extension service in the selection, testing, and production of biological control agents for knapweed species on the state noxious weed list adopted under RCW 17.10.080, with the intent of improving field availability of these agents.

NEW SECTION. Sec. 82. The sum of twenty thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund for the biennium ending June 30, 1997, to the state

noxious weed control board to study, or contract for a study, on the cost of controlling weeds on state-owned or managed lands."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) Protection of the state's water resources, and utilization of such resources for provision of public water supplies, requires more efficient and effective management than is currently provided under state law;

(2) The provision of public water supplies to the people of the state should be undertaken in a manner that is consistent with the planning principles of the growth management act and the comprehensive plans adopted by local governments under the growth management act;

(3) Small water systems have inherent difficulties with proper planning, operation, financing, management and maintenance. The ability of such systems to provide safe and reliable supplies to their customers on a long-term basis needs to be assured through proper management and training of operators;

(4) New water quality standards and operational requirements for public water systems will soon generate higher rates for the customers of those systems, which may be difficult for customers to afford to pay. It is in the best interest of the people of this state that small systems maintain themselves in a financially viable condition;

(5) The drinking water 2000 task force has recommended maintaining a strong and properly funded state-wide drinking water program, retaining primary responsibility for administering the federal safe drinking water act in Washington. The task force has further recommended delegation of as many water system regulatory functions as possible to local governments, with provision of adequate resources and elimination of barriers to such delegation. In order to achieve these objectives, the state shall provide adequate funding from both general state funds and funding directly from the regulated water system;

(6) The public health services improvement plan recommends that the principal public health functions in Washington, including regulation of public water systems, should be fully funded by state revenues and undertaken by local jurisdictions with the capacity to perform them; and

(7) State government, local governments, water suppliers, and other interested parties should work for continuing economic growth of the state by maximizing the use of existing water supply management alternatives, including regional water systems, satellite management, and coordinated water system development.

Sec. 2. RCW 70.116.060 and 1977 ex.s. c 142 s 6 are each amended to read as follows:

(1) A coordinated water system plan shall be submitted to the secretary for design approval within two years of the establishment of the boundaries of a critical water supply service area.

(2) The secretary shall review the coordinated water system plan and, to the extent the plan is consistent with the requirements of this chapter and regulations adopted hereunder, shall approve the plan, provided that the secretary shall not approve those portions of a coordinated water system plan ((which)) that fail to meet the requirements for future service area boundaries until any boundary dispute is resolved as set forth in RCW 70.116.070.

(3) Following the approval of a coordinated water system plan by the secretary:

(a) All purveyors constructing or proposing to construct public water system facilities within the area covered by the plan shall comply with the plan.

(b) No other purveyor shall establish a public water system within the area covered by the plan, unless the ((secretary)) local legislative authority determines that existing purveyors are unable to provide the service in a timely and reasonable manner, pursuant to guidelines developed by the secretary. An existing purveyor is unable to provide the service in a timely manner if the water cannot be provided to an applicant for water within one hundred twenty days unless specified otherwise by the local legislative authority. If such a determination is made, the ((secretary-may)) local legislative authority shall require the new public water system to be constructed in accordance with the construction standards and specifications embodied in the coordinated water system plan approved for the area. The service area boundaries in the coordinated plan for the affected utilities shall be revised to reflect the decision of the local legislative authority.

(4) The secretary may deny proposals to establish or to expand any public water system within a critical water supply service area for which there is not an approved coordinated water system plan at any time after two years of the establishment of the critical water supply service area: PROVIDED, That service connections shall not be considered expansions.

(5) The affected legislative authorities may develop and utilize a mechanism for addressing disputes that arise in the implementation of the coordinated water system plan after the plan has been approved by the secretary.

(6) After adoption of the initial coordinated water system plan, the local legislative authority or the secretary may determine that the plan should be updated or revised. The legislative authority may initiate an update at any time, but the secretary may initiate an update no more frequently than once every five years. The update may encompass all or a portion of the plan, with the scope of the update to be determined by the secretary and the legislative authority. The process for the update shall be the one prescribed in RCW 70.116.050.

(7) The provisions of subsection (3) of this section shall not apply in any county for which a coordinated water system plan has not been approved under subsection (2) of this section.

(8) If the secretary initiates an update or revision of a coordinated water system plan, the state shall pay for the cost of updating or revising the plan.

Sec. 3. RCW 70.119A.060 and 1991 c 304 s 4 are each amended to read as follows:

(1) In order to assure safe and reliable public drinking water and to protect the public health, public water systems shall:

(a) Protect the water sources used for drinking water;

(b) Provide treatment adequate to assure that the public health is protected;

(c) Provide and effectively operate and maintain public water system facilities;

(d) Plan for future growth and assure the availability of safe and reliable drinking water;

(e) Provide the department with the current names, addresses, and telephone numbers of the owners, operators, and emergency contact persons for the system, including any changes to this information, and provide to users the name and twenty-four hour telephone number of an emergency contact person; and

(f) Take whatever investigative or corrective action is necessary to assure that a safe and reliable drinking water supply is continuously available to users.

(2) No new public water system may be approved or created unless: (a) It is owned or operated by a satellite system management agency established under RCW 70.116.134 and the satellite system management system complies with financial viability requirements of the department; or (b) a satellite management system is not available and it is determined that the new system has sufficient management and financial resources to provide safe and reliable service. The approval of any new system that is not owned by a satellite system management agency shall be conditioned upon future management or ownership by a satellite system management agency, if such management or ownership can be made with reasonable economy and efficiency, or upon periodic review of the system's operational history to determine its ability to meet the department's financial viability and other operating requirements. The department and local health jurisdictions shall enforce this requirement under authority provided under this chapter, chapter 70.116, or 70.05 RCW, or other authority governing the approval of new water systems by the department or a local jurisdiction.

(3) The department and local health jurisdictions shall carry out the rules and regulations of the state board of health adopted pursuant to RCW 43.20.050(2)(a) and other rules adopted by the department relating to public water systems.

NEW SECTION. Sec. 4. A new section is added to chapter 70.119A RCW to read as follows:

The department shall create a water supply advisory committee. Membership on the committee shall reflect a broad range of interests in the regulation of public water supplies, including water utilities of all sizes, local governments, business groups, special purpose districts, local health jurisdictions, other state and federal agencies, financial institutions, environmental organizations, the legislature, and other groups substantially affected by the department's role in implementing state and federal requirements for public water systems. Members shall be appointed for fixed terms of no less than two years, and may be reappointed. Any members of an existing advisory committee to the drinking water program may remain as members of the water supply advisory committee. The committee shall provide advice to the department on the organization, functions, service delivery methods, and funding of the drinking water program. The committee shall also review the adequacy and necessity of the current and prospective funding for the drinking water program, and the results of the committees' review shall be forwarded to the department for inclusion in a report to the appropriate standing committees of the legislature no later than November 1, 1996. The report shall include a discussion of the extent to which the drinking water program has progressed toward achieving the

objectives of the public health improvement plan, and an assessment of any changes to the program necessitated by modifications to the federal safe drinking water act.

Sec. 5. RCW 82.16.020 and 1989 c 302 s 204 are each amended to read as follows:

(1) There is levied and there shall be collected from every person a tax for the act or privilege of engaging within this state in any one or more of the businesses herein mentioned. The tax shall be equal to the gross income of the business, multiplied by the rate set out after the business, as follows:

(a) Railroad, express, railroad car, sewerage collection, and telegraph businesses: Three and six-tenths percent;

(b) Light and power business: Three and sixty-two one-hundredths percent;

(c) Gas distribution business: Three and six-tenths percent;

(d) Urban transportation business: Six-tenths of one percent;

(e) Vessels under sixty-five feet in length, except tugboats, operating upon the waters within the state: Six-tenths of one percent;

(f) Motor transportation and tugboat businesses, and all public service businesses other than ones mentioned above: One and eight-tenths of one percent;

(g) Water distribution business: Four and seven-tenths percent.

(2) An additional tax is imposed equal to the rate specified in RCW 82.02.030 multiplied by the tax payable under subsection (1) of this section.

(3) Twenty percent of the moneys collected under subsection (1) of this section on water distribution businesses and sixty percent of the moneys collected under subsection (1) of this section on sewerage collection businesses shall be deposited in the public works assistance account created in RCW 43.155.050.

(4) Fifteen percent of the moneys collected under subsection (1) of this section on water distribution businesses shall be deposited in the safe drinking water account created in RCW 70.119A.120.

Sec. 7. RCW 70.119.030 and 1991 c 305 s 3 are each amended to read as follows:

(1) A public water system shall have a certified operator if:

(a) ~~((The system serves one hundred or more services in use at any one time))~~ It is a group A water system; or

(b) ~~It is a ((group A))~~ public water system using a surface water source or a ground water source under the direct influence of surface water.

(2) The certified operators shall be in charge of the technical direction of a water system's operation, or an operating shift of such a system, or a major segment of a system necessary for monitoring or improving the quality of water. The operator shall be certified as provided in RCW 70.119.050.

(3) ~~A certified operator may provide required services to more than one system or to a group of systems.~~ The amount of time that a certified operator shall be required to be present at any given system shall be based upon the time required to properly operate and maintain the public water system as designed and constructed in accordance with RCW 43.20.050. The employing or appointing officials shall designate the position or positions requiring mandatory certification within their individual systems and shall assure that such certified operators are responsible for the system's technical operation.

(4) ~~The department shall, in establishing by rule or otherwise the requirements for public water systems with fewer than one hundred connections, phase in such requirements in order to assure that (a) an adequate number of certified operators are available to serve the additional systems, (b) the systems have adequate notice and time to plan for securing the services of a certified operator, (c) the department has the additional data and other administrative capacity, (d) adequate training is available to certify additional operators as necessary, and (e) any additional requirements under federal law are satisfied. The department shall waive the requirement for a certified operator for a system with fewer than one hundred connections if that system satisfactorily demonstrates to the department that: It is not in significant noncompliance with monitoring or water quality standards, as defined by the department by rule; it otherwise meets the requirements of the department with regard to adequacy and financial viability; and it does not have, or is not required to have, any water treatment facilities. The waiver shall only be valid while the system meets these requirements.~~

(5) ~~Any examination required by the department as a prerequisite for the issuance of a certificate under this chapter shall be offered in each region where the department has a regional office.~~

(6) ~~Operators not required to be certified by this chapter are encouraged to become certified on a voluntary basis.~~

Sec. 8. RCW 70.116.050 and 1977 ex.s. c 142 s 5 are each amended to read as follows:

(1) Each purveyor within the boundaries of a critical water supply service area shall develop a water system plan for the purveyor's future service area if such a plan has not already been developed: PROVIDED, That nonmunicipally owned public water systems are exempt from the planning requirements of this chapter, except for the establishment of service area boundaries if they ~~((a) Were in existence as of September 21, 1977; and (b)))~~ have no plans for water service beyond their existing service area ~~(, and (c) meet minimum quality and pressure design criteria established by the state board of health)~~: PROVIDED FURTHER, That if the county legislative authority permits a

change in development that will increase the demand for water service of such a system beyond the existing system's ability to provide minimum water service, the purveyor shall develop a water system plan in accordance with this section. The establishment of future service area boundaries shall be in accordance with RCW 70.116.070.

(2) After the boundaries of a critical water supply service area have been established pursuant to RCW 70.116.040, the committee established in RCW 70.116.040 shall participate in the development of a coordinated water system plan for the designated area. Such a plan shall incorporate all water system plans developed pursuant to subsection (1) of this section. The plan shall provide for maximum integration and coordination of public water system facilities consistent with the protection and enhancement of the public health and well-being. Decisions of the committee shall be by majority vote of those present at meetings of the committee.

(3) Those portions of a critical water supply service area not yet served by a public water system shall have a coordinated water system plan developed by existing purveyors based upon permitted densities in county plans, ordinances, and/or growth policies for a minimum of five years beyond the date of establishment of the boundaries of the critical water supply service area.

(4) To insure that the plan incorporates the proper designs to protect public health, the secretary shall adopt regulations pursuant to chapter 34.05 RCW concerning the scope and content of coordinated water system plans, and shall ensure, as minimum requirements, that such plans:

(a) Are reviewed by the appropriate local governmental agency to insure that the plan is not inconsistent with the land use plans, shoreline master programs, and/or developmental policies of the general purpose local government or governments whose jurisdiction the water system plan affects.

(b) Recognize all water resource plans, water quality plans, and water pollution control plans which have been adopted by units of local, regional, and state government.

(c) Incorporate the fire protection standards developed pursuant to RCW 70.116.080.

(d) Identify the future service area boundaries of the public water system or systems included in the plan within the critical water supply service area.

(e) Identify feasible emergency inter-ties between adjacent purveyors.

(f) Include satellite system management requirements consistent with RCW 70.116.134.

(g) Include policies and procedures that generally address failing water systems for which counties may become responsible under RCW 43.70.195.

(5) If a "water general plan" for a critical water supply service area or portion thereof has been prepared pursuant to chapter 36.94 RCW and such a plan meets the requirements of subsections (1) and (4) of this section, such a plan shall constitute the coordinated water system plan for the applicable geographical area.

(6) The committee established in RCW 70.116.040 may develop and utilize a mechanism for addressing disputes that arise in the development of the coordinated water system plan.

(7) ~~Prior to the submission of a coordinated water system plan to the secretary for approval ((of the design of the proposed facilities)) pursuant to RCW 70.116.060, ((the plan shall be reviewed for consistency with subsection (4) of this section by))~~ the legislative authorities of the counties in which the critical water supply service area is located shall hold a public hearing thereon and shall determine the plan's consistency with subsection (4) of this section. If within sixty days of receipt of the plan, the legislative authorities find any segment of a proposed service area of a purveyor's plan or any segment of the coordinated water system plan to be inconsistent with any current land use plans, shoreline master programs, and/or developmental policies of the general purpose local government or governments whose jurisdiction the water system plan affects, the secretary shall not approve that portion of the plan until the inconsistency is resolved between the local government and the purveyor. If no comments have been received from the legislative authorities within sixty days of receipt of the plan, the secretary may consider the plan for approval.

(8) Any county legislative authority may adopt an abbreviated plan for the provision of water supplies within its boundaries that includes provisions for service area boundaries, minimum design criteria, and review process. The elements of the abbreviated plan shall conform to the criteria established by the department under subsection (4) of this section and shall otherwise be consistent with other adopted land use and resource plans. The county legislative authority may, in lieu of the committee required under RCW 70.116.040, and the procedures authorized in this section, utilize an advisory committee that is representative of the water utilities and local governments within its jurisdiction to assist in the preparation of the abbreviated plan, which may be adopted by resolution and submitted to the secretary for approval. Purveyors within the boundaries covered by the abbreviated

plan need not develop a water system plan, except to the extent required by the secretary or state board of health under other authority. Any abbreviated plan adopted by a county legislative authority pursuant to this subsection shall be subject to the same provisions contained in RCW 70.116.060 for coordinated water system plans that are approved by the secretary.

Sec. 9. RCW 70.119A.040 and 1993 c 305 s 2 are each amended to read as follows:

(1)(a) In addition to or as an alternative to any other penalty or action allowed by law, a person who violates a law or rule regulating public water systems and administered by the department of health is subject to a penalty of not more than five thousand dollars per day for every such violation, or, in the case of a violation that has been determined to be a public health emergency, a penalty of not more than ten thousand dollars per day for every such violation. Every such violation shall be a separate and distinct offense. The amount of fine shall reflect the health significance of the violation and the previous record of compliance on the part of the public water supplier. In case of continuing violation, every day's continuance shall be a separate and distinct violation.

(b) In addition, a person who constructs, modifies, or expands a public water system or who commences the construction, modification, or expansion of a public water system without first obtaining the required departmental approval is subject to penalties of not more than five thousand dollars per service connection, ~~((or,))~~ except that a penalty may not exceed one thousand dollars per service connection if the public water system has less than one thousand connections and the person had submitted all information and plans to the department necessary for departmental approval for modification or expansion of the system and the department has not acted within a reasonable period of time. In the case of a system serving a transient population, a penalty of not more than four hundred dollars per person based on the highest average daily population the system serves or is anticipated to serve may be imposed. The total penalty that may be imposed pursuant to this subsection (1)(b) is five hundred thousand dollars. For the purpose of computing the penalty under this subsection, a service connection shall include any new service connection actually constructed, any anticipated service connection the system has been designed to serve, and, in the case of a system modification not involving expansions, each existing service connection that benefits or would benefit from the modification.

(c) Every person who, through an act of commission or omission, procures, aids, or abets a violation is considered to have violated the provisions of this section and is subject to the penalty provided in this section.

(2) The penalty provided for in this section shall be imposed by a notice in writing to the person against whom the civil penalty is assessed and shall describe the violation. The notice shall be personally served in the manner of service of a summons in a civil action or in a manner that shows proof of receipt. A penalty imposed by this section is due twenty-eight days after receipt of notice unless application for an adjudicative proceeding is filed as provided in subsection (3) of this section.

(3) Within twenty-eight days after notice is received, the person incurring the penalty may file an application for an adjudicative proceeding and may pursue subsequent review as provided in chapter 34.05 RCW and applicable rules of the department or board of health.

(4) A penalty imposed by a final administrative order is due upon service of the final administrative order. A person who fails to pay a penalty assessed by a final administrative order within thirty days of service of the final administrative order shall pay, in addition to the amount of the penalty, interest at the rate of one percent of the unpaid balance of the assessed penalty for each month or part of a month that the penalty remains unpaid, commencing with the month in which the notice of penalty was served and such reasonable attorney's fees as are incurred in securing the final administrative order.

(5) A person who institutes proceedings for judicial review of a final administrative order assessing a civil penalty under this chapter shall place the full amount of the penalty in an interest bearing account in the registry of the reviewing court. At the conclusion of the proceeding the court shall, as appropriate, enter a judgment on behalf of the department and order that the judgment be satisfied to the extent possible from moneys paid into the registry of the court or shall enter a judgment in favor of the person appealing the penalty assessment and order return of the moneys paid into the registry of the court together with accrued interest to the person appealing. The judgment may award reasonable attorney's fees for the cost of the attorney general's office in representing the department.

(6) If no appeal is taken from a final administrative order assessing a civil penalty under this chapter, the department may file a certified copy of the final administrative order with the clerk of the

superior court in which the public water system is located or in Thurston county, and the clerk shall enter judgment in the name of the department and in the amount of the penalty assessed in the final administrative order.

(7) A judgment entered under subsection (5) or (6) of this section shall have the same force and effect as, and is subject to all of the provisions of law relating to, a judgment in a civil action, and may be enforced in the same manner as any other judgment of the court in which it is entered.

(8) All penalties imposed under this section shall be payable to the state treasury and credited to the ~~((general fund))~~ safe drinking water account, and shall be used by the department to provide training and technical assistance to system owners and operators.

(9) Except in cases of public health emergencies, the department may not impose monetary penalties under this section unless a prior effort has been made to resolve the violation informally.

Sec. 10. RCW 70.119A.130 and 1991 c 304 s 7 are each amended to read as follows:

~~((Until July 1, 1996, local governments shall be prohibited from administering a separate operating permit requirement for public water systems. After July 1, 1996,))~~ Local governments may establish separate operating permit requirements for public water systems provided the operating permit requirements have been approved by the department. The department shall not approve local operating permit requirements unless the local system will result in an increased level of service to the public water system. There shall not be duplicate operating permit requirements imposed by local governments and the department.

NEW SECTION. **Sec. 11.** A new section is added to chapter 70.119A RCW to read as follows:

A drinking water assistance account is created in the state treasury. The purpose of the account is to allow the state to take advantage of any federal funds that become available for safe drinking water. Expenditures from the account may only be made by the secretary or the public works board after appropriation. Moneys in the account may only be used to assist water systems to provide safe drinking water through a program administered through the department of health and the public works board. Money may be placed in the account from the proceeds of bonds when authorized by the legislature, transfers from other state funds or accounts, federal capitalization grants or other financial assistance, all repayments of moneys borrowed from the account, all interest payments made by borrowers from the account or otherwise earned on the account, or any other lawful source. Expenditures from the account may only be made by the secretary or the public works board after appropriation. Moneys in the account may only be used to assist local governments and water systems to provide safe and reliable drinking water and to administer the program.

Sec. 12. RCW 43.155.050 and 1993 sp.s. c 24 s 921 are each amended to read as follows:

The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated to provide for state match requirements under federal law for projects and activities conducted and financed by the board under the drinking water assistance account. During the 1993-95 fiscal biennium, moneys in the public works assistance account may be appropriated for flood control assistance including grants under chapter 86.26 RCW. To the extent that moneys in the public works assistance account are not appropriated during the 1993-95 fiscal biennium for public works or flood control assistance, the legislature may direct their transfer to the state general fund. In awarding grants under chapter 86.26 RCW, the department of ecology shall give strong preference to local governments that have: (1) Implemented, or are in the process of implementing, an ordinance that establishes a flood plain policy that is substantially more stringent than minimum federal requirements; (2) completed a comprehensive flood control plan meeting the requirements of RCW 86.12.200; or (3) constructed, or are in the process of constructing, a system of overtopping dikes or levees that allow public access.

Sec. 13. RCW 80.04.110 and 1991 c 134 s 1 and 1991 c 100 s 2 are each reenacted and amended to read as follows:

(1) Complaint may be made by the commission of its own motion or by any person or corporation, chamber of commerce, board of trade, or any commercial, mercantile, agricultural or manufacturing society, or any body politic or municipal corporation, or by the public counsel section of the office of the attorney general, or its successor, by petition or complaint in writing, setting forth any act or thing done or omitted to be done by any public service corporation in violation, or claimed to be in violation, of any provision of law or of any order or rule of the commission: PROVIDED, That no complaint shall be entertained by the commission except upon its own motion, as to the reasonableness of the schedule of the rates or charges of any gas company, electrical company, water company, or telecommunications company, unless the same be signed by the mayor, council or commission of the city or town in which the company complained of is engaged in business, or not less than twenty-five consumers or purchasers of such gas, electricity, water or telecommunications service, or at least twenty-five percent of the consumers or purchasers of the company's service: PROVIDED, FURTHER, That when two or more public service corporations, (meaning to exclude municipal and other public corporations) are engaged in competition in any locality or localities in the state, either may make complaint against the other or others that the rates, charges, rules, regulations or practices of such other or others with or in respect to which the complainant is in competition, are unreasonable, unremunerative, discriminatory, illegal, unfair or intending or tending to oppress the complainant, to stifle competition, or to create or encourage the creation of monopoly, and upon such complaint or upon complaint of the commission upon its own motion, the commission shall have power, after notice and hearing as in other cases, to, by its order, subject to appeal as in other cases, correct the abuse complained of by establishing such uniform rates, charges, rules, regulations or practices in lieu of those complained of, to be observed by all of such competing public service corporations in the locality or localities specified as shall be found reasonable, remunerative, nondiscriminatory, legal, and fair or tending to prevent oppression or monopoly or to encourage competition, and upon any such hearing it shall be proper for the commission to take into consideration the rates, charges, rules, regulations and practices of the public service corporation or corporations complained of in any other locality or localities in the state.

(2) All matters upon which complaint may be founded may be joined in one hearing, and no motion shall be entertained against a complaint for misjoinder of complaints or grievances or misjoinder of parties; and in any review of the courts of orders of the commission the same rule shall apply and pertain with regard to the joinder of complaints and parties as herein provided: PROVIDED, All grievances to be inquired into shall be plainly set forth in the complaint. No complaint shall be dismissed because of the absence of direct damage to the complainant.

(3) Upon the filing of a complaint, the commission shall cause a copy thereof to be served upon the person or corporation complained of, which shall be accompanied by a notice fixing the time when and place where a hearing will be had upon such complaint. The time fixed for such hearing shall not be less than ten days after the date of the service of such notice and complaint, excepting as herein provided. The commission shall enter its final order with respect to a complaint filed by any entity or person other than the commission within ten months from the date of filing of the complaint, unless the date is extended for cause. Rules of practice and procedure not otherwise provided for in this title may be prescribed by the commission. Such rules may include the requirement that a complainant use informal processes before filing a formal complaint.

(4) The commission shall, as appropriate, audit a nonmunicipal water system upon receipt of an administrative order from the department, or the city or county in which the water system is located, finding that the water delivered by a system does not meet state board of health standards adopted under RCW 43.20.050(2)(a) or standards adopted under chapters 70.116 and 70.119A RCW, and the results of the audit shall be provided to the requesting department, city, or county. However, the number of nonmunicipal water systems referred to the commission in any one calendar year shall not exceed twenty percent of the water companies subject to commission regulation as defined in RCW 80.04.010.

Every nonmunicipal water system referred to the commission for audit under this section shall pay to the commission an audit fee in an amount, based on the system's twelve-month audited period, equal to the fee required to be paid by regulated companies under RCW 80.24.010.

(5) Any customer or purchaser of service from a water system or company that is subject to commission regulation may file a complaint with the commission if he or she has reason to believe that the water delivered by the system to the customer does not meet state drinking water standards under chapter 43.20 or 70.116 RCW. The commission shall investigate such a complaint, and shall request

that the state department of health or local health department of the county in which the system is located test the water for compliance with state drinking water standards, and provide the results of such testing to the commission. The commission may decide not to investigate the complaint if it determines that the complaint has been filed in bad faith, or for the purpose of harassment of the water system or company, or for other reasons has no substantial merit. The water system or company shall bear the expense for the testing. After the commission has received the complaint from the customer and during the pendency of the commission investigation, the water system or company shall not take any steps to terminate service to the customer or to collect any amounts alleged to be owed to the company by the customer. The commission may issue an order or take any other action to ensure that no such steps are taken by the system or company. The customer may, at the customer's option and expense, obtain a water quality test by a licensed or otherwise qualified water testing laboratory, of the water delivered to the customer by the water system or company, and provide the results of such a test to the commission. If the commission determines that the water does not meet state drinking water standards, it shall exercise its authority over the system or company as provided in this title, and may, where appropriate, order a refund to the customer on a pro rata basis for the substandard water delivered to the customer, and shall order reimbursement to the customer for the cost incurred by the customer, if any, in obtaining a water quality test.

Sec. 14. RCW 70.116.070 and 1977 ex.s. c 142 s 7 are each amended to read as follows:

(1) ~~The proposed service area boundaries of public water systems within the critical water supply service area that are required to submit water system plans under this chapter shall be ((determined by written agreement among the purveyors and with the approval of the appropriate legislative authority. Failure of the legislative authority to file with the secretary objections to the proposed service area boundaries within sixty days of receipt of the proposed boundary agreement may be construed as approval of the agreement))~~ identified in the system's plan. The local legislative authority, or its planning department or other designee, shall review the proposed boundaries to determine whether the proposed boundaries of one or more systems overlap. The boundaries determined by the local legislative authority not to overlap shall be incorporated into the coordinated water system plan. Where any overlap exists, the local legislative authority may attempt to resolve the conflict through procedures established under RCW 70.116.060(5).

(2) ~~((If no service area boundary agreement has been established within a reasonable period of time, or if the legislative authority has filed with the secretary objections in writing as provided in subsection (1) of this section))~~ Any final decision by a local legislative authority regarding overlapping service areas, or any unresolved disputes regarding service area boundaries, may be appealed or referred to the secretary in writing for resolution. After receipt of an appeal or referral, the secretary shall hold a public hearing thereon. The secretary shall provide notice of the hearing by certified mail to each purveyor ((providing service in the critical water supply service area)) involved in the dispute, to each county legislative authority having jurisdiction in the area and to the public. The secretary shall provide public notice pursuant to the provisions of chapter 65.16 RCW. Such notice shall be given at least twenty days prior to the hearing. The hearing may be continued from time to time and, at the termination thereof, the secretary may restrict the expansion of service of any purveyor within the area if the secretary finds such restriction is necessary to provide the greatest protection of the public health and well-being.

Sec. 15. RCW 56.08.200 and 1991 c 190 s 1 are each amended to read as follows:

It is unlawful and a misdemeanor to make, or cause to be made, or to maintain any ~~((sewer))~~ connection with any sewer or water system of any sewer district, or with any sewer or water system which is connected directly or indirectly with any sewer or water system of any sewer district without having permission from the sewer district.

Sec. 16. RCW 57.08.180 and 1991 c 190 s 5 are each amended to read as follows:

A new section is added to chapter 84.36 RCW to read as follows: Land, platted for residential development, for which an application to the appropriate water supplier or agency for residential water use has been denied, is exempt from taxation. Land assessed under 84.33 or 84.34 RCW is not eligible for exemption. Land used for commercial purposes is not eligible for exemption.

Claims for exemption under this section shall be made to the assessor each year by March 31 for exemption from taxes payable in the following year. The exemption is limited to one year. The

applicant must show denial of residential water use dated within twelve months before the March 31 exemption application date.

The land loses its exempt status as of the date on which an application for residential water use is granted by the appropriate water supplier or agency. Land which changes from exempt to taxable status is subject to a pro rata portion of taxes as provided in RCW 84.04.350 through 84.40.390."

POINT OF ORDER

Representative Rust: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

There being no objection, the House deferred further consideration of Engrossed Second Substitute Senate Bill No. 5448 and the bill held its place on the second reading calendar.

SUBSTITUTE SENATE BILL NO. 5606, by Senate Committee on Ecology & Parks (originally sponsored by Senators Fraser, Haugen, Owen, McCaslin, Swecker, Newhouse, Oke, Rasmussen, Winsley, Morton and Schow)

Providing for use of reclaimed water.

The bill was read the second time.

There being no objection, the committee amendment was not adopted. Committee on Appropriations recommendation: Majority, do pass as amended. (For committee amendment see Journal, 85th Day, April 3, 1995.)

With the consent of the House, amendment numbers 796, 797 and 799 to Substitute Senate Bill No. 5606 were withdrawn.

Representative Chandler moved adoption of the following amendment by Representative Chandler:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 90.46.005 and 1992 c 204 s 1 are each amended to read as follows:

The legislature finds that by encouraging the use of reclaimed water while assuring the health and safety of all Washington citizens and the protection of its environment, the state of Washington will continue to use water in the best interests of present and future generations.

To facilitate the ~~((opportunity to))~~ use of reclaimed water as soon as is practicable, the legislature encourages the cooperative efforts of the public and private sectors and the use of pilot projects to effectuate the goals of this chapter. The legislature further directs the department of health and the department of ecology to coordinate efforts towards developing an efficient and streamlined process for creating and implementing processes for the use of reclaimed water.

It is hereby declared that the people of the state of Washington have a primary interest in the development of facilities to provide reclaimed water to replace potable water in nonpotable applications, to supplement existing surface and ground water supplies, and to assist in meeting the future water requirements of the state.

The legislature further finds and declares that the utilization of reclaimed water by local communities for domestic, agricultural, industrial, recreational, and fish and wildlife habitat creation and enhancement purposes, including wetland enhancement, will contribute to the peace, health, safety, and welfare of the people of the state of Washington. To the extent reclaimed water is appropriate and available for beneficial uses, it should be used where feasible to supplement existing water supplies without threatening existing resources or public health in order to preserve potable water for drinking purposes.

The legislature further finds and declares that the use of reclaimed water is not inconsistent with the policy of antidegradation of state waters announced in other state statutes, including the water pollution control act, chapter 90.48 RCW and the water resources act, chapter 90.54 RCW.

It is the intent of the legislature that the department of ecology and the department of health undertake the necessary steps to encourage the development of water reclamation facilities so that reclaimed water may be made available to help meet the growing water requirements of the state.

The legislature further finds and declares that reclaimed water facilities are water pollution control facilities as defined in chapter 70.146 RCW and are eligible for financial assistance as provided in chapter 70.146 RCW.

Sec. 2. RCW 90.46.010 and 1992 c 204 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Greywater" means (~~(sewage)~~) wastewater having the consistency and strength of residential domestic type wastewater. Greywater includes wastewater from sinks, showers, and laundry fixtures, but does not include toilet or urinal waters.

(2) "Land application" means application of treated effluent for purposes of irrigation or landscape enhancement for residential, business, and governmental purposes.

(3) "Person" means any state, individual, public or private corporation, political subdivision, governmental subdivision, governmental agency, municipality, copartnership, association, firm, trust estate, or any other legal entity whatever.

(4) "Reclaimed water" means effluent derived in any part from sewage from a wastewater treatment system that has been adequately and reliably treated, so that as a result of that treatment, it is suitable for a (~~(direct)~~) beneficial use or a controlled use that would not otherwise occur and is no longer considered wastewater.

(5) "Sewage" means water-carried human wastes(~~(, including kitchen, bath, and laundry waste)~~) from residences, buildings, industrial and commercial establishments, or other places, together with such ground water infiltration, surface waters, or industrial wastewater as may be present.

(6) "User" means any person who uses reclaimed water.

(7) "Wastewater" means water and wastes discharged from homes, businesses, and industry to the sewer system.

(8) "Beneficial use," as used in this chapter, means the use of reclaimed water, that has been transported from the point of production to the point of use without an intervening discharge to the waters of the state, for a beneficial purpose.

(9) "Direct recharge" means the controlled subsurface addition of water directly to the ground water basin that results in the replenishment of ground water.

(10) "Ground water recharge criteria" means the contaminant criteria found in the drinking water quality standards adopted by the state board of health pursuant to chapter 43.20 RCW and the department of health pursuant to chapter 70.119A RCW.

(11) "Planned ground water recharge project" means any reclaimed water project designed for the purpose of recharging ground water, via direct recharge or surface spreading.

(12) "Reclamation criteria" means the criteria set forth in the water reclamation and reuse interim standards and subsequent revisions adopted by the department of ecology and the department of health.

(13) "Streamflow augmentation" means the discharge of reclaimed water to rivers and streams of the state or other surface water bodies, but not wetlands.

(14) "Surface percolation" means the controlled application of water to the ground surface for the purpose of recharging ground water.

(15) "Wetland or wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted to life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. No agency shall use a delineation process for what constitutes a wetland that is more stringent than that adopted by the United States army corps of engineers.

(16) "Man-made wetlands" means a wetland intentionally created from a nonwetland site to produce or replace natural habitat.

NEW SECTION. Sec. 3. A new section is added to chapter 90.46 RCW to read as follows:

(1) Reclaimed water may be beneficially used for surface percolation provided the reclaimed water meets the ground water recharge criteria as measured in ground water beneath or down gradient of the recharge project site, and has been incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

(2) If the state ground water recharge criteria as defined by RCW 90.46.010 do not contain a standard for a constituent or contaminant, the department of ecology shall establish a discharge limit consistent with the goals of this chapter.

(3) Reclaimed water that does not meet the ground water recharge criteria may be beneficially used for surface percolation where the department of ecology has specifically authorized such use at such lower standard.

NEW SECTION. Sec. 4. A new section is added to chapter 90.46 RCW to read as follows:

(1) Reclaimed water may be beneficially used for discharge into man-made wetlands provided the reclaimed water meets the class A or B reclaimed water standards as defined in the reclamation criteria, and the discharge is incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

(2) Reclaimed water that does not meet the class A or B reclaimed water standards may be beneficially used for discharge into man-made wetlands where the department of ecology has specifically authorized such use at such lower standards.

NEW SECTION. Sec. 5. A new section is added to chapter 90.46 RCW to read as follows:

Reclaimed water intended for beneficial reuse may be discharged for streamflow augmentation provided the reclaimed water meets the requirements of the federal water pollution control act, chapter 90.48 RCW, and is incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

NEW SECTION. Sec. 6. A new section is added to chapter 90.46 RCW to read as follows:

The department of ecology shall, in consultation with the department of health, adopt a single set of standards, procedures, and guidelines, on or before December 31, 1996, for direct recharge using reclaimed water. The standards shall address both water quality considerations and avoidance of property damage from excessive recharge.

NEW SECTION. Sec. 7. A new section is added to chapter 90.46 RCW to read as follows:

The department of ecology shall, in consultation with the department of health, adopt a single set of standards, procedures, and guidelines, on or before June 30, 1996, for discharge of reclaimed water to wetlands.

NEW SECTION. Sec. 8. A new section is added to chapter 90.46 RCW to read as follows:

On or before December 31, 1995, the department of ecology and department of health shall, in consultation with local governments and local interested parties, jointly review and, if required, propose amendments to chapter 372-32 WAC to resolve conflicts between the development of reclaimed water projects in the Puget Sound region and chapter 372-32 WAC.

NEW SECTION. Sec. 9. The department of ecology and the department of health shall report on the progress of the implementation of this act to the members of the agriculture and ecology committee of the house of representatives and the members of the ecology and parks committee of the senate by December 15, 1995.

Sec. 10. RCW 90.46.050 and 1992 c 204 s 6 are each amended to read as follows:

((4)) The department of health shall, before ((May 1, 1992)) July 1, 1995, form an advisory committee, in coordination with the department of ecology and the department of agriculture, which will provide technical assistance in the development of standards, procedures, and guidelines required by this chapter. Such committee shall be composed of individuals from the public water and

wastewater utilities, landscaping enhancement industry, commercial and industrial application community, and any other persons deemed technically helpful by the department of health.

~~((2) The department of health shall report to the joint select committee on water resource policy by December 1, 1992, on the fee structure which has been recommended under RCW 90.46.030(3) and review fees authorized under RCW 90.46.040(3).))~~

NEW SECTION. Sec. 11. Sections 1 through 10 of this act shall not be construed as affecting any existing right acquired or liability or obligation incurred under the sections amended or repealed in this act or under any rule or order adopted under those sections, nor as affecting any proceeding instituted under those sections.

Sec. 12. RCW 90.03.380 and 1991 c 347 s 15 are each amended to read as follows:

(1) The right to the use of water which has been applied to a beneficial use in the state shall be and remain appurtenant to the land or place upon which the same is used: PROVIDED, HOWEVER, That ~~((said))~~ the right may be transferred to another or to others and become appurtenant to any other land or place of use without loss of priority of right theretofore established if such change can be made without detriment or injury to existing rights. The point of diversion of water for beneficial use or the purpose of use may be changed, if such change can be made without detriment or injury to existing rights. Before any transfer of such right to use water or change of the point of diversion of water or change of purpose of use can be made, any person having an interest in the transfer or change, shall file a written application therefor with the department, and ~~((said))~~ the application shall not be granted until notice of ~~((said))~~ the application ~~((shall be))~~ is published as provided in RCW 90.03.280. If it shall appear that such transfer or such change may be made without injury or detriment to existing rights, the department shall issue to the applicant a certificate in duplicate granting the right for such transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and be made a record with the department and the duplicate certificate issued to the applicant may be filed with the county auditor in like manner and with the same effect as provided in the original certificate or permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to another, the department shall, before publication of notice, receive concurrence from each of the irrigation districts that such transfer or change will not adversely affect the ability to deliver water to other landowners or impair the financial or operational integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an irrigation district need only receive approval for the change from the board of directors of the district if the use of water continues within the irrigation district. The board of directors may approve such a change if the board determines that the change: Will not adversely affect the district's ability to deliver water to other landowners; will not require the construction by the district of diversion or drainage facilities unless the board finds that the construction by the district is in the interest of the district; will not impair the financial or operational integrity of the district; and is consistent with the contractual obligations of the district.

(4) Subsections (1), (2), and (3) of this section do not apply to a change regarding a portion of the water governed by a water right that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. The use within an irrigation district of water supplied by the district and made surplus as provided in this subsection shall be regulated solely as provided by the board of directors of the irrigation district except as follows: Such a use requires the approval of the board of directors of the irrigation district or must otherwise be authorized by the board; the board may approve or authorize such a use only if the use does not impair the financial or operational integrity of the district; and water made surplus through a change in the crops grown with district-supplied water is not available for use as a matter of right by the individual water user making the change, but may be used by the board for the benefit of the district generally. The district's board of directors may approve or otherwise authorize under this subsection uses of such surplus water that result in the total irrigated acreage within the district exceeding the irrigated acreage recorded with the department for the district's water right if the board notifies the department of the change in the irrigated acreage within the district. Such a notification provides a change in the district's water right and, upon receiving the notification, the department shall

revise its records for the district's right to reflect the change. A change or use authorized by or under this subsection shall be made without loss of priority of the right. The use of water other than irrigation district-supplied water that is made surplus as provided in this subsection is governed by section 13 of this act.

(5) This section shall not apply to trust water rights acquired by the state through the funding of water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070.

(6) The department may not initiate relinquishment proceedings under chapter 90.14 RCW regarding a water right for which an application for a transfer or change is filed under this section for a period of two years after the date the department receives the filing.

NEW SECTION. Sec. 13. A new section is added to chapter 90.03 RCW to read as follows:

If a portion of the water governed by a water right is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right, the right to use the surplus water may be changed to use on other lands owned by the holder of the water right that are contiguous to the lands upon which the use of the water was authorized by the right before such a change. Such a change shall be made without loss of priority of the right. The holder of the water right shall notify the department of such a change. The notification provides a change in the holder's water right and, upon receiving the notification, the department shall revise its records for the water right to reflect the change.

This section does not apply to water supplied by an irrigation district.

Sec. 14. RCW 90.44.100 and 1987 c 109 s 113 are each amended to read as follows:

(1) After an application to, and upon the issuance by the department of an amendment to the appropriate permit or certificate of ground water right, the holder of a valid right to withdraw public ground waters may, without losing his priority of right, construct wells or other means of withdrawal at a new location in substitution for or in addition to those at the original location, or he may change the manner or the place of use of the water(~~(: PROVIDED, HOWEVER, That such)~~). An amendment shall be issued only after publication of notice of the application and findings as prescribed in the case of an original application. Such amendment shall be issued by the department only on the conditions that: ~~((4))~~ (a) The additional or substitute well or wells shall tap the same body of public ground water as the original well or wells; ~~((2))~~ (b) use of the original well or wells shall be discontinued upon construction of the substitute well or wells; ~~((3))~~ (c) the construction of an additional well or wells shall not enlarge the right conveyed by the original permit or certificate; and ~~((4))~~ (d) other existing rights shall not be impaired. The department may specify an approved manner of construction and shall require a showing of compliance with the terms of the amendment, as provided in RCW 90.44.080 in the case of an original permit.

(2) This section does not apply to a change in use of a portion of the water governed by a ground water right that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. RCW 90.03.380(4) and section 13 of this act apply to water made surplus as provided in this subsection.

(3) The department may not initiate relinquishment proceedings under chapter 90.14 RCW regarding a water right for which an application for a transfer or change is filed under this section for a period of two years after the date the department receives the filing.

Sec. 15. RCW 90.03.290 and 1994 c 264 s 84 are each amended to read as follows:

When an application complying with the provisions of this chapter and with the rules and regulations of the department has been filed, the same shall be placed on record with the department, and it shall be its duty to investigate the application, and determine what water, if any, is available for appropriation, and find and determine to what beneficial use or uses it can be applied. If it is proposed to appropriate water for irrigation purposes, the department shall investigate, determine and find what lands are capable of irrigation by means of water found available for appropriation. If it is proposed to appropriate water for the purpose of power development, the department shall investigate, determine and find whether the proposed development is likely to prove detrimental to the public interest, having

in mind the highest feasible use of the waters belonging to the public. If the application does not contain, and the applicant does not promptly furnish sufficient information on which to base such findings, the department may issue a preliminary permit, for a period of not to exceed three years, requiring the applicant to make such surveys, investigations, studies, and progress reports, as in the opinion of the department may be necessary. If the applicant fails to comply with the conditions of the preliminary permit, it and the application or applications on which it is based shall be automatically canceled and the applicant so notified. If the holder of a preliminary permit shall, before its expiration, file with the department a verified report of expenditures made and work done under the preliminary permit, which, in the opinion of the department, establishes the good faith, intent and ability of the applicant to carry on the proposed development, the preliminary permit may, with the approval of the governor, be extended, but not to exceed a maximum period of five years from the date of the issuance of the preliminary permit. The department shall make and file as part of the record in the matter, written findings of fact concerning all things investigated, and if it shall find that there is water available for appropriation for a beneficial use, and the appropriation thereof as proposed in the application will not impair existing rights or be detrimental to the public welfare, it shall issue a permit stating the amount of water to which the applicant shall be entitled and the beneficial use or uses to which it may be applied: PROVIDED, That where the water applied for is to be used for irrigation purposes, it shall become appurtenant only to such land as may be reclaimed thereby to the full extent of the soil for agricultural purposes. But where there is no unappropriated water in the proposed source of supply, or where the proposed use conflicts with existing rights, or threatens to prove detrimental to the public interest, having due regard to the highest feasible development of the use of the waters belonging to the public, it shall be duty of the department to reject such application and to refuse to issue the permit asked for. If the permit is refused because of conflict with existing rights and such applicant shall acquire same by purchase or condemnation under RCW 90.03.040, the department may thereupon grant such permit. Any application may be approved for a less amount of water than that applied for, if there exists substantial reason therefor, and in any event shall not be approved for more water than can be applied to beneficial use for the purposes named in the application. In determining whether or not a permit shall issue upon any application, it shall be the duty of the department to investigate all facts relevant and material to the application. After the department approves said application in whole or in part and before any permit shall be issued thereon to the applicant, such applicant shall pay the fee provided in RCW 90.03.470: PROVIDED FURTHER, That in the event a permit is issued by the department upon any application, it shall be its duty to notify the director of fish and wildlife of such issuance.

This section does not apply to changes made under section 13 of this act or to applications for transfers or changes made under RCW 90.03.380 or 90.44.100.

Sec. 16. RCW 90.44.445 and 1993 c 99 s 1 are each amended to read as follows:

In any acreage expansion program adopted by the department as an element of a ground water management program, the authorization for a water right certificate holder to participate in the program shall be on an annual basis for the first two years. After the two-year period, the department may authorize participation for ten-year periods. The department may authorize participation for ten-year periods for certificate holders who have already participated in an acreage expansion program for two years. The department may require annual certification that the certificate holder has complied with all requirements of the program. The department may terminate the authority of a certificate holder to participate in the program for one calendar year if the certificate holder fails to comply with the requirements of the program.

This section applies only in an area with a ground water area or subarea management program in effect on the effective date of this section. The provisions of section 13 of this act, RCW 90.03.380, and 90.44.100 apply to transfers, changes, and amendments to permits or rights for the beneficial use of ground water in any other area.

NEW SECTION. Sec. 17. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 2 of the title, after "wastewater;" strike the remainder of the title and insert "amending RCW 90.46.005, 90.46.010, 90.46.050, 90.03.380, 90.44.100, 90.03.290, and 90.44.445;

adding new sections to chapter 90.46 RCW; adding a new section to chapter 90.03 RCW; creating new sections; and declaring an emergency."

(3) Notwithstanding any other provision of this chapter, it shall not be an unfair practice or a denial of civil rights for any public or private educational institution to separate the sexes or give preference to or limit use of dormitories, residence halls, or other student housing to persons of one sex or to make distinctions on the basis of marital or families with children status.

(4) Except pursuant to subsection (2)(a) of this section, this section shall not be construed to require structural changes, modifications, or additions to make facilities accessible to a disabled person except as otherwise required by law. Nothing in this section affects the rights, responsibilities, and remedies of landlords and tenants pursuant to chapter 59.18 or 59.20 RCW, including the right to post and enforce reasonable rules of conduct and safety for all tenants and their guests, provided that chapters 59.18 and 59.20 RCW are only affected to the extent they are inconsistent with the nondiscrimination requirements of this chapter. Nothing in this section limits the applicability of any reasonable federal, state, or local restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

(5) Notwithstanding any other provision of this chapter, it shall not be an unfair practice for any public establishment providing for accommodations offered for the full enjoyment of transient guests as defined by RCW 9.91.010(1)(c) to make distinctions on the basis of families with children status. Nothing in this chapter authorizes requirements for housing for older persons different than the requirements in the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3).

Sec. 4. RCW 49.60.225 and 1993 c 510 s 20 and 1993 c 69 s 9 are each reenacted and amended to read as follows:

(1) When a reasonable cause determination has been made under RCW 49.60.240 that an unfair practice in a real estate transaction has been committed and a finding has been made that the respondent has engaged in any unfair practice under RCW 49.60.250, the administrative law judge shall promptly issue an order for such relief suffered by the aggrieved person as may be appropriate, which may include actual damages as provided by ~~((Title VIII of the United States civil rights act of 1964, as amended, and))~~ the federal fair housing amendments act of 1988 (42 U.S.C. Sec. 3601 et

seq.), and injunctive or other equitable relief. Such order may, to further the public interest, assess a civil penalty against the respondent:

(a) In an amount up to ten thousand dollars if the respondent has not been determined to have committed any prior unfair practice in a real estate transaction;

(b) In an amount up to twenty-five thousand dollars if the respondent has been determined to have committed one other unfair practice in a real estate transaction during the five-year period ending on the date of the filing of this charge; or

(c) In an amount up to fifty thousand dollars if the respondent has been determined to have committed two or more unfair practices in a real estate transaction during the seven-year period ending on the date of the filing of this charge, for loss of the right secured by RCW 49.60.010, 49.60.030, 49.60.040, and 49.60.222 through 49.60.224, as now or hereafter amended, to be free from discrimination in real property transactions because of sex, marital status, race, creed, color, national origin, families with children status, or the presence of any sensory, mental, or physical disability or the use of a trained guide dog or service dog by a blind, deaf, or physically disabled person. Enforcement of the order and appeal therefrom by the complainant or respondent may be made as provided in RCW 49.60.260 and 49.60.270. If acts constituting the unfair practice in a real estate transaction that is the object of the charge are determined to have been committed by the same natural person who has been previously determined to have committed acts constituting an unfair practice in a real estate transaction, then the civil penalty of up to fifty thousand dollars may be imposed without regard to the period of time within which any subsequent unfair practice in a real estate transaction occurred. All civil penalties assessed under this section shall be paid into the state treasury and credited to the general fund.

(2) Such order shall not affect any contract, sale, conveyance, encumbrance, or lease consummated before the issuance of an order that involves a bona fide purchaser, encumbrancer, or tenant who does not have actual notice of the charge filed under this chapter.

(3) Notwithstanding any other provision of this chapter, persons awarded damages under this section may not receive additional damages pursuant to RCW 49.60.250.

Sec. 5. RCW 49.60.240 and 1993 c 510 s 22 and 1993 c 69 s 12 are each reenacted and amended to read as follows:

After the filing of any complaint, the chairperson of the commission shall refer it to the appropriate section of the commission's staff for prompt investigation and ascertainment of the facts alleged in the complaint. The investigation shall be limited to the alleged facts contained in the complaint. The results of the investigation shall be reduced to written findings of fact, and a finding shall be made that there is or that there is not reasonable cause for believing that an unfair practice has been or is being committed. A copy of said findings shall be provided to the complainant and to the person named in such complaint, hereinafter referred to as the respondent.

If the finding is made that there is reasonable cause for believing that an unfair practice has been or is being committed, the commission's staff shall immediately endeavor to eliminate the unfair practice by conference, conciliation, and persuasion.

If an agreement is reached for the elimination of such unfair practice as a result of such conference, conciliation, and persuasion, the agreement shall be reduced to writing and signed by the respondent, and an order shall be entered by the commission setting forth the terms of said agreement. No order shall be entered by the commission at this stage of the proceedings except upon such written agreement, except that during the period beginning with the filing of complaints alleging an unfair practice with respect to real estate transactions pursuant to RCW 49.60.222 through 49.60.225, and ending with the filing of a finding of reasonable cause or a dismissal by the commission, the commission staff shall, to the extent feasible, engage in conciliation with respect to such complaint. Any conciliation agreement arising out of conciliation efforts by the commission shall be an agreement between the respondent and the complainant and shall be subject to the approval of the commission. Each conciliation agreement shall be made public unless the complainant and respondent otherwise agree and the commission determines that disclosure is not required to further the purposes of this chapter.

If no such agreement can be reached, a finding to that effect shall be made and reduced to writing, with a copy thereof provided to the complainant and the respondent.

The commission may adopt rules, including procedural time requirements, for processing complaints alleging an unfair practice with respect to real estate transactions pursuant to RCW

49.60.222 through 49.60.225 and which may be consistent with the federal fair housing amendments act of 1988 (42 U.S.C. Sec. 3601 et seq.), but which in no case shall exceed or be more restrictive than the requirements or standards of such act.

Sec. 6. RCW 49.60.260 and 1993 c 69 s 15 are each amended to read as follows:

(1) The commission or any person entitled to relief of a final order may petition the court within the county wherein any unfair practice occurred or wherein any person charged with an unfair practice resides or transacts business for the enforcement of any final order which is not complied with and is issued by the commission or an administrative law judge under the provisions of this chapter and for appropriate temporary relief or a restraining order, and shall certify and file in court the final order sought to be enforced. Within five days after filing such petition in court, the commission or any person entitled to relief of a final order shall cause a notice of the petition to be sent by certified mail to all parties or their representatives.

(2) If within sixty days after the date the administrative law judge's order concerning an unfair practice in a real estate transaction is entered, no petition has been filed under subsection (1) of this section and the commission has not sought enforcement of the final order under this section, any person entitled to relief under the final order may petition for a decree enforcing the order in the superior courts of the state of Washington for the county in which the unfair practice in a real estate transaction under RCW 49.60.222 through 49.60.224 is alleged to have occurred.

(3) From the time the petition is filed, the court shall have jurisdiction of the proceedings and of the questions determined thereon, and shall have the power to grant such temporary relief or restraining order as it deems just and suitable.

(4) If the petition shows that there is a final order issued by the commission or administrative law judge under RCW 49.60.240 or 49.60.250 and that the order has not been complied with in whole or in part, the court shall issue an order directing the person who is alleged to have not complied with the administrative order to appear in court at a time designated in the order, not less than ten days from the date thereof, and show cause why the administrative order should not be enforced according to the terms. The commission or any person entitled to relief of any final order shall immediately serve the noncomplying party with a copy of the court order and the petition.

(5) The administrative order shall be enforced by the court if the person does not appear, or if the person appears and the court finds that:

- (a) The order is regular on its face;
- (b) The order has not been complied with; and

(c) The person's answer discloses no valid reason why the order should not be enforced, or that the reason given in the person's answer could have been raised by review under RCW 34.05.510 through 34.05.598, and the person has given no valid excuse for failing to use that remedy.

(6) The jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to appellate review by the supreme court or the court of appeals, on appeal, by either party, irrespective of the nature of the decree or judgment. The review shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases.

Where a person makes an acquisition under lease or comparable arrangement, or through donation, which would have required review if the acquisition had been made by purchase, such expenditure shall be deemed a capital expenditure. Capital expenditures include donations of equipment or facilities to a nursing home facility which if acquired directly by such facility would be subject to certificate of need review under the provisions of this chapter and transfer of equipment or facilities for less than fair market value if a transfer of the equipment or facilities at fair market value would be subject to such review. (4) "Department" means the department of health.

(5) "Expenditure minimum" means, for the purposes of the certificate of need program, one million dollars adjusted by the department by rule to reflect changes in the United States department of commerce composite construction cost index; or a lesser amount required by federal law and established by the department by rule.

(11) "Provider" generally means a health care professional or an organization, institution, or other entity providing health care but the precise definition for this term shall be established by rule of the department, consistent with federal law.

(12) "Public health" means the level of well-being of the general population; those actions in a community necessary to preserve, protect, and promote the health of the people for which government is responsible; and the governmental system developed to guarantee the preservation of the health of the people.

Expenditures of preparation shall include expenditures for architectural designs, plans, working drawings, and specifications. The department may issue certificates of need permitting predevelopment expenditures, only, without authorizing any subsequent undertaking with respect to which such predevelopment expenditures are made; and

(1) Certificates of need shall be issued, denied, suspended, or revoked by the designee of the secretary in accord with the provisions of this chapter and rules of the department which establish review procedures and criteria for the certificate of need program.

(2) Criteria for the review of certificate of need applications, except as provided in subsection (3) of this section for health maintenance organizations, shall include but not be limited to consideration of the following:

(a) The need that the population served or to be served by such services has for such services;

(b) The availability of less costly or more effective alternative methods of providing such services;

(c) The financial feasibility and the probable impact of the proposal on the cost of and charges for providing health services in the community to be served;

(d) In the case of health services to be provided, (i) the availability of alternative uses of project resources for the provision of other health services, (ii) the extent to which such proposed services will be accessible to all residents of the area to be served, and (iii) the need for and the availability in the community of services and facilities for osteopathic and allopathic physicians and their patients. The department shall consider the application in terms of its impact on existing and proposed institutional training programs for doctors of osteopathy and medicine at the student, internship, and residency training levels;

(e) In the case of a construction project, the costs and methods of the proposed construction, including the cost and methods of energy provision, and the probable impact of the construction project reviewed (i) on the cost of providing health services by the person proposing such construction project and (ii) on the cost and charges to the public of providing health services by other persons;

(3) A certificate of need application of a health maintenance organization or a health care facility which is controlled, directly or indirectly, by a health maintenance organization, shall be approved by the department if the department finds:

(a) Approval of such application is required to meet the needs of the members of the health maintenance organization and of the new members which such organization can reasonably be expected to enroll; and

(b) The health maintenance organization is unable to provide, through services or facilities which can reasonably be expected to be available to the organization, its health services in a reasonable and cost-effective manner which is consistent with the basic method of operation of the organization and which makes such services available on a long-term basis through physicians and other health professionals associated with it.

A health care facility, or any part thereof, with respect to which a certificate of need was issued under this subsection may not be sold or leased and a controlling interest in such facility or in a lease of such facility may not be acquired unless the department issues a certificate of need approving the sale, acquisition, or lease.

(4) Until the final expiration of the state health plan as provided under RCW 70.38.919, the decision of the department on a certificate of need application shall be consistent with the state health plan in effect, except in emergency circumstances which pose a threat to the public health. The department in making its final decision may issue a conditional certificate of need if it finds that the project is justified only under specific circumstances. The conditions shall directly relate to the project being reviewed. The conditions may be released if it can be substantiated that the conditions are no longer valid and the release of such conditions would be consistent with the purposes of this chapter.

(5) Criteria adopted for review in accordance with subsection (2) of this section may vary according to the purpose for which the particular review is being conducted or the type of health service reviewed.

(6) The department shall specify information to be required for certificate of need applications. Within fifteen days of receipt of the application, the department shall request additional information

considered necessary to the application or start the review process. Applicants may decline to submit requested information through written notice to the department, in which case review starts on the date of receipt of the notice. Applications may be denied or limited because of failure to submit required and necessary information.

(7) Concurrent review is for the purpose of comparative analysis and evaluation of competing or similar projects in order to determine which of the projects may best meet identified needs. Categories of projects subject to concurrent review include at least new health care facilities, new services, and expansion of existing health care facilities. The department shall specify time periods for the submission of applications for certificates of need subject to concurrent review, which shall not exceed ninety days. Review of concurrent applications shall start fifteen days after the conclusion of the time period for submission of applications subject to concurrent review. Concurrent review periods shall be limited to one hundred fifty days, except as provided for in rules adopted by the department authorizing and limiting amendment during the course of the review, or for an unresolved pivotal issue declared by the department.

(8) Review periods for certificate of need applications other than those subject to concurrent review shall be limited to ninety days. Review periods may be extended up to thirty days if needed by a review agency, and for unresolved pivotal issues the department may extend up to an additional thirty days. A review may be extended in any case if the applicant agrees to the extension.

(9) The department or its designee, shall conduct a public hearing on a certificate of need application if requested, unless the review is expedited or subject to emergency review. The department by rule shall specify the period of time within which a public hearing must be requested and requirements related to public notice of the hearing, procedures, recordkeeping and related matters.

(10) Any applicant denied a certificate of need or whose certificate of need has been suspended or revoked has the right to an adjudicative proceeding. The proceeding is governed by chapter 34.05 RCW, the Administrative Procedure Act.

- (a) A new service requiring review under this chapter;
- (b) An expansion of a service subject to review beyond that originally approved;
- (c) An increase in bed capacity;

(d) A significant reduction in the scope of a nursing home project without a commensurate reduction in the cost of the nursing home project, or a cost increase (as represented in bids on a nursing home construction project or final cost estimates acceptable to the person to whom the certificate of need was issued) if the total of such increases exceeds twelve percent or fifty thousand dollars, whichever is greater, over the maximum capital expenditure approved. The review of reductions or cost increases shall be restricted to the continued conformance of the nursing home project with the review criteria pertaining to financial feasibility and cost containment.

(12) An application for a certificate of need for a nursing home capital expenditure which is determined by the department to be required to eliminate or prevent imminent safety hazards or correct violations of applicable licensure and accreditation standards shall be approved.

(13) In the case of an application for a certificate of need to replace existing nursing home beds, all criteria must be met on the same basis as an application for a certificate of need for a new nursing home, except that the need criteria shall be deemed met if the applicant is an existing licensee who proposes to replace existing beds that the licensee has operated for at least one year with the same or fewer number of beds in the same planning area. When an entire nursing home ceases operation, its beds shall be treated as existing nursing home beds for purposes of replacement for eight years or until a certificate of need to replace them is issued, whichever occurs first. However, the nursing home must give notice of its intent to retain the beds to the department of health no later than thirty days after the effective date of the facility's closure."

SPEAKER'S RULING

Representative Rust, the Speaker is prepared to Rule on your Point of Order which challenges Amendment 821 to Engrossed Second Substitute Senate Bill No. 5448 as being beyond the Scope and Object of the bill.

The title of Engrossed Second Substitute Senate Bill No. 5448 is "AN ACT Relating to public water systems.

The title is broad. The bill amends various sections of the RCW's, reenacts and amends RCW 80.04.110, adds new sections to chapter 70.119A RCW, and creates a new section.

The object of Engrossed Second Substitute Senate Bill No. 5448 is to establish various authority and criteria for creating and regulating public water systems.

Amendment 821 creates a tax exemption for specific lands denied certain water use applications.

The Speaker finds that the Amendment 821 is beyond the scope and object of the bill.

SPEAKER'S RULING

Representative Backlund, The Speaker (Representative Horn presiding) is prepared to Rule on your Point of Order.

The title of Engrossed Substitute Senate Bill No. 5607 is "AN ACT Relating to performance audits of state government. The title is narrow.

Section 6 of Engrossed Substitute Senate Bill No. 5607 provides a list of the items that a zero-base budget review must include. The review must include the costs and full-time equivalent staff associated with each program, the administrative staff costs and staffing levels and an estimate of the amount of funds that reach the intended recipients of the program or activity.

Amendment 806 would require that budget documents submitted by the governor contain the information that the bill asks to be determined by the audit. While the bill addresses the issue of what kind of performance has occurred the amendment addresses what kind of performance is intended to occur.

The Speaker (Representative Horn presiding) finds that amendment 806 perfects the bill and is not beyond the scope and object of the bill.

Representative Mitchell moved adoption of the following amendment by Representative Mitchell:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds:

(1) That in many of Washington's urban centers there is insufficient availability of desirable and convenient residential units to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, and livable places to live were available;

(2) That the development of additional and desirable residential units in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable residential population and will help to achieve the planning goals mandated by the growth management act under RCW 36.70A.020; and

(3) That planning solutions to solve the problems of urban sprawl often lack incentive and implementation techniques needed to encourage residential redevelopment in those urban centers lacking sufficient residential opportunities, and it is in the public interest and will benefit, provide, and promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities within urban centers through a tax incentive as provided by this chapter.

NEW SECTION. Sec. 2. It is the purpose of this chapter to encourage increased residential opportunities in cities that are required to plan or choose to plan under the growth management act within urban centers where the legislative body of the affected city has found there is insufficient housing opportunities. It is further the purpose of this chapter to stimulate the construction of new multifamily housing and the rehabilitation of existing vacant and underutilized buildings for multifamily housing in urban centers having insufficient housing opportunities that will increase and improve residential opportunities within these urban centers. To achieve these purposes, this chapter provides for special valuations for eligible improvements associated with multiunit housing in residentially deficient urban centers.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "City" means a city or town with a population of at least one hundred fifty thousand located in a county planning under the growth management act.

(2) "Governing authority" means the local legislative authority of a city having jurisdiction over the property for which an exemption may be applied for under this chapter.

(3) "Growth management act" means chapter 36.70A RCW.

(4) "Multiple-unit housing" means a building having four or more dwelling units not designed or used as transient accommodations and not including hotels and motels. Multifamily units may result from new construction or rehabilitated or conversion of vacant, underutilized, or substandard buildings to multifamily housing.

(5) "Owner" means the property owner of record.

(6) "Permanent residential occupancy" means multiunit housing that provides either rental or owner occupancy on a nontransient basis. This includes owner-occupied or rental accommodation that is leased for a period of at least one month. This excludes hotels and motels that predominately offer rental accommodation on a daily or weekly basis.

(7) "Rehabilitation improvements" means modifications to existing structures, that are vacant for twelve months or longer, that are made to achieve a condition of substantial compliance with existing building codes or modification to existing occupied structures which increase the number of multifamily housing units.

(8) "Residential targeted area" means an area within an urban center that has been designated by the governing authority as a residential targeted area in accordance with this chapter.

(9) "Substantial compliance" means compliance with local building or housing code requirements that are typically required for rehabilitation as opposed to new construction.

(10) "Urban center" means a compact identifiable district where urban residents may obtain a variety of products and services. An urban center must contain:

(a) Several existing or previous, or both, business establishments that may include but are not limited to shops, offices, banks, restaurants, governmental agencies;

(b) Adequate public facilities including streets, sidewalks, lighting, transit, domestic water, and sanitary sewer systems; and

(c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

NEW SECTION. Sec. 4. The provisions of this chapter relating to special valuation apply only to locally designated residential targeted areas of those cities planning under the growth management act.

NEW SECTION. Sec. 5. (1) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, for ten successive years beginning January 1 of the year immediately following the calendar year after

issuance of the certificate of tax exemption eligibility. However, the exemption does not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(2) In the case of rehabilitation of existing buildings, the exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

(3) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

NEW SECTION. Sec. 6. An owner of property making application under this chapter must meet the following requirements:

(1) The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city;

(2) The multiple-unit housing must meet the guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, and other adopted requirements indicated necessary by the city. The required amenities should be relative to the size of the project and tax benefit to be obtained;

(3) The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. In the case of existing occupied multifamily development, the multifamily housing must also provide for a minimum of four additional multifamily units. Existing multifamily vacant housing that has been vacant for twelve months or more does not have to provide additional multifamily units;

(4) New construction multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application;

(5) Property proposed to be rehabilitated must be vacant at least twelve months before submitting an application and fail to comply with one or more standards of the applicable state or local building or housing codes on or after the effective date of this section; and

(6) The applicant must enter into a contract with the city approved by the governing body under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

NEW SECTION. Sec. 7. (1) The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;

(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing to meet the needs of the public who would be likely to live in the urban center, if the desirable, attractive, and livable places to live were available; and

(c) The providing of additional housing opportunity in the area, as determined by the governing authority, will assist in achieving one or more of the stated purposes of this chapter.

(2) For the purpose of designating a residential targeted area or areas, the governing authority may adopt a resolution of intention to so designate an area as generally described in the resolution. The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

(3) The governing authority shall give notice of a hearing held under this chapter by publication of the notice once each week for two consecutive weeks, not less than seven days, nor more than thirty days before the date of the hearing in a paper having a general circulation in the city where the proposed residential targeted area is located. The notice must state the time, date, place, and purpose of the hearing and generally identify the area proposed to be designated as a residential targeted area.

(4) Following the hearing, or a continuance of the hearing, the governing authority may designate all or a portion of the area described in the resolution of intent as a residential targeted area if it finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

(5) After designation of a residential targeted area, the governing authority shall adopt standards and guidelines to be utilized in considering applications and making the determinations required under section 9 of this act. The standards and guidelines must establish basic requirements for both new construction and rehabilitation including application process and procedures. These guidelines may include the following:

- (a) Requirements that address demolition of existing structures and site utilization; and
- (b) Building requirements that may include elements addressing parking, height, density, environmental impact, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the livability of the residential targeted area in which they are to be located.

NEW SECTION. Sec. 8. An owner of property seeking tax incentives under this chapter must complete the following procedures:

(1) In the case of rehabilitation or where demolition or new construction is required, the owner shall secure from the governing authority or duly authorized agent, before commencement of rehabilitation improvements or new construction, verification of property noncompliance with applicable building and housing codes;

(2) In the case of new and rehabilitated multifamily housing, the owner shall apply to the city on forms adopted by the governing authority. The application must contain the following:

(a) Information setting forth the grounds supporting the requested exemption including information indicated on the application form or in the guidelines;

(b) A description of the project and site plan, including the floor plan of units and other information requested;

(c) A statement that the applicant is aware of the potential tax liability involved when the property ceases to be eligible for the incentive provided under this chapter;

(3) The applicant must verify the application by oath or affirmation; and

(4) The application must be made on or before April 1 of each year, and must be accompanied by the application fee, if any, required under section 10 of this act. The governing authority may permit the applicant to revise an application before final action by the governing authority.

NEW SECTION. Sec. 9. The duly authorized administrative official or committee of the city may approve the application if it finds that:

(1) A minimum of four new units are being constructed or in the case of occupied rehabilitation or conversion a minimum of four additional multifamily units are being developed;

(2) The proposed project is or will be, at the time of completion, in conformance with all local plans and regulations that apply at the time the application is approved;

(3) The owner has complied with all standards and guidelines adopted by the city under this chapter; and

(4) The site is located in a residential targeted area of an urban center that has been designated by the governing authority in accordance with procedures and guidelines indicated in section 7 of this act.

NEW SECTION. Sec. 10. (1) The governing authority or an administrative official or commission authorized by the governing authority shall approve or deny an application filed under this chapter within ninety days after receipt of the application.

(2) If the application is approved, the city shall issue the owner of the property a conditional certificate of acceptance of tax exemption. The certificate must contain a statement by a duly authorized administrative official of the governing authority that the property has complied with the required findings indicated in section 8 of this act.

(3) If the application is denied by the authorized administrative official or commission authorized by the governing authority, the deciding administrative official or commission shall state in writing the reasons for denial and send the notice to the applicant at the applicant's last known address within ten days of the denial.

(4) Upon denial by a duly authorized administrative official or commission, an applicant may appeal the denial to the governing authority within thirty days after receipt of the denial. The appeal before the governing authority will be based upon the record made before the administrative official with the burden of proof on the applicant to show that there was no substantial evidence to support the

administrative official's decision. The decision of the governing body in denying or approving the application is final.

NEW SECTION. Sec. 11. The governing authority may establish an application fee. This fee may not exceed an amount determined to be required to cover the cost to be incurred by the governing authority and the assessor in administering this chapter. The application fee must be paid at the time the application for limited exemption is filed. If the application is approved, the governing authority shall pay the application fee to the county assessor for deposit in the county current expense fund, after first deducting that portion of the fee attributable to its own administrative costs in processing the application. If the application is denied, the governing authority may retain that portion of the application fee attributable to its own administrative costs and refund the balance to the applicant.

NEW SECTION. Sec. 12. (1) Upon completion of rehabilitation or new construction for which an application for limited exemption under this chapter has been approved and after issuance of the certificate of occupancy, the owner shall file with the city the following:

(a) A statement of the amount of rehabilitation or construction expenditures made with respect to each housing unit and the composite expenditures made in the rehabilitation or construction of the entire property;

(b) A description of the work that has been completed and a statement that the rehabilitation improvements or new construction on the owner's property qualify the property for limited exemption under this chapter; and

(c) A statement that the work has been completed within three years of the issuance of the conditional certificate of tax exemption.

(2) Within thirty days after receipt of the statements required under subsection (1) of this section, the authorized representative of the city shall determine whether the work completed is consistent with the application and the contract approved by the governing authority and is qualified for limited exemption under this chapter. The city shall also determine which specific improvements completed meet the requirements and required findings.

(3) If the rehabilitation, conversion, or construction is completed within three years of the date the application for limited exemption is filed under this chapter, or within an authorized extension of this time limit, and the authorized representative of the city determines that improvements were constructed consistent with the application and other applicable requirements and the owner's property is qualified for limited exemption under this chapter, the city shall file the certificate of tax exemption with the county assessor within ten days of the expiration of the thirty-day period provided under subsection (2) of this section.

(4) The authorized representative of the city shall notify the applicant that a certificate of tax exemption is not going to be filed if the representative determines that:

(a) The rehabilitation or new construction was not completed within three years of the application date, or within any authorized extension of the time limit;

(b) The improvements were not constructed consistent with the application or other applicable requirements; or

(c) The owner's property is otherwise not qualified for limited exemption under this chapter.

(5) If the authorized representative of the city finds that construction or rehabilitation of multiple-unit housing was not completed within the required time period due to circumstances beyond the control of the owner and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the governing authority or the city official authorized by the governing authority may extend the deadline for completion of construction or rehabilitation for a period not to exceed twenty-four consecutive months.

(6) The governing authority may provide by ordinance for an appeal of a decision by the deciding officer or authority that an owner is not entitled to a certificate of tax exemption to the governing authority, a hearing examiner, or other city officer authorized by the governing authority to hear the appeal in accordance with such reasonable procedures and time periods as provided by ordinance of the governing authority. The owner may appeal a decision by the deciding officer or authority that is not subject to local appeal or a decision by the local appeal authority that the owner is not entitled to a certificate of tax exemption in superior court under RCW 34.05.510 through 34.05.598, if the appeal is filed within thirty days of notification by the city to the owner of the decision being challenged.

NEW SECTION. Sec. 13. Thirty days after the anniversary of the date of the certificate of tax exemption and each year for a period of ten years, the owner of the rehabilitated or newly constructed property shall file with a designated agent of the city an annual report indicating the following:

(1) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date;

(2) A certification by the owner that the property has not changed use since the date of the certificate approved by the city; and

(3) A description of changes or improvements constructed after issuance of the certificate of tax exemption.

NEW SECTION. Sec. 14. (1) If improvements have been exempted under this chapter, the improvements continue to be exempted and not be converted to another use for at least ten years from date of issuance of the certificate of tax exemption. If the owner intends to convert the multifamily development to another use, the owner shall notify the assessor within sixty days of the change in use. If, after a certificate of tax exemption has been filed with the county assessor the city or assessor or agent discovers that a portion of the property is changed or will be changed to a use that is other than residential or that housing or amenities no longer meet the requirements as previously approved or agreed upon by contract between the governing authority and the owner and that the multifamily housing, or a portion of the housing, no longer qualifies for the exemption, the tax exemption must be canceled and the following must occur:

(a) Additional real property tax must be imposed upon the value of the nonqualifying improvements in the amount that would normally be imposed, plus a penalty must be imposed amounting to twenty percent. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonmultifamily use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the improvements had been assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty must become a lien on the land and attach at the time the property or portion of the property is removed from multifamily use or the amenities no longer meet applicable requirements, and has priority to and must be fully paid and satisfied before a recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(2) Upon a determination that a tax exemption is to be canceled for a reason stated in this section, the governing authority shall notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to cancel the exemption. The owner may appeal the determination to the governing authority within thirty days by filing a notice of appeal with the clerk of the governing authority, which notice must specify the factual and legal basis on which the determination of cancellation is alleged to be erroneous. The governing authority or a hearing examiner or other official authorized by the governing authority may hear the appeal. At the hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer shall either affirm, modify, or repeal the decision of cancellation of exemption based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court under RCW 34.05.510 through 34.05.598.

(3) Upon determination by the governing authority or authorized representative to terminate an exemption, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor shall make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The owner may appeal the valuation to the county board of equalization under chapter 84.48 RCW. If there has been a failure to comply with this chapter, the property must be listed as an omitted

assessment for assessment years beginning January 1 of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered.

NEW SECTION. **Sec. 15.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 16.** Sections 1 through 15 of this act shall constitute a new chapter in Title 84 RCW."

On page 22, beginning on line 25, strike all of section 19 and insert the following:

"NEW SECTION. Sec. 19. It is the intent of sections 20 through 25 of this act to provide property tax relief for homeowners whose property taxes are at excessive levels. Rapid increases in home values often have the effect of increasing property taxes to excessive levels without an accompanying increase in a homeowner's ability to pay. Sections 20 through 25 of this act limit homeowners property taxes based on their ability to pay. Sections 20 through 25 of this act provide a means to eliminate tremendous surges in property taxes so that families will be able to keep pace and seniors will not be taxed out of their homes.

NEW SECTION. Sec. 20. As used in this section and sections 21 through 23 of this act, except where the context clearly indicates a different meaning:

(1) "Residence" means single-family dwelling unit whether such unit be separate or part of a multiunit dwelling, including the land on which such dwelling stands not to exceed one acre. The term shall also include a share ownership in a cooperative housing association, corporation, or partnership if the person claiming exemption can establish that his or her share represents the specific unit or portion of such structure in which he or she resides. The term shall also include a single-family dwelling situated upon lands the fee of which is vested in the United States or any instrumentality thereof including an Indian tribe or in the state of Washington, and notwithstanding the provisions of RCW 84.04.080 and 84.04.090, such a residence shall be deemed real property.

(2) "Department" means the state department of revenue.

(3) "Combined disposable income" means the disposable income of the person claiming the exemption, plus the disposable income of his or her spouse, and the disposable income of each cotenant occupying the residence for the assessment year, less amounts paid by the person claiming the exemption or his or her spouse during the assessment year for the treatment or care of either person received in the home or in a nursing home.

(4) "Disposable income" means adjusted gross income as defined in the federal internal revenue code, as amended prior to January 1, 1995, or such subsequent date as the director may provide by rule consistent with the purpose of this section, plus all of the following items to the extent they are not included in or have been deducted from adjusted gross income:

(a) Capital gains, other than nonrecognized gain on the sale of a principal residence under section 1034 of the federal internal revenue code, or gain excluded from income under section 121 of the federal internal revenue code to the extent it is reinvested in a new principal residence;

(b) Amounts deducted for loss;

(c) Amounts deducted for depreciation;

(d) Pension and annuity receipts;

(e) Military pay and benefits other than attendant-care and medical-aid payments;

(f) Veterans benefits other than attendant-care and medical-aid payments;

(g) Federal social security act and railroad retirement benefits;

(h) Dividend receipts; and

(i) Interest received on state and municipal bonds.

(5) "Cotenant" means a person who resides with the person claiming the exemption and who has an ownership interest in the residence.

NEW SECTION. Sec. 21. (1) A person is eligible to receive a partial reduction of regular and special property taxes if the following conditions are met:

(a) The property taxes must have been imposed upon a residence that was owned and occupied by the person claiming the reduction as a principal place of residence as of January 1st of the year for which the reduction is claimed. Confinement of the person to a hospital or nursing home shall not disqualify the claim of reduction if the residence is temporarily unoccupied or if the residence is occupied by a spouse or a person financially dependent on the claimant for support; and

(b) After taking the exemption under RCW 84.36.381 if applicable, the regular and special property taxes owed are in excess of five percent of the household's combined disposable income.

(2) In determining eligibility under this section, income shall be income for the year prior to which the property taxes are due. Persons applying for a reduction under this section must apply by August 30th of each year to qualify for the reduction.

NEW SECTION. Sec. 22. (1) The department shall provide to persons eligible under section 21(1) of this act an amount equal to that portion of regular and special property taxes that is in excess of five percent of the household's combined disposable income.

(2) The maximum allowable reduction for any household under section 21 of this act in 1995 is one thousand dollars. Thereafter, this reduction base is adjusted annually by the department based on the implicit price deflator for personal consumption expenditures as published by the United States department of commerce.

NEW SECTION. Sec. 23. The property tax reduction fund is created in the state treasury. Moneys in the fund may be spent only after appropriation. Expenditures from the fund may be used only for allowable reductions under section 21 of this act and costs of administering the program. The state treasurer shall credit money into the property tax reduction fund as necessary to provide property tax reductions and pay for administrative costs.

NEW SECTION. Sec. 24. The department of revenue may adopt rules to implement sections 19 through 26 of this act.

Sec. 25. RCW 84.52.067 and 1967 ex.s. c 133 s 2 are each amended to read as follows:

All property taxes levied by the state for the support of common schools shall be paid into the general fund or the property tax reduction fund of the state treasury, as provided in RCW 84.56.280.

NEW SECTION. Sec. 26. Sections 20 through 23 of this act are each added to chapter 84.36 RCW.

NEW SECTION. Sec. 27. Sections 19 through 25 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

(2) Average levy rates and effective tax rates have risen substantially over the last ten years;

(3) Property assessments may increase rapidly in certain geographic areas, resulting in sharp increases in taxes on many homeowners, without corresponding increases in ability to pay;

(4) Property tax increases may place financial hardships on many low-income and middle-income families;

(5) Current constitutional provisions relating to the property tax may not provide sufficient protections from such financial hardships;

(6) Some property tax relief measures that may be proposed to address this problem would result in unfair tax shifts and other inequities; and

Section 63 of this act is not intended to modify the taxation of amounts received by a property management company for purposes other than payment to on-site personnel.

NEW SECTION. Sec. 63. A new section is added to chapter 82.04 RCW to read as follows:

This chapter shall not apply to amounts received by a property management company from the owner of a property for gross wages and benefits paid to or on behalf of on-site personnel. In such cases, the property owners may pay the on-site personnel through use of trust accounts, dedicated bank accounts, or paymaster accounts established for this purpose by the property management company. As used in this section, "on-site personnel" means a person who meets all of the following conditions: (1) The person works at the owner's property; (2) the person's duties include leasing property units, maintaining the property, collecting rents, or similar activities; and (3) pursuant to a written property management agreement, the person's compensation is the obligation of the property owner and not the property manager."

POINT OF INQUIRY

Representative Appelwick yielded to a question by Representative Hatfield.

Representative Hatfield: Thank you Mr. Speaker. I'm just curious as to how the public investment in this project compares to similar undertakings in Arlington, Texas, Baltimore and Cleveland.

Representative Appelwick: The bill itself doesn't require any requirements but the Task Force recommended to the county that before they sign a lease the county would require a minimum of 35% but closer to a 45% commitment. That's higher than any other public stadium built in this county. Before this goes forward the local officials have asked to have that substantial commitment in terms of public funding. And secondly have asked to have a lien against the franchise in the event of sale to retire the debt. That has also not been done in this country yet.

Representatives D. Schmidt, Appelwick, Van Luven and Quall spoke in favor of passage of the bill.

Representatives Sheldon, Mason, Campbell and Hargrove spoke against passage of the bill.

Representative Mastin moved adoption of the following amendment by Representative Mastin:

On page 2, line 6, after "of" strike everything down to and including "This" on page 6, line 14 and insert "salvaged water by local communities and individuals for domestic, agricultural, industrial, recreational, and fish and wildlife habitat creation and enhancement purposes, including wetland enhancement, will contribute to the peace, health, safety, and welfare of the people of the state of Washington. To the extent salvaged water is appropriate and available for beneficial uses, it should be used where feasible to supplement existing water supplies without threatening existing resources or public health in order to preserve potable water for drinking purposes and encourage water conservation practices.

The legislature further finds and declares that the use of salvaged water is not inconsistent with the policy of antidegradation of state waters announced in other state statutes, including the water pollution control act, chapter 90.48 RCW and the water resources act, chapter 90.54 RCW, nor is it inconsistent with the state's relinquishment statutes, chapter 90.48 RCW.

It is the intent of the legislature that the department of ecology and the department of health undertake the necessary steps to encourage the development of water reclamation facilities so that reclaimed water may be made available to help meet the growing water requirements of the state. It is also the intent of the legislature that the relationship between reclaimed water and other salvaged water be clarified to allow for the maximum use of current water conservation technologies and promote efficient administration of this limited resource.

The legislature further finds and declares that reclaimed water facilities are water pollution control facilities as defined in chapter 70.146 RCW and are eligible for financial assistance as provided in chapter 70.146 RCW.

Sec. 2. RCW 90.46.010 and 1992 c 204 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Greywater" means ((sewage)) wastewater having the consistency and strength of residential domestic type wastewater. Greywater includes wastewater from sinks, showers, and laundry fixtures, but does not include toilet or urinal waters.

(2) "Land application" means application of treated effluent for purposes of irrigation or landscape enhancement for residential, business, and governmental purposes.

(3) "Person" means any state, individual, public or private corporation, political subdivision, governmental subdivision, governmental agency, municipality, copartnership, association, firm, trust estate, or any other legal entity whatever.

(4) "Reclaimed water" means effluent derived in any part from sewage from a wastewater treatment system that has been adequately and reliably treated, so that as a result of that treatment, it is suitable for a ~~((direct))~~ beneficial use or a controlled use that would not otherwise occur.

(5) "Sewage" means water-carried human wastes ~~((, including kitchen, bath, and laundry waste))~~ from residences, buildings, industrial and commercial establishments, or other places, together with such ground water infiltration, surface waters, or industrial wastewater as may be present.

(6) "User" means any person who uses reclaimed water.

(7) "Wastewater" means water and wastes discharged from homes, businesses, and industry to the sewer system.

(8) "Beneficial use", as used in this chapter, means the use of reclaimed water, that has been transported from the point of production to the point of use without an intervening discharge to the waters of the state, for a beneficial purpose.

(9) "Direct recharge" means the controlled subsurface addition of water directly to the ground water basin that results in the replenishment of ground water.

(10) "Ground water recharge criteria" means the contaminant criteria found in the drinking water quality standards adopted by the state board of health pursuant to chapter 43.20 RCW and the department of health pursuant to chapter 70.119A RCW.

(11) "Planned ground water recharge project" means any reclaimed water project designed for the purpose of recharging ground water, via direct recharge or surface percolation.

(12) "Reclamation criteria" means the criteria set forth in the water reclamation and reuse interim standards and subsequent revisions adopted by the department of ecology and the department of health.

(13) "Salvaged water" means water reclaimed under this chapter and water made surplus through efficiencies in use and related activities.

(14) "Streamflow augmentation" means the discharge of reclaimed water to rivers and streams of the state or other surface water bodies, but not wetlands.

(15) "Surface percolation" means the controlled application of water to the ground surface for the purpose of recharging ground water.

(16) "Wetland or wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted to life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. No agency shall use a delineation process for what constitutes a wetland that is more stringent than that adopted by the United States army corps of engineers.

(17) "Man-made wetlands" means a wetland intentionally created from a nonwetland site to produce or replace natural habitat.

NEW SECTION. Sec. 3. A new section is added to chapter 90.46 RCW to read as follows:

(1) Reclaimed water may be beneficially used for surface percolation provided the reclaimed water meets the ground water recharge criteria as measured in ground water beneath or down gradient of the recharge project site, and has been incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

(2) If the state ground water recharge criteria as defined in RCW 90.46.010 do not contain a standard for a constituent or contaminant, the department of ecology shall establish a discharge limit consistent with the goals of this chapter.

(3) Reclaimed water that does not meet the ground water recharge criteria may be beneficially used for surface percolation where the department of ecology has specifically authorized such use at such lower standard.

NEW SECTION. Sec. 4. A new section is added to chapter 90.46 RCW to read as follows:

(1) Reclaimed water may be beneficially used for discharge into man-made wetlands provided the reclaimed water meets the class A or B reclaimed water standards as defined in the reclamation criteria, and the discharge is incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

(2) Reclaimed water that does not meet the class A or B reclaimed water standards may be beneficially used for discharge into man-made wetlands where the department of ecology has specifically authorized such use at lower standards.

NEW SECTION. Sec. 5. A new section is added to chapter 90.46 RCW to read as follows:

Reclaimed water intended for beneficial reuse may be discharged for streamflow augmentation provided the reclaimed water meets the requirements of the federal water pollution control act, chapter 90.48 RCW, and is incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

NEW SECTION. Sec. 6. A new section is added to chapter 90.46 RCW to read as follows:

The department of ecology shall, in consultation with the department of health, adopt a single set of standards, procedures, and guidelines, on or before December 31, 1996, for direct recharge using reclaimed water. The standards shall address both water quality considerations and avoidance of property damage from excessive recharge.

NEW SECTION. Sec. 7. A new section is added to chapter 90.46 RCW to read as follows:

The department of ecology shall, in consultation with the department of health, adopt a single set of standards, procedures, and guidelines, on or before June 30, 1996, for discharge of reclaimed water to wetlands.

NEW SECTION. Sec. 8. A new section is added to chapter 90.46 RCW to read as follows:

On or before December 31, 1995, the department of ecology and department of health shall, in consultation with local governments and local interested parties, jointly review and, if required, propose amendments to chapter 372-32 WAC to resolve conflicts between the development of reclaimed water projects in the Puget Sound region and chapter 372-32 WAC.

NEW SECTION. Sec. 9. The department of ecology and the department of health shall report

on the progress of the implementation of this act to the members of the agriculture and ecology committee of the house of representatives and the members of the ecology and parks committee of the senate by December 15, 1995.

Sec. 10. RCW 90.46.050 and 1992 c 204 s 6 are each amended to read as follows:

(1) The department of health shall, before ~~((May 1, 1992))~~ July 1, 1995, form an advisory committee, in coordination with the department of ecology and the department of agriculture, which will provide technical assistance in the development of standards, procedures, and guidelines required by this chapter. Such committee shall be composed of individuals from public water and wastewater utilities, landscaping enhancement industry, commercial and industrial application community, and any other persons deemed technically helpful by the department of health.

(2) ~~((The department of health shall report to the joint select committee on water resource policy by December 1, 1992, on the fee structure which has been recommended under RCW 90.46.030(3) and review fees authorized under RCW 90.46.40(3).))~~ The advisory committee shall: review and make recommendations regarding the relationship between the right to use reclaimed water and the abandonment and relinquishment statutes, chapter 90.48 RCW; examine the anomaly in water allocation law posed by statutes calling for the issuance of permits under the water pollution control laws, chapter 90.48 RCW, rather than permits issued under the state's water allocation laws which govern other salvaged water; analyze whether the administration of use permits for reclaimed water should be transferred to the water allocation laws; and identify administrative barriers to the use of practices or technologies that will result in water being made surplus because of greater efficiencies.

The order shall specify the provision of the statute, rule, regulation, directive or order alleged to be or about to be violated, and the facts upon which the conclusion of violating or potential violation is based, and shall order the act constituting the violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary corrective action to be taken with regard to such acts within a specific and reasonable time. The regulation of a headgate or controlling works as provided in RCW 90.03.070, by a watermaster, stream patrolman, or other person so authorized by the department shall constitute a regulatory order within the meaning of this section. A regulatory order issued hereunder shall become effective immediately upon receipt by the person to whom the order is directed, except for regulations under RCW 90.03.070 which shall become effective when a written notice is attached as provided therein. Any person aggrieved by such order may appeal the order pursuant to RCW 43.21B.310 unless the order is a water quantity decision of the department, as defined in section 14 of this act, in which case it may be appealed either to the pollution control hearings board or directly to a superior court as provided in section 14 of this act.

Sec. 9. RCW 90.03.383 and 1991 c 350 s 1 are each amended to read as follows:

(1) The legislature recognizes the value of interties for improving the reliability of public water systems, enhancing their management, and more efficiently utilizing the increasingly limited resource. Given the continued growth in the most populous areas of the state, the increased complexity of public water supply management, and the trend toward regional planning and regional solutions to resource issues, interconnections of public water systems through interties provide a valuable tool to ensure reliable public water supplies for the citizens of the state. Public water systems have been encouraged in the past to utilize interties to achieve public health and resource management objectives. The legislature finds that it is in the public interest to recognize interties existing and in use as of January 1, 1991, and to have associated water rights modified by the department of ecology to reflect current use of water through those interties, pursuant to subsection (3) of this section. The legislature further finds it in the public interest to develop a coordinated process to review proposals for interties commencing use after January 1, 1991.

(2) For the purposes of this section, the following definitions shall apply:

(a) "Interties" are interconnections between public water systems permitting exchange or delivery of water between those systems for other than emergency supply purposes, where such exchange or delivery is within established instantaneous and annual withdrawal rates specified in the systems' existing water right permits or certificates, or contained in claims filed pursuant to chapter 90.14 RCW, and which results in better management of public water supply consistent with existing rights and obligations. Interties include interconnections between public water systems permitting exchange or delivery of water to serve as primary or secondary sources of supply, but do not include development of new sources of supply to meet future demand.

(b) "Service area" is the area designated in a water system plan or a coordinated water system plan pursuant to chapter 43.20 or 70.116 RCW respectively. When a public water system does not have a designated service area subject to the approval process of those chapters, the service area shall be the designated place of use contained in the water right permit or certificate, or contained in the claim filed pursuant to chapter 90.14 RCW.

(3) Public water systems with interties existing and in use as of January 1, 1991, or that have received written approval from the department of health prior to that date, shall file written notice of those interties with the department of health and the department of ecology. The notice may be incorporated into the public water system's five-year update of its water system plan, but shall be filed no later than June 30, 1996. The notice shall identify the location of the intertie; the dates of its first use; the purpose, capacity, and current use; the intertie agreement of the parties and the service areas assigned; and other information reasonably necessary to modify the water right permit. Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, for public water systems with interties existing and in use as of January 1, 1991, the department of ecology, upon receipt of notice meeting the requirements of this subsection, shall, as soon as practicable, modify the place of use descriptions in the water right permits, certificates, or claims to reflect the actual use through such interties, provided that the place of use is within service area designations established in a water system plan approved pursuant to chapter 43.20 RCW, or a coordinated water system plan approved pursuant to chapter 70.116 RCW, and further provided that the water used is within the instantaneous and annual withdrawal rates specified in the water right permit and that no outstanding complaints of impairment to existing water rights have been filed with the department of ecology prior to September 1, 1991. Where such complaints of impairment have been received, the department of ecology shall make all reasonable efforts to resolve them in a timely manner through agreement of the parties or through available administrative remedies.

(4) Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, exchange or delivery of water through interties commencing use after January 1, 1991, shall be permitted when the intertie improves overall system reliability, enhances the manageability of the systems, provides opportunities for conjunctive use, or delays or avoids the need to develop new water sources, and otherwise meets the requirements of this section, provided that each public water system's water use shall not exceed the instantaneous or annual withdrawal rate specified in its water right authorization, shall not adversely affect existing water rights, and shall not be inconsistent with state-approved plans such as water system plans or other plans which include specific proposals for construction of interties. Interties commencing use after January 1, 1991, shall not be inconsistent with regional water resource plans developed pursuant to chapter 90.54 RCW.

(5) For public water systems subject to the approval process of chapter 43.20 RCW or chapter 70.116 RCW, proposals for interties commencing use after January 1, 1991, shall be incorporated into water system plans pursuant to chapter 43.20 RCW or coordinated water system plans pursuant to chapter 70.116 RCW and submitted to the department of health and the department of ecology for review and approval as provided for in subsections (5) through (9) of this section. The plan shall state how the proposed intertie will improve overall system reliability, enhance the manageability of the systems, provide opportunities for conjunctive use, or delay or avoid the need to develop new water sources.

(6) The department of health shall be responsible for review and approval of proposals for new interties. In its review the department of health shall determine whether the intertie satisfies the criteria of subsection (4) of this section, with the exception of water rights considerations, which are the responsibility of the department of ecology, and shall determine whether the intertie is necessary to address emergent public health or safety concerns associated with public water supply.

(7) If the intertie is determined by the department of health to be necessary to address emergent public health or safety concerns associated with public water supply, the public water system shall amend its water system plan as required and shall file an application with the department of ecology to change its existing water right to reflect the proposed use of the water as described in the approved water system plan. The department of ecology shall process the application for change pursuant to RCW 90.03.380 or 90.44.100 as appropriate, except that, notwithstanding the requirements of those sections regarding notice and protest periods, applicants shall be required to publish notice one time, and the comment period shall be fifteen days from the date of publication of the notice. Within sixty days of receiving the application, the department of ecology shall issue findings and advise the department of health if existing water rights are determined to be adversely affected. If no determination is provided by the department of ecology within the sixty-day period, the department of health shall proceed as if existing rights are not adversely affected by the proposed intertie. The department of ecology may obtain an extension of the sixty-day period by submitting written notice to the department of health and to the applicant indicating a definite date by which its determination will be made. No additional extensions shall be granted, and in no event shall the total review period for the department of ecology exceed one hundred eighty days.

(8) If the department of health determines the proposed intertie appears to meet the requirements of subsection (4) of this section but is not necessary to address emergent public health or safety concerns associated with public water supply, the department of health shall instruct the applicant to submit to the department of ecology an application for change to the underlying water right or claim as necessary to reflect the new place of use. The department of ecology shall consider the applications pursuant to the provisions of RCW 90.03.380 and 90.44.100 as appropriate. If in its review of proposed interties and associated water rights the department of ecology determines that additional information is required to act on the application, the department may request applicants to provide information necessary for its decision, consistent with agency rules and written guidelines. Parties disagreeing with the decision of the department of ecology ~~((en))~~ to approve or deny the application for change in place of use may appeal the decision to the pollution control hearings board or directly to a superior court as provided in section 14 of this act.

(9) The department of health may approve plans containing intertie proposals prior to the department of ecology's decision on the water right application for change in place of use. However, notwithstanding such approval, construction work on the intertie shall not begin until the department of ecology issues the appropriate water right document to the applicant consistent with the approved plan.

Sec. 10. RCW 90.14.130 and 1987 c 109 s 13 are each amended to read as follows:

When it appears to the department of ecology that a person entitled to the use of water has not beneficially used his or her water right or some portion thereof, and it appears that ~~((said))~~ the right has or may have reverted to the state because of such nonuse, as provided by RCW 90.14.160, 90.14.170, or 90.14.180, the department of ecology shall notify such person by order: PROVIDED, That where a company, association, district, or the United States has filed a blanket claim under the provisions of RCW 90.14.060 for the total benefits of those served by it, the notice shall be served on such company, association, district or the United States and not upon any of its individual water users who may not have used the water or some portion thereof which they were entitled to use. The order shall contain: (1) A description of the water right, including the approximate location of the point of diversion, the general description of the lands or places where such waters were used, the water

source, the amount involved, the purpose of use, and the apparent authority upon which the right is based; (2) a statement that unless sufficient cause be shown on appeal the water right will be declared relinquished; and (3) a statement that such order may be appealed to ~~((the pollution control hearings board))~~ superior court. Any person aggrieved by such an order may appeal it to ~~((the pollution control hearings board pursuant to RCW 43.21B.310))~~ the superior court in the county where the land is located upon which the water was used. Any such appeal to superior court shall be de novo. The order shall be served by registered or certified mail to the last known address of the person and be posted at the point of division or withdrawal. The order by itself shall not alter the recipient's right to use water, if any.

Sec. 11. RCW 90.14.190 and 1987 c 109 s 14 are each amended to read as follows:

Any person feeling aggrieved by any decision of the department of ecology may have the same reviewed by the pollution control hearings board or directly to a superior court pursuant to ~~((RCW 43.21B.310))~~ section 14 of this act. In any such review, the findings of fact as set forth in the report of the department of ecology shall be prima facie evidence of the fact of any waiver or relinquishment of a water right or portion thereof. If the hearings board affirms the decision of the department, a party seeks review in superior court of that hearings board decision pursuant to chapter 34.05 RCW, and the court determines that the party was injured by an arbitrary, capricious, or erroneous order of the department, the court may award reasonable attorneys' fees. Any order regarding the relinquishment of a water right shall be appealed pursuant to RCW 90.14.130.

Sec. 12. RCW 90.14.200 and 1989 c 175 s 180 are each amended to read as follows:

(1) All matters relating to the implementation and enforcement of this chapter by the department of ecology shall be carried out in accordance with chapter 34.05 RCW, the Administrative Procedure Act, except where the provisions of this chapter expressly conflict with chapter 34.05 RCW. Proceedings held pursuant to RCW 90.14.130 are ~~((adjudicative proceedings within the meaning of chapter 34.05 RCW. Final decisions of the department of ecology in these proceedings))~~ appealable to superior court as provided in that section. Other final decisions of the department of ecology under this chapter are subject to review by the pollution control hearings board or a superior court in accordance with ~~((chapter 43.21B RCW))~~ section 14 of this act.

(2) RCW 90.14.130 provides nonexclusive procedures for determining a relinquishment of water rights under RCW 90.14.160, 90.14.170, and 90.14.180. RCW 90.14.160, 90.14.170, and 90.14.180 may be applied in, among other proceedings, general adjudication proceedings initiated under RCW 90.03.110 or 90.44.220: PROVIDED, That nothing herein shall apply to litigation involving determinations of the department of ecology under RCW 90.03.290 relating to the impairment of existing rights.

Sec. 13. RCW 90.66.080 and 1979 c 3 s 8 are each amended to read as follows:

The department is hereby empowered to promulgate such rules as may be necessary to carry out the provisions of this chapter. Decisions of the department, other than rule making, shall be subject to review by the pollution control hearings board or a superior court in accordance with ~~((chapter 43.21B RCW))~~ section 14 of this act.

NEW SECTION. Sec. 14. A new section is added to chapter 43.21B RCW to read as follows:

(1) A person who is aggrieved or adversely affected by a water quantity decision may appeal the decision either to the pollution control hearings board pursuant to RCW 43.21B.310 or directly to a superior court. Any direct appeal to a superior court as authorized by this section shall be de novo and must be filed in the superior court in the county that will be directly and immediately affected by the decision.

(2) For purposes of this section, a "water quantity decision" includes the following:

(a) A decision to grant or deny a permit or certificate for a right to the beneficial use of water or to amend, change, or transfer such a right;

(b) A decision to enforce the conditions of a permit for, or right to, the beneficial use of water or to require any person to discontinue the use of water; and

(c) A decision to establish a minimum flow or level for water under chapter 90.03, 90.22, or 90.54 RCW, or to reserve water for such a minimum flow or level

Sec. 15. RCW 90.58.180 and 1994 c 253 s 3 are each amended to read as follows:

(1) Any person aggrieved by the granting, denying, or rescinding of a permit on shorelines of the state pursuant to RCW 90.58.140 may seek review from the shorelines hearings board by filing a request for the same within thirty days of the date of filing as defined in RCW 90.58.140(6).

~~((Concurrently with)) Within seven days of the filing of any request for review with the board as provided in this section pertaining to a final order of a local government, the requestor shall ((file a copy)) serve copies of his or her request ((with)) on the department and the attorney general. ((If it appears to the department or the attorney general that the requestor has valid reasons to seek review, either the department or the attorney general may certify the request within thirty days after its receipt to the shorelines hearings board following which the board shall then, but not otherwise, review the matter covered by the requestor. The failure to obtain such certification shall not preclude the requestor from obtaining a review in the superior court under any right to review otherwise available to the requestor.)) The department and the attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with at any time within fifteen days from the date of the receipt by the department or the attorney general of a copy of the request for review filed pursuant to this section. ((The shorelines hearings board shall initially schedule review proceedings on such requests for review without regard as to whether such requests have or have not been certified or as to whether the period for the department or the attorney general to intervene has or has not expired, unless such review is to begin within thirty days of such scheduling. If at the end of the thirty day period for certification neither the department nor the attorney general has certified a request for review, the hearings board shall remove the request from its review schedule.))~~

(2) The department or the attorney general may obtain review of any final order granting a permit, or granting or denying an application for a permit issued by a local government by filing a written request with the shorelines hearings board and the appropriate local government within thirty days from the date the final order was filed as provided in RCW 90.58.140(6).

(3) The review proceedings authorized in subsections (1) and (2) of this section are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings. Judicial review of such proceedings of the shorelines hearings board is governed by chapter 34.05 RCW.

(4) A local government may appeal to the shorelines hearings board any rules, regulations, or guidelines adopted or approved by the department within thirty days of the date of the adoption or approval. The board shall make a final decision within sixty days following the hearing held thereon.

If the board determines that the rule, regulation, or guideline:

- (a) Is clearly erroneous in light of the policy of this chapter; or
- (b) Constitutes an implementation of this chapter in violation of constitutional or statutory provisions; or
- (c) Is arbitrary and capricious; or
- (d) Was developed without fully considering and evaluating all material submitted to the department by the local government; or
- (e) Was not adopted in accordance with required procedures;

the board shall enter a final decision declaring the rule, regulation, or guideline invalid, remanding the rule, regulation, or guideline to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government, a new rule, regulation, or guideline. Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect.

(5) Rules, regulations, and guidelines shall be subject to review in superior court, if authorized pursuant to RCW 34.05.570(2). No review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section and the petition for court review is filed within three months after the date of final decision by the shorelines hearings board.

Sec. 16. RCW 34.05.518 and 1988 c 288 s 503 are each amended to read as follows:

(1) The final decision of an administrative agency in an adjudicative proceeding under this chapter may be directly reviewed by the court of appeals either (a) upon certification by the superior court pursuant to this section or (b) if the final decision is from an environmental board as defined in subsection (3) of this section, upon acceptance by the court of appeals after a certificate of appealability has been filed by the environmental board that rendered the final decision.

(2) For direct review upon certification by the superior court, an application for direct review must be filed with the superior court within thirty days of the filing of the petition for review in superior court. The superior court may certify a case for direct review only if the judicial review is limited to the record of the agency proceeding and the court finds that:

((4)) (a) Fundamental and urgent issues affecting the future administrative process or the public interest are involved which require a prompt determination;

((2)) (b) Delay in obtaining a final and prompt determination of such issues would be detrimental to any party or the public interest;

((3)) (c) An appeal to the court of appeals would be likely regardless of the determination in superior court; and

((4)) (d) The appellate court's determination in the proceeding would have significant precedential value.

Procedures for certification shall be established by court rule.

(3)(a) For the purposes of direct review of final decisions of environmental boards, environmental boards include those boards identified in RCW 43.21B.005 and growth management hearings boards as identified in RCW 36.70A.250.

(b) An environmental board may issue a certificate of appealability if it finds that delay in obtaining a final and prompt determination of the issues would be detrimental to any party or the public interest and either:

(i) Fundamental and urgent state-wide or regional issues are raised; or

(ii) The proceeding is likely to have significant precedential value.

(4) The environmental board shall state in the certificate of appealability which criteria it applied, explain how that criteria was met, and file with the certificate a copy of the final decision.

(5) For an appellate court to accept direct review of a final decision of an environmental board, it shall consider the same criteria outlined in subsection (3) of this section.

(6) The procedures for direct review of final decisions of environmental boards include:

(a) Within thirty days after filing the petition for review with the superior court, a party may file an application for direct review with the superior court and serve the appropriate environmental board and all parties of record. The application shall request the environmental board to file a certificate of appealability.

(b) If an issue on review is the jurisdiction of the environmental board, the board may file an application for direct review on that issue.

(c) The environmental board shall have thirty days to grant or deny the request for a certificate of appealability and its decision shall be filed with the superior court and served on all parties of record.

(d) If a certificate of appealability is issued, the parties shall have fifteen days from the date of service to file a notice of discretionary review in the superior court, and the notice shall include a copy of the certificate of appealability and a copy of the final decision.

(e) If the appellate court accepts review, the certificate of appealability shall be transmitted to the court of appeals as part of the certified record.

(f) If a certificate of appealability is denied, review shall be by the superior court. The superior court's decision may be appealed to the court of appeals.

Sec. 17. RCW 34.05.522 and 1988 c 288 s 504 are each amended to read as follows:

The court of appeals may refuse to accept direct review of a case ((certified)) pursuant to RCW 34.05.518 if it finds that the case does not meet the applicable standard in RCW 34.05.518(2) or (5). Rules of Appellate Procedure 2.3 do not apply in this instance. The refusal to accept such review is not subject to further appellate review, notwithstanding anything in Rule 13.3 of the Rules of Appellate Procedure to the contrary.

Sec. 18. RCW 34.05.542 and 1988 c 288 s 509 are each amended to read as follows:

Subject to other requirements of this chapter or of another statute:

(1) A petition for judicial review of a rule may be filed at any time, except as limited by RCW 34.05.375.

(2) A petition for judicial review of an order shall be filed with the court and served on the agency, the hearings board if one is involved, the office of the attorney general, and all parties of record within thirty days after service of the final order.

(3) A petition for judicial review of agency action other than the adoption of a rule or the entry of an order is not timely unless filed with the court and served on the agency, the office of the attorney general, and all other parties of record within thirty days after the agency action, but the time is extended during any period that the petitioner did not know and was under no duty to discover or could not reasonably have discovered that the agency had taken the action or that the agency action had a sufficient effect to confer standing upon the petitioner to obtain judicial review under this chapter.

(4) Service of the petition on the agency shall be by delivery of a copy of the petition to the office of the director, or other chief administrative officer or chairperson of the agency, at the principal office of the agency. Service of a copy by mail upon the other parties of record, the hearings board if one is involved, and the office of the attorney general shall be deemed complete upon deposit in the United States mail, as evidenced by the postmark.

(5) Failure to timely serve a petition on the office of the attorney general or the hearings board if one is involved, is not grounds for dismissal of the petition unless the service that is provided impairs the orderly conduct of judicial process. The service so provided as to the hearings board only applies to judicial proceedings pending on the effective date of this act.

(6) For the purposes of this section, "hearings board" means an independent, quasi-judicial, multiperson entity whose sole responsibility is to determine on review in a contested matter the validity or invalidity of an order issued by another governmental entity.

Sec. 19. RCW 34.05.566 and 1989 c 175 s 26 are each amended to read as follows:

(1) Within thirty days after service of the petition for judicial review, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies of the record:

(a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record; or

(b) In accordance with any provision of law.

(6) Additions to the record pursuant to RCW 34.05.562 must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

(8) For the purposes of this section, agency includes hearings board as defined in RCW 34.05.542(6).

NEW SECTION. Sec. 20. It is the intent of the legislature through the enactment of section 18 of this act to clarify the filing procedures in RCW 34.05.542. Section 18 of this act is remedial in nature and applies to all judicial proceedings pending on the effective date of this act.

NEW SECTION. Sec. 21. A new section is added to chapter 43.21B RCW to read as follows:

The hearings board shall ensure that a hearing pertaining to a water quantity decision, as defined in section 14 of this act, shall be conducted in the general area where the petitioner resides, or provide for the hearing to be conducted by telephone. A single member of the board may conduct such hearings.

NEW SECTION. **Sec. 22.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 23.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF ORDER

Representative Rust: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

SPEAKER'S RULING

Representative Rust, the Speaker is prepared to Rule on your Point of Order which challenges amendment 876 to Senate Bill No. 5087.

"The Title of Senate Bill No. 5087 is AN ACT Relating to appeals involving environmental and land use appeals boards. The underlying Senate bill and the striking amendment both deal with environmental and land use appeals.

Both the underlying bill and the amendment provide for expedited judicial review for limited cases. In both cases the expedited review is that the option of the appellant. The language in the committee striker that would have subjected these types of cases to review under the APA before an ALJ is removed.

The purpose of both measures is to reduce back logs in the system and to save people time and money and provide quicker guidance to the community on whether certain actions should be allowed.

The Speaker finds that the amendment is not beyond the scope and object of the bill.

Representative Rust, Your Point of Order is not well taken.

Representative Reams moved adoption of the following amendment to the amendment by Representative Reams:

On page 1, after line 15 of the amendment, insert the following:

"The legislature also finds that petitions to growth management hearings boards have resulted in costly reviews that have not accorded adequate deference to planning decisions of counties and cities. Sections 22 through 25 of this act are intended to reaffirm the presumption of validity accorded to local decisions and clarify the role of the state and the boards in the review and appeal of local plans."

On page 19, after line 2 of the amendment, insert the following:

"**Sec. 22.** RCW 36.70A.310 and 1994 c 249 s 32 are each amended to read as follows:

(1) A request for review by the state to a growth management hearings board may be made only by the governor, or with the governor's consent the head of an agency, or by the commissioner of public lands as relating to state trust lands, for the review of whether: ~~((4))~~ (a) A county or city that is required or chooses to plan under RCW 36.70A.040 has failed to adopt a comprehensive plan or development regulations, or county-wide planning policies within the time limits established by this chapter; or ~~((2))~~ (b) a county or city that is required or chooses to plan under this chapter has adopted a comprehensive plan, development regulations, or county-wide planning policies, that are not in compliance with the requirements of this chapter.

(2) Except as provided in subsection (1) of this section with regard to state trust lands, a state agency may be authorized to seek review by a growth management hearings board only if the governor finds:

(a) The agency has participated substantially in the local process and has consistently raised the issues to be addressed in the petition; or

(b) Review by a board is the best means to accomplish the state goals.

Sec. 23. RCW 36.70A.320 and 1991 sp.s. c 32 s 13 are each amended to read as follows:

(1)(a) Comprehensive plans and development regulations, and amendments thereto, adopted under this chapter are presumed valid upon adoption. In any petition under this chapter, the board, after full consideration of the petition, shall determine whether there is compliance with the requirements of this chapter. In making its determination, the board shall consider the criteria adopted by the department under RCW 36.70A.190(4).

(b) The board shall find compliance unless it finds that the petitioner has demonstrated by a preponderance of the evidence that the state agency, county, or city erroneously interpreted or applied this chapter. The presumption of validity accorded to the decisions of the local legislative body places the burden upon the petitioner to demonstrate noncompliance. The failure of a county or city to develop a record that supports the action that is the basis of the petition does not by itself constitute a basis for a finding of noncompliance.

(2) In making its determination, the board shall take into consideration the extent of urbanization of the area in question, the planning history and capabilities of the county or city, and the relative amount of financial assistance made available to the county or city by the state for purposes of meeting the requirements of this chapter.

NEW SECTION. Sec. 24. A new section is added to chapter 36.70A RCW to read as follows:

The office of the attorney general shall, at the request of a county or city that has been found in compliance with the provisions of this chapter by a growth management hearings board, defend or provide assistance in the county or city's defense of an appeal of the board finding in superior court.

Sec. 25. RCW 36.70A.250 and 1994 c 249 s 29 are each amended to read as follows:

(1) There are hereby created three growth management hearings boards for the state of Washington. Each board is a quasi-judicial body. The boards shall be established as follows:

(a) An Eastern Washington board with jurisdictional boundaries including all counties that are required to or choose to plan under RCW 36.70A.040 and are located east of the crest of the Cascade mountains;

(b) A Central Puget Sound board with jurisdictional boundaries including King, Pierce, Snohomish, and Kitsap counties; and

(c) A Western Washington board with jurisdictional boundaries including all counties that are required or choose to plan under RCW 36.70A.040 and are located west of the crest of the Cascade mountains and are not included in the Central Puget Sound board jurisdictional boundaries. Skamania county, should it be required or choose to plan under RCW 36.70A.040, may elect to be included within the jurisdictional boundaries of either the Western or Eastern board.

(2) Each board shall only hear matters pertaining to the cities and counties located within its jurisdictional boundaries."

Renumber the remaining sections consecutively and correct the title.

POINT OF ORDER

Representative Rust: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

SPEAKER'S RULING

Representative Rust, the Speaker is prepared to Rule on your Point of Order which challenges amendment 877 to Senate Bill No. 5087 as being beyond the Scope and Object of the bill.

"The title of Senate Bill No. 5087 is AN ACT Relating to appeals involving environmental and land use appeals boards. On page 5, lines 20-23 of the Senate Bill, RCW34.05.518 is amended to specify that "environmental boards include those boards identified in RCW 43.21B.005 and growth management hearings boards."

The original bill aims to streamline appeals to and from environmental boards. The Reams amendment to the House striking amendment has the same intent.

(Most importantly, the Reams amendment strengthens the provision that local plans are presumed valid and the burden is on the petitioner to overturn the local choice.)

The Speaker finds that the amendment is not beyond the scope and object of the bill.

Representative Rust, Your point of order is not well taken.

Representative Reams spoke in favor of the adoption of the amendment to the amendment.

Representative Rust spoke against the adoption of the amendment to the amendment.

On page 6, after line 18, insert the following:

"**Sec. 12.** RCW 90.03.380 and 1991 c 347 s 15 are each amended to read as follows:

(1) The right to the use of water which has been applied to a beneficial use in the state shall be and remain appurtenant to the land or place upon which the same is used: PROVIDED, HOWEVER,

That ~~((said))~~ the right may be transferred to another or to others and become appurtenant to any other land or place of use without loss of priority of right theretofore established if such change can be made without detriment or injury to existing rights. The point of diversion of water for beneficial use or the purpose of use may be changed, if such change can be made without detriment or injury to existing rights. Before any transfer of such right to use water or change of the point of diversion of water or change of purpose of use can be made, any person having an interest in the transfer or change, shall file a written application therefor with the department, and ~~((said))~~ the application shall not be granted until notice of ~~((said))~~ the application ~~((shall be))~~ is published as provided in RCW 90.03.280. If it shall appear that such transfer or such change may be made without injury or detriment to existing rights, the department shall issue to the applicant a certificate in duplicate granting the right for such transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and be made a record with the department and the duplicate certificate issued to the applicant may be filed with the county auditor in like manner and with the same effect as provided in the original certificate or permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to another, the department shall, before publication of notice, receive concurrence from each of the irrigation districts that such transfer or change will not adversely affect the ability to deliver water to other landowners or impair the financial integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an irrigation district need only receive approval for the change from the board of directors of the district if the use of water continues within the irrigation district.

(4) Sections (1), (2), and (3) of this section do not apply to a change regarding a portion of the water governed by a water right that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in crops grown under the water right. The use within an irrigation district of water supplied by the district and made surplus as provided in this subsection shall be regulated solely as provided by the board of directors of the irrigation district except as follows: Such a use requires the approval of the board of directors of the irrigation district or must otherwise be authorized by the board; the board may approve or authorize such a use only if the use does not impair the financial or operational integrity of the district; and water made surplus through a change in the crops grown with district-supplied water is not available for use as a matter of right by the individual water user making the change, but may be used by the board for the benefit of the district generally. The district's board of directors may approve or otherwise authorize under this subsection uses of such surplus water that result in the total irrigated acreage within the district exceeding the irrigated acreage recorded with the department for the district's water right if the board notifies the department of the change in the irrigated acreage within the district. Such a notification provides a change in the district's water right and, upon receiving the notification, the department shall revise its records for the district's right to reflect the change. A change or use authorized by or under this subsection shall be made without loss of priority of the right. The use of water other than irrigation district-supplied water that is made surplus as provided in this subsection is governed by section 13 of this act.

(5) This section shall not apply to trust water rights acquired by the state through the funding of water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070.

NEW SECTION. Sec. 13. A new section is added to chapter 90.03 RCW to read as follows:

If a portion of the water governed by a water right is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right, the right to use the surplus water may be changed to use on other lands owned by the holder of the water right that are contiguous to the lands upon which the use of the water was authorized by the right before such a change. Such a change shall be made without loss of priority of the right. The holder of the water right shall notify the department of such a change. The notification provides a change in the holder's water right and, upon receiving the notification, the department shall revise its records for the water right to reflect the change.

This section does not apply to water supplied by an irrigation district.

Sec. 14. RCW 90.44.100 and 1987 c 109 s 113 are each amended to read as follows:

(1) After an application to, and upon the issuance by the department of an amendment to the appropriate permit or certificate of ground water right, the holder of a valid right to withdraw public ground waters may, without losing his priority of right, construct wells or other means of withdrawal at a new location in substitution for or in addition to those at the original location, or he may change the manner or the place of use of the water (~~(: PROVIDED, HOWEVER, That such)~~). An amendment shall be issued only after publication of notice of the application and findings as prescribed in the case of an original application. Such amendment shall be issued by the department only on the conditions that: ~~((1))~~ (a) The additional or substitute well or wells shall tap the same body of public ground water as the original well or wells; ~~((2))~~ (b) use of the original well or wells shall be discontinued upon construction of the substitute well or wells; ~~((3))~~ (c) the construction of an additional well or wells shall not enlarge the right conveyed by the original permit or certificate; and ~~((4))~~ (d) other existing rights shall not be impaired. The department may specify an approved manner of construction and shall require a showing of compliance with the terms of the amendment, as provided in RCW 90.44.080 in the case of an original permit.

(2) This section does not apply to a change in use of a portion of the water governed by a ground water right that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. RCW 90.03.380(4) and section 13 of this act apply to water made surplus as provided in this subsection.

Sec. 15. RCW 90.03.290 and 1994 c 264 s 84 are each amended to read as follows:

When an application complying with the provisions of this chapter and with the rules and regulations of the department has been filed, the same shall be placed on record with the department, and it shall be its duty to investigate the application, and determine what water, if any, is available for appropriation, and find and determine to what beneficial use or uses it can be applied. If it is proposed to appropriate water for irrigation purposes, the department shall investigate, determine and find what lands are capable of irrigation by means of water found available for appropriation. If it is proposed to appropriate water for the purpose of power development, the department shall investigate, determine and find whether the proposed development is likely to prove detrimental to the public interest, having in mind the highest feasible use of the waters belonging to the public. If the application does not contain, and the applicant does not promptly furnish sufficient information on which to base such findings, the department may issue a preliminary permit, for a period of not to exceed three years, requiring the applicant to make such surveys, investigations, studies, and progress reports, as in the opinion of the department may be necessary. If the applicant fails to comply with the conditions of the preliminary permit, it and the application or applications on which it is based shall be automatically canceled and the applicant so notified. If the holder of a preliminary permit shall, before its expiration, file with the department a verified report of expenditures made and work done under the preliminary permit, which, in the opinion of the department, establishes the good faith, intent and ability of the applicant to carry on the proposed development, the preliminary permit may, with the approval of the governor, be extended, but not to exceed a maximum period of five years from the date of the issuance of the preliminary permit. The department shall make and file as part of the record in the matter, written findings of fact concerning all things investigated, and if it shall find that there is water available for appropriation for a beneficial use, and the appropriation thereof as proposed in the application will not impair existing rights or be detrimental to the public welfare, it shall issue a permit stating the amount of water to which the applicant shall be entitled and the beneficial use or uses to which it may be applied: PROVIDED, That where the water applied for is to be used for irrigation purposes, it shall become appurtenant only to such land as may be reclaimed thereby to the full extent of the soil for agricultural purposes. But where there is no unappropriated water in the proposed source of supply, or where the proposed use conflicts with existing rights, or threatens to prove detrimental to the public interest, having due regard to the highest feasible development of the use of the waters belonging to the public, it shall be duty of the department to reject such application and to refuse to issue the permit asked for. If the permit is refused because of conflict with existing rights and such applicant shall acquire same by purchase or condemnation under RCW 90.03.040, the department may thereupon grant such permit. Any application may be approved for a less amount of water than that applied for, if there exists substantial reason therefor, and in any event shall not be approved for

more water than can be applied to beneficial use for the purposes named in the application. In determining whether or not a permit shall issue upon any application, it shall be the duty of the department to investigate all facts relevant and material to the application. After the department approves said application in whole or in part and before any permit shall be issued thereon to the applicant, such applicant shall pay the fee provided in RCW 90.03.470: PROVIDED FURTHER, That in the event a permit is issued by the department upon any application, it shall be its duty to notify the director of fish and wildlife of such issuance.

This section does not apply to changes made under section 13 of this act or to changes made under RCW 90.03.380(4) or 90.44.100(2).

Sec. 16. RCW 90.44.445 and 1993 c 99 s 1 are each amended to read as follows:

In any acreage expansion program adopted by the department as an element of a ground water management program, the authorization for a water right certificate holder to participate in the program shall be on an annual basis for the first two years. After the two-year period, the department may authorize participation for ten-year periods. The department may authorize participation for ten-year periods for certificate holders who have already participated in an acreage expansion program for two years. The department may require annual certification that the certificate holder has complied with all requirements of the program. The department may terminate the authority of a certificate holder to participate in the program for one calendar year if the certificate holder fails to comply with the requirements of the program.

This section applies only in an area with a ground water area or subarea management program in effect on the effective date of this section. The provisions of section 13 of this act, RCW 90.03.380, and 90.44.100 apply to transfers, changes, amendments to permits or rights for the beneficial use of ground water in any other area."

Renumber the remaining section consecutively, correct internal references accordingly, and correct the title.

POINT OF ORDER

Representative Rust: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

SPEAKER'S RULING

"Representative Rust, the Speaker is prepared to Rule on your Point of Order which challenges amendment 880 to Substitute Senate Bill No. 5606 as being beyond the Scope and Object of the bill.

"The title of Substitute Senate Bill No. 5606 is "AN ACT Relating to water conservation and the reclamation and direct beneficial use of wastewater.

"The title is somewhat narrow. The bill amends RCW 90.46.005, 90.46.010, and 90.46.050, adds new sections to chapter 90.46 RCW, and creates a new section.

"The bill promotes water conservation through the reclamation and beneficial use of wastewater resulting in water made surplus through the implementation of practices or technologies that are more water use efficient.

"The house just adopted amendment 876 which added language regarding salvaged water which includes reclaimed and surplus water, and directing the advisory committee to examine various application of the state's abandonment and relinquishment statutes to permits or rights to use such water.

"Amendment 877 to Substitute Senate Bill No. 5087 would amend various RCW's and add a new section to chapter 90.03 RCW. The amendment would enhance the ability of state and local entities to ensure more surplus water is available and that reclaimed and salvaged water is applied for beneficial use.

"The Speaker finds that the amendment is not beyond the scope and object of the bill.

"Representative Rust, Your Point of Order is not well taken.

Representatives Chandler and Mastin spoke in favor of the adoption of the amendment.

Representative Rust spoke against the adoption of the amendment.

NINETY-NINTH DAY

AFTERNOON SESSION

House Chamber, Olympia, Monday, April 17, 1995

The House was called to order at 1:00 p.m. by the Speaker (Representative Horn presiding). The Clerk called the roll and a quorum was present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Kelly Smith and Annalisa Woods. Prayer was offered by Wes Johnson, of the Bethel Baptist Church of Everett.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

POINT OF PERSONAL PRIVILEGE

Representative Campbell: Thank you Mr. Speaker. Mr. Speaker, over the weekend since we adjourned I have to report that a good friend and comrade died in a very tragic car accident and I just wanted to point out his passing today. Dr. David Cantwell who's up on Canyon Rd. when some irresponsible drunken mad man ran into him, killed him. A wonderful man, a good friend 36 yrs old, left his wife and three children. They live in an adjoining district, the 25th, but they're good friends of ours. And I have to tell you this is a grievous loss and we're certainly going to be saddened for it.

He wasn't alone, another gentleman was killed in the wreck and two young ladies are tragically in the hospital and probably crippled for life. I hate to start this session this week on this note but I wanted to thank the body for the outstanding work we did on the drunk driving legislation and I hope and pray that these types of injuries and incidents will be reduced in the years to come. I just wanted to mention David, because the world certainly is going to be a lesser place without him, he was a wonderful person and my heart goes out to his family and all the family members from the other families that are going to miss their uncle and that gentleman who was killed also from people that were good samaritans, just to try to help move a car off the road. I thank you Mr. Speaker for indulging me and thank the body once again for really acting and, I think in very positive way, this very tragic menace that we're dealing with.

RESOLUTIONS

HOUSE RESOLUTION NO. 95-4667, by Representatives Cairnes, Cooke, Campbell, Kremen, Dyer, D. Schmidt, Koster and Hatfield

WHEREAS, It is the policy of the Washington State Legislature to recognize excellence in service and contribution to the great state of Washington and these United States; and

WHEREAS, A great many citizens of the great state of Washington served in the American Merchant Marine during the years surrounding World War II, and many other Washington state citizens continue to serve today; and

WHEREAS, During World War II the United States depended heavily upon the Merchant Marine for the war effort, to man the "Liberty Ships," that carried forty-one Merchant Seaman and twenty-six United States Navy Armed Guard gunners, bringing much needed cargo, foodstuffs, munitions, supplies, and other raw material to our Allies and vital war theaters, by way of large ship convoys crossing the treacherous Atlantic and Pacific Oceans; and

WHEREAS, These convoys faced untold dangers and perils, including being methodically hunted by U-boats in "wolf-packs," which, for example, in the first twenty days of March 1943 sank ninety-seven Allied merchant ships. The convoys also faced the hazards of mines, enemy aircraft, surface warships, armed raiders, and not least of all the North Atlantic gales and Pacific typhoons; and

WHEREAS, The Merchant Marines surmounted and conquered these perils and served the United States readily and reliably, unselfishly and unwaveringly, valiantly and proudly, courageously and patriotically; and

WHEREAS, The fight for freedom in World War II would have been immeasurably affected without the selfless and determined contributions by the Merchant Marines to vanquish and defeat the Axis powers, heretofore the greatest enemies of freedom the world had known; and

WHEREAS, During times of peace, the Merchant Marines faithfully ensure strong, robust seaborne commerce, bolstering and fostering international trade and continued prosperity for the great state of Washington and these United States;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the State of Washington, honor the excellence in service and contribution to the great state of Washington and these United States by those who serve in the Merchant Marines, helping to assure continued economic prosperity through trade, and especially those who have served during the years surrounding World War II, who, by their courage, patriotism, and selfless and unwavering sacrifices have contributed to ensuring that the forces of tyranny will never triumph over the bright light of freedom.

WHEREAS, Home schools and private schools allow parents to ensure that the positive character traits and moral values instilled in their children at home are reinforced by the educational process; and

WHEREAS, It is a fundamental principle that precedes both the federal and state constitutions that parents have the ultimate authority and responsibility for the care and upbringing of their children; and

WHEREAS, Parents have the paramount right to direct the education of their children and to oversee what their children learn and how they are taught; and

WHEREAS, The Washington State Legislature has appropriately and statutorily recognized home education and private schooling as legitimate and viable education alternatives; and

WHEREAS, The Washington State Legislature has also recognized the rights of parents to teach and train their children according to the dictates of their sincerely held religious beliefs; and

WHEREAS, Many notable Americans, including George Washington, Patrick Henry, John Marshall, Abraham Lincoln, Booker T. Washington, and Woodrow Wilson were primarily educated at home; and

WHEREAS, Washington now has more children being educated at home schools and private schools than ever before in the history of our state; and

WHEREAS, Contemporary studies continue to confirm that children who are educated at home or in private schools score exceptionally well on nationally normed achievement tests, exhibit confidence, conviction, poise, and purpose, and are fully prepared to meet the challenges of today's society; and

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1046 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 70.47 RCW to read as follows:
BASIC HEALTH PLAN--EXPANDED ENROLLMENT. (1) The legislature finds that the basic health plan has been an effective program in providing health coverage for uninsured residents.

Further, since 1993, substantial amounts of public funds have been allocated for subsidized basic health plan enrollment.

(2) It is the intent of the legislature that the basic health plan enrollment be expanded expeditiously, consistent with funds available in the health services account, with the goal of two hundred thousand adult subsidized basic health plan enrollees and one hundred thirty thousand children covered through expanded medical assistance services by June 30, 1997, with the priority of providing needed health services to children in conjunction with other public programs.

(3) Effective January 1, 1996, basic health plan enrollees whose income is less than one hundred twenty-five percent of the federal poverty level shall pay at least a ten-dollar premium share.

(4) No later than July 1, 1996, the administrator shall implement procedures whereby hospitals licensed under chapters 70.41 and 71.12 RCW, health carrier, rural health care facilities regulated under chapter 70.175 RCW, and community and migrant health centers funded under RCW 41.05.220, may expeditiously assist patients and their families in applying for basic health plan or medical assistance coverage, and in submitting such applications directly to the health care authority or the department of social and health services. The health care authority and the department of social and health services shall make every effort to simplify and expedite the application and enrollment process.

(5) No later than July 1, 1996, the administrator shall implement procedures whereby health insurance agents and brokers, licensed under chapter 48.17 RCW, may expeditiously assist patients and their families in applying for basic health plan or medical assistance coverage, and in submitting such applications directly to the health care authority or the department of social and health services. Brokers and agents shall be entitled to receive a commission for each individual sale of the basic health plan to anyone not at anytime previously signed up and a commission for each group sale of the basic health plan. No commission shall be provided upon a renewal. Commissions shall be determined based on the estimated annual cost of the basic health plan, however, commissions shall not result in a reduction in the premium amount paid to health carriers. For purposes of this section "health carrier" is as defined in section 4 of this act. The health care authority and the department of social and health services shall make every effort to simplify and expedite the application and enrollment process.

NEW SECTION. Sec. 2. HEALTH CARE SAVINGS ACCOUNTS. (1) This chapter shall be known as the health care savings account act.

(2) The legislature recognizes that the costs of health care are increasing rapidly and most individuals are removed from participating in the purchase of their health care.

As a result, it becomes critical to encourage and support solutions to alleviate the demand for diminishing state resources. In response to these increasing costs in health care spending, the legislature intends to clarify that health care savings accounts may be offered as health benefit options to all residents as incentives to reduce unnecessary health services utilization, administration, and paperwork, and to encourage individuals to be in charge of and participate directly in their use of service and health care spending. To alleviate the possible impoverishment of residents requiring long-term care, health care savings accounts may promote savings for long-term care and provide incentives for individuals to protect themselves from financial hardship due to a long-term health care need.

(3) Health care savings accounts are authorized in Washington state as options to employers and residents.

NEW SECTION. Sec. 3. HEALTH CARE SAVINGS ACCOUNTS--REQUEST FOR TAX EXEMPTION. The governor and responsible agencies shall:

(1) Request that the United States congress amend the internal revenue code to treat premiums and contributions to health benefits plans, such as health care savings account programs, basic health plans, conventional and standard health plans offered through a health carrier, by employers, self-employed persons, and individuals, as fully excluded employer expenses and deductible from individual adjusted gross income for federal tax purposes.

(2) Request that the United States congress amend the internal revenue code to exempt from federal income tax interest that accrues in health care savings accounts until such money is withdrawn for expenditures other than eligible health expenses as defined in law.

(3) If all federal statute or regulatory waivers necessary to fully implement this chapter have not been obtained by the effective date of this section, this chapter shall remain in effect.

NEW SECTION. Sec. 4. DEFINITIONS. Unless otherwise specifically provided, the definitions in this section apply throughout this chapter.

(12) "Premium" means all sums charged, received, or deposited by a health carrier as consideration for a health plan or the continuance of a health plan. Any assessment or any "membership," "policy," "contract," "service," or similar fee or charge made by a health carrier in consideration for a health plan is deemed part of the premium. If the person was continuously covered for at least three months under the immediately preceding health plan, the carrier may not impose a waiting period for coverage of preexisting conditions. If the person was continuously covered for less than three months under the immediately preceding health plan, the carrier must credit any waiting period under the immediately preceding health plan toward the new health plan. For the purposes of this subsection, a preceding health plan includes an employer provided self-funded health plan.

(2) Subject to the provisions of subsection (1) of this section, nothing contained in this section requires a health carrier to amend a health plan to provide new benefits in its existing health plans. In addition, nothing in this section requires a carrier to waive benefit limitations not related to an individual or group's preexisting conditions or health history.

NEW SECTION. Sec. 6. INSURANCE REFORM--PREEXISTING CONDITIONS. (1) No carrier may reject an individual for health plan coverage based upon preexisting conditions of the individual and no carrier may deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that a carrier may impose a three-month benefit waiting period for preexisting conditions for which medical advice was given, or for which a health care provider recommended or provided treatment within three months before the effective date of coverage.

(2) No carrier may avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. A new or changed rate classification will be deemed an attempt to avoid the provisions of this section if the new or changed classification would substantially discourage applications for coverage from individuals or groups who are higher than average health risks. These provisions apply only to individuals who are Washington residents.

NEW SECTION. Sec. 7. INSURANCE REFORM--GUARANTEED ISSUE. (1) All health carriers shall accept for enrollment any state resident within the carrier's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The insurance commissioner may grant a temporary exemption from this subsection, if, upon application by a health carrier the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

(2) Except as provided in subsection (5) of this section, all health plans shall contain or incorporate by endorsement a guarantee of the continuity of coverage of the plan. For the purposes of this section, a plan is "renewed" when it is continued beyond the earliest date upon which, at the carrier's sole option, the plan could have been terminated for other than nonpayment of premium. In the case of group plans, the carrier may consider the group's anniversary date as the renewal date for purposes of complying with the provisions of this section.

(3) The guarantee of continuity of coverage required in health plans shall not prevent a carrier from canceling or nonrenewing a health plan for:

- (a) Nonpayment of premium;
- (b) Violation of published policies of the carrier approved by the insurance commissioner;
- (c) Covered persons entitled to become eligible for medicare benefits by reason of age who fail to apply for a medicare supplement plan or medicare cost, risk, or other plan offered by the carrier pursuant to federal laws and regulations;
- (d) Covered persons who fail to pay any deductible or copayment amount owed to the carrier and not the provider of health care services;
- (e) Covered persons committing fraudulent acts as to the carrier;
- (f) Covered persons who materially breach the health plan; or
- (g) Change or implementation of federal or state laws that no longer permit the continued offering of such coverage.

(4) The provisions of this section do not apply in the following cases:

- (a) A carrier has zero enrollment on a product; or
- (b) A carrier replaces a product and the replacement product is provided to all covered persons within that class or line of business, includes all of the services covered under the replaced product, and does not significantly limit access to the kind of services covered under the replaced product. The health plan may also allow unrestricted conversion to a fully comparable product; or
- (c) A carrier is withdrawing from a service area or from a segment of its service area because the carrier has demonstrated to the insurance commissioner that the carrier's clinical, financial, or administrative capacity to serve enrollees would be exceeded.

(5) The provisions of this section do not apply to health plans deemed by the insurance commissioner to be unique or limited or have a short-term purpose, after a written request for such classification by the carrier and subsequent written approval by the insurance commissioner.

NEW SECTION. Sec. 8. A new section is added to chapter 48.43 RCW to read as follows:

Every health plan delivered, issued for delivery, or renewed by a health carrier on and after January 1, 1996, shall:

(1) Permit every category of health care provider to provide health services or care for conditions included in the basic health plan services to the extent that:

- (a) The provision of such health services or care is within the health care providers' permitted scope of practice; and
- (b) The providers agree to abide by standards related to:
 - (i) Provision, utilization review, and cost containment of health services;
 - (ii) Management and administrative procedures; and

(4) Conduct a comparative analysis of individual and group insurance markets addressing: Relative costs; utilization rates; adverse selection; and specific impacts upon small businesses and individuals. The analysis shall address, also, the necessity and feasibility of establishing explicit related policies, to include, but not be limited to, establishing the maximum allowable individual premium rate as a percentage of the small group premium rate. The board shall submit an interim report on its findings to the governor and appropriate committees of the legislature by December 15, 1995, and a final report on December 15, 1996;

NEW SECTION. Sec. 12. STUDY. In January 1999 the legislative budget committee shall commence a study of the necessity of the existence of the board and report its recommendations to the appropriate committees of the legislature by December 1, 1999.

NEW SECTION. Sec. 13. A new section is added to chapter 48.20 RCW to read as follows:

(1)(a) An insurer offering any health benefit plan to any individual shall offer and actively market to all individuals a health benefit plan providing benefits identical to the schedule of covered health services that are required to be delivered to an individual enrolled in the basic health plan. Nothing in this subsection shall preclude an insurer from offering, or an individual from purchasing, other health benefit plans that may have more or less comprehensive benefits than the basic health plan, provided such plans are in accordance with this chapter. An insurer offering a health benefit plan that does not include benefits provided in the basic health plan shall clearly disclose these differences to the individual in a brochure approved by the commissioner.

(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.20.390, 48.20.393, 48.20.395, 48.20.397, 48.20.410, 48.20.411, 48.20.412, 48.20.416, and 48.20.420 if the health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan.

(2) Premiums for health benefit plans for individuals shall be calculated using the adjusted community rating method that spreads financial risk across the carrier's entire individual product population. All such rates shall conform to the following:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments which shall begin with age twenty and end with age sixty-five. Individuals under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

- (i) Changes to the family composition;
- (ii) Changes to the health benefit plan requested by the individual; or

(iii) Changes in government requirements affecting the health benefit plan.

(g) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in section 5 of this act.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.21.045.

(4) As used in this section, "health benefit plan," "basic health plan," "adjusted community rate," and "wellness activities" mean the same as defined in section 4 of this act.

Both rates shall be subject to the requirements of this subsection.

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the family composition;
- (ii) Changes to the health benefit plan requested by the individual; or
- (iii) Changes in government requirements affecting the health benefit plan.

(g) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in section 5 of this act.

(3) Adjusted community rates established under this section shall pool the medical experience of all individuals purchasing coverage, and shall not be required to be pooled with the medical experience of health benefit plans offered to small employers under RCW 48.46.066.

(4) As used in this section and RCW 48.46.066, "health benefit plan," "basic health plan," "adjusted community rate," "small employer," and "wellness activities" mean the same as defined in section 4 of this act.

Sec. 18. RCW 48.46.066 and 1990 c 187 s 4 are each amended to read as follows:

~~((A basic health maintenance agreement may be offered to employers of fewer than twenty-five employees. Such a basic health maintenance agreement)) (1)(a) A health maintenance organization offering any health benefit plan to a small employer shall offer and actively market to the small employer a health benefit plan providing benefits identical to the schedule of covered health services that are required to be delivered to an individual enrolled in the basic health plan. Nothing in this subsection shall preclude a health maintenance organization from offering, or a small employer from purchasing, other health benefit plans that may have more or less comprehensive benefits than the basic health plan, provided such plans are in accordance with this chapter. A health maintenance organization offering a health benefit plan that does not include benefits in the basic health plan shall clearly disclose these differences to the small employer in a brochure approved by the commissioner.~~

~~(b) A health benefit plan shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530 if: (i) The health benefit plan is the mandatory offering under (a) of this subsection that provides benefits identical to the basic health plan, to the extent these requirements differ from the basic health plan; or (ii) the health benefit plan is offered to employers with not more than twenty-five employees.~~

~~(2) Nothing in this section shall prohibit ((an insurer)) a health maintenance organization from offering, or a purchaser from seeking, benefits in excess of the basic ((coverage authorized herein)) health plan services. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.~~

~~(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:~~

~~(a) The health maintenance organization shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:~~

~~(i) Geographic area;~~

~~(ii) Family size;~~

~~(iii) Age; and~~

~~(iv) Wellness activities.~~

~~(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.~~

~~(c) The health maintenance organization shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).~~

~~(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.~~

~~(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs not to exceed twenty percent.~~

~~(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:~~

~~(i) Changes to the enrollment of the small employer;~~

~~(ii) Changes to the family composition of the employee;~~

~~(iii) Changes to the health benefit plan requested by the small employer; or~~

~~(iv) Changes in government requirements affecting the health benefit plan.~~

~~(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.~~

~~(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. This subsection does not restrict or enhance the portability of benefits as provided in section 5 of this act.~~

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage.

(4) The ((policy)) health benefit plans authorized by this section that are lower than the required offering shall not supplant or supersede any existing policy for the benefit of employees in this state. Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a health maintenance organization in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A health maintenance organization shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A health maintenance organization may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) A health maintenance organization must offer coverage to all eligible employees of a small employer and their dependents. A health maintenance organization may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A health maintenance organization may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

NEW SECTION. Sec. 19. A new section is added to chapter 43.70 RCW to read as follows:

(1) The identity of a whistleblower who complains, in good faith, to the department of health about the improper quality of care by a health care provider, or in a health care facility, as defined in RCW 43.72.010, shall remain confidential. The provisions of RCW 4.24.500 through 4.24.520, providing certain protections to persons who communicate to government agencies, shall apply to complaints filed under this section. The identity of the whistleblower shall remain confidential unless the department determines that the complaint was not made in good faith. An employee who is a whistleblower, as defined in this section, and who as a result of being a whistleblower has been subjected to workplace reprisal or retaliatory action has the remedies provided under chapter 49.60 RCW.

(2)(a) "Improper quality of care" means any practice, procedure, action, or failure to act that violates any state law or rule of the applicable state health licensing authority under Title 18 or chapters 70.41, 70.96A, 70.127, 70.175, 71.05, 71.12, and 71.24 RCW, and enforced by the department of health. Each health disciplinary authority as defined in RCW 18.130.040 may, with consultation and interdisciplinary coordination provided by the state department of health, adopt rules defining accepted standards of practice for their profession that shall further define improper quality of care. Improper quality of care shall not include good faith personnel actions related to employee performance or actions taken according to established terms and conditions of employment.

(b) "Reprisal or retaliatory action" means but is not limited to: Denial of adequate staff to perform duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unwarranted and unsubstantiated report of misconduct pursuant to Title 18 RCW; letters of reprimand or unsatisfactory performance evaluations; demotion; reduction in pay; denial of promotion; suspension; dismissal; denial of employment; and a supervisor or superior encouraging coworkers to behave in a hostile manner toward the whistleblower.

(c) "Whistleblower" means a consumer, employee, or health care professional who in good faith reports alleged quality of care concerns to the department of health.

(3) Nothing in this section prohibits a health care facility from making any decision exercising its authority to terminate, suspend, or discipline an employee who engages in workplace reprisal or retaliatory action against a whistleblower.

(4) The department shall adopt rules to implement procedures for filing, investigation, and resolution of whistleblower complaints that are integrated with complaint procedures under Title 18 RCW for health professionals or health care facilities.

NEW SECTION. Sec. 20. A new section is added to chapter 48.43 RCW to read as follows:

Each health carrier as defined under section 4 of this act shall file with the commissioner its procedures for review and adjudication of complaints initiated by covered persons or health care providers. Procedures filed under this section shall provide a fair review for consideration of complaints. Every health carrier shall provide reasonable means whereby any person aggrieved by actions of the health carrier may be heard in person or by their authorized representative on their written request for review. If the health carrier fails to grant or reject such request within thirty days after it is made, the complaining person may proceed as if the complaint had been rejected. A complaint that has been rejected by the health carrier may be submitted to nonbinding mediation. Mediation shall be conducted pursuant to mediation rules similar to those of the American arbitration association, the center for public resources, the judicial arbitration and mediation service, RCW 7.70.100, or any other rules of mediation agreed to by the parties.

NEW SECTION. Sec. 21. The health care authority, the office of financial management, and the department of social and health services shall together monitor the enrollee level in the basic health plan and the medicaid caseload of children funded from the health services account. The office of financial management shall adjust the funding levels by interagency reimbursement of funds between the basic health plan and medicaid and adjust the funding levels between the health care authority and the medical assistance administration of the department of social and health services to maximize combined enrollment.

NEW SECTION. Sec. 22. A new section is added to chapter 48.21 RCW to read as follows:

(1) No insurer shall offer any health benefit plan to any small employer without complying with the provisions of RCW 48.21.045(5).

(2) Employers purchasing health plans provided through associations or through member-governed groups formed specifically for the purpose of purchasing health care shall not be considered small employers and such plans shall not be subject to the provisions of RCW 48.21.045(5).

(3) For purposes of this section, "health benefit plan," "health plan," and "small employer" mean the same as defined in section 4 of this act.

NEW SECTION. Sec. 23. A new section is added to chapter 48.44 RCW to read as follows:

(1) No health care service contractor shall offer any health benefit plan to any small employer without complying with the provisions of RCW 48.44.023(5).

(2) Employers purchasing health plans provided through associations or through member-governed groups formed specifically for the purpose of purchasing health care shall not be considered small employers and such plans shall not be subject to the provisions of RCW 48.44.023(5).

(3) For purposes of this section, "health benefit plan," "health plan," and "small employer" mean the same as defined in section 4 of this act.

NEW SECTION. Sec. 24. A new section is added to chapter 48.46 RCW to read as follows:

(1) No health maintenance organization shall offer any health benefit plan to any small employer without complying with the provisions of RCW 48.46.066(5).

(2) Employers purchasing health plans provided through associations or through member-governed groups formed specifically for the purpose of purchasing health care shall not be considered small employers and such plans shall not be subject to the provisions of RCW 48.46.066(5).

(3) For purposes of this section, "health benefit plan," "health plan," and "small employer" mean the same as defined in section 4 of this act.

NEW SECTION. Sec. 25. (1) The legislature recognizes that every individual possesses a fundamental right to exercise their religious beliefs and conscience. The legislature further recognizes that in developing public policy, conflicting religious and moral beliefs must be respected. Therefore, while recognizing the right of conscientious objection to participating in specific health services, the

state shall also recognize the right of individuals enrolled with plans containing the basic health plan services to receive the full range of services covered under the plan.

(2)(a) No individual health care provider, religiously sponsored health carrier, or health care facility may be required by law or contract in any circumstances to participate in the provision of or payment for a specific service if they object to so doing for reason of conscience or religion. No person may be discriminated against in employment or professional privileges because of such objection.

(b) The provisions of this section are not intended to result in an enrollee being denied timely access to any service included in the basic health plan services. Each health carrier shall:

(i) Provide written notice to enrollees, upon enrollment with the plan, listing services that the carrier refuses to cover for reason of conscience or religion;

(ii) Provide written information describing how an enrollee may directly access services in an expeditious manner; and

(iii) Ensure that enrollees refused services under this section have prompt access to the information developed pursuant to (b)(ii) of this subsection.

(c) The insurance commissioner shall establish by rule a mechanism or mechanisms to recognize the right to exercise conscience while ensuring enrollees timely access to services and to assure prompt payment to service providers.

(3)(a) No individual or organization with a religious or moral tenet opposed to a specific service may be required to purchase coverage for that service or services if they object to doing so for reason of conscience or religion.

(b) The provisions of this section shall not result in an enrollee being denied coverage of, and timely access to, any service or services excluded from their benefits package as a result of their employer's or another individual's exercise of the conscience clause in (a) of this subsection.

(c) The insurance commissioner shall define by rule the process through which health carriers may offer the basic health plan services to individuals and organizations identified in (a) and (b) of this subsection in accordance with the provisions of subsection (2)(c) of this section.

(4) Nothing in this section requires a health carrier, health care facility, or health care provider to provide any health care services without appropriate payment of premium or fee.

NEW SECTION. Sec. 26. The department of social and health services, in consultation with the health care authority, the office of financial management, and other appropriate state agencies, shall seek necessary federal waivers and state law changes to the medical assistance program of the department to achieve greater coordination in financing, purchasing, and delivering health services to low-income residents of Washington state in a cost-effective manner, and to expand access to care for these low-income residents. Such waivers shall include any waiver needed to require that point-of-service cost-sharing, based on recipient household income, be applied to medical assistance recipients. In negotiating the waiver, consideration shall be given to the degree to which benefits in addition to the minimum list of services should be offered to medical assistance recipients.

NEW SECTION. Sec. 27. REPEALERS. The following acts or parts of acts are each repealed:

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1046 as amended by the Senate.

Representatives Dyer, Kessler, Backlund, Sheldon, Mielke, Hymes, Horn, Chopp and Hargrove spoke in favor of passage of the bill.

Representatives Cody, Thibaudeau, Conway and Veloria spoke against passage of the bill.

POINT OF INQUIRY

Representative Dyer yielded to a question by Representative Mielke.

Representative Mielke: I am concerned about section 7 of the bill concerning Guarantee Issue. I understand that some companies write only individual plans and others write only group plans. I also understand that service to policyholders might suffer if a company were to issue individual plans where their expertise is in group and visa versa. Does this section require this?

Representative Dyer: No. Section 7 does not require plans to issue policies to those beyond their expertise. This section is nothing more than that this is not the case. In addition, a company can only issue a policy approved by the Commissioner and if it does not have a policy form and a rate approved for a group or an individual it cannot issue the policy.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1046 as amended by the Senate, and the bill passed the House by the following vote: Yeas - 77, Nays - 19, Absent - 0, Excused - 2.

Voting yea: Representatives Backlund, Ballasiotes, Basich, Beeksma, Benton, Blanton, Boldt, Brumsickle, Buck, Cairnes, Campbell, Carlson, Carrell, Casada, Chandler, Chappell, Clements, Cooke, Costa, Crouse, Delvin, Dyer, Elliot, Fisher, G., Foreman, Fuhrman, Goldsmith, Grant, Hankins, Hargrove, Hatfield, Hickel, Honeyford, Horn, Huff, Hymes, Johnson, Kessler, Koster, Kremen, Lambert, Lisk, Mastin, McMahan, McMorris, Mielke, Mitchell, Morris, Mulliken, Ogden, Pelesky, Pennington, Poulsen, Quall, Radcliff, Reams, Robertson, Schmidt, D., Schmidt, K., Schoesler, Scott, Sehlin, Sheahan, Sheldon, Sherstad, Silver, Skinner, Smith, Sommers, Sterk, Stevens, Talcott, Thomas, B., Thomas, L., Thompson, Van Luven and Mr. Speaker - 77.

Voting nay: Representatives Appelwick, Brown, Chopp, Cody, Cole, Conway, Dickerson, Fisher, R., Jacobsen, Mason, Patterson, Regala, Romero, Rust, Thibaudeau, Tokuda, Valle, Veloria and Wolfe - 19.

Excused: Representatives Dellwo and Ebersole - 2.

Engrossed Substitute House Bill No. 1046, as amended by the Senate, having received the constitutional majority, was declared passed.

POINT OF PERSONAL PRIVILEGE

Representative Costa: Thank you Mr. Speaker. I would like to let members know that today is the kick off of Sexual Assault Awareness week. There was a press conference held this morning at 9 a.m. I was a little disappointed that I was the only Legislator there. However, I would like to draw your attention to the fact that every single minute in America there are 1.3 forcible rapes of adult women. A study conducted by the National Victim Center in 1992, found that more than 6 out of 10 rape cases, a full 61% occurred before the victims reached the age of 18.

The Bureau of Justice statistics also reports that there were approximately 20,000 of males ages 12 and over in the United States in 1991.

This is a problem of incredible magnitude and I would encourage all of you to read the brochures that have been placed on your desk to kick off Sexual Assault Awareness week. Thank you.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

SENATE AMENDMENTS TO HOUSE BILL

April 11, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1009 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 15.92 RCW to read as follows:

(1) A commission on pesticide registration is established. The commission shall be composed of twelve voting members appointed by the governor as follows:

(a) Eight members from the following segments of the state's agricultural industry as nominated by a state-wide private agricultural association or agricultural commodity commission formed under Title 15 RCW: (i) The tree fruit industry; (ii) hop growers; (iii) potato growers; (iv) wheat growers; (v) vegetable and seed growers; (vi) berry growers; (vii) wine grape growers; and (viii) the nursery and landscape industry. Although members are appointed from various segments of the agriculture industry, they are appointed to represent and advance the interests of the industry as a whole.

(b) One member from each of the following: (i) Forest protection industry; (ii) food processors; (iii) agricultural chemical industry; and (iv) professional pesticide applicators. One member shall be appointed for each such segment of the industry and shall be nominated by a state-wide, private association of that segment of the industry. The representative of the agricultural chemical industry shall be involved in the manufacture of agricultural crop protection products.

The following shall be ex officio, nonvoting members of the commission: The coordinator of the interregional project number four at Washington State University; the director of the department of ecology or the director's designee; the director of the department of agriculture or the director's designee; the director of the department of labor and industries or the director's designee, and the secretary of the department of health or the secretary's designee.

(2) Each voting member of the commission shall serve a term of three years. However, the first appointments in the first year shall be made by the governor for one, two, and three-year terms so that, in subsequent years, approximately one-third of the voting members shall be appointed each year. The governor shall assign the initial one, two, and three-year terms to members by lot. A vacancy shall be filled by appointment for the unexpired term in the same manner provided for an appointment to the full term. No member of the commission may be removed by the governor during his or her term of office unless for cause of incapacity, incompetence, neglect of duty, or malfeasance in office. Each member of the commission shall receive travel expenses in accordance with RCW 43.03.050 and 43.03.060 for attending meetings of the commission and for performing special duties, in the way of official commission business, specifically assigned to the person by the commission. The voting members of the commission serve without compensation from the state other than such travel expenses.

(3) Nominations for the initial appointments to the commission under subsection (1) of this section shall be submitted by September 1, 1995. The governor shall make initial appointments to the commission by October 15, 1995.

(4) The commission shall elect a chair from among its voting members each calendar year. After its original organizational meeting, the commission shall meet at the call of the chair. A majority of the voting members of the commission constitutes a quorum and an official action of the commission may be taken by a majority vote of the voting members.

NEW SECTION. Sec. 2. A new section is added to chapter 15.92 RCW to read as follows:

(1) The following apply to the use of state moneys appropriated to Washington State University specifically and expressly for studies or activities regarding the registration of pesticides:

(a) The moneys may not be expended without the express approval of the commission on pesticide registration;

(b) The moneys may be used for: (i) Evaluations, studies, or investigations approved by the commission on pesticide registration regarding the registration or reregistration of pesticides for minor crops or minor uses or regarding the availability of pesticides for emergency uses. These evaluations, studies, or investigations may be conducted by the food and environmental quality laboratory or may be secured by the commission from other qualified laboratories, researchers, or contractors by contract, which contracts may include, but are not limited to, those purchasing the use of proprietary information; (ii) the tracking system described in RCW 15.92.060; and (iii) the support of the commission on pesticide registration and its activities; and

(c) Not less than twenty-five percent of such moneys shall be dedicated to studies or investigations concerning the registration or use of pesticides for crops that are not among the top twenty agricultural commodities in production value produced in the state, as determined annually by the Washington agricultural statistics service.

(2) The commission on pesticide registration shall establish priorities to guide it in approving the use of moneys for evaluations, studies, and investigations under this section. Each biennium, the commission shall prepare a contingency plan for providing funding for laboratory studies or investigations that are necessary to pesticide registrations or related processes that will address emergency conditions for agricultural crops that are not generally predicted at the beginning of the biennium.

NEW SECTION. Sec. 3. A new section is added to chapter 15.92 RCW to read as follows:

The commission on pesticide registration shall:

(1) Provide guidance to the food and environmental quality laboratory established in RCW 15.92.050 regarding the laboratory's studies, investigations, and evaluations concerning the registration of pesticides for use in this state for minor crops and minor uses and concerning the availability of pesticides for emergency uses;

(2) Encourage agricultural organizations to assist in providing funding, in-kind services, or materials for laboratory studies and investigations concerning the registration of pesticides for minor crops and minor uses that would benefit the organizations;

(3) Provide guidance to the laboratory regarding a program for: Tracking the availability of effective pesticides for minor crops, minor uses, and emergency uses; providing this information to organizations of agricultural producers; and maintaining close contact between the laboratory, the department of agriculture, and organizations of agricultural producers regarding the need for research to support the registration of pesticides for minor crops and minor uses and the availability of pesticides for emergency uses;

(4) Ensure that the activities of the commission and the laboratory are coordinated with the activities of other laboratories in the Pacific Northwest, the United States department of agriculture, and the United States environmental protection agency to maximize the effectiveness of regional efforts to assist in the registration of pesticides for minor crops and minor uses and in providing for the availability of pesticides for emergency uses for the region and the state; and

(5) Ensure that prior to approving any residue study that there is written confirmation of registrant support and willingness or ability to add the given minor crop to its label including any restrictions or guidelines the registrant intends to impose.

Sec. 4. RCW 15.92.010 and 1991 c 341 s 2 are each amended to read as follows:

SENATE AMENDMENTS TO HOUSE BILL

April 7, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1047 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.94A.140 and 1994 c 271 s 601 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within ~~((sixty))~~ one hundred eighty days. The court may continue the hearing beyond the one hundred eighty days for good cause. The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years following the offender's release from total confinement or ten years subsequent to the entry of the judgment and sentence, whichever period is longer. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The court may not reduce the total amount of restitution ordered because the offender may lack the ability to pay the total amount. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class

of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant. The court shall identify in the judgment and sentence the victim or victims entitled to restitution and what amount is due each victim. The state or victim may enforce the court-ordered restitution in the same manner as a judgment in a civil action. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim.

Sec. 2. RCW 9.94A.142 and 1994 c 271 s 602 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within ~~((sixty))~~ one hundred eighty days. The court may continue the hearing beyond the one hundred eighty days for good cause. The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years following the offender's release from total confinement or ten years subsequent to the entry of the judgment and sentence, whichever period is longer. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The court may not reduce the total amount of restitution ordered because the offender may lack the ability to pay the total amount. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant. The court shall identify in the judgment and sentence the victim or victims entitled to restitution and what amount is due each victim. The state or victim may enforce the court-ordered restitution in the same manner as a judgment in a civil action. Restitution collected through

civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim.

(5) This section shall apply to offenses committed after July 1, 1985.

Sec. 3. RCW 9.94A.145 and 1991 c 93 s 2 are each amended to read as follows:

(1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount. Upon receipt of an offender's monthly payment, after restitution is satisfied, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court.

(2) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department of corrections.

(3) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be immediately issued. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department may serve a notice on the offender stating such requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

(4) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim. The judgment and sentence shall identify the party or entity to whom restitution is owed so that the state, party, or entity may enforce the judgment. These obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

(5) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(6) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(7) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(8) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(9) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.2001.

(10) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition or requirement of a sentence and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

(11) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with notice of payments by such offenders no less frequently than weekly.

Sec. 4. RCW 6.17.020 and 1994 c 189 s 1 are each amended to read as follows:

(1) Except as provided in subsections (2) ~~((and))~~, (3), and (4) of this section, the party in whose favor a judgment of a court of record of this state or a district court of this state has been or may be rendered, or the assignee, may have an execution issued for the collection or enforcement of the judgment at any time within ten years from entry of the judgment.

(2) After July 23, 1989, a party who obtains a judgment or order of a court of record of any state, or an administrative order entered as defined in RCW 74.20A.020(6) for accrued child support, may have an execution issued upon that judgment or order at any time within ten years of the eighteenth birthday of the youngest child named in the order for whom support is ordered.

(3) After June 9, 1994, a party in whose favor a judgment has been rendered pursuant to subsection (1) or (4) of this section may, within ninety days before the expiration of the original ten-year period, apply to the court that rendered the judgment for an order granting an additional ten years during which an execution may be issued. The petitioner shall pay to the court a filing fee equal to the filing fee for filing the first or initial paper in a civil action in the court. When application is made to the court to grant an additional ten years, the application shall be accompanied by a current and updated judgment summary as outlined in RCW 4.64.030. The filing fee required under this subsection shall be included in the judgment summary and shall be a recoverable cost.

(4) A party who obtains a judgment or order for restitution or other court-ordered legal financial obligations pursuant to a criminal judgment and sentence may execute the judgment or order any time within ten years subsequent to the entry of the judgment and sentence or ten years following the offender's release from total confinement as provided in chapter 9.94A RCW.

NEW SECTION. Sec. 5. Sections 1 and 2 of this act shall apply retroactively to allow courts to set restitution in cases sentenced prior to the effective date of this act if:

(1) The court failed to set restitution within sixty days of sentencing as required by RCW 9.94A.140 prior to the effective date of this act;

(2) The defendant was sentenced no more than three hundred sixty-five days before the effective date of this act; and

(3) The defendant is not unfairly prejudiced by the delay.

In those cases, the court may set restitution within one hundred eighty days of the effective date of this act or at a later hearing set by the court for good cause."

On page 1, line 1 of the title, after "restitution;" strike the remainder of the title and insert "amending RCW 9.94A.140, 9.94A.142, 9.94A.145, and 6.17.020; and creating a new section."

SENATE AMENDMENTS TO HOUSE BILL

April 4, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1053, with the following amendments:

On page 4, after line 2, insert the following:

"**Sec. 3.** RCW 70.94.457 and 1991 c 199 s 501 are each amended to read as follows:

The department of ecology shall establish by rule under chapter 34.05 RCW:

(1) State-wide emission performance standards for new solid fuel burning devices.

Notwithstanding any other provision of this chapter which allows an authority to adopt more stringent emission standards, no authority shall adopt any emission standard for new solid fuel burning devices other than the state-wide standard adopted by the department under this section.

(a) After January 1, 1995, no solid fuel burning device shall be offered for sale in this state to residents of this state that does not meet the following particulate air contaminant emission standards under the test methodology of the United States environmental protection agency in effect on January 1, 1991, or an equivalent standard under any test methodology adopted by the United States environmental protection agency subsequent to such date: (i) Two and one-half grams per hour for catalytic wood stoves; and (ii) four and one-half grams per hour for all other solid fuel burning devices. For purposes of this subsection, "equivalent" shall mean the emissions limits specified in this subsection multiplied by a statistically reliable conversion factor determined by the department that compares the difference between the emission test methodology established by the United States environmental protection agency prior to May 15, 1991, with the test methodology adopted subsequently by the agency. Subsection (a) of this subsection does not apply to fireplaces.

(b) After January 1, 1997, no fireplace, except masonry fireplaces, shall be offered for sale unless such fireplace meets the 1990 United States environmental protection agency standards for wood stoves or equivalent standard that may be established by the state building code council by rule. Prior to January 1, 1997, the state building code council shall establish by rule a methodology for the testing of factory-built fireplaces. The methodology shall be designed to achieve a particulate air emission standard equivalent to the 1990 United States environmental protection agency standard for wood stoves. In developing the rules, the council shall include on the technical advisory committee at least one representative from the masonry fireplace builders and at least one representative of the factory-built fireplace manufacturers.

(c) Prior to January 1, 1997, the state building code council shall establish by rule design standards for the construction of new masonry fireplaces in Washington state. In developing the rules, the council shall include on the technical advisory committee at least one representative from the masonry fireplace builders and at least one representative of the factory-built fireplace manufacturers. It shall be the goal of the council to develop design standards that generally achieve reductions in particulate air contaminant emissions commensurate with the reductions being achieved by factory-built fireplaces at the time the standard is established.

(d) Actions of the department and local air pollution control authorities under this section shall preempt actions of other state agencies and local governments for the purposes of controlling air pollution from solid fuel burning devices, except where authorized by this act.

(e) Subsection (1)(a) of this section shall not apply to fireplaces.

(f) Notwithstanding (a) of this subsection, the department is authorized to adopt, by rule, emission standards adopted by the United States environmental protection agency for new wood stoves sold at retail. For solid fuel burning devices for which the United States environmental protection agency has not established emission standards, the department may exempt or establish, by rule, state-wide standards including emission levels and test procedures for such devices and such emission levels and test procedures shall be equivalent to emission levels per pound per hour burned for other new wood stoves and fireplaces regulated under this subsection.

(2) A program to:

(a) Determine whether a new solid fuel burning device complies with the state-wide emission performance standards established in subsection (1) of this section; and

(b) Approve the sale of devices that comply with the state-wide emission performance standards.

Sec. 4. RCW 70.94.460 and 1987 c 405 s 7 are each amended to read as follows:

After July 1, 1988, no person shall sell, offer to sell, or knowingly advertise to sell a new wood stove in this state to a resident of this state unless the wood stove has been approved by the department under the program established under RCW 70.94.457."

On page 1, beginning on line 1 of the title, after "RCW" strike the remainder of the title and insert "70.94.473, 70.94.477, 70.94.457, and 70.94.460."

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1995

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1027 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that in order to improve student learning in Washington's public schools, school districts and the state need to take actions to use the maximum amount of available funding and resources to improve student achievement. The legislature intends to study the state-level education governance system to improve student learning and to reduce unnecessary regulatory oversight. The legislature also finds that if school districts are encouraged to review their expenditures, school districts can develop strategies that will increase the amount of resources used in the classroom.

NEW SECTION. Sec. 2. (1) The joint select committee on education restructuring established in RCW 28A.630.950 shall review the current constitutional and statutory roles and responsibilities of the office of the superintendent of public instruction, the state board of education, the work force training and education coordinating board, the commission on student learning, and educational service districts, and by December 15, 1996, develop a recommendation to the legislature for creating a revised state-level education governance system. The new state-level governance system shall: (a) Focus on the improvement of student learning; (b) result in a reduction of state-level administrative expenditures; (c) provide school district staff and parents technical assistance and leadership; (d) result in minimal regulatory oversight; and (e) have clear lines of authority and accountability.

(2) The select committee may continue its review of laws that inhibit, or do not enhance, student learning.

(3) This section shall expire December 31, 1997.

NEW SECTION. Sec. 3. (1) School district boards of directors are strongly encouraged to review school district expenditures, and to take actions that will increase the percentage of district funds that are used to support the classroom. In order to assist school districts in this effort, the school district financial review program is created. The purpose of the program is to provide funding to school districts to conduct financial reviews and to develop strategies that will increase the amount of resources that are used in the classroom.

(2) The program shall be administered by the superintendent of public instruction, or a public, nonprofit, or private contractor as designated by the superintendent.

(3) The superintendent, or his or her designee, shall establish application and approval requirements for the program. A minimum fifty percent financial match shall be required of school districts. Districts with enrollments larger than five hundred full-time equivalent students that expended less than two-thirds of their total general fund expenditures on teaching and teaching support during the 1993-94 fiscal year shall receive priority in the allocation of funds.

(4) School districts that receive grants shall submit a report to the superintendent, or his or her designee, by December 31, 1995, of actions that the district has taken, or plans to take, to increase classroom expenditures. The superintendent, or his or her designee, shall summarize the information submitted by the districts and present a summary to the fiscal and education policy committees of the legislature before January 15, 1996. If one or more of the fiscal or policy committees find that adequate progress is not being made in redirecting resources to the classroom, the committee or committees shall recommend to the legislature additional measures that should be taken.

(5) The process established in subsections (1) through (4) of this section shall be repeated during calendar year 1997, with the summary in subsection (4) of this section being submitted to the legislature before December 31, 1997.

(6) This section shall expire December 31, 1997.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1995, in the omnibus appropriations act, this act is null and void.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect May 1, 1995."

On page 1, line 1 of the title, after "classroom;" strike the remainder of the title and insert "creating new sections; providing an effective date; and declaring an emergency."

and the same are herewith transmitted.

Second Substitute House Bill No. 1162, as amended by the Senate, having received the constitutional majority, was declared passed.

SENATE AMENDMENTS TO HOUSE BILL

April 7, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1206 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature recognizes that teachers, principals, and district administrators need the ability to make transitions to other public or private sector careers, and that the

retirement system should not be a barrier to exercise of employee choice. The legislature also recognizes that teachers, principals, and district administrators need a secure and viable retirement benefit, not only for their own financial protection, but also that public funds are spent prudently for their intended purpose.

It is the legislative intent to create a new public retirement system that balances flexibility with stability, provides both increased employee control of investments and responsible protection of the public's investment in employee benefits, and encourages the pursuit of public sector careers without preventing employees from transitioning into other public or private sector employment.

Therefore, the purpose of chapter . . . , Laws of 1995 (this act) is to continue to provide teachers, principals, and district administrators with a guaranteed pension at retirement age based on years of public service with an element of inflation protection. It is further the purpose of chapter . . . , Laws of 1995 (this act) to create a parallel retirement plan where employees have options regarding the investment of their retirement contributions and have the opportunity, along with the accompanying risk, to receive a full rate of return on their investments and where employees who leave public employment prior to retirement receive a fair and reasonable value from the retirement system.

PART I DEFINED BENEFIT--TRS III

(A) The earnable compensation the member would have received had such member not served in the legislature; or

NEW SECTION. Sec. 114. (1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department shall be eligible to receive an allowance under the provisions of plan III. The member shall receive a monthly disability allowance computed as provided for in section 106 of this act and shall have this allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age sixty-five.

Any member who receives an allowance under the provisions of this section shall be subject to comprehensive medical examinations as required by the department. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, the member shall cease to be eligible for the allowance.

(2) If the recipient of a monthly retirement allowance under this section dies, any further benefit payments shall be conditioned by the payment option selected by the retiree as provided in section 108 of this act.

NEW SECTION. Sec. 115. (1) An active member shall become vested in the right to a benefit upon completing ten years of service or upon completing five years of service and attaining age fifty-five.

(3) The retirement allowance payable under section 113 of this act to a member who separates after having completed at least twenty years of service shall be increased by twenty-five one-hundredths of one percent, compounded for each month from the date of separation to the date that the retirement allowance commences.

NEW SECTION. **Sec. 116.** A nonvested member who leaves service and then reenters membership must earn an additional twelve service credit months to restore past service credit in the defined benefit portion of plan III.

NEW SECTION. **Sec. 117.** If a member who is vested dies prior to retirement, the surviving spouse or eligible child or children shall receive a retirement allowance computed as provided in section 108 of this act actuarially reduced to reflect a joint and one hundred percent survivor option and if the member was not eligible for normal retirement at the date of death a further reduction as described in section 113(2) of this act.

If the surviving spouse who is receiving the retirement allowance dies leaving a child or children under the age of majority, then such child or children shall continue to receive an allowance in an amount equal to that which was being received by the surviving spouse, share and share alike, until such child or children reach the age of majority.

If there is no surviving spouse eligible to receive an allowance at the time of the member's death, such member's child or children under the age of majority shall receive an allowance, share and share alike. The allowance shall be calculated with the assumption that the age of the spouse and member were equal at the time of the member's death.

NEW SECTION. **Sec. 118.** Sections 104 through 117 of this act are designated as a subchapter within chapter 41.32 RCW with the subchapter heading "Provisions Applicable to Plan III."

(1) "Employee" as used in this section and section 315 of this act includes all full-time, part-time, and career seasonal employees of the state, a county, a municipality, or other political subdivision of the state, whether or not covered by civil service; elected and appointed officials of the executive branch of the government, including full-time members of boards, commissions, or committees; justices of the supreme court and judges of the court of appeals and of the superior and

district courts; and members of the state legislature or of the legislative authority of any county, city, or town.

(2) The state, through the department, and any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body is authorized to contract with an employee to defer a portion of that employee's income, which deferred portion shall in no event exceed the amount allowable under 26 U.S.C. Sec. 457, and deposit or invest such deferred portion in a credit union, savings and loan association, bank, or mutual savings bank or purchase life insurance, shares of an investment company, or fixed and/or variable annuity contracts from any insurance company or any investment company licensed to contract business in this state.

(3) The department can provide such plans as the employee retirement benefits board, established under section 301 of this act, deems are in the interests of state employees. In addition to the types of investments described in this section, the department may invest the deferred portion of an employee's income, without limitation as to amount, in any of the class of investments described in RCW 43.84.150 as in effect on January 1, 1981. Any income deferred under such a plan shall continue to be included as regular compensation, for the purpose of computing the state or local retirement and pension benefits earned by any employee.

(4) Coverage of an employee under a deferred compensation plan under this section shall not render such employee ineligible for simultaneous membership and participation in any pension system for public employees.

NEW SECTION. Sec. 315. A new section is added to chapter 41.50 RCW to read as follows:

(1) The deferred compensation principal account is hereby created in the state treasury. Any deficiency in the deferred compensation administrative account caused by an excess of administrative expenses disbursed from that account over earnings of investments or balances credited to that account shall be eliminated by transferring moneys to that account from the deferred compensation principal account.

(2) The amount of compensation deferred by employees under agreements entered into under the authority contained in section 314 of this act shall be paid into the deferred compensation principal account and shall be sufficient to cover costs of administration and staffing in addition to such other amounts as determined by the department. The deferred compensation principal account shall be used to carry out the purposes of section 314 of this act. All eligible state employees shall be given the opportunity to participate in agreements entered into by the department under section 314 of this act. State agencies shall cooperate with the department in providing employees with the opportunity to participate.

(3) Any county, municipality, or other subdivision of the state may elect to participate in any agreements entered into by the department under section 314 of this act, including the making of payments therefrom to the employees participating in a deferred compensation plan upon their separation from state or other qualifying service. Accordingly, the deferred compensation principal account shall be considered to be a public pension or retirement fund within the meaning of Article XXIX, section 1 of the state Constitution, for the purpose of determining eligible investments and deposits of the moneys therein.

(4) All moneys in the deferred compensation principal account, all property and rights purchased therewith, and all income attributable thereto, shall remain (until made available to the participating employee or other beneficiary) solely the money, property, and rights of the state and participating counties, municipalities, and subdivisions (without being restricted to the provision of benefits under the plan) subject only to the claims of the state's and participating jurisdictions' general creditors. Participating jurisdictions shall each retain property rights separately.

(5) The state investment board, at the request of the employee retirement benefits board as established under section 301 of this act, is authorized to invest moneys in the deferred compensation principal account in accordance with RCW 43.84.150. Except as provided in RCW 43.33A.160, one hundred percent of all earnings from these investments shall accrue directly to the deferred compensation principal account.

(6) The deferred compensation administrative account is hereby created in the state treasury. All expenses of the department pertaining to the deferred compensation plan including staffing and

administrative expenses shall be paid out of the deferred compensation administrative account. Any excess of earnings of investments of balances credited to this account over administrative expenses disbursed from this account shall be transferred to the deferred compensation principal account. Any deficiency in the deferred compensation administrative account caused by an excess of administrative expenses disbursed from this account over earnings of investments of balances credited to this account shall be transferred to this account from the deferred compensation principal account.

(7) In addition to the duties specified in this section and section 314 of this act, the department shall administer the salary reduction plan established in RCW 41.04.600 through 41.04.645.

A copy of the annual report shall be filed with the speaker of the house of representatives, the president of the senate, the governor, and the state auditor.

(10) Members of the employee retirement benefits board established under section 301 of this act shall be deemed to stand in a fiduciary relationship to the employees participating in the deferred compensation plans created under section 314 of this act and this section and shall discharge the duties of their respective positions in good faith and with that diligence, care, and skill which ordinary prudent persons would exercise under similar circumstances in like positions.

SENATE AMENDMENTS TO HOUSE BILL

April 6, 1995

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1282, with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 77.12.265 and 1987 c 506 s 35 are each amended to read as follows:

The owner, the owner's immediate family member, the owner's documented employee, or tenant of real property may trap or kill on that property, without the licenses required under RCW 77.32.010, wild animals or wild birds, other than an endangered species, that ((is)) are damaging crops, domestic animals, fowl, or other property. Except in emergency situations, deer, elk, and protected wildlife shall not be killed without a permit issued and conditioned by the director. The director may delegate this authority.

For the purposes of this section, "emergency" means an unforeseen circumstance beyond the control of the landowner or tenant that presents a real and immediate threat to crops, domestic animals, fowl, or other property.

Alternatively, when sufficient time for the issuance of a permit by the director is not available, verbal permission may be given by the appropriate department regional administrator to owners or tenants of real property to trap or kill on that property any deer, elk, or protected wildlife which is damaging crops, domestic animals, fowl, or other property. The regional administrator may delegate, in writing, a member of the regional staff to give the required permission in these emergency situations. Nothing in this section authorizes in any situation the trapping, hunting, or killing of an endangered species.

Except for coyotes and Columbian ground squirrels, wildlife trapped or killed under this section remain((s)) the property of the state, and the person trapping or killing the wildlife shall notify the department immediately. The director shall dispose of wildlife so taken within three working days of receiving such a notification.

If the department receives recurring complaints regarding property being damaged as described in this section from the owner or tenant of real property, or receives such complaints from several such owners or tenants in a locale, the commission shall consider conducting a special hunt or special hunts to reduce the potential for such damage.

For purposes of this section, "crop" means an agricultural or horticultural product growing or harvested and includes wild shrubs and range land vegetation on privately owned cattle ranching lands. On such lands, the land owner or lessee may declare an emergency when the department has not responded within forty-eight hours after having been contacted by the land owner or lessee regarding crop damage by wild animals or wild birds. However, the department shall not allow claims for damage to wild shrubs or range land vegetation on such lands.

Deer and elk shall not be killed under the authority of this section on privately owned cattle ranching lands that were closed to public hunting during the previous hunting season, except for land closures which are coordinated with the department to protect property and livestock.

The department shall work closely with landowners and tenants suffering game damage problems to control damage without killing the animals when practical, to increase the harvest of damage-causing animals in hunting seasons, or to kill the animals when no other practical means of damage control is feasible.

For the purposes of this section, "immediate family member" means spouse, brother, sister, grandparent, parent, child, or grandchild."

On page 1, line 2 of the title, after "crops;" strike the remainder of the title and insert "and amending RCW 77.12.265."

SENATE AMENDMENTS TO HOUSE BILL

April 10, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1342 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that during the past fourteen years, the Washington state parks and recreation commission has endured a steady erosion of general fund operating support, which has caused park closures, staff reductions, and growing backlog of deferred maintenance projects. The legislature also finds that the growth of parks revenue has been constrained by staff limitations and by transfers of that revenue into the general fund.

The legislature intends to reverse the decline in operating support to its state parks, stabilize the system's level of general fund support, and inspire system employees and park visitors to enhance these irreplaceable resources and ensure their continuing availability to current and future state citizens and visitors. To achieve these goals, the legislature intends to dedicate park revenues to park operations, developing and renovating park facilities, undertaking deferred maintenance, and improving park stewardship. The legislature clearly intends that such revenues shall complement, not supplant, future general fund support.

Sec. 2. RCW 43.51.047 and 1984 c 82 s 3 are each amended to read as follows:

Only timber which qualifies for cutting or removal under RCW 43.51.045(2) may be sold. Timber shall be sold only when surplus to the needs of the park.

Net revenue derived from timber sales shall be deposited in the (~~trust land~~) parks renewal and stewardship account created in section 7 of this act.

Sec. 3. RCW 43.51.060 and 1993 c 156 s 1 are each amended to read as follows:

The commission may:

(1) Make rules and regulations for the proper administration of its duties;

(2) Accept any grants of funds made with or without a matching requirement by the United States, or any agency thereof, for purposes in keeping with the purposes of this chapter; accept gifts, bequests, devises and endowments for purposes in keeping with such purposes; enter into cooperative agreements with and provide for private nonprofit groups to use state park property and facilities to raise money to contribute gifts, grants, and support to the commission for the purposes of this chapter. The commission may assist the nonprofit group in a cooperative effort by providing necessary agency personnel and services, if available. However, none of the moneys raised may inure to the benefit of the nonprofit group, except in furtherance of its purposes to benefit the commission as provided in this chapter. The agency and the private nonprofit group shall agree on the nature of any project to be supported by such gift or grant prior to the use of any agency property or facilities for raising money. Any such gifts may be in the form of recreational facilities developed or built in part or in whole for public use on agency property, provided that the facility is consistent with the purposes of the agency;

(3) Require certification by the commission of all parks and recreation workers employed in state aided or state controlled programs;

(4) Act jointly, when advisable, with the United States, any other state agencies, institutions, departments, boards, or commissions in order to carry out the objectives and responsibilities of this chapter;

(5) Grant franchises and easements for any legitimate purpose on parks or parkways, for such terms and subject to such conditions and considerations as the commission shall specify;

(6) Charge such fees for services, utilities, and use of facilities as the commission shall deem proper(~~—All fees received by the commission shall be deposited with the state treasurer in the state general fund~~);

(7) Enter into agreements whereby individuals or companies may rent undeveloped parks or parkway land for grazing, agricultural, or mineral development purposes upon such terms and conditions as the commission shall deem proper, for a term not to exceed ten years;

(8) Determine the qualifications of and employ a director of parks and recreation who shall receive a salary as fixed by the governor in accordance with the provisions of RCW 43.03.040, and upon his recommendation, a supervisor of recreation, and determine the qualifications and salary of and employ such other persons as may be needed to carry out the provisions hereof; and

(9) Without being limited to the powers hereinbefore enumerated, the commission shall have such other powers as in the judgment of a majority of its members are deemed necessary to effectuate the purposes of this chapter: PROVIDED, That the commission shall not have power to supervise directly any local park or recreation district, and no funds shall be made available for such purpose.

ENGROSSED SUBSTITUTE SENATE BILL NO. 5386, by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Quigley, Franklin, C. Anderson and Wojahn; by request of Health Care Authority)

Modifying provision of the basic health plan.

The bill was read the second time.

Representative Dyer moved adoption of the following amendment by Representative Dyer:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.47.060 and 1994 c 309 s 5 are each amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care (~~(, which)~~). In addition, the administrator may offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of

services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate. ~~((On and after July 1, 1995, the uniform benefits package adopted and from time to time revised by the Washington health services commission pursuant to RCW 43.72.130 shall be implemented by the administrator as the schedule of covered basic health care services.))~~

However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator, but in no case shall the payment made on behalf of the enrollee exceed the total premiums due from the enrollee.

(d) To develop, as an offering by all health carriers providing coverage identical to the basic health plan, a model plan benefits package with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of ~~((copayments))~~ enrollee cost sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services. ~~((On and after July 1, 1995, the administrator shall endeavor to make the copayments structure of the plan consistent with enrollee point of service cost-sharing levels adopted by the Washington health services commission, giving consideration to funding available to the plan.))~~

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option,

continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and ~~((at least semiannually thereafter))~~ on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to re-enroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator ~~((shall))~~ may require that a business owner pay at least ~~((fifty percent of the nonsubsidized))~~ an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, undeserved populations, and persons of color.

Sec. 2. RCW 70.47.020 and 1994 c 309 s 4 are each amended to read as follows:

As used in this chapter:

(1) "Washington basic health plan" or "plan" means the system of enrollment and payment on a prepaid capitated basis for basic health care services, administered by the plan administrator through participating managed health care systems, created by this chapter.

(2) "Administrator" means the Washington basic health plan administrator, who also holds the position of administrator of the Washington state health care authority.

(3) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, or any combination thereof, that provides directly or by contract basic health care services, as defined by the administrator and rendered by duly licensed providers, on a prepaid capitated basis to a defined patient population enrolled in the plan and in the managed health care system. ~~((On and after July 1, 1995, "managed health care system" means a certified health plan, as defined in RCW 43.72.010.))~~

(4) "Subsidized enrollee" means an individual, or an individual plus the individual's spouse or dependent children, not eligible for medicare, who resides in an area of the state served by a managed health care system participating in the plan, whose gross family income at the time of enrollment does not exceed twice the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, ~~((who the administrator determines shall not have, or shall not have voluntarily relinquished health insurance more comprehensive than that offered by the plan as of the effective date of enrollment,))~~ and who chooses to obtain basic health care coverage from a particular managed health care system in return for periodic payments to the plan.

(5) "Nonsubsidized enrollee" means an individual, or an individual plus the individual's spouse or dependent children, not eligible for medicare, who resides in an area of the state served by a managed health care system participating in the plan, ~~((who the administrator determines shall not have, or shall not have voluntarily relinquished health insurance more comprehensive than that offered by the plan as of the effective date of enrollment,))~~ and who chooses to obtain basic health care coverage from a particular managed health care system, and who pays or on whose behalf is paid the full costs for participation in the plan, without any subsidy from the plan.

(6) "Subsidy" means the difference between the amount of periodic payment the administrator makes to a managed health care system on behalf of a subsidized enrollee plus the administrative cost to the plan of providing the plan to that subsidized enrollee, and the amount determined to be the subsidized enrollee's responsibility under RCW 70.47.060(2).

(7) "Premium" means a periodic payment, based upon gross family income which an individual, their employer or another financial sponsor makes to the plan as consideration for enrollment in the plan as a subsidized enrollee or a nonsubsidized enrollee.

(8) "Rate" means the per capita amount, negotiated by the administrator with and paid to a participating managed health care system, that is based upon the enrollment of subsidized and nonsubsidized enrollees in the plan and in that system.

NEW SECTION. Sec. 3. A new section is added to chapter 70.47 RCW to read as follows:

(1) The legislature recognizes that every individual possesses a fundamental right to exercise their religious beliefs and conscience. The legislature further recognizes that in developing public policy, conflicting religious and moral beliefs must be respected. Therefore, while recognizing the right of conscientious objection to participating in specific health services, the state shall also recognize the right of individuals enrolled with the basic health plan to receive the full range of services covered under the basic health plan.

(2)(a) No individual health care provider, religiously sponsored health carrier, or health care facility may be required by law or contract in any circumstances to participate in the provision of or payment for a specific service if they object to so doing for reason of conscience or religion. No

person may be discriminated against in employment or professional privileges because of such objection.

(b) The provisions of this section are not intended to result in an enrollee being denied timely access to any service included in the basic health plan. Each health carrier shall:

(i) Provide written notice to enrollees, upon enrollment with the plan, listing services that the carrier refuses to cover for reason of conscience or religion;

(ii) Provide written information describing how an enrollee may directly access services in an expeditious manner; and

(iii) Ensure that enrollees refused services under this section have prompt access to the information developed pursuant to (b)(ii) of this subsection.

(c) The administrator shall establish a mechanism or mechanisms to recognize the right to exercise conscience while ensuring enrollees timely access to services and to assure prompt payment to service providers.

(3)(a) No individual or organization with a religious or moral tenet opposed to a specific service may be required to purchase coverage for that service or services if they object to doing so for reason of conscience or religion.

(b) The provisions of this section shall not result in an enrollee being denied coverage of, and timely access to, any service or services excluded from their benefits package as a result of their employer's or another individual's exercise of the conscience clause in (a) of this subsection.

(c) The administrator shall define the process through which health carriers may offer the basic health plan to individuals and organizations identified in (a) and (b) of this subsection in accordance with the provisions of subsection (2)(c) of this section.

(4) Nothing in this section requires the health care authority, health carriers, health care facilities, or health care providers to provide any basic health plan service without payment of appropriate premium share or enrollee cost sharing.

NEW SECTION. **Sec. 4.** RCW 70.47.065 and 1993 c 494 s 6 are each repealed.

NEW SECTION. **Sec. 5.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995."

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1010 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) One of its fundamental responsibilities, to the benefit of all the citizens of the state, is the protection of public health and safety, including health and safety in the workplace, and the preservation of the extraordinary natural environment with which Washington is endowed;

(b) Essential to this mission is the delegation of authority to state agencies to implement the policies established by the legislature; and that the adoption of administrative rules by these agencies helps assure that these policies are clearly understood, fairly applied, and uniformly enforced;

(c) Despite its importance, Washington's regulatory system must not impose excessive, unreasonable, or unnecessary obligations; to do so serves only to discredit government, makes enforcement of essential regulations more difficult, and detrimentally affects the economy of the state and the well-being of our citizens.

(2) The legislature therefore enacts chapter . . . , Laws of 1995 (this act), to be known as the regulatory reform act of 1995, to ensure that the citizens and environment of this state receive the highest level of protection, in an effective and efficient manner, without stifling legitimate activities and responsible economic growth. To that end, it is the intent of the legislature, in the adoption of this act, that:

(a) Unless otherwise authorized, substantial policy decisions affecting the public be made by those directly accountable to the public, namely the legislature, and that state agencies not use their administrative authority to create or amend regulatory programs;

(b) When an agency is authorized to adopt rules imposing obligations on the public, that it do so responsibly: The rules it adopts should be justified and reasonable, with the agency having determined, based on common sense criteria established by the legislature, that the obligations imposed are truly in the public interest;

(c) Governments at all levels better coordinate their regulatory efforts to avoid confusing and frustrating the public with overlapping or contradictory requirements;

(d) The public respect the process whereby administrative rules are adopted, whether or not they agree with the result: Members of the public affected by administrative rules must have the opportunity for a meaningful role in their development; the bases for agency action must be legitimate and clearly articulated;

(e) Members of the public have adequate opportunity to challenge administrative rules with which they have legitimate concerns through meaningful review of the rule by the executive, the legislature, and the judiciary. While it is the intent of the legislature that upon judicial review of a rule, a court should not substitute its judgment for that of an administrative agency, the court should determine whether the agency decision making was rigorous and deliberative; whether the agency reached its result through a process of reason; and whether the agency took a hard look at the rule before its adoption;

(f) In order to achieve greater compliance with administrative rules at less cost, that a cooperative partnership exist between agencies and regulated parties that emphasizes education and assistance before the imposition of penalties; and

(g) Workplace safety and health in this state not be diminished, whether provided by constitution, by statute, or by rule.

~~(e) Specifies the process by which interested parties can effectively participate in the ((formulation of the)) decision to adopt a new rule and formulation of a proposed rule before its publication.~~

The statement of ~~((intent)) inquiry~~ shall be filed with the code reviser for publication in the state register at least thirty days before the date the agency files notice of proposed rule making under RCW 34.05.320 and shall be sent to any party that has requested receipt of the agency's statements of ~~((intent)) inquiry~~.

(2) Agencies are encouraged to develop and use new procedures for reaching agreement among interested parties before publication of notice and the adoption hearing on a proposed rule. Examples of new procedures include, but are not limited to:

(a) Negotiated rule making ~~((which includes:~~
(i) ~~Identifying individuals and organizations that have a recognized interest in or will be significantly affected by the adoption of the proposed rule;~~
(ii) ~~Soliciting participation by persons who are capable, willing, and appropriately authorized to enter into such negotiations;~~
(iii) ~~Assuring that participants fully recognize the consequences of not participating in the process, are committed to negotiate in good faith, and recognize the alternatives available to other parties;~~
(iv) ~~Establishing guidelines to encourage consideration of all pertinent issues, to set reasonable completion deadlines, and to provide fair and objective settlement of disputes that may arise;~~
(v) ~~Agreeing on a reasonable time period during which the agency will be bound to the rule resulting from the negotiations without substantive amendment; and~~
(vi) ~~Providing a mechanism by which one or more parties may withdraw from the process or the negotiations may be terminated if it appears that consensus cannot be reached on a draft rule that accommodates the needs of the agency, interested parties, and the general public and conforms to the legislative intent of the statute that the rule is intended to implement))~~ by which representatives of an agency and of the interests that are affected by a subject of rule making, including, where appropriate, county and city representatives, seek to reach consensus on the terms of the proposed rule and on the process by which it is negotiated; and

~~(b) Pilot rule making which includes testing the ((draft of a proposed rule)) feasibility of complying with or administering draft new rules or draft amendments to existing rules through the use of volunteer pilot ((study)) groups in various areas and circumstances, as provided in RCW 34.05.313 or as otherwise provided by the agency.~~

(3)(a) An agency must make a determination whether negotiated rule making, pilot rule making, or another process for generating participation from interested parties prior to development of the rule is appropriate.

(b) An agency must include a written justification in the rule-making file if an opportunity for interested parties to participate in the rule-making process prior to publication of the proposed rule has not been provided.

(4) This section does not apply to:

(a) Emergency rules adopted under RCW 34.05.350;
(b) Rules relating only to internal governmental operations that are not subject to violation by a nongovernment party;

(c) Rules adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master

programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(d) Rules that only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(e) Rules the content of which is explicitly and specifically dictated by statute;

(f) Rules that set or adjust fees or rates pursuant to legislative standards; or

(g) Rules that adopt, amend, or repeal;

(i) A procedure, practice, or requirement relating to agency hearings; or

(ii) A filing or related process requirement for applying to an agency for a license or permit.

Sec. 302. RCW 34.05.320 and 1994 c 249 s 14 are each amended to read as follows:

(1) At least twenty days before the rule-making hearing at which the agency receives public comment regarding adoption of a rule, the agency shall cause notice of the hearing to be published in the state register. The publication constitutes the proposal of a rule. The notice shall include all of the following:

(a) A title, a description of the rule's purpose, and any other information which may be of assistance in identifying the rule or its purpose;

(b) Citations of the statutory authority for adopting the rule and the specific statute the rule is intended to implement;

(c) A summary of the rule and a statement of the reasons supporting the proposed action;

(d) The agency personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;

(h) When, where, and how persons may present their views on the proposed rule;

(i) The date on which the agency intends to adopt the rule;

(j) A short explanation of the rule, its purpose, and anticipated effects, including in the case of a proposal that would modify existing rules, a short description of the changes the proposal would make; ~~((and))~~

(k) A ~~((statement indicating how a person can obtain a))~~ copy of the small business economic impact statement prepared under chapter 19.85 RCW, or an explanation for why the agency did not prepare the statement; ~~and~~

(l) A statement indicating whether section 201 of this act applies to the rule adoption.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting agency shall have copies of the notice on file and available for public inspection and shall forward three copies of the notice to the rules review committee.

(3) No later than three days after its publication in the state register, the agency shall cause a copy of the notice of proposed rule adoption to be mailed to each person ~~((who)), city, and county that~~ has made a request to the agency for a mailed copy of such notices. An agency may charge for the actual cost of providing ~~((individual))~~ a requesting party mailed copies of these notices.

(4) In addition to the notice required by subsections (1) and (2) of this section, an institution of higher education shall cause the notice to be published in the campus or standard newspaper of the institution at least seven days before the rule-making hearing.

Sec. 303. RCW 34.05.313 and 1993 c 202 s 4 are each amended to read as follows:

~~((If,))~~ (1) During the development of a rule or after its adoption, an agency ~~((determines that implementation may produce unreasonable economic, procedural, or technical burdens, agencies are encouraged to))~~ may develop methods for measuring or testing the feasibility of ~~((compliance))~~

complying with or administering the rule (, including the use of voluntary pilot study groups) and for identifying simple, efficient, and economical alternatives for achieving the goal of the rule. ((Measuring and testing methods should emphasize)) A pilot project shall include public notice, participation by ((persons who have a recognized interest in or are significantly affected by the adoption of the proposed rule)) volunteers who are or will be subject to the rule, a high level of involvement from agency management, ((consensus on issues and procedures among participants in the pilot group, assurance of fairness, and)) reasonable completion dates, and a process by which one or more parties may withdraw from the process or the process may be terminated ((if consensus cannot be reached on the rule)). Volunteers who agree to test a rule and attempt to meet the requirements of the draft rule, to report periodically to the proposing agency on the extent of their ability to meet the requirements of the draft rule, and to make recommendations for improving the draft rule shall not be obligated to comply fully with the rule being tested nor be subject to any enforcement action or other sanction for failing to comply with the requirements of the draft rule.

(2) An agency conducting a pilot rule project authorized under subsection (1) of this section may waive one or more provisions of agency rules otherwise applicable to participants in such a pilot project if the agency first determines that such a waiver is in the public interest and necessary to conduct the project. Such a waiver may be only for a stated period of time, not to exceed the duration of the project.

(3) The findings of the pilot project should be widely shared and, where appropriate, adopted as amendments to the rule.

(4) If an agency conducts a pilot rule project in lieu of meeting the requirements of the regulatory fairness act, chapter 19.85 RCW, the agency shall ensure the following conditions are met:

(a) If over ten small businesses are affected, there shall be at least ten small businesses in the test group and at least one-half of the volunteers participating in the pilot test group shall be small businesses.

(b)(i) If there are at least one hundred businesses affected, the participation by small businesses in the test group shall be as follows:

(A) Not less than twenty percent of the small businesses must employ twenty-six to fifty employees;

(B) Not less than twenty percent of the small businesses must employ eleven to twenty-six employees, and

(C) Not less than twenty percent of the small businesses must employ zero to ten employees.

(ii) If there do not exist a sufficient number of small businesses in each size category set forth in (b)(i) of this subsection willing to participate in the pilot project to meet the minimum requirements of that subsection, then the agency must comply with this section to the maximum extent practicable.

(c) The agency may not terminate the pilot project before completion.

(d) Before filing the notice of proposed rule making pursuant to RCW 34.05.320, the agency must prepare a report of the pilot rule project that includes:

(i) A description of the difficulties small businesses had in complying with the pilot rule;

(ii) A list of the recommended revisions to the rule to make compliance with the rule easier or to reduce the cost of compliance with the rule by the small businesses participating in the pilot rule project;

(iii) A written statement explaining the options it considered to resolve each of the difficulties described and a statement explaining its reasons for not including a recommendation by the pilot test group to revise the rule; and

(iv) If the agency was unable to meet the requirements set forth in (b)(i) of this subsection, a written explanation of why it was unable to do so and the steps the agency took to include small businesses in the pilot project.

Sec. 304. RCW 34.05.325 and 1994 c 249 s 7 are each amended to read as follows:

(1) The agency shall make a good faith effort to insure that the information on the proposed rule published pursuant to RCW 34.05.320 accurately reflects the rule to be presented and considered at the oral hearing on the rule. Written comment about a proposed rule, including supporting data,

shall be accepted by an agency if received no later than the time and date specified in the notice, or such later time and date established at the rule-making hearing.

(2) The agency shall provide an opportunity for oral comment to be received by the agency in a rule-making hearing.

(3) If the agency possesses equipment capable of receiving telefacsimile transmissions or recorded telephonic communications, the agency may provide in its notice of hearing filed under RCW 34.05.320 that interested parties may comment on proposed rules by these means. If the agency chooses to receive comments by these means, the notice of hearing shall provide instructions for making such comments, including, but not limited to, appropriate telephone numbers to be used; the date and time by which comments must be received; required methods to verify the receipt and authenticity of the comments; and any limitations on the number of pages for telefacsimile transmission comments and on the minutes of tape recorded comments. The agency shall accept comments received by these means for inclusion in the official record if the comments are made in accordance with the agency's instructions.

(4) The agency head, a member of the agency head, or a presiding officer designated by the agency head shall preside at the rule-making hearing. Rule-making hearings shall be open to the public. The agency shall cause a record to be made of the hearing by stenographic, mechanical, or electronic means. Unless the agency head presides or is present at substantially all the hearings, the presiding official shall prepare a memorandum for consideration by the agency head, summarizing the contents of the presentations made at the rule-making hearing. The summarizing memorandum is a public document and shall be made available to any person in accordance with chapter 42.17 RCW.

(5) Rule-making hearings are legislative in character and shall be reasonably conducted by the presiding official to afford interested persons the opportunity to present comment. Rule-making hearings may be continued to a later time and place established on the record without publication of further notice under RCW 34.05.320.

(6) ~~((Before the adoption of a final rule))~~ (a) Before it files an adopted rule with the code reviser, an agency shall prepare a ((written summary of)) concise explanatory statement of the rule:

(i) Identifying the agency's reasons for adopting the rule;

(ii) Describing differences between the text of the proposed rule as published in the register and the text of the rule as adopted, other than editing changes, stating the reasons for differences; and

(iii) Summarizing all comments received regarding the proposed rule, and ((a substantive response)) responding to the comments by category or subject matter, indicating how the final rule reflects agency consideration of the comments, or why it fails to do so.

(b) The agency shall provide the ((written summary and response)) concise explanatory statement to any person upon request or from whom the agency received comment.

NEW SECTION. Sec. 305. RCW 34.05.355 and 1994 c 249 s 8 & 1988 c 288 s 310 are each repealed.

PART IV REGULATORY FAIRNESS ACT

NEW SECTION. Sec. 401. A new section is added to chapter 19.85 RCW to read as follows:

(1) Unless an agency receives a written objection to the expedited repeal of a rule, this chapter does not apply to a rule proposed for expedited repeal pursuant to section 701 of this act. If an agency receives a written objection to expedited repeal of the rule, this chapter applies to the rule-making proceeding.

(2) This chapter does not apply to the adoption of a rule described in RCW 34.05.310(4).

(3) An agency is not required to prepare a separate small business economic impact statement under RCW 19.85.040 if it prepared an analysis under section 201 of this act that meets the requirements of a small business economic impact statement, and if the agency reduced the costs imposed by the rule on small business to the extent required by RCW 19.85.030(3). The portion of the analysis that meets the requirements of RCW 19.85.040 shall be filed with the code reviser and provided to any person requesting it in lieu of a separate small business economic impact statement.

Sec. 402. RCW 19.85.030 and 1994 c 249 s 11 are each amended to read as follows:

~~(1) ((In the adoption of any rule pursuant to RCW 34.05.320 that will impose more than minor costs on more than twenty percent of all industries, or more than ten percent of any one industry, the adopting agency:~~

~~(a) Shall reduce the economic impact of the rule on small business by doing one or more of the following when it is legal and feasible in meeting the stated objective of the statutes which are the basis of the proposed rule:~~

~~(i) Establish differing compliance or reporting requirements or timetables for small businesses;~~
~~(ii) Clarify, consolidate, or simplify the compliance and reporting requirements under the rule for small businesses;~~

~~(iii) Establish performance rather than design standards;~~

~~(iv) Exempt small businesses from any or all requirements of the rule;~~

~~(v) Reduce or modify fine schedules for noncompliance; and~~

~~(vi) Other mitigation techniques;~~

~~(b) Before filing notice of a proposed rule, shall prepare a small business economic impact statement in accordance with RCW 19.85.040 and file notice of how the person can obtain the statement with the code reviser as part of the notice required under RCW 34.05.320.~~

~~(2) If requested to do so by a majority vote of the joint administrative rules review committee within thirty days after notice of the proposed rule is published in the state register, an agency shall prepare a small business economic impact statement on the proposed rule before adoption of the rule. Upon completion, an agency shall provide a copy of the small business economic impact statement to any person requesting it.~~

~~(3)) In the adoption of a rule under chapter 34.05 RCW, an agency shall prepare a small business economic impact statement: (a) If the proposed rule will impose more than minor costs on businesses in an industry; or (b) if requested to do so by a majority vote of the joint administrative rules review committee within forty-five days of receiving the notice of proposed rule making under RCW 34.05.320. However, if the agency has completed the pilot rule process as defined by RCW 34.05.313 before filing the notice of a proposed rule, the agency is not required to prepare a small business economic impact statement.~~

~~An agency shall prepare the small business economic impact statement in accordance with RCW 19.85.040, and file it with the code reviser along with the notice required under RCW 34.05.320. An agency shall file a statement prepared at the request of the joint administrative rules review committee with the code reviser upon its completion before the adoption of the rule. An agency shall provide a copy of the small business economic impact statement to any person requesting it.~~

~~An agency may request assistance from the business assistance center in the preparation of the small business economic impact statement.~~

~~((4)) (2) The business assistance center shall develop guidelines to assist agencies in determining whether a proposed rule will impose more than minor costs on businesses in an industry and therefore require preparation of a small business economic impact statement. The business assistance center may review an agency determination that a proposed rule will not impose such costs, and shall advise the joint administrative rules review committee on disputes involving agency determinations under this section.~~

~~(3) Based upon the extent of disproportionate impact on small business identified in the statement prepared under RCW 19.85.040, the agency shall, where legal and feasible in meeting the stated objectives of the statutes upon which the rule is based, reduce the costs imposed by the rule on small businesses. Methods to reduce the costs on small businesses may include:~~

~~(a) Reducing, modifying, or eliminating substantive regulatory requirements;~~

~~(b) Simplifying, reducing, or eliminating recordkeeping and reporting requirements;~~

~~(c) Reducing the frequency of inspections;~~

~~(d) Delaying compliance timetables;~~

~~(e) Reducing or modifying fine schedules for noncompliance; or~~

~~(f) Any other mitigation techniques.~~

Sec. 403. RCW 19.85.040 and 1994 c 249 s 12 are each amended to read as follows:

(1) A small business economic impact statement must include a brief description of the reporting, recordkeeping, and other compliance requirements of the proposed rule, and the kinds of professional services that a small business is likely to need in order to comply with such requirements. It shall analyze the costs of compliance for businesses required to comply with the proposed rule adopted pursuant to RCW 34.05.320, including costs of equipment, supplies, labor, and increased administrative costs. It shall consider, based on input received, whether compliance with the rule will cause businesses to lose sales or revenue. To determine whether the proposed rule will have a disproportionate impact on small businesses, the impact statement must compare the cost of compliance for small business with the cost of compliance for the ten percent of businesses that are the largest businesses required to comply with the proposed rules using one or more of the following as a basis for comparing costs:

- (a) Cost per employee;
- (b) Cost per hour of labor; or
- (c) Cost per one hundred dollars of sales.

(2) A small business economic impact statement must also include:

(a) A statement of the steps taken by the agency to reduce the costs of the rule on small businesses as required by RCW 19.85.030~~((4))~~ (3), or reasonable justification for not doing so, addressing the options listed in RCW 19.85.030~~((4))~~ (3);

(b) A description of how the agency will involve small businesses in the development of the rule; and

(c) A list of industries that will be required to comply with the rule. However, this subsection (2)(c) shall not be construed to preclude application of the rule to any business or industry to which it would otherwise apply.

(3) To obtain information for purposes of this section, an agency may survey a representative sample of affected businesses or trade associations and should, whenever possible, appoint a committee under RCW 34.05.310(2) to assist in the accurate assessment of the costs of a proposed rule, and the means to reduce the costs imposed on small business.

NEW SECTION. **Sec. 404.** A new section is added to chapter 19.85 RCW to read as follows:

Unless so requested by a majority vote of the joint administrative rules review committee under RCW 19.85.030, an agency is not required to comply with this chapter when adopting any rule solely for the purpose of conformity or compliance, or both, with federal statute or regulations. In lieu of the statement required under RCW 19.85.030, the agency shall file a statement citing, with specificity, the federal statute or regulation with which the rule is being adopted to conform or comply, and describing the consequences to the state if the rule is not adopted.

NEW SECTION. **Sec. 405.** RCW 19.85.060 and 1989 c 374 s 5 are each repealed.

PART V STRENGTHENED LEGISLATIVE OVERSIGHT

NEW SECTION. **Sec. 501.** A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

The joint administrative rules review committee shall not render a decision on a rule unless a quorum is present. A quorum shall consist of at least five members of the committee. Once a quorum is established, a majority of the quorum may render any decision except a suspension recommendation. A recommendation to suspend a rule under RCW 34.05.640 shall require a majority vote of the entire membership of the rules review committee.

NEW SECTION. **Sec. 502.** A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

(1) Any person may petition the rules review committee for a review of that rule. Within thirty days of the receipt of the petition, the rules review committee shall acknowledge receipt of the petition

and describe any initial action taken. If the rules review committee rejects the petition, a written statement of the reasons for rejection shall be included.

(2) Within ninety days of receipt of the petition, the rules review committee shall make a final decision on the rule for which the petition for review was not previously rejected.

NEW SECTION. Sec. 503. A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

Any individual employed or holding office in any department or agency of state government may submit rules warranting review to the rules review committee. Any such state employee is protected under chapter 42.40 RCW.

Sec. 504. RCW 34.05.660 and 1988 c 288 s 606 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, it is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of objection required by RCW 34.05.630(2) and 34.05.640(2) in no way serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules.

(2) If the joint administrative rules review committee recommends to the governor that an existing rule be suspended because it does not conform with the intent of the legislature, the recommendation shall establish a rebuttable presumption in any proceeding challenging the validity of the rule that the rule is invalid. The burden of demonstrating the rule's validity is then on the adopting agency.

NEW SECTION. Sec. 505. A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

(1) The rules review committee may make reports from time to time to the members of the legislature and to the public with respect to any of its findings or recommendations. The committee shall keep complete minutes of its meetings.

(2) The committee may establish ad hoc advisory boards, including but not limited to, ad hoc economics or science advisory boards to assist the committee in its rules review functions.

(3) The committee may hire staff as needed to perform functions under this chapter.

NEW SECTION. Sec. 506. A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

In the discharge of any duty imposed under this chapter, the rules review committee may examine and inspect all properties, equipment, facilities, files, records, and accounts of any state office, department, institution, board, committee, commission, or agency, and administer oaths, issue subpoenas, compel the attendance of witnesses and the production of any papers, books, accounts, documents, and testimony, and cause the deposition of witnesses, either residing within or without the state, to be taken in the manner prescribed by law for taking depositions in civil actions in the superior courts.

NEW SECTION. Sec. 507. A new section is added to chapter 34.05 RCW under the subchapter heading Part VI to read as follows:

In case of the failure on the part of any person to comply with any subpoena issued in behalf of the rules review committee, or on the refusal of any witness to testify to any matters regarding which he or she may be lawfully interrogated, it is the duty of the superior court of any county, or of the judge thereof, on application of the committee, to compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify in the court.

Sec. 508. RCW 42.40.010 and 1982 c 208 s 1 are each amended to read as follows:

It is the policy of the legislature that employees should be encouraged to disclose, to the extent not expressly prohibited by law, improper governmental actions, and it is the intent of the legislature to

protect the rights of state employees making these disclosures. It is also the policy of the legislature that employees should be encouraged to identify rules warranting review or provide information to the rules review committee, and it is the intent of the legislature to protect the rights of these employees.

Sec. 509. RCW 42.40.020 and 1992 c 118 s 1 are each amended to read as follows:

As used in this chapter, the terms defined in this section shall have the meanings indicated unless the context clearly requires otherwise.

(1) "Auditor" means the office of the state auditor.

(2) "Employee" means any individual employed or holding office in any department or agency of state government.

(3)(a) "Improper governmental action" means any action by an employee:

(i) Which is undertaken in the performance of the employee's official duties, whether or not the action is within the scope of the employee's employment; and

(ii) Which is in violation of any state law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds.

(b) "Improper governmental action" does not include personnel actions including but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, reemployments, performance evaluations, reductions in pay, dismissals, suspensions, demotions, violations of the state civil service law, alleged labor agreement violations, reprimands, or any action which may be taken under chapter 41.06 (~~or 28B-16~~) RCW, or other disciplinary action except as provided in RCW 42.40.030.

(4) "Use of official authority or influence" includes taking, directing others to take, recommending, processing, or approving any personnel action such as an appointment, promotion, transfer, assignment, reassignment, reinstatement, restoration, reemployment, performance evaluation, or any adverse action under chapter 41.06 (~~or 28B-16~~) RCW, or other disciplinary action.

(5) "Whistleblower" means an employee who in good faith reports alleged improper governmental action to the auditor, initiating an investigation under RCW 42.40.040. For purposes of the provisions of this chapter and chapter 49.60 RCW relating to reprisals and retaliatory action, the term "whistleblower" also means: (a) An employee who in good faith provides information to the auditor in connection with an investigation under RCW 42.40.040 and an employee who is believed to have reported alleged improper governmental action to the auditor or to have provided information to the auditor in connection with an investigation under RCW 42.40.040 but who, in fact, has not reported such action or provided such information; or (b) an employee who in good faith identifies rules warranting review or provides information to the rules review committee, and an employee who is believed to have identified rules warranting review or provided information to the rules review committee but who, in fact, has not done so.

Sec. 510. RCW 42.40.030 and 1989 c 284 s 2 are each amended to read as follows:

(1) An employee shall not directly or indirectly use or attempt to use the employee's official authority or influence for the purpose of intimidating, threatening, coercing, commanding, influencing, or attempting to intimidate, threaten, coerce, command, or influence any individual for the purpose of interfering with the right of the individual to: (a) Disclose to the auditor (or representative thereof) information concerning improper governmental action; or (b) identify rules warranting review or provide information to the rules review committee.

(2) Nothing in this section authorizes an individual to disclose information otherwise prohibited by law.

NEW SECTION. **Sec. 511.** Before the 1996 legislative session, the appropriate standing committees of the legislature shall study alternative means to provide effective, objective oversight of state agency rule making, and make a recommendation whether the joint administrative rules review committee should be continued or replaced.

NEW SECTION. Sec. 601. The legislature finds that, due to the volume and complexity of laws and rules it is appropriate for regulatory agencies to adopt programs and policies that encourage voluntary compliance by those affected by specific rules. The legislature recognizes that a cooperative partnership between agencies and regulated parties that emphasizes education and assistance before the imposition of penalties will achieve greater compliance with laws and rules and that most individuals and businesses who are subject to regulation will attempt to comply with the law, particularly if they are given sufficient information. In this context, enforcement should assure that the majority of a regulated community that complies with the law are not placed at a competitive disadvantage and that a continuing failure to comply that is within the control of a party who has received technical assistance is considered by an agency when it determines the amount of any civil penalty that is issued.

NEW SECTION. Sec. 602. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Civil penalty" means a monetary penalty administratively issued by a regulatory agency for noncompliance with state or federal law or rules. The term does not include any criminal penalty, damage assessments, wages, premiums, or taxes owed, or interest or late fees on any existing obligation.

(2) "Regulatory agency" means an agency as defined in RCW 34.05.010 that has the authority to issue civil penalties. The term does not include the state patrol or any institution of higher education as defined in RCW 28B.10.016.

(3) "Technical assistance" includes:

- (a) Information on the laws, rules, and compliance methods and technologies applicable to the regulatory agency's programs;
- (b) Information on methods to avoid compliance problems;
- (c) Assistance in applying for permits; and
- (d) Information on the mission, goals, and objectives of the program.

NEW SECTION. Sec. 603. All regulatory agencies shall develop programs to encourage voluntary compliance by providing technical assistance consistent with statutory requirements. The programs shall include but are not limited to technical assistance visits, printed information, information and assistance by telephone, training meetings, and other appropriate methods to provide technical assistance. In addition, all regulatory agencies shall provide upon request a list of organizations, including private companies, that provide technical assistance. This list shall be compiled by the agencies from information submitted by the organizations and shall not constitute an endorsement by an agency of any organization.

NEW SECTION. Sec. 604. (1) For the purposes of this chapter, a technical assistance visit is a visit by a regulatory agency to a facility, business, or other location that:

- (a) Has been requested or is voluntarily accepted; and
- (b) Is declared by the regulatory agency at the beginning of the visit to be a technical assistance visit.

(2) A technical assistance visit also includes a consultative visit pursuant to RCW 49.17.250.

(3) During a technical assistance visit, or within a reasonable time thereafter, a regulatory agency shall inform the owner or operator of the facility of any violations of law or agency rules identified by the agency as follows:

- (a) A description of the condition that is not in compliance and a specific citation to the applicable law or rule;
- (b) A statement of what is required to achieve compliance;
- (c) The date by which the agency requires compliance to be achieved;
- (d) Notice of the means to contact any technical assistance services provided by the agency or others; and

NEW SECTION. Sec. 605. The owner and operator shall be given a reasonable period of time to correct violations identified during a technical assistance visit before any civil penalty provided for by law is imposed for those violations. A regulatory agency may revisit a facility, business, or other location after a technical assistance visit and a reasonable period of time has passed to correct violations identified by the agency in writing and issue civil penalties as provided for by law for any uncorrected violations.

NEW SECTION. Sec. 606. A regulatory agency that observes a violation during a technical assistance visit may issue a civil penalty as provided for by law if: (1) The individual or business has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule or has been given previous notice of the same or similar type of violation of the same statute or rule; or (2) the issue involves sales taxes due to the state and the individual or business is not remitting previously collected sales taxes to the state; or (3) the violation has a probability of placing a person in danger of death or bodily harm, has a probability of causing more than minor environmental harm, or has a probability of causing physical damage to the property of another in an amount exceeding one thousand dollars.

NEW SECTION. Sec. 607. (1) If in the course of any site inspection or visit that is not a technical assistance visit, the department of ecology becomes aware of conditions that are not in compliance with applicable laws and rules enforced by the department and are not subject to civil penalties as provided for in section 608 of this act, the department may issue a notice of correction to the responsible party that shall include:

(3) If the department issues a notice of correction, it shall not issue a civil penalty for the violations identified in the notice of correction unless the responsible party fails to comply with the notice.

NEW SECTION. Sec. 608. The department of ecology may issue a civil penalty provided for by law without first issuing a notice of correction if: (1) The person has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule or has been given previous notice of the same or similar type of violation of the same statute or rule; or (2) compliance is not achieved by the date established by the department in a previously issued notice of correction, if the department has responded to any request for review of such date by reaffirming the original date or establishing a new date; or (3) the violation has a probability of placing a person in danger of death or bodily harm, has a probability of causing more than minor environmental harm, or has a probability of causing physical damage to the property of another in an amount exceeding one thousand dollars.

NEW SECTION. Sec. 609. The provisions of sections 607 and 608 of this act affecting civil penalties issued by the department of ecology shall not apply to civil penalties for negligent discharge of oil as authorized under RCW 90.56.330 or to civil penalties as authorized under RCW 90.03.600 for unlawful use of water in violation of RCW 90.03.250 or 90.44.050.

(2) Following a compliance inspection pursuant to RCW 49.17.120, the department of labor and industries shall issue a citation for violations of industrial safety and health standards. The citation shall not assess a penalty if the violations:

- (a) Are determined not to be of a serious nature;
- (b) Have not been previously cited;
- (c) Are not willful; and
- (d) Do not have a mandatory penalty under chapter 49.17 RCW.

NEW SECTION. Sec. 611. (1) If in the course of any inspection or visit that is not a technical assistance visit, the department of agriculture, fish and wildlife, health, licensing, or natural resources becomes aware of conditions that are not in compliance with applicable laws and rules enforced by the department and are not subject to civil penalties as provided for in section 612 of this act, the department may issue a notice of correction to the responsible party that shall include:

NEW SECTION. Sec. 612. The department of agriculture, fish and wildlife, health, licensing, or natural resources may issue a civil penalty provided for by law without first issuing a notice of correction if: (1) The person has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule or has been given previous notice of the same or similar type of violation of the same statute or rule; or (2) compliance is not achieved by the date established by the department in a previously issued notice of correction, if the department has responded to any request for review of such date by reaffirming the original date or establishing a new date; (3) the violation has a probability of placing a person in danger of death or bodily harm, has a probability of causing more than minor environmental harm, or has a probability of causing physical damage to the property of another in an amount exceeding one thousand dollars; or (4) the violation was committed by a business that employed fifty or more employees on at least one day in each of the preceding twelve months. In addition, the department of fish and wildlife may issue a civil penalty provided for by law without first issuing a notice of correction for a violation of any rule dealing with seasons, catch or bag limits, gear types, or geographical areas for fish or wildlife removal, reporting, or disposal.

NEW SECTION. **Sec. 613.** The date for compliance established by the department of ecology, labor and industries, agriculture, fish and wildlife, health, licensing, or natural resources pursuant to section 607, 610, or 611 of this act respectively shall provide for a reasonable time to achieve compliance. Any person receiving a notice of correction pursuant to section 607 or 611 of this act or a report or citation pursuant to section 610 of this act may request an extension of time to achieve compliance for good cause from the issuing department. Requests shall be submitted to the issuing department and responded to by the issuing department in writing in accordance with procedures specified by the issuing department in the notice, report, or citation.

NEW SECTION. **Sec. 614.** The departments of revenue and labor and industries and the employment security department shall undertake an educational program directed at those who have the most difficulty in determining their tax or premium liability. The departments may rely on information from internal data, trade associations, and businesses to determine which entities should be selected. The educational programs may include, but not be limited to, targeted informational fact sheets, self-audits, or workshops, and may be presented individually by the agency or in conjunction with other agencies.

NEW SECTION. **Sec. 615.** The department of revenue, the department of labor and industries in respect to its duties in Title 51 RCW, and the employment security department shall develop and administer a pilot voluntary audit program. Voluntary audits can be requested by businesses from any of these agencies according to guidelines established by each agency. No penalty assessments may be made against participants in such a program except when the agency determines that either a good faith effort has not been made by the taxpayer or premium payer to comply with the law or that the taxpayer has failed to remit previously collected sales taxes to the state. The persons conducting the voluntary audit shall provide the business undergoing the voluntary audit an audit report that describes errors or omissions found and future reporting instructions. This program does not relieve a business from past or future tax or premium obligations.

NEW SECTION. **Sec. 616.** The departments of revenue and labor and industries and the employment security department shall each review the penalties it issues related to taxes or premiums to determine if they are consistent and provide for waivers in appropriate circumstances. Each department shall report the results of its review to the legislature no later than December 1, 1995.

NEW SECTION. **Sec. 617.** Nothing in this chapter obligates a regulatory agency to conduct a technical assistance visit. The state and officers or employees of the state shall not be liable for damages to a person to the extent that liability is asserted to arise from providing technical assistance, or if liability is asserted to arise from the failure of the state or officers or employees of the state to provide technical assistance. This chapter does not limit the authority of any regulatory agency to take any enforcement action, other than a civil penalty, authorized by law. This chapter shall not limit a regulatory agency's authority to issue a civil penalty as authorized by law based upon a person's failure to comply with specific terms and conditions of any permit or license issued by the agency to that person.

NEW SECTION. **Sec. 618.** Agency rules, guidelines, and procedures necessary to implement sections 601 through 615, 617, and 619 through 621 of this act shall be established and implemented expeditiously and not later than July 1, 1996.

NEW SECTION. **Sec. 619.** If a regulatory agency determines any part of this chapter to be in conflict with federal law or program requirements, in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, or in conflict with the requirements for eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this chapter shall be inoperative solely to the extent of the conflict. Any rules under this chapter shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 620. If notified by responsible federal officials of any conflict of this chapter with federal law or program requirements or with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the regulatory agency notified of the conflict shall actively seek to resolve the conflict. If the agency determines that the conflict cannot be resolved without loss of benefits or authority to the state, the agency shall notify the governor, the president of the senate, and the speaker of the house of representatives in writing within thirty days of making that determination.

NEW SECTION. Sec. 621. (1) By January 31, 1996, and by January 31st of each even-numbered year thereafter, the office of financial management, after consulting with state regulatory agencies, counties, and cities, and business, labor, and environmental organizations, shall report to the governor and the legislature regarding the effects of sections 601 through 615, 617, and 619 through 621 of this act on the regulatory system in this state. The report shall document:

(a) Technical assistance, including but not limited to technical assistance visits, provided by state regulatory agencies consistent with this chapter;

(b) Any rules adopted, guidelines developed, or training conducted to implement this chapter;

(c) Any changes in the appropriation, allocation, or expenditure of regulatory agency resources to implement this chapter;

(d) Any legal action against state regulatory agencies for any alleged failure to comply with this chapter, the costs to the state of the action, and the result;

(e) The extent to which this chapter has resulted in either an increase or decrease in regulatory agency use of civil penalties;

(f) The extent to which this chapter has contributed to any change in voluntary compliance with state statutes or rules;

(g) The extent to which this chapter has improved the acceptability or effectiveness of state regulatory procedures; and

(h) Any other information considered by the office of financial management to be useful in evaluating the effect of this chapter.

(2) This section shall expire June 30, 2000.

Sec. 629. RCW 49.17.180 and 1991 c 108 s 1 are each amended to read as follows:

(1) Except as provided in section 610 of this act, any employer who willfully or repeatedly violates the requirements of RCW 49.17.060, of any safety or health standard promulgated under the authority of this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or

(3) Any employer who has received a citation for a violation of the requirements of RCW 49.17.060, of any safety or health standard promulgated under this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090, where such violation is specifically determined not to be of a serious nature as provided in subsection (6) of this section, may be assessed a civil penalty not to exceed seven thousand dollars for each such violation, unless such violation is determined to be de minimis.

(4) Any employer who fails to correct a violation for which a citation has been issued under RCW 49.17.120 or 49.17.130 within the period permitted for its correction, which period shall not begin to run until the date of the final order of the board of industrial insurance appeals in the case of any review proceedings under this chapter initiated by the employer in good faith and not solely for delay or avoidance of penalties, may be assessed a civil penalty of not more than seven thousand dollars for each day during which such failure or violation continues.

(5) Any employer who violates any of the posting requirements of this chapter, or any of the posting requirements of rules promulgated by the department pursuant to this chapter related to employee or employee representative's rights to notice, including but not limited to those employee rights to notice set forth in RCW 49.17.080, 49.17.090, 49.17.120, 49.17.130, 49.17.220(1) and 49.17.240(2), shall be assessed a penalty not to exceed seven thousand dollars for each such violation. (6) For the purposes of this section, a serious violation shall be deemed to exist in a work place if there is a substantial probability that death or serious physical harm could result from a condition which exists, or from one or more practices, means, methods, operations, or processes which have been adopted or are in use in such work place, unless the employer did not, and could not with the exercise of reasonable diligence, know of the presence of the violation.

(7) The director, or his authorized representatives, shall have authority to assess all civil penalties provided in this section, giving due consideration to the appropriateness of the penalty with respect to the number of affected employees of the employer being charged, the gravity of the violation, the size of the employer's business, the good faith of the employer, and the history of previous violations.

(8) Civil penalties imposed under this chapter shall be paid to the director for deposit in the supplemental pension fund established by RCW 51.44.033. If violations or penalties are appealed, interest shall not begin to accrue until the thirty-first day following final resolution of the appeal.

The maximum penalty amounts established in this section may be increased annually to account for inflation as determined by the state office of the economic and revenue forecast council.

(4) All penalties recovered under this section by the department shall be paid into the state treasury and credited to the air pollution control account established in RCW 70.94.015 or, if recovered by the authority, shall be paid into the treasury of the authority and credited to its funds. If a prior penalty for the same violation has been paid to a local authority, the penalty imposed by the department under subsection (1) of this section shall be reduced by the amount of the payment.

(6) Public or private entities that are recipients or potential recipients of department grants, whether for air quality related activities or not, may have such grants rescinded or withheld by the department for failure to comply with provisions of this chapter.

(8) By January 1, 1992, the department shall develop rules for excusing excess emissions from enforcement action if such excess emissions are unavoidable. The rules shall specify the criteria and procedures for the department and local air authorities to determine whether a period of excess emissions is excusable in accordance with the state implementation plan.

The penalty herein provided for shall be imposed pursuant to the procedures set forth in RCW 43.21B.300.

Sec. 637. RCW 90.58.210 and 1986 c 292 s 4 are each amended to read as follows:

(1) Except as provided in sections 607 through 609 and 617 of this act, the attorney general or the attorney for the local government shall bring such injunctive, declaratory, or other actions as are necessary to insure that no uses are made of the shorelines of the state in conflict with the provisions and programs of this chapter, and to otherwise enforce the provisions of this chapter.

(2) Any person who shall fail to conform to the terms of a permit issued under this chapter or who shall undertake development on the shorelines of the state without first obtaining any permit required under this chapter shall also be subject to a civil penalty not to exceed one thousand dollars for each violation. Each permit violation or each day of continued development without a required permit shall constitute a separate violation.

(3) The penalty provided for in this section shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the same from the department or local government, describing the violation with reasonable particularity and ordering the act or acts constituting the violation or violations to cease and desist or, in appropriate cases, requiring necessary corrective action to be taken within a specific and reasonable time.

(4) Within thirty days after the notice is received, the person incurring the penalty may apply in writing to the department for remission or mitigation of such penalty. Upon receipt of the application, the department or local government may remit or mitigate the penalty upon whatever terms the department or local government in its discretion deems proper. Any penalty imposed pursuant to this section by the department shall be subject to review by the shorelines hearings board. Any penalty imposed pursuant to this section by local government shall be subject to review by the local government legislative authority. Any penalty jointly imposed by the department and local government shall be appealed to the shorelines hearings board.

Sec. 638. RCW 90.58.560 and 1983 c 138 s 2 are each amended to read as follows:

(1) Except as provided in sections 607 through 609 and 617 of this act, a person who violates RCW 90.58.550, or any rule adopted thereunder, is subject to a penalty in an amount of up to five thousand dollars a day for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation, every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty provided for in this section.

(2) The penalty shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the penalty from the director or the director's representative describing such violation with reasonable particularity. The director or the director's representative may, upon written application therefor received within fifteen days after notice imposing any penalty is received by the person incurring the penalty, and when deemed to carry out the

purposes of this chapter, remit or mitigate any penalty provided for in this section upon such terms as he or she deems proper, and shall have authority to ascertain the facts upon all such applications in such manner and under such regulations as he or she may deem proper.

(3) Any person incurring any penalty under this section may appeal the penalty to the hearings board as provided for in chapter 43.21B RCW. Such appeals shall be filed within thirty days of receipt of notice imposing any penalty unless an application for remission or mitigation is made to the department. When an application for remission or mitigation is made, such appeals shall be filed within thirty days of receipt of notice from the director or the director's representative setting forth the disposition of the application. Any penalty imposed under this section shall become due and payable thirty days after receipt of a notice imposing the same unless application for remission or mitigation is made or an appeal is filed. When an application for remission or mitigation is made, any penalty incurred hereunder shall become due and payable thirty days after receipt of notice setting forth the disposition of the application unless an appeal is filed from such disposition. Whenever an appeal of any penalty incurred under this section is filed, the penalty shall become due and payable only upon completion of all review proceedings and the issuance of a final order confirming the penalty in whole or in part.

(4) If the amount of any penalty is not paid to the department within thirty days after it becomes due and payable, the attorney general, upon the request of the director, shall bring an action in the name of the state of Washington in the superior court of Thurston county or of any county in which such violator may do business, to recover such penalty. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise in this chapter provided. All penalties recovered under this section shall be paid into the state treasury and credited to the general fund.

Sec. 639. RCW 90.76.080 and 1989 c 346 s 9 are each amended to read as follows:

(1) Except as provided in sections 607 through 609 and 617 of this act, a person who fails to notify the department pursuant to tank notification requirements or who submits false information is subject to a civil penalty not to exceed five thousand dollars per violation.

(2) Except as provided in sections 607 through 609 and 617 of this act, a person who violates this chapter is subject to a civil penalty not to exceed five thousand dollars for each tank per day of violation.

PART VII RULES REVIEW

NEW SECTION. **Sec. 701.** A new section is added to chapter 34.05 RCW under the subchapter heading Part III to read as follows:

(1) Not later than June 30th of each year, each agency shall submit to the code reviser, according to procedures and time lines established by the code reviser, rules that it determines should be repealed by the expedited repeal procedures provided for in this section. An agency shall file a copy of a preproposal notice of inquiry, as provided in RCW 34.05.310(1), that identifies the rule as one that is proposed for expedited repeal.

(2) An agency may propose the expedited repeal of rules meeting one or more of the following criteria:

(a) The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;

(b) The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;

(c) The rule is no longer necessary because of changed circumstances; or

(d) Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

(3) The agency shall also send a copy of the preproposal notice of inquiry to any person who has requested notification of copies of proposals for the expedited repeal of rules or of agency rule

making. The preproposal notice of inquiry shall include a statement that any person who objects to the repeal of the rule must file a written objection to the repeal within thirty days after the preproposal notice of inquiry is published. The notice of inquiry shall also include an explanation of the reasons the agency believes the expedited repeal of the rule is appropriate.

(4) The code reviser shall publish all rules proposed for expedited repeal in a separate section of a regular edition of the Washington state register or in a special edition of the Washington state register. The publication shall be not later than July 31st of each year, or in the first register published after that date.

(5) Any person may file a written objection to the expedited repeal of a rule. The notice shall be filed with the agency rules coordinator within thirty days after the notice of inquiry has been published in the Washington state register. The written objection need not state any reason for objecting to the expedited repeal of the rule.

(6) If no written objections to the expedited repeal of a rule are filed with the agency within thirty days after the preproposal notice of inquiry is published, the agency may enter an order repealing the rule without further notice or an opportunity for a public hearing. The order shall be published in the manner required by this chapter for any other order of the agency adopting, amending, or repealing a rule. If a written objection to the expedited repeal of the rule is filed with the agency within thirty days after the notice of inquiry has been published, the preproposal notice of inquiry published pursuant to this section shall be considered a preproposal notice of inquiry for the purposes of RCW 34.05.310(1) and the agency may initiate rule adoption proceedings in accordance with the provisions of this chapter.

Sec. 702. RCW 34.05.230 and 1988 c 288 s 203 are each amended to read as follows:

(1) If the adoption of rules is not feasible and practicable, an agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of interpretive or policy statements. Current interpretive and policy statements are advisory only. An agency is encouraged to convert long-standing interpretive and policy statements into rules.

(2) A person may petition an agency requesting the conversion of interpretive and policy statements into rules. Upon submission, the agency shall notify the joint administrative rules review committee of the petition. Within sixty days after submission of a petition, the agency shall either deny the petition in writing, stating its reasons for the denial, or initiate rule-making proceedings in accordance with this chapter.

(3) Each agency shall maintain a roster of interested persons, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. Each agency shall update the roster once each year and eliminate persons who do not indicate a desire to continue on the roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of the statement to each person listed on the roster. The agency may charge a nominal fee to the interested person for this service.

Sec. 703. RCW 34.05.330 and 1988 c 288 s 305 are each amended to read as follows:

(1) Any person may petition an agency requesting the adoption, amendment, or repeal of any rule. ~~((Each agency may))~~ The office of financial management shall prescribe by rule the ((form)) format for such petitions and the procedure for their submission, consideration, and disposition and provide a standard form that may be used to petition any agency. Within sixty days after submission of a petition, the agency shall ~~((4))~~ either (a) deny the petition in writing, stating (i) its reasons for the denial, specifically addressing the concerns raised by the petitioner, and, where appropriate, (ii) the alternative means by which it will address the concerns raised by the petitioner, or ~~((2))~~ (b) initiate rule-making proceedings in accordance with this chapter.

(2) If an agency denies a petition to repeal or amend a rule submitted under subsection (1) of this section, the petitioner, within thirty days of the denial, may appeal the denial to the governor. The governor shall immediately file notice of the appeal with the code reviser for publication in the Washington state register. Within forty-five days after receiving the appeal, the governor shall either (a) deny the petition in writing, stating (i) his or her reasons for the denial, specifically addressing the concerns raised by the petitioner, and, (ii) where appropriate, the alternative means by which he or she

will address the concerns raised by the petitioner; (b) for agencies listed in RCW 43.17.010, direct the agency to initiate rule-making proceedings in accordance with this chapter; or (c) for agencies not listed in RCW 43.17.010, recommend that the agency initiate rule-making proceedings in accordance with this chapter. The governor's response to the appeal shall be published in the Washington state register and copies shall be submitted to the chief clerk of the house of representatives and the secretary of the senate.

(3) In petitioning for repeal or amendment of a rule under this section, a person is encouraged to address, among other concerns:

(a) Whether the rule is authorized;

(b) Whether the rule is needed;

(c) Whether the rule conflicts with or duplicates other federal, state, or local laws;

(d) Whether alternatives to the rule exist that will serve the same purpose at less cost;

(e) Whether the rule applies differently to public and private entities;

(f) Whether the rule serves the purposes for which it was adopted;

(g) Whether the costs imposed by the rule are unreasonable;

(h) Whether the rule is clearly and simply stated; and

(i) Whether the rule is different than a federal law applicable to the same activity or subject matter without adequate justification.

(4) The business assistance center and the office of financial management shall coordinate efforts among agencies to inform the public about the existence of this rules review process.

(5) The office of financial management shall initiate the rule making required by subsection (1) of this section by September 1, 1995.

NEW SECTION. Sec. 704. A new section is added to chapter 1.08 RCW to read as follows:

(1) The code reviser shall compile and publish on a quarterly basis a report on state agency rule-making activity. The report shall summarize the following information by agency and by type of activity for new, amended, and repealed rules adopted by state agencies pursuant to chapter 34.05 RCW:

(a) The number adopted, proposed for adoption, and withdrawn;

(b) The number adopted as emergency rules;

(c) The number adopted in order to comply with federal statute, with federal rules or standards, and with recently enacted state statutes;

(d) The number adopted at the request of a nongovernmental entity;

(e) The number adopted on an agency's own initiative;

(f) The number adopted in order to clarify, streamline, or reform agency procedures;

(g) The number of petitions for review of rules received by agencies;

(h) The number of rules appealed to superior court; and

(i) The number adopted using negotiated rule making, pilot rule making, or other alternative rule-making mechanisms.

(2) For purposes of the report required by this section, each Washington State Register filing section shall be considered as a separate rule. The code reviser may adopt rules necessary to implement this section. To the maximum extent practicable, the code reviser shall use information supplied on forms provided by state agencies pursuant to chapter 34.05 RCW to prepare the report required by this section.

PART VIII JUDICIAL REVIEW

Sec. 801. RCW 34.05.370 and 1994 c 249 s 2 are each amended to read as follows:

(1) Each agency shall maintain an official rule-making file for each rule that it (a) proposes by publication in the state register, or (b) adopts. The file and materials incorporated by reference shall be available for public inspection.

(2) The agency rule-making file shall contain all of the following:

(a) Copies of all publications in the state register with respect to the rule or the proceeding upon which the rule is based;

(b) Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding on which the rule is based;

(c) All written petitions, requests, submissions, and comments received by the agency and all other written material regarded by the agency as important to adoption of the rule or the proceeding on which the rule is based;

(d) Any official transcript of oral presentations made in the proceeding on which the rule is based or, if not transcribed, any tape recording or stenographic record of them, and any memorandum prepared by a presiding official summarizing the contents of those presentations;

~~(e) ((The concise explanatory statement required by RCW 34.05.355;~~

~~(f)))~~ All petitions for exceptions to, amendment of, or repeal or suspension of, the rule;

~~((g)))~~ (f) Citations to data, factual information, studies, or reports on which the agency relies in the adoption of the rule, indicating where such data, factual information, studies, or reports are available for review by the public, but this subsection (2)(f) does not require the agency to include in the rule-making file any data, factual information, studies, or reports gathered pursuant to chapter 19.85 RCW that can be identified to a particular business;

~~((h)))~~ (g) The ~~((written summary and response))~~ concise explanatory statement required by RCW 34.05.325(6); and

~~((i)))~~ (h) Any other material placed in the file by the agency.

(3) Internal agency documents are exempt from inclusion in the rule-making file under subsection (2) of this section to the extent they constitute preliminary drafts, notes, recommendations, and intra-agency memoranda in which opinions are expressed or policies formulated or recommended, except that a specific document is not exempt from inclusion when it is publicly cited by an agency in connection with its decision.

(4) Upon judicial review, the file required by this section constitutes the official agency rule-making file with respect to that rule. Unless otherwise required by another provision of law, the official agency rule-making file need not be the exclusive basis for agency action on that rule.

Sec. 802. RCW 34.05.570 and 1989 c 175 s 27 are each amended to read as follows:

(1) Generally. Except to the extent that this chapter or another statute provides otherwise:

(a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity;

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;

(c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and

(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to this subsection or in the context of any other review proceeding under this section. In an action challenging the validity of a rule, the agency shall be made a party to the proceeding.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a proceeding involving review of a rule, the court shall declare the rule invalid only if it finds that: ~~((i))~~ The rule violates constitutional provisions((-)); the rule exceeds the statutory authority of the agency((-)); the rule was adopted without compliance with statutory rule-making procedures((-or could not conceivably have been the product of a rational decision-maker)); or the rule is arbitrary and capricious.

(3) Review of agency orders in adjudicative proceedings. The court shall grant relief from an agency order in an adjudicative proceeding only if it determines that:

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied;

(b) The order is outside the statutory authority or jurisdiction of the agency conferred by any provision of law;

(c) The agency has engaged in unlawful procedure or decision-making process, or has failed to follow a prescribed procedure;

(d) The agency has erroneously interpreted or applied the law;

(e) The order is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter;

(f) The agency has not decided all issues requiring resolution by the agency;

(g) A motion for disqualification under RCW 34.05.425 or 34.12.050 was made and was improperly denied or, if no motion was made, facts are shown to support the grant of such a motion that were not known and were not reasonably discoverable by the challenging party at the appropriate time for making such a motion;

(h) The order is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency; or

(i) The order is arbitrary or capricious.

(4) Review of other agency action.

(a) All agency action not reviewable under subsection (2) or (3) of this section shall be reviewed under this subsection.

(b) A person whose rights are violated by an agency's failure to perform a duty that is required by law to be performed may file a petition for review pursuant to RCW 34.05.514, seeking an order pursuant to this subsection requiring performance. Within twenty days after service of the petition for review, the agency shall file and serve an answer to the petition, made in the same manner as an answer to a complaint in a civil action. The court may hear evidence, pursuant to RCW 34.05.562, on material issues of fact raised by the petition and answer.

(c) Relief for persons aggrieved by the performance of an agency action, including the exercise of discretion, or an action under (b) of this subsection can be granted only if the court determines that the action is:

(i) Unconstitutional;

(ii) Outside the statutory authority of the agency or the authority conferred by a provision of law;

(iii) Arbitrary or capricious; or

(iv) Taken by persons who were not properly constituted as agency officials lawfully entitled to take such action.

Sec. 803. RCW 34.05.534 and 1988 c 288 s 507 are each amended to read as follows:

A person may file a petition for judicial review under this chapter only after exhausting all administrative remedies available within the agency whose action is being challenged, or available within any other agency authorized to exercise administrative review, except:

(1) A petitioner for judicial review of a rule need not have participated in the rule-making proceeding upon which that rule is based, ~~((or))~~ have petitioned for its amendment or repeal, or have appealed a petition for amendment or repeal to the governor;

(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that this chapter or any other statute states that exhaustion is not required; or

(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative remedies upon a showing that:

(a) The remedies would be patently inadequate;

(b) The exhaustion of remedies would be futile; or

(c) The grave irreparable harm that would result from having to exhaust administrative remedies would clearly outweigh the public policy requiring exhaustion of administrative remedies.

EQUAL ACCESS TO JUSTICE

NEW SECTION. Sec. 901. The legislature finds that certain individuals, smaller partnerships, smaller corporations, and other organizations may be deterred from seeking review of or defending against an unreasonable agency action because of the expense involved in securing the vindication of their rights in administrative proceedings. The legislature further finds that because of the greater resources and expertise of the state of Washington, individuals, smaller partnerships, smaller corporations, and other organizations are often deterred from seeking review of or defending against state agency actions because of the costs for attorneys, expert witnesses, and other costs. The legislature therefore adopts this equal access to justice act to ensure that these parties have a greater opportunity to defend themselves from inappropriate state agency actions and to protect their rights.

NEW SECTION. Sec. 902. A new section is added to chapter 4.84 RCW to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 902 through 904 of this act.

(1) "Agency" means any state board, commission, department, institution of higher education, or officer, authorized by law to make rules or to conduct adjudicative proceedings, except those in the legislative or judicial branches, the governor, or the attorney general except to the extent otherwise required by law.

(2) "Agency action" means agency action as defined by chapter 34.05 RCW.

(3) "Fees and other expenses" includes the reasonable expenses of expert witnesses, the reasonable cost of a study, analysis, engineering report, test, or project that is found by the court to be necessary for the preparation of the party's case, and reasonable attorneys' fees. Reasonable attorneys' fees shall be based on the prevailing market rates for the kind and quality of services furnished, except that (a) no expert witness shall be compensated at a rate in excess of the highest rates of compensation for expert witnesses paid by the state of Washington, and (b) attorneys' fees shall not be awarded in excess of one hundred fifty dollars per hour unless the court determines that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.

(4) "Judicial review" means a judicial review as defined by chapter 34.05 RCW.

(5) "Qualified party" means (a) an individual whose net worth did not exceed one million dollars at the time the initial petition for judicial review was filed or (b) a sole owner of an unincorporated business, or a partnership, corporation, association, or organization whose net worth did not exceed five million dollars at the time the initial petition for judicial review was filed, except that an organization described in section 501(c)(3) of the federal internal revenue code of 1954 as exempt from taxation under section 501(a) of the code and a cooperative association as defined in section 15(a) of the agricultural marketing act (12 U.S.C. 1141J(a)), may be a party regardless of the net worth of such organization or cooperative association.

NEW SECTION. Sec. 903. A new section is added to chapter 4.84 RCW to read as follows:

(1) Except as otherwise specifically provided by statute, a court shall award a qualified party that prevails in a judicial review of an agency action fees and other expenses, including reasonable attorneys' fees, unless the court finds that the agency action was substantially justified or that circumstances make an award unjust. A qualified party shall be considered to have prevailed if the qualified party obtained relief on a significant issue that achieves some benefit that the qualified party sought.

(2) The amount awarded a qualified party under subsection (1) of this section shall not exceed twenty-five thousand dollars. Subsection (1) of this section shall not apply unless all parties challenging the agency action are qualified parties. If two or more qualified parties join in an action, the award in total shall not exceed twenty-five thousand dollars. The court, in its discretion, may reduce the amount to be awarded pursuant to subsection (1) of this section, or deny any award, to the extent that a qualified party during the course of the proceedings engaged in conduct that unduly or unreasonably protracted the final resolution of the matter in controversy.

NEW SECTION. Sec. 904. A new section is added to chapter 4.84 RCW to read as follows:

Fees and other expenses awarded under sections 902 and 903 of this act shall be paid by the agency over which the party prevails from operating funds appropriated to the agency within sixty days. Agencies paying fees and other expenses pursuant to sections 902 and 903 of this act shall report all payments to the office of financial management within five days of paying the fees and other expenses. Fees and other expenses awarded by the court shall be subject to the provisions of chapter 39.76 RCW and shall be deemed payable on the date the court announces the award.

NEW SECTION. Sec. 905. A new section is added to chapter 43.88 RCW to read as follows:

The office of financial management shall report annually to the legislature on the amount of fees and other expenses awarded during the preceding fiscal year pursuant to sections 902 through 904 of this act. The report shall describe the number, nature, and amount of the awards, the claims involved in the controversy, and other relevant information that may aid the legislature in evaluating the scope and impact of the awards.

PART X BUSINESS LICENSE INFORMATION

NEW SECTION. Sec. 1001. The master license system of the department of licensing is a proven, progressive program for one-stop state licensing. This flexible system should be expanded into a state-wide shared data base to facilitate combined licensing processes at local, state, and federal levels as a benefit to the business community through improved customer service.

NEW SECTION. Sec. 1006. A new section is added to chapter 19.02 RCW to read as follows:

- (1) By June 30, 1997, the department shall have a pilot combined licensing project fully operational in at least two cities within the state of Washington, with at least one city west of the Cascade mountains and at least one city east of the Cascade mountains.

MOTION

Representative Reams moved that the House concur in the Senate amendments to Engrossed Substitute House Bill No. 1010 and pass the bill as amended by the Senate. The motion was carried.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1010 as amended by the Senate.

Representatives Reams, Rust, Patterson, Conway and Clements spoke in favor of passage of the bill.

Representative Chopp spoke against passage of the bill.

POINT OF INQUIRY

Representative Reams yielded to a question by Representative Chandler.

Representative Chandler: The U. S. Environmental Protection Agency is developing an unprecedented volume of rules to implement the federal clean air act. Washington also has a complex state clean air act, with provisions which may be construed as authority to develop regulations more stringent than, or in advance of, similar federal requirements. Is it the intention of the procedures required by Section 113 to provide a respite from state rule making, so that deferral requirements can be implemented and evaluated before the state imposes burdens sooner than, or more stringent than, the federal regulations?

Representative Reams: Yes. It is the intent of this Section that the Department of Ecology may adopt or amend an air quality regulation that imposes burdens sooner than, or more stringent than, similar federal requirements only after complying with the analysis outlined in this Section.

POINT OF INQUIRY

Representative Reams yielded to a question by Representative Hickel.

Representative Hickel: The striking amendment replaces the existing standard for Judicial review of agency rules with the arbitrary and capricious standard. What is your intent in using this standard?

Representative Chandler: It is our intent in replacing the existing standard with the arbitrary and capricious standard to affirm the direction taking by the majority of our State's Supreme Court in 1992 decision *Neha Bay Chambers of Commerce verses the Department of Fisheries*, that is that when reviewing an agency rule, although a court should not substitute it's judgment for that of the agency. It should engage in a thorough probing, in depth review to determine whether the agency reached its result through a process of reason and took a hard look at the rule before adopting it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1010 as amended by the Senate, and the bill passed the House by the following vote: Yeas - 89, Nays - 8, Absent - 0, Excused - 1.

Voting yea: Representatives Appelwick, Backlund, Ballasiotes, Basich, Beeksma, Blanton, Boldt, Brown, Brumsickle, Buck, Cairnes, Campbell, Carlson, Carrell, Casada, Chandler, Chappell, Clements, Conway, Cooke, Costa, Crouse, Dellwo, Delvin, Dickerson, Dyer, Ebersole, Elliot, Fisher, G., Foreman, Fuhrman, Goldsmith, Grant, Hankins, Hargrove, Hatfield, Hickel, Honeyford, Horn, Huff, Hymes, Jacobsen, Johnson, Kessler, Koster, Kremen, Lambert, Lisk, Mastin, McMahan, McMorris, Mielke, Mitchell, Morris, Mulliken, Ogden, Patterson, Pelesky, Pennington, Poulsen, Quall, Raddcliff, Reams, Robertson, Romero, Rust, Schmidt, D., Schmidt, K., Schoesler, Scott, Sehlin, Sheahan, Sheldon, Sherstad, Silver, Skinner, Smith, Sommers, Sterk, Stevens, Talcott, Thibaudeau, Thomas, B., Thomas, L., Thompson, Valle, Van Luven, Wolfe and Mr. Speaker - 89.

Voting nay: Representatives Chopp, Cody, Cole, Fisher, R., Mason, Regala, Tokuda and Veloria - 8.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1136 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the responsibility for criminal activity should fall squarely on the criminal. To the greatest extent possible society should not be expected to have to pay the price for crimes twice, once for the criminal activity and again by feeding, clothing, and housing the criminal. The corrections system should be the first place criminals are given the opportunity to be responsible for paying for their criminal act, not just through the loss of their personal freedom, but by making financial contributions to alleviate the pain and suffering of victims of crime.

NEW SECTION. Sec. 2. A new section is added to chapter 72.09 RCW to read as follows:

Each year the department shall transfer twenty-five percent of the total annual revenues and receipts received in each institutional betterment fund subaccount to the department of labor and industries for the purpose of providing direct benefits to crime victims through the crime victims' compensation program as outlined in chapter 7.68 RCW. This transfer takes priority over any expenditure of betterment funds and shall be reflected on the monthly financial statements of each institution's betterment fund subaccount.

Any funds so transferred to the department of labor and industries shall be in addition to the crime victims' compensation amount provided in an omnibus appropriation bill. It is the intent of the legislature that the funds forecasted or transferred pursuant to this section shall not reduce the funding levels provided by appropriation.

The director shall establish such fund or funds, separate from existing funds, necessary to administer this chapter, and payment to these funds shall be from legislative appropriation, statutory provision, reimbursement and subrogation as provided in this chapter, and from any contributions or grants specifically so directed."

On page 11, after line 31, insert the following:

"**Sec. 9.** RCW 66.28.180 and 1985 c 226 s 4 are each amended to read as follows:

It is unlawful for a person, firm, or corporation holding a certificate of approval issued under RCW 66.24.270 or 66.24.206, a beer wholesaler's license, a brewer's license, a beer importer's license, a domestic winery license, a wine importer's license, or a wine wholesaler's license within the state of Washington to modify any prices without prior notification to and approval of the board.

(1) Intent. This section is enacted, pursuant to the authority of this state under the twenty-first amendment to the United States Constitution, to promote the public's interest in fostering the orderly and responsible distribution of malt beverages and wine towards effective control of consumption; to promote the fair and efficient three-tier system of distribution of such beverages; and to confirm existing board rules as the clear expression of state policy to regulate the manner of selling and pricing of wine and malt beverages by licensed suppliers and wholesalers.

(2) Beer and wine wholesale price posting. (a) Every beer or wine wholesaler shall file with the board at its office in Olympia a price posting showing the wholesale prices at which any and all brands of beer and wine sold by such beer and/or wine wholesaler shall be sold to retailers within the state.

(b) Each price posting shall be made on a form prepared and furnished by the board, or a reasonable facsimile thereof, and shall set forth:

(i) All brands, types, packages, and containers of beer offered for sale by such beer and/or wine wholesaler;

(ii) The wholesale prices thereof to retail licensees, including allowances, if any, for returned empty containers.

(c) No beer and/or wine wholesaler may sell or offer to sell any package or container of beer or wine to any retail licensee at a price differing from the price for such package or container as shown in the price posting filed by the beer and/or wine wholesaler and then in effect, according to rules adopted by the board.

(d) Quantity discounts are prohibited. No price may be posted that is below acquisition cost plus ten percent of acquisition cost. However, the board is empowered to review periodically, as it may deem appropriate, the amount of the percentage of acquisition cost as a minimum mark-up over cost and to modify such percentage by rule of the board, except such percentage shall be not less than ten percent.

(e) Wholesale prices on a "close-out" item shall be accepted by the board if the item to be discontinued has been listed on the state market for a period of at least six months, and upon the further condition that the wholesaler who posts such a close-out price shall not restock the item for a period of one year following the first effective date of such close-out price.

(f) The board may reject any price posting that it deems to be in violation of this section or any rule, or portion thereof, or that would tend to disrupt the orderly sale and distribution of beer and wine. Whenever the board rejects any posting, the licensee submitting the posting may be heard by the board and shall have the burden of showing that the posting is not in violation of this section or a rule or does not tend to disrupt the orderly sale and distribution of beer and wine. If the posting is accepted, it shall become effective at the time fixed by the board. If the posting is rejected, the last effective posting shall remain in effect until such time as an amended posting is filed and approved, in accordance with the provisions of this section.

(g) All price postings filed as required by this section shall at all times be open to inspection to all trade buyers within the state of Washington and shall not in any sense be considered confidential.

(h) Any beer and/or wine wholesaler or employee authorized by the wholesaler-employer may sell beer and/or wine at the wholesaler's posted prices to any class A, B, C, D, E, F, H, G, or J licensee upon presentation to the wholesaler or employee at the time of purchase of a special permit issued by the board to such licensee.

(i) Every class A, B, C, D, E, F, H, G, or J licensee, upon purchasing any beer and/or wine from a wholesaler, shall immediately cause such beer or wine to be delivered to the licensed premises, and the licensee shall not thereafter permit such beer to be disposed of in any manner except as authorized by the license.

(ii) Beer and wine sold as provided in this section shall be delivered by the wholesaler or an authorized employee either to the retailer's licensed premises or directly to the retailer at the wholesaler's licensed premises. A wholesaler's prices to retail licensees shall be the same at both such places of delivery.

(3) Beer and wine suppliers' price filings, contracts, and memoranda. (a) Every brewery and winery offering beer and/or wine for sale within the state shall file with the board at its office in Olympia a copy of every written contract and a memorandum of every oral agreement which such brewery or winery may have with any beer or wine wholesaler, which contracts or memoranda shall contain a schedule of prices charged to wholesalers for all items and all terms of sale, including all regular and special discounts; all advertising, sales and trade allowances, and incentive programs; and all commissions, bonuses or gifts, and any and all other discounts or allowances. Whenever changed or modified, such revised contracts or memoranda shall forthwith be filed with the board as provided for by rule. The provisions of this section also apply to certificate of approval holders, beer and/or wine importers, and beer and/or wine wholesalers who sell to other beer and/or wine wholesalers.

Each price schedule shall be made on a form prepared and furnished by the board, or a reasonable facsimile thereof, and shall set forth all brands, types, packages, and containers of beer or

wine offered for sale by such licensed brewery or winery; all additional information required may be filed as a supplement to the price schedule forms.

(b) Prices filed by a brewery or winery shall be uniform prices to all wholesalers on a state-wide basis less bona fide allowances for freight differentials. Quantity discounts are prohibited. No price shall be filed that is below acquisition/production cost plus ten percent of that cost, except that acquisition cost plus ten percent of acquisition cost does not apply to sales of beer or wine between a beer or wine importer who sells beer or wine to another beer or wine importer or to a beer or wine wholesaler, or to a beer or wine wholesaler who sells beer or wine to another beer or wine wholesaler. However, the board is empowered to review periodically, as it may deem appropriate, the amount of the percentage of acquisition/production cost as a minimum mark-up over cost and to modify such percentage by rule of the board, except such percentage shall be not less than ten percent.

(c) No brewery, winery, certificate of approval holder, wine importer, or wine wholesaler may sell or offer to sell any beer or wine to any persons whatsoever in this state until copies of such written contracts or memoranda of such oral agreements are on file with the board.

(d) No brewery or winery may sell or offer to sell any package or container of beer or wine to any wholesaler at a price differing from the price for such package or container as shown in the schedule of prices filed by the brewer or domestic winery and then in effect, according to rules adopted by the board.

(e) The board may reject any supplier's price filing, contract, or memorandum of oral agreement, or portion thereof that it deems to be in violation of this section or any rule or that would tend to disrupt the orderly sale and distribution of beer or wine. Whenever the board rejects any such price filing, contract, or memorandum, the licensee submitting the price filing, contract, or memorandum may be heard by the board and shall have the burden of showing that the price filing, contract, or memorandum is not in violation of this section or a rule or does not tend to disrupt the orderly sale and distribution of beer or wine. If the price filing, contract, or memorandum is accepted, it shall become effective at a time fixed by the board. If the price filing, contract, or memorandum, or portion thereof, is rejected, the last effective price filing, contract, or memorandum shall remain in effect until such time as an amended price filing, contract, or memorandum is filed and approved, in accordance with the provisions of this section.

(f) All prices, contracts, and memoranda filed as required by this section shall at all times be open to inspection to all trade buyers within the state of Washington and shall not in any sense be considered confidential."

April 12, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1630 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 18.27 RCW to read as follows:

The purposes of this chapter are to protect the general welfare of the residents of this state who purchase construction services and the general economic welfare of business in compliance with this chapter, to enhance state revenue collections, and to promote compliance and enforcement of this chapter by providing swift and meaningful penalties for those failing to register as required by this chapter.

This chapter shall be strictly enforced to accomplish these purposes. Therefore, the doctrine of substantial compliance shall not be used by the department in the application and construction of this chapter. Anyone engaged in the activities of a contractor is presumed to know the requirements of this chapter.

Sec. 2. RCW 18.27.010 and 1993 c 454 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

"Contractor" includes any person, firm, or corporation covered by this subsection, whether or not registered as required under this chapter.

(2) "General contractor" means a contractor whose business operations require the use of more than two unrelated building trades or crafts whose work the contractor shall superintend or do in whole or in part. "General contractor" shall not include an individual who does all work personally without employees or other "specialty contractors" as defined (~~(herein)~~) in this section. The terms "general contractor" and "builder" are synonymous.

(3) "Specialty contractor" means a contractor whose operations (~~(as such)~~) do not fall within the foregoing definition of "general contractor".

(4) "Unregistered contractor" means a person, firm, or corporation doing work as a contractor without being registered in compliance with this chapter. "Unregistered contractor" includes contractors whose registration is expired for more than thirty days beyond the renewal date or has been suspended.

(5) "Department" means the department of labor and industries.

~~((5))~~ (6) "Director" means the director of the department of labor and industries.

~~((6))~~ (7) "Verification" means the receipt and duplication by the city, town, or county of a contractor registration card that is current on its face.

Sec. 3. RCW 18.27.020 and 1993 c 454 s 6 are each amended to read as follows:

(d) Transfer a valid registration to an unregistered contractor or allow an unregistered contractor to work under a registration issued to another contractor; or

(e) Knowingly subcontract work to a person, firm, or corporation not registered as required under this chapter. However, a contractor does not commit a misdemeanor under this section if a subcontractor becomes unregistered during the course of its work without the knowledge of the contractor.

(3) All misdemeanor actions under this chapter shall be prosecuted in the county where the (~~(infraction)~~) violation occurs.

(4) The director by rule shall establish a two-year audit and monitoring program for a contractor not registered under this chapter who becomes registered after receiving an infraction or conviction under this chapter as an unregistered contractor. The director shall notify the department of revenue and the employment security department of such infractions or convictions and shall cooperate with such departments in determining whether any taxes or registration, license, or other fees or penalties are owed the state.

Sec. 4. RCW 18.27.030 and 1992 c 217 s 1 are each amended to read as follows:

(1) An applicant for registration as a contractor shall submit an application under oath upon a form to be prescribed by the director and which shall include the following information pertaining to the applicant:

(a) Employer social security number.

(b) As applicable: (i) The industrial insurance account number covering employees domiciled in Washington; and (ii) evidence of workers' compensation coverage in the applicant's state of domicile for the applicant's employees working in Washington who are not domiciled in Washington.

(c) Employment security department number.

(d) State excise tax registration number.

(e) Unified business identifier (UBI) account number may be substituted for the information required by (b), (c), and (d) of this subsection.

(f) Type of contracting activity, whether a general or a specialty contractor and if the latter, the type of specialty.

(g) The name and address of each partner if the applicant be a firm or partnership, or the name and address of the owner if the applicant be an individual proprietorship, or the name and address of

the corporate officers and statutory agent, if any, if the applicant be a corporation. The information contained in such application shall be a matter of public record and open to public inspection.

(2) The department may verify the workers' compensation coverage information provided by the applicant under subsection (1)(b) of this section, including but not limited to information regarding the coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) The department shall deny an application for registration ((shall be denied)) if the applicant has been previously registered as a sole proprietor, partnership, or corporation((, and was a principal or officer of the corporation,)) and ((if)) the applicant has an unsatisfied final judgment in an action based on RCW 18.27.040((,)) that was incurred during a previous registration under this chapter. The department shall check for unsatisfied judgments under RCW 18.27.040 and a history of violations and misdemeanors when application is made. A history of violations, revoked and suspended registrations or licenses, or misdemeanors relating to the construction business may be grounds for denial.

Sec. 5. RCW 18.27.040 and 1988 c 139 s 1 are each amended to read as follows:

(1) Each applicant shall((, at the time of applying for or renewing a certificate of registration, file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in a form acceptable to the department running to the state of Washington if a general contractor, in the sum of six thousand dollars; if a specialty contractor, in the sum of four thousand dollars,)) accompany the application for a certificate of registration with a surety bond or continuation certificate issued by a surety insurer who meets the requirements of chapter 48.28 RCW in the sum of fifteen thousand dollars if the applicant is a general contractor and ten thousand dollars if the applicant is a specialty contractor. The bond shall have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intent to cancel the bond. A cancellation or revocation of the bond or withdrawal of the surety from the bond suspends the registration issued to the registrant until a new bond or reinstatement notice has been filed and approved as provided in this section. Whether or not the bond is renewed, continued, reinstated, reissued, or otherwise extended, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate or cumulative amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or a portion thereof, at two or more points in time be added together in determining the surety's liability. The bond shall be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing labor or material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of ((negligent or improper work or)) breach of contract including negligent or improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity shall not impair a bond for the purposes of this section so long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) Any contractor registered as of ((the effective date of this 1983 act)) July 1, 1995, who maintains such registration in accordance with this chapter shall be in compliance with this chapter until the next annual renewal of the contractor's certificate of registration. At that time, the contractor shall provide a bond, cash deposit, or other security deposit as required by this chapter and comply with all of the other provisions of this chapter before the department shall renew the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit upon ((such)) the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. Action upon ((such)) the bond or deposit shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date of expiration of the certificate of registration in force at the time the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was completed or abandoned. Service of process in an action against the

contractor, the contractor's bond, or the deposit shall be exclusively by service upon the department. Three copies of the summons and complaint and a fee of ten dollars to cover the handling costs shall be served by registered or certified mail upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the ten-dollar fee and three copies of the summons and complaint. ~~((Such))~~ The service shall constitute service on the registrant and the surety for suit upon the bond or deposit and the department shall transmit the summons and complaint or a copy thereof to the registrant at the address listed in his or her application and to the surety within forty-eight hours after it shall have been received.

(4) The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety shall not cumulate where the bond has been renewed, continued, reinstated, reissued or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated but if the actions commenced and pending at any one time exceed the amount of the bond then unimpaired, claims shall be satisfied from the bond in the following order:

- (a) Employee labor, including employee benefits;
- (b) Claims for breach of contract by a party to the construction contract;
- (c) Material and equipment;
- (d) Taxes and contributions due the state of Washington;

(e) Any court costs, interest, and attorney's fees plaintiff may be entitled to recover. The prevailing party in a bond claim action against the contractor and the contractor's bond, as required by this section, for breach of a construction contract is entitled to costs, interest, and reasonable attorneys' fees. In no event, however, may the combined costs, interest, attorneys' fees, and bond loss exceed the penal limit of the bond.

The total amount paid from a bond or deposit to claimants other than those asserting a claim for breach of construction contract shall not exceed in the aggregate six thousand dollars for a general contractor and four thousand dollars for a specialty contractor.

A payment made by the surety in good faith shall exonerate the bond to extent of any payment made by the surety.

(5) ~~((In the event that any))~~ If a final judgment ~~((shall))~~ impairs the liability of the surety upon the bond so furnished that there shall not be in effect a bond undertaking in the full amount prescribed in this section, the department shall suspend the registration of ~~((such))~~ the contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims ~~((shall have been))~~ is furnished. If ~~((such))~~ the bond becomes fully impaired, a new bond must be furnished at the ~~((increased))~~ rates prescribed by this section ~~((as now or hereafter amended)).~~

(6) In lieu of the surety bond required by this section the contractor may file with the department a deposit consisting of cash or other security acceptable to the department.

(7) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of ~~((such))~~ the certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

(8) The director may ~~((promulgate))~~ adopt rules necessary for the proper administration of the security.

Sec. 6. RCW 18.27.060 and 1983 1st ex.s. c 2 s 19 are each amended to read as follows:

(1) A certificate of registration shall be valid for one year and shall be renewed on or before the expiration date. The department shall issue to the applicant a certificate of registration upon compliance with the registration requirements of this chapter.

(2) If the department approves an application, it shall issue a certificate of registration to the applicant. The certificate shall be valid for:

(a) One year;

(b) Until the bond expires; or

(c) Until the insurance expires, whichever comes first. The department shall place the expiration date on the certificate.

(3) A contractor may supply a short-term bond or insurance policy to bring its registration period to the full one year.

(4) If a contractor's surety bond or other security has an unsatisfied judgment against it or is canceled, or if the contractor's insurance policy is canceled, the contractor's registration shall be automatically suspended on the effective date of the impairment or cancellation. The department shall give notice of the suspension to the contractor by certified and by first class mail within forty-eight hours after suspension.

(5) Renewal of registration shall be considered valid upon the date the department receives the required fee and proof of bond and liability insurance, if sent by certified mail or other means requiring proof of delivery. The receipt or proof of delivery shall serve as the contractor's proof of renewed registration until he or she receives verification from the department.

SENATE AMENDMENTS TO HOUSE BILL

April 5, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1821 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 50.04.320 and 1986 c 21 s 1 are each amended to read as follows:

(1) For the purpose of payment of contributions, "wages" means the remuneration paid by one employer during any calendar year to an individual in its employment under this title or the unemployment compensation law of any other state in the amount specified in RCW 50.24.010. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the operating assets of another employer (hereinafter referred to as a predecessor employer) or assets used in a separate unit of a trade or business of a predecessor employer, and immediately after the acquisition employs in the individual's trade or business an individual who immediately before the acquisition was employed in the trade or business of the predecessor employer, then, for the purposes of determining the amount of remuneration paid by the successor employer to the individual during the calendar year which is subject to contributions, any remuneration paid to the individual by the predecessor employer during that calendar year and before the acquisition shall be considered as having been paid by the successor employer.

(2) For the purpose of payment of benefits, "wages" means the remuneration paid by one or more employers to an individual for employment under this title during his base year: PROVIDED, That at the request of a claimant, wages may be calculated on the basis of remuneration payable. The department shall notify each claimant that wages are calculated on the basis of remuneration paid, but at the claimant's request a redetermination may be performed and based on remuneration payable.

(3) For the purpose of payment of benefits and payment of contributions, the term "wages" includes tips which are received after January 1, 1987, while performing services which constitute employment, and which are reported to the employer for federal income tax purposes.

(4)(a) "Remuneration" means all compensation paid for personal services including commissions and bonuses and the cash value of all compensation paid in any medium other than cash. The reasonable cash value of compensation paid in any medium other than cash and the reasonable value of gratuities shall be estimated and determined in accordance with rules prescribed by the commissioner. Remuneration does not include payments to members of a reserve component of the armed forces of the United States, including the organized militia of the state of Washington, for the performance of duty for periods not exceeding seventy-two hours at a time.

(b) Previously accrued compensation, other than severance pay or payments received pursuant to plant closure agreements, when assigned to a specific period of time by virtue of a collective bargaining agreement, individual employment contract, customary trade practice, or request of the individual compensated, shall be considered remuneration for the period to which it is assigned.

Assignment clearly occurs when the compensation serves to make the individual eligible for all regular fringe benefits for the period to which the compensation is assigned.

(c) Settlements or other proceeds received by an individual as a result of a negotiated settlement for termination of an employment contract with a public agency prior to its expiration date shall be considered remuneration. The proceeds shall be deemed assigned in the same intervals and in the same amount for each interval as compensation was allocated under the contract.

(d) Except as provided in (c) of this subsection, the provisions of this ((section)) subsection (4) pertaining to the assignment of previously accrued compensation shall not apply to individuals subject to RCW 50.44.050.

Sec. 2. RCW 50.44.050 and 1990 c 33 s 587 are each amended to read as follows:

Except as otherwise provided in subsections (1) through (4) of this section, benefits based on services in employment covered by or pursuant to this chapter shall be payable on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this title.

(1) Benefits based on service in an instructional, research or principal administrative capacity for an educational institution shall not be paid to an individual for any week of unemployment which commences during the period between two successive academic years or terms within an academic year (or, when an agreement provides instead for a similar period between two regular but not successive terms within an academic year, during such period) if such individual performs such services in the first of such academic years or terms and if there is a contract or reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms. Any employee of a common school district who is presumed to be reemployed pursuant to RCW 28A.405.210 shall be deemed to have a contract for the ensuing term.

(2) Benefits shall not be paid based on services in any other capacity for an educational institution for any week of unemployment which commences during the period between two successive academic years or terms within an academic year, if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms: **PROVIDED**, That if benefits are denied to any individual under this subsection and that individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, the individual is entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this subsection.

(3) Benefits shall not be paid based on any services described in subsections (1) and (2) of this section for any week of unemployment which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

(4) Benefits shall not be paid (as specified in subsections (1), (2), or (3) of this section) based on any services described in subsections (1) or (2) of this section to any individual who performed such services in an educational institution while in the employ of an educational service district which is established pursuant to chapter 28A.310 RCW and exists to provide services to local school districts.

(5) As used in subsections (1) and (2) of this section, "academic year" includes fall, winter, spring, and summer quarters and comparable semesters unless, based upon objective criteria including enrollment and staffing, the quarter or comparable semester is not in fact a part of the academic year for the particular institution.

Sec. 3. RCW 50.44.053 and 1985 ex.s. c 5 s 9 are each amended to read as follows:

The term "reasonable assurance," as used in RCW 50.44.050, means a written, verbal, or implied agreement that the employee will perform services in the same capacity during the ensuing academic year or term as in the first academic year or term, provided that the agreement is not contingent on enrollment, funding, or program changes. A person shall not be deemed to be performing services "in the same capacity" unless those services are rendered under the same terms or conditions of employment in the ensuing year as in the first academic year or term.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

The contracting States solemnly agree:

Article 1. The purpose of this compact is to provide mutual aid among the States in meeting any emergency or disaster from enemy attack or other cause (natural or otherwise) including sabotage and subversive acts and direct attacks by bombs, shellfire, and atomic, radiological, chemical, bacteriological means, and other weapons. The prompt, full and effective utilization of the resources of the respective States, including such resources as may be available from the United States Government or any other source, are essential to the safety, care and welfare of the people thereof in the event of enemy action or other emergency, and any other resources, including personnel, equipment or supplies, shall be incorporated into a plan or plans of mutual aid to be developed among the civil defense agencies or similar bodies of the States that are parties hereto. The Directors of Civil Defense (Emergency Services) of all party States shall constitute a committee to formulate plans and take all necessary steps for the implementation of this compact.

Article 2. It shall be the duty of each party State to formulate civil defense plans and programs for application within such State. There shall be frequent consultation between the representatives of the States and with the United States Government and the free exchange of information and plans, including inventories of any materials and equipment available for civil defense. In carrying out such civil defense plans and programs the party States shall so far as possible provide and follow uniform standards, practices and rules and regulations including:

(a) Insignia, arm bands and any other distinctive articles to designate and distinguish the different civil defense services;

(b) Blackouts and practice blackouts, air raid drills, mobilization of civil defense forces and other tests and exercises;

(c) Warnings and signals for drills or attacks and the mechanical devices to be used in connection therewith;

(d) The effective screening or extinguishing of all lights and lighting devices and appliances;

(e) Shutting off water mains, gas mains, electric power connections and the suspension of all other utility services;

(f) All materials or equipment used or to be used for civil defense purposes in order to assure that such materials and equipment will be easily and freely interchangeable when used in or by any other party State;

(g) The conduct of civilians and the movement and cessation of movement of pedestrians and vehicular traffic, prior, during, and subsequent to drills or attacks;

(h) The safety of public meetings or gatherings; and

(i) Mobile support units.

Article 3. Any party State requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the State rendering aid may withhold resources to the extent necessary to provide reasonable protection for such State. Each party State shall extend to the civil defense forces of any other party State, while operating within its State limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving State), duties, rights, privileges and immunities as if they were performing their duties in the State in which normally employed or rendering services. Civil defense forces will continue under the command and control of their regular leaders but the organizational units will come under the operational control of the civil defense authorities of the State receiving assistance.

Article 4. Whenever any person holds a license, certificate or other permit issued by any State evidencing the meeting of qualifications for professional, mechanical or other skills, such person may render aid involving such skill in any party State to meet an emergency or disaster and such State shall give due recognition to such license, certificate or other permit as if issued in the State in which aid is rendered.

Article 5. No party State or its officers or employees rendering aid in another State pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged, or on account of the maintenance or use of any equipment or supplies in connection therewith.

Article 6. Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that appropriate among other States party hereto, this instrument contains elements of a broad base common to all States, and nothing herein contained shall preclude any State from entering into supplementary agreements with another State or States. Such supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and

reception of injured and other persons, and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, equipment and supplies.

Article 7. Each party State shall provide for the payment of compensation and death benefits to injured members of the civil defense forces of that State and the representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within such State.

Article 8. Any party State rendering aid in another State pursuant to this compact shall be reimbursed by the party State receiving such aid for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost incurred in connection with such requests; provided, that any aiding State may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party State without charge or cost; and provided further that any two or more party States may enter into supplementary agreements establishing a different allocation of costs as among those States. The United States Government may relieve the party State receiving aid from any liability and reimburse the party State supplying civil defense forces for the compensation paid to and the transportation, subsistence and maintenance expenses of such forces during the time of the rendition of such aid or assistance outside the State and may also pay fair and reasonable compensation for the use or utilization of the supplies, materials, equipment or facilities so utilized or consumed.

Article 9. Plans for the orderly evacuation and reception of the civilian population as the result of an emergency or disaster shall be worked out from time to time between representatives of the party States and the various local civil defense areas thereof. Such plans shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party State receiving evacuees shall be reimbursed generally for the out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care and like items. Such expenditures shall be reimbursed by the party State of which the evacuees are residents, or by the United States Government under plans approved by it. After the termination of the emergency or disaster the party State of which the evacuees are resident shall assume the responsibility for the ultimate support or repatriation of such evacuees.

Article 10. This compact shall be available to any State, territory or possession of the United States, and the District of Columbia. The term "State" may also include any neighboring foreign country or province or state thereof.

Article 11. The committee established pursuant to Article 1 of this compact may request the Civil Defense Agency of the United States Government to act as an informational and coordinating body under this compact, and representatives of such agency of the United States Government may attend meetings of such committee.

Article 12. This compact shall become operative immediately upon its ratification by any State as between it and any other State or States so ratifying and shall be subject to approval by Congress unless prior Congressional approval has been given. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party States and with the Civil Defense Agency and other appropriate agencies of the United States Government.

Article 13. This compact shall continue in force and remain binding on each party State until the legislature or the Governor of such party State takes action to withdraw therefrom. Such action shall not be effective until 30 days after notice thereof has been sent by the Governor of the party State desiring to withdraw to the Governors of all other party States.

Article 14. This compact shall be construed to effectuate the purposes stated in Article 1 hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be effected thereby.

Article 15. (a) This Article shall be in effect only as among those states which have enacted it into law or in which the Governors have adopted it pursuant to constitutional or statutory authority sufficient to give it the force of law as part of this compact. Nothing contained in this Article or in any

supplementary agreement made in implementation thereof shall be construed to abridge, impair or supersede any other provision of this compact or any obligation undertaken by a State pursuant thereto, except that if its terms so provide, a supplementary agreement in implementation of this Article may modify, expand or add to any such obligation as among the parties to the supplementary agreement.

(b) In addition to the occurrences, circumstances and subject matters to which preceding articles of this compact make it applicable, this compact and the authorizations, entitlements and procedures thereof shall apply to:

1. Searches for and rescue of person who are lost, marooned, or otherwise in danger.
2. Action useful in coping with disasters arising from any cause or designed to increase the capability to cope with any such disasters.
3. Incidents, or the imminence thereof, which endanger the health or safety of the public and which require the use of special equipment, trained personnel or personnel in larger numbers than are locally available in order to reduce, counteract or remove the danger.
4. The giving and receiving of aid by subdivisions of party States.
5. Exercises, drills or other training or practice activities designed to aid personnel to prepare for, cope with or prevent any disaster or other emergency to which this compact applies.

(c) Except as expressly limited by this compact or a supplementary agreement in force pursuant thereto, any aid authorized by this compact or such supplementary agreement may be furnished by any agency of a party State, a subdivision of such State, or by a joint agency providing such aid shall be entitled to reimbursement therefor to the same extent and in the same manner as a State. The personnel of such a joint agency, when rendering aid pursuant to this compact shall have the same rights, authority and immunity as personnel of party States.

(d) Nothing in this Article shall be construed to exclude from the coverage of Articles 1-15 of this compact any matter which, in the absence of this Article, could reasonably be construed to be covered thereby.

(b) The compact language contained in this subsection (2)(b) is intended to deal comprehensively with emergencies requiring assistance from other states.

INTERSTATE MUTUAL AID COMPACT

Purpose

The purpose of this Compact is to provide voluntary assistance among participating states in responding to any disaster or imminent disaster, that over extends the ability of local and state governments to reduce, counteract or remove the danger. Assistance may include, but not be limited to, rescue, fire, police, medical, communication, transportation services and facilities to cope with problems which require use of special equipment, trained personnel or personnel in large numbers not locally available.

Authorization

Article I, Section 10 of the Constitution of the United States permits a state to enter into an agreement or compact with another state, subject to the consent of Congress. Congress, through enactment of Title 50 U.S.C. Sections 2281(g), 2283 and the Executive Department, by issuance of Executive Orders No. 10186 of December 1, 1950, encourages the states to enter into emergency, disaster and civil defense mutual aid agreements or pacts.

Implementation

It is agreed by participating states that the following conditions will guide implementation of the Compact:

1. Participating states through their designated officials are authorized to request and to receive assistance from a participating state. Requests will be granted only if the requesting state is committed to the mitigation of the emergency, and other resources are not immediately available.
2. Requests for assistance may be verbal or in writing. If the request is made by other than written communication, it shall be confirmed in writing as soon as practical after the request. A written request shall provide an itemization of equipment and operators, types of expertise, personnel or other resources needed. Each request must be signed by an authorized official.

3. Personnel and equipment of the aiding party made available to the requesting party shall, whenever possible, remain under the control and direction of the aiding party. The activities of personnel and equipment of the aiding party must be coordinated by the requesting party.

4. An aiding state shall have the right to withdraw some or all of their personnel and/or equipment whenever the personnel or equipment are needed by that state. Notice of intention to withdraw should be communicated to the requesting party as soon as possible.

General Fiscal Provisions

The state government of the requesting party shall reimburse the state government of the aiding party. It is understood that reimbursement shall be made as soon as possible after the receipt by the requesting party of an itemized voucher requesting reimbursement of costs.

1. Any party rendering aid pursuant to this Agreement shall be reimbursed by the state receiving such aid for any damage to, loss of, or expense incurred in the operation of any equipment used in responding to a request for aid, and for the cost incurred in connection with such requests.

2. Any state rendering aid pursuant to this Agreement shall be reimbursed by the state receiving such aid for the cost of payment of compensation and death benefits to injured officers, agents, or employees and their dependents or representatives in the event such officers, agents, or employees sustain injuries or are killed while rendering aid pursuant to this arrangement, provided that such payments are made in the same manner and on the same terms as if the injury or death were sustained within such state.

Privileges and Immunities

1. All privileges and immunities from liability, exemptions from law, ordinances, rules, all pension, relief disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees when performing their respective functions within the territorial limits of their respective political subdivisions, shall apply to them to the same degree and extent while engaged in the performance of any of their functions and duties extra-territorially under the provisions of this Agreement.

2. All privileges and immunities from liability, exemptions from law, ordinances, and rules, workers' compensation and other benefits which apply to duly enrolled or registered volunteers when performing their respective functions at the request of their state and within its territorial limits, shall apply to the same degree and extent while performing their functions extra-territorially under the provisions of this Agreement. Volunteers may include, but not be limited to, physicians, surgeons, nurses, dentists, structural engineers, and trained search and rescue volunteers.

3. The signatory states, their political subdivisions, municipal corporations and other public agencies shall hold harmless the corresponding entities and personnel thereof from the other state with respect to the acts and omissions of its own agents and employees that occur while providing assistance pursuant to the common plan.

4. Nothing in this arrangement shall be construed as repealing or impairing any existing Interstate Mutual Aid Agreements.

5. Upon enactment of this Agreement by two or more states, and by January 1, annually thereafter, the participating states will exchange with each other the names of officials designated to request and/or provide services under this arrangement. In accordance with the cooperative nature of this arrangement, it shall be permissible and desirable for the parties to exchange operational procedures to be followed in requesting assistance and reimbursing expenses.

6. This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

7. This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate official of all other party states. An actual withdrawal shall not take effect until the thirtieth consecutive day after the notice provided in the statute has been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal.

Sec. 4. RCW 38.52.420 and 1994 c 264 s 11 are each amended to read as follows:

(1) The department (~~(of community, trade, and economic development)~~), in consultation with appropriate federal agencies, the departments of natural resources, fish and wildlife, and ecology, representatives of local government, and any other person the director may deem appropriate, shall develop a model contingency plan, consistent with other plans required for hazardous materials by federal and state law, to serve as a draft plan for local governments which may be incorporated into the state and local emergency management plans.

(2) The model contingency plan shall:

(a) Include specific recommendations for pollution control facilities which are deemed to be most appropriate for the control, collection, storage, treatment, disposal, and recycling of oil and other spilled material and furthering the prevention and mitigation of such pollution;

(b) Include recommendations for the training of local personnel consistent with other training proposed, funded, or required by federal or state laws for hazardous materials;

(c) Suggest cooperative training exercises between the public and private sector consistent with other training proposed, funded, or required by federal or state laws for hazardous materials;

(d) Identify federal and state laws requiring contingency or management plans applicable or related to prevention of pollution, emergency response capabilities, and hazardous waste management, together with a list of funding sources that local governments may use in development of their specific plans;

(e) Promote formal agreements between the department (~~(of community, trade, and economic development)~~) and local entities for effective spill response; and

(f) Develop policies and procedures for the augmentation of emergency services and agency spill response personnel through the use of volunteers: PROVIDED, That no contingency plan may require the use of volunteers by a responding responsible party without that party's consent.

Sec. 5. RCW 38.54.010 and 1992 c 117 s 9 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of community, trade, and economic development.

(2) "Director" means the director of the department of community, trade, and economic development.

(3) "State fire marshal" means the assistant director of the division of fire protection services in the department of community, trade, and economic development.

(4) "Fire chief" includes the chief officer of a statutorily authorized fire agency, or the fire chief's authorized representative. Also included are the department of natural resources fire control chief, and the department of natural resources regional managers.

(5) "Jurisdiction" means state, county, city, fire district, or port district (~~(fire)~~) fire fighting units, or other units covered by this chapter.

(6) "Mobilization" means that fire fighting resources beyond those available through existing agreements will be requested and, when available, sent (~~(to fight a fire)~~) in response to an emergency or disaster situation that has (~~(or soon will exceed)~~) exceeded the capabilities of available local resources. During a large scale (~~(fire)~~) emergency, mobilization includes the redistribution of regional or state-wide fire fighting resources to either direct (~~(fire fighting)~~) emergency incident assignments or to assignment in communities where fire fighting resources are needed.

When mobilization is declared and authorized as provided in this chapter, all fire fighting resources except those of the host fire protection authorities, i.e. incident jurisdiction, shall be deemed as mobilized under this chapter, including those that responded earlier under existing mutual aid or other agreement. All nonhost fire protection authorities providing fire fighting resources in response to a mobilization declaration shall be eligible for expense reimbursement as provided by this chapter from the time of the mobilization declaration.

This chapter shall not reduce or suspend the authority or responsibility of the department of natural resources under chapter 76.04 RCW.

(7) "Mutual aid" means emergency interagency assistance provided without compensation under (~~(and an)~~) an agreement between jurisdictions under chapter 39.34 RCW.

Sec. 6. RCW 38.54.020 and 1992 c 117 s 10 are each amended to read as follows:

Because of the possibility of the occurrence of disastrous fires or other disasters of unprecedented size and destructiveness, the need to insure that the state is adequately prepared to respond to such a fire or disaster, the need to establish a mechanism and a procedure to provide for reimbursement to fire fighting agencies that respond to help others in time of need or to a host fire district that experiences expenses beyond the resources of the fire district, and generally to protect the public peace, health, safety, lives, and property of the people of Washington, it is hereby declared necessary to:

(1) Provide the policy and organizational structure for large scale mobilization of fire fighting resources in the state through creation of the Washington state fire services mobilization plan;

(2) Confer upon the director (~~(of the department of community development)~~) the powers provided herein; ~~(and)~~

(3) Provide a means for reimbursement to fire jurisdictions that incur expenses when mobilized by the director under the Washington state fire services mobilization plan; and

(4) Provide for reimbursement of host district fire fighting resources when the local district has: (a) Exhausted all of its resources; and (b) invoked its local mutual aid network and exhausted those resources. Upon implementation of state fire mobilization, the host district resources shall become state fire mobilization resources consistent with the fire mobilization plan.

It is the intent of the legislature that mutual aid and other interlocal agreements providing for enhanced emergency response be encouraged as essential to the public peace, safety, health, and welfare, and for the protection of the lives and property of the people of the state of Washington. If possible, mutual aid agreements should be without stated limitations as to resources available, time, or area. Nothing in this chapter shall be construed or interpreted to limit the eligibility of any nonhost fire protection authority for reimbursement of expenses incurred in providing fire fighting resources for mobilization.

Sec. 7. RCW 38.54.050 and 1992 c 117 s 13 are each amended to read as follows:

The department (~~(of community development)~~) in consultation with the office of financial management shall develop procedures to facilitate reimbursement to jurisdictions from appropriate federal and state funds when jurisdictions are mobilized by the director under the Washington state fire services mobilization plan. Sec. 8. RCW 46.16.340 and 1986 c 266 s 49 are each amended to read as follows:

The director, from time to time, shall furnish the state military department, the department of community, trade, and economic development, the Washington state patrol, and all county sheriffs a list of the names, addresses, and license plate or radio station call letters of each person possessing the special amateur radio station license plates so that the facilities of such radio stations may be utilized to the fullest extent in the work of these governmental agencies.

Sec. 9. RCW 88.46.100 and 1991 c 200 s 423 are each amended to read as follows:

(1) In order to assist the state in identifying areas of the navigable waters of the state needing special attention, the owner or operator of a covered vessel shall notify the coast guard within one hour:

(a) Of the disability of the covered vessel if the disabled vessel is within twelve miles of the shore of the state; and

(b) Of a collision or a near miss incident within twelve miles of the shore of the state.

(2) The (~~(division of emergency management of the)~~) state military department (~~(of community development)~~) and the office shall request the coast guard to notify the (~~(division of emergency management)~~) state military department as soon as possible after the coast guard receives notice of a disabled covered vessel or of a collision or near miss incident within twelve miles of the shore of the state. The office shall negotiate an agreement with the coast guard governing procedures for coast guard notification to the state regarding disabled covered vessels and collisions and near miss incidents.

(3) The office shall prepare a summary of the information collected under this section and provide the summary to the regional marine safety committees, the coast guard, and others in order to identify problems with the marine transportation system.

- (5) Failure of any person to make a report under this section shall not be used as the basis for the imposition of any fine or penalty.

NEW SECTION. Sec. 10. A new section is added to chapter 38.52 RCW to read as follows:

All powers, duties, and functions of the department of community, trade, and economic development pertaining to emergency management are transferred to the state military department. All references to the director or the department of community development or the department of community, trade, and economic development in the Revised Code of Washington shall be construed to mean the adjutant general or the state military department when referring to the functions transferred in this section.

NEW SECTION. Sec. 11. Any appropriations made to the department of community, trade, and economic development for carrying out the powers, functions, and duties transferred shall, on the effective date of this section, be transferred and credited to the state military department.

Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

NEW SECTION. Sec. 12. All employees of the department of community, trade, and economic development engaged in performing the powers, functions, and duties transferred are transferred to the jurisdiction of the state military department. All employees classified under chapter 41.06 RCW, the state civil service law, are assigned to the state military department to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service. All employees of the department of community, trade, and economic development exempted under chapter 41.06 RCW shall retain such exemption after transfer.

NEW SECTION. Sec. 13. All rules and all pending business before the department of community, trade, and economic development pertaining to the powers, functions, and duties transferred shall be continued and acted upon by the state military department. All existing contracts and obligations shall remain in full force and shall be performed by the state military department.

NEW SECTION. Sec. 14. The transfer of the powers, duties, functions, and personnel of the department of community, trade, and economic development shall not affect the validity of any act performed prior to the effective date of this section.

NEW SECTION. Sec. 15. If apportionments of budgeted funds are required because of the transfers directed by sections 11 through 14 of this act, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. NEW SECTION. Sec. 16. (1) The military department, in cooperation with the Washington state patrol and the emergency management council, shall by December 31, 1995, develop a strategic plan to enhance the coordination and efficiency and decrease the costs of the military department's emergency management programs and services. The plan shall:

 - (b) Develop new and innovative techniques for the administration of programs and delivery of services;
 - (c) Strengthen military department linkages with local agencies; and
 - (d) Assess the use of private sector equipment, materials, and services.
- (2) A summary of the strategic plan shall be delivered to the appropriate committees of the legislature no later than July 10, 1996.

NEW SECTION. Sec. 17. Nothing contained in sections 10 through 15 of this act may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until the agreement has expired or until the bargaining unit has been modified by action of the personnel board as provided by law.

NEW SECTION. Sec. 18. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995."

SENATE AMENDMENTS TO HOUSE BILL

April 10, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1298 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.96A.400 and 1989 c 270 s 20 are each amended to read as follows:

The state of Washington declares that there is no fundamental right to ~~((methadone))~~ opiate substitution treatment. The state of Washington further declares that while methadone ~~((is an))~~ and other like pharmacological drugs, used in the treatment of opiate dependency are addictive substances, that ~~((it))~~ they nevertheless ~~((has))~~ have several legal, important, and justified uses and that one of ~~((its))~~ their appropriate and legal uses is, in conjunction with other required therapeutic procedures, in the treatment of persons addicted to or habituated to opioids.

Because methadone ~~((is))~~ and other like pharmacological drugs, used in the treatment of opiate dependency are addictive and ~~((is))~~ are listed as a schedule II controlled substance in chapter 69.50 RCW, the state of Washington and authorizing counties on behalf of their citizens have the legal obligation and right to regulate the use of ~~((methadone))~~ opiate substitution treatment. The state of Washington declares its authority to control and regulate carefully, in cooperation with the authorizing counties, all clinical uses of methadone and other pharmacological drugs used in the treatment of ~~((opium))~~ opiate addiction.

Further, the state declares that the primary goal of ((methadone)) opiate substitution treatment is ((drug-free living)) total abstinence from chemical dependency for the individuals who participate in the treatment program. The state recognizes that a small percentage of persons who participate in opiate substitute treatment programs require treatment for an extended period of time. Opiate substitution treatment programs shall provide a comprehensive transition program to eliminate chemical dependency; including opiate and opiate substitute addiction of program participants.

Sec. 2. RCW 70.96A.410 and 1989 c 270 s 21 are each amended to read as follows:

(1) A county legislative authority may prohibit ~~((methadone))~~ opiate substitution treatment in that county. The department shall not certify ~~((a-methadone))~~ an opiate substitution treatment program in a county where the county legislative authority has prohibited ~~((methadone))~~ opiate substitution treatment. If a county legislative authority authorizes ~~((methadone))~~ opiate substitution treatment programs, it shall limit by ordinance the number of ~~((methadone))~~ opiate substitution treatment programs operating in that county by limiting the number of licenses granted in that county. If a county has authorized ~~((methadone))~~ opiate substitution treatment programs in that county, it shall only license ~~((methadone))~~ opiate substitution treatment programs that comply with the department's operating and treatment standards under this section and RCW 70.96A.420. A county that authorizes ~~((methadone))~~ opiate substitution treatment may operate the programs directly or through a local health department or health district or it may authorize certified ~~((methadone))~~ opiate substitution treatment programs that the county licenses to provide the services within the county. Counties shall monitor ~~((methadone))~~ opiate substitution treatment programs for compliance with the department's operating and treatment regulations under this section and RCW 70.96A.420.

(2) A county that authorizes ~~((methadone))~~ opiate substitution treatment programs shall develop and enact by ordinance licensing standards, consistent with this chapter and the operating and treatment standards adopted under this chapter, that govern the application for, issuance of, renewal of, and revocation of the licenses. Certified programs existing before May 18, 1987, applying for renewal of licensure in subsequent years, that maintain certification and meet all other requirements for licensure, shall be given preference.

(3) In certifying programs, the department shall not discriminate against ~~((a-methadone))~~ an opiate substitution treatment program on the basis of its corporate structure. In licensing programs, the county shall not discriminate against ~~((a-methadone))~~ an opiate substitution treatment program on the basis of its corporate structure.

(4) A program applying for certification from the department and a program applying for a contract from a state agency that has been denied the certification or contract shall be provided with a written notice specifying the rationale and reasons for the denial. A program applying for a license or a contract from a county that has been denied the license or contract shall be provided with a written notice specifying the rationale and reasons for the denial.

(5) A license is effective for one calendar year from the date of issuance. The license shall be renewed in accordance with the provisions of this section for initial approval ~~((and in accordance with))~~; the goals for treatment programs under RCW 70.96A.400; the standards set forth in RCW 70.96A.420; and the rules adopted by the secretary.

(6) For the purpose of this chapter, opiate substitution treatment means dispensing an opiate substitution drug approved by the Federal Drug Administration for the treatment of opiate addiction and providing a comprehensive range of medical and rehabilitative services.

Sec. 3. RCW 70.96A.420 and 1989 c 270 s 22 are each amended to read as follows:

(1) The department, in consultation with ~~((methadone))~~ opiate substitution treatment service providers and counties authorizing ~~((methadone))~~ opiate substitution treatment programs, shall establish state-wide treatment standards for ~~((methadone))~~ opiate substitution treatment programs. The department and counties that authorize ~~((methadone))~~ opiate substitution treatment programs shall enforce these treatment standards. The treatment standards shall include, but not be limited to, reasonable provisions for all appropriate and necessary medical procedures, counseling requirements, urinalysis, and other suitable tests as needed to ensure compliance with this chapter ~~((and the treatment standard authorized by this chapter))~~. A ~~((methadone))~~ opiate substitution treatment program shall not have a caseload in excess of three hundred fifty persons.

(2) The department, in consultation with ~~((methadone))~~ opiate substitution treatment programs and counties authorizing ~~((methadone))~~ opiate substitution treatment programs, shall establish state-wide operating standards for ~~((methadone))~~ opiate substitution treatment programs. The department and counties that authorize ~~((methadone))~~ opiate substitution treatment programs shall enforce these operating standards. The operating standards shall include, but not be limited to, reasonable provisions necessary to enable the department and authorizing counties to monitor certified and licensed ~~((methadone))~~ opiate substitution treatment programs for compliance with this chapter and the treatment standards authorized by this chapter and to minimize the impact of the ~~((methadone))~~ opiate substitution treatment programs upon the business and residential neighborhoods in which the program is located.

(3) The department shall establish criteria for evaluating the compliance of opiate substitute treatment programs with the goals and standards established under this chapter. As a condition of certification, opiate substitution programs shall submit an annual report to the department and county legislative authority, including data as specified by the department necessary for outcome analysis. The department shall analyze and evaluate the data submitted by each treatment program and take corrective action where necessary to ensure compliance with the goals and standards enumerated under this chapter. Before January 1 of each year, the department shall submit an annual report to the legislature, including the outcome analysis of each treatment program."

On page 1, line 1 of the title, after "treatment;" strike the remainder of the title and insert "and amending RCW 70.96A.400, 70.96A.410, and 70.96A.420."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.10 RCW to read as follows:

The legislature finds that some college students who have recently graduated from high school must immediately enroll in one or more precollege classes before they can proceed successfully through college. The legislature also finds that these students should have received basic skills in English, reading, spelling, grammar, and mathematics before graduating from high school. It is the intent of the legislature that colleges and universities provide information to school districts about recent graduates who enroll in precollege classes. It is also the intent of the legislature to encourage institutions of higher education and the common schools to work together to solve problems of common concern.

By June 30, 1996, in consultation with the commission on student learning, the superintendent of public instruction, the state board of education, faculty, teachers from institutions of higher education and high schools, and others as appropriate, the higher education coordinating board shall adopt common definitions of remedial and precollege material and course work. The definitions adopted by the board shall be rigorous, challenging students to come to college well prepared to engage in college and university work, and shall be adopted by each institution of higher education as defined in RCW 28B.10.016.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.10 RCW to read as follows:

SENATE AMENDMENTS TO HOUSE BILL

April 10, 1995

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1296 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Since enactment of chapter 227, Laws of 1984 most employers that participate in state retirement systems have been responsible for ensuring that member retirement contributions are transferred to the retirement trust funds, even in situations where service credit is being established on a retroactive basis for a member who is no longer employed by the employer.

(2) It is the responsibility of employers to accurately report their employees' compensation and service, and to ensure that all required member and employer contributions are transferred to the department of retirement systems. However, in situations where an employer determines that a former employee should have had contributions transferred, it is more reasonable and efficient to bill the employee for the past due member contributions than to make the employer responsible for them.

NEW SECTION. Sec. 2. A new section is added to chapter 41.50 RCW to read as follows:

(1) If an employer, pursuant to RCW 41.50.140(2), does not transfer member contributions for a former employee's prior period of service, the member shall not receive service credit for the period of service unless the member pays the required member contributions as provided in this section. In such cases the member shall have the option, but shall not be obligated, to pay the member contributions necessary to receive credit for the period of service. As provided by RCW 41.50.140(1), the department shall collect from the employer all employer contributions due for periods of service, regardless of whether the member elects to pay the member contributions necessary to receive credit for the period of service.

(2) The department shall adopt, by rule, a process by which separated and active members may pay member contributions needed to establish service credit for prior periods of service for which their employers did not transmit member contributions.

Sec. 3. RCW 41.50.140 and 1982 1st ex.s. c 52 s 33 are each amended to read as follows:

(1) Every employer participating in one or more of the retirement systems listed in RCW 41.50.030 shall fully cooperate in the administration of the systems in which its employees participate, including the distribution of information to employees, and shall accept and carry out all other duties as required by law, regulation, or administrative instruction. Every employer shall transmit to the department all member and employer contributions due for periods of service rendered in the retirement systems, except as provided in subsection (2) of this section.

(2) When the department bills an employer for member and employer contributions owed for a prior period of service, the employer shall transmit the required contributions if the member is still an employee of the employer at the time of the billing. The employer shall have no duty to transfer member contributions for persons who are not employees on the date the department bills the employer but shall transfer the required employer contributions for the prior service.

(3) Members for whom member contributions for a prior period of service are not transferred by the employer pursuant to subsection (2) of this section shall have the option of paying the required member contributions pursuant to section 2 of this act.

~~((2) If an employee is entitled to retroactive service credit which was not previously established through no fault of the employee, or through an employer error which has caused a member's compensation or contributions to be understated or overstated so as to cause a loss to the retirement funds, the director may bill the employer for the loss, to include interest, if applicable. The employer contributions, with interest thereon, will be treated as if in fact the interest was part of the normal employer contribution and no distribution of interest received shall be required.~~

~~(3) Employer paid employee contributions will not be credited to a member's account until the employer notifies the director in writing that the employer has been reimbursed by the employee or beneficiary for the payment. The employer shall have the right to collect from the employee the amount of the employee's obligation. Failure on the part of the employer to collect all or any part of the sums which may be due from the employee or beneficiary shall in no way cause the employer obligation for the total liability to be lessened.))~~

(4) If an employer transfers member contributions which were not paid by the member, the employer shall have the right to collect the amount of the employee's obligation from the employee.

Sec. 4. RCW 41.54.020 and 1994 c 197 s 32 are each amended to read as follows:

(1) Those persons who are dual members on or after July 1, 1988, shall not receive a retirement benefit from any prior system while dual members without the loss of all benefits under this chapter. Retroactive retirement in any prior system will cancel membership in any subsequent systems except as allowed under RCW 41.04.270 and will result in the refund of all employee and employer contributions made to such systems.

(2) If a member has withdrawn contributions from a prior system, the member may restore the contributions, together with interest since the date of withdrawal as determined by the system, and recover the service represented by the contributions. Such restoration must be completed within two years of establishing dual membership or prior to retirement, whichever occurs first.

(3) If a member does not meet the time limitation under subsection (2) of this section, the member, prior to retirement, may restore the service credit destroyed by the withdrawn contributions by paying the amount required under RCW 41.50.165(2). However, if a member failed to meet the applicable statutory deadline and filed a petition with the director of the department of retirement systems prior to January 1, 1995, requesting an extension of the applicable period; and if the director's findings in denying the petition affirmatively show that the failure was due to the fact that the department's customary bulletins and other notifications that were furnished to the member's employer for distribution were not furnished to the member by the employer, and that the member did not otherwise receive notice through other channels of communication and was not at fault, the member may elect to restore the required contributions and interest and regain service credit under subsection (2) of this section under the same terms and conditions and without further liability as if the election had been made on a timely basis. The election must be made not later than July 1, 1995, or prior to retirement, whichever comes first. The department shall provide written notice and an application

directly to the affected members, and any further assistance as may be necessary to implement this section.

(4) Any service accrued in one system by the member shall not accrue in any other system.

NEW SECTION. Sec. 5. If specific funding for the purposes of sections 1 through 4 of this act, referencing sections 1 through 4 of this act by bill and section number, is not provided by June 30, 1995, in the omnibus appropriations act, sections 1 through 4 of this act shall be null and void.

NEW SECTION. Sec. 6. This act shall take effect July 1, 1996."

On page 1, line 2 of the title, after "contributions;" strike the remainder of the title and insert "amending RCW 41.50.140 and 41.54.020; adding a new section to chapter 41.50 RCW; creating new sections; and providing an effective date."

and the same are herewith transmitted.

(c) Devise recommended standards to govern whether sentences are to be served consecutively or concurrently.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.

While the commission need not consider such capacity in arriving at its recommendations, the commission shall project whether the implementation of its recommendations would result in exceeding such capacity. If the commission finds that this result would probably occur, then the commission shall prepare an additional list of standard sentences which shall be consistent with such capacity.

(7) The commission may recommend to the legislature revisions or modifications to the standard sentence ranges and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity.

COSMETOLOGY, BARBERING, ESTHETICS, AND MANICURING ADVISORY BOARD

NEW SECTION. Sec. 401. The legislature finds that the economic opportunities for cosmetologists, barbers, estheticians, and manicurists have deteriorated in this state as a result of the lack of skilled practitioners, inadequate licensing controls, and inadequate enforcement of health standards. To increase the opportunities for individuals to earn viable incomes in these professions and to protect the general health of the public, the state cosmetology, barbering, esthetics, and manicuring advisory board should be reconstituted and given a new charge to develop appropriate responses to this situation, including legislative proposals.

The report must summarize their findings and make recommendations, including, if appropriate, recommendations for legislation reforming and restructuring the regulation of cosmetology, barbering, esthetics, and manicuring.

(3) Board members shall be entitled to compensation pursuant to RCW 43.03.240 for each day spent conducting official business and to reimbursement for travel expenses as provided by RCW 43.03.050 and 43.03.060.

The director shall transmit to the governor and the legislature in June 1976 and June 1977 a progress report which indicates the degree of accomplishment of each of these assigned duties, and which summarizes specific achievements obtained in increased effectiveness and dollar savings or cost avoidance within the overall state purchasing and material control system. It is the intention of the legislature that measurable improvements in the effectiveness and economy of supply management in state government shall be achieved during the 1975-77 biennium, and each biennium thereafter. All agencies, departments, offices, divisions, boards, and commissions and educational, correctional, and other types of institutions are required to cooperate with and support the development and implementation of improved efficiency and economy in purchasing and material control. Sec. 1404. RCW 43.19.1906 and 1994 c 300 s 1 are each amended to read as follows:

Insofar as practicable, all purchases and sales shall be based on competitive bids, and a formal sealed bid procedure shall be used as standard procedure for all purchases and contracts for purchases and sales executed by the state purchasing and material control director and under the powers granted by RCW 43.19.190 through 43.19.1939. This requirement also applies to purchases and contracts for purchases and sales executed by agencies, including educational institutions, under delegated authority granted in accordance with provisions of RCW 43.19.190 or under RCW 28B.10.029. However, formal sealed bidding is not necessary for:

(1) Emergency purchases made pursuant to RCW 43.19.200 if the sealed bidding procedure would prevent or hinder the emergency from being met appropriately;

(2) Purchases not exceeding thirty-five thousand dollars, or subsequent limits as calculated by the office of financial management: PROVIDED, That the state director of general administration shall establish procedures to assure that purchases made by or on behalf of the various state agencies shall not be made so as to avoid the thirty-five thousand dollar bid limitation, or subsequent bid limitations as calculated by the office of financial management: PROVIDED FURTHER, That the state purchasing and material control director is authorized to reduce the formal sealed bid limits of thirty-five thousand dollars, or subsequent limits as calculated by the office of financial management, to a lower dollar amount for purchases by individual state agencies if considered necessary to maintain full

disclosure of competitive procurement or otherwise to achieve overall state efficiency and economy in purchasing and material control. Quotations from four hundred dollars to thirty-five thousand dollars, or subsequent limits as calculated by the office of financial management, shall be secured from at least three vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. The agency shall invite at least one quotation each from a certified minority and a certified women-owned vendor who shall otherwise qualify to perform such work. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. A record of competition for all such purchases from four hundred dollars to thirty-five thousand dollars, or subsequent limits as calculated by the office of financial management, shall be documented for audit purposes. Purchases up to four hundred dollars may be made without competitive bids based on buyer experience and knowledge of the market in achieving maximum quality at minimum cost: PROVIDED, That this four hundred dollar direct buy limit without competitive bids may be increased incrementally as required to a maximum of eight hundred dollars ((with the approval of at least ten of the members of the state supply management advisory board)), if warranted by increases in purchasing costs due to inflationary trends;

(3) Purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation;

(4) Purchases of insurance and bonds by the risk management office under RCW 43.19.1935;

(5) Purchases and contracts for vocational rehabilitation clients of the department of social and health services: PROVIDED, That this exemption is effective only when the state purchasing and material control director, after consultation with the director of the division of vocational rehabilitation and appropriate department of social and health services procurement personnel, declares that such purchases may be best executed through direct negotiation with one or more suppliers in order to expeditiously meet the special needs of the state's vocational rehabilitation clients;

(6) Purchases by universities for hospital operation or biomedical teaching or research purposes and by the state purchasing and material control director, as the agent for state hospitals as defined in RCW 72.23.010, and for health care programs provided in state correctional institutions as defined in RCW 72.65.010(3) and veterans' institutions as defined in RCW 72.36.010 and 72.36.070, made by participating in contracts for materials, supplies, and equipment entered into by nonprofit cooperative hospital group purchasing organizations;

(7) Purchases by institutions of higher education not exceeding thirty-five thousand dollars: PROVIDED, That for purchases between two thousand five hundred dollars and thirty-five thousand dollars quotations shall be secured from at least three vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. For purchases between two thousand five hundred dollars and thirty-five thousand dollars, each institution of higher education shall invite at least one quotation each from a certified minority and a certified women-owned vendor who shall otherwise qualify to perform such work. A record of competition for all such purchases made from two thousand five hundred to thirty-five thousand dollars shall be documented for audit purposes; and

(8) Beginning on July 1, 1995, and on July 1 of each succeeding odd-numbered year, the dollar limits specified in this section shall be adjusted as follows: The office of financial management shall calculate such limits by adjusting the previous biennium's limits by the appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest one hundred dollars.

Sec. 1405. RCW 43.19.1937 and 1975-'76 2nd ex.s. c 21 s 13 are each amended to read as follows:

Violation of this section shall be considered a malfeasance and may cause loss of position, and the violator shall be liable to the state upon his official bond for all damages sustained by the state. Contracts involved may be canceled at the option of the state. Penalties provided in this section are not exclusive, and shall not bar action under any other statute penalizing the same act or omission.

HYDRAULIC APPEALS BOARD

Sec. 1901. RCW 43.21B.005 and 1990 c 65 s 1 are each amended to read as follows:

There is created an environmental hearings office of the state of Washington. The environmental hearings office shall consist of the pollution control hearings board created in RCW 43.21B.010, the forest practices appeals board created in RCW 76.09.210, and the shorelines hearings board created in RCW 90.58.170(~~(, and the hydraulic appeals board created in RCW 75.20.130)~~). The chairman of the pollution control hearings board shall be the chief executive officer of the environmental hearings office. Membership, powers, functions, and duties of the pollution control hearings board, the forest practices appeals board, and the shorelines hearings board(~~(, and the hydraulic appeals board)~~) shall be as provided by law.

The chief executive officer of the environmental hearings office may appoint an administrative appeals judge who shall possess the powers and duties conferred by the administrative procedure act, chapter 34.05 RCW, in cases before the boards comprising the office. The administrative appeals judge shall have a demonstrated knowledge of environmental law, and shall be admitted to the practice of law in the state of Washington. Additional administrative appeals judges may also be appointed by the chief executive officer on the same terms. Administrative appeals judges shall not be subject to chapter 41.06 RCW.

The chief executive officer may appoint, discharge, and fix the compensation of such administrative or clerical staff as may be necessary.

The chief executive officer may also contract for required services.

Sec. 1902. RCW 75.20.103 and 1993 sp.s. c 2 s 32 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or other work that diverts water for agricultural irrigation or stock watering purposes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020, and when such diversion or streambank stabilization will use, divert, obstruct, or change the natural flow or bed of any river or stream or will utilize any waters of the state or materials from the stream beds, the person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure a written approval from the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 (~~(and 75.20.1002)~~), the department shall grant or deny the approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for an approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within ordinary high water line, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay.

Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

An approval shall remain in effect without need for periodic renewal for projects that divert water for agricultural irrigation or stock watering purposes and that involve seasonal construction or other work. Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual

or more frequent basis. The permittee must notify the appropriate agency before commencing the construction or other work within the area covered by the approval.

The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. ~~((Issuance, denial, conditioning, or modification shall be appealable to the hydraulic appeals board established in RCW 43.21B.005 within thirty days of the notice of decision.))~~ The burden shall be upon the department to show that the denial or conditioning of an approval is solely aimed at the protection of fish life.

The department may, after consultation with the permittee, modify an approval due to changed conditions. The modifications shall become effective ~~((unless appealed to the hydraulic appeals board))~~ within thirty days from the notice of the proposed modification. The burden is on the department to show that changed conditions warrant the modification in order to protect fish life.

A permittee may request modification of an approval due to changed conditions. The request shall be processed within forty-five calendar days of receipt of the written request. ~~((A decision by the department may be appealed to the hydraulic appeals board within thirty days of the notice of the decision.))~~ The burden is on the permittee to show that changed conditions warrant the requested modification and that such modification will not impair fish life.

If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section.

For purposes of this chapter, "streambank stabilization" shall include but not be limited to log and debris removal, bank protection (including riprap, jetties, and groins), gravel removal and erosion control.

Sec. 1903. RCW 75.20.160 and 1991 c 279 s 1 are each amended to read as follows:

(1) In order to protect the property of marine waterfront shoreline owners it is necessary to facilitate issuance of hydraulic permits for bulkheads or rockwalls under certain conditions.

(2) The department shall issue a hydraulic permit with or without conditions within forty-five days of receipt of a complete and accurate application which authorizes commencement of construction, replacement, or repair of a marine beach front protective bulkhead or rockwall for single-family type residences or property under the following conditions:

(a) The waterward face of a new bulkhead or rockwall shall be located only as far waterward as is necessary to excavate for footings or place base rock for the structure and under no conditions shall be located more than six feet waterward of the ordinary high water line;

(b) Any bulkhead or rockwall to replace or repair an existing bulkhead or rockwall shall be placed along the same alignment as the bulkhead or rockwall it is replacing; however, the replaced or repaired bulkhead or rockwall may be placed waterward of and directly abutting the existing structure only in cases where removal of the existing bulkhead or rockwall would result in environmental degradation or removal problems related to geological, engineering, or safety considerations;

(c) Construction of a new bulkhead or rockwall, or replacement or repair of an existing bulkhead or rockwall waterward of the existing structure shall not result in the permanent loss of critical food fish or shellfish habitats; and

(d) Timing constraints shall be applied on a case-by-case basis for the protection of critical habitats, including but not limited to migration corridors, rearing and feeding areas, and spawning habitats, for the proper protection of fish life.

(3) Any bulkhead or rockwall construction, replacement, or repair not meeting the conditions in this section shall be processed under this chapter in the same manner as any other application.

(4) ~~((Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic permit approval under this section may formally appeal the decision to the hydraulic appeals board pursuant to this chapter.))~~ The director shall establish an advisory committee to develop new and review existing technical provisions for hydraulic project permit conditions that would commonly apply to bulkhead construction. The purpose of the advisory committee shall be to develop recommendations for legislative and rule changes that (a) protect against the loss of property of waterfront shoreline owners; (b) facilitate the timely issuance of hydraulic permits and the prompt completion of projects; (c) reduce subjective project approval decisions by the department; and (d) foster better working relationships between bulkhead contractors, landowners, and the department. These recommendations shall be based on scientific evidence that demonstrates the association of project activities with impacts on fish life. The advisory committee shall be comprised of technical experts in the field of bulkhead construction, civil engineering, hydrology, and fish biology. By January 1, 1996, the committee shall submit recommendations to the director and the natural resources committees of the house of representatives and senate. The advisory committee shall expire on December 31, 1996.

MOTION

Representative Reams moved that the House concur in the Senate amendments to Engrossed Substitute House Bill No. 1107 and pass the bill as amended by the Senate.

POINT OF ORDER

Representative Chandler: Thank you Mr. Speaker. I would request a ruling on the scope and object on the Senate amendments to Engrossed Substitute House Bill No. 1107.

SPEAKER'S RULING

Representative Chandler, the Speaker is prepared to Rule on your Point of Order which challenges the Senate Amendment to Engrossed Substitute House Bill No. 1107 as being beyond the Scope and Object of the bill.

The title of Engrossed Substitute House Bill No. 1107 is "AN ACT Relating to the elimination and consolidation of boards and commissions.

The title is narrow.

The title clearly limits the scope of the bill to the elimination and consolidation of various boards and commissions.

The Senate Amendment would:

(1) Direct the Department of Fish and Wildlife to establish an advisory committee to develop new provisions for hydraulic project permit conditions; and

(2) Continue the Puget Sound Water Quality Authority for seven more years; and

(3) Remove 128 gubernatorial appointments from existing senate confirmation requirements.

The Amendment creates rather than eliminates another board or commission, continues rather than eliminates an agency that will sunset under existing law on June 30, 1995, and removes current Senate oversight responsibility from various appointments made by the Governor. The Amendment clearly goes beyond the scope of the title to Engrossed Substitute House Bill No. 1107.

The Speaker finds that the Senate Amendment is beyond the scope and object of the bill.

Representative Chandler, Your Point of Order is well taken.

MOTION

Representative Reams moved that the House not concur in the Senate amendments to Engrossed Substitute House Bill No. 1107 and ask the Senate to recede therefrom. The motion was carried.

Compensation that a member receives for being in standby status is also compensation earnable, subject to the conditions of this subsection. A member is in standby status when not being paid for time actually worked and only when both of the following conditions exist: (i) The member is required to be present at, or in the immediate vicinity of, a specified location; and (ii) the employer requires the member to be prepared to report immediately for work, if the need arises, although the need may not arise. Payment shall be made prior to the retirement of such member.

Payments submitted by the member under this section shall be placed in the member's individual account in the members' savings fund and be treated as any other contribution made by the member, with the exception that the contributions submitted by the member in payment of the employer's obligation, together with the interest the director may apply to the employer's contribution, shall be excluded from the calculation of the member's annuity in the event the member selects a benefit with an annuity option.

NEW SECTION. Sec. 3. A new section is added to chapter 41.40 RCW under the subchapter heading "PROVISIONS APPLICABLE TO PLAN I AND PLAN II" to read as follows:

(1) This section applies to the establishment of membership service with employers admitted to the retirement system after the effective date of this act.

(2) For current employees, membership service may be established for periods of employment with an employer prior to the employer's admission into the retirement system by making the payments required by this section.

(a) Option A: The employer makes all the required payments within fifteen years from the date of the employer's admission.

(b) Option B: The employer makes a portion of the required payments and the member pays the balance. The employer shall not be required to make its payments until the member has made his or her payments. Each member shall have the option to purchase the membership service.

(c) Option C: The member makes all of the required payments. Each member shall have the option to purchase the membership service.

All payments under options B and C of this subsection must be completed within five years from the date of the employer's admission, or prior to the retirement of the member, whichever occurs sooner. The department shall keep accounts as are necessary to show the contributions of each political subdivision to the benefit account fund and shall have the power to debit and credit the various accounts in accordance with the transfer of the members from one employer to another.~~

SENATE AMENDMENTS TO HOUSE BILL

April 4, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1517 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to assist community and economic development by clarifying the authority of all cities, towns, counties, and public corporations to engage in federally guaranteed "conduit financings" and to specify procedures that may be used for such conduit financings. Generally, in such a conduit financing a municipality borrows funds from the federal government or from private sources with the help of federal guarantees, without pledging the credit or tax revenues of the municipality, and then lends the proceeds for private projects that both fulfill public purposes, such as community and economic development, and provide the revenues to retire the municipal borrowings. Such conduit financings include issuance by municipalities of federally guaranteed notes under section 108 of the housing and community development act of 1974, as amended, to finance projects eligible under federal community development block grant regulations.

Sec. 2. RCW 35.21.735 and 1985 c 332 s 3 are each amended to read as follows:

(1) The legislature hereby declares that carrying out the purposes of federal grants or programs is both a public purpose and an appropriate function for ~~((such))~~ a city, town, county, or public corporation. The provisions of RCW 35.21.730 through 35.21.755 and RCW 35.21.660 and 35.21.670 and the enabling authority herein conferred to implement these provisions shall be construed to accomplish the purposes of RCW 35.21.730 through 35.21.755.

(2) All cities, towns ~~((and))~~, counties, and public corporations shall have the power and authority to enter into agreements with the United States or any agency or department thereof, or any agency of the state government or its political subdivisions, and pursuant to such agreements may receive and expend, or cause to be received and expended by a custodian or trustee, federal or private funds for any lawful public purpose. Pursuant to any such agreement, a city, town, county, or public corporation may issue bonds, notes, or other evidences of indebtedness that are guaranteed or otherwise secured by funds or other instruments provided by or through the federal government or by the federal government or an agency or instrumentality thereof under section 108 of the housing and community development act of 1974 (42 U.S.C. Sec. 5308), as amended, or its successor, and may agree to repay and reimburse for any liability thereon any guarantor of any such bonds, notes, or other evidences of indebtedness issued by such jurisdiction or public corporation, or issued by any other public entity. For purposes of this subsection federal housing mortgage insurance shall not constitute a federal guarantee or security.

(3) A city, town, county, or public corporation may pledge, as security for any such bonds, notes, or other evidences of indebtedness or for its obligations to repay or reimburse any guarantor thereof, its right, title, and interest in and to any or all of the following: (a) Any federal grants or payments received or that may be received in the future; (b) any of the following that may be obtained directly or indirectly from the use of any federal or private funds received as authorized in this section: (i) Property and interests therein, and (ii) revenues; (c) any payments received or owing from any person resulting from the lending of any federal or private funds received as authorized in this

section; (d) any proceeds under (a), (b), or (c) of this subsection and any securities or investments in which (a), (b), or (c) of this subsection or proceeds thereof may be invested; (e) any interest or other earnings on (a), (b), (c), or (d) of this subsection.

(4) A city, town, county, or public corporation may establish one or more special funds relating to any or all of the sources listed in subsection (3)(a) through (e) of this section and pay or cause to be paid from such fund the principal, interest, premium if any, and other amounts payable on any bonds, notes, or other evidences of indebtedness authorized under this section, and pay or cause to be paid any amounts owing on any obligations for repayment or reimbursement of guarantors of any such bonds, notes, or other evidences of indebtedness. A city, town, county, or public corporation may contract with a financial institution either to act as trustee or custodian to receive, administer, and expend any federal or private funds, or to collect, administer, and make payments from any special fund as authorized under this section, or both, and to perform other duties and functions in connection with the transactions authorized under this section. If the bonds, notes, or other evidences of indebtedness and related agreements comply with subsection (6) of this section, then any such funds held by any such trustee or custodian, or by a public corporation, shall not constitute public moneys or funds of any city, town, or county and at all times shall be kept segregated and set apart from other funds.

(5) For purposes of this section, "lawful public purpose" includes, without limitation, any use of funds, including loans thereof to public or private parties, authorized by the agreements with the United States or any department or agency thereof under which federal or private funds are obtained, or authorized under the federal laws and regulations pertinent to such agreements.

(6) If any such federal or private funds are loaned or granted to any private party or used to guarantee any obligations of any private party, then any bonds, notes, other evidences of indebtedness issued or entered into for the purpose of receiving or causing the receipt of such federal or private funds, and any agreements to repay or reimburse guarantors, shall not be obligations of any city, town, or county and shall be payable only from a special fund as authorized in this section or from any of the security pledged pursuant to the authority of this section, or both. Any bonds, notes, or other evidences of indebtedness to which this subsection applies shall contain a recital to the effect that they are not obligations of the city, town, or county or the state of Washington and that neither the faith and credit nor the taxing power of the state or any municipal corporation or subdivision of the state or any agency of any of the foregoing, is pledged to the payment of principal, interest, or premium, if any, thereon. Any bonds, notes, other evidences of indebtedness, or other obligations to which this subsection applies shall not be included in any computation for purposes of limitations on indebtedness. To the extent expressly agreed in writing by a city, town, county, or public corporation, this subsection shall not apply to bonds, notes, or other evidences of indebtedness issued for, or obligations incurred for, the necessary support of the poor and infirm by that city, town, county, or public corporation.

(7) Any bonds, notes, or other evidences of indebtedness issued by, or reimbursement obligations incurred by, a city, town, county, or public corporation consistent with the provisions of this section but prior to the effective date of this section, and any loans or pledges made by a city, town, or county in connection therewith substantially consistent with the provisions of this section but prior to the effective date of this section, are deemed authorized and shall not be held void, voidable, or invalid due to any lack of authority under the laws of this state.

NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 4. The authority granted by this act is additional and supplemental to any other authority of any city, town, county, or public corporation. Nothing in this act may be construed to imply that any of the power or authority granted hereby was not available to any city, town, county, or public corporation under prior law. Any previous actions consistent with the provisions of this act are ratified and confirmed.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

(4) An approved in-service training program shall be a program approved by a school district board of directors, which meet standards adopted by the state board of education, and the development of said program has been participated in by an in-service training task force whose membership is the same as provided under RCW 28A.415.040, or a program offered by an education agency approved to provide in-service for the purposes of continuing education as provided for under rules adopted by the state board of education, or both.

An individual may not receive more than the equivalent of two college quarter credits for internships during a calendar-year period. The total number of credits for internships that an individual may earn to advance on the salary schedule developed by the legislative evaluation and accountability program committee or its successor agency is limited to the equivalent of fifteen college quarter credits.

NEW SECTION. Sec. 4. SENATE AMENDMENTS TO HOUSE BILL

April 10, 1995

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1557, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the business of insurance is one affected by the public interest, requiring that all persons be actuated by good faith, abstain from deception, and practice honesty and equity in all insurance matters. The payment of kickbacks, bribes, or rebates for

referrals to service providers, as has been occurring with increasing regularity in this state, results in inflated or fraudulent insurance claims, results in greater insurance costs for all citizens, and is contrary to the public interest. In particular, the process whereby "cappers" buy and sell insurance claims without the controls of professional licensing and discipline creates a fertile ground for illegal activity and has, in this state, resulted in frauds committed against injured claimants, insurance companies, and the public. Operations that engage in this practice have some or all of the following characteristics: Cappers, acting under an agreement or understanding that they will receive a pecuniary benefit, refer claimants with real or imaginary claims, injuries, or property damage to service providers. This sets off a chain of events that corrupts both the provision of services and casualty or property insurance for all citizens. This chain of events includes false claims for services through the use of false estimates of repair; false prescriptions of care or rehabilitative therapy; services that either do not occur or are provided by persons unqualified to provide the services; submission of false claims; submission of and demands for fraudulent costs, lost wages, pain and suffering, and the like; and other devices meant to result in false claims under casualty or property insurance policies or contracts, whether insured or self-insured, and either directly or through subrogation.

The legislature finds that combatting these practices requires laws carefully fashioned to identify practices that mimic customary business practices. The legislature does not intend this law to be used against medical and other business referral practices that are otherwise legal, customary, and unrelated to the furtherance of some or all of the corrupt practices identified in this chapter.

NEW SECTION. Sec. 2. The definitions set forth in this section apply throughout this chapter unless the context clearly indicates otherwise.

(1) "Casualty or property insurance" includes both the insurance under which a claim is filed and insurance that receives a claim through subrogation, and means insurance as defined in RCW 48.11.040 and 48.11.070 and includes self-insurance arrangements.

(2) "Claimant" means a person who has or is believed by an actor to have an insurance claim.

(3) "Group-buying arrangement" means an arrangement made by a membership organization having one hundred or more members in which the organization asks for or receives valuable consideration in exchange for referring its members to a service provider; the consideration asked for or received will be or is used to benefit the entire organization, not just one or more individuals in positions of power or influence in the organization; and reasonable efforts are made to disclose to affected members of the organization the nature of the referral relationship, including the nature, extent, amount, and use of the consideration.

(4) "Health care services" means a service provided to a claimant for treatment of physical or mental illness or injury arising in whole or substantial part from trauma.

(5) "Insurance claim" means a claim for payment, benefits, or damages under a contract, plan, or policy of casualty or property insurance.

(6) "Legal provider" means an active member in good standing of the Washington state bar association, and any other person authorized by the Washington state supreme court to engage in full or limited practice of law.

(7) "Service provider" means a person who directly or indirectly provides, advertises, or otherwise claims to provide services.

(8) "Services" means health care services, motor vehicle body or other motor vehicle repair, and preparing, processing, presenting, or negotiating an insurance claim.

(9) "Trauma" means a physical injury or wound caused by external force or violence.

NEW SECTION. Sec. 3. (1) It is unlawful for a person:

(a) Knowing that the payment is for the referral of a claimant to a service provider, either to accept payment from a service provider or, being a service provider, to pay another; or

(b) To provide or claim or represent to have provided services to a claimant, knowing the claimant was referred in violation of (a) of this subsection.

(2) It is unlawful for a service provider to engage in a regular practice of waiving, rebating, giving, paying, or offering to waive, rebate, give, or pay all or any part of a claimant's casualty or property insurance deductible.

NEW SECTION. Sec. 4. In a proceeding under this chapter, it is a defense if proven by the defendant by a preponderance of the evidence that, at the time of the offense:

(1) The conduct alleged was authorized by the Rules of Professional Conduct or the Admission to Practice Rules for lawyers as adopted by the state supreme court, Washington business and professions licensing statutes, or rules adopted by the secretary of health or the director of licensing;

(2) The payment was an incidental nonmonetary gift or gratuity, or was purely social in nature;

(3) The conduct alleged was an exercise of a group-buying arrangement;

(4) The conduct alleged was a legal provider paying a service provider's bills from the proceeds of an insurance claim that included the bills;

(5) The conduct alleged was a legal provider paying for services of an expert witness, including reports, consultation, and testimony; or

(6) The conduct alleged was a service provider's purchase of advertising from an unrelated business that provides referrals from advertising for groups of ten or more service providers that are not related to the advertising business and not related to each other.

NEW SECTION. Sec. 5. A violation of section 3 of this act constitutes trafficking in insurance claims. A single violation is a gross misdemeanor. Each subsequent violation, whether alleged in the same or in subsequent prosecutions, is a class C felony.

NEW SECTION. Sec. 6. Independent of authority granted to the attorney general, the prosecuting attorney may petition the superior court for an injunction against a person who has violated this chapter. Remedies in an injunctive action brought by a prosecuting attorney are limited to an order enjoining, restraining, or preventing the doing of any act or practice that constitutes a violation of this chapter and imposing a civil penalty of up to five thousand dollars for each violation. The prevailing party in the action may, in the discretion of the court, recover its reasonable investigative costs and the costs of the action including a reasonable attorney's fee. The degree of proof required in an action brought under this section is a preponderance of the evidence. An action under this section must be brought within three years after the violation of this chapter occurred.

NEW SECTION. Sec. 7. Whenever a service provider or a person licensed by the state in a business or profession is convicted, enjoined, or found liable for damages or a civil penalty or other equitable relief under section 6 of this act, the attorney general or the prosecuting attorney shall provide written notification of the judgment to the appropriate regulatory or disciplinary body or agency.

NEW SECTION. Sec. 8. A violation of this chapter is cause for discipline and constitutes unprofessional conduct that could result in any regulatory penalty provided by law, including refusal, revocation, or suspension of a business or professional license, or right or admission to practice. Conduct that constitutes a violation of this chapter is unprofessional conduct in violation of RCW 18.130.180.

NEW SECTION. Sec. 9. Each insurer licensed to write direct insurance in this state shall institute and maintain an insurance antifraud plan. An insurer licensed on the effective date of this act shall file its antifraud plan with the insurance commissioner no later than December 31, 1995. An insurer licensed after the effective date of this act shall file its antifraud plan within six months of licensure. An insurer shall file any change to the antifraud plan with the insurance commissioner within thirty days after the plan has been modified.

NEW SECTION. Sec. 10. An insurer's antifraud plan must establish specific procedures to:

(1) Prevent insurance fraud, including internal fraud involving employees or company representatives, fraud resulting from misrepresentation on applications for insurance coverage, and claims fraud;

(2) Review claims in order to detect evidence of possible insurance fraud and to investigate claims where fraud is suspected;

(3) Report fraud to appropriate law enforcement agencies and cooperate with those agencies in their prosecution of fraud cases;

(4) Undertake civil actions against persons who have engaged in fraudulent activities;

(5) Train company employees and agents in the detection and prevention of fraud.

NEW SECTION. Sec. 11. If after review of an insurer's antifraud plan, the commissioner finds that the plan does not comply with section 10 of this act, the commissioner may disapprove the antifraud plan. Notice of disapproval must include a statement of the specific reasons for disapproval. The insurer shall refile a plan disapproved by the commissioner within sixty days of the date of the notice of disapproval. The commissioner may audit insurers to ensure compliance with antifraud plans.

NEW SECTION. Sec. 12. Each insurer shall annually provide to the insurance commissioner a summary report on actions taken under its antifraud plan to prevent and combat insurance fraud. The report must also include, but not be limited to, measures taken to protect and ensure the integrity of electronic data-processing-generated data and manually compiled data, statistical data on the amount of resources committed to combating fraud, and the amount of fraud identified and recovered during the reporting period. The antifraud plans and summary of the insurer's antifraud activities are not public records and are exempt from chapter 42.17 RCW, are proprietary, are not subject to public examination, and are not discoverable or admissible in civil litigation.

NEW SECTION. Sec. 13. An insurer that fails to file a timely antifraud plan or who does not make a good faith attempt to file an antifraud plan that complies with section 10 of this act, is subject to the penalty provisions of RCW 48.01.080, but no penalty may be imposed for the first filing made by an insurer under this chapter. An insurer that fails to follow the antifraud plan is subject to a civil penalty not to exceed ten thousand dollars for each violation, at the discretion of the commissioner after consideration of all relevant factors, including the willfulness of the violation.

NEW SECTION. Sec. 14. It is the duty of all peace officers, law enforcement officers, and law enforcement agencies within this state to investigate, enforce, and prosecute all violations of this chapter.

NEW SECTION. Sec. 15. A new section is added to chapter 42.17 RCW to read as follows: Information provided under sections 9 through 12 of this act are exempt from disclosure under this chapter.

Sec. 16. RCW 48.01.030 and 1947 c 79 s .01.03 are each amended to read as follows:

But such insurer shall not, by reason of the requirement so to furnish forms, have any responsibility for or with reference to the completion of such proof or the manner of any such completion or attempted completion. If a person makes a claim under a policy of insurance, the insurer may require that the person be examined under an oath administered by a person authorized by state or federal law to administer oaths.

Sec. 18. RCW 48.30.210 and 1990 1st ex.s. c 3 s 10 are each amended to read as follows:

(4) Nothing contained in this section affects the power of the courts to grant injunctive or other equitable relief or to punish as for contempt.

(5) Whenever a legal provider or a person licensed by the state in a business or profession is convicted, enjoined, or found liable for damages or a civil penalty or other equitable relief under this section, the plaintiff's attorney shall provide written notification of the judgment to the appropriate regulatory or disciplinary body or agency.

The prevailing party in the action may, in the discretion of the court, recover its reasonable investigative costs and the costs of the action including a reasonable attorney's fee. - (ii) The interest of a person as a beneficiary under any other trust arrangement under which a trustee holds legal or record title to real property for the benefit of the beneficiary; or
- (iii) The interest of a person under any other form of express fiduciary arrangement under which one person holds legal or record title to real property for the benefit of the other person.

(b) "Beneficial interest" does not include the interest of a stockholder in a corporation or the interest of a partner in a general partnership or limited partnership.

(c) A beneficial interest shall be considered to be located where the real property owned by the trustee is located.

(20) "Real property" means any real property or interest in real property, including but not limited to a land sale contract, lease, or mortgage of real property.

(21)(a) "Trustee" means:

(i) A person acting as a trustee under a trust established under Title 11 RCW in which the trustee holds legal or record title to real property;

(ii) A person who holds legal or record title to real property in which another person has a beneficial interest; or

(iii) A successor trustee to a person who is a trustee under subsection (21)(a) (i) or (ii) of this section.

(b) "Trustee" does not mean a person appointed or acting as:

(i) A personal representative under Title 11 RCW;

(ii) A trustee of any testamentary trust;

(iii) A trustee of any indenture of trust under which a bond is issued; or

(iv) A trustee under a deed of trust.

Sec. 35. RCW 18.130.190 and 1993 c 367 s 19 are each amended to read as follows:

(1) The secretary shall investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. In the investigation of the complaints, the secretary shall have the same authority as provided the secretary under RCW 18.130.050.

(2) The secretary may issue a notice of intention to issue a cease and desist order to any person whom the secretary has reason to believe is engaged in the unlicensed practice of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. The person to whom such notice is issued may request an adjudicative proceeding to contest the charges. The request for hearing must be filed within twenty days after service of the notice of intention to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.

(3) If the secretary makes a final determination that a person has engaged or is engaging in unlicensed practice, the secretary may issue a cease and desist order. In addition, the secretary may impose a civil fine in an amount not exceeding one thousand dollars for each day upon which the person engaged in unlicensed practice of a business or profession for which a license is required by one or more of the chapters specified in RCW 18.130.040. The proceeds of such fines shall be deposited to the health professions account.

(4) If the secretary makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the secretary may issue a temporary cease and desist order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the secretary. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine.

(5) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed practice and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(6) The attorney general, a county prosecuting attorney, the secretary, a board, or any person may in accordance with the laws of this state governing injunctions, maintain an action in the name of this state to enjoin any person practicing a profession or business for which a license is required by the chapters specified in RCW 18.130.040 without a license from engaging in such practice or operating such business until the required license is secured. However, the injunction shall not relieve the person

so practicing or operating a business without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(7) Unlicensed practice of a profession or operating a business for which a license is required by the chapters specified in RCW 18.130.040, unless otherwise exempted by law, constitutes a gross misdemeanor for a single violation. Each subsequent violation, whether alleged in the same or in subsequent prosecutions, is a class C felony. All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be remitted to the health professions account.

NEW SECTION. Sec. 36. The Washington State Bar Association is requested to submit to the appropriate committees of the state senate and house of representatives by November 1995, a report on the recommendations of its task force on nonlawyer practice, including any recommendations for legislation or proposed court rules.

NEW SECTION. Sec. 37. The following acts or parts of acts are each repealed:

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1756 with the following amendments:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.110 and 1993 c 412 s 7 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the

guardian ad litem, and court-appointed special advocates, if any, are all in agreement. The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. Unless the court states on the record the reasons to disallow attendance, the court shall allow a child's relatives and, if a child resides in foster care ((or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow)), the child's foster parent ((or relative care provider)), to attend ((dependency review)) all hearings and proceedings pertaining to the child for the sole purpose of providing oral and written information about the child and the child's welfare to the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 2. RCW 13.34.130 and 1994 c 288 s 4 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family

because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court

orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "and amending RCW 13.34.110 and 13.34.130."

(1) An operator shall file a fee schedule with the department. All filed fees must be adequate to cover the costs of service provided. No fees may exceed those filed with the department. At least ten days before the effective date of any change in an operator's fee schedule, the registered tow truck operator shall file the revised fee schedule with the department.

(2) Towing contracts with private property owners shall be in written form and state the hours of authorization to impound, the persons empowered to authorize the impounds, and the present charge of a private impound for the classes of tow trucks to be used in the impound, and must be retained in the files of the registered tow truck operator for three years.

(3) A fee that is charged for tow truck service must be calculated on an hourly basis, and after the first hour must be charged to the nearest quarter hour.

(4) ~~((A)) Fees that ((is))~~ are charged for the storage of a vehicle, or for other items of personal property registered or titled with the department, must be calculated on a twenty-four hour basis and must be charged to the nearest half day from the time the vehicle arrived at the secure storage area. However, items of personal property registered or titled with the department that are wholly contained within an impounded vehicle are not subject to additional storage fees; they are, however, subject to satisfying the underlying lien for towing and storage of the vehicle in which they are contained.

(5) All billing invoices that are provided to the redeemer of the vehicle, or other items of personal property registered or titled with the department, must be itemized so that the individual fees are clearly discernable.

Sec. 4. RCW 46.55.090 and 1989 c 178 s 25 are each amended to read as follows:

(1) All vehicles impounded shall be taken to the nearest storage location that has been inspected and is listed on the application filed with the department.

(2) All vehicles shall be handled and returned in substantially the same condition as they existed before being towed.

(3) All personal belongings and contents in the vehicle, with the exception of those items of personal property that are registered or titled with the department, shall be kept intact, and shall be returned to the vehicle's owner or agent during normal business hours upon request and presentation of a driver's license or other sufficient identification. Personal belongings, with the exception of those items of personal property that are registered or titled with the department, shall not be sold at auction to fulfill a lien against the vehicle.

(4) All personal belongings, with the exception of those items of personal property that are registered or titled with the department, not claimed before the auction shall be turned over to the local law enforcement agency to which the initial notification of impoundment was given. Such personal belongings shall be disposed of pursuant to chapter 63.32 or 63.40 RCW.

(5) Tow truck drivers shall have a Washington state driver's license endorsed for the appropriate classification under chapter 46.25 RCW or the equivalent issued by another state.

(6) Any person who shows proof of ownership or written authorization from the impounded vehicle's registered or legal owner or the vehicle's insurer may view the vehicle without charge during normal business hours.

Sec. 5. RCW 46.55.100 and 1991 c 20 s 1 are each amended to read as follows:

(1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports. A law enforcement agency, or a private communication center acting on behalf of a law enforcement agency, shall within six to twelve hours of the impoundment, provide to a requesting operator the name and address of the legal and registered owners of the vehicle, and the registered owner of any personal property registered or titled with the department that is attached to or contained in or on the impounded vehicle, the vehicle identification number, and any other necessary, pertinent information. The initial notice of impoundment shall be followed by a written or electronic facsimile notice within twenty-four hours. In the case of a vehicle from another state, time requirements of this subsection do not apply until the requesting law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle, and for any items of personal property registered or titled with the department, that are in the operator's possession after the ninety-six hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned

vehicle and any other items of personal property registered or titled with the department to the crime information center of the Washington state patrol.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle and any other items of personal property registered or titled with the department to determine whether owner identification is within the vehicle.

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle and any other items of personal property registered or titled with the department for the vehicle identification number or other appropriate identification numbers and check the necessary records to determine the vehicle's or other property's owners.

Sec. 6. RCW 46.55.110 and 1989 c 111 s 10 are each amended to read as follows:

(1) When an unauthorized vehicle is impounded, the impounding towing operator shall notify the legal and registered owners of the impoundment of the unauthorized vehicle and the owners of any other items of personal property registered or titled with the department. The notification shall be sent by first-class mail within twenty-four hours after the impoundment to the last known registered and legal owners of the vehicle, and the owners of any other items of personal property registered or titled with the department, as provided by the law enforcement agency, and shall inform the owners of the identity of the person or agency authorizing the impound. The notification shall include the name of the impounding tow firm, its address, and telephone number. The notice shall also include the location, time of the impound, and by whose authority the vehicle was impounded. The notice shall also include the written notice of the right of redemption and opportunity for a hearing to contest the validity of the impoundment pursuant to RCW 46.55.120.

(2) In the case of an abandoned vehicle, or other item of personal property registered or titled with the department, within twenty-four hours after receiving information on the ((vehicle)) owners from the department through the abandoned vehicle report, the tow truck operator shall send by certified mail, with return receipt requested, a notice of custody and sale to the legal and registered owners.

(3) No notices need be sent to the legal or registered owners of an impounded vehicle or other item of personal property registered or titled with the department, if the vehicle or personal property has been redeemed.

Sec. 7. RCW 46.55.120 and 1993 c 121 s 3 are each amended to read as follows:

(1) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, or 46.55.113 may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, a person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department, or one who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor, may redeem an impounded vehicle or items of personal property registered or titled with the department.

(b) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm can determine through the customer's bank or a check verification service that the presented check would not be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this

section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for reasonable damages for loss of the use of the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

(4) Any impounded abandoned vehicle or item of personal property registered or titled with the department that is not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle or item of personal property registered or titled with the department may be redeemed at any time before the start of the auction upon payment of the applicable towing and storage fees.

Sec. 8. RCW 46.55.140 and 1992 c 200 s 1 are each amended to read as follows:

(1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the impounded vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. The lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle except for items of personal property registered or titled with the department. The registered tow truck operator also has a deficiency claim against the registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of ~~((three))~~ five hundred dollars ~~((less))~~ after deduction of the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars ~~((less))~~ after deduction of the amount bid at auction, unless the impound is determined to be invalid. The limitation on towing and storage deficiency claims does not apply to an impound directed by a law enforcement officer. In no case may the cost of the auction or a buyer's fee be added to the amount charged for the vehicle at the auction, the vehicle's lien, or the overage due. A registered owner who has completed and filed with the department the seller's report as provided for by RCW 46.12.101 and has timely and properly filed the seller's report is relieved of liability under this section. The person named as the new owner of the vehicle on the timely and properly filed seller's report shall assume liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner or operator of a vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the vehicle which does not comply with the requirements of this chapter.

Sec. 9. RCW 46.20.435 and 1985 c 391 s 1 are each amended to read as follows:

(1) Upon determining that a person is operating a motor vehicle without a valid driver's license in violation of RCW 46.20.021 or with a license that has been expired for ninety days or more, or with a suspended or revoked license in violation of RCW 46.20.342 or 46.20.420, a law enforcement officer may immediately impound the vehicle that the person is operating.

(2) ~~((If the driver of the vehicle is the owner of the vehicle,))~~ The officer shall not release the vehicle impounded under subsection (1) of this section until the owner of the vehicle:

(a) Establishes that any penalties, fines, or forfeitures owed by the ~~((person driving))~~ registered owner of the vehicle ~~((when it))~~ that was impounded have been satisfied; and

(b) Pays the reasonable costs of such impoundment and storage.

(3) ~~((If the driver of the vehicle is not the owner of the vehicle, the driver shall be responsible for any penalties, fines, or forfeitures owed or due and for the costs of impoundment and storage. The vehicle shall be released to the owner immediately upon proof of such ownership.~~

~~((4))~~ Whenever a vehicle has been impounded by a law enforcement officer, the officer shall immediately serve upon the driver of the impounded vehicle a notice informing the recipient of his or her right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing or the amount of towing and storage charges. A request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date of the impound. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the driver is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

~~((5))~~ (4)(a) The district court, within five days after the request for a hearing, shall notify the driver in writing of the hearing date and time.

(b) At the hearing, the person requesting the hearing may produce any relevant evidence to show that the impoundment was not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the driver was responsible for any penalties, fines, or forfeitures owed or due at the time of the impoundment, and whether they have been satisfied.

(d) A certified transcript or abstract of the driving record of the driver, as maintained by the department, is admissible in evidence in any hearing and is prima facie evidence of the status of the driving privilege of the person named in it at the time of the impoundment and whether there were penalties, fines, or forfeitures due and owing by the person named in it at the time the impoundment occurred.

Sec. 10. RCW 46.61.625 and 1965 ex.s. c 155 s 73 are each amended to read as follows:

(1) No person or persons shall occupy any trailer while it is being moved upon a public highway, except a person occupying a proper position for steering a trailer designed to be steered from a rear-end position.

(2) No person or persons may occupy a vehicle while it is being towed by a tow truck as defined in RCW 46.55.010(8)."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1879 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.40.220 and 1994 sp.s. c 7 s 529 are each amended to read as follows:

(1) Whenever legal custody of a child is vested in someone other than his or her parents, under this chapter, and not vested in the department of social and health services, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the costs of support, treatment, and confinement of the child after the decree is entered.

(2) If the parent or other legally obligated person willfully fails or refuses to pay such sum, the court may proceed against such person for contempt.

(3) Whenever legal custody of a child is vested in the department under this chapter, the parents or other persons legally obligated to care for and support the child shall be liable for the costs of support, treatment, and confinement of the child, in accordance with the department's reimbursement of cost schedule. The department shall adopt a reimbursement of cost schedule based on the costs of providing such services, and shall determine an obligation based on the responsible parents' or other legally obligated person's ability to pay. The department is authorized to adopt additional rules as appropriate to enforce this section.

(4) To enforce subsection (3) of this section, the department shall serve on the parents or other person legally obligated to care for and support the child a notice and finding of financial responsibility requiring the parents or other legally obligated person to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect and should not be ordered. This notice and finding shall relate to the costs of support, treatment, and confinement of the child in accordance with the department's reimbursement of cost schedule adopted under this section, including periodic payments to be made in the future. The hearing shall be held pursuant to chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(5) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the parent or legally obligated person by certified mail, return receipt requested. The receipt shall be prima facie evidence of service.

(6) If the parents or other legally obligated person objects to the notice and finding of financial responsibility, then an application for an adjudicative hearing may be filed within twenty days of the date of service of the notice. If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the parents or other legally obligated person and shall also determine the amount of periodic payments to be made in the future. If the parents or other legally responsible person fails to file an application within twenty days, the notice and finding of financial responsibility shall become a final administrative order.

(7) Debts determined pursuant to this section are subject to collection action without further necessity of action by a presiding or reviewing officer. The department may collect the debt in accordance with RCW 43.20B.635, 43.20B.640, 74.20A.060, and 74.20A.070. The department shall

exempt from payment parents receiving adoption support under RCW 74.13.100 through 74.13.145, ~~((and))~~ parents eligible to receive adoption support under RCW 74.13.150, and a parent or other legally obligated person when the parent or other legally obligated person, or such person's child, spouse, or spouse's child, was the victim of the offense for which the child was committed.

(8) An administrative order entered pursuant to this section shall supersede any court order entered prior to June 13, 1994.

(9) The department shall be subrogated to the right of the child and his or her parents or other legally responsible person to receive support payments for the benefit of the child from any parent or legally obligated person pursuant to a support order established by a superior court or pursuant to RCW 74.20A.055. The department's right of subrogation under this section is limited to the liability established in accordance with its cost schedule for support, treatment, and confinement, except as addressed in subsection (10) of this section.

(10) Nothing in this section precludes the department from recouping such additional support payments from the child's parents or other legally obligated person as required to qualify for receipt of federal funds. The department may adopt such rules dealing with liability for recoupment of support, treatment, or confinement costs as may become necessary to entitle the state to participate in federal funds unless such rules would be expressly prohibited by law. If any law dealing with liability for recoupment of support, treatment, or confinement costs is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds, such conflicting law is declared to be inoperative solely to the extent of the conflict.

NEW SECTION. **Sec. 2.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "offenders;" strike the remainder of the title and insert "amending RCW 13.40.220; and declaring an emergency."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1995

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1906 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature declares that the state of Washington has a compelling interest in protecting and promoting the health, welfare, and safety of children, including those who receive care away from their own homes. The legislature further declares that no person or agency has a right to be licensed under this chapter to provide care for children. The health, safety, and well-being of children must be the paramount concern in determining whether to issue a license to an applicant, whether to suspend or revoke a license, and whether to take other licensing action. The legislature intends, through the provisions of this act, to provide the department of social and health services with additional enforcement authority to carry out the purpose and provisions of this act. Furthermore, administrative law judges should receive specialized training so that they have the specialized expertise required to appropriately review licensing decisions of the department.

Children placed in foster care are particularly vulnerable and have a special need for placement in an environment that is stable, safe, and nurturing. For this reason, foster homes should be held to a high standard of care, and department decisions regarding denial, suspension, or revocation of foster care licenses should be upheld on review if there are reasonable grounds for such action.

Sec. 2. RCW 74.15.010 and 1983 c 3 s 192 are each amended to read as follows:

The purpose of chapter 74.15 RCW and RCW 74.13.031 is:

(1) To safeguard the health, safety, and well-being of children, expectant mothers and developmentally disabled persons receiving care away from their own homes, which is paramount over the right of any person to provide care;

(2) To strengthen and encourage family unity and to sustain parental rights and responsibilities to the end that foster care is provided only when a child's family, through the use of all available resources, is unable to provide necessary care;

(3) To promote the development of a sufficient number and variety of adequate child-care and maternity-care facilities, both public and private, through the cooperative efforts of public and voluntary agencies and related groups((-);

(4) To provide consultation to agencies caring for children, expectant mothers or developmentally disabled persons in order to help them to improve their methods of and facilities for care;

(5) To license agencies as defined in RCW 74.15.020 and to assure the users of such agencies, their parents, the community at large and the agencies themselves that adequate minimum standards are maintained by all agencies caring for children, expectant mothers and developmentally disabled persons.

Sec. 3. RCW 74.15.020 and 1994 c 273 s 21 are each amended to read as follows:

Sec. 4. RCW 74.15.030 and 1988 c 189 s 3 are each amended to read as follows:

The secretary shall have the power and it shall be the secretary's duty:

(1) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of facilities for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages, sex and other characteristics of persons served, variations in the purposes and services offered or size or structure of the agencies to be licensed hereunder, or because of any other factor relevant thereto;

(2) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed.

The minimum requirements shall be limited to:

(a) The size and suitability of a facility and the plan of operation for carrying out the purpose for which an applicant seeks a license;

(b) The character, suitability and competence of an agency and other persons associated with an agency directly responsible for the care and treatment of children, expectant mothers or developmentally disabled persons. In consultation with law enforcement personnel, the secretary shall investigate the conviction record or pending charges and dependency record information under chapter 43.43 RCW of each agency and its staff seeking licensure or relicensure. In order to determine the suitability of applicants for an agency license, licensees, their employees, and other persons who have

unsupervised access to children in care, and who have not resided in the state of Washington during the three-year period before being authorized to care for children shall be fingerprinted. The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history records check. The fingerprint criminal history records checks will be at the expense of the licensee except that in the case of a foster family home, if this expense would work a hardship on the licensee, the department shall pay the expense. The licensee may not pass this cost on to the employee or prospective employee, unless the employee is determined to be unsuitable due to his or her criminal history record. The secretary shall use the information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children, expectant mothers, and developmentally disabled persons. Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose;

(c) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

(d) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children, expectant mothers or developmentally disabled persons;

(e) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;

(f) The financial ability of an agency to comply with minimum requirements established pursuant to chapter 74.15 RCW and RCW 74.13.031; and

(g) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children, expectant mothers, and developmentally disabled persons prior to authorizing that person to care for children, expectant mothers, and developmentally disabled persons. However, if a child is placed with a relative under RCW 13.34.060 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;

(4) On reports of child abuse and neglect, to investigate agencies in accordance with chapter 26.44 RCW, including child day-care centers and family day-care homes, to determine whether the abuse or neglect has occurred, and whether child protective services or referral to a law enforcement agency is appropriate;

(5) To issue, revoke, or deny licenses to agencies pursuant to chapter 74.15 RCW and RCW 74.13.031. Licenses shall specify the category of care which an agency is authorized to render and the ages, sex and number of persons to be served;

(6) To prescribe the procedures and the form and contents of reports necessary for the administration of chapter 74.15 RCW and RCW 74.13.031 and to require regular reports from each licensee;

(7) To inspect agencies periodically to determine whether or not there is compliance with chapter 74.15 RCW and RCW 74.13.031 and the requirements adopted hereunder;

(8) To review requirements adopted hereunder at least every two years and to adopt appropriate changes after consultation with the child care coordinating committee and other affected groups for child day-care requirements and with the children's services advisory committee for requirements for other agencies; and

(9) To consult with public and private agencies in order to help them improve their methods and facilities for the care of children, expectant mothers and developmentally disabled persons.

Sec. 5. RCW 74.15.130 and 1989 c 175 s 149 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205

governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed seventy-five dollars per violation for a family day-care home and two hundred fifty dollars per violation for group homes, child day-care centers, and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

NEW SECTION. Sec. 6. A new section is added to chapter 74.15 RCW to read as follows:

(1) The office of administrative hearings shall not assign nor allow an administrative law judge to preside over an adjudicative hearing regarding denial, modification, suspension, or revocation of any license to provide child care, including foster care, under this chapter, unless such judge has received training related to state and federal laws and department policies and procedures regarding:

- (a) Child abuse, neglect, and maltreatment;
- (b) Child protective services investigations and standards;
- (c) Licensing activities and standards;
- (d) Child development; and
- (e) Parenting skills.

(2) The office of administrative hearings shall develop and implement a training program that carries out the requirements of this section. The office of administrative hearings shall consult and coordinate with the department in developing the training program. The department may assist the office of administrative hearings in developing and providing training to administrative law judges.

NEW SECTION. Sec. 7. A new section is added to chapter 74.15 RCW to read as follows:

(1) The department may issue a probationary license to a licensee who has had a license but is temporarily unable to comply with a rule or has been the subject of multiple complaints or concerns about noncompliance if:

- (a) The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue; and
- (b) The licensee has a plan approved by the department to correct the area of noncompliance within the probationary period.

(2) A probationary license may be issued for up to six months, and at the discretion of the department it may be extended for an additional six months. The department shall immediately terminate the probationary license, if at any time the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.

(3) The department may, at any time, issue a probationary license for due cause that states the conditions of probation.

(4) An existing license is invalidated when a probationary license is issued.

(5) At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.

(6) A right to an adjudicative proceeding shall not accrue to the licensee whose license has been placed on probationary status unless the licensee does not agree with the placement on probationary status and the department then suspends, revokes, or modifies the license.

Sec. 8. RCW 74.15.100 and 1982 c 118 s 11 are each amended to read as follows:

Each agency shall make application for a license or renewal of license to the department of social and health services on forms prescribed by the department. A licensed agency having foster-family homes under its supervision may make application for a license on behalf of any such foster-family home. Such a foster home license shall cease to be valid when the home is no longer under the supervision of that agency. Upon receipt of such application, the department shall either grant or deny a license within ninety days unless the application is for licensure as a foster-family home, in which case RCW 74.15.040 shall govern. A license shall be granted if the agency meets the minimum requirements set forth in chapter 74.15 RCW and RCW 74.13.031 and the departmental requirements consistent herewith, except that ~~((a-provisional))~~ an initial license may be issued as provided in RCW 74.15.120. Licenses provided for in chapter 74.15 RCW and RCW 74.13.031 shall be issued for a period of three years. The licensee, however, shall advise the secretary of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter is not transferable and applies only to the licensee and the location stated in the application. For licensed foster-family and family day-care homes having an acceptable history of child care, the license may remain in effect for two weeks after a move, except that for the foster-family home this will apply only if the family remains intact.

Sec. 9. RCW 74.15.120 and 1979 c 141 s 361 are each amended to read as follows:

The secretary of social and health services may, at his or her discretion, issue ~~((a-provisional))~~ an initial license instead of a full license to an agency or facility for a period not to exceed six months, renewable for a period not to exceed two years, to allow such agency or facility reasonable time to become eligible for full license ~~(, except that a provisional)~~. An initial license shall not be granted to any foster-family home except as provided in rules adopted by the department."

On page 1, line 1 of the title, after "licensing;" strike the remainder of the title and insert "amending RCW 74.15.010, 74.15.020, 74.15.030, 74.15.130, 74.15.100, and 74.15.120; adding new sections to chapter 74.15 RCW; creating a new section; and prescribing penalties."

and the same are herewith transmitted.
