CAUTION:External email.

Please give much consideration to voting for a Plan 1 cola for the next year. Those of us who have been missing regular yearly colas due to the unfunded liability have fallen far behind our peers in other plans. I don't believe that the Plan one teachers had anything to do with creating the unfunded problem, but we certainly have paid for it by not having the annual cola other plans have been receiving. So I am pleading our case and requesting that your committee again give us a Cola again.

Thank you
