Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 5.** A new section is added to chapter 48.43 RCW to read as follows:

(1) For health plans issued or renewed on or after January 1, 2017:

(a) Benefits shall not be denied for any health care service performed by a pharmacist licensed under chapter 18.64 RCW if:

(i) The service performed was within the lawful scope of such person's license;

(ii) The plan would have provided benefits if the service had been performed by a physician licensed under chapter 18.71 or 18.57 RCW, an advanced registered nurse practitioner licensed under chapter 18.79 RCW, or a physician's assistant licensed under chapter 18.71A or 18.57A RCW; and

(iii) The pharmacist is included in the plan's network of participating providers; and

(b) The health plan must include an adequate number of pharmacists in its network of participating medical providers.

(2) The participation of pharmacies in the plan network's drug benefit does not satisfy the requirement that plans include pharmacists in their networks of participating medical providers.

(3) For health benefit plans issued or renewed on or after January 1, 2016, but before January 1, 2017, health plans that delegate credentialing agreements to contracted health care facilities must accept credentialing for pharmacists employed or contracted by those facilities. Health plans must reimburse facilities for covered services provided by network pharmacists within the pharmacists' scope of practice per negotiations with the facility.

(4) This section does not supersede the requirements of RCW 48.43.045.

Sec. 6. RCW 48.43.045 and 2007 c 253 s 12 are each amended to read as follows:

(1) Every health plan delivered, issued for delivery, or renewed by a health carrier on and after January 1, 1996, shall:

(a) Permit every category of health care provider to provide health services or care ((~~for conditions~~)) included in the basic ((~~health plan services~~)) essential health benefits benchmark plan established by the commissioner consistent with RCW 48.43.715, to the extent that:

(i) The provision of such health services or care is within the health care providers' permitted scope of practice; ((~~and~~))

(ii) The providers agree to abide by standards related to:

(A) Provision, utilization review, and cost containment of health services;

(B) Management and administrative procedures; and

(C) Provision of cost-effective and clinically efficacious health services; and

(iii) The plan covers such services or care in the essential health benefits benchmark plan. The reference to the essential health benefits does not create a mandate to cover a service that is otherwise not a covered benefit.

(b) Annually report the names and addresses of all officers, directors, or trustees of the health carrier during the preceding year, and the amount of wages, expense reimbursements, or other payments to such individuals, unless substantially similar information is filed with the commissioner or the national association of insurance commissioners. This requirement does not apply to a foreign or alien insurer regulated under chapter 48.20 or 48.21 RCW that files a supplemental compensation exhibit in its annual statement as required by law.

(2) The requirements of subsection (1)(a) of this section do not apply to a licensed health care profession regulated under Title 18 RCW when the licensing statute for the profession states that such requirements do not apply.

NEW SECTION. **Sec. 7.** (1) The insurance commissioner shall designate a lead organization to establish and facilitate an advisory committee to implement the provisions of section 1 of this act. The lead organization and advisory committee shall develop best practice recommendations on standards for credentialing, privileging, billing, and payment processes to ensure pharmacists are adequately included and appropriately utilized in participating provider networks of health plans. In developing these standards, the committee shall also discuss topics as they relate to implementation including current credentialing requirements for health care providers consistent with chapter 18.64 RCW, existing processes of similarly situated health care providers, pharmacist training, care coordination, and the role of pharmacist prescriptive authority agreements pursuant to WAC 246-863-100.

(2) The lead organization shall create an advisory committee including, but not limited to, representatives of the following stakeholders:

(a) The insurance commissioner or designee;

(b) The secretary of health or designee;

(c) An organization representing pharmacists;

(d) An organization representing physicians;

(e) An organization representing hospitals;

(f) A hospital conducting internal credentialing of pharmacists;

(g) A clinic with pharmacists providing medical services;

(h) A community pharmacy with pharmacists providing medical services;

(i) The two largest health carriers in Washington based upon enrollment;

(j) A health care system that coordinates care and coverage;

(k) A school or college of pharmacy in Washington;

(l) A representative from a pharmacy benefit manager or organization that represents pharmacy benefit managers; and

(m) Other representatives appointed by the insurance commissioner.

(3) No later than December 1, 2015, the advisory committee shall present initial best practice recommendations to the insurance commissioner and the department of health. If necessary, the insurance commissioner or department of health may adopt rules to implement the standards developed by the lead organization and advisory committee. The advisory committee will remain intact to assist the insurance commissioner or department of health in rule making. The rules adopted by the insurance commissioner or the department of health must be consistent with the recommendations developed by the advisory committee.

(4) For purposes of this section, "lead organization" means a private sector organization or organizations designated by the insurance commissioner to lead development of processes, guidelines, and standards to streamline health care administration to be adopted by payors and providers of health care services operating in the state."

Sec. 9. RCW 82.23B.010 and 1992 c 73 s 6 are each amended to read as follows:

(((~~3~~))) (4) "Department" means the department of revenue.

(((~~4~~))) (5) "Marine terminal" means a facility of any kind, other than a waterborne vessel, that is used for transferring crude oil or petroleum products to or from a waterborne vessel or barge.

(((~~5~~))) (6) "Navigable waters" means those waters of the state and their adjoining shorelines that are subject to the ebb and flow of the tide, including the Columbia and Snake rivers.

(((~~6~~))) (7) "Person" has the meaning provided in RCW 82.04.030.

(((~~8~~))) (9) "Tank car" means a rail car, the body of which consists of a tank for transporting liquids.

(10) "Taxpayer" means the person owning crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal in this state ((~~from a waterborne vessel or barge~~)) and who is liable for the taxes imposed by this chapter.

(((~~(9)~~))) (11) "Waterborne vessel or barge" means any ship, barge, or other watercraft capable of travelling on the navigable waters of this state and capable of transporting any crude oil or petroleum product in quantities of ten thousand gallons or more for purposes other than providing fuel for its motor or engine.

Sec. 10. RCW 82.23B.020 and 2006 c 256 s 2 are each amended to read as follows:

(1) An oil spill response tax is imposed on the privilege of receiving: (a) Crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state; and (b) crude oil at a bulk oil terminal within this state from a tank car. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal from a tank car or waterborne vessel or barge at the rate of one cent per barrel of crude oil or petroleum product received.

(2) In addition to the tax imposed in subsection (1) of this section, an oil spill administration tax is imposed on the privilege of receiving: (a) Crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state; and (b) crude oil at a bulk oil terminal within this state from a tank car. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal from a tank car or waterborne vessel or barge at the rate of four cents per barrel of crude oil or petroleum product.

(3) The taxes imposed by this chapter ((~~shall~~)) must be collected by the marine or bulk oil terminal operator from the taxpayer. If any person charged with collecting the taxes fails to bill the taxpayer for the taxes, or in the alternative has not notified the taxpayer in writing of the ((~~imposition of the~~)) taxes imposed, or having collected the taxes, fails to pay them to the department in the manner prescribed by this chapter, whether such failure is the result of the person's own acts or the result of acts or conditions beyond the person's control, he or she ((~~shall~~)), nevertheless, ((~~be~~)) is personally liable to the state for the amount of the taxes. Payment of the taxes by the owner to a marine or bulk oil terminal operator ((~~shall~~)) must relieve the owner from further liability for the taxes.

(4) Taxes collected under this chapter ((~~shall~~)) must be held in trust until paid to the department. Any person collecting the taxes who appropriates or converts the taxes collected ((~~shall be~~)) is guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. The taxes required by this chapter to be collected ((~~shall~~)) must be stated separately from other charges made by the marine or bulk oil terminal operator in any invoice or other statement of account provided to the taxpayer.

(5) If a taxpayer fails to pay the taxes imposed by this chapter to the person charged with collection of the taxes and the person charged with collection fails to pay the taxes to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the taxes.

(6) The taxes ((~~shall be~~)) are due from the marine or bulk oil terminal operator, along with reports and returns on forms prescribed by the department, within twenty-five days after the end of the month in which the taxable activity occurs.

(7) The amount of taxes, until paid by the taxpayer to the marine or bulk oil terminal operator or to the department, ((~~shall~~)) constitute a debt from the taxpayer to the marine or bulk oil terminal operator. Any person required to collect the taxes under this chapter who, with intent to violate the provisions of this chapter, fails or refuses to do so as required and any taxpayer who refuses to pay any taxes due under this chapter((~~, shall be~~)) is guilty of a misdemeanor as provided in chapter 9A.20 RCW.

(8) Upon prior approval of the department, the taxpayer may pay the taxes imposed by this chapter directly to the department. The department ((~~shall~~)) must give its approval for direct payment under this section whenever it appears, in the department's judgment, that direct payment will enhance the administration of the taxes imposed under this chapter. The department ((~~shall~~)) must provide by rule for the issuance of a direct payment certificate to any taxpayer qualifying for direct payment of the taxes. Good faith acceptance of a direct payment certificate by a terminal operator ((~~shall~~)) must relieve the marine or bulk oil terminal operator from any liability for the collection or payment of the taxes imposed under this chapter.

(9) All receipts from the tax imposed in subsection (1) of this section ((~~shall~~)) must be deposited into the state oil spill response account. All receipts from the tax imposed in subsection (2) of this section shall be deposited into the oil spill prevention account.

(10) Within forty-five days after the end of each calendar quarter, the office of financial management ((~~shall~~)) must determine the balance of the oil spill response account as of the last day of that calendar quarter. Balance determinations by the office of financial management under this section are final and ((~~shall~~)) may not be used to challenge the validity of any tax imposed under this chapter. The office of financial management ((~~shall~~)) must promptly notify the departments of revenue and ecology of the account balance once a determination is made. For each subsequent calendar quarter, the tax imposed by subsection (1) of this section shall be imposed during the entire calendar quarter unless:

(a) Tax was imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than nine million dollars; or

(b) Tax was not imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than eight million dollars.

Sec. 11. RCW 82.23B.030 and 1992 c 73 s 9 are each amended to read as follows:

The taxes imposed under this chapter ((~~shall~~)) only apply to the first receipt of crude oil or petroleum products at a marine or bulk oil terminal in this state and not to the later transporting and subsequent receipt of the same oil or petroleum product, whether in the form originally received at a marine or bulk oil terminal in this state or after refining or other processing.

Sec. 12. RCW 82.23B.040 and 1992 c 73 s 10 are each amended to read as follows:

Credit ((~~shall~~)) must be allowed against the taxes imposed under this chapter for any crude oil or petroleum products received at a marine or bulk oil terminal and subsequently exported from or sold for export from the state.

NEW SECTION. **Sec. 13.** A new section is added to chapter 90.56 RCW to read as follows:

(1) A facility that receives crude oil from a railroad car must provide advance notice to the department that the facility will receive crude oil from a railroad car, as provided in this section. The advance notice must include the route taken to the facility within the state, if known, and the scheduled time, location, volume, and gravity of the oil, as measured by standards developed by the American petroleum institute. Each week, a facility that provides advance notice under this section must provide the required information regarding the scheduled arrival of railroad cars carrying crude oil to be received by the facility in the succeeding seven-day period. A facility is not required to provide advance notice when there is no receipt of crude oil from a railroad car scheduled for a seven-day period.

(2) The department may share information provided by a facility through the advance notice system established in this section with the state emergency management division and any county, city, tribal, port, or local government emergency response agency upon request.

(3) The department must publish information collected under this section on a quarterly basis on the department's internet web site. The information published by the department must be aggregated on a statewide basis and may include other information available to the department including, but not limited to, place of origin, modes of transport, number of railroad cars delivering crude oil, and number and volume of spills during transport and delivery. The department must publish routes to facilities within the state, but may not include specific information about volume or gravity of oil, as measured by the standards developed by the American petroleum institute transported to any particular facility along the routes.

(4) A facility providing advance notice under this section is not responsible for meeting advance notice time frame requirements under subsection (1) of this section in the event that the schedule of arrivals of railroad cars carrying crude oil changes during a seven-day period.

(5) Consistent with the requirements of chapter 42.56 RCW, the department and any state, local, tribal, or public agency that receives information provided under this section may not disclose any such information to the public or to nongovernmental entities that is not aggregated and that contains proprietary, commercial, or financial information. The requirement for aggregating information does not apply when information is shared by the department with emergency response agencies as provided in subsection (2) of this section.

(6) The department shall adopt rules to implement this section. The advance notice system required in this section must be consistent with the oil transfer reporting system adopted by the department pursuant to RCW 88.46.165.

If the director's recommendations are adverse to the plan as submitted, and, if the local organization does not agree to the director's recommendations for modification to the proposal, the matter shall be referred to the council for final action. The director may authorize two or more political subdivisions to join in the establishment and operation of a joint local organization for emergency management as circumstances may warrant, in which case each political subdivision shall contribute to the cost of emergency management upon such fair and equitable basis as may be determined upon by the executive heads of the constituent subdivisions. If in any case the executive heads cannot agree upon the proper division of cost the matter shall be referred to the council for arbitration and its decision shall be final. Strike everything after the enacting clause and insert the following:

"**Sec. 30.** RCW 90.56.005 and 2010 1st sp.s. c 7 s 72 are each amended to read as follows:

(1) The legislature declares that waterborne transportation as a source of supply for oil and hazardous substances poses special concern for the state of Washington. Each year billions of gallons of crude oil and refined petroleum products are transported as cargo and fuel by vessels on the navigable waters of the state. The movement of crude oil through rail corridors and over Washington waters creates safety and environmental risks. The sources and transport of crude oil bring risks to our communities along rail lines and to the Columbia river, Grays Harbor, and Puget Sound waters. These shipments are expected to increase in the coming years. Vessels and trains transporting oil into Washington travel on some of the most unique and special marine environments in the United States. These marine environments are a source of natural beauty, recreation, and economic livelihood for many residents of this state. As a result, the state has an obligation to ensure the citizens of the state that the waters of the state will be protected from oil spills.

(2) The legislature finds that prevention is the best method to protect the unique and special marine environments in this state. The technology for containing and cleaning up a spill of oil or hazardous substances is at best only partially effective. Preventing spills is more protective of the environment and more cost-effective when all the response and damage costs associated with responding to a spill are considered. Therefore, the legislature finds that the primary objective of the state is to achieve a zero spills strategy to prevent any oil or hazardous substances from entering waters of the state.

(3) The legislature also finds that:

(a) Recent accidents in Washington, Alaska, southern California, Texas, Pennsylvania, and other parts of the nation have shown that the transportation, transfer, and storage of oil have caused significant damage to the marine environment;

(b) Even with the best efforts, it is nearly impossible to remove all oil that is spilled into the water, and average removal rates are only fourteen percent;

(c) Washington's navigable waters are treasured environmental and economic resources that the state cannot afford to place at undue risk from an oil spill;

(d) The state has a fundamental responsibility, as the trustee of the state's natural resources and the protector of public health and the environment to prevent the spill of oil; and

(e) In section 5002 of the federal oil pollution act of 1990, the United States congress found that many people believed that complacency on the part of industry and government was one of the contributing factors to the Exxon Valdez spill and, further, that one method to combat this complacency is to involve local citizens in the monitoring and oversight of oil spill plans. Congress also found that a mechanism should be established that fosters the long-term partnership of industry, government, and local communities in overseeing compliance with environmental concerns in the operation of crude oil terminals. Moreover, congress concluded that, in addition to Alaska, a program of citizen monitoring and oversight should be established in other major crude oil terminals in the United States because recent oil spills indicate that the safe transportation of oil is a national problem.

(4) In order to establish a comprehensive prevention and response program to protect Washington's waters and natural resources from spills of oil, it is the purpose of this chapter:

(a) To establish state agency expertise in marine safety and to centralize state activities in spill prevention and response activities;

(b) To prevent spills of oil and to promote programs that reduce the risk of both catastrophic and small chronic spills;

(c) To ensure that responsible parties are liable, and have the resources and ability, to respond to spills and provide compensation for all costs and damages;

(d) To provide for state spill response and wildlife rescue planning and implementation;

(e) To support and complement the federal oil pollution act of 1990 and other federal law, especially those provisions relating to the national contingency plan for cleanup of oil spills and discharges, including provisions relating to the responsibilities of state agencies designated as natural resource trustees. The legislature intends this chapter to be interpreted and implemented in a manner consistent with federal law;

(f) To provide broad powers of regulation to the department of ecology relating to spill prevention and response;

(g) To provide for independent review on an ongoing basis the adequacy of oil spill prevention, preparedness, and response activities in this state; ((~~and~~))

(h) To provide an adequate funding source for state response and prevention programs; and

(i) To maintain the best achievable protection that can be obtained through the use of the best achievable technology and those staffing levels, training procedures, and operational methods that provide the greatest degree of protection achievable.

(3) The department by rule shall determine the contingency plan requirements for railroads transporting oil in bulk. Federal oil spill response plans created pursuant to 33 U.S.C. Sec. 1321 may be submitted in lieu of contingency plans until state rules are adopted.

(4)(a) The owner or operator of a facility shall submit the contingency plan for the facility.

(b) A person who has contracted with a facility to provide containment and cleanup services and who meets the standards established pursuant to RCW 90.56.240, may submit the plan for any facility for which the person is contractually obligated to provide services. Subject to conditions imposed by the department, the person may submit a single plan for more than one facility.

(((~~(4)~~))) (5) A contingency plan prepared for an agency of the federal government or another state that satisfies the requirements of this section and rules adopted by the department may be accepted by the department as a contingency plan under this section. The department shall ensure that to the greatest extent possible, requirements for contingency plans under this section are consistent with the requirements for contingency plans under federal law.

(((~~(5)~~))) (6) In reviewing the contingency plans required by this section, the department shall consider at least the following factors:

(a) The adequacy of containment and cleanup equipment, personnel, communications equipment, notification procedures and call down lists, response time, and logistical arrangements for coordination and implementation of response efforts to remove oil spills promptly and properly and to protect the environment;

(b) The nature and amount of vessel traffic within the area covered by the plan;

(c) The volume and type of oil being transported within the area covered by the plan;

(d) The existence of navigational hazards within the area covered by the plan;

(e) The history and circumstances surrounding prior spills of oil within the area covered by the plan;

(f) The sensitivity of fisheries, shellfish beds, and wildlife and other natural resources within the area covered by the plan;

(g) Relevant information on previous spills contained in on-scene coordinator reports prepared by the department; and

(h) The extent to which reasonable, cost-effective measures to prevent a likelihood that a spill will occur have been incorporated into the plan.

(((~~(6)~~))) (7) The department shall approve a contingency plan only if it determines that the plan meets the requirements of this section and that, if implemented, the plan is capable, in terms of personnel, materials, and equipment, of removing oil promptly and properly and minimizing any damage to the environment.

(((~~(7)~~))) (8) The approval of the contingency plan shall be valid for five years. Upon approval of a contingency plan, the department shall provide to the person submitting the plan a statement indicating that the plan has been approved, the facilities or vessels covered by the plan, and other information the department determines should be included.

(((~~(8)~~))) (9) An owner or operator of a facility shall notify the department in writing immediately of any significant change of which it is aware affecting its contingency plan, including changes in any factor set forth in this section or in rules adopted by the department. The department may require the owner or operator to update a contingency plan as a result of these changes.

(((~~(9)~~))) (10) The department by rule shall require contingency plans to be reviewed, updated, if necessary, and resubmitted to the department at least once every five years.

(((~~(10)~~))) (11) Approval of a contingency plan by the department does not constitute an express assurance regarding the adequacy of the plan nor constitute a defense to liability imposed under this chapter or other state law.

Sec. 35. RCW 90.56.500 and 2009 c 11 s 9 are each amended to read as follows:

(1) The state oil spill response account is created in the state treasury. All receipts from RCW 82.23B.020(1) shall be deposited in the account. All costs reimbursed to the state by a responsible party or any other person for responding to a spill of oil shall also be deposited in the account. Moneys in the account shall be spent only after appropriation. The account is subject to allotment procedures under chapter 43.88 RCW.

(2) The account shall be used exclusively to pay for:

(a) The costs associated with the response to spills or threats of spills of crude oil or petroleum products into the ((~~navigable~~)) waters of the state; and

(b) The costs associated with the department's use of ((~~the~~)) an emergency response towing vessel ((~~as described in RCW 88.46.135~~)).

(3) Payment of response costs under subsection (2)(a) of this section shall be limited to spills which the director has determined are likely to exceed ((~~fifty~~)) one thousand dollars.

(4) Before expending moneys from the account, but without delaying response activities, the director shall make reasonable efforts to obtain funding for response costs under subsection (2) of this section from the person responsible for the spill and from other sources, including the federal government.

(5) Reimbursement for response costs from this account shall be allowed only for costs which are not covered by funds appropriated to the agencies responsible for response activities. Costs associated with the response to spills of crude oil or petroleum products shall include:

(a) Natural resource damage assessment and related activities;

(b) Spill related response, containment, wildlife rescue, cleanup, disposal, and associated costs;

(c) Interagency coordination and public information related to a response; and

(d) Appropriate travel, goods and services, contracts, and equipment.

Sec. 36. RCW 90.56.510 and 2000 c 69 s 22 are each amended to read as follows:

(1) The oil spill prevention account is created in the state treasury. All receipts from RCW 82.23B.020(2) shall be deposited in the account. Moneys from the account may be spent only after appropriation. The account is subject to allotment procedures under chapter 43.88 RCW. If, on the first day of any calendar month, the balance of the oil spill response account is greater than nine million dollars and the balance of the oil spill prevention account exceeds the unexpended appropriation for the current biennium, then the tax under RCW 82.23B.020(2) shall be suspended on the first day of the next calendar month until the beginning of the following biennium, provided that the tax shall not be suspended during the last six months of the biennium. If the tax imposed under RCW 82.23B.020(2) is suspended during two consecutive biennia, the department shall by November 1st after the end of the second biennium, recommend to the appropriate standing committees an adjustment in the tax rate. For the biennium ending June 30, 1999, and the biennium ending June 30, 2001, the state treasurer may transfer a total of up to one million dollars from the oil spill response account to the oil spill prevention account to support appropriations made from the oil spill prevention account in the omnibus appropriations act adopted not later than June 30, 1999.

(2) Expenditures from the oil spill prevention account shall be used exclusively for the administrative costs related to the purposes of this chapter, and chapters 90.48, 88.40, and 88.46 RCW. In addition, until June 30, 2019, expenditures from the oil spill prevention account may be used for the development and annual review of local emergency planning committee emergency response plans in RCW 38.52.040(3). Starting with the 1995-1997 biennium, the legislature shall give activities of state agencies related to prevention of oil spills priority in funding from the oil spill prevention account. Costs of prevention include the costs of:

(a) Routine responses not covered under RCW 90.56.500;

(b) Management and staff development activities;

(c) Development of rules and policies and the statewide plan provided for in RCW 90.56.060;

(d) Facility and vessel plan review and approval, drills, inspections, investigations, enforcement, and litigation;

(e) Interagency coordination and public outreach and education;

(f) Collection and administration of the tax provided for in chapter 82.23B RCW; and

(g) Appropriate travel, goods and services, contracts, and equipment.

(3) Before expending moneys from the account for a response under subsection (2)(a) of this section, but without delaying response activities, the director shall make reasonable efforts to obtain funding for response costs under this section from the person responsible for the spill and from other sources, including the federal government.

NEW SECTION. **Sec. 37.** A new section is added to chapter 90.56 RCW to read as follows:

(1)(a) A facility that receives crude oil from a railroad car must provide advance notice to the department that the facility will receive crude oil from a railroad car, as provided in this section. The advance notice must include the route taken to the facility within the state, if known, and the scheduled time, location, volume, type, and gravity as measured by standards developed by the American petroleum institute, of crude oil received. Each week, a facility that provides advance notice under this section must provide the required information regarding the scheduled arrival of railroad cars carrying crude oil to be received by the facility in the succeeding seven-day period. A facility is not required to provide advance notice when there is no receipt of crude oil from a railroad car scheduled for a seven-day period.

(b) Twice per year, pipelines must report to the department the following information about the crude oil transported by the pipeline through the state: The volume of crude oil, the type of crude oil, and the types of diluting agents used in the crude oil. This report must be submitted each year by July 31st for the period January 1st through June 30th and by January 31st for the period July 1st through December 31st.

(2) The department may share information provided by a facility through the advance notice system established in this section with the state emergency management division and any county, city, tribal, port, or local government emergency response agency upon request.

(3) The department must publish information collected under this section on a quarterly basis on the department's internet web site. With respect to the information reported under subsection (1)(a) of this section, the information published by the department must be aggregated on a statewide basis by route through the state, by week, and by type of crude oil. The report may also include other information available to the department including, but not limited to, place of origin, modes of transport, number of railroad cars delivering crude oil, and number and volume of spills during transport and delivery.

(4)(a) A facility providing advance notice under this section is not responsible for meeting advance notice time frame requirements under subsection (1) of this section in the event that the schedule of arrivals of railroad cars carrying crude oil changes during a seven-day period.

(b) Twice per year, a facility must submit a report to the department that corrects inaccuracies in the advanced notices submitted under subsection (1) of this section. The facility is not required to correct in the report any insubstantial discrepancies between actual and scheduled train arrival times. The report must be submitted each year by July 31st for the period January 1st through June 30th and by January 31st for the period July 1st through December 31st.

(5) Consistent with the requirements of chapter 42.56 RCW, the department and any state, local, tribal, or public agency that receives information provided under this section may not disclose any such information to the public or to nongovernmental entities that is not aggregated and that contains proprietary, commercial, or financial information. The requirement for aggregating information does not apply when information is shared by the department with

emergency response agencies as provided in subsection (2) of this section.

(6) The department shall adopt rules to implement this section. The advance notice system required in this section must be consistent with the oil transfer reporting system adopted by the department pursuant to RCW 88.46.165.

NEW SECTION. **Sec. 38.** A new section is added to chapter 90.56 RCW to read as follows:

The department shall periodically evaluate and update planning standards for oil spill response equipment required under contingency plans required by this chapter in order to ensure access in the state to equipment that represents the best achievable protection to respond to a worst case spill and provide for continuous operation of oil spill response activities to the maximum extent practicable and without jeopardizing crew safety, as determined by the incident commander or the unified command.

Sec. 40. RCW 88.40.020 and 2003 c 91 s 3 and 2003 c 56 s 3 are each reenacted and amended to read as follows:

(1) Any barge that transports hazardous substances in bulk as cargo, using any port or place in the state of Washington or the navigable waters of the state shall establish evidence of financial responsibility in the amount of the greater of five million dollars, or three hundred dollars per gross ton of such vessel.

(2)(a) Except as provided in (b) or (c) of this subsection, a tank vessel that carries oil as cargo in bulk shall demonstrate financial responsibility to pay at least five hundred million dollars. The

amount of financial responsibility required under this subsection is one billion dollars after January 1, 2004.

(b) The director by rule may establish a lesser standard of financial responsibility for tank vessels of three hundred gross tons or less. The standard shall set the level of financial responsibility based on the quantity of cargo the tank vessel is capable of carrying. The director shall not set the standard for tank vessels of three hundred gross tons or less below that required under federal law.

(c) The owner or operator of a tank vessel who is a member of an international protection and indemnity mutual organization and is covered for oil pollution risks up to the amounts required under this section is not required to demonstrate financial responsibility under this chapter. The director may require the owner or operator of a tank vessel to prove membership in such an organization.

(3)(a) A cargo vessel or passenger vessel that carries oil as fuel shall demonstrate financial responsibility to pay at least three hundred million dollars. However, a passenger vessel that transports passengers and vehicles between Washington state and a foreign country shall demonstrate financial responsibility to pay the greater of at least six hundred dollars per gross ton or five hundred thousand dollars.

(b) The owner or operator of a cargo vessel or passenger vessel who is a member of an international protection and indemnity mutual organization and is covered for oil pollution risks up to the amounts required under this section is not required to demonstrate financial responsibility under this chapter. The director may require the owner or operator of a cargo vessel or passenger vessel to prove membership in such an organization.

(4) A fishing vessel while on the navigable waters of the state must demonstrate financial responsibility in the following amounts: (a) For a fishing vessel carrying predominantly nonpersistent product, one hundred thirty-three dollars and forty cents per incident, for each barrel of total oil storage capacity, persistent and nonpersistent product, on the vessel or one million three hundred thirty-four thousand dollars, whichever is greater; or (b) for a fishing vessel carrying predominantly persistent product, four hundred dollars and twenty cents per incident, for each barrel of total oil storage capacity, persistent product and nonpersistent product, on the vessel or six million six hundred seventy thousand dollars, whichever is greater.

(5) The ((~~documentation of financial responsibility shall demonstrate the ability of the document holder to meet state and federal financial liability requirements for the actual costs for removal of oil spills, for natural resource damages, and for necessary expenses~~)) certificate of financial responsibility is conclusive evidence that the person or entity holding the certificate is the party responsible for the specified vessel, facility, or oil for purposes of determining liability pursuant to this chapter.

(6) This section shall not apply to a covered vessel owned or operated by the federal government or by a state or local government.

Sec. 41. RCW 88.40.025 and 1991 c 200 s 704 are each amended to read as follows:

An onshore or offshore facility shall demonstrate financial responsibility in an amount determined by the department as necessary to compensate the state and affected counties and cities for damages that might occur during a reasonable worst case spill of oil from that facility into the navigable waters of the state. The department shall ((~~consider such matters as the amount of oil that could be spilled into the navigable waters from the facility, the cost of cleaning up the spilled oil, the frequency of operations at the facility, the damages that could result from the spill and the commercial availability and affordability of financial responsibility~~)) adopt by rule an amount that will be calculated by multiplying the reasonable per barrel cleanup and damage cost of spilled oil, times the reasonable worst case spill volume, as measured in barrels. This section shall not apply to an onshore or offshore facility owned or operated by the federal government or by the state or local government.

Sec. 42. RCW 88.40.030 and 2000 c 69 s 32 are each amended to read as follows:

(1) Financial responsibility required by this chapter may be established by any one of, or a combination of, the following methods acceptable to the department of ecology: ((~~(1)~~)) (a) Evidence of insurance; ((~~(2)~~)) (b) surety bonds; ((~~(3)~~)) (c) qualification as a self-insurer; ((~~or (4)~~)) (d) guaranty; (e) letter of credit; (f) certificate of deposits; (g) protection and indemnity club membership; or (h) other evidence of financial responsibility. Any bond filed shall be issued by a bonding company authorized to do business in the United States. Documentation of such financial responsibility shall be kept on any covered vessel and filed with the department at least twenty-four hours before entry of the vessel into the navigable waters of the state. A covered vessel is not required to file documentation of financial responsibility twenty-four hours before entry of the vessel into the navigable waters of the state, if the vessel has filed documentation of financial responsibility with the federal government, and the level of financial responsibility required by the federal government is the same as or exceeds state requirements. The owner or operator of the vessel may file with the department a certificate evidencing compliance with the requirements of another state's or federal financial responsibility requirements if the state or federal government requires a level of financial responsibility the same as or greater than that required under this chapter.

(2) A certificate of financial responsibility may not have a term greater than one year.

Sec. 43. RCW 88.40.040 and 2003 c 56 s 4 are each amended to read as follows:

(1) ((~~It is unlawful for any vessel required to have financial responsibility under this chapter to enter or operate on Washington waters without meeting the requirements of this chapter or rules adopted under this chapter, except~~)) A vessel or facility need not demonstrate financial responsibility under this chapter prior to using any port or place in the state of Washington or the navigable waters of the state when necessary to avoid injury to the vessel's or facility's crew or passengers. Any vessel owner or operator that does not meet the financial responsibility requirements of this chapter and any rules prescribed thereunder or the federal oil pollution act of 1990 shall be reported by the department to the United States coast guard.

(2) ((~~The department shall enforce section 1016 of the federal oil pollution act of 1990 as authorized by section 1019 of the federal act.~~)) Upon notification of an oil spill or discharge or other action or potential liability, the director shall reevaluate the validity of the certificate of financial responsibility. If the director determines that, because of a spill outside of the state or some other action or potential liability, the holder of a certificate may not have the financial resources to pay damages for the oil spill or discharge or other action or potential liability and have resources remaining available to meet the requirements of this chapter, the director may suspend or revoke the certificate.

(3) An owner or operator of more than one covered vessel, more than one facility, or one or more vessels and facilities, is only required to obtain a single certificate of financial responsibility that applies to all of the owner or operator's vessels and facilities.

(4) If a person holds a certificate for more than one covered vessel or facility and a spill or spills occurs from one or more of those vessels or facilities for which the owner or operator may be liable for damages in an amount exceeding five percent of the financial resources reflected by the certificate, as determined by the director, the certificate is immediately considered inapplicable to any vessel or facility not associated with the spill. In that event, the owner or operator shall demonstrate to the satisfaction of the

director the amount of financial ability required pursuant to this chapter, as well as the financial ability to pay all damages that arise or have arisen from the spill or spills that have occurred.

Sec. 44. RCW 88.16.170 and 1991 c 200 s 601 are each amended to read as follows:

Because of the danger of spills, the legislature finds that the transportation of crude oil and refined petroleum products by tankers on the Columbia river, Grays Harbor, and on Puget Sound and adjacent waters creates a great potential hazard to important natural resources of the state and to jobs and incomes dependent on these resources.

The legislature recognizes that the Columbia river has many natural obstacles to navigation and shifting navigation channels that create the risk of an oil spill. The legislature also recognizes Grays Harbor and Puget Sound and adjacent waters are ((~~a~~)) relatively confined salt water environments with irregular shorelines and therefore there is a greater than usual likelihood of long-term damage from any large oil spill.

The legislature further recognizes that certain areas of the Columbia river, Grays Harbor, and Puget Sound and adjacent waters have limited space for maneuvering a large oil tanker and that these waters contain many natural navigational obstacles as well as a high density of commercial and pleasure boat traffic.

For these reasons, it is important that large oil tankers be piloted by highly skilled persons who are familiar with local waters and that such ((~~tankers~~)) vessels have sufficient capability for rapid maneuvering responses.

It is therefore the intent and purpose of RCW 88.16.180 and 88.16.190 to decrease the likelihood of oil spills on the Columbia river, Grays Harbor, and on Puget Sound and its shorelines by ((~~requiring all oil tankers above a certain size to employ licensed pilots and to be escorted by a tug or tugs while navigating on certain areas of Puget Sound and adjacent waters~~)) establishing safety requirements that comprehensively address spill risks, which may include the establishment of tug escorts and other measures to mitigate safety risks in certain state waters.

Sec. 45. RCW 88.16.190 and 1994 c 52 s 1 are each amended to read as follows:

(1) ((~~Any oil tanker, whether enrolled or registered, of greater than one hundred and twenty-five thousand deadweight tons shall be prohibited from proceeding beyond a point east of a line extending from Discovery Island light south to New Dungeness light.~~

~~(2) An oil tanker, whether enrolled or registered, of forty to one hundred and twenty-five thousand deadweight tons may proceed beyond the points enumerated in subsection (1) if such tanker possesses all of the following standard safety features:~~

~~(a) Shaft horsepower in the ratio of one horsepower to each two and one-half deadweight tons; and~~

~~(b) Twin screws; and~~

~~(c) Double bottoms, underneath all oil and liquid cargo compartments; and~~

~~(d) Two radars in working order and operating, one of which must be collision avoidance radar; and~~

~~(e) Such other navigational position location systems as may be prescribed from time to time by the board of pilotage commissioners:~~

~~PROVIDED, That, if such forty to one hundred and twenty-five thousand deadweight ton tanker is in ballast or is under escort of a tug or tugs with an aggregate shaft horsepower equivalent to five percent of the deadweight tons of that tanker, subsection (2) of this section shall not apply: PROVIDED FURTHER, That additional tug shaft horsepower equivalencies may be required under certain conditions as established by rule and regulation of the Washington utilities and transportation commission pursuant to chapter 34.05 RCW: PROVIDED FURTHER, That~~)) (a) Except as provided in subsection (2) of this section, an oil tanker of greater than forty thousand deadweight tons may operate in the waters east of a line extending from Discovery Island light south to New Dungeness light and all points in the Puget Sound area, to the extent that these waters are within the territorial boundaries of Washington, only if the oil tanker is under the escort of a tug or tugs in compliance with the requirements of subsection (3) of this section.

(b) The state board of pilotage commissioners, in consultation with the department of ecology and relying on the results of vessel traffic risk assessments, shall adopt rules by June 30, 2017, to implement this subsection (1)(b). These rules may include tug escort requirements and other safety measures for oil tankers of greater than forty thousand deadweight tons, all articulated tug barges, and other towed waterborne vessels or barges. The rules adopted under this subsection may not include rules to require that oil tankers of greater than forty thousand deadweight tons be escorted by more than one escort tug. The geographic scope of the rules must be limited to the narrow channels of the San Juan Islands archipelago, including Rosario Strait, Haro Strait, Boundary Pass, and connected waterways. In order to adopt a rule under this section, the board of pilotage commissioners must determine that the results of a vessel traffic risk assessment provide evidence that the rules are necessary in order to achieve best achievable protection as defined in RCW 88.46.010.

(2)(a) If an oil tanker, articulated tug barge, or other towed waterborne vessel or barge is in ballast, the tug escort requirements of subsection (1)(a) of this section and any tug escort rules adopted pursuant to subsection (1)(b) of this section do not apply.

(b) If an oil tanker is a single-hulled oil tanker of greater than five thousand gross tons, the requirements of subsection (1)(a) of this section do not apply and the oil tanker must instead comply with 33 C.F.R. Part 168, as of the effective date of this section.

(3) Oil tankers of greater than forty thousand deadweight tons, all articulated tug barges, and other towed waterborne vessels or barges must ensure that any escort tugs they use have an aggregate shaft horsepower equivalent to at least five percent of the deadweight tons of the escorted oil tanker or articulated tug barge. The state board of pilotage commissioners may adopt rules to ensure that escort tugs have sufficient mechanical capabilities to provide for safe escort. Rules adopted on this subject must be designed to achieve best achievable protection as defined under RCW 88.46.010.

(4) A tanker assigned a deadweight of equal to or less than forty thousand deadweight tons at the time of construction or reconstruction as reported in Lloyd's Register of Ships is not subject to the provisions of RCW 88.16.170 through 88.16.190.

(5) The provisions adopted under this section may not include any rules affecting pilotage. This section does not affect any existing authority to establish pilotage requirements.

(6) For the purposes of this section:

(a) "Articulated tug barge" means a tank barge and a towing vessel joined by hinged or articulated fixed mechanical equipment affixed or connecting to the stern of the tank barge.

(b) "Oil tanker" means a self-propelled deep draft tank vessel designed to transport oil in bulk. "Oil tanker" does not include an articulated tug barge tank vessel.

(c) "Waterborne vessel or barge" means any ship, barge, or other watercraft capable of traveling on the navigable waters of this state and capable of transporting any crude oil or petroleum product in quantities of ten thousand gallons or more for purposes other than providing fuel for its motor or engine.

NEW SECTION. **Sec. 46.** (1) The department of ecology must complete an evaluation and assessment of vessel traffic management and vessel traffic safety within and near the mouth of the Columbia river. A draft evaluation and assessment must be completed and submitted to the legislature consistent with RCW 43.01.036 by

December 15, 2017. A final evaluation and assessment must be completed by June 30, 2018. registration number or other unique identification number, is entitled to annually receive deferrals under this subsection (3) for the first twenty single-family residential construction building permits per county, city, or town. A county, city, or town, however, may elect, by ordinance, to defer more than twenty single-family residential construction building permits for an applicant. If the county, city, or town collects impact fees on behalf of one or more school districts for which the collection of impact fees could be delayed, the county, city, or town must consult with the district or districts about the additional deferrals. A county, city, or town considering additional deferrals must give substantial weight to recommendations of each applicable school district regarding the number of additional deferrals. If the county, city, or town disagrees with the recommendations of one or more school districts, the county, city, or town must provide the district or districts with a written rationale for its decision.

(ii) For purposes of this subsection (3)(g), an "applicant" includes an entity that controls the applicant, is controlled by the applicant, or is under common control with the applicant.

(h) Counties, cities, and towns may collect reasonable administrative fees to implement this subsection (3) from permit applicants who are seeking to delay the payment of impact fees under this subsection (3).

(i) In accordance with sections 3 and 4 of this act, counties, cities, and towns must cooperate with and provide requested data, materials, and assistance to the department of commerce and the joint legislative audit and review committee.

(4) The impact fees:

(a) Shall only be imposed for system improvements that are reasonably related to the new development;

(b) Shall not exceed a proportionate share of the costs of system improvements that are reasonably related to the new development; and

(c) Shall be used for system improvements that will reasonably benefit the new development.

(((~~(4)~~))) (5)(a) Impact fees may be collected and spent only for the public facilities defined in RCW 82.02.090 which are addressed by a capital facilities plan element of a comprehensive land use plan adopted pursuant to the provisions of RCW 36.70A.070 or the provisions for comprehensive plan adoption contained in chapter 36.70, 35.63, or 35A.63 RCW. After the date a county, city, or town is required to adopt its development regulations under chapter 36.70A RCW, continued authorization to collect and expend impact fees ((~~shall be~~)) is contingent on the county, city, or town adopting or revising a comprehensive plan in compliance with RCW 36.70A.070, and on the capital facilities plan identifying:

(((~~(a)~~))) (i) Deficiencies in public facilities serving existing development and the means by which existing deficiencies will be eliminated within a reasonable period of time;

(((~~(b)~~))) (ii) Additional demands placed on existing public facilities by new development; and

(((~~(c)~~))) (iii) Additional public facility improvements required to serve new development.

(b) If the capital facilities plan of the county, city, or town is complete other than for the inclusion of those elements which are the responsibility of a special district, the county, city, or town may impose impact fees to address those public facility needs for which the county, city, or town is responsible.

Sec. 41. RCW 36.70A.070 and 2010 1st sp.s. c 26 s 6 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative

techniques that will accommodate appropriate rural densities and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area ((~~shall be~~)) are subject to the requirements of (d)(iv) of this subsection, but ((~~shall~~)) are not ((~~be~~)) subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(15). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(15). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land- use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards sh(,)-7.3uld be regionallntyydinatsd;5(a)7Taaysr sssp67(t

Strike everything after the enacting clause and insert the following:

"**Sec. 9.** RCW 4.24.550 and 2011 c 337 s 1 are each amended to read as follows:

(1) In addition to the disclosure under subsection (5) of this section, public agencies are authorized to release information to the public regarding sex offenders and kidnapping offenders when the agency determines that disclosure of the information is relevant and necessary to protect the public and counteract the danger created by the particular offender. This authorization applies to information regarding: (a) Any person adjudicated or convicted of a sex offense as defined in RCW 9A.44.128 or a kidnapping offense as defined by RCW 9A.44.128; (b) any person under the jurisdiction of the indeterminate sentence review board as the result of a sex offense or kidnapping offense; (c) any person committed as a sexually violent predator under chapter 71.09 RCW or as a sexual psychopath under chapter 71.06 RCW; (d) any person found not guilty of a sex offense or kidnapping offense by reason of insanity under chapter 10.77 RCW; and (e) any person found incompetent to stand trial for a sex offense or kidnapping offense and subsequently committed under chapter 71.05 or 71.34 RCW.

(2) Except for the information specifically required under subsection (5) of this section, the extent of the public disclosure of relevant and necessary information shall be rationally related to: (a) The level of risk posed by the offender to the community; (b) the locations where the offender resides, expects to reside, or is regularly found; and (c) the needs of the affected community members for information to enhance their individual and collective safety.

(3) Except for the information specifically required under subsection (5) of this section, local law enforcement agencies shall consider the following guidelines in determining the extent of a public disclosure made under this section: (a) For offenders classified as risk level I, the agency shall share information with other appropriate law enforcement agencies and, if the offender is a student, the public or private school regulated under Title 28A RCW or chapter 72.40 RCW which the offender is attending, or planning to attend. The agency may disclose, upon request, relevant, necessary, and accurate information to any victim or witness to the offense ((~~and to~~)), any individual community member who lives near the residence where the offender resides, expects to reside, or is regularly found, and any individual who requests information regarding a specific offender; (b) for offenders classified as risk level II, the agency may also disclose relevant, necessary, and accurate information to public and private schools, child day care centers, family day care providers, public libraries, businesses and organizations that serve primarily children, women, or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found; (c) for offenders classified as risk level III, the agency may also disclose relevant, necessary, and accurate information to the public at large; and (d) because more localized notification is not feasible and homeless and transient offenders may present unique risks to the community, the agency may also disclose relevant, necessary, and accurate information to the public at large for offenders registered as homeless or transient.

(4) The county sheriff with whom an offender classified as risk level III is registered shall ((~~cause to be published by legal notice, advertising, or news release a sex offender community notification that conforms to the guidelines established under RCW 4.24.5501 in at least one legal newspaper with general circulation in the area of the sex offender's registered address or location. Unless the information is posted on the web site described in subsection (5) of this section, this list shall be maintained by the county sheriff on a publicly accessible web site and shall be updated at least once per month~~)) release a sex offender community notification that conforms to the guidelines established under RCW 4.24.5501.

(5)(a) When funded by federal grants or other sources, the Washington association of sheriffs and police chiefs shall create and maintain a statewide registered kidnapping and sex offender web site, which shall be available to the public. The web site shall post all level III and level II registered sex offenders, level I registered sex offenders only during the time they are out of compliance with registration requirements under RCW 9A.44.130 or if lacking a fixed residence as provided in RCW 9A.44.130, and all registered kidnapping offenders in the state of Washington.

(i) For level III offenders, the web site shall contain, but is not limited to, the registered sex offender's name, relevant criminal convictions, address by hundred block, physical description, and photograph. The web site shall provide mapping capabilities that display the sex offender's address by hundred block on a map. The web site shall allow citizens to search for registered sex offenders within the state of Washington by county, city, zip code, last name, and address by hundred block.

(ii) For level II offenders, and level I sex offenders during the time they are out of compliance with registration requirements under RCW 9A.44.130, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(iii) For kidnapping offenders, the web site shall contain, but is not limited to, the same information and functionality as described in (a)(i) of this subsection, provided that it is permissible under state and federal law. If it is not permissible, the web site shall be limited to the information and functionality that is permissible under state and federal law.

(b) ((~~Until the implementation of (a) of this subsection, the Washington association of sheriffs and police chiefs shall create a web site available to the public that provides electronic links to county-operated web sites that offer sex offender registration information.~~)) Law enforcement agencies must provide information requested by the Washington association of sheriffs and police chiefs to administer the statewide registered kidnapping and sex offender web site.

(c) (i) Within five business days of the Washington association of sheriffs and police chiefs receiving any public record request under chapter 42.56 RCW for sex offender and kidnapping offender information, records or website data it holds or maintains pursuant to this section or a unified sex offender registry, the Washington association of sheriffs and police chiefs shall refer the requester in writing to the appropriate law enforcement agency or agencies for submission of such a request. The Washington association of sheriffs and police chiefs shall have no further obligation under chapter 42.56 RCW for responding to such a request.

(ii) This subparagraph (c) of this section is remedial and applies retroactively.

(6) ((~~Local~~)) (a) Law enforcement agencies ((~~that disseminate information pursuant to this section~~)) responsible for the registration and dissemination of information regarding offenders required to register under RCW 9A.44.130 shall assign a

risk level classification to all offenders after consideration of: (((~~(a) Review~~)) (i) Any available risk level classifications ((~~made~~)) provided by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (((~~(b) assign risk level classifications to all offenders about whom information will be disseminated~~)) (ii) the agency's own application of a sex offender risk assessment tool; and (iii) other information and aggravating or mitigating factors known to the agency and deemed rationally related to the risk posed by the offender to the community at large.

(b) A sex offender shall be classified as a risk level I if his or her risk assessment and other information or factors deemed relevant by the law enforcement agency indicate he or she is at a low risk to sexually reoffend within the community at large. A sex offender shall be classified as a risk level II if his or her risk assessment and other information or factors deemed relevant by the law enforcement agency indicate he or she is at a moderate risk to sexually reoffend within the community at large. A sex offender shall be classified as a risk level III if his or her risk assessment and other information or factors deemed relevant by the law enforcement agency indicate he or she is at a high risk to sexually reoffend within the community at large.

(c) The agency shall make a good faith effort to notify the public and residents within a reasonable period of time after the offender registers with the agency.

((~~The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.~~)) (d) Agencies may develop a process to allow an offender to petition for review of the offender's assigned risk level classification. The timing, frequency, and process for review are at the sole discretion of the agency.

(7) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470, or units of local government and its employees, as provided in RCW 36.28A.010, are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a ((~~local~~)) law enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(8) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(9) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(10) When a ((~~local~~)) law enforcement agency or official classifies an offender differently than the offender is classified by the end of sentence review committee ((~~or the department of social and health services~~)) at the time of the offender's release from confinement, the law enforcement agency or official shall notify the end of sentence review committee ((~~or the department of social and health services~~)) and the Washington state patrol and submit its reasons supporting the change in classification.

For those persons incarcerated before June 12, 2008, who have not yet had a biological sample collected, priority shall be given to those persons who will be released the soonest.

(4) Any biological sample taken pursuant to RCW 43.43.752 through 43.43.758 may be retained by the forensic laboratory services bureau, and shall be used solely for the purpose of providing DNA or other tests for identification analysis and prosecution of a criminal offense or for the identification of human remains or missing persons. Nothing in this section prohibits the submission of results derived from the biological samples to the federal bureau of investigation combined DNA index system.

(5) The forensic laboratory services bureau of the Washington state patrol is responsible for testing performed on all biological samples that are collected under subsection (1) of this section, to the extent allowed by funding available for this purpose. The director shall give priority to testing on samples collected from those adults or juveniles convicted of a felony or adjudicated guilty of an equivalent juvenile offense that is defined as a sex offense or a violent offense in RCW 9.94A.030. Known duplicate samples may be excluded from testing unless testing is deemed necessary or advisable by the director.

(6) This section applies to:

(a) All adults and juveniles to whom this section applied prior to June 12, 2008;

(b) All adults and juveniles to whom this section did not apply prior to June 12, 2008, who:

(i) Are convicted on or after June 12, 2008, of an offense listed in subsection (1)(a) of this section; or

(ii) Were convicted prior to June 12, 2008, of an offense listed in subsection (1)(a) of this section and are still incarcerated on or after June 12, 2008; and

(c) All adults and juveniles who are required to register under RCW 9A.44.130 on or after June 12, 2008, whether convicted before, on, or after June 12, 2008.

(7) This section creates no rights in a third person. No cause of action may be brought based upon the noncollection or nonanalysis or the delayed collection or analysis of a biological sample authorized to be taken under RCW 43.43.752 through 43.43.758.

(8) The detention, arrest, or conviction of a person based upon a database match or database information is not invalidated if it is determined that the sample was obtained or placed in the database by mistake, or if the conviction or juvenile adjudication that resulted in the collection of the biological sample was subsequently vacated or otherwise altered in any future proceeding including but not limited to posttrial or postfact-finding motions, appeals, or collateral attacks.

(9) A person commits the crime of refusal to provide DNA if the person has a duty to register under RCW 9A.44.130 and the person willfully refuses to comply with a legal request for a DNA sample as required under this section. The refusal to provide DNA is a gross misdemeanor.

Sec. 20. RCW 9.94A.030 and 2012 c 143 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons,

whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;

(b) To increase or maintain the gang's size, membership, prestige, dominance, or control in any geographical area;

(c) To exact revenge or retribution for the gang or any member of the gang;

(d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;

(e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or

(f) To provide the gang with any advantage in, or any control or dominance over any criminal market sector, including, but not limited to, manufacturing, delivering, or selling any controlled substance (chapter 69.50 RCW); arson (chapter 9A.48 RCW); trafficking in stolen property (chapter 9A.82 RCW); promoting prostitution (chapter 9A.88 RCW); human trafficking (RCW 9A.40.100); promoting commercial sexual abuse of a minor (RCW 9.68A.101); or promoting pornography (chapter 9.68 RCW).

(15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(17) "Department" means the department of corrections.

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community custody, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(20) "Domestic violence" has the same meaning as defined in RCW 10.99.020 and 26.50.010.

(21) "Drug offender sentencing alternative" is a sentencing option available to persons convicted of a felony offense other than a violent offense or a sex offense and who are eligible for the option under RCW 9.94A.660.

(22) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.4013) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

(23) "Earned release" means earned release from confinement as provided in RCW 9.94A.728.

(24) "Escape" means:

ENGROSSED SUBSTITUTE SENATE BILL NO. 5550, by Senate Committee on Transportation (originally sponsored by Senators Habib and Fain)

Regulating providers of commercial transportation services.

The bill was read the second time.

There being no objection, the committee amendment by the Committee on Business & Financial Services was not adopted. (For Committee amendment, see Journal, Day 80, April 1, 2015).

With the consent of the house, amendment (412) was withdrawn.

Representative Kirby moved the adoption of amendment (406):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 37.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commercial transportation services" or "services" means all times the driver is logged in to a commercial transportation services provider's digital network or software application or until the passenger has left the personal vehicle, whichever is later.

(2) "Commercial transportation services provider" means a corporation, partnership, sole proprietorship, or other entity, operating in Washington, that uses a digital network or software application to connect passengers to drivers for the purpose of providing a prearranged ride.

(3) "Driver" means an individual who uses a personal vehicle to provide services for passengers matched through a commercial transportation services provider's digital network or software application. A driver need not be an employee of a commercial transportation services provider.

(4) "Passenger" means a passenger in a personal vehicle for whom transport is provided, including:

(a) An individual who uses a commercial transportation services provider's digital network or software application to connect with a driver to obtain services in the driver's vehicle for the individual and anyone in the individual's party; or

(b) Anyone for whom another individual uses a commercial transportation services provider's digital network or software application to connect with a driver to obtain services in the driver's vehicle.

(5) "Personal vehicle" means a vehicle that is used by a driver in connection with providing services for a commercial transportation services provider.

(6) "Prearranged ride" means a route of travel between points chosen by the passenger and arranged with a driver through the use of a commercial transportation services provider's digital network or software application. The ride begins when a driver accepts a requested ride through a digital network or software application, continues while the driver transports the passenger in a personal vehicle, and ends when the passenger departs from the personal vehicle.

NEW SECTION. **Sec. 38.** (1)(a) Before being used to provide commercial transportation services, every personal vehicle must be covered by a primary automobile insurance policy that specifically covers commercial transportation services. However, the insurance coverage requirements of this section are alternatively satisfied by securing coverage pursuant to chapter 46.72 or 46.72A RCW that covers the personal vehicle being used to provide commercial transportation services and that is in effect twenty-four hours per day, seven days per week. Except as provided in subsection (2) of this section, a commercial transportation services provider must secure this policy for every personal vehicle used to provide

commercial transportation services. For purposes of this section, a "primary automobile insurance policy" is not a private passenger automobile insurance policy.

(b) The primary automobile insurance policy required under this section must provide coverage, as specified in this subsection (1)(b), at all times the driver is logged in to a commercial transportation services provider's digital network or software application and at all times a passenger is in the vehicle as part of a prearranged ride.

(i) The primary automobile insurance policy required under this subsection must provide the following coverage during commercial transportation services applicable during the period before a driver accepts a requested ride through a digital network or software application:

(A) Liability coverage in an amount no less than fifty thousand dollars per person for bodily injury, one hundred thousand dollars per accident for bodily injury of all persons, and thirty thousand dollars for damage to property;

(B) Underinsured motorist coverage to the extent required under RCW 48.22.030; and

(C) Personal injury protection coverage to the extent required under RCW 48.22.085 and 48.22.095.

(ii) The primary automobile insurance policy required under this subsection must provide the following coverage, applicable during the period of a prearranged ride:

(A) Combined single limit liability coverage in the amount of one million dollars for death, personal injury, and property damage;

(B) Underinsured motorist coverage in the amount of one million dollars; and

(C) Personal injury protection coverage to the extent required under RCW 48.22.085 and 48.22.095.

(2)(a) As an alternative to the provisions of subsection (1) of this section, if the office of the insurance commissioner approves the offering of an insurance policy that recognizes that a person is acting as a driver for a commercial transportation services provider and using a personal vehicle to provide commercial transportation services, a driver may secure a primary automobile insurance policy covering a personal vehicle and providing the same coverage as required in subsection (1) of this section. The policy coverage may be in the form of a rider to, or endorsement of, the driver's private passenger automobile insurance policy only if approved as such by the office of the insurance commissioner.

(b) If the primary automobile insurance policy maintained by a driver to meet the obligation of this section does not provide coverage for any reason, including that the policy lapsed or did not exist, the commercial transportation services provider must provide the coverage required under this section beginning with the first dollar of a claim.

(c) The primary automobile insurance policy required under this subsection and subsection (1) of this section may be secured by any of the following:

(i) The commercial transportation services provider as provided under subsection (1) of this section;

(ii) The driver as provided under (a) of this subsection; or

(iii) A combination of both the commercial transportation services provider and the driver.

(3) The insurer or insurers providing coverage under subsections (1) and (2) of this section are the only insurers having the duty to defend any liability claim from an accident occurring while commercial transportation services are being provided.

(4) In addition to the requirements in subsections (1) and (2) of this section, before allowing a person to provide commercial transportation services as a driver, a commercial transportation services provider must provide written proof to the driver that the driver is covered by a primary automobile insurance policy that meets the requirements of this section. Alternatively, if a driver purchases a primary automobile insurance policy as allowed under subsection (2) of this section, the commercial transportation services provider must verify that the driver has done so.

(5) A primary automobile insurance policy required under subsection (1) or (2) of this section may be placed with an insurer licensed under this title to provide insurance in the state of Washington or as an eligible surplus line insurance policy as described in RCW 48.15.040.

(6) Insurers that write automobile insurance in Washington may exclude any and all coverage afforded under a private passenger automobile insurance policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver for a commercial transportation services provider is logged in to a commercial transportation services provider's digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage included in a private passenger automobile insurance policy including, but not limited to:

(a) Liability coverage for bodily injury and property damage;

(b) Personal injury protection coverage;

(c) Underinsured motorist coverage;

(d) Medical payments coverage;

(e) Comprehensive physical damage coverage; and

(f) Collision physical damage coverage.

(7) Nothing in this section shall be construed to require a private passenger automobile insurance policy to provide primary or excess coverage or a duty to defend for the period of time in which a driver is logged in to a commercial transportation services provider's digital network or software application or while the driver is engaged in a prearranged ride or the driver otherwise uses a vehicle to transport passengers for compensation.

(8) Insurers that exclude coverage under subsection (6) of this section have no duty to defend or indemnify any claim expressly excluded under subsection (6) of this section. Nothing in this section shall be deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Washington state before the effective date of this section that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(9) An exclusion exercised by an insurer in subsection (6) of this section applies to any coverage selected or rejected by a named insured under RCW 48.22.030 and 48.22.085. The purchase of a rider or endorsement by a driver under subsection (2)(a) of this section does not require a separate coverage rejection under RCW 48.22.030 or 48.22.085.

(10) If more than one insurance policy provides valid and collectible coverage for a loss arising out of an occurrence involving a motor vehicle operated by a driver, the responsibility for the claim must be divided as follows:

(a) Except as provided otherwise under subsection (2)(c) of this section, if the driver has been matched with a passenger and is traveling to pick up the passenger, or the driver is providing services to a passenger, the commercial transportation services provider that matched the driver and passenger must provide insurance coverage; or

(b) If the driver is logged in to the digital network or software application of more than one commercial transportation services provider but has not been matched with a passenger, the liability must be divided equally among all of the applicable insurance policies that specifically provide coverage for commercial transportation services.

(11) In an accident or claims coverage investigation, a commercial transportation services provider or its insurer must cooperate with a private passenger automobile insurance policy insurer and other insurers that are involved in the claims coverage investigation to facilitate the exchange of information, including the provision of (a) dates and times at which an accident occurred that

involved a participating driver and (b) within ten business days after receiving a request, a copy of the provider's electronic record showing the precise times that the participating driver logged on and off the provider's digital network or software application on the day the accident or other loss occurred. The commercial transportation services provider or its insurer must retain all data, communications, or documents related to insurance coverage or accident details for a period of not less than the applicable statutes of limitation, plus two years from the date of an accident to which those records pertain.

(12) This section does not modify or abrogate any otherwise applicable insurance requirement set forth in this title.

(13) After July 1, 2016, an insurance company regulated under this title may not deny an otherwise covered claim arising exclusively out of the personal use of the private passenger automobile solely on the basis that the insured, at other times, used the private passenger automobile covered by the policy to provide commercial transportation services.

(14) If an insurer for a commercial transportation services provider makes a payment for a claim covered under comprehensive coverage or collision coverage, the commercial transportation services provider must cause its insurer to issue the payment directly to the business repairing the vehicle or jointly to the owner of the vehicle and the primary lienholder on the covered vehicle.

(15)(a) To be eligible for securing a primary automobile insurance policy under this section, a commercial transportation services provider must make the following disclosures to a prospective driver in the prospective driver's terms of service:

WHILE OPERATING ON THE DIGITAL NETWORK OR SOFTWARE APPLICATION OF THE COMMERCIAL TRANSPORTATION SERVICES PROVIDER, YOUR PRIVATE PASSENGER AUTOMOBILE INSURANCE POLICY MIGHT NOT AFFORD LIABILITY, UNDERINSURED MOTORIST, PERSONAL INJURY PROTECTION, COMPREHENSIVE, OR COLLISION COVERAGE, DEPENDING ON THE TERMS OF THE POLICY.

IF THE VEHICLE THAT YOU PLAN TO USE TO PROVIDE COMMERCIAL TRANSPORTATION SERVICES FOR OUR COMPANY HAS A LIEN AGAINST IT, YOU MUST NOTIFY THE LIENHOLDER THAT YOU WILL BE USING THE VEHICLE FOR COMMERCIAL TRANSPORTATION SERVICES THAT MAY VIOLATE THE TERMS OF YOUR CONTRACT WITH THE LIENHOLDER.

(b) The prospective driver must acknowledge the terms of service electronically or by signature.

NEW SECTION. **Sec. 42.** A new section is added to chapter 46.29 RCW to read as follows:

This chapter does not apply to the coverage exclusions under section 2(6) of this act.

Sec. 43. RCW 48.22.030 and 2009 c 549 s 7106 are each amended to read as follows:

(1) "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance, or use of which either no bodily injury or property damage liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury or property damage liability bonds and insurance policies applicable to a covered person after an accident is less than the applicable damages which the covered person is legally entitled to recover.

(2) No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury, death, or property damage, suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be issued with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of underinsured motor vehicles, hit-and-run motor vehicles, and phantom vehicles because of bodily injury, death, or property damage, resulting therefrom, except while operating or occupying a motorcycle or motor-driven cycle, and except while operating or occupying a motor vehicle owned or available for the regular use by the named insured or any family member, and which is not insured under the liability coverage of the policy. The coverage required to be offered under this chapter is not applicable to general liability policies, commonly known as umbrella policies, or other policies which apply only as excess to the insurance directly applicable to the vehicle insured.

(3) Except as to property damage, coverage required under subsection (2) of this section shall be in the same amount as the insured's third party liability coverage unless the insured rejects all or part of the coverage as provided in subsection (4) of this section. Coverage for property damage need only be issued in conjunction with coverage for bodily injury or death. Property damage coverage required under subsection (2) of this section shall mean physical damage to the insured motor vehicle unless the policy specifically provides coverage for the contents thereof or other forms of property damage.

(4) A named insured or spouse may reject, in writing, underinsured coverage for bodily injury or death, or property damage, and the requirements of subsections (2) and (3) of this section shall not apply. If a named insured or spouse has rejected underinsured coverage, such coverage shall not be included in any supplemental or renewal policy unless a named insured or spouse subsequently requests such coverage in writing. The requirement of a written rejection under this subsection shall apply only to the original issuance of policies issued after July 24, 1983, and not to any renewal or replacement policy. When a named insured or spouse chooses a property damage coverage that is less than the insured's third party liability coverage for property damage, a written rejection is not required.

(5) The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or premiums paid, or vehicles involved in an accident.

(6) The policy may provide that if an injured person has other similar insurance available to him or her under other policies, the total limits of liability of all coverages shall not exceed the higher of the applicable limits of the respective coverages.

(7)(a) The policy may provide for a deductible of not more than three hundred dollars for payment for property damage when the damage is caused by a hit-and-run driver or a phantom vehicle.

(b) In all other cases of underinsured property damage coverage, the policy may provide for a deductible of not more than one hundred dollars.

(8) For the purposes of this chapter, a "phantom vehicle" shall mean a motor vehicle which causes bodily injury, death, or property damage to an insured and has no physical contact with the insured or the vehicle which the insured is occupying at the time of the accident if:

(a) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an underinsured motorist claim resulting from the accident; and

(b) The accident has been reported to the appropriate law enforcement agency within seventy-two hours of the accident.

(9) An insurer who elects to write motorcycle or motor-driven cycle insurance in this state must provide information to prospective insureds about the coverage.

(10) An insurer who elects to write motorcycle or motor-driven cycle insurance in this state must provide an opportunity for named insureds, who have purchased liability coverage for a motorcycle or motor-driven cycle, to reject underinsured coverage for that motorcycle or motor-driven cycle in writing.

(11) If the covered person seeking underinsured motorist coverage under this section was the intended victim of the tort feasor, the incident must be reported to the appropriate law enforcement agency and the covered person must cooperate with any related law enforcement investigation.

(12) The purpose of this section is to protect innocent victims of motorists of underinsured motor vehicles. Covered persons are entitled to coverage without regard to whether an incident was intentionally caused. However, a person is not entitled to coverage if the insurer can demonstrate that the covered person intended to cause the event for which a claim is made under the coverage described in this section. As used in this section, and in the section of policies providing the underinsured motorist coverage described in this section, "accident" means an occurrence that is unexpected and unintended from the standpoint of the covered person.

(13) The coverage under this section may be excluded as provided for under section 2(6) of this act.

(14) "Underinsured coverage," for the purposes of this section, means coverage for "underinsured motor vehicles," as defined in subsection (1) of this section.

Sec. 44. RCW 48.22.085 and 2003 c 115 s 2 are each amended to read as follows:

(1) No new automobile liability insurance policy or renewal of such an existing policy may be issued unless personal injury protection coverage is offered as an optional coverage.

(2) A named insured may reject, in writing, personal injury protection coverage and the requirements of subsection (1) of this section shall not apply. If a named insured rejects personal injury protection coverage:

(a) That rejection is valid and binding as to all levels of coverage and on all persons who might have otherwise been insured under such coverage; and

(b) The insurer is not required to include personal injury protection coverage in any supplemental, renewal, or replacement policy unless a named insured subsequently requests such coverage in writing.

(3) The coverage under this section may be excluded as provided for under section 2(6) of this act.

Sec. 45. RCW 48.22.095 and 2003 c 115 s 4 are each amended to read as follows:

(1) Insurers providing automobile insurance policies must offer minimum personal injury protection coverage for each insured with benefit limits as follows:

(((~~(1)~~))) (a) Medical and hospital benefits of ten thousand dollars;

(((~~(2)~~))) (b) A funeral expense benefit of two thousand dollars;

(((~~(3)~~))) (c) Income continuation benefits of ten thousand dollars, subject to a limit of two hundred dollars per week; and

(((~~(4)~~))) (d) Loss of services benefits of five thousand dollars, subject to a limit of two hundred dollars per week.

(2) The coverage under this section may be excluded as provided for under section 2(6) of this act.

NEW SECTION. **Sec. 46.** The following acts or parts of acts are each repealed:

SENATE AMENDMENT TO HOUSE BILL

POINT OF ORDER

Representative Bergquist requested a scope and object ruling on the Senate amendment to Substitute House Bill No. 1240.

SPEAKER'S RULING

Mr. Speaker (Representative Moeller presiding): "Substitute House Bill No. 1240 sets standards for the restraint or isolation of students, including students with disabilities, in public schools. Senate amendment #394 addresses the transportation of students, which is a completely unrelated subject matter. The Speaker therefore finds and rules that amendment #394 changes the scope and object of the bill. The point of order is well taken."

There being no objection, the House refused to concur in the Senate amendment to Substitute House Bill No. 1240 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 8, 2015

MR. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1283, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"**Sec. 49.** RCW 18.28.010 and 2012 c 56 s 1 are each reenacted and amended to read as follows:

Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in this chapter shall have the following meanings:

(1) "Debt adjuster," which includes any person known as a debt pooler, debt manager, debt consolidator, debt prorater, or credit counselor, is any person engaging in or holding himself or herself out as engaging in the business of debt adjusting for compensation. The term shall not include:

(a) Attorneys-at-law, escrow agents, accountants, broker-dealers in securities, or investment advisors in securities, while performing services solely incidental to the practice of their professions;

(b) Any person, partnership, association, or corporation doing business under and as permitted by any law of this state or of the United States relating to banks, consumer finance businesses, consumer loan companies, trust companies, mutual savings banks, savings and loan associations, building and loan associations, credit unions, crop credit associations, development credit corporations, industrial development corporations, title insurance companies, insurance companies, or third-party account administrators;

(c) Persons who, as employees on a regular salary or wage of an employer not engaged in the business of debt adjusting, perform credit services for their employer;

(d) Public officers while acting in their official capacities and persons acting under court order;

(e) Any person while performing services incidental to the dissolution, winding up or liquidation of a partnership, corporation, or other business enterprise;

(f) Nonprofit organizations dealing exclusively with debts owing from commercial enterprises to business creditors;

(g) Nonprofit organizations engaged in debt adjusting and which do not assess against the debtor a service charge in excess of fifteen dollars per month.

(2) "Debt adjusting" means the managing, counseling, settling, adjusting, prorating, or liquidating of the indebtedness of a debtor, or receiving funds for the purpose of distributing said funds among creditors in payment or partial payment of obligations of a debtor.

(3) "Debt adjusting agency" is any partnership, corporation, or association engaging in or holding itself out as engaging in the business of debt adjusting.

(4) "Financial institution" means any person doing business under the laws of any state or the United States relating to commercial banks, bank holding companies, savings banks, savings and loan associations, trust companies, or credit unions.

(5) "Third-party account administrator" means an independent entity that holds or administers a dedicated bank account for fees and payments to creditors, debt collectors, debt adjusters, or debt adjusting agencies in connection with the renegotiation, settlement, reduction, or other alteration of the terms of payment or other terms of a debt.

(6) "Fair share" means the creditor contributions paid to debt adjusters by the creditors whose consumers receive debt adjusting services from the debt adjusters and pay down their debt accordingly. "Fair share" does not include grants received by debt adjusters for services unrelated to debt adjusting.

Sec. 50. RCW 18.28.080 and 2012 c 56 s 2 are each amended to read as follows:

(1) By contract a debt adjuster may charge a reasonable fee for debt adjusting services. The total fee for debt adjusting services, including, but not limited to, any fee charged by a financial institution or a third-party account administrator, may not exceed fifteen percent of the total debt listed by the debtor on the contract. The fee retained by the debt adjuster from any one payment made by or on behalf of the debtor may not exceed fifteen percent of the payment not including fair share. The debt adjuster may make an initial charge of up to twenty-five dollars which shall be considered part of the total fee. If an initial charge is made, no additional fee may be retained which will bring the total fee retained to date to more than fifteen percent of the total payments made to date. No fee whatsoever shall be applied against rent and utility payments for housing.

In the event of cancellation or default on performance of the contract by the debtor prior to its successful completion, the debt adjuster may collect in addition to fees previously received, six percent of that portion of the remaining indebtedness listed on said contract which was due when the contract was entered into, but not to exceed twenty-five dollars.

(2) A debt adjuster who receives fair share must disclose this in writing, along with an explanation of fair share, to the debtor prior to accepting any fair share.

(3) A debt adjuster shall not be entitled to retain any fee until notifying all creditors listed by the debtor that the debtor has engaged the debt adjuster in a program of debt adjusting.

((~~(3)~~)) (4) The department of financial institutions has authority to enforce compliance with this section.

Sec. 51. RCW 18.28.120 and 1999 c 151 s 106 are each amended to read as follows:

A debt adjuster shall not:

(1) Take any contract, or other instrument which has any blank spaces when signed by the debtor;

(2) Receive or charge any fee in the form of a promissory note or other promise to pay or receive or accept any mortgage or other security for any fee, whether as to real or personal property;

(3) Lend money or credit;

(4) Take any confession of judgment or power of attorney to confess judgment against the debtor or appear as the debtor in any judicial proceedings;

(5) Take, concurrent with the signing of the contract or as a part of the contract or as part of the application for the contract, a release of any obligation to be performed on the part of the debt adjuster;

(6) Advertise services, display, distribute, broadcast or televise, or permit services to be displayed, advertised, distributed, broadcasted or televised in any manner whatsoever wherein any false, misleading or deceptive statement or representation with regard to the services to be performed by the debt adjuster, or the charges to be made therefor, is made;

(7) Offer, pay, or give any cash, fee, gift, bonus, premiums, reward, or other compensation to any person for referring any prospective customer to the debt adjuster;

(8) Receive any cash, fee, gift, bonus, premium, reward, or other compensation, other than fair share, from any person other than the debtor or a person in the debtor's behalf in connection with his or her activities as a debt adjuster; or

(9) Disclose to anyone the debtors who have contracted with the debt adjuster; nor shall the debt adjuster disclose the creditors of a debtor to anyone other than: (a) The debtor; or (b) another creditor of the debtor and then only to the extent necessary to secure the cooperation of such a creditor in a debt adjusting plan."

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1424 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 58.** RCW 43.70.442 and 2014 c 71 s 2 are each amended to read as follows:

(1)(a) Each of the following professionals certified or licensed under Title 18 RCW shall, at least once every six years, complete training in suicide assessment, treatment, and management that is approved, in rule, by the relevant disciplining authority:

(i) An adviser or counselor certified under chapter 18.19 RCW;

(iv) A mental health counselor licensed under chapter 18.225 RCW;

(v) An occupational therapy practitioner licensed under chapter 18.59 RCW;

(vi) A psychologist licensed under chapter 18.83 RCW;

(vii) An advanced social worker or independent clinical social worker licensed under chapter 18.225 RCW; and

(viii) A social worker associate—advanced or social worker associate—independent clinical licensed under chapter 18.225 RCW.

(b) The requirements in (a) of this subsection apply to a person holding a retired active license for one of the professions in (a) of this subsection.

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (9)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (1)(d) affects the validity of training completed prior to July 1, 2017.

(2)(a) Except as provided in (b) of this subsection, a professional listed in subsection (1)(a) of this section must complete the first training required by this section ((~~during~~)) by the end of the first full continuing education reporting period after January 1, 2014, or during the first full continuing education reporting period after initial licensure or certification, whichever occurs later.

(b) A professional listed in subsection (1)(a) of this section applying for initial licensure may delay completion of the first training required by this section for six years after initial licensure if he or she can demonstrate successful completion of the training

required in subsection (1) of this section no more than six years prior to the application for initial licensure.

(3) The hours spent completing training in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt ((~~a~~)) an individual professional from the training requirements in subsections (1) and (5) of this section. (b) A disciplining authority may exempt a professional from the training requirements of subsections (1) and (5) of this section if the professional has only brief or limited patient contact.

(5)(a) Beginning January 1, 2016, each of the following professionals credentialed under Title 18 RCW shall complete a one-time training in suicide assessment, treatment, and management that is approved by the relevant disciplining authority:

Training completed between June 12, 2014, and January 1, 2016, that meets the requirements of this section, other than the timing requirements of this subsection (5)(b), must be accepted by the disciplining authority as meeting the one-time training requirement of this subsection (5).

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (9)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (5)(d) affects the validity of training completed prior to July 1, 2017.

((~~When updating the list, the secretary and the disciplining authorities shall, to the extent practicable, endeavor to include training on the model list that includes content specific to veterans. (c) By June 30, 2016, the department shall adopt rules establishing minimum standards for the training programs included on the model list. The minimum standards must require that six-hour trainings include content specific to veterans and the assessment of issues related to imminent harm via lethal means or self-injurious behaviors. When adopting the rules required under this subsection (6)(c), the department shall:

The educator training programs approved by the professional educator standards board may be included in the department's model list.

(8) Nothing in this section may be interpreted to expand or limit the scope of practice of any profession regulated under chapter 18.130 RCW.

(((~~(8)~~))) (9) The secretary and the disciplining authorities affected by this section shall adopt any rules necessary to implement this section.

(((~~(9)~~))) (10) For purposes of this section:

(a) "Disciplining authority" has the same meaning as in RCW 18.130.020.

(b) "Training in suicide assessment, treatment, and management" means empirically supported training approved by the appropriate disciplining authority that contains the following elements: Suicide assessment, including screening and referral, suicide treatment, and suicide management. ENGROSSED SUBSTITUTE HOUSE BILL NO. 1424, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 14, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1440 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 59.** A new section is added to chapter 9.73 RCW to read as follows:

The state and its political subdivisions shall not, by means of a cell site simulator device, collect or use a person's electronic data or metadata without (1) that person's informed consent, (2) a warrant, based upon probable cause, that describes with particularity the person, place, or thing to be searched or seized, or (3) acting in accordance with a legally recognized exception to the warrant requirements.

Sec. 60. RCW 9.73.260 and 1998 c 217 s 1 are each amended to read as follows:

(1) As used in this section:

(a) "Wire communication" means any aural transfer made in whole or in part through the use of facilities for the transmission of communications by the aid of wire, cable, or other like connection between the point of origin and the point of reception, including the use of such connection in a switching station, furnished or operated by any person engaged in providing or operating such facilities for the transmission of intrastate, interstate, or foreign communications, and such term includes any electronic storage of such communication.

(b) "Electronic communication" means any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photoelectronic, or photo-optical system, but does not include:

(i) Any wire or oral communication;

(ii) Any communication made through a tone-only paging device; or

(iii) Any communication from a tracking device, but solely to the extent the tracking device is owned by the applicable law enforcement agency.

(c) "Electronic communication service" means any service that provides to users thereof the ability to send or receive wire or electronic communications.

(d) "Pen register" means a device that records or decodes electronic or other impulses that identify the numbers dialed or otherwise transmitted on the telephone line to which such device is attached, but such term does not include any device used by a provider or customer of a wire or electronic communication service for billing, or recording as an incident to billing, for communications services provided by such provider or any device used by a provider or customer of a wire communication service for cost accounting or other like purposes in the ordinary course of its business.

(e) "Trap and trace device" means a device that captures the incoming electronic or other impulses that identify the originating number of an instrument or device from which a wire or electronic communication was transmitted.

(f) "Cell site simulator device" means a device that transmits or receives radio waves for the purpose of conducting one or more of the following operations: (i) Identifying, locating, or tracking the movements of a communications device; (ii) intercepting, obtaining, accessing, or forwarding the communications, stored data, or

metadata of a communications device; (iii) affecting the hardware or software operations or functions of a communications device; (iv) forcing transmissions from or connections to a communications device; (v) denying a communications device access to other communications devices, communications protocols, or services; or (vi) spoofing or simulating a communications device, cell tower, cell site, or service, including, but not limited to, an international mobile subscriber identity catcher or other invasive cell phone or telephone surveillance or eavesdropping device that mimics a cell phone tower and sends out signals to cause cell phones in the area to transmit their locations, identifying information, and communications content, or a passive interception device or digital analyzer that does not send signals to a communications device under surveillance. A cell site simulator device does not include any device used or installed by an electric utility, as defined in RCW 19.280.020, solely to the extent such device is used by that utility to measure electrical usage, to provide services to customers, or to operate the electric grid.

(2) No person may install or use a pen register ((~~or~~)), trap and trace device, or cell site simulator device without a prior court order issued under this section except as provided under subsection (6) of this section or RCW 9.73.070.

(3) A law enforcement officer may apply for and the superior court may issue orders and extensions of orders authorizing the installation and use of pen registers ((~~and~~)), trap and trace devices, and cell site simulator devices as provided in this section. The application shall be under oath and shall include the identity of the officer making the application and the identity of the law enforcement agency conducting the investigation. The applicant must certify that the information likely to be obtained is relevant to an ongoing criminal investigation being conducted by that agency.

(4) If the court finds that the information likely to be obtained by such installation and use is relevant to an ongoing criminal investigation and finds that there is probable cause to believe that the pen register ((~~or~~)), trap and trace device, or cell site simulator device will lead to obtaining evidence of a crime, contraband, fruits of crime, things criminally possessed, weapons, or other things by means of which a crime has been committed or reasonably appears about to be committed, or will lead to learning the location of a person who is unlawfully restrained or reasonably believed to be a witness in a criminal investigation or for whose arrest there is probable cause, the court shall enter an ex parte order authorizing the installation and use of a pen register ((~~or a~~)), trap and trace device, or cell site simulator device. The order shall specify:

(a)(i) In the case of a pen register or trap and trace device, the identity, if known, of the person to whom is leased or in whose name is listed the telephone line to which the pen register or trap and trace device is to be attached; or

(ii) In the case of a cell site simulator device, the identity, if known, of (A) the person to whom is subscribed or in whose name is subscribed the electronic communications service utilized by the device to which the cell site simulator device is to be used and (B) the person who possesses the device to which the cell site simulator device is to be used;

(b) The identity, if known, of the person who is the subject of the criminal investigation;

(c)(i) In the case of a pen register or trap and trace device, the number and, if known, physical location of the telephone line to which the pen register or trap and trace device is to be attached and, in the case of a trap and trace device, the geographic limits of the trap and trace order; or

(ii) In the case of a cell site simulator device: (A) The telephone number or other unique subscriber account number identifying the wire or electronic communications service account used by the device to which the cell site simulator device is to be attached or used; (B) if known, the physical location of the device to which the cell site simulator device is to be attached or used; (C) the type of device, and the communications protocols being used by the device, to which the cell site simulator device is to be attached or used; (D) the geographic area that will be covered by the cell site simulator device; (E) all categories of metadata, data, or information to be collected by the cell site simulator device from the targeted device including, but not limited to, call records and geolocation information; (F) whether or not the cell site simulator device will incidentally collect metadata, data, or information from any parties or devices not specified in the court order, and if so, what categories of information or metadata will be collected; and (G) any disruptions to access or use of a communications or internet access network that may be created by use of the device; and

(d) A statement of the offense to which the information likely to be obtained by the pen register ((~~or~~)), trap and trace device, or cell site simulator device relates.

The order shall direct, if the applicant has requested, the furnishing of information, facilities, and technical assistance necessary to accomplish the installation of the pen register ((~~or~~)), trap and trace device, or cell site simulator device. An order issued under this section shall authorize the installation and use of a: (i) Pen register or a trap and trace device for a period not to exceed sixty days; and (ii) a cell site simulator device for sixty days. An extension of the original order may only be granted upon: A new application for an order under subsection (3) of this section; and a showing that there is a probability that the information or items sought under this subsection are more likely to be obtained under the extension than under the original order. No extension beyond the first extension shall be granted unless: There is a showing that there is a high probability that the information or items sought under this subsection are much more likely to be obtained under the second or subsequent extension than under the original order; and there are extraordinary circumstances such as a direct and immediate danger of death or serious bodily injury to a law enforcement officer. The period of extension shall be for a period not to exceed sixty days.

An order authorizing or approving the installation and use of a pen register ((~~or a~~)), trap and trace device, or cell site simulator device shall direct that the order be sealed until otherwise ordered by the court and that the person owning or leasing the line to which the pen register ((~~or~~)), trap and trace device, and cell site simulator devices is attached or used, or who has been ordered by the court to provide assistance to the applicant, not disclose the existence of the pen register ((~~or~~)), trap and trace device, or cell site simulator device or the existence of the investigation to the listed subscriber or to any other person, unless or until otherwise ordered by the court.

(5) Upon the presentation of an order, entered under subsection (4) of this section, by an officer of a law enforcement agency authorized to install and use a pen register under this chapter, a provider of wire or electronic communication service, landlord, custodian, or other person shall furnish such law enforcement officer forthwith all information, facilities, and technical assistance necessary to accomplish the installation of the pen register unobtrusively and with a minimum of interference with the services that the person so ordered by the court accords the party with respect to whom the installation and use is to take place, if such assistance is directed by a court order as provided in subsection (4) of this section.

Upon the request of an officer of a law enforcement agency authorized to receive the results of a trap and trace device under this chapter, a provider of a wire or electronic communication service, landlord, custodian, or other person shall install such device forthwith on the appropriate line and shall furnish such law enforcement officer all additional information, facilities, and technical assistance including installation and operation of the device unobtrusively and with a minimum of interference with the services that the person so ordered by the court accords the party

with respect to whom the installation and use is to take place, if such installation and assistance is directed by a court order as provided in subsection (4) of this section. Unless otherwise ordered by the court, the results of the trap and trace device shall be furnished to the officer of a law enforcement agency, designated in the court order, at reasonable intervals during regular business hours for the duration of the order.

A provider of a wire or electronic communication service, landlord, custodian, or other person who furnishes facilities or technical assistance pursuant to this subsection shall be reasonably compensated by the law enforcement agency that requests the facilities or assistance for such reasonable expenses incurred in providing such facilities and assistance.

No cause of action shall lie in any court against any provider of a wire or electronic communication service, its officers, employees, agents, or other specified persons for providing information, facilities, or assistance in accordance with the terms of a court order under this section. A good faith reliance on a court order under this section, a request pursuant to this section, a legislative authorization, or a statutory authorization is a complete defense against any civil or criminal action brought under this chapter or any other law.

(6)(a) Notwithstanding any other provision of this chapter, a law enforcement officer and a prosecuting attorney or deputy prosecuting attorney who jointly and reasonably determine that there is probable cause to believe that an emergency situation exists that involves immediate danger of death or serious bodily injury to any person that requires the installation and use of a pen register ((~~or a~~)), trap and trace device, or cell site simulator device before an order authorizing such installation and use can, with due diligence, be obtained, and there are grounds upon which an order could be entered under this chapter to authorize such installation and use, may have installed and use a pen register ((~~or~~)), trap and trace device, or cell site simulator device if, within forty-eight hours after the installation has occurred, or begins to occur, an order approving the installation or use is issued in accordance with subsection (4) of this section. In the absence of an authorizing order, such use shall immediately terminate when the information sought is obtained, when the application for the order is denied or when forty-eight hours have lapsed since the installation of the pen register ((~~or~~)), trap and trace device, or cell site simulator device, whichever is earlier. If an order approving the installation or use is not obtained within forty-eight hours, any information obtained is not admissible as evidence in any legal proceeding. The knowing installation or use by any law enforcement officer of a pen register ((~~or~~)), trap and trace device, or cell site simulator device pursuant to this subsection without application for the authorizing order within forty-eight hours of the installation shall constitute a violation of this chapter and be punishable as a gross misdemeanor. A provider of a wire or electronic service, landlord, custodian, or other person who furnished facilities or technical assistance pursuant to this subsection shall be reasonably compensated by the law enforcement agency that requests the facilities or assistance for such reasonable expenses incurred in providing such facilities and assistance.

(b) A law enforcement agency that authorizes the installation of a pen register ((~~or~~)), trap and trace device, or cell site simulator device under this subsection (6) shall file a monthly report with the administrator for the courts. The report shall indicate the number of authorizations made, the date and time of each authorization, whether a court authorization was sought within forty-eight hours, and whether a subsequent court authorization was granted.

(c) A law enforcement agency authorized to use a cell site simulator device in accordance with this section must: (i) Take all steps necessary to limit the collection of any information or metadata to the target specified in the applicable court order; (ii) take all steps necessary to permanently delete any information or metadata collected from any party not specified in the applicable court order immediately following such collection and must not transmit, use, or retain such information or metadata for any purpose whatsoever; and (iii) must delete any information or metadata collected from the target specified in the court order within thirty days if there is no longer probable cause to support the belief that such information or metadata is evidence of a crime.

NEW SECTION. **Sec. 61.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 62.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "warrant;" strike the remainder of the title and insert "amending RCW 9.73.260; adding a new section to chapter 9.73 RCW; and declaring an emergency."

and the same is herewith transmitted.

(b) If ownership of the right-of-way reverts to the department under this subsection, the property must be in at least substantially the same condition as when the right-of-way was initially transferred under this section.

(4) Any operator agreement entered into under this section must not limit the state's ability to enter into a franchise agreement on the rail line. If the state enters into such a franchise agreement, the agreement must allow any person operating on that rail line pursuant to a valid contract to continue to operate under the terms of the contract.

(ii) An abutting private owner, but only after each other abutting private owner, if any, as shown in the records of the county assessor, is notified in writing of the proposed sale. If more than one abutting private owner requests in writing the right to purchase the real property within fifteen days after receiving notice of the proposed sale, the real property must be sold at public auction in the manner provided in RCW 47.76.320 (2) through (4);

(iii) Any other state agency;

MESSAGE FROM THE SENATE

April 13, 2015

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1898 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 77.** (1) The legislature finds that RCW 9A.44.150, which allows testimony of child victims by closed-circuit television in certain cases, helps protect certain child witnesses. During the prosecution of many child abuse cases, child victims may suffer serious emotional and mental trauma from exposure to the abuser. Some of these child victims are unable to testify at all in the presence of the abuser. For these reasons, the legislature found it a compelling state interest to allow for remote testimony in certain cases to enhance the truth-seeking process and to shield child victims from trauma.

(2) The legislature further finds that while there is a possibility for certain child victims to testify remotely in some cases, this procedure is rarely used. The legislature intends to raise awareness regarding this procedure by including it in training materials for investigating and prosecuting sexual assault cases.

Sec. 78. RCW 43.101.270 and 1991 c 267 s 2 are each amended to read as follows:

(1) Each year the criminal justice training commission shall offer an intensive, integrated training session on investigating and prosecuting sexual assault cases. The training shall place particular emphasis on the development of professionalism and sensitivity towards the victim and the victim's family.

(2) The commission shall seek advice from the Washington association of prosecuting attorneys, the Washington defender association, the Washington association of sheriffs and police chiefs, and the Washington coalition of sexual assault programs.

(3) The training shall be an integrated approach to sexual assault cases so that prosecutors, law enforcement, defenders, and victim advocates can all benefit from the training.

(4) The training shall be self-supporting through fees charged to the participants of the training.

(5) The training shall include a reference to the possibility that a court may allow children under the age of fourteen to testify in a room outside the presence of the defendant and the jury pursuant to RCW 9A.44.150.

NEW SECTION. **Sec. 79.** A new section is added to chapter 43.101 RCW to read as follows:

The criminal justice training commission shall annually survey law enforcement and prosecuting agencies regarding, with respect to the preceding year: (1) The frequency of cases where children under the age of fourteen have elected not to testify, including the reasons for the election not to testify; (2) the number of cases where remote testimony pursuant to RCW 9A.44.150 was used and whether those cases resulted in conviction; and (3) the total number

of child sexual abuse cases referred for prosecution and the number of those cases that were prosecuted. The results of the survey described in this section must be reported every other year to the appropriate committees of the legislature with an initial reporting date of December 1, 2015."

On page 1, line 1 of the title, after "victims;" strike the remainder of the title and insert "amending RCW 43.101.270; adding a new section to chapter 43.101 RCW; and creating a new section."

MESSAGE FROM THE SENATE

April 8, 2015

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1671, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 81.** (1) The legislature intends to reduce the number of lives lost to drug overdoses by encouraging the prescription, dispensing, and administration of opioid overdose medications.

(2) Overdoses of opioids, such as heroin and prescription painkillers, cause brain injury and death by slowing and eventually stopping a person's breathing. Since 2012, drug poisoning deaths in the United States have risen six percent, and deaths involving heroin have increased a staggering thirty-nine percent. In Washington state, the annual number of deaths involving heroin or prescription opiates increased from two hundred fifty-eight in 1995 to six hundred fifty-one in 2013. Over this period, a total of nine thousand four hundred thirty-nine people died from opioid-related drug overdoses. Opioid-related drug overdoses are a statewide phenomenon.

(3) When administered to a person experiencing an opioid-related drug overdose, an opioid overdose medication can save the person's life by restoring respiration. Increased access to opioid overdose medications reduced the time between when a victim is discovered and when he or she receives lifesaving assistance. Between 1996 and 2010, lay people across the country reversed over ten thousand overdoses.

(4) The legislature intends to increase access to opioid overdose medications by permitting health care practitioners to administer, prescribe, and dispense, directly or by collaborative drug therapy agreement or standing order, opioid overdose medication to any person who may be present at an overdose - law enforcement, emergency medical technicians, family members, or service providers - and to permit those individuals to possess and administer opioid overdose medications prescribed by an authorized health care provider.

NEW SECTION. **Sec. 82.** A new section is added to chapter 69.41 RCW to read as follows:

(1)(a) A practitioner may prescribe, dispense, distribute, and deliver an opioid overdose medication: (i) Directly to a person at risk of experiencing an opioid-related overdose; or (ii) by collaborative drug therapy agreement, standing order, or protocol to a first responder, family member, or other person or entity in a position to assist a person at risk of experiencing an opioid-related overdose. Any such prescription or protocol order is issued for a legitimate medical purpose in the usual course of professional practice.

(b) At the time of prescribing, dispensing, distributing, or delivering the opioid overdose medication, the practitioner shall inform the recipient that as soon as possible after administration of the opioid overdose medication, the person at risk of experiencing an opioid-related overdose should be transported to a hospital or a first responder should be summoned.

(2) A pharmacist may dispense an opioid overdose medication pursuant to a prescription issued in accordance with this section and may administer an opioid overdose medication to a person at risk of experiencing an opioid-related overdose. At the time of dispensing an opioid overdose medication, a pharmacist shall provide written instructions on the proper response to an opioid-related overdose, including instructions for seeking immediate medical attention.

(3) Any person or entity may lawfully possess, store, deliver, distribute, or administer an opioid overdose medication pursuant to a prescription or order issued by a practitioner in accordance with this section.

(4) The following individuals, if acting in good faith and with reasonable care, are not subject to criminal or civil liability or disciplinary action under chapter 18.130 RCW for any actions authorized by this section or the outcomes of any actions authorized by this section:

(a) A practitioner who prescribes, dispenses, distributes, or delivers an opioid overdose medication pursuant to subsection (1) of this section;

(b) A pharmacist who dispenses an opioid overdose medication pursuant to subsection (2) of this section;

(c) A person who possesses, stores, distributes, or administers an opioid overdose medication pursuant to subsection (3) of this section.

(5) For purposes of this section, the following terms have the following meanings unless the context clearly requires otherwise:

(a) "First responder" means: (i) A career or volunteer firefighter, law enforcement officer, paramedic as defined in RCW 18.71.200, or first responder or emergency medical technician as defined in RCW 18.73.030; and (ii) an entity that employs or supervises an individual listed in (a)(i) of this subsection, including a volunteer fire department.

(b) "Opioid overdose medication" means any drug used to reverse an opioid overdose that binds to opioid receptors and blocks or inhibits the effects of opioids acting on those receptors. It does not include intentional administration via the intravenous route.

(c) "Opioid-related overdose" means a condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death that: (i) Results from the consumption or use of an opioid or another substance with which an opioid was combined; or (ii) a lay person would reasonably believe to be an opioid-related overdose requiring medical assistance.

(d) "Practitioner" means a health care practitioner who is authorized under RCW 69.41.030 to prescribe legend drugs.

(e) "Standing order" or "protocol" means written or electronically recorded instructions, prepared by a prescriber, for distribution and administration of a drug by designated and trained staff or volunteers of an organization or entity, as well as other actions and interventions to be used upon the occurrence of clearly defined clinical events in order to improve patients' timely access to treatment.

Sec. 83. RCW 69.41.040 and 2003 c 53 s 324 are each amended to read as follows:

(1) A prescription, in order to be effective in legalizing the possession of legend drugs, must be issued for a legitimate medical purpose by one authorized to prescribe the use of such legend drugs. Except as provided in section 2 of this act, an order purporting to be a prescription issued to a drug abuser or habitual user of legend drugs, not in the course of professional treatment, is not a prescription within the meaning and intent of this section; and the person who knows or should know that he or she is filling such an order, as well as the person issuing it, may be charged with violation of this chapter. A legitimate medical purpose shall include use in the course of a bona fide research program in conjunction with a hospital or university.

(2) A violation of this section is a class B felony punishable according to chapter 9A.20 RCW.

Sec. 84. RCW 69.50.315 and 2010 c 9 s 2 are each amended to read as follows:

(1)(((~~(a)~~))) A person acting in good faith who seeks medical assistance for someone experiencing a drug-related overdose shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the person seeking medical assistance.

(((~~(b) A person acting in good faith may receive a naloxone prescription, possess naloxone, and administer naloxone to an individual suffering from an apparent opiate-related overdose.~~)))

(2) A person who experiences a drug-related overdose and is in need of medical assistance shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the overdose and the need for medical assistance.

(3) The protection in this section from prosecution for possession crimes under RCW 69.50.4013 shall not be grounds for suppression of evidence in other criminal charges.

NEW SECTION. **Sec. 85.** (1)(a) A legislative task force on opioid addiction is established, with members as provided in this subsection.

(i) The secretary of the senate shall appoint two members from each of the two largest caucuses of the senate;

(ii) The speaker of the house of representatives shall appoint two members from each of the two largest caucuses of the house of representatives;

(iii) The secretary of the senate and the speaker of the house of representatives shall appoint two members of the public who have experience or training relating to opioid addiction issues, this may include a person or persons with personal or family experience relating to opioid addiction;

(iv) The governor shall appoint one member from the department of social and health services' behavioral health services integration administration;

(v) The governor shall appoint one member from the University of Washington's alcohol and drug abuse institute; and

(vi) The governor shall appoint one member from the division of secondary education within the office of the superintendent of public instruction.

(b) The task force shall choose its chair or cochairs from among its legislative membership. The person appointed to represent the department of social and health services' behavioral health services integration administration shall convene the initial meeting of the task force.

(2) The task force shall review the following:

(a) Ways to increase access to opioid antagonists to prevent opioid-related overdose deaths throughout the state;

(b) Issues related to addiction, including causes of addiction, stigma related to addiction, and access to treatment for addiction;

(c) Educational efforts to reduce and to ultimately end minor use of opioids; and

(d) Other addiction issues deemed appropriate by the task force.

(3) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research.

(4) Legislative members of the task force must be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members, except those representing an employer or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(5) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(6) This section expires August 1, 2017.

NEW SECTION. **Sec. 86.** RCW 18.130.345 (Naloxone—Administering, dispensing, prescribing, purchasing, acquisition, possession, or use—Opiate-related overdose) and 2010 c 9 s 3 are each repealed."

On page 1, line 2 of the title, after "deaths;" strike the remainder of the title and insert "amending RCW 69.41.040 and 69.50.315; adding a new section to chapter 69.41 RCW; creating new sections; repealing RCW 18.130.345; and providing an expiration date."

(b) Three and one-half percent shall be credited to the ORV and nonhighway vehicle account and administered by the department of fish and wildlife solely for the acquisition, planning, development, maintenance, and management of ORV, nonmotorized, and nonhighway road recreation facilities and the maintenance of nonhighway roads;

(1) The legislative body of any city pursuant to RCW 35.92.060, of any county which has created an unincorporated transportation benefit area pursuant to RCW 36.57.100 and 36.57.110, of any public transportation benefit area pursuant to RCW 36.57A.080 and 36.57A.090, of any county transportation authority established pursuant to chapter 36.57 RCW, and of any metropolitan municipal corporation within a county with a population of one million or more pursuant to chapter 35.58 RCW, may, by resolution or ordinance for the sole purpose of providing funds for the operation, maintenance, or capital needs of public transportation systems or public transportation limited to persons with special needs under RCW 36.57.130 and 36.57A.180, and in lieu of the excise taxes authorized by RCW 35.95.040, submit an authorizing proposition to the voters or include such authorization in a proposition to perform the function of public transportation or public transportation limited to persons with special needs under RCW 36.57.130 and 36.57A.180, and if approved by a majority of persons voting thereon, impose a sales and use tax in accordance with the terms of this chapter. Where an authorizing proposition is submitted by a county on behalf of an unincorporated transportation benefit area, it shall be voted upon by the voters residing within the boundaries of such unincorporated transportation benefit area and, if approved, the sales and use tax shall be imposed only within such area. Notwithstanding any provisions of this section to the contrary, any county in which a county public transportation plan has been adopted pursuant to RCW 36.57.070 and the voters of such county have authorized the imposition of a sales and use tax pursuant to the provisions of section 10, chapter 167, Laws of 1974 ex. sess., prior to July 1, 1975, shall be authorized to fix and impose a sales and use tax as provided in this section at not to exceed the rate so authorized without additional approval of the voters of such county as otherwise required by this section.

The tax authorized by this section shall be in addition to the tax authorized by RCW 82.14.030 and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within such city, public transportation benefit area, county, or metropolitan municipal corporation as the case may be. The rate of such tax shall be one-tenth, two-tenths, three-tenths, four-tenths, five-tenths, six-tenths, seven-tenths, eight-tenths, or nine-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of such tax shall not exceed the rate authorized by the voters unless such increase shall be similarly approved.

(2)(a) In the event a metropolitan municipal corporation imposes a sales and use tax pursuant to this chapter no city, county which has created an unincorporated transportation benefit area, public transportation benefit area authority, or county transportation authority wholly within such metropolitan municipal corporation shall be empowered to impose and/or collect taxes under RCW 35.95.040 or this section, but nothing herein shall prevent such city or county from imposing sales and use taxes pursuant to any other authorization.

(b) In the event a county transportation authority imposes a sales and use tax under this section, no city, county which has created an unincorporated transportation benefit area, public transportation benefit area, or metropolitan municipal corporation, located within the territory of the authority, shall be empowered to impose or collect taxes under RCW 35.95.040 or this section.

(c) In the event a public transportation benefit area imposes a sales and use tax under this section, no city, county which has created an unincorporated transportation benefit area, or metropolitan municipal corporation, located wholly or partly within the territory of the public transportation benefit area, shall be empowered to impose or collect taxes under RCW 35.95.040 or this section.

(3) The legislative body of a public transportation benefit area located in a county with either a population of two hundred thirty thousand or more that borders Puget Sound that also contains two or more cities with a population greater than forty thousand or a population of seven hundred thousand or more that also contains a city with a population of seventy-five thousand or more operating a transit system pursuant to chapter 35.95 RCW may submit an authorizing proposition to the voters and, if approved by a majority of persons voting on the proposition, impose a sales and use tax in accordance with the terms of this chapter of one-tenth, two-tenths, or three-tenths of one percent of the selling price, in the case of a sales tax, or value of the article used, in the case of a use tax, in addition to the rate in subsection (1) of this section.

Passenger-Only Ferry Service Districts

NEW SECTION. **Sec. 305.** A new section is added to chapter 36.57A RCW to read as follows:

(1) A governing body of a public transportation benefit area, located in a county that only borders the western side of Puget Sound with a population of more than two hundred thousand and contains one or more Washington state ferries terminals, may establish one or more passenger-only ferry service districts within all or a portion of the boundaries of the public transportation benefit area establishing the passenger-only ferry service district. A passenger-only ferry service district may include all or a portion of a city or town as long as all or a portion of the city or town boundaries are within the boundaries of the establishing public transportation benefit area. The members of the public transportation benefit area governing body proposing to establish the passenger-only ferry service district, acting ex officio and independently, constitutes the governing body of the passenger-only ferry service district.

(2) A passenger-only ferry service district may establish, finance, and provide passenger-only ferry service, and associated services to support and augment passenger-only ferry service operation, within its boundaries in the same manner as authorized for public transportation benefit areas under this chapter.

(3) A passenger-only ferry service district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may be conferred by statute including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, to acquire, hold, and dispose of real and personal property, and to sue and be sued. Public works contract limits applicable to the public transportation benefit area that established the passenger-only ferry service district apply to the district. For purposes of this section, "passenger-only ferry service district" means a quasi-municipal corporation and independent taxing authority within the meaning of Article VII, section 1 of the state Constitution, and a taxing district within the meaning of Article VII, section 2 of the state Constitution, created by the legislative body of a public transportation benefit area.

(4) Before a passenger-only ferry service district may provide passenger-only ferry service, it must develop a passenger-only ferry investment plan, including elements: To operate or contract for the operation of passenger-only ferry services; to purchase, lease, or rent ferry vessels and dock facilities for the provision of transit service; and to identify other activities necessary to implement the plan. The plan must set forth terminal locations to be served, projected costs of providing services, and revenues to be generated from tolls, locally collected tax revenues, and other revenue sources. The plan must ensure that services provided under the plan are for the benefit of the residents of the passenger-only ferry service district. The passenger-only ferry service district may use any of its powers to carry out this purpose, unless otherwise prohibited by law. In addition, the passenger-only ferry service district may enter into: Contracts and agreements to operate passenger-only ferry service; public-private partnerships; and design-build, general contractor/construction management, or other alternative procurement processes substantially consistent with chapter 39.10 RCW.

(5) A passenger-only ferry service district may be dissolved by a majority vote of the governing body when all obligations under any general obligation bonds issued by the passenger-only ferry service district have been discharged and any other contractual obligations of the passenger-only ferry service district have either been discharged or assumed by another governmental entity.

NEW SECTION. **Sec. 306.** A new section is added to chapter 36.57A RCW to read as follows:

(1) A passenger-only ferry service district may, as part of a passenger-only ferry investment plan, recommend some or all of the following revenue sources as provided in this chapter:

(a) A sales and use tax, as authorized in section 307 of this act;

(b) A parking tax, as authorized in section 308 of this act;

(c) Tolls for passengers, packages, and, where applicable, parking; and

(d) Charges or licensing fees for advertising, leasing space for services to ferry passengers, and other revenue generating activities.

(2) Taxes may not be imposed without an affirmative vote of the majority of the voters within the boundaries of the passenger-only ferry service district voting on a single ballot proposition to both approve a passenger-only ferry investment plan and to approve taxes to implement the plan. Revenues from these taxes and fees may be used only to implement the plan and must be used for the benefit of the residents of the passenger-only ferry service district. A district must contract with the department of revenue for the administration and collection of a sales and use tax as authorized in section 307 of this act. A district may contract with other appropriate entities for the administration and collection of any of the other taxes or charges authorized in this section.

NEW SECTION. **Sec. 307.** A new section is added to chapter 82.14 RCW to read as follows:

(1) Passenger-only ferry service districts providing passenger-only ferry service as provided in section 305 of this act may submit an authorizing proposition to the voters and, if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter, solely for the purpose of providing passenger-only ferry service and associated services to support and augment passenger-only ferry service operation.

(2) The tax authorized under this section is in addition to other taxes authorized by law and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of a taxable event within the taxing district. The maximum rate of the tax must be approved by the voters and may not exceed three-tenths of one percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax.

NEW SECTION. **Sec. 308.** A new section is added to chapter 82.80 RCW to read as follows:

(1) Subject to the conditions of this section, a passenger-only ferry service district located in a county with a population of one million or less as of January 1, 2016, may fix and impose a parking tax on all persons engaged in a commercial parking business within its respective jurisdiction.

(2) In lieu of the tax in subsection (1) of this section, a passenger-only ferry service district located in a county with a population of one million or less as of January 1, 2016, may fix and impose a tax for the act or privilege of parking a motor vehicle in a facility operated by a commercial parking business. The passenger-only ferry service district may provide that:

(a) The tax is paid by the operator or owner of the motor vehicle;

(b) The tax applies to all parking for which a fee is paid, whether paid or leased, including parking supplied with a lease of nonresidential space;

(c) The tax is collected by the operator of the facility and remitted to the city, county, or passenger-only ferry service district;

(d) The tax is a fee per vehicle or is measured by the parking charge;

(e) The tax rate varies with zoning or location of the facility, the duration of the parking, the time of entry or exit, the type or use of the vehicle, or other reasonable factors; and

(f) Tax exempt carpools, vehicles with special license plates and parking placards for persons with disabilities, or government vehicles are exempt from the tax.

(3) The rate of the tax under subsection (1) of this section may be based either upon gross proceeds or the number of vehicle stalls available for commercial parking use. The rates charged must be uniform for the same class or type of commercial parking business.

(4) The passenger-only ferry service district levying the tax provided for in subsection (1) or (2) of this section may provide for its payment on a monthly, quarterly, or annual basis.

(5) The proceeds of the parking tax imposed by a passenger-only ferry service district under subsection (1) or (2) of this section must be used as provided in section 306 of this act.

(6) "Commercial parking business" as used in this section, means the ownership, lease, operation, or management of a commercial parking lot in which fees are charged. "Commercial parking lot" means a covered or uncovered area with stalls for the purpose of parking motor vehicles.

NEW SECTION. **Sec. 309.** A new section is added to chapter 36.57A RCW to read as follows:

(1) To carry out the purposes of this chapter, a passenger-only ferry service district may issue general obligation bonds, not to exceed an amount, together with any other outstanding nonvoter-approved general obligation indebtedness, equal to one and one-half percent of the value of the taxable property within the area, as the term "value of the taxable property" is defined in RCW 39.36.015. A passenger-only ferry service district may also issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to five percent of the value of the taxable property within the area, as the term "value of the taxable property" is defined in RCW 39.36.015, when authorized by the voters of the area pursuant to Article VIII, section 6 of the state Constitution.

(2) General obligation bonds with a maturity in excess of twenty-five years may not be issued. The governing body of the passenger-only ferry service district must by resolution determine for each general obligation bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued, or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the passenger-only ferry service district may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. The passenger-only ferry service district may also pledge any other revenues that may be available to the district.

(4) In addition to general obligation bonds, a passenger-only ferry service district may issue revenue bonds to be issued and sold in accordance with chapter 39.46 RCW.

Sound Transit Funding - ST3

Sec. 310. RCW 81.104.140 and 2002 c 56 s 202 are each amended to read as follows:

(1) Agencies authorized to provide high capacity transportation service, including transit agencies and regional transit authorities, and regional transportation investment districts acting with the agreement of an agency, are hereby granted dedicated funding sources for such systems. These dedicated funding sources, as set forth in RCW 81.104.150, 81.104.160, ((~~and~~)) 81.104.170, and section 313 of this act, are authorized only for agencies located in (a) each county with a population of two hundred ten thousand or more and (b) each county with a population of from one hundred twenty-five thousand to less than two hundred ten thousand except for those counties that do not border a county with a population as described under (a) of this subsection. In any county with a population of one million or more or in any county having a population of four hundred thousand or more bordering a county with a population of one million or more, these funding sources may be imposed only by a regional transit authority or a regional transportation investment district. Regional transportation investment districts may, with the approval of the regional transit authority within its boundaries, impose the taxes authorized under this chapter, but only upon approval of the voters and to the extent that the maximum amount of taxes authorized under this chapter have not been imposed.

(2) Agencies planning to construct and operate a high capacity transportation system should also seek other funds, including federal, state, local, and private sector assistance.

(3) Funding sources should satisfy each of the following criteria to the greatest extent possible:

(a) Acceptability;

(b) Ease of administration;

(c) Equity;

(d) Implementation feasibility;

(e) Revenue reliability; and

(f) Revenue yield.

(4)(a) Agencies participating in regional high capacity transportation system development are authorized to levy and collect the following voter-approved local option funding sources:

((~~(a)~~)) (i) Employer tax as provided in RCW 81.104.150, other than by regional transportation investment districts;

((~~(b)~~)) (ii) Special motor vehicle excise tax as provided in RCW 81.104.160; ((~~and~~

~~(c)~~)) (iii) Regular property tax as provided in section 313 of this act; and

(iv) Sales and use tax as provided in RCW 81.104.170.

(b) Revenues from these taxes may be used only to support those purposes prescribed in subsection (10) of this section. Before the date of an election authorizing an agency to impose any of the taxes enumerated in this section and authorized in RCW 81.104.150, 81.104.160, ((~~and~~)) 81.104.170, and section 313 of this act, the agency must comply with the process prescribed in RCW 81.104.100 (1) and (2), section 314 of this act, and 81.104.110. No construction on exclusive right-of-way may occur before the requirements of RCW 81.104.100(3) are met.

(5) Except for the regular property tax authorized in section 313 of this act, the authorization in subsection (4) of this section ((~~shall~~)) may not adversely affect the funding authority of transit agencies not provided for in this chapter. Local option funds may be used to support implementation of interlocal agreements with respect to the establishment of regional high capacity transportation service. Except when a regional transit authority exists, local jurisdictions ((~~shall~~)) must retain control over moneys generated within their

boundaries, although funds may be commingled with those generated in other areas for planning, construction, and operation of high capacity transportation systems as set forth in the agreements.

(6) Except for the regular property tax authorized in section 313 of this act, agencies planning to construct and operate high capacity transportation systems may contract with the state for collection and transference of voter-approved local option revenue.

(7) Dedicated high capacity transportation funding sources authorized in RCW 81.104.150, 81.104.160, ((~~and~~)) 81.104.170 ((~~shall be~~)), and section 313 of this act are subject to voter approval by a simple majority. A single ballot proposition may seek approval for one or more of the authorized taxing sources. The ballot title ((~~shall~~)) must reference the document identified in subsection (8) of this section.

(8) Agencies ((~~shall~~)) must provide to the registered voters in the area a document describing the systems plan and the financing plan set forth in RCW 81.104.100. It ((~~shall~~)) must also describe the relationship of the system to regional issues such as development density at station locations and activity centers, and the interrelationship of the system to adopted land use and transportation demand management goals within the region. This document ((~~shall~~)) must be provided to the voters at least twenty days prior to the date of the election.

(9) For any election in which voter approval is sought for a high capacity transportation system plan and financing plan pursuant to RCW 81.104.040, a local voter's pamphlet ((~~shall~~)) must be produced as provided in chapter ((~~29.81A~~)) 29A.32 RCW.

(10)(a) Agencies providing high capacity transportation service ((~~shall~~)) must retain responsibility for revenue encumbrance, disbursement, and bonding. Funds may be used for any purpose relating to planning, construction, and operation of high capacity transportation systems and commuter rail systems, personal rapid transit, busways, bus sets, and entrained and linked buses.

(b) A regional transit authority that imposes a motor vehicle excise tax after the effective date of this section, imposes a property tax, or increases a sales and use tax to more than nine-tenths of one percent may use the revenues from such taxes or tax increases to provide regional trails that directly connect to the systems described in this subsection.

(c) A regional transit authority that imposes a motor vehicle excise tax after the effective date of this section, imposes a property tax, or increases a sales and use tax to more than nine-tenths of one percent must undertake a process in which the authority's board formally considers inclusion of the name, Scott White, in the naming convention associated with either the University of Washington or Roosevelt stations.

Sec. 311. RCW 81.104.160 and 2010 c 161 s 903 are each amended to read as follows:

(1) Regional transit authorities that include a county with a population of more than one million five hundred thousand may submit an authorizing proposition to the voters, and if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding eighty one-hundredths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing high capacity transportation service. The maximum tax rate under this subsection does not include a motor vehicle excise tax approved before the effective date of this section if the tax will terminate on the date bond debt to which the tax is pledged is repaid. In any county imposing a motor vehicle excise tax surcharge pursuant to RCW 81.100.060, the maximum tax rate under this section must be reduced to a rate equal to eighty one-hundredths of one percent on the value less the equivalent motor vehicle excise tax rate of the surcharge imposed pursuant to RCW 81.100.060. This tax does not apply to vehicles licensed under RCW 46.16A.455 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16A.425 or 46.17.335(2). Notwithstanding any other provision of this subsection or chapter 82.44 RCW, a motor vehicle excise tax imposed by a regional transit authority before or after the effective date of this section must comply with chapter 82.44 RCW as it existed on January 1, 1996, until December 31st of the year in which the regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section. Motor vehicle taxes collected by regional transit authorities after December 31st of the year in which a regional transit authority repays bond debt to which a motor vehicle excise tax was pledged before the effective date of this section must comply with chapter 82.44 RCW as it existed on the date the tax was approved by voters.

(2) An agency and high capacity transportation corridor area may impose a sales and use tax solely for the purpose of providing high capacity transportation service, in addition to the tax authorized by RCW 82.14.030, upon retail car rentals within the applicable jurisdiction that are taxable by the state under chapters 82.08 and 82.12 RCW. The rate of tax ((~~shall~~)) may not exceed 2.172 percent. The rate of tax imposed under this subsection must bear the same ratio of the 2.172 percent authorized that the rate imposed under subsection (1) of this section bears to the rate authorized under subsection (1) of this section. The base of the tax ((~~shall be~~)) is the selling price in the case of a sales tax or the rental value of the vehicle used in the case of a use tax.

((~~Any motor vehicle excise tax previously imposed under the provisions of RCW 81.104.160(1) shall be repealed, terminated, and expire on December 5, 2002, except for a motor vehicle excise tax for which revenues have been contractually pledged to repay a bonded debt issued before December 5, 2002, as determined by *Pierce County et al. v. State*, 159 Wn.2d 16, 148 P.3d 1002 (2006).~~)) (3) In the case of bonds that were previously issued, the motor vehicle excise tax must comply with chapter 82.44 RCW as it existed on January 1, 1996.

Sec. 312. RCW 81.104.170 and 2009 c 469 s 106 and 2009 c 280 s 5 are each reenacted and amended to read as follows:

(1) Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, public transportation benefit areas, high capacity transportation corridor areas, and regional transit authorities may submit an authorizing proposition to the voters and if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter, solely for the purpose of providing high capacity transportation service.

(2) The tax authorized pursuant to this section ((~~shall be~~)) is in addition to the tax authorized by RCW 82.14.030 and ((~~shall~~)) must be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing district.

(a) Except for the tax imposed under (b) of this subsection by regional transit authorities that include a county with a population of more than one million five hundred thousand, the maximum rate of such tax ((~~shall~~)) must be approved by the voters and ((~~shall~~)) may not exceed one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The maximum rate of such tax that may be imposed ((~~shall~~)) may not exceed nine-tenths of one percent in any county that imposes a tax under RCW 82.14.340, or within a regional transit authority if any county within the authority imposes a tax under RCW 82.14.340.

(b) The maximum rate of such tax that may be imposed by a regional transit authority that includes a county with a population of more than one million five hundred thousand must be approved by the voters and may not exceed 1.4 percent.

(3)(a) The exemptions in RCW 82.08.820 and 82.12.820 are for the state portion of the sales and use tax and do not extend to the tax authorized in this section.

(b) The exemptions in RCW 82.08.962 and 82.12.962 are for the state and local sales and use taxes and include the tax authorized by this section.

NEW SECTION. **Sec. 313.** A new section is added to chapter 81.104 RCW to read as follows:

(1) A regional transit authority that includes a county with a population of more than one million five hundred thousand may impose a regular property tax levy in an amount not to exceed twenty-five cents per thousand dollars of the assessed value of property in the regional transit authority district in accordance with the terms of this section.

(2) Any tax imposed under this section must be used for the purpose of providing high capacity transportation service, as set forth in a proposition that is approved by a majority of the registered voters that vote on the proposition.

(3) Property taxes imposed under this section may be imposed for the period of time required to pay the cost to plan, design, construct, operate, and maintain the transit facilities set forth in the approved proposition. Property taxes pledged to repay bonds may be imposed at the pledged amount until the bonds are retired. After the bonds are retired, property taxes authorized under this section must be:

(a) Reduced to the level required to operate and maintain the regional transit authority's transit facilities; or

(b) Terminated, unless the taxes have been extended by public vote.

(4) The limitations in RCW 84.52.043 do not apply to the tax authorized in this section.

(5) The limitation in RCW 84.55.010 does not apply to the first levy imposed under this section.

NEW SECTION. **Sec. 314.** A new section is added to chapter 81.104 RCW to read as follows:

A regional transit authority that includes a county with a population of more than one million five hundred thousand must develop and approve a plan, which meets the requirements of any transportation subarea equity element utilized by the authority, to implement a regional transit-oriented development strategy for diverse, vibrant, mixed-use communities consistent with transit-oriented development plans approved by any regional transportation planning organization within the regional transit authority boundaries. This plan must include the following:

(1) The authority must agree to contribute a minimum of two million five hundred dollars to a revolving loan fund to support affordable housing development for transit-oriented development.

(2) The authority must provide a first right of refusal, eighty percent of developable surplus property, and air rights to local governments and nonprofit developers at a discount for long-term affordable housing, which may be part of a mixed-income or mixed-use development, provided that a regional transit authority is not required to comply with a requirement imposed by this subsection if the requirement is in conflict with the federal requirements necessary to establish or maintain eligibility for a federal grant program or would result in a loss of federal funds to the regional transit authority.

(3) The authority, when disposing of property for transit-oriented development, must require a minimum of eighty percent of housing units to be dedicated to long-term affordable housing for persons, families, or unrelated persons living together whose adjusted income is below eighty percent of the median income, adjusted for household size, for the county where the housing is located, provided that a regional transit authority is not required to comply with a requirement imposed by this subsection if the requirement is in conflict with the federal requirements necessary to establish or maintain eligibility for a federal grant program or would result in a loss of federal funds to the regional transit authority.

Sec. 315. RCW 84.52.043 and 2011 c 275 s 2 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named are as follows:

(1) Levies of the senior taxing districts are as follows: (a) The levy by the state may not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county may not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy by any road district may not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by any city or town may not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value. However any county is hereby authorized to increase its levy from one dollar and eighty cents to a rate not to exceed two dollars and forty-seven and one-half cents per thousand dollars of assessed value for general county purposes if the total levies for both the county and any road district within the county do not exceed four dollars and five cents per thousand dollars of assessed value, and no other taxing district has its levy reduced as a result of the increased county levy.

(2) The aggregate levies of junior taxing districts and senior taxing districts, other than the state, may not exceed five dollars and ninety cents per thousand dollars of assessed valuation. The term "junior taxing districts" includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection do not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district; (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.069; (e) levies to finance affordable housing for very low-income housing imposed under RCW 84.52.105; (f) the portions of levies by metropolitan park districts that are protected under RCW 84.52.120; (g) levies imposed by ferry districts under RCW 36.54.130; (h) levies for criminal justice purposes under RCW 84.52.135; (i) the portions of levies by fire protection districts that are protected under RCW 84.52.125; (j) levies by counties for transit-related purposes under RCW 84.52.140; ((~~and~~)) (k) the protected portion of the levies imposed under RCW 86.15.160 by flood control zone districts in a county with a population of seven hundred seventy-five thousand or more that are coextensive with a county; and (l) levies imposed by a regional transit authority under section 313 of this act.

Sec. 316. RCW 84.52.043 and 2009 c 551 s 6 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named ((~~shall be~~)) are as follows:

(1) Levies of the senior taxing districts ((~~shall be~~)) are as follows: (a) The levy by the state ((~~shall~~)) may not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county ((~~shall~~)) may not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy by any road district ((~~shall~~)) may not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by any city or town ((~~shall~~)) may not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value. However any county is

hereby authorized to increase its levy from one dollar and eighty cents to a rate not to exceed two dollars and forty-seven and one-half cents per thousand dollars of assessed value for general county purposes if the total levies for both the county and any road district within the county do not exceed four dollars and five cents per thousand dollars of assessed value, and no other taxing district has its levy reduced as a result of the increased county levy.

(2) The aggregate levies of junior taxing districts and senior taxing districts, other than the state, ((~~shall~~)) may not exceed five dollars and ninety cents per thousand dollars of assessed valuation. The term "junior taxing districts" includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection ((~~shall~~)) do not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district; (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.069; (e) levies to finance affordable housing for very low-income housing imposed under RCW 84.52.105; (f) the portions of levies by metropolitan park districts that are protected under RCW 84.52.120; (g) levies imposed by ferry districts under RCW 36.54.130; (h) levies for criminal justice purposes under RCW 84.52.135; (i) the portions of levies by fire protection districts that are protected under RCW 84.52.125; ((~~and~~)) (j) levies by counties for transit-related purposes under RCW 84.52.140; and (k) levies imposed by a regional transit authority under section 313 of this act.

Sec. 317. RCW 84.52.010 and 2011 1st sp.s. c 28 s 2 are each amended to read as follows:

(1) Except as is permitted under RCW 84.55.050, all taxes must be levied or voted in specific amounts.

(2) The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

(3) When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor must recompute and establish a consolidated levy in the following manner:

(a) The full certified rates of tax levy for state, county, county road district, regional transit authority, and city or town purposes must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy takes precedence over all other levies and may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, 84.52.140, and the protected portion of the levy under RCW 86.15.160 by flood control zone districts in a county with a population of seven hundred seventy-five thousand or more that are coextensive with a county, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies must be reduced as follows:

(i) The portion of the levy by a metropolitan park district that has a population of less than one hundred fifty thousand and is located in a county with a population of one million five hundred thousand or more that is protected under RCW 84.52.120 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(ii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the protected portion of the levy imposed under RCW 86.15.160 by a flood control zone district in a county with a population of seven hundred seventy-five thousand or more that is coextensive with a county must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(iii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.140 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(iv) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a fire protection district that is protected under RCW 84.52.125 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(v) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.135 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vi) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a ferry district under RCW 36.54.130 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(vii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a metropolitan park district with a population of one hundred fifty thousand or more that is protected under RCW 84.52.120 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(viii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, must be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated; and

(ix) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated.

(b) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property must be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(i) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, 35.95A.100, and 67.38.130 must be reduced on a pro rata basis or eliminated;

(ii) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts other than the portion of a levy protected under RCW 84.52.815 must be reduced on a pro rata basis or eliminated;

(iii) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, must be reduced on a pro rata basis or eliminated;

(iv) Fourth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, must be reduced on a pro rata basis or eliminated;

(v) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 and regional fire protection service authorities under RCW 52.26.140(1) (b) and (c) must be reduced on a pro rata basis or eliminated; and

(vi) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, regional fire protection service authorities under RCW 52.26.140(1)(a), library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, must be reduced on a pro rata basis or eliminated.

Sec. 318. RCW 84.52.010 and 2009 c 551 s 7 are each amended to read as follows:

(1) Except as is permitted under RCW 84.55.050, all taxes ((~~shall~~)) must be levied or voted in specific amounts.

(2) The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, ((~~shall~~)) must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county ((~~shall~~)) must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

(3) When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor ((~~shall~~)) must recompute and establish a consolidated levy in the following manner:

(((~~(1)~~))) (a) The full certified rates of tax levy for state, county, county road district, regional transit authority, and city or town purposes ((~~shall~~)) must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy ((~~shall~~)) takes precedence over all other levies and ((~~shall~~)) may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, and 84.52.140, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies ((~~shall~~)) must be reduced as follows:

(((~~(a)~~))) (i) The levy imposed by a county under RCW 84.52.140 ((~~shall~~)) must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or ((~~shall~~)) must be eliminated;

Sec. 320. RCW 81.104.180 and 2009 c 280 s 6 are each amended to read as follows:

Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, public transportation benefit areas, high capacity transportation corridor areas, and regional transit authorities are authorized to pledge revenues from the employer tax authorized by RCW 81.104.150, the taxes authorized by RCW 81.104.160, ((~~and~~)) the sales and use tax authorized by RCW 81.104.170, and the property tax authorized by section 313 of this act, to retire bonds issued solely for the purpose of providing high capacity transportation service.

Sec. 321. RCW 81.112.050 and 2010 c 19 s 3 are each amended to read as follows:

(1) At the time of formation, the area to be included within the boundary of the authority shall be that area set forth in the system plan adopted by the joint regional policy committee. Prior to submitting the system and financing plan to the voters, the authority may make adjustments to the boundaries as deemed appropriate but must assure that, to the extent possible, the boundaries: (a) Include the largest-population urban growth area designated by each county under chapter 36.70A RCW; and (b) follow election precinct boundaries. If a portion of any city is determined to be within the service area, the entire city must be included within the boundaries of the authority. Subsequent to formation, when territory is annexed to a city located within the boundaries of the authority, the territory is simultaneously included within the boundaries of the authority and subject to all taxes and other liabilities and obligations applicable within the city with respect to the authority as provided in RCW 35.13.500 and 35A.14.475, subject to RCW 84.09.030 and 82.14.055, and notwithstanding any other provision of law.

(2) After voters within the authority boundaries have approved the system and financing plan, elections to add areas contiguous to the authority boundaries may be called by resolution of the regional transit authority, after consultation with affected transit agencies and with the concurrence of the legislative authority of the city or town if the area is incorporated, or with the concurrence of the county legislative authority if the area is unincorporated. Only those areas that would benefit from the services provided by the authority may be included and services or projects proposed for the area must be consistent with the regional transportation plan. The election may include a single ballot proposition providing for annexation to the authority boundaries and imposition of the taxes at rates already imposed within the authority boundaries, subject to RCW 84.09.030 and 82.14.055.

(((~~(3) Upon receipt of a resolution requesting exclusion from the boundaries of the authority from a city whose municipal boundaries cross the boundaries of an authority and thereby result in only a portion of the city being subject to local option taxes imposed by the authority under chapters 81.104 and 81.112 RCW in order to implement a high capacity transit plan, and where the vote to approve the city's incorporation occurred simultaneously with an election approving the local option taxes, then upon a two-thirds majority vote of the governing board of the authority, the governing board shall redraw the boundaries of the authority to exclude that portion of the city that is located within the authority's boundaries, and the excluded area is no longer subject to local option taxes imposed by the authority. This subsection expires December 31, 1998.~~)))

"**Sec. 414.** RCW 71.09.070 and 2011 2nd sp.s. c 7 s 1 are each amended to read as follows:

(1) Each person committed under this chapter shall have a current examination of his or her mental condition made by the department ((~~of social and health services~~)) at least once every year. ((~~The annual report shall include~~))

(2) The evaluator must prepare a report that includes consideration of whether:

(a) The committed person currently meets the definition of a sexually violent predator ((~~and whether~~));

(b) Conditional release to a less restrictive alternative is in the best interest of the person; and

(c) Conditions can be imposed that would adequately protect the community.

(3) The department, on request of the committed person, shall allow a record of the annual review interview to be preserved by audio recording and made available to the committed person.

(4) The evaluator must indicate in the report whether the committed person participated in the interview and examination.

(5) The department ((~~of social and health services~~)) shall file ((~~this periodic~~)) the report with the court that committed the person under this chapter. The report shall be in the form of a declaration or certification in compliance with the requirements of RCW 9A.72.085 and shall be prepared by a professionally qualified person as defined by rules adopted by the secretary. A copy of the report shall be served on the prosecuting agency involved in the initial commitment and upon the committed person and his or her counsel.

(6)(a) The committed person may retain, or if he or she is indigent and so requests, the court may appoint a qualified expert or a professional person to examine him or her, and such expert or professional person shall have access to all records concerning the person.

(((~~(2)~~))) (b) Any report prepared by the expert or professional person and any expert testimony on the committed person's behalf is not admissible in a proceeding pursuant to RCW 71.09.090, unless the committed person participated in the most recent interview and evaluation completed by the department.

(7) If an unconditional release trial is ordered pursuant to RCW 71.09.090, this section is suspended until the completion of that trial. If the individual is found either by jury or the court to continue to meet the definition of a sexually violent predator, the department must conduct an examination pursuant to this section no later than one year after the date of the order finding that the individual continues to be a sexually violent predator. The examination must comply with the requirements of this section.

(8) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended. Upon the return of the person committed under this chapter to the custody of the department, the department shall initiate an examination of the person's mental

condition. The examination must comply with the requirements of subsection (1) of this section.

A less restrictive alternative may not include placement in the community protection program as pursuant to RCW 71A.12.230.

(7) "Likely to engage in predatory acts of sexual violence if not confined in a secure facility" means that the person more probably than not will engage in such acts if released unconditionally from detention on the sexually violent predator petition. Such likelihood must be evidenced by a recent overt act if the person is not totally confined at the time the petition is filed under RCW 71.09.030.

(8) "Mental abnormality" means a congenital or acquired condition affecting the emotional or volitional capacity which predisposes the person to the commission of criminal sexual acts in a degree constituting such person a menace to the health and safety of others.

(9) "Personality disorder" means an enduring pattern of inner experience and behavior that deviates markedly from the expectations of the individual's culture, is pervasive and inflexible, has onset in adolescence or early adulthood, is stable over time and leads to distress or impairment. Purported evidence of a personality disorder must be supported by testimony of a licensed forensic psychologist or psychiatrist.

(10) "Predatory" means acts directed towards: (a) Strangers; (b) individuals with whom a relationship has been established or promoted for the primary purpose of victimization; or (c) persons of casual acquaintance with whom no substantial personal relationship exists.

(11) "Prosecuting agency" means the prosecuting attorney of the county where the person was convicted or charged or the attorney general if requested by the prosecuting attorney, as provided in RCW 71.09.030.

(12) "Recent overt act" means any act, threat, or combination thereof that has either caused harm of a sexually violent nature or creates a reasonable apprehension of such harm in the mind of an objective person who knows of the history and mental condition of the person engaging in the act or behaviors.

(13) "Risk potential activity" or "risk potential facility" means an activity or facility that provides a higher incidence of risk to the public from persons conditionally released from the special commitment center. Risk potential activities and facilities include: Public and private schools, school bus stops, licensed day care and licensed preschool facilities, public parks, publicly dedicated trails, sports fields, playgrounds, recreational and community centers, churches, synagogues, temples, mosques, public libraries, public and private youth camps, and others identified by the department following the hearings on a potential site required in RCW 71.09.315. For purposes of this chapter, "school bus stops" does not include bus stops established primarily for public transit.

(14) "Secretary" means the secretary of social and health services or the secretary's designee.

(15) "Secure facility" means a residential facility for persons civilly confined under the provisions of this chapter that includes security measures sufficient to protect the community. Such facilities include total confinement facilities, secure community transition facilities, and any residence used as a court-ordered placement under RCW 71.09.096.

(16) "Secure community transition facility" means a residential facility for persons civilly committed and conditionally released to a less restrictive alternative under this chapter. A secure community transition facility has supervision and security, and either provides or ensures the provision of sex offender treatment services. Secure community transition facilities include but are not limited to the facility established pursuant to RCW 71.09.250(1)(a)(i) and any community-based facilities established under this chapter and operated by the secretary or under contract with the secretary.

(17) "Sexually violent offense" means an act committed on, before, or after July 1, 1990, that is: (a) An act defined in Title 9A RCW as rape in the first degree, rape in the second degree by forcible compulsion, rape of a child in the first or second degree, statutory rape in the first or second degree, indecent liberties by forcible compulsion, indecent liberties against a child under age fourteen, incest against a child under age fourteen, or child molestation in the first or second degree; (b) a felony offense in effect at any time prior to July 1, 1990, that is comparable to a sexually violent offense as defined in (a) of this subsection, or any federal or out-of-state conviction for a felony offense that under the laws of this state would be a sexually violent offense as defined in this subsection; (c) an act of murder in the first or second degree, assault in the first or second degree, assault of a child in the first or second degree, kidnapping in the first or second degree, burglary in the first degree, residential burglary, or unlawful imprisonment, which act, either at the time of sentencing for the offense or subsequently during civil commitment proceedings pursuant to this chapter, has been determined beyond a reasonable doubt to have been sexually motivated, as that term is defined in RCW 9.94A.030; or (d) an act as described in chapter 9A.28 RCW, that is an attempt, criminal solicitation, or criminal conspiracy to commit one of the felonies designated in (a), (b), or (c) of this subsection.

(18) "Sexually violent predator" means any person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility.

(19) "Total confinement facility" means a secure facility that provides supervision and sex offender treatment services in a total confinement setting. Total confinement facilities include the special commitment center and any similar facility designated as a total confinement facility by the secretary.

(20) "Treatment" means the sex offender specific treatment program at the special commitment center or a specific course of sex offender treatment pursuant to RCW 71.09.092 (1) and (2).

Sec. 416. RCW 71.09.096 and 2009 c 409 s 10 are each amended to read as follows:

(1) If the court or jury determines that conditional release to a less restrictive alternative is in the best interest of the person and includes conditions that would adequately protect the community, and the court determines that the minimum conditions set forth in RCW 71.09.092 and in this section are met, the court shall enter judgment and direct a conditional release.

(2) The court shall impose any additional conditions necessary to ensure compliance with treatment and to protect the community.

If the court finds that conditions do not exist that will both ensure the person's compliance with treatment and protect the community, then the person shall be remanded to the custody of the department of social and health services for control, care, and treatment in a secure facility as designated in RCW 71.09.060(1).

(3) If the service provider designated by the court to provide inpatient or outpatient treatment or to monitor or supervise any other terms and conditions of a person's placement in a less restrictive alternative is other than the department of social and health services or the department of corrections, then the service provider so designated must agree in writing to provide such treatment, monitoring, or supervision in accord with this section. Any person providing or agreeing to provide treatment, monitoring, or supervision services pursuant to this chapter may be compelled to testify and any privilege with regard to such person's testimony is deemed waived.

(4) Prior to authorizing any release to a less restrictive alternative, the court shall impose such conditions upon the person as are necessary to ensure the safety of the community. The court shall order the department of corrections to investigate the less restrictive alternative and recommend any additional conditions to the court. These conditions shall include, but are not limited to the following: Specification of residence, prohibition of contact with potential or past victims, prohibition of alcohol and other drug use, participation in a specific course of inpatient or outpatient treatment that may include monitoring by the use of polygraph and plethysmograph, monitoring through the use of global positioning satellite technology, supervision by a department of corrections community corrections officer, a requirement that the person remain within the state unless the person receives prior authorization by the court, and any other conditions that the court determines are in the best interest of the person or others. A copy of the conditions of release shall be given to the person and to any designated service providers.

(5)(a) Prior to authorizing release to a less restrictive alternative, the court shall consider whether it is appropriate to release the person to the person's county of commitment. To ensure equitable distribution of releases, and prevent the disproportionate grouping of persons subject to less restrictive orders in any one county, or in any one jurisdiction or community within a county, the legislature finds it is appropriate for releases to a less restrictive alternative to occur in the person's county of commitment, unless the court determines that the person's return to his or her county of commitment would be inappropriate considering any court-issued protection orders, victim safety concerns, the availability of appropriate treatment or facilities that would adequately protect the community, negative influences on the person, or the location of family or other persons or organizations offering support to the person. When the department or court assists in developing a placement under this section which is outside of the county of commitment, and there are two or more options for placement, it shall endeavor to develop the placement in a manner that does not have a disproportionate effect on a single county.

(b) If the committed person is not conditionally released to his or her county of commitment, the department shall provide the law and justice council of the county in which the person is conditionally released with notice and a written explanation.

(c) For purposes of this section, the person's county of commitment means the county of the court which ordered the person's commitment.

(d) This subsection (5) does not apply to releases to a secure community transition facility under RCW 71.09.250.

(6) Any service provider designated to provide inpatient or outpatient treatment shall monthly, or as otherwise directed by the court, submit to the court, to the department of social and health services facility from which the person was released, to the prosecuting agency, and to the supervising community corrections officer, a report stating whether the person is complying with the terms and conditions of the conditional release to a less restrictive alternative.

(((~~(6)~~))) (7) Each person released to a less restrictive alternative shall have his or her case reviewed by the court that released him or her no later than one year after such release and annually thereafter until the person is unconditionally discharged. Review may occur in a shorter time or more frequently, if the court, in its discretion on its own motion, or on motion of the person, the secretary, or the prosecuting agency so determines. The sole question to be determined by the court is whether the person shall continue to be conditionally released to a less restrictive alternative. The court in making its determination shall be aided by the periodic reports filed pursuant to subsection (((~~(5)~~))) (6) of this section and the opinions of the secretary and other experts or professional persons.

NEW SECTION. **Sec. 417.** Sections 1 and 2 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect July 1, 2015."

MESSAGE FROM THE SENATE

April 8, 2015

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1069 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 418.** (1) In any felony case initially charged as a violent or sex offense, as defined in RCW 9.94A.030, a governmental entity shall preserve any DNA work product that has been secured in connection with the criminal case according to the following guidelines:

(a) Except as provided in (b) of this subsection, where a defendant has been charged and convicted in connection with the case, the DNA work product must be maintained throughout the length of the sentence, including any period of community custody extending through final discharge;

(b) Where a defendant has been convicted and sentenced under RCW 9.94A.507 in connection with the case, the DNA work product must be maintained for ninety-nine years or until the death of the defendant, whichever is sooner; and

(c) Where no conviction has been made in connection with the case, the DNA work product must be maintained for ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(2) Notwithstanding subsection (1) of this section, in any felony case regardless of whether the identity of the offender is known and law enforcement has probable cause sufficient to believe the elements of a violent or sex offense as defined in RCW 9.94A.030 have been committed, a governmental entity shall preserve any DNA work product, including a sexual assault examination kit, secured in connection with the criminal case for ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(3) For purposes of this section:

(a) "Amplified DNA" means DNA generated during scientific analysis using a polymerase chain reaction.

(b) "DNA work product" means (i) product generated during the process of scientific analysis of such material, except amplified DNA, material that had been subjected to DNA extraction, and DNA extracts from reference samples; or (ii) any material contained on a microscope slide, swab, in a sample tube, cutting, DNA extract, or some other similar retention method used to isolate potential biological evidence that has been collected by law enforcement as part of its investigation and prepared for scientific analysis, whether or not it is submitted for scientific analysis and derived from:

(A) The contents of a sexual assault examination kit;

(B) Blood;

(C) Semen;

(D) Hair;

(E) Saliva;

(F) Skin tissue;

(G) Fingerprints;

(H) Bones;

(I) Teeth; or

(J) Any other identifiable human biological material or physical evidence.

Notwithstanding the foregoing, "DNA work product" does not include a reference sample collected unless it has been shown through DNA comparison to associate the source of the sample with the criminal case for which it was collected.

(c) "Governmental entity" means any general law enforcement agency or any person or organization officially acting on behalf of the state or any political subdivision of the state involved in the collection, examination, tracking, packaging, storing, or disposition of biological material collected in connection with a criminal investigation relating to a felony offense.

(d) "Reference sample" means a known sample collected from an individual by a governmental entity for the purpose of comparison to DNA profiles developed in a criminal case.

(4) The failure of a law enforcement agency to preserve DNA work product does not constitute grounds in any criminal proceeding for challenging the admissibility of other DNA work product that was preserved in a case, and any evidence offered may not be excluded by a court on those grounds. The court may not set aside the conviction or sentence or order the reversal of a conviction under this section on the grounds that the DNA work product is no longer available. Unless the court finds that DNA work product was destroyed with malicious intent to violate this section, a person accused of committing a crime against a person has no cause of action against a law enforcement agency for failure to comply with the requirements of this section. If the court finds that DNA work product was destroyed with malicious intent to violate this section, the court may impose appropriate sanctions. Nothing in this section may be construed to create a private right of action on the part of any individual or entity against any law enforcement agency or any contractor of a law enforcement agency.

NEW SECTION. **Sec. 419.** (1) Nothing in this chapter precludes the trial court from ordering the destruction of DNA reference samples contributed by a defendant who was charged and acquitted or whose conviction was overturned in connection with a violent or sex offense as defined in RCW 9.94A.030.

(2)(a) A person may submit an application to the Washington state patrol to have his or her DNA reference sample data expunged from the Washington state patrol's DNA identification system in cases where: (i) The person's DNA reference sample was collected and entered into the system and (ii) the charges against the person were dismissed with prejudice or the person was found not guilty.

(b) The Washington state patrol must expunge the person's DNA reference sample data if he or she meets the criteria established in law or by rule.

NEW SECTION. **Sec. 420.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 421.** Sections 1 and 2 of this act constitute a new chapter in Title 5 RCW."

On page 1, line 1 of the title, after "product;" strike the remainder of the title and insert "and adding a new chapter to Title 5 RCW."

and the same is herewith transmitted.

ENGROSSED HOUSE BILL NO. 1091, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 13, 2015

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1281 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 422.** The legislature finds that sexual abuse and exploitation of children robs victims of their childhood and irrevocably interferes with their emotional and psychological development. Victims of child pornography often experience severe and lasting harm from the permanent memorialization of the crimes committed against them. Child victims endure depression, withdrawal, anger, and other psychological disorders. Victims also experience feelings of guilt and responsibility for the sexual abuse as well as feelings of betrayal, powerlessness, worthlessness, and low self-esteem. Each and every time such an image is viewed, traded, printed, or downloaded, the child in that image is victimized again.

The legislature finds that the expansion of the internet and computer-related technologies have led to a dramatic increase in the availability of child pornography by simplifying how it can be created, distributed, and collected. Investigators and prosecutors report dramatic increases in the number and violent character of the sexually abusive images of children being trafficked through the internet. Between 2005 and 2009, the national center for missing and exploited children's child victim identification program has seen a four hundred thirty-two percent increase in child pornography films and files submitted for identification of the children depicted. The United States department of justice estimates that pornographers have recorded the abuse of more than one million children in the United States alone. Furthermore, a well-known study conducted by crimes against children research center for the national center for missing and exploited children concluded that an estimated forty percent of those who possess child pornography have also directly victimized a child and fifteen percent have attempted to entice a child over the internet.

The legislature finds that due to a lack of dedicated resources, only two percent of known child exploitation offenders are being investigated. The legislature finds that additional funding sources are needed to ensure that law enforcement agencies can adequately investigate and prosecute offenders and victims can receive necessary services, including mental health treatment. Finally, the legislature finds that offenders convicted of crimes relating to child pornography should bear the high cost of investigations and prosecutions of these crimes and also the cost of providing services to victims.

NEW SECTION. **Sec. 423.** A new section is added to chapter 9.68A RCW to read as follows:

(1) In addition to penalties set forth in RCW 9.68A.070, a person who is convicted of violating RCW 9.68A.070 shall be assessed a fee of one thousand dollars for each depiction or image of visual or printed matter that constitutes a separate conviction.

(2) Fees assessed under this section shall be collected by the clerk of the court and remitted to the state treasurer for deposit into the child rescue fund created in section 3 of this act.

NEW SECTION. **Sec. 424.** A new section is added to chapter 9.68A RCW to read as follows:

(1) The child rescue fund is created in the custody of the state treasurer. All receipts from fees collected under section 2 of this act must be deposited into the fund.

(2) Only the attorney general for the state of Washington or the attorney general's designee may authorize expenditures from the fund.

(3) The attorney general or his or her designee must make any expenditures from the fund according to the following schedule:

(a) Twenty-five percent of receipts for grants to child advocacy centers, as defined in RCW 26.44.020; and

(b) Seventy-five percent of receipts for grants to the Washington internet crimes against children task force for use in investigations and prosecutions of crimes against children.

(4) The fund is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures."

On page 1, line 1 of the title, after "minors;" strike the remainder of the title and insert "adding new sections to chapter 9.68A RCW; creating a new section; and prescribing penalties."

and the same is herewith transmitted.

(1)(a) When a designated mental health professional receives information alleging that a person, as a result of a mental disorder: (i) Presents a likelihood of serious harm; ((~~or~~)) (ii) is gravely disabled; or (iii) is in need of assisted outpatient mental health treatment; the designated mental health professional may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary outpatient evaluation, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention or involuntary outpatient evaluation. If the petition is filed solely on the grounds that the person is in need of assisted outpatient mental health treatment, the petition may only be for an involuntary outpatient evaluation. An involuntary outpatient evaluation may be conducted by any combination of licensed professionals authorized to petition for involuntary commitment under RCW 71.05.230 and must include involvement or consultation with the agency or facility which will provide monitoring or services under the proposed less restrictive alternative treatment order. If the petition is for an involuntary outpatient evaluation and the person is being held in a hospital emergency department, the person may be released once the hospital has satisfied federal and state legal requirements for appropriate screening and stabilization of patients.

(b) Before filing the petition, the designated mental health professional must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, or triage facility.

(2)(a) An order to detain to a designated evaluation and treatment facility for not more than a seventy-two-hour evaluation and treatment period, or an order for an involuntary outpatient evaluation, may be issued by a judge of the superior court upon request of a designated mental health professional, whenever it appears to the satisfaction of a judge of the superior court:

(i) That there is probable cause to support the petition; and

(ii) That the person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention or involuntary outpatient evaluation, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(3) The designated mental health professional shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention or involuntary outpatient evaluation. After service on such person the designated mental health professional shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility and the designated attorney. The designated mental health professional shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated mental health professional may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 428. RCW 71.05.156 and 2013 c 334 s 2 are each amended to read as follows:

A designated mental health professional who conducts an evaluation for imminent likelihood of serious harm or imminent danger because of being gravely disabled under RCW 71.05.153 must also evaluate the person under RCW 71.05.150 for likelihood of serious harm or grave disability that does not meet the imminent standard for emergency detention, and to determine whether the person is in need of assisted outpatient mental health treatment.

Sec. 429. RCW 71.05.212 and 2010 c 280 s 2 are each amended to read as follows:

(1) Whenever a designated mental health professional or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated mental health professional relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated mental health professional or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient mental health treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated mental health professional or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

Sec. 430. RCW 71.05.230 and 2011 c 343 s 9 are each amended to read as follows:

A person detained or committed for seventy-two hour evaluation and treatment or for an outpatient evaluation for the purpose of filing a petition for a less restrictive alternative treatment order may be ((~~detained~~)) committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative to involuntary intensive treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder and ((~~either~~)) results in a likelihood of serious harm, ((~~or~~)) results in the ((~~detained~~)) person being gravely disabled, or results in the person being in need of assisted outpatient mental health treatment, and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The agency or facility providing intensive treatment or which proposes to supervise the less restrictive alternative is certified to provide such treatment by the department; and

(4) The professional staff of the agency or facility or the designated mental health professional has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative ((~~with the court~~)). The petition must be signed either by:

(a) Two physicians;

(b) One physician and a mental health professional;

(c) Two psychiatric advanced registered nurse practitioners;

(O-2(an)-10.7(e)13.7(n)-10.7(s)-1.6(y)16(ch)-10.7(i)-6(at)-6(r)-4.3(i)-6(c ad

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated mental health professional may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide ((~~outpatient~~)) less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 431. RCW 71.05.240 and 2009 c 293 s 4 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention or involuntary outpatient evaluation of such person as determined in RCW 71.05.180. If requested by the ((~~detained~~)) person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) The court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) At the conclusion of the probable cause hearing((~~, if the court finds by a preponderance of the evidence that~~)):

(a) If the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for not to exceed ninety days;

(b) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder, is in need of assisted outpatient mental health treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive alternative course of treatment not to exceed ninety days, and may not order inpatient treatment.

(c) An order for less restrictive alternative treatment must identify the services the person will receive, in accordance with section 16 of this act. The court may order additional evaluation of the person if necessary to identify appropriate services.

(4) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. The court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 432. RCW 71.05.245 and 2010 c 280 s 3 are each amended to read as follows:

(1) In making a determination of whether a person is gravely disabled ((~~or~~)), presents a likelihood of serious harm, or is in need of assisted outpatient mental health treatment in a hearing conducted under RCW 71.05.240 or 71.05.320, the court must consider the symptoms and behavior of the respondent in light of all available evidence concerning the respondent's historical behavior.

(2) Symptoms or behavior which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient mental health treatment, when: (a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts; (b) these symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and (c) without treatment, the continued deterioration of the respondent is probable.

(3) In making a determination of whether there is a likelihood of serious harm in a hearing conducted under RCW 71.05.240 or 71.05.320, the court shall give great weight to any evidence before the court regarding whether the person has: (a) A recent history of one or more violent acts; or (b) a recent history of one or more commitments under this chapter or its equivalent provisions under the laws of another state which were based on a likelihood of serious harm. The existence of prior violent acts or commitments under this chapter or its equivalent shall not be the sole basis for determining whether a person presents a likelihood of serious harm.

For the purposes of this subsection "recent" refers to the period of time not exceeding three years prior to the current hearing.

Sec. 433. RCW 71.05.280 and 2013 c 289 s 4 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be ((~~confined~~)) committed for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled; or

(5) Such person is in need of assisted outpatient mental health treatment.

Sec. 434. RCW 71.05.290 and 2009 c 217 s 3 are each amended to read as follows:

(1) At any time during a person's fourteen day intensive treatment period, the professional person in charge of a treatment facility or his or her professional designee or the designated mental health professional may petition the superior court for an order requiring such person to undergo an additional period of treatment. Such petition must be based on one or more of the grounds set forth in RCW 71.05.280.

(2) The petition shall summarize the facts which support the need for further ((~~confinement~~)) commitment and shall be supported by affidavits signed by:

(a) Two examining physicians;

(b) One examining physician and examining mental health professional;

(c) Two psychiatric advanced registered nurse practitioners;

(d) One psychiatric advanced registered nurse practitioner and a mental health professional; or

(e) An examining physician and an examining psychiatric advanced registered nurse practitioner. The affidavits shall describe in detail the behavior of the detained person which supports the petition and shall explain what, if any, less restrictive treatments which are alternatives to detention are available to such person, and shall state the willingness of the affiant to testify to such facts in subsequent judicial proceedings under this chapter. If less restrictive alternative treatment is sought, the petition shall set forth a proposed plan for less restrictive alternative treatment in accordance with section 16 of this act.

(3) If a person has been determined to be incompetent pursuant to RCW 10.77.086(4), then the professional person in charge of the treatment facility or his or her professional designee or the designated mental health professional may directly file a petition for one hundred eighty day treatment under RCW 71.05.280(3). No petition for initial detention or fourteen day detention is required before such a petition may be filed.

Sec. 435. RCW 71.05.320 and 2013 c 289 s 5 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment. If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must identify the services the person will receive, in accordance with section 16 of this act. The court may order additional evaluation of the person if necessary to identify appropriate services.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty day period whenever the petition presents prima facie evidence that the person continues to suffer from a mental disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the mental disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled; or

(e) Is in need of assisted outpatient mental health treatment.

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

(((~~(4) For a person committed under subsection (2) of this section who has been remanded to a period of less restrictive treatment, in addition to the grounds specified in subsection (3) of this section, the designated mental health professional may file a new petition for continued less restrictive treatment if:~~

~~(a) The person was previously committed by a court to detention for involuntary mental health treatment during the thirty-six months that preceded the person's initial detention date during the current involuntary commitment cycle, excluding any time spent in a mental health facility or in confinement as a result of a criminal conviction;~~

~~(b) In view of the person's treatment history or current behavior, the person is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive treatment; and~~

~~(c) Outpatient treatment that would be provided under a less restrictive treatment order is necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.~~)) If less restrictive alternative treatment is sought, the petition shall set forth a proposed plan for less restrictive alternative services in accordance with section 16 of this act.

(5) A new petition for involuntary treatment filed under subsection (((~~(3) or~~)) (4) of this section shall be filed and heard in the

superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must identify the services the person will receive, in accordance with section 16 of this act. The court may order additional evaluation of the person if necessary to identify appropriate services.

(b) At the end of the one hundred eighty day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for ((~~another~~)) an additional one hundred eighty day period of continued treatment is filed and heard in the same manner as provided in this section. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. ((~~However, a commitment is not permissible under subsection (4) of this section if thirty-six months have passed since the last date of discharge from detention for inpatient treatment that preceded the current less restrictive alternative order, nor shall a commitment under subsection (4) of this section be permissible if the likelihood of serious harm in subsection (4)(c) of this section is based solely on harm to the property of others.~~))

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed as provided in this section may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length except as provided in subsection (7) of this section.

Sec. 436. RCW 71.05.340 and 2009 c 322 s 1 are each amended to read as follows:

(1)(a) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a term of conditional release for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If the ((~~hospital or~~)) facility or agency designated to provide outpatient treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the terms of conditional release shall be given to the patient, the designated mental health professional in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(b) Before a person committed under grounds set forth in RCW 71.05.280(3) or 71.05.320(((~~(3)~~))) (4)(c) is conditionally released under (a) of this subsection, the superintendent or professional person in charge of the hospital or facility providing involuntary treatment shall in writing notify the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed, of the decision to conditionally release the person. Notice and a copy of the terms of conditional release shall be provided at least thirty days before the person is released from inpatient care. Within twenty days after receiving notice, the prosecuting attorney may petition the court in the county that issued the commitment order to hold a hearing to determine whether the person may be conditionally released and the terms of the conditional release. The prosecuting attorney shall provide a copy of the petition to the superintendent or professional person in charge of the hospital or facility providing involuntary treatment, the attorney, if any, and guardian or conservator of the committed person, and the court of original commitment. If the county in which the committed person is to receive outpatient treatment is the same county in whi

~~(c) A person detained under this subsection (3) shall be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been conditionally released. The designated mental health professional or the secretary may modify or rescind such order at any time prior to commencement of the court hearing.~~

~~(d) The court that originally ordered commitment shall be notified within two judicial days of a person's detention under the provisions of this section, and the designated mental health professional or the secretary shall file his or her petition and order of apprehension and detention with the court that originally ordered commitment or with the court in the county in which the person is detained and serve them upon the person detained. His or her attorney, if any, and his or her guardian or conservator, if any, shall receive a copy of such papers as soon as possible. Such person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as specifically set forth in this section and except that there shall be no right to jury trial. The venue for proceedings regarding a petition for modification or revocation of an order for conditional release shall be in the county in which the petition was filed. The issues to be determined shall be: (i) Whether the conditionally released person did or did not adhere to the terms and conditions of his or her conditional release; (ii) that substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the conditions listed in this subsection (3)(d) have occurred, whether the terms of conditional release should be modified or the person should be returned to the facility.~~

~~(e) Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he or she was committed for involuntary treatment, or otherwise in accordance with the provisions of this chapter. Such hearing may be waived by the person and his or her counsel and his or her guardian or conservator, if any, but shall not be waivable unless all such persons agree to waive, and upon such waiver the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.~~

~~(4) The proceedings set forth in subsection (3) of this section may be initiated by the designated mental health professional or the secretary on the same basis set forth therein without requiring or ordering the apprehension and detention of the conditionally released person, in which case the court hearing shall take place in not less than five days from the date of service of the petition upon the conditionally released person. The petition may be filed in the court that originally ordered commitment or with the court in the county in which the person is present. The venue for the proceedings regarding the petition for modification or revocation of an order for conditional release shall be in the county in which the petition was filed.~~

~~Upon expiration of the period of commitment, or when the person is released from outpatient care, notice in writing to the court which committed the person for treatment shall be provided.~~

~~(5) The grounds and procedures for revocation of less restrictive alternative treatment shall be the same as those set forth in this section for conditional releases.~~

~~(6) In the event of a revocation of a conditional release, the subsequent treatment period may be for no longer than the actual period authorized in the original court order.~~))

NEW SECTION. **Sec. 437.** A new section is added to chapter 71.05 RCW to read as follows:

(1) An agency or facility designated to monitor or provide services under a less restrictive alternative or conditional release order or a designated mental health professional may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order if the agency, facility, or designated mental health professional determines that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel, advise, or admonish the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated mental health professional, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or evaluation and treatment facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated mental health professional or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated mental health professional when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) A designated mental health professional or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this section to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment, or initiate proceedings under this subsection (4) without ordering the apprehension and detention of the person.

(b) A person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated mental health professional or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated mental health professional or secretary shall notify the court that originally ordered commitment within two judicial days of a person's detention and file a revocation petition and order of apprehension and detention with the court and serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings regarding a petition for modification or revocation must be in the county in which the petition was filed.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order.

(e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.

(5) In determining whether or not to take action under this section the designated mental health professional, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 438. RCW 71.05.730 and 2011 c 343 s 2 are each amended to read as follows:

(1) A county may apply to its regional support network on a quarterly basis for reimbursement of its direct costs in providing judicial services for civil commitment cases under this chapter and chapter 71.34 RCW. The regional support network shall in turn be entitled to reimbursement from the regional support network that serves the county of residence of the individual who is the subject of the civil commitment case. Reimbursements under this section shall be paid out of the regional support network's nonmedicaid appropriation.

(2) Reimbursement for judicial services shall be provided per civil commitment case at a rate to be determined based on an independent assessment of the county's actual direct costs. This assessment must be based on an average of the expenditures for judicial services within the county over the past three years. In the event that a baseline cannot be established because there is no significant history of similar cases within the county, the reimbursement rate shall be equal to eighty percent of the median reimbursement rate of counties included in the independent assessment.

(3) For the purposes of this section:

(a) "Civil commitment case" includes all judicial hearings related to a single episode of hospitalization((~~,~~)) or less restrictive alternative ((~~detention in lieu of hospitalization~~)) treatment, except that the filing of a petition for a one hundred eighty-day commitment under this chapter or a petition for a successive one hundred eighty-day commitment under chapter 71.34 RCW shall be considered to be a new case regardless of whether there has been a break in detention. "Civil commitment case" does not include the filing of a petition for a one hundred eighty-day commitment under this chapter on behalf of a patient at a state psychiatric hospital.

(b) "Judicial services" means a county's reasonable direct costs in providing prosecutor services, assigned counsel and defense services, court services, and court clerk services for civil commitment cases under this chapter and chapter 71.34 RCW.

(4) To the extent that resources have shared purpose, the regional support network may only reimburse counties to the extent such resources are necessary for and devoted to judicial services as described in this section.

(5) No filing fee may be charged or collected for any civil commitment case subject to reimbursement under this section.

Sec. 439. RCW 71.05.730 and 2014 c 225 s 87 are each amended to read as follows:

(1) A county may apply to its behavioral health organization on a quarterly basis for reimbursement of its direct costs in providing judicial services for civil commitment cases under this chapter and chapter 71.34 RCW. The behavioral health organization shall in turn be entitled to reimbursement from the behavioral health organization that serves the county of residence of the individual who is the subject of the civil commitment case. Reimbursements under this section shall be paid out of the behavioral health organization's nonmedicaid appropriation.

(2) Reimbursement for judicial services shall be provided per civil commitment case at a rate to be determined based on an independent assessment of the county's actual direct costs. This assessment must be based on an average of the expenditures for judicial services within the county over the past three years. In the event that a baseline cannot be established because there is no significant history of similar cases within the county, the reimbursement rate shall be equal to eighty percent of the median reimbursement rate of counties included in the independent assessment.

(3) For the purposes of this section:

(a) "Civil commitment case" includes all judicial hearings related to a single episode of hospitalization((~~,~~)) or less restrictive alternative ((~~detention in lieu of hospitalization~~)) treatment, except that the filing of a petition for a one hundred eighty-day commitment under this chapter or a petition for a successive one hundred eighty-day commitment under chapter 71.34 RCW shall be considered to be a new case regardless of whether there has been a break in detention. "Civil commitment case" does not include the filing of a petition for a one hundred eighty-day commitment under this chapter on behalf of a patient at a state psychiatric hospital.

(b) "Judicial services" means a county's reasonable direct costs in providing prosecutor services, assigned counsel and defense services, court services, and court clerk services for civil commitment cases under this chapter and chapter 71.34 RCW.

(4) To the extent that resources have shared purpose, the behavioral health organization may only reimburse counties to the

extent such resources are necessary for and devoted to judicial services as described in this section.

(5) No filing fee may be charged or collected for any civil commitment case subject to reimbursement under this section.

NEW SECTION. **Sec. 440.** A new section is added to chapter 71.05 RCW to read as follows:

(1) Less restrictive alternative treatment, at a minimum, includes the following services:

(a) Assignment of a care coordinator;

(b) An intake evaluation with the provider of the less restrictive alternative treatment;

(c) A psychiatric evaluation;

(d) Medication management;

(e) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;

(f) A transition plan addressing access to continued services at the expiration of the order; and

(g) An individual crisis plan.

(2) Less restrictive alternative treatment may additionally include requirements to participate in the following services:

(a) Psychotherapy;

(b) Nursing;

(c) Substance abuse counseling;

(d) Residential treatment; and

(e) Support for housing, benefits, education, and employment.

(3) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(4) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated mental health professionals necessary for enforcement and continuation of less restrictive alternative orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

NEW SECTION. **Sec. 441.** A new section is added to chapter 71.05 RCW to read as follows:

A court order for less restrictive alternative treatment for a person found to be in need of assisted outpatient mental health treatment must be terminated prior to the expiration of the order when, in the opinion of the professional person in charge of the less restrictive alternative treatment provider, (1) the person is prepared to accept voluntary treatment, or (2) the outpatient treatment ordered is no longer necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

Sec. 442. RCW 71.24.330 and 2013 c 320 s 9 are each amended to read as follows:

(1)(a) Contracts between a regional support network and the department shall include mechanisms for monitoring performance under the contract and remedies for failure to substantially comply with the requirements of the contract including, but not limited to, financial penalties, termination of the contract, and reprocurement of the contract.

(b) The department shall incorporate the criteria to measure the performance of service coordination organizations into contracts with regional support networks as provided in chapter 70.320 RCW.

(2) The regional support network procurement processes shall encourage the preservation of infrastructure previously purchased by the community mental health service delivery system, the maintenance of linkages between other services and delivery systems, and maximization of the use of available funds for services versus profits. However, a regional support network selected through the procurement process is not required to contract for services with any county-owned or operated facility. The regional support network procurement process shall provide that public funds appropriated by the legislature shall not be used to promote or deter, encourage, or discourage employees from exercising their rights under Title 29, chapter 7, subchapter II, United States Code or chapter 41.56 RCW.

(3) In addition to the requirements of RCW 71.24.035, contracts shall:

(a) Define administrative costs and ensure that the regional support network does not exceed an administrative cost of ten percent of available funds;

(b) Require effective collaboration with law enforcement, criminal justice agencies, and the chemical dependency treatment system;

(c) Require substantial implementation of department adopted integrated screening and assessment process and matrix of best practices;

(d) Maintain the decision-making independence of designated mental health professionals;

(e) Except at the discretion of the secretary or as specified in the biennial budget, require regional support networks to pay the state for the costs associated with individuals who are being served on the grounds of the state hospitals and who are not receiving long-term inpatient care as defined in RCW 71.24.025;

(f) Include a negotiated alternative dispute resolution clause; ((~~and~~))

(g) Include a provision requiring either party to provide one hundred eighty days' notice of any issue that may cause either party to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to act as a regional support network. If either party decides to voluntarily terminate, refuse to renew, or refuse to sign a mandatory amendment to the contract to serve as a regional support network they shall provide ninety days' advance notice in writing to the other party;

(h) Require regional support networks to provide services as identified in section 16 of this act to individuals committed for involuntary commitment under less restrictive alternative court orders when:

(i) The individual is enrolled in the medicaid program and meets regional support network access to care standards; or

(ii) The individual is not enrolled in medicaid, does not have other insurance which can pay for the services, and the regional support network has adequate available resources to provide the services; and

(i) Establish caseload guidelines for care coordinators who supervise less restrictive alternative orders and guidelines for response times during and immediately following periods of hospitalization or incarceration.

Sec. 443. RCW 71.24.330 and 2014 c 225 s 51 are each amended to read as follows:

Sec. 444. RCW 71.05.210 and 2009 c 217 s 1 are each amended to read as follows:

Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility (1) shall, within twenty-four hours of his or her admission or acceptance at the facility, be examined and evaluated by (a) a licensed physician who may be assisted by a physician assistant according to chapter 18.71A RCW and a mental health professional, (b) an advanced registered nurse practitioner according to chapter 18.79 RCW and a mental health professional, or (c) a licensed physician and a psychiatric advanced registered nurse practitioner and (2) shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, ((~~71.05.340~~)) section 13 of this act, or 71.05.217, the individual may refuse psychiatric medications, but may not refuse: (a) Any other medication previously prescribed by a person licensed under Title 18 RCW; or (b) emergency lifesaving treatment, and the individual shall be informed at an appropriate time of his or her right of such refusal. The person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the mental health professional and licensed physician or psychiatric advanced registered nurse practitioner determine that the initial needs of the person would be better served by placement in a chemical dependency treatment facility, then the person shall be referred to an approved treatment program defined under RCW 70.96A.020.

An evaluation and treatment center admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 445. 2009 c 323 s 1 (uncodified) is amended to read as follows:

(2) The legislature intends to make it easier to renew orders for less restrictive treatment following a period of inpatient commitment in cases in which a person has been involuntarily committed more than once and is likely to benefit from a renewed order for less restrictive treatment.

(3) The legislature finds that public safety is enhanced when a designated mental health professional is able to file a petition to revoke an order for less restrictive treatment under ((~~RCW 71.05.340~~)) section 13 of this act before a person who is the subject of the petition becomes ill enough to present a likelihood of serious harm.

NEW SECTION. **Sec. 447.** Sections 2, 15, and 19 of this act take effect April 1, 2016.

HOUSE BILL NO. 1622, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 3, 2015

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1652 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 464.** RCW 74.09.522 and 2014 c 225 s 55 are each amended to read as follows:

(1) For the purposes of this section:

(a) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, health insuring organizations, or any combination thereof, that provides directly or by contract health care services covered under this chapter and rendered by licensed providers, on a prepaid capitated basis and that meets the requirements of section 1903(m)(1)(A) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(b) "Nonparticipating provider" means a person, health care provider, practitioner, facility, or entity, acting within their scope of practice, that does not have a written contract to participate in a managed health care system's provider network, but provides health care services to enrollees of programs authorized under this chapter whose health care services are provided by the managed health care system.

(2) The authority shall enter into agreements with managed health care systems to provide health care services to recipients of temporary assistance for needy families under the following conditions:

(a) Agreements shall be made for at least thirty thousand recipients statewide;

(b) Agreements in at least one county shall include enrollment of all recipients of temporary assistance for needy families;

(c) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act or federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act, recipients shall have a choice of systems in which to enroll and shall have the right to terminate their enrollment in a system: PROVIDED, That the authority may limit recipient termination of enrollment without cause to the first month of a period of enrollment, which period shall not exceed twelve months: AND PROVIDED FURTHER, That the authority shall not restrict a recipient's right to terminate enrollment in a system for good cause as established by the authority by rule;

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed health care systems, except as authorized by the authority under federal demonstration waivers granted under section 1115(a) of Title XI of the federal social security act;

(e)(i) In negotiating with managed health care systems the authority shall adopt a uniform procedure to enter into contractual arrangements, to be included in contracts issued or renewed on or after January 1, 2015, including:

(A) Standards regarding the quality of services to be provided;

(B) The financial integrity of the responding system;

(C) Provider reimbursement methods that incentivize chronic care management within health homes, including comprehensive medication management services for patients with multiple chronic conditions consistent with the findings and goals established in RCW 74.09.5223;

(D) Provider reimbursement methods that reward health homes that, by using chronic care management, reduce emergency department and inpatient use;

(E) Promoting provider participation in the program of training and technical assistance regarding care of people with chronic conditions described in RCW 43.70.533, including allocation of funds to support provider participation in the training, unless the managed care system is an integrated health delivery system that has programs in place for chronic care management;

(F) Provider reimbursement methods within the medical billing processes that incentivize pharmacists or other qualified providers licensed in Washington state to provide comprehensive medication management services consistent with the findings and goals established in RCW 74.09.5223;

(G) Evaluation and reporting on the impact of comprehensive medication management services on patient clinical outcomes and total health care costs, including reductions in emergency department utilization, hospitalization, and drug costs; and

(H) Established consistent processes to incentivize integration of behavioral health services in the primary care setting, promoting care that is integrated, collaborative, colocated, and preventive.

(ii)(A) Health home services contracted for under this subsection may be prioritized to enrollees with complex, high cost, or multiple chronic conditions.

(B) Contracts that include the items in (e)(i)(C) through (G) of this subsection must not exceed the rates that would be paid in the absence of these provisions;

(f) The authority shall seek waivers from federal requirements as necessary to implement this chapter;

(g) The authority shall, wherever possible, enter into prepaid capitation contracts that include inpatient care. However, if this is not possible or feasible, the authority may enter into prepaid capitation contracts that do not include inpatient care;

(h) The authority shall define those circumstances under which a managed health care system is responsible for out-of-plan services and assure that recipients shall not be charged for such services;

(i) Nothing in this section prevents the authority from entering into similar agreements for other groups of people eligible to receive services under this chapter; and

(j) The authority must consult with the federal center for medicare and medicaid innovation and seek funding opportunities to support health homes.

(3) The authority shall ensure that publicly supported community health centers and providers in rural areas, who show serious intent and apparent capability to participate as managed

health care systems are seriously considered as contractors. The authority shall coordinate its managed care activities with activities under chapter 70.47 RCW.

(4) The authority shall work jointly with the state of Oregon and other states in this geographical region in order to develop recommendations to be presented to the appropriate federal agencies and the United States congress for improving health care of the poor, while controlling related costs.

(5) The legislature finds that competition in the managed health care marketplace is enhanced, in the long term, by the existence of a large number of managed health care system options for medicaid clients. In a managed care delivery system, whose goal is to focus on prevention, primary care, and improved enrollee health status, continuity in care relationships is of substantial importance, and disruption to clients and health care providers should be minimized. To help ensure these goals are met, the following principles shall guide the authority in its healthy options managed health care purchasing efforts:

(a) All managed health care systems should have an opportunity to contract with the authority to the extent that minimum contracting requirements defined by the authority are met, at payment rates that enable the authority to operate as far below appropriated spending levels as possible, consistent with the principles established in this section.

(b) Managed health care systems should compete for the award of contracts and assignment of medicaid beneficiaries who do not voluntarily select a contracting system, based upon:

(i) Demonstrated commitment to or experience in serving low-income populations;

(ii) Quality of services provided to enrollees;

(iii) Accessibility, including appropriate utilization, of services offered to enrollees;

(iv) Demonstrated capability to perform contracted services, including ability to supply an adequate provider network;

(v) Payment rates; and

(vi) The ability to meet other specifically defined contract requirements established by the authority, including consideration of past and current performance and participation in other state or federal health programs as a contractor.

(c) Consideration should be given to using multiple year contracting periods.

(d) Quality, accessibility, and demonstrated commitment to serving low-income populations shall be given significant weight in the contracting, evaluation, and assignment process.

(e) All contractors that are regulated health carriers must meet state minimum net worth requirements as defined in applicable state laws. The authority shall adopt rules establishing the minimum net worth requirements for contractors that are not regulated health carriers. This subsection does not limit the authority of the Washington state health care authority to take action under a contract upon finding that a contractor's financial status seriously jeopardizes the contractor's ability to meet its contract obligations.

(f) Procedures for resolution of disputes between the authority and contract bidders or the authority and contracting carriers related to the award of, or failure to award, a managed care contract must be clearly set out in the procurement document.

(6) The authority may apply the principles set forth in subsection (5) of this section to its managed health care purchasing efforts on behalf of clients receiving supplemental security income benefits to the extent appropriate.

(7) By April 1, 2016, any contract with a managed health care system to provide services to medical assistance enrollees shall require that managed health care systems offer contracts to behavioral health organizations, mental health providers, or chemical dependency treatment providers to provide access to primary care services integrated into behavioral health clinical settings, for individuals with behavioral health and medical comorbidities.

(8) Managed health care system contracts effective on or after April 1, 2016, shall serve geographic areas that correspond to the regional service areas established in RCW 43.20A.893.

(9) A managed health care system shall pay a nonparticipating provider that provides a service covered under this chapter to the system's enrollee no more than the lowest amount paid for that service under the managed health care system's contracts with similar providers in the state if the managed health care system has made good faith efforts to contract with the nonparticipating provider.

(10) For services covered under this chapter to medical assistance or medical care services enrollees and provided on or after August 24, 2011, nonparticipating providers must accept as payment in full the amount paid by the managed health care system under subsection ((~~(7)~~)) (9) of this section in addition to any deductible, coinsurance, or copayment that is due from the enrollee for the service provided. An enrollee is not liable to any nonparticipating provider for covered services, except for amounts due for any deductible, coinsurance, or copayment under the terms and conditions set forth in the managed health care system contract to provide services under this section.

(11) Pursuant to federal managed care access standards, 42 C.F.R. Sec. 438, managed health care systems must maintain a network of appropriate providers that is supported by written agreements sufficient to provide adequate access to all services covered under the contract with the authority, including hospital-based physician services. The authority will monitor and periodically report on the proportion of services provided by contracted providers and nonparticipating providers, by county, for each managed health care system to ensure that managed health care systems are meeting network adequacy requirements. No later than January 1st of each year, the authority will review and report its findings to the appropriate policy and fiscal committees of the legislature for the preceding state fiscal year.

(12) Payments under RCW 74.60.130 are exempt from this section.

(13) Subsections (9) through (11) of this section expire July 1, ((~~2016~~)) 2021."

On page 1, line 2 of the title, after "providers;" strike the remainder of the title and insert "and amending RCW 74.09.522."

(8) An electric utility may collect and release retail electric customer information in aggregate form if the aggregated information does not allow any specific customer to be identified.

(9) The legislature finds that the practices covered by this section are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this section is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(10) The statewide minimum privacy policy established in subsections (1) through (8) of this section must, in the case of an investor-owned utility, be enforced by the commission by rule or order.

NEW SECTION. **Sec. 468.** A new section is added to chapter 19.29A RCW to read as follows:

(a) Informs the retail electric customer before capturing or obtaining private or proprietary customer information; and

(b) Receives the retail electric customer's written or electronic permission to capture or obtain private or proprietary customer information.

(2) A person who legally possesses private or proprietary customer information that is captured or obtained for a commercial purpose may not sell, lease, or otherwise disclose the private or proprietary customer information to another person unless:

(a) The retail electric customer consents to the disclosure;

(b) The private or proprietary customer information is disclosed to an electric utility or other third party as necessary to effect, administer, enforce, or complete a financial transaction that the retail electric customer requested, initiated, or authorized, provided that the electric utility or third party maintains confidentiality of the private or proprietary customer information and does not further disclose the information except as permitted under this subsection (2); or

(c) The disclosure is required or expressly permitted by a federal statute or by a state statute.

(3) For the purposes of this section, "person" means any individual, partnership, corporation, limited liability company, or other organization or commercial entity, except that "person" does not include an electric utility.

(4) Except as provided in section 5 of this act, the legislature finds that the practices covered by this section are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this section is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. **Sec. 469.** A new section is added to chapter 19.29A RCW to read as follows:

This chapter does not apply to energy benchmarking programs authorized by: (1) Federal law; (2) state law; or (3) local laws that are consistent with the personally identifying information requirements of RCW 19.27A.170."

MESSAGE FROM THE SENATE

April 14, 2015

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1940 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 470.** The legislature finds that flooding is a critical problem in Washington. The legislature further finds that flooding can result in loss of human life, damage to property, destruction of infrastructure, and bring economic activity to a standstill. The legislature further finds that flood control zone districts offer critical services that protect our state by mitigating the devastating impacts of flooding. It is the legislature's public policy objective to maximize available financing tools to flood control zone districts to continue their important work. Therefore, it is the legislature's intent to exempt levies imposed by a qualifying flood control zone district from certain limitations upon regular property tax levies.

Sec. 471. RCW 84.52.010 and 2009 c 551 s 7 are each amended to read as follows:

(1) Except as is permitted under RCW 84.55.050, all taxes ((~~shall~~)) must be levied or voted in specific amounts.

(2) The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, ((~~shall~~)) must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county ((~~shall~~)) must be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

(3) When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, exceeds the limitations provided in either of these sections, the assessor ((~~shall~~)) must recompute and establish a consolidated levy in the following manner:

(((~~(1)~~))) (a) The full certified rates of tax levy for state, county, county road district, and city or town purposes ((~~shall~~)) must be extended on the tax rolls in amounts not exceeding the limitations established by law; however any state levy ((~~shall~~)) takes precedence over all other levies and ((~~shall~~)) may not be reduced for any purpose other than that required by RCW 84.55.010. If, as a result of the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069, 84.52.105, the portion of the levy by a metropolitan park district that was protected under RCW 84.52.120, 84.52.125, 84.52.135, and 84.52.140, and the portion of the levy by a flood control zone district that was protected under section 3 of this act, the combined rate of regular property tax levies that are subject to the one percent limitation exceeds one percent of the true and fair value of any property, then these levies ((~~shall~~)) must be reduced as follows:

(((~~(a)~~))) (i) The portion of the levy by a flood control zone district that was protected under section 3 of this act must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(ii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.140 ((~~shall~~)) must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or ((~~shall~~)) must be eliminated;

(((~~(b)~~))) (iii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a fire protection district that is protected under RCW 84.52.125 ((~~shall~~)) must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or ((~~shall~~)) must be eliminated;

(((~~(c)~~))) (iv) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a county under RCW 84.52.135 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(((~~(d)~~))) (v) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the levy imposed by a ferry district under RCW 36.54.130 must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or must be eliminated;

(((~~(e)~~))) (vi) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, the portion of the levy by a metropolitan park district that is protected under RCW 84.52.120 ((~~shall~~)) must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or ((~~shall~~)) must be eliminated;

(((~~(f)~~))) (vii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the levies imposed under RCW 84.34.230, 84.52.105, and any portion of the levy imposed under RCW 84.52.069 that is in excess of thirty cents per thousand dollars of assessed value, ((~~shall~~)) must be reduced on a pro rata basis until the combined rate no longer exceeds one percent of the true and fair value of any property or ((~~shall~~)) must be eliminated; and

(((~~(g)~~))) (viii) If the combined rate of regular property tax levies that are subject to the one percent limitation still exceeds one percent of the true and fair value of any property, then the thirty cents per thousand dollars of assessed value of tax levy imposed under RCW 84.52.069 ((~~shall~~)) must be reduced until the combined rate no longer exceeds one percent of the true and fair value of any property or eliminated.

(((~~(2)~~))) (b) The certified rates of tax levy subject to these limitations by all junior taxing districts imposing taxes on such property ((~~shall~~)) must be reduced or eliminated as follows to bring the consolidated levy of taxes on such property within the provisions of these limitations:

(((~~(a)~~))) (i) First, the certified property tax levy rates of those junior taxing districts authorized under RCW 36.68.525, 36.69.145, 35.95A.100, and 67.38.130 ((~~shall~~)) must be reduced on a pro rata basis or eliminated;

(((~~(b)~~))) (ii) Second, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of flood control zone districts ((~~shall~~)) other than the portion of a levy protected under section 3 of this act must be reduced on a pro rata basis or eliminated;

(((~~(c)~~))) (iii) Third, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts, and the first fifty cent per thousand dollars of assessed valuation levies for public hospital districts, ((~~shall~~)) must be reduced on a pro rata basis or eliminated;

(((~~(d)~~))) (iv) Fourth, if the consolidated tax levy rate still exceeds these limitations, the first fifty cent per thousand dollars of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, ((~~shall~~)) must be reduced on a pro rata basis or eliminated;

(((~~(e)~~))) (v) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 and regional fire protection service authorities under RCW 52.26.140(1) (b) and (c) ((~~shall~~)) must be reduced on a pro rata basis or eliminated; and

(((f))) (vi) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, regional fire protection service authorities under RCW 52.26.140(1)(a), library districts, metropolitan park districts created before January 1, 2002, under their first fifty cent per thousand dollars of assessed valuation levy, and public hospital districts under their first fifty cent per thousand dollars of assessed valuation levy, ((shall)) must be reduced on a pro rata basis or eliminated.

NEW SECTION. **Sec. 472.** A new section is added to chapter 84.52 RCW to read as follows:

A flood control zone district in a county with a population of seven hundred seventy-five thousand or more, or a county within the Chehalis river basin, that is coextensive with a county may protect the levy under RCW 86.15.160 from prorationing under RCW 84.52.010(3)(b)(ii) by imposing up to a total of twenty-five cents per thousand dollars of assessed value of the tax levy authorized under RCW 86.15.160 outside of the five dollars and ninety cents per thousand dollars of assessed value limitation under RCW 84.52.043(2), if those taxes otherwise would be prorated under RCW 84.52.010(3)(b)(ii).

Sec. 473. RCW 84.52.043 and 2009 c 551 s 6 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named ((shall be)) are as follows:

(1) Levies of the senior taxing districts ((shall be)) are as follows: (a) The levy by the state ((shall)) may not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county ((shall)) may not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy by any road district ((shall)) may not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by any city or town ((shall)) may not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value. However any county is hereby authorized to increase its levy from one dollar and eighty cents to a rate not to exceed two dollars and forty-seven and one-half cents per thousand dollars of assessed value for general county purposes if the total levies for both the county and any road district within the county do not exceed four dollars and five cents per thousand dollars of assessed value, and no other taxing district has its levy reduced as a result of the increased county levy.

(2) The aggregate levies of junior taxing districts and senior taxing districts, other than the state, ((shall)) may not exceed five dollars and ninety cents per thousand dollars of assessed valuation. The term "junior taxing districts" includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection ((shall)) do not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district; (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.069; (e) levies to finance affordable housing for very low-income housing imposed under RCW 84.52.105; (f) the portions of levies by metropolitan park districts that are protected under RCW 84.52.120; (g) levies imposed by ferry districts under RCW 36.54.130; (h) levies for criminal justice purposes under RCW 84.52.135; (i) the portions of levies by fire protection districts that are protected under RCW 84.52.125; ((and)) (j) levies by counties for transit-related purposes under RCW 84.52.140; and (k) the portion of the levy by flood control zone districts that are protected under section 3 of this act.

NEW SECTION. **Sec. 474.** This act applies to taxes levied for collection in 2018 and thereafter.

NEW SECTION. **Sec. 475.** This act takes effect January 1, 2018.

NEW SECTION. **Sec. 476.** This act expires January 1, 2023."

On page 1, line 3 of the title, after "levies;" strike the remainder of the title and insert "amending RCW 84.52.010 and 84.52.043; adding a new section to chapter 84.52 RCW; creating new sections; providing an effective date; and providing an expiration date."

and the same is herewith transmitted.

THIRD READING

MESSAGE FROM THE SENATE

April 15, 2015

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1713, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 477.** (1) In 2014, the legislature required the integration of the treatment systems for chemical dependency and mental health into behavioral health organizations beginning April 1, 2016. There currently exists involuntary treatment for mental health and limited involuntary treatment for chemical dependency. With the integration of mental health and chemical dependency into a behavioral health treatment system, it is the intention of the legislature to determine the best course of action for integration of the two involuntary treatment systems into one integrated system.

(2) The Washington state institute for public policy shall complete an evaluation of involuntary treatment systems for chemical dependency and shall submit a report to the appropriate committees of the legislature by December 31, 2015. To the extent it is not duplicative of other studies, the report must study how other states have implemented involuntary chemical dependency treatment with respect to emergency and nonemergency detentions. The study must include, but not be limited to:

(a) Court processes for referral for involuntary chemical dependency treatment;

(b) Statutory lengths of stay;

(c) Types of professionals providing evaluation and referral for treatment;

(d) Required qualifications of professionals providing evaluation and referral for treatment;

(e) Number of beds per one thousand residents;

(f) Less restrictive alternatives to detention; and

(g) Integration of involuntary mental health and chemical dependency treatment processes.

(3) The Washington state institute for public policy shall update its analyses of Washington's integrated crisis response pilots published in 2007, 2008, and 2011 using the institute's most recent cost benefit analysis methodology.

Sec. 478. RCW 71.24.025 and 2014 c 225 s 10 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

The composition of the board shall be broadly representative of the demographic character of the region and shall include, but not be limited to, representatives of consumers of substance use disorder and mental health services and their families, law enforcement, and, where the county is not the behavioral health organization, county elected officials. (a) **Penalty for alcohol concentration less than 0.15.** If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), or (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

(13) **Extraordinary medical placement.** An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(3).

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ESHB 1713 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 15, 2015

MR. SPEAKER:

The Senate has passed HOUSE BILL NO. 2000, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 522.** A new section is added to chapter 43.06 RCW to read as follows:

The legislature intends to further the government-to-government relationship between the state of Washington and federally recognized Indian tribes in the state of Washington by authorizing the governor to enter into agreements concerning the regulation of marijuana. Such agreements may include provisions pertaining to: The lawful commercial production, processing, sale, and possession of marijuana for both recreational and medical purposes; marijuana-related research activities; law enforcement, both criminal and civil; and taxation. The legislature finds that these agreements will facilitate and promote a cooperative and mutually beneficial relationship between the state and the tribes regarding matters relating to the legalization of marijuana, particularly in light of the fact that federal Indian law precludes the state from enforcing its civil regulatory laws in Indian country. Such cooperative agreements will enhance public health and safety, ensure a lawful and well-regulated marijuana market, encourage economic development, and provide fiscal benefits to both the tribes and the state.

NEW SECTION. **Sec. 523.** A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into agreements with federally recognized Indian tribes concerning marijuana. Marijuana agreements may address any marijuana-related issue that involves both state and tribal interests or otherwise has an impact on tribal-state relations. Such agreements may include, but are not limited to, the following provisions and subject matter:

(a) Criminal and civil law enforcement;

(b) Regulatory issues related to the commercial production, processing, sale, and possession of marijuana, and processed marijuana products, for both recreational and medical purposes;

(c) Medical and pharmaceutical research involving marijuana;

(d) Taxation in accordance with subsection (2) of this section;

(e) Any tribal immunities or preemption of state law regarding the production, processing, or marketing of marijuana; and

(f) Dispute resolution, including the use of mediation or other nonjudicial process.

(2) Each marijuana agreement adopted under this section must provide for a tribal marijuana tax that is at least one hundred percent of the state marijuana excise tax imposed under RCW 69.50.535 and state and local sales and use taxes on sales of marijuana. Marijuana agreements shall apply to sales in which Indian businesses make delivery and physical transfer of possession of the marijuana from the seller to the buyer within Indian country, and not to transactions by non-Indian businesses. The tribe may allow an exemption for sales to tribal members.

(3) Any marijuana agreement relating to the production, processing, and sale of marijuana in Indian country, whether for recreational or medical purposes, must address the following issues:

(a) Preservation of public health and safety;

(b) Ensuring the security of production, processing, retail, and research facilities; and

(c) Cross-border commerce in marijuana.

(4) The governor may delegate the power to negotiate marijuana agreements to the state liquor control board. In conducting such negotiations, the state liquor control board must, when necessary, consult with the governor and/or the department of revenue.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Indian business" means (i) a business wholly owned and operated by an Indian tribe, or (ii) a business wholly owned and operated by a tribal member and licensed by the tribe.

(b) "Indian country" has the same meaning as in RCW 82.24.010.

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1868 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 533.** RCW 36.82.070 and 2010 c 43 s 1 are each amended to read as follows:

(1) Any money paid to any county road fund may be used for the construction, alteration, repair, improvement, or maintenance of county roads and bridges thereon and for wharves necessary for ferriage of motor vehicle traffic, and for ferries, and for the acquiring, operating, and maintaining of machinery, equipment, quarries, or pits for the extraction of materials, and for the cost of establishing county roads, acquiring rights-of-way therefor, and expenses for the operation of the county engineering office, and for any of the following programs when directly related to county road purposes: (((~~(1)~~))) (a) Insurance; (((~~(2)~~))) (b) self-insurance programs; and (((~~(3)~~))) (c) risk management programs; and for any other proper county road purpose. Such expenditure may be made either independently or in conjunction with the state or any city, town, or tax district within the county. County road purposes include the construction, maintenance, or improvement of park and ride lots. County road purposes also include the removal of barriers to fish passage related to county roads, and include, but are not limited to, the following activities associated with the removal of these barriers: Engineering and technical services; stream bank stabilization; streambed restoration; the placement of weirs, rock, or woody debris; planting; and channel modification. County road funds may be used beyond the county right-of-way for activities clearly associated with removal of fish passage barriers that are the responsibility of the county. Activities related to the removal of barriers to fish passage performed beyond the county right-of-way must not exceed twenty-five percent of the total cost of activities related to fish barrier removal on any one project, and the total annual cost of activities related to the removal of barriers to fish passage performed beyond the county rights-of-way must not exceed one-half of one percent of a county's annual road construction budget. The use of county road funds beyond the county right-of-way for activities associated with the removal of fish barriers is permissive, and wholly within the discretion of the county legislative authority. The use of county road funds beyond the county right-of-way for such activities does not create or impose a legal duty upon a county for salmon recovery work beyond the county right-of-way.

(2) For counties that consist entirely of islands, county road purposes also include marine uses relating to navigation and moorage. Such a county may deposit revenue collected under RCW 84.52.043 and 36.82.040, in the amount or percentage determined by the county, into a subaccount within the county road fund to be used for marine facilities, including mooring buoys, docks, and aids to navigation.

Sec. 534. RCW 36.79.140 and 2001 c 221 s 2 and 2001 c 212 s 26 are each reenacted and amended to read as follows:

At the time the board reviews the six-year program of each county each even-numbered year, it shall consider and shall approve for inclusion in its recommended budget, as required by RCW 36.79.130, the portion of the rural arterial construction program scheduled to be performed during the biennial period beginning the following July 1st. Subject to the appropriations actually approved by the legislature, the board shall as soon as feasible approve rural arterial trust account funds to be spent during the ensuing biennium for preliminary proposals in priority sequence as established pursuant to RCW 36.79.090. Only those counties that during the preceding twelve months have spent all revenues collected for road purposes only for such purposes, including removal of barriers to fish passage and accompanying streambed and stream bank repair as specified in RCW 36.82.070, and including traffic law enforcement, as are allowed to the state by Article II, section 40 of the state Constitution or RCW 36.82.070(2) are eligible to receive funds from the rural arterial trust account, except that: (1) Counties with a population of less than eight thousand are exempt from this eligibility restriction; (2) counties expending revenues collected for road purposes only on other governmental services after authorization from the voters of that county under RCW 84.55.050 are also exempt from this eligibility restriction; and (3) this restriction shall not apply to any moneys diverted from the road district levy under chapter 39.89 RCW. The board shall authorize rural arterial trust account funds for the construction project portion of a project previously authorized for a preliminary proposal in the sequence in which the preliminary proposal has been completed and the construction project is to be placed under contract. At such time the board may reserve rural arterial trust account funds for expenditure in future years as may be necessary for completion of preliminary proposals and construction projects to be commenced in the ensuing biennium.

The board may, within the constraints of available rural arterial trust funds, consider additional projects for authorization upon a clear and conclusive showing by the submitting county that the proposed project is of an emergent nature and that its need was unable to be anticipated at the time the six-year program of the county was developed. The proposed projects shall be evaluated on the basis of the priority rating factors specified in RCW 36.79.080."

On page 1, line 2 of the title, after "counties;" strike the remainder of the title and insert "amending RCW 36.82.070; and reenacting and amending RCW 36.79.140."

(i) The child is being cared for by a relative;

(ii) The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home;

(iii) The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests; ((~~or~~))

(iv) The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section;

(v) ((~~Until June 30, 2015,~~)) Where a parent has been accepted into a dependency treatment court program or long-term substance abuse or dual diagnoses treatment program and is demonstrating compliance with treatment goals; or

(vi) ((~~Until June 30, 2015,~~)) Where a parent who has been court ordered to complete services necessary for the child's safe return home files a declaration under penalty of perjury stating the parent's financial inability to pay for the same court-ordered services, and also declares the department was unwilling or unable to pay for the same services necessary for the child's safe return home.

(b) The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

(i) The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;

(ii) The parent's efforts to communicate and work with the department or supervising agency or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;

(iii) A positive response by the parent to the reasonable efforts of the department or the supervising agency;

(iv) Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;

(v) Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and

(vi) Whether the continued involvement of the parent in the child's life is in the child's best interest.

(c) The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)(((~~g~~))) (h) for a parent's failure to complete available treatment.

(6)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(c) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(7) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(b) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(8) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(12) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(13) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (12) of this section are met.

(14) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(15) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to

the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(16) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1068 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 538.** A new section is added to chapter 70.125 RCW to read as follows:

(1) When a law enforcement agency receives a sexual assault examination kit, the law enforcement agency must, within thirty days of its receipt, submit a request for laboratory examination to the Washington state patrol crime laboratory for prioritization for testing by it or another accredited laboratory that holds an outsourcing agreement with the Washington state patrol if:

(a) Consent has been given by the victim; or

(b) The victim is a person under the age of eighteen who is not emancipated pursuant to chapter 13.64 RCW.

(2) Subject to available funding, the Washington state patrol crime laboratory must give priority to the laboratory examination of sexual assault examination kits at the request of a local law enforcement agency for:

(b) Active investigations where public safety is an immediate concern;

(c) Violent crimes investigations, including active sexual assault investigations;

(d) Postconviction cases; and

(e) Other crimes' investigations and nonactive investigations, such as previously unsubmitted older sexual assault kits or recently collected sexual assault kits that the submitting agency has determined to be lower priority based on their initial investigation.

(3) The failure of a law enforcement agency to submit a request for laboratory examination within the time prescribed under this section does not constitute grounds in any criminal proceeding for challenging the validity of a DNA evidence association, and any evidence obtained from the sexual assault examination kit may not be excluded by a court on those grounds.

(4) A person accused or convicted of committing a crime against a victim has no standing to object to any failure to comply with the requirements of this section, and the failure to comply with the requirements of this section is not grounds for setting aside the conviction or sentence.

(5) Nothing in this section may be construed to create a private right of action or claim on the part of any individual, entity, or agency against any law enforcement agency or any contractor of any law enforcement agency.

(6) This section applies prospectively only and not retroactively. It only applies to sexual assault examinations performed on or after the effective date of this section.

(7)(a) Until June 30, 2018, the Washington state patrol shall compile the following information related to the sexual assault examination kits identified in this section:

(i) The number of requests for laboratory examination made for sexual assault examination kits and the law enforcement agencies that submitted the requests; and

(ii) The progress made towards testing the sexual assault examination kits, including the status of requests for laboratory examination made by each law enforcement agency.

(b) The Washington state patrol shall make recommendations for increasing the progress on testing any untested sexual assault examination kits.

(B) Two members representing survivors of sexual assault.

(b) The task force shall choose two cochairs from among its legislative membership. The legislative membership shall convene the initial meeting of the task force.

(d) Researching the best practice models both in state and from other states for collaborative responses to victims of sexual assault from the point the sexual assault examination kit is collected to the conclusion of the investigation and providing recommendations regarding any existing gaps in Washington and resources that may be necessary to address those gaps; and

(e) Researching, identifying, and making recommendations for securing nonstate funding for testing the sexual assault examination kits, and reporting on progress made toward securing such funding.

(3) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research.

(4) Legislative members of the task force must be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members, except those representing an employer or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

"**Sec. 540.** RCW 74.60.005 and 2013 2nd sp.s. c 17 s 1 are each amended to read as follows:

(1) The purpose of this chapter is to provide for a safety net assessment on certain Washington hospitals, which will be used solely to augment funding from all other sources and thereby support additional payments to hospitals for medicaid services as specified in this chapter.

(2) The legislature finds that federal health care reform will result in an expansion of medicaid enrollment in this state and an increase in federal financial participation. ((~~As a result, the hospital safety net assessment and hospital safety net assessment fund created in this chapter will begin phasing down over a four-year period beginning in fiscal year 2016 as federal medicaid expansion is fully implemented. The state will end its reliance on the assessment and the fund by the end of fiscal year 2019.~~))

(3) In adopting this chapter, it is the intent of the legislature:

(a) To impose a hospital safety net assessment to be used solely for the purposes specified in this chapter;

(b) To generate approximately four hundred ((~~forty-six million three hundred thirty-eight thousand~~)) eighty-nine million dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then phasing down in equal increments to zero by the end of fiscal year 2019,~~)) in new state and federal funds by disbursing all of that amount to pay for medicaid hospital services and grants to certified public expenditure and critical access hospitals, except costs of administration as specified in this chapter, in the form of additional payments to hospitals and managed care plans, which may not be a substitute for payments from other sources;

(c) To generate ((~~one hundred ninety-nine million eight hundred thousand~~)) two hundred eighty-three million dollars ((~~in the 2013-2015 biennium, phasing down to zero by the end of the 2017-2019 biennium,~~)) per biennium during the 2015-2017 and 2017-2019 biennia in new funds to be used in lieu of state general fund payments for medicaid hospital services;

(d) That the total amount assessed not exceed the amount needed, in combination with all other available funds, to support the payments authorized by this chapter; and

(e) To condition the assessment on receiving federal approval for receipt of additional federal financial participation and on continuation of other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((2009)) 2015

the hospital since July 1, 2013, subject to the limitations of federal law.

(2) All assessments, interest, and penalties collected by the authority under RCW 74.60.030 and 74.60.050 shall be deposited into the fund.

(3) Disbursements from the fund are conditioned upon appropriation and the continued availability of other funds sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((~~2009~~)) 2015, as adjusted for current enrollment and utilization((~~, but without regard to payment increases resulting from chapter 30, Laws of 2010 1st sp. sess~~)).

(4) Disbursements from the fund may be made only:

(a) To make payments to hospitals and managed care plans as specified in this chapter;

(b) To refund erroneous or excessive payments made by hospitals pursuant to this chapter;

(c) For one million dollars per biennium for payment of administrative expenses incurred by the authority in performing the activities authorized by this chapter;

(d) For ((~~one hundred ninety-nine million eight hundred thousand~~)) two hundred eighty-three million dollars ((~~in the 2013-2015~~)) per biennium, ((~~phasing down to zero by the end of the 2017-2019 biennium~~)) to be used in lieu of state general fund payments for medicaid hospital services, provided that if the full amount of the payments required under RCW 74.60.120 and 74.60.130 cannot be distributed in a given fiscal year, this amount must be reduced proportionately;

(e) To repay the federal government for any excess payments made to hospitals from the fund if the assessments or payment increases set forth in this chapter are deemed out of compliance with federal statutes and regulations in a final determination by a court of competent jurisdiction with all appeals exhausted. In such a case, the authority may require hospitals receiving excess payments to refund the payments in question to the fund. The state in turn shall return funds to the federal government in the same proportion as the

(d) If required in order to obtain federal matching funds, the maximum number of nonmedicare inpatient days at the higher rate provided under RCW 74.60.030(1)(b)(i) may be adjusted in order to comply with federal requirements;

(e) If the number of nonmedicare inpatient days applied to the rates provided in RCW 74.60.030 will not produce sufficient funds to support the payments required under this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f), the assessment rates provided in RCW 74.60.030 may be increased proportionately by category of hospital to amounts no greater than necessary in order to produce the required level of funds needed to make the payments specified in this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f); and

(f) Any actual or estimated surplus remaining in the fund at the end of the fiscal year must be applied to reduce the assessment amount for the subsequent fiscal year or that fiscal year and the following fiscal years prior to and including fiscal year 2019.

(vii) The amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

(c) On a monthly basis, the authority shall provide the Washington state hospital association the amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

Sec. 544. RCW 74.60.090 and 2013 2nd sp.s. c 17 s 8 are each amended to read as follows:

(1) In each fiscal year commencing upon satisfaction of the applicable conditions in RCW 74.60.150(1), funds must be disbursed from the fund and the authority shall make grants to certified public expenditure hospitals, which shall not be considered payments for hospital services, as follows:

(a) University of Washington medical center: ((~~Three million three hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Four million four hundred fifty-five thousand dollars in each state fiscal year 2016 through 2019;

(b) Harborview medical center: ((~~Seven million six hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Ten million two hundred sixty thousand dollars in each state fiscal year 2016 through 2019;

(c) All other certified public expenditure hospitals: ((~~Four million seven hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Six million three hundred forty-five thousand dollars in each state fiscal year 2016 through 2019. The amount of payments to individual hospitals under this subsection must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4).

(2) Payments must be made quarterly, before the end of each quarter, taking the total disbursement amount and dividing by four to calculate the quarterly amount. ((~~The initial payment, which must include all amounts due from and after July 1, 2013, to the date of the initial payment, must be made within thirty days after satisfaction of the conditions in RCW 74.60.150(1).~~)) The authority shall provide a quarterly report of such payments to the Washington state hospital association.

Sec. 545. RCW 74.60.100 and 2013 2nd sp.s. c 17 s 9 are each amended to read as follows:

In each fiscal year commencing upon satisfaction of the conditions in RCW 74.60.150(1), the authority shall make access payments to critical access hospitals that do not qualify for or receive a small rural disproportionate share hospital payment in a given fiscal year in the total amount of ((~~five hundred twenty~~)) seven hundred two thousand dollars from the fund and to critical access hospitals that receive disproportionate share payments in the total amount of one million three hundred thirty-six thousand dollars. The amount of payments to individual hospitals under this section must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4). Payments must be made after the authority determines a hospital's payments under RCW 74.60.110. These payments shall be in addition to any other amount payable with respect to services provided by critical access hospitals and shall not reduce any other payments to critical access hospitals. The authority shall provide a report of such payments to the Washington state hospital association within thirty days after payments are made.

Sec. 546. RCW 74.60.120 and 2014 c 143 s 2 are each amended to read as follows:

(1) ((~~Beginning~~)) In each state fiscal year ((~~2014~~)), commencing ((~~thirty days after~~)) upon satisfaction of the applicable conditions in RCW 74.60.150(1), ((~~and for the period of state fiscal years 2014 through 2019,~~)) the authority shall make supplemental payments directly to Washington hospitals, separately for inpatient and outpatient fee-for-service medicaid services, as follows:

(a) For inpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, twenty-nine million ((~~two hundred twenty-five thousand~~)) one hundred sixty-two thousand five hundred dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(b) For outpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, thirty million dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(c) For inpatient fee-for-service payments for psychiatric hospitals, ((~~six hundred twenty-five thousand~~)) eight hundred seventy-five thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(d) For inpatient fee-for-service payments for rehabilitation hospitals, ((~~one hundred fifty thousand~~)) two hundred twenty-five thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(e) For inpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds; and

(f) For outpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds.

(2) If the amount of inpatient or outpatient payments under subsection (1) of this section, when combined with federal matching funds, exceeds the upper payment limit, payments to each category of hospital must be reduced proportionately to a level where the total payment amount is consistent with the upper payment limit. Funds under this chapter unable to be paid to hospitals under this section because of the upper payment limit must be paid to managed care organizations under RCW 74.60.130, subject to the limitations in this chapter.

(3) The amount of such fee-for-service inpatient payments to individual hospitals within each of the categories identified in subsection (1)(a), (c), (d), and (e) of this section must be determined by:

(a) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to each hospital's inpatient fee-for-services claims and medicaid managed care encounter data for the base year;

(b) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to all hospitals' inpatient fee-for-services claims and medicaid managed care encounter data for the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(4) The amount of such fee-for-service outpatient payments to individual hospitals within each of the categories identified in subsection (1)(b) and (f) of this section must be determined by:

(a) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to each hospital's outpatient fee-for-services claims and medicaid managed care encounter data for the base year;

(b) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to all hospitals' outpatient fee-for-services claims and medicaid managed care encounter data for the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(5) ((~~Thirty days before the initial payments and~~)) Sixty days before the first payment in each subsequent fiscal year, the authority shall provide each hospital and the Washington state hospital association with an explanation of how the amounts due to each hospital under this section were calculated.

(6) Payments must be made in quarterly installments on or about the last day of every quarter. ((~~The initial payment must be made within thirty days after satisfaction of the conditions in RCW 74.60.150(1) and must include all amounts due from July 1, 2013, to either: (a) The end of the calendar quarter prior to when the conditions in RCW 70.60.150(1) \\sanjuan\ATLASMACROS\DATA\2015 JOURNAL\Journal2015\LegDay101\74.60.150(1).doc are satisfied if approval is received more than forty-five days prior to the end of a quarter; or (b) the end of the calendar quarter after the satisfaction of the conditions in RCW 74.60.150(1) if approval is received within forty-five days of the end of a quarter.~~))

(7) A prospective payment system hospital commencing operations after January 1, 2009, is eligible to receive payments in accordance with this section after becoming an eligible new prospective payment system hospital as defined in RCW 74.60.010.

(8) Payments under this section are supplemental to all other payments and do not reduce any other payments to hospitals.

Sec. 547. RCW 74.60.130 and 2014 c 143 s 3 are each amended to read as follows:

(1) For state fiscal year ((~~2014~~)) 2016 and for each subsequent fiscal year, commencing within thirty days after satisfaction of the conditions in RCW 74.60.150(1) and subsection ((~~(6)~~)) (5) of this section, ((~~and for the period of state fiscal years 2014 through 2019,~~)) the authority shall increase capitation payments in a manner consistent with federal contracting requirements to managed care organizations by an amount at least equal to the amount available from the fund after deducting disbursements authorized by RCW 74.60.020(4) (c) through (f) and payments required by RCW 74.60.080 through 74.60.120. The capitation payment under this subsection must be no less than one hundred ((~~fifty-three~~)) million ((~~one hundred thirty-one thousand six hundred~~)) dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then the increased capitation payment amounts are reduced in equal increments per fiscal year until the increased capitation payment amount is zero by July 1, 2019,~~)) plus the maximum available amount of federal matching funds. The initial payment following satisfaction of the conditions in RCW 74.60.150(1) must include all amounts due from July 1, ((~~2013~~)) 2015, to the end of the calendar month during which the conditions in RCW 74.60.150(1) are satisfied. Subsequent payments shall be made monthly.

(2) ((~~In fiscal years 2015, 2016, and 2017, the authority shall use any additional federal matching funds for the increased managed care capitation payments under subsection (1) of this section available from medicaid expansion under the federal patient protection and affordable care act to substitute for assessment funds which otherwise would have been used to pay managed care plans under this section.~~

(~~3~~)) Payments to individual managed care organizations shall be determined by the authority based on each organization's or network's enrollment relative to the anticipated total enrollment in each program for the fiscal year in question, the anticipated utilization of hospital services by an organization's or network's medicaid enrollees, and such other factors as are reasonable and appropriate to ensure that purposes of this chapter are met.

(((~~4~~))) (3) If the federal government determines that total payments to managed care organizations under this section exceed what is permitted under applicable medicaid laws and regulations, payments must be reduced to levels that meet such requirements, and the balance remaining must be applied as provided in RCW 74.60.050. Further, in the event a managed care organization is legally obligated to repay amounts distributed to hospitals under this section to the state or federal government, a managed care organization may recoup the amount it is obligated to repay under the medicaid program from individual hospitals by not more than the amount of overpayment each hospital received from that managed care organization.

(((~~5~~))) (4) Payments under this section do not reduce the amounts that otherwise would be paid to managed care organizations: PROVIDED, That such payments are consistent with actuarial soundness certification and enrollment.

(((~~6~~))) (5) Before making such payments, the authority shall require medicaid managed care organizations to comply with the following requirements:

(a) All payments to managed care organizations under this chapter must be expended for hospital services provided by Washington hospitals, which for purposes of this section includes psychiatric and rehabilitation hospitals, in a manner consistent with the purposes and provisions of this chapter, and must be equal to all increased capitation payments under this section received by the organization or network, consistent with actuarial certification and enrollment, less an allowance for any estimated premium taxes the organization is required to pay under Title 48 RCW associated with the payments under this chapter;

(b) Managed care organizations shall expend the increased capitation payments under this section in a manner consistent with the purposes of this chapter, with the initial expenditures to hospitals to be made within thirty days of receipt of payment from the authority. Subsequent expenditures by the managed care plans are to be made before the end of the quarter in which funds are received from the authority;

(c) Providing that any delegation or attempted delegation of an organization's or network's obligations under agreements with the authority do not relieve the organization or network of its obligations under this section and related contract provisions.

(((~~7~~))) (6) No hospital or managed care organizations may use the payments under this section to gain advantage in negotiations.

(((~~8~~))) (7) No hospital has a claim or cause of action against a managed care organization for monetary compensation based on the amount of payments under subsection (((~~6~~))) (5) of this section.

(((~~9~~))) (8) If funds cannot be used to pay for services in accordance with this chapter the managed care organization or network must return the funds to the authority which shall return them to the hospital safety net assessment fund.

Sec. 548. RCW 74.60.150 and 2013 2nd sp.s. c 17 s 15 are each amended to read as follows:

(1) The assessment, collection, and disbursement of funds under this chapter shall be conditional upon:

(a) Final approval by the centers for medicare and medicaid services of any state plan amendments or waiver requests that are necessary in order to implement the applicable sections of this chapter including, if necessary, waiver of the broad-based or uniformity requirements as specified under section 1903(w)(3)(E) of the federal social security act and 42 C.F.R. 433.68(e);

(b) To the extent necessary, amendment of contracts between the authority and managed care organizations in order to implement this chapter; and

(c) Certification by the office of financial management that appropriations have been adopted that fully support the rates established in this chapter for the upcoming fiscal year.

(2) This chapter does not take effect or ceases to be imposed, and any moneys remaining in the fund shall be refunded to hospitals in proportion to the amounts paid by such hospitals, if and to the extent that any of the following conditions occur:

(a) The federal department of health and human services and a court of competent jurisdiction makes a final determination, with all appeals exhausted, that any element of this chapter, other than RCW 74.60.100, cannot be validly implemented;

(b) Funds generated by the assessment for payments to prospective payment hospitals or managed care organizations are determined to be not eligible for federal match;

(c) Other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((~~2009~~)) 2015, as adjusted for current enrollment and utilization((~~, but without regard to payment increases resulting from chapter 30, Laws of 2010 1st sp. sess.,~~)) is not appropriated or available;

(d) Payments required by this chapter are reduced, except as specifically authorized in this chapter, or payments are not made in substantial compliance with the time frames set forth in this chapter; or

(e) The fund is used as a substitute for or to supplant other funds, except as authorized by RCW 74.60.020.

Sec. 549. RCW 74.60.160 and 2013 2nd sp.s. c 17 s 17 are each amended to read as follows:

(1) The legislature intends to provide the hospitals with an opportunity to contract with the authority each fiscal biennium to protect the hospitals from future legislative action during the biennium that could result in hospitals receiving less from supplemental payments, increased managed care payments, disproportionate share hospital payments, or access payments than the hospitals expected to receive in return for the assessment based on the biennial appropriations and assessment legislation.

(2) Each odd-numbered year after enactment of the biennial omnibus operating appropriations act, the authority shall offer to enter into a contract or to extend an existing contract for the period of the fiscal biennium beginning July 1st with a hospital that is required to pay the assessment under this chapter. The contract must include the following terms:

(a) The authority must agree not to do any of the following:

(i) Increase the assessment from the level set by the authority pursuant to this chapter on the first day of the contract period for reasons other than those allowed under RCW 74.60.050((~~(3)~~)) (2)(e);

(ii) Reduce aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, ((~~allowing for variations due to budget-neutral rebasing and~~)) adjusting for changes in enrollment and utilization, from the levels the state paid for those services on the first day of the contract period;

(iii) For critical access hospitals only, reduce the levels of disproportionate share hospital payments under RCW 74.60.110 or access payments under RCW 74.60.100 for all critical access hospitals below the levels specified in those sections on the first day of the contract period;

(iv) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the levels of supplemental payments under RCW 74.60.120 for all prospective payment system hospitals below the levels specified in that section on the first day of the contract period unless the supplemental payments are reduced under RCW 74.60.120(2);

(v) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the increased capitation payments to managed care organizations under RCW 74.60.130 below the levels specified in that section on the first day of the contract period unless the managed care payments are reduced under RCW 74.60.130((~~(4)~~)) (3); or

(vi) Except as specified in this chapter, use assessment revenues for any other purpose than to secure federal medicaid matching funds to support payments to hospitals for medicaid services; and

(b) As long as payment levels are maintained as required under this chapter, the hospital must agree not to challenge the authority's reduction of hospital reimbursement rates to July 1, 2009, levels, which results from the elimination of assessment supported rate restorations and increases, under 42 U.S.C. Sec. 1396a(a)(30)(a) either through administrative appeals or in court during the period of the contract.

(3) If a court finds that the authority has breached an agreement with a hospital under subsection (2)(a) of this section, the authority:

(a) Must immediately refund any assessment payments made subsequent to the breach by that hospital upon receipt; and

(b) May discontinue supplemental payments, increased managed care payments, disproportionate share hospital payments, and access payments made subsequent to the breach for the hospital that are required under this chapter.

(4) The remedies provided in this section are not exclusive of any other remedies and rights that may be available to the hospital whether provided in this chapter or otherwise in law, equity, or statute.

Sec. 550. RCW 74.60.901 and 2013 2nd sp.s. c 17 s 19 are each amended to read as follows:

MESSAGE FROM THE SENATE

April 15, 2015

MR. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILLO. 1449, wit21.(t)18.3h(e).1(f)20(oli)5(l)(o w)22.4(i)5-20(oli)5(l)(o w)22.4

developed by the American petroleum institute. Each week, a facility that provides advance notice under this section must provide the required information regarding the scheduled arrival of railroad cars carrying crude oil to be received by the facility in the succeeding seven-day period. A facility is not required to provide advance notice when there is no receipt of crude oil from a railroad car scheduled for a seven-day period.

(2) The department may share information provided by a facility through the advance notice system established in this section with the state emergency management division and any county, city, tribal, port, or local government emergency response agency upon request.

(3) The department must publish information collected under this section on a quarterly basis on the department's internet web site. The information published by the department must be aggregated on a statewide basis and may include other information available to the department including, but not limited to, place of origin, modes of transport, number of railroad cars delivering crude oil, and number and volume of spills during transport and delivery. The department must publish routes to facilities within the state, but may not include specific information about volume or gravity of oil, as measured by the standards developed by the American petroleum institute transported to any particular facility along the routes.

(4) A facility providing advance notice under this section is not responsible for meeting advance notice time frame requirements under subsection (1) of this section in the event that the schedule of arrivals of railroad cars carrying crude oil changes during a seven-day period.

(5) Consistent with the requirements of chapter 42.56 RCW, the department and any state, local, tribal, or public agency that receives information provided under this section may not disclose any such information to the public or to nongovernmental entities that is not aggregated and that contains proprietary, commercial, or financial information. The requirement for aggregating information does not apply when information is shared by the department with emergency response agencies as provided in subsection (2) of this section.

(6) The department shall adopt rules to implement this section. The advance notice system required in this section must be consistent with the oil transfer reporting system adopted by the department pursuant to RCW 88.46.165.

(ii) "Retailer" does not include a professional employer organization when a covered employee coemployed with the client under the terms of a professional employer agreement engages in activities that constitute a sale of tangible personal property, extended warranty, digital good, digital code, or a sale of any digital automated service or service defined as a retail sale in RCW 82.04.050 (2) (a) or (g)((~~, (3)(a),~~)) or (6)(b) that is subject to the tax imposed by this chapter. In such cases, the client, and not the professional employer organization, is deemed to be the retailer and is responsible for collecting and remitting the tax imposed by this chapter.

(b) For the purposes of (a) of this subsection, the terms "client," "covered employee," "professional employer agreement," and "professional employer organization" have the same meanings as in RCW 82.04.540.

(5) "Taxpayer" and "purchaser" include all persons included within the meaning of the word "buyer" and the word "consumer" as defined in chapters 82.04 and 82.08 RCW.

(6) "Use," "used," "using," or "put to use" have their ordinary meaning, and mean:

(b) With respect to a service defined in RCW 82.04.050(2)(a), the first act within this state after the service has been performed by which the taxpayer takes or assumes dominion or control over the article of tangible personal property upon which the service was performed (as a consumer), and includes installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption of the article within this state;

The term also includes, in addition to the purchase price, the amount of any tariff or duty paid with respect to the importation of the article used. In case the article used is acquired by lease or by gift or is extracted, produced, or manufactured by the person using the same or is sold under conditions wherein the purchase price does not represent the true value thereof, the value of the article used is determined as nearly as possible according to the retail selling price at place of use of similar products of like quality and character under such rules as the department may prescribe.

(b) In case the articles used are acquired by bailment, the value of the use of the articles so used must be in an amount representing a reasonable rental for the use of the articles so bailed, determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department of revenue may prescribe. In case any such articles of tangible personal property are used in respect to the construction, repairing, decorating, or improving of, and which become or are to become an ingredient or component of, new or existing buildings or other structures under, upon, or above real property of or for the United States, any instrumentality thereof, or a county or city housing authority created pursuant to chapter 35.82 RCW, including the installing or attaching of any such articles therein or thereto, whether or not such personal property becomes a part of the realty by virtue of installation, then the value of the use of such articles so used is determined according to the retail selling price of such articles, or in the absence of such a selling price, as nearly as possible according to the retail selling price at place of use of similar products of like quality and character or, in the absence of either of these selling price measures, such value may be determined upon a cost basis, in any event under such rules as the department of revenue may prescribe.

(c) In the case of articles owned by a user engaged in business outside the state which are brought into the state for no more than one hundred eighty days in any period of three hundred sixty-five consecutive days and which are temporarily used for business purposes by the person in this state, the value of the article used must be an amount representing a reasonable rental for the use of the articles, unless the person has paid tax under this chapter or chapter 82.08 RCW upon the full value of the article used, as defined in (a) of this subsection.

(d) In the case of articles manufactured or produced by the user and used in the manufacture or production of products sold or to be

sold to the department of defense of the United States, the value of the articles used is determined according to the value of the ingredients of such articles.

(e) In the case of an article manufactured or produced for purposes of serving as a prototype for the development of a new or improved product, the value of the article used is determined by: (i) The retail selling price of such new or improved product when first offered for sale; or (ii) the value of materials incorporated into the prototype in cases in which the new or improved product is not offered for sale.

(f) In the case of an article purchased with a direct pay permit under RCW 82.32.087, the value of the article used is determined by the purchase price of such article if, but for the use of the direct pay permit, the transaction would have been subject to sales tax.

(8) "Value of the digital good or digital code used" means the purchase price for the digital good or digital code, the use of which is taxable under this chapter. If the digital good or digital code is acquired other than by purchase, the value of the digital good or digital code must be determined as nearly as possible according to the retail selling price at place of use of similar digital goods or digital codes of like quality and character under rules the department may prescribe.

(9) "Value of the extended warranty used" means the purchase price for the extended warranty, the use of which is taxable under this chapter. If the extended warranty is received by gift or under conditions wherein the purchase price does not represent the true value of the extended warranty, the value of the extended warranty used is determined as nearly as possible according to the retail selling price at place of use of similar extended warranties of like quality and character under rules the department may prescribe.

(10) "Value of the service used" means the purchase price for the digital automated service or other service, the use of which is taxable under this chapter. If the service is received by gift or under conditions wherein the purchase price does not represent the true value thereof, the value of the service used is determined as nearly as possible according to the retail selling price at place of use of similar services of like quality and character under rules the department may prescribe.

(3)(a) Except as provided in this section, payment of the tax imposed by this chapter or chapter 82.08 RCW by one purchaser or user of tangible personal property, extended warranty, digital good, digital code, digital automated service, or other service does not have the effect of exempting any other purchaser or user of the same property, extended warranty, digital good, digital code, digital automated service, or other service from the taxes imposed by such chapters.

(b) The tax imposed by this chapter does not apply:

(i) If the sale to, or the use by, the present user or his or her bailor or donor has already been subjected to the tax under chapter 82.08 RCW or this chapter and the tax has been paid by the present user or by his or her bailor or donor;

(ii) In respect to the use of any article of tangible personal property acquired by bailment and the tax has once been paid based on reasonable rental as determined by RCW 82.12.060 measured by the value of the article at time of first use multiplied by the tax rate imposed by chapter 82.08 RCW or this chapter as of the time of first use;

(iii) In respect to the use of any article of tangible personal property acquired by bailment, if the property was acquired by a previous bailee from the same bailor for use in the same general activity and the original bailment was prior to June 9, 1961; or

(iv) To the use of digital goods or digital automated services, which were obtained through the use of a digital code, if the sale of the digital code to, or the use of the digital code by, the present user or the present user's bailor or donor has already been subjected to the tax under chapter 82.08 RCW or this chapter and the tax has been paid by the present user or by the present user's bailor or donor.

(4)(a) Except as provided in (b) of this subsection (4), the tax is levied and must be collected in an amount equal to the value of the article used, value of the digital good or digital code used, value of the extended warranty used, or value of the service used by the

good, digital code, digital automated service, service defined as a retail sale in RCW 82.04.050 (2) (a) or (g)((~~, (3)(a),~~)) or (6)(b), or extended warranty, acquired from a federal credit union, foreign credit union, or out-of-state credit union as a result of a merger or conversion.

(2) For purposes of this section, the following definitions apply:

(a) "Federal credit union" means a credit union organized and operating under the laws of the United States.

(b) "Foreign credit union" means a credit union organized and operating under the laws of another country or other foreign jurisdiction.

(c) "Out-of-state credit union" means a credit union organized and operating under the laws of another state or United States territory or possession.

(d) "State credit union" means a credit union organized and operating under the laws of this state.

Sec. 584. RCW 82.32.087 and 2010 c 112 s 10 are each amended to read as follows:

(1) The director may grant a direct pay permit to a taxpayer who demonstrates, to the satisfaction of the director, that the taxpayer meets the requirements of this section. The direct pay permit allows the taxpayer to accrue and remit directly to the department use tax on the acquisition of tangible personal property or sales tax on the sale of or charges made for labor and/or services, in accordance with all of the applicable provisions of this title. Any taxpayer that uses a direct pay permit ((~~shall~~)) must remit state and local sales or use tax directly to the department. The agreement by the purchaser to remit tax directly to the department, rather than pay sales or use tax to the seller, relieves the seller of the obligation to collect sales or use tax and requires the buyer to pay use tax on the tangible personal property and sales tax on the sale of or charges made for labor and/or services.

(2)(a) A taxpayer may apply for a permit under this section if: (i) The taxpayer's cumulative tax liability is reasonably expected to be two hundred forty thousand dollars or more in the current calendar year; or (ii) the taxpayer makes purchases subject to the taxes imposed under chapter 82.08 or 82.12 RCW in excess of ten million dollars per calendar year. For the purposes of this section, "tax liability" means the amount required to be remitted to the department for taxes administered under this chapter, except for the taxes imposed or authorized by chapters 82.14A, 82.14B, 82.24, 82.27, 82.29A, and 84.33 RCW.

(b) Application for a permit must be made in writing to the director in a form and manner prescribed by the department. A taxpayer who transacts business in two or more locations may submit one application to cover the multiple locations.

(c) The director must review a direct pay permit application in a timely manner and ((~~shall~~)) must notify the applicant, in writing, of the approval or denial of the application. The department must approve or deny an application based on the applicant's ability to comply with local government use tax coding capabilities and responsibilities; requirements for vendor notification; recordkeeping obligations; electronic data capabilities; and tax reporting procedures. Additionally, an application may be denied if the director determines that denial would be in the best interest of collecting taxes due under this title. The department must provide a direct pay permit to an approved applicant with the notice of approval. The direct pay permit ((~~shall~~)) must clearly state that the holder is solely responsible for the accrual and payment of the tax imposed under chapters 82.08 and 82.12 RCW and that the seller is relieved of liability to collect tax imposed under chapters 82.08 and 82.12 RCW on all sales to the direct pay permit holder. The taxpayer may petition the director for reconsideration of a denial.

(d) A taxpayer who uses a direct pay permit must continue to maintain records that are necessary to a determination of the tax liability in accordance with this title. A direct pay permit is not transferable and the use of a direct pay permit may not be assigned to a third party.

(3) Taxes for which the direct pay permit is used are due and payable on the tax return for the reporting period in which the taxpayer (a) receives the tangible personal property purchased or in which the labor and/or services are performed or (b) receives an invoice for such property or such labor and/or services, whichever period is earlier.

(4) The holder of a direct pay permit must furnish a copy of the direct pay permit to each vendor with whom the taxpayer has opted to use a direct pay permit. Sellers who make sales upon which the sales or use tax is not collected by reason of the provisions of this section, in addition to existing requirements under this title, must maintain a copy of the direct pay permit and any such records or information as the department may specify.

(5) A direct pay permit is subject to revocation by the director at any time the department determines that the taxpayer has violated any provision of this section or that revocation would be in the best interests of collecting the taxes due under this title. The notice of revocation must be in writing and is effective either as of the end of the taxpayer's next normal reporting period or a date deemed appropriate by the director and identified in the revocation notice. The taxpayer may petition the director for reconsideration of a revocation and reinstatement of the permit.

(6) Any taxpayer who chooses to no longer use a direct pay permit or whose permit is revoked by the department, must return the permit to the department and immediately make a good faith effort to notify all vendors to whom the permit was given, advising them that the permit is no longer valid.

(7) Except as provided in this subsection, the direct pay permit may be used for any purchase of tangible personal property and any retail sale under RCW 82.04.050. The direct pay permit may not be used for:

(a) Purchases of meals or beverages;

(b) Purchases of motor vehicles, trailers, boats, airplanes, and other property subject to requirements for title transactions by the department of licensing;

(c) Purchases for which a reseller permit or other documentation authorized under RCW 82.04.470 may be used;

(d) Purchases that meet the definitions of RCW 82.04.050 (2) (e) and (f), (3) (a) through ((~~(d)~~)) (c), (e), (f), and (g), ((~~and~~)) (5), and (15); or

(e) Other activities subject to tax under chapter 82.08 or 82.12 RCW that the department by rule designates, consistent with the purposes of this section, as activities for which a direct pay permit is not appropriate and may not be used.

NEW SECTION. **Sec. 585.** RCW 82.12.02917 (Exemptions--Use of amusement and recreation services by nonprofit youth organization) and 1999 c 358 s 7 are each repealed.

NEW SECTION. **Sec. 586.** The repeal in section 12 of this act does not affect any existing right acquired or liability or obligation incurred under the statute repealed or under any rule or order adopted under that statute nor does it affect any proceedings instituted under the statute repealed.

NEW SECTION. **Sec. 587.** This act takes effect January 1, 2016."

On page 1, line 2 of the title, after "services;" strike the remainder of the title and insert "amending RCW 82.04.050, 82.04.060, 82.04.190, 82.08.0291, 82.12.020, 82.12.02595, 82.12.035, 82.12.040, 82.12.860, and 82.32.087; reenacting and amending RCW 82.12.010; creating a new section; repealing RCW 82.12.02917; and providing an effective date."

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5269, by Senate Committee on Ways & Means (originally sponsored by Senators O'Ban, Darneille, Rolfes, Dansel, Miloscia, Pearson, Bailey, Padden, Becker, Frockt, Habib and Pedersen)

Concerning court review of detention decisions under the involuntary treatment act.

The bill was read the second time.

Representative Walkinshaw moved the adoption of amendment (498):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 588.** This act may be known and cited as Joel's Law.

NEW SECTION. **Sec. 589.** A new section is added to chapter 71.05 RCW to read as follows:

(1) If a designated mental health professional decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated mental health professional received a request for investigation and the designated mental health professional has not taken action to have the person detained, an immediate family member or guardian or conservator of the person may petition the superior court for the person's initial detention.

(2)(a) The petition must be submitted on forms developed by the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:

(i) A description of the relationship between the petitioner and the person; and

(ii) The date on which an investigation was requested from the designated mental health professional.

(3) The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated mental health professional agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated mental health professional's current decision.

(4) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(5) The court shall dismiss the petition at any time if it finds that a designated mental health professional has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(6) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention if the court finds that: (a) There is probable cause to support a petition for detention; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(7) If the court enters an order for initial detention, it shall provide the order to the designated mental health professional agency, which shall execute the order without delay. An order for initial detention under this section expires one hundred eighty days from issuance.

(8) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under

RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(9) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

NEW SECTION. **Sec. 590.** A new section is added to chapter 71.05 RCW to read as follows:

(1) The department and each regional support network or agency employing designated mental health professionals shall publish information in an easily accessible format describing the process for an immediate family member, guardian, or conservator to petition for court review of a detention decision under section 2 of this act.

(2) A designated mental health professional or designated mental health professional agency that receives a request for investigation for possible detention under this chapter must inquire whether the request comes from an immediate family member, guardian, or conservator who would be eligible to petition under section 2 of this act. If the designated mental health professional decides not to detain the person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since the request for investigation was received and the designated mental health professional has not taken action to have the person detained, the designated mental health professional or designated mental health professional agency must inform the immediate family member, guardian, or conservator who made the request for investigation about the process to petition for court review under section 2 of this act.

Sec. 591. RCW 71.05.130 and 1998 c 297 s 7 are each amended to read as follows:

In any judicial proceeding for involuntary commitment or detention except under section 2 of this act, or in any proceeding challenging ((~~such~~)) involuntary commitment or detention, the prosecuting attorney for the county in which the proceeding was initiated shall represent the individuals or agencies petitioning for commitment or detention and shall defend all challenges to such commitment or detention((~~; PROVIDED~~)), except that the attorney general shall represent and provide legal services and advice to state hospitals or institutions with regard to all provisions of and proceedings under this chapter ((~~except in~~)) other than proceedings initiated by such hospitals and institutions seeking fourteen day detention."

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 5884, by Senate Committee on Law & Justice (originally sponsored by Senators Kohl-Welles, Darneille, Padden, Keiser, Conway, Chase and Hasegawa)

Concerning the trafficking of persons.

The bill was read the second time.

Representative Orwall moved the adoption of amendment (499):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 592.** (1) The legislature has long been committed to increasing access to support services for human trafficking victims and promoting awareness of human trafficking throughout Washington state. In 2002, Washington was the first state to work on human trafficking by enacting new laws and by creating an antitrafficking task force. In 2003, Washington was the first state to enact a law making human trafficking a crime.

Since 2002, the Washington state legislature has enacted thirty-eight laws to combat human trafficking. In 2013 and 2014, Washington received top marks from two leading nongovernmental organizations for the strength of its antitrafficking laws. The polaris project gave Washington a perfect score of ten and Washington received an "A" report card from shared hope international's protected innocence challenge. In light of the 2010 winter olympic games taking place in Vancouver, British Columbia, the legislature enacted RCW 47.38.080, permitting an approved nonprofit to place informational human trafficking posters in restrooms located in rest areas along Interstate 5. Sporting events, such as the winter olympic games or the upcoming 2015 United States open golf tournament at Chambers Bay, provide lucrative opportunities for human traffickers to exploit adults and children for labor and sexual services. The legislature finds that an effective way to combat human trafficking is to increase awareness of human trafficking for both victims and the general public alike as well as who and how to contact for help and support services, for both victims and the general public alike.

(2) Human trafficking data are primarily obtained through a hotline reporting system in which victims and witnesses can report cases of human trafficking over the phone. Since 2007, there have been one thousand eight hundred fifty human trafficking calls made through the human trafficking victim hotline system in Washington state, and a total of four hundred thirty-two human trafficking cases reported. It is the intent of the legislature to facilitate an even wider scope of communication with human trafficking victims and

witnesses by requiring human trafficking information to be posted in all public restrooms.

NEW SECTION. **Sec. 593.** A new section is added to chapter 7.68 RCW to read as follows:

(1) The office of crime victims advocacy is designated as the single point of contact in state government regarding the trafficking of persons.

(2) The Washington state clearinghouse on human trafficking is created as an information portal to share and coordinate statewide efforts to combat the trafficking of persons. The clearinghouse will include an internet web site operated by the office of crime victims advocacy, and will serve the following functions:

(a) Coordinating information regarding all statewide task forces relating to the trafficking of persons including, but not limited to, sex trafficking, commercial sexual exploitation of children, and labor trafficking;

(b) Publishing the findings and legislative reports of all statewide task forces relating to the trafficking of persons;

(c) Providing a comprehensive directory of resources for victims of trafficking; and

(d) Collecting and disseminating up-to-date information regarding the trafficking of persons, including news and legislative efforts, both state and federal.

Sec. 594. RCW 7.68.350 and 2003 c 266 s 1 are each amended to read as follows:

(((~~(8) The task force expires June 30, 2004.~~)))

Sec. 595. RCW 7.68.801 and 2013 c 253 s 1 are each amended to read as follows:

MESSAGE FROM THE SENATE

There being no objection, the House receded from its amendment. The rules were suspended and SUBSTITUTE SENATE BILL NO. 5679 was returned to second reading for the purpose of amendment.

SECOND READING

SUBSTITUTE SENATE BILL NO. 5679, by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators McAuliffe, Litzow, Dammeier, Hasegawa, Liias, Chase, Rolfes, Jayapal, Parlette and Conway)

Concerning transition services for special education students.

The bill was read the second time.

Representative Santos moved the adoption of amendment (500):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 598.** The legislature finds that research continues to suggest that high expectations for students with disabilities is paramount to improving student outcomes. The legislature further finds that to increase the number of students with disabilities who are prepared for higher education, teachers and administrators in K-12 education should continue to improve their acceptance of students with disabilities as full-fledged learners for whom there are high expectations. The legislature also encourages continuous development in transition services to higher education opportunities for these students. The legislature recognizes that other states have authorized transition planning to postsecondary settings for students with disabilities as early as the age of fourteen. To remove barriers and obstacles for students with disabilities to access to postsecondary settings including higher education, the legislature intends to authorize transition planning for students with disabilities as soon as practicable when educationally and developmentally appropriate.

Sec. 599. RCW 28A.155.220 and 2014 c 47 s 1 are each amended to read as follows:

(1) The office of the superintendent of public instruction must establish interagency agreements with the department of social and health services, the department of services for the blind, and any other state agency that provides high school transition services for special education students. Such interagency agreements shall not interfere with existing individualized education programs, nor override any individualized education program team's decision-making power. The purpose of the interagency agreements is to foster effective collaboration among the multiple agencies providing transition services for individualized education ((~~plan~~)) program-eligible special education students from the beginning of transition planning, as soon as educationally and developmentally appropriate, through age twenty-one, or through high school graduation, whichever occurs first. Interagency agreements are also intended to streamline services and programs, promote efficiencies, and establish a uniform focus on improved outcomes related to self-sufficiency. ((~~This subsection does not require transition services plan development in addition to what exists on June 12, 2014.~~))

(2)(a) When educationally and developmentally appropriate, the interagency responsibilities and linkages with transition services under subsection (1) of this section must be addressed in a transition plan to a postsecondary setting in the individualized education program of a student with disabilities.

(b) Transition planning shall be based upon educationally and developmentally appropriate transition assessments that outline the student's individual needs, strengths, preferences, and interests. Transition assessments may include observations, interviews, inventories, situational assessments, formal and informal assessments, as well as academic assessments.

(c) The transition services that the transition plan must address include activities needed to assist the student in reaching postsecondary goals and courses of study to support postsecondary goals.

(d) Transition activities that the transition plan may address include instruction, related services, community experience, employment and other adult living objectives, daily living skills, and functional vocational evaluation.

(e) When educationally and developmentally appropriate, a discussion must take place with the student and parents, and others as needed, to determine the postsecondary goals or postschool vision for the student. This discussion may be included as part of an annual individualized education program review, high school and beyond plan meeting, or any other meeting that includes parents, students, and educators. The postsecondary goals included in the transition plan shall be goals that are measurable and must be based on appropriate transition assessments related to training, education, employment, and independent living skills, when necessary. The goals must also be based on the student's needs, while considering the strengths, preferences, and interests of the student.

(f) As the student gets older, changes in the transition plan may be noted in the annual update of the student's individualized education program.

(g) A student with disabilities who has a high school and beyond plan may use the plan to comply with the transition plan required under this subsection (2).

(3) To the extent that data is available through data-sharing agreements established by the education data center under RCW 43.41.400, the education data center must monitor the following outcomes for individualized education ((~~plan~~)) program-eligible special education students after high school graduation:

(a) The number of students who, within one year of high school graduation:

(i) Enter integrated employment paid at the greater of minimum wage or competitive wage for the type of employment, with access to related employment and health benefits; or

(ii) Enter a postsecondary education or training program focused on leading to integrated employment;

(b) The wages and number of hours worked per pay period;

(c) The impact of employment on any state and federal benefits for individuals with disabilities;

(d) Indicators of the types of settings in which students who previously received transition services primarily reside;

(e) Indicators of improved economic status and self-sufficiency;

(f) Data on those students for whom a postsecondary or integrated employment outcome does not occur within one year of high school graduation, including:

(i) Information on the reasons that the desired outcome has not occurred;

(ii) The number of months the student has not achieved the desired outcome; and

(iii) The efforts made to ensure the student achieves the desired outcome.

(((~~(3)~~))) (4) To the extent that the data elements in subsection (((~~(2)~~))) (3) of this section are available to the education data center through data-sharing agreements, the office of the superintendent of public instruction must prepare an annual report using existing resources and submit the report to the legislature."

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1126 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 600.** A new section is added to chapter 43.215 RCW to read as follows:

(1) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition.

(2)(a) The department shall conduct a child fatality review if a child fatality occurs in an early learning program described in RCW 43.215.400 through 43.215.450 or a licensed child care center or a licensed child care home.

(b) The department shall convene a child fatality review committee and determine the membership of the review committee. The committee shall comprise individuals with appropriate expertise, including but not limited to experts from outside the department with knowledge of early learning licensing requirements and program standards, a law enforcement officer with investigative experience, a representative from a county or state health department, and a child advocate with expertise in child fatalities. The department shall invite one parent or guardian for membership on the child fatality review committee who has had a child die in a child care setting. The department shall ensure that the fatality review team is made up of individuals who had no previous involvement in the case.

(c) The department shall allow the parents or guardians whose child's death is being reviewed to testify before the child fatality review committee.

(d) The primary purpose of the fatality review shall be the development of recommendations to the department and legislature regarding changes in licensing requirements, practice, or policy to prevent fatalities and strengthen safety and health protections for children.

(e) Upon conclusion of a child fatality review required pursuant to this section, the department shall, within one hundred eighty days following the fatality, issue a report on the results of the review, unless an extension has been granted by the governor. Reports must be distributed to the appropriate committees of the legislature, and the department shall create a public web site where all child fatality review reports required under this section must be posted and maintained. A child fatality review report completed pursuant to this section is subject to public disclosure and must be posted on the public web site, except that confidential information may be redacted by the department consistent with the requirements of RCW 13.50.100, 68.50.105, and 74.13.500 through 74.13.525, chapter 42.56 RCW, and other applicable state and federal laws.

(3) The department shall consult with the office of the family and children's ombuds to determine if a review should be conducted in the case of a near child fatality that occurs in an early learning program described in RCW 43.215.400 through 43.215.450 or licensed child care center or licensed child care home.

(4) In any review of a child fatality or near fatality, the department and the fatality review team must have access to all records and files regarding the child or that are otherwise relevant to the review and that have been produced or retained by the early

education and assistance program provider or licensed child care center or licensed family home provider.

(5) The child fatality review committee shall coordinate with local law enforcement to ensure that the fatality or near fatality review does not interfere with any ongoing or potential criminal investigation.

(6)(a) A child fatality or near fatality review completed pursuant to this section is subject to discovery in a civil or administrative proceeding, but may not be admitted into evidence or otherwise used in a civil or administrative proceeding except pursuant to this section.

(b) A department employee responsible for conducting a child fatality or near fatality review, or member of a child fatality or near fatality review team, may not be examined in a civil or administrative proceeding regarding the following:

(i) The work of the child fatality or near fatality review team;

(ii) The incident under review;

(iii) The employee's or member's statements, deliberations, thoughts, analyses, or impressions relating to the work of the child fatality or near fatality review team or the incident under review; or

(iv) Statements, deliberations, thoughts, analyses, or impressions of any other member of the child fatality or near fatality review team, or any person who provided information to the child fatality or near fatality review team, relating to the work of the child fatality or near fatality review team or the incident under review.

(c) Documents prepared by or for a child fatality or near fatality review team are inadmissible and may not be used in a civil or administrative proceeding, except that any document that exists before its use or consideration in a child fatality or near fatality review, or that is created independently of such review, does not become inadmissible merely because it is reviewed or used by a child fatality or near fatality review team. A person is not unavailable as a witness merely because the person has been interviewed by or has provided a statement for a child fatality or near fatality review, but if called as a witness, a person may not be examined regarding the person's interactions with the child fatality or near fatality review including, without limitation, whether the person was interviewed during such review, the questions that were asked during such review, and the answers that the person provided during such review. This section may not be construed as restricting a person from testifying fully in any proceeding regarding his or her knowledge of the incident under review.

(d) The restrictions in this section do not apply in a licensing or disciplinary proceeding arising from an agency's effort to revoke or suspend the license of any licensed professional based in whole or in part upon allegations of wrongdoing in connection with a minor's death or near fatality reviewed by a child fatality or near fatality review team.

(7) The department shall develop and implement procedures to carry out the requirements of this section.

(8) Nothing in this section creates a duty for the office of the family and children's ombuds under RCW 43.06A.030 as related to children in the care of an early learning program described in RCW 43.215.400 through 43.215.450, a licensed child care center, or a licensed child care home.

Sec. 601. RCW 43.06A.100 and 2013 c 23 s 80 are each amended to read as follows:

(1) The department of social and health services and the department of early learning shall:

(((~~(1)~~))) (a) Allow the ombuds or the ombuds's designee to communicate privately with any child in the custody of the department of social and health services, or any child who is part of a near fatality investigation by the department of early learning, for the purposes of carrying out its duties under this chapter;

(((~~(2)~~))) (b) Permit the ombuds or the ombuds designee physical access to state institutions serving children, and state licensed facilities or residences for the purpose of carrying out its duties under this chapter;

(((~~(3)~~))) (c) Upon the ombuds's request, grant the ombuds or the ombuds's designee the right to access, inspect, and copy all relevant information, records, or documents in the possession or control of the department of social and health services or the department of early learning that the ombuds considers necessary in an investigation; and

(((~~(4)~~))) (d) Grant the office of the family and children's ombuds unrestricted online access to the child welfare case ((~~and~~)) management information system (((~~(CAMIS) or any successor~~)))and the department of early learning data information system for the purpose of carrying out its duties under this chapter.

(2) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition.

(3) Nothing in this section creates a duty for the office of the family and children's ombuds under RCW 43.06A.030 as related to children in the care of an early learning program described in RCW 43.215.400 through 43.215.450, a licensed child care center, or a licensed child care home.

NEW SECTION. **Sec. 602.** This act may be known and cited as the Eve Uphold act."

On page 1, line 1 of the title, after "reviews;" strike the remainder of the title and insert "amending RCW 43.06A.100; adding a new section to chapter 43.215 RCW; and creating a new section."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1126, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 21, 2015

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1240 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 603.** The legislature finds that there is no educational or therapeutic benefit to children from physically restraining or isolating them as part of their public school programs when not necessary for immediate safety. The use of seclusion or restraints in nonemergency situations poses significant physical and psychological danger to students and school staff. The legislature declares that it is the policy of the state of Washington to prohibit the planned use of aversive interventions, to promote positive interventions when a student with disabilities is determined to need specially designed instruction to address behavior, and to prohibit schools from physically restraining or isolating any student except when the student's behavior poses an imminent likelihood of serious harm to that student or another person.

Sec. 604. RCW 28A.155.020 and 2007 c 115 s 2 are each amended to read as follows:

There is established in the office of the superintendent of public instruction an administrative section or unit for the education of children with disabilities who require special education.

Students with disabilities are those children whether enrolled in school or not who through an evaluation process are determined eligible for special education due to a disability.

In accordance with part B of the federal individuals with disabilities education improvement act and any other federal or state laws relating to the provision of special education services, the superintendent of public instruction shall require each school district in the state to insure an appropriate educational opportunity for all children with disabilities between the ages of three and twenty-one, but when the twenty-first birthday occurs during the school year, the educational program may be continued until the end of that school year. The superintendent of public instruction, by rule, shall establish for the purpose of excess cost funding, as provided in RCW 28A.150.390, 28A.160.030, and 28A.155.010 through 28A.155.160, functional definitions of special education, the various types of disabling conditions, and eligibility criteria for special education programs for children with disabilities, including referral procedures, use of ((~~aversive~~)) positive behavior interventions, the education curriculum and statewide or district-wide assessments, parent and district requests for special education due process hearings, and procedural safeguards. For the purposes of RCW 28A.155.010 through 28A.155.160, an appropriate education is defined as an education directed to the unique needs, abilities, and limitations of the children with disabilities who are enrolled either full time or part time in a school district. School districts are strongly encouraged to provide parental training in the care and education of the children and to involve parents in the classroom.

Nothing in this section shall prohibit the establishment or continuation of existing cooperative programs between school districts or contracts with other agencies approved by the superintendent of public instruction, which can meet the obligations of school districts to provide education for children with disabilities, or prohibit the continuation of needed related services to school districts by the department of social and health services.

This section shall not be construed as in any way limiting the powers of local school districts set forth in RCW 28A.155.070.

Sec. 605. RCW 28A.600.485 and 2013 c 202 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Isolation" means ((~~excluding a student from his or her regular instructional area and~~)) restricting the student alone within a room or any other form of enclosure, from which the student may not leave. It does not include a student's voluntary use of a quiet space for self-calming, or temporary removal of a student from his or her regular instructional area to an unlocked area for purposes of carrying out an appropriate positive behavior intervention plan.

(b) "Restraint" means physical intervention or force used to control a student, including the use of a restraint device to restrict a student's freedom of movement. It does not include appropriate use of a prescribed medical, orthopedic, or therapeutic device when used as intended, such as to achieve proper body position, balance, or alignment, or to permit a student to safely participate in activities.

(c) "Restraint device" means a device used to assist in controlling a student, including but not limited to metal handcuffs, plastic ties, ankle restraints, leather cuffs, other hospital-type restraints, pepper spray, tasers, or batons. Restraint device does not mean a seat harness used to safely transport students. This section shall not be construed as encouraging the use of these devices.

(2) The provisions of this section apply ((~~only to any restraint of a student who has an individualized education program or plan developed under section 504 of the rehabilitation act of 1973 that results in a physical injury to a student or a staff member, any restraint of a student who has an individualized education program or plan developed under section 504 of the rehabilitation act of 1973, and any isolation of a student who has~~)) to all students, including those who have an individualized education program or plan developed under section 504 of the rehabilitation act of 1973. The provisions of this section apply only to incidents of restraint or isolation that occur while a student ((~~who has an individualized education program or plan developed under section 504 of the rehabilitation act of 1973~~)) is participating in school-sponsored instruction or activities.

(3)(a) An individualized education program or plan developed under section 504 of the rehabilitation act of 1973 must not include the use of restraint or isolation as a planned behavior intervention unless a student's individual needs require more specific advanced educational planning and the student's parent or guardian agrees. All other plans may refer to the district policy developed under subsection (3)(b) of this section. Nothing in this section is intended to limit the provision of a free appropriate public education under Part B of the federal individuals with disabilities education improvement act or section 504 of the federal rehabilitation act of 1973.

(b) Restraint or isolation of any student is permitted only when reasonably necessary to control spontaneous behavior that poses an imminent likelihood of serious harm, as defined in RCW 70.96B.010. Restraint or isolation must be closely monitored to prevent harm to the student, and must be discontinued as soon as the likelihood of serious harm has dissipated. Each school district shall adopt a policy providing for the least amount of restraint or isolation appropriate to protect the safety of students and staff under such circumstances.

(4) Following the release of a student from the use of restraint or isolation, the school must implement follow-up procedures. These procedures must include: (a) Reviewing the incident with the student and the parent or guardian to address the behavior that precipitated the restraint or isolation and the appropriateness of the response; and (b) reviewing the incident with the staff member who administered the restraint or isolation to discuss whether proper procedures were followed and what training or support the staff member needs to help the student avoid similar incidents.

(((~~(4)~~))) (5) Any school employee, resource officer, or school security officer who uses ((~~any chemical spray, mechanical~~)) isolation or restraint((~~, or physical force~~)) on a student during school-sponsored instruction or activities must inform the building administrator or building administrator's designee as soon as possible, and within two business days submit a written report of the incident to the district office. The written report ((~~should~~)) must include, at a minimum, the following information:

(a) The date and time of the incident;

(b) The name and job title of the individual who administered the restraint or isolation;

(c) A description of the activity that led to the restraint or isolation;

(d) The type of restraint or isolation used on the student, including the duration; ((~~and~~))

(e) Whether the student or staff was physically injured during the restraint or isolation incident and any medical care provided; and

(f) Any recommendations for changing the nature or amount of resources available to the student and staff members in order to avoid similar incidents.

(((~~(5)~~))) (6) The principal or principal's designee must make a reasonable effort to verbally inform the student's parent or guardian within twenty-four hours of the incident, and must send written notification as soon as practical but postmarked no later than five business days after the restraint or isolation occurred. If the school or school district customarily provides the parent or guardian with school-related information in a language other than English, the written report under this section must be provided to the parent or guardian in that language.

(7)(a) Beginning January 1, 2016, and by January 1st annually, each school district shall summarize the written reports received under subsection (5) of this section and submit the summaries to the office of the superintendent of public instruction. For each school, the school district shall include the number of individual incidents of restraint and isolation, the number of students involved in the incidents, the number of injuries to students and staff, and the types of restraint or isolation used.

(b) No later than ninety days after receipt, the office of the superintendent of public instruction shall publish to its web site the data received by the districts. The office of the superintendent of public instruction may use this data to investigate the training, practices, and other efforts used by schools and districts to reduce the use of restraint and isolation."

On page 1, line 2 of the title, after "schools;" strike the remainder of the title and insert "amending RCW 28A.155.020 and 28A.600.485; and creating a new section."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1240, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1389 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 606.** The legislature recognizes the vital role that our state's fire service personnel play in responding not just to fires but to disasters of varying types and kinds. The legislature further recognizes that the fire service mobilization plan may be a more effective tool for use in all emergencies and disasters to which fire departments, fire districts, and regional fire protection service authorities typically respond. It is the intent of the legislature that state fire service mobilization be allowed in all incidents to which fire departments, fire districts, and regional fire protection service authorities typically respond, so long as the mobilization meets the requirements identified in the Washington state fire service mobilization plan. It is the intent of the legislature to review the use of the fire mobilization plan for emergencies and disasters other than fire suppression to determine if this policy should continue or be modified.

Sec. 607. RCW 43.43.960 and 2003 c 405 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this subchapter.

(1) "Chief" means the chief of the Washington state patrol.

(2) "State fire marshal" means the director of fire protection in the Washington state patrol.

(3) "Fire chief" includes the chief officer of a statutorily authorized fire agency, or the fire chief's authorized representative. Also included are the department of natural resources fire control chief, and the department of natural resources regional managers.

(4) "Jurisdiction" means state, county, city, fire district, regional fire protection service authority, or port district ((~~firefighting~~)) units, or other units covered by this chapter.

(5) "Mobilization" means that ((~~firefighting~~)) all risk resources regularly provided by fire departments, fire districts, and regional fire protection service authorities beyond those available through existing agreements will be requested and, when available, sent in response to an emergency or disaster situation that has exceeded the capabilities of available local resources. During a large scale emergency, mobilization includes the redistribution of regional or statewide ((~~firefighting~~)) risk resources to either direct emergency incident assignments or to assignment in communities where ((~~firefighting~~)) resources are needed. Fire department resources may not be mobilized to assist law enforcement with police activities during a civil protest or demonstration, however, fire departments, fire districts, and regional fire protection service authorities are not restricted from providing medical care or aid and firefighting when mobilized for any purpose.

When mobilization is declared and authorized as provided in this chapter, all ((~~firefighting~~)) risk resources regularly provided by fire departments, fire districts, and regional fire protection service authorities including those of the host fire protection authorities, i.e. incident jurisdiction, shall be deemed as mobilized under this chapter, including those that responded earlier under existing mutual aid or other agreement. All nonhost fire protection authorities providing ((~~firefighting~~)) resources in response to a mobilization declaration shall be eligible for expense reimbursement as provided by this chapter from the time of the mobilization declaration.

This chapter shall not reduce or suspend the authority or responsibility of the department of natural resources under chapter 76.04 RCW.

(6) "Mutual aid" means emergency interagency assistance provided without compensation under an agreement between jurisdictions under chapter 39.34 RCW.

(7) "All risk resources" means those resources regularly provided by fire departments, fire districts, and regional fire protection service authorities required to respond to natural or man-made incidents, including but not limited to:

(a) Wild land fires;

(b) Landslides;

(c) Earthquakes;

(d) Floods; and

(e) Contagious diseases.

Sec. 608. RCW 43.43.961 and 2003 c 405 s 2 are each amended to read as follows:

Because of the possibility of the occurrence of disastrous fires or other disasters of unprecedented size and destructiveness, the need to insure that the state is adequately prepared to respond to such a fire or disaster, the need to establish a mechanism and a procedure to provide for reimbursement to state agencies and local ((~~firefighting~~)) agencies that respond to help others in time of need or to a host fire district that experiences expenses beyond the resources of the fire district, and generally to protect the public peace, health, safety, lives, and property of the people of Washington, it is hereby declared necessary to:

(1) Provide the policy and organizational structure for large scale mobilization of ((~~firefighting~~)) all risk resources in the state through creation of the Washington state fire services mobilization plan;

(2) Confer upon the chief the powers provided herein;

(3) Provide a means for reimbursement to state agencies and local fire jurisdictions that incur expenses when mobilized by the chief under the Washington state fire services mobilization plan; and

(4) Provide for reimbursement of the host fire department or fire protection district when it has: (a) Exhausted all of its resources; and (b) invoked its local mutual aid network and exhausted those resources. Upon implementation of state fire mobilization, the host district resources shall become state fire mobilization resources consistent with the fire mobilization plan.

It is the intent of the legislature that mutual aid and other interlocal agreements providing for enhanced emergency response be encouraged as essential to the public peace, safety, health, and welfare, and for the protection of the lives and property of the people of the state of Washington. If possible, mutual aid agreements should be without stated limitations as to resources available, time, or area. Nothing in this chapter shall be construed or interpreted to limit the eligibility of any nonhost fire protection authority for reimbursement of expenses incurred in providing ((~~firefighting~~)) all risk resources for mobilization provided that the mobilization must meet the requirements identified in the Washington state fire service mobilization plan.

NEW SECTION. **Sec. 609.** A new section is added to chapter 43.43 RCW to read as follows:

The chief of the Washington state patrol must report on an annual basis the following information for each emergency or disaster in which the Washington state fire service mobilization plan was used for purposes other than fire suppression, and reimbursement was made under RCW 43.43.961:

(1) The type and nature of the disaster or emergency;

(2) The reasons why the host jurisdiction and mutual aid resources were exhausted;

(3) The additional risk resources provided under the mobilization plan;

(4) The cost incurred by the state patrol;

(5) The amount of reimbursement made under RCW 43.43.961 to the host jurisdiction and to each nonhost jurisdiction providing all risk resources; and

(6) An assessment and any recommendations of actions that can be taken by the host jurisdiction and its mutual aid network to prevent future use of the fire mobilization plan for similar disasters or emergencies.

NEW SECTION. **Sec. 610.** This act expires July 1, 2019."

On page 1, line 3 of the title, after "policies;" strike the remainder of the title and insert "amending RCW 43.43.960 and 43.43.961; adding a new section to chapter 43.43 RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1503, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1546 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 614.** The legislature finds that Washington has been a front-runner in dual credit innovation through the establishment of the running start and college in the high school programs, and has continued to expand student choices in dual credit programs.

In Washington, a range of dual credit or dual enrollment programs are available to students. Dual credit programs, such as running start, college in the high school, tech prep (course completion options), and AP and international baccalaureate and Cambridge (standardized exam options) offer academically prepared students the opportunity to earn college credits while still in high school. Students who participate in these programs achieve improved high school graduation rates and are more likely to continue on to college and complete a degree. In addition, dual credit and dual enrollment programs support students' individual college and career pathways.

The legislature further finds that through the development and implementation of the 2013 roadmap the student achievement council has identified key barriers that limit access to dual credit programs, particularly for low-income students. Removing these barriers is a critical step toward achieving the state educational attainment goals outlined in the roadmap.

The legislature recognizes that the decision to enroll in a dual credit program should be made by the student and the student's parents or guardians, in consultation with counselors or academic advisors, and based on the academic, cultural, and developmental needs and college and career goals of the student. The decision to choose one dual credit option over another should not be based on the difference in the costs of one option over another.

In the college in the high school program, credit is awarded based on successful course completion and ability to pay tuition and fees. Under the current college in the high school system, some

students may successfully complete the course but do not receive credit because they are unable to pay.

Students in the running start program face a different but equally challenging situation. Students in the running start program do not receive funding for books and transportation costs. These financial barriers decrease opportunities for lower income students to benefit from dual credit programs.

Therefore, the legislature intends to increase opportunities for academically prepared high school students to earn up to two years of college credit through dual credit programs, and to reduce disparities in access to, and completion of, these programs. This act provides a new funding model to support tuition in the college in the high school program, and provides flexibility in the academic acceleration incentive program to assist students with transportation and book expenses associated with the running start program. It is the intent of the legislature, once this new funding model is enacted and operational, to establish a distinction between the college in the high school program as a program occurring in high schools and the running start program as a program occurring on a college campus.

The legislature finds that dual credit opportunities are a valuable means of supporting students on their way to successful completion of college and career pathways. The legislature seeks additional recommendations to mitigate financial and other barriers for students enrolled in the running start program, and dual credit programs based on standardized exams.

Sec. 615. RCW 28A.320.196 and 2013 c 184 s 3 are each amended to read as follows:

(1) Subject to funds appropriated specifically for this purpose, the academic acceleration incentive program is established as provided in this section. The intent of the legislature is that the funds awarded under the program be used to support teacher training, curriculum, technology, examination fees, textbook fees, and other costs associated with offering dual credit courses to high school students, including transportation for running start students to and from the institution of higher education as defined in RCW 28A.600.300.

(2) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section on a competitive basis to provide one-time grants for high schools to expand the availability of dual credit courses. To be eligible for a grant, a school district must have adopted an academic acceleration policy as provided under RCW 28A.320.195. In making grant awards, the office of the superintendent of public instruction must give priority to grants for high schools with a high proportion of low-income students and high schools seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.

(3) The office of the superintendent of public instruction shall allocate half of the funds appropriated for the purposes of this section to school districts as an incentive award for each student who earned dual high school and college credit, as described under subsection (4) of this section, for courses offered by the district's high schools during the previous school year. School districts must distribute the award to the high schools that generated the funds. The award amount for low-income students eligible to participate in the federal free and reduced-price meals program who earn dual credits must be set at one hundred twenty-five percent of the base award for other students. A student who earns more than one dual credit in the same school year counts only once for the purposes of the incentive award.

(4) For the purposes of this section, the following students are considered to have earned dual high school and college credit in a course offered by a high school:

(a) Students who achieve a score of three or higher on an AP examination;

(b) Students who achieve a score of four or higher on an examination of the international baccalaureate diploma programme;

(c) Students who successfully complete a Cambridge advanced international certificate of education examination;

(d) Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and

(e) Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course.

(5) If a high school provides access to online courses for students to earn dual high school and college credit at no cost to the student, such a course is considered to be offered by the high school. ((~~Students enrolled in the running start program under RCW 28A.600.300 do not generate an incentive award under this section.~~))

(6) The office of the superintendent of public instruction shall report to the education policy committees and the fiscal committees of the legislature, by January 1st of each year, information about the demographics of the students earning dual credits in the schools receiving grants under this section for the prior school year. Demographic data shall be disaggregated pursuant to RCW 28A.300.042.

Sec. 616. RCW 28A.600.290 and 2012 c 229 s 801 are each amended to read as follows:

(1) ((~~The superintendent of public instruction, the state board for community and technical colleges, and the public baccalaureate institutions shall jointly develop and each adopt rules governing the college in the high school program. The association of Washington school principals shall be consulted during the rules development. The rules shall be written to encourage the maximum use of the program and may not narrow or limit the enrollment options.~~

~~(2)~~)) (a) Subject to the availability of amounts appropriated for this specific purpose and commencing with the 2015-16 school year, funding may be allocated at an amount per college credit for eleventh and twelfth grade students or students who have not yet received a high school diploma or its equivalent and are eligible to be in the eleventh or twelfth grade who are enrolled in college in the high school courses under this section as specified in the omnibus appropriations act and adjusted for inflation from the 2015-16 school year. The maximum annual number of allocated credits per participating student shall be specified in the omnibus appropriations act, which must not exceed ten credits. Funding shall be prioritized in the following order:

(i) High schools offering a running start in the high school program in school year 2014-15. These schools shall only receive prioritized funding in school year 2015-16;

(ii) Students whose residence or the high school in which they are enrolled is located twenty driving miles or more as measured by the most direct route from the nearest eligible institution of higher education offering a running start program, whichever is greater; and

(iii) High schools eligible for the small school funding enhancement in the omnibus appropriations act.

(b)(i) Subject to the availability of amounts appropriated for this specific purpose and commencing with the 2015-16 school year, and only after the programs in (a) of this subsection are funded, a subsidy may be provided per college credit for eleventh and twelfth grade students or students who have not yet received a high school diploma or its equivalent and are eligible to be in the eleventh or twelfth grade who have been deemed eligible for free or reduced-price lunch and are enrolled in college in the high school courses under this section as specified in the omnibus appropriations act and adjusted for inflation from the 2015-16 school year. The maximum annual number of subsidized credits per participating student shall

be specified in the omnibus appropriations act, which must not exceed five credits.

(ii) Districts wishing to participate in the subsidy program must apply to the office of the superintendent of public instruction by July 1st of each year and report the preliminary estimate of eligible students to receive the subsidy and the total number of projected credit hours.

(iii) The office of the superintendent of public instruction shall notify districts by September 1st of each school year if the district's students will receive the subsidy. If more districts apply than funding is available, the office of the superintendent of public instruction shall prioritize the district applications. The superintendent shall develop factors to determine priority including, but not limited to, the number of dual credit opportunities available for low-income students in the districts.

(c) Districts shall remit any allocations or subsidies on behalf of participating students under (a) and (b) of this subsection to the participating institution of higher education and those students shall not be required to pay for the credits.

(d) The minimum allocation and subsidy under this section is sixty-five dollars per quarter credit for credit-bearing postsecondary coursework. The office of the superintendent of public instruction, the student achievement council, the state board for community and technical colleges, and the public baccalaureate institutions shall review funding levels for the program every four years beginning in 2017 and recommend changes.

(e) Students may pay college in the high school fees with advanced college tuition payment program tuition units at a rate set by the advanced college tuition payment program governing body under chapter 28B.95 RCW.

(2) For the purposes of funding students enrolled in the college in the high school program in accordance with subsection (1) of this section, college in the high school is defined as a dual credit program located on a high school campus or in a high school environment in which a high school student is able to earn both high school and postsecondary credit by completing postsecondary level courses with a passing grade.

(3) College in the high school programs may include both academic and career and technical education.

(4) College in the high school programs shall each be governed by a local contract between the district and the participating institution of higher education, in compliance with the ((~~guidelines adopted by the superintendent of public instruction, the state board for community and technical colleges, and the public baccalaureate institutions~~)) rules adopted by the superintendent of public instruction under this section.

(((~~(3)~~))) (5) The college in the high school program must include the provisions in this subsection.

(a) The high school and participating institution of higher education together shall define the criteria for student eligibility. The institution of higher education may charge tuition fees to participating students. If specific funding is provided in the omnibus appropriations act for the per credit allocations and per credit subsidies under subsection (1) of this section, the maximum per credit fee charged to any enrolled student may not exceed the amount of the per credit allocation or subsidy.

(b) ((~~School districts shall report no student for more than one full-time equivalent including college in the high school courses.~~

(~~c~~))) The funds received by the participating institution of higher education may not be deemed tuition or operating fees and may be retained by the institution of higher education.

(((~~(d)~~))) (c) Enrollment information on persons registered under this section must be maintained by the institution of higher education separately from other enrollment information and may not be included in official enrollment reports, nor may such persons be considered in any enrollment statistics that would affect higher education budgetary determinations.

(((~~(e)~~))) (d) A school district must grant high school credit to a student enrolled in a program course if the student successfully completes the course. If no comparable course is offered by the school district, the school district superintendent shall determine how many credits to award for the course. The determination shall be made in writing before the student enrolls in the course. The credits shall be applied toward graduation requirements and subject area requirements. Evidence of successful completion of each program course shall be included in the student's secondary school records and transcript.

(((~~(f) An~~))) (e) A participating institution of higher education must grant college credit to a student enrolled in a program course if the student successfully completes the course. The college credit shall be applied toward general education requirements or ((~~major requirements. If no comparable course is offered by the college, the institution of higher education at which the teacher of the program course is employed shall determine how many credits to award for the course and whether the course fulfills general education or major~~)) degree requirements at institutions of higher education. Evidence of successful completion of each program course must be included in the student's college transcript.

(((~~(g)~~))) (f) Tenth, eleventh, and twelfth grade students or students who have not yet received a high school diploma or its equivalent and are eligible to be in the tenth, eleventh, or twelfth grades may participate in the college in the high school program.

(((~~(h)~~))) (g) Participating school districts must provide general information about the college in the high school program to all students in grades ((~~ten, eleven, and~~)) nine through twelve and to the parents and guardians of those students.

(((~~(i)~~))) (h) Full-time and part-time faculty at institutions of higher education, including adjunct faculty, are eligible to teach program courses.

(((~~(4)~~))) (6) The superintendent of public instruction shall adopt rules for the administration of this section. The rules shall be jointly developed by the superintendent of public instruction, the state board for community and technical colleges, the student achievement council, and the public baccalaureate institutions. The association of Washington school principals must be consulted during the rules development. The rules must outline quality and eligibility standards that are informed by nationally recognized standards or models. In addition, the rules must encourage the maximum use of the program and may not narrow or limit the enrollment options.

(7) The definitions in this subsection apply throughout this section.

(a) "Institution of higher education" has the ((~~meaning~~)) definition in RCW 28B.10.016, and also includes a public tribal college located in Washington and accredited by the Northwest commission on colleges and universities or another accrediting association recognized by the United States department of education.

(b) "Program course" means a college course offered in a high school under the college in the high school program.

Sec. 617. RCW 28A.600.310 and 2012 c 229 s 702 are each amended to read as follows:

(1)(a) Eleventh and twelfth grade students or students who have not yet received the credits required for the award of a high school diploma and are eligible to be in the eleventh or twelfth grades may apply to a participating institution of higher education to enroll in courses or programs offered by the institution of higher education.

(b) The course sections and programs offered as running start courses must also be open for registration to matriculated students at the participating institution of higher education and may not be a

course consisting solely of high school students offered at a high school campus.

(c) A student receiving home-based instruction enrolling in a public high school for the sole purpose of participating in courses or programs offered by institutions of higher education shall not be counted by the school district in any required state or federal accountability reporting if the student's parents or guardians filed a declaration of intent to provide home-based instruction and the student received home-based instruction during the school year before the school year in which the student intends to participate in courses or programs offered by the institution of higher education. Students receiving home-based instruction under chapter 28A.200 RCW and students attending private schools approved under chapter 28A.195 RCW shall not be required to meet the student learning goals, obtain a certificate of academic achievement or a certificate of individual achievement to graduate from high school, or to master the essential academic learning requirements. However, students are eligible to enroll in courses or programs in participating universities only if the board of directors of the student's school district has decided to participate in the program. Participating institutions of higher education, in consultation with school districts, may establish admission standards for these students. If the institution of higher education accepts a secondary school pupil for enrollment under this section, the institution of higher education shall send written notice to the pupil and the pupil's school district within ten days of acceptance. The notice shall indicate the course and hours of enrollment for that pupil.

(2)(a) In lieu of tuition and fees, as defined in RCW 28B.15.020 and 28B.15.041:

(i) Running start students shall pay to the community or technical college all other mandatory fees as established by each community or technical college and, in addition, the state board for community and technical colleges may authorize a fee of up to ten percent of tuition and fees as defined in RCW 28B.15.020 and 28B.15.041; and

(ii) All other institutions of higher education operating a running start program may charge running start students a fee of up to ten percent of tuition and fees as defined in RCW 28B.15.020 and 28B.15.041 in addition to technology fees.

(b) The fees charged under this subsection (2) shall be prorated based on credit load.

(c) Students may pay fees under this subsection with advanced college tuition payment program tuition units at a rate set by the advanced college tuition payment program governing body under chapter 28B.95 RCW.

(3)(a) The institutions of higher education must make available fee waivers for low-income running start students. Each institution must establish a written policy for the determination of low-income students before offering the fee waiver. A student shall be considered low income and eligible for a fee waiver upon proof that the student is currently qualified to receive free or reduced-price lunch. Acceptable documentation of low-income status may also include, but is not limited to, documentation that a student has been deemed eligible for free or reduced-price lunches in the last five years, or other criteria established in the institution's policy.

(b) Institutions of higher education, in collaboration with relevant student associations, shall aim to have students who can benefit from fee waivers take advantage of these waivers. Institutions shall make every effort to communicate to students and their families the benefits of the waivers and provide assistance to students and their families on how to apply. Information about waivers shall, to the greatest extent possible, be incorporated into financial aid counseling, admission information, and individual billing statements. Institutions also shall, to the greatest extent possible, use all means of communication, including but not limited to web sites, online catalogues, admission and registration forms, mass email messaging, social media, and outside marketing to ensure that information about waivers is visible, compelling, and reaches the maximum number of students and families that can benefit.

(4) The pupil's school district shall transmit to the institution of higher education an amount per each full-time equivalent college student at statewide uniform rates for vocational and nonvocational students. The superintendent of public instruction shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 to school districts for purposes of making such payments and for granting school districts seven percent thereof to offset program related costs. The calculations and allocations shall be based upon the estimated statewide annual average per full-time equivalent high school student allocations under RCW 28A.150.260, excluding small high school enhancements, and applicable rules adopted under chapter 34.05 RCW. The superintendent of public instruction, participating institutions of higher education, and the state board for community and technical colleges shall consult on the calculation and distribution of the funds. The funds received by the institution of higher education from the school district shall not be deemed tuition or operating fees and may be retained by the institution of higher education. A student enrolled under this subsection shall be counted for the purpose of meeting enrollment targets in accordance with terms and conditions specified in the omnibus appropriations act.

(((~~(5) The state board for community and technical colleges, in collaboration with the other institutions of higher education that participate in the running start program and the office of the superintendent of public instruction, shall identify, assess, and report on alternatives for providing ongoing and adequate financial support for the program. Such alternatives shall include but are not limited to student tuition, increased support from local school districts, and reallocation of existing state financial support among the community and technical college system to account for differential running start enrollment levels and impacts. The state board for community and technical colleges shall report the assessment of alternatives to the governor and to the appropriate fiscal and policy committees of the legislature by September 1, 2010.~~))

The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the governing body. (((~~(6)~~))) (7) "Eligible purchaser" means an individual or organization that has entered into a tuition unit contract with the governing body for the purchase of tuition units for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

Sec. 619. RCW 28B.95.030 and 2011 1st sp.s. c 12 s 2 and 2011 1st sp.s. c 11 s 170 are each reenacted and amended to read as follows:

(1) The Washington advanced college tuition payment program shall be administered by the committee on advanced tuition payment which shall be chaired by the director of the office. The committee shall be supported by staff of the office.

(2)(a) The Washington advanced college tuition payment program shall consist of the sale of tuition units, which may be redeemed by the beneficiary at a future date for an equal number of tuition units regardless of any increase in the price of tuition, that may have occurred in the interval.

(b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the governing body.

(c) The number of tuition units necessary to pay for a full year's, full-time undergraduate tuition and fee charges at a state institution of higher education shall be set by the governing body at the time a purchaser enters into a tuition unit contract.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program.

(e) While the Washington advanced college tuition payment program is designed to help all citizens of the state of Washington, the governing body may determine residency requirements for eligible purchasers and eligible beneficiaries to ensure the actuarial soundness and integrity of the program.

(3)(a) No tuition unit may be redeemed until two years after the purchase of the unit.

(b) Units may be redeemed for enrollment at any institution of higher education that is recognized by the internal revenue service under chapter 529 of the internal revenue code. Units may also be redeemed to pay for dual credit fees.

(b) Units redeemed at a nonstate institution of higher education or for graduate enrollment shall be redeemed at the rate for state public institutions in effect at the time of redemption.

(4) The governing body shall determine the conditions under which the tuition benefit may be transferred to another family member. In permitting such transfers, the governing body may not allow the tuition benefit to be bought, sold, bartered, or otherwise exchanged for goods and services by either the beneficiary or the purchaser.

(5) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(6) The governing body shall annually determine current value of a tuition unit.

(7) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program.

(8) In addition to any other powers conferred by this chapter, the governing body may:

(a) Impose reasonable limits on the number of tuition units or units that may be used in any one year;

(b) Determine and set any time limits, if necessary, for the use of benefits under this chapter;

(c) Impose and collect administrative fees and charges in connection with any transaction under this chapter;

(d) Appoint and use advisory committees and the state actuary as needed to provide program direction and guidance;

(f) Consider the addition of an advanced payment program for room and board contracts and also consider a college savings program;

(g) Purchase insurance from insurers licensed to do business in the state, to provide for coverage against any loss in connection with

the account's property, assets, or activities or to further insure the value of the tuition units;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter;

NEW SECTION. **Sec. 620.** (1) By September 15, 2016, the student achievement council, in collaboration with the state board for community and technical colleges, the office of the superintendent of public instruction, and the public baccalaureate institutions, shall make recommendations to the legislature to streamline and improve dual credit programs in Washington with particular attention to increasing participation of students who are low income and/or currently underrepresented in the running start, AP, international baccalaureate, and Cambridge international programs.

MESSAGE FROM THE SENATE

April 21, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1671 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 622.** (1) The legislature intends to reduce the number of lives lost to drug overdoses by encouraging the prescription, dispensing, and administration of opioid overdose medications.

(2) Overdoses of opioids, such as heroin and prescription painkillers, cause brain injury and death by slowing and eventually stopping a person's breathing. Since 2012, drug poisoning deaths in the United States have risen six percent, and deaths involving heroin have increased a staggering thirty-nine percent. In Washington state, the annual number of deaths involving heroin or prescription opiates increased from two hundred fifty-eight in 1995 to six hundred fifty-one in 2013. Over this period, a total of nine thousand four hundred thirty-nine people died from opioid-related drug overdoses. Opioid-related drug overdoses are a statewide phenomenon.

(3) When administered to a person experiencing an opioid-related drug overdose, an opioid overdose medication can save the person's life by restoring respiration. Increased access to opioid overdose medications reduced the time between when a victim is discovered and when he or she receives lifesaving assistance. Between 1996 and 2010, lay people across the country reversed over ten thousand overdoses.

(4) The legislature intends to increase access to opioid overdose medications by permitting health care practitioners to administer, prescribe, and dispense, directly or by collaborative drug therapy agreement or standing order, opioid overdose medication to any person who may be present at an overdose - law enforcement, emergency medical technicians, family members, or service providers - and to permit those individuals to possess and administer opioid overdose medications prescribed by an authorized health care provider.

NEW SECTION. **Sec. 623.** A new section is added to chapter 69.41 RCW to read as follows:

(1)(a) A practitioner may prescribe, dispense, distribute, and deliver an opioid overdose medication: (i) Directly to a person at risk of experiencing an opioid-related overdose; or (ii) by collaborative drug therapy agreement, standing order, or protocol to a first responder, family member, or other person or entity in a position to assist a person at risk of experiencing an opioid-related overdose. Any such prescription or protocol order is issued for a legitimate medical purpose in the usual course of professional practice.

(b) At the time of prescribing, dispensing, distributing, or delivering the opioid overdose medication, the practitioner shall inform the recipient that as soon as possible after administration of the opioid overdose medication, the person at risk of experiencing an opioid-related overdose should be transported to a hospital or a first responder should be summoned.

(2) A pharmacist may dispense an opioid overdose medication pursuant to a prescription issued in accordance with this section and may administer an opioid overdose medication to a person at risk of experiencing an opioid-related overdose. At the time of dispensing an opioid overdose medication, a pharmacist shall provide written instructions on the proper response to an opioid-related overdose, including instructions for seeking immediate medical attention. The instructions to seek immediate medication attention must be conspicuously displayed.

(3) Any person or entity may lawfully possess, store, deliver, distribute, or administer an opioid overdose medication pursuant to a prescription or order issued by a practitioner in accordance with this section.

(4) The following individuals, if acting in good faith and with reasonable care, are not subject to criminal or civil liability or disciplinary action under chapter 18.130 RCW for any actions authorized by this section or the outcomes of any actions authorized by this section:

(a) A practitioner who prescribes, dispenses, distributes, or delivers an opioid overdose medication pursuant to subsection (1) of this section;

(b) A pharmacist who dispenses an opioid overdose medication pursuant to subsection (2) of this section;

(c) A person who possesses, stores, distributes, or administers an opioid overdose medication pursuant to subsection (3) of this section.

(5) For purposes of this section, the following terms have the following meanings unless the context clearly requires otherwise:

(a) "First responder" means: (i) A career or volunteer firefighter, law enforcement officer, paramedic as defined in RCW 18.71.200, or first responder or emergency medical technician as defined in RCW 18.73.030; and (ii) an entity that employs or supervises an individual listed in (a)(i) of this subsection, including a volunteer fire department.

(b) "Opioid overdose medication" means any drug used to reverse an opioid overdose that binds to opioid receptors and blocks or inhibits the effects of opioids acting on those receptors. It does not include intentional administration via the intravenous route.

(c) "Opioid-related overdose" means a condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death that: (i) Results from the consumption or use of an opioid or another

substance with which an opioid was combined; or (ii) a lay person would reasonably believe to be an opioid-related overdose requiring medical assistance.

(d) "Practitioner" means a health care practitioner who is authorized under RCW 69.41.030 to prescribe legend drugs.

(e) "Standing order" or "protocol" means written or electronically recorded instructions, prepared by a prescriber, for distribution and administration of a drug by designated and trained staff or volunteers of an organization or entity, as well as other actions and interventions to be used upon the occurrence of clearly defined clinical events in order to improve patients' timely access to treatment.

Sec. 624. RCW 69.41.040 and 2003 c 53 s 324 are each amended to read as follows:

(1) A prescription, in order to be effective in legalizing the possession of legend drugs, must be issued for a legitimate medical purpose by one authorized to prescribe the use of such legend drugs. Except as provided in section 2 of this act, an order purporting to be a prescription issued to a drug abuser or habitual user of legend drugs, not in the course of professional treatment, is not a prescription within the meaning and intent of this section; and the person who knows or should know that he or she is filling such an order, as well as the person issuing it, may be charged with violation of this chapter. A legitimate medical purpose shall include use in the course of a bona fide research program in conjunction with a hospital or university.

(2) A violation of this section is a class B felony punishable according to chapter 9A.20 RCW.

Sec. 625. RCW 69.50.315 and 2010 c 9 s 2 are each amended to read as follows:

(1)(((~~(a)~~))) A person acting in good faith who seeks medical assistance for someone experiencing a drug-related overdose shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the person seeking medical assistance.

(((~~(b) A person acting in good faith may receive a naloxone prescription, possess naloxone, and administer naloxone to an individual suffering from an apparent opiate-related overdose.~~)))

(2) A person who experiences a drug-related overdose and is in need of medical assistance shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the overdose and the need for medical assistance.

(3) The protection in this section from prosecution for possession crimes under RCW 69.50.4013 shall not be grounds for suppression of evidence in other criminal charges.

NEW SECTION. **Sec. 626.** RCW 18.130.345 (Naloxone—Administering, dispensing, prescribing, purchasing, acquisition, possession, or use—Opiate-related overdose) and 2010 c 9 s 3 are each repealed."

On page 1, line 2 of the title, after "deaths;" strike the remainder of the title and insert "amending RCW 69.41.040 and 69.50.315; adding a new section to chapter 69.41 RCW; creating a new section; and repealing RCW 18.130.345."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1671, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 14, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1844 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 627.** RCW 47.28.030 and 2014 c 222 s 701 are each amended to read as follows:

(1)(a) A state highway shall be constructed, altered, repaired, or improved, and improvements located on property acquired for right-of-way purposes may be repaired or renovated pending the use of such right-of-way for highway purposes, by contract or state forces. The work or portions thereof may be done by state forces when the estimated costs thereof are less than fifty thousand dollars and effective July 1, 2005, sixty thousand dollars.

(b) When delay of performance of such work would jeopardize a state highway or constitute a danger to the traveling public, the work may be done by state forces when the estimated cost thereof is less than eighty thousand dollars and effective July 1, 2005, one hundred thousand dollars.

(c) When the department of transportation determines to do the work by state forces, it shall enter a statement upon its records to that effect, stating the reasons therefor.

(d) To enable a larger number of small businesses and veteran, minority, and women contractors to effectively compete for department of transportation contracts, the department may adopt rules providing for bids and award of contracts for the performance of work, or furnishing equipment, materials, supplies, or operating services whenever any work is to be performed and the engineer's estimate indicates the cost of the work would not exceed eighty thousand dollars and effective July 1, 2005, one hundred thousand dollars.

(2) The rules adopted under this section:

(a) Shall provide for competitive bids to the extent that competitive sources are available except when delay of performance would jeopardize life or property or inconvenience the traveling public; and

(b) Need not require the furnishing of a bid deposit nor a performance bond, but if a performance bond is not required then progress payments to the contractor may be required to be made based on submittal of paid invoices to substantiate proof that disbursements have been made to laborers, material suppliers, mechanics, and subcontractors from the previous partial payment; and

(c) May establish prequalification standards and procedures as an alternative to those set forth in RCW 47.28.070, but the prequalification standards and procedures under RCW 47.28.070 shall always be sufficient.

(3) The department of transportation shall comply with such goals and rules as may be adopted by the office of minority and women's business enterprises to implement chapter 39.19 RCW with respect to contracts entered into under this chapter. The department may adopt such rules as may be necessary to comply with the rules adopted by the office of minority and women's business enterprises under chapter 39.19 RCW.

(4)(a) ((~~For the period of March 15, 2014, through June 30, 2015,~~)) Work for less than one hundred ((~~twenty~~)) thousand dollars may be performed on ferry vessels and terminals by state forces.

(b) When the estimated cost of work to be performed on ferry vessels and terminals is between one hundred thousand dollars and two hundred thousand dollars, the department shall contact, by mail or electronic mail, contractors that appear on the department's small works roster as created pursuant to procedures in chapter 39.04 RCW to do specific work the contractors are qualified to do to determine if any contractor is interested and capable of doing the work. If there is a response of interest within seventy-two hours, the small works roster procedures commence. If no qualified contractors respond with interest and availability to do the work, the department may use its regular contracting procedures. If the secretary determines that the work to be completed is an emergency, procedures governing emergencies apply.

(c) The department shall hire a disinterested, third party to conduct an independent analysis to identify methods of reducing out-of-service times for vessel maintenance, preservation, and improvement projects. The analysis must include options that consider consolidating work while vessels are at shipyards by having state forces perform services traditionally performed at Eagle Harbor at the shipyard and decreasing the allowable time at shipyards. The analysis must also compare the out-of-service vessel times of performing services by state forces versus contracting out those services which in turn must be used to form a recommendation as to what the threshold of work performed on ferry vessels and terminals by state forces should be. This analysis must be presented to the transportation committees of the senate and house of representatives by December 1, 2010.

(((~~(c)~~))) (d) The department shall develop a proposed ferry vessel maintenance, preservation, and improvement program and present it to the transportation committees of the senate and house of representatives by December 1, 2010. The proposed program must:

(i) Improve the basis for budgeting vessel maintenance, preservation, and improvement costs and for projecting those costs into a sixteen-year financial plan;

(ii) Limit the amount of planned out-of-service time to the greatest extent possible, including options associated with department staff as well as commercial shipyards; and

(iii) Be based on the service plan in the capital plan, recognizing that vessel preservation and improvement needs may vary by route.

(((~~(d)~~))) (e) In developing the proposed ferry vessel maintenance, preservation, and improvement program, the department shall consider the following, related to reducing vessel out-of-service time:

(i) The costs compared to benefits of Eagle Harbor repair and maintenance facility operations options to include staffing costs and benefits in terms of reduced out-of-service time;

(ii) The maintenance requirements for on-vessel staff, including the benefits of a systemwide standard;

(iii) The costs compared to benefits of staff performing preservation or maintenance work, or both, while the vessel is underway, tied up between sailings, or not deployed;

(iv) A review of the department's vessel maintenance, preservation, and improvement program contracting process and contractual requirements;

(v) The costs compared to benefits of allowing for increased costs associated with expedited delivery;

(vi) A method for comparing the anticipated out-of-service time of proposed projects and other projects planned during the same construction period;

(vii) Coordination with required United States coast guard dry dockings;

(viii) A method for comparing how proposed projects relate to the service requirements of the route on which the vessel normally operates; and

(ix) A method for evaluating the ongoing maintenance and preservation costs associated with proposed improvement projects.

NEW SECTION. **Sec. 628.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2015."

On page 1, line 2 of the title, after "terminals;" strike the remainder of the title and insert "amending RCW 47.28.030; providing an effective date; and declaring an emergency."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 9, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1980 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 631.** RCW 13.34.100 and 2014 c 108 s 2 are each amended to read as follows:

(1) The court shall appoint a guardian ad litem for a child who is the subject of an action under this chapter, unless a court for good cause finds the appointment unnecessary. The requirement of a guardian ad litem may be deemed satisfied if the child is represented by an independent attorney in the proceedings. The court shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs.

(2) If the court does not have available to it a guardian ad litem program with a sufficient number of volunteers, the court may appoint a suitable person to act as guardian ad litem for the child under this chapter. Another party to the proceeding or the party's employee or representative shall not be so appointed.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background information record shall include, but is not limited to, the following information:

(a) Level of formal education;

(b) General training related to the guardian ad litem's duties;

(c) Specific training related to issues potentially faced by children in the dependency system;

(d) Specific training or education related to child disability or developmental issues;

(e) Number of years' experience as a guardian ad litem;

(f) Number of appointments as a guardian ad litem and the county or counties of appointment;

(g) The names of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause;

(h) Founded allegations of abuse or neglect as defined in RCW 26.44.020;

(i) The results of an examination of state and national criminal identification data. The examination shall consist of a background check as allowed through the Washington state criminal records privacy act under RCW 10.97.050, the Washington state patrol criminal identification system under RCW 43.43.832 through 43.43.834, and the federal bureau of investigation. The background check shall be done through the Washington state patrol criminal identification section and must include a national check from the federal bureau of investigation based on the submission of fingerprints; and

(j) Criminal history, as defined in RCW 9.94A.030, for the period covering ten years prior to the appointment.

The background information record shall be updated annually. As a condition of appointment, the guardian ad litem's background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program a suitable person appointed by the court to act as guardian ad litem shall provide the background information record to the court.

Upon appointment, the guardian ad litem, or guardian ad litem program, shall provide the parties or their attorneys with a copy of the background information record <u>containing the results of the background check conducted through the Washington state patrol criminal identification system under RCW 43.43.832 through 43.43.834</u>. The portion of the background information record containing the results of the criminal background check and the criminal history <u>from the federal bureau of investigation</u> shall not be disclosed to the parties or their attorneys. The background information record shall not include identifying information that may be used to harm a guardian ad litem, such as home addresses and home telephone numbers, and for volunteer guardians ad litem the court may allow the use of maiden names or pseudonyms as necessary for their safety.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through an attorney, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter.

(6)(a) The court must appoint an attorney for a child in a dependency proceeding six months after granting a petition to terminate the parent and child relationship pursuant to RCW 13.34.180 and when there is no remaining parent with parental rights.

The court must appoint an attorney for a child when there is no remaining parent with parental rights for six months or longer prior to July 1, 2014, if the child is not already represented.

The court may appoint one attorney to a group of siblings, unless there is a conflict of interest, or such representation is otherwise inconsistent with the rules of professional conduct.

(b) Legal services provided by an attorney appointed pursuant to (a) of this subsection do not include representation of the child in any appellate proceedings relative to the termination of the parent and child relationship.

(c)(i) Subject to the availability of amounts appropriated for this specific purpose, the state shall pay the costs of legal services provided by an attorney appointed pursuant to (a) of this subsection, if the legal services are provided in accordance with the standards of practice, voluntary training, and caseload limits developed and recommended by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010. Caseload limits must be calculated pursuant to (c)(ii) of this subsection.

(ii) Counties are encouraged to set caseloads as low as possible and to account for the individual needs of the children in care. Notwithstanding the caseload limits developed and recommended by the statewide children's representation work group pursuant to section 5, chapter 180, Laws of 2010, when one attorney represents a sibling group, the first child is counted as one case, and each child thereafter is counted as one-half case to determine compliance with the caseload standards pursuant to (c)(i) of this subsection and RCW 2.53.045.

(iii) The office of civil legal aid is responsible for implementation of (c)(i) and (ii) of this subsection as provided in RCW 2.53.045.

(7)(a) The court may appoint an attorney to represent the child's position in any dependency action on its own initiative, or upon the request of a parent, the child, a guardian ad litem, a caregiver, or the department.

(b)(i) If the court has not already appointed an attorney for a child, or the child is not represented by a privately retained attorney:

(A) The child's caregiver, or any individual, may refer the child to an attorney for the purposes of filing a motion to request appointment of an attorney at public expense; or

(B) The child or any individual may retain an attorney for the child for the purposes of filing a motion to request appointment of an attorney at public expense.

(ii) Nothing in this subsection (7)(b) shall be construed to change or alter the confidentiality provisions of RCW 13.50.100.

(c) Pursuant to this subsection, the department or supervising agency and the child's guardian ad litem shall each notify a child of his or her right to request an attorney and shall ask the child whether he or she wishes to have an attorney. The department or supervising agency and the child's guardian ad litem shall notify the child and make this inquiry immediately after:

(i) The date of the child's twelfth birthday;

(ii) Assignment of a case involving a child age twelve or older; or

(iii) July 1, 2010, for a child who turned twelve years old before July 1, 2010.

(d) The department or supervising agency and the child's guardian ad litem shall repeat the notification and inquiry at least annually and upon the filing of any motion or petition affecting the child's placement, services, or familial relationships.

(e) The notification and inquiry is not required if the child has already been appointed an attorney.

(f) The department or supervising agency shall note in the child's individual service and safety plan, and the guardian ad litem shall note in his or her report to the court, that the child was notified of the right to request an attorney and indicate the child's position regarding appointment of an attorney.

(g) At the first regularly scheduled hearing after:

(i) The date of the child's twelfth birthday;

(ii) The date that a dependency petition is filed pursuant to this chapter on a child age twelve or older; or

(iii) July 1, 2010, for a child who turned twelve years old before July 1, 2010;

the court shall inquire whether the child has received notice of his or her right to request an attorney from the department or supervising agency and the child's guardian ad litem. The court shall make an additional inquiry at the first regularly scheduled hearing after the child's fifteenth birthday. No inquiry is necessary if the child has already been appointed an attorney.

(8) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to this section shall be deemed a guardian ad litem.

(9) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends. The program shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs. The court shall immediately appoint the person recommended by the program.

(10) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

MESSAGE FROM THE SENATE

April 13, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2093 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 638.** A new section is added to chapter 43.30 RCW under the subchapter heading "organization" to read as follows:

(1) The commissioner must appoint a local wildland fire liaison that reports directly to the commissioner or the supervisor and generally represents the interests and concerns of landowners and the general public during any fire suppression activities of the department.

(2) The role of the local wildland fire liaison is to provide advice to the commissioner on issues such as access to land during fire suppression activities, the availability of local fire suppression assets, environmental concerns, and landowner interests.

(3) In appointing the local wildland fire liaison, the commissioner must consult with county legislative authorities either directly or through an organization that represents the interests of county legislative authorities.

(4) All requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

NEW SECTION. **Sec. 639.** (1) The local wildland fire liaison created in section 1 of this act must prepare a report to the commissioner of public lands by December 31, 2015, that provides recommendations regarding:

(a) Opportunities for the department of natural resources to increase training with local fire protection districts;

(b) The ability to quickly evaluate the availability of local fire district resources in a manner that allows the local resources to be more efficiently and effectively dispatched to wildland fires; and

(c) Opportunities to increase and maintain the viability of local fire suppression assets.

(2) The department of natural resources must issue a report to the legislature consistent with RCW 43.01.036 by October 31, 2016, that summarizes the recommendations of the local wildland fire liaison, details steps taken to implement the recommendations, and offers an analyses of the results on the ground.

(3) All requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

(4) This section expires July 1, 2017.

NEW SECTION. **Sec. 640.** A new section is added to chapter 76.04 RCW under the subchapter heading "administration" to read as follows:

(1) The commissioner must appoint and maintain a wildland fire advisory committee to generally advise the commissioner on all matters related to wildland firefighting in the state. This includes, but is not limited to, developing recommendations regarding department capital budget requests related to wildland firefighting and developing strategies to enhance the safe and effective use of private and public wildland firefighting resources.

(2) The commissioner may appoint members to the wildland fire advisory committee as the commissioner determines is the most helpful in the discharge of the commissioner's duties. However, at a minimum, the commissioner must invite the following:

(a) Two county commissioners, one from east of the crest of the Cascade mountains and one from west of the crest of the Cascade mountains;

(b) Two owners of industrial land, one an owner of timberland and one an owner of rangeland;

(c) The state fire marshal or a representative of the state fire marshal's office;

(d) Two individuals with the title of fire chief, one from a community located east of the crest of the Cascade mountains and one from a community located west of the crest of the Cascade mountains;

(e) An individual with the title of fire commissioner whose authority is pursuant to chapter 52.14 RCW;

(f) A representative of a federal wildland firefighting agency;

(g) A representative of a tribal nation;

(h) A representative of a statewide environmental organization;

(i) A representative of a state land trust beneficiary; and

(j) A small forest landowner.

(3) The local wildland fire liaison serves as the administrative chair for the wildland fire advisory committee.

(4) The department must provide staff support for all committee meetings.

(5) The wildland fire advisory committee must meet at the call of the administrative chair for any purpose that directly relates to the duties set forth in subsection (1) of this section or as is otherwise requested by the commissioner or the administrative chair.

(6) Each member of the wildland fire advisory committee serves without compensation but may be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060.

(7) The members of the wildland fire advisory committee, or individuals acting on their behalf, are immune from civil liability for official acts performed in the course of their duties.

(8) All requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

NEW SECTION. **Sec. 641.** A new section is added to chapter 76.04 RCW to read as follows:

(1)(a) An individual may, consistent with this section, enter privately owned or publicly owned land for the purposes of attempting to extinguish or control a wildland fire, regardless of whether the individual owns the land, when fighting the wildland fire in that particular time and location can be reasonably considered a public necessity due to an imminent danger.

(b) No civil or criminal liability may be imposed by any court on an individual acting pursuant to this section for any direct or proximate adverse impacts resulting from an individual's access to land for the purposes of attempting to extinguish or control a wildland fire when fighting the wildland fire in that particular time

and location can be reasonably considered a public necessity, except upon proof of gross negligence or willful or wanton misconduct by the individual.

(c) An individual may enter land under this subsection (1) only if:

(i) There is an active fire on or in near proximity to the land;

(ii) The individual has a reasonable belief that the local fire conditions are creating an emergency situation and that there is an imminent danger of a fire growing or spreading to or from the parcel of land being entered;

(iii) The individual has a reasonable belief that preventive measures will extinguish or control the wildfire;

(iv) The individual has a reasonable belief that he or she is capable of taking preventive measures;

(v) The individual only undertakes measures that are reasonable and necessary until professional wildfire suppression personnel arrives;

(vi) The individual does not continue to take suppression actions after specific direction to cease from the landowner;

(vii) The individual takes preventive measures only for the period of time until efforts to control the wildfire have been assumed by professional wildfire suppression personnel, unless explicitly authorized by professional wildland firefighting personnel to remain engaged in suppressing the fire;

(viii) The individual follows the instructions of professional wildland firefighting personnel, including ceasing to engage in firefighting activities, when directed to do so by professional wildland firefighting personnel; and

(ix) The individual promptly notifies emergency personnel and the landowner, lessee, or occupant prior to entering the land or within a reasonable time after the individual attempts to extinguish or control the wildland fire.

(d) Nothing in this section authorizes any person to materially benefit from accessing land or retain any valuable materials that may be collected or harvested during the time the individual attempts to extinguish or control the wildland fire.

(e)(i) The authority to enter privately owned or publicly owned land under this subsection (1) is limited to the minimum necessary activities reasonably required to extinguish or control the wildland fire.

(ii) Activities that may be reasonable under this subsection (1) include, but are not limited to: Using hand tools to clear the ground of debris, operating readily available water hoses, clearing flammable materials from the vicinity of structures, unlocking or opening gates to assist firefighter access, and safely scouting and reporting fire behavior.

(iii) Activities that do not fall within the scope of this subsection (1)(e), due to the high potential for adverse consequences, include, but are not limited to: Lighting a fire in an attempt to stop the spread of another fire; using explosives as a firefighting technique; using aircraft for fire suppression; and directing other individuals to engage in firefighting.

(f) Nothing in this subsection (1) confers a legal or civil duty or obligation on a person to attempt to extinguish or control a wildfire.

(2)(a) No civil or criminal liability may be imposed by any court on the owner, lessee, or occupant of any land accessed as permitted under subsection (1) of this section for any direct or proximate adverse impacts resulting from the access to privately owned or publicly owned land allowed under subsection (1) of this section, except upon proof of willful or wanton misconduct by the owner, lessee, or occupant. The barriers to civil and criminal liability imposed by this subsection include, but are not limited to, impacts on:

(i) The individual accessing the privately owned or publicly owned land and the individual's personal property, including loss of life;

(ii) Any structures or land alterations constructed by individuals entering the privately owned or publicly owned land;

(iii) Other landholdings; and

(iv) Overall environmental resources.

(b) This subsection (2) does not apply in any case where liability for damages is provided under RCW 4.24.040.

(3) Nothing in this section limits or otherwise effects any other statutory or common law provisions relating to land access or the control of a conflagration.

Sec. 642. RCW 76.04.015 and 2012 c 38 s 1 are each amended to read as follows:

(1) The department may, at its discretion, appoint trained personnel possessing the necessary qualifications to carry out the duties and supporting functions of the department and may determine their respective salaries.

(2) The department shall have direct charge of and supervision of all matters pertaining to the forest fire service of the state.

(3) The department shall:

(a) Enforce all laws within this chapter;

(b) Be empowered to take charge of and direct the work of suppressing forest fires;

(c)(i) Investigate the origin and cause of all forest fires to determine whether either a criminal act or negligence by any person, firm, or corporation caused the starting, spreading, or existence of the fire. In conducting investigations, the department shall work cooperatively, to the extent possible, with utilities, property owners, and other interested parties to identify and preserve evidence. Except as provided otherwise in this subsection, the department in conducting investigations is authorized, without court order, to take possession or control of relevant evidence found in plain view and belonging to any person, firm, or corporation. To the extent possible, the department shall notify the person, firm, or corporation of its intent to take possession or control of the evidence. The person, firm, or corporation shall be afforded reasonable opportunity to view the evidence and, before the department takes possession or control of the evidence, also shall be afforded reasonable opportunity to examine, document, and photograph it. If the person, firm, or corporation objects in writing to the department's taking possession or control of the evidence, the department must either return the evidence within seven days after the day on which the department is provided with the written objections or obtain a court order authorizing the continued possession or control.

(ii) Absent a court order authorizing otherwise, the department may not take possession or control of evidence over the objection of the owner of the evidence if the evidence is used by the owner in conducting a business or in providing an electric utility service and the department's taking possession or control of the evidence would substantially and materially interfere with the operation of the business or provision of electric utility service.

(iii) Absent a court order authorizing otherwise, the department may not take possession or control of evidence over the objection of an electric utility when the evidence is not owned by the utility but has caused damage to property owned by the utility. However, this subsection (3)(c)(iii) does not apply if the department has notified the utility of its intent to take possession or control of the evidence and provided the utility with reasonable time to examine, document, and photograph the evidence.

(iv) Only personnel qualified to work on electrical equipment may take possession or control of evidence owned or controlled by an electric utility;

(d) Furnish notices or information to the public calling attention to forest fire dangers and the penalties for violation of this chapter;

(e) Be familiar with all timbered and cut-over areas of the state; ((~~and~~))

(f) Maximize the effective utilization of local fire suppression assets consistent with section 6 of this act; and

(g) Regulate and control the official actions of its employees, the wardens, and the rangers.

(4) The department may:

(a) Authorize all needful and proper expenditures for forest protection;

(b) Adopt rules consistent with this section for the prevention, control, and suppression of forest fires as it considers necessary including but not limited to: Fire equipment and materials; use of personnel; and fire prevention standards and operating conditions including a provision for reducing these conditions where justified by local factors such as location and weather;

(c) Remove at will the commission of any ranger or suspend the authority of any warden;

(d) Inquire into:

(i) The extent, kind, value, and condition of all timber lands within the state;

(ii) The extent to which timber lands are being destroyed by fire and the damage thereon;

(e) Provide fire detection, prevention, presuppression, or suppression services on nonforested public lands managed by the department or another state agency, but only to the extent that providing these services does not interfere with or detract from the obligations set forth in subsection (3) of this section. If the department provides fire detection, prevention, presuppression, or suppression services on nonforested public lands managed by another state agency, the department must be fully reimbursed for the work through a cooperative agreement as provided for in RCW 76.04.135(1).

(5) Any rules adopted under this section for the suppression of forest fires must include a mechanism by which a local fire mobilization radio frequency, consistent with RCW 43.43.963, is identified and made available during the initial response to any forest fire that crosses jurisdictional lines so that all responders have access to communications during the response. Different initial response frequencies may be identified and used as appropriate in different geographic response areas. If the fire radio communication needs escalate beyond the capability of the identified local radio frequency, the use of other available designated interoperability radio frequencies may be used.

(6) When the department considers it to be in the best interest of the state, it may cooperate with any agency of another state, the United States or any agency thereof, the Dominion of Canada or any agency or province thereof, and any county, town, corporation, individual, or Indian tribe within the state of Washington in forest firefighting and patrol.

NEW SECTION. **Sec. 643.** A new section is added to chapter 76.04 RCW to read as follows:

(1) To maximize the effective utilization of local fire suppression assets, the department is required to:

(a) Compile and annually update master lists of qualified wildland fire suppression contractors who have valid incident qualifications for the kind of contracted work to be performed. In order to be included on a master list of qualified wildland fire suppression contractors:

(i) Contractors providing fire engines, tenders, crews, or similar resources must have training and qualifications sufficient for federal wildland fire contractor eligibility, including possessing a valid incident qualification card, commonly called a red card; and

(ii) Contractors other than those identified in (a)(i) of this subsection must have training and qualifications evidenced by possession of a valid department qualification and safety document, commonly called a blue card, issued to people cooperating with the department pursuant to an agreement;

(b) Provide timely advance notification of the dates and locations of department blue card training to all potential wildland fire suppression contractors known to the department and make the training available in several locations that are reasonably convenient for contractors;

(c) Make the lists of qualified wildland fire suppression contractors available to county legislative authorities, emergency management departments, and local fire districts;

(d) Cooperate with federal wildland firefighting agencies to maximize, based on predicted need, the efficient use of local resources in close proximity to wildland fire incidents;

(e) Enter into preemptive agreements with landowners in possession of firefighting capability that may be utilized in wildland fire suppression efforts, including the use of bulldozers, fallers, fuel tenders, potable water tenders, water sprayers, wash trailers, refrigeration units, and buses; and

(f) Conduct outreach to provide basic incident command system and wildland fire safety training to landowners in possession of firefighting capability to help ensure that any wildland fire suppression actions taken by private landowners on their own land are accomplished safely and in coordination with any related incident command structure.

(2) Nothing in subsection (1) of this section prohibits the department from conducting condensed safety training on the site of a wildland fire in order to utilize available contractors not included on a master list of qualified wildland fire suppression contractors.

(3) When entering into preemptive agreements with landowners under this section, the department must ensure that:

(a) All equipment and personnel satisfy department standards; and

(b) All contractors are, when engaged in fire suppression activities, under the supervision of recognized wildland fire personnel.

(4) No civil liability may be imposed by any court on the state or its officers and employees for any adverse impacts resulting from training provided by the department or preemptive agreements entered into by the department under the provisions of this section except upon proof of gross negligence or willful or wanton misconduct.

(5) All requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

Sec. 644. RCW 76.04.005 and 2014 c 90 s 1 are each reenacted and amended to read as follows:

(1) "Additional fire hazard" means a condition existing on any land in the state:

(a) Covered wholly or in part by forest debris which is likely to further the spread of fire and thereby endanger life or property; or

(b) When, due to the effects of disturbance agents, broken, down, dead, or dying trees exist on forest land in sufficient quantity to be likely to further the spread of fire within areas covered by a forest health hazard warning or order issued by the commissioner of public lands under RCW 76.06.180. The term "additional fire hazard" does not include green trees or snags left standing in upland or riparian areas under the provisions of RCW 76.04.465 or chapter 76.09 RCW.

(2) "Closed season" means the period between April 15th and October 15th, unless the department designates different dates because of prevailing fire weather conditions.

(9) "Forest fire service" includes all wardens, rangers, and other persons employed especially for preventing or fighting forest fires.

(10) "Forest land" means any unimproved lands which have enough trees, standing or down, or flammable material, to constitute in the judgment of the department, a fire menace to life or property. Sagebrush and grass areas east of the summit of the Cascade mountains may be considered forest lands when such areas are adjacent to or intermingled with areas supporting tree growth. Forest land, for protection purposes, does not include structures.

(11) "Forest landowner," "owner of forest land," "landowner," or "owner" means the owner or the person in possession of any public or private forest land.

(12) "Forest material" means forest slash, chips, timber, standing or down, or other vegetation.

(18) "Slash burning" means the planned and controlled burning of forest debris on forest lands by broadcast burning, underburning, pile burning, or other means, for the purposes of silviculture, hazard abatement, or reduction and prevention or elimination of a fire hazard.

(19) "Suppression" means all activities involved in the containment and control of forest fires, including the patrolling thereof until such fires are extinguished or considered by the department to pose no further threat to life or property.

(20) "Unimproved lands" means those lands that will support grass, brush and tree growth, or other flammable material when such lands are not cleared or cultivated and, in the opinion of the department, are a fire menace to life and property.

(21) "Commissioner" means the commissioner of public lands.

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1853 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 645.** (1) The legislature finds that the transportation sector is Washington's largest contributor to greenhouse emissions and hazardous air pollutants as defined by federal national ambient air quality standards and mobile source air toxics rules. The sector's portion is considerably higher than the national average because our state relies heavily on hydropower for electricity generation, unlike other states that rely on fossil fuels such as coal, petroleum, and natural gas to generate electricity.

(2) The legislature also finds that federal clean air act regulations and complementary Washington policies supporting renewable energy generation, energy efficiency, and energy conservation are likely to result in further reduction of emissions in the electricity and in the combined residential, commercial, and industrial sectors. The legislature finds that state policy can achieve the greatest return on investment in reducing greenhouse gas emissions and improving air quality by expediting the transition to alternative fuel vehicles, including electric vehicles.

(3) The legislature finds that utilities, who are traditionally responsible for understanding and engineering the electrical grid for safety and reliability, must be fully empowered and incentivized to be engaged in electrification of our transportation system. The legislature further finds that it has given utilities other policy directives to promote energy conservation which do not make the benefits of building out electric vehicle infrastructure, as well as any subsequent increase in energy consumption, readily apparent. Therefore the legislature intends to provide a clear policy directive and financial incentive to utilities for electric vehicle infrastructure build-out.

NEW SECTION. **Sec. 646.** A new section is added to chapter 80.28 RCW to read as follows:

(1) In establishing rates for each electrical company regulated under this title, the commission may allow an incentive rate of return on investment on capital expenditures for electric vehicle supply equipment that is deployed for the benefit of ratepayers, provided that the capital expenditures do not increase costs to ratepayers in excess of one-quarter of one percent. The commission must consider and may adopt other policies to improve access to and promote fair competition in the provision of electric vehicle supply equipment.

(2) An incentive rate of return on investment under this section may be allowed only if the company chooses to pursue capital investment in electric vehicle supply equipment on a fully regulated basis similar to other capital investments behind a customer's meter. In the case of an incentive rate of return on investment allowed under this section, an increment of up to two percent must be added to the rate of return on common equity allowed on the company's other investments.

(3) The incentive rate of return on investment authorized in subsection (2) of this section applies only to projects which have been installed after July 1, 2015, and which are reasonably expected, at the time they are placed in the rate base, to result in real and tangible benefits for rate payers by being installed and located where electric vehicles are most likely to be parked for intervals longer than two hours.

(4) The incentive rate of return on investment increment pursuant to this section may be earned only for a period up to the depreciable life of the electric vehicle supply equipment as defined in the depreciation schedules developed by the company and submitted to the commission for review. When the capital investment has fully depreciated, an electrical company may gift the electric vehicle supply equipment to the owner of the property on which it is located.

(5) By December 31, 2017, the commission must report to the appropriate committees of the legislature with regard to the use of any incentives allowed under this section, the quantifiable impacts of the incentives on actual electric vehicle deployment, and any recommendations to the legislature about utility participation in the electric vehicle market."

On page 1, line 2 of the title, after "build-out;" strike the remainder of the title and insert "adding a new section to chapter 80.28 RCW; and creating a new section."

and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House concurred in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1853 and advanced the bill as amended by the Senate to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representatives Magendanz and Morris spoke in favor of the passage of the bill.

COLLOQUY

Representative Morris: "Section 2(2) of this bill specifies that an incentive rate of return on investment on capital expenditures for electric vehicle supply equipment may be allowed only if an electrical company chooses to make a capital investment on a fully regulated basis similar to other capital investments behind a customer's meter. Is it the intent of this section to allow an electrical company to earn an incentive rate of return on investment on capital expenditures funded by state or federal grants?"

Representative Magendanz: "No. Under existing regulatory practices, electrical companies may only earn a return on investments made with investor-supplied capital. Any grant funds which may be available are applied as credit against the company's rate bases on the other side of the balance sheet. It is the intent of this bill to allow an incentive rate of return that is consistent with existing regulatory practice, so therefore an electrical company may not earn an incentive rate of return on grant-funded capital expenditures for electric vehicle supply equipment"

The Speaker (Representative Moeller presiding) stated the question before the House to be the final passage of Substitute House Bill No. 1853, as amended by the Senate.

MESSAGE FROM THE SENATE

April 15, 2015

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1943 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 647.** RCW 9.94A.030 and 2012 c 143 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(7) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Confinement" means total or partial confinement.

(9) "Conviction" means an adjudication of guilt pursuant to Title 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

(13) "Criminal street gang associate or member" means any person who actively participates in any criminal street gang and who intentionally promotes, furthers, or assists in any criminal act by the criminal street gang.

(14) "Criminal street gang-related offense" means any felony or misdemeanor offense, whether in this state or elsewhere, that is committed for the benefit of, at the direction of, or in association with any criminal street gang, or is committed with the intent to promote, further, or assist in any criminal conduct by the gang, or is committed for one or more of the following reasons:

(a) To gain admission, prestige, or promotion within the gang;

(c) To exact revenge or retribution for the gang or any member of the gang;

(d) To obstruct justice, or intimidate or eliminate any witness against the gang or any member of the gang;

(e) To directly or indirectly cause any benefit, aggrandizement, gain, profit, or other advantage for the gang, its reputation, influence, or membership; or

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community custody, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;

(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2)(a) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact

The no-contact order shall terminate if the defendant is acquitted or the charges are dismissed. If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring as defined in RCW 9.94A.030. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2), (3), or (7) of this section is punishable under RCW 26.50.110.

(b) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: "Violation of this order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest; any assault, drive-by shooting, or reckless endangerment that is a violation of this order is a felony. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

(c) A certified copy of the order shall be provided to the victim.

(5) If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed.

(6) Whenever a no-contact order is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall enter the order for one year or until the expiration date specified on the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The administrative office of the courts shall develop a model policy to assist the courts in implementing the requirements of this subsection.

Sec. 656. RCW 9.94A.505 and 2010 c 224 s 4 are each amended to read as follows:

The court may impose a sentence which provides more than one year of confinement and a community custody term under RCW 9.94A.701 if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The sentencing court shall not give the offender credit for any time the offender was required to comply with an electronic monitoring program prior to sentencing if the offender was convicted of one of the following offenses:

(a) A violent offense;

(b) Any sex offense;

(c) Any drug offense;

(d) Reckless burning in the first or second degree as defined in RCW 9A.48.040 or 9A.48.050;

(8) The court shall order restitution as provided in RCW 9.94A.750 and 9.94A.753.

(((~~(8)~~))) (9) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter.

(((~~(9)~~))) (10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

Sec. 657. RCW 9A.76.130 and 2011 c 336 s 403 are each amended to read as follows:

NEW SECTION. **Sec. 658.** A new section is added to chapter 10.21 RCW to read as follows:

A monitoring agency, as defined in section 3 of this act, may not agree to monitor pursuant to home detention or electronic monitoring an offender who is currently awaiting trial for a violent or sex offense, as defined in RCW 9.94A.030, unless the defendant's release before trial is secured with a payment of bail. If bail is revoked by the court or the bail bond agency, the court shall note the reason for the revocation in the court file.

NEW SECTION. **Sec. 659.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "electronic monitoring; amending RCW 9.94A.030, 9.94A.734, 10.21.030, 9.94A.704, 26.50.010, 10.99.040, 9.94A.505, and 9A.76.130; adding new sections to chapter 9.94A RCW; adding new sections to chapter 10.21 RCW; and prescribing penalties."

THIRD READING

MESSAGE FROM THE SENATE

April 24, 2015

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1449 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 660.** RCW 90.56.005 and 2010 1st sp.s. c 7 s 72 are each amended to read as follows:

(1) The legislature declares that waterborne transportation as a source of supply for oil and hazardous substances poses special concern for the state of Washington. Each year billions of gallons of crude oil and refined petroleum products are transported as cargo and fuel by vessels on the navigable waters of the state. The movement of crude oil through rail corridors and over Washington waters creates safety and environmental risks. The sources and transport of crude oil bring risks to our communities along rail lines and to the Columbia river, Grays Harbor, and Puget Sound waters. These shipments are expected to increase in the coming years. Vessels and trains transporting oil into Washington travel on some of the most unique and special marine environments in the United States. These marine environments are a source of natural beauty, recreation, and economic livelihood for many residents of this state. As a result, the state has an obligation to ensure the citizens of the state that the waters of the state will be protected from oil spills.

(2) The legislature finds that prevention is the best method to protect the unique and special marine environments in this state. The technology for containing and cleaning up a spill of oil or hazardous substances is at best only partially effective. Preventing spills is more protective of the environment and more cost-effective when all the response and damage costs associated with responding to a spill are considered. Therefore, the legislature finds that the primary objective of the state is to achieve a zero spills strategy to prevent any oil or hazardous substances from entering waters of the state.

(3) The legislature also finds that:

(a) Recent accidents in Washington, Alaska, southern California, Texas, Pennsylvania, and other parts of the nation have shown that the transportation, transfer, and storage of oil have caused significant damage to the marine environment;

(b) Even with the best efforts, it is nearly impossible to remove all oil that is spilled into the water, and average removal rates are only fourteen percent;

(c) Washington's navigable waters are treasured environmental and economic resources that the state cannot afford to place at undue risk from an oil spill;

(d) The state has a fundamental responsibility, as the trustee of the state's natural resources and the protector of public health and the environment to prevent the spill of oil; and

(e) In section 5002 of the federal oil pollution act of 1990, the United States congress found that many people believed that complacency on the part of industry and government was one of the contributing factors to the Exxon Valdez spill and, further, that one method to combat this complacency is to involve local citizens in the monitoring and oversight of oil spill plans. Congress also found that a mechanism should be established that fosters the long-term partnership of industry, government, and local communities in overseeing compliance with environmental concerns in the operation of crude oil terminals. Moreover, congress concluded that, in addition to Alaska, a program of citizen monitoring and oversight should be established in other major crude oil terminals in the United States because recent oil spills indicate that the safe transportation of oil is a national problem.

(4) In order to establish a comprehensive prevention and response program to protect Washington's waters and natural resources from spills of oil, it is the purpose of this chapter:

(a) To establish state agency expertise in marine safety and to centralize state activities in spill prevention and response activities;

(b) To prevent spills of oil and to promote programs that reduce the risk of both catastrophic and small chronic spills;

(c) To ensure that responsible parties are liable, and have the resources and ability, to respond to spills and provide compensation for all costs and damages;

(d) To provide for state spill response and wildlife rescue planning and implementation;

(e) To support and complement the federal oil pollution act of 1990 and other federal law, especially those provisions relating to the national contingency plan for cleanup of oil spills and discharges, including provisions relating to the responsibilities of state agencies designated as natural resource trustees. The legislature intends this chapter to be interpreted and implemented in a manner consistent with federal law;

(f) To provide broad powers of regulation to the department of ecology relating to spill prevention and response;

(g) To provide for independent review on an ongoing basis the adequacy of oil spill prevention, preparedness, and response activities in this state; ((~~and~~))

(h) To provide an adequate funding source for state response and prevention programs; and

(i) To maintain the best achievable protection that can be obtained through the use of the best achievable technology and those staffing levels, training procedures, and operational methods that provide the greatest degree of protection achievable.

If, on the first day of any calendar month, the balance of the oil spill response account is greater than nine million dollars and the balance of the oil spill prevention account exceeds the unexpended appropriation for the current biennium, then the tax under RCW 82.23B.020(2) shall be suspended on the first day of the next calendar month until the beginning of the following biennium, provided that the tax shall not be suspended during the last six months of the biennium. If the tax imposed under RCW 82.23B.020(2) is suspended during two consecutive biennia, the department shall by November 1st after the end of the second biennium, recommend to the appropriate standing committees an adjustment in the tax rate. For the biennium ending June 30, 1999, and the biennium ending June 30, 2001, the state treasurer may transfer a total of up to one million dollars from the oil spill response account to the oil spill prevention account to support appropriations made from the oil spill prevention account in the omnibus appropriations act adopted not later than June 30, 1999.

(2) Expenditures from the oil spill prevention account shall be used exclusively for the administrative costs related to the purposes of this chapter, and chapters 90.48, 88.40, and 88.46 RCW. In addition, until June 30, 2019, expenditures from the oil spill prevention account may be used, subject to amounts appropriated specifically for this purpose, for the development and annual review of local emergency planning committee emergency response plans in RCW 38.52.040(3). ((~~Unless the context clearly requires otherwise,~~)) The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Barrel" means a unit of measurement of volume equal to forty-two United States gallons of crude oil or petroleum product.

(2) "Crude oil" means any naturally occurring ((~~liquid~~)) hydrocarbons ((~~at atmospheric temperature and pressure coming from the earth, including condensate and natural gasoline~~)) coming from the earth that are liquid at twenty-five degrees Celsius and one atmosphere of pressure including, but not limited to, crude oil, bitumen and diluted bitumen, synthetic crude oil, and natural gas well condensate.

(3) "Department" means the department of revenue.

(4) "Marine terminal" means a facility of any kind, other than a waterborne vessel, that is used for transferring crude oil or petroleum products to or from a waterborne vessel or barge.

(5) "Navigable waters" means those waters of the state and their adjoining shorelines that are subject to the ebb and flow of the tide, including the Columbia and Snake rivers.

(6) "Person" has the meaning provided in RCW 82.04.030.

(7) "Petroleum product" means any liquid hydrocarbons at atmospheric temperature and pressure that are the product of the fractionation, distillation, or other refining or processing of crude oil, and that are used as, useable as, or may be refined as a fuel or fuel blendstock, including but not limited to, gasoline, diesel fuel, aviation fuel, bunker fuel, and fuels containing a blend of alcohol and petroleum.

(8) "Taxpayer" means the person owning crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal in this state ((~~from a waterborne vessel or barge~~)) and who is liable for the taxes imposed by this chapter.

(9) "Waterborne vessel or barge" means any ship, barge, or other watercraft capable of ((~~travelling~~)) traveling on the navigable waters of this state and capable of transporting any crude oil or petroleum product in quantities of ten thousand gallons or more for purposes other than providing fuel for its motor or engine.

(10) "Bulk oil terminal" means a facility of any kind, other than a waterborne vessel, that is used for transferring crude oil or petroleum products from a tank car.

(11) "Tank car" means a rail car, the body of which consists of a tank for transporting liquids.

Sec. 673. RCW 82.23B.020 and 2006 c 256 s 2 are each amended to read as follows:

(1) An oil spill response tax is imposed on the privilege of receiving: (a) Crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state; or (b) crude oil or petroleum products at a bulk oil terminal within this state from a tank car. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal from a tank car or waterborne vessel or barge at the rate of one cent per barrel of crude oil or petroleum product received.

(2) In addition to the tax imposed in subsection (1) of this section, an oil spill administration tax is imposed on the privilege of

receiving: (a) Crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state; or (b) crude oil or petroleum products at a bulk oil terminal within this state from a tank car. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products immediately after receipt of the same into the storage tanks of a marine or bulk oil terminal from a tank car or waterborne vessel or barge at the rate of four cents per barrel of crude oil or petroleum product.

(3) The taxes imposed by this chapter ((~~shall~~)) must be collected by the marine or bulk oil terminal operator from the taxpayer. If any person charged with collecting the taxes fails to bill the taxpayer for the taxes, or in the alternative has not notified the taxpayer in writing of the ((~~imposition of the~~)) taxes imposed, or having collected the taxes, fails to pay them to the department in the manner prescribed by this chapter, whether such failure is the result of the person's own acts or the result of acts or conditions beyond the person's control, he or she ((~~shall~~)), nevertheless, ((~~be~~)) is personally liable to the state for the amount of the taxes. Payment of the taxes by the owner to a marine or bulk oil terminal operator ((~~shall~~)) relieves the owner from further liability for the taxes.

(4) Taxes collected under this chapter ((~~shall~~)) must be held in trust until paid to the department. Any person collecting the taxes who appropriates or converts the taxes collected ((~~shall be~~)) is guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. The taxes required by this chapter to be collected ((~~shall~~)) must be stated separately from other charges made by the marine or bulk oil terminal operator in any invoice or other statement of account provided to the taxpayer.

(5) If a taxpayer fails to pay the taxes imposed by this chapter to the person charged with collection of the taxes and the person charged with collection fails to pay the taxes to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the taxes.

(6) The taxes ((~~shall be~~)) are due from the marine or bulk oil terminal operator, along with reports and returns on forms prescribed by the department, within twenty-five days after the end of the month in which the taxable activity occurs.

(7) The amount of taxes, until paid by the taxpayer to the marine or bulk oil terminal operator or to the department, ((~~shall~~)) constitutes a debt from the taxpayer to the marine or bulk oil terminal operator. Any person required to collect the taxes under this chapter who, with intent to violate the provisions of this chapter, fails or refuses to do so as required and any taxpayer who refuses to pay any taxes due under this chapter, ((~~shall be~~)) is guilty of a misdemeanor as provided in chapter 9A.20 RCW.

(8) Upon prior approval of the department, the taxpayer may pay the taxes imposed by this chapter directly to the department. The department ((~~shall~~)) must give its approval for direct payment under this section whenever it appears, in the department's judgment, that direct payment will enhance the administration of the taxes imposed under this chapter. The department ((~~shall~~)) must provide by rule for the issuance of a direct payment certificate to any taxpayer qualifying for direct payment of the taxes. Good faith acceptance of a direct payment certificate by a terminal operator ((~~shall~~)) relieves the marine or bulk oil terminal operator from any liability for the collection or payment of the taxes imposed under this chapter.

(9) All receipts from the tax imposed in subsection (1) of this section ((~~shall~~)) must be deposited into the state oil spill response account. All receipts from the tax imposed in subsection (2) of this section shall be deposited into the oil spill prevention account.

(10) Within forty-five days after the end of each calendar quarter, the office of financial management ((~~shall~~)) must determine the balance of the oil spill response account as of the last day of that calendar quarter. Balance determinations by the office of financial management under this section are final and ((~~shall~~)) may not be used to challenge the validity of any tax imposed under this chapter. The office of financial management ((~~shall~~)) must promptly notify the departments of revenue and ecology of the account balance once a determination is made. For each subsequent calendar quarter, the tax imposed by subsection (1) of this section shall be imposed during the entire calendar quarter unless:

(a) Tax was imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than nine million dollars; or

(b) Tax was not imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than eight million dollars.

Sec. 674. RCW 82.23B.030 and 1992 c 73 s 9 are each amended to read as follows:

The taxes imposed under this chapter ((~~shall~~)) only apply to the first receipt of crude oil or petroleum products at a marine or bulk oil terminal in this state and not to the later transporting and subsequent receipt of the same oil or petroleum product, whether in the form originally received at a marine or bulk oil terminal in this state or after refining or other processing.

Sec. 675. RCW 82.23B.040 and 1992 c 73 s 10 are each amended to read as follows:

Credit ((~~shall~~)) must be allowed against the taxes imposed under this chapter for any crude oil or petroleum products received at a marine or bulk oil terminal and subsequently exported from or sold for export from the state.

Sec. 676. RCW 38.52.040 and 2011 1st sp.s. c 21 s 27, 2011 c 336 s 789, and 2011 c 79 s 9 are each reenacted and amended to read as follows:

(1) There is hereby created the emergency management council (hereinafter called the council), to consist of not more than seventeen members who shall be appointed by the adjutant general. The membership of the council shall include, but not be limited to, representatives of city and county governments, sheriffs and police chiefs, the Washington state patrol, the military department, the department of ecology, state and local fire chiefs, seismic safety experts, state and local emergency management directors, search and rescue volunteers, medical professions who have expertise in emergency medical care, building officials, and private industry. The representatives of private industry shall include persons knowledgeable in emergency and hazardous materials management. The councilmembers shall elect a chair from within the council membership. The members of the council shall serve without compensation, but may be reimbursed for their travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

(2) The emergency management council shall advise the governor and the director on all matters pertaining to state and local emergency management. The council may appoint such ad hoc committees, subcommittees, and working groups as are required to develop specific recommendations for the improvement of emergency management practices, standards, policies, or procedures. The council shall ensure that the governor receives an annual assessment of statewide emergency preparedness including, but not limited to, specific progress on hazard mitigation and reduction efforts, implementation of seismic safety improvements, reduction of flood hazards, and coordination of hazardous materials planning and response activities. ((~~The council or a subcommittee thereof shall periodically convene in special session and serve during those sessions as the state emergency response commission required by P.L. 99-499, the emergency planning and community right-to-know act. When sitting in session as the state emergency response commission, the council shall confine its deliberations to those items specified in federal statutes and state administrative rules governing the coordination of hazardous materials policy.~~))

The council shall review administrative rules governing state and local emergency management practices and recommend necessary revisions to the director.

(3) The council or a council subcommittee shall serve and periodically convene in special session as the state emergency response commission required by the emergency planning and community right-to-know act (42 U.S.C. Sec. 11001 et seq.). The state emergency response commission shall conduct those activities specified in federal statutes and regulations and state administrative rules governing the coordination of hazardous materials policy including, but not limited to, review of local emergency planning committee emergency response plans for compliance with the planning requirements in the emergency planning and community right-to-know act (42 U.S.C. Sec. 11001 et seq.). Committees shall annually review their plans to address changed conditions, and submit their plans to the state emergency response commission for review when updated, but not less than at least once every five years. The department may employ staff to assist local emergency planning committees in the development and annual review of these emergency response plans, with an initial focus on the highest risk communities through which trains that transport oil in bulk travel. By March 1, 2018, the department shall report to the governor and legislature on progress towards compliance with planning requirements. The report must also provide budget and policy recommendations for continued support of local emergency planning.

(4)(a) The intrastate mutual aid committee is created and is a subcommittee of the emergency management council. The intrastate mutual aid committee consists of not more than five members who must be appointed by the council chair from council membership. The chair of the intrastate mutual aid committee is the military department representative appointed as a member of the council. Meetings of the intrastate mutual aid committee must be held at least annually.

(b) In support of the intrastate mutual aid system established in chapter 38.56 RCW, the intrastate mutual aid committee shall develop and update guidelines and procedures to facilitate implementation of the intrastate mutual aid system by member jurisdictions, including but not limited to the following: Projected or anticipated costs; checklists and forms for requesting and providing assistance; recordkeeping; reimbursement procedures; and other implementation issues. These guidelines and procedures are not subject to the rule-making requirements of chapter 34.05 RCW.

Sec. 677. RCW 81.24.010 and 2007 c 234 s 21 are each amended to read as follows:

(1) Every company subject to regulation by the commission, except those listed in subsection (3) of this section, shall, on or before the date specified by the commission for filing annual reports under RCW 81.04.080, file with the commission a statement on oath showing its gross operating revenue from intrastate operations for the preceding calendar year, or portion thereof, and pay to the commission a fee equal to one-tenth of one percent of the first fifty thousand dollars of gross operating revenue, plus two-tenths of one percent of any gross operating revenue in excess of fifty thousand dollars, except railroad companies which shall each pay to the commission a fee ((~~equal~~)) of up to ((~~one~~)) two and one-half percent of its intrastate gross operating revenue. However, a class three railroad that does not haul crude oil must pay a fee equal to one and one-half percent of its intrastate gross operating revenue. The commission may, by rule, set minimum fees that do not exceed the cost of collecting the fees. The commission may by rule waive any or all of the minimum fee established pursuant to this section. Any railroad association that qualifies as a nonprofit charitable organization under the federal internal revenue code section 501(c)(3) is exempt from the fee required under this subsection.

(2) The percentage rates of gross operating revenue to be paid in any one year may be decreased by the commission for any class of companies subject to the payment of such fees, by general order entered before March 1st of such year, and for such purpose railroad companies are classified as class two. Every other company subject to regulation by the commission, for which regulatory fees are not otherwise fixed by law, shall pay fees as herein provided and shall constitute additional classes according to kinds of businesses engaged in.

(3) This section does not apply to private nonprofit transportation providers, auto transportation companies, charter party carriers and excursion service carriers, solid waste collection companies, motor freight carriers, household goods carriers, commercial ferries, and low-level radioactive waste storage facilities.

NEW SECTION. **Sec. 678.** A new section is added to chapter 81.44 RCW to read as follows:

Commission employees certified by the federal railroad administration to perform hazardous materials inspections may enter the property of any business that receives, ships, or offers for shipment hazardous materials by rail. Entry shall be at a reasonable time and in a reasonable manner. The purpose of entry is limited to performing inspections, investigations, or surveillance of equipment, records, and operations relating to the packaging, loading, unloading, or transportation of hazardous materials by rail, pursuant only to the state participation program outlined in 49 C.F.R. Part 212. The term "business" is all inclusive and is not limited to common carriers or public service companies.

(3) All requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

NEW SECTION. **Sec. 685.** (1) Subject to the availability of amounts appropriated for this specific purpose, the department of ecology shall provide grants to emergency responders to assist with oil spill and hazardous materials response and firefighting equipment and resources needed to meet the requirements of this act.

(2) For the purposes of determining grant allocations, the department of ecology, in consultation with emergency first responders, oil spill response cooperatives, representatives from the oil and rail industries, and businesses that are recipients of liquid bulk crude oil shall: (a) Conduct an evaluation of oil spill and hazardous materials response and firefighting equipment and resources currently available for oil spill and hazardous materials response activities throughout the state; (b) review the local emergency management coordinating efforts for oil spill and hazardous materials response; (c) determine the need for additional, new, or updated equipment and resources; and (d) identify areas or regions of the state that are in greatest need of resources and oil spill and hazardous materials response and firefighting equipment.

MESSAGE FROM THE SENATE

April 24, 2015

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2000 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 690.** A new section is added to chapter 43.06 RCW to read as follows:

The legislature intends to further the government-to-government relationship between the state of Washington and federally recognized Indian tribes in the state of Washington by authorizing the governor to enter into agreements concerning the regulation of marijuana. Such agreements may include provisions pertaining to: The lawful commercial production, processing, sale, and possession of marijuana for both recreational and medical purposes; marijuana-related research activities; law enforcement, both criminal and civil; and taxation. The legislature finds that these agreements will facilitate and promote a cooperative and mutually beneficial relationship between the state and the tribes regarding matters relating to the legalization of marijuana, particularly in light of the fact that federal Indian law precludes the state from enforcing its civil regulatory laws in Indian country. Such cooperative agreements will enhance public health and safety, ensure a lawful and well-regulated marijuana market, encourage economic development, and provide fiscal benefits to both the tribes and the state.

NEW SECTION. **Sec. 691.** A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into agreements with federally recognized Indian tribes concerning marijuana. Marijuana

agreements may address any marijuana-related issue that involves both state and tribal interests or otherwise has an impact on tribal-state relations. Such agreements may include, but are not limited to, the following provisions and subject matter:

(a) Criminal and civil law enforcement;

(b) Regulatory issues related to the commercial production, processing, sale, and possession of marijuana, and processed marijuana products, for both recreational and medical purposes;

(c) Medical and pharmaceutical research involving marijuana;

(d) Taxation in accordance with subsection (2) of this section;

(e) Any tribal immunities or preemption of state law regarding the production, processing, or marketing of marijuana; and

(f) Dispute resolution, including the use of mediation or other nonjudicial process.

(2)(a) Each marijuana agreement adopted under this section must provide for a tribal marijuana tax that is at least one hundred percent of the state marijuana excise tax imposed under RCW 69.50.535 and state and local sales and use taxes on sales of marijuana. Marijuana agreements apply to sales in which tribes, tribal enterprises, or tribal member-owned businesses (i) deliver or cause delivery to be made to or receive delivery from a marijuana producer, processor, or retailer licensed under chapter 69.50 RCW or (ii) physically transfer possession of the marijuana from the seller to the buyer within Indian country.

(b) The tribe may allow an exemption from tax for sales to the tribe, tribal enterprises, tribal member-owned businesses, or tribal members on marijuana grown, produced, or processed within its Indian country, or for activities to the extent they are exempt under state or federal law from the state marijuana excise tax imposed under RCW 69.50.535 or state and local sales or use taxes on sales of marijuana. Medical marijuana products used in the course of medical treatments by a clinic, hospital, or similar facility owned and operated by a federally recognized Indian tribe within its Indian country may be exempted from tax under the terms of an agreement entered into under this section.

(3) Any marijuana agreement relating to the production, processing, and sale of marijuana in Indian country, whether for recreational or medical purposes, must address the following issues:

(a) Preservation of public health and safety;

(b) Ensuring the security of production, processing, retail, and research facilities; and

(c) Cross-border commerce in marijuana.

(4) The governor may delegate the power to negotiate marijuana agreements to the state liquor control board. In conducting such negotiations, the state liquor control board must, when necessary, consult with the governor and/or the department of revenue.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Indian country" has the same meaning as in RCW 82.24.010.

(b) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

(c) "Marijuana" means "marijuana," "marijuana concentrates," "marijuana-infused products," and "useable marijuana," as those terms are defined in RCW 69.50.101.

NEW SECTION. **Sec. 692.** A new section is added to chapter 69.50 RCW to read as follows:

The taxes, fees, assessments, and other charges imposed by this chapter do not apply to commercial activities related to the production, processing, sale, and possession of marijuana, useable marijuana, marijuana concentrates, and marijuana-infused products covered by an agreement entered into under section 2 of this act.

NEW SECTION. **Sec. 693.** A new section is added to chapter 82.08 RCW to read as follows:

The taxes imposed by this chapter do not apply to the retail sale of marijuana, useable marijuana, marijuana concentrates, and marijuana-infused products covered by an agreement entered into under section 2 of this act. "Marijuana," "useable marijuana," "marijuana concentrates," and "marijuana-infused products" have the same meaning as defined in RCW 69.50.101.

NEW SECTION. **Sec. 694.** A new section is added to chapter 82.12 RCW to read as follows:

The taxes imposed by this chapter do not apply to the use of marijuana, useable marijuana, marijuana concentrates, and marijuana-infused products covered by an agreement entered into under section 2 of this act. "Marijuana," "useable marijuana," "marijuana concentrates," and "marijuana-infused products" have the same meaning as defined in RCW 69.50.101.

Sec. 695. RCW 69.50.360 and 2014 c 192 s 5 are each amended to read as follows:

The following acts, when performed by a validly licensed marijuana retailer or employee of a validly licensed retail outlet in compliance with rules adopted by the state liquor control board to implement and enforce chapter 3, Laws of 2013, ((shall)) do not constitute criminal or civil offenses under Washington state law:

(a) One ounce of useable marijuana;

(b) Sixteen ounces of marijuana-infused product in solid form;

(4) Purchase and receipt of marijuana concentrates, useable marijuana, or marijuana-infused products that have been properly packaged and labeled from a federally recognized Indian tribe as permitted under an agreement between the state and the tribe entered into under section 2 of this act.

(1) Purchase and receipt of marijuana that has been properly packaged and labeled from a marijuana producer validly licensed under chapter 3, Laws of 2013;

(2) Possession, processing, packaging, and labeling of quantities of marijuana, useable marijuana, and marijuana-infused products that do not exceed the maximum amounts established by the state liquor control board under RCW 69.50.345(4); ((and))

SECOND READING

ENGROSSED HOUSE BILL NO. 2151, by Representatives Jinkins, Schmick and Bergquist

Extending the hospital safety net assessment.

The bill was read the second time.

Representative Jinkins moved the adoption of amendment (501):

Strike everything after the enacting clause and insert the following:

"**Sec. 698.** RCW 74.60.005 and 2013 2nd sp.s. c 17 s 1 are each amended to read as follows:

(1) The purpose of this chapter is to provide for a safety net assessment on certain Washington hospitals, which will be used solely to augment funding from all other sources and thereby support additional payments to hospitals for medicaid services as specified in this chapter.

(2) The legislature finds that federal health care reform will result in an expansion of medicaid enrollment in this state and an increase in federal financial participation. ((~~As a result, the hospital safety net assessment and hospital safety net assessment fund created in this chapter will begin phasing down over a four-year period beginning in fiscal year 2016 as federal medicaid expansion is fully implemented. The state will end its reliance on the assessment and the fund by the end of fiscal year 2019.~~))

(3) In adopting this chapter, it is the intent of the legislature:

(a) To impose a hospital safety net assessment to be used solely for the purposes specified in this chapter;

(b) To generate approximately four hundred ((~~forty-six million three hundred thirty-eight thousand~~)) eighty-nine million dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then phasing down in equal increments to zero by the end of fiscal year 2019,~~)) in new state and federal funds by disbursing all of that amount to pay for medicaid hospital services and grants to certified public expenditure and critical access hospitals, except costs of administration as specified in this chapter, in the form of additional payments to hospitals and managed care plans, which may not be a substitute for payments from other sources;

(c) To generate ((~~one hundred ninety-nine million eight hundred thousand~~)) two hundred eighty-three million dollars ((~~in the 2013-2015 biennium, phasing down to zero by the end of the 2017-2019 biennium,~~)) per biennium during the 2015-2017 and 2017-2019 biennia in new funds to be used in lieu of state general fund payments for medicaid hospital services;

(d) That the total amount assessed not exceed the amount needed, in combination with all other available funds, to support the payments authorized by this chapter; and

(e) To condition the assessment on receiving federal approval for receipt of additional federal financial participation and on continuation of other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((~~2009~~)) 2015, as adjusted for current enrollment and utilization((~~, but without regard to payment increases resulting from chapter 30, Laws of 2010 1st sp. sess~~)).

Sec. 699. RCW 74.60.020 and 2013 2nd sp.s. c 17 s 3 are each amended to read as follows:

(1) A dedicated fund is hereby established within the state treasury to be known as the hospital safety net assessment fund. The purpose and use of the fund shall be to receive and disburse funds, together with accrued interest, in accordance with this chapter. Moneys in the fund, including interest earned, shall not be used or disbursed for any purposes other than those specified in this chapter. Any amounts expended from the fund that are later recouped by the authority on audit or otherwise shall be returned to the fund.

(a) Any unexpended balance in the fund at the end of a fiscal ((~~biennium~~)) year shall carry over into the following ((~~biennium~~)) fiscal year or that fiscal year and the following fiscal year and shall be applied to reduce the amount of the assessment under RCW 74.60.050(1)(c).

(b) Any amounts remaining in the fund after July 1, 2019, shall be refunded to hospitals, pro rata according to the amount paid by the hospital since July 1, 2013, subject to the limitations of federal law.

(2) All assessments, interest, and penalties collected by the authority under RCW 74.60.030 and 74.60.050 shall be deposited into the fund.

(3) Disbursements from the fund are conditioned upon appropriation and the continued availability of other funds sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((~~2009~~)) 2015, as adjusted for current enrollment and utilization((~~, but without regard to payment increases resulting from chapter 30, Laws of 2010 1st sp. sess~~)).

(4) Disbursements from the fund may be made only:

(a) To make payments to hospitals and managed care plans as specified in this chapter;

(b) To refund erroneous or excessive payments made by hospitals pursuant to this chapter;

(c) For one million dollars per biennium for payment of administrative expenses incurred by the authority in performing the activities authorized by this chapter;

(d) For ((~~one hundred ninety-nine million eight hundred thousand~~)) two hundred eighty-three million dollars ((~~in the 2013-2015~~)) per biennium, ((~~phasing down to zero by the end of the 2017-2019 biennium~~)) to be used in lieu of state general fund payments for medicaid hospital services, provided that if the full amount of the payments required under RCW 74.60.120 and 74.60.130 cannot be distributed in a given fiscal year, this amount must be reduced proportionately;

(e) To repay the federal government for any excess payments made to hospitals from the fund if the assessments or payment increases set forth in this chapter are deemed out of compliance with federal statutes and regulations in a final determination by a court of competent jurisdiction with all appeals exhausted. In such a case, the authority may require hospitals receiving excess payments to refund the payments in question to the fund. The state in turn shall return funds to the federal government in the same proportion as the original financing. If a hospital is unable to refund payments, the state shall develop either a payment plan, or deduct moneys from future medicaid payments, or both;

(f) Beginning in state fiscal year 2015, to pay an amount sufficient, when combined with the maximum available amount of federal funds necessary to provide a one percent increase in medicaid hospital inpatient rates to hospitals eligible for quality improvement incentives under RCW 74.09.611.

Sec. 700. RCW 74.60.030 and 2014 c 143 s 1 are each amended to read as follows:

(1)(a) Upon satisfaction of the conditions in RCW 74.60.150(1), and so long as the conditions in RCW 74.60.150(2) have not occurred, an assessment is imposed as set forth in this subsection((~~, effective October 1, 2013~~)). ((~~Initial assessment notices must be sent to each hospital not earlier than thirty days after satisfaction of the conditions in RCW 74.60.150(1). Payment is due not sooner than thirty days thereafter. Except for the initial~~)) Assessment((~~,~~)) notices must be sent on or about thirty days prior to the end of each quarter and payment is due thirty days thereafter.

(b) Effective ((~~October 1, 2013~~)) July 1, 2015, and except as provided in RCW 74.60.050:

(i) ((~~For fiscal year 2014, an annual assessment for amounts determined as described in (b)(ii) through (iv) of this subsection is imposed for the time period of October 1, 2013, through June 30, 2014. The initial assessment notice must cover amounts due from October 1, 2013, through either: (A) The end of the calendar quarter prior to the satisfaction of the conditions in RCW 74.60.150(1) if federal approval is received more than forty-five days prior to the end of a quarter; or (B) the end of the calendar quarter after the satisfaction of the conditions in RCW 74.60.150(1) if federal approval is received within forty-five days of the end of a quarter. For subsequent assessments during fiscal year 2014, the authority shall calculate the amount due annually and shall issue assessments for the appropriate proportion of the annual amount due from each hospital;~~

(~~ii) After the assessments described in (b)(i) of this subsection,~~)) Each prospective payment system hospital, except psychiatric and rehabilitation hospitals, shall pay a quarterly assessment. Each quarterly assessment shall be no more than one quarter of three hundred ((~~forty-four~~)) forty-five dollars for each annual nonmedicare hospital inpatient day, up to a maximum of fifty-four thousand days per year. For each nonmedicare hospital inpatient day in excess of fifty-four thousand days, each prospective payment system hospital shall pay an assessment of one quarter of seven dollars for each such day;

(((~~iii) After the assessments described in (b)(i) of this subsection,~~)) (ii) Each critical access hospital shall pay a quarterly assessment of one quarter of ten dollars for each annual nonmedicare hospital inpatient day;

(((~~iv) After the assessments described in (b)(i) of this subsection,~~)) (iii) Each psychiatric hospital shall pay a quarterly assessment of no more than one quarter of ((~~sixty-seven~~)) sixty-eight dollars for each annual nonmedicare hospital inpatient day; and

(((~~v) After the assessments described in (b)(i) of this subsection,~~)) (iv) Each rehabilitation hospital shall pay a quarterly assessment of no more than one quarter of ((~~sixty-seven~~)) sixty-eight dollars for each annual nonmedicare hospital inpatient day.

(2) The authority shall determine each hospital's annual nonmedicare hospital inpatient days by summing the total reported nonmedicare hospital inpatient days for each hospital that is not exempt from the assessment under RCW 74.60.040((~~, taken~~)). The authority shall obtain inpatient data from the hospital's 2552 cost report data file or successor data file available through the centers for medicare and medicaid services, as of a date to be determined by the authority. For state fiscal year ((~~2014~~)) 2016, the authority shall use cost report data for hospitals' fiscal years ending in ((~~2010~~)) 2012. For subsequent years, the hospitals' next succeeding fiscal year cost report data must be used.

(a) With the exception of a prospective payment system hospital commencing operations after January 1, 2009, for any hospital without a cost report for the relevant fiscal year, the authority shall work with the affected hospital to identify appropriate supplemental information that may be used to determine annual nonmedicare hospital inpatient days.

(b) A prospective payment system hospital commencing operations after January 1, 2009, must be assessed in accordance with this section after becoming an eligible new prospective payment system hospital as defined in RCW 74.60.010.

Sec. 701. RCW 74.60.050 and 2013 2nd sp.s. c 17 s 5 are each amended to read as follows:

(1) The authority, in cooperation with the office of financial management, shall develop rules for determining the amount to be assessed to individual hospitals, notifying individual hospitals of the assessed amount, and collecting the amounts due. Such rule making shall specifically include provision for:

(a) Transmittal of notices of assessment by the authority to each hospital informing the hospital of its nonmedicare hospital inpatient days and the assessment amount due and payable;

(b) Interest on delinquent assessments at the rate specified in RCW 82.32.050; and

(c) Adjustment of the assessment amounts in accordance with subsection((~~s~~)) (2) ((~~and (3)~~)) of this section.

(2) For state fiscal year ((~~2015~~)) 2016 and each subsequent state fiscal year, the assessment amounts established under RCW 74.60.030 must be adjusted as follows:

(a) If sufficient other funds, including federal funds, are available to make the payments required under this chapter and fund the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f) without utilizing the full assessment under RCW 74.60.030, the authority shall reduce the amount of the assessment to the minimum levels necessary to support those payments;

(b) If the total amount of inpatient or outpatient supplemental payments under RCW 74.60.120 is in excess of the upper payment limit and the entire excess amount cannot be disbursed by additional payments to managed care organizations under RCW 74.60.130, the authority shall proportionately reduce future assessments on prospective payment hospitals to the level necessary to generate

additional payments to hospitals that are consistent with the upper payment limit plus the maximum permissible amount of additional payments to managed care organizations under RCW 74.60.130;

(c) If the amount of payments to managed care organizations under RCW 74.60.130 cannot be distributed because of failure to meet federal actuarial soundness or utilization requirements or other federal requirements, the authority shall apply the amount that cannot be distributed to reduce future assessments to the level necessary to generate additional payments to managed care organizations that are consistent with federal actuarial soundness or utilization requirements or other federal requirements;

(d) If required in order to obtain federal matching funds, the maximum number of nonmedicare inpatient days at the higher rate provided under RCW 74.60.030(1)(b)(i) may be adjusted in order to comply with federal requirements;

(e) If the number of nonmedicare inpatient days applied to the rates provided in RCW 74.60.030 will not produce sufficient funds to support the payments required under this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f), the assessment rates provided in RCW 74.60.030 may be increased proportionately by category of hospital to amounts no greater than necessary in order to produce the required level of funds needed to make the payments specified in this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f); and

(f) Any actual or estimated surplus remaining in the fund at the end of the fiscal year must be applied to reduce the assessment amount for the subsequent fiscal year or that fiscal year and the following fiscal years prior to and including fiscal year 2019.

(3) ((~~For each fiscal year after June 30, 2015, the assessment amounts established under RCW 74.60.030 must be adjusted as follows:~~

~~(a) In order to support the payments required in this chapter, the assessment amounts must be reduced in approximately equal yearly increments each fiscal year by category of hospital until the assessment amount is zero by July 1, 2019;~~

~~(b) If sufficient other funds, including federal funds, are available to make the payments required under this chapter and fund the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f) without utilizing the full assessment under RCW 74.60.030, the authority shall reduce the amount of the assessment to the minimum levels necessary to support those payments;~~

~~(c) If in any fiscal year the total amount of inpatient or outpatient supplemental payments under RCW 74.60.120 is in excess of the upper payment limit and the entire excess amount cannot be disbursed by additional payments to managed care organizations under RCW 74.60.130, the authority shall proportionately reduce future assessments on prospective payment hospitals to the level necessary to generate additional payments to hospitals that are consistent with the upper payment limit plus the maximum permissible amount of additional payments to managed care organizations under RCW 74.60.130;~~

~~(d) If the amount of payments to managed care organizations under RCW 74.60.130 cannot be distributed because of failure to meet federal actuarial soundness or utilization requirements or other federal requirements, the authority shall apply the amount that cannot be distributed to reduce future assessments to the level necessary to generate additional payments to managed care organizations that are consistent with federal actuarial soundness or utilization requirements or other federal requirements;~~

~~(e) If required in order to obtain federal matching funds, the maximum number of nonmedicare inpatient days at the higher rate provided under RCW 74.60.030(1)(b)(i) may be adjusted in order to comply with federal requirements;~~

~~(f) If the number of nonmedicare inpatient days applied to the rates provided in RCW 74.60.030 will not produce sufficient funds to support the payments required under this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f), the assessment rates provided in RCW 74.60.030 may be increased proportionately by category of hospital to amounts no greater than necessary in order to produce the required level of funds needed to make the payments specified in this chapter and the state portion of the quality incentive payments under RCW 74.09.611 and 74.60.020(4)(f); and~~

~~(g) Any actual or estimated surplus remaining in the fund at the end of the fiscal year must be applied to reduce the assessment amount for the subsequent fiscal year.~~

~~(4)~~))(a) Any adjustment to the assessment amounts pursuant to this section, and the data supporting such adjustment, including, but not limited to, relevant data listed in (b) of this subsection, must be submitted to the Washington state hospital association for review and comment at least sixty calendar days prior to implementation of such adjusted assessment amounts. Any review and comment provided by the Washington state hospital association does not limit the ability of the Washington state hospital association or its members to challenge an adjustment or other action by the authority that is not made in accordance with this chapter.

(b) The authority shall provide the following data to the Washington state hospital association sixty days before implementing any revised assessment levels, detailed by fiscal year, beginning with fiscal year 2011 and extending to the most recent fiscal year, except in connection with the initial assessment under this chapter:

(i) The fund balance;

(ii) The amount of assessment paid by each hospital;

(iii) The state share, federal share, and total annual medicaid fee-for-service payments for inpatient hospital services made to each hospital under RCW 74.60.120, and the data used to calculate the payments to individual hospitals under that section;

(iv) The state share, federal share, and total annual medicaid fee-for-service payments for outpatient hospital services made to each hospital under RCW 74.60.120, and the data used to calculate annual payments to individual hospitals under that section;

(v) The annual state share, federal share, and total payments made to each hospital under each of the following programs: Grants to certified public expenditure hospitals under RCW 74.60.090, for critical access hospital payments under RCW 74.60.100; and disproportionate share programs under RCW 74.60.110;

(vi) The data used to calculate annual payments to individual hospitals under (b)(v) of this subsection; and

(vii) The amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

(c) On a monthly basis, the authority shall provide the Washington state hospital association the amount of payments made to managed care plans under RCW 74.60.130, including the amount representing additional premium tax, and the data used to calculate those payments.

Sec. 702. RCW 74.60.090 and 2013 2nd sp.s. c 17 s 8 are each amended to read as follows:

(1) In each fiscal year commencing upon satisfaction of the applicable conditions in RCW 74.60.150(1), funds must be disbursed from the fund and the authority shall make grants to certified public expenditure hospitals, which shall not be considered payments for hospital services, as follows:

(a) University of Washington medical center: ((~~Three million three hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Four million

four hundred fifty-five thousand dollars in each state fiscal year 2016 through 2019;

(b) Harborview medical center: ((~~Seven million six hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Ten million two hundred sixty thousand dollars in each state fiscal year 2016 through 2019;

(c) All other certified public expenditure hospitals: ((~~Four million seven hundred thousand dollars per state fiscal year in fiscal years 2014 and 2015, and then reduced in approximately equal increments per fiscal year until the grant amount is zero by July 1,~~)) Six million three hundred forty-five thousand dollars in each state fiscal year 2016 through 2019. The amount of payments to individual hospitals under this subsection must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4).

(2) Payments must be made quarterly, before the end of each quarter, taking the total disbursement amount and dividing by four to calculate the quarterly amount. ((~~The initial payment, which must include all amounts due from and after July 1, 2013, to the date of the initial payment, must be made within thirty days after satisfaction of the conditions in RCW 74.60.150(1).~~)) The authority shall provide a quarterly report of such payments to the Washington state hospital association.

Sec. 703. RCW 74.60.100 and 2013 2nd sp.s. c 17 s 9 are each amended to read as follows:

In each fiscal year commencing upon satisfaction of the conditions in RCW 74.60.150(1), the authority shall make access payments to critical access hospitals that do not qualify for or receive a small rural disproportionate share hospital payment in a given fiscal year in the total amount of ((~~five hundred twenty~~)) seven hundred two thousand dollars from the fund and to critical access hospitals that receive disproportionate share payments in the total amount of one million three hundred thirty-six thousand dollars. The amount of payments to individual hospitals under this section must be determined using a methodology that provides each hospital with a proportional allocation of the group's total amount of medicaid and state children's health insurance program payments determined from claims and encounter data using the same general methodology set forth in RCW 74.60.120 (3) and (4). Payments must be made after the authority determines a hospital's payments under RCW 74.60.110. These payments shall be in addition to any other amount payable with respect to services provided by critical access hospitals and shall not reduce any other payments to critical access hospitals. The authority shall provide a report of such payments to the Washington state hospital association within thirty days after payments are made.

Sec. 704. RCW 74.60.120 and 2014 c 143 s 2 are each amended to read as follows:

(1) ((~~Beginning~~)) In each state fiscal year ((~~2014~~)), commencing ((~~thirty days after~~)) upon satisfaction of the applicable conditions in RCW 74.60.150(1), ((~~and for the period of state fiscal years 2014 through 2019,~~)) the authority shall make supplemental payments directly to Washington hospitals, separately for inpatient and outpatient fee-for-service medicaid services, as follows:

(a) For inpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, twenty-nine million ((~~two hundred twenty-five thousand~~)) one hundred sixty-two thousand five hundred dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(b) For outpatient fee-for-service payments for prospective payment hospitals other than psychiatric or rehabilitation hospitals, thirty million dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(c) For inpatient fee-for-service payments for psychiatric hospitals, ((~~six hundred twenty-five thousand~~)) eight hundred seventy-five thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(d) For inpatient fee-for-service payments for rehabilitation hospitals, ((~~one hundred fifty thousand~~)) two hundred twenty-five thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds;

(e) For inpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds; and

(f) For outpatient fee-for-service payments for border hospitals, two hundred fifty thousand dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then amounts reduced in equal increments per fiscal year until the supplemental payment amount is zero by July 1, 2019, from the fund,~~)) plus federal matching funds.

(2) If the amount of inpatient or outpatient payments under subsection (1) of this section, when combined with federal matching funds, exceeds the upper payment limit, payments to each category of hospital must be reduced proportionately to a level where the total payment amount is consistent with the upper payment limit. Funds under this chapter unable to be paid to hospitals under this section because of the upper payment limit must be paid to managed care organizations under RCW 74.60.130, subject to the limitations in this chapter.

(3) The amount of such fee-for-service inpatient payments to individual hospitals within each of the categories identified in subsection (1)(a), (c), (d), and (e) of this section must be determined by:

(a) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to each hospital's inpatient fee-for-services claims and medicaid managed care encounter data for the base year;

(b) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to all hospitals' inpatient fee-for-services claims and medicaid managed care encounter data for the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(4) The amount of such fee-for-service outpatient payments to individual hospitals within each of the categories identified in subsection (1)(b) and (f) of this section must be determined by:

(a) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to each hospital's outpatient fee-for-services claims and medicaid managed care encounter data for the base year;

(b) Applying the medicaid fee-for-service rates in effect on July 1, 2009, without regard to the increases required by chapter 30, Laws of 2010 1st sp. sess. to all hospitals' outpatient fee-for-services

claims and medicaid managed care encounter data for the base year; and

(c) Using the amounts calculated under (a) and (b) of this subsection to determine an individual hospital's percentage of the total amount to be distributed to each category of hospital.

(5) ((~~Thirty days before the initial payments and~~)) Sixty days before the first payment in each subsequent fiscal year, the authority shall provide each hospital and the Washington state hospital association with an explanation of how the amounts due to each hospital under this section were calculated.

(6) Payments must be made in quarterly installments on or about the last day of every quarter. ((~~The initial payment must be made within thirty days after satisfaction of the conditions in RCW 74.60.150(1) and must include all amounts due from July 1, 2013, to either: (a) The end of the calendar quarter prior to when the conditions in RCW 70.60.150(1) [74.60.150(1)] are satisfied if approval is received more than forty-five days prior to the end of a quarter; or (b) the end of the calendar quarter after the satisfaction of the conditions in RCW 74.60.150(1) if approval is received within forty-five days of the end of a quarter.~~))

(7) A prospective payment system hospital commencing operations after January 1, 2009, is eligible to receive payments in accordance with this section after becoming an eligible new prospective payment system hospital as defined in RCW 74.60.010.

(8) Payments under this section are supplemental to all other payments and do not reduce any other payments to hospitals.

Sec. 705. RCW 74.60.130 and 2014 c 143 s 3 are each amended to read as follows:

(1) For state fiscal year ((~~2014~~)) 2016 and for each subsequent fiscal year, commencing within thirty days after satisfaction of the conditions in RCW 74.60.150(1) and subsection ((~~(6)~~)) (5) of this section, ((~~and for the period of state fiscal years 2014 through 2019,~~)) the authority shall increase capitation payments in a manner consistent with federal contracting requirements to managed care organizations by an amount at least equal to the amount available from the fund after deducting disbursements authorized by RCW 74.60.020(4) (c) through (f) and payments required by RCW 74.60.080 through 74.60.120. The capitation payment under this subsection must be no less than one hundred ((~~fifty-three~~)) million ((~~one hundred thirty-one thousand six hundred~~)) dollars per state fiscal year ((~~in fiscal years 2014 and 2015, and then the increased capitation payment amounts are reduced in equal increments per fiscal year until the increased capitation payment amount is zero by July 1, 2019,~~)) plus the maximum available amount of federal matching funds. The initial payment following satisfaction of the conditions in RCW 74.60.150(1) must include all amounts due from July 1, ((~~2013~~)) 2015, to the end of the calendar month during which the conditions in RCW 74.60.150(1) are satisfied. Subsequent payments shall be made monthly.

(2) ((~~In fiscal years 2015, 2016, and 2017, the authority shall use any additional federal matching funds for the increased managed care capitation payments under subsection (1) of this section available from medicaid expansion under the federal patient protection and affordable care act to substitute for assessment funds which otherwise would have been used to pay managed care plans under this section.~~

~~(3)~~)) Payments to individual managed care organizations shall be determined by the authority based on each organization's or network's enrollment relative to the anticipated total enrollment in each program for the fiscal year in question, the anticipated utilization of hospital services by an organization's or network's medicaid enrollees, and such other factors as are reasonable and appropriate to ensure that purposes of this chapter are met.

(((~~(4)~~))) (3) If the federal government determines that total payments to managed care organizations under this section exceed what is permitted under applicable medicaid laws and regulations, payments must be reduced to levels that meet such requirements, and the balance remaining must be applied as provided in RCW 74.60.050. Further, in the event a managed care organization is legally obligated to repay amounts distributed to hospitals under this section to the state or federal government, a managed care organization may recoup the amount it is obligated to repay under the medicaid program from individual hospitals by not more than the amount of overpayment each hospital received from that managed care organization.

(((~~(5)~~))) (4) Payments under this section do not reduce the amounts that otherwise would be paid to managed care organizations: PROVIDED, That such payments are consistent with actuarial soundness certification and enrollment.

(((~~(6)~~))) (5) Before making such payments, the authority shall require medicaid managed care organizations to comply with the following requirements:

(a) All payments to managed care organizations under this chapter must be expended for hospital services provided by Washington hospitals, which for purposes of this section includes psychiatric and rehabilitation hospitals, in a manner consistent with the purposes and provisions of this chapter, and must be equal to all increased capitation payments under this section received by the organization or network, consistent with actuarial certification and enrollment, less an allowance for any estimated premium taxes the organization is required to pay under Title 48 RCW associated with the payments under this chapter;

(b) Managed care organizations shall expend the increased capitation payments under this section in a manner consistent with the purposes of this chapter, with the initial expenditures to hospitals to be made within thirty days of receipt of payment from the authority. Subsequent expenditures by the managed care plans are to be made before the end of the quarter in which funds are received from the authority;

(c) Providing that any delegation or attempted delegation of an organization's or network's obligations under agreements with the authority do not relieve the organization or network of its obligations under this section and related contract provisions.

(((~~(7)~~))) (6) No hospital or managed care organizations may use the payments under this section to gain advantage in negotiations.

(((~~(8)~~))) (7) No hospital has a claim or cause of action against a managed care organization for monetary compensation based on the amount of payments under subsection (((~~(6)~~))) (5) of this section.

(((~~(9)~~))) (8) If funds cannot be used to pay for services in accordance with this chapter the managed care organization or network must return the funds to the authority which shall return them to the hospital safety net assessment fund.

Sec. 706. RCW 74.60.150 and 2013 2nd sp.s. c 17 s 15 are each amended to read as follows:

(1) The assessment, collection, and disbursement of funds under this chapter shall be conditional upon:

(a) Final approval by the centers for medicare and medicaid services of any state plan amendments or waiver requests that are necessary in order to implement the applicable sections of this chapter including, if necessary, waiver of the broad-based or uniformity requirements as specified under section 1903(w)(3)(E) of the federal social security act and 42 C.F.R. 433.68(e);

(b) To the extent necessary, amendment of contracts between the authority and managed care organizations in order to implement this chapter; and

(c) Certification by the office of financial management that appropriations have been adopted that fully support the rates established in this chapter for the upcoming fiscal year.

(2) This chapter does not take effect or ceases to be imposed, and any moneys remaining in the fund shall be refunded to hospitals in proportion to the amounts paid by such hospitals, if and to the extent that any of the following conditions occur:

(a) The federal department of health and human services and a court of competent jurisdiction makes a final determination, with all appeals exhausted, that any element of this chapter, other than RCW 74.60.100, cannot be validly implemented;

(b) Funds generated by the assessment for payments to prospective payment hospitals or managed care organizations are determined to be not eligible for federal match;

(c) Other funding sufficient to maintain aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, at least at the levels the state paid for those services on July 1, ((~~2009~~)) 2015, as adjusted for current enrollment and utilization((~~, but without regard to payment increases resulting from chapter 30, Laws of 2010 1st sp. sess.,~~)) is not appropriated or available;

(d) Payments required by this chapter are reduced, except as specifically authorized in this chapter, or payments are not made in substantial compliance with the time frames set forth in this chapter; or

(e) The fund is used as a substitute for or to supplant other funds, except as authorized by RCW 74.60.020.

Sec. 707. RCW 74.60.160 and 2013 2nd sp.s. c 17 s 17 are each amended to read as follows:

(1) The legislature intends to provide the hospitals with an opportunity to contract with the authority each fiscal biennium to protect the hospitals from future legislative action during the biennium that could result in hospitals receiving less from supplemental payments, increased managed care payments, disproportionate share hospital payments, or access payments than the hospitals expected to receive in return for the assessment based on the biennial appropriations and assessment legislation.

(2) Each odd-numbered year after enactment of the biennial omnibus operating appropriations act, the authority shall offer to enter into a contract or to extend an existing contract for the period of the fiscal biennium beginning July 1st with a hospital that is required to pay the assessment under this chapter. The contract must include the following terms:

(a) The authority must agree not to do any of the following:

(i) Increase the assessment from the level set by the authority pursuant to this chapter on the first day of the contract period for reasons other than those allowed under RCW 74.60.050(((~~(3)~~))) (2)(e);

(ii) Reduce aggregate payment levels to hospitals for inpatient and outpatient services covered by medicaid, including fee-for-service and managed care, ((~~allowing for variations due to budget-neutral rebasing and~~)) adjusting for changes in enrollment and utilization, from the levels the state paid for those services on the first day of the contract period;

(iii) For critical access hospitals only, reduce the levels of disproportionate share hospital payments under RCW 74.60.110 or access payments under RCW 74.60.100 for all critical access hospitals below the levels specified in those sections on the first day of the contract period;

(iv) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the levels of supplemental payments under RCW 74.60.120 for all prospective payment system hospitals below the levels specified in that section on the first day of the contract period unless the supplemental payments are reduced under RCW 74.60.120(2);

(v) For prospective payment system, psychiatric, and rehabilitation hospitals only, reduce the increased capitation payments to managed care organizations under RCW 74.60.130 below the levels specified in that section on the first day of the contract period unless the managed care payments are reduced under RCW 74.60.130(((~~(4)~~))) (3); or

(vi) Except as specified in this chapter, use assessment revenues for any other purpose than to secure federal medicaid matching funds to support payments to hospitals for medicaid services; and

(b) As long as payment levels are maintained as required under this chapter, the hospital must agree not to challenge the authority's reduction of hospital reimbursement rates to July 1, 2009, levels, which results from the elimination of assessment supported rate restorations and increases, under 42 U.S.C. Sec. 1396a(a)(30)(a) either through administrative appeals or in court during the period of the contract.

(3) If a court finds that the authority has breached an agreement with a hospital under subsection (2)(a) of this section, the authority:

(a) Must immediately refund any assessment payments made subsequent to the breach by that hospital upon receipt; and

(b) May discontinue supplemental payments, increased managed care payments, disproportionate share hospital payments, and access payments made subsequent to the breach for the hospital that are required under this chapter.

(4) The remedies provided in this section are not exclusive of any other remedies and rights that may be available to the hospital whether provided in this chapter or otherwise in law, equity, or statute.
