

**TERRITORIAL ASSEMBLY
1854-1887**

*Information taken from "Members of the Territorial Legislature 1854 - 1887"
Compiled by Ellen Levesque, Washington State Library, Olympia, WA
October 1989*

Explanatory notes

The information found in this document was gathered from several sources:

California researcher Sally Owen spent several days at the Washington State Library reading through the Journals of both the House and Council, extracting as much information as possible. There were, however, some gaps in this source.

Beginning in August of 1989, Washington/Northwest Room Library Technician Ellen Levesque began a listing of the Territorial Legislators found in an old card file of State Officials. In comparing this information with that compiled by Sally Owen, she was able to fill in several missing pieces of information. Then using Federal Census Indexes for 1860, 1870 and 1880, as well as newspaper accounts and the Washington/Northwest Room biographical index file, many other gaps were filled. Since the original Journals often listed members by initials only, this included finding the whole name of as many members as possible. Unfortunately, it was impossible to find every one.
