(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All ~~((taxes upon))~~ real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in this section, ~~((shall be))~~ are delinquent after that date.

(5) Except as provided in (c) of this subsection, delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the amount of tax delinquent from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of the tax payment (~~of the tax~~), regardless of when the taxes were first delinquent.
