~~((6))~~ (f) Unless otherwise provided in an agreement of the parties or in a funds-transfer system rule, if the receiving bank, after accepting a payment order, agrees to cancellation or amendment of the order by the sender or is bound by a funds-transfer system rule allowing cancellation or amendment without the bank's agreement, the sender, whether or not cancellation or amendment is effective, is liable to the bank for any loss and expenses, including reasonable attorneys' fees, incurred by the bank as a result of the cancellation or amendment or attempted cancellation or amendment.

~~((7))~~ (g) A payment order is not revoked by the death or legal incapacity of the sender unless the receiving bank knows of the death or of an adjudication of incapacity by a court of competent jurisdiction and has reasonable opportunity to act before acceptance of the order.

~~((8))~~ (h) A funds-transfer system rule is not effective to the extent it conflicts with subsection ~~((3)(b))~~ (c)(2) of this section.

Sec. 16. RCW 62A.4A-212 and 1991 sp.s. c 21 s 4A-212 are each amended to read as follows:

If a receiving bank fails to accept a payment order that ~~((f))~~ (i) is obliged by express agreement to accept, the bank is liable for breach of the agreement to the extent provided in the agreement or in this Article, but does not otherwise have any duty to accept a payment order or, before acceptance, to take any action, or refrain from taking action, with respect to the order except as provided in this Article or by express agreement. Liability based on acceptance arises only when acceptance occurs as stated in RCW 62A.4A-209₂ and liability is limited to that provided in this Article. A receiving bank is not the agent of the sender or beneficiary of the payment order it accepts, or of any other party to the funds transfer, and the bank owes no duty to any party to the funds transfer except as provided in this Article or by express agreement.

Sec. 17. RCW 62A.4A-301 and 1991 sp.s. c 21 s 4A-301 are each amended to read as follows:

~~((4))~~ (a) A payment order is "executed" by the receiving bank when it issues a payment order intended to carry out the payment order received by the bank. A payment order received by the beneficiary's bank can be accepted but cannot be executed.

~~((2))~~ (b) "Execution date" of a payment order means the day on which the receiving bank may properly issue a payment order in execution of the sender's order. The execution date may be determined by instruction of the sender but cannot be earlier than the day the order is received and, unless otherwise determined, is the day the order is received. If the sender's instruction states a payment date, the execution date is the payment date or an earlier date on which execution is reasonably necessary to allow payment to the beneficiary on the payment date.

Sec. 18. RCW 62A.4A-302 and 1991 sp.s. c 21 s 4A-302 are each amended to read as follows:

~~((4))~~ (a) Except as provided in subsections ~~((2) through (4))~~ (b) through (d) of this section, if the receiving bank accepts a payment order pursuant to RCW 62A.4A-209~~((4))~~ (a), the bank has the following obligations in executing the order.

~~((a))~~ (1) The receiving bank is obliged to issue, on the execution date, a payment order complying with the sender's order and to follow the sender's instructions concerning (i) any intermediary bank or funds-transfer system to be used in carrying out the funds transfer, or (ii) the means by which payment orders are to be transmitted in the funds transfer. If the originator's bank issues a payment order to an intermediary bank, the originator's bank is obliged to instruct the intermediary bank according to the instruction of the originator. An intermediary bank in the funds transfer is similarly bound by an instruction given to it by the sender of the payment order it accepts.

~~((b))~~ (2) If the sender's instruction states that the funds transfer is to be carried out telephonically or by wire transfer or otherwise indicates that the funds transfer is to be carried out by the most expeditious means, the receiving bank is obliged to transmit its payment order by the most expeditious available means, and to instruct any intermediary bank accordingly. If a sender's instruction states a payment date, the receiving bank is obliged to transmit its payment order at a time and by means reasonably necessary to allow payment to the beneficiary on the payment date or as soon thereafter as is feasible.

~~((2))~~ (b) Unless otherwise instructed, a receiving bank executing a payment order may ~~((a))~~ (i) use any funds-transfer system if use of that system is reasonable in the circumstances, and ~~((b))~~ (ii) issue a payment order to the beneficiary's bank or to an intermediary bank through which a payment order conforming to the sender's order can expeditiously be issued to the beneficiary's bank if the receiving bank exercises ordinary care in the selection of the intermediary bank. A receiving bank is not required to follow an instruction of the sender

designating a funds-transfer system to be used in carrying out the funds transfer if the receiving bank, in good faith, determines that it is not feasible to follow the instruction or that following the instruction would unduly delay completion of the funds transfer.

~~((3))~~ (c) Unless subsection ~~((4)(b))~~ (a)(2) of this section applies or the receiving bank is otherwise instructed, the bank may execute a payment order by transmitting its payment order by first~~((-))~~ class mail or by any means reasonable in the circumstances. If the receiving bank is instructed to execute the sender's order by transmitting its payment order by a particular means, the receiving bank may issue its payment order by the means stated or by any means as expeditious as the means stated.

~~((4))~~ (d) Unless instructed by the sender, ~~((a))~~ (i) the receiving bank may not obtain payment of its charges for services and expenses in connection with the execution of the sender's order by issuing a payment order in an amount equal to the amount of the sender's order less the amount of the charges, and ~~((b))~~ (ii) may not instruct a subsequent receiving bank to obtain payment of its charges in the same manner.

Sec. 19. RCW 62A.4A-303 and 1991 sp.s. c 21 s 4A-303 are each amended to read as follows:

~~((4))~~ (a) A receiving bank that ~~((a))~~ (i) executes the payment order of the sender by issuing a payment order in an amount greater than the amount of the sender's order, or ~~((b))~~ (ii) issues a payment order in execution of the sender's order and then issues a duplicate order, is entitled to payment of the amount of the sender's order under RCW 62A.4A-402~~((3))~~ (c) if that subsection is otherwise satisfied. The bank is entitled to recover from the beneficiary of the erroneous order the excess payment received to the extent allowed by the law governing mistake and restitution.

~~((2))~~ (b) A receiving bank that executes the payment order of the sender by issuing a payment order in an amount less than the amount of the sender's order is entitled to payment of the amount of the sender's order under RCW 62A.4A-402~~((3))~~ (c) if ~~((a))~~ (i) that subsection is otherwise satisfied and ~~((b))~~ (ii) the bank corrects its mistake by issuing an additional payment order for the benefit of the beneficiary of the sender's order. If the error is not corrected, the issuer of the erroneous order is entitled to receive or retain payment from the sender of the order it accepted only to the extent of the amount of the erroneous order. This subsection does not apply if the receiving bank executes the sender's payment order by issuing a payment order in an amount less than the amount of the sender's order for the purpose of obtaining payment of its charges for services and expenses pursuant to instruction of the sender.

~~((3))~~ (c) If a receiving bank executes the payment order of the sender by issuing a payment order to a beneficiary different from the beneficiary of the sender's order and the funds transfer is completed on the basis of that error, the sender of the payment order that was erroneously executed and all previous senders in the funds transfer are not obliged to pay the payment orders they issued. The issuer of the erroneous order is entitled to recover from the beneficiary of the order the payment received to the extent allowed by the law governing mistake and restitution.

Sec. 20. RCW 62A.4A-304 and 1991 sp.s. c 21 s 4A-304 are each amended to read as follows:

If the sender of a payment order that is erroneously executed as stated in RCW 62A.4A-303 receives notification from the receiving bank that the order was executed or that the sender's account was debited with respect to the order, the sender has a duty to exercise ordinary care to determine, on the basis of information available to the sender, that the order was erroneously executed and to notify the bank of the relevant facts within a reasonable time not exceeding ninety days after the notification from the bank was received by the sender. If the sender fails to perform that duty, the bank is not obliged to pay interest on any amount refundable to the sender under RCW 62A.4A-402~~((4))~~ (d) for the period before the bank learns of the

execution error. The bank is not entitled to any recovery from the sender on account of a failure by the sender to perform the duty stated in this section.

Sec. 21. RCW 62A.4A-305 and 1991 sp.s. c 21 s 4A-305 are each amended to read as follows:

((+)) (a) If a funds transfer is completed but execution of a payment order by the receiving bank in breach of RCW 62A.4A-302 results in delay in payment to the beneficiary, the bank is obliged to pay interest to either the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as provided in subsection ((3)) (c) of this section, additional damages are not recoverable.

((2)) (b) If execution of a payment order by a receiving bank in breach of RCW 62A.4A-302 results in ((+)) (i) noncompletion of the funds transfer, ((+)) (ii) failure to use an intermediary bank designated by the originator, or ((+)) (iii) issuance of a payment order that does not comply with the terms of the payment order of the originator, the bank is liable to the originator for its expenses in the funds transfer and for incidental expenses and interest losses, to the extent not covered by subsection ((+)) (a) of this section, resulting from the improper execution. Except as provided in subsection ((3)) (c) of this section, additional damages are not recoverable.

((3)) (c) In addition to the amounts payable under subsections ((+ and -2)) (a) and (b) of this section, damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank.

((4)) (d) If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank, but are not otherwise recoverable.

((5)) (e) Reasonable attorneys' fees are recoverable if demand for compensation under subsection ((+ or -2)) (a) or (b) of this section is made and refused before an action is brought on the claim. If a claim is made for breach of an agreement under subsection ((4)) (d) of this section and the agreement does not provide for damages, reasonable attorneys' fees are recoverable if demand for compensation under subsection ((4)) (d) of this section is made and refused before an action is brought on the claim.

((6)) (f) Except as stated in this section, the liability of a receiving bank under subsections ((+ and -2)) (a) and (b) of this section may not be varied by agreement.

Sec. 22. RCW 62A.4A-402 and 1991 sp.s. c 21 s 4A-402 are each amended to read as follows:

((+)) (a) This section is subject to RCW 62A.4A-205 and 62A.4A-207.

((2)) (b) With respect to a payment order issued to the beneficiary's bank, acceptance of the order by the bank obliges the sender to pay the bank the amount of the order, but payment is not due until the payment date of the order.

((3)) (c) This subsection is subject to subsection ((5)) (e) of this section and to RCW 62A.4A-303. With respect to a payment order issued to a receiving bank other than the beneficiary's bank, acceptance of the order by the receiving bank obliges the sender to pay the bank the amount of the sender's order. Payment by the sender is not due until the execution date of the sender's order. The obligation of that sender to pay its payment order is excused if the funds transfer is not completed by acceptance by the beneficiary's bank of a payment order instructing payment to the beneficiary of that sender's payment order.

((4)) (d) If the sender of a payment order pays the order and was not obliged to pay all or part of the amount paid, the bank receiving payment is obliged to refund payment to the extent the sender was not obliged to pay. Except as provided in RCW 62A.4A-204 and

62A.4A-304, interest is payable on the refundable amount from the date of payment.

((5)) (e) If a funds transfer is not completed as stated in ((this subsection)) (c) of this section and an intermediary bank is obliged to refund payment as stated in subsection ((4)) (d) of this section but is unable to do so because not permitted by applicable law or because the bank suspends payments, a sender in the funds transfer that executed a payment order in compliance with an instruction, as stated in RCW 62A.4A-302((+)) (a)(1), to route the funds transfer through that intermediary bank is entitled to receive or retain payment from the sender of the payment order that it accepted. The first sender in the funds transfer that issued an instruction requiring routing through that intermediary bank is subrogated to the right of the bank that paid the intermediary bank to refund as stated in subsection ((4)) (d) of this section.

((6)) (f) The right of the sender of a payment order to be excused from the obligation to pay the order as stated in subsection ((3)) (c) of this section or to receive refund under subsection ((4)) (d) of this section may not be varied by agreement.

Sec. 23. RCW 62A.4A-403 and 1991 sp.s. c 21 s 4A-403 are each amended to read as follows:

((+)) (a) Payment of the sender's obligation under RCW 62A.4A-402 to pay the receiving bank occurs as follows:

((+)) (1) If the sender is a bank, payment occurs when the receiving bank receives final settlement of the obligation through a federal reserve bank or through a funds-transfer system.

((+)) (2) If the sender is a bank and the sender (i) credited an account of the receiving bank with the sender, or (ii) caused an account of the receiving bank in another bank to be credited, payment occurs when the credit is withdrawn or, if not withdrawn, at midnight of the day on which the credit is withdrawable and the receiving bank learns of that fact.

((+)) (3) If the receiving bank debits an account of the sender with the receiving bank, payment occurs when the debit is made to the extent the debit is covered by a withdrawable credit balance in the account.

((2)) (b) If the sender and receiving bank are members of a funds-transfer system that nets obligations multilaterally among participants, the receiving bank receives final settlement when settlement is complete in accordance with the rules of the system. The obligation of the sender to pay the amount of a payment order transmitted through the funds-transfer system may be satisfied, to the extent permitted by the rules of the system, by setting off and applying against the sender's obligation the right of the sender to receive payment from the receiving bank of the amount of any other payment order transmitted to the sender by the receiving bank through the funds-transfer system. The aggregate balance of obligations owed by each sender to each receiving bank in the funds-transfer system may be satisfied, to the extent permitted by the rules of the system, by setting off and applying against that balance the aggregate balance of obligations owed to the sender by other members of the system. The aggregate balance is determined after the right of setoff stated in the second sentence of this subsection has been exercised.

((3)) (c) If two banks transmit payment orders to each other under an agreement that settlement of the obligations of each bank to the other under RCW 62A.4A-402 will be made at the end of the day or other period, the total amount owed with respect to all orders transmitted by one bank shall be set off against the total amount owed with respect to all orders transmitted by the other bank. To the extent of the setoff, each bank has made payment to the other.

((4)) (d) In a case not covered by subsection ((+)) (a) of this section, the time when payment of the sender's obligation under RCW 62A.4A-402 ((2) or (3)) (b) or (c) occurs is governed by applicable principles of law that determine when an obligation is satisfied.

Sec. 24. RCW 62A.4A-404 and 1991 sp.s. c 21 s 4A-404 are each amended to read as follows:

~~((+))~~ ~~(a)~~ Subject to RCW 62A.4A-211~~((+))~~ ~~(e)~~, 62A.4A-405~~((+))~~ ~~(d)~~, and 62A.4A-405~~((+))~~ ~~(e)~~, if a beneficiary's bank accepts a payment order, the bank is obliged to pay the amount of the order to the beneficiary of the order. Payment is due on the payment date of the order, but if acceptance occurs on the payment date after the close of the funds-transfer business day of the bank, payment is due on the next funds-transfer business day. If the bank refuses to pay after demand by the beneficiary and receipt of notice of particular circumstances that will give rise to consequential damages as a result of nonpayment, the beneficiary may recover damages resulting from the refusal to pay to the extent the bank had notice of the damages, unless the bank proves that it did not pay because of a reasonable doubt concerning the right of the beneficiary to payment.

~~((+))~~ ~~(b)~~ If a payment order accepted by the beneficiary's bank instructs payment to an account of the beneficiary, the bank is obliged to notify the beneficiary of receipt of the order before midnight of the next funds-transfer business day following the payment date. If the payment order does not instruct payment to an account of the beneficiary, the bank is required to notify the beneficiary only if notice is required by the order. Notice may be given by first-class mail or any other means reasonable in the circumstances. If the bank fails to give the required notice, the bank is obliged to pay interest to the beneficiary on the amount of the payment order from the day notice should have been given until the day the beneficiary learned of receipt of the payment order by the bank. No other damages are recoverable. Reasonable attorneys' fees are also recoverable if demand for interest is made and refused before an action is brought on the claim.

~~((+))~~ ~~(c)~~ The right of a beneficiary to receive payment and damages as stated in subsection (a) ~~(subsection (1) of this section)~~ of this section may not be varied by agreement or a funds-transfer system rule. The right of a beneficiary to be notified as stated in subsection ~~((+))~~ ~~(b)~~ of this section may be varied by agreement of the beneficiary or by a funds-transfer system rule if the beneficiary is notified of the rule before initiation of the funds transfer.

Sec. 25. RCW 62A.4A-405 and 1991 sp.s. c 21 s 4A-405 are each amended to read as follows:

~~((+))~~ ~~(a)~~ If the beneficiary's bank credits an account of the beneficiary of a payment order, payment of the bank's obligation under RCW 62A.4A-404~~((+))~~ ~~(a)~~ occurs when and to the extent ~~((+))~~ ~~(i)~~ the beneficiary is notified of the right to withdraw the credit, ~~((+))~~ ~~(ii)~~ the bank lawfully applies the credit to a debt of the beneficiary, or ~~((+))~~ ~~(iii)~~ funds with respect to the order are otherwise made available to the beneficiary by the bank.

~~((+))~~ ~~(b)~~ If the beneficiary's bank does not credit an account of the beneficiary of a payment order, the time when payment of the bank's obligation under RCW 62A.4A-404~~((+))~~ ~~(a)~~ occurs is governed by principles of law that determine when an obligation is satisfied.

~~((+))~~ ~~(c)~~ Except as stated in subsections ~~((+))~~ ~~(d)~~ and ~~((+))~~ ~~(e)~~ of this ~~(act [section])~~ section, if the beneficiary's bank pays the beneficiary of a payment order under a condition to payment or agreement of the beneficiary giving the bank the right to recover payment from the beneficiary if the bank does not receive payment of the order, the condition to payment or agreement is not enforceable.

~~((+))~~ ~~(d)~~ A funds-transfer system rule may provide that payments made to beneficiaries of funds transfers made through the system are provisional until receipt of payment by the beneficiary's bank of the payment order it accepted. A beneficiary's bank that makes a payment that is provisional under the rule is entitled to refund from the beneficiary if ~~((+))~~ ~~(i)~~ the rule requires that both the beneficiary and the originator be given notice of the provisional nature of the payment before the funds transfer is initiated, ~~((+))~~ ~~(ii)~~ the beneficiary, the beneficiary's bank and the originator's bank

agreed to be bound by the rule, and ~~((+))~~ ~~(iii)~~ the beneficiary's bank did not receive payment of the payment order that it accepted. If the beneficiary is obliged to refund payment to the beneficiary's bank, acceptance of the payment order by the beneficiary's bank is nullified and no payment by the originator of the funds transfer to the beneficiary occurs under RCW 62A.4A-406.

~~((+))~~ ~~(e)~~ This subsection applies to a funds transfer that includes a payment order transmitted over a funds-transfer system that ~~((+))~~ ~~(i)~~ nets obligations multilaterally among participants, and ~~((+))~~ ~~(ii)~~ has in effect a loss-sharing agreement among participants for the purpose of providing funds necessary to complete settlement of the obligations of one or more participants that do not meet their settlement obligations. If the beneficiary's bank in the funds transfer accepts a payment order and the system fails to complete settlement pursuant to its rules with respect to any payment order in the funds transfer, (i) the acceptance by the beneficiary's bank is nullified and no person has any right or obligation based on the acceptance, (ii) the beneficiary's bank is entitled to recover payment from the beneficiary, (iii) no payment by the originator to the beneficiary occurs under RCW 62A.4A-406, and (iv) subject to RCW 62A.4A-402~~((+))~~ ~~(e)~~, ~~((each sender in the funds transfer is excused from its obligation to pay its payment order under RCW 62A.4A-402(5),))~~ each sender in the funds transfer is excused from its obligation to pay its payment order under RCW 62A.4A-402~~((+))~~ ~~(c)~~ because the funds transfer has not been completed.

Sec. 26. RCW 62A.4A-406 and 1991 sp.s. c 21 s 4A-406 are each amended to read as follows:

~~((+))~~ ~~(a)~~ Subject to RCW 62A.4A-211~~((+))~~ ~~(e)~~, 62A.4A-405~~((+))~~ ~~(d)~~, and 62A.4A-405~~((+))~~ ~~(e)~~, the originator of a funds transfer pays the beneficiary of the originator's payment order ~~((+))~~ ~~(i)~~ at the time a payment order for the benefit of the beneficiary is accepted by the beneficiary's bank in the funds transfer and ~~((+))~~ ~~(ii)~~ in an amount equal to the amount of the order accepted by the beneficiary's bank, but not more than the amount of the originator's order.

~~((+))~~ ~~(b)~~ If payment under subsection ~~((+))~~ ~~(a)~~ of this section is made to satisfy an obligation, the obligation is discharged to the same extent discharge would result from payment to the beneficiary of the same amount in money, unless ~~((+))~~ ~~(i)~~ the payment under subsection ~~((+))~~ ~~(a)~~ of this section was made by a means prohibited by the contract of the beneficiary with respect to the obligation, ~~((+))~~ ~~(ii)~~ the beneficiary, within a reasonable time after receiving notice of receipt of the order by the beneficiary's bank, notified the originator of the beneficiary's refusal of the payment, ~~((+))~~ ~~(iii)~~ funds with respect to the order were not withdrawn by the beneficiary or applied to a debt of the beneficiary, and ~~((+))~~ ~~(iv)~~ the beneficiary would suffer a loss that could reasonably have been avoided if payment had been made by a means complying with the contract. If payment by the originator does not result in discharge under this section, the originator is subrogated to the rights of the beneficiary to receive payment from the beneficiary's bank under RCW 62A.4A-404~~((+))~~ ~~(a)~~.

~~((+))~~ ~~(c)~~ For the purpose of determining whether discharge of an obligation occurs under subsection ~~((+))~~ ~~(b)~~ of this section, if the beneficiary's bank accepts a payment order in an amount equal to the amount of the originator's payment order less charges of one or more receiving banks in the funds transfer, payment to the beneficiary is deemed to be in the amount of the originator's order unless upon demand by the beneficiary the originator does not pay the beneficiary the amount of the deducted charges.

~~((+))~~ ~~(d)~~ Rights of the originator or of the beneficiary of a funds transfer under this section may be varied only by agreement of the originator and the beneficiary.

Sec. 27. RCW 62A.4A-501 and 1991 sp.s. c 21 s 4A-501 are each amended to read as follows:

~~((+))~~ (a) Except as otherwise provided in this Article, the rights and obligations of a party to a funds transfer may be varied by agreement of the affected party.

~~((2))~~ (b) "Funds-transfer system rule" means a rule of an association of banks ~~((+))~~ (i) governing transmission of payment orders by means of a funds-transfer system of the association or rights and obligations with respect to those orders, or ~~((+))~~ (ii) to the extent the rule governs rights and obligations between banks that are parties to a funds transfer in which a federal reserve bank, acting as an intermediary bank, sends a payment order to the beneficiary's bank. Except as otherwise provided in this Article, a funds-transfer system rule governing rights and obligations between participating banks using the system may be effective even if the rule conflicts with ~~((he))~~ this Article and indirectly affects another party to the funds transfer who does not consent to the rule. A funds-transfer system rule may also govern rights and obligations of parties other than participating banks using the system to the extent stated in RCW 62A.4A-404~~((3))~~ (c), 62A.4A-405~~((4))~~ (d), and 62A.4A-507~~((3))~~ (c).

Sec. 28. RCW 62A.4A-502 and 1991 sp.s. c 21 s 4A-502 are each amended to read as follows:

~~((+))~~ (a) As used in this section, "creditor process" means levy, attachment, garnishment, notice of lien, sequestration, or similar process issued by or on behalf of a creditor or other claimant with respect to an account.

~~((2))~~ (b) This subsection applies to creditor process with respect to an authorized account of the sender of a payment order if the creditor process is served on the receiving bank. For the purpose of determining rights with respect to the creditor process, if the receiving bank accepts the payment order the balance in the authorized account is deemed to be reduced by the amount of the payment order to the extent the bank did not otherwise receive payment of the order, unless the creditor process is served at ~~((he))~~ a time and in a manner affording the bank a reasonable opportunity to act on it before the bank accepts the payment order.

~~((3))~~ (c) If a beneficiary's bank has received a payment order for payment to the beneficiary's account in the bank, the following rules apply:

~~((+))~~ (1) The bank may credit the beneficiary's account. The amount credited may be set off against an obligation owed by the beneficiary to the bank or may be applied to satisfy creditor process served on the bank with respect to the account.

~~((+))~~ (2) The bank may credit the beneficiary's account and allow withdrawal of the amount credited unless creditor process with respect to the account is served at ~~((he))~~ a time and in a manner affording the bank a reasonable opportunity to act to prevent withdrawal.

~~((+))~~ (3) If creditor process with respect to the beneficiary's account has been served and the bank has had a reasonable opportunity to act on it, the bank may not reject the payment order except for a reason unrelated to the service of process.

~~((+))~~ (d) Creditor process with respect to a payment by the originator to the beneficiary pursuant to a funds transfer may be served only on the beneficiary's bank with respect to the debt owed by that bank to the beneficiary. Any other bank served with the creditor process is not obliged to act with respect to the process.

Sec. 29. RCW 62A.4A-503 and 1991 sp.s. c 21 s 4A-503 are each amended to read as follows:

For proper cause and in compliance with applicable law, a court may restrain ~~((+))~~ (i) a person from issuing a payment order to initiate a funds transfer, ~~((2))~~ (ii) an originator's bank from executing the payment order of the originator, or ~~((3))~~ (iii) the beneficiary's bank from releasing funds to the beneficiary or the beneficiary from withdrawing the funds. A court may not otherwise restrain a person from issuing a payment order, paying or receiving payment of a payment order, or otherwise acting with respect to a funds transfer.

Sec. 30. RCW 62A.4A-504 and 1991 sp.s. c 21 s 4A-504 are each amended to read as follows:

~~((+))~~ (a) If a receiving bank has received more than one payment order of the sender or one or more payment orders and other items that are payable from the sender's account, the bank may charge the sender's account with respect to the various orders and items in any sequence.

~~((2))~~ (b) In determining whether a credit to an account has been withdrawn by the holder of the account or applied to a debt of the holder of the account, credits first made to the account are first withdrawn or applied.

Sec. 31. RCW 62A.4A-506 and 1991 sp.s. c 21 s 4A-506 are each amended to read as follows:

~~((+))~~ (a) If, under this Article, a receiving bank is obliged to pay interest with respect to a payment order issued to the bank, the amount payable may be determined ~~((+))~~ (i) by agreement of the sender and receiving bank, or ~~((+))~~ (ii) by a funds-transfer system rule if the payment order is transmitted through a funds-transfer system.

~~((2))~~ (b) If the amount of interest is not determined by an agreement or rule as stated in subsection ~~((+))~~ (a) of this section, the amount is calculated by multiplying the applicable federal funds rate by the amount on which interest is payable, and then multiplying the product by the number of days for which interest is payable. The applicable federal funds rate is the average of the federal funds rates published by the federal reserve bank of New York for each of the days for which interest is payable divided by three hundred sixty. The federal funds rate for any day on which a published rate is not available is the same as the published rate for the next preceding day for which there is a published rate. If a receiving bank that accepted a payment order is required to refund payment to the sender of the order because the funds transfer was not completed, but the failure to complete was not due to any fault by the bank, the interest payable is reduced by a percentage equal to the reserve requirement on deposits of the receiving bank.

Sec. 32. RCW 62A.4A-507 and 1991 sp.s. c 21 s 4A-507 are each amended to read as follows:

~~((+))~~ (a) The following rules apply unless the affected parties otherwise agree or subsection ~~((3))~~ (c) of this section applies~~((3))~~:

~~((+))~~ (1) The rights and obligations between the sender of a payment order and the receiving bank are governed by the law of the jurisdiction in which the receiving bank is located.

~~((+))~~ (2) The rights and obligations between the beneficiary's bank and the beneficiary are governed by the law of the jurisdiction in which the beneficiary's bank is located.

~~((+))~~ (3) The issue of when payment is made pursuant to a funds transfer by the originator to the beneficiary is governed by the law of the jurisdiction in which the beneficiary's bank is located.

~~((2))~~ (b) If the parties described in each paragraph of subsection ~~((+))~~ (a) of this section have made an agreement selecting the law of a particular jurisdiction to govern rights and obligations between each other, the law of that jurisdiction governs those rights and obligations, whether or not the payment order or the funds transfer bears a reasonable relation to that jurisdiction.

~~((3))~~ (c) A funds-transfer system rule may select the law of a particular jurisdiction to govern ~~((+))~~ (i) rights and obligations between participating banks with respect to payment orders transmitted or processed through the system, or ~~((+))~~ (ii) the rights and obligations of some or all parties to a funds transfer any part of which is carried out by means of the system. A choice of law made pursuant to ~~((+))~~ clause (i) of this subsection is binding on participating banks. A choice of law made pursuant to ~~((+))~~ clause (ii) of this subsection is binding on the originator, other sender, or a receiving bank having notice that the funds-transfer system might be used in the funds transfer and of the choice of law by the system when the originator, other sender, or receiving bank issued or accepted a

payment order. The beneficiary of a funds transfer is bound by the choice of law if, when the funds transfer is initiated, the beneficiary has notice that the funds-transfer system might be used in the funds transfer and of the choice of law by the system. The law of a jurisdiction selected pursuant to this subsection may govern, whether or not that law bears a reasonable relation to the matter in issue.

~~((4))~~ (d) In the event of inconsistency between an agreement under subsection ~~((2))~~ (b) of this section and a choice-of-law rule under subsection ~~((3))~~ (c) of this section, the agreement under subsection ~~((2))~~ (b) of this section prevails.

~~((5))~~ (e) If a funds transfer is made by use of more than one funds-transfer system and there is inconsistency between choice-of-law rules of the systems, the matter in issue is governed by the law of the selected jurisdiction that has the most significant relationship to the matter in issue.

Sec. 33. RCW 62A.9A-502 and 2000 c 250 s 9A-502 are each amended to read as follows:

(1) Provides the name of the debtor;

(2) Provides the name of the secured party or a representative of the secured party; and

(3) Indicates the collateral covered by the financing statement.

(b) **Real-property-related financing statements.** Except as otherwise provided in RCW 62A.9A-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) of this section and also:

(1) Indicate that it covers this type of collateral;

(2) Indicate that it is to be filed for record in the real property records;

(3) Provide a description of the real property to which the collateral is related sufficient to give constructive notice of a mortgage under the law of this state if the description were contained in a record of the mortgage of the real property; and

(4) If the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) **Record of mortgage as financing statement.** A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) The record indicates the goods or accounts that it covers;

(2) The goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) The record satisfies the requirements for a financing statement in this section ~~((other than an indication)), but:~~

(A) The record need not indicate that it is to be filed in the real property records; and

(B) The record sufficiently provides the name of a debtor who is an individual if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom RCW 62A.9A-503(a)(4) applies; and

(4) The record is recorded.

(d) **Filing before security agreement or attachment.** A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

Sec. 34. RCW 62A.9A-503 and 2011 c 74 s 401 are each amended to read as follows:

(a) **Sufficiency of debtor's name.** A financing statement sufficiently provides the name of the debtor:

(1) Except as otherwise provided in (3) of this subsection (a), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement

provides the name that is stated to be the registered organization's name on the public organic record most recently filed with or issued or enacted by the registered organization's jurisdiction of organization which purports to state, amend, or restate the registered organization's name;

(2) Subject to subsection (f) of this section, if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(3) If the collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) Provides, as the name of the debtor:

(i) If the organic record of the trust specifies a name for the trust, the name specified; or

(ii) If the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(B) In a separate part of the financing statement:

(i) If the name is provided in accordance with (3)(A)(i) of this subsection, indicates that the collateral is held in a trust; or

(ii) If the name is provided in accordance with (3)(A)(ii) of this subsection, provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;

(4) Subject to subsection (g) of this section, if the debtor is an individual to whom this state has issued a driver's license or identification card that has not expired, only if the financing statement:

~~(A) Provides the individual name of the debtor;~~

~~(B) Provides the surname and first personal name of the debtor;~~

~~or~~

~~(C) Subject to subsection (g) of this section, provides the name of the individual which is indicated on ((a)) the driver's license or identification card ((that this state has issued to the individual and which has not expired));~~

(5) If the debtor is an individual to whom (4) of this subsection (a) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and

~~((5))~~ (6) In other cases:

(A) If the debtor has a name, only if the financing statement provides the organizational name of the debtor; and

(B) If the debtor does not have a name, only if the financing statement provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(b) **Additional debtor-related information.** A financing statement that provides the name of the debtor in accordance with subsection (a) of this section is not rendered ineffective by the absence of:

(1) A trade name or other name of the debtor; or

(2) Unless required under subsection ~~((a)(5)(B))~~ (a)(6)(B) of this section, names of partners, members, associates, or other persons comprising the debtor.

(c) **Debtor's trade name insufficient.** A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) **Representative capacity.** Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) **Multiple debtors and secured parties.** A financing statement may provide the name of more than one debtor and the name of more than one secured party.

(f) **Name of decedent.** The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the "name of the decedent" under subsection (a)(2) of this section.

(g) **Multiple driver's licenses.** If this state has issued to an individual more than one driver's license or identification card of a kind described in subsection (a)(4) of this section, the one that was issued most recently is the one to which subsection (a)(4) of this section refers.

(h) **Definition.** In this section, the "name of the settlor or testator" means:

(1) If the settlor is a registered organization, the name that is stated to be the settlor's name on the public organic record most recently filed with or issued or enacted by the settlor's jurisdiction of organization which purports to state, amend, or restate the settlor's name; or

(2) In other cases, the name of the settlor or testator indicated in the trust's organic record.

(2) The use of collaborative law applies only to matters that would be resolved in civil court and may not be used to resolve matters in criminal cases.

NEW SECTION. Sec. 4. COLLABORATIVE LAW PARTICIPATION AGREEMENT; REQUIREMENTS. (1) A collaborative law participation agreement must:

(a) Be in a record;

(b) Be signed by the parties;

(c) State the parties' intention to resolve a collaborative matter through a collaborative law process under this chapter;

(d) Describe the nature and scope of the matter;

(f) Contain a statement by each collaborative lawyer confirming the lawyer's representation of a party in the collaborative law process.

(2) Parties may agree to include in a collaborative law participation agreement additional provisions not inconsistent with this chapter.

NEW SECTION. Sec. 5. BEGINNING AND CONCLUDING COLLABORATIVE LAW PROCESS. (1) A collaborative law process begins when the parties sign a collaborative law participation agreement.

(2) A tribunal may not order a party to participate in a collaborative law process over that party's objection.

(3) A collaborative law process is concluded by a:

(a) Resolution of a collaborative matter as evidenced by a signed record;

(b) Resolution of a part of the collaborative matter, evidenced by a signed record, in which the parties agree that the remaining parts of the matter will not be resolved in the process; or

(c) Termination of the process.

(4) A collaborative law process terminates:

(ii) In a pending proceeding related to the matter:

(B) Requests that the proceeding be put on the tribunal's active calendar; or

(C) Takes similar contested action requiring notice to be sent to the parties; or

(c) Except as otherwise provided by subsection (7) of this section, when a party discharges a collaborative lawyer or a collaborative lawyer withdraws from further representation of a party.

(5) A party's collaborative lawyer shall give prompt notice to all other parties in a record of a discharge or withdrawal.

(6) A party may terminate a collaborative law process with or without cause.

(7) Notwithstanding the discharge or withdrawal of a collaborative lawyer, a collaborative law process continues, if not later than thirty days after the date that the notice of the discharge or withdrawal of a collaborative lawyer required by subsection (5) of this section is sent to the parties:

(a) The unrepresented party engages a successor collaborative lawyer; and

(b) In a signed record:

(i) The parties consent to continue the process by reaffirming the collaborative law participation agreement;

(ii) The agreement is amended to identify the successor collaborative lawyer; and

(iii) The successor collaborative lawyer confirms the lawyer's representation of a party in the collaborative law process.

(8) A collaborative law process does not conclude if, with the consent of the parties, a party requests a tribunal to approve a resolution of the collaborative matter or any part thereof as evidenced by a signed record.

(9) A collaborative law participation agreement may provide additional methods of concluding a collaborative law process.

NEW SECTION. Sec. 6. PROCEEDINGS PENDING BEFORE TRIBUNAL; STATUS REPORT. (1) Persons in a proceeding pending before a tribunal may sign a collaborative law participation agreement to seek to resolve a collaborative matter related to the proceeding. Parties shall file promptly with the tribunal a notice of the agreement after it is signed. Subject to subsection (3) of this section and sections 7 and 8 of this act, the filing operates as an application for a stay of the proceeding.

(2) The parties shall file promptly with the tribunal notice in a record when a collaborative law process concludes. The stay of the proceeding under subsection (1) of this section is lifted when the notice is filed. The notice may not specify any reason for termination of the process.

(3) A tribunal in which a proceeding is stayed under subsection (1) of this section may require the parties and collaborative lawyers to provide a status report on the collaborative law process and the proceeding. A status report may include only information on whether the process is ongoing or concluded. It may not include a report, assessment, evaluation, recommendation, finding, or other communication regarding a collaborative law process or collaborative matter.

(4) A tribunal may not consider a communication made in violation of subsection (3) of this section.

(5) A tribunal shall provide parties notice and an opportunity to be heard before dismissing a proceeding in which a notice of collaborative law process is filed based on delay or failure to prosecute.

NEW SECTION. Sec. 7. EMERGENCY ORDER. During a collaborative law process, a tribunal may issue emergency orders to protect the health, safety, welfare, or interest of a party or a family or household member, as defined in RCW 26.50.010.

NEW SECTION. Sec. 8. APPROVAL OF AGREEMENT BY TRIBUNAL. A tribunal may approve an agreement resulting from a collaborative law process.

NEW SECTION. Sec. 9. DISQUALIFICATION OF COLLABORATIVE LAWYER AND LAWYERS IN ASSOCIATED LAW FIRM. (1) Except as otherwise provided in

subsection (3) of this section, a collaborative lawyer is disqualified from appearing before a tribunal to represent a party in a proceeding related to the collaborative matter.

(2) Except as otherwise provided in subsection (3) of this section and section 10 of this act, a lawyer in a law firm with which the collaborative lawyer is associated is disqualified from appearing before a tribunal to represent a party in a proceeding related to the collaborative matter if the collaborative lawyer is disqualified from doing so under subsection (1) of this section.

(3) A collaborative lawyer or a lawyer in a law firm with which the collaborative lawyer is associated may represent a party:

(a) To ask a tribunal to approve an agreement resulting from the collaborative law process; or

(b) To seek or defend an emergency order to protect the health, safety, welfare, or interest of a party, or family or household member, as defined in RCW 26.50.010, if a successor lawyer is not immediately available to represent that person.

(4) If subsection (3)(b) of this section applies, a collaborative lawyer, or lawyer in a law firm with which the collaborative lawyer is associated, may represent a party or family or household member only until the person is represented by a successor lawyer or reasonable measures are taken to protect the health, safety, welfare, or interest of the person.

NEW SECTION. Sec. 10. GOVERNMENTAL ENTITY AS PARTY. (1) The disqualification of section 9(1) of this act applies to a collaborative lawyer representing a party that is a government or governmental subdivision, agency, or instrumentality.

(2) After a collaborative law process concludes, another lawyer in a law firm with which the collaborative lawyer is associated may represent a government or governmental subdivision, agency, or instrumentality in the collaborative matter or a matter related to the collaborative matter if:

(a) The collaborative law participation agreement so provides; and

(b) The collaborative lawyer is isolated from any participation in the collaborative matter or a matter related to the collaborative matter through procedures within the law firm which are reasonably calculated to isolate the collaborative lawyer from such participation.

NEW SECTION. Sec. 11. DISCLOSURE OF INFORMATION. Except as provided by law other than this chapter, during the collaborative law process, on the request of another party, a party shall make timely, full, candid, and informal disclosure of information related to the collaborative matter without formal discovery. A party also shall update promptly previously disclosed information that has materially changed. The parties may define the scope of disclosure during the collaborative law process.

NEW SECTION. Sec. 12. STANDARDS OF PROFESSIONAL RESPONSIBILITY AND MANDATORY REPORTING NOT AFFECTED. (1) This chapter does not affect the professional responsibility obligations and standards applicable to a lawyer or other licensed professional or relieve a lawyer or other licensed professional from the duty to comply with all applicable professional responsibility obligations and standards.

(2) This chapter does not affect the obligation of a person to report abuse or neglect, abandonment, or exploitation of a child or adult under the law of this state.

(3) Noncompliance with an obligation or prohibition imposed by this chapter does not in itself establish grounds for professional discipline.

NEW SECTION. Sec. 13. APPROPRIATENESS OF COLLABORATIVE LAW PROCESS. Before a prospective party signs a collaborative law participation agreement, the prospective party must:

(1) Be advised as to whether a collaborative law process is appropriate for the prospective party's matter;

(2) Be provided with sufficient information to make an informed decision about the material benefits and risks of a collaborative law process as compared to the material benefits and risks of other reasonably available alternatives for resolving the proposed collaborative matter, such as litigation, mediation, arbitration, or expert evaluation;

(3) Be informed that after signing an agreement if a party initiates a proceeding or seeks tribunal intervention in a pending proceeding related to the collaborative matter, the collaborative law process terminates;

(4) Be informed that participation in a collaborative law process is voluntary and any party has the right to terminate unilaterally a collaborative law process with or without cause; and

(5) Be informed that the collaborative lawyer and any lawyer in a law firm with which the collaborative lawyer is associated may not appear before a tribunal to represent a party in a proceeding related to the collaborative matter, except as authorized by law or court rule.

NEW SECTION. Sec. 14. COERCIVE OR VIOLENT RELATIONSHIP. (1) Before a prospective party signs a collaborative law participation agreement, a prospective collaborative lawyer shall make reasonable inquiry whether the prospective party has a history of a coercive or violent relationship with another prospective party.

(2) Throughout a collaborative law process, a collaborative lawyer reasonably and continuously shall assess whether the party the collaborative lawyer represents has a history of a coercive or violent relationship with another party.

(3) If a collaborative lawyer reasonably believes that the party the lawyer represents or the prospective party who consults the lawyer has a history of a coercive or violent relationship with another party or prospective party, the lawyer may not begin or continue a collaborative law process unless:

(a) The party or the prospective party requests beginning or continuing a process; and

(b) The collaborative lawyer reasonably believes that the safety of the party or prospective party can be protected adequately during a process.

NEW SECTION. Sec. 15. CONFIDENTIALITY OF COLLABORATIVE LAW COMMUNICATION. Subject to section 12 of this act, a collaborative law communication is confidential to the extent agreed by the parties in a signed record or as provided by law of this state other than this chapter.

NEW SECTION. Sec. 16. PRIVILEGE AGAINST DISCLOSURE FOR COLLABORATIVE LAW COMMUNICATION; ADMISSIBILITY; DISCOVERY. (1) Subject to sections 17 and 18 of this act, a collaborative law communication is privileged under subsection (2) of this section, is not subject to discovery, and is not admissible in evidence.

(2) In a proceeding, the following privileges apply:

(a) A party may refuse to disclose, and may prevent any other person from disclosing, a collaborative law communication.

(b) A nonparty participant may refuse to disclose, and may prevent any other person from disclosing, a collaborative law communication of the nonparty participant.

(3) Evidence or information that is otherwise admissible or subject to discovery does not become inadmissible or protected from discovery solely because of its disclosure or use in a collaborative law process.

NEW SECTION. Sec. 17. WAIVER AND PRECLUSION OF PRIVILEGE. (1) A privilege under section 16 of this act may be waived in a record or orally during a proceeding if it is expressly waived by all parties and, in the case of the privilege of a nonparty participant, it is also expressly waived by the nonparty participant.

(2) A person that makes a disclosure or representation about a collaborative law communication which prejudices another person in a proceeding may not assert a privilege under section 16 of this act,

but this preclusion applies only to the extent necessary for the person prejudiced to respond to the disclosure or representation.

NEW SECTION. Sec. 18. LIMITS OF PRIVILEGE. (1) There is no privilege under section 16 of this act for a collaborative law communication that is:

(a) Available to the public under chapter 42.56 RCW or made during a session of a collaborative law process that is open, or is required by law to be open, to the public;

(b) A threat or statement of a plan to inflict bodily injury or commit a crime of violence;

(c) Intentionally used to plan a crime, commit or attempt to commit a crime, or conceal an ongoing crime or ongoing criminal activity; or

(d) In an agreement resulting from the collaborative law process, evidenced by a record signed by all parties to the agreement.

(2) The privileges under section 16 of this act for a collaborative law communication do not apply to the extent that a communication is:

(a) Sought or offered to prove or disprove a claim or complaint of professional misconduct or malpractice arising from or related to a collaborative law process;

(b) Sought or offered to prove or disprove abuse, neglect, abandonment, or exploitation of a child or adult, unless the child protective services agency or adult protective services agency is a party to or otherwise participates in the process; or

(c) Sought or offered to prove or disprove stalking or cyber stalking of a party or child.

(3) There is no privilege under section 16 of this act if a tribunal finds, after a hearing in camera, that the party seeking discovery or the proponent of the evidence has shown the evidence is not otherwise available, the need for the evidence substantially outweighs the interest in protecting confidentiality, and the collaborative law communication is sought or offered in:

(a) A court proceeding involving a felony or misdemeanor; or

(b) A proceeding seeking rescission or reformation of a contract arising out of the collaborative law process or in which a defense to avoid liability on the contract is asserted.

(4) If a collaborative law communication is subject to an exception under subsection (2) or (3) of this section, only the part of the communication necessary for the application of the exception may be disclosed or admitted.

(5) Disclosure or admission of evidence excepted from the privilege under subsection (2) or (3) of this section does not make the evidence or any other collaborative law communication discoverable or admissible for any other purpose.

(6) The privileges under section 16 of this act do not apply if the parties agree in advance in a signed record, or if a record of a proceeding reflects agreement by the parties, that all or part of a collaborative law process is not privileged. This subsection does not apply to a collaborative law communication made by a person that did not receive actual notice of the agreement before the communication was made.

NEW SECTION. Sec. 19. AUTHORITY OF TRIBUNAL IN CASE OF NONCOMPLIANCE. (1) If an agreement fails to meet the requirements of section 4 of this act, or a lawyer fails to comply with section 13 or 14 of this act, a tribunal may nonetheless find that the parties intended to enter into a collaborative law participation agreement if they:

(a) Signed a record indicating an intention to enter into a collaborative law participation agreement; and

(b) Reasonably believed they were participating in a collaborative law process.

(2) If a tribunal makes the findings specified in subsection (1) of this section, and the interests of justice require, the tribunal may:

(a) Enforce an agreement evidenced by a record resulting from the process in which the parties participated;

(b) Apply the disqualification provisions of sections 5, 6, 9, and 10 of this act; and

(c) Apply a privilege under section 16 of this act.

NEW SECTION. Sec. 20. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

NEW SECTION. Sec. 21. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001, et seq., but does not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. Sec. 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 22. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 23. Sections 1 through 22 of this act constitute a new chapter in Title 7 RCW."

MESSAGE FROM THE SENATE

April 16, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1134 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) American Indian and Alaska Native students make up 2.5 percent of the total student population in the state and twenty-five percent or more of the student population in fifty-seven schools across the state.

(b) American Indian students in Washington have the highest annual drop-out rate at 9.5 percent, compared to 4.6 percent of all students in each of grades nine through twelve. Of the students expected to graduate in 2010 because they entered the ninth grade in 2006, the American Indian on-time graduation rate was only fifty-eight percent, compared to 76.5 percent of all students.

(c) The teaching of American Indian language, culture, and history are important to American Indian people and critical to the educational attainment and achievement of American Indian children.

(d) The state-tribal education compacts authorized under this chapter reaffirm the state's important commitment to government-to-government relationships with the tribes that has been recognized by proclamation, and in the centennial accord and the millennium agreement. These state-tribal education compacts build upon the efforts highlighted by the office of the superintendent of public instruction in its 2012 Centennial Accord Agency Highlights, including: The Since Time Immemorial (STI): Tribal Sovereignty in Washington State Curriculum Project that imbeds the history surrounding sovereignty and intergovernmental responsibilities into this state's classrooms; the agency's regular meetings with the superintendents of the seven current tribal schools, as well as the federal bureau of Indian education representatives at the regional and national level on issues relating to student academic achievement, accessing of funding for tribal schools, and connecting tribal schools to the K-20 network; and the recent establishment, in statute, of the office of native education within the office of the superintendent of public instruction.

(e) School funding should honor tribal sovereignty and reflect the government-to-government relationship between the state and the tribes, however the current structure that requires negotiation of an interlocal agreement between a school district and a tribal school ignores tribal sovereignty and results in a siphoning of funds for administration that could be better used for teaching and learning.

(2) The legislature further finds that:

(a) There is a preparation gap among entering kindergartners with many children, especially those from low-income homes, arriving at kindergarten without the knowledge, skills, and good health necessary to succeed in school;

(b) Upon entry into the K-12 school system, the educational opportunity gap becomes more evident, with children of color and from low-income homes having lower scores on math, reading, and writing standardized tests, as well as lower graduation rates and higher rates of dropping out of school; and

(c) Comprehensive, culturally competent early learning and greater collaboration between the early learning and K-12 school systems will ensure appropriate connections and smoother transitions

for children, and help eliminate or bridge gaps that might otherwise develop.

(3) In light of these findings, it is the intent and purpose of the legislature to authorize the superintendent of public instruction to enter into state-tribal education compacts.

NEW SECTION. Sec. 2. (1) The superintendent of public instruction is authorized to enter into state-tribal education compacts.

(2) No later than six months after the effective date of this section, the superintendent of public instruction shall establish an application and approval process, procedures, and timelines for the negotiation, approval or disapproval, and execution of state-tribal education compacts.

(3) The process may be initiated by submission, to the superintendent of public instruction, of a resolution by:

(a) The governing body of a tribe in the state of Washington; or

(b) The governing body of any of the schools in Washington that are currently funded by the federal bureau of Indian affairs, whether directly or through a contract or compact with an Indian tribe or a tribal consortium.

(4) The resolution must be accompanied by an application that indicates the grade or grades from kindergarten through twelve that will be offered and that demonstrates that the school will be operated in compliance with all applicable laws, the rules adopted thereunder, and the terms and conditions set forth in the application.

(5) Within ninety days of receipt of a resolution and application under this section, the superintendent must convene a government-to-government meeting for the purpose of considering the resolution and application and initiating negotiations.

(6) State-tribal education compacts must include provisions regarding:

(a) Compliance;

(b) Notices of violation;

(c) Dispute resolution, which may include nonjudicial processes such as mediation;

(d) Recordkeeping and auditing;

(e) The delineation of the respective roles and responsibilities;

(f) The term or length of the contract, and whether or not it is renewable; and

(g) Provisions for compact termination.

(7) The superintendent of public instruction shall adopt such rules as are necessary to implement this chapter.

NEW SECTION. Sec. 3. (1) A school that is the subject of a state-tribal education compact must operate according to the terms of its compact executed in accordance with section 2 of this act.

(2) Schools that are the subjects of state-tribal education compacts are exempt from all state statutes and rules applicable to school districts and school district boards of directors, except those statutes and rules made applicable under this chapter and in the state-tribal education compact executed under section 2 of this act.

(3) Each school that is the subject of a state-tribal education compact must:

(a) Provide a curriculum and conduct an educational program that satisfies the requirements of RCW 28A.150.200 through 28A.150.240 and 28A.230.010 through 28A.230.195;

(b) Employ certificated instructional staff as required in RCW 28A.410.010, however such schools may hire noncertificated instructional staff of unusual competence and in exceptional cases as specified in RCW 28A.150.203(7);

(c) Comply with the employee record check requirements in RCW 28A.400.303 and the mandatory termination and notification provisions of RCW 28A.400.320, 28A.400.330, 28A.405.470, and 28A.405.475;

(d) Comply with nondiscrimination laws;

(e) Adhere to generally accepted accounting principles and be subject to financial examinations and audits as determined by the state auditor, including annual audits for legal and fiscal compliance; and

(f) Be subject to and comply with legislation enacted after the effective date of this section governing the operation and management of schools that are the subject of a state-tribal education compact.

(4) No such school may engage in any sectarian practices in its educational program, admissions or employment policies, or operations.

(5) Nothing in this chapter may limit or restrict any enrollment or school choice options otherwise available under Title 28A RCW.

NEW SECTION. Sec. 4. (1) A school that is the subject of a state-tribal education compact may not charge tuition except to the same extent as school districts may be permitted to do so with respect to out-of-state and adult students pursuant to chapter 28A.225 RCW, but may charge fees for participation in optional extracurricular events and activities.

(2) Such schools may not limit admission on any basis other than age group, grade level, or capacity and must otherwise enroll all students who apply.

(3) If capacity is insufficient to enroll all students who apply, a school that is the subject of a state-tribal education compact may prioritize the enrollment of tribal members and siblings of already enrolled students.

NEW SECTION. Sec. 5. (1) A school that is the subject of a state-tribal education compact must report student enrollment. Reporting must be done in the same manner and use the same definitions of enrolled students and annual average full-time equivalent enrollment as is required of school districts. The reporting requirements in this subsection are required for a school to receive state or federal funding that is allocated based on student characteristics.

(2) Funding for a school that is the subject of a state-tribal education compact shall be apportioned by the superintendent of public instruction according to the schedule established under RCW 28A.510.250, including general apportionment, special education, categorical, and other nonbasic education moneys. Allocations for certificated instructional staff must be based on the average staff mix ratio of the school, as calculated by the superintendent of public instruction using the statewide salary allocation schedule and related documents, conditions, and limitations established by the omnibus appropriations act. Allocations for classified staff and certificated administrative staff must be based on the salary allocations of the school district in which the school is located, subject to conditions and limitations established by the omnibus appropriations act. Nothing in this section requires a school that is the subject of a state-tribal education compact to use the statewide salary allocation schedule. Such a school is eligible to apply for state grants on the same basis as a school district.

(3) Any moneys received by a school that is the subject of a state-tribal education compact from any source that remain in the school's accounts at the end of any budget year must remain in the school's accounts for use by the school during subsequent budget years.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.642 RCW to read as follows:

Nothing in this chapter prohibits schools established under chapter 28A.--- RCW (the new chapter created in section 9 of this act) from:

(1) Implementing a policy of Indian preference in employment; or

(2) Prioritizing the admission of tribal members where capacity of the school's programs or facilities is not as large as demand.

Sec. 7. RCW 49.60.400 and 1999 c 3 s 1 are each amended to read as follows:

(1) The state shall not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in the operation of public employment, public education, or public contracting.

(2) This section applies only to action taken after December 3, 1998.

(3) This section does not affect any law or governmental action that does not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin.

(4) This section does not affect any otherwise lawful classification that:

(a) Is based on sex and is necessary for sexual privacy or medical or psychological treatment; or

(b) Is necessary for undercover law enforcement or for film, video, audio, or theatrical casting; or

(c) Provides for separate athletic teams for each sex.

(5) This section does not invalidate any court order or consent decree that is in force as of December 3, 1998.

(6) This section does not prohibit action that must be taken to establish or maintain eligibility for any federal program, if ineligibility would result in a loss of federal funds to the state.

(7) Nothing in this section prohibits schools established under chapter 28A.--- RCW (the new chapter created in section 9 of this act) from:

(a) Implementing a policy of Indian preference in employment; or

(b) Prioritizing the admission of tribal members where capacity of the school's programs or facilities is not as large as demand.

(8) For the purposes of this section, "state" includes, but is not necessarily limited to, the state itself, any city, county, public college or university, community college, school district, special district, or other political subdivision or governmental instrumentality of or within the state.

~~((8))~~ (9) The remedies available for violations of this section shall be the same, regardless of the injured party's race, sex, color, ethnicity, or national origin, as are otherwise available for violations of Washington antidiscrimination law.

~~((9))~~ (10) This section shall be self-executing. If any part or parts of this section are found to be in conflict with federal law, the United States Constitution, or the Washington state Constitution, the section shall be implemented to the maximum extent that federal law, the United States Constitution, and the Washington state Constitution permit. Any provision held invalid shall be severable from the remaining portions of this section.

Sec. 8. RCW 84.52.0531 and 2012 1st sp.s. c 10 s 8 are each amended to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of RCW 84.52.053 shall be determined as follows:

(1) For excess levies for collection in calendar year 1997, the maximum dollar amount shall be calculated pursuant to the laws and rules in effect in November 1996.

(2) For excess levies for collection in calendar year 1998 and thereafter, the maximum dollar amount shall be the sum of (a) plus or minus (b), (c), and (d) of this subsection minus (e) of this subsection:

(a) The district's levy base as defined in subsections (3) and (4) of this section multiplied by the district's maximum levy percentage as defined in subsection ~~((6))~~ (7) of this section;

(b) For districts in a high/nonhigh relationship, the high school district's maximum levy amount shall be reduced and the nonhigh school district's maximum levy amount shall be increased by an amount equal to the estimated amount of the nonhigh payment due to the high school district under RCW 28A.545.030(3) and 28A.545.050 for the school year commencing the year of the levy;

(c) Except for nonhigh districts under (d) of this subsection, for districts in an interdistrict cooperative agreement, the nonresident school district's maximum levy amount shall be reduced and the resident school district's maximum levy amount shall be increased by an amount equal to the per pupil basic education allocation included in the nonresident district's levy base under subsection (3) of this section multiplied by:

(i) The number of full-time equivalent students served from the resident district in the prior school year; multiplied by:

(ii) The serving district's maximum levy percentage determined under subsection ~~((6))~~ (7) of this section; increased by:

(iii) The percent increase per full-time equivalent student as stated in the state basic education appropriation section of the biennial budget between the prior school year and the current school year divided by fifty-five percent;

(d) The levy bases of nonhigh districts participating in an innovation academy cooperative established under RCW 28A.340.080 shall be adjusted by the office of the superintendent of public instruction to reflect each district's proportional share of student enrollment in the cooperative;

(e) The district's maximum levy amount shall be reduced by the maximum amount of state matching funds for which the district is eligible under RCW 28A.500.010.

(3) For excess levies for collection in calendar year 2005 and thereafter, a district's levy base shall be the sum of allocations in (a) through (c) of this subsection received by the district for the prior school year and the amounts determined under subsection (4) of this section, including allocations for compensation increases, plus the sum of such allocations multiplied by the percent increase per full time equivalent student as stated in the state basic education appropriation section of the biennial budget between the prior school year and the current school year and divided by fifty-five percent. A district's levy base shall not include local school district property tax levies or other local revenues, or state and federal allocations not identified in (a) through (c) of this subsection.

(a) The district's basic education allocation as determined pursuant to RCW 28A.150.250, 28A.150.260, and 28A.150.350;

(c) Any other federal allocations for elementary and secondary school programs, including direct grants, other than federal impact aid funds and allocations in lieu of taxes.

(4) For levy collections in calendar years 2005 through 2017, in addition to the allocations included under subsection (3)(a) through (c) of this section, a district's levy base shall also include the following:

(a)(i) For levy collections in calendar year 2010, the difference between the allocation the district would have received in the current school year had RCW 84.52.068 not been amended by chapter 19, Laws of 2003 1st sp. sess. and the allocation the district received in the current school year pursuant to RCW 28A.505.220;

(ii) For levy collections in calendar years 2011 through 2017, the allocation rate the district would have received in the prior school year using the Initiative 728 rate multiplied by the full-time equivalent student enrollment used to calculate the Initiative 728 allocation for the prior school year; and

(b) The difference between the allocations the district would have received the prior school year using the Initiative 732 base and the allocations the district actually received the prior school year pursuant to RCW 28A.400.205.

(5) For levy collections in calendar years 2011 through 2017, in addition to the allocations included under subsections (3)(a) through (c) and (4)(a) and (b) of this section, a district's levy base shall also include the difference between an allocation of fifty-three and two-tenths certificated instructional staff units per thousand full-time

equivalent students in grades kindergarten through four enrolled in the prior school year and the allocation of certificated instructional staff units per thousand full-time equivalent students in grades kindergarten through four that the district actually received in the prior school year, except that the levy base for a school district whose allocation in the 2009-10 school year was less than fifty-three and two-tenths certificated instructional staff units per thousand full-time equivalent students in grades kindergarten through four shall include the difference between the allocation the district actually received in the 2009-10 school year and the allocation the district actually received in the prior school year.

(6) For levy collections beginning in calendar year 2014 and thereafter, in addition to the allocations included under subsections (3)(a) through (c), (4)(a) and (b), and (5) of this section, a district's levy base shall also include the funds allocated by the superintendent of public instruction under section 5 of this act to a school that is the subject of a state-tribal education compact and that formerly contracted with the school district to provide educational services through an interlocal agreement and received funding from the district.

(7)(a) A district's maximum levy percentage shall be twenty-four percent in 2010 and twenty-eight percent in 2011 through 2017 and twenty-four percent every year thereafter;

(b) For qualifying districts, in addition to the percentage in (a) of this subsection the grandfathered percentage determined as follows:

(i) For 1997, the difference between the district's 1993 maximum levy percentage and twenty percent; and

(ii) For 2011 through 2017, the percentage calculated as follows:

(A) Multiply the grandfathered percentage for the prior year times the district's levy base determined under subsection (3) of this section;

(B) Reduce the result of (b)(ii)(A) of this subsection by any levy reduction funds as defined in subsection ~~((7))~~ (8) of this section that are to be allocated to the district for the current school year;

(C) Divide the result of (b)(ii)(B) of this subsection by the district's levy base; and

~~((7))~~ (8) "Levy reduction funds" shall mean increases in state funds from the prior school year for programs included under subsections (3) and (4) of this section: (a) That are not attributable to enrollment changes, compensation increases, or inflationary adjustments; and (b) that are or were specifically identified as levy reduction funds in the appropriations act. If levy reduction funds are dependent on formula factors which would not be finalized until after the start of the current school year, the superintendent of public instruction shall estimate the total amount of levy reduction funds by using prior school year data in place of current school year data. Levy reduction funds shall not include moneys received by school districts from cities or counties.

~~((8))~~ (9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Prior school year" means the most recent school year completed prior to the year in which the levies are to be collected.

(b) "Current school year" means the year immediately following the prior school year.

(c) "Initiative 728 rate" means the allocation rate at which the student achievement program would have been funded under chapter 3, Laws of 2001, if all annual adjustments to the initial 2001 allocation rate had been made in previous years and in each subsequent year as provided for under chapter 3, Laws of 2001.

(d) "Initiative 732 base" means the prior year's state allocation for annual salary cost-of-living increases for district employees in the state-funded salary base as it would have been calculated under chapter 4, Laws of 2001, if each annual cost-of-living increase allocation had been provided in previous years and in each subsequent year.

April 12, 2013

~~((9))~~ (10) Funds collected from transportation vehicle fund tax levies shall not be subject to the levy limitations in this section.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1291 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes there are many state agencies and private organizations that might be called on to provide services to victims of sex trafficking. Victims of human trafficking are often in need of services such as emergency medical attention, food and shelter, vocational and English language training, mental health counseling, and legal support. The state intends to improve the response of state, local, and private entities to incidents of trafficking of humans. Victims would be better served if there is an established, coordinated system of identifying the needs of sex trafficking victims, training of service delivery agencies and staff, timely and appropriate delivery of services, and better investigations and prosecutions of trafficking.

Leadership in providing services to victims of sex trafficking also extends beyond government efforts and is grounded in the work of highly dedicated individuals and community-based groups. Without these efforts the struggle against human trafficking will be very difficult to win. The legislature, therefore, finds that such efforts merit regular public recognition and appreciation. Such recognition and appreciation will encourage the efforts of all persons to end sex trafficking, and provide the public with information and education about the necessity of its involvement in this struggle.

NEW SECTION. Sec. 2. A new section is added to chapter 43.280 RCW to read as follows:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28A.210.260 and 2012 c 16 s 1 are each amended to read as follows:

Public school districts and private schools which conduct any of grades kindergarten through the twelfth grade may provide for the administration of oral medication, topical medication, eye drops, ((☞)) ear drops, or nasal spray, of any nature to students who are in the custody of the school district or school at the time of administration, but are not required to do so by this section, subject to the following conditions:

(1) The board of directors of the public school district or the governing board of the private school or, if none, the chief administrator of the private school shall adopt policies which address the designation of employees who may administer oral medications, topical medications, eye drops, ~~((™))~~ ear drops, or nasal spray to students, the acquisition of parent requests and instructions, and the acquisition of requests from licensed health professionals prescribing within the scope of their prescriptive authority and instructions regarding students who require medication for more than fifteen consecutive school days, the identification of the medication to be administered, the means of safekeeping medications with special attention given to the safeguarding of legend drugs as defined in chapter 69.41 RCW, and the means of maintaining a record of the administration of such medication;

(2) The board of directors shall seek advice from one or more licensed physicians or nurses in the course of developing the foregoing policies;

(3) The public school district or private school is in receipt of a written, current and unexpired request from a parent, or a legal guardian, or other person having legal control over the student to administer the medication to the student;

(4) The public school district or the private school is in receipt of (a) a written, current and unexpired request from a licensed health professional prescribing within the scope of his or her prescriptive authority for administration of the medication, as there exists a valid health reason which makes administration of such medication advisable during the hours when school is in session or the hours in which the student is under the supervision of school officials, and (b) written, current and unexpired instructions from such licensed health professional prescribing within the scope of his or her prescriptive authority regarding the administration of prescribed medication to students who require medication for more than fifteen consecutive workdays;

(5) The medication is administered by an employee designated by or pursuant to the policies adopted pursuant to subsection (1) of this section and in substantial compliance with the prescription of a licensed health professional prescribing within the scope of his or her prescriptive authority or the written instructions provided pursuant to subsection (4) of this section. If a school nurse is on the premises, a nasal spray that is a legend drug or a controlled substance must be administered by the school nurse. If no school nurse is on the premises, a nasal spray that is a legend drug or a controlled substance may be administered by a trained school employee or parent-designated adult who is not a school nurse. The board of directors shall allow school personnel, who have received appropriate training and volunteered for such training, to administer a nasal spray that is a legend drug or a controlled substance. After a school employee who is not a school nurse administers a nasal spray that is a legend drug or a controlled substance, the employee shall summon emergency medical assistance as soon as practicable;

(6) The medication is first examined by the employee administering the same to determine in his or her judgment that it appears to be in the original container and to be properly labeled; and

(7) The board of directors shall designate a professional person licensed pursuant to chapter 18.71 RCW or chapter 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners, to delegate to, train, and supervise the designated school district personnel in proper medication procedures.

(8)(a) For the purposes of this section, "parent-designated adult" means a volunteer, who may be a school district employee, who receives additional training from a health care professional or expert in epileptic seizure care selected by the parents, and who provides care for the child consistent with the individual health plan.

(b) To be eligible to be a parent-designated adult, a school district employee not licensed under chapter 18.79 RCW must file, without coercion by the employer, a voluntary written, current, and unexpired

letter of intent stating the employee's willingness to be a parent-designated adult. If a school employee who is not licensed under chapter 18.79 RCW chooses not to file a letter under this section, the employee shall not be subject to any employer reprisal or disciplinary action for refusing to file a letter.

(9) The board of directors shall designate a professional person licensed under chapter 18.71, 18.57, or 18.79 RCW as it applies to registered nurses and advanced registered nurse practitioners, to consult and coordinate with the student's parents and health care provider, and train and supervise the appropriate school district personnel in proper procedures for care for students with epilepsy to ensure a safe, therapeutic learning environment. Training may also be provided by an epilepsy educator who is nationally certified. Parent-designated adults who are school employees are required to receive the training provided under this subsection. Parent-designated adults who are not school employees must show evidence of comparable training. The parent-designated adult must also receive additional training as established in subsection (8)(a) of this section for the additional care the parents have authorized the parent-designated adult to provide. The professional person designated under this subsection is not responsible for the supervision of the parent-designated adult for those procedures that are authorized by the parents.

(1) In the event a school employee administers oral medication, topical medication, eye drops, ~~((™))~~ ear drops, or nasal spray to a student pursuant to RCW 28A.210.260 in substantial compliance with the prescription of the student's licensed health professional prescribing within the scope of the professional's prescriptive authority or the written instructions provided pursuant to RCW 28A.210.260(4), and the other conditions set forth in RCW 28A.210.260 have been substantially complied with, then the employee, the employee's school district or school of employment, and the members of the governing board and chief administrator thereof shall not be liable in any criminal action or for civil damages in their individual or marital or governmental or corporate or other capacities as a result of the administration of the medication.

(2) The administration of oral medication, topical medication, eye drops, ~~((™))~~ ear drops, or nasal spray to any student pursuant to RCW 28A.210.260 may be discontinued by a public school district or private school and the school district or school, its employees, its chief administrator, and members of its governing board shall not be liable in any criminal action or for civil damages in their governmental or corporate or individual or marital or other capacities as a result of the discontinuance of such administration: PROVIDED, That the chief administrator of the public school district or private school, or his or her designee, has first provided actual notice orally or in writing in advance of the date of discontinuance to a parent or legal guardian of the student or other person having legal control over the student."

Whenever property struck off to or bid in by a county at a sale for general taxes is subsequently sold by the county, the proceeds of the sale ~~((shall first be applied to discharge in full the lien or liens for general taxes for which property was sold; the remainder, or such portion thereof as may be necessary, shall be paid to the city or town to discharge all local improvement assessment liens against the property; and the surplus, if any, shall))~~ must be applied as follows:

(1) First, to reimburse the county for the costs of foreclosure and sale as defined in RCW 36.35.110;

(2) Any remaining proceeds must next be applied to pay any amounts deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, and outstanding at the time the county acquired the property by tax deed;

(3) Any remaining proceeds must next be applied to discharge in full the lien or liens for general taxes for which the property was sold;

(4) Any remaining proceeds must be paid to the city or town to discharge all local improvement assessment liens against the property; and

(5) Any surplus proceeds must be distributed among the proper county funds.

Sec. 2. RCW 36.35.110 and 1961 c 15 s 84.64.230 are each amended to read as follows:

(1) No claims ~~((shall ever be))~~ are allowed against the county from any municipality, school district, road district or other taxing district for taxes levied on property acquired by the county by tax deed under the provisions of this chapter, but all taxes ~~((shall))~~ must at the time of deeding ~~((said))~~ the property be thereby canceled~~((: PROVIDED, That))~~. However, the proceeds of any sale of any property acquired by the county by tax deed ~~((shall be))~~ must first be applied to reimburse the county for the costs of foreclosure and sale. The

remainder of the proceeds, if any, must be applied to pay any amounts deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, and outstanding at the time the county acquired the property by tax deed. The remainder of the proceeds, if any, must be justly apportioned to the various funds existing at the date of the sale, in the territory in which such property is located, according to the tax levies of the year last in process of collection. (2) For purposes of this section, "costs of foreclosure and sale" means those costs of foreclosing on the property that, when collected, are subject to RCW 84.56.020(9), and the direct costs incurred by the county in selling the property.

Sec. 3. RCW 36.35.140 and 1961 c 15 s 84.64.310 are each amended to read as follows:

The board of county commissioners of any county may, pending sale of any county property acquired by foreclosure of delinquent taxes or amounts deferred under chapter 84.37 or 84.38 RCW, rent any portion thereof on a tenancy from month to month. From the proceeds of the rentals the board of county commissioners ~~((shall))~~ must first pay all expense in management of said property and in repairing, maintaining and insuring the improvements thereon~~((and))~~. The balance of said proceeds ~~((shall))~~ must first be paid to reimburse the county for the costs of foreclosure and sale as defined in RCW 36.35.110. The remainder of the proceeds, if any, must be paid to the department of revenue in the amount of any taxes deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, outstanding at the time the county acquired the property by tax deed, and then to the various taxing units interested in the taxes levied against said property in the same proportion as the current tax levies of the taxing units having levies against said property.

Sec. 4. RCW 36.35.190 and 2009 c 549 s 4076 are each amended to read as follows:

(1) Any person, firm or corporation who or which may have been entitled to redeem the property involved prior to the issuance of the treasurer's deed to the county, and his or her or its successor in interest, ~~((shall have))~~ has the right, at any time after the commencement of, and prior to the judgment in the action authorized herein, to redeem such property by paying to the county treasurer:

(a) The amount of any taxes deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, outstanding at the time the county acquired the property by tax deed;

(b) The amount of the taxes for which the property was sold to the county, and the amount of any other general taxes which may have accrued prior to the issuance of said treasurer's deed, together with interest on all such taxes from the date of delinquency thereof, respectively, at the rate of twelve percent per annum~~((and by paying))~~;

(c) For the benefit of the assessment district concerned the amount of principal, penalty and interest of all special assessments, if any, which ~~((shall))~~ have been levied against such property ~~((and by paying))~~; and

(d) Such proportional part of the costs of the tax or tax deferral foreclosure proceedings and of the action herein authorized as the county treasurer ~~((shall))~~ determines.

(2) Upon redemption of any property before judgment as herein provided, the county treasurer ~~((shall))~~ must issue to the redemptioner a certificate specifying the amount of the taxes, including amounts deferred under chapters 84.37 and 84.38 RCW, special assessments, penalty, interest and costs charged describing the land and stating that the taxes, including any applicable deferred taxes, special assessments, penalty, interest and costs specified have been fully paid, and the liens thereof discharged. Such certificate ~~((shall))~~ must clear the land described therein from any claim of the county based on the treasurer's deed previously issued in the tax or tax deferral foreclosure proceedings.

Sec. 5. RCW 36.35.220 and 2009 c 549 s 4077 are each amended to read as follows:

Any person filing a statement in such action ~~((shall))~~ must pay the clerk of the court an appearance fee in the amount required by the county for appearances in civil actions, and ~~((shall be))~~ is required to tender the amount of all taxes, including any amounts deferred under chapter 84.37 or 84.38 RCW, interest and costs charged against the real property to which he or she lays claim, and no further costs in such action ~~((shall))~~ may be required or recovered.

Sec. 6. RCW 36.35.250 and 1998 c 106 s 19 are each amended to read as follows:

Nothing in RCW 36.35.160 through 36.35.270 contained ~~((shall))~~ may be construed to deprive any city, town, or other unit of local government that imposed special assessments on the property by including the property in a local improvement or special assessment district of its right to reimbursement for special assessments out of any surplus over and above the taxes, including amounts deferred under chapters 84.37 and 84.38 RCW, interest and costs involved.

Sec. 7. RCW 84.37.070 and 2010 c 161 s 1167 are each amended to read as follows:

Whenever a person's special assessment or real property tax obligation, or both, is deferred under this chapter, the amount deferred and required to be paid pursuant to RCW 84.38.120 ~~((shall))~~ becomes a lien in favor of the state upon his or her property and ~~((shall have))~~ has priority as provided in chapters 35.49, 35.50, 36.35, and 84.60 RCW ~~((PROVIDED, That))~~. However, the interest of a mortgage or purchase contract holder who requires an accumulation of reserves out of which real estate taxes are paid ~~((shall have))~~ has priority to said deferred lien. This lien may accumulate up to forty percent of the amount of the claimant's equity value in ~~((said))~~ the property and the rate of interest ~~((shall))~~ must be an average of the federal short-term rate as defined in 26 U.S.C. Sec. 1274(d) plus two percentage points. The rate set for each new year ~~((shall be))~~ is computed by taking an arithmetical average to the nearest percentage point of the federal short-term rate, compounded annually. That average ~~((shall))~~ must be calculated using the rates from four months: January, April, and July of the calendar year immediately preceding the new year, and October of the previous preceding year. The interest ~~((shall be))~~ is calculated from the time it could have been paid before delinquency until ~~((said))~~ such obligation is paid or the date that the obligation is charged off as finally uncollectible. In the case of a mobile home, the department of licensing ~~((shall))~~ must show the state's lien on the certificate of title for the mobile home. In the case of all other property, the department of revenue ~~((shall))~~ must file a notice of the deferral with the county recorder or auditor.

Sec. 8. RCW 84.38.100 and 2010 c 161 s 1168 are each amended to read as follows:

Whenever a person's special assessment and/or real property tax obligation is deferred under the provisions of this chapter, the amount deferred and required to be paid pursuant to RCW 84.38.120 ~~((shall))~~ becomes a lien in favor of the state upon his or her property and ~~((shall have))~~ has priority as provided in chapters 35.49, 35.50, 36.35, and 84.60 RCW ~~((PROVIDED, That))~~. However, the interest of a mortgage or purchase contract holder who is required to cosign a declaration of deferral under RCW 84.38.090, ~~((shall have))~~ has priority to ~~((said))~~ such deferred lien. This lien may accumulate up to eighty percent of the amount of the claimant's equity value in ~~((said))~~ the property and ~~((shall))~~ must bear interest at the rate of five percent per year from the time it could have been paid before delinquency until said obligation is paid ~~((PROVIDED, That))~~. However, when taxes are deferred as provided in RCW 84.64.050, the amount ~~((shall))~~ must bear interest at the rate of five percent per year from the date the declaration is filed until the obligation is paid or the date that the obligation is charged off as finally uncollectible. In the case of a mobile home, the department of licensing ~~((shall))~~ must show the state's lien on the certificate of title for the mobile home. In the case of all other property, the department of revenue ~~((shall))~~ must file a notice of the deferral with the county recorder or auditor.

Sec. 9. RCW 84.38.140 and 2001 c 299 s 18 are each amended to read as follows:

(1) The department ~~((shall))~~ must collect all the amounts deferred together with interest under this chapter. However, in the event that the department is unable to collect an amount deferred together with interest, that amount deferred together with interest ~~((shall))~~ must be collected by the county treasurer in the manner provided for in chapter 84.56 RCW. For purposes of collection of deferred taxes, the provisions of chapters 84.56, 84.60, and 84.64 RCW ~~((shall be))~~ are applicable.

(2) When any deferred special assessment and/or real property taxes together with interest are collected the moneys ~~((shall))~~ must be deposited in the state general fund.

(3) The department may charge off as finally uncollectible any amount deferred under this chapter or chapter 84.37 RCW, including accrued interest, if the department is satisfied that there are no cost-effective means of collecting the amount due.

Sec. 10. RCW 84.60.010 and 1969 ex.s. c 251 s 1 are each amended to read as follows:

All taxes and levies which may hereafter be lawfully imposed or assessed ~~((shall be and they))~~ are ~~((hereby))~~ declared to be a lien respectively upon the real and personal property upon which they may hereafter be imposed or assessed, which liens ~~((shall))~~ include all charges and expenses of and concerning the ~~((said))~~ taxes which, by the provisions of this title, are directed to be made. The ~~((said))~~ lien ~~((shall have))~~ has priority to and ~~((shall))~~ must be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which ~~((said))~~ the real and personal property may become charged or liable, except that the lien is of equal rank with liens for amounts deferred under chapter 84.37 or 84.38 RCW.

NEW SECTION. Sec. 11. A new section is added to chapter 84.64 RCW to read as follows:

Unless the context clearly requires otherwise, for purposes of this chapter:

(1) "Interest" means interest and penalties; and

(2) "Taxes;" "taxes, interest and costs;" and "taxes, interest, or costs" include any assessments and amounts deferred under chapters 84.37 and 84.38 RCW, where such assessments and deferred amounts are included in a certificate of delinquency by the county treasurer.

Sec. 12. RCW 84.64.050 and 1999 c 18 s 7 are each amended to read as follows:

(1) After the expiration of three years from the date of delinquency, when any property remains on the tax rolls for which no certificate of delinquency has been issued, the county treasurer ~~((shall))~~ must proceed to issue certificates of delinquency on the property to the county for all years' taxes, interest, and costs ~~((PROVIDED, That))~~. However, the county treasurer, with the consent of the county legislative authority, may elect to issue a certificate for fewer than all years' taxes, interest, and costs to a minimum of the taxes, interest, and costs for the earliest year.

(2) Certificates of delinquency ~~((shall be))~~ are prima facie evidence that:

~~((1))~~ (a) The property described was subject to taxation at the time the same was assessed;

~~((2))~~ (b) The property was assessed as required by law;

~~((3))~~ (c) The taxes or assessments were not paid at any time before the issuance of the certificate;

~~((4))~~ (d) Such certificate ~~((shall have))~~ has the same force and effect as a lis pendens required under chapter 4.28 RCW.

(3) The county treasurer may include in the certificate of delinquency any assessments which are due on the property and are the responsibility of the county treasurer to collect. ~~((For purposes of this chapter, "taxes, interest, and costs" include any assessments which are so included by the county treasurer, and "interest" means interest and penalties unless the context requires otherwise.))~~ However, if the

department of revenue has previously notified the county treasurer in writing that the property has a lien on it for deferred property taxes, the county treasurer must include in the certificate of delinquency any amounts deferred under chapters 84.37 and 84.38 RCW that remain unpaid, including accrued interest and costs.

(4) The treasurer (~~shall~~) must file the certificates when completed with the clerk of the court at no cost to the treasurer, and the treasurer (~~shall~~) must thereupon, with legal assistance from the county prosecuting attorney, proceed to foreclose in the name of the county, the tax liens embraced in such certificates. Notice and summons must be served or notice given in a manner reasonably calculated to inform the owner or owners, and any person having a recorded interest in or lien of record upon the property, of the foreclosure action to appear within thirty days after service of such notice and defend such action or pay the amount due. Either (a) personal service upon the owner or owners and any person having a recorded interest in or lien of record upon the property, or (b) publication once in a newspaper of general circulation, which is circulated in the area of the property and mailing of notice by certified mail to the owner or owners and any person having a recorded interest in or lien of record upon the property, or, if a mailing address is unavailable, personal service upon the occupant of the property, if any, is sufficient. If such notice is returned as unclaimed, the treasurer (~~shall~~) must send notice by regular first-class mail. The notice (~~shall~~) must include the legal description on the tax rolls, the year or years for which assessed, the amount of tax and interest due, and the name of owner, or reputed owner, if known, and the notice must include the local street address, if any, for informational purposes only. The certificates of delinquency issued to the county may be issued in one general certificate in book form including all property, and the proceedings to foreclose the liens against the property may be brought in one action and all persons interested in any of the property involved in the proceedings may be made codefendants in the action, and if unknown may be therein named as unknown owners, and the publication of such notice (~~shall be~~) is sufficient service thereof on all persons interested in the property described therein, except as provided above. The person or persons whose name or names appear on the treasurer's rolls as the owner or owners of the property (~~shall~~) must be considered and treated as the owner or owners of the property for the purpose of this section, and if upon the treasurer's rolls it appears that the owner or owners of the property are unknown, then the property (~~shall~~) must be proceeded against, as belonging to an unknown owner or owners, as the case may be, and all persons owning or claiming to own, or having or claiming to have an interest therein, are hereby required to take notice of the proceedings and of any and all steps thereunder (~~PROVIDED, That~~), However, prior to the sale of the property, the treasurer (~~shall~~) must order or conduct a title search of the property to be sold to determine the legal description of the property to be sold and the record title holder, and if the record title holder or holders differ from the person or persons whose name or names appear on the treasurer's rolls as the owner or owners, the record title holder or holders (~~shall~~) must be considered and treated as the owner or owners of the property for the purpose of this section, and (~~shall be~~) are entitled to the notice provided for in this section. Such title search (~~shall~~) must be included in the costs of foreclosure.

(5) If the title search required by subsection (4) of this section reveals a lien in favor of the state for deferred taxes on the property under RCW 84.37.070 or 84.38.100 and such deferred taxes are not already included in the certificate of delinquency, the county treasurer must issue an amended certificate of delinquency on the property to include the outstanding amount of deferred taxes, including accrued interest. The amended certificate of delinquency must be filed with the clerk of the court as provided in subsection (4) of this section.

(6) The county treasurer (~~shall~~) may not sell property (~~which~~) that is eligible for deferral of taxes under chapter 84.38 RCW but

(~~shall~~) must require the owner of the property to file a declaration to defer taxes under chapter 84.38 RCW."

THIRD READING

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed SHB 1130 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.55.120 and 2009 c 387 s 3 are each amended to read as follows:

(1)(a) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, 46.55.113, or 9A.88.140 may be redeemed only (~~under the following circumstances~~) by the following persons or entities:

~~((a) Only)~~ (i) The legal owner(ers);

(ii) The registered owner(ers);

~~(iii) A person authorized in writing by the registered owner (~~or the vehicle's insurer~~);~~

(iv) The vehicle's insurer or a vendor working on behalf of the vehicle's insurer;

~~(v) A third-party insurer that has a duty to repair or replace the vehicle, has obtained consent from the registered owner or the owner's agent to move the vehicle, and has documented that consent in the insurer's claim file, or a vendor working on behalf of a third-party insurer that has received such consent; provided, however, that at all times the registered owner must be granted access to the vehicle. For the purposes of this subsection, "owner's agent" means the legal owner of the vehicle, a driver in possession of the vehicle with the registered owner's permission, or an adult member of the registered owner's family;~~

~~(vi) A person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department(~~or one~~); or~~

~~(vii) A person who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor(~~or may redeem an impounded vehicle or items of personal property registered or titled with the department~~).~~

(b) In addition, a vehicle impounded because the operator is in violation of RCW 46.20.342(1)(c) shall not be released until a person eligible to redeem it under (a) of this subsection (~~((1)(a))~~) satisfies the requirements of (~~((e))~~) (f) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency. If the department's records show that the operator has been convicted of a violation of RCW 46.20.342 or a similar local ordinance within the past five years, the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. A vehicle impounded because the operator is arrested for a violation of RCW 46.20.342 may be released only pursuant to a written order from the agency that ordered the vehicle impounded or from the court having jurisdiction. An agency shall issue a written order to release pursuant to a provision of an applicable state agency rule or local ordinance authorizing release on the basis of the following:

(i) Economic or personal hardship to the spouse of the operator, taking into consideration public safety factors, including the operator's criminal history and driving record; or

(ii) The owner of the vehicle was not the driver, the owner did not know that the driver's license was suspended or revoked, and the owner has not received a prior release under this subsection or RCW 46.55.113(3).

In order to avoid discriminatory application, other than for the reasons for release set forth in (~~((a))~~) (b)(i) and (ii) of this subsection, an agency shall, under a provision of an applicable state agency rule or local ordinance, deny release in all other circumstances without discretion.

If a vehicle is impounded because the operator is in violation of RCW 46.20.342(1) (a) or (b), the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. However, if the department's records show that the operator has been convicted of a violation of RCW 46.20.342(1) (a) or (b) or a similar local ordinance within the past five years, the

vehicle may be held at the written direction of the agency ordering the vehicle impounded for up to sixty days, and for up to ninety days if the operator has two or more such prior offenses. If a vehicle is impounded because the operator is arrested for a violation of RCW 46.20.342, the vehicle may not be released until a person eligible to redeem it under (a) of this subsection (~~((f))~~) satisfies the requirements of (~~((e))~~) (f) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency.

~~((b))~~ (c) If the vehicle is directed to be held for a suspended license impound, a person who desires to redeem the vehicle at the end of the period of impound shall within five days of the impound at the request of the tow truck operator pay a security deposit to the tow truck operator of not more than one-half of the applicable impound storage rate for each day of the proposed suspended license impound. The tow truck operator shall credit this amount against the final bill for removal, towing, and storage upon redemption. The tow truck operator may accept other sufficient security in lieu of the security deposit. If the person desiring to redeem the vehicle does not pay the security deposit or provide other security acceptable to the tow truck operator, the tow truck operator may process and sell at auction the vehicle as an abandoned vehicle within the normal time limits set out in RCW 46.55.130(1). The security deposit required by this section may be paid and must be accepted at any time up to twenty-four hours before the beginning of the auction to sell the vehicle as abandoned. The registered owner is not eligible to purchase the vehicle at the auction, and the tow truck operator shall sell the vehicle to the highest bidder who is not the registered owner.

~~((e))~~ (d) Notwithstanding ~~((b))~~ (c) of this subsection, a rental car business may immediately redeem a rental vehicle it owns by payment of the costs of removal, towing, and storage, whereupon the vehicle will not be held for a suspended license impound.

~~((d))~~ (e) Notwithstanding ~~((b))~~ (c) of this subsection, a motor vehicle dealer or lender with a perfected security interest in the vehicle may redeem or lawfully repossess a vehicle immediately by payment of the costs of removal, towing, and storage, whereupon the vehicle will not be held for a suspended license impound. A motor vehicle dealer or lender with a perfected security interest in the vehicle may not knowingly and intentionally engage in collusion with a registered owner to repossess and then return or resell a vehicle to the registered owner in an attempt to avoid a suspended license impound. However, this provision does not preclude a vehicle dealer or a lender with a perfected security interest in the vehicle from repossessing the vehicle and then selling, leasing, or otherwise disposing of it in accordance with chapter 62A.9A RCW, including providing redemption rights to the debtor under RCW 62A.9A-623. If the debtor is the registered owner of the vehicle, the debtor's right to redeem the vehicle under chapter 62A.9A RCW is conditioned upon the debtor obtaining and providing proof from the impounding authority or court having jurisdiction that any fines, penalties, and forfeitures owed by the registered owner, as a result of the suspended license impound, have been paid, and proof of the payment must be tendered to the vehicle dealer or lender at the time the debtor tenders all other obligations required to redeem the vehicle. Vehicle dealers or lenders are not liable for damages if they rely in good faith on an order from the impounding agency or a court in releasing a vehicle held under a suspended license impound.

~~((e))~~ (f) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle, with credit being given for the amount of any security deposit paid under ~~((b))~~ (c) of this subsection. In addition, if a vehicle is impounded because the operator was arrested for a violation of RCW 46.20.342

or 46.20.345 and was being operated by the registered owner when it was impounded under local ordinance or agency rule, it must not be released to any person until the registered owner establishes with the agency that ordered the vehicle impounded or the court having jurisdiction that any penalties, fines, or forfeitures owed by him or her have been satisfied. Registered tow truck operators are not liable for damages if they rely in good faith on an order from the impounding agency or a court in releasing a vehicle held under a suspended license impound. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards issued by financial institutions, or personal checks drawn on Washington state branches of financial institutions if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm cannot determine through the customer's bank or a check verification service that the presented check would be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. The municipal court has jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the appropriate court within ten days of the date the opportunity was provided for in ~~((subsection (2))~~(a) of this subsection and more than five days before the date of the auction. At the time of the filing of the hearing request, the petitioner shall pay to the court clerk a filing fee in the same amount required for the filing of a suit in district court. If the hearing request is not received by the court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper. The court may consider a written report made under oath by the officer who authorized the impoundment in lieu of the officer's personal appearance at the hearing.

(c) At the conclusion of the hearing, the court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for the amount of the filing fee required by law for the impound hearing petition as well as reasonable damages for loss of the use of the vehicle during the time the same was impounded against the person or agency authorizing the impound. However, if an impoundment arising from an alleged violation of RCW 46.20.342 or 46.20.345 is determined to be in violation of this chapter, then the law enforcement officer directing the impoundment and the government employing the officer are not liable for damages if the officer relied in good faith and without gross negligence on the records of the department in ascertaining that the operator of the vehicle had a suspended or revoked driver's license. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

TO:

YOU ARE HEREBY NOTIFIED JUDGMENT was entered against you in the Court located at in the sum of \$., in an action entitled, Case No. YOU ARE FURTHER NOTIFIED that attorneys fees and costs will be awarded against you under RCW . . . if the judgment is not paid within 15 days of the date of this notice.

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Health care-associated infection" means a localized or systemic condition that results from adverse reaction to the presence of an infectious agent or its toxins and that was not present or incubating at the time of admission to the hospital.

(b) "Hospital" means a health care facility licensed under chapter 70.41 RCW.

(2)(a) A hospital shall collect data related to health care-associated infections as required under this subsection (2) on the following:

(i) ~~((Beginning July 1, 2008, central line-associated bloodstream infection in the intensive care unit;~~

~~(ii) Beginning January 1, 2009, ventilator-associated pneumonia; and~~

~~(iii) Beginning January 1, 2010,)) Central line-associated bloodstream infection in all hospital inpatient areas where patients normally reside at least twenty-four hours;~~

~~(ii) Surgical site infection for the following procedures:~~

(A) Deep sternal wound for cardiac surgery, including coronary artery bypass graft;

(B) Total hip and knee replacement surgery; and

(C) ~~((Hysterectomy, abdominal and vaginal.~~

~~(b)(i) Except as required under (b)(ii) and (c) of this subsection,)) Colon and abdominal hysterectomy procedures.~~

~~(b) The department shall, by rule, delete, add, or modify categories of reporting when the department determines that doing so is necessary to align state reporting with the reporting categories of the centers for medicare and medicaid services. The department shall begin rule making forty-five calendar days, or as soon as practicable,~~

after the centers for medicare and medicaid services adopts changes to reporting requirements.

~~—(c) A hospital must routinely collect and submit the data required to be collected under (a) and (b) of this subsection to the national healthcare safety network of the United States centers for disease control and prevention in accordance with national healthcare safety network definitions, methods, requirements, and procedures.~~

~~((ii) Until the national health care safety network releases a revised module that successfully interfaces with a majority of computer systems of Washington hospitals required to report data under (a)(iii) of this subsection or three years, whichever occurs sooner, a hospital shall monthly submit the data required to be collected under (a)(iii) of this subsection to the Washington state hospital association's quality benchmarking system instead of the national health care safety network. The department shall not include data reported to the quality benchmarking system in reports published under subsection (3)(d) of this section. The data the hospital submits to the quality benchmarking system under (b)(ii) of this subsection:~~

~~—(A) Must include the number of infections and the total number of surgeries performed for each type of surgery; and~~

~~—(B) Must be the basis for a report developed by the Washington state hospital association and published on its web site that compares the health care-associated infection rates for surgical site infections at individual hospitals in the state using the data reported in the previous calendar year pursuant to this subsection. The report must be published on December 1, 2010, and every year thereafter until data is again reported to the national health care safety network.~~

~~—(c)(i) With respect to any of the health care-associated infection measures for which reporting is required under (a) of this subsection, the department must, by rule, require hospitals to collect and submit the data to the centers for medicare and medicaid services according to the definitions, methods, requirements, and procedures of the hospital compare program, or its successor, instead of to the national healthcare safety network, if the department determines that:~~

~~—(A) The measure is available for reporting under the hospital compare program, or its successor, under substantially the same definition; and~~

~~—(B) Reporting under this subsection (2)(c) will provide substantially the same information to the public.~~

~~—(ii) If the department determines that reporting of a measure must be conducted under this subsection (2)(c), the department must adopt rules to implement such reporting. The department's rules must require reporting to the centers for medicare and medicaid services as soon as practicable, but not more than one hundred twenty days, after the centers for medicare and medicaid services allow hospitals to report the respective measure to the hospital compare program, or its successor. However, if the centers for medicare and medicaid services allow infection rates to be reported using the centers for disease control and prevention's national healthcare safety network, the department's rules must require reporting that reduces the burden of data reporting and minimizes changes that hospitals must make to accommodate requirements for reporting.) If the centers for medicare and medicaid services changes reporting from the national healthcare safety network to another database or through another process, the department shall review the new reporting database or process and consider whether it aligns with the purposes of this section.~~

~~(d) Data collection and submission required under this subsection (2) must be overseen by a qualified individual with the appropriate level of skill and knowledge to oversee data collection and submission.~~

~~(e)(i) A hospital must release to the department, or grant the department access to, its hospital-specific information contained in the reports submitted under this subsection (2), as requested by the department consistent with RCW 70.02.050.~~

~~(ii) The hospital reports obtained by the department under this subsection (2), and any of the information contained in them, are not~~

subject to discovery by subpoena or admissible as evidence in a civil proceeding, and are not subject to public disclosure as provided in RCW 42.56.360.

(3) The department shall:

(a) Provide oversight of the health care-associated infection reporting program established in this section;

~~(b) By January 1, ((2011)) 2014, and biennially thereafter, submit a report to the appropriate committees of the legislature ((based on the recommendations of the advisory committee established in subsection (5) of this section for additional reporting requirements related to health care-associated infections, considering the methodologies and practices of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations)) that contains: (i) Categories of reporting currently required of hospitals under subsection (2)(a) of this section; (ii) categories of reporting the department plans to add, delete, or modify by rule; and (iii) a description of the evaluation process used under (f) of this subsection;~~

~~(c) ((Delete, by rule, the reporting of categories that the department determines are no longer necessary to protect public health and safety;~~

~~—(d)) By December 1, 2016, report to the appropriate committees of the legislature with an update on the categories of reporting required under subsection (2)(a) of this section, any plans for federal reporting requirements on the categories, and recommendations for an expiration of the reporting requirements;~~

~~(d) By rule, delete, add, or modify categories of reporting when the department determines that it is necessary to align state reporting with the reporting categories of the centers for medicare and medicaid services. The department shall begin rule making forty-five calendar days, or as soon as practicable, after the centers for medicare and medicaid services adopts changes to reporting requirements;~~

~~(e) By December 1, 2009, and by each December 1st thereafter, prepare and publish a report on the department's web site that compares the health care-associated infection rates at individual hospitals in the state using the data reported in the previous calendar year pursuant to subsection (2) of this section. The department may update the reports quarterly. In developing a methodology for the report and determining its contents, the department shall consider the recommendations of the advisory committee established in subsection (5) of this section. The report is subject to the following:~~

~~(i) The report must disclose data in a format that does not release health information about any individual patient; and~~

~~(ii) The report must not include data if the department determines that a data set is too small or possesses other characteristics that make it otherwise unrepresentative of a hospital's particular ability to achieve a specific outcome; ((and~~

~~—(e)) (f) Evaluate, on a regular basis, the quality and accuracy of health care-associated infection reporting required under subsection (2) of this section and the data collection, analysis, and reporting methodologies; and~~

~~(g) Provide assistance to hospitals with the reporting requirements of this chapter including definitions of required reporting elements.~~

~~(4) The department may respond to requests for data and other information from the data required to be reported under subsection (2) of this section, at the requestor's expense, for special studies and analysis consistent with requirements for confidentiality of patient records.~~

~~(5)(a) The department shall establish an advisory committee which may include members representing infection control professionals and epidemiologists, licensed health care providers, nursing staff, organizations that represent health care providers and facilities, health maintenance organizations, health care payers and consumers, and the department. The advisory committee shall make recommendations to assist the department in carrying out its~~

responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report selected data from certified critical access hospitals. (~~Annually, beginning January 1, 2011, the advisory committee shall also make a recommendation to the department as to whether current science supports expanding presurgical screening for methicillin-resistant staphylococcus aureus prior to open chest cardiac, total hip, and total knee elective surgeries.-~~)

(b) In developing its recommendations, the advisory committee shall consider methodologies and practices related to health care-associated infections of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations.

(6) The department shall adopt rules as necessary to carry out its responsibilities under this section."

Before issuing a scrap metal license to a scrap metal processor or scrap metal recycler, the department of licensing shall require the applicant to file with the department a surety bond in the amount of ten thousand dollars, running to the state of Washington, and executed by a surety company authorized to do business in the state of Washington. The bond shall be approved as to form by the attorney general and conditioned upon the licensee conducting the business in conformity with the provisions of this chapter. Except as prohibited elsewhere in this chapter, any person who has suffered loss or damage by reason of fraud or gross negligence, or an intentional or reckless violation of the terms of this chapter, or misrepresentation on the part of the scrap metal processor or recycler, may institute an action for recovery against the licensee and surety upon the bond. However, the aggregate liability of the surety to all persons shall in no event exceed the amount of the bond.

NEW SECTION. Sec. 18. A new section is added to chapter 19.290 RCW to read as follows:

A license issued on the scrap metal license application remains in force until suspended or revoked and may be renewed annually upon reapplication and upon payment of the required fee. A licensee who fails or neglects to renew the license before the assigned expiration date shall pay the fee for an original scrap metal license as provided in this chapter.

Whenever a scrap metal processor, recycler, or supplier ceases to do business as such or the license has been suspended or revoked, the licensee shall immediately surrender the license to the department of licensing.

NEW SECTION. Sec. 19. A new section is added to chapter 19.290 RCW to read as follows:

The licensee shall obtain a special set of license plates in addition to the regular licenses and plates required for the operation of such vehicles. The special plates must be displayed on vehicles owned and/or operated by the licensee and used in the conduct of the business. The fee for these plates shall be five dollars for the original plates and two dollars for each additional set of plates bearing the same license number. A licensee with more than one licensed location in the state may use special plates bearing the same license number for vehicles operated out of any of the licensed locations.

NEW SECTION. Sec. 20. A new section is added to chapter 19.290 RCW to read as follows:

The uniform regulation of business and professions act, chapter 18.235 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter.

NEW SECTION. Sec. 21. A new section is added to chapter 19.290 RCW to read as follows:

If a person whose scrap metal license has previously been canceled for cause by the department of licensing files an application for a license to conduct business as a scrap metal processor, recycler, or supplier, or if the department is of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license has previously been canceled for cause, the department may refuse to issue the person a license to conduct business as a scrap metal processor, recycler, or supplier.

NEW SECTION. Sec. 22. A new section is added to chapter 19.290 RCW to read as follows:

(1) The director of licensing is hereby authorized to adopt reasonable rules and regulations not in conflict with provisions hereof for the proper operation and enforcement of this chapter.

(2) The director shall set all license and renewal fees in accordance with RCW 43.24.086.

NEW SECTION. Sec. 23. A new section is added to chapter 19.290 RCW to read as follows:

The chiefs of police, the county sheriffs, and the Washington state patrol may make periodic inspection of the licensee's licensed premises and records provided for in this chapter during normal business hours, and furnish a certificate of inspection to the department of licensing in such manner as may be determined by the department. In any instance, an authorized representative of the department may make the inspection. Licensees are subject to unannounced periodic inspections, as described in this section.

NEW SECTION. Sec. 24. A new section is added to chapter 19.290 RCW to read as follows:

The state of Washington hereby fully occupies and preempts the entire field of regulation of scrap metal processors, recyclers, or suppliers within the boundaries of the state. Any political subdivision in this state may enact or enforce only those laws and ordinances relating to the regulation of scrap metal processors, recyclers, or suppliers that are specifically authorized by state law and are consistent with this chapter. Nothing in this chapter is intended to limit the authority of any political subdivision to impose generally applicable zoning, land use, permitting, general business licensing, environmental, and health and safety requirements or authorized business taxes upon scrap metal processors, recyclers, or suppliers within their jurisdictions. Local ordinances pertaining specifically to scrap metal processors, recyclers, or suppliers shall have the same or lesser penalty as provided for by state law. Local scrap metal laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of state law shall not be enacted and are hereby preempted and repealed, regardless of the code, charter, or home rule status of such political subdivision.

NEW SECTION. Sec. 25. A new section is added to chapter 19.290 RCW to read as follows:

(1) In addition to the powers granted in chapter 18.235 RCW, the department of licensing or its authorized agent may examine or subpoena any persons, books, papers, records, data, vehicles, or metal property bearing upon the investigation or proceeding under this chapter.

(2) The persons subpoenaed may be required to testify and produce any books, papers, records, data, vehicles, or metal property that the director of licensing deems relevant or material to the inquiry.

(3) The director of the department of licensing or an authorized agent may administer an oath to the person required to testify, and a person giving false testimony after the administration of the oath is guilty of perjury in the first degree under RCW 9A.72.020.

(4)(a) Any authorized representative of the director of the department of licensing may apply for and obtain a superior court order approving and authorizing a subpoena in advance of its issuance. The application may be made in the county where the subpoenaed person resides or is found, or the county where the subpoenaed records or documents are located, or in Thurston county. The application must:

(i) State that an order is sought pursuant to this subsection;

(ii) Adequately specify the records, documents, or testimony; and

(iii) Declare under oath that an investigation is being conducted for a lawfully authorized purpose related to an investigation within the department's authority and that the subpoenaed documents or testimony are reasonably related to an investigation within the department's authority.

(b) Where the application under this subsection is made to the satisfaction of the court, the court must issue an order approving the subpoena. An order under this subsection constitutes authority of law for the agency to subpoena the records or testimony.

(c) Any authorized representative of the director of the department of licensing may seek approval and a court may issue an order under this subsection without prior notice to any person,

including the person to whom the subpoena is directed and the person who is the subject of an investigation.

(5) Any records created or produced under this section are exempt from disclosure under chapter 42.56 RCW.

NEW SECTION. Sec. 26. A new section is added to chapter 36.28A RCW to read as follows:

(1) When funded, the Washington association of sheriffs and police chiefs shall establish a grant program to assist local law enforcement agencies in the support of special enforcement emphasis targeting metal theft. Grant applications shall be reviewed and awarded through peer review panels. Grant applicants are encouraged to utilize multijurisdictional efforts.

(2) Each grant applicant shall:

(a) Show a significant metal theft problem in the jurisdiction or jurisdictions receiving the grant;

(b) Verify that grant awards are sufficient to cover increased investigation, prosecution, and jail costs;

(c) Design an enforcement program that best suits the specific metal theft problem in the jurisdiction or jurisdictions receiving the grant;

(d) Demonstrate community coordination focusing on prevention, intervention, and suppression; and

(e) Collect data on performance.

(3) The cost of administering the grants shall not exceed sixty thousand dollars, or three percent of appropriated funding, whichever is greater.

(4) Grant awards may not be used to supplant preexisting funding sources for special enforcement targeting metal theft.

NEW SECTION. Sec. 27. A new section is added to chapter 19.290 RCW to read as follows:

(1) Law enforcement agencies may register with the scrap theft alert system that is maintained and provided at no charge to users by the institute of scrap recycling industries, incorporated, or its successor organization, to receive alerts regarding thefts of private, nonferrous, or commercial metal property in the relevant geographic area.

(2) Any business licensed under this chapter shall:

(c) A property owner's property is not subject to seizure if an employee or agent of that property owner uses the property owner's property to knowingly or intentionally facilitate the commission of, or to knowingly or intentionally aid and abet the commission of, a crime involving theft, trafficking, or unlawful possession of commercial metal property, in violation of that property owner's instructions or policies against such activity, and without the property owner's knowledge or consent.

(2) The following real property is subject to seizure and forfeiture and no property right exists in them: All real property, including any

right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements, that the seizing agency proves by a preponderance of the evidence are being used with the knowledge of the owner for the intentional commission of any crime involving the theft, trafficking, or unlawful possession of commercial metal property, or which have been acquired in whole or in part with proceeds traceable to the commission of any crime involving the trafficking, theft, or unlawful possession of commercial metal, if such activity is not less than a class C felony and a substantial nexus exists between the commission of the violation or crime and the real property. However:

(a) No property may be forfeited pursuant to this subsection (2), to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner's actual or constructive knowledge; and further, a property owner's real property is not subject to seizure if an employee or agent of that property owner uses the property owner's real property to knowingly or intentionally facilitate the commission of, or to knowingly or intentionally aid and abet the commission of, a crime involving theft, trafficking, or unlawful possession of commercial metal property, in violation of that property owner's instructions or policies against such activity, and without the property owner's knowledge or consent; and

(b) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, neither had actual or constructive knowledge, nor consented to the act or omission.

(3) Property subject to forfeiture under this chapter may be seized by any law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant; or

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding.

(4) In the event of seizure pursuant to this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure of personal property may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected by filing a financing statement in accordance with chapter 62A.9A RCW, or a certificate of title shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse or domestic partner committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(6) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized property within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the property involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorneys' fees. The burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property.

(7) At the hearing, the seizing agency has the burden of proof to establish by a preponderance of the evidence that seized property is subject to forfeiture, and that the use or intended use of the seized property in connection with a crime pursuant to this section occurred with the owner's actual or constructive knowledge or consent. The person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property has the burden of proof to establish by a preponderance of the evidence that the person owns or has a right to possess the seized property. The possession of bare legal title is not sufficient to establish ownership of seized property if the seizing agency proves by a preponderance of the evidence that the person claiming ownership or right to possession is a nominal owner and did not actually own or exert a controlling interest in the property.

The seizing law enforcement agency shall promptly return the property to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession of the property.

(8) When property is forfeited under this chapter, after satisfying any court-ordered victim restitution, the seizing law enforcement agency may:

(a) Retain it for official use or, upon application by any law enforcement agency of this state, release such property to such agency; or

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public.

(9)(a) Within one hundred twenty days after the entry of an order of forfeiture, each seizing agency shall remit to, if known, the victim

of the crime involving the seized property, an amount equal to fifty percent of the net proceeds of any property forfeited.

(b) Retained property and net proceeds not required to be paid to victims shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of law enforcement activity. Money retained under this section may not be used to supplant preexisting funding sources.

(c) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages.

(d) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(10) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

NEW SECTION. Sec. 30. A new section is added to chapter 19.290 RCW to read as follows:

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to Engrossed House Bill No. 1733 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed House Bill No. 1768 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 41.** RCW 39.10.420 and 2012 c 102 s 1 are each amended to read as follows:

(1) The following public bodies are authorized to use the job order contracting procedure:

- (a) The department of enterprise services;

- (b) The state universities, regional universities, and The Evergreen State College;
- (c) Sound transit (central Puget Sound regional transit authority);
- (d) Every city with a population greater than seventy thousand and any public authority chartered by such city under RCW 35.21.730 through 35.21.755;
- (e) Every county with a population greater than four hundred fifty thousand;
- (f) Every port district with total revenues greater than fifteen million dollars per year;
- (g) Every public utility district with revenues from energy sales greater than twenty-three million dollars per year;
- (h) Every school district; ~~((and))~~
- (i) The state ferry system; and
- (j) The Washington state department of transportation, for the administration of building improvement, replacement, and renovation projects only.

(2)(a) The department of enterprise services may issue job order contract work orders for Washington state parks department projects.

(b) The department of enterprise services, the University of Washington, and Washington State University may issue job order contract work orders for the state regional universities and The Evergreen State College.

(3) Public bodies may use a job order contract for public works projects when a determination is made that the use of job order contracts will benefit the public by providing an effective means of reducing the total lead-time and cost for the construction of public works projects for repair and renovation required at public facilities through the use of unit price books and work orders by eliminating time-consuming, costly aspects of the traditional public works process, which require separate contracting actions for each small project.

Sec. 42. RCW 39.10.440 and 2007 c 494 s 403 are each amended to read as follows:

(1) The maximum total dollar amount that may be awarded under a job order contract is four million dollars per year for a maximum of three years.

(2) Job order contracts may be executed for an initial contract term of not to exceed two years, with the option of extending or renewing the job order contract for one year. All extensions or renewals must be priced as provided in the request for proposals. The extension or renewal must be mutually agreed to by the public body and the job order contractor.

(3) A public body may have no more than two job order contracts in effect at any one time, with the exception of the department of ~~((general administration))~~ enterprise services, which may have four job order contracts in effect at any one time.

(4) At least ninety percent of work contained in a job order contract must be subcontracted to entities other than the job order contractor. The job order contractor must distribute contracts as equitably as possible among qualified and available subcontractors including minority and woman-owned subcontractors to the extent permitted by law.

(5) The job order contractor shall publish notification of intent to perform public works projects at the beginning of each contract year in a statewide publication and in a legal newspaper of general circulation in every county in which the public works projects are anticipated.

(6) Job order contractors shall pay prevailing wages for all work that would otherwise be subject to the requirements of chapter 39.12 RCW. Prevailing wages for all work performed pursuant to each work order must be the rates in effect at the time the individual work order is issued.

(7) If, in the initial contract term, the public body, at no fault of the job order contractor, fails to issue the minimum amount of work orders stated in the public request for proposals, the public body shall

pay the contractor an amount equal to the difference between the minimum work order amount and the actual total of the work orders issued multiplied by an appropriate percentage for overhead and profit contained in the contract award coefficient for services as specified in the request for proposals. This is the contractor's sole remedy.

(8) All job order contracts awarded under this section must be signed before July 1, ~~((2013))~~ 2021; however the job order contract may be extended or renewed as provided for in this section.

(9) Public bodies may amend job order contracts awarded prior to July 1, 2007, in accordance with this chapter.

Sec. 43. RCW 39.10.490 and 2007 c 494 s 501 are each amended to read as follows:

The alternative public works contracting procedures authorized under this chapter are limited to public works contracts signed before July 1, ~~((2013))~~ 2021. Methods of public works contracting authorized under this chapter shall remain in full force and effect until completion of contracts signed before July 1, ~~((2013))~~ 2021.

The alternative ~~((public))~~ public works contracting procedures under chapter 39.10 RCW shall be terminated June 30, ~~((2013))~~ 2021, as provided in RCW 43.131.408.

SUBSTITUTE HOUSE BILL NO. 1093, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1114 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The legislature finds that persons with a mental illness or developmental disability are more likely to be victimized by crime than to be perpetrators of crime. The legislature further finds that there are a small number of individuals who commit repeated violent acts against others while suffering from the effects of a mental illness and/or developmental disability that both contributes to their criminal behaviors and renders them legally incompetent to be held accountable for those behaviors. The legislature further finds that the primary statutory mechanisms designed to protect the public from violent behavior, either criminal commitment to a corrections institution, or long-term commitment as not guilty by reason of insanity, are unavailable due to the legal incompetence of these individuals to stand trial. The legislature further finds that the existing civil system of short-term commitments under the Washington's involuntary treatment act is insufficient to protect the public from these violent acts. Finally, the legislature finds that changes to the involuntary treatment act to account for this small number of individuals is necessary in order to serve Washington's compelling interest in public safety and to provide for the proper care of these individuals.

Sec. 2. RCW 10.77.086 and 2012 c 256 s 6 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, or has been determined unlikely to regain competency pursuant to RCW 10.77.084(1)(b), but in any event for a period of no longer than ninety days, the court:

(i) Shall commit the defendant to the custody of the secretary who shall place such defendant in an appropriate facility of the department for evaluation and treatment; or

(ii) May alternatively order the defendant to undergo evaluation and treatment at some other facility as determined by the department, or under the guidance and control of a professional person.

(b) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial period of commitment for competency restoration is forty-five days.

(2) On or before expiration of the initial period of commitment under subsection (1) of this section the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a defendant charged with a felony is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional period of ninety days, but the court must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second restoration period. The defendant, the defendant's attorney, or the prosecutor has the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third restoration period as provided in subsection (4) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.

(4) For persons charged with a felony, at the hearing upon the expiration of the second restoration period or at the end of the first restoration period, in the case of a defendant with a developmental disability, if the jury or court finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and the court shall ~~((either order the release of the defendant or))~~ order the defendant be committed to a state hospital ((or secure mental health facility)) as defined in RCW 72.23.010 for up to seventy-two hours starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. The criminal charges shall not be dismissed if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

Sec. 3. RCW 10.77.270 and 2010 c 263 s 1 are each amended to read as follows:

(1) The secretary shall establish an independent public safety review panel for the purpose of advising the secretary and the courts with respect to persons who have been found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall provide advice regarding all recommendations to the secretary, decisions by the secretary, or actions pending in court: (a) For a change in commitment status; (b) to allow furloughs or temporary leaves accompanied by staff; (c) not to seek further commitment terms under RCW 71.05.320; or ~~((c))~~ (d) to permit movement about the grounds of the treatment facility, with or without the accompaniment of staff.

(2) The members of the public safety review panel shall be appointed by the governor for a renewable term of three years and shall include the following:

- (a) A psychiatrist;
- (b) A licensed clinical psychologist;
- (c) A representative of the department of corrections;
- (d) A prosecutor or a representative of a prosecutor's association;
- (e) A representative of law enforcement or a law enforcement association;
- (f) A consumer and family advocate representative; and
- (g) A public defender or a representative of a defender's association.

(3) Thirty days prior to issuing a recommendation for conditional release under RCW 10.77.150 or forty-five days prior to issuing a recommendation for release under RCW 10.77.200, the secretary shall submit its recommendation with the committed person's application and the department's risk assessment to the public safety review panel. The public safety review panel shall complete an independent assessment of the public safety risk entailed by the secretary's proposed conditional release recommendation or release recommendation and provide this assessment in writing to the

secretary. The public safety review panel may, within funds appropriated for this purpose, request additional evaluations of the committed person. The public safety review panel may indicate whether it is in agreement with the secretary's recommendation, or whether it would issue a different recommendation. The secretary shall provide the panel's assessment when it is received along with any supporting documentation, including all previous reports of evaluations of the committed person in the person's hospital record, to the court, prosecutor in the county that ordered the person's commitment, and counsel for the committed person.

(4) The secretary shall notify the public safety review panel at appropriate intervals concerning any changes in the commitment or custody status of persons found not guilty by reason of insanity, or persons committed under the involuntary treatment act where the court has made a special finding under RCW 71.05.280(3)(b). The panel shall have access, upon request, to a committed person's complete hospital record, and any other records deemed necessary by the public safety review panel.

(5) The department shall provide administrative and financial support to the public safety review panel. The department, in consultation with the public safety review panel, may adopt rules to implement this section.

(6) By December 1, 2014, the public safety review panel shall report to the appropriate legislative committees the following:

(a) Whether the public safety review panel has observed a change in statewide consistency of evaluations and decisions concerning changes in the commitment status of persons found not guilty by reason of insanity;

(b) Whether the public safety review panel should be given the authority to make release decisions and monitor release conditions;

(c) Whether further changes in the law are necessary to enhance public safety when incompetency prevents operation of the criminal justice system and long-term commitment of the criminally insane; and

(d) Any other issues the public safety review panel deems relevant.

Sec. 4. RCW 71.05.280 and 2008 c 213 s 6 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled.

Sec. 5. RCW 71.05.320 and 2009 c 323 s 2 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment.

(3) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability continues to present((s)) a substantial likelihood of repeating ((similar)) acts ((considering)) similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety. (ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty day period whenever the petition presents prima facie evidence that the person continues to suffer from a mental disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the mental disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

(4) For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the

designated mental health professional may file a new petition for continued less restrictive treatment if:

(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction;

(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and

(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

(5) A new petition for involuntary treatment filed under subsection (3) or (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. However, a commitment is not permissible under subsection (4) of this section if thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, nor shall a commitment under subsection (4) of this section be permissible if the likelihood of serious harm in subsection (4)(c) of this section is based solely on harm to the property of others.

(7) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 6. RCW 71.05.425 and 2011 c 305 s 5 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before conditional release, final release, authorized leave under RCW 71.05.325(2), or transfer to a facility other than a state mental hospital, the superintendent shall send written notice of conditional release, release, authorized leave, or transfer of a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) to the following:

(i) The chief of police of the city, if any, in which the person will reside; ~~((and))~~

(ii) The sheriff of the county in which the person will reside; and

(iii) The prosecuting attorney of the county in which the criminal charges against the committed person were dismissed.

(b) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4):

(i) The victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding

commitment under RCW 71.05.280(3) or 71.05.320(3)(c) or the victim's next of kin if the crime was a homicide;

(ii) Any witnesses who testified against the person in any court proceedings;

(iii) Any person specified in writing by the prosecuting attorney. Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the person committed under this chapter; and

(iv) The chief of police of the city, if any, and the sheriff of the county, if any, which had jurisdiction of the person on the date of the applicable offense.

(c) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical transfers.

(d) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2) If a person committed under RCW 71.05.280(3) or 71.05.320(3)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(4) escapes, the superintendent shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the person escaped and in which the person resided immediately before the person's arrest and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall also notify the witnesses and the victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(4) preceding commitment under RCW 71.05.280(3) or 71.05.320(3) or the victim's next of kin if the crime was a homicide. In addition, the secretary shall also notify appropriate parties pursuant to RCW 71.05.390(18). If the person is recaptured, the superintendent shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parent or legal guardian of the child.

(4) The superintendent shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(5) For purposes of this section the following terms have the following meanings:

(a) "Violent offense" means a violent offense under RCW 9.94A.030;

(b) "Sex offense" means a sex offense under RCW 9.94A.030;

(c) "Next of kin" means a person's spouse, state registered domestic partner, parents, siblings, and children;

(d) "Felony harassment offense" means a crime of harassment as defined in RCW 9A.46.060 that is a felony.

Sec. 7. RCW 10.77.200 and 2010 c 263 s 8 are each amended to read as follows:

(1) Upon application by the committed or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for release. In making this determination, the secretary may consider the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case. If the secretary approves the release he or she then shall authorize the person to petition the court.

(2) In instances in which persons have not made application for release, but the secretary believes, after consideration of the reports filed under RCW 10.77.060, 10.77.110, 10.77.140, and 10.77.160, and other reports and evaluations provided by professionals familiar with the case, that reasonable grounds exist for release, the secretary

may petition the court. If the secretary petitions the court for release under this subsection, notice of the petition must be provided to the person who is the subject of the petition and to his or her attorney.

(3) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for release, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the ~~((petitioner))~~ person who is the subject of the petition examined by an expert or professional person of the prosecuting attorney's choice. If the secretary is the petitioner, the attorney general shall represent the secretary. If the ~~((petitioner))~~ person who is the subject of the petition is indigent, and the person so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the ~~((petitioner))~~ person who is the subject of the petition has a developmental disability, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the ~~((petitioner))~~ person who is the subject of the petition no longer presents, as a result of a mental disease or defect, a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions. If the person who is the subject of the petition will be transferred to a state correctional institution or facility upon release to serve a sentence for any class A felony, the petitioner must show that the person's mental disease or defect is manageable within a state correctional institution or facility, but must not be required to prove that the person does not present either a substantial danger to other persons, or a substantial likelihood of committing criminal acts jeopardizing public safety or security, if released.

(4) For purposes of this section, a person affected by a mental disease or defect in a state of remission is considered to have a mental disease or defect requiring supervision when the disease may, with reasonable medical probability, occasionally become active and, when active, render the person a danger to others. Upon a finding that the ~~((petitioner))~~ person who is the subject of the petition has a mental disease or defect in a state of remission under this subsection, the court may deny release, or place or continue such a person on conditional release.

(5) Nothing contained in this chapter shall prohibit the patient from petitioning the court for release or conditional release from the institution in which he or she is committed. The petition shall be served upon the court, the prosecuting attorney, and the secretary. Upon receipt of such petition, the secretary shall develop a recommendation as provided in subsection (1) of this section and provide the secretary's recommendation to all parties and the court. The issue to be determined on such proceeding is whether the ~~((petitioner))~~ patient, as a result of a mental disease or defect, is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(6) Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. If specific funding for the purposes of sections 3 through 5 of this act, referencing sections 3 through 5 of this act by bill or chapter number and section number, is not provided by June 30, 2013, in the omnibus appropriations act, sections 3 through 5 of this act are null and void."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "criminal incompetency, civil commitment, and commitments based on criminal insanity; amending RCW 10.77.086, 10.77.270, 71.05.280, 71.05.320, 71.05.425, and 10.77.200; and creating new sections."

MESSAGE FROM THE SENATE

April 12, 2013

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1178 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the use of a basic skills test as an entrance requirement to teacher certification programs has unintentionally created a barrier to the effective recruitment of candidates from underrepresented populations who are otherwise qualified for the program. Therefore, the legislature intends to expand the pool of potential teacher candidates by expanding the types of testing instruments and assessments that may be used to measure basic skills. The legislature intends to review any alternative

assessments to ensure that candidates must continue to meet the established standards for admission to a teacher certification program.

Sec. 2. RCW 28A.410.220 and 2008 c 176 s 2 are each amended to read as follows:

(1)(a) Beginning not later than September 1, 2001, the Washington professional educator standards board shall make available and pilot a means of assessing an applicant's knowledge in the basic skills. For the purposes of this section, "basic skills" means the subjects of at least reading, writing, and mathematics. Beginning September 1, 2002, except as provided in (c) and (d) of this subsection and subsection (4) of this section, passing this assessment shall be required for admission to approved teacher preparation programs and for persons from out-of-state applying for a Washington state residency teaching certificate.

(b) On an individual student basis, approved teacher preparation programs may admit into their programs a candidate who has not achieved the minimum basic skills assessment score established by the Washington professional educator standards board. Individuals so admitted may not receive residency certification without passing the basic skills assessment under this section.

(c) The Washington professional educator standards board may establish criteria to ensure that persons from out-of-state who are applying for residency certification and persons applying to master's degree level teacher preparation programs can demonstrate to the board's satisfaction that they have the requisite basic skills based upon having completed another basic skills assessment acceptable to the Washington professional educator standards board or by some other alternative approved by the Washington professional educator standards board.

(d) The Washington professional educator standards board may identify and accept other tests and test scores as long as the tests are comparable in rigor to the basic skills assessment and candidates meet or exceed the basic skills requirements established by the board. The board must set the acceptable score for admission to teacher certification programs at no lower than the average national scores for the SAT or ACT.

(2) The Washington professional educator standards board shall set performance standards and develop, pilot, and implement a uniform and externally administered professional-level certification assessment based on demonstrated teaching skill. In the development of this assessment, consideration shall be given to changes in professional certification program components such as the culminating seminar.

(3) Beginning not later than September 1, 2002, the Washington professional educator standards board shall provide for the initial piloting and implementation of a means of assessing an applicant's knowledge in the subjects for which the applicant has applied for an endorsement to his or her residency or professional teaching certificate. The assessment of subject knowledge shall not include instructional methodology. Beginning September 1, 2005, passing this assessment shall be required to receive an endorsement for certification purposes.

(4) The Washington professional educator standards board may permit exceptions from the assessment requirements under subsections (1), (2), and (3) of this section on a case-by-case basis.

(5) The Washington professional educator standards board shall provide for reasonable accommodations for individuals who are required to take the assessments in subsection (1), (2), or (3) of this section if the individuals have learning or other disabilities.

(6) With the exception of applicants exempt from the requirements of subsections (1), (2), and (3) of this section, an applicant must achieve a minimum assessment score or scores established by the Washington professional educator standards board on each of the assessments under subsections (1), (2), and (3) of this section.

(7) The Washington professional educator standards board and superintendent of public instruction, as determined by the Washington professional educator standards board, may contract with one or more third parties for:

(a) The development, purchase, administration, scoring, and reporting of scores of the assessments established by the Washington professional educator standards board under subsections (1), (2), and (3) of this section;

(b) Related clerical and administrative activities; or

(c) Any combination of the purposes in this subsection.

(8) Applicants for admission to a Washington teacher preparation program and applicants for residency and professional certificates who are required to successfully complete one or more of the assessments under subsections (1), (2), and (3) of this section, and who are charged a fee for the assessment by a third party contracted with under subsection (7) of this section, shall pay the fee charged by the contractor directly to the contractor. Such fees shall be reasonably related to the actual costs of the contractor in providing the assessment.

(9) The superintendent of public instruction is responsible for supervision and providing support services to administer this section.

(10) The Washington professional educator standards board shall collaboratively select or develop and implement the assessments and minimum assessment scores required under this section with the superintendent of public instruction and shall provide opportunities for representatives of other interested educational organizations to participate in the selection or development and implementation of such assessments in a manner deemed appropriate by the Washington professional educator standards board.

(11) The Washington professional educator standards board shall adopt rules under chapter 34.05 RCW that are reasonably necessary for the effective and efficient implementation of this section."

On page 1, line 2 of the title, after "certification;" strike the remainder of the title and insert "amending RCW 28A.410.220; and creating a new section."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed Substitute House Bill No. 1183 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 3.** RCW 43.21C.0384 and 1996 c 323 s 2 are each amended to read as follows:

(1) Decisions pertaining to applications to site personal wireless service facilities are not subject to the requirements of RCW 43.21C.030(2)(c), if those facilities meet the following requirements:

(a)(i) ~~The ((facility to be sited is a microcell and is to be attached to an existing structure that is not a residence or school and does not contain a residence or a school))~~ collocation of new transmission equipment, removal of transmission equipment, or replacement of existing transmission equipment on existing or replacement structures that do not substantially change the physical dimensions of such structures; or (ii) ~~((the facility includes personal wireless service antennas, other than a microcell, and is to be attached to an existing structure (that may be an existing tower) that is not a residence or school and does not contain a residence or a school, and the existing structure to which it is to be attached is located in a commercial, industrial, manufacturing, forest, or agricultural zone; or (iii)))~~ the siting project involves constructing a personal wireless service tower less than sixty feet in height that is located in a commercial, industrial, manufacturing, forest, or agricultural zone. This exemption does not apply to projects within a designated environmentally sensitive area; and

(b) ~~((The project is not in a designated environmentally sensitive area; and~~
 —(e)) The project does not consist of a series of actions: (i) Some of which are not categorically exempt; or (ii) that together may have a probable significant adverse environmental impact.

(2) The department of ecology shall adopt rules to create a categorical exemption for ~~((microcells and other))~~ personal wireless service facilities that meet the conditions set forth in subsection (1) of this section.

(3) ~~((For the purposes of this section:))~~ The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to Substitute House Bill No. 1183 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed Second Substitute House Bill No. 1723 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 4. A new section is added to chapter 43.215 RCW to read as follows:

The legislature finds that the first five years of a child's life establish the foundation for educational success. The legislature also finds that children who have high quality early learning opportunities from birth through age five are more likely to succeed throughout their K-12 education and beyond. The legislature further finds that the benefits of high quality early learning experiences are particularly significant for low-income parents and children, and provide an opportunity to narrow the opportunity gap in Washington's K-12 educational system. The legislature understands that early supports for high-risk parents of young children through home visiting services show a high return on investment due to significantly improved chances of better education, health, and life outcomes for children. The legislature further recognizes that, when parents work or go to school, high quality and full-day early learning opportunities should be available and accessible for their children. In order to improve education outcomes, particularly for low-income children, the legislature is committed to expanding high quality early learning opportunities and integrating currently disparate funding streams for all birth-to-five early learning services including, working connections child care and the early childhood education and assistance program, into a single high quality continuum of learning that provides essential services to low-income families and prepares all enrolled children for success in school. The legislature therefore

intends to establish the early start program to provide a continuum of high quality and accountable early learning opportunities for Washington's parents and children.

Sec. 5. RCW 28A.150.220 and 2011 1st sp.s. c 27 s 1 are each amended to read as follows:

(1) In order for students to have the opportunity to develop the basic education knowledge and skills under RCW 28A.150.210, school districts must provide instruction of sufficient quantity and quality and give students the opportunity to complete graduation requirements that are intended to prepare them for postsecondary education, gainful employment, and citizenship. The program established under this section shall be the minimum instructional program of basic education offered by school districts.

(2) Each school district shall make available to students the following minimum instructional offering each school year:

(a) For students enrolled in grades one through twelve, at least a district-wide annual average of one thousand hours, which shall be increased to at least one thousand eighty instructional hours for students enrolled in each of grades seven through twelve and at least one thousand instructional hours for students in each of grades one through six according to an implementation schedule adopted by the legislature, but not before the 2014-15 school year; and

(b) For students enrolled in kindergarten, at least four hundred fifty instructional hours, which shall be increased to at least one thousand instructional hours according to the implementation schedule under RCW 28A.150.315.

(3) The instructional program of basic education provided by each school district shall include:

(a) Instruction in the essential academic learning requirements under RCW 28A.655.070;

(b) Instruction that provides students the opportunity to complete twenty-four credits for high school graduation, subject to a phased-in implementation of the twenty-four credits as established by the legislature. Course distribution requirements may be established by the state board of education under RCW 28A.230.090;

(c) If the essential academic learning requirements include a requirement of languages other than English, the requirement may be met by students receiving instruction in one or more American Indian languages;

(d) Supplemental instruction and services for underachieving students through the learning assistance program under RCW 28A.165.005 through 28A.165.065;

(e) Supplemental instruction and services for eligible and enrolled students whose primary language is other than English through the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080;

(f) The opportunity for an appropriate education at public expense as defined by RCW 28A.155.020 for all eligible students with disabilities as defined in RCW 28A.155.020; and

(g) Programs for highly capable students under RCW 28A.185.010 through 28A.185.030.

(4) Nothing contained in this section shall be construed to require individual students to attend school for any particular number of hours per day or to take any particular courses.

(5) Each school district's kindergarten through twelfth grade basic educational program shall be accessible to all students who are five years of age, as provided by RCW 28A.225.160, and less than twenty-one years of age and shall consist of a minimum of one hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten, to be increased to a minimum of one hundred eighty school days per school year according to the implementation schedule under RCW 28A.150.315. However, schools administering the Washington kindergarten inventory of developing skills may use up to three school days at the beginning of the school year to meet with parents and families as

required in the parent involvement component of the inventory. In addition, effective May 1, 1979, a school district may schedule the last five school days of the one hundred and eighty day school year for noninstructional purposes in the case of students who are graduating from high school, including, but not limited to, the observance of graduation and early release from school upon the request of a student, and all such students may be claimed as a full-time equivalent student to the extent they could otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260.

(6) Nothing in this section precludes a school district from enriching the instructional program of basic education, such as offering additional instruction or providing additional services, programs, or activities that the school district determines to be appropriate for the education of the school district's students.

(7) The state board of education shall adopt rules to implement and ensure compliance with the program requirements imposed by this section, RCW 28A.150.250 and 28A.150.260, and such related supplemental program approval requirements as the state board may establish.

proposed district, to be previously designated by him or her and made a matter of record in the proceedings.

Sec. 4. RCW 68.52.130 and 1947 c 6 s 5 are each amended to read as follows:

At the time and place fixed for the hearing on the petition or at any adjournment thereof, the ~~((board of county commissioners shall hear said))~~ county legislative authority must hear the petition and receive such evidence as it may deem material in favor of or opposed to the formation of the proposed cemetery district or to the inclusion ~~((therein))~~ or exclusion ~~((therefrom))~~ of any lands in the proposed district, but no lands not within the boundaries of the proposed district as described in the petition ~~((shall))~~ may be included without a written waiver describing the land, executed by all persons having any interest of record therein, having been filed in the proceedings. No land within the boundaries described in the petition ~~((shall))~~ may be excluded from the proposed district.

Sec. 5. RCW 68.52.140 and 1996 c 324 s 3 are each amended to read as follows:

~~((The county legislative authority shall have full authority to hear and determine the petition, and if it finds that the formation of the district will be conducive to the public welfare and convenience, it shall by resolution so declare, otherwise it shall deny the petition. If the county legislative authority finds in favor of the formation of the district, it shall designate the name and number of the district, fix the boundaries thereof, and cause an election to be held therein for the purpose of determining whether or not the district shall be organized under the provisions of this chapter, and for the purpose of electing its first cemetery district commissioners. At the same election three cemetery district commissioners shall be elected, but the election of the commissioners shall be null and void if the district is not created. No primary shall be held for the office of cemetery district commissioner. A special filing period shall be opened as provided in RCW 29.15.170 and 29.15.180. Candidates shall run for specific commissioner positions. The person receiving the greatest number of votes for each commissioner position shall be elected to that commissioner))~~ (1) After conducting the hearing on the petition, if the county legislative authority determines that the formation of the proposed cemetery district will be conducive to the public welfare and convenience, the county legislative authority must by resolution so declare, otherwise the county legislative authority must deny the petition.

(2) If the county legislative authority finds in favor of the formation of the proposed district, the county legislative authority must designate the name and number of the proposed district, fix the boundaries of the proposed district, and cause an election to be held in the proposed district to determine whether the proposed district will be formed under the provisions of this chapter, and to elect the first cemetery district commissioners.

(3) Three cemetery district commissioners must be elected at the election to determine whether the proposed district will be formed, but the election of the commissioners is null and void if the district is not formed. No primary will be held for the office of cemetery district commissioner. A special filing period must be opened as provided in RCW 29A.24.171 and 29A.24.181. Candidates must run for specific commissioner positions. The person receiving the greatest number of votes for each commissioner position is elected to that position. The terms of office of the initial commissioners ~~((shall be))~~ are as provided in RCW 68.52.220.

Sec. 6. RCW 68.52.150 and 1947 c 6 s 7 are each amended to read as follows:

Except as otherwise provided in this chapter, the election ~~((shall))~~ must insofar as possible be called, noticed, held, conducted, and canvassed in the same manner and by the same officials as provided by law for special elections in the county. ~~((For the purpose of such election county voting precincts may be combined or divided and redefined, and the territory in the district shall be included in one or~~

more election precincts as may be deemed convenient, a polling place being designated for each such precinct. The notice of election shall state generally and briefly the purpose thereof, shall give the boundaries of the proposed district, define the election precinct or precincts, designate the polling place for each, mention the names of the candidates for first cemetery district commissioners, and name the day of the election and the hours during which the polls will be open.) The notice of election must: State generally and briefly the purpose of the election; describe the boundaries of the proposed cemetery district; list the names of the candidates for first cemetery district commissioners; and specify the election date.

Sec. 7. RCW 68.52.170 and 1947 c 6 s 9 are each amended to read as follows:

~~((The returns of such election shall be canvassed at the court house on the Monday next following the day of the election, but the canvass may be adjourned from time to time if necessary to await the receipt of election returns which may be unavoidably delayed. The canvassing officials, upon conclusion of the canvass, shall forthwith certify the results thereof in writing to the board of county commissioners. If upon examination of the certificate of the canvassing officials it is found that two-thirds of all the votes cast at said election were in favor of the formation of the cemetery district, the board of county commissioners shall, by resolution entered upon its minutes, declare such territory duly organized as a cemetery district under the name theretofore designated and shall declare the three candidates receiving the highest number of votes for cemetery commissioners, the duly elected first cemetery commissioners of the district. The clerk of the board of county commissioners shall certify a copy of the resolution and cause it to be filed for record in the offices of the county auditor and the county assessor of the county. The certified copy shall be entitled to record without payment of a recording fee. If the certificate of the canvassing officials shows that the proposition to organize the proposed cemetery district failed to receive two-thirds of the votes cast at said election, the board of county commissioners shall enter a minute to that effect and all proceedings theretofore had shall become))~~ (1) The returns of the election must be canvassed following the election, but the canvass may be adjourned from time to time to await the receipt of election returns. Upon conclusion of the canvass, the canvassing officials must certify the results to the county legislative authority.

(2) The cemetery district is formed if two-thirds of all votes cast at the election were in favor of the formation of the proposed district. However, in counties with only one municipality the district is formed if a majority of all votes cast at the election were in favor of the formation of the proposed district.

(3) If the proposition to form the proposed district received the voter approval required under this section, the county legislative authority must by resolution recorded in the county legislative authority's minutes: Declare the district formed under the name and number previously designated; and declare the three candidates receiving the highest number of votes for cemetery district commissioners as the duly elected first commissioners of the district. The clerk of the county legislative authority must certify a copy of the resolution and cause it to be filed for record in the offices of the county auditor and the county assessor of the county. The certified copy may be recorded without payment of a recording fee.

(4) If the proposition to form the proposed district failed to receive the voter approval required under this section, the county legislative authority must record in the county legislative authority's minutes the failed vote, and all proceedings relating to the proposed district are null and void.

(5) For the purposes of this section, "municipality" means a city or town.

Sec. 8. RCW 68.52.180 and 1947 c 6 s 10 are each amended to read as follows:

(1) Any person, firm, or corporation having a substantial interest involved, and feeling aggrieved by any finding, determination, or resolution of the ((board of county commissioners)) county legislative authority under the provisions of this chapter, may appeal within five days after ((such)) the finding, determination, or resolution was made to the superior court of the county in the same manner as provided by law for appeals from orders of ((said board)) the county legislative authority.

(2) After the expiration of five days from the date of the resolution declaring the district ((organized)) formed, and upon filing of certified copies ((thereof)) of the resolution in the offices of the county auditor and county assessor, the formation of the cemetery district ((shall be)) is complete and its legal existence ((shall)) may not thereafter be questioned by any person by reason of any defect in the proceedings ((had for the creation thereof)) for the formation of the cemetery district.

Sec. 9. RCW 68.52.220 and 2011 c 60 s 47 are each amended to read as follows:

(1) The affairs of the cemetery district ((shall)) must be managed by a board of cemetery district commissioners composed of three members. The board may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate of up to ninety dollars for each day or portion of a day spent in actual attendance at official meetings of the district commission, or in performance of other official services or duties on behalf of the district. However, the compensation for each commissioner must not exceed eight thousand six hundred forty dollars per year.

(2) Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver ((shall)) must specify the month or period of months for which it is made. The board ((shall)) must fix the compensation to be paid the secretary and other employees of the district. Cemetery district commissioners and candidates for cemetery district commissioner are exempt from the requirements of chapter 42.17A RCW.

(3) The initial cemetery district commissioners ((shall)) must assume office immediately upon their election and qualification. Staggering of terms of office ((shall)) must be accomplished as follows: ((4)) (a) The person elected receiving the greatest number of votes ((shall be)) is elected to a six-year term of office if the election is held in an odd-numbered year or a five-year term of office if the election is held in an even-numbered year; ((2)) (b) the person who is elected receiving the next greatest number of votes ((shall be)) is elected to a four-year term of office if the election is held in an odd-numbered year or a three-year term of office if the election is held in an even-numbered year; and ((3)) (c) the other person who is elected ((shall be)) is elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. The initial commissioners ((shall)) must assume office immediately after they are elected and qualified but their terms of office ((shall)) must be calculated from the first day of January after the election.

(4) Thereafter, commissioners ((shall be)) are elected to six-year terms of office. Commissioners ((shall)) must serve until their successors are elected and qualified and assume office as provided in RCW 29A.20.040.

~~((The polling places for a cemetery district election may be located inside or outside the boundaries of the district, as determined by the auditor of the county in which the cemetery district is located, and no such election shall be held irregular or void on that account.))~~

(5) The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years,

beginning July 1, 2008, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items ~~((shall))~~ must be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(6) A person holding office as commissioner for two or more special purpose districts ~~((shall))~~ may receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions."

SUBSTITUTE HOUSE BILL NO. 1265, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1284 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.067 and 2009 c 520 s 23 are each amended to read as follows:

(1)(a) Following shelter care and no later than thirty days prior to fact-finding, the department or supervising agency shall convene a case conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the

department or supervising agency and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department or supervising agency is not required to provide additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department or supervising agency, upon the parent's request, shall convene a case conference.

(3) If a case conference is convened pursuant to subsection (1) or (2) of this section and the parent is unable to participate in person due to incarceration, the parent must have the option to participate through the use of a teleconference or videoconference.

Sec. 2. RCW 13.34.136 and 2011 c 309 s 29 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(~~(6)~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in

accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement. If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The supervising agency or department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the department or supervising agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(~~(4)~~) (8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental

rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(~~(4)~~) (6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 3. RCW 13.34.145 and 2011 c 330 s 6 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a

permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

~~(At this)~~ (4) Following this inquiry, at the permanency planning hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of

parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child.

~~(a)~~ For purposes of this ~~(section)~~ subsection, "good cause exception" includes but is not limited to the following:

~~(i)~~ The child is being cared for by a relative;

~~(ii)~~ The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; ~~((e))~~

~~(iii)~~ The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests; or

~~(iv)~~ The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section.

~~(b)~~ The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

~~(i)~~ The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;

~~(ii)~~ The parent's efforts to communicate and work with the department or supervising agency or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;

~~(iii)~~ A positive response by the parent to the reasonable efforts of the department or the supervising agency;

~~(iv)~~ Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;

~~(v)~~ Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and

~~(vi)~~ Whether the continued involvement of the parent in the child's life is in the child's best interest.

~~(c)~~ The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)(g) for a parent's failure to complete available treatment.

~~((e))~~ (5)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

~~((ii))~~ (b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

~~((iii))~~ (c) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

~~((d))~~ (6) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

~~((#))~~ (a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

~~((#))~~ (b) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

~~((#))~~ (7) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or
(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

~~((#))~~ (8) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

~~((#))~~ (9) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

~~((#))~~ (10) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

~~((#))~~ (11) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

~~((#))~~ (12) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection ~~((#))~~ (11) of this section are met.

~~((#))~~ (13) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

~~((#))~~ (14) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

~~((#))~~ (15) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 4. RCW 13.34.180 and 2009 c 520 s 34 and 2009 c 477 s 5 are each reenacted and amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection ~~((#))~~ (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;

(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;

(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;

(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(4)(b); whether the department or supervising agency made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(4)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established

pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

~~((3))~~ (4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

~~((4))~~ (5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(4)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests.

This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services or the supervising agency and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If

you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call (insert agency) for more information about your child. The agency's name and telephone number are (insert name and telephone number).

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "the rights of parents who are incarcerated; amending RCW 13.34.067, 13.34.136, and 13.34.145; and reenacting and amending RCW 13.34.180."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1334, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1336 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) According to the state department of health, suicide is the second leading cause of death for Washington youth between the ages of ten and twenty-four. Suicide rates among Washington youth remain higher than that national average;

(b) An increasing body of research shows an association between adverse childhood experiences such as trauma, violence, or abuse, and school performance. Children and teens spend a significant amount of time in school. Teachers and other school staff who interact with students daily are in a prime position to recognize the signs of emotional or behavioral distress and make appropriate referrals. School personnel need effective training to help build the skills and confidence to assist youth in seeking help;

(c) Educators are not necessarily trained to address significant social, emotional, or behavioral issues exhibited by youth. Rather, best practices guidelines suggest that school districts should form partnerships with qualified health, mental health, and social services agencies to provide support; and

(d) Current safe school plans prepared by school districts tend to focus more on natural disasters and external threats and less on how to recognize and respond to potential crises among the students inside the school.

(2) Therefore, the legislature intends to increase the capacity for school districts to recognize and respond to youth in need through additional training, more comprehensive planning, and emphasis on partnerships between schools and communities.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.410 RCW to read as follows:

(1) As provided under subsections (2) and (3) of this section, individuals certified by the professional educator standards board as a school nurse, school social worker, school psychologist, or school counselor must complete a training program on youth suicide screening and referral as a condition of certification. The training program must be at least three hours in length. The professional educator standards board must adopt standards for the minimum content of the training in consultation with the office of the superintendent of public instruction and the department of health. In developing the standards, the board must consider training programs listed on the best practices registry of the American foundation for suicide prevention and the suicide prevention resource center.

(2) This section applies to the following certificates if the certificate is first issued or is renewed on or after July 1, 2015:

(a) Continuing certificates for school nurses;

(b) Continuing certificates for school social workers;

(c) Continuing and professional certificates for school psychologists; and

(d) Continuing and professional certificates for school counselors.

(3) A school counselor who holds or submits a school counseling certificate from the national board for professional teaching standards or a school psychologist who holds or submits a school psychologist certificate from the national association of school psychologists in lieu of a professional certificate must complete the training program under subsection (1) of this section by July 1, 2015, or within the five-year period before the certificate is first submitted to the professional educator standards board, whichever is later, and at least once every five years thereafter in order to be considered certified by the professional educator standards board.

(4) The professional educator standards board shall consider the training program under subsection (1) of this section as approved continuing education under RCW 28A.415.020 and shall count the training program toward meeting continuing education requirements

for certification as a school nurse, school social worker, school psychologist, or school counselor.

Sec. 3. RCW 28A.410.035 and 1990 c 90 s 1 are each amended to read as follows:

(1) To receive initial certification as a teacher in this state after August 31, 1991, an applicant shall have successfully completed a course on issues of abuse. The content of the course shall discuss the identification of physical, emotional, sexual, and substance abuse, information on the impact of abuse on the behavior and learning abilities of students, discussion of the responsibilities of a teacher to report abuse or provide assistance to students who are the victims of abuse, and methods for teaching students about abuse of all types and their prevention.

(2) The professional educator standards board shall incorporate into the content required for the course under this section, knowledge and skill standards pertaining to recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. To receive initial certification after August 31, 2014, an applicant must have successfully completed a course that includes the content of this subsection. The board shall consult with the office of the superintendent of public instruction and the department of health in developing the standards.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Beginning in the 2014-15 school year, each school district must adopt a plan for recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. The school district must annually provide the plan to all district staff.

(2) At a minimum the plan must address:

(a) Identification of training opportunities in recognition, screening, and referral that may be available for staff;

(b) How to use the expertise of district staff who have been trained in recognition, screening, and referral;

(c) How staff should respond to suspicions, concerns, or warning signs of emotional or behavioral distress in students;

(d) Identification and development of partnerships with community organizations and agencies for referral of students to health, mental health, substance abuse, and social support services, including development of at least one memorandum of understanding between the district and such an entity in the community or region;

(e) Protocols and procedures for communication with parents;

(f) How staff should respond to a crisis situation where a student is in imminent danger to himself or herself or others; and

(g) How the district will provide support to students and staff after an incident of violence or youth suicide.

(3) The plan under this section may be a separate plan or a component of another district plan or policy, such as the harassment, intimidation, and bullying prevention policy under RCW 28A.300.2851 or the comprehensive safe school plan required under RCW 28A.320.125.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.320 RCW to read as follows:

The office of the superintendent of public instruction and the school safety advisory committee shall develop a model school district plan for recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. The model plan must incorporate research-based best practices, including practices and protocols used in schools and school districts in other states. The model plan must be posted by February 1, 2014, on the school safety center web site, along with relevant resources and information to support school districts in developing and implementing the plan required under section 4 of this act.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.310 RCW to read as follows:

Each educational service district shall develop and maintain the capacity to offer training for educators and other school district staff on youth suicide screening and referral, and on recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. An educational service district may demonstrate capacity by employing staff with sufficient expertise to offer the training or by contracting with individuals or organizations to offer the training. Training may be offered on a fee-for-service basis, or at no cost to school districts or educators if funds are appropriated specifically for this purpose or made available through grants or other sources.

NEW SECTION. Sec. 7. The office of the superintendent of public instruction shall convene a temporary task force to identify best practices, model programs, and successful strategies for school districts to form partnerships with qualified health, mental health, and social services agencies in the community to coordinate and improve support for youth in need. The task force shall identify and develop resource documents to be posted on the school safety center web site, and submit a report with recommendations to the education committees of the legislature by December 1, 2013. The task force shall also explore the potential use of advance online youth emotional health and crisis response systems that have been developed for use in other countries. The task force must include the results of the review in its December 1st report.

NEW SECTION. Sec. 8. (1) The legislature finds that a lack of information about mental health problems among the general public leads to stigmatizing attitudes and prevents people from seeking help early and seeking the best sort of help. It also prevents people from providing support to family members, friends, and colleagues because they might not know what to do. This lack of knowledge about mental health problems limits the initial accessibility of evidence-based treatments and leads to a lack of support for people with a mental disorder from family, friends, and other members of the community.

(2) The focus on training for teachers and educational staff is intended to provide opportunities for early intervention when the first signs of developing mental illness may be recognized in children, teens, and young adults, so that appropriate referrals may be made to evidence-based behavioral health services.

NEW SECTION. Sec. 9. A new section is added to chapter 71.24 RCW to read as follows:

Subject to appropriation for this specific purpose, the department shall provide funds for mental health first-aid training targeted at teachers and educational staff. The training will follow the model developed by the department of psychology in Melbourne, Australia. Instruction provided will describe common mental disorders that arise in youth, their possible causes and risk factors, the availability of evidence-based medical, psychological, and alternative treatments, processes for making referrals for behavioral health services, and methods to effectively render assistance in both initial intervention and crisis situations. The department shall collaborate with the office of the superintendent of public instruction to identify sites and methods of instruction that leverage local resources to the extent possible for the purpose of making the mental health first-aid training broadly available.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1341 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that persons convicted and imprisoned for crimes they did not commit have been uniquely victimized. Having suffered tremendous injustice by being stripped of their lives and liberty, they are forced to endure imprisonment and are later stigmatized as felons. A majority of those wrongly convicted in Washington state have no remedy available under the law for the destruction of their personal lives resulting from

errors in our criminal justice system. The legislature intends to provide an avenue for those who have been wrongly convicted in Washington state to redress the lost years of their lives, and help to address the unique challenges faced by the wrongly convicted after exoneration.

NEW SECTION. Sec. 2. (1) Any person convicted in superior court and subsequently imprisoned for one or more felonies of which he or she is actually innocent may file a claim for compensation against the state.

(2) For purposes of this chapter, a person is:

(a) "Actually innocent" of a felony if he or she did not engage in any illegal conduct alleged in the charging documents; and

(b) "Wrongly convicted" if he or she was charged, convicted, and imprisoned for one or more felonies of which he or she is actually innocent.

(3)(a) If the person entitled to file a claim under subsection (1) of this section is incapacitated and incapable of filing the claim, or if he or she is a minor, or is a nonresident of the state, the claim may be filed on behalf of the claimant by an authorized agent.

(b) A claim filed under this chapter survives to the personal representative of the claimant as provided in RCW 4.20.046.

NEW SECTION. Sec. 3. (1) All claims under this chapter must be filed in superior court. The venue for such actions is governed by RCW 4.12.020.

(2) Service of the summons and complaint is governed by RCW 4.28.080.

NEW SECTION. Sec. 4. (1) In order to file an actionable claim for compensation under this chapter, the claimant must establish by documentary evidence that:

(a) The claimant has been convicted of one or more felonies in superior court and subsequently sentenced to a term of imprisonment, and has served all or part of the sentence;

(b)(i) The claimant is not currently incarcerated for any offense; and

(ii) During the period of confinement for which the claimant is seeking compensation, the claimant was not serving a term of imprisonment or a concurrent sentence for any crime other than the felony or felonies that are the basis for the claim;

(c)(i) The claimant has been pardoned on grounds consistent with innocence for the felony or felonies that are the basis for the claim; or

(ii) The claimant's judgment of conviction was reversed or vacated and the charging document dismissed on the basis of significant new exculpatory information or, if a new trial was ordered pursuant to the presentation of significant new exculpatory information, either the claimant was found not guilty at the new trial or the claimant was not retried and the charging document dismissed; and

(d) The claim is not time barred by section 9 of this act.

(2) In addition to the requirements in subsection (1) of this section, the claimant must state facts in sufficient detail for the finder of fact to determine that:

(a) The claimant did not engage in any illegal conduct alleged in the charging documents; and

(b) The claimant did not commit or suborn perjury, or fabricate evidence to cause or bring about the conviction. A guilty plea to a crime the claimant did not commit, or a confession that is later determined by a court to be false, does not automatically constitute perjury or fabricated evidence under this subsection.

(3) Convictions vacated, overturned, or subject to resentencing pursuant to *In re: Personal Detention of Andress*, 147 Wn.2d 602 (2002) may not serve as the basis for a claim under this chapter unless the claimant otherwise satisfies the qualifying criteria set forth in section 2 of this act and this section.

(4) The claimant must verify the claim unless he or she is incapacitated, in which case the personal representative or agent filing on behalf of the claimant must verify the claim.

(5) If the attorney general concedes that the claimant was wrongly convicted, the court must award compensation as provided in section 6 of this act.

(6)(a) If the attorney general does not concede that the claimant was wrongly convicted and the court finds after reading the claim that the claimant does not meet the filing criteria set forth in this section, it may dismiss the claim, either on its own motion or on the motion of the attorney general.

(b) If the court dismisses the claim, the court must set forth the reasons for its decision in written findings of fact and conclusions of law.

NEW SECTION. Sec. 5. Any party is entitled to the rights of appeal afforded parties in a civil action following a decision on such motions. In the case of dismissal of a claim, review of the superior court action is de novo.

NEW SECTION. Sec. 6. (1) In order to obtain a judgment in his or her favor, the claimant must show by clear and convincing evidence that:

(a) The claimant was convicted of one or more felonies in superior court and subsequently sentenced to a term of imprisonment, and has served all or any part of the sentence;

(b)(i) The claimant is not currently incarcerated for any offense; and

(ii) During the period of confinement for which the claimant is seeking compensation, the claimant was not serving a term of imprisonment or a concurrent sentence for any conviction other than those that are the basis for the claim;

(c)(i) The claimant has been pardoned on grounds consistent with innocence for the felony or felonies that are the basis for the claim; or

(ii) The claimant's judgment of conviction was reversed or vacated and the charging document dismissed on the basis of significant new exculpatory information or, if a new trial was ordered pursuant to the presentation of significant new exculpatory information, either the claimant was found not guilty at the new trial or the claimant was not retried and the charging document dismissed;

(d) The claimant did not engage in any illegal conduct alleged in the charging documents; and

(e) The claimant did not commit or suborn perjury, or fabricate evidence to cause or bring about his or her conviction. A guilty plea to a crime the claimant did not commit, or a confession that is later determined by a court to be false, does not automatically constitute perjury or fabricated evidence under this subsection.

(2) Any pardon or proclamation issued to the claimant must be certified by the officer having lawful custody of the pardon or proclamation, and be affixed with the seal of the office of the governor, or with the official certificate of such officer before it may be offered as evidence.

(3) In exercising its discretion regarding the weight and admissibility of evidence, the court must give due consideration to difficulties of proof caused by the passage of time or by release of evidence pursuant to a plea, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by the parties.

(4) The claimant may not be compensated for any period of time in which he or she was serving a term of imprisonment or a concurrent sentence for any conviction other than the felony or felonies that are the basis for the claim.

(5) If the jury or, in the case where the right to a jury is waived, the court finds by clear and convincing evidence that the claimant was wrongly convicted, the court must order the state to pay the actually innocent claimant the following compensation award, as adjusted for partial years served and to account for inflation from the effective date of this section:

(a) Fifty thousand dollars for each year of actual confinement including time spent awaiting trial and an additional fifty thousand dollars for each year served under a sentence of death pursuant to chapter 10.95 RCW;

(b) Twenty-five thousand dollars for each year served on parole, community custody, or as a registered sex offender pursuant only to the felony or felonies which are grounds for the claim;

(c) Compensation for child support payments owed by the claimant that became due and interest on child support arrearages that accrued while the claimant was in custody on the felony or felonies that are grounds for the compensation claim. The funds must be paid on the claimant's behalf in a lump sum payment to the department of social and health services for disbursement under Title 26 RCW;

(d) Reimbursement for all restitution, assessments, fees, court costs, and all other sums paid by the claimant as required by pretrial orders and the judgment and sentence; and

(e) Attorneys' fees for successfully bringing the wrongful conviction claim calculated at ten percent of the monetary damages awarded under subsection (5)(a) and (b) of this section, plus expenses. However, attorneys' fees and expenses may not exceed seventy-five thousand dollars. These fees may not be deducted from the compensation award due to the claimant and counsel is not entitled to receive additional fees from the client related to the claim. The court may not award any attorneys' fees to the claimant if the claimant fails to prove he or she was wrongly convicted.

(6) The compensation award may not include any punitive damages.

(7) The court may not offset the compensation award by any expenses incurred by the state, the county, or any political subdivision of the state including, but not limited to, expenses incurred to secure the claimant's custody, or to feed, clothe, or provide medical services for the claimant. The court may not offset against the compensation award the value of any services or reduction in fees for services to be provided to the claimant as part of the award under this section.

(8) The compensation award is not income for tax purposes, except attorneys' fees awarded under subsection (5)(e) of this section.

(9)(a) Upon finding that the claimant was wrongly convicted, the court must seal the claimant's record of conviction.

(b) Upon request of the claimant, the court may order the claimant's record of conviction vacated if the record has not already been vacated, expunged, or destroyed under court rules. The requirements for vacating records under RCW 9.94A.640 do not apply.

(10) Upon request of the claimant, the court must refer the claimant to the department of corrections or the department of social and health services for access to reentry services, if available, including but not limited to counseling on the ability to enter into a structured settlement agreement and where to obtain free or low-cost legal and financial advice if the claimant is not already represented, the community-based transition programs and long-term support programs for education, mentoring, life skills training, assessment, job skills development, mental health and substance abuse treatment.

(11) The claimant or the attorney general may initiate and agree to a claim with a structured settlement for the compensation awarded under subsection (5) of this section. During negotiation of the structured settlement agreement, the claimant must be given adequate time to consult with the legal and financial advisor of his or her choice. Any structured settlement agreement binds the parties with regard to all compensation awarded. A structured settlement agreement entered into under this section must be in writing and signed by the parties or their representatives and must clearly state that the parties understand and agree to the terms of the agreement.

(12) Before approving any structured settlement agreement, the court must ensure that the claimant has an adequate understanding of the agreement. The court may approve the agreement only if the judge finds that the agreement is in the best interest of the claimant and actuarially equivalent to the lump sum compensation award under subsection (5) of this section before taxation. When determining whether the agreement is in the best interest of the claimant, the court must consider the following factors:

(a) The age and life expectancy of the claimant;

(b) The marital or domestic partnership status of the claimant; and

(c) The number and age of the claimant's dependants.

NEW SECTION. Sec. 7. (1) On or after the effective date of this section, when a court grants judicial relief, such as reversal and vacation of a person's conviction, consistent with the criteria established in section 4 of this act, the court must provide to the claimant a copy of sections 2 through 12 of this act at the time the relief is granted.

(2) The clemency and pardons board or the indeterminate sentence review board, whichever is applicable, upon issuance of a pardon by the governor on grounds consistent with innocence on or after the effective date of this section, must provide a copy of sections 2 through 12 of this act to the individual pardoned.

(3) If an individual entitled to receive the information required under this section shows that he or she was not provided with the information, he or she has an additional twelve months, beyond the statute of limitations under section 9 of this act, to bring a claim under this chapter.

NEW SECTION. Sec. 8. (1) It is the intent of the legislature that the remedies and compensation provided under this chapter shall be exclusive to all other remedies at law and in equity against the state or any political subdivision of the state. As a requirement to making a request for relief under this chapter, the claimant waives any and all other remedies, causes of action, and other forms of relief or compensation against the state, any political subdivision of the state, and their officers, employees, agents, and volunteers related to the claimant's wrongful conviction and imprisonment. This waiver shall also include all state, common law, and federal claims for relief, including claims pursuant to 42 U.S.C. Sec. 1983. A wrongfully convicted person who elects not to pursue a claim for compensation pursuant to this chapter shall not be precluded from seeking relief through any other existing remedy. The claimant must execute a legal release prior to the payment of any compensation under this chapter. If the release is held invalid for any reason and the claimant is awarded compensation under this chapter and receives a tort award related to his or her wrongful conviction and incarceration, the claimant must reimburse the state for the lesser of:

(a) The amount of the compensation award, excluding the portion awarded pursuant to section 6(5) (c) through (e) of this act; or

(b) The amount received by the claimant under the tort award.

(2) A release dismissal agreement, plea agreement, or any similar agreement whereby a prosecutor's office or an agent acting on its behalf agrees to take or refrain from certain action if the accused individual agrees to forgo legal action against the county, the state of Washington, or any political subdivision, is admissible and should be evaluated in light of all the evidence. However, any such agreement is not dispositive of the question of whether the claimant was wrongly convicted or entitled to compensation under this chapter.

NEW SECTION. Sec. 9. Except as provided in section 7 of this act, an action for compensation under this chapter must be commenced within three years after the grant of a pardon, the grant of judicial relief and satisfaction of other conditions described in section 2 of this act, or release from custody, whichever is later. However, any action by the state challenging or appealing the grant of judicial relief or release from custody tolls the three-year period. Any persons meeting the criteria set forth in section 2 of this act who was wrongly convicted before the effective date of this section may commence an action under this chapter within three years after the effective date of this section.

NEW SECTION. Sec. 10. All payments by the state under this chapter shall be paid from the liability account established under RCW 4.92.130.

NEW SECTION. Sec. 11. A new section is added to chapter 28B.15 RCW to read as follows:

(1) Subject to the conditions in subsection (2) of this section and the limitations in RCW 28B.15.910, the governing boards of the state universities, the regional universities, The Evergreen State College, and the community colleges, must waive all tuition and fees for the following persons:

(a) A wrongly convicted person; and

(b) Any child or stepchild of a wrongly convicted person who was born or became the stepchild of, or was adopted by, the wrongly convicted person before compensation is awarded under section 6 of this act.

(2) The following conditions apply to waivers under subsection (1) of this section:

(a) A wrongly convicted person must be a Washington domiciliary to be eligible for the tuition waiver.

(b) A child must be a Washington domiciliary ages seventeen through twenty-six years to be eligible for the tuition waiver. A child's marital status does not affect eligibility.

(c) Each recipient's continued participation is subject to the school's satisfactory progress policy.

(d) Tuition waivers for graduate students are not required for those who qualify under subsection (1) of this section but are encouraged.

(e) Recipients who receive a waiver under subsection (1) of this section may attend full time or part time. Total credits earned using the waiver may not exceed two hundred quarter credits, or the equivalent of semester credits.

(3) Private vocational schools and private higher education institutions are encouraged to provide waivers consistent with the terms of this section.

(4) For the purposes of this section:

(a) "Child" means a biological child, stepchild, or adopted child who was born of, became the stepchild of, or was adopted by a wrongly convicted person before compensation is awarded under section 6 of this act.

(b) "Fees" includes all assessments for costs incurred as a condition to a student's full participation in coursework and related activities at an institution of higher education.

(c) "Washington domiciliary" means a person whose true, fixed, and permanent house and place of habitation is the state of Washington. In ascertaining whether a wrongly convicted person or child is domiciled in the state of Washington, public institutions of higher education must, to the fullest extent possible, rely upon the standards provided in RCW 28B.15.013.

(d) "Wrongly convicted person" means a Washington domiciliary who was awarded damages under section 6 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 72.09 RCW to read as follows:

When a court refers a person to the department under section 6 of this act as part of the person's award in a wrongful conviction claim, the department must provide reasonable access to existing reentry programs and services. Nothing in this section requires the department to establish new reentry programs or services.

Sec. 13. RCW 4.92.130 and 2011 1st sp.s. c 43 s 513 are each amended to read as follows:

A liability account in the custody of the treasurer is hereby created as a nonappropriated account to be used solely and exclusively for the payment of liability settlements and judgments against the state under 42 U.S.C. Sec. 1981 et seq. or for the tortious conduct of its officers, employees, and volunteers and all related legal defense costs.

(1) The purpose of the liability account is to: (a) Expediently pay legal liabilities and defense costs of the state resulting from tortious conduct; (b) promote risk control through a cost allocation system which recognizes agency loss experience, levels of self-retention, and levels of risk exposure, including the payment of compensation awarded by a court under section 6 of this act; and (c)

establish an actuarially sound system to pay incurred losses, within defined limits.

(2) The liability account shall be used to pay claims for injury and property damages and legal defense costs exclusive of agency-retained expenses otherwise budgeted.

(3) No money shall be paid from the liability account, except for defense costs, unless all proceeds available to the claimant from any valid and collectible liability insurance shall have been exhausted and unless:

(a) The claim shall have been reduced to final judgment in a court of competent jurisdiction; or

(b) The claim has been approved for payment.

(4) The liability account shall be financed through annual premiums assessed to state agencies, based on sound actuarial principles, and shall be for liability coverage in excess of agency-budgeted self-retention levels.

(5) Annual premium levels shall be determined by the risk manager. An actuarial study shall be conducted to assist in determining the appropriate level of funding.

(6) Disbursements for claims from the liability account shall be made to the claimant, or to the clerk of the court for judgments, upon written request to the state treasurer from the risk manager.

(7) The director may direct agencies to transfer moneys from other funds and accounts to the liability account if premiums are delinquent.

(8) The liability account shall not exceed fifty percent of the actuarial value of the outstanding liability as determined annually by the office of risk management. If the account exceeds the maximum amount specified in this section, premiums may be adjusted by the office of risk management in order to maintain the account balance at the maximum limits. If, after adjustment of premiums, the account balance remains above the limits specified, the excess amount shall be prorated back to the appropriate funds.

(9) The payment of compensation for wrongful conviction awarded by a court under section 6 of this act does not constitute a finding that the wrongful conviction resulted from tortious conduct by the officers or employees of the state or the political subdivisions, municipal corporations, and quasi-municipal corporations of the state.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. Sections 1 through 10 of this act constitute a new chapter in Title 4 RCW."

On page 1, line 2 of the title, after "imprisonment;" strike the remainder of the title and insert "amending RCW 4.92.130; adding a new section to chapter 28B.15 RCW; adding a new section to chapter 72.09 RCW; and adding a new chapter to Title 4 RCW."

MESSAGE FROM THE SENATE

April 12, 2013

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1416 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 87.03 RCW to read as follows:

Any local improvement district bonds, and interest thereon, issued against a bond redemption fund of a local improvement district pursuant to RCW 87.03.485 shall be a valid claim of the owner thereof only as against the local improvement guarantee fund, the local improvement district redemption fund, and the assessments or revenues pledged to such fund or funds and do not constitute a general indebtedness against the issuing irrigation district unless the board of directors by resolution expressly provides for a pledge of general indebtedness. Except where the board provides for a pledge of general indebtedness, each such bond must state upon its face that

it is payable from the local improvement district redemption fund and the local improvement guarantee fund only.

Sec. 2. RCW 84.34.310 and 1999 c 153 s 71 are each amended to read as follows:

As used in RCW 84.34.300 through 84.34.380, unless a different meaning is required, the words defined in this section shall have the meanings indicated.

(1) "Farm and agricultural land" shall mean the same as defined in RCW 84.34.020(2).

(2) "Timber land" shall mean the same as defined in RCW 84.34.020(3).

(3) "Local government" shall mean any city, town, county, water-sewer district, public utility district, port district, ~~((irrigation district,))~~ flood control district, or any other municipal corporation, quasi-municipal corporation, or other political subdivision authorized to levy special benefit assessments for sanitary and/or storm sewerage systems, domestic water supply and/or distribution systems, or road construction or improvement purposes. "Local government" does not include an irrigation district with respect to any local improvement district created or local improvement assessment levied by that irrigation district.

(4) "Local improvement district" shall mean any local improvement district, utility local improvement district, local utility district, road improvement district, or any similar unit created by a local government for the purpose of levying special benefit assessments against property specially benefited by improvements relating to such districts.

(5) "Owner" shall mean the same as defined in RCW 84.34.020(5) or the applicable statutes relating to special benefit assessments.

(6) The term "average rate of inflation" shall mean the annual rate of inflation as determined by the department of revenue averaged over the period of time as provided in RCW 84.34.330 (1) and (2). Such determination shall be published not later than January 1 of each year for use in that assessment year.

(7) "Special benefit assessments" shall mean special assessments levied or capable of being levied in any local improvement district or otherwise levied or capable of being levied by a local government to pay for all or part of the costs of a local improvement and which may be levied only for the special benefits to be realized by property by reason of that local improvement.

Sec. 3. RCW 87.03.480 and 1959 c 75 s 9 are each amended to read as follows:

Any desired special construction, reconstruction, betterment or improvement or purchase or acquisition of improvements already constructed, for any authorized district service, including but not limited to the safeguarding of open canals or ditches for the protection of the public therefrom, which are for the special benefit of the lands tributary thereto and within an irrigation district may be constructed or acquired and provision made to meet the cost thereof as follows:

The holders of title or evidence of title to one-quarter of the acreage proposed to be assessed, may file with the district board their petition reciting the nature and general plan of the desired improvement and specifying the lands proposed to be specially assessed therefor. ~~((The petition shall be accompanied by a bond in the sum of one hundred dollars with surety to be approved by the board, conditioned that the petitioners will pay the cost of an investigation of the project and of the hearing thereon if it is not established. The board may at any time require a bond in an additional sum.))~~ A local improvement district may include adjoining, vicinal, or neighboring improvements even though the improvements and the properties benefited are not connected or continuous. Such improvements may be owned by the United States, the state of Washington, the irrigation district, or another local government. Upon approval of the board of an adjoining irrigation district, an irrigation district may form local improvement districts or

utility local improvement districts that are composed entirely or in part of territory within that adjoining district. Upon the filing of the petition the board, with the assistance of a competent engineer, shall make an investigation of the feasibility, cost, and need of the proposed local improvement together with the ability of the lands to pay the cost, and if it appears feasible, they ~~((shall))~~ may elect to have plans and an estimate of the cost prepared. If a protest against the establishment of the proposed improvement signed by a majority of the holders of title in the proposed local district is presented at or before the hearing, or if the proposed improvement should be found not feasible, too expensive, or not in the best interest of the district, or the lands to be benefited insufficient security for the costs, they shall dismiss the petition ~~((at the expense of the petitioners)).~~

Sec. 4. RCW 87.03.485 and 1983 c 167 s 222 are each amended to read as follows:

In the event that the ~~((said))~~ board ~~((shall))~~ approves ((said)) the petition, the board shall fix a time and place for the hearing thereof and shall publish a notice once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date and shall mail such a notice on or before the second publication date by first-class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed. Such notice must be published in a newspaper of general circulation in each county in which any portion of the land proposed to be included in such local improvement district lies. Such notice shall state that the lands within ~~((said))~~ the described boundaries are proposed to be organized as a local improvement district, stating generally the nature of the proposed improvement; that bonds for such local improvement district are proposed to be issued as the bonds of the irrigation district, or that a contract is proposed to be entered into between the district and the United States or the state of Washington, or both, that the lands within ~~((said))~~ the local improvement district are to be assessed for such improvement, that such bonds or contract will be ~~((a primary))~~ the obligation of such local improvement district ~~((and a general obligation of the irrigation district))~~ and stating a time and place of hearing thereon. At the time and place of hearing named in ~~((said))~~ the notice, all persons interested may appear before the board and show cause for or against the formation of the proposed improvement district and the issuance of bonds or the entering into of a contract as aforesaid. The board may designate a hearing officer to conduct the hearing, and the hearing officer shall report recommendations on the establishment of the local improvement district to the board for final action. Upon the hearing the board shall determine as to the establishment of the proposed local improvement district. Any landowner whose lands can be served or will be benefited by the proposed improvement, may make application to the board at the time of hearing to include such land and the board of directors in such cases shall, at its discretion, include such lands within such district. (5) Notwithstanding this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. 6. RCW 87.03.495 and 1988 c 127 s 45 are each amended to read as follows:

MESSAGE FROM THE SENATE

April 16, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1472 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Through such initiatives as grants for high-demand career and technical education programs and participation in the Microsoft IT academy, the state has previously supported K-12 computer science education;

(b) However, even though there were nearly sixty-five thousand student enrollments in high school computer science courses in the 2011-12 school year, more than half of those enrollments were in beginning or exploratory courses. Fewer than twelve hundred students enrolled in AP computer science courses;

(c) National studies of K-12 computer science education indicate that, in part because computer science is not treated as an academic subject, students may not perceive advanced computer science as relevant to their future academic or career success;

(d) Public institutions of higher education have expanded capacity to grant certificates and degrees in computer science and related fields in response to high employer demand and high student demand. Additional expansion and improvement will be dependent on new resources, updated equipment, and the availability of expert faculty;

(e) Information technology job vacancies exist at all levels of training and education and across all industries that are critical to Washington's economy; and

(f) Strategies are needed to support additional opportunities for Washington students to have careers in the innovative, technology-based or technology-enhanced industries located in our state.

(2) Therefore the legislature intends to take additional steps to improve and expand access to computer science education, particularly in advanced courses that could prepare students for careers in the field.

Sec. 2. RCW 28A.230.097 and 2008 c 170 s 202 are each amended to read as follows:

(1) Each high school or school district board of directors shall adopt course equivalencies for career and technical high school courses offered to students in high schools and skill centers. A career and technical course equivalency may be for whole or partial credit. Each school district board of directors shall develop a course equivalency approval procedure. Boards of directors must approve AP computer science courses as equivalent to high school mathematics or science, and must denote on a student's transcript that AP computer science qualifies as a math-based quantitative course for students who take the course in their senior year. In order for a board to approve AP computer science as equivalent to high school mathematics, the student must be concurrently enrolled in or have successfully completed algebra II.

(2) Career and technical courses determined to be equivalent to academic core courses, in full or in part, by the high school or school district shall be accepted as meeting core requirements, including graduation requirements, if the courses are recorded on the student's transcript using the equivalent academic high school department designation and title. Full or partial credit shall be recorded as appropriate. The high school or school district shall also issue and keep record of course completion certificates that demonstrate that the career and technical courses were successfully completed as needed for industry certification, college credit, or preapprenticeship, as applicable. The certificate shall be either part of the student's high school and beyond plan or the student's culminating project, as determined by the student. The office of the superintendent of public instruction shall develop and make available electronic samples of certificates of course completion."

On page 1, line 2 of the title, after "education;" strike the remainder of the title and insert "amending RCW 28A.230.097; and creating a new section."

The Senate has passed ENGROSSED HOUSE BILL NO. 1493 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 84.56 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, if the landlord of a manufactured/mobile home park takes ownership of a manufactured/mobile home or park model trailer with the intent to resell or rent the same after (a) the manufactured/mobile home or park

model trailer has been abandoned; or (b) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the manufactured/mobile home or park model trailer and title has been lawfully transferred to the landlord, the outstanding taxes become the responsibility of the landlord. After the outstanding taxes, interest, and penalties are removed from the tax rolls under subsection (2) of this section, all future taxes are the responsibility of the owner of the manufactured/mobile home or park model trailer.

(2) Upon notification by the assessor, the county treasurer must remove from the tax rolls any outstanding taxes, as well as interest and penalties, on a manufactured/mobile home or park model trailer if the landlord of a manufactured/mobile home park:

(a) Submits a signed affidavit to the assessor indicating that the landlord has taken ownership of the manufactured/mobile home or park model trailer with the intent to resell or rent after: (i) The manufactured/mobile home or park model trailer has been abandoned; or (ii) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the manufactured/mobile home or park model trailer and title has been lawfully transferred to the landlord; and

(b) The most current assessed value of the manufactured/mobile home or park model trailer is less than eight thousand dollars.

(3) For the purposes of this section, "abandoned," "manufactured/mobile home," and "park model" have the same meanings as provided in RCW 59.20.030.

Sec. 2. RCW 46.44.170 and 2010 c 161 s 1118 are each amended to read as follows:

(1) Any person moving a mobile home as defined in RCW 46.04.302 or a park model trailer as defined in RCW 46.04.622 upon public highways of the state must obtain:

(a) A special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and ~~((shall))~~ must pay the proper fee as prescribed by RCW 46.44.0941 and 46.44.096; and

In addition, the destroyed mobile home must be removed from the assessment rolls of the county and any outstanding taxes on the destroyed mobile home must be removed by the county treasurer.

(2) A special permit issued as provided in subsection (1) of this section for the movement of any mobile home or a park model trailer that is assessed for purposes of property taxes ~~((shall))~~ is not ~~((be))~~ valid until the county treasurer of the county in which the mobile home or park model trailer is located ~~((shall))~~ must endorse or attach his or her certificate that all property taxes which are a lien or which are delinquent, or both, upon the mobile home or park model trailer being moved have been satisfied. Further, any mobile home or park model trailer required to have a special movement permit under this section ~~((shall))~~ must display an easily recognizable decal. However, endorsement or certification by the county treasurer and the display of the decal is not required:

(b) When a signed affidavit of destruction is filed with the county assessor and the mobile home or park model trailer is being moved to a disposal site by a landlord as defined in RCW 59.20.030 after (i) the mobile home or park model trailer has been abandoned as defined in RCW 59.20.030; or (ii) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the mobile home or park model trailer and title has been lawfully transferred to the landlord. The mobile home or park model trailer will be removed from the tax rolls and, upon notification by the assessor, any outstanding taxes on the destroyed mobile home or park model trailer will be removed by the county treasurer; or

(c) When a signed affidavit of destruction is filed with the county assessor by any mobile home or park model trailer owner or any property owner with an abandoned mobile home or park model trailer, the same (~~shall~~) must be removed from the tax rolls and upon notification by the assessor, any outstanding taxes on the destroyed mobile home or park model trailer (~~shall~~) must be removed by the county treasurer.

(3) Except as provided in section 1(1) of this act, if the landlord of a manufactured/mobile home park takes ownership of a manufactured/mobile home or park model trailer with the intent to resell or rent the same under RCW 59.20.030 after (a) the manufactured/mobile home or park model trailer has been abandoned as defined in RCW 59.20.030; or (b) a final judgment for restitution of the premises under RCW 59.18.410 has been executed in favor of the landlord with regard to the manufactured/mobile home or park model trailer and title has been lawfully transferred to the landlord, the outstanding taxes become the responsibility of the landlord.

(4) It is the responsibility of the owner of the mobile home or park model trailer subject to property taxes or the agent to obtain the endorsement and decal from the county treasurer before a mobile home or park model trailer is moved.

(5) This section does not prohibit the issuance of vehicle license plates for a mobile home or park model trailer subject to property taxes, but plates (~~shall~~) may not be issued unless the mobile home or park model trailer subject to property taxes for which plates are sought has been listed for property tax purposes in the county in which it is principally located and the appropriate fee for the license has been paid.

(6) The department of transportation, the department of labor and industries, and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section. The department of transportation (~~shall~~) must adopt rules specifying the design, reflective characteristics, annual coloration, and for the uniform implementation of the decal required by this section. The department of labor and industries (~~shall~~) must adopt procedures for notifying destination local jurisdictions concerning the arrival of mobile homes that failed safety inspections."

On page 1, line 2 of the title, after "trailers;" strike the remainder of the title and insert "amending RCW 46.44.170; and adding a new section to chapter 84.56 RCW."

ENGROSSED HOUSE BILL NO. 1493, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1519 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means the health care authority.

(2) "Department" means the department of social and health services.

(3) "Emerging best practice" or "promising practice" means a program or practice that, based on statistical analyses or a well-established theory of change, shows potential for meeting the evidence-based or research-based criteria, which may include the use of a program that is evidence-based for outcomes other than those listed in this section.

(4) "Evidence-based" means a program or practice that has been tested in heterogeneous or intended populations with multiple randomized, or statistically controlled evaluations, or both; or one large multiple site randomized, or statistically controlled evaluation, or both, where the weight of the evidence from a systemic review demonstrates sustained improvements in at least one outcome.

"Evidence-based" also means a program or practice that can be implemented with a set of procedures to allow successful replication in Washington and, when possible, is determined to be cost-beneficial.

(5) "Research-based" means a program or practice that has been tested with a single randomized, or statistically controlled evaluation, or both, demonstrating sustained desirable outcomes; or where the

weight of the evidence from a systemic review supports sustained outcomes as described in this subsection but does not meet the full criteria for evidence-based.

(6) "Service coordination organization" or "service contracting entity" means the authority and department, or an entity that may contract with the state to provide, directly or through subcontracts, a comprehensive delivery system of medical, behavioral, long-term care, or social support services, including entities such as regional support networks as defined in RCW 71.24.025, managed care organizations that provide medical services to clients under chapter 74.09 RCW, counties providing chemical dependency services under chapters 74.50 and 70.96A RCW, and area agencies on aging providing case management services under chapter 74.39A RCW.

NEW SECTION. Sec. 2. (1) The authority and the department shall base contract performance measures developed under section 3 of this act on the following outcomes when contracting with service contracting entities: Improvements in client health status and wellness; increases in client participation in meaningful activities; reductions in client involvement with criminal justice systems; reductions in avoidable costs in hospitals, emergency rooms, crisis services, and jails and prisons; increases in stable housing in the community; improvements in client satisfaction with quality of life; and reductions in population-level health disparities.

(2) The performance measures must demonstrate the manner in which the following principles are achieved within each of the outcomes under subsection (1) of this section:

(a) Maximization of the use of evidence-based practices will be given priority over the use of research-based and promising practices, and research-based practices will be given priority over the use of promising practices. The agencies will develop strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities and community organizations that serve diverse communities;

(b) The maximization of the client's independence, recovery, and employment;

(c) The maximization of the client's participation in treatment decisions; and

(d) The collaboration between consumer-based support programs in providing services to the client.

(3) In developing performance measures under section 3 of this act, the authority and the department shall consider expected outcomes relevant to the general populations that each agency serves. The authority and the department may adapt the outcomes to account for the unique needs and characteristics of discrete subcategories of populations receiving services, including ethnically diverse communities.

(4) The authority and the department shall coordinate the establishment of the expected outcomes and the performance measures between each agency as well as each program to identify expected outcomes and performance measures that are common to the clients enrolled in multiple programs and to eliminate conflicting standards among the agencies and programs.

(5) The authority and the department shall establish timelines and mechanisms for service contracting entities to report data related to performance measures and outcomes, including phased implementation of public reporting of outcome and performance measures in a form that allows for comparison of performance measures and levels of improvement between geographic regions of Washington.

NEW SECTION. Sec. 3. By September 1, 2014:

(1) The authority shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in section 2 of this act for clients enrolled in medical managed care programs operated according to Title XIX or XXI of the federal social security act.

(2) The department shall adopt performance measures to determine whether service contracting entities are achieving the outcomes described in section 2 of this act for clients receiving mental health, long-term care, or chemical dependency services.

NEW SECTION. Sec. 4. By July 1, 2015, the authority and the department shall require that contracts with service coordination organizations include provisions requiring the adoption of the outcomes and performance measures developed under this chapter and mechanisms for reporting data to support each of the outcomes and performance measures.

NEW SECTION. Sec. 5. (1) By December 1, 2014, the department and the authority shall report jointly to the legislature on the expected outcomes and the performance measures. The report must identify the performance measures and the expected outcomes established for each program, the relationship between the performance measures and expected improvements in client outcomes, mechanisms for reporting outcomes and measuring performance, and options for applying the performance measures and expected outcomes development process to other health and social service programs.

(2) By December 1, 2016, the department and the authority shall report to the legislature on the incorporation of the performance measures into contracts with service coordination organizations and progress toward achieving the identified outcomes.

NEW SECTION. Sec. 6. The outcomes and performance measures established pursuant to this chapter do not establish a standard of care in any civil action brought by a recipient of services. The failure of a service coordination organization to meet the outcomes and performance measures established pursuant to this chapter does not create civil liability on the part of the service coordination organization in a claim brought by a recipient of services.

NEW SECTION. Sec. 7. A new section is added to chapter 74.09 RCW to read as follows:

The authority shall incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act) into contracts with managed care organizations that provide services to clients under this chapter.

Sec. 8. RCW 70.96A.320 and 1990 c 151 s 9 are each amended to read as follows:

(1) A county legislative authority, or two or more counties acting jointly, may establish an alcoholism and other drug addiction program. If two or more counties jointly establish the program, they shall designate one county to provide administrative and financial services.

(2) To be eligible for funds from the department for the support of the county alcoholism and other drug addiction program, the county legislative authority shall establish a county alcoholism and other drug addiction board under RCW 70.96A.300 and appoint a county alcoholism and other drug addiction program coordinator under RCW 70.96A.310.

(3) The county legislative authority may apply to the department for financial support for the county program of alcoholism and other drug addiction. To receive financial support, the county legislative authority shall submit a plan that meets the following conditions:

(a) It shall describe the services and activities to be provided;

(b) It shall include anticipated expenditures and revenues;

(c) It shall be prepared by the county alcoholism and other drug addiction program board and be adopted by the county legislative authority;

(d) It shall reflect maximum effective use of existing services and programs; and

(e) It shall meet other conditions that the secretary may require.

(4) The county may accept and spend gifts, grants, and fees, from public and private sources, to implement its program of alcoholism and other drug addiction.

(5) The department shall require that any agreement to provide financial support to a county that performs the activities of a service coordination organization for alcoholism and other drug addiction services must incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act).

(6) The county may subcontract for detoxification, residential treatment, or outpatient treatment with treatment programs that are approved treatment programs. The county may subcontract for other services with individuals or organizations approved by the department.

~~((6))~~ (7) To continue to be eligible for financial support from the department for the county alcoholism and other drug addiction program, an increase in state financial support shall not be used to supplant local funds from a source that was used to support the county alcoholism and other drug addiction program before the effective date of the increase.

Sec. 9. RCW 71.24.330 and 2008 c 261 s 6 are each amended to read as follows:

(1)(a) Contracts between a regional support network and the department shall include mechanisms for monitoring performance under the contract and remedies for failure to substantially comply with the requirements of the contract including, but not limited to, financial penalties, termination of the contract, and procurement of the contract.

(b) The department shall incorporate the criteria to measure the performance of service coordination organizations into contracts with regional support networks as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act).

(2) The regional support network procurement processes shall encourage the preservation of infrastructure previously purchased by the community mental health service delivery system, the maintenance of linkages between other services and delivery systems, and maximization of the use of available funds for services versus profits. However, a regional support network selected through the procurement process is not required to contract for services with any county-owned or operated facility. The regional support network procurement process shall provide that public funds appropriated by the legislature shall not be used to promote or deter, encourage, or discourage employees from exercising their rights under Title 29, chapter 7, subchapter II, United States Code or chapter 41.56 RCW.

(3) In addition to the requirements of RCW 71.24.035, contracts shall:

(a) Define administrative costs and ensure that the regional support network does not exceed an administrative cost of ten percent of available funds;

(b) Require effective collaboration with law enforcement, criminal justice agencies, and the chemical dependency treatment system;

(c) Require substantial implementation of department adopted integrated screening and assessment process and matrix of best practices;

(d) Maintain the decision-making independence of designated mental health professionals;

(e) Except at the discretion of the secretary or as specified in the biennial budget, require regional support networks to pay the state for the costs associated with individuals who are being served on the grounds of the state hospitals and who are not receiving long-term inpatient care as defined in RCW 71.24.025;

(f) Include a negotiated alternative dispute resolution clause; and

(g) Include a provision requiring either party to provide one hundred eighty days' notice of any issue that may cause either party to

voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to act as a regional support network. If either party decides to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to serve as a regional support network they shall provide ninety days' advance notice in writing to the other party.

Sec. 10. RCW 74.39A.090 and 2004 c 141 s 3 are each amended to read as follows:

(1) The legislature intends that any staff reassigned by the department as a result of shifting of the reauthorization responsibilities by contract outlined in this section shall be dedicated for discharge planning and assisting with discharge planning and information on existing discharge planning cases. Discharge planning, as directed in this section, is intended for residents and patients identified for discharge to long-term care pursuant to RCW 70.41.320, 74.39A.040, and 74.42.058. The purpose of discharge planning is to protect residents and patients from the financial incentives inherent in keeping residents or patients in a more expensive higher level of care and shall focus on care options that are in the best interest of the patient or resident.

(2) The department shall contract with area agencies on aging:

(a) To provide case management services to consumers receiving home and community services in their own home; and

(b) To reassess and reauthorize home and community services in home or in other settings for consumers consistent with the intent of this section:

(i) Who have been initially authorized by the department to receive home and community services; and

(ii) Who, at the time of reassessment and reauthorization, are receiving home and community services in their own home.

(3) In the event that an area agency on aging is unwilling to enter into or satisfactorily fulfill a contract or an individual consumer's need for case management services will be met through an alternative delivery system, the department is authorized to:

(a) Obtain the services through competitive bid; and

(b) Provide the services directly until a qualified contractor can be found.

(4)(a) The department shall include, in its oversight and monitoring of area agency on aging performance, assessment of case management roles undertaken by area agencies on aging in this section. The scope of oversight and monitoring includes, but is not limited to, assessing the degree and quality of the case management performed by area agency on aging staff for elderly and ~~((disabled))~~ persons with disabilities in the community.

(b) The department shall incorporate the expected outcomes and criteria to measure the performance of service coordination organizations into contracts with area agencies on aging as provided in chapter 70.-- RCW (the new chapter created in section 11 of this act).

(5) Area agencies on aging shall assess the quality of the in-home care services provided to consumers who are receiving services under the Medicaid personal care, community options programs entry system or chore services program through an individual provider or home care agency. Quality indicators may include, but are not limited to, home care consumers satisfaction surveys, how quickly home care consumers are linked with home care workers, and whether the plan of care under RCW 74.39A.095 has been honored by the agency or the individual provider.

(6) The department shall develop model language for the plan of care established in RCW 74.39A.095. The plan of care shall be in clear language, and written at a reading level that will ensure the ability of consumers to understand the rights and responsibilities expressed in the plan of care.

NEW SECTION. Sec. 11. Sections 1 through 6 of this act constitute a new chapter in Title 70 RCW."

On page 1, line 2 of the title, after "organizations;" strike the remainder of the title and insert "amending RCW 70.96A.320, 71.24.330, and 74.39A.090; adding a new section to chapter 74.09 RCW; and adding a new chapter to Title 70 RCW."

finalization of an adoption took place to an adult adoptee, a birth parent of an adult adoptee, an adoptive parent, a birth or adoptive grandparent of an adult adoptee, or an adult sibling of an adult adoptee, or the legal guardian of any of these.

(2) The department of health shall make available a noncertified copy of the original birth certificate of a child to the child's birth parents upon request.

(3)(a) For adoptions finalized after October 1, 1993, the department of health shall (~~make available~~) provide a noncertified copy of the original birth certificate to ((the adoptee after the adoptee's eighteenth birthday unless the birth parent has filed an affidavit of nondisclosure)) an adoptee eighteen years of age or older upon request, unless the birth parent has filed an affidavit of nondisclosure before the effective date of this section or a contact preference form that indicates he or she does not want the original birth certificate released: PROVIDED, That the affidavit of nondisclosure, the contact preference form, or both have not expired. (b) For adoptions finalized on or before October 1, 1993, the department of health may not provide a noncertified copy of the original birth certificate to the adoptee until after June 30, 2014. After June 30, 2014, the department of health shall provide a noncertified copy of the original birth certificate to an adoptee eighteen years of age or older upon request, unless the birth parent has filed a contact preference form that indicates he or she does not want the original birth certificate released: PROVIDED, That the contact preference form has not expired.

(c) An affidavit of nondisclosure expires upon the death of the birth parent.

(4)(a) Regardless of whether a birth parent has filed an affidavit of nondisclosure or when the adoption was finalized, a birth parent may at any time complete a contact preference form stating his or her preference about personal contact with the adoptee, which, if available, must accompany an original birth certificate provided to an adoptee under subsection (3) of this section.

(b) The contact preference form must include the following options:

(i) I would like to be contacted. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate;

(ii) I would like to be contacted only through a confidential intermediary as described in RCW 26.33.343. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate;

(iii) I prefer not to be contacted and have completed the birth parent updated medical history form. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate; and

(iv) I prefer not to be contacted and have completed the birth parent updated medical history form. I do not want a noncertified copy of the original birth certificate released to the adoptee.

(c) If the birth parent indicates he or she prefers not to be contacted, personally identifying information on the contact preference form must be kept confidential and may not be released.

(d) Nothing in this section precludes a birth parent from subsequently filing another contact preference form to rescind the previous contact preference form and state a different preference.

(e) A contact preference form expires upon the death of the birth parent.

(5) If a birth parent files a contact preference form, the birth parent must also file an updated medical history form with the department of health. Upon request of the adoptee, the department of health must provide the adoptee with the updated medical history form filed by the adoptee's birth parent.

(6) Both a completed contact preference form and birth parent updated medical history form are confidential and must be placed in the adoptee's sealed file.

(7) If a birth parent files a contact preference form within six months after the first time an adoptee requests a copy of his or her original birth certificate as provided in subsection (3) of this section, the department of health must forward the contact preference form and the birth parent updated medical history form to the address of the adoptee.

(8) The department of health may charge a fee not to exceed twenty dollars for providing a noncertified copy of a birth certificate to an adoptee.

(9) The department of health must create the contact preference form and an updated medical history form. The contact preference form must provide a method to ensure personally identifying information can be kept confidential. The updated medical history form may not require the birth parent to disclose any identifying information about the birth parent.

(10) If the department of health does not provide an adoptee with a noncertified copy of the original birth certificate because a valid affidavit of nondisclosure or contact preference form has been filed, the adoptee may request, no more than once per year, that the department of health attempt to determine if the birth parent is deceased. Upon request of the adoptee, the department of health must make a reasonable effort to search public records that are accessible and already available to the department of health to determine if the birth parent is deceased. The department of health may charge the adoptee a reasonable fee to cover the cost of conducting a search."

MESSAGE FROM THE SENATE

April 12, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1556 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that more than three hundred sixty thousand people in the United States experience cardiac arrest outside of a hospital every year, and only ten percent survive because the remainder do not receive timely cardiopulmonary resuscitation. When administered immediately, cardiopulmonary resuscitation doubles or triples survival rates from cardiac arrest. Sudden cardiac arrest can happen to anyone at any time. Many victims appear healthy and have no known heart disease or other risk factors. The legislature finds that schools are the hearts of our community, and preparing students to help with a sudden cardiac arrest emergency could save the life of a child, parent, or teacher. Washington state has a longstanding history of training members of the public in cardiopulmonary resuscitation with community-based training programs. The legislature finds that training students will continue the legacy of providing high quality emergency cardiac care to its citizens. Therefore, the legislature intends to create a generation of lifesavers by putting cardiopulmonary resuscitation skills in the hands of all high school graduates and providing schools with a flexible framework to prepare for an emergency.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1) An automated external defibrillator is often a critical component in the chain of survival for a cardiac arrest victim.

(2) The office of the superintendent of public instruction, in consultation with school districts and stakeholder groups, shall develop guidance for a medical emergency response and automated external defibrillator program for high schools.

(3) The medical emergency response and automated external defibrillator program must comply with current evidence-based guidance from the American heart association or other national science organization.

(4) The office of the superintendent of public instruction, in consultation with the department of health, shall assist districts in carrying out a program under this section, including providing guidelines and advice for seeking grants for the purchase of automated external defibrillators or seeking donations of automated external defibrillators. The superintendent may coordinate with local health districts or other organizations in seeking grants and donations for this purpose.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.230 RCW to read as follows:

(1) Each school district that operates a high school must offer instruction in cardiopulmonary resuscitation to students as provided in this section. Beginning with the 2013-14 school year, instruction in cardiopulmonary resuscitation must be included in at least one health class necessary for graduation.

(2) Instruction in cardiopulmonary resuscitation under this section must:

(a) Be an instructional program developed by the American heart association or the American red cross or be nationally recognized and based on the most current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation;

(b) Include appropriate use of an automated external defibrillator, which may be taught by video; and

(c) Incorporate hands-on practice in addition to cognitive learning.

(3) School districts may offer the instruction in cardiopulmonary resuscitation directly or arrange for the instruction to be provided by available community-based providers. The instruction is not required to be provided by a certificated teacher. Certificated teachers providing the instruction are not required to be certified trainers of cardiopulmonary resuscitation. A student is not required to earn certification in cardiopulmonary resuscitation to successfully complete the instruction for the purposes of this section."

On page 1, line 2 of the title, after "arrest;" strike the remainder of the title and insert "adding a new section to chapter 28A.300 RCW; adding a new section to chapter 28A.230 RCW; and creating a new section."

(1) When, in the opinion of the board of directors of any school district, the cost of any furniture, supplies, equipment, building, improvements, or repairs, or other work or purchases, except books, will equal or exceed the ~~((sum of fifty thousand dollars))~~ threshold levels specified in subsections (2) and (4) of this section, complete plans and specifications for such work or purchases shall be prepared and notice by publication given in at least one newspaper of general circulation within the district, once each week for two consecutive weeks, of the intention to receive bids and that specifications and other information may be examined at the office of the board or any other officially designated location ~~(= PROVIDED, That the board without giving such notice may make improvements or repairs to the property of the district through the shop and repair department of such district when the total of such improvements or repair does not exceed the sum of forty thousand dollars).~~ The cost of any public work, improvement, or repair for the purposes of this section shall be the aggregate of all amounts to be paid for labor, material, and equipment on one continuous or interrelated project where work is to be performed simultaneously or in close sequence. The bids shall be in writing and shall be opened and read in public on the date and in the

place named in the notice and after being opened shall be filed for public inspection.

(2) Every purchase of furniture, equipment, or supplies, except books, the cost of which is estimated to be in excess of forty thousand dollars, shall be on a competitive basis. The board of directors shall establish a procedure for securing telephone and/or written quotations for such purchases. Whenever the estimated cost is from forty thousand dollars up to seventy-five thousand dollars, the procedure shall require quotations from at least three different sources to be obtained in writing or by telephone, and recorded for public perusal. Whenever the estimated cost is in excess of seventy-five thousand dollars, the public bidding process provided in subsection (1) of this section shall be followed.

(3) Any school district may purchase goods produced or provided in whole or in part from class II inmate work programs operated by the department of corrections pursuant to RCW 72.09.100, including but not limited to furniture, equipment, or supplies. School districts are encouraged to set as a target to contract, beginning after June 30, 2006, to purchase up to one percent of the total goods required by the school districts each year, goods produced or provided in whole or in part from class II inmate work programs operated by the department of corrections.

(4) ~~((Every building, improvement, repair or other public works project, the cost of which is estimated to be in excess of forty thousand dollars, shall be on a competitive bid process.))~~ The board may make improvements or repairs to the property of the district through a department within the district without following the public bidding process provided in subsection (1) of this section when the total of such improvements or repairs does not exceed the sum of seventy-five thousand dollars. Whenever the estimated cost of a building, improvement, repair, or other public works project is one hundred thousand dollars or more, the public bidding process provided in subsection (1) of this section shall be followed unless the contract is let using the small works roster process in RCW 39.04.155 or under any other procedure authorized for school districts. On any work or purchase the board shall provide bidding information to any qualified bidder or the bidder's agent, requesting it in person.

(6) In the event of any emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board declaring the existence of such an emergency and reciting the facts constituting the same, the board may waive the requirements of this section with reference to any purchase or contract: PROVIDED, That an "emergency," for the purposes of this section, means a condition likely to result in immediate physical injury to persons or to property of the school district in the absence of prompt remedial action.

(10) As used in this section, "Washington grown" has the definition in RCW 15.64.060.

(11) As used in this section, "price percentage preference" means the percent by which a responsive bid from a responsible bidder whose product is a Washington grown food may exceed the lowest responsive bid submitted by a responsible bidder whose product is not a Washington grown food."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1633, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 16, 2013

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1642 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that progress is being made in making dual high school and college credit courses available for students:

(a) Overall dual credit program enrollments increased by almost four percent between 2009 and 2012;

(b) The number of dual credit programs offered by Washington high schools increased by almost fifteen percent between the 2009-10 school year and the 2011-12 school year; and

(c) Dual credit program participation rates for low-income students increased more than fourteen percent between the 2009-10 school year and the 2011-12 school year.

(2) However, the legislature further finds that more can be done to promote academic acceleration for all students and eliminate barriers, real or perceived, that may prevent students from enrolling in rigorous advanced courses, including dual credit courses.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Each school district board of directors is encouraged to adopt an academic acceleration policy for high school students as provided under this section.

(2) Under an academic acceleration policy:

(a) The district automatically enrolls any student who meets the state standard on the high school statewide student assessment in the next most rigorous level of advanced courses offered by the high school. Students who successfully complete such an advanced course are then enrolled in the next most rigorous level of advanced course, with the objective that students will eventually be automatically enrolled in courses that offer the opportunity to earn dual credit for high school and college.

(b) The subject matter of the advanced courses in which the student is automatically enrolled depends on the content area or areas of the statewide student assessment where the student has met the state standard. Students who meet the state standard on both end-of-course mathematics assessments are considered to have met the state standard for high school mathematics. Students who meet the state standard in both reading and writing are eligible for enrollment in advanced courses in English, social studies, humanities, and other related subjects.

(c) The district must notify students and parents or guardians regarding the academic acceleration policy and the advanced courses available to students.

(d) The district must provide a parent or guardian with an opportunity to opt out of the academic acceleration policy and enroll a student in an alternative course.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Subject to funds appropriated specifically for this purpose, the academic acceleration incentive program is established as provided in this section. The intent of the legislature is that the funds awarded under the program be used to support teacher training, curriculum, technology, examination fees, and other costs associated with offering dual credit courses to high school students.

(2) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section on a competitive basis to provide one-time grants for high schools to expand the availability of dual credit courses. To be eligible for a grant, a school district must have adopted an academic acceleration policy as provided under section 2 of this act. In making grant awards, the office of the superintendent of public instruction must give priority to grants for high schools with a high proportion of low-income students and high schools seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.

(3) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section to school districts as an incentive award for each student who earned

dual high school and college credit, as described under subsection (4) of this section, for courses offered by the district's high schools during the previous school year. School districts must distribute the award to the high schools that generated the funds. The award amount for low-income students eligible to participate in the federal free and reduced-price meals program who earn dual credits must be set at one hundred twenty-five percent of the base award for other students. A student who earns more than one dual credit in the same school year counts only once for the purposes of the incentive award.

(4) For the purposes of this section, the following students are considered to have earned dual high school and college credit in a course offered by a high school:

(a) Students who achieve a score of three or higher on an AP examination;

(b) Students who achieve a score of four or higher on an examination of the international baccalaureate diploma programme;

(c) Students who successfully complete a Cambridge advanced international certificate of education examination;

(d) Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and

(e) Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course.

(5) If a high school provides access to online courses for students to earn dual high school and college credit at no cost to the student, such a course is considered to be offered by the high school. Students enrolled in the running start program under RCW 28A.600.300 do not generate an incentive award under this section.

(6) The office of the superintendent of public instruction shall report to the education policy committees and the fiscal committees of the legislature, by January 1st of each year, information about the demographics of the students earning dual credits in the schools receiving grants under this section for the prior school year. Demographic data shall be disaggregated pursuant to RCW 28A.300.042.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

In addition to data on student enrollment in dual credit courses, the office of the superintendent of public instruction shall collect and post on the Washington state report card web site the rates at which students earn college credit through a dual credit course, using the following criteria:

(1) Students who achieve a score of three or higher on an AP examination;

(2) Students who achieve a score of four or higher on an examination of the international baccalaureate diploma programme;

(3) Students who successfully complete a Cambridge advanced international certificate of education examination;

(4) Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and

(5) Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course; and

(6) Students who successfully complete a course through the running start program under RCW 28A.600.300 and are awarded credit by the institution of higher education.

NEW SECTION. Sec. 5. If specific funding for purposes of section 3 of this act, referencing section 3 of this act by bill or chapter and section number, is not provided by June 30, 2013, in the omnibus operating appropriations act, section 3 of this act is null and void."

On page 1, line 2 of the title, after "students;" strike the remainder of the title and insert "adding new sections to chapter 28A.320 RCW; adding a new section to chapter 28A.300 RCW; and creating new sections."

and the same is herewith transmitted.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1645 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28B.07.030 and 2011 1st sp.s. c 11 s 137 are each amended to read as follows:

(1) The Washington higher education facilities authority is hereby established as a public body corporate and politic, with perpetual corporate succession, constituting an agency of the state of Washington exercising essential governmental functions. The authority is a "public body" within the meaning of RCW 39.53.010.

(2) The authority shall consist of ~~((six))~~ seven members as follows: The governor, lieutenant governor, chair of the student achievement council or the chair's designee, and four public members,

one of whom shall be the president of a higher education institution at the time of appointment. The public members shall be residents of the state and appointed by the governor, subject to confirmation by the senate, on the basis of their interest or expertise in the provision of higher education and the financing of higher education. The public members of the authority shall serve for terms of four years. The initial terms of the public members shall be staggered in a manner determined by the governor. In the event of a vacancy on the authority due to death, resignation, or removal of one of the public members, and upon the expiration of the term of any public member, the governor shall appoint a successor for a term expiring on the fourth anniversary of the successor's date of the appointment. If any of the state offices are abolished, the resulting vacancy on the authority shall be filled by the state officer who shall succeed substantially to the power and duties of the abolished office. Any public member of the authority may be removed by the governor for misfeasance, malfeasance, willful neglect of duty, or any other cause after notice and a public hearing, unless such notice and hearing shall be expressly waived in writing.

(3) The governor shall serve as chairperson of the authority. The authority shall elect annually one of its members as secretary. If the governor shall be absent from a meeting of the authority, the secretary shall preside. However, the governor may designate an employee of the governor's office to act on the governor's behalf in all other respects during the absence of the governor at any meeting of the authority. If the designation is in writing and is presented to the person presiding at the meetings of the authority who is included in the designation, the vote of the designee has the same effect as if cast by the governor.

(4) Any person designated by resolution of the authority shall keep a record of the proceedings of the authority and shall be the custodian of all books, documents, and papers filed with the authority, the minute book or a journal of the authority, and the authority's official seal, if any. The person may cause copies to be made of all minutes and other records and documents of the authority, and may give certificates to the effect that such copies are true copies. All persons dealing with the authority may rely upon the certificates.

(5) Four members of the authority constitute a quorum. Members participating in a meeting through the use of any means of communication by which all members participating can hear each other during the meeting shall be deemed to be present in person at the meeting for all purposes. The authority may act on the basis of a motion except when authorizing the issuance and sale of bonds, in which case the authority shall act by resolution. Bond resolutions and other resolutions shall be adopted upon the affirmative vote of four members of the authority, and shall be signed by those members voting yes. Motions shall be adopted upon the affirmative vote of a majority of a quorum of members present at any meeting of the authority. All actions taken by the authority shall take effect immediately without need for publication or other public notice. A vacancy in the membership of the authority does not impair the power of the authority to act under this chapter.

(6) The members of the authority shall be compensated in accordance with RCW 43.03.240 and shall be entitled to reimbursement, solely from the funds of the authority, for travel expenses as determined by the authority incurred in the discharge of their duties under this chapter."

- (c) Contains reasonable safeguards to protect the information from redisclosure;

(d) Contains reasonable safeguards to protect against identifying, directly or indirectly, any patient in any report of the research project; and

NEW SECTION. Sec. 6. A new section is added to chapter 70.02 RCW to read as follows:

SEXUALLY TRANSMITTED DISEASES--PERMITTED AND MANDATORY DISCLOSURES. (1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this section, section 5 of this act, or chapter 70.24 RCW.

(2) No person may disclose or be compelled to disclose information and records related to sexually transmitted diseases, except as authorized by this section, section 5 of this act, or chapter 70.24 RCW. A person may disclose information related to sexually transmitted diseases about a patient without the patient's authorization, to the extent a recipient needs to know the information, if the disclosure is to:

(a) The subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor fourteen years of age or over and otherwise competent;

(b) The state public health officer as defined in RCW 70.24.017, a local public health officer, or the centers for disease control of the United States public health service in accordance with reporting requirements for a diagnosed case of a sexually transmitted disease;

(c) A health facility or health care provider that procures, processes, distributes, or uses: (i) A human body part, tissue, or blood from a deceased person with respect to medical information regarding that person; (ii) semen, including that was provided prior to March 23, 1988, for the purpose of artificial insemination; or (iii) blood specimens;

(e) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure must: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other

appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services;

(f) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in RCW 70.24.022, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(g) A law enforcement officer, firefighter, health care provider, health care facility staff person, department of correction's staff person, jail staff person, or other persons as defined by the board of health in rule pursuant to RCW 70.24.340(4), who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to RCW 70.24.340(4), if a state or local public health officer performs the test;

(h) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection must be confidential and may not be released or available to persons who are not involved in handling or determining medical claims payment; and

(i) A department of social and health services worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of social and health services or a licensed child placing agency. This information may also be received by a person responsible for providing residential care for such a child when the department of social and health services or a licensed child placing agency determines that it is necessary for the provision of child care services.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

(4) The release of sexually transmitted disease information regarding an offender or detained person, except as provided in subsection (2)(d) of this section, is governed as follows:

(b) The sexually transmitted disease status of a person detained in a jail who has had a mandatory test conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370 must be made available by the local public health officer to a jail health care administrator or infection control coordinator. The information made available to a health care administrator under this subsection (4)(b) may be used only for disease prevention or control and for protection of the safety and security of the staff, offenders, detainees, and the public. The

information may be submitted to transporting officers and receiving facilities according to the provisions of (d) and (e) of this subsection.

(c) Information regarding the sexually transmitted disease status of an offender or detained person is confidential and may be disclosed by a correctional health care administrator or infection control coordinator or local jail health care administrator or infection control coordinator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080 or any other penalties as may be prescribed by law.

(d) Notwithstanding the limitations on disclosure contained in (a), (b), and (c) of this subsection, whenever any member of a jail staff or department of corrections staff has been substantially exposed to the bodily fluids of an offender or detained person, then the results of any tests conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370, must be immediately disclosed to the staff person in accordance with the Washington Administrative Code rules governing employees' occupational exposure to bloodborne pathogens. Disclosure must be accompanied by appropriate counseling for the staff member, including information regarding follow-up testing and treatment. Disclosure must also include notice that subsequent disclosure of the information in violation of this chapter or use of the information to harass or discriminate against the offender or detainee may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080, and imposition of other penalties prescribed by law.

(e) The staff member must also be informed whether the offender or detained person had any other communicable disease, as defined in RCW 72.09.251(3), when the staff person was substantially exposed to the offender's or detainee's bodily fluids.

(f) The test results of voluntary and anonymous HIV testing or HIV-related condition, as defined in RCW 70.24.017, may not be disclosed to a staff person except as provided in this section and RCW 70.02.050(1)(e) and 70.24.340(4). A health care administrator or infection control coordinator may provide the staff member with information about how to obtain the offender's or detainee's test results under this section and RCW 70.02.050(1)(e) and 70.24.340(4).

(5) The requirements of this section do not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor do they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(6) Upon request of the victim, disclosure of test results under this section to victims of sexual offenses under chapter 9A.44 RCW must be made if the result is negative or positive. The county prosecuting attorney shall notify the victim of the right to such disclosure. The disclosure must be accompanied by appropriate counseling, including information regarding follow-up testing.

(7) A person, including a health care facility or health care provider, shall disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease and information and records related to sexually transmitted diseases to federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal certification or registration rules or laws; or when needed to protect the public health. Any health care information obtained under this subsection is exempt from public inspection and copying pursuant to chapter 42.56 RCW.

For purposes of this section, a written notification includes notification by e-mail or facsimile, so long as the notifying mental health service provider is clearly identified.

(2) The information to be released to the department of corrections shall include all relevant records and reports, as defined by rule, necessary for the department of corrections to carry out its duties.

(5) No mental health service provider or individual employed by a mental health service provider shall be held responsible for information released to or used by the department of corrections under the provisions of this section or rules adopted under this section ((except under RCW 71.05.440)).

(6) Whenever federal law or federal regulations restrict the release of information contained in the treatment records of any patient who receives treatment for alcoholism or drug dependency, the release of the information may be restricted as necessary to comply with federal law and regulations.

(8) The department shall, subject to available resources, electronically, or by the most cost-effective means available, provide the department of corrections with the names, last dates of services, and addresses of specific regional support networks and mental health service providers that delivered mental health services to a person subject to chapter 9.94A or 9.95 RCW pursuant to an agreement between the departments.

Sec. 32. RCW 72.09.585 and 2011 1st sp.s. c 40 s 24 are each amended to read as follows:

MENTAL HEALTH SERVICES, INFORMATION--DEPARTMENT OF CORRECTIONS--REQUIRED INQUIRIES AND DISCLOSURES. (1) When the department is determining an offender's risk management level, the department shall inquire of the offender and shall be told whether the offender is subject to court-ordered treatment for mental health services or chemical dependency services. The department shall request and the offender shall provide an authorization to release information form that meets applicable state and federal requirements and shall provide the offender with written notice that the department will request the offender's mental health and substance abuse treatment information. An offender's failure to inform the department of court-ordered treatment is a violation of the conditions of supervision if the offender is in the community and an infraction if the offender is in confinement, and the violation or infraction is subject to sanctions.

(2) When an offender discloses that he or she is subject to court-ordered mental health services or chemical dependency treatment, the department shall provide the mental health services provider or chemical dependency treatment provider with a written request for information and any necessary authorization to release information forms. The written request shall comply with rules adopted by the department of social and health services or protocols developed jointly by the department and the department of social and health services. A single request shall be valid for the duration of the offender's supervision in the community. Disclosures of information related to mental health services made pursuant to a department request shall not require consent of the offender.

(3) The information received by the department under RCW 71.05.445 or ((71.34.345)) section 9 of this act may be released to the indeterminate sentence review board as relevant to carry out its responsibility of planning and ensuring community protection with respect to persons under its jurisdiction. Further disclosure by the indeterminate sentence review board is subject to the limitations set forth in subsections (5) and (6) of this section and must be consistent with the written policy of the indeterminate sentence review board.

The decision to disclose or not shall not result in civil liability for the indeterminate sentence review board or staff assigned to perform board-related duties provided that the decision was reached in good faith and without gross negligence.

(4) The information received by the department under RCW 71.05.445 or ((71.34.345)) section 9 of this act may be used to meet the statutory duties of the department to provide evidence or report to the court. Disclosure to the public of information provided to the court by the department related to mental health services shall be limited in accordance with RCW 9.94A.500 or this section.

(5) The information received by the department under RCW 71.05.445 or ((71.34.345)) section 9 of this act may be disclosed by the department to other state and local agencies as relevant to plan for and provide offenders transition, treatment, and supervision services, or as relevant and necessary to protect the public and counteract the danger created by a particular offender, and in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. The information received by a state or local agency from the department shall remain confidential and subject to the limitations on disclosure set forth in chapters 70.02, 71.05, and 71.34 RCW and, subject to these limitations, may be released only as relevant and necessary to counteract the danger created by a particular offender.

(6) The information received by the department under RCW 71.05.445 or ((71.34.345)) section 9 of this act may be disclosed by the department to individuals only with respect to offenders who have been determined by the department to have a high risk of reoffending by a risk assessment, as defined in RCW 9.94A.030, only as relevant and necessary for those individuals to take reasonable steps for the purpose of self-protection, or as provided in RCW 72.09.370(2). The information may not be disclosed for the purpose of engaging the public in a system of supervision, monitoring, and reporting offender behavior to the department. The department must limit the disclosure of information related to mental health services to the public to descriptions of an offender's behavior, risk he or she may present to the community, and need for mental health treatment, including medications, and shall not disclose or release to the public copies of treatment documents or records, except as otherwise provided by law. All disclosure of information to the public must be done in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. Nothing in this subsection prevents any person from reporting to law enforcement or the department behavior that he or she believes creates a public safety risk.

Sec. 33. RCW 9.94A.500 and 2008 c 231 s 2 are each amended to read as follows:

SENTENCING HEARINGS--PREVENTION OF WRONGFUL DISCLOSURE OF MENTAL HEALTH SERVICES RECORDS AND INFORMATION. (1) Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing.

Except in cases where the defendant shall be sentenced to a term of total confinement for life without the possibility of release or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, the court may order the department to complete a risk assessment report. If available before sentencing, the report shall be provided to the court.

Unless specifically waived by the court, the court shall order the department to complete a chemical dependency screening report

before imposing a sentence upon a defendant who has been convicted of a violation of the uniform controlled substances act under chapter 69.50 RCW, a criminal solicitation to commit such a violation under chapter 9A.28 RCW, or any felony where the court finds that the offender has a chemical dependency that has contributed to his or her offense. In addition, the court shall, at the time of plea or conviction, order the department to complete a presentence report before imposing a sentence upon a defendant who has been convicted of a felony sexual offense. The department of corrections shall give priority to presentence investigations for sexual offenders. If the court determines that the defendant may be a mentally ill person as defined in RCW 71.24.025, although the defendant has not established that at the time of the crime he or she lacked the capacity to commit the crime, was incompetent to commit the crime, or was insane at the time of the crime, the court shall order the department to complete a presentence report before imposing a sentence.

The court shall consider the risk assessment report and presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed.

A criminal history summary relating to the defendant from the prosecuting authority or from a state, federal, or foreign governmental agency shall be prima facie evidence of the existence and validity of the convictions listed therein. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. Copies of all risk assessment reports and presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court shall be sent to the department by the clerk of the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department. Court clerks shall provide, without charge, certified copies of documents relating to criminal convictions requested by prosecuting attorneys.

(2) To prevent wrongful disclosure of information and records related to mental health services, as ~~((defined))~~ described in RCW 71.05.445 and ~~((71.34.345))~~ section 9 of this act, a court may take only those steps necessary during a sentencing hearing or any hearing in which the department presents information related to mental health services to the court. The steps may be taken on motion of the defendant, the prosecuting attorney, or on the court's own motion. The court may seal the portion of the record relating to information relating to mental health services, exclude the public from the hearing during presentation or discussion of information and records relating to mental health services, or grant other relief to achieve the result intended by this subsection, but nothing in this subsection shall be construed to prevent the subsequent release of information and records related to mental health services as authorized by RCW 71.05.445, ~~((71.34.345))~~ section 9 of this act, or 72.09.585. Any person who otherwise is permitted to attend any hearing pursuant to chapter 7.69 or 7.69A RCW shall not be excluded from the hearing solely because the department intends to disclose or discloses information related to mental health services.

NEW SECTION. Sec. 34. REPEALERS. The following acts or parts of acts are each repealed:

MESSAGE FROM THE SENATE

April 16, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1688 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that preserving a safe and beneficial learning environment for all students requires the establishment and enforcement of appropriate student discipline policies. The legislature further finds that although physical restraint and isolation of a student should be avoided, there may be circumstances where school district boards of directors have authorized these actions to preserve the safety of other students and school staff. Nevertheless, if an incident of student restraint or isolation occurs, school personnel should be held accountable for providing a thorough explanation of the circumstances.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.600 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

These procedures must include reviewing the incident with the student and the parent or guardian to address the behavior that precipitated the restraint or isolation and reviewing the incident with the staff member who administered the restraint or isolation to discuss whether proper procedures were followed.

(4) Any school employee, resource officer, or school security officer who uses any chemical spray, mechanical restraint, or physical force on a student during school-sponsored instruction or activities must inform the building administrator or building administrator's designee as soon as possible, and within two business days submit a written report of the incident to the district office. SUBSTITUTE HOUSE BILL NO. 1737, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1774 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that the goals of the child welfare system are to protect the safety, permanence, and well-being of the children it serves. The legislature further recognizes the importance of maintaining publicly accessible data that tracks the performance of the child welfare system, leading to transparency and public understanding of the system.

(2) The legislature believes it is important to measure safety, permanence, and well-being such that the public and the legislature may understand how the child welfare system is performing. This information will also serve the legislature in determining priorities for investment of public dollars as well as need for substantive legislative changes to facilitate improvement.

(3) The reports to the legislature under section 2 of this act will be used to provide feedback to the department of social and health services. The agencies referenced in section 2 of this act will not disclose individually identifiable private information except as allowable under federal and state law.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

(1) A university-based child welfare research entity and the department, in collaboration with other stakeholders, shall develop measurements in the areas of safety, permanency, and well-being, using existing and available data. Measurements must be calculated from data used in the routine work of the state agencies' data and information technology departments. Any new record linkage or data-matching activities required in fulfillment of this section may be performed by the research entity pursuant to agreements developed under subsection (6) of this section.

(2) For the purposes of this section, "state agencies" means any agency or subagency providing data used in the integrated client database maintained by the research and data analysis division of the department. Any exchange of data must be in accordance with applicable federal and state law.

(3) All measurements must use a methodology accepted by the scientific community. All measurements must address any disproportionate racial and ethnic inequality. The initial measurements must be developed by December 1, 2013.

(4) The measurements may not require the state agencies to revise their data collection systems, and may not require the state agencies to provide individually identifiable information.

(5) The state agencies shall provide the research entity with all measurement data related to the measurements developed under this

section at least quarterly beginning July 1, 2014. The research entity shall make any nonidentifiable data publicly available. The research entity shall report on the data to the legislature and the governor annually starting December 31, 2014.

(6) By January 1, 2014, the state agencies shall execute agreements with the research entity to enable sharing of data pursuant to RCW 42.48.020 sufficient to comply with this section.

(7) The fact that the research entity has chosen to use a specific measure, use a specific baseline, or compare any measure to a baseline is not admissible as evidence of negligence by the department in a civil action.

Sec. 3. RCW 74.13B.020 and 2012 c 205 s 3 are each amended to read as follows:

(1) No later than ~~((December 1, 2013))~~ July 1, 2014, the department shall enter into performance-based contracts for the provision of family support and related services. The department may enter into performance-based contracts for additional services, other than case management.

~~(2) ((Beginning December 1, 2013, the department may not renew its current contracts with individuals or entities for the provision of the child welfare services included in performance-based contracts under this section for services in geographic areas served by network administrators under such contracts, except as mutually agreed upon between the department and the network administrator to allow for the successful transition of services that meet the needs of children and families.~~

~~—((3))~~ The department shall conduct a procurement process to enter into performance-based contracts with one or more network administrators for family support and related services. As part of the procurement process, the department shall consult with department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, and the Washington state institute for public policy to assist in identifying the categories of family support and related services that will be included in the procurement. The categories of family support and related services shall be defined no later than July 15, 2012. In identifying services, the department must review current data and research related to the effectiveness of family support and related services that mitigate child safety concerns and promote permanency, including reunification, and child well-being. Expenditures for family support and related services purchased under this section must remain within the levels appropriated in the operating budget.

~~((4))~~ ~~(3)~~(a) Network administrators shall, directly or through subcontracts with service providers:

(i) Assist caseworkers in meeting their responsibility for implementation of case plans and individual service and safety plans; and

(ii) Provide the family support and related services within the categories of contracted services that are included in a child or family's case plan or individual service and safety plan within funds available under contract.

(b) While the department caseworker retains responsibility for case management, nothing in chapter 205, Laws of 2012 limits the ability of the department to continue to contract for the provision of case management services by child-placing agencies, behavioral rehabilitation services agencies, or other entities that provided case management under contract with the department prior to July 1, 2005.

~~((5))~~ ~~(4)~~ In conducting the procurement, the department shall actively consult with other state agencies with relevant expertise, such as the health care authority, and with philanthropic entities with expertise in performance-based contracting for child welfare services. The director of the office of financial management must approve the request for proposal prior to its issuance.

~~((6))~~ (5) The procurement process must be developed and implemented in a manner that complies with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and must provide an opportunity for tribal governments to contract for service delivery through network administrators.

~~((7))~~ (6) The procurement and resulting contracts must include, but are not limited to, the following standards and requirements:

(a) The use of family engagement approaches to successfully motivate families to engage in services and training of the network's contracted providers to apply such approaches;

(b) The use of parents and youth who are successful veterans of the child welfare system to act as mentors through activities that include, but are not limited to, helping families navigate the system, facilitating parent engagement, and minimizing distrust of the child welfare system;

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

~~((8))~~ (7) As part of the procurement process under this section, the department shall issue the request for proposals or request for information no later than December 31, ~~((2012. The department shall notify the apparently successful bidders no later than June 30, 2013))~~ 2013, shall begin implementation of performance-based contracting no later than July 1, 2014, and shall fully implement performance-based contracting no later than July 1, 2015.

~~((9))~~ (8) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

~~((10))~~ (9) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

~~((11))~~ (10) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

Sec. 4. RCW 74.13.360 and 2012 c 205 s 8 are each amended to read as follows:

(1) No later than December 30, ~~((2015))~~ 2016;

(a) In the demonstration sites selected under RCW 74.13.368(4)(a), child welfare services shall be provided by supervising agencies with whom the department has entered into performance-based contracts. Supervising agencies may enter into subcontracts with other licensed agencies; and

(b) Except as provided in subsection (3) of this section, and notwithstanding any law to the contrary, the department may not directly provide child welfare services to families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a).

(2) No later than December 30, ~~((2015))~~ 2016, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department is responsible for only the following:

(a) Monitoring the quality of services for which the department contracts under this chapter;

(b) Ensuring that the services are provided in accordance with federal law and the laws of this state, including the Indian child welfare act;

(c) Providing child protection functions and services, including intake and investigation of allegations of child abuse or neglect, emergency shelter care functions under RCW 13.34.050, and referrals to appropriate providers; and

(d) Issuing licenses pursuant to chapter 74.15 RCW.

(3) No later than December 30, ~~((2015))~~ 2016, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department may provide child welfare services only:

(a) For the limited purpose of establishing a control or comparison group as deemed necessary by the child welfare transformation design committee, with input from the Washington state institute for public policy, to implement the demonstration sites selected and defined pursuant to RCW 74.13.368(4)(a) in which the performance in achieving measurable outcomes will be compared and evaluated pursuant to RCW 74.13.370; or

(b) In an emergency or as a provider of last resort. The department shall adopt rules describing the circumstances under which the department may provide those services. For purposes of this section, "provider of last resort" means the department is unable to contract with a private agency to provide child welfare services in a particular geographic area or, after entering into a contract with a private agency, either the contractor or the department terminates the contract.

(4) For purposes of this chapter, on and after September 1, 2010, performance-based contracts shall be structured to hold the supervising agencies accountable for achieving the following goals in order of importance: Child safety; child permanency, including reunification; and child well-being.

(5) A federally recognized tribe located in this state may enter into a performance-based contract with the department to provide child welfare services to Indian children whether or not they reside on a reservation. Nothing in this section prohibits a federally recognized Indian tribe located in this state from providing child welfare services

to its members or other Indian children pursuant to existing tribal law, regulation, or custom, or from directly entering into agreements for the provision of such services with the department, if the department continues to otherwise provide such services, or with federal agencies.

NEW SECTION. Sec. 5. RCW 74.13.368 (Performance-based contracts--Child welfare transformation design committee) and 2012 c 205 s 10, 2010 c 291 s 2, & 2009 c 520 s 8 are each suspended as of the effective date of this section until December 1, 2015."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "measuring performance and performance-based contracting of the child welfare system; amending RCW 74.13B.020 and 74.13.360; adding a new section to chapter 74.13 RCW; and creating new sections."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1826 with the following amendment:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 19.280.010 and 2006 c 195 s 1 are each amended to read as follows:

It is the intent of the legislature to encourage the development of new safe, clean, and reliable energy resources to meet demand in Washington for affordable and reliable electricity. To achieve this end, the legislature finds it essential that electric utilities in Washington develop comprehensive resource plans that explain the mix of generation and demand-side resources they plan to use to meet their customers' electricity needs in both the short term and the long term. The legislature intends that information obtained from integrated resource planning under this chapter will be used to assist in identifying and developing: (1) New energy generation(;) (2) conservation and efficiency resources(;) (3) methods, commercially available technologies, and facilities for integrating renewable resources, including addressing any overgeneration event; and (4) related infrastructure to meet the state's electricity needs.

Sec. 2. RCW 19.280.020 and 2009 c 565 s 19 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the utilities and transportation commission.

(2) "Conservation and efficiency resources" means any reduction in electric power consumption that results from increases in the efficiency of energy use, production, transmission, or distribution.

(3) "Consumer-owned utility" includes a municipal electric utility formed under Title 35 RCW, a public utility district formed under Title 54 RCW, an irrigation district formed under chapter 87.03 RCW, a cooperative formed under chapter 23.86 RCW, a mutual corporation or association formed under chapter 24.06 RCW, a port district formed under Title 53 RCW, or a water-sewer district formed

under Title 57 RCW, that is engaged in the business of distributing electricity to one or more retail electric customers in the state.

(4) "Department" means the department of commerce.

(5) "Electric utility" means a consumer-owned or investor-owned utility.

(6) "Full requirements customer" means an electric utility that relies on the Bonneville power administration for all power needed to supply its total load requirement other than that served by nondispatchable generating resources totaling no more than six megawatts or renewable resources.

(7) "Governing body" means the elected board of directors, city council, commissioners, or board of any consumer-owned utility.

(8) "High efficiency cogeneration" means the sequential production of electricity and useful thermal energy from a common fuel source, where, under normal operating conditions, the facility has a useful thermal energy output of no less than thirty-three percent of the total energy output.

(9) "Integrated resource plan" means an analysis describing the mix of generating resources ~~((and))~~, conservation, methods, technologies, and resources to integrate renewable resources and, where applicable, address overgeneration events, and efficiency resources that will meet current and projected needs at the lowest reasonable cost to the utility and its ratepayers and that complies with the requirements specified in RCW 19.280.030(1).

(10) "Investor-owned utility" means a corporation owned by investors that meets the definition in RCW 80.04.010 and is engaged in distributing electricity to more than one retail electric customer in the state.

(11) "Lowest reasonable cost" means the lowest cost mix of generating resources and conservation and efficiency resources determined through a detailed and consistent analysis of a wide range of commercially available resources. At a minimum, this analysis must consider resource cost, market-volatility risks, demand-side resource uncertainties, resource dispatchability, resource effect on system operation, the risks imposed on the utility and its ratepayers, public policies regarding resource preference adopted by Washington state or the federal government, and the cost of risks associated with environmental effects including emissions of carbon dioxide.

(12) "Plan" means either an "integrated resource plan" or a "resource plan."

(13) "Renewable resources" means electricity generation facilities fueled by: (a) Water; (b) wind; (c) solar energy; (d) geothermal energy; (e) landfill gas; (f) biomass energy utilizing animal waste, solid organic fuels from wood, forest, or field residues or dedicated energy crops that do not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic; (g) by-products of pulping or wood manufacturing processes, including but not limited to bark, wood chips, sawdust, and lignin in spent pulping liquors; (h) ocean thermal, wave, or tidal power; or (i) gas from sewage treatment facilities.

(14) "Resource plan" means an assessment that estimates electricity loads and resources over a defined period of time and complies with the requirements in RCW 19.280.030(2).

(15) "Overgeneration event" means an event within an operating period of a balancing authority when the electricity supply, including generation from intermittent renewable resources, exceeds the demand for electricity for that utility's energy delivery obligations and when there is a negatively priced regional market.

Sec. 3. RCW 19.280.030 and 2011 c 180 s 305 are each amended to read as follows:

Each electric utility must develop a plan consistent with this section.

(1) Utilities with more than twenty-five thousand customers that are not full requirements customers shall develop or update an integrated resource plan by September 1, 2008. At a minimum, progress reports reflecting changing conditions and the progress of

the integrated resource plan must be produced every two years thereafter. An updated integrated resource plan must be developed at least every four years subsequent to the 2008 integrated resource plan. The integrated resource plan, at a minimum, must include:

(a) A range of forecasts, for at least the next ten years or longer, of projected customer demand which takes into account econometric data and customer usage;

(b) An assessment of commercially available conservation and efficiency resources. Such assessment may include, as appropriate, high efficiency cogeneration, demand response and load management programs, and currently employed and new policies and programs needed to obtain the conservation and efficiency resources;

(c) An assessment of commercially available, utility scale renewable and nonrenewable generating technologies including a comparison of the benefits and risks of purchasing power or building new resources;

(d) A comparative evaluation of renewable and nonrenewable generating resources, including transmission and distribution delivery costs, and conservation and efficiency resources using "lowest reasonable cost" as a criterion;

(e) An assessment of methods, commercially available technologies, or facilities for integrating renewable resources, and addressing overgeneration events, if applicable to the utility's resource portfolio;

(f) The integration of the demand forecasts and resource evaluations into a long-range assessment describing the mix of supply side generating resources and conservation and efficiency resources that will meet current and projected needs, including mitigating overgeneration events, at the lowest reasonable cost and risk to the utility and its ratepayers; and

~~((#))~~ (g) A short-term plan identifying the specific actions to be taken by the utility consistent with the long-range integrated resource plan.

(2) All other utilities may elect to develop a full integrated resource plan as set forth in subsection (1) of this section or, at a minimum, shall develop a resource plan that:

(a) Estimates loads for the next five and ten years;

(b) Enumerates the resources that will be maintained and/or acquired to serve those loads; and

(c) Explains why the resources in (b) of this subsection were chosen and, if the resources chosen are not: (i) Renewable resources ~~((#))~~; (ii) methods, commercially available technologies, or facilities for integrating renewable resources, including addressing any overgeneration event; or (iii) conservation and efficiency resources, why such a decision was made.

(3) An electric utility that is required to develop a resource plan under this section must complete its initial plan by September 1, 2008.

(4) Resource plans developed under this section must be updated on a regular basis, at a minimum on intervals of two years.

(5) Plans shall not be a basis to bring legal action against electric utilities.

(6) Each electric utility shall publish its final plan either as part of an annual report or as a separate document available to the public. The report may be in an electronic form.

Sec. 4. RCW 19.280.060 and 2006 c 195 s 6 are each amended to read as follows:

The department shall review the plans of consumer-owned utilities and investor-owned utilities, and data available from other state, regional, and national sources, and prepare an electronic report to the legislature aggregating the data and assessing the overall adequacy of Washington's electricity supply. The report shall include a statewide summary of utility load forecasts, load/resource balance, and utility plans for the development of thermal generation, renewable resources, ~~((and))~~ conservation and efficiency resources, and an examination of assessment methods used by utilities to address

overgeneration events. The commission shall provide the department with data summarizing the plans of investor-owned utilities for use in the department's statewide summary. The department may submit its report within the biennial report required under RCW 43.21F.045."

On page 1, line 2 of the title, after "markets;" strike the remainder of the title and insert "and amending RCW 19.280.010, 19.280.020, 19.280.030, and 19.280.060."

and the same is herewith transmitted.

ENGROSSED HOUSE BILL NO. 1826, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 15, 2013

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1846 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 48.43.715 and 2012 c 87 s 13 are each amended to read as follows:

(1) Consistent with federal law, the commissioner, in consultation with the board and the health care authority, shall, by rule, select the largest small group plan in the state by enrollment as the benchmark plan for the individual and small group market for purposes of establishing the essential health benefits in Washington state under P.L. 111-148 of 2010, as amended.

(2) If the essential health benefits benchmark plan for the individual and small group market does not include all of the ten benefit categories specified by section 1302 of P.L. 111-148, as amended, the commissioner, in consultation with the board and the health care authority, shall, by rule, supplement the benchmark plan benefits as needed to meet the minimum requirements of section 1302.

(3) A health plan required to offer the essential health benefits, other than a health plan offered through the federal basic health program or medicaid, under P.L. 111-148 of 2010, as amended, may not be offered in the state unless the commissioner finds that it is substantially equal to the benchmark plan. When making this determination, the commissioner (~~must~~):

(a) Must ensure that the plan covers the ten essential health benefits categories specified in section 1302 of P.L. 111-148 of 2010, as amended; (~~and~~)

(b) May consider whether the health plan has a benefit design that would create a risk of biased selection based on health status and whether the health plan contains meaningful scope and level of benefits in each of the ten essential health benefit categories specified by section 1302 of P.L. 111-148 of 2010, as amended;

(c) Notwithstanding the foregoing, for benefit years beginning January 1, 2015, and only to the extent permitted by federal law and guidance, must establish by rule the review and approval requirements and procedures for pediatric oral services when offered in stand-alone dental plans in the nongrandfathered individual and small group markets outside of the exchange; and

(d) Unless prohibited by federal law and guidance, must allow health carriers to also offer pediatric oral services within the health benefit plan in the nongrandfathered individual and small group markets outside of the exchange.

(4) Beginning December 15, 2012, and every year thereafter, the commissioner shall submit to the legislature a list of state-mandated health benefits, the enforcement of which will result in federally imposed costs to the state related to the plans sold through the exchange because the benefits are not included in the essential health benefits designated under federal law. The list must include the anticipated costs to the state of each state-mandated health benefit on the list and any statutory changes needed if funds are not appropriated to defray the state costs for the listed mandate. The commissioner may enforce a mandate on the list for the entire market only if funds are appropriated in an omnibus appropriations act specifically to pay the state portion of the identified costs.

Sec. 2. RCW 48.46.243 and 2008 c 217 s 56 are each amended to read as follows:

(1) Subject to subsection (2) of this section, every contract between a health maintenance organization and its participating providers of health care services shall be in writing and shall set forth that in the event the health maintenance organization fails to pay for health care services as set forth in the agreement, the enrolled participant shall not be liable to the provider for any sums owed by the health maintenance organization. Every such contract shall provide that this requirement shall survive termination of the contract.

(2) The provisions of subsection (1) of this section shall not apply:

(a) To emergency care from a provider who is not a participating provider(,);

(b) To out-of-area services;

(c) To the delivery of covered pediatric oral services that are

substantially equal to the essential health benefits benchmark plan; or(,)

(d) In exceptional situations approved in advance by the commissioner, if the health maintenance organization is unable to negotiate reasonable and cost-effective participating provider contracts.

(3)(a) Each participating provider contract form shall be filed with the commissioner fifteen days before it is used.

(b) Any contract form not affirmatively disapproved within fifteen days of filing shall be deemed approved, except that the commissioner may extend the approval period an additional fifteen days upon giving notice before the expiration of the initial fifteen-day period. The commissioner may approve such a contract form for immediate use at any time. Approval may be subsequently withdrawn for cause.

(c) Subject to the right of the health maintenance organization to demand and receive a hearing under chapters 48.04 and 34.05 RCW, the commissioner may disapprove such a contract form if it is in any respect in violation of this chapter or if it fails to conform to minimum provisions or standards required by the commissioner by rule under chapter 34.05 RCW.

(4) No participating provider, or insurance producer, trustee, or assignee thereof, may maintain an action against an enrolled participant to collect sums owed by the health maintenance organization.

Sec. 3. RCW 48.14.0201 and 2011 c 47 s 8 are each amended to read as follows:

(1) As used in this section, "taxpayer" means a health maintenance organization as defined in RCW 48.46.020, a health care service contractor as defined in (~~RCW 48.44.010~~) chapter 48.44 RCW, or a self-funded multiple employer welfare arrangement as defined in RCW 48.125.010.

(2) Each taxpayer must pay a tax on or before the first day of March of each year to the state treasurer through the insurance commissioner's office. The tax must be equal to the total amount of all premiums and prepayments for health care services collected or received by the taxpayer under RCW 48.14.090 during the preceding calendar year multiplied by the rate of two percent. For tax purposes, the reporting of premiums and prepayments must be on a written basis or on a paid-for basis consistent with the basis required by the annual statement.

(3) Taxpayers must prepay their tax obligations under this section. The minimum amount of the prepayments is the percentages of the taxpayer's tax obligation for the preceding calendar year recomputed using the rate in effect for the current year. For the prepayment of taxes due during the first calendar year, the minimum amount of the prepayments is the percentages of the taxpayer's tax obligation that would have been due had the tax been in effect during the previous calendar year. The tax prepayments must be paid to the state treasurer through the commissioner's office by the due dates and in the following amounts:

(a) On or before June 15, forty-five percent;

(b) On or before September 15, twenty-five percent;

(c) On or before December 15, twenty-five percent.

(4) For good cause demonstrated in writing, the commissioner may approve an amount smaller than the preceding calendar year's tax obligation as recomputed for calculating the health maintenance organization's, health care service contractor's, self-funded multiple employer welfare arrangement's, or certified health plan's prepayment obligations for the current tax year.

(5) Moneys collected under this section are deposited in the general fund.

(6) The taxes imposed in this section do not apply to:

(a) Amounts received by any taxpayer from the United States or any instrumentality thereof as prepayments for health care services

provided under Title XVIII (medicare) of the federal social security act.

(b) Amounts received by any taxpayer from the state of Washington as prepayments for health care services provided under:

(i) The medical care services program as provided in RCW 74.09.035; or

(ii) The Washington basic health plan on behalf of subsidized enrollees as provided in chapter 70.47 RCW.

(c) Amounts received by any health care service contractor~~(s)~~ as defined in ~~((RCW 48.44.010))~~ chapter 48.44 RCW, or any health maintenance organization as defined in chapter 48.46 RCW, as prepayments for health care services included within the definition of practice of dentistry under RCW 18.32.020, except amounts received for pediatric oral services that qualify as coverage for the minimum essential coverage requirement under P.L. 111-148 (2010), as amended.

(d) Participant contributions to self-funded multiple employer welfare arrangements that are not taxable in this state.

(7) Beginning January 1, 2000, the state preempts the field of imposing excise or privilege taxes upon taxpayers and no county, city, town, or other municipal subdivision has the right to impose any such taxes upon such taxpayers. This subsection is limited to premiums and payments for health benefit plans offered by health care service contractors under chapter 48.44 RCW, health maintenance organizations under chapter 48.46 RCW, and self-funded multiple employer welfare arrangements as defined in RCW 48.125.010. The preemption authorized by this subsection must not impair the ability of a county, city, town, or other municipal subdivision to impose excise or privilege taxes upon the health care services directly delivered by the employees of a health maintenance organization under chapter 48.46 RCW.

(8)(a) The taxes imposed by this section apply to a self-funded multiple employer welfare arrangement only in the event that they are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner must initially request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing state premium taxes on these arrangements. Once the legality of the taxes has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these taxes.

(b) If there has not been a final determination of the legality of these taxes, then beginning on the earlier of (i) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (ii) April 1, 2006, the arrangement must deposit the taxes imposed by this section into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the taxes are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account must be transferred to the state treasurer.

(9) The effect of transferring contracts for health care services from one taxpayer to another taxpayer is to transfer the tax prepayment obligation with respect to the contracts.

(10) On or before June 1st of each year, the commissioner must notify each taxpayer required to make prepayments in that year of the amount of each prepayment and must provide remittance forms to be used by the taxpayer. However, a taxpayer's responsibility to make prepayments is not affected by failure of the commissioner to send, or the taxpayer to receive, the notice or forms.

Sec. 4. RCW 48.14.020 and 2009 c 161 s 3 are each amended to read as follows:

(1) Subject to other provisions of this chapter, each authorized insurer except title insurers shall on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax on premiums. Except as provided in subsection ~~((2))~~ (3) of

this section, such tax shall be in the amount of two percent of all premiums, excluding amounts returned to or the amount of reductions in premiums allowed to holders of industrial life policies for payment of premiums directly to an office of the insurer, collected or received by the insurer under RCW 48.14.090 during the preceding calendar year other than ocean marine and foreign trade insurances, after deducting premiums paid to policyholders as returned premiums, upon risks or property resident, situated, or to be performed in this state. For tax purposes, the reporting of premiums shall be on a written basis or on a paid-for basis consistent with the basis required by the annual statement. For the purposes of this section the consideration received by an insurer for the granting of an annuity shall not be deemed to be a premium.

(2) The taxes imposed in this section do not apply to amounts received by any life and disability insurer for health care services included within the definition of practice of dentistry under RCW 18.32.020 except amounts received for pediatric oral services that qualify as coverage for the minimum essential coverage requirement under P.L. 111-148 (2010), as amended.

(3) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks, regardless of the length of term for which such policies are written, such tax shall be in the amount of two percent of the gross amount of such premiums and premium deposits upon policies on risks resident, located, or to be performed in this state, in force as of the thirty-first day of December next preceding, less the unused or unabsorbed portion of such premiums and premium deposits computed at the average rate thereof actually paid or credited to policyholders or applied in part payment of any renewal premiums or premium deposits on one-year policies expiring during such year.

~~((3))~~ (4) Each authorized insurer shall with respect to all ocean marine and foreign trade insurance contracts written within this state during the preceding calendar year, on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax of ninety-five one-hundredths of one percent on its gross underwriting profit. Such gross underwriting profit shall be ascertained by deducting from the net premiums (i.e., gross premiums less all return premiums and premiums for reinsurance) on such ocean marine and foreign trade insurance contracts the net losses paid (i.e., gross losses paid less salvage and recoveries on reinsurance ceded) during such calendar year under such contracts. In the case of insurers issuing participating contracts, such gross underwriting profit shall not include, for computation of the tax prescribed by this subsection, the amounts refunded, or paid as participation dividends, by such insurers to the holders of such contracts.

~~((4))~~ (5) The state does hereby preempt the field of imposing excise or privilege taxes upon insurers or their appointed insurance producers, other than title insurers, and no county, city, town or other municipal subdivision shall have the right to impose any such taxes upon such insurers or these insurance producers.

~~((5))~~ (6) If an authorized insurer collects or receives any such premiums on account of policies in force in this state which were originally issued by another insurer and which other insurer is not authorized to transact insurance in this state on its own account, such collecting insurer shall be liable for and shall pay the tax on such premiums."

"Sec. 1. RCW 46.01.140 and 2012 c 261 s 10 are each amended to read as follows:

(1) **County auditor/agent duties.** A county auditor or other agent appointed by the director must:

(a) Enter into a standard contract provided by the director;

(vi) Collecting fees and taxes as required;

(c) If authorized by the director, offer for sale discover passes as provided in chapter 79A.80 RCW.

(2) **County auditor/agent assistants and subagents.** A county auditor or other agent appointed by the director may, with approval of the director:

(b) Recommend and request that the director appoint subagencies within the county to accept applications for vehicle certificates of title and vehicle registration application issuance.

(3) **Appointing subagents.** A county auditor or other agent appointed by the director who requests a subagency must, with approval of the director:

(a) Use an open competitive process including, but not limited to, a written business proposal and oral interview to determine the qualifications of all interested applicants; and

(b) Submit all proposals to the director with a recommendation for appointment of one or more subagents who have applied through the open competitive process. If a qualified successor who is an existing subagent's sibling, spouse, or child, or a subagency employee has applied, the county auditor must provide the name of the qualified successor and the name of one other applicant who is qualified and was chosen through the open competitive process.

(4) **Subagent duties.** A subagent appointed by the director must:

(a) Enter into a standard contract with the county auditor or agent provided by the director;

(b) Provide all services authorized by the director for vehicle certificates of title and vehicle registration applications and issuance under the direction and supervision of the county auditor or agent and the director including, but not limited to:

(ii) Processing transitional ownership transactions;

(5) **Subagent successorship.** A subagent appointed by the director who no longer wants his or her appointment may recommend a successor who is the subagent's sibling, spouse, or child, or a subagency employee. The recommended successor must participate in the open competitive process used to select an applicant. In making successor recommendations and appointment determinations, the following provisions apply:

(a) If a subagency is held by a partnership or corporate entity, the nomination must be submitted on behalf of, and agreed to by, all partners or corporate officers;

(b) A subagent may not receive any direct or indirect compensation or remuneration from any party or entity in recognition of a successor nomination. A subagent may not receive any financial benefit from the transfer or termination of an appointment: ~~(and)~~

(c) The appointment of a successor is intended to assist in the efficient transfer of appointments to minimize public inconvenience. The appointment of a successor does not create a proprietary or property interest in the appointment;

(d) A subagent appointee who is planning to retire within twelve months may recommend a successor without resigning his or her appointment by submitting a letter of intent to retire with a successor recommendation to the county auditor or other agent appointed by the director. The county auditor or other agent appointed by the director shall, within sixty days, respond in writing to the subagent appointee indicating if the recommended successor would be considered in the open competitive process. If there are negative factors or deficiencies pertaining to the subagency operation or the recommended successor, the county auditor or other agent appointed by the director must state these factors in writing to the subagent appointee. The subagent appointee may withdraw the letter of intent to retire any time prior to the start of the open competitive process by writing to the county auditor or other agent appointed by the director and filing a copy with the director;

(e) A subagent appointee may name a recommended successor at any time during his or her appointment by notifying the county auditor or other agent appointed by the director in writing and filing a copy with the director. The purpose of this recommendation is for the county auditor or other agent appointed by the director to know the wishes of the subagent appointee in the event of the death or incapacitation of a sole subagent appointee or last remaining subagent appointee that could lead to the inability of the subagent to continue to fulfill the obligations of the appointment; and

(f) If the county auditor or other agent appointed by the director does not select the recommended successor for appointment as a result of the open competitive process, the county auditor or other agent appointed by the director must contact the subagent appointee by letter and explain the decision. The subagent appointee must be provided an opportunity to respond in writing. Any response by the subagent appointee must be included in the open competitive process materials submitted to the department.

(6) **Standard contracts.** The standard contracts provided by the director in this section may include provisions that the director deems necessary to ensure that readily accessible and acceptable service is provided to the citizens of the state, including the full collection of fees and taxes. The standard contracts must include provisions that:

(a) Describe responsibilities and liabilities of each party related to service expectations and levels;

(b) Describe the equipment to be supplied by the department and equipment maintenance;

(c) Require specific types of insurance or bonds, or both, to protect the state against any loss of collected revenue or loss of equipment;

(d) Specify the amount of training that will be provided by each of the parties;

(e) Describe allowable costs that may be charged for vehicle registration activities as described in subsection (7) of this section; and

(f) Describe causes and procedures for termination of the contract, which may include mediation and binding arbitration.

(7) **County auditor/agent cost reimbursement.** A county auditor or other agent appointed by the director who does not cover expenses for services provided by the standard contract may submit to the department a request for cost-coverage moneys. The request must be submitted on a form developed by the department. The department must develop procedures to standardize and identify allowable costs and to verify whether a request is reasonable. Payment must be made on those requests found to be allowable from the licensing services account.

(8) **County auditor/agent revenue disbursement.** County revenues that exceed the cost of providing services described in the

standard contract, calculated in accordance with the procedures in subsection (7) of this section, must be expended as determined by the county legislative authority during the process established by law for adoption of county budgets.

(9) **Appointment authority.** The director has final appointment authority for county auditors or other agents or subagents.

(10) **Rules.** The director may adopt rules to implement this section."

On page 1, line 1 of the title, after "subagents;" strike the remainder of the title and insert "and amending RCW 46.01.140."

Sec. 2. RCW 79.100.100 and 2010 c 161 s 1161 are each amended to read as follows:

(1)(a) The derelict vessel removal account is created in the state treasury. All receipts from RCW 79.100.050 and 79.100.060 and those moneys specified in RCW 88.02.640 must be deposited into the account. The account is authorized to receive fund transfers and appropriations from the general fund, deposits from the derelict vessel removal surcharge under RCW 88.02.640(4), as well as gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of this chapter and expend the same or any income according to the terms of the gifts, grants, or endowments provided those terms do not conflict with any provisions of this section or any guidelines developed to prioritize reimbursement of removal projects associated with this chapter.

(b) Moneys in the account may only be spent after appropriation. Expenditures from the account ~~((must))~~ may only be used by the department for developing and administering the vessel turn-in program created in section 42 of this act and to reimburse authorized public entities for up to ninety percent of the total reasonable and

auditable administrative, removal, disposal, and environmental damage costs of abandoned or derelict vessels when the previous owner is either unknown after a reasonable search effort or insolvent. Reimbursement may not be made unless the department determines that the public entity has made reasonable efforts to identify and locate the party responsible for the vessel, or any other person or entity that has incurred secondary liability under section 38 of this act, regardless of the title of owner of the vessel.

(c) Funds in the account resulting from transfers from the general fund or from the deposit of funds from the watercraft excise tax as provided for under RCW 82.49.030 must be used to reimburse one hundred percent of ~~(these)~~ costs and should be prioritized for the removal of large vessels.

(d) Costs associated with the removal and disposal of an abandoned or derelict vessel under the authority granted in RCW 53.08.320 also qualify for reimbursement from the derelict vessel removal account.

(e) In each biennium, up to twenty percent of the expenditures from the derelict vessel removal account may be used for administrative expenses of the department of licensing and department of natural resources in implementing this chapter.

~~(2) (If the balance of the account reaches one million dollars as of March 1st of any year, exclusive of any transfer or appropriation of funds into the account or funds deposited into the account collected under RCW 88.02.640(5), the department must notify the department of licensing and the collection of any fees associated with this account must be suspended for the following fiscal year.~~

~~(3))~~ (3) Priority for use of this account is for the removal of derelict and abandoned vessels that are in danger of sinking, breaking up, or blocking navigation channels, or that present environmental risks such as leaking fuel or other hazardous substances. The department must develop criteria, in the form of informal guidelines, to prioritize removal projects associated with this chapter, but may not consider whether the applicant is a state or local entity when prioritizing. The guidelines must also include guidance to the authorized public entities as to what removal activities and associated costs are reasonable and eligible for reimbursement.

~~((4))~~ (3) The department must keep all authorized public entities ~~((apprized))~~ apprised of the balance of the derelict vessel removal account and the funds available for reimbursement. The guidelines developed by the department must also be made available to the other authorized public entities. This subsection ~~((4))~~ (3) must be satisfied by utilizing the least costly method, including maintaining the information on the department's internet web site, or any other cost-effective method.

~~((5))~~ (4) An authorized public entity may contribute its ten percent of costs that are not eligible for reimbursement by using in-kind services, including the use of existing staff, equipment, and volunteers.

~~((6))~~ (5) This chapter does not guarantee reimbursement for an authorized public entity. Authorized public entities seeking certainty in reimbursement prior to taking action under this chapter may first notify the department of their proposed action and the estimated total costs. Upon notification by an authorized public entity, the department must make the authorized public entity aware of the status of the fund and the likelihood of reimbursement being available. The department may offer technical assistance and assure reimbursement for up to two years following the removal action if an assurance is appropriate given the balance of the fund and the details of the proposed action.

Sec. 3. RCW 79A.65.020 and 2002 c 286 s 21 are each amended to read as follows:

(1) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, and locks, or removal from the water, to secure unauthorized vessels located at or on a commission facility so that the unauthorized vessels are in the possession and control of the commission. (2) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, locks, or removal from the water, to secure any vessel if the vessel, in the opinion of the commission, is a nuisance, is in danger of sinking or creating other damage to a commission facility, or is otherwise a threat to the health, safety, or welfare of the public or environment at a commission facility. The costs of any such procedure shall be paid by the vessel's owner.

(d) A description of the owner's or secured party's rights under this chapter.

(4) With respect to registered vessels: Within five days of the date that notice is attached or posted under subsection (3) of this section, the commission shall send such notice, by registered mail, to each registered owner.

(5) If a vessel is secured under subsection (1) or (2) of this section, the owner, or any person with a legal right to possess the vessel, may claim the vessel by:

(a) Making arrangements satisfactory to the commission for the immediate removal of the vessel from the commission's control or for authorized storage or moorage; and

(b) Making payment to the commission of all reasonable charges incurred by the commission in securing the vessel under subsections (1) and (2) of this section and of all moorage fees owed to the commission.

(6) A vessel is considered abandoned if, within the thirty-five day period following the date of attachment or posting of notice in subsection (3) of this section, the vessel has not been claimed under subsection (5) of this section.

The contract must provide for the ~~((marina owner))~~ private moorage facility owner to be financially responsible for the removal and disposal costs that are not reimbursed by the department as provided under RCW 79.100.100, and any

additional reasonable administrative costs incurred by the local government during the removal of the derelict or abandoned vessel.

(3) Prior to the commencement of any removal which will seek reimbursement from the derelict vessel removal program, the contract and the proposed vessel removal shall be submitted to the department for review and approval. The local government shall use the procedure specified under RCW 79.100.100(6).

(4) If the private moorage facility owner has already seized the vessel under chapter 88.26 RCW and title has reverted to the moorage facility, the moorage facility is not considered the owner under this chapter for purposes of cost recovery for actions taken under this section.

NEW SECTION. Sec. 35. A new section is added to chapter 79.100 RCW to read as follows:

(1) An officer or employee of an authorized public entity, or the department of ecology at the request of an authorized public entity, may, consistent with subsection (2) of this section, board any vessel at any reasonable time for the purpose of:

(a) Administering this chapter, including identifying ownership of a vessel, assessing the structural integrity of a vessel, and assessing whether a vessel meets the criteria described under RCW 79.100.040(3); or

(b) For the department of ecology only, mitigating a potential threat to health, safety, or the environment under the authority provided in chapter 90.56 RCW.

(2)(a) Prior to boarding any vessel under the authority of this section, an officer or employee of an authorized public entity or the department of ecology must apply for and obtain an administrative search warrant in either Thurston county superior court or the superior court in the county where the vessel is located, unless a warrant is not otherwise required by law. The court may issue an administrative search warrant where the court has reasonable cause to believe it is necessary to achieve the purposes of this section.

(b) Prior to requesting an administrative search warrant under this subsection, the officer or employee must make a reasonable effort to contact the owner or the owner's designee and obtain consent to board the vessel.

(3) Nothing in this section affects an authorized public entity's authority to carry out actions under RCW 79.100.040 or any agency's existing authority to enter onto vessels under any other statute.

Sec. 36. RCW 90.56.410 and 1990 c 116 s 23 are each amended to read as follows:

(1) The department, through its duly authorized representatives, shall have the power to enter upon any private or public property, including the boarding of any ship, at any reasonable time, and the owner, managing agent, master, or occupant of such property shall permit such entry for the purpose of investigating conditions relating to violations or possible violations of this chapter, and to have access to any pertinent records relating to such property, including but not limited to operation and maintenance records and logs. The authority granted ~~((herein))~~ in this section shall not be construed to require any person to divulge trade secrets or secret processes. The director may issue subpoenas for the production of any books, records, documents, or witnesses in any hearing conducted pursuant to this chapter.

(2) The department may utilize the authority granted to it in section 35 of this act for the purposes of mitigating a potential threat to health, safety, or the environment from a vessel.

Sec. 37. RCW 79.100.040 and 2007 c 342 s 2 are each amended to read as follows:

(1) Prior to exercising the authority granted in RCW 79.100.030, the authorized public entity must first obtain custody of the vessel. To do so, the authorized public entity must:

(a) Mail notice of its intent to obtain custody, at least twenty days prior to taking custody, to the last known address of the previous owner to register the vessel in any state or with the federal government and to any lien holders or secured interests on record. A notice need not be sent to the purported owner or any other person whose interest in the vessel is not recorded with a state or federal agency;

(b) Post notice of its intent clearly on the vessel for thirty days and publish its intent at least once, more than ten days but less than twenty days prior to taking custody, in a newspaper of general circulation for the county in which the vessel is located; and

(c) Post notice of its intent on the department's internet web site on a page specifically designated for such notices. If the authorized public entity is not the department, the department must facilitate the internet posting.

(2) All notices sent, posted, or published in accordance with this section must, at a minimum, explain the intent of the authorized public entity to take custody of the vessel, the rights of the authorized public entity after taking custody of the vessel as provided in RCW 79.100.030, the procedures the owner must follow in order to avoid custody being taken by the authorized public entity, the procedures the owner must follow in order to reclaim possession after custody is taken by the authorized public entity, and the financial liabilities that the owner may incur as provided for in RCW 79.100.060.

(3)(a) ~~((f-a))~~ Any authorized public entity may tow, beach, or otherwise take temporary possession of a vessel if the owner of the vessel cannot be located or is unwilling or unable to assume immediate responsibility for the vessel and if the vessel ((is)):

(i) Is in immediate danger of sinking, breaking up, or blocking navigational channels; or

(ii) Poses a reasonably imminent threat to human health or safety, including a threat of environmental contamination~~((; and (iii) the owner of the vessel cannot be located or is unwilling or unable to assume immediate responsibility for the vessel, any authorized public entity may tow, beach, or otherwise take temporary possession of the vessel)).~~

(b) Before taking temporary possession of the vessel, the authorized public entity must make reasonable attempts to consult with the department or the United States coast guard to ensure that other remedies are not available. The basis for taking temporary possession of the vessel must be set out in writing by the authorized public entity within seven days of taking action and be submitted to the owner, if known, as soon thereafter as is reasonable. If the authorized public entity has not already provided the required notice, immediately after taking possession of the vessel, the authorized public entity must initiate the notice provisions in subsection (1) of this section. The authorized public entity must complete the notice requirements of subsection (1) of this section before using or disposing of the vessel as authorized in RCW 79.100.050.

(4) An authorized public entity may invite the department of ecology to use the authority granted to it under RCW 90.56.410 prior to, or concurrently with, obtaining custody of a vessel under this section. However, this is not a necessary prerequisite to an authorized public entity obtaining custody.

NEW SECTION. Sec. 38. A new section is added to chapter 79.100 RCW to read as follows:

(1) A vessel owner must obtain a vessel inspection under this section prior to transferring a vessel that is:

(a) More than sixty-five feet in length and more than forty years old; and

(b) Either:

(i) Is registered or required to be registered under chapter 88.02 RCW; or

(ii) Is listed or required to be listed under chapter 84.40 RCW.

(2) Where required under subsection (1) of this section, a vessel owner must provide a copy of the vessel inspection documentation to

the transferee and, if the department did not conduct the inspection, to the department prior to the transfer.

(3) Failure to comply with the requirements of subsections (1) and (2) of this section will result in the transferor having secondary liability under RCW 79.100.060 if the vessel is later abandoned by the transferee or becomes derelict prior to a subsequent ownership transfer.

NEW SECTION. Sec. 39. (1) By December 31, 2013, the department of natural resources shall adopt by rule procedures and standards for the vessel inspections required under section 38 of this act. The procedures and standards must identify the public or private entities authorized to conduct inspections, the required elements of an inspection, and the manner in which inspection results must be documented. The vessel inspection required under this section must be designed to:

(a) Provide the transferee with current information about the condition of the vessel, including the condition of its hull and key operating systems, prior to the transfer;

(b) Provide the department of natural resources with information under (a) of this subsection for each applicable vessel and, more broadly, to improve the department's understanding of the condition of the larger, older boats in the state's waters;

(c) Discourage the future abandonment or dereliction of the vessel; and

(d) Maximize the efficiency and effectiveness of the inspection process, including with respect to the time and resources of the transferor, transferee, and the state.

(2) The department of natural resources shall work with appropriate government agencies and stakeholders in designing the inspection process and standards under this section.

(3) This section expires July 31, 2014.

Sec. 40. RCW 79.100.060 and 2006 c 153 s 4 are each amended to read as follows:

(1) The owner of an abandoned or derelict vessel, or any person or entity that has incurred secondary liability under section 38 of this act, is responsible for reimbursing an authorized public entity for all reasonable and auditable costs associated with the removal or disposal of the owner's vessel under this chapter. These costs include, but are not limited to, costs incurred exercising the authority granted in RCW 79.100.030, all administrative costs incurred by the authorized public entity during the procedure set forth in RCW 79.100.040, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. An authorized public entity that has taken temporary possession of a vessel may require that all reasonable and auditable costs associated with the removal of the vessel be paid before the vessel is released to the owner.

(2) Reimbursement for costs may be sought from an owner, or any person or entity that has incurred secondary liability under section 38 of this act, who is identified subsequent to the vessel's removal and disposal.

(3) If the full amount of all costs due to the authorized public entity under this chapter is not paid to the authorized public entity within thirty days after first notifying the responsible parties of the amounts owed, the authorized public entity or the department may bring an action in any court of competent jurisdiction to recover the costs, plus reasonable attorneys' fees and costs incurred by the authorized public entity.

Sec. 41. RCW 88.26.020 and 1993 c 474 s 2 are each amended to read as follows:

(1) Any private moorage facility operator may take reasonable measures, including the use of chains, ropes, and locks, or removal from the water, to secure vessels within the private moorage facility so that the vessels are in the possession and control of the operator and cannot be removed from the facility. These procedures may be used if an owner mooring or storing a vessel at the facility fails, after being notified that charges are owing and of the owner's right to

commence legal proceedings to contest that such charges are owing, to pay charges owed or to commence legal proceedings. Notification shall be by two separate letters, one sent by first-class mail and one sent by registered mail to the owner and any lienholder of record at the last known address. In the case of a transient vessel, or where no address was furnished by the owner, the operator need not give notice prior to securing the vessel. At the time of securing the vessel, an operator shall attach to the vessel a readily visible notice. The notice shall be of a reasonable size and shall contain the following information:

- (a) The date and time the notice was attached;
- (b) A statement that if the account is not paid in full within ninety days from the time the notice is attached the vessel may be sold at public auction to satisfy the charges; and
- (c) The address and telephone number where additional information may be obtained concerning release of the vessel.

After a vessel is secured, the operator shall make a reasonable effort to notify the owner and any lienholder of record by registered mail in order to give the owner the information contained in the notice.

(2) A private moorage facility operator, at his or her discretion, may move moored vessels ashore for storage within properties under the operator's control or for storage with a private person under their control as bailees of the private moorage facility, if the vessel is, in the opinion of the operator, a nuisance, in danger of sinking or creating other damage, or is owing charges. The costs of any such procedure shall be paid by the vessel's owner.

(3) If a vessel is secured under subsection (1) of this section or moved ashore under subsection (2) of this section, the owner who is obligated to the private operator for charges may regain possession of the vessel by:

(a) Making arrangements satisfactory with the operator for the immediate removal of the vessel from the facility or for authorized moorage; and

(b) Making payment to the operator of all charges, or by posting with the operator a sufficient cash bond or other acceptable security, to be held in trust by the operator pending written agreement of the parties with respect to payment by the vessel owner of the amount owing, or pending resolution of the matter of the charges in a civil action in a court of competent jurisdiction. After entry of judgment, including any appeals, in a court of competent jurisdiction, or after the parties reach agreement with respect to payment, the trust shall terminate and the operator shall receive so much of the bond or other security as agreed, or as is necessary, to satisfy any judgment, costs, and interest as may be awarded to the operator. The balance shall be refunded immediately to the owner at the last known address.

(4) If a vessel has been secured by the operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ninety days after notifying or attempting to notify the owner under subsection (1) of this section, the vessel is conclusively presumed to have been abandoned by the owner.

(5) If a vessel moored or stored at a private moorage facility is abandoned, the operator may authorize the public sale of the vessel by authorized personnel, consistent with this section, to the highest and best bidder for cash as follows:

(a) Before the vessel is sold, the vessel owner and any lienholder of record shall be given at least twenty days' notice of the sale in the manner set forth in subsection (1) of this section if the name and address of the owner is known. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of charges owed with respect to the vessel. The notice of sale shall be published at least once, more than ten but not more than twenty days before the sale, in a newspaper of general circulation in the county in which the facility is located. This notice shall include the name of the vessel, if any, the last known owner and address, and

a reasonable description of the vessel to be sold. The operator may bid all or part of its charges at the sale and may become a purchaser at the sale.

(b) Before the vessel is sold, any person seeking to redeem an impounded vessel under this section may commence a lawsuit in the superior court for the county in which the vessel was impounded to contest the validity of the impoundment or the amount of charges owing. This lawsuit must be commenced within sixty days of the date the notification was provided under subsection (1) of this section, or the right to a hearing is deemed waived and the owner is liable for any charges owing the operator. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(c) The proceeds of a sale under this section shall be applied first to the payment of any liens superior to the claim for charges, then to payment of the charges, then to satisfy any other liens on the vessel in the order of their priority. The balance, if any, shall be paid to the owner. If the owner cannot in the exercise of due diligence be located by the operator within one year of the date of the sale, the excess funds from the sale shall revert to the department of revenue under chapter 63.29 RCW. If the sale is for a sum less than the applicable charges, the operator is entitled to assert a claim for deficiency, however, the deficiency judgment shall not exceed the moorage fees owed for the previous six-month period.

(d) In the event no one purchases the vessel at a sale, or a vessel is not removed from the premises or other arrangements are not made within ten days of sale, title to the vessel will revert to the operator.

(e) Either a minimum bid may be established or a letter of credit may be required from the buyer, or both, to discourage the future abandonment of the vessel.

(6) The rights granted to a private moorage facility operator under this section are in addition to any other legal rights an operator may have to hold and sell a vessel and in no manner does this section alter those rights, or affect the priority of other liens on a vessel.

NEW SECTION. Sec. 42. A new section is added to chapter 79.100 RCW to read as follows:

(1) The department may develop and administer a voluntary vessel turn-in program.

(2) The purpose of the vessel turn-in program is to allow the department to dismantle and dispose of vessels that pose a high risk of becoming a derelict vessel or abandoned vessel, but that do not yet meet the definition of those terms. The department shall design the program with the goal of dismantling and disposing of as many vessels as available resources allow, particularly those vessels posing the greatest risk of becoming abandoned or derelict in the future.

(3) The department shall disseminate information about the vessel turn-in program, including information about the application process, on its internet site and through appropriate agency publications and information sources as determined by the department. The department shall disseminate this information for a reasonable time as determined by the department prior to accepting applications.

(4) The department shall accept and review vessel turn-in program applications from eligible vessel owners, including private marinas that have gained legal title to a vessel in an advanced state of disrepair, during the time period or periods identified by the department. In order to be eligible for the vessel turn-in program, an applicant must demonstrate to the department's satisfaction that the applicant:

(a) Is a Washington resident or business;

(b) Owns a vessel that is in an advanced state of disrepair, has minimal or no value, and has a high likelihood of becoming an abandoned or derelict vessel; and

(c) Has insufficient resources to properly dispose of the vessel outside of the vessel turn-in program.

(5) Decisions regarding program eligibility and whether to accept a vessel for dismantling and disposal under the turn-in program are within the sole discretion of the department.

(6) The department may take other actions not inconsistent with this section in order to develop and administer the vessel turn-in program.

(7) The department may not spend more than two hundred thousand dollars in any one biennium on the program established in this section.

NEW SECTION. Sec. 43. (1) In compliance with RCW 43.01.036, the department of natural resources must provide a brief summary of the vessel turn-in program authorized under section 42 of this act to the legislature by September 1, 2014, including information about applications for the program, the vessels disposed of, and any recommendations for modification of the program.

(2) This section expires July 31, 2015.

Sec. 44. RCW 43.21B.305 and 2005 c 34 s 2 are each amended to read as follows:

(1) In an appeal that involves a penalty of fifteen thousand dollars or less or that involves a derelict or abandoned vessel under RCW 79.100.120, the appeal may be heard by one member of the board, whose decision shall be the final decision of the board. The board shall define by rule alternative procedures to expedite appeals involving penalties of fifteen thousand dollars or less or involving a derelict or abandoned vessel. These alternatives may include: Mediation, upon agreement of all parties; submission of testimony by affidavit; or other forms that may lead to less formal and faster resolution of appeals.

(2) For appeals that involve a derelict or abandoned vessel under RCW 79.100.120 only, an administrative law judge employed by the board may be substituted for a board member under this section.

NEW SECTION. Sec. 45. (1) The department of natural resources must, in consultation with the department of ecology and appropriate stakeholders, evaluate potential changes to laws and rules related to derelict and abandoned vessels that increase vessel owner responsibility and address challenges associated with the economics of removing vessels from the water. This evaluation must include the development and analysis of:

(a) Administrative and legislative vessel owner responsibility options that seek to ensure the prevention and cleanup of derelict and abandoned vessels, including the development of mandatory processes for public and private moorage facility operators to employ in an effort to appropriately limit the transfer of high risk vessels; and

(b) The identification of challenges and roadblocks to deconstructing derelict vessels and transforming them into a viable scrap metal product.

(2) The department of natural resources may choose which appropriate stakeholders are consulted in the implementation of this section. However, persons with relevant expertise on financial responsibility mechanisms, such as insurance and surety bonds and letters of credit, must be included. The department of natural resources must also seek to ensure opportunities for interested members of the senate and house of representatives to provide input into the work group process and conclusions.

(3) The department of natural resources must provide a summary of the options developed by the work group, or a draft of proposed legislation, to the legislature consistent with RCW 43.01.036 by December 15, 2013.

(4) This section expires June 30, 2014.

NEW SECTION. Sec. 46. Section 33 of this act expires June 30, 2019.

NEW SECTION. Sec. 47. Section 34 of this act takes effect June 30, 2019.

NEW SECTION. Sec. 48. Section 38 of this act takes effect July 1, 2014."

(5) Develop and administer questionnaires designed to provide quantitative and qualitative data on alternative public works contracting procedures on which evaluations are based.

The capital projects advisory review board is directed to review current statutes regarding life-cycle cost analysis and energy efficiency as related to the design-build procurement method performed under chapter 39.10 RCW. Capital projects advisory review board shall report to the appropriate committees of the legislature by December 31, 2013, with recommendations for statutory changes that promote energy efficiency and reduce the total cost to construct, operate and maintain public buildings. Recommendation must include provisions for postoccupancy validation of estimated energy efficiency measures, and operating and maintenance cost estimates. Life-cycle estimates of energy use must include estimates of energy consumptions for materials used in construction.

Sec. 4. RCW 39.10.240 and 2007 c 494 s 104 are each amended to read as follows:

(1) The board shall establish a project review committee to review and approve public works projects using the design-build and general contractor/construction manager contracting procedures authorized in RCW 39.10.300 and 39.10.340 and to certify public bodies as provided in RCW 39.10.270.

(2) The board shall, by a majority vote of the board, appoint persons to the committee who are knowledgeable in the use of the design-build and general contractor/construction manager contracting procedures. Appointments must represent a balance among the industries and public owners on the board listed in RCW 39.10.220.

(a) ~~((When making initial appointments to the committee, the board shall consider for appointment former members of the school district project review board and the public hospital district project review board.~~

(4) Any member of the committee directly or indirectly affiliated with a submittal before the committee must recuse himself or herself from the committee consideration of that submittal.

(5) Any person who sits on the committee or panel is not precluded from subsequently bidding on or participating in projects that have been reviewed by the committee.

(6) The committee shall meet as often as necessary to ensure that certification and approvals are completed in a timely manner.

Sec. 5. RCW 39.10.250 and 2009 c 75 s 2 are each amended to read as follows:

The committee shall:

(1) Certify, or ~~((recertify))~~ renew certification for, public bodies ~~((for a period of three years))~~ to use ~~((the))~~ design-build or general contractor/construction manager contracting procedures, or both ~~((contracting procedures for projects with a total project cost of ten million dollars or more))~~;

(2) Review and approve the use of the design-build or general contractor/construction manager contracting procedures on a project by project basis for public bodies that are not certified under RCW 39.10.270;

~~((Review and approve the use of the general contractor/construction manager contracting procedure by certified public bodies for projects with a total project cost under ten million dollars;~~

~~—(4))~~ Review and approve not more than ~~((ten))~~ fifteen projects using the design-build contracting procedure by ~~((certified and))~~ noncertified public bodies for projects that have a total project cost between two million and ten million dollars. Projects must meet the criteria in RCW 39.10.300(1). Where possible, the committee shall approve projects among multiple public bodies. ~~((In June 2010))~~ At least annually, the committee shall report to the board regarding the committee's review procedure of these projects and its recommendations for further use; and

~~((5))~~ (4) Review and approve not more than two design-build demonstration projects that include procurement of operations and maintenance services for a period longer than three years.

Sec. 6. RCW 39.10.260 and 2007 c 494 s 106 are each amended to read as follows:

(1) The committee shall hold regular public meetings to carry out its duties as described in RCW 39.10.250. Committee meetings are subject to chapter 42.30 RCW.

(2) The committee shall publish notice of its public meetings at least twenty days before the meeting in a legal newspaper circulated in the area where the public body seeking certification is located, or where each of the proposed projects under consideration will be constructed. All meeting notices must be posted on the committee's web site.

(3) The meeting notice must identify the public body that is seeking certification or project approval, and where applicable, a description of projects to be considered at the meeting. The notice

must indicate when, where, and how the public may present comments regarding the committee's certification of a public body or approval of a project. Information submitted by a public body to be reviewed at the meeting shall be available on the committee's web site at the time the notice is published.

(4) The committee must allow for public comment on the appropriateness of certification of a public body or on the appropriateness of the use of the proposed contracting procedure and the qualifications of a public body to use the contracting procedure. The committee shall receive and record both written and oral comments at the public ~~(hearing)~~ meeting.

Sec. 7. RCW 39.10.270 and 2009 c 75 s 3 are each amended to read as follows:

(1) A public body may apply for certification to use the design-build or general contractor/construction manager contracting procedure, or both. Once certified, a public body may use the contracting procedure for which it is certified on individual projects ~~((with a total project cost over ten million dollars))~~ without seeking committee approval ~~((The certification period is))~~ for a period of three years. Public bodies certified to use the design-build procedure are limited to no more than five projects with a total project cost between two and ten million dollars during the certification period. A public body seeking certification must submit to the committee an application in a format and manner as prescribed by the committee. The application must include a description of the public body's qualifications, its capital plan during the certification period, and its intended use of alternative contracting procedures.

(2) A public body seeking certification for the design-build procedure must demonstrate successful management of at least one design-build project within the previous five years. A public body seeking certification for the general contractor/construction manager procedure must demonstrate successful management of at least one general contractor/construction manager project within the previous five years.

(3) To certify a public body, the committee shall determine that the public body:

(a) Has the necessary experience and qualifications to determine which projects are appropriate for using alternative contracting procedures;

(b) Has the necessary experience and qualifications to carry out the alternative contracting procedure including, but not limited to: (i) Project delivery knowledge and experience; (ii) personnel with appropriate construction experience; (iii) a management plan and rationale for its alternative public works projects; (iv) demonstrated success in managing public works projects; (v) the ability to properly manage its capital facilities plan including, but not limited to, appropriate project planning and budgeting experience; and (vi) the ability to meet requirements of this chapter; and

(c) Has resolved any audit findings on previous public works projects in a manner satisfactory to the committee.

(4) The committee shall, if practicable, make its determination at the public meeting during which an application for certification is reviewed. Public comments must be considered before a determination is made. Within ten business days of the public meeting, the committee shall provide a written determination to the public body, and make its determination available to the public on the committee's web site.

(5) The committee may revoke any public body's certification upon a finding, after a public hearing, that its use of design-build or general contractor/construction manager contracting procedures no longer serves the public interest.

(6) The committee may renew the certification of a public body for ~~((one))~~ additional three-year periods. The public body must submit an application for recertification at least three months before the initial certification expires. The application shall include updated information on the public body's ~~((capital plan for the next three~~

~~years, its intended use of the procedures))~~ experience and current staffing with the procedure it is applying to renew, and any other information requested in advance by the committee. The committee must review the application for recertification at a meeting held before expiration of the applicant's initial certification period. A public body must reapply for certification under the process described in subsection (1) of this section once the period of recertification expires.

(7) Certified public bodies must submit project data information as required in RCW 39.10.320 and 39.10.350.

Sec. 8. RCW 39.10.280 and 2007 c 494 s 108 are each amended to read as follows:

(1) A public body not certified under RCW 39.10.270 must apply for approval from the committee to use the design-build or general contractor/construction manager contracting procedure on a project. A public body seeking approval must submit to the committee an application in a format and manner as prescribed by the committee. The application must include a description of the public body's qualifications, a description of the project, and its intended use of alternative contracting procedures.

(2) To approve a proposed project, the committee shall determine that:

(a) The alternative contracting procedure will provide a substantial fiscal benefit or the use of the traditional method of awarding contracts in lump sum to the low responsive bidder is not practical for meeting desired quality standards or delivery schedules;

(b) The proposed project meets the requirements for using the alternative contracting procedure as described in RCW 39.10.300 or 39.10.340;

(c) The public body has the necessary experience or qualified team to carry out the alternative contracting procedure including, but not limited to: (i) Project delivery knowledge and experience; (ii) sufficient personnel with construction experience to administer the contract; (iii) a written management plan that shows clear and logical lines of authority; (iv) the necessary and appropriate funding and time to properly manage the job and complete the project; (v) continuity of project management team, including personnel with experience managing projects of similar scope and size to the project being proposed; and (vi) necessary and appropriate construction budget;

(d) For design-build projects, ~~((construction))~~ public body personnel ~~((independent of the design-build team))~~ or consultants are knowledgeable in the design-build process and are able to oversee and administer the contract; and

(e) The public body has resolved any audit findings related to previous public works projects in a manner satisfactory to the committee.

(3) The committee shall, if practicable, make its determination at the public meeting during which a submittal is reviewed. Public comments must be considered before a determination is made.

(4) Within ten business days after the public meeting, the committee shall provide a written determination to the public body, and make its determination available to the public on the committee's web site. If the committee fails to make a written determination within ten business days of the public meeting, the request of the public body to use the alternative contracting procedure on the requested project shall be deemed approved.

(5) ~~((The requirements of subsection (1) of this section also apply to certified public bodies seeking to use the general contractor/construction manager contracting procedure on projects with a total project cost of less than ten million dollars.~~

~~((6))~~ Failure of the committee to meet within sixty calendar days of a public body's application to use an alternative contracting procedure on a project shall be deemed an approval of the application.

Sec. 9. RCW 39.10.300 and 2009 c 75 s 4 are each amended to read as follows:

(1) Subject to the ~~((process))~~ requirements in RCW 39.10.250, 39.10.270, or 39.10.280, public bodies may utilize the design-build procedure for public works projects in which the total project cost is over ten million dollars and where:

(a) ~~The ((design and construction activities, technologies, or schedule to be used are highly specialized and a design-build approach is critical in developing the construction methodology or implementing the proposed technology))~~ construction activities are highly specialized and a design-build approach is critical in developing the construction methodology; or

(b) ~~The ((project design is repetitive in nature and is an incidental part of the installation or construction))~~ projects selected provide opportunity for greater innovation or efficiencies between the designer and the builder; or

(c) ~~((Regular interaction with and feedback from facilities users and operators during design is not critical to an effective facility design.))~~ Significant savings in project delivery time would be realized.

(2) Subject to the process in RCW 39.10.270 or 39.10.280, public bodies may use the design-build procedure for parking garages, regardless of cost.

(3) The design-build procedure may be used for the construction or erection of portable facilities as defined in WAC 392-343-018, preengineered metal buildings, or not more than ten prefabricated modular buildings per installation site, regardless of cost and is not subject to approval by the committee.

(4) Except for utility projects and approved demonstration projects, the design-build procedure may not be used to procure operations and maintenance services for a period longer than three years. State agency projects that propose to use the design-build-operate-maintain procedure shall submit cost estimates for the construction portion of the project consistent with the office of financial management's capital budget requirements. Operations and maintenance costs must be shown separately and must not be included as part of the capital budget request.

(5) Subject to the process in RCW 39.10.280, public bodies may use the design-build procedure for public works projects in which the total project cost is between two million and ten million dollars and that meet one of the criteria in subsection (1)(a), (b), or (c) of this section.

(6) Subject to the process in RCW 39.10.280, a public body may seek committee approval for a design-build demonstration project that includes procurement of operations and maintenance services for a period longer than three years.

Sec. 10. RCW 39.10.320 and 2007 c 494 s 203 are each amended to read as follows:

(1) A public body utilizing the design-build contracting procedure shall provide ~~((for))~~:

(a) Reasonable budget contingencies totaling not less than five percent of the anticipated contract value;

(b) ~~((Employment of))~~ Staff or consultants with expertise and prior experience in the management of comparable projects;

(c) Contract documents that include alternative dispute resolution procedures to be attempted prior to the initiation of litigation;

(d) Submission of project information, as required by the board; and

(e) Contract documents that require the contractor, subcontractors, and designers to submit project information required by the board.

(2) A public body utilizing the design-build contracting procedure may provide incentive payments to contractors for early completion, cost savings, or other goals if such payments are identified in the request for proposals.

Sec. 11. RCW 39.10.330 and 2009 c 75 s 5 are each amended to read as follows:

(1) Contracts for design-build services shall be awarded through a competitive process using public solicitation of proposals for design-build services. The public body shall publish at least once in a legal newspaper of general circulation published in, or as near as possible to, that part of the county in which the public work will be done, a notice of its request for qualifications from proposers for design-build services, and the availability and location of the request for proposal documents. The request for qualifications documents shall include:

(a) A general description of the project that provides sufficient information for proposers to submit qualifications;

(b) The reasons for using the design-build procedure;

(c) A description of the qualifications to be required of the proposer including, but not limited to, submission of the proposer's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and finalists' proposals, including evaluation factors and the relative weight of factors and any specific forms to be used by the proposers;

(i) Evaluation factors for request for qualifications shall include, but not be limited to, technical qualifications, such as specialized experience and technical competence; capability to perform; past performance of the proposers' team, including the architect-engineer and construction members; and other appropriate factors. Evaluation factors may also include: (A) The proposer's past performance in utilization of small business entities; and (B) disadvantaged business enterprises. Cost or price-related factors are not permitted in the request for qualifications phase;

(ii) Evaluation factors for finalists' proposals shall include, but not be limited to, the factors listed in (d)(i) of this subsection, as well as technical approach design concept; ~~((proposal price))~~ ability of professional personnel; past performance on similar projects; ability to meet time and budget requirements; ability to provide a performance and payment bond for the project; recent, current, and projected workloads of the firm; ~~((and))~~ location; and cost or price-related factors that may include operating costs. The public body may also consider a proposer's outreach plan to include small business entities and disadvantaged business enterprises as subcontractor and suppliers for the project. Alternatively, if the public body determines that all finalists will be capable of producing a design that adequately meets project requirements, the public body may award the contract to the firm that submits the responsive proposal with the lowest price;

(e) Protest procedures including time limits for filing a protest, which in no event may limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision;

~~((f))~~ (f) The form of the contract to be awarded;

~~((g))~~ (g) The ~~((amount))~~ honorarium to be paid to finalists submitting responsive proposals and who are not awarded a design-build contract;

~~((h))~~ (h) The schedule for the procurement process and the project; and

~~((i))~~ (i) Other information relevant to the project.

(2) The public body shall establish an evaluation committee to evaluate the responses to the request for qualifications based solely on the factors, weighting, and process identified in the request for qualifications and any addenda issued by the public body. Based on the evaluation committee's findings, the public body shall select not more than five responsive and responsible finalists to submit proposals. The public body may, in its sole discretion, reject all proposals and shall provide its reasons for rejection in writing to all proposers.

(3) The public body must notify all proposers of the finalists selected to move to the next phase of the selection process. The process may not proceed to the next phase until two business days after all proposers are notified of the committee's selection decision. At the request of a proposer not selected as a finalist, the public body

must provide the requesting proposer with a scoring summary of the evaluation factors for its proposal. Proposers filing a protest on the selection of the finalists must file the protest in accordance with the published protest procedures. The selection process may not advance to the next phase of selection until two business days after the final protest decision is transmitted to the protestor.

(4) Upon selection of the finalists, the public body shall issue a request for proposals to the finalists, which shall provide the following information:

(a) A detailed description of the project including programmatic, performance, and technical requirements and specifications; functional and operational elements; minimum and maximum net and gross areas of any building; and, at the discretion of the public body, preliminary engineering and architectural drawings; and

(b) The target budget for the design-build portion of the project.

~~((4))~~ (5) The public body shall establish an evaluation committee to evaluate the proposals submitted by the finalists. Design-build contracts shall be awarded using the procedures in (a) or (b) of this subsection. The public body must identify in the request for qualifications which procedure will be used.

(a) The finalists' proposals shall be evaluated and scored based solely on the factors, weighting, and process identified in the initial request for qualifications and in any addenda published by the public body. Public bodies may request best and final proposals from finalists. The public body ~~((shall))~~ may initiate negotiations with the firm submitting the highest scored proposal. If the public body is unable to execute a contract with the firm submitting the highest scored proposal, negotiations with that firm may be suspended or terminated and the public body may proceed to negotiate with the next highest scored firm. Public bodies shall continue in accordance with this procedure until a contract agreement is reached or the selection process is terminated.

(b) If the public body determines that all finalists are capable of producing a design that adequately meets project requirements, the public body may award the contract to the firm that submits the responsive proposal with the lowest price.

~~((5))~~ (6) The public body shall notify all finalists of the selection decision and make a selection summary of the final proposals available to all proposers within two business days of such notification. If the public body receives a timely written protest from a finalist firm, the public body may not execute a contract until two business days after the final protest decision is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

(7) The firm awarded the contract shall provide a performance and payment bond for the contracted amount.

(8) The public body shall provide appropriate honorarium payments to finalists submitting responsive proposals that are not awarded a design-build contract. Honorarium payments shall be sufficient to generate meaningful competition among potential proposers on design-build projects. In determining the amount of the honorarium, the public body shall consider the level of effort required to meet the selection criteria.

Sec. 12. RCW 39.10.340 and 2007 c 494 s 301 are each amended to read as follows:

Subject to the process in RCW 39.10.270 or 39.10.280, public bodies may utilize the general contractor/construction manager procedure for public works projects where at least one of the following is met:

(1) Implementation of the project involves complex scheduling, phasing, or coordination;

(2) The project involves construction at an occupied facility which must continue to operate during construction;

(3) The involvement of the general contractor/construction manager during the design stage is critical to the success of the project;

(4) The project encompasses a complex or technical work environment; or

(5) The project requires specialized work on a building that has historic significance.

Sec. 13. RCW 39.10.360 and 2009 c 75 s 6 are each amended to read as follows:

(1) Public bodies should select general contractor/construction managers early in the life of public works projects, and in most situations no later than the completion of schematic design.

(2) Contracts for the services of a general contractor/ construction manager under this section shall be awarded through a competitive process requiring the public solicitation of proposals for general contractor/construction manager services. The public solicitation of proposals shall include:

(a) A description of the project, including programmatic, performance, and technical requirements and specifications when available;

(b) The reasons for using the general contractor/construction manager procedure;

(c) A description of the qualifications to be required of the firm, including submission of the firm's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors ~~((and))~~, the relative weight of factors, and protest procedures including time limits for filing a protest, which in no event may limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision;

(e) The form of the contract, including any contract for preconstruction services, to be awarded;

(f) The estimated maximum allowable construction cost; and

(g) The bid instructions to be used by the general contractor/ construction manager finalists.

(3)~~(a)~~ Evaluation factors for selection of the general contractor/construction manager shall include, but not be limited to:

~~((a))~~ (i) Ability of the firm's professional personnel;

~~((b))~~ (ii) The firm's past performance in negotiated and complex projects;

~~((c))~~ (iii) The firm's ability to meet time and budget requirements;

~~((d))~~ (iv) The scope of work the firm proposes to self-perform and its ability to perform that work;

~~((e))~~ (v) The firm's proximity to the project location;

~~((f))~~ (vi) Recent, current, and projected workloads of the firm; and

~~((g))~~ (vii) The firm's approach to executing the project.

(b) An agency may also consider the firm's outreach plan to include small business entities and disadvantaged business enterprises, and the firm's past performance in the utilization of such firms as an evaluation factor.

(4) A public body shall establish a committee to evaluate the proposals. After the committee has selected the most qualified finalists, at the time specified by the public body, these finalists shall submit final proposals, including sealed bids for the percent fee on the estimated maximum allowable construction cost and the fixed amount for the general conditions work specified in the request for proposal. The public body shall establish a time and place for the opening of sealed bids for the percent fee on the estimated maximum allowable construction cost and the fixed amount for the general conditions work specified in the request for proposal. At the time and place named, these bids must be publicly opened and read and the public body shall make all previous scoring available to the public. The public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors published in the public solicitation of proposals. A public body shall not evaluate or disqualify a proposal based on the terms of a collective bargaining agreement.

(5) The public body shall notify all finalists of the selection decision and make a selection summary of the final proposals available to all proposers within two business days of such notification. If the public body receives a timely written protest from a proposer, the public body may not execute a contract until two business days after the final protest decision is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

(6) Public bodies may contract with the selected firm to provide services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work, and to act as the construction manager and general contractor during the construction phase.

Sec. 14. RCW 39.10.380 and 2007 c 494 s 305 are each amended to read as follows:

(1) All subcontract work and equipment and material purchases shall be competitively bid with public bid openings. Subcontract bid packages and equipment and materials purchases shall be awarded to the responsible bidder submitting the lowest responsive bid. In preparing subcontract bid packages, the general contractor/construction manager shall not be required to violate or waive terms of a collective bargaining agreement.

(2) All subcontract bid packages in which bidder eligibility was not determined in advance shall include the specific objective criteria that will be used by the general contractor/construction manager and the public body to evaluate bidder responsibility. If the lowest bidder submitting a responsive bid is determined by the general contractor/construction manager and the public body not to be responsible, the general contractor/construction manager and the public body must provide written documentation to that bidder explaining their intent to reject the bidder as not responsible and afford the bidder the opportunity to establish that it is a responsible bidder. Responsibility shall be determined in accordance with criteria listed in the bid documents. Protests concerning bidder responsibility determination by the general contractor/construction manager and the public body shall be in accordance with subsection (4) of this section.

(3) All subcontractors who bid work over three hundred thousand dollars shall post a bid bond. All subcontractors who are awarded a contract over three hundred thousand dollars shall provide a performance and payment bond for the contract amount. All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager.

(4) If the general contractor/construction manager receives a written protest from a subcontractor bidder or an equipment or material supplier, the general contractor/construction manager shall not execute a contract for the subcontract bid package or equipment or material purchase order with anyone other than the protesting bidder without first providing at least two full business days' written notice to all bidders of the intent to execute a contract for the subcontract bid package. The protesting bidder must submit written notice of its protest no later than two full business days following the bid opening. Intermediate Saturdays, Sundays, and legal holidays are not counted.

(5) A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(6) The general contractor/construction manager may negotiate with the lowest responsible and responsive bidder to negotiate an adjustment to the lowest bid or proposal price based upon agreed changes to the contract plans and specifications under the following conditions:

(a) All responsive bids or proposal prices exceed the available funds ~~(, as certified by an appropriate fiscal officer);~~

(b) The apparent low responsive bid or proposal does not exceed the available funds by the greater of one hundred twenty-five

thousand dollars or two percent for projects valued over ten million dollars; and

(c) The negotiated adjustment will bring the bid or proposal price within the amount of available funds.

(7) If the negotiation is unsuccessful, the subcontract work or equipment or material purchases must be rebid.

(8) The general contractor/construction manager must provide a written explanation if all bids are rejected.

Sec. 15. RCW 39.10.385 and 2010 c 163 s 1 are each amended to read as follows:

As an alternative to the subcontractor selection process outlined in RCW 39.10.380, a general contractor/construction manager may, with the approval of the public body, select ~~((#))~~ mechanical subcontractors, ~~((#))~~ electrical subcontractors, or both, using the process outlined in this section. This alternative selection process may only be used when the anticipated value of the subcontract will exceed three million dollars. When using the alternative selection process, the general contractor/construction manager should select the subcontractor early in the life of the public works project.

(1) In order to use this alternative selection process, the general contractor/construction manager and the public body must determine that it is in the best interest of the public. In making this determination the general contractor/construction manager and the public body must:

(a) Publish a notice of intent to use this alternative selection process in a legal newspaper published in or as near as possible to that part of the county where the public work will be constructed. Notice must be published at least fourteen calendar days before conducting a public hearing. The notice must include the date, time, and location of the hearing; a statement justifying the basis and need for the alternative selection process; ~~((and))~~ how interested parties may, prior to the hearing, obtain the evaluation criteria and applicable weight given to each criteria that will be used for evaluation; and protest procedures including time limits for filing a protest, which may in no event, limit the time to file a protest to fewer than four business days from the date the proposer was notified of the selection decision;

(b) Conduct a hearing and provide an opportunity for any interested party to submit written and verbal comments regarding the justification for using this selection process, the evaluation criteria, ~~((and))~~ weights for each criteria, and protest procedures;

(c) After the public hearing, consider the written and verbal comments received and determine if using this alternative selection process is in the best interests of the public; and

(d) Issue a written final determination to all interested parties. All protests of the decision to use the alternative selection process must be in writing and submitted to the public body within seven calendar days of the final determination. Any modifications to the criteria ~~((and))~~, weights, and protest procedures based on comments received during the public hearing process must be included in the final determination.

(2) Contracts for the services of a subcontractor under this section must be awarded through a competitive process requiring a public solicitation of proposals. Notice of the public solicitation of proposals must be provided to the office of minority and women's business enterprises. The public solicitation of proposals must include:

(a) A description of the project, including programmatic, performance, and technical requirements and specifications when available;

(b) The reasons for using the alternative selection process;

(c) A description of the minimum qualifications required of the firm;

(d) A description of the process used to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors;

(e) Protest procedures:

~~(f)~~ (f) The form of the contract, including any contract for preconstruction services, to be awarded;

~~((f))~~ (g) The estimated maximum allowable subcontract cost; and

~~((g))~~ (h) The bid instructions to be used by the finalists.

(3) Evaluation factors for selection of the subcontractor must include, but not be limited to:

(a) Ability of the firm's professional personnel;

(b) The firm's past performance on similar projects;

(c) The firm's ability to meet time and budget requirements;

(d) The scope of work the firm proposes to perform with its own forces and its ability to perform that work;

(e) The firm's plan for outreach to minority and women-owned businesses;

(f) The firm's proximity to the project location;

(g) The firm's capacity to successfully complete the project;

(h) The firm's approach to executing the project;

(i) The firm's approach to safety on the project;

(j) The firm's safety history; and

(k) If the firm is selected as one of the most qualified finalists, the firm's fee and cost proposal.

(4) The general contractor/construction manager shall establish a committee to evaluate the proposals. At least one representative from the public body shall serve on the committee. Final proposals, including sealed bids for the percent fee on the estimated maximum allowable subcontract cost, and the fixed amount for the subcontract general conditions work specified in the request for proposal, will be requested from the most qualified firms.

(5) The general contractor/construction manager must notify all proposers of the most qualified firms that will move to the next phase of the selection process. The process may not proceed to the next phase until two business days after all proposers are notified of the committee's selection decision. At the request of a proposer, the general contractor/construction manager must provide the requesting proposer with a scoring summary of the evaluation factors for its proposal. Proposers filing a protest on the selection of the most qualified finalists must file the protest with the public body in accordance with the published protest procedures. The selection process may not advance to the next phase of selection until two business days after the final protest decision issued by the public body is transmitted to the protestor.

~~(6)~~ (6) The general contractor/construction manager and the public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors identified in the solicitation of proposals. The scoring of the nonprice factors must be made available at the opening of the fee and cost proposals. The general contractor/construction manager shall notify all proposers of the selection decision and make a selection summary of the final proposals, which shall be available to all proposers within two business days of such notification. The general contractor/construction manager may not evaluate or disqualify a proposal based on the terms of a collective bargaining agreement.

~~((5))~~ (7) If the public body receives a timely written protest from a "most qualified firm," the general contractor/construction manager may not execute a contract for the protested subcontract work until two business days after the final protest decision issued by the public body is transmitted to the protestor. The protestor must submit its protest in accordance with the published protest procedures.

~~(8)~~ (8) If the general contractor/construction manager is unable to negotiate a satisfactory maximum allowable subcontract cost with the firm selected deemed by public body and the general contractor/construction manager to be fair, reasonable, and within the available funds, negotiations with that firm must be formally terminated and the general contractor/construction manager may

negotiate with the next highest scored firm until an agreement is reached or the process is terminated.

~~((6))~~ If the general contractor/construction manager receives a written protest from a bidder, it may not execute a contract for the subject work with anyone other than the protesting bidder, without first providing at least two full business days' written notice to all bidders of the intent to execute a contract for the subcontract bid package. The protesting bidder must submit written notice to the general contractor/construction manager of its protest no later than two full business days following the bid opening.

~~((7))~~ (9) With the approval of the public body, the general contractor/construction manager may contract with the selected firm to provide preconstruction services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work; and to act as the mechanical or electrical subcontractor during the construction phase.

~~((8))~~ (10) The maximum allowable subcontract cost must be used to establish a total subcontract cost for purposes of a performance and payment bond. Total subcontract cost means the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable subcontract cost, and the percent fee on the negotiated maximum allowable subcontract cost. Maximum allowable subcontract cost means the maximum cost to complete the work specified for the subcontract, including the estimated cost of work to be performed by the subcontractor's own forces, a percentage for risk contingency, negotiated support services, and approved change orders. The maximum allowable subcontract cost must be negotiated between the general contractor/construction manager and the selected firm when the construction documents and specifications are at least ninety percent complete. Final agreement on the maximum allowable subcontract cost is subject to the approval of the public body.

~~((9))~~ (11) If the work of the mechanical contractor or electrical contractor is completed for less than the maximum allowable subcontract cost, any savings not otherwise negotiated as part of an incentive clause becomes part of the risk contingency included in the general contractor/construction manager's maximum allowable construction cost. If the work of the mechanical contractor or the electrical contractor is completed for more than the maximum allowable subcontract cost, the additional cost is the responsibility of that subcontractor. An independent audit, paid for by the public body, must be conducted ~~((upon completion of the contract))~~ to confirm the proper accrual of costs as outlined in the contract.

~~((10))~~ (12) A mechanical or electrical contractor selected under this section may perform work with its own forces. In the event it elects to subcontract some of its work, it must select a subcontractor utilizing the procedure outlined in RCW 39.10.380.

Sec. 16. RCW 39.10.390 and 2007 c 494 s 306 are each amended to read as follows:

(1) Except as provided in this section, bidding on subcontract work or for the supply of equipment or materials by the general contractor/construction manager or its subsidiaries is prohibited.

(2) The general contractor/construction manager, or its subsidiaries, may bid on subcontract work or for the supply of equipment or materials if:

(a) The work within the subcontract bid package or equipment or materials is customarily performed or supplied by the general contractor/construction manager;

(b) The bid opening is managed by the public body and is in compliance with RCW 39.10.380; and

(c) Notification of the general contractor/construction manager's intention to bid is included in the public solicitation of bids for the bid package or for the equipment or materials.

(3) In no event may the general contractor/construction manager or its subsidiaries ~~((purchase equipment or materials for assignment to~~

~~subcontract bid package bidders for installation or warranty~~) assign warranty responsibility or the terms of its contract or purchase order with vendors for equipment or material purchases to subcontract bid package bidders or subcontractors who have been awarded a contract.

The value of subcontract work performed and equipment and materials supplied by the general contractor/construction manager may not exceed thirty percent of the negotiated maximum allowable construction cost. Negotiated support services performed by the general contractor/construction manager shall not be considered subcontract work for purposes of this subsection.

Sec. 17. RCW 39.10.400 and 2007 c 494 s 307 are each amended to read as follows:

(1) If determination of subcontractor eligibility prior to seeking bids is in the best interest of the project and critical to the successful completion of a subcontract bid package, the general contractor/construction manager and the public body may determine subcontractor eligibility to bid. The general contractor/construction manager and the public body must:

(a) Conduct a hearing and provide an opportunity for any interested party to submit written and verbal comments regarding the justification for conducting bidder eligibility, the evaluation criteria, and weights for each criteria and subcriteria;

(b) Publish a notice of intent to evaluate and determine bidder eligibility in a legal newspaper published in or as near as possible to that part of the county where the public work will be constructed at least fourteen calendar days before conducting a public hearing;

(c) Ensure the public hearing notice includes the date, time, and location of the hearing, a statement justifying the basis and need for performing eligibility analysis before bid opening, and how interested parties may, at least five days before the hearing, obtain the specific eligibility criteria and applicable weights given to each criteria and subcriteria that will be used during evaluation;

(d) After the public hearing, consider written and verbal comments received and determine if establishing bidder eligibility in advance of seeking bids is in the best interests of the project and critical to the successful completion of a subcontract bid package; and

(e) Issue a written final determination to all interested parties. All protests of the decision to establish bidder eligibility before issuing a subcontractor bid package must be filed with the superior court within seven calendar days of the final determination. Any modifications to the eligibility criteria and weights shall be based on comments received during the public hearing process and shall be included in the final determination.

(2) Determinations of bidder eligibility shall be in accordance with the evaluation criteria and weights for each criteria established in the final determination and shall be provided to interested persons upon request. Any potential bidder determined not to meet eligibility criteria must be afforded ~~(the)~~ one opportunity to establish its eligibility. Protests concerning bidder eligibility determinations shall be in accordance with subsection (1) of this section.

Sec. 18. RCW 39.10.420 and 2012 c 102 s 1 are each amended to read as follows:

(1) The following public bodies of the state of Washington are authorized to award job order contracts and use the job order contracting procedure:

(a) The department of enterprise services;

(b) The state universities, regional universities, and The Evergreen State College;

(c) Sound transit (central Puget Sound regional transit authority);

(d) Every city with a population greater than seventy thousand and any public authority chartered by such city under RCW 35.21.730 through 35.21.755;

(e) Every county with a population greater than four hundred fifty thousand;

(f) Every port district with total revenues greater than fifteen million dollars per year;

(g) Every public utility district with revenues from energy sales greater than twenty-three million dollars per year;

(h) Every school district; and

(i) The state ferry system.

(2)(a) The department of enterprise services may issue job order contract work orders for Washington state parks department projects.

(b) The department of enterprise services, the University of Washington, and Washington State University may issue job order contract work orders for the state regional universities and The Evergreen State College.

(3) Public bodies may use a job order contract for public works projects when a determination is made that the use of job order contracts will benefit the public by providing an effective means of reducing the total lead-time and cost for the construction of public works projects for repair and renovation required at public facilities through the use of unit price books and work orders by eliminating time-consuming, costly aspects of the traditional public works process, which require separate contracting actions for each small project.

Sec. 19. RCW 39.10.440 and 2007 c 494 s 403 are each amended to read as follows:

(1) The maximum total dollar amount that may be awarded under a job order contract is four million dollars per year for a maximum of three years. The maximum total dollar amount that may be awarded under a job order contract for counties with a population of more than one million is six million dollars per year for a maximum of three years.

(2) Job order contracts may be executed for an initial contract term of not to exceed two years, with the option of extending or renewing the job order contract for one year. All extensions or renewals must be priced as provided in the request for proposals. The extension or renewal must be mutually agreed to by the public body and the job order contractor.

(3) A public body may have no more than two job order contracts in effect at any one time, with the exception of the department of ~~(general administration)~~ enterprise services, which may have four job order contracts in effect at any one time.

(4) At least ninety percent of work contained in a job order contract must be subcontracted to entities other than the job order contractor. The job order contractor must distribute contracts as equitably as possible among qualified and available subcontractors including minority and woman-owned subcontractors to the extent permitted by law.

(5) The job order contractor shall publish notification of intent to perform public works projects at the beginning of each contract year in a statewide publication and in a legal newspaper of general circulation in every county in which the public works projects are anticipated.

(6) Job order contractors shall pay prevailing wages for all work that would otherwise be subject to the requirements of chapter 39.12 RCW. Prevailing wages for all work performed pursuant to each work order must be the rates in effect at the time the individual work order is issued.

(7) If, in the initial contract term, the public body, at no fault of the job order contractor, fails to issue the minimum amount of work orders stated in the public request for proposals, the public body shall pay the contractor an amount equal to the difference between the minimum work order amount and the actual total of the work orders issued multiplied by an appropriate percentage for overhead and profit contained in the contract award coefficient for services as specified in the request for proposals. This is the contractor's sole remedy.

(8) All job order contracts awarded under this section must be signed before July 1, ~~((2013))~~ 2021; however the job order contract may be extended or renewed as provided for in this section.

(9) Public bodies may amend job order contracts awarded prior to July 1, 2007, in accordance with this chapter.

Sec. 20. RCW 39.10.490 and 2007 c 494 s 501 are each amended to read as follows:

MESSAGE FROM THE SENATE

April 17, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1612 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 42.56.240 and 2012 c 88 s 1 are each amended to read as follows:

The following investigative, law enforcement, and crime victim information is exempt from public inspection and copying under this chapter:

(1) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy;

(2) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the commission, if disclosure would endanger any person's life, physical safety, or property. If at the time a complaint is filed the complainant, victim, or witness indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath;

(3) Any records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenses contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020, which have been transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval pursuant to RCW 40.14.070(2)(b);

(4) License applications under RCW 9.41.070; copies of license applications or information on the applications may be released to law enforcement or corrections agencies;

(5) Information revealing the identity of child victims of sexual assault who are under age eighteen. Identifying information means the child victim's name, address, location, photograph, and in cases in which the child victim is a relative or stepchild of the alleged

perpetrator, identification of the relationship between the child and the alleged perpetrator;

(6) The statewide gang database referenced in RCW 43.43.762;

(8) Information submitted to the statewide unified sex offender notification and registration program under RCW 36.28A.040(6) by a person for the purpose of receiving notification regarding a registered sex offender, including the person's name, residential address, and e-mail address; and

(9) Personally identifying information collected by law enforcement agencies pursuant to local security alarm system programs and vacation crime watch programs. Nothing in this subsection shall be interpreted so as to prohibit the legal owner of a residence or business from accessing information regarding his or her residence or business; and

(10) The firearm offense conviction database of felony firearm offenders established in section 6 of this act.

Sec. 2. RCW 9.41.010 and 2009 c 216 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Antique firearm" means a firearm or replica of a firearm not designed or redesigned for using rim fire or conventional center fire ignition with fixed ammunition and manufactured in or before 1898, including any matchlock, flintlock, percussion cap, or similar type of ignition system and also any firearm using fixed ammunition manufactured in or before 1898, for which ammunition is no longer manufactured in the United States and is not readily available in the ordinary channels of commercial trade.

(3) The annual geoduck diver license fee is as provided in RCW 77.65.440.

(4) A geoduck diver license expires on December 31st of each year. Prior to the license's expiration, a license holder may apply to renew the license holder's geoduck diver license only if the license holder is included on a department of natural resources' geoduck harvest agreement plan of operation during the applicable current calendar year.

(5) Beginning January 1, 2015, each person applying for or renewing a geoduck diver license under this section must complete the geoduck diver safety program established in section 5 of this act prior to being issued a license.

(2) Any license holder who qualifies for the right of first refusal under this section must have his or her intent to purchase a geoduck diver license in 2015 known to the director of the department of fish and wildlife within six months of the effective date of this section.

(3) This section expires June 30, 2016.

NEW SECTION. Sec. 3. A new section is added to chapter 77.65 RCW to read as follows:

The department must revoke a geoduck diver license issued under RCW 77.65.410, and the licensee must surrender the license, if the licensee is found in violation of a department of natural resources' geoduck harvest agreement two or more times. The person surrendering the geoduck diver license may not hold another geoduck diver license for a period of one calendar year from the date the license is surrendered.

NEW SECTION. Sec. 4. A new section is added to chapter 43.30 RCW to read as follows:

Each representative must be appointed by the administrator.

(2) The geoduck harvest safety committee must meet at least quarterly. By December 1, 2013, the committee must submit a recommendation to the department regarding the establishment of a geoduck diver safety program and safety requirements for geoduck divers licensed under RCW 77.65.410.

(3) Upon the establishment of the geoduck diver safety program under section 5 of this act, the geoduck harvest safety committee must continue to review and evaluate the safety program's success and effectiveness and recommend to the department appropriate changes to improve the geoduck diver safety program.

Sec. 651 et seq.).

(1) Except as provided in RCW 79.135.040, geoducks shall be sold as valuable materials under the provisions of chapter 79.90 RCW. The department may place terms and conditions in the harvesting agreements as the department deems necessary. The department may enforce the provisions of any harvesting agreement by suspending or canceling the harvesting agreement or through any other means contained in the harvesting agreement. Any geoduck harvester may terminate a harvesting agreement entered into pursuant to this subsection if actions of a governmental agency, beyond the control of the harvester, its agents, or its employees, prohibit harvesting, for a period exceeding thirty days during the term of the harvesting agreement, except as provided within the agreement. Upon termination of the agreement by the harvester, the harvester shall be reimbursed by the department for the cost paid to the department on the agreement, less the value of the harvest already accomplished by the harvester under the agreement.

(2) Harvesting agreements under this title for the purpose of harvesting geoducks shall require the harvester and the harvester's agent or representatives to comply with all applicable commercial diving safety standards and regulations promulgated and implemented by the federal occupational safety and health administration established under the federal occupational safety and health act of 1970 as the law exists or as amended (84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq.). However, for the purposes of this section and RCW 77.60.070, all persons who dive for geoducks are deemed to be employees as defined by the federal occupational safety and health act. All harvesting agreements shall provide that failure to comply with these standards is cause for suspension or cancellation of the harvesting agreement. Further, for the purposes of this subsection if the harvester contracts with another person or entity for the harvesting of geoducks, the harvesting agreement shall not be suspended or canceled if the harvester terminates its business relationship with such an entity until compliance with this subsection is secured.

(3) Beginning January 1, 2015, geoduck divers licensed under RCW 77.65.410 must annually complete the geoduck diver safety program established in section 5 of this act in order to be maintained on a department of natural resources' harvest agreement plan of operation.

SUBSTITUTE HOUSE BILL NO. 1779, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 16, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1941 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.63.160 and 2011 c 367 s 705 are each amended to read as follows:

(1) This section applies only to civil penalties for nonpayment of tolls detected through use of photo toll systems.

(2) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(3) A notice of civil penalty may be issued by the department of transportation when a toll is assessed through use of a photo toll system and the toll is not paid by the toll payment due date, which is eighty days from the date the vehicle uses the toll facility and incurs the toll charge.

(4) Any registered owner or renter of a vehicle traveling upon a toll facility operated under chapter 47.56 or 47.46 RCW is subject to a civil penalty governed by the administrative procedures set forth in this section when the vehicle incurs a toll charge and the toll is not paid by the toll payment due date, which is eighty days from the date the vehicle uses the toll facility and incurs the toll charge.

(5)(a) Consistent with chapter 34.05 RCW, the department of transportation shall develop an administrative adjudication process to review appeals of civil penalties issued by the department of transportation for toll nonpayment detected through the use of a photo toll system under this section. The department of transportation shall submit to the transportation committees of the legislature an annual report on the number of times adjudicators reduce or dismiss the civil penalty as provided in (b) of this subsection and the total amount of the civil penalties dismissed. The report must be submitted by December 1st of each year.

(b) During the adjudication process, the alleged violator must have an opportunity to explain mitigating circumstances. Hospitalization, a divorce decree or legal separation agreement resulting in a transfer of the vehicle, an active duty member of the military or national guard covered by the federal servicemembers' civil relief act, 50 U.S.C. Sec. 501 et seq., or state service members' civil relief act, chapter 38.42 RCW, eviction, homelessness, the death of the alleged violator or of an immediate family member, or if the alleged violator did not receive a toll charge bill or notice of civil

penalty are valid mitigating circumstances. All of these reasons that constitute mitigating circumstances must occur within a reasonable time of the alleged toll violation. In response to these circumstances, the adjudicator may reduce or dismiss the civil penalty.

(6) The use of a photo toll system is subject to the following requirements:

(a) Photo toll systems may take photographs, digital photographs, microphotographs, videotapes, or other recorded images of the vehicle and vehicle license plate only.

(b) A notice of civil penalty must include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by a photo toll system, stating the facts supporting the notice of civil penalty. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding established under subsection (5) of this section. The photographs, digital photographs, microphotographs, videotape, or other recorded images evidencing the toll nonpayment civil penalty must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the civil penalty.

(c) Notwithstanding any other provision of law, all photographs, digital photographs, microphotographs, videotape, other recorded images, or other records identifying a specific instance of travel prepared under this ((chapter)) section are for the exclusive use of the tolling agency for toll collection and enforcement purposes and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a civil penalty under this ((chapter)) section. No photograph, digital photograph, microphotograph, videotape, other recorded image, or other record identifying a specific instance of travel may be used for any purpose other than toll collection or enforcement of civil penalties under this section. Records identifying a specific instance of travel by a specific person or vehicle must be retained only as required to ensure payment and enforcement of tolls and to comply with state records retention policies.

(d) All locations where a photo toll system is used must be clearly marked by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where tolls are assessed and enforced by a photo toll system.

(e) Within existing resources, the department of transportation shall conduct education and outreach efforts at least six months prior to activating an all-electronic photo toll system. Methods of outreach shall include a department presence at community meetings in the vicinity of a toll facility, signage, and information published in local media. Information provided shall include notice of when all electronic photo tolling shall begin and methods of payment. Additionally, the department shall provide quarterly reporting on education and outreach efforts and other data related to the issuance of civil penalties.

(f) The envelope containing a toll charge bill or related notice issued pursuant to RCW 47.46.105 or 47.56.795, or a notice of civil penalty issued under this section, must prominently indicate that the contents are time sensitive and related to a toll violation.

(7) Civil penalties for toll nonpayment detected through the use of photo toll systems must be issued to the registered owner of the vehicle identified by the photo toll system, but are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120.

(8) The civil penalty for toll nonpayment detected through the use of a photo toll system is forty dollars plus the photo toll and associated fees.

(9) Except as provided otherwise in this subsection, all civil penalties, including the photo toll and associated fees, collected under this section must be deposited into the toll facility account of the facility on which the toll was assessed. However, through June 30, 2013, civil penalties deposited into the Tacoma Narrows toll bridge

account created under RCW 47.56.165 that are in excess of amounts necessary to support the toll adjudication process applicable to toll collection on the Tacoma Narrows bridge must first be allocated toward repayment of operating loans and reserve payments provided to the account from the motor vehicle account under section 1005(15), chapter 518, Laws of 2007. Additionally, all civil penalties, resulting from nonpayment of tolls on the state route number 520 corridor, shall be deposited into the state route number 520 civil penalties account created under section 4, chapter 248, Laws of 2010 but only if chapter 248, Laws of 2010 is enacted by June 30, 2010.

(10) If the registered owner of the vehicle is a rental car business, the department of transportation shall, before a toll bill is issued, provide a written notice to the rental car business that a toll bill may be issued to the rental car business if the rental car business does not, within thirty days of the mailing of the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the toll was assessed; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the toll was assessed because the vehicle was stolen at the time the toll was assessed. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable toll and fee.

Timely mailing of this statement to the issuing agency relieves a rental car business of any liability under this section for the payment of the toll.

(11) Consistent with chapter 34.05 RCW, the department of transportation shall develop rules to implement this section.

(12) For the purposes of this section, "photo toll system" means the system defined in RCW 47.56.010 and 47.46.020."

On page 1, line 2 of the title, after "penalties;" strike the remainder of the title and insert "and amending RCW 46.63.160."

and the same is herewith transmitted.

(1) As provided in this section, every bill enacting a new tax preference must include a tax preference performance statement.

(2) A tax preference performance statement must state the legislative purpose for the new tax preference. The tax preference performance statement must indicate one or more of the following general categories, by reference to the applicable category specified in this subsection, as the legislative purpose of the new tax preference:

(a) Tax preferences intended to induce certain designated behavior by taxpayers;

(b) Tax preferences intended to improve industry competitiveness;

(c) Tax preferences intended to create or retain jobs;

(d) Tax preferences intended to reduce structural inefficiencies in the tax structure;

(e) Tax preferences intended to provide tax relief for certain businesses or individuals; or

(f) Tax preferences intended to achieve a general purpose not identified in (a) through (e) of this subsection.

(3) In addition to identifying the general legislative purpose of the tax preference under subsection (2) of this section, the tax preference performance statement must provide additional detailed information regarding the legislative purpose of the new tax preference.

(4) A new tax preference performance statement must specify clear, relevant, and ascertainable metrics and data requirements that allow the joint legislative audit and review committee to measure the effectiveness of the new tax preference in achieving the purpose designated under subsection (2) of this section.

(5) If the tax preference performance statement for a new tax preference indicates a legislative purpose described in subsection (2)(b) or (c) of this section, any taxpayer claiming the new tax preference must file an annual survey in accordance with RCW 82.32.585.

(6) Taxpayers claiming a new tax preference impacting any tax under this title must report the amount of the tax preference claimed by the taxpayer to the department as part of the taxpayer's regular tax reporting responsibilities under this chapter. For new tax preferences allowing certain types of gross income of the business to be excluded from business and occupation taxation, the tax return must explicitly report the amount of the exclusion, regardless of whether it is structured as an exemption or deduction. For a new sales and use tax exemption, the total taxable sales subject to the exemption claimed by the taxpayer must be reported on an addendum to the taxpayer's tax return.

(7) The amount claimed by a taxpayer for any new tax preference is subject to public disclosure and is not considered confidential tax information under RCW 82.32.330. The department may waive the public disclosure requirement under this subsection for good cause. Good cause may be demonstrated by a reasonable showing of economic harm to a taxpayer if the information specified under this subsection is disclosed. Taxpayers may request the department to treat the amount of the tax preference claimed by a taxpayer during a calendar year as confidential under RCW 82.32.330 if the amount for the calendar year is less than ten thousand dollars.

(8) If a new tax preference does not include the information required under subsections (2) through (4) of this section, the joint legislative audit and review committee is not required to perform a tax preference review under chapter 43.136 RCW, and it is legislatively presumed that it is the intent of the legislature to allow the new tax preference to expire upon its scheduled expiration date.

NEW SECTION. Sec. 3. A new section is added to chapter 43.136 RCW to read as follows:

By January 1, 2015, and in compliance with RCW 43.01.036, the joint legislative audit and review committee must provide a report to the appropriate fiscal committees of the legislature that makes recommendations on the appropriate data and metrics that should be included in a tax preference performance statement to evaluate a new tax preference. The committee must consult with the department of revenue and legislative fiscal staff in the preparation of the report. The committee's recommendation must identify the appropriate data and metrics for each of the general categories provided in section 2(2) of this act.

"NEW SECTION. Sec. 25. A new section is added to chapter 82.32 RCW to read as follows:

(1) Except as otherwise provided in this section, every bill enacting a new tax preference expires on the first day of the calendar year that is subsequent to the calendar year that is five years from the effective date of the bill. With respect to any property tax exemption, the exemption does not apply to taxes levied for collection beginning in the calendar year that is subsequent to the calendar year that is five years from the effective date of the bill.

(2) Subsection (1) of this section does not apply if legislation creating a new tax preference includes an expiration date for the new tax preference.

(3) Subsection (1) of this section does not apply to any existing tax preference that is amended to clarify an ambiguity or correct a technical inconsistency.

(4) For the purposes of this section, the following definitions apply:

(a) "New tax preference" means a tax preference that initially took effect after August 1, 2013, or a tax preference in effect as of August 1, 2013, that is expanded or extended after August 1, 2013.

(b) "Tax preference" has the same meaning as in RCW 43.136.021 with respect to any state tax under this title and Title 84 RCW.

NEW SECTION. Sec. 26. A new section is added to chapter 82.32 RCW to read as follows:

(1) As provided in this section, every bill enacting a new tax preference must include a tax preference performance statement.

(a) Tax preferences intended to induce certain designated behavior by taxpayers;

(b) Tax preferences intended to improve industry competitiveness;

(c) Tax preferences intended to create or retain jobs;

(d) Tax preferences intended to reduce structural inefficiencies in the tax structure; or

(e) Tax preferences intended to provide tax relief for certain businesses or individuals.

(3) In addition to identifying the general legislative purpose of the tax preference under subsection (2) of this section, the tax preference performance statement must provide additional detailed information regarding the legislative purpose of the new tax preference.

(4) A new tax preference performance statement must specify clear, relevant, and ascertainable metrics and data requirements that allow the joint legislative audit and review committee to measure the effectiveness of the new tax preference in achieving the purpose designated under subsection (2) of this section.

(5) If the tax preference performance statement for a new tax preference indicates a legislative purpose described in subsection (2)(b) or (c) of this section, any taxpayer claiming the new tax preference must file an annual survey in accordance with RCW 82.32.585.

(6) Taxpayers claiming a new tax preference impacting any tax under this title must report the amount of the tax preference claimed by the taxpayer to the department as part of the taxpayer's regular tax reporting responsibilities under this chapter. For new tax preferences allowing certain types of gross income of the business to be excluded from business and occupation taxation, the tax return must explicitly report the amount of the exclusion, regardless of whether it is structured as an exemption or deduction. For a new sales and use tax exemption, the total taxable sales subject to the exemption claimed by the taxpayer must be reported on an addendum to the taxpayer's tax return.

(7) The amount claimed by a taxpayer for any new tax preference, as well as the taxpayer's gross income and taxable income, is subject to public disclosure and is not considered confidential tax information under RCW 82.32.330. (8) If a new tax preference does not include the information required under subsections (2) through (4) of this section, the joint legislative audit and review committee is not required to perform a tax preference review under chapter 43.136 RCW, and it is legislatively presumed that it is the intent of the legislature to allow the new tax preference to expire upon its scheduled expiration date.

NEW SECTION. Sec. 27. A new section is added to chapter 43.136 RCW to read as follows:

By January 1, 2015, and in compliance with RCW 43.01.036, the joint legislative audit and review committee must provide a report to the appropriate fiscal committees of the legislature that makes recommendations on the appropriate data and metrics that should be

included in a tax preference performance statement to evaluate a new tax preference. The committee must consult with the department of revenue and legislative fiscal staff in the preparation of the report. The committee's recommendation must identify the appropriate data and metrics for each of the general categories provided in section 2(2) of this act.

Sec. 28. RCW 82.32.585 and 2011 c 23 s 6 are each amended to read as follows:

(1)(a) Every person claiming a tax preference that requires a survey under this section must file a complete annual survey with the department.

(i) Except as provided in (a)(ii) of this subsection, the survey is due by April 30th of the year following any calendar year in which a person becomes eligible to claim the tax preference that requires a survey under this section.

(ii) If the tax preference is a deferral of tax, the first survey must be filed by April 30th of the calendar year following the calendar year in which the investment project is certified by the department as operationally complete, and a survey must be filed by April 30th of each of the seven succeeding calendar years.

(b) The department may extend the due date for timely filing of annual surveys under this section as provided in RCW 82.32.590.

(2)(a) The survey must include the amount of the tax preference claimed for the calendar year covered by the survey. For a person that claimed an exemption provided in RCW 82.08.025651 or 82.12.025651, the survey must include the amount of tax exempted under those sections in the prior calendar year for each general area or category of research and development for which exempt machinery and equipment and labor and services were acquired in the prior calendar year.

(b) The survey must also include the following information for employment positions in Washington, not to include names of employees, for the year that the tax preference was claimed:

(i) The number of total employment positions;

(ii) Full-time, part-time, and temporary employment positions as a percent of total employment;

(iii) The number of employment positions according to the following wage bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but less than sixty thousand dollars; and sixty thousand dollars or greater. A wage band containing fewer than three individuals may be combined with another wage band; and

(iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits, by each of the wage bands.

(c) For persons claiming the tax preference provided under chapter 82.60 or 82.63 RCW, the survey must also include the number of new products or research projects by general classification, and the number of trademarks, patents, and copyrights associated with activities at the investment project.

(d) For persons claiming the credit provided under RCW 82.04.4452, the survey must also include the qualified research and development expenditures during the calendar year for which the credit was claimed, the taxable amount during the calendar year for which the credit was claimed, the number of new products or research projects by general classification, the number of trademarks, patents, and copyrights associated with the research and development activities for which the credit was claimed, and whether the tax preference has been assigned, and who assigned the credit. The definitions in RCW 82.04.4452 apply to this subsection (2)(d).

(e) For persons claiming the tax exemption in RCW 82.08.025651 or 82.12.025651, the survey must also include the general areas or categories of research and development for which machinery and equipment and labor and services were acquired, exempt from tax under RCW 82.08.025651 or 82.12.025651, in the prior calendar year.

(f) If the person filing a survey under this section did not file a survey with the department in the previous calendar year, the survey filed under this section must also include the employment, wage, and benefit information required under (b)(i) through (iv) of this subsection for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(3) As part of the annual survey, the department may request additional information necessary to measure the results of, or determine eligibility for, the tax preference and include additional information necessary for the joint legislative audit and review committee to evaluate a new tax preference, as defined in section 1 of this section.

(4) All information collected under this section, except the information required in subsection (2)(a) of this section, is deemed taxpayer information under RCW 82.32.330. Information required in subsection (2)(a) of this section is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request, except as provided in subsection (5) of this section. If the amount of the tax preference claimed as reported on the survey is different than the amount actually claimed or otherwise allowed by the department based on the taxpayer's excise tax returns or other information known to the department, the amount actually claimed or allowed may be disclosed. For any new tax preference, as defined in section 1 of this act, all information collected under this section may be disclosed to the public upon request and is not subject to the confidentiality provisions of RCW 82.32.330.

(5) Persons for whom the actual amount of the tax reduced or saved is less than ten thousand dollars during the period covered by the survey may request the department to treat ~~((the amount of the tax reduction or savings))~~ all information collected under this section as confidential under RCW 82.32.330.

(6)(a) Except as otherwise provided by law, if a person claims a tax preference that requires an annual survey under this section but fails to submit a complete annual survey by the due date of the survey or any extension under RCW 82.32.590, the department must declare the amount of the tax preference claimed for the previous calendar year to be immediately due. If the tax preference is a deferral of tax, twelve and one-half percent of the deferred tax is immediately due. If the economic benefits of the deferral are passed to a lessee, the lessee is responsible for payment to the extent the lessee has received the economic benefit.

(b) The department must assess interest, but not penalties, on the amounts due under this subsection. The interest must be assessed at the rate provided for delinquent taxes under this chapter, retroactively to the date the tax preference was claimed, and accrues until the taxes for which the tax preference was claimed are repaid. Amounts due under this subsection are not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(7) The department must use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by October 1st.

(8) For the purposes of this section:

(a) "Person" has the meaning provided in RCW 82.04.030 and also includes the state and its departments and institutions.

(b) "Tax preference" has the meaning provided in RCW 43.136.021 and includes only the tax preferences requiring a survey under this section.

"NEW SECTION. Sec. 1. A new section is added to chapter 74.09 RCW to read as follows:

The legislature finds that chronic care management, including comprehensive medication management services, provided by licensed pharmacists and qualified providers is a critical component of a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases.

Sec. 2. RCW 74.09.522 and 2011 1st sp.s. c 15 s 29, 2011 1st sp.s. c 9 s 2, and 2011 c 316 s 4 are each reenacted and amended to read as follows:

(1) For the purposes of this section:

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: **PROVIDED**, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: **AND PROVIDED FURTHER**, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, (~~2012~~) 2015, including:

(A) Standards regarding the quality of services to be provided;

(B) The financial integrity of the responding system;

(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive

medication management services for patients with multiple chronic conditions consistent with the findings and goals established in section 1 of this act;

(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use; ~~((and))~~

(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;

(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in section 1 of this act; and

(G) Evaluation and reporting on the impact of comprehensive medication management services on patient clinical outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs.

(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through ~~((E))~~ (G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The ~~((department))~~ authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that

enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state.

(8) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection (7) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(9) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the department, including hospital-based physician services. The department will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the department will review and report its findings to the

appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(10) Subsections (7) through (9) of this section expire July 1, 2016."

"**Sec. 401.** RCW 82.08.0273 and 2011 c 7 s 1 are each amended to read as follows:

(1) Subject to the conditions and limitations in this section, an exemption from the tax levied by RCW 82.08.020 (~~does not apply to~~) in the form of a remittance from the department is provided for sales to nonresidents of this state of tangible personal property, digital goods, and digital codes(~~(, when)~~). The exemption only applies if:

(a) The property is for use outside this state;

(b) The purchaser is a bona fide resident of a province or territory of Canada or a state, territory, or possession of the United States, other than the state of Washington; and

(i) Such state, possession, territory, or province does not impose, or have imposed on its behalf, a generally applicable retail sales tax, use tax, value added tax, gross receipts tax on retailing activities, or similar generally applicable tax, of three percent or more; or

(ii) If imposing a tax described in (b)(i) of this subsection, provides an exemption for sales to Washington residents by reason of their residence; and

(c) The purchaser agrees, when requested, to grant the department of revenue access to such records and other forms of verification at (~~his or her~~) the purchaser's place of residence to assure that such purchases are not first used substantially in the state of Washington.

(2) Notwithstanding anything to the contrary in this chapter, if parts or other tangible personal property are installed by the seller during the course of repairing, cleaning, altering, or improving motor vehicles, trailers, or campers and the seller makes a separate charge for the tangible personal property, the tax levied by RCW 82.08.020 does not apply to the separately stated charge to a nonresident purchaser for the tangible personal property but only if the separately stated charge does not exceed either the seller's current publicly stated retail price for the tangible personal property or, if no publicly stated retail price is available, the seller's cost for the tangible personal property. However, the exemption provided by this section does not apply if tangible personal property is installed by the seller during the course of repairing, cleaning, altering, or improving motor vehicles, trailers, or campers and the seller makes a single nonitemized charge for providing the tangible personal property and service. All of the (~~requirements~~) provisions in subsections (1) and (3) through (~~(6))~~ (7) of this section apply to this subsection.

(3)(a) Any person claiming exemption from retail sales tax under the provisions of this section must (~~display proof of his or her current nonresident status as provided in this section~~) pay the state and local sales tax to the seller at the time of purchase and then request a remittance from the department in accordance with this subsection and subsection (4) of this section. A request for remittance must include proof of the person's status as a nonresident at the time of the purchase for which a remittance is requested. The request for a remittance must also include any additional information and documentation as required by the department, which may include a description of the item purchased for which a remittance is requested, the sales price of the item, the amount of state and local sales tax paid on the item, the date of the purchase, the name of the seller and the physical address where the sale took place, and copies of sales receipts showing the qualified purchases.

(b) Acceptable proof of a nonresident person's status includes one piece of identification such as a valid driver's license from the jurisdiction in which the out-of-state residency is claimed or a valid identification card which has a photograph of the holder and is issued by the out-of-state jurisdiction. Identification under this subsection (3)(b) must show the holder's residential address and have as one of

its legal purposes the establishment of residency in that out-of-state jurisdiction.

(c) In lieu of furnishing proof of a person's nonresident status under (b) of this subsection (3), a person claiming exemption from retail sales tax under the provisions of this section may provide the seller with an exemption certificate in compliance with subsection (4)(b) of this section.

(4)(a) ~~((Nothing in this section requires the vendor to make tax exempt retail sales to nonresidents. A vendor may choose to make sales to nonresidents, collect the sales tax, and remit the amount of sales tax collected to the state as otherwise provided by law. If the vendor chooses to make a sale to a nonresident without collecting the sales tax, the vendor must examine the purchaser's proof of nonresidence, determine whether the proof is acceptable under subsection (3)(b) of this section, and maintain records for each nontaxable sale which shall show the type of proof accepted, including any identification numbers where appropriate, and the expiration date, if any.~~

~~—(b) In lieu of using the method provided in (a) of this subsection to document an exempt sale to a nonresident, a seller may accept from the purchaser a properly completed uniform exemption certificate approved by the streamlined sales and use tax agreement governing board or any other exemption certificate as may be authorized by the department and properly completed by the purchaser. A nonresident purchaser who uses an exemption certificate authorized in this subsection (4)(b) must include the purchaser's driver's license number or other state issued identification number and the state of issuance.~~

~~—(c) In lieu of using the methods provided in (a) and (b) of this subsection to document an exempt sale to a nonresident, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.~~

~~—(5)(a) Any person making fraudulent statements, which includes the offer of fraudulent identification or fraudulently procured identification to a vendor, in order to purchase goods without paying retail sales tax is guilty of perjury under chapter 9A.72 RCW.~~

~~—(b) Any person making tax exempt purchases under this section by displaying proof of identification not his or her own, or counterfeit identification, with intent to violate the provisions of this section, is guilty of a misdemeanor and, in addition, is liable for the tax and subject to a penalty equal to the greater of one hundred dollars or the tax due on such purchases.~~

~~—(6)(a) Any vendor who makes sales without collecting the tax and who fails to maintain records of sales to nonresidents as provided in this section is personally liable for the amount of tax due.~~

~~—(b) Any vendor who makes sales without collecting the retail sales tax under this section and who has actual knowledge that the purchaser's proof of identification establishing out of state residency is fraudulent is guilty of a misdemeanor and, in addition, is liable for the tax and subject to a penalty equal to the greater of one thousand dollars or the tax due on such sales. In addition, both the purchaser and the vendor are liable for any penalties and interest assessable under chapter 82.32 RCW.)~~ (i) Beginning January 1, 2014, through December 31, 2014, a person may request a remittance from the department for state and local sales taxes paid by the person on qualified retail purchases made in Washington between July 1, 2013, and December 31, 2013.

(ii) Beginning January 1, 2014, a person may request a remittance from the department during any calendar year for state and local sales taxes paid by the person on qualified retail purchases made in Washington during the immediately preceding calendar year only. No application may be made with respect to purchases made before the immediately preceding calendar year.

(b) The remittance request, including proof of nonresident status and any other documentation and information required by the department, must be made using an electronic application process as prescribed by the department. Only one remittance request may be

made by a person per calendar year.

(c) The total amount of a remittance request must be at least twenty-five dollars. The department must deny any request for a remittance that is less than twenty-five dollars.

(d) The department will examine the applicant's proof of nonresident status and any other documentation and information as required in the application to determine whether the applicant is entitled to a remittance under this section.

(5)(a) Any person making fraudulent statements to the department, which includes the offer of fraudulent or fraudulently procured identification or fraudulent sales receipts, in order to receive a remittance of retail sales tax is guilty of perjury under chapter 9A.72 RCW.

(b) Any person requesting a remittance of sales tax from the department by providing proof of identification or sales receipts not the person's own, or counterfeit identification or sales receipts, with intent to violate the provisions of this section, is guilty of a misdemeanor and, in addition, is liable for the tax and subject to a penalty equal to the greater of one hundred dollars or the tax due on such purchases.

(6) The exemption provided by this section is for both state and local sales taxes. For purposes of this section, "local sales tax" means a sales tax imposed by a local government under the authority of chapter 82.14 RCW, RCW 81.104.170, or other provision of law, and which is imposed on the same taxable event as the state sales tax imposed in this chapter.

(7) A nonresident who receives a refund of sales tax from the seller for any reason with respect to a purchase made in this state is not entitled to a remittance for the tax paid on the purchase. A person who receives both a remittance under this section and a refund from the seller with respect to the same purchase must immediately repay the remittance to the department. Interest as provided in chapter 82.32 RCW applies to amounts due under this section from the date that the department made the remittance until the amount due under this subsection is paid to the department. A person who receives a remittance with respect to a purchase for which the person had, at the time the person submitted the application for a remittance, already received a refund of sales tax from the seller is also liable for the evasion penalty in RCW 82.32.090(7) and is ineligible to receive any further remittances from the department under this section."

(28) "Severely emotionally disturbed child" or "child who is severely emotionally disturbed" means a child who has been determined by the regional support network to be experiencing a mental disorder as defined in chapter 71.34 RCW, including those mental disorders that result in a behavioral or conduct disorder, that is clearly interfering with the child's functioning in family or school or with peers and who meets at least one of the following criteria:

(a) Has undergone inpatient treatment or placement outside of the home related to a mental disorder within the last two years;

(b) Has undergone involuntary treatment under chapter 71.34 RCW within the last two years;

(c) Is currently served by at least one of the following child-serving systems: Juvenile justice, child-protection/welfare, special education, or developmental disabilities;

(d) Is at risk of escalating maladjustment due to:

(i) Chronic family dysfunction involving a caretaker who is mentally ill or inadequate;

(ii) Changes in custodial adult;

(iii) Going to, residing in, or returning from any placement outside of the home, for example, psychiatric hospital, short-term inpatient, residential treatment, group or foster home, or a correctional facility;

(iv) Subject to repeated physical abuse or neglect;

(v) Drug or alcohol abuse; or

(vi) Homelessness.

(29) "State minimum standards" means minimum requirements established by rules adopted by the secretary and necessary to implement this chapter for: (a) Delivery of mental health services; (b) licensed service providers for the provision of mental health services;

(c) residential services; and (d) community support services and resource management services.

(30) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department, by regional support networks and their staffs, and by treatment facilities. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department, regional support networks, or a treatment facility if the notes or records are not available to others.

(31) "Tribal authority," for the purposes of this section and RCW 71.24.300 only, means: The federally recognized Indian tribes and the major Indian organizations recognized by the secretary insofar as these organizations do not have a financial relationship with any regional support network that would present a conflict of interest.

Sec. 6. RCW 18.19.210 and 2008 c 135 s 9 are each amended to read as follows:

(1)(a) An applicant for registration as an agency affiliated counselor who applies to the department within seven days of employment by an agency may work as an agency affiliated counselor for up to sixty days while the application is processed. The applicant must stop working on the sixtieth day of employment if the registration has not been granted for any reason.

(b) The applicant may not provide unsupervised counseling prior to completion of a criminal background check performed by either the employer or the secretary. For purposes of this subsection, "unsupervised" means the supervisor is not physically present at the location where the counseling occurs.

(2) Agency affiliated counselors shall notify the department if they are either no longer employed by the agency identified on their application or are now employed with another agency, or both. Agency affiliated counselors may not engage in the practice of counseling unless they are currently affiliated with an agency.

NEW SECTION. Sec. 7. A new section is added to chapter 43.20A RCW to read as follows:

(1) By November 30, 2013, the department and the health care authority must report to the governor and the relevant fiscal and policy committees of the legislature, consistent with RCW 43.01.036, a plan that establishes a tribal-centric behavioral health system incorporating both mental health and chemical dependency services. The plan must assure that child, adult, and older adult American Indians and Alaskan Natives eligible for medicaid have increased access to culturally appropriate mental health and chemical dependency services. The plan must:

(a) Include implementation dates, major milestones, and fiscal estimates as needed;

(b) Emphasize the use of culturally appropriate evidence-based and promising practices;

(c) Address equitable access to crisis services, outpatient care, voluntary and involuntary hospitalization, and behavioral health care coordination;

(d) Identify statutory changes necessary to implement the tribal-centric behavioral health system; and

(e) Be developed with the department's Indian policy advisory committee and the American Indian health commission, in consultation with Washington's federally recognized tribes.

(2) The department shall enter into agreements with the tribes and urban Indian health programs and modify regional support network contracts as necessary to develop a tribal-centric behavioral health system that better serves the needs of the tribes.

2SSB 5794 Prime Sponsor, Committee on Ways & Means: Concerning alternative learning experience courses. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Education.

Strike everything after the enacting clause and insert the following:

"Sec. 1. 2011 1st sp.s. c 34 s 1 (uncodified) is amended to read as follows:

(1) Under Article IX of the Washington state Constitution, all children are entitled to an opportunity to receive a basic education. Although the state must assure that students in public schools have opportunities to participate in the instructional program of basic education, there is no obligation for either the state or school districts

to provide that instruction using a particular delivery method or through a particular program.

(2) The legislature finds ample evidence of the need to examine and reconsider policies under which alternative learning that occurs outside the classroom using an individual student learning plan may be considered equivalent to full-time attendance in school, including for funding purposes. Previous legislative studies have raised questions about financial practices and accountability in alternative learning experience ~~((programs))~~ courses. Since 2005, there has been significant enrollment growth in alternative learning experience online ~~((programs))~~ courses, with evidence of unexpected financial impact when large numbers of nonresident students enroll in ~~((programs))~~ courses. Based on this evidence, there is a rational basis on which to conclude that there are different costs associated with providing ~~((a program))~~ courses not primarily based on full-time, daily contact between teachers and students and not primarily occurring on-site in a classroom.

(3) For these reasons, the legislature intends to allow for continuing review and revision of the way in which state funding allocations are used to support alternative learning experience ~~((programs))~~ courses.

Sec. 2. RCW 28A.150.325 and 2011 1st sp.s. c 34 s 2 are each amended to read as follows:

(1) ~~((For purposes of this chapter,))~~ The definitions in this subsection apply throughout this chapter unless the context clearly requires otherwise.

(a) "Alternative learning experience ~~((program))~~ course" means a course ~~((or set of courses)),~~ or for grades kindergarten through eight grade-level coursework, that is a delivery method for the program of basic education and is:

~~((a))~~ (i) Provided in whole or in part independently from a regular classroom setting or schedule, but may include some components of direct instruction;

~~((b))~~ (ii) Supervised, monitored, assessed, evaluated, and documented by a certificated teacher employed by the school district or under contract as permitted by applicable rules; and

~~((c))~~ (iii) Provided in accordance with a written student learning plan that is implemented pursuant to the school district's policy and rules adopted by the superintendent of public instruction for alternative learning experiences.

(b) "In-person" means face-to-face instructional contact in a physical classroom environment.

(c) "Instructional contact time" means instructional time with a certificated teacher. Instructional contact time must be for the purposes of actual instruction, review of assignments, testing, evaluation of student progress, or other learning activities or requirements identified in the student's written student learning plan. Instructional contact time must be related to an alternative learning experience course identified in the student's written student learning plan. Instructional contact time may occur in a group setting between the teacher and multiple students and may be delivered either in-person or remotely using technology.

(d) "Online course" means an alternative learning experience course that has the same meaning as provided in RCW 28A.250.010.

(e) "Remote course" means an alternative learning experience course that is not an online course where the student has in-person instructional contact time for less than twenty percent of the total weekly time for the course. No minimum in-person instructional contact time is required.

(f) "Site-based course" means an alternative learning experience course where the student has in-person instructional contact time for at least twenty percent of the total weekly time for the course.

(g) "Total weekly time" means the estimated average hours per school week the student will engage in learning activities to meet the requirements of the written student learning plan.

(2) ~~((The broad categories of alternative learning experience programs include, but are not limited to:~~

(a) Online programs as defined in RCW 28A.150.262;

(b) Parent partnership programs that include significant participation and partnership by parents and families in the design and implementation of a student's learning experience; and

(c) Contract-based learning programs)) School districts may claim state funding under section 3 of this act, to the extent otherwise allowed by state law including the provisions of RCW 28A.250.060, for students enrolled in remote, site-based, or online alternative learning experience courses. High school courses must meet district or state graduation requirements and be offered for high school credit.

(3) School districts that offer alternative learning experience ~~((programs))~~ courses may not provide any compensation, reimbursement, gift, reward, or gratuity to any parents, guardians, or students for participation in the courses. School district employees are prohibited from receiving any compensation or payment as an incentive to increase student enrollment of out-of-district students in ~~((an))~~ alternative learning experience ~~((program))~~ courses. This prohibition includes, but is not limited to, providing funds to parents, guardians, or students for the purchase of educational materials, supplies, experiences, services, or technological equipment. A district may purchase educational materials, equipment, or other nonconsumable supplies for students' use in alternative learning experience ~~((programs))~~ courses if the purchase is consistent with the district's approved curriculum, conforms to applicable laws and rules, and is made in the same manner as such purchases are made for students in the district's regular instructional program. Items so purchased remain the property of the school district upon program completion. School districts may not purchase or contract for instructional or cocurricular experiences and services that are included in an alternative learning experience written student learning plan, including but not limited to lessons, trips, and other activities, unless substantially similar experiences and services are available to students enrolled in the district's regular instructional program. School districts that purchase or contract for such experiences and services for students enrolled in an alternative learning experience ~~((program))~~ course must submit an annual report to the office of the superintendent of public instruction detailing the costs and purposes of the expenditures. These requirements extend to contracted providers of alternative learning experience ~~((programs))~~ courses, and each district shall be responsible for monitoring the compliance of its providers with these requirements. However, nothing in this ~~((section))~~ subsection shall prohibit school districts from contracting with school district employees to provide services or experiences to students, or from contracting with online providers approved by the office of the superintendent of public instruction pursuant to chapter 28A.250 RCW.

(4) ~~((Part-time enrollment in alternative learning experiences is subject to the provisions of RCW 28A.150.350.~~

(5) The superintendent of public instruction shall adopt rules defining minimum requirements and accountability for alternative learning experience programs)) Each school district offering or contracting to offer alternative learning experience courses must:

(a) Report annually to the superintendent of public instruction regarding the course types and offerings, and number of students participating in each; and

(b) Document the district of residence for each student enrolled in an alternative learning experience course.

(5) A school district offering or contracting to offer an alternative learning experience course to a nonresident student must inform the resident school district if the student drops out of the course or is otherwise no longer enrolled.

(6) School districts must assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other

annual assessments required by the school district. Part-time students must also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not required to participate in the assessments required under chapter 28A.655 RCW. The rules must address how students who reside outside the geographic service area of the school district are to be assessed.

(7) Beginning with the 2013-14 school year, school districts must designate alternative learning experience courses as such when reporting course information to the office of the superintendent of public instruction under RCW 28A.300.500.

(8)(a) The superintendent of public instruction shall adopt rules necessary to implement this section.

(b) Rules adopted for weekly direct personal contact requirements and monthly progress evaluation must be flexible and reflect the needs of the student and the student's individual learning plan rather than specifying an amount of time. In addition, the rules must reduce documentation requirements, particularly for students making satisfactory progress, based on the unique aspects of the alternative learning experience course types defined in this section and taking into consideration the technical and system capabilities associated with the different course types.

(c) The rules must establish procedures that address how the counting of students must be coordinated by resident and nonresident districts for state funding so that no student is counted for more than one full-time equivalent in the aggregate.

NEW SECTION. Sec. 3. (1) The superintendent of public instruction shall separately calculate and allocate moneys appropriated under RCW 28A.150.260 to school districts for each full-time equivalent student enrolled in an alternative learning experience course that may be claimed for state funding under this section. The calculation shall be based on the estimated statewide annual average allocation per full-time equivalent student in grades nine through twelve in general education, excluding small high school enhancements, and including applicable rules and provisions of the omnibus appropriations act.

(2) School districts may claim state funding for students enrolled in alternative learning experience courses under RCW 28A.150.325 (as recodified by this act) and 28A.250.060 as follows:

(a) School districts may claim state funding for students who reside in the district.

(b) School districts may claim state funding for students who do not reside in the district only if any of the following conditions are met:

(i) All alternative learning experience courses identified in the student's written student learning plan are online courses;

(ii) The alternative learning experience course in which the student is enrolled is a site-based course;

(iii) At least ninety percent of the school district's total headcount number of students enrolled in alternative learning experience courses consists of students who reside in the district. The calculation under this subsection (b)(iii) of the total headcount of students enrolled in alternative learning experience courses must exclude any students claimed under (b)(i) or (ii) of this subsection; or

(iv) The student resides in an adjacent school district.

Sec. 4. RCW 28A.250.010 and 2011 1st sp.s. c 34 s 5 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) "Multidistrict online provider" means:

(i) A private or nonprofit organization that enters into a contract with a school district to provide online courses or programs to K-12 students from more than one school district;

(ii) A private or nonprofit organization that enters into contracts with multiple school districts to provide online courses or programs to K-12 students from those districts; or

(iii) Except as provided in (b) of this subsection, a school district that provides online courses or programs to students who reside outside the geographic boundaries of the school district.

"Multidistrict online provider" also does not include regional online learning programs that are jointly developed and implemented by two or more school districts or an educational service district through an interdistrict cooperative program agreement that addresses, at minimum, how the districts share student full-time equivalency for state basic education funding purposes and how categorical education programs, including special education, are provided to eligible students.

(2)(a) "Online course" means a course or grade-level coursework where:

(i) More than half of the course content is delivered electronically using the internet or other computer-based methods; ~~(and)~~

(ii) More than half of the teaching is conducted from a remote location through an online course learning management system or other online or electronic tools;

(iii) A certificated teacher has the primary responsibility for the student's instructional interaction. (b) "Online school program" means a school program that(:

(i) Offers courses or grade-level coursework that is delivered primarily electronically using the internet or other computer-based methods;

(iii) offers a sequential set of online courses or grade-level coursework that may be taken in a single school term or throughout the school year in a manner that could provide a full-time basic education program if so desired by the student. Students may enroll in the program as part-time or full-time students(; and

(iv) Has an online component of the program with online lessons and tools for student and data management)).

(c) An online course or online school program may be delivered to students at school as part of the regularly scheduled school day. (1) The superintendent of public instruction, in collaboration with the state board of education, shall develop and implement approval criteria and a process for approving online providers; a process for monitoring and if necessary rescinding the approval of courses or programs offered by an online provider; and an appeals process. The

criteria and processes for multidistrict online providers shall be adopted by rule by December 1, 2009.

(2) When developing the approval criteria, the superintendent of public instruction shall require that providers offering online courses or programs have accreditation, or are candidates for accreditation, through the Northwest accreditation commission or another national, regional, or state accreditation program listed by the office of the superintendent of public instruction (~~(after consultation with the Washington coalition for online learning)~~). In addition to other criteria, the approval criteria shall include the degree of alignment with state academic standards and require that all teachers be certificated in accordance with Washington state law. When reviewing online providers that offer high school courses, the superintendent of public instruction shall assure that the courses offered by the provider are eligible for high school credit. However, final decisions regarding whether credit meets the school district's graduation requirements shall remain the responsibility of the school districts.

(3) Initial approval of online providers by the superintendent of public instruction shall be for four years. The superintendent of public instruction shall develop a process for the renewal of approvals and for rescinding approvals based on noncompliance with approval requirements. Any multidistrict online provider that was approved by the digital learning commons or accredited by the Northwest association of accredited schools before July 26, 2009, and that meets the teacher certification requirements of subsection (2) of this section, is exempt from the initial approval process under this section until August 31, 2012, but must comply with the process for renewal of approvals and must comply with approval requirements.

(4) The superintendent of public instruction shall make the first round of decisions regarding approval of multidistrict online providers by April 1, 2010. The first round of decisions regarding approval of online providers that are not multidistrict online providers shall be made by April 1, 2013. Thereafter, the superintendent of public instruction shall make annual approval decisions no later than November 1st of each year.

The committee shall include a representative of each of the following groups: Private and public online providers, parents of online students, accreditation organizations, educational service districts, school principals, teachers, school administrators, school board members, institutions of higher education, and other individuals as determined by the superintendent. Members of the advisory committee shall be selected by the superintendent based on nominations from statewide organizations, shall serve three-year terms, and may be reappointed. The superintendent shall select the chair of the committee.

Sec. 6. RCW 28A.250.050 and 2011 1st sp.s. c 34 s 11 are each amended to read as follows:

(1) By August 31, 2010, all school district boards of directors shall develop policies and procedures regarding student access to online courses and online learning programs. The policies and procedures shall include but not be limited to: Student eligibility criteria; the types of online courses available to students through the school district; the methods districts will use to support student success, which may include a local advisor; when the school district will and will not pay course fees and other costs; the granting of high school credit; and a process for students and parents or guardians to formally acknowledge any course taken for which no credit is given. The policies and procedures shall take effect beginning with the 2010-11 school year. School districts shall submit their policies to the superintendent of public instruction by September 15, 2010. By December 1, 2010, the superintendent of public instruction shall

summarize the school district policies regarding student access to online courses and submit a report to the legislature.

(2) School districts must award credit and grades for online high school courses successfully completed by a student that meet the school district's graduation requirements and are provided by an approved online provider.

(3) School districts shall provide students with information regarding online courses that are available through the school district. The information shall include the types of information described in subsection (1) of this section.

(4) When developing local or regional online learning programs, school districts shall incorporate into the program design the approval criteria developed by the superintendent of public instruction under RCW 28A.250.020.

Sec. 7. RCW 28A.250.060 and 2011 1st sp.s. c 34 s 8 are each amended to read as follows:

(1) Beginning with the 2011-12 school year, school districts may claim state funding under (~~(RCW 28A.150.260)~~) section 3 of this act, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are:

(a) Offered by a multidistrict online provider approved under RCW 28A.250.020 by the superintendent of public instruction;

(b) Offered by a school district online learning program if the program serves students who reside within the geographic boundaries of the school district, including school district programs in which fewer than ten percent of the program's students reside outside the school district's geographic boundaries; or

(c) Offered by a regional online learning program where courses are jointly developed and offered by two or more school districts or an educational service district through an interdistrict cooperative program agreement.

(2) Beginning with the 2013-14 school year, school districts may claim state funding under (~~(RCW 28A.150.260)~~) section 3 of this act, to the extent otherwise allowed by state law, for students enrolled in online courses or programs only if the online courses or programs are offered by an online provider approved under RCW 28A.250.020 by the superintendent of public instruction.

(3) Criteria shall be established by the superintendent of public instruction to allow online courses that have not been approved by the superintendent of public instruction to be eligible for state funding if the course is in a subject matter in which no courses have been approved and, if it is a high school course, the course meets Washington high school graduation requirements.

Sec. 8. RCW 28A.250.070 and 2009 c 542 s 8 are each amended to read as follows:

Nothing in this chapter is intended to diminish the rights of students to attend a nonresident school district in accordance with RCW 28A.225.220 through 28A.225.230 for the purposes of enrolling in online courses or online school programs. The office of online learning under RCW 28A.250.030 shall develop a standard form, which must be used by all school districts, for releasing a student to a nonresident school district for the purposes of enrolling in an online course or online school program.

NEW SECTION. Sec. 9. A new section is added to chapter 28A.250 RCW to read as follows:

An online school program may request a waiver from the office of the superintendent of public instruction to administer one or more sections of the statewide student assessment for grades three through eight for some or all students enrolled in the program on alternate days or on an alternate schedule, as long as the administration is within the testing period established by the office. The office may deny a request for a waiver if the online school program's proposal does not maintain adequate test security or would reduce the reliability of the assessment results by providing an inequitable advantage for some students.

Sec. 10. RCW 28A.225.220 and 1995 c 335 s 602 and 1995 c 52 s 2 are each reenacted and amended to read as follows:

(1) Any board of directors may make agreements with adults choosing to attend school, and may charge the adults reasonable tuition.

(2) A district is strongly encouraged to honor the request of a parent or guardian for his or her child to attend a school in another district or the request of a parent or guardian for his or her child to transfer as a student receiving home-based instruction.

(3) A district shall release a student to a nonresident district that agrees to accept the student if:

(a) A financial, educational, safety, or health condition affecting the student would likely be reasonably improved as a result of the transfer; or

(b) Attendance at the school in the nonresident district is more accessible to the parent's place of work or to the location of child care; or

(c) There is a special hardship or detrimental condition; or

(d) The purpose of the transfer is for the student to enroll in an online course or online school program offered by an online provider approved under RCW 28A.250.020.

(4) A district may deny the request of a resident student to transfer to a nonresident district if the release of the student would adversely affect the district's existing desegregation plan.

(5) For the purpose of helping a district assess the quality of its education program, a resident school district may request an optional exit interview or questionnaire with the parents or guardians of a child transferring to another district. No parent or guardian may be forced to attend such an interview or complete the questionnaire.

(6) Beginning with the 1993-94 school year, school districts may not charge transfer fees or tuition for nonresident students enrolled under subsection (3) of this section and RCW 28A.225.225. Reimbursement of a high school district for cost of educating high school pupils of a nonhigh school district shall not be deemed a transfer fee as affecting the apportionment of current state school funds.

Sec. 11. RCW 28A.225.225 and 2009 c 380 s 7 are each amended to read as follows:

(1) Except for students who reside out-of-state and students under RCW 28A.225.217, a district shall accept applications from nonresident students who are the children of full-time certificated and classified school employees, and those children shall be permitted to enroll:

(a) At the school to which the employee is assigned;

(b) At a school forming the district's K through 12 continuum which includes the school to which the employee is assigned; or

(c) At a school in the district that provides early intervention services pursuant to RCW 28A.155.065 or preschool services pursuant to RCW 28A.155.070, if the student is eligible for such services.

(2) A district may reject applications under this section if:

(a) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership;

(b) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (2)(b) must apply uniformly to both resident and nonresident applicants; ~~((or))~~

(c) Enrollment of a child under this section would displace a child who is a resident of the district, except that if a child is admitted under subsection (1) of this section, that child shall be permitted to remain enrolled at that school, or in that district's kindergarten through twelfth grade continuum, until he or she has completed his or her schooling; or

(d) The student has repeatedly failed to comply with requirements

for participation in an online school program, such as participating in weekly direct contact with the teacher or monthly progress evaluations.

(3) Except as provided in subsection (1) of this section, all districts accepting applications from nonresident students or from students receiving home-based instruction for admission to the district's schools shall consider equally all applications received. Each school district shall adopt a policy establishing rational, fair, and equitable standards for acceptance and rejection of applications by June 30, 1990. The policy may include rejection of a nonresident student if:

(a) Acceptance of a nonresident student would result in the district experiencing a financial hardship;

(b) The student's disciplinary records indicate a history of convictions for offenses or crimes, violent or disruptive behavior, or gang membership; or

(c) The student has been expelled or suspended from a public school for more than ten consecutive days. Any policy allowing for readmission of expelled or suspended students under this subsection (3)(c) must apply uniformly to both resident and nonresident applicants.

For purposes of subsections (2)(a) and (3)(b) of this section, "gang" means a group which: (i) Consists of three or more persons; (ii) has identifiable leadership; and (iii) on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

(4) The district shall provide to applicants written notification of the approval or denial of the application in a timely manner. If the application is rejected, the notification shall include the reason or reasons for denial and the right to appeal under RCW 28A.225.230(3).

Sec. 12. RCW 28A.150.100 and 2011 1st sp.s. c 34 s 10 are each amended to read as follows:

(1) For the purposes of this section and RCW 28A.150.410 and 28A.400.200, "basic education certificated instructional staff" means all full-time equivalent classroom teachers, teacher librarians, guidance counselors, certificated student health services staff, and other certificated instructional staff in the following programs as defined for statewide school district accounting purposes: Basic education, secondary vocational education, general instructional support, and general supportive services.

(2) Each school district shall maintain a ratio of at least forty-six basic education certificated instructional staff to one thousand annual average full-time equivalent students. This requirement does not apply to that portion of a district's annual average full-time equivalent enrollment that is enrolled in alternative learning experience ~~((programs))~~ courses as defined in RCW 28A.150.325 (as recodified by this act).

Sec. 13. RCW 28A.525.162 and 2012 c 244 s 2 are each amended to read as follows:

(1) Funds appropriated to the superintendent of public instruction from the common school construction fund shall be allotted by the superintendent of public instruction in accordance with this chapter.

(2) No allotment shall be made to a school district until such district has provided local funds equal to or greater than the difference between the total approved project cost and the amount of state funding assistance to the district for financing the project computed pursuant to RCW 28A.525.166, with the following exceptions:

(a) The superintendent of public instruction may waive the local requirement for state funding assistance for districts which have provided funds for school building construction purposes through the authorization of bonds or through the authorization of excess tax levies or both in an amount equivalent to two and one-half percent of the value of its taxable property, as defined in RCW 39.36.015.

(b) No such local funds shall be required as a condition to the allotment of funds from the state for the purpose of making major or minor structural changes to existing school facilities in order to bring

such facilities into compliance with the barrier free access requirements of section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 706) and rules implementing the act.

(3) For the purpose of computing the state funding assistance percentage under RCW 28A.525.166 when a school district is granted authority to enter into contracts, adjusted valuation per pupil shall be calculated using headcount student enrollments from the most recent October enrollment reports submitted by districts to the superintendent of public instruction, adjusted as follows:

(a) In the case of projects for which local bonds were approved after May 11, 1989:

(i) For districts which have been designated as serving high school districts under RCW 28A.540.110, students residing in the nonhigh district so designating shall be excluded from the enrollment count if the student is enrolled in any grade level not offered by the nonhigh district;

(ii) The enrollment of nonhigh school districts shall be increased by the number of students residing within the district who are enrolled in a serving high school district so designated by the nonhigh school district under RCW 28A.540.110, including only students who are enrolled in grade levels not offered by the nonhigh school district; and

(iii) The number of preschool students with disabilities included in the enrollment count shall be multiplied by one-half;

(b) In the case of construction or modernization of high school facilities in districts serving students from nonhigh school districts, the adjusted valuation per pupil shall be computed using the combined adjusted valuations and enrollments of each district, each weighted by the percentage of the district's resident high school students served by the high school district;

(c) The number of kindergarten students included in the enrollment count shall be counted as one headcount student; and

(d) The number of students residing outside the school district who are enrolled in alternative learning experience (~~(programs)~~ courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the total.

(4) In lieu of the exclusion in subsection (3)(d) of this section, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience (~~(programs)~~ courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a regular duration by out-of-district alternative learning experience (~~(program)~~ students subtracted by the headcount of in-district alternative learning experience (~~(program)~~ students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction. The office of the superintendent of public instruction must develop rules to define "regular basis" and "reasonable duration."

(5) The superintendent of public instruction, considering policy recommendations from the school facilities citizen advisory panel, shall prescribe such rules as are necessary to equate insofar as possible the efforts made by school districts to provide capital funds by the means aforesaid.

(6) For the purposes of this section, "preschool students with disabilities" means children of preschool age who have developmental disabilities who are entitled to services under RCW 28A.155.010 through 28A.155.100 and are not included in the kindergarten enrollment count of the district.

Sec. 14. RCW 28A.525.166 and 2012 c 244 s 3 are each amended to read as follows:

Allocations to school districts of state funds provided by RCW 28A.525.162 through 28A.525.180 shall be made by the superintendent of public instruction and the amount of state funding assistance to a school district in financing a school plant project shall be determined in the following manner:

(1) The boards of directors of the districts shall determine the total cost of the proposed project, which cost may include the cost of acquiring and preparing the site, the cost of constructing the building or of acquiring a building and preparing the same for school use, the cost of necessary equipment, taxes chargeable to the project, necessary architects' fees, and a reasonable amount for contingencies and for other necessary incidental expenses: PROVIDED, That the total cost of the project shall be subject to review and approval by the superintendent.

(2) The state funding assistance percentage for a school district shall be computed by the following formula:

The ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil shall be subtracted from three, and then the result of the foregoing shall be divided by three plus (the ratio of the school district's adjusted valuation per pupil divided by the ratio of the total state adjusted valuation per pupil).

	3-valuation	÷	District adjusted adjusted valuation	Total state		
Computed				per pupil	per	
State	=		State			
Ratio	3+valuation	÷	District adjusted adjusted valuation	Total state	per pupil	per pupil
					=-	% Funding

PROVIDED, That in the event the state funding assistance percentage to any school district based on the above formula is less than twenty percent and such school district is otherwise eligible for state funding assistance under RCW 28A.525.162 through 28A.525.180, the superintendent may establish for such district a state funding assistance percentage not in excess of twenty percent of the approved cost of the project, if the superintendent finds that such additional assistance is necessary to provide minimum facilities for housing the pupils of the district.

(3) In addition to the computed state funding assistance percentage developed in subsection (2) of this section, a school district shall be entitled to additional percentage points determined by the average percentage of growth for the past three years. One percent shall be added to the computed state funding assistance percentage for each percent of growth, with a maximum of twenty percent.

(4) In computing the state funding assistance percentage in subsection (2) of this section and adjusting the percentage under subsection (3) of this section, students residing outside the school district who are enrolled in alternative learning experience (~~(programs)~~ courses under RCW 28A.150.325 (as recodified by this act) shall be excluded from the count of total pupils. In lieu of the exclusion in this subsection, a district may submit an alternative calculation for excluding students enrolled in alternative learning experience (~~(programs)~~ courses. The alternative calculation must show the student headcount use of district classroom facilities on a regular basis for a reasonable duration by out-of-district alternative learning experience (~~(program)~~ students subtracted by the headcount of in-district alternative learning experience (~~(program)~~ students not using district classroom facilities on a regular basis for a reasonable duration. The alternative calculation must be submitted in a form approved by the office of the superintendent of public instruction. The office of the superintendent of public instruction must develop rules to define "regular basis" and "reasonable duration."

(5) The approved cost of the project determined in the manner prescribed in this section multiplied by the state funding assistance percentage derived as provided for in this section shall be the amount of state funding assistance to the district for the financing of the

project: PROVIDED, That need therefor has been established to the satisfaction of the superintendent: PROVIDED, FURTHER, That additional state funding assistance may be allowed if it is found by the superintendent, considering policy recommendations from the school facilities citizen advisory panel that such assistance is necessary in order to meet (a) a school housing emergency resulting from the destruction of a school building by fire, the condemnation of a school building by properly constituted authorities, a sudden excessive and clearly foreseeable future increase in school population, or other conditions similarly emergent in nature; or (b) a special school housing burden resulting from projects of statewide significance or imposed by virtue of the admission of nonresident students into educational programs established, maintained and operated in conformity with the requirements of law; or (c) a deficiency in the capital funds of the district resulting from financing, subsequent to April 1, 1969, and without benefit of the state funding assistance provided by prior state assistance programs, the construction of a needed school building project or projects approved in conformity with the requirements of such programs, after having first applied for and been denied state funding assistance because of the inadequacy of state funds available for the purpose, or (d) a condition created by the fact that an excessive number of students live in state owned housing, or (e) a need for the construction of a school building to provide for improved school district organization or racial balance, or (f) conditions similar to those defined under (a), (b), (c), (d), and (e) of this subsection, creating a like emergency.

MESSAGE FROM THE SENATE

April 24, 2013

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1723 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.215 RCW to read as follows:

The legislature finds that the first five years of a child's life establish the foundation for educational success. The legislature also finds that children who have high quality early learning opportunities from birth through age five are more likely to succeed throughout their K-12 education and beyond. The legislature further finds that the benefits of high quality early learning experiences are particularly significant for low-income parents and children, and provide an opportunity to narrow the opportunity gap in Washington's K-12 educational system. The legislature understands that early supports for high-risk parents of young children through home visiting services show a high return on investment due to significantly improved chances of better education, health, and life outcomes for children. The legislature further recognizes that, when parents work or go to school, high quality and full-day early learning opportunities should be available and accessible for their children. In order to improve

education outcomes, particularly for low-income children, the legislature is committed to expanding high quality early learning opportunities and integrating currently disparate funding streams for all birth-to-five early learning services including, working connections child care and the early childhood education and assistance program, into a single high quality continuum of learning that provides essential services to low-income families and prepares all enrolled children for success in school. The legislature therefore intends to establish the early start program to provide a continuum of high quality and accountable early learning opportunities for Washington's parents and children.

Sec. 2. RCW 28A.150.220 and 2011 1st sp.s. c 27 s 1 are each amended to read as follows:

(1) In order for students to have the opportunity to develop the basic education knowledge and skills under RCW 28A.150.210, school districts must provide instruction of sufficient quantity and quality and give students the opportunity to complete graduation requirements that are intended to prepare them for postsecondary education, gainful employment, and citizenship. The program established under this section shall be the minimum instructional program of basic education offered by school districts.

(2) Each school district shall make available to students the following minimum instructional offering each school year:

(a) For students enrolled in grades one through twelve, at least a district-wide annual average of one thousand hours, which shall be increased to at least one thousand eighty instructional hours for students enrolled in each of grades seven through twelve and at least one thousand instructional hours for students in each of grades one through six according to an implementation schedule adopted by the legislature, but not before the 2014-15 school year; and

(b) For students enrolled in kindergarten, at least four hundred fifty instructional hours, which shall be increased to at least one thousand instructional hours according to the implementation schedule under RCW 28A.150.315.

(3) The instructional program of basic education provided by each school district shall include:

(a) Instruction in the essential academic learning requirements under RCW 28A.655.070;

(b) Instruction that provides students the opportunity to complete twenty-four credits for high school graduation, subject to a phased-in implementation of the twenty-four credits as established by the legislature. Course distribution requirements may be established by the state board of education under RCW 28A.230.090;

(c) If the essential academic learning requirements include a requirement of languages other than English, the requirement may be met by students receiving instruction in one or more American Indian languages;

(d) Supplemental instruction and services for underachieving students through the learning assistance program under RCW 28A.165.005 through 28A.165.065;

(e) Supplemental instruction and services for eligible and enrolled students whose primary language is other than English through the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080;

(f) The opportunity for an appropriate education at public expense as defined by RCW 28A.155.020 for all eligible students with disabilities as defined in RCW 28A.155.020; and

(g) Programs for highly capable students under RCW 28A.185.010 through 28A.185.030.

(4) Nothing contained in this section shall be construed to require individual students to attend school for any particular number of hours per day or to take any particular courses.

(5) Each school district's kindergarten through twelfth grade basic educational program shall be accessible to all students who are five years of age, as provided by RCW 28A.225.160, and less than twenty-one years of age and shall consist of a minimum of one

hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten, to be increased to a minimum of one hundred eighty school days per school year according to the implementation schedule under RCW 28A.150.315. However, schools administering the Washington kindergarten inventory of developing skills may use up to three school days at the beginning of the school year to meet with parents and families as required in the parent involvement component of the inventory. In addition, effective May 1, 1979, a school district may schedule the last five school days of the one hundred and eighty day school year for noninstructional purposes in the case of students who are graduating from high school, including, but not limited to, the observance of graduation and early release from school upon the request of a student, and all such students may be claimed as a full-time equivalent student to the extent they could otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260.

(6) Nothing in this section precludes a school district from enriching the instructional program of basic education, such as offering additional instruction or providing additional services, programs, or activities that the school district determines to be appropriate for the education of the school district's students.

(7) The state board of education shall adopt rules to implement and ensure compliance with the program requirements imposed by this section, RCW 28A.150.250 and 28A.150.260, and such related supplemental program approval requirements as the state board may establish.

SENATE BILL NO. 5510, by Senators Becker, Keiser, Kohl-Welles, McAuliffe and Conway

Concerning the abuse of vulnerable adults.

The bill was read the second time.

Representative Pedersen moved the adoption of amendment (479).

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.34.020 and 2012 c 10 s 62 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the willful action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. Abuse includes sexual abuse, mental abuse, physical abuse, and exploitation of a vulnerable adult, which have the following meanings:

(a) "Sexual abuse" means any form of nonconsensual sexual contact, including but not limited to unwanted or inappropriate touching, rape, sodomy, sexual coercion, sexually explicit photographing, and sexual harassment. Sexual abuse includes any sexual contact between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or

receiving service from a program authorized under chapter 71A.12 RCW, whether or not it is consensual.

(b) "Physical abuse" means the willful action of inflicting bodily injury or physical mistreatment. Physical abuse includes, but is not limited to, striking with or without an object, slapping, pinching, choking, kicking, shoving, prodding, or the use of chemical restraints or physical restraints unless the restraints are consistent with licensing requirements, and includes restraints that are otherwise being used inappropriately.

(c) "Mental abuse" means any willful action or inaction of mental or verbal abuse. Mental abuse includes, but is not limited to, coercion, harassment, inappropriately isolating a vulnerable adult from family, friends, or regular activity, and verbal assault that includes ridiculing, intimidating, yelling, or swearing.

(d) "Exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(3) "Consent" means express written consent granted after the vulnerable adult or his or her legal representative has been fully informed of the nature of the services to be offered and that the receipt of services is voluntary.

(4) "Department" means the department of social and health services.

(5) "Facility" means a residence licensed or required to be licensed under chapter 18.20 RCW, assisted living facilities; chapter 18.51 RCW, nursing homes; chapter 70.128 RCW, adult family homes; chapter 72.36 RCW, soldiers' homes; or chapter 71A.20 RCW, residential habilitation centers; or any other facility licensed or certified by the department.

(6) "Financial exploitation" means the illegal or improper use, control over, or withholding of the property, income, resources, or trust funds of the vulnerable adult by any person or entity for any person's or entity's profit or advantage other than for the vulnerable adult's profit or advantage. "Financial exploitation" includes, but is not limited to:

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(b) The breach of a fiduciary duty, including, but not limited to, the misuse of a power of attorney, trust, or a guardianship appointment, that results in the unauthorized appropriation, sale, or transfer of the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult; or

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.

(7) "Financial institution" has the same meaning as in RCW 30.22.040 and 30.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(8) "Incapacitated person" means a person who is at a significant risk of personal or financial harm under RCW 11.88.010(1) (a), (b), (c), or (d).

(9) "Individual provider" means a person under contract with the department to provide services in the home under chapter 74.09 or 74.39A RCW.

(10) "Interested person" means a person who demonstrates to the court's satisfaction that the person is interested in the welfare of the vulnerable adult, that the person has a good faith belief that the court's

intervention is necessary, and that the vulnerable adult is unable, due to incapacity, undue influence, or duress at the time the petition is filed, to protect his or her own interests.

(11) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or health care provider subject to chapter 18.130 RCW.

(12) "Neglect" means (a) a pattern of conduct or inaction by a person or entity with a duty of care that fails to provide the goods and services that maintain physical or mental health of a vulnerable adult, or that fails to avoid or prevent physical or mental harm or pain to a vulnerable adult; or (b) an act or omission by a person or entity with a duty of care that demonstrates a serious disregard of consequences of such a magnitude as to constitute a clear and present danger to the vulnerable adult's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100.

(13) "Permissive reporter" means any person, including, but not limited to, an employee of a financial institution, attorney, or volunteer in a facility or program providing services for vulnerable adults.

(14) "Protective services" means any services provided by the department to a vulnerable adult with the consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

(15) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(16) "Social worker" means:

(a) A social worker as defined in RCW 18.320.010(2); or

(b) Anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of vulnerable adults, or providing social services to vulnerable adults, whether in an individual capacity or as an employee or agent of any public or private organization or institution.

(17) "Vulnerable adult" includes a person:

(a) Sixty years of age or older who has the functional, mental, or physical inability to care for himself or herself; or

(b) Found incapacitated under chapter 11.88 RCW; or

(c) Who has a developmental disability as defined under RCW 71A.10.020; or

(d) Admitted to any facility; or

(e) Receiving services from home health, hospice, or home care agencies licensed or required to be licensed under chapter 70.127 RCW; or

(f) Receiving services from an individual provider; or

(g) Who self-directs his or her own care and receives services from a personal aide under chapter 74.39 RCW.

Sec. 2. RCW 74.34.035 and 2010 c 133 s 4 are each amended to read as follows:

(1) When there is reasonable cause to believe that abandonment, abuse, financial exploitation, or neglect of a vulnerable adult has occurred, mandated reporters shall immediately report to the department.

(2) When there is reason to suspect that sexual assault has occurred, mandated reporters shall immediately report to the appropriate law enforcement agency and to the department.

(3) When there is reason to suspect that physical assault has occurred or there is reasonable cause to believe that an act has caused fear of imminent harm:

(a) Mandated reporters shall immediately report to the department; and

(b) Mandated reporters shall immediately report to the appropriate law enforcement agency, except as provided in subsection (4) of this section.

(4) A mandated reporter is not required to report to a law enforcement agency, unless requested by the injured vulnerable adult or his or her legal representative or family member, an incident of physical assault between vulnerable adults that causes minor bodily injury and does not require more than basic first aid, unless:

(a) The injury appears on the back, face, head, neck, chest, breasts, groin, inner thigh, buttock, genital, or anal area;

(b) There is a fracture;

(c) There is a pattern of physical assault between the same vulnerable adults or involving the same vulnerable adults; or

(d) There is an attempt to choke a vulnerable adult.

(5) When there is reason to suspect that the death of a vulnerable adult was caused by abuse, neglect, or abandonment by another person, mandated reporters shall, pursuant to RCW 68.50.020, report the death to the medical examiner or coroner having jurisdiction, as well as the department and local law enforcement, in the most expeditious manner possible. A mandated reporter is not relieved from the reporting requirement provisions of this subsection by the existence of a previously signed death certificate. If abuse, neglect, or abandonment caused or contributed to the death of a vulnerable adult, the death is a death caused by unnatural or unlawful means, and the body shall be the jurisdiction of the coroner or medical examiner pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law enforcement agency when there is reasonable cause to believe that a vulnerable adult is being or has been abandoned, abused, financially exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or required to be licensed under chapter 70.127 RCW, or facility or agency under contract with the department to provide care for vulnerable adults may develop policies or procedures that interfere with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible of the following information:

(a) The name and address of the person making the report;

(b) The name and address of the vulnerable adult and the name of the facility or agency providing care for the vulnerable adult;

(c) The name and address of the legal guardian or alternate decision maker;

(d) The nature and extent of the abandonment, abuse, financial exploitation, neglect, or self-neglect;

(e) Any history of previous abandonment, abuse, financial exploitation, neglect, or self-neglect;

(f) The identity of the alleged perpetrator, if known; and

(g) Other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect, or the cause of death of the deceased vulnerable adult.

(9) Unless there is a judicial proceeding or the person consents, the identity of the person making the report under this section is confidential.

(10) In conducting an investigation of abandonment, abuse, financial exploitation, self-neglect, or neglect, the department or law enforcement, upon request, must have access to all relevant records related to the vulnerable adult that are in the possession of mandated reporters and their employees, unless otherwise prohibited by law.

Records maintained under RCW 4.24.250, 18.20.390, 43.70.510, 70.41.200, 70.230.080, and 74.42.640 shall not be subject to the requirements of this subsection. Providing access to records relevant to an investigation by the department or law enforcement under this provision may not be deemed a violation of any confidential communication privilege. Access to any records that would violate attorney-client privilege shall not be provided without a court order unless otherwise required by court rule or caselaw.

Sec. 3. RCW 74.34.067 and 2011 c 170 s 2 are each amended to read as follows:

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter or submit a report under this chapter; (b) consultants designated by the department; and (c) designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department has reason to believe that the vulnerable adult has suffered from abandonment, abuse, financial exploitation, neglect, or self-neglect, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW.

(6) For purposes consistent with this chapter, the department, the certified professional guardian board, and the office of public guardianship may share information contained in reports and investigations of the abuse, abandonment, neglect, self-neglect, and financial exploitation of vulnerable adults. This information may be used solely for (a) recruiting or appointing appropriate guardians and (b) monitoring, or when appropriate, disciplining certified professional or public guardians. Reports of abuse, abandonment, neglect, self-neglect, and financial exploitation are confidential under RCW 74.34.095 and other laws, and secondary disclosure of information shared under this section is prohibited.

~~(7)~~ (7) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

~~((7))~~ (8) The department's adult protective services division may enter into agreements with federally recognized tribes to investigate reports of abandonment, abuse, financial exploitation, neglect, or self-neglect of vulnerable adults on property over which a federally recognized tribe has exclusive jurisdiction. If the department has information that abandonment, abuse, financial exploitation, or neglect is criminal or is placing a vulnerable adult on tribal property at potential risk of personal or financial harm, the department may notify tribal law enforcement or another tribal representative specified by the tribe. Upon receipt of the notification, the tribe may assume

jurisdiction of the matter. Neither the department nor its employees may participate in the investigation after the tribe assumes jurisdiction. The department, its officers, and its employees are not liable for any action or inaction of the tribe or for any harm to the alleged victim, the person against whom the allegations were made, or other parties that occurs after the tribe assumes jurisdiction. Nothing in this section limits the department's jurisdiction and authority over facilities or entities that the department licenses or certifies under federal or state law.

((8)) (9) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

((9)) (10) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants."

There being no objection, the House reverted to the sixth order of business.

SECOND READING

SUBSTITUTE SENATE BILL NO. 5705, by Senate Committee on Governmental Operations (originally sponsored by Senators Brown, King and Hatfield)

Concerning amounts received by taxing districts from property tax refunds and abatements.

The bill was read the second time.

Representative Carlyle moved the adoption of amendment (484).

On page 2, after line 3, insert the following:

"**NEW SECTION. Sec. 2.** The legislature finds that it is difficult for many property owners to pay property taxes under the current system where past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may provide some relief for property owners with delinquent tax payments.

Sec. 3. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, shall be delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of"

County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax is due and payable on or before the thirty-first day of October following and shall be delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the full year amount of tax unpaid from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of payment of the tax, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(c) If a taxpayer is successfully participating in a payment agreement under subsection (11)(b) of this section, the county treasurer may not assess additional penalties on delinquent taxes that are included within the payment agreement. Interest and penalties that have been assessed prior to the payment agreement remain due and payable as provided in the payment agreement.

(6)(a) When real property taxes become delinquent and prior to the filing of the certificate of delinquency, the treasurer is authorized to assess and collect tax foreclosure avoidance costs.

(b) For the purposes of this section, "tax foreclosure avoidance costs" means those costs that can be identified specifically with the administration of properties subject to and prior to foreclosure. Tax foreclosure avoidance costs include:

(i) Compensation of employees for the time devoted and identified specifically to administering the avoidance of property foreclosure; and

(ii) The cost of materials, services, or equipment acquired, consumed, or expended specifically for the purpose of administering tax foreclosure avoidance prior to the filing of a certificate of delinquency.

(c) When tax foreclosure avoidance costs are collected, the tax foreclosure avoidance costs must be credited to the county treasurer service fund account, except as otherwise directed.

(d) For purposes of chapter 84.64 RCW, any taxes, interest, or penalties deemed delinquent under this section remain delinquent until such time as all taxes, interest, and penalties for the tax year in which the taxes were first due and payable have been paid in full.

(7) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict on delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

~~((7))~~ (8) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at

the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

~~((8))~~ (9) For purposes of this chapter, "interest" means both interest and penalties.

~~((9))~~ (10) All collections of interest on delinquent taxes must be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

~~((10))~~ (11)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic bill presentment and payment. Electronic bill presentment and payment may be utilized as an option by the taxpayer, but the treasurer may not require the use of electronic bill presentment and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for ~~((prepayments))~~ delinquent tax year payments only or for prepayments of current tax. All prepayments must be paid in full by the due date specified in (c) of this subsection. Payments on past due taxes must include collection of the oldest delinquent year, which includes interest and taxes within a twelve-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

(b) The treasurer must provide, by electronic means or otherwise, a payment agreement that ~~((may include prepayment collection charges. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic bill))~~ provides for payment of current year taxes, inclusive of prepayment collection charges. The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies, which must also require current year taxes to be paid timely. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. (2) The treasurer (~~(shall)~~) must give notice by mail to all persons charged with personal property taxes, and if such taxes are not paid before they become delinquent, the treasurer (~~(shall forthwith proceed to collect the same)~~) must commence delinquent collection efforts. A delinquent collection charge for costs incurred by the treasurer may be added to the account.

(3) In the event that (~~(he or she)~~) the treasurer is unable to collect the (~~(same)~~) taxes when due under this section, the treasurer (~~(shall)~~) must prepare papers in distraint, which (~~(shall)~~) must contain a description of the personal property, the amount of taxes, the amount of the accrued interest at the rate provided by law from the date of delinquency, and the name of the owner or reputed owner.

(a) The treasurer (~~(shall)~~) must without demand or notice distraint sufficient goods and chattels belonging to the person charged with such taxes to pay the same, with interest at the rate provided by law from the date of delinquency, together with all accruing costs, and (~~(shall)~~) must proceed to advertise the same by posting written notices in three public places in the county in which such property has been distrained, one of which places (~~(shall)~~) must be at the county courthouse, such notice to state the time when and place where such property will be sold.

(b) The county treasurer, or the treasurer's deputy, (~~(shall)~~) must tax the same fees for making the distraint and sale of goods and chattels for the payment of taxes as are allowed by law to sheriffs for making levy and sale of property on execution; traveling fees to be computed from the county seat of the county to the place of making distraint.

(c) If the taxes for which such property is distrained, and the interest and costs accruing thereon, are not paid before the date appointed for such sale, which (~~(shall be)~~) may not be less than ten days after the taking of such property, such treasurer or treasurer's designee (~~(shall)~~) must proceed to sell such property at public auction, or so much thereof as (~~(shall be)~~) is sufficient to pay such taxes, with interest and costs, and if there be any excess of money arising from the sale of any personal property, the treasurer (~~(shall)~~) must pay such excess less any cost of the auction to the owner of the property so sold or to his or her legal representative (~~(- PROVIDED, That whenever it shall become)~~).

(d) If necessary to distraint any standing timber owned separately from the ownership of the land upon which the same may stand, or any fish trap, pound net, reef net, set net, or drag seine fishing location, or any other personal property as the treasurer (~~(shall)~~) determines to be incapable or reasonably impracticable of manual delivery, it (~~(shall be)~~) is deemed to have been distrained and taken into possession when the treasurer (~~(shall have)~~) has, at least thirty days before the date fixed for the sale thereof, filed with the auditor of the county wherein such property is located a notice in writing reciting that the treasurer has distrained such property, describing it, giving the name of the owner or reputed owner, the amount of the tax due, with interest, and the time and place of sale(~~(s)~~). A copy of the notice (~~(shall)~~) must also be sent to the owner or reputed owner at his or her last known address, by registered letter at least thirty days prior to the date of sale(~~(- AND PROVIDED FURTHER, That)~~).

(e) If the county treasurer has reasonable grounds to believe that any personal property, including mobile homes, manufactured homes, or park model trailers, upon which taxes have been levied, but not paid, is about to be removed from the county where the same has been assessed, or is about to be destroyed, sold, or disposed of, the county treasurer may demand such taxes, without the notice provided for in this section, and if necessary may (~~(forthwith)~~) distraint sufficient goods and chattels to pay the same."

THIRD READING

MESSAGE FROM THE SENATE

April 24, 2013

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1130 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.55.120 and 2009 c 387 s 3 are each amended to read as follows:

(1)(a) Vehicles or other items of personal property registered or titled with the department that are impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, 46.55.113, or 9A.88.140 may be redeemed only (~~under the following circumstances~~) by the following persons or entities:

~~((a) Only)~~ (i) The legal owner((:));

(ii) The registered owner((:));

~~(iii) A person authorized in writing by the registered owner ((or the vehicle's insurer.));~~

(iv) The vehicle's insurer or a vendor working on behalf of the vehicle's insurer;

(v) A third-party insurer that has a duty to repair or replace the vehicle, has obtained consent from the registered owner or the owner's agent to move the vehicle, and has documented that consent in the insurer's claim file, or a vendor working on behalf of a third-party insurer that has received such consent; provided, however, that at all times the registered owner must be granted access to and may reclaim possession of the vehicle. For the purposes of this subsection, "owner's agent" means the legal owner of the vehicle, a driver in possession of the vehicle with the registered owner's permission, or an adult member of the registered owner's family;

~~(vi) A person who is determined and verified by the operator to have the permission of the registered owner of the vehicle or other item of personal property registered or titled with the department((or one)); or~~

(vii) A person who has purchased a vehicle or item of personal property registered or titled with the department from the registered owner who produces proof of ownership or written authorization and

signs a receipt therefor (~~(c)~~ may redeem an impounded vehicle or items of personal property registered or titled with the department).

(b) In addition, a vehicle impounded because the operator is in violation of RCW 46.20.342(1)(c) shall not be released until a person eligible to redeem it under (a) of this subsection (~~((1)(a))~~) satisfies the requirements of (~~((e))~~) (f) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency. If the department's records show that the operator has been convicted of a violation of RCW 46.20.342 or a similar local ordinance within the past five years, the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. A vehicle impounded because the operator is arrested for a violation of RCW 46.20.342 may be released only pursuant to a written order from the agency that ordered the vehicle impounded or from the court having jurisdiction. An agency shall issue a written order to release pursuant to a provision of an applicable state agency rule or local ordinance authorizing release on the basis of the following:

(i) Economic or personal hardship to the spouse of the operator, taking into consideration public safety factors, including the operator's criminal history and driving record; or

(ii) The owner of the vehicle was not the driver, the owner did not know that the driver's license was suspended or revoked, and the owner has not received a prior release under this subsection or RCW 46.55.113(3).

In order to avoid discriminatory application, other than for the reasons for release set forth in (~~((a))~~) (b)(i) and (ii) of this subsection, an agency shall, under a provision of an applicable state agency rule or local ordinance, deny release in all other circumstances without discretion.

If a vehicle is impounded because the operator is in violation of RCW 46.20.342(1) (a) or (b), the vehicle may be held for up to thirty days at the written direction of the agency ordering the vehicle impounded. However, if the department's records show that the operator has been convicted of a violation of RCW 46.20.342(1) (a) or (b) or a similar local ordinance within the past five years, the vehicle may be held at the written direction of the agency ordering the vehicle impounded for up to sixty days, and for up to ninety days if the operator has two or more such prior offenses. If a vehicle is impounded because the operator is arrested for a violation of RCW 46.20.342, the vehicle may not be released until a person eligible to redeem it under (a) of this subsection (~~((1)(a))~~) satisfies the requirements of (~~((e))~~) (f) of this subsection, including paying all towing, removal, and storage fees, notwithstanding the fact that the hold was ordered by a government agency.

(~~((b))~~) (c) If the vehicle is directed to be held for a suspended license impound, a person who desires to redeem the vehicle at the end of the period of impound shall within five days of the impound at the request of the tow truck operator pay a security deposit to the tow truck operator of not more than one-half of the applicable impound storage rate for each day of the proposed suspended license impound. The tow truck operator shall credit this amount against the final bill for removal, towing, and storage upon redemption. The tow truck operator may accept other sufficient security in lieu of the security deposit. If the person desiring to redeem the vehicle does not pay the security deposit or provide other security acceptable to the tow truck operator, the tow truck operator may process and sell at auction the vehicle as an abandoned vehicle within the normal time limits set out in RCW 46.55.130(1). The security deposit required by this section may be paid and must be accepted at any time up to twenty-four hours before the beginning of the auction to sell the vehicle as abandoned. The registered owner is not eligible to purchase the vehicle at the auction, and the tow truck operator shall sell the vehicle to the highest bidder who is not the registered owner.

(~~((e))~~) (d) Notwithstanding (~~((b))~~) (c) of this subsection, a rental car business may immediately redeem a rental vehicle it owns by

payment of the costs of removal, towing, and storage, whereupon the vehicle will not be held for a suspended license impound.

(~~((b))~~) (e) Notwithstanding (~~((b))~~) (c) of this subsection, a motor vehicle dealer or lender with a perfected security interest in the vehicle may redeem or lawfully repossess a vehicle immediately by payment of the costs of removal, towing, and storage, whereupon the vehicle will not be held for a suspended license impound. A motor vehicle dealer or lender with a perfected security interest in the vehicle may not knowingly and intentionally engage in collusion with a registered owner to repossess and then return or resell a vehicle to the registered owner in an attempt to avoid a suspended license impound. However, this provision does not preclude a vehicle dealer or a lender with a perfected security interest in the vehicle from repossessing the vehicle and then selling, leasing, or otherwise disposing of it in accordance with chapter 62A.9A RCW, including providing redemption rights to the debtor under RCW 62A.9A-623. If the debtor is the registered owner of the vehicle, the debtor's right to redeem the vehicle under chapter 62A.9A RCW is conditioned upon the debtor obtaining and providing proof from the impounding authority or court having jurisdiction that any fines, penalties, and forfeitures owed by the registered owner, as a result of the suspended license impound, have been paid, and proof of the payment must be tendered to the vehicle dealer or lender at the time the debtor tenders all other obligations required to redeem the vehicle. Vehicle dealers or lenders are not liable for damages if they rely in good faith on an order from the impounding agency or a court in releasing a vehicle held under a suspended license impound.

(~~((e))~~) (f) The vehicle or other item of personal property registered or titled with the department shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle, with credit being given for the amount of any security deposit paid under (~~((b))~~) (c) of this subsection. In addition, if a vehicle is impounded because the operator was arrested for a violation of RCW 46.20.342 or 46.20.345 and was being operated by the registered owner when it was impounded under local ordinance or agency rule, it must not be released to any person until the registered owner establishes with the agency that ordered the vehicle impounded or the court having jurisdiction that any penalties, fines, or forfeitures owed by him or her have been satisfied. Registered tow truck operators are not liable for damages if they rely in good faith on an order from the impounding agency or a court in releasing a vehicle held under a suspended license impound. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards issued by financial institutions, or personal checks drawn on Washington state branches of financial institutions if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. If the towing firm cannot determine through the customer's bank or a check verification service that the presented check would be paid by the bank or guaranteed by the service, the towing firm may refuse to accept the check. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2)(a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle, or item of personal property registered or titled with the department, written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of

the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district or municipal court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. The municipal court has jurisdiction to determine the issues involving impoundments authorized by agents of the municipality. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the appropriate court within ten days of the date the opportunity was provided for in ~~(subsection (2))~~(a) of this subsection and more than five days before the date of the auction. At the time of the filing of the hearing request, the petitioner shall pay to the court clerk a filing fee in the same amount required for the filing of a suit in district court. If the hearing request is not received by the court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, the registered and legal owners of the vehicle or other item of personal property registered or titled with the department, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper. The court may consider a written report made under oath by the officer who authorized the impoundment in lieu of the officer's personal appearance at the hearing.

(c) At the conclusion of the hearing, the court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees. The court may not adjust fees or charges that are in compliance with the posted or contracted rates.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be in violation of this chapter, then the registered and legal owners of the vehicle or other item of personal property registered or titled with the department shall bear no impoundment, towing, or storage fees, and any security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment in favor of the registered tow truck operator against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment in favor of the registered and legal owners of the vehicle, or other item of personal property registered or titled with the department, for the amount of the filing fee required by law for the impound hearing petition as well as reasonable damages for loss of the use of the vehicle during the time the same was impounded against the person or agency authorizing the impound. However, if an impoundment arising from an alleged violation of RCW 46.20.342 or 46.20.345 is determined to be in violation of this chapter, then the law enforcement officer directing the impoundment and the

government employing the officer are not liable for damages if the officer relied in good faith and without gross negligence on the records of the department in ascertaining that the operator of the vehicle had a suspended or revoked driver's license. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

TO:

YOU ARE HEREBY NOTIFIED JUDGMENT was entered against you in the Court located at in the sum of \$., in an action entitled, Case No. YOU ARE FURTHER NOTIFIED that attorneys fees and costs will be awarded against you under RCW . . . if the judgment is not paid within 15 days of the date of this notice.

NEW SECTION. Sec. 27. A new section is added to chapter 19.290 RCW to read as follows:

(1) The following personal property is subject to seizure and forfeiture and no property right exists in them: All personal property including, but not limited to, any item, object, tool, substance, device, weapon, machine, vehicle of any kind, money, security, or negotiable instrument, which the seizing agency proves by a preponderance of the evidence was used or intended to be used by its owner or the person in charge to knowingly or intentionally facilitate the commission of, or to knowingly or intentionally abet the commission of, a crime involving theft, trafficking, or unlawful possession of commercial metal property, or which the seizing agency proves by a preponderance of the evidence was knowingly or intentionally furnished or was intended to be furnished by any person in the commission of, as a result of, or as compensation for the commission of, a crime involving theft, trafficking, or the unlawful possession of commercial metal property, or which the property owner acquired in whole or in part with proceeds traceable to a knowing or intentional commission of a crime involving the theft, trafficking, or unlawful possession of commercial metal property provided that such activity is not less than a class C felony; except that:

(a) No vehicle used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless the seizing agency proves by a preponderance of the evidence that the owner or other person in charge of the vehicle is a consenting party or is privy to any crime involving theft, trafficking, or the unlawful possession of commercial metal property;

(b) A forfeiture of property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had actual or constructive knowledge of nor consented to the commission of any crime involving the theft, trafficking, or unlawful possession of commercial metal property; and

(c) A property owner's property is not subject to seizure if an employee or agent of that property owner uses the property owner's property to knowingly or intentionally facilitate the commission of, or to knowingly or intentionally aid and abet the commission of, a crime involving theft, trafficking, or unlawful possession of commercial metal property, in violation of that property owner's instructions or policies against such activity, and without the property owner's knowledge or consent.

(2) The following real property is subject to seizure and forfeiture and no property right exists in them: All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements, that the seizing agency proves by a preponderance of the evidence are being used with the knowledge of the owner for the intentional commission of any crime involving the theft, trafficking, or unlawful possession of commercial metal property, or which have been acquired in whole or in part with proceeds traceable to the commission of any crime involving the trafficking, theft, or unlawful possession of commercial metal, if such activity is not less than a class C felony and a substantial nexus exists between the commission of the violation or crime and the real property. However:

(a) No property may be forfeited pursuant to this subsection (2), to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner's actual or constructive knowledge; and further, a property owner's real property is not subject to seizure if an employee or agent of that property owner uses the property owner's real property to knowingly or intentionally facilitate the commission of, or to knowingly or intentionally aid and abet the commission of, a crime involving theft, trafficking, or unlawful possession of commercial metal property, in violation of that property owner's instructions or policies against such activity, and without the property owner's knowledge or consent; and

(b) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, neither had actual or constructive knowledge, nor consented to the act or omission.

(3) Property subject to forfeiture under this chapter may be seized by any law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant; or

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding.

(4) In the event of seizure pursuant to this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure of personal property may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected by filing a financing statement in accordance with chapter 62A.9A RCW, or a certificate of title shall be made by service

upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse or domestic partner committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(6) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized property within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the property involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorneys' fees. The burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property.

(7) At the hearing, the seizing agency has the burden of proof to establish by a preponderance of the evidence that seized property is subject to forfeiture, and that the use or intended use of the seized property in connection with a crime pursuant to this section occurred with the owner's actual or constructive knowledge or consent. The person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property has the burden of proof to establish by a preponderance of the evidence that the person owns or has a right to possess the seized property. The possession of bare legal title is not sufficient to establish ownership of seized property if the seizing agency proves by a preponderance of the evidence that the person claiming ownership or right to possession is a nominal owner and did not actually own or exert a controlling interest in the property.

The seizing law enforcement agency shall promptly return the property to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession of the property.

(8) When property is forfeited under this chapter, after satisfying any court-ordered victim restitution, the seizing law enforcement agency may:

(a) Retain it for official use or, upon application by any law enforcement agency of this state, release such property to such agency; or

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public.

(9)(a) Within one hundred twenty days after the entry of an order of forfeiture, each seizing agency shall remit to, if known, the victim of the crime involving the seized property, an amount equal to fifty percent of the net proceeds of any property forfeited.

(b) Retained property and net proceeds not required to be paid to victims shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of law enforcement activity. Money retained under this section may not be used to supplant preexisting funding sources.

(c) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages.

(d) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(10) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

NEW SECTION. Sec. 28. A new section is added to chapter 19.290 RCW to read as follows:

The provisions of this chapter shall be liberally construed to the end that traffic in stolen private metal property or nonferrous metal property may be prevented, and irresponsible, unreliable, or dishonest persons may be prevented from engaging in the business of processing, recycling, or supplying scrap metal in this state and reliable persons may be encouraged to engage in businesses of processing, recycling, or supplying scrap metal in this state.

MESSAGE FROM THE SENATE

April 24, 2013

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1471 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.70.056 and 2010 c 113 s 1 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Health care-associated infection" means a localized or systemic condition that results from adverse reaction to the presence of an infectious agent or its toxins and that was not present or incubating at the time of admission to the hospital.

(b) "Hospital" means a health care facility licensed under chapter 70.41 RCW.

(2)(a) A hospital shall collect data related to health care-associated infections as required under this subsection (2) on the following:

(i) ~~((Beginning July 1, 2008,))~~ Central line-associated bloodstream infection in ~~((the intensive care unit))~~ all hospital inpatient areas where patients normally reside at least twenty-four hours;

(ii) ~~((Beginning January 1, 2009, ventilator associated pneumonia; and~~

~~—((iii) Beginning January 1, 2010,))~~ Surgical site infection for the following procedures:

(A) Deep sternal wound for cardiac surgery, including coronary artery bypass graft;

(B) Total hip and knee replacement surgery; and

(C) ~~((Hysterectomy, abdominal and vaginal;~~

~~—(b)(i) Except as required under (b)(ii) and (c) of this subsection,))~~ Colon and abdominal hysterectomy procedures.

(b) The department shall, by rule, delete, add, or modify categories of reporting when the department determines that doing so is necessary to align state reporting with the reporting categories of the centers for medicare and medicaid services. The department shall begin rule making forty-five calendar days, or as soon as practicable, after the centers for medicare and medicaid services adopts changes to reporting requirements.

(c) A hospital must routinely collect and submit the data required to be collected under (a) and (b) of this subsection to the national healthcare safety network of the United States centers for disease control and prevention in accordance with national healthcare safety network definitions, methods, requirements, and procedures.

~~(((ii) Until the national health care safety network releases a revised module that successfully interfaces with a majority of computer systems of Washington hospitals required to report data under (a)(iii) of this subsection or three years, whichever occurs sooner, a hospital shall monthly submit the data required to be collected under (a)(iii) of this subsection to the Washington state hospital association's quality benchmarking system instead of the national health care safety network. The department shall not include data reported to the quality benchmarking system in reports published under subsection (3)(d) of this section. The data the hospital submits to the quality benchmarking system under (b)(ii) of this subsection:~~

~~—(A) Must include the number of infections and the total number of surgeries performed for each type of surgery; and~~

~~—(B) Must be the basis for a report developed by the Washington state hospital association and published on its web site that compares the health care associated infection rates for surgical site infections at individual hospitals in the state using the data reported in the previous calendar year pursuant to this subsection. The report must be published on December 1, 2010, and every year thereafter until data is again reported to the national health care safety network.~~

~~—(c)(i) With respect to any of the health care associated infection measures for which reporting is required under (a) of this subsection, the department must, by rule, require hospitals to collect and submit the data to the centers for medicare and medicaid services according to the definitions, methods, requirements, and procedures of the hospital compare program, or its successor, instead of to the national healthcare safety network, if the department determines that:~~

~~—(A) The measure is available for reporting under the hospital compare program, or its successor, under substantially the same~~

definition; and

—(B) Reporting under this subsection (2)(c) will provide substantially the same information to the public.

—(ii) If the department determines that reporting of a measure must be conducted under this subsection (2)(c), the department must adopt rules to implement such reporting. The department's rules must require reporting to the centers for medicare and medicaid services as soon as practicable, but not more than one hundred twenty days, after the centers for medicare and medicaid services allow hospitals to report the respective measure to the hospital compare program, or its successor. However, if the centers for medicare and medicaid services allow infection rates to be reported using the centers for disease control and prevention's national healthcare safety network, the department's rules must require reporting that reduces the burden of data reporting and minimizes changes that hospitals must make to accommodate requirements for reporting.) If the centers for medicare and medicaid services changes reporting from the national healthcare safety network to another database or through another process, the department shall review the new reporting database or process and consider whether it aligns with the purposes of this section.

(d) Data collection and submission required under this subsection (2) must be overseen by a qualified individual with the appropriate level of skill and knowledge to oversee data collection and submission.

(e)(i) A hospital must release to the department, or grant the department access to, its hospital-specific information contained in the reports submitted under this subsection (2), as requested by the department consistent with RCW 70.02.050.

(ii) The hospital reports obtained by the department under this subsection (2), and any of the information contained in them, are not subject to discovery by subpoena or admissible as evidence in a civil proceeding, and are not subject to public disclosure as provided in RCW 42.56.360.

(3) The department shall:

(a) Provide oversight of the health care-associated infection reporting program established in this section;

(b) By ~~(January 1, 2014)~~ November 1, 2013, and biennially thereafter, submit a report to the appropriate committees of the legislature ~~((based on the recommendations of the advisory committee established in subsection (5) of this section for additional reporting requirements related to health care associated infections, considering the methodologies and practices of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations))~~ that contains: (i) Categories of reporting currently required of hospitals under subsection (2)(a) of this section; (ii) categories of reporting the department plans to add, delete, or modify by rule; and (iii) a description of the evaluation process used under (d) of this subsection;

(c) ~~((Delete, by rule, the reporting of categories that the department determines are no longer necessary to protect public health and safety;~~

—(d)) By December 1, 2009, and by each December 1st thereafter, prepare and publish a report on the department's web site that compares the health care-associated infection rates at individual hospitals in the state using the data reported in the previous calendar year pursuant to subsection (2) of this section. The department may update the reports quarterly. In developing a methodology for the report and determining its contents, the department shall consider the recommendations of the advisory committee established in subsection (5) of this section. The report is subject to the following:

(i) The report must disclose data in a format that does not release health information about any individual patient; and

(ii) The report must not include data if the department determines that a data set is too small or possesses other characteristics that make

it otherwise unrepresentative of a hospital's particular ability to achieve a specific outcome; ~~((and~~

—(e)) (d) Evaluate, on a regular basis, the quality and accuracy of health care-associated infection reporting required under subsection (2) of this section and the data collection, analysis, and reporting methodologies; and

(e) Provide assistance to hospitals with the reporting requirements of this chapter including definitions of required reporting elements.

(4) The department may respond to requests for data and other information from the data required to be reported under subsection (2) of this section, at the requestor's expense, for special studies and analysis consistent with requirements for confidentiality of patient records.

(5)(a) The department shall establish an advisory committee which may include members representing infection control professionals and epidemiologists, licensed health care providers, nursing staff, organizations that represent health care providers and facilities, health maintenance organizations, health care payers and consumers, and the department. The advisory committee shall make recommendations to assist the department in carrying out its responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report selected data from certified critical access hospitals. ~~((Annually, beginning January 1, 2011, the advisory committee shall also make a recommendation to the department as to whether current science supports expanding presurgical screening for methicillin-resistant staphylococcus aureus prior to open chest cardiac, total hip, and total knee elective surgeries.))~~

(b) In developing its recommendations, the advisory committee shall consider methodologies and practices related to health care-associated infections of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations.

(6) The department shall adopt rules as necessary to carry out its responsibilities under this section.

Sec. 2. RCW 43.70.056 and 2013 c ... s 1 (section 1 of this act) are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

SECOND READING**ENGROSSED SENATE BILL NO. 5236, by Senators Kline and Padden****Creating the uniform correction or clarification of defamation act.**

The bill was read the second time.

Representative Goodman moved the adoption of amendment (491).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. INTENT. Since the United States Supreme Court recognized the First Amendment limitations on the common law tort of defamation and defamation-like torts, courts have

struggled to achieve a balance between constitutionally protected guarantees of free expression and the need to protect citizens from reputational harm. Unlike personal injuries, harm to reputation can often be cured by means other than money damages. The correction or clarification of a published statement may restore a person's reputation more quickly and more thoroughly than a victorious lawsuit. The salutary effect of a correction or clarification is enhanced if it is published reasonably soon after a statement is made.

This act seeks to provide strong incentives for individuals to promptly correct or clarify an alleged false statement as an alternative to costly litigation. The options created by this act provide an opportunity for a plaintiff who believes he or she has been harmed by a false statement to secure quick and complete vindication of his or her reputation. This act provides publishers with a quick and cost-effective means of correcting or clarifying alleged mistakes and avoiding costly litigation.

NEW SECTION. Sec. 2. DEFINITION. The definition in this section applies throughout this chapter unless the context clearly requires otherwise.

"Person" means an individual, corporation, business trust, estate, trust, partnership, association, joint venture, or other legal or commercial entity. The term does not include a government or governmental subdivision, agency, or instrumentality.

NEW SECTION. Sec. 3. SCOPE. (1) This chapter applies to any claim for relief, however characterized, for damages arising out of harm caused by the false content of a publication that is published on or after the effective date of this section.

(2) This chapter applies to all publications, including writings, broadcasts, oral communications, electronic transmissions, or other forms of transmitting information.

NEW SECTION. Sec. 4. REQUEST FOR CORRECTION OR CLARIFICATION. (1) A person may maintain an action for defamation or another claim covered by this chapter only if:

(a) The person has made a timely and adequate request for correction or clarification from the defendant; or

(b) The defendant has made a correction or clarification.

(2) A request for correction or clarification is timely if made within the period of limitation for commencement of an action for defamation.

(3) A request for correction or clarification is adequate if it:

(a) Is made in writing and reasonably identifies the person making the request;

(b) Specifies with particularity the statement alleged to be false and defamatory or otherwise actionable and, to the extent known, the time and place of publication;

(c) Alleges the defamatory meaning of the statement;

(d) Specifies the circumstances giving rise to any defamatory meaning of the statement which arises from other than the express language of the publication; and

(e) States that the alleged defamatory meaning of the statement is false.

(4) In the absence of a previous adequate request, service of a summons and complaint stating a claim for defamation or another claim covered by this chapter and containing the information required in subsection (3) of this section constitutes an adequate request for correction or clarification.

(5) The period of limitation for commencement of a defamation action or another claim covered by this chapter is tolled during the period allowed in section 7(1) of this act for responding to a request for correction or clarification.

NEW SECTION. Sec. 5. DISCLOSURE OF EVIDENCE OF FALSITY. (1) A person who has been requested to make a correction or clarification may ask the requester to disclose reasonably available information material to the falsity of the allegedly defamatory or otherwise actionable statement.

(2) If a correction or clarification is not made, a person who unreasonably fails to disclose the information after a request to do so may not recover damages for injury to reputation or presumed damages; however, the person may recover all other damages permitted by law.

NEW SECTION. Sec. 6. EFFECT OF CORRECTION OR CLARIFICATION. If a timely and sufficient correction or clarification is made, a person may not recover damages for injury to reputation or presumed damages; however, the person may recover all other damages permitted by law.

NEW SECTION. Sec. 7. TIMELY AND SUFFICIENT CORRECTION OR CLARIFICATION. (1) A correction or clarification is timely if it is published before, or within thirty days after, receipt of a request for correction or clarification or of the information in section 5(1) of this act, whichever is later, unless the period is extended by written agreement of the parties.

(2) A correction or clarification is sufficient if it:

(a) Is published with a prominence and in a manner and medium reasonably likely to reach substantially the same audience as the publication complained of;

(b) Refers to the statement being corrected or clarified and:

(i) Corrects the statement;

(ii) In the case of defamatory or false meaning arising from other than the express language of the publication, disclaims an intent to communicate that meaning or to assert its truth; or

(iii) In the case of a statement attributed to another person, identifies the person and disclaims an intent to assert the truth of the statement;

(c) In advance of the publication, is provided to the person who has made a request for correction or clarification; and

(d) Accompanies and is an equally prominent part of any electronic publication of the allegedly defamatory or otherwise actionable statement by the publisher.

(3) A correction or clarification is published in a medium reasonably likely to reach substantially the same audience as the publication complained of if it is published in a later issue, edition, or broadcast of the original publication.

(4) If a later issue, edition, or broadcast of the original publication will not be published within the time limits established for a timely correction or clarification, a correction or clarification is published in a manner and medium reasonably likely to reach substantially the same audience as the publication complained of if:

(a) It is timely published in a reasonably prominent manner:

(i) In another medium likely to reach an audience reasonably equivalent to the original publication; or

(ii) If the parties cannot agree on another medium, in the newspaper with the largest general circulation in the region in which the original publication was distributed;

(b) Reasonable steps are taken to correct undistributed copies of the original publication, if any; and

(c) It is published in the next practicable issue, edition, or broadcast, if any, of the original publication.

(5) A correction or clarification is timely and sufficient if the parties agree in writing that it is timely and sufficient.

NEW SECTION. Sec. 8. CHALLENGES TO CORRECTION OR CLARIFICATION OR TO REQUEST FOR CORRECTION OR CLARIFICATION. (1) If a defendant in an action governed by this chapter intends to rely on a timely and sufficient correction or clarification, the defendant's intention to do so, and the correction or clarification relied upon, must be set forth in a notice served on the plaintiff within sixty days after service of the summons and complaint or ten days after the correction or clarification is made, whichever is later.

(2) If a defendant in an action governed by this chapter intends to challenge the adequacy or timeliness of a request for correction or clarification, the defendant must set forth the challenge in a motion to

declare the request inadequate or untimely served within sixty days after service of the summons and complaint. The court shall rule on the motion at the earliest appropriate time before trial.

NEW SECTION. Sec. 9. OFFER TO CORRECT OR CLARIFY. (1) If a timely correction or clarification is no longer possible, the publisher of an alleged defamatory or otherwise actionable statement may offer, at any time before trial, to make a correction or clarification. The offer must be made in writing to the person allegedly harmed by the publication and:

(a) Contain the publisher's offer to:

(i) Publish, at the person's request, a sufficient correction or clarification; and

(ii) Pay the person's reasonable expenses of litigation, including attorneys' fees, incurred before publication of the correction or clarification; and

(b) Be accompanied by a copy of the proposed correction or clarification and the plan for its publication.

(2) If the person accepts in writing an offer to correct or clarify made pursuant to subsection (1) of this section:

(a) The person is barred from commencing an action against the publisher based on the statement; or

(b) If an action has been commenced, the court shall dismiss the action against the defendant with prejudice after the defendant complies with the terms of the offer.

(3) A person who does not accept an offer made in conformance with subsection (1) of this section may not recover damages for injury to reputation or presumed damages in an action based on the statement; however, the person may recover all other damages permitted by law, together with reasonable expenses of litigation, including attorneys' fees, incurred before the offer, unless the person failed to make a good-faith attempt to request a correction or clarification in accordance with section 4 of this act or failed to disclose information in accordance with section 5 of this act.

(4) On request of either party, a court shall promptly determine the sufficiency of the offered correction or clarification.

NEW SECTION. Sec. 10. SCOPE OF PROTECTION. A timely and sufficient correction or clarification made by a person responsible for a publication constitutes a correction or clarification made by all persons responsible for that publication other than a republisher. However, a correction or clarification that is sufficient only because of the operation of section 7(2)(b)(iii) of this act does not constitute a correction or clarification made by the person to whom the statement is attributed.

NEW SECTION. Sec. 11. UNIFORMITY OF APPLICATION AND CONSTRUCTION. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

When adjusting ferry fares, the commission must consider input from affected ferry users by public hearing and by review with the affected ferry advisory committees, in addition to the data gathered from the current ferry user survey.

(2) Consistent with RCW 43.135.055 and 47.46.100, during the 2013- 2015 fiscal biennium, the legislature authorizes the transportation commission to periodically review and, if necessary, adjust the schedule of toll charges applicable to the Tacoma Narrows bridge only in amounts not greater than those sufficient to support (a) any required costs for operating and maintaining the toll bridge, including the cost of insurance, (b) any amount required by law to meet the redemption of bonds and applicable interest payments, and (c) repayment of the motor vehicle fund.

The funds are provided for fiscal year 2014 only.

(b) The legislature finds that the efforts started in the 2011-2013 fiscal biennium regarding the transition to a road usage charge system represent an important first step in the policy and conceptual development of potential alternative systems to fund transportation projects, but that the governance for the development needs clarification. The legislature also finds that significant amounts of research and public education are occurring in similar efforts in several states and that these efforts can and should be leveraged to advance the evaluation in Washington. The legislature intends, therefore, that the commission and its staff lead the policy development of the business case for a road usage charge system, with the goal of providing the business case to the governor and the legislative committees of the legislature in time for inclusion in the 2014 supplemental omnibus transportation appropriations act. The legislature intends for additional oversight in the business case

development, with guidance from a steering committee as provided in chapter 86, Laws of 2012, augmented with participation by the joint transportation committee. The legislature further intends that the department of transportation continue to address administrative, technical, and conceptual operational issues related to road usage charge systems, and that the department serve as a resource for information gleaned from other states on this topic for the commission's efforts.

(c) For the purposes of this subsection (3), the commission shall:

(ii) Develop the preferred operational concept or concepts that reflect the preliminary policies;

(iii) Evaluate the business case for the road usage charge system that would result from implementing the preliminary policies and preferred operational concept or concepts. The evaluation must assess likely financial outcomes if the system were to be implemented; and

(iv) Identify and document policy and other issues that are deemed important to further refine the preferred operational concept or concepts and to gain public acceptance. These identified issues should form the basis for continued work beyond this funding cycle.

(d) The commission shall convene a steering committee to guide the development of the business case. The membership must be the same as provided in chapter 86, Laws of 2012, except that the membership must also include the joint transportation committee executive members.

(e) The commission shall submit a report of the business case to the governor and the transportation committees of the legislature by December 15, 2013. The report must also include a proposed budget and work plan for fiscal year 2015. (2) The real estate services division of the department must recover the cost of its efforts from sale proceeds and fund additional future sales from those proceeds.

(3) The legislature recognizes that the Dryden pit site (WSDOT Inventory Control (IC) No. 2-04-00103) is unused state-owned real property under the jurisdiction of the department, and that the public would benefit significantly from the complete enjoyment of the natural scenic beauty and recreational opportunities available at the site. Therefore, pursuant to RCW 47.12.080, the legislature declares that transferring the property to the department of fish and wildlife for recreational use and fish and wildlife restoration efforts is consistent with the public interest in order to preserve the area for the use of the public and the betterment of the natural environment. (5) The legislature recognizes that the SR 20/Cook Road realignment and extension project in the city of Sedro-Woolley will enhance the state and local highway systems by providing a more direct route from state route number 20 and state route number 9 to Interstate 5, and will reduce traffic on state route number 20 and state route number 9, improving the capacity of each route. Furthermore, the legislature declares that certain portions of the department's property held for highway purposes located primarily to the north and west of state route number 20, between state route number 20 to the south and F and S Grade Road to the north, in the incorporated limits of Sedro-Woolley in Skagit county, can help facilitate completion of the project. The legislature also finds that significant amounts of research and public education are occurring in similar efforts in several states and that these efforts can and should be leveraged to advance the evaluation in Washington. The legislature intends, therefore, that the transportation commission and its staff lead the policy development of the business case for a road usage charge system, with the goal of providing the business case to the governor and the legislative committees of the legislature in time for inclusion in the 2014 supplemental omnibus transportation appropriations act. NEW SECTION. Sec. 216. FOR THE DEPARTMENT OF TRANSPORTATION-- TRAFFIC OPERATIONS--PROGRAM Q--OPERATING

Motor Vehicle Account--State Appropriation	\$50,504,000
Motor Vehicle Account--Federal Appropriation	\$2,050,000
Motor Vehicle Account--Private/Local Appropriation	\$250,000
TOTAL APPROPRIATION	\$52,804,000

The appropriations in this section are subject to the following conditions and limitations:

(1) \$6,000,000 of the motor vehicle account--state appropriation is provided solely for low-cost enhancements. The department shall give priority to low-cost enhancement projects that improve safety or provide congestion relief. The department shall prioritize low-cost enhancement projects on a statewide rather than regional basis. By September 1st of each even-numbered year, the department shall provide a report to the legislature listing all low-cost enhancement projects prioritized on a statewide rather than regional basis completed in the prior year.

(2) \$9,000,000 of the motor vehicle account--state appropriation is provided solely for the department's incident response program.

(3) During the 2013-2015 fiscal biennium, the department shall continue a pilot program that expands private transportation providers' access to high occupancy vehicle lanes. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, the following vehicles must be authorized to use the reserved portion of the highway if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle: (a) Auto transportation company vehicles regulated under chapter 81.68 RCW; (b) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (c) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (d) private employer transportation service vehicles. For purposes of this subsection, "private employer transportation service" means regularly scheduled, fixed-route transportation service

that is offered by an employer for the benefit of its employees. Nothing in this subsection is intended to authorize the conversion of public infrastructure to private, for-profit purposes or to otherwise create an entitlement or other claim by private users to public infrastructure.

(4) The department shall work with the cities of Lynnwood and Edmonds to provide traffic light synchronization on state route number 524.

(5)(a) Upon receipt of funding from the city of Kenmore, the department shall erect guide signs along Interstate 5, Interstate 405, and state route number 522 directing travelers to Bastyr University and Kenmore International Air Harbor.

(b) Within existing resources, and only if the department is replacing existing signs, the department shall erect:

(i) Guide signs on Interstate 405 northbound and southbound that include the city of Kenmore; and

(ii) Overhead signs on Interstate 5 northbound and southbound that include the city of Kenmore.

(6) The department, in consultation with the Washington state patrol, must continue a pilot program for the state patrol to issue infractions based on information from automated traffic safety cameras in roadway construction zones on state highways. For the purpose of this pilot program, during the 2013-2015 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors may be present or where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2013-2015 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(3). However, the amount of the fine issued under this subsection (6) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under

penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic safety camera infraction notice issued, along with instructions for its completion and use.

(7) \$102,000 of the motor vehicle account--state appropriation is provided solely to replace or rehabilitate critical equipment needed to perform traffic control. These funds may not be used to purchase passenger cars as defined in RCW 46.04.382.

(1) Within available resources, the department must collaborate with the affected metropolitan planning organizations, regional transportation planning organizations, transit agencies, and private transportation providers to develop a plan to reduce vehicle demand, increase public transportation options, and reduce vehicle miles traveled on corridors affected by growth at Joint Base Lewis-McChord.

(2) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Prior to the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, the department shall contract with an independent research organization with expertise in the evaluation of wood products to determine on a life-cycle basis the cost effectiveness of using wood posts versus steel posts in new guardrail installations.

(a) The study must include the following objectives:

(i) Examine wood posts that are randomly selected, are representative of commonly found posts in service, and are of sufficient sampling size to produce a statistically valid data set;

(ii) Assess the residual flexural properties of guardrail posts after twenty years in service at various sites representing the climatic and soil variability of the state;

(iii) Measure test results against AASHTO standards;

(iv) Determine residual preservative levels in wood posts in terms of retention and penetration in order to determine the role of treatment quality on performance following test procedures outlined in American wood protection association standards;

(v) Examine the levels of decay in the guardrail posts, in terms of location of pockets and the presence of viable decay fungi, through culturing;

(vi) Investigate the effects of decay on flexural properties of guardrail posts;

(vii) Determine an acceptable level or number of nonstandard posts (i.e. posts with decay pockets that cause post strength to fall below AASHTO standards) that can be present in a guardrail run without compromising performance; and

(viii) Conduct thorough data search or identify case studies, or both, on service life of wood guardrail posts. Durability test results should also be factored in when evaluating service life.

(b) The study must be submitted to the office of financial management and the transportation committees of the legislature by January 1, 2015.

The department shall review all projects receiving grant awards under this program at least semiannually to determine whether the projects are making satisfactory progress. Any project that has been awarded funds, but does not report activity on the project within one year of the grant award, must be reviewed by the department to determine whether the grant should be terminated. (7)(a) \$1,334,000 of the transportation partnership account--state appropriation, \$48,433,500 of the motor vehicle account--private/local appropriation, and \$32,020,000 of the motor vehicle account--federal appropriation are provided solely for the I-5/Columbia River Crossing project (400506A). The federal funds appropriated in this subsection reflect the maximum amount of federal funds that may be allocated to this project. Section 603 of this act does not apply to the I-5/Columbia River Crossing project (400506A) and, therefore, funds shall not be transferred to this project. Of the amounts appropriated in this subsection, \$1,254,000 of the transportation partnership account--state appropriation, \$30,099,000 of the motor vehicle account--federal appropriation, and \$45,528,000 of the motor vehicle account--private/local appropriation in this subsection are held in unallotted status and are contingent upon the United States coast guard approving the I-5/Columbia River Crossing project's permit. If the permit is approved, the director of the office of financial management may allot the funds. If the permit is not approved, the appropriations in this

subsection must be put into allotted status by the director of the office of financial management and may be used only for the development of a new supplemental environmental impact statement to redesign the Interstate 5 bridge between Washington and Oregon in accordance with the requirements of the United States coast guard. The department shall not submit the supplemental environmental impact statement to the appropriate federal agencies for approval until July 1, 2014.

(b) It is the intent of the legislature that Washington and Oregon have equal funding commitments and equal total expenditures to date on the shared components of the I-5/Columbia River Crossing project. The department shall provide a quarterly report on this project beginning September 30, 2013. The report must include:

- (i) An update on preliminary engineering and right-of-way acquisition for the previous quarter;
- (ii) Planned objectives for right-of-way and preliminary engineering for the ensuing quarter;
- (iii) An updated comparison of the total appropriation authority for the project by state;
- (iv) An updated comparison of the total expenditures to date on the project by state; and
- (v) The committed funding provided by the state of Oregon to right-of-way acquisition.

(8)(a) \$5,000,000 of the motor vehicle account--federal appropriation and \$200,000 of the motor vehicle account--state appropriation are provided solely for the I-90 Comprehensive Tolling Study and Environmental Review project (100067T). The department shall prepare a detailed environmental impact statement that complies with the national environmental policy act regarding tolling Interstate 90 between Interstate 5 and Interstate 405 for the purposes of both managing traffic and providing funding for the construction of the unfunded state route number 520 from Interstate 5 to Medina project. As part of the preparation of the statement, the department must review any impacts to the network of highways and roads surrounding Lake Washington. In developing this statement, the department must provide significant outreach to potential affected communities. The department may consider traffic management options that extend as far east as Issaquah.

(b)(i) As part of the project in this subsection (8), the department shall perform a study of all funding alternatives to tolling Interstate 90 to provide funding for construction of the unfunded state route number 520 and explore and evaluate options to mitigate the effect of tolling on affected residents and all other users of the network of highways and roads surrounding Lake Washington including, but not limited to:

(A) Allowing all Washington residents to traverse a portion of the tolled section of Interstate 90 without paying a toll. Residents may choose either (I) the portion of Interstate 90 between the easternmost landing west of Mercer Island and the westernmost landing on Mercer Island, or (II) the portion of Interstate 90 between the westernmost landing east of Mercer Island and the easternmost landing on Mercer Island;

(B) Assessing a toll only when a driver traverses, in either direction, the entire portion of Interstate 90 between the easternmost landing west of Mercer Island and the westernmost landing east of Mercer Island; and

(C) Allowing affected residents to choose one portion of the tolled section of Interstate 90 upon which they may travel without paying a toll. Residents may choose either (I) the portion of Interstate 90 between the easternmost landing west of Mercer Island and the westernmost landing on Mercer Island, or (II) the portion of Interstate 90 between the westernmost landing east of Mercer Island and the easternmost landing on Mercer Island.

(ii) The department may also consider any alternative mitigation options that conform to the purpose of this subsection (8).

(iii) For the purposes of this subsection (8), "affected resident" means anyone who must use a portion of Interstate 90 west of Interstate 405 upon which tolling is considered in order to access necessary medical services, such as a hospital.

(9) \$541,901,000 of the transportation partnership account--state appropriation, \$144,954,000 of the motor vehicle account--federal appropriation, \$129,779,000 of the motor vehicle account--private/local appropriation, and \$78,004,000 of the transportation 2003 account (nickel account)--state appropriation are provided solely for the SR 99/Alaskan Way Viaduct - Replacement project (809936Z).

(10) The department shall reconvene an expert review panel of no more than three members as described under RCW 47.01.400 for the purpose of updating the work that was previously completed by the panel on the Alaskan Way viaduct replacement project and to ensure that an appropriate and viable financial plan is created and regularly reviewed. The expert review panel must be selected cooperatively by the chairs of the senate and house of representatives transportation committees, the secretary of transportation, and the governor. The expert review panel must report findings and recommendations to the transportation committees of the legislature, the governor's Alaskan Way viaduct project oversight committee, and the transportation commission annually until the project is operationally complete. This subsection takes effect if chapter ... (Substitute House Bill No. 1957), Laws of 2013 is not enacted by June 30, 2013.

(11) \$7,408,000 of the transportation partnership account--state appropriation, \$14,594,000 of the transportation 2003 account (nickel account)--state appropriation, \$3,730,000 of the motor vehicle account--state appropriation, \$1,000,000 of the multimodal transportation account--state appropriation, and \$41,395,000 of the motor vehicle account--federal appropriation are provided solely for the US 395/North Spokane Corridor projects (600010A & 600003A). Any future savings on the projects must stay on the US 395/Interstate 90 corridor and be made available to the current phase of the North Spokane corridor projects or any future phase of the projects.

(12) \$114,369,000 of the transportation partnership account--state appropriation and \$53,755,000 of the transportation 2003 account (nickel account)--state appropriation are provided solely for the I-405/Kirkland Vicinity Stage 2 - Widening project (8BI1002). This project must be completed as soon as practicable as a design-build project. Any future savings on this project or other Interstate 405 corridor projects must stay on the Interstate 405 corridor and be made available to either the I-405/SR 167 Interchange - Direct Connector project (140504C) or the I-405 Renton to Bellevue project.

(13)(a) The SR 520 Bridge Replacement and HOV project (0BI1003) is supported over time from multiple sources, including a \$300,000,000 TIFIA loan, \$819,524,625 in Garvee bonds, toll revenues, state bonds, interest earnings, and other miscellaneous sources.

(b) The state route number 520 corridor account--state appropriation includes up to \$668,142,000 in proceeds from the sale of bonds authorized in RCW 47.10.879 and 47.10.886.

(c) The state route number 520 corridor account--federal appropriation includes up to \$300,000,000 in proceeds from the sale of bonds authorized in RCW 47.10.879 and 47.10.886.

(d) \$153,124,000 of the transportation partnership account--state appropriation, \$300,000,000 of the state route number 520 corridor account--federal appropriation, and \$737,205,000 of the state route number 520 corridor account--state appropriation are provided solely for the SR 520 Bridge Replacement and HOV project (0BI1003). Of the amounts appropriated in this subsection (13)(d), \$105,085,000 of the state route number 520 corridor account--federal appropriation and \$227,415,000 of the state route number 520 corridor account--state appropriation must be put into unallotted status and are subject to review by the office of financial management. The director of the office of financial management shall consult with the joint

transportation committee prior to making a decision to allot these funds.

(e) When developing the financial plan for the project, the department shall assume that all maintenance and operation costs for the new facility are to be covered by tolls collected on the toll facility and not by the motor vehicle account.

(14) \$1,100,000 of the motor vehicle account--federal appropriation is provided solely for the 31st Ave SW Overpass Widening and Improvement project (L1100048).

(15) \$22,602,000 of the motor vehicle account--state appropriation is provided solely to advance the design, preliminary engineering, and rights-of-way acquisition for the priority projects identified in LEAP Transportation Document 2013-3 as developed April 23, 2013. Funds must be used to advance the emergent, initial development of these projects for the purpose of expediting delivery of the associated major investments when funding for such investments becomes available. Funding may be reallocated between projects to maximize the accomplishment of design and preliminary engineering work and rights-of-way acquisition, provided that all projects are addressed. It is the intent of the legislature that, while seeking to maximize the outcomes in this section, the department shall provide for continuity of both the state and consulting engineer workforce, while strategically utilizing private sector involvement to ensure consistency with the department's business plan for staffing in the highway construction program in the current fiscal biennium.

(16) If a planned roundabout in the vicinity of state route number 526 and 84th Street SW would divert commercial traffic onto neighborhood streets, the department may not proceed with improvements at state route number 526 and 84th Street SW until the traffic impacts in the vicinity of state route number 526 and 40th Avenue West are addressed.

(17) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Prior to the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2015, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(18) The legislature finds that "right-sizing" is a lean, metric-based approach to determining project investments. This concept entails compromise between project cost and design, incorporating local community needs, desired outcomes, and available funding. Furthermore, the legislature finds that the concepts and principles the department has utilized in the safety analyst program have been effective tools to prioritize projects and reduce project costs. Therefore, the department shall establish a pilot project on the SR 3/Belfair Bypass - New Alignment (300344C) to begin implementing the concept of "right-sizing" in the highway construction program.

(19) For urban corridors that are all or partially within a metropolitan planning organization boundary, for which the department has not initiated environmental review, and that require an environmental impact statement, at least one alternative must be consistent with the goals set out in RCW 47.01.440.

(20) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's 2014 budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

(21) \$28,963,000 of the motor vehicle account--state appropriation is provided solely for improvement program support activities (095901X). \$18,000,000 of this amount must be held in unallotted status until the office of financial management certifies that the department's 2014 supplemental budget request conforms to the terms of subsection (20) of this section.

(22) The department shall report to the chairs of the senate transportation committee and the house of representatives transportation committee whenever the department is in negotiations to provide a public or private entity mitigation for ten million dollars or more.

(23) Any new advisory group that the department convenes during the 2013-2015 fiscal biennium must be representative of the interests of the entire state of Washington.

(24) \$3,953,000 of the state toxics control account--state appropriation is provided solely for storm water and mitigation site improvements (0B14003).

(7) \$50,000 of the motor vehicle account--state appropriation is provided solely for the installation of a guard rail on Deer Harbor Road in San Juan county (L2220054).

NEW SECTION. Sec. 312. ANNUAL REPORTING REQUIREMENTS FOR CAPITAL PROGRAM

(1) As part of its budget submittal for the 2014 supplemental budget, the department of transportation shall provide an update to the report provided to the legislature in 2013 that: (a) Compares the original project cost estimates approved in the 2003 and 2005 project lists to the completed cost of the project, or the most recent legislatively approved budget and total project costs for projects not yet completed; (b) identifies highway projects that may be reduced in scope and still achieve a functional benefit; (c) identifies highway projects that have experienced scope increases and that can be reduced in scope; (d) identifies highway projects that have lost significant local or regional contributions that were essential to completing the project; and (e) identifies contingency amounts allocated to projects.

(2) As part of its budget submittal for the 2014 supplemental budget, the department of transportation shall provide an annual report on the number of toll credits the department has accumulated and how the department has used the toll credits.

NEW SECTION. Sec. 313. QUARTERLY REPORTING REQUIREMENTS FOR CAPITAL PROGRAM

On a quarterly basis, the department of transportation shall provide to the office of financial management and the legislative transportation committees the following reports for all capital programs:

(1) For active projects, the report must include:

The legislature shall not consider a request for funds to implement a collective bargaining agreement or arbitration award unless the request is transmitted to the legislature as part of the governor's budget document submitted under RCW 43.88.030 and 43.88.060. If the legislature rejects or fails to act on the submission, either party may reopen all or part of the agreement and award or the exclusive bargaining representative may seek to implement the procedures provided for in RCW 47.64.210 and 47.64.300.

(10) If, after the compensation and fringe benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(11)(a) For the collective bargaining agreements negotiated for the 2011-2013 fiscal biennium, the legislature may consider a request for funds to implement a collective bargaining agreement even if the request for funds was not received by the office of financial management by October 1st and was not transmitted to the legislature as part of the governor's budget document submitted under RCW 43.88.030 and 43.88.060.

(b) For the ~~((2011-2013))~~ 2013-2015 fiscal biennium, a collective bargaining agreement related to employee health care benefits negotiated between the employer and coalition pursuant to RCW 41.80.020(3) regarding the dollar amount expended on behalf of each employee must be a separate agreement for which the governor may request funds necessary to implement the agreement. ~~((If such an~~

~~agreement is negotiated and funded by the legislature, this agreement will supersede any terms and conditions of an expired 2009-2011 biennial master collective bargaining agreement under this chapter regarding health care benefits.))~~ The legislature may act upon a 2013-2015 collective bargaining agreement related to employee health care benefits if an agreement is reached and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(c) For the collective bargaining agreements negotiated for the 2013-2015 fiscal biennium, the legislature may consider a request for funds to implement a collective bargaining agreement reached after October 1st after a determination of financial infeasibility by the director of the office of financial management if the request for funds is transmitted to the legislature as part of the governor's budget document submitted under RCW 43.88.030 and 43.88.060.

Sec. 522. RCW 47.64.270 and 2011 c 367 s 713 are each amended to read as follows:

(2) Absent a collective bargaining agreement to the contrary, the department of transportation shall provide contributions to insurance and health care plans for ferry system employees and dependents, as determined by the state health care authority, under chapter 41.05 RCW.

(3) The employer and employee organizations may collectively bargain for insurance plans other than health care benefits, and employer contributions may exceed that of other state agencies as provided in RCW 41.05.050.

(4) For the ~~((2011-2013))~~ 2013-2015 fiscal biennium, a collective bargaining agreement related to employee health care benefits negotiated between the employer and coalition pursuant to RCW 41.80.020(3) regarding the dollar amount expended on behalf of each employee must be a separate agreement for which the governor may request funds necessary to implement the agreement. ~~((If such an agreement is negotiated and funded by the legislature, this agreement will supersede any terms and conditions of an expired 2009-2011 biennial collective bargaining agreement under this chapter regarding health care benefits.))~~

IMPLEMENTING PROVISIONS

NEW SECTION. Sec. 601. STAFFING LEVELS

(1) As the department of transportation completes delivery of the projects funded by the 2003 and 2005 transportation revenue packages, it is clear that the current staffing levels necessary to deliver these projects are not sustainable into the future. Therefore, the department is directed to quickly move forward to develop and implement new business practices so that a smaller, more nimble state workforce can effectively and efficiently deliver transportation improvement programs as they are approved in the future, in strong partnership with the private sector, while protecting the public's interests and assets.

(2) To this end, the department of transportation is directed to reduce the size of its engineering and technical workforce to a level sustained by current law revenue levels currently estimated at two thousand FTEs by the end of the 2013-2015 fiscal biennium. The department shall submit a report on the progress made in 2011-2013 by July 1, 2013.

(3) In order to successfully deliver the highway construction program as funded, the department of transportation may continue to contract out engineering and technical services. In addition, the department may continue the incentive program for retirements and employee separations.

NEW SECTION. Sec. 602. FOR THE DEPARTMENT OF TRANSPORTATION

The department shall begin to transition from owning a fleet of passenger vehicles in Thurston county to using the state motor pool. The funding appropriated in this act may not be used by programs headquartered in Thurston county to purchase passenger cars as defined in RCW 46.04.382.

NEW SECTION. Sec. 603. FUND TRANSFERS

(1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in the LEAP list titled 2013-1 as developed April 23, 2013, which consists of a list of specific projects by fund source and amount over a ten-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a ten-year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 account (nickel account) projects on the LEAP transportation documents referenced in this act. However, this section does not apply to the I-5/Columbia River Crossing project (400506A). For the 2011-2013 and 2013-2015 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, or transportation partnership account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

- (a) Transfers may only be made within each specific fund source referenced on the respective project list;
- (b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;
- (c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2014 supplemental omnibus transportation appropriations act, any unexpended 2011-2013 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;
- (d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;
- (e) Transfers may not occur for projects not identified on the applicable project list;
- (f) Transfers may not be made while the legislature is in session; and

(g) Transfers between projects may be made, without the approval of the director of the office of financial management, by the department of transportation until the transfer amount by project exceeds two hundred fifty thousand dollars, or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of financial management and the chairs of the house of representatives and senate transportation committees.

(2) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(3) The office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(4) The office of financial management shall document approved transfers and schedule changes in the transportation executive information system, compare changes to the legislative baseline

funding and schedules identified by project identification number identified in the LEAP transportation documents referenced in this act, and transmit revised project lists to chairs of the transportation committees of the legislature on a quarterly basis.

NEW SECTION. Sec. 604. ACQUISITION OF PROPERTIES AND FACILITIES THROUGH FINANCIAL CONTRACTS

(1) The agency in subsection (2) of this section may enter into financial contracts, paid from any funds of an agency, appropriated or nonappropriated, for the purposes indicated and in not more than the principal amounts indicated, plus financing expenses and required reserves pursuant to chapter 39.94 RCW. When securing properties under this section, agencies shall use the most economical financial contract option available, including long-term leases, lease-purchase agreements, lease-development with option to purchase agreements, or financial contracts using certificates of participation. Expenditures made by an agency for one of the indicated purposes before the issue date of the authorized financial contract and any certificates of participation therein are intended to be reimbursed from proceeds of the financial contract and any certificates of participation therein to the extent provided in the agency's financing plan approved by the state finance committee.

(2) The Washington state patrol may enter into agreements with the department of enterprise services and the state treasurer's office to develop requests to the legislature for the acquisition of properties and facilities through financial contracts. The agreements may include charges for services rendered. The Washington state patrol may enter into a financing contract for up to \$4,680,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase and install mobile office platforms in state patrol and pursuit vehicles.

NEW SECTION. Sec. 605. FOR THE DEPARTMENT OF TRANSPORTATION

(1) The department of transportation shall prepare an updated facilities and property plan to improve the oversight of real estate procurement and property management across all department programs and regions, including the Washington state ferries. The plan must be submitted to the office of financial management and the transportation committees of the legislature by December 31, 2013. The plan must include:

- (a) An inventory of all currently owned and leased buildings, including tunnel and bridge operation or maintenance facilities, and traffic management centers as provided by the state's facilities inventory process prescribed by the office of financial management annually by September 1st;
- (b) A land inventory, as of July 2013, including an indication of whether the land is being held for right-of-way, disposition, or future operational facilities;
- (c) A prioritized list of all facilities that are planned to be constructed, renovated, or remodeled in the next ten years, including each facilities' purpose and use, and the funding source indicating whether the funding that is assumed for the facility improvements is project or operational funding;

(d) A list of options for consolidating staff, equipment, and operational activities to reduce costs with an emphasis on consolidating facilities from leased facilities into state-owned facilities. New locations for a permanent state program or activity, unless a life-cycle cost analysis supports leasing in lieu of ownership or funds are not available for construction, should be state-owned facilities;

(e) A department-wide coordinated process and plan for regularly evaluating facility needs, which includes all facilities in the inventory under (a) of this subsection; and

(f) A list of department-owned property that can be declared surplus property.

(2) Except as provided otherwise in this act, the department of transportation may not enter into new leases, equal value exchanges,

or property transactions, including land acquisitions, except for right-of-way purchases for projects on the legislative project lists, without first consulting with the office of financial management.

NEW SECTION. Sec. 606. FOR THE DEPARTMENT OF TRANSPORTATION

As part of its 2014 supplemental budget submittal, the department shall provide a report to the legislature and the office of financial management that:

(1) Identifies, by capital project, the amount of state funding that has been reappropriated from the 2011-2013 fiscal biennium into the 2013-2015 fiscal biennium; and

(2) Identifies, for each project, the amount of cost savings or increases in funding that have been identified as compared to the 2013 enacted omnibus transportation appropriations act.

NEW SECTION. Sec. 607. FOR THE DEPARTMENT OF TRANSPORTATION

The department of transportation, in conjunction with the office of minority and women's business enterprises, shall review the city of Seattle's minority and women's business enterprise inclusion plans that the city has implemented. The review should include a comparison between the existing state process and the city of Seattle inclusion process for bidding construction projects. As part of the review, any identified advantages or disadvantages along with any realized benefits that the city of Seattle has experienced should be included in a report that is due to the transportation committees of the legislature by December 1, 2013.

NEW SECTION. Sec. 608. VOLUNTARY RETIREMENT AND SEPARATION INCENTIVES

As a management tool to reduce costs and make more effective use of resources, while improving employee productivity and morale, agencies may implement a voluntary retirement and/or separation program that is cost neutral or results in cost savings, including costs to the state pension systems, over a two-year period following the commencement of the program, provided that the program is approved by the director of financial management. Agencies participating in this authorization may offer voluntary retirement and/or separation incentives and options according to procedures and guidelines established by the office of financial management, in consultation with the office of the state human resources director and the department of retirement systems. The options may include, but are not limited to, financial incentives for voluntary separation or retirement. An employee does not have any contractual right to a financial incentive offered pursuant to this section. Offers must be reviewed and monitored jointly by the office of the state human resources director and the department of retirement systems. Agencies must submit a report by June 30, 2015, to the legislature and the office of financial management on the outcome of their approved incentive program. The report should include information on the details of the program, including the incentive payment amount for each participant, the total cost to the state, and the projected or actual net dollar savings over the two-year period.

The department of retirement systems may collect from employers the actuarial cost of any incentive provided under this program, or any other incentive to retire provided by employers to members of the state's pension systems, for deposit in the appropriate pension account.

NEW SECTION. Sec. 609. COMPENSATION--REVISE PENSION CONTRIBUTION RATES

The appropriations for school districts and state agencies, including institutions of higher education, are subject to the following conditions and limitations: Appropriations are adjusted to reflect changes to agency appropriations to reflect pension contribution rates adopted by the pension funding council and the law enforcement officers' and firefighters' retirement system plan 2 board.

NEW SECTION. Sec. 610. FOR THE DEPARTMENT OF TRANSPORTATION

The department of transportation may provide up to \$3,000,000 in toll credits to Kitsap Transit for its role in passenger-only ferry service and ferry corridor-related projects. The number of toll credits provided must be equal to, but no more than, the number sufficient to meet federal match requirements for grant funding for passenger-only ferry service, but must not exceed the amount authorized in this section.

NEW SECTION. Sec. 611. To the extent that any appropriation authorizes expenditures of state funds from the motor vehicle account, special category C account, Tacoma Narrows toll bridge account, transportation 2003 account (nickel account), transportation partnership account, transportation improvement account, Puget Sound capital construction account, multimodal transportation account, state route number 520 corridor account, or other transportation capital project account in the state treasury for a state transportation program that is specified to be funded with proceeds from the sale of bonds authorized in chapter 47.10 RCW, the legislature declares that any such expenditures made prior to the issue date of the applicable transportation bonds for that state transportation program are intended to be reimbursed from proceeds of those transportation bonds in a maximum amount equal to the amount of such appropriation.

NEW SECTION. Sec. 612. WEB SITE REPORTING REQUIREMENTS FOR THE DEPARTMENT OF TRANSPORTATION

(1) The department of transportation shall post on its web site every report that is due from the department to the legislature during the 2013-2015 fiscal biennium on one web page. The department must post both completed reports and planned reports on a single web page.

The department may issue, buy, and redeem bonds, and deposit and expend them; secure and remit financial and other

assistance in the construction of high occupancy toll lanes, carry insurance, and handle any other matters pertaining to the high occupancy toll lane pilot project.

(2) Tolls for high occupancy toll lanes will be established as follows:

(a) The schedule of toll charges for high occupancy toll lanes must be established by the transportation commission and collected in a manner determined by the commission.

(b) Toll charges shall not be assessed on transit buses and vanpool vehicles owned or operated by any public agency.

(c) The department shall establish performance standards for the state route 167 high occupancy toll lane pilot project. The department must automatically adjust the toll charge, using dynamic tolling, to ensure that toll-paying single-occupant vehicle users are only permitted to enter the lane to the extent that average vehicle speeds in the lane remain above forty-five miles per hour at least ninety percent of the time during peak hours. The toll charge may vary in amount by time of day, level of traffic congestion within the highway facility, vehicle occupancy, or other criteria, as the commission may deem appropriate. The commission may also vary toll charges for single-occupant inherently low-emission vehicles such as those powered by electric batteries, natural gas, propane, or other clean burning fuels.

(d) The commission shall periodically review the toll charges to determine if the toll charges are effectively maintaining travel time, speed, and reliability on the highway facilities.

(3) The department shall monitor the state route 167 high occupancy toll lane pilot project and shall annually report to the transportation commission and the legislature on operations and findings. At a minimum, the department shall provide facility use data and review the impacts on:

(a) Freeway efficiency and safety;

(b) Effectiveness for transit;

(c) Person and vehicle movements by mode;

(d) Ability to finance improvements and transportation services through tolls; and

(e) The impacts on all highway users. The department shall analyze aggregate use data and conduct, as needed, separate surveys to assess usage of the facility in relation to geographic, socioeconomic, and demographic information within the corridor in order to ascertain actual and perceived questions of equitable use of the facility.

(4) The department shall modify the pilot project to address identified safety issues and mitigate negative impacts to high occupancy vehicle lane users.

(5) Authorization to impose high occupancy vehicle tolls for the state route 167 high occupancy toll pilot project expires if either of the following two conditions apply:

(a) If no contracts have been let by the department to begin construction of the toll facilities associated with this pilot project within four years of July 24, 2005; or

(b) If high occupancy vehicle tolls are being collected on June 30, (~~2013~~) 2015.

(6) The department of transportation shall adopt rules that allow automatic vehicle identification transponders used for electronic toll collection to be compatible with other electronic payment devices or transponders from the Washington state ferry system, other public transportation systems, or other toll collection systems to the extent that technology permits.

(7) The conversion of a single existing high occupancy vehicle lane to a high occupancy toll lane as proposed for SR-167 must be taken as the exception for this pilot project.

(8) A violation of the lane restrictions applicable to the high occupancy toll lanes established under this section is a traffic infraction.

(9) Procurement activity associated with this pilot project shall be open and competitive in accordance with chapter 39.29 RCW.

Sec. 710. RCW 47.56.876 and 2011 c 367 s 720 are each amended to read as follows:

All state route number 520 bridge replacement and HOV program civil penalties generated from the nonpayment of tolls on the state route number 520 corridor must be deposited into the account, as provided under RCW 47.56.870(4)(b)(vii). Moneys in the account may be spent only after appropriation. Expenditures from the account may be used to fund any project within the state route number 520 bridge replacement and HOV program, including mitigation. During the 2011-2013 and 2013-2015 fiscal ((biennium)) biennia, the legislature may transfer from the state route number 520 civil penalties account to the state route number 520 corridor account such amounts as reflect the excess fund balance of the state route number 520 civil penalties account. Funds transferred must be used solely for capital expenditures for the state route number 520 bridge replacement and HOV project (8BI1003).

((2) This section is contingent on the enactment by June 30, 2010, of either chapter 249, Laws of 2010 or chapter . . . (Substitute House Bill No. 2897), Laws of 2010, but if the enacted bill does not designate the department as the toll penalty adjudicating agency, this section is null and void.)

Sec. 711. RCW 46.63.170 and 2012 c 85 s 3 and 2012 c 83 s 7 are each reenacted and amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must prepare an analysis of the locations within the jurisdiction where automated traffic safety cameras are proposed to be located: (i) Before enacting an ordinance allowing for the initial use of automated traffic safety cameras; and (ii) before adding additional cameras or relocating any existing camera to a new location within the jurisdiction. Automated traffic safety cameras may be used to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance. Beginning one year after June 7, 2012, cities and counties using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic safety camera is located as well as the number of notices of infraction issued for each camera and any other relevant information about the automated traffic safety cameras that the city or county deems appropriate on the city's or county's web site.

(b) Use of automated traffic safety cameras is restricted to the following locations only: (i) Intersections of two arterials with traffic control signals that have yellow change interval durations in accordance with RCW 47.36.022, which interval durations may not be reduced after placement of the camera; (ii) railroad crossings; and (iii) school speed zones.

(c) During the 2011-2013 and 2013-2015 fiscal ((biennium)) biennia, automated traffic safety cameras may be used to detect speed violations for the purposes of section 201(2), chapter 367, Laws of 2011 and section 201(4) of this act if the local legislative authority first enacts an ordinance authorizing the use of cameras to detect speed violations.

(d) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle. The primary purpose of camera placement is to take pictures of the vehicle and vehicle license plate when an infraction is occurring. Cities and counties shall consider installing

cameras in a manner that minimizes the impact of camera flash on drivers.

(e) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

(f) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(d) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

(g) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

(h) All locations where an automated traffic safety camera is used must be clearly marked at least thirty days prior to activation of the camera by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

(i) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(3). The amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction. However, the amount of the fine issued for a traffic control signal violation detected through the use of an automated traffic safety camera shall not exceed the monetary penalty for a violation of RCW 46.61.050 as provided under RCW 46.63.110, including all applicable statutory assessments.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car

business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit in a school speed zone as detected by a speed measuring device. During the 2011-2013 and 2013-2015 fiscal ((biennium)) biennia, an automated traffic safety camera includes a camera used to detect speed violations for the purposes of section 201(2), chapter 367, Laws of 2011 and section 201(4) of this act.

(6) During the 2011-2013 and 2013-2015 fiscal ((biennium)) biennia, this section does not apply to automated traffic safety cameras for the purposes of section 216(5), chapter 367, Laws of 2011 and section 216(6) of this act.

Sec. 712. RCW 46.20.745 and 2012 c 183 s 10 are each amended to read as follows:

(1) The ignition interlock device revolving account program is created within the department to assist in covering the monetary costs of installing, removing, and leasing an ignition interlock device, and applicable licensing, for indigent persons who are required under RCW 46.20.385, 46.20.720, and 46.61.5055 to install an ignition interlock device in all vehicles owned or operated by the person. For purposes of this subsection, "indigent" has the same meaning as in RCW 10.101.010, as determined by the department. During the 2013-2015 fiscal biennium, the ignition interlock device revolving account program also includes ignition interlock enforcement work conducted by the Washington state patrol.

(2) A pilot program is created within the ignition interlock device revolving account program for the purpose of monitoring compliance by persons required to use ignition interlock devices and by ignition interlock companies and vendors.

(3) The department, the state patrol, and the Washington traffic safety commission shall coordinate to establish a compliance pilot program that will target at least one county from eastern Washington and one county from western Washington, as determined by the department, state patrol, and Washington traffic safety commission.

(4) At a minimum, the compliance pilot program shall:

(a) Review the number of ignition interlock devices that are required to be installed in the targeted county and the number of ignition interlock devices actually installed;

(b) Work to identify those persons who are not complying with ignition interlock requirements or are repeatedly violating ignition interlock requirements; and

(c) Identify ways to track compliance and reduce noncompliance.

(5) As part of monitoring compliance, the Washington traffic safety commission shall also track recidivism for violations of RCW 46.61.502 and 46.61.504 by persons required to have an ignition interlock driver's license under RCW 46.20.385 and 46.20.720.

Sec. 713. RCW 46.68.370 and 2011 c 367 s 716 are each amended to read as follows:

The license plate technology account is created in the state treasury. All receipts collected under RCW 46.17.015 must be deposited into this account. Expenditures from this account must support current and future license plate technology and systems integration upgrades for both the department and correctional industries. Moneys in the account may be spent only after appropriation. Additionally, the moneys in this account may be used to reimburse the motor vehicle account for any appropriation made to implement the digital license plate system. During the 2011-2013 and 2013-2015 fiscal ((biennium)) biennia, the legislature may transfer from the license plate technology account to the highway safety account [fund] such amounts as reflect the excess fund balance of the license plate technology account.

Sec. 714. RCW 47.12.244 and 2011 c 367 s 717 are each amended to read as follows:

There is created the "advance right-of-way revolving fund" in the custody of the treasurer, into which the department is authorized to deposit directly and expend without appropriation:

(1) An initial deposit of ten million dollars from the motor vehicle fund included in the department of transportation's 1991-93 budget;

(2) All moneys received by the department as rental income from real properties that are not subject to federal aid reimbursement, except moneys received from rental of capital facilities properties as defined in chapter 47.13 RCW; and

(3) Any federal moneys available for acquisition of right-of-way for future construction under the provisions of section 108 of Title 23, United States Code.

During the ~~((2009-2011 and))~~ 2011-2013 and 2013-2015 fiscal biennia, the legislature may transfer from the advance right-of-way revolving fund to the motor vehicle account amounts as reflect the excess fund balance of the advance right-of-way revolving fund.

Sec. 715. RCW 47.12.340 and 2010 c 247 s 703 are each amended to read as follows:

The advanced environmental mitigation revolving account is created in the custody of the treasurer, into which the department shall deposit directly and may expend without appropriation:

(1) An initial appropriation included in the department of transportation's 1997-99 budget, and deposits from other identified sources;

(2) All moneys received by the department from internal and external sources for the purposes of conducting advanced environmental mitigation; and

(3) Interest gained from the management of the advanced environmental mitigation revolving account.

(4) During the ~~((2009-2011 fiscal biennium))~~ 2011-2013 and 2013-2015 fiscal biennia, the legislature may transfer from the advanced environmental mitigation revolving account to the motor vehicle account such amounts as reflect the excess fund balance of the advanced environmental mitigation revolving account.

- (v) Cleanup and disposal of hazardous substances from abandoned or derelict vessels, defined for the purposes of this section as vessels that have little or no value and either have no identified owner or have an identified owner lacking financial resources to clean up and dispose of the vessel, that pose a threat to human health or the environment.

- (b) Funds for plans and programs shall be allocated consistent with the priorities and matching requirements established in chapters 70.105, 70.95C, 70.95I, and 70.95 RCW, except that any applicant that is a Puget Sound partner, as defined in RCW 90.71.010, along with any project that is referenced in the action agenda developed by the Puget Sound partnership under RCW 90.71.310, shall, except as conditioned by RCW 70.105D.120, receive priority for any available funding for any grant or funding programs or sources that use a competitive bidding process. During the 2007-2009 fiscal biennium, moneys in the account may also be used for grants to local governments to retrofit public sector diesel equipment and for storm water planning and implementation activities.

- (c) To expedite cleanups throughout the state, the department shall partner with local communities and liable parties for cleanups. The department is authorized to use the following additional strategies in order to ensure a healthful environment for future generations:

- (i) The director may alter grant-matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

- (A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

- (B) Funding would create new substantial economic development, public recreational, or habitat restoration opportunities that would not otherwise occur; or

- (C) Funding would create an opportunity for acquisition and redevelopment of vacant, orphaned, or abandoned property under RCW 70.105D.040(5) that would not otherwise occur;

- (ii) The use of outside contracts to conduct necessary studies;

- (iii) The purchase of remedial action cost-cap insurance, when necessary to expedite multiparty clean-up efforts.

- (4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

- (5) Except during the 2011-2013 fiscal biennium, one percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

- (6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation, or, after January 1, 2010, for projects designed to address the restoration of Puget Sound,

(7) The department shall adopt rules for grant or loan issuance and performance.

(8) During the 2011-2013 fiscal biennium, the legislature may transfer from the local toxics control account to the state toxics control account such amounts as reflect excess fund balance in the account.

(9) During the 2011-2013 fiscal biennium, the local toxics control account may also be used for local government shoreline update grants and actions for reducing public exposure to toxic air pollution; funding to local governments for flood levee improvements; and grants to local governments for brownfield redevelopment.

Sec. 717. RCW 46.63.180 and 2011 c 375 s 2 are each amended to read as follows:

(1) School districts may install and operate automated school bus safety cameras on school buses to be used for the detection of violations of RCW 46.61.370(1) if the use of the cameras is approved by a vote of the school district board of directors. School districts are not required to take school buses out of service if the buses are not equipped with automated school bus safety cameras or functional automated safety cameras. Further, school districts shall be held harmless from and not liable for any criminal or civil liability arising under the provisions of this section.

(a) Automated school bus safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle.

(b) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (2)(a)(i) of this section. The law enforcement officer issuing the notice of infraction shall include a certificate or facsimile of the notice, based upon inspection of photographs, microphotographs, or electronic images produced by an automated school bus safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated school bus safety camera may respond to the notice by mail.

(c) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(e) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (2) of this section. If appropriate under the circumstances, a renter identified under subsection (2)(a)(i) of this section is responsible for an infraction.

(d) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

(e) If a school district installs and operates an automated school bus safety camera under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in

support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment. Further, any repair, replacement, or administrative work costs related to installing or repairing automated school bus safety cameras must be solely paid for by the manufacturer or vendor of the cameras. Before entering into a contract with the manufacturer or vendor of the equipment used under this subsection (1)(e), the school district must follow the competitive bid process as outlined in RCW 28A.335.190(1).

(f) Any revenue collected from infractions detected through the use of automated school bus safety cameras, less the administration and operating costs of the cameras, must be remitted to school districts for school zone safety projects as determined by the school district using the automated school bus safety cameras. The administration and operating costs of the cameras includes infraction enforcement and processing costs that are incurred by local law enforcement or local courts. During the 2013-2015 fiscal biennium, the infraction revenue may also be used for school bus safety projects by those school districts eligible to apply for funding from the school zone safety account appropriation in section 201 of this act.

(2)(a) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction is issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(i) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred;

(ii) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection (2)(a)(ii) must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(iii) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

(b) Timely mailing of a statement under this subsection to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(3) For purposes of this section, "automated school bus safety camera" means a device that is affixed to a school bus that is synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a vehicle at the time the vehicle is detected for an infraction identified in RCW 46.61.370(1).

Sec. 718. RCW 46.68.060 and 2011 c 367 s 718 and 2011 c 298 s 26 are each reenacted and amended to read as follows:

There is hereby created in the state treasury a fund to be known as the highway safety fund to the credit of which must be deposited all moneys directed by law to be deposited therein. This fund must be used for carrying out the provisions of law relating to driver licensing, driver improvement, financial responsibility, cost of furnishing abstracts of driving records and maintaining such case records, and to carry out the purposes set forth in RCW 43.59.010, and chapters 46.72 and 46.72A RCW. During the ~~((2009-2011 and))~~ 2011-2013 and 2013-2015 fiscal biennia, the legislature may transfer from the highway safety fund to the Puget Sound ferry operations account, the motor vehicle fund, and the multimodal transportation account such amounts as reflect the excess fund balance of the highway safety fund.

(1) Consistent with RCW 43.135.055, 47.60.290, and 47.60.315, during the 2011-2013 fiscal biennium, the legislature authorizes the transportation commission to periodically review and, if necessary, adjust the schedule of fares for the Washington state ferry system only in amounts not greater than those sufficient to generate the amount of revenue required by the biennial transportation budget. When adjusting ferry fares, the commission must consider input from affected ferry users by public hearing and by review with the affected ferry advisory committees, in addition to the data gathered from the current ferry user survey.

(2) Consistent with RCW 43.135.055 and 47.46.100, during the 2011-2013 fiscal biennium, the legislature authorizes the transportation commission to periodically review and, if necessary, adjust the schedule of toll charges applicable to the Tacoma Narrows bridge only in amounts not greater than those sufficient to support (a) any required costs for operating and maintaining the toll bridge, including the cost of insurance, (b) any amount required by law to meet the redemption of bonds and applicable interest payments, and (c) repayment of the motor vehicle fund.

TOTAL APPROPRIATION	((\$380,709,000))
\$386,759,000	

The appropriations in this section are subject to the following conditions and limitations:

(1) The department shall request an unanticipated receipt for any federal moneys received for emergency snow and ice removal (~~and shall place an equal amount of the motor vehicle account--state~~

~~appropriation into unallotted status. This exchange shall not affect the amount of funding available for snow and ice removal).~~

(2) (~~(\$7,000,000)~~) \$7,850,000 of the motor vehicle account--state appropriation is provided solely for third-party damages to the highway system where the responsible party is known and reimbursement is anticipated. Sec. 815. 2012 c 86 s 216 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF TRANSPORTATION--TRAFFIC
OPERATIONS--PROGRAM Q-- OPERATING

Motor Vehicle Account--State Appropriation	((\$48,818,000))
\$48,741,000	
Motor Vehicle Account--Federal Appropriation	\$2,050,000
Motor Vehicle Account--Private/Local Appropriation	\$250,000
TOTAL APPROPRIATION	((\$51,118,000))
\$51,041,000	

The appropriations in this section are subject to the following conditions and limitations:

(1) \$6,000,000 of the motor vehicle account--state appropriation is provided solely for low-cost enhancements. Of this amount, \$10,000 of the motor vehicle account--state appropriation is provided solely for the department to install additional farm machinery signs to promote safety in agricultural areas along state highways. The department shall give priority to low-cost enhancement projects that improve safety or provide congestion relief. The department shall prioritize low-cost enhancement projects on a statewide rather than regional basis. By September 1st of each even-numbered year, the department shall provide a report to the legislature listing all low-cost enhancement projects prioritized on a statewide rather than regional basis completed in the prior year.

(2) \$145,000 of the motor vehicle account--state appropriation is provided solely for the department to continue a pilot tow truck incentive program and to expand the program to other areas of the state. The department may provide incentive payments to towing companies that meet clearance goals on accidents that involve heavy trucks.

(3) During the 2011-2013 fiscal biennium, the department shall implement a pilot program that expands private transportation providers' access to high occupancy vehicle lanes. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, the following vehicles must be authorized to use the reserved portion of the highway if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle: (a) Auto transportation company vehicles regulated under chapter 81.68 RCW; (b) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (c) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (d) private employer transportation service vehicles. For purposes of this subsection, "private employer transportation service" means regularly scheduled, fixed-route transportation service that is offered by an employer for the benefit of its employees. By June 30, 2013, the department shall report to the transportation committees of the legislature on whether private transportation provider use of high occupancy vehicle lanes under the pilot program reduces the speeds of high occupancy vehicle lanes. Nothing in this subsection is intended to authorize the conversion of public infrastructure to private, for-profit purposes or to otherwise create an entitlement or other claim by private users to public infrastructure. If chapter ... (Substitute Senate Bill No. 5836), Laws of 2011 is enacted by June 30, 2011, this subsection is null and void.

(4) \$9,000,000 of the motor vehicle account--state appropriation is provided solely for the department's incident response program.

(5) The department, in consultation with the Washington state patrol, must continue a pilot program for the patrol to issue infractions based on information from automated traffic safety cameras in roadway construction zones on state highways. The department must report to the joint transportation committee by January 1, 2012, and January 1, 2013, on the status of this pilot program. For the purpose of this pilot program, during the 2011-2013 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors may be present or where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2011-2013 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(3). However, the amount of the fine issued under this subsection (5) for an infraction

generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

(6) The department shall track the costs associated with active traffic management systems on a corridor basis and report to the transportation committees of the legislature on the cost and benefits of the systems by December 1, 2011.

To receive a grant, the transit agency must have a maintenance of effort for special needs transportation that is no less than the previous year's maintenance of effort for special needs transportation. Grants for transit agencies must be prorated based on the amount expended for demand response service and route deviated service in calendar year 2009 as reported in the "Summary of Public Transportation - 2009" published by the department of transportation. The department shall review all projects receiving grant awards under this program at least semiannually to determine whether the projects are making satisfactory progress. Any project that has been awarded funds, but does not report activity on the project within one year of the grant award, must be reviewed by the department to determine whether the grant should be terminated. The department shall promptly close out grants when projects have been completed, and any remaining funds must be used only to fund projects identified in the LEAP transportation document referenced in this subsection. (4) The department shall request from the United States coast guard variable minimum staffing levels on all of its vessels by December 31, 2011.

(5) The department shall continue to provide service to Sidney, British Columbia and shall explore the option of purchasing a foreign built vehicle and passenger ferry vessel either with safety of life at sea (SOLAS) certification or the ability to be retrofitted for SOLAS certification to operate solely on the Anacortes to Sidney, British Columbia route currently served by vessels of the Washington state ferries fleet. The vessel should have the capability of carrying at least one hundred standard vehicles and approximately four hundred to five hundred passengers. Further, the department shall explore the possibilities of contracting a commercial company to operate the vessel exclusively on this route so long as the contractor's employees assigned to the vessel are represented by the same employee organizations as the Washington state ferries. The department shall report back to the transportation committees of the legislature regarding: The availability of a vessel; the cost of the vessel, including transport to the Puget Sound region; and the need for any

statutory changes for the operation of the Sydney, British Columbia service by a private company.

(6) For the 2011-2013 fiscal biennium, the department of transportation may enter into a distributor controlled fuel hedging program and other methods of hedging approved by the fuel hedging committee.

Findings and recommendations must be reported to the office of financial management and the joint transportation committee by September 1, 2011.

(11) Two Kwa-di-tabil class ferry vessels must be placed on the Port Townsend/Coupeville (Keystone) route to provide service at the same levels provided when the steel electric vessels were in service. (i) The impact that light rail service in the corridor will have on estimated toll revenues;

(ii) The level of diversion from the Interstate 5 corridor and the impact on estimated toll revenues; and

(iii) The estimated toll revenues from vehicle trips originating within the region and outside the region by vehicle type.

(c) The department must submit a report of findings to the transportation committees of the legislature by July 1, 2013.

A report must be provided to the transportation committees of the legislature and the office of financial management by January 2012. However, this subsection ~~((33))~~ (32)(b) is null and void if chapter . . . (Engrossed House Bill No. 1382), Laws of 2011 (I-405 express toll lanes) is enacted by June 30, 2011.

(c) ~~(Of the amount appropriated in (a) of this subsection,~~ \$15,000,000 of the transportation partnership account--state appropriation is provided solely for the preliminary design and purchase of rights-of-way on the state route number 167 direct connector. (39) Any savings on projects on the state route number 532 corridor must be used within the corridor to begin work on flood prevention and raising portions of the highway above flood and storm influences.

(40) The total appropriation provided in this section assumes enactment of chapter . . . (Second Substitute Senate Bill No. 5250), Laws of 2012 (design-build procedures) and reflects efficiencies and cost savings generated by this innovative design and contracting tool.

(ii) Self-sustaining economic development that creates family-wage jobs;

(iii) Preservation of transportation corridors that would otherwise be lost;

(iv) Increased access to efficient and cost-effective transport to market for Washington's agricultural and industrial products;

(v) Better integration and cooperation within the regional, national, and international systems of freight distribution; and

At one and one-half percent of the total project funds, the multimodal transportation account--state funds are provided solely for expenditures that are not federally reimbursable. Funding in this subsection is the initial portion of multiyear high-speed rail program grants awarded to Washington state for high-speed intercity passenger rail investments. Funding will allow for two additional round trips between Seattle and Portland and other rail improvements.

(8) \$750,000 of the multimodal transportation account--state appropriation is provided solely for the Port of Royal Slope rehabilitation project (L1000053). Funding is contingent upon the project completing the rail cost-benefit methodology process developed during the 2008 interim using the legislative priorities outlined in subsection (2)(c) of this section.
