I retired in 2006, I have called on 20th (and 19th) district legislators since 2010. I have a single issue I discuss with each of them; TRS/PERS Plan 1 COLA. It seems to me the issue is stuck. It routinely is handled the same way each legislative session no matter who is in control of the senate/house bodies. I would like to see this item and this "stuck" pension fact discussed by the SCPP more. Please provide increased time for members to discuss the TRS/PERS Pension fund and COLA.
