Dear Friends,

The purpose of this note is to invite you to a special meeting that will be hosted by Representative Matt Shea, John Jacob Schmidt, Representative Heather Scott, and Pastor Barry and Anne Byrd. We have heard from most of you that you will be attending Marble Country's 2016 God and Country Celebration this coming weekend, which is largely focused on building a

Resistance to the globalist's relentless assault on our liberty in the United States. However, our hope is to go way beyond Resistance and find the heart of God for becoming effective Builders of a new and full expression of liberty once again. We are inviting only those people to this meeting whom we believe to be part of that solution because of your hatred for tyranny and your passion for Christian liberty. We are filled with so much anticipation of what God is planning to do throughout the weekend, so, of course, we want you to be here for the whole thing. The pre-meeting will give you a head start, and is by invitation only.

- When? 12:00 PM on Friday, June 24.
- Where? The sanctuary of the Marble Community Fellowship building in the middle of the Celebration grounds.
- What? A strategy session for rebuilding our lost liberty from the ground up

Please come if you can. We believe time will prove this Celebration to be a historical event. Please RSVP.

We look forward to seeing those of you who are able to come in just a few days. In the meantime, may the God who gave us life anoint us to serve Him in restoring His gift of LIBERTY!

Always,

Pastor Barry and Anne Byrd
