Hmmm... to pick a fight, or not pick a fight...
To throw down with them, or choose a different battle...
I'm so undecided

Jason Wilson of the Guardian is linked directly to Antifa. Many believe Antifa is a Domestic Terrorist organization. They keep attacking me like they are attacking President Trump. In fact, they use many of the exact same smears. That's because we are exposing them for the Deep State Socialists they are. They will not win. We will keep exposing them... Socialism will not win in America.
