Key

Procedural—Refers to Committee processes. Action may or may not be required.

Informational—Provides the Committee with information. Action is not required.

Annual Update—Regular updates from entities involved in pensions, such as the Department of Retirement Systems and the Washington State Investment Board.

While not expressly required, many policy-related agenda items follow a three-step process:

1. **Initial Briefing** (background and scoping).
2. **Policy Analysis** (develop options; potential pricing).
3. **Public Hearing/Action Item**.

Please note that each of the three steps can sometimes take more than one meeting.
