Following the names of such majority candidates, under the designation "Vote for —," the names of the minority candidates who have received the highest number of votes at the primary election equal to twice the number of the remaining places to be filled shall be printed: *Provided, further,* that the secretary of state, or other proper certifying officer, in certifying to the several county auditors of the state the names of candidates for judicial offices shall specify the names of those who have received a majority vote at such primary election, together with the names of the minority candidates who are entitled to have their names placed upon the official ballot. For the purpose of determining whether any candidate or candidates shall have received a majority of the votes cast under the provisions of this section the number of votes cast shall be determined by adding together the number of votes cast for each candidate and dividing the sum of such votes by the number of positions to be filled, and any candidate who receives a number of votes in excess of one-half of the votes cast as thus determined shall be deemed to have received a majority of the votes cast. If it shall appear that a number of candidates in excess of the number of positions to be filled shall have received a majority of votes cast, then there shall be printed upon the ballot only the names of the candidates who received the highest number of votes and equal to the number of places to be filled. The names of all such candidates for such judicial offices shall appear on the general election ballot under the heading: "Judicial Ticket." Where a vacancy or other cause shall necessitate the election of a judge for a short term, and at the same election one or more judges are to be elected for the full term candidates may announce themselves for either the short or full term, and the ballots shall be arranged accordingly.
