April 2024

Judkins Park Station

CONNECTING ROUTES
7, 9x, 106

Please note that additional information regarding para-transit locations is currently being planned. Therefore, this information has yet to be included on these station site plan and vertical circulation maps. Additionally, these maps were created during the last phase of engagement for East Link Connections and noted bus routes and stops as well as station amenities may be subject to change closer to the opening due to unforeseen factors that were not accounted for during the time period in which the maps were created.
