Subject: TRS Proposed Plan 1 COLA
Date: Monday, December 11, 2023 2:00:59 PM

CAUTION: External email.

As a Plan 1 retiree, I am writing to urge you to recommend a permanent COLA for those of us who retired from the teaching profession more than 20 years ago. I appreciate the small increases which have been passed for the last few years, but until this is made permanent, I will continue to fall behind the inflation rate. My husband is retired from the State of Washington under Plan 2 and has been receiving a COLA every year since his retirement. This feels most unfair to me after working in the Washington public school system for 28 years. Please do whatever you can to push for equal treatment for those of us in the TRS Plan 1 system.

Thank you,
