CAUTION: External email.

I am a retired 90 year old educator and am tired of asking legislators about my Cola which was taken from me years ago. If you do not understand the issue and why I should have my funds returned I am saddened for you as a person.

Prices go up, assisted living costs more, prescriptions go up and up, and my cola has not been returned. Do not know what else to say. You are the decision maker, please make a positive one for me and my fellow retired educators with TRS1 and no Cola.

Thanks, I hope,
Philip J Reiter, PhD

Shalom, Jo and Phil
