(1) Host home programs have the same meaning as described in RCW 74.15.020.

(2) Host home programs shall register with the secretary of state's office. This registration may occur when the host home program files articles of incorporation or registers as a nonprofit organization under this chapter.

(3) The host home program registration must include a notarized statement by the host home program that it meets all of the statutory requirements as provided for in RCW 74.15.020.

Sec. 4. RCW 26.44.030 and 2015 1st sp.s. c 6 s 1 are each amended to read as follows:

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of

observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11((,)) and 13((,)) RCW and (~~26 RCW~~) this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a

written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to

learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing

so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this

subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(21) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SHB 2440 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 3, 2016

MR. SPEAKER:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2449, with the following amendment(s): 2449-S2 AMS HSMH S4872.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 5. The legislature recognizes that all children and youth in Washington state are entitled to a basic education and to an equal opportunity to learn. The legislature recognizes that there are many causes of truancy and that truancy is an indicator of future school dropout and delinquent behavior. The legislature recognizes that early engagement of parents in the education process is an important measure in preventing truancy. It is the intent of the legislature to encourage the systematic identification of truant behavior as early as possible and to encourage the use of best practices and evidence-based interventions to reduce truant behavior in every school in Washington state. The legislature intends that schools, parents, juvenile courts, and communities share resources within and across school districts where possible to enhance the availability of best practices and evidence-based intervention for truant children and youth.

By taking a three-pronged approach and providing additional tools to schools, courts, communities, and families, the legislature hopes to reduce excessive absenteeism, strengthen family engagement with schools, involve communities, promote academic achievement,

reduce educational opportunity gaps, and increase high school graduation rates.

First, with respect to absenteeism in general, the legislature intends to put in place consistent practices and procedures, beginning in kindergarten, pursuant to which schools share information with families about the importance of consistent attendance and the consequences of excessive absences, involve families early, and provide families with information, services, and tools that they may access to improve and maintain their children's school attendance.

Second, the legislature recognizes the success that has been had by school districts and county juvenile courts around the state that have worked in tandem with one another to establish truancy boards capable of prevention and intervention and that regularly stay truancy petitions in order to first allow these boards to identify barriers to school attendance, cooperatively solve problems, and connect students and their families with needed community-based services. While keeping petition filing requirements in place, the legislature intends to require an initial stay of truancy petitions in order to allow for appropriate intervention and prevention before using a court order to enforce attendance laws. The legislature also intends to encourage efforts by county juvenile courts and school districts to establish and maintain community truancy boards and to employ other best practices, including the provision of training for board members and other school and court personnel on trauma-informed approaches to discipline, the use of the Washington assessment of the risks and needs of students (WARNS) or other assessment tools to identify the specific needs of individual children, and the provision of evidence-based treatments that have been found to be effective in supporting at-risk youth and their families.

Third, the legislature recognizes that there are instances in which individual barriers to school attendance that have led to truancy may be best addressed by providing access to a bed in a HOPE center. The legislature further recognizes that even when a truant student is found in contempt of a court order to attend school, it is best practice that the truant student not be placed in juvenile detention but, where feasible and available, instead be placed in a crisis residential center. The legislature intends to increase the number of beds in HOPE centers and crisis residential centers in order to facilitate their use for truant students.

Sec. 6. RCW 28A.225.005 and 2009 c 556 s 5 are each amended to read as follows:

(1) Each school within a school district shall inform the students and the parents of the students enrolled in the school about: The benefits of regular school attendance; the potential effects of excessive absenteeism, whether excused or unexcused, on academic achievement, and graduation and dropout rates; the school's expectations of the parents and guardians to ensure regular school attendance by the child; the resources available to assist the child and the parents and guardians; the role and responsibilities of the school; and the consequences of truancy, including the compulsory education requirements under this chapter. The school shall provide access to the information ~~((at least~~

~~annually~~)) before or at the time of enrollment of the child at a new school and at the beginning of each school year. If the school regularly and ordinarily communicates most other information to parents online, providing online access to the information required by this section satisfies the requirements of this section unless a parent or guardian specifically requests information to be provided in written form. Reasonable efforts must be made to enable parents to request and receive the information in a language in which they are fluent. A parent must date and acknowledge review of this information online or in writing before or at the time of enrollment of the child at a new school and at the beginning of each school year.

(2) The office of the superintendent of public instruction shall develop a template that schools may use to satisfy the requirements of subsection (1) of this section and shall post the information on its web site.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.225 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, in the event that a child in elementary school is required to attend school under RCW 28A.225.010 or 28A.225.015(1) and has five or more excused absences in a single month during the current school year, or ten or more excused absences in the current school year, the school district shall schedule a conference or conferences with the parent and child at a time reasonably convenient for all persons included for the purpose of identifying the barriers to the child's regular attendance, and the supports and resources that may be made available to the family so that the child is able to regularly attend school. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the absences, the school district may schedule this conference on that day. To satisfy the requirements of this section, the conference must include at least one school district employee such as a nurse, counselor, social worker, teacher, or community human services provider, except in those instances regarding the attendance of a child who has an individualized education program or a plan developed under section 504 of the rehabilitation act of 1973, in which case the reconvening of the team that created the program or plan is required.

(2) A conference pursuant to subsection (1) of this section is not required in the event of excused absences for which prior notice has been given to the school or a doctor's note has been provided and an academic plan is put in place so that the child does not fall behind.

Sec. 8. RCW 28A.225.020 and 2009 c 266 s 1 are each amended to read as follows:

(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:

(a) Inform the child's ~~((custodial))~~ parent ~~((, parents, or guardian))~~ by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the

potential consequences of additional unexcused absences. If the ~~((custodial))~~ parent~~((, parents, or guardian))~~ is not fluent in English, the ~~((preferred practice is to))~~ school must make reasonable efforts to provide this information in a language in which the ~~((custodial))~~ parent~~((, parents, or guardian))~~ is fluent;

(b) Schedule a conference or conferences with the ~~((custodial))~~ parent~~((, parents, or guardian))~~ and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after two unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the second unexcused absence, then the school district may schedule this conference on that day; and

(c) Take data-informed steps to eliminate or reduce the child's absences. These steps shall include the use of the Washington assessment of the risks and needs of students (WARNS), and where appropriate, providing an available approved best practice or research-based intervention, or both, consistent with the WARNS profile, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, ~~((if available,))~~ requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence.

(2) For purposes of this chapter, an "unexcused absence" means that a child:

(a) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and

(b) Has failed to meet the school district's policy for excused absences.

(3) If a child transfers from one school district to another during the school year, the receiving school or school district shall include the unexcused absences accumulated at the previous school or from the previous school district for purposes of this section, RCW 28A.225.030, and 28A.225.015, along with a copy of any previous assessment as required under subsection (1)(c) of this section, history of any best practices or researched-based intervention previously provided to the child by the child's current school district, and a copy of the most recent truancy information including any online or written acknowledgment by the parent and child, as provided for in RCW 28A.225.005.

Sec. 9. RCW 28A.225.025 and 2009 c 266 s 2 are each amended to read as follows:

(1) For purposes of this chapter, "community truancy board" means a board composed of members of the local community in which the child attends school.

~~((Juvenile courts may establish and operate community~~

~~truancy boards. If the juvenile court and the school district agree, a school district may)) All members of a community truancy board must receive training regarding the identification of barriers to school attendance, the use of the Washington assessment of the risks and needs of students (WARNS) or other assessment tools to identify the specific needs of individual children, trauma-informed approaches to discipline, evidence-based treatments that have been found effective in supporting at-risk youth and their families, and the specific services and treatment available in the particular school, court, community, and elsewhere. Pursuant to a memorandum of understanding between a school district and a juvenile court, all school districts must establish and operate a community truancy board under the jurisdiction of the juvenile court. ~~((Juvenile courts may create a community truancy board or may use other entities that exist or are created, such as diversion units. However, a diversion unit or other existing entity must agree before it is used as a truancy board.))~~ Duties of a community truancy board shall include, but not be limited to: Identifying barriers to school attendance, recommending methods for improving ~~((school))~~ attendance such as ~~((assisting the parent or the child to obtain supplementary services that might eliminate or ameliorate the causes for the absences or))~~ connecting students and their families with community services and evidence-based services such as functional family therapy, multisystemic therapy, and aggression replacement training, suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program, or referring a child to a HOPE center.~~

(2) The legislature finds that utilization of community truancy boards~~((, or other diversion units that fulfill a similar function,))~~ is the preferred means of intervention when preliminary methods ~~((of notice and parent conferences and taking appropriate steps))~~ to eliminate or reduce unexcused absences have not been effective in securing the child's attendance at school. The legislature intends to encourage and support the development and expansion of community truancy boards ~~((and other diversion programs which are effective in promoting school attendance and preventing the need for more intrusive intervention by the court)).~~ All school districts must establish a community truancy board by August 1, 2017. Operation of a school truancy board does not excuse a district from the obligation of filing a petition within the requirements of RCW 28A.225.015(3).

Sec. 10. RCW 28A.225.030 and 2012 c 157 s 1 are each amended to read as follows:

(1) If a child under the age of seventeen is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's absences from public school, not later than the seventh unexcused absence by a child within any month during the current school year or not later than the tenth unexcused absence during the current school year the school district shall file a petition and supporting affidavit for a civil action with the juvenile court alleging a violation of RCW

28A.225.010: (a) By the parent; (b) by the child; or (c) by the parent and the child. The petition must include a list of all interventions that have been attempted as set forth in RCW 28A.225.020, include a copy of any previous truancy assessment completed by the child's current school district, the history of approved best practices intervention or research-based intervention previously provided to the child by the child's current school district, and a copy of the most recent truancy information document signed by the parent and child, pursuant to RCW 28A.225.005. Except as provided in this subsection, no additional documents need be filed with the petition. Nothing in this subsection requires court jurisdiction to terminate when a child turns seventeen or precludes a school district from filing a petition for a child that is seventeen years of age.

(2) The district shall not later than the fifth unexcused absence in a month:

(a) Enter into an agreement with a student and parent that establishes school attendance requirements;

(b) Refer a student to a community truancy board(~~(if available,))~~) as defined in RCW 28A.225.025. The community truancy board shall enter into an agreement with the student and parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences; or

(c) File a petition under subsection (1) of this section.

(3) The petition may be filed by a school district employee who is not an attorney.

(4) If the school district fails to file a petition under this section, the parent of a child with five or more unexcused absences in any month during the current school year or upon the tenth unexcused absence during the current school year may file a petition with the juvenile court alleging a violation of RCW 28A.225.010.

(5) Petitions filed under this section may be served by certified mail, return receipt requested. If such service is unsuccessful, or the return receipt is not signed by the addressee, personal service is required.

Sec. 11. RCW 28A.225.035 and 2012 c 157 s 2 are each amended to read as follows:

(1) A petition for a civil action under RCW 28A.225.030 or 28A.225.015 shall consist of a written notification to the court alleging that:

(a) The child has unexcused absences as described in RCW 28A.225.030(1) during the current school year;

(b) Actions taken by the school district have not been successful in substantially reducing the child's absences from school; and

(c) Court intervention and supervision are necessary to assist the school district or parent to reduce the child's absences from school.

(2) The petition shall set forth the name, date of birth, school, address, gender, race, and ethnicity of the child and the names and addresses of the child's parents, and shall set forth (~~whether~~) the languages in which the child and parent are fluent (~~(in English)~~), whether there is an existing individualized education program, and the child's current academic status in school.

(3) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter and provide information about what the court might order under RCW 28A.225.090.

(4)(a) When a petition is filed under RCW 28A.225.030 or 28A.225.015, it shall initially be stayed by the juvenile court.

(b) By August 1, 2017, the child and the child's parent must be referred to a community truancy board as described in RCW 28A.225.025.

(c) Between August 1, 2016, and July 31, 2017, intervention and prevention efforts must be employed to substantially reduce the child's unexcused absences. Intervention and prevention efforts under this subsection may include referral to an existing community truancy board, use of the Washington assessment of the risks and needs of students (WARNS) or other assessment tools to identify the specific needs of individual children, the provision of community-based services, and the provision of evidence-based treatments that have been found to be effective in supporting at-risk youth and their families. The school district must provide to the court a description of the intervention and prevention efforts to be employed to substantially reduce the child's unexcused absences, along with a timeline for completion. School districts with fewer than two hundred students may work cooperatively with other school districts, the county court, or the school district's educational service district to provide a community truancy board or other interventions approved by the juvenile court and associated screenings and services to its students.

(d) If intervention and prevention efforts under this subsection are unsuccessful at substantially reducing the child's unexcused absences within a reasonable time frame set by the school district, the stay shall be lifted and the juvenile court shall schedule a hearing at which the court shall consider the petition(~~(, or if the court determines that a referral to an available community truancy board would substantially reduce the child's unexcused absences, the court may refer the case to a community truancy board under the jurisdiction of the juvenile court)).~~

(5) (~~(4f)~~) When a referral is made to a community truancy board, the truancy board must meet with the child, a parent, and the school district representative and enter into an agreement with the petitioner and respondent regarding expectations and any actions necessary to address the child's truancy within twenty days of the referral. If the petition is based on RCW 28A.225.015, the child shall not be required to attend and the agreement under this subsection shall be between the truancy board, the school district, and the child's parent. The court may permit the truancy board or truancy prevention counselor to provide continued supervision over the student, or parent if the petition is based on RCW 28A.225.015.

(6) If the community truancy board fails to reach an agreement, or the parent or student does not comply with the agreement, the truancy board shall return the case to the juvenile court for a hearing.

(7)(a) Notwithstanding the provisions in subsection (4)(a) of this section, a hearing shall not be required if other actions by the court would substantially reduce the child's

unexcused absences. When a juvenile court hearing is held, the court shall:

(i) Separately notify the child, the parent of the child, and the school district of the hearing. If the parent is not fluent in English, ~~((the preferred practice is for))~~ notice ~~((to))~~ should be provided in a language in which the parent is fluent as indicated on the petition pursuant to RCW 28A.225.030(1);

(ii) Notify the parent and the child of their rights to present evidence at the hearing; and

(iii) Notify the parent and the child of the options and rights available under chapter 13.32A RCW.

(b) If the child is not provided with counsel, the advisement of rights must take place in court by means of a colloquy between the court, the child if eight years old or older, and the parent.

(8)(a) The court may require the attendance of the child if eight years old or older, the parents, and the school district at any hearing on a petition filed under RCW 28A.225.030.

(b) The court may not issue a bench warrant for a child for failure to appear at a hearing on an initial truancy petition filed under RCW 28A.225.030. If there has been proper service, the court may instead enter a default order assuming jurisdiction under the terms specified in subsection (12) of this section.

(9) A school district is responsible for determining who shall represent the school district at hearings on a petition filed under RCW 28A.225.030 or 28A.225.015.

(10) The court may permit the first hearing to be held without requiring that either party be represented by legal counsel, and to be held without a guardian ad litem for the child under RCW 4.08.050. At the request of the school district, the court shall permit a school district representative who is not an attorney to represent the school district at any future hearings.

(11) If the child is in a special education program or has a diagnosed mental or emotional disorder, the court shall inquire as to what efforts the school district has made to assist the child in attending school.

(12) If the allegations in the petition are established by a preponderance of the evidence, the court shall grant the petition and enter an order assuming jurisdiction to intervene for the period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the juvenile, to most likely cause the juvenile to return to and remain in school while the juvenile is subject to this chapter. In no case may the order expire before the end of the school year in which it is entered.

(13)(a) If the court assumes jurisdiction, the school district shall periodically report to the court any additional unexcused absences by the child, actions taken by the school district, and an update on the child's academic status in school at a schedule specified by the court.

(b) The first report under this subsection (13) must be received no later than three months from the date that the court assumes jurisdiction.

(14) Community truancy boards and the courts shall coordinate, to the extent possible, proceedings and actions pertaining to children who are subject to truancy petitions and at-risk youth petitions in RCW 13.32A.191 or child in need of services petitions in RCW 13.32A.140.

(15) If after a juvenile court assumes jurisdiction in one county the child relocates to another county, the juvenile court in the receiving county shall, upon the request of a school district or parent, assume jurisdiction of the petition filed in the previous county.

Sec. 12. RCW 28A.225.090 and 2009 c 266 s 4 are each amended to read as follows:

(1) A court may order a child subject to a petition under RCW 28A.225.035 to do one or more of the following:

(a) Attend the child's current school, and set forth minimum attendance requirements, ~~((including suspensions))~~ which shall not consider a suspension day as an unexcused absence;

(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;

(c) Attend a private nonsectarian school or program including an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student's school district. If the court orders the child to enroll in a private school or program, the child's school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;

(d) ~~((Be referred to a community truancy board, if available; or~~

~~((Submit to ((testing for the use of controlled substances or alcohol based on a determination that such testing)) a substance abuse assessment if the court finds on the record that such assessment is appropriate to the circumstances and behavior of the child and will facilitate the child's compliance with the mandatory attendance law and, if any assessment, including a urinalysis test ordered under this subsection indicates the use of controlled substances or alcohol, order the minor to abstain from the unlawful consumption of controlled substances or alcohol and adhere to the recommendations of the ((drug)) substance abuse assessment at no expense to the school;~~

(e) Submit to a mental health evaluation or other diagnostic evaluation and adhere to the recommendations of the drug assessment, at no expense to the school, if the court finds on the court records that such evaluation is appropriate to the circumstances and behavior of the child.

and will facilitate the child's compliance with the mandatory attendance law; or

(f) Submit to a temporary placement in a crisis residential center if the court determines there is an immediate health and safety concern, or a family conflict with the need for mediation.

(2) If the child fails to comply with the court order, the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as community restitution. Failure by a child to comply with an order issued under this subsection shall not be subject to detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW. Detention ordered under this subsection may be for no longer than seven days. Detention ordered under this subsection shall preferably be served at a secure crisis residential center close to the child's home rather than in a juvenile detention facility. A warrant of arrest for a child under this subsection may not be served on a child inside of school during school hours in a location where other students are present.

(3) Any parent violating any of the provisions of either RCW 28A.225.010, 28A.225.015, or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. The court shall remit fifty percent of the fine collected under this section to the child's school district. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community restitution instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

(4) If a child continues to be truant after entering into a court-approved order with the truancy board under RCW 28A.225.035, the juvenile court shall find the child in contempt, and the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as meaningful community restitution. Failure by a child to comply with an order issued under this subsection may not subject a child to detention for a period greater than that permitted under a civil contempt proceeding against a child under chapter 13.32A RCW.

(5) Subsections (1), (2), and (4) of this section shall not apply to a six or seven year old child required to attend public school under RCW 28A.225.015.

Sec. 13. RCW 43.185C.315 and 2015 c 69 s 22 are each amended to read as follows:

(1) The department shall establish HOPE centers that provide no more than seventy-five beds across the state and may establish HOPE centers by contract, within funds

appropriated by the legislature specifically for this purpose. HOPE centers shall be operated in a manner to reasonably assure that street youth placed there will not run away. Street youth may leave a HOPE center during the course of the day to attend school or other necessary appointments, but the street youth must be accompanied by an administrator or an administrator's designee. The street youth must provide the administration with specific information regarding his or her destination and expected time of return to the HOPE center. Any street youth who runs away from a HOPE center shall not be readmitted unless specifically authorized by the street youth's placement and liaison specialist, and the placement and liaison specialist shall document with specific factual findings an appropriate basis for readmitting any street youth to a HOPE center. HOPE centers are required to have the following:

~~((1))~~ (a) A license issued by the department of social and health services;

~~((2))~~ (b) A professional with a master's degree in counseling, social work, or related field and at least one year of experience working with street youth or a bachelor of arts degree in social work or a related field and five years of experience working with street youth. This professional staff person may be contractual or a part-time employee, but must be available to work with street youth in a HOPE center at a ratio of one to every fifteen youth staying in a HOPE center. This professional shall be known as a placement and liaison specialist. Preference shall be given to those professionals cross-credentialed in mental health and chemical dependency. The placement and liaison specialist shall:

~~((a))~~ (i) Conduct an assessment of the street youth that includes a determination of the street youth's legal status regarding residential placement;

~~((b))~~ (ii) Facilitate the street youth's return to his or her legally authorized residence at the earliest possible date or initiate processes to arrange legally authorized appropriate placement. Any street youth who may meet the definition of dependent child under RCW 13.34.030 must be referred to the department of social and health services. The department of social and health services shall determine whether a dependency petition should be filed under chapter 13.34 RCW. A shelter care hearing must be held within seventy-two hours to authorize out-of-home placement for any youth the department of social and health services determines is appropriate for out-of-home placement under chapter 13.34 RCW. All of the provisions of chapter 13.32A RCW must be followed for children in need of services or at-risk youth;

~~((c))~~ (iii) Interface with other relevant resources and system representatives to secure long-term residential placement and other needed services for the street youth;

~~((d))~~ (iv) Be assigned immediately to each youth and meet with the youth within eight hours of the youth receiving HOPE center services;

~~((e))~~ (v) Facilitate a physical examination of any street youth who has not seen a physician within one year prior to residence at a HOPE center and facilitate evaluation by a county-designated mental health professional, a chemical dependency specialist, or both if appropriate; and

~~((6))~~ (vi) Arrange an educational assessment to measure the street youth's competency level in reading, writing, and basic mathematics, and that will measure learning disabilities or special needs;

~~((3))~~ (c) Staff trained in development needs of street youth as determined by the department, including an administrator who is a professional with a master's degree in counseling, social work, or a related field and at least one year of experience working with street youth, or a bachelor of arts degree in social work or a related field and five years of experience working with street youth, who must work with the placement and liaison specialist to provide appropriate services on site;

~~((4))~~ (d) A data collection system that measures outcomes for the population served, and enables research and evaluation that can be used for future program development and service delivery. Data collection systems must have confidentiality rules and protocols developed by the department;

~~((5))~~ (e) Notification requirements that meet the notification requirements of chapter 13.32A RCW. The youth's arrival date and time must be logged at intake by HOPE center staff. The staff must immediately notify law enforcement and dependency caseworkers if a street youth runs away from a HOPE center. A child may be transferred to a secure facility as defined in RCW 13.32A.030 whenever the staff reasonably believes that a street youth is likely to leave the HOPE center and not return after full consideration of the factors set forth in RCW 43.185C.290(2)(a) (i) and (ii). The street youth's temporary placement in the HOPE center must be authorized by the court or the secretary of the department of social and health services if the youth is a dependent of the state under chapter 13.34 RCW or the department of social and health services is responsible for the youth under chapter 13.32A RCW, or by the youth's parent or legal custodian, until such time as the parent can retrieve the youth who is returning to home;

~~((6))~~ (f) HOPE centers must identify to the department of social and health services any street youth it serves who is not returning promptly to home. The department of social and health services then must contact the missing children's clearinghouse identified in chapter 13.60 RCW and either report the youth's location or report that the youth is the subject of a dependency action and the parent should receive notice from the department of social and health services; and

~~((7))~~ (g) Services that provide counseling and education to the street youth~~(; and)~~.

~~((8))~~ (2) The department shall award contracts for the operation of HOPE center beds with the goal of facilitating the coordination of services provided for youth by such programs and those services provided by secure and semi-secure crisis residential centers.

(3) Subject to funds appropriated for this purpose, the department must incrementally increase the number of available HOPE beds by at least seventeen beds in fiscal year 2017, at least seventeen beds in fiscal year 2018, and at least seventeen beds in fiscal year 2019, such that by July 1, 2019, seventy-five HOPE beds are established and operated throughout the state as set forth in subsection (1) of this section.

(4) Subject to funds appropriated for this purpose, the beds available in HOPE centers shall be increased incrementally beyond the limit of seventy-five set forth in subsection (1) of this section. The additional capacity shall be distributed around the state based upon need and, to the extent feasible, shall be geographically situated so that HOPE beds are available across the state. In determining the need for increased numbers of HOPE beds in a particular county or counties, one of the considerations should be the volume of truancy petitions filed there.

Sec. 14. RCW 43.185C.320 and 2015 c 69 s 23 are each amended to read as follows:

To be eligible for placement in a HOPE center, a minor must be either a street youth, as that term is defined in this chapter, or a youth who, without placement in a HOPE center, will continue to participate in increasingly risky behavior, including truancy. Youth may also self-refer to a HOPE center. Payment for a HOPE center bed is not contingent upon prior approval by the department; however, approval from the department of social and health services is needed if the youth is dependent under chapter 13.34 RCW.

NEW SECTION. Sec. 15. A new section is added to chapter 43.185C RCW to read as follows:

Subject to funds appropriated for this purpose, the capacity available in crisis residential centers established pursuant to this chapter shall be increased incrementally by no fewer than ten beds per fiscal year through fiscal year 2019 in order to accommodate truant students found in contempt of a court order to attend school. The additional capacity shall be distributed around the state based upon need and, to the extent feasible, shall be geographically situated to expand the use of crisis residential centers as set forth in this chapter so they are available for use by all courts for housing truant youth.

Sec. 16. RCW 28A.165.005 and 2013 2nd sp.s. c 18 s 201 are each amended to read as follows:

(1) This chapter is designed to: (a) Promote the use of data when developing programs to assist underachieving students and reduce disruptive behaviors in the classroom; and (b) guide school districts in providing the most effective and efficient practices when implementing supplemental instruction and services to assist underachieving students and reduce disruptive behaviors in the classroom.

(2) School districts implementing a learning assistance program shall focus first on addressing the needs of students:

(a) In grades kindergarten through four who are deficient in reading or reading readiness skills to improve reading literacy; and

(b) Referred to community truancy boards as defined in RCW 28A.225.025.

Sec. 17. RCW 28A.165.035 and 2013 2nd sp.s. c 18 s 203 are each amended to read as follows:

(2) Use of best practices that have been demonstrated through research to be associated with increased student achievement magnifies the opportunities for student success. To the extent they are included as a best practice or strategy in one of the state menus or an approved alternative under this section or RCW 28A.655.235, the following are services and activities that may be supported by the learning assistance program:

(e) Tutoring support for participating students;

(f) Outreach activities and support for parents of participating students, including employing parent and family engagement coordinators; ~~(and)~~

(g) Up to five percent of a district's learning assistance program allocation may be used for development of partnerships with community-based organizations, educational service districts, and other local agencies to deliver academic and nonacademic supports to participating students who are significantly at risk of not being successful in school to reduce barriers to learning, increase student engagement, and enhance students' readiness to learn. The office of the superintendent of public instruction must approve any community-based organization or local agency before learning assistance funds may be expended; and

(h) Up to two percent of a district's learning assistance program allocation may be used to fund community truancy board activities and student supports as described in RCW 28A.225.025.

(3) In addition to the state menu developed under RCW 28A.655.235, the office of the superintendent of public instruction shall convene a panel of experts, including the Washington state institute for public policy, to develop additional state menus of best practices and strategies for use in the learning assistance program to assist struggling students at all grade levels in English language arts and mathematics and reduce disruptive behaviors in the classroom. The office of the superintendent of public instruction shall publish the state menus by July 1, 2015, and update the state menus by each July 1st thereafter.

If the district is able to demonstrate improved outcomes for participating students over the previous two school years at a level commensurate with the best practices and strategies on the state menu, the office of the superintendent of public instruction shall approve use of the alternative practice or strategy by the district for one additional school year. Subsequent annual approval by the superintendent of public instruction to use the alternative practice or strategy is dependent on the district continuing to demonstrate increased improved outcomes for participating students.

(c) Beginning in the 2016-17 school year, school districts may enter cooperative agreements with state agencies, local governments, or school districts for administrative or operational costs needed to provide services in accordance with the state menus developed under this section and RCW 28A.655.235.

(5) School districts are encouraged to implement best practices and strategies from the state menus developed under this section and RCW 28A.655.235 before the use is required.

Sec. 18. RCW 28A.655.235 and 2013 2nd sp.s. c 18 s 106 are each amended to read as follows:

(b) For the purposes of this subsection (2), the office of the superintendent of public instruction shall exclude the following from the calculation of a school's percentage of tested students receiving a score of basic or below basic on the third grade statewide student assessment:

- (i) Students enrolled in the transitional bilingual instruction program unless the student has participated in the transitional bilingual instruction program for three school years;
- (ii) Students with disabilities whose individualized education program specifies a different standard to measure reading performance than is required for the statewide student assessment; and

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to 2SHB 2449 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 2, 2016

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1448 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 22. The legislature finds that law enforcement officers may respond to situations in which an individual has threatened harm to himself or herself, but that individual does not meet the criteria to be taken into custody for an evaluation under the involuntary treatment act. In these situations, officers are encouraged to facilitate contact between the individual and a mental health professional in order to protect the individual and the

community. While the legislature acknowledges that some law enforcement officers receive mental health training, law enforcement officers are not mental health professionals. It is the intent of the legislature that mental health incidents are addressed by mental health professionals.

NEW SECTION. Sec. 23. A new section is added to chapter 71.05 RCW to read as follows:

When funded, the Washington association of sheriffs and police chiefs, in consultation with the criminal justice training commission, must develop and adopt a model policy for use by law enforcement agencies relating to a law enforcement officer's referral of a person to a mental health agency after receiving a report of threatened or attempted suicide. The model policy must complement the criminal justice training commission's crisis intervention training curriculum.

NEW SECTION. Sec. 24. A new section is added to chapter 71.05 RCW to read as follows:

By July 1, 2017, all general authority Washington law enforcement agencies must adopt a policy establishing criteria and procedures for a law enforcement officer to refer a person to a mental health agency after receiving a report of threatened or attempted suicide.

Sec. 25. RCW 71.05.120 and 2000 c 94 s 4 are each amended to read as follows:

(1) No officer of a public or private agency, nor the superintendent, professional person in charge, his or her professional designee, or attending staff of any such agency, nor any public official performing functions necessary to the administration of this chapter, nor peace officer responsible for detaining a person pursuant to this chapter, nor any county designated mental health professional, nor the state, a unit of local government, or an evaluation and treatment facility shall be civilly or criminally liable for performing duties pursuant to this chapter with regard to the decision of whether to admit, discharge, release, administer antipsychotic medications, or detain a person for evaluation and treatment: PROVIDED, That such duties were performed in good faith and without gross negligence.

(2) Peace officers and their employing agencies are not liable for the referral of a person, or the failure to refer a person, to a mental health agency pursuant to a policy adopted pursuant to section 3 of this act if such action or inaction is taken in good faith and without gross negligence.

(3) This section does not relieve a person from giving the required notices under RCW 71.05.330(2) or 71.05.340(1)(b), or the duty to warn or to take reasonable precautions to provide protection from violent behavior where the patient has communicated an actual threat of physical violence against a reasonably identifiable victim or victims. The duty to warn or to take reasonable precautions to provide protection from violent behavior is discharged if reasonable efforts are made to communicate

the threat to the victim or victims and to law enforcement personnel.

NEW SECTION. Sec. 26. A new section is added to chapter 71.05 RCW to read as follows:

As soon as possible, but no later than twenty-four hours from receiving a referral from a law enforcement officer or law enforcement agency, excluding Saturdays, Sundays, and holidays, a mental health professional contacted by the designated mental health professional agency must attempt to contact the referred person to determine whether additional mental health intervention is necessary including, if needed, an assessment by a designated mental health professional for initial detention under RCW 71.05.150 or 71.05.153. Documentation of the mental health professional's attempt to contact and assess the person must be maintained by the designated mental health professional agency.

NEW SECTION. Sec. 27. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2016, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "suicide;" strike the remainder of the title and insert "amending RCW 71.05.120; adding new sections to chapter 71.05 RCW; and creating new sections."

and the same is herewith transmitted.

(2)(a) The petition must be filed in the county in which the designated mental health professional investigation occurred or was requested to occur and must be submitted on forms developed by the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:

(i) A description of the relationship between the petitioner and the person; and

(ii) The date on which an investigation was requested from the designated mental health professional.

(3) The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated mental health professional agency with an order for the agency to provide the court, within one judicial day, with a written

sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated mental health professional's current decision.

(4) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(5) The court shall dismiss the petition at any time if it finds that a designated mental health professional has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(6) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention if the court finds that: (a) There is probable cause to support a petition for detention; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(7) If the court enters an order for initial detention, it shall provide the order to the designated mental health professional agency, which shall execute the order without delay. An order for initial detention under this section expires one hundred eighty days from issuance.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ESHB 1875 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 3, 2016

MR. SPEAKER:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2439, with the following amendment(s): 2439-S2.E AMS ENGR S5083.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature understands that adverse childhood experiences, such as family mental health issues, substance abuse, serious economic hardship, and domestic violence, all increase the likelihood of developmental delays and later health and mental health problems. The legislature further understands that early intervention services for children and families at high risk for adverse childhood experience help build secure parent-child attachment and bonding, which allows young children to thrive and form strong relationships in the future. The legislature finds that early identification and intervention are critical for children exhibiting aggressive or depressive behaviors indicative of early mental health problems. The legislature intends to improve access to adequate, appropriate, and culturally responsive mental health services for children and youth. The legislature further intends to encourage the use of behavioral health therapies and other therapies that are empirically supported or evidence-based and only prescribe medications for children and youth as a last resort.

(2) The legislature finds that nearly half of Washington's children are enrolled in medicaid and have a higher incidence of serious health problems compared to children who have commercial insurance. The legislature recognizes that disparities also exist in the diagnosis and initiation of treatment services for children of color, with studies demonstrating that children of color are diagnosed and begin receiving early interventions at a later age. The legislature finds that within the current system of care, families face barriers to receiving a full range of services for children experiencing behavioral health problems. The legislature intends to identify what network adequacy requirements, if strengthened, would increase access, continuity, and coordination of behavioral health services for children and families. The legislature further intends to encourage managed care plans and behavioral health organizations to contract with the same providers that serve children so families are not required to duplicate mental

health screenings, and to recommend provider rates for mental health services to children and youth which will ensure an adequate network and access to quality based care.

(3) The legislature recognizes that early and accurate recognition of behavioral health issues coupled with appropriate and timely intervention enhances health outcomes while minimizing overall expenditures. The legislature intends to assure that annual depression screenings are done consistently with the highly vulnerable medicaid population and that children and families benefit from earlier access to services.

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2908, with the following amendment(s): 2908-S.E AMS LAW S4992.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 7. The legislature recognizes the invaluable contributions of law enforcement officers, who risk their own lives every day to protect our families and communities. We hold law enforcement to a high standard in their positions of public trust and as the guardians in our communities, and the legislature applauds their efforts to show respect and compassion to all citizens while holding individuals accountable for their criminal activity.

The legislature acknowledges that officers are often placed in harm's way and must make decisions quickly while under extreme stress. Although regrettable in every case, the use of deadly force may sometimes be necessary to protect the safety of others. The legislature also recognizes that both the people of this state and law enforcement officers themselves rely on and expect accountability, the failure of which damages the public trust in those who serve the public honorably and with compassion.

It is the intent of the legislature to improve our law in a manner that provides clear guidance to law enforcement, respects and supports the role of law enforcement to maintain public safety, and fosters accountability and public trust.

NEW SECTION. Sec. 8. (1) A joint legislative task force on the use of deadly force in community policing is established.

- (i) Washington state commission on Hispanic affairs;
 - (ii) Washington state commission on Asian Pacific American affairs;

 - (iv) Governor's office of Indian affairs.
- (3) The task force shall:
- (a) Review laws, practices, and training programs regarding the use of deadly force in Washington state and other states;
 - (b) Review current policies, practices, and tools used by or otherwise available to law enforcement as an alternative to lethal uses of force, including tasers and other nonlethal weapons; and
 - (c) Recommend best practices to reduce the number of violent interactions between law enforcement officers and members of the public.
- (4) The task force may review literature and reports on the use of deadly force, and may consult with persons, organizations, and entities with interest or experience in community policing including, but not limited to, law enforcement, local governments, professional associations, community organizations, advocacy groups, and faith-based organizations.
- (5) The legislative membership shall convene the initial meeting of the task force no later than July 1, 2016. The task force shall convene at least four meetings in 2016. SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ESHB 2908 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 4, 2016

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1130 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 9.** RCW 90.16.050 and 2007 c 286 s 1 are each amended to read as follows:

(1) Every person, firm, private or municipal corporation, or association hereinafter called "claimant", claiming the right to the use of water within or bordering upon the state of Washington for power development, shall on or before the first day of January of each year pay to the state of Washington in advance an annual license fee, based upon the theoretical water power claimed under each and every separate claim to water according to the following schedule:

(a) For projects in operation: For each and every theoretical horsepower claimed up to and including one thousand horsepower, at the rate of eighteen cents per horsepower; for each and every theoretical horsepower in excess of one thousand horsepower, up to and including ten thousand horsepower, at the rate of three and six-tenths cents per horsepower; for each and every theoretical

horsepower in excess of ten thousand horsepower, at the rate of one and eight-tenths cents per horsepower.

(b) For federal energy regulatory commission projects in operation that are subject to review for certification under section 401 of the federal clean water act, the following fee schedule applies in addition to the fees in (a) of this subsection: For each theoretical horsepower of capacity up to and including one thousand horsepower, at the rate of thirty-two cents per horsepower; for each theoretical horsepower in excess of one thousand horsepower, up to and including ten thousand horsepower, at the rate of six and four-tenths cents per horsepower; for each theoretical horsepower in excess of ten thousand horsepower, at the rate of three and two-tenths cents per horsepower.

(c) To justify the appropriate use of fees collected under (b) of this subsection, the department of ecology shall submit a progress report to the appropriate committees of the legislature prior to December 31, 2009, and biennially thereafter (~~until December 31, 2017~~).

(i) The progress report will: (A) Describe how license fees and other funds used for the work of the licensing program were expended in direct support of the federal energy regulatory commission licensing process and license implementation during the current biennium, and expected workload and full-time equivalent employees for federal energy regulatory commission licensing in the next biennium. In order to increase the financial accountability of the licensing, relicensing, and license implementation program, the report must include the amount of licensing fees and program funds that were expended on licensing work associated with each hydropower project. This project-specific program expenditure list must detail the program costs and staff time associated with each hydropower project during the time period immediately prior to license issuance process, the program costs and staff time deriving from the issuance or reissuance of a license to each hydropower project, and the program costs and staff time associated with license implementation after the issuance or reissuance of a license to a hydropower project. This program cost and staff time information must be collected beginning July 1, 2016, and included in biennial reports addressing program years 2016 or later. The report must also include an estimate of the total workload, program costs, and staff time for work associated with either certification under section 401 of the federal clean water act or license implementation for federally licensed hydropower projects expected to occur in the next reporting period, or both. In addition, the report must provide sufficient information to determine that the fees charged are not for activities already performed by other state or federal agencies or tribes that have jurisdiction over a specific license requirement and that duplicative work and expense is avoided; (B) include any recommendations based on consultation with the departments of ecology and fish and wildlife, hydropower project operators, and other interested parties; and (C) recognize hydropower operators that exceed their environmental regulatory requirements.

(ii) The fees required in (b) of this subsection expire June 30, (~~2017~~) 2023. The biennial progress reports submitted by the department of ecology will serve

as a record for considering the extension of the fee structure in (b) of this subsection.

(2) The following are exceptions to the fee schedule in subsection (1) of this section:

(a) For undeveloped projects, the fee shall be at one-half the rates specified for projects in operation; for projects partly developed and in operation the fees paid on that portion of any project that shall have been developed and in operation shall be the full annual license fee specified in subsection (1) of this section for projects in operation, and for the remainder of the power claimed under such project the fees shall be the same as for undeveloped projects.

(b) The fees required in subsection (1) of this section do not apply to any hydropower project owned by the United States.

(c) The fees required in subsection (1) of this section do not apply to the use of water for the generation of fifty horsepower or less.

(d) The fees required in subsection (1) of this section for projects developed by an irrigation district in conjunction with the irrigation district's water conveyance system shall be reduced by fifty percent to reflect the portion of the year when the project is not operable.

(e) Any irrigation district or other municipal subdivision of the state, developing power chiefly for use in pumping of water for irrigation, upon the filing of a statement showing the amount of power used for irrigation pumping, is exempt from the fees in subsection (1) of this section to the extent of the power used for irrigation pumping.

(3) In order to ensure accountability in the licensing, relicensing, and license implementation programs of the department of ecology and the department of fish and wildlife, the departments must implement the following administrative requirements:

(a)(i) Both the department of ecology and the department of fish and wildlife must be responsible for producing an annual work plan that addresses the work anticipated to be completed by each department associated with federal hydropower licensing and license implementation.

(ii) Both the department of ecology and the department of fish and wildlife must assign one employee to each licensed hydropower project to act as each department's designated licensing and implementation lead for a hydropower project. The responsibility assigned by each department to hydropower project licensing and implementation leads must include resolving conflicts with the license applicant or license holder and the facilitation of department decision making related to license applications and license implementation for the particular hydropower project assigned to a licensing lead.

(b) The department of ecology and the department of fish and wildlife must host an annual meeting with parties interested in or affected by hydropower project licensing and the associated fees charged under this section. The purposes of the annual meeting must include soliciting information from interested parties related to the annual hydropower work plan required by (a) of this subsection and to the biennial progress report produced pursuant to subsection (1)(c)(i) of this section.

(c) Prior to the annual meeting required by (b) of this subsection, the department of fish and wildlife and the department of ecology must circulate a survey to hydropower licensees soliciting feedback on the responsiveness of department staff, clarity of staff roles and responsibilities in the hydropower licensing and implementation process, and other topics related to the professionalism and expertise of department staff assigned to hydropower project licensing projects. This survey must be designed by the department of fish and wildlife and the department of ecology after consulting with hydropower licensees and the results of the survey must be included in the biennial progress report produced pursuant to subsection (1)(c)(i) of this section. Prior to the annual meeting, the department of ecology and the department of fish and wildlife must analyze the survey results. The departments must present summarized information based on their analysis of survey results at the annual meeting for purposes of discussion with hydropower project licensees."

(i)(A) Any areas of a medical facility, counseling, or therapeutic program office where:

(I) A patient is registered to receive treatment, receiving treatment, waiting for treatment, or being transported in the course of treatment; or

(II) Health care information is shared with patients, their families, or among the care team; or

(e)(i) A person directly involved in an incident recorded by the requested body worn camera recording, an attorney representing a person directly involved in an incident recorded by the requested body worn camera recording, a person or his or her attorney who requests a body worn camera recording relevant to a criminal case involving that person, or the executive director from either

the Washington state commission on African-American affairs, Asian Pacific American affairs, or Hispanic affairs, has the right to obtain the body worn camera recording, subject to any exemption under this chapter or any applicable law. In addition, an attorney who represents a person regarding a potential or existing civil cause of action involving the denial of civil rights under the federal or state Constitution, or a violation of a United States department of justice settlement agreement, has the right to obtain the body worn camera recording if relevant to the cause of action, subject to any exemption under this chapter or any applicable law. The attorney must explain the relevancy of the requested body worn camera recording to the cause of action and specify that he or she is seeking relief from redaction costs under this subsection (14)(e).

(ii) A law enforcement or corrections agency responding to requests under this subsection (14)(e) may not require the requesting individual to pay costs of any redacting, altering, distorting, pixelating, suppressing, or otherwise obscuring any portion of a body worn camera recording.

(iii) A law enforcement or corrections agency may require any person requesting a body worn camera recording pursuant to this subsection (14)(e) to identify himself or herself to ensure he or she is a person entitled to obtain the body worn camera recording under this subsection (14)(e).

(f)(i) A law enforcement or corrections agency responding to a request to disclose body worn camera recordings may require any requester not listed in (e) of this subsection to pay the reasonable costs of redacting, altering, distorting, pixelating, suppressing, or otherwise obscuring any portion of the body worn camera recording prior to disclosure only to the extent necessary to comply with the exemptions in this chapter or any applicable law.

(ii) An agency that charges redaction costs under this subsection (14)(f) must use redaction technology that provides the least costly commercially available method of redacting body worn camera recordings, to the extent possible and reasonable.

(iii) In any case where an agency charges a requestor for the costs of redacting a body worn camera recording under this subsection (14)(f), the time spent on redaction of the recording shall not count towards the agency's allocation of, or limitation on, time or costs spent responding to public records requests under this chapter, as established pursuant to local ordinance, policy, procedure, or state law.

(g) For purposes of this subsection (14):

(i) "Body worn camera recording" means a video and/or sound recording that is made by a body worn camera attached to the uniform or eyewear of a law enforcement or corrections officer from a covered jurisdiction while in the course of his or her official duties and that is made on or after the effective date of this section and prior to July 1, 2019; and

(ii) "Covered jurisdiction" means any jurisdiction that has deployed body worn cameras as of the effective date of this section, regardless of whether or not body worn cameras are being deployed in the jurisdiction on the effective date of this section, including, but not limited to,

jurisdictions that have deployed body worn cameras on a pilot basis.

(h) Nothing in this subsection shall be construed to restrict access to body worn camera recordings as otherwise permitted by law for official or recognized civilian and accountability bodies or pursuant to any court order.

(i) Nothing in this section is intended to modify the obligations of prosecuting attorneys and law enforcement under *Brady v. Maryland*, 373 U.S. 83, 83 S. Ct. 1194, 10 L. Ed. 2d 215 (1963), *Kyles v. Whitley*, 541 U.S. 419, 115 S. Ct. 1555, 131 L. Ed.2d 490 (1995), and the relevant Washington court criminal rules and statutes.

(j) A law enforcement or corrections agency must retain body worn camera recordings for at least sixty days and thereafter may destroy the records.

Sec. 12. RCW 42.56.080 and 2005 c 483 s 1 and 2005 c 274 s 285 are each reenacted and amended to read as follows:

Public records shall be available for inspection and copying, and agencies shall, upon request for identifiable public records, make them promptly available to any person including, if applicable, on a partial or installment basis as records that are part of a larger set of requested records are assembled or made ready for inspection or disclosure. Agencies shall not deny a request for identifiable public records solely on the basis that the request is overbroad. Agencies shall not distinguish among persons requesting records, and such persons shall not be required to provide information as to the purpose for the request except to establish whether inspection and copying would violate RCW 42.56.070(9) or 42.56.240(14), or other statute which exempts or prohibits disclosure of specific information or records to certain persons. Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency. Agencies shall honor requests received by mail for identifiable public records unless exempted by provisions of this chapter.

Sec. 13. RCW 42.56.120 and 2005 c 483 s 2 are each amended to read as follows:

No fee shall be charged for the inspection of public records (~~or~~ ~~no fee shall be charged for~~) or locating public documents and making them available for copying, except as provided in RCW 42.56.240(14). A reasonable charge may be imposed for providing copies of public records and for the use by any person of agency equipment or equipment of the office of the secretary of the senate or the office of the chief clerk of the house of representatives to copy public records, which charges shall not exceed the amount necessary to reimburse the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives for its actual costs directly incident to such copying. Agency charges for photocopies shall be imposed in accordance with the actual per page cost or other costs established and published by the agency. In no event may an agency charge a per page cost greater than the actual per page cost as established and published by the

agency. To the extent the agency has not determined the actual per page cost for photocopies of public records, the agency may not charge in excess of fifteen cents per page. An agency may require a deposit in an amount not to exceed ten percent of the estimated cost of providing copies for a request. If an agency makes a request available on a partial or installment basis, the agency may charge for each part of the request as it is provided. If an installment of a records request is not claimed or reviewed, the agency is not obligated to fulfill the balance of the request.

NEW SECTION. Sec. 14. (1) A law enforcement or corrections agency that deploys body worn cameras must establish policies regarding the use of the cameras. The policies must, at a minimum, address:

Any ordinance or resolution authorizing the use of body worn cameras should identify a community involvement process for providing input into the development of operational policies governing the use of body worn cameras.

NEW SECTION. Sec. 16. (1) The legislature shall convene a task force with the following voting members to examine the use of body worn cameras by law enforcement and corrections agencies:

MESSAGE FROM THE SENATE

March 1, 2016

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2793 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 5. The legislature finds that: Washington's suicide rate is fourteen percent higher than the national average; on average, two young people between the ages of ten and twenty-four die by suicide each week; almost a quarter of those who die by suicide are veterans; and many of the state's rural and tribal communities have the highest suicide rates. The legislature further finds that when suicide occurs, it has devastating consequences for communities and schools, yet, according to the United States surgeon general, suicide is the nation's most preventable form of death. The legislature further finds that one of the most immediate ways to reduce the tragedy of suicide is through suicide awareness and prevention education coupled with safe storage of lethal means commonly used in suicides, such as firearms and prescription medications. The legislature further finds that encouraging firearms dealers to voluntarily participate in suicide awareness and prevention education programs and provide certain safe storage devices at cost is an important step in creating safer homes and reducing suicide deaths in the state.

NEW SECTION. Sec. 6. (1)(a) Subject to the availability of amounts appropriated for this specific purpose, a safe homes task force is established to raise public awareness and increase suicide prevention education among new partners who are in key positions to help reduce suicide. The task force shall be administered and staffed by the University of Washington school of social work.

(b) The safe homes task force shall consist of the members comprised of a suicide prevention and firearms

(h) Create a web site that will be a clearinghouse for the newly created suicide awareness and prevention materials developed by the task force; and

(i) Conduct a survey of firearms dealers and firearms ranges in the state to determine the types and amounts of incentives that would be effective in encouraging those entities to participate in the safe homes project created in section 3 of this act;

Regardless of the method used to identify the floodway, the floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state;

(c) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be found by examining the bed and banks and ascertaining where the presence and action of waters are so common and usual, and so long continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1, 1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits issued by a local government or the department: PROVIDED, That in any area where the ordinary high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of mean higher high tide and the ordinary high water mark adjoining fresh water shall be the line of mean high water;

(d) "Shorelands" or "shoreland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all wetlands and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology.

(i) Any county or city may determine that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet therefrom.

(ii) Any city or county may also include in its master program land necessary for buffers for critical areas, as defined in chapter 36.70A RCW, that occur within shorelines of the state, provided that forest practices regulated under chapter 76.09 RCW, except conversions to nonforest land use, on lands subject to the provisions of this subsection (2)(d)(ii) are not subject to additional regulations under this chapter;

(e) "Shorelines" means all of the water areas of the state, including reservoirs, and their associated shorelands, together with the lands underlying them; except (i) shorelines of statewide significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is twenty cubic feet per second or less and the wetlands associated with such upstream segments; and (iii) shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;

(f) "Shorelines of statewide significance" means the following shorelines of the state:

(v) Those natural rivers or segments thereof as follows:

(A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more,

(B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;

(vi) Those shorelands associated with (f)(i), (ii), (iv), and (v) of this subsection (2);

(g) "Shorelines of the state" are the total of all "shorelines" and "shorelines of statewide significance" within the state;

(h) "Wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities,

wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas to mitigate the conversion of wetlands.

(3) Procedural terms:

(a) "Development" means a use consisting of the construction or exterior alteration of structures; dredging; drilling; dumping; filling; removal of any sand, gravel, or minerals; bulkheading; driving of piling; placing of obstructions; or any project of a permanent or temporary nature which interferes with the normal public use of the surface of the waters overlying lands subject to this chapter at any state of water level;

(b) "Guidelines" means those standards adopted to implement the policy of this chapter for regulation of use of the shorelines of the state prior to adoption of master programs. Such standards shall also provide criteria to local governments and the department in developing master programs;

(d) "State master program" is the cumulative total of all master programs approved or adopted by the department of ecology;

(e) "Substantial development" (~~shall~~) means any development of which the total cost or fair market value exceeds five thousand dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state. The dollar threshold established in this subsection (3)(e) must be adjusted for inflation by the office of financial management every five years, beginning July 1, 2007, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, Seattle, Washington area, for urban wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect. The following shall not be considered substantial developments for the purpose of this chapter:

(v) Construction or modification of navigational aids such as channel markers and anchor buoys;

(vi) Construction on shorelands by an owner, lessee, or contract purchaser of a single-family residence for his own use or for the use of his or her family, which residence does not exceed a height of thirty-five feet above average grade level and which meets all requirements of the state agency or local government having jurisdiction thereof, other than requirements imposed pursuant to this chapter;

(vii) Construction of a dock, including a community dock, designed for pleasure craft only, for the private noncommercial use of the owner, lessee, or contract purchaser of single and multiple family residences. This exception applies if either: (A) In salt waters, the fair market value of the dock does not exceed two thousand five hundred dollars; or (B) in fresh waters, the fair market value of the dock does not exceed: (I) Twenty thousand dollars for docks that are constructed to replace existing docks, are of equal or lesser square footage than the existing dock being replaced, and are located in a county, city, or town that has updated its master program consistent with the master program guidelines in chapter 173-26 WAC as adopted in 2003; or (II) ten thousand dollars for all other docks constructed in fresh waters. However, if subsequent construction occurs within five years of completion of the prior construction, and the combined fair market value of the subsequent and prior construction exceeds the amount specified in either (e)(vii)(A) or (B) of this subsection (3), the subsequent construction shall be considered a substantial development for the purpose of this chapter. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, Seattle, Washington area, for urban wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. The office of financial management must calculate the new dollar thresholds, rounded to the nearest hundred dollar, and transmit them to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar thresholds are to take effect;

(viii) Operation, maintenance, or construction of canals, waterways, drains, reservoirs, or other facilities that now exist or are hereafter created or developed as a part of an irrigation system for the primary purpose of making use of system waters, including return flow and artificially stored groundwater for the irrigation of lands;

(x) Operation and maintenance of any system of dikes, ditches, drains, or other facilities existing on September 8, 1975, which were created, developed, or utilized primarily as a part of an agricultural drainage or diking system;

(B) The activity will have no significant adverse impact on the environment including, but not limited to, fish, wildlife, fish or wildlife habitat, water quality, and aesthetic values;

(C) The activity does not involve the installation of a structure, and upon completion of the activity the vegetation and land configuration of the site are restored to conditions existing before the activity;

(D) A private entity seeking development authorization under this section first posts a performance bond or provides other evidence of financial responsibility to the local jurisdiction to ensure that the site is restored to preexisting conditions; and

(E) The activity is not subject to the permit requirements of RCW 90.58.550;

(xii) The process of removing or controlling an aquatic noxious weed, as defined in RCW 17.26.020, through the use of an herbicide or other treatment methods applicable to weed control that are recommended by a final environmental impact statement published by the department of agriculture or the department jointly with other state agencies under chapter 43.21C RCW;

((k)) (l) Provide opportunities for victim participation in juvenile justice process, including court hearings on juvenile offender matters, and ensure that Article I, section 35 of the Washington state Constitution, the victim bill of rights, is fully observed; and

(1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;

(b) Has a criminal history which includes any felony;

(c) Has a prior deferred disposition or deferred adjudication; or

(d) Has two or more adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. ((The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition.)) In all cases

where the juvenile is eligible for a deferred disposition, there shall be a strong presumption that the deferred disposition will be granted. The court may waive the fourteen-day period anytime before the commencement of trial for good cause.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and

(d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

The court shall require a juvenile granted a deferral of disposition for unlawful possession of a firearm in violation of RCW 9.41.040 to participate in a qualifying program as described in RCW 13.40.193(2)(b), when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting the court revoke the deferred disposition

based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

(b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:

(i) Revoke the deferred disposition and enter an order of disposition; or

(ii) Impose sanctions for the violation pursuant to RCW 13.40.200.

(8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.

(9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:

(i) The deferred disposition has not been previously revoked;

parkway purposes as it deems proper. A permanent employee of the commission, employed as of July 24, 2005, is exempt from the provisions of this subsection.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1351, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2016

Mr. Speaker:

The Senate has passed THIRD SUBSTITUTE HOUSE BILL NO. 1682 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that schools are places of academic as well as personal enrichment and that schools provide safety, stability, support, and relationships necessary to help students succeed. These resources are vitally necessary for tens of thousands of students in Washington with no permanent home who often struggle in school because they are worried about where their families are staying night after night.

(2) The legislature also recognizes the population of homeless students disproportionately includes students of color.

(3) The intent of the legislature is to start a competitive grant system for high-need school districts and to supplement federal McKinney-Vento Act dollars to ensure homeless students continue attending the same schools, maintain housing stability, and improve academic achievement.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose the office of the superintendent of public instruction shall create a competitive grant process to evaluate and award state-funded grants to school districts to increase identification of homeless students and the capacity of the districts to provide support, which may include education liaisons, for homeless students. The process must complement any similar federal grant program or programs in order to minimize agency overhead and administrative costs for the superintendent of public instruction and school districts. School districts may access both federal and state funding to identify and support homeless students.

(2) Award criteria for the state grants must be based on the demonstrated need of the school district and may consider the number or overall percentage, or both, of homeless children and youths enrolled in preschool, elementary, and secondary schools in the school district, and

the ability of the local school district to meet these needs. Award criteria for these must also be based on the quality of the applications submitted. Preference must be given to districts that demonstrate a commitment to serving the needs of unaccompanied youth.

(3) Districts receiving grants must measure during the academic year how often each student physically moves, what services families or unaccompanied youth could access, and whether or not a family or unaccompanied youth received stable housing by the end of the school year.

(4) Homeless students are defined as students without a fixed, regular, and adequate nighttime residence as set forth in the federal McKinney-Vento homeless education assistance act (P.L. 100-77; 101 Stat. 482).

(5) School districts may not use funds allocated under this section to supplant existing federal, state, or local resources for homeless student supports, which may include education liaisons.

NEW SECTION. Sec. 3. A new section is added to chapter 43.185C RCW to read as follows:

(1) Subject to funds appropriated for this specific purpose, the department, in consultation with the office of the superintendent of public instruction, shall administer a grant program that links homeless students and their families with stable housing located in the homeless student's school district. The goal of the program is to provide educational stability for homeless students by promoting housing stability.

(2) The department, working with the office of the superintendent of public instruction, shall develop a competitive grant process to make grant awards of no more than one hundred thousand dollars per school, not to exceed five hundred thousand dollars per school district, to school districts partnered with eligible organizations on implementation of the proposal. For the purposes of this subsection, "eligible organization" means any local government, local housing authority, regional support network established under chapter 71.24 RCW, nonprofit community or neighborhood-based organization, federally recognized Indian tribe in the state of Washington, or regional or statewide nonprofit housing assistance organization. Applications for the grant program must include contractual agreements between the housing providers and school districts defining the responsibilities and commitments of each party to identify, house, and support homeless students.

(3) The grants awarded to school districts shall not exceed fifteen school districts per school year. In determining which partnerships will receive grants, preference must be given to districts with a demonstrated commitment of partnership and history with eligible organizations.

(4) Activities eligible for assistance under this grant program include but are not limited to:

(a) Rental assistance, which includes utilities, security and utility deposits, first and last month's rent, rental application fees, moving expenses, and other eligible expenses to be determined by the department;

(b) Transportation assistance, including gasoline assistance for families with vehicles and bus passes;

(c) Emergency shelter; and

(d) Housing stability case management.

(5) All beneficiaries of funds from the grant program must be unaccompanied youth or from very low-income households. For the purposes of this subsection, "very low-income household" means an unaccompanied youth or family or unrelated persons living together whose adjusted income is less than fifty percent of the median family income, adjusted for household size, for the county where the grant recipient is located.

(6)(a) Grantee school districts must compile and report information to the department. The department shall report to the legislature the findings of the grantee, the housing stability of the homeless families, the academic performance of the grantee population, and any related policy recommendations.

(b) Data on all program participants must be entered into and tracked through the Washington homeless client management information system as described in RCW 43.185C.180.

(7) In order to ensure that school districts are meeting the requirements of an approved program for homeless students, the office of the superintendent of public instruction shall monitor the programs at least once every two years. Monitoring shall begin during the 2016-17 school year.

(8) Any program review and monitoring under this section may be conducted concurrently with other program reviews and monitoring conducted by the department. In its review, the office of the superintendent of public instruction shall monitor program components that include but need not be limited to the process used by the district to identify and reach out to homeless students, assessment data and other indicators to determine how well the district is meeting the academic needs of homeless students, district expenditures used to expand opportunities for these students, and the academic progress of students under the program.

Sec. 4. RCW 28A.300.540 and 2015 c 69 s 28 are each amended to read as follows:

(1) For the purposes of this section, "unaccompanied homeless student" means a student who is not in the physical custody of a parent or guardian and is homeless as defined in RCW 43.330.702(2).

(2) By December 31, 2010, the office of the superintendent of public instruction shall establish a uniform process designed to track the additional expenditures for transporting homeless students, including expenditures required under the McKinney Vento act, reauthorized as Title X, Part C, of the no child left behind act, P.L. 107-110, in January 2002. Once established, the superintendent shall adopt the necessary administrative rules to direct each school district to adopt and use the uniform process and track these expenditures. The superintendent shall post on the superintendent's web site total expenditures related to the transportation of homeless students.

(3)(a) By January 10, 2015, and every odd-numbered year thereafter, the office of the superintendent of public instruction shall report to the governor and the legislature the following data for homeless students:

(i) The number of identified homeless students enrolled in public schools;

(ii) The number of identified unaccompanied homeless students enrolled in public schools, which number shall be

included for each district and the state under "student demographics" on the Washington state report card web site;

(iii) The number of identified homeless students of color;

(iv) The number of students participating in the learning assistance program under chapter 28A.165 RCW, the highly capable program under chapter 28A.185 RCW, and the running start program under chapter 28A.600 RCW; and

((iv)) (v) The academic performance and educational outcomes of homeless students and unaccompanied homeless students, including but not limited to the following performance and educational outcomes:

(A) Student scores on the statewide administered academic assessments;

(B) English language proficiency;

(C) Dropout rates;

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1763, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2016

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2530 with the following amendment:

Strike everything after the enacting clause and insert the following:

"PART I - TRACKING AND TESTING OF SEXUAL ASSAULT KITS

NEW SECTION. Sec. 1. The legislature recognizes the deep pain and suffering experienced by victims of sexual assault. Sexual assault is an extreme violation of a person's body and sense of self and safety. Sexual violence is a pervasive social problem. National studies indicate that approximately one in four women will be sexually assaulted in their lifetimes. Survivors often turn to hospitals and local law enforcement for help, and many volunteer to have professionals collect a sexual assault kit to preserve physical evidence from their bodies. The process of collecting a sexual assault kit is extremely invasive and difficult.

The legislature finds that, when forensic analysis is completed, the biological evidence contained inside sexual assault kits can be an incredibly powerful tool for law enforcement to solve and prevent crime. Forensic analysis of all sexual assault kits sends a message to survivors that they matter. It sends a message to perpetrators that they will be held accountable for their crimes. The legislature is committed to bringing healing and justice to survivors of sexual assault.

The legislature recognizes the laudable and successful efforts of law enforcement in the utilization of forensic analysis of sexual assault kits in the investigation and prosecution of crimes in Washington state. In 2015, the legislature enhanced utilization of this tool by requiring the

preservation and forensic analysis of sexual assault kits. The legislature intends to continue building on its efforts through the establishment of the statewide sexual assault kit tracking system. The system will be designed to track all sexual assault kits in Washington state, regardless of when they were collected, in order to further empower survivors with information, assist law enforcement with investigations and crime prevention, and create transparency and foster public trust.

NEW SECTION. Sec. 2. A new section is added to chapter 43.43 RCW to read as follows:

(1) The Washington state patrol shall create and operate a statewide sexual assault kit tracking system. The Washington state patrol may contract with state or nonstate entities including, but not limited to, private software and technology providers, for the creation, operation, and maintenance of the system.

(2) The statewide sexual assault kit tracking system must:

(a) Track the location and status of sexual assault kits throughout the criminal justice process, including the initial collection in examinations performed at medical facilities, receipt and storage at law enforcement agencies, receipt and analysis at forensic laboratories, and storage and any destruction after completion of analysis;

(b) Allow medical facilities performing sexual assault forensic examinations, law enforcement agencies, prosecutors, the Washington state patrol bureau of forensic laboratory services, and other entities in the custody of sexual assault kits to update and track the status and location of sexual assault kits;

(c) Allow victims of sexual assault to anonymously track or receive updates regarding the status of their sexual assault kits; and

(d) Use electronic technology or technologies allowing continuous access.

(3) The Washington state patrol may use a phased implementation process in order to launch the system and facilitate entry and use of the system for required participants. The Washington state patrol may phase initial participation according to region, volume, or other appropriate classifications. All entities in the custody of sexual assault kits shall fully participate in the system no later than June 1, 2018. The Washington state patrol shall submit a report on the current status and plan for launching the system, including the plan for phased implementation, to the joint legislative task force on sexual assault forensic examination best practices, the appropriate committees of the legislature, and the governor no later than January 1, 2017.

(4) The Washington state patrol shall submit a semiannual report on the statewide sexual assault kit tracking system to the joint legislative task force on sexual assault forensic examination best practices, the appropriate committees of the legislature, and the governor. The Washington state patrol may publish the current report on its web site. The first report is due July 31, 2018, and subsequent reports are due January 31st and July 31st of each year. The report must include the following:

(a) The total number of sexual assault kits in the system statewide and by jurisdiction;

(b) The total and semiannual number of sexual assault kits where forensic analysis has been completed statewide and by jurisdiction;

(c) The number of sexual assault kits added to the system in the reporting period statewide and by jurisdiction;

(d) The total and semiannual number of sexual assault kits where forensic analysis has been requested but not completed statewide and by jurisdiction;

(e) The average and median length of time for sexual assault kits to be submitted for forensic analysis after being added to the system, including separate sets of data for all sexual assault kits in the system statewide and by jurisdiction and for sexual assault kits added to the system in the reporting period statewide and by jurisdiction;

(f) The average and median length of time for forensic analysis to be completed on sexual assault kits after being submitted for analysis, including separate sets of data for all sexual assault kits in the system statewide and by jurisdiction and for sexual assault kits added to the system in the reporting period statewide and by jurisdiction;

(g) The total and semiannual number of sexual assault kits destroyed or removed from the system statewide and by jurisdiction;

(h) The total number of sexual assault kits, statewide and by jurisdiction, where forensic analysis has not been completed and six months or more have passed since those sexual assault kits were added to the system; and

(i) The total number of sexual assault kits, statewide and by jurisdiction, where forensic analysis has not been completed and one year or more has passed since those sexual assault kits were added to the system.

(5) For the purpose of reports under subsection (4) of this section, a sexual assault kit must be assigned to the jurisdiction associated with the law enforcement agency anticipated to receive the sexual assault kit or otherwise in the custody of the sexual assault kit.

(6) Any public agency or entity, including its officials and employees, and any hospital and its employees providing services to victims of sexual assault may not be held civilly liable for damages arising from any release of information or the failure to release information related to the statewide sexual assault kit tracking system, so long as the release was without gross negligence.

SECOND SUBSTITUTE HOUSE BILL NO. 2681, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2016

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2791 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the cycle of recidivism warrants a closer examination of our criminal justice system, correctional systems, and community services in Washington. Over ninety-five percent of persons in prison will return to the community, and more than half of those persons will reoffend and be reincarcerated in today's system. This high rate of recidivism results in more crimes, more victims, more prisons, and more trauma within families and communities. We can do better for the people of Washington.

The legislature intends to establish the Washington statewide reentry council to develop collaborative and cooperative relationships between the criminal justice system, victims and their families, impacted individuals and their families, and service providers, with the purpose of improving public safety and outcomes for people reentering the community from incarceration.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Council" means the Washington statewide reentry council.

(2) "Department" means the department of commerce.

NEW SECTION. Sec. 3. (1) Subject to the availability of amounts appropriated for this specific purpose, the Washington statewide reentry council is created and located within the department for the purpose of promoting successful reentry of offenders after incarceration.

(2) Through the executive director that may be appointed by the council, the department shall administer the council by:

(a) Providing the council and its executive director use of the department's facilities; and

(b) Managing grants and other funds received, used, and disbursed by the council.

(3) The department may not designate additional full-time staff to the administration of the council beyond the executive director.

NEW SECTION. Sec. 4. (1) The council comprises fifteen members appointed by the governor.

(2) The governor must create a membership that includes:

(a)(i) Representatives of: The department of corrections; the juvenile rehabilitation administration; a statewide organization representing community and technical colleges; a statewide organization representing law enforcement interests; a statewide organization representing the interests of crime victims; a statewide organization representing prosecutors; a statewide organization representing public defenders; a statewide or local organization representing businesses and employers; housing providers; and faith-based organizations or communities;

(ii) At least two persons with experience reentering the community after incarceration; and

(iii) Two other community leaders.

(b) At least one position of the council must be reserved for an invited person with a background in tribal affairs, and such position has all of the same voting and other powers of other members.

(3) When making appointments, the governor shall consider:

(a) The racial and ethnic background of applicants in order for the membership to reflect the diversity of racial and ethnic backgrounds of all those who are incarcerated in the state;

(b) The gender of applicants in order for the membership to reflect the gender diversity of all those who are incarcerated in the state;

(c) The geographic location of all applicants in order for the membership to represent the different geographic regions of the state; and

(d) The experiences and background of all applicants relating to the incarcerated population.

NEW SECTION. Sec. 5. (1) The governor shall make initial appointments to the council. Initial appointments are for staggered terms from the date of appointment according to the following: Four members have four-year terms; four members have three year terms; and five members have two-year terms. The governor shall designate the appointees who will serve the staggered terms.

(2) Except for initial appointments under subsection (1) of this section, all appointments are for two years from the date of appointment. Any member may be reappointed for additional terms. Any member of the council may be removed by the governor for misfeasance, malfeasance, or willful neglect of duty after notice and a public hearing, unless such notice and hearing is expressly waived in writing by the affected member. In the event of a vacancy due to death, resignation, or removal, or upon the expiration of a term, the governor shall appoint a successor for the remainder of the unexpired term according to the procedures in subsection (3) of this section. Vacancies must be filled within ninety days.

(3) The council shall create a selection committee to recruit, review, and recommend future members. Prior to thirty days before the expiration of a term or within sixty days of a vacancy due to death, resignation, or removal, the selection committee shall submit a recommendation of possible appointees. The governor shall consider the recommendations of the committee when making appointments.

(4) The council shall elect cochair from among its membership. Cochairs are elected for two-year terms from the date of election. Any former or current cochair may be reelected for an additional term.

NEW SECTION. Sec. 6. (1) In addition to other powers and duties prescribed in this chapter, the council is empowered to:

(a) Meet at such times and places as necessary;

(b) Advise the legislature and the governor on issues relating to reentry and reintegration of offenders;

(c) Review, study, and make policy and funding recommendations on issues directly and indirectly related to reentry and reintegration of offenders in Washington state, including, but not limited to: Correctional programming and other issues in state and local correctional facilities; housing;

(h) Create and consult with advisory groups comprising nonmembers. Advisory groups are not eligible for reimbursement under section 7 of this act.

(2) Subject to the availability of amounts appropriated for this specific purpose, the council may select an executive director to administer the business of the council.

(b) The executive director may not be a member of the council while serving as executive director.

(c) Employment of the executive director must be confirmed by the senate and terminates after a term of three years. At the end of a term, the council may consider hiring the executive director for an additional three-year term or an extension of a specified period less than three years. The council may fix the compensation of the executive director.

(d) Subject to the availability of amounts appropriated for this specific purpose, the executive director shall reside in and be funded by the department.

(3) In conducting its business, the council shall solicit input and participation from stakeholders interested in reducing recidivism, promoting public safety, and improving community conditions for people reentering the community from incarceration. The council shall consult: The two largest caucuses in the house of representatives; the two largest caucuses in the senate; the governor; local governments; educators; mental health and substance abuse providers; behavioral health organizations; managed care organizations; city and county jails; the department of corrections; specialty courts; persons with expertise in evidence-based and research-based reentry practices; and persons with criminal histories and their families.

(4) The council shall submit to the governor and appropriate committees of the legislature a preliminary report of its activities and recommendations by December 1st of its first year of operation, and every two years thereafter.

NEW SECTION. Sec. 7. The members of the council shall serve without compensation, but are entitled to be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

SECOND SUBSTITUTE HOUSE BILL NO. 2791, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2016

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2959 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that over forty cities currently impose local business and occupation taxes and that approximately two hundred twelve cities require a business license. The legislature further finds that, unlike sales and use taxes and property taxes, the state has had little involvement in the administration of local business taxes. The legislature further finds that the business community has expressed concerns for decades with respect to local tax compliance and licensing obligations in numerous cities, which often tax and license similar transactions very differently. This lack of local uniformity, in conjunction with any lack of centralized administration, has created confusion and an undue burden on Washington businesses, especially smaller businesses that lack the financial wherewithal to seek sophisticated tax and licensing assistance.

(2) The legislature further finds that over the past fifteen years, the state and cities have made the following substantial inroads with respect to bringing uniformity to local business and occupation tax provisions and streamlining the collection of both local taxes and business licenses:

(a) In 2003, the legislature enacted Engrossed House Bill No. 2030 that provided for a more uniform system of municipal business and occupation taxes. It required the cities, working through the association of Washington cities, to form a committee to adopt a model ordinance for municipal business and occupation taxes. Engrossed House Bill No. 2030, through the model ordinance, establishes

uniform local definitions, tax classifications, and apportionment methodology.

(b) In 1977, the legislature created a master license service to streamline business licensing and renewal. The program transferred to the department of revenue on July 1, 2011. The master license service was renamed to the business licensing service to better reflect the program's purpose: The business licensing service is the clearinghouse for business licensing, offering more than two hundred endorsements from ten state agency partners, and issuing local business licenses on behalf of approximately seventy cities, with more cities joining every year. Agency programs and municipalities retain full regulatory control over their registration and compliance requirements.

(c) In 2010, the governor signed Executive Order No. 10-05 – improving the way state government serves small business. The order outlined priorities to make it easier to do business in Washington state. In the executive order, the department was specifically charged with exploring, evaluating, and recommending tax simplification solutions as a way to assist small businesses, draw businesses to the state, and keep Washington competitive. The order called for a business process with findings and recommendations due to the governor by June 30, 2011. Based on extensive feedback from small businesses, there was consensus that the top priority to simplify their tax burden is to have a single way to file taxes across the state. To meet this need, the department of revenue recommended centralizing administration of state and local business and occupation tax reporting, as is done with sales tax reporting today. In addition, the department recommended continued work to address feedback on administrative processes and ongoing efforts to look at integration of state systems, working towards a goal of a single business portal for small businesses to use to interact with the state. As part of the feedback provided to the department of revenue, local governments pointed out the following benefits of centralized administration, if it was revenue neutral and retained local flexibility regarding local tax rates, exemptions, deductions, and credits:

- (i) Reduce cities' administrative costs;
- (ii) Allow cities that cannot afford administration to have the option of enacting a local business and occupation tax;
- (iii) Increase statewide economic data;
- (iv) Reduce cities' employee workloads;
- (v) Potentially increase enforcement and broaden compliance;
- (vi) Eliminate redundant processes; and
- (vii) Provide an opportunity for state and local government to look at tax structure, reporting, etc., holistically.

(d) The cities of Seattle, Tacoma, Bellevue, and Everett have been working together since 2010 to simplify the process of local business licensing and business and occupation tax filing. In 2014, these cities signed an interlocal agreement to establish a "one-stop" system for tax payment and business license application filing to make it easier and more efficient for businesses to apply for local business licenses and file local taxes, while the cities retain local control over local licensing and tax collection functions and policies. This joint effort to create an internet web application gateway where tax collection and business

licensing functions can be collectively administered, and where businesses operating in multiple cities can use a one-stop system for tax payment or local business license application filing, began operations in 2016 and is known as FileLocal.

(3) The legislature finds that despite the significant improvements to local business tax and licensing administration over the past fifteen years legislative action is still required. The legislature directs the state, cities, towns, and identified business associations to partner in developing options for centralized and simplified administration of local business and occupation taxes and business licensing, and in particular to evaluate the following:

(a) Options to coordinate administration of local business and occupation taxes;

(b) Options for centralized administration of local business and occupation taxes for those cities and towns that desire to participate in a state-provided alternative;

(c) Options for all cities and towns to partner with the state business licensing service; and

(d) Implementing data sharing and establishing a seamless state and local user interface for those cities and towns participating in FileLocal.

(4) By January 1, 2017, the task force established in subsection (5) of this section must prepare a report to the legislature with the following:

(a) Additional or alternative options to improve the administration of local business tax and licensing that are not described in subsection (3) of this section;

(b) An examination of the differences in apportionment and nexus between state and local business and occupation taxes, and how these differences affect taxpayers and cities; and

(c) Recommendations that address the issues described in subsection (3) of this section.

(5)(a) A task force for local business tax and licensing simplification is established. The task force must consist of the following nine members:

(i) Two representatives of the association of Washington business;

(ii) One representative of the national federation of independent business;

(iii) One representative of the association of Washington cities;

(iv) One representative from a Washington city or town that imposes a local business and occupation tax and has a population greater than one hundred thousand persons using the most recent official population estimate determined under RCW 43.62.030 prior to the effective date of this section;

(v) One representative from a Washington city or town that imposes a business and occupation tax and has a population of less than one hundred thousand persons using the most recent official population estimate determined under RCW 43.62.030 prior to the effective date of this section;

(vi) One representative from FileLocal who is not otherwise included on the task force under (a)(iv) or (v) of this subsection (5);

(vii) One representative from the Washington retail association; and

(viii) One representative from the department of revenue.

(b) The task force may seek input or collaborate with any other parties it deems necessary. The department must serve as the task force chair and must staff the task force.

(c) Beginning in the first month following the effective date of this section, the task force must meet no less than once per month until it reports to the legislature as provided under subsection (4) of this section.

(d) The task force should focus on options that provide the greatest benefit to taxpayers. From these options, the task force must produce the report described in subsection (4) of this section. The report must be adopted and approved by a majority of the members of the task force, and the report must include a minority report if the task force does not reach consensus. If a member or a group to be represented in the task force does not participate in the task force or the task force's voting, the task force must adopt and approve the report described in subsection (4) of this section by a majority of those representatives participating.

(e) The task force terminates February 1, 2017, unless legislation is enacted to extend such termination date."

On page 1, line 2 of the title, after "simplification;" strike the remainder of the title and insert "and creating a new section."

and the same is herewith transmitted.
