**NEW SECTION. Sec. 7.** Each education provider under this chapter and the department of corrections shall negotiate and execute a written contract for each school year or such longer period as may be agreed to that delineates the manner in which their respective duties and authority will be cooperatively performed and exercised, and any disputes and grievances resolved through mediation, and if necessary, arbitration. Any such contract may provide for the performance of duties by an education provider in addition to those set forth in this chapter, including duties imposed upon the department of corrections and its agents under section 6 of this act if supplemental funding provided by the department of corrections is available to fully pay the direct and indirect costs of these additional duties.

**NEW SECTION. Sec. 8.** By April 15th of each school year, the department of corrections shall provide written notice to the superintendent of public instruction and education providers operating programs under this chapter of any reasonably foreseeable education site closures, reductions in the number of inmates or education services, or any other cause for a reduction in certificated or classified staff the next school year. In the event the department of corrections fails to provide notice as required by this section, the department is liable and responsible for the payment of the salary and employment-related costs for the next school year of each employee whose contract would or could have been nonrenewed but for the failure of the department to provide notice. Disputes arising under this section shall be resolved in accordance with the alternative dispute resolution method or methods specified in the contract required by section 7 of this act.

**NEW SECTION. Sec. 9.** The superintendent of public instruction shall:

(1) Allocate money appropriated by the legislature to administer and provide education programs under this chapter to school districts, educational service districts, and other education providers selected under section 3 of this act that have assumed the primary responsibility to administer and provide education programs under this chapter. The allocation of moneys to any private contractor is contingent upon and must be in accordance with a contract between the private contractor and the department of corrections; and

(2) Adopt rules in accordance with chapter 34.05 RCW that establish reporting, program compliance, audit, and such other accountability requirements as are reasonably necessary to implement this chapter and related provisions of the biennial operating act effectively.

**Sec. 10.** RCW 72.09.460 and 1997 c 338 s 43 are each amended to read as follows:

(1) The legislature intends that all inmates be required to participate in department-approved education programs, work programs, or both, unless exempted under subsection (4) of this section. Eligible inmates who refuse to participate in available education or work programs available at no charge to the inmates shall lose privileges according to the system established under RCW 72.09.130. Eligible inmates who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges. The legislature recognizes more inmates may agree to participate in education and work programs than are available. The department must make every effort to achieve maximum public benefit by placing inmates in available and appropriate education and work programs.

(2) The department shall provide access to a program of education to all offenders who are under the age of eighteen and who have not met high school graduation or general equivalency diploma requirements in accordance with chapter 28A.-- RCW (sections 1 through 9 of this act). The program of education established by the department and education provider under section 3 of this act for offenders under the age of eighteen must provide each offender a choice of curriculum that will assist the inmate in achieving a high school diploma or general equivalency diploma. The program of education may include but not be limited to basic education, prevocational training, work ethic skills, conflict resolution counseling, substance abuse intervention, and anger management counseling. The curriculum may balance these and other rehabilitation, work, and training components.

(3) The department shall, to the extent possible and considering all available funds, prioritize its resources to meet the following goals for inmates in the order listed:

(a) Achievement of basic academic skills through obtaining a high school diploma or its equivalent and achievement of vocational skills necessary for purposes of work programs and for an inmate to qualify for work upon release;

(b) Additional work and education programs based on assessments and placements under subsection (5) of this section; and

(c) Other work and education programs as appropriate.

(4) The department shall establish, by rule, objective medical standards to determine when an inmate is physically or mentally unable to participate in available education or work programs. When the department determines an inmate is permanently unable to participate in any available education or work program due to a medical condition, the inmate is exempt from the requirement under subsection (1) of this section. When the department determines an inmate is temporarily unable to participate in an education or work program due to a medical condition, the inmate is exempt from the requirement of subsection (1) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical condition of all temporarily disabled inmates to ensure the earliest possible entry or reentry by inmates into available programming.

(5) The department shall establish, by rule, standards for participation in department-approved education and work programs. The standards shall address the following areas:

(a) Assessment. The department shall assess all inmates for their basic academic skill levels using a professionally accepted method of scoring reading, math, and language skills as grade level equivalents. The department shall determine an inmate's education history, work history, and vocational or work skills. The initial assessment shall be conducted, whenever possible, within the first thirty days of an inmate's entry into the correctional system, except that initial assessments are not required for inmates who are sentenced to life without the possibility of release, assigned to an intensive management unit within the first thirty days after entry into the correctional system, are returning to the correctional system within one year of a prior release, or whose physical or mental condition renders them unable to complete the assessment process. The department shall track and record changes in the basic academic skill levels of all inmates reflected in any testing or assessment performed as part of their education programming;

(b) Placement. The department shall follow the policies set forth in subsection (1) of this section in establishing criteria for placing inmates in education and work programs. The department shall, to the extent possible, place all inmates whose composite grade level score for basic academic skills is below the eighth grade level in a combined education and work program. The placement criteria shall include at least the following factors:

(i) An inmate's release date and custody level, except an inmate shall not be precluded from participating in an education or work program solely on the basis of his or her release date;

(ii) An inmate's education history and basic academic skills;

(iii) An inmate's work history and vocational or work skills;

(iv) An inmate's economic circumstances, including but not limited to an inmate's family support obligations; and

(v) Where applicable, an inmate's prior performance in department-approved education or work programs;

(c) Performance and goals. The department shall establish, and periodically review, inmate behavior standards and program goals for all education and work programs. Inmates shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or goals;

(d) Financial responsibility. (i) The department shall establish a formula by which inmates, based on their ability to pay, shall pay all or a portion of the costs or tuition of certain programs. Inmates shall, based on the formula, pay a portion of the costs or tuition of participation in:

(A) Second and subsequent vocational programs associated with an inmate's work programs; and

(B) An associate of arts or baccalaureate degree program when placement in a degree program is the result of a placement made under this subsection;

(ii) Inmates shall pay all costs and tuition for participation in:

(A) Any postsecondary academic degree program which is entered independently of a placement decision made under this subsection; and

(B) Second and subsequent vocational programs not associated with an inmate's work program.

Enrollment in any program specified in (d)(ii) of this subsection shall only be allowed by correspondence or if there is an opening in an education or work program at the institution where an inmate is incarcerated and no other inmate who is placed in a program under this subsection will be displaced; and

(e) Notwithstanding any other provision in this section, an inmate sentenced to life without the possibility of release:

(i) Shall not be required to participate in education programming; and

(ii) May receive not more than one postsecondary academic degree in a program offered by the department or its contracted providers.

If an inmate sentenced to life without the possibility of release requires prevocational or vocational training for a work program, he or she may participate in the training subject to this section.

(6) The department shall coordinate education and work programs among its institutions, to the greatest extent possible, to facilitate continuity of programming among inmates transferred between institutions. Before transferring an inmate enrolled in a program, the department shall consider the effect the transfer will have on the inmate's ability to continue or complete a program. This subsection shall not be used to delay or prohibit a transfer necessary for legitimate safety or security concerns.

(7) Before construction of a new correctional institution or expansion of an existing correctional institution, the department shall adopt a plan demonstrating how cable, closed-circuit, and satellite television will be used for education and training purposes in the institution. The plan shall specify how the use of television in the education and training programs will improve inmates' preparedness for available work programs and job opportunities for which inmates may qualify upon release.

(8) The department shall adopt a plan to reduce the per-pupil cost of instruction by, among other methods, increasing the use of volunteer instructors and implementing technological efficiencies. The plan shall be adopted by December 1996 and shall be transmitted to the legislature upon adoption. The department shall, in adoption of the plan, consider distance learning, satellite instruction, video tape usage, computer-aided instruction, and flexible scheduling of offender instruction.

(9) Following completion of the review required by section 27(3), chapter 19, Laws of 1995 1st sp. sess. the department shall take all necessary steps to assure the vocation and education programs are relevant to work programs and skills necessary to enhance the employability of inmates upon release.

**Sec. 11.** RCW 41.59.080 and 1975 1st ex.s. c 288 s 9 are each amended to read as follows:

**Sec. 5.** RCW 19.138.120 and 1994 c 237 s 5 are each amended to read as follows:

(1) Each seller of travel shall renew its registration on or before July 1 of every ~~((other))~~ year or as otherwise determined by the director.

(2) Renewal of a registration is subject to the same provisions covering issuance, suspension, and revocation of a registration originally issued.

(3) The director may refuse to renew a registration for any of the grounds set out under RCW 19.138.130, and where the past conduct of the applicant affords reasonable grounds for belief that the applicant will not carry out the applicant's duties in accordance with law and with integrity and honesty. The director shall promptly notify the applicant in writing by certified mail of its intent to refuse to renew the registration. The registrant may, within twenty-one days after receipt of that notice

or intent, request a hearing on the refusal. The director may permit the registrant to honor commitments already made to its customers, but no new commitments may be incurred, unless the director is satisfied that all new commitments are completely bonded or secured to insure that the general public is protected from loss of money paid to the registrant. It is the responsibility of the registrant to contest the decision regarding conditions imposed or registration denied through the process established by the administrative procedure act, chapter 34.05 RCW.

**Sec. 6.** RCW 19.138.130 and 1997 c 58 s 852 are each amended to read as follows:

(1) The director may deny, suspend, or revoke the registration of a seller of travel if the director finds that the applicant:

(d) Has violated this chapter or failed to comply with a rule adopted by the director under this chapter;

(e) Has failed to display the registration as provided in this chapter;

(f) Has published or circulated a statement with the intent to deceive, misrepresent, or mislead the public; or

(g) Has committed a fraud or fraudulent practice in the operation and conduct of a travel agency business, including, but not limited to, intentionally misleading advertising.

(2) If the seller of travel is found in violation of this chapter or in violation of the consumer protection act, chapter 19.86 RCW, by the entry of a judgment or by settlement of a claim, the director may revoke the registration of the seller of travel, and the director may reinstate the registration at the director's discretion.

(3) The director shall immediately suspend the license or certificate of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license or certificate shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order.

**Sec. 7.** RCW 19.138.140 and 1996 c 180 s 7 are each amended to read as follows:

(1) A seller of travel shall deposit in a trust account maintained in a federally insured financial institution located in Washington state, or other account approved by the director, all sums held for more than five business days that are received from a person or entity, for retail travel services offered by the seller of travel. This subsection does not apply to travel services sold by a seller of travel, when payments for the travel services are made through the airlines reporting corporation (~~either by cash or credit or debit card sale~~).

(2) The trust account or other approved account required by this section shall be established and maintained for the benefit of any person or entity paying money to the seller of travel. The seller of travel shall not in any manner encumber the amounts in trust and shall not withdraw money from the account except the following amounts may be withdrawn at any time:

(a) Partial or full payment for travel services to the entity directly providing the travel service;

(b) Refunds as required by this chapter;

(c) The amount of the sales commission;

(d) Interest earned and credited to the trust account or other approved account;

(e) Remaining funds of a purchaser once all travel services have been provided or once tickets or other similar documentation binding upon the ultimate provider of the travel services have been provided; or

(f) Reimbursement to the seller of travel for agency operating funds that are advanced for a customer's travel services.

(3) At the time of registration, the seller of travel shall file with the department the account number and the name of the financial institution at which the trust account or other approved account is held as set forth in RCW 19.138.110. The seller of travel shall notify the department of any change in the account number or location within one business day of the change.

(4) The director, by rule, may allow for the use of other types of funds or accounts only if the protection for consumers is no less than that provided by this section.

(5) The seller of travel need not comply with the requirements of this section if all of the following apply, except as exempted in subsection (1) of this section:

(a) The payment is made by credit card;

(b) The seller of travel does not deposit, negotiate, or factor the credit card charge or otherwise seek to obtain payment of the credit card charge to any account over which the seller of travel has any control; and

(c) If the charge includes transportation, the carrier that is to provide the transportation processes the credit card charge, or if the charge is only for services, the provider of services processes the credit card charges.

(6) The seller of travel need not maintain a trust account nor comply with the trust account provisions of this section if the seller of travel:

(a)(i) Files and maintains a surety bond approved by the director in an amount of not less than ten thousand nor more than fifty thousand dollars, as determined by the director based on the volume of business conducted by the seller of travel during the prior year. The bond shall be executed by the applicant as obligor and by a surety company authorized to do business in this state.

(ii) The bond must run to the state of Washington as obligee, and must run to the benefit of the state and any person or persons who suffer loss by reason of the seller of travel's violation of this chapter or a rule adopted under this chapter.

(iii) The bond must be conditioned that the seller of travel will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or a rule adopted under this chapter.

(iv) The bond must be continuous and may be canceled by the surety upon the surety giving written notice to the director of the surety's intent to cancel the bond. The cancellation is effective thirty days after the notice is received by the director.

(v) The applicant may obtain the bond directly from the surety or through a camp bonding arrangement involving a professional organization comprised of sellers of travel if the arrangement provides at least as much coverage as is required under this subsection.

(vi) In lieu of a surety bond, the applicant may, upon approval by the director, file with the director a certificate of deposit, an irrevocable letter of credit, or such other instrument as is approved by the director by rule, drawn in favor of the director for an amount equal to the required bond.

(vii) A person injured by a violation of this chapter may bring an action against the surety bond or approved alternative of the seller of travel who committed the violation or who employed the seller of travel who committed the violation; or

(b) Is a member in good standing in a professional association, such as the United States tour operators association or national tour association, that is approved by the director and that provides a minimum of one million dollars in errors and professional liability insurance and provides a surety bond or equivalent protection in an amount of at least two hundred fifty thousand dollars for its member companies.

(7) If the seller of travel maintains its principal place of business in another state and maintains a trust account or other approved account in that state consistent with the requirement of this section, and if that seller of travel has transacted business within the state of Washington in an amount exceeding five million dollars for the preceding year, the out-of-state trust account or other approved account may be substituted for the in-state account required under this section.

ENGROSSED SUBSTITUTE SENATE BILL NO. 6328, by Senate Committee on Natural Resources & Parks (originally sponsored by Senators Oke, Jacobsen and Swecker; by request of Department of Fish and Wildlife)

Enacting the fish and wildlife code enforcement act.

The bill was read the second time.

There being no objection, the committee amendment by the Committee on Natural Resources was not adopted. (For committee amendment, see Journal, 47th Day, February 27, 1998.)

Representative Buck moved the adoption of amendment (1160):

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1. PURPOSE.** The legislature finds that merger of the departments of fisheries and wildlife resulted in two criminal codes applicable to fish and wildlife, and that it has become increasingly difficult to administer and enforce the two criminal codes. Furthermore, laws defining crimes involving fish and wildlife have evolved over many years of changing uses and

management objectives for fish and wildlife. The resulting two codes make it difficult for citizens to comply with the law and unnecessarily complicate enforcement of laws against violators.

The legislature intends by chapter . . . , Laws of 1998 (this act) to revise and recodify the criminal laws governing fish and wildlife, ensuring that all people involved with fish and wildlife are able to know and understand the requirements of the laws and the risks of violation. Additionally, the legislature intends to create a more uniform approach to criminal laws governing fish and wildlife and to the laws authorizing prosecution, sentencing, and punishments, including defining new crimes and repealing crimes that are redundant to other provisions of the criminal code.

Chapter . . . , Laws of 1998 (this act) is not intended to alter existing powers of the commission or the director to adopt rules or exercise powers over fish and wildlife. In some places reference is made to violation of department rules, but this is intended to conform with current powers of the commission, director, or both, to adopt rules governing fish and wildlife activities.

**NEW SECTION. Sec. 2. EXEMPTION FOR DEPARTMENT ACTIONS.** A person is not guilty of a crime under this chapter if the person is an officer, employee, or agent of the department lawfully acting in the course of his or her authorized duties.

**NEW SECTION. Sec. 3. AUTHORITY TO DEFINE VIOLATION OF A RULE AS AN INFRACTION.** If the commission or director has authority to adopt a rule that is punishable as a crime under this chapter, then the commission or director may provide that violation of the rule shall be punished with notice of infraction under RCW 7.84.030.

**NEW SECTION. Sec. 4. SEPARATE OFFENSES FOR EACH BIG GAME, PROTECTED, OR ENDANGERED ANIMAL.** Where it is unlawful to hunt, take, kill, fish, or possess big game or protected or endangered fish or wildlife, then each individual animal unlawfully killed, taken, or possessed is a separate offense.

**NEW SECTION. Sec. 5. JURISDICTION.** District courts have jurisdiction concurrent with superior courts for misdemeanors and gross misdemeanors committed in violation of this chapter and may impose the punishment provided for these offenses. Superior courts have jurisdiction over felonies committed in violation of this chapter. Venue for offenses occurring in off-shore waters shall be in a county bordering on the Pacific Ocean, or the county where fish or wildlife from the offense are landed.

**NEW SECTION. Sec. 6. CONVICTION IN A STATE OR MUNICIPAL COURT.** Unless the context clearly requires otherwise, as used in this chapter, "conviction" means a final conviction in a state or municipal court or an unvacated forfeiture of bail or collateral deposited to secure the defendant's appearance in court. A plea of guilty, or a finding of guilt for a violation of this title or rule of the commission or director constitutes a conviction regardless of whether the imposition of sentence is deferred or the penalty is suspended.

**NEW SECTION. Sec. 7. REFERENCE TO CHAPTERS 7.84 AND 9A.20 RCW.** Crimes defined by this chapter shall be punished as infractions, misdemeanors, gross misdemeanors, or felonies, based on the classification of crimes set out in chapters 7.84 and 9A.20 RCW.

**NEW SECTION. Sec. 8. ACTING FOR COMMERCIAL PURPOSES--VALUE OF FISH OR WILDLIFE--PROOF.** (1) For purposes of this chapter, a person acts for commercial purposes if the person:

- (a) Acts with intent to sell, attempted to sell, sold, bartered, attempted to purchase, or purchased fish or wildlife;

Notice of the lien shall be filed and recorded in the office of the county auditor of the county in which the dam or obstruction is situated. The lien may be foreclosed in an action brought in the name of the state.

This approval shall not be unreasonably withheld.

(2)(a) Except as provided in RCW 75.20.1001, the department shall grant or deny approval of a standard permit within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section.

(b) The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life.

(c) The forty-five day requirement shall be suspended if:

(i) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project;

(ii) The site is physically inaccessible for inspection; or

(iii) The applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(d) For purposes of this section, "standard permit" means a written permit issued by the department when the conditions under subsections (3) and ~~((6))~~(5)(b) of this section are not met.

(3)(a) The department may issue an expedited written permit in those instances where normal permit processing would result in significant hardship for the applicant or unacceptable damage to the environment. In cases of imminent danger, the department shall issue an expedited written permit, upon request, for work to repair existing structures, move obstructions, restore banks, protect property, or protect fish resources. Expedited permit requests require a complete written application as provided in subsection (2)(b) of this section and shall be issued within fifteen calendar days of the receipt of a complete written application. Approval of an expedited permit is valid for up to sixty days from the date of issuance.

(b) For the purposes of this subsection, "imminent danger" means a threat by weather, water flow, or other natural conditions that is likely to occur within sixty days of a request for a permit application.

(c) The department may not require the provisions of the state environmental policy act, chapter 43.21C RCW, to be met as a condition of issuing a permit under this subsection.

(d) The department or the county legislative authority may determine if an imminent danger exists. The county legislative authority shall notify the department, in writing, if it determines that an imminent danger exists.

(4) Approval of a standard permit is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent.

~~(5) ((If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.~~

~~(6))~~(a) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately, upon request, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval to protect fish life shall be established by the department and reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately, upon request, for a stream crossing during an emergency situation.

(b) For purposes of this section and RCW 75.20.103, "emergency" means an immediate threat to life, the public, property, or of environmental degradation.

(c) The department or the county legislative authority may declare and continue an emergency when one or more of the criteria under (b) of this subsection are met. The county legislative authority shall immediately notify the department if it declares an emergency under this subsection.

~~((7))~~ (6) The department shall, at the request of a county, develop five-year maintenance approval agreements, consistent with comprehensive flood control management plans adopted under the authority of RCW 86.12.200, or other watershed plan approved by a county legislative authority, to allow for work on public and private property for bank stabilization, bridge repair, removal of sand

bars and debris, channel maintenance, and other flood damage repair and reduction activity under agreed-upon conditions and times without obtaining permits for specific projects.

~~((8))~~ (7) This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

A landscape management plan approved by the department and the department of natural resources under RCW 76.09.350(2), shall serve as a hydraulic project approval for the life of the plan if fish are selected as one of the public resources for coverage under such a plan.

~~((9))~~ (8) For the purposes of this section and RCW 75.20.103, "bed" means the land below the ordinary high water lines of state waters. This definition does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

~~((10))~~ (9) The phrase "to construct any form of hydraulic project or perform other work" does not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

**Sec. 88.** RCW 75.20.103 and 1993 sp.s. c 2 s 32 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or other work that diverts water for agricultural irrigation or stock watering purposes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020, and when such diversion or streambank stabilization will use, divert, obstruct, or change the natural flow or bed of any river or stream or will utilize any waters of the state or materials from the stream beds, the person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure a written approval from the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 ~~(and 75.20.1002)~~, the department shall grant or deny the approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for an approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within ordinary high water line, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay.

Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

An approval shall remain in effect without need for periodic renewal for projects that divert water for agricultural irrigation or stock watering purposes and that involve seasonal construction or other work. Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual or more frequent basis. The permittee must notify the appropriate agency before commencing the construction or other work within the area covered by the approval.

The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Issuance, denial, conditioning, or modification shall be appealable to the hydraulic appeals board established in RCW 43.21B.005 within

thirty days of the notice of decision. The burden shall be upon the department to show that the denial or conditioning of an approval is solely aimed at the protection of fish life.

The department may, after consultation with the permittee, modify an approval due to changed conditions. The modifications shall become effective unless appealed to the hydraulic appeals board within thirty days from the notice of the proposed modification. The burden is on the department to show that changed conditions warrant the modification in order to protect fish life.

A permittee may request modification of an approval due to changed conditions. The request shall be processed within forty-five calendar days of receipt of the written request. A decision by the department may be appealed to the hydraulic appeals board within thirty days of the notice of the decision. The burden is on the permittee to show that changed conditions warrant the requested modification and that such modification will not impair fish life.

~~((If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.))~~

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section.

For purposes of this chapter, "streambank stabilization" shall include but not be limited to log and debris removal, bank protection (including riprap, jetties, and groins), gravel removal and erosion control.

**Sec. 89.** RCW 75.20.110 and 1995 1st sp.s. c 2 s 27 are each amended to read as follows:

(1) Except for the north fork of the Lewis river and the White Salmon river, all streams and rivers tributary to the Columbia river downstream from McNary dam are established as an anadromous fish sanctuary. This sanctuary is created to preserve and develop the food fish and game fish resources in these streams and rivers and to protect them against undue industrial encroachment.

(2) Within the sanctuary area:

(a) ~~((It is unlawful))~~ The department shall not issue hydraulic project approval to construct a dam greater than twenty-five feet high within the migration range of anadromous fish as determined by the ~~((commission))~~ department.

(b) ~~((Except by order of the commission, it is unlawful to))~~ A person shall not divert water from rivers and streams in quantities that will reduce the respective stream flow below the annual average low flow, based upon data published in United States geological survey reports.

(3) The commission may acquire and abate a dam or other obstruction, or acquire any water right vested on a sanctuary stream or river, which is in conflict with the provisions of subsection (2) of this section.

(4) Subsection (2)(a) of this section does not apply to the sediment retention structure to be built on the North Fork Toutle river by the United States army corps of engineers.

**Sec. 90.** RCW 75.24.080 and 1983 1st ex.s. c 46 s 83 are each amended to read as follows:

The director may designate as "restricted shellfish areas" those areas in which infection or infestation of shellfish is present. ~~((Except by))~~ A permit ~~((of))~~ issued by the director ~~((, it))~~ is ~~((unlawful))~~ required to transplant or transport into or out of a restricted area shellfish or equipment used in culturing, taking, handling, or processing shellfish.

**Sec. 91.** RCW 75.24.100 and 1995 1st sp.s. c 2 s 29 are each amended to read as follows:

(1) ~~((It is unlawful for))~~ The department may not authorize a person to take geoduck clams for commercial purposes outside the harvest area designated in a current department of natural resources geoduck harvesting agreement issued under RCW 79.96.080. ~~((It is unlawful to commercially))~~ The department may not authorize commercial harvest of geoduck clams from bottoms that are shallower than eighteen feet below mean lower low water (0.0. ft.), or that lie in an area bounded by the line of ordinary high tide (mean high tide) and a line two hundred yards seaward from and parallel to the line of ordinary high tide. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020.

(2) Commercial geoduck harvesting shall be done with a hand-held, manually operated water jet or suction device guided and controlled from under water by a diver. Periodically, the commission shall determine the effect of each type or unit of gear upon the geoduck population or the substrate they inhabit. The commission may require modification of the gear or stop its use if it is being operated in a wasteful or destructive manner or if its operation may cause permanent damage to the bottom or adjacent shellfish populations.

**Sec. 92.** RCW 75.24.110 and 1983 1st ex.s. c 46 s 87 are each amended to read as follows:

~~((It is unlawful for))~~ The department may not authorize a person to import oysters or oyster seed into this state for the purpose of planting them in state waters without a permit from the director. The director shall issue a permit only after an adequate inspection has been made and the oysters or oyster seed are found to be free of disease, pests, and other substances which might endanger oysters in state waters.

**Sec. 93.** RCW 75.28.010 and 1997 c 58 s 883 are each amended to read as follows:

(1) Except as otherwise provided by this title, ~~((it is unlawful to))~~ a person may not engage in any of the following activities without a license or permit issued by the director:

- (a) Commercially fish for or take food fish or shellfish;
- (b) Deliver food fish or shellfish taken in offshore waters;
- (c) Operate a charter boat or commercial fishing vessel engaged in a fishery;
- (d) Engage in processing or wholesaling food fish or shellfish; or
- (e) Act as a guide for salmon for personal use in freshwater rivers and streams, other than that part of the Columbia river below the bridge at Longview.

(2) No person may engage in the activities described in subsection (1) of this section unless the licenses or permits required by this title are in the person's possession, and the person is the named license holder or an alternate operator designated on the license and the person's license is not suspended.

(3) A valid Oregon license that is equivalent to a license under this title is valid in the concurrent waters of the Columbia river if the state of Oregon recognizes as valid the equivalent Washington license. The director may identify by rule what Oregon licenses are equivalent.

(4) No license or permit is required for the production or harvesting of private sector cultured aquatic products as defined in RCW 15.85.020 or for the delivery, processing, or wholesaling of such aquatic products. However, if a means of identifying such products is required by rules adopted under RCW 15.85.060, the exemption from licensing or permit requirements established by this subsection applies only if the aquatic products are identified in conformance with those rules.

**Sec. 94.** RCW 75.28.045 and 1993 c 340 s 7 are each amended to read as follows:

This section applies to all commercial fishery licenses, delivery licenses, and charter licenses.

(1) An applicant for a license subject to this section may designate a vessel to be used with the license. Except for emergency salmon delivery licenses, the director may issue a license regardless of whether the applicant designates a vessel. An applicant may designate no more than one vessel on a license subject to this section.

(2) A license for a fishery that requires a vessel authorizes no taking or delivery of food fish or shellfish unless a vessel is designated on the license. A delivery license authorizes no delivery of food fish or shellfish unless a vessel is designated on the license.

~~(3) ((It is unlawful to take food fish or shellfish in a fishery that requires a vessel except from a vessel designated on a commercial fishery license for that fishery.~~

~~(4) It is unlawful to operate a vessel as a charter boat unless the vessel is designated on a charter license.~~

~~(5))~~ No vessel may be designated on more than one commercial fishery license unless the licenses are for different fisheries. No vessel may be designated on more than one delivery license, on more than one salmon charter license, or on more than one nonsalmon charter license.

**Sec. 95.** RCW 75.28.095 and 1997 c 76 s 2 are each amended to read as follows:

(1) The director shall issue the charter licenses and angler permits listed in this section according to the requirements of this title. The licenses and permits and their annual fees and surcharges are:

License or Permit Annual Fee Governing  
(RCW 75.50.100 Surcharge) Section

Resident Nonresident

- (a) Nonsalmon charter \$225 \$375
- (b) Salmon charter \$380 \$685 RCW 75.30.065  
(plus \$100) (plus \$100)
- (c) Salmon angler \$ 0 \$ 0 RCW 75.30.070
- (d) Salmon roe \$ 95 \$ 95 RCW 75.28.690

~~(2) ((Except as provided in subsection (5) of this section, it is unlawful to operate a vessel as a charter boat from which salmon or salmon and other food fish or shellfish are taken without a salmon charter license designating the vessel))~~ A salmon charter license designating a vessel is required to operate a charter boat to take salmon, other food fish, and shellfish. The director may issue a salmon charter license only to a person who meets the qualifications of RCW 75.30.065.

~~(3) ((Except as provided in subsections (2) and (5) of this section, it is unlawful to operate a vessel as a charter boat from which food fish or shellfish are taken without a nonsalmon charter license))~~ A nonsalmon charter license designating a vessel is required to operate a charter boat to take food fish other than salmon and shellfish. As used in this subsection, "food fish" does not include salmon.

(4) "Charter boat" means a vessel from which persons may, for a fee, fish for food fish or shellfish for personal use, and that brings food fish or shellfish into state ports or brings food fish or shellfish taken from state waters into United States ports. The director may specify by rule when a vessel is a "charter boat" within this definition. "Charter boat" does not mean a vessel used by a guide for clients fishing for food fish for personal use in freshwater rivers, streams, and lakes, other than Lake Washington or that part of the Columbia River below the bridge at Longview.

(5) A charter boat licensed in Oregon may fish without a Washington charter license under the same rules as Washington charter boat operators in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

(6) A salmon charter license under subsection (1)(b) of this section may be renewed if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred-dollar enhancement surcharge, plus a fifteen-dollar handling charge, in order to be considered a valid renewal and eligible to renew the license the following year.

**Sec. 96.** RCW 75.28.113 and 1994 c 260 s 22 are each amended to read as follows:

(1) ~~((It is unlawful to deliver salmon taken in offshore waters to a place or port in the state without))~~ A salmon delivery license ((from the director)) is required to deliver salmon taken in offshore waters to a place or port in the state. The annual fee for a salmon delivery license is three hundred eighty dollars for residents and six hundred eighty-five dollars for nonresidents. The annual surcharge under RCW 75.50.100 is one hundred dollars for each license. Holders of nonlimited entry delivery licenses issued under RCW 75.28.125 may apply the nonlimited entry delivery license fee against the salmon delivery license fee.

(2) Only a person who meets the qualifications established in RCW 75.30.120 may hold a salmon delivery license issued under this section.

(3) A salmon delivery license authorizes no taking of salmon or other food fish or shellfish from the waters of the state.

(4) If the director determines that the operation of a vessel under a salmon delivery license results in the depletion or destruction of the state's salmon resource or the delivery into this state of salmon products prohibited by law, the director may revoke the license under the procedures of chapter 34.05 RCW.

**Sec. 97.** RCW 75.28.125 and 1994 c 260 s 21 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, ~~((it is unlawful to deliver with))~~ a person may not use a commercial fishing vessel to deliver food fish or shellfish taken in offshore waters to a port in the state without a nonlimited entry delivery license. As used in this section, "food fish" does not include salmon. As used in this section, "shellfish" does not include ocean pink shrimp or coastal crab. The annual license fee for a nonlimited entry delivery license is one hundred ten dollars for residents and two hundred dollars for nonresidents.

(2) Holders of salmon troll fishery licenses issued under RCW 75.28.110, salmon delivery licenses issued under RCW 75.28.113, crab pot fishery licenses issued under RCW 75.28.130, food fish trawl—Non-Puget Sound fishery licenses issued under RCW 75.28.120, Dungeness crab—coastal fishery licenses, ocean pink shrimp delivery licenses, and shrimp trawl—Non-Puget Sound fishery licenses issued under RCW 75.28.130 may deliver food fish or shellfish taken in offshore waters without a nonlimited entry delivery license.

(3) A nonlimited entry delivery license authorizes no taking of food fish or shellfish from state waters.

**Sec. 98.** RCW 75.28.710 and 1993 c 340 s 26 are each amended to read as follows:

(1) ~~((It is unlawful to))~~ A person shall not offer or perform the services of a professional salmon guide in the taking of salmon for personal use in freshwater rivers and streams, other than in that part of the Columbia river below the bridge at Longview, without a professional salmon guide license.

(2) Only an individual at least sixteen years of age may hold a professional salmon guide license. No individual may hold more than one professional salmon guide license.

**Sec. 99.** RCW 75.28.740 and 1993 c 340 s 18 are each amended to read as follows:

(1) The director may by rule designate a fishery as an emerging commercial fishery. The director shall include in the designation whether the fishery is one that requires a vessel.

(2) "Emerging commercial fishery" means the commercial taking of a newly classified species of food fish or shellfish, the commercial taking of a classified species with gear not previously used for that species, or the commercial taking of a classified species in an area from which that species has not previously been commercially taken. Any species of food fish or shellfish commercially harvested in Washington state as of June 7, 1990, may be designated as a species in an emerging commercial fishery, except that no fishery subject to a license limitation program in chapter 75.30 RCW may be designated as an emerging commercial fishery.

(3) ~~((It is unlawful to))~~ A person shall not take food fish or shellfish in a fishery designated as an emerging commercial fishery without an emerging commercial fishery license and a permit from the director. The director shall issue two types of permits to accompany emerging commercial fishery

licenses: Trial fishery permits and experimental fishery permits. Trial fishery permits are governed by subsection (4) of this section. Experimental fishery permits are governed by RCW 75.30.220.

(4) The director shall issue trial fishery permits for a fishery designated as an emerging commercial fishery unless the director determines there is a need to limit the number of participants under RCW 75.30.220. A person who meets the qualifications of RCW 75.28.020 may hold a trial fishery permit. The holder of a trial fishery permit shall comply with the terms of the permit. Trial fishery permits are not transferable from the permit holder to any other person.

**Sec. 100.** RCW 75.30.070 and 1993 c 340 s 29 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, ~~((it is unlawful to))~~ a person shall not operate a vessel as a charter boat from which salmon are taken in salt water without an angler permit. The angler permit shall specify the maximum number of persons that may fish from the charter boat per trip. The angler permit expires if the salmon charter license is not renewed.

(2) Only a person who holds a salmon charter license issued under RCW 75.28.095 and 75.30.065 may hold an angler permit.

(3) An angler permit shall not be required for charter boats licensed in Oregon and fishing in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point under the same regulations as Washington charter boat operators, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

**Sec. 101.** RCW 75.30.130 and 1997 c 233 s 1 and 1997 c 115 s 1 are each reenacted and amended to read as follows:

(1) ~~((It is unlawful to))~~ A person shall not commercially take Dungeness crab (*Cancer magister*) in Puget Sound without first obtaining a Dungeness crab--Puget Sound fishery license. As used in this section, "Puget Sound" has the meaning given in RCW 75.28.110(5)(a). A Dungeness crab--Puget Sound fishery license is not required to take other species of crab, including red rock crab (*Cancer productus*).

(2) Except as provided in subsections (3) and (6) of this section, after January 1, 1982, the director shall issue no new Dungeness crab--Puget Sound fishery licenses. Only a person who meets the following qualification may renew an existing license: The person shall have held the Dungeness crab--Puget Sound fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and shall not have subsequently transferred the license to another person.

(3) Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

(4) This section does not restrict the issuance of commercial crab licenses for areas other than Puget Sound or for species other than Dungeness crab.

(5) Dungeness crab--Puget Sound fishery licenses are transferable from one license holder to another.

(6) If fewer than one hundred twenty-five persons are eligible for Dungeness crab--Puget Sound fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain one hundred twenty-five licenses in the Puget Sound Dungeness crab fishery. The director shall adopt rules governing the application, selection, and issuance procedures for new Dungeness crab--Puget Sound fishery licenses, based upon recommendations of a board of review established under RCW 75.30.050.

~~(c) Applying to the department and qualifying for a herring fishery license under hardship criteria established by rule of the director.~~

~~Landings may be documented only by a department fish receiving ticket.~~

~~(4) A herring fishery license may be issued only for the type of fishing gear used to establish initial eligibility for the license.~~

~~(5) The director may establish rules governing the administration of this section based upon recommendations of a board of review established under RCW 75.30.050.~~

~~(6) Except as provided in subsection (8) of this section, after January 1, 1995, the director shall issue no new herring fishery licenses. After January 1, 1995, a person may renew an existing license only if the person)) held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.~~

~~((7)) (3) Herring fishery licenses may be renewed each year. A herring fishery license that is not renewed each year shall not be renewed further.~~

~~((8)) (4) The department may issue additional herring fishery licenses if the stocks of herring will not be jeopardized by granting additional licenses.~~

~~((9)) (5) Subject to the restrictions of ((section 11 of this act)) RCW 75.28.011, herring fishery licenses are transferable from one license holder to another.~~

**Sec. 103.** RCW 75.30.160 and 1993 c 340 s 38 are each amended to read as follows:

~~((It is unlawful to))~~ A person shall not commercially take whiting from areas that the department designates within the waters described in RCW 75.28.110(5)(a) without a whiting--Puget Sound fishery license.

**Sec. 104.** RCW 75.30.210 and 1993 c 340 s 41 are each amended to read as follows:

(1) ~~((It is unlawful to))~~ A person shall not commercially take any species of sea urchin using shellfish diver gear without first obtaining a sea urchin dive fishery license.

(2) Except as provided in subsections (3) and (6) of this section, after December 31, 1991, the director shall issue no new sea urchin dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea urchin dive fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year; and

(b) The person shall document, by valid shellfish receiving tickets issued by the department, that twenty thousand pounds of sea urchins were caught and sold under the license sought to be renewed during the two-year period ending March 31 of the most recent odd-numbered year.

(3) Where the person failed to obtain the license during the previous year because of a license suspension or revocation by the department or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive the poundage requirement of subsection (2)(b) of this section upon the recommendation of a board of review established under RCW 75.30.050. The board of review may recommend a reduction or waiver of the poundage requirement in individual cases if, in the board's judgment, extenuating circumstances prevent achievement of the poundage requirement. The director shall adopt rules governing the operation of the board of review and defining "extenuating circumstances."

(5) Sea urchin dive fishery licenses are not transferable from one license holder to another, except from parent to child, or from spouse to spouse during marriage or as a result of marriage dissolution, or upon the death of the license holder.

(6) If fewer than forty-five persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain up to forty-five licenses in the sea urchin dive fishery. The director shall adopt rules governing the application, selection, and issuance procedure for new sea urchin dive fishery licenses, based upon recommendations of a board of review established under RCW 75.30.050.

**Sec. 105.** RCW 75.30.250 and 1993 c 340 s 44 are each amended to read as follows:

(2) Except as provided in subsection (6) of this section, after December 31, 1991, the director shall issue no new sea cucumber dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea cucumber dive fishery license sought to be renewed during the previous two years or acquired the license by transfer from someone who held it during the previous year; and

(b) The person shall establish, by means of dated shellfish receiving documents issued by the department, that thirty landings of sea cucumbers totaling at least ten thousand pounds were made under the license during the previous two-year period ending December 31 of the odd-numbered year.

(3) Where the person failed to obtain the license during either of the previous two years because of a license suspension by the department or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive any landing or poundage requirement established under this section upon the recommendation of a board of review established under RCW 75.30.050. The board of review may recommend a reduction or waiver of any landing or poundage requirement in individual cases if, in the board's judgment, extenuating circumstances prevent achievement of the landing or poundage requirement. The director shall adopt rules governing the operation of the board of review and defining "extenuating circumstances."

(5) Sea cucumber dive fishery licenses are not transferable from one license holder to another except from parent to child, from spouse to spouse during marriage or as a result of marriage dissolution, or upon death of the license holder.

(6) If fewer than fifty persons are eligible for sea cucumber dive fishery licenses, the director may accept applications for new licenses from those persons who can demonstrate two years' experience in the Washington state sea cucumber dive fishery. The director shall determine by random selection the successful applicants for the additional licenses. **Sec. 106.** RCW 75.30.280 and 1993 c 340 s 46 are each amended to read as follows:

(1) (~~(It is unlawful to)~~) A person shall not harvest geoduck clams commercially without a geoduck fishery license. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020.

(2) Only a person who has entered into a geoduck harvesting agreement with the department of natural resources under RCW 79.96.080 may hold a geoduck fishery license.

(3) A geoduck fishery license authorizes no taking of geoducks outside the boundaries of the public lands designated in the underlying harvesting agreement, or beyond the harvest ceiling set in the underlying harvesting agreement.

(4) A geoduck fishery license expires when the underlying geoduck harvesting agreement terminates.

(5) The director shall determine the number of geoduck fishery licenses that may be issued for each geoduck harvesting agreement, the number of units of gear whose use the license authorizes, and the type of gear that may be used, subject to RCW 75.24.100. In making those determinations, the director shall seek to conserve the geoduck resource and prevent damage to its habitat.

(6) The holder of a geoduck fishery license and the holder's agents and representatives shall comply with all applicable commercial diving safety regulations adopted by the federal occupational safety and health administration established under the federal occupational safety and health act of 1970 as such law exists on May 8, 1979, 84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq. A violation of those regulations is a violation of this subsection. For the purposes of this section, persons who dive for geoducks are "employees" as defined by the federal occupational safety and health act. A violation of this subsection is grounds for suspension or revocation of a geoduck fishery license following a hearing under the procedures of chapter 34.05 RCW. The department shall not suspend or revoke a geoduck fishery license if the violation has been corrected within ten days of the date the license holder receives written notice of the violation. If there is a substantial probability that a violation of the commercial diving standards could result in death or serious physical harm to a person engaged in harvesting geoduck clams, the department shall suspend the license immediately until the violation has been corrected. If the license holder is not the operator of the harvest vessel and has contracted with another person for the harvesting of geoducks, the department shall not suspend or revoke the license if the license holder terminates its business relationship with that person until compliance with this subsection is secured.

Representative Hankins moved the adoption of amendment (1172):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that the federal telecommunications act of 1996 has provided the opportunity to expand the uses of publicly owned rights of way to allow for the provision of enhanced telecommunications services. Presently, providers of these services are confronted with differing development regulations and franchise requirements across this state's two hundred seventy-seven cities and thirty-nine counties. The legislature finds the array of varying regulations and requirements to be a significant barrier to enhancing the telecommunications services to the citizens of the state, and desires more uniformity and reasonableness in the application of these regulations. However, states that have recently enacted laws relating to the use of public rights of way for telecommunications services have been challenged in court. Court decisions and relevant federal communications commission rulings will be issued after the legislature adjourns. Therefore, the most prudent course of action requires further work and cooperation between public policymakers, government administrators, and the telecommunications industry to effectuate the policy of this state.

(2) The legislature hereby declares it the policy of the state of Washington to: Promote policies that encourage competition in telecommunications and results in new entrants into the industry; encourage the development of telecommunications infrastructure without violating the letter or spirit of Article VIII, sections 5 and 7 of the state Constitution; reduce regulatory obstacles that inhibit investment in the state's telecommunications system; maintain safe public roads, highways, and streets; and provide responsible stewardship of the public's investment in its rights of ways.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout chapter . . . , Laws of 1998 (this act).

(1) "Authorized facilities" means all of the plant, equipment, fixtures, appurtenances, antennas, and other facilities necessary to furnish and deliver telecommunications services and cable television services, including but not limited to poles with crossarms, poles without crossarms, wires, lines, conduits, cables, communication and signal lines and equipment, braces, guys, anchors, vaults, and all attachments, appurtenances, and appliances necessary or incidental to the distribution and use of telecommunications services and cable television services.

(2) "Authorized user" means every corporation, company, association, joint stock association, partnership, and person; their lessees, trustees, or receivers appointed by any court whatsoever; and every city or town owning, operating, or managing any facilities used to provide telecommunications for hire, sale, or resale to the general public within this state.

(3) "Cable television service" means the one-way transmission to subscribers of video programming or other programming service and subscriber interaction, if any, which is required for the selection or use of such video programming or other programming service.

(4) "Limited access highways" means those public rights of way designated as limited access under authority of the laws of the state of Washington.

(5) "Public right of way" means public roads, streets, and highways, and does not include:

(a) Limited access highways;

For the purpose of chapter . . . , Laws of 1998 (this act), telecommunications services excludes the over-the-air transmission of broadcast television or radio signals. For the purpose of this subsection, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols.

**NEW SECTION. Sec. 3.** (1) The state, counties, cities, or towns shall not unreasonably deny the use of public right of way for the purposes of locating authorized facilities for telecommunications services or cable television services, provided:

(a) The authorized facilities comply with applicable land use and construction codes, regulations, standards, and lease and franchise requirements adopted by the state, counties, cities, and towns not inconsistent with state law;

(b) The authorized facilities are installed and maintained within public rights of way in such manner and at such points so as not to inconvenience the public use of the rights of way;

(c) The authorized users obtain all permits required for the installation of authorized facilities as required by the state, counties, cities, and towns;

(d) The authorized facilities are installed, constructed, maintained, and operated at the expense and liability of the authorized user;

(e) The use of the public right of way by authorized facilities does not create, expand, or extend liability of the state, counties, cities, or towns to a third party user of authorized facilities;

(f) The use of a facility or structure in the public right of way, or attachment to it, or the use of public property that is not public right of way has received the explicit approval of, and is under such conditions as may be agreed to by, the owner of the facility, structure, or property.

(2) The reasons for a denial of the use of the right of way where the request complies with subsection (1)(a) through (f) of this section shall be clearly stated in writing.

(3) Nothing in this section creates, modifies, or diminishes the priority of use for authorized facilities over other users of the right of way for other purposes.

**NEW SECTION. Sec. 4.** (1) Counties, cities, and towns may not adopt or enforce land use and construction codes, regulations, standards, or lease and franchise requirements that:

(a) Conflict with or duplicate the jurisdiction or requirements of the Washington utilities and transportation commission for approval to offer telecommunications services;

(b) Conflict with federal or state laws, rules, and regulations that specifically apply to the design, construction, and operation of authorized facilities or with federal or state worker safety or public safety laws, rules, and regulations;

(c) Regulate services of authorized users based upon the content or type of signals that are carried or are capable of being carried over the telecommunications facilities, except where specifically authorized in state or federal law.

(2) Nothing in this section limits the authority of the counties, cities, and towns to regulate the placement of authorized facilities through local zoning authority as long as:

(a) The regulations do not prohibit the placement of authorized facilities within the county, city, or town nor have the effect of a barrier to entry;

(b) The regulations do not unreasonably discriminate or have the effect of unreasonably discriminating between similarly situated authorized users or authorized facilities.

**NEW SECTION. Sec. 5.** (1) Except as provided in subsection (2) of this section, a county, city, or town shall not place a moratorium on the acceptance and processing of applications, permitting, construction, maintenance, repair, replacement, extension, operation, or use of any personal wireless communication facility after the effective date of this section. An existing moratorium that expires after the effective date of this section shall not be extended in whole or in part.

(2)(a) A city or town incorporated after the effective date of this section shall be permitted to impose one moratorium that shall not exceed one hundred eighty days and shall not be extendable.

(b) Upon the expiration of the moratorium authorized by (a) of this subsection, the authorizing city or town is subject to subsection (1) of this section.

(3) Counties, cities, and towns are encouraged to work together with industry, using the experience of the industry and those counties, cities, and towns that have adopted wireless regulations, to develop policies and provisions for the siting of wireless telecommunications facilities.

(4) Subsections (1) and (2) of this section apply to moratoriums one hundred twenty days after the adoption of a model ordinance or on April 1, 1999, whichever occurs first.

(5) This section expires October 1, 2003.

**NEW SECTION. Sec. 6.** (1) The state, counties, cities, and towns shall adopt procedures that enable each of these jurisdictions to issue permits for authorized facilities within one hundred twenty days from an applicant's filing of a complete application for a permit until issuance of the permit, except:

(a) Where required by specific procedures to assure cooperation of work within the right of way that provides reasonable opportunities for scheduling of work, including advance notice of planned work, and that do not impose unreasonable barriers to entry;

(b) With the agreement of the applicant;

(c) Where permits require the approval of another unit of government that cannot be obtained within the one hundred twenty-day period;

(d) Where franchises are required that require the approval of the legislative body of the jurisdiction, if procedures allow the interim installation of authorized facilities where the timeline to complete such a franchise agreement is expected to exceed one hundred twenty days;

(e) That issuance and renewals of franchises and related permits for cable television service are governed by federal law.

(2) For purposes of this section, the state, counties, cities, and towns shall adopt by rule or ordinance the specific requirements necessary to deem an application for a permit full and complete, and shall provide a copy of the requirements to all applicants.

**NEW SECTION. Sec. 7.** (1) Unless the legislative authority of a county, city, or town has taken legislative action prior to January 1, 1998, a county, city, or town shall not begin installation, or

cause to be installed, equipment, facilities, or other infrastructure, including but not limited to conduit, for the purpose of allowing a county, city, or town to provide for-profit telecommunications or cable television services to the general public.

(2) This section expires October 1, 2003.

**NEW SECTION. Sec. 8.** Except as provided in section 7 of this act, chapter . . ., Laws of 1998 (this act) does not amend, limit, repeal, or otherwise modify the authority of cities or counties to regulate cable television services as provided under federal law.

**Sec. 9.** RCW 35.21.860 and 1983 2nd ex.s. c 3 s 39 are each amended to read as follows:

A city or town may impose fees on authorized users for the use of a public right of way to recover costs as set forth under section 11 of this act.

(2) Subsection (1) of this section does not prohibit franchise fees imposed on an electrical energy, natural gas, or telephone business, by contract existing on April 20, 1982, with a city or town, for the duration of the contract, but the franchise fees shall be considered taxes for the purposes of the limitations established in RCW 35.21.865 and 35.21.870 to the extent the fees exceed the costs allowable under subsection (1) of this section.

**Sec. 10.** RCW 36.55.010 and 1963 c 4 s 36.55.010 are each amended to read as follows:

Any board of county commissioners may grant franchises to persons or private or municipal corporations to use the right of way of county roads in their respective counties for the construction and maintenance of waterworks, gas pipes, (~~((telephone, telegraph))~~) authorized facilities as defined in section 1 of this act, and electric light lines, sewers, and any other such facilities, except that no franchise fee or any other fee or charge or compensation of whatever nature or description may be imposed for the use of the public right of way for authorized facilities except as provided in section 11 of this act.

Representative Johnson moved the adoption of amendment (1138):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the ability to read fluently, accurately, and with comprehension is critical to success in school and in life. Research has found that reading instruction in the early grades must consist of a comprehensive program that builds upon the firm foundational skills of phonemic awareness, decoding, and reading comprehension, to provide students with the skills necessary to engage in rich literature activities, and further develop thinking and application skills. Schools and school districts should review their reading programs to verify they are using a comprehensive approach to teaching reading.

The role of professional development in supporting and sustaining a high-quality teaching force is critical. The legislature finds that many primary grade teachers would benefit from additional professional development instruction in beginning reading skills and access to current information regarding research-based, scientifically proven instructional strategies to assist students in meeting the benchmarks established for the essential academic learning requirements.

The legislature also recognizes that when students are experiencing difficulties in advancing their reading skills, the use of volunteers to provide individualized tutoring and mentoring to those students will improve students' ability to overcome those difficulties and increase their reading achievement.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.415 RCW to read as follows:

Schools interested in providing assistance to improve student learning in reading may apply for the following opportunities to provide professional development in beginning reading instructional strategies and related instructional materials and to implement volunteer tutoring programs for students throughout their school.

(1) To the extent funds are appropriated in accordance with this section, elementary schools interested in providing professional development and the purchase of related instructional materials in accordance with (a) of this subsection for certificated instructional staff that provide direct instructional services to students in kindergarten, first, and second grade may apply for and receive funding from the superintendent of public instruction. The application for funding shall be limited to:

(a) Verification that the intended professional development and related instructional materials include primary emphasis on the following beginning reading skills:

- (i) Phonemic awareness instruction;
- (ii) Explicit and systematic decoding instruction and diagnosis of a student's ability to decode;
- (iii) Explicit spelling instruction;
- (iv) Explicit instruction in reading comprehension strategies; and

(v) Research findings on the skills needed by beginning and proficient readers, and how beginning reading skills are acquired;

(b) Verification that grant funds expended in accordance with this section will not be used for intervention or remediation programs; and

(c) Verification that the professional development will be provided by a public or private contractor that provides training in the methods required in this section.

(2) To the extent funds are appropriated in accordance with this section, elementary schools interested in providing programs that use volunteer tutors and mentors to assist struggling readers in kindergarten through sixth grade may apply for grants from the superintendent of public instruction for programs that are research-based and have proven effectiveness in improving student performance. The programs must include the following elements:

(a) Teacher training in research-based effective reading strategies and effective use of classroom volunteers with struggling readers;

(b) Training for tutor and mentor volunteers in research-based effective reading strategies before the volunteers participate in the program;

(c) An established goal for a minimum number of volunteer contact hours for students to receive individual instruction from teachers, and tutor or mentor volunteers during the summer, other intercessions for schools with year-round schedules or other vacation periods, or during normal school hours; and

(d) A plan to assess student reading performance before entering the program and upon exit or at the end of the year as appropriate. The results must be compiled and reported to the superintendent of public instruction. The superintendent of public instruction shall provide an initial report to the legislature by March 1, 1999, and a final report to the legislature by December 1999 on the effectiveness of the various programs.

(3) For applications submitted before June 1, 1998, priority for funds in accordance with this section shall be given to those schools in which less than one-quarter of all students tested on the fourth grade assessment in reading met the state-wide standard, or in schools where average performance on the reading component of the state-wide standardized test required in RCW 28A.230.190 were in the bottom quartile for the previous three years. Priority shall then be given to those schools in which less than one-third of all students tested on the fourth grade assessment in reading met the state-wide standard, or in schools where average performance on the reading component of the state-wide standardized test required in RCW 28A.230.190 were in the bottom third for the previous three years. Priority shall then be given to schools in which one-half of all students tested on the fourth grade assessment in reading met the state-wide standard, or in schools where average performance on the reading component of the state-wide standardized test required in RCW 28A.230.190 were in the bottom half for the previous three years. Beginning June 1, 1998, the superintendent of public instruction shall open the application process to all schools without regard to performance on reading tests. For applications received after June 1, 1998, the superintendent shall provide funds to qualified applicants on a first-come, first-served basis, based on the date of application.

(4) Funds provided in accordance with this section may be used to provide additional professional development materials for interested school principals and classroom volunteers providing assistance in kindergarten, first, and second grades, interested in attending the professional development opportunity identified in subsection (1) of this section.

(5) Teachers participating in professional development opportunities in accordance with subsection (1) of this section or in volunteer programs in accordance with subsection (2) of this section will receive a stipend from the funds.

(6) An elementary school receiving funds in accordance with subsection (1) of this section shall certify and provide documentation to the superintendent of public instruction that funds received were expended for professional development and related materials in accordance with this section.

(7) Schools or school districts that received funds under RCW 28A.300.330 are not eligible to apply for funding in accordance with subsection (1) of this section.

(8) Until final allocation of funds for purposes of section 2(1) of this act by the superintendent of public instruction, or at the end of the 1998-99 school year, whichever occurs first, the following definitions apply throughout this section unless the context clearly requires otherwise.

(a) "Phonemic awareness instruction" means teaching awareness of letter sounds, and segmenting and blending phonemes, syllables, and words in a sequential progression.

(b) "Explicit systematic decoding instruction" means direct, sequential teaching of how to read words fluently and automatically by providing instruction in letter-sound correspondences, letter combinations, multisyllabic words, blending, and structural elements, and initially incorporates the use of decodable text.

(c) "Decodable text" means connected text containing a high percentage of words that provide practice on the letter-sound correspondences and letter combinations previously taught.

(d) "Diagnosis of a student's ability to decode" means regularly assessing the student's mastery of word recognition, fluency and automaticity, and word analysis in order to plan future instructional activities.

(e) "Explicit and systematic instruction in spelling" means teaching a logical scope and sequence of word knowledge, spelling patterns, syllabication, and frequently used words connected to the sequence used in reading and writing instruction.

(f) "Instruction in reading comprehension skills" means explicit, systematic teaching of vocabulary development, text structure, context, syntax, and syntactic patterns, including but not limited to, strategies for higher order thinking skills such as interpretation, summarization, prediction, clarification, and question generation.

(9) By April 15th, the superintendent of public instruction shall notify all school districts that the funds under this section are available. By June 1, 1998, school districts shall provide a budget estimate to the superintendent of public instruction of the amount of funds expected to be used for purposes of this section. The superintendent shall allocate funding for applications received after June 1, 1998, to the extent funds remain from allocations budgeted to applications eligible before June 1, 1998. Funding provided must be available to schools no later than June 1, 1998. Elementary schools may apply and become eligible for both funding opportunities in accordance with this section. Funds for this section may be expended through the end of the 1998-99 school year.

(10) This section expires June 30, 2001.

NEW SECTION. **Sec. 3.** This act may be known and cited as the successful readers act.

NEW SECTION. **Sec. 4.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1998, in the omnibus appropriations act, this act is null and void.

NEW SECTION. **Sec. 5.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

#### THIRD READING

SENATE AMENDMENTS TO HOUSE BILL

March 3, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1121 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 13.34.030 and 1997 c 386 s 7 are each amended to read as follows:

For purposes of this chapter:

(1) "Child" and "juvenile" means any individual under the age of eighteen years.

(2) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree, a permanent custody order, or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child's current placement episode.

(3) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.

(4) "Dependent child" means any child:

(a) Who has been abandoned; that is, where the child's parent, guardian, or other custodian has expressed either by statement or conduct, an intent to forego, for an extended period, parental rights or parental responsibilities despite an ability to do so. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon;

(b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child; or

(c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development.

(5) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(6) "Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(7) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(8) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

(9) "Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services capable of preventing the need for out-of-home placement while protecting the child.

**Sec. 2.** RCW 13.34.130 and 1997 c 280 s 1 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after

consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is related to the child as defined in RCW 74.15.020(4)(a) and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the

child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child

is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

**Sec. 3.** RCW 13.34.145 and 1995 c 311 s 20 and 1995 c 53 s 2 are each reenacted and amended to read as follows:

(1) A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(a) Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older and the provisions of subsection (2) of this section are met.

(b) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(d) For purposes related to permanency planning:

(i) "Guardianship" means a dependency guardianship pursuant to this chapter, a legal guardianship pursuant to chapter 11.88 RCW, or equivalent laws of another state or a federally recognized Indian tribe.

(ii) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(iii) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or of a federally recognized Indian tribe.

(2) Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a

transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(3)(a) For children ten and under, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree ~~((or))~~, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) For children over ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree ~~((or))~~, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.

(4) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve or eighteen months, as provided in subsection (3) of this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree ~~((or))~~, guardianship order, or permanent custody order is entered, or the dependency is dismissed.

(5) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(6) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(5) and shall review the permanency plan prepared by the agency. If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280. If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. In cases where the primary permanency planning goal has not yet been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. In all cases, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.130(5), and the court shall determine the need for continued intervention.

(8) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when, (a) the court has ordered implementation of a permanency plan that includes legal guardianship or permanent legal custody, and (b) the party pursuing the legal guardianship or permanent legal custody is the party identified in the permanency plan as the prospective legal guardian or custodian. During the pendency of such proceeding, juvenile court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

~~((9))~~ (10) Except as otherwise provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.130(5), until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

~~((10))~~ (11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

~~((11))~~ (12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights.

~~((12))~~ (13) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

**Sec. 4.** RCW 26.10.030 and 1987 c 460 s 27 are each amended to read as follows:

(1) Except as authorized for proceedings brought under chapter 26.50 RCW in district or municipal courts, a child custody proceeding is commenced in the superior court by a person other than a parent, by filing a petition seeking custody of the child in the county where the child is permanently resident or where the child is found, but only if the child is not in the physical custody of one of its parents or if the petitioner alleges that neither parent is a suitable custodian. Prior to a child custody hearing, the court shall determine if the child is the subject of a pending dependency action.

(2) Notice of a child custody proceeding shall be given to the child's parent, guardian and custodian, who may appear and be heard and may file a responsive pleading. The court may, upon a showing of good cause, permit the intervention of other interested parties."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "amending RCW 13.34.030, 13.34.130, and 26.10.030; and reenacting and amending RCW 13.34.145."

and the same are herewith transmitted.

### SENATE AMENDMENTS TO HOUSE BILL

March 2, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1193 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 39.29.003 and 1993 c 433 s 1 are each amended to read as follows:

It is the intent of this chapter to establish a policy of open competition for all personal service contracts (~~and subcontracts to personal service contracts~~) entered into by state agencies, unless specifically exempted under this chapter. It is further the intent to provide for legislative and executive review of all personal service contracts, to centralize the location of information about personal service contracts for ease of public review, and ensure proper accounting of personal services expenditures.

**Sec. 2.** RCW 39.29.006 and 1993 c 433 s 2 are each amended to read as follows:

As used in this chapter:

(1) "Agency" means any state office or activity of the executive and judicial branches of state government, including state agencies, departments, offices, divisions, boards, commissions, and educational, correctional, and other types of institutions.

(2) "Client services" means services provided directly to agency clients including, but not limited to, medical and dental services, employment and training programs, residential care, and subsidized housing.

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed House Bill No. 1835 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 43.88.160 and 1997 c 168 s 6 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for fiscal management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources, and obligations of the state shall be properly and systematically accounted for. The accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the appropriate legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.

(2) Except as provided in chapter 43.88C RCW, the director of financial management is responsible for quarterly reporting of primary operating budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

(3) The director of financial management shall report at least annually to the appropriate legislative committees regarding the status of all appropriated capital projects, including transportation projects, showing significant cost overruns or underruns. If funds are shifted from one project to another, the office of financial management shall also reflect this in the annual variance report. Once a project is complete, the report shall provide a final summary showing estimated start and completion dates of each project phase compared to actual dates, estimated costs of each project phase compared to actual costs, and whether or not there are any outstanding liabilities or unsettled claims at the time of completion.

(4) In addition, the director of financial management, as agent of the governor, shall:

(a) Develop and maintain a system of internal controls and internal audits comprising methods and procedures to be adopted by each agency that will safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies for accounting and financial controls. The system developed by the director shall include criteria for determining the scope and comprehensiveness of internal controls required by classes of agencies, depending on the level of resources at risk.

Each agency head or authorized designee shall be assigned the responsibility and authority for establishing and maintaining internal audits following the standards of internal auditing of the institute of internal auditors;

(b) Make surveys and analyses of agencies with the object of determining better methods and increased effectiveness in the use of manpower and materials; and the director shall authorize expenditures for employee training to the end that the state may benefit from training facilities made available to state employees;

(c) Establish policies for allowing the contracting of child care services;

(d) Report to the governor with regard to duplication of effort or lack of coordination among agencies;

(e) Review any pay and classification plans, and changes thereunder, developed by any agency for their fiscal impact: PROVIDED, That none of the provisions of this subsection shall affect merit systems of personnel management now existing or hereafter established by statute relating to the fixing of qualifications requirements for recruitment, appointment, or promotion of employees of any agency. The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter said plans, except that for the following agencies no amendment or alteration of said plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(f) Fix the number and classes of positions or authorized man years of employment for each agency and during the fiscal period amend the determinations previously fixed by the director except that the director shall not be empowered to fix said number or said classes for the following: Agencies headed by elective officials;

(g) Adopt rules to effectuate provisions contained in (a) through (f) of this subsection.

(5) The treasurer shall:

(a) Receive, keep, and disburse all public funds of the state not expressly required by law to be received, kept, and disbursed by some other persons: PROVIDED, That this subsection shall not apply to those public funds of the institutions of higher learning which are not subject to appropriation;

(b) Receive, disburse, or transfer public funds under the treasurer's supervision or custody;

(c) Keep a correct and current account of all moneys received and disbursed by the treasurer, classified by fund or account;

(d) Coordinate agencies' acceptance and use of credit cards and other payment methods, if the agencies have received authorization under RCW 43.41.180;

(e) Perform such other duties as may be required by law or by regulations issued pursuant to this law.

It shall be unlawful for the treasurer to disburse public funds in the treasury except upon forms or by alternative means duly prescribed by the director of financial management. These forms or alternative means shall provide for authentication and certification by the agency head or the agency head's designee that the services have been rendered or the materials have been furnished; or, in the case of loans or grants, that the loans or grants are authorized by law; or, in the case of payments for periodic maintenance services to be performed on state owned equipment, that a written contract for such periodic maintenance services is currently in effect and copies thereof are on file with the office of financial management; and the treasurer shall not be liable under the treasurer's surety bond for erroneous or improper payments so made. When services are lawfully paid for in advance of full performance by any private individual or business entity other than as provided for by RCW 42.24.035, such individual or entity other than central stores rendering such services shall make a cash deposit or furnish surety bond coverage to the state as shall be fixed in an amount by law, or if not fixed by law, then in such amounts as shall be fixed by the director of the department of general administration but in no case shall such required cash deposit or surety bond be less than an amount which will fully indemnify the state against any and all losses on account of breach of promise to fully perform such services. No payments shall be made in advance for any equipment maintenance services to be performed more than three months after such payment. Any such bond so furnished shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head's designee in accordance with regulations issued pursuant to this chapter. Nothing in this section shall be construed to permit a public body to advance funds to a private service provider pursuant to a grant or loan before services have been rendered or material furnished.

(6) The state auditor shall:

(a) Report to the legislature the results of current post audits that have been made of the financial transactions of each agency; to this end the auditor may, in the auditor's discretion, examine the books and accounts of any agency, official, or employee charged with the receipt, custody, or safekeeping of public funds. Where feasible in conducting examinations, the auditor shall utilize data and findings from the internal control system prescribed by the office of financial management. The current post audit of each agency may include a section on recommendations to the legislature as provided in (c) of this subsection.

(b) Give information to the legislature, whenever required, upon any subject relating to the financial affairs of the state.

(c) Make the auditor's official report on or before the thirty-first of December which precedes the meeting of the legislature. The report shall be for the last complete fiscal period and shall include determinations as to whether agencies, in making expenditures, complied with the laws of this state. The state auditor is authorized to perform or participate in performance verifications and performance audits as expressly authorized by the legislature in the omnibus biennial appropriations acts or in the performance audit work plan approved by the joint legislative audit and review committee. The state auditor, upon completing an audit for legal and financial compliance under chapter 43.09 RCW or a performance verification, may report to the joint legislative audit and review committee or other appropriate committees of the legislature, in a manner prescribed by the joint legislative audit and review committee, on facts relating to the management or performance of governmental programs where such facts are discovered incidental to the legal and financial audit or performance verification. The auditor may make such a report to a legislative committee only if the auditor has determined that the agency has been given an opportunity and has failed to resolve the management or performance issues raised by the auditor. If the auditor makes a report to a legislative committee, the agency may submit to the committee a response to the report. This subsection (6) shall not be construed to authorize the auditor to allocate other than de minimis resources to performance audits except as expressly authorized in the appropriations acts or in the performance audit work plan. The results of a performance audit conducted by the state auditor that has been requested by the joint legislative audit and review committee must only be transmitted to the joint legislative audit and review committee.

(d) Be empowered to take exception to specific expenditures that have been incurred by any agency or to take exception to other practices related in any way to the agency's financial transactions and to cause such exceptions to be made a matter of public record, including disclosure to the agency concerned and to the director of financial management. It shall be the duty of the director of financial management to cause corrective action to be taken (~~promptly~~) within six months, such action to include, as appropriate, the withholding of funds as provided in RCW 43.88.110. The director of financial management shall annually report by December 31st the status of audit resolution to the appropriate committees of the legislature, the state auditor, and the attorney general. The director of financial management shall include in the audit resolution report actions taken as a result of an audit including, but not limited to, types of personnel actions, costs and types of litigation, and value of recouped goods or services.

(e) Promptly report any irregularities to the attorney general.

(f) Investigate improper governmental activity under chapter 42.40 RCW.

(7) The joint legislative audit and review committee may:

(a) Make post audits of the financial transactions of any agency and management surveys and program reviews as provided for in chapter 44.28 RCW as well as performance audits and program evaluations. To this end the joint committee may in its discretion examine the books, accounts, and other records of any agency, official, or employee.

(b) Give information to the legislature or any legislative committee whenever required upon any subject relating to the performance and management of state agencies.

(c) Make a report to the legislature which shall include at least the following:

(i) Determinations as to the extent to which agencies in making expenditures have complied with the will of the legislature and in this connection, may take exception to specific expenditures or financial practices of any agencies; and

(ii) Such plans as it deems expedient for the support of the state's credit, for lessening expenditures, for promoting frugality and economy in agency affairs, and generally for an improved level of fiscal management."

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 40.24.010 and 1991 c 23 s 1 are each amended to read as follows:

The legislature finds that persons attempting to escape from actual or threatened domestic violence or sexual assault frequently establish new addresses in order to prevent their assailants or probable assailants from finding them. The purpose of this chapter is to enable state and local agencies to respond to requests for public records without disclosing the location of a victim of domestic violence or sexual assault, to enable interagency cooperation with the secretary of state in providing address confidentiality for victims of domestic violence or sexual assault, and to enable state and local agencies to accept a program participant's use of an address designated by the secretary of state as a substitute mailing address.

**Sec. 2.** RCW 40.24.030 and 1991 c 23 s 3 are each amended to read as follows:

(1) An adult person, a parent or guardian acting on behalf of a minor, or a guardian acting on behalf of an incapacitated person, as defined in RCW 11.88.010, may apply to the secretary of state to have an address designated by the secretary of state serve as the person's address or the address of the

minor or incapacitated person. The secretary of state shall approve an application if it is filed in the manner and on the form prescribed by the secretary of state and if it contains:

(a) A sworn statement by the applicant that the applicant has good reason to believe (i) that the applicant, or the minor or incapacitated person on whose behalf the application is made, is a victim of domestic violence or sexual assault; and (ii) that the applicant fears for his or her safety or his or her children's safety, or the safety of the minor or incapacitated person on whose behalf the application is made;

(b) A designation of the secretary of state as agent for purposes of service of process and for the purpose of receipt of mail;

(c) The mailing address where the applicant can be contacted by the secretary of state, and the phone number or numbers where the applicant can be called by the secretary of state;

(d) The new address or addresses that the applicant requests not be disclosed for the reason that disclosure will increase the risk of domestic violence or sexual assault;

(e) The signature of the applicant and of any individual or representative of any office designated in writing under RCW 40.24.080 who assisted in the preparation of the application, and the date on which the applicant signed the application.

**Sec. 9.** RCW 57.08.081 and 1997 c 447 s 19 are each amended to read as follows:

The commissioners of any district shall provide for revenues by fixing rates and charges for furnishing sewer and drainage service and facilities to those to whom service is available or for providing water, such rates and charges to be fixed as deemed necessary by the commissioners, so that uniform charges will be made for the same class of customer or service and facility. Rates and charges may be combined for the furnishing of more than one type of sewer or drainage service and ((facility such as but not limited to storm or surface water and sanitary)) facilities.

In classifying customers of such water, sewer, or drainage system, the board of commissioners may in its discretion consider any or all of the following factors: The difference in cost to various customers; the location of the various customers within and without the district; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the service and facility furnished; the time of its use; the achievement of water conservation goals and the discouragement of wasteful practices; capital contributions made to the system including but not limited to assessments; and any other matters which present a reasonable difference as a ground for distinction. Rates shall be established as deemed proper by the commissioners and as fixed by resolution and shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for efficient and proper operation of the system.

The commissioners shall enforce collection of connection charges, and rates and charges for water supplied against property owners connecting with the system or receiving such water, and for sewer and drainage services charged against property to which and its owners to whom the service is available, such charges being deemed charges against the property served, by addition of penalties of not more than ten percent thereof in case of failure to pay the charges at times fixed by resolution. The commissioners may provide by resolution that where either connection charges or rates and charges for services supplied are delinquent for any specified period of time, the district shall certify the delinquencies to the ((treasurer)) auditor of the county in which the real property is located, and the charges and any penalties added thereto and interest thereon at the rate of not more than the prime lending rate of the district's bank plus four percentage points per year shall be a lien against the property upon which the service was received, subject only to the lien for general taxes.

The district may, at any time after the connection charges or rates and charges for services supplied or available and penalties are delinquent for a period of sixty days, bring suit in foreclosure by civil action in the superior court of the county in which the real property is located. The court may allow, in addition to the costs and disbursements provided by statute, attorneys' fees, title search and report costs, and expenses as it adjudges reasonable. The action shall be in rem, and may be brought in the name of the district against an individual or against all of those who are delinquent in one action. The laws and rules of the court shall control as in other civil actions.

In addition to the right to foreclose provided in this section, the district may also cut off all or part of the service after charges for water or sewer service supplied or available are delinquent for a period of sixty days.

#### SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed House Bill No. 1172 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.44.130 and 1997 c 340 s 3 and 1997 c 113 s 3 are each reenacted and amended to read as follows:

(1) Any adult or juvenile residing, or who is a student, is employed, or carries on a vocation in this state who has been found to have committed or has been convicted of any sex offense or kidnapping offense, or who has been found not guilty by reason of insanity under chapter 10.77 RCW of committing any sex offense or kidnapping offense, shall register with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. Where a person required to register under this section is in custody of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility as a result of a sex offense or kidnapping offense, the person shall also register at the time of release from custody with an official designated by the agency that has jurisdiction over the person.

(2) The person shall provide ~~((the county sheriff with))~~ the following information when registering: (a) Name; (b) address; (c) date and place of birth; (d) place of employment; (e) crime for which convicted; (f) date and place of conviction; (g) aliases used; ~~((and))~~ (h) social security number; (i) photograph; and (j) fingerprints.

(3)(a) Offenders shall register within the following deadlines. For purposes of this section the term "conviction" refers to adult convictions and juvenile adjudications for sex offenses or kidnapping offenses:

(i) OFFENDERS IN CUSTODY. (A) Sex offenders who committed a sex offense on, before, or after February 28, 1990, and who, on or after July 28, 1991, are in custody, as a result of that offense, of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, and (B) kidnapping offenders who on or after July 27, 1997, are in custody of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, must register at the time of release from custody with an official designated by the agency that has jurisdiction over the offender. The agency shall within three days forward the registration information to the county sheriff for the county of the offender's anticipated residence. The offender must also register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. The agency that has jurisdiction over the offender shall provide notice to the offender of the duty to register. Failure to register at the time of release and within twenty-four hours of release constitutes a violation of this section and is punishable as provided in subsection ~~((7))~~ (8) of this section.

When the agency with jurisdiction intends to release an offender with a duty to register under this section, and the agency has knowledge that the offender is eligible for developmental disability services from the department of social and health services, the agency shall notify the division of developmental disabilities of the release. Notice shall occur not more than thirty days before the offender is to be released. The agency and the division shall assist the offender in meeting the initial registration requirement under this section. Failure to provide such assistance shall not constitute a defense for any violation of this section.

(ii) OFFENDERS NOT IN CUSTODY BUT UNDER STATE OR LOCAL JURISDICTION. Sex offenders who, on July 28, 1991, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 28, 1991. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection (3)(a)(ii) as of July 28, 1991, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iii) OFFENDERS UNDER FEDERAL JURISDICTION. Sex offenders who, on or after July 23, 1995, and kidnapping offenders who, on or after July 27, 1997, as a result of that offense are in the

custody of the United States bureau of prisons or other federal or military correctional agency for sex offenses committed before, on, or after February 28, 1990, or kidnapping offenses committed on, before, or after July 27, 1997, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. Sex offenders who, on July 23, 1995, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 23, 1995. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection (3)(a)(iii) as of July 23, 1995, or a kidnapping offender required to register as of July 27, 1997 shall not relieve the offender of the duty to register or to reregister following a change in residence, or if the person is not a resident of Washington, the county of the person's school, or place of employment or vocation. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iv) **OFFENDERS WHO ARE CONVICTED BUT NOT CONFINED.** Sex offenders who are convicted of a sex offense on or after July 28, 1991, for a sex offense that was committed on or after February 28, 1990, and kidnapping offenders who are convicted on or after July 27, 1997, for a kidnapping offense that was committed on or after July 27, 1997, but who are not sentenced to serve a term of confinement immediately upon sentencing, shall report to the county sheriff to register immediately upon completion of being sentenced.

(v) **OFFENDERS WHO ARE NEW RESIDENTS OR RETURNING WASHINGTON RESIDENTS.** Sex offenders and kidnapping offenders who move to Washington state from another state or a foreign country that are not under the jurisdiction of the state department of corrections, the indeterminate sentence review board, or the state department of social and health services at the time of moving to Washington, must register within thirty days of establishing residence or reestablishing residence if the person is a former Washington resident. The duty to register under this subsection applies to sex offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after February 28, 1990, and to kidnapping offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after July 27, 1997. Sex offenders and kidnapping offenders from other states or a foreign country who, when they move to Washington, are under the jurisdiction of the department of corrections, the indeterminate sentence review board, or the department of social and health services must register within twenty-four hours of moving to Washington. The agency that has jurisdiction over the offender shall notify the offender of the registration requirements before the offender moves to Washington.

(vi) **OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY.** Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of (A) committing a sex offense on, before, or after February 28, 1990, and who, on or after July 23, 1995, is in custody, as a result of that finding, of the state department of social and health services, or (B) committing a kidnapping offense on, before, or after July 27, 1997, and who on or after July 27, 1997, is in custody, as a result of that finding, of the state department of social and health services, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. The state department of social and health services shall provide notice to the adult or juvenile in its custody of the duty to register. Any adult or juvenile who has been found not guilty by reason of insanity of committing a sex offense on, before, or after February 28, 1990, but who was released before July 23, 1995, or any adult or juvenile who has been found not guilty by reason of insanity of committing a kidnapping offense but who was released before July 27, 1997, shall be required to register within twenty-four hours of receiving notice of this registration requirement. The state department of social and health services shall make reasonable attempts within available resources to notify sex offenders who were released before July 23, 1995, and kidnapping offenders who were released before July 27, 1997. Failure to register within twenty-four hours of release, or of receiving notice, constitutes a violation of this section and is punishable as provided in subsection ~~((7))~~ (8) of this section.

(b) Failure to register within the time required under this section constitutes a per se violation of this section and is punishable as provided in subsection ~~((7))~~ (8) of this section. The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of this section, or arraignment on charges for a violation of this section, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under this section who asserts as a defense the lack of notice of the duty to register shall register immediately following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (3)(c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

(4)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must send written notice of the change of address to the county sheriff ~~((at least fourteen days before))~~ within seventy-two hours of moving. If any person required to register pursuant to this section moves to a new county, the person must send written notice of the change of address at least fourteen days before moving to the county sheriff in the new county of residence and must register with that county sheriff within twenty-four hours of moving. The person must also send written notice within ten days of the change of address in the new county to the county sheriff with whom the person last registered. The county sheriff with whom the person last registered shall promptly forward the information concerning the change of address to the county sheriff for the county of the person's new residence. If any person required to register pursuant to this section moves out of Washington state, the person must also send written notice within ten days of moving to the new state or a foreign country to the county sheriff with whom the person last registered in Washington state. Upon receipt of notice of change of address to a new state, the county sheriff shall promptly forward the information regarding the change of address to the agency designated by the new state as the state's offender registration agency.

(b) It is an affirmative defense to a charge that the person failed to send a notice at least fourteen days in advance of moving as required under (a) of this subsection that the person did not know the location of his or her new residence at least fourteen days before moving. The defendant must establish the defense by a preponderance of the evidence and, to prevail on the defense, must also prove by a preponderance that the defendant sent the required notice within twenty-four hours of determining the new address.

(5) A sex offender subject to registration requirements under this section who applies to change his or her name under RCW 4.24.130 or any other law shall submit a copy of the application to the county sheriff of the county of the person's residence and to the state patrol not fewer than five days before the entry of an order granting the name change. No sex offender under the requirement to register under this section at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate law enforcement interests, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. A sex offender under the requirement to register under this section who receives an order changing his or her name shall submit a copy of the order to the county sheriff of the county of the person's residence and to the state patrol within five days of the entry of the order.

(6) The county sheriff shall obtain a photograph of the individual and shall obtain a copy of the individual's fingerprints.

~~((6))~~ (7) For the purpose of RCW 9A.44.130, 10.01.200, 43.43.540, 70.48.470, and 72.09.330:

(a) "Sex offense" means any offense defined as a sex offense by RCW 9.94A.030 and any violation of RCW 9.68A.040 (sexual exploitation of a minor), 9.68A.050 (dealing in depictions of minor engaged in sexually explicit conduct), 9.68A.060 (sending, bringing into state depictions of minor engaged in sexually explicit conduct), 9.68A.090 (communication with minor for immoral purposes), 9.68A.100 (patronizing juvenile prostitute), or 9A.44.096 (sexual misconduct with a minor in the second degree), as well as any gross misdemeanor that is, under chapter 9A.28 RCW, a criminal attempt, criminal solicitation, or criminal conspiracy to commit an offense that is classified as a sex offense under RCW 9.94A.030.

(b) "Kidnapping offense" means the crimes of kidnapping in the first degree, kidnapping in the second degree, and unlawful imprisonment as defined in chapter 9A.40 RCW, where the victim is a minor and the offender is not the minor's parent.

~~((7))~~ (c) "Employed" or "carries on a vocation" means employment that is full-time or part-time for a period of time exceeding fourteen days, or for an aggregate period of time exceeding thirty days during any calendar year. A person is employed or carries on a vocation whether the person's employment is financially compensated, volunteered, or for the purpose of government or educational benefit.

(d) "Student" means a person who is enrolled, on a full-time or part-time basis, in any public or private educational institution. An educational institution includes any secondary school, trade or professional institution, or institution of higher education.

(8) A person who knowingly fails to register or who moves without notifying the county sheriff, or who changes his or her name without notifying the county sheriff and the state patrol, as required by this section is guilty of a class C felony if the crime for which the individual was convicted was a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be a felony. If the crime was other than a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be other than a felony, violation of this section is a gross misdemeanor.

**Sec. 2.** RCW 9A.44.135 and 1995 c 248 s 3 are each amended to read as follows:

(1) When ~~((a-sex))~~ an offender registers with the county sheriff pursuant to RCW 9A.44.130, the county sheriff shall make reasonable attempts to verify that the ~~((sex))~~ offender is residing at the registered address. Reasonable attempts at verifying an address shall include at a minimum ~~((sending certified mail, with return receipt requested, to the sex offender at the registered address, and if the return receipt is not signed by the sex offender, talking in person with the residents living at the address))~~:

(a) Each year the county sheriff shall send by certified mail, with return receipt requested, a nonforwardable verification form to the offender at the offender's last registered address.

(b) The offender must sign the verification form, state on the form whether he or she still resides at the last registered address, and return the form to the county sheriff within ten days after receipt of the form.

(2) The sheriff shall make reasonable attempts to locate any sex offender who fails to return the verification form or who cannot be located at the registered address. If the offender fails to return the verification form or the offender is not at the last registered address, the county sheriff shall promptly forward this information to the Washington state patrol for inclusion in the central registry of sex offenders.

**Sec. 3.** RCW 9A.44.140 and 1997 c 113 s 4 are each amended to read as follows:

(1) The duty to register under RCW 9A.44.130 shall end:

(a) For a person convicted of a class A felony, or a person convicted of any sex offense or kidnapping offense who has one or more prior conviction for a sex offense or kidnapping offense: Such person may only be relieved of the duty to register under subsection (3) or (4) of this section.

(b) For a person convicted of a class B felony, and the person does not have one or more prior conviction for a sex offense or kidnapping offense: Fifteen years after the last date of release from confinement, if any, (including full-time residential treatment) pursuant to the conviction, or entry of the judgment and sentence, if the person has spent fifteen consecutive years in the community without being convicted of any new offenses.

(c) For a person convicted of a class C felony, a violation of RCW 9.68A.090 or 9A.44.096, or an attempt, solicitation, or conspiracy to commit a class C felony, and the person does not have one or more prior conviction for a sex offense or kidnapping offense: Ten years after the last date of release from confinement, if any, (including full-time residential treatment) pursuant to the conviction, or entry of the judgment and sentence, if the person has spent ten consecutive years in the community without being convicted of any new offenses.

(2) The provisions of subsection (1) of this section shall apply equally to a person who has been found not guilty by reason of insanity under chapter 10.77 RCW of a sex offense or kidnapping offense.

(3) Any person having a duty to register under RCW 9A.44.130 may petition the superior court to be relieved of that duty, if the person has spent ten consecutive years in the community without being convicted of any new offenses. The petition shall be made to the court in which the petitioner was convicted of the offense that subjects him or her to the duty to register, or, in the case of convictions in other states, a foreign country, or a federal or military court, to the court in Thurston county. The prosecuting attorney of the county shall be named and served as the respondent in any such petition. The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before and after conviction, and may consider other factors. Except as provided in subsection (4) of this section, the court may relieve the petitioner of the duty to register only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

(4) An offender having a duty to register under RCW 9A.44.130 for a sex offense or kidnapping offense committed when the offender was a juvenile may petition the superior court to be relieved of that duty. The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before and after adjudication, and may consider other factors. The court may relieve the petitioner of the duty to register for a sex offense or kidnapping offense that was committed while the petitioner was fifteen years of age or older only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330. The court may relieve the petitioner of the duty to register for a sex offense or kidnapping offense that was committed while the petitioner was under the age of fifteen if the petitioner (a) has not been adjudicated of any additional sex offenses or kidnapping offenses during the twenty-four months following the adjudication for the offense giving rise to the duty to register, and (b) the petitioner proves by a preponderance of the evidence that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

This subsection shall not apply to juveniles prosecuted as adults.

(5) Unless relieved of the duty to register pursuant to this section, a violation of RCW 9A.44.130 is an ongoing offense for purposes of the statute of limitations under RCW 9A.04.080.

(6) Nothing in RCW 9.94A.220 relating to discharge of an offender shall be construed as operating to relieve the offender of his or her duty to register pursuant to RCW 9A.44.130.

**Sec. 4.** RCW 43.43.540 and 1997 c 113 s 6 are each amended to read as follows:

The county sheriff shall forward the information, photographs, and fingerprints obtained pursuant to RCW 9A.44.130, including any notice of change of address, to the Washington state patrol within five working days. The state patrol shall maintain a central registry of sex offenders and kidnapping offenders required to register under RCW 9A.44.130 and shall adopt rules consistent with chapters 10.97, 10.98, and 43.43 RCW as are necessary to carry out the purposes of RCW 9A.44.130, 9A.44.140, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330. The Washington state patrol shall reimburse the counties for the costs of processing the offender registration, including taking the fingerprints and the photographs.

**Sec. 5.** RCW 4.24.130 and 1995 1st sp.s. c 19 s 14 are each amended to read as follows:

(1) Any person desiring a change of his or her name or that of his or her child or ward, may apply therefor to the district court of the judicial district in which he or she resides, by petition setting forth the reasons for such change; thereupon such court in its discretion may order a change of the name and thenceforth the new name shall be in place of the former.

(2) An offender under the jurisdiction of the department of corrections who applies to change his or her name under subsection (1) of this section shall submit a copy of the application to the department of corrections not fewer than five days before the entry of an order granting the name change. No offender under the jurisdiction of the department of corrections at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate penological interests, except that no order shall be denied when the name change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. An offender under the jurisdiction of the department of corrections who receives an order changing his or

her name shall submit a copy of the order to the department of corrections within five days of the entry of the order. Violation of this subsection is a misdemeanor.

(3) A sex offender subject to registration under RCW 9A.44.130 who applies to change his or her name under subsection (1) of this section shall follow the procedures set forth in RCW 9A.44.130(5).

(4) The district court shall collect the fees authorized by RCW 36.18.010 for filing and recording a name change order, and transmit the fee and the order to the county auditor. The court may collect a reasonable fee to cover the cost of transmitting the order to the county auditor.

~~((4))~~ (5) Name change petitions may be filed and shall be heard in superior court when the person desiring a change of his or her name or that of his or her child or ward is a victim of domestic violence as defined in RCW 26.50.010(1) and the person seeks to have the name change file sealed due to reasonable fear for his or her safety or that of his or her child or ward. Upon granting the name change, the superior court shall seal the file if the court finds that the safety of the person seeking the name change or his or her child or ward warrants sealing the file. In all cases filed under this subsection, whether or not the name change petition is granted, there shall be no public access to any court record of the name change filing, proceeding, or order, unless the name change is granted but the file is not sealed.

**Sec. 6.** RCW 4.24.550 and 1997 c 364 s 1 and 1997 c 113 s 2 are each reenacted and amended to read as follows:

(1) Public agencies are authorized to release information to the public regarding sex offenders and kidnapping offenders when the agency determines that disclosure of the information is relevant and necessary to protect the public and counteract the danger created by the particular offender. This authorization applies to information regarding: (a) Any person adjudicated or convicted of a sex offense as defined in RCW ~~((9.94A.030))~~ 9A.44.130 or a kidnapping offense as defined by RCW 9A.44.130; (b) any person under the jurisdiction of the indeterminate sentence review board as the result of a sex offense or kidnapping offense; (c) any person committed as a sexually violent predator under chapter 71.09 RCW or as a sexual psychopath under chapter 71.06 RCW; (d) any person found not guilty of a sex offense or kidnapping offense by reason of insanity under chapter 10.77 RCW; and (e) any person found incompetent to stand trial for a sex offense or kidnapping offense and subsequently committed under chapter 71.05 or 71.34 RCW.

(2) The extent of the public disclosure of relevant and necessary information shall be rationally related to: (a) The level of risk posed by the offender to the community; (b) the locations where the offender resides, expects to reside, or is regularly found; and (c) the needs of the affected community members for information to enhance their individual and collective safety.

(3) Local law enforcement agencies shall consider the following guidelines in determining the extent of a public disclosure made under this section: (a) For offenders classified as risk level I, the agency shall share information with other appropriate law enforcement agencies and may disclose, upon request, relevant, necessary, and accurate information to any victim or witness to the offense and to any individual community member who lives near the residence where the offender resides, expects to reside, or is regularly found; (b) for offenders classified as risk level II, the agency may also disclose relevant, necessary, and accurate information to public and private schools, child day care centers, family day care providers, businesses and organizations that serve primarily children, women, or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found; and (c) for offenders classified as risk level III, the agency may also disclose relevant, necessary, and accurate information to the public at large.

(4) Local law enforcement agencies that disseminate information pursuant to this section shall: (a) Review available risk level classifications made by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (b) assign risk level classifications to all ~~((sex))~~ offenders about whom information will be disseminated; and (c) make a good faith effort to notify the public and residents at least fourteen days before the offender is released from confinement or, where an offender moves from another jurisdiction, as soon as possible after the agency learns of the offender's move, except that in no case may this notification provision be construed to require an extension of an offender's release date. The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.

(5) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law enforcement agency or official to classify (~~a sex~~) an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(6) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(7) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(8) When a local law enforcement agency or official classifies (~~a sex~~) an offender differently than the offender is classified by the department of corrections, the department of social and health services, or the indeterminate sentence review board, the law enforcement agency or official shall notify the appropriate department or the board and submit its reasons supporting the change in classification.

**NEW SECTION. Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

#### SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed House Bill No. 1487 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 36.70A.040 and 1995 c 400 s 1 are each amended to read as follows:

(1) Each county that has both a population of fifty thousand or more and, until May 16, 1995, has had its population increase by more than ten percent in the previous ten years or, on or after May 16, 1995, has had its population increase by more than seventeen percent in the previous ten years, and the cities located within such county, and any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years, and the cities located within such county, shall conform with all of the requirements of this chapter. However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located within the county, from the requirements of adopting comprehensive land use plans and development regulations under this chapter if this resolution is adopted and filed with the department by December 31, 1990, for counties initially meeting this set of criteria, or within sixty days of the date the office of financial management certifies that a county meets this set of criteria under subsection (5) of this section.

Once a county meets either of these sets of criteria, the requirement to conform with all of the requirements of this chapter remains in effect, even if the county no longer meets one of these sets of criteria.

(2) The county legislative authority of any county that does not meet either of the sets of criteria established under subsection (1) of this section may adopt a resolution indicating its intention to have subsection (1) of this section apply to the county. Each city, located in a county that chooses to plan under this subsection, shall conform with all of the requirements of this chapter. Once such a resolution has been adopted, the county and the cities located within the county remain subject to all of the requirements of this chapter.

(3) Any county or city that is initially required to conform with all of the requirements of this chapter under subsection (1) of this section shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall designate critical areas, agricultural lands, forest lands, and mineral resource lands, and adopt development regulations conserving these designated agricultural lands, forest lands, and mineral resource lands and protecting these designated critical areas, under RCW 36.70A.170 and 36.70A.060; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; (d) if the county has a population of fifty thousand or more, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan on or before July 1, 1994, and if the county has a population of less than fifty thousand, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan by January 1, 1995, but if the governor makes written findings that a county with a population of less than fifty thousand or a city located within such a county is not making reasonable progress toward adopting a comprehensive plan and development regulations the governor may reduce this deadline for such actions to be taken by no more than one hundred eighty days. Any county or city subject to this subsection may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(4) Any county or city that is required to conform with all the requirements of this chapter, as a result of the county legislative authority adopting its resolution of intention under subsection (2) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city that is located within the county shall adopt development regulations conserving agricultural lands, forest lands, and mineral resource lands it designated under RCW 36.70A.060 within one year of the date the county legislative authority adopts its resolution of intention; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city that is located within the county shall adopt a comprehensive plan and development regulations that are consistent with and implement the comprehensive plan not later than four years from the date the

county legislative authority adopts its resolution of intention, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(5) If the office of financial management certifies that the population of a county that previously had not been required to plan under subsection (1) or (2) of this section has changed sufficiently to meet either of the sets of criteria specified under subsection (1) of this section, and where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (1) of this section, the county and each city within such county shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall adopt development regulations under RCW 36.70A.060 conserving agricultural lands, forest lands, and mineral resource lands it designated within one year of the certification by the office of financial management; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city located within the county shall adopt a comprehensive land use plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(6) A copy of each document that is required under this section shall be submitted to the department at the time of its adoption.

(7) Cities and counties planning under this chapter must amend the transportation element of the comprehensive plan to be in compliance with this chapter and chapter 47.80 RCW no later than December 31, 2000.

**Sec. 2.** RCW 36.70A.070 and 1997 c 429 s 7 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs

and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. In order to achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural densities and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and ground water resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments. A commercial, industrial, residential, shoreline, or mixed-use area shall be subject to the requirements of (d)(iv) of this subsection, but shall not be subject to the requirements of (c)(ii) and (iii) of this subsection. An industrial area is not required to be principally designed to serve the existing and projected rural population;

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly

identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

~~((a))~~ (i) Land use assumptions used in estimating travel;

~~((b))~~ (ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

~~((c))~~ (iii) Facilities and services needs, including:

~~((i))~~ (A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdiction boundaries;

~~((ii))~~ (B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

~~((iii))~~ (C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the department of transportation's six-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of state-wide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

~~((d))~~ (D) Specific actions and requirements for bringing into compliance ~~((any))~~ locally owned transportation facilities or services that are below an established level of service standard;

~~((e))~~ (E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

~~((f))~~ (F) Identification of state and local system ~~((expansion needs and transportation system management))~~ needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the state-wide multimodal transportation plan required under chapter 47.06 RCW;

~~((g))~~ (iv) Finance, including:

~~((i))~~ (A) An analysis of funding capability to judge needs against probable funding resources;

~~((ii))~~ (B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public

transportation systems. The multiyear financing plan should be coordinated with the six-year improvement program developed by the department of transportation as required by RCW 47.05.030;

~~((iii))~~ (C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

~~((d))~~ (v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

~~((e))~~ (vi) Demand-management strategies.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

(c) The transportation element described in this subsection (6), and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, ~~(and)~~ RCW 35.58.2795 for public transportation systems, and RCW 47.05.030 for the state, must be consistent.

**Sec. 3.** RCW 36.70A.200 and 1991 sp.s. c 32 s 1 are each amended to read as follows:

(1) The comprehensive plan of each county and city that is planning under this chapter shall include a process for identifying and siting essential public facilities. Essential public facilities include those facilities that are typically difficult to site, such as airports, state education facilities and state or regional transportation facilities as defined in section 7 of this act, state and local correctional facilities, solid waste handling facilities, and in-patient facilities including substance abuse facilities, mental health facilities, and group homes.

(2) The office of financial management shall maintain a list of those essential state public facilities that are required or likely to be built within the next six years. The office of financial management may at any time add facilities to the list. No local comprehensive plan or development regulation may preclude the siting of essential public facilities.

**Sec. 4.** RCW 36.70A.210 and 1994 c 249 s 28 are each amended to read as follows:

(1) The legislature recognizes that counties are regional governments within their boundaries, and cities are primary providers of urban governmental services within urban growth areas. For the purposes of this section, a "county-wide planning policy" is a written policy statement or statements used solely for establishing a county-wide framework from which county and city comprehensive plans are developed and adopted pursuant to this chapter. This framework shall ensure that city and county comprehensive plans are consistent as required in RCW 36.70A.100. Nothing in this section shall be construed to alter the land-use powers of cities.

(2) The legislative authority of a county that plans under RCW 36.70A.040 shall adopt a county-wide planning policy in cooperation with the cities located in whole or in part within the county as follows:

(a) No later than sixty calendar days from July 16, 1991, the legislative authority of each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040 shall convene a meeting with representatives of each city located within the county for the purpose of establishing a collaborative process that will provide a framework for the adoption of a county-wide planning policy. In other counties that are required or choose to plan under RCW 36.70A.040, this meeting shall be convened no later than sixty days after the date the county adopts its resolution of intention or was certified by the office of financial management.

(b) The process and framework for adoption of a county-wide planning policy specified in (a) of this subsection shall determine the manner in which the county and the cities agree to all procedures and provisions including but not limited to desired planning policies, deadlines, ratification of final agreements and demonstration thereof, and financing, if any, of all activities associated therewith.

(c) If a county fails for any reason to convene a meeting with representatives of cities as required in (a) of this subsection, the governor may immediately impose any appropriate sanction or sanctions on the county from those specified under RCW 36.70A.340.

(d) If there is no agreement by October 1, 1991, in a county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or if there is no agreement within one hundred twenty days of the date the county adopted its resolution of intention or was certified by the office of financial management in any other county that is required or chooses to plan under RCW 36.70A.040, the governor shall first inquire of the jurisdictions as to the reason or reasons for failure to reach an agreement. If the governor deems it appropriate, the governor may immediately request the assistance of the department of community, trade, and economic development to mediate any disputes that preclude agreement. If mediation is unsuccessful in resolving all disputes that will lead to agreement, the governor may impose appropriate sanctions from those specified under RCW 36.70A.340 on the county, city, or cities for failure to reach an agreement as provided in this section. The governor shall specify the reason or reasons for the imposition of any sanction.

(e) No later than July 1, 1992, the legislative authority of each county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or no later than fourteen months after the date the county adopted its resolution of intention or was certified by the office of financial management the county legislative authority of any other county that is required or chooses to plan under RCW 36.70A.040, shall adopt a county-wide planning policy according to the process provided under this section and that is consistent with the agreement pursuant to (b) of this subsection, and after holding a public hearing or hearings on the proposed county-wide planning policy.

(3) A county-wide planning policy shall at a minimum, address the following:

(a) Policies to implement RCW 36.70A.110;

(b) Policies for promotion of contiguous and orderly development and provision of urban services to such development;

(c) Policies for siting public capital facilities of a county-wide or state-wide nature, including transportation facilities of state-wide significance as defined in section 7 of this act;

(d) Policies for county-wide transportation facilities and strategies;

(e) Policies that consider the need for affordable housing, such as housing for all economic segments of the population and parameters for its distribution;

(f) Policies for joint county and city planning within urban growth areas;

(g) Policies for county-wide economic development and employment; and

(h) An analysis of the fiscal impact.

(4) Federal agencies and Indian tribes may participate in and cooperate with the county-wide planning policy adoption process. Adopted county-wide planning policies shall be adhered to by state agencies.

(5) Failure to adopt a county-wide planning policy that meets the requirements of this section may result in the imposition of a sanction or sanctions on a county or city within the county, as specified in RCW 36.70A.340. In imposing a sanction or sanctions, the governor shall specify the reasons for failure to adopt a county-wide planning policy in order that any imposed sanction or sanctions are fairly and equitably related to the failure to adopt a county-wide planning policy.

(6) Cities and the governor may appeal an adopted county-wide planning policy to the growth management hearings board within sixty days of the adoption of the county-wide planning policy.

(7) Multicounty planning policies shall be adopted by two or more counties, each with a population of four hundred fifty thousand or more, with contiguous urban areas and may be adopted by other counties, according to the process established under this section or other processes agreed to among the counties and cities within the affected counties throughout the multicounty region.

**Sec. 5.** RCW 47.05.021 and 1993 c 490 s 2 are each amended to read as follows:

(1) The transportation commission is hereby directed to conduct periodic analyses of the entire state highway system, report thereon to the chairs of the transportation committees of the senate and house of representatives, including one copy to the staff of each of the committees, biennially and based thereon, to subdivide, classify, and subclassify according to their function and importance all designated state highways and those added from time to time and periodically review and revise the classifications into the following three functional classes:

(a) The "principal arterial system" shall consist of a connected network of rural arterial routes with appropriate extensions into and through urban areas, including all routes designated as part of the

interstate system, which serve corridor movements having travel characteristics indicative of substantial state-wide and interstate travel;

(b) The "minor arterial system" shall, in conjunction with the principal arterial system, form a rural network of arterial routes linking cities and other activity centers which generate long distance travel, and, with appropriate extensions into and through urban areas, form an integrated network providing interstate and interregional service; and

(c) The "collector system" shall consist of routes which primarily serve the more important intercounty, intracounty, and intraurban travel corridors, collect traffic from the system of local access roads and convey it to the arterial system, and on which, regardless of traffic volume, the predominant travel distances are shorter than on arterial routes.

(2) In making the functional classification the transportation commission shall adopt and give consideration to criteria consistent with this section and federal regulations relating to the functional classification of highways, including but not limited to the following:

(a) Urban population centers within and without the state stratified and ranked according to size;

(b) Important traffic generating economic activities, including but not limited to recreation, agriculture, government, business, and industry;

(c) Feasibility of the route, including availability of alternate routes within and without the state;

(d) Directness of travel and distance between points of economic importance;

(e) Length of trips;

(f) Character and volume of traffic;

(g) Preferential consideration for multiple service which shall include public transportation;

(h) Reasonable spacing depending upon population density; and

(i) System continuity.

(3) The transportation commission shall designate ~~((a system of))~~ state highways ~~((that have))~~ of state-wide significance under section 7 of this act, and shall submit a list of such facilities for adoption by the 1999 legislature. This state-wide system shall include at a minimum interstate highways and other state-wide principal arterials that are needed to connect major communities across the state and support the state's economy.

(4) The transportation commission shall designate a freight and goods transportation system. This state-wide system shall include state highways, county roads, and city streets. The commission, in cooperation with cities and counties, shall review and make recommendations to the legislature regarding policies governing weight restrictions and road closures which affect the transportation of freight and goods. The first report is due by December 15, 1993, and biennially thereafter.

**Sec. 6.** RCW 47.05.030 and 1993 c 490 s 3 are each amended to read as follows:

The transportation commission shall adopt a comprehensive six-year investment program specifying program objectives and performance measures for the preservation and improvement programs defined in this section. In the specification of investment program objectives and performance measures, the transportation commission, in consultation with the Washington state department of transportation, shall define and adopt standards for effective programming and prioritization practices including a needs analysis process. The needs analysis process shall ensure the identification of problems and deficiencies, the evaluation of alternative solutions and trade-offs, and estimations of the costs and benefits of prospective projects. The investment program shall be revised biennially, effective on July 1st of odd-numbered years. The investment program shall be based upon the needs identified in the state-owned highway component of the state-wide multimodal transportation plan as defined in RCW 47.01.071(3).

(1) The preservation program shall consist of those investments necessary to preserve the existing state highway system and to restore existing safety features, giving consideration to lowest life cycle costing. The comprehensive six-year investment program for preservation shall identify projects for two years and an investment plan for the remaining four years.

(2) The improvement program shall consist of investments needed to address identified deficiencies on the state highway system to improve mobility, safety, support for the economy, and protection of the environment. The six-year investment program for improvements shall identify projects for two years and major deficiencies proposed to be addressed in the six-year period giving consideration to relative benefits and life cycle costing. The transportation commission shall give

higher priority for correcting identified deficiencies on those facilities classified as facilities of state-wide significance as defined in section 7 of this act.

The transportation commission shall approve and present the comprehensive six-year investment program to the legislature in support of the biennial budget request under RCW 44.40.070 and 44.40.080.

**NEW SECTION. Sec. 7.** A new section is added to chapter 47.06 RCW to read as follows:

The legislature declares the following transportation facilities and services to be of state-wide significance: The interstate highway system, interregional state principal arterials including ferry connections that serve state-wide travel, intercity passenger rail services, intercity high-speed ground transportation, major passenger intermodal terminals excluding all airport facilities and services, the freight railroad system, the Columbia/Snake navigable river system, marine port facilities and services that are related solely to marine activities affecting international and interstate trade, and high-capacity transportation systems serving regions as defined in RCW 81.104.015. The department, in cooperation with regional transportation planning organizations, counties, cities, transit agencies, public ports, private railroad operators, and private transportation providers, as appropriate, shall plan for improvements to transportation facilities and services of state-wide significance in the state-wide multimodal plan. Improvements to facilities and services of state-wide significance identified in the state-wide multimodal plan are essential state public facilities under RCW 36.70A.200.

The department of transportation, in consultation with local governments, shall set level of service standards for state highways and state ferry routes of state-wide significance. Although the department shall consult with local governments when setting level of service standards, the department retains authority to make final decisions regarding level of service standards for state highways and state ferry routes of state-wide significance. In establishing level of service standards for state highways and state ferry routes of state-wide significance, the department shall consider the necessary balance between providing for the free interjurisdictional movement of people and goods and the needs of local communities using these facilities.

**Sec. 8.** RCW 47.80.023 and 1994 c 158 s 2 are each amended to read as follows:

Each regional transportation planning organization shall have the following duties:

(1) Prepare and periodically update a transportation strategy for the region. The strategy shall address alternative transportation modes and transportation demand management measures in regional corridors and shall recommend preferred transportation policies to implement adopted growth strategies. The strategy shall serve as a guide in preparation of the regional transportation plan.

(2) Prepare a regional transportation plan as set forth in RCW 47.80.030 that is consistent with county-wide planning policies if such have been adopted pursuant to chapter 36.70A RCW, with county, city, and town comprehensive plans, and state transportation plans.

(3) Certify by December 31, 1996, that the transportation elements of comprehensive plans adopted by counties, cities, and towns within the region reflect the guidelines and principles developed pursuant to RCW 47.80.026, are consistent with the adopted regional transportation plan, and, where appropriate, conform with the requirements of RCW 36.70A.070.

(4) Where appropriate, certify that county-wide planning policies adopted under RCW 36.70A.210 and the adopted regional transportation plan are consistent.

(5) Develop, in cooperation with the department of transportation, operators of public transportation services and local governments within the region, a six-year regional transportation improvement program which proposes regionally significant transportation projects and programs and transportation demand management measures. The regional transportation improvement program shall be based on the programs, projects, and transportation demand management measures of regional significance as identified by transit agencies, cities, and counties pursuant to RCW 35.58.2795, 35.77.010, and 36.81.121, respectively. The program shall include a priority list of projects and programs, project segments and programs, transportation demand management measures, and a specific financial plan that demonstrates how the transportation improvement program can be funded. The program shall be updated at least every two years for the ensuing six-year period.

(6) Designate a lead planning agency to coordinate preparation of the regional transportation plan and carry out the other responsibilities of the organization. The lead planning agency may be a regional organization, a component county, city, or town agency, or the appropriate Washington state department of transportation district office.

(7) Review level of service methodologies used by cities and counties planning under chapter 36.70A RCW to promote a consistent regional evaluation of transportation facilities and corridors.

(8) Work with cities, counties, transit agencies, the department of transportation, and others to develop level of service standards or alternative transportation performance measures.

**Sec. 9.** RCW 47.80.030 and 1994 c 158 s 4 are each amended to read as follows:

(1) Each regional transportation planning organization shall develop in cooperation with the department of transportation, providers of public transportation and high capacity transportation, ports, and local governments within the region, adopt, and periodically update a regional transportation plan that:

(a) Is based on a least cost planning methodology that identifies the most cost-effective facilities, services, and programs;

(b) Identifies existing or planned transportation facilities, services, and programs, including but not limited to major roadways including state highways and regional arterials, transit and nonmotorized services and facilities, multimodal and intermodal facilities, marine ports and airports, railroads, and noncapital programs including transportation demand management that should function as an integrated regional transportation system, giving emphasis to those facilities, services, and programs that exhibit one or more of the following characteristics:

(i) ~~(Physically)~~ Crosses member county lines;

(ii) Is or will be used by a significant number of people who live or work outside the county in which the facility, service, or project is located;

(iii) Significant impacts are expected to be felt in more than one county;

(iv) Potentially adverse impacts of the facility, service, program, or project can be better avoided or mitigated through adherence to regional policies; ~~(and)~~

(v) Transportation needs addressed by a project have been identified by the regional transportation planning process and the remedy is deemed to have regional significance; and

(vi) Provides for system continuity;

(c) Establishes level of service standards ~~((at a minimum for all))~~ for state highways and state ferry routes, with the exception of transportation facilities of state-wide significance as defined in section 7 of this act. These regionally established level of service standards for state highways and state ferries shall be developed jointly with the department of transportation, to encourage consistency across jurisdictions. In establishing level of service standards for state highways and state ferries, consideration shall be given for the necessary balance between providing for the free interjurisdictional movement of people and goods and the needs of local commuters using state facilities;

(d) Includes a financial plan demonstrating how the regional transportation plan can be implemented, indicating resources from public and private sources that are reasonably expected to be made available to carry out the plan, and recommending any innovative financing techniques to finance needed facilities, services, and programs;

(e) Assesses regional development patterns, capital investment and other measures necessary to:

(i) Ensure the preservation of the existing regional transportation system, including requirements for operational improvements, resurfacing, restoration, and rehabilitation of existing and future major roadways, as well as operations, maintenance, modernization, and rehabilitation of existing and future transit, railroad systems and corridors, and nonmotorized facilities; and

(ii) Make the most efficient use of existing transportation facilities to relieve vehicular congestion and maximize the mobility of people and goods;

(f) Sets forth a proposed regional transportation approach, including capital investments, service improvements, programs, and transportation demand management measures to guide the development of the integrated, multimodal regional transportation system; and

(g) Where appropriate, sets forth the relationship of high capacity transportation providers and other public transit providers with regard to responsibility for, and the coordination between, services and facilities.

(2) The organization shall review the regional transportation plan biennially for currency and forward the adopted plan along with documentation of the biennial review to the state department of transportation.

(3) All transportation projects, programs, and transportation demand management measures within the region that have an impact upon regional facilities or services must be consistent with the plan and with the adopted regional growth and transportation strategies."

In line 1 of the title, after "planning;" strike the remainder of the title and insert "amending RCW 36.70A.040, 36.70A.070, 36.70A.200, 36.70A.210, 47.05.021, 47.05.030, 47.80.023, and 47.80.030; and adding a new section to chapter 47.06 RCW."

(5) Informing each participant of the impaired physician program of the program procedures, the responsibilities of program participants, and the possible consequences of noncompliance with the program.

**Sec. 6.** RCW 18.71.330 and 1994 sp.s. c 9 s 332 are each amended to read as follows:

If the commission has reasonable cause to believe that a physician is impaired, the commission shall cause an evaluation of such physician to be conducted by the ~~((committee))~~ entity or the ~~((committee's))~~ entity's designee or the commission's designee for the purpose of determining if there is an impairment. The ~~((committee))~~ entity or appropriate designee shall report the findings of its evaluation to the commission.

**Sec. 7.** RCW 18.71.340 and 1987 c 416 s 6 are each amended to read as follows:

All ~~((committee))~~ entity records are not subject to disclosure pursuant to chapter 42.17 RCW.

**Sec. 8.** RCW 18.130.070 and 1989 c 373 s 19 are each amended to read as follows:

(1) The disciplining authority may adopt rules requiring any person, including, but not limited to, licensees, corporations, organizations, health care facilities, impaired practitioner programs, or voluntary substance abuse monitoring programs approved by the disciplining authority and state or local governmental agencies, to report to the disciplining authority any conviction, determination, or finding that a license holder has committed an act which constitutes unprofessional conduct, or to report information to the disciplining authority, an impaired practitioner program, or voluntary substance abuse monitoring program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition. To facilitate meeting the intent of this section, the cooperation of agencies of the federal government is requested by reporting any conviction, determination, or finding that a federal employee or contractor regulated by the disciplinary authorities enumerated in this chapter has committed an act which constituted unprofessional conduct and reporting any information which indicates that a federal employee or contractor regulated by the disciplinary authorities enumerated in this chapter may not be able to practice his or her profession with reasonable skill and safety as a result of a mental or physical condition.

(2) If a person fails to furnish a required report, the disciplining authority may petition the superior court of the county in which the person resides or is found, and the court shall issue to the person an order to furnish the required report. A failure to obey the order is a contempt of court as provided in chapter 7.21 RCW.

(3) A person is immune from civil liability, whether direct or derivative, for providing information to the disciplining authority pursuant to the rules adopted under subsection (1) of this section.

(4) The holder of a license subject to the jurisdiction of this chapter shall report to the disciplining authority any conviction, determination, or finding that the licensee has committed unprofessional conduct or is unable to practice with reasonable skill or safety. Failure to report within thirty days of notice of the conviction, determination, or finding constitutes grounds for disciplinary action.

**Sec. 9.** RCW 18.130.080 and 1986 c 259 s 5 are each amended to read as follows:

A person, including but not limited to consumers, licensees, corporations, organizations, health care facilities, impaired practitioner programs, or voluntary substance abuse monitoring programs approved by disciplining authorities, and state and local governmental agencies, may submit a written complaint to the disciplining authority charging a license holder or applicant with unprofessional conduct and specifying the grounds therefor or to report information to the disciplining authority, or voluntary substance abuse monitoring program, or an impaired practitioner program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition. If the disciplining authority determines that the complaint merits investigation, or if the disciplining authority has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional conduct, the disciplining authority shall investigate to determine whether there has been unprofessional conduct. A person who files a complaint or reports information under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.

**Sec. 10.** RCW 18.130.175 and 1993 c 367 s 3 are each amended to read as follows:

(1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of substance abuse, the disciplining authority may refer the license holder to a voluntary substance abuse monitoring program approved by the disciplining authority.

The cost of the treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources. Primary alcoholism or other drug addiction treatment shall be provided by approved treatment programs under RCW 70.96A.020(~~(= PROVIDED, That))~~ or by any other provider approved by the entity or the commission. However, nothing shall prohibit the disciplining authority from approving additional services and programs as an adjunct to primary alcoholism or other drug addiction treatment. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the program shall be done only with the consent of the license holder. Referral to the program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160. The secretary shall adopt uniform rules for the evaluation by the disciplinary authority of a relapse or program violation on the part of a license holder in the substance abuse monitoring program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the disciplinary authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving substance abuse monitoring programs that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority for substance abuse. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their substance abuse, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The substance abuse program shall report to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or

who, in the opinion of the program, is unable to practice with reasonable skill or safety. License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) The treatment and pretreatment records of license holders referred to or voluntarily participating in approved programs shall be confidential, shall be exempt from RCW 42.17.250 through 42.17.450, and shall not be subject to discovery by subpoena or admissible as evidence except for monitoring records reported to the disciplining authority for cause as defined in subsection (3) of this section. Monitoring records relating to license holders referred to the program by the disciplining authority or relating to license holders reported to the disciplining authority by the program for cause, shall be released to the disciplining authority at the request of the disciplining authority. Records held by the disciplining authority under this section shall be exempt from RCW 42.17.250 through 42.17.450 and shall not be subject to discovery by subpoena except by the license holder.

(5) "Substance abuse," as used in this section, means the impairment, as determined by the disciplining authority, of a license holder's professional services by an addiction to, a dependency on, or the use of alcohol, legend drugs, or controlled substances.

(6) This section does not affect an employer's right or ability to make employment-related decisions regarding a license holder. This section does not restrict the authority of the disciplining authority to take disciplinary action for any other unprofessional conduct.

(7) A person who, in good faith, reports information or takes action in connection with this section is immune from civil liability for reporting information or taking the action.

(a) The immunity from civil liability provided by this section shall be liberally construed to accomplish the purposes of this section and the persons entitled to immunity shall include:

- (i) An approved monitoring treatment program;
- (ii) The professional association operating the program;
- (iii) Members, employees, or agents of the program or association;
- (iv) Persons reporting a license holder as being possibly impaired or providing information about the license holder's impairment; and
- (v) Professionals supervising or monitoring the course of the impaired license holder's treatment or rehabilitation.

(b) The courts are strongly encouraged to impose sanctions on clients and their attorneys whose allegations under this subsection are not made in good faith and are without either reasonable objective, substantive grounds, or both.

(c) The immunity provided in this section is in addition to any other immunity provided by law.

**Sec. 11.** RCW 18.130.300 and 1994 sp.s. c 9 s 605 are each amended to read as follows:

(1) The secretary, members of the boards or commissions, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any disciplinary proceedings or other official acts performed in the course of their duties.

(2) A voluntary substance abuse monitoring program or an impaired practitioner program approved by a disciplining authority, or individuals acting on their behalf, are immune from suit in a civil action based on any disciplinary proceedings or other official acts performed in the course of their duties.

**NEW SECTION. Sec. 12.** A new section is added to chapter 18.71 RCW to read as follows:

The impaired physician account is created in the custody of the state treasurer. All receipts from RCW 18.71.310 from license surcharges on physicians and physician assistants shall be deposited into the account. Expenditures from the account may only be used for the impaired physician program under this chapter. Only the secretary of health or the secretary's designee may authorize expenditures from the account. No appropriation is required for expenditures from this account.

**Sec. 13.** RCW 18.57A.020 and 1996 c 191 s 39 are each amended to read as follows:

(1) The board shall adopt rules fixing the qualifications and the educational and training requirements for licensure as an osteopathic physician assistant or for those enrolled in any physician assistant training program. The requirements shall include completion of an accredited physician assistant training program approved by the board and eligibility to take an examination approved by the

board, providing such examination tests subjects substantially equivalent to the curriculum of an accredited physician assistant training program.

(2)(a) The board shall adopt rules governing the extent to which:

(i) Physician assistant students may practice medicine during training; and

(ii) Physician assistants may practice after successful completion of a training course.

(b) Such rules shall provide:

(i) That the practice of an osteopathic physician assistant shall be limited to the performance of those services for which he or she is trained; and

(ii) That each osteopathic physician assistant shall practice osteopathic medicine only under the supervision and control of an osteopathic physician licensed in this state, but such supervision and control shall not be construed to necessarily require the personal presence of the supervising physicians at the place where services are rendered. The board may authorize the use of alternative supervisors who are licensed either under chapter 18.57 or 18.71 RCW.

(3) Applicants for licensure shall file an application with the board on a form prepared by the secretary with the approval of the board, detailing the education, training, and experience of the physician assistant and such other information as the board may require. The application shall be accompanied by a fee determined by the secretary as provided in RCW 43.70.250 and 43.70.280. A surcharge of twenty-five dollars per year may be charged on each license renewal or issuance of a new license to be collected by the department of health for physician assistant participation in an impaired practitioner program. Each applicant shall furnish proof satisfactory to the board of the following:

(a) That the applicant has completed an accredited physician assistant program approved by the board and is eligible to take the examination approved by the board;

(b) That the applicant is of good moral character; and

(c) That the applicant is physically and mentally capable of practicing osteopathic medicine as an osteopathic physician assistant with reasonable skill and safety. The board may require any applicant to submit to such examination or examinations as it deems necessary to determine an applicant's physical and/or mental capability to safely practice as an osteopathic physician assistant.

(4) The board may approve, deny, or take other disciplinary action upon the application for a license as provided in the uniform disciplinary act, chapter 18.130 RCW. The license shall be renewed as determined under RCW 43.70.250 and 43.70.280.

**Sec. 14.** RCW 18.71A.020 and 1996 c 191 s 57 are each amended to read as follows:

(1) The commission shall adopt rules fixing the qualifications and the educational and training requirements for licensure as a physician assistant or for those enrolled in any physician assistant training program. The requirements shall include completion of an accredited physician assistant training program approved by the commission and eligibility to take an examination approved by the commission, if the examination tests subjects substantially equivalent to the curriculum of an accredited physician assistant training program. Physician assistants licensed by the board of medical examiners as of June 7, 1990, shall continue to be licensed.

(2)(a) The commission shall adopt rules governing the extent to which:

(i) Physician assistant students may practice medicine during training; and

(ii) Physician assistants may practice after successful completion of a physician assistant training course.

(b) Such rules shall provide:

(i) That the practice of a physician assistant shall be limited to the performance of those services for which he or she is trained; and

(ii) That each physician assistant shall practice medicine only under the supervision and control of a physician licensed in this state, but such supervision and control shall not be construed to necessarily require the personal presence of the supervising physician or physicians at the place where services are rendered.

(3) Applicants for licensure shall file an application with the commission on a form prepared by the secretary with the approval of the commission, detailing the education, training, and experience of the physician assistant and such other information as the commission may require. The application shall be accompanied by a fee determined by the secretary as provided in RCW 43.70.250 and 43.70.280. A surcharge of twenty-five dollars per year shall be charged on each license renewal or issuance of a new license to be collected by the department and deposited into the impaired physician

(b) That the applicant is of good moral character; and

(c) That the applicant is physically and mentally capable of practicing medicine as a physician assistant with reasonable skill and safety. The commission may require an applicant to submit to such examination or examinations as it deems necessary to determine an applicant's physical or mental capability, or both, to safely practice as a physician assistant.

(4) The commission may approve, deny, or take other disciplinary action upon the application for license as provided in the Uniform Disciplinary Act, chapter 18.130 RCW. The license shall be renewed as determined under RCW 43.70.250 and 43.70.280. The commission may authorize the use of alternative supervisors who are licensed either under chapter 18.57 or 18.71 RCW.

#### SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2368 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9A.44.130 and 1997 c 340 s 3 and 1997 c 113 s 3 are each reenacted and amended to read as follows:

(1) Any adult or juvenile residing in this state who has been found to have committed or has been convicted of any sex offense or kidnapping offense, or who has been found not guilty by reason of insanity under chapter 10.77 RCW of committing any sex offense or kidnapping offense, shall register with the county sheriff for the county of the person's residence. In addition, any such adult or juvenile who is admitted to a public or private institution of higher education shall, within ten days of enrolling or by the first business day after arriving at the institution, whichever is earlier, notify the sheriff for the county of the person's residence of the person's intent to attend the institution. Persons required to register under this section who are enrolled in a public or private institution of higher education on the effective date of this act must notify the county sheriff immediately. The sheriff shall notify the institution's department of public safety and shall provide that department with the same information provided to a county sheriff under subsection (3) of this section.

(2) This section may not be construed to confer any powers pursuant to RCW 4.24.500 upon the public safety department of any public or private institution of higher education.

(3) The person shall provide the county sheriff with the following information when registering: (a) Name; (b) address; (c) date and place of birth; (d) place of employment; (e) crime for which convicted; (f) date and place of conviction; (g) aliases used; and (h) social security number.

~~((3))~~ (4)(a) Offenders shall register with the county sheriff within the following deadlines. For purposes of this section the term "conviction" refers to adult convictions and juvenile adjudications for sex offenses or kidnapping offenses:

(i) OFFENDERS IN CUSTODY. (A) Sex offenders who committed a sex offense on, before, or after February 28, 1990, and who, on or after July 28, 1991, are in custody, as a result of that offense, of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, and (B) kidnapping offenders who on or after July 27, 1997, are in custody of the state department of corrections, the state department of social and health services, a local division of youth services, or a local jail or juvenile detention facility, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. The agency that has jurisdiction over the offender shall provide notice to the offender of the duty to register. Failure to register within twenty-four hours of release constitutes a violation of this section and is punishable as provided in subsection ~~((7))~~ (8) of this section.

(ii) OFFENDERS NOT IN CUSTODY BUT UNDER STATE OR LOCAL JURISDICTION. Sex offenders who, on July 28, 1991, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 28, 1991. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the indeterminate sentence review board or under the department of correction's active supervision, as defined by the department of corrections, the state department of social and health services, or a local division of youth services, for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection ~~((3))~~ (4)(a)(ii) as of July 28, 1991, or a kidnapping offender required to register as of July 27, 1997, shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iii) OFFENDERS UNDER FEDERAL JURISDICTION. Sex offenders who, on or after July 23, 1995, and kidnapping offenders who, on or after July 27, 1997, as a result of that offense are in the custody of the United States bureau of prisons or other federal or military correctional agency for sex offenses committed before, on, or after February 28, 1990, or kidnapping offenses committed on,

before, or after July 27, 1997, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. Sex offenders who, on July 23, 1995, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for sex offenses committed before, on, or after February 28, 1990, must register within ten days of July 23, 1995. Kidnapping offenders who, on July 27, 1997, are not in custody but are under the jurisdiction of the United States bureau of prisons, United States courts, United States parole commission, or military parole board for kidnapping offenses committed before, on, or after July 27, 1997, must register within ten days of July 27, 1997. A change in supervision status of a sex offender who was required to register under this subsection (~~((3))~~) (4)(a)(iii) as of July 23, 1995, or a kidnapping offender required to register as of July 27, 1997 shall not relieve the offender of the duty to register or to reregister following a change in residence. The obligation to register shall only cease pursuant to RCW 9A.44.140.

(iv) OFFENDERS WHO ARE CONVICTED BUT NOT CONFINED. Sex offenders who are convicted of a sex offense on or after July 28, 1991, for a sex offense that was committed on or after February 28, 1990, and kidnapping offenders who are convicted on or after July 27, 1997, for a kidnapping offense that was committed on or after July 27, 1997, but who are not sentenced to serve a term of confinement immediately upon sentencing, shall report to the county sheriff to register immediately upon completion of being sentenced.

(v) OFFENDERS WHO ARE NEW RESIDENTS OR RETURNING WASHINGTON RESIDENTS. Sex offenders and kidnapping offenders who move to Washington state from another state or a foreign country that are not under the jurisdiction of the state department of corrections, the indeterminate sentence review board, or the state department of social and health services at the time of moving to Washington, must register within thirty days of establishing residence or reestablishing residence if the person is a former Washington resident. The duty to register under this subsection applies to sex offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after February 28, 1990, and to kidnapping offenders convicted under the laws of another state or a foreign country, federal or military statutes, or Washington state for offenses committed on or after July 27, 1997. Sex offenders and kidnapping offenders from other states or a foreign country who, when they move to Washington, are under the jurisdiction of the department of corrections, the indeterminate sentence review board, or the department of social and health services must register within twenty-four hours of moving to Washington. The agency that has jurisdiction over the offender shall notify the offender of the registration requirements before the offender moves to Washington.

(vi) OFFENDERS FOUND NOT GUILTY BY REASON OF INSANITY. Any adult or juvenile who has been found not guilty by reason of insanity under chapter 10.77 RCW of (A) committing a sex offense on, before, or after February 28, 1990, and who, on or after July 23, 1995, is in custody, as a result of that finding, of the state department of social and health services, or (B) committing a kidnapping offense on, before, or after July 27, 1997, and who on or after July 27, 1997, is in custody, as a result of that finding, of the state department of social and health services, must register within twenty-four hours from the time of release with the county sheriff for the county of the person's residence. The state department of social and health services shall provide notice to the adult or juvenile in its custody of the duty to register. Any adult or juvenile who has been found not guilty by reason of insanity of committing a sex offense on, before, or after February 28, 1990, but who was released before July 23, 1995, or any adult or juvenile who has been found not guilty by reason of insanity of committing a kidnapping offense but who was released before July 27, 1997, shall be required to register within twenty-four hours of receiving notice of this registration requirement. The state department of social and health services shall make reasonable attempts within available resources to notify sex offenders who were released before July 23, 1995, and kidnapping offenders who were released before July 27, 1997. Failure to register within twenty-four hours of release, or of receiving notice, constitutes a violation of this section and is punishable as provided in subsection (~~((7))~~) (8) of this section.

(b) Failure to register within the time required under this section constitutes a per se violation of this section and is punishable as provided in subsection (~~((7))~~) (8) of this section. The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of this section, or arraignment on charges for a violation of this section, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under this

section who asserts as a defense the lack of notice of the duty to register shall register immediately following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

~~((4))~~ (5)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must send written notice of the change of address to the county sheriff at least fourteen days before moving. If any person required to register pursuant to this section moves to a new county, the person must send written notice of the change of address at least fourteen days before moving to the county sheriff in the new county of residence and must register with that county sheriff within twenty-four hours of moving. The person must also send written notice within ten days of the change of address in the new county to the county sheriff with whom the person last registered. If any person required to register pursuant to this section moves out of Washington state, the person must also send written notice within ten days of moving to the new state or a foreign country to the county sheriff with whom the person last registered in Washington state.

(b) It is an affirmative defense to a charge that the person failed to send a notice at least fourteen days in advance of moving as required under (a) of this subsection that the person did not know the location of his or her new residence at least fourteen days before moving. The defendant must establish the defense by a preponderance of the evidence and, to prevail on the defense, must also prove by a preponderance that the defendant sent the required notice within twenty-four hours of determining the new address.

~~((5))~~ (6) The county sheriff shall obtain a photograph of the individual and shall obtain a copy of the individual's fingerprints.

~~((6))~~ (7) For the purpose of RCW 9A.44.130, 10.01.200, 43.43.540, 70.48.470, and 72.09.330:

(a) "Sex offense" means any offense defined as a sex offense by RCW 9.94A.030 and any violation of RCW 9.68A.040 (sexual exploitation of a minor), 9.68A.050 (dealing in depictions of minor engaged in sexually explicit conduct), 9.68A.060 (sending, bringing into state depictions of minor engaged in sexually explicit conduct), 9.68A.090 (communication with minor for immoral purposes), 9.68A.100 (patronizing juvenile prostitute), or 9A.44.096 (sexual misconduct with a minor in the second degree), as well as any gross misdemeanor that is, under chapter 9A.28 RCW, a criminal attempt, criminal solicitation, or criminal conspiracy to commit an offense that is classified as a sex offense under RCW 9.94A.030.

(b) "Kidnapping offense" means the crimes of kidnapping in the first degree, kidnapping in the second degree, and unlawful imprisonment as defined in chapter 9A.40 RCW, where the victim is a minor and the offender is not the minor's parent.

~~((7))~~ (8) A person who knowingly fails to register with the county sheriff or ~~((who moves without notifying))~~ notify the county sheriff as required by this section is guilty of a class C felony if the crime for which the individual was convicted was a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be a felony. If the crime was other than a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be other than a felony, violation of this section is a gross misdemeanor.

NEW SECTION. Sec. 2. A new section is added to chapter 9A.44 RCW to read as follows:  
The state patrol shall notify registered sex and kidnapping offenders of any change to the registration requirements."

On page 1, line 2 of the title, after "education;" strike the remainder of the title and insert "reenacting and amending RCW 9A.44.130; and adding a new section to chapter 9A.44 RCW."

#### SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2459 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 35.82.040 and 1995 c 293 s 1 are each amended to read as follows:

Except as provided in section 2 of this act, when the governing body of a city adopts a resolution declaring that there is a need for a housing authority, it shall promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for the city. When the governing body of a county adopts a resolution declaring that there is a need for a housing authority, it shall appoint five persons as commissioners of the authority created for the county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed for a term of office of ~~((five))~~ four years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created, unless the commissioner is an employee of a separately elected county official other than the county governing body in a county with a population of less than one hundred seventy-five thousand as of the 1990 federal census, and the total government employment in that county exceeds forty percent of total employment. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Except as provided in section 2 of this act, three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice-chair, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

**NEW SECTION. Sec. 2.** A new section is added to chapter 35.82 RCW to read as follows:

(1) After the effective date of this section, the governing body of a city with a population of four hundred thousand or more, that has created a housing authority under RCW 35.82.040, shall adopt a resolution to expand the number of commissioners on the housing authority from five to seven. Upon receiving the notice, the mayor, with approval of the city council, shall appoint additional persons as commissioners of the authority created for the city.

(2) In appointing commissioners, the mayor shall consider persons that represent the community, provided that two commissioners shall consist of tenants that reside in a housing project that is owned by the housing authority.

(3) After the effective date of this section, all commissioners shall be appointed to serve five-year terms, except that all vacancies shall be filled for the remainder of the unexpired term. A commissioner of an authority may not be an officer or employee of the city for which the authority is created. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter.

(4) A commissioner may be reappointed only after review and approval by the city council.

(5) A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and the certificate is conclusive evidence of the due and proper appointment of the commissioner.

(6) A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she is entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

(7) The powers of each authority vest in the commissioners of the authority in office from time to time. Four commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number.

(8) The mayor, with consent of the city council, shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice-chair, and the authority may employ a secretary, who shall be executive director, technical experts and such other officers, agents, and employees, permanent and temporary, as the authority requires, and shall determine their qualifications, duties, and compensation.

(9) For such legal services as it may require, an authority may call upon the chief law officer of the city or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

**Sec. 3.** RCW 35.82.050 and 1965 c 7 s 35.82.050 are each amended to read as follows:

(1) No commissioner (~~(or)~~), employee (~~(of an authority)~~), or appointee to any decision-making body for the housing authority shall (~~acquire any interest direct or indirect in any housing project or in any property included or planned to be included in any project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project~~) own or hold an interest in any contract or property or engage in any business, transaction, or professional or personal activity, that would:

(a) Be, or appear to be, in conflict with the commissioner's, employee's, or appointee's official duties to any decision-making body for the housing authority relating to the housing authority served by or subject to the authority of such commissioner, employee, or appointee to any decision-making body for the housing authority;

(b) Secure, or appear to secure, unwarranted privileges or advantages for such commissioner, employee, or appointee to any decision-making body for the housing authority, or others; or

(c) Prejudice, or appear to prejudice, such commissioner's, employee's, or appointee's to any decision-making body for the housing authority independence of judgment in exercise of his or her official duties relating to the housing authority served by or subject to the authority of the commissioner, employee, or appointee to any decision-making body for the housing authority.

(2) No commissioner, employee, or appointee to any decision-making body for the housing authority shall act in an official capacity in any manner in which such commissioner, employee, or appointee to any decision-making body of the housing authority has a direct or indirect financial or personal involvement.

(3) No commissioner, employee, or appointee to any decision-making body for the housing authority shall use his or her public office or employment to secure financial gain to such commissioner, employee, or appointee to any decision-making body for the housing authority.

(4) If any commissioner or employee of an authority or any appointee to any decision-making body for the housing authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure (~~(to)~~) to disclose such interest shall constitute misconduct in office. Upon such disclosure such commissioner (~~(or)~~), employee, or appointee to any decision-making body for the housing authority shall not participate in any action by the authority affecting such property.

(5) No provision of this section shall preclude a tenant of the public housing authority from serving as a commissioner, employee, or appointee to any decision-making body of the housing authority. No provision of this section shall preclude a tenant of the public housing authority who is serving as a commissioner, employee, or appointee to any decision-making body of the housing authority from voting on any issue or decision, or participating in any action by the authority, unless a conflict of interest, as set forth in subsections (1) through (4) of this section, exists as to that particular tenant and the particular property or interest at issue before, or subject to action by the housing authority."

## SENATE AMENDMENTS TO HOUSE BILL

March 3, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2773 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that it is in the public interest to:

- (1) Encourage private investment in renewable energy resources;
- (2) Stimulate the economic growth of this state; and
- (3) Enhance the continued diversification of the energy resources used in this state.

NEW SECTION. **Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly indicates otherwise.

- (1) "Commission" means the utilities and transportation commission.
- (2) "Customer-generator" means a user of a net metering system.
- (3) "Electrical company" means a company owned by investors that meets the definition of RCW 80.04.010.
- (4) "Electric cooperative" means a cooperative or association organized under chapter 23.86 or 24.06 RCW.
- (5) "Electric utility" means any electrical company, public utility district, irrigation district, port district, electric cooperative, or municipal electric utility that is engaged in the business of distributing electricity to retail electric customers in the state.
- (6) "Irrigation district" means an irrigation district under chapter 87.03 RCW.
- (7) "Municipal electric utility" means a city or town that owns or operates an electric utility authorized by chapter 35.92 RCW.
- (8) "Net metering" means measuring the difference between the electricity supplied by an electric utility and the electricity generated by a customer-generator that is fed back to the electric utility over the applicable billing period.
- (9) "Net metering system" means a facility for the production of electrical energy that:
  - (a) Uses as its fuel either solar, wind, or hydropower;
  - (b) Has a generating capacity of not more than twenty-five kilowatts;
  - (c) Is located on the customer-generator's premises;
  - (d) Operates in parallel with the electric utility's transmission and distribution facilities; and
  - (e) Is intended primarily to offset part or all of the customer-generator's requirements for electricity.
- (10) "Port district" means a port district within which an industrial development district has been established as authorized by Title 53 RCW.
- (11) "Public utility district" means a district authorized by chapter 54.04 RCW.

NEW SECTION. **Sec. 3.** An electric utility:

- (1) Shall offer to make net metering available to eligible customers-generators on a first-come, first-served basis until the cumulative generating capacity of net metering systems equals 0.1 percent of the utility's peak demand during 1996;

(2) Shall allow net metering systems to be interconnected using a standard kilowatt-hour meter capable of registering the flow of electricity in two directions, unless the commission, in the case of an electrical company, or the appropriate governing body, in the case of other electric utilities, determines, after appropriate notice and opportunity for comment:

(a) That the use of additional metering equipment to monitor the flow of electricity in each direction is necessary and appropriate for the interconnection of net metering systems, after taking into account the benefits and costs of purchasing and installing additional metering equipment; and

(b) How the cost of purchasing and installing an additional meter is to be allocated between the customer-generator and the utility;

(3) Shall charge the customer-generator a minimum monthly fee that is the same as other customers of the electric utility in the same rate class, but shall not charge the customer-generator any additional standby, capacity, interconnection, or other fee or charge unless the commission, in the case of an electrical company, or the appropriate governing body, in the case of other electric utilities, determines, after appropriate notice and opportunity for comment that:

(a) The electric utility will incur direct costs associated with interconnecting or administering net metering systems that exceed any offsetting benefits associated with these systems; and

(b) Public policy is best served by imposing these costs on the customer-generator rather than allocating these costs among the utility's entire customer base.

NEW SECTION. **Sec. 4.** Consistent with the other provisions of this chapter, the net energy measurement must be calculated in the following manner:

(1) The electric utility shall measure the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(2) If the electricity supplied by the electric utility exceeds the electricity generated by the customer-generator and fed back to the electric utility during the billing period, the customer-generator shall be billed for the net electricity supplied by the electric utility, in accordance with normal metering practices.

(3) If electricity generated by the customer-generator exceeds the electricity supplied by the electric utility, the customer-generator:

(a) Shall be billed for the appropriate customer charges for that billing period, in accordance with section 3 of this act; and

(b) Shall be credited for the excess kilowatt-hours generated during the billing period, with this kilowatt-hour credit appearing on the bill for the following billing period.

At the beginning of each calendar year, any remaining unused kilowatt-hour credit accumulated during the previous year shall be granted to the electric utility, without any compensation to the customer-generator.

NEW SECTION. **Sec. 5.** (1) A net metering system used by a customer-generator shall include, at the customer-generator's own expense, all equipment necessary to meet applicable safety, power quality, and interconnection requirements established by the national electrical code, national electrical safety code, the institute of electrical and electronics engineers, and underwriters laboratories.

(2) The commission, in the case of an electrical company, or the appropriate governing body, in the case of other electric utilities, after appropriate notice and opportunity for comment, may adopt by regulation additional safety, power quality, and interconnection requirements for customer-generators that the commission determines are necessary to protect public safety and system reliability.

NEW SECTION. **Sec. 6.** Sections 1 through 5 of this act constitute a new chapter in Title 80 RCW."

On page 1, line 2 of the title, after "systems;" strike the remainder of the title and insert "and adding a new chapter to Title 80 RCW."

The Senate has passed Engrossed House Bill No. 2791 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 9.94A.030 and 1997 c 365 s 1, 1997 c 340 s 4, 1997 c 339 s 1, 1997 c 338 s 2, 1997 c 144 s 1, and 1997 c 70 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time or imposed pursuant to RCW 9.94A.120 (6), (8), or (10) served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction. Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to the provisions in RCW 38.52.430.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(12) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(17) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(18) "Drug offense" means:

## SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed Engrossed House Bill No. 3003 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 19.28.010 and 1993 c 275 s 2 are each amended to read as follows:

(1) All wires and equipment, and installations thereof, that convey electric current and installations of equipment to be operated by electric current, in, on, or about buildings or structures, except for noncomposite fiber optic cables, telephone, telegraph, radio, and television wires and equipment, and television antenna installations, signal strength amplifiers, and coaxial installations pertaining thereto shall be in strict conformity with this chapter, the statutes of the state of Washington, and the rules issued by the department, and shall be in conformity with approved methods of construction for safety to life and property. All wires and equipment that fall within section 90.2(b)(5) of the National Electrical Code, 1981 edition, are exempt from the requirements of this chapter. The regulations and articles in the National Electrical Code, the national electrical safety code, and other installation and safety regulations approved by the national fire protection association, as modified or supplemented by rules issued by the department in furtherance of safety to life and property under authority hereby granted, shall be prima facie evidence of the approved methods of construction. All materials, devices, appliances, and equipment used in such installations shall be of a type that conforms to applicable standards or be indicated as acceptable by the established standards of any electrical product testing laboratory which is accredited by the department. Industrial control panels, utilization equipment, and their components do not need to be listed, labeled, or otherwise indicated as acceptable by an accredited electrical product testing laboratory unless specifically required by the National Electrical Code, 1993 edition.

(2) Residential buildings or structures moved into or within a county, city, or town are not required to comply with all of the requirements of this chapter, if the original occupancy classification of the building or structure is not changed as a result of the move. This subsection shall not apply to residential buildings or structures that are substantially remodeled or rehabilitated.

(3) This chapter shall not limit the authority or power of any city or town to enact and enforce under authority given by law, any ordinance, rule, or regulation requiring an equal, higher, or better standard of construction and an equal, higher, or better standard of materials, devices, appliances, and equipment than that required by this chapter. A city or town shall require that its electrical inspectors meet the qualifications provided for state electrical inspectors in accordance with RCW 19.28.070. In a city or town having an equal, higher, or better standard the installations, materials, devices, appliances, and equipment shall be in accordance with the ordinance, rule, or regulation of the city or town. Electrical equipment associated with spas, hot tubs, swimming pools, and hydromassage bathtubs shall not be offered for sale or exchange unless the electrical equipment is certified as being in compliance with the applicable product safety standard by bearing the certification mark of an approved electrical products testing laboratory.

(4) Nothing in this chapter may be construed as permitting the connection of any conductor of any electric circuit with a pipe that is connected with or designed to be connected with a waterworks piping system, without the consent of the person or persons legally responsible for the operation and maintenance of the waterworks piping system.

**Sec. 2.** RCW 19.28.200 and 1992 c 240 s 1 are each amended to read as follows:

(1) No license under the provision of this chapter shall be required from any utility or any person, firm, partnership, corporation, or other entity employed by a utility because of work in

connection with the installation, repair, or maintenance of lines, wires, apparatus, or equipment owned by or under the control of a utility and used for transmission or distribution of electricity from the source of supply to the point of contact at the premises and/or property to be supplied and service connections and meters and other apparatus or appliances used in the measurement of the consumption of electricity by the customer.

(2) No license under the provisions of this chapter shall be required from any utility because of work in connection with the installation, repair, or maintenance of the following:

(a) Lines, wires, apparatus, or equipment used in the lighting of streets, alleys, ways, or public areas or squares;

(b) Lines, wires, apparatus, or equipment owned by a commercial, industrial, or public institution customer that are an integral part of a transmission or distribution system, either overhead or underground, providing service to such customer and located outside the building or structure: PROVIDED, That a utility does not initiate the sale of services to perform such work;

(c) Lines and wires, together with ancillary apparatus, and equipment, owned by a customer that is an independent power producer who has entered into an agreement for the sale of electricity to a utility and that are used in transmitting electricity from an electrical generating unit located on premises used by such customer to the point of interconnection with the utility's system.

(3) Any person, firm, partnership, corporation, or other entity licensed under RCW 19.28.120 may enter into a contract with a utility for the performance of work under subsection (2) of this section.

(4) No license under the provisions of this chapter shall be required from any person, firm, partnership, corporation, or other entity because of the work of installing and repairing ignition or lighting systems for motor vehicles.

(5) No license under the provisions of this chapter shall be required from any person, firm, partnership, corporation, or other entity because of work in connection with the installation, repair, or maintenance of wires and equipment, and installations thereof, exempted in RCW 19.28.010.

(6) No license under the provisions of this chapter shall be required from any person, firm, partnership, corporation, or other entity because of work in connection with the installation, repair, or maintenance of structured communication cabling. For purposes of this section, "structured communication cabling" means twisted pair copper and coaxial cables designed to support analog and digital voice applications, data, local area networks, and video. "Structured communication cabling" does not include the following, all of which are subject to this chapter: Fire protection signaling systems, intrusion alarms, patient monitoring systems, and energy management control systems. Installation of structured communications cabling is subject to adopted electrical installations standards and inspections under RCW 19.28.210.

**Sec. 3.** RCW 19.28.610 and 1994 c 157 s 1 are each amended to read as follows:

Nothing in RCW 19.28.510 through 19.28.620 shall be construed to require that a person obtain a license or a certified electrician in order to do electrical work at his or her residence or farm or place of business or on other property owned by him or her unless the electrical work is on the construction of a new building intended for rent, sale, or lease. However, if the construction is of a new residential building with up to four units intended for rent, sale, or lease, the owner may receive an exemption from the requirement to obtain a license or use a certified electrician if he or she provides a signed affidavit to the department stating that he or she will be performing the work and will occupy one of the units as his or her principal residence. The owner shall apply to the department for this exemption and may only receive an exemption once every twenty-four months. It is intended that the owner receiving this exemption shall occupy the unit as his or her principal residence for twenty-four months after completion of the units. Nothing in RCW 19.28.510 through 19.28.620 shall be intended to derogate from or dispense with the requirements of any valid electrical code enacted by a city or town pursuant to RCW 19.28.010(3), except that no code shall require the holder of a certificate of competency to demonstrate any additional proof of competency or obtain any other license or pay any fee in order to engage in the electrical construction trade. RCW 19.28.510 through 19.28.620 shall not apply to common carriers subject to Part I of the Interstate Commerce Act, nor to their officers and employees. Nothing in RCW 19.28.510 through 19.28.620 shall be deemed to apply to the installation or maintenance of telephone, telegraph, radio, or television wires and equipment; nor to any electrical utility or its employees in the installation, repair, and maintenance of electrical wiring, circuits, and

equipment by or for the utility, or comprising a part of its plants, lines or systems. The licensing provisions of RCW 19.28.510 through 19.28.620 shall not apply to:

(1) Persons making electrical installations on their own property or to regularly employed employees working on the premises of their employer, unless the electrical work is on the construction of a new building intended for rent, sale, or lease; or

(2) Employees of an employer while the employer is performing utility type work of the nature described in RCW 19.28.200 so long as such employees have registered in the state of Washington with or graduated from a state-approved outside lineman apprenticeship course that is recognized by the department and that qualifies a person to perform such work; or

(3) Persons, firms, partnerships, corporations, or other entities engaged in the installation, repair, or maintenance of structured communication cabling as defined in RCW 19.28.200(6).

Nothing in RCW 19.28.510 through 19.28.620 shall be construed to restrict the right of any householder to assist or receive assistance from a friend, neighbor, relative or other person when none of the individuals doing the electrical installation hold themselves out as engaged in the trade or business of electrical installations. Nothing precludes any person who is exempt from the licensing requirements of this chapter under this section from obtaining a journeyman or specialty certificate of competency if they otherwise meet the requirements of this chapter.

**NEW SECTION. Sec. 4.** The department of labor and industries shall convene an advisory committee to study the inclusion of telecommunications infrastructure in the requirements of chapter 19.28 RCW, including licensure and certification. The committee shall include representatives of the groups and entities affected and shall present recommendations on alternatives by January 1, 1999, to the commerce and labor committees of the house of representatives and the senate."

#### SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1043 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that the important goal of maximizing local control of public policy issues sometimes needs to be balanced with the also important goal of providing predictability and consistency in laws likely to be encountered by citizens as they move or engage in business across the state.

(2) In order to provide a substantial measure of uniformity in the application of state landlord-tenant law while recognizing the importance of the process that has already led some local jurisdictions to adopt local laws, it is the intent of the legislature that:

(a) Local jurisdictions that have not adopted ordinances regulating residential landlord-tenant relationships before January 1, 1999, not adopt ordinances inconsistent with chapter 59.18 RCW, the state residential landlord-tenant act; and

(b) Local laws in existence as of January 1, 1999, not be amended in a manner inconsistent with section 2 of this act.

**NEW SECTION. Sec. 2.** A new section is added to chapter 59.18 RCW to read as follows:

Except as provided in section 3 of this act, the state of Washington hereby fully occupies and preempts the field of landlord-tenant regulation within the boundaries of the state. Local laws not in existence as of January 1, 1999, that are inconsistent with, more or less restrictive than, or exceed or fall below the requirements of state law shall not be enacted regardless of the nature of the code, charter, or home rule status of the city, town, county, or other municipality. Local laws in existence as of January 1, 1999, shall not be amended to create inconsistencies with this section.

Except as provided in section 3 of this act, affirmative defenses to an unlawful detainer action that change the duties of a landlord or tenant that are inconsistent with, more or less restrictive than, or exceed or fall below the requirements of state law shall not be enacted regardless of the nature of the code, charter, or home rule status of the city, town, county, or other municipality.

**NEW SECTION. Sec. 3.** A new section is added to chapter 59.18 RCW to read as follows:

(1) Section 2 of this act does not apply to local laws that are intended to affect directly the physical safety of a residential tenant. For purposes of this section "physical safety" means the physical health or security of a tenant.

(2) In any proceeding to determine whether a local law directly affects physical safety, a court shall not restrict its consideration to a statement of local legislative intent or finding and shall consider whether voiding a local law as inconsistent with this chapter will result in a direct and significant increase in the risk to the physical safety of residential tenants.

(3) Section 2 of this act does not apply to local laws that are intended to protect tenants from discrimination on the basis of race, ancestry, gender, national origin, marital status, creed, color, age, parental status, participation in a program under section eight of the United States Housing Act (42 USC 1437 (f)) as now or hereafter amended, political ideology, the presence of any sensory, mental or physical disability, or the use of a trained guide dog or service dog by a disabled person.

(4) Section 2 of this act does not apply to local ordinances dealing with landlord-tenant relations for houseboats, floating homes, or floating home docks."

SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1072 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 9.73 RCW to read as follows:

(1) As used in this section:

(a) "Wire communication" means any aural transfer made in whole or in part through the use of facilities for the transmission of communications by the aid of wire, cable, or other like connection between the point of origin and the point of reception, including the use of such connection in a switching station, furnished or operated by any person engaged in providing or operating such facilities for the transmission of intrastate, interstate, or foreign communications, and such term includes any electronic storage of such communication.

(b) "Electronic communication" means any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photoelectronic, or photo-optical system, but does not include:

(i) Any wire or oral communication;

(ii) Any communication made through a tone-only paging device; or

(iii) Any communication from a tracking device.

(c) "Electronic communication service" means any service that provides to users thereof the ability to send or receive wire or electronic communications.

(d) "Pen register" means a device that records or decodes electronic or other impulses that identify the numbers dialed or otherwise transmitted on the telephone line to which such device is attached, but such term does not include any device used by a provider or customer of a wire or electronic communication service for billing, or recording as an incident to billing, for communications services provided by such provider or any device used by a provider or customer of a wire communication service for cost accounting or other like purposes in the ordinary course of its business.

(e) "Trap and trace device" means a device that captures the incoming electronic or other impulses that identify the originating number of an instrument or device from which a wire or electronic communication was transmitted.

(2) No person may install or use a pen register or trap and trace device without a prior court order issued under this section except as provided under subsection (6) of this section or RCW 9.73.070.

(3) A law enforcement officer may apply for and the superior court may issue orders and extensions of orders authorizing the installation and use of pen registers and trap and trace devices as provided in this section. The application shall be under oath and shall include the identity of the officer making the application and the identity of the law enforcement agency conducting the investigation. The applicant must certify that the information likely to be obtained is relevant to an ongoing criminal investigation being conducted by that agency.

(4) If the court finds that the information likely to be obtained by such installation and use is relevant to an ongoing criminal investigation and finds that there is probable cause to believe that the pen register or trap and trace device will lead to obtaining evidence of a crime, contraband, fruits of crime, things criminally possessed, weapons, or other things by means of which a crime has been committed or reasonably appears about to be committed, or will lead to learning the location of a person who is unlawfully restrained or reasonably believed to be a witness in a criminal investigation or for whose arrest there is probable cause, the court shall enter an ex parte order authorizing the installation and use of a pen register or a trap and trace device. The order shall specify:

(a) The identity, if known, of the person to whom is leased or in whose name is listed the telephone line to which the pen register or trap and trace device is to be attached;

(b) The identity, if known, of the person who is the subject of the criminal investigation;

(c) The number and, if known, physical location of the telephone line to which the pen register or trap and trace device is to be attached and, in the case of a trap and trace device, the geographic limits of the trap and trace order; and

(d) A statement of the offense to which the information likely to be obtained by the pen register or trap and trace device relates.

The order shall direct, if the applicant has requested, the furnishing of information, facilities, and technical assistance necessary to accomplish the installation of the pen register or trap and trace device. An order issued under this section shall authorize the installation and use of a pen register or a trap and trace device for a period not to exceed sixty days. An extension of the original order may only be granted upon: A new application for an order under subsection (3) of this section; and a showing that there is a probability that the information or items sought under this subsection are more likely to be obtained under the extension than under the original order. No extension beyond the first extension shall be granted unless: There is a showing that there is a high probability that the information or items sought under this subsection are much more likely to be obtained under the second or subsequent extension than under the original order; and there are extraordinary circumstances such as a direct and immediate danger of death or serious bodily injury to a law enforcement officer. The period of extension shall be for a period not to exceed sixty days.

An order authorizing or approving the installation and use of a pen register or a trap and trace device shall direct that the order be sealed until otherwise ordered by the court and that the person owning or leasing the line to which the pen register or trap and trace device is attached, or who has been ordered by the court to provide assistance to the applicant, not disclose the existence of the pen register or trap and trace device or the existence of the investigation to the listed subscriber or to any other person, unless or until otherwise ordered by the court.

(5) Upon the presentation of an order, entered under subsection (4) of this section, by an officer of a law enforcement agency authorized to install and use a pen register under this chapter, a provider of wire or electronic communication service, landlord, custodian, or other person shall furnish such law enforcement officer forthwith all information, facilities, and technical assistance necessary to accomplish the installation of the pen register unobtrusively and with a minimum of interference with the services that the person so ordered by the court accords the party with respect to whom the installation and use is to take place, if such assistance is directed by a court order as provided in subsection (4) of this section.

Upon the request of an officer of a law enforcement agency authorized to receive the results of a trap and trace device under this chapter, a provider of a wire or electronic communication service, landlord, custodian, or other person shall install such device forthwith on the appropriate line and shall furnish such law enforcement officer all additional information, facilities, and technical assistance including installation and operation of the device unobtrusively and with a minimum of interference with the services that the person so ordered by the court accords the party with respect to whom the installation and use is to take place, if such installation and assistance is directed by a court order as provided in subsection (4) of this section. Unless otherwise ordered by the court, the results of the trap and trace device shall be furnished to the officer of a law enforcement agency, designated in the court order, at reasonable intervals during regular business hours for the duration of the order.

A provider of a wire or electronic communication service, landlord, custodian, or other person who furnishes facilities or technical assistance pursuant to this subsection shall be reasonably compensated by the law enforcement agency that requests the facilities or assistance for such reasonable expenses incurred in providing such facilities and assistance.

No cause of action shall lie in any court against any provider of a wire or electronic communication service, its officers, employees, agents, or other specified persons for providing information, facilities, or assistance in accordance with the terms of a court order under this section. A good faith reliance on a court order under this section, a request pursuant to this section, a legislative authorization, or a statutory authorization is a complete defense against any civil or criminal action brought under this chapter or any other law.

(6)(a) Notwithstanding any other provision of this chapter, a law enforcement officer and a prosecuting attorney or deputy prosecuting attorney who jointly and reasonably determine that there is probable cause to believe that an emergency situation exists that involves immediate danger of death or serious bodily injury to any person that requires the installation and use of a pen register or a trap and trace device before an order authorizing such installation and use can, with due diligence, be obtained, and there are grounds upon which an order could be entered under this chapter to authorize such installation and use, may have installed and use a pen register or trap and trace device if, within forty-eight hours after the installation has occurred, or begins to occur, an order approving the installation or use is issued in accordance with subsection (4) of this section. In the absence of an authorizing order,

such use shall immediately terminate when the information sought is obtained, when the application for the order is denied or when forty-eight hours have lapsed since the installation of the pen register or trap and trace device, whichever is earlier. If an order approving the installation or use is not obtained within forty-eight hours, any information obtained is not admissible as evidence in any legal proceeding. The knowing installation or use by any law enforcement officer of a pen register or trap and trace device pursuant to this subsection without application for the authorizing order within forty-eight hours of the installation shall constitute a violation of this chapter and be punishable as a gross misdemeanor. A provider of a wire or electronic service, landlord, custodian, or other person who furnished facilities or technical assistance pursuant to this subsection shall be reasonably compensated by the law enforcement agency that requests the facilities or assistance for such reasonable expenses incurred in providing such facilities and assistance.

(b) A law enforcement agency that authorizes the installation of a pen register or trap and trace device under this subsection (6) shall file a monthly report with the administrator for the courts. The report shall indicate the number of authorizations made, the date and time of each authorization, whether a court authorization was sought within forty-eight hours, and whether a subsequent court authorization was granted.

**Sec. 2.** RCW 9.73.095 and 1996 c 197 s 1 are each amended to read as follows:

(1) RCW 9.73.030 through 9.73.080 and section 1 of this act shall not apply to employees of the department of corrections in the following instances: Intercepting, recording, or divulging any telephone calls from an inmate or resident of a state correctional facility; or intercepting, recording, or divulging any monitored nontelephonic conversations in inmate living units, cells, rooms, dormitories, and common spaces where inmates may be present. (a) Unless otherwise provided for in this section, after intercepting or recording any conversation, only the superintendent and his or her designee shall have access to that recording.

(b) The contents of any intercepted and recorded conversation shall be divulged only as is necessary to safeguard the orderly operation of the correctional facility, in response to a court order, or in the prosecution or investigation of any crime.

(c) All conversations that are recorded under this section, unless being used in the ongoing investigation or prosecution of a crime, or as is necessary to assure the orderly operation of the correctional facility, shall be destroyed one year after the intercepting and recording.

(4) So as to safeguard the sanctity of the attorney-client privilege, the department of corrections shall not intercept, record, or divulge any conversation between an inmate or resident and an attorney. The department shall develop policies and procedures to implement this section. The department's policies and procedures implemented under this section shall also recognize the privileged nature of confessions made by an offender to a member of the clergy or a priest in his or her professional character, in the course of discipline enjoined by the church to which he or she belongs as provided in RCW 5.60.060(3).

(5) The department shall notify in writing all inmates, residents, and personnel of state correctional facilities that their nontelephonic conversations may be intercepted, recorded, or divulged in accordance with the provisions of this section.

(6) The department shall notify all visitors to state correctional facilities who may enter inmate living units, cells, rooms, dormitories, or common spaces where inmates may be present, that their conversations may be intercepted, recorded, or divulged in accordance with the provisions of this section. The notice required under this subsection shall be accomplished through a means no less conspicuous than a general posting in a location likely to be seen by visitors entering the facility.

**Sec. 3.** RCW 9.73.120 and 1989 c 271 s 207 are each amended to read as follows:

(1) Within thirty days after the expiration of an authorization or an extension or renewal thereof issued pursuant to RCW 9.73.090(2) as now or hereafter amended, the issuing or denying judge shall make a report to the administrator for the courts stating that:

- (a) An authorization, extension or renewal was applied for;

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1126 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that:

(1) The state enhanced 911 excise tax imposed at the current rate of twenty cents per switched access line per month generates adequate tax revenues to enhance the 911 telephone system for switched access lines state-wide by December 31, 1998, as mandated in RCW 38.52.510;

(2) The tax revenues generated from the state enhanced 911 excise tax when the tax rate decreases to a maximum of ten cents per switched access line on January 1, 1999, will not be adequate to fund the long-term operation and equipment replacement costs for the enhanced 911 telephone systems in the counties or multicounty regions that receive financial assistance from the state enhanced 911 office;

(3) Some counties or multicounty regions will need financial assistance from the state enhanced 911 office to implement and maintain enhanced 911 because the tax revenue generated from the county enhanced 911 excise tax is not adequate;

(4) Counties with populations of less than seventy-five thousand will need salary assistance to create multicounty regions and counties with populations of seventy-five thousand or more, if requested by smaller counties, will need technical assistance and incentives to provide multicounty services; and

(5) Counties should not request state financial assistance for implementation and maintenance of enhanced 911 for switched access lines unless the county has imposed the maximum enhanced 911 tax authorized in RCW 82.14B.030.

**Sec. 2.** RCW 82.14B.030 and 1994 c 96 s 3 are each amended to read as follows:

(1) The legislative authority of a county may impose a county enhanced 911 excise tax on the use of switched access lines in an amount not exceeding fifty cents per month for each switched access line. The amount of tax shall be uniform for each switched access line. Each county shall provide notice of such tax to all local exchange companies serving in the county at least sixty days in advance of the date on which the first payment is due.

(2) The legislative authority of a county may also impose a county 911 excise tax on the use of radio access lines located within the county in an amount not exceeding twenty-five cents per month for each radio access line. The amount of tax shall be uniform for each radio access line. The county shall provide notice of such tax to all radio communications service companies serving in the county at least sixty days in advance of the date on which the first payment is due. Any county imposing this tax shall include in its ordinance a refund mechanism whereby the amount of any tax ordered to be refunded by the judgment of a court of record, or as a result of the resolution of any appeal therefrom, shall be refunded to the radio communications service company or local exchange company that collected the tax, and those companies shall reimburse the users who paid the tax. The ordinance shall further provide that to the extent the users who paid the tax cannot be identified or located, the tax paid by those users shall be returned to the county.

(3) ~~((Beginning January 1, 1992,))~~ A state enhanced 911 excise tax is imposed on all switched access lines in the state. ~~((For 1992, the tax shall be set at a rate of twenty cents per month for each switched access line. Until December 31, 1998,))~~ The amount of tax shall not exceed twenty cents per month for each switched access line ~~((and thereafter shall not exceed ten cents per month for each switched access line))~~. The tax shall be uniform for each switched access line. The tax imposed under this subsection shall be remitted to the state treasurer by local exchange companies on a tax return provided by the department within thirty days after the end of the month in which the tax was collected. Tax proceeds shall be deposited by the treasurer in the enhanced 911 account created in RCW 38.52.540.

(4) By August 31st of each year the state enhanced 911 coordinator shall recommend the level for the next year of the state enhanced 911 excise tax, based on a systematic cost and revenue analysis,

#### SENATE AMENDMENTS TO HOUSE BILL

March 3, 1998

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 1221 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the license to drive a motor vehicle on the public highways is suspended or revoked in order to protect public safety following a driver's failure to comply with the laws of this state. Over six hundred persons are killed in traffic accidents in Washington annually, and more than eighty-four thousand persons are injured. It is estimated that of the three million four hundred thousand drivers' licenses issued to citizens of Washington, more than two hundred sixty thousand are suspended or revoked at any given time. Suspended drivers are more likely to be involved in causing traffic accidents, including fatal accidents, than properly licensed drivers, and pose a serious threat to the lives and property of Washington residents. Statistics show that suspended drivers are three times more likely to kill or seriously injure others in the commission of traffic felony offenses than are validly licensed drivers. In addition to not having a driver's license, most such drivers also lack required liability insurance, increasing the financial burden upon other citizens through uninsured losses and higher insurance costs for validly licensed drivers. Because of the threat posed by suspended drivers, all registered owners of motor vehicles in Washington have a duty to not allow their vehicles to be driven by a suspended driver.

Despite the existence of criminal penalties for driving with a suspended or revoked license, an estimated seventy-five percent of these drivers continue to drive anyway. Existing sanctions are not sufficient to deter or prevent persons with a suspended or revoked license from driving. It is common for suspended drivers to resume driving immediately after being stopped, cited, and released by a police officer and to continue to drive while a criminal prosecution for suspended driving is pending. More than half of all suspended drivers charged with the crime of driving while suspended or revoked fail to appear for court hearings. Vehicle impoundment will provide an immediate consequence which will increase deterrence and reduce unlawful driving by preventing a suspended driver access to that vehicle. Vehicle impoundment will also provide an appropriate measure of accountability for registered owners who permit suspended drivers to drive their vehicles. Impoundment of vehicles driven by suspended drivers has been shown to reduce future driving while suspended or revoked offenses for up to two years afterwards, and the recidivism rate for drivers whose cars were not impounded was one hundred percent higher than for drivers whose cars were impounded. In order to

adequately protect public safety and to enforce the state's driver licensing laws, it is necessary to authorize the impoundment of any vehicle when it is found to be operated by a driver with a suspended or revoked license in violation of RCW 46.20.342 and 46.20.420. The impoundment of a vehicle operated in violation of RCW 46.20.342 or 46.20.420 is intended to be a civil in rem action against the vehicle in order to remove it from the public highways and reduce the risk posed to traffic safety by a vehicle accessible to a driver who is reasonably believed to have violated these laws.

**Sec. 2.** RCW 46.55.105 and 1995 c 219 s 4 are each amended to read as follows:

(1) The abandonment of any vehicle creates a prima facie presumption that the last registered owner of record is responsible for the abandonment and is liable for costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction.

(2) If an unauthorized vehicle is found abandoned under subsection (1) of this section and removed at the direction of law enforcement, the last registered owner of record is guilty of a traffic infraction, unless the vehicle is redeemed as provided in RCW 46.55.120. In addition to any other monetary penalty payable under chapter 46.63 RCW, the court shall not consider all monetary penalties as having been paid until the court is satisfied that the person found to have committed the infraction has made restitution in the amount of the deficiency remaining after disposal of the vehicle under RCW 46.55.140.

(3) A vehicle theft report filed with a law enforcement agency relieves the last registered owner of liability under subsection (2) of this section for failure to redeem the vehicle. However, the last registered owner remains liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle under subsection (1) of this section. Nothing in this section limits in any way the registered owner's rights in a civil action or as restitution in a criminal action against a person responsible for the theft of the vehicle.

(4) Properly filing a report of sale or transfer regarding the vehicle involved in accordance with RCW 46.12.101(1) ((or a vehicle theft report filed with a law enforcement agency)) relieves the last registered owner of liability under subsections (1) and (2) of this section. If the date of sale as indicated on the report of sale is on or before the date of impoundment, the buyer identified on the latest properly filed report of sale with the department is assumed liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction. If the date of sale is after the date of impoundment, the previous registered owner is assumed to be liable for such costs. A licensed vehicle dealer is not liable under subsections (1) and (2) of this section if the dealer, as transferee or assignee of the last registered owner of the vehicle involved, has complied with the requirements of RCW 46.70.122 upon selling or otherwise disposing of the vehicle, or if the dealer has timely filed a transitional ownership record or report of sale under section 12 of this act. In that case the person to whom the licensed vehicle dealer has sold or transferred the vehicle is assumed liable for the costs incurred in removing, storing, and disposing of the abandoned vehicle, less amounts realized at auction.

~~((4))~~ (5) For the purposes of reporting notices of traffic infraction to the department under RCW 46.20.270 and 46.52.100, and for purposes of reporting notices of failure to appear, respond, or comply regarding a notice of traffic infraction to the department under RCW 46.63.070(5), a traffic infraction under subsection (2) of this section is not considered to be a standing, stopping, or parking violation.

~~((5))~~ (6) A notice of infraction for a violation of this section may be filed with a court of limited jurisdiction organized under Title 3, 35, or 35A RCW, or with a violations bureau subject to the court's jurisdiction.

**Sec. 3.** RCW 46.55.110 and 1995 c 360 s 6 are each amended to read as follows:

(1) When an unauthorized vehicle is impounded, the impounding towing operator shall notify the legal and registered owners of the impoundment of the unauthorized vehicle and the owners of any other items of personal property registered or titled with the department. The notification shall be sent by first-class mail within twenty-four hours after the impoundment to the last known registered and legal owners of the vehicle, and the owners of any other items of personal property registered or titled with the department, as provided by the law enforcement agency, and shall inform the owners of the identity of the person or agency authorizing the impound. The notification shall include the name of the impounding tow firm, its address, and telephone number. The notice shall also include the location, time of the impound, and by whose authority the vehicle was impounded. The notice shall

also include the written notice of the right of redemption and opportunity for a hearing to contest the validity of the impoundment pursuant to RCW 46.55.120.

(2) In the case of an abandoned vehicle, or other item of personal property registered or titled with the department, within twenty-four hours after receiving information on the owners from the department through the abandoned vehicle report, the tow truck operator shall send by certified mail, with return receipt requested, a notice of custody and sale to the legal and registered owners.

(3) If the date on which a notice required by subsection (2) of this section is to be mailed falls upon a Saturday, Sunday, or a postal holiday, the notice may be mailed on the next day that is neither a Saturday, Sunday, nor a postal holiday.

(4) No notices need be sent to the legal or registered owners of an impounded vehicle or other item of personal property registered or titled with the department, if the vehicle or personal property has been redeemed.

**Sec. 4.** RCW 46.55.113 and 1997 c 66 s 7 are each amended to read as follows:

Whenever the driver of a vehicle is arrested for a violation of RCW 46.61.502 or 46.61.504 or of RCW 46.20.342 or 46.20.420, the ~~((arresting officer may take custody of the vehicle and provide for its prompt removal to a place of safety))~~ vehicle is subject to impoundment, pursuant to applicable local ordinance or state agency rule at the direction of a law enforcement officer. In addition, a police officer may take custody of a vehicle and provide for its prompt removal to a place of safety under any of the following circumstances:

(1) Whenever a police officer finds a vehicle standing upon the roadway in violation of any of the provisions of RCW 46.61.560, the officer may provide for the removal of the vehicle or require the driver or other person in charge of the vehicle to move the vehicle to a position off the roadway;

(2) Whenever a police officer finds a vehicle unattended upon a highway where the vehicle constitutes an obstruction to traffic or jeopardizes public safety;

(3) Whenever a police officer finds an unattended vehicle at the scene of an accident or when the driver of a vehicle involved in an accident is physically or mentally incapable of deciding upon steps to be taken to protect his or her property;

(4) Whenever the driver of a vehicle is arrested and taken into custody by a police officer;

(5) Whenever a police officer discovers a vehicle that the officer determines to be a stolen vehicle;

(6) Whenever a vehicle without a special license plate, card, or decal indicating that the vehicle is being used to transport a disabled person under RCW 46.16.381 is parked in a stall or space clearly and conspicuously marked under RCW 46.61.581 which space is provided on private property without charge or on public property;

(7) Upon determining that a person is operating a motor vehicle without a valid driver's license in violation of RCW 46.20.005 or with a license that has been expired for ninety days or more ~~((or with a suspended or revoked license in violation of RCW 46.20.342 or 46.20.420))~~.

Nothing in this section may derogate from the powers of police officers under the common law. For the purposes of this section, a place of safety may include the business location of a registered tow truck operator.

**Sec. 5.** RCW 46.55.120 and 1996 c 89 s 2 are each amended to read as follows:

(1) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, or 46.55.113 may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, a person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department, or one who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor, may redeem an impounded vehicle or items of personal property registered or titled with the department. In addition, a vehicle impounded because the operator is in violation of RCW 46.20.342(1)(c) shall not be released until a person eligible to redeem it under this subsection (1)(a) satisfies the requirements of (b) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency. If the department's records show that the operator has been convicted of a violation of RCW

46.20.342 or a similar local ordinance within the past five years, the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. A vehicle impounded because the operator is arrested for a violation of RCW 46.20.342 may be released only pursuant to a written order from the agency that ordered the vehicle impounded. An agency may issue a written order to release pursuant to a provision of an applicable state agency rule or local ordinance authorizing release on the basis of economic or personal hardship to the spouse of the operator, taking into consideration public safety factors, including the operator's criminal history and driving record.

If a vehicle is impounded because the operator is in violation of RCW 46.20.342(1) (a) or (b), the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. However, if the department's records show that the operator has been convicted of a violation of RCW 46.20.342(1) (a) or (b) or a similar local ordinance within the past five years, the vehicle may be held at the written direction of the agency ordering the vehicle impounded for up to sixty days, and for up to ninety days if the operator has two or more such prior offenses. If a vehicle is impounded because the operator is arrested for a violation of RCW 46.20.342, the vehicle may not be released until a person eligible to redeem it under this subsection (1)(a) satisfies the requirements of (b) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency.

(b) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. In addition, if a vehicle is impounded because the operator was arrested for a violation of RCW 46.20.342 or 46.20.420 and was being operated by the registered owner when it was impounded, it must not be released to any person until the registered owner establishes with the agency that ordered the vehicle impounded that any penalties, fines, or forfeitures owed by him or her have been satisfied. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm can determine through the customer's bank or a check verification service that the presented check would not be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. The municipal court has jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the ~~((district))~~ appropriate court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. At the time of the filing of the hearing request, the petitioner shall pay to the court clerk a filing fee in the same amount required for the filing of a suit in district court. If the hearing request is not received by the ~~((district))~~ court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the ~~((district))~~ court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The ~~((district))~~ court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and

legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper. The court may consider a written report made under oath by the officer who authorized the impoundment in lieu of the officer's personal appearance at the hearing.

(c) At the conclusion of the hearing, the ((~~district~~)) court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for the amount of the filing fee required by law for the impound hearing petition as well as reasonable damages for loss of the use of the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. However, if an impoundment arising from an alleged violation of RCW 46.20.342 or 46.20.420 is determined to be in violation of this chapter, then the law enforcement officer directing the impoundment and the government employing the officer are not liable for damages if the officer relied in good faith and without gross negligence on the records of the department in ascertaining that the operator of the vehicle had a suspended or revoked driver's license. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

(4) Any impounded abandoned vehicle or item of personal property registered or titled with the department that is not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle or item of personal property registered or titled with the department may be redeemed at any time before the start of the auction upon payment of the applicable towing and storage fees.

**Sec. 6.** RCW 46.55.130 and 1989 c 111 s 12 are each amended to read as follows:

(1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in RCW 46.55.110(2) to the registered and legal owners, the vehicle remains unclaimed and has not been listed as a stolen vehicle, then the registered tow truck operator having custody of the vehicle shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the

vehicle is located not less than three days and no more than ten days before the date of the auction. The notice shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of such abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form and shall include the name, address, and telephone number of each such bidder;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The successful bidder shall apply for title within fifteen days;

(g) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location, the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

(h) All surplus moneys derived from the auction after satisfaction of the registered tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record as determined by the department within one year from the date of the auction, the surplus moneys shall be remitted to such owner;

(i) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within ~~((thirty))~~ forty-five days sell the vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) In no case may an operator hold a vehicle for longer than ninety days without holding an auction on the vehicle, except for vehicles that are under a police or judicial hold.

(4)(a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by RCW 46.55.110(2).

(b) The failure of the registered tow truck operator to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

**NEW SECTION. Sec. 7.** A new section is added to chapter 46.55 RCW to read as follows:

(1) This section applies to any impoundment of a vehicle when a driver is arrested for a violation of RCW 46.61.502 or 46.61.504, or of RCW 46.61.520 or 46.61.522 if committed while under the influence, as provided for in RCW 46.55.113 and 46.55.120.

(2) Any local government ordinance or state agency rule that provides for impoundment and redemption of vehicles may allow for alternative home impoundment of vehicles for all or part of the impoundment periods authorized in RCW 46.55.120. Home impoundment is an alternative to impoundment by a registered tow truck operator. Home impoundment consists of removing a vehicle to the registered owner's residence or other property, or to another place authorized by the ordinance or rule, and placing a boot or other device on the vehicle to render it immobile. The jurisdiction authorizing home impoundment may charge a reasonable rental fee for the use of the boot or other device during the period of home impoundment. The local government ordinance or state agency rule may provide that the owner or driver of the vehicle may elect whether to be subject to impoundment under RCW 46.55.120 or home impoundment under this section.

(3) Before any home impoundment is begun, the vehicle must be redeemed as provided for in RCW 46.55.120 if any impoundment has occurred under that section, and any towing fee incurred in getting the vehicle to the place of home impoundment must be paid.

(4) At the end of the period of home impoundment, the vehicle may be released only after all rental fees have been paid and only to a person who would qualify to redeem an impounded vehicle under RCW 46.55.120.

(5) A local ordinance or state agency rule may provide for impoundment by a registered tow truck operator if at the end of the period of home impoundment there is no qualified person to whom the vehicle may be released.

(6) A local ordinance or state agency rule may provide that if the boot or other device on a vehicle in home impoundment is tampered with, damaged, removed, or rendered inoperative, the vehicle may be released only upon payment of all applicable rental fees plus payment of a fee equal to the impoundment costs that would have been incurred had the vehicle been impounded under RCW 46.55.120 during the period of home impoundment.

**Sec. 9.** RCW 46.55.100 and 1995 c 360 s 5 are each amended to read as follows:

(1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports. A law enforcement agency, or a private communication center acting on behalf of a law enforcement agency, shall within six to twelve hours of the impoundment, provide to a requesting operator the name and address of the legal and registered owners of the vehicle, and the registered owner of any personal property registered or titled with the department that is attached to or contained in or on the impounded vehicle, the vehicle identification number, and any other necessary, pertinent information. The initial notice of impoundment shall be followed by a written or electronic facsimile notice within twenty-four hours. In the case of a vehicle from another state, time requirements of this subsection do not apply until the requesting law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle, and for any items of personal property registered or titled with the department, that are in the operator's possession after the ~~((ninety-six))~~ one hundred twenty hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within ~~((fifteen))~~ fourteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle and any other items of personal property registered or titled with the department to the crime information center of the Washington state patrol.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle and any other items of personal property registered or titled with the department to determine whether owner identification is within the vehicle.

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle and any other items of personal property registered or titled with the department for the vehicle identification number or other appropriate identification numbers and check the necessary records to determine the vehicle's or other property's owners.

**Sec. 10.** RCW 46.12.095 and 1969 ex.s. c 170 s 16 are each amended to read as follows:

A security interest in a vehicle other than one held as inventory by a manufacturer or a dealer and for which a certificate of ownership is required is perfected only by compliance with the requirements of section 12 of this act under the circumstances provided for therein or by compliance with the requirements of this section:

(1) A security interest is perfected ~~((only))~~ by the department's receipt of: (a) The existing certificate, if any, and (b) an application for a certificate of ownership containing the name and address of the secured party, and (c) tender of the required fee.

(2) It is perfected as of the time of its creation: (a) If the papers and fee referred to in ~~((the preceding))~~ subsection (1) of this section are received by this department within ~~((eight department business))~~ twenty calendar days ~~((exclusive))~~ of the day on which the security agreement was created; or (b) if the secured party's name and address appear on the outstanding certificate of ownership; otherwise, as of the date on which the department has received the papers and fee required in subsection (1) of this section.

(3) If a vehicle is subject to a security interest when brought into this state, perfection of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest was attached, subject to the following:

(a) If the security interest was perfected under the law of the jurisdiction where the vehicle was when the security interest was attached, the following rules apply:

(b) If the name of the secured party is shown on the existing certificate of ownership issued by that jurisdiction, the security interest continues perfected in this state. The name of the secured party shall be shown on the certificate of ownership issued for the vehicle by this state. The security interest continues perfected in this state upon the issuance of such ownership certificate.

(c) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest was attached, it may be perfected in this state; in that case, perfection dates from the time of perfection in this state.

**Sec. 11.** RCW 46.12.101 and 1991 c 339 s 19 are each amended to read as follows:

A transfer of ownership in a motor vehicle is perfected by compliance with the requirements of this section.

(1) If an owner transfers his or her interest in a vehicle, other than by the creation, deletion, or change of a security interest, the owner shall, at the time of the delivery of the vehicle, execute an assignment to the transferee and provide an odometer disclosure statement under RCW 46.12.124 on the certificate of ownership or as the department otherwise prescribes, and cause the certificate and assignment to be transmitted to the transferee. ~~((Within five days, excluding Saturdays, Sundays, and state and federal holidays,))~~ The owner shall notify the department or its agents or subagents, in writing, on the appropriate form, of the date of the sale or transfer, the name and address of the owner and of the transferee, the transferee's driver's license number if available, and such description of the vehicle, including the vehicle identification number, the license plate number, or both, as may be required in the appropriate form provided or approved for that purpose by the department. The report of sale will be deemed properly filed if all information required in this section is provided on the form and includes a department-authorized notation that the document was received by the department, its agents, or subagents on or before the fifth day after the sale of the vehicle, excluding Saturdays, Sundays, and state and federal holidays. Agents and subagents shall immediately electronically transmit the seller's report of sale to the department. Reports of sale processed and recorded by the department's agents or subagents may be subject to fees as specified in RCW 46.01.140 (4)(a) or (5)(b).

(2) The requirements of subsection (1) of this section to provide an odometer disclosure statement apply to the transfer of vehicles held for lease when transferred to a lessee and then to the lessor at the end of the leasehold and to vehicles held in a fleet when transferred to a purchaser.

(3) Except as provided in RCW ~~((46.12.120))~~ 46.70.122 the transferee shall within fifteen days after delivery to the transferee of the vehicle, execute the application for a new certificate of ownership in the same space provided therefor on the certificate or as the department prescribes, and cause the certificates and application to be transmitted to the department.

(4) Upon request of the owner or transferee, a secured party in possession of the certificate of ownership shall, unless the transfer was a breach of its security agreement, either deliver the certificate to the transferee for transmission to the department or, when the secured party receives the owner's assignment from the transferee, it shall transmit the transferee's application for a new certificate, the existing certificate, and the required fee to the department. Compliance with this section does not affect the rights of the secured party.

(5) If a security interest is reserved or created at the time of the transfer, the certificate of ownership shall be retained by or delivered to the person who becomes the secured party, and the parties shall comply with the provisions of RCW 46.12.170.

(6) If the purchaser or transferee fails or neglects to make application to transfer the certificate of ownership and license registration within fifteen days after the date of delivery of the vehicle, he or she shall on making application for transfer be assessed a twenty-five dollar penalty on the sixteenth day and two dollars additional for each day thereafter, but not to exceed one hundred dollars. The director may by rule establish conditions under which the penalty will not be assessed when an application for transfer is delayed for reasons beyond the control of the purchaser. Conditions for not assessing the penalty may be established for but not limited to delays caused by:

(a) The department requesting additional supporting documents;

- (b) Extended hospitalization or illness of the purchaser;
- (c) Failure of a legal owner to release his or her interest;
- (d) Failure, negligence, or nonperformance of the department, auditor, or subagent.

Failure or neglect to make application to transfer the certificate of ownership and license registration within forty-five days after the date of delivery of the vehicle is a misdemeanor.

(7) Upon receipt of an application for reissue or replacement of a certificate of ownership and transfer of license registration, accompanied by the endorsed certificate of ownership or other documentary evidence as is deemed necessary, the department shall, if the application is in order and if all provisions relating to the certificate of ownership and license registration have been complied with, issue new certificates of title and license registration as in the case of an original issue and shall transmit the fees together with an itemized detailed report to the state treasurer, to be deposited in the motor vehicle fund.

(8) Once each quarter the department shall report to the department of revenue a list of those vehicles for which a seller's report has been received but no transfer of title has taken place.

**NEW SECTION. Sec. 12.** A new section is added to chapter 46.12 RCW to read as follows:

(1) The purpose of a transitional ownership record is to enable a security interest in a motor vehicle to be perfected in a timely manner when the certificate of ownership is not available at the time the security interest is created, and to provide for timely notification to security interest holders under chapter 46.55 RCW.

(2) A transitional ownership record is only acceptable as an ownership record for vehicles currently stored on the department's computer system and if the certificate of ownership or other authorized proof of ownership for the motor vehicle:

(a) Is not in the possession of the selling vehicle dealer or new security interest holder at the time the transitional ownership record is submitted to the department; and

(b) To the best of the knowledge of the selling dealer or new security interest holder, the certificate of ownership will not be received for submission to the department within twenty calendar days of the date of sale of the vehicle, or if no sale is involved, within twenty calendar days of the date the security agreement or contract is executed.

(3) A person shall submit the transitional ownership record to the department or to any of its agents or subagents. Agents and subagents shall immediately electronically transmit the transitional ownership records to the department. A transitional ownership document processed and recorded by an agent or subagent may be subject to fees as specified in RCW 46.01.140(4)(a) or (5)(b).

(4) "Transitional ownership record" means a record containing all of the following information:

(a) The date of sale;

(b) The name and address of each owner of the vehicle;

(c) The name and address of each security interest holder;

(d) If there are multiple security interest holders, the priorities of interest if the security interest holders do not jointly hold a single security interest;

(e) The vehicle identification number, the license plate number, if any, the year, make, and model of the vehicle;

(f) The name of the selling dealer or security interest holder who is submitting the transitional ownership record; and

(g) The transferee's driver's license number, if available.

(5) The report of sale form prescribed or approved by the department under RCW 46.12.101 may be used by a vehicle dealer as the transitional ownership record.

(6) Notwithstanding RCW 46.12.095 (1) and (2), compliance with the requirements of this section shall result in perfection of a security interest in the vehicle as of the time the security interest was created. Upon receipt of the certificate of ownership for the vehicle, or upon receipt of written confirmation that only an electronic record of ownership exists or that the certificate of ownership has been lost or destroyed, the selling dealer or new security interest holder shall promptly submit the same to the department together with an application for a new certificate of ownership containing the name and address of the secured party and tender the required fee as provided in RCW 46.12.095(1).

**NEW SECTION. Sec. 13.** If this act mandates an increased level of service by local governments, the local government may, under RCW 43.135.060 and chapter 4.92 RCW, submit

claims for reimbursement by the legislature. The claims shall be subject to verification by the office of financial management.

**NEW SECTION. Sec. 14.** RCW 46.20.344 and 1965 ex.s. c 121 s 45 are each repealed."

#### SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed Second Engrossed Substitute House Bill No. 1746 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the protection of adolescents' health requires a strong set of comprehensive health and law enforcement interventions. We know that youth are deterred from using alcohol in public because of existing laws making possession illegal. However, while the purchase of tobacco by youth is clearly prohibited, the possession of tobacco is not. It is the legislature's intent that youth hear consistent messages from public entities, including law enforcement, about public opposition to their illegal use of tobacco products.

**Sec. 2.** RCW 70.155.080 and 1993 c 507 s 9 are each amended to read as follows:

(1) A person under the age of eighteen who purchases or attempts to purchase, possesses, or obtains or attempts to obtain cigarettes or tobacco products commits a class 3 civil infraction under chapter 7.80 RCW and is subject to a fine as set out in chapter 7.80 RCW or participation in up to four hours of community service, or both. The court may also require participation in a smoking cessation program(~~(, or both)~~). This provision does not apply if a person under the age of eighteen, with parental authorization, is participating in a controlled purchase as part of a liquor control board, law enforcement, or local health department activity.

(2) Municipal and district courts within the state have jurisdiction for enforcement of this section.

**Sec. 3.** RCW 70.155.100 and 1993 c 507 s 11 are each amended to read as follows:

(1) The liquor control board may suspend or revoke a retailer's license held by a business at any location, or may impose a monetary penalty as set forth in subsection (2) of this section, if the liquor control board finds that the licensee has violated RCW 26.28.080(~~((4))~~), (~~(6)~~) 70.155.020, 70.155.030, 70.155.040, 70.155.050, 70.155.060, 70.155.070, or 70.155.090.

(2) The sanctions that the liquor control board may impose against a person licensed under RCW 82.24.530 and 70.155.050 and 70.155.060 based upon one or more findings under subsection (1) of this section may not exceed the following:

(a) For violation of RCW 26.28.080(~~((4))~~) or 70.155.020:

(i) A monetary penalty of one hundred dollars for the first violation within any two-year period;

(ii) A monetary penalty of three hundred dollars for the second violation within any two-year period;

(iii) A monetary penalty of one thousand dollars and suspension of the license for a period of six months for the third violation within any two-year period;

(iv) A monetary penalty of one thousand five hundred dollars and suspension of the license for a period of twelve months for the fourth violation within any two-year period;

(v) Revocation of the license with no possibility of reinstatement for a period of five years for the fifth or more violation within any two-year period;

(b) For violations of RCW 70.155.030, a monetary penalty in the amount of one hundred dollars for each day upon which such violation occurred;

(c) For violations of RCW 70.155.040 occurring on the licensed premises:

(i) A monetary penalty of one hundred dollars for the first violation within any two-year period;

(ii) A monetary penalty of three hundred dollars for the second violation within any two-year period;

(iii) A monetary penalty of one thousand dollars and suspension of the license for a period of six months for the third violation within any two-year period;

(iv) A monetary penalty of one thousand five hundred dollars and suspension of the license for a period of twelve months for the fourth violation within any two-year period;

(v) Revocation of the license with no possibility of reinstatement for a period of five years for the fifth or more violation within any two-year period;

(d) For violations of RCW 70.155.050 and 70.155.060, a monetary penalty in the amount of three hundred dollars for each violation;

(e) For violations of RCW 70.155.070, a monetary penalty in the amount of one thousand dollars for each violation.

(3) The liquor control board may impose a monetary penalty upon any person other than a licensed cigarette retailer or licensed sampler if the liquor control board finds that the person has violated RCW 26.28.080(~~((4))~~), (~~(6)~~) 70.155.020, 70.155.030, 70.155.040, 70.155.050, 70.155.060, 70.155.070, or 70.155.090.

(4) The monetary penalty that the liquor control board may impose based upon one or more findings under subsection (3) of this section may not exceed the following:

(a) For violation of RCW 26.28.080(~~((4))~~) or 70.155.020, fifty dollars for the first violation and one hundred dollars for each subsequent violation;

(b) For violations of RCW 70.155.030, one hundred dollars for each day upon which such violation occurred;

(c) For violations of RCW 70.155.040, one hundred dollars for each violation;

(d) For violations of RCW 70.155.050 and 70.155.060, three hundred dollars for each violation;

(e) For violations of RCW 70.155.070, one thousand dollars for each violation.

(5) The liquor control board may develop and offer a class for retail clerks and use this class in lieu of a monetary penalty for the clerk's first violation.

(6) The liquor control board may issue a cease and desist order to any person who is found by the liquor control board to have violated or intending to violate the provisions of this chapter, RCW 26.28.080(~~((4))~~) or 82.24.500, requiring such person to cease specified conduct that is in violation. The issuance of a cease and desist order shall not preclude the imposition of other sanctions authorized by this statute or any other provision of law.

(7) The liquor control board may seek injunctive relief to enforce the provisions of RCW 26.28.080(~~((4))~~) or 82.24.500 or this chapter. The liquor control board may initiate legal action to collect civil penalties imposed under this chapter if the same have not been paid within thirty days after imposition of such penalties. In any action filed by the liquor control board under this chapter, the

court may, in addition to any other relief, award the liquor control board reasonable attorneys' fees and costs.

(8) All proceedings under subsections (1) through (6) of this section shall be conducted in accordance with chapter 34.05 RCW.

(9) The liquor control board may reduce or waive either the penalties or the suspension or revocation of a license, or both, as set forth in this chapter where the elements of proof are inadequate or where there are mitigating circumstances. Mitigating circumstances may include, but are not limited to, an exercise of due diligence by a retailer. Further, the board may exceed penalties set forth in this chapter based on aggravating circumstances."

On page 1, line 3 of the title, after "tobacco;" strike the remainder of the title and insert "amending RCW 70.155.080 and 70.155.100; creating a new section; and prescribing penalties."

It shall be unlawful for any person to be employed in the handling of unwrapped or unpackaged food unless he or she shall furnish and place on file with the person in charge of such establishment, a food and beverage service worker's permit, as prescribed by the state board of health. Such permit shall be kept on file by the employer or kept by the employee on his or her person and open for inspection at all reasonable hours by authorized public health officials. Such permit shall be returned to the employee upon termination of employment. Initial permits, including limited duty permits, shall be valid for two years from the date of issuance. Subsequent renewal permits shall be valid for ((five)) three years from the date of issuance, except an employee may be granted a renewal permit that is valid for five years from the date of issuance if the employee demonstrates that he or she has obtained additional food safety training prior to renewal of the permit. #### SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2166 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that transportation systems for persons with special needs are not operated as efficiently as possible. Lack of coordination produces irrational situations, such as several different vehicles arriving simultaneously at the same location to pick up several different persons with special needs. When separate vehicles arrive within minutes of each other to transport individuals with special needs to similar destinations, resources are wasted and fewer people are being served. In some cases, programs established by the legislature to assist persons with special needs can not be accessed due to these inefficiencies.

It is the intent of the legislature that public transportation agencies, private nonprofit transportation providers, and other public agencies sponsoring programs that require transportation services coordinate those transportation services. Through coordination of transportation services, programs will achieve increased efficiencies and will expand services to a greater number of persons with special needs.

**NEW SECTION. Sec. 2.** (1) The agency council on coordinated transportation is created. The council is composed of nine voting members and eight nonvoting, legislative members.

(2) The nine voting members are the superintendent of public instruction or a designee, the secretary of transportation or a designee, the secretary of the department of social and health services or a designee, and six members appointed by the governor as follows:

(a) One representative from the office of the governor;

- (b) Two persons who are consumers of special needs transportation services;
- (c) One representative from the Washington association of pupil transportation;
- (d) One representative from the Washington state transit association; and
- (e) One of the following:
  - (i) A representative from the community transportation association of the Northwest; or
  - (ii) A representative from the community action council association.
- (3) The eight nonvoting members are legislators as follows:
  - (a) Four members from the house of representatives, two from each of the two largest caucuses, appointed by the speaker of the house of representatives, two who are members of the house transportation policy and budget committee and two who are members of the house appropriations committee; and
  - (b) Four members from the senate, two from each of the two largest caucuses, appointed by the president of the senate, two members of the transportation committee and two members of the ways and means committee.
- (4) Gubernatorial appointees of the council will serve two-year terms. Members may not receive compensation for their service on the council, but will be reimbursed for actual and necessary expenses incurred in performing their duties as members as set forth in RCW 43.03.220.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The primary intent of this act is to give effect to recommendations by the 1994 department of community, trade, and economic development's master planned resort task force by clarifying that master planned resorts may make use of capital facilities, utilities, and services provided by outside service providers, and may enter into agreements for shared facilities with such

providers, when all costs directly attributable to the resort, including capacity increases, are fully borne by the resort.

**Sec. 2.** RCW 36.70A.360 and 1991 sp.s. c 32 s 17 are each amended to read as follows:

(1) Counties that are required or choose to plan under RCW 36.70A.040 may permit master planned resorts which may constitute urban growth outside of urban growth areas as limited by this section. A master planned resort means a self-contained and fully integrated planned unit development, in a setting of significant natural amenities, with primary focus on destination resort facilities consisting of short-term visitor accommodations associated with a range of developed on-site indoor or outdoor recreational facilities.

(2) Capital facilities, utilities, and services, including those related to sewer, water, storm water, security, fire suppression, and emergency medical, provided on-site shall be limited to meeting the needs of the master planned resort. Such facilities, utilities, and services may be provided to a master planned resort by outside service providers, including municipalities and special purpose districts, provided that all costs associated with service extensions and capacity increases directly attributable to the master planned resort are fully borne by the resort. A master planned resort and service providers may enter into agreements for shared capital facilities and utilities, provided that such facilities and utilities serve only the master planned resort or urban growth areas.

All waters or the use of waters shall be regulated and controlled as provided in chapters 90.03 and 90.44 RCW and not otherwise.

(3) A master planned resort may include other residential uses within its boundaries, but only if the residential uses are integrated into and support the on-site recreational nature of the resort.

(4) A master planned resort may be authorized by a county only if:

~~((4))~~ (a) The comprehensive plan specifically identifies policies to guide the development of master planned resorts;

~~((2))~~ (b) The comprehensive plan and development regulations include restrictions that preclude new urban or suburban land uses in the vicinity of the master planned resort, except in areas otherwise designated for urban growth under RCW 36.70A.110;

~~((3))~~ (c) The county includes a finding as a part of the approval process that the land is better suited, and has more long-term importance, for the master planned resort than for the commercial harvesting of timber or agricultural production, if located on land that otherwise would be designated as forest land or agricultural land under RCW 36.70A.170;

~~((4))~~ (d) The county ensures that the resort plan is consistent with the development regulations established for critical areas; and

~~((5))~~ (e) On-site and off-site infrastructure and service impacts are fully considered and mitigated."

**"NEW SECTION. Sec. 1.** As used in this chapter:

(1) "Institutional third party" means the federal national mortgage association, the federal home loan mortgage corporation, the government national mortgage association, and other substantially similar institutions, whether public or private, provided the institutions establish and adhere to rules applicable to the right of cancellation of mortgage insurance, which are the same or substantially the same as those utilized by the institutions named in this subsection.

(2) "Mortgage insurance" means insurance, including mortgage guarantee insurance, against financial loss by reason of nonpayment of principal, interest, and other sums agreed to be paid in a residential mortgage transaction.

(3) "Residential mortgage transaction" means entering into a loan for personal, family, household, or purchase money purposes that is secured by a deed of trust or mortgage on owner-occupied, one-to-four unit, residential real property located in the state of Washington.

Sec. 2.** (1) If a borrower is required to obtain and maintain mortgage insurance as a condition of entering into a residential mortgage transaction, the lender shall disclose to the borrower whether and under what conditions the borrower has the right to cancel the mortgage insurance in the future. This disclosure shall include:

(c) The procedures required to be followed by the borrower to cancel the mortgage insurance.

The disclosure required in this subsection shall be made in writing at the time the transaction is entered into.

(2) For residential mortgage transactions with mortgage insurance, the lender, or the person servicing the residential mortgage transaction if it is not the lender, annually shall provide the borrower with:

(a) A notice containing the same information as required to be disclosed under subsection (1) of this section; or

(3) The notices and statements required in this section shall be provided without cost to the borrower.

(4) Any borrower in a residential mortgage transaction who is harmed by a violation of this section may obtain injunctive relief, may recover from the party who caused such harm by failure to comply with this section up to three times the amount of mortgage insurance premiums wrongly collected, and may recover reasonable attorneys' fees and costs of such action.

(5) This section does not apply to any mortgage funded with bond proceeds issued under an indenture requiring mortgage insurance for the life of the loan or to loans insured by the federal housing administration or the veterans administration.

(6) Subsection (1) of this section applies to residential mortgage transactions entered into on or after July 1, 1998. (d) The borrower's scheduled payment of monthly installments or principal, interest, and any escrow obligations is current at the time the borrower requests termination of his or her obligation to continue to pay for mortgage insurance, those installments have not been more than thirty days late in the last twelve months, and the borrower has not been assessed more than one late penalty over the past twelve months;

(e) A notice of default has not been recorded against the property as the result of a nonmonetary default in the previous twelve months.

(b) Any mortgage funded with bond proceeds issued under an indenture requiring mortgage insurance for the life of the loan.

(4) If the residential mortgage transaction will be or has been sold in whole or in part to an institutional third party, adherence to the institutional third party's standards for termination of future payments for mortgage insurance shall be deemed in compliance with this section.

(5) A lender or person servicing a residential mortgage transaction who complies with federal requirements, as now or hereafter enacted, governing the cancellation of mortgage insurance shall be deemed in compliance with this section.

NEW SECTION. **Sec. 4.** On or after July 1, 1998, no borrower entering into a residential mortgage transaction in which the principal amount of the loan is less than eighty percent of the fair market value of the property shall be required to obtain mortgage insurance. Fair market value for a purchase money loan is the lesser of the sales price or the appraised value. This section shall not apply to residential mortgage transactions in an amount in excess of the maximum limits established by institutional third parties where the borrower and the lender have agreed in writing to mortgage insurance.

A lender or person servicing a residential mortgage transaction who complies with federal requirements, as now or hereafter enacted, governing the requirement of obtaining mortgage insurance shall be deemed in compliance with this section.

NEW SECTION. **Sec. 5.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 6.** This act takes effect July 1, 1998.

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2710 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 87.03.845 and 1993 c 235 s 2 are each amended to read as follows:

This section and RCW 87.03.847 through 87.03.855 provide the procedures by which a minor irrigation district may be merged into a major irrigation district as authorized by RCW 87.03.530(2).

To institute proceedings for such a merger, the board of directors of the minor district shall adopt a resolution requesting the board of directors of the major district to consider the merger, or proceedings for such a merger may be instituted by a petition requesting the board of directors of the major district to consider the merger, signed by ten owners of land within the minor district or five percent of the total number of landowners within the minor district, whichever is greater. However, if there are fewer than twenty owners of land within the minor irrigation district, the petition shall be signed by a majority of the landowners and filed with the board of directors of the major irrigation district.

The board of directors of the major irrigation district shall consider the request at the next regularly scheduled meeting of the board of directors of the major district following its receipt of the minor district's request or at a special meeting called for the purpose of considering the request. If the board of the major district denies the request of the minor district, no further action on the request shall be taken.

If the board of the major district does not deny the request, it shall conduct a public hearing on the request and shall give notice regarding the hearing. The notice shall describe the proposed merger and shall be published once a week for two consecutive weeks preceding the date of the hearing and the last publication shall be not more than seven days before the date of the hearing. The notice shall contain a statement that unless the holders of title or evidence of title to at least twenty percent of the assessed lands within the major district file a protest opposing the merger with the board of the major district at or before the hearing, the board is free to approve the request for the merger without an election being conducted in the major district on the request. If the board of the major district is considering requests from more than one minor district, the hearing shall be conducted on all such requests.

**Sec. 2.** RCW 87.80.130 and 1996 c 320 s 11 are each amended to read as follows:

(1) A board of joint control created under the provisions of this chapter shall have full authority within its area of jurisdiction to enter into and perform any and all necessary contracts; to accept grants and loans, including, but not limited to, those provided under chapters 43.83B and 43.99E RCW, to appoint and employ and discharge the necessary officers, agents, and employees; to sue and be sued as a board but without personal liability of the members thereof in any and all matters in which all the irrigation entities represented on the board as a whole have a common interest without making the irrigation entities parties to the suit; to represent the entities in all matters of common interest as a whole within the scope of this chapter; and to do any and all lawful acts required and expedient to carry out the purposes of this chapter. A board of joint control may, subject to the same limitations as an irrigation district operating under chapter 87.03 RCW, acquire any property or property rights for

use within the board's area of jurisdiction by power of eminent domain; acquire, purchase, or lease in its own name all necessary real or personal property or property rights; and sell, lease, or exchange any surplus real or personal property or property rights. Any transfers of water, however, are limited to transfers authorized under subsection (2) of this section.

(2) A board of joint control is authorized and encouraged to pursue conservation and system efficiency improvements to optimize the use of appropriated waters and to either redistribute the saved water within its area of jurisdiction, or, transfer the water to others, or both. A redistribution of saved water as an operational practice internal to the board of joint control's area of jurisdiction, may be authorized if it can be made without detriment or injury to rights existing outside of the board of control's area of jurisdiction, including instream flow water rights established under state or federal law. Prior to undertaking a water conservation or system efficiency improvement project which will result in a redistribution of saved water, the board of joint control must consult with the department of ecology and if the board's jurisdiction is within a United States reclamation project the board must obtain the approval of the bureau of reclamation. The purpose of such consultation is to assure that the proposal will not impair the rights of other water holders or bureau of reclamation contract water users. A board of control does not have the power to authorize a change of any water right that would change the point or points of diversion, purpose of use, or place of use outside the board's area of jurisdiction, without the approval of the department of ecology pursuant to RCW 90.03.380 and if the board's jurisdiction is within a United States reclamation project, the approval of the bureau of reclamation.

(3) A board of joint control is authorized to design, construct, and operate either drainage projects, or water quality enhancement projects, or both.

(4) Where the board of joint control area of jurisdiction is totally within a federal reclamation project, the board is authorized to accept operational responsibility for federal reserved works.

(5) Nothing contained in this chapter gives a board of joint control the authority to abridge the existing rights, responsibilities, and authorities of an individual irrigation entity or others within the area of jurisdiction; nor in a case where the board of joint control consists of representatives of two or more divisions of a federal reclamation project shall the board of joint control abridge any powers of an existing board of control created through federal contract; nor shall a board of joint control have any authority to abridge or modify a water right benefiting lands within its area of jurisdiction without consent of the party holding the ownership interest in the water right.

(6) A board of joint control created under this chapter may not use any authority granted to it by this chapter or by RCW 90.03.380 to authorize a transfer of or change in a water right or to authorize a redistribution of saved water before July 1, 1997."

### SENATE AMENDMENTS TO HOUSE BILL

March 3, 1998

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 2836 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature recognizes the need to address listings that are made under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.) in a way that will make the most efficient use of existing efforts. The legislature finds that the principle of adaptive management requires that different models should be tried so that the lessons learned from these models can be put to use throughout the state. It is the intent of the legislature to create a pilot program for southwestern Washington to address the recent steelhead listings and which takes full advantage of all state and local efforts at habitat restoration in that area to date.

**NEW SECTION. Sec. 2.** (1) A pilot program for steelhead recovery is established in Clark, Cowlitz, Lewis, Skamania, and Wahkiakum counties within the habitat area classified as evolutionarily significant unit 4 by the federal national marine fisheries service. The management board created under subsection (2) of this section is responsible for implementing the habitat portion of the approved steelhead recovery initiative and is empowered to receive and disburse funds for the approved steelhead recovery initiative. The management board created pursuant to this section shall constitute the regional council for this area responsible for fulfilling the requirements and exercising the powers of a regional council under chapter . . . , Laws of 1998 (Substitute House Bill No. 2496).

(2) A management board consisting of fifteen voting members is created within evolutionarily significant unit 4. The members shall consist of one county commissioner or designee from each of the five participating counties selected by each county legislative authority; one member representing the cities contained within evolutionarily significant unit 4 as a voting member selected by the cities in evolutionarily significant unit 4; a representative of the Cowlitz Tribe appointed by the tribe; one state legislator elected from one of the legislative districts contained within evolutionarily significant unit 4 selected by that group of state legislators representing the area; five representatives to include at least one member who represents private property interests appointed by the five county commissioners or designees; one hydro utility representative nominated by hydro utilities and appointed by the five county commissioners or designees; and one representative nominated from the environmental community who resides in evolutionarily significant unit 4 appointed by the five county commissioners or designees. The board shall appoint and consult a technical advisory committee, which shall include four representatives of state agencies one each appointed by the directors of the departments of ecology, fish and wildlife, and transportation, and the commissioner of public lands. The board may also appoint additional persons to the technical advisory committee as needed. The chair of the board shall be selected from among the five county commissioners or designees and the legislator on the board. In making appointments under this subsection, the county commissioners shall consider recommendations of interested parties. Vacancies shall be filled in the same manner as the original

appointments were selected. No action may be brought or maintained against any management board member, the management board, or any of its agents, officers, or employees for any noncontractual acts or omissions in carrying out the purposes of this section.

(3)(a) The management board shall participate in the development of a recovery plan to implement its responsibilities under (b) of this subsection. The management board shall consider local watershed efforts and activities as well as habitat conservation plans in the implementation of the recovery plan. Any of the participating counties may continue its own efforts for restoring steelhead habitat. Nothing in this section limits the authority of units of local government to enter into interlocal agreements under chapter 39.34 RCW or any other provision of law.

(b) The management board is responsible for implementing the habitat portions of the local government responsibilities of the lower Columbia steelhead conservation initiative approved by the state and the national marine fisheries service. The management board may work in cooperation with the state and the national marine fisheries service to modify the initiative, or to address habitat for other aquatic species that may be subsequently listed under the federal endangered species act. The management board may not exercise authority over land or water within the individual counties or otherwise preempt the authority of any units of local government.

(c) The management board shall prioritize as appropriate and approve projects and programs related to the recovery of lower Columbia river steelhead runs, including the funding of those projects and programs, and coordinate local government efforts as prescribed in the recovery plan. The management board shall establish criteria for funding projects and programs based upon their likely value in steelhead recovery. The management board may consider local economic impact among the criteria, but jurisdictional boundaries and factors related to jurisdictional population may not be considered as part of the criteria.

(d) The management board shall assess the factors for decline along each prioritized stream as listed in the lower Columbia steelhead conservation initiative. The management board is encouraged to take a stream-by-stream approach in conducting the assessment which utilizes state and local expertise, including volunteer groups, interest groups, and affected units of local government.

(4) The management board has the authority to hire and fire staff, including an executive director, enter into contracts, accept grants and other moneys, disburse funds, make recommendations to cities and counties about potential code changes and the development of programs and incentives upon request, pay all necessary expenses, and may choose a fiduciary agent. The management board shall report on its progress on a quarterly basis to the legislative bodies of the five participating counties and the state natural resource-related agencies.

(5) The pilot program terminates on July 1, 2002.

(6) For purposes of this section, "evolutionarily significant unit" means the habitat area identified for an evolutionarily significant unit of an aquatic species listed or proposed for listing as a threatened or endangered species under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.).

**NEW SECTION. Sec. 3.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2941 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds:

(a) Utilities that provide service for the public necessity and convenience, particularly electric, water, and sewer utilities, maintain facilities in rights of way and where easements, both acquired and implied, exist;

(b) Vegetation growth on state lands and private properties adjacent to utility facilities can cause damage to utility facilities and pose public safety concerns where such vegetation grows or falls into these facilities; and

(c) When vegetation from adjacent land or property causes damage to utility facilities, utility service to customers might be disrupted, collateral damage might occur to other properties, and the general public might be placed in imminent danger.

(2) The legislature declares:

(a) Utilities have a dual interest in protecting their facilities from potential damages caused by vegetation on adjacent lands or properties and preserving service continuity and reliability for the customer;

(b) The cutting or removal of trees, timber, and shrubs by a utility from adjacent lands or properties is often done to protect the utility's facilities, to maintain service continuity and reliability, and to protect the general public, not for commercial or profit-motivated purposes; and

(c) Utilities should be immune from liability, including special damages for emotional distress, when a utility cuts or removes from adjacent lands or properties vegetation that has damaged, poses an imminent threat to, or encroached upon utility facilities and the utility has given appropriate notice and opportunity to the land or property owner or resident.

**NEW SECTION. Sec. 2.** A new section is added to chapter 64.12 RCW to read as follows:

(1) A utility is immune from liability under RCW 64.12.030 and 64.12.040, when it cuts or removes any trees, timber, or shrubs that:

(a) Have damaged utility facilities or pose a hazard to the general public health, safety, or welfare and the utility makes a reasonable effort as soon as practical to notify and secure agreement from an adjacent land or property owner of record, or the resident of the property, regarding the disposal of any trees, timber, or shrubs that have been cut or removed by the utility;

(b) Pose an imminent threat to damage utility facilities and the utility makes a reasonable effort to notify and secure agreement from an adjacent land or property owner of record, or the resident of the property, regarding the cutting or removal and disposal of any trees, timber, or shrubs located on land or property adjacent to utility facilities; or

(c) Encroached upon utility facilities and the utility secures an agreement from an adjacent land or property owner of record, or the resident of the property, regarding the cutting or removal and disposal of any trees, timber, or shrubs located on land or property adjacent to utility facilities.

(2) Damages under RCW 64.12.030 or 64.12.040 for cutting or removal of natural vegetation by a utility shall be limited to stumpage value.

(3) In no event shall a utility be liable for damages for emotional distress for cutting or removing any trees, timber, or shrubs located on land or property adjacent to utility facilities.

(4) For the purposes of this section:

(a) "Utility facility" means lines, conduits, ducts, poles, wires, pipes, conductors, cables, cross-arms, receivers, transmitters, transformers, instruments, machines, appliances, instrumentalities, and all devices, real estate, easements, apparatus, property, and routes used, operated, owned, or controlled by an electric, water, or sewer utility, natural gas, or telecommunications company, for the purposes of manufacturing, transmitting, distributing, selling, or furnishing electricity, water, sewer, natural gas, or telecommunications services; and

(b) "Natural vegetation" means a tree indigenous to the area in which it has grown and is of such age and condition that it can be reasonably determined to have grown naturally in its present location and it was not planted for the purposes of residential aesthetics, or commercial, production, or retail sale."

On page 1, line 2 of the title, after "vegetation;" strike the remainder of the title and insert "adding a new section to chapter 64.12 RCW; and creating a new section."

(3) Taxpayers shall prepay their tax obligations under this section. The minimum amount of the prepayments shall be percentages of the taxpayer's tax obligation for the preceding calendar year recomputed using the rate in effect for the current year. For the prepayment of taxes due during the first calendar year, the minimum amount of the prepayments shall be percentages of the taxpayer's tax obligation that would have been due had the tax been in effect during the previous calendar year. (b) On or before September 15, twenty-five percent;

(7) Beginning January 1, 2000, the state does hereby preempt the field of imposing excise or privilege taxes upon taxpayers and no county, city, town, or other municipal subdivision shall have the right to impose any such taxes upon such taxpayers. This subsection shall be limited to premiums and payments for health benefit plans offered by health care service contractors under chapter 48.44 RCW and health maintenance organizations under chapter 48.46 RCW. SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1781 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that increased communications between local law enforcement officers and the state department of corrections' community corrections officers improves public safety through shared monitoring and supervision of offenders living in the community under the jurisdiction of the department of corrections.

Participating local law enforcement agencies and the local offices of the department of corrections have implemented the supervision management and recidivist tracking program, whereby each entity provides mutual assistance in supervising offenders living within the boundaries of local law enforcement agencies. The supervision management and recidivist tracking program has helped local law enforcement solve crimes faster or prevented future criminal activity by reporting offender's sentence violations in a more timely manner to community corrections officers by rapid and comprehensive electronic sharing of information regarding supervised offenders. The expansion of the supervision management and recidivist tracking program will improve public safety throughout the state.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.10 RCW to read as follows:

(1) There is created, as a component of the homicide investigative tracking system, a supervision management and recidivist tracking system called the SMART system. The office of the attorney general may contract with any state, local, or private agency necessary for implementation of and training for supervision management and recidivist tracking program partnerships for development and operation of a state-wide computer linkage between the attorney general's homicide investigative tracking system, local police departments, and the state department of corrections. Dormant information in the supervision management and recidivist tracking system shall be automatically archived after seven years. The department of corrections shall notify the attorney general when each person is no longer under its supervision.

(2) As used in this section, unless the context requires otherwise:

(a) "Dormant" means there have been no inquiries by the department of corrections or law enforcement with regard to an active supervision case or an active criminal investigation in the past seven years.

(b) "Archived" means information which is not in the active data base and can only be retrieved for use in an active criminal investigation.

**NEW SECTION. Sec. 3.** The homicide investigative tracking system and the supervision management and recidivist tracking system are tools for the administration of criminal justice and these systems may not be used for any other purpose."

On page 1, line 2 of the title, after "corrections;" strike the remainder of the title and insert "adding a new section to chapter 43.10 RCW; and creating new sections."

(c) Advertising a particular model, type, or kind of hearing instrument for sale which purchasers or prospective purchasers responding to the advertisement cannot purchase or are dissuaded from purchasing and where it is established that the purpose of the advertisement is to obtain prospects for the sale of a different model, type, or kind than that advertised;

(d) Falsifying hearing test or evaluation results;

(e)(i) Whenever any of the following conditions are found or should have been found to exist either from observations by the licensee or certificate or interim permit holder or on the basis of information furnished by the prospective hearing instrument user prior to fitting and dispensing a hearing instrument to any such prospective hearing instrument user, failing to advise that prospective hearing instrument user in writing that the user should first consult a licensed physician specializing in diseases of the ear or if no such licensed physician is available in the community then to any duly licensed physician:

No such referral for medical opinion need be made by any licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder in the instance of replacement only of a hearing instrument which has been lost or damaged beyond repair within twelve months of the date of purchase. The licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder or their employees or putative agents shall obtain a signed statement from the hearing instrument user documenting the waiver of medical clearance and the waiver shall inform the prospective user that signing the waiver is not in the user's best health interest: PROVIDED, That the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder shall maintain a copy of either the physician's statement showing that the prospective hearing instrument user has had a medical evaluation within the previous six months or the statement waiving medical evaluation, for a period of three years after the purchaser's receipt of a hearing instrument. Nothing in this section required to be performed by a licensee or certificate or interim permit holder shall mean that the licensee or certificate or interim permit holder is engaged in the diagnosis of illness or the practice of medicine or any other activity prohibited under the laws of this state;

(ii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined and cleared for hearing instrument use within the previous six months by a physician specializing in otolaryngology except in the case of replacement instruments or except in the case of the parents or guardian of such person refusing, for good cause, to seek medical opinion: PROVIDED, That should the parents or guardian of such person refuse, for good cause, to seek

medical opinion, the licensed hearing instrument fitter/dispenser or certified audiologist shall obtain from such parents or guardian a certificate to that effect in a form as prescribed by the department;

(iii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined by an audiologist who holds at least a master's degree in audiology for recommendations during the previous six months, without first advising such person or his or her parents or guardian in writing that he or she should first consult an audiologist who holds at least a master's degree in audiology, except in cases of hearing instruments replaced within twelve months of their purchase;

(f) Representing that the services or advice of a person licensed to practice medicine and surgery under chapter 18.71 RCW or osteopathic medicine and surgery under chapter 18.57 RCW or of a clinical audiologist will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing instruments when that is not true, or using the word "doctor," "clinic," or other like words, abbreviations, or symbols which tend to connote a medical or osteopathic medicine and surgery profession when such use is not accurate;

(g) Permitting another to use his or her license, certificate, or interim permit;

(h) Stating or implying that the use of any hearing instrument will restore normal hearing, preserve hearing, prevent or retard progression of a hearing impairment, or any other false, misleading, or medically or audiologically unsupportable claim regarding the efficiency of a hearing instrument;

(i) Representing or implying that a hearing instrument is or will be "custom-made," "made to order," "prescription made," or in any other sense specially fabricated for an individual when that is not the case; or

(j) Directly or indirectly offering, giving, permitting, or causing to be given, money or anything of value to any person who advised another in a professional capacity as an inducement to influence that person, or to have that person influence others to purchase or contract to purchase any product sold or offered for sale by the hearing instrument fitter/dispenser, audiologist, or interim permit holder, or to influence any person to refrain from dealing in the products of competitors.

(2) Engaging in any unfair or deceptive practice or unfair method of competition in trade within the meaning of RCW 19.86.020.

(3) Aiding or abetting any violation of the rebating laws as stated in chapter 19.68 RCW.

**Sec. 9.** RCW 18.35.120 and 1996 c 200 s 17 are each amended to read as follows:

A licensee or certificate or interim permit holder under this chapter may also be subject to disciplinary action if the licensee or certificate or interim permit holder:

(1) Is found guilty in any court of any crime involving forgery, embezzlement, obtaining money under false pretenses, larceny, extortion, or conspiracy to defraud and ten years have not elapsed since the date of the conviction; or

(2) Has a judgment entered against him or her in any civil action involving forgery, embezzlement, obtaining money under false pretenses, larceny, extortion, or conspiracy to defraud and five years have not elapsed since the date of the entry of the final judgment in the action, but a license or certificate shall not be issued unless the judgment debt has been discharged; or

(3) Has a judgment entered against him or her under chapter 19.86 RCW and two years have not elapsed since the entry of the final judgment; but a license or certificate shall not be issued unless there has been full compliance with the terms of such judgment, if any. (4) Commits unprofessional conduct as defined in RCW 18.130.180 of the uniform disciplinary act.

~~((5))~~ ~~((4))~~ To require a licensee or certificate or interim permit holder to make restitution to any individual injured by a violation of this chapter or chapter 18.130 RCW, the uniform disciplinary act. The authority to require restitution does not limit the board's authority to take other action deemed appropriate and provided for in this chapter or chapter 18.130 RCW;

~~((6))~~ ~~((5))~~ To pass upon the qualifications of applicants for licensure, certification, or interim permits and to certify to the secretary;

~~((7))~~ ~~((6))~~ To recommend requirements for continuing education and continuing competency requirements as a prerequisite to renewing a license or certificate under this chapter;

~~((8))~~ ~~((7))~~ To keep an official record of all its proceedings. The record is evidence of all proceedings of the board that are set forth in this record;

~~((9))~~ ~~((8))~~ To adopt rules, if the board finds it appropriate, in response to questions put to it by professional health associations, hearing instrument fitter/dispensers or audiologists, speech-language pathologists, interim permit holders, and consumers in this state; and

~~((10))~~ ~~((9))~~ To adopt rules relating to standards of care relating to hearing instrument fitter/dispensers or audiologists, including the dispensing of hearing instruments, and relating to speech-language pathologists, including dispensing of communication devices.

**Sec. 12.** RCW 18.35.172 and 1996 c 200 s 22 are each amended to read as follows:

The uniform disciplinary act, chapter 18.130 RCW, governs unlicensed practice, the issuance and denial of licenses, certificates, and interim permits, and the discipline of licensees and certificate and permit holders under this chapter.

**Sec. 13.** RCW 18.35.185 and 1996 c 200 s 25 are each amended to read as follows:

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing instrument shall have the right to rescind the transaction for other than the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder's breach if:

(a) The purchaser, for reasonable cause, returns the hearing instrument or holds it at the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder's disposal, if the hearing instrument is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing instrument; and

(b) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the establishment employing the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder at the time the hearing instrument was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the licensed

hearing instrument fitter/dispenser, certified audiologist, or interim permit holder may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing instrument develops a problem which qualifies as a reasonable cause for rescission or which prevents the purchaser from evaluating the hearing instrument, and the purchaser notifies the establishment employing the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder of the problem during the thirty days following the date of delivery and documents such notification, the deadline for posting the notice of rescission shall be extended by an equal number of days as those between the date of the notification of the problem to the date of notification of availability for redeliveries. Where the hearing instrument is returned to the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder for any inspection for modification or repair, and the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder has notified the purchaser that the hearing instrument is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing instrument or instructing the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder to forward it to the purchaser, then the deadline for giving notice of the rescission shall extend no more than seven working days after this notice of availability.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing instrument is returned to the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder, the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder shall refund to the purchaser any payments or deposits for that hearing instrument. However, the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder may retain, for each hearing instrument, fifteen percent of the total purchase price or one hundred twenty-five dollars, whichever is less. After December 31, 1996, the rescission amount shall be determined by the board. The licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder shall also return any goods traded in contemplation of the sale, less any costs incurred by the licensed hearing instrument fitter/dispenser, certified audiologist, or interim permit holder in making those goods ready for resale. The refund shall be made within ten business days after the rescission. The buyer shall incur no additional liability for such rescission.

(3) For the purposes of this section, the purchaser shall have recourse against the bond held by the establishment entering into a purchase agreement with the buyer, as provided by RCW 18.35.240.

**Sec. 14.** RCW 18.35.190 and 1996 c 200 s 26 are each amended to read as follows:

In addition to remedies otherwise provided by law, in any action brought by or on behalf of a person required to be licensed or certified or to hold ((a)) an interim permit ((hereunder)) under this chapter, or by any assignee or transferee, it shall be necessary to allege and prove that the licensee or certificate or interim permit holder at the time of the transaction held a valid license, certificate, or interim permit as required by this chapter, and that such license, certificate, or interim permit has not been suspended or revoked pursuant to RCW 18.35.110, 18.35.120, or 18.130.160.

**Sec. 15.** RCW 18.35.195 and 1996 c 200 s 27 are each amended to read as follows:

(1) This chapter shall not apply to military or federal government employees.

(2) This chapter does not prohibit or regulate:

(a) Fitting or dispensing by students enrolled in a board-approved program who are directly supervised by a licensed hearing instrument fitter/dispenser ((~~or~~)), a certified audiologist under the provisions of this chapter, or an instructor at a two-year hearing instrument fitter/dispenser degree program that is approved by the board; and

(b) Hearing instrument fitter/dispensers, speech-language pathologists, or audiologists of other states, territories, or countries, or the District of Columbia while appearing as clinicians of bona fide educational seminars sponsored by speech-language pathology, audiology, hearing instrument fitter/dispenser, medical, or other healing art professional associations so long as such activities do not go beyond the scope of practice defined by this chapter.

**Sec. 16.** RCW 18.35.205 and 1996 c 200 s 28 are each amended to read as follows:

The legislature finds that the public health, safety, and welfare would best be protected by uniform regulation of hearing instrument fitter/dispensers, speech-language pathologists, audiologists, and interim permit holders throughout the state. Therefore, the provisions of this chapter relating to the licensing or certification of hearing instrument fitter/dispensers, speech-language pathologists, and

audiologists and regulation of interim permit holders and their respective establishments or facilities is exclusive. No political subdivision of the state of Washington within whose jurisdiction a hearing instrument fitter/dispenser, audiologist, or speech-language pathologist establishment or facility is located may require any registrations, bonds, licenses, certificates, or interim permits of the establishment or facility or its employees or charge any fee for the same or similar purposes: PROVIDED, HOWEVER, That nothing herein shall limit or abridge the authority of any political subdivision to levy and collect a general and nondiscriminatory license fee levied on all businesses, or to levy a tax based upon the gross business conducted by any firm within the political subdivision.

**Sec. 17.** RCW 18.35.230 and 1996 c 200 s 29 are each amended to read as follows:

(1) Each licensee or certificate or interim permit holder shall name a registered agent to accept service of process for any violation of this chapter or rule adopted under this chapter.

(2) The registered agent may be released at the expiration of one year after the license, certificate, or interim permit issued under this chapter has expired or been revoked.

(3) Failure to name a registered agent for service of process for violations of this chapter or rules adopted under this chapter may be grounds for disciplinary action.

**Sec. 18.** RCW 18.35.240 and 1996 c 200 s 30 are each amended to read as follows:

(1) Every establishment engaged in the fitting and dispensing of hearing instruments shall file with the department a surety bond in the sum of ten thousand dollars, running to the state of Washington, for the benefit of any person injured or damaged as a result of any violation by the establishment's employees or agents of any of the provisions of this chapter or rules adopted by the secretary.

(2) In lieu of the surety bond required by this section, the establishment may file with the department a cash deposit or other negotiable security acceptable to the department. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit is filed, the department shall deposit the funds. The cash or other negotiable security deposited with the department shall be returned to the depositor one year after the establishment has discontinued the fitting and dispensing of hearing instruments if no legal action has been instituted against the establishment, its agents or employees, or the cash deposit or other security. The establishment owners shall notify the department if the establishment is sold, changes names, or has discontinued the fitting and dispensing of hearing instruments in order that the cash deposit or other security may be released at the end of one year from that date.

(4) A surety may file with the department notice of withdrawal of the bond of the establishment. Upon filing a new bond, or upon the expiration of sixty days after the filing of notice of withdrawal by the surety, the liability of the former surety for all future acts of the establishment terminates.

(5) Upon the filing with the department notice by a surety of withdrawal of the surety on the bond of an establishment or upon the cancellation by the department of the bond of a surety under this section, the department shall immediately give notice to the establishment by certified or registered mail with return receipt requested addressed to the establishment's last place of business as filed with the department.

(6) The department shall immediately cancel the bond given by a surety company upon being advised that the surety company's license to transact business in this state has been revoked.

(7) Each invoice for the purchase of a hearing instrument provided to a customer must clearly display on the first page the bond number of the establishment or the licensee or certificate or interim permit holder fitting/dispensing the hearing instrument.

**Sec. 19.** RCW 18.35.250 and 1996 c 200 s 31 are each amended to read as follows:

(1) In addition to any other legal remedies, an action may be brought in any court of competent jurisdiction upon the bond, cash deposit, or security in lieu of a surety bond required by this chapter, by any person having a claim against a licensee or certificate or interim permit holder, agent, or establishment for any violation of this chapter or any rule adopted under this chapter. The aggregate liability of the surety to all claimants shall in no event exceed the sum of the bond. Claims shall be satisfied in the order of judgment rendered.

(2) An action upon the bond shall be commenced by serving and filing the complaint within one year from the date of the cancellation of the bond. An action upon a cash deposit or other security

shall be commenced by serving and filing the complaint within one year from the date of notification to the department of the change in ownership of the establishment or the discontinuation of the fitting and dispensing of hearing instruments by that establishment. Two copies of the complaint shall be served by registered or certified mail, return receipt requested, upon the department at the time the suit is started. The service constitutes service on the surety. The secretary shall transmit one copy of the complaint to the surety within five business days after the copy has been received.

(3) The secretary shall maintain a record, available for public inspection, of all suits commenced under this chapter under surety bonds, or the cash or other security deposited in lieu of the surety bond. In the event that any final judgment impairs the liability of the surety upon a bond so furnished or the amount of the deposit so that there is not in effect a bond undertaking or deposit in the full amount prescribed in this section, the department shall suspend the license or certificate until the bond undertaking or deposit in the required amount, unimpaired by unsatisfied judgment claims, has been furnished.

(4) If a judgment is entered against the deposit or security required under this chapter, the department shall, upon receipt of a certified copy of a final judgment, pay the judgment from the amount of the deposit or security.

**Sec. 20.** RCW 18.35.260 and 1996 c 200 s 16 are each amended to read as follows:

(1) A person who is not licensed with the secretary as a hearing instrument fitter/dispenser under the requirements of this chapter may not represent himself or herself as being so licensed and may not use in connection with his or her name the words "licensed hearing instrument fitter/dispenser," "hearing instrument specialist," or "hearing aid fitter/dispenser," or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a licensed hearing instrument fitter/dispenser.

(2) A person who is not certified with the secretary as a speech-language pathologist under the requirements of this chapter may not represent himself or herself as being so certified and may not use in connection with his or her name the words including "certified speech-language pathologist" or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions as a certified speech-language pathologist.

(3) A person who is not certified with the secretary as an audiologist under the requirements of this chapter may not represent himself or herself as being so certified and may not use in connection with his or her name the words "certified audiologist" or a variation, synonym, letter, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a certified audiologist.

~~(4) ((A person who does not hold a permit issued by the secretary as a hearing instrument fitter/dispenser permittee under the requirements of this chapter may not represent himself or herself as being so permitted and may not use in connection with his or her name the words "hearing instrument fitter/dispenser permit holder" or a variation, synonym, word, sign, number, insignia, coinage, or whatever expresses, employs, or implies these terms, names, or functions of a hearing instrument fitter/dispenser permit holder.~~

~~(5))~~ Nothing in this chapter prohibits a person credentialed in this state under another act from engaging in the practice for which he or she is credentialed.

(b) A leased or rented vehicle may be transferred to the lessor, rental agency, or to a person designated by the lessor or rental agency; and

(c) A vehicle may be transferred to a third party or a vehicle dealer who is a bona fide purchaser or may be subject to a bona fide security interest in the vehicle unless it is established that (i) in the case of a purchase by a third party or vehicle dealer, such party or dealer had actual notice that the vehicle was subject to the prohibition prior to the purchase, or (ii) in the case of a security interest, the holder of the security interest had actual notice that the vehicle was subject to the prohibition prior to the encumbrance of title.

(2) On conviction for a violation of either RCW 46.61.502 or 46.61.504 or any similar municipal ordinance where the person convicted has a prior offense within ~~((five))~~ seven years as defined in RCW 46.61.5055, the motor vehicle the person was driving or over which the person had

actual physical control at the time of the offense, if the person has a financial interest in the vehicle, is subject to seizure and forfeiture pursuant to this section.

(3) A vehicle subject to forfeiture under this chapter may be seized by a law enforcement officer of this state upon process issued by a court of competent jurisdiction. Seizure of a vehicle may be made without process if the vehicle subject to seizure has been the subject of a prior judgment in favor of the state in a forfeiture proceeding based upon this section.

(4) Seizure under subsection (3) of this section automatically commences proceedings for forfeiture. The law enforcement agency under whose authority the seizure was made shall cause notice of the seizure and intended forfeiture of the seized vehicle to be served within fifteen days after the seizure on the owner of the vehicle seized, on the person in charge of the vehicle, and on any person having a known right or interest in the vehicle, including a community property interest. The notice of seizure may be served by any method authorized by law or court rule, including but not limited to service by certified mail with return receipt requested. Service by mail is complete upon mailing within the fifteen-day period after the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected on a certificate of title shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the vehicle is deemed forfeited.

(6) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020, the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the vehicle is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the vehicle involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorneys' fees. The burden of producing evidence shall be upon the person claiming to be the legal owner or the person claiming to have the lawful right to possession of the vehicle. The seizing law enforcement agency shall promptly return the vehicle to the claimant upon a determination by the administrative law judge or court that the claimant is the present legal owner under Title 46 RCW or is lawfully entitled to possession of the vehicle.

(7) When a vehicle is forfeited under this chapter the seizing law enforcement agency may sell the vehicle, retain it for official use, or upon application by a law enforcement agency of this state release the vehicle to that agency for the exclusive use of enforcing this title; provided, however, that the agency shall first satisfy any bona fide security interest to which the vehicle is subject under subsection (1) (a) or (c) of this section.

(8) When a vehicle is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the vehicle, the disposition of the vehicle, the value of the vehicle at the time of seizure, and the amount of proceeds realized from disposition of the vehicle.

(9) Each seizing agency shall retain records of forfeited vehicles for at least seven years.

(10) Each seizing agency shall file a report including a copy of the records of forfeited vehicles with the state treasurer each calendar quarter.

(11) The quarterly report need not include a record of a forfeited vehicle that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(12) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of vehicles forfeited during the preceding calendar year. Money remitted shall be deposited in the public safety and education account.

(13) The net proceeds of a forfeited vehicle is the value of the forfeitable interest in the vehicle after deducting the cost of satisfying a bona fide security interest to which the vehicle is subject at the time of seizure; and in the case of a sold vehicle, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents.

(14) The value of a sold forfeited vehicle is the sale price. The value of a retained forfeited vehicle is the fair market value of the vehicle at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing. A seizing agency may, but need not, use an independent qualified appraiser to determine the value of retained vehicles. If an appraiser is used, the value of the vehicle appraised is net of the cost of the appraisal.

**Sec. 3.** RCW 46.01.260 and 1997 c 66 s 11 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the director, in his or her discretion, may destroy applications for vehicle licenses, copies of vehicle licenses issued, applications for drivers' licenses, copies of issued drivers' licenses, certificates of title and registration or other documents, records or supporting papers on file in his or her office which have been microfilmed or photographed or are more than five years old. If the applications for vehicle licenses are renewal applications, the director may destroy such applications when the computer record thereof has been updated.

(2)(a) The director shall not destroy records of convictions or adjudications of RCW 46.61.520 and 46.61.522 or records of deferred prosecutions granted under RCW 10.05.120 and shall maintain such records permanently on file.

(b) The director shall not, within ~~((ten))~~ fifteen years from the date of conviction~~((;))~~ or adjudication~~((; or entry of deferred prosecution))~~, destroy records of the following:

(i) Convictions or adjudications of the following offenses: RCW 46.61.502 or 46.61.504; or

(ii) If the offense was originally charged as one of the offenses designated in (a) or (b)(i) of this subsection, convictions or adjudications of the following offenses: RCW 46.61.500 or 46.61.5249 or any other violation that was originally charged as one of the offenses designated in (a) or (b)(i) of this subsection~~((; or~~

~~((iii) Deferred prosecutions granted under RCW 10.05.120)).~~

(c) For purposes of RCW 46.52.100 and 46.52.130, offenses subject to this subsection shall be considered "alcohol-related" offenses.

**Sec. 4.** RCW 46.20.285 and 1996 c 199 s 5 are each amended to read as follows:

The department shall forthwith revoke the license of any driver for the period of one calendar year unless otherwise provided in this section, upon receiving a record of the driver's conviction of any of the following offenses, when the conviction has become final:

(1) For vehicular homicide the period of revocation shall be two years. The revocation period shall be tolled during any period of total confinement for the offense;

(2) Vehicular assault. The revocation period shall be tolled during any period of total confinement for the offense;

(3) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle, ~~((upon a showing by the department's records that the conviction is the second such conviction for the driver within a period of five years. Upon a showing that the conviction is the third such conviction for the driver within a period of five years, the period of revocation shall be two years))~~ for the period prescribed in RCW 46.61.5055;

(4) Any felony in the commission of which a motor vehicle is used;

(5) Failure to stop and give information or render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another or resulting in damage to a vehicle that is driven or attended by another;

(6) Perjury or the making of a false affidavit or statement under oath to the department under Title 46 RCW or under any other law relating to the ownership or operation of motor vehicles;

(7) Reckless driving upon a showing by the department's records that the conviction is the third such conviction for the driver within a period of two years.

**Sec. 5.** RCW 46.61.503 and 1995 c 332 s 2 are each amended to read as follows:

(1) Notwithstanding any other provision of this title, a person is guilty of driving a motor vehicle after consuming alcohol if the person operates a motor vehicle within this state and the person:

(a) Is under the age of twenty-one;

(b) Has, within two hours after operating the motor vehicle, an alcohol concentration of ~~((0.02 or more))~~ at least 0.02 but less than the concentration specified in RCW 46.61.502, as shown by analysis of the person's breath or blood made under RCW 46.61.506.

(2) It is an affirmative defense to a violation of subsection (1) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a sufficient quantity of alcohol after the time of driving and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be ~~((0.02 or more))~~ in violation of subsection (1) of this section within two hours after driving. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the earlier of: (a) Seven days prior to trial; or (b) the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(3) Analyses of blood or breath samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had an alcohol concentration ~~((of 0.02 or more))~~ in violation of subsection (1) of this section.

(4) A violation of this section is a misdemeanor.

NEW SECTION. **Sec. 6.** A new section is added to chapter 46.61 RCW to read as follows:

(1) A defendant who is arrested for an offense involving driving while under the influence as defined in RCW 46.61.502, driving under age twenty-one after consuming alcohol as defined in RCW 46.61.503, or being in physical control of a vehicle while under the influence as defined in RCW 46.61.504, shall be required to appear in person before a magistrate within one judicial day after the arrest.

(2) A defendant who is charged by citation, complaint, or information with an offense involving driving while under the influence as defined in RCW 46.61.502, driving under age twenty-one after consuming alcohol as defined in RCW 46.61.503, or being in physical control of a vehicle while under the influence as defined in RCW 46.61.504, and who is not arrested, shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information.

(3) At the time of an appearance required by this section, the court shall determine the necessity of imposing conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment.

(4) Appearances required by this section are mandatory and may not be waived.

**Sec. 7.** RCW 46.20.308 and 1995 c 332 s 1 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration ~~((of 0.02 or more))~~ in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility in which a breath testing instrument is not present or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(4). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by

any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that:

(a) His or her license, permit, or privilege to drive will be revoked or denied if he or she refuses to submit to the test;

(b) His or her license, permit, or privilege to drive will be suspended, revoked, denied, or placed in probationary status if the test is administered and the test indicates the alcohol concentration of the person's breath or blood is 0.10 or more, in the case of a person age twenty-one or over, or ~~((0.02 or more))~~ in violation of RCW 46.61.502, 46.61.503, or 46.61.504 in the case of a person under age twenty-one; and

(c) His or her refusal to take the test may be used in a criminal trial.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.10 or more if the person is age twenty-one or over, or is ~~((0.02 or more))~~ in violation of RCW 46.61.502, 46.61.503, or 46.61.504 if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, deny, or place in probationary status the person's license, permit, or privilege to drive as required by subsection (7) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section;

(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration ~~((of 0.02 or more))~~ in violation of RCW 46.61.503;

(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her blood or breath, or a test was administered and the results

indicated that the alcohol concentration of the person's breath or blood was 0.10 or more if the person is age twenty-one or over, or was ~~((0.02 or more))~~ in violation of RCW 46.61.502, 46.61.503, or 46.61.504 if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(e) of this section, shall suspend, revoke, deny, or place in probationary status the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, denial, or placement in probationary status to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this section may, within thirty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of one hundred dollars as part of the request. If the request is mailed, it must be postmarked within thirty days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required one hundred dollar fee, the department shall afford the person an opportunity for a hearing. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration ~~((of 0.02 or more))~~ in violation of RCW 46.61.503 and was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.10 or more if the person was age twenty-one or over at the time of the arrest, or was ~~((0.02 or more))~~ in violation of RCW 46.61.502, 46.61.503, or 46.61.504 if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration ~~((of 0.02 or more))~~ in violation of RCW 46.61.503 and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, denial, or placement in probationary status either be rescinded or sustained.

(9) If the suspension, revocation, denial, or placement in probationary status is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, denied, or placed in probationary status has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, denial, or placement in probationary status. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, denial, or placement in probationary status as expeditiously as possible. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, denial, or placement in probationary status it may impose conditions on such stay.

(10) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, denied, or placed in probationary status under subsection (7) of this section, other than as a result of a breath test refusal, and who has not committed an offense within the last five years for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, the court may direct the department to stay any actual or proposed suspension, revocation, denial, or placement in probationary status for at least forty-five days but not more than ninety days. If the court stays the suspension, revocation, denial, or placement in probationary status, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

**Sec. 8.** RCW 46.20.3101 and 1995 c 332 s 3 are each amended to read as follows:

Pursuant to RCW 46.20.308, the department shall suspend, revoke, or deny the arrested person's license, permit, or privilege to drive as follows:

(1) In the case of a person who has refused a test or tests:

(a) For a first refusal within ~~((five))~~ seven years, where there has not been a previous incident within ~~((five))~~ seven years that resulted in administrative action under this section, revocation or denial for one year;

(b) For a second or subsequent refusal within ~~((five))~~ seven years, or for a first refusal where there has been one or more previous incidents within ~~((five))~~ seven years that have resulted in administrative action under this section, revocation or denial for two years or until the person reaches age twenty-one, whichever is longer. A revocation imposed under this subsection (1)(b) shall run consecutively to the period of any suspension, revocation, or denial imposed pursuant to a criminal conviction arising out of the same incident.

(2) In the case of an incident where a person has submitted to or been administered a test or tests indicating that the alcohol concentration of the person's breath or blood was 0.10 or more:

(a) For a first incident within ~~((five))~~ seven years, where there has not been a previous incident within ~~((five))~~ seven years that resulted in administrative action under this section, placement in probationary status as provided in RCW 46.20.355;

(b) For a second or subsequent incident within ~~((five))~~ seven years, revocation or denial for two years.

(3) In the case of an incident where a person under age twenty-one has submitted to or been administered a test or tests indicating that the alcohol concentration of the person's breath or blood was ~~((0.02 or more))~~ in violation of RCW 46.61.503:

(a) For a first incident within ~~((five))~~ seven years, suspension or denial for ninety days;

(b) For a second or subsequent incident within ~~((five))~~ seven years, revocation or denial for one year or until the person reaches age twenty-one, whichever is longer.

**Sec. 9.** RCW 46.20.391 and 1995 c 332 s 12 are each amended to read as follows:

(1) Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed for a violation of RCW 46.61.502 or 46.61.504. A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2) An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not committed any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within ~~((five))~~ seven years immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not committed any of the following offenses: (i) Driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor; (ii) vehicular homicide under RCW 46.61.520; or (iii) vehicular assault under RCW 46.61.522; and

(c) The applicant is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

NEW SECTION. **Sec. 10.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1998, in the omnibus appropriations act, this act is null and void.

NEW SECTION. **Sec. 11.** If this act mandates an increased level of service by local governments, the local government may, under RCW 43.135.060 and chapter 4.92 RCW, submit claims for reimbursement by the legislature. The Senate has passed Second Engrossed Second Substitute House Bill No. 1354 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.94.130 and 1991 c 199 s 705 are each amended to read as follows:

The board shall exercise all powers of the authority except as otherwise provided. The board shall conduct its first meeting within thirty days after all of its members have been appointed or designated as provided in RCW 70.94.100. The board shall meet at least ten times per year. All meetings shall be publicly announced prior to their occurrence. All meetings shall be open to the public. A majority of the board shall constitute a quorum for the transaction of business and shall be necessary for any action taken by the board. The board shall elect from its members a chair and such other officers as may be necessary. Any member of the board may designate a regular alternate to serve on the board in his or her place with the same authority as the member when he or she is unable to attend. In no event may a regular alternate serve as the permanent chair. Each member of the board, or his or her representative, shall receive from the authority compensation consistent with such authority's rates (but not to exceed one thousand dollars per year) for time spent in the performance of duties under this chapter, plus the actual and necessary expenses incurred by the member in such performance. The board may appoint a control officer, and any other personnel, and shall determine their salaries, and pay same, together with any other proper indebtedness, from authority funds.

**Sec. 2.** RCW 70.94.100 and 1991 c 199 s 704 are each amended to read as follows:

(1) The governing body of each authority shall be known as the board of directors.

(2) In the case of an authority comprised of one county the board shall be comprised of ~~((two appointees))~~ one appointee of the city selection committee, ~~((at least))~~ one ~~((of whom))~~ appointee who shall be appointed by the legislative authority of and represent the city having the most population in the county, and two representatives to be designated by the ~~((board of))~~ county ~~((commissioners))~~ legislative authority. In the case of an authority comprised of two, three, four, or five counties, the board shall be comprised of one appointee from each county, who shall represent the city having the most population in such county, to be designated by the mayor and ~~((city council))~~ legislative authority of such city, and one representative from each county to be designated by the ~~((board of))~~ county ~~((commissioners))~~ legislative authority of each county making up the authority. In the case of an authority comprised of six or more counties, the board shall be comprised of one representative from each county to be designated by the ~~((board of))~~ county ~~((commissioners))~~ legislative authority of each county making up the authority, and three appointees, one each from the three largest cities within the local authority's jurisdiction to be appointed by the mayor and ~~((city council))~~ legislative authority of such city.

(3) If the board of an authority otherwise would consist of an even number, the members selected as above provided shall agree upon and elect an additional member who shall be either a member of the ~~((governing body))~~ legislative authority of one of the towns, cities, or counties comprising the authority, or a private citizen residing in the authority.

(4) The terms of office of board members shall be four years.

(5) Wherever a member of a board has a potential conflict of interest in an action before the board, the member shall declare to the board the nature of the potential conflict prior to participating in the action review. The board shall, if the potential conflict of interest, in the judgment of a majority of the board, may prevent the member from a fair and objective review of the case, remove the member from participation in the action.

**Sec. 3.** RCW 70.120.070 and 1991 c 199 s 203 are each amended to read as follows:

(1) Any person:

(a) Whose motor vehicle is tested pursuant to this chapter and fails to comply with the emission standards established for the vehicle; and

(b) Who, following such a test, expends more than one hundred dollars on a 1980 or earlier model year motor vehicle or expends more than one hundred fifty dollars on a 1981 or later model year motor vehicle for repairs solely devoted to meeting the emission standards and that are performed by a certified emission specialist authorized by RCW 70.120.020(2)(a); and

(c) Whose vehicle fails a retest, may be issued a certificate of acceptance if (i) the vehicle has been in use for more than five years or fifty thousand miles, and (ii) any component of the vehicle installed by the manufacturer for the purpose of reducing emissions, or its appropriate replacement, is installed and operative.

To receive the certificate, the person must document compliance with (b) and (c) of this subsection to the satisfaction of the department.

Should any provision of (b) of this subsection be disapproved by the administrator of the United States environmental protection agency, all vehicles shall be required to expend at least four hundred fifty dollars to qualify for a certificate of acceptance.

(2) Persons who fail the initial tests shall be provided with:

(a) Information regarding the availability of federal warranties and certified emission specialists;

(b) Information on the availability and procedure for acquiring license trip-permits;

(c) Information on the availability and procedure for receiving a certificate of acceptance; and

(d) The local phone number of the department's local vehicle specialist.

**Sec. 4.** RCW 70.120.100 and 1979 ex.s. c 163 s 10 are each amended to read as follows:

The department shall investigate complaints received regarding the operation of emission testing stations and shall require corrections or modifications in those operations when deemed necessary.

The department shall also review complaints received regarding the maintenance or repairs secured by owners of motor vehicles for the purpose of complying with the requirements of this chapter. When possible, the department shall assist such owners in determining the merits of the complaints.

The department shall keep a copy of all complaints received, and on request, make copies available to the public. This is not intended to require disclosure of any information that is exempt from public disclosure under chapter 42.17 RCW.

**Sec. 5.** RCW 70.120.170 and 1991 c 199 s 208 are each amended to read as follows:

(1) The department shall administer a system for emission inspections of all motor vehicles, except those described in RCW 46.16.015(2), that are registered within the boundaries of each emission contributing area. Under such system a motor vehicle shall be inspected biennially except where an annual program would be required to meet federal law and prevent federal sanctions. In addition, motor vehicles shall be inspected at each change of registered owner of a licensed vehicle as provided under RCW 46.16.015.

(2) The director shall:

(a) Adopt procedures for conducting emission inspections of motor vehicles. The inspections may include idle and high revolution per minute emission tests. The emission test for diesel vehicles shall consist solely of a smoke opacity test.

(b) Adopt criteria for calibrating emission testing equipment. Electronic equipment used to test for emissions standards provided for in this chapter shall be properly calibrated. The department shall examine frequently the calibration of the emission testing equipment used at the stations.

(c) Authorize, through contracts, the establishment and operation of inspection stations for conducting vehicle emission inspections authorized in this chapter. No person contracted to inspect motor vehicles may perform for compensation repairs on any vehicles. No public body may establish or operate contracted inspection stations. Any contracts must be let in accordance with the procedures established for competitive bids in chapter 43.19 RCW.

(3) Subsection (2)(c) of this section does not apply to volunteer motor vehicle inspections under RCW 70.120.020(1) if the inspections are conducted for the following purposes:

(a) Auditing;

(b) Contractor evaluation;

(c) Collection of data for establishing calibration and performance standards; or

(d) Public information and education.

(4)(a) The director shall establish by rule the fee to be charged for emission inspections. The inspection fee shall be a standard fee applicable state-wide or throughout an emission contributing area and shall be no greater than ~~((eighteen))~~ fifteen dollars. Surplus moneys collected from fees over the amount due the contractor shall be paid to the state and deposited in the general fund. Fees shall be set at the minimum whole dollar amount required to (i) compensate the contractor or inspection facility owner, and (ii) offset the general fund appropriation to the department to cover the administrative costs of the motor vehicle emission inspection program.

(b) Before each inspection, a person whose motor vehicle is to be inspected shall pay to the inspection station the fee established under this section. The person whose motor vehicle is inspected shall receive the results of the inspection. If the inspected vehicle complies with the standards established by the director, the person shall receive a dated certificate of compliance. If the inspected vehicle does not comply with those standards, one reinspection of the vehicle shall be afforded without charge.

(5) All units of local government and agencies of the state with motor vehicles garaged or regularly operated in an emissions contributing area shall test the emissions of those vehicles annually to ensure that the vehicle's emissions comply with the emission standards established by the director. All state agencies outside of emission contributing areas with more than twenty motor vehicles housed at a single facility or contiguous facilities shall test the emissions of those vehicles annually to ensure that the vehicles' emissions comply with standards established by the director. A report of the results of the tests shall be submitted to the department.

NEW SECTION. **Sec. 6.** A new section is added to chapter 70.120 RCW to read as follows:

The department shall establish a scientific advisory board to review plans to expand the geographic area where an inspection and maintenance system for motor vehicle emissions is required. The board shall consist of three to five members. All members shall have at least a master's degree in physics, chemistry, or engineering, or a closely related field. No member may be a current employee of a local air pollution control authority, the department, the United States environmental protection agency, or a company that may benefit from a review by the board.

The board shall review an inspection and maintenance plan at the request of a local air pollution control authority, the department, or by a petition of at least fifty people living within the proposed boundaries of a vehicle emission inspection and maintenance system. The entity or entities requesting a scientific review may include specific issues for the board to consider in its review. The board shall limit its review to matters of science and shall not provide advice on penalties or issues that are strictly legal in nature.

The board shall provide a complete written review to the department. If the board members are not in agreement as to the scientific merit of any issue under review, the board may include a dissenting opinion in its report to the department. The department shall immediately make copies available to the local air pollution control authority and to the public.

The department shall conduct a public hearing, within the area affected by the proposed rule, if any significant aspect of the rule is in conflict with a majority opinion of the board. The department shall include in its responsiveness summary the rationale for including a rule that is not consistent with the review of the board, including a response to the issues raised at the public hearing.

Members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

**Sec. 7.** RCW 46.16.015 and 1991 c 199 s 209 are each amended to read as follows:

(1) Neither the department of licensing nor its agents may issue or renew a motor vehicle license for any vehicle or change the registered owner of a licensed vehicle, for any vehicle that is required to be inspected under chapter 70.120 RCW, unless the application for issuance or renewal is:

(a) Accompanied by a valid certificate of compliance or a valid certificate of acceptance issued pursuant to chapter 70.120 RCW; or (b) exempted from this requirement pursuant to subsection (2) of this section. The certificates must have a date of validation which is within six months of the date of application for the vehicle license or license renewal. Certificates for fleet or owner tested diesel vehicles may have a date of validation which is within twelve months of the assigned license renewal date.

(2) Subsection (1) of this section does not apply to the following vehicles:

(a) New motor vehicles whose equitable or legal title has never been transferred to a person who in good faith purchases the vehicle for purposes other than resale;

(b) Motor vehicles with a model year of 1967 or earlier;

(c) Motor vehicles that use propulsion units powered exclusively by electricity;

(d) Motor vehicles fueled by propane, compressed natural gas, or liquid petroleum gas, unless it is determined that federal sanctions will be imposed as a result of this exemption;

(e) Motorcycles as defined in RCW 46.04.330 and motor-driven cycles as defined in RCW 46.04.332;

(f) Farm vehicles as defined in RCW 46.04.181;

(j) Beginning January 1, 2000, vehicles that are less than five years old or more than twenty-five years old.

The provisions of ~~((subparagraph))~~ (a) of this subsection may not be construed as exempting from the provisions of subsection (1) of this section applications for the renewal of licenses for motor vehicles that are or have been leased.

(3) The department of ecology shall provide information to motor vehicle owners regarding the boundaries of emission contributing areas and restrictions established under this section that apply to vehicles registered in such areas. In addition the department of ecology shall provide information to motor vehicle owners on the relationship between motor vehicles and air pollution and steps motor vehicle owners should take to reduce motor vehicle related air pollution. The department of licensing shall send to all registered motor vehicle owners affected by the emission testing program notice that they must have an emission test to renew their registration.

**NEW SECTION. Sec. 8.** (1) The department of ecology shall evaluate changes to the motor vehicle emission inspection program made in RCW 46.16.015(2)(j) and other options that meet air quality objectives and lessen the effect of the program on the motorist. The department shall consider air quality, program costs, and motorist convenience in its evaluation and make recommendations for changes to the program to the appropriate standing committees of the legislature by January 1, 1999.

(2) This section expires June 30, 1999.

**Sec. 9.** RCW 70.94.473 and 1995 c 205 s 1 are each amended to read as follows:

(1) Any person in a residence or commercial establishment which has an adequate source of heat without burning wood shall:

(a) Not burn wood in any solid fuel burning device whenever the department has determined under RCW 70.94.715 that any air pollution episode exists in that area;

(b) Not burn wood in any solid fuel burning device except those which are either Oregon department of environmental quality phase II or United States environmental protection agency certified or certified by the department under RCW 70.94.457(1) or a pellet stove either certified or issued an exemption by the United States environmental protection agency in accordance with Title 40, Part 60 of the code of federal regulations, in the geographical area and for the period of time that a first stage of impaired air quality has been determined, by the department or any authority, for that area. A first stage of impaired air quality is reached when particulates ten microns and smaller in diameter are at an ambient level of ~~((seventy-five))~~ sixty micrograms per cubic meter measured on a twenty-four hour average or when carbon monoxide is at an ambient level of eight parts of contaminant per million parts of air by volume measured on an eight-hour average; and

(c) Not burn wood in any solid fuel burning device in a geographical area and for the period of time that a second stage of impaired air quality has been determined by the department or any authority, for that area. A second stage of impaired air quality is reached when particulates ten microns and smaller in diameter are at an ambient level of one hundred five micrograms per cubic meter measured on a twenty-four hour average.

(2) Actions of the department and local air pollution control authorities under this section shall preempt actions of other state agencies and local governments for the purposes of controlling air pollution from solid fuel burning devices, except where authorized by chapter 199, Laws of 1991."

## SENATE AMENDMENTS TO HOUSE BILL

March 4, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1541 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that sport shooting ranges in this state offer valuable hunter and firearm safety training, legitimate and important forms of recreation to the general public, and provide the opportunity for many law enforcement agencies to maintain necessary firearms skills efficiently and at little or no cost. The continued existence and viability of sport shooting ranges is impacted by burdensome retroactive regulation and lawsuits, thereby potentially threatening the availability of low-cost firearms training to some local law enforcement agencies, as well as hunter and firearms safety training and recreation to the general public.

**NEW SECTION. Sec. 2.** A new section is added to chapter 9.41 RCW to read as follows:

(1)(a) Notwithstanding any other provision of law, a person who operates or uses a sport shooting range in this state is not subject to civil liability or criminal prosecution in a matter relating to noise or noise pollution resulting from the operation or use of the range if the range is in compliance with any noise control laws or ordinances that applied to the range and its operation at the time of construction or initial operation of the range.

(b) A person who operates or uses a sport shooting range is not subject to an action for nuisance, and a court of the state shall not enjoin the use or operation of a range on the basis of noise or noise pollution, if the range is in compliance with any noise control laws or ordinances that applied to the range and its operation at the time of construction or initial operation of the range.

(c) Rules adopted by any state department or agency for limiting levels of noise in terms of decibel level that may occur in the outdoor atmosphere do not apply to a sport shooting range exempted from liability under this section.

(2) A person who acquires title to or who owns real property adversely affected by the use of property with a permanently located and improved sport shooting range shall not maintain a nuisance action against the person who owns the range to restrain, enjoin, or impede the use of the range where there has not been a substantial change in the nature of the use of the range. This subsection does not prohibit actions for negligence or recklessness in the operation of the range or by a person using the range.

(3) A sport shooting range that is operated and is not in violation of existing law at the time of the enactment of an ordinance must be permitted to continue in operation even if the operation of the sport shooting range at a later date does not conform to the new ordinance or an amendment to an existing ordinance.

(4) A person who participates in sport shooting at a sport shooting range accepts the risks associated with the sport to the extent the risks are obvious and inherent. Those risks include, but are not limited to, injuries that may result from noise, discharge of a projectile or shot, malfunction of sport shooting equipment not owned by the shooting range, natural variations in terrain, surface or subsurface snow or ice conditions, bare spots, rocks, trees, and other forms of natural growth or debris.

(5) The owner or operator of any sport shooting range shall have in place an insurance policy providing insurance for personal and property damage which occurs as a result of acts at the range, with liability limits of at least two hundred fifty thousand dollars per occurrence. This subsection shall become effective January 1, 1999.

(6) Except as otherwise provided in this section, this section does not prohibit a local government from regulating the location and construction of a sport shooting range after the effective date of this act.

(7) As used in this section:

(a) "Local government" means a county, city, or town.

(b) "Person" means an individual, proprietorship, partnership, corporation, club, or other legal entity.

(c) "Sport shooting range" or "range" means an area designed and operated for the use of rifles, shotguns, pistols, silhouettes, skeet, trap, black powder, or any other similar sport shooting."

In line 1 of the title, after "ranges;" strike the remainder of the title and insert "adding a new section to chapter 9.41 RCW; creating a new section; and providing an effective date."

and the same are herewith transmitted.

#### SENATE AMENDMENTS TO HOUSE BILL

February 23, 1998

Mr. Speaker:

The Senate has passed House Bill No. 2557 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 74.13.350 and 1997 c 386 s 16 are each amended to read as follows:

It is the intent of the legislature that parents are responsible for the care and support of children with developmental disabilities. The legislature recognizes that, because of the intense support required to care for a child with developmental disabilities, the help of an out-of-home placement may be needed. It is the intent of the legislature that, when the sole reason for the out-of-home placement is the child's developmental disability, such services be offered by the department to these children and their families through a voluntary placement agreement. In these cases, the parents shall retain legal custody of the child.

As used in this section, "voluntary placement agreement" means a written agreement between the department and a child's parent or legal guardian authorizing the department to place the child in a licensed facility. Under the terms of this agreement, the parent or legal guardian shall retain legal custody and the department shall be responsible for the child's placement and care. The agreement shall at a minimum specify the legal status of the child and the rights and obligations of the parent or legal guardian, the child, and the department while the child is in placement. The agreement must be

signed by the child's parent or legal guardian and the department to be in effect, except that an agreement regarding an Indian child shall not be valid unless executed in writing before the court and filed with the court as provided in RCW 13.34.245. Any party to a voluntary placement agreement may terminate the agreement at any time. Upon termination of the agreement, the child shall be returned to the care of the child's parent or legal guardian unless the child has been taken into custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130.

As used in this section, "out-of-home placement" and "out-of-home care" mean the placement of a child in a foster family home or group care facility licensed under chapter 74.15 RCW.

Whenever the department places a child in out-of-home care under a voluntary placement pursuant to this section, the department shall have the responsibility for the child's placement and care. The department shall develop a permanency plan of care for the child no later than sixty days from the date that the department assumes responsibility for the child's placement and care. Within the first one hundred eighty days of the placement, the department shall obtain a judicial determination pursuant to RCW 13.04.030(1)(j) and 13.34.270 that the placement is in the best interests of the child. If the child's out-of-home placement ends before one hundred eighty days have elapsed, no judicial determination under RCW 13.04.030(1)(b) is required. The permanency planning hearings shall review whether the child's best interests are served by continued out-of-home placement and determine the future legal status of the child.

The department shall provide for periodic administrative reviews as required by federal law. A review may be called at any time by either the department, the parent, or the legal guardian.

Nothing in this section shall prevent the department from filing a dependency petition if there is reason to believe that the child is a dependent child as defined in RCW 13.34.030.

The department shall adopt rules providing for the implementation of chapter 386, Laws of 1997 and the transfer of responsibility for out-of-home placements from the dependency process under chapter 13.34 RCW to the process under this chapter.

It is the intent of the legislature that the department undertake voluntary out-of-home placement in cases where the child's developmental disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child, and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home. If the department does not accept a voluntary placement agreement signed by the parent, a petition may be filed and an action pursued under chapter 13.34 RCW. The department shall inform the parent, guardian, or legal custodian in writing of their right to civil action under chapter 13.34 RCW.

**Sec. 2.** RCW 13.34.270 and 1997 c 386 s 19 are each amended to read as follows:

(1) Whenever the department of social and health services places a developmentally disabled child in out-of-home care pursuant to RCW 74.13.350, the department shall obtain a judicial determination within one hundred eighty days of the placement that continued placement is in the best interests of the child. If the child's out-of-home placement ends before one hundred eighty days have elapsed, no judicial determination is required.

(2) To obtain the judicial determination, the department shall file a petition alleging that there is located or residing within the county a child who has a developmental disability, as defined in RCW 71A.10.020, and that the child has been placed in out-of-home care pursuant to RCW 74.13.350. The petition shall request that the court review the child's placement, make a determination that continued placement is in the best interests of the child, and take other necessary action as provided in this section. The petition shall contain the name, date of birth, and residence of the child and the names and residences of the child's parent or legal guardian who has agreed to the child's placement in out-of-home care. Reasonable attempts shall be made by the department to ascertain and set forth in the petition the identity, location, and custodial status of any parent who is not a party to the placement agreement and why that parent cannot assume custody of the child.

(3) Upon filing of the petition, the clerk of the court shall schedule the petition for a hearing to be held no later than fourteen calendar days after the petition has been filed. The department shall provide notification of the time, date, and purpose of the hearing to the parent or legal guardian who has agreed to the child's placement in out-of-home care. The department shall also make reasonable attempts to notify any parent who is not a party to the placement agreement, if the parent's identity and location is known. Notification under this section may be given by the most expedient means, including but not limited to, mail, personal service, telephone, and telegraph.

(4) The court shall appoint a guardian ad litem for the child as provided in RCW 13.34.100, unless the court for good cause finds the appointment unnecessary.

(5) Permanency planning hearings shall be held as provided in this subsection. At the hearing, the court shall review whether the child's best interests are served by continued out-of-home placement and determine the future legal status of the child.

(a) For children age ten and under, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the child's current placement episode.

(b) For children over age ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.

(c) No later than ten working days before the permanency planning hearing, the department shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties. The plan shall be directed toward securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent or legal guardian; adoption; guardianship; or long-term out-of-home care, until the child is age eighteen, with a written agreement between the parties and the child's care provider.

(d) If a goal of long-term out-of-home care has been achieved before the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remains appropriate. In cases where the primary permanency planning goal has not ~~((be {been}))~~ been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal.

(e) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the voluntary placement agreement is terminated.

(6) Any party to the voluntary placement agreement may terminate the agreement at any time. Upon termination of the agreement, the child shall be returned to the care of the child's parent or legal guardian, unless the child has been taken into custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130. The department shall notify the court upon termination of the voluntary placement agreement and return of the child to the care of the child's parent or legal guardian. Whenever a voluntary placement agreement is terminated, an action under this section shall be dismissed.

(7) This section does not prevent the department from filing a dependency petition if there is reason to believe that the child is a dependent child as defined in RCW 13.34.030. An action filed under this section shall be dismissed upon the filing of a dependency petition regarding a child who is the subject of the action under this section.

**Sec. 3.** RCW 74.13.021 and 1997 c 386 s 15 are each amended to read as follows:

As used in this chapter, "developmentally disabled (~~(dependent))~~ child" is a child who has a developmental disability as defined in RCW 71A.10.020 and whose parent, guardian, or legal custodian and with the department mutually agree that services appropriate to the child's needs can not be provided in the home."

On page 1, line 2 of the title, after "placement;" strike the remainder of the title and insert "and amending RCW 74.13.350, 13.34.270, and 74.13.021."

### SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 2556 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 13.34.020 and 1990 c 284 s 31 are each amended to read as follows:

The legislature declares that the family unit is a fundamental resource of American life which should be nurtured. Toward the continuance of this principle, the legislature declares that the family unit should remain intact unless a child's right to conditions of basic nurture, health, or safety is jeopardized. When the rights of basic nurture, physical and mental health, and safety of the child and the legal rights of the parents are in conflict, the rights and safety of the child should prevail. In making reasonable efforts under this chapter, the child's health and safety shall be the paramount concern. The right of a child to basic nurturing includes the right to a safe, stable, and permanent home and a speedy resolution of any proceeding under this chapter.

**Sec. 2.** RCW 13.34.130 and 1997 c 280 s 1 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030; after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is related to the child as defined in RCW 74.15.020(4)(a) and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds ~~((#))~~: (a) Termination is recommended by the supervising agency~~((, that it))~~; (b) termination is in the best interests of the child; and (c) that ~~((it is not reasonable to provide further services to reunify the family))~~ because of the existence of aggravated circumstances ~~((make it unlikely that services will effectuate the return of the child to the child's parents in the near future))~~, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interest of the child. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

~~((a))~~ (i) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

~~((b))~~ (ii) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

~~((c))~~ (iii) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

~~((d))~~ (iv) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

~~((e))~~ (v) Conviction of the parent of attempting, soliciting, or conspiracy to commit a crime listed in (c)(i), (ii), (iii), or (iv) of this subsection;

(vi) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

~~((f))~~ (vii) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) If reasonable efforts are not ordered under this subsection (3) a permanency plan hearing shall be held within thirty days. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child;

(4) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the

child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

~~((4))~~ (5) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home is inconsistent with the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan of care and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

~~((5))~~ (7) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of

disposition plan requirements, and if necessary, revised permanency time limits. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

**Sec. 3.** RCW 13.34.145 and 1995 c 311 s 20 and 1995 c 53 s 2 are each reenacted and amended to read as follows:

(1) A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(a) Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; and independent living, if appropriate and if the child is age sixteen or older and the provisions of subsection (2) of this section are met.

(b) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a

transition from foster care to independent living will allow the child to manage his or her financial affairs and to manage his or her personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

~~(3)((a) For children ten and under,))~~ A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

~~((b) For children over ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.))~~

(4) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve ~~((or eighteen))~~ months, as provided in subsection (3) of this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree or guardianship order is entered, or the dependency is dismissed.

(5) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(6) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130~~((5))~~ (7) and shall review the permanency plan prepared by the agency. If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280 and 13.34.130(7). If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. In cases where the primary permanency planning goal has not yet been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. In all cases, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.130~~((5))~~ (7), and the court shall determine the need for continued intervention.

(8) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(9) Except as otherwise provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.130~~((5))~~ (7), until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under

this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

**Sec. 4.** RCW 13.34.180 and 1997 c 280 s 2 are each amended to read as follows:

A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege:

(1) That the child has been found to be a dependent child under RCW 13.34.030(4); and  
(2) That the court has entered a dispositional order pursuant to RCW 13.34.130; and  
(3) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030(4); and

(4) That the services ordered under RCW 13.34.130 have been clearly offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided; and

(5) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(a) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or

(b) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and

(6) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home; or

(7) In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found; or

(8) In lieu of the allegations in subsections (2) through (6) of this section, the petition may allege that the parent has been found by a court of competent jurisdiction:

(a) To have committed, against another child of such parent, murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW;

(b) To have committed, against another child of such parent, manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW;

(c) To have attempted, conspired, or solicited to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) To have committed assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

~~((A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been offered or provided.))~~

Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

1. You have the right to a fact-finding hearing before a judge.

**NEW SECTION. Sec. 5.** A new section is added to chapter 13.34 RCW to read as follows:

The department shall file a petition for the expedited termination of a parent and child relationship when the court determines that an infant, under three years of age, has been abandoned as defined in RCW 13.34.030(4)(a). The department shall, concurrently with proceeding with the petition, identify, recruit, process, and approve a qualified family for an adoption unless: (1) At the option of the department, the infant is being cared for by a relative; (2) the department has documented in the case plan a compelling reason for determining that the filing of such petition would not be in the best interest of the infant; or (3) the department has not provided the family such services as the department deems necessary for the safe return of the infant to the infant's home, if reasonable efforts are required to be made.

For the purposes of this section "expedited" refers to the filing of a petition for the termination of a parent and child relationship five months after an infant has been determined to be abandoned.

**Sec. 6.** RCW 13.34.190 and 1993 c 412 s 3 are each amended to read as follows:

After hearings pursuant to RCW 13.34.110, the court may enter an order terminating all parental rights to a child if the court finds that:

(1)(a) The allegations contained in the petition as provided in RCW 13.34.180 (1) through (6) are established by clear, cogent, and convincing evidence; or

~~((2))~~ (b) RCW 13.34.180 (3) and (4) may be waived because the allegations under RCW 13.34.180 (1), (2), (5), and (6) are established beyond a reasonable doubt; or

~~((3))~~ (c) The allegation under RCW 13.34.180(7) is established beyond a reasonable doubt. In determining whether RCW 13.34.180 (5) and (6) are established beyond a reasonable doubt, the court shall consider whether one or more of the aggravated circumstances listed in RCW 13.34.130(2) exist; or

(d) The allegation under RCW 13.34.180(8) is established beyond a reasonable doubt; and

~~((4))~~ (2) Such an order is in the best interests of the child.

**Sec. 7.** RCW 74.15.130 and 1995 c 302 s 5 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care, however, no unfounded report of child abuse or neglect may be used to deny employment or a license;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed seventy-five dollars per violation for a family day-care home and two hundred fifty dollars per violation for group homes, child day-care centers, and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

**Sec. 8.** RCW 26.44.020 and 1997 c 386 s 45, 1997 c 386 s 24, 1997 c 282 s 4, and 1997 c 132 s 2 are each reenacted and amended to read as follows:

**Sec. 9.** RCW 26.44.100 and 1997 c 282 s 2 are each amended to read as follows:

(1) The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this chapter, provided that nothing contained in this chapter shall cause any delay in protective custody action.

(2) The department shall notify the alleged perpetrator of the allegations of child abuse and neglect at the earliest possible point in the investigation that will not jeopardize the safety and protection of the child or the investigation process.

Whenever the department completes an investigation of a child abuse or neglect report under chapter 26.44 RCW, the department shall notify the alleged perpetrator of the report and the department's investigative findings. The notice shall also advise the alleged perpetrator that:

(a) A written response to the report may be provided to the department and that such response will be filed in the record following receipt by the department;

(b) Information in the department's record may be considered in subsequent investigations or proceedings related to child protection or child custody;

(c) ~~((There is currently information in the department's record that may))~~ Founded reports of child abuse and neglect may be considered in determining ((that)) whether the person is disqualified from being licensed to provide child care, employed by a licensed child care agency, or authorized by the department to care for children; and

(d) ~~((A person who has demonstrated a good faith desire to work in a licensed agency may request an informal meeting with the department to have an opportunity to discuss and contest the information currently in the record.))~~ An alleged perpetrator named in a founded report of child abuse or neglect has the right to seek review of the finding as provided in this chapter.

(3) The notification required by this section shall be made by ~~((regular))~~ certified mail, return receipt requested, to the person's last known address.

**Sec. 13.** RCW 70.190.060 and 1996 c 132 s 3 are each amended to read as follows:

(1) The legislature authorizes community public health and safety networks to reconnect parents and other citizens with children, youth, families, and community institutions which support health and safety. The networks have only those powers and duties expressly authorized under this chapter. The networks should empower parents and other citizens by being a means of expressing their attitudes, spirit, and perspectives regarding safe and healthy family and community life. The legislature intends that parent and other citizen perspectives exercise a controlling influence over policy and program operations of professional organizations concerned with children and family issues within

networks in a manner consistent with the Constitution and state law. It is not the intent of the legislature that health, social service, or educational professionals dominate community public health and safety network processes or programs, but rather that these professionals use their skills to lend support to parents and other citizens in expressing their values as parents and other citizens identify community needs and establish community priorities. To this end, the legislature intends full participation of parents and other citizens in community public health and safety networks. The intent is that local community values are reflected in the operations of the network.

(2) A group of persons described in subsection (3) of this section may apply to be a community public health and safety network.

(3) Each community public health and safety network shall be composed of twenty-three people, thirteen of whom shall be citizens who live within the network boundary with no fiduciary interest. In selecting these members, first priority shall be given to members of community mobilization advisory boards, city or county children's services commissions, human services advisory boards, or other such organizations. The thirteen persons shall be selected as follows: Three by chambers of commerce, three by school board members, three by county legislative authorities, three by city legislative authorities, and one high school student, selected by student organizations. The remaining ten members shall live or work within the network boundary and shall include local representation selected by the following groups and entities: Cities; counties; federally recognized Indian tribes; parks and recreation programs; law enforcement agencies; state children's service workers; employment assistance workers; private social service providers, broad-based nonsecular organizations, or health service providers; and public education.

(4) Each of the twenty-three people who are members of each community public health and safety network must sign an annual declaration under penalty of perjury or a notarized statement that clearly, in plain and understandable language, states whether or not he or she has a fiduciary interest. If a member has a fiduciary interest, the nature of that interest must be made clear, in plain understandable language, on the signed statement.

(5) Members of the network shall serve terms of three years.

The terms of the initial members of each network shall be as follows: (a) One-third shall serve for one year; (b) one-third shall serve for two years; and (c) one-third shall serve for three years. Initial members may agree which shall serve fewer than three years or the decision may be made by lot. Any vacancy occurring during the term may be filled by the chair for the balance of the unexpired term.

~~((5))~~ (6) Not less than sixty days before the expiration of a network member's term, the chair shall submit the name of a nominee to the network for its approval. The network shall comply with subsection (3) of this section.

~~((6))~~ (7) Networks are subject to the open public meetings act under chapter 42.30 RCW and the public records provisions of RCW 42.17.270 through 42.17.310.

**Sec. 14.** RCW 70.190.130 and 1996 c 132 s 8 are each amended to read as follows:

(1) The council shall only disburse funds to a network after a comprehensive plan has been prepared by the network and approved by the council. In approving the plan the council shall consider whether the network:

(a) Promoted input from the widest practical range of agencies and affected parties, including public hearings;

(b) Reviewed the indicators of violence data compiled by the local public health departments and incorporated a response to those indicators in the plan;

(c) Obtained a declaration by the largest health department within the network boundary, indicating whether the plan meets minimum standards for assessment and policy development relating to social development according to RCW 43.70.555;

(d) Included a specific mechanism of data collection and transmission based on the rules established under RCW 43.70.555;

(e) Considered all relevant causes of violence in its community and did not isolate only one or a few of the elements to the exclusion of others and demonstrated evidence of building community capacity through effective neighborhood and community development;

(f) Considered youth employment and job training programs outlined in this chapter as a strategy to reduce the rate of at-risk children and youth;

(g) Integrated local programs that met the network's priorities and were deemed successful by the network;

(h) Committed to make measurable reductions in the rate of at-risk children and youth by reducing the rate of state-funded out-of-home placements and make reductions in at least three of the following rates of youth: Violent criminal acts, substance abuse, pregnancy and male parentage, suicide attempts, dropping out of school, child abuse or neglect, and domestic violence; and

(i) Held a public hearing on its proposed comprehensive plan and submitted to the council all of the written comments received at the hearing and a copy of the minutes taken at the hearing.

(2) The council may establish a maximum amount to be expended by a network for purposes of planning and administrative duties(~~(, that shall not, in total, exceed ten percent of funds available to a network)~~). The council shall determine, as needed, the appropriate maximum amount that can be spent by a network or group of networks on planning and administrative duties. This amount shall be determined after considering the size of the budgets of each network and giving consideration to setting a higher percentage for administrative and planning purposes in budgets for smaller networks and a smaller percentage of the budgets for administration and planning purposes in larger networks.

(3) The council may determine that a network is not in compliance with this chapter if it fails to comply with statutory requirements. Upon a determination of noncompliance, the council may suspend or revoke a network's status or contract and specify a process and deadline for the network's compliance.

**NEW SECTION. Sec. 15.** The legislature finds that it is critically important to the basic nurture, health, and safety of children that the state operate a state-wide program relating to child abuse and neglect that includes the creation of regional citizen review panels. The creation of these panels is intended to meet the federal requirements contained in the federal child abuse prevention and treatment act, 42 U.S.C. Sec. 5106a. Citizen review panels will enable community members to contribute to improving the policy and programs critical to the well-being of children and their families and to ensure that the state's plan for the prevention and investigation of child abuse and neglect is being carried out as intended by the legislature. It has been long-standing public policy in Washington that the family unit is a fundamental resource of American life which should be nurtured. Toward continuation of this principle, the legislature finds that through the performance of these panels, which are broadly representative of the community, knowledge of the policies and procedures of state and local agencies and an examination of specific cases will occur. From this an evaluation of the state-wide program to prevent child abuse and neglect will yield improvements that are in the best interest of children and families and further the principle that the family unit should remain intact, recognizing that the child's health and safety are paramount.

**NEW SECTION. Sec. 16.** There are hereby created a minimum of six citizen review panels, at least one for each service delivery region of the department of social and health services. The department of community, trade, and economic development shall contract with a private nonprofit organization to serve as the administrator for and the appointing authority of the citizen review panels. The department or its contractor shall provide administrative coordination and support to the local citizen review panels and shall:

(1) Recruit applicants through public service announcements in local radio, television, and newspapers of record and accept application on a first-come basis based on postmarked date of receipt;

(2) Obtain background checks, screening applicants on the same suitability, character, and competence standards as required in RCW 74.15.130;

(3) Select citizen review panel members for each region and establish basic requirements for participation;

(4) Stagger the terms of membership on each panel so that there is always a quorum of members who have had at least six months' experience and have participated in at least two meetings of the panel;

(5) Provide consultation and basic training to local panels as requested;

(6) Compile and provide aggregate citizen review panel reports;

(7) Consider recommendations of local teams; and

(8) Ensure that they meet at least every three months.

**NEW SECTION. Sec. 17.** The department shall ensure that the citizen review panels have been created no later than July 1, 1999.

**NEW SECTION. Sec. 18.** (1) The citizen review panels shall have only those powers and duties expressly authorized under this chapter.

(2) The citizen review panels must have access to all information from the department of social and health services, criminal justice agencies, law enforcement, schools, and medical providers, and other sources that have relevant information, including reports and records made and maintained by the department and its contracting agencies.

(3) The panels shall receive, upon request and with the full assistance of the agency with the information, complete access to information on cases that the panel desires to review if such information is necessary for the panel to carry out its duties.

(4) The citizen review panels must preserve the confidentiality of all records in order to protect the rights of the child and of the child's parents or guardians. However, the state shall always have the right to refuse to disclose identifying information concerning the individual alleging suspected instances of child abuse or neglect. The state must make such information known to the citizen review panel only where a court orders such disclosure after such court has reviewed, in camera, the record of the state related to the report or complaint and has found it has reason to believe that the reporter knowingly made a false report.

**NEW SECTION. Sec. 19.** The powers and duties of the citizen review panels are to:

(1) Examine the policies and procedures of state agencies and, where appropriate, specific cases, to evaluate the extent to which the agencies are effectively discharging their child protection responsibilities according to the state law and the state plan required under 42 U.S.C. Sec. 5106a. These responsibilities may include a review of any of the following:

(a) The extent to which the state agencies and community-based programs have developed the capacity to integrate shared leadership strategies between parents and professionals to prevent and treat child abuse and neglect at the neighborhood level;

(b) Intake, assessment, and screening, and investigation processes for reports of child abuse and neglect;

(c) Multidisciplinary teams and interagency protocols used to enhance child abuse and neglect investigations;

appropriate state agencies providing human services in the investigation, assessment, prosecution, and treatment of abuse and neglect;

(3) Examine any other criteria that the panel considers important to ensure the protection of children, including a review of the extent to which the state child protective services system is coordinated with the foster care and adoption programs established under part E, Title IV of the Social Security Act.

(4) Conduct a review of reports of child fatalities and near fatalities conducted under RCW 26.44.030.

**NEW SECTION. Sec. 20.** There shall be at least one citizen review panel in each of the six department of social and health services' designated service delivery regions. Each panel shall have no more than seven volunteer members who are all permanent residents living in the region, who broadly represent the region in which each panel is established. Three members shall have professional or academic expertise in the prevention and treatment of child abuse and neglect. Four members shall be members of the public at large with no fiduciary interest in publicly funded social services. "Fiduciary interest" has the same meaning as defined in RCW 70.190.010. Volunteer members of the local citizen review panels shall serve for no longer than an eighteen-month period of time and can not serve again for a period of sixty months from the date they end their eighteen-month membership. The citizen review panel shall meet no less than once every three months to examine the policies and procedures of state and local agencies and, where appropriate in specific cases, evaluate the extent to which the agencies are effectively discharging their child protection responsibilities in accordance with applicable state law. The goal of the citizen review panels is to improve the child protective services system.

**NEW SECTION. Sec. 21.** The department of community, trade, and economic development shall present proposed rules, policies, and procedures to the legislative children's oversight committee created in RCW 44.04.220 prior to implementation.

No other entity or individual may refer cases to the citizen review panels.

**NEW SECTION. Sec. 25.** (1) Notwithstanding any confidentiality laws, if the citizen review panel finds possible criminal activity, the panel shall turn the investigation and information over to the local prosecuting attorney in the county in which the case resides.

(2) If the panel finds possible civil infractions, the panel shall turn the findings over to any interested citizen, if the conditions set forth in RCW 74.13.500 through 74.13.525 are met. The courts shall award attorney fees, costs, and triple damages, and may impose punitive damages if the citizens prevail in court.

**NEW SECTION. - (5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.
- (6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.
- (7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.
- (8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of

county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. The court may also permit inspection of, or release of information from, records which have been sealed pursuant to RCW 13.50.050(11). The court shall release to the sentencing guidelines commission records needed for its research and data-gathering functions under RCW 9.94A.040 and other statutes. Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) Juvenile detention facilities shall release records to the sentencing guidelines commission under RCW 9.94A.040 upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission.

(10) Requirements in this chapter relating to the court's authority to compel disclosure shall not apply to the legislative children's oversight committee or the office of the family and children's ombudsman.

**Sec. 29.** RCW 70.47.060 and 1997 c 337 s 2, 1997 c 335 s 2, 1997 c 245 s 6, and 1997 c 231 s 206 are each reenacted and amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care. In addition, the administrator may, to the extent that funds are available, offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive covered basic health care services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW ((48.42.080)) 48.47.030, and such other factors as the administrator deems appropriate.

However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator.

(d) To develop, as an offering by every health carrier providing coverage identical to the basic health plan, as configured on January 1, 1996, a basic health plan model plan with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of enrollee cost sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. Funds received by a family as part of participation in the adoption support program authorized under RCW 26.33.320 and 74.13.100 through 74.13.145 shall not be counted toward a family's current gross family income for the purposes of this chapter. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate

the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

(16) In consultation with appropriate state and local government agencies, to establish criteria defining eligibility for persons confined or residing in government-operated institutions.

#### SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2077 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 39.04 RCW to read as follows:

This section provides uniform exemptions to competitive bidding procedures utilized by municipalities when awarding contracts for public works and contracts for purchases. The statutes governing a specific type of municipality may also include other exemptions from competitive bidding procedures. The purpose of this section is to supplement and not to limit the current powers of any municipality to provide exemptions from competitive bidding procedures.

(1) Competitive bidding procedures may be waived by the governing body of the municipality for:

- (a) Purchases that are clearly and legitimately limited to a single source of supply;
- (b) Purchases involving special facilities or market conditions;
- (c) Purchases in the event of an emergency;
- (d) Purchases of insurance or bonds; and
- (e) Public works in the event of an emergency.

(2)(a) The waiver of competitive bidding procedures under subsection (1) of this section may be by resolution or by the terms of written policies adopted by the municipality, at the option of the governing body of the municipality. If the governing body elects to waive competitive bidding procedures by the terms of written policies adopted by the municipality, immediately after the award of

any contract, the contract and the factual basis for the exception must be recorded and open to public inspection.

If a resolution is adopted by a governing body to waive competitive bidding procedures under (b) of this subsection, the resolution must recite the factual basis for the exception. This subsection (2)(a) does not apply in the event of an emergency.

(b) If an emergency exists, the person or persons designated by the governing body of the municipality to act in the event of an emergency may declare an emergency situation exists, waive competitive bidding requirements, and award all necessary contracts on behalf of the municipality to address the emergency situation. If a contract is awarded without competitive bidding due to an emergency, a written finding of the existence of an emergency must be made by the governing body or its designee and duly entered of record no later than two weeks following the award of the contract.

(3) For purposes of this section:

(a) "Emergency" means unforeseen circumstances beyond the control of the municipality that either: (i) Present a real, immediate threat to the proper performance of essential functions; or (ii) will likely result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken.

(b) "Municipality" means any city, code city, town, county, port district, fire district, public utility district, public hospital district, or water-sewer district.

**Sec. 2.** RCW 35.22.620 and 1993 c 198 s 9 are each amended to read as follows:

(1) As used in this section, the term "public works" means as defined in RCW 39.04.010.

(2) A first class city may have public works performed by contract pursuant to public notice and call for competitive bids. As limited by subsection (3) of this section, a first class city may have public works performed by city employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period. The amount of public works that a first class city has a county perform for it under RCW 35.77.020 shall be included within this ten percent limitation.

If a first class city has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that city in its next budget period. Twenty percent of the motor vehicle fuel tax distributions to that city shall be withheld if two years after the year in which the excess amount of work occurred, the city has failed to so reduce the amount of public works that it has performed by public employees. The amount so withheld shall be distributed to the city when it has demonstrated in its reports to the state auditor that the amount of public works it has performed by public employees has been so reduced.

Whenever a first class city has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works within that budget period shall be done by contract pursuant to public notice and call for competitive bids.

The state auditor shall report to the state treasurer any first class city that exceeds this amount and the extent to which the city has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(3) In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population in excess of one hundred fifty thousand shall not have public employees perform a public works project in excess of fifty thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of twenty-five thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population of one hundred fifty thousand or less shall not have public employees perform a public works project in excess of thirty-five thousand dollars if more than one craft or trade is involved with the public works project, or a public works project in excess of twenty thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

(4) In addition to the accounting and record-keeping requirements contained in RCW 39.04.070, every first class city annually shall prepare a report for the state auditor indicating the total public works construction budget and supplemental public works construction budget for that year, the total construction costs of public works performed by public employees for that year, and the amount of public works that is performed by public employees above or below ten percent of the total construction budget. However, if a city budgets on a biennial basis, this annual report shall indicate the amount of public works that is performed by public employees within the current biennial period that is above or below ten percent of the total biennial construction budget.

After September 1, 1987, each first class city with a population of one hundred fifty thousand or less shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

~~(6) (When any emergency shall require the immediate execution of such public work, upon the finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the city council shall adopt a resolution certifying the existence of this emergency situation.)~~ The competitive bidding requirements of this section may be waived by the city legislative authority pursuant to section 1 of this act if an exemption contained within that section applies to the work or contract.

(7) In lieu of the procedures of subsections (2) and (6) of this section, a first class city may use ~~((a))~~ the small works roster process ((and)) in RCW 39.04.155 to award contracts for public works projects with an estimated value of one hundred thousand dollars or less ~~((as provided in RCW 39.04.155))~~.

Whenever possible, the city shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(8) The allocation of public works projects to be performed by city employees shall not be subject to a collective bargaining agreement.

(9) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(10) Nothing in this section shall prohibit any first class city from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

**Sec. 3.** RCW 35.23.352 and 1996 c 18 s 2 are each amended to read as follows:

(1) Any second class city or any town may construct any public works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon publication of notice calling for sealed bids upon the work. The notice shall be published in the official newspaper, or a newspaper of general circulation most likely to bring responsive bids, at least thirteen days prior to the last date upon which bids will be received. The notice shall generally state the nature of the work to be done that plans and specifications therefor shall then be on file in the city or town hall for public inspections, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier's check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in accordance with RCW 39.08.030. If the bidder fails to enter into the contract in accordance with his or her bid and furnish a bond within ten days from the date at which he or she is notified that he or she is the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In lieu of the procedures of subsection (1) of this section, a second class city or a town may use the small works roster process provided in RCW 39.04.155 to award public works contracts with an estimated value of one hundred thousand dollars or less.

Whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(4) The form required by RCW 43.09.205 shall be to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of the materials, equipment, supplies, and labor on that construction project.

(6) Any purchase of supplies, material, or equipment, except for public work or improvement, where the cost thereof exceeds seven thousand five hundred dollars shall be made upon call for bids.

(7) Bids shall be called annually and at a time and in the manner prescribed by ordinance for the publication in a newspaper of general circulation in the city or town of all notices or newspaper publications required by law. The contract shall be awarded to the lowest responsible bidder.

(8) For advertisement and formal sealed bidding to be dispensed with as to purchases between seven thousand five hundred and fifteen thousand dollars, the council or commission must authorize by resolution, use of the uniform procedure provided in RCW 39.04.190.

(9) ~~((These requirements for purchasing may be waived by resolution of the city or town council or commission which declared that the purchase is clearly and legitimately limited to a single source or supply within the near vicinity, or the materials, supplies, equipment, or services are subject to special market conditions, and recites why this situation exists. Such actions are subject to RCW 39.30.020.))~~ The city or town legislative authority may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

(10) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(11) Nothing in this section shall prohibit any second class city or any town from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

**Sec. 4.** RCW 36.32.270 and 1963 c 4 s 36.32.270 are each amended to read as follows:

~~((In the event of an emergency when the public interest or property of the county would suffer material injury or damage by delay, upon resolution of the board of county commissioners declaring the existence of such emergency and reciting the facts constituting the same, the board))~~ The county legislative authority may waive the competitive bidding requirements of this chapter ((with reference to any)) pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or ((contract)) public work.

**Sec. 5.** RCW 52.14.110 and 1993 c 198 s 11 are each amended to read as follows:

Insofar as practicable, purchases and any public works by the district shall be based on competitive bids. A formal sealed bid procedure shall be used as standard procedure for purchases and contracts for purchases executed by the board of commissioners. Formal sealed bidding shall not be required for:

~~(1) ((Emergency purchases if the sealed bidding procedure would prevent or hinder the emergency from being addressed appropriately. The term emergency means an occurrence that creates an immediate threat to life or property;~~

~~(2))~~ (2)) The purchase of any materials, supplies, or equipment if the cost will not exceed the sum of four thousand five hundred dollars. However, whenever the estimated cost is from four thousand five hundred dollars up to ten thousand dollars, the commissioners may by resolution use the process provided in RCW 39.04.190 to award contracts;

~~((3))~~ (2) Contracting for work to be done involving the construction or improvement of a fire station or other buildings where the estimated cost will not exceed the sum of two thousand five hundred dollars, which includes the costs of labor, material, and equipment. However, whenever the estimated cost is from two thousand five hundred dollars up to ten thousand dollars, the commissioner may by resolution use the small works roster process provided in RCW 39.04.155; and

~~((4) Purchases which are clearly and legitimately limited to a single source of supply, or services, in which instances the purchase price may be best established by direct negotiation: PROVIDED, That this subsection shall not apply to purchases or contracts relating to public works as defined in chapter 39.04 RCW; and~~

~~(5) Purchases of insurance and bonds.)~~ (3) Any contract for purchases or public work pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 6.** RCW 53.08.120 and 1993 c 198 s 13 are each amended to read as follows:

All material required by a port district may be procured in the open market or by contract and all work ordered may be done by contract or day labor. All such contracts for work, the estimated cost of which exceeds one hundred thousand dollars, shall be let at public bidding upon notice published in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, calling for sealed bids upon the work, plans and specifications for which shall then be on file in the office of the commission for public inspection. The same notice may call for bids on such work or material based upon plans and specifications submitted by the bidder. The competitive bidding requirements for purchases or public works may be waived pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

Each port district shall maintain a small works roster, as provided in RCW 39.04.155, and may use the small works roster process to award contracts in lieu of calling for sealed bids whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less. Whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster.

**Sec. 7.** RCW 54.04.070 and 1993 c 198 s 14 are each amended to read as follows:

Any item, or items of the same kind of materials, equipment, or supplies purchased, the estimated cost of which is in excess of five thousand dollars, exclusive of sales tax shall be by contract: PROVIDED, That a district may make purchases of the same kind of items of materials, equipment and supplies not exceeding five thousand dollars in any calendar month without a contract, purchasing any excess thereof over five thousand dollars by contract. Any work ordered by a district commission, the estimated cost of which is in excess of ten thousand dollars exclusive of sales tax, shall be by contract, except that a district commission may have its own regularly employed personnel perform work which is an accepted industry practice under prudent utility management without a contract. Prudent utility management means performing work with regularly employed personnel utilizing material of a worth not exceeding fifty thousand dollars in value without a contract: PROVIDED, That such limit on the value of material being utilized in work being performed by regularly employed personnel shall not include the value of individual items of equipment purchased or acquired and used as one unit of a project. Before awarding such a contract, the commission shall publish a notice once or more in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, inviting sealed proposals for the work or materials; plans and specifications of which shall at the time of the publication be on file at the office of

the district subject to public inspection. Any published notice ordering work to be performed for the district shall be mailed at the time of publication to any established trade association which files a written request with the district to receive such notices. The commission may at the same time and as part of the same notice, invite tenders for the work or materials upon plans and specifications to be submitted by the bidders.

Notwithstanding any other provisions herein, all contract projects, the estimated cost of which is less than one hundred thousand dollars, may be awarded to a contractor using the small works roster process provided in RCW 39.04.155. All contract projects equal to or in excess of one hundred thousand dollars shall be let by competitive bidding.

Whenever equipment or materials required by a district are held by a governmental agency and are available for sale but such agency is unwilling to submit a proposal, the commission may ascertain the price of such items and file a statement of such price supported by the sworn affidavit of one member of the commission and may consider such price as a bid without a deposit or bond. ~~((In the event of an emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the commission, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or the official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract, after having taken precautions to secure the lowest price practicable under the circumstances.~~

~~After determination by the commission during a public meeting that a particular purchase is available clearly and legitimately only from a single source of supply, the bidding requirements of this section may be waived by the commission.))~~

The commission may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 8.** RCW 57.08.050 and 1997 c 245 s 4 are each amended to read as follows:

(1) All work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is in excess of five thousand dollars and less than fifty thousand dollars, may be awarded to a contractor using the small works roster process provided in RCW 39.04.155. The board of commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. All contract projects equal to or in excess of fifty thousand dollars shall be let by competitive bidding. Before awarding any such contract the board of commissioners shall publish a notice in a newspaper of general circulation where the district is located at least once thirteen days before the last date upon which bids will be received, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of commissioners subject to the public inspection. The notice shall state generally the work to be done and shall call for proposals for doing the same to be sealed and filed with the board of commissioners on or before the day and hour named therein.

Each bid shall be accompanied by a certified or cashier's check or postal money order payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid, or accompanied by a bid bond in an amount not less than five percent of the bid with a corporate surety licensed to do business in the state, conditioned that the bidder will pay the district as liquidated damages the amount specified in the bond, unless the bidder enters into a contract in accordance with the bidder's bid, and no bid shall be considered unless accompanied by such check, cash or bid bond. At the time and place named such bids shall be publicly opened and read and the board of commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications on file or to the best bidder submitting the bidder's own plans and specifications. However, no contract shall be let in excess of the cost of the materials or work. The board of commissioners may reject all bids for good cause and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If the contract is let, then all checks, cash, or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for doing the work, and a bond to perform such work furnished with sureties satisfactory to the board of commissioners in the full amount of the contract price between the bidder and the commission in accordance with the bid. If the bidder fails to enter into the contract in accordance with the bid and furnish the bond within ten days from the date at which the bidder is notified that the bidder is the successful bidder, the check, cash, or bid bonds and the amount thereof

shall be forfeited to the district. If the bidder fails to enter into a contract in accordance with the bidder's bid, and the board of commissioners deems it necessary to take legal action to collect on any bid bond required by this section, then the district shall be entitled to collect from the bidder any legal expenses, including reasonable attorneys' fees occasioned thereby. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(2) Any purchase of materials, supplies, or equipment, with an estimated cost in excess of ten thousand dollars, shall be by contract. Any purchase of materials, supplies, or equipment, with an estimated cost of from ~~((five))~~ ten thousand dollars or less than fifty thousand dollars shall be made using the process provided in RCW ~~((39.04.155))~~ 39.04.190 or by competitive bidding following the procedure for letting contracts for projects under subsection (1) of this section. Any purchase of materials, supplies, or equipment with an estimated cost of fifty thousand dollars or more shall be made by competitive bidding following the procedure for letting contracts for projects under subsection (1) of this section.

~~(3) ((In the event of an emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board of commissioners, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board or official acting for the board may waive the requirements of this chapter with reference to any purchase or contract. In addition, these requirements may be waived for purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation.))~~ The board may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 9.** RCW 70.44.140 and 1996 c 18 s 15 are each amended to read as follows:

(1) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars, shall be by contract. Before awarding any such contract, the commission shall publish a notice at least thirteen days before the last date upon which bids will be received, inviting sealed proposals for such work. The plans and specifications must at the time of the publication of such notice be on file at the office of the public hospital district, subject to public inspection: PROVIDED, HOWEVER, That the commission may at the same time, and as part of the same notice, invite tenders for the work or materials upon plans and specifications to be submitted by bidders. The notice shall state generally the work to be done, and shall call for proposals for doing the same, to be sealed and filed with the commission on or before the day and hour named therein. Each bid shall be accompanied by bid proposal security in the form of a certified check, cashier's check, postal money order, or surety bond made payable to the order of the commission, for a sum not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal security. At the time and place named, such bids shall be publicly opened and read, and the commission shall proceed to canvass the bids, and may let such contract to the lowest responsible bidder upon plans and specifications on file, or to the best bidder submitting his or her own plans and specifications: PROVIDED, HOWEVER, That no contract shall be let in excess of the estimated cost of the materials or work, or if, in the opinion of the commission, all bids are unsatisfactory, they may reject all of them and readvertise, and in such case all bid proposal security shall be returned to the bidders; but if such contract be let, then and in such case all bid proposal security shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for the purchase of such materials for doing such work, and a bond to perform such work furnished, with sureties satisfactory to the commission, in an amount to be fixed by the commission, not less than twenty-five percent of contract price in any case, between the bidder and commission, in accordance with the bid. If such bidder fails to enter into the contract in accordance with the bid and furnish such bond within ten days from the date at which the bidder is notified that he or she is the successful bidder, the bid proposal security and the amount thereof shall be forfeited to the public hospital district. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(2) In lieu of the procedures of subsection (1) of this section, a public hospital district may use a small works roster process and award public works contracts for projects in excess of five thousand dollars up to fifty thousand dollars as provided in RCW 39.04.155.

(3) For advertisement and formal sealed bidding to be dispensed with as to purchases between five thousand and fifteen thousand dollars, the commission must authorize by resolution a procedure as provided in RCW 39.04.190.

(4) The commission may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**NEW SECTION. Sec. 10.** A new section is added to chapter 36.34 RCW to read as follows:

In accordance with RCW 35.42.010 through 35.42.220, a county with a population of one million or more may lease space and provide for the leasing of such space through leases with an option to purchase and the acquisition of buildings erected upon land owned by the county upon the expiration of lease of such land. For the purposes of this section, "building," as defined in RCW 35.42.020 shall be construed to include any building or buildings used as part of, or in connection with, the operation of the county. The authority conferred by this section is in addition to and not in lieu of any other provision authorizing counties to lease property."

On page 1, line 1 of the title, after "bidding;" strike the remainder of the title and insert "amending RCW 35.22.620, 35.23.352, 36.32.270, 52.14.110, 53.08.120, 54.04.070, 57.08.050, and 70.44.140; adding a new section to chapter 39.04 RCW; and adding a new section to chapter 36.34 RCW."

and the same are herewith transmitted.

#### SENATE AMENDMENTS TO HOUSE BILL

March 5, 1998

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2439 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the Cooper Jones Act.

**Sec. 2.** RCW 43.59.010 and 1967 ex.s. c 147 s 1 are each amended to read as follows:

(1) The purpose of this chapter is to establish a new agency of state government to be known as the Washington traffic safety commission. The functions and purpose of this commission shall be to find solutions to the problems that have been created as a result of the tremendous increase of motor vehicles on our highways and the attendant traffic death and accident tolls; to plan and supervise programs for the prevention of accidents on streets and highways including but not limited to educational campaigns designed to reduce traffic accidents in cooperation with all official and unofficial

organizations interested in traffic safety; to coordinate the activities at the state and local level in the development of state-wide and local traffic safety programs; to promote a uniform enforcement of traffic safety laws and establish standards for investigation and reporting of traffic accidents; to promote and improve driver education; and to authorize the governor to perform all functions required to be performed by him under the federal Highway Safety Act of 1966 (Public Law 89-564; 80 Stat. 731).

(2) The legislature finds and declares that bicycling and walking are becoming increasingly popular in Washington as clean and efficient modes of transportation, as recreational activities, and as organized sports. Future plans for the state's transportation system will require increased access and safety for bicycles and pedestrians on our common roadways, and federal transportation legislation and funding programs have created strong incentives to implement these changes quickly. As a result, many more people are likely to take up bicycling in Washington both as a leisure activity and as a convenient, inexpensive form of transportation. Bicyclists are more vulnerable to injury and accident than motorists, and should be as knowledgeable as possible about traffic laws, be highly visible and predictable when riding in traffic, and be encouraged to wear bicycle safety helmets. Hundreds of bicyclists and pedestrians are seriously injured every year in accidents, and millions of dollars are spent on health care costs associated with these accidents. There is clear evidence that organized training in the rules and techniques of safe and effective cycling can significantly reduce the incidence of serious injury and accidents, increase cooperation among road users, and significantly increase the incidence of bicycle helmet use, particularly among minors.

**NEW SECTION. Sec. 3.** A new section is added to chapter 43.59 RCW to read as follows:

The Washington state traffic safety commission shall establish a program for improving bicycle and pedestrian safety, and shall cooperate with the stakeholders and independent representatives to form an advisory committee to develop programs and create public private partnerships which promote bicycle and pedestrian safety. The traffic safety commission shall report and make recommendations to the legislative transportation committee and the fiscal committees of the house of representatives and the senate by December 1, 1998, regarding the conclusions of the advisory committee.

**Sec. 4.** RCW 48.02.190 and 1987 c 505 s 54 are each amended to read as follows:

(1) As used in this section:

(a) "Organization" means every insurer, as defined in RCW 48.01.050, having a certificate of authority to do business in this state and every health care service contractor registered to do business in this state. "Class one" organizations shall consist of all insurers as defined in RCW 48.01.050. "Class two" organizations shall consist of all organizations registered under provisions of chapter 48.44 RCW.

(b) "Receipts" means (i) net direct premiums consisting of direct gross premiums, as defined in RCW 48.18.170, paid for insurance written or renewed upon risks or property resident, situated, or to be performed in this state, less return premiums and premiums on policies not taken, dividends paid or credited to policyholders on direct business, and premiums received from policies or contracts issued in connection with qualified plans as defined in RCW 48.14.021, and (ii) prepayments to health care service contractors as set forth in RCW 48.44.010(3) less experience rating credits, dividends, prepayments returned to subscribers, and payments for contracts not taken.

(2) The annual cost of operating the office of insurance commissioner shall be determined by legislative appropriation. A pro rata share of the cost shall be charged to all organizations. Each class of organization shall contribute sufficient in fees to the insurance commissioner's regulatory account to pay the reasonable costs, including overhead, of regulating that class of organization.

(3) Fees charged shall be calculated separately for each class of organization. The fee charged each organization shall be that portion of the cost of operating the insurance commissioner's office, for that class of organization, for the ensuing fiscal year that is represented by the organization's portion of the receipts collected or received by all organizations within that class on business in this state during the previous calendar year: PROVIDED, That the fee shall not exceed one-eighth of one percent of receipts: PROVIDED FURTHER, That the minimum fee shall be one thousand dollars.

(4) The commissioner shall annually, on or before June 1, calculate and bill each organization for the amount of its fee. Fees shall be due and payable no later than June 15 of each year: PROVIDED, That if the necessary financial records are not available or if the amount of the legislative appropriation is not determined in time to carry out such calculations and bill such fees within the time

specified, the commissioner may use the fee factors for the prior year as the basis for the fees and, if necessary, the commissioner may impose supplemental fees to fully and properly charge the organizations. The penalties for failure to pay fees when due shall be the same as the penalties for failure to pay taxes pursuant to RCW 48.14.060. The fees required by this section are in addition to all other taxes and fees now imposed or that may be subsequently imposed.

(5) All moneys collected shall be deposited in the insurance commissioner's regulatory account in the state treasury which is hereby created.

(6) Appropriations may be made from the insurance commissioner's regulatory account for the purposes of bicycle and pedestrian safety programs under section 3 of this act.

(7) Unexpended funds in the insurance commissioner's regulatory account at the close of a fiscal year shall be carried forward in the insurance commissioner's regulatory account to the succeeding fiscal year and shall be used to reduce future fees.

**NEW SECTION. Sec. 5.** A new section is added to chapter 46.20 RCW to read as follows:

The department of licensing shall incorporate a section on bicycle safety and sharing the road into its instructional publications for drivers and shall include questions in the written portion of the driver's license examination on bicycle safety and sharing the road with bicycles.

**Sec. 6.** RCW 46.20.095 and 1986 c 93 s 3 are each amended to read as follows:

The department shall include information on the proper use of the left-hand lane by motor vehicles on multilane highways and on bicyclists' and pedestrians' rights and responsibilities in its instructional publications for drivers.

**Sec. 7.** RCW 46.82.430 and 1986 c 93 s 5 are each amended to read as follows:

Instructional material used in driver training schools shall include information on the proper use of the left-hand lane by motor vehicles on multilane highways and on bicyclists' and pedestrians' rights and responsibilities and suggested riding procedures in common traffic situations.

**Sec. 8.** RCW 46.83.040 and 1961 c 12 s 46.83.040 are each amended to read as follows:

It shall be the purpose of every traffic school which may be established hereunder to instruct, educate, and inform all persons appearing for training in the proper, lawful, and safe operation of motor vehicles, including but not limited to rules of the road and the limitations of persons, vehicles, and bicycles and roads, streets, and highways under varying conditions and circumstances.

**Sec. 9.** RCW 46.52.070 and 1967 c 32 s 57 are each amended to read as follows:

(1) Any police officer of the state of Washington or of any county, city, town or other political subdivision, present at the scene of any accident or in possession of any facts concerning any accident whether by way of official investigation or otherwise shall make report thereof in the same manner as required of the parties to such accident and as fully as the facts in his possession concerning such accident will permit.

(2) The police officer shall report to the department, on a form prescribed by the director: (a) When an accident has occurred that results in a fatality or serious injury; (b) the identity of the operator of a vehicle involved in the accident when the officer has reasonable grounds to believe the operator who caused the fatality or serious injury may not be competent to operate a motor vehicle; and (c) the reason or reasons for such belief.

**Sec. 10.** RCW 46.52.100 and 1995 c 219 s 3 are each amended to read as follows:

Every district court, municipal court, and clerk of superior court shall keep or cause to be kept a record of every traffic complaint, traffic citation, notice of infraction, or other legal form of traffic charge deposited with or presented to the court or a traffic violations bureau, and shall keep a record of every official action by the court or its traffic violations bureau in reference thereto, including but not limited to a record of every conviction, forfeiture of bail, judgment of acquittal, finding that a traffic infraction has been committed, dismissal of a notice of infraction, and the amount of fine, forfeiture, or penalty resulting from every traffic complaint, citation, or notice of infraction deposited with or presented to the district court, municipal court, superior court, or traffic violations bureau.

The Monday following the conviction, forfeiture of bail, or finding that a traffic infraction was committed for violation of any provisions of this chapter or other law regulating the operating of

vehicles on highways, every magistrate of the court or clerk of the court of record in which such conviction was had, bail was forfeited, or the finding made shall prepare and immediately forward to the director of licensing at Olympia an abstract of the record of the court covering the case, which abstract must be certified by the person so required to prepare the same to be true and correct. Report need not be made of any finding involving the illegal parking or standing of a vehicle.

The abstract must be made upon a form or forms furnished by the director and shall include the name and address of the party charged, the number, if any, of the party's driver's or chauffeur's license, the registration number of the vehicle involved if required by the director, the nature of the offense, the date of hearing, the plea, the judgment, whether the offense was an alcohol-related offense as defined in RCW 46.01.260(2), whether the incident that gave rise to the offense charged resulted in any fatality, whether bail forfeited, whether the determination that a traffic infraction was committed was contested, and the amount of the fine, forfeiture, or penalty as the case may be.

Every court of record shall also forward a like report to the director upon the conviction of any person of a felony in the commission of which a vehicle was used.

The failure of any such judicial officer to comply with any of the requirements of this section shall constitute misconduct in office and shall be grounds for removal therefrom.

The director shall keep all abstracts received hereunder at the director's office in Olympia and the same shall be open to public inspection during reasonable business hours.

Venue in all district courts shall be before one of the two nearest district judges in incorporated cities and towns nearest to the point the violation allegedly occurred: PROVIDED, That in counties with populations of one hundred twenty-five thousand or more such cases may be tried in the county seat at the request of the defendant.

It shall be the duty of the officer, prosecuting attorney, or city attorney signing the charge or information in any case involving a charge of driving under the influence of intoxicating liquor or any drug immediately to make request to the director for an abstract of convictions and forfeitures which the director shall furnish.

**Sec. 11.** RCW 46.52.120 and 1993 c 501 s 12 are each amended to read as follows:

(1) The director shall keep a case record on every motor vehicle driver licensed under the laws of this state, together with information on each driver, showing all the convictions and findings of traffic infractions certified by the courts, together with an index cross-reference record of each accident reported relating to such individual with a brief statement of the cause of the accident and whether or not the accident resulted in any fatality. The chief of the Washington state patrol shall furnish the index cross-reference record to the director, with reference to each driver involved in the reported accidents.

(2) The records shall be for the confidential use of the director, the chief of the Washington state patrol, the director of the Washington traffic safety commission, and for such police officers or other cognizant public officials as may be designated by law. Such case records shall not be offered as evidence in any court except in case appeal is taken from the order of the director, suspending, revoking, canceling, or refusing a vehicle driver's license.

(3) The director shall tabulate and analyze vehicle driver's case records and suspend, revoke, cancel, or refuse a vehicle driver's license to a person when it is deemed from facts contained in the case record of such person that it is for the best interest of public safety that such person be denied the privilege of operating a motor vehicle. The director shall also suspend a person's driver's license if the person fails to attend or complete a driver improvement interview or fails to abide by conditions of probation under RCW 46.20.335. Whenever the director orders the vehicle driver's license of any such person suspended, revoked, or canceled, or refuses the issuance of a vehicle driver's license, such suspension, revocation, cancellation, or refusal is final and effective unless appeal from the decision of the director is taken as provided by law.

**Sec. 12.** RCW 46.52.130 and 1997 c 66 s 12 are each amended to read as follows:

A certified abstract of the driving record shall be furnished only to the individual named in the abstract, an employer or prospective employer or an agent acting on behalf of an employer or prospective employer, the insurance carrier that has insurance in effect covering the employer or a prospective employer, the insurance carrier that has insurance in effect covering the named individual, the insurance carrier to which the named individual has applied, an alcohol/drug assessment or treatment agency approved by the department of social and health services, to which the named

individual has applied or been assigned for evaluation or treatment, or city and county prosecuting attorneys. City attorneys and county prosecuting attorneys may provide the driving record to alcohol/drug assessment or treatment agencies approved by the department of social and health services to which the named individual has applied or been assigned for evaluation or treatment. The director, upon proper request, shall furnish a certified abstract covering the period of not more than the last three years to insurance companies. Upon proper request, the director shall furnish a certified abstract covering a period of not more than the last five years to state approved alcohol/drug assessment or treatment agencies, except that the certified abstract shall also include records of alcohol-related offenses as defined in RCW 46.01.260(2) covering a period of not more than the last ten years. Upon proper request, a certified abstract of the full driving record maintained by the department shall be furnished to a city or county prosecuting attorney, to the individual named in the abstract or to an employer or prospective employer or an agent acting on behalf of an employer or prospective employer of the named individual. The abstract, whenever possible, shall include an enumeration of motor vehicle accidents in which the person was driving; the total number of vehicles involved; whether the vehicles were legally parked or moving; whether the vehicles were occupied at the time of the accident; whether the accident resulted in any fatality; any reported convictions, forfeitures of bail, or findings that an infraction was committed based upon a violation of any motor vehicle law; and the status of the person's driving privilege in this state. The enumeration shall include any reports of failure to appear in response to a traffic citation or failure to respond to a notice of infraction served upon the named individual by an arresting officer. Certified abstracts furnished to prosecutors and alcohol/drug assessment or treatment agencies shall also indicate whether a recorded violation is an alcohol-related offense as defined in RCW 46.01.260(2) that was originally charged as one of the alcohol-related offenses designated in RCW 46.01.260(2)(b)(i).

The abstract provided to the insurance company shall exclude any information, except that related to the commission of misdemeanors or felonies by the individual, pertaining to law enforcement officers or fire fighters as defined in RCW 41.26.030, or any officer of the Washington state patrol, while driving official vehicles in the performance of occupational duty. The abstract provided to the insurance company shall include convictions for RCW 46.61.5249 and 46.61.525 except that the abstract shall report them only as negligent driving without reference to whether they are for first or second degree negligent driving. The abstract provided to the insurance company shall exclude any deferred prosecution under RCW 10.05.060, except that if a person is removed from a deferred prosecution under RCW 10.05.090, the abstract shall show the deferred prosecution as well as the removal.

The director shall collect for each abstract the sum of four dollars and fifty cents which shall be deposited in the highway safety fund.

Any insurance company or its agent receiving the certified abstract shall use it exclusively for its own underwriting purposes and shall not divulge any of the information contained in it to a third party. No policy of insurance may be canceled, nonrenewed, denied, or have the rate increased on the basis of such information unless the policyholder was determined to be at fault. No insurance company or its agent for underwriting purposes relating to the operation of commercial motor vehicles may use any information contained in the abstract relative to any person's operation of motor vehicles while not engaged in such employment, nor may any insurance company or its agent for underwriting purposes relating to the operation of noncommercial motor vehicles use any information contained in the abstract relative to any person's operation of commercial motor vehicles.

Any employer or prospective employer or an agent acting on behalf of an employer or prospective employer receiving the certified abstract shall use it exclusively for his or her own purpose to determine whether the licensee should be permitted to operate a commercial vehicle or school bus upon the public highways of this state and shall not divulge any information contained in it to a third party.

Any alcohol/drug assessment or treatment agency approved by the department of social and health services receiving the certified abstract shall use it exclusively for the purpose of assisting its employees in making a determination as to what level of treatment, if any, is appropriate. The agency, or any of its employees, shall not divulge any information contained in the abstract to a third party.

Release of a certified abstract of the driving record of an employee or prospective employee requires a statement signed by: (1) The employee or prospective employee that authorizes the release of the record, and (2) the employer attesting that the information is necessary to determine whether the licensee should be employed to operate a commercial vehicle or school bus upon the public highways

of this state. If the employer or prospective employer authorizes an agent to obtain this information on their behalf, this must be noted in the statement.

Any violation of this section is a gross misdemeanor.

**Sec. 13.** RCW 46.20.291 and 1997 c 58 s 806 are each amended to read as follows:

The department is authorized to suspend the license of a driver upon a showing by its records or other sufficient evidence that the licensee:

(1) Has committed an offense for which mandatory revocation or suspension of license is provided by law;

(2) Has, by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in death or injury to any person or serious property damage;

(3) Has been convicted of offenses against traffic regulations governing the movement of vehicles, or found to have committed traffic infractions, with such frequency as to indicate a disrespect for traffic laws or a disregard for the safety of other persons on the highways;

(4) Is incompetent to drive a motor vehicle under RCW 46.20.031(3);

(5) Has failed to respond to a notice of traffic infraction, failed to appear at a requested hearing, violated a written promise to appear in court, or has failed to comply with the terms of a notice of traffic infraction or citation, as provided in RCW 46.20.289;

#### SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 1223 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 59.18.030 and 1973 1st ex.s. c 207 s 3 are each amended to read as follows:

As used in this chapter:

(1) "Dwelling unit" is a structure or that part of a structure which is used as a home, residence, or sleeping place by one person or by two or more persons maintaining a common household, including but not limited to single family residences and units of multiplexes, apartment buildings, and mobile homes.

(2) "Landlord" means the owner, lessor, or sublessor of the dwelling unit or the property of which it is a part, and in addition means any person designated as representative of the landlord.

(3) "Person" means an individual, group of individuals, corporation, government, or governmental agency, business trust, estate, trust, partnership, or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(4) "Owner" means one or more persons, jointly or severally, in whom is vested:

(6) "Rental agreement" means all agreements which establish or modify the terms, conditions, rules, regulations, or any other provisions concerning the use and occupancy of a dwelling unit.

(7) A "single family residence" is a structure maintained and used as a single dwelling unit. Notwithstanding that a dwelling unit shares one or more walls with another dwelling unit, it shall be deemed a single family residence if it has direct access to a street and shares neither heating facilities nor hot water equipment, nor any other essential facility or service, with any other dwelling unit.

(8) A "tenant" is any person who is entitled to occupy a dwelling unit primarily for living or dwelling purposes under a rental agreement.

(9) "Reasonable attorney's fees", where authorized in this chapter, means an amount to be determined including the following factors: The time and labor required, the novelty and difficulty of the questions involved, the skill requisite to perform the legal service properly, the fee customarily charged in the locality for similar legal services, the amount involved and the results obtained, and the experience, reputation and ability of the lawyer or lawyers performing the services.

(10) "Gang" means a group that: (a) Consists of three or more persons; (b) has identifiable leadership or an identifiable name, sign, or symbol; and (c) on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

(11) "Gang-related activity" means any activity that occurs within the gang or advances a gang purpose.

**Sec. 2.** RCW 59.18.130 and 1992 c 38 s 2 are each amended to read as follows:

Each tenant shall pay the rental amount at such times and in such amounts as provided for in the rental agreement or as otherwise provided by law and comply with all obligations imposed upon tenants by applicable provisions of all municipal, county, and state codes, statutes, ordinances, and regulations, and in addition shall:

(1) Keep that part of the premises which he or she occupies and uses as clean and sanitary as the conditions of the premises permit;

(2) Properly dispose from his or her dwelling unit all rubbish, garbage, and other organic or flammable waste, in a clean and sanitary manner at reasonable and regular intervals, and assume all costs of extermination and fumigation for infestation caused by the tenant;

(3) Properly use and operate all electrical, gas, heating, plumbing and other fixtures and appliances supplied by the landlord;

(4) Not intentionally or negligently destroy, deface, damage, impair, or remove any part of the structure or dwelling, with the appurtenances thereto, including the facilities, equipment, furniture, furnishings, and appliances, or permit any member of his or her family, invitee, licensee, or any person acting under his or her control to do so. Violations may be prosecuted under chapter 9A.48 RCW if the destruction is intentional and malicious;

(5) Not permit a nuisance or common waste;

(6) Not engage in drug-related activity at the rental premises, or allow a subtenant, sublessee, resident, or anyone else to engage in drug-related activity at the rental premises with the knowledge or consent of the tenant. "Drug-related activity" means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW;

(7) Maintain the smoke detection device in accordance with the manufacturer's recommendations, including the replacement of batteries where required for the proper operation of the smoke detection device, as required in RCW 48.48.140(3);

(8) Not engage in any activity at the rental premises that is:

(a) Imminently hazardous to the physical safety of other persons on the premises; and

(b)(i) Entails physical assaults upon another person which result in an arrest; or

(ii) Entails the unlawful use of a firearm or other deadly weapon as defined in RCW 9A.04.110 which results in an arrest, including threatening another tenant or the landlord with a firearm or other deadly weapon under RCW 59.18.352. Nothing in this subsection (8) shall authorize the termination of tenancy and eviction of the victim of a physical assault or the victim of the use or threatened use of a firearm or other deadly weapon; ((and))

(9) Not engage in any gang-related activity at the premises, as defined in RCW 59.18.030, or allow another to engage in such activity at the premises, that renders people in at least two or more dwelling units or residences insecure in life or the use of property or that injures or endangers the safety or health of people in at least two or more dwelling units or residences. In determining whether a tenant is engaged in gang-related activity, a court should consider the totality of the circumstances, including factors such as whether there have been a significant number of complaints to the landlord about the tenant's activities at the property, damages done by the tenant to the property, including the property of other tenants or neighbors, harassment or threats made by the tenant to other tenants or neighbors that have been reported to law enforcement agencies, any police incident reports involving the tenant, and the tenant's criminal history; and

(10) Upon termination and vacation, restore the premises to their initial condition except for reasonable wear and tear or conditions caused by failure of the landlord to comply with his or her obligations under this chapter: PROVIDED, That the tenant shall not be charged for normal cleaning if he or she has paid a nonrefundable cleaning fee.

**Sec. 3.** RCW 59.18.180 and 1992 c 38 s 3 are each amended to read as follows:

(1) If the tenant fails to comply with any portion of RCW 59.18.130 or 59.18.140, and such noncompliance can substantially affect the health and safety of the tenant or other tenants, or substantially increase the hazards of fire or accident that can be remedied by repair, replacement of a damaged item, or cleaning, the tenant shall comply within thirty days after written notice by the landlord specifying the noncompliance, or, in the case of emergency as promptly as conditions require. If the tenant fails to remedy the noncompliance within that period the landlord may enter the dwelling unit and cause the work to be done and submit an itemized bill of the actual and reasonable cost of repair, to be payable on the next date when periodic rent is due, or on terms mutually agreed to by the landlord and tenant, or immediately if the rental agreement has terminated. Any substantial noncompliance by the tenant of RCW 59.18.130 or 59.18.140 shall constitute a ground for commencing an action in unlawful detainer in accordance with the provisions of chapter 59.12 RCW, and a landlord may commence such action at any time after written notice pursuant to such chapter. The tenant shall have a defense to an unlawful detainer action filed solely on this ground if it is determined at the hearing authorized under the provisions of chapter 59.12 RCW that the tenant is in substantial compliance with the provisions of this section, or if the tenant remedies the noncomplying condition within the thirty day period provided for above or any shorter period determined at the hearing to have been required because of an emergency: PROVIDED, That if the defective condition is remedied after the commencement of an unlawful detainer action, the tenant may be liable to the landlord for statutory costs and reasonable attorney's fees.

(2) If drug-related activity is alleged to be a basis for termination of tenancy under RCW 59.18.130(6), 59.12.030(5), or 59.20.140(5), the compliance provisions of this section do not apply and the landlord may proceed directly to an unlawful detainer action.

(3) If activity on the premises that creates an imminent hazard to the physical safety of other persons on the premises as defined in RCW 59.18.130(8) is alleged to be the basis for termination of the tenancy, and the tenant is arrested as a result of this activity, then the compliance provisions of this section do not apply and the landlord may proceed directly to an unlawful detainer action against the tenant who was arrested for this activity.

(4) If gang-related activity, as prohibited under RCW 59.18.130(9), is alleged to be the basis for termination of the tenancy, then the compliance provisions of this section do not apply and the landlord may proceed directly to an unlawful detainer action in accordance with chapter 59.12 RCW, and a landlord may commence such an action at any time after written notice under chapter 59.12 RCW.

(5) A landlord may not be held liable in any cause of action for bringing an unlawful detainer action against a tenant for drug-related activity (~~(or)~~), for creating an imminent hazard to the physical safety of others, or for engaging in gang-related activity that renders people in at least two or more dwelling units or residences insecure in life or the use of property or that injures or endangers the safety or health of people in at least two or more dwelling units or residences under this section, if the unlawful detainer action was brought in good faith. Nothing in this section shall affect a landlord's liability under RCW 59.18.380 to pay all damages sustained by the tenant should the writ of restitution be wrongfully sued out.

**NEW SECTION. Sec. 4.** A new section is added to chapter 59.18 RCW to read as follows:

The legislature finds and declares that the ability to feel safe and secure in one's own home and in one's own community is of primary importance. The legislature recognizes that certain gang-related activity can affect the safety of a considerable number of people in the rental premises and dwelling units. Therefore, such activity, although it may be occurring within an individual's home or the surrounding areas of an individual's home, becomes the community's concern.

The legislature intends that the remedy provided in section 5 of this act be used solely to protect the health and safety of the community. The remedy is not a means for private citizens to bring malicious or unfounded actions against fellow tenants or residential neighbors for personal reasons. In determining whether the tenant's activity is the type prohibited under RCW 59.18.130(9), the court should consider the totality of the circumstances, including factors such as whether there have been numerous complaints to the landlord, damage to property, police or incident reports, reports of disturbance, and arrests. An absence of any or all of these factors does not necessarily mean gang activity is not occurring. In determining whether the tenant is engaging in gang-related activity, the court should consider the purpose and intent of section 5 of this act. The legislature intends to give people in the community a tool that will help them restore the health and vibrance of their community.

**NEW SECTION. Sec. 5.** A new section is added to chapter 59.18 RCW to read as follows:

(1)(a) Any person whose life, safety, health, or use of property is being injured or endangered by a tenant's gang-related activity, who has legal standing and resides, works in, or owns property in the same multifamily building, apartment complex, or within a one-block radius may serve the landlord with a ten-day notice and demand that the landlord commence an unlawful detainer action against the tenant. The notice and demand must set forth, in reasonable detail, facts and circumstances that lead the person to believe gang-related activity is occurring. The notice and demand shall be served by delivering a copy personally to the landlord or the landlord's agent. If the person is unable to personally serve the landlord after exercising due diligence, the person may deposit the notice and demand in the mail, postage prepaid, to the landlord's or the landlord's agent's last known address.

(b) A copy of the notice and demand must also be served upon the tenant engaging in the gang-related activity by delivering a copy personally to the tenant. However, if the person is prevented from personally serving the tenant due to threats or violence, or if personal service is not reasonable under the circumstances, the person may deposit the notice and demand in the mail, postage prepaid, to the tenant's address, or leave a copy of the notice and demand in a conspicuous location at the tenant's residence.

(2)(a) Within ten days from the time the notice and demand is served, the landlord has a duty to take reasonable steps to investigate the tenant's alleged noncompliance with RCW 59.18.130(9). The landlord must notify the person who brought the notice and demand that an investigation is occurring. The landlord has ten days from the time he or she notifies the person in which to conduct a reasonable investigation.

(b) If, after reasonable investigation, the landlord finds that the tenant is not in compliance with RCW 59.18.130(9), the landlord may proceed directly to an unlawful detainer action or take reasonable steps to ensure the tenant discontinues the prohibited activity and complies with RCW 59.18.130(9). The landlord shall notify the person who served the notice and demand of whatever action the landlord takes.

(c) If, after reasonable investigation, the landlord finds that the tenant is in compliance with RCW 59.18.130(9), the landlord shall notify the person who served the notice and demand of the landlord's findings.

(3) The person who served the notice and demand may petition the appropriate court to have the tenancy terminated and the tenant removed from the premises if: (a) Within ten days of service of the notice and demand, the tenant fails to discontinue the gang-related activity and the landlord fails to conduct a reasonable investigation; or (b) the landlord notifies the person that the landlord conducted a reasonable investigation and found that the tenant was not engaged in gang-related activity as prohibited under RCW 59.18.130(9); or (c) the landlord took reasonable steps to have the tenant comply with RCW 59.18.130(9), but the tenant has failed to comply within a reasonable time.

(4) If the court finds that the tenant was not in compliance with RCW 59.18.130(9), the court shall enter an order terminating the tenancy and requiring the tenant to vacate the premises. The court shall not issue the order terminating the tenancy unless it has found that the allegations of gang-related activity are corroborated by a source other than the person who has petitioned the court.

(5) The prevailing party shall recover reasonable attorneys' fees and costs. The court may impose sanctions, in addition to attorneys' fees, on a person who has brought an action under this chapter against the same tenant on more than one occasion, if the court finds the petition was brought with the intent to harass. However, the court must order the landlord to pay costs and reasonable attorneys' fees to the person petitioning for termination of the tenancy if the court finds that the landlord failed to comply with the duty to investigate, regardless of which party prevails.

**Sec. 6.** RCW 59.12.030 and 1983 c 264 s 1 are each amended to read as follows:

A tenant of real property for a term less than life is guilty of unlawful detainer either:

(1) When he or she holds over or continues in possession, in person or by subtenant, of the property or any part thereof after the expiration of the term for which it is let to him or her. When real property is leased for a specified term or period by express or implied contract, whether written or oral, the tenancy shall be terminated without notice at the expiration of the specified term or period;

(2) When he or she, having leased property for an indefinite time with monthly or other periodic rent reserved, continues in possession thereof, in person or by subtenant, after the end of any such month or period, when the landlord, more than twenty days prior to the end of such month or period, has served notice (in manner in RCW 59.12.040 provided) requiring him or her to quit the premises at the expiration of such month or period;

(3) When he or she continues in possession in person or by subtenant after a default in the payment of rent, and after notice in writing requiring in the alternative the payment of the rent or the surrender of the detained premises, served (in manner in RCW 59.12.040 provided) in behalf of the person entitled to the rent upon the person owing it, has remained uncomplied with for the period of three days after service thereof. The notice may be served at any time after the rent becomes due;

(4) When he or she continues in possession in person or by subtenant after a neglect or failure to keep or perform any other condition or covenant of the lease or agreement under which the property is held, including any covenant not to assign or sublet, than one for the payment of rent, and after notice in writing requiring in the alternative the performance of such condition or covenant or the surrender of the property, served (in manner in RCW 59.12.040 provided) upon him or her, and if there is a subtenant in actual possession of the premises, also upon such subtenant, shall remain uncomplied with for ten days after service thereof. Within ten days after the service of such notice the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person interested in its continuance, may perform such condition or covenant and thereby save the lease from such forfeiture;

(5) When he or she commits or permits waste upon the demised premises, or when he or she sets up or carries on thereon any unlawful business, or when he or she erects, suffers, permits, or maintains on or about the premises any nuisance, and remains in possession after the service (in manner in RCW 59.12.040 provided) upon him or her of three days' notice to quit; ~~((or))~~

(6) A person who, without the permission of the owner and without having color of title thereto, enters upon land of another and who fails or refuses to remove therefrom after three days' notice, in writing and served upon him or her in the manner provided in RCW 59.12.040. Such person may also be subject to the criminal provisions of chapter 9A.52 RCW; or

(7) When he or she commits or permits any gang-related activity at the premises as prohibited by RCW 59.18.130."

On page 1, line 1 of the title, after "relations;" strike the remainder of the title and insert "amending sRCW 59.18.030, 59.18.130, 59.18.180, and 59.12.030; and adding new sections to chapter 59.18 RCW."

#### SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1692 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 79.90.465 and 1984 c 221 s 4 are each amended to read as follows:

The definitions in this section apply throughout chapters 79.90 through 79.96 RCW.

(1) "Water-dependent use" means a use which cannot logically exist in any location but on the water. Examples include, but are not limited to, water-borne commerce; terminal and transfer facilities; ferry terminals; watercraft sales in conjunction with other water-dependent uses; watercraft construction, repair, and maintenance; moorage and launching facilities; aquaculture; log booming; and public fishing piers and parks.

(2) "Water-oriented use" means a use which historically has been dependent on a waterfront location, but with existing technology could be located away from the waterfront. Examples include, but are not limited to, wood products manufacturing, watercraft sales, fish processing, petroleum refining, sand and gravel processing, log storage, and house boats. For the purposes of determining rent under this chapter, water-oriented uses shall be classified as water-dependent uses if the activity either is conducted on state-owned aquatic lands leased on October 1, 1984, or was actually conducted on the state-owned aquatic lands for at least three years before October 1, 1984. If, after October 1, 1984, the activity is changed to a use other than a water-dependent use, the activity shall be classified as a nonwater-dependent use. If continuation of the existing use requires leasing additional state-owned aquatic lands and is permitted under the shoreline management act of 1971, chapter 90.58 RCW, the department may allow reasonable expansion of the water-oriented use.

(3) "Nonwater-dependent use" means a use which can operate in a location other than on the waterfront. Examples include, but are not limited to, hotels, condominiums, apartments, restaurants, retail stores, and warehouses not part of a marine terminal or transfer facility.

(4) "Log storage" means the water storage of logs in rafts or otherwise prepared for shipment in water-borne commerce, but does not include the temporary holding of logs to be taken directly into a vessel or processing facility.

(5) "Log booming" means placing logs into and taking them out of the water, assembling and disassembling log rafts before or after their movement in water-borne commerce, related handling and

sorting activities taking place in the water, and the temporary holding of logs to be taken directly into a processing facility. "Log booming" does not include the temporary holding of logs to be taken directly into a vessel.

(6) "Department" means the department of natural resources.

(7) "Port district" means a port district created under Title 53 RCW.

(8) The "real rate of return" means the average for the most recent ten calendar years of the average rate of return on conventional real property mortgages as reported by the federal home loan bank board or any successor agency, minus the average inflation rate for the most recent ten calendar years.

(9) The "inflation rate" for a given year is the percentage rate of change in the previous calendar year's all commodity producer price index of the bureau of labor statistics of the United States department of commerce. If the index ceases to be published, the department shall designate by rule a comparable substitute index.

(10) "Public utility lines" means pipes, conduits, and similar facilities for distribution of water, electricity, natural gas, telephone, other electronic communication, and sewers, including sewer outfall lines.

(11) "Terminal" means a point of interchange between land and water carriers, such as a pier, wharf, or group of such, equipped with facilities for care and handling of cargo and/or passengers.

(12) "State-owned aquatic lands" means those aquatic lands and waterways administered by the department of natural resources or managed under RCW 79.90.475 by a port district. "State-owned aquatic lands" does not include aquatic lands owned in fee by, or withdrawn for the use of, state agencies other than the department of natural resources.

(13) "City" means a city or town created under Title 35 or 35A RCW.

(14) "Marina" means a waterfront facility that provides moorage for recreation vessels, charter vessels, commercial fishing vessels, and water-based aircraft. A marina facility may include fuel docks and associated chandlery activities designed to serve recreational vessels, charter vessels, commercial fishing vessels, and water-based aircraft.

**Sec. 2.** RCW 79.90.475 and 1984 c 221 s 6 are each amended to read as follows:

Upon request of a port district, the department and port district may enter into an agreement authorizing the port district to manage state-owned aquatic lands ~~((abutting or used in conjunction with and contiguous to uplands owned, leased, or otherwise managed by a port district,))~~ for port purposes as provided in Title 53 RCW. The lands that may be included in a port district aquatic lands management agreement are those state-owned aquatic lands abutting or used in conjunction with and contiguous to uplands owned, leased, or otherwise managed by a port district. If a port district owns or operates a public marina facility within a bay where the distance between the headlands at the entrance to the bay is two miles or less, the state-owned aquatic lands beneath the marina facility shall also be eligible for management by the port district under a management agreement.

~~((Such))~~ A port district aquatic lands management agreement shall include, but not be limited to, provisions defining the specific area to be managed, the term, conditions of occupancy, reservations, periodic review, and other conditions to ensure consistency with the state Constitution and the policies of this chapter. If a port district acquires operating management, lease, or ownership of real property which abuts state-owned aquatic lands currently under lease from the state to a person other than the port district, the port district shall manage such aquatic lands if: (1) The port district acquires the leasehold interest in accordance with state law, or (2) the current lessee and the department agree to termination of the current lease to accommodate management by the port. The administration of aquatic lands covered by a port district aquatic lands management agreement shall be consistent with the aquatic land policies of chapters 79.90 through 79.96 RCW and the implementing ~~((regulations))~~ rules adopted by the department. The administrative procedures for management of the lands shall be those of Title 53 RCW.

No rent shall be due the state for the use of state-owned aquatic lands managed under this section for water-dependent or water-oriented uses. If a port district manages state-owned aquatic lands under this section and either leases or otherwise permits any person to use such lands, the rental fee attributable to such aquatic land only shall be comparable to the rent charged lessees for the same or similar uses by the department: PROVIDED, That a port district need not itemize for the lessee any charges for state-owned aquatic lands improved by the port district for use by carriers by water. If a

port leases state-owned aquatic lands to any person for nonwater-dependent use, eighty-five percent of the revenue attributable to the rent of the state-owned aquatic land only shall be paid to the state.

Upon application for a management agreement, and so long as the application is pending and being diligently pursued, no rent shall be due the department for the lease by the port district of state-owned aquatic lands included within the application for water-dependent or water-oriented uses.

The department and representatives of the port industry shall develop a proposed model management agreement which shall be used as the basis for negotiating the management agreements required by this section. The model management agreement shall be reviewed and approved by the board of natural resources.

**NEW SECTION. Sec. 3.** A new section is added to chapter 79.90 RCW to read as follows:

(1) Upon request of a city, the department and city may enter into an agreement authorizing the city to manage state-owned aquatic lands for the purpose of operating a publicly owned marina. The lands that may be included in a city aquatic lands management agreement are those state-owned aquatic lands abutting or used in conjunction with and contiguous to uplands owned, leased, or otherwise managed by a city. All state-owned aquatic lands beneath any publicly owned marina developed or maintained by a city are eligible for management by the city under a management agreement.

A city aquatic lands management agreement shall include, but not be limited to, provisions defining the specific area to be managed, the term, conditions of occupancy, reservations, periodic review, and other conditions to ensure consistency with the state Constitution and the policies of this chapter. If a city acquires operating management, lease, or ownership of real property that abuts state-owned aquatic lands currently under lease from the state to a person other than the city, the city shall manage the aquatic lands if: (a) The city acquires the leasehold interest in accordance with state law, or (b) the current lessee and the department agree to termination of the current lease to accommodate management by the city. The administration of aquatic lands covered by a city aquatic lands management agreement shall be consistent with the aquatic land policies of chapters 79.90 through 79.96 RCW and the implementing rules adopted by the department. The administrative procedures for management of the lands shall be those of Title 35 or 35A RCW, whichever is appropriate.

No rent is due the state for the use of state-owned aquatic lands managed under this section for water-dependent or water-oriented uses. If a city manages state-owned aquatic lands under this section and either leases or otherwise permits any person to use the lands, the rental fee attributable to the aquatic land only shall be comparable to the rent charged lessees for the same or similar uses by the department. If a city leases state-owned aquatic lands to any person for nonwater-dependent use, eighty-five percent of the revenue attributable to the rent of the state-owned aquatic land only shall be paid to the state.

Upon application for a management agreement, and so long as the application is pending and being diligently pursued, no rent is due the department for the lease by the city of state-owned aquatic lands included within the application for water-dependent or water-oriented uses.

The department and representatives of the association of Washington cities shall develop a proposed model management agreement that shall be used as the basis for negotiating the management agreements required by this section. The model management agreement shall be reviewed and approved by the board of natural resources.

(2) A city that operates a publicly owned marina within the territorial limits of a port district shall obtain the approval of the port commission prior to applying to the department for a management agreement. A city with marina facilities in existence on the effective date of this act may enter into a management agreement for those facilities without port commission approval.

**Sec. 4.** RCW 79.90.520 and 1991 c 64 s 1 are each amended to read as follows:

The manager shall, by rule, provide for an administrative review of any aquatic land rent proposed to be charged. The rules shall require that the lessee or applicant for release file a request for review within thirty days after the manager has notified the lessee or applicant of the rent due. For leases issued by the department, the final authority for the review rests with the board of natural resources. For leases managed under RCW 79.90.475, the final authority for the review rests with the appropriate port commission. For leases managed under section 3 of this act, the final authority for the review rests with the appropriate city legislative authority. If the request for review is made within thirty days after the manager's final determination as to the rental, the lessee may pay rent at the preceding year's rate pending completion of the review, and shall pay any additional rent or be entitled

to a refund, with interest thirty days after announcement of the decision. The interest rate shall be fixed, from time to time, by rule adopted by the board of natural resources and shall not be less than six percent per annum. Nothing in this section abrogates the right of an aggrieved party to pursue legal remedies. For purposes of this section, "manager" is the department except where state-owned aquatic lands are managed by a port district or a city, in which case "manager" is the appropriate port district or city.

**Sec. 5.** RCW 79.93.040 and 1984 c 221 s 21 are each amended to read as follows:

If the United States government has established pierhead lines within a waterway created under the laws of this state at any distance from the boundaries established by the state, structures may be constructed in that strip of waterway between the waterway boundary and the nearest pierhead line only with the consent of the department of natural resources and upon such plans, terms, and conditions and for such term as determined by the department. However, no permit shall extend for a period longer than thirty years.

The department may cancel any permit upon sixty days' notice for a substantial breach by the permittee of any of the permit conditions.

If a waterway is within the territorial limits of a port district, the duties assigned by this section to the department may be exercised by the port commission of such port district as provided in RCW 79.90.475. If a waterway is within the territorial limits of a city, the duties assigned by this section to the department may be exercised by the city as provided in section 3 of this act.

Nothing in this section shall confer upon, create, or recognize in any abutting owner any right or privilege in or to any strip of waterway abutting any street and between prolongations of the lines of such street, but the control of and the right to use such strip is hereby reserved to the state of Washington, except as authorized by RCW 79.90.475 and section 3 of this act."

On page 1, line 1 of the title, after "lands;" strike the remainder of the title and insert "amending RCW 79.90.465, 79.90.475, 79.90.520, and 79.93.040; and adding a new section to chapter 79.90 RCW."

and the same are herewith transmitted.

## SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Engrossed Second Substitute House Bill No. 2345 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 34.05.230 and 1997 c 409 s 202 are each amended to read as follows:

(1) ~~((An agency may file notice for the expedited adoption of rules in accordance with the procedures set forth in this section for rules meeting any one of the following criteria:~~

~~(a) The proposed rules relate only to internal governmental operations that are not subject to violation by a person;~~

~~(b) The proposed rules adopt or incorporate by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;~~

~~(c) The proposed rules only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;~~

~~(d) The content of the proposed rules is explicitly and specifically dictated by statute;~~

~~(e) The proposed rules have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or~~

~~(f) The proposed rule is being amended after a review under RCW 34.05.328 or section 210 of this act.~~

~~(2) The expedited rule making process must follow the requirements for rule making set forth in RCW 34.05.320, except that the agency is not required to prepare a small business economic impact statement under RCW 19.85.025, a statement indicating whether the rule constitutes a significant legislative rule under RCW 34.05.328(5)(c)(iii), or a significant legislative rule analysis under RCW 34.05.328. An agency is not required to prepare statements of inquiry under RCW 34.05.310 or conduct a hearing for the expedited adoption of rules. The notice for the expedited adoption of rules must contain a statement in at least ten point type, that is substantially in the following form:~~

### NOTICE

~~THIS RULE IS BEING PROPOSED TO BE ADOPTED USING AN EXPEDITED RULE MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS RULE BEING ADOPTED USING THE EXPEDITED RULE MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY~~

~~MUST BE SENT TO (INSERT NAME AND ADDRESS) AND RECEIVED BY  
(INSERT DATE).~~

~~(3) The agency shall send a copy of the notice of the proposed expedited rule making to any person who has requested notification of proposals for the expedited adoption of rules or of agency rule making, as well as the joint administrative rules review committee, within three days after its publication in the Washington State Register. An agency may charge for the actual cost of providing a requesting party mailed copies of these notices. The notice of the proposed expedited rule making must be preceded by a statement substantially in the form provided in subsection (2) of this section. The notice must also include an explanation of the reasons the agency believes the expedited adoption of the rule is appropriate.~~

~~(4) The code reviser shall publish the text of all rules proposed for expedited adoption along with the notice required in this section in a separate section of the Washington State Register. Once the text of the proposed rules has been published in the Washington State Register, the only changes that an agency may make in the text of these proposed rules before their final adoption are to correct typographical errors.~~

~~(5) Any person may file a written objection to the expedited adoption of a rule. The objection must be filed with the agency rules coordinator within forty five days after the notice of the proposed expedited rule making has been published in the Washington State Register. A person who has filed a written objection to the expedited adoption of a rule may withdraw the objection.~~

~~(6) If no written objections to the expedited adoption of a rule are filed with the agency within forty five days after the notice of proposed expedited rule making is published, or if all objections that have been filed are withdrawn by the persons filing the objections, the agency may enter an order adopting the rule without further notice or a public hearing. The order must be published in the manner required by this chapter for any other agency order adopting, amending, or repealing a rule.~~

~~(7) If a written notice of objection to the expedited adoption of the rule is timely filed with the agency and is not withdrawn, the notice of proposed expedited rule making published under this section is considered a statement of inquiry for the purposes of RCW 34.05.310, and the agency may initiate further rule adoption proceedings in accordance with this chapter.~~

~~(8) Subsections (1) through (8) of this section expire on December 31, 2000.~~

~~an [An] agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of interpretive or policy statements. Current)) Interpretive and policy statements or their equivalents, regardless of title, are advisory only. To better inform and involve the public, ((an)) each agency is encouraged to convert long-standing interpretive and policy statements into rules.~~

(2) A person may petition an agency requesting the conversion of interpretive and policy statements into rules. Upon submission, the agency shall notify the joint administrative rules review committee of the petition. Within sixty days after submission of a petition, the agency shall either deny the petition in writing, stating its reasons for the denial, or initiate rule-making proceedings in accordance with this chapter.

~~((11)) (3) Each agency shall maintain a roster of interested persons, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. Each agency shall update the roster once each year and eliminate persons who do not indicate a desire to continue on the roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of the statement to each person listed on the roster. The agency may charge a nominal fee to the interested person for this service.~~

~~((12)) (4) Whenever an agency issues an interpretive or policy statement, it shall submit to the code reviser for publication in the Washington State Register a statement describing the subject matter of the interpretive or policy statement, and listing the person at the agency from whom a copy of the interpretive or policy statement may be obtained.~~

(5) When a person requests a copy of a rule from an agency, the agency shall identify any associated interpretive or policy statements, guidelines, documents of general applicability, or their equivalents, and provide copies of the statements upon request.

(6) Within two hundred days after an agency issues a policy or interpretative statement, guideline, document of general applicability, or its equivalent involving an issue, the violation of which can result in a citation, civil penalty, assessment, or other sanction to a business, the agency shall make a good faith effort to notify businesses affected by the statement, guideline, or document and how to obtain technical assistance to comply. For purposes of this section, "good faith" means: (a) The agency at least notifies businesses in the standard industrial classifications or their successor affected by the statement, guideline, or document that are registered with the department of revenue; or (b) for a statement, guideline, or document that applies only to persons or firms that are licensed, registered, or operate under a permit, the agency notifies those persons or firms holding the license, registration, or permit. Inadvertent failure to notify a specific business under this section does not invalidate a rule.

**NEW SECTION. Sec. 2.** A new section is added to chapter 34.05 RCW to read as follows:

(1) An agency may file notice for the expedited adoption of rules in accordance with the procedures set forth in this section for rules meeting any one of the following criteria:

(a) The proposed rules relate only to internal governmental operations that are not subject to violation by a person;

(b) The proposed rules adopt or incorporate by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(c) The proposed rules only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(d) The content of the proposed rules is explicitly and specifically dictated by statute;

(e) The proposed rules have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or

(f) The proposed rule is being amended after a review under RCW 34.05.328.

(2) The expedited rule-making process must follow the requirements for rule making set forth in RCW 34.05.320, except that the agency is not required to prepare a small business economic impact statement under RCW 19.85.025, a statement indicating whether the rule constitutes a significant legislative rule under RCW 34.05.328(6)(c)(iii), or a significant legislative rule analysis under RCW 34.05.328. An agency is not required to prepare statements of inquiry under RCW 34.05.310 or conduct a hearing for the expedited adoption of rules. The notice for the expedited adoption of rules must contain a statement in at least ten-point type, that is substantially in the following form:

### NOTICE

THIS RULE IS BEING PROPOSED TO BE ADOPTED USING AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS RULE BEING ADOPTED USING THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO (INSERT NAME AND ADDRESS) AND RECEIVED BY (INSERT DATE).

(3) The agency shall send a copy of the notice of the proposed expedited rule making to any person who has requested notification of proposals for the expedited adoption of rules or of agency rule making, as well as the joint administrative rules review committee, within three days after its publication in the Washington State Register. An agency may charge for the actual cost of providing a requesting party mailed copies of these notices. The notice of the proposed expedited rule making must

be preceded by a statement substantially in the form provided in subsection (2) of this section. The notice must also include an explanation of the reasons the agency believes the expedited adoption of the rule is appropriate.

(4) The code reviser shall publish the text of all rules proposed for expedited adoption along with the notice required in this section in a separate section of the Washington State Register. Once the text of the proposed rules has been published in the Washington State Register, the only changes that an agency may make in the text of these proposed rules before their final adoption are to correct typographical errors.

(5) Any person may file a written objection to the expedited adoption of a rule. The objection must be filed with the agency rules coordinator within forty-five days after the notice of the proposed expedited rule making has been published in the Washington State Register. A person who has filed a written objection to the expedited adoption of a rule may withdraw the objection.

(6) If no written objections to the expedited adoption of a rule are filed with the agency within forty-five days after the notice of proposed expedited rule making is published, or if all objections that have been filed are withdrawn by the persons filing the objections, the agency may enter an order adopting the rule without further notice or a public hearing. The order must be published in the manner required by this chapter for any other agency order adopting, amending, or repealing a rule.

(7) If a written notice of objection to the expedited adoption of the rule is timely filed with the agency and is not withdrawn, the notice of proposed expedited rule making published under this section is considered a statement of inquiry for the purposes of RCW 34.05.310, and the agency may initiate further rule adoption proceedings in accordance with this chapter.

(8) This section expires December 31, 2000.

**Sec. 3.** RCW 34.05.328 and 1997 c 430 s 1 are each amended to read as follows:

(1) Before adopting a rule described in subsection ~~((5))~~ (6) of this section, an agency shall:

(a) Clearly state in detail the general goals and specific objectives of the statute that the rule implements;

(b) Determine that the rule is needed to achieve the general goals and specific objectives stated under (a) of this subsection, and analyze alternatives to rule making and the consequences of not adopting the rule;

(c) Determine that the probable benefits of the rule are greater than its probable costs, taking into account both the qualitative and quantitative benefits and costs and the specific directives of the statute being implemented;

(d) Determine, after considering alternative versions of the rule and the analysis required under (b) and (c) of this subsection, that the rule being adopted is the least burdensome alternative for those required to comply with it that will achieve the general goals and specific objectives stated under (a) of this subsection;

(e) Determine that the rule does not require those to whom it applies to take an action that violates requirements of another federal or state law;

(f) Determine that the rule does not impose more stringent performance requirements on private entities than on public entities unless required to do so by federal or state law;

(g) Determine if the rule differs from any federal regulation or statute applicable to the same activity or subject matter and, if so, determine that the difference is justified by the following:

(i) A state statute that explicitly allows the agency to differ from federal standards; or

(ii) Substantial evidence that the difference is necessary to achieve the general goals and specific objectives stated under (a) of this subsection; and

(h) Coordinate the rule, to the maximum extent practicable, with other federal, state, and local laws applicable to the same activity or subject matter.

(2) In making its determinations pursuant to subsection (1)(b) through (g) of this section, the agency shall place in the rule-making file documentation of sufficient quantity and quality so as to persuade a reasonable person that the determinations are justified.

(3) Before adopting rules described in subsection ~~((5))~~ (6) of this section, an agency shall place in the rule-making file a rule implementation plan for rules filed under each adopting order. The plan shall describe how the agency ~~((intends to))~~ will:

(a) Implement and enforce the rule, including a description of the resources the agency intends to use;

(b) Inform and educate affected persons about the rule;

(c) Promote and assist voluntary compliance; ~~((and))~~

(d) Evaluate whether the rule achieves the purpose for which it was adopted, including, to the maximum extent practicable, the use of interim milestones to assess progress and the use of objectively measurable outcomes; and

(e) Provide appropriate training to agency personnel.

(4) At least twenty days before the effective date of a rule described in subsection (6) of this section, the agency is encouraged to convene a meeting of interested persons affected by the rule to identify ambiguities and problem areas in the rule and determine how to resolve the ambiguities and problem areas. If the agency convenes such a meeting, the agency shall include the meeting in the plan described under subsection (3) of this section.

~~((5))~~ (6) After adopting a rule described in subsection ~~((5))~~ (6) of this section regulating the same activity or subject matter as another provision of federal or state law, an agency shall do all of the following:

(a) Provide to the ~~((business assistance center))~~ department of community, trade, and economic development a list citing by reference the other federal and state laws that regulate the same activity or subject matter;

(b) Coordinate implementation and enforcement of the rule with the other federal and state entities regulating the same activity or subject matter by making every effort to do one or more of the following:

(i) Deferring to the other entity;

(ii) Designating a lead agency; or

(iii) Entering into an agreement with the other entities specifying how the agency and entities will coordinate implementation and enforcement.

If the agency is unable to comply with this subsection ~~((4))~~ (5)(b), the agency shall report to the legislature pursuant to (c) of this subsection;

(c) Report to the joint administrative rules review committee:

(i) The existence of any overlap or duplication of other federal or state laws, any differences from federal law, and any known overlap, duplication, or conflict with local laws; and

(ii) Make recommendations for any legislation that may be necessary to eliminate or mitigate any adverse effects of such overlap, duplication, or difference.

~~((5))~~ (6)(a) Except as provided in (b) of this subsection, this section applies to:

(i) Significant legislative rules of the departments of ecology, labor and industries, health, revenue, social and health services, and natural resources, the employment security department, the forest practices board, the office of the insurance commissioner, and to the legislative rules of the department of fish and wildlife implementing chapter 75.20 RCW; and

(ii) Any rule of any agency, if this section is voluntarily made applicable to the rule by the agency, or is made applicable to the rule by a majority vote of the joint administrative rules review committee within ~~((forty five))~~ seventy-five days of receiving the notice of proposed rule making under RCW 34.05.320.

(b) This section does not apply to:

(i) Emergency rules adopted under RCW 34.05.350;

(ii) Rules relating only to internal governmental operations that are not subject to violation by a nongovernment party;

(iii) Rules adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of state-wide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;

(iv) Rules that only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;

(v) Rules the content of which is explicitly and specifically dictated by statute;  
(vi) Rules that set or adjust fees or rates pursuant to legislative standards; or  
(vii) Rules of the department of social and health services relating only to client medical or financial eligibility and rules concerning liability for care of dependents.

(c) For purposes of this subsection:

(i) A "procedural rule" is a rule that adopts, amends, or repeals (A) any procedure, practice, or requirement relating to any agency hearings; (B) any filing or related process requirement for making application to an agency for a license or permit; or (C) any policy statement pertaining to the consistent internal operations of an agency.

(ii) An "interpretive rule" is a rule, the violation of which does not subject a person to a penalty or sanction, that sets forth the agency's interpretation of statutory provisions it administers.

(iii) A "significant legislative rule" is a rule other than a procedural or interpretive rule that (A) adopts substantive provisions of law pursuant to delegated legislative authority, the violation of which subjects a violator of such rule to a penalty or sanction; (B) establishes, alters, or revokes any qualification or standard for the issuance, suspension, or revocation of a license or permit; or (C) adopts a new, or makes significant amendments to, a policy or regulatory program.

(d) In the notice of proposed rule making under RCW 34.05.320, an agency shall state whether this section applies to the proposed rule pursuant to (a)(i) of this subsection, or if the agency will apply this section voluntarily.

~~((6))~~ (7) By January 31, 1996, and by January 31st of each even-numbered year thereafter, the office of financial management, after consulting with state agencies, counties, and cities, and business, labor, and environmental organizations, shall report to the governor and the legislature regarding the effects of this section on the regulatory system in this state. The report shall document:

(a) The rules proposed to which this section applied and to the extent possible, how compliance with this section affected the substance of the rule, if any, that the agency ultimately adopted;

(b) The costs incurred by state agencies in complying with this section;

(c) Any legal action maintained based upon the alleged failure of any agency to comply with this section, the costs to the state of such action, and the result;

(d) The extent to which this section has adversely affected the capacity of agencies to fulfill their legislatively prescribed mission;

(e) The extent to which this section has improved the acceptability of state rules to those regulated; and

(f) Any other information considered by the office of financial management to be useful in evaluating the effect of this section.

**NEW SECTION.** **Sec. 4.** A new section is added to chapter 34.05 RCW to read as follows:

Within two hundred days after the effective date of a rule that imposes additional requirements on businesses the violation of which subjects a person to a penalty, assessment, or administrative sanction, an agency shall make a good faith effort to notify businesses affected by the rule of the requirements of the rule and how to obtain technical assistance to comply. For purposes of this section, "good faith" means: (1) The agency at least notifies businesses in the standard industrial classifications or their successor identified in the rule-making file as businesses affected by the rule that are registered with the department of revenue; or (2) for rules imposing additional requirements only on persons or firms licensed, registered, or operating under a permit, the agency notifies those persons or firms holding the license, registration, or permit. Inadvertent failure to notify a specific business under this section does not invalidate a rule.

**Sec. 5.** RCW 34.05.330 and 1996 c 318 s 1 are each amended to read as follows:

(1) Any person may petition an agency requesting the adoption, amendment, or repeal of any rule. The office of financial management shall prescribe by rule the format for such petitions and the procedure for their submission, consideration, and disposition and provide a standard form that may be used to petition any agency. Within sixty days after submission of a petition, the agency shall either (a) deny the petition in writing, stating (i) its reasons for the denial, specifically addressing the concerns

raised by the petitioner, and, where appropriate, (ii) the alternative means by which it will address the concerns raised by the petitioner, or (b) initiate rule-making proceedings in accordance with ~~((this chapter))~~ RCW 34.05.320.

(2) If an agency denies a petition to repeal or amend a rule submitted under subsection (1) of this section, and the petition alleges that the rule is not within the intent of the legislature or was not adopted in accordance with all applicable provisions of law, the person may petition for review of the rule by the joint administrative rules review committee under RCW 34.05.655.

(3) If an agency denies a petition to repeal or amend a rule submitted under subsection (1) of this section, the petitioner, within thirty days of the denial, may appeal the denial to the governor. The governor shall immediately file notice of the appeal with the code reviser for publication in the Washington state register. Within forty-five days after receiving the appeal, the governor shall either (a) deny the petition in writing, stating (i) his or her reasons for the denial, specifically addressing the concerns raised by the petitioner, and, (ii) where appropriate, the alternative means by which he or she will address the concerns raised by the petitioner; (b) for agencies listed in RCW 43.17.010, direct the agency to initiate rule-making proceedings in accordance with this chapter; or (c) for agencies not listed in RCW 43.17.010, recommend that the agency initiate rule-making proceedings in accordance with this chapter. The governor's response to the appeal shall be published in the Washington state register and copies shall be submitted to the chief clerk of the house of representatives and the secretary of the senate.

(4) In petitioning for repeal or amendment of a rule under this section, a person is encouraged to address, among other concerns:

- (a) Whether the rule is authorized;
- (b) Whether the rule is needed;
- (c) Whether the rule conflicts with or duplicates other federal, state, or local laws;
- (d) Whether alternatives to the rule exist that will serve the same purpose at less cost;
- (e) Whether the rule applies differently to public and private entities;
- (f) Whether the rule serves the purposes for which it was adopted;
- (g) Whether the costs imposed by the rule are unreasonable;
- (h) Whether the rule is clearly and simply stated;
- (i) Whether the rule is different than a federal law applicable to the same activity or subject matter without adequate justification; and

(j) Whether the rule was adopted according to all applicable provisions of law.

(5) The ~~((business assistance center))~~ department of community, trade, and economic development and the office of financial management shall coordinate efforts among agencies to inform the public about the existence of this rules review process.

(6) The office of financial management shall initiate the rule making required by subsection (1) of this section by September 1, 1995.

**Sec. 6.** RCW 34.05.354 and 1997 c 409 s 208 are each amended to read as follows:

(1) ~~((Not later than April 1st or October 1st of each year, each agency shall submit to the code reviser, according to procedures and time lines established by the code reviser, rules that it determines should be repealed by the expedited repeal procedures provided for in this section. An agency shall file a copy of a preproposal notice of inquiry, as provided in RCW 34.05.310(1), that identifies the rule as one that is proposed for expedited repeal.~~

~~((2)))~~ An agency may ~~((propose))~~ file notice for the expedited repeal of rules under the procedures set forth in this section for rules meeting any one ~~((or more))~~ of the following criteria:

(a) The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;

(b) The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;

(c) The rule is no longer necessary because of changed circumstances; or

(d) Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

~~((3))~~ (2) An agency shall file a copy of a preproposal notice of inquiry, as provided in RCW 34.05.310(1), that identifies the rule as one that is proposed for expedited repeal. The agency shall also send a copy of the preproposal notice of inquiry to any person who has requested notification of copies of proposals for the expedited repeal of rules or of agency rule making. The preproposal notice of inquiry shall include a statement that any person who objects to the repeal of the rule must file a written objection to the repeal within thirty days after the preproposal notice of inquiry is published. The notice of inquiry shall also include an explanation of the reasons the agency believes the expedited repeal of the rule is appropriate.

~~((4))~~ (3) The code reviser shall publish all rules proposed for expedited repeal in a separate section of ~~((a regular edition of))~~ the Washington state register ~~((or in a special edition of the Washington state register. The publication shall be not later than May 31st or November 30th of each year, or in the first register published after that date))~~.

~~((5))~~ (4) Any person may file a written objection to the expedited repeal of a rule. The notice shall be filed with the agency rules coordinator within thirty days after the notice of inquiry has been published in the Washington state register. The written objection need not state any reason for objecting to the expedited repeal of the rule.

~~((6))~~ (5) If no written objections to the expedited repeal of a rule are filed with the agency within thirty days after the preproposal notice of inquiry is published, the agency may enter an order repealing the rule without further notice or an opportunity for a public hearing. The order shall be published in the manner required by this chapter for any other order of the agency adopting, amending, or repealing a rule. If a written objection to the expedited repeal of the rule is filed with the agency within thirty days after the notice of inquiry has been published, the preproposal notice of inquiry published pursuant to this section shall be considered a preproposal notice of inquiry for the purposes of RCW 34.05.310(1) and the agency may initiate rule adoption proceedings in accordance with the provisions of this chapter.

**Sec. 7.** RCW 34.05.370 and 1996 c 102 s 2 are each amended to read as follows:

(1) Each agency shall maintain an official rule-making file for each rule that it (a) proposes by publication in the state register, or (b) adopts. The file and materials incorporated by reference shall be available for public inspection.

(2) The agency rule-making file shall contain all of the following:

(a) ~~((Copies of all publications))~~ A list of citations to all notices in the state register with respect to the rule or the proceeding upon which the rule is based;

(b) Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding on which the rule is based;

(c) All written petitions, requests, submissions, and comments received by the agency and all other written material regarded by the agency as important to adoption of the rule or the proceeding on which the rule is based;

(d) Any official transcript of oral presentations made in the proceeding on which the rule is based or, if not transcribed, any tape recording or stenographic record of them, and any memorandum prepared by a presiding official summarizing the contents of those presentations;

(e) All petitions for exceptions to, amendment of, or repeal or suspension of, the rule;

(f) Citations to data, factual information, studies, or reports on which the agency relies in the adoption of the rule, indicating where such data, factual information, studies, or reports are available for review by the public, but this subsection (2)(f) does not require the agency to include in the rule-making file any data, factual information, studies, or reports gathered pursuant to chapter 19.85 RCW or RCW 34.05.328 that can be identified to a particular business;

(g) The concise explanatory statement required by RCW 34.05.325(6); and

(h) Any other material placed in the file by the agency.

(3) Internal agency documents are exempt from inclusion in the rule-making file under subsection (2) of this section to the extent they constitute preliminary drafts, notes, recommendations, and intra-agency memoranda in which opinions are expressed or policies formulated or recommended, except that a specific document is not exempt from inclusion when it is publicly cited by an agency in connection with its decision.

(4) Upon judicial review, the file required by this section constitutes the official agency rule-making file with respect to that rule. Unless otherwise required by another provision of law, the official agency rule-making file need not be the exclusive basis for agency action on that rule.

**NEW SECTION. Sec. 8.** A new section is added to chapter 34.05 RCW to read as follows:

(1) The legislature finds that under the governor's Executive Order 97-02, agencies have begun systematic reviews of existing rules and have eliminated some unnecessary rules and improved clarity for other rules.

(2) Effective July 1, 2001, each state agency shall review its rules that have significant effects on businesses, labor, consumers, and the environment. Agencies shall establish a rules review schedule that allows each rule filing under the criteria of this section to be reviewed every seven years. Agencies shall determine if their rules should be (a) retained in their current form, or (b) amended or repealed, if they do not meet the review criteria specified in this section. Agencies shall concentrate their regulatory review on rules or portions of a rule that have been the subject of petitions filed under RCW 34.05.330 or have been the source of complaints, concerns, or other difficulties that relate to matters other than the specific mandates of the statute on which the rule is based. Agencies that have already established regulatory review processes shall make them consistent with the requirements of this section. Each agency head shall designate a person responsible for regulatory review who shall serve as the agency's contact for regulatory review.

(3) The following criteria will be used for the review of each rule identified for review:

(a) Need. Is the rule necessary to comply with the statutes that authorize it? Is the rule obsolete, duplicative, or ambiguous to a degree that warrants repeal or revision? Have laws or other circumstances changed so that the rule should be amended or repealed? Is the rule necessary to protect or safeguard the health, welfare, or safety of Washington's citizens?

(b) Effectiveness and efficiency. Is the rule providing the results that it was originally designed to achieve in a reasonable manner? Are there regulatory alternatives or new technologies that could more effectively or efficiently achieve the same objectives?

(c) Clarity. Is the rule written and organized in a clear and concise manner so that it can be readily understood by those to whom it applies?

(d) Intent and statutory authority. Is the rule consistent with legislative intent of the statutes that authorize it? Is the rule based upon sufficient statutory authority? Is there a need to develop a more specific legislative authorization in order to protect the health, safety, and welfare of Washington's citizens?

(e) Coordination. Could additional consultation and coordination with other governmental jurisdictions and state agencies with similar regulatory authority eliminate or reduce duplication and inconsistency? Agencies should consult with and coordinate with other jurisdictions that have similar regulatory requirements when it is likely that coordination can reduce duplication and inconsistency.

(f) Cost. Have qualitative and quantitative benefits of the rule been considered in relation to its cost?

(g) Fairness. Does the rule result in equitable treatment of those required to comply with it? Should it be modified to eliminate or minimize any disproportionate impacts on the regulated community? Should it be strengthened to provide additional protection?

(4)(a) By July 1, 2002, and July 1st of each year thereafter, each agency shall report to the rules review committee on the rules reviewed during the previous fiscal year and other measures taken to improve its regulatory program. The reports must include, but not be limited to: (i) The number of rule sections amended or repealed and the number of pages eliminated in the Washington Administrative Code; (ii) a summary of rules amended or repealed based on the review criteria in this section; (iii) a summary of agency actions in response to petitions under RCW 34.05.330; (iv) a summary of the results of the agency's review of policy and interpretive statements and similar documents; (v) a summary of the agency's review of reporting requirements imposed on businesses; and (vi) recommendations for statutory or administrative changes resulting from the regulatory reviews. More frequent reports may be requested, as necessary. Agencies shall make the reports available to persons who have requested notification of agency rule making and shall submit a summary of the report for publication in the Washington State Register.

(b) As part of its regulatory review, each agency shall review its existing policy and interpretive statements or similar documents to determine whether or not they must, by law, be adopted as rules. The review must include consultation with the attorney general. Agencies shall concentrate their review on those statements and documents that have been the source of complaints, concerns, or other difficulties.

(c) Each agency shall also review its reporting requirements that are applied generally to all businesses or classes of businesses to ensure that they are necessary and consistent with the principles and objectives of this section. The goals of the review must be to achieve reporting requirements that, to the extent possible, are coordinated with other state agencies with similar requirements, are economical and easy to understand, and rely on electronic transfer of information.

(5)(a) An agency is deemed to have met the requirements of this section ninety days after publication in the Washington State Register unless the rules review committee receives a written objection of the agency's compliance with the requirements of this section.

(b) If a written objection is received within the ninety-day period, the rules review committee will make a determination as to whether the agency did indeed comply with this section.

(c) If the committee finds the agency has failed to meet the requirements of this section, the agency will have one hundred twenty days to meet the requirements and receive approval by a majority vote of the committee. If the agency fails to comply with the requirements of this section after the one hundred twenty days, the committee may, by a majority vote of its members, recommend suspension of a rule or rules included in the report. Within seven days of that vote the committee shall transmit to the appropriate standing committees of the legislature, the governor, the code reviser, and the agency written notice of its objection and any recommended suspension based on failure to meet the rules review requirements. Within thirty days of receipt of the notice, the governor shall transmit to the committee, the code reviser, and the agency written approval or disapproval of the recommended suspension. If the suspension is approved by the governor, it is effective from the date of that approval and continues until ninety days after the expiration of the next regular legislative session.

(d) If the governor disapproves the recommendation of the rules review committee to suspend a rule or rules in the report, the agency shall treat the transmittal of that decision, along with the findings of the rules review committee, as a petition by the committee to repeal the rule or rules under RCW 34.05.330.

(e) The code reviser shall publish these transmittals according to RCW 34.05.640(5).

**Sec. 9.** RCW 34.05.610 and 1996 c 318 s 2 are each amended to read as follows:

(1) There is hereby created a joint administrative rules review committee which shall be a bipartisan committee consisting of four senators and four representatives from the state legislature. The senate members of the committee shall be appointed by the president of the senate, and the house members of the committee shall be appointed by the speaker of the house. Not more than two members from each house may be from the same political party. The appointing authorities shall also appoint one alternate member from each caucus of each house. All appointments to the committee are subject to approval by the caucuses to which the appointed members belong.

(2) Members and alternates shall be appointed as soon as possible after the legislature convenes in regular session in an odd-numbered year, and their terms shall extend until their successors are appointed and qualified at the next regular session of the legislature in an odd-numbered year or until such persons no longer serve in the legislature, whichever occurs first. Members and alternates may be reappointed to the committee.

(3) On or about January 1, 1999, the president of the senate shall appoint the chairperson ((~~in even-numbered years~~)) and the vice chairperson ((~~in odd-numbered years~~)) from among the committee membership. The speaker of the house shall appoint the chairperson ((~~in odd-numbered years~~)) and the vice chairperson in alternating even-numbered years beginning in the year 2000 from among the committee membership. The secretary of the senate shall appoint the chairperson and the vice chairperson in the alternating even-numbered years beginning in the year 2002 from among the committee membership. Such appointments shall be made in January of each even-numbered year as soon as possible after a legislative session convenes.

(4) The chairperson of the committee shall cause all meeting notices and committee documents to be sent to the members and alternates. A vacancy shall be filled by appointment of a legislator from the same political party as the original appointment. The appropriate appointing authority shall make the appointment within thirty days of the vacancy occurring.

**Sec. 10.** RCW 34.12.040 and 1981 c 67 s 4 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, whenever a state agency conducts a hearing which is not presided over by officials of the agency who are to render the final decision, the hearing shall be conducted by an administrative law judge assigned under this chapter. In assigning administrative law judges, the chief administrative law judge shall wherever practical (~~((1))~~) (a) use personnel having expertise in the field or subject matter of the hearing, and (~~((2))~~) (b) assign administrative law judges primarily to the hearings of particular agencies on a long-term basis.

(2) An employee of the office of the insurance commissioner may conduct a hearing as provided in RCW 48.04.010(5).

**NEW SECTION. Sec. 11.** A new section is added to chapter 43.132 RCW to read as follows:

(1) To determine the fiscal impact of proposed rules on units of local government, an agency shall prepare a local government economic impact statement if the proposed rule will impose costs on units of local government.

(2) The economic impact statement shall describe the reporting, recordkeeping, and other compliance requirements of the proposed rule and analyze the costs of compliance for local governments. An agency shall file the statement with the code reviser along with the notice required under RCW 34.05.320.

(3) The department of community, trade, and economic development shall develop a guide to assist agencies in preparing the economic impact statement. The guide shall be developed through a collaborative process with agencies and local governments and other interested persons.

(4) An agency shall maintain a list of proposed rules for which it prepares an economic impact statement and a summary of the costs. By December 1st of each year, an agency shall submit the list and summary to the joint administrative rules review committee.

(5) This section does not apply to:

(a) A rule proposed for expedited repeal or expedited adoption, unless the agency receives written objection;

(b) Rules described in RCW 34.05.310(4); and

(c) Rules adopted solely for the purpose of conformity or compliance, or both, with federal statutes or regulations.

**Sec. 12.** RCW 48.04.010 and 1990 1st ex.s. c 3 s 1 are each amended to read as follows:

(1) The commissioner may hold a hearing for any purpose within the scope of this code as he or she may deem necessary. The commissioner shall hold a hearing:

(a) If required by any provision of this code; or

(b) Upon written demand for a hearing made by any person aggrieved by any act, threatened act, or failure of the commissioner to act, if such failure is deemed an act under any provision of this code, or by any report, promulgation, or order of the commissioner other than an order on a hearing of which such person was given actual notice or at which such person appeared as a party, or order pursuant to the order on such hearing.

(2) Any such demand for a hearing shall specify in what respects such person is so aggrieved and the grounds to be relied upon as basis for the relief to be demanded at the hearing.

(3) Unless a person aggrieved by a written order of the commissioner demands a hearing thereon within ninety days after receiving notice of such order, or in the case of a licensee under Title 48 RCW within ninety days after the commissioner has mailed the order to the licensee at the most recent address shown in the commissioner's licensing records for the licensee, the right to such hearing shall conclusively be deemed to have been waived.

(4) If a hearing is demanded by a licensee whose license has been temporarily suspended pursuant to RCW 48.17.540, the commissioner shall hold such hearing demanded within thirty days

after receipt of the demand or within thirty days of the effective date of a temporary license suspension issued after such demand, unless postponed by mutual consent.

(5) A hearing held under this section must be conducted by an administrative law judge unless the person demanding the hearing agrees in writing to have an employee of the commissioner conduct the hearing.

NEW SECTION. **Sec. 13.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1998, in the omnibus appropriations act, this act is null and void.

NEW SECTION. **Sec. 14.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

In line 1 of the title, after "law;" strike the remainder of the title, and insert "amending RCW 34.05.230, 34.05.328, 34.05.330, 34.05.354, 34.05.370, 34.05.610, 34.12.040, and 48.04.010; adding new sections to chapter 34.05 RCW; adding a new section to chapter 43.132 RCW; creating a new section; and providing an expiration date."

#### SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 2496 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1. FINDINGS.** The legislature finds that repeated attempts to improve salmonid fish runs throughout the state of Washington have failed to avert listings of salmon and steelhead runs as threatened or endangered under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.). These listings threaten the sport, commercial, and tribal fishing industries as well as the economic well-being and vitality of vast areas of the state. It is the intent of the legislature to begin activities required for the recovery of salmon stocks as soon as possible, although the legislature understands that successful recovery efforts may not be realized for many years because of the life cycle of salmon and the complex array of natural and human-caused problems they face.

The legislature finds that it is in the interest of the citizens of the state of Washington for the state to retain primary responsibility for managing the natural resources of the state, rather than abdicate those responsibilities to the federal government. The legislature also finds that there is a substantial link between the provisions of the federal endangered species act and the federal clean water act (33 U.S.C. Sec. 1251 et seq.). The legislature further finds that habitat restoration is a vital component of salmon recovery efforts. Therefore, it is the intent of the legislature to specifically address salmon habitat restoration in a coordinated manner and to develop a structure that allows for the coordinated delivery of federal, state, and local assistance to communities for habitat projects that will assist in the recovery and enhancement of salmon stocks.

The legislature also finds that credible scientific review and oversight is essential for any salmon recovery effort to be successful.

The legislature therefore finds that a coordinated framework for responding to the salmon crisis is needed immediately. To that end, the salmon recovery office should be created within the governor's office to provide overall coordination of the state's response; an independent science team is needed to provide scientific review and oversight; the appropriate local or tribal government should provide local leadership in identifying and sequencing habitat restoration projects to be funded by state agencies; habitat restoration projects should be implemented without delay; and a strong locally based effort to restore salmon habitat should be established by providing a framework to allow citizen volunteers to work effectively.

**NEW SECTION. Sec. 2. DEFINITIONS.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adaptive management" means reliance on scientific methods to test the results of actions taken so that the management and related policy can be changed promptly and appropriately.

(2) "Critical pathways methodology" means a project scheduling and management process for examining interactions between habitat projects and salmonid species, prioritizing habitat projects, and assuring positive benefits from habitat projects.

(3) "Habitat project list" is the list of projects resulting from the critical pathways methodology under section 8(2) of this act. Each project on the list must have a written agreement from the landowner on whose land the project will be implemented. Projects include habitat restoration projects, habitat protection projects, habitat projects that improve water quality, habitat projects that protect water quality, habitat-related mitigation projects, and habitat project maintenance and monitoring activities.

(4) "Habitat work schedule" means those projects from the habitat project list that will be implemented during the current funding cycle. The schedule shall also include a list of the entities and individuals implementing projects, the start date, duration, estimated date of completion, estimated cost, and funding sources for the projects.

(5) "Limiting factors" means conditions that limit the ability of habitat to fully sustain populations of salmon. These factors are primarily fish passage barriers and degraded estuarine areas, riparian corridors, stream channels, and wetlands.

(6) "Project sponsor" is a county, city, special district, tribal government, a combination of such governments through interlocal agreements provided under chapter 39.34 RCW, a nonprofit organization, or one or more private citizens.

(7) "Salmon" includes all species of the family Salmonidae which are capable of self-sustaining, natural production.

(8) "Salmon recovery plan" means a state plan developed in response to a proposed or actual listing under the federal endangered species act that addresses limiting factors including, but not limited to harvest, hatchery, hydropower, habitat, and other factors of decline.

(9) "Tribe" or "tribes" means federally recognized Indian tribes.

salmon recovery to healthy sustainable population levels with productive commercial and recreational fisheries. The primary purpose of the office is to coordinate and assist in the development of salmon recovery plans for evolutionarily significant units, and submit those plans to the appropriate tribal governments and federal agencies in response to the federal endangered species act. The governor's salmon recovery office may also:

(a) Act as liaison to local governments, the state congressional delegation, the United States congress, federally recognized tribes, and the federal executive branch agencies for issues related to the state's endangered species act salmon recovery plans; and

(b) Provide the biennial state of the salmon report to the legislature pursuant to section 4 of this act.

(2) This section expires June 30, 2006.

**NEW SECTION. Sec. 6. SCIENCE PANEL.** (1) The governor shall request the national academy of sciences, the American fisheries society, or a comparable institution to screen candidates to serve as members on the independent science panel. The candidates shall reflect expertise in habitat requirements of salmon, protection and restoration of salmon populations, artificial propagation of salmon, hydrology, or geomorphology.

(2) The speaker of the house of representatives and the majority leader in the senate shall each remove one name from the nomination list. The governor shall consult with tribal representatives and the governor shall appoint five scientists from the remaining names on the nomination list.

(3) The members of the independent science panel shall serve four-year terms. The independent science panel members shall elect the chair of the panel among themselves every two years. The members of the independent science panel shall be compensated as provided in RCW 43.03.250 and reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(4) The independent science panel shall be governed by generally accepted guidelines and practices governing the activities of independent science boards such as the national academy of sciences. The purpose of the independent science panel is to help ensure that sound science is used in salmon recovery efforts. The governor's salmon recovery office shall request review of salmon recovery plans by the science review panel. The science review panel does not have the authority to review individual projects or project lists developed under sections 7, 8, and 9 of this act or to make policy decisions.

(5) The independent science panel shall submit its findings to the legislature and the governor.

**NEW SECTION. Sec. 7. HABITAT RESTORATION PROJECT LISTS.** (1)(a) Counties, cities, and tribal governments must jointly designate, by official resolution, the area for which a habitat restoration project list is to be developed and the lead entity that is to be responsible for submitting the habitat restoration project list. No project included on a habitat restoration project list shall be considered mandatory in nature and no private landowner may be forced or coerced into participation in any respect. The lead entity may be a county, city, conservation district, special district, tribal government, or other entity.

(b) The lead entity shall establish a committee that consists of representative interests of counties, cities, conservation districts, tribes, environmental groups, business interests, landowners, citizens, volunteer groups, regional fish enhancement groups, and other restoration interests. The purpose of the committee is to provide a citizen-based evaluation of the projects proposed to promote salmon habitat restoration. The interagency review team may provide the lead entity with organizational models that may be used in establishing the committees.

(c) The committee shall compile a list of habitat restoration projects, establish priorities for individual projects, define the sequence for project implementation, and submit these activities as the habitat restoration project list. The committee shall also identify potential federal, state, local, and private funding sources.

(2) The area covered by the habitat project list must be based, at a minimum, on a WRIA, combination of WRIsAs, an evolutionarily significant unit, or any other area as agreed to by the

counties, cities, and tribes meeting the requirements of this subsection. Preference will be given to projects in an area that contain a salmon species that is listed or proposed for listing under the federal endangered species act.

**NEW SECTION. Sec. 8. CRITICAL PATHWAYS METHODOLOGY.** (1) Critical pathways methodology shall be used to develop a habitat project list and a habitat work schedule that ensures salmon restoration activities will be prioritized and implemented in a logical sequential manner that produces habitat capable of sustaining healthy populations of salmon.

(2) The critical pathways methodology shall:

(a) Include a limiting factors analysis for salmon in streams, rivers, tributaries, estuaries, and subbasins in the region. The technical advisory group shall have responsibility for the limiting factors analysis;

(b) Identify local habitat projects that sponsors are willing to undertake. The projects identified must have a written agreement from the landowner on which the project is to be implemented. Project sponsors shall have the lead responsibility for this task;

(c) Identify how projects will be monitored and evaluated. The project sponsor, in consultation with the technical advisory group and the appropriate landowner, shall have responsibility for this task; and

(d) Describe the adaptive management strategy that will be used. The committee established under section 7 of this act shall have responsibility for this task. If a committee has not been formed, the technical advisory group shall have the responsibility for this task.

(3) The habitat work list shall include all projects developed pursuant to subsection (2) of this section as well as any other salmon habitat restoration project implemented in the region. The work list shall also include the start date, duration, estimated date of completion, estimated cost, and, if appropriate, the affected salmonid species of each project. Each schedule shall be updated on an annual basis to depict new activities.

**NEW SECTION. Sec. 9. INTERAGENCY REVIEW TEAM PROJECT FUNDING.** (1) Representatives from the conservation commission, the department of transportation, and the department of fish and wildlife shall establish an interagency review team. Except as provided in subsection (6) of this section, habitat restoration project lists shall be submitted to the interagency review team by January 1st and July 1st of each year beginning in 1999.

(2) If no lead entity has been formed under section 7 of this act, the interagency review team shall rank, prioritize, and dispense funds for habitat restoration projects by giving preference to the projects that:

(a) Provide a greater benefit to salmon recovery;

(b) Will be implemented in a more critical area;

(c) Are the most cost-effective;

(d) Have the greatest matched, or in-kind funding; and

(e) Will be implemented by a sponsor with a successful record of project implementation.

(3) If a lead entity established under section 7 of this act has been formed, the interagency review team shall evaluate project lists and may remove, but not add, projects from a habitat project list.

(4) The interagency review team shall provide a summary of funding for habitat restoration project lists to the governor and to the legislature by December 1st of each year.

(5) The interagency review team may annually establish a maximum amount of funding available for any individual project, subject to available funding. The interagency review team shall attempt to assure a geographical balance in assigning priorities to projects.

(6) For fiscal year 1998, the department of fish and wildlife, the conservation commission, and the department of transportation may authorize, subject to appropriations, expenditures for projects that have been developed to restore salmon habitat before completion of the project lists required in section 7(2) of this act.

(7) Where a lead entity has been established pursuant to section 7 of this act, the interagency review team may provide block grants to the lead entity, subject to available funding.

**NEW SECTION. Sec. 10. TECHNICAL ADVISORY GROUPS.** (1) The conservation commission, in consultation with local government and the tribes, shall invite private, federal, state, tribal, and local government personnel with appropriate expertise to act as a technical advisory group.

(2) For state personnel, involvement on the technical advisory group shall be at the discretion of the particular agency. Unless specifically provided for in the budget, technical assistance participants shall be provided from existing full-time equivalent employees.

(3) The technical advisory group shall identify the limiting factors for salmonids to respond to the limiting factors relating to habitat pursuant to section 8(2) of this act.

(4) Where appropriate, the conservation district within the area implementing this chapter shall take the lead in developing and maintaining relationships between the technical advisory group and the private landowners under section 9 of this act. The conservation districts may assist landowners to organize around river, tributary, estuary, or subbasins of a watershed.

(5) Fishery enhancement groups and other volunteer organizations may participate in the activities under this section.

**NEW SECTION. Sec. 11. THE SEA GRANT PROGRAM.** The sea grant program at the University of Washington is authorized to provide technical assistance to volunteer groups and other project sponsors in designing and performing habitat restoration projects that address the limiting factors analysis of regional habitat work plans. The cost for such assistance may be covered on a fee-for-service basis.

**NEW SECTION. Sec. 12. SOUTHWEST WASHINGTON SALMON RECOVERY.** The southwest Washington salmon recovery region, whose boundaries are provided in chapter . . . , Laws of 1998 (Engrossed Second Substitute House Bill No. 2836), is created. If Engrossed Second Substitute House Bill No. 2836 is not enacted by July 1, 1998, this section is null and void.

**Sec. 13.** RCW 90.71.005 and 1996 c 138 s 1 are each amended to read as follows:

(1) The legislature finds that:

(a) Puget Sound and related inland marine waterways of Washington state represent a unique and unparalleled resource. A rich and varied range of marine organisms, comprising an interdependent, sensitive communal ecosystem reside in these sheltered waters. Residents of this region enjoy a way of life centered around the waters of Puget Sound, featuring accessible recreational opportunities, world-class port facilities and water transportation systems, harvest of marine food resources, shoreline-oriented life styles, water-dependent industries, tourism, irreplaceable aesthetics, and other activities, all of which to some degree depend upon a clean and healthy marine resource;

(b) The Puget Sound water quality authority has done an excellent job in developing a comprehensive plan to identify actions to restore and protect the biological health and diversity of Puget Sound;

(c) The large number of governmental entities that now have regulatory programs affecting the water quality of Puget Sound have diverse interests and limited jurisdictions that cannot adequately address the cumulative, wide-ranging impacts that contribute to the degradation of Puget Sound; and

(d) Coordination of the regulatory programs, at the state and local level, is best accomplished through the development of interagency mechanisms that allow these entities to transcend their diverse interests and limited jurisdictions.

(2) It is therefore the policy of the state of Washington to coordinate the activities of state and local agencies by establishing a biennial work plan that clearly delineates state and local actions necessary to protect and restore the biological health and diversity of Puget Sound. It is further the policy of the state to implement the Puget Sound water quality management plan to the maximum extent possible. To further the policy of the state, a recovery plan developed under the federal endangered species act for a portion or all of the Puget Sound shall be considered for inclusion into the Puget Sound water quality management plan.

**Sec. 14.** RCW 90.71.020 and 1996 c 138 s 3 are each amended to read as follows:

(1) The Puget Sound action team is created. The action team shall consist of: The directors of the departments of ecology; agriculture; natural resources; fish and wildlife; and community, trade, and economic development; the secretaries of the departments of health and transportation; the director of the parks and recreation commission; the director of the interagency committee for outdoor recreation; the administrative officer of the conservation commission designated in RCW 89.08.050; one person representing cities, appointed by the governor; one person representing counties, appointed by the governor; one person representing federally recognized tribes, appointed by the governor; and the chair of the action team. The action team shall also include the following ex officio nonvoting members: The regional director of the United States environmental protection agency; the regional administrator of the national marine fisheries service; and the regional supervisor of the United States fish and wildlife service. The members representing cities and counties shall each be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) The action team shall:

- (a) Prepare a Puget Sound work plan and budget for inclusion in the governor's biennial budget;
- (b) Coordinate monitoring and research programs as provided in RCW 90.71.060;
- (c) Work under the direction of the action team chair as provided in RCW 90.71.040;
- (d) Coordinate permitting requirements as necessary to expedite permit issuance for any local watershed plan developed pursuant to rules adopted under this chapter;
- (e) Identify and resolve any policy or rule conflicts that may exist between one or more agencies represented on the action team;
- (f) Periodically amend the Puget Sound management plan;
- (g) Enter into, amend, and terminate contracts with individuals, corporations, or research institutions for the purposes of this chapter;
- (h) Receive such gifts, grants, and endowments, in trust or otherwise, for the use and benefit of the purposes of the action team. The action team may expend the same or any income therefrom according to the terms of the gifts, grants, or endowments;
- (i) Promote extensive public participation, and otherwise seek to broadly disseminate information concerning Puget Sound;
- (j) Receive and expend funding from other public agencies;
- (k) To reduce costs and improve efficiency, review by December 1, 1996, all requirements for reports and documentation from state agencies and local governments specified in the plan for the purpose of eliminating and consolidating reporting requirements; and
- (l) Beginning in December 1998, and every two years thereafter, submit a report to the appropriate policy and fiscal committees of the legislature that describes and evaluates the successes and shortcomings of the current work plan relative to the priority problems identified for each geographic area of Puget Sound.

(3) By July 1, 1996, the action team shall begin developing its initial work plan, which shall include the coordination of necessary support staff.

(4) The action team shall incorporate, to the maximum extent possible, the recommendations of the council regarding amendments to the Puget Sound (~~(management)~~) management plan and the work plan.

(5) All proceedings of the action team are subject to the open public meetings act under chapter 42.30 RCW.

**Sec. 15.** RCW 90.71.050 and 1996 c 138 s 6 are each amended to read as follows:

(1)(a) Each biennium, the action team shall prepare a Puget Sound work plan and budget for inclusion in the governor's biennial budget. The work plan shall prescribe the necessary federal, state, and local actions to maintain and enhance Puget Sound water quality, including but not limited to, enhancement of recreational opportunities, and restoration of a balanced population of indigenous shellfish, fish, and wildlife. The work plan and budget shall include specific actions and projects pertaining to salmon recovery plans.

(c) In developing a budget, the action team shall identify:

(i) The total funds to implement local projects originating from the planning process developed for nonpoint pollution; and

(ii) The total funds to implement any other projects designed primarily to restore salmon habitat.

(2) In addition to the requirements identified under RCW 90.71.020(2)(a), the work plan and budget shall:

(a) Identify and prioritize the local and state actions necessary to address the water quality problems in the following locations:

- (i) Area 1: Island and San Juan counties;
- (ii) Area 2: Skagit and Whatcom counties;
- (iii) Area 3: Clallam and Jefferson counties;
- (iv) Area 4: Snohomish, King, and Pierce counties; and
- (v) Area 5: Kitsap, Mason, and Thurston counties;

(b) Provide sufficient funding to characterize local watersheds, provide technical assistance, and implement state responsibilities identified in the work plan. The number and qualifications of staff assigned to each region shall be determined by the types of problems identified pursuant to (a) of this subsection;

(c) Provide sufficient funding to implement and coordinate the Puget Sound ambient monitoring plan pursuant to RCW 90.71.060;

(d) Provide funds to assist local jurisdictions to implement elements of the work plan assigned to local governments and to develop and implement local plans;

(3) The work plan shall be submitted to the appropriate policy and fiscal committees of the legislature by December 20th of each even-numbered year.

(4) The work plan shall be implemented consistent with the legislative provisos of the biennial appropriation acts.

**NEW SECTION. Sec. 16. WORK GROUP.** (1) The departments of transportation, fish and wildlife, and ecology, and tribes shall convene a work group to develop policy guidance to evaluate mitigation alternatives. The policy guidance shall be designed to enable committees established under section 7 of this act to develop and implement habitat project lists that maximize environmental benefits from project mitigation while reducing project design and permitting costs. The work group shall seek technical assistance to ensure that federal, state, treaty right, and local environmental laws and ordinances are met. The purpose of this section is not to increase regulatory requirements or expand departmental authority.

(2) The work group shall develop guidance for determining alternative mitigation opportunities. Such guidance shall include criteria and procedures for identifying and evaluating mitigation opportunities within a watershed. Such guidance shall create procedures that provide alternative mitigation that has a low risk to the environment, yet has high net environmental, social, and economic benefits compared to status quo options.

(3) The evaluation shall include:

(a) All elements of mitigation, including but not limited to data requirements, decision making, state and tribal agency coordination, and permitting; and

Mitigation funds may be used to implement projects identified by a work plan to mitigate for the impacts of a transportation or other development proposal or project.

(5) For the purposes of this section, "mitigation" has the same meaning as provided in RCW 90.74.010.

NEW SECTION. **Sec. 17.** Only those funds appropriated for the habitat restoration projects under this chapter are subject to the requirements of section 9 of this act.

- (1) "Junk vehicle" means a motor vehicle certified under RCW 46.55.230 as meeting all the following requirements:
  - (a) Is three years old or older;
  - (b) Is extensively damaged, such damage including but not limited to any of the following: A broken window or windshield or missing wheels, tires, motor, or transmission;

- (4) "Hulk hauler" means any person who deals in vehicles for the sole purpose of transporting and/or selling them to a licensed (~~motor~~) vehicle wrecker or scrap processor in substantially the same form in which they are obtained. A hulk hauler may not sell second-hand motor vehicle parts to anyone other than a licensed vehicle wrecker or scrap processor, except for those parts specifically enumerated in RCW 46.79.020(2), as now or hereafter amended, which may be sold to a licensed (~~motor~~) vehicle wrecker or disposed of at a public facility for waste disposal.
- (5) "Director" means the director of licensing.
- (6) "Major component parts" include engines and short blocks, frames, transmissions or transfer cases, cabs, doors, front or rear differentials, front or rear clips, quarter panels or fenders, bumpers, truck beds or boxes, seats, and hoods.

**NEW SECTION. Sec. 4.** A new section is added to chapter 46.79 RCW to read as follows:

- (1) A wholesale motor vehicle auction dealer may:
  - (a) Sell any classification of motor vehicle;
  - (b) Sell only to motor vehicle dealers and vehicle wreckers licensed under Title 46 RCW by the state of Washington or licensed by any other state; or
  - (c) Sell a motor vehicle belonging to the United States government, the state of Washington, or a political subdivision to nonlicensed persons as may be required by the contracting public agency. However, a publicly owned "wrecked vehicle" as defined in RCW 46.80.010 may be sold to motor vehicle dealers and vehicle wreckers licensed under Title 46 RCW by the state of Washington or licensed by any other state.
- (2) If the wholesale motor vehicle auction dealer knows that a vehicle is a "wrecked vehicle" as defined by RCW 46.80.010, the dealer must disclose this fact on the bill of sale.

**Sec. 5.** RCW 46.80.010 and 1995 c 256 s 4 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter.

(1) "Vehicle wrecker" means every person, firm, partnership, association, or corporation engaged in the business of buying, selling, or dealing in vehicles of a type required to be licensed under the laws of this state, for the purpose of wrecking, dismantling, disassembling, or substantially changing the form of a vehicle, or who buys or sells integral second-hand parts of component material thereof, in whole or in part, or who deals in second-hand vehicle parts.

(2) "Established place of business" means a building or enclosure which the vehicle wrecker occupies either continuously or at regular periods and where his books and records are kept and business is transacted and which must conform with zoning regulations.

The director may supplement this list by rule.

(4) "Wrecked vehicle" means a vehicle which is disassembled or dismantled or a vehicle which is acquired with the intent to dismantle or disassemble and never again to operate as a vehicle, or a vehicle which has sustained such damage that its cost to repair exceeds the fair market value of a like vehicle which has not sustained such damage, or a damaged vehicle whose salvage value plus cost to repair equals or exceeds its fair market value, if repaired, or a vehicle which has sustained such damage or deterioration that it may not lawfully operate upon the highways of this state for which the salvage value plus cost to repair exceeds its fair market value, if repaired; further, it is presumed that a vehicle is a wreck if it has sustained such damage or deterioration that it may not lawfully operate upon the highways of this state.

(5) "Wholesale motor vehicle auction dealer" is a person or firm offering motor vehicles for sale by competitive bidding at a permanent location and regularly scheduled dates and times. A salvage pool operation is not a wholesale motor vehicle auction dealer.

Mr. Speaker:

The Senate has passed House Bill No. 2542 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.040 and 1995 c 400 s 1 are each amended to read as follows:

(1) Each county that has:

(a) Both a population of fifty thousand or more and, until May 16, 1995, has had its population increase by more than ten percent in the previous ten years or, ~~((on or after))~~ beginning May 16, 1995, through June 30, 1998, has had its population increase by more than seventeen percent in the previous ten years~~(( $\bar{}$ ))~~; or

(b) On or after July 1, 1998, has both a population of sixty thousand or more and has had its population increase by more than seventeen percent in the previous ten years, and the cities located within such county, and any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years, and the cities located within such county, shall ~~((conform with all of the requirements of this chapter))~~ plan under this section. However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located within the county, from the requirements ~~((of adopting comprehensive land use plans and development regulations under this chapter))~~ to plan under this section if this resolution is adopted and filed with the department by December 31, 1990, for counties initially meeting this set of criteria, or within sixty days of the date

the office of financial management certifies that a county meets this set of criteria under subsection (5) of this section.

Once a county meets either of these sets of criteria, the requirement to ~~((conform with all of the requirements of this chapter))~~ plan under this section remains in effect, even if the county no longer meets one of these sets of criteria.

(2) The county legislative authority of any county that does not meet either of the sets of criteria established under subsection (1) of this section may adopt a resolution indicating its intention ~~((to have subsection (1) of this section apply to))~~ that the county plan under this section. Each city, located in a county that ~~((chooses to plan))~~ adopts a resolution under this subsection, shall ~~((conform with all of the requirements of this chapter))~~ plan under this section. Once such a resolution has been adopted, the county and the cities located within the county remain subject to all of the requirements of this ~~((chapter))~~ section, unless the county removes itself, and the cities located within the county, from the requirement to plan under this section under the procedures in subsection (7) of this section.

(3) Any county or city that is initially required to ~~((conform with all of the requirements of this chapter))~~ plan under ~~((subsection (1) of))~~ this section shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall designate critical areas, agricultural lands, forest lands, and mineral resource lands, and adopt development regulations conserving these designated agricultural lands, forest lands, and mineral resource lands and protecting these designated critical areas, under RCW 36.70A.170 and 36.70A.060; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; (d) if the county has a population of fifty thousand or more, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan on or before July 1, 1994, and if the county has a population of less than fifty thousand, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan by January 1, 1995, but if the governor makes written findings that a county with a population of less than fifty thousand or a city located within such a county is not making reasonable progress toward adopting a comprehensive plan and development regulations the governor may reduce this deadline for such actions to be taken by no more than one hundred eighty days. Any county or city subject to this subsection may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(4) Any county or city that is required to ~~((conform with all the requirements of this chapter))~~ plan under this section, as a result of the county legislative authority adopting its resolution of intention under subsection (2) of this section, and the county has not removed itself, and the cities located within the county, from the requirement to plan under this section under the procedures in subsection (7) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city that is located within the county shall adopt development regulations conserving agricultural lands, forest lands, and mineral resource lands it designated under RCW 36.70A.060 within one year of the date the county legislative authority adopts its resolution of intention; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city that is located within the county shall adopt a comprehensive plan and development regulations that are consistent with and implement the comprehensive plan not later than four years from the date the county legislative authority adopts its resolution of intention, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(5) If the office of financial management certifies that the population of a county that ~~((previously had not been required to))~~ does not plan under ~~((subsection (1) or (2) of))~~ this section has changed sufficiently to meet either of the sets of criteria specified under subsection (1) of this section, and where applicable, the county legislative authority has not adopted a resolution removing the county

from these requirements as provided in subsection (1) of this section, the county and each city within such county shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall adopt development regulations under RCW 36.70A.060 conserving agricultural lands, forest lands, and mineral resource lands it designated within one year of the certification by the office of financial management; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city located within the county shall adopt a comprehensive land use plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of community, trade, and economic development of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(6) A copy of each document that is required under this section shall be submitted to the department at the time of its adoption.

(7) The county legislative authority of any county with a population of less than fifty thousand that is required to plan by reason of adopting a resolution under subsection (2) of this section, and any county with a population of less than fifty thousand that at any time has had the authority to remove itself from the requirements of this chapter by adoption of a resolution under subsection (1) of this section, may remove the county and the cities located within the county from the requirement to plan under this section under the procedures in this subsection.

(a) By December 31, 1998, the county legislative authority, by majority vote, may adopt a resolution stating its intent to remove the county, and the cities located within the county, from the requirement to plan under this section and submit the resolution to the cities located within the county.

(b) If the county has two or more cities, the county and the cities located within the county are no longer subject to the requirement to plan:

(i) If within sixty days of submission of the resolution of intent, a majority of the cities adopt resolutions concurring in the resolution of the county; or

(ii) If the cities do not concur within sixty days under (b)(i) of this subsection, if a resolution removing the county and the cities located within the county from the requirement to plan under this section is submitted to and approved by a majority of the registered voters in the county at the next general election.

(c) If the county has one city, the county and the city located within the county are no longer subject to the requirement to plan:

(i) If within sixty days of submission of the resolution of intent, the city adopts a resolution concurring in the resolution of the county; or

(ii) If the city does not concur within sixty days under (c)(i) of this subsection, if a resolution removing the county and the city located within the county from the requirement to plan under this section is submitted to and approved by a majority of the registered voters in the county at the next general election.

**NEW SECTION. Sec. 2.** A new section is added to chapter 36.70A RCW to read as follows:

If a resolution is adopted or approved under RCW 36.70A.040(7) removing the county and the cities located within the county from the requirement to plan under this chapter, any claim pending before a board or court that relates to the requirement to plan under this chapter is moot and the claim shall be dismissed.

**NEW SECTION. Sec. 3.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the practice of engaging nonprofit entities to provide social services by use of fee-for-services and/or client services contracts has become necessary to effective state agency operations. The legislature further finds that there is a need to fundamentally examine how state contracts of this type are managed. Thus, the legislature intends that a comprehensive study take place that will identify methods for improving state-wide practices relating to fee-for-services and client services contracts.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this act, unless the context clearly requires otherwise.

(1) "Agency" means every state office, department, division, bureau, board, committee, or other state agency.

Two members of the task force shall be chosen for their personal work experiences as state employees responsible for administering contracts. All other task force members shall be selected for their knowledge and experience with state agency practices governing contracts. The director of the office of financial management shall appoint a chair from among the members of the task force. The task force shall invite and incorporate the participation of interested legislative members.

NEW SECTION. Sec. 4. (1) The task force shall review and propose legislative and administrative recommendations for the following issues:

(a) The adequacy of chapter 39.29 RCW in governing agency contract management. Such a review shall include, but is not limited to, whether the exemptions contained in RCW 39.29.040 (4) and (6) are appropriate in maintaining agency oversight and accountability for moneys used to engage contractors;

(b) Process improvements that ensure adequacy of contract oversight and provide accountability for taxpayer moneys, including the specific roles of the office of financial management and other state agencies in ensuring the accountability of public funds;

(c) The appropriate level of state reimbursement which will determine which contractors are eligible to be audited by the office of the state auditor using his/her authority under RCW 43.88.570. The task force shall additionally recommend appropriate funding resources for the office of the state auditor to exercise its authority to audit nonprofit corporations who provide personal services to a state agency or to clients of a state agency, under chapter 43.09 RCW, and nongovernmental entities under RCW 43.88.570;

(d) Whether uniform contract guidelines as exemplified by those adopted in other states, such as Texas, are appropriate or necessary, and the adequacy of current contract requirements and practices

NEW SECTION. **Sec. 6.** The task force, where feasible, shall use office of financial management staff and facilities. The office of financial management may hire additional staff with specific technical expertise if such expertise is necessary to carry out the mandates of the study in this act. Each member of the task force is eligible to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. **Sec. 9.** This act expires January 1, 2000.

## SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Engrossed Second Substitute House Bill No. 2881 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the state auditor lacks the needed authority to investigate the finances of state nongovernmental contractors. The legislature further finds that current contract oversight and management procedures cannot ensure that services under contract are delivered effectively and efficiently. Therefore, the legislature intends to enhance the authority of the state auditor to audit entities that provide services to the state or its clients under contract with state agencies.

**Sec. 2.** RCW 43.88.570 and 1997 c 374 s 3 are each amended to read as follows:

(1) Each state agency shall submit a report to the office of the state auditor listing each nongovernment entity that received over three hundred thousand dollars in state moneys during the previous fiscal year under contract with the agency for purposes related to the provision of social services. The report must be submitted by September 1 each year, and must be in a form prescribed by the office of the state auditor.

(2) The office of the state auditor shall select ~~((two groups of entities from the reports for audit as follows:~~

~~(a) The first group shall be selected))~~ at random a group of entities from the reports using a procedure prescribed by the office of the state auditor. The office of the state auditor shall ensure that the number of entities selected under this subsection (2)~~((a))~~ each year is sufficient to ensure a statistically representative sample of all reported entities.

~~((b) The second group shall be selected based on a risk assessment of entities conducted by the office of the state auditor in consultation with state agencies. The office of the state auditor shall consider, at a minimum, the following factors when conducting risk assessments: Findings from previous audits; decentralization of decision making and controls; turnover in officials and key personnel; changes in management structure or operations; and the presence of new programs, technologies, or funding sources.))~~

(3) Each entity selected under subsection (2) of this section shall be required to complete a comprehensive entity-wide audit in accordance with generally accepted government auditing standards. The audit shall be completed by, or under the supervision of, a certified public accountant licensed in this state. The audit shall determine, at a minimum, whether:

(a) The financial statements of the entity are presented fairly in all material respects in conformity with generally accepted accounting principles;

(b) The schedule of expenditures of state moneys is presented fairly in all material respects in relation to the financial statements taken as a whole;

(c) Internal accounting controls exist and are effective; and

(d) The entity has complied with laws, regulations, and contract and grant provisions that have a direct and material effect on performance of the contract and the expenditure of state moneys.

(4) The office of the state auditor shall also select a second group based on a risk assessment of entities conducted by the office of the state auditor in consultation with state agencies. The office of the state auditor shall consider, at a minimum, the following factors when conducting risk assessments: Findings from audits of entities under contract with the state to provide services for the same state or federal program; findings from previous audits; decentralization of decision making and controls; turnover in officials and key personnel; changes in management structure or operations; and the presence of new programs, technologies, or funding sources.

(5) The office of the state auditor is required to complete a comprehensive entity-wide audit, in accordance with generally accepted government auditing standards, of each entity selected under subsection (4) of this section. The office of the state auditor may procure the services of a certified public accountant to perform such an audit, as set forth under RCW 43.09.045. The audit shall determine, at a minimum, whether:

(a) The financial statements of the entity are presented fairly in all material respects in conformity with generally accepted accounting principles;

(b) The schedule of expenditures of state moneys is presented fairly in all material respects in relation to the financial statements taken as a whole;

(c) Internal accounting controls exist and are effective; and

(d) The entity has complied with statutes, rules, regulations, and contract and grant provisions that have a direct and material effect on performance of the contract and the expenditure of state moneys.

(6) The office of the state auditor shall prescribe policies and procedures for the conduct of audits under this section. The office of the state auditor shall deem single audits completed in compliance with federal requirements to be in fulfillment of the requirements of this section if the audit meets the requirements of subsection (3)(a) through (d) or subsection (5)(a) through (d) of this section. If the entity is selected under subsection (4) of this section, the office of the state auditor shall review the single audit to determine if there is evidence of misuse of public moneys.

~~((5))~~ (7) Completed audits must be delivered to the office of the state auditor and the state agency by April 1 in the year following the selection of the entity for audit. Entities must resolve any findings contained in the audit within six months of the delivery of the audit. Entities may not enter into new contracts with state agencies until all major audit findings are resolved.

~~((6))~~ (8) Nothing in this section limits the authority of the state auditor to carry out statutorily and contractually prescribed powers and duties.

NEW SECTION. Sec. 3. A new section is added to chapter 43.09 RCW to read as follows:

The state auditor may, where there is reasonable cause to believe that a misuse of state moneys has occurred, conduct an audit of financial and legal compliance of any entity that receives public moneys through contract or grant in return for services. This authority includes examinations of not-for-profit corporations who provide personal services to a state agency or to clients of a state agency. Such a financial audit shall be performed in a manner consistent with this chapter, and may be performed according to an agreed upon procedures engagement as in the existing 1998 standards of the American institute of certified public accountants professional standards section 600.

The state auditor may charge the contracting agency, whether state or local, for the costs of an audit of a not-for-profit corporation that receives public moneys through contract or grant in return for

services. Any contracting agency that is responsible to the state auditor for such costs shall use due diligence to recover costs from the audited entity.

NEW SECTION. Sec. 4. A new section is added to chapter 43.09 RCW to read as follows:

If after a financial audit of an entity that receives public moneys under contract or grant in return for services, there is reasonable cause to believe that a criminal misuse of public moneys has occurred, the office of the state auditor, within thirty days from receipt of the report, shall deliver a copy of the report to the appropriate local prosecuting authority.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1998, in the omnibus appropriations act, this act is null and void."

Mr. Speaker:

The Senate has passed House Bill No. 3052 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that protection of insurance consumers likely is enhanced by insurers' voluntary compliance with this state's insurance and other laws and that the public will benefit from incentives to identify and remedy insurance and other compliance issues. One method to encourage insurers both to conduct voluntary internal audits of their compliance programs and management systems and to assess and improve compliance with state and federal statutes, rules, and orders, is to provide an insurance compliance self-evaluative privilege to protect the confidentiality of communications relating to voluntary internal compliance audits. The legislature intends to study public policy issues regarding a limited privilege to encourage voluntary compliance and improve insurance market conduct quality, and whether the expanded privilege could inhibit the exercise of the regulatory authority by those entrusted with protecting insurance consumers.

(2) The house financial institutions and insurance committee and the senate financial institutions, insurance and housing committee shall jointly study insurance compliance self-evaluative audits and make recommendations on whether a limited privilege should be authorized in Washington state to encourage such audits. The chairs of the two committees shall oversee the study. If the recommendations include authorizing the limited privilege, the study shall develop a bill for consideration in the 1999 legislative session.

(3) The two committee chairs shall organize a study group that includes the voluntary participation of the insurance industry, the office of the insurance commissioner, and other interested parties. The ranking minority members of each committee shall also participate in the study group.

(4) The house office of program research and senate committee services shall staff the study group.

## SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Substitute House Bill No. 3099 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that to fulfill the economic development goal of this chapter, it is beneficial to expand the limited authorization for pilot projects for identifying locations for major industrial activity in advance of specific proposals by an applicant. The legislature further finds that land bank availability may provide economically disadvantaged counties the opportunity to attract new industrial activity by offering expeditious siting and therefore promote a community's economic health and vitality. The purpose of this act is to authorize and evaluate additional pilot projects for major industrial activity in economically disadvantaged counties.

**Sec. 2.** RCW 36.70A.367 and 1997 c 402 s 1 are each amended to read as follows:

(1) In addition to the major industrial development allowed under RCW 36.70A.365, a county required or choosing to plan under RCW 36.70A.040 that ~~((has a population greater than two hundred fifty thousand and that is part of a metropolitan area that includes a city in another state with a population greater than two hundred fifty thousand or a county that has a population greater than one hundred forty thousand and is adjacent to another country))~~ meets the criteria in subsection (9) of this section may establish, in consultation with cities consistent with provisions of RCW 36.70A.210, a process for designating a bank of no more than two master planned locations for major industrial activity outside urban growth areas.

(2) A master planned location for major industrial developments outside an urban growth area may be included in the urban industrial land bank for the county if criteria including, but not limited to, the following are met:

- (a) New infrastructure is provided for and/or applicable impact fees are paid;
- (b) Transit-oriented site planning and traffic demand management programs are implemented;
- (c) Buffers are provided between the major industrial development and adjacent nonurban areas;
- (d) Environmental protection including air and water quality has been addressed and provided for;
- (e) Development regulations are established to ensure that urban growth will not occur in adjacent nonurban areas;
- (f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;
- (g) The plan for the major industrial development is consistent with the county's development regulations established for protection of critical areas; and
- (h) An inventory of developable land has been conducted as provided in RCW 36.70A.365.

(3) In selecting master planned locations for inclusion in the urban industrial land bank, priority shall be given to locations that are adjacent to, or in close proximity to, an urban growth area.

(4) Final approval of inclusion of a master planned location in the urban industrial land bank shall be considered an adopted amendment to the comprehensive plan adopted pursuant to RCW 36.70A.070, except that RCW 36.70A.130(2) does not apply so that inclusion or exclusion of master planned locations may be considered at any time.

(5) Once a master planned location has been included in the urban industrial land bank, manufacturing and industrial businesses that qualify as major industrial development under RCW 36.70A.365 may be located there.

(6) Nothing in this section may be construed to alter the requirements for a county to comply with chapter 43.21C RCW.

(7) The authority of a county to engage in the process of including or excluding master planned locations from the urban industrial land bank shall terminate on December 31, ~~((1998))~~ 1999. However, any location included in the urban industrial land bank on December 31, ~~((1998))~~ 1999, shall remain available for major industrial development as long as the criteria of subsection (2) of this section continue to be met.

(8) For the purposes of this section, "major industrial development" means a master planned location suitable for manufacturing or industrial businesses that: (a) Requires a parcel of land so large that no suitable parcels are available within an urban growth area; or (b) is a natural resource-based industry requiring a location near agricultural land, forest land, or mineral resource land upon which it is dependent; or (c) requires a location with characteristics such as proximity to transportation facilities or related industries such that there is no suitable location in an urban growth area. The major industrial development may not be for the purpose of retail commercial development or multitenant office parks.

(9) This section applies to a county that at the time the process is established under subsection (1) of this section:

(a) Has a population greater than two hundred fifty thousand and is part of a metropolitan area that includes a city in another state with a population greater than two hundred fifty thousand;

(b) Has a population greater than one hundred forty thousand and is adjacent to another country; or

(c) Has a population greater than forty thousand but less than seventy-five thousand and has an average level of unemployment for the preceding three years that exceeds the average state unemployment for those years by twenty percent; and

(i) Is bordered by the Pacific Ocean; or

(ii) Is located in the Interstate 5 or Interstate 90 corridor."

On page 1, line 1 of the title, after "developments;" strike the remainder of the title and insert "amending RCW 36.70A.367; and creating a new section."

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 1074 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** Every individual or personality, as the case may be, has a property right in the use of his or her name, voice, signature, photograph, or likeness, and such right shall be freely transferable, assignable, and licensable, in whole or in part, by any otherwise permissible form of inter vivos or testamentary transfer, including without limitation a will, trust, contract, community property agreement, or cotenancy with survivorship provisions or payable-on-death provisions, or, if none is applicable, under the laws of intestate succession applicable to interests in intangible personal property. The property right does not expire upon the death of the individual or personality, as the case may be. The right exists whether or not it was commercially exploited by the individual or the personality during the individual's or the personality's lifetime.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Deceased personality" means any individual whose name, voice, signature, photograph, or likeness had commercial value at the time of his or her death, whether or not during the lifetime of that individual he or she used his or her name, voice, signature, photograph, or likeness on or in products, merchandise or goods, or for purposes of advertising or selling, or soliciting the purchase or sale of, products, merchandise, goods, or services. A "deceased personality" includes, without limitation, any such individual who has died within fifty years before January 1, 1998.

(2) "Definable group" means an assemblage of individuals existing or brought together with or without interrelation, orderly form, or arrangement, including but not limited to: A crowd at any sporting event; a crowd in any street or public building; the audience at any theatrical, musical, or stage production; or a performing group or sports team.

(3) "Fund raising" means an organized activity to solicit donations of money or other goods or services from persons or entities by an organization, company, or public entity. A fund-raising activity does not include a live, public performance by an individual or group of individuals for which money is received in solicited or unsolicited gratuities.

(4) "Individual" means a natural person, living or dead.

(5) "Likeness" means an image, painting, sketching, model, diagram, or other clear representation, other than a photograph, of an individual's face, body, or parts thereof, or the distinctive appearance, gestures, or mannerisms of an individual.

(6) "Name" means the actual or assumed name, or nickname, of a living or deceased individual that is intended to identify that individual.

(7) "Person" means any natural person, firm, association, partnership, corporation, joint stock company, syndicate, receiver, common law trust, conservator, statutory trust, or any other concern by whatever name known or however organized, formed, or created, and includes not-for-profit corporations, associations, educational and religious institutions, political parties, and community, civic, or other organizations.

(8) "Personality" means any individual whose name, voice, signature, photograph, or likeness has commercial value, whether or not that individual uses his or her name, voice, signature, photograph, or likeness on or in products, merchandise, or goods, or for purposes of advertising or selling, or solicitation of purchase of, products, merchandise, goods, or services.

(9) "Photograph" means any photograph or photographic reproduction, still or moving, or any videotape, online or live television transmission, of any individual, so that the individual is readily identifiable.

(10) "Signature" means the one handwritten or otherwise legally binding form of an individual's name, written or authorized by that individual, that distinguishes the individual from all others.

**NEW SECTION. Sec. 3.** (1) Every individual or personality, as the case may be, has a property right in the use of his or her name, voice, signature, photograph, or likeness, and such right shall be freely transferable, assignable, and licensable, in whole or in part, by contract or inter vivos transfer, and shall not expire upon the death of the individual or personality, as the case may be, so protected but shall pass:

(a) Under the deceased individual's or personality's, as the case may be, last will and testament or, if none, then under the laws of intestate succession applicable to interests in intangible personal property of the individual's or personality's, as the case may be, domicile; or

(b) If the individual or personality, as the case may be, transferred or assigned any interest in the personality rights during his or her life, then the transferred or assigned interest shall pass as follows:

(i) If the transferred or assigned interest was held in trust, in accordance with the terms of the trust;

(ii) If the interest is subject to a cotenancy with any survivorship provisions or payable-on-death provisions, in accordance with those provisions;

(iii) If the interest is subject to any contract, including without limitation a community property agreement, in accordance with the terms of the applicable contract or contracts;

(iv) If the interest has been transferred or assigned to a third person in a form that is not addressed earlier in this section, then the interest may be transferred, assigned, or licensed by such third person, in whole or in part, by any otherwise permissible form of inter vivos or testamentary transfer or, if none is applicable, under the laws of intestate succession applicable to interests in intangible personal property of the third person's domicile.

(2) A property right exists whether or not such rights were commercially exploited by the individual or the personality during the individual's or the personality's, as the case may be, lifetime.

**NEW SECTION. Sec. 4.** (1) For individuals, except to the extent that the individual may have assigned or licensed such rights, the rights protected in this chapter are exclusive to the individual, subject to the assignment or licensing of such rights, during such individual's lifetime and are exclusive to the persons entitled to such rights under section 3 of this act for a period of ten years after the death of the individual except to the extent that the persons entitled to such rights under section 3 of this act may have assigned or licensed such rights to others.

(2) For personalities, except to the extent that the personality may have assigned or licensed such rights, the rights protected in this chapter are exclusive to the personality, subject to the assignment or licensing of such rights, during such personality's lifetime and to the persons entitled to such rights under section 3 of this act for a period of seventy-five years after the death of the personality except to the extent that the persons entitled to such rights under section 3 of this act may have assigned or licensed such rights to others.

(3) The rights granted in this chapter may be exercised by a personal representative, attorney in fact, or guardian, or as authorized by a court of competent jurisdiction. The terms "personal representative", "attorney in fact", and "guardian" shall have the same meanings in this chapter as they have in Title 11 RCW.

**NEW SECTION. Sec. 5.** Any person who uses or authorizes the use of a living or deceased individual's or personality's name, voice, signature, photograph, or likeness, on or in goods, merchandise, or products entered into commerce in this state, or for purposes of advertising products, merchandise, goods, or services, or for purposes of fund raising or solicitation of donations, or if any person disseminates or publishes such advertisements in this state, without written or oral, express or implied consent of the owner of the right, has infringed such right. An infringement may occur under this section without regard to whether the use or activity is for profit or not for profit.

**NEW SECTION. Sec. 6.** (1) The superior courts of this state may grant injunctions on reasonable terms to prevent or restrain the unauthorized use of the rights in a living or deceased individual's or personality's name, voice, signature, photograph, or likeness.

(2) Any person who infringes the rights under this chapter shall be liable for the greater of one thousand five hundred dollars or the actual damages sustained as a result of the infringement, and any profits that are attributable to the infringement and not taken into account when calculating actual damages. To prove profits under this section, the injured party or parties must submit proof of gross revenues attributable to the infringement, and the infringing party is required to prove his or her deductible expenses. For the purposes of computing statutory damages, use of a name, voice, signature, photograph, and/or likeness in or related to one work constitutes a single act of infringement regardless of the number of copies made or the number of times the name, voice, signature, photograph, or likeness is displayed.

(3) At any time while an action under this chapter is pending, the court may order the impounding, on reasonable terms, of all materials or any part thereof claimed to have been made or used in violation of the injured party's rights, and the court may enjoin the use of all plates, molds, matrices, masters, tapes, film negatives, or other articles by means of which such materials may be reproduced.

(4) As part of a final judgment or decree, the court may order the destruction or other reasonable disposition of all materials found to have been made or used in violation of the injured party's rights, and of all plates, molds, matrices, masters, tapes, film negatives, or other articles by means of which such materials may be reproduced.

(5) The prevailing party may recover reasonable attorneys' fees, expenses, and court costs incurred in recovering any remedy or defending any claim brought under this section.

(6) The remedies provided for in this section are cumulative and are in addition to any others provided for by law.

**NEW SECTION. Sec. 7.** (1) For purposes of section 5 of this act, the use of a name, voice, signature, photograph, or likeness in connection with matters of cultural, historical, political, religious, educational, newsworthy, or public interest, including, without limitation, comment, criticism, satire, and parody relating thereto, shall not constitute a use for which consent is required under this chapter. A matter exempt from consent under this subsection does not lose such exempt status because it appears in the form of a paid advertisement if it is clear that the principal purpose of the advertisement is to comment on such matter.

(2) This chapter does not apply to the use or authorization of use of an individual's or personality's name, voice, signature, photograph, or likeness, in any of the following:

(a) Single and original works of fine art, including but not limited to photographic, graphic, and sculptural works of art that are not published in more than five copies;

(b) A literary work, theatrical work, musical composition, film, radio, online or television program, magazine article, news story, public affairs report, or sports broadcast or account, or with any political campaign when the use does not inaccurately claim or state an endorsement by the individual or personality;

(c) An advertisement or commercial announcement for a use permitted by subsection (1) of this section and (a) or (b) of this subsection;

(d) An advertisement, commercial announcement, or packaging for the authorized sale, distribution, performance, broadcast, or display of a literary, musical, cinematographic, or other artistic work using the name, voice, signature, photograph, or likeness of the writer, author, composer, director, actor, or artist who created the work, where such individual or personality consented to the use of his or her name, voice, signature, photograph, or likeness on or in connection with the initial sale, distribution, performance, or display thereof; and

(e) The advertisement or sale of a rare or fine product, including but not limited to books, which incorporates the signature of the author.

(3) It is no defense to an infringement action under this chapter that the use of an individual's or personality's name, voice, signature, photograph, or likeness includes more than one individual or personality so identifiable. However, the individuals or personalities complaining of the use shall not bring their cause of action as a class action.

(4) Section 5 of this act does not apply to the owners or employees of any medium used for advertising, including but not limited to, newspapers, magazines, radio and television stations, on-line service providers, billboards, and transit ads, who have published or disseminated any advertisement or solicitation in violation of this chapter, unless the advertisement or solicitation was intended to promote the medium itself.

(5) This chapter does not apply to a use or authorization of use of an individual's or personality's name that is merely descriptive and used fairly and in good faith only to identify or describe something other than the individual or personality, such as, without limitation, to describe or identify a place, a legacy, a style, a theory, an ownership interest, or a party to a transaction or to accurately describe the goods or services of a party.

(6) This chapter does not apply to the use of an individual's or personality's name, voice, signature, photograph, or likeness when the use of the individual's or personality's name, voice, signature, photograph, or likeness is an insignificant, de minimis, or incidental use.

NEW SECTION. **Sec. 8.** Nothing contained in this chapter is intended to invalidate any community property rights.

NEW SECTION. **Sec. 9.** Sections 1 through 8 of this act constitute a new chapter in Title 63 RCW."

On page 1, line 1 of the title, after "rights;" strike the remainder of the title and insert "adding a new chapter to Title 63 RCW; and prescribing penalties."

and the same are herewith transmitted.

### SENATE AMENDMENTS TO HOUSE BILL

March 6, 1998

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 2514 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 90.82.040 and 1997 c 442 s 105 are each amended to read as follows:

(1) Once a WRIA planning unit has been ~~((organized))~~ initiated under section 2 of this act and ~~((designated))~~ a lead agency has been designated, it shall notify the department and may apply to the department for funding assistance for conducting the planning. Funds shall be provided from and to the extent of appropriations made by the legislature to the department expressly for this purpose.

(2) Each planning unit that has complied with subsection (1) of this section is eligible to receive ~~((fifty thousand dollars for each WRIA to initiate the planning process. The department shall allocate additional funds to WRIA planning units based on need demonstrated by a detailed proposed budget submitted by the planning unit for carrying out the duties of the planning unit. Each WRIA planning unit may receive up to two hundred fifty thousand dollars for each WRIA during the first two year period of planning, with a maximum allocation of five hundred thousand dollars for each WRIA. Funding provided under this section shall be considered a contractual obligation against the moneys appropriated for this purpose))~~ watershed planning grants in the following amounts for three phases of watershed planning:

(a) Initiating governments may apply for an initial organizing grant of up to fifty thousand dollars for a single WRIA or up to seventy-five thousand dollars for a multi-WRIA management area in accordance with section 2(4) of this act;

(b) A planning unit may apply for up to two hundred thousand dollars for each WRIA in the management area for conducting watershed assessments in accordance with section 3 of this act; and

(c) A planning unit may apply for up to two hundred fifty thousand dollars for each WRIA in the management area for developing a watershed plan and making recommendations for actions by local, state, and federal agencies, tribes, private property owners, private organizations, and individual citizens, including a recommended list of strategies and projects that would further the purpose of the plan in accordance with sections 2, 3, 4, 5, and 6 of this act.

(3) ~~((Preference shall be given to planning units requesting funding for conducting multi-WRIA planning under section 108 of this act))~~ (a) The department shall use the eligibility criteria in this

subsection (3) instead of rules, policies, or guidelines when evaluating grant applications at each stage of the grants program.

(b) In reviewing grant applications under this subsection (3), the department shall evaluate whether:

(i) The planning unit meets all of the requirements of this chapter;

(ii) The application demonstrates a need for state planning funds to accomplish the objectives of the planning process; and

(iii) The application and supporting information evidences a readiness to proceed.

(c) In ranking grant applications submitted at each stage of the grants program, the department shall give preference to applications in the following order of priority:

(i) Applications from existing planning groups that have been in existence for at least one year;

(ii) Applications that address protection and enhancement of fish habitat in watersheds that have aquatic fish species listed or proposed to be listed as endangered or threatened under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq. and for which there is evidence of an inability to supply adequate water for population and economic growth from:

(A) First, multi-WRIA planning; and

(B) Second, single WRIA planning;

(iii) Applications that address protection and enhancement of fish habitat in watersheds or for which there is evidence of an inability to supply adequate water for population and economic growth from:

(A) First, multi-WRIA planning; and

(B) Second, single WRIA planning.

(d) The department may not impose any local matching fund requirement as a condition for grant eligibility or as a preference for receiving a grant.

(4) The department may retain up to one percent of funds allocated under this section to defray administrative costs.

(5) Planning under this chapter should be completed as expeditiously as possible, with the focus being on local stakeholders cooperating to meet local needs.

(6) Funding provided under this section shall be considered a contractual obligation against the moneys appropriated for this purpose.

**NEW SECTION. Sec. 2. INITIATION OF WATERSHED PLANNING.** (1) Planning conducted under this chapter must provide for a process to allow the local citizens within a WRIA or multi-WRIA area to join together in an effort to: (a) Assess the status of the water resources of their WRIA or multi-WRIA area; and (b) determine how best to manage the water resources of the WRIA or multi-WRIA area to balance the competing resource demands for that area within the parameters under section 8 of this act.

(2) Watershed planning under this chapter may be initiated for a WRIA only with the concurrence of: (a) All counties within the WRIA; (b) the largest city or town within the WRIA unless the WRIA does not contain a city or town; and (c) the water supply utility obtaining the largest quantity of water from the WRIA. To apply for a grant for organizing the planning unit as provided for under RCW 90.82.040(2)(a), these entities shall designate the entity that will serve as the lead agency for the planning effort and indicate how the planning unit will be staffed.

(3) Watershed planning under this chapter may be initiated for a multi-WRIA area only with the concurrence of: (a) All counties within the multi-WRIA area; (b) the largest city or town in each WRIA unless the WRIA does not contain a city or town; and (c) the water supply utility obtaining the largest quantity of water in each WRIA.

(4) If entities in subsection (2) or (3) of this section decide jointly and unanimously to proceed, they shall invite all tribes with reservation lands within the management area.

(5) The entities in subsection (2) or (3) of this section, including the tribes if they affirmatively accept the invitation, constitute the initiating governments for the purposes of this section.

(6) The organizing grant shall be used to organize the planning unit and to determine the scope of the planning to be conducted. In determining the scope of the planning activities, consideration shall be given to all existing plans and related planning activities. The scope of planning must include water

quantity elements as provided in section 3 of this act, and may include water quality elements as contained in section 5 of this act, habitat elements as contained in section 6 of this act, and instream flow elements as contained in section 4 of this act. The initiating governments shall work with state government, other local governments within the management area, and affected tribal governments, in developing a planning process. The initiating governments may hold public meetings as deemed necessary to develop a proposed scope of work and a proposed composition of the planning unit. In developing a proposed composition of the planning unit, the initiating governments shall provide for representation of a wide range of water resource interests.

(7) Each state agency with regulatory or other interests in the WRIA or multi-WRIA area to be planned shall assist the local citizens in the planning effort to the greatest extent practicable, recognizing any fiscal limitations. In providing such technical assistance and to facilitate representation on the planning unit, state agencies may organize and agree upon their representation on the planning unit. Such technical assistance must only be at the request of and to the extent desired by the planning unit conducting such planning. The number of state agency representatives on the planning unit shall be determined by the initiating governments in consultation with the governor's office.

(8) As used in this section, "lead agency" means the entity that coordinates staff support of its own or of other local governments and receives grants for developing a watershed plan.

**NEW SECTION. Sec. 3. WATER QUANTITY.** Watershed planning under this chapter shall address water quantity in the management area by undertaking an assessment of water supply and use in the management area and developing strategies for future use.

(1) The assessment shall include:

(a) An estimate of the surface and ground water present in the management area;

(b) An estimate of the surface and ground water available in the management area, taking into account seasonal and other variations;

(c) An estimate of the water in the management area represented by claims in the water rights claims registry, water use permits, certificated rights, existing minimum instream flow rules, federally reserved rights, and any other rights to water;

(d) An estimate of the surface and ground water actually being used in the management area;

(e) An estimate of the water needed in the future for use in the management area;

(f) An identification of the location of areas where aquifers are known to recharge surface bodies of water and areas known to provide for the recharge of aquifers from the surface; and

(g) An estimate of the surface and ground water available for further appropriation, taking into account the minimum instream flows adopted by rule or to be adopted by rule under this chapter for streams in the management area including the data necessary to evaluate necessary flows for fish.

(2) Strategies for increasing water supplies in the management area, which may include, but are not limited to, increasing water supplies through water conservation, water reuse, the use of reclaimed water, voluntary water transfers, aquifer recharge and recovery, additional water allocations, or additional water storage and water storage enhancements. The objective of these strategies is to supply water in sufficient quantities to satisfy the minimum instream flows for fish and to provide water for future out-of-stream uses for water identified in subsection (1)(e) and (g) of this section and to ensure that adequate water supplies are available for agriculture, energy production, and population and economic growth under the requirements of the state's growth management act, chapter 36.70A RCW. These strategies, in and of themselves, shall not be construed to confer new water rights. The watershed plan must address the strategies required under this subsection.

**NEW SECTION. Sec. 4. INSTREAM FLOWS.** (1)(a) If the initiating governments choose, by majority vote, to include an instream flow component, it shall be accomplished in the following manner:

(i) If minimum instream flows have already been adopted by rule for a stream within the management area, unless the members of the local governments and tribes on the planning unit by a recorded unanimous vote request the department to modify those flows, the minimum instream flows shall not be modified under this chapter. If the members of local governments and tribes request the

planning unit to modify instream flows and unanimous approval of the decision to modify such flow is not achieved, then the instream flows shall not be modified under this section;

(ii) If minimum stream flows have not been adopted by rule for a stream within the management area, setting the minimum instream flows shall be a collaborative effort between the department and members of the planning unit. The department must attempt to achieve consensus and approval among the members of the planning unit regarding the minimum flows to be adopted by the department. Approval is achieved if all government members and tribes that have been invited and accepted on the planning unit present for a recorded vote unanimously vote to support the proposed minimum instream flows, and all nongovernmental members of the planning unit present for the recorded vote, by a majority, vote to support the proposed minimum instream flows.

(b) The department shall undertake rule making to adopt flows under (a) of this subsection. The department may adopt the rules either by the regular rules adoption process provided in chapter 34.05 RCW, the expedited rules adoption process as set forth in RCW 34.05.230, or through a rules adoption process that uses public hearings and notice provided by the county legislative authority to the greatest extent possible. Such rules do not constitute significant legislative rules as defined in RCW 34.05.328, and do not require the preparation of small business economic impact statements.

(c) If approval is not achieved within four years of the date the planning unit first receives funds from the department for conducting watershed assessments under RCW 90.82.040, the department may promptly initiate rule making under chapter 34.05 RCW to establish flows for those streams and shall have two additional years to establish the instream flows for those streams for which approval is not achieved.

(2)(a) Notwithstanding RCW 90.03.345, minimum instream flows set under this section for rivers or streams that do not have existing minimum instream flow levels set by rule of the department shall have a priority date of two years after funding is first received from the department under RCW 90.82.040, unless determined otherwise by a unanimous vote of the members of the planning unit but in no instance may it be later than the effective date of the rule adopting such flow.

(b) Any increase to an existing minimum instream flow set by rule of the department shall have a priority date of two years after funding is first received for planning in the WRIA or multi-WRIA area from the department under RCW 90.82.040 and the priority date of the portion of the minimum instream flow previously established by rule shall retain its priority date as established under RCW 90.03.345.

(c) Any existing minimum instream flow set by rule of the department that is reduced shall retain its original date of priority as established by RCW 90.03.345 for the revised amount of the minimum instream flow level.

(3) Before setting minimum instream flows under this section, the department shall engage in government-to-government consultation with affected tribes in the management area regarding the setting of such flows.

(4) Nothing in this chapter either: (a) Affects the department's authority to establish flow requirements or other conditions under RCW 90.48.260 or the federal clean water act (33 U.S.C. Sec. 1251 et seq.) for the licensing or relicensing of a hydroelectric power project under the federal power act (16 U.S.C. Sec. 791 et seq.); or (b) affects or impairs existing instream flow requirements and other conditions in a current license for a hydroelectric power project licensed under the federal power act.

(5) If the planning unit is unable to obtain unanimity under subsection (1) of this section, the department may adopt rules setting such flows.

**NEW SECTION. Sec. 5. WATER QUALITY.** If the initiating governments choose to include a water quality component, the watershed plan shall include the following elements:

(1) An examination based on existing studies conducted by federal, state, and local agencies of the degree to which legally established water quality standards are being met in the management area;

(2) An examination based on existing studies conducted by federal, state, and local agencies of the causes of water quality violations in the management area, including an examination of information regarding pollutants, point and nonpoint sources of pollution, and pollution-carrying capacities of water bodies in the management area. The analysis shall take into account seasonal stream flow or level

variations, natural events, and pollution from natural sources that occurs independent of human activities;

(3) An examination of the legally established characteristic uses of each of the nonmarine bodies of water in the management area;

(4) An examination of any total maximum daily load established for nonmarine bodies of water in the management area, unless a total maximum daily load process has begun in the management area as of the date the watershed planning process is initiated under section 2 of this act.

(5) An examination of existing data related to the impact of fresh water on marine water quality;

(6) A recommended approach for implementing the total maximum daily load established for achieving compliance with water quality standards for the nonmarine bodies of water in the management area, unless a total maximum daily load process has begun in the management area as of the date the watershed planning process is initiated under section 2 of this act; and

(7) Recommended means of monitoring by appropriate government agencies whether actions taken to implement the approach to bring about improvements in water quality are sufficient to achieve compliance with water quality standards.

This chapter does not obligate the state to undertake analysis or to develop strategies required under the federal clean water act (33 U.S.C. Sec. 1251 et seq.). This chapter does not authorize any planning unit, lead agency, or local government to adopt water quality standards or total maximum daily loads under the federal clean water act.

**NEW SECTION. Sec. 6. HABITAT.** If the initiating governments choose to include a habitat component, the watershed plan shall be coordinated or developed to protect or enhance fish habitat in the management area. Such planning must rely on existing laws, rules, or ordinances created for the purpose of protecting, restoring, or enhancing fish habitat, including the shoreline management act, chapter 90.58 RCW, the growth management act, chapter 36.70A RCW, and the forest practices act, chapter 76.09 RCW. Planning established under this section shall be integrated with strategies developed under other processes to respond to potential and actual listings of salmon and other fish species as being threatened or endangered under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq. Where habitat restoration activities are being developed under chapter . . . , Laws of 1998 (Engrossed Substitute House Bill No. 2496), such activities shall be relied on as the primary nonregulatory habitat component for fish habitat under this chapter.

**NEW SECTION. Sec. 7. IDENTIFICATION OF PROJECTS AND ACTIVITIES.** The planning unit shall review historical data such as fish runs, weather patterns, land use patterns, seasonal flows, and geographic characteristics of the management area, and also review the planning, projects, and activities that have already been completed regarding natural resource management or enhancement in the management area and the products or status of those that have been initiated but not completed for such management in the management area, and incorporate their products as appropriate so as not to duplicate the work already performed or underway.

The planning group is encouraged to identify projects and activities that are likely to serve both short-term and long-term management goals and that warrant immediate financial assistance from the state, federal, or local government. If there are multiple projects, the planning group shall give consideration to ranking projects that have the greatest benefit and schedule those projects that should be implemented first.

**NEW SECTION. Sec. 8. PLAN PARAMETERS.** (1) Watershed planning developed and approved under this chapter shall not contain provisions that: (a) Are in conflict with existing state statutes, federal laws, or tribal treaty rights; (b) impair or diminish in any manner an existing water right evidenced by a claim filed in the water rights claims registry established under chapter 90.14 RCW or a water right certificate or permit; (c) require a modification in the basic operations of a federal reclamation project with a water right the priority date of which is before the effective date of this section or alter in any manner whatsoever the quantity of water available under the water right for the reclamation project, whether the project has or has not been completed before the effective date of

this section; (d) affect or interfere with an ongoing general adjudication of water rights; (e) modify or require the modification of any waste discharge permit issued under chapter 90.48 RCW; (f) modify or require the modification of activities or actions taken or intended to be taken under a habitat restoration work schedule developed under chapter . . . , Laws of 1998 (Engrossed Substitute House Bill No. 2496); or (g) modify or require the modification of activities or actions taken to protect or enhance fish habitat if the activities or actions are: (i) Part of an approved habitat conservation plan and an incidental take permit, an incidental take statement, a management or recovery plan, or other cooperative or conservation agreement entered into with a federal or state fish and wildlife protection agency under its statutory authority for fish and wildlife protection that addresses the affected habitat; or (ii) part of a water quality program adopted by an irrigation district under chapter 87.03 RCW or a board of joint control under chapter 87.80 RCW. This subsection (1)(g) applies as long as the activities or actions continue to be taken in accordance with the plan, agreement, permit, or statement. Any assessment conducted under section 3, 5, or 6 of this act shall take into consideration such activities and actions and those taken under the forest practices rules, including watershed analysis adopted under the forest practices act, chapter 76.09 RCW.

(2) Watershed planning developed and approved under this chapter shall not change existing local ordinances or existing state rules or permits, but may contain recommendations for changing such ordinances or rules.

(3) Notwithstanding any other provision of this chapter, watershed planning shall take into account forest practices rules under the forest practices act, chapter 76.09 RCW, and shall not create any obligations or restrictions on forest practices additional to or inconsistent with the forest practices act and its implementing rules, whether watershed planning is approved by the counties or the department.

**NEW SECTION. Sec. 9. DECISIONS--HEARINGS--APPROVAL.** (1)(a) Upon completing its proposed watershed plan, the planning unit may approve the proposal by consensus of all of the members of the planning unit or by consensus among the members of the planning unit appointed to represent units of government and a majority vote of the nongovernmental members of the planning unit.

(b) If the proposal is approved by the planning unit, the unit shall submit the proposal to the counties with territory within the management area. If the planning unit has received funding beyond the initial fifty thousand dollars under RCW 90.82.040, such a proposal approved by the planning unit shall be submitted to the counties within four years of the date the funding was first received by the planning unit.

(c) If the watershed plan is not approved by the planning unit, the planning unit may submit the components of the plan for which agreement is achieved using the procedure under (a) of this subsection, or the planning unit may terminate the planning process.

(2)(a) The legislative authority of each of the counties with territory in the management area shall provide public notice of and conduct at least one public hearing on the proposed watershed plan submitted under this section. After the public hearings, the legislative authorities of these counties shall convene in joint session to consider the proposal. The counties may approve or reject the proposed watershed plan for the management area, but may not amend it. Approval of such a proposal shall be made by a majority vote of the members of each of the counties with territory in the management area.

(b) If a proposed watershed plan is not approved, it shall be returned to the planning unit with recommendations for revisions. Approval of such a revised proposal by the planning unit and the counties shall be made in the same manner provided for the original watershed plan. If approval of the revised plan is not achieved, the process shall terminate.

(3) The planning unit shall not add an element to its watershed plan that creates an obligation unless each of the governments to be obligated has at least one representative on the planning unit and the respective members appointed to represent those governments agree to adding the element that creates the obligation. A member's agreeing to add an element shall be evidenced by a recorded vote of all members of the planning unit in which the members record support for adding the element. If the watershed plan is approved under subsections (1) and (2) of this section and the plan creates

obligations: (a) For agencies of state government, the agencies shall adopt by rule the obligations of both state and county governments and rules implementing the state obligations, the obligations on state agencies are binding upon adoption of the obligations into rule, and the agencies shall take other actions to fulfill their obligations as soon as possible; or (b) for counties, the obligations are binding on the counties and the counties shall adopt any necessary implementing ordinances and take other actions to fulfill their obligations as soon as possible.

(4) As used in this section, "obligation" means any action required as a result of this chapter that imposes upon a tribal government, county government, or state government, either: A fiscal impact; a redeployment of resources; or a change of existing policy.

NEW SECTION. **Sec. 10.** PERMIT PROCESSING. Nothing in this chapter may be interpreted as authorizing or directing the department to establish a moratorium on the investigation of and decisions on applications for permits for the withdrawal of surface water or ground water, or changes or transfers of water rights under existing permits.

NEW SECTION. **Sec. 11.** A new section is added to chapter 43.27A RCW to read as follows:

If planning is being conducted under chapter 90.82 RCW or a plan has been adopted under section 9 of this act, the department shall not conduct planning under this chapter that conflicts with the planning being conducted under chapter 90.82 RCW or a plan that has been adopted under section 9 of this act.

NEW SECTION. **Sec. 12.** A new section is added to chapter 90.54 RCW to read as follows:  
If planning is being conducted under chapter 90.82 RCW or a plan has been adopted under section 9 of this act, the department shall not conduct planning under this chapter that conflicts with the planning being conducted under chapter 90.82 RCW or a plan that has been adopted under section 9 of this act.

**Sec. 13.** RCW 43.27A.090 and 1988 c 127 s 25 are each amended to read as follows:

The department shall be empowered as follows:

(1) To represent the state at, and fully participate in, the activities of any basin or regional commission, interagency committee, or any other joint interstate or federal-state agency, committee or commission, or publicly financed entity engaged in the planning, development, administration, management, conservation or preservation of the water resources of the state.

(2) To prepare the views and recommendations of the state of Washington on any project, plan or program relating to the planning, development, administration, management, conservation and preservation of any waters located in or affecting the state of Washington, including any federal permit or license proposal, and appear on behalf of, and present views and recommendations of the state at any proceeding, negotiation or hearing conducted by the federal government, interstate agency, state or other agency.

(3) To cooperate with, assist, advise and coordinate plans with the federal government and its officers and agencies, and serve as a state liaison agency with the federal government in matters relating to the use, conservation, preservation, quality, disposal or control of water and activities related thereto.

(4) To cooperate with appropriate agencies of the federal government and/or agencies of other states, to enter into contracts, and to make appropriate contributions to federal or interstate projects and programs and governmental bodies to carry out the provisions of this chapter.

(5) To apply for, accept, administer and expend grants, gifts and loans from the federal government or any other entity to carry out the purposes of this chapter and make contracts and do such other acts as are necessary insofar as they are not inconsistent with other provisions hereof.

(6) To develop and maintain a coordinated and comprehensive state water and water resources related development plan, and adopt, with regard to such plan, such policies as are necessary to insure that the waters of the state are used, conserved and preserved for the best interest of the state. There shall be included in the state plan a description of developmental objectives and a statement of the

recommended means of accomplishing these objectives. To the extent the director deems desirable, the plan shall integrate into the state plan, the plans, programs, reports, research and studies of other state agencies. A plan adopted under chapter 90.82 RCW satisfies the requirements of planning under this section.

(7) To assemble and correlate information relating to water supply, power development, irrigation, watersheds, water use, future possibilities of water use and prospective demands for all purposes served through or affected by water resources development.

(8) To assemble and correlate state, local and federal laws, regulations, plans, programs and policies affecting the beneficial use, disposal, pollution, control or conservation of water, river basin development, flood prevention, parks, reservations, forests, wildlife refuges, drainage and sanitary systems, waste disposal, water works, watershed protection and development, soil conservation, power facilities and area and municipal water supply needs, and recommend suitable legislation or other action to the legislature, the congress of the United States, or any city, municipality, or to responsible state, local or federal executive departments or agencies.

(9) To cooperate with federal, state, regional, interstate and local public and private agencies in the making of plans for drainage, flood control, use, conservation, allocation and distribution of existing water supplies and the development of new water resource projects.

(10) To encourage, assist and advise regional, and city and municipal agencies, officials or bodies responsible for planning in relation to water aspects of their programs, and coordinate local water resources activities, programs, and plans.

(11) To promulgate such rules and regulations as are necessary to carry out the purposes of this chapter.

(12) To hold public hearings, and make such investigations, studies and surveys as are necessary to carry out the purposes of the chapter.

(13) To subpoena witnesses, compel their attendance, administer oaths, take the testimony of any person under oath and require the production of any books or papers when the department deems such measures necessary in the exercise of its rule-making power or in determining whether or not any license, certificate, or permit shall be granted or extended.

**Sec. 14.** RCW 90.54.040 and 1997 c 32 s 2 are each amended to read as follows:

(1) The department, through the adoption of appropriate rules, is directed, as a matter of high priority to insure that the waters of the state are utilized for the best interests of the people, to develop and implement in accordance with the policies of this chapter a comprehensive state water resources program which will provide a process for making decisions on future water resource allocation and use. The department may develop the program in segments so that immediate attention may be given to waters of a given physioeconomic region of the state or to specific critical problems of water allocation and use. A plan adopted under chapter 90.82 RCW satisfies the requirements of planning under this section.

(2) In relation to the management and regulatory programs relating to water resources vested in it, the department is further directed to modify existing regulations and adopt new regulations, when needed and possible, to insure that existing regulatory programs are in accord with the water resource policy of this chapter and the program established in subsection (1) of this section.

(3) The department is directed to review all statutes relating to water resources which it is responsible for implementing. When any of the same appear to the department to be ambiguous, unclear, unworkable, unnecessary, or otherwise deficient, it shall make recommendations to the legislature including appropriate proposals for statutory modifications or additions. Whenever it appears that the policies of any such statutes are in conflict with the policies of this chapter, and the department is unable to fully perform as provided in subsection (2) of this section, the department is directed to submit statutory modifications to the legislature which, if enacted, would allow the department to carry out such statutes in harmony with this chapter.

NEW SECTION. **Sec. 15.** CAPTIONS. As used in this act, captions constitute no part of the law.

NEW SECTION. **Sec. 16.** Sections 2 through 10 of this act are each added to chapter 90.82 RCW.

NEW SECTION. **Sec. 17.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1998, in the omnibus appropriations act, this act is null and void."

 SUBSTITUTE SENATE BILL NO. 6439,  
 ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6445,  
 SUBSTITUTE SENATE BILL NO. 6474,

(a) The person or the public water supply system files with the department a statement of claim and the evidence required under subsections (2) and (3) of this section during the period beginning September 1, 1998, and ending midnight June 30, 1999, using the standard form prescribed by RCW 90.14.051;

(b) The person or public water supply system has applied the water to beneficial use to the full extent stated in the statement of claim during at least three of the five years preceding the date the statement is filed and the person attests to having done so on the statement; and

(c) The claimant has filed or simultaneously files with the statement of claim an application to appropriate public water under RCW 90.03.250 or 90.44.060 for the quantity of water being put to beneficial use.

(2) The person or public water supply system must file with the statement of claim evidence that the quantity of water described in the claim was used beneficially before January 1, 1993, and during three of the five years preceding the date the statement was filed in the form of any two of the following:

(a) A statement signed by two persons other than the person filing the statement of claim verifying that the claimant beneficially used the water before January 1, 1993, and during three of the five years preceding the date the statement was filed as described in the statement of claim;

(b) A copy of a dated photograph clearly demonstrating the presence of grass or a crop requiring irrigation in the amounts asserted in the statement of claim or of livestock requiring water in such amounts; or records of receipts of the sale of crops by the person or the person's successor indicating that irrigation in the amount claimed was required to produce the crops;

(c) Receipts or records of irrigation or stockwatering equipment purchases or repairs associated with the water use specified in the statement of claim;

(d) Water well construction records identifying the date the well specified in the statement of claim as the point of withdrawal was constructed;

(e) Records of electricity bills directly associated with the withdrawal of water as specified in the statement of claim;

(f) Personal records such as photographs, journals, or correspondence indicating the use of water as asserted in the statement of claim.

(3) Public water supply systems must, in addition to the requirements of subsection (2) of this section, provide evidence of service connections existing and using water as of January 1, 1993, including documentation that the homes were built and occupied.

(4) A claimant who has filed both a statement of claim and an application for a water right has standing to assert a claim of a water right in a general adjudication under RCW 90.03.105 through 90.03.245 for the water use stated in the statement of claim. The statement of claim shall be reviewed by the court as provided in section 2(5) of this act.

**NEW SECTION. Sec. 2.** (1) A person may continue to use water on an interim basis for the purposes claimed as provided in section 1 of this act until one of the following occurs:

(a) The department makes its final decision granting or denying the water right application filed by the applicant. However, for an application filed under chapter . . . , Laws of 1998 (this act) located within a watershed in which a watershed management planning process established under chapter 90.82 or 90.54 RCW has been initiated prior to July 1, 2000, the department shall make a final decision on the application only after completion of the watershed management plan. The decision must be consistent with an approved and adopted watershed management plan. If the watershed management plan recommends granting applications for water rights or for transfer of water or water rights to uses that are represented by claims filed under section 1 of this act, the department shall grant the application according to the plan. If the planning effort is abandoned or if a watershed management plan is not completed within four years of the date it was initiated, whichever comes earlier, the department shall thereafter make a final decision on the application; or

(b) If the department has not made a final decision on the water right application and a court of competent jurisdiction issues a decree pursuant to a general adjudication under RCW 90.03.200 that defines or denies the claimant's right to appropriate water as provided in subsection (5) of this section.

(2) The department shall notify the claimant/applicant of the instream flow conditions with which each diversion or withdrawal must comply pending the completion of a watershed management plan or general adjudication. If instream flows have been established by rule, the department shall use those flows to regulate the diversion or withdrawal of water during times when the flows are not being met. For areas in which instream flows have not been established by rule, the department shall specify the flow conditions, determined in consultation with the department of fish and wildlife, to which the diversions or withdrawals will be conditioned pending completion of watershed management planning or general adjudication. Upon the completion of a watershed management plan and adoption of instream flows by rule, the diversions or withdrawals permitted under this section shall thereafter be conditioned in accordance with the rule adopting the flows.

(3) In making decisions regarding an application associated with such a claim in the watershed, the department shall consider alternative sources or augmented sources of water for the water use in the application, including but not limited to water supplied through storage enhancements or through the substitution of the use of ground water for the use of surface water. The department may approve the use of such an alternative or augmented source under the application without requiring the application to be resubmitted and without affecting the priority date of the application.

(4) If a watershed management plan adopts locally based standards for water use efficiency, any certificates issued thereafter under this section shall be conditioned accordingly.

(5) The department or the court may authorize the continued use of water under subsection (1) of this section only if the claimant's application meets the requirements of RCW 90.03.247 through 90.03.330, chapter 90.44 RCW, and RCW 90.54.020. If the department finds that the applicable requirements are met, it shall grant the water right application and issue a certificate under RCW 90.03.330 authorizing the person to use that quantity of water that has been put to beneficial use, not to exceed that quantity requested in the application or documented in the statement of claim under section 1 of this act, whichever is less. If in a general adjudication the court finds that the requirements are met, it shall confirm such use of water in a decree issued under RCW 90.03.200 and the department shall issue a certificate under RCW 90.03.240. The claimant has the burden of presenting evidence that the claim and application meet the requirements for granting a water right. The court shall consider all relevant evidence in making its findings and decision. The court may not confirm a right in excess of the quantity of water that has been applied to beneficial use as documented in the statement of claim under section 1 of this act or the quantity requested in the application for a water right, whichever is less. The priority date of any right issued by the department or confirmed by a court under sections 1 through 9 of this act shall be the effective date of this act.

(6) If the department or the court denies the claimant's use of water under subsection (5) of this section, the claimant must cease the use of the water. A decision by the department or a court limiting or denying a claimant's right to continue using water does not constitute a compensable taking under state or federal law because such claimants have no continuing legal right to use water.

**NEW SECTION. Sec. 3.** If no watershed management planning process under chapter 90.82 or 90.54 RCW has been initiated as of July 1, 2000, in the water resource inventory area in which a water use affected by section 1 of this act is made, the claimant/applicant may continue to use water, subject to the same limitation provided in section 2 (2) and (4) of this act, for the purposes described in the statement of claim until the department makes its decision to grant or deny the application or a court makes its findings and decision under section 2(5) of this act. The department shall make its findings and decision on an application as soon as it is able to do so, taking into consideration its total permit processing workload. A water right certificate issued under this section is subject to the same limitations and conditions as are provided in section 2 of this act.

**NEW SECTION. Sec. 4.** Sections 1 through 9 of this act do not apply to or authorize any use of water that was the subject of a water right application filed with the department, where the department denied such application.

**NEW SECTION. Sec. 5.** A continuing interim use of water authorized under sections 1 through 9 of this act shall not affect or impair in any respect whatsoever a water right existing before

the effective date of this act. Sections 1 through 9 of this act do not limit the ability of a senior water right holder to take legal action against any other water user to prevent impairment of his or her water right. A right granted under sections 1 through 9 of this act is junior in every respect to a right with a more senior date of priority. Any right granted under sections 1 through 9 of this act may only be exercised in a manner that does not impair or interfere with a water right that is senior to it. The filing of a statement of claim under this section does not constitute an adjudication of any claim to the right to the use of waters as between the claimant and the state, or as between one or more water use claimants. A statement of claim filed under this section shall be admissible in a general adjudication of water rights as prima facie evidence of the times of use and the quantity of water the claimant was withdrawing or diverting to the same extent as is provided by RCW 90.14.081 for a statement of claim in the water rights claims registry on the effective date of this act.

NEW SECTION. **Sec. 6.** Sections 1 through 9 of this act do not apply to ground water in an area that is, during the period established by section 1(1)(a) of this act, the subject of a general adjudication proceeding for water rights in superior court under RCW 90.03.110 through 90.03.245 and the proceeding applies to ground water rights. Sections 1 through 9 of this act do not apply to surface water in an area that is, during the period established by section 1(1)(a) of this act, the subject of a general adjudication proceeding for water rights in superior court under RCW 90.03.110 through 90.03.245 and the proceeding applies to surface water rights.

NEW SECTION. **Sec. 7.** The two-dollar fee for filing a water right claim required in RCW 90.14.061 is waived for purposes of claims filed under section 1(1)(a) of this act.

NEW SECTION. **Sec. 8.** Sections 1 through 9 of this act do not apply to rights embodied in a water right permit or certificate issued by the department or its predecessors, a water right represented by a claim in the water rights claims registry, created under RCW 90.14.111, before September 1, 1998, or a water right exempted from permit and application requirements by RCW 90.44.050.

NEW SECTION. **Sec. 9.** Sections 1 through 9 of this act do not apply to claims for the use of water in a ground water area or subarea for which a management program adopted by the department by rule and in effect on the effective date of this act establishes acreage expansion limitations for the use of ground water.

NEW SECTION. **Sec. 10.** Sections 1 through 9 of this act are each added to chapter 90.03 RCW."

Except for a suspension under RCW 46.20.289, 46.20.291(5), or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW or a residential or visitation order, the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(b)(i) The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of twenty dollars.

(2)(a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: ~~((a))~~ (i) After the expiration of one year from the date the license or privilege to drive was revoked; ~~((b))~~ (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; ~~((c))~~ (iii) after the expiration of two years for persons convicted of vehicular homicide; or ~~((d))~~ (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3)(a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of twenty dollars.

(b) If the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving ~~((a))~~ (i) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or ~~((b))~~ (ii) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be one hundred fifty dollars.

Mr. Speaker:

Mr. President:

We of your Conference Committee, to whom was referred SECOND SUBSTITUTE SENATE BILL NO. 6190, Disabled persons' parking, have had the same under consideration and we recommend that:

All previous amendments not be adopted, and the striking amendment by the Conference Committee be adopted; and that the bill do pass as amended by the Conference Committee.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.16.381 and 1995 c 384 s 1 are each amended to read as follows:

(1) The director shall grant special parking privileges to any person who has a disability that limits or impairs the ability to walk and meets one of the following criteria, as determined by a licensed physician:

- (a) Cannot walk two hundred feet without stopping to rest;
- (b) Is severely limited in ability to walk due to arthritic, neurological, or orthopedic condition;
- (c) Is so severely disabled, that the person cannot walk without the use of or assistance from a brace, cane, another person, prosthetic device, wheelchair, or other assistive device;
- (d) Uses portable oxygen;
- (e) Is restricted by lung disease to such an extent that forced expiratory respiratory volume, when measured by spirometry is less than one liter per second or the arterial oxygen tension is less than sixty mm/ hg on room air at rest;

(f) Impairment by cardiovascular disease or cardiac condition to the extent that the person's functional limitations are classified as class III or IV under standards accepted by the American Heart Association; or

(g) Has a disability resulting from an acute sensitivity to automobile emissions which limits or impairs the ability to walk. The personal physician of the applicant shall document that the disability is comparable in severity to the others listed in this subsection.

(2) The applications for disabled parking permits and temporary disabled parking permits are official state documents. Knowingly providing false information in conjunction with the application is a gross misdemeanor punishable under chapter 9A.20 RCW. The following statement must appear on each application form immediately below the physician's signature and immediately below the applicant's signature: "A disabled parking permit may be issued only for a medical necessity that severely affects mobility (RCW 46.16.381). Knowingly providing false information on this application is a gross misdemeanor. The penalty is up to one year in jail and a fine of up to \$5,000 or both."

(3) Persons who qualify for special parking privileges are entitled to receive from the department of licensing a removable windshield placard bearing the international symbol of access and an individual serial number, along with a special identification card bearing the photograph, name, and date of birth of the person to whom the placard is issued, and the placard's serial number. The department shall design the placard to be displayed when the vehicle is parked by suspending it from the rearview mirror, or in the absence of a rearview mirror the card may be displayed on the dashboard of any vehicle used to transport the disabled person. Instead of regular motor vehicle license plates, disabled persons are entitled to receive special license plates bearing the international symbol of access for one vehicle registered in the disabled person's name. Disabled persons who are not issued the special license plates are entitled to receive a second special placard upon submitting a written request to the department. Persons who have been issued the parking privileges and who are using a vehicle or are riding in a vehicle displaying the special license plates or placard may park in places reserved for mobility disabled persons. The director shall adopt rules providing for the issuance of special placards and license plates to public transportation authorities, nursing homes licensed under chapter 18.51 RCW, boarding homes licensed under chapter 18.20 RCW, senior citizen centers, private nonprofit agencies as defined in chapter 24.03 RCW, and vehicles registered with the department as cabulances that regularly transport disabled persons who have been determined eligible for special parking privileges provided under this section. The director may issue special license plates for a vehicle registered in the name of the public transportation authority, nursing home, boarding homes, senior citizen center, private nonprofit agency, or cabulance service if the vehicle is primarily used to transport persons with disabilities described in this section. Public transportation authorities, nursing homes, boarding homes, senior citizen centers, private nonprofit agencies, and cabulance services are responsible for insuring that the special placards and license plates are not used improperly and are responsible for all fines and penalties for improper use.

~~((3))~~ (4) Whenever the disabled person transfers or assigns his or her interest in the vehicle, the special license plates shall be removed from the motor vehicle. If another vehicle is acquired by

the disabled person and the vehicle owner qualifies for a special plate, the plate shall be attached to the vehicle, and the director shall be immediately notified of the transfer of the plate. If another vehicle is not acquired by the disabled person, the removed plate shall be immediately surrendered to the director.

~~((4))~~ (5) The special license plate shall be renewed in the same manner and at the time required for the renewal of regular motor vehicle license plates under this chapter. No special license plate may be issued to a person who is temporarily disabled. A person who has a condition expected to improve within six months may be issued a temporary placard for a period not to exceed six months. ~~((The director may issue a second temporary placard during that period if requested by the person who is temporarily disabled.))~~ If the condition exists after six months a new temporary placard shall be issued upon receipt of a new certification from the disabled person's physician. The permanent parking placard and photo identification card of a disabled person shall be renewed ~~((, when))~~ at least every five years, as required by the director, by satisfactory proof of the right to continued use of the privileges. In the event of the permit holder's death, the parking placard and photo identification card must be immediately surrendered to the department. The department shall match and purge its disabled permit data base with available death record information at least every twelve months.

~~((5))~~ (6) Each person who has been issued a permanent disabled parking permit on or before July 1, 1998, must renew the permit no later than July 1, 2003, subject to a schedule to be set by the department, or the permit will expire.

(7) Additional fees shall not be charged for the issuance of the special placards or the photo identification cards. No additional fee may be charged for the issuance of the special license plates except the regular motor vehicle registration fee and any other fees and taxes required to be paid upon registration of a motor vehicle.

~~((6))~~ (8) Any unauthorized use of the special placard ~~((or the)),~~ special license plate, or photo identification card is a ~~((misdemeanor))~~ traffic infraction with a monetary penalty of two hundred fifty dollars.

~~((7))~~ (9) It is a parking infraction, with a monetary penalty of two hundred fifty dollars for a person to make inaccessible the access aisle located next to a space reserved for physically disabled persons. The clerk of the court shall report all violations related to this subsection to the department.

(10) It is a parking infraction, with a monetary penalty of ~~((one hundred seventy-five))~~ two hundred fifty dollars for any person to park a vehicle in a parking place provided on private property without charge or on public property reserved for physically disabled persons without a special license plate or placard. If a person is charged with a violation, the person shall not be determined to have committed an infraction if the person produces in court or before the court appearance the special license plate or placard required under this section. A local jurisdiction providing nonmetered, on-street parking places reserved for physically disabled persons may impose by ordinance time restrictions of no less than four hours on the use of these parking places. A local jurisdiction may impose by ordinance time restrictions of no less than four hours on the use of nonreserved, on-street parking spaces by vehicles displaying the special parking placards. All time restrictions must be clearly posted.

~~((8))~~ (11) The ~~((penalty))~~ penalties imposed under subsections ~~((7))~~ (9) and (10) of this section shall be used by that local jurisdiction exclusively for law enforcement. The court may also impose an additional penalty sufficient to reimburse the local jurisdiction for any costs it may have incurred in removal and storage of the improperly parked vehicle.

~~((9))~~ (12) Except as provided by subsection (2) of this section, it is a ~~((misdemeanor))~~ traffic infraction with a monetary penalty of two hundred fifty dollars for any person ~~((to))~~ willfully to obtain a special license plate ~~((or)),~~ placard, or photo identification card in a manner other than that established under this section.

(13)(a) A law enforcement agency authorized to enforce parking laws may appoint volunteers, with a limited commission, to issue notices of infractions for violations of this section or RCW 46.61.581. Volunteers must be at least twenty-one years of age. The law enforcement agency appointing volunteers may establish any other qualifications the agency deems desirable.

(b) An agency appointing volunteers under this section must provide training to the volunteers before authorizing them to issue notices of infractions.

(c) A notice of infraction issued by a volunteer appointed under this subsection has the same force and effect as a notice of infraction issued by a police officer for the same offense.

(d) A police officer or a volunteer may request a person to show the person's photo identification card or special parking placard when investigating the possibility of a violation of this section. If the request is refused, the person in charge of the vehicle may be issued a notice of infraction for a violation of this section.

(14) For second or subsequent violations of this section, in addition to a monetary fine, the violator must complete a minimum of forty hours of:

(a) Community service for a nonprofit organization that serves the disabled community or persons having disabling diseases; or

(b) Any other community service that may sensitize the violator to the needs and obstacles faced by persons who have disabilities.

(15) The court may not suspend more than one-half of any fine imposed under subsection (8), (9), (10), or (12) of this section.

**Sec. 2.** RCW 46.61.581 and 1988 c 74 s 1 are each amended to read as follows:

A parking space or stall for a disabled person shall be indicated by a vertical sign, between thirty-six and eighty-four inches off the ground, with the international symbol of access, whose colors are white on a blue background, described under RCW 70.92.120 and the notice "State disabled parking permit required."

Failure of the person owning or controlling the property where required parking spaces are located to erect and maintain the sign is a class ~~((4))~~ 2 civil infraction under chapter 7.80 RCW for each parking space that should be so designated. The person owning or controlling the property where the required parking spaces are located shall ensure that the parking spaces are not blocked or made inaccessible, and failure to do so is a class 2 civil infraction.

Whenever the driver of a vehicle is arrested for a violation of RCW 46.61.502 or 46.61.504 or any similar municipal ordinance, the arresting officer may take custody of the vehicle and provide for its prompt removal to a place of safety. If the driver is in violation of a restriction under RCW 46.20.720 or 46.61.5055 to operate only a motor vehicle equipped with an ignition interlock or other biological or technical device, the arresting officer shall take custody of the vehicle and provide for its prompt removal to a place of safety. The vehicle will remain impounded for use as evidence at a trial regarding the violation of the restriction.

In addition, a police officer may take custody of a vehicle and provide for its prompt removal to a place of safety under any of the following circumstances:

- (1) Whenever a police officer finds a vehicle standing upon the roadway in violation of any of the provisions of RCW 46.61.560, the officer may provide for the removal of the vehicle or require the driver or other person in charge of the vehicle to move the vehicle to a position off the roadway;
- (2) Whenever a police officer finds a vehicle unattended upon a highway where the vehicle constitutes an obstruction to traffic or jeopardizes public safety;
- (3) Whenever a police officer finds an unattended vehicle at the scene of an accident or when the driver of a vehicle involved in an accident is physically or mentally incapable of deciding upon steps to be taken to protect his or her property;
- (4) Whenever the driver of a vehicle is arrested and taken into custody by a police officer;
- (5) Whenever a police officer discovers a vehicle that the officer determines to be a stolen vehicle;
- (6) Whenever a vehicle without a special license plate, card, or decal indicating that the vehicle is being used to transport a disabled person under RCW 46.16.381 is parked in a stall or space clearly and conspicuously marked under RCW 46.61.581 which space is provided on private property without charge or on public property;

Nothing in this section may derogate from the powers of police officers under the common law. For the purposes of this section, a place of safety may include the business location of a registered tow truck operator.

NEW SECTION. **Sec. 6.** A new section is added to chapter 46.61 RCW to read as follows:  
Charges of a violation of RCW 46.61.502, 46.61.503, or 46.61.504, whether made by citation, complaint, or information, shall be filed, and arraignment on those charges shall be held, within twenty-one days following arrest.

NEW SECTION. **Sec. 7.** The legislature finds that driving is a privilege and that the state may restrict that privilege in the interests of public safety. One such reasonable restriction is requiring certain individuals, if they choose to drive, to drive only vehicles equipped with ignition interlock devices. The legislature further finds that the costs of these devices are minimal and are affordable. It is the intent of the legislature that these devices be paid for by the drivers using them and that neither the state nor entities of local government provide any public funding for this purpose.

NEW SECTION. **Sec. 8.** If this act mandates an increased level of service by local governments, the local government may, under RCW 43.135.060 and chapter 4.92 RCW, submit claims for reimbursement by the legislature. March 10, 1998

Mr. Speaker:

Under suspension of rules, SUBSTITUTE HOUSE BILL NO. 2459 was returned to second reading for purposes of amendment. The Senate adopted the attached striking amendment (S-5223.2) Floor No. 1007,

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 35.82.040 and 1995 c 293 s 1 are each amended to read as follows:

Except as provided in section 2 of this act, when the governing body of a city adopts a resolution declaring that there is a need for a housing authority, it shall promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for the city. When the governing body of a county adopts a resolution declaring that there is a need for a housing authority, it shall appoint five persons as commissioners of the authority created for the county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed for a term of office of five years except

that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created, unless the commissioner is an employee of a separately elected county official other than the county governing body in a county with a population of less than one hundred seventy-five thousand as of the 1990 federal census, and the total government employment in that county exceeds forty percent of total employment. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Except as provided in section 2 of this act, three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice-chair, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

**NEW SECTION. Sec. 2.** A new section is added to chapter 35.82 RCW to read as follows:

(1) After the effective date of this section, the governing body of a city with a population of four hundred thousand or more, that has created a housing authority under RCW 35.82.040, shall adopt a resolution to expand the number of commissioners on the housing authority from five to seven. Upon receiving the notice, the mayor, with approval of the city council, shall appoint additional persons as commissioners of the authority created for the city.

(2) In appointing commissioners, the mayor shall consider persons that represent the community, provided that two commissioners shall consist of tenants that reside in a housing project that is owned by the housing authority.

(3) After the effective date of this section, all commissioners shall be appointed to serve four-year terms, except that all vacancies shall be filled for the remainder of the unexpired term. A commissioner of an authority may not be an officer or employee of the city for which the authority is created. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter.

(4) A commissioner may be reappointed only after review and approval by the city council.

(5) A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and the certificate is conclusive evidence of the due and proper appointment of the commissioner.

(6) A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she is entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

(7) The powers of each authority vest in the commissioners of the authority in office from time to time. Four commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number.

(8) The mayor, with consent of the city council, shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An

authority shall select from among its commissioners a vice-chair, and the authority may employ a secretary, who shall be executive director, technical experts and such other officers, agents, and employees, permanent and temporary, as the authority requires, and shall determine their qualifications, duties, and compensation.

(9) For such legal services as it may require, an authority may call upon the chief law officer of the city or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

**Sec. 3.** RCW 35.82.050 and 1965 c 7 s 35.82.050 are each amended to read as follows:

(1) No commissioner (~~(of)~~), employee (~~(of an authority)~~), or appointee to any decision-making body for the housing authority shall (~~(acquire any interest direct or indirect in any housing project or in any property included or planned to be included in any project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project)~~) own or hold an interest in any contract or property or engage in any business, transaction, or professional or personal activity, that would:

(a) Be, or appear to be, in conflict with the commissioner's, employee's, or appointee's official duties to any decision-making body for the housing authority duties relating to the housing authority served by or subject to the authority of such commissioner, employee, or appointee to any decision-making body for the housing authority;

(b) Secure, or appear to secure, unwarranted privileges or advantages for such commissioner, employee, or appointee to any decision-making body for the housing authority, or others; or

(c) Prejudice, or appear to prejudice, such commissioner's, employee's, or appointee's to any decision-making body for the housing authority independence of judgment in exercise of his or her official duties relating to the housing authority served by or subject to the authority of the commissioner, employee, or appointee to any decision-making body for the housing authority.

(2) No commissioner, employee, or appointee to any decision-making body for the housing authority shall act in an official capacity in any manner in which such commissioner, employee, or appointee to any decision-making body of the housing authority has a direct or indirect financial or personal involvement.

(3) No commissioner, employee, or appointee to any decision-making body for the housing authority shall use his or her public office or employment to secure financial gain to such commissioner, employee, or appointee to any decision-making body for the housing authority.

(4) If any commissioner or employee of an authority or any appointee to any decision-making body for the housing authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure (~~(to)~~) to disclose such interest shall constitute misconduct in office. Upon such disclosure such commissioner (~~(of)~~), employee, or appointee to any decision-making body for the housing authority shall not participate in any action by the authority affecting such property.

(5) No provision of this section shall preclude a tenant of the public housing authority from serving as a commissioner, employee, or appointee to any decision-making body of the housing authority. No provision of this section shall preclude a tenant of the public housing authority who is serving as a commissioner, employee, or appointee to any decision-making body of the housing authority from voting on any issue or decision, or participating in any action by the authority, unless a conflict of interest, as set forth in subsections (1) through (4) of this section, exists as to that particular tenant and the particular property or interest at issue before, or subject to action by the housing authority."

March 11, 1998

Mr. Speaker:

Susan Carlson, Deputy Secretary

#### REPORT OF CONFERENCE COMMITTEE

SHB 2077 March 10, 1998

Prepared by: Diane Smith Includes "NEW ITEM": YES

Mr. President:

Mr. Speaker:

We of your CONFERENCE COMMITTEE, to whom was referred SUBSTITUTE HOUSE BILL NO. 2077, Competitive bidding, have had the same under consideration and we recommend that:

All previous amendments be not adopted, and the Conference Committee striking amendment be adopted, and

and that the bill do pass as recommended by the Conference Committee.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 39.04 RCW to read as follows:

This section provides uniform exemptions to competitive bidding requirements utilized by municipalities when awarding contracts for public works and contracts for purchases. The statutes governing a specific type of municipality may also include other exemptions from competitive bidding requirements. The purpose of this section is to supplement and not to limit the current powers of any municipality to provide exemptions from competitive bidding requirements.

(1) Competitive bidding requirements may be waived by the governing body of the municipality for:

- (a) Purchases that are clearly and legitimately limited to a single source of supply;
- (b) Purchases involving special facilities or market conditions;
- (c) Purchases in the event of an emergency;
- (d) Purchases of insurance or bonds; and
- (e) Public works in the event of an emergency.

(2)(a) The waiver of competitive bidding requirements under subsection (1) of this section may be by resolution or by the terms of written policies adopted by the municipality, at the option of the governing body of the municipality. If the governing body elects to waive competitive bidding requirements by the terms of written policies adopted by the municipality, immediately after the award of any contract, the contract and the factual basis for the exception must be recorded and open to public inspection.

If a resolution is adopted by a governing body to waive competitive bidding requirements under (b) of this subsection, the resolution must recite the factual basis for the exception. This subsection (2)(a) does not apply in the event of an emergency.

(b) If an emergency exists, the person or persons designated by the governing body of the municipality to act in the event of an emergency may declare an emergency situation exists, waive competitive bidding requirements, and award all necessary contracts on behalf of the municipality to address the emergency situation. If a contract is awarded without competitive bidding due to an emergency, a written finding of the existence of an emergency must be made by the governing body or its designee and duly entered of record no later than two weeks following the award of the contract.

(3) For purposes of this section "emergency" means unforeseen circumstances beyond the control of the municipality that either: (a) Present a real, immediate threat to the proper performance of essential functions; or (b) will likely result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken.

**Sec. 2.** RCW 35.22.620 and 1993 c 198 s 9 are each amended to read as follows:

(1) As used in this section, the term "public works" means as defined in RCW 39.04.010.

(2) A first class city may have public works performed by contract pursuant to public notice and call for competitive bids. As limited by subsection (3) of this section, a first class city may have public works performed by city employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period. The amount of public works that a first class city has a county perform for it under RCW 35.77.020 shall be included within this ten percent limitation.

If a first class city has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that city in its next budget period. Twenty percent of the motor vehicle fuel tax distributions to that city shall be withheld if two years after the year in which the excess amount of work occurred, the city has failed to so reduce the amount of public works that it has performed by public employees. The amount so withheld shall be distributed to the city when it has demonstrated in its reports to the state auditor that the amount of public works it has performed by public employees has been so reduced.

Whenever a first class city has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works within that budget period shall be done by contract pursuant to public notice and call for competitive bids.

The state auditor shall report to the state treasurer any first class city that exceeds this amount and the extent to which the city has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(3) In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population in excess of one hundred fifty thousand shall not have public employees perform a public works project in excess of fifty thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of twenty-five thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. In addition to the percentage limitation provided in subsection (2) of this section, a first class city with a population of one hundred fifty thousand or less shall not have public employees perform a public works project in excess of thirty-five thousand dollars if more than one craft or trade is involved with the public works project, or a public works project in excess of twenty thousand dollars if only a single craft or trade is involved with the public works project or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

(4) In addition to the accounting and record-keeping requirements contained in RCW 39.04.070, every first class city annually shall prepare a report for the state auditor indicating the total public works construction budget and supplemental public works construction budget for that year, the total construction costs of public works performed by public employees for that year, and the amount of public works that is performed by public employees above or below ten percent of the total construction budget. However, if a city budgets on a biennial basis, this annual report shall indicate the amount of public works that is performed by public employees within the current biennial period that is above or below ten percent of the total biennial construction budget.

After September 1, 1987, each first class city with a population of one hundred fifty thousand or less shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

~~(6) ((When any emergency shall require the immediate execution of such public work, upon the finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the city council shall adopt a resolution certifying the existence of this emergency situation.))~~  
The competitive bidding requirements of this section may be waived by the city legislative authority pursuant to section 1 of this act if an exemption contained within that section applies to the work or contract.

(7) In lieu of the procedures of subsections (2) and (6) of this section, a first class city may use ~~((a))~~ the small works roster process ~~((and))~~ in RCW 39.04.155 to award contracts for public works projects with an estimated value of one hundred thousand dollars or less ~~((as provided in RCW 39.04.155))~~.

Whenever possible, the city shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(8) The allocation of public works projects to be performed by city employees shall not be subject to a collective bargaining agreement.

(9) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(10) Nothing in this section shall prohibit any first class city from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

**Sec. 3.** RCW 35.23.352 and 1996 c 18 s 2 are each amended to read as follows:

(1) Any second class city or any town may construct any public works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty

thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon publication of notice calling for sealed bids upon the work. The notice shall be published in the official newspaper, or a newspaper of general circulation most likely to bring responsive bids, at least thirteen days prior to the last date upon which bids will be received. The notice shall generally state the nature of the work to be done that plans and specifications therefor shall then be on file in the city or town hall for public inspections, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier's check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in accordance with RCW 39.08.030. If the bidder fails to enter into the contract in accordance with his or her bid and furnish a bond within ten days from the date at which he or she is notified that he or she is the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In lieu of the procedures of subsection (1) of this section, a second class city or a town may use the small works roster process provided in RCW 39.04.155 to award public works contracts with an estimated value of one hundred thousand dollars or less.

Whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(4) The form required by RCW 43.09.205 shall be to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of the materials, equipment, supplies, and labor on that construction project.

(6) Any purchase of supplies, material, or equipment, except for public work or improvement, where the cost thereof exceeds seven thousand five hundred dollars shall be made upon call for bids.

(7) Bids shall be called annually and at a time and in the manner prescribed by ordinance for the publication in a newspaper of general circulation in the city or town of all notices or newspaper publications required by law. The contract shall be awarded to the lowest responsible bidder.

(8) For advertisement and formal sealed bidding to be dispensed with as to purchases (~~between seven thousand five hundred and~~) with an estimated value of fifteen thousand dollars or less, the council or commission must authorize by resolution, use of the uniform procedure provided in RCW 39.04.190.

(9) (~~These requirements for purchasing may be waived by resolution of the city or town council or commission which declared that the purchase is clearly and legitimately limited to a single source or supply within the near vicinity, or the materials, supplies, equipment, or services are subject to special market conditions, and recites why this situation exists. Such actions are subject to RCW 39.30.020.-)~~ The city or town legislative authority may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

(10) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(11) Nothing in this section shall prohibit any second class city or any town from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

**Sec. 4.** RCW 36.32.270 and 1963 c 4 s 36.32.270 are each amended to read as follows:

~~((In the event of an emergency when the public interest or property of the county would suffer material injury or damage by delay, upon resolution of the board of county commissioners declaring the existence of such emergency and reciting the facts constituting the same, the board))~~ The county legislative authority may waive the competitive bidding requirements of this chapter ((with reference to any)) pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or ((contract)) public work.

**Sec. 5.** RCW 52.14.110 and 1993 c 198 s 11 are each amended to read as follows:

Insofar as practicable, purchases and any public works by the district shall be based on competitive bids. A formal sealed bid procedure shall be used as standard procedure for purchases and contracts for purchases executed by the board of commissioners. Formal sealed bidding shall not be required for:

(1) ~~((Emergency purchases if the sealed bidding procedure would prevent or hinder the emergency from being addressed appropriately. The term emergency means an occurrence that creates an immediate threat to life or property;~~

~~(2))~~ (2) The purchase of any materials, supplies, or equipment if the cost will not exceed the sum of four thousand five hundred dollars. However, whenever the estimated cost ~~((is from four thousand five hundred dollars up to))~~ does not exceed ten thousand dollars, the commissioners may by resolution use the process provided in RCW 39.04.190 to award contracts;

~~((3))~~ (2) Contracting for work to be done involving the construction or improvement of a fire station or other buildings where the estimated cost will not exceed the sum of two thousand five hundred dollars, which includes the costs of labor, material, and equipment. However, whenever the estimated cost ~~((is from two thousand five hundred dollars up to))~~ does not exceed ten thousand dollars, the commissioner may by resolution use the small works roster process provided in RCW 39.04.155; and

~~((4) Purchases which are clearly and legitimately limited to a single source of supply, or services, in which instances the purchase price may be best established by direct negotiation; PROVIDED, That this subsection shall not apply to purchases or contracts relating to public works as defined in chapter 39.04 RCW; and~~

~~(5) Purchases of insurance and bonds.)~~ (3) Any contract for purchases or public work pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 6.** RCW 53.08.120 and 1993 c 198 s 13 are each amended to read as follows:

All material required by a port district may be procured in the open market or by contract and all work ordered may be done by contract or day labor. All such contracts for work, the estimated cost of which exceeds one hundred thousand dollars, shall be let at public bidding upon notice published in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, calling for sealed bids upon the work, plans and specifications for which shall then be on file in the office of the commission for public inspection. The same notice may call for bids on such work or material based upon plans and specifications submitted by the bidder. The competitive bidding requirements for purchases or public works may be waived pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

Each port district shall maintain a small works roster, as provided in RCW 39.04.155, and may use the small works roster process to award contracts in lieu of calling for sealed bids whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less. Whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best

proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster.

**Sec. 7.** RCW 54.04.070 and 1993 c 198 s 14 are each amended to read as follows:

Any item, or items of the same kind of materials, equipment, or supplies purchased, the estimated cost of which is in excess of five thousand dollars, exclusive of sales tax shall be by contract: PROVIDED, That a district may make purchases of the same kind of items of materials, equipment and supplies not exceeding five thousand dollars in any calendar month without a contract, purchasing any excess thereof over five thousand dollars by contract. Any work ordered by a district commission, the estimated cost of which is in excess of ten thousand dollars exclusive of sales tax, shall be by contract, except that a district commission may have its own regularly employed personnel perform work which is an accepted industry practice under prudent utility management without a contract. Prudent utility management means performing work with regularly employed personnel utilizing material of a worth not exceeding fifty thousand dollars in value without a contract: PROVIDED, That such limit on the value of material being utilized in work being performed by regularly employed personnel shall not include the value of individual items of equipment purchased or acquired and used as one unit of a project. Before awarding such a contract, the commission shall publish a notice once or more in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, inviting sealed proposals for the work or materials; plans and specifications of which shall at the time of the publication be on file at the office of the district subject to public inspection. Any published notice ordering work to be performed for the district shall be mailed at the time of publication to any established trade association which files a written request with the district to receive such notices. The commission may at the same time and as part of the same notice, invite tenders for the work or materials upon plans and specifications to be submitted by the bidders.

Notwithstanding any other provisions herein, all contract projects, the estimated cost of which is less than one hundred thousand dollars, may be awarded to a contractor using the small works roster process provided in RCW 39.04.155. All contract projects equal to or in excess of one hundred thousand dollars shall be let by competitive bidding.

Whenever equipment or materials required by a district are held by a governmental agency and are available for sale but such agency is unwilling to submit a proposal, the commission may ascertain the price of such items and file a statement of such price supported by the sworn affidavit of one member of the commission and may consider such price as a bid without a deposit or bond. ~~((In the event of an emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the commission, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or the official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract, after having taken precautions to secure the lowest price practicable under the circumstances.~~

~~After determination by the commission during a public meeting that a particular purchase is available clearly and legitimately only from a single source of supply, the bidding requirements of this section may be waived by the commission.)~~

The commission may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 8.** RCW 57.08.050 and 1997 c 245 s 4 are each amended to read as follows:

(1) All work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is less than fifty thousand dollars, may be awarded to a contractor using the small works roster process provided in RCW 39.04.155. The board of commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. All contract projects equal to or in excess of fifty thousand dollars shall be let by competitive bidding. Before awarding any such contract the board of commissioners shall publish a notice in a newspaper of general circulation where the district is located at least once thirteen days before the last date upon which bids will be received, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of commissioners subject to the public inspection. The notice shall state generally the work to be

done and shall call for proposals for doing the same to be sealed and filed with the board of commissioners on or before the day and hour named therein.

Each bid shall be accompanied by a certified or cashier's check or postal money order payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid, or accompanied by a bid bond in an amount not less than five percent of the bid with a corporate surety licensed to do business in the state, conditioned that the bidder will pay the district as liquidated damages the amount specified in the bond, unless the bidder enters into a contract in accordance with the bidder's bid, and no bid shall be considered unless accompanied by such check, cash or bid bond. At the time and place named such bids shall be publicly opened and read and the board of commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications on file or to the best bidder submitting the bidder's own plans and specifications. ~~((However, no contract shall be let in excess of the cost of the materials or work.))~~ The board of commissioners may reject all bids for good cause and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If the contract is let, then all checks, cash, or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for doing the work, and a bond to perform such work furnished with sureties satisfactory to the board of commissioners in the full amount of the contract price between the bidder and the commission in accordance with the bid. If the bidder fails to enter into the contract in accordance with the bid and furnish the bond within ten days from the date at which the bidder is notified that the bidder is the successful bidder, the check, cash, or bid bonds and the amount thereof shall be forfeited to the district. If the bidder fails to enter into a contract in accordance with the bidder's bid, and the board of commissioners deems it necessary to take legal action to collect on any bid bond required by this section, then the district shall be entitled to collect from the bidder any legal expenses, including reasonable attorneys' fees occasioned thereby. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(2) Any purchase of materials, supplies, or equipment, with an estimated cost in excess of ten thousand dollars, shall be by contract. Any purchase of materials, supplies, or equipment, with an estimated cost of ~~((from five thousand dollars to))~~ less than fifty thousand dollars shall be made using the process provided in RCW ~~((39.04.155 or by competitive bidding following the procedure for letting contracts for projects under subsection (1) of this section))~~ 39.04.190. Any purchase of materials, supplies, or equipment with an estimated cost of fifty thousand dollars or more shall be made by competitive bidding following the procedure for letting contracts for projects under subsection (1) of this section.

~~(3) ((In the event of an emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board of commissioners, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board or official acting for the board may waive the requirements of this chapter with reference to any purchase or contract. In addition, these requirements may be waived for purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation.))~~ The board may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**Sec. 9.** RCW 70.44.140 and 1996 c 18 s 15 are each amended to read as follows:

(1) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars, shall be by contract. Before awarding any such contract, the commission shall publish a notice at least thirteen days before the last date upon which bids will be received, inviting sealed proposals for such work. The plans and specifications must at the time of the publication of such notice be on file at the office of the public hospital district, subject to public inspection: PROVIDED, HOWEVER, That the commission may at the same time, and as part of the same notice, invite tenders for the work or materials upon plans and specifications to be submitted by bidders. The notice shall state generally the work to be done, and shall call for proposals for doing the same, to be sealed and filed with the commission on or before the day and hour named therein. Each bid shall be accompanied by bid proposal security in the form of a certified check, cashier's check, postal money

order, or surety bond made payable to the order of the commission, for a sum not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal security. At the time and place named, such bids shall be publicly opened and read, and the commission shall proceed to canvass the bids, and may let such contract to the lowest responsible bidder upon plans and specifications on file, or to the best bidder submitting his or her own plans and specifications: PROVIDED, HOWEVER, That no contract shall be let in excess of the estimated cost of the materials or work, or if, in the opinion of the commission, all bids are unsatisfactory, they may reject all of them and readvertise, and in such case all bid proposal security shall be returned to the bidders(~~;~~ ~~but if such~~). ~~If the~~ contract ~~((be))~~ is let, then ~~((and in such case))~~ all bid proposal security shall be returned to the bidders, except that of the successful bidder, which ~~((shall be))~~ is retained until a contract shall be entered into for the purchase of such materials for doing such work, and a bond to perform such work furnished, with sureties satisfactory to the commission, in an amount to be fixed by the commission, not less than twenty-five percent of contract price in any case, between the bidder and commission, in accordance with the bid. If such bidder fails to enter into the contract in accordance with the bid and furnish such bond within ten days from the date at which the bidder is notified that he or she is the successful bidder, the bid proposal security and the amount thereof shall be forfeited to the public hospital district. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(2) In lieu of the procedures of subsection (1) of this section, a public hospital district may use ~~((a))~~ the small works roster process provided in RCW 39.04.155 and award public works contracts for projects ~~((in excess of five thousand dollars up to))~~ with an estimated value in excess of fifty thousand dollars ~~((as provided in RCW 39.04.155)).~~

(3) ~~((For advertisement and formal sealed bidding to be dispensed with as to))~~ Any purchases ~~((between five thousand and))~~ with an estimated cost of up to fifteen thousand dollars ~~((, the commission must authorize by resolution a procedure as))~~ may be made using the process provided in RCW 39.04.190.

(4) The commission may waive the competitive bidding requirements of this section pursuant to section 1 of this act if an exemption contained within that section applies to the purchase or public work.

**NEW SECTION. Sec. 10.** A new section is added to chapter 36.34 RCW to read as follows:

In accordance with RCW 35.42.010 through 35.42.220, a county with a population of one million or more may lease space and provide for the leasing of such space through leases with an option to purchase and the acquisition of buildings erected upon land owned by the county upon the expiration of lease of such land. For the purposes of this section, "building," as defined in RCW 35.42.020 shall be construed to include any building or buildings used as part of, or in connection with, the operation of the county. The authority conferred by this section is in addition to and not in lieu of any other provision authorizing counties to lease property.

**Sec. 11.** RCW 39.04.150 and 1994 c 264 s 12 and 1994 c 243 s 2 are each reenacted and amended to read as follows:

(1) As used in this section, "agency" means the department of general administration, the department of fish and wildlife, the department of natural resources, the department of transportation, and the state parks and recreation commission.

(2) In addition to any other power or authority that an agency may have, each agency, alone or in concert, may establish a small works roster consisting of all qualified contractors who have requested to be included on the roster.

(3) The small works roster may make distinctions between contractors based on the geographic areas served and the nature of the work the contractor is qualified to perform. At least once every year, the agency shall advertise in a newspaper of general circulation the existence of the small works roster and shall add to the roster those contractors who request to be included on the roster.

(4) Construction, repair, or alteration projects estimated to cost less than one hundred thousand dollars are exempt from the requirement that the contracts be awarded after advertisement and competitive bid as defined by RCW 39.04.010. In lieu of advertisement and competitive bid, ~~((the agency shall solicit at least five quotations, confirmed in writing, from contractors chosen from the small works roster for the category of job type involved and shall award the work to the party with the lowest quotation or reject all quotations. If the agency does not receive at least two responsive~~

~~quotations for a particular project, then the project shall be advertised and competitively bid. The agency shall solicit quotations from contractors selected randomly from the small works roster in a manner which will equitably distribute the opportunity for these contracts among contractors on the roster. The agency shall invite at least one proposal each from a certified minority and a certified women-owned contractor who shall otherwise qualify to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request. If the work is executed by competitive bid, the agency shall invite at least one proposal each from a certified minority and a certified women-owned contractor who shall otherwise qualify to perform such work))~~ each agency alone or in concert shall establish a procedure for securing telephone, electronic, or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsive and responsible bidder. This procedure shall require either that the agency make a good faith effort to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted or that the agency solicit quotations from at least five contractors in a manner that will equitably distribute the opportunity among contractors willing to perform in the geographic area of the work. The agency shall invite at least one proposal from a certified minority or women-owned contractor, if available, who is otherwise qualified to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(5) The breaking down of any public work or improvement into units or accomplishing any public work or improvement by phases for the purpose of avoiding the minimum dollar amount for bidding is contrary to public policy and is prohibited.

(6) The director of general administration shall adopt by rule a procedure to ~~((prequalify))~~ qualify contractors for inclusion on the small works roster. Each agency shall follow the procedure adopted by the director of general administration. No agency shall be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the ~~((prequalification))~~ qualification procedure.

(7) An agency may adopt by rule procedures to implement this section which shall not be inconsistent with the procedures adopted by the director of the department of general administration pursuant to subsection (6) of this section.

**Sec. 12.** RCW 39.04.155 and 1993 c 198 s 1 are each amended to read as follows:

(1) This section provides a uniform process to award contracts for public works projects by those municipalities that are authorized to use a small works roster in lieu of the requirements for formal sealed bidding. The state statutes governing a specific type of municipality shall establish the maximum dollar thresholds of the contracts that can be awarded under this process, and may include other matters concerning the small works roster process, for the municipality.

(2) Such municipalities may create a single general small works roster, or may create a small works roster for different categories of anticipated work. The small works roster or rosters shall consist of all responsible contractors who have requested to be on the list, and where required by law are properly licensed or registered to perform such work in this state. At least twice a year, the municipality shall publish in a newspaper of general circulation within the jurisdiction a notice of the existence of the roster or rosters and solicit the names of contractors for such roster or rosters.

The governing body of the municipality shall establish a procedure for securing telephone or written quotations from the contractors on the general small works roster, or a specific small works roster for the appropriate category of work, to assure that a competitive price is established and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.1911. Such invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This section does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Whenever possible at least five contractors shall be invited to submit bids. Once a contractor has been afforded an opportunity to submit a proposal, that contractor shall not be offered another opportunity until all other appropriate contractors on the small works roster have been afforded an opportunity to submit a proposal on a contract. Proposals may be invited from all appropriate contractors on the small works roster.

A contract awarded from a small works roster under this section need not be advertised.

Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry."

On page 1, line 1 of the title, after "bidding;" strike the remainder of the title and insert "amending RCW 35.22.620, 35.23.352, 36.32.270, 52.14.110, 53.08.120, 54.04.070, 57.08.050, 70.44.140, and 39.04.155; reenacting and amending RCW 39.04.150; adding a new section to chapter 39.04 RCW; and adding a new section to chapter 36.34 RCW."

MESSAGE FROM THE SENATE

March 11, 1998

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2342 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** It is the intent of the legislature to attract and retain businesses that provide professional services and insurance services to international customers. To that end, the legislature finds that an incentive measured by a business's growth in jobs is a meaningful method of attracting and retaining such businesses. Therefore, the incentive in this act is specifically targeted at "net new jobs." In addition, to further the impact and benefit of this program, this incentive is limited to those urban areas of the state, both in eastern Washington and western Washington, that are characterized by unemployment and poverty. The legislature finds that providing this targeted incentive will be of benefit to the state as a whole.

**NEW SECTION. Sec. 2.** A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limits in this section, an eligible person is allowed a credit against the tax due under this chapter. The credit is based on qualified employment positions in eligible areas. The credit is available to persons who are engaged in international services as defined in this section. In order to receive the credit, the international service activities must take place at a business within the eligible area.

(2)(a) The credit shall equal three thousand dollars for each qualified employment position created after the effective date of this act in an eligible area. A credit is earned for the calendar year the person is hired to fill the position, plus the four subsequent consecutive years, if the position is maintained for those four years. (b) Credit may not be taken for hiring of persons into positions that exist on the effective date of this act. Credit is authorized for new employees hired for new positions created after the effective date of this act. New positions filled by existing employees are eligible for the credit under this section only if the position vacated by the existing employee is filled by a new hire.

(c) When a position is newly created, if it is filled before July 1st, this position is eligible for the full yearly credit. If it is filled after June 30th, this position is eligible for half of the credit.

(d) Credit may be accrued and carried over until it is used. No refunds may be granted for credits under this section.

(3) For the purposes of this section:

(a) "Eligible area" means: (i) A community empowerment zone under RCW 43.63A.700; or (ii) a contiguous group of census tracts that meets the unemployment and poverty criteria of RCW 43.63A.710 and is designated under subsection (4) of this section;

#### REPORT OF CONFERENCE COMMITTEE

Bill No: 2SSB 6544 Date: March 10, 1998

Prepared by: Antonio Sanchez (7383) Includes "new item": YES

Mr. Speaker:

Mr. President:

We of your Conference Committee, to whom was referred SECOND SUBSTITUTE SENATE BILL NO. 6544, Adult family/boarding homes, have had the same under consideration and we recommend that:

All previous amendments not be adopted, and that the attached striking amendment be adopted,

and that the bill do pass as amended.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that many residents of long-term care facilities and recipients of in-home personal care services are exceptionally vulnerable and their health and well-being are heavily dependent on their caregivers. The legislature further finds that the quality of staff in long-term care facilities is often the key to good care. The need for well-trained staff and well-managed facilities is growing as the state's population ages and the acuity of the health care problems of residents increases. In order to better protect and care for residents, the legislature directs that the minimum training standards be reviewed for management and caregiving staff, including those serving residents with special needs, such as mental illness, dementia, or a developmental disability, that management and caregiving staff receive appropriate training, and that the training delivery system be improved.

**NEW SECTION. Sec. 2.** A new section is added to chapter 18.20 RCW to read as follows:

(1) The department of social and health services shall review, in coordination with the department of health, the nursing care quality assurance commission, adult family home providers, boarding home providers, in-home personal care providers, and long-term care consumers and advocates, training standards for administrators and resident caregiving staff. The departments and the commission shall submit to the appropriate committees of the house of representatives and the senate by December 1, 1998, specific recommendations on training standards and the delivery system, including necessary statutory changes and funding requirements. Any proposed enhancements shall be consistent with this section, shall take into account and not duplicate other training requirements applicable to boarding homes and staff, and shall be developed with the input of boarding home and resident representatives, health care professionals, and other vested interest groups. Training standards and the delivery system shall be relevant to the needs of residents served by the boarding home and

recipients of long-term in-home personal care services and shall be sufficient to ensure that administrators and caregiving staff have the skills and knowledge necessary to provide high quality, appropriate care.

(2) The recommendations on training standards and the delivery system developed under subsection (1) of this section shall be based on a review and consideration of the following: Quality of care; availability of training; affordability, including the training costs incurred by the department of social and health services and private providers; portability of existing training requirements; competency testing; practical and clinical course work; methods of delivery of training; standards for management and caregiving staff training; and necessary enhancements for special needs populations and resident rights training. Residents with special needs include, but are not limited to, residents with a diagnosis of mental illness, dementia, or developmental disability.

(3) The department of social and health services shall report to the appropriate committees of the house of representatives and the senate by December 1, 1998, on the cost of implementing the proposed training standards for state-funded residents, and on the extent to which that cost is covered by existing state payment rates.

**NEW SECTION. Sec. 3.** A new section is added to chapter 70.128 RCW to read as follows:

(1) The department of social and health services shall review, in coordination with the department of health, the nursing care quality assurance commission, adult family home providers, boarding home providers, in-home personal care providers, and long-term care consumers and advocates, training standards for providers, resident managers, and resident caregiving staff. The departments and the commission shall submit to the appropriate committees of the house of representatives and the senate by December 1, 1998, specific recommendations on training standards and the delivery system, including necessary statutory changes and funding requirements. Any proposed enhancements shall be consistent with this section, shall take into account and not duplicate other training requirements applicable to adult family homes and staff, and shall be developed with the input of adult family home and resident representatives, health care professionals, and other vested interest groups. Training standards and the delivery system shall be relevant to the needs of residents served by the adult family home and recipients of long-term in-home personal care services and shall be sufficient to ensure that providers, resident managers, and caregiving staff have the skills and knowledge necessary to provide high quality, appropriate care.

(2) The recommendations on training standards and the delivery system developed under subsection (1) of this section shall be based on a review and consideration of the following: Quality of care; availability of training; affordability, including the training costs incurred by the department of social and health services and private providers; portability of existing training requirements; competency testing; practical and clinical course work; methods of delivery of training; standards for management; uniform caregiving staff training; necessary enhancements for special needs populations; and resident rights training. Residents with special needs include, but are not limited to, residents with a diagnosis of mental illness, dementia, or developmental disability. Development of training recommendations for developmental disabilities services shall be coordinated with the study requirements in section 6 of this act.

(3) The department of social and health services shall report to the appropriate committees of the house of representatives and the senate by December 1, 1998, on the cost of implementing the proposed training standards for state-funded residents, and on the extent to which that cost is covered by existing state payment rates.

The division and the advocates shall coordinate specialty training recommendations with the larger study group referenced in sections 2(1) and 3(1) of this act and submit specific recommendations on training standards, including necessary statutory changes and funding requirements to the appropriate committees of the house of representatives and the senate by December 1, 1998.

**NEW SECTION. Sec. 7.** A new section is added to chapter 18.48 RCW to read as follows:

Adult family homes have developed rapidly in response to the health and social needs of the aging population in community settings, especially as the aging population has increased in proportion to the general population. The growing demand for elder care with a new focus on issues affecting senior citizens, including persons with developmental disabilities, mental illness, or dementia, has prompted a growing professionalization of adult family home providers to address quality care and quality of life issues consistent with standards of accountability and regulatory safeguards for the health and safety of the residents. The establishment of an advisory committee to the department of health and the department of social and health services under section 8 of this act formalizes a stable process for discussing and considering these issues among residents and their advocates, regulatory officials, and adult family home providers. The dialogue among all stakeholders interested in maintaining a healthy option for the aging population in community settings assures the highest regard for the well-being of these residents within a benign and functional regulatory environment.

The members shall generally represent the interests of aging residents, residents with dementia, residents with mental illness, and residents with developmental disabilities respectively. Members representing adult family home providers must have at least two years' experience as licensees. The membership must generally reflect urban and rural areas and western and eastern parts of the state. A member may not serve more than two consecutive terms.

A majority of the members may request a meeting of the committee for any express purpose directly related to the regulation of adult family homes. A majority of members currently serving shall constitute a quorum.

(4) Establishment of the advisory committee shall not prohibit the department of health from utilizing other advisory activities that the department of health deems necessary for program development.

(5) Each member of the advisory committee shall serve without compensation but may be reimbursed for travel expenses as authorized in RCW 43.03.060.

(6) The secretary, members of the advisory committee, or individuals acting on their behalf are immune from civil liability for official acts performed in the course of their duties.
