The department's determination of the amount of the state contribution is final and conclusive, and may not be changed once such determination is made and such contribution is distributed to the sponsoring or cosponsoring local government, unless the department subsequently determines that local revenue information contained in a report described in RCW 39.102.140 differs from the actual dedicated local revenue. If a discrepancy is found, the department must adjust its determination accordingly. A sponsoring or cosponsoring local government may not receive, in any fiscal year, more revenues from taxes imposed under the authority of this section than the amount approved annually by the department. The department may not approve the receipt of more distributions of sales and use tax under this section to a sponsoring or cosponsoring local government than is authorized under subsection (7) of this section.

(16) The tax imposed under the authority of this section must cease to be imposed if the sponsoring local government or cosponsoring local government (~~(fails to issue indebtedness under the authority of RCW 39.102.150, and)~~) fails to commence construction on public improvements(;) by June (~~(30th of the fifth fiscal year in which the local tax authorized under this section is imposed)~~) 30, 2017.

"NEW SECTION. Sec. 1. The legislature makes the following findings:

(1) In order to mitigate the negative consequences of greenhouse gas and particulate air emissions, every state and nation in the world must do its part to develop clean energy technology.

(2) The sooner that economies of scale are available for the manufacture and marketing of renewable energy technologies, the sooner these technologies will become cost-competitive or even less expensive than traditional, polluting sources of energy.

(3) The clean technology sector of the economy is one that is growing rapidly, even in a time when other sectors have been stagnant or in a recession.

(4) In enacting incentives for renewable energy systems, the legislature intends to attract to Washington a vibrant clean technology sector.

(5) The tax incentives created in this act can be an important economic development tool, increasing high-wage employment both east and west of the Cascade mountains.

(6) It is the intent of the legislature, in modifying the existing renewable energy investment cost recovery incentive program, to improve utilization of the incentive by state residents and businesses, streamline program administration, and incubate the development of clean energy technology.

NEW SECTION. Sec. 2. A new section is added to chapter 82.16 RCW to read as follows:

(1) The legislature finds that the effectiveness of attempts to foster job creation and retention are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources, the legislature needs to know how tax incentives are used, and the degree to which incentive programs meet the legislature's intent.

(2) The legislature intends to achieve the following performance milestones as a result of the incentives awarded under this act:

(a) Increased utilization of the available tax credits, as evidenced by:

(i) A one hundred percent increase in the number of solar energy systems installed and receiving the incentive, from the 2012 baseline; and

(ii) A one hundred percent increase in the total generating capacity of installed systems, from the 2012 baseline;

(b) A decrease over time in the levelized cost of the systems receiving the tax preferences; and

(c) Growth of solar-related employment, as evidenced by:

(i) An increase in the total number and per capita rate of solar-related jobs in Washington;

(ii) Achievement of a top ten national ranking for solar-related employment and a top nine ranking for per capita solar-related employment;

(d) An increase in the utilization of, and employment related to, nonsolar renewable energy systems eligible to receive the incentives created in this act; and

(e) Leveraging of nonstate funds, as measured by a report of the total dollar value of tax credits awarded within each county and zip code, and the total amount of nonstate funds leveraged within each county and zip code.

(3)(a) The department must collect, through its application and certification process, data from persons receiving the tax preferences created in this act as necessary to report on progress toward achieving the performance milestones listed in subsection (1) of this section.

(b) In compliance with RCW 43.01.036, the department must submit an annual report to the legislature that details the progress achieved in reaching the outcome specified in subsection (1)(a)(i) of this section.

(4) All recipients of tax credits or incentive payments awarded under this chapter must provide any data requested for reporting purposes. Failure to comply may result in the loss of a tax credit award or incentive payment in the following year.

(5) As part of its 2019 tax preference reviews conducted under chapter 43.136 RCW, the joint legislative audit and review committee must assess the performance of the incentives created in this act, with reference to all of the performance milestones established in this section.

Sec. 3. RCW 82.16.120 and 2011 c 179 s 3 are each amended to read as follows:

(F) Solar or wind equipment manufactured outside of Washington state;

(iv) That the electricity can be transformed or transmitted for entry into or operation in parallel with electricity transmission and distribution systems; ~~(and)~~

(v) The date that the renewable energy system received its final electrical permit from the applicable local jurisdiction;

(vi) The annual electricity consumption at the meter in the previous calendar year, or an engineering estimate of the projected annual consumption, if no record of annual consumption at the meter is available or if electricity consumption at the meter has substantially changed; and

(vii) A projection of the annual electricity production of the system in kilowatt-hours.

(b) Within thirty days of receipt of the certification the ~~((department of revenue))~~ agency designated by the governor must notify the applicant by mail, or electronically as provided in RCW 82.32.135, whether the renewable energy system qualifies for an incentive under this section. ~~((The department may consult with the climate and rural energy development center to determine eligibility for the incentive.))~~ The agency designated by the governor must either issue the voucher or inform the applicant of the reason that the application is denied. System certifications, applications, vouchers, and the information contained therein are subject to disclosure under RCW 82.32.330(3)(l).

~~((3))~~ (c) The agency designated by the governor is authorized to assess an application fee to recover its costs of administering the program established in this section.

(6)(a) The agency designated by the governor must also transmit the voucher electronically as provided in RCW 82.32.135 to the light and power business serving the situs of the system.

(b) The voucher must state the first and last day of the ten-year term, or other term in the case of persons receiving a voucher as provided in subsection (1)(d) of this section, for which the applicant has qualified to receive production incentive payments from the light and power business.

(c) The light and power business, upon receiving the voucher, must make incentive payments for each kilowatt-hour of electricity generated.

(d) If, during the ten-year term of the voucher, there is a change in the meter holder and a new party becomes financially responsible to the light and power business, the voucher is transferrable to the new meter holder, provided that the new meter holder is also a person eligible to receive payments under this section.

(7)(a) By August 1st of each year ~~((application for the incentive must be made to the light and power business serving the situs of the system by certification in a form and manner prescribed by the department that includes, but is not limited to, the following information))~~, the agency designated by the governor must receive a report of the amount of kilowatt-hours generated in the immediately preceding fiscal year by any system for which a person is receiving incentive payments pursuant to this section. The report may be submitted in one of the following ways:

(i) ~~((The name and address of the applicant and location of the renewable energy system.~~

— (A) If the applicant is an administrator of a community solar project as defined in RCW 82.16.110(2)(a)(i), the application must also include the name and address of each of the owners of the community solar project.

— (B) If the applicant is a company that owns a community solar project as defined in RCW 82.16.110(2)(a)(iii), the application must also include the name and address of each member of the company;

— (ii) The applicant's tax registration number;

— (iii) The date of the notification from the department of revenue stating that the renewable energy system is eligible for the incentives under this section; and

— (iv) A statement of the amount of kilowatt hours generated by the renewable energy system in the prior fiscal year.) The light and power business serving the situs of the system may report the amount of kilowatt-hours generated by the system over the course of the year, as determined by reading a production meter or any other meter that the utility determines to be ninety-eight percent accurate; or

(ii) The person receiving incentive payments may submit a statement in the form of a sworn affidavit reporting the amount of kilowatt-hours generated by the system over the course of the year.

(b) Within sixty days of receipt of the ~~((incentive certification))~~ report required by subsection (7) of this section, the agency designated by the governor must notify the light and power business serving the situs of the system ~~((must notify the applicant in writing))~~ whether the incentive payment will be authorized or denied. The

business may consult with the climate and rural energy development center to determine eligibility for the incentive payment. Incentive certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(l).

(c)(i) Persons, administrators of community solar projects, and companies receiving incentive payments must keep and preserve, for a period of five years, suitable records as may be necessary to determine the amount of incentive applied for and received. Such records must be open for examination at any time upon notice by the light and power business that made the payment or by the department. If upon examination of any records or from other information obtained by the business or department it appears that an incentive has been paid in an amount that exceeds the correct amount of incentive payable, the business may assess against the person for the amount found to have been paid in excess of the correct amount of incentive payable and must add thereto interest on the amount. Interest is assessed in the manner that the department assesses interest upon delinquent tax under RCW 82.32.050.

(ii) If it appears that the amount of incentive paid is less than the correct amount of incentive payable the business may authorize additional payment.

~~((4))~~ (8) Except for community solar projects, the investment cost recovery incentive may be paid fifteen cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For community solar projects, the investment cost recovery incentive may be paid thirty cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For the purposes of this section, the rate paid for the investment cost recovery incentive may be multiplied by the following factors:

(a) For ~~((customer generated))~~ electricity produced using solar modules manufactured in Washington state or a solar stirling converter manufactured in Washington state, two and four-tenths;

(b) For ~~((customer generated))~~ electricity produced using a solar or a wind generator equipped with an inverter manufactured in Washington state, one and two-tenths;

(c) For ~~((customer generated))~~ electricity produced using an anaerobic digester, or by other solar equipment or using a wind generator equipped with blades manufactured in Washington state, one; and

(d) For all other ~~((customer generated))~~ electricity produced by wind, eight-tenths.

~~((5)(a) No individual, household, business, or local governmental entity is eligible for incentives provided under subsection (4) of this section for more than five thousand dollars per year.))~~ (9) On or after July 1, 2018, a new base rate and multipliers may go into effect. New rates and multipliers adopted under the authority of this subsection will be applicable to any vouchers awarded after July 1, 2018. The rates must be adjusted to reflect decreases in the capital costs of purchasing and installing a renewable energy system, changes in the leveled costs of such systems, or other factors that the agency deems relevant to fulfilling the purpose of incentivizing job growth and the environmental and economic benefits of renewable energy in the state.

(10)(a) No person is eligible for incentives under this section for electricity generated in excess of the net kilowatt-hours consumed annually at the metered location. No person is eligible for incentives provided under this section for more than twenty-five thousand dollars per year per eligible renewable energy system.

(b) Except as provided in (c) through ~~((e))~~ (d) of this subsection ~~((5))~~ (10), each applicant in a community solar project is eligible for up to five thousand dollars per year.

(c) Where the applicant is an administrator of a community solar project as defined in RCW 82.16.110(2)(a)(i), each owner is eligible

for an incentive but only in proportion to the ownership share of the project, up to five thousand dollars per year.

(d) Where the applicant is a company owning a community solar project that has applied for an investment cost recovery incentive on behalf of its members, each member of the company is eligible for an incentive that would otherwise belong to the company but only in proportion to each ownership share of the company, up to five thousand dollars per year. The company itself is not eligible for incentives under this section.

~~((e) In the case of a utility owned community solar project, each ratepayer that contributes to the project is eligible for an incentive in proportion to the contribution, up to five thousand dollars per year. (6)) (11) If, at any time before July 1, 2018, requests for the investment cost recovery incentive exceed fifty percent of the amount of funds available for credit to the participating light and power business, the ((incentive payments must be reduced proportionately. (7) The climate and rural energy development center at Washington State University energy program may establish guidelines and standards for technologies that are identified as Washington manufactured and therefore most beneficial to the state's environment)) agency designated by the governor must notify the governor and the legislature and must adjust base rates and multipliers to a level expected to allow all eligible systems to continue to apply for and receive incentives. New rates and multipliers adopted under the authority of this subsection (11) will be applicable to any vouchers awarded after the new rates and multipliers are adopted.~~

~~((8)) (12) The environmental attributes of the renewable energy system belong to the applicant, and do not transfer to the state or the light and power business upon receipt of the investment cost recovery incentive.~~

~~((9)) (13) No incentive may be paid under this section for kilowatt-hours generated before July 1, 2005((, or after June 30, 2020)). No new vouchers may be issued after June 30, 2023.~~

Sec. 4. RCW 82.16.130 and 2010 c 202 s 3 are each amended to read as follows:

(1) A light and power business ~~((shall be))~~ is allowed a credit against taxes due under this chapter in an amount equal to the investment cost recovery incentive payments made in any fiscal year under RCW 82.16.120. The credit shall be taken in a form and manner as required by the department. ~~((The credit under this section for the fiscal year may not exceed one half percent of the businesses' taxable power sales due under RCW 82.16.020(1)(b) or one hundred thousand dollars, whichever is greater.))~~

(2) Incentive payments to participants in a utility-owned community solar project as defined in RCW 82.16.110(2)(a)(ii) may only account for up to twenty-five percent of the total allowable credit. Incentive payments to participants in a company-owned community solar project as defined in RCW 82.16.110(2)(a)(iii) may only account for up to five percent of the total allowable credit.

(3) The total credit claimed under this section may not exceed the tax that would otherwise be due under this chapter. Refunds ~~((shall))~~ may not be granted in the place of credits. Expenditures not used to earn a credit in one fiscal year may not be used to earn a credit in subsequent years.

~~((2))~~ (4) For any light and power business that has claimed credit for amounts that exceed the correct amount of the incentive payable under RCW 82.16.120, the amount of tax against which credit was claimed for the excess payments ~~((shall be))~~ is immediately due and payable. The department ~~((shall))~~ must assess interest but not penalties on the taxes against which the credit was claimed. Interest ~~((shall be))~~ is assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, retroactively to the date the credit was claimed, and ~~((shall))~~ accrues until the taxes against which the credit was claimed are repaid.

~~((3) The right to earn tax credits under this section expires June 30, 2020. Credits may not be claimed after June 30, 2021.))~~ (5) For

incentive payments made pursuant to RCW 82.16.120, the authority of the agency designated by the governor to issue a voucher expires June 30, 2023.

(6) The total credits available under this section is the aggregate of 0.5% of each participating light and power businesses' annual taxable power sales in the immediately preceding calendar year. Credits are available on a first-come, first-served basis.

NEW SECTION. Sec. 5. A new section is added to chapter 82.16 RCW to read as follows:

(1) The legislature finds that allowing utilities to finance and own renewable energy systems may help achieve the objectives of increasing the number of renewable energy systems in the state and incubating the development of the state's clean energy technology industry. Third-party ownership is also a tool to increase access to renewable energy systems for those residents and businesses who cannot leverage sufficient capital to pay the full cost of a renewable energy system upfront. The legislature intends to make a renewable energy investment cost recovery incentive tax credit available to renewable energy systems owned and financed by utilities.

(2) A qualifying utility, as defined in RCW 19.285.030(18), may claim a credit under this section for electricity generated by a solar energy system that has a generating capacity of not more than one hundred kilowatts, is installed on the premises of a residential or commercial retail electric customer of the qualifying utility in Washington, and is owned by the qualifying utility.

(3) The credit allowed for solar energy systems owned by a qualifying utility may not exceed 0.5% of the qualifying utility's taxable power sales due under RCW 82.16.020(1)(b), or one hundred thousand dollars, whichever is greater.

(4) The credit that may be claimed by a qualifying utility for power generated by a solar energy system is equal to the amount of incentive payment a community solar project with the same power generation, consumption, and system components would have been eligible to receive under RCW 82.16.120.

(5) The environmental attributes of the solar energy system belong to the qualifying utility.

(6) The total credit claimed under this section and RCW 82.16.130 may not exceed the tax that would otherwise be due under this chapter. Refunds may not be granted in the place of credits. Expenditures not used to earn a credit in one fiscal year may not be used to earn a credit in subsequent years.

(7) For any qualifying utility that has claimed credit for amounts that exceed the correct amount of the incentive payable under RCW 82.16.120, the amount of tax against which credit was claimed for the excess payments is immediately due and payable. The department must assess interest but not penalties on the taxes against which the credit was claimed. Interest is assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW retroactively to the date the credit was claimed and accrues until the taxes against which the credit was claimed are repaid.

(8) The legislature intends to achieve the following performance milestones as a result of the tax preference created in this section:

(a) Increased utilization of available tax credits at a growth rate of five percent each year for the first five years of the program; and

(b) Improved ability of consumers, regardless of their ability to pay upfront for the full capital costs of a renewable energy system, to install renewable energy systems on their real property. This milestone must be tracked by requiring those applying to receive incentive payments for a system owned or financed by a third party to indicate in their application whether they would have had the financial ability to fully fund the upfront installation costs for a system if systems leased from third-party owners had not been eligible to receive the incentive.

(9)(a) In the calendar year preceding the expiration of this section, the joint legislative audit and review committee must report to the

legislature on the effectiveness of the program in achieving the objectives described in subsection (8) of this section.

(b) Upon request of the joint legislative audit and review committee, the department of revenue and other agencies must cooperate by providing any data or information requested.

(10)(a) The qualifying utility must provide the customer on whose premises a solar energy system is being installed a contract that includes, but is not limited to, the following information:

(i) A guarantee of the minimum annual kilowatt-hours that the system will generate for the entire term of the contract;

(ii) In the case of a lease, a clear payment schedule with a total amount, inclusive of all fees, costs, and other charges, listed for each month and for each year of the entire term of the lease agreement;

(iii) An acknowledgment that the utility is responsible for system installation, repairs, and monitoring for the duration of the agreement;

(iv) Protections against damage to the customer's property caused by the system, its installation, and removal, including a clear statement of whose responsibility it is to pay any costs associated with restoring the customer's property to its original condition after removal of the system at the end of the lease term; and

(v) A disclosure of the terms and conditions governing when the property is sold or transferred.

(b) A qualifying utility must provide the customer a separate document with an easy to read, nontechnical summary of the provisions required under (a) of this subsection.

(c) The qualifying utility must compile and make available to the joint legislative audit and review committee a report of the average price per kilowatt-hour of electricity generated by the systems authorized in this section, as compared to the average price per kilowatt-hour of electricity generated by systems that received or are receiving the incentive under RCW 82.16.120.

(11) After December 31, 2015, if in compliance with other applicable law or rule, the agency designated by the governor may authorize renewable energy systems owned by third parties other than utilities to qualify for the incentives created under RCW 82.16.120. Nonutility third-party owners of renewable energy systems may only be authorized to receive the incentives if, in the agency's determination, based on objective criteria, such ownership is consistent with the legislature's objectives as established in section 2 of this act and subsection (1) of this section. The agency, in making its determination, must hold meetings with interested parties, and provide notice and an opportunity for public comment.

NEW SECTION. Sec. 6. A new section is added to chapter 80.28 RCW to read as follows:

(1)(a) Upon request by an electrical company, the commission may approve a tariff allowing the company to recover its costs from acquiring, installing, operating, and maintaining cost-effective distributed solar energy systems at the premises of retail electric customers of the company.

(b) The cost basis for a distributed solar energy system must include, but may not be limited to:

(i) A fair return on common equity equal to the return that the commission has authorized for the company's other capital assets;

(ii) The cost of debt incurred for investments made in the acquisition, installation, operation, and maintenance of distributed solar energy systems; and

(iii) Any reasonable incentive the company may offer to a retail electric customer to secure the right to place a distributed solar energy system on their premises.

(c) Costs incurred by the company to acquire, install, operate, and maintain a distributed solar energy system must be offset by:

(i) The value of an investment cost recovery incentive payable to the company under sections 5 and 6 of this act;

(ii) The estimated value of renewable energy credits produced by distributed solar energy systems owned by the company; and

(iii) The value of any other state and federal tax credits that may accrue to the company from the production of energy from a distributed solar energy system.

(d) If the company determines that a customer or class of customers should contribute a reasonable amount to the electrical utility's cost of acquiring, installing, operating, and maintaining a distributed solar energy system in order for the system to be cost-effective, it may specify the amount of the contribution in its tariff. The commission may approve or deny the company's request to include a customer contribution in the tariff, or revise the contribution requirement to an amount that will not increase financial risk to the company's shareholders or other customers. The commission may only deny the request for a customer contribution upon a finding that the tariff is fair, just, reasonable, and sufficient without the customer contribution requirement.

(e)(i) Once the company has recovered its costs under the tariff, the distributed solar energy system is no longer necessary and useful to the company pursuant to RCW 80.12.020. The tariff must specify the terms and conditions, including guidelines for establishing a fair market value, under which a customer may purchase the distributed solar energy system located at its premises after the company has recovered its costs under the tariff. Once the company has recovered its costs under the tariff, it may convey ownership of a distributed solar energy system without cost to a retail electric customer who has made a contribution under (d) of this subsection.

(ii) Any payments received by a company from the sale of distributed solar energy systems must be deposited in a segregated account to be used by the company to supplement any other measures it may use under (c) of this subsection to offset costs incurred by the company to acquire, install, operate, and maintain a distributed solar energy system.

(2) A distributed solar energy system that has been installed pursuant to this section is not eligible for net metering under chapter 80.60 RCW while the system is owned by the company.

(3) For the purposes of this section:

(a) "Cost-effective" means, at the time a distributed solar energy system is placed in the rate base, the distributed solar energy system is reasonably expected to generate energy at a total incremental system cost, per unit of energy delivered to end use, that is less than, or equal to, the comparable cost from the lowest reasonable cost eligible renewable resource, as identified in the company's last completed integrated resource plan under chapter 19.280 RCW, considering:

(i) The value of an investment cost recovery incentive payable to the company under RCW 82.16.120;

(ii) The estimated value of renewable energy credits produced by distributed solar energy systems owned by the company;

(iii) The value of any other state and federal tax credits that may accrue to the company from the production of energy from a distributed solar energy system; and

(iv) The financial contribution that may be required from a customer pursuant to subsection (1)(d) of this section.

(b) "Distributed solar energy system" means any device or combination of devices or elements that relies upon direct sunlight as an energy source for use in the generation of electricity and has an electrical generating capacity of not more than five kilowatts, when the meter holder is a residential retail electric customer, and not more than one hundred kilowatts, when the meter holder is a commercial retail electric customer.

(c) "Eligible renewable resource" has the same meaning as defined under RCW 19.285.030.

(4) This section expires December 31, 2020.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2013."

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 80.50.010 and 2001 c 214 s 1 are each amended to read as follows:

The legislature finds that the present and predicted growth in energy demands in the state of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and the identification of a state position with respect to ~~((each))~~ the proposed site. The legislature also finds that there is a critical need for infrastructure to ensure the safe and reliable operations of electrical generation and energy transmission systems in Washington and the region. The legislature recognizes that the selection of sites will have a significant impact upon the welfare of the population, the location and growth of industry and the use of the natural resources of the state.

It is the policy of the state of Washington to recognize the ~~((pressing))~~ need for increased energy facilities, and to ensure through available and reasonable methods, that the location and operation of ~~((such))~~ facilities will produce minimal adverse effects on the environment, ecology of the land and its wildlife, and the ecology of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment.

~~(3) ((To provide abundant energy at reasonable cost.~~
~~—(4))~~ To avoid costs of complete site restoration and demolition of improvements and infrastructure at unfinished nuclear energy sites, and to use unfinished nuclear energy facilities for public uses, including economic development, under the regulatory and management control of local governments and port districts.

~~((5))~~ (4) To avoid costly duplication in the siting process and ensure that decisions are made timely and without unnecessary delay.

(2) The council may issue a site certificate for an energy facility that does not meet one or more of the standards adopted under subsection (1) of this section if the council determines that the overall public benefits of the energy facility outweigh the impact on the resources protected by the standards the facility does not meet.

(3)(a) By December 1, 2014, cities and counties must use the minimum standards in subsection (1) of this section when permitting energy facilities.

(i) Any local government or political subdivision that is not the council, with minimum energy facility siting standards adopted prior to the effective date of this section, is exempt from the provisions of this section for as long as the existing minimum standards remain in effect. The minimum standards adopted by the local government or a political subdivision that is not the council before this section takes effect may be amended in a manner consistent with this section when permitting energy facilities applied for under this chapter.

(ii) Any local government or political subdivision that is not the council, when determining the timeline for the environmental review of the proposed energy facility, may adjust the timeline depending on the proposed energy facility's compliance with the standards in this section. If a proposed energy facility meets the energy facility siting standards, the environmental review of the proposed energy facility must be completed within six months.

(iii) Within one week of submitting an application to either a local government or political subdivision that is not the council, an applicant must provide notice of the application to adjacent landowners who own property located within one mile of the proposed site of the energy facility. The notice must be provided by mailing the notice to the latest recorded real property owners, as shown by the records of the county assessor.

(iv) A county, city, or town is authorized to approve an energy facility only if its land use ordinances are in compliance with the growth management act and any order issued by the growth management hearings board.

(b) The council and any local government in the state may enter into, and are encouraged to enter into, an interlocal agreement as provided under chapter 39.34 RCW for the purpose of authorizing the council to issue site certifications for energy facilities within the geographic jurisdiction of the local government. Any such interlocal agreements may include recognition of jurisdiction or site-specific characteristics necessary to ensure compatibility for energy facilities permitted under this chapter.

(4)(a) An energy technology company may seek preapproval of its energy technology by submitting to the council an energy technology preapproval application to the council. The council shall impose a charge to cover necessary costs to process the preapproval application.

(b) For each preapproval application submitted by an applicant under (a) of this subsection, the council shall develop through rule

making the standards an energy technology must meet to be a preapproved energy technology. The applicant is responsible for the cost associated with the rule making and the council must collect a fee from the applicant to recover the cost of the rule making.

(c) The council shall maintain a list of energy technologies to be granted expedited environmental review or processing under this chapter and the specific standards adopted under this subsection.

(5) Any person may petition the council to request the adoption, amendment, or repeal of any council rule as allowed in RCW 34.05.330. Any person petitioning the council requesting the adoption, amendment, or repeal of any council rule is responsible for reimbursing the council for cost associated with adopting, amending, or repealing a rule.

(2) The council shall monitor the activities of the federal energy regulatory commission and may receive notifications for energy projects located in Washington that are under the regulatory oversight of the federal energy regulatory commission. These notifications must include, but are not limited to, project filings, delegated orders, notices, and the federal energy regulatory commission decisions.

Sec. 7. RCW 80.50.060 and 2007 c 325 s 2 are each amended to read as follows:

(1)(a) ~~Except as provided under (b) and (c) of this subsection, the provisions of this chapter apply to the construction of energy facilities which includes the new construction of energy facilities ((and the reconstruction or enlargement of existing energy facilities where the net increase in physical capacity or dimensions resulting from such reconstruction or enlargement meets or exceeds those capacities or dimensions set forth in RCW 80.50.020 (7) and (15)). No construction of such energy facilities may be undertaken, except as otherwise provided in this chapter, after July 15, 1977, without first obtaining certification in the manner provided in this chapter.~~

~~(2) The provisions of this chapter apply to the construction, reconstruction, or enlargement of a new or existing energy facility that exclusively uses alternative energy resources and chooses to receive certification under this chapter, regardless of the generating capacity of the project)) if the applicant chooses to receive certification under this chapter.~~

~~((3))~~ (b) Any proposed nuclear power facility in Washington, where the primary purpose is to produce and sell electricity, must apply to the council for site certification.

(c) Any proposed transmission pipeline facility in Washington must apply to the council for site certification.

~~(2)(a)~~ The provisions of this chapter apply to the construction, reconstruction, or modification of electrical transmission facilities when:

(i) The facilities are located in a national interest electric transmission corridor as specified in RCW 80.50.045;

(ii) An applicant chooses to receive certification under this chapter, and the facilities are: (A) Of a nominal voltage of at least one hundred fifteen thousand volts and are located in a completely new corridor, except for the terminus of the new facility or interconnection of the new facility with the existing grid, and the corridor is not otherwise used for electrical transmission facilities; and (B) located in more than one jurisdiction that has promulgated land use plans or zoning ordinances; or

(iii) An applicant chooses to receive certification under this chapter, and the facilities are: (A) Of a nominal voltage in excess of one hundred fifteen thousand volts; and (B) located outside an electrical transmission corridor identified in (a)(i) and (ii) of this subsection ~~((3))~~ (2).

(4) The provisions of this chapter do not apply to an energy facility that previously has been approved or denied by a local government.

(5) Applications for certification of energy facilities made prior to July 15, 1977, shall continue to be governed by the applicable provisions of law in effect on the day immediately preceding July 15, 1977, with the exceptions of RCW 80.50.190 and 80.50.071 which shall apply to such prior applications and to site certifications prospectively from July 15, 1977.

(6) Applications for certification shall be upon forms prescribed by the council and shall be supported by such information and technical studies as the council may require.

NEW SECTION. Sec. 8. A new section is added to chapter 80.50 RCW to read as follows:

(1) Each applicant for a site certificate shall submit to the council a preliminary application for a site certificate. The preliminary application must provide information about the proposed site and the characteristics of the energy facility sufficient for the preparation of the council's notice of application requirements. The preliminary application must specify whether the proposed energy facility will comply with local land use ordinances in the jurisdiction or jurisdictions in which it is proposed.

(2)(a) The chair of the council shall provide notice to the public within three working days of receiving a preliminary application. Within one week of submitting a preliminary application to the council, an applicant must provide notice of the application to adjacent landowners by mailing the notice to the latest recorded real property owners, as shown by the records of the county assessor, who own property located within one mile of the proposed site of the energy facility. The public notice must provide a description of the proposed site and facility in sufficient detail to inform the public of the location and proposed use of the site.

(b) After the chair of the council provides public notice, a city, county, or regional planning authority may not change land use plans or zoning ordinances so as to affect the proposed site.

(3) Within three working days after the chair of the council provides public notice, an applicant for a site certification shall distribute the preliminary application to any agency that has regulatory or advisory responsibility with respect to the facility and any city or county affected by the application.

(4) No more than thirty-five days after receiving a preliminary application, the chair of the council shall issue a notice of application requirements establishing the statutes, administrative rules, council standards, local ordinances, application requirements, and study requirements for the site certificate application. The chair of the council may consider whether the proposed facility is in compliance with city, county, or regional land use plans or zoning ordinances and may specify additional requirements in the notice of application based on a review of plans and ordinances where the proposed facility is to be located.

(5) Following issuance of the notice of application requirements, an applicant must submit an application for site certification consistent with the notice of application.

(6) The chair of the council shall determine within fifteen days of submission of the application whether an application meets the council's requirements.

NEW SECTION. Sec. 9. A new section is added to chapter 80.50 RCW to read as follows:

(1)(a) Following requirements set forth under chapter 43.21C RCW, the chair must oversee an environmental review of the proposed energy facility.

(b) After the chair of the council determines whether an application meets council requirements as provided under section 8 of this act, the chair shall within three working days initiate a scoping process to determine the range of proposed actions, alternatives, and impacts to be examined in the environmental impact statement.

(c) The chair of the council shall notify any agency that has regulatory or advisory responsibility with respect to the facility and any city or county affected by the application of the scoping process.

(d) Within thirty days of initiating the scoping process, the chair of the council shall conduct a public hearing and submit scoping recommendations to the council in order for the council to establish a timeline for the environmental review of the proposed energy facility.

(e) Within fourteen days of receiving the timeline recommendations from the chair of the council, the council must determine whether the environmental review process as required under chapter 43.21C RCW for the proposed energy facility must be completed within six months, twelve months, or longer. In determining the timeline, the council may adjust the timeline depending on the proposed energy facility's compliance with the standards under section 5 of this act. If a proposed energy facility meets the energy facility siting standards under section 5 of this act, the environmental review of the proposed energy facility must be completed within six months. The environment review for proposed energy facilities that do not meet the standards in section 5 of this act must be completed within twelve months, unless the council determines that due to the complexity of the proposed energy facility, the environmental review should be longer.

(f) If the council establishes an environmental review process for more than six months, the attorney general shall appoint an assistant attorney general as a counsel for the environment. The counsel for the environment shall represent the public and its interest in protecting the quality of the environment. Costs incurred by the counsel for the environment in the performance of these duties must be charged to the office of the attorney general, and may not be a charge against the appropriation to the energy facility site evaluation council. The counsel for the environment must be accorded all the rights, privileges, and responsibilities of an attorney representing a party in a

formal action. This section may not be construed to prevent any person from being heard or represented by counsel in accordance with the other provisions of this chapter.

(g) Within the timeline established by the council, the chair of the council shall publish a draft environmental impact statement, solicit comments on the draft environmental impact statement, hold a public hearing on the draft environmental impact statement, consider comments received on the draft environmental impact statement, and submit to the council a recommended final environmental impact statement. In submitting the recommended final environmental impact statement to the council, the chair shall specify whether there are any disputed items based on public input provided during the development of the recommended final environmental impact statement.

(i) If there are disputed items in the recommended final environmental impact statement, the council shall hold a public hearing within fifteen days on the draft environmental impact statement under this subsection (1)(g). At the hearing, the chair shall provide a report to the council regarding the recommended environmental impact statement and regarding the disputed items in the recommended environmental impact statement. The issues that may be considered at the public hearing under this subsection are limited to those issues raised during the preliminary application process and during the environmental review process that lead to the development of the recommended environmental impact statement. The chair shall specify to the council the basis for decisions made relating to the disputed items contained in the recommended final environmental impact statement. Based on the input of the chair, the applicant, and the public at the public hearing, the council may elect to address the disputed items from the recommended environmental impact statement in the final environmental impact statement. The council shall issue the final environmental impact statement within fifteen days of the public hearing required under this subsection.

(ii) If there are no disputed items in the recommended final environmental impact statement, the chair shall submit to the council the recommended final environmental impact statement within fifteen days of the public hearing under this subsection (1)(g) and the council shall adopt the recommended final environmental impact statement as the final environmental impact statement.

(2) The council may contract with independent consultants to review information from the public hearing and to prepare the draft and final environmental impact assessments.

NEW SECTION. Sec. 10. A new section is added to chapter 80.50 RCW to read as follows:

(1) Within fifteen days of issuing the final environmental impact statement, the chair of the council shall prepare and issue an initial order and draft site certification based on the final environmental impact statement.

(2) Within fifteen days of receiving an initial order and draft site certification, the council must make a final decision on the application. The council must either approve the application and execute the draft certification agreement or reject the application for site certification. If the council fails to make a final decision, the initial order submitted by the chair becomes the final order on the fifteenth day following receipt of the initial order.

Sec. 11. RCW 80.50.071 and 2011 c 261 s 1 are each amended to read as follows:

(1) The council shall receive all preliminary applications and applications for energy facility site certification under this chapter. Each applicant shall pay such reasonable costs as are actually and necessarily incurred by the council in processing a preliminary application or an application.

(a) Each applicant shall, at the time of application submission, deposit fifty thousand dollars, or such greater amount as may be specified by the council after consultation with the applicant. Costs that may be charged against the deposit include, but are not limited to,

independent consultants' costs, councilmember's wages, employee benefits, costs of a hearing examiner, costs of a court reporter, staff salaries, wages and employee benefits, goods and services, travel expenses, and miscellaneous direct expenses as arise directly from processing an application.

(b) The council may commission its own independent consultant study to measure the consequences of the proposed energy facility on the environment or any matter that it deems essential to an adequate appraisal of the site. The council shall provide an estimate of the cost of the study to the applicant and consider applicant comments.

(c) The council shall submit to each applicant a statement of such expenditures made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The applicant shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: PROVIDED, That such applicant may, at the request of the council, increase the amount of funds on deposit to cover anticipated expenses during peak periods of application processing. Any funds remaining unexpended at the conclusion of application processing shall be refunded to the applicant, or at the applicant's option, credited against required deposits of certificate holders.

(2) Each certificate holder shall pay such reasonable costs as are actually and necessarily incurred by the council for inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction, operation, and site restoration of the facility.

(a) Each certificate holder, within thirty days of execution of the site certification agreement, shall have on deposit fifty thousand dollars, or such greater amount as may be specified by the council after consultation with the certificate holder. Costs that may be charged against the deposit include, but are not limited to, those specified in subsection (1)(a) of this section as arise from inspection and determination of compliance by the certificate holder with the terms of the certification.

(b) The council shall submit to each certificate holder a statement of such expenditures actually made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The certificate holder shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: PROVIDED, That if the actual expenditures for inspection and determination of compliance in the preceding calendar quarter have exceeded the amount of funds on deposit, such excess costs shall be paid by the certificate holder.

(3) If an applicant or certificate holder fails to provide the initial deposit, or if subsequently required payments are not received within thirty days following receipt of the statement from the council, the council may (a) in the case of the applicant, suspend processing of the application until payment is received; or (b) in the case of a certificate holder, suspend the certification.

(4) All payments required of the applicant or certificate holder under this section are to be made to the state treasurer who shall make payments as instructed by the council from the funds submitted. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the applicant or certificate holder.

(5)(a) Upon receipt of an application for an energy facility site certification proposing an energy plant (~~(or alternative energy resource)~~) that is connected to electrical transmission facilities of a nominal voltage of at least one hundred fifteen thousand volts, the council shall notify in writing the United States department of defense. The notification shall include, but not be limited to, the following:

- (i) A description of the proposed energy plant or alternative energy resource;
- (ii) The location of the site;

(iii) The placement of the energy plant or alternative energy resource on the site;

(iv) The date and time by which comments must be received by the council; and

(v) Contact information of the council and the applicant.

(b) The purpose of the written notification is to provide an opportunity for the United States department of defense to comment upon the application, and to identify potential issues relating to the placement and operations of the energy plant or alternative energy resource, before a site certification application is approved. The time period set forth by the council for receipt of such comments shall not extend the time period for the council's processing of the application.

(c) In order to assist local governments required to notify the United States department of defense under RCW 35.63.270, 35A.63.290, and 36.01.320, the council shall post on its web site the appropriate information for contacting the United States department of defense.

Sec. 12. RCW 80.50.075 and 2006 c 205 s 2 are each amended to read as follows:

(1) Any person filing an application for certification of an energy facility (~~(or an alternative energy resource facility)~~) pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. SUBSTITUTE HOUSE BILL NO. 1383 was read the second time.

Representative Goodman moved the adoption of amendment (199).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Stalking is a crime that affects 3.4 million people over the age of eighteen each year in the United States. Almost half of those victims experience at least one unwanted contact per week. Twenty-nine percent of stalking victims fear that the stalking will never stop. The prevalence of anxiety, insomnia, social dysfunction, and severe depression is much higher among stalking victims than the general population. Three in four stalking victims are stalked by someone they know, and at least thirty percent of stalking victims are stalked by a current or former intimate partner. For many of those victims, the domestic violence protection order is a tool they can access to help them stay safer. For those who have not had an intimate relationship with the person stalking them, there are

few remedies for them under the law. Victims who do not report the crime still desire safety and protection from future interactions with the offender. Some cases in which the stalking is reported are not prosecuted. In these situations, the victim should be able to seek a civil remedy requiring that the offender stay away from the victim. It is the intent of the legislature that the stalking protection order created by this chapter be a remedy for victims who do not qualify for a domestic violence order of protection. Moreover, it is the intent of the legislature that courts specifically distinguish stalking conduct covered by the stalking protection order from common acts of harassment or nuisance covered by antiharassment orders. Law enforcement agencies need to be able to rely on orders that distinguish stalking conduct from common acts of harassment or nuisance. Victims of stalking conduct deserve the same protection and access to the court system as victims of domestic violence and sexual assault, and this protection can be accomplished without infringing on constitutionally protected speech or activity. The legislature finds that preventing the issuance of conflicting orders is in the interest of both petitioners and respondents.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Minor" means a person who is under eighteen years of age.
- (2) "Petitioner" means any named petitioner for the stalking protection order or any named victim of stalking conduct on whose behalf the petition is brought.
- (3) "Stalking conduct" means any of the following:
 - (a) Any act of stalking as defined under RCW 9A.46.110;
 - (b) Any act of cyberstalking as defined under RCW 9.61.260;
 - (c) Any course of conduct involving repeated or continuing contacts, attempts to contact, monitoring, tracking, keeping under observation, or following of another that:
 - (i) Would cause a reasonable person to feel intimidated, frightened, or threatened and that actually causes such a feeling;
 - (ii) Serves no lawful purpose; and
 - (iii) The stalker knows or reasonably should know threatens, frightens, or intimidates the person, even if the stalker did not intend to intimidate, frighten, or threaten the person.
- (4) "Stalking no-contact order" means a temporary order or a final order granted under this chapter against a person charged with or arrested for stalking, which includes a remedy authorized under section 16 of this act.
- (5) "Stalking protection order" means an ex parte temporary order or a final order granted under this chapter, which includes a remedy authorized in section 10 of this act.

NEW SECTION. Sec. 3. There shall exist an action known as a petition for a stalking protection order.

- (1) A petition for relief shall allege the existence of stalking conduct and shall be accompanied by an affidavit made under oath stating the specific reasons that have caused the petitioner to become reasonably fearful that the respondent intends to injure the petitioner or another person, or the petitioner's property or the property of another. The petition shall disclose the existence of any other litigation or of any other restraining, protection, or no-contact orders between the parties.
- (2) A petition for relief shall be filed as a separate, stand-alone civil case and a petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.
- (3) Forms and instructional brochures and the necessary number of certified copies shall be provided to the petitioner free of charge.
- (4) A person is not required to post a bond to obtain relief in any proceeding under this section.
- (5) If the petition states that disclosure of the petitioner's address would risk abuse of the petitioner or any member of the petitioner's family or household, that address may be omitted from all documents filed with the court. If the petitioner has not disclosed an address

under this subsection, the petitioner shall designate an alternative address at which the respondent may serve notice of any motions.

NEW SECTION. Sec. 4. A petition for a stalking protection order may be filed by a person:

- (1) Who does not qualify for a protection order under chapter 26.50 RCW and who is a victim of stalking conduct; or
- (2) On behalf of any of the following persons who is a victim of stalking conduct and who does not qualify for a protection order under chapter 26.50 RCW:
 - (a) A minor child, where the petitioner is a parent, a legal custodian, or, where the respondent is not a parent, an adult with whom the child is currently residing; or
 - (b) A vulnerable adult as defined in RCW 74.34.020 and where the petitioner is an interested person as defined in RCW 74.34.020(10).

NEW SECTION. Sec. 5. (1) Any person may seek relief under this chapter by filing a petition with a court alleging that the person has been the victim of stalking conduct committed by the respondent.

(2) A minor sixteen years of age or older may seek relief under this chapter and is not required to seek relief through a guardian or next friend. This does not preclude a parent or legal custodian of a victim sixteen or seventeen years of age from seeking relief on behalf of the minor.

(3) The district courts shall have original jurisdiction and cognizance of any civil actions and proceedings brought under this chapter, except a district court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(4) Municipal courts may exercise jurisdiction and cognizance of any civil actions and proceedings brought under this chapter by adoption of local court rule, except a municipal court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(5) Superior courts shall have concurrent jurisdiction to receive transfer of stalking petitions in cases where a district or municipal court judge makes findings of fact and conclusions of law showing that meritorious reasons exist for the transfer. The jurisdiction of district and municipal courts is limited to enforcement of RCW 26.50.110(1), or the equivalent municipal ordinance, and the issuance and enforcement of temporary orders provided for in section 12 of this act if the superior court is exercising jurisdiction over a proceeding under this chapter involving the parties.

(6) No guardian or guardian ad litem need be appointed on behalf of a respondent to an action under this chapter if such respondent is sixteen years of age or older.

(7) If a guardian ad litem is appointed for the petitioner or respondent, the petitioner shall not be required to pay any fee associated with such appointment.

(8) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid stalking conduct. In that case, the petitioner may bring an action in the county or municipality of the previous or the new residence or household.

NEW SECTION. Sec. 6. Upon receipt of the petition, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. The court may schedule a hearing by

telephone, to reasonably accommodate a disability, or in exceptional circumstances to protect a petitioner from further stalking behavior. The court shall require assurances of the petitioner's identity before conducting a telephonic hearing. Except as provided in section 15 of this act, personal service shall be made upon the respondent not less than five court days prior to the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall require additional attempts at obtaining personal service or other service as permitted under section 15 of this act. The court may issue an ex parte temporary stalking order pending the hearing as provided in section 12 of this act.

NEW SECTION. Sec. 7. Before granting an order under this chapter, the court may consult the judicial information system, if available, to determine criminal history or the pendency of other proceedings involving the parties.

NEW SECTION. Sec. 8. No fees for filing or service of process may be charged by a public agency to petitioners seeking relief under this chapter.

NEW SECTION. Sec. 9. Victim advocates shall be allowed to accompany the victim and confer with the victim, unless otherwise directed by the court. Court administrators shall allow advocates to assist victims of stalking conduct in the preparation of petitions for stalking protection orders. Advocates are not engaged in the unauthorized practice of law when providing assistance of the types specified in this section.

NEW SECTION. Sec. 10. (1)(a) If the court finds by a preponderance of the evidence that the petitioner has been a victim of stalking conduct by the respondent, the court shall issue a stalking protection order.

(b) The petitioner shall not be denied a stalking protection order because the petitioner or the respondent is a minor or because the petitioner did not report the stalking conduct to law enforcement. The court, when determining whether or not to issue a stalking protection order, may not require proof of the respondent's intentions regarding the acts alleged by the petitioner. Modification and extension of prior stalking protection orders shall be in accordance with this chapter.

(2) The court may provide relief as follows:

(a) Restrain the respondent from having any contact, including nonphysical contact, with the petitioner directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(b) Exclude the respondent from the petitioner's residence, workplace, or school, or from the day care, workplace, or school of the petitioner's minor children;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(d) Prohibit the respondent from keeping the petitioner and/or the petitioner's minor children under surveillance, to include electronic surveillance;

(e) Order any other injunctive relief as necessary or appropriate for the protection of the petitioner, to include a mental health and/or chemical dependency evaluation; and

(f) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees.

(3) Unless otherwise stated in the order, when a person is petitioning on behalf of a minor child or vulnerable adult, the relief authorized in this section shall apply only for the protection of the victim, and not the petitioner.

(4) In cases where the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger or emotional distress to the petitioner, and

the expense difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person protected by the order. In the event the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

NEW SECTION. Sec. 11. For the purposes of issuing a stalking protection order, deciding what relief should be included in the order, and enforcing the order, RCW 9A.08.020 shall govern whether the respondent is legally accountable for the conduct of another person.

NEW SECTION. Sec. 12. (1) Where it appears from the petition and any additional evidence that the respondent has engaged in stalking conduct and that irreparable injury could result if an order is not issued immediately without prior notice, the court may grant an ex parte temporary order for protection, pending a full hearing and grant such injunctive relief as it deems proper, including the relief as specified under section 10 (2)(a) through (d) and (4) of this act.

(2) Irreparable injury under this section includes, but is not limited to, situations in which the respondent has recently threatened the petitioner with bodily injury or has engaged in acts of stalking conduct against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary stalking protection order shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication or mail. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication or by mail is permitted. Unless the court has permitted service by publication or mail, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(5) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a statewide judicial information system by the clerk of the court within one judicial day after issuance.

(6) If the court declines to issue an ex parte temporary stalking protection order, the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order shall be filed with the court.

(7) A knowing violation of a court order issued under this section is punishable under RCW 26.50.110.

NEW SECTION. Sec. 13. (1) Except as otherwise provided in this section or section 16 of this act, a final stalking protection order shall be effective for a fixed period of time or be permanent.

(2) Any ex parte temporary or final stalking protection order may be renewed one or more times. The petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. If the motion for renewal is uncontested and the petitioner seeks no modification of the order, the order may be renewed on the basis of the petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested renewal. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of stalking conduct against the petitioner or the petitioner's children or family or household members

when the order expires. The court may renew the stalking protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in section 10 of this act.

(3) Any stalking protection order which would expire on a court holiday shall instead expire at the close of the next court business day.

(4) The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of a stalking protection order undermines the purposes of this chapter. This section shall not be construed as encouraging that practice.

(5) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

NEW SECTION. Sec. 14. (1) Any stalking protection order shall describe each remedy granted by the court, in reasonable detail and not by reference to any other document, so that the respondent may clearly understand what he or she must do or refrain from doing.

(2) A stalking protection order shall further state the following:

(a) The name of the petitioner that the court finds was the victim of stalking by the respondent;

(b) The date and time the stalking protection order was issued, whether it is an ex parte temporary or final order, and the duration of the order;

(c) The date, time, and place for any scheduled hearing for renewal of that stalking protection order or for another order of greater duration or scope;

(d) For each remedy in an ex parte temporary stalking protection order, the reason for entering that remedy without prior notice to the respondent or greater notice than was actually given;

(e) For ex parte temporary stalking protection orders, that the respondent may petition the court, to modify or terminate the order if he or she did not receive actual prior notice of the hearing and if the respondent alleges that he or she had a meritorious defense to the order or that the order or its remedy is not authorized by this chapter.

(3) A stalking protection order shall include the following notice, printed in conspicuous type: "A knowing violation of this stalking protection order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

NEW SECTION. Sec. 15. (1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6), (7), or (8) of this section. If the respondent is a minor, the respondent's parent or legal custodian shall also be personally served.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(6) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary.

(7) If the respondent was not personally served with the petition, notice of hearing, and ex parte order before the hearing, the court shall reset the hearing for twenty-four days from the date of entry of the order and may order service by publication instead of personal service under the following circumstances:

(a) The sheriff or municipal officer or private process server files an affidavit stating that the officer or private process server was unable to complete personal service upon the respondent. The affidavit must describe the number and types of attempts the officer or private process server made to complete service;

(b) The petitioner files an affidavit stating that the petitioner believes that the respondent is hiding from the server to avoid service. The petitioner's affidavit must state the reasons for the belief that the respondent is avoiding service;

(c) The server has deposited a copy of the petition, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address;

(d) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome;

(e) The court shall reissue the temporary order of protection not to exceed another twenty-four days from the date of reissuing the ex parte protection order and order to provide service by publication; and

(f) The publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

In the court of the state of Washington for the county of

, Petitioner

vs. No.

, Respondent

The state of Washington to (respondent):

You are hereby summoned to appear on the day of, 20, at a.m./p.m., and respond to the petition. If you fail to respond, an order of protection will be issued against you pursuant to the provisions of the stalking protection order act, chapter 7.-- RCW (the new chapter created in section 33 of this act), for a minimum of one year from the date you are required to appear. A temporary order of protection has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the ex parte order.) A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

Petitioner

(8) In circumstances justifying service by publication under subsection (7) of this section, if the serving party files an affidavit stating facts from which the court determines that service by mail is just as likely to give actual notice as service by publication and that the serving party is unable to afford the cost of service by publication, the court may order that service be made by mail. Such service shall be made by any person over eighteen years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address or any other address determined by the court to be appropriate. Two copies shall be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender.

(a) Proof of service under this section shall be consistent with court rules for civil proceedings.

(b) Service under this section may be used in the same manner and shall have the same jurisdictional effect as service by publication for purposes of this chapter. Service shall be deemed complete upon the mailing of two copies as prescribed in this section.

NEW SECTION. Sec. 16. (1)(a) When any person charged with or arrested for stalking as defined in RCW 9A.46.110 or any other stalking related offense under RCW 9A.46.060 is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the court authorizing release may issue, by telephone, a stalking no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location.

(b) In issuing the order, the court shall consider the provisions of RCW 9.41.800.

(c) The stalking no-contact order shall also be issued in writing as soon as possible.

(2)(a) At the time of arraignment or whenever a motion is brought to modify the conditions of the defendant's release, the court shall determine whether a stalking no-contact order shall be issued or extended. If a stalking no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring, including real-time global position satellite monitoring with victim notification. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring, including costs relating to real-time global position satellite monitoring with victim notification.

(b) A stalking no-contact order issued by the court in conjunction with criminal charges shall terminate if the defendant is acquitted or the charges are dismissed, unless the victim files an independent action for a stalking protection order. If the victim files an independent action for a civil stalking protection order, the order may be continued by the court until a full hearing is conducted pursuant to section 6 of this act.

(3)(a) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or

refrain from violating the order's provisions. Only the court can change the order."

(b) A certified copy of the order shall be provided to the victim at no charge.

(4) If a stalking no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(5) Whenever an order prohibiting contact is issued pursuant to subsection (2) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

(6)(a) When a defendant is found guilty of stalking as defined in RCW 9A.46.110 or any other stalking related offense under RCW 9A.46.060 and a condition of the sentence restricts the defendant's ability to have contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the condition shall be recorded as a stalking no-contact order.

(b) The written order entered as a condition of sentencing shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(c) A final stalking no-contact order entered in conjunction with a criminal prosecution shall remain in effect for a period of five years from the date of entry.

(d) A certified copy of the order shall be provided to the victim at no charge.

(7) A knowing violation of a court order issued under subsection (1), (2), or (6) of this section is punishable under RCW 26.50.110.

(8) Whenever a stalking no-contact order is issued, modified, or terminated under subsection (1), (2), or (6) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated under subsection (2) of this section, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 17. (1) In a proceeding in which a petition for a stalking protection order is sought under this chapter, a court of this state may exercise personal jurisdiction over a nonresident individual if:

(a) The individual is personally served with a petition within this state;

(b) The individual submits to the jurisdiction of this state by consent, entering a general appearance, or filing a responsive document having the effect of waiving any objection to consent to personal jurisdiction;

(c) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred within this state;

(d)(i) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred outside this state and are part of an ongoing pattern of stalking behavior that has an adverse effect on the petitioner or a member of the petitioner's family or household and the petitioner resides in this state; or

(ii) As a result of acts of stalking behavior, the petitioner or a member of the petitioner's family or household has sought safety or protection in this state and currently resides in this state; or

(e) There is any other basis consistent with RCW 4.28.185 or with the Constitution of this state and the Constitution of the United States.

(2) For jurisdiction to be exercised under subsection (1)(d)(i) or (ii) of this section, the individual must have communicated with the petitioner or a member of the petitioner's family, directly or indirectly, or made known a threat to the safety of the petitioner or member of the petitioner's family while the petitioner or family member resides in this state. For the purposes of subsection (1)(d)(i) or (ii) of this section, "communicated or made known" includes, but is not limited to, through the mail, telephonically, or a posting on an electronic communication site or medium. Communication on any electronic medium that is generally available to any individual residing in the state shall be sufficient to exercise jurisdiction under subsection (1)(d)(i) or (ii) of this section.

(3) For the purposes of this section, an act or acts that "occurred within this state" includes, but is not limited to, an oral or written statement made or published by a person outside of this state to any person in this state by means of the mail, interstate commerce, or foreign commerce. Oral or written statements sent by electronic mail or the internet are deemed to have "occurred within this state."

NEW SECTION. Sec. 18. (1) A copy of a stalking protection order or stalking no-contact order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for one year unless a different expiration date is specified on the order. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, terminated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was personally served, served by publication, or served by mail.

NEW SECTION. Sec. 19. (1) Upon application with notice to all parties and after a hearing, the court may modify the terms of an existing stalking protection order.

(2) A respondent's motion to modify or terminate an existing stalking protection order must include a declaration setting forth facts supporting the requested order for termination or modification. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(3) The court may not terminate or modify an existing stalking protection order unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances such that the respondent will not resume acts of stalking conduct against the petitioner or those persons protected by the protection order if the order is terminated or modified. The petitioner bears no burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to terminate or modify a stalking protection order, including reasonable attorneys' fees.

(5) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the computer-based criminal intelligence information system, or if the order is terminated, remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 20. A new section is added to chapter 10.14 RCW to read as follows:

In each county, the superior court may appoint one or more attorneys to act as protection order commissioners pursuant to this chapter to exercise all powers and perform all duties of a court commissioner appointed pursuant to RCW 2.24.010 provided that such positions may not be created without prior consent of the county legislative authority. A person appointed as a protection order commissioner under this chapter may also be appointed to any other commissioner position authorized by law.

NEW SECTION. Sec. 21. A new section is added to chapter 10.14 RCW to read as follows:

(1) By January 1, 2014, the administrative office of the courts shall develop a single master petition pattern form for all antiharassment and stalking protection orders issued under chapter 7.- - RCW (the new chapter created in section 33 of this act) and this chapter. The master petition must prompt petitioners to disclose on the form whether the petitioner who is seeking an ex parte order has experienced stalking conduct as defined in section 2 of this act. An antiharassment order and stalking protection order issued under chapter 7.-- RCW (the new chapter created in section 33 of this act) and this chapter must substantially comply with the pattern form developed by the administrative office of the courts.

(2) The legislature respectfully requests that the Washington state supreme court gender and justice commission, in consultation with Washington coalition of sexual assault programs, Washington state coalition against domestic violence, Washington association of prosecuting attorneys, Washington association of criminal defense lawyers, and Washington association of sheriffs and police chiefs, consider other potential solutions to reduce confusion about which type of protection order a petitioner should seek and to provide any recommendations to the legislature by January 1, 2014.

NEW SECTION. Sec. 22. An ex parte temporary order issued under this chapter shall not be admissible as evidence in any subsequent civil action for damages arising from the conduct alleged in the petition or the order.

NEW SECTION. Sec. 23. Nothing in this chapter shall be construed as requiring criminal charges to be filed as a condition of a stalking protection order being issued.

NEW SECTION. Sec. 24. This act may be known and cited as the stalking protection order act.

Sec. 25. RCW 9.41.800 and 2002 c 302 s 704 are each amended to read as follows:

(1) Any court when entering an order authorized under chapter 7.- - RCW (the new chapter created in section 33 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060,

26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 shall, upon a showing by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a firearm under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;

(b) Require the party to surrender any concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;

(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(2) Any court when entering an order authorized under chapter 7.- RCW (the new chapter created in section 33 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 may, upon a showing by a preponderance of the evidence but not by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a pistol under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;

(b) Require the party to surrender a concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;

(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(3) The court may order temporary surrender of a firearm or other dangerous weapon without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(4) In addition to the provisions of subsections (1), (2), and (3) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm or other dangerous weapon by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(5) The requirements of subsections (1), (2), and (4) of this section may be for a period of time less than the duration of the order.

(6) The court may require the party to surrender any firearm or other dangerous weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding, the chief of police of the municipality having jurisdiction, or to the restrained or enjoined party's counsel or to any person designated by the court.

Sec. 26. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can

support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, or stalking, as defined in RCW 9A.46.110, and one or more of the following was present:

(i) The offense resulted in the pregnancy of a child victim of rape.

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.

(m) The offense involved a high degree of sophistication or planning.

(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.

(p) The offense involved an invasion of the victim's privacy.

(q) The defendant demonstrated or displayed an egregious lack of remorse.

(r) The offense involved a destructive and foreseeable impact on persons other than the victim.

(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.

(t) The defendant committed the current offense shortly after being released from incarceration.

(u) The current offense is a burglary and the victim of the burglary was present in the building or residence when the crime was committed.

(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.

(w) The defendant committed the offense against a victim who was acting as a good samaritan.

(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.

(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).

(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.

(ii) For purposes of this subsection, "metal property" means commercial metal property, private metal property, or nonferrous metal property, as defined in RCW 19.290.010.

(aa) The defendant committed the offense with the intent to directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage to or for a criminal street gang as defined in RCW 9.94A.030, its reputation, influence, or membership.

(cc) The offense was intentionally committed because the defendant perceived the victim to be homeless, as defined in RCW 9.94A.030.

Sec. 27. RCW 9A.46.040 and 2012 c 223 s 1 are each amended to read as follows:

(1) Because of the likelihood of repeated harassment directed at those who have been victims of harassment in the past, when any defendant charged with a crime involving harassment is released from custody before trial on bail or personal recognizance, the court authorizing the release may issue an order pursuant to this chapter and require that the defendant:

(a) Stay away from the home, school, business, or place of employment of the victim or victims of the alleged offense or other location, as shall be specifically named by the court in the order;

(b) Refrain from contacting, intimidating, threatening, or otherwise interfering with the victim or victims of the alleged offense and such other persons, including but not limited to members of the family or household of the victim, as shall be specifically named by the court in the order.

(2) Willful violation of a court order issued under this section or an equivalent local ordinance is a gross misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 9A.46 RCW. A certified copy of the order shall be provided to the victim by the clerk of the court.

(3) If the defendant is charged with the crime of stalking or any other stalking related offense under RCW 9A.46.060, and the court issues an order protecting the victim, the court shall issue a stalking no-contact order pursuant to chapter 7.-- RCW (the new chapter created in section 33 of this act).

NEW SECTION. Sec. 28. A new section is added to chapter 9A.46 RCW to read as follows:

(2) At the time of appearance provided in subsection (1) of this section the court shall determine the necessity of imposing a stalking no-contact order under chapter 7.-- RCW (the new chapter created in section 33 of this act).

(3) Appearances required pursuant to this section are mandatory and cannot be waived.

(4) The stalking no-contact order shall be issued and entered with the appropriate law enforcement agency pursuant to the procedures outlined in chapter 7.-- RCW (the new chapter created in section 33 of this act).

Sec. 29. RCW 9A.46.110 and 2007 c 201 s 1 are each amended to read as follows:

(1) A person commits the crime of stalking if, without lawful authority and under circumstances not amounting to a felony attempt of another crime:

(a) He or she intentionally and repeatedly harasses or repeatedly follows another person; and

(b) The person being harassed or followed is placed in fear that the stalker intends to injure the person, another person, or property of the person or of another person. The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and

(c) The stalker either:

(i) Intends to frighten, intimidate, or harass the person; or

(ii) Knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

(2)(a) It is not a defense to the crime of stalking under subsection (1)(c)(i) of this section that the stalker was not given actual notice that the person did not want the stalker to contact or follow the person; and

(b) It is not a defense to the crime of stalking under subsection (1)(c)(ii) of this section that the stalker did not intend to frighten, intimidate, or harass the person.

(3) It shall be a defense to the crime of stalking that the defendant is a licensed private investigator acting within the capacity of his or her license as provided by chapter 18.165 RCW.

(4) Attempts to contact or follow the person after being given actual notice that the person does not want to be contacted or followed constitutes prima facie evidence that the stalker intends to intimidate or harass the person. "Contact" includes, in addition to any

other form of contact or communication, the sending of an electronic communication to the person.

(5)(a) Except as provided in (b) of this subsection, a person who stalks another person is guilty of a gross misdemeanor.

(b) A person who stalks another is guilty of a class ((C)) B felony if any of the following applies: (i) The stalker has previously been convicted in this state or any other state of any crime of harassment, as defined in RCW 9A.46.060, of the same victim or members of the victim's family or household or any person specifically named in a protective order; (ii) the stalking violates any protective order protecting the person being stalked; (iii) the stalker has previously been convicted of a gross misdemeanor or felony stalking offense under this section for stalking another person; (iv) the stalker was armed with a deadly weapon, as defined in RCW ((9.94A.602)) 9.94A.825, while stalking the person; (v)(A) the stalker's victim is or was a law enforcement officer; judge; juror; attorney; victim advocate; legislator; community corrections' officer; an employee, contract staff person, or volunteer of a correctional agency; court employee, court clerk, or courthouse facilitator; or an employee of the child protective, child welfare, or adult protective services division within the department of social and health services; and (B) the stalker stalked the victim to retaliate against the victim for an act the victim performed during the course of official duties or to influence the victim's performance of official duties; or (vi) the stalker's victim is a current, former, or prospective witness in an adjudicative proceeding, and the stalker stalked the victim to retaliate against the victim as a result of the victim's testimony or potential testimony.

(6) As used in this section:

(a) "Correctional agency" means a person working for the department of natural resources in a correctional setting or any state, county, or municipally operated agency with the authority to direct the release of a person serving a sentence or term of confinement and includes but is not limited to the department of corrections, the indeterminate sentence review board, and the department of social and health services.

(b) "Follows" means deliberately maintaining visual or physical proximity to a specific person over a period of time. A finding that the alleged stalker repeatedly and deliberately appears at the person's home, school, place of employment, business, or any other location to maintain visual or physical proximity to the person is sufficient to find that the alleged stalker follows the person. It is not necessary to establish that the alleged stalker follows the person while in transit from one location to another.

(c) "Harasses" means unlawful harassment as defined in RCW 10.14.020.

(d) "Protective order" means any temporary or permanent court order prohibiting or limiting violence against, harassment of, contact or communication with, or physical proximity to another person.

(e) "Repeatedly" means on two or more separate occasions.

Sec. 30. RCW 10.14.070 and 2005 c 144 s 1 are each amended to read as follows:

Upon receipt of the petition alleging a prima facie case of harassment, other than a petition alleging a sex offense as defined in chapter 9A.44 RCW or a petition for a stalking protection order under chapter 7.-- RCW (the new chapter created in section 33 of this act), the court shall order a hearing which shall be held not later than fourteen days from the date of the order. If the petition alleges a sex offense as defined in chapter 9A.44 RCW, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five court days before the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the hearing date not later than twenty-

four days from the date of the order. The court may issue an ex parte order for protection pending the hearing as provided in RCW 10.14.080 and 10.14.085.

Sec. 31. RCW 26.50.110 and 2009 c 439 s 3 and 2009 c 288 s 3 are each reenacted and amended to read as follows:

(1)(a) Whenever an order is granted under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or there is a valid foreign protection order as defined in RCW 26.52.020, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking of, a protected party, or restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(iii) A provision prohibiting a person from knowingly coming within, or knowingly remaining within, a specified distance of a location;

(iv) A provision prohibiting interfering with the protected party's efforts to remove a pet owned, possessed, leased, kept, or held by the petitioner, respondent, or a minor child residing with either the petitioner or the respondent; or

(v) A provision of a foreign protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, is a class C felony if the offender has at least two previous convictions for

violating the provisions of an order issued under this chapter, chapter 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020. The previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

Sec. 32. RCW 10.31.100 and 2010 c 274 s 201 are each amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (10) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 26.44.063, or chapter 7.-- (the new chapter created in section 33 of this act), 7.90, 9A.46, 10.99, 26.09, 26.10, 26.26, 26.50, or 74.34 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence, or restraining the person from going onto the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) A foreign protection order, as defined in RCW 26.52.010, has been issued of which the person under restraint has knowledge and the person under restraint has violated a provision of the foreign protection order prohibiting the person under restraint from contacting or communicating with another person, or excluding the person under restraint from a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, or a violation of any provision for which the foreign protection order specifically indicates that a violation will be a crime; or

Bodily injury means

physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that family or household members have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.5249, relating to operating a motor vehicle in a negligent manner.

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(6) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

(7) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(8) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

(9) Any police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.

(11) Except as specifically provided in subsections (2), (3), (4), and (6) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(12) No police officer may be held criminally or civilly liable for making an arrest pursuant to subsection (2) or (8) of this section if the police officer acts in good faith and without malice.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that the goals of the child welfare system are to protect the safety, permanence, and well-being of the children it serves. The legislature further recognizes the importance of maintaining publicly accessible data that tracks the performance of the child welfare system, leading to transparency and public understanding of the system.

(2) The legislature believes it is important to measure safety, permanence, and well-being such that the public and the legislature may understand how the child welfare system is performing. This information will also serve the legislature in determining priorities for investment of public dollars as well as need for substantive legislative changes to facilitate improvement.

(3) The reports to the legislature under section 2 of this act will be used to provide feedback to the department of social and health services. The agencies referenced in section 2 of this act will not disclose individually identifiable private information except as allowable under federal and state law.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

(1) The University of Washington, through partners for our children, within the school of social work, and the department, in collaboration with other stakeholders, shall develop measurements in the areas of safety, permanency, and well-being, using existing and available data. Measurements must be calculated from data used in the routine work of the state agencies' data and information technology departments. Any new record linkage or data-matching activities required in fulfillment of this section may be performed by partners for our children pursuant to agreements developed under subsection (6) of this section.

(2) For the purposes of this section, "state agencies" means any agency or subagency providing data used in the integrated client database maintained by the research and data analysis division of the department. Any exchange of data must be in accordance with applicable federal and state law.

(3) All measurements must use a methodology accepted by the scientific community. All measurements must address any disproportionate racial and ethnic inequality. The initial measurements must be developed by December 1, 2013.

(4) The measurements may not require the state agencies to revise their data collection systems, and may not require the state agencies to provide individually identifiable information.

(5) The state agencies shall provide the University of Washington with all measurement data related to the measurements developed under this section at least quarterly beginning July 1, 2014. Partners for our children shall make any nonidentifiable data publicly available. Partners for our children shall report on the data to the legislature and the governor annually starting December 31, 2014.

(6) By January 1, 2014, the state agencies shall execute agreements with partners for our children to enable sharing of data pursuant to RCW 42.48.020 sufficient to comply with this section.

(7) The fact that partners for our children has chosen to use a specific measure, use a specific baseline, or compare any measure to a baseline is not admissible as evidence of negligence by the department in a civil action.

Sec. 3. RCW 74.13B.020 and 2012 c 205 s 3 are each amended to read as follows:

(1) No later than December 1, ~~((2013))~~ 2014, the department shall enter into performance-based contracts for the provision of family support and related services. The department may enter into performance-based contracts for additional services, other than case management.

(2) ~~((Beginning December 1, 2013, the department may not renew its current contracts with individuals or entities for the provision of the child welfare services included in performance-based~~

contracts under this section for services in geographic areas served by network administrators under such contracts, except as mutually agreed upon between the department and the network administrator to allow for the successful transition of services that meet the needs of children and families.

~~((3)))~~ The department shall conduct a procurement process to enter into performance-based contracts with one or more network administrators for family support and related services. As part of the procurement process, the department shall consult with department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, and the Washington state institute for public policy to assist in identifying the categories of family support and related services that will be included in the procurement. The categories of family support and related services shall be defined no later than July 15, 2012. In identifying services, the department must review current data and research related to the effectiveness of family support and related services that mitigate child safety concerns and promote permanency, including reunification, and child well-being. Expenditures for family support and related services purchased under this section must remain within the levels appropriated in the operating budget.

~~((4)))~~ ~~(3)~~(a) Network administrators shall, directly or through subcontracts with service providers:

(i) Assist caseworkers in meeting their responsibility for implementation of case plans and individual service and safety plans; and

(ii) Provide the family support and related services within the categories of contracted services that are included in a child or family's case plan or individual service and safety plan within funds available under contract.

(b) While the department caseworker retains responsibility for case management, nothing in chapter 205, Laws of 2012 limits the ability of the department to continue to contract for the provision of case management services by child-placing agencies, behavioral rehabilitation services agencies, or other entities that provided case management under contract with the department prior to July 1, 2005.

~~((5)))~~ ~~(4)~~ In conducting the procurement, the department shall actively consult with other state agencies with relevant expertise, such as the health care authority, and with philanthropic entities with expertise in performance-based contracting for child welfare services. The director of the office of financial management must approve the request for proposal prior to its issuance.

~~((6)))~~ ~~(5)~~ The procurement process must be developed and implemented in a manner that complies with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and must provide an opportunity for tribal governments to contract for service delivery through network administrators.

~~((7)))~~ ~~(6)~~ The procurement and resulting contracts must include, but are not limited to, the following standards and requirements:

(a) The use of family engagement approaches to successfully motivate families to engage in services and training of the network's contracted providers to apply such approaches;

(b) The use of parents and youth who are successful veterans of the child welfare system to act as mentors through activities that include, but are not limited to, helping families navigate the system, facilitating parent engagement, and minimizing distrust of the child welfare system;

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The

network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

~~((8))~~ (7) As part of the procurement process under this section, the department shall issue the request for proposals no later than December 31, ~~((2012. The department shall notify the apparently successful bidders no later than June 30, 2013))~~ 2013, shall begin implementation of performance-based contracting no later than July 1, 2014, and shall fully implement performance-based contracting no later than July 1, 2015.

~~((9))~~ (8) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

~~((10))~~ (9) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

~~((11))~~ (10) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

Sec. 4. RCW 74.13.360 and 2012 c 205 s 8 are each amended to read as follows:

(1) No later than December 30, ~~((2015))~~ 2016:

(a) In the demonstration sites selected under RCW 74.13.368(4)(a), child welfare services shall be provided by supervising agencies with whom the department has entered into performance-based contracts. Supervising agencies may enter into subcontracts with other licensed agencies; and

(b) Except as provided in subsection (3) of this section, and notwithstanding any law to the contrary, the department may not directly provide child welfare services to families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a).

(2) No later than December 30, ~~((2015))~~ 2016, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department is responsible for only the following:

(a) Monitoring the quality of services for which the department contracts under this chapter;

(b) Ensuring that the services are provided in accordance with federal law and the laws of this state, including the Indian child welfare act;

(c) Providing child protection functions and services, including intake and investigation of allegations of child abuse or neglect, emergency shelter care functions under RCW 13.34.050, and referrals to appropriate providers; and

(d) Issuing licenses pursuant to chapter 74.15 RCW.

(3) No later than December 30, ~~((2015))~~ 2016, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department may provide child welfare services only:

(a) For the limited purpose of establishing a control or comparison group as deemed necessary by the child welfare transformation design committee, with input from the Washington state institute for public policy, to implement the demonstration sites selected and defined pursuant to RCW 74.13.368(4)(a) in which the performance in achieving measurable outcomes will be compared and evaluated pursuant to RCW 74.13.370; or

(b) In an emergency or as a provider of last resort. The department shall adopt rules describing the circumstances under which the department may provide those services. For purposes of this section, "provider of last resort" means the department is unable to contract with a private agency to provide child welfare services in a particular geographic area or, after entering into a contract with a private agency, either the contractor or the department terminates the contract.

(4) For purposes of this chapter, on and after September 1, 2010, performance-based contracts shall be structured to hold the supervising agencies accountable for achieving the following goals in order of importance: Child safety; child permanency, including reunification; and child well-being.

(5) A federally recognized tribe located in this state may enter into a performance-based contract with the department to provide child welfare services to Indian children whether or not they reside on a reservation. Nothing in this section prohibits a federally recognized Indian tribe located in this state from providing child welfare services to its members or other Indian children pursuant to existing tribal law, regulation, or custom, or from directly entering into agreements for the provision of such services with the department, if the department continues to otherwise provide such services, or with federal agencies.

NEW SECTION. Sec. 5. RCW 74.13.368 (Performance-based contracts-- Child welfare transformation design committee) and 2012 c 205 s 10, 2010 c 291 s 2, & 2009 c 520 s 8 are each suspended as of the effective date of this section until December 1, 2015."

NEW SECTION. Sec. 1. It is the intent of the legislature to procure spoken language interpreter services directly from language access providers through the use of scheduling and billing software or through contracts with scheduling and coordinating organizations, thereby reducing administrative costs while protecting consumers. The legislature further intends to institute quality controls by establishing an advisory group to advise state agencies on the qualifications, training, and education of spoken language interpreters for state certification. The legislature further intends to exclude interpreter services for sensory impaired persons from the provisions of this act.

NEW SECTION. Sec. 2. A new section is added to chapter 39.26 RCW to read as follows:

(1) The department of social and health services and the health care authority are each authorized to purchase interpreter services on behalf of limited-English speaking applicants and recipients of public assistance.

(2) The department of labor and industries is authorized to purchase interpreter services for medical and vocational providers authorized to provide services to limited-English speaking injured workers or crime victims.

(3) No later than September 1, 2015, the department of social and health services, the health care authority, and the department of labor and industries must each purchase spoken language interpreter services directly from language access providers through no more than three contracts with scheduling and coordinating organizations. Each of the departments must be able to provide spoken language interpreter services through telephonic and video remote technologies.

(4) By September 1, 2015, the department of enterprise services must purchase, for all other state agencies, spoken language interpreter services directly from language access providers through no more than three contracts with scheduling and coordinating delivery organizations. If the department determines it is more cost effective or efficient, it may jointly purchase these services with the department of social and health services, the health care authority, or the department of labor and industries as provided in subsection (3) of this section.

(5) If the department of social and health services, the health care authority, and the department of labor and industries determine that it is more cost effective or efficient, they may integrate procurement of spoken language interpreter services through a single centralized system. The department of social and health services, the health care authority, and the department of labor and industries may procure interpreters through the department of enterprise services if the demand for spoken language interpreters cannot be met through their respective contracts.

(6) All language access providers procured under this section must be certified or authorized by the state, or be nationally certified by the certification commission for healthcare interpreters. When a nationally certified, state-certified, or authorized language access provider is not available, a state agency is authorized to contract with a spoken language interpreter with other certifications or qualifications deemed to meet state standards. Nothing in this subsection shall preclude providing interpretive services through state employees or employees of medical or vocational providers.

(6) Nothing in this section is intended to address how state agencies procure interpreters for sensory-impaired persons.

~~((9))~~ (10) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

~~((10))~~ (11) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1753, having received the necessary constitutional majority, was declared passed.

HOUSE BILL NO. 1887, by Representatives Sawyer, Ryu, Green and Freeman

Increasing educational options under vocational rehabilitation plans. (REVISED FOR ENGROSSED: Ordering consideration of increased educational options under vocational rehabilitation plans.)

The bill was read the second time.

Representative Sawyer moved the adoption of amendment (38).

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 51.32.099 and 2011 c 291 s 2 are each amended to read as follows:

(1)(a) The legislature intends to create improved vocational outcomes for Washington state injured workers and employers through legislative and regulatory change under a pilot program for the period of January 1, 2008, through June 30, 2013. This pilot vocational system is intended to allow opportunities for eligible workers to participate in meaningful retraining in high-demand occupations, improve successful return to work and achieve positive outcomes for workers, reduce the incidence of repeat vocational services, increase accountability and responsibility, and improve cost predictability. To facilitate the study and evaluation of the results of the proposed changes, the department shall establish the temporary funding of certain state fund vocational costs through the medical aid account to ensure the appropriate assessments to employers for the costs of their claims for vocational services in accordance with RCW 51.32.0991.

(b) An independent review and study of the effects of the pilot program shall be conducted to determine whether it has achieved the appropriate outcomes at reasonable cost to the system. The review shall include, at a minimum, a report on the department's performance with regard to the provision of vocational services, the skills acquired by workers who receive retraining services, the types of training programs approved, whether the workers are employed, at what jobs and wages after completion of the training program and at various times subsequent to their claim closure, the number and demographics of workers who choose the option provided in subsection (4)(b) of this section, and their employment and earnings status at various times subsequent to claim closure. The department may adopt rules, in collaboration with the subcommittee created under (c)(iii) of this subsection, to further define the scope and elements of the required study. Reports of the independent researcher are due on December 1, 2010, December 1, 2011, and December 1, 2012.

(c) In implementing the pilot program, the department shall:

(i) Establish a vocational initiative project that includes participation by the department as a partner with WorkSource, the established state system that administers the federal workforce

investment act of 1998. As a partner, the department shall place vocational professional full-time employees at pilot WorkSource locations; refer some workers for vocational services to these vocational professionals; and work with employers in work source pilot areas to market the benefits of on-the-job training programs and with community colleges to reserve slots in high employer demand programs of study as defined in RCW 28B.50.030. These on-the-job training programs and community college slots may be considered by both department and private sector vocational professionals for vocational plan development. The department will also assist stakeholders in developing additional vocational training programs in various industries, including but not limited to agriculture and construction. These programs will expand the choices available to injured workers in developing their vocational training plans with the assistance of vocational professionals.

(ii) Develop and maintain a register of state fund and self-insured workers who have been retrained or have selected any of the vocational options described in this section for at least the duration of the pilot program.

(iii) Create a vocational rehabilitation subcommittee made up of members appointed by the director for at least the duration of the pilot program. This subcommittee shall provide the business and labor partnership needed to maintain focus on the intent of the pilot program, as described in this section, and provide consistency and transparency to the development of rules and policies. The subcommittee shall report to the director at least annually and recommend to the director and the legislature any additional statutory changes needed, which may include extension of the pilot period. The subcommittee shall provide input and oversight with the department concerning the study required under (b) of this subsection. The subcommittee shall provide recommendations for additional changes or incentives for injured workers to return to work with their employer of injury. The subcommittee shall also consider options that, under limited circumstances, would allow injured workers to attend baccalaureate institutions under their vocational rehabilitation plans and, by December 31, 2013, the subcommittee shall provide recommendations to the director and the legislature on statutory changes needed to develop those options.

(iv) The department shall develop an annual report concerning Washington's workers' compensation vocational rehabilitation system to the legislature and to the subcommittee by December 1, 2009, and annually thereafter with the final report due by December 1, 2012. The annual report shall include the number of workers who have participated in more than one vocational training plan beginning with plans approved on January 1, 2008, and in which industries those workers were employed. The final report shall include the department's assessment and recommendations for further legislative action, in collaboration with the subcommittee.

(2)(a) For the purposes of this section, the day the worker commences vocational plan development means the date the department or self-insurer notifies the worker of his or her eligibility for plan development services or of an eligibility determination in response to a dispute of a vocational decision.

(b) When the supervisor or supervisor's designee has decided that vocational rehabilitation is both necessary and likely to make the worker employable at gainful employment, he or she shall be provided with services necessary to develop a vocational plan that, if completed, would render the worker employable. The vocational professional assigned to the claim shall, at the initial meeting with the worker, fully inform the worker of the return-to-work priorities set forth in RCW 51.32.095(2) and of his or her rights and responsibilities under the workers' compensation vocational system. The department shall provide tools to the vocational professional for communicating this and other information required by RCW 51.32.095 and this section to the worker.

(c) On the date the worker commences vocational plan development, the department shall also inform the employer in writing of the employer's right to make a valid return-to-work offer during the first fifteen days following the commencement of vocational plan development. However, at the sole discretion of the supervisor or the supervisor's designee, an employer may be granted an extension of time of up to ten additional days to make a valid return-to-work offer. The additional days may be allowed by the department with or without a request from the employer. The extension may only be granted if the employer made a return-to-work offer to the worker within fifteen days of the date the worker commenced vocational plan development that met some but not all of the requirements in this section. To be valid, the offer must be for bona fide employment with the employer of injury, consistent with the worker's documented physical and mental restrictions as provided by the worker's health care provider. When the employer makes a valid return-to-work offer, the vocational plan development services and temporary total disability compensation shall be terminated effective on the starting date for the job without regard to whether the worker accepts the return-to-work offer.

(d) Following the time period described in (c) of this subsection, the employer may still provide, and the worker may accept, any valid return-to-work offer. The worker's acceptance of such an offer shall result in the termination of vocational plan development or implementation services and temporary total disability compensation effective the day the employment begins.

(3)(a) All vocational plans must contain an accountability agreement signed by the worker detailing expectations regarding progress, attendance, and other factors influencing successful participation in the plan. Failure to abide by the agreed expectations shall result in suspension of vocational benefits pursuant to RCW 51.32.110.

(b) Any formal education included as part of the vocational plan must be for an accredited or licensed program or other program approved by the department. The department shall develop rules that provide criteria for the approval of nonaccredited or unlicensed programs.

(c) The vocational plan for an individual worker must be completed and submitted to the department within ninety days of the day the worker commences vocational plan development. The department may extend the ninety days for good cause. Criteria for good cause shall be provided in rule. The frequency and reasons for good cause extensions shall be reported to the subcommittee created under subsection (1)(c)(iii) of this section.

(d) Costs for the vocational plan may include books, tuition, fees, supplies, equipment, child or dependent care, training fees for on-the-job training, the cost of furnishing tools and other equipment necessary for self-employment or reemployment, and other necessary expenses in an amount not to exceed twelve thousand dollars. This amount shall be adjusted effective July 1 of each year for vocational plans or retraining benefits available under subsection (4)(b) of this section approved on or after this date but before June 30 of the next year based on the average percentage change in tuition for the next fall quarter for all Washington state community colleges.

(e) The duration of the vocational plan shall not exceed two years from the date the plan is implemented. The worker shall receive temporary total disability compensation under RCW 51.32.090 and the cost of transportation while he or she is actively and successfully participating in a vocational plan.

(f) If the worker is required to reside away from his or her customary residence, the reasonable cost of board and lodging shall also be paid.

(4) Vocational plan development services shall be completed within ninety days of commencing. Except as provided in RCW 51.32.095(3), during vocational plan development the worker shall, with the assistance of a vocational professional, participate in

vocational counseling and occupational exploration to include, but not be limited to, identifying possible job goals, training needs, resources, and expenses, consistent with the worker's physical and mental status. A vocational rehabilitation plan shall be developed by the worker and the vocational professional and submitted to the department or self-insurer. Following this submission, the worker shall elect one of the following options:

(a) Option 1: The department or self-insurer implements and the worker participates in the vocational plan developed by the vocational professional and approved by the worker and the department or self-insurer. For state fund claims, the department must review and approve the vocational plan before implementation may begin. If the department takes no action within fifteen days, the plan is deemed approved. The worker may, within fifteen days of the department's approval of the plan or of a determination that the plan is valid following a dispute, elect option 2. However, in the sole discretion of the supervisor or supervisor's designee, the department may approve an election for option 2 benefits that was submitted in writing within twenty-five days of the department's approval of the plan or of a determination that the plan is valid following a dispute if the worker provides a written explanation establishing that he or she was unable to submit his or her election of option 2 benefits within fifteen days. In no circumstance may the department approve of an election for option 2 benefits that was submitted more than twenty-five days after the department's approval of a retraining plan or of a determination that a plan is valid following a dispute.

(i) Following successful completion of the vocational plan, any subsequent assessment of whether vocational rehabilitation is both necessary and likely to enable the injured worker to become employable at gainful employment under RCW 51.32.095(1) shall include consideration of transferable skills obtained in the vocational plan.

(ii) If a vocational plan is successfully completed on a claim which is thereafter reopened as provided in RCW 51.32.160, the cost and duration available for any subsequent vocational plan is limited to that in subsection (3)(d) and (e) of this section, less that previously expended.

(b) Option 2: The worker declines further vocational services under the claim and receives an amount equal to six months of temporary total disability compensation under RCW 51.32.090. The award is payable in biweekly payments in accordance with the schedule of temporary total disability payments, until such award is paid in full. These payments shall not include interest on the unpaid balance. However, upon application by the worker, and at the discretion of the department, the compensation may be converted to a lump sum payment. The vocational costs defined in subsection (3)(d) of this section shall remain available to the worker, upon application to the department or self-insurer, for a period of five years. The vocational costs shall, if expended, be available for programs or courses at any accredited or licensed institution or program from a list of those approved by the department for tuition, books, fees, supplies, equipment, and tools, without department or self-insurer oversight. The department shall issue an order as provided in RCW 51.52.050 confirming the option 2 election, setting a payment schedule, and terminating temporary total disability benefits effective the date of the order confirming that election. The department shall thereafter close the claim. A worker who elects option 2 benefits shall not be entitled to further temporary total, or to permanent total, disability benefits except upon a showing of a worsening in the condition or conditions accepted under the claim such that claim closure is not appropriate, in which case the option 2 selection will be rescinded and the amount paid to the worker will be assessed as an overpayment. A claim that was closed based on the worker's election of option 2 benefits may be reopened as provided in RCW 51.32.160, but cannot be reopened for the sole purpose of allowing the worker to seek vocational assistance.

(i) If within five years from the date the option 2 order becomes final, the worker is subsequently injured or suffers an occupational disease or reopens the claim as provided in RCW 51.32.160, and vocational rehabilitation is found both necessary and likely to enable the injured worker to become employable at gainful employment under RCW 51.32.095(1), the duration of any vocational plan under subsection (3)(e) of this section shall not exceed eighteen months.

(ii) If the available vocational costs are utilized by the worker, any subsequent assessment of whether vocational rehabilitation is both necessary and likely to enable the injured worker to become employable at gainful employment under RCW 51.32.095(1) shall include consideration of the transferable skills obtained.

(iii) If the available vocational costs are utilized by the worker and the claim is thereafter reopened as provided in RCW 51.32.160, the cost available for any vocational plan is limited to that in subsection (3)(d) of this section less that previously expended.

(iv) Option 2 may only be elected once per worker.

(c) The director, in his or her sole discretion, may provide the worker vocational assistance not to exceed that in subsection (3) of this section, without regard to the worker's prior option selection or benefits expended, where vocational assistance would prevent permanent total disability under RCW 51.32.060.

(5)(a) As used in this section, "vocational plan interruption" means an occurrence which disrupts the plan to the extent the employability goal is no longer attainable. "Vocational plan interruption" does not include institutionally scheduled breaks in educational programs, occasional absence due to illness, or modifications to the plan which will allow it to be completed within the cost and time provisions of subsection (3)(d) and (e) of this section.

(b) When a vocational plan interruption is beyond the control of the worker, the department or self-insurer shall recommence plan development. If necessary to complete vocational services, the cost and duration of the plan may include credit for that expended prior to the interruption. A vocational plan interruption is considered outside the control of the worker when it is due to the closure of the accredited institution, when it is due to a death in the worker's immediate family, or when documented changes in the worker's accepted medical conditions prevent further participation in the vocational plan.

(c) When a vocational plan interruption is the result of the worker's actions, the worker's entitlement to benefits shall be suspended in accordance with RCW 51.32.110. If plan development or implementation is recommenced, the cost and duration of the plan shall not include credit for that expended prior to the interruption. A vocational plan interruption is considered a result of the worker's actions when it is due to the failure to meet attendance expectations set by the training or educational institution, failure to achieve passing grades or acceptable performance review, unaccepted or postinjury conditions that prevent further participation in the vocational plan, or the worker's failure to abide by the accountability agreement per subsection (3)(a) of this section."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is difficult for many property owners to pay property taxes under the current system in which past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may result in a more stable source of revenues for local governments and provide some relief for property owners.

Sec. 2. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, ~~((shall be))~~ are delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax

is due and payable on or before the thirty-first day of October following and (~~shall be~~) are delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the full year amount of tax unpaid from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of payment of the tax, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(6) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict on delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(7) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(8)(a) In accordance with the requirements and conditions of this subsection (8), the county treasurer of a county with a population of eight hundred thousand or more must establish an installment payment program for taxpayers delinquent on taxes due and payable in any year prior to the calendar year in which an application to participate in the program is submitted. The county treasurer from any other county may also establish a similar installment program, but is not required to do so. In a county with a population of eight hundred thousand or more, the installment payment program must be implemented by calendar year 2014, but may be implemented earlier.

(b) A taxpayer must submit an application to the county treasurer in a form and manner required by the county treasurer. The application must specify the timing of payments and payment amounts. A county treasurer may establish a reasonable minimum payment threshold, a reasonable maximum time period in which a taxpayer must become current on delinquent taxes, penalties, and interest, and any other reasonable requirements for an installment payment program under this subsection.

(c) To initially qualify and to remain in the program, a taxpayer may not be delinquent on taxes due and payable in the calendar year in which the application is submitted nor become delinquent on any taxes due and payable in subsequent calendar years.

(d) The county treasurer may not assess interest and penalties on delinquent property taxes that are included within the installment payment program beginning on the first day of the month in which the taxpayer is first admitted into the program. Interest and penalties that have been assessed prior to this date remain due and payable as provided in the payment program. A taxpayer is disqualified immediately from the program if the taxpayer does not make payments in accordance with the program on more than two occasions. If a taxpayer is disqualified from the program for any reason, all penalties and interest that would have otherwise been

assessed become immediately due and payable.

(e) The department, collaborating with any county treasurer participating in the installment payment program under this subsection, must prepare a report to the legislature consistent with RCW 43.01.036. The report must summarize the effectiveness of the pilot program in increasing payments on past due taxes and include information on the number of applicants, the number of active participants, the number of participants who have paid off all past due taxes, and the total amount of revenue collected under the pilot program. The report may include any recommendations to the legislature to improve the effectiveness of the pilot program. The report is due on the first December 1st occurring after the pilot program has been operating for at least twenty-four months.

(9) For purposes of this chapter, "interest" means both interest and penalties.

~~((9))~~ (10) All collections of interest on delinquent taxes must be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

~~((10))~~ (11)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, penalties, interest, and charges by electronic bill presentment and payment. Electronic bill presentment and payment may be utilized as an option by the taxpayer, but the treasurer may not require the use of electronic bill presentment and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for past due payments or prepayments. All prepayments must be paid in full by the due date specified in (c) of this subsection.

(b) The treasurer must provide, by electronic means, a payment agreement that may include past due payment or prepayment collection charges. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic bill.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the thirty-first day of October following and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county legislative authority may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfer payments on a monthly basis. Monthly payments must first be applied to penalties and interest.

(e) The treasurer must pay any collection costs, investment earnings, or both on prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

~~((11))~~ (12) For purposes of this section, the following definitions apply:

(a) "Electronic bill presentment and payment" means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic payment from a person's checking account, debit account, or credit card.

(b) "Internet" has the same meaning as provided in RCW 19.270.010."

The legislature further finds that hoteliers are the cornerstone of the tourism industry and are the entities that generate lodging tax revenues that benefit the local jurisdictions throughout the state. The legislature further finds that lodging tax revenues stimulate economic activity when the use of

revenues is specific and targeted based on the differing needs of local jurisdictions.

(2) Because of the diverging needs of local jurisdictions, the legislature intends to continue to allow the expanded uses of lodging tax revenues to promote tourism and increase economic activity for local jurisdictions. The legislature further intends to subject the use of lodging tax revenues to a periodic review to ensure that the incremental economic benefit is measured and that the use of lodging tax revenues continues to increase tourism and generate revenue for local jurisdictions.

This economic impact report, at a minimum, must include: (a) The total revenue received under this chapter for each year; (b) the list of festivals, special events, or nonprofit 501(c)(3) or 501(c)(6) organizations that received funds under this chapter; (c) the list of festivals, special events, or tourism facilities sponsored or owned by the local jurisdiction that received funds under this chapter; (d) the amount of revenue expended on each festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; (e) the estimated number of tourists, persons traveling over fifty miles to the destination, persons remaining at the destination overnight, and lodging stays generated per festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; and (f) any other measurements the local government finds that demonstrate the impact of the increased tourism attributable to the festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction.

(3) The joint legislative audit and review committee must report to the legislature and the governor on the use and economic impact of lodging tax revenues by local jurisdictions since January 1, 2008, to support festivals, special events, and tourism-related facilities owned or sponsored by a nonprofit organization under section 501(c)(3) or 501(c)(6) of the internal revenue code of 1986, as amended, or a local jurisdiction, and the economic impact generated by these festivals, events, and facilities. SB 5145 Prime Sponsor, Senator Keiser: Allowing fire departments to develop a community assistance referral and education services program. Reported by Committee on Public Safety

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:
 "NEW SECTION. Sec. 1. A new section is added to chapter 35.21 RCW to read as follows:

(1) Any fire department may develop a community assistance referral and education services program to provide community outreach and assistance to residents of its district in order to advance injury and illness prevention within its community. The program should identify members of the community who use the 911 system for low acuity assistance calls (calls that are nonemergency or nonurgent) and connect them to their primary care providers, other health care professionals, low-cost medication programs, and other social services. The program may also provide a fire department-based, nonemergency contact in order to provide an alternative resource to the 911 system. The program may hire health care professionals as needed.

(2) A participating fire department may seek grant opportunities and private gifts in order to support its community assistance referral and education services program.

(3) In developing a community assistance referral and education services program, a fire department may consult with the health care personnel shortage task force to identify health care professionals capable of working in a nontraditional setting and providing assistance, referral, and education services.

(4) Community assistance referral and education services programs implemented under this section must, at least annually, measure any reduction of repeated use of the 911 emergency system and any reduction in avoidable emergency room trips attributable to implementation of the program. Results of findings under this subsection must be reportable to the legislature or other local governments upon request. Findings should include estimated amounts of medicaid dollars that would have been spent on emergency room visits had the program not been in existence.

(5) For purposes of this section, "fire department" includes city and town fire departments, fire protection districts organized under Title 52 RCW, and regional fire authorities organized under chapter 52.26 RCW."

(a)(i) Maintain a fidelity bond or bonds in an amount of not less than one million dollars executed by an insurer authorized to do business in this state for the benefit of a client of the exchange facilitator that suffers a direct financial loss as a result of the exchange facilitator's covered dishonest act. Such fidelity bond must cover the acts of employees of an exchange facilitator and owners of a nonpublicly traded exchange facilitator; or

(ii) Deposit all exchange funds in a qualified escrow account or qualified trust, as both terms are defined under treasury regulation section 1.1031(k)-1(g)(3), with a financial institution. ~~((The qualified escrow account or qualified trust must provide that))~~ If an exchange facilitator deposits exchange funds in a qualified escrow account or qualified trust:

protects clients against losses caused by criminal acts of the exchange facilitator, or to hold all client funds in a qualified escrow account or qualified trust that requires your consent for withdrawals. All exchange funds must be deposited in a separately identified account using your taxpayer identification number. You must receive written notification of how your exchange funds have been deposited. Your exchange facilitator is required to provide you with written directions of how to independently verify the deposit of the exchange funds. Exchange facilitation services are not regulated by any agency of the state of Washington or of the United States government. It is your responsibility to determine that your exchange funds will be held in a safe manner." If recommending other products or services, the exchange facilitator must disclose to the client that the exchange facilitator may receive a financial benefit, such as a commission or referral fee, as a result of such recommendation. The exchange facilitator must not recommend or suggest to a client the use of services of another organization or business entity in which the exchange facilitator has a direct or indirect interest without full disclosure of such interest at the time of recommendation or suggestion.

(2) An exchange facilitator must provide evidence to each client that the requirements of this section are satisfied before entering into an exchange agreement.

(3) Upon request of a current or prospective client, or the attorney general under chapter 19.86 RCW, the exchange facilitator must offer evidence proving that the requirements of this section are satisfied at the time of the request.

Sec. 3. RCW 19.310.050 and 2009 c 70 s 6 are each amended to read as follows:

(1) A person who claims to have sustained damages by reason of the fraudulent act or covered dishonest act((s)) of an exchange facilitator or an exchange facilitator's employee may file a claim on the fidelity bond ~~((or approved alternative described in RCW 19.310.040 to recover the damages)).~~

(2) The remedies provided under this section are cumulative and nonexclusive and do not affect any other remedy available at law.

Sec. 4. RCW 19.310.080 and 2009 c 70 s 9 are each amended to read as follows:

(1) A person who engages in business as an exchange facilitator shall act as a custodian for all exchange funds, including money, property, other consideration, or instruments received by the exchange facilitator from, or on behalf of, the client, except funds received as the exchange facilitator's compensation. The exchange facilitator shall hold the exchange funds in a manner that provides liquidity and preserves both principal and any earned interest, and if invested, shall invest those exchange funds in investments that meet a prudent investor standard and satisfy investment goals of liquidity and preservation of principal and any earned interest. For purposes of this section, a violation of the prudent investor standard includes, but is not limited to, a transaction in which:

(a) Exchange funds are knowingly commingled by the exchange facilitator with the operating accounts of the exchange facilitator, except that the exchange facilitator's fee may be deposited as part of the exchange transaction into the same account as that containing exchange funds, in which event the exchange facilitator must promptly withdraw the fee;

(b) Exchange funds are loaned or otherwise transferred to any person or entity, other than a financial institution, that is affiliated with or related to the exchange facilitator, except that this subsection (1)(b) does not apply to the transfer of funds from an exchange facilitator to an exchange accommodation titleholder in accordance with an exchange contract;

(c) Exchange funds are invested in a manner that does not provide sufficient liquidity to meet the exchange facilitator's contractual obligations to its clients, unless insufficient liquidity occurs as the result of: (i) Events beyond the prediction or control of the exchange

facilitator including, but not limited to, failure of a financial institution; or (ii) an investment specifically requested by the client; or

(d) Exchange funds are invested in a manner that does not preserve the principal of the exchange funds, unless loss of principal occurs as the result of: (i) Events beyond the prediction or control of the exchange facilitator; or (ii) an investment specifically requested by the client.

(2) Exchange funds are not subject to execution or attachment on any claim against the exchange facilitator.

Sec. 5. RCW 19.310.100 and 2009 c 70 s 11 are each amended to read as follows:

A person who engages in business as an exchange facilitator shall not, with respect to a like-kind exchange transaction(~~(-knowingly or with criminal negligence))~~):

(1) Make a false, deceptive, or misleading material representation, directly or indirectly, concerning a like-kind transaction;

(7) Loan or otherwise transfer exchange funds to any person or entity, other than a financial institution, that is affiliated with or related to the exchange facilitator, except for the transfer of funds from an exchange facilitator to an exchange accommodation title holder in accordance with an exchange contract;

(8) Keep, or cause to be kept, any money in any bank, credit union, or other financial institution under a name designating the money as belonging to the client of any exchange facilitator, unless that money belongs to that client and was entrusted to the exchange facilitator by that client;

(9) Fail to fulfill its contractual duties to the client to deliver property or funds to the taxpayer in a material way unless such a failure is due to ~~((circumstances beyond the control of the exchange facilitator))~~: (a) Events beyond the prediction or control of the exchange facilitator; or (b) an investment specifically requested by the client;

(10) Commit, including commission by its owners, officers, directors, employees, agents, or independent contractors, any crime involving fraud, misrepresentation, deceit, embezzlement, misappropriation of funds, robbery, or other theft of property;

(11) Fail to make disclosures required by any applicable state law; or

(12) Make any false statement or omission of material fact in connection with any reports filed by an exchange facilitator or in connection with any investigation conducted by the department of financial institutions.

Sec. 6. RCW 19.310.110 and 2009 c 70 s 12 are each amended to read as follows:

(1) An exchange facilitator must deposit all client funds in(~~(=~~ ~~—(a) For accounts with a value of five hundred thousand dollars or more,))~~ a separately identified account, as defined in treasury regulation section 1.468B-6(c)(ii), for the particular client or client's matter, and the client must receive all the earnings credited to the separately identified account(~~(=~~ ~~—(b) For accounts with a value less than five hundred thousand dollars, (i) a pooled interest bearing trust account if the client agrees to pooling in writing; or (ii) if the client does not agree to pooling, in a~~

~~separately identified account, as defined in treasury regulation section 1.468B-6(c)(ii)).~~

(2) An exchange facilitator must provide the client with written notification of how the exchange proceeds have been invested or deposited.

Sec. 7. RCW 19.310.120 and 2012 c 34 s 4 are each amended to read as follows:

(1) Failure to fulfill the requirements under RCW 19.310.040 constitutes prima facie evidence that the exchange facilitator intended to defraud a client who suffered a subsequent loss of the asset entrusted to the exchange facilitator.

(2) A person who engages in business as an exchange facilitator and who knowingly violates RCW 19.310.100 (1) through ~~((8))~~ (9) or fails to comply with the requirements under RCW 19.310.040 is guilty of a class B felony under chapter 9A.20 RCW. However, an exchange facilitator is not guilty of a class B felony for failure to comply with the requirements under RCW 19.310.040 if: (a) Failure to comply is due to the cancellation or amendment of the fidelity bond by the bond issuer; and (b) the exchange facilitator:

(i) Within thirty days, takes all reasonable steps to comply with the requirements under RCW 19.310.040; and

(ii) Deposits any new exchange funds into a qualified escrow account or qualified trust until a fidelity bond is obtained that meets the requirements under RCW 19.310.040(1)(a)(i)."

Each commissioner shall receive ninety dollars for each day or portion thereof spent in actual attendance at official meetings of the district commission, or in performance of other official services or duties on behalf of the district, to include meetings of the commission of his or her own district, or meetings attended by one or more commissioners of two or more districts called to consider business

common to them, except that the total compensation paid to such commissioner during any one year shall not exceed eight thousand six hundred forty dollars. The commissioners may not be compensated for services performed of a ministerial or professional nature.

Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the district as provided in this section. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. SSB 5369

Prime Sponsor, Committee on Energy, Environment & Telecommunications: Concerning the use of geothermal resources. Reported by Committee on Environment

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Because related geothermal resources may be present on contiguous private, state, and federal lands within the state, there is a need to provide greater conformity with the state's geothermal resources statutes and the federal statutes defining geothermal resources and clarify that ownership of geothermal resources resides with the surface owner unless the interest is otherwise reserved or conveyed.

(2) It is in the public interest to encourage and foster the development of geothermal resources in the state, and the legislature intends to align the state statutes defining geothermal resources with current federal law with which developers are familiar, and clarify the respective regulatory roles of state agencies.

(3) Geothermal resources suitable for energy development are located at much greater depths than the aquifers relied upon for other beneficial uses, but in the event that a geothermal well draws from the same source as other uses, a coordinated and streamlined permitting of geothermal development can better ensure that any interference with existing water uses will be addressed and eliminated. It is the intent of this act that no water uses associated with a geothermal well impair any water use authorized through appropriation under Title 90 RCW.

(4) Changes to federal law in 2005 require a distribution of a portion of geothermal energy revenues from leases on federal land directly to the county in which the lease activity occurs, and therefore it is appropriate that the additional distribution to the state be provided for statewide uses relating to geothermal energy assessment, exploration, and production.

Sec. 2. RCW 78.60.030 and 1974 ex.s. c 43 s 3 are each amended to read as follows:

~~((For the purposes of this chapter, unless the text otherwise requires, the following terms shall have the following meanings:))~~
The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

~~(1)(a) "Geothermal resources" ((means only that natural heat energy of the earth from which it is technologically practical to produce electricity commercially and the medium by which such heat energy is extracted from the earth, including liquids or gases, as well as any minerals contained in any natural or injected fluids, brines and associated gas, but excluding oil, hydrocarbon gas and other hydrocarbon substances))~~ includes the natural heat of the earth, the energy, in whatever form, below the surface of the earth present in,

resulting from, or created by, or that may be extracted from, the natural heat, and all minerals in solution or other products obtained from naturally heated fluids, brines, associated gases and steam, in whatever form, found below the surface of the earth, exclusive of helium or oil, hydrocarbon gas or other hydrocarbon substances, but including, specifically:

(i) All products of geothermal processes, including indigenous steam, and hot water and hot brines;

(ii) Steam and other bases, hot water and hot brines resulting from water, gas, or other fluids artificially introduced into geothermal formations;

(iii) Heat or other associated energy found in geothermal formations; and

(iv) Any by-product derived from them.

(b) "Geothermal resources" does not include heat energy used in ground source heat exchange systems for ground source heat pumps.

(2) "Waste", in addition to its ordinary meaning, shall mean "physical waste" as that term is generally understood and shall include:

(a) The inefficient, excessive, or improper use of, or unnecessary dissipation of, reservoir energy; or the locating, spacing, drilling, equipping, operating or producing of any geothermal energy well in a manner which results, or tends to result, in reducing the quantity of geothermal energy to be recovered from any geothermal area in this state;

(b) The inefficient above-ground transporting or storage of geothermal energy; or the locating, spacing, drilling, equipping, operating, or producing of any geothermal well in a manner causing, or tending to cause, unnecessary excessive surface loss or destruction of geothermal energy;

(c) The escape into the open air, from a well of steam or hot water, in excess of what is reasonably necessary in the efficient development or production of a geothermal well.

(3) "Geothermal area" means any land that is, or reasonably appears to be, underlain by geothermal resources.

(4) "Energy transfer system" means the structures and enclosed fluids which facilitate the utilization of geothermal energy. The system includes the geothermal wells, cooling towers, reinjection wells, equipment directly involved in converting the heat energy associated with geothermal resources to mechanical or electrical energy or in transferring it to another fluid, the closed piping between such equipment, wells and towers and that portion of the earth which facilitates the transfer of a fluid from reinjection wells to geothermal wells: PROVIDED, That the system shall not include any geothermal resources which have escaped into or have been released into the nongeothermal ground or surface waters from either man-made containers or through leaks in the structure of the earth caused by or to which access was made possible by any drilling, redrilling, reworking or operating of a geothermal or reinjection well.

(5) "Operator" means the person supervising or in control of the operation of a geothermal resource well, whether or not such person is the owner of the well.

(6) "Owner" means the person who possesses the legal right to drill, convert or operate any well or other facility subject to the provisions of this chapter.

(7) "Person" means any individual, corporation, company, association of individuals, joint venture, partnership, receiver, trustee, guardian, executor, administrator, personal representative, or public agency that is the subject of legal rights and duties.

(8) "Pollution" means any damage or injury to ground or surface waters, soil or air resulting from the unauthorized loss, escape, or disposal of any substances at any well subject to the provisions of this chapter.

(9) "Department" means the department of natural resources.

(10) "Well" means any excavation made for the discovery or production of geothermal resources, or any special facility, converted

producing facility, or reactivated or converted abandoned facility used for the reinjection of geothermal resources, or the residue thereof underground.

(11) "Core holes" are holes drilled or excavations made expressly for the acquisition of geological or geophysical data for the purpose of finding and delineating a favorable geothermal area prior to the drilling of a well.

(12) A "completed well" is a well that has been drilled to its total depth, has been adequately cased, and is ready to be either plugged and abandoned, shut-in, or put into production.

(13) "Plug and abandon" means to place permanent plugs in the well in such a way and at such intervals as are necessary to prevent future leakage of fluid from the well to the surface or from one zone in the well to the other, and to remove all drilling and production equipment from the site, and to restore the surface of the site to its natural condition or contour or to such condition as may be prescribed by the department.

(14) "Shut-in" means to adequately cap or seal a well to control the contained geothermal resources for an interim period.

(15) "By-product" means any mineral or minerals, not including oil, hydrocarbon gas, or helium, which are found in solution or in association with geothermal steam and that have a value of less than seventy-five percent of the value of the geothermal resource or are not, because of quantity, quality, or technical difficulties in extraction and production, of sufficient value to warrant extraction and production by themselves.

Sec. 3. RCW 78.60.040 and 1979 ex.s. c 2 s 1 are each amended to read as follows:

Notwithstanding any other provision of law, geothermal resources are found and hereby determined to be sui generis, being neither a mineral resource nor a water resource and as such are ~~(hereby)~~ declared to be the private property of the holder of the title to the surface land above the resource, unless the geothermal resources have been otherwise reserved by or conveyed to another person or entity. Nothing in this section divests the people of the state of any rights, title, or interest in geothermal resources owned by the state.

Sec. 4. RCW 78.60.060 and 2003 c 39 s 40 are each amended to read as follows:

(1) This chapter is intended to preempt local regulation of the drilling and operation of wells for geothermal resources but shall not be construed to permit the locating of any well or drilling when such well or drilling is prohibited under state or local land use law or regulations promulgated thereunder. Geothermal resources, by-products ~~(and/or)~~, or waste products which have escaped or been released from the energy transfer system ~~(and/or)~~ or a mineral recovery process shall be subject to provisions of state law relating to the pollution of ground or surface waters (Title 90 RCW), provisions of the state fisheries law and the state game laws (Title 77 RCW), and any other state environmental pollution control laws.

(2) Authorization for ~~(use of by-product water resources for all beneficial uses)~~ a consumptive or nonconsumptive use of water associated with a geothermal well, for purposes including but not limited to power production, greenhouse heating, warm water fish propagation, space heating plants, irrigation, swimming pools, and hot springs baths, shall be subject to the appropriation procedure as provided in Title 90 RCW, except for the following:

(a) Water that is removed from an aquifer or geothermal reservoir to develop and obtain geothermal resources if the water is returned to or reinjected into the same aquifer or reservoir; or

(b) The reasonable loss of water;

(i) During a test of a geothermal well; or

(ii) From the temporary failure of all or part of a system that removes water from an aquifer or geothermal reservoir, transfers the heat from that water, and reinjects that water into the same aquifer or reservoir.

(3) The department and the department of ecology shall cooperate to avoid duplication and to promote efficiency in issuing permits and other approvals for these uses.

(4) Nothing in this act shall affect or operate to impair any existing water rights.

NEW SECTION. Sec. 5. The purpose of this chapter is to provide for the allocation of revenues distributed to the state under section 35 of the Mineral Lands Leasing Act of 1920, as amended (30 U.S.C. Sec. 191), with respect to activities of the United States bureau of land management undertaken pursuant to the Geothermal Steam Act of 1970 (30 U.S.C. NEW SECTION. Sec. 6. (1) There is created the geothermal account in the state treasury. All expenditures from this account are subject to appropriation and chapter 43.88 RCW.

(2) All revenues received by the state treasurer under section 35 of the Mineral Lands Leasing Act of 1920, as amended (30 U.S.C. (1) Seventy percent to the department of natural resources for geothermal exploration and assessment; and

(2) Thirty percent to Washington State University or its statutory successor for the purpose of encouraging the development of geothermal energy.

NEW SECTION. Sec. 8. Sections 5 through 7 of this act constitute a new chapter in Title 43 RCW.

(6) The department shall identify, using all reasonable means, manufacturers that are in business or that are no longer in business but that have a successor in interest by examining best available return share data, product advertisements, and other pertinent data. The department shall notify manufacturers that have been identified and for whom an address has been found of the requirements of this chapter, including registration and plan requirements under this section and RCW 70.95N.050.

Sec. 3. RCW 70.95N.050 and 2006 c 183 s 5 are each amended to read as follows:

(4)(a) Manufacturers collectively submitting an independent plan are responsible for collecting, transporting, and recycling the sum of the equivalent shares of each participating manufacturer.

(b) Each group of manufacturers submitting an independent plan must designate a party authorized to file the plan with the department on their behalf. A letter of certification from each of the manufacturers designating the authorized party must be submitted to the department together with the plan.

(5) Each manufacturer in the standard plan or in an independent plan retains responsibility and liability under this chapter in the event that the plan fails to meet the manufacturer's obligations under this chapter.

Sec. 4. RCW 70.95N.090 and 2006 c 183 s 9 are each amended to read as follows:

(1) A program must provide collection services for covered electronic products of all product types and produced by any manufacturer that are reasonably convenient and available to all citizens of the state residing within its geographic boundaries, including both rural and urban areas. Each program must provide collection service in every county of the state. A program may provide collection services jointly with another plan or plans.

(a) For any city or town with a population of greater than ten thousand, each program shall provide a minimum of one collection site or alternate collection service described in subsection (3) of this section or a combination of sites and alternate service that together provide at least one collection opportunity for all product types. A collection site for a county may be the same as a collection site for a city or town in the county.

(b) Collection sites may include electronics recyclers and repair shops, recyclers of other commodities, reuse organizations, charities, retailers, government recycling sites, or other suitable locations.

(c) Collection sites must be staffed, open to the public at a frequency adequate to meet the needs of the area being served, and on an on-going basis.

(2) A program may limit the number of covered electronic products or covered electronic products by product type accepted per customer per day or per delivery at a collection site or service. All covered entities may use a collection site as long as the covered entities adhere to any restrictions established in the plans.

(3) A program may provide collection services in forms different than collection sites, such as curbside services, if those alternate services provide equal or better convenience to citizens and equal or increased recovery of unwanted covered electronic products.

(4) For rural areas without commercial centers or areas with widely dispersed population, a program may provide collection at the nearest commercial centers or solid waste sites, collection events, mail-back systems, or a combination of these options.

(5) For small businesses, small governments, charities, and school districts that may have large quantities of covered electronic products that cannot be handled at collection sites or curbside services, a program may provide alternate services. At a minimum, a program must provide for processing of these large quantities of covered electronic products at no charge to the small businesses, small governments, charities, and school districts.

(2) For program years 2009 through 2014, the sampling must be conducted in the presence of the department or a third-party organization approved by the department. The department may, at its discretion, audit the methodology and the results.

(3) After the fifth program year through the 2014 program year, the department may reassess the sampling required in this section. The department may adjust the frequency at which manufacturers must implement the sampling or may adjust the frequency at which

manufacturers must provide certain information from the sampling. Prior to making any changes, the department shall notify the public, including all registered manufacturers, and provide a comment period. The department shall notify all registered manufacturers of any such changes.

(1) For program years 2009 through 2015, the department shall determine the total equivalent share for each manufacturer in the standard plan or an independent plan by dividing the return share percentage for each manufacturer by one hundred, then multiplying the quotient by the total weight in pounds of covered electronic products collected for that program year, allowing as needed for the additional credit authorized in subsection (3) of this section. For program year 2016 and all subsequent program years, the department shall determine the total equivalent share for each manufacturer in the standard plan or an independent plan by dividing the market share percentage for each manufacturer by one hundred, then multiplying the quotient by the total weight in pounds of covered electronic products collected for that program year, allowing as needed for the additional credit authorized in subsection (3) of this section.

(2)(a) By June 1st of each program year, the department shall notify each manufacturer of the manufacturer's equivalent share of covered electronic products to be applied to the previous program year. The department shall also notify each manufacturer of how its equivalent share was determined.

authorized party or authority shall remit payment to the department within sixty days from the billing date.

(c) By September 1st of each program year, the department shall pay any authorized party or authority that exceeded its plan's equivalent share.

(3) Plans that utilize the collection services of nonprofit charitable organizations that qualify for a taxation exemption under section 501(c)(3) of the internal revenue code of 1986 (26 U.S.C. Sec. 501(c)(3)) that are primarily engaged in the business of reuse and resale must be given an additional five percent credit to be applied toward a plan's equivalent share for pounds that are received for recycling from those organizations. The department may adjust the percentage of credit annually.

Sec. 10. RCW 70.95N.210 and 2006 c 183 s 21 are each amended to read as follows:

(1) By June 1, 2007, the department shall notify each manufacturer of its preliminary return share of covered electronic products for the first program year.

(1) The department shall adopt rules to determine the process for manufacturers to change plans under RCW 70.95N.080.

(2) The department shall establish annual registration and plan review fees for administering this chapter. An initial fee schedule must be established by rule and be adjusted no more often than once every two years. All fees charged must be based on factors relating to administering this chapter and be based on a sliding scale that is representative of annual sales of covered electronic products in the state, either by weight or unit, or by representative market share. Fees must be established in amounts to fully recover and not to exceed expenses incurred by the department to implement this chapter.

(3) The department shall establish an annual process for local governments and local communities to report their satisfaction with the services provided by plans under this chapter. This information

must be used by the department in reviewing plan updates and revisions.

Sec. 12. RCW 70.95N.290 and 2008 c 79 s 1 are each amended to read as follows:

For program years 2009 through 2015, five board positions are reserved for representatives of the top ten brand owners by return share of covered electronic products, and six board positions are reserved for representatives of other brands, including at least one board position reserved for a manufacturer who is also a retailer selling their own private label. The return share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by January 1, 2007. For program years 2016 and beyond, five board positions are reserved for representatives of the top ten brand owners by market share of covered electronic products, and six board positions are reserved for representatives of other brands, including at least one board position reserved for a manufacturer who is also a retailer selling its own private label. The market share of covered electronic products used to determine the top ten brand owners for purposes of electing the board must be determined by the department by October 1, 2015.

(b) The board must have representation from both television and computer manufacturers.

(2) The board shall select from its membership the chair of the board and such other officers as it deems appropriate.

(3) A majority of the board constitutes a quorum.

(4) The directors of the department of ~~((community, trade, and economic development))~~ commerce and the department of ecology serve as ex officio members. The state agency directors serving in ex officio capacity may each designate an employee of their respective departments to act on their behalf in all respects with regard to any matter to come before the authority. Ex officio designations must be made in writing and communicated to the authority director.

(5) The board shall create its own bylaws in accordance with the laws of the state of Washington.

(6) Any member of the board may be removed for misfeasance, malfeasance, or willful neglect of duty after notice and a public hearing, unless the notice and hearing are expressly waived in writing by the affected member.

(7) The members of the board serve without compensation but are entitled to reimbursement, solely from the funds of the authority, for expenses incurred in the discharge of their duties under this chapter.

Sec. 13. RCW 70.95N.300 and 2006 c 183 s 31 are each amended to read as follows:

(1) Manufacturers participating in the standard plan shall pay the authority to cover all administrative and operational costs associated with the collection, transportation, and recycling of covered electronic products within the state of Washington incurred by the standard program operated by the authority to meet the standard plan's equivalent share obligation as described in RCW 70.95N.280(5).

(2) The authority shall assess charges on each manufacturer participating in the standard plan and collect funds from each participating manufacturer for the manufacturer's portion of the costs in subsection (1) of this section. For program years 2009 through 2015, such apportionment ((shall)) must be based on return share, market share, any combination of return share and market share, or any other equitable method. For the 2016 program year and all subsequent program years, such apportionment must be based on market share. The authority's apportionment of costs to manufacturers participating in the standard plan may not include nor be based on electronic products imported through the state and subsequently exported outside the state. Charges assessed under this

section must not be formulated in such a way as to create incentives to divert imported electronic products to ports or distribution centers in other states. The authority shall adjust the charges to manufacturers participating in the standard plan as necessary in order to ensure that all costs associated with the identified activities are covered.

(3) The authority may require financial assurances or performance bonds for manufacturers participating in the standard plan, including but not limited to new entrants and white box manufacturers, when determining equitable methods for apportioning costs to ensure that the long-term costs for collecting, transporting, and recycling of a covered electronic product are borne by the appropriate manufacturer in the event that the manufacturer ceases to participate in the program.

(4) Nothing in this section authorizes the authority to assess fees or levy taxes directly on the sale or possession of electronic products.

(5) If a manufacturer has not met its financial obligations as determined by the authority under this section, the authority shall notify the department that the manufacturer is no longer participating in the standard plan.

(6) For program years 2009 through 2015, the authority shall submit its plan for assessing charges and apportioning cost on manufacturers participating in the standard plan to the department for review and approval along with the standard plan as provided in RCW 70.95N.060.

(7)(a) Any manufacturer participating in the standard plan may appeal an assessment of charges or apportionment of costs levied by the authority under this section by written petition to the director of the department. The director of the department or the director's designee shall review all appeals within timelines established by the department and shall reverse any assessments of charges or apportionment of costs if the director finds that the authority's assessments or apportionment of costs was an arbitrary administrative decision, an abuse of administrative discretion, or is not an equitable assessment or apportionment of costs. The director shall make a fair and impartial decision based on sound data. If the director of the department reverses an assessment of charges, the authority must redetermine the assessment or apportionment of costs.

(b) Disputes regarding a final decision made by the director or director's designee may be challenged through arbitration. The director shall appoint one member to serve on the arbitration panel and the challenging party shall appoint one other. These two persons shall choose a third person to serve. If the two persons cannot agree on a third person, the presiding judge of the Thurston county superior court shall choose a third person. The decision of the arbitration panel shall be final and binding, subject to review by the superior court solely upon the question of whether the decision of the panel was arbitrary or capricious.

Concerning a sales and use tax exemption for disabled veterans and members of the armed forces for certain equipment and services that

March 19, 2013

assist physically challenged persons to safely operate a motor vehicle. Reported by Committee on Community Development, Housing & Tribal Affairs

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax imposed by RCW 82.08.020 does not apply to sales to eligible purchasers of prescribed add-on automotive adaptive equipment, including charges incurred for labor and services rendered in respect to the installation and repairing of such equipment. The exemption provided in this section only applies if the eligible purchaser is reimbursed in whole or part for the purchase by the United States department of veterans affairs or other federal agency, and the reimbursement is paid directly by the federal agency to the seller.

(2) Sellers making tax-exempt sales under this section must obtain an exemption certificate from the eligible purchaser in a form and manner prescribed by the federal agency that provides the reimbursement. The seller must retain a copy of the exemption certificate for the seller's files. In lieu of an exemption certificate, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

(3) For purposes of this section, the following definitions apply unless the context clearly requires otherwise:

(a) "Add-on automotive adaptive equipment" means equipment installed in, and modifications made to, a motor vehicle that are necessary to assist physically challenged persons to enter, exit, or safely operate a motor vehicle. The term includes but is not limited to wheelchair lifts, wheelchair restraints, ramps, under vehicle lifts, power door openers, power seats, lowered floors, raised roofs, raised doors, hand controls, left foot gas pedals, chest and shoulder harnesses, parking brake extensions, dual battery systems, steering devices, reduced and zero effort steering and braking, voice-activated controls, and digital driving systems. The term does not include motor vehicles and equipment installed in a motor vehicle by the manufacturer of the motor vehicle.

(b) "Eligible purchaser" means a veteran, or member of the armed forces serving on active duty, who is disabled, regardless of whether the disability is service connected as that term is defined by federal statute 38 U.S.C. Sec. 101, as amended, as of August 1, 2013.

(c) "Prescribed add-on automotive adaptive equipment" means add-on automotive adaptive equipment prescribed by a physician.

NEW SECTION. Sec. 2. A new section is added to chapter 82.12 RCW to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of prescribed add-on automotive adaptive equipment or to labor and services rendered in respect to the installation and repairing of such equipment. The exemption under this section only applies if the sale of the prescribed add-on automotive adaptive equipment or labor and services was exempt from sales tax under section 1 of this act or

would have been exempt from sales tax under section 1 of this act if the equipment or labor and services had been purchased in this state.

(2) For purposes of this section, "prescribed add-on automotive adaptive equipment" has the same meaning as provided in section 1 of this act.

(b) Sales may be made in person, by mail, by fax, or by telephone only. Raffle ticket order forms may be printed from the bona fide charitable or nonprofit organization's web site. Obtaining the form in this manner does not constitute a sale.

(c) Tickets purchased as part of a multiple ticket package may be purchased at a discount.

(d) Multiple smaller prizes are authorized during the course of an enhanced raffle for a grand prize including, but not limited to, early bird, refer a friend, and multiple ticket drawings.

(e) A purchase contract is not necessary for smaller noncash prizes, but the bona fide charitable or nonprofit organization must be able to demonstrate that such a prize is available and sufficient funds are held in reserve in the event that the winner chooses a noncash prize.

(f) All enhanced raffles and associated smaller raffles must be independently audited, as defined by the commission during rule making. The audit results must be reported to the commission.

(g) Call centers, when licensed by the commission, are authorized. The bona fide charitable or nonprofit organization may contract with a call center vendor to receive enhanced raffle ticket sales. The vendor may not solicit sales. The vendor may be located outside the state, but the bona fide charitable or nonprofit organization must have a contractual relationship with the vendor stating that the vendor must comply with all applicable Washington state laws and rules.

(h) The bona fide charitable or nonprofit organization must be the primary recipient of the funds raised.

(i) Sales data may be transmitted electronically from the vendor to the bona fide charitable or nonprofit organization. Credit cards, issued by a state regulated or federally regulated financial institution, may be used for payment to participate in enhanced raffles.

(j) Receipts including ticket confirmation numbers may be sent to ticket purchasers either by mail or by e-mail.

(k) In the event the bona fide charitable or nonprofit organization determines ticket sales are insufficient to qualify for a complete enhanced raffle to move forward, the enhanced raffle winner must receive fifty percent of the net proceeds in excess of expenses as the grand prize. The enhanced raffle winner will receive a choice between an annuity value equal to fifty percent of the net proceeds in excess of expenses paid by annuity over twenty years, or a one-time cash payment of seventy percent of the annuity value.

(l) A bona fide charitable or nonprofit organization is authorized to hire a consultant licensed by the commission to run an enhanced raffle; in addition, the bona fide charitable or nonprofit organization must have a dedicated employee who is responsible for oversight of enhanced raffle operations. The bona fide charitable or nonprofit organization is ultimately responsible for ensuring that an enhanced raffle is conducted in accordance with all applicable state laws and rules.

(4) The commission has the authority to set fees for bona fide charitable or nonprofit organizations, call center vendors, and consultants conducting enhanced raffles authorized under this section.

(5) The commission has the authority to adopt rules governing the licensing and operation of enhanced raffles.

(6) Except as specifically authorized in this section, enhanced raffles must be held in accordance with all other requirements of this chapter, other applicable laws, and rules of the commission.

(7) For the purposes of this section:

(a) "Enhanced raffle" means a game in which tickets bearing an individual number are sold for not more than two hundred fifty dollars each and in which a grand prize and smaller prizes are awarded on the basis of drawings from the tickets by the person or persons conducting the game. An enhanced raffle may include additional related entries and drawings, such as early bird, refer a friend, and multiple ticket drawings when the bona fide charitable or nonprofit organization establishes the eligibility standards for such entries and drawings before any enhanced raffle tickets are sold. No drawing may occur by using a random number generator or similar means.

(b) "Early bird drawing" means a separate drawing for a separate prize held prior to the grand prize drawing. All tickets entered into the early bird drawing, including all early bird winning tickets, are

entered into subsequent early bird drawings, and also entered into the drawing for the grand prize.

(c) "Refer a friend drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers, known as the referring friend, who refer other persons to the enhanced raffle when the other person ultimately purchases an enhanced raffle ticket. The referring friend will receive one ticket for each friend referred specifically for the refer a friend drawing. In addition, each friend referred could also become a referring friend and receive his or her own additional ticket for the refer a friend drawing.

(d) "Multiple ticket drawing" means a completely separate drawing, using tickets distinct from those for the enhanced raffle, for a separate prize held at the conclusion of the enhanced raffle for all enhanced raffle ticket purchasers who purchase a specified number of enhanced raffle tickets. For example, a multiple ticket drawing could include persons who purchase three or more enhanced raffle tickets in the same order, using the same payment information, with tickets in the same person's name. For each eligible enhanced raffle ticket purchased, the purchaser also receives a ticket for the multiple ticket drawing prize.

(e) "Western Washington" includes those counties west of the Cascade mountains, including Clallam, Clark, Cowlitz, Grays Harbor, Island, Jefferson, King, Kitsap, Lewis, Mason, Pacific, Pierce, San Juan, Skagit, Skamania, Snohomish, Thurston, Wahkiakum, and Whatcom.

(f) "Eastern Washington" includes those counties east of the Cascade mountains that are not listed in (e) of this subsection.

(8) By December 2017, the commission must report back to the appropriate committees of the legislature on enhanced raffles. The report must include results of the raffles, revenue generated by the raffles, and identify any state or federal regulatory actions taken in relation to enhanced raffles in Washington. The report must also make recommendations, if any, for policy changes to the enhanced raffle authority.

ESB 5104 Prime Sponsor, Senator Mullet: Placing epinephrine autoinjectors in schools. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that allergies are a serious medical disorder that affect more than one in five persons in the United States and are the sixth leading cause of chronic disease. Roughly one in thirteen children has a food allergy, and the incidence is rising. Up to forty percent of food-allergic children may be at risk for anaphylaxis, a severe and potentially life-threatening reaction. Anaphylaxis may also occur due to an insect sting, drug allergy, or other causes. Twenty-five percent of first-time anaphylactic reactions among children occur in a school setting. Anaphylaxis can occur anywhere on school property, including the classroom, playground, school bus, or on field trips.

(2) Rapid and appropriate administration of the drug epinephrine, also known as adrenaline, to a patient experiencing an anaphylactic reaction may make the difference between life and death. In a school setting, epinephrine is typically administered intramuscularly via an epinephrine autoinjector device. Medical experts agree that the benefits of emergency epinephrine administration far outweigh the risks.

(3) The legislature further finds that, on many days, as much as twenty percent of the nation's combined adult and child population can be found in public and nonpublic schools. Therefore, schools need to be prepared to treat potentially life-threatening anaphylactic reactions in the event a student is experiencing a first-time anaphylactic reaction, a student does not have his or her own epinephrine autoinjector device available, or if a school nurse is not in the vicinity at the time.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.210 RCW to read as follows:

(1) School districts and nonpublic schools may maintain at a school in a designated location a supply of epinephrine autoinjectors based on the number of students enrolled in the school.

(2)(a) A licensed health professional with the authority to prescribe epinephrine autoinjectors may prescribe epinephrine autoinjectors in the name of the school district or school to be maintained for use when necessary. Epinephrine prescriptions must be accompanied by a standing physician's order for the administration of school-supplied, undesignated epinephrine autoinjectors for potentially life-threatening allergic reactions.

(b) There are no changes to current prescription or self-administration practices for children with existing epinephrine autoinjector prescriptions or a physician guided anaphylaxis action plan.

(c) Epinephrine autoinjectors may be obtained from donation sources, but must be accompanied by a prescription.

(3)(a) When a student has a prescription for an epinephrine autoinjector on file, the school nurse or designated trained school personnel may utilize the school district or school supply of epinephrine autoinjectors to respond to an anaphylactic reaction under a standing protocol from a physician employed under RCW 28A.210.300 or any other physician with which the school has contracted for medical services.

(b) When a student does not have an epinephrine autoinjector or prescription for an epinephrine autoinjector on file, the school nurse may utilize the school district or school supply of epinephrine autoinjectors to respond to an anaphylactic reaction under a standing protocol from a physician employed under RCW 28A.210.300 or any other physician with which the school has contracted for medical services.

(c) Epinephrine autoinjectors may be used on school property, including the school building, playground, and school bus, as well as during field trips or sanctioned excursions away from school property. The school nurse or designated trained school personnel may carry an appropriate supply of school-owned epinephrine autoinjectors on field trips or excursions.

(4)(a) If a student is injured or harmed due to the administration of epinephrine that a licensed health professional with prescribing authority has prescribed and a pharmacist has dispensed to a school under this section, the licensed health professional with prescribing authority and pharmacist may not be held responsible for the injury unless he or she issued the prescription with a conscious disregard for safety.

(b) In the event a school nurse or other school employee administers epinephrine in substantial compliance with a student's prescription that has been prescribed by a licensed health professional within the scope of the professional's prescriptive authority, if applicable, and written policies of the school district or private school, then the school employee, the employee's school district or school of employment, and the members of the governing board and chief administrator thereof are not liable in any criminal action or for civil damages in their individual, marital, governmental, corporate, or other capacity as a result of providing the epinephrine.

(c) School employees, except those licensed under chapter 18.79 RCW, who have not agreed in writing to the use of epinephrine autoinjectors as a specific part of their job description, may file with the school district a written letter of refusal to use epinephrine autoinjectors. This written letter of refusal may not serve as grounds for discharge, nonrenewal of an employment contract, or other action adversely affecting the employee's contract status.

(5) The office of the superintendent of public instruction shall review the anaphylaxis policy guidelines required under RCW 28A.210.380 and make a recommendation to the education committees of the legislature by December 1, 2013, based on student safety, regarding whether to designate other trained school employees to administer epinephrine autoinjectors to students without

prescriptions for epinephrine autoinjectors demonstrating the symptoms of anaphylaxis when a school nurse is not in the vicinity."

"**NEW SECTION. Sec. 3.** A new section is added to chapter 28A.320 RCW to read as follows:

(1) Subject to funds appropriated specifically for this purpose, the academic acceleration incentive program is established as provided in this section. The intent of the legislature is that the funds awarded under the program be used to support teacher training, curriculum, technology, examination fees, and other costs associated with offering dual credit courses to high school students.

(2) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section on a competitive basis to provide one-time grants for high schools to expand the availability of dual credit courses. To be eligible for a grant, a school district must have adopted an academic acceleration policy as provided under section 2 of this act. In making grant awards, the office of the superintendent of public instruction must give priority to grants for high schools with a high proportion of low-income students and high schools seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.

(3) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section to school districts as an incentive award for each student who earned dual high school and college credit, as described under subsection (4) of this section, for courses offered by the district's high schools during the previous school year. School districts must distribute the award to the high schools that generated the funds. The award amount for low-income students eligible to participate in the federal free and reduced-price meals program who earn dual credits must be set at one hundred twenty-five percent of the base award for other students. A student who earns more than one dual credit in the same school year counts only once for the purposes of the incentive award.

(4) For the purposes of this section, the following students are considered to have earned dual high school and college credit in a course offered by a high school:

(a) Students who achieve a score of three or higher on an AP examination;

(b) Students who achieve a score of four or higher on an examination of the international baccalaureate diploma programme;

(c) Students who successfully complete a Cambridge advanced international certificate of education examination;

(d) Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and

(e) Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course.

(5) If a high school provides access to online courses for students to earn dual high school and college credit at no cost to the student, such a course is considered to be offered by the high school. Students enrolled in the running start program under RCW 28A.600.300 do not generate an incentive award under this section."

On page 5, after line 8, insert the following:

"**NEW SECTION. Sec. 5.** If specific funding for purposes of section 3 of this act, referencing section 3 of this act by bill or chapter and section number, is not provided by June 30, 2013, in the omnibus operating appropriations act, section 3 of this act is null and void."

ESSB 5491 Prime Sponsor, Committee on Early Learning & K-12 Education: Establishing statewide indicators of educational health. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature acknowledges that multiple entities, including the state board of education, the office of the superintendent of public instruction, the workforce training and education coordinating board, the quality education council, and the student achievement council, are actively working on efforts to identify measurable goals and priorities, road maps, and strategic plans for the entire educational system. It is not the legislature's intent to undermine or curtail the ongoing work of these groups. However, the legislature believes that a coordinated single set of statewide goals would help focus these efforts.

(2) It is, therefore, the intent of the legislature to establish a discrete set of statewide data points that will serve as snapshots of the overall health of the educational system and as a means for evaluating progress in achieving the outcomes set for the system and the students it serves. By monitoring these statewide indicators over time, it is the intent of the legislature to understand whether reform efforts and investments are making positive progress in the overall education of students and whether adjustments are necessary. Finally, it is the intent of the legislature to align the education reform efforts of each state education agency in order to hold each part of the system – statewide leaders, school personnel, and students – accountable to the same definitions of success.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.150 RCW to read as follows:

(1) The following statewide indicators of educational system health are established:

(a) The percentage of students demonstrating the characteristics of entering kindergartners in all six areas identified by the Washington kindergarten inventory of developing skills administered in accordance with RCW 28A.655.080;

(b) The percentage of students meeting the standard on the fourth grade statewide reading assessment administered in accordance with RCW 28A.655.070;

(c) The percentage of students meeting the standard on the eighth grade statewide mathematics assessment administered in accordance with RCW 28A.655.070;

(d) The four-year cohort high school graduation rate;

(e) The percentage of high school graduates who during the second quarter after graduation are either enrolled in postsecondary education or training or are employed, and the percentage during the fourth quarter after graduation who are either enrolled in postsecondary education or training or are employed; and

(f) The percentage of students enrolled in precollege or remedial courses in college.

(2) The statewide indicators established in subsection (1) of this section shall be disaggregated as provided under RCW 28A.300.042.

(3) The state board of education, with assistance from the office of the superintendent of public instruction, the workforce training and education coordinating board, the educational opportunity gap oversight and accountability committee, and the student achievement council, shall establish a process for identifying realistic but challenging system-wide performance goals and measurements, if necessary, for each of the indicators established in subsection (1) of this section, including for subcategories of students as provided under subsection (2) of this section. The performance goal for each indicator must be set on a biennial basis, and may only be adjusted upward.

(4) The state board of education, the office of the superintendent of public instruction, and the student achievement council shall each align their strategic planning and education reform efforts with the statewide indicators and performance goals established under this section.

(5)(a) The state board of education, with assistance from the office of the superintendent of public instruction, the workforce training and education coordinating board, the educational opportunity gap oversight and accountability committee, and the

student achievement council, shall submit a report on the status of each indicator in subsection (1) of this section and recommend revised performance goals and measurements, if necessary, by December 1st of each even-numbered year, except that the initial report establishing baseline values and initial goals shall be delivered to the education committees of the legislature by December 1, 2013.

(b) If the educational system is not on target to meet the performance goals on any individual indicator, the report must recommend evidence-based reforms intended to improve student achievement in that area.

(c) To the extent data is available, the performance goals for each indicator must be compared with national data in order to identify whether Washington student achievement results are within the top ten percent nationally or are comparable to results in peer states with similar characteristics as Washington. If comparison data show that Washington students are falling behind national peers on any indicator, the report must recommend evidence-based reforms targeted at addressing the indicator in question."

ESSB 5744 Prime Sponsor, Committee on Commerce & Labor: Monitoring the progress of the logger safety initiative. Reported by Committee on Labor & Workforce Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature finds that many Washington workers involved in manual logging in the logging industry suffer industrial injuries with greater frequency and severity than workers in other industries. The legislature further finds that the incidence and severity of injury is particularly high among young workers during the early periods of employment in manual logging.

The legislature recognizes the importance of improving safety performance in the logging industry to reduce industrial injuries for workers and resulting workers' compensation premium rates for employers. The legislature acknowledges that industry participants, including private land owners, timber industry employers, the department of natural resources, and the department of labor and industries, have formed a logger safety task force to develop and implement a logger safety initiative. The goal of the initiative is to reduce the frequency and severity of injuries in the logging industry. The task force will create a program that will establish sector-wide standards for worker training and supervision; establish a certification process for individual company safety programs; and review the progress of logging operations through mandatory performance-based audits. The legislature further recognizes that as the safety culture in the logging industry evolves, the frequency and severity of injuries will decrease, which will drive down industrial insurance costs for logging industry employers. While the industrial insurance costs will decline over time as safety improves, the legislature acknowledges that an immediate reduction in industrial insurance rates for the 2014 rate year for participating logging employers provides an additional incentive for these employers to commit to the logger safety initiative. Therefore, the legislature intends to monitor development and implementation of the logger safety initiative.

NEW SECTION. Sec. 2. A new section is added to chapter 51.04 RCW to read as follows:

(1) The department shall include one or more representatives of logging industry workers on the logger safety task force. In addition, the department shall reach out to all employers in the logging industry, including those having one or more on the job fatalities in the last five years, and invite them to participate in the logger safety initiative. All participants must comply with the requirements of the logger safety initiative.

(2) By December 31, 2013, the department shall report back to the appropriate committees of the legislature on the development and implementation of the logger safety initiative. The report shall provide a status update on implementation of the initiative and participation in the safety program, including a description and summary of the worker training and supervision standards and the certification process for individual companies. The report shall also contain a description and summary of any industrial insurance rate reduction or other incentive for rate year 2014 that will be applied to employers participating in the initiative. The report may provide recommendations for legislative consideration to further the goals of the initiative."

(1)(a)(i) The expert conducting the evaluation shall provide his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(ii) A copy of the report and recommendation shall be provided to the designated mental health professional, the prosecuting attorney, the defense attorney, and the professional person at the local correctional facility where the defendant is being held, or if there is no professional person, to the person designated under (a)(iv) of this subsection. Upon request, the evaluator shall also provide copies of any source documents relevant to the evaluation to the designated mental health professional.

(iii) Any facility providing inpatient services related to competency shall discharge the defendant as soon as the facility determines that the defendant is competent to stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation report. Distribution of an evaluation report by a facility providing inpatient services shall ordinarily be accomplished within two working days or less following the final evaluation of the defendant. If the defendant is discharged to the custody of a local correctional facility, the local correctional facility must continue the medication regimen prescribed by the facility, when clinically

appropriate, unless the defendant refuses to cooperate with medication.

(iv) If there is no professional person at the local correctional facility, the local correctional facility shall designate a professional person as defined in RCW 71.05.020 or, in cooperation with the regional support network, a professional person at the regional support network to receive the report and recommendation.

(v) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator of the name of the professional person, or person designated under (a)(iv) of this subsection, to receive the report and recommendation.

(b) If the evaluator concludes, under RCW 10.77.060(3)(f), the person should be evaluated by a designated mental health professional under chapter 71.05 RCW, the court shall order such evaluation be conducted prior to release from confinement when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

(2) The designated mental health professional shall provide written notification within twenty-four hours of the results of the determination whether to commence proceedings under chapter 71.05 RCW. The notification shall be provided to the persons identified in subsection (1)(a) of this section.

(3) The prosecuting attorney shall provide a copy of the results of any proceedings commenced by the designated mental health professional under subsection (2) of this section to the secretary.

(4) A facility conducting a civil commitment evaluation under RCW 10.77.086(4) or 10.77.088(1)(b)(ii) that makes a determination to release the person instead of filing a civil commitment petition must provide written notification to the prosecuting attorney and defense attorney. The notification must be provided on a business day and at least twenty-four hours prior to the person's release.

(5) The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services under this chapter may also be disclosed to the courts solely to prevent the entry of any evaluation or treatment order that is inconsistent with any order entered under chapter 71.05 RCW."

ESSB 5449 Prime Sponsor, Committee on Health Care: Addressing the Washington state health insurance pool. Reported by Committee on Health Care & Wellness

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The federal patient protection and affordable care act of 2010, P.L. 111-148, as amended, prohibits the imposition of any preexisting condition coverage exceptions in the individual market for insurance coverage beginning January 1, 2014. The affordable care act also extends opportunities for individuals to enroll in comprehensive coverage in a health benefit exchange beginning January 1, 2014. The legislature finds that some individuals may still be barred from enrolling in the new comprehensive coverage options and it is the intent of the legislature to continue some limited access to the Washington state health insurance pool for a transitional period, and to provide for modification to the pool to reflect changes in federal law and insurance availability.

Sec. 2. RCW 48.41.060 and 2011 c 314 s 13 are each amended to read as follows:

(1) The board shall have the general powers and authority granted under the laws of this state to insurance companies, health care service contractors, and health maintenance organizations, licensed or registered to offer or provide the kinds of health coverage defined under this title. In addition thereto, the board shall:

(a) ~~((Designate or establish the standard health questionnaire to be used under RCW 48.41.100 and 48.43.018, including the form and content of the standard health questionnaire and the method of its application. The questionnaire must provide for an objective evaluation of an individual's health status by assigning a discrete measure, such as a system of point scoring to each individual. The questionnaire must not contain any questions related to pregnancy, and pregnancy shall not be a basis for coverage by the pool. The questionnaire shall be designed such that it is reasonably expected to~~

identify the eight percent of persons who are the most costly to treat who are under individual coverage in health benefit plans, as defined in RCW 48.43.005, in Washington state or are covered by the pool, if applied to all such persons;

—(b) Obtain from a member of the American academy of actuaries, who is independent of the board, a certification that the standard health questionnaire meets the requirements of (a) of this subsection;

—(c) Approve the standard health questionnaire and any modifications needed to comply with this chapter. The standard health questionnaire shall be submitted to an actuary for certification, modified as necessary, and approved at least every thirty-six months unless at the time when certification is required the pool will be discontinued before the end of the succeeding thirty-six month period. The designation and approval of the standard health questionnaire by the board shall not be subject to review and approval by the commissioner. The standard health questionnaire or any modification thereto shall not be used until ninety days after public notice of the approval of the questionnaire or any modification thereto, except that the initial standard health questionnaire approved for use by the board after March 23, 2000, may be used immediately following public notice of such approval;

—(d)) Establish appropriate rates, rate schedules, rate adjustments, expense allowances, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial underwriting practices consistent with Washington state individual plan rating requirements under RCW 48.44.022 and 48.46.064;

((e)) (b)(i) Assess members of the pool in accordance with the provisions of this chapter, and make advance interim assessments as may be reasonable and necessary for the organizational or interim operating expenses. Any interim assessments will be credited as offsets against any regular assessments due following the close of the year.

(ii) Self-funded multiple employer welfare arrangements are subject to assessment under this subsection only in the event that assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner shall initially request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing assessments on these arrangements before imposing the assessment. Once the legality of the assessments has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these assessments.

(iii) If there has not been a final determination of the legality of these assessments, then beginning on the earlier of (A) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (B) April 1, 2006, the arrangement shall deposit the assessments imposed by this subsection into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the assessments are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account shall be transferred to the board;

((f)) (c) Issue policies of health coverage in accordance with the requirements of this chapter;

((g)) (d) Establish procedures for the administration of the premium discount provided under RCW 48.41.200(3)(a)(iii);

((h)) (e) Contract with the Washington state health care authority for the administration of the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii);

((i)) (f) Set a reasonable fee to be paid to an insurance producer licensed in Washington state for submitting an acceptable application for enrollment in the pool; and

((j)) (g) Provide certification to the commissioner when assessments will exceed the threshold level established in RCW 48.41.037.

(2) In addition thereto, the board may:

(a) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter including the authority, with the approval of the commissioner, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;

(b) Sue or be sued, including taking any legal action as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;

(c) Appoint appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the pool, policy, and other contract design, and any other function within the authority of the pool; and

(d) Conduct periodic audits to assure the general accuracy of the financial data submitted to the pool, and the board shall cause the pool to have an annual audit of its operations by an independent certified public accountant.

(3) Nothing in this section shall be construed to require or authorize the adoption of rules under chapter 34.05 RCW.

Sec. 3. RCW 48.41.100 and 2011 c 315 s 5 and 2011 c 314 s 15 are each reenacted and amended to read as follows:

(1)(a) The following persons who are residents of this state are eligible for pool coverage:

The board shall report the findings to the legislature by December 1, 2007.)~~

Sec. 4. RCW 48.41.160 and 2007 c 259 s 27 are each amended to read as follows:

(1) On or before December 31, 2007, the pool shall cancel all existing pool policies and replace them with policies that are identical to the existing policies except for the inclusion of a provision providing for a guarantee of the continuity of coverage consistent with this section. As a means to minimize the number of policy changes for enrollees, replacement policies provided under this subsection also may include the plan modifications authorized in RCW 48.41.100, 48.41.110, and 48.41.120.

(2) A pool policy shall contain a guarantee of the individual's right to continued coverage, subject to the provisions of subsections (4) ~~((and))~~, (5), (7), and (8) of this section.

(3) The guarantee of continuity of coverage required by this section shall not prevent the pool from canceling or nonrenewing a policy for:

- (a) Nonpayment of premium;
- (b) Violation of published policies of the pool;
- (c) Failure of a covered person who becomes eligible for medicare benefits by reason of age to apply for a pool medical supplement plan, or a medicare supplement plan or other similar plan offered by a carrier pursuant to federal laws and regulations;
- (d) Failure of a covered person to pay any deductible or copayment amount owed to the pool and not the provider of health care services;
- (e) Covered persons committing fraudulent acts as to the pool;
- (f) Covered persons materially breaching the pool policy; or
- (g) Changes adopted to federal or state laws when such changes no longer permit the continued offering of such coverage.

(4)(a) The guarantee of continuity of coverage provided by this section requires that if the pool replaces a plan, it must make the replacement plan available to all individuals in the plan being replaced. The replacement plan must include all of the services covered under the replaced plan, and must not significantly limit access to the kind of services covered under the replacement plan through unreasonable cost-sharing requirements or otherwise. The pool may also allow individuals who are covered by a plan that is being replaced an unrestricted right to transfer to a fully comparable plan.

(b) The guarantee of continuity of coverage provided by this section requires that if the pool discontinues offering a plan: (i) The pool must provide notice to each individual of the discontinuation at least ninety days prior to the date of the discontinuation; (ii) the pool must offer to each individual provided coverage under the discontinued plan the option to enroll in any other plan currently offered by the pool for which the individual is otherwise eligible; and (iii) in exercising the option to discontinue a plan and in offering the option of coverage under (b)(ii) of this subsection, the pool must act uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage.

(c) The pool cannot replace or discontinue a plan under this subsection (4) until it has completed an evaluation of the impact of replacing the plan upon:

- (i) The cost and quality of care to pool enrollees;
- (ii) Pool financing and enrollment;
- (iii) The board's ability to offer comprehensive and other plans to its enrollees;
- (iv) Other items identified by the board.

In its evaluation, the board must request input from the constituents represented by the board members.

(d) The guarantee of continuity of coverage provided by this section does not apply if the pool has zero enrollment in a plan.

(5) The pool may not change the rates for pool policies except on a class basis, with a clear disclosure in the policy of the pool's right to do so.

(6) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy.

(2) If the review under subsection (1) of this section indicates a continued need for coverage through the pool after December 31, 2013, the board shall submit recommendations regarding any modifications to pool eligibility requirements for new and ongoing enrollment after December 31, 2013. The recommendations must address any needed modifications to the standard health questionnaire or other eligibility screening tool that could be used in a manner consistent with federal law to determine eligibility for enrollment in the pool.

(3) The board shall complete an analysis of current pool assessment requirements in relation to assessments that will fund the reinsurance program and recommend changes to pool assessments or any credits against assessments that may be considered for the reinsurance program. The analysis shall recommend whether the categories of members paying assessments should be adjusted to make the assessment fair and equitable among all payers.

(4) The board shall report its recommendations to the governor and the legislature by December 1, 2012.

(5) The board shall revisit the study of eligibility completed in 2012 with another review of the populations that may need ongoing access to coverage through the pool, to be submitted to the governor and legislature by November 1, 2015. The eligibility study shall include the nonmedicare populations scheduled to lose coverage and medicare populations, and consider whether the enrollees have access to comprehensive coverage alternatives that include appropriate pharmacy coverage. The study shall include recommendations to address any barriers in eligibility that remain in accessing other coverage such as medicare supplemental coverage or comprehensive pharmacy coverage, as well as suggestions for financing changes and recommendations on a future expiration of the pool.

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "Qualifying reciprocal insurer" means a foreign insurer that:

(a) Meets the definition of "issuer" pursuant to P.L. 111-148 of 2010, as amended;

(b) Is authorized in a state that is a member of the consortium authorized in section 4 of this act;

(c) Proposes to sell in Washington only a qualifying reciprocal plan;

(d) Has and maintains total adjusted capital that is greater than three times its authorized control level risk-based capital; and

(e) To the extent required by the reciprocity agreement between the primary state of issue and the commissioner, complies with state laws applicable to issuers in the state of Washington.

(2) "Qualifying reciprocal plan" means a plan that:

(a) Contains an essential health benefits package that is substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715 and provides minimum essential coverage as required by P.L. 111-148 of 2010, as amended;

(b) Has been approved by a state regulator for a state with which the commissioner has a reciprocity agreement;

(c) Is not a health savings account or qualified high deductible health plan; and

(d) Complies with the market rules established in RCW 48.43.700 and 48.43.705.

"NEW SECTION. Sec. 2. (1) Each qualifying reciprocal plan issued or renewed must contain the following declaration in bold face type at the beginning of the document:

"The benefits in this policy may not include each of the benefits required by the state of Washington. (Name of state) initially approved this policy for sale, and the benefit requirements of that state are reflected in the policy. The rates applied to calculate premium were not approved by the state of Washington, but by (Name of state). Those requirements may be different from the requirements for policies approved by Washington. Please consult your insurance agent or insurer to determine which health benefits are covered under the policy."

(2) Each qualifying reciprocal insurer offering a qualifying reciprocal plan must provide applicants with a written side by side comparison of health benefits under the plan, including differences in definition of each benefit between Washington law and the law of the

approving state, whether the benefit is required under Washington law, and the difference in the premium rate due to the difference in state laws. Where a producer is offering the plan to an applicant, the producer must provide the written comparison.

(3) A qualifying reciprocal insurer offering qualifying reciprocal plans must offer the plan through producers licensed under chapter 48.17 RCW. Electronic marketing and sales of out-of-state policies are permitted under this section.

"NEW SECTION. Sec. 3. (1) A qualifying reciprocal plan must use a premium rate schedule approved by its state of issue for the plan, and apply the standards for calculating the premium required by the United States department of health and human services for out-of-state coverage.

(2) The premium rate schedule for a qualifying reciprocal plan may not be adjusted more frequently than once a year.

(3) A qualifying reciprocal plan may only be offered in the small group market in Washington.

(4) A qualifying reciprocal plan is not required to include health benefit mandates required under this title that are not included in the qualifying reciprocal plan.

(5) A qualifying reciprocal plan must be filed with the commissioner for approval prior to use pursuant to RCW 48.18.100. The commissioner shall approve the plan for use in Washington state if the plan meets the requirements of this chapter and shall disapprove it if it does not. When determining whether the qualifying reciprocal plan contains an essential health benefits package that is substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715, the commissioner shall utilize the same standards and procedures applicable to carriers licensed in Washington. The commissioner may not rely upon the determination of a member consortium state as to whether the qualifying reciprocal plan contains an essential health benefits package substantially equal to the essential health benefit benchmark plan designated pursuant to RCW 48.43.715.

(6) Except as provided in this section, RCW 48.18.110 may not be grounds for disapproval of a qualifying reciprocal plan.

(7) To the extent consistent with federal law, and except as provided in this chapter, the requirements of chapter 48.43 RCW do not apply to a qualifying reciprocal plan.

"NEW SECTION. Sec. 4. (1) Beginning July 1, 2015, the commissioner is authorized to contract with other states to establish and operate a consortium formed through written agreement governing the sale to small groups of a qualifying reciprocal plan, by qualifying reciprocal insurers admitted in one of the states in the consortium. A reciprocity agreement must be executed between the commissioner and the appropriate entity in a participating state prior to the offer and issue of a qualifying reciprocal plan under this chapter. The consortium is not intended to operate as a compact.

(2) The commissioner may not enter into a reciprocity agreement until the commissioner has identified a minimum of five states whose regulatory requirements for the offer and issue of health benefit plans meets or exceeds those of Washington in the areas of network adequacy, consumer protection, marketing requirements, and claims adjudication and processing. The consortium may commence with a reciprocity agreement with just one of the states.

(3) A state may not join the consortium if it has admitted two or more issuers domiciled in Washington that offer health benefit plans, unless five or more other states have joined the consortium.

(4) The commissioner may enter into separate reciprocity agreements, or one uniform agreement. Each reciprocity agreement must establish rules for the management of consumer questions and complaints related to health benefit plans approved by one member state but sold in another. The commissioner may adopt rules to implement consortium rules as necessary to comply with the consortium agreement.

(5) Consortium member states must agree to provide the commissioner with a list of approved qualifying reciprocal plans that meet the standards under this chapter, and their premium rate schedules as they are approved. If a qualifying reciprocity plan is disapproved or otherwise removed from the market pursuant to regulatory action or order, the primary state of issue must notify the commissioner of this action.

(6) The reciprocity agreement must establish a mechanism for payment of premium tax pursuant to chapter 48.14 RCW, payment of regulatory surcharge pursuant to RCW 48.02.190, and collection of any reinsurance or risk adjustment assessments that would otherwise be applicable but for the domicile of the selling insurer.

(7) Qualifying reciprocal insurers must inform each consortium state in writing of the intent to offer a qualifying reciprocal policy in a state not less than sixty days prior to the first date of offer. Reciprocity consortium member states may establish additional requirements for notification and offer applicable to that state.

(8) The commissioner may enter into one or more personal services contracts with third-party contractors to provide services necessary to accomplish the commissioner's responsibilities under this act.

NEW SECTION. Sec. 5. A qualifying reciprocal plan may be certified as a qualified health plan through the exchange only if it, and its qualifying reciprocal insurer, meet the requirements of the exchange for certification as a qualified health plan, and if the plan follows the market rules established in RCW 48.43.700.

NEW SECTION. Sec. 6. (1) By January 1, 2015, the commissioner must report to the legislature which states have been identified under section 4(2) of this act, and include a plan for seeking a reciprocity agreement with at least one state.

(2) The commissioner must report to the legislature by December 1, 2016, and December 1st of each year following, the status of the reciprocity consortium's formation, membership, the number of qualifying reciprocal plans offered in Washington through the consortium, the effect on the marketplace in Washington, including the health benefits exchange, and must recommend whether continuing reciprocity sales serves the public health and welfare.

Sec. 7. RCW 48.05.070 and 1947 c 79 s .05.07 are each amended to read as follows:

To apply for an original certificate of authority an insurer shall:

(4) Deposit with the commissioner the fees required by this code to be paid for filing the accompanying documents, and for the certificate of authority, if granted.

Sec. 8. RCW 48.21.047 and 2010 c 292 s 8 are each amended to read as follows:

(1) An insurer may not offer any health benefit plan to any small employer without complying with RCW 48.21.045(3).

Except where the board provides for a pledge of general indebtedness, each such bond must state upon its face that it is payable from the local improvement district redemption fund and the local improvement guarantee fund only.

Sec. 2. RCW 84.34.310 and 1999 c 153 s 71 are each amended to read as follows:

As used in RCW 84.34.300 through 84.34.380, unless a different meaning is required, the words defined in this section shall have the meanings indicated.

(1) "Farm and agricultural land" shall mean the same as defined in RCW 84.34.020(2).

(2) "Timber land" shall mean the same as defined in RCW 84.34.020(3).

(3) "Local government" shall mean any city, town, county, water-sewer district, public utility district, port district, ~~((irrigation district))~~ flood control district, or any other municipal corporation, quasi-municipal corporation, or other political subdivision authorized to levy special benefit assessments for sanitary and/or storm sewerage systems, domestic water supply and/or distribution systems, or road construction or improvement purposes. "Local government" does not include an irrigation district with respect to any local improvement district created or local improvement assessment levied by that irrigation district.

(4) "Local improvement district" shall mean any local improvement district, utility local improvement district, local utility district, road improvement district, or any similar unit created by a local government for the purpose of levying special benefit assessments against property specially benefited by improvements relating to such districts.

(6) The term "average rate of inflation" shall mean the annual rate of inflation as determined by the department of revenue averaged over the period of time as provided in RCW 84.34.330 (1) and (2). Such determination shall be published not later than January 1 of each year for use in that assessment year.

(7) "Special benefit assessments" shall mean special assessments levied or capable of being levied in any local improvement district or otherwise levied or capable of being levied by a local government to pay for all or part of the costs of a local improvement and which may be levied only for the special benefits to be realized by property by reason of that local improvement.

Sec. 3. RCW 87.03.480 and 1959 c 75 s 9 are each amended to read as follows:

Any desired special construction, reconstruction, betterment or improvement or purchase or acquisition of improvements already constructed, for any authorized district service, including but not limited to the safeguarding of open canals or ditches for the protection of the public therefrom, which are for the special benefit of the lands tributary thereto and within an irrigation district may be constructed or acquired and provision made to meet the cost thereof as follows:

The holders of title or evidence of title to one-quarter of the acreage proposed to be assessed, may file with the district board their petition reciting the nature and general plan of the desired improvement and specifying the lands proposed to be specially assessed therefor. ~~((The petition shall be accompanied by a bond in the sum of one hundred dollars with surety to be approved by the board, conditioned that the petitioners will pay the cost of an investigation of the project and of the hearing thereon if it is not established. The board may at any time require a bond in an additional sum.))~~ A local improvement district may include adjoining, vicinal, or neighboring improvements even though the improvements and the properties benefited are not connected or continuous. Such improvements may be owned by the United States, the state of Washington, the irrigation district, or another local government. Upon approval of the board of an adjoining irrigation district, an irrigation district may form local improvement districts or utility local improvement districts that are composed entirely or in part of territory within that adjoining district. Upon the filing of the petition the board, with the assistance of a competent engineer, shall make an investigation of the feasibility, cost, and need of the proposed local improvement together with the ability of the lands to pay the cost, and if it appears feasible, they ~~((shall))~~ may elect to have plans and an estimate of the cost prepared. If a protest against the establishment of the proposed improvement signed by a majority of the holders of title in the proposed local district is presented at or before the hearing, or if the proposed improvement should be found not feasible, too expensive, or not in the best interest of the district, or the lands to be benefited insufficient security for the costs, they shall dismiss the petition ~~((at the expense of the petitioners)).~~

Sec. 4. RCW 87.03.485 and 1983 c 167 s 222 are each amended to read as follows:

In the event that the ~~((said))~~ board ~~((shall))~~ approves ((said)) the petition, the board shall fix a time and place for the hearing thereof and shall publish a notice once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date and shall mail such a notice on or before the second publication date by first-class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed. Such notice must be published in a newspaper of general circulation in each county in which any portion of the land proposed to be included in such local improvement district lies. Such notice shall state that the lands within ~~((said))~~ the described boundaries are proposed to be organized as a local improvement district, stating generally the nature of the proposed improvement; that bonds for such local improvement district are proposed to be issued as the bonds of the irrigation district, or that a contract is proposed to be entered into between the district and the United States or the state of Washington, or both, that the lands within ~~((said))~~ the local improvement district are to be assessed for such improvement, that such bonds or contract will be ~~((a primary))~~ the obligation of such local improvement district ~~((and a general obligation of the irrigation district))~~ and stating a time and place of hearing thereon. At the time and place of hearing named in ~~((said))~~ the notice, all persons interested may appear before the board and show cause for or against the formation of the proposed improvement district and the issuance of bonds or the entering into of a contract as aforesaid. The board may designate a hearing officer to conduct the hearing, and the hearing officer shall report recommendations on the establishment of the local improvement district to the board for final action. Upon the hearing the board shall determine as to the establishment of the proposed local improvement district. Any landowner whose lands can be served or will be benefited by the proposed improvement, may make application to the board at the time of hearing to include such land and the board of

directors in such cases shall, at its discretion, include such lands within such district. The board of directors may exclude any land specified in ~~((said))~~ the notice from ~~((said))~~ the district provided, that in the judgment of the board, the inclusion thereof will not be practicable.

As an alternative plan and subject to all of the provisions of this chapter, the board of directors may initiate the organization of a local improvement district as herein provided. To so organize a local improvement district the board shall adopt and record in its minutes a resolution specifying the lands proposed to be included in such local improvement district or by describing the exterior boundaries of such proposed district or by both. ~~((Said))~~ The resolution shall state generally the plan, character and extent of the proposed improvements, that the land proposed to be included in such improvement district will be assessed for such improvements; and that local improvement district bonds of the irrigation district will be issued or a contract entered into as hereinabove in this section provided to meet the cost thereof and that such bonds or contract will be ~~((a primary))~~ the obligation of such local improvement district ~~((and a general obligation of the irrigation district))~~. ~~((Said))~~ The resolution shall fix a time and place of hearing thereon and shall state that unless a majority of the holders of title or of evidence of title to lands within the proposed local improvement district file their written protest at or before ~~((said))~~ the hearing, consent to the improvement will be implied.

A notice containing a copy of ~~((said))~~ the resolution must be published once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date, and shall be mailed on or before the second publication date by first-class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed, and the hearing thereon shall not be held in less than twenty days from the adoption of such resolution. Such notice must be published in one newspaper, of general circulation, in each county in which any portion of the land proposed to be included in such local improvement district lies. ~~((Said))~~ The hearing shall be held and all subsequent proceedings conducted in accordance with the provisions of this act relating to the organization of local improvement districts initiated upon petition.

The bonds shall bear interest at a rate or rates determined by the board, payable semiannually, and shall state upon their face that they are issued as bonds of the irrigation district; that all lands within the local improvement district shall be ~~((primarily))~~ liable to assessment for the principal and interest of the local improvement district bonds ~~((and that the bonds are also a general obligation of the district))~~. The bonds may be in such denominations as the board of directors may in its discretion determine, except that bonds other than bond number one of any issue shall be in a denomination that is a multiple of one ~~((hundred))~~ thousand dollars ~~((and no bond shall be sold for less than par. Within ninety days after the completion of the printing, engraving, or lithographing of such bonds or any coupons, the plate or plates used for the purpose of affixing the facsimile signature shall be destroyed, and it shall be the duty of the district's board of directors, within ninety days after receipt of the completed bonds or any coupons, to ascertain that such plate or plates have been destroyed. Every printer, engraver, or lithographer who, with the intent to defraud, prints, engraves, or lithographs a facsimile signature upon any bond or coupon without written order of the district's board of directors, or fails to destroy such plate or plates containing the facsimile signature upon direction of such issuing authority, is guilty of a class B felony punishable according to chapter 9A.20 RCW.))~~

(3) The proceeds from the sale of such bonds shall be deposited with the treasurer of the district, who shall place them in a special fund designated "Construction fund of local improvement district number"

(4) Whenever such improvement district has been organized, the ~~((boundaries thereof may be enlarged))~~ board may enlarge the boundaries of the improvement district to include other lands which can be served or will be benefited by the proposed improvement upon petition of the owners thereof and the consent of the United States or the state of Washington, or both, in the event the irrigation district has contracted with the United States or the state of Washington, or both, to repay the cost of the improvement: PROVIDED, That at such time the lands so included shall pay their equitable proportion upon the basis of benefits of the improvement theretofore made by the local improvement district and shall be liable for the indebtedness of the local improvement district in the same proportion and same manner and subject to assessment as if the lands had been incorporated in the improvement district at the beginning of its organization.

(5) Notwithstanding this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. 6. RCW 87.03.495 and 1988 c 127 s 45 are each amended to read as follows:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.19.648 and 2012 c 171 s 1 are each amended to read as follows:

(1) Effective June 1, 2015, all state agencies, to the extent determined practicable by the rules adopted by the department of commerce pursuant to RCW 43.325.080, are required to satisfy one hundred percent of their fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available.

(2)(a) Effective June 1, 2018, all local government subdivisions of the state, to the extent determined practicable by the rules adopted by the department of commerce pursuant to RCW 43.325.080, are required to satisfy one hundred percent of their fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel. The department of commerce shall convene an advisory committee of representatives of local government subdivisions, representatives from organizations representing each local government subdivision, and either (i) an electric utility or (ii) a natural gas utility, or both, to work with the department to develop the rules. The department may invite additional stakeholders to participate in the advisory committee as needed and determined by the department.

(b) The following are exempt from this requirement: (i) Transit agencies using compressed natural gas on June 1, 2018(~~are exempt from this requirement~~), and (ii) engine retrofits that would void warranties. Nothing in this section is intended to require the replacement of equipment before the end of its useful life. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available. (c)(i) Rules adopted pursuant to RCW 43.325.080 must provide the authority for local government subdivisions to elect to exempt police,

fire, and other emergency response vehicles, including utility vehicles frequently used for emergency response, from the fuel usage requirement in (a) of this subsection.

(ii) Prior to executing its authority under (c)(i) of this subsection, a local government subdivision must provide notice to the department of commerce of the exemption. The notice must include the rationale for the exemption and an explanation of how the exemption is consistent with rules adopted by the department of commerce.

(d) Before June 1, 2018, local government subdivisions purchasing vessels, vehicles, and construction equipment capable of using biodiesel must request warranty protection for the highest level of biodiesel the vessel, vehicle, or construction equipment is capable of using, up to one hundred percent biodiesel, as long as the costs are reasonably equal to a vessel, vehicle, or construction equipment that is not warranted to use up to one hundred percent biodiesel.

(3) In order to phase in this transition for the state, all state agencies, to the extent determined practicable by the department of commerce by rules adopted pursuant to RCW 43.325.080, are required to achieve forty percent fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel by June 1, 2013. Compressed natural gas, liquefied natural gas, or propane may be substituted for electricity or biofuel if the department of commerce determines that electricity and biofuel are not reasonably available. The department of enterprise services, in consultation with the department of commerce, shall report to the governor and the legislature by December 1, 2013, on what percentage of the state's fuel usage is from electricity or biofuel.

(4) Except for cars owned or operated by the Washington state patrol, when tires on vehicles in the state's motor vehicle fleet are replaced, they must be replaced with tires that have the same or better rolling resistance as the original tires.

(5) By December 31, 2015, the state must, to the extent practicable, install electrical outlets capable of charging electric vehicles in each of the state's fleet parking and maintenance facilities.

(6) The department of transportation's obligations under subsection (3) of this section are subject to the availability of amounts appropriated for the specific purpose identified in subsection (3) of this section.

(7) The department of transportation's obligations under subsection (5) of this section are subject to the availability of amounts appropriated for the specific purpose identified in subsection (5) of this section unless the department receives federal or private funds for the specific purpose identified in subsection (5) of this section.

(8) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540."

communicate product or consumer information or the expiration date of the donated prescription drug.

(2) Any person or entity, other than a drug manufacturer subject to subsection (1) of this section, acting in good faith in donating, accepting, or distributing prescription drugs under this chapter is immune from criminal prosecution, professional discipline, or civil liability of any kind for any injury, death, or loss to any person or property relating to such activities other than acts or omissions constituting gross negligence or willful or wanton misconduct.

ESSB 5176 Prime Sponsor, Committee on Human Services & Corrections: Addressing criminal incompetency and civil commitment. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that persons with a mental illness or developmental disability are more likely to be victimized by crime than to be perpetrators of crime. The legislature further finds that there are a small number of individuals who commit repeated violent acts against others while suffering from the effects of a mental illness and/or developmental disability that both contributes to their criminal behaviors and renders them legally incompetent to be held accountable for those behaviors. The legislature further finds that the primary statutory mechanisms designed to protect the public from violent behavior, either criminal commitment to a corrections institution, or long-term commitment as not guilty by reason of insanity, are unavailable due to the legal incompetence of these individuals to stand trial. The legislature further finds that the existing civil system of short-term commitments under the Washington's involuntary treatment act is insufficient to protect the public from these violent acts. Finally, the legislature finds that changes to the involuntary treatment act to account for this small number of individuals is necessary in order to serve Washington's

compelling interest in public safety and to provide for the proper care of these individuals.

Sec. 2. RCW 10.77.086 and 2012 c 256 s 6 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)(b), but in any event for a period of no longer than ninety days, the court:

(i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

(ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.

(4) For persons charged with a felony, at the hearing upon the expiration of the second restoration period or at the end of the first restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and the court shall ~~((either order the release of the defendant or))~~ order the defendant be committed to a state hospital ~~((or secure mental health facility))~~ as defined in RCW 72.23.010 for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. The criminal charges shall not be dismissed if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

Sec. 3. RCW 10.77.270 and 2010 c 263 s 1 are each amended to read as follows:

(1) The secretary shall establish an independent public safety review panel for the purpose of advising the secretary and the courts with respect to persons who have been found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall provide advice regarding all recommendations to the secretary, decisions by the secretary, or actions pending in court: (a) For a change in commitment status; (b) to allow furloughs or temporary leaves accompanied by staff; (c)

whether to seek a commitment term under RCW 71.05.320; or ((~~e~~)) (d) to permit movement about the grounds of the treatment facility, with or without the accompaniment of staff.

(2) The members of the public safety review panel shall be appointed by the governor for a renewable term of three years and shall include the following:

- (a) A psychiatrist;
- (b) A licensed clinical psychologist;
- (c) A representative of the department of corrections;
- (d) A prosecutor or a representative of a prosecutor's association;
- (e) A representative of law enforcement or a law enforcement association;
- (f) A consumer and family advocate representative; and
- (g) A public defender or a representative of a defender's association.

(3) Thirty days prior to issuing a recommendation for conditional release under RCW 10.77.150 or forty-five days prior to issuing a recommendation for release under RCW 10.77.200, the secretary shall submit its recommendation with the committed person's application and the department's risk assessment to the public safety review panel. The public safety review panel shall complete an independent assessment of the public safety risk entailed by the secretary's proposed conditional release recommendation or release recommendation and provide this assessment in writing to the secretary. The public safety review panel may, within funds appropriated for this purpose, request additional evaluations of the committed person. The public safety review panel may indicate whether it is in agreement with the secretary's recommendation, or whether it would issue a different recommendation. The secretary shall provide the panel's assessment when it is received along with any supporting documentation, including all previous reports of evaluations of the committed person in the person's hospital record, to the court, prosecutor in the county that ordered the person's commitment, and counsel for the committed person.

(4) The secretary shall notify the public safety review panel at appropriate intervals concerning any changes in the commitment or custody status of persons found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall have access, upon request, to a committed person's complete hospital record, and any other records deemed necessary by the public safety review panel.

(5) The department shall provide administrative and financial support to the public safety review panel. The department, in consultation with the public safety review panel, may adopt rules to implement this section.

(6) By December 1, 2014, the public safety review panel shall report to the appropriate legislative committees the following:

- (a) Whether the public safety review panel has observed a change in statewide consistency of evaluations and decisions concerning changes in the commitment status of persons found not guilty by reason of insanity;
- (b) Whether the public safety review panel should be given the authority to make release decisions and monitor release conditions;
- (c) Whether further changes in the law are necessary to enhance public safety in cases where incompetency prevents operation of the criminal justice system and/or long-term commitment of the criminally insane; and
- (d) Any other issues the public safety review panel deems relevant.

Sec. 4. RCW 71.05.280 and 2008 c 213 s 6 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment or a restoration period under RCW 10.77.086, a person may be confined for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder or developmental disability, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled.

Sec. 5. RCW 71.05.320 and 2009 c 323 s 2 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment.

(3) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability continues to present((s)) a substantial likelihood of repeating ((similar)) acts

~~((considering))~~ similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety. (ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty day period whenever the petition presents prima facie evidence that the person continues to suffer from a mental disorder or developmental disability that results in a substantial likelihood that the person will commit acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the mental disorder or developmental disability no longer presents a substantial likelihood that the person will commit acts similar to the charged criminal behavior. The additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after release from the state hospital; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

(4) For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the designated mental health professional may file a new petition for continued less restrictive treatment if:

(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction;

(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and

(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

(5) A new petition for involuntary treatment filed under subsection (3) or (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. However, a commitment is not permissible under subsection (4) of this section if thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, nor shall a commitment under subsection (4) of this section be permissible if the likelihood of serious harm in subsection (4)(c) of this section is based solely on harm to the property of others.

(7) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 6. RCW 71.05.425 and 2011 c 305 s 5 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before conditional release, final release, authorized leave under RCW 71.05.325(2), or transfer to a facility other than a state mental hospital, the superintendent shall send written notice of conditional release, release, authorized leave, or transfer of a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) to the following:

(i) The chief of police of the city, if any, in which the person will reside; ~~((and))~~

(ii) The sheriff of the county in which the person will reside; and

(iii) The prosecuting attorney of the county in which the criminal charges against the committed person were dismissed.

(b) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4):

(i) The victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3)(c) or the victim's next of kin if the crime was a homicide;

(ii) Any witnesses who testified against the person in any court proceedings;

(iii) Any person specified in writing by the prosecuting attorney. Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the person committed under this chapter; and

(iv) The chief of police of the city, if any, and the sheriff of the county, if any, which had jurisdiction of the person on the date of the applicable offense.

(c) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical transfers.

(d) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2) If a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) escapes, the superintendent shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the person escaped and in which the person resided immediately before the person's arrest and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall also notify the witnesses and the victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3) or the victim's next of kin if the crime was a homicide. In addition, the secretary shall also notify appropriate parties pursuant to RCW 71.05.390(18). If the person is recaptured, the superintendent shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parent or legal guardian of the child.

(4) The superintendent shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(5) For purposes of this section the following terms have the following meanings:

(a) "Violent offense" means a violent offense under RCW 9.94A.030;

(b) "Sex offense" means a sex offense under RCW 9.94A.030;

(c) "Next of kin" means a person's spouse, state registered domestic partner, parents, siblings, and children;

(d) "Felony harassment offense" means a crime of harassment as defined in RCW 9A.46.060 that is a felony.

Sec. 7. RCW 10.77.200 and 2010 c 263 s 8 are each amended to read as follows:

(1) Upon application by the committed or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for release. In making this determination, the secretary may consider the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case. If the secretary approves the release he or she then shall authorize the person to petition the court.

(2) In instances in which persons have not made application for release, but the secretary believes, after consideration of the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case, that reasonable grounds exist for release, the secretary may petition the court. If the secretary petitions the court for release under this subsection, notice of the petition must be provided to the person who is the subject of the petition and to his or her attorney.

(3) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for release, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the ~~((petitioner))~~ person who is the subject of the petition examined by an expert or professional person of the prosecuting attorney's choice. If the secretary is the petitioner, the attorney general shall represent the secretary. If the ~~((petitioner))~~ person who is the subject of the petition is indigent, and the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the ~~((petitioner))~~ person who is the subject of the petition has a developmental disability, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the ~~((petitioner))~~ person who is the subject of the petition no longer presents, as a result of a mental disease or defect, a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions. If the person who is the subject of the petition will be transferred to a state correctional institution or facility upon release to serve a sentence for any class A felony, the petitioner must show that the person's mental disease or defect is manageable within a state correctional institution or facility, but must not be required to prove that the person does not present either a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, if released.

(4) For purposes of this section, a person affected by a mental disease or defect in a state of remission is considered to have a mental disease or defect requiring supervision when the disease may, with reasonable medical probability, occasionally become active and, when active, render the person a danger to others. Upon a finding that the ~~((petitioner))~~ person who is the subject of the petition has a mental disease or defect in a state of remission under this subsection, the court may deny release, or place or continue such a person on conditional release.

(5) Nothing contained in this chapter shall prohibit the patient from petitioning the court for release or conditional release from the

institution in which he or she is committed. The petition shall be served upon the court, the prosecuting attorney, and the secretary. Upon receipt of such petition, the secretary shall develop a recommendation as provided in subsection (1) of this section and provide the secretary's recommendation to all parties and the court. The issue to be determined on such proceeding is whether the ~~((petitioner))~~ patient, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(6) Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

(1) The department must initiate a process to enable water right holders to change the current status of water rights that are currently being put to a different or additional place of use or acreage than is indicated on the associated water right certificate, permit, or claim when that change was done prior to formal approval being granted by the department and only if the following conditions are met:

(a) The water right is located in a county that has at least six thousand acres in raspberry production as of the effective date of this section;

(b) The water right holder has implemented a change from overhead irrigation technology prior to January 1, 2010, to microirrigation technology;

(c) The water right holder has beneficially used the water right for irrigation purposes using microirrigation technology since implementing the change;

(d) Before the effective date of this section, the water right holder filed a water right change application or new water right application for the different or additional place of use or acreage but has not yet received approval for that application from the department; and

(e) The water right holder submits the following to the department:

(i) Information indicating the date or dates on which the actual changes in water use occurred, water use before and after the changes,

the points of diversion or withdrawal and any reductions in direct impact on instream resources, place of use and area actually irrigated both before and after the changes, and any improvements in water use efficiency;

2SSB 5213 Prime Sponsor, Committee on Ways & Means: Concerning prescription review for medicaid managed care enrollees. Reported by Committee on Health Care & Wellness

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The legislature finds that chronic care management, including comprehensive medication management services, provided by licensed pharmacists and qualified providers is a critical component of a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases.

Sec. 2. RCW 74.09.522 and 2011 1st sp.s. c 15 s 29, 2011 1st sp.s. c 9 s 2, and 2011 c 316 s 4 are each reenacted and amended to read as follows:

(1) For the purposes of this section:

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered

by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, ~~((2012))~~ 2014, unless a state plan amendment is required to implement subsections (C) and (F) of this section, including:

(A) Standards regarding the quality of services to be provided;

(B) The financial integrity of the responding system;

(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions, provided by a licensed pharmacist or other qualified provider consistent with the findings and goals established in section 1 of this act and in alignment with medication management services as described in section 3503(c) and (d) of P.L. 111-148 of 2010, as amended;

(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use; ~~((and))~~

(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management; and

(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals

established in section 1 of this act and in alignment with section 3503(c) and (d) of P.L. 111-148 of 2010, as amended. If comprehensive medication management services are performed at the same time that a medication is dispensed, the pharmacist shall forego reimbursement of the dispensing fee for payment for the review related to that encounter.

(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through (E) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The ~~((department))~~ authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the ~~((department))~~ authority, including hospital-based physician services. The ~~((department))~~ authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the ~~((department))~~ authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

E2SSB 5215 Prime Sponsor, Committee on Ways & Means: Concerning health care professionals contracting with public and private payors. Reported by Committee on Health Care & Wellness

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that Washington state is a provider friendly state within which to practice medicine. As part of health care reform, Washington state endeavors to establish and operate a state-based health benefits exchange wherein insurance products will be offered for sale and add potentially three hundred thousand patients to commercial insurance, and to expand access to medicaid for potentially three hundred thousand new enrollees. Such a successful and new insurance market in Washington state will require the willing participation of all categories of health care providers. The legislature further finds that principles of fair contracting apply to all contracts between health care providers and health insurance carriers offering insurance within Washington state and that fair dealings and transparency in expectations should be present in interactions between all third-party payors and health care providers.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Health care provider" or "provider" has the same meaning as in RCW 48.43.005 and, for the purposes of this chapter, includes facilities licensed under chapter 70.41 RCW.

(2) "Payor" or "third-party payor" means carriers licensed under chapters 48.20, 48.21, 48.44, and 48.46 RCW, and managed health care systems as defined in RCW 74.09.522.

(3) "Material amendment" means an amendment to a contract between a payor and health care provider that would result in requiring a health care provider to participate in a health plan, product, or line of business with a lower fee schedule in order to continue to participate in a health plan, product, or line of business with a higher fee schedule. A material amendment does not include any of the following:

(a) A decrease in payment or compensation resulting from a change in a fee schedule published by the payor upon which the payment or compensation is based and the date of applicability is clearly identified in the contract, compensation addendum, or fee schedule notice;

(b) A decrease in payment or compensation that was anticipated under the terms of the contract, if the amount and date of applicability of the decrease is clearly identified in the contract; or

(c) Changes unrelated to compensation so long as reasonable notice of not less than sixty days is provided.

NEW SECTION. Sec. 3. (1) A third-party payor shall provide no less than sixty days' notice to the health care provider of any

proposed material amendments to a health care provider's contract with the third-party payor.

(2) Any material amendment to a contract must be clearly defined in a notice to the provider from the third-party payor as being a material change to the contract before the provider's notice period begins. The notice must also inform the providers that they may choose to reject the terms of the proposed material amendment through written or electronic means at any time during the notice period and that such rejection may not affect the terms of the health care provider's existing contract with the third-party payor.

(3) A health care provider's rejection of the material amendment does not affect the terms of the health care provider's existing contract with the third-party payor.

(4) A failure to comply with the terms of subsections (1), (2), and (3) of this section shall void the effectiveness of the material amendment.

NEW SECTION. Sec. 4. A payor may require a health care provider to extend the payor's medicaid rates, or some percentage above the payor's medicaid rates, that govern a health benefit program administered by a public purchaser to a commercial plan or line of business offered by a payor that is not administered by a public purchaser only if the health care provider has expressly agreed in writing to the extension. For the purposes of this section, "administered by a public purchaser" does not include commercial coverage offered through the Washington health benefit exchange. Nothing in this section prohibits a payor from utilizing medicaid rates, or some percentage above medicaid rates, as a base when negotiating payment rates with a health care provider.

NEW SECTION. Sec. 5. A new section is added to chapter 18.130 RCW to read as follows:

No licensee subject to this chapter may be required to participate in any public or private third-party reimbursement program or any plans or products offered by a payor as a condition of licensure.

NEW SECTION. Sec. 6. Sections 1 through 4 of this act constitute a new chapter in Title 48 RCW."

A participating managed health care system shall not give preference in enrollment to enrollees who accept such additional health care benefits or services. Managed health care systems participating in the plan shall not discriminate against any potential or current enrollee based upon health status, sex, race, ethnicity, or religion. The ~~((administrator))~~ director may receive and act upon complaints from enrollees regarding failure to provide covered services or efforts to obtain payment, other than authorized copayments, for covered services directly from enrollees, but nothing in this chapter empowers the ~~((administrator))~~ director to impose any sanctions under Title 18 RCW or any other professional or facility licensing statute.

(2) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(4) The plan shall allow, at least annually, an opportunity for enrollees to transfer their enrollments among participating managed health care systems serving their respective areas. The ~~((administrator))~~ director shall establish a period of at least twenty days in a given year when this opportunity is afforded enrollees, and in those areas served by more than one participating managed health care system the ~~((administrator))~~ director shall endeavor to establish a uniform period for such opportunity. The plan shall allow enrollees to transfer their enrollment to another participating managed health care system at any time upon a showing of good cause for the transfer.

(5) Prior to negotiating with any managed health care system, the ~~((administrator))~~ director shall determine, on an actuarially sound basis, the reasonable cost of providing the schedule of basic health care services, expressed in terms of upper and lower limits, and recognizing variations in the cost of providing the services through the various systems and in different areas of the state.

(6) In negotiating with managed health care systems for participation in the plan, the ~~((administrator))~~ director shall adopt a uniform procedure that includes at least the following:

(c) The ~~((administrator))~~ director may then select one or more systems to provide the covered services within a local area; and

(d) The ~~((administrator))~~ director may adopt a policy that gives preference to respondents, such as nonprofit community health

clinics, that have a history of providing quality health care services to low-income persons.

(7)(a) The ~~((administrator))~~ director may contract with a managed health care system to provide covered basic health care services to subsidized enrollees, nonsubsidized enrollees, health coverage tax credit eligible enrollees, or any combination thereof. (b) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(c) For the purposes of this subsection, "chronic care management," "chronic condition," and "health home" have the same meaning as in RCW 74.09.010.

(d) Contracts that include the items in (a)(i) through (iii) of this subsection must not exceed the rates that would be paid in the absence of these provisions.

(8) The ~~((administrator))~~ director may establish procedures and policies to further negotiate and contract with managed health care systems following completion of the request for proposal process in subsection (6) of this section, upon a determination by the ~~((administrator))~~ director that it is necessary to provide access, as defined in the request for proposal documents, to covered basic health care services for enrollees.

(9) ~~((The administrator may implement a self-funded or self-insured method of providing insurance coverage to subsidized enrollees, as provided under RCW 41.05.140. Prior to implementing a self-funded or self-insured method, the administrator shall ensure that funding available in the basic health plan self-insurance reserve account is sufficient for the self-funded or self-insured risk assumed, or expected to be assumed, by the administrator. If implementing a self-funded or self-insured method, the administrator may request funds to be moved from the basic health plan trust account or the basic health plan subscription account to the basic health plan self-insurance reserve account established in RCW 41.05.140.~~

(4) Approved satellite system management agencies shall be reviewed periodically by the secretary for continued compliance with established criteria. The secretary may require status reports and other information necessary for such review. Satellite system management agencies shall be subject to reapproval at the discretion of the secretary but not less than once every five years.

(5) The secretary may assess reasonable fees to process applications for initial approval and for periodic review of satellite system management agencies. ~~((A satellite system management account is hereby created in the custody of the state treasurer. If a program does not require the prepayment of reserves, the authority shall establish such reserves within a reasonable period of time for the payment of claims as are normally required for that type of insurance under an insured program. (2) Reserves established by the authority for employee and retiree benefit programs shall be held in a separate account in the custody of the state treasurer and shall be known as the public employees' and retirees' insurance reserve fund. The state treasurer may invest the moneys in the reserve fund pursuant to RCW 43.79A.040.

(3) Any savings realized as a result of a program created for employees and retirees under this section shall not be used to increase benefits unless such use is authorized by statute.

(4) ~~((Reserves established by the authority to provide insurance coverage for the basic health plan under chapter 70.47 RCW shall be held in a separate trust account in the custody of the state treasurer and shall be known as the basic health plan self-insurance reserve account. ~~((8))~~ ~~((7))~~ The provisions of this section do not apply to the administration of chapter 74.09 RCW.

Sec. 11. RCW 82.45.180 and 2010 1st sp.s. c 26 s 9 are each amended to read as follows:

(1)(a) For taxes collected by the county under this chapter, the county treasurer shall collect a five dollar fee on all transactions required by this chapter where the transaction does not require the payment of tax. A total of five dollars shall be collected in the form of a tax and fee, where the calculated tax payment is less than five dollars. Through June 30, 2006, the county treasurer shall place one percent of the taxes collected by the county under this chapter and the treasurer's fee in the county current expense fund to defray costs of collection. After June 30, 2006, the county treasurer shall place one and three-tenths percent of the taxes collected by the county under this chapter and the treasurer's fee in the county current expense fund to defray costs of collection. For taxes collected by the county under this chapter before July 1, 2006, the county treasurer shall pay over to the state treasurer and account to the department of revenue for the proceeds at the same time the county treasurer remits funds to the state under RCW 84.56.280. For taxes collected by the county under this chapter after June 30, 2006, on a monthly basis the county treasurer shall pay over to the state treasurer the month's transmittal. The month's transmittal must be received by the state treasurer by 12:00 p.m. on the last working day of each month. The county

treasurer shall account to the department for the month's transmittal by the twentieth day of the month following the month in which the month's transmittal was paid over to the state treasurer. The state treasurer shall deposit the proceeds in the general fund.

(b) For purposes of this subsection, the definitions in this subsection apply.

(i) "Close of business" means the time when the county treasurer makes his or her daily deposit of proceeds.

(ii) "Month's transmittal" means all proceeds deposited by the county through the close of business of the day that is two working days before the last working day of the month. This definition of "month's transmittal" shall not be construed as requiring any change in a county's practices regarding the timing of its daily deposits of proceeds.

(iii) "Proceeds" means moneys collected and received by the county from the taxes imposed by this chapter, less the county's share of the proceeds used to defray the county's costs of collection allowable in (a) of this subsection.

(iv) "Working day" means a calendar day, except Saturdays, Sundays, and all legal holidays as provided in RCW 1.16.050.

(2) For taxes collected by the department of revenue under this chapter, the department shall remit the tax to the state treasurer who shall deposit the proceeds of any state tax in the general fund. The state treasurer shall deposit the proceeds of any local taxes imposed under chapter 82.46 RCW in the local real estate excise tax account hereby created in the state treasury. Moneys in the local real estate excise tax account may be spent only for distribution to counties, cities, and towns imposing a tax under chapter 82.46 RCW. Except as provided in RCW 43.08.190, all earnings of investments of balances in the local real estate excise tax account shall be credited to the local real estate excise tax account and distributed to the counties, cities, and towns monthly. Monthly the state treasurer shall make distribution from the local real estate excise tax account to the counties, cities, and towns the amount of tax collected on behalf of each taxing authority. The state treasurer shall make the distribution under this subsection without appropriation.

(3)(a) ((The real estate excise tax electronic technology account is created in the custody of the state treasurer. An appropriation is not required for expenditures and the account is not subject to allotment procedures under chapter 43.88 RCW.

(b))) Through June 30, 2010, the county treasurer shall collect an additional five dollar fee on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. The county treasurer shall remit this fee to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer shall place money from this fee in the ((real estate excise tax electronic technology account)) general fund. By the twentieth day of the subsequent month, the state treasurer shall distribute to each county treasurer according to the following formula: Three-quarters of the funds available shall be equally distributed among the thirty-nine counties; and the balance shall be ratably distributed among the counties in direct proportion to their population as it relates to the total state's population based on most recent statistics by the office of financial management.

((=)) (b) When received by the county treasurer, the funds shall be placed in a special real estate excise tax electronic technology fund held by the county treasurer to be used exclusively for the development, implementation, and maintenance of an electronic processing and reporting system for real estate excise tax affidavits. Funds may be expended to make the system compatible with the automated real estate excise tax system developed by the department and compatible with the processes used in the offices of the county assessor and county auditor. Any funds held in the account that are not expended by the earlier of: July 1, 2015, or at such time that the county treasurer is utilizing an electronic processing and reporting

system for real estate excise tax affidavits compatible with the department and compatible with the processes used in the offices of the county assessor and county auditor, revert to the special real estate and property tax administration assistance account in accordance with subsection (5)(c) of this section.

(4) Beginning July 1, 2010, through December 31, 2013, the county treasurer shall continue to collect the additional five dollar fee in subsection (3) of this section on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. During this period, the county treasurer shall remit this fee to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer shall place money from this fee in the annual property revaluation grant account created in RCW 84.41.170.

(5)(a) The real estate and property tax administration assistance account is created in the custody of the state treasurer. An appropriation is not required for expenditures and the account is not subject to allotment procedures under chapter 43.88 RCW.

(b) Beginning January 1, 2014, the county treasurer must continue to collect the additional five dollar fee in subsection (3) of this section on all transactions required by this chapter, regardless of whether the transaction requires the payment of tax. The county treasurer shall deposit one-half of this fee in the special real estate and property tax administration assistance account in accordance with (c) of this subsection and remit the balance to the state treasurer at the same time the county treasurer remits funds to the state under subsection (1) of this section. The state treasurer must place money from this fee in the real estate and property tax administration assistance account. By the twentieth day of the subsequent month, the state treasurer must distribute the funds to each county treasurer according to the following formula: One-half of the funds available must be equally distributed among the thirty-nine counties; and the balance must be ratably distributed among the counties in direct proportion to their population as it relates to the total state's population based on most recent statistics by the office of financial management.

(c) When received by the county treasurer, the funds must be placed in a special real estate and property tax administration assistance account held by the county treasurer to be used for:

(i) Maintenance and operation of an annual revaluation system for property tax valuation; and

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.130 and 2011 c 309 s 27 and 2011 c 292 s 1 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or a supervising agency for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department or supervising agency has the authority to place the child, subject to review and approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be competent to provide care for the child.

(2) Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court shall consider the child's existing relationships and attachments when determining placement.

(4) When placing an Indian child in out-of-home care, the department or supervising agency shall follow the placement preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepbrother or stepsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepsibling.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department or supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(~~(6)~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(~~(6)~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of

the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130((4)) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 3. RCW 13.34.380 and 2009 c 520 s 45 are each amended to read as follows:

The department shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department and supervising agency caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

NEW SECTION. Sec. 4. A new section is added to chapter 13.34 RCW to read as follows:

In the event a judge orders a parent to undergo a psychosexual evaluation, and pending the outcome of the evaluation, the department, subject to the approval of the court, may reassess visitation duration, supervision, and location, if appropriate. If the assessment indicates the current visitation plan is contrary to the child's health, safety, or welfare, the department, subject to approval by the court, may alter the visitation plan pending the outcome of the investigation.

Sec. 5. RCW 74.14B.010 and 1999 c 389 s 5 are each amended to read as follows:

(1) Caseworkers employed in children services shall meet minimum standards established by the department of social and health services. Comprehensive training for caseworkers shall be completed before such caseworkers are assigned to case-carrying responsibilities without direct supervision. Intermittent, part-time, and standby workers shall be subject to the same minimum standards and training.

(2) Ongoing specialized training shall be provided for persons responsible for investigating child sexual abuse. Training participants shall have the opportunity to practice interview skills and receive feedback from instructors.

(3) The department, the criminal justice training commission, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys shall design and implement statewide training that contains consistent elements for persons engaged in the interviewing of children, including law enforcement, prosecution, and child protective services.

(4) The training shall: (a) Be based on research-based practices and standards; (b) minimize the trauma of all persons who are interviewed during abuse investigations; (c) provide methods of reducing the number of investigative interviews necessary whenever possible; (d) assure, to the extent possible, that investigative interviews are thorough, objective, and complete; (e) recognize needs of special populations, such as persons with developmental disabilities; (f) recognize the nature and consequences of victimization; (g) require investigative interviews to be conducted in a manner most likely to permit the interviewed persons the maximum emotional comfort under the circumstances; (h) address record retention and retrieval; and (i) documentation of investigative interviews.

(5) The identification of domestic violence is critical in ensuring the safety of children in the child welfare system. As a result, ongoing domestic violence training and consultation shall be provided to caseworkers, including how to use the children's administration's practice guide to domestic violence."

(a) The charitable organization is not a qualified beneficiary as defined in section 8 of this act specified in the trust instrument or acting as trustee; or

(11) An action taken by the court is conclusive and binding upon each person receiving actual or constructive notice or who is otherwise represented under this section.

(12) This section is intended to adopt the common law concept of virtual representation. This section supplements the common law relating to the doctrine of virtual representation and may not be construed as limiting the application of that common law doctrine.

Sec. 6. RCW 11.96A.125 and 2011 c 327 s 11 are each amended to read as follows:

The terms of a will or trust, even if unambiguous, may be reformed by judicial proceedings ~~((or binding nonjudicial procedure))~~ under this chapter to conform the terms to the intention of the testator or trustor if it is proved by clear, cogent, and convincing evidence~~((; or the parties to a binding nonjudicial agreement agree that there is clear, cogent, and convincing evidence.))~~ that both the intent of the testator or trustor and the terms of the will or trust were affected by a mistake of fact or law, whether in expression or inducement. This does not limit the ability to reform the will or trust using the binding nonjudicial procedures of RCW 11.96A.220.

Sec. 7. RCW 11.97.010 and 2011 c 327 s 12 are each amended to read as follows:

~~((+))~~ The trustor of a trust may by the provisions of the trust relieve the trustee from any or all of the duties, restrictions, and liabilities which would otherwise be imposed by chapters 11.95, 11.98, 11.100, and 11.104A RCW and RCW 11.106.020, or may alter or deny any or all of the privileges and powers conferred by those provisions; or may add duties, restrictions, liabilities, privileges, or powers to those imposed or granted by those provisions. If any specific provision of those chapters is in conflict with the provisions of a trust, the provisions of the trust control whether or not specific reference is made in the trust to any of those chapters, except as provided in RCW 6.32.250, 11.96A.190, 19.36.020, section 8 of this act, 11.98.200 through 11.98.240, section 16(1) of this act, 11.95.100 through 11.95.150, and chapter 11.103 RCW. In no event may a trustee be relieved of the duty to act in good faith and with honest judgment ~~((or the duty to provide information to beneficiaries as required in this section))~~. Notwithstanding the breadth of discretion granted to a trustee in the terms of the trust, including the use of such terms as "absolute," "sole," or "uncontrolled," the trustee ~~((shall))~~ must exercise a discretionary power in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries.

((2)) Within sixty days after the date of acceptance of the position of trustee of an irrevocable trust, or the date the trustee of a formerly revocable trust acquires knowledge that the trust has become irrevocable, whether by the death of the trustor or otherwise, the trustee shall give notice of: (a) The existence of the trust, (b) the identity of the trustor or trustors, (c) the trustee's name, address, and telephone number, and (d) the right to request such information as is reasonably necessary to enable the notified person to enforce his or her rights under the trust, to all persons interested in the trust, as defined in RCW 11.96A.030, and who would be entitled to notice under RCW 11.96A.110 and 11.96A.120 if they were a party to judicial proceedings regarding the trust. If any such person is a minor and no guardian has been appointed for such person by any court, then such notice may be given to a parent of the person. If a person otherwise entitled to notice under this section is a charitable organization, and the charitable organization's only interest in the trust is a future interest that may be revoked, then such notice shall instead be given to the attorney general. A trustee who gives notice pursuant to this section satisfies the duty to inform the beneficiaries of the existence of the trust. The notice required under this subsection (2) applies only to irrevocable trusts created after December 31, 2011, and revocable trusts that become irrevocable after December 31, 2011, provided that all common law duties of a trustee to notify beneficiaries applicable to trusts created or that became irrevocable before such date are not affected.

(3) A trustee shall keep all persons interested in the trust, as defined in RCW 11.96A.030, and who would be entitled to notice under RCW 11.96A.110 and 11.96A.120 if they were a party to judicial proceedings regarding the trust, reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. A report that contains the following is presumed to satisfy the trustee's duty to keep such persons reasonably informed for the relevant period of trust administration:

- (a) A statement of receipts and disbursements of principal and income that have occurred during the accounting period;
- (b) A statement of the assets and liabilities of the trust and their values at the beginning and end of the period;
- (c) The trustee's compensation for the period;
- (d) The agents hired by the trustee, their relationship to the trustee, if any, and their compensation, for the period;
- (e) Disclosure of any pledge, mortgage, option, or lease of trust property, or other agreement affecting trust property binding for a period of five years or more that was granted or entered into during the accounting period;
- (f) Disclosure of all transactions during the period that are

equivalent to one of the types of transactions described in RCW 11.98.078 or otherwise could have been affected by a conflict between the trustee's fiduciary and personal interests;

(g) A statement that the recipient of the account information may petition the superior court pursuant to chapter 11.106 RCW to obtain review of the statement and of acts of the trustee disclosed in the statement; and

(h) A statement that claims against the trustee for breach of trust may not be made after the expiration of three years from the date the beneficiary receives the statement.

(4) Unless unreasonable under the circumstances, a trustee shall promptly respond to any beneficiary's request for information related to the administration of the trust.

(5) If a person entitled to notice under this section requests information reasonably necessary to enable the notified person to enforce his or her rights under the trust, then the trustee must provide such information within sixty days of receipt of such request. Delivery of the entire trust instrument to the persons entitled to notice under this section who request information concerning the terms of the trust reasonably necessary to enable the notified person to enforce his or her rights under the trust is deemed to satisfy the trustee's obligations under this subsection.)

NEW SECTION. Sec. 8. A new section is added to chapter 11.98 RCW to be codified before RCW 11.98.005 to read as follows:

The definitions in this section apply throughout this chapter, and throughout this title where specifically referenced, unless the context clearly requires otherwise.

(1) "Permissible distributee" means a trust beneficiary who is currently eligible to receive distributions of trust income or principal, whether the distribution is mandatory or discretionary.

(2) "Qualified beneficiary" means a trust beneficiary who, on the date that such beneficiary's qualification is determined:

- (a) Is a permissible distributee;
- (b) Would be a permissible distributee if the interests of the distributees described in (a) of this subsection terminated on that date; or
- (c) Would be a permissible distributee if the trust terminated on that date.

Sec. 9. RCW 11.98.005 and 2011 c 327 s 22 are each amended to read as follows:

(1) If provisions of a trust instrument designate Washington as the situs of the trust or designate Washington law to govern the trust or any of its terms, then the situs of the trust is Washington provided that one of the following conditions is met:

- (a) A trustee has a place of business in or a trustee is a resident of Washington; or
- (b) More than an insignificant part of the trust administration occurs in Washington; or
- (c) The trustor resides in Washington at the time situs is being established, or resided in Washington at the time the trust became irrevocable; or
- (d) One or more of the qualified beneficiaries resides in Washington; or
- (e) An interest in real property located in Washington is an asset of the trust.

(2)(a) Unless the trust instrument designates a state other than Washington as the situs of the trust and does not expressly authorize transfer of situs, the trustee may register the trust as a Washington trust if any of the factors in subsection (1)(a) through (e) of this section are present. The trustee ~~((shall))~~ must register the trust by filing with the clerk of the court in any county where venue lies for the trust under RCW 11.96A.050, a statement including the following information:

- (i) The name and address of the trustee;
- (ii) The date of the trust, name of the trustor, and name of the trust, if any;

(iii) The factor or factors listed in subsection (1)(a) through (e) of this section that are present for the trust and which qualify the trust for registration.

(b) Within five days of filing the registration with the court, the trustee ~~((shall))~~ must mail a copy of the registration to each ~~((person who would be entitled to notice under RCW 11.97.010 and))~~ qualified beneficiary who has not waived notice of the registration, in writing, filed in the cause, together with a notice that must be in substantially the same form as set forth in this section. Persons receiving such notice ~~((shall))~~ have thirty days from the date of filing the registration to file a petition in the court objecting to such registration and requesting the court to issue an order that Washington is not the proper situs of the trust, and to serve a copy of such petition upon the trustee or the trustee's lawyer. If a petition objecting to the registration is filed within thirty days of the date of filing the registration, the trustee must request the court to fix a time and place for the hearing of the petition and notify by mail, personal service or electronic transmission, if a valid consent to electronic transmission is in effect under the terms of RCW 11.96A.110, all ~~((persons who were entitled to notice of the registration))~~ qualified beneficiaries of the time and place of the hearing, not less than ten days before the hearing on the petition.

(c) Unless a person receiving notice of the registration files a petition with the court objecting to the registration within thirty days of the date of filing the registration, the registration ~~((shall))~~ will be deemed the equivalent of an order entered by the court declaring that the situs of the trust is Washington. After expiration of the thirty-day period following filing of the registration, the trustee may obtain a certificate of registration signed by the clerk, and issued under the seal of the court, which may be in the form specified in (d) of this subsection.

(d) Notice of registration and certificates of registration may be in the following form:

(i) Notice form:

NOTICE OF FILING OF REGISTRATION OF [NAME AND DATE OF TRUST] AS A WASHINGTON TRUST

NOTICE IS GIVEN that the attached Registration of Trust was filed by the undersigned in the above-entitled court on the day of, 20. . . ; unless you file a petition in the above-entitled court objecting to such registration and requesting the court to issue an order that Washington is not the proper situs of the trust, and serve a copy thereof upon the trustee or the trustee's lawyer, within thirty days after the date of the filing, the registration will be deemed the equivalent of an order entered by the court declaring that the situs of the trust is Washington.

If you file and serve a petition within the period specified, the undersigned will request the court to fix a time and place for the hearing of your petition, and you will be notified of the time and place thereof, by mail, or personal service, not less than ten days before the hearing on the petition.

(ii) Certificate of Registration:

Witness my hand and the seal of said court this . . . day of, 20

(3) If the instrument establishing a trust does not designate ~~((Washington as the situs or designate Washington))~~ any jurisdiction as the situs or designate any jurisdiction's governing law to apply to the trust, and the trustee of the trust has not registered the trust as allowed in subsection (2) of this section, the situs of the trust is Washington if ~~((the))~~ situs has not previously been established by any court proceeding and the additional conditions specified in this subsection (3) are met.

(a) For a testamentary trust, the situs of the trust is Washington if:

(i) The will was admitted to probate in Washington; or

(ii) The will has not been admitted to probate in Washington, but any trustee of the trust resides or has a place of business in Washington, any qualified beneficiary ~~((entitled to notice under RCW 11.97.010))~~ resides in Washington, or any real property that is an asset of the trust is located in Washington.

(b) For an inter vivos trust ~~((where the trustor is domiciled in Washington either when the trust becomes irrevocable or, in the case of a revocable trust, when judicial proceedings under chapter 11.96A RCW are commenced))~~, the situs of the trust is Washington if:

(i) The trustor is living and Washington is the trustor's domicile or any of the trustees reside in or have a place of business in Washington; or

(ii) The trustor is deceased ~~((, situs has not previously been established by any court proceeding.))~~; and:

(A) The trustor's will was admitted to probate in Washington; or

(B) The trustor's will was not admitted to probate in Washington, but any ~~((person entitled to notice under RCW 11.97.010))~~ qualified beneficiary resides in Washington, any trustee resides or has a place of business in Washington, or any real property that is an asset of the trust is located in Washington.

(c) If the situs of the trust is not determined under (a) or (b) of this subsection, the determination regarding the situs of the trust is a matter for purposes of RCW 11.96A.030. Whether Washington is the situs ~~((shall))~~ must be determined by a court in a judicial proceeding conducted under RCW 11.96A.080 if:

(i) A trustee has a place of business in or a trustee is a resident of Washington; or

(ii) More than an insignificant part of the trust administration occurs in Washington; or

(iii) One or more of the qualified beneficiaries resides in Washington; or

(iv) An interest in real property located in Washington is an asset of the trust.

(d) Determination of situs under (c) of this subsection (3) cannot be made by nonjudicial agreement under RCW 11.96A.220.

NEW SECTION. Sec. 10. A new section is added to chapter 11.98 RCW to be codified between RCW 11.98.016 and 11.98.019 to read as follows:

(1) Except as otherwise provided in subsection (3) of this section, a person designated as trustee accepts the trusteeship:

(a) By substantially complying with a method of acceptance provided in the terms of the trust; or

(b) If the terms of the trust do not provide a method of acceptance or the method provided in the terms is not expressly made exclusive, by accepting delivery of the trust property, exercising powers or performing duties as trustee, or otherwise indicating acceptance of the trusteeship.

(2) A person designated as trustee who has not yet accepted the trusteeship may decline the trusteeship by delivering a written declination of the trusteeship to the trustor or, if the trustor is deceased or is incapacitated, to a successor trustee, if any, and if none, to a qualified beneficiary.

(3) A person designated as trustee, without accepting the trusteeship, may:

(a) Act to preserve the trust property if, within a reasonable time after acting, the person sends a written declination of the trusteeship

to the trustor or, if the trustor is dead or is incapacitated, to a successor trustee, if any, and if none, to a qualified beneficiary; and

(b) Inspect or investigate trust property to determine potential liability under environmental or other law or for any other purpose.

Sec. 11. RCW 11.98.019 and 1985 c 30 s 42 are each amended to read as follows:

Any trustee may, by written instrument delivered to any then acting co-trustee and to the ~~((current adult income beneficiaries))~~ permissible distributees of the trust, relinquish to any extent and upon any terms any or all of the trustee's powers, rights, authorities, or discretions that are or may be tax sensitive in that they cause or may cause adverse tax consequences to the trustee or the trust. Any trustee not relinquishing such a power, right, authority, or discretion and upon whom it is conferred continues to have full power to exercise it.

Sec. 12. RCW 11.98.039 and 2011 c 327 s 21 are each amended to read as follows:

(1) Where a vacancy occurs in the office of the trustee and there is a successor trustee who is willing to serve as trustee and (a) is named in the governing instrument as successor trustee or (b) has been selected to serve as successor trustee under the procedure established in the governing instrument for the selection of a successor trustee, the outgoing trustee, or any other interested party, ~~((shall))~~ must give notice of such vacancy, whether arising because of the trustee's resignation or because of any other reason, and of the successor trustee's agreement to serve as trustee, to each ((adult distributee or permissible distributee of trust income or of trust principal or of both trust income and trust principal. If there are no such adults, no notice need be given)) permissible distributee. The successor trustee named in the governing instrument or selected pursuant to the procedure therefor established in the governing instrument ~~((shall be))~~ is entitled to act as trustee except for good cause or disqualification. The successor trustee ((shall serve)) is deemed to have accepted the trusteeship as of the effective date of the discharge of the predecessor trustee as provided in RCW 11.98.041.

(2) Where a vacancy exists or occurs in the office of the trustee and there is no successor trustee who is named in the governing instrument or who has been selected to serve as successor trustee under the procedure established in the governing instrument for the selection of a successor trustee, and who is willing to serve as trustee, then all parties with an interest in the trust may agree to a nonjudicial change of the trustee under RCW 11.96A.220. The successor trustee ~~((shall serve))~~ is deemed to have accepted the trusteeship as of the effective date of the discharge of the predecessor trustee as provided in RCW 11.98.041 or, in circumstances where there is no predecessor trustee, as of the effective date of the trustee's appointment.

(3) When there is a desire to name one or more cotrustees to serve with the existing trustee, then all parties with an interest in the trust may agree to the nonjudicial addition of one or more cotrustees under RCW 11.96A.220. The additional cotrustee ~~((shall serve))~~ is deemed to have accepted the trusteeship as of the effective date of the cotrustee's appointment.

(4) Unless subsection (1), (2), or (3) of this section applies, any beneficiary of a trust, the trustor, if alive, or the trustee may petition the superior court having jurisdiction for the appointment or change of a trustee or cotrustee under the procedures provided in RCW 11.96A.080 through 11.96A.200: (a) Whenever the office of trustee becomes vacant; (b) upon filing of a petition of resignation by a trustee; or (c) for any other reasonable cause.

(5) For purposes of this subsection, the term fiduciary includes both trustee and personal representative.

(a) Except as otherwise provided in the governing instrument, a successor fiduciary, absent actual knowledge of a breach of fiduciary duty: (i) Is not liable for any act or omission of a predecessor fiduciary and is not obligated to inquire into the validity or propriety of any such act or omission; (ii) is authorized to accept as conclusively accurate any accounting or statement of assets tendered

to the successor fiduciary by a predecessor fiduciary; and (iii) is authorized to receipt only for assets actually delivered and has no duty to make further inquiry as to undisclosed assets of the trust or estate.

(b) Nothing in this section relieves a successor fiduciary from liability for retaining improper investments, nor does this section in any way bar the successor fiduciary, trust beneficiaries, or other party in interest from bringing an action against a predecessor fiduciary arising out of the acts or omissions of the predecessor fiduciary, nor does it relieve the successor fiduciary of liability for its own acts or omissions except as specifically stated or authorized in this section.

(6) A change of trustee to a foreign trustee does not change the situs of the trust. Transfer of situs of a trust to another jurisdiction requires compliance with RCW 11.98.005 and RCW 11.98.045 through 11.98.055.

Sec. 13. RCW 11.98.041 and 1985 c 30 s 141 are each amended to read as follows:

Where a vacancy occurs in the office of trustee under the circumstances described in RCW 11.98.039 (1) or (2), the outgoing trustee ~~((shall be))~~ is discharged upon the agreement of all parties entitled to notice or upon the expiration of thirty days after notice is given of such vacancy as required by the applicable subsection of RCW 11.98.039, whichever occurs first, or if no notice is required under RCW 11.98.039(1), upon the date the vacancy occurs, unless before the effective date of such discharge a petition is filed under RCW 11.98.039((3)) (4) regarding the appointment or change of a trustee of the trust. Where a petition is filed under RCW 11.98.039((3)) (4) regarding the appointment or change of a trustee, the superior court having jurisdiction may discharge the trustee from the trust and may appoint a successor trustee upon such terms as the court may require.

Sec. 14. RCW 11.98.045 and 2011 c 327 s 23 are each amended to read as follows:

(1) If a trust is a Washington trust under RCW 11.98.005, a trustee may transfer the situs of the trust to a jurisdiction other than Washington if the trust instrument so provides or in accordance with RCW 11.98.051 or 11.98.055.

(2) Transfer under this section is permitted only if:

(a) The transfer would facilitate the economic and convenient administration of the trust;

(b) The transfer would not materially impair the interests of the qualified beneficiaries or others interested in the trust;

(c) The transfer does not violate the terms of the trust;

(d) The new trustee is qualified and able to administer the trust or such assets on the terms set forth in the trust; and

(e) The trust meets at least one condition for situs listed in RCW 11.98.005(1) with respect to the new jurisdiction.

(3) Acceptance of such transfer by a foreign corporate trustee or trust company under this section or RCW 11.98.051 or 11.98.055 ~~((shall))~~ may not be construed to be doing a "trust business" as described in RCW 30.08.150(9).

Sec. 15. RCW 11.98.051 and 2011 c 327 s 24 are each amended to read as follows:

(1) The trustee may transfer trust situs (a) in accordance with RCW 11.96A.220; or (b) by giving written notice to ~~((those persons entitled to notice as provided for under RCW 11.96A.110 and to))~~ the attorney general in the case of a charitable trust subject to chapter 11.110 RCW and to the qualified beneficiaries not less than sixty days before initiating the transfer. The notice must:

(a) State the name and mailing address of the trustee;

(b) Include a copy of the governing instrument of the trust;

(c) Include a statement of assets and liabilities of the trust dated within ninety days of the notice;

(d) State the name and mailing address of the trustee to whom the trust will be transferred together with evidence that the trustee has agreed to accept the trust in the manner provided by law of the new situs. The notice must also contain a statement of the trustee's

qualifications and the name of the court, if any, having jurisdiction of that trustee or in which a proceeding with respect to the administration of the trust may be heard;

(e) State the facts supporting the requirements of RCW 11.98.045(2);

(f) Advise the ~~((beneficiaries))~~ recipients of the notice of the date, not less than sixty days after the giving of the notice, by which ~~((the beneficiary))~~ such recipients must notify the trustee of an objection to the proposed transfer; and

(g) Include a form on which the recipient may ~~((indicate consent or objection))~~ object to the proposed transfer.

(2) If the date upon which the ~~((beneficiaries'))~~ right to object to the transfer expires without receipt by the trustee of any objection, the trustee may transfer the trust situs as provided in the notice. If the trust was registered under RCW 11.98.045(2), the trustee must file a notice of transfer of situs and termination of registration with the court of the county where the trust was registered.

(3) The authority of a trustee under this section to transfer a trust's situs terminates if a ~~((beneficiary))~~ recipient of the notice notifies the trustee of an objection to the proposed transfer on or before the date specified in the notice.

(4) A change of trust situs does not authorize a change of trustee. Change of trustee of a trust requires compliance with RCW 11.98.039.

NEW SECTION. Sec. 16. A new section is added to chapter 11.98 RCW between RCW 11.98.070 and 11.98.080 to read as follows:

(1) A trustee must keep all qualified beneficiaries of a trust reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. Unless unreasonable under the circumstances, a trustee must promptly respond to any beneficiary's request for information related to the administration of the trust. The trustee is deemed to have satisfied the request of a qualified beneficiary who requests information concerning the terms of the trust reasonably necessary to enable such beneficiary to enforce his or her rights under the trust if the trustee provides a copy of the entire trust instrument. If a qualified beneficiary must compel production of information from the trustee by order of the court, then the court may order costs, including reasonable attorneys' fees, to be awarded to such beneficiary pursuant to RCW 11.96A.150.

(2)(a) Except to the extent waived or modified as provided in subsection (5) of this section, within sixty days after the date of acceptance of the position of trustee, the trustee must give notice to the qualified beneficiaries of the trust of:

- (i) The existence of the trust;
- (ii) The identity of the trustor or trustors;
- (iii) The trustee's name, address, and telephone number; and
- (iv) The right to request such information as is reasonably necessary to enable the notified person to enforce his or her rights under the trust.

(b) The notice required under this subsection (2) applies only to irrevocable trusts created after December 31, 2011, and revocable trusts that become irrevocable after December 31, 2011.

(3) Despite any other provision of this section, and except to the extent waived or modified as provided in subsection (5) of this section, the trustee may not be required to provide any information described in subsection (1) or (2) of this section to any beneficiary of a trust other than the trustor's spouse or domestic partner if:

- (a) Such spouse or domestic partner has capacity;
- (b) Such spouse or domestic partner is the only permissible distributee of the trust; and
- (c) All of the other qualified beneficiaries of the trust are the descendants of the trustor and the trustor's spouse or domestic partner.

(4) While the trustor of a revocable trust is living, no beneficiary other than the trustor is entitled to receive any information under this section.

(5) The trustor may waive or modify the notification requirements of subsections (2) and (3) of this section in the trust document or in a separate writing, made at any time, that is delivered to the trustee.

Sec. 17. RCW 11.98.080 and 1999 c 42 s 621 are each amended to read as follows:

(1)(a) Two or more trusts may be consolidated if:

~~((a))~~ (i) The trusts so provide; or

~~((b))~~ (ii) Whether provided in the trusts or not, ~~((in accordance with subsection (2) of this section, if all interested persons consent as provided in subsection (2)(b) of this section and the requirements of subsection (1)(d) of this section are satisfied; or~~

(c) Whether provided in the trusts or not, in accordance with subsection (3) of this section if the requirements of subsection (1)(d) of this section are satisfied;

~~(d))~~ the requirements of subsection (2), (3), or (4) of this section are satisfied.

~~(b)~~ Consolidation under subsection (2) ~~((or)), (3), or (4)~~ of this section is permitted only if:

(i) The dispositive provisions of each trust to be consolidated are substantially similar;

(ii) Consolidation is not inconsistent with the intent of the trustor with regard to any trust to be consolidated; and

(iii) Consolidation would facilitate administration of the trusts and would not materially impair the interests of the beneficiaries~~((; —(e)))~~.

~~(c)~~ Trusts may be consolidated whether created inter vivos or by will, by the same or different instruments, by the same or different trustors, whether the trustees are the same, and regardless of where the trusts were created or administered.

(2) ~~((The trustees of two or more trusts may consolidate the trusts on such terms and conditions as appropriate without court approval as provided in RCW 11.96A.220.))~~

~~(a) ((The trustee shall give written notice of proposed consolidation by personal service or by certified mail to the))~~ A trustee must deliver sixty days in advance written notice of a proposed consolidation in the manner provided in RCW 11.96A.110 to the qualified beneficiaries of every trust affected by the consolidation ~~((as provided in RCW 11.96A.110))~~ and to any trustee of such trusts who does not join in the notice. The notice ~~((shall))~~ must: (i) State the name and mailing address of the trustee; (ii) include a copy of the governing instrument of each trust to be consolidated; (iii) include a statement of assets and liabilities of each trust to be consolidated, dated within ninety days of the notice; (iv) fully describe the terms and manner of consolidation; and (v) state the reasons supporting the requirements of subsection (1)~~((d))~~ (b) of this section. The notice ~~((shall))~~ must advise the recipient of the right to petition for a judicial determination of the proposed consolidation as provided in subsection ~~((3))~~ (4) of this section~~((—The notice shall include a form on which consent or objection to the proposed consolidation may be indicated.~~

~~(b) If the trustee receives written consent to the proposed consolidation from all persons entitled to notice as provided in RCW 11.96A.110 or from their representatives, the trustee may consolidate the trusts as provided in the notice. Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.~~

~~(3)(a) Any trustee, beneficiary, or special representative may petition the superior court of the county in which the principal place of administration of a trust is located for an order consolidating two or more trusts under RCW 11.96A.080 through 11.96A.200. If nonjudicial consolidation has been commenced pursuant to subsection (2) of this section, a petition may be filed under this~~

~~section unless the trustee has received all necessary consents. The principal place of administration of the trust is the trustee's usual place of business where the records pertaining to the trust are kept, or the trustee's residence if the trustee has no such place of business), and must indicate that the recipient has thirty days to object to the proposed consolidation.~~

(b) If the trustee receives written objection to the proposed consolidation from any trustee or beneficiary entitled to notice or from their representatives within the objection period provided in subsection (a) of this section, the trustee(s) may not consolidate the trusts as provided in the notice, though an objection does not preclude the trustee or a beneficiary's right to petition for a judicial determination of the proposed consolidation as provided in subsection (4) of this section. If the trustee does not receive any objection within the objection period provided above, then the trustee may consolidate the trusts, and such will be deemed the equivalent of an order entered by the court declaring that the trusts were combined in the manner provided in the initial notice.

(3) The trustees of two or more trusts may consolidate the trusts on such terms and conditions as appropriate without court approval as provided in RCW 11.96A.220.

(4)(a) Any trustee, beneficiary, or special representative may petition the superior court of the county in which the situs of a trust is located for an order consolidating two or more trusts under RCW 11.96A.080 through 11.96A.200.

(b) At the conclusion of the hearing, if the court finds that the requirements of subsection (1)((4)) (b) of this section have been satisfied, it may direct consolidation of two or more trusts on such terms and conditions as appropriate. The court in its discretion may provide for payment from one or more of the trusts of reasonable fees and expenses for any party to the proceeding.

((4)) (5) This section applies to all trusts whenever created. Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.

((5)) (6) For powers of fiduciaries to divide trusts, see RCW 11.108.025.

NEW SECTION. Sec. 18. RCW 11.98.090 (Nonliability of third persons without knowledge of breach) and 1985 c 30 s 52 are each repealed.

Sec. 19. RCW 11.103.040 and 2011 c 327 s 37 are each amended to read as follows:

While ~~((a trust is revocable by the trustor,))~~ the trustor of a revocable trust is living, the rights of the beneficiaries are subject to the control of, and the duties of the trustee are owed exclusively to, the trustor. If a revocable trust has more than one trustor, the duties of the trustee are owed to all of the living trustors having the right to revoke the trust.

Sec. 20. RCW 11.103.050 and 2011 c 327 s 38 are each amended to read as follows:

(1) A person may commence a judicial proceeding to contest the validity of a trust that was revocable at the trustor's death within the earlier of:

(a) Twenty-four months after the trustor's death; or

(b) Four months after the trustee sent to the person by personal service, mail, or in an electronic transmission if there is a consent of the recipient to electronic transmission then in effect under the terms of RCW 11.96A.110, a notice ~~((with the information required in RCW 11.97.010, and))~~ including:

(i) The name and date of the trust;

(ii) The identity of the trustor or trustors;

(iii) The trustee's name, address, and telephone number; and

(iv) Notice of the time allowed for commencing a proceeding.

(2) Upon the death of the trustor of a trust that was revocable at the trustor's death, the trustee may proceed to distribute the trust property in accordance with the terms of the trust, unless:

(a) The trustee knows of a pending judicial proceeding contesting the validity of the trust; or

(b) A potential contestant has notified the trustee of a possible judicial proceeding to contest the trust and a judicial proceeding is commenced within sixty days after the contestant sent the notification.

(3) A beneficiary of a trust that is determined to have been invalid is liable to return any distribution received.

Sec. 21. RCW 11.96A.250 and 2001 c 14 s 3 are each amended to read as follows:

(1)(a) ~~((The personal representative or trustee may petition the court having jurisdiction over the matter for the appointment of a special representative to represent a person who is interested in the estate or trust and))~~ Any party or the parent of a minor or unborn party may petition the court for the appointment of a special representative to represent a party: (i) Who is a minor; (ii) who is ~~((incompetent or disabled))~~ incapacitated without an appointed guardian of his or her estate; (iii) who is yet unborn or unascertained; or (iv) whose identity or address is unknown. The petition may be heard by the court without notice.

(b) In appointing the special representative the court shall give due consideration and deference to any nomination(s) made in the petition, the special skills required in the representation, and the need for a representative who will act independently and prudently. The nomination of a person as special representative by the ~~((personal representative or trustee))~~ petitioner and the person's willingness to serve as special representative are not grounds by themselves for finding a lack of independence, however, the court may consider any interests that the nominating ~~((fiduciary))~~ party may have in the estate or trust in making the determination.

(c) The special representative may enter into a binding agreement on behalf of the person or beneficiary. The special representative may be appointed for more than one person or class of persons if the interests of such persons or class are not in conflict. The petition ~~((shall))~~ must be verified. The petition and order appointing the special representative may be in the following form:

Sec. 22. RCW 11.98.015 and 2011 c 327 s 20 are each amended to read as follows:

Except as otherwise provided in chapter 11.118 RCW or by another statute, the following rules apply:

(1) A trust may be created for a noncharitable purpose without a definite or definitely ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be selected by the trustee. The trust may not be enforced for longer than the time period specified in RCW 11.98.130 as the period during which a trust cannot be deemed to violate the rule against perpetuities;

(2) A trust authorized by this section may be enforced by a person appointed in the terms of the trust or, if no person is so appointed, by a person appointed by the court. Such person is considered to be a permissible distributee of the trust; and

(3) Property of a trust authorized by this section may be applied only to its intended use, except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use. Except as otherwise provided in the terms of the trust, property not required for the intended use must be distributed to the trustor, if then living, otherwise to the trustor's successors in interest. Successors in interest include the beneficiaries under the trustor's will, if the trustor has a will, or, in the absence of an effective will provision, the trustor's heirs.

Sec. 23. RCW 11.98.078 and 2011 c 327 s 32 are each amended to read as follows:

(1) A trustee ~~((shall))~~ must administer the trust solely in the interests of the beneficiaries.

(2) Subject to the rights of persons dealing with or assisting the trustee as provided in RCW ~~((11.98.090))~~ 11.98.105, a sale, encumbrance, or other transaction involving the investment or management of trust property entered into by the trustee for the trustee's own personal account or which is otherwise affected by a conflict between the trustee's fiduciary and personal interests is voidable by a beneficiary affected by the transaction unless:

(a) The transaction was authorized by the terms of the trust;

(b) The transaction was approved by the court or approved in a nonjudicial binding agreement in compliance with RCW 11.96A.210 through 11.96A.250;

(c) The beneficiary did not commence a judicial proceeding within the time allowed by RCW 11.96A.070;

(d) The beneficiary consented to the trustee's conduct, ratified the transaction, or released the trustee in compliance with RCW 11.98.108; or

(e) The transaction involves a contract entered into or claim acquired by the trustee before the person became or contemplated becoming trustee.

(3)(a) A sale, encumbrance, or other transaction involving the investment or management of trust property is presumed to be "otherwise affected" by a conflict between fiduciary and personal interests under this section if it is entered into by the trustee with:

(i) The trustee's spouse or registered domestic partner;

(ii) The trustee's descendants, siblings, parents, or their spouses or registered domestic partners;

(iii) An agent or attorney of the trustee; or

(iv) A corporation or other person or enterprise in which the trustee, or a person that owns a significant interest in the trustee, has an interest that might affect the trustee's best judgment.

(b) The presumption is rebutted if the trustee establishes that the conflict did not adversely affect the interests of the beneficiaries.

(4) A sale, encumbrance, or other transaction involving the investment or management of trust property entered into by the trustee for the trustee's own personal account that is voidable under subsection (2) of this section may be voided by a beneficiary without further proof.

(5) An investment by a trustee in securities of an investment company or investment trust to which the trustee, or its affiliate, provides services in a capacity other than as trustee is not presumed to be affected by a conflict between personal and fiduciary interests if the investment complies with the prudent investor rule of chapter 11.100 RCW. In addition to its compensation for acting as trustee,

the trustee may be compensated by the investment company or investment trust for providing those services out of fees charged to the trust. If the trustee receives compensation from the investment company or investment trust for providing investment advisory or investment management services, the trustee must at least annually notify the ~~((persons entitled under RCW 11.106.020 to receive a copy of the trustee's annual report of the rate and method by which that compensation was determined))~~ permissible distributees of the rate and method by which that compensation was determined. The obligation of the trustee to provide the notice described in this section may be waived or modified by the trustor in the trust document or in a separate writing, made at any time, that is delivered to the trustee.

(6) The following transactions, if fair to the beneficiaries, cannot be voided under this section:

(a) An agreement between a trustee and a beneficiary relating to the appointment or compensation of the trustee;

(b) Payment of reasonable compensation to the trustee and any affiliate providing services to the trust, provided total compensation is reasonable;

(c) A transaction between a trust and another trust, decedent's estate, or guardianship of which the trustee is a fiduciary or in which a beneficiary has an interest;

(d) A deposit of trust money in a regulated financial-service institution operated by the trustee or its affiliate;

(e) A delegation and any transaction made pursuant to the delegation from a trustee to an agent that is affiliated or associated with the trustee; or

(f) Any loan from the trustee or its affiliate.

(7) The court may appoint a special fiduciary to make a decision with respect to any proposed transaction that might violate this section if entered into by the trustee.

(8) If a trust has two or more beneficiaries, the trustee ~~((shall))~~ must act impartially in administering the trust and distributing the trust property, giving due regard to the beneficiaries' respective interests.

Sec. 24. RCW 11.103.030 and 2011 c 327 s 36 are each amended to read as follows:

(1) Unless the terms of a trust expressly provide that the trust is revocable, the trustor may not revoke or amend the trust.

(2) If a revocable trust is created or funded by more than one trustor and unless the trust agreement provides otherwise:

(a) To the extent the trust consists of community property, the trust may be revoked by either spouse or either domestic partner acting alone but may be amended only by joint action of both spouses or both domestic partners;

(b) To the extent the trust consists of property other than community property, each trustor may revoke or amend the trust with regard to the portion of the trust property attributable to that trustor's contribution;

(c) The character of community property or separate property is unaffected by its transfer to and from a revocable trust; and

(d) Upon the revocation or amendment of the trust by fewer than all of the trustors, the trustee ~~((shall))~~ must promptly notify the other trustors of the revocation or amendment.

(3) The trustor may revoke or amend a revocable trust:

(a) By substantial compliance with a method provided in the terms of the trust; or

(b)(i) If the terms of the trust do not provide a method or the method provided in the terms is not expressly made exclusive, by:

(A) A later will or codicil that expressly refers to the trust or specifically devises property that would otherwise have passed according to the terms of the trust; or

(B) A written instrument signed by the trustor evidencing intent to revoke or amend.

(ii) The requirements of chapter 11.11 RCW do not apply to revocation or amendment of a revocable trust under (b)(i) of this subsection.

(4) Upon revocation of a revocable trust, the trustee (~~(shall)~~) must deliver the trust property as the trustor directs.

(5) A trustor's powers with respect to ((revocation, amendment, or distribution of trust property may be exercised by an agent under a power of attorney only to the extent expressly authorized by the terms of the power)) the revocation or amendment of a trust or distribution of the property of a trust, may be exercised by the trustor's agent under a power of attorney only to the extent specified in the power of attorney document, as provided in RCW 11.94.050(1) and to the extent consistent with or expressly authorized by the trust agreement.

(6) A guardian of the trustor may exercise a trustor's powers with respect to revocation, amendment, or distribution of trust property only with the approval of the court supervising the guardianship pursuant to RCW 11.92.140.

(7) A trustee who does not know that a trust has been revoked or amended is not liable to the trustor or trustor's successors in interest for distributions made and other actions taken on the assumption that the trust had not been amended or revoked.

(8) This section does not limit or affect operation of RCW 11.96A.220 through 11.96A.240.

Sec. 25. RCW 11.106.010 and 1985 c 30 s 95 are each amended to read as follows:

This chapter does not apply to resulting trusts, constructive trusts, business trusts where certificates of beneficial interest are issued to the beneficiaries, investment trusts, voting trusts, insurance trusts prior to the death of the insured, trusts in the nature of mortgages or pledges (~~(, trusts created by judgment or decree of a federal court or of the superior court when not sitting in probate)),~~ liquidation trusts or trusts for the sole purpose of paying dividends, interest or interest coupons, salaries, wages or pensions; nor does this chapter apply to personal representatives.

Sec. 26. RCW 11.106.020 and 1985 c 30 s 96 are each amended to read as follows:

The trustee or trustees appointed by any will, deed, or agreement executed (~~(shall)~~) must mail or deliver at least annually to each (~~(adult income trust beneficiary))~~ permissible distributee, as defined in section 8 of this act, a written itemized statement of all current receipts and disbursements made by the trustee of the funds of the trust both principal and income, and upon the request of any such beneficiary (~~(shall)~~) must furnish the beneficiary an itemized statement of all property then held by that trustee, and may also file any such statement in the superior court of the county in which the trustee or one of the trustees resides.

Sec. 27. RCW 11.118.050 and 2001 c 327 s 6 are each amended to read as follows:

The intended use of the principal or income can be enforced by a person designated for that purpose in the trust instrument, by the person having custody of an animal that is a beneficiary of the trust, or by a person appointed by a court upon application to it by any person. Such person is considered to be a permissible distributee, as defined in section 8 of this act, of the trust. A person with an interest in the welfare of the animal may petition for an order appointing or removing a person designated or appointed to enforce the trust.

NEW SECTION. Sec. 28. Except as otherwise provided in this act:

(1) This act applies to all trusts created before, on, or after January 1, 2013;

(2) This act applies to all judicial proceedings concerning trusts commenced on or after January 1, 2013;

(3) An action taken before January 1, 2013, is not affected by this act; and

(4) If a right is acquired, extinguished, or barred upon the expiration of a prescribed period that has commenced to run under

any other statute before January 1, 2013, that statute continues to apply to the right even if it has been repealed or superseded."

E2SSB 5389 Prime Sponsor, Committee on Ways & Means: Concerning sibling visitation and sibling contact for children in foster care. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The Washington state legislature recognizes the importance of frequent and meaningful contact for siblings separated due to involvement in the foster care system. The legislature also recognizes that children and youth in foster care have not always been provided adequate opportunities for visitation with their siblings. It is the intent of the legislature to encourage appropriate facilitation of sibling visits.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(~~((6))~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the

department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

~~((iv))~~ (v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

~~((v))~~ (vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

~~((vi))~~ (vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(~~((6))~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of

the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(~~((4))~~) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe."

education while under direct supervision of a licensed physical therapist or licensed physical therapist assistant;

(b) A physical therapist assistant while practicing in the United States armed services, United States public health service, or veterans administration as based on requirements under federal regulations for state licensure of health care providers; and

Sec. 2. RCW 18.74.180 and 2007 c 98 s 16 are each amended to read as follows:

A physical therapist is professionally and legally responsible for patient care given by assistive personnel under his or her supervision. If a physical therapist fails to adequately supervise patient care given by assistive personnel, the board may take disciplinary action against the physical therapist.

(1) Regardless of the setting in which physical therapy services are provided, only the licensed physical therapist may perform the following responsibilities:

(a) Interpretation of referrals;

(b) Initial examination, problem identification, and diagnosis for physical therapy;

(c) Development or modification of a plan of care that is based on the initial examination and includes the goals for physical therapy intervention;

(d) Determination of which tasks require the expertise and decision-making capacity of the physical therapist and must be personally rendered by the physical therapist, and which tasks may be delegated;

(e) Assurance of the qualifications of all assistive personnel to perform assigned tasks through written documentation of their education or training that is maintained and available at all times;

(f) Delegation and instruction of the services to be rendered by the physical therapist, physical therapist assistant, or physical therapy aide including, but not limited to, specific tasks or procedures, precautions, special problems, and contraindicated procedures;

(b) When there is any change in the patient's condition not consistent with planned progress or treatment goals.

(3) Supervision of assistive personnel means:

(a) Physical therapist assistants may function under direct or indirect supervision;

(b) Physical therapy aides must function under direct supervision;

(c)(i) The physical therapist may supervise a total of two assistive personnel at any one time.

(ii) In addition to the two assistive personnel authorized in (c)(i) of this subsection, the physical therapist may supervise a total of two persons who are pursuing a course of study leading to a degree as a physical therapist or a physical therapist assistant."

NEW SECTION. Sec. 1. (1) The legislature recognizes the complexity of the health care delivery system and the need to provide a clear and consistent regulatory framework to enable health care providers to manage their operations in an efficient and effective manner. The legislature also recognizes that the donation of electronic health records systems reduces health care costs, promotes patient safety, and improves the quality of health care.

(2) To further the important national policy of promoting the widespread adoption of electronic health records systems, the federal antikickback statute and the rules adopted to implement the statute contain a safe harbor that allows the donation of electronic health records systems. The federal statute and rules also contain additional safe harbors to preserve a variety of other activities which, in many cases, improve access to health care. For health care entities other than clinical laboratories, the legality of all of these arrangements is currently in question.

(3) The legislature is adding language to chapter 19.68 RCW to clarify existing law and ensure that, except with respect to arrangements involving an entity which principally operates as a clinical laboratory, it is interpreted in a manner consistent with the federal antikickback statute.

NEW SECTION. Sec. 2. (1) Nothing in this chapter may be construed to limit or prohibit the donation of electronic health record technology or other activity by any entity, including a hospital licensed under chapter 70.41 RCW that operates a clinical laboratory, when the donation or other activity is allowed by or otherwise does not violate, 42 U.S.C. Sec. 1320a-7b(b) or the federal rules adopted to implement 42 U.S.C. Sec. 1320a-7b(b).

(2) This section does not apply to any entity which principally operates as a clinical laboratory licensed or certified under section 353 of the public health service act, 42 U.S.C. Sec. 263a, or other applicable Washington state law.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

"Electronic health record technology" means items and services, in the form of software or information technology and training services, necessary and used predominantly to create, maintain, transmit, or receive electronic health records.

NEW SECTION. Sec. 4. This act applies retroactively to June 1, 2006, as well as prospectively.

NEW SECTION. Sec. 5. Sections 2 and 3 of this act are each added to chapter 19.68 RCW."

"NEW SECTION. Sec. 1. A new section is added to chapter 70.128 RCW to read as follows:

(1) The protection of vulnerable residents living in adult family homes and other long-term care facilities in the state is a matter of ongoing concern and grave importance. In 2011, the legislature examined problems with the quality of care and oversight of adult family homes in Washington. The 2011 legislature passed Engrossed Substitute House Bill No. 1277 to address some of these issues, and in addition, created an adult family home quality assurance panel, chaired by the state long-term care ombudsman, to meet and make recommendations to the governor and legislature by December 1, 2012, for further improvements in adult family home care and the oversight of the homes by the department of social and health services.

(2) The legislature recognizes that significant progress has been made over the years in adult family home care, and that many adult family homes provide high quality care and are the preferred alternative for many residents in contrast to a larger care facility setting. The legislature finds however that the quality of care in some adult family homes would be improved, and abuse and neglect would decline, if these homes' caregivers and providers received better training and mentoring, residents and their families were more informed and able to select an appropriate home, and oversight by the department of social and health services was more vigorous and prompt against poorly performing homes. It is therefore the intent of the legislature to enact the recommendations included in the adult

family home quality assurance panel report in order to improve the quality of care of vulnerable residents and the department's oversight of adult family homes.

Sec. 2. RCW 70.128.060 and 2011 1st sp.s. c 3 s 403 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) Subject to the provisions of this section, the department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter. The department may not issue a license if (a) the applicant or a person affiliated with the applicant has prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past ten years that resulted in revocation, suspension, or nonrenewal of a license or contract with the department; or (b) the applicant or a person affiliated with the applicant has a history of significant noncompliance with federal, state, or local laws, rules, or regulations relating to the provision of care or services to vulnerable adults or to children. A person is considered affiliated with an applicant if the person is listed on the license application as a partner, officer, director, resident manager, or majority owner of the applying entity, or is the spouse of the applicant.

(3) The license fee shall be submitted with the application.

(4) Proof of financial solvency must be submitted when requested by the department.

(5) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.

(6) The department shall not issue a license to a provider if the department finds that the provider or spouse of the provider or any partner, officer, director, managerial employee, or majority owner has a history of significant noncompliance with federal or state regulations, rules, or laws in providing care or services to vulnerable adults or to children.

(7) The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

(8) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers consistent with RCW 70.128.230, and also is required for caregivers, with standardized competency testing for caregivers hired after the effective date of this section, as set forth by the department in rule. The department shall examine, with input from experts, providers, consumers, and advocates, whether the existing specialty training courses are adequate for providers, resident managers, and caregivers to meet these residents' special needs, are sufficiently standardized in curricula and instructional techniques, and are accompanied by effective tools to fairly evaluate successful student completion. The department may enhance the existing specialty training requirements by rule, and may update curricula, instructional techniques, and competency testing based upon its review and stakeholder input. In addition, the department shall examine, with input from experts, providers, consumers, and advocates, whether additional specialty training categories should be created for adult family homes serving residents with other special needs, such as traumatic brain injury, skilled nursing, or bariatric care. The department may establish, by rule, additional specialty training categories and requirements for

providers, resident managers, and caregivers, if needed to better serve residents with such special needs.

(9) The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

~~((9))~~ (10) The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

~~((10))~~ (11) At the time of an application for an adult family home license and upon the annual fee renewal date set by the department, the licensee shall pay a license fee. Beginning July 1, 2011, the per bed license fee and any processing fees, including the initial license fee, must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and must include the department's cost of paying providers for the amount of the license fee attributed to medicaid clients.

~~((11))~~ (12) A provider who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an adult family home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the provider, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the provider relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

~~((12))~~ (13) The department shall establish, by rule, the circumstances requiring a change in the licensed provider, which include, but are not limited to, a change in ownership or control of the adult family home or provider, a change in the provider's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new provider is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in provider, the new provider is responsible for correction of all violations that may exist at the time of the new license.

NEW SECTION. Sec. 3. A new section is added to chapter 70.128 RCW to read as follows:

(1) In order to enhance the selection of an appropriate adult family home, all adult family homes licensed under this chapter shall disclose the scope of, and charges for, the care, services, and activities provided by the home or customarily arranged for by the home. The disclosure must be provided to the home's residents and the residents' representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request, using standardized disclosure forms developed by the department with stakeholders' input. The home may also disclose supplemental information to prospective residents and other interested persons.

(2)(a) The disclosure forms that the department develops must be standardized, reasonable in length, and easy to read. The form setting forth the scope of an adult family home's care, services, and activities must be available from the adult family home through a link to the department's web site developed pursuant to this section. This form must indicate, among other categories, the scope of personal care and medication service provided, the scope of skilled nursing services or nursing delegation provided or available, any specialty care designations held by the adult family home, the customary number of caregivers present during the day and whether the home has awake staff at night, any particular cultural or language access available, and

clearly state whether the home admits medicaid clients or retains residents who later become eligible for medicaid. The adult family home shall provide or arrange for the care, services, and activities disclosed in its form.

(b) The department must also develop a second standardized disclosure form with stakeholders' input for use by adult family homes to set forth an adult family home's charges for its care, services, items, and activities, including the charges not covered by the home's daily or monthly rate, or by medicaid, medicare, or other programs. This form must be available from the home and disclosed to residents and their representatives, if any, prior to admission, and to interested prospective residents and their representatives upon request.

(3)(a) If the adult family home decreases the scope of care, services, or activities it provides, due to circumstances beyond the home's control, the home shall provide a minimum of thirty days' written notice to the residents, and the residents' representative if any, before the effective date of the decrease in the scope of care, services, or activities provided.

(b) If the adult family home voluntarily decreases the scope of care, services, or activities it provides, and any such decrease will result in the discharge of one or more residents, then ninety days' written notice must be provided prior to the effective date of the decrease. Notice must be given to the residents and the residents' representative, if any.

(c) If the adult family home increases the scope of care, services, or activities it provides, the home shall promptly provide written notice to the residents, and the residents' representative if any, and shall indicate the date on which the increase is effective.

(4) When the care needs of a resident exceed the disclosed scope of care or services that the adult family home provides, the home may exceed the care or services previously disclosed, provided that the additional care or services are permitted by the adult family home's license, and the home can safely and appropriately serve the resident with available staff or through the provision of reasonable accommodations required by state or federal law. The provision of care or services to a resident that exceed those previously disclosed by the home does not mean that the home is capable of or required to provide the same care or services to other residents, unless required as a reasonable accommodation under state or federal law.

(5) An adult family home may deny admission to a prospective resident if the home determines that the needs of the prospective resident cannot be met, so long as the adult family home operates in compliance with state and federal law, including RCW 70.129.030(3) and the reasonable accommodation requirements of state and federal antidiscrimination laws.

(6) The department shall work with consumers, advocates, and other stakeholders to combine and improve existing web resources to create a more robust, comprehensive, and user-friendly web site for family members, residents, and prospective residents of adult family homes in Washington. The department may contract with outside vendors and experts to assist in the development of the web site. The web site should be easy to navigate and have links to information important for residents, prospective residents, and their family members or representatives including, but not limited to: (a) Explanations of the types of licensed long-term care facilities, levels of care, and specialty designations; (b) lists of suggested questions when looking for a care facility; (c) warning signs of abuse, neglect, or financial exploitation; and (d) contact information for the department and the long-term care ombudsman. In addition, the consumer oriented web site should include a searchable list of all adult family homes in Washington, with links to recent inspection and investigation reports and any enforcement actions by the department. To facilitate the comparison of adult family homes, the web site should also include a link to each licensed adult family home's disclosure form required by subsection (2)(a) of this section. The

department's web site should also include periodically updated information about whether an adult family home has a current vacancy, if the home or facility provides such information to the department, or may include links to other consumer-oriented web sites with the vacancy information.

Sec. 4. RCW 70.128.160 and 2011 1st sp.s. c 3 s 208 are each amended to read as follows:

(1) The department is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an adult family home provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an adult family home without a license or under a revoked license;

(c) Knowingly or with reason to know made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of at least one hundred dollars per day per violation;

(d) Impose civil penalties of up to three thousand dollars for each incident that violates adult family home licensing laws and rules, including, but not limited to, chapters 70.128, 70.129, 74.34, and 74.39A RCW and related rules. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty;

(e) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed home;

(f) Suspend, revoke, or refuse to renew a license; or

(g) Suspend admissions to the adult family home by imposing stop placement.

(3) When the department orders stop placement, the facility shall not admit any person until the stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement. The department shall terminate the stop placement ~~(when)~~ **only after:** (a) The violations necessitating the stop placement have been corrected; and (b) the provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations that the department reasonably believes will result in a new stop placement, the previous stop placement shall remain in effect until the new stop placement is imposed. In order to protect the home's existing residents from potential ongoing neglect, when the provider has been cited for a violation that is repeated, uncorrected, pervasive, or presents a threat to the health, safety, or welfare of one or more residents, and the department has imposed a stop placement, the department shall also impose a condition on license or other remedy to facilitate or spur prompter compliance if the violation has not been corrected, and the provider has not exhibited the capacity to maintain correction, within sixty days of the stop placement.

(4) Nothing in subsection (3) of this section is intended to apply to stop placement imposed in conjunction with a license revocation or summary suspension or to prevent the department from imposing a condition on license or other remedy prior to sixty days after a stop placement, if the department considers it necessary to protect one or more residents' well-being. After a department finding of a violation for which a stop placement has been imposed, the department shall

make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue in effect pending any hearing.

(6) A separate adult family home account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. The department shall use the special account only for promoting the quality of life and care of residents living in adult family homes.

(7) The department shall by rule specify criteria as to when and how the sanctions specified in this section must be applied. The criteria must provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. The criteria shall be tiered such that those homes consistently found to have deficiencies will be subjected to increasingly severe penalties. The department shall implement prompt and specific enforcement remedies without delay for providers found to have delivered care or failed to deliver care resulting in problems that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of one or more residents. In the selection of remedies, the health, safety, and well-being of residents must be of paramount importance.

NEW SECTION. Sec. 5. A new section is added to chapter 70.128 RCW to read as follows:

(1) If during an inspection, reinspection, or complaint investigation by the department, an adult family home corrects a violation or deficiency that the department discovers, the department shall record and consider such violation or deficiency for purposes of the home's compliance history; however, the licensor or complaint investigator may not include in the home's report the violation or deficiency if the violation or deficiency:

- (a) Is corrected to the satisfaction of the department prior to the exit conference;
- (b) Is not recurring; and
- (c) Did not pose a significant risk of harm or actual harm to a resident.

(2) For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations."

(1) Except as provided otherwise by subsection (3) of this section, by July 1, 2019, each city that imposes a business and occupation tax under this chapter must have its general business licenses issued and, if a renewal is required, renewed through the business licensing system or through a city-developed portal.

(2) Except as provided otherwise by subsection (3) of this section, by July 1, 2019, each city that does not impose a business and occupation tax under this chapter must have its general business licenses issued and, if a renewal is required, renewed through the business licensing system or through a city-developed portal.

(3) The department or the cities may delay or phase-in the issuance and renewal of general business licenses beyond July 1, 2019, if funding or other resources are insufficient to enable the department or the cities to comply with this section.

(4) The department, working with affected cities, may establish a schedule for assuming the issuance and renewal of general business licenses for cities choosing this option. Cities may continue to issue and renew their general business licenses until those licenses have been incorporated into the business licensing system. A city whose general business license has been incorporated into the business licensing system must utilize the business licensing system and may not directly issue or renew those licenses.

(5)(a) By July 1, 2017, the department must provide a report to the appropriate committees of the house of representatives and senate indicating:

(i) What actions the department has taken to comply with this section and what the costs of those actions were;

(iii) What actions the department has taken to comply with the diverse and differing needs of small, medium, and large cities subject to the requirements of this section; and

(iv) Whether, in the department's judgment, the department believes it will be able to comply with the deadlines established in subsections (1) and (2) of this section.

(b) The report required by (a) of this subsection must be prepared by the department in consultation with cities and other affected or interested parties.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Business and occupation tax" has the same meaning as in RCW 35.102.030.

(b) "Business licensing system" means the business licensing system or service of the department established in accordance with chapter 19.02 RCW.

(c) "City-developed portal" means a single portal with at least five participating cities that allows for the issuance or renewal of general business licenses for all participating cities.

(d) "Department" means the department of revenue.

(7)(a) This section expires July 1, 2018.

(b) The intent of the expiration date in this subsection is to afford the legislature a full opportunity to review and revise the requirements of this section to ensure that compliance with its provisions occurs in a timely, thoughtful, and appropriate manner that best meets the needs of businesses and cities throughout Washington state."

Regarding school suspensions and expulsions.
Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.600 RCW to read as follows:

(1) The office of the superintendent of public instruction shall convene a discipline task force to develop standard definitions for causes of student disciplinary actions taken at the discretion of the school district. The task force must also develop data collection standards for disciplinary actions that are discretionary and for disciplinary actions that result in the exclusion of a student from school. The data collection standards must include data about education services provided while a student is subject to a disciplinary action, the status of petitions for readmission to the school district when a student has been excluded from school, credit retrieval during a period of exclusion, and school dropout as a result of disciplinary action.

(2) The discipline task force shall include representatives from the K-12 data governance group, the educational opportunity gap oversight and accountability committee, the state ethnic commissions, the governor's office of Indian affairs, the office of the education ombudsman, school districts, and other education and advocacy organizations.

(3) The office of the superintendent of public instruction and the K-12 data governance group shall revise the statewide student data system to incorporate the student discipline data collection standards recommended by the discipline task force, and begin collecting data based on the revised standards in the 2015-16 school year.

Sec. 2. RCW 28A.600.015 and 2006 c 263 s 701 are each amended to read as follows:

(1) The superintendent of public instruction shall adopt and distribute to all school districts lawful and reasonable rules prescribing the substantive and procedural due process guarantees of pupils in the common schools. Such rules shall authorize a school district to use informal due process procedures in connection with the short-term suspension of students to the extent constitutionally permissible: PROVIDED, That the superintendent of public instruction deems the interest of students to be adequately protected. When a student suspension or expulsion is appealed, the rules shall authorize a school district to impose the suspension or expulsion temporarily after an initial hearing for no more than ten consecutive school days or until the appeal is decided, whichever is earlier. Any days that the student is temporarily suspended or expelled before the appeal is decided shall be applied to the term of the student suspension or expulsion and shall not limit or extend the term of the student suspension or expulsion. A suspension or expulsion of a student may not be for an indefinite period of time, and a school district may not suspend the provision of educational services to a student as a disciplinary measure.

(2) Short-term suspension procedures may be used for suspensions of students up to and including, ten consecutive school days.

(3) Emergency expulsions must end or be converted to another form of corrective action within ten school days from the date of the emergency removal from school. Notice and due process rights must be provided to students when an emergency expulsion is converted to another form of corrective action.

(4) A school district may not impose a disciplinary action that results in the suspension of educational services to a student. A student may be excluded from a particular classroom or instructional or activity area for the period of suspension, but the school district must provide an opportunity for the student to receive educational services in an alternative manner, which may include services provided through an alternative program, at an alternative school, or at an alternative location within the student's regular school.

Sec. 3. RCW 28A.600.020 and 2006 c 263 s 706 are each amended to read as follows:

(1) The rules adopted pursuant to RCW 28A.600.010 shall be interpreted to ensure that the optimum learning atmosphere of the classroom is maintained, and that the highest consideration is given to the judgment of qualified certificated educators regarding conditions necessary to maintain the optimum learning atmosphere.

(2) Any student who creates a disruption of the educational process in violation of the building disciplinary standards while under a teacher's immediate supervision may be excluded by the teacher from his or her individual classroom and instructional or activity area for all or any portion of the balance of the school day, or up to the following two days, or until the principal or designee and teacher have conferred, whichever occurs first. Except in emergency circumstances, the teacher first must attempt one or more alternative forms of corrective action. In no event without the consent of the teacher may an excluded student return to the class during the balance of that class or activity period or up to the following two days, or until the principal or his or her designee and the teacher have conferred.

(3) In order to preserve a beneficial learning environment for all students and to maintain good order and discipline in each classroom, every school district board of directors shall provide that written procedures are developed for administering discipline at each school within the district. Such procedures shall be developed with the participation of ~~((parents))~~ families and the community, and shall provide that the teacher, principal or designee, and other authorities designated by the board of directors, make every reasonable attempt to involve the ~~((parent))~~ family or guardian and the student in the resolution of student discipline problems. Such procedures shall provide that students may be excluded from their individual classes or activities for periods of time in excess of that provided in subsection (2) of this section if such students have repeatedly disrupted the learning of other students. The procedures must be consistent with the rules of the superintendent of public instruction and must provide for early involvement of ~~((parents))~~ families in attempts to improve the student's behavior.

(4) The procedures shall assure, pursuant to RCW 28A.400.110, that all staff work cooperatively toward consistent enforcement of proper student behavior throughout each school as well as within each classroom.

(5)(a) A principal ~~((shall))~~ may consider imposing long-term suspension or expulsion as a sanction when deciding the appropriate disciplinary action for a student who, after July 27, 1997:

~~((a))~~ (i) Engages in two or more violations within a three-year period of RCW 9A.46.120, 28A.320.135, 28A.600.455, 28A.600.460, 28A.635.020, 28A.600.020, 28A.635.060, or 9.41.280~~((, or 28A.320.140))~~; or

~~((b))~~ (ii) Engages in one or more of the offenses listed in RCW 13.04.155.

(b) The principal shall communicate the disciplinary action taken by the principal to the school personnel who referred the student to the principal for disciplinary action.

(6) Any corrective action involving a suspension or expulsion from school for more than ten days must have an end date no later than the end of the academic term in which the student exhibited behavior leading to a corrective action. In consultation with families and guardians of students subject to corrective action, school districts shall make reasonable efforts to assist students in returning to an

educational setting prior to and no later than the end date of the corrective action. Where warranted based on public health or safety, a school district may petition the superintendent of public instruction, pursuant to policies and procedures adopted by the superintendent of public instruction, for authorization to exceed the academic term limitation provided in this subsection. The superintendent of public instruction shall adopt rules outlining the limited circumstances in which a school district may petition the superintendent of public instruction to exceed the academic term limitation, including safeguards to ensure that the district has made every effort to plan for the student's return to school and that the student's extended expulsion from the district does not impair the student's constitutional right to education. In adopting rules and reviewing petitions to exceed the academic term limitation, the superintendent of public instruction must assure that students receive educational services while serving a suspension or expulsion. A petition to exceed the academic term limitation shall not be granted by the superintendent of public instruction if a school district does not provide educational services to a student serving a suspension or expulsion.

(7) As provided in RCW 28A.600.015, a school district may not impose disciplinary action that results in the suspension of educational services to a student.

Sec. 4. RCW 28A.600.410 and 1992 c 155 s 1 are each amended to read as follows:

It is the intent of the legislature to minimize the use of out-of-school suspension and expulsion and its impact on student achievement by reducing the number of days that students are excluded from school due to disciplinary action. Student discipline should not impair a student's constitutional right to education.

School districts are encouraged to find alternatives to suspension including reducing the length of a student's suspension conditioned by the commencement of counseling or other treatment services. Consistent with current law, the conditioning of a student's suspension does not obligate the school district to pay for the counseling or other treatment services except for those stipulated and agreed to by the district at the inception of the suspension.

Sec. 5. RCW 28A.600.460 and 1997 c 266 s 9 are each amended to read as follows:

(1) School district boards of directors shall adopt policies that restore discipline to the classroom. Such policies must provide for at least the following: Allowing each teacher to take disciplinary action to correct a student who disrupts normal classroom activities, abuses or insults a teacher as prohibited by RCW 28A.635.010, willfully disobeys a teacher, uses abusive or foul language directed at a school district employee, school volunteer, or another student, violates school rules, or who interferes with an orderly education process. Disciplinary action may include but is not limited to: Oral or written reprimands; written notification to parents of disruptive behavior, a copy of which must be provided to the principal.

(2) A student committing an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW when the activity is directed toward the teacher, shall not be assigned to that teacher's classroom for the duration of the student's attendance at that school or any other school where the teacher is assigned.

(3) A student who commits an offense under chapter 9A.36, 9A.40, 9A.46, or 9A.48 RCW, when directed toward another student, may be removed from the classroom of the victim for the duration of the student's attendance at that school or any other school where the victim is enrolled. A student who commits an offense under one of the chapters enumerated in this section against a student or another school employee, may be expelled or suspended.

(4) Nothing in this section is intended to limit the authority of a school under existing law and rules to expel or suspend a student for misconduct or criminal behavior. However, as provided in RCW 28A.600.015, a school district may not impose disciplinary action that results in the suspension of educational services to a student.

(5) All school districts must collect data on disciplinary actions taken in each school and must record such actions using the statewide student data system, based on the data collection standards established by the office of the superintendent of public instruction and the K-12 data governance group. The information shall be made available to the public upon request (~~(—This collection of)~~), but any public release of such data shall not include personally identifiable information including, but not limited to, a student's social security number, name, or address.

Sec. 6. RCW 43.41.400 and 2012 c 229 s 585 are each amended to read as follows:

(1) An education data center shall be established in the office of financial management. The education data center shall jointly, with the legislative evaluation and accountability program committee, conduct collaborative analyses of early learning, K-12, and higher education programs and education issues across the P-20 system, which includes the department of early learning, the superintendent of public instruction, the professional educator standards board, the state board of education, the state board for community and technical colleges, the workforce training and education coordinating board, the student achievement council, public and private nonprofit four-year institutions of higher education, and the employment security department. The education data center shall conduct collaborative analyses under this section with the legislative evaluation and accountability program committee and provide data electronically to the legislative evaluation and accountability program committee, to the extent permitted by state and federal confidentiality requirements. The education data center shall be considered an authorized representative of the state educational agencies in this section under applicable federal and state statutes for purposes of accessing and compiling student record data for research purposes.

(2) The education data center shall:

(a) In consultation with the legislative evaluation and accountability program committee and the agencies and organizations participating in the education data center, identify the critical research and policy questions that are intended to be addressed by the education data center and the data needed to address the questions;

(b) Coordinate with other state education agencies to compile and analyze education data, including data on student demographics that is disaggregated by distinct ethnic categories within racial subgroups, and complete P-20 research projects;

(c) Collaborate with the legislative evaluation and accountability program committee and the education and fiscal committees of the legislature in identifying the data to be compiled and analyzed to ensure that legislative interests are served;

(d) Annually provide to the K-12 data governance group a list of data elements and data quality improvements that are necessary to answer the research and policy questions identified by the education data center and have been identified by the legislative committees in (c) of this subsection. Within three months of receiving the list, the K-12 data governance group shall develop and transmit to the education data center a feasibility analysis of obtaining or improving the data, including the steps required, estimated time frame, and the financial and other resources that would be required. Based on the analysis, the education data center shall submit, if necessary, a recommendation to the legislature regarding any statutory changes or resources that would be needed to collect or improve the data;

(e) Monitor and evaluate the education data collection systems of the organizations and agencies represented in the education data center ensuring that data systems are flexible, able to adapt to evolving needs for information, and to the extent feasible and necessary, include data that are needed to conduct the analyses and provide answers to the research and policy questions identified in (a) of this subsection;

(f) Track enrollment and outcomes through the public centralized higher education enrollment system;

(g) Assist other state educational agencies' collaborative efforts to develop a long-range enrollment plan for higher education including estimates to meet demographic and workforce needs;

(h) Provide research that focuses on student transitions within and among the early learning, K-12, and higher education sectors in the P-20 system; ((and))

(i) Prepare a regular report on the educational and workforce outcomes of youth in the juvenile justice system, using data disaggregated according to RCW 28A.300.042, and by age; and

(j) Make recommendations to the legislature as necessary to help ensure the goals and objectives of this section and RCW 28A.655.210 and 28A.300.507 are met.

(3) The department of early learning, superintendent of public instruction, professional educator standards board, state board of education, state board for community and technical colleges, workforce training and education coordinating board, student achievement council, public four-year institutions of higher education, department of social and health services, and employment security department shall work with the education data center to develop data-sharing and research agreements, consistent with applicable security and confidentiality requirements, to facilitate the work of the center. The education data center shall also develop data-sharing and research agreements with the administrative office of the courts to conduct research on educational and workforce outcomes using data maintained under RCW 13.50.010(11) related to juveniles. Private, nonprofit institutions of higher education that provide programs of education beyond the high school level leading at least to the baccalaureate degree and are accredited by the Northwest association of schools and colleges or their peer accreditation bodies may also develop data-sharing and research agreements with the education data center, consistent with applicable security and confidentiality requirements. The education data center shall make data from collaborative analyses available to the education agencies and institutions that contribute data to the education data center to the extent allowed by federal and state security and confidentiality requirements applicable to the data of each contributing agency or institution.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.600 RCW to read as follows:

(1) School districts should make efforts to have suspended or expelled students return to the educational setting they were suspended or expelled from as soon as possible. School districts should convene a school reenrollment meeting with the student and the student's family or guardians within twenty days of the student's long-term suspension or expulsion, but no later than five days before the student's enrollment, to discuss a plan to reenroll and reengage the student in a school program.

(2) In developing a reenrollment and reengagement plan, school districts should consider shortening the length of time that the student is suspended or expelled, other forms of corrective action, and supportive interventions that aid in the student's academic success and keep the student engaged and on track to graduate. School districts must create a reenrollment and reengagement plan tailored to the student's individual circumstances, including consideration of the incident that led to the student's long-term suspension or expulsion. The plan should aid the student in taking the necessary steps to remedy the situation that led to the student's suspension or expulsion.

(3) Any reenrollment meetings conducted by the school district involving the suspended or expelled student and his or her family or guardians are not intended to replace a petition for readmission.

NEW SECTION. Sec. 8. Nothing in chapter . . . , Laws of 2013 (this act) prevents a public school district, law enforcement agencies, or law enforcement personnel from enforcing laws protecting health and human safety."

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.20.161 and 2012 c 80 s 8 are each amended to read as follows:

(1) The department, upon receipt of a fee of forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless the driver's license is issued for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington residence address, photograph, a brief description of the licensee, ~~((and))~~ either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license, and, if applicable, the person's status as a veteran as provided in subsection (2) of this section. No license is valid until it has been so signed by the licensee.

(2)(a) A person may apply to the department to obtain a veteran designation on a driver's license issued under this section by providing valid proof of service in the armed forces of the United States under (b) of this subsection. In addition to the fee described in subsection (1) of this section, the department may charge a fee sufficient to cover the start-up and administrative costs associated with the inclusion of the designation, but the fee may not exceed two dollars per designation.

Sec. 2. RCW 46.20.117 and 2012 c 80 s 6 are each amended to read as follows:

(1) **Issuance.** The department shall issue an identicard, containing a picture, if the applicant:

(a) Does not hold a valid Washington driver's license;

(b) Proves his or her identity as required by RCW 46.20.035; and

(c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless an applicant is a recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services. For those persons the fee must be the actual cost of production of the identicard.

(2)(a) **Design and term.** The identicard must:

~~((a))~~ (i) Be distinctly designed so that it will not be confused with the official driver's license; and

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired.

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(5) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. A new section is added to chapter 46.61 RCW to read as follows:

(1) Notwithstanding any provision of law to the contrary, the operator of a street legal motorcycle approaching an intersection, including a left turn intersection, that is controlled by a triggered traffic control signal using a vehicle detection device that is inoperative due to the size of the street legal motorcycle shall come to a full and complete stop at the intersection. If the traffic control signal, including the left turn signal, as appropriate, fails to operate after the lesser of either ninety seconds or one cycle of the traffic signal, the operator may, after exercising due care, proceed directly through the intersection or proceed to turn left, as appropriate. It is

not a defense to a violation of RCW 46.61.050 that the driver of a motorcycle proceeded under the belief that a traffic control signal used a vehicle detection device or was inoperative due to the size of the motorcycle when the signal did not use a vehicle detection device or that any such device was not in fact inoperative due to the size of the motorcycle.

(2) By October 31, 2015, the Washington traffic safety commission, with input from the Washington state patrol and local law enforcement, shall submit a report to the legislature regarding the implementation of this act. This report must describe the act's effectiveness in helping motorcyclists, note any increase or decrease in the frequency of traffic accidents as a result of this act, summarize any issues related to ticketing or automated traffic safety cameras, explore whether all motor vehicles and bicycles should be given the same ability to proceed through traffic signals, and provide appropriate recommendations.

E2SSB 5329 Prime Sponsor, Committee on Ways & Means: Assisting persistently lowest-achieving schools to become more accountable. (REVISED FOR ENGROSSED: Transforming persistently failing schools.) Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.657.005 and 2010 c 235 s 101 are each amended to read as follows:

(1) The legislature finds that an effective educational accountability system is premised on creating and maintaining partnerships between the state and local school district boards of directors. The legislature also recognizes it takes time to make significant changes that are sustainable over the long term in an educational system that serves more than one million students from diverse communities.

(2) The legislature further finds that it is the state's responsibility to create a coherent and effective accountability framework for the continuous improvement (~~for~~) of all schools and school districts. This system must provide an excellent and equitable education for all students(~~;~~), an aligned (~~federal/state~~) federal and state accountability system(~~;~~), and the tools necessary for schools and school districts to be accountable. These tools include (~~the necessary~~) accounting and data reporting systems, assessment systems to monitor student achievement, and a comprehensive system of (~~general~~) differentiated support, targeted assistance, and, if necessary, intervention.

(3) The office of the superintendent of public instruction is responsible for developing and implementing the accountability tools to build district capacity and working within federal and state guidelines. The legislature assigned the state board of education

responsibility and oversight for creating an accountability framework. This framework provides a unified system of support for challenged schools that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. Such a system will identify schools and their districts for recognition as well as for additional state support.

(4) For a specific group of (~~challenged schools, defined as~~) persistently lowest-achieving schools(~~;~~) and their districts, it is necessary to provide a required action process that creates a partnership between the state and local district to target funds and assistance to turn around the identified (~~lowest-achieving~~) schools. The legislature finds that state takeover of persistently lowest-achieving schools is unlikely to produce long-term improvement in student achievement because takeover is an unsustainable approach to school governance and an inadequate response to addressing the underlying barriers to improved outcomes for all students. However, in the rare case of a persistently lowest-achieving school that continues to fail to improve even after required action and supplemental assistance, it is appropriate and necessary to assign the superintendent of public instruction the responsibility to intercede, provide robust technical assistance, and direct the necessary interventions. Even though the superintendent of public instruction continues to work in partnership with the local school board, the superintendent of public instruction is accountable for assuring that adequate steps are taken to improve student achievement in these schools.

(5) Phase I of this accountability system will recognize schools that have done an exemplary job of raising student achievement and closing the achievement gaps using the (~~state board of education's accountability~~) Washington achievement index adopted by the state board of education. The state board of education shall have ongoing collaboration with the (~~achievement~~) educational opportunity gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and (~~the~~) recognition provided to the school districts for closing the achievement gaps. Phase I will also target the lowest five percent of persistently lowest-achieving schools defined under federal guidelines to provide federal funds and federal intervention models through a voluntary option in 2010, and for those who do not volunteer and have not improved student achievement, a required action process beginning in 2011.

(6) Phase II of this accountability system will work toward implementing the (~~state board of education's accountability~~) Washington achievement index for identification of challenged schools in need of improvement, including those that are not Title I schools, and the use of state and local intervention models and federal and state funds through a (~~required action process~~) comprehensive system of differentiated support, targeted assistance, and intervention beginning in (~~2013, in addition to the federal program~~) the 2014-15 school year. If federal approval of the (~~state board of education's accountability~~) Washington achievement index (~~must be~~) is not obtained (~~or else~~), the federal guidelines for (~~persistently lowest-achieving~~) identifying schools will continue to be used. If it ever becomes necessary, a process is established to assign responsibility to the superintendent of public instruction to intervene in persistently lowest-achieving schools that have failed to improve despite required action.

(7) The expectation from implementation of this accountability system is the improvement of student achievement for all students to prepare them for postsecondary education, work, and global citizenship in the twenty-first century.

Sec. 2. RCW 28A.657.010 and 2010 c 235 s 112 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "All students group" means those students in grades three through eight and high school who take the state's assessment in reading or English language arts and mathematics required under 20 U.S.C. Sec. 6311(b)(3).

(2) "Title I" means Title I, part A of the federal elementary and secondary education act of 1965 (ESEA) (20 U.S.C. Secs. 6311-6322).

(3) "Turnaround principles" include but are not limited to the following:

- (a) Providing strong leadership;
- (b) Ensuring teachers are effective and able to improve instruction;
- (c) Increasing learning time;
- (d) Strengthening the school's instructional program;
- (e) Using data to inform instruction;
- (f) Establishing a safe and supportive school environment; and
- (g) Engaging families and communities.

Sec. 3. RCW 28A.657.020 and 2010 c 235 s 102 are each amended to read as follows:

(1) Beginning in 2010, and each year thereafter ~~(-by)~~ through December ~~((1st))~~ 1, 2012, the superintendent of public instruction shall annually identify schools as one of the state's persistently lowest-achieving schools if the school is a Title I school, or a school that is eligible for but does not receive Title I funds, that is among the lowest-achieving five percent of Title I or Title I eligible schools in the state.

(2) The criteria for determining whether a school is among the persistently lowest-achieving five percent of Title I schools, or Title I eligible schools, under subsection (1) of this section shall be established by the superintendent of public instruction. The criteria must meet all applicable requirements for the receipt of a federal school improvement grant under the American recovery and reinvestment act of 2009 and Title I of the elementary and secondary education act of 1965, and take into account both:

- (a) The academic achievement of the "all students" group in a school in terms of proficiency on the state's assessment, and any alternative assessments, in reading and mathematics combined; and
- (b) The school's lack of progress on the mathematics and reading assessments over a number of years in the "all students" group.

(3)(a) Beginning December 1, 2013, and each December thereafter, the superintendent of public instruction shall annually identify challenged schools in need of improvement and a subset of such schools that are the persistently lowest-achieving schools in the state.

(b) The criteria for determining whether a school is a challenged school in need of improvement shall be established by the superintendent of public instruction. The criteria must meet all applicable federal requirements under Title I of the elementary and secondary education act of 1965 and other federal rules or guidance, including applicable requirements for the receipt of federal school improvement funds if available, but shall apply equally to Title I, Title I-eligible, and non-Title I schools in the state. The criteria must take into account the academic achievement of the "all students" group and subgroups of students in a school in terms of proficiency on the state assessments in reading or English language arts and mathematics and a high school's graduation rate for all students and subgroups of students. The superintendent may establish tiered categories of challenged schools based on the relative performance of all students, subgroups of students, and other factors.

(c) The superintendent of public instruction shall also establish criteria for determining whether a challenged school in need of improvement is also a persistently lowest-achieving school for purposes of the required action district process under this chapter, which shall include the school's lack of progress for all students and subgroups of students over a number of years. The criteria for identifying persistently lowest-achieving schools shall also take into account the level of state or federal resources available to implement a

required action plan.

(d) If the Washington achievement index is approved by the United States department of education for use in identifying schools for federal purposes, the superintendent of public instruction shall use the approved index to identify schools under (b) and (c) of this subsection.

Sec. 4. RCW 28A.657.030 and 2010 c 235 s 103 are each amended to read as follows:

(1) Beginning in January 2011, the superintendent of public instruction shall annually recommend to the state board of education school districts for designation as required action districts. A district with at least one school identified as a persistently lowest-achieving school according to the criteria established by the superintendent of public instruction under RCW 28A.657.020 shall be designated as a required action district ~~((if it meets the criteria developed by the superintendent of public instruction))~~. However, a school district shall not be recommended for designation as a required action district if the district was awarded a federal school improvement grant by the superintendent in 2010 and for three consecutive years following receipt of the grant implemented a federal school intervention model at each school identified for improvement. The state board of education may designate a district that received a school improvement grant in 2010 as a required action district if after three years of voluntarily implementing a plan the district continues to have a school identified as persistently lowest-achieving and meets the criteria for designation established by the superintendent of public instruction.

(2) The superintendent of public instruction shall provide a school district superintendent with written notice of the recommendation for designation as a required action district by certified mail or personal service. A school district superintendent may request reconsideration of the superintendent of public instruction's recommendation. The reconsideration shall be limited to a determination of whether the school district met the criteria for being recommended as a required action district. A request for reconsideration must be in writing and served on the superintendent of public instruction within ten days of service of the notice of the superintendent's recommendation.

(3) The state board of education shall annually designate those districts recommended by the superintendent in subsection (1) of this section as required action districts. A district designated as a required action district shall be required to notify all parents of students attending a school identified as a persistently lowest-achieving school in the district of the state board of education's designation of the district as a required action district and the process for complying with the requirements set forth in RCW 28A.657.040 through 28A.657.100.

Sec. 5. RCW 28A.657.050 and 2012 c 53 s 10 are each amended to read as follows:

(1)(a) The local district superintendent and local school board of a school district designated as a required action district must submit a required action plan to the state board of education for approval. Unless otherwise required by subsection (3) of this section, the plan must be submitted under a schedule as required by the state board. A required action plan must be developed in collaboration with administrators, teachers, and other staff, parents, unions representing any employees within the district, students, and other representatives of the local community.

(b) The superintendent of public instruction shall provide a district with assistance in developing its plan if requested, and shall develop and publish guidelines for the development of required action plans. The superintendent of public instruction, in consultation with the state board of education, shall also publish a list of research and evidence-based school improvement models, consistent with turnaround principles, that are approved for use in required action plans.

(c) The school board must conduct a public hearing to allow for comment on a proposed required action plan. The local school district shall submit the plan first to the office of the superintendent of

public instruction to review and approve that the plan is consistent with federal and state guidelines, as applicable. After the office of the superintendent of public instruction has approved that the plan is consistent with federal and state guidelines, the local school district must submit its required action plan to the state board of education for approval.

(2) A required action plan must include all of the following:

(a) Implementation of ~~((one of the four federal intervention))~~ an approved school improvement model((s)) required for the receipt of ~~((a))~~ federal or state funds for school improvement ~~((grant,))~~ for those persistently lowest-achieving schools that the district will be focusing on for required action. ~~((However, a district may not establish a charter school under a federal intervention model without express legislative authority. The intervention models are the turnaround, restart, school closure, and transformation models.))~~ The ~~((intervention))~~ approved school improvement model selected must address the concerns raised in the academic performance audit and be intended to improve student performance to allow a school district to be removed from the list of districts designated as a required action district by the state board of education within three years of implementation of the plan. The required action plan for districts with multiple persistently lowest-achieving schools must include separate plans for each school as well as a plan for how the school district will support the schools collectively;

(b) Submission of an application for ~~((a federal school improvement grant or a grant from other))~~ federal or state funds for school improvement to the superintendent of public instruction;

(c) A budget that provides for adequate resources to implement the ~~((federal))~~ model selected and any other requirements of the plan;

(d) A description of the changes in the district's or school's existing policies, structures, agreements, processes, and practices that are intended to attain significant achievement gains for all students enrolled in the school and how the district intends to address the findings of the academic performance audit; and

(e) Identification of the measures that the school district will use in assessing student achievement at a school identified as a persistently lowest-achieving school, which include closing the educational opportunity gap, improving mathematics and reading or English language arts student achievement, and improving graduation rates as defined by the office of the superintendent of public instruction that enable the school to no longer be identified as a persistently lowest-achieving school.

(3)(a) For any district designated for required action, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 10, 2010, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement a required action plan. For any district applying to participate in a collaborative schools for innovation and success pilot project under RCW 28A.630.104, the parties to any collective bargaining agreement negotiated, renewed, or extended under chapter 41.59 or 41.56 RCW after June 7, 2012, must reopen the agreement, or negotiate an addendum, if needed, to make changes to terms and conditions of employment that are necessary to implement an innovation and success plan.

(b) If the school district and the employee organizations are unable to agree on the terms of an addendum or modification to an existing collective bargaining agreement, the parties, including all labor organizations affected under the required action plan, shall request the public employment relations commission to, and the commission shall, appoint an employee of the commission to act as a mediator to assist in the resolution of a dispute between the school district and the employee organizations. Beginning in 2011, and each year thereafter, mediation shall commence no later than April 15th. All mediations held under this section shall include the employer and representatives of all affected bargaining units.

(c) If the executive director of the public employment relations commission, upon the recommendation of the assigned mediator, finds that the employer and any affected bargaining unit are unable to reach agreement following a reasonable period of negotiations and mediation, but by no later than May 15th of the year in which mediation occurred, the executive director shall certify any disputed issues for a decision by the superior court in the county where the school district is located. The issues for determination by the superior court must be limited to the issues certified by the executive director.

(d) The process for filing with the court in this subsection (3)(d) must be used in the case where the executive director certifies issues for a decision by the superior court.

(ii) Within seven days after the filing of the petition, each party shall file with the court the proposal it is asking the court to order be implemented in a required action plan or innovation and success plan for the district for each issue certified by the executive director. Contemporaneously with the filing of the proposal, a party must file a brief with the court setting forth the reasons why the court should order implementation of its proposal in the final plan.

(iii) Following receipt of the proposals and briefs of the parties, the court must schedule a date and time for a hearing on the petition. The hearing must be limited to argument of the parties or their counsel regarding the proposals submitted for the court's consideration. The parties may waive a hearing by written agreement.

(iv) The court must enter an order selecting the proposal for inclusion in a required action plan that best responds to the issues raised in the school district's academic performance audit, and allows for the award of ~~((a federal school improvement grant or a grant from other))~~ federal or state funds for school improvement to the district from the office of the superintendent of public instruction to implement ~~((one of the four federal intervention))~~ an approved school improvement model((s)). In the case of an innovation and success plan, the court must enter an order selecting the proposal for inclusion in the plan that best responds to the issues raised in the school's comprehensive needs assessment. The court's decision must be issued no later than June 15th of the year in which the petition is filed and is final and binding on the parties; however the court's decision is subject to appeal only in the case where it does not allow the school district to implement a required action plan consistent with the requirements for the award of ~~((a federal school improvement grant or other))~~ federal or state funds for school improvement by the superintendent of public instruction.

(e) Each party shall bear its own costs and attorneys' fees incurred under this statute.

(f) Any party that proceeds with the process in this section after knowledge that any provision of this section has not been complied with and who fails to state its objection in writing is deemed to have waived its right to object.

Sec. 7. RCW 28A.657.060 and 2010 c 235 s 106 are each amended to read as follows:

A required action plan developed by a district's school board and superintendent must be submitted to the state board of education for approval. The state board must accept for inclusion in any required action plan the final decision by the superior court on any issue certified by the executive director of the public employment relations commission under the process in RCW 28A.657.050. The state board of education shall approve a plan proposed by a school district only if the plan meets the requirements in RCW 28A.657.050 and provides sufficient remedies to address the findings in the academic performance audit to improve student achievement. Any addendum or modification to an existing collective bargaining agreement, negotiated under RCW 28A.657.050 or by agreement of the district and the exclusive bargaining unit, related to student achievement or school improvement shall not go into effect until approval of a required action plan by the state board of education. If the state board does not approve a proposed plan, it must notify the local school board and local district's superintendent in writing with an explicit rationale for why the plan was not approved. Nonapproval by the state board of education of the local school district's initial required action plan submitted is not intended to trigger any actions under RCW 28A.657.080. With the assistance of the office of the superintendent of public instruction, the superintendent and school board of the required action district shall either: ~~((a)-(1))~~ (1) Submit a new plan to the state board of education for approval within forty days of notification that its plan was rejected, or ~~((b)-(2))~~ (2) submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the state board's rejection within ten days of the notification that the plan was rejected. If federal or state funds for school improvement are not available, the plan is not required to be implemented until such funding becomes available. If federal or state funds for this purpose are available, a required action plan must be implemented in the immediate school year following the district's designation as a required action district.

Sec. 8. RCW 28A.657.070 and 2010 c 235 s 107 are each amended to read as follows:

(1) A required action plan review panel shall be established to offer an objective, external review of a request from a school district for reconsideration of the state board of education's rejection of the district's required action plan or reconsideration of a level two required action plan developed only by the superintendent of public instruction as provided under section 11 of this act. The review and reconsideration by the panel shall be based on whether the state board of education or the superintendent of public instruction gave appropriate consideration to the unique circumstances and characteristics identified in the academic performance audit or level two needs assessment and review of the local school district ~~((whose required action plan was rejected))~~.

(2)(a) The panel shall be composed of five individuals with expertise in school improvement, school and school district restructuring, or parent and community involvement in schools. Two

of the panel members shall be appointed by the speaker of the house of representatives; two shall be appointed by the president of the senate; and one shall be appointed by the governor.

(b) The speaker of the house of representatives, president of the senate, and governor shall solicit recommendations for possible panel members from the Washington association of school administrators, the Washington state school directors' association, the association of Washington school principals, the ~~((achievement))~~ educational opportunity gap oversight and accountability committee, and associations representing certificated teachers, classified school employees, and parents.

(c) Members of the panel shall be appointed no later than December 1, 2010, but the superintendent of public instruction shall convene the panel only as needed to consider a school district's request for reconsideration. Appointments shall be for a four-year term, with opportunity for reappointment. Reappointments in the case of a vacancy shall be made expeditiously so that all requests are considered in a timely manner.

(3)(a) In the case of a rejection of a required action plan, the required action plan review panel may reaffirm the decision of the state board of education, recommend that the state board reconsider the rejection, or recommend changes to the required action plan that should be considered by the district and the state board of education to secure approval of the plan. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district and the panel. If the school district must submit a new required action plan to the state board of education, the district must submit the plan within forty days of the board's decision.

(b) In the case of a level two required action plan where the local school district and the superintendent of public instruction have not come to agreement, the required action plan review panel may reaffirm the level two required action plan submitted by the superintendent of public instruction or recommend changes to the plan that should be considered by the state board of education, the superintendent of public instruction, and the local school district. The state board of education shall consider the recommendations of the panel and issue a decision in writing to the local school district, the superintendent of public instruction, and the panel.

(4) The state board of education and superintendent of public instruction must develop timelines and procedures for the deliberations under this section so that school districts can implement a required action plan within the time frame required under RCW 28A.657.060.

Sec. 9. RCW 28A.657.090 and 2010 c 235 s 109 are each amended to read as follows:

A school district must implement a required action plan upon approval by the state board of education. The office of ~~((the))~~ the superintendent of public instruction must provide the required action district with technical assistance and ~~((federal school improvement grant funds or other))~~ federal or state funds for school improvement, if available, to implement an approved plan. The district must submit a report to the superintendent of public instruction that provides the progress the district is making in meeting the student achievement goals based on the state's assessments, identifying strategies and assets used to solve audit findings, and establishing evidence of meeting plan implementation benchmarks as set forth in the required action plan.

Sec. 10. RCW 28A.657.100 and 2010 c 235 s 110 are each amended to read as follows:

(1) The superintendent of public instruction must provide a report twice per year to the state board of education regarding the progress made by all school districts designated as required action districts.

(2) The superintendent of public instruction must recommend to the state board of education that a school district be released from the designation as a required action district after the district implements a

required action plan for a period of three years; has made progress, as defined by the superintendent of public instruction ~~((in reading and mathematics on the state's assessment over the past three consecutive years))~~ using the criteria established under RCW 28A.657.020 including progress in closing the educational opportunity gap; and no longer has a school within the district identified as persistently lowest-achieving. The state board shall release a school district from the designation as a required action district upon confirmation that the district has met the requirements for a release.

(3) If the state board of education determines that the required action district has not met the requirements for release ~~((:))~~ after at least three years of implementing a required action plan, the board may recommend that the district remain ~~((s))~~ in required action and ~~((must))~~ submit a new or revised plan under the process in RCW 28A.657.050, or the board may direct that the school district be assigned to level two of the required action process as provided in section 11 of this act. Before making a determination of whether to recommend that a school district that is not making progress remain in required action or be assigned to level two of the required action process, the state board of education must submit its findings to the education accountability system oversight committee under section 13 of this act and provide an opportunity for the oversight committee to review and comment.

NEW SECTION. Sec. 11. A new section is added to chapter 28A.657 RCW to read as follows:

(1) School districts assigned by the state board of education to level two of the required action process under this chapter are those with one or more schools that have remained as persistently lowest-achieving for more than three years and have not demonstrated recent and significant improvement or progress toward exiting persistently lowest-achieving status, despite implementation of a required action plan.

(2) Within ninety days following assignment of a school district to level two of the required action process, the superintendent of public instruction shall direct that a needs assessment and review be conducted to determine the reasons why the previous required action plan did not succeed in improving student achievement.

(3)(a) Based on the results of the needs assessment and review, the superintendent of public instruction shall work collaboratively with the school district board of directors to develop a revised required action plan for level two.

(b) The level two required action plan must explicitly address the reasons why the previous plan did not succeed and must specify the interventions that the school district must implement, which may include assignment or reassignment of personnel, reallocation of resources, use of specified curriculum or instructional strategies, use of a specified school improvement model, or any other conditions determined by the superintendent of public instruction to be necessary for the level two required action plan to succeed, which conditions shall be binding on the school district. The level two required action plan shall also include the specific technical assistance and support to be provided by the office of the superintendent of public instruction, which may include assignment of school improvement specialists to have a regular on-site presence in the school and technical assistance provided through the educational service district. Individuals assigned as on-site school improvement specialists must have demonstrated experience in school turnaround and cultural competence.

(c) The level two required action plan must be submitted to the state board of education for approval.

(4) If the superintendent of public instruction and the school district board of directors are unable to come to an agreement on a level two required action plan within ninety days of the completion of the needs assessment and review conducted under subsection (2) of this section, the superintendent of public instruction shall complete and submit a level two required action plan directly to the state board

of education for approval. The school district board of directors may submit a request to the required action plan review panel established under RCW 28A.657.070 for reconsideration of the superintendent's level two required action plan within ten days of the submission of the plan to the state board of education. After the state board of education considers the recommendations of the required action plan review panel, the decision of the board regarding the level two required action plan is final and not subject to further reconsideration.

(5) If changes to a collective bargaining agreement are necessary to implement a level two required action plan, the parties must reopen the agreement, or negotiate an addendum, using the process outlined under RCW 28A.657.050. If the level two required action plan is developed by the superintendent of public instruction under subsection (4) of this section, a designee of the superintendent shall participate in the discussions among the parties to the collective bargaining agreement.

(6) While a school district is assigned to level two of the required action process under this chapter, the superintendent of public instruction is responsible and accountable for assuring that the level two required action plan is implemented with fidelity. The superintendent of public instruction shall defer to the school district board of directors as the governing authority of the school district and continue to work in partnership with the school district to implement the level two required action plan. However, if the superintendent of public instruction finds that the level two required action plan is not being implemented as specified, including the implementation of any binding conditions within the plan, the superintendent may direct actions that must be taken by school district personnel to implement the level two required action plan or the binding conditions. If necessary, the superintendent of public instruction may exercise authority under RCW 28A.505.120 regarding allocation of funds.

(7) The superintendent of public instruction shall include in the budget estimates and information submitted to the governor under RCW 28A.300.170 a request for sufficient funds to support implementation of the level two required action plans established under this section.

(8) The superintendent of public instruction must recommend to the state board of education that a school district be released from assignment to level two of the required action process after the district implements the level two required action plan for a period of three years; has made progress, as defined by the superintendent of public instruction using the criteria established under RCW 28A.657.020; and no longer has a school within the district identified as persistently lowest-achieving. The state board of education shall release a school district from the level two assignment upon confirmation that the school district has met the requirements for a release.

Sec. 12. RCW 28A.657.110 and 2010 c 235 s 111 are each amended to read as follows:

(1) By November 1, 2013, the state board of education shall ~~((continue to refine the development of))~~ propose rules for adoption establishing an accountability framework that creates a unified system of support for challenged schools ~~((:))~~ that aligns with basic education, increases the level of support based upon the magnitude of need, and uses data for decisions. The board must seek input from the public and interested groups in developing the framework. Based on the framework, the superintendent of public instruction shall design a comprehensive system of specific strategies for recognition, provision of differentiated support and targeted assistance, and, if necessary, requiring intervention in schools and school districts. The superintendent shall submit the system design to the state board of education for review. The state board of education shall recommend approval or modification of the system design to the superintendent no later than January 1, 2014, and the system must be implemented statewide no later than the 2014-15 school year. To the extent state funds are appropriated for this purpose, the system must apply equally to Title I, Title I-eligible, and non-Title I schools in the state.

(2) The state board of education shall develop ~~((an~~ ~~accountability))~~ a Washington achievement index to identify schools and school districts for recognition, for continuous improvement, and for additional state support. The index shall be based on criteria that are fair, consistent, and transparent. Performance shall be measured using multiple outcomes and indicators including, but not limited to, graduation rates and results from statewide assessments. The index shall be developed in such a way as to be easily understood by both employees within the schools and school districts, as well as parents and community members. The index must identify five categories of schools and school districts, which must be labeled as follows based on relative performance on the criteria used in the index: Exemplary, very good, good, fair, and struggling. It is the legislature's intent that the index provide feedback to schools and school districts to self-assess their progress, and enable the identification of schools with exemplary ~~((student))~~ performance and those that need assistance to overcome challenges in order to achieve exemplary ~~((student))~~ performance.

(3) The state board of education, in cooperation with the office of the superintendent of public instruction, shall annually recognize schools for exemplary performance as measured on the ~~((state board of education accountability))~~ Washington achievement index. The state board of education shall have ongoing collaboration with the ~~((achievement))~~ educational opportunity gap oversight and accountability committee regarding the measures used to measure the closing of the achievement gaps and the recognition provided to the school districts for closing the achievement gaps.

(4) In coordination with the superintendent of public instruction, the state board of education shall seek approval from the United States department of education for use of the ~~((accountability))~~ Washington achievement index and the state system of differentiated support, assistance, and intervention~~((s))~~ to replace the federal accountability system under P.L. 107-110, the no child left behind act of 2001.

(5) The state board of education shall work with the education data center established within the office of financial management and the technical working group established in ~~((section 112, chapter 548, Laws of 2009))~~ RCW 28A.290.020 to determine the feasibility of using the prototypical funding allocation model as not only a tool for allocating resources to schools and school districts but also as a tool for schools and school districts to report to the state legislature and the state board of education on how the state resources received are being used.

NEW SECTION. Sec. 13. A new section is added to chapter 28A.657 RCW to read as follows:

(1) The education accountability system oversight committee is established to provide ongoing monitoring of the outcomes of the comprehensive system of recognition, support, and intervention for schools and school districts established under this chapter.

(2) The oversight committee shall be composed of the following members:

(a) Two members from each of the largest caucuses of the house of representatives, to be appointed by the speaker of the house of representatives;

(b) Two members from each of the largest caucuses of the senate, to be appointed by the president of the senate;

(c) Two members appointed by the governor; and

(d) One nonlegislative member of the educational opportunity gap oversight and accountability committee.

(3) The oversight committee shall choose a chair from among its membership who shall serve as chair for no more than one consecutive year.

(4) The committee shall:

(a) Monitor the progress and outcomes of the education accountability system established under this chapter, including but not limited to the effectiveness in improving student achievement of the

tiered system of assistance and intervention provided to challenged schools in need of improvement, persistently lowest-achieving schools in required action districts, and level two required action districts;

(b) Review and make recommendations to the state board of education regarding the proposed assignment of a required action district to level two of the required action process under section 11 of this act;

(c) Make recommendations to the state board of education, the superintendent of public instruction, the governor, and the legislature as necessary if the oversight committee finds that changes to the accountability system should be made; and

(d) Report biennially to the education committees of the legislature.

(5) Staff support for the oversight committee must be provided by the senate committee services and the house of representatives office of program research.

(6) Legislative members of the oversight committee may be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 14. RCW 28A.657.125 (Joint select committee on education accountability--Reports) and 2010 c 235 s 114 are each repealed.

NEW SECTION. Sec. 15. Section 5 of this act expires June 30, 2019.

NEW SECTION. Sec. 16. Section 6 of this act takes effect June 30, 2019."

"TO THE HONORABLE LYNN PETERSON, SECRETARY OF TRANSPORTATION, AND TO THE WASHINGTON STATE TRANSPORTATION COMMISSION, AND TO THE WASHINGTON STATE DEPARTMENT OF TRANSPORTATION:

We, your Memorialists, the Senate and House of Representatives of the State of Washington, in legislative session assembled, respectfully represent and petition as follows:

WHEREAS, American soldiers and sailors were taken as prisoners of war during the American Revolutionary War with the majority of prisoners kept aboard British prison hulks near New York City. In 1873, a general exchange of prisoners occurred after the cessation of hostilities and recognition of American independence; and

WHEREAS, During the War of 1812, battlefield exchanges occurred under a general British/American cartel for exchanging prisoners. The British continued to use prison hulks and the American POW's were treated humanely until their repatriation following the Treaty of Ghent in 1814; and

WHEREAS, During the Mexican-American War, the Mexican forces released some American prisoners in "head for head" exchanges that occasionally took place during the war, but most American prisoners of war remained incarcerated until the ratification of the Treaty of Guadalupe Hidalgo; and

WHEREAS, During the Civil War, both Union and Confederate forces were unprepared to detain the enormous number of POW's. 211,400 Union prisoners were held in the South and 220,000 Confederate prisoners were held in the North. Starting in 1865, the federal government began returning large numbers of prisoners to the Confederacy. After the surrender at Appomattox, the Union prisons were closed quickly; and

WHEREAS, The United States entered World War I in April 1917. Of the 4,120 American POW's during World War I, 147 died in captivity with most deaths resulting from wounds received in combat. Prisoner exchanges followed the signing of the armistice; and

WHEREAS, During World War II, 260,000 American POW's were held by Germans in Europe. Over 1,121 American POW's died in European prison camps. In the Far East, the Japanese held 124,079 American POW's. 10,650 American POW's died in Japanese prison

camp. In addition, there were 30,314 MIA's and 78,776 unaccounted for in the Far East; and

WHEREAS, During the Korean War, more than 12,000 American POW's were held by North Korea and China. Additionally, over 8,000 were classified as MIA and unaccounted for. After a truce was signed at Panmonjum, over 4,000 American POW's were returned in August 1953; and

WHEREAS, During the Vietnam War, 1,750 Americans were listed as MIA or unaccounted for in Vietnam and an additional 600 were MIA in neighboring Laos and Cambodia. To date, Vietnam has not accounted for all American POW's; and

WHEREAS, During the Gulf War, 47 Americans were listed as POW's or MIA at some point during Operation Desert Storm. At the conclusion of the war, 21 POW's were repatriated, 23 bodies were recovered, 2 bodies were never recovered, and one MIA case was left unresolved until 2009 when his remains were found in the Iraq desert; and

WHEREAS, During the Cold War, there was a sustained state of political and military tension between Western and Eastern powers and, as of 2000, there were 126 United States servicemen still unaccounted for. The United States Senate Select Committee on POW/MIA Affairs found evidence that some United States POW's were held in the former Soviet Union after the Cold War incident and that it "cannot, based on its investigation to date, rule out the possibility that one or more U.S. POWs from past wars or incidents are still being held somewhere within the borders of the former Soviet Union";

NOW, THEREFORE, Your Memorialists respectfully pray that the Washington State Transportation Commission commence proceedings to designate state route number 117 in Clallam county between the junction of state route number 101 and Marine Drive in the city of Port Angeles as the POW/MIA Memorial Highway to honor the service and sacrifice of all prisoners of war, missing in action, and those unaccounted for who served in the United States of America.

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable Lynn Peterson, Secretary of Transportation, the Washington State Transportation Commission, and the Washington State Department of Transportation."

(6) The information in the database described in this section is exempt from public disclosure under chapter 42.56 RCW.

NEW SECTION. Sec. 15. MILITARY BORROWERS. (1) A licensee is prohibited from extending a small consumer installment loan to any military borrower. The written agreement must contain all of the terms of the repayment plan, including the total amount due under the terms of the repayment plan. The written repayment agreement must be signed by the licensee and borrower. The licensee must give the borrower a copy of the signed written repayment agreement.

The director or the director's designee may reinstate the license if, within fifteen days after the effective date of expiration, the licensee pays the annual assessment fee and the late fee.

(3) If a licensee intends to do business at a new location, to close an existing place of business, or to relocate an existing place of business, the licensee shall provide written notification of that intention to the director no less than thirty days before the proposed establishing, closing, or moving of a place of business.

(2) With respect to determinations delivered or mailed on or after January 1, 2008:

Sec. 3. RCW 50.29.021 and 2011 c 4 s 14 are each amended to read as follows:

(1) This section applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after January 4, 2004.

(2)(a) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department.

(b) Benefits paid to an eligible individual shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(c) When the eligible individual's separating employer is a covered contribution paying base year employer, benefits paid to the eligible individual shall be charged to the experience rating account of only the individual's separating employer if the individual qualifies for benefits under:

(i) RCW 50.20.050 (1)(b)(i) or (2)(b)(i), as applicable, and became unemployed after having worked and earned wages in the bona fide work; or

(ii) RCW 50.20.050 (1)(b) (v) through (x) or (2)(b) (v) through (x).

(3) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer ~~(. However, when a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports)), except as provided in subsection (5) of this section.~~

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) Benefits paid to an individual who qualifies for benefits under RCW 50.20.050 (1)(b) (iv) or (xi) or (2)(b) (iv) or (xi), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

(f) With respect to claims with an effective date on or after the first Sunday following April 22, 2005, benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual's base year shall not be charged to the experience rating account of any contribution paying employer. This subsection (3)(f) does not apply to the calculation of contribution rates under RCW 50.29.025 for rate year 2010 and thereafter.

(g) The forty-five dollar increase paid as part of an individual's weekly benefit amount as provided in RCW 50.20.1201 and the twenty-five dollar increase paid as part of an individual's weekly benefit amount as provided in RCW 50.20.1202 shall not be charged to the experience rating account of any contribution paying employer.

(h) With respect to claims where the minimum amount payable weekly is increased to one hundred fifty-five dollars pursuant to RCW 50.20.1201(3), benefits paid that exceed the benefits that would have been paid if the minimum amount payable weekly had been calculated pursuant to RCW 50.20.120 shall not be charged to the experience rating account of any contribution paying employer.

(i) Upon approval of an individual's training benefits plan submitted in accordance with RCW 50.22.155(2), an individual is considered enrolled in training, and regular benefits beginning with the week of approval shall not be charged to the experience rating account of any contribution paying employer.

(j) Training benefits paid to an individual under RCW 50.22.155 shall not be charged to the experience rating account of any contribution paying employer.

(4)(a) A contribution paying base year employer, except employers as provided in subsection (6) of this section, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster;

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter ~~((50.06-50.60))~~ 50.60 RCW; or

(v) Was hired to replace an employee who is a member of the military reserves or National Guard and was called to federal active military service by the president of the United States and is subsequently laid off when that employee is reemployed by their employer upon release from active duty within the time provided for reemployment in RCW 73.16.035.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

(5) When a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports.

(6) An employer's experience rating account may not be relieved of charges for a benefit payment and an employer who reimburses the trust fund for benefit payments may not be credited for a benefit payment if a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure and the employer or employer's agent has a pattern of such failures. The commissioner has the authority to determine whether the employer has good cause under this subsection.

(a) For the purposes of this subsection, "adequately" means providing accurate information of sufficient quantity and quality that would allow a reasonable person to determine eligibility for benefits.

(b)(i) For the purposes of this subsection, "pattern" means a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to a claim or claims without establishing good cause for the failure, if the greater of the following calculations for an employer is met:

(A) At least three times in the previous two years; or

(B) Twenty percent of the total current claims against the employer.

(ii) If an employer's agent is utilized, a pattern is established based on each individual client employer that the employer's agent represents.

Sec. 4. RCW 50.20.190 and 2011 c 301 s 17 are each amended to read as follows:

(1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not collected, may be deducted from any future benefits payable to the individual: PROVIDED, That in the absence of a back pay award, a settlement affecting the allowance of benefits, fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of or final payment made on the individual's applicable benefit year for which the purported overpayment was made, whichever is later, unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that the overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience(~~(- PROVIDED, HOWEVER, That the)~~). When determining whether the recovery would be against equity and good conscience, the department must consider whether the employer or employer's agent failed to respond timely and adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure pursuant to RCW 50.29.021(6). An overpayment ((~~se~~)) waived under this subsection shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, the determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days' notice, using a method by which the mailing can be tracked or the delivery can be confirmed, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee under RCW 36.18.012(10). The clerk of the county where the warrant is filed shall immediately

designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed within five days of its filing with the clerk to the person(s) mentioned in the warrant using a method by which the mailing can be tracked or the delivery can be confirmed.

(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) Any employer who is a party to a back pay award or settlement due to loss of wages shall, within thirty days of the award or settlement, report to the department the amount of the award or settlement, the name and social security number of the recipient of the award or settlement, and the period for which it is awarded. When an individual has been awarded or receives back pay, for benefit purposes the amount of the back pay shall constitute wages paid in the period for which it was awarded. For contribution purposes, the back pay award or settlement shall constitute wages paid in the period in which it was actually paid. The following requirements shall also apply:

(a) The employer shall reduce the amount of the back pay award or settlement by an amount determined by the department based upon the amount of unemployment benefits received by the recipient of the award or settlement during the period for which the back pay award or settlement was awarded;

(b) The employer shall pay to the unemployment compensation fund, in a manner specified by the commissioner, an amount equal to the amount of such reduction;

(c) The employer shall also pay to the department any taxes due for unemployment insurance purposes on the entire amount of the back pay award or settlement notwithstanding any reduction made pursuant to (a) of this subsection;

(d) If the employer fails to reduce the amount of the back pay award or settlement as required in (a) of this subsection, the department shall issue an overpayment assessment against the recipient of the award or settlement in the amount that the back pay award or settlement should have been reduced; and

(e) If the employer fails to pay to the department an amount equal to the reduction as required in (b) of this subsection, the department shall issue an assessment of liability against the employer which shall be collected pursuant to the procedures for collection of assessments provided herein and in RCW 50.24.110.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent per month of the outstanding balance. Interest shall accrue immediately

on overpayments assessed pursuant to RCW 50.20.070 and shall be imposed when the assessment becomes final. For any other overpayment, interest shall accrue when the individual has missed two or more of the individual's monthly payments either partially or in full.

(7) The department shall: (a) Conduct social security number cross-match audits or engage in other more effective activities that ensure that individuals are entitled to all amounts of benefits that they are paid; and (b) engage in other detection and recovery of overpayment and collection activities.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

SSB 5452 Prime Sponsor, Committee on Human Services & Corrections: Concerning no-contact and protection orders for stalking and harassment. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Stalking is a crime that affects 3.4 million people over the age of eighteen each year in the United States. Almost half of those victims experience at least one unwanted contact per week. Twenty-nine percent of stalking victims fear that the stalking will never stop. The prevalence of anxiety, insomnia, social dysfunction, and severe depression is much higher among stalking victims than the general population. Three in four stalking victims are stalked by someone they know, and at least thirty percent of stalking victims are stalked by a current or former intimate partner. For many of those victims, the domestic violence protection order is a tool they can access to help them stay safer. For those who have not had an intimate relationship with the person stalking them, there are few remedies for them under the law. Victims who do not report the crime still desire safety and protection from future interactions with the offender. Some cases in which the stalking is reported are not prosecuted. In these situations, the victim should be able to seek a civil remedy requiring that the offender stay away from the victim. It is the intent of the legislature that the stalking protection order created by this chapter be a remedy for victims who do not qualify for a domestic violence order of protection. Moreover, it is the intent of the legislature that courts specifically distinguish stalking conduct

covered by the stalking protection order from common acts of harassment or nuisance covered by antiharassment orders. Law enforcement agencies need to be able to rely on orders that distinguish stalking conduct from common acts of harassment or nuisance. Victims of stalking conduct deserve the same protection and access to the court system as victims of domestic violence and sexual assault, and this protection can be accomplished without infringing on constitutionally protected speech or activity. The legislature finds that preventing the issuance of conflicting orders is in the interest of both petitioners and respondents.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Minor" means a person who is under eighteen years of age.

(2) "Petitioner" means any named petitioner for the stalking protection order or any named victim of stalking conduct on whose behalf the petition is brought.

(3) "Stalking conduct" means any of the following:

(a) Any act of stalking as defined under RCW 9A.46.110;

(b) Any act of cyberstalking as defined under RCW 9.61.260;

(c) Any course of conduct involving repeated or continuing contacts, attempts to contact, monitoring, tracking, keeping under observation, or following of another that:

(i) Would cause a reasonable person to feel intimidated, frightened, or threatened and that actually causes such a feeling;

(ii) Serves no lawful purpose; and

(iii) The stalker knows or reasonably should know threatens, frightens, or intimidates the person, even if the stalker did not intend to intimidate, frighten, or threaten the person.

(4) "Stalking no-contact order" means a temporary order or a final order granted under this chapter against a person charged with or arrested for stalking, which includes a remedy authorized under section 16 of this act.

(5) "Stalking protection order" means an ex parte temporary order or a final order granted under this chapter, which includes a remedy authorized in section 10 of this act.

NEW SECTION. Sec. 3. There shall exist an action known as a petition for a stalking protection order.

(1) A petition for relief shall allege the existence of stalking conduct and shall be accompanied by an affidavit made under oath stating the specific reasons that have caused the petitioner to become reasonably fearful that the respondent intends to injure the petitioner or another person, or the petitioner's property or the property of another. The petition shall disclose the existence of any other litigation or of any other restraining, protection, or no-contact orders between the parties.

(2) A petition for relief shall be filed as a separate, stand-alone civil case and a petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) Forms and instructional brochures and the necessary number of certified copies shall be provided to the petitioner free of charge.

(4) A person is not required to post a bond to obtain relief in any proceeding under this section.

(5) If the petition states that disclosure of the petitioner's address would risk abuse of the petitioner or any member of the petitioner's family or household, that address may be omitted from all documents filed with the court. If the petitioner has not disclosed an address under this subsection, the petitioner shall designate an alternative address at which the respondent may serve notice of any motions.

NEW SECTION. Sec. 4. A petition for a stalking protection order may be filed by a person:

(1) Who does not qualify for a protection order under chapter 26.50 RCW and who is a victim of stalking conduct; or

(2) On behalf of any of the following persons who is a victim of stalking conduct and who does not qualify for a protection order under chapter 26.50 RCW:

(a) A minor child, where the petitioner is a parent, a legal custodian, or, where the respondent is not a parent, an adult with whom the child is currently residing; or

(b) A vulnerable adult as defined in RCW 74.34.020 and where the petitioner is an interested person as defined in RCW 74.34.020(10).

NEW SECTION. Sec. 5. (1) Any person may seek relief under this chapter by filing a petition with a court alleging that the person has been the victim of stalking conduct committed by the respondent.

(2) A minor sixteen years of age or older may seek relief under this chapter and is not required to seek relief through a guardian or next friend. This does not preclude a parent or legal custodian of a victim sixteen or seventeen years of age from seeking relief on behalf of the minor.

(3) The district courts shall have original jurisdiction and cognizance of any civil actions and proceedings brought under this chapter, except a district court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(4) Municipal courts may exercise jurisdiction and cognizance of any civil actions and proceedings brought under this chapter by adoption of local court rule, except a municipal court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(5) Superior courts shall have concurrent jurisdiction to receive transfer of stalking petitions in cases where a district or municipal court judge makes findings of fact and conclusions of law showing that meritorious reasons exist for the transfer. The jurisdiction of district and municipal courts is limited to enforcement of RCW 26.50.110(1), or the equivalent municipal ordinance, and the issuance and enforcement of temporary orders provided for in section 12 of this act if the superior court is exercising jurisdiction over a proceeding under this chapter involving the parties.

(6) No guardian or guardian ad litem need be appointed on behalf of a respondent to an action under this chapter if such respondent is sixteen years of age or older.

(7) If a guardian ad litem is appointed for the petitioner or respondent, the petitioner shall not be required to pay any fee associated with such appointment.

(8) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid stalking conduct. In that case, the petitioner may bring an action in the county or municipality of the previous or the new residence or household.

NEW SECTION. Sec. 6. Upon receipt of the petition, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. The court may schedule a hearing by telephone, to reasonably accommodate a disability, or in exceptional circumstances to protect a petitioner from further stalking behavior. The court shall require assurances of the petitioner's identity before conducting a telephonic hearing. Except as provided in section 15 of this act, personal service shall be made upon the respondent not less than five court days prior to the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall require additional attempts at obtaining personal service or other service as permitted under section 15 of this act. The court may issue

an ex parte temporary stalking order pending the hearing as provided in section 12 of this act.

NEW SECTION. Sec. 7. Before granting an order under this chapter, the court may consult the judicial information system, if available, to determine criminal history or the pendency of other proceedings involving the parties.

NEW SECTION. Sec. 8. No fees for filing or service of process may be charged by a public agency to petitioners seeking relief under this chapter.

NEW SECTION. Sec. 9. Victim advocates shall be allowed to accompany the victim and confer with the victim, unless otherwise directed by the court. Court administrators shall allow advocates to assist victims of stalking conduct in the preparation of petitions for stalking protection orders. Advocates are not engaged in the unauthorized practice of law when providing assistance of the types specified in this section.

NEW SECTION. Sec. 10. (1)(a) If the court finds by a preponderance of the evidence that the petitioner has been a victim of stalking conduct by the respondent, the court shall issue a stalking protection order.

(b) The petitioner shall not be denied a stalking protection order because the petitioner or the respondent is a minor or because the petitioner did not report the stalking conduct to law enforcement. The court, when determining whether or not to issue a stalking protection order, may not require proof of the respondent's intentions regarding the acts alleged by the petitioner. Modification and extension of prior stalking protection orders shall be in accordance with this chapter.

(2) The court may provide relief as follows:

(a) Restrain the respondent from having any contact, including nonphysical contact, with the petitioner directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(b) Exclude the respondent from the petitioner's residence, workplace, or school, or from the day care, workplace, or school of the petitioner's minor children;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(d) Prohibit the respondent from keeping the petitioner and/or the petitioner's minor children under surveillance, to include electronic surveillance;

(e) Order any other injunctive relief as necessary or appropriate for the protection of the petitioner, to include a mental health and/or chemical dependency evaluation; and

(f) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees.

(3) Unless otherwise stated in the order, when a person is petitioning on behalf of a minor child or vulnerable adult, the relief authorized in this section shall apply only for the protection of the victim, and not the petitioner.

(4) In cases where the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger or emotional distress to the petitioner, and the expense difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person protected by the order. In the event the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the

restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

NEW SECTION. Sec. 11. For the purposes of issuing a stalking protection order, deciding what relief should be included in the order, and enforcing the order, RCW 9A.08.020 shall govern whether the respondent is legally accountable for the conduct of another person.

NEW SECTION. Sec. 12. (1) Where it appears from the petition and any additional evidence that the respondent has engaged in stalking conduct and that irreparable injury could result if an order is not issued immediately without prior notice, the court may grant an ex parte temporary order for protection, pending a full hearing and grant such injunctive relief as it deems proper, including the relief as specified under section 10 (2)(a) through (d) and (4) of this act.

(2) Irreparable injury under this section includes, but is not limited to, situations in which the respondent has recently threatened the petitioner with bodily injury or has engaged in acts of stalking conduct against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary stalking protection order shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication or mail. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication or by mail is permitted. Unless the court has permitted service by publication or mail, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(5) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a statewide judicial information system by the clerk of the court within one judicial day after issuance.

(6) If the court declines to issue an ex parte temporary stalking protection order, the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order shall be filed with the court.

(7) A knowing violation of a court order issued under this section is punishable under RCW 26.50.110.

NEW SECTION. Sec. 13. (1) Except as otherwise provided in this section or section 16 of this act, a final stalking protection order shall be effective for a fixed period of time or be permanent.

(2) Any ex parte temporary or final stalking protection order may be renewed one or more times. The petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. If the motion for renewal is uncontested and the petitioner seeks no modification of the order, the order may be renewed on the basis of the petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested renewal. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of stalking conduct against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the stalking protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in section 10 of this act.

(3) Any stalking protection order which would expire on a court holiday shall instead expire at the close of the next court business day.

(4) The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of a stalking protection order

undermines the purposes of this chapter. This section shall not be construed as encouraging that practice.

(5) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

NEW SECTION. Sec. 14. (1) Any stalking protection order shall describe each remedy granted by the court, in reasonable detail and not by reference to any other document, so that the respondent may clearly understand what he or she must do or refrain from doing.

(2) A stalking protection order shall further state the following:

(a) The name of the petitioner that the court finds was the victim of stalking by the respondent;

(b) The date and time the stalking protection order was issued, whether it is an ex parte temporary or final order, and the duration of the order;

(c) The date, time, and place for any scheduled hearing for renewal of that stalking protection order or for another order of greater duration or scope;

(d) For each remedy in an ex parte temporary stalking protection order, the reason for entering that remedy without prior notice to the respondent or greater notice than was actually given;

(e) For ex parte temporary stalking protection orders, that the respondent may petition the court, to modify or terminate the order if he or she did not receive actual prior notice of the hearing and if the respondent alleges that he or she had a meritorious defense to the order or that the order or its remedy is not authorized by this chapter.

(3) A stalking protection order shall include the following notice, printed in conspicuous type: "A knowing violation of this stalking protection order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

NEW SECTION. Sec. 15. (1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6), (7), or (8) of this section. If the respondent is a minor, the respondent's parent or legal custodian shall also be personally served.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(6) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary.

(7) If the respondent was not personally served with the petition, notice of hearing, and ex parte order before the hearing, the court shall reset the hearing for twenty-four days from the date of entry of the order and may order service by publication instead of personal service under the following circumstances:

(a) The sheriff or municipal officer or private process server files an affidavit stating that the officer or private process server was

unable to complete personal service upon the respondent. The affidavit must describe the number and types of attempts the officer or private process server made to complete service;

(b) The petitioner files an affidavit stating that the petitioner believes that the respondent is hiding from the server to avoid service. The petitioner's affidavit must state the reasons for the belief that the respondent is avoiding service;

(c) The server has deposited a copy of the petition, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address;

(d) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome;

(e) The court shall reissue the temporary order of protection not to exceed another twenty-four days from the date of reissuing the ex parte protection order and order to provide service by publication; and

(f) The publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

In the court of the state of Washington for the county of
, Petitioner
vs. No.
, Respondent

The state of Washington to (respondent):

You are hereby summoned to appear on the day of, 20, at a.m./m., and respond to the petition. If you fail to respond, an order of protection will be issued against you pursuant to the provisions of the stalking protection order act, chapter 7.-- RCW (the new chapter created in section 32 of this act), for a minimum of one year from the date you are required to appear. A temporary order of protection has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the ex parte order.) A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

Petitioner

(8) In circumstances justifying service by publication under subsection (7) of this section, if the serving party files an affidavit stating facts from which the court determines that service by mail is just as likely to give actual notice as service by publication and that the serving party is unable to afford the cost of service by publication,

the court may order that service be made by mail. Such service shall be made by any person over eighteen years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address or any other address determined by the court to be appropriate. Two copies shall be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender.

(a) Proof of service under this section shall be consistent with court rules for civil proceedings.

(b) Service under this section may be used in the same manner and shall have the same jurisdictional effect as service by publication for purposes of this chapter. Service shall be deemed complete upon the mailing of two copies as prescribed in this section.

NEW SECTION. Sec. 16. (1)(a) When any person charged with or arrested for stalking as defined in RCW 9A.46.110 or any other stalking related offense under RCW 9A.46.060 is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the court authorizing release may issue, by telephone, a stalking no-contact order prohibiting the person charged or arrested from having contact with the victim or from knowingly coming within, or knowingly remaining within, a specified distance of a location.

(b) In issuing the order, the court shall consider the provisions of RCW 9.41.800.

(c) The stalking no-contact order shall also be issued in writing as soon as possible.

(2)(a) At the time of arraignment or whenever a motion is brought to modify the conditions of the defendant's release, the court shall determine whether a stalking no-contact order shall be issued or extended. If a stalking no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring, including real-time global position satellite monitoring with victim notification. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring, including costs relating to real-time global position satellite monitoring with victim notification.

(b) A stalking no-contact order issued by the court in conjunction with criminal charges shall terminate if the defendant is acquitted or the charges are dismissed, unless the victim files an independent action for a stalking protection order. If the victim files an independent action for a civil stalking protection order, the order may be continued by the court until a full hearing is conducted pursuant to section 6 of this act.

(3)(a) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(b) A certified copy of the order shall be provided to the victim at no charge.

(4) If a stalking no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(5) Whenever an order prohibiting contact is issued pursuant to subsection (2) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

(6)(a) When a defendant is found guilty of stalking as defined in RCW 9A.46.110 or any other stalking related offense under RCW 9A.46.060 and a condition of the sentence restricts the defendant's ability to have contact with the victim, and the victim does not qualify for a domestic violence protection order under chapter 26.50 RCW, the condition shall be recorded as a stalking no-contact order.

(b) The written order entered as a condition of sentencing shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(c) A final stalking no-contact order entered in conjunction with a criminal prosecution shall remain in effect for a period of five years from the date of entry.

(d) A certified copy of the order shall be provided to the victim at no charge.

(7) A knowing violation of a court order issued under subsection (1), (2), or (6) of this section is punishable under RCW 26.50.110.

(8) Whenever a stalking no-contact order is issued, modified, or terminated under subsection (1), (2), or (6) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order for one year unless a different expiration date is specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the computer-based criminal intelligence information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state. Upon receipt of notice that an order has been terminated under subsection (2) of this section, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 17. (1) In a proceeding in which a petition for a stalking protection order is sought under this chapter, a court of this state may exercise personal jurisdiction over a nonresident individual if:

(a) The individual is personally served with a petition within this state;

(b) The individual submits to the jurisdiction of this state by consent, entering a general appearance, or filing a responsive document having the effect of waiving any objection to consent to personal jurisdiction;

(c) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred within this state;

(d)(i) The act or acts of the individual or the individual's agent giving rise to the petition or enforcement of a stalking protection order occurred outside this state and are part of an ongoing pattern of

stalking behavior that has an adverse effect on the petitioner or a member of the petitioner's family or household and the petitioner resides in this state; or

(ii) As a result of acts of stalking behavior, the petitioner or a member of the petitioner's family or household has sought safety or protection in this state and currently resides in this state; or

(e) There is any other basis consistent with RCW 4.28.185 or with the Constitution of this state and the Constitution of the United States.

(2) For jurisdiction to be exercised under subsection (1)(d)(i) or (ii) of this section, the individual must have communicated with the petitioner or a member of the petitioner's family, directly or indirectly, or made known a threat to the safety of the petitioner or member of the petitioner's family while the petitioner or family member resides in this state. For the purposes of subsection (1)(d)(i) or (ii) of this section, "communicated or made known" includes, but is not limited to, through the mail, telephonically, or a posting on an electronic communication site or medium. Communication on any electronic medium that is generally available to any individual residing in the state shall be sufficient to exercise jurisdiction under subsection (1)(d)(i) or (ii) of this section.

(3) For the purposes of this section, an act or acts that "occurred within this state" includes, but is not limited to, an oral or written statement made or published by a person outside of this state to any person in this state by means of the mail, interstate commerce, or foreign commerce. Oral or written statements sent by electronic mail or the internet are deemed to have "occurred within this state."

NEW SECTION. Sec. 18. (1) A copy of a stalking protection order or stalking no-contact order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for one year unless a different expiration date is specified on the order. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, terminated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was personally served, served by publication, or served by mail.

NEW SECTION. Sec. 19. (1) Upon application with notice to all parties and after a hearing, the court may modify the terms of an existing stalking protection order.

(2) A respondent's motion to modify or terminate an existing stalking protection order must include a declaration setting forth facts supporting the requested order for termination or modification. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(3) The court may not terminate or modify an existing stalking protection order unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances such that the respondent will not resume acts of stalking conduct against the petitioner or those persons protected by the protection order if the order is terminated or modified. The petitioner bears no

burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to terminate or modify a stalking protection order, including reasonable attorneys' fees.

(5) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the computer-based criminal intelligence information system, or if the order is terminated, remove the order from the computer-based criminal intelligence information system.

NEW SECTION. Sec. 20. A new section is added to chapter 10.14 RCW to read as follows:

In each county, the superior court may appoint one or more attorneys to act as protection order commissioners pursuant to this chapter to exercise all powers and perform all duties of a court commissioner appointed pursuant to RCW 2.24.010 provided that such positions may not be created without prior consent of the county legislative authority. A person appointed as a protection order commissioner under this chapter may also be appointed to any other commissioner position authorized by law.

NEW SECTION. Sec. 21. A new section is added to chapter 10.14 RCW to read as follows:

The legislature respectfully requests that:

(1) By January 1, 2014, the administrative office of the courts shall develop a single master petition pattern form for all antiharassment and stalking protection orders issued under chapter 7.- RCW (the new chapter created in section 32 of this act) and this chapter. The master petition must prompt petitioners to disclose on the form whether the petitioner who is seeking an ex parte order has experienced stalking conduct as defined in section 2 of this act. An antiharassment order and stalking protection order issued under chapter 7.-- RCW (the new chapter created in section 32 of this act) and this chapter must substantially comply with the pattern form developed by the administrative office of the courts.

(2) The Washington state supreme court gender and justice commission, to the extent that it is able, and in consultation with Washington coalition of sexual assault programs, Washington state coalition against domestic violence, Washington association of prosecuting attorneys, Washington association of criminal defense lawyers, and Washington association of sheriffs and police chiefs, consider other potential solutions to reduce confusion about which type of protection order a petitioner should seek and provide any recommendations to the legislature by January 1, 2014.

NEW SECTION. Sec. 22. An ex parte temporary order issued under this chapter shall not be admissible as evidence in any subsequent civil action for damages arising from the conduct alleged in the petition or the order.

NEW SECTION. Sec. 23. Nothing in this chapter shall be construed as requiring criminal charges to be filed as a condition of a stalking protection order being issued.

Sec. 24. RCW 9.41.800 and 2002 c 302 s 704 are each amended to read as follows:

(1) Any court when entering an order authorized under chapter 7.-RCW (the new chapter created in section 32 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 shall, upon a showing by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a firearm under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;

(b) Require the party to surrender any concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;

(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(2) Any court when entering an order authorized under chapter 7.-RCW (the new chapter created in section 32 of this act), RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.50.060, 26.50.070, or 26.26.590 may, upon a showing by a preponderance of the evidence but not by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or previously committed any offense that makes him or her ineligible to possess a pistol under the provisions of RCW 9.41.040:

(a) Require the party to surrender any firearm or other dangerous weapon;

(b) Require the party to surrender a concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from obtaining or possessing a firearm or other dangerous weapon;

(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(3) The court may order temporary surrender of a firearm or other dangerous weapon without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(4) In addition to the provisions of subsections (1), (2), and (3) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm or other dangerous weapon by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(5) The requirements of subsections (1), (2), and (4) of this section may be for a period of time less than the duration of the order.

(6) The court may require the party to surrender any firearm or other dangerous weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding, the chief of police of the municipality having jurisdiction, or to the restrained or enjoined party's counsel or to any person designated by the court.

Sec. 25. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:

(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury -Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, or stalking, as defined in RCW 9A.46.110, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of a victim or multiple victims manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(i) The offense resulted in the pregnancy of a child victim of rape.

(j) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

(k) The offense was committed with the intent to obstruct or impair human or animal health care or agricultural or forestry research or commercial production.

(l) The current offense is trafficking in the first degree or trafficking in the second degree and any victim was a minor at the time of the offense.

(m) The offense involved a high degree of sophistication or planning.

(n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.

(p) The offense involved an invasion of the victim's privacy.

(q) The defendant demonstrated or displayed an egregious lack of remorse.

(r) The offense involved a destructive and foreseeable impact on persons other than the victim.

(s) The defendant committed the offense to obtain or maintain his or her membership or to advance his or her position in the hierarchy of an organization, association, or identifiable group.

(t) The defendant committed the current offense shortly after being released from incarceration.

(u) The current offense is a burglary and the victim of the burglary was present in the building or residence when the crime was committed.

(v) The offense was committed against a law enforcement officer who was performing his or her official duties at the time of the offense, the offender knew that the victim was a law enforcement officer, and the victim's status as a law enforcement officer is not an element of the offense.

(w) The defendant committed the offense against a victim who was acting as a good samaritan.

(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.

(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).

(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.

(ii) For purposes of this subsection, "metal property" means commercial metal property, private metal property, or nonferrous metal property, as defined in RCW 19.290.010.

(aa) The defendant committed the offense with the intent to directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage to or for a criminal street gang as defined in RCW 9.94A.030, its reputation, influence, or membership.

Sec. 26. RCW 9A.46.040 and 2012 c 223 s 1 are each amended to read as follows:

(1) Because of the likelihood of repeated harassment directed at those who have been victims of harassment in the past, when any defendant charged with a crime involving harassment is released from custody before trial on bail or personal recognizance, the court authorizing the release may issue an order pursuant to this chapter and require that the defendant:

(a) Stay away from the home, school, business, or place of employment of the victim or victims of the alleged offense or other location, as shall be specifically named by the court in the order;

(b) Refrain from contacting, intimidating, threatening, or otherwise interfering with the victim or victims of the alleged offense and such other persons, including but not limited to members of the family or household of the victim, as shall be specifically named by the court in the order.

(2) Willful violation of a court order issued under this section or an equivalent local ordinance is a gross misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 9A.46 RCW. A certified copy of the order shall be provided to the victim by the clerk of the court.

(3) If the defendant is charged with the crime of stalking or any other stalking related offense under RCW 9A.46.060, and the court issues an order protecting the victim, the court shall issue a stalking no-contact order pursuant to chapter 7.-- RCW (the new chapter created in section 32 of this act).

NEW SECTION. Sec. 27. A new section is added to chapter 9A.46 RCW to read as follows:

(2) At the time of appearance provided in subsection (1) of this section the court shall determine the necessity of imposing a stalking no-contact order under chapter 7.-- RCW (the new chapter created in section 32 of this act).

(3) Appearances required pursuant to this section are mandatory and cannot be waived.

(4) The stalking no-contact order shall be issued and entered with the appropriate law enforcement agency pursuant to the procedures outlined in chapter 7.-- RCW (the new chapter created in section 32 of this act).

Sec. 28. RCW 9A.46.110 and 2007 c 201 s 1 are each amended to read as follows:

(1) A person commits the crime of stalking if, without lawful authority and under circumstances not amounting to a felony attempt of another crime:

(a) He or she intentionally and repeatedly harasses or repeatedly follows another person; and

(b) The person being harassed or followed is placed in fear that the stalker intends to injure the person, another person, or property of the person or of another person. The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and

(c) The stalker either:

(i) Intends to frighten, intimidate, or harass the person; or

(ii) Knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

(2)(a) It is not a defense to the crime of stalking under subsection (1)(c)(i) of this section that the stalker was not given actual notice that the person did not want the stalker to contact or follow the person; and

(b) It is not a defense to the crime of stalking under subsection (1)(c)(ii) of this section that the stalker did not intend to frighten, intimidate, or harass the person.

(3) It shall be a defense to the crime of stalking that the defendant is a licensed private investigator acting within the capacity of his or her license as provided by chapter 18.165 RCW.

(4) Attempts to contact or follow the person after being given actual notice that the person does not want to be contacted or followed constitutes prima facie evidence that the stalker intends to intimidate or harass the person. "Contact" includes, in addition to any other form of contact or communication, the sending of an electronic communication to the person.

(5)(a) Except as provided in (b) of this subsection, a person who stalks another person is guilty of a gross misdemeanor.

(b) A person who stalks another is guilty of a class ((€)) B felony if any of the following applies: (i) The stalker has previously been convicted in this state or any other state of any crime of harassment, as defined in RCW 9A.46.060, of the same victim or members of the victim's family or household or any person specifically named in a protective order; (ii) the stalking violates any protective order protecting the person being stalked; (iii) the stalker has previously been convicted of a gross misdemeanor or felony stalking offense under this section for stalking another person; (iv) the stalker was armed with a deadly weapon, as defined in RCW ((9.94A.602)) 9.94A.825, while stalking the person; (v)(A) the stalker's victim is or was a law enforcement officer; judge; juror; attorney; victim advocate; legislator; community corrections' officer; an employee, contract staff person, or volunteer of a correctional agency; court employee, court clerk, or courthouse facilitator; or an employee of the child protective, child welfare, or adult protective services division within the department of social and health services; and (B) the stalker stalked the victim to retaliate against the victim for an act the victim performed during the course of official duties or to influence the victim's performance of official duties; or (vi) the stalker's victim is a current, former, or prospective witness in an adjudicative proceeding, and the stalker stalked the victim to retaliate against the victim as a result of the victim's testimony or potential testimony.

(b) "Follows" means deliberately maintaining visual or physical proximity to a specific person over a period of time. A finding that the alleged stalker repeatedly and deliberately appears at the person's home, school, place of employment, business, or any other location to maintain visual or physical proximity to the person is sufficient to find that the alleged stalker follows the person. It is not necessary to establish that the alleged stalker follows the person while in transit from one location to another.

(c) "Harasses" means unlawful harassment as defined in RCW 10.14.020.

(d) "Protective order" means any temporary or permanent court order prohibiting or limiting violence against, harassment of, contact or communication with, or physical proximity to another person.

(e) "Repeatedly" means on two or more separate occasions.

Sec. 29. RCW 10.14.070 and 2005 c 144 s 1 are each amended to read as follows:

Upon receipt of the petition alleging a prima facie case of harassment, other than a petition alleging a sex offense as defined in chapter 9A.44 RCW or a petition for a stalking protection order under chapter 7.-- RCW (the new chapter created in section 32 of this act), the court shall order a hearing which shall be held not later than fourteen days from the date of the order. If the petition alleges a sex offense as defined in chapter 9A.44 RCW, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five court days before the hearing. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the hearing date not later than twenty-four days from the date of the order. The court may issue an ex parte order for protection pending the hearing as provided in RCW 10.14.080 and 10.14.085.

Sec. 30. RCW 26.50.110 and 2009 c 439 s 3 and 2009 c 288 s 3 are each reenacted and amended to read as follows:

(1)(a) Whenever an order is granted under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or there is a valid foreign protection order as defined in RCW 26.52.020, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking of, a protected party, or restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(v) A provision of a foreign protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, is a class C felony if the offender has at least two previous convictions for violating the provisions of an order issued under this chapter, chapter 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020. The

previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 9.94A, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.

Sec. 31. RCW 10.31.100 and 2010 c 274 s 201 are each amended to read as follows:

A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (10) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(a) An order has been issued of which the person has knowledge under RCW 26.44.063, or chapter 7.-- (the new chapter created in section 32 of this act), 7.90, 9A.46, 10.99, 26.09, 26.10, 26.26, 26.50, or 74.34 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence, or restraining the person from going onto the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) A foreign protection order, as defined in RCW 26.52.010, has been issued of which the person under restraint has knowledge and the person under restraint has violated a provision of the foreign protection order prohibiting the person under restraint from contacting or communicating with another person, or excluding the person under restraint from a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, or a violation of any provision for which the foreign protection order specifically indicates that a violation will be a crime; or

(c) The person is sixteen years or older and within the preceding four hours has assaulted a family or household member as defined in RCW 10.99.020 and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that family or household members have assaulted each other, the officer is not required to

arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.5249, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(6) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

(7) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(8) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

(9) Any police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.

(10) A police officer having probable cause to believe that a person illegally possesses or illegally has possessed a firearm or other dangerous weapon on private or public elementary or secondary school premises shall have the authority to arrest the person.

(11) Except as specifically provided in subsections (2), (3), (4), and (6) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(12) No police officer may be held criminally or civilly liable for making an arrest pursuant to subsection (2) or (8) of this section if the police officer acts in good faith and without malice.

SB 5510 Prime Sponsor, Senator Becker: Concerning the abuse of vulnerable adults. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.34.020 and 2012 c 10 s 62 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the willful action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. Abuse includes sexual abuse, mental abuse, physical abuse, and exploitation of a vulnerable adult, which have the following meanings:

(a) "Sexual abuse" means any form of nonconsensual sexual contact, including but not limited to unwanted or inappropriate touching, rape, sodomy, sexual coercion, sexually explicit photographing, and sexual harassment. Sexual abuse includes any sexual contact between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or receiving service from a program authorized under chapter 71A.12 RCW, whether or not it is consensual.

(b) "Physical abuse" means the willful action of inflicting bodily injury or physical mistreatment. Physical abuse includes, but is not limited to, striking with or without an object, slapping, pinching, choking, kicking, shoving, prodding, or the use of chemical restraints or physical restraints unless the restraints are consistent with licensing requirements, and includes restraints that are otherwise being used inappropriately.

(c) "Mental abuse" means any willful action or inaction of mental or verbal abuse. Mental abuse includes, but is not limited to, coercion, harassment, inappropriately isolating a vulnerable adult from family, friends, or regular activity, and verbal assault that includes ridiculing, intimidating, yelling, or swearing.

(d) "Exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(3) "Consent" means express written consent granted after the vulnerable adult or his or her legal representative has been fully informed of the nature of the services to be offered and that the receipt of services is voluntary.

(4) "Department" means the department of social and health services.

(5) "Facility" means a residence licensed or required to be licensed under chapter 18.20 RCW, assisted living facilities; chapter 18.51 RCW, nursing homes; chapter 70.128 RCW, adult family homes; chapter 72.36 RCW, soldiers' homes; or chapter 71A.20 RCW, residential habilitation centers; or any other facility licensed or certified by the department.

(6) "Financial exploitation" means the illegal or improper use, control over, or withholding of the property, income, resources, or trust funds of the vulnerable adult by any person or entity for any person's or entity's profit or advantage other than for the vulnerable adult's profit or advantage. "Financial exploitation" includes, but is not limited to:

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(b) The breach of a fiduciary duty, including, but not limited to, the misuse of a power of attorney, trust, or a guardianship appointment, that results in the unauthorized appropriation, sale, or transfer of the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult; or

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.

(7) "Financial institution" has the same meaning as in RCW 30.22.040 and 30.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(8) "Incapacitated person" means a person who is at a significant risk of personal or financial harm under RCW 11.88.010(1) (a), (b), (c), or (d).

(9) "Individual provider" means a person under contract with the department to provide services in the home under chapter 74.09 or 74.39A RCW.

(10) "Interested person" means a person who demonstrates to the court's satisfaction that the person is interested in the welfare of the vulnerable adult, that the person has a good faith belief that the court's intervention is necessary, and that the vulnerable adult is unable, due to incapacity, undue influence, or duress at the time the petition is filed, to protect his or her own interests.

(11) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or health care provider subject to chapter 18.130 RCW.

(12) "Neglect" means (a) a pattern of conduct or inaction by a person or entity with a duty of care that fails to provide the goods and services that maintain physical or mental health of a vulnerable adult, or that fails to avoid or prevent physical or mental harm or pain to a

vulnerable adult; or (b) an act or omission by a person or entity with a duty of care that demonstrates a serious disregard of consequences of such a magnitude as to constitute a clear and present danger to the vulnerable adult's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100.

(13) "Permissive reporter" means any person, including, but not limited to, an employee of a financial institution, attorney, or volunteer in a facility or program providing services for vulnerable adults.

(14) "Protective services" means any services provided by the department to a vulnerable adult with the consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

(15) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(16) "Social worker" means:

(a) A social worker as defined in RCW 18.320.010(2); or

(b) Anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of vulnerable adults, or providing social services to vulnerable adults, whether in an individual capacity or as an employee or agent of any public or private organization or institution.

(17) "Vulnerable adult" includes a person:

(a) Sixty years of age or older who has the functional, mental, or physical inability to care for himself or herself; or

(b) Found incapacitated under chapter 11.88 RCW; or

(c) Who has a developmental disability as defined under RCW 71A.10.020; or

(d) Admitted to any facility; or

(e) Receiving services from home health, hospice, or home care agencies licensed or required to be licensed under chapter 70.127 RCW; or

(f) Receiving services from an individual provider; or

(g) Who self-directs his or her own care and receives services from a personal aide under chapter 74.39 RCW.

Sec. 2. RCW 74.34.035 and 2010 c 133 s 4 are each amended to read as follows:

(1) When there is reasonable cause to believe that abandonment, abuse, financial exploitation, or neglect of a vulnerable adult has occurred, mandated reporters shall immediately report to the department.

(2) When there is reason to suspect that sexual assault has occurred, mandated reporters shall immediately report to the appropriate law enforcement agency and to the department.

(3) When there is reason to suspect that physical assault has occurred or there is reasonable cause to believe that an act has caused fear of imminent harm:

(a) Mandated reporters shall immediately report to the department; and

(b) Mandated reporters shall immediately report to the appropriate law enforcement agency, except as provided in subsection (4) of this section.

(4) A mandated reporter is not required to report to a law enforcement agency, unless requested by the injured vulnerable adult or his or her legal representative or family member, an incident of

physical assault between vulnerable adults that causes minor bodily injury and does not require more than basic first aid, unless:

(a) The injury appears on the back, face, head, neck, chest, breasts, groin, inner thigh, buttock, genital, or anal area;

(b) There is a fracture;

(c) There is a pattern of physical assault between the same vulnerable adults or involving the same vulnerable adults; or

(d) There is an attempt to choke a vulnerable adult.

(5) When there is reason to suspect that the death of a vulnerable adult was caused by abuse, neglect, or abandonment by another person, mandated reporters shall, pursuant to RCW 68.50.020, report the death to the medical examiner or coroner having jurisdiction, as well as the department and local law enforcement, in the most expeditious manner possible. A mandated reporter is not relieved from the reporting requirement provisions of this subsection by the existence of a previously signed death certificate. If abuse, neglect, or abandonment caused or contributed to the death of a vulnerable adult, the death is a death caused by unnatural or unlawful means, and the body shall be the jurisdiction of the coroner or medical examiner pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law enforcement agency when there is reasonable cause to believe that a vulnerable adult is being or has been abandoned, abused, financially exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or required to be licensed under chapter 70.127 RCW, or facility or agency under contract with the department to provide care for vulnerable adults may develop policies or procedures that interfere with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible of the following information:

(a) The name and address of the person making the report;

(b) The name and address of the vulnerable adult and the name of the facility or agency providing care for the vulnerable adult;

(c) The name and address of the legal guardian or alternate decision maker;

(d) The nature and extent of the abandonment, abuse, financial exploitation, neglect, or self-neglect;

(e) Any history of previous abandonment, abuse, financial exploitation, neglect, or self-neglect;

(f) The identity of the alleged perpetrator, if known; and

(g) Other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect, or the cause of death of the deceased vulnerable adult.

(9) Unless there is a judicial proceeding or the person consents, the identity of the person making the report under this section is confidential.

(10) In conducting an investigation of abandonment, abuse, financial exploitation, self-neglect, or neglect, the department or law enforcement, upon request, must have access to all relevant records related to the vulnerable adult that are in the possession of mandated reporters and their employees, unless otherwise prohibited by law. Records maintained under RCW 4.24.250, 18.20.390, 43.70.510, 70.41.200, 70.230.080, and 74.42.640 shall not be subject to the requirements of this subsection. Providing access to records relevant to an investigation by the department or law enforcement under this provision may not be deemed a violation of any confidential communication privilege.

Sec. 3. RCW 74.34.067 and 2011 c 170 s 2 are each amended to read as follows:

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to

interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter or submit a report under this chapter; (b) consultants designated by the department; and (c) designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department has reason to believe that the vulnerable adult has suffered from abandonment, abuse, financial exploitation, neglect, or self-neglect, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW.

(6) For purposes consistent with this chapter, the department, the certified professional guardian board, and the office of public guardianship may share information contained in reports and investigations of the abuse, abandonment, neglect, self-neglect, and financial exploitation of vulnerable adults. This information may be used solely for (a) recruiting or appointing appropriate guardians and (b) monitoring, or when appropriate, disciplining certified professional or public guardians. Reports of abuse, abandonment, neglect, self-neglect, and financial exploitation are confidential under RCW 74.34.095 and other laws, and secondary disclosure of information shared under this section is prohibited.

(7) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

~~((7))~~ (8) The department's adult protective services division may enter into agreements with federally recognized tribes to investigate reports of abandonment, abuse, financial exploitation, neglect, or self-neglect of vulnerable adults on property over which a federally recognized tribe has exclusive jurisdiction. If the department has information that abandonment, abuse, financial exploitation, or neglect is criminal or is placing a vulnerable adult on tribal property at potential risk of personal or financial harm, the department may notify tribal law enforcement or another tribal representative specified by the tribe. Upon receipt of the notification, the tribe may assume jurisdiction of the matter. Neither the department nor its employees may participate in the investigation after the tribe assumes jurisdiction. The department, its officers, and its employees are not liable for any action or inaction of the tribe or for any harm to the alleged victim, the person against whom the allegations were made, or other parties that occurs after the tribe assumes jurisdiction. Nothing in this section limits the department's jurisdiction and authority over facilities or entities that the department licenses or certifies under federal or state law.

~~((8))~~ (9) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged

to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

~~((9))~~ (10) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants."

"Sec. 1. 2011 1st sp.s. c 34 s 1 (uncodified) is amended to read as follows:

(1) Under Article IX of the Washington state Constitution, all children are entitled to an opportunity to receive a basic education.

Although the state must assure that students in public schools have opportunities to participate in the instructional program of basic education, there is no obligation for either the state or school districts to provide that instruction using a particular delivery method or through a particular program.

(2) The legislature finds ample evidence of the need to examine and reconsider policies under which alternative learning that occurs outside the classroom using an individual student learning plan may be considered equivalent to full-time attendance in school, including for funding purposes. Previous legislative studies have raised questions about financial practices and accountability in alternative learning experience ~~((programs))~~ courses. Since 2005, there has been significant enrollment growth in alternative learning experience online ~~((programs))~~ courses, with evidence of unexpected financial impact when large numbers of nonresident students enroll in ~~((programs))~~ courses. Based on this evidence, there is a rational basis on which to conclude that there are different costs associated with providing ~~((a program))~~ courses not primarily based on full-time, daily contact between teachers and students and not primarily occurring on-site in a classroom.

(3) For these reasons, the legislature intends to allow for continuing review and revision of the way in which state funding allocations are used to support alternative learning experience ~~((programs))~~ courses.

Sec. 2. RCW 28A.150.325 and 2011 1st sp.s. c 34 s 2 are each amended to read as follows:

(1) ~~((For purposes of this chapter.))~~ The definitions in this subsection apply throughout this chapter unless the context clearly requires otherwise.

(a) "Alternative learning experience ~~((program))~~ course" means a course ~~((or set of courses))~~ that is a delivery method for the program of basic education and is:

~~((a))~~ (i) Provided in whole or in part independently from a regular classroom setting or schedule, but may include some components of direct instruction;

~~((b))~~ (ii) Supervised, instructed, monitored, assessed, evaluated, and documented by a certificated teacher employed by the school district or under contract as permitted by applicable rules; and

~~((c))~~ (iii) Provided in accordance with a written student learning plan that is implemented pursuant to the school district's policy and rules adopted by the superintendent of public instruction for alternative learning experiences.

(b) "In-person" means face-to-face instructional contact in a physical classroom environment.

(c) "Instructional contact time" means instructional time with a certificated teacher. Instructional contact time must be for the purposes of actual instruction, review of assignments, testing, evaluation of student progress, or other learning activities or requirements identified in the student's written student learning plan. Instructional contact time must be related to an alternative learning experience course identified in the student's written student learning plan. Instructional contact time may occur in a group setting between the teacher and multiple students and may be delivered either in-person or remotely using technology.

(d) "Online course" has the same meaning as provided in RCW 28A.250.010.

(e) "Remote course" means an alternative learning experience course that is not an online course where the student has in-person instructional contact time for less than twenty percent of the total weekly time for the course.

(f) "Site-based course" means an alternative learning experience course where the student has in-person instructional contact time for at least twenty percent of the total weekly time for the course.

(g) "Total weekly time" means the estimated average hours per school week the student will engage in learning activities to meet the requirements of the written student learning plan.

(2) ~~((The broad categories of alternative learning experience programs include, but are not limited to:~~

~~—(a) Online programs as defined in RCW 28A.150.262;~~
~~—(b) Parent partnership programs that include significant participation and partnership by parents and families in the design and implementation of a student's learning experience; and~~
~~—(c) Contract based learning programs))~~ School districts may claim state funding under section 4 of this act, to the extent otherwise allowed by state law including the provisions of RCW 28A.250.060, for students enrolled in remote, site-based, or online alternative learning experience courses. High school courses must meet district or state graduation requirements and be offered for high school credit.

(3) School districts that offer alternative learning experience ~~((programs))~~ courses may not provide any compensation, reimbursement, gift, reward, or gratuity to any parents, guardians, or students for participation in the courses. School district employees are prohibited from receiving any compensation or payment as an incentive to increase student enrollment of out-of-district students in ~~((an))~~ alternative learning experience ~~((program))~~ courses. This prohibition includes, but is not limited to, providing funds to parents, guardians, or students for the purchase of educational materials, supplies, experiences, services, or technological equipment. A district may purchase educational materials, equipment, or other nonconsumable supplies for students' use in alternative learning experience ~~((programs))~~ courses if the purchase is consistent with the district's approved curriculum, conforms to applicable laws and rules, and is made in the same manner as such purchases are made for students in the district's regular instructional program. Items so purchased remain the property of the school district upon program completion. School districts may not purchase or contract for instructional or cocurricular experiences and services that are included in an alternative learning experience written student learning plan, including but not limited to lessons, trips, and other activities, unless substantially similar experiences and services are available to students enrolled in the district's regular instructional program. School districts that purchase or contract for such experiences and services for students enrolled in an alternative learning experience ~~((program))~~ course must submit an annual report to the office of the superintendent of public instruction detailing the costs and purposes of the expenditures. These requirements extend to contracted providers of alternative learning experience ~~((programs))~~ courses, and each district shall be responsible for monitoring the compliance of its providers with these requirements. However, nothing in this ~~((section))~~ subsection shall prohibit school districts from contracting with school district employees to provide services or experiences to students, or from contracting with online providers approved by the office of the superintendent of public instruction pursuant to chapter 28A.250 RCW.

(4) ~~((Part-time enrollment in alternative learning experiences is subject to the provisions of RCW 28A.150.350.~~

~~—(5) The superintendent of public instruction shall adopt rules defining minimum requirements and accountability for alternative learning experience programs))~~ Each school district offering or contracting to offer alternative learning experience courses must:

—(a) Report annually to the superintendent of public instruction regarding the course types and offerings, and number of students participating in each; and

—(b) Document the district of residence for each student enrolled in an alternative learning experience course.

(5) A school district offering or contracting to offer an alternative learning experience course to a nonresident student must inform the resident school district if the student drops out of the course or is otherwise no longer enrolled.

(6) School districts must assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other

annual assessments required by the school district. Part-time students must also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not required to participate in the assessments required under chapter 28A.655 RCW. The rules must address how students who reside outside the geographic service area of the school district are to be assessed.

(7) Beginning with the 2013-14 school year, school districts must designate alternative learning experience courses as such when reporting course information to the office of the superintendent of public instruction under RCW 28A.300.500.

(8) The superintendent of public instruction shall adopt rules necessary to implement this section.

Sec. 3. RCW 28A.150.262 and 2011 1st sp.s. c 34 s 3 are each amended to read as follows:

Under RCW 28A.150.260, the superintendent of public instruction shall revise the definition of a full-time equivalent student to include students who receive instruction through alternative learning experience online ~~((programs))~~ courses. As used in this section ~~((and RCW 28A.150.325)),~~ an "alternative learning experience online ~~((program))~~ course" is ~~((a set of online courses or))~~ an online ~~((school program))~~ course as defined in RCW 28A.250.010 that is delivered to students in whole or in part independently from a regular classroom schedule. Beginning in the 2013-14 school year, alternative learning experience online ~~((programs))~~ courses must be offered by an online provider approved by the superintendent of public instruction under RCW 28A.250.020 to meet the definition in this section. The rules shall include but not be limited to the following:

(1) Defining a full-time equivalent student under RCW 28A.150.260 or part-time student under RCW 28A.150.350 based upon the district's estimated average weekly hours of learning activity as identified in the student's learning plan, as long as the student is found, through monthly evaluation, to be making satisfactory progress~~((;)).~~ The rules shall ~~((require districts providing programs under this section to nonresident students to))~~ establish procedures that address ~~((, at a minimum, the coordination of student counting))~~ how the counting of students must be coordinated by resident and nonresident districts for state funding so that no student is counted for more than one full-time equivalent in the aggregate;

(2) Requiring the board of directors of a school district offering, or contracting under RCW 28A.150.305 to offer, an alternative learning experience online ~~((program))~~ course to adopt and annually review written policies for each program and program provider and to receive an annual report on its ~~((digital))~~ alternative learning experience online ~~((programs))~~ courses from its staff;

(3) Requiring each school district offering or contracting to offer an alternative learning experience online ~~((program))~~ course to report annually to the superintendent of public instruction on the types of ~~((programs and))~~ course offerings, and number of students participating;

(4) Requiring completion of a ~~((program))~~ self-evaluation;

(5) Requiring documentation of the district of the student's physical residence;

(6) Requiring that instruction, supervision, monitoring, assessment, and evaluation of the alternative learning experience online ~~((program))~~ course be provided by a certificated teacher;

(7) Requiring each school district offering courses ~~((or programs))~~ to identify the ratio of certificated instructional staff to full-time equivalent students enrolled in such courses ~~((or programs)),~~ and to include a description of their ratio as part of the reports required under subsections (2) and (3) of this section;

(8) Requiring reliable methods to verify a student is doing his or her own work; the methods may include proctored examinations or projects, including the use of web cams or other technologies.

"Proctored" means directly monitored by an adult authorized by the school district;

(9) Requiring, for each student receiving instruction in an alternative learning experience online (~~(program)~~ course, a learning plan that includes a description of course objectives and information on the requirements a student must meet to successfully complete the (~~(program or courses)~~ course. The rules shall allow course syllabi and other additional information to be used to meet the requirement for a learning plan;

(10) Requiring that the district assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other annual assessments required by the school district. Part-time students shall also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not required to participate in the assessments required under chapter 28A.655 RCW. The rules shall address how students who reside outside the geographic service area of the school district are to be assessed;

(11) Requiring that each student enrolled in the (~~(program)~~ course have direct personal contact with a certificated teacher at least weekly until the student completes the course objectives or the requirements in the learning plan. Direct personal contact is for the purposes of instruction, review of assignments, testing, evaluation of student progress, or other learning activities. Direct personal contact may include the use of telephone, e-mail, instant messaging, interactive video communication, or other means of digital communication. The superintendent may not adopt a rule specifying a minimum duration of weekly personal contact;

(12) Requiring state-funded public schools or public school programs whose primary purpose is to provide alternative learning experience online (~~(learning programs)~~ courses to receive accreditation through the Northwest accreditation commission or another national, regional, or state accreditation program listed by the office of the superintendent of public instruction after consultation with the (~~(Washington coalition for)~~ online learning advisory committee;

(13) Requiring state-funded public schools or public school programs whose primary purpose is to provide alternative learning experience online (~~(learning)~~ courses to provide information to students and parents on whether or not the courses (~~(or programs)~~): Cover one or more of the school district's learning goals or of the state's essential academic learning requirements or whether they permit the student to meet one or more of the state's or district's graduation requirements; and

(14) Requiring that a school district that provides one or more alternative learning experience online courses to a student provide the parent or guardian of the student, prior to the student's enrollment, with a description of any difference between home-based education as described in chapter 28A.200 RCW and the enrollment option selected by the student. The parent or guardian shall sign documentation attesting to his or her understanding of the difference and the documentation shall be retained by the district and made available for audit.

NEW SECTION. Sec. 4. The superintendent of public instruction shall separately calculate and allocate moneys appropriated under RCW 28A.150.260 to school districts for each full-time equivalent student enrolled in an alternative learning experience course. The calculation shall be based on the estimated statewide annual average allocation per full-time equivalent student in grades nine through twelve in general education, excluding small high school enhancements, and including applicable rules and provisions of the omnibus appropriations act.

Sec. 5. RCW 28A.250.010 and 2011 1st sp.s. c 34 s 5 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) "Multidistrict online provider" means:

(i) A private or nonprofit organization that enters into a contract with a school district to provide online courses or programs to K-12 students from more than one school district;

(ii) A private or nonprofit organization that enters into contracts with multiple school districts to provide online courses or programs to K-12 students from those districts; or

(iii) Except as provided in (b) of this subsection, a school district that provides online courses or programs to students who reside outside the geographic boundaries of the school district.

(b) "Multidistrict online provider" does not include a school district online learning program in which fewer than ten percent of the students enrolled in the program are from other districts under the interdistrict student transfer provisions of RCW 28A.225.225. "Multidistrict online provider" also does not include regional online learning programs that are jointly developed and implemented by two or more school districts or an educational service district through an interdistrict cooperative program agreement that addresses, at minimum, how the districts share student full-time equivalency for state basic education funding purposes and how categorical education programs, including special education, are provided to eligible students.

(2)(a) "Online course" means a course where:

(i) More than half of the course content is delivered electronically using the internet or other computer-based methods; (~~and~~)

(ii) More than half of the teaching is conducted from a remote location through an online course learning management system or other online or electronic tools; and

(iii) The student's primary instructional interaction is with a certificated teacher. Instructional interaction between the teacher and the student includes, but is not limited to, direct instruction, review of assignments, assessment, testing, progress monitoring, and educational facilitation.

(b) "Online school program" means a school program that:

(i) Offers courses or grade-level coursework that is delivered primarily electronically using the internet or other computer-based methods;

(ii) Offers courses or grade-level coursework that is taught by a teacher primarily from a remote location using online or other electronic tools. Students enrolled in an online program may have access to the teacher synchronously, asynchronously, or both;

(iii) Offers a sequential set of online courses or grade-level coursework that may be taken in a single school term or throughout the school year in a manner that could provide a full-time basic education program if so desired by the student. Students may enroll in the program as part-time or full-time students; and

(iv) Has an online component of the program with online lessons and tools for student and data management.

(c) An online course or online school program may be delivered to students at school as part of the regularly scheduled school day. An online course or online school program also may be delivered to students, in whole or in part, independently from a regular classroom schedule, but such courses or programs must comply with RCW 28A.150.262 (as recodified by this act) to qualify for state basic education funding.

(3) "Online provider" means any provider of an online course or program, including multidistrict online providers, all school district online learning programs, and all regional online learning programs.

Sec. 6. RCW 28A.250.020 and 2011 1st sp.s. c 34 s 6 are each amended to read as follows:

(1) The superintendent of public instruction, in collaboration with the state board of education, shall develop and implement approval criteria and a process for approving online providers; a process for monitoring and if necessary rescinding the approval of courses or

programs offered by an online provider; and an appeals process. The criteria and processes for multidistrict online providers shall be adopted by rule by December 1, 2009.

(2) When developing the approval criteria, the superintendent of public instruction shall require that providers offering online courses or programs have accreditation, or are candidates for accreditation, through the Northwest accreditation commission or another national, regional, or state accreditation program listed by the office of the superintendent of public instruction (~~(after consultation with the Washington coalition for online learning)~~). In addition to other criteria, the approval criteria shall include the degree of alignment with state academic standards and require that all teachers be certificated in accordance with Washington state law. When reviewing online providers that offer high school courses, the superintendent of public instruction shall assure that the courses offered by the provider are eligible for high school credit. However, final decisions regarding whether credit meets the school district's graduation requirements shall remain the responsibility of the school districts.

(3) Initial approval of online providers by the superintendent of public instruction shall be for four years. The superintendent of public instruction shall develop a process for the renewal of approvals and for rescinding approvals based on noncompliance with approval requirements. Any multidistrict online provider that was approved by the digital learning commons or accredited by the Northwest association of accredited schools before July 26, 2009, and that meets the teacher certification requirements of subsection (2) of this section, is exempt from the initial approval process under this section until August 31, 2012, but must comply with the process for renewal of approvals and must comply with approval requirements.

(4) The superintendent of public instruction shall make the first round of decisions regarding approval of multidistrict online providers by April 1, 2010. The first round of decisions regarding approval of online providers that are not multidistrict online providers shall be made by April 1, 2013. Thereafter, the superintendent of public instruction shall make annual approval decisions no later than November 1st of each year.

(5) The superintendent of public instruction shall establish an online learning advisory committee within existing resources that shall provide advice to the superintendent regarding the approval criteria, major components of the web site, the model school district policy, model agreements, and other related matters. The committee shall include a representative of each of the following groups: Private and public online providers, parents of online students, accreditation organizations, educational service districts, school principals, teachers, school administrators, school board members, institutions of higher education, and other individuals as determined by the superintendent. Members of the advisory committee shall be selected by the superintendent based on nominations from statewide organizations, shall serve three-year terms, and may be reappointed. The superintendent shall select the chair of the committee.

Sec. 7. RCW 28A.250.050 and 2011 1st sp.s. c 34 s 11 are each amended to read as follows:

(1) By August 31, 2010, all school district boards of directors shall develop policies and procedures regarding student access to online courses and online learning programs. The policies and procedures shall include but not be limited to: Student eligibility criteria; the types of online courses available to students through the school district; the methods districts will use to support student success, which may include a local advisor; when the school district will and will not pay course fees and other costs; the granting of high school credit; and a process for students and parents or guardians to formally acknowledge any course taken for which no credit is given. The policies and procedures shall take effect beginning with the 2010-11 school year. School districts shall submit their policies to the superintendent of public instruction by September 15, 2010. By

December 1, 2010, the superintendent of public instruction shall summarize the school district policies regarding student access to online courses and submit a report to the legislature.

(2) School districts must award credit and grades for online high school courses successfully completed by a student that meet the school district's graduation requirements and are provided by an approved online provider.

(3) School districts shall provide students with information regarding online courses that are available through the school district. The information shall include the types of information described in subsection (1) of this section.

(4) When developing local or regional online learning programs, school districts shall incorporate into the program design the approval criteria developed by the superintendent of public instruction under RCW 28A.250.020.

Sec. 8. RCW 28A.250.060 and 2011 1st sp.s. c 34 s 8 are each amended to read as follows:

(1) Beginning with the 2011-12 school year, school districts may claim state funding under (~~RCW 28A.150.260~~) section 4 of this act, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are:

(a) Offered by a multidistrict online provider approved under RCW 28A.250.020 by the superintendent of public instruction;

(b) Offered by a school district online learning program if the program serves students who reside within the geographic boundaries of the school district, including school district programs in which fewer than ten percent of the program's students reside outside the school district's geographic boundaries; or

(c) Offered by a regional online learning program where courses are jointly developed and offered by two or more school districts or an educational service district through an interdistrict cooperative program agreement.

(2) Beginning with the 2013-14 school year, school districts may claim state funding under RCW 28A.150.260, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are offered by an online provider approved under RCW 28A.250.020 by the superintendent of public instruction.

(3) Criteria shall be established by the superintendent of public instruction to allow online courses that have not been approved by the superintendent of public instruction to be eligible for state funding if the course is in a subject matter in which no courses have been approved and, if it is a high school course, the course meets Washington high school graduation requirements.

Sec. 9. RCW 28A.250.070 and 2009 c 542 s 8 are each amended to read as follows:

Nothing in this chapter is intended to diminish the rights of students to attend a nonresident school district in accordance with RCW 28A.225.220 through 28A.225.230 for the purposes of enrolling in online courses or online school programs. The office of online learning under RCW 28A.250.030 shall develop a standard form, which must be used by all school districts, for releasing a student to a nonresident school district for the purposes of enrolling in an online course or online school program.

NEW SECTION. Sec. 10. A new section is added to chapter 28A.250 RCW to read as follows:

An online school program may request a waiver from the office of the superintendent of public instruction to administer one or more sections of the statewide student assessment for grades three through eight for some or all students enrolled in the program on alternate days or on an alternate schedule, as long as the administration is within the testing period established by the office. The office may deny a request for a waiver if the online school program's proposal does not maintain adequate test security or would reduce the reliability of the assessment results by providing an inequitable advantage for some students.

Sec. 11. RCW 28A.225.220 and 1995 c 335 s 602 and 1995 c 52 s 2 are each reenacted and amended to read as follows:

(1) Any board of directors may make agreements with adults choosing to attend school, and may charge the adults reasonable tuition.

(2) A district is strongly encouraged to honor the request of a parent or guardian for his or her child to attend a school in another district or the request of a parent or guardian for his or her child to transfer as a student receiving home-based instruction.

(3) A district shall release a student to a nonresident district that agrees to accept the student if:

(a) A financial, educational, safety, or health condition affecting the student would likely be reasonably improved as a result of the transfer; or

(b) Attendance at the school in the nonresident district is more accessible to the parent's place of work or to the location of child care; or

(c) There is a special hardship or detrimental condition; or

(d) The purpose of the transfer is for the student to enroll in an online course or online school program offered by an online provider approved under RCW 28A.250.020.

(4) A district may deny the request of a resident student to transfer to a nonresident district if the release of the student would adversely affect the district's existing desegregation plan.

(5) For the purpose of helping a district assess the quality of its education program, a resident school district may request an optional exit interview or questionnaire with the parents or guardians of a child transferring to another district. No parent or guardian may be forced to attend such an interview or complete the questionnaire.

(6) Beginning with the 1993-94 school year, school districts may not charge transfer fees or tuition for nonresident students enrolled under subsection (3) of this section and RCW 28A.225.225. Reimbursement of a high school district for cost of educating high school pupils of a nonhigh school district shall not be deemed a transfer fee as affecting the apportionment of current state school funds.

Sec. 12. RCW 28A.225.225 and 2009 c 380 s 7 are each amended to read as follows:

(1) Except for students who reside out-of-state and students under RCW 28A.225.217, a district shall accept applications from nonresident students who are the children of full-time certificated and classified school employees, and those children shall be permitted to enroll:

(a) At the school to which the employee is assigned;

(b) At a school forming the district's K through 12 continuum which includes the school to which the employee is assigned; or

(c) At a school in the district that provides early intervention services pursuant to RCW 28A.155.065 or preschool services pursuant to RCW 28A.155.070, if the student is eligible for such services.

(2) A district may reject applications under this section if:

(a) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership;

(b) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (2)(b) must apply uniformly to both resident and nonresident applicants; ~~((or))~~

(c) Enrollment of a child under this section would displace a child who is a resident of the district, except that if a child is admitted under subsection (1) of this section, that child shall be permitted to remain enrolled at that school, or in that district's kindergarten through twelfth grade continuum, until he or she has completed his or her schooling; or

(d) The student has repeatedly failed to comply with requirements

for participation in an online school program, such as participating in weekly direct contact with the teacher or monthly progress evaluations.

(3) Except as provided in subsection (1) of this section, all districts accepting applications from nonresident students or from students receiving home-based instruction for admission to the district's schools shall consider equally all applications received. Each school district shall adopt a policy establishing rational, fair, and equitable standards for acceptance and rejection of applications by June 30, 1990. The policy may include rejection of a nonresident student if:

(a) Acceptance of a nonresident student would result in the district experiencing a financial hardship;

(b) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership; or

(c) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (3)(c) must apply uniformly to both resident and nonresident applicants.

For purposes of subsections (2)(a) and (3)(b) of this section, "gang" means a group which: (i) Consists of three or more persons; (ii) has identifiable leadership; and (iii) on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

(4) The district shall provide to applicants written notification of the approval or denial of the application in a timely manner. If the application is rejected, the notification shall include the reason or reasons for denial and the right to appeal under RCW 28A.225.230(3).

Sec. 13. RCW 28A.150.100 and 2011 1st sp.s. c 34 s 10 are each amended to read as follows:

(1) For the purposes of this section and RCW 28A.150.410 and 28A.400.200, "basic education certificated instructional staff" means all full-time equivalent classroom teachers, teacher librarians, guidance counselors, certificated student health services staff, and other certificated instructional staff in the following programs as defined for statewide school district accounting purposes: Basic education, secondary vocational education, general instructional support, and general supportive services.

(2) Each school district shall maintain a ratio of at least forty-six basic education certificated instructional staff to one thousand annual average full-time equivalent students. This requirement does not apply to that portion of a district's annual average full-time equivalent enrollment that is enrolled in alternative learning experience ~~((programs))~~ courses as defined in RCW 28A.150.325 (as recodified by this act).

Sec. 14. RCW 28A.525.162 and 2012 c 244 s 2 are each amended to read as follows:

(1) Funds appropriated to the superintendent of public instruction from the common school construction fund shall be allotted by the superintendent of public instruction in accordance with this chapter.

(2) No allotment shall be made to a school district until such district has provided local funds equal to or greater than the difference between the total approved project cost and the amount of state funding assistance to the district for financing the project computed pursuant to RCW 28A.525.166, with the following exceptions:

(a) The superintendent of public instruction may waive the local requirement for state funding assistance for districts which have provided funds for school building construction purposes through the authorization of bonds or through the authorization of excess tax levies or both in an amount equivalent to two and one-half percent of the value of its taxable property, as defined in RCW 39.36.015.

(b) No such local funds shall be required as a condition to the allotment of funds from the state for the purpose of making major or minor structural changes to existing school facilities in order to bring

such facilities into compliance with the barrier free access requirements of section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 706) and rules implementing the act.

(3) For the purpose of computing the state funding assistance percentage under RCW 28A.525.166 when a school district is granted authority to enter into contracts, adjusted valuation per pupil shall be calculated using headcount student enrollments from the most recent October enrollment reports submitted by districts to the superintendent of public instruction, adjusted as follows:

(a) In the case of projects for which local bonds were approved after May 11, 1989:

(i) For districts which have been designated as serving high school districts under RCW 28A.540.110, students residing in the nonhigh district so designating shall be excluded from the enrollment count if the student is enrolled in any grade level not offered by the nonhigh district;

(ii) The enrollment of nonhigh school districts shall be increased by the number of students residing within the district who are enrolled in a serving high school district so designated by the nonhigh school district under RCW 28A.540.110, including only students who are enrolled in grade levels not offered by the nonhigh school district; and

(iii) The number of preschool students with disabilities included in the enrollment count shall be multiplied by one-half;

(b) In the case of construction or modernization of high school facilities in districts serving students from nonhigh school districts, the adjusted valuation per pupil shall be computed using the combined adjusted valuations and enrollments of each district, each weighted by the percentage of the district's resident high school students served by the high school district;

(c) The number of kindergarten students included in the enrollment count shall be counted as one headcount student; and

(d) The number of students residing outside the school district who are enrolled in alternative learning experience (~~(programs)~~ courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the total.

(4) In lieu of the exclusion in subsection (3)(d) of this section, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience (~~(programs)~~ courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a regular duration by out-of-district alternative learning experience (~~(program)~~ students subtracted by the headcount of in-district alternative learning experience (~~(program)~~ students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction. The office of the superintendent of public instruction must develop rules to define "regular basis" and "reasonable duration."

(5) The superintendent of public instruction, considering policy recommendations from the school facilities citizen advisory panel, shall prescribe such rules as are necessary to equate insofar as possible the efforts made by school districts to provide capital funds by the means aforesaid.

(6) For the purposes of this section, "preschool students with disabilities" means children of preschool age who have developmental disabilities who are entitled to services under RCW 28A.155.010 through 28A.155.100 and are not included in the kindergarten enrollment count of the district.

Sec. 15. RCW 28A.525.166 and 2012 c 244 s 3 are each amended to read as follows:

Allocations to school districts of state funds provided by RCW 28A.525.162 through 28A.525.180 shall be made by the superintendent of public instruction and the amount of state funding assistance to a school district in financing a school plant project shall be determined in the following manner:

(1) The boards of directors of the districts shall determine the total cost of the proposed project, which cost may include the cost of acquiring and preparing the site, the cost of constructing the building or of acquiring a building and preparing the same for school use, the cost of necessary equipment, taxes chargeable to the project, necessary architects' fees, and a reasonable amount for contingencies and for other necessary incidental expenses: PROVIDED, That the total cost of the project shall be subject to review and approval by the superintendent.

(2) The state funding assistance percentage for a school district shall be computed by the following formula:

The ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil shall be subtracted from three, and then the result of the foregoing shall be divided by three plus (the ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil).

$$\begin{array}{rcl}
 & \text{District adjusted} & \text{Total state} \\
 & \text{3-valuation} & \div \text{ adjusted valuation} \\
 \text{Computed} & \text{per pupil} & \text{per pupil} & \text{State} \\
 \text{State} & = & \frac{\text{District adjusted}}{\text{3+valuation}} \div \frac{\text{Total state}}{\text{adjusted valuation}} & = \% \text{ Funding} \\
 \text{Ratio} & & & \text{Assistance}
 \end{array}$$

PROVIDED, That in the event the state funding assistance percentage to any school district based on the above formula is less than twenty percent and such school district is otherwise eligible for state funding assistance under RCW 28A.525.162 through 28A.525.180, the superintendent may establish for such district a state funding assistance percentage not in excess of twenty percent of the approved cost of the project, if the superintendent finds that such additional assistance is necessary to provide minimum facilities for housing the pupils of the district.

(3) In addition to the computed state funding assistance percentage developed in subsection (2) of this section, a school district shall be entitled to additional percentage points determined by the average percentage of growth for the past three years. One percent shall be added to the computed state funding assistance percentage for each percent of growth, with a maximum of twenty percent.

(4) In computing the state funding assistance percentage in subsection (2) of this section and adjusting the percentage under subsection (3) of this section, students residing outside the school district who are enrolled in alternative learning experience (~~(programs)~~ courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the count of total pupils. In lieu of the exclusion in this subsection, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience (~~(programs)~~ courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a reasonable duration by out-of-district alternative learning experience (~~(program)~~ students subtracted by the headcount of in-district alternative learning experience (~~(program)~~ students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction.

The office of the superintendent of public instruction must develop rules to define "regular basis" and "reasonable duration."

(5) The approved cost of the project determined in the manner prescribed in this section multiplied by the state funding assistance percentage derived as provided for in this section shall be the amount of state funding assistance to the district for the financing of the project: PROVIDED, That need therefor has been established to the satisfaction of the superintendent: PROVIDED, FURTHER, That additional state funding assistance may be allowed if it is found by the superintendent, considering policy recommendations from the school facilities citizen advisory panel that such assistance is necessary in order to meet (a) a school housing emergency resulting from the destruction of a school building by fire, the condemnation of a school building by properly constituted authorities, a sudden excessive and clearly foreseeable future increase in school population, or other conditions similarly emergent in nature; or (b) a special school housing burden resulting from projects of statewide significance or imposed by virtue of the admission of nonresident students into educational programs established, maintained and operated in conformity with the requirements of law; or (c) a deficiency in the capital funds of the district resulting from financing, subsequent to April 1, 1969, and without benefit of the state funding assistance provided by prior state assistance programs, the construction of a needed school building project or projects approved in conformity with the requirements of such programs, after having first applied for and been denied state funding assistance because of the inadequacy of state funds available for the purpose, or (d) a condition created by the fact that an excessive number of students live in state owned housing, or (e) a need for the construction of a school building to provide for improved school district organization or racial balance, or (f) conditions similar to those defined under (a), (b), (c), (d), and (e) of this subsection, creating a like emergency.

NEW SECTION. Sec. 16. (1) The office of financial management shall conduct a study, in consultation with, at minimum, one representative each from school districts that administer remote, site-based, and online alternative learning experience courses; the office of the superintendent of public instruction; the Washington state institute for public policy; individuals with expertise in outcome-based public school funding models; a Washington state nonprofit organization with expertise in alternative learning education; and the legislative evaluation and accountability program committee.

(2) The purpose of the study is to create a proposal for efficiently and sustainably funding alternative learning experience courses and to recommend steps to increase the focus on educational outcomes. The study may recommend the funding method established in section 4 of this act or another method of funding. The study shall review alternative learning funding models used in other states and consider the advantages and disadvantages of applying state policies, including funding policies, differentially depending on the type of alternative learning experience course. The study should also include but not be limited to, recommendations for establishing baseline data regarding alternative learning experience student proficiency and achievement in relation to students in a comparable demographic, identifying outcome targets and methods to measure progress toward targets, identifying methods to ensure ongoing evaluation of outcomes that account for the student demographics being served, and improving alternative learning experience accountability.

(3) The office of financial management shall report its findings from the study to the education and fiscal committees of the legislature by November 1, 2013.

NEW SECTION. Sec. 17. (1) RCW 28A.150.262 and 28A.150.325 are each recodified as sections in chapter 28A.-- RCW (the new chapter created in section 18 of this act).

(2) 2011 1st sp.s. c 34 s 1 is codified as a section in chapter 28A.-- RCW (the new chapter created in section 18 of this act).

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.52.010 and 2011 c 336 s 369 are each reenacted and amended to read as follows:

The following definitions apply in this chapter:

(1) "Access" means to approach, instruct, communicate with, store data in, retrieve data from, or otherwise make use of any resources of a computer, directly or by electronic means.

(2) "Computer program" means an ordered set of data representing coded instructions or statements that when executed by a computer cause the computer to process data.

(3) "Data" means a representation of information, knowledge, facts, concepts, or instructions that are being prepared or have been prepared in a formalized manner and are intended for use in a computer.

(4) "Enter." The word "enter" when constituting an element or part of a crime, shall include the entrance of the person, or the insertion of any part of his or her body, or any instrument or weapon held in his or her hand and used or intended to be used to threaten or intimidate a person or to detach or remove property.

(5) "Enters or remains unlawfully." A person "enters or remains unlawfully" in or upon premises when he or she is not then licensed, invited, or otherwise privileged to so enter or remain.

A license or privilege to enter or remain in a building which is only partly open to the public is not a license or privilege to enter or remain in that part of a building which is not open to the public. A person who enters or remains upon unimproved and apparently unused land, which is neither fenced nor otherwise enclosed in a manner designed to exclude intruders, does so with license and privilege unless notice against trespass is personally communicated to him or her by the owner of the land or some other authorized person, or unless notice is given by posting in a conspicuous manner. Land that is used for commercial aquaculture or for growing an agricultural crop or crops, other than timber, is not unimproved and apparently unused land if a crop or any other sign of cultivation is clearly visible or if notice is given by posting in a conspicuous manner. Similarly, a field fenced in any manner is not unimproved and apparently unused land. A license or privilege to enter or remain on improved and apparently used land that is open to the public at particular times, which is neither fenced nor otherwise enclosed in a manner to exclude intruders, is not a license or privilege to enter or remain on the land at other times if notice of prohibited times of entry is posted in a conspicuous manner.

(6) "Posting in a conspicuous manner" includes posting a sign or signs reasonably likely to come to the attention of intruders, indicating that entry is restricted or the placement of identifying fluorescent orange paint marks on trees or posts on property.

(a) Identifying fluorescent orange marks must be:

(i) Vertical lines not less than eight inches in length and not less than one inch in width;

(ii) Placed so that the bottom of the mark is between three and five feet from the ground; and

(iii) Placed at locations that are readily visible to any person approaching the property and no more than one hundred feet apart on forest land, as defined in RCW 76.09.020, or one thousand feet apart on land other than forest land.

(b) A landowner must use signs for posting in a conspicuous manner on access roads.

(c) A landowner may use fluorescent orange paint marks to provide notice against trespass only on farm and agricultural land, as defined in RCW 84.34.020(2) (a), (b), and (d), and forest land, as defined in RCW 76.09.020.

(7) "Premises" includes any building, dwelling, structure used for commercial aquaculture, or any real property."

MAJORITY recommendation: Do pass as amended.

"Sec. 1. RCW 50.12.070 and 2009 c 432 s 11 are each amended to read as follows:

(1)(a) Each employing unit shall keep true and accurate work records, containing such information as the commissioner may prescribe. Such records shall be open to inspection and be subject to being copied by the commissioner or his or her authorized representatives at any reasonable time and as often as may be necessary. The commissioner may require from any employing unit any sworn or unsworn reports with respect to persons employed by it, which he or she deems necessary for the effective administration of this title.

(b) An employer who contracts with another person or entity for work subject to chapter 18.27 or 19.28 RCW shall obtain and preserve a record of the unified business identifier account number for and compensation paid to the person or entity performing the work. In addition to the penalty in subsection (3) of this section, failure to obtain or maintain the record is subject to RCW 39.06.010.

(2)(a) Each employer shall register with the department and obtain an employment security account number. ~~(Registration must include the names and social security numbers of the owners, partners, members, or corporate officers of the business, as well as their mailing addresses and telephone numbers and other information the commissioner may by rule prescribe. Registration of corporations must also include the percentage of stock ownership for each corporate officer, delineated by zero percent, less than ten percent, or ten percent or more. Any changes in the owners, partners, members, or corporate officers of the business, and changes in percentage of ownership of the outstanding shares of stock of the corporation, must be reported to the department at intervals prescribed by the commissioner under (b) of this subsection.~~

~~(b))~~ Each employer shall make periodic reports at such intervals as the commissioner may by regulation prescribe, setting forth the remuneration paid for employment to workers in its employ, the full names and social security numbers of all such workers, and the total hours worked by each worker and such other information as the commissioner may by regulation prescribe.

~~(c))~~ (b) If the employing unit fails or has failed to report the number of hours in a reporting period for which a worker worked, such number will be computed by the commissioner and given the same force and effect as if it had been reported by the employing unit. In computing the number of such hours worked, the total wages for the reporting period, as reported by the employing unit, shall be divided by the dollar amount of the state's minimum wage in effect for such reporting period and the quotient, disregarding any remainder, shall be credited to the worker: PROVIDED, That although the computation so made will not be subject to appeal by the employing unit, monetary entitlement may be redetermined upon request if the department is provided with credible evidence of the actual hours worked. Benefits paid using computed hours are not considered an overpayment and are not subject to collections when the correction of computed hours results in an invalid or reduced claim; however:

(i) A contribution paying employer who fails to report the number of hours worked will have its experience rating account charged for all benefits paid that are based on hours computed under this subsection; and

(ii) An employer who reimburses the trust fund for benefits paid to workers and fails to report the number of hours worked shall reimburse the trust fund for all benefits paid that are based on hours computed under this subsection.

(3) Any employer who fails to keep and preserve records required by this section shall be subject to a penalty determined by the commissioner but not to exceed two hundred fifty dollars or two hundred percent of the quarterly tax for each offense, whichever is greater.

However, if the employer fails to provide notice, the individual's status as a corporate officer is unchanged and the person remains ineligible for unemployment benefits.~~

Sec. 3. RCW 50.04.080 and 2007 c 146 s 19 are each amended to read as follows:

((4)) "Employer" means any individual or type of organization, including any partnership, association, trust, estate, joint stock company, insurance company, limited liability company, or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee, or the legal representative of a deceased person, having any person in employment or, having become an employer, has not ceased to be an employer as provided in this title.

Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

E2SSB 5237 Prime Sponsor, Committee on Ways & Means: Establishing accountability for student performance in reading. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that literacy is an ongoing cognitive process that begins at birth. It involves the integration of listening, speaking, reading, writing, and critical thinking. Literacy also includes the knowledge that enables the speaker, writer, or reader to recognize and use language appropriate to a situation in an increasingly complex literate environment. Active literacy allows people to think, create, question, solve problems, and

reflect in order to participate effectively in a democratic, multicultural society.

(2) The legislature finds ample evidence of the importance of early literacy, particularly having students reading at grade level by the end of third grade. According to the national research council, high school graduation can be predicted with reasonable accuracy by knowing someone's reading skill at the end of third grade. Researchers at Yale University identified that three-quarters of students who are poor readers in third grade will remain poor readers in high school.

(3) The legislature further finds building an accountability system focused solely on a reader's performance in third grade will not result in the desired outcome. Identification, diagnosis, targeted and appropriate assistance, and progress monitoring must all begin as soon as an at-risk reader reaches the schoolhouse door. The legislature intends that the statewide assessment in third grade reading or English language arts serve as a checkpoint for the comprehensive system of instruction and services provided in grades kindergarten through three to support reading and early literacy skills.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Responsibility for supporting reading and early literacy is shared among local school districts, state and regional education agencies, and the legislature itself. The legislature's responsibility is to continue to provide funding for the program of basic education, including statewide implementation of full-day kindergarten and reduced class sizes in grades kindergarten through three as provided under RCW 28A.150.260. In addition, the legislature provides support for such initiatives as the Washington reading corps, early learning programs for at-risk children, and professional development for educators.

(2) The office of the superintendent of public instruction is responsible for:

(a) Continuing to work collaboratively with state and regional partners such as the department of early learning and the educational service districts to establish early literacy benchmarks and standards and to implement the Washington state comprehensive literacy plan;

(b) Disseminating research and information to school districts about evidence-based programs and practices in such areas as reading and early literacy, English language acquisition, and instruction for students with dyslexia and other learning disabilities, as well as research on how neuroscience can inform reading instruction;

(c) Providing statewide models to support school districts that are implementing responses to intervention, positive behavior intervention support systems, or other similar comprehensive models of data-based identification and early intervention; and

(d) Within available funds and in partnership with the educational service districts, providing technical assistance and professional development opportunities for school districts.

(3) The responsibility of school districts is to provide a comprehensive system of instruction and services in reading and early literacy to kindergarten through third grade students and their parents or guardians that is tiered based on the degree of student need for additional support. Reading and early literacy systems provided by school districts must include:

(a) Annual use of screening assessments and other tools to identify at-risk readers in kindergarten through third grade, such as the Washington kindergarten inventory of developing skills, the Washington state early learning and development guidelines for birth through third grade, and the second grade reading assessment under RCW 28A.300.310;

(2) A self-inspection certificate may be accepted as satisfactory proof of ownership for cattle if the director determines that the self-inspection certificate, together with other available documentation, sufficiently establishes ownership. Self-inspection certificates

completed after June 10, 2010, are not satisfactory proof of ownership for cattle.

(3)(a) Upon request by a milk producer licensed under chapter 15.36 RCW, the department must issue an official individual identification tag to be placed by the producer before the first point of sale on bull calves and free-martins (infertile female calves) under thirty days of age. As used in this subsection (3), "green tag" means the official individual identification issued by the department.

(b) Transactions involving unbranded dairy breed bull calves or free-martins (infertile female calves) not being moved or transported out of Washington are exempt from inspection requirements under this chapter only if:

(i) The animal is under thirty days old and has not been previously bought or sold;

(iii) The sale does not take place at or through a public livestock market or special sale authorized by chapter 16.65 RCW;

Sec. 2. RCW 16.57.370 and 2003 c 326 s 43 are each amended to read as follows:

SB 5797 Prime Sponsor, Senator Hobbs: Encouraging the establishment of effective specialty courts. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in the state of Washington, there exists a type of court administered by the judiciary commonly called a specialty or therapeutic court. Judges in the trial courts throughout the state effectively utilize specialty and therapeutic courts to remove defendants with their consent and the consent of the prosecuting authority from the normal criminal court system and allow those defendants the opportunity to obtain treatment services to address particular issues that may have contributed to the conduct that led to their arrest in exchange for dismissal of the charges. Trial courts have proved adept at creative approaches in fashioning a wide variety of specialty and therapeutic courts addressing the spectrum of social issues that can contribute to criminal activity.

The legislature also finds that there are presently more than seventy-four specialty and therapeutic courts operating in the state of Washington that save costs to both the trial courts and law enforcement by strategic focus of resources within the criminal justice system. There are presently more than fifteen types of specialty and therapeutic courts in the state including: Veterans treatment court, adult drug court, juvenile drug court, family dependency treatment court, mental health court, DUI court, community court, reentry drug court, tribal healing to wellness court, truancy court, homeless court, domestic violence court, gambling court, and Back on TRAC: Treatment, responsibility, accountability on campus.

The legislature recognizes the inherent authority of the judiciary under Article IV, section 1 of the state Constitution to establish specialty and therapeutic courts. The legislature recognizes the outstanding contribution to the state and a local community made by the establishment of specialty and therapeutic courts and desires to provide a general provision in statute acknowledging and encouraging the judiciary to provide for such courts to address the particular needs within a given judicial jurisdiction.

NEW SECTION. Sec. 2. A new section is added to chapter 2.28 RCW to read as follows:

(1) The legislature respectfully encourages the supreme court to adopt any administrative orders and court rules of practice and procedure it deems necessary to support the establishment of effective specialty and therapeutic courts.

(2) Any jurisdiction may establish a specialty or therapeutic court under this section and may seek state or federal funding as it becomes available for the establishment, maintenance, and expansion of specialty and therapeutic courts and for the provision by participating agencies of treatment to participating defendants.

(3) Any jurisdiction establishing a specialty court shall endeavor to incorporate the treatment court principles of best practices as recognized by state and national treatment court agencies and organizations in structuring a particular program, which may include:

- (a) Determine the population;
- (b) Perform a clinical assessment;
- (c) Develop the treatment plan;
- (d) Supervise the offender;
- (e) Forge agency, organization, and community partnerships;
- (f) Take a judicial leadership role;
- (g) Develop case management strategies;
- (h) Address transportation issues;
- (i) Evaluate the program;
- (j) Ensure a sustainable program.

(4) Specialty and therapeutic courts shall continue to: (a) Obtain the consent of the prosecuting authority in order to remove a charged offender from the regular course of prosecution and punishment; and (b) comply with sentencing requirements as established in state law.

NEW SECTION. Sec. 3. The superior court judges' association and the district and municipal court judges' association are encouraged to invite other appropriate organizations and convene a work group to examine the structure of all specialty and therapeutic courts in Washington. If such a work group is convened, the legislature requests a recommendation for the structure for such courts in the law and court rules, incorporating principles of best practices relative to a particular court as recognized by state and national treatment court agencies and organizations, to make such courts more effective and more prevalent throughout the state. The legislature requests such recommendations prior to the beginning of the 2014 legislative session, and respectfully requests the supreme court to consider any recommendations from the work group pertaining to necessary changes in court rules.

NEW SECTION. Sec. 4. For the purposes of this act, "specialty court" and "therapeutic court" both mean a specialized pretrial or sentencing docket in select criminal cases where agencies coordinate work to provide treatment for a defendant who has particular needs.

SB 5359 Prime Sponsor, Senator Carrell: Concerning mandatory reporting of child abuse or neglect by supervised persons. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 26.44.030 and 2012 c 55 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or

cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees,

including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second

licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(18) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 2. RCW 26.44.030 and 2012 c 259 s 3 and 2012 c 55 s 1 are each reenacted and amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. (e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. (9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports

of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Concerning extended foster care services.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that the federal fostering connections to success and increasing adoptions act of 2008 provides important new opportunities to increase the impact of state funding through maximizing the amount of federal funding available to promote permanency and positive outcomes for dependent youth.

(2) The legislature also finds that children and adolescents who are legal dependents of Washington state have experienced significant trauma and loss, putting them at increased risk for poor life outcomes. Longitudinal research on the adult functioning of former foster youth indicates a disproportionate likelihood that youth aging out of foster care and those who spent several years in care will experience poor outcomes in a variety of areas, including limited human capital upon which to build economic security and inability to fully take advantage of secondary and postsecondary educational opportunities, untreated mental or behavioral health problems, involvement in the criminal justice and corrections systems, and early parenthood combined with second-generation child welfare involvement.

(3) The legislature further finds that research also demonstrates that access to adequate and appropriate supports during the period of transition from foster care to independence can have significant positive impacts on adult functioning and can improve outcomes relating to educational attainment and postsecondary enrollment, employment and earnings, and reduced rates of teen pregnancies.

Sec. 2. RCW 13.34.030 and 2011 1st sp.s. c 36 s 13 are each reenacted and amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the

child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" means:

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(9) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(10) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(12) "Housing assistance" means appropriate referrals by the department or other supervising agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. (18) "Social study" means a written evaluation of matters relevant to the disposition of the case and shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific services and activities, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such services and activities are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered. The description shall identify the services chosen and approved by the parent;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs that have been considered and rejected; the preventive services, including housing assistance, that have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(22) "Supervised independent living" may include apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. The department has the discretion to determine on a case-by-case basis which supervised independent living arrangement would be in the best interests of the nonminor dependent.

Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the

youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent

living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(ii) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

~~((4))~~ (5) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

~~((5))~~ (6) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

~~((6))~~ (7) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

~~((7))~~ (8) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

~~((8))~~ (9) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

~~((9))~~ (10) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection ~~((8))~~ (9) of this section are met.

~~((10))~~ (11) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time

following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

~~((11))~~ (12) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

~~((12))~~ (13) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 4. RCW 13.34.267 and 2012 c 52 s 4 are each amended to read as follows:

(1) In order to facilitate the delivery of extended foster care services, the court shall postpone for six months the dismissal of a dependency proceeding for any ~~((child))~~ youth who at the age of eighteen years is:

(a) A dependent ((child)) in foster care ((at the age of eighteen years and who, at the time of his or her eighteenth birthday is:)); or

(b) Serving a commitment at a juvenile rehabilitation administration facility and has a release date within six months after reaching age eighteen years.

(2) The six-month postponement under this section is intended to allow a reasonable window of opportunity for an eligible youth to request extended foster care services from the department.

(3) Except as provided in subsection (7) of this section, a youth is eligible for extended foster care services if, at any time during the six-month postponement period, he or she agrees to receive such services and is:

(a) Enrolled in a secondary education program or a secondary education equivalency program; ((or))

(b) Enrolled and participating in a postsecondary academic or postsecondary vocational program, or has applied for and can demonstrate that he or she intends to timely enroll in a postsecondary academic or postsecondary vocational program;

(c) Participating in a program or activity designed to promote employment or remove barriers to employment;

(d) Engaging in employment for eighty hours or more per month; or

(e) Incapable of engaging in any of the activities described in (a) through (d) of this subsection due to a medical condition that is supported by regularly updated information.

~~((2))~~ (a) The six-month postponement under this subsection is intended to allow a reasonable window of opportunity for an eligible youth who reaches the age of eighteen to request extended foster care services from the department or supervising agency.

(4)(a) The court shall dismiss the dependency if by the end of the six-month period the youth:

(i) Has not requested extended foster care services from the department ((by the end of the six-month period)); ((or))

(ii) Is no longer eligible for extended foster care services under RCW 74.13.031 ((10) at any point during the six-month period);

(iii) Has not been released from his or her commitment to the juvenile rehabilitation administration; or

(iv) Does not have extended foster care services available to him or her pursuant to subsection (7) of this section.

(b) Until the youth requests to participate in the extended foster care program, the department is relieved of any supervisory responsibility for the youth.

~~((3))~~ (5) A youth who participates in extended foster care while completing a secondary education or equivalency program may

continue to receive extended foster care services for the purpose of participating in a postsecondary academic or postsecondary vocational education program if, at the time the secondary education or equivalency program is completed, the youth has applied to and can demonstrate that he or she intends to timely enroll in a postsecondary academic or vocational education program. The dependency shall be dismissed if the youth fails to timely enroll or continue in the postsecondary program, or reaches age twenty-one, whichever is earlier.

~~((4))~~ (6) A youth receiving extended foster care services is a party to the dependency proceeding. The youth's parent or guardian shall be dismissed from the dependency proceeding when the youth reaches the age of eighteen years.

~~((5))~~ (7) If the nonminor dependent meets the criteria described in subsection (3)(c) through (e) of this section, he or she may be eligible to receive extended foster care services pursuant to RCW 74.13.031 to the extent funds are specifically appropriated for this purpose and subject to the nonminor dependent's continuing eligibility and agreement to participate.

~~((8))~~ (8) The court shall order a youth participating in extended foster care services to be under the placement and care authority of the department, subject to the youth's continuing agreement to participate in extended foster care services. The department may establish foster care rates appropriate to the needs of the youth participating in extended foster care services. The department's placement and care authority over a youth receiving extended foster care services is solely for the purpose of providing services and does not create a cause of action against the department or its employees for any damages caused by the actions of youth receiving extended foster care services.

~~((6))~~ (9) The court shall appoint counsel to represent a youth, as defined in RCW 13.34.030(2)(b), in dependency proceedings under this section.

~~((7))~~ (10) The case plan for and delivery of services to a youth receiving extended foster care services is subject to the review requirements set forth in RCW 13.34.138 and 13.34.145, and should be applied in a developmentally appropriate manner, as they relate to youth age eighteen to twenty-one years. Additionally, the court shall consider:

- (a) Whether the youth is safe in his or her placement;
- (b) Whether the youth continues to be eligible for extended foster care services;
- (c) Whether the current placement is developmentally appropriate for the youth;
- (d) The youth's development of independent living skills; and
- (e) The youth's overall progress toward transitioning to full independence and the projected date for achieving such transition.

~~((8))~~ (11) Prior to the review hearing, the youth's attorney shall indicate whether there are any contested issues and may provide additional information necessary for the court's review.

~~((9))~~ (12) Upon the request of the youth, or when the youth is no longer eligible to receive extended foster care services according to rules adopted by the department, the court shall dismiss the dependency.

This definition is applicable on or after December 30, 2015.

(17) "Supervised independent living" may include apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. The department has the discretion to determine on a case-by-case basis which supervised independent living arrangement would be in the best interests of the nonminor dependent.

Sec. 7. RCW 74.13.031 and 2012 c 52 s 2 are each amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(6) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(13) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Consultation shall occur at the regional and statewide levels.

(17)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

SSB 5565

Prime Sponsor, Committee on Human Services & Corrections: Concerning background checks for individuals seeking a license under chapter 74.13 RCW or unsupervised access to children. Reported by Committee on Early Learning & Human Services

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that the goals of the child welfare system are the safety, permanence, and well-being of the children it serves. The legislature further recognizes the importance of background checks conducted by the department of social and health services to assess an individual's character, suitability, and competence to determine whether an individual is appropriate to be provided a license under chapter 74.13 RCW or have unsupervised access to children. The legislature does not intend to change the current secretary of social and health services' list of crimes and negative actions. However, the legislature believes that

either an unreasonable delay in a determination of whether to approve or deny a license under chapter 74.13 RCW or unsupervised access to children, when such unreasonable delay or denial is based solely on a crime or civil infraction not directly related to child safety, is not appropriate and is not in the best interest of the children being served by the child welfare system.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

(1) In determining the character, suitability, and competence of an individual, the department may not:

(a) Deny or delay a license or approval of unsupervised access to children to an individual solely because of a crime or civil infraction involving the individual or entity revealed in the background check process that is not on the secretary's list of crimes and negative actions and is not related directly to child safety, permanence, or well-being; or

(b) Delay the issuance of a license or approval of unsupervised access to children by requiring the individual to obtain records relating to a crime or civil infraction revealed in the background check process that is not on the secretary's list of crimes and negative actions and is not related directly to child safety, permanence, or well-being and is not a permanent disqualifier pursuant to department rule.

(2) If the department determines that an individual does not possess the character, suitability, or competence to provide care or have unsupervised access to a child, it must provide the reasons for its decision in writing with copies of the records or documents related to its decision to the individual within ten days of making the decision.

(3) For purposes of this section, "individual" means a relative as defined in RCW 74.15.020(2)(a), an "other suitable person" under chapter 13.34 RCW, a person pursuing licensing as a foster parent, or a person employed or seeking employment by a business or organization licensed by the department or with whom the department has a contract to provide care, supervision, case management, or treatment of children in the care of the department. "Individual" does not include long-term care workers defined in RCW 74.39A.009(17)(a) whose background checks are conducted as provided in RCW 74.39A.056.

(4) The department or its officers, agents, or employees may not be held civilly liable based upon its decision to grant or deny unsupervised access to children if the background information it relied upon at the time the decision was made did not indicate that child safety, permanence, or well-being would be a concern.

NEW SECTION. Sec. 3. A new section is added to chapter 74.13 RCW to read as follows:

The department shall charge a fee to process a request made by a person in another state for an individual's child abuse or neglect history in this state or other background history on the individual possessed by the department. All proceeds from the fees collected must go directly to aiding the cost associated with the department conducting background checks.

(11) "Performance-based contracting" means the structuring of all aspects of the procurement of services around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes. Contracts shall also include provisions that link the performance of the contractor to the level and timing of reimbursement.

(12) "Permanency services" means long-term services provided to secure a child's safety, permanency, and well-being, including foster care services, family reunification services, adoption services, and preparation for independent living services.

(13) "Primary prevention services" means services which are designed and delivered for the primary purpose of enhancing child and family well-being and are shown, by analysis of outcomes, to reduce the risk to the likelihood of the initial need for child welfare services.

(14) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services, as defined in this section. This definition is applicable on or after December 30, 2015.

(15) "Unsupervised" has the same meaning as in RCW 43.43.830.

Sec. 6. RCW 13.34.065 and 2011 c 309 s 24 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case. The department or supervising agency shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department or supervising agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care

hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department or supervising agency in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or supervising agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

NEW SECTION. Sec. 7. (1) The legislature finds that any person who has had a founded finding of child abuse or neglect or has been involved in a dependency action involving one or more of his or her children is able to turn his or her life around and establish good parenting relationships with his or her children. Unfortunately, his or her prior involvement with child protective services or the dependency court can hamper such a person's ability to find future employment, especially if the employment involves unsupervised access to children or other vulnerable populations.

(2) The legislature further finds that a number of states permit convicted offenders to seek a certificate of rehabilitation in certain situations. Generally, the certificate declares that a convicted individual is rehabilitated after completing a prison sentence or being released on parole or supervision. Usually, the applicant for a certificate must prove that he or she has met certain criteria before a certificate will be awarded. Such a certificate often restores certain rights to the applicant and makes him or her eligible for certain employment for which he or she would not be eligible without the certificate.

(3) A nonprofit with expertise in veteran parent programs shall convene a work group in consultation with the department of social and health services to explore options, including a certificate of rehabilitation, for addressing the impact of founded complaints on the ability of rehabilitated individuals to gain employment or care for children, including volunteer activities. The work group must contain, but not be limited to, persons representing the following: The courts, veteran parents, parent attorneys, foster parents, relative caregivers, kinship caregivers, child-placing agencies, the attorney general's office, the governor's policy office, the office of public defense parent representation program, and the legislature.

(4) The work group shall report recommendations to the appropriate committees of the legislature no later than December 31, 2013.

NEW SECTION. Sec. 8. The department of social and health services shall adopt all necessary rules to implement this act.

NEW SECTION. Sec. 9. Section 4 of this act expires December 1, 2013.

NEW SECTION. Sec. 10. Section 5 of this act takes effect December 1, 2013."

FOURTH SUPPLEMENTAL REPORTS OF STANDING COMMITTEES

April 3, 2013

SB 5059 Prime Sponsor, Senator Carrell: Concerning the crime of rendering criminal assistance. Reported by Committee on Public Safety

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9A.76.050 and 2011 c 336 s 400 are each amended to read as follows:

As used in RCW 9A.76.070, 9A.76.080, and 9A.76.090, a person "renders criminal assistance" if, with intent to prevent, hinder, or delay the apprehension or prosecution of another person who he or she knows has committed a crime or juvenile offense or is being sought by law enforcement officials for the commission of a crime or juvenile offense or has escaped from a detention facility, he or she:

- (1) Harbors or conceals such person; or
- (2) Warns such person of impending discovery or apprehension;

or

(3) Provides such person with money, transportation, disguise, or other means of avoiding discovery or apprehension; or

(4) Prevents or obstructs, by use of force, deception, or threat, anyone from performing an act that might aid in the discovery or apprehension of such person; or

(5) Conceals, alters, or destroys any physical evidence that might aid in the discovery or apprehension of such person; or

- (6) Provides such person with a weapon.

It is not a defense that the person's knowledge of the underlying crime or juvenile offense committed by the person receiving assistance was nonspecific or based upon secondhand information.

Sec. 2. RCW 9.94A.535 and 2011 c 87 s 1 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

- (1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(j) The current offense involved domestic violence, as defined in RCW 10.99.020, and the defendant suffered a continuing pattern of coercion, control, or abuse by the victim of the offense and the offense is a response to that coercion, control, or abuse.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:
