Subject: TRS Plan 1 COLA

CAUTION:External email.

My name is Catherine Stordeur and I am a TRS 3 retiree. Although TRS 1 doesn't impact me personally, the lack of COLAs for our former educators actually offends my sense of "fair play". Our TRS 1 retirees are the teachers who educated and mentored us. Our state is successful because of their efforts and they deserve better than to slip into poverty because of the lack of a guaranteed COLA.

Please do the right thing by our aging educators by recommending a guaranteed COLA for Plan 1.
