#### MESSAGE FROM THE SENATE

Monday, April 14, 2025

Mme. Speaker:

The Senate has passed HOUSE BILL NO. 1046, with the following amendment(s): 1046 AMS LAW S2395.1

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 4.24 RCW to read as follows:

The definitions in this section apply throughout section 2 of this act unless the context clearly requires otherwise.

(1) "Domestic animal" means a dog, cat, or other animal that is domesticated and may be kept as a household pet. The term does not include livestock or other farm animals.

(2) "Motor vehicle" has the same meaning as provided in RCW 46.04.320.

(3) "Vulnerable person" means a person under the age of 18 years or a person whose ability to perform the normal activities of daily living or to provide for their own care or protection is impaired due to a mental, emotional, sensory, long-term physical, or developmental disability or dysfunction, or brain damage, or the infirmities of aging.

**NEW SECTION. Sec. 2.** A new section is added to chapter 4.24 RCW to read as follows:

A person who enters a motor vehicle, by force or otherwise, for the purpose of removing a vulnerable person or domestic animal is immune from civil liability for damage to the motor vehicle if the person:

(1) Determines the motor vehicle is locked or there is otherwise no reasonable method for the vulnerable person or domestic animal to exit the motor vehicle without assistance;

(2) Has a good faith and reasonable belief, based upon the known circumstances, that entry into the motor vehicle is necessary because the vulnerable person or domestic animal is in imminent danger of suffering harm;

(3) Ensures that law enforcement is notified or 911 called before entering the motor vehicle;

(4) Uses no more force to enter the motor vehicle and remove the vulnerable

person or domestic animal than is necessary; and

(5) Remains with the vulnerable person or domestic animal in a safe location, in reasonable proximity to the motor vehicle, until law enforcement, animal control, or other first responders arrive."

On page 1, line 3 of the title, after "animals;" strike the remainder of the title and insert "and adding new sections to chapter 4.24 RCW."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1149, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

Monday, April 14, 2025

Mme. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1171, with the following amendment(s): 1171-S AMS HS S2582.1

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that reporting of abuse and neglect of children by employees, including student employees, of academic, administrative, and athletic departments of public and private

institutions of higher education is vitally important to prevent such abuse and neglect, and that such employees in higher education may be in positions to observe and report abuse that may not be readily observed by others.

The legislature also finds that the values underlying the duty of lawyers to preserve the confidentiality of client information may be inadvertently undermined and violated if attorney employees who supervise law students in clinical practices where such students are inadvertently required to disclose information related to the representation of a client. If such information is not clearly exempted from mandated reporting, clients will be denied adequate representation by students and the attorney faculty or academic employees supervising them in clinical programs.

Therefore, the legislature finds it is necessary to clarify that the mandated reporting requirement for child abuse and neglect should not override the obligation of attorneys to maintain confidentiality of information relating to the representation of a client.

**Sec. 2.** RCW 26.44.030 and 2024 c 298 s 6 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of children, youth, and families, licensed or certified child care providers or their employees, employee of the department of social and health services, juvenile probation officer, diversion unit staff, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds or any volunteer in the ombuds' office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11 and 13 RCW and this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to

administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education. Under this subsection, the reporting requirement applies to:

(i) An attorney who is employed by an institution of higher education, as defined in RCW 28B.10.016, or private institution of higher education, unless it relates to information related to the representation of a client; and

(ii) An employee working under the supervision or direction of an attorney described in (f)(i) of this subsection, unless it relates to information related to the representation of a client.

(g) Nothing in this subsection shall be interpreted to suspend or supersede otherwise applicable disclosure standards as provided for in the Washington rules of professional conduct regarding confidentiality of information including but not limited to disclosure to prevent reasonably certain death or substantial bodily harm.

(h) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has

been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report that a child is a candidate for foster care as defined in RCW 26.44.020, the department may provide prevention and family services and programs to the child's parents, guardian, or

caregiver. The department may not be held civilly liable for the decision regarding whether to provide prevention and family services and programs, or for the provision of those services and programs, for a child determined to be a candidate for foster care.

(11) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(12)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Indicates a child's health, safety, and welfare will be seriously endangered if not taken into custody for reasons including, but not limited to, sexual abuse and sexual exploitation of the child as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW.

(c) In addition, the department may use a family assessment response to assess for and provide prevention and family services and programs, as defined in RCW 26.44.020, for the following children and their families, consistent with requirements under the federal family first prevention services act and this section:

(i) A child who is a candidate for foster care, as defined in RCW 26.44.020; and

(ii) A child who is in foster care and who is pregnant, parenting, or both.

(d) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(13)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(14) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan

with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report except as follows:

(i) Upon parental agreement, the family assessment response period may be extended up to one hundred twenty days. The department's extension of the family assessment response period must be operated within the department's appropriations;

(ii) For cases in which the department elects to use a family assessment response as authorized under subsection (12)(c) of this section, and upon agreement of the child's parent, legal guardian, legal custodian, or relative placement, the family assessment response period may be extended up to one year. The department's extension of the family assessment response must be operated within the department's appropriations.

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian agree to participate in services before services are initiated. The department shall inform the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not agree to participate in services.

(15)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(16) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(17) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(18)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(19) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(20) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(21) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(22) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

(23) The department shall make available on its public website a downloadable and printable poster that includes the reporting requirements included in this section. The poster must be no smaller than eight and one-half by eleven inches with all

information on one side. The poster must be made available in both the English and Spanish languages. Organizations that include employees or volunteers subject to the reporting requirements of this section must clearly display this poster in a common area. At a minimum, this poster must include the following:

(a) Who is required to report child abuse and neglect;

(b) The standard of knowledge to justify a report;

(c) The definition of reportable crimes;

(d) Where to report suspected child abuse and neglect; and

(e) What should be included in a report and the appropriate timing."

On page 1, line 4 of the title, after "client;" strike the remainder of the title and insert "amending RCW 26.44.030; and creating a new section."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1171, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

Thursday, April 10, 2025

Mme. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1173, with the following amendment(s): 1173.E AMS LC S2577.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 49.80.010 and 2019 c 306 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Applicable occupation" means the specific trade or occupation for the work performed under this chapter as defined by the scope of work description under chapter 39.12 RCW and associated rules, or defined by the standard occupational classification description.

(2) "Apprenticeable occupation" means an occupation for which an apprenticeship program has been approved by the Washington state apprenticeship and training council pursuant to chapter 49.04 RCW.

~~((2))~~ (3) "Department" means the department of labor and industries.

~~((3))~~ (4) "On-site work" does not include ship and rail car support activities; environmental inspection and testing; security guard services; work which is performed by an original equipment manufacturer for warranty, repair, or maintenance on the vendor's equipment if required by the original equipment manufacturer's warranty agreement between the original equipment manufacturer and the owner; industrial cleaning not related to construction; safety services requiring professional safety certification; nonconstruction catalyst loading, regeneration, and removal; chemical purging and cleaning; refinery by-product separation and recovery; inspection services not related to construction; and work performed that is not in an apprenticeable occupation.

~~((4))~~ (5) "Prevailing (hourly wage) rate of wage" has the same meaning as provided ((for "prevailing rate of wage")) in RCW 39.12.010.

~~((5))~~ (6) "Registered apprentice" means an apprentice who meets all the following criteria:

(a) Is registered in an apprenticeship program approved by the Washington state apprenticeship and training council according to chapter 49.04 RCW;

(b) Has received written notification from the employer identifying his or her applicable occupation and wage rates prior to performing work, a copy of which must be maintained in the employee's personnel file by the employer; and

(c) Is only performing work within the applicable occupation of the apprenticeship program in which he or she is registered.

~~((6))~~ (7) "Skilled and trained workforce" means a workforce that meets both of the following criteria:

(a) All the workers are either registered apprentices or skilled journeypersons; and

(b) The workforce meets the apprenticeship graduation and approved advanced safety training requirements established in RCW 49.80.030.

~~((7))~~ (8) "Skilled journeyperson" means a worker who meets all of the following criteria:

(a) The worker either graduated from an apprenticeship program for the applicable occupation that was approved by the Washington state apprenticeship and training council according to chapter 49.04 RCW, or has at least as many hours of on-the-job experience in the applicable occupation that would be required to graduate from an apprenticeship program approved by the Washington state apprenticeship and training council according to chapter 49.04 RCW; and

(b) The ~~((worker is being paid))~~ worker's wage payment requirement is at least a rate commensurate with the wages typically paid for the occupation in the applicable geographic area, subject to the following provisions:

(i) The prevailing wage rate paid for a worker in the applicable occupation and geographic area on public works projects may be used to determine the appropriate rate of pay, however, this subsection ~~((7)(b))~~ (8) (b) does not require a contractor to pay prevailing wage rates; and

(ii) In no case may the worker be paid at a rate less than an hourly rate consistent with the seventy-fifth percentile in the applicable occupation and geographic area in the most recent occupational employment statistics published by the employment security department.

Sec. 2. RCW 49.80.040 and 2019 c 306 s 4 are each amended to read as follows:

(1) Failure to comply with the skilled and trained workforce requirements of this chapter, except the requirement that a worker be paid at a rate commensurate with wages typically paid for the occupation, constitutes a violation of chapter 49.17 RCW.

(2) The wage rate requirement of RCW 49.80.010 ~~((7)(b))~~ (8) (b) constitutes a wage payment requirement as defined in RCW 49.48.082.

(3) A worker in an apprenticeable occupation performing work under this chapter who does not meet the definition of a registered apprentice in RCW 49.80.010(6) or the definition of a skilled journeyperson in RCW 49.80.010(8) constitutes a skilled journeyperson solely for the purposes of the wage requirement owed to the worker.

NEW SECTION. Sec. 3. This act takes effect January 1, 2026."

On page 1, line 2 of the title, after "facilities;" strike the remainder of the title and insert "amending RCW 49.80.010 and 49.80.040; and providing an effective date."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

Monday, April 14, 2025

Mme. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1332, with the following amendment(s): 1332-S.E AMS SALD S3124.2

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.72B.020 and 2022 c 281 s 15 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of licensing.

(2) "Digital network" means any online-enabled application, website, or system offered or used by a transportation network company that enables the prearrangement of rides between drivers and passengers.

(3) "Director" means the director of the department of licensing.

(4) "Driver" has the meaning provided in RCW 49.46.300.

(5) "Network services" has the meaning provided in RCW 49.46.300.

(6) "Passenger" means an individual who uses a digital network to connect with a driver in order to obtain a prearranged ride in the driver's transportation network company vehicle. A person may use a digital network to request a prearranged ride on behalf of a passenger.

(7) "Prearranged ride" has the same meaning provided in RCW 48.177.005.

(8) "Product class" means special ride options, offered to passengers for additional fees, that are based on the type of vehicle, such as make and model, or based on the type of vehicle combined with specified features or ride preferences.

(9) "Transportation network company" has the meaning provided in RCW 49.46.300.

((+9-)) (10) "Transportation network company vehicle" has the same meaning as "personal vehicle" in RCW 48.177.005.

**NEW SECTION. Sec. 2.** A new section is added to chapter 46.72B RCW to read as follows:

(1) A transportation network company must make information available to transportation network company drivers on which vehicles, described by make, model, and year, are eligible for each product class offered on the transportation network company platform.

(2) For any vehicle that lost eligibility on the basis of vehicle year or model type for a particular product class in the 12 months prior to the effective date of this section, the transportation network company must reinstate the vehicle to that product class for at least 12 months following the effective date of this section. The requirements in subsection (2) of this section do not apply to vehicles that lost eligibility for a reason other than vehicle year or model type, including but not limited to the driver's loss of access to the transportation network company's platform, vehicle safety-related or vehicle condition issues, or the driver's or vehicle's noncompliance with law or regulatory standards.

(3) If a transportation network company plans to modify vehicle age or model type requirements for an existing product class, the transportation network company must provide all current drivers with written notice at least 120 calendar days before the change is implemented.

**Sec. 3.** RCW 49.46.300 and 2022 c 281 s 1 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section and RCW 49.46.310 through 49.46.350 unless the context clearly requires otherwise.

(a) "Account deactivation" means one or more of the following actions with respect to an individual driver or group of drivers that is implemented by a transportation network company and lasts for more than three consecutive days:

(i) Blocking access to the transportation network company driver platform;

(ii) Changing a driver's status from eligible to provide transportation network company services to ineligible; or

(iii) Any other material restriction in access to the transportation network company's driver platform.

(b) "Compensation" means payment owed to a driver by reason of providing network services including, but not limited to, the minimum payment for passenger platform time and mileage, incentives, and tips.

(c) "Department" means the department of labor and industries.

(d) "Digital network" means any online-enabled application, website, or system offered or used by a transportation network company that enables the prearrangement of rides between drivers and passengers.

(e) "Director" means the director of the department of labor and industries.

(f) "Dispatch location" means the location of the driver at the time the

driver accepts a trip request through the driver platform.

(g) "Dispatch platform time" means the time a driver spends traveling from a dispatch location to a passenger pick-up location. Dispatch platform time ends when a passenger cancels a trip or the driver begins the trip through the driver platform. A driver cannot simultaneously be engaged in dispatch platform time and passenger platform time for the same transportation network company. For shared rides, dispatch platform time means the time a driver spends traveling from the first dispatch location to the first passenger pick-up location.

(h) "Dispatched trip" means the provision of transportation by a driver for a passenger through the use of a transportation network company's application dispatch system.

(i) "Driver" has the same meaning as "commercial transportation services provider driver" in RCW 48.177.005. Except as otherwise specified in chapter 281, Laws of 2022, for purposes of this title and Titles 48, 50A, 50B, and 51 RCW, and any orders, regulations, administrative policies, or opinions of any state or local agency, board, division, or commission, pursuant to those titles, a driver is not an employee or agent of a transportation network company if the following factors are met:

(i) The transportation network company does not unilaterally prescribe specific dates, times of day, or a minimum number of hours during which the driver must be logged into the transportation network company's online-enabled application or platform;

(ii) The transportation network company may not terminate the contract of the driver for not accepting a specific transportation service request;

(iii) The transportation network company does not contractually prohibit the driver from performing services through other transportation network companies except while performing services through the transportation network company's online-enabled application or platform during dispatch platform time and passenger platform time; and

(iv) The transportation network company does not contractually prohibit the driver from working in any other lawful occupation or business.

Notwithstanding any state or local law to the contrary, any party seeking to establish that the factors in this subsection (1)(i) are not met bears the burden of proof. A driver for purposes of this section shall not include any person ultimately and finally determined to be an "employee" within the meaning of section 2(3) of the national labor relations act, 29 U.S.C. Sec. 152(3).

(j) "Driver platform" means the driver-facing application dispatch system software or any online-enabled application service, website, or system, used by a driver, or which enables services to be delivered to a driver that enables the prearrangement of passenger trips for compensation.

(k) "Driver resource center" or "center" means a nonprofit organization that provides services to drivers. The nonprofit organization must be registered with the

Washington secretary of state, have organizational bylaws giving drivers right to membership in the organization, and have demonstrated experience: (i) Providing services to gig economy drivers in Washington state, including representing drivers in deactivation appeals proceedings; and (ii) providing culturally competent driver representation services, outreach, and education. The administration and formation of the driver resource center may not be funded, excessively influenced, or controlled by a transportation network company.

(l) "Driver resource center fund" or "fund" means the dedicated fund created in RCW 49.46.310, the sole purpose of which is to administer funds collected from transportation network companies to provide services, support, and benefits to drivers.

(m) "Network services" means services related to the transportation of passengers through the driver platform that are provided by a driver while logged in to the driver platform, including services provided during available platform time, dispatch platform time, and passenger platform time.

(n) "Passenger" has the same meaning as "commercial transportation services provider passenger" in RCW 48.177.005.

(o) "Passenger drop-off location" means the location of a driver's vehicle when the passenger leaves the vehicle.

(p) "Passenger pick-up location" means the location of the driver's vehicle at the time the driver starts the trip in the driver platform.

(q) "Passenger platform miles" means all miles driven during passenger platform time as recorded in a transportation network company's driver platform.

(r) "Passenger platform time" means the period of time when the driver is transporting one or more passengers on a trip. For shared rides, passenger platform time means the period of time commencing when the first passenger enters the driver's vehicle until the time when the last passenger exits the driver's vehicle.

(s) "Personal vehicle" has the same meaning as "personal vehicle" in RCW 48.177.005.

(t) "Shared ride" means a dispatched trip which, prior to its commencement, a passenger requests through the transportation network company's digital network to share the dispatched trip with one or more passengers and each passenger is charged a fare that is calculated, in whole or in part, based on the passenger's request to share all or a part of the dispatched trip with one or more passengers, regardless of whether the passenger actually shares all or a part of the dispatched trip.

(u) "Tips" means a verifiable sum to be presented by a passenger as a gift or gratuity in recognition of service performed for the passenger by the driver receiving the tip.

(v) "Transportation network company" has the same meaning as defined in RCW 46.04.652. A transportation network company does not provide for hire transportation service.

(2) A driver is only covered by this section to the extent that the driver

provides network services within the state of Washington.

(3)(a) A transportation network company is covered by this section if it provides a driver platform within the state of Washington.

(b) Separate entities that form an integrated enterprise are considered a single transportation network company under this section. Separate entities will be considered an integrated enterprise and a single transportation network company where a separate entity controls the operation of another entity. Factors to consider include, but are not limited to, the degree of interrelation between the operations of multiple entities; the degree to which the entities share common management; the centralized control of labor relations; the degree of common ownership or financial control over the entities; and the use of a common brand, trade, business, or operating name.

(4)(a) Beginning December 31, 2022, a transportation network company shall ensure that a driver's total compensation is not less than the standard set forth in (a)(i), (ii), or (iii) of this subsection (4).

(i) For all dispatched trips originating in cities with a population of more than 600,000, on a per trip basis the greater of:

(A) \$0.59 per passenger platform minute for all passenger platform time for that trip, and \$1.38 per passenger platform mile for all passenger platform miles driven on that trip; or

(B) A minimum of \$5.17 per dispatched trip.

(ii) For all other dispatched trips, the greater of:

(A) \$0.34 per passenger platform minute and \$1.17 per passenger platform mile; or

(B) A minimum of \$3.00 per dispatched trip.

(iii) For all trips originating elsewhere and terminating in cities with a population of more than 600,000:

(A) For all passenger platform time spent within the city on that trip and for all passenger platform miles driven in the city on that trip the compensation standard under (a)(i) of this subsection applies.

(B) For all passenger platform time spent outside the city on that trip and for all passenger platform miles driven outside the city on that trip the compensation standard under (a)(ii) of this subsection applies.

(b) Beginning September 30, 2022, and on each following September 30th, the department shall calculate adjusted per mile and per minute amounts and per trip minimums by increasing the current year's per mile and per minute amounts and per trip minimums by the rate of increase of the state minimum wage, calculated to the nearest cent. The adjusted amount calculated under this section takes effect on the following January 1st.

(c) For shared rides, the per trip minimums in (a)(i) and (ii) of this subsection shall apply only to the entirety of the shared ride, and not on the basis of the individual passenger's trip within the shared ride.

(5)(a) For the purposes of this section, a dispatched trip includes:

(i) A dispatched trip in which the driver transports the passenger to the passenger drop-off location;

(ii) A dispatched trip canceled after two minutes by a passenger or the transportation network company unless cancellation is due to driver conduct, or no cancellation fee is charged to the passenger;

(iii) A dispatched trip that is canceled by the driver for good cause consistent with company policy; and

(iv) A dispatched trip where the passenger does not appear at the passenger pick-up location within five minutes.

(b) A transportation network company may exclude time and miles if doing so is reasonably necessary to remedy or prevent fraudulent use of the transportation network company's online-enabled application or platform.

(6)(a) A transportation network company shall remit to drivers all tips. Tips paid to a driver are in addition to, and may not count towards, the driver's minimum compensation under this section.

(b) Amounts charged to a passenger and remitted to the driver for tolls, fees, or surcharges incurred by a driver during a trip must not be included in calculating compensation for purposes of subsection (4) of this section.

(c)(i) Beginning January 1, 2023, except as required by law, a transportation network company may only deduct compensation when the driver expressly authorizes the deduction in writing and does so in advance for a lawful purpose. Any authorization by a driver must be voluntary and knowing.

(ii) Nothing in this section shall prohibit a transportation network company from deducting compensation as required by state or federal law or as directed by a court order.

(iii) Neither the transportation network company nor any person acting in the interest of the transportation network company may derive any financial profit or benefit from any of the deductions under this section. For the purposes of this section:

(A) Reasonable interest charged by the transportation network company or any person acting in the interest of a transportation network company, for a loan or credit extended to the driver, is not considered to be of financial benefit to the transportation network company or person acting in the interest of a transportation network company; and

(B) A deduction will be considered for financial profit or benefit only if it results in a gain over and above the fair market value of the goods or services for which the deduction was made.

(7)(a) Beginning January 1, 2023, a transportation network company shall provide each driver with a written notice of rights established by this section in a form and manner sufficient to inform drivers of their rights under this section. The notice of rights shall provide information on:

(i) The right to the applicable per minute rate and per mile rate or per trip rate guaranteed by this section;

(ii) The right to be protected from retaliation for exercising in good faith the rights protected by this section; and

(iii) The right to seek legal action or file a complaint with the department for violation of the requirements of this section, including a transportation network company's failure to pay the minimum per minute rate or per mile rate or per trip rate, or a transportation network company's retaliation against a driver or other person for engaging in an activity protected by this section.

(b) A transportation network company shall provide the notice of rights required by this section in an electronic format that is readily accessible to the driver. The notice of rights shall be made available to the driver via smartphone application or online web portal, in English and the five most common foreign languages spoken in this state.

(8) Beginning December 31, 2022, within 24 hours of completion of each dispatched trip, a transportation network company must transmit an electronic receipt to the driver that contains the following information for each unique trip, or portion of a unique trip, covered by this section:

(a) The total amount of passenger platform time;

(b) The total mileage driven during passenger platform time;

(c) Rate or rates of pay, including but not limited to the rate per minute, rate per mile, percentage of passenger fare, and any applicable ~~((price multiplier or variable pricing policy in effect for the trip))~~ trip-based financial incentives, promotions, or bonuses paid to the driver that resulted directly from the specific trip, rather than any aggregated trip activity;

(d) Tip compensation;

(e) Gross payment;

(f) Net payment after deductions, fees, tolls, surcharges, lease fees, or other charges; and

(g) Itemized deductions or fees, including any toll, surcharge, commission, lease fees, and other charges.

(9)(a) Beginning January 1, 2023, a transportation network company shall make driver per trip receipts available in a downloadable format, such as a comma-separated values file or PDF file, via smartphone application or online web portal for a period of two years from the date the transportation network company provided the receipt to the driver.

(b) Beginning on the effective date of this section, a transportation network company shall make available to a driver a downloadable record containing the data from the driver's per-trip receipts for all trips in the reference period contained in this section. The record required by this section must be provided in a single aggregated, searchable, downloadable format, such as a comma-separated values file or searchable PDF file. The reference period for the record required by this section must be the previous 24 months. The record required by this section must be made available for download within three business days from the date that the driver requests the record. The record required by this section must

contain a table with rows for each unique trip and columns for each itemized element contained in each trip receipt. The record required by this section may contain additional information at the discretion of the transportation network company.

(10) Beginning January 1, 2023, on a weekly basis, the transportation network company shall provide written notice to the driver that contains the following information for trips, or a portion of a trip, that is covered by this section and which occurred in the prior week:

(a) The driver's total passenger platform time;

(b) Total mileage driven by the driver during passenger platform time;

(c) The driver's total tip compensation;

(d) The driver's gross payment, itemized by: (i) Rate per minute; (ii) rate per mile; and (iii) any other method used to calculate pay including, but not limited to, base pay, percentage of passenger fare, or any applicable ~~((price multiplier or variable pricing policy in effect for the trip))~~ financial incentives, promotions, or bonuses paid to the driver related to any of the driver's activity on the platform;

(e) The driver's net payment after deductions, fees, tolls, surcharges, lease fees, or other charges; and

(f) Itemized deductions or fees, including all tolls, surcharges, commissions, lease fees, and other charges, from the driver's payment.

(11) Beginning January 1, 2023, within 24 hours of a trip's completion, a transportation network company must transmit an electronic receipt to the passenger, for on trip time, on behalf of the driver that lists:

(a) The date and time of the trip;

(b) The passenger pick-up and passenger drop-off locations for the trip. In describing the passenger pick-up location and passenger drop-off location, the transportation network company shall describe the location by indicating the specific block (e.g. "the 300 block of Pine Street") in which the passenger pick-up and passenger drop-off occurred. A transportation network company is authorized to indicate the location with greater specificity, such as with a street address or intersection, at its discretion;

(c) The total duration and distance of the trip;

(d) The driver's first name;

(e) The total fare paid, itemizing all charges and fees; and

(f) The total passenger-paid tips.

(12)(a) Beginning July 1, 2024, transportation network companies shall collect and remit a \$0.15 per trip fee to the driver resource center fund, created in RCW 49.46.310, for the driver resource center to support the driver community. The remittance under this subsection is a pass-through of passenger fares and shall not be considered a transportation network company's funding of the driver resource center. Passenger fares paid include each individual trip portion on shared trips. The remittances to the fund must be made on a quarterly basis.

(b) Beginning September 30, 2024, and on each following September 30th, the department shall calculate an adjusted per trip fee by adjusting the current amount by the rate of inflation. The adjusted amounts must be calculated to the nearest cent using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index, for the 12 months prior to each September 1st as calculated by the United States department of labor. Each adjusted amount calculated under this subsection takes effect on the following January 1st.

(13) No later than one year after June 9, 2022, transportation network companies shall provide an opportunity for drivers to make voluntary per trip earnings deduction contributions to the driver resource center, provided that 100 or more drivers working for transportation network companies covered under this section have authorized such a deduction to the driver resource center, and subject to the following:

(a) A driver must expressly authorize the deduction in writing. Written authorization must include, at a minimum, sufficient information to identify the driver and the driver's desired per trip deduction amount. These deductions may reduce the driver's per trip earnings below the minimums set forth in this section.

(b) The transportation network company may require written authorization to be submitted in electronic format from the driver resource center.

(c) The transportation network company shall make the first deductions within 30 days of receiving a written authorization of the driver, and shall remit deductions to the driver resource center each month, with remittance due not later than 28 days following the end of the month.

(d) A driver's authorization remains in effect until the driver resource center provides an express revocation to the transportation network company.

(e) A transportation network company shall rely on information provided by the driver resource center regarding the authorization and revocation of deductions.

(f) Upon request by a transportation network company, the driver resource center shall reimburse the transportation network company for the costs associated with deduction and remittance. The department shall adopt rules to calculate the reimbursable costs.

(14) Each transportation network company shall submit to the fund, with its remittance under subsection (12) of this section, a report detailing the number of trips in the previous quarter and the total amount of the surcharge charged to customers. The first payment and accounting is due on the 30th day of the quarter following the imposition of the surcharge. Failure to remit payments by the deadlines is deemed a delinquency and the transportation network company is subject to penalties and interest provided in RCW 49.46.330.

(15)(a) The state expressly intends to displace competition with regulation allowing a transportation network company, at its own volition, to enter into an

agreement with the driver resource center regarding a driver account deactivation appeals process for eligible account deactivations. It is the policy of the state to promote a fair appeals process related to eligible account deactivations that supports the rights of drivers and transportation network companies and provides fair processes related to eligible account deactivations. The state intends that any agreement under this section is immune from all federal and state antitrust laws.

(i) "Eligible account deactivation" means one or more of the following actions with respect to an individual driver that is implemented by a transportation network company:

(A) Blocking or restricting access to the transportation network company driver platform for three or more consecutive days; or

(B) Changing a driver's account status from eligible to provide transportation network company services to ineligible for three or more consecutive days.

(ii) An eligible account deactivation does not include any change in a driver's access or account status that is:

(A) Related to an allegation of discrimination, harassment, including sexual harassment or harassment due to someone's membership in a protected class, or physical or sexual assault, or willful or knowing commitment of fraud;

(B) Related to an allegation that the driver was under the influence of drugs or alcohol while a related active investigation that takes no longer than 10 business days is under way; or

(C) Any other categories the transportation network company and the driver resource center may agree to as part of the agreement under this subsection.

(iii) A transportation network company shall enter into an agreement with the driver resource center regarding the driver account deactivation appeals process for eligible account deactivations. Any agreement must be approved by the department. The department may approve an agreement only if the agreement contains the provisions in (a)(iv) of this subsection.

(iv) The agreement must provide an appeals process for drivers whose account has been subject to an eligible account deactivation. The appeals process must include the following protections:

(A) Opportunity for a driver representative to support a driver, upon the driver's request, throughout the account deactivation appeals process for eligible account deactivations;

(B) Notification, as required by (d) of this subsection, to drivers of their right to representation by the driver resource center at the time of the eligible account deactivation;

(C) Within 30 calendar days of a request, furnishing to the driver resource center an explanation and information the transportation network company may have relied upon in making the deactivation decision, excluding confidential, proprietary, or otherwise privileged communications, provided that personal identifying information and confidential

information is redacted to address reasonable privacy and confidentiality concerns;

(D) A good faith, informal resolution process that is committed to efficient resolution of conflicts regarding eligible account deactivations within 30 days of the transportation network company being notified that the driver contests the explanation offered by the company;

(E) A formal process that includes a just cause standard, with deadlines for adjudication of an appeal of an eligible account deactivation by a panel that includes a mutually agreed-upon neutral third party with experience in dispute resolution. The panel has the authority to make binding decisions within the confines of the law and make-whole monetary awards, including back pay, based on an agreed-upon formula for cases not resolved during the informal process;

(F) Agreement by the transportation network company to use the process set forth in this subsection to resolve disputes over eligible account deactivation appeals as an alternative to private arbitration with regard to such a dispute, should the driver and transportation network company so choose; and

(G) Agreement by the transportation network company that, for eligible account deactivations in which the driver or transportation network company elect private arbitration in lieu of the formal process outlined in (a)(iv)(E) of this subsection (15), the transportation network company shall offer the driver the opportunity to have the eligible deactivation adjudicated under the just cause standard outlined in (a)(iv)(E) of this subsection.

(b) A transportation network company that enters into an agreement with the driver resource center shall reach agreement through the following steps:

(i) (A) For a transportation network company operating a digital network in the state of Washington as of June 9, 2022, the driver resource center and transportation network company must make good faith efforts to reach an agreement within 120 days of an organization being selected as the driver resource center under RCW 49.46.310.

(B) For a transportation network company who begins operating a digital network in the state of Washington after an organization has been selected as the driver resource center under RCW 49.46.310, the driver resource center and transportation network company must make good faith efforts to reach an agreement within 120 days of the transportation network company beginning operation of a digital network in the state of Washington.

(ii) If the driver resource center and transportation network company cannot reach an agreement, then they are required to submit issues of dispute before a jointly agreed-upon mediator.

(iii) After mediation lasting no more than two months has been exhausted and no resolution has been reached, then the parties will proceed to binding arbitration before a panel of arbitrators consisting of one arbitrator selected by the driver resource center, one arbitrator selected by

the transportation network company, and a third arbitrator selected by the other two. If the two selected arbitrators cannot agree to the third arbitrator within 10 days, then the third arbitrator shall be determined from a list of seven arbitrators with experience in labor disputes or interest arbitration designated by the American arbitration association. A coin toss shall determine which side strikes the first name. Thereafter the other side shall strike a name. The process will continue until only one name remains, who shall be the third arbitrator. Alternatively, the driver resource center and the transportation network company may agree to a single arbitrator.

(iv) The arbitrators must submit their decision, based on majority rule, within 60 days of the panel or arbitrator being chosen.

(v) The decision of the majority of arbitrators is final and binding and will then be submitted to the director of the department for final approval.

(c) In reviewing any agreement between a transportation network company and the driver resource center, under (a) of this subsection, the department shall review the agreement to ensure that its content is consistent with this subsection and the public policy goals set forth in this subsection. The department shall consider in its review both qualitative and quantitative effects of the agreement and how the agreement comports with the state policies set forth in this section. In conducting a review, the record shall not be limited to the submissions of the parties nor to the terms of the proposed agreement and the department shall have the right to conduct public hearings and request additional information from the parties, provided that such information: (i) Is relevant for determining whether the agreement complies with this subsection; and (ii) does not contain either parties' confidential, proprietary, or privileged information, or any individual's personal identifying information from the parties. The department may approve or reject a proposed agreement, and may require the parties to submit a revised proposal on all or particular parts of the proposed agreement. If the department rejects an agreement, it shall set forth its reasoning in writing and shall suggest ways the parties may remedy the failures. Absent good cause, the department shall issue a written determination regarding its approval or rejection within 60 days of submission of the agreement.

(d)(i) For any account deactivation, the transportation network company shall provide notification to the driver, at the time of deactivation, that the driver may have the right to representation by the driver resource center to appeal the account deactivation.

(ii) A transportation network company must provide any driver whose account is subject to an account deactivation between June 9, 2022, and the effective date of the agreement the contact information of the driver resource center and notification that the driver may have the right to appeal the

account deactivation with representation by the driver resource center.

(16) The department may adopt rules to implement this section.

**NEW SECTION. Sec. 4.** Sections 1 and 2 of this act take effect September 1, 2025.

**NEW SECTION. Sec. 5.** Section 3 of this act takes effect July 1, 2026."

On page 1, line 1 of the title, after "companies;" strike the remainder of the title and insert "amending RCW 46.72B.020 and 49.46.300; adding a new section to chapter 46.72B RCW; and providing effective dates."

### MESSAGE FROM THE SENATE

Saturday, April 5, 2025

Mme. Speaker:

The Senate has passed HOUSE BILL NO. 1372, with the following amendment(s): 1372 AMS SGTE S2418.1

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 43.131.900 and 2013 c 44 s 2 are each amended to read as follows:

RCW 43.131.010 through 43.131.150 expire June 30, ~~((2025))2045~~, unless extended by law for an additional fixed period of time.

**Sec. 2.** RCW 43.131.051 and 2000 c 189 s 4 are each amended to read as follows:

The joint legislative audit and review committee shall conduct a program and fiscal review of any entity scheduled for termination under this chapter. This program and fiscal review shall be completed and a preliminary report prepared during the calendar year prior to the date established for termination. These reports shall be prepared in the manner set forth in RCW 44.28.071 and 44.28.075. The legislative auditor, as defined in RCW 44.28.005, must develop and implement criteria to ensure that the staff resources and associated costs devoted to program reviews are proportionate to the size and complexity of the program budget. Upon completion of its preliminary report, the joint legislative audit and review committee shall transmit copies of the report to the office of financial management and any affected entity. The final report shall include the response, if any, of the affected entity and the office of financial management in the same manner as set forth in RCW 44.28.088, except the affected entity and the office of financial management shall have sixty days to respond to the report. The joint legislative audit and review committee shall transmit the final report to the legislature, to the state entity affected, to the governor, and to the state library.

**Sec. 3.** RCW 76.04.516 and 2022 c 297 s 967 are each amended to read as follows:

(1) By December 1st of each even-numbered year, and in compliance with RCW 43.01.036, the department must report to the governor and legislature on the following:

(a) The type and amount of the expenditures made, by fiscal year, and for what purpose, from the wildfire response, forest restoration, and community resilience account created in RCW 76.04.511 and from expenditures made from the general fund for implementation of chapter 297, Laws of 2022;

(b) The amount of unexpended and unobligated funds in the wildfire response, forest restoration, and community resilience account and recommendations for the disbursement to local districts;

(c) Progress on implementation of the wildland fire protection 10-year strategic plan including, but not limited to, how investments are reducing human-caused wildfire starts, lowering the size and scale and geography of catastrophic wildfires, reducing the communities, landscapes, and population at risk, and creating resilient landscapes and communities;

(d) Progress on implementation of the 20-year forest health strategic plan as established through the forest health assessment and treatment framework pursuant

to RCW 76.06.200 including, but not limited to: Assessment of fire prone lands and communities that are in need of forest health treatments; forest health treatments prioritized and conducted by landowner type, geography, and risk level; estimated value of any merchantable materials from forest health treatments; and number of acres treated by treatment type, including the use of prescribed fire;

(e) Progress on developing markets for forest residuals and biomass generated from forest health treatments.

(2) The department must include recommendations on any adjustments that may be necessary or advisable to the mechanism of funding dispensation as created under chapter 298, Laws of 2021.

(3) The report required in this section should support existing department assessments pursuant to RCW 79.10.530 and 76.06.200.

(4)(a)(i) Prior to the determination of the 2025-2034 sustainable harvest calculation as required by RCW 79.10.320, the department must hire an independent third-party contractor to assist it in updating its forest inventory by increasing the intensity of forest sample plots on all forestlands over the next two biennium. The department's sustainable harvest calculation technical advisory committee must be involved in the design, development, and implementation of this forest inventory update.

(ii) For purposes of this subsection, "forest inventory" means the collection of sample data to estimate a range of forest attributes including, but not limited to, standing volume, stored carbon, habitat attributes, age classes, tree species, and other inventory attributes, including information needed to estimate rates of tree growth and associated carbon sequestration on department lands.

(iii) The department's sustainable harvest calculation technical advisory committee must bring forward recommendations for regular maintenance and updates to the forest inventory on a ten-year basis.

(b) Prior to the determination of the 2025-2034 sustainable harvest calculation as required by RCW 79.10.320, the department must hire a third-party contractor to review, analyze, and advise the department's forest growth and yield modeling, specific to all types of forested acres managed by the department. The department's sustainable harvest calculation technical advisory committee must be involved in the design, review, and analysis of the department's forest growth and yield modeling.

(c) Prior to the determination of the 2025-2034 sustainable harvest calculation as required by RCW 79.10.320 ~~((and in the absence of any litigation, pending or in progress, against the department's sustainable harvest calculation))~~, the joint legislative audit and review committee established in chapter 44.28 RCW must oversee and conduct an independent review of the methodologies and data being utilized by the department in the development of the sustainable harvest calculation, including the associated forest inventory, forest growth, harvest and yield data, and modeling

techniques that impact harvest levels. In carrying out the review, the joint legislative audit and review committee shall:

(i) Retain one or more contractors with expertise in forest inventories, forest growth and yield modeling, and operational research modeling in forest harvest scheduling to conduct the technical review;

(ii) Be a member of department's sustainable harvest calculation technical advisory committee, along with one of its contractors selected in (c)(i) of this subsection; and

(iii) Prior to the department's determination of the sustainable harvest calculation under RCW 79.10.320, ensure that a completed independent review and report with findings and recommendations is submitted to the board of natural resources and the legislature.

(d) Upon receiving the report from the joint legislative audit and review committee required under (c)(iii) of this subsection, the board of natural resources shall determine whether modifications are necessary to the sustainable harvest calculation prior to approving harvest level under RCW 79.10.320.

**Sec. 4.** RCW 44.28.083 and 2010 c 26 s 3 are each amended to read as follows:

(1) At the conclusion of the regular legislative session of each odd-numbered year, the joint legislative audit and review committee shall develop and approve a performance audit work plan for the ensuing biennium. The biennial work plan may be modified, as necessary, at the conclusion of other legislative sessions to reflect actions taken by the legislature and the joint committee. The work plan shall include a description of each performance audit, and the cost of completing the audits on the work plan shall be limited to the funds appropriated to the joint committee. Approved performance audit work plans shall be transmitted to the entire legislature by July 1st following the conclusion of each regular session of an odd-numbered year and as soon as practical following other legislative sessions.

(2) Among the factors to be considered in preparing the work plans are:

(a) Whether a program newly created or significantly altered by the legislature warrants continued oversight because (i) the fiscal impact of the program is significant, or (ii) the program represents a relatively high degree of risk in terms of reaching the stated goals and objectives for that program;

(b) Whether implementation of an existing program has failed to meet its goals and objectives by any significant degree;

(c) Whether a follow-up audit would help ensure that previously identified recommendations for improvements were being implemented; ~~((and))~~

(d) Whether legislative changes to the program require delaying the review until sufficient data is available;

(e) Whether an assignment for the joint committee to conduct a performance audit has been mandated in legislation; and

(f) Whether a planned review that is part of a mandated, recurring study would provide the legislature with new or additional information.

(3) The legislative auditor may consult with the chairs and staff of appropriate legislative committees, the state auditor, and the director of financial management in developing the performance audit work plan."

On page 1, line 4 of the title, after "study;" strike the remainder of the title and insert "and amending RCW 43.131.900, 43.131.051, 76.04.516, and 44.28.083."

and the same is herewith transmitted.

HOUSE BILL NO. 1372, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

Tuesday, April 8, 2025

Mme. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1403, with the following amendment(s): 1403.E AMS ENGR S2445.E

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 64.90.670 and 2019 c 238 s 102 are each amended to read as follows:

(1) A declarant and any dealer warrants to a purchaser of a condominium unit that

the unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, except for reasonable wear and tear and damage by casualty or condemnation.

(2) ~~((A))~~(a) If a condominium unit is part of a common interest community organized under this chapter and created prior to the effective date of this section, a declarant and any dealer impliedly warrants to a purchaser of ((a))the condominium unit that the unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

~~((a))~~(i) Free from defective materials;  
~~((b))~~(ii) Constructed in accordance with engineering and construction standards, including applicable building codes, generally accepted in the state of Washington at the time of construction; and  
~~((c))~~(iii) Constructed in a workmanlike manner.

(b) If a condominium unit is part of a common interest community created on or after the effective date of this section, a declarant and any dealer impliedly warrants to a purchaser of the condominium unit that the unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

(i) Free from defective materials;  
(ii) Constructed in accordance with the plans, specifications approved by the applicable jurisdiction for the construction of the condominium, manufacturer installation guidelines, applicable building codes in effect at the time of permit approval, and any published industry standards specifically incorporated into the applicable building codes in effect at the time of permit approval; and  
(iii) Constructed in a workmanlike manner. For purposes of this subsection (2)(b)(iii), "workmanlike manner" means the degree of care that a reasonably prudent contractor licensed in the state of Washington would exercise under the same or similar circumstances.

(3) A declarant and any dealer warrants to a purchaser of a condominium unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed under this section may be excluded or modified as specified in RCW 64.90.675.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

(6) Any conveyance of a condominium unit transfers to the purchaser all of a declarant's or dealer's implied warranties of quality.

(7)(a) In a proceeding for breach of any of the obligations arising under this section, the purchaser must show that the

alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. Nothing in this section limits the ability of a board to bring claims on behalf of two or more unit owners pursuant to RCW 64.90.405(2)(d).

(b) To establish an adverse effect on performance, the purchaser is required to prove that the alleged breach:

(i) Is more than technical;  
(ii) Is significant to a reasonable person; and

(iii) Has caused or will cause physical damage to the unit or common elements; has materially impaired the performance of mechanical, electrical, plumbing, elevator, or similar building equipment; or presents an actual, unreasonable safety risk to the occupants of the condominium.

(8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of a warranty arising under subsection (2) of this section are the reasonable cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, damages are limited to the loss in market value.

**Sec. 2.** RCW 64.55.005 and 2019 c 238 s 216 are each amended to read as follows:

(1)(a) RCW 64.55.010 through 64.55.090 apply to any multiunit residential building for which the permit for construction or rehabilitative construction of such building was issued on or after August 1, 2005.

(b) RCW 64.55.010 and 64.55.090 apply to conversion condominiums as defined in RCW 64.34.020 or conversion buildings as defined in RCW 64.90.010, provided that RCW 64.55.090 shall not apply to a condominium conversion for which a public offering statement had been delivered pursuant to chapter 64.34 RCW prior to August 1, 2005.

(c) RCW 64.55.010 through 64.55.090 do not apply to an accessory dwelling unit organized pursuant to chapter 64.90 RCW as a condominium unit in a common interest community created on or after the effective date of this section.

(2) RCW 64.55.010 and 64.55.100 through 64.55.160 and 64.34.415 apply to any action that alleges breach of an implied or express warranty under chapter 64.34 RCW or that seeks relief that could be awarded for such breach, regardless of the legal theory pleaded, except that RCW 64.55.100 through 64.55.160 and 64.34.415 shall not apply to:

(a) Actions filed or served prior to August 1, 2005;

(b) Actions for which a notice of claim was served pursuant to chapter 64.50 RCW prior to August 1, 2005;

(c) Actions asserting any claim regarding a building that is not a multiunit residential building;

(d) Actions asserting any claim regarding a multiunit residential building that was permitted on or after August 1, 2005, unless the letter required by RCW 64.55.060 has been submitted to the appropriate building department or the requirements of RCW 64.55.090 have been satisfied.

(3) Other than the requirements imposed by RCW 64.55.010 through 64.55.090, nothing in this chapter amends or modifies the provisions of RCW 64.34.050.

**Sec. 3.** RCW 64.55.005 and 2024 c 321 s 423 are each amended to read as follows:

(1)(a) RCW 64.55.010 through 64.55.090 apply to any multiunit residential building for which the permit for construction or rehabilitative construction of such building was issued on or after August 1, 2005.

(b) RCW 64.55.010 and 64.55.090 apply to conversion buildings as defined in RCW 64.90.010.

(c) RCW 64.55.010 through 64.55.090 do not apply to an accessory dwelling unit organized pursuant to chapter 64.90 RCW as a condominium unit in a common interest community created on or after the effective date of section 2 of this act.

(2) RCW 64.55.010 and 64.55.100 through 64.55.160 and 64.90.620 apply to any action that alleges breach of an implied or express warranty under chapter 64.90 RCW or that seeks relief that could be awarded for such breach, regardless of the legal theory pleaded, except that RCW 64.55.100 through 64.55.160 and 64.90.620 shall not apply to:

(a) Actions filed or served prior to August 1, 2005;

(b) Actions for which a notice of claim was served pursuant to chapter 64.50 RCW prior to August 1, 2005;

(c) Actions asserting any claim regarding a building that is not a multiunit residential building;

(d) Actions asserting any claim regarding a multiunit residential building that was permitted on or after August 1, 2005, unless the letter required by RCW 64.55.060 has been submitted to the appropriate building department or the requirements of RCW 64.55.090 have been satisfied.

(3) Other than the requirements imposed by RCW 64.55.010 through 64.55.090, nothing in this chapter amends or modifies the provisions of RCW 64.90.025.

**Sec. 4.** RCW 64.90.675 and 2018 c 277 s 416 are each amended to read as follows:

(1) Except as limited under subsections (2) and (4) of this section with respect to a purchaser of a condominium unit that may be used for residential use, implied warranties of quality under RCW 64.90.670:

(a) May be excluded or modified by written agreement of the parties; and

(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language that in common understanding calls the buyer's attention to the exclusion of warranties.

(2) With respect to a purchaser of a condominium unit that may be used for residential use, no disclaimer of implied warranties of quality under RCW 64.90.670 is effective, except that a declarant and any dealer may disclaim liability in an instrument for one or more specified defects or failures to comply with applicable law, if:

(a) The declarant or dealer knows or has reason to believe that the specific defects or failures exist at the time of disclosure;

(b) The disclaimer specifically describes the defects or failures;

(c) The disclaimer includes a statement as to the effect of the defects or failures;

(d) The disclaimer is boldfaced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous; and

(e) The disclaimer is signed by the purchaser.

(3) ((A) Except as provided in subsection (4) of this section, a declarant or dealer may not make an express written warranty of quality that limits the implied warranties of quality made to the purchaser set forth in RCW 64.90.670.

(4)(a) With respect to a unit in a condominium created on or after the effective date of this section, a declarant or dealer is not subject to the implied warranties of quality set forth in RCW 64.90.670 if the declarant or dealer provides for the condominium unit an express warranty of quality and express warranty insurance coverage that meets the requirements in (b) of this subsection, and the condominium unit is:

(i) An accessory dwelling unit organized as a condominium pursuant to this chapter;

(ii) Located in a new building or a conversion building containing 12 or fewer units and two or fewer stories;

(iii) Located in a new building or a conversion building containing 12 or fewer units and three or fewer stories, if one story is utilized for parking, either above or below ground, or as a commercial space; or

(iv) Located in a new building or a conversion building containing 12 or fewer units where no unit is physically located above or below any other unit, except for balconies, roof decks, overhangs, and minor building features.

(b) An express warranty of quality and insurance coverage provided under (a) of this subsection must:

(i) Require acknowledgment by the unit purchaser that the express warranty of quality applies;

(ii) Allow for recovery of defects under the express warranty of quality by the unit owner and any subsequent purchaser, and by the unit owners association for common areas;

(iii) Apply to all condominium units and common areas within the building; and

(iv) Provide minimum coverage periods as follows:

(A) One year for defective workmanship and materials;

(B) Two years for defective plumbing, electrical, and ductwork distribution systems; and

(C) 10 years for structural defects to load-bearing structural members.

(c) A proceeding for breach of an express warranty of quality and insurance coverage provided under (a) of this subsection must be commenced pursuant to RCW 64.90.680.

**Sec. 5.** RCW 64.55.010 and 2024 c 122 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in RCW 64.34.020

and in this section apply throughout this chapter.

(1) "Attached dwelling unit" means any dwelling unit that is attached to another dwelling unit by a wall, floor, or ceiling that separates heated living spaces. A garage is not a heated living space.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped by a licensed engineer or architect. The building enclosure design documents shall include details and specifications that are appropriate for the building in the professional judgment of the architect or engineer who prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistant membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) "Dwelling unit" has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

(i) Hotels and motels;

(ii) Dormitories;

(iii) Care facilities;

(iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant;

(vii) A building with 12 or fewer units that is no more than two stories; and

(viii) A building with 12 or fewer units that is no more than three stories so long as one story is utilized for parking, either above or below ground, or retail space, except if such building is subject to a 2-10 express warranty, as provided in RCW 64.90.675(4), as an alternative to the implied warranty in RCW 64.90.670.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

(i) A building containing only two attached dwelling units;

(ii) A building that does not contain attached dwelling units; and

(iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(7) "Party unit owner" means a unit owner who is a named party to an action subject to this chapter and does not include any unit owners whose involvement with the action stems solely from their membership in the association.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in RCW 64.34.400(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of . . . . . County, Washington, in satisfaction of the requirements of RCW 64.55.010 through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit

except for sales listed in RCW 64.34.400(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications.

**Sec. 6.** RCW 64.55.010 and 2024 c 321 s 424 and 2024 c 122 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in RCW 64.90.010 and in this section apply throughout this chapter.

(1) "Attached dwelling unit" means any dwelling unit that is attached to another dwelling unit by a wall, floor, or ceiling that separates heated living spaces. A garage is not a heated living space.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped by a licensed engineer or architect. The building enclosure design documents shall include details and specifications that are appropriate for the building in the professional judgment of the architect or engineer who prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistant membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) "Dwelling unit" has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

- (i) Hotels and motels;
- (ii) Dormitories;
- (iii) Care facilities;
- (iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant;

(vii) A building with 12 or fewer units that is no more than two stories; and

(viii) A building with 12 or fewer units that is no more than three stories so long as one story is utilized for parking, either above or below ground, or retail space, except if such building is subject to a 2-10 express warranty, as provided in RCW 64.90.675(4), as an alternative to the implied warranty in RCW 64.90.670.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

- (i) A building containing only two attached dwelling units;
- (ii) A building that does not contain attached dwelling units; and
- (iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(7) "Party unit owner" means a unit owner who is a named party to an action subject to this chapter and does not include any unit owners whose involvement with the action

stems solely from their membership in the association.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in RCW 64.90.600(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of . . . . . County, Washington, in satisfaction of the requirements of RCW 64.55.010 through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit except for sales or dispositions listed in RCW 64.90.600(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications.

**NEW SECTION. Sec. 7.** Sections 2 and 5 of this act expire January 1, 2028.

**NEW SECTION. Sec. 8.** Sections 3 and 6 of this act take effect January 1, 2028."

On page 1, line 2 of the title, after "statutes;" strike the remainder of the title and insert "amending RCW 64.90.670, 64.55.005, 64.55.005, 64.90.675, and 64.55.010; reenacting and amending RCW

64.55.010; providing an effective date; and providing an expiration date."

and the same is herewith transmitted.

ENGROSSED HOUSE BILL NO. 1403, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

## MESSAGE FROM THE SENATE

Thursday, April 10, 2025

Mme. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1483, with the following amendment(s): 1483-S.E AMS ENET S2637.1

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that:

(a) Consumer access to affordable and reliable products that contain digital electronics, including computers, cell phones, appliances, and other nonexempted

consumer products, is essential to overcome digital inequities in Washington state and that broader distribution of the information, parts, and tools necessary to repair digital electronic products will shorten repair times, lengthen the useful lives of digital electronic products, and lower costs for consumers;

(b) Consumers increasingly rely on these products to conduct personal and professional business daily. Many modern consumer products contain digital components, such as microprocessors and microchips, which can create barriers to repairs. In some United States' households, everything from the coffee maker, to the washing machine, vacuum, thermostat, or doorbell may have a digital component as technology has evolved and smart products have increased in popularity;

(c) The need for more accessible and affordable repair options is felt more acutely among specific sectors of the population, notably Washington residents in rural areas and people who earn low incomes. Original manufacturer shops or authorized repair providers are often located in urban areas requiring consumers to travel long distances for repair or be without products for periods of time;

(d) Small, independent businesses play a vital role in Washington's economy. Providing access to information, parts, and tools is essential in contributing to a competitive repair market, allowing small repair shop employees to repair products more safely;

(e) Certain electronic products are comprised of precious metals that are finite, and unnecessary early disposal can be avoided with greater accessibility to proper and affordable repair; and

(f) Other states such as Minnesota, New York, California, and Colorado have enacted right to repair legislation, recognizing the need to increase access to the documentation, tools, and parts necessary to facilitate multiple repair options for all kinds of consumer products with digital electronics.

(2) Therefore, the legislature intends to broaden access to the information and tools necessary to repair digital electronic products, including computers, cell phones, appliances, and other nonexempted products in a safe, secure, reliable, and sustainable manner, thereby increasing access to appropriate and affordable digital electronic products, supporting small businesses and jobs, and making it easier for all residents of Washington state to connect digitally.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authorized repair provider" means an individual or business that is unaffiliated with an original manufacturer and that has an arrangement with the original manufacturer to use the original manufacturer's trade name, service mark, or other proprietary identifier for the purpose of offering the services of diagnosis,

maintenance, or repair of digital electronic products under the name of the original manufacturer, or that has an arrangement with the original manufacturer under which the individual or business offers the services of diagnosis, maintenance, or repair of digital electronic products on behalf of the original manufacturer. An original manufacturer who offers the services of diagnosis, maintenance, or repair of its own digital electronic products shall be considered an authorized repair provider with respect to such products, but only in instances where the original manufacturer does not have an arrangement with an authorized repair provider covering such products.

(2) "Authorized third-party provider" means an individual or business that is unaffiliated with an original manufacturer and that has an arrangement with the original manufacturer to use the original manufacturer's trade name, service mark, or other proprietary identifier for the purpose of distributing parts, tools, or documentation.

(3) "Diagnosis" means the process of identifying the issue or issues that cause digital electronic products to not be in fully working order.

(4) "Digital electronic product" or "products" means any product or electronic that:

(a) Depends, in whole or in part, on digital electronics, such as a microprocessor or microcontroller, embedded in or attached to the product in order to function;

(b) Is tangible personal property;

(c) Is generally used for personal, family, or household purposes;

(d) Is sold, used, or supplied in Washington 180 days or more after the product was first manufactured and 180 days or more after the product was first sold or used in Washington; and

(e) Might be, but is not necessarily, capable of attachment to or installation in real property.

(5) "Documentation" means any manual, maintenance procedures, functional and wiring diagrams, reporting output, service code description, circuit board schematics, security code, password, training material, troubleshooting information, list of required tools, parts list, or other guidance or information that enables a person to diagnose, maintain, repair, or update a digital electronic product.

(6) "Fair and reasonable terms" means each of the following, as applicable:

(a)(i) For parts, at costs that are fair to both parties and at terms that are equivalent to the most fair and reasonable terms under which the manufacturer offers the part, tool, or documentation to an authorized repair provider, accounting for any convenient and timely means of delivery, means of enabling fully restored and updated functionality, rights of use, or other preference the manufacturer offers to an authorized repair provider, and is not conditioned on or imposing a substantial obligation to use or restrict the use of the part to diagnose, maintain, or repair digital electronic products sold, leased, or

otherwise supplied by the original manufacturer;

(ii) For documentation, including any relevant updates, that the documentation is made available at no charge, except that, when the documentation is requested in physical printed form, a charge may be included for the reasonable actual costs of preparing and sending the copy;

(iii) For tools, that the tools are made available by the manufacturer at no charge and without imposing impediments to access or use of the tools to diagnose, maintain, or repair and enable full functionality of the product, or in a manner that impairs the efficient and cost-effective performance of any such diagnosis, maintenance, or repair, except that, when a tool is requested in physical form, a charge may be included for the reasonable, actual costs of preparing and sending the tool;

(b) If a manufacturer does not use an authorized repair provider, "fair and reasonable terms" means at a price that reflects the actual cost to the manufacturer to prepare and deliver the part, tool, or documentation, exclusive of any research and development costs incurred.

(7) "Independent repair provider" means an individual or business that engages in the services of diagnosis, maintenance, or repair of digital electronic products in this state without an arrangement with the original manufacturer of such products as described in subsection (1) of this section or an affiliation with an authorized repair provider for such products. "Independent repair provider" also means an original manufacturer or an original manufacturer's authorized repair provider that engages in the services of diagnosis, maintenance, or repair of a digital electronic product that is not manufactured by or on behalf of, sold by, or supplied by such original manufacturer.

(8) "Maintenance" means any act necessary to keep currently working digital electronic products in fully working order.

(9) "Modifications" or "modifying" means any alteration to digital electronic products that is not maintenance or repair.

(10) "Original manufacturer" means an individual or business that, in the normal course of business, is engaged in the business of selling, leasing, or otherwise supplying new digital electronic products manufactured by or on behalf of itself, to any individual or business.

(11) "Owner" means an individual or business that owns or leases digital electronic products purchased or used in this state.

(12) "Part" means any replacement part, either new or used, or its equivalent, which is generally available or made available by an original manufacturer to an authorized repair provider for purposes of effecting the services of maintenance or repair of digital electronic products manufactured or sold by the original manufacturer.

(13) "Parts pairing" means an original manufacturer's practice of using software to identify component parts through a unique identifier.

(14) "Repair" means any act needed to restore digital electronic products to fully working order.

(15) "Tool" means any software program, hardware implement, or other apparatus, used for diagnosis, maintenance, or repair of digital electronic products, including software or other mechanisms that provide, program, or pair a part, calibrate functionality, or perform any other function required to bring the product or part back to fully functional condition, including any updates.

(16) "Trade secret" has the same meaning as defined in 18 U.S.C. Sec. 1839, as that section existed on January 1, 2017.

(17) "Video game console" means a computing device, such as a console machine, a handheld console device, or another device or system, and its components and peripherals, that is primarily used by consumers for playing video games, but which is neither a general nor an all-purpose computer, such as a desktop computer, laptop, tablet, or cell phone.

#### NEW SECTION.      **Sec. 3.**      (1) Effective

January 1, 2026:

(a) An original manufacturer shall make available to any independent repair provider or owner on fair and reasonable terms any parts, tools, and documentation intended for the diagnosis, maintenance, or repair of digital electronic products and parts that are first manufactured, and first sold or used in Washington, on or after July 1, 2021. Such parts, tools, and documentation shall be made available either directly by the original manufacturer or via an authorized repair provider or authorized third-party provider.

(b) Except as provided in subsection (2) of this section, for digital electronic products that are manufactured for the first time, and first sold or used in this state, after January 1, 2026, an original manufacturer may not use parts pairing to:

(i) Prevent or inhibit an independent repair provider or an owner from installing or enabling the function of an otherwise functional replacement part or a component of a digital electronic product, including a replacement part or a component that the original manufacturer has not approved;

(ii) Reduce the functionality or performance of a digital electronic product; or

(iii) Cause a digital electronic product to display misleading alerts or warnings about unidentified parts, which the owner cannot immediately dismiss.

(2) Nothing in this chapter prohibits parts pairing for stand-alone biometric components for authentication purposes on digital electronic equipment, which components are not bundled in commonly replaced parts, such as a device's screen, keyboard, ports, or battery.

(3) Nothing in this chapter requires an original manufacturer to make available a part or physical tool if it is no longer available to the original manufacturer.

#### NEW SECTION.      **Sec. 4.**      Before accepting digital electronic products for repair,

authorized repair providers and independent repair providers shall provide to customers a written or electronic notice that contains the following information:

(1) The steps taken by the authorized repair provider or the independent repair provider to ensure the privacy and security of products entrusted for repair or a statement that no such steps have been taken;

(2) Recommended steps for the customer to take to safeguard product data, including:

(a) If appropriate, backing up data prior to repair and either:

(i) Factory resetting the product; or

(ii) Wiping backed-up data from the product;

(b) Sharing only the passwords or access to functions necessary for the relevant repairs and changing those passwords to a temporary password prior to sharing; and

(c) Logging out of applications or websites that contain sensitive data or that otherwise pose a security risk, such as electronic mail, banking, and social media accounts;

(3)(a) A statement about the customer's legal right to privacy, which is protected under Article I, section 7 of the state Constitution and under Washington law, which protects against:

(i) Washington cybercrimes under chapter 9A.90 RCW, including electronic data theft, electronic data tampering, spoofing, and computer trespass;

(ii) The disclosing of intimate images under RCW 9A.86.010;

(iii) The criminal impersonation of another under RCW 9A.60.040; and

(iv) Identity crimes under chapter 9.35 RCW.

(b) Violations of privacy may be referred to law enforcement for criminal prosecution, and violators may be liable for damages, including mental pain and suffering, that a violation of privacy may have caused to a customer's business, person, or reputation; and

(4) For independent repair providers, whether the repair provider uses any replacement parts that are used or provided by a supplier other than the original manufacturer of the digital electronic product.

**NEW SECTION. Sec. 5.** (1) Nothing in this chapter shall be construed to require an original manufacturer to divulge a trade secret to an independent repair provider, except as necessary to provide parts, tools, and documentation on fair and reasonable terms.

(2) Nothing in this chapter shall be construed to alter the terms of any arrangement described in section 2(1) of this act in force between an authorized repair provider and an original manufacturer including, but not limited to, the performance or provision of warranty or recall repair work by an authorized repair provider on behalf of an original manufacturer pursuant to such arrangement, except that any provision in such terms that purports to waive, avoid, restrict, or limit the original manufacturer's obligations to

comply with this chapter shall be void and unenforceable.

(3) Nothing in this chapter shall be construed to require an original manufacturer or an authorized repair provider to provide to an owner or independent repair provider access to information, other than documentation, that is provided by the original manufacturer to an authorized repair provider pursuant to the terms of an arrangement described in section 2(1) of this act.

(4) Nothing in this chapter shall be construed to require an original manufacturer or authorized repair provider to make available any parts, tools, or documentation for the purposes of modifying or making modifications to any digital electronic products.

(5) This chapter does not apply if the original manufacturer provides an equivalent or better, readily available replacement digital electronic product at no charge to the owner.

(6) Nothing in this chapter shall be construed to require an original manufacturer or authorized repair provider to make available any parts, tools, or documentation required for the diagnosis, maintenance, or repair of public safety communications equipment, the intended use of which is for emergency response or prevention purposes by an emergency service organization such as a police, fire, or emergency medical services agency.

(7) Nothing in this chapter shall apply to manufacturers or distributors of a medical device as defined in the federal food, drug, and cosmetic act, Title 21 U.S.C. Sec. 301 et seq., or a digital electronic product, or embedded software, if that product or software is manufactured primarily for use in a medical setting, including diagnostic, monitoring, or control equipment.

(8) Nothing in this chapter shall apply to a:

(a) Motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer acting in that capacity or to any product or service of a motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer acting in that capacity;

(b) Manufacturer, distributor, importer, or dealer of any power generation or storage equipment, or equipment for fueling or charging motor vehicles;

(c) Product that has never been available for retail sale to a consumer;

(d) Product which is a system, mechanism, or series of mechanisms that generates, stores, or combines generation and storage of electrical energy from solar radiation;

(e) Product which stores electrical energy for a period of time and transmits the energy after storage, that is interconnected with a transmission or distribution system and that is approved by an electric utility or located on a customer's side of an electric utility meter in accordance with an applicable utility tariff or interconnection agreement; or

(f) Life safety system, fire alarm system, or intrusion detection device, including its components, that is provided

or configured to be provided with a security monitoring service; and physical access control equipment, including electronic keypads and similar building access control electronics.

(9) Nothing in this chapter applies to utility equipment; farm or agricultural equipment; construction equipment; compact construction equipment; road building equipment; electronic vehicle charging infrastructure equipment; mining equipment; low earth orbit broadband equipment manufactured before 2044; and any tools, technology, attachments, accessories, components, and repair parts for any of the foregoing.

(10) Nothing in this chapter shall be construed to require any original manufacturer or authorized repair provider to make available any parts, tools, or documentation required for the diagnosis, maintenance, or repair of a video game console and its components and peripherals.

(11) Nothing in this chapter shall be construed to require any original manufacturer or authorized repair provider to make available documentation or tools used exclusively for repairs completed by machines that operate on several digital electronic products simultaneously, if the original manufacturer makes available to owners of the product and independent repair providers sufficient, alternative documentation and tools to effect the diagnosis, maintenance, or repair of the digital electronic product.

(12) Nothing in this chapter shall be construed to require an original manufacturer to make available special documentation, tools, parts, or other devices or implements that would disable or override, without an owner's authorization, anti-theft or privacy security measures that the owner sets for digital electronic products.

(13) Nothing in this chapter shall apply to set-top boxes, modems, routers, or all-in-one devices delivering internet, video, and voice systems that are distributed by a video, internet, or voice service provider if the service provider offers equivalent or better, readily available replacement equipment at no charge to the customer.

(14) Nothing in this chapter shall apply to off-road equipment including, but not limited to: Farm and utility tractors, farm implements, farm machinery, forestry equipment, industrial equipment, utility equipment, construction equipment, compact construction equipment, road building equipment, mining equipment, turf, yard, and garden equipment, outdoor power equipment, portable generators, marine, all-terrain sports, racing, and recreational vehicles, stand-alone or integrated stationary or mobile internal combustion engines, power sources, such as generator sets, electric batteries, and fuel cell power, power tools, and any tools, technology, attachments, accessories, components, and repair parts for any of the foregoing.

**NEW SECTION. Sec. 6.** (1) No original manufacturer or authorized repair provider shall be liable for any damage or injury to

any digital electronic product caused by an independent repair provider or owner which occurs during the course of repair, diagnosis, or maintenance and is not attributable to the original manufacturer or authorized repair provider other than if the failure is attributable to design or manufacturing defects.

(2) The original manufacturer does not warrant any services provided by independent repair providers.

**NEW SECTION. Sec. 7.** (1) The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(2) This chapter may be enforced solely by the attorney general under the consumer protection act, chapter 19.86 RCW.

**NEW SECTION. Sec. 8.** Sections 1 through 7 and 9 of this act constitute a new chapter in Title 19 RCW.

**NEW SECTION. Sec. 9.** This chapter may be known and cited as the right to repair act."

On page 1, line 3 of the title, after "Washingtonians;" strike the remainder of the title and insert "and adding a new chapter to Title 19 RCW."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1483, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

Friday, April 11, 2025

Mme. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1533, with the following amendment(s): 1533-S.E AMS LC S2640.1

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 49.04 RCW to read as follows:

(1) Except as provided in subsection (4) of this section, for any general journey level electrician apprenticeship program approved under this chapter that is operated by an apprenticeship committee representing a single employer, the employer may use an apprentice registered in the program to perform work under the apprentice's valid specialty electrician certificate of competency issued by the department of labor and industries while participating in the program and without the employer having to change the apprentice's status in the program if:

(a) The employer submits to the department of labor and industries a detailed attestation of the apprentice's hours worked under the apprentice's valid specialty electrician certificate of competency on a quarterly basis; and

(b) The employer provides annual notice to the apprentice of the employer's intent to use the apprentice for performing work under the apprentice's valid specialty electrician certificate of competency, which must describe the requirements of this section, the wage the apprentice will be paid for performing work under the apprentice's valid specialty electrician certificate of competency, and inform the apprentice that performing such work for the employer may delay the apprentice's next wage progression based on low hour accumulation.

(2) The apprentice's hours worked under the apprentice's valid specialty electrician certificate of competency do not count toward the hours of work experience required to complete the program.

(3) Except as provided under subsection (4) of this section, an employer using an apprentice to perform work under the apprentice's valid specialty electrician certificate of competency under this section is exempt from the program standard

requiring reasonably continuous employment, so long as the employer provides the apprentice at least 800 working hours each year that count toward the hours of work experience required to complete the program.

(4) The director of the department of labor and industries shall suspend the employer from the authorization under subsection (1) of this section and from the exemption under subsection (3) of this section if the director finds that the employer has willfully or repeatedly:

(a) Submitted incorrect or incomplete information in the attestation under subsection (1)(a) of this section or when reporting the hours for the apprenticeship program; or

(b) Failed to timely submit the attestation required under subsection (1)(a) of this section.

(5) The director of the department of labor and industries may adopt rules to implement this section.

**NEW SECTION. Sec. 2.** This act takes effect January 1, 2026."

On page 1, line 3 of the title, after "program;" strike the remainder of the title and insert "adding a new section to chapter 49.04 RCW; and providing an effective date."

and the same is herewith transmitted.
