SUBSTITUTE HOUSE BILL NO. 1796 was read the second time.

Representative Farrell moved the adoption of amendment (079).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the state has an interest in assuring that children are given the opportunity to have a healthy start in life. Because approximately half of all births in Washington state are funded by state resources, the state is in a unique position to make a difference in the health of children in Washington. The

legislature further finds that providing children with a healthy start requires promoting healthy pregnancies. In one national survey, pregnant workers said they needed more frequent breaks while pregnant. Prenatal care is also critical for positive birth outcomes, and pregnant women have cited the need for flexibility in their work schedule for the purposes of attending doctor visits. Reasonable accommodations for pregnant women in the workplace can go a long way to promoting healthy pregnancies without producing an undue hardship on employers.

NEW SECTION. Sec. 2. A new section is added to chapter 43.10 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Employer" has the same meaning as and shall be interpreted consistent with how that term is defined in RCW 49.60.040, except that for the purposes of this section only the threshold of employees must be fifteen or more.

(b) "Pregnancy" includes the employee's pregnancy and pregnancy-related health conditions.

(c) "Reasonable accommodation" means:

(i) Providing more frequent, longer, or flexible restroom breaks;

(ii) Modifying a no food or drink policy;

(iii) Job restructuring, part-time or modified work schedules, reassignment to a vacant position, or acquiring or modifying equipment, devices, or an employee's work station;

(iv) Providing seating or allowing the employee to sit more frequently if her job requires her to stand;

(v) Providing for a temporary transfer to a less strenuous or less hazardous position;

(vi) Providing assistance with manual labor and limits on lifting;

(vii) Scheduling flexibility for prenatal visits; and

(viii) Any further pregnancy accommodation an employee may request, and to which an employer must give reasonable consideration in consultation with information provided on pregnancy accommodation by the department of labor and industries or the attending health care provider of the employee.

(d) "Undue hardship" means an action requiring significant difficulty or expense. An employer may not claim undue hardship for the accommodations under (c) (i), (ii), and (iv) of this subsection, or for limits on lifting over seventeen pounds.

(2) It is an unfair practice for any employer to:

(a) Fail or refuse to make reasonable accommodation for an employee for pregnancy, unless the employer can demonstrate that doing so would impose an undue hardship on the employer's program, enterprise, or business;

(b) Take adverse action against an employee who requests, declines, or uses an accommodation under this section that affects the terms, conditions, or privileges of employment;

(c) Deny employment opportunities to an otherwise qualified employee if such denial is based on the employer's need to make reasonable accommodation required by this section;

(d) Require an employee to take leave if another reasonable accommodation can be provided for the employee's pregnancy.

(3) An employer may request that the employee provide written certification from her treating health care professional regarding the need for reasonable accommodation, except for accommodations listed in subsection (1) (d) of this section.

(4) (a) This section does not require an employer to create additional employment that the employer would not otherwise have created, unless the employer does so or would do so for other classes of employees who need accommodation.

(b) This section does not require an employer to discharge any employee, transfer any employee with more seniority, or promote any employee who is not qualified to perform the job, unless the employer does so or would do so to accommodate other classes of employees who need accommodation.

(5) The department of labor and industries must provide online education materials explaining the respective rights and responsibilities of employers and employees who have a health condition related to pregnancy or childbirth. The online education materials must be prominently displayed on the department's web site.

(6) The attorney general shall investigate complaints and enforce this section, including by conference and conciliation. In addition to the complaint process with the attorney general, any person believed to be injured by a violation of this section has a civil cause of action in court to enjoin further violations, or to recover the actual damages sustained by the person, or both, together with the cost of suit and reasonable attorneys' fees or any other appropriate remedy authorized by state or federal law.

(7) This section does not preempt, limit, diminish, or otherwise affect any other provision of law relating to disability discrimination, sex discrimination, or pregnancy, or in any way diminish or limit legal protections or coverage for pregnancy, childbirth, or a pregnancy-related health condition.

NEW SECTION. Sec. 3. A new section is added to chapter 43.70 RCW to read as follows:

(1) The healthy pregnancy advisory committee is established to develop a strategy for improving maternal and infant health outcomes. The advisory committee shall conduct its activities in consultation with the maternal mortality review panel established in RCW 70.54.450 and an initiative related to improving maternal and infant outcomes that is established by the largest association representing hospitals in Washington. Administration of the advisory committee by the department must be done within existing resources.

(2) The secretary shall appoint up to twenty members to the advisory committee including experts in maternal and child health, pediatric primary care providers, public health experts, hospitals that provide birthing services, health care providers involved in the care of pregnant women and infants, and representatives of low-income women, women of color, and immigrant communities. In addition, the secretary shall designate a representative from the department of health and invite participation from the health care authority, the department of social and health services, and the department of early learning. The secretary's designee shall serve as the chair of the

advisory committee and shall convene the work group.

(3) The advisory committee shall meet quarterly and develop a strategy to promote maternal and child health outcomes. The strategy shall consider best practices that agencies may integrate into their programs to improve birth outcomes, reduce maternal mortality and morbidity, and reduce infant mortality. The strategy shall include elements to promote breastfeeding, incentivize the adoption of the baby-friendly designation by hospitals, and reduce barriers to accessing prenatal care. The advisory committee shall consider where there may be gaps in the availability of services that may benefit pregnant women and infants, such as coverage for lactation consulting, the availability of smoking cessation programs for persons who are codomiciled with the pregnant woman or infant, access to fresh fruits and vegetables, and improved access to dental care for pregnant women.

(4) The advisory committee shall submit the strategy to the legislature and the governor's council for the healthiest next generation by October 15, 2018.

(5) This section expires July 1, 2019.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void."

HOUSE BILL NO. 2073, by Representatives Dent and Buys

Concerning the beef commission.

The bill was read the second time.

Representative Dent moved the adoption of amendment (043).

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 16.67.035 and 2011 c 103 s 34 are each amended to read as follows:

The legislature declares:

(1) That the history, economy, culture, and the future of Washington state's agriculture involves the beef industry. ((In order to develop and promote beef and beef products as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That the Washington state beef commission is created;

(2) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its beef and beef products be properly promoted by (a) enabling the beef industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of beef and beef products they produce; and (b) working to stabilize the beef industry by increasing consumption of beef and beef products within the state, the nation, and internationally)) It is vital to the economy and to citizens' health that the beef industry continue to progress and thrive. The Washington state beef commission is part of an existing comprehensive system to regulate and promote beef and beef products.

(2) That the focus of the beef commission shall include the following responsibilities:

(a) The beef industry is to be promoted in a manner that showcases the varied aspects and segments of the industry;

(b) Research, education, and programs related to health and safety of beef are to be advanced in cooperation with the Washington state department of agriculture, Washington State University, other institutions of higher learning as appropriate, and other governmental or nongovernmental organizations doing research on trade or health issues;

(c) Support is to be provided to the beef industry in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of beef and beef products; and

(d) Maintain efforts to increase consumption of beef and beef products within the state, the nation, and internationally;

(3) That beef producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the beef producer's ability to compete in local, domestic, and foreign markets;

(4) That it is in the overriding public interest that support for the beef industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that beef and beef products be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agriculture industry;

(b) Increase the sale and use of beef products in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to ~~((the))~~ sustainable stewardship of cattle and the environment, quality, care, and methods used in the production of beef and beef products, and in reference to the various cuts and grades of beef and the uses to which each should be put;

(d) Increase the knowledge of the health-giving qualities and dietetic value of beef products; and

(e) Support and engage in programs or activities that benefit the care and well-being of the cattle, and the

production, handling, processing, marketing, and uses of beef and beef products;

(5) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(6) That the beef industry is a highly regulated industry and that this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the beef industry include the:

(a) Beef promotion and research act of 1985, U.S.C. Title 7, chapter 62;

(b) Beef promotion and research, 7 C.F.R., Part 1260;

(c) Agricultural marketing act, 7 U.S.C., section 1621;

(d) USDA meat grading, certification, and standards, 7 C.F.R., Part 54;

(e) Mandatory price reporting, 7 C.F.R., Part 57;

(f) Grazing permits, 43 C.F.R., Part 2920;

(g) Capper-Volstead act, U.S.C. Title 7, chapters 291 and 292;

(h) Livestock identification under chapter 16.57 RCW and rules;

(i) Organic products act under chapter 15.86 RCW and rules;

(j) Intrastate commerce in food, drugs, and cosmetics act under chapter 69.04 RCW and rules, including provisions of 21 C.F.R. relating to the general manufacturing practices, food labeling, food standards, food additives, and pesticide tolerances;

(k) Washington food processing act under chapter 69.07 RCW and rules;

(l) Washington food storage warehouses act under chapter 69.10 RCW and rules;

(m) Animal health under chapter 16.36 RCW and rules; and

(n) Weights and measures under chapter 19.94 RCW and rules.

Sec. 2. RCW 16.67.090 and 2011 c 336 s 436 are each amended to read as follows:

The powers and duties of the commission shall include the following:

(1) To administer and enforce the provisions of this chapter, and do all things reasonably necessary to

effectuate the purposes of this chapter;

(2) To elect a chair and such other officers as it deems advisable;

(3) To employ and discharge at its discretion a manager, secretary, and such other personnel, including attorneys engaged in the private practice of law subject to the review of the attorney general, as the commission determines are necessary and proper to carry out the purposes of this chapter, and to prescribe their duties and powers and fix their compensation;

(4) To adopt, rescind, and amend rules, regulations, and orders for the exercise of its powers hereunder subject to the provisions of chapter 34.05 RCW, except that rule-making proceedings conducted under this chapter are exempt from compliance with RCW 34.05.310, the provisions of chapter 19.85 RCW, the regulatory fairness act, and the provisions of RCW 43.135.055 when adoption of the rule is determined by a referendum vote of the affected parties;

(5) To establish by resolution, a headquarters which shall continue as such unless and until so changed by the commission. All records, books, and minutes of the commission shall be kept at such headquarters;

(6) To require a bond of all commission members and employees of the commission in a position of trust in the amount the commission shall deem necessary. The premium for such bond or bonds shall be paid by the commission from assessments collected. Such bond shall not be necessary if any such commission member or employee is covered by any blanket bond covering officials or employees of the state of Washington;

(7) To establish a beef commission revolving fund, such fund to be deposited in a bank or banks or financial institution or institutions, approved for the deposit of state funds, in which all money received by the commission, except an amount of petty cash for each day's needs not to exceed one hundred dollars, shall be deposited each day or as often during the day as advisable; none of the provisions of RCW 43.01.050 as now or hereafter amended shall apply to money collected under this chapter;

(8) To prepare a detailed and explanatory budget or budgets covering anticipated income and expenses to be

incurred in carrying out the provisions of this chapter during each fiscal year;

(9) To incur expense and enter into contracts and to create such liabilities as may be reasonable for the proper administration and enforcement of this chapter;

(10) To borrow money, not in excess of its estimate of its revenue from the current year's contributions;

(11) To keep or cause to be kept in accordance with accepted standards of good accounting practice, accurate records of all assessments, expenditures, moneys, and other financial transactions made and done pursuant to this chapter. Such records, books, and accounts shall be audited at least every five years subject to procedures and methods lawfully prescribed by the state auditor. Such books and accounts shall be closed as of the last day of each fiscal year. A copy of such audit shall be delivered within thirty days after completion thereof to the director, the state auditor, and the commission. On such years and in such event the state auditor is unable to audit the records, books, and accounts within six months following the close of the audit period it shall be mandatory that the commission employ a private auditor to make such audit;

(12) To sue and be sued as a commission, without individual liability for acts of the commission within the scope of the powers conferred upon it by this chapter;

(13) To cooperate with any other local, state, or national commission, organization, or agency, whether voluntary or established by state or federal law, including recognized livestock groups, engaged in work or activities similar to the work and activities of the commission created by this chapter and make contracts and agreements with such organizations or agencies for carrying on joint programs beneficial to the beef industry and sustainable stewardship of cattle;

(14) To accept grants, donations, contributions, or gifts from any governmental agency or private source for expenditures for any purpose consistent with the provisions of this chapter; and

(15) To operate jointly with beef commissions or similar agencies established by state laws in adjoining states.

Sec. 3. RCW 16.67.091 and 2003 c 396 s 34 are each amended to read as follows:

(1) The commission shall develop and submit to the director for approval any plans, programs, and projects concerning the following:

(a) The establishment, issuance, effectuation, and administration of appropriate programs or projects for the advertising and promotion of its affected commodities; ~~((and))~~

(b) The establishment, effectuation, and administration of research, education, and programs related to health and safety of cattle, beef, and beef products; and

(c) The establishment and effectuation of market research projects, market development projects, or ~~((both))~~ industry specific educational projects to the end that the marketing and utilization of its affected commodities may be encouraged, expanded, improved, or made more efficient.

(2) The director shall review the commission's advertising or promotion program to ensure that no false claims are being made concerning its affected commodities.

(3) The commission, prior to the beginning of its fiscal year, shall prepare and submit to the director for approval its research plan, its commodity-related education and training plan, and its budget on a fiscal period basis.

(4) The director shall ~~((strive to))~~ review and make a determination of all submissions described in this section in a timely manner.

Sec. 4. RCW 16.67.110 and 2000 c 146 s 4 are each amended to read as follows:

The commission shall provide for programs designed to support sustainable stewardship of cattle and the environment; increase the consumption of beef; develop more efficient methods for the production, processing, handling and marketing of beef; eliminate transportation rate inequalities on feed grains and supplements and other production supplies adversely affecting Washington producers; properly identify beef and beef products for consumers as to quality and origin. For these purposes the commission may:

(1) Provide for programs for advertising, sales promotion and education, locally, nationally or internationally, for maintaining present markets and/or creating new or larger markets for beef. Such programs shall be directed toward increasing the sale of beef and shall neither make use of false or unwarranted claims in behalf of beef nor disparage the quality, value, sale or use of any other agricultural commodity;

(2) Provide for research: (a) To develop and discover the health, food, therapeutic, and dietetic value of beef and beef products ~~((thereof))~~; and (b) to develop materials, education, and programs related to health and safety of beef and beef products and the sustainable stewardship of cattle and the environment;

(5) Provide for rate studies and participate in rate hearings connected with problems of beef production, processing, handling or marketing; and

(6) Provide for proper labeling of beef and beef products so that the purchaser and the consuming public of the state will be readily apprised of the quality of the product and how and where it was processed.

NEW SECTION. Sec. 5. A new section is added to chapter 16.67 RCW to read as follows:

(1) The budget required in RCW 16.67.090(8) must set forth the complete and detailed financial program of the commission, showing the revenues and expenditures of the commission. The budget must be explanatory, describing how the funding is used to administer and implement the commission's programs and priorities, and include the reasons for salient changes from the previous fiscal period in expenditure or revenue items. The budget must explain any major changes to financial policy and

contain an outline of the proposed financial policies of the commission for the ensuing fiscal period and describe performance indicators that demonstrate measurable progress toward the commission's priorities.

(2) The budget must be sufficiently detailed to provide transparency for the commission's actions on behalf of the industry.

(3) The commission must submit to the legislature a concise yet detailed report of the commission's activities and expenditures after the completion of each fiscal year."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1753, having received the necessary constitutional majority, was declared passed.

HOUSE BILL NO. 2107, by Representatives Schmick, Cody and Ormsby

Concerning the addition of services for long-term placement of mental health patients in community settings that voluntarily contract to provide the services.

The bill was read the second time.

There being no objection, the committee amendments by the Committee on Health Care were adopted. (For Committee amendments, see Journal, Day 40, February 20, 2015).

Representative Cody moved the adoption of amendment (108).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 71.24 RCW to read as follows:

The legislature finds that concentrating all long-term placements for mental health patients at eastern and western state hospitals is not a sustainable model for the future. There is insufficient capacity at eastern and western state hospitals to meet current and growing demand for services and patients, and families are better supported when care is provided in communities closer to their homes. Therefore, the legislature intends to facilitate the addition of services to the existing system by making long-term placement for mental health patients available in community hospitals and evaluation and treatment facilities that voluntarily contract and are certified by the department of social and health services.

Sec. 2. RCW 71.24.310 and 2014 c 225 s 40 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently

and effectively implemented as part of the behavioral health organization defined in RCW 71.24.025. For this reason, the legislature intends that the department and the behavioral health organizations shall work together to implement chapter 71.05 RCW as follows:

(1) By June 1, 2006, behavioral health organizations shall recommend to the department the number of state hospital beds that should be allocated for use by each behavioral health organization. The statewide total allocation shall not exceed the number of state hospital beds offering long-term inpatient care, as defined in this chapter, for which funding is provided in the biennial appropriations act.

(2) If there is consensus among the behavioral health organizations regarding the number of state hospital beds that should be allocated for use by each behavioral health organization, the department shall contract with each behavioral health organization accordingly.

(3) If there is not consensus among the behavioral health organizations regarding the number of beds that should be allocated for use by each behavioral health organization, the department shall establish by emergency rule the number of state hospital beds that are available for use by each behavioral health organization. The emergency rule shall be effective September 1, 2006. The primary factor used in the allocation shall be the estimated number of adults with acute and chronic mental illness in each behavioral health organization area, based upon population-adjusted incidence and utilization.

(4) The allocation formula shall be updated at least every three years to reflect demographic changes, and new evidence regarding the incidence of acute and chronic mental illness and the need for long-term inpatient care. In the updates, the statewide total allocation shall include (a) all state hospital beds offering long-term inpatient care for which funding is provided in the biennial appropriations act; plus (b) the estimated equivalent number of beds or comparable diversion services contracted in accordance with subsection (5) of this section.

(5) (a) The department (~~is encouraged to~~) shall enter into performance-based contracts with behavioral health organizations to

provide some or all of the behavioral health organization's allocated long-term inpatient treatment capacity in the community, rather than in the state hospital, to the extent that willing certified facilities are available. The performance contracts shall specify the number of patient days of care available for use by the behavioral health organization in the state hospital and the number of patient days of care available for use by the behavioral health organization in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day inpatient involuntary commitment order, including hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW.

(b) Nothing in this section requires a hospital licensed under chapter 70.41 or 71.12 RCW to contract or become certified to treat patients on ninety or one hundred eighty day involuntary commitment orders as a condition for continuing to treat adults who are waiting for placement at either the state hospital or in certified facilities that voluntarily contract to provide treatment to patients on ninety or one hundred eighty day involuntary commitment orders.

(6) If a behavioral health organization uses more state hospital patient days of care than it has been allocated under subsection (3) or (4) of this section, or than it has contracted to use under subsection (5) of this section, whichever is less, it shall reimburse the department for that care, except during the period of July 1, 2012, through December 31, 2013, where reimbursements may be temporarily altered per section 204, chapter 4, Laws of 2013 2nd sp. sess. The reimbursement rate per day shall be the hospital's total annual budget for long-term inpatient care, divided by the total patient days of care assumed in development of that budget.

(7) One-half of any reimbursements received pursuant to subsection (6) of this section shall be used to support the cost of operating the state hospital and, during the 2007-2009 fiscal biennium, implementing new services that will enable a behavioral health organization to reduce its utilization of the state hospital. The department shall distribute the

remaining half of such reimbursements among behavioral health organizations that have used less than their allocated or contracted patient days of care at that hospital, proportional to the number of patient days of care not used.

Sec. 3. RCW 71.24.380 and 2014 c 225 s 5 are each amended to read as follows:

(1) The secretary shall purchase mental health and chemical dependency treatment services primarily through managed care contracting, but may continue to purchase behavioral health services directly from tribal clinics and other tribal providers.

(2) (a) The secretary shall request a detailed plan from the entities identified in (b) of this subsection that demonstrates compliance with the contractual elements of RCW 43.20A.894 and federal regulations related to medicaid managed care contracting ~~((7))~~ including, but not limited to: Having a sufficient network of providers to provide adequate access to mental health and chemical dependency services for residents of the regional service area that meet eligibility criteria for services, ability to maintain and manage adequate reserves, and maintenance of quality assurance processes. In addition, such entities must demonstrate the ability to contract for a minimum number of patient days, to be determined by the secretary, in a facility certified by the department to provide treatment to adults on a ninety or one hundred eighty day inpatient involuntary commitment order, including at hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW, to the extent that willing certified facilities are available. Any responding entity that submits a detailed plan that demonstrates that it can meet the requirements of this section must be awarded the contract to serve as the behavioral health organization.

(b) (i) For purposes of responding to the request for a detailed plan under (a) of this subsection, the entities from which a plan will be requested are:

(A) A county in a single county regional service area that currently

serves as the regional support network for that area;

(B) In the event that a county has made a decision prior to January 1, 2014, not to contract as a regional support network, any private entity that serves as the regional support network for that area;

(C) All counties within a regional service area that includes more than one county, which shall form a responding entity through the adoption of an interlocal agreement. The interlocal agreement must specify the terms by which the responding entity shall serve as the behavioral health organization within the regional service area.

(ii) In the event that a regional service area is comprised of multiple counties including one that has made a decision prior to January 1, 2014, not to contract as a regional support network the counties shall adopt an interlocal agreement and may respond to the request for a detailed plan under (a) of this subsection and the private entity may also respond to the request for a detailed plan. If both responding entities meet the requirements of this section, the responding entities shall follow the department's procurement process established in subsection (3) of this section.

(3) If an entity that has received a request under this section to submit a detailed plan does not respond to the request, a responding entity under subsection (1) of this section is unable to substantially meet the requirements of the request for a detailed plan, or more than one responding entity substantially meets the requirements for the request for a detailed plan, the department shall use a procurement process in which other entities recognized by the secretary may bid to serve as the behavioral health organization in that regional service area.

(4) Contracts for behavioral health organizations must begin on April 1, 2016.

(5) Upon request of all of the county authorities in a regional service area, the department and the health care authority may jointly purchase behavioral health services through an integrated medical and behavioral health services contract with a behavioral health organization or a managed health care system as defined in RCW 74.09.522, pursuant to

standards to be developed jointly by the secretary and the health care authority. Any contract for such a purchase must comply with all federal medicaid and state law requirements related to managed health care contracting.

(6) As an incentive to county authorities to become early adopters of fully integrated purchasing of medical and behavioral health services, the standards adopted by the secretary and the health care authority under subsection (5) of this section shall provide for an incentive payment to counties which elect to move to full integration by January 1, 2016. Subject to federal approval, the incentive payment shall be targeted at ten percent of savings realized by the state within the regional service area in which the fully integrated purchasing takes place. Savings shall be calculated in alignment with the outcome and performance measures established in RCW 43.20A.895, 70.320.020, and 71.36.025, and incentive payments for early adopter counties shall be made available for up to a six-year period, or until full integration of medical and behavioral health services is accomplished statewide, whichever comes sooner, according to rules to be developed by the secretary and health care authority.

NEW SECTION. Sec. 4. A new section is added to chapter 71.24 RCW to read as follows:

(1) The department and the entities identified in RCW 71.24.310 and 71.24.380 shall: (a) Work with willing community hospitals licensed under chapters 70.41 and 71.12 RCW and evaluation and treatment facilities certified under chapter 71.05 RCW to assess their capacity to become certified to provide long-term mental health placements and to meet the requirements of this chapter; and (b) enter into contracts and payment arrangements with such hospitals and evaluation and treatment facilities choosing to provide long-term mental health placements, to the extent that willing certified facilities are available. Nothing in this chapter requires any community hospital or evaluation and treatment facility to be certified to provide long-term mental health placements.

(2) The department must establish reporting requirements for certified facilities. The reporting standards must allow the department to monitor the performance of the certified facilities and compare results with the state hospitals in a consistent format. The measures must align with the data reported by the department to the select committee on quality improvement in state hospitals, including the length of stay of patients, outcomes after discharge, employee-related measures, and demographic information.

NEW SECTION. Sec. 5. A new section is added to chapter 71.24 RCW to read as follows:

The legislature finds that concentrating all long-term placements for mental health patients at eastern and western state hospitals is not a sustainable model for the future. There is insufficient capacity at eastern and western state hospitals to meet current and growing demand for services and patients, and families are better supported when care is provided in communities closer to their homes. Therefore, the legislature intends to facilitate the addition of services to the existing system by making long-term placement for mental health patients available in community hospitals and evaluation and treatment facilities that voluntarily contract and are certified by the department of health.

Sec. 6. RCW 71.24.310 and 2014 c 225 s 40 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the behavioral health organization defined in RCW 71.24.025. For this reason, the legislature intends that the ((department)) authority and the behavioral health organizations shall work together to implement chapter 71.05 RCW as follows:

Sec. 7. RCW 71.24.380 and 2014 c 225 s 5 are each amended to read as follows:

(1) The ~~((secretary))~~ director shall purchase mental health and

chemical dependency treatment services primarily through managed care contracting, but may continue to purchase behavioral health services directly from tribal clinics and other tribal providers.

(2) (a) The ~~((secretary))~~ director shall request a detailed plan from the entities identified in (b) of this subsection that demonstrates compliance with the contractual elements of RCW 43.20A.894 and federal regulations related to medicaid managed care contracting ~~((=))~~ including, but not limited to: Having a sufficient network of providers to provide adequate access to mental health and chemical dependency services for residents of the regional service area that meet eligibility criteria for services, ability to maintain and manage adequate reserves, and maintenance of quality assurance processes. On page 5, beginning on line 19, strike all of section 5, and insert the following:

"**NEW SECTION. Sec. 5.** A new section is added to chapter 31.04 RCW to read as follows:

(1) In addition to complying with any applicable federal program requirements, a student education loan servicer must comply with the following requirements:

(a) Any fee that is assessed by a student education loan servicer must be assessed within forty-five days of the date on which the fee was incurred and must be explained clearly and conspicuously in a statement mailed to the student education loan borrower at the student education loan borrower's last known address no more than thirty days after assessing the fee, or provided via email if the student education loan borrower has assented to receive electronic communications;

(b) All amounts received by a student education loan servicer on a student education loan at the address where the student education loan borrower has been instructed to make payments must be accepted and credited, or treated as credited, within one business day of the date received, provided that the student education loan borrower has provided sufficient information to credit the

account. If a student education loan servicer uses the scheduled method of accounting, any regularly scheduled payment made prior to the scheduled due date must be credited no later than the due date. If any payment is received and not credited, or treated as credited, the student education loan borrower must be notified of the disposition of the payment within ten business days by mail at the student education loan borrower's last known address. The notification must identify the reason the payment was not credited or treated as credited to the account, as well as any actions the student education loan borrower must take to make the student education loan current;

(c) The student education loan servicer must make reasonable attempts to comply with a student education loan borrower's request for information about the student education loan account and to respond to any dispute initiated by the student education loan borrower about the student education loan account. The student education loan servicer:

(i) Must maintain written or electronic records of each written request for information regarding a dispute or error involving the student education loan borrower's account until the student education loan is paid in full, sold, or otherwise satisfied; and

(ii) Must provide a written statement to the student education loan borrower within fifteen business days of receipt of a written request from the student education loan borrower. The student education loan borrower's request must include the name and account number, if any, of the student education loan borrower, a statement that the account is or may be in error, and sufficient detail regarding the information sought by the student education loan borrower to permit the student education loan servicer to comply. At a minimum, the student education loan servicer's response to the student education loan borrower's request must include the following information:

(A) Whether the account is current or, if the account is not current, an explanation of the default and the date the account went into default;

(B) The current balance due on the student education loan, including the principal due, the amount of funds, if any, held in a suspense account, if any, and whether there are any shortages known to the student education loan servicer;

(C) The identity, address, and other relevant information about the current

holder, owner, or assignee of the student education loan; and

(D) The telephone number and mailing address of an individual employed by, or the office or department of, the student education loan servicer with the information and authority to answer questions and resolve disputes; and

(d) Promptly correct any errors and refund any fees assessed to the student education loan borrower resulting from the student education loan servicer's error.

(2) In addition, a student education loan borrower may request more detailed information from a student education loan servicer, and the student education loan servicer must provide the information within fifteen business days of receipt of a written request from the student education loan borrower. The request must include the name and account number, if any, of the student education loan borrower, a statement that the account is or may be in error, and provide sufficient detail to the student education loan servicer regarding information sought by the student education loan borrower. If requested by the student education loan borrower this statement must include:

(a) A copy of the original note, or if unavailable, an affidavit of lost note; and

(b) A statement that identifies and itemizes all fees and charges assessed under the student education loan transaction and provides a full payment history identifying in a clear and conspicuous manner all of the debits, credits, application of and disbursement of all payments received from or for the benefit of the student education loan borrower, and other activity on the student education loan including suspense account activity, if any. The period of the account history must cover at a minimum the two-year period prior to the date of the receipt of the request for information. If the student education loan servicer has not serviced the student education loan for the entire two-year time period the student education loan servicer must provide the information going back to the date on which the student education loan servicer began servicing the student education loan, and identify the previous student education loan servicer, if known. If the student education loan servicer claims that any delinquent or outstanding sums are owed on the student education loan prior to the two-year period or the period during which the student education loan servicer has serviced the student education loan, the

student education loan servicer must provide an account history beginning with the month that the student education loan servicer claims any outstanding sums are owed on the student education loan up to the date of the request for the information. The student education loan borrower may request annually one statement free of charge.

(3) When acquiring servicing rights from another student education loan servicer, a receiving student education loan servicer must:

(a) Notify the student education loan borrowers no more than sixty days and no less than forty-five days before the effective date of the transfer of the student education loans to provide them with:

(i) The effective date of the transfer of servicing, and the date at which the receiving student education loan servicer will begin to accept payments relating to the student education loan, if different;

(ii) The name, address, and toll-free telephone number for an individual employed by, or the office or department of, both the transferring and receiving student education loan servicers at which the student education loan borrower can obtain answers to inquiries;

(iii) A statement that the transfer of servicing does not affect any term or condition of the student education loan other than the entity servicing the student education loan;

(iv) Information about how to obtain a payment history from both the transferring or receiving student education loan servicer;

(v) A notification indicating whether an alternative repayment plan or loan consolidation application is pending; and

(vi) Information about how to submit a complaint to the United States department of education and the student education loan ombuds in the event of a servicing error; and

(b) Continue processing student education loan modification requests received by the receiving student education loan servicer or the transferring student education loan servicer during the transfer process.

(4) When transferring or selling the servicing of student education loans a transferring student education loan servicer must:

(a) Notify the student education loan borrowers no more than sixty days and no less than forty-five days before the effective date of the transfer of the

student education loans to provide them with:

(i) The effective date of the transfer of servicing, and the date at which the transferring student education loan servicer will no longer accept payments relating to the student education loan, if different;

(ii) The name, address, and toll-free telephone number for an individual employed by, or the office or department of, both the transferring and receiving student education loan servicers at which the student education loan borrower can obtain answers to inquiries; and

(iii) A statement that the transfer of servicing does not affect any term or condition of the student education loan other than the entity servicing the student education loan; and

(b) Inform the receiving student education loan servicer if a student education loan modification request is pending.

(5) Licensees servicing student education loans shall provide, free of charge on the licensee's web site, information or links to information regarding repayment and loan forgiveness options that may be available to student education loan borrowers, as well as the availability of the student education loan ombuds to provide assistance. This information or these links shall be provided via written correspondence or email at least once per calendar year.

(6) In addition to keeping books and records in compliance with this chapter and section 1 of this act, licensees servicing student education loans shall collect, maintain, and report to the department specific information about the student education loans in the licensee's portfolio. Such information shall include, but not be limited by: Student education loan volume, default, refinance and modification information, student education loan type (subsidized, deferred, etc.) information, and collection practices.

(7) The director may adopt all rules necessary to implement this section. The director may, at his or her discretion, waive applicability of the provisions of this section when the director determines it necessary to facilitate commerce and protect consumers."

On page 16, beginning on line 17, after "means:" strike all material through "activities" on line 26, and insert "(a) (i) Receiving any scheduled periodic payments from a student education loan

borrower or notification of such payments; and

(ii) Applying payments to the student education loan borrower's account pursuant to the terms of the student education loan or of the contract governing the servicing;

(b) During a period when no payment is required on a student education loan:

(i) Maintaining account records for the loan; and

(ii) Communicating with the student education loan borrower or the borrower's designated representative regarding the student education loan, as the student education loan's holder or on behalf of the student education loan's holder; or

(c) Interacting with a student education loan borrower, including activities to help prevent default on obligations arising from student education loans, to facilitate the activities described in (a) or (b) of this subsection."

On page 27, after line 27, insert the following:

"NEW SECTION. **Sec. 20.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Renumber the remaining sections consecutively and correct any internal references accordingly.

(1) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall establish a competitive application process to designate two educational service districts in which to pilot one lead staff person for children's mental health.

(2) The office must select two educational service districts as pilot sites by October 1, 2017. When selecting the pilot sites, the office must endeavor to achieve a balanced geographic distribution of sites east of the crest of the cascade mountains and west of the crest of the cascade mountains.

(3) The lead staff person for each pilot site must have the primary responsibility for:

(a) Coordinating medicaid billing for schools and school districts in the educational service district;

(b) Facilitating partnerships with community mental health agencies and other providers;

(c) Sharing service models;

(d) Seeking public and private grant funding;

(e) Ensuring the adequacy of other system level supports for students with mental health needs; and

(f) Collaborating with the other selected project and with the office of the superintendent of public instruction.

(4) The office of the superintendent of public instruction must report on the results of the two pilot projects to the governor and the appropriate committees of the legislature in accordance with RCW 43.01.036 by December 1, 2019. The report must also include:

(a) A case study of an educational service district that is successfully delivering and coordinating children's mental health activities and services. Activities and services may include but are not limited to medicaid billing, facilitating partnerships with community mental health agencies, and seeking and securing public and private funding; and

(b) Recommendations regarding whether to continue or make permanent the pilot projects and how the projects might be replicated in other educational service districts.

"NEW SECTION. Sec. 7. A new section is added to chapter 71.24 RCW to read as follows:

(1) Upon initiation or renewal of a contract with the authority, a behavioral health organization shall reimburse a provider for a behavioral health service provided to a covered person who is under eighteen years old through telemedicine or store and forward technology if:

(a) The behavioral health organization in which the covered person is enrolled provides coverage of the behavioral health service when provided in person by the provider; and

(b) The behavioral health service is medically necessary.

(2) (a) If the service is provided through store and forward technology there must be an associated visit between the covered person and the referring provider. Nothing in this section prohibits the use of telemedicine for the associated office visit.

(b) For purposes of this section, reimbursement of store and forward technology is available only for those services specified in the negotiated agreement between the behavioral health organization and provider.

(3) An originating site for a telemedicine behavioral health service subject to subsection (1) of this section means an originating site as

defined in rule by the department or the authority.

(4) Any originating site, other than a home, under subsection (3) of this section may charge a facility fee for infrastructure and preparation of the patient. Reimbursement must be subject to a negotiated agreement between the originating site and the behavioral health organization. A distant site or any other site not identified in subsection (3) of this section may not charge a facility fee.

(5) A behavioral health organization may not distinguish between originating sites that are rural and urban in providing the coverage required in subsection (1) of this section.

(6) A behavioral health organization may subject coverage of a telemedicine or store and forward technology behavioral health service under subsection (1) of this section to all terms and conditions of the behavioral health organization in which the covered person is enrolled, including, but not limited to, utilization review, prior authorization, deductible, copayment, or coinsurance requirements that are applicable to coverage of a comparable behavioral health care service provided in person.

(7) This section does not require a behavioral health organization to reimburse:

(a) An originating site for professional fees;

(b) A provider for a behavioral health service that is not a covered benefit under the behavioral health organization; or

(c) An originating site or provider when the site or provider is not a contracted provider with the behavioral health organization.

(8) For purposes of this section:

(a) "Distant site" means the site at which a physician or other licensed provider, delivering a professional service, is physically located at the time the service is provided through telemedicine;

(b) "Hospital" means a facility licensed under chapter 70.41, 71.12, or 72.23 RCW;

(c) "Originating site" means the physical location of a patient receiving behavioral health services through telemedicine;

(d) "Provider" has the same meaning as in RCW 48.43.005;

(e) "Store and forward technology" means use of an asynchronous transmission of a covered person's medical or behavioral health information from an originating site to the provider at a distant site which results in medical or behavioral health diagnosis and management of the covered person, and does not include the use of audio-only telephone, facsimile, or email; and

(f) "Telemedicine" means the delivery of health care or behavioral health services through the use of interactive audio and video technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment. For purposes of this section only, "telemedicine" does not include the use of audio-only telephone, facsimile, or email.

(9) The authority must adopt rules as necessary to implement the provisions of this section."

SECOND SUBSTITUTE HOUSE BILL NO. 1540, having received the necessary constitutional majority, was declared passed.

HOUSE BILL NO. 1728, by Representatives Sawyer, Smith, Caldier, Jinkins, Fey, Kloba, Ortiz-Self, Stanford and Frame

Protecting minors from sexual exploitation.

The bill was read the second time.

Representative Shea moved the adoption of amendment (148).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature must continue to act to aid law enforcement in their efforts to prevent the unthinkable acts of sexual abuse of children and the horrendous social and emotional trauma experienced by victims of child pornography by expanding the tools available for law enforcement. The legislature finds that the expansion of the internet and computer-related technologies have led to a dramatic increase in the production and availability of child pornography by simplifying how it can be created, distributed, and collected. Between 2005 and 2009, the national center for missing and exploited children's child victim identification program has seen a four hundred thirty-two percent increase in child pornography films and files submitted for identification of the children depicted. The United States department of justice estimates that pornographers have recorded the abuse of more than one million children in the United States alone. Furthermore, there is a direct correlation between individuals who possess, download, and trade graphic images of child pornography and those who molest children. A well-known study conducted by crimes against children research center for the national center for missing and exploited children concluded that an estimated forty percent of those who possess child pornography have also

directly victimized a child and fifteen percent have attempted to entice a child over the internet.

Victims of child pornography often experience severe and lasting harm from the permanent memorialization of the crimes committed against them. Child victims endure depression, withdrawal, anger, and other psychological disorders. Each and every time such an image is viewed, traded, printed, or downloaded, the child in that image is victimized again.

Investigators and prosecutors report serious challenges with combating child pornography because offenders can act anonymously on the internet. Investigators track the trading of child pornography by using internet protocol addresses, which are unique identifiers that each computer is assigned when it accesses the internet. Under federal law, if an internet service provider is presented with a subpoena and an internet protocol address by law enforcement, the provider must turn over the names and addresses of account holders matched to it. Access to such information allows investigators to efficiently evaluate investigative leads and determine whether to request a warrant for a specific internet user. The legislature finds that in investigations of child exploitation, the use of a special inquiry judge is the appropriate process for obtaining subpoenas for the production of records from electronic communications providers under a less than probable cause standard while maintaining judicial oversight.

NEW SECTION. Sec. 2. (1) In a criminal investigation of an offense involving the sexual exploitation of children under chapter 9.68A RCW, the prosecuting attorney shall use the special inquiry judge process established under chapter 10.27 RCW when the prosecuting attorney determines it is necessary to the investigation to subpoena a provider of electronic communication services or remote computing services to obtain records relevant to the investigation, including, but not limited to, records or information that provide the following subscriber or customer information: (a) Name and address; (b) local and long distance telephone connection records, or records of session times and durations; (c) length of service and types of service utilized; (e) telephone or instrument number or other subscriber number or identity, including any temporarily

assigned network address; and (f) means and source of payment for such service, including any credit card or bank account number.

(2) A provider who receives a subpoena for records as provided under subsection (1) of this section may not disclose the existence of the subpoena to the subscribers or customers whose records or information are requested or released under the subpoena.

(3) For the purposes of this section:

(a) "Electronic communication service" means any service that provides to users the ability to send or receive wire or electronic communications.

(b) "Provider" means a provider of electronic communication services or remote computing services.

(c) "Remote computing service" means the provision to the public of computer storage or processing services by means of an electronic communications system.

Sec. 3. RCW 10.27.170 and 1971 ex.s. c 67 s 17 are each amended to read as follows:

(1) When any public attorney, corporation counsel or city attorney has reason to suspect crime or corruption, within the jurisdiction of such attorney, and there is reason to believe that there are persons who may be able to give material testimony or provide material evidence concerning such suspected crime or corruption, such attorney may petition the judge designated as a special inquiry judge pursuant to RCW 10.27.050 for an order directed to such persons commanding them to appear at a designated time and place in said county and to then and there answer such questions concerning the suspected crime or corruption as the special inquiry judge may approve, or provide evidence as directed by the special inquiry judge.

(2) Upon petition of a prosecuting attorney for the establishment of a special inquiry judge proceeding in an investigation of sexual exploitation of children under section 2 of this act, the court shall establish the special inquiry judge proceeding, if appropriate, as soon as practicable but no later than seventy-two hours after the filing of the petition.

NEW SECTION. Sec. 4. Section 2 of this act constitutes a new chapter in Title 10 RCW.

"NEW SECTION. Sec. 4. A new section is added to chapter 28B.102 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the career and technical education conditional scholarship program is established. The purpose of the program is to provide scholarships for persons who are seeking to obtain the necessary certifications and endorsements to teach career and technical education courses.

(2) The program shall be administered by the student achievement council. In administering the program, the council shall:

(a) Adopt necessary rules and develop guidelines to administer the program;

(b) Collect and manage repayments from participants who do not meet their service obligations; and

(c) Accept grants and donations from public and private sources for the program.

(3) (a) The career and technical education conditional scholarship program is limited to persons accepted and enrolled in professional educator

standards board-approved teacher preparation programs who are seeking to obtain the necessary certifications and endorsements to teach career and technical education courses, and who are making satisfactory progress toward the completion of the teacher preparation program.

(b) Persons receiving a scholarship through the program may receive no more than the annual amount of the scholarship, not to exceed eight thousand dollars, for the cost of tuition, fees, and educational expenses, including books, supplies, and transportation to the teacher preparation program in which the recipient is enrolled. The council may adjust the annual award by the average rate of resident undergraduate tuition and fee increases at the state universities as defined in RCW 28B.10.016.

(4) The Washington professional educator standards board shall select individuals to receive the conditional scholarships established in this section.

(5) In accordance with the requirements of this section and RCW 28B.102.080, the state shall forgive one year of loan obligations for every two years a recipient teaches in a public school. The amount of forgiven obligations under this section must be increased by the student achievement council to a maximum of one year of loan obligations for each year a recipient teaches in a public school if the recipient:

(a) Teaches at a school that has enrollment of sixty percent or more students eligible for free or reduced-price meals in the prior school year, or that is using provision two of the national school lunch act or the community eligibility provision under section 104(a) of the federal healthy, hunger-free kids act of 2010 to provide universal meals and that has a claiming percentage for free or reduced-price meals of sixty percent or more; and

(b) Holds a valid career and technical education teaching certificate for the content area in which he or she is assigned.

(6) Recipients who fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area must repay the remaining loan principal with interest.

Recipients who fail to fulfill the required teaching obligation must repay the remaining loan principal with interest and any other applicable fees. The student achievement council shall adopt rules to define the terms for repayment, including applicable interest rates, fees, and deferments.

(7) The student achievement council may deposit all appropriations, collections, and any other funds received for the program in this section in the future teachers conditional scholarship account authorized in RCW 28B.102.080.

Sec. 5. RCW 28B.102.080 and 2011 1st sp.s. c 11 s 182 are each amended to read as follows:

(1) The future teachers conditional scholarship account is created in the custody of the state treasurer. An appropriation is not required for expenditures of funds from the account. The account is not subject to allotment procedures under chapter 43.88 RCW except for moneys used for program administration.

(2) The office shall deposit in the account all moneys received for the future teachers conditional scholarship and loan repayment program and for conditional loan programs under this chapter and chapter 28A.660 RCW. The account shall be self-sustaining and consist of funds appropriated by the legislature for the future teachers conditional scholarship and loan repayment program, private contributions to the program, receipts from participant repayments from the future teachers conditional scholarship and loan repayment program, and conditional loan programs established under this chapter and chapter 28A.660 RCW. Beginning July 1, 2004, the office shall also deposit into the account:

(a) All funds from the institution of higher education loan account that are traceable to any conditional scholarship program for teachers or prospective teachers established by the legislature before June 10, 2004; and
(b) all amounts repaid by individuals under any such program.

(3) Expenditures from the account may be used solely for conditional loans and loan repayments to participants in the future teachers conditional scholarship and loan repayment program established by this chapter, conditional scholarships for

participants in programs established in this chapter and chapter 28A.660 RCW, and costs associated with program administration by the office.

(4) Disbursements from the account may be made only on the authorization of the office.

((5) During the 2009-2011 fiscal biennium, the legislature may transfer from the future teachers conditional scholarship account to the state general fund such amounts as reflect the excess fund balance of the account.))"

"**Sec. 4.** RCW 28A.150.410 and 2010 c 236 s 10 are each amended to read as follows:

(1) The legislature shall establish for each school year in the appropriations act a statewide salary allocation schedule, for allocation purposes only, to be used to distribute funds for basic education certificated instructional staff salaries under RCW 28A.150.260. For the purposes of this section, the staff allocations for classroom teachers, teacher librarians, guidance counselors, and student health services staff under RCW 28A.150.260 are considered allocations for certificated instructional staff.

(2) Salary allocations for state-funded basic education certificated instructional staff shall be calculated by the superintendent of public instruction by determining the district's average salary for certificated instructional staff, using the statewide salary allocation schedule and related documents, conditions, and limitations established by the omnibus appropriations act.

(3) Beginning January 1, 1992, no more than ninety college quarter-hour credits received by any employee after the baccalaureate degree may be used to determine compensation allocations under the state salary allocation schedule and LEAP documents referenced in the omnibus appropriations act, or any replacement schedules and documents, unless:

(a) The employee has a master's degree; or

(b) The credits were used in generating state salary allocations before January 1, 1992.

(4) Beginning in the 2007-08 school year, the calculation of years of service for occupational therapists, physical therapists, speech-language pathologists, audiologists, nurses, social workers, counselors, and psychologists regulated under Title 18 RCW may include experience in schools and other nonschool positions as occupational therapists, physical therapists, speech-language pathologists, audiologists, nurses, social workers, counselors, or psychologists. The calculation shall be that one year of service in a nonschool position counts as one year of service for purposes of this chapter, up to a limit of two years of nonschool service. Nonschool years of service included in calculations under this subsection shall not be applied to service credit totals for purposes of any retirement benefit under chapter 41.32, 41.35, or 41.40 RCW, or any other state retirement system benefits.

(5) Beginning in the 2017-18 school year, the calculation of years of service for classroom teachers must include years of industry experience in any state. The calculation must be that one year of industry experience, up to a maximum of ten years, counts as one year of service for purposes of this chapter. Industry years of experience included in calculations under this subsection may not be applied to service credit totals for purposes of any retirement benefit under chapter 41.32, 41.35, or 41.40 RCW, or any other state retirement system benefits. This subsection (5) applies only to a teacher who holds a valid career and technical education teaching certificate for the content area in which he or she is assigned."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 90.56.210 and 2015 c 274 s 5 are each amended to read as follows:

(1) Each onshore and offshore facility shall have a contingency plan for the containment and cleanup of oil spills from the facility into the waters of the state and for the protection of fisheries and wildlife, shellfish beds, natural resources, and public and private property from such spills. The department shall by rule adopt and periodically revise standards for the preparation of contingency plans. The department shall require contingency plans, at a minimum, to meet the following standards:

(a) Include full details of the method of response to spills of various sizes from any facility which is covered by the plan;

(b) Be designed to be capable in terms of personnel, materials, and equipment, of promptly and properly, to the maximum extent practicable, as defined by the department removing oil and minimizing any damage to the environment resulting from a worst case spill;

(c) Provide a clear, precise, and detailed description of how the plan relates to and is integrated into relevant contingency plans which have been prepared by cooperatives, ports, regional entities, the state, and the federal government;

(d) Provide procedures for early detection of oil spills and timely notification of such spills to appropriate federal, state, and local authorities under applicable state and federal law;

(e) State the number, training preparedness, and fitness of all dedicated, prepositioned personnel assigned to direct and implement the plan;

(f) Incorporate periodic training and drill programs to evaluate whether personnel and equipment provided under

the plan are in a state of operational readiness at all times;

(g) Describe important features of the surrounding environment, including fish and wildlife habitat, shellfish beds, environmentally and archaeologically sensitive areas, and public facilities. The departments of ecology, fish and wildlife, and natural resources, and the department of archaeology and historic preservation, upon request, shall provide information that they have available to assist in preparing this description. The description of archaeologically sensitive areas shall not be required to be included in a contingency plan until it is reviewed and updated pursuant to subsection (9) of this section;

(h) State the means of protecting and mitigating effects on the environment, including fish, shellfish, marine mammals, and other wildlife, and ensure that implementation of the plan does not pose unacceptable risks to the public or the environment;

(i) Provide arrangements for the prepositioning of oil spill containment and cleanup equipment and trained personnel at strategic locations from which they can be deployed to the spill site to promptly and properly remove the spilled oil;

(j) Provide arrangements for enlisting the use of qualified and trained cleanup personnel to implement the plan;

(k) Provide for disposal of recovered spilled oil in accordance with local, state, and federal laws;

(l) Until a spill prevention plan has been submitted pursuant to RCW 90.56.200, state the measures that have been taken to reduce the likelihood that a spill will occur, including but not limited to, design and operation of a facility, training of personnel, number of personnel, and backup systems designed to prevent a spill;

(m) State the amount and type of equipment available to respond to a spill, where the equipment is located, and the extent to which other contingency plans rely on the same equipment; and

(n) If the department has adopted rules permitting the use of dispersants, the circumstances, if any, and the manner for the application of the dispersants in conformance with the department's rules.

(2) (a) The following shall submit contingency plans to the department within six months after the department adopts rules establishing standards for contingency plans under subsection (1) of this section:

(i) Onshore facilities capable of storing one million gallons or more of oil; and

(ii) Offshore facilities.

(b) Contingency plans for all other onshore and offshore facilities shall be submitted to the department within eighteen months after the department has adopted rules under subsection (1) of this section. The department may adopt a schedule for submission of plans within the eighteen-month period.

(3) (a) The department by rule shall determine the contingency plan requirements for railroads transporting oil in bulk.

(b) Rules adopted under this subsection may not require the following to be included as components of the contingency plans of class III railroads transporting oil in bulk that is not crude oil in an amount greater than twenty-four tank car loads per year:

(i) Contracted access to oil spill response equipment; or

(ii) The completion of more than a total of one drill of any type every three years to test the contingency plans.

(c) For class III railroads transporting oil in bulk that is not crude oil in an amount less than twenty-four tank car loads per year, rules adopted under this subsection may only require railroads to submit a basic contingency plan to the department. A basic contingency plan filed under this subsection (3) (c) must be limited to requiring the class III railroads to:

(i) Keep documentation of the basic contingency plan on file with the department at the plan holder's principal place of business and at dispatcher field offices of the railroad;

(ii) Identify and include contact information for the chain of command and other personnel, including employees or spill response contractors, who will be involved in the railroad's response in the event of a spill;

(iii) Include information related to the accident and pollution insurance carried by the railroad;

(iv) Develop a field document for use by personnel involved in oil handling operations that includes time-critical information regarding procedures to be used in the initial response to a spill or a threatened spill; and

(v) Annually review the plan for accuracy.

(d) Federal oil spill response plans created pursuant to 33 U.S.C. Sec. 1321 may be submitted in lieu of contingency plans (~~until state rules are adopted~~) by a class III railroad transporting oil in bulk that is not crude oil.

(e) For the purposes of this section, "class III railroad" has the same meaning as defined by the United States surface transportation board as of the effective date of this section.

(4) (a) The owner or operator of a facility shall submit the contingency plan for the facility.

(b) A person who has contracted with a facility to provide containment and cleanup services and who meets the standards established pursuant to RCW 90.56.240, may submit the plan for any facility for which the person is contractually obligated to provide services. Subject to conditions imposed by the department, the person may submit a single plan for more than one facility.

(5) A contingency plan prepared for an agency of the federal government or another state that satisfies the requirements of this section and rules adopted by the department may be accepted by the department as a contingency plan under this section. The department shall ensure that to the greatest extent possible, requirements for contingency plans under this section are consistent with the requirements for contingency plans under federal law.

(6) In reviewing the contingency plans required by this section, the department shall consider at least the following factors:

(a) The adequacy of containment and cleanup equipment, personnel, communications equipment, notification procedures and call down lists, response time, and logistical arrangements for coordination and implementation of response efforts to

remove oil spills promptly and properly and to protect the environment;

(b) The nature and amount of vessel traffic within the area covered by the plan;

(c) The volume and type of oil being transported within the area covered by the plan;

(d) The existence of navigational hazards within the area covered by the plan;

(e) The history and circumstances surrounding prior spills of oil within the area covered by the plan;

(f) The sensitivity of fisheries, shellfish beds, and wildlife and other natural resources within the area covered by the plan;

(g) Relevant information on previous spills contained in on-scene coordinator reports prepared by the department; and

(h) The extent to which reasonable, cost-effective measures to prevent a likelihood that a spill will occur have been incorporated into the plan.

(7) The department shall approve a contingency plan only if it determines that the plan meets the requirements of this section and that, if implemented, the plan is capable, in terms of personnel, materials, and equipment, of removing oil promptly and properly and minimizing any damage to the environment.

(8) The approval of the contingency plan shall be valid for five years. Upon approval of a contingency plan, the department shall provide to the person submitting the plan a statement indicating that the plan has been approved, the facilities or vessels covered by the plan, and other information the department determines should be included.

(9) An owner or operator of a facility shall notify the department in writing immediately of any significant change of which it is aware affecting its contingency plan, including changes in any factor set forth in this section or in rules adopted by the department. The department may require the owner or operator to update a contingency plan as a result of these changes.

(10) The department by rule shall require contingency plans to be reviewed, updated, if necessary, and resubmitted to the department at least once every five years.

(11) Approval of a contingency plan by the department does not

constitute an express assurance regarding the adequacy of the plan nor constitute a defense to liability imposed under this chapter or other state law."

"NEW SECTION. **Sec. 3.** (1) The joint legislative audit and review committee shall conduct a cost-effectiveness review, in consultation with the health care authority, of the standards for reimbursement established in section 1 of this act. The review must evaluate the amount paid on behalf of eligible clients under chapter 74.09 RCW by the health care authority to fire departments for health care services that did not require an ambulance transport and the amount that would have been paid had the services been provided in a different care setting.

(2) The cost-effectiveness review must consider the savings realized by medical assistance programs under chapter 74.09 RCW as a result of fire departments providing health care services and make any recommendations for improving the cost-effectiveness of the standards for reimbursement and reducing the potential for excessive billing or billing for unnecessary services. If the review finds that the standards of reimbursement have not resulted in savings to the state's medical assistance programs, the joint legislative audit and review committee shall recommend the repeal of section 1 of this act.

(3) The joint legislative audit and review committee shall submit the cost-effectiveness review, including its findings and recommendations, to the
