HOUSE BILL NO. 2578, by Representatives Riccelli, Kirby, Macri, Peterson, Appleton, McBride, Frame, Doglio, Stanford, Goodman, Senn, Gregerson, Wylie, Sawyer, Kloba, Santos, Ormsby, Robinson and Bergquist

Preserving and expanding rental housing options for persons whose source of income is derived from or includes sources other than employment. Revised for 2nd Substitute: Ensuring housing options.

The bill was read the second time.

There being no objection, Second Substitute House Bill No. 2578 was substituted for House Bill No. 2578 and the second substitute bill was placed on the second reading calendar.

SECOND SUBSTITUTE HOUSE BILL NO. 2578 was read the second time.

Representative Riccelli moved the adoption of amendment (879).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 59.18 RCW to read as follows:

(1) A landlord may not, based on the source of income of an otherwise eligible prospective tenant or current tenant:

(a) Refuse to lease or rent any real property to a prospective tenant or current tenant, unless the: (i) Prospective tenant's or current tenant's source of income is conditioned on the real property passing inspection; (ii) written estimate of the cost of improvements necessary to pass inspection is more than one thousand five hundred dollars; and (iii) landlord has not received moneys from the landlord mitigation program account to make the improvements;

(b) Expel a prospective tenant or current tenant from any real property;

(c) Make any distinction, discrimination, or restriction against a prospective tenant or current tenant in the price, terms, conditions, fees, or privileges relating to the rental, lease, or occupancy of real property or in the furnishing of any facilities or services in connection with the rental, lease, or occupancy of real property;

(d) Attempt to discourage the rental or lease of any real property to a prospective tenant or current tenant;

(e) Assist, induce, incite, or coerce another person to commit an act or engage in a practice that violates this section;

(f) Coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of the person having exercised or enjoyed or having aided or encouraged any other person in the exercise or enjoyment of,

any right granted or protected under this section;

(g) Represent to a person that a dwelling unit is not available for inspection or rental when the dwelling unit in fact is available for inspection or rental; or

(h) Otherwise make unavailable or deny a dwelling unit to a prospective tenant or current tenant that, but for his or her source of income, would be eligible to rent real property.

(2) A landlord may not publish, circulate, issue, or display, or cause to be published, circulated, issued, or displayed, any communication, notice, advertisement, or sign of any kind relating to the rental or lease of real property that indicates a preference, limitation, or requirement based on any source of income.

(3) If a landlord requires that a prospective tenant or current tenant have a certain threshold level of income, any source of income in the form of a rent voucher or subsidy must be subtracted from the total of the monthly rent prior to calculating if the income criteria have been met.

(4) A person in violation of this section shall be held liable in a civil action up to four and one-half times the monthly rent of the real property at issue, as well as court costs and reasonable attorneys' fees.

(5) As used in this section, "source of income" includes benefits or subsidy programs including housing assistance, public assistance, emergency rental assistance, veterans benefits, social security, supplemental security income or other retirement programs, and other programs administered by any federal, state, local, or nonprofit entity. "Source of income" does not include income derived in an illegal manner.

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.31 RCW to read as follows:

(1) Subject to the availability of funds for this purpose, the landlord mitigation program is created and administered by the department. The department shall have such rule-making authority as the department deems necessary to administer the program. The following types of claims related to landlord mitigation for renting private

market rental units to low-income tenants using a source of income in section 1(5) of this act are eligible for reimbursement from the landlord mitigation program account:

(a) Up to one thousand dollars for improvements identified in section 1(1)(a) of this act. In order to be eligible for reimbursement under this subsection (1)(a), the landlord must pay for the first five hundred dollars for improvements, and rent to the tenant whose source of income was conditioned on the real property passing inspection. Reimbursement under this subsection (1)(a) may also include up to fourteen days of lost rental income from the date of offer of housing to the applicant whose source of income was conditioned on the real property passing inspection until move in by that applicant;

(b) Reimbursement for damages as reflected in a judgment obtained against the tenant through either an unlawful detainer proceeding, or through a civil action in a court of competent jurisdiction after a hearing; and

(c) Reimbursement for damages established pursuant to subsection (2) of this section.

(2) In order for a claim under subsection (1)(c) of this section to be eligible for reimbursement from the landlord mitigation program account, a landlord must:

(a) Have ensured that the rental property was inspected at the commencement of the tenancy by both the tenant and the landlord or landlord's agent and that a detailed written move-in property inspection report was prepared and signed by both the tenant and the landlord or landlord's agent;

(b) Make repairs and then apply for reimbursement to the department;

(c) Submit a claim on a form to be determined by the department, signed under penalty of perjury; and

(d) Submit to the department copies of the move-in property inspection report specified in (a) of this subsection, before repair and after repair photographs, videos, copies of repair receipts for labor and materials, and such other documentation or information as the department may request.

(3) The department shall make reasonable efforts to review a claim

within ten business days from the date it received properly submitted and complete claims to the satisfaction of the department. In reviewing a claim, and determining eligibility for reimbursement, the department must receive documentation, acceptable to the department in its sole discretion, that the claim involves a private market rental unit rented to a low-income tenant whose source of income is specified in section 1(5) of this act and who is using public rental assistance to pay for rent, such as a housing choice rental voucher.

(4) Damages from a tenancy must total at least five hundred dollars in order for a claim to be eligible for reimbursement from the program. While damages may exceed five thousand dollars, reimbursement from the program may not exceed five thousand dollars per tenancy.

(5) Damages, beyond wear and tear, that are eligible for reimbursement include, but are not limited to: Interior wall gouges and holes; damage to doors and cabinets, including hardware; carpet stains or burns; cracked tiles or hard surfaces; broken windows; damage to household fixtures such as disposal, toilet, sink, sink handle, ceiling fan, and lighting. Other property damages beyond normal wear and tear may also be eligible for reimbursement at the department's discretion. Damages may also include unpaid rent, provided that the landlord can evidence it to the department's satisfaction, in an amount not to exceed twenty percent of the total claim submitted.

(6) All reimbursements for eligible claims shall be made on a first-come, first-served basis, to the extent of available funds. The department shall use best efforts to notify the tenant of the amount and the reasons for any reimbursements made.

(7) The department, in its sole discretion, may inspect the property and the landlord's records related to a claim, including the use of a third-party inspector as needed to investigate fraud, to assist in making its claim review and determination of eligibility.

(8) A landlord in receipt of reimbursement from the program is prohibited from:

(a) Taking legal action against the tenant for damages attributable to the same tenancy; or

(b) Pursuing collection, or authorizing another entity to pursue collection on the landlord's behalf, of a judgment against the tenant for damages attributable to the same tenancy.

(9) A landlord denied reimbursement under subsection (1)(c) of this section may seek to obtain a judgment from a court of competent jurisdiction and, if successful, may resubmit a claim for damages supported by the judgment, along with a certified copy of the judgment. The department may reimburse the landlord for that portion of such judgment that is based on damages reimbursable under the landlord mitigation program, subject to the limitations set forth in this section.

(10) Determinations regarding reimbursements shall be made by the department in its sole discretion.

(11) The department must establish a web site that advertises the landlord mitigation program, the availability of reimbursement from the landlord mitigation program account, and maintains or links to the agency rules and policies established pursuant to this section.

(12) Neither the state, the department, or persons acting on behalf of the department, while acting within the scope of their employment or agency, is liable to any person for any loss, damage, harm, or other consequence resulting directly or indirectly from the department's administration of the landlord mitigation program or determinations under this section.

(13)(a) A report to the appropriate committees of the legislature on the effectiveness of the program and recommended modifications shall be submitted to the governor and the appropriate committees of the legislature by January 1, 2021. In preparing the report, the department shall convene and solicit input from a group of stakeholders to include representatives of large multifamily housing property owners or managers, small rental housing owners in both rural and urban markets, a representative of tenant advocates, and a representative of the housing authorities.

(b) The report shall include discussion of the effectiveness of the program as well as the department's recommendations to improve the program, and shall include the following:

(i) The number of total claims and total amount reimbursed to landlords by the fund;

(ii) Any indices of fraud identified by the department;

(iii) Any reports by the department regarding inspections authorized by and conducted on behalf of the department;

(iv) An outline of the process to obtain reimbursement for improvements and for damages from the fund;

(v) An outline of the process to obtain reimbursement for lost rent due to the rental inspection and tenant screening process, together with the total amount reimbursed for such damages;

(vi) An evaluation of the feasibility for expanding the use of the mitigation fund to provide up to ninety-day no interest loans to landlords who have not received timely rental payments from a housing authority that is administering section 8 rental assistance;

(vii) Any other modifications and recommendations made by stakeholders to improve the effectiveness and applicability of the program.

(14) As used in this section:

(a) "Low-income" means income that does not exceed eighty percent of the median income for the standard metropolitan statistical area in which the private market rental unit is located; and

(b) "Private market rental unit" means any unit available for rent that is owned by an individual, corporation, limited liability company, nonprofit housing provider, or other entity structure, but does not include housing acquired, or constructed by a public housing agency under 42 U.S.C. Sec. 1437 as it existed on January 1, 2018.

NEW SECTION. **Sec. 3.** A new section is added to chapter 43.31 RCW to read as follows:

(1) The landlord mitigation program account is created in the custody of the state treasury. All transfers and appropriations by the legislature, repayments, private contributions, and all other sources must be deposited into the account. Expenditures from the account may only be used for the landlord mitigation program under this chapter to reimburse landlords for eligible claims identified in section 2 of this act

related to private market rental units during the time of their rental to tenants whose source of income is specified in section 1(5) of this act and for the administrative costs identified in subsection (2) of this section. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) Administrative costs associated with application, distribution, and other program activities of the department may not exceed ten percent of the annual funds available for the landlord mitigation program. Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.

Sec. 4. 2017 3rd sp.s. c 4 s 1028 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF COMMERCE

Rapid Housing Improvement Program (30000863)

The reappropriation in this section is subject to the following conditions and limitations:

(1) Except as provided in subsection (2) of this section, the reappropriation is subject to the provisions of section 1010, chapter 35, Laws of 2016 sp. sess.

(2) The department may use the reappropriation to implement this act.

Reappropriation:

Washington Housing Trust Account—State	\$194,000
Prior Biennia (Expenditures)..	\$31,000
Future Biennia (Projected Costs)...	\$0
TOTAL.....	\$225,000

Sec. 5. RCW 36.22.178 and 2011 c 110 s 1 are each amended to read as follows:

The surcharge provided for in this section shall be named the affordable housing for all surcharge.

(1) Except as provided in subsection (3) of this section, a surcharge of ~~((~~ten~~))~~ thirteen dollars per instrument shall be charged by the county auditor for each document recorded, which will be in addition to any other charge

authorized by law. The county may retain up to five percent of these funds collected solely for the collection, administration, and local distribution of these funds. Of the remaining funds, forty percent of the revenue generated through this surcharge will be transmitted monthly to the state treasurer who will deposit: (a) The portion of the funds attributable to ten dollars of the surcharge into the affordable housing for all account created in RCW 43.185C.190. The department of commerce must use these funds to provide housing and shelter for extremely low-income households, including but not limited to housing for victims of human trafficking and their families and grants for building operation and maintenance costs of housing projects or units within housing projects that are affordable to extremely low-income households with incomes at or below thirty percent of the area median income, and that require a supplement to rent income to cover ongoing operating expenses; and (b) the portion of the funds attributable to three dollars of the surcharge into the landlord mitigation program account created in section 3 of this act.

(2) All of the remaining funds generated by this surcharge will be retained by the county and be deposited into a fund that must be used by the county and its cities and towns for eligible housing activities as described in this subsection that serve very low-income households with incomes at or below fifty percent of the area median income. The portion of the surcharge retained by a county shall be allocated to eligible housing activities that serve extremely low and very low-income households in the county and the cities within a county according to an interlocal agreement between the county and the cities within the county consistent with countywide and local housing needs and policies. A priority must be given to eligible housing activities that serve extremely low-income households with incomes at or below thirty percent of the area median income. Eligible housing activities to be funded by these county funds are limited to:

(a) Acquisition, construction, or rehabilitation of housing projects or units within housing projects that are affordable to very low-income households with incomes at or below fifty percent of

the area median income, including units for homeownership, rental units, seasonal and permanent farmworker housing units, units reserved for victims of human trafficking and their families, and single room occupancy units;

(b) Supporting building operation and maintenance costs of housing projects or units within housing projects eligible to receive housing trust funds, that are affordable to very low-income households with incomes at or below fifty percent of the area median income, and that require a supplement to rent income to cover ongoing operating expenses;

(c) Rental assistance vouchers for housing units that are affordable to very low-income households with incomes at or below fifty percent of the area median income, including rental housing vouchers for victims of human trafficking and their families, to be administered by a local public housing authority or other local organization that has an existing rental assistance voucher program, consistent with or similar to the United States department of housing and urban development's section 8 rental assistance voucher program standards; and

(d) Operating costs for emergency shelters and licensed overnight youth shelters.

(3) The surcharge imposed in this section does not apply to assignments or substitutions of previously recorded deeds of trust."

SUBSTITUTE HOUSE BILL NO. 1047 was read the second time.

With the consent of the house, amendments (659), (670), (671), (679) and (682) were withdrawn.

Representative Peterson moved the adoption of the striking amendment (817).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS. (1) Abuse, fatal overdoses, and poisonings from prescription and over-the-counter medicines used in the

home have emerged as an epidemic in recent years. Poisoning is the leading cause of unintentional injury-related death in Washington, and more than ninety percent of poisoning deaths are due to drug overdoses. Poisoning by prescription and over-the-counter medicines is also one of the most common means of suicide and suicide attempts, with poisonings involved in more than twenty-eight thousand suicide attempts between 2004 and 2013.

(2) Home medicine cabinets are the most common source of prescription drugs that are diverted and misused. Studies find about seventy percent of those who abuse prescription medicines obtain the drugs from family members or friends, usually for free. People who are addicted to heroin often first abused prescription opiate medicines. Unused, unwanted, and expired medicines that accumulate in homes increase risks of drug abuse, overdoses, and preventable poisonings.

(3) A safe system for the collection and disposal of unused, unwanted, and expired medicines is a key element of a comprehensive strategy to prevent prescription drug abuse, but disposing of medicines by flushing them down the toilet or placing them in the garbage can contaminate groundwater and other bodies of water, contributing to long-term harm to the environment and animal life.

(4) The legislature therefore finds that it is in the interest of public health to establish a single, uniform, statewide system of regulation for safe and secure collection and disposal of medicines through a uniform drug "take-back" program operated and funded by drug manufacturers.

NEW SECTION. **Sec. 2.** DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administer" means the direct application of a legend drug whether by injection, inhalation, ingestion, or any other means, to the body of the patient or research subject by:

- (a) A practitioner; or
- (b) The patient or research subject at the direction of the practitioner.

(2) "Authorized collector" means any of the following persons or entities that have entered into an agreement with a

program operator to collect covered drugs:

(a) A person or entity that is registered with the United States drug enforcement administration and that qualifies under federal law to modify its registration to collect controlled substances for the purpose of destruction;

(b) A law enforcement agency; or

(c) An entity authorized by the department to provide an alternative collection mechanism for certain covered drugs that are not controlled substances, as defined in RCW 69.50.101.

(3) "Collection site" means the location where an authorized collector operates a secure collection receptacle for collecting covered drugs.

(4)(a) "Covered drug" means a drug from a covered entity that the covered entity no longer wants and that the covered entity has abandoned or discarded or intends to abandon or discard. "Covered drug" includes legend drugs and nonlegend drugs, brand name and generic drugs, drugs for veterinary use for household pets, and drugs in medical devices and combination products.

(b) "Covered drug" does not include:

(i) Vitamins, minerals, or supplements;

(ii) Herbal-based remedies and homeopathic drugs, products, or remedies;

(iii) Controlled substances contained in schedule I of the uniform controlled substances act, chapter 69.50 RCW;

(iv) Cosmetics, shampoos, sunscreens, lip balm, toothpaste, antiperspirants, or other personal care products that are regulated as both cosmetics and nonprescription drugs under the federal food, drug, and cosmetic act, 21 U.S.C. Sec. 301 et seq.;

(v) Drugs for which manufacturers provide a pharmaceutical product stewardship or drug take-back program as part of a federal food and drug administration managed risk evaluation and mitigation strategy under 21 U.S.C. Sec. 355-1;

(vi) Biological drug products, as defined by 21 C.F.R. 600.3 (h) as it exists on the effective date of this section, for which manufacturers provide

a pharmaceutical product stewardship or drug take-back program and who provide the department with a report describing the program, including how the drug product is collected and safely disposed and how patients are made aware of the drug take-back program, and who updates the department on changes that substantially alter their drug take-back program;

(vii) Drugs that are administered in a clinical setting;

(viii) Emptied injector products or emptied medical devices and their component parts or accessories;

(ix) Exposed needles or sharps, or used drug products that are medical wastes; or

(x) Pet pesticide products contained in pet collars, powders, shampoos, topical applications, or other forms.

(5) "Covered entity" means a state resident or other nonbusiness entity and includes an ultimate user, as defined by regulations adopted by the United States drug enforcement administration. "Covered entity" does not include a business generator of pharmaceutical waste, such as a hospital, clinic, health care provider's office, veterinary clinic, pharmacy, or law enforcement agency.

(6) "Covered manufacturer" means a person, corporation, or other entity engaged in the manufacture of covered drugs sold in or into Washington state. "Covered manufacturer" does not include a retail pharmacy that sells a drug under the retail pharmacy's store label if the manufacturer of the drug is identified under section 4 of this act.

(7) "Department" means the department of health.

(8) (a) "Drug" means:

(a) Substances recognized as drugs in the official United States pharmacopoeia, official homeopathic pharmacopoeia of the United States, or official national formulary, or any supplement to any of them;

(b) Substances intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in human beings or animals;

(c) Substances other than food, minerals, or vitamins that are intended to affect the structure or any function

of the body of human beings or animals; and

(d) Substances intended for use as a component of any article specified in (a), (b), or (c) of this subsection.

(9) "Drug take-back organization" means an organization designated by a manufacturer or group of manufacturers to act as an agent on behalf of each manufacturer to develop and implement a drug take-back program.

(10) "Drug take-back program" or "program" means a program implemented by a program operator for the collection, transportation, and disposal of covered drugs.

(11) "Drug wholesaler" means an entity licensed as a wholesaler under chapter 18.64 RCW.

(12) "Generic drug" means a drug that is chemically identical or bioequivalent to a brand name drug in dosage form, safety, strength, route of administration, quality, performance characteristics, and intended use. The inactive ingredients in a generic drug need not be identical to the inactive ingredients in the chemically identical or bioequivalent brand name drug.

(13) "Legend drug" means a drug, including a controlled substance under chapter 69.50 RCW, that is required by any applicable federal or state law or regulation to be dispensed by prescription only or that is restricted to use by practitioners only.

(14) "Mail-back distribution location" means a facility, such as a town hall or library, that offers prepaid, preaddressed mailing envelopes to covered entities.

(15) "Mail-back program" means a method of collecting covered drugs from covered entities by using prepaid, preaddressed mailing envelopes.

(16) "Manufacture" has the same meaning as in RCW 18.64.011.

(17) "Nonlegend drug" means a drug that may be lawfully sold without a prescription.

(18) "Pharmacy" means a place licensed as a pharmacy under chapter 18.64 RCW.

(19) "Program operator" means a drug take-back organization, covered manufacturer, or group of covered manufacturers that implements or intends

to implement a drug take-back program approved by the department.

(20) "Retail pharmacy" means a place licensed as a pharmacy under chapter 18.64 RCW for the retail sale and dispensing of drugs.

(21) "Secretary" means the secretary of health.

NEW SECTION. Sec. 3. REQUIREMENT TO PARTICIPATE IN A DRUG TAKE-BACK PROGRAM. A covered manufacturer must establish and implement a drug take-back program that complies with the requirements of this chapter. A manufacturer that becomes a covered manufacturer after the effective date of this section must, no later than six months after the date on which the manufacturer became a covered manufacturer, participate in an approved drug take-back program or establish and implement a drug take-back program that complies with the requirements of this chapter. A covered manufacturer may establish and implement a drug take-back program independently, as part of a group of covered manufacturers, or through membership in a drug take-back organization.

NEW SECTION. Sec. 4. IDENTIFICATION OF COVERED MANUFACTURERS. (1) No later than ninety days after the effective date of this section, a drug wholesaler that sells a drug in or into Washington must provide a list of drug manufacturers to the department in a form agreed upon with the department. A drug wholesaler must provide an updated list to the department on January 15th of each year.

(2) No later than ninety days after the effective date of this section, a retail pharmacy must provide written notification to the department identifying the drug manufacturer from which the retail pharmacy obtains a drug that the retail pharmacy sells under its store label.

(3) A person or entity that receives a letter of inquiry from the department regarding whether or not it is a covered manufacturer under this chapter shall respond in writing no later than sixty days after receipt of the letter. If the person or entity does not believe it is a covered manufacturer for purposes of this chapter, it shall: (a) State the basis for the belief; (b) provide a list of any drugs it sells, distributes,

repackages, or otherwise offers for sale within the state; and (c) identify the name and contact information of the manufacturer of the drugs identified under (b) of this subsection.

NEW SECTION. Sec. 5. DRUG TAKE-BACK PROGRAM APPROVAL. (1) By July 1, 2019, a program operator must submit a proposal for the establishment and implementation of a drug take-back program to the department for approval. The department shall approve a proposed program if the applicant submits a completed application, the proposed program meets the requirements of subsection (2) of this section, and the applicant pays the appropriate fee established by the department under section 12 of this act.

(2) To be approved by the department, a proposed drug take-back program must:

(a) Identify and provide contact information for the program operator and each participating covered manufacturer;

(b) Identify and provide contact information for the authorized collectors for the proposed program, as well as the reasons for excluding any potential authorized collectors from participation in the program;

(c) Provide for a collection system that complies with section 6 of this act;

(d) Provide for a handling and disposal system that complies with section 8 of this act;

(e) Identify any transporters and waste disposal facilities that the program will use;

(f) Adopt policies and procedures to be followed by persons handling covered drugs collected under the program to ensure safety, security, and compliance with regulations adopted by the United States drug enforcement administration, as well as any applicable laws;

(g) Ensure the security of patient information on drug packaging during collection, transportation, recycling, and disposal;

(h) Promote the program by providing consumers, pharmacies, and other entities with educational and informational materials as required by section 7 of this act;

(i) Demonstrate adequate funding for all administrative and operational costs

of the drug take-back program, with costs apportioned among participating covered manufacturers;

(j) Set long-term and short-term goals with respect to collection amounts and public awareness; and

(k) Consider: (i) The use of existing providers of pharmaceutical waste transportation and disposal services; (ii) separation of covered drugs from packaging to reduce transportation and disposal costs; and (iii) recycling of drug packaging.

(3) (a) No later than one hundred twenty days after receipt of a drug take-back program proposal, the department shall either approve or reject the proposal in writing to the applicant. The department may extend the deadline for approval or rejection of a proposal for good cause. If the department rejects the proposal, it shall provide the reason for rejection.

(b) No later than ninety days after receipt of a notice of rejection under (a) of this subsection, the applicant shall submit a revised proposal to the department. The department shall either approve or reject the revised proposal in writing to the applicant within ninety days after receipt of the revised proposal, including the reason for rejection, if applicable.

(c) If the department rejects a revised proposal, the department may:

(i) Require the program operator to submit a further revised proposal;

(ii) Develop and impose changes to some or all of the revised proposal to address deficiencies;

(iii) Require the covered manufacturer or covered manufacturers that proposed the rejected revised proposal to participate in a previously approved drug take-back program; or

(iv) Find the covered manufacturer out of compliance with the requirements of this chapter and take enforcement action as provided in section 11 of this act.

(4) The program operator must initiate operation of an approved drug take-back program no later than one hundred eighty days after approval of the proposal by the department.

(5) (a) Proposed changes to an approved drug take-back program that substantially alter program operations

must have prior written approval of the department. A program operator must submit to the department such a proposed change in writing at least fifteen days before the change is scheduled to occur. Changes requiring prior approval of the department include changes to participating covered manufacturers, collection methods, achievement of the service convenience goal described in section 6 of this act, policies and procedures for handling covered drugs, education and promotion methods, and selection of disposal facilities.

(b) For changes to a drug take-back program that do not substantially alter program operations, a program operator must notify the department at least seven days before implementing the change. Changes that do not substantially alter program operations include changes to collection site locations, methods for scheduling and locating periodic collection events, and methods for distributing prepaid, preaddressed mailers.

(c) A program operator must notify the department of any changes to the official point of contact for the program no later than fifteen days after the change. A program operator must notify the department of any changes in ownership or contact information for participating covered manufacturers no later than ninety days after such change.

(6) No later than four years after a drug take-back program initiates operations, and every four years thereafter, the program operator must submit an updated proposal to the department describing any substantive changes to program elements described in subsection (2) of this section. The department shall approve or reject the updated proposal using the process described in subsection (3) of this section.

(7) The department shall make all proposals submitted under this section available to the public and shall provide an opportunity for written public comment on each proposal.

NEW SECTION. Sec. 6. COLLECTION SYSTEM. (1) (a) At least one hundred twenty days prior to submitting a proposal under section 5 of this act, a program operator must notify potential authorized collectors of the opportunity to serve as an authorized collector for

the proposed drug take-back program. A program operator must commence good faith negotiations with a potential authorized collector no later than thirty days after the potential authorized collector expresses interest in participating in a proposed program.

(b) A person or entity may serve as an authorized collector for a drug take-back program voluntarily or in exchange for compensation, but nothing in this chapter requires a person or entity to serve as an authorized collector.

(c) A drug take-back program must include as an authorized collector any retail pharmacy, hospital or clinic with an on-site pharmacy, or law enforcement agency that offers to participate in the program without compensation and meets the requirements of subsection (2) of this section. Such a pharmacy, hospital, clinic, or law enforcement agency must be included as an authorized collector in the program no later than ninety days after receiving the offer to participate.

(d) A drug take-back program may also locate collection sites at:

(i) A long-term care facility where a pharmacy, or a hospital or clinic with an on-site pharmacy, operates a secure collection receptacle;

(ii) A substance use disorder treatment program, as defined in RCW 71.24.025; or

(iii) Any other authorized collector willing to participate as a collection site and able to meet the requirements of subsection (2) of this section.

(2)(a) A collection site must accept all covered drugs from covered entities during the hours that the authorized collector is normally open for business with the public.

(b) A collection site located at a long-term care facility may only accept covered drugs that are in the possession of individuals who reside or have resided at the facility.

(c) A collection site must use secure collection receptacles in compliance with state and federal law, including any applicable on-site storage and collection standards adopted by rule pursuant to chapter 70.95 or 70.105 RCW and United States drug enforcement administration regulations. The program operator must provide a service schedule that meets the needs of each collection

site to ensure that each secure collection receptacle is serviced as often as necessary to avoid reaching capacity and that collected covered drugs are transported to final disposal in a timely manner, including a process for additional prompt collection service upon notification from the collection site. Secure collection receptacle signage must prominently display a toll-free telephone number and web site for the program so that members of the public may provide feedback on collection activities.

(d) An authorized collector must comply with applicable provisions of chapters 70.95 and 70.105 RCW, including rules adopted pursuant to those chapters that establish collection and transportation standards, and federal laws and regulations governing the handling of covered drugs, including United States drug enforcement administration regulations.

(3)(a) A drug take-back program's collection system must be safe, secure, and convenient on an ongoing, year-round basis and must provide equitable and reasonably convenient access for residents across the state.

(b) In establishing and operating a collection system, a program operator must give preference to locating collection sites at retail pharmacies, hospitals or clinics with on-site pharmacies, and law enforcement agencies.

(c)(i) Each population center must have a minimum of one collection site, plus one additional collection site for every fifty thousand residents of the city or town located within the population center. Collection sites must be geographically distributed to provide reasonably convenient and equitable access to all residents of the population center.

(ii) On islands and in areas outside of population centers, a collection site must be located at the site of each potential authorized collector that is regularly open to the public, unless the program operator demonstrates to the satisfaction of the department that a potential authorized collector is unqualified or unwilling to participate in the drug take-back program, in accordance with the requirements of subsection (1) of this section.

(iii) For purposes of this section, "population center" means a city or town and the unincorporated area within a ten-mile radius from the center of the city or town.

(d) A program operator must establish mail-back distribution locations or hold periodic collection events to supplement service to any area of the state that is underserved by collection sites, as determined by the department, in consultation with the local health jurisdiction. The program operator, in consultation with the department, local law enforcement, the local health jurisdiction, and the local community, must determine the number and locations of mail-back distribution locations or the frequency and location of these collections events, to be held at least twice a year, unless otherwise determined through consultation with the local community. The program must arrange any periodic collection events in advance with local law enforcement agencies and conduct periodic collection events in compliance with United States drug enforcement administration regulations and protocols and applicable state laws.

(e) Upon request, a drug take-back program must provide a mail-back program free of charge to covered entities and to retail pharmacies that offer to distribute prepaid, preaddressed mailing envelopes for the drug take-back program. A drug take-back program must permit covered entities to request prepaid, preaddressed mailing envelopes through the program's web site, the program's toll-free telephone number, and a request to a pharmacist at a retail pharmacy distributing the program's mailing envelopes.

(f) The program operator must provide alternative collection methods for any covered drugs, other than controlled substances, that cannot be accepted or commingled with other covered drugs in secure collection receptacles, through a mail-back program, or at periodic collection events, to the extent permissible under applicable state and federal laws. The department shall review and approve of any alternative collection methods prior to their implementation.

NEW SECTION. **Sec. 7. DRUG TAKE-BACK PROGRAM PROMOTION.** (1) A drug take-back program must develop and provide a system of promotion, education, and public

outreach about the safe storage and secure collection of covered drugs. This system may include signage, written materials to be provided at the time of purchase or delivery of covered drugs, and advertising or other promotional materials. At a minimum, each program must:

(a) Promote the safe storage of legend drugs and nonlegend drugs by residents before secure disposal through a drug take-back program;

(b) Discourage residents from disposing of covered drugs in solid waste collection, sewer, or septic systems;

(c) Promote the use of the drug take-back program so that where and how to return covered drugs is widely understood by residents, pharmacists, retail pharmacies, health care facilities and providers, veterinarians, and veterinary hospitals;

(d) Establish a toll-free telephone number and web site publicizing collection options and collection sites and discouraging improper disposal practices for covered drugs, such as flushing them or placing them in the garbage;

(e) Prepare educational and outreach materials that: Promote safe storage of covered drugs; discourage the disposal of covered drugs in solid waste collection, sewer, or septic systems; and describe how to return covered drugs to the drug take-back program. The materials must use plain language and explanatory images to make collection services and discouraged disposal practices readily understandable to all residents, including residents with limited English proficiency;

(f) Disseminate the educational and outreach materials described in (e) of this subsection to pharmacies, health care facilities, and other interested parties for dissemination to covered entities;

(g) Work with authorized collectors to develop a readily recognizable, consistent design of collection receptacles, as well as clear, standardized instructions for covered entities on the use of collection receptacles. The department may provide guidance to program operators on the development of the instructions and design; and

(h) Annually report on its promotion, outreach, and public education activities in its annual report required by section 10 of this act.

(2) If more than one drug take-back program is approved by the department, the programs must coordinate their promotional activities to ensure that all state residents can easily identify, understand, and access the collection services provided by any drug take-back program. Coordination efforts must include providing residents with a single toll-free telephone number and single web site to access information about collection services for every approved program.

(3) Pharmacies and other entities that sell medication in the state are encouraged to promote secure disposal of covered drugs through the use of one or more approved drug take-back programs. Upon request, a pharmacy must provide materials explaining the use of approved drug take-back programs to its customers. The program operator must provide pharmacies with these materials upon request and at no cost to the pharmacy.

(4) The department, the health care authority, the department of social and health services, the department of ecology, and any other state agency that is responsible for health, solid waste management, and wastewater treatment shall, through their standard educational methods, promote safe storage of prescription and nonprescription drugs by covered entities, secure disposal of covered drugs through a drug take-back program, and the toll-free telephone number and web site for approved drug take-back programs. Local health jurisdictions and local government agencies are encouraged to promote approved drug take-back programs.

(5) The department:

(a) Shall conduct a survey of covered entities and a survey of pharmacists, health care providers, and veterinarians who interact with covered entities on the use of medicines after the first full year of operation of the drug take-back program, and again every two years thereafter. Survey questions must: Measure consumer awareness of the drug take-back program; assess the extent to which collection sites and other collection methods are convenient and easy to use; assess knowledge and

attitudes about risks of abuse, poisonings, and overdoses from drugs used in the home; and assess covered entities' practices with respect to unused, unwanted, or expired drugs, both currently and prior to implementation of the drug take-back program; and

(b) May, upon review of results of public awareness surveys, direct a program operator for an approved drug take-back program to modify the program's promotion and outreach activities to better achieve widespread awareness among Washington state residents and health care professionals about where and how to return covered drugs to the drug take-back program.

NEW SECTION. Sec. 8. DISPOSAL AND HANDLING OF COVERED DRUGS. (1) Covered drugs collected under a drug take-back program must be disposed of at a permitted hazardous waste disposal facility that meets the requirements of 40 C.F.R. parts 264 and 265, as they exist on the effective date of this section.

(2) If use of a hazardous waste disposal facility described in subsection (1) of this section is unfeasible based on cost, logistics, or other considerations, the department, in consultation with the department of ecology, may grant approval for a program operator to dispose of some or all collected covered drugs at a permitted large municipal waste combustor facility that meets the requirements of 40 C.F.R. parts 60 and 62, as they exist on the effective date of this section.

(3) A program operator may petition the department for approval to use final disposal technologies or processes that provide superior environmental and human health protection than that provided by the technologies described in subsections (1) and (2) of this section, or equivalent protection at less cost. In reviewing a petition under this subsection, the department shall take into consideration regulations or guidance issued by the United States environmental protection agency on the disposal of pharmaceutical waste. The department, in consultation with the department of ecology, shall approve a disposal petition under this section if the disposal technology or processes described in the petition provides

equivalent or superior protection in each of the following areas:

(a) Monitoring of any emissions or waste;

(b) Worker health and safety;

(c) Air, water, or land emissions contributing to persistent, bioaccumulative, and toxic pollution; and

(d) Overall impact to the environment and human health.

(4) If a drug take-back program encounters a safety or security problem during collection, transportation, or disposal of covered drugs, the program operator must notify the department as soon as practicable after encountering the problem.

NEW SECTION. Sec. 9. PROGRAM FUNDING.

(1) A covered manufacturer or group of covered manufacturers must pay all administrative and operational costs associated with establishing and implementing the drug take-back program in which they participate. Such administrative and operational costs include, but are not limited to: Collection and transportation supplies for each collection site; purchase of secure collection receptacles for each collection site; ongoing maintenance or replacement of secure collection receptacles when requested by authorized collectors; prepaid, preaddressed mailers; compensation of authorized collectors, if applicable; operation of periodic collection events, including the cost of law enforcement staff time; transportation of all collected covered drugs to final disposal; environmentally sound disposal of all collected covered drugs in compliance with section 8 of this act; and program promotion and outreach.

(2) A program operator, covered manufacturer, authorized collector, or other person may not charge:

(a) A specific point-of-sale fee to consumers to recoup the costs of a drug take-back program; or

(b) A specific point-of-collection fee at the time covered drugs are collected from covered entities.

NEW SECTION. Sec. 10. ANNUAL PROGRAM REPORT. (1) By July 1st after the first full year of implementation, and each July 1st thereafter, a program operator must submit to the department a report describing implementation of the drug take-back program during the previous calendar year. The report must include:

(a) A list of covered manufacturers participating in the drug take-back program;

(b) The amount, by weight, of covered drugs collected, including the amount by weight from each collection method used;

(c) The following details regarding the program's collection system: A list of collection sites with addresses; the number of mailers provided; locations where mailers were provided, if applicable; dates and locations of collection events held, if applicable; and the transporters and disposal facility or facilities used;

(d) Whether any safety or security problems occurred during collection, transportation, or disposal of covered drugs, and if so, completed and anticipated changes to policies, procedures, or tracking mechanisms to address the problem and improve safety and security;

(e) A description of the public education, outreach, and evaluation activities implemented;

(f) A description of how collected packaging was recycled to the extent feasible;

(g) A summary of the program's goals for collection amounts and public awareness, the degree of success in meeting those goals, and if any goals have not been met, what effort will be made to achieve those goals the following year; and

(h) The program's annual expenditures, itemized by program category.

(2) Within thirty days after each annual period of operation of an approved drug take-back program, the program operator shall submit an annual collection amount report to the department that provides the total amount, by weight, of covered drugs collected from each collection site during the prior year.

(3) The department shall make reports submitted under this section available to the public through the internet.

NEW SECTION. Sec. 11. ENFORCEMENT AND PENALTIES. (1) The department may audit or inspect the activities and records of a drug take-back program to determine compliance with this chapter or investigate a complaint.

(2)(a) The department shall send a written notice to a covered manufacturer that fails to participate in a drug take-back program as required by this chapter. The notice must provide a warning regarding the penalties for violation of this chapter.

(b) A covered manufacturer that receives a notice under this subsection (2) may be assessed a penalty if, sixty days after receipt of the notice, the covered manufacturer continues to sell a covered drug in or into the state without participating in a drug take-back program approved under this chapter.

(3)(a) The department may send a program operator a written notice warning of the penalties for noncompliance with this chapter if it determines that the program operator's drug take-back program is in violation of this chapter or does not conform to the proposal approved by the department. The department may assess a penalty on the program operator and participating covered manufacturers if the program does not come into compliance by thirty days after receipt of the notice.

(b) The department may immediately suspend operation of a drug take-back program and assess a penalty if it determines that the program is in violation of this chapter and the violation creates a condition that, in the judgment of the department, constitutes an immediate hazard to the public or the environment.

(4)(a) The department shall send a written notice to a drug wholesaler or a retail pharmacy that fails to provide a list of drug manufacturers to the department as required by section 4 of this act. The notice must provide a warning regarding the penalties for violation of this chapter.

(b) A drug wholesaler or retail pharmacy that receives a notice under this subsection may be assessed a penalty if, sixty days after receipt of the

notice, the drug wholesaler or retail pharmacy fails to provide a list of drug manufacturers.

(5) In enforcing the requirements of this chapter, the department:

(a) May require an informal administrative conference;

(b) May require a person or entity to engage in or refrain from engaging in certain activities pertaining to this chapter;

(c) May, in accordance with RCW 43.70.095, assess a civil fine of up to two thousand dollars. Each day upon which a violation occurs or is permitted to continue constitutes a separate violation. In determining the appropriate amount of the fine, the department shall consider the extent of harm caused by the violation, the nature and persistence of the violation, the frequency of past violations, any action taken to mitigate the violation, and the financial burden to the entity in violation; and

(d) May not prohibit a covered manufacturer from selling a drug in or into the state of Washington.

NEW SECTION. Sec. 12. DEPARTMENT FEE.

(1)(a) By July 1, 2019, the department shall: Determine its costs for the administration, oversight, and enforcement of the requirements of this chapter, including the survey required under section 20 of this act; pursuant to RCW 43.70.250, set fees at a level sufficient to recover the costs associated with administration, oversight, and enforcement; and adopt rules establishing requirements for program operator proposals.

(b) The department shall not impose any fees in excess of its actual administrative, oversight, and enforcement costs. The fees collected from each program operator in calendar year 2020 and any subsequent year may not exceed ten percent of the program's annual expenditures as reported to the department in the annual report required by section 10 of this act and determined by the department.

(c) Adjustments to the department's fees may be made annually and shall not exceed actual administration, oversight, and enforcement costs. Adjustments for inflation may not exceed the percentage

change in the consumer price index for all urban consumers in the United States as calculated by the United States department of labor as averaged by city for the twelve-month period ending with June of the previous year.

(d) The department shall collect fees from each program operator by October 1, 2019, and annually thereafter.

(2) All fees collected under this section must be deposited in the secure drug take-back program account established in section 13 of this act.

NEW SECTION. **Sec. 13.** SECURE DRUG TAKE-BACK PROGRAM ACCOUNT. The secure drug take-back program account is created in the state treasury. All receipts received by the department under this chapter must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used by the department only for administering and enforcing this chapter.

NEW SECTION. **Sec. 14.** ANTITRUST IMMUNITY. The activities authorized by this chapter require collaboration among covered manufacturers. These activities will enable safe and secure collection and disposal of covered drugs in Washington state and are therefore in the best interest of the public. The benefits of collaboration, together with active state supervision, outweigh potential adverse impacts. Therefore, the legislature intends to exempt from state antitrust laws, and provide immunity through the state action doctrine from federal antitrust laws, activities that are undertaken, reviewed, and approved by the department pursuant to this chapter that might otherwise be constrained by such laws. The legislature does not intend and does not authorize any person or entity to engage in activities not provided for by this chapter, and the legislature neither exempts nor provides immunity for such activities.

NEW SECTION. **Sec. 15.** FEDERAL LAW. This chapter is void if a federal law, or a combination of federal laws, takes effect that establishes a national program for the collection of covered drugs that substantially meets the intent of this chapter, including the creation of a funding mechanism for collection,

transportation, and proper disposal of all covered drugs in the United States.

NEW SECTION. **Sec. 16.** LOCAL LAWS. (1)(a) For a period of twelve months after a drug take-back program approved under section 5 of this act begins operating, a county may enforce a grandfathered ordinance. During that twelve-month period, if a county determines that a covered manufacturer is in compliance with its grandfathered ordinance, the department shall find the covered manufacturer in compliance with the requirements of this chapter with respect to that county.

(b) In any county enforcing a grandfathered ordinance as described in (a) of this subsection, the program operator of an approved drug take-back program must work with the county and the department to incorporate the local program into the approved drug take-back program on or before the end of the twelve-month period.

(2) After the effective date of this section, a political subdivision may not enact or enforce a local ordinance that requires a retail pharmacy, clinic, hospital, or local law enforcement agency to provide for collection and disposal of covered drugs from covered entities.

(3) At the end of the twelve-month period provided in subsection (1) of this section, this chapter preempts all laws enacted by a county, city, town, or other political subdivision of the state regarding a drug take-back program for the collection, transportation, and disposal of covered drugs, or promotion, education, and public outreach relating to such a program.

(4) For purposes of this section, "grandfathered ordinance" means a pharmaceutical product stewardship or drug take-back ordinance that: (a) Is in effect on the effective date of this section; and (b) the department determines meets or exceeds the requirements of this chapter with respect to safe and secure collection and disposal of unwanted medicines from residents, including the types of drugs covered by the program, the convenience of the collection system for residents, and required promotion of the program.

NEW SECTION. **Sec. 17.** PUBLIC DISCLOSURE. Proprietary information

submitted to the department under this chapter is exempt from public disclosure under RCW 42.56.270. The department may use and disclose such information in summary or aggregated form that does not directly or indirectly identify financial, production, or sales data of an individual covered manufacturer or drug take-back organization.

NEW SECTION. Sec. 18. RULE MAKING. The department shall adopt any rules necessary to implement and enforce this chapter.

NEW SECTION. Sec. 19. REPORT TO LEGISLATURE. (1) No later than thirty days after the department first approves a drug take-back program under section 5 of this act, the department shall submit an update to the legislature describing rules adopted under this chapter and the approved drug take-back program.

(2) By November 15th after the first full year of operation of an approved drug take-back program and biennially thereafter, the department shall submit a report to the legislature. The report must:

(a) Describe the status of approved drug take-back programs;

(b) Evaluate the secure medicine collection and disposal system and the program promotion, education, and public outreach requirements established by this chapter;

(c) Evaluate, in conjunction with an academic institution that is not an agency of the state and is qualified to conduct and evaluate research relating to prescription and nonprescription drug use and abuse and environmental impact, to the extent feasible, the impact of approved drug take-back programs on: Awareness and compliance of residents with safe storage of medicines in the home and secure disposal of covered drugs; rates of misuse, abuse, overdoses, and poisonings from prescription and nonprescription drugs; and diversions of covered drugs from sewer, solid waste, and septic systems. To conduct this evaluation, the department and the academic institution may rely on available data sources, including the public awareness surveys required under this chapter, and the prescription drug monitoring program and public health surveys such as the Washington state

healthy youth survey. The department and the academic institution may also consult with other state and local agencies and interested stakeholders; and

(d) Provide any recommendations for legislation.

NEW SECTION. Sec. 20. (1) (a) The department shall contract with the statewide program of poison and drug information services identified in RCW 18.76.030 to conduct a survey of residents to measure whether the secure medicine collection and disposal system and the program promotion, education, and public outreach requirements established in this chapter have led to statistically significant changes in: (i) Resident attitudes and behavior on safe storage and secure disposal of prescription and nonprescription medications used in the home; and (ii) the rates of abuse or misuse of or accidental exposure to prescription and nonprescription drugs.

(b) The survey of residents must include telephone follow-up with users of the program's emergency telephone service. The survey must be conducted before the secure medicine collection and disposal system is implemented and again no earlier than four years after the system is implemented.

(2) The statewide program of poison and drug information services shall report the survey results to the legislature and the department of health within six months of completion of the survey.

(3) This section expires July 1, 2026.

Sec. 21. RCW 42.56.270 and 2017 c 317 s 17 are each amended to read as follows:

The following financial, commercial, and proprietary information is exempt from disclosure under this chapter:

(1) Valuable formulae, designs, drawings, computer source code or object code, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss;

(2) Financial information supplied by or on behalf of a person, firm, or corporation for the purpose of qualifying to submit a bid or proposal for (a) a ferry system construction or repair contract as required by RCW 47.60.680

through 47.60.750 or (b) highway construction or improvement as required by RCW 47.28.070;

(3) Financial and commercial information and records supplied by private persons pertaining to export services provided under chapters 43.163 and 53.31 RCW, and by persons pertaining to export projects under RCW 43.23.035;

(4) Financial and commercial information and records supplied by businesses or individuals during application for loans or program services provided by chapters 43.325, 43.163, 43.160, 43.330, and 43.168 RCW, or during application for economic development loans or program services provided by any local agency;

(5) Financial information, business plans, examination reports, and any information produced or obtained in evaluating or examining a business and industrial development corporation organized or seeking certification under chapter 31.24 RCW;

(6) Financial and commercial information supplied to the state investment board by any person when the information relates to the investment of public trust or retirement funds and when disclosure would result in loss to such funds or in private loss to the providers of this information;

(7) Financial and valuable trade information under RCW 51.36.120;

(8) Financial, commercial, operations, and technical and research information and data submitted to or obtained by the clean Washington center in applications for, or delivery of, program services under chapter 70.95H RCW;

(9) Financial and commercial information requested by the public stadium authority from any person or organization that leases or uses the stadium and exhibition center as defined in RCW 36.102.010;

(10) (a) Financial information, including but not limited to account numbers and values, and other identification numbers supplied by or on behalf of a person, firm, corporation, limited liability company, partnership, or other entity related to an application for a horse racing license submitted pursuant to RCW 67.16.260(1)(b), marijuana producer, processor, or retailer license, liquor license,

gambling license, or lottery retail license;

(b) Internal control documents, independent auditors' reports and financial statements, and supporting documents: (i) Of house-banked social card game licensees required by the gambling commission pursuant to rules adopted under chapter 9.46 RCW; or (ii) submitted by tribes with an approved tribal/state compact for class III gaming;

(11) Proprietary data, trade secrets, or other information that relates to: (a) A vendor's unique methods of conducting business; (b) data unique to the product or services of the vendor; or (c) determining prices or rates to be charged for services, submitted by any vendor to the department of social and health services for purposes of the development, acquisition, or implementation of state purchased health care as defined in RCW 41.05.011;

(12) (a) When supplied to and in the records of the department of commerce:

(i) Financial and proprietary information collected from any person and provided to the department of commerce pursuant to RCW 43.330.050(8); and

(ii) Financial or proprietary information collected from any person and provided to the department of commerce or the office of the governor in connection with the siting, recruitment, expansion, retention, or relocation of that person's business and until a siting decision is made, identifying information of any person supplying information under this subsection and the locations being considered for siting, relocation, or expansion of a business;

(b) When developed by the department of commerce based on information as described in (a)(i) of this subsection, any work product is not exempt from disclosure;

(c) For the purposes of this subsection, "siting decision" means the decision to acquire or not to acquire a site;

(d) If there is no written contact for a period of sixty days to the department of commerce from a person connected with siting, recruitment, expansion, retention, or relocation of that person's business, information described in (a)(ii) of this subsection will be

available to the public under this chapter;

(13) Financial and proprietary information submitted to or obtained by the department of ecology or the authority created under chapter 70.95N RCW to implement chapter 70.95N RCW;

(14) Financial, commercial, operations, and technical and research information and data submitted to or obtained by the life sciences discovery fund authority in applications for, or delivery of, grants under chapter 43.350 RCW, to the extent that such information, if revealed, would reasonably be expected to result in private loss to the providers of this information;

(15) Financial and commercial information provided as evidence to the department of licensing as required by RCW 19.112.110 or 19.112.120, except information disclosed in aggregate form that does not permit the identification of information related to individual fuel licensees;

(16) Any production records, mineral assessments, and trade secrets submitted by a permit holder, mine operator, or landowner to the department of natural resources under RCW 78.44.085;

(17) (a) Farm plans developed by conservation districts, unless permission to release the farm plan is granted by the landowner or operator who requested the plan, or the farm plan is used for the application or issuance of a permit;

(b) Farm plans developed under chapter 90.48 RCW and not under the federal clean water act, 33 U.S.C. Sec. 1251 et seq., are subject to RCW 42.56.610 and 90.64.190;

(18) Financial, commercial, operations, and technical and research information and data submitted to or obtained by a health sciences and services authority in applications for, or delivery of, grants under RCW 35.104.010 through 35.104.060, to the extent that such information, if revealed, would reasonably be expected to result in private loss to providers of this information;

(19) Information gathered under chapter 19.85 RCW or RCW 34.05.328 that can be identified to a particular business;

(20) Financial and commercial information submitted to or obtained by the University of Washington, other than information the university is required to disclose under RCW 28B.20.150, when the information relates to investments in private funds, to the extent that such information, if revealed, would reasonably be expected to result in loss to the University of Washington consolidated endowment fund or to result in private loss to the providers of this information;

(21) Market share data submitted by a manufacturer under RCW 70.95N.190(4);

(22) Financial information supplied to the department of financial institutions or to a portal under RCW 21.20.883, when filed by or on behalf of an issuer of securities for the purpose of obtaining the exemption from state securities registration for small securities offerings provided under RCW 21.20.880 or when filed by or on behalf of an investor for the purpose of purchasing such securities;

(23) Unaggregated or individual notices of a transfer of crude oil that is financial, proprietary, or commercial information, submitted to the department of ecology pursuant to RCW 90.56.565(1)(a), and that is in the possession of the department of ecology or any entity with which the department of ecology has shared the notice pursuant to RCW 90.56.565;

(24) Financial institution and retirement account information, and building security plan information, supplied to the liquor and cannabis board pursuant to RCW 69.50.325, 69.50.331, 69.50.342, and 69.50.345, when filed by or on behalf of a licensee or prospective licensee for the purpose of obtaining, maintaining, or renewing a license to produce, process, transport, or sell marijuana as allowed under chapter 69.50 RCW;

(25) Marijuana transport information, vehicle and driver identification data, and account numbers or unique access identifiers issued to private entities for traceability system access, submitted by an individual or business to the liquor and cannabis board under the requirements of RCW 69.50.325, 69.50.331, 69.50.342, and 69.50.345 for the purpose of marijuana product traceability. Disclosure to local, state, and federal officials is not

considered public disclosure for purposes of this section;

(26) Financial and commercial information submitted to or obtained by the retirement board of any city that is responsible for the management of an employees' retirement system pursuant to the authority of chapter 35.39 RCW, when the information relates to investments in private funds, to the extent that such information, if revealed, would reasonably be expected to result in loss to the retirement fund or to result in private loss to the providers of this information except that (a) the names and commitment amounts of the private funds in which retirement funds are invested and (b) the aggregate quarterly performance results for a retirement fund's portfolio of investments in such funds are subject to disclosure;

(27) Proprietary financial, commercial, operations, and technical and research information and data submitted to or obtained by the liquor and cannabis board in applications for marijuana research licenses under RCW 69.50.372, or in reports submitted by marijuana research licensees in accordance with rules adopted by the liquor and cannabis board under RCW 69.50.372; ~~((and))~~

(28) Trade secrets, technology, proprietary information, and financial considerations contained in any agreements or contracts, entered into by a licensed marijuana business under RCW 69.50.395, which may be submitted to or obtained by the state liquor and cannabis board; and

(29) Proprietary information filed with the department of health under chapter 69.--- RCW (the new chapter created in section 25 of this act).

Sec. 22. RCW 69.41.030 and 2016 c 148 s 11 are each amended to read as follows:

(1) It shall be unlawful for any person to sell, deliver, or possess any legend drug except upon the order or prescription of a physician under chapter 18.71 RCW, an osteopathic physician and surgeon under chapter 18.57 RCW, an optometrist licensed under chapter 18.53 RCW who is certified by the optometry board under RCW 18.53.010, a dentist under chapter 18.32 RCW, a podiatric physician and surgeon under chapter 18.22 RCW, a veterinarian under chapter 18.92

RCW, a commissioned medical or dental officer in the United States armed forces or public health service in the discharge of his or her official duties, a duly licensed physician or dentist employed by the veterans administration in the discharge of his or her official duties, a registered nurse or advanced registered nurse practitioner under chapter 18.79 RCW when authorized by the nursing care quality assurance commission, a pharmacist licensed under chapter 18.64 RCW to the extent permitted by drug therapy guidelines or protocols established under RCW 18.64.011 and authorized by the commission and approved by a practitioner authorized to prescribe drugs, an osteopathic physician assistant under chapter 18.57A RCW when authorized by the board of osteopathic medicine and surgery, a physician assistant under chapter 18.71A RCW when authorized by the medical quality assurance commission, or any of the following professionals in any province of Canada that shares a common border with the state of Washington or in any state of the United States: A physician licensed to practice medicine and surgery or a physician licensed to practice osteopathic medicine and surgery, a dentist licensed to practice dentistry, a podiatric physician and surgeon licensed to practice podiatric medicine and surgery, a licensed advanced registered nurse practitioner, a licensed physician assistant, a licensed osteopathic physician assistant, or a veterinarian licensed to practice veterinary medicine: PROVIDED, HOWEVER, That the above provisions shall not apply to sale, delivery, or possession by drug wholesalers or drug manufacturers, or their agents or employees, or to any practitioner acting within the scope of his or her license, or to a common or contract carrier or warehouse operator, or any employee thereof, whose possession of any legend drug is in the usual course of business or employment: PROVIDED FURTHER, That nothing in this chapter or chapter 18.64 RCW shall prevent a family planning clinic that is under contract with the health care authority from selling, delivering, possessing, and dispensing commercially prepackaged oral contraceptives prescribed by authorized, licensed health care practitioners: PROVIDED FURTHER, That nothing in this chapter prohibits possession or delivery of legend drugs by an authorized collector or other person participating in the operation of a drug take-back

program authorized in chapter 69.--- RCW (the new chapter created in section 25 of this act).

(2)(a) A violation of this section involving the sale, delivery, or possession with intent to sell or deliver is a class B felony punishable according to chapter 9A.20 RCW.

(b) A violation of this section involving possession is a misdemeanor.

NEW SECTION. Sec. 23. A new section is added to chapter 69.50 RCW to read as follows:

It is not a violation of this chapter to possess or deliver a controlled substance in compliance with chapter 69.-- RCW (the new chapter created in section 25 of this act).

NEW SECTION. Sec. 24. A new section is added to chapter 70.95 RCW to read as follows:

An authorized collector regulated under chapter 69.--- RCW (the new chapter created in section 25 of this act) is not required to obtain a permit under RCW 70.95.170 unless the authorized collector is required to obtain a permit under RCW 70.95.170 as a consequence of activities that are not directly associated with the collection facility's activities under chapter 69.-- RCW (the new chapter created in section 25 of this act).

NEW SECTION. Sec. 25. Sections 2 through 20 of this act constitute a new chapter in Title 69 RCW.

NEW SECTION. Sec. 26. A new section is added to chapter 43.131 RCW to read as follows:

The authorization for drug take-back programs created in this act shall be terminated on January 1, 2029, as provided in section 27 of this act.

NEW SECTION. Sec. 27. A new section is added to chapter 43.131 RCW to read as follows:

The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective January 1, 2030:

(1)RCW 69.---.--- and 2018 c ... s 2 (section 2 of this act);

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the electrical and natural gas utility industry is facing a transformational change brought on by new technology, rapidly changing costs, and emerging opportunities for customers. The legislature finds that similar changes in technology and customer preferences have swiftly altered other industries and intends for Washington's electrical and natural gas utility regulatory environment to continue to

protect consumers while enabling regulated utilities to systematically respond to new technologies and opportunities. The legislature intends to ensure that consumers receive cost-effective and reliable services that are environmentally responsible services by authorizing the Washington utilities and transportation commission to employ alternative forms of regulation to traditional rate-based, rate of return regulation for electrical and gas companies. The legislature finds that a similar update to the utilities and transportation commission's statutory grant of authority for telecommunications customers a decade ago serves as a reasonable model. The legislature intends that the utilities and transportation commission will utilize alternative forms of regulation to further the state's public policy goals by ensuring that electrical and gas companies are incentivized to invest to meet state policy objectives.

The legislature intends that an alternative form of regulation should: Enable utility services designed to support optimal and efficient use of the electrical or natural gas system and utility operations; align utility regulatory incentives with the public interest; maintain and enhance overall electrical or natural gas system reliability, resilience, and security; allow electrical or natural gas companies to support and participate in market transformation for enabling technologies, without harming competition; maximize the value of new business opportunities to utility customers, especially low-income customers; protect utility customers from short and long-term risk; ensure an appropriate level of consumer protection; and support the achievement of state emissions reduction goals while avoiding adverse environmental impacts.

Sec. 2. RCW 80.28.005 and 1994 c 268 s 1 are each amended to read as follows:

~~((Unless the context clearly requires otherwise,))~~ The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Bondable conservation investment" means all expenditures made by electrical, gas, or water companies with respect to energy or water conservation measures and services intended to improve the efficiency of electricity, gas, or

water end use, including related carrying costs if:

(a) The conservation measures and services do not produce assets that would be bondable utility property under the general utility mortgage of the electrical, gas, or water company;

(b) The commission has determined that the expenditures were incurred in conformance with the terms and conditions of a conservation service tariff in effect with the commission at the time the costs were incurred, and at the time of such determination the commission finds that the company has proven that the costs were prudent, that the terms and conditions of the financing are reasonable, and that financing under this chapter is more favorable to the customer than other reasonably available alternatives;

(c) The commission has approved inclusion of the expenditures in rate base and has not ordered that they be currently expensed; and

(d) The commission has not required that the measures demonstrate that energy savings have persisted at a certain level for a certain period before approving the cost of these investments as bondable conservation investment.

(2) "Conservation bonds" means bonds, notes, certificates of beneficial interests in trusts, or other evidences of indebtedness or ownership that:

(a) The commission determines at or before the time of issuance are issued to finance or refinance bondable conservation investment by an electrical, gas or water company; and

(b) Rely partly or wholly for repayment on conservation investment assets and revenues arising with respect thereto.

(3) "Conservation investment assets" means the statutory right of an electrical, gas, or water company:

(a) To have included in rate base all of its bondable conservation investment and related carrying costs; and

(b) To receive through rates revenues sufficient to recover the bondable conservation investment and the costs of equity and debt capital associated with it, including, without limitation, the payment of principal, premium, if any, and interest on conservation bonds.

(4) "Finance subsidiary" means any corporation, company, association, joint stock association, or trust that is beneficially owned, directly or indirectly, by an electrical, gas, or water company, or in the case of a trust issuing conservation bonds consisting of beneficial interests, for which an electrical, gas, or water company or a subsidiary thereof is the grantor, or an unaffiliated entity formed for the purpose of financing or refinancing approved conservation investment, and that acquires conservation investment assets directly or indirectly from such company in a transaction approved by the commission.

(5) "Greenhouse gas" and "greenhouse gases" has the same meaning as defined in RCW 70.235.010.

(6) "Greenhouse gas planning adder" means a calculation of the economic impacts associated with an incremental increase in greenhouse gas emissions in a calendar year and must be an amount equal to the greater of: (a) The minimum annual greenhouse gas planning adder for such a calendar year; or (b) the applicable carbon or greenhouse gas tax rate, if any, as expressed in dollars per metric ton of carbon dioxide or greenhouse gas for such a calendar year.

(7) "Intermediate-term resource options" means a new or renewed contract for electricity or natural gas with a term of more than three but less than five years for the provision of electricity or natural gas to retail end-use customers in this state.

(8) "Long-term resource options" means:

(a) Either a new ownership interest in an electric or gas plant or an upgrade to an existing electric plant; or

(b) A new or renewed contract for electricity or natural gas with a term of five or more years for the provision of electricity or natural gas to retail end-use customers in this state.

(9) "Minimum annual greenhouse gas planning adder" means, for calendar year 2018, forty dollars per metric ton of greenhouse gas, which amount must be increased each January 1st by one and one-fourth percent, rounded to the nearest dollar.

(10) "Qualified biomass energy" has the same meaning as defined in RCW 19.285.030.

(11) "Upgrade" means any modification made for the primary purpose of increasing the electric generation capacity of an electric generation facility. "Upgrade" does not include routine or necessary maintenance, installation of emission control equipment, installation, replacement, or modification of equipment that improves the heat rate of the facility, or installation, replacement, or modification of equipment for the primary purpose of maintaining reliable generation output capability that does not increase the heat input or fuel usage.

Sec. 3. RCW 80.28.010 and 2011 c 214 s 11 are each amended to read as follows:

(1) All charges made, demanded or received by any gas company, electrical company, wastewater company, or water company for gas, electricity or water, or for any service rendered or to be rendered in connection therewith, shall be just, fair, reasonable and sufficient. Reasonable charges necessary to cover the cost of administering the collection of voluntary donations for the purposes of supporting the development and implementation of evergreen community management plans and ordinances under RCW 80.28.300 must be deemed as prudent and necessary for the operation of a utility.

(2) Every gas company, electrical company, wastewater company, and water company shall furnish and supply such service, instrumentalities and facilities as shall be safe, adequate and efficient, and in all respects just and reasonable.

(3) All rules and regulations issued by any gas company, electrical company, wastewater company, or water company, affecting or pertaining to the sale or distribution of its product or service, must be just and reasonable.

(4) Utility service for residential space heating shall not be terminated between November 15th through March 15th if the customer:

(a) Notifies the utility of the inability to pay the bill, including a security deposit. This notice should be provided within five business days of receiving a payment overdue notice unless there are extenuating circumstances. If

the customer fails to notify the utility within five business days and service is terminated, the customer can, by paying reconnection charges, if any, and fulfilling the requirements of this section, receive the protections of this chapter;

(b) Provides self-certification of household income for the prior twelve months to a grantee of the department of commerce, which administers federally funded energy assistance programs. The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state's plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information provided in the self-certification;

(c) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

(d) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

(e) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15th and to pay for continued utility service. If the past due bill is not paid by the following October 15th, the customer is not eligible for protections under this chapter until the past due bill is paid. The plan may not require monthly payments in excess of seven percent of the customer's monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter during November 15th through March 15th. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

(f) Agrees to pay the moneys owed even if he or she moves.

(5) The utility shall:

(a) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer's duties in this section;

(b) Assist the customer in fulfilling the requirements under this section;

(c) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area;

(d) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this subsection. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected; and

(e) Advise the customer in writing at the time it disconnects service that it will restore service if the customer contacts the utility and fulfills the other requirements of this section.

(6) A payment plan implemented under this section is consistent with RCW 80.28.080.

(7) Every gas company and electrical company shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state's plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied.

(8) Every gas company, electrical company, wastewater company, and water company shall construct and maintain such facilities in connection with the manufacture and distribution of its product, or provision of its services, as

will be efficient and safe to its employees and the public.

(9) An agreement between the customer and the utility, whether oral or written, does not waive the protections afforded under this chapter.

(10) In establishing rates or charges for water service, water companies as defined in RCW 80.04.010 may consider the achievement of water conservation goals and the discouragement of wasteful water use practices.

(11) (a) Electrical companies, gas companies, and the commission shall use the greenhouse gas planning adder when evaluating and selecting conservation policies, programs, and targets.

(b) (i) Electrical companies shall use the greenhouse gas planning adder in developing and evaluating integrated resource plans pursuant to chapter 19.280 RCW; and

(ii) Gas companies shall use the greenhouse gas planning adder in developing integrated resource plans that describe a mix of natural gas, biogas, or synthetic gas and conservation designated to meet current and future needs at the lowest reasonable costs to the gas company and its customers.

(c) Electrical companies and gas companies shall use the greenhouse gas planning adder in evaluating and selecting intermediate-term and long-term resource options.

(d) The commission shall use the greenhouse gas planning adder in evaluating integrated resource plans and intermediate-term and long-term resource options selected by electrical companies and gas companies under this subsection.

(e) For the purposes of this subsection: (i) Gas consisting largely of methane and other hydrocarbons derived from the decomposition of organic material in landfills, wastewater treatment facilities, and anaerobic digesters must be considered a nonemitting resource; and (ii) qualified biomass energy must be considered a nonemitting resource.

(f) A multistate electric company with retail customers and generation located outside the state of Washington shall use the greenhouse gas planning adder pursuant to this subsection beginning January 1, 2020.

NEW SECTION. **Sec. 4.** A new section is added to chapter 80.28 RCW to read as follows:

(1) The legislature declares that changes in technology and the structure of the energy industry may produce conditions under which traditional rate of return, rate-based regulation of electrical and gas companies may not in all cases provide the most efficient and effective means of achieving the legislature's intent and the public policy goals of this state as declared in chapters 19.280 and 19.285 RCW and this title. The commission should be authorized to employ an alternative form of regulation if that alternative is better suited to achieving those policy goals.

(2)(a) Subject to the conditions set forth in this chapter, the commission may regulate an electrical or gas company by authorizing an alternative form of regulation. The commission may determine the manner and extent of any alternative form of regulation as may be appropriate in the public interest, including, but not limited to, authorizing an alternative form of regulation for all or individual utility services.

(b) The commission shall consider, to the extent applicable, the extent to which an alternative form of regulation is expected to:

(i) Align utility regulatory incentives with the public interest;

(ii) Maintain and enhance the ability of the electrical or gas company to furnish safe, adequate, and efficient service to its customers;

(iii) Support prudent and efficient use of the electrical or natural gas system and utility operations;

(iv) Maintain and enhance overall electrical or natural gas system reliability, security, and resilience;

(v) Allow an electrical or gas company to support and participate in market transformation for enabling technologies without harming competition;

(vi) Allow an electrical or gas company to be financially indifferent as to: (A) The ownership of the property necessary to furnish service to its customers, except where appropriate for facilities furnished to establish a person as a customer of the electrical or

gas company; or (B) the quantity of electricity or gas sold to its customers;

(vii) Reasonably protect customers, including low-income customers, from associated short and long-term risks;

(viii) Ensure an appropriate level of consumer protection;

(ix) Support the achievement of state emissions reduction goals;

(x) Consider adverse environmental impacts;

(xi) Provide the electrical or gas company with the opportunity to earn a reasonable rate of return on investment; and

(xii) Provide for broad customer engagement to promote participation by a diversity of customers, particularly underserved communities or segments thereof, in the associated programs to help achieve the criteria identified in this subsection (2)(b).

(3) An electrical or gas company may petition the commission to establish an alternative form of regulation. The electrical or gas company shall submit with the petition a plan for an alternative form of regulation, which may include provisions establishing a reasonable range for rate of return on investment. The plan must contain a proposal for transition to the alternative form of regulation and the proposed duration of the plan. The development of a plan, which must include customer and stakeholder input, shall contain a proposal for appropriate performance metrics and enforcement or remedial provisions in the event the company fails to meet such metrics. The commission also may initiate consideration of alternative forms of regulation for a company or companies on its own motion. The commission, after notice and hearing, shall issue an order accepting, modifying, or rejecting the plan within eleven months after the petition or motion is filed, unless extended by the commission for good cause. Nothing in this section may be interpreted as requiring an electrical or gas company to submit a petition for a plan for an alternative form of regulation as part of or concurrent with a general rate case or other proceeding for recovery of costs of such a company.

(4) Not later than sixty days from the entry of the commission's order, the

electrical or gas company affected by the order shall file with the commission: (a) An election to proceed with the alternative form of regulation as authorized by the commission; or (b) an election not to proceed with the alternative form of regulation as authorized by the commission.

(5) The commission may waive such a regulatory requirement under this title for an electrical or gas company subject to an alternative form of regulation as may be appropriate to facilitate the implementation of this section. However, as part of a proceeding to consider alternative forms of regulation, the commission may not waive any grant of legal rights to any person contained in this chapter and chapter 80.04 RCW. The commission may waive different regulatory requirements for different electrical or gas companies or services if the different treatment is in the public interest.

(6) Upon petition by the electrical or gas company, or on motion by the commission when evaluating the achievement of metrics developed in subsection (3) of this section, and after notice and hearing, the commission may rescind or modify an alternative form of regulation in the manner requested by the electrical or gas company.

(7) The commission or any person may file a complaint under RCW 80.04.110 alleging that an electrical or gas company under an alternative form of regulation has not complied with the terms and conditions set forth in the alternative form of regulation. The complainant bears the burden of proving the allegations in the complaint.

(8) During a state of emergency declared under RCW 43.06.010(12), the governor may waive or suspend the operation or enforcement of this section or any portion of this section or under any administrative rule, and issue any orders to facilitate the operation of state or local government or to promote and secure the safety and protection of the civilian population.

(9) The provisions of this section apply only to alternative forms of regulation submitted to the commission pursuant to this section. Nothing contained in this section may be construed to alter, amend, repeal, modify, interpret, or be in conflict with this chapter. Nothing in this section may

be construed to expand or alter the commission's jurisdiction to regulate in the public interest and ensure just, fair, reasonable, and sufficient rates for electrical and gas companies.

NEW SECTION. Sec. 5. A new section is added to chapter 80.28 RCW to read as follows:

(1) After notice and a hearing, the commission may order one or more electrical companies to provide direct access to nonresidential customers or to a subset of nonresidential customers if the commission finds that doing so is in the public interest.

(2) For the purposes of this section, "direct access" means the ability of a customer of an electrical company, as a consequence of a commission order issued under this section, to purchase electricity and certain ancillary services at retail directly from an entity other than the electrical company that is responsible for delivering electricity to the customer."

"(a) "Drug injection site" means any building, structure, site, facility, or program, including but not limited to safe consumption or safe injection programs, with a function of providing a space or area for either use or consumption, or both, of federally controlled substances and prohibited by (b) and (c) of this subsection.

(b) Notwithstanding any grant of authority to a local board of health or local health officer contained in chapter 70.05 RCW, the state of Washington fully occupies and preempts the entire field of drug injection site regulation within the boundaries of the state, including the registration, licensing, possession, purchase, sale, acquisition, transfer, use, authorization, or any other element relating to drug injection sites. Cities, towns, and counties or other municipalities may only enact laws and ordinances relating to drug injection sites that are specifically authorized by state law and are consistent with this chapter. Such local ordinances have the same penalty as provided for by state law. Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of state law may not be enacted and are preempted and repealed, regardless of the nature of the code, charter, or home rule status of the enacting city, town, county, or municipality.

(c) Each local health board must provide annual certification to the legislature and state board of health

that no private or public drug injection sites are operating in its local health department jurisdiction.

Renumber the remaining subsections consecutively and correct any internal references accordingly.

POINT OF ORDER

Representative Tarleton requested a scope and object ruling on amendment (880) to ESHB 2489.

SPEAKER'S RULING

Mr. Speaker (Representative Orwall presiding): *Substitute House Bill 2489 is titled "an act relating to opioid use disorder treatment, prevention and related services."*

The proposed amendment relates to drug injection sites, which are not treatment programs, prevention programs, or services related to such programs.

The Speaker therefore finds and rules that the amendment is beyond the scope of the bill as defined by its title.

The point of order is well taken.

Amendment (880) was not adopted.

Representative Stokesbary moved the adoption of amendment (881):

On page 6, after line 31, insert the following:

"(3) (a) The department shall adopt rules by December 31, 2018, regarding the siting and operation of drug injection sites that allow the consumption or injection of federally regulated illegal controlled substances, except those substances that a person may lawfully possess under state law.

(b) The rules adopted by the department must have provisions that prohibit drug injection sites operated within one mile of any elementary or secondary school, playground, recreation center or facility, child care center, public park, public transit center, library, game arcade, or any facility where children are likely to be present.

(c) The rules must require that:

(i) Upon each visit to an injection site and prior to any injections, a person must undergo at least one hour of drug counseling by a certified chemical dependency professional; the drug

counselor must meet the certification requirements pursuant to chapter 246-811 WAC;

(ii) The sites maintain an appropriate supply of drugs that prevent the effects of the illegal substance, help cure opioid substance abuse disorder, and that block the effects of the drug in the event of an overdose;

(iii) The sites meet minimum staffing ratios of at least two health professionals per visitor, one of whom must be a physician; and

(iv) Staff be allowed to take uninterrupted meal and rest periods that are not intermittent and that staff may not be required to work overtime.

(d) The rules must require bi-weekly reporting to the department regarding the number of individuals served, the services provided, and the cost of providing such services, including an apportionment of all reasonable operating expenses per person served. The report must also include the outcomes of the service, such as whether the person served returned for an injection or for other services, the number of instances where naloxone was administered, and the number of fatalities at the site.

(e) The rules may not allow for any existing-use exemptions.

(f) The rules must provide for penalties for violation of the provisions regarding the siting and the operational requirements specified by the department.

(g) The department has authority to adopt emergency rules to implement the requirements of this subsection."

POINT OF ORDER

Representative Tarleton requested a scope and object ruling on amendment (881) to ESHB 2489.

SPEAKER'S RULING

Mr. Speaker (Representative Orwall presiding): *Substitute House Bill 2489 is titled "an act relating to opioid use disorder treatment, prevention and related services."*

The proposed amendment relates to drug injection sites, which are not treatment programs, prevention programs, or services related to such programs.

The Speaker therefore finds and rules that the amendment is beyond the scope of the bill as defined by its title.

Representative Stambaugh moved the adoption of amendment (849).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.70 RCW to read as follows:

(1) By July 1, 2020, the department shall establish, in consultation with pharmacists and pharmacies, a searchable database available on its web site of pharmacies that have one or more pharmacists on staff with collaborative drug therapy agreements to prescribe vaccines or self-administered hormonal contraceptives. The database must include:

(a) The name and location of every pharmacy in the state with one or more pharmacists on staff that through a collaborative drug agreement prescribe:

(i) Vaccines; or

(ii) Self-administered hormonal contraceptives;

(b) A listing, by pharmacy, of the general categories and types of vaccines and self-administered hormonal contraceptives, as determined by the pharmacy quality assurance commission, that one or more pharmacists on staff at each pharmacy in (a) of this subsection are authorized to prescribe under a collaborative drug therapy agreement; and

(c) A statement that the names and locations provided are provided for information only and are subject to change.

(2) The searchable database must allow users to search by zip code and include a map function displaying the closest locations to the user based on zip code.

(3) The department shall update the database quarterly.

(4) If the department determines that a statewide association of pharmacists or pharmacies provides a publicly available database substantially similar to the requirement of this section, the department is no longer required to establish or operate the database required under subsection (1) of this section.

NEW SECTION. Sec. 2. A new section is added to chapter 18.64 RCW to read as follows:

Beginning April 1, 2020, any pharmacy in the state with one or more pharmacists on staff that prescribe vaccines or self-administered hormonal contraceptives through a collaborative drug therapy agreement shall electronically provide the department with the information required by section 1 of this act, as requested by the department and in a format identified by the department."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.630 RCW to read as follows:

(1) The work-integrated learning initiative is established. The purpose of the initiative is to promote work-integrated learning experiences for students by providing:

(a) An opportunity for students to engage in work-based academic programs with public and private sector employers, such as internships, externships, and registered apprenticeships; and

(b) A framework for the development and replication of successful work-integrated learning programs throughout the state.

(2) Local applicant schools receiving funding through participation in the initiative must:

(a) Provide academic curricula in a work-integrated and career-contextualized manner and include an external mentor for each student in the program;

(b) Demonstrate collaboration with and input from students, parents or guardians, local employers, community members, a workforce development council, and a labor organization.

Evidence of local collaborations may include but are not limited to partnerships with a dropout reengagement organization, an apprenticeship sponsor, a community and technical college, a STEM network, or a homeless youth service organization;

(c) Reflect local circumstances, including local industries, employers, and labor markets;

(d) Comply with graduation requirements established by the state board of education; and

(e) Align the high school and beyond plans of participating students to reflect opportunities that may be available through the initiative.

(3)(a) Local applicant schools selected to participate in the work-integrated learning initiative must, in accordance with this section and section 3 of this act, submit to the work-integrated learning advisory committee created in section 3 of this act an interim and an end-of-project report that includes numeric and other data summarizing the effects of their work-integrated learning project programs on high school graduation rates, state test scores, and community partnerships, including partnerships with local employers and industries.

(b) In complying with this subsection (3), local applicant schools must also provide other data and information as requested by the work-integrated learning advisory committee in accordance with section 3 of this act.

(4) For the purposes of this section and sections 2 and 3 of this act, "work-integrated learning" includes but is not limited to early, frequent, and systematic learning experiences that are essential for preparing Washington youth for high-demand, family-wage jobs in Washington state, and that engage students in grades five through twelve or through high school dropout reengagement plans.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1)(a) The office of the superintendent of public instruction may contract with a statewide nonprofit organization with expertise in promoting and supporting work-integrated learning from early learning through postsecondary education to establish a matching grant program to fund projects

implemented by local applicant schools identified in section 1 of this act.

(b) The matching grant program shall include the following minimum requirements for local applicant schools:

(i) Measurable and accountable focus on low-income youth, homeless youth, and youth of color;

(ii) Accountability for increasing registered youth apprenticeships, internships, mentors, career planning, and other work-integrated learning experiences;

(iii) Regional coordinators or liaisons to facilitate links between schools, higher education institutions, business, labor, and the community in developing internships and other work-integrated learning experiences; and

(iv) System-wide support for work-integrated learning experiences, including but not limited to career awareness, career explorations, career counseling, and career preparation and training.

(2)(a) Grant funds awarded in accordance with this section may be expended only to the extent that they are equally matched by private sector cash contributions for the program. Grantees must provide reports to the work-integrated learning advisory committee in accordance with section 3 of this act.

(b) By November 15, 2020, and yearly thereafter, the office of the superintendent of public instruction must provide an evaluation to the governor and the education and economic development committees of the house of representatives and the senate.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction, in consultation with the employment security department and the workforce training and education coordinating board, shall convene a work-integrated learning advisory committee to provide advice to the legislature and the education and workforce sectors on creating opportunities for students to: Explore and understand a wide range of career-related opportunities through applied learning; engage with industry mentors; and plan for career and college success.

(2) The committee shall:

(a) Assist the office of the superintendent of public instruction in

the development of an application process and the selection of local applicant schools to participate in the initiative established in section 1 of this act;

(b) Advise the superintendent of public instruction on the development and implementation of work-integrated learning instructional programs;

(c) Review the instructional programs of projects funded through the career connect Washington program with grant moneys from the federal workforce innovation and opportunity act, P.L. 113-128, related to work-integrated learning, a type of learning that is also referred to as "career connected learning," and of local applicant schools selected to develop and implement work-integrated learning project programs under section 1 of this act. The purpose of the review required by this subsection (2)(c) is to determine:

(i) The impact on in-school progress, high school graduation rates, state test scores, indicators of career and college readiness, employment outcomes, and community partnerships. In accordance with this subsection (2)(c), and to the maximum extent practicable, the review must consider both overall impacts and reductions or other changes in opportunity gaps;

(ii) Best practices for partnering with industry and the local community to create opportunities for applied learning through internships, externships, registered youth apprenticeships, and mentorships; and

(iii) Best practices for linking high school and beyond plans with work-integrated and career-related learning opportunities and increasing college readiness;

(d) Analyze barriers to statewide adoption of work-integrated and career-related learning opportunities and instructional programs;

(e) Recommend policies to implement work-integrated and career-related strategies that increase college and career readiness of students statewide. Policies recommended under this subsection (2)(e) may include, but are not limited to: (i) Policies related to aligning career and technical education programs with statewide and local industry projections and career cluster needs evidenced through economic development data and appropriate longitudinal data; and (ii) the completion of remedial courses required by colleges and universities;

(f) Consult with individuals from the public and private sectors with expertise in career and technical education and work-integrated training, including representatives of labor unions, professional technical organizations, and business and industry; and

(g) Work collaboratively, as appropriate, with the expanded learning opportunities advisory council as provided in chapter . . . , Laws of 2018 (Engrossed Substitute House Bill No. 2802).

(3) The committee must, at a minimum, be composed of the following members:

(a) One member from each of the two largest caucuses of the senate, appointed by the president of the senate;

(b) One member from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives;

(c) The superintendent of public instruction or the superintendent's designee;

(d) One educator representing the K-12 career and technical education sector, appointed by the superintendent of public instruction, as determined from recommendations of the association for career and technical education;

(e) One school counselor appointed by the superintendent of public instruction, as determined from recommendations of the school counselor association;

(f) One educator representing the community and technical colleges, appointed by the state board for community and technical colleges;

(g) One member of the governor's office specializing in career and technical education and workforce needs, appointed by the governor; and

(h) One member of the workforce training and education coordinating board, designated by the workforce training and education coordinating board.

(4) The committee shall convene a subcommittee that includes members representing manufacturing, industry, labor, apprenticeships, and other members with specialized expertise.

(5) The chair or co-chairs of the committee and subcommittee must be selected by the members of the committee.

(6) Staff support for the committee and the subcommittee must be provided by the office of the superintendent of public instruction.

(7) The committee shall report its findings and recommendations to the state

board for community and technical colleges, the state board of education, the student achievement council, and, in accordance with RCW 43.01.036, the education committees and economic development committees of the house of representatives and the senate by July 1, 2022.

(8) This section expires September 1, 2022."
