Everything costs so much more. I purchase a small single packet of Miracle grow liquid houseplant fertilizer from Amazon for \$1.47. It now sells for \$6.00 for the exact same thing. Apply this increase to all my purchases, more necessary items than houseplant fertilizer, yes, many items I no longer can purchase. Don't withhold my COLA. I gave the State of Washington nearly 30 years of service. I need this \$\$ increase. Thank you.
