The implementation plan shall be designed to improve the quality of state-purchased health services by reducing legend drug abuse, reducing duplicative prescribing and over-prescribing of legend drugs, and improving legend drug prescribing practices. The implementation plan shall include mechanisms that will eventually allow persons authorized to prescribe or dispense controlled substances to query the web-based interactive prescription monitoring program and obtain real time information regarding legend drug utilization history of persons for whom they are providing medical or pharmaceutical care when such persons are receiving health services through the programs included in this subsection.

**NEW SECTION. Sec. 41.** (1) Prescription information submitted to the authority shall be confidential, in compliance with chapter 70.02 RCW and federal health care information privacy requirements and not subject to disclosure, except as provided in subsections (3), (4), and (5) of this section.

(5) The authority may provide data to public or private entities for statistical, research, or educational purposes after removing information that could be used to identify individual patients, dispensers, prescribers, and persons who received prescriptions from dispensers.

(6) A dispenser or practitioner acting in good faith is immune from any civil, criminal, or administrative liability that might otherwise be incurred or imposed for requesting, receiving, or using information from the program.

**NEW SECTION. Sec. 42.** The authority may contract with another agency of this state or with a private vendor, as necessary, to ensure the effective operation of the prescription monitoring program. Any contractor is bound to comply with the provisions regarding confidentiality of prescription information in section 41 of this act and is subject to the penalties specified in section 44 of this act for unlawful acts.

**NEW SECTION. Sec. 43.** The authority shall adopt rules to implement this chapter.

**NEW SECTION. Sec. 46.** The legislature finds that many small employers struggle with the cost of providing employer-sponsored health insurance coverage to their employees, while others are unable to offer coverage due to its high cost. It is the intent of the legislature to encourage the availability of less expensive health insurance plans, and expand the flexibility of small employers to purchase less expensive products.

**Sec. 47.** RCW 70.47A.040 and 2006 c 255 s 4 are each amended to read as follows:

(1) Beginning July 1, 2007, the administrator shall accept applications from eligible employees, on behalf of themselves, their spouses, and their dependent children, to receive premium subsidies through the small employer health insurance partnership program.

(2) Premium subsidy payments may be provided to eligible employees ~~((#))~~ or participating carriers on behalf of employees.

(a) The eligible employee ~~((is))~~ must be employed by a small employer ~~((s)).~~

(b) ~~((The actuarial value of the health benefit plan offered by the small employer is at least equivalent to that of the basic health plan benefit offered under chapter 70.47 RCW. The office of the insurance commissioner under Title 48 RCW shall certify those small employer health benefit plans that are at least actuarially equivalent to the basic health plan benefit; and))~~ Small employers may offer any available health benefit plan including health savings accounts. Health savings account subsidy payments may be provided to eligible employees if the eligible employee participates in an employer-sponsored high deductible health plan and health savings account that conforms to the requirements of the United States internal revenue service.

(c) The small employer will pay at least forty percent of the monthly premium cost for health benefit plan coverage of the eligible employee.

(3) The amount of an eligible employee's premium subsidy shall be determined by applying the sliding scale subsidy schedule developed for subsidized basic health plan enrollees under RCW

(4) After an eligible individual has enrolled in the program, the program shall issue subsidies in an amount determined pursuant to subsection (3) of this section to either the eligible employee or to the carrier designated by the eligible employee.

(5) An eligible employee must agree to provide verification of continued enrollment in his or her small employer's health benefit plan on a semiannual basis or to notify the administrator whenever his or her enrollment status changes, whichever is earlier. Verification or notification may be made directly by the employee, or through his or her employer or the carrier providing the small employer health benefit plan. When necessary, the administrator has the authority to perform retrospective audits on premium subsidy accounts. The administrator may suspend or terminate an employee's participation in the program and seek repayment of any subsidy amounts paid due to the omission or misrepresentation of an applicant or enrolled employee. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources.

**Sec. 48.** RCW 48.21.045 and 2004 c 244 s 1 are each amended to read as follows:

~~((b))~~ A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.21.130, 48.21.140, 48.21.141, 48.21.142, 48.21.144, 48.21.146, 48.21.160 through 48.21.197, 48.21.200, 48.21.220, 48.21.225, 48.21.230, 48.21.235, 48.21.240, 48.21.244, 48.21.250, 48.21.300, 48.21.310, or 48.21.320.

~~((2))~~ (a) The plan offered under this subsection may be offered with a choice of cost-sharing arrangements, and may, but is not required to, comply with: RCW 48.21.130 through 48.21.240, 48.21.244 through 48.21.280, 48.21.300 through 48.21.320, 48.43.045(1) except as required in (b) of this subsection, 48.43.093, 48.43.115 through 48.43.185, 48.43.515(5), or 48.42.100.

(b) In offering the plan under this subsection, the insurer must offer the small employer the option of permitting every category of health care provider to provide health services or care for conditions covered by the plan pursuant to RCW 48.43.045(1).

(2) An insurer offering the plan under subsection (1) of this section must also offer and actively market to the small employer at least one additional health benefit plan.

(3) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

~~((3))~~ (4) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection ~~((3))~~ (4).

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the enrollment of the small employer;

- (iii) Changes to the health benefit plan requested by the small employer; or
- (iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs ~~((due to network provider reimbursement schedules or type of network))~~ for a plan. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Except for small group health benefit plans that qualify as insurance coverage combined with a health savings account defined by the United States internal revenue service, adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage. Variations of greater than eight percentage points are subject to review by the commissioner and must be approved or denied within thirty days of submittal. A variation that is not denied within ~~((sixty))~~ thirty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial ~~((within thirty days))~~ at the time of the denial.

~~((4))~~ (5) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

~~((5))~~ (6)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small

employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

- (i) One hundred percent of eligible employees working for groups with three or less employees; and
- (ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

~~((6))~~ (7) An insurer must offer coverage to all eligible employees of a small employer and their dependents. - (iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs ~~((due to network provider reimbursement schedules or type of network))~~ for a plan. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Except for small group health benefit plans that qualify as insurance coverage combined with a health savings account as defined by the United States internal revenue service, adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus ~~((four))~~ eight percentage points from the overall adjustment of a carrier's entire small group pool ~~((such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are~~

~~subject to review by the commissioner, and must be approved or denied within sixty days of submittal))~~ if certified by a member of the American academy of actuaries, that: (i) The variation is a result of deductible leverage, benefit design, claims cost trend for the plan, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the health maintenance organization's small group pool. Variations of greater than eight percentage points are subject to review by the commissioner and must be approved or denied within thirty days of submittal. A variation that is not denied within ~~((sixty))~~ thirty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial ~~((within thirty days))~~ at the time of the denial.

~~((4))~~ (5) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

~~((5))~~ (6)(a) Except as provided in this subsection, requirements used by a health maintenance organization in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A health maintenance organization shall not require a minimum participation level greater than:

- (i) One hundred percent of eligible employees working for groups with three or less employees; and
- (ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A health maintenance organization may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

~~((6))~~ (7) A health maintenance organization must offer coverage to all eligible employees of a small employer and their dependents. A health maintenance organization may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A health maintenance organization may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(2) Employers purchasing health plans provided through associations or through member-governed groups formed specifically for the purpose of purchasing health care are not small employers and the plans are not subject to RCW 48.21.045~~((3))~~ (4).

#### WASHINGTON HEALTH INSURANCE CONNECTOR

**NEW SECTION. Sec. 55.** A new section is added to chapter 41.05 RCW to read as follows:

(1) The authority, in collaboration with an advisory board established under subsection (3) of this section, shall design a Washington health insurance connector and submit implementing legislation and supporting information, including funding options, to the governor and the legislature by December 1, 2007. The connector shall be designed to serve as a statewide, public-private partnership, offering maximum value for Washington state residents, through which nonlarge group health insurance may be bought and sold. It is the goal of the connector to:

(a) Ensure that employees of small businesses and other individuals can find affordable health insurance;

(b) Provide a mechanism for small businesses to contribute to their employees' coverage without the administrative burden of directly shopping or contracting for insurance;

(c) Ensure that individuals can access coverage as they change and/or work in multiple jobs;

(d) Coordinate with other state agency health insurance assistance programs, including the department of social and health services medical assistance programs and the authority's basic health program; and

(e) Lead the health insurance marketplace in implementation of evidence-based medicine, data transparency, prevention and wellness incentives, and outcome-based reimbursement.

(2) In designing the connector, the authority shall:

(a) Address all operational and governance issues;

(b) Consider best practices in the private and public sectors regarding, but not limited to, such issues as risk and/or purchasing pooling, market competition drivers, risk selection, and consumer choice and responsibility incentives; and

(c) Address key functions of the connector, including but not limited to:

(i) Methods for small businesses and their employees to realize tax benefits from their financial contributions;

(ii) Options for offering choice among a broad array of affordable insurance products designed to meet individual needs, including waiving some current regulatory requirements. Options may include a health savings account/high-deductible health plan, a comprehensive health benefit plan, and other benchmark plans;

(iii) Benchmarking health insurance products to a reasonable standard to enable individuals to make an informed choice of the coverage that is right for them;

(iv) Aggregating premium contributions for an individual from multiple sources: Employers, individuals, philanthropies, and government;

(v) Mechanisms to collect and distribute workers' enrollment information and premium payments to the health plan of their choice;

(vi) Mechanisms for spreading health risk widely to support health insurance premiums that are more affordable;

(vii) Opportunities to reward carriers and consumers whose behavior is consistent with quality, efficiency, and evidence-based best practices;

(viii) Coordination of the transmission of premium assistance payments with the department of social and health services for individuals eligible for the department's employer-sponsored insurance program.

(3) The authority shall appoint an advisory board and designate a chair. Members of the advisory board shall receive no compensation, but shall be reimbursed for expenses under RCW 43.03.050 and 43.03.060. Meetings of the board are subject to chapter 42.30 RCW, the open public meetings act, including RCW 42.30.110(1)(l), which authorizes an executive session during a regular or special meeting to consider proprietary or confidential nonpublished information.

(4) The authority may enter into contracts to issue, distribute, and administer grants that are necessary or proper to carry out the requirements of this section.

### Creating innovative primary health care delivery.

The bill was read the second time.

Amendment (550) was ruled out of order.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** It is the public policy of Washington to promote access to medical care for all citizens and to encourage innovative arrangements between patients and providers that will help provide all citizens with a medical home.

Washington needs a multipronged approach to provide adequate health care to many citizens who lack adequate access to it. Direct patient-provider practices, in which patients enter into a direct relationship with medical practitioners and pay a fixed amount directly to the health care provider for primary care services, represent an innovative, affordable option which could improve access to medical care, reduce the number of people who now lack such access, and cut down on emergency room use for primary care purposes, thereby freeing up emergency room facilities to treat true emergencies.

**Sec. 2.** RCW 48.44.010 and 1990 c 120 s 1 are each amended to read as follows:

For the purposes of this chapter:

(1) "Health care services" means and includes medical, surgical, dental, chiropractic, hospital, optometric, podiatric, pharmaceutical, ambulance, custodial, mental health, and other therapeutic services.

(2) "Provider" means any health professional, hospital, or other institution, organization, or person that furnishes health care services and is licensed to furnish such services.

(3) "Health care service contractor" means any corporation, cooperative group, or association, which is sponsored by or otherwise intimately connected with a provider or group of providers, who or which not otherwise being engaged in the insurance business, accepts prepayment for health care services from or for the benefit of persons or groups of persons as consideration for providing such persons with any health care services. "Health care service contractor" does not include direct patient-provider primary care practices as defined in section 3 of this act.

(4) "Participating provider" means a provider, who or which has contracted in writing with a health care service contractor to accept payment from and to look solely to such contractor according to the terms of the subscriber contract for any health care services rendered to a person who has previously paid, or on whose behalf prepayment has been made, to such contractor for such services.

(5) "Enrolled participant" means a person or group of persons who have entered into a contractual arrangement or on whose behalf

a contractual arrangement has been entered into with a health care service contractor to receive health care services.

(6) "Commissioner" means the insurance commissioner.

(7) "Uncovered expenditures" means the costs to the health care service contractor for health care services that are the obligation of the health care service contractor for which an enrolled participant would also be liable in the event of the health care service contractor's insolvency and for which no alternative arrangements have been made as provided herein. The term does not include expenditures for covered services when a provider has agreed not to bill the enrolled participant even though the provider is not paid by the health care service contractor, or for services that are guaranteed, insured or assumed by a person or organization other than the health care service contractor.

(8) "Copayment" means an amount specified in a group or individual contract which is an obligation of an enrolled participant for a specific service which is not fully prepaid.

(9) "Deductible" means the amount an enrolled participant is responsible to pay before the health care service contractor begins to pay the costs associated with treatment.

(10) "Group contract" means a contract for health care services which by its terms limits eligibility to members of a specific group. The group contract may include coverage for dependents.

(11) "Individual contract" means a contract for health care services issued to and covering an individual. An individual contract may include dependents.

(12) "Carrier" means a health maintenance organization, an insurer, a health care service contractor, or other entity responsible for the payment of benefits or provision of services under a group or individual contract.

(13) "Replacement coverage" means the benefits provided by a succeeding carrier.

(14) "Insolvent" or "insolvency" means that the organization has been declared insolvent and is placed under an order of liquidation by a court of competent jurisdiction.

(15) "Fully subordinated debt" means those debts that meet the requirements of RCW 48.44.037(3) and are recorded as equity.

(16) "Net worth" means the excess of total admitted assets as defined in RCW 48.12.010 over total liabilities but the liabilities shall not include fully subordinated debt.

**NEW SECTION. Sec. 3.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Direct patient-provider primary care practice" and "direct practice" means a provider, group, or entity that meets the following criteria in (a), (b), (c), and (d) of this subsection:

Such entity is not prohibited from sponsoring, employing, or being otherwise affiliated with other types of health care providers not engaged in a direct practice;

(b) Enters into direct agreements with direct patients or parents or legal guardians of direct patients;

(4) "Direct agreement" means a written agreement entered into between a direct practice and an individual direct patient, or the parent or legal guardian of the direct patient or a family of direct patients, whereby the direct practice charges a direct fee as consideration for being available to provide and providing primary care services to the individual direct patient. A direct agreement must (a) describe the specific health care services the direct practice will provide; and (b) be terminable at will upon written notice by the direct patient.

(5) "Health care provider" or "provider" means a person regulated under Title 18 RCW or chapter 70.127 RCW to practice health or health-related services or otherwise practicing health care services in this state consistent with state law.

**NEW SECTION. Sec. 4.** Except as provided in section 7 of this act, no direct practice shall decline to accept any person solely on account of race, religion, national origin, the presence of any sensory, mental, or physical disability, education, economic status, or sexual orientation.

**NEW SECTION. Sec. 5.** (1) A direct practice must charge a direct fee on a monthly basis. The fee must represent the total amount due for all primary care services specified in the direct agreement and may be paid by the direct patient or on his or her behalf by others.

(2) A direct practice must:

(a) Maintain appropriate accounts and provide data regarding payments made and services received to direct patients upon request; and

(b) Either:

(i) Bill patients at the end of each monthly period; or

(ii) If the patient pays the monthly fee in advance, promptly refund to the direct patient all unearned direct fees following receipt of written notice of termination of the direct agreement from the direct patient. The amount of the direct fee considered earned shall be a proration of the monthly fee as of the date the notice of termination is received.

(3) If the patient chooses to pay more than one monthly direct fee in advance, the funds must be held in a trust account and paid to the direct practice as earned at the end of each month. Any unearned direct fees held in trust following receipt of termination of the direct agreement shall be promptly refunded to the direct patient. The amount of the direct fee earned shall be a proration of the monthly fee for the then current month as of the date the notice of termination is received.

(4) The direct fee schedule applying to an existing direct patient may not be increased over the annual negotiated amount more frequently than annually. A direct practice shall provide advance notice to existing patients of any change within the fee schedule applying to those existing direct patients. A direct practice shall provide at least sixty days' advance notice of any change in the fee.

(5) A direct practice must designate a contact person to receive and address any patient complaints.

(6) Direct fees for comparable services within a direct practice shall not vary from patient to patient based on health status or sex.

**NEW SECTION. Sec. 6.** (1) Direct practices may not:

(a) Enter into a participating provider contract as defined in RCW 48.44.010 or 48.46.020 with any carrier or with any carrier's contractor or subcontractor, or plans administered under chapter 41.05, 70.47, or 70.47A RCW, to provide health care services through a direct agreement except as set forth in subsection (2) of this section;

(b) Submit a claim for payment to any carrier or any carrier's contractor or subcontractor, or plans administered under chapter 41.05, 70.47, or 70.47A RCW, for health care services provided to direct patients as covered by their agreement;

(c) With respect to services provided through a direct agreement, be identified by a carrier or any carrier's contractor or subcontractor, or plans administered under chapter 41.05, 70.47, or 70.47A RCW, as a participant in the carrier's or any carrier's contractor or subcontractor network for purposes of determining network adequacy or being available for selection by an enrollee under a carrier's benefit plan; or

(d) Pay for health care services covered by a direct agreement rendered to direct patients by providers other than the providers in the direct practice or their employees, except as described in subsection (2)(b) of this section.

(2) Direct practices and providers may:

(a) Enter into a participating provider contract as defined by RCW 48.44.010 and 48.46.020 or plans administered under chapter 41.05, 70.47, or 70.47A RCW for purposes other than payment of claims for services provided to direct patients through a direct agreement. Such providers shall be subject to all other provisions of the participating provider contract applicable to participating providers including but not limited to the right to:

(i) Make referrals to other participating providers;

(ii) Admit the carrier's members to participating hospitals and other health care facilities;

(iii) Prescribe prescription drugs; and

(iv) Implement other customary provisions of the contract not dealing with reimbursement of services;

(b) Pay for charges associated with the provision of routine lab and imaging services provided in connection with wellness physical examinations. In aggregate such payments per year per direct patient are not to exceed fifteen percent of the total annual direct fee charged that direct patient. Exceptions to this limitation may occur in the event of short-term equipment failure if such failure prevents the provision of care that should not be delayed; and

(c) Charge an additional fee to direct patients for supplies, medications, and specific vaccines provided to direct patients that are specifically excluded under the agreement, provided the direct practice notifies the direct patient of the additional charge, prior to their administration or delivery.

**NEW SECTION. Sec. 7.** (1) Direct practices may not decline to accept new direct patients or discontinue care to existing patients solely because of the patient's health status. A direct practice may decline to accept a patient if the practice has reached its maximum capacity, or if the patient's medical condition is such that the provider is unable to provide the appropriate level and type of health care services in the direct practice. So long as the direct practice provides the patient notice and opportunity to obtain care from another physician, the direct practice may discontinue care for direct patients if: (a) The patient fails to pay the direct fee under the terms required by the direct agreement; (b) the patient has performed an act that constitutes fraud; (c) the patient repeatedly fails to comply with the recommended treatment plan; (d) the patient is abusive and presents an emotional or physical danger to the staff or other patients of the direct practice; or (e) the direct practice discontinues operation as a direct practice.

(2) Direct practices may accept payment of direct fees directly or indirectly from nonemployer third parties.

**NEW SECTION. Sec. 8.** Direct practices, as defined in section 3 of this act, who comply with this chapter are not insurers under RCW 48.01.050, health carriers under chapter 48.43 RCW, health care service contractors under chapter 48.44 RCW, or health maintenance organizations under chapter 48.46 RCW.

**NEW SECTION. Sec. 9.** A person shall not make, publish, or disseminate any false, deceptive, or misleading representation or advertising in the conduct of the business of a direct practice, or relative to the business of a direct practice.

**NEW SECTION. Sec. 10.** A person shall not make, issue, or circulate, or cause to be made, issued, or circulated, a misrepresentation of the terms of any direct agreement, or the benefits or advantages promised thereby, or use the name or title of any direct agreement misrepresenting the nature thereof.

**NEW SECTION. Sec. 11.** Violations of this chapter constitute unprofessional conduct enforceable under RCW 18.130.180.

**NEW SECTION. Sec. 12.** (1) Direct practices must submit annual statements, beginning on October 1, 2007, to the office of insurance commissioner specifying the number of providers in each practice, total number of patients being served, the average direct fee being charged, providers' names, and the business address for each direct practice. The form and content for the annual statement must be developed in a manner prescribed by the commissioner.

(2) A health care provider may not act as, or hold himself or herself out to be, a direct practice in this state, nor may a direct agreement be entered into with a direct patient in this state, unless the provider submits the annual statement in subsection (1) of this section to the commissioner.

(3) The commissioner shall report annually to the legislature on direct practices including, but not limited to, participation trends, complaints received, voluntary data reported by the direct practices, and any necessary modifications to this chapter. The initial report shall be due December 1, 2009.

**NEW SECTION. Sec. 13.** (1) A direct agreement must include the following disclaimer: "This agreement does not provide comprehensive health insurance coverage. It provides only the health care services specifically described." The direct agreement may not be sold to a group and may not be entered with a group of subscribers. It must be an agreement between a direct practice and an individual direct patient. Nothing prohibits the presentation of marketing materials to groups of potential subscribers or their representatives.

(2) A comprehensive disclosure statement shall be distributed to all direct patients with their participation forms. Such disclosure must inform the direct patients of their financial rights and responsibilities to the direct practice as provided for in this chapter, encourage that direct patients obtain and maintain insurance for services not provided by the direct practice, and state that the direct practice will not bill a carrier for services covered under the direct agreement. The disclosure statement shall include contact information for the office of the insurance commissioner.

**NEW SECTION. Sec. 14.** By December 1, 2012, the commissioner shall submit a study of direct care practices to the appropriate committees of the senate and house of representatives. The study shall include an analysis of the extent to which direct care practices:

(1) Improve or reduce access to primary health care services by recipients of medicare and medicaid, individuals with private health insurance, and the uninsured;

(2) Provide adequate protection for consumers from practice bankruptcy, practice decisions to drop participants, or health conditions not covered by direct care practices;

(3) Increase premium costs for individuals who have health coverage through traditional health insurance;

(4) Have an impact on a health carrier's ability to meet network adequacy standards set by the commissioner or state health purchasing agencies; and

(5) Cover a population that is different from individuals covered through traditional health insurance.

The study shall also examine the extent to which individuals and families participating in a direct care practice maintain health coverage for health conditions not covered by the direct care practice. The commissioner shall recommend to the legislature whether the

statutory authority for direct care practices to operate should be continued, modified, or repealed.

**NEW SECTION. Sec. 15.** Sections 1 and 3 through 14 of this act constitute a new chapter in Title 48 RCW."

The commission shall take into consideration factors such as the company's forecasted loads, need for energy, power plant technology, expected costs, and other associated investment decisions. The commission shall not decide in a proceeding under this subsection (5) issues involving the actual costs to construct and operate the selected resource, cost recovery, or other issues reserved by the commission for decision in a general rate case or other proceeding for recovery of the resource or contract costs. A proceeding under this subsection (5) shall be conducted pursuant to chapter 34.05 RCW (Part IV). The commission shall adopt rules to provide that the schedule for a proceeding under this subsection takes into account both (a) the needs of the parties to the proposed resource acquisition or power purchase agreement for timely decisions that allow transactions to be completed and (b) the procedural rights to be provided to parties in chapter 34.05 RCW (Part IV), including intervention, discovery, briefing, and hearing.

(6) An electrical company may account for and defer for later consideration by the commission costs incurred in connection with the long-term financial commitment, including operating and maintenance costs, depreciation, taxes, and cost of invested capital. The deferral begins with the date on which the power plant begins commercial operation or the effective date of the power purchase agreement and continues for a period not to exceed 24 months; provided that if during such period the company files a general rate case or other proceeding for the recovery of such costs, deferral ends on the effective date of the final decision by the commission in such proceeding. ### COLLOQUY

Representative DeBolt: "Does the bill provide a backstop for an IGCC facility that is in the EFSEC permitting process on the effective date of this act?"

Representative Dunshee: "Yes. If that facility is sited and concludes after 5 years of real effort that it cannot in fact permanently sequester CO2 emissions to meet the emissions performance standard, it is allowed another option for compliance. That option ensures that the facility will purchase verifiable, additional emissions reductions from another power plant. We must be clear in our intent -- the idea is not to provide an alternative compliance path to meeting the emissions performance standard. Instead, this is a provision specific to power plants on the drawing board now, and recognizes that the technology for permanent sequestration is still in its early stages. Those power plants must propose real CO2 sequestration plans, as provided in the bill, and must pursue solid efforts to permanently sequester emissions. Permanent sequestration is critical to reducing our greenhouse gas emissions footprint."

The Speaker (Representative Lovick presiding) stated the question before the House to be the final passage of Engrossed Substitute Senate Bill No. 6001, as amended by the House.

Given that Engrossed Senate Bill 5498 was not reported out of the House Finance Committee until Friday, April 6<sup>th</sup>, four days after the cutoff date set in House Concurrent Resolution 4401 and considering the ruling on House Bill 2403, I ask is Engrossed Senate Bill 5498 properly before us for consideration?"

**SPEAKER'S RULING**

Mr. Speaker (Representative Lovick presiding): "The Speaker would direct the members to Sections 111 and 112 of Reed's Rules. These sections provide that any objection to a question being considered because of conflicts with rules and orders already established, or with proceedings already determined upon by the assembly, must be presented in a timely fashion. Once action has been taken it is too late.

The bill is on the House Second Reading calendar. The Speaker would note that HCR 4401, the cutoff resolution, sets a deadline for today at 5:00 p.m. for the House to consider Senate bills, with limited exceptions not relevant here. That is the only part of the cutoff resolution relevant to this body's consideration of this measure, and it clearly allows consideration of the bill until the stated deadline.

Any inquiry or objection as to whether the bill met earlier cutoff deadlines are out of order because they were not raised in a timely fashion."

The Speaker (Representative Lovick presiding): "ENGROSSED SENATE BILL NO. 5498 is entitled AN ACT relating to "revising voter-approved funding sources for local taxing districts." The bill modifies non-supplantation requirements for voter-approved sales and property tax increases, and extends to other taxing districts the authority that cities and counties have to seek voter-approved multi-year regular levy increases above the 1 percent limit.

Amendment (697) strikes the entire bill and reenacts the regular levy growth limitations adopted under Initiative 747. Section 1 of the amendment places a limit on the rate by which

the legislative authority of a taxing district may increase its regular levy annually in the absence of a public vote.

The amendment is not limited to voter-approved taxes but also extends to non-voter-approved taxes. The Speaker therefore finds the amendment is beyond the scope and object of the bill.

Representative Springer, your point of order is well taken."

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representative Hunter spoke in favor of passage of the bill.

Representative Orcutt spoke against the passage of the bill.

The Speaker (Representative Lovick presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 5498.

Representative Clibborn spoke against the adoption of the amendment to the committee amendment

The amendment to the committee amendment was not adopted.

Representative Clibborn moved the adoption of amendment (857) to the committee amendment:

On page 1, beginning on line 3 of the amendment, strike all of sections 1 through 5 and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the replacement of the vulnerable state route number 520 corridor is a matter of urgency for the safety of Washington's traveling public and the needs of the transportation system in central Puget Sound. The state route number 520 floating bridge is susceptible to damage, closure, or even catastrophic failure from earthquakes, windstorms, and waves. Additionally, the bridge serves as a vital route for vehicles to cross Lake Washington, carrying over three times its design capacity in traffic, resulting in more than seven hours of congestion per day.

Therefore, it is the conclusion of the legislature that time is of the essence, and that Washington state cannot wait for a disaster to make it fully appreciate the urgency of the need to replace this vulnerable structure. The state must take the necessary steps to move forward with a state route number 520 bridge replacement project design that provides six total lanes, with four general purpose lanes and two lanes that are for high occupancy vehicle travel that could also accommodate high capacity transportation, and the bridge shall

also be designed to accommodate light rail in the future. High occupancy vehicle lanes in the state route 520 corridor must also be able to support a bus rapid transit system.

**NEW SECTION. Sec. 2.** A new section is added to chapter 47.01 RCW to read as follows:

(1) As soon as practicable after the effective date of this act, and after consulting with the city of Seattle, the office of financial management shall hire a mediator, and appropriate planning staff, including urban, transportation, and neighborhood planners, to develop a state route number 520 project impact plan for addressing the impacts of the state route number 520 bridge replacement and HOV project design on Seattle city neighborhoods, parks, including the Washington park arboretum, and institutions of higher education. The mediator must have significant professional experience in working with communities that surround major transportation construction projects, and mitigating the impacts of those transportation projects on those communities. The office of financial management shall hire the mediator and the planning staff within existing appropriations allocated for the state route number 520 bridge replacement and HOV project. The position of mediator under this section is not considered a certified or legally binding position.

(2) The mediator's responsibility to develop a project impact plan is highly time sensitive. As a result, competitive bidding is not cost-effective or appropriate for personal service contracts to hire the mediator. The director of the office of financial management shall, by the director's authority under RCW 39.29.011(5), exempt any such personal service contract from the competitive bidding requirements of chapter 39.29 RCW.

(3) In evaluating the project impacts, the mediator must consider the concerns of neighborhoods and institutions of higher education directly impacted by the proposed design, establish a process that incorporates interest-based negotiation, and work with the appropriate planning staff to develop mitigation recommendations related to the project design. The mediator shall work to ensure that the project impact plan provides a comprehensive approach to mitigating the impacts of the project, including incorporating construction mitigation plans.

(4) The ultimate goal of the mediation and planning process established in subsection (1) of this section is to develop a project impact plan agreed to by all appropriate parties including, but not limited to, those parties listed in subsection (6) of this section. The project impact plan must be consistent with RCW 47.01.380, and must support and be consistent with the approved purpose and need statement for the project, which is: "The purpose of the project is to improve mobility for people and goods across Lake Washington within the SR 520 corridor from Seattle to Redmond in a manner that is safe, reliable, and cost-effective while avoiding, minimizing, and/or mitigating impacts on the affected neighborhoods and the environment." The mediator must strive to develop a consensus-based plan. In the event that the mediation process does not result in consensus, the mediator shall submit a project impact plan to the governor and the joint transportation committee that reflects the views of the majority of the mediation participants.

(5) The process established in subsection (1) of this section shall result in a project design that provides six total lanes, with four general purpose lanes and two lanes that are for high occupancy vehicle travel that could also accommodate high capacity transportation. The bridge shall also be designed to accommodate light rail in the future and to support a bus rapid transit system. Additionally, the mediator shall strive to develop a project impact plan within the constraints of the range of estimated project costs as of May 1, 2007.

(6)(a) In performing the duties of this section, and consistent with the governor's findings and conclusions, dated December 15, 2006, the mediator shall work with interested parties directly affected by the state route number 520 bridge replacement and HOV project including, but not limited to, at least the following:

- (i) Representation from each neighborhood directly impacted by the project;
- (ii) Representation from local governments on both ends of the bridge directly impacted by the project;

- (iii) Representation from King county;
- (iv) Representation from the Washington park arboretum;
- (v) Representation from the University of Washington; and
- (vi) Representation from sound transit.

(b) The mediator shall also work with the department and others as necessary.

(c) Before the mediator may submit the project impact plan, it must be reviewed by the mayor of Seattle and the Seattle city council. The project impact plan must reflect whether the mayor and council concur or do not concur with the plan and include an explanation regarding their positions.

(7) Until December 1, 2008, the mediator must provide periodic reports to the joint transportation committee and the governor regarding the status of the project impact plan development process. The mediator must submit a progress report to the joint transportation committee and the governor by August 1, 2007. The mediator must submit a final project impact plan to the governor and legislature by December 1, 2008.

**NEW SECTION. Sec. 3.** A new section is added to chapter 47.01 RCW to read as follows:

In developing the state route number 520 project impact plan provided in section 2 of this act, the mediator and associated planning staff shall review the department's project design plans in the draft environmental impact statement for conformance with the following legislative goals regarding the final design for the state route number 520 bridge replacement and HOV project:

(1) Minimize the total footprint and width of the bridge, and seek appropriate federal design variances to safety and mobility standards, while complying with other federal laws;

(2) Minimize the project impact on surrounding neighborhoods, including incorporation of green lids and connectors, and minimize any increases in additional traffic volumes through the Washington park arboretum and other adjacent neighborhoods;

(3) Incorporate the recommendations of a health impact assessment to calculate the project's impact on air quality, carbon emissions, and other public health issues, conducted by the Puget Sound clean air agency and King county public health;

(4) Ensure that the ultimate project configuration effectively prioritizes maintaining travel time, speed, and reliability on the two high-occupancy vehicle lanes; and

(5) Clearly articulate in required environmental documents the alignment of the selected preferred alternative for the state route number 520 bridge replacement and HOV project and the footprint of the project and the affected areas.

**NEW SECTION. Sec. 4.** A new section is added to chapter 47.01 RCW to read as follows:

In addition to the review required in section 3 of this act, the mediator may determine that additional alternative concept designs should be considered for the west end of the project to best meet the expressed legislative goals described in section 3 of this act. The mediator may contract with an engineering firm to conduct an independent feasibility analysis of the following proposals: A combination of tunnels and submerged tubes under Lake Washington; a partial tunnel from Interstate 5 to the west end of the state route number 520 bridge; and a proposal to move state route number 520 from its current alignment through the arboretum. The analyses for all alternative concept design plans must be submitted to the joint transportation committee and the governor by September 1, 2007. The mediator must hold a public hearing regarding the results of the independent review and reflect the independent review findings in the project impact plan. Up to two hundred fifty thousand dollars of the existing funding appropriation to the project shall be used for reviewing these alternative concept design plans.

**Sec. 5.** RCW 47.01.380 and 2006 c 311 s 26 are each amended to read as follows:

(1) The department shall not commence construction on any part of the state route number 520 bridge replacement and HOV project until a record of decision has been reached providing reasonable assurance that project impacts will be avoided, minimized, or mitigated as much as practicable to protect against further adverse

impacts on neighborhood environmental quality as a result of repairs and improvements made to the state route number 520 bridge and its connecting roadways, and that any such impacts will be addressed through engineering design choices, mitigation measures, or a combination of both.

(2) The department shall not commence on-site construction on any part of the state route number 520 bridge replacement and HOV project until the department submits the finance plan required in section 7 of this act to the legislature.

(3) The requirements of this section shall not apply to off-site pontoon construction supporting the state route number 520 bridge replacement and HOV project.

**NEW SECTION. Sec. 6.** A new section is added to chapter 47.01 RCW to read as follows:

As part of the state route number 520 bridge replacement and HOV project, the governor's office shall work with the department, sound transit, King county metro, and the University of Washington, to plan for high capacity transportation in the state route number 520 corridor. The parties shall jointly develop a multimodal transportation plan that ensures the effective and efficient coordination of bus services and light rail services throughout the state route number 520 corridor. The plan shall include alternatives for a multimodal transit station that serves the state route number 520 - Montlake interchange vicinity, and mitigation of impacts on affected parties. The high capacity transportation planning work must be closely coordinated with the state route number 520 bridge replacement and HOV project's environmental planning process, and must be completed within the current funding for the project. A draft plan must be submitted to the governor and the joint transportation committee by October 1, 2007. A final plan must be submitted to the governor and the joint transportation committee by December 2008.

**NEW SECTION. Sec. 7.** A new section is added to chapter 47.01 RCW to read as follows:

The state route number 520 bridge replacement and HOV project finance plan must include state funding, federal funding, at least one billion dollars in regional contributions, and revenue from tolling. The department must provide a proposed finance plan to be tied to the estimated cost of the recommended project solutions, as provided under section 3 of this act, to the governor and the joint transportation committee by January 1, 2008.

**NEW SECTION. Sec. 8.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 9.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

"**Sec. 1.** RCW 36.70A.060 and 2005 c 423 s 3 are each amended to read as follows:

(1)(a) Except as provided in RCW 36.70A.1701, each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, to assure the conservation of agricultural,

forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.040. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals.

(b) Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within five hundred feet of, lands designated as agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration. The notice for mineral resource lands shall also inform that an application might be made for mining-related activities, including mining, extraction, washing, crushing, stockpiling, blasting, transporting, and recycling of minerals.

(2) Each county and city shall adopt development regulations that protect critical areas that are required to be designated under RCW 36.70A.170. For counties and cities that are required or choose to plan under RCW 36.70A.040, such development regulations shall be adopted on or before September 1, 1991. For the remainder of the counties and cities, such development regulations shall be adopted on or before March 1, 1992.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development regulations under RCW 36.70A.120 and may alter such designations and development regulations to insure consistency.

(4) Forest land and agricultural land located within urban growth areas shall not be designated by a county or city as forest land or agricultural land of long-term commercial significance under RCW 36.70A.170 unless the city or county has enacted a program authorizing transfer or purchase of development rights.

(5) Critical area ordinances and development regulations developed or amended after the effective date of this section by local governments under this chapter may not prohibit legally existing agricultural activities occurring on agricultural land, as defined in RCW 90.58.065, and may not require removal of agricultural land from production. This section applies only to this chapter and does not affect any other authority of local governments.

Representative Simpson moved the adoption of amendment (858) to the committee amendment:

Strike everything after page 1, line 2 of the amendment and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that the goal of preserving Washington's agricultural lands is shared by citizens throughout the state. The legislature recognizes that efforts to achieve a balance between the productive use of these resource lands and associated regulatory requirements have proven difficult, but that good faith efforts to seek solutions have yielded successes. The legislature believes that this willingness to find and pursue common ground will enable Washingtonians to enjoy the benefits of a successful agricultural economy and a healthy environment, while also preventing the unnecessary conversion of valuable agricultural lands.

(2) The legislature, therefore, intends this act, the temporary delays it establishes for amending or adopting provisions of certain critical area ordinances, and the duties and requirements it prescribes for the William D. Ruckelshaus Center, to be expressions of progress in resolving, harmonizing, and advancing commonly held environmental protection and agricultural viability goals.

(3) The legislature fully expects the duties and requirements it is prescribing for the Ruckelshaus Center to be successful. If, however, the efforts of the center do not result in agreement on how to best address the conflicts between agricultural activities and certain regulatory requirements as they apply to agricultural activities, the legislature intends, upon the expiration of the delay, to require jurisdictions that have delayed amending or adopting certain regulatory measures to promptly complete all regulatory amendments or adoptions necessary to comply with the growth management act.

(4) The legislature does not intend this act to reduce or otherwise diminish existing critical area ordinances that apply to agricultural activities during the deferral period established in section 2 of this act.

**NEW SECTION. Sec. 2.** A new section is added to chapter 36.70A RCW to read as follows:

(1) For the period beginning May 1, 2007, and concluding July 1, 2010, counties and cities may not amend or adopt critical area

ordinances under RCW 36.70A.060(2) as they specifically apply to agricultural activities. Nothing in this section:

(a) Nullifies critical area ordinances adopted by a county or city prior to May 1, 2007, to comply with RCW 36.70A.060(2);

(b) Limits or otherwise modifies the obligations of a county or city to comply with the requirements of this chapter pertaining to critical areas not associated with agricultural activities; or

(c) Limits the ability of a county or city to adopt or employ voluntary measures or programs to protect or enhance critical areas associated with agricultural activities.

(2) Counties and cities subject to deferral requirements under subsection (1) of this section:

(a) Should implement voluntary programs to enhance public resources and the viability of agriculture. Voluntary programs implemented under this subsection (a) must include measures to evaluate the successes of these programs; and

(b) Must review and, if necessary, revise critical area ordinances as they specifically apply to agricultural activities to comply with the requirements of this chapter by December 1, 2011.

(3) For purposes of this section and section 3 of this act, "agricultural activities" means agricultural uses and practices currently existing or legally allowed on rural land or agricultural land designated under RCW 36.70A.170 including, but not limited to: Producing, breeding, or increasing agricultural products; rotating and changing agricultural crops; allowing land used for agricultural activities to lie fallow in which it is plowed and tilled but left unseeded; allowing land used for agricultural activities to lie dormant as a result of adverse agricultural market conditions; allowing land used for agricultural activities to lie dormant because the land is enrolled in a local, state, or federal conservation program, or the land is subject to a conservation easement; conducting agricultural operations; maintaining, repairing, and replacing agricultural equipment; maintaining, repairing, and replacing agricultural facilities, when the replacement facility is no closer to a critical area than the original facility; and maintaining agricultural lands under production or cultivation.

**NEW SECTION. Sec. 3.** (1) Subject to the availability of amounts appropriated for this specific purpose, the William D. Ruckelshaus Center must conduct an examination of the conflicts between agricultural activities and critical area ordinances adopted under chapter 36.70A RCW. The examination required by this section must commence by July 1, 2007.

(2) In fulfilling the requirements of this section, the center must:

(a) Work and consult with willing participants including, but not limited to, agricultural, environmental, tribal, and local government interests; and (b) involve and apprise legislators and legislative staff of its efforts.

(3) The examination conducted by the center must be completed in two distinct phases in accordance with the following:

(a) In the first phase, the center must conduct fact-finding and stakeholder discussions with stakeholders identified in subsection (2) of this section. These discussions must identify stakeholder concerns, desired outcomes, opportunities, and barriers. The fact-finding must identify existing regulatory, management, and scientific information related to agricultural activities and critical areas including, but not limited to: (i) Critical area ordinances adopted under chapter 36.70A RCW; (ii) acreage enrolled in the conservation reserve enhancement program; (iii) acreage protected by conservation easements; (iv) buffer widths; (v) requirements of federally approved salmon recovery plans; (vi) the impacts of agricultural activities on Puget Sound recovery efforts; and (vii) compliance with water quality requirements. The center must issue two reports of its fact-finding efforts and stakeholder discussions to the governor and the appropriate committees of the house of representatives and the senate by December 1, 2007, and December 1, 2008; and

(b)(i) In the second phase, the center must facilitate discussions between the stakeholders identified in subsection (2) of this section to identify policy and financial options or opportunities to address the issues and desired outcomes identified by stakeholders in the first phase of the center's examination efforts.

(ii) In particular, the stakeholders must examine innovative solutions including, but not limited to, outcome-based approaches that incorporate, to the maximum extent practicable, voluntary programs or approaches. Additionally, stakeholders must examine ways to modify statutory provisions to ensure that regulatory constraints on agricultural activities are used as a last resort if desired outcomes are not achieved through voluntary programs or approaches.

(iii) The center must work to achieve agreement among participating stakeholders and to develop a coalition that can be used to support agreed upon changes or new approaches to protecting critical areas during the 2010 legislative session.

(4) The center must issue a final report of findings and legislative recommendations to the governor and the appropriate committees of the house of representatives and the senate by September 1, 2009.

**NEW SECTION. Sec. 4.** If specific funding for the purposes of section 3 of this act, referencing this act and section 3 of this act by bill or chapter number and section number, is not provided by June 30, 2007, in the omnibus appropriations act, this act is null and void.

**NEW SECTION. Sec. 5.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

**NEW SECTION. Sec. 6.** This act expires December 1, 2011."

**Establishing family and medical leave insurance.**

The bill was read the second time.

There being no objection, the committee amendment by the Committee on Appropriations was not adopted. (For Committee amendment, see Journal, 85<sup>th</sup> Day, April 2, 2007.)

With the consent of the House, amendments (818) and (819) were withdrawn.

Representative Dickerson moved the adoption of amendment (776):

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1. FINDINGS AND DECLARATIONS.** The legislature finds that, although family and medical leave laws have assisted individuals to balance the demands of the workplace with their family responsibilities, more needs to be done to achieve the goals of parent-child bonding, workforce stability, and economic security. In particular, the legislature finds that many individuals do not have access to family and medical leave laws, and those who do may not be in a financial position to take family and medical leave that is unpaid, and that employer-paid benefits meet only a relatively small part of this need. The legislature declares it to be in the public interest to establish a program that: (1) Allows parents to bond with a newborn or newly placed child; (2) provides limited and additional income support for a reasonable period while an individual is away from work on family and medical leave; (3) reduces the impact on state income support programs by increasing an individual's ability to provide caregiving services for a child while maintaining an employment relationship; and (4) establishes a wage replacement benefit to be coordinated with current state and federal family and medical leave laws.

**NEW SECTION. Sec. 2. DEFINITIONS.** The definitions in this section apply throughout this act unless the context clearly requires otherwise.

(1) "Application year" means the twelve-month period beginning on the first day of the calendar week in which an individual files an application for family and medical leave insurance benefits and, thereafter, the twelve-month period beginning with the first day of the calendar week in which the individual next files an

application for family and medical leave insurance benefits after the expiration of the individual's last preceding application year.

(2) "Calendar quarter" means the same as in RCW 50.04.050.

(3) "Child" means the same as in RCW 49.78.020.

(4) "Employer" means: (a) The same as in RCW 50.04.080; and (b) the state and its political subdivisions.

(5) "Employment" means the same as in RCW 50.04.100.

(6) "Family and medical leave" means leave for the birth or placement of a child as defined in RCW 49.78.020 and described in RCW 49.78.220(1) (a) or (b).

(7) "Family and medical leave insurance benefits" means the benefits payable under section 3 of this act.

(8) "Qualifying year" means the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately preceding the first day of the individual's application year.

(9) "Regularly working" means the average number of hours per workweek that an individual worked in the two quarters of the individual's qualifying year in which total wages were highest.

**NEW SECTION. Sec. 3. BENEFITS.** (1) Beginning October 1, 2009, family and medical leave insurance benefits are payable to an individual during a period in which the individual is unable to perform his or her regular or customary work because he or she is on family and medical leave if the individual has been employed for at least six hundred eighty hours in employment during the individual's qualifying year.

(2) The maximum number of weeks during which family and medical leave insurance benefits are payable in an application year is five weeks. However, benefits are not payable during a waiting period consisting of the first seven calendar days of family and medical leave.

(3) The amount of family and medical leave insurance benefits shall be determined as follows:

(a) The weekly benefit shall be two hundred fifty dollars per week for an individual who at the time of beginning family and medical leave was regularly working thirty-five hours or more per week.

(b) For an individual who was regularly working thirty-five hours or more per week at the time of beginning family and medical leave and is on family and medical leave for less than thirty-five hours but at least eight hours in a week, the weekly benefit shall be .025 times the maximum weekly benefit times the number of hours of family and medical leave taken in the week.

(c) For an individual who was regularly working less than thirty-five hours per week at the time of beginning family and medical leave, there shall be a prorated schedule for a weekly benefit amount and a minimum number of hours of family and medical leave that must be taken in a week for benefits to be payable. The prorated schedule shall be based on the amounts and the calculations specified under (a) and (b) of this subsection.

**NEW SECTION. Sec. 4. NO CONTINUING ENTITLEMENT OR CONTRACTUAL RIGHT.** This act does not create a continuing entitlement or contractual right. The legislature reserves the right to amend or repeal all or part of this act at any time, and a benefit or other right granted under this act exists subject to the legislature's power to amend or repeal this act. There is no vested private right of any kind against such amendment or repeal.

**NEW SECTION. Sec. 5. LEAVE AND EMPLOYMENT PROTECTION.** (1) Beginning October 1, 2009, during a period in which an individual receives family and medical leave insurance benefits or earns waiting period credits under this act, the individual is entitled to family and medical leave and, at the established ending date of leave, to be restored to a position of employment with the employer from whom leave was taken.

(2) The individual entitled to leave under this section shall be restored to a position of employment in the same manner as an employee entitled to leave under chapter 49.78 RCW is restored to a position of employment, as specified in RCW 49.78.280.

(3) This section applies only to an individual if:

(a) The employer from whom the individual takes family and medical leave employs more than twenty-five employees; and

(b) The individual has been employed for at least twelve months by that employer, and for at least one thousand two hundred fifty hours of service with that employer during the previous twelve-month period.

(4) This section shall be enforced as provided in chapter 49.78 RCW.

**NEW SECTION. Sec. 6. COORDINATION OF LEAVE.**

(1)(a) Leave taken under this act must be taken concurrently with any leave taken under the federal family and medical leave act of 1993 (Act Feb. 5, 1993, P.L. 103-3, 107 Stat. 6) or under chapter 49.78 RCW.

(b) An employer may require that leave taken under this act be taken concurrently or otherwise coordinated with leave allowed under the terms of a collective bargaining agreement or employer policy, as applicable, for the birth or placement of a child. The employer must give individuals in its employ written notice of this requirement.

(2)(a) This act does not diminish an employer's obligation to comply with a collective bargaining agreement or employer policy, as applicable, that provides greater leave for the birth or placement of a child.

(b) An individual's right to leave under this act may not be diminished by a collective bargaining agreement entered into or renewed or an employer policy adopted or retained after the effective date of this section. Any agreement by an individual to waive his or her rights under this act is void as against public policy.

**NEW SECTION. Sec. 7. ADMINISTRATIVE COSTS.**

Beginning July 1, 2011, the costs of administering this act may not exceed ten percent of the total costs of family and medical leave insurance benefits.

**NEW SECTION. Sec. 8. JOINT LEGISLATIVE TASK FORCE.** (1)(a) The joint legislative task force on family and medical leave insurance is established, with members as provided in this subsection.

(i) The majority leader of the senate shall appoint three legislative members of the task force, which shall include two members of the largest caucus of the senate and one member of the next largest caucus of the senate.

(d) The impacts, if any, of the family and medical leave insurance program on the unemployment compensation system, and options for mitigating such impacts.

(3) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research. The task force may hire additional staff with specific technical expertise if such expertise is necessary to carry out the mandates of this study, and only if an appropriation is specifically provided for this purpose.

#### MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1051 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the goal of Washington's education reform is for all students to meet rigorous academic standards so that they are prepared for success in college, work, and life. Educators know that not all students learn at the same rate or in the same way. Some students will take longer to meet the state's standards for high school graduation. Older students who cannot graduate with their peers need an appropriate learning environment and flexible programming that enables them simultaneously to earn a diploma, work, and pursue other training options. Providing learning options in locations in addition to high schools will encourage older students to complete their diplomas. Therefore the legislature intends to create a pilot high school completion program at two community and technical colleges for older students who have not yet received a diploma but are eligible for state basic education support.

**Sec. 2.** RCW 28B.50.535 and 1991 c 238 s 58 are each amended to read as follows:

A community or technical college may issue a high school diploma or certificate, subject to rules ~~((and regulations promulgated))~~ adopted by the superintendent of public instruction and the state board of education.

**NEW SECTION. Sec. 3.** A new section is added to chapter 28B.50 RCW to read as follows:

(1) A pilot program is created for two community or technical colleges to make available courses or a program of study, on the college campus, designed to enable students under the age of twenty-one who have completed all state and local high school graduation requirements except the certificate of academic achievement or certificate of individual achievement to complete their high school education and obtain a high school diploma.

(a) The colleges participating in the pilot program in this section may make courses or programs under this section available by entering into contracts with local school districts to deliver the courses or programs. Colleges participating in the pilot program that offer courses or programs under contract shall be reimbursed for each enrolled eligible student as provided in the contract, and the high school diploma shall be issued by the local school district;

(b) Colleges participating in the pilot program may deliver courses or programs under this section directly. Colleges that deliver courses or programs directly shall be reimbursed for each enrolled eligible student as provided in section 4 of this act, and the high school diploma shall be issued by the college;

(c) Colleges participating in the pilot program may make courses or programs under this section available through a combination of contracts with local school districts, collaboration with educational service districts, and direct service delivery. Colleges participating in the pilot program may also make courses or programs under this section available for students at locations in addition to the college campus; or

(d) Colleges participating in the pilot program may enter into regional partnerships to carry out the provisions of this subsection (1).

(2) Regardless of the service delivery method chosen, colleges participating in the pilot program shall ensure that all eligible students have an opportunity to enroll in a course or program under this section.

(3) Colleges participating in the pilot program shall not require students enrolled under this section to pay tuition or services and activities fees; however this waiver of tuition and services and activities fees shall be in effect only for those courses that lead to a high school diploma.

(4) Nothing in this section or section 4 of this act precludes a community or technical college from offering courses or a program of study for students other than eligible students as defined by section 4 of this act to obtain a high school diploma, nor is this section or section 4 of this act intended to restrict diploma completion programs offered by school districts or educational service districts. Community and technical colleges and school districts are encouraged to consult with educational service districts in the development and delivery of programs and courses required under this section.

(5) Community and technical colleges participating in the pilot program shall not be required to administer the Washington assessment of student learning.

**NEW SECTION. Sec. 4.** A new section is added to chapter 28A.600 RCW to read as follows:

(1) For purposes of this section and section 3 of this act, "eligible student" means a student who has completed all state and local high school graduation requirements except the certificate of academic achievement under RCW 28A.655.061 or the certificate of individual achievement under RCW 28A.155.045, who is less than age twenty-one as of September 1st of the academic year the student enrolls at a community and technical college under this section, and who meets the following criteria:

(a) Receives a level 2 (basic) score on the reading and writing content areas of the high school Washington assessment of student learning;

(b) Has not successfully met state standards on a retake of the assessment or an alternative assessment;

(c) Has participated in assessment remediation; and

(d) Receives a recommendation to enroll in courses or a program of study made available under section 3 of this act from his or her high school principal.

(2) An eligible student may enroll in courses or a program of study made available by a community or technical college participating in the pilot program created under section 3 of this act for the purpose of obtaining a high school diploma.

(3) For eligible students in courses or programs delivered directly by the community or technical college participating in the pilot program under section 3 of this act and only for enrollment in courses that lead to a high school diploma, the superintendent of public instruction shall transmit to the colleges participating in the pilot program an amount per each full-time equivalent college student at statewide uniform rates. The amount shall be the sum of (a), (b), (c), and (d) of this subsection, as applicable.

(a) The superintendent shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 for purposes of making payments under this section. The calculations and allocations shall be based upon the estimated statewide annual average per full-time equivalent high school student allocations under RCW 28A.150.260, excluding small high school enhancements, and applicable rules adopted under chapter 34.05 RCW.

(b) The superintendent shall allocate an amount equal to the per funded student state allocation for the learning assistance program under chapter 28A.165 RCW for each full-time equivalent college student or a pro rata amount for less than full-time enrollment.

(c) The superintendent shall allocate an amount equal to the per full-time equivalent student allocation for the student achievement program under RCW 28A.505.210 for each full-time equivalent college student or a pro rata amount for less than full-time enrollment.

(d) For eligible students who meet eligibility criteria for the state transitional bilingual instruction program under chapter 28A.180 RCW, the superintendent shall allocate an amount equal to the per student state allocation for the transitional bilingual instruction program or a pro rata amount for less than full-time enrollment.

(4) The superintendent may adopt rules establishing enrollment reporting, recordkeeping, and accounting requirements necessary to ensure accountability for the use of basic education, learning assistance, and transitional bilingual program funds under this section for the pilot program created under section 3 of this act.

(5) All school districts in the geographic area of the two community and technical colleges selected pursuant to section 8 of this act to participate in the pilot program shall provide information about the high school completion option under section 3 of this act to students in grades ten, eleven, and twelve and the parents or guardians of those students.

(6) The Washington state institute for public policy shall conduct a review of the high school completion pilot program authorized under section 3 of this act. The institute shall begin the study after July 1, 2010, and report to the superintendent of public instruction, the state board for community and technical colleges, and the education and fiscal committees of the legislature by January 1, 2011. At a minimum, the report shall include the following:

(a) The number of students taking part in the high school completion programs, reported by their high school of last attendance and the community or technical college that offered the program;

(b) The types of high school completion programs offered at the two community or technical colleges;

(c) The number of students successfully receiving a high school diploma and other identified outcome measures; and

(d) The amount of funds spent in support of this effort compared to actual reimbursement costs that are provided under subsection (3)(a), (b), (c), and (d) of this section.

**Sec. 5.** RCW 28A.655.061 and 2006 c 115 s 4 are each amended to read as follows:

(1) The high school assessment system shall include but need not be limited to the Washington assessment of student learning, opportunities for a student to retake the content areas of the assessment in which the student was not successful, and if approved by the legislature pursuant to subsection (10) of this section, one or more objective alternative assessments for a student to demonstrate achievement of state academic standards. The objective alternative assessments for each content area shall be comparable in rigor to the

skills and knowledge that the student must demonstrate on the Washington assessment of student learning for each content area.

(2) Subject to the conditions in this section, a certificate of academic achievement shall be obtained by most students at about the age of sixteen, and is evidence that the students have successfully met the state standard in the content areas included in the certificate. With the exception of students satisfying the provisions of RCW 28A.155.045, acquisition of the certificate is required for graduation from a public high school but is not the only requirement for graduation.

(3) Beginning with the graduating class of 2008, with the exception of students satisfying the provisions of RCW 28A.155.045, a student who meets the state standards on the reading, writing, and mathematics content areas of the high school Washington assessment of student learning shall earn a certificate of academic achievement. If a student does not successfully meet the state standards in one or more content areas required for the certificate of academic achievement, then the student may retake the assessment in the content area up to four times at no cost to the student. If the student successfully meets the state standards on a retake of the assessment then the student shall earn a certificate of academic achievement. Once objective alternative assessments are authorized pursuant to subsection (10) of this section, a student may use the objective alternative assessments to demonstrate that the student successfully meets the state standards for that content area if the student has retaken the Washington assessment of student learning at least once. If the student successfully meets the state standards on the objective alternative assessments then the student shall earn a certificate of academic achievement.

(4) Beginning with the graduating class of 2010, a student must meet the state standards in science in addition to the other content areas required under subsection (3) of this section on the Washington assessment of student learning or the objective alternative assessments in order to earn a certificate of academic achievement.

(5) The state board of education may not require the acquisition of the certificate of academic achievement for students in home-based instruction under chapter 28A.200 RCW, for students enrolled in private schools under chapter 28A.195 RCW, or for students satisfying the provisions of RCW 28A.155.045.

(6) A student may retain and use the highest result from each successfully completed content area of the high school assessment.

(7) Beginning in 2006, school districts must make available to students the following options:

(a) To retake the Washington assessment of student learning up to four times in the content areas in which the student did not meet the state standards if the student is enrolled in a public school; or

(b) To retake the Washington assessment of student learning up to four times in the content areas in which the student did not meet the state standards if the student is enrolled in a high school completion program at a community or technical college. The superintendent of public instruction and the state board for community and technical colleges shall jointly identify means by which students in these programs can be assessed.

(8) Students who achieve the standard in a content area of the high school assessment but who wish to improve their results shall pay for retaking the assessment, using a uniform cost determined by the superintendent of public instruction.

(9) Subject to available funding, the superintendent shall pilot opportunities for retaking the high school assessment beginning in the 2004-05 school year. Beginning no later than September 2006, opportunities to retake the assessment at least twice a year shall be available to each school district.

(10)(a) The office of the superintendent of public instruction shall develop options for implementing objective alternative assessments, which may include an appeals process, for students to demonstrate achievement of the state academic standards. The objective alternative assessments shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the Washington assessment of student learning and be objective in its determination of student achievement of the state standards. Before any objective alternative assessments in addition to those authorized in RCW 28A.655.065 or (b) of this subsection are used by a student to demonstrate that the student has met the state standards in a

content area required to obtain a certificate, the legislature shall formally approve the use of any objective alternative assessments through the omnibus appropriations act or by statute or concurrent resolution.

(b) A student's score on the mathematics portion of the preliminary scholastic assessment test (PSAT), the scholastic assessment test (SAT), or the American college test (ACT) may be used as an objective alternative assessment under this section for demonstrating that a student has met or exceeded the mathematics standards for the certificate of academic achievement. The state board of education shall identify the scores students must achieve on the mathematics portion of the PSAT, SAT, or ACT to meet or exceed the state standard for mathematics. The state board of education shall identify the first scores by December 1, 2006, and thereafter may increase but not decrease the scores required for students to meet or exceed the state standard for mathematics.

(11) By December 15, 2004, the house of representatives and senate education committees shall obtain information and conclusions from recognized, independent, national assessment experts regarding the validity and reliability of the high school Washington assessment of student learning for making individual student high school graduation determinations.

(12) To help assure continued progress in academic achievement as a foundation for high school graduation and to assure that students are on track for high school graduation, each school district shall prepare plans for students as provided in this subsection (12).

(a) Student learning plans are required for eighth through twelfth grade students who were not successful on any or all of the content areas of the Washington assessment for student learning during the previous school year. The plan shall include the courses, competencies, and other steps needed to be taken by the student to meet state academic standards and stay on track for graduation. If applicable, the plan shall also include the high school completion pilot program created under section 3 of this act. This requirement shall be phased in as follows:

(i) Beginning no later than the 2004-05 school year ninth grade students as described in this subsection (12)(a) shall have a plan.

(ii) Beginning no later than the 2005-06 school year and every year thereafter eighth grade students as described in this subsection (12)(a) shall have a plan.

(iii) The parent or guardian shall be notified, preferably through a parent conference, of the student's results on the Washington assessment of student learning, actions the school intends to take to improve the student's skills in any content area in which the student was unsuccessful, strategies to help them improve their student's skills, and the content of the student's plan.

(iv) Progress made on the student plan shall be reported to the student's parents or guardian at least annually and adjustments to the plan made as necessary.

(b) Beginning with the 2005-06 school year and every year thereafter, all fifth grade students who were not successful in one or more of the content areas of the fourth grade Washington assessment of student learning shall have a student learning plan.

(i) The parent or guardian of a student described in this subsection (12)(b) shall be notified, preferably through a parent conference, of the student's results on the Washington assessment of student learning, actions the school intends to take to improve the student's skills in any content area in which the student was unsuccessful, and provide strategies to help them improve their student's skills.

(ii) Progress made on the student plan shall be reported to the student's parents or guardian at least annually and adjustments to the plan made as necessary.

**Sec. 6.** RCW 28B.15.520 and 1993 sp.s. c 18 s 16 are each amended to read as follows:

Subject to the limitations of RCW 28B.15.910, the governing boards of the community colleges may:

(1) Waive all or a portion of tuition fees and services and activities fees for:

(a) Students nineteen years of age or older who are eligible for resident tuition and fee rates as defined in RCW 28B.15.012 through 28B.15.015 ~~(and)~~, who enroll in a course of study or program

(b) Children of any law enforcement officer or fire fighter who lost his or her life or became totally disabled in the line of duty while employed by any public law enforcement agency or full time or volunteer fire department in this state: PROVIDED, That such persons may receive the waiver only if they begin their course of study at a community college within ten years of their graduation from high school;

(2) Waive all or a portion of the nonresident tuition fees differential for:

The waiver shall be in effect only for those courses which lead to a high school diploma or certificate; and

(b) Up to forty percent of the students enrolled in the regional education program for deaf students, subject to federal funding of such program.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1396 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1624 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 13.34 RCW to read as follows:

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;

(b) The child's parent's rights were terminated in a proceeding under this chapter; and

(c) The child has not achieved his or her permanency plan within three years of a final order of termination, or if the final order was appealed, within three years of exhaustion of any right to appeal the order terminating parental rights.

(2) The child may file the petition prior to the expiration of this three-year period if the department or the supervising or custodial agency that is responsible for the custody or supervision of the child and the child stipulate that the child is not likely to achieve his or her permanency plan.

(3) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(4) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.

(5) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, it appears that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing be held.

(6) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department, the child's attorney, and the child. The court shall also order the department to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(7) The juvenile court shall grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided in the record of the prior termination proceedings and prior termination order;

(b) The age and maturity of the child, and the ability of the child to express his or her preference;

(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and

(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(8) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(9) The court shall grant the petition and dismiss the dependency only if the child and the parent or parents who were the subject of a petition under this section and whose parental rights were reinstated agree that the child will return to the legal custody of the parent or parents and the court finds that returning to the legal custody of the parent or parents is in the best interests of the child and will not present a risk to the child's health, welfare, or safety. The court shall order the department to provide services necessary to ensure the child's health, welfare, and safety, including a home study, as the child transitions back into the parent's legal custody.

(10) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.

(11) Any parent whose rights are reinstated under this section shall not be liable for any child support owed to the department pursuant to RCW 13.34.160 for the time period from the date of termination of parental rights to the date parental rights are reinstated.

(12) The state, the department, and its employees are not liable for civil damages resulting from any act or omission in the provision of services under this section, unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists. This section does not create a cause of action against the state, the department, or its employees concerning the original termination.

(13) This section is retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

**Sec. 2.** RCW 13.34.200 and 2003 c 227 s 7 are each amended to read as follows:

(1) Upon the termination of parental rights pursuant to RCW 13.34.180, all rights, powers, privileges, immunities, duties, and obligations, including any rights to custody, control, visitation, or support existing between the child and parent shall be severed and terminated and the parent shall have no standing to appear at any further legal proceedings concerning the child, except as provided in section 1 of this act: PROVIDED, That any support obligation existing prior to the effective date of the order terminating parental rights shall not be severed or terminated. The rights of one parent may be terminated without affecting the rights of the other parent and the order shall so state.

(2) An order terminating the parent and child relationship shall not disentitle a child to any benefit due the child from any third person, agency, state, or the United States, nor shall any action under this chapter be deemed to affect any rights and benefits that an Indian child derives from the child's descent from a member of a federally recognized Indian tribe.

(3) An order terminating the parent-child relationship shall include a statement addressing the status of the child's sibling relationships and the nature and extent of sibling placement, contact, or visits.

**NEW SECTION. Sec. 3.** A new section is added to chapter 43.20A RCW to read as follows:

The state is not liable for civil damages resulting from any act or omission in the delivery of child welfare services or child protective services through the children's administration of the department of social and health services unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists.

**Sec. 4.** RCW 13.34.060 and 2002 c 52 s 4 are each amended to read as follows:

(1) A child taken into custody pursuant to RCW 13.34.050 or 26.44.050 shall be immediately placed in shelter care. A child taken by a relative of the child in violation of RCW 9A.40.060 or 9A.40.070 shall be placed in shelter care only when permitted under RCW 13.34.055. No child may be held longer than seventy-two hours, excluding Saturdays, Sundays, and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. In no case may a child who is taken into custody pursuant to RCW 13.34.055, 13.34.050, or 26.44.050 be detained in a secure detention facility.

~~((+))~~ (2) Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered, priority placement for a child in shelter care, pending a court hearing, shall be with any person described in RCW 74.15.020(2)(a). The person must be willing and available to care for the child and be able to meet any special needs of the child. The person must be willing to facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court. If a child is not initially placed with a relative or other person requested by the parent pursuant to this section, the supervising agency shall make an effort within available resources to place the child with a relative or

other person requested by the parent on the next business day after the child is taken into custody. The supervising agency shall document its effort to place the child with a relative or other person requested by the parent pursuant to this section. Nothing within this subsection ~~((+))~~ (2) establishes an entitlement to services or a right to a particular placement.

~~((+))~~ (3) Whenever a child is taken into custody pursuant to this section, the supervising agency may authorize evaluations of the child's physical or emotional condition, routine medical and dental examination and care, and all necessary emergency care. ~~((In no case may a child who is taken into custody pursuant to RCW 13.34.055, 13.34.050, or 26.44.050 be detained in a secure detention facility. No child may be held longer than seventy-two hours, excluding Saturdays, Sundays and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. The child and his or her parent, guardian, or custodian shall be informed that they have a right to a shelter care hearing. The court shall hold a shelter care hearing within seventy-two hours after the child is taken into custody, excluding Saturdays, Sundays, and holidays. If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary.~~

~~—(2) Whenever a child is taken into custody by child protective services pursuant to a court order issued under RCW 13.34.050 or when child protective services is notified that a child has been taken into custody pursuant to RCW 26.44.050 or 26.44.056, child protective services shall make reasonable efforts to inform the parents, guardian, or legal custodian of the fact that the child has been taken into custody, the reasons why the child was taken into custody, and their legal rights under this title as soon as possible and in no event shall notice be provided more than twenty-four hours after the child has been taken into custody or twenty-four hours after child protective services has been notified that the child has been taken into custody. The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person oral notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification:—)~~

**Sec. 5.** RCW 13.34.062 and 2004 c 147 s 2 are each amended to read as follows:

Notice must be provided in an understandable manner and take into consideration the parent's, guardian's, or legal custodian's primary language, level of education, and cultural issues.

(b) In no event shall the notice required by this section be provided to the parent, guardian, or legal custodian more than twenty-four hours after the child has been taken into custody or twenty-four hours after child protective services has been notified that the child has been taken into custody.

(2)(a) The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person oral notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification.

(b) The written notice of custody and rights required by ~~((RCW 13.34.062))~~ this section shall be in substantially the following form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency).

You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays. You should call the court at (insert appropriate phone number here) for specific information about the date, time, and location of the court hearing.

2. You have the right to have a lawyer represent you at the hearing. Your right to representation continues after the shelter care hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

5. You have a right to a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may request that a multidisciplinary team, family group conference, or prognostic staffing be convened for your child's case. You may participate in these processes with your counsel present."

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

~~((2))~~ (3) If child protective services is not required to give notice under ~~(RCW 13.34.060(2) and subsection (1) of)~~ this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

~~((3))~~ (4) Reasonable efforts to advise and to give notice, as required in ~~(RCW 13.34.060(2) and subsections (1) and (2) of)~~ this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:

(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or legal custodian; and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.

~~((4))~~ The court shall hear evidence regarding notice given to, and efforts to notify, the parent, guardian, or legal custodian and shall examine the need for shelter care. The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1) and (2) of this section

was given to the parent, guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

~~(5)(a)~~ A shelter care order issued pursuant to RCW 13.34.065 shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

~~(b)~~ If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days prior to the fact-finding hearing.

~~(c)~~ The court may order a conference or meeting as an alternative to the case conference required under RCW 13.34.067 so long as the conference or meeting ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

~~(6)~~ A shelter care order issued pursuant to RCW 13.34.065 may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

~~(7)~~ Any parent, guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means:)

**Sec. 6.** RCW 13.34.065 and 2001 c 332 s 3 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) The ((juvenile court probation counselor)) department of social and health services shall submit a recommendation to the court as to the further need for shelter care ((unless the petition has been filed by the department, in which case the recommendation shall be submitted by the department)) in all cases in which it is the petitioner. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(a) The parent, guardian, or custodian has the right to a shelter care hearing;

(b) The nature of the shelter care hearing and the proceedings that will follow; and

(c) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or

custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home;

(e) Is the placement proposed by the agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child's tribe;

(i) Whether restraining orders, or orders expelling an allegedly abusive parent from the home, will allow the child to safely remain in the home;

(j) Whether any orders, agreed to by all parties, for examinations, evaluations, or immediate services are needed;

(k) The terms and conditions for parental, sibling, and family visitation.

~~((2))~~ (5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

~~((a))~~ (i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

~~((b))~~ (ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

~~((c))~~ (B) The release of such child would present a serious threat of substantial harm to such child; or

~~((d))~~ (C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060(1), the court shall order continued placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The relative must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1).

(d) If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. ~~((The court shall enter a finding as to whether RCW 13.34.060(2) and subsections (1) and (2) of this section have been complied with. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090.~~

~~((3))~~ If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other person approved by the court pursuant to this section, shall be contingent upon cooperation with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other person, subject to review by the court.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

~~((4))~~ (8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

~~((5))~~ (b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

**Sec. 7.** RCW 13.34.110 and 2001 c 332 s 7 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) The court in a fact-finding hearing may consider the history of past involvement of child protective services or law enforcement

agencies with the family for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of the child on the part of the child's parent, guardian, or legal custodian, or for the purpose of establishing that reasonable efforts have been made by the department to prevent or eliminate the need for removal of the child from the child's home. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes.

(3)(a) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department of social and health services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent's, guardian's, or legal custodian's notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or

agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9.

~~((3))~~ (4) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; (b) are known to the department as having been in contact with the family or child within the past twelve months; and (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence.

The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement.

**Sec. 8.** RCW 13.34.136 and 2004 c 146 s 1 are each amended to read as follows:

(1) Whenever a child is ordered removed from the child's home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency (~~charged with his or her care shall provide the court with~~) supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the supervising agency's proposed permanency plan must be provided to the supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the agency will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The agency shall encourage

the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) Unless it is not in the best interests of the child, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(v) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

~~((2))~~ (3) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

~~((3))~~ (5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(3).

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

**Sec. 9.** RCW 13.34.138 and 2005 c 512 s 3 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first(~~(, at a)~~). The

purpose of the hearing ((in which it)) shall be ((determined)) to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The supervising agency shall provide a foster parent or relative with notice of, and his or her right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to the child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(c) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(~~((3))~~) (1)(a) or 13.34.134. ((The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency's and parent's efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing, including the in-court requirement, shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.))

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) ~~((Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered))~~ Whether the agency is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

~~((iii))~~ (vii) Whether ((the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and)) preference has been given to placement with the child's relatives;

~~((iii))~~ Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

~~((vi))~~ (viii) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

~~((vii))~~ Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's

parents; if so, the court shall order that reasonable services be offered specifying such services; and

- ~~(viii))~~ (ix) Whether terms of visitation need to be modified;
- ~~(x))~~ (x) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;
- ~~(xi))~~ (xi) Whether any additional court orders need to be made to move the case toward permanency; and
- ~~(xii))~~ (xii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

~~((2))~~ (3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

- (i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with an agency case plan; and
- (ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

- (i) Noncompliance by the parents with the agency case plan or court order;
- (ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or
- (iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

~~((3))~~ (4) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

~~((4))~~ (5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).

**Sec. 10.** RCW 13.34.145 and 2003 c 227 s 6 are each amended to read as follows:

(1) ~~((A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.~~

~~(a) Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; a responsible living skills program; and independent living, if appropriate and if the child is age sixteen or older and the provisions of subsection (2) of this section are met.~~

~~(b) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.~~

~~(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be~~

~~a goal to complete the adoption within six months following entry of the termination order.~~

~~(d) For purposes related to permanency planning:~~

~~(i) "Guardianship" means a dependency guardianship, a legal guardianship pursuant to chapter 11.88 RCW, or equivalent laws of another state or a federally recognized Indian tribe.~~

~~(ii) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.~~

~~(iii) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or of a federally recognized Indian tribe.~~

~~(2) Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.~~

~~(3)) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.~~

~~(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.~~

~~((4)) (b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in ~~((subsection (3) of))~~ this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed.~~

~~((5)) (c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.~~

~~(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.~~

~~((6)) (3) At the permanency planning hearing, the court shall ~~((enter findings as required by RCW 13.34.138 and shall review the permanency plan prepared by the agency))~~ conduct the following inquiry:~~

~~(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.~~

~~(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:~~

~~(i) The continuing necessity for, and the safety and appropriateness of, the placement;~~

(ii) The extent of compliance with the permanency plan by the agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280 and 13.34.138. ~~((If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal.))~~

(4) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

~~((7))~~ (5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

~~((10))~~ (10) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

~~((11))~~ (11) Except as provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.138, until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

~~((12))~~ (12) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

~~((13))~~ (13) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

~~((14))~~ (14) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

**Sec. 11.** RCW 74.13.031 and 2006 c 266 s 1 and 2006 c 221 s 3 are each reenacted and amended to read as follows:

The department shall have the duty to provide child welfare services and shall:

(1) Develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and annually report to the governor and the legislature concerning the department's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall

include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) Investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency: PROVIDED, That an investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) Monitor out-of-home placements, on a timely and routine basis, to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010, and annually submit a report measuring the extent to which the department achieved the specified goals to the governor and the legislature.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

(9) Establish a children's services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(10)(a) Have authority to provide continued foster care or group care as needed to participate in or complete a high school or vocational school program.

(b)(i) Beginning in 2006, the department has the authority to allow up to fifty youth reaching age eighteen to continue in foster care or group care as needed to participate in or complete a posthigh school academic or vocational program, and to receive necessary support and transition services.

(ii) In 2007 and 2008, the department has the authority to allow up to fifty additional youth per year reaching age eighteen to remain in foster care or group care as provided in (b)(i) of this subsection.

**Sec. 14.** RCW 26.44.030 and 2005 c 417 s 1 are each amended to read as follows:

believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall

notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and

a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation(:

~~((11))~~ (11) Upon receiving a report of alleged child abuse and neglect, the department or investigating law enforcement agency); and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

~~((14))~~ (15) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

~~((15))~~ The department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which: (a) The department believes there is a serious threat of substantial harm to the child; (b) the report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or (c) the department has, after investigation, a report of abuse or neglect that has been founded with regard to a member of the household within three years of receipt of the referral.)

~~((At the end of six years from receipt of the unfounded report, the information shall be purged unless an additional report has been received in the intervening period.))~~

(2) The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(4) An unfounded, screened-out, or inconclusive report may not be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW.

(2) Allegations of child abuse or neglect that meet the provisions of this section shall be designated as "unfounded" as defined in RCW 26.44.020.

**Sec. 18.** RCW 74.15.130 and 2006 c 265 s 404 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care, however, no unfounded, inconclusive, or screened-out report of child abuse or neglect may be used to deny employment or a license;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed two hundred fifty dollars per violation for group homes and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

## MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1694 with the following amendment:

It is the intent of the legislature that public transportation agencies, pupil transportation programs, private nonprofit transportation providers, and other public agencies sponsoring programs that require transportation services coordinate those transportation services. Through coordination of transportation services, programs will achieve increased efficiencies and will be able to provide more rides to a greater number of persons with special needs.

(4) gubernatorial appointees of the council will serve two-year terms. Members may not receive compensation for their service on the council, but will be reimbursed for actual and necessary expenses incurred in performing their duties as members as set forth in RCW 43.03.220.

(5) The secretary of transportation or a designee shall serve as the chair.

(6) The department of transportation shall provide necessary staff support for the council.

(7) The council may receive gifts, grants, or endowments from public or private sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of the council and spend gifts, grants, or endowments or income from the public or private sources according to their terms, unless the receipt of the gifts, grants, or endowments violates RCW 42.17.710.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1909 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2070 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. In *State v. Pillatos*, 150 P.3d 1130 (2007), the Washington supreme court held that the changes made to the sentencing reform act concerning exceptional sentences in chapter 68, Laws of 2005 do not apply to cases where the trials had already begun or guilty pleas had already been entered prior to the effective date of the act on April 15, 2005. The legislature intends that the superior courts shall have the authority to impanel juries to find aggravating circumstances in all cases that come before the courts for trial or sentencing, regardless of the date of the original trial or sentencing.

**Sec. 2.** RCW 9.94A.537 and 2005 c 68 s 4 are each amended to read as follows:

(1) At any time prior to trial or entry of the guilty plea if substantial rights of the defendant are not prejudiced, the state may give notice that it is seeking a sentence above the standard sentencing range. The notice shall state aggravating circumstances upon which the requested sentence will be based.

(2) In any case where an exceptional sentence above the standard range was imposed and where a new sentencing hearing is required, the superior court may impanel a jury to consider any alleged aggravating circumstances listed in RCW 9.94A.535(3), that were relied upon by the superior court in imposing the previous sentence, at the new sentencing hearing.

(3) The facts supporting aggravating circumstances shall be proved to a jury beyond a reasonable doubt. The jury's verdict on the aggravating factor must be unanimous, and by special interrogatory. If a jury is waived, proof shall be to the court beyond a reasonable doubt, unless the defendant stipulates to the aggravating facts.

~~((3))~~ (4) Evidence regarding any facts supporting aggravating circumstances under RCW 9.94A.535(3) (a) through (y) shall be presented to the jury during the trial of the alleged crime, unless the jury has been impaneled solely for resentencing, or unless the state alleges the aggravating circumstances listed in RCW 9.94A.535(3) (e)(iv), (h)(i), (o), or (t). If one of these aggravating circumstances is alleged, the trial court may conduct a separate proceeding if the evidence supporting the aggravating fact is not part of the res geste of the charged crime, if the evidence is not otherwise admissible in

trial of the charged crime, and if the court finds that the probative value of the evidence to the aggravated fact is substantially outweighed by its prejudicial effect on the jury's ability to determine guilt or innocence for the underlying crime.

~~((4))~~ (5) If the superior court conducts a separate proceeding to determine the existence of aggravating circumstances listed in RCW 9.94A.535(3) (e)(iv), (h)(i), (o), or (t), the proceeding shall immediately follow the trial on the underlying conviction, if possible. If any person who served on the jury is unable to continue, the court shall substitute an alternate juror.

~~((5))~~ (6) If the jury finds, unanimously and beyond a reasonable doubt, one or more of the facts alleged by the state in support of an aggravated sentence, the court may sentence the offender pursuant to RCW 9.94A.535 to a term of confinement up to the maximum allowed under RCW 9A.20.021 for the underlying conviction if it finds, considering the purposes of this chapter, that the facts found are substantial and compelling reasons justifying an exceptional sentence.

**Sec. 3.** RCW 9.94A.030 and 2006 c 139 s 5, 2006 c 124 s 1, 2006 c 122 s 7, and 2006 c 73 s 5 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or 9.94A.545, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(8) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(9) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(10) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this

chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(11) "Confinement" means total or partial confinement.

(12) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(13) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(14) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(17) "Department" means the department of corrections.

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(20) "Drug offender sentencing alternative" is a sentencing option available to persons convicted of a felony offense other than a violent offense or a sex offense and who are eligible for the option under RCW 9.94A.660.

(21) "Drug offense" means:

Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to RCW 38.52.430.

#### POINT OF ORDER

Representative Springer requested a scope and object ruling on the Senate amendment to ENGROSSED HOUSE BILL NO. 2070.

#### SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "Engrossed House Bill No. 2070 is titled AN ACT relating to "exceptional sentences". The bill as passed by the House grants superior courts authority to empanel a jury in new trials and sentencing hearings for purposes of imposing exceptional sentences above the standard range.

The Senate amendment revises the House provisions regarding the authority to empanel juries for such purposes, and in addition creates a Task Force on Sentencing of Persistent Offenders, and adds an offense to the definition of most serious offenses for purposes of persistent offender sentencing.

Those parts of the Senate amendment relating to persistent offenders do not fit within the title of "exceptional sentences" and are unrelated to the bill's purpose in granting statutory authority to courts to empanel juries to consider exceptional sentences.

The Speaker therefore finds that the Senate amendment is beyond the scope and objection of the House bill.

Representative Springer, your point of order is well taken."

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to ENGROSSED HOUSE BILL NO. 2070 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2358 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds from the 2006 Washington state ferries financing study that the state has limited information on state ferry users and markets. Accurate user and market information is vital in order to find ways to maximize the ferry systems' current capacity and to make the most efficient use of citizens' tax dollars. Therefore, it is the intent of the legislature that Washington state ferries be given the tools necessary to maximize existing capacity and to make the most efficient use of existing assets and tax dollars.

**Sec. 2.** RCW 47.06.140 and 1998 c 171 s 7 are each amended to read as follows:

(1) The legislature declares the following transportation facilities and services to be of statewide significance: The interstate highway system, interregional state principal arterials including ferry connections that serve statewide travel, intercity passenger rail services, intercity high-speed ground transportation, major passenger intermodal terminals excluding all airport facilities and services, the freight railroad system, the Columbia/Snake navigable river system, marine port facilities and services that are related solely to marine activities affecting international and interstate trade, and high-capacity transportation systems serving regions as defined in RCW 81.104.015. The department, in cooperation with regional transportation planning organizations, counties, cities, transit agencies, public ports, private railroad operators, and private

transportation providers, as appropriate, shall plan for improvements to transportation facilities and services of statewide significance in the statewide multimodal plan. Improvements to facilities and services of statewide significance identified in the statewide multimodal plan are essential state public facilities under RCW 36.70A.200.

(2) The department of transportation, in consultation with local governments, shall set level of service standards for state highways and state ferry routes of statewide significance. Although the department shall consult with local governments when setting level of service standards, the department retains authority to make final decisions regarding level of service standards for state highways and state ferry routes of statewide significance. In establishing level of service standards for state highways and state ferry routes of statewide significance, the department shall consider the necessary balance between providing for the free interjurisdictional movement of people and goods and the needs of local communities using these facilities. When setting the level of service standards under this section for state ferry routes, the department may allow for a standard that is adjustable for seasonality.

**NEW SECTION. Sec. 3.** A new section is added to chapter 47.60 RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adaptive management" means a systematic process for continually improving management policies and practices by learning from the outcomes of operational programs.

(b) In October of each year, beginning in 2008, the commission shall adopt by rule fares and pricing policies for the ensuing year. The schedule may initially be adopted as an emergency rule if necessary to take effect in, or as near as possible to, the month of October.

(2) The commission may adopt by rule fares that are effective for more or less than one year for the purposes of transitioning to the fare schedule in subsection (1) of this section.

(3) The commission may increase ferry fares included in the schedule of charges adopted under this section by a percentage that exceeds the fiscal growth factor.

(4) The chief executive officer of the ferry system may authorize the use of promotional, discounted, and special event fares to the general public and commercial enterprises for the purpose of maximizing capacity use and the revenues collected by the ferry system. The department shall report to the commission a summary of the promotional, discounted, and special event fares offered during each fiscal year and the financial results from these activities.

(5) Fare revenues and other revenues deposited in the Puget Sound ferry operations account created in RCW 47.60.530 may not be used to support the Puget Sound capital construction account created in RCW 47.60.505, unless the support for capital is separately identified in the fare.

**NEW SECTION. Sec. 7.** A new section is added to chapter 47.60 RCW to read as follows:

(1) The department shall develop, and the commission shall review, operational strategies to ensure that existing assets are fully utilized and to guide future investment decisions. These operational strategies must, at a minimum:

Forecasts of traffic levels shall be developed by the bond covenant traffic engineering firm appointed under the provisions of RCW 47.60.450. Provisions of this section shall not alter obligations under RCW 47.60.450. ### MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1029 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 19.112.010 and 2006 c 338 s 15 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

~~((2))~~ (4) "Diesel" means special fuel as defined in RCW 82.38.020, and diesel fuel dyed in accordance with the regulations in 26 C.F.R. Sec. 48.4082-1T as of October 24, 2005.

~~((3))~~ (5) "Director" means the director of agriculture.

~~((4))~~ (6) "E85 motor fuel" means an alternative fuel that is a blend of ethanol and hydrocarbon of which the ethanol portion is nominally seventy-five to eighty-five percent denatured fuel ethanol by volume that complies with the most recent version of American society of testing and materials specification D 5798.

Motor fuels containing ethanol may be marketed if either (a) the base motor fuel meets the applicable standards before the addition of the ethanol or (b) the resultant blend meets the applicable standards after the addition of the ethanol.

(8) "Nonhazardous motor fuel" means any fuel of a type distributed for use in self-propelled motor vehicles that does not contain a hazardous liquid as defined in RCW 19.122.020.

(1) By December 1, 2008, motor vehicle fuel licensees under chapter 82.36 RCW, other than motor vehicle fuel distributors, shall provide evidence to the department of licensing that at least two percent of total gasoline sold in Washington, measured on a quarterly basis, is denatured ethanol.

(2) If the director of ecology determines that ethanol content greater than two percent of the total gasoline sold in Washington will not jeopardize continued attainment of the federal clean air act's national ambient air quality standard for ozone pollution in Washington and the director of agriculture determines and publishes this determination in the Washington State Register that sufficient raw materials are available within Washington to support economical production of ethanol at higher levels, the director of agriculture may require by rule that licensees provide evidence to the department of licensing that denatured ethanol comprises between two percent and at least ten percent of total gasoline sold in Washington, measured on a quarterly basis.

(3) The requirements of subsections (1) and (2) of this section shall take effect no sooner than one hundred eighty days after the determination has been published in the Washington State Register.

SUBSTITUTE HOUSE BILL NO. 1082, as amended by the Senate, having received the constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1131 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1)(a) The legislature finds that in Washington, there are more than seven thousand three hundred children in foster family or group care. These children face unique obstacles and burdens as they transition to adulthood, including lacking continuity in their elementary and high school educations. As compared to the general population of students, twice as many foster care youth change schools at least once during their elementary and secondary school careers, and three times as many change schools at least three times. Only thirty-four percent of foster care youth graduate from high school within four years, compared to seventy percent for the general population. Of the former foster care youth who earn a high school diploma, more than twenty-eight percent earn a GED instead of a traditional high school diploma. This is almost six times the rate of the general population. Research indicates that GED holders tend not to be as economically successful as the holders of traditional high school diplomas. Only twenty percent of former foster care youth who earn a high school degree enroll in college, compared to over sixty percent of the population generally. Of the former foster care youth who do enroll in college, very few go on to earn a degree. Less than two percent of former foster care youth hold bachelor's degrees, compared to twenty-eight percent of Washington's population generally.

(b) Former foster care youth face two critical hurdles to enrolling in college. The first is a lack of information regarding preparation for higher education and their options for enrolling in higher education. The second is finding the financial resources to fund their education. As a result of the unique hurdles and challenges that face former foster care youth, a disproportionate number of them are part of society's large group of marginalized youth and are at increased risk of continuing the cycle of poverty and violence that frequently plagues their families.

(c) Former foster care youth suffer from mental health problems at a rate greater than that of the general population. For example, one in four former foster care youth report having suffered from posttraumatic stress disorder within the previous twelve months, compared to only four percent of the general population. Similarly, the incidence of major depression among former foster care youth is twice that of the general population, twenty percent versus ten percent.

(d) There are other barriers for former foster care youth to achieving successful adulthood. One-third of former foster care youth live in households that are at or below the poverty level. This is three times the rate for the general population. The percentage of former foster care youth who report being homeless within one year of leaving foster care varies from over ten percent to almost twenty-five percent. By comparison, only one percent of the general population reports having been homeless at sometime during the past year. One in three former foster care youth lack health insurance, compared to less than one in five people in the general population. One in six former foster care youth receive cash public assistance. This is five times the rate of the general population.

(e) Approximately twenty-five percent of former foster care youth are incarcerated at sometime after leaving foster care. This is

four times the rate of incarceration for the general population. Of the former foster care youth who "age out" of foster care, twenty-seven percent of the males and ten percent of the females are incarcerated within twelve to eighteen months of leaving foster care.

(f) Female former foster care youth become sexually active more than seven months earlier than their nonfoster care counterparts, have more sexual partners, and have a mean age of first pregnancy of almost two years earlier than their peers who were not in foster care.

(2) The legislature intends to create the passport to college promise pilot program. The pilot program will initially operate for a six-year period, and will have two primary components, as follows:

(a) Significantly increasing outreach to foster care youth between the ages of fourteen and eighteen regarding the higher education opportunities available to them, how to apply to college, and how to apply for and obtain financial aid; and

(b) Providing financial aid to former foster care youth to assist with the costs of their public undergraduate college education.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Cost of attendance" means the cost associated with attending a particular institution of higher education as determined by the higher education coordinating board, including but not limited to tuition, fees, room, board, books, personal expenses, and transportation, plus the cost of reasonable additional expenses incurred by an eligible student and approved by a financial aid administrator at the student's school of attendance.

(2) "Emancipated from foster care" means a person who was a dependent of the state in accordance with chapter 13.34 RCW and who was receiving foster care in the state of Washington when he or she reached his or her eighteenth birthday.

(3) "Financial need" means the difference between a student's cost of attendance and the student's total family contribution as determined by the method prescribed by the United States department of education.

(4) "Independent college or university" means a private, nonprofit institution of higher education, open to residents of the state, providing programs of education beyond the high school level leading to at least the baccalaureate degree, and accredited by the Northwest association of schools and colleges, and other institutions as may be developed that are approved by the higher education coordinating board as meeting equivalent standards as those institutions accredited under this section.

(5) "Institution of higher education" means:

(a) Any public university, college, community college, or technical college operated by the state of Washington or any political subdivision thereof; or

(b) Any independent college or university in Washington; or

(c) Any other university, college, school, or institute in the state of Washington offering instruction beyond the high school level that is a member institution of an accrediting association recognized by rule of the higher education coordinating board for the purposes of this section: PROVIDED, That any institution, branch, extension, or facility operating within the state of Washington that is affiliated with an institution operating in another state must be a separately accredited member institution of any such accrediting association, or a branch of a member institution of an accrediting association recognized by rule of the board for purposes of this section, that is eligible for federal student financial aid assistance and has operated as a nonprofit college or university delivering on-site classroom instruction for a minimum of twenty consecutive years within the state of Washington, and has an annual enrollment of at least seven hundred full-time equivalent students.

(6) "Program" means the passport to college promise pilot program created in this chapter.

**NEW SECTION. Sec. 3.** The passport to college promise pilot program is created. The purpose of the program is:

(1) To encourage current and former foster care youth to prepare for, attend, and successfully complete higher education; and

(2) To provide current and former foster care youth with the educational planning, information, institutional support, and direct

financial resources necessary for them to succeed in higher education.

**NEW SECTION. Sec. 4.** (1) The higher education coordinating board shall design and, to the extent funds are appropriated for this purpose, implement, a program of supplemental scholarship and student assistance for students who have emancipated from the state foster care system after having spent at least one year in care.

(2) The board shall convene and consult with an advisory committee to assist with program design and implementation. The committee shall include but not be limited to former foster care youth and their advocates; representatives from the state board for community and technical colleges, and from public and private agencies that assist current and former foster care recipients in their transition to adulthood; and student support specialists from public and private colleges and universities.

(3) To the extent that sufficient funds have been appropriated for this purpose, a student is eligible for assistance under this section if he or she:

(a) Emancipated from foster care on or after January 1, 2007, after having spent at least one year in foster care subsequent to his or her sixteenth birthday;

(b) Is a resident student, as defined in RCW 28B.15.012(2);

(c) Is enrolled with or will enroll on at least a half-time basis with an institution of higher education in Washington state by the age of twenty-one;

(d) Is making satisfactory academic progress toward the completion of a degree or certificate program, if receiving supplemental scholarship assistance;

(e) Has not earned a bachelor's or professional degree; and

(f) Is not pursuing a degree in theology.

(4) A passport to college scholarship under this section:

(a) Shall not exceed resident undergraduate tuition and fees at the highest-priced public institution of higher education in the state; and

(b) Shall not exceed the student's financial need, less a reasonable self-help amount defined by the board, when combined with all other public and private grant, scholarship, and waiver assistance the student receives.

(5) An eligible student may receive a passport to college scholarship under this section for a maximum of five years after the student first enrolls with an institution of higher education or until the student turns age twenty-six, whichever occurs first. If a student turns age twenty-six during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for a scholarship for the remainder of the academic year.

(6) The higher education coordinating board, in consultation with and with assistance from the state board for community and technical colleges, shall perform an annual analysis to verify that those institutions of higher education at which students have received a scholarship under this section have awarded the student all available need-based and merit-based grant and scholarship aid for which the student qualifies.

(7) In designing and implementing the passport to college student support program under this section, the board, in consultation with and with assistance from the state board for community and technical colleges, shall ensure that a participating college or university:

(a) Has a viable plan for identifying students eligible for assistance under this section, for tracking and enhancing their academic progress, for addressing their unique needs for assistance during school vacations and academic interims, and for linking them to appropriate sources of assistance in their transition to adulthood;

(b) Receives financial and other incentives for achieving measurable progress in the recruitment, retention, and graduation of eligible students.

**NEW SECTION. Sec. 5.** Effective operation of the passport to college promise pilot program requires early and accurate identification of former foster care youth so that they can be linked to the financial and other assistance that will help them succeed in college. To that end:

(1) All institutions of higher education that receive funding for student support services under section 4 of this act shall include on their applications for admission or on their registration materials a question asking whether the applicant has been in foster care in Washington state for at least one year since his or her sixteenth birthday. All other institutions of higher education are strongly encouraged to include such a question. No institution may consider whether an applicant may be eligible for a scholarship or student support services under this chapter when deciding whether the applicant will be granted admission.

(2) The department of social and health services shall devise and implement procedures for efficiently, promptly, and accurately identifying students and applicants who are eligible for services under section 4 of this act, and for sharing that information with the higher education coordinating board and with institutions of higher education. The procedures shall include appropriate safeguards for consent by the applicant or student before disclosure.

**NEW SECTION. Sec. 6.** (1) To the extent funds are appropriated for this purpose, the higher education coordinating board, with input from the state board for community and technical colleges, the foster care partnership, and institutions of higher education, shall develop and maintain an internet web site and outreach program to serve as a comprehensive portal for foster care youth in Washington state to obtain information regarding higher education including, but not necessarily limited to:

(a) Academic, social, family, financial, and logistical information important to successful postsecondary educational success;

(b) How and when to obtain and complete college applications;

(c) What college placement tests, if any, are generally required for admission to college and when and how to register for such tests;

(d) How and when to obtain and complete a federal free application for federal student aid (FAFSA); and

(e) Detailed sources of financial aid likely available to eligible former foster care youth, including the financial aid provided by this chapter.

(2) The board shall determine whether to design, build, and operate such program and web site directly or to use, support, and modify existing web sites created by government or nongovernmental entities for a similar purpose.

**NEW SECTION. Sec. 7.** (1) To the extent funds are appropriated for this purpose, the department of social and health services, with input from the state board for community and technical colleges, the higher education coordinating board, and institutions of higher education, shall contract with at least one nongovernmental entity through a request for proposals process to develop, implement, and administer a program of supplemental educational transition planning for youth in foster care in Washington state.

(2) The nongovernmental entity or entities chosen by the department shall have demonstrated success in working with foster care youth and assisting foster care youth in successfully making the transition from foster care to independent adulthood.

(3) The selected nongovernmental entity or entities shall provide supplemental educational transition planning to foster care youth in Washington state beginning at age fourteen and then at least every six months thereafter. The supplemental transition planning shall include:

(a) Comprehensive information regarding postsecondary educational opportunities including, but not limited to, sources of financial aid, institutional characteristics and record of support for former foster care youth, transportation, housing, and other logistical considerations;

(b) How and when to apply to postsecondary educational programs;

(c) What precollege tests, if any, the particular foster care youth should take based on his or her postsecondary plans and when to take the tests;

(d) What courses to take to prepare the particular foster care youth to succeed at his or her postsecondary plans;

(e) Social, community, educational, logistical, and other issues that frequently impact college students and their success rates; and

(f) Which web sites, nongovernmental entities, public agencies, and other foster care youth support providers specialize in which services.

(4) The selected nongovernmental entity or entities shall work directly with the school counselors at the foster care youths' high schools to ensure that a consistent and complete transition plan has been prepared for each foster care youth who emancipates out of the foster care system in Washington state.

**NEW SECTION. Sec. 8.** (1) The higher education coordinating board shall report to appropriate committees of the legislature by January 15, 2008, on the status of program design and implementation. The report shall include a discussion of proposed scholarship and student support service approaches; an estimate of the number of students who will receive such services; baseline information on the extent to which former foster care youth who meet the eligibility criteria in section 4 of this act have enrolled and persisted in postsecondary education; and recommendations for any statutory changes needed to promote achievement of program objectives.

(2) The state board for community and technical colleges and the higher education coordinating board shall monitor and analyze the extent to which eligible young people are increasing their participation, persistence, and progress in postsecondary education, and shall jointly submit a report on their findings to appropriate committees of the legislature by December 1, 2009, and by December 1, 2011.

(3) The Washington state institute for public policy shall complete an evaluation of the passport to college promise pilot program and shall submit a report to appropriate committees of the legislature by December 1, 2012. The report shall estimate the impact of the program on eligible students' participation and success in postsecondary education, and shall include recommendations for program revision and improvement.

**NEW SECTION. Sec. 9.** Nothing in this chapter may be construed to:

(1) Guarantee acceptance by, or entrance into, any institution of higher education; or

(2) Limit the participation of youth, in or formerly in, foster care in Washington state in any other program of financial assistance for postsecondary education.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1166 with the following amendment:

Strike everything after the enacting clause and insert the following:

The board of park commissioners may levy or cause to be levied a general tax on all the property located in said park district each year not to exceed fifty cents per thousand dollars of assessed value of the property in such park district. In addition, the board of park commissioners may levy or cause to be levied a general tax on all property located in said park district each year not to exceed twenty-five cents per thousand dollars of assessed valuation. Although park districts are authorized to impose two separate regular property tax levies, the levies shall be considered to be a single levy for purposes of the limitation provided for in chapter 84.55 RCW.

The board is hereby authorized to levy a general tax in excess of its regular property tax levy or levies when authorized so to do at a special election conducted in accordance with and subject to all the requirements of the Constitution and laws of the state now in force or hereafter enacted governing the limitation of tax levies. The board is hereby authorized to call a special election for the purpose of submitting to the qualified voters of the park district a proposition to levy a tax in excess of the seventy-five cents per thousand dollars of assessed value herein specifically authorized. The manner of submitting any such proposition, of certifying the same, and of giving or publishing notice thereof, shall be as provided by law for the submission of propositions by cities or towns.

The board shall include in its general tax levy for each year a sufficient sum to pay the interest on all outstanding bonds and may include a sufficient amount to create a sinking fund for the redemption of all outstanding bonds. The levy shall be certified to the proper county officials for collection the same as other general

taxes and when collected, the general tax shall be placed in a separate fund in the office of the county treasurer to be known as the "metropolitan park district fund" and ~~((paid out on warrants))~~ disbursed under RCW 36.29.010(1) and 39.58.750.

**Sec. 2.** RCW 36.35.020 and 1972 ex.s. c 150 s 2 are each amended to read as follows:

The term "tax title lands" as used in this chapter shall mean any tract of land acquired by the county for lack of other bidders at a tax foreclosure sale. Tax title lands are held in trust for the taxing districts.

**Sec. 3.** RCW 36.35.100 and 1998 c 106 s 13 are each amended to read as follows:

All property deeded to the county under the provisions of this chapter shall be ~~((stricken from the tax rolls as county property and exempt from taxation and shall not be again assessed or taxed while the property of the county))~~ treated as follows during the period the property is so held:

(1) The property shall be:

**Sec. 5.** RCW 84.56.070 and 1991 c 245 s 19 are each amended to read as follows:

On the fifteenth day of February succeeding the levy of taxes, the county treasurer shall proceed to collect all personal property taxes. In the event that he or she is unable to collect the same when due, the treasurer shall prepare papers in distraint, which shall contain a description of the personal property, the amount of taxes, the amount of the accrued interest at the rate provided by law from the date of delinquency, and the name of the owner or reputed owner. The treasurer shall without demand or notice distraint sufficient goods and chattels belonging to the person charged with such taxes to pay the same, with interest at the rate provided by law from the date of delinquency, together with all accruing costs, and shall proceed to advertise the same by posting written notices in three public places in the county in which such property has been distrained, one of which places shall be at the county court house, such notice to state the time when and place where such property will be sold. The county treasurer, or the treasurer's deputy, shall tax the same fees for making the distraint and sale of goods and chattels for the payment of taxes as are allowed by law to sheriffs for making levy and sale of property on execution; traveling fees to be computed from the county seat of the county to the place of making distraint. If the taxes for which such property is distrained, and the interest and costs accruing thereon, are not paid before the date appointed for such sale, which shall be not less than ten days after the taking of

such property, such treasurer or treasurer's designee shall proceed to sell such property at public auction, or so much thereof as shall be sufficient to pay such taxes, with interest and costs, and if there be any excess of money arising from the sale of any personal property, the treasurer shall pay such excess less any cost of the auction to the owner of the property so sold or to his or her legal representative: PROVIDED, That whenever it shall become necessary to distrain any standing timber owned separately from the ownership of the land upon which the same may stand, or any fish trap, pound net, reef net, set net or drag seine fishing location, or any other personal property as the treasurer shall determine to be incapable or reasonably impracticable of manual delivery, it shall be deemed to have been distrained and taken into possession when the treasurer shall have, at least thirty days before the date fixed for the sale thereof, filed with the auditor of the county wherein such property is located a notice in writing reciting that the treasurer has distrained such property, describing it, giving the name of the owner or reputed owner, the amount of the tax due, with interest, and the time and place of sale; a copy of the notice shall also be sent to the owner or reputed owner at his last known address, by registered letter at least thirty days prior to the date of sale: AND PROVIDED FURTHER, That if the county treasurer has reasonable grounds to believe that any personal property, including mobile homes, manufactured homes, or park model trailers, upon which taxes have been levied, but not paid, is about to be removed from the county where the same has been assessed, or is about to be destroyed, sold or disposed of, the county treasurer may demand such taxes, without the notice provided for in this section, and if necessary may forthwith distrain sufficient goods and chattels to pay the same.

**Sec. 6.** RCW 84.56.090 and 1985 c 83 s 1 are each amended to read as follows:

Whenever in the judgment of the assessor or the county treasurer personal property is being removed or is about to be removed without the limits of the state, or is being dissipated or about to be dissipated, or is being or about to be sold, disposed of, or removed from the county so as to jeopardize collection of taxes, the treasurer shall immediately prepare papers in distraint, which shall contain a description of the personal property, including mobile homes, manufactured homes, or park model trailers, being or about to be removed, dissipated, sold, disposed of, or removed from the county so as to jeopardize collection of taxes, the amount of the tax, the amount of accrued interest at the rate provided by law from the date of delinquency, and the name of the owner or reputed owner, and he shall without demand or notice distrain sufficient goods and chattels belonging to the person charged with such taxes to pay the same with interest at the rate provided by law from the date of delinquency, together with all accruing costs, and shall advertise and sell said property as provided in RCW 84.56.070.

If said personal property is being removed or is about to be removed from the limits of the state, is being dissipated or about to be dissipated, or is being or about to be sold, disposed of, or removed from the county so as to jeopardize collection of taxes, at any time subsequent to the first day of January in any year, and prior to the levy of taxes thereon, the taxes upon such property so distrained shall be computed upon the rate of levy for state, county and local purposes for the preceding year; and all taxes collected in advance of levy under this section and RCW 84.56.120, together with the name of the owner and a brief description of the property assessed shall be entered forthwith by the county treasurer upon the personal property tax rolls of such preceding year, and all collections thereon shall be considered and treated in all respects, and without recourse by either the owner or any taxing unit, as collections for such preceding year. Property on which taxes are thus collected shall thereupon become discharged from the lien of any taxes that may thereafter be levied in the year in which payment or collection is made.

Whenever property has been removed from the county wherein it has been assessed, on which the taxes have not been paid, then the county treasurer, or his deputy, shall have the same power to distrain and sell said property for the satisfaction of said taxes as he would have if said property were situated in the county in which the property was taxed, and in addition thereto said treasurer, or his deputy, in the distraint and sale of property for the payment of taxes,

shall have the same powers as are now by law given to the sheriff in making levy and sale of property on execution.

**Sec. 7.** RCW 84.64.200 and 1981 c 322 s 6 are each amended to read as follows:

All lots, tracts and parcels of land upon which taxes levied prior to January 9, 1926 remain due and unpaid at the date when such taxes would have become delinquent as provided in the act under which they were levied shall be deemed to be delinquent under the provisions of this title, and the same proceedings may be had to enforce the payment of such unpaid taxes, with interest and costs, and payment enforced and liens foreclosed under and by virtue of the provisions of this chapter. For the purposes of foreclosure under this chapter, the date of delinquency shall be construed to mean the date when the taxes first became delinquent. At all sales of property for which certificates of delinquency are held by the county, if no other bids are received, the county shall be considered a bidder for the full area of each tract or lot to the amount of all taxes, interest and costs due thereon, and where no bidder appears, acquire title ~~((thereto))~~ in trust for the taxing districts as absolutely as if purchased by an individual under the provisions of this chapter; all bidders except the county at sales of property for which certificates of delinquency are held by the county shall pay the full amount of taxes, interest and costs for which judgment is rendered, together with all taxes, interest and costs which are delinquent at the time of sale, regardless of whether the taxes, interest, or costs are included in the judgment."

On page 1, line 2 of the title, after "provisions;" strike the remainder of the title and insert "and amending RCW 35.61.210, 36.35.020, 36.35.100, 36.89.090, 84.56.070, 84.56.090, and 84.64.200."

and the same is herewith transmitted.

(8) The commission shall adopt such rules as it finds appropriate for the administration of this section. Among other things, such rules shall prescribe a definition of "camping unit" which will authorize a reasonable number of persons traveling with the person having a pass to stay at the campsite rented by such person, a minimum Washington residency requirement for applicants for a senior citizen's pass and an application form to be completed by applicants for a senior citizen's pass.

### MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1319 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9A.46.110 and 2006 c 95 s 3 are each amended to read as follows:

(1) A person commits the crime of stalking if, without lawful authority and under circumstances not amounting to a felony attempt of another crime:

(a) He or she intentionally and repeatedly harasses or repeatedly follows another person; and

(b) The person being harassed or followed is placed in fear that the stalker intends to injure the person, another person, or property of the person or of another person. The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and

(c) The stalker either:

(i) Intends to frighten, intimidate, or harass the person; or

(ii) Knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

(2)(a) It is not a defense to the crime of stalking under subsection (1)(c)(i) of this section that the stalker was not given actual notice that the person did not want the stalker to contact or follow the person; and

(b) It is not a defense to the crime of stalking under subsection (1)(c)(ii) of this section that the stalker did not intend to frighten, intimidate, or harass the person.

(3) It shall be a defense to the crime of stalking that the defendant is a licensed private investigator acting within the capacity of his or her license as provided by chapter 18.165 RCW.

(4) Attempts to contact or follow the person after being given actual notice that the person does not want to be contacted or followed constitutes prima facie evidence that the stalker intends to intimidate or harass the person. "Contact" includes, in addition to any other form of contact or communication, the sending of an electronic communication to the person.

(5)(a) Except as provided in (b) of this subsection, a person who stalks another person is guilty of a gross misdemeanor.

(b) A person who stalks another is guilty of a class C felony if any of the following applies: (i) The stalker has previously been convicted in this state or any other state of any crime of harassment, as defined in RCW 9A.46.060, of the same victim or members of the victim's family or household or any person specifically named in a protective order; (ii) the stalking violates any protective order protecting the person being stalked; (iii) the stalker has previously been convicted of a gross misdemeanor or felony stalking offense under this section for stalking another person; (iv) the stalker was armed with a deadly weapon, as defined in RCW 9.94A.602, while stalking the person; (v) (A) the stalker's victim is or was a law enforcement officer(§); judge(§); juror(§); attorney(§); victim advocate(§); legislator(§); community correction's officer(§); an employee, contract staff person, or volunteer of a correctional agency; or an employee of the child protective, child welfare, or adult protective services division within the department of social and health services(§); and (B) the stalker stalked the victim to retaliate against the victim for an act the victim performed during the course of official duties or to influence the victim's performance of official duties; or (vi) the stalker's victim is a current, former, or prospective

witness in an adjudicative proceeding, and the stalker stalked the victim to retaliate against the victim as a result of the victim's testimony or potential testimony.

(6) As used in this section:

(b) "Follows" means deliberately maintaining visual or physical proximity to a specific person over a period of time. A finding that the alleged stalker repeatedly and deliberately appears at the person's home, school, place of employment, business, or any other location to maintain visual or physical proximity to the person is sufficient to find that the alleged stalker follows the person. It is not necessary to establish that the alleged stalker follows the person while in transit from one location to another.

~~((b))~~ (c) "Harasses" means unlawful harassment as defined in RCW 10.14.020.

~~((c))~~ (d) "Protective order" means any temporary or permanent court order prohibiting or limiting violence against, harassment of, contact or communication with, or physical proximity to another person.

~~((d))~~ (e) "Repeatedly" means on two or more separate occasions."

The applicant must demonstrate the ability to comply with the standards established for operating and maintaining an ambulatory surgical facility in statutes, standards, and rules. The applicant must submit the license renewal document no later than thirty days prior to the date of expiration of the license.

(3) The applicant may demonstrate compliance with any of the requirements of subsection (1) of this section by providing satisfactory documentation to the secretary that it has met the standards of an accreditation organization or federal agency that the secretary has determined to have substantially equivalent standards as the statutes and rules of this state.

**NEW SECTION. Sec. 6.** An ambulatory surgical facility shall have a facility safety and emergency training program. The program shall include:

**NEW SECTION. Sec. 8.** (1) The secretary may deny, suspend, or revoke the license of any ambulatory surgical facility in any case in which he or she finds the applicant or registered entity knowingly made a false statement of material fact in the application for the license or any supporting data in any record required by this chapter or matter under investigation by the department.

(2) The secretary shall investigate complaints concerning operation of an ambulatory surgical facility without a license. The secretary may issue a notice of intention to issue a cease and desist order to any person whom the secretary has reason to believe is engaged in the unlicensed operation of an ambulatory surgical facility. If the secretary makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the secretary may issue a temporary cease and desist order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the secretary. Any person operating an ambulatory surgical facility under this chapter without a license is guilty of a misdemeanor, and each day of operation of an unlicensed ambulatory surgical facility constitutes a separate offense.

(3) The secretary is authorized to deny, suspend, revoke, or modify a license or provisional license in any case in which it finds that there has been a failure or refusal to comply with the requirements of this chapter or the standards or rules adopted under this chapter. RCW 43.70.115 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(4) Pursuant to chapter 34.05 RCW, the secretary may assess monetary penalties of a civil nature not to exceed one thousand dollars per violation.

**NEW SECTION. Sec. 9.** (1) Every ambulatory surgical facility shall maintain a coordinated quality improvement program for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice. The program shall include at least the following:

(a) The establishment of a quality improvement committee with the responsibility to review the services rendered in the ambulatory surgical facility, both retrospectively and prospectively, in order to improve the quality of medical care of patients and to prevent medical malpractice. The committee shall oversee and coordinate the quality improvement and medical malpractice prevention program and shall ensure that information gathered pursuant to the program is used to review and to revise the policies and procedures of the ambulatory surgical facility;

(b) A medical staff privileges sanction procedure through which credentials, physical and mental capacity, and competence in delivering health care services are periodically reviewed as part of an evaluation of staff privileges;

(c) The periodic review of the credentials, physical and mental capacity, and competence in delivering health care services of all persons who are employed or associated with the ambulatory surgical facility;

(d) A procedure for the prompt resolution of grievances by patients or their representatives related to accidents, injuries, treatment, and other events that may result in claims of medical malpractice;

(f) The maintenance of relevant and appropriate information gathered pursuant to (a) through (e) of this subsection concerning individual practitioners within the practitioner's personnel or credential file maintained by the ambulatory surgical facility;

(g) Education programs dealing with quality improvement, patient safety, medication errors, injury prevention, staff responsibility to report professional misconduct, the legal aspects of patient care, improved communication with patients, and causes of malpractice claims for staff personnel engaged in patient care activities; and

(h) Policies to ensure compliance with the reporting requirements of this section.

(2) Any person who, in substantial good faith, provides information to further the purposes of the quality improvement and medical malpractice prevention program or who, in substantial good faith, participates on the quality improvement committee is not subject to an action for civil damages or other relief as a result of such activity. Any person or entity participating in a coordinated quality improvement program that, in substantial good faith, shares information or documents with one or more other programs, committees, or boards under subsection (8) of this section is not subject to an action for civil damages or other relief as a result of the activity. For the purposes of this section, sharing information is presumed to be in substantial good faith. However, the presumption may be rebutted upon a showing of clear, cogent, and convincing evidence that the information shared was knowingly false or deliberately misleading.

(3) Information and documents, including complaints and incident reports, created specifically for, and collected and maintained by, a quality improvement committee are not subject to review or disclosure, except as provided in this section, or discovery or introduction into evidence in any civil action, and no person who was in attendance at a meeting of such committee or who participated in the creation, collection, or maintenance of information or documents specifically for the committee shall be permitted or required to testify in any civil action as to the content of such proceedings or the documents and information prepared specifically for the committee. This subsection does not preclude: (a) In any civil action, the discovery of the identity of persons involved in the medical care that is the basis of the civil action whose involvement was independent of any quality improvement activity; (b) in any civil action, the testimony of any person concerning the facts which form the basis for the institution of such proceedings of which the person had personal knowledge acquired independently of such proceedings; (c) in any civil action by a health care provider regarding the restriction or revocation of that individual's clinical or staff privileges, introduction into evidence of information collected and maintained by quality improvement committees regarding such health care provider; (d) in any civil action, disclosure of the fact that staff privileges were terminated or restricted, including the specific restrictions imposed, if any, and the reasons for the restrictions; or (e) in any civil action, discovery and introduction into evidence of the patient's medical records required by rule of the department to be made regarding the care and treatment received.

(4) Each quality improvement committee shall, on at least a semiannual basis, report to the management of the ambulatory surgical facility, as identified in the facility's application, in which the committee is located. The report shall review the quality improvement activities conducted by the committee, and any actions taken as a result of those activities.

(5) The department shall adopt such rules as are deemed appropriate to effectuate the purposes of this section.

(6) The medical quality assurance commission, the board of osteopathic medicine and surgery, or the podiatric medical board, as appropriate, may review and audit the records of committee decisions in which a practitioner's privileges are terminated or restricted. Each ambulatory surgical facility shall produce and make accessible to the

commission or board the appropriate records and otherwise facilitate the review and audit. Information so gained is not subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section. Failure of an ambulatory surgical facility to comply with this subsection is punishable by a civil penalty not to exceed two hundred fifty dollars.

(7) The department and any accrediting organization may review and audit the records of a quality improvement committee or peer review committee in connection with their inspection and review of the ambulatory surgical facility. Information so obtained is not subject to the discovery process, and confidentiality shall be respected as required by subsection (3) of this section. Each ambulatory surgical facility shall produce and make accessible to the department the appropriate records and otherwise facilitate the review and audit.

(8) A coordinated quality improvement program may share information and documents, including complaints and incident reports, created specifically for, and collected and maintained by, a quality improvement committee or a peer review committee under RCW 4.24.250 with one or more other coordinated quality improvement programs maintained in accordance with this section or RCW 43.70.510 or 70.41.200, a quality assurance committee maintained in accordance with RCW 18.20.390 or 74.42.640, or a peer review committee under RCW 4.24.250, for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice. The privacy protections of chapter 70.02 RCW and the federal health insurance portability and accountability act of 1996 and its implementing regulations apply to the sharing of individually identifiable patient information held by a coordinated quality improvement program. Any rules necessary to implement this section shall meet the requirements of applicable federal and state privacy laws. Information and documents disclosed by one coordinated quality improvement program to another coordinated quality improvement program or a peer review committee under RCW 4.24.250 and any information and documents created or maintained as a result of the sharing of information and documents are not subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section, RCW 18.20.390 (6) and (8), 70.41.200(3), 74.42.640 (7) and (9), and 4.24.250.

(9) An ambulatory surgical facility that participates in a coordinated quality improvement program under RCW 43.70.510 shall be deemed to have met the requirements of this section.

(10) Violation of this section shall not be considered negligence per se.

**NEW SECTION. Sec. 10.** The department shall establish and adopt such minimum standards and rules pertaining to the construction, maintenance, and operation of ambulatory surgical facilities and rescind, amend, or modify such rules, as are necessary in the public interest, and particularly for the establishment and maintenance of standards of patient care required for the safe and adequate care and treatment of patients. In establishing the format and content of these standards and rules, the department shall give consideration to maintaining consistency with such minimum standards and rules applicable to ambulatory surgical facilities in the survey standards of accrediting organizations or federal agencies that the secretary has determined to have substantially equivalent standards as the statutes and rules of this state.

**NEW SECTION. Sec. 11.** (1) The department shall make or cause to be made a survey of all ambulatory surgical facilities every eighteen months. Every survey of an ambulatory surgical facility may include an inspection of every part of the surgical facility. The department may make an examination of all phases of the ambulatory surgical facility operation necessary to determine compliance with all applicable statutes, rules, and regulations. In the event that the department is unable to make a survey or cause a survey to be made during the three years of the term of the license, the license of the ambulatory surgical facility shall remain in effect until the state conducts a survey or a substitute survey is performed if the ambulatory surgical facility is in compliance with all other licensing requirements.

(2) An ambulatory surgical facility shall be deemed to have met the survey standards of this section if it submits proof of certification as a medicare ambulatory surgical facility or accreditation by an organization that the secretary has determined to have substantially equivalent survey standards to those of the department. A survey performed pursuant to medicare certification or by an approved accrediting organization may substitute for a survey by the department if:

(a) The ambulatory surgical facility has satisfactorily completed a survey by the department in the previous eighteen months; and

(b) Within thirty days of learning the result of a survey, the ambulatory surgical facility provides the department with documentary evidence that the ambulatory surgical facility has been certified or accredited as a result of a survey and the date of the survey.

(3) Ambulatory surgical facilities shall make the written reports of surveys conducted pursuant to medicare certification procedures or by an approved accrediting organization available to department surveyors during any department surveys, upon request.

**NEW SECTION. Sec. 12.** The department shall require ambulatory surgical facilities to submit data related to the quality of patient care for review by the department. The data shall be submitted every eighteen months. The department shall consider the reporting standards of other public and private organizations that measure quality in order to maintain consistency in reporting and minimize the burden on the ambulatory surgical facility. The department shall review the data to determine the maintenance of quality patient care at the facility. If the department determines that the care offered at the facility may present a risk to the health and safety of patients, the department may conduct an inspection of the facility and initiate appropriate actions to protect the public. ### MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1599 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.46.0209 and 2000 c 233 s 1 are each amended to read as follows:

(1)(a) "Bona fide charitable or nonprofit organization," as used in this chapter, means: ~~((+))~~

(i) Any organization duly existing under the provisions of chapter 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or ~~((2))~~

(ii) Any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. ~~((Such))~~

(b) An organization defined under (a) of this subsection must:

(i) Have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required(~~(= It must)~~);

(ii) Have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license(~~(= An organization must)~~); and

(iii) Demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

(c) Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(2) For the purposes of RCW 9.46.0315 and 9.46.110, a bona fide nonprofit organization also includes:

(a) A credit union organized and operating under state or federal law. All revenue less prizes and expenses received from raffles conducted by credit unions must be devoted to purposes authorized under this section for charitable and nonprofit organizations; and

(b) A group of executive branch state employees that:

(i) Has requested and received revocable approval from the agency's chief executive official, or such official's designee, to conduct one or more raffles in compliance with this section;

(ii) Conducts a raffle solely to raise funds for either the state combined fund drive, created under RCW 41.04.033; an entity approved to receive funds from the state combined fund drive; or a charitable or benevolent entity, including but not limited to a person or family in need, as determined by a majority vote of the approved group of employees. No person or other entity may receive compensation in any form from the group for services rendered in support of this purpose;

(iii) Promptly provides such information about the group's receipts, expenditures, and other activities as the agency's chief executive official or designee may periodically require, and otherwise complies with this section and RCW 9.46.0315; and

(iv) Limits the participation in the raffle such that raffle tickets are sold only to, and winners are determined only from, the employees of the agency.

**NEW SECTION. Sec. 2.** A new section is added to chapter 42.52 RCW to read as follows:

(1) When soliciting gifts, grants, or donations solely to support the charitable activities of executive branch state employees conducted pursuant to RCW 9.46.0209, the executive branch state officers and executive branch state employees are presumed not to be in violation of the solicitation and receipt of gift provisions in RCW 42.52.140. However, the gifts, grants, or donations must only be solicited from state employees or businesses and organizations that have no business dealings with the soliciting employee's agency. For the purposes of this subsection, "business dealings" includes being subject to regulation by the agency, having a contractual relationship with the agency, and purchasing goods or services from the agency.

(2) For purposes of this section, activities are deemed to be charitable if the activities are devoted to the purposes authorized under RCW 9.46.0209 for charitable and nonprofit organizations listed in that section, or are in support of the activities of those charitable or nonprofit organizations."

On page 1, line 1 of the title, after "employees;" strike the remainder of the title and insert "amending RCW 9.46.0209; and adding a new section to chapter 42.52 RCW."

and the same is herewith transmitted.

HOUSE BILL NO. 1599, as amended by the Senate, having received the constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1592 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.95.011 and 2002 c 174 s 2 are each amended to read as follows:

(1) When the court commits a convicted person to the department of corrections on or after July 1, 1986, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.850, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9A.32.040, 9A.44.045, and chapter 69.50 RCW. The court's minimum term decision is subject to review to the same extent as a minimum term decision by the parole board before July 1, 1986.

Thereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board's authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(2)(a) Except as provided in (b) of this subsection, not less than ninety days prior to the expiration of the minimum term of a person sentenced under RCW 9.94A.712, for a sex offense committed on or

after September 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional ~~((two))~~ five years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

(b) If at the time a person sentenced under RCW 9.94A.712 for a sex offense committed on or after September 1, 2001, arrives at a department of corrections facility, the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival, then no later than one hundred twenty days after the offender's arrival at a department of corrections facility, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional ~~((two))~~ five years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

(c) In setting a new minimum term, the board may consider the length of time necessary for the offender to complete treatment and programming as well as other factors that relate to the offender's release under RCW 9.95.420. The board's rules shall permit an offender to petition for an earlier review if circumstances change or the board receives new information that would warrant an earlier review.

**Sec. 2.** RCW 9.95.420 and 2006 c 313 s 2 are each amended to read as follows:

(1)(a) Except as provided in (c) of this subsection, before the expiration of the minimum term, as part of the end of sentence review process under RCW 72.09.340, 72.09.345, and where appropriate, 72.09.370, the department shall conduct, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(b) The board may contract for an additional, independent examination, subject to the standards in this section.

(c) If at the time the sentence is imposed by the superior court the offender's minimum term has expired or will expire within one hundred twenty days of the sentencing hearing, the department shall conduct, within ninety days of the offender's arrival at a department of corrections facility, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(2) The board shall impose the conditions and instructions provided for in RCW 9.94A.720. The board shall consider the department's recommendations and may impose conditions in addition to those recommended by the department. The board may impose or modify conditions of community custody following notice to the offender.

(3)(a) Except as provided in (b) of this subsection, no later than ninety days before expiration of the minimum term, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term ~~((; not to exceed an additional two years))~~ as provided in RCW 9.95.011.

(b) If at the time the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival at a department of correction's facility, then no later than one hundred twenty days after the offender's arrival at a department of corrections facility, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term ~~((; not to exceed an additional two years))~~ as provided in RCW 9.95.011.

(4) In a hearing conducted under subsection (3) of this section, the board shall provide opportunities for the victims of any crimes for which the offender has been convicted to present oral, video, written, or in-person testimony to the board. The procedures for victim input shall be developed by rule. To facilitate victim involvement, county prosecutor's offices shall ensure that any victim impact statements and known contact information for victims of record are forwarded as part of the judgment and sentence.

**Sec. 3.** RCW 9.95.435 and 2003 c 218 s 1 are each amended to read as follows:

(1) If an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody, the board may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2) Following the hearing specified in subsection (3) of this section, the board may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community, or may suspend the release and sanction up to sixty days' confinement in a local correctional facility for each violation, or revoke the release to community custody whenever an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody.

(3) If an offender released by the board under RCW 9.95.420 is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the board or a designee of the board prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The board shall develop hearing procedures and a structure of graduated sanctions consistent with the hearing procedures and graduated sanctions developed pursuant to RCW 9.94A.737. The board may suspend the offender's release to community custody and confine the offender in a correctional institution owned, operated by, or operated under contract with the state prior to the hearing unless the offender has been arrested and confined for a new criminal offense.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearings shall be conducted by members or designees of the board unless the board enters into an agreement with the department to use the hearing officers established under RCW 9.94A.737;

(b) The board shall provide the offender with ~~((written notice of the violation;))~~ findings and conclusions which include the evidence relied upon, and the reasons the particular sanction was imposed. ((The notice shall include a statement of the rights specified in this subsection, and the offender's)) The board shall notify the offender of the right to appeal the sanction and the right to file a personal

restraint petition under court rules after the final decision of the board;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within thirty days of service of notice of the violation, but not less than twenty-four hours after notice of the violation. For offenders in total confinement, the hearing shall be held within thirty days of service of notice of the violation, but not less than twenty-four hours after notice of the violation. The board or its designee shall make a determination whether probable cause exists to believe the violation or violations occurred. The determination shall be made within forty-eight hours of receipt of the allegation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the ~~((hearing examiner))~~ presiding hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) be represented by counsel if revocation of the release to community custody upon a finding of violation is a probable sanction for the violation. The board may not revoke the release to community custody of any offender who was not represented by counsel at the hearing, unless the offender has waived the right to counsel; and

(e) The sanction shall take effect if affirmed by the ~~((hearing examiner))~~ presiding hearing officer.

(5) Within seven days after the ~~((hearing examiner's))~~ presiding hearing officer's decision, the offender may appeal the decision to the full board or to a panel of three reviewing examiners designated by the chair of the board or by the chair's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (a) The crime of conviction; (b) the violation committed; (c) the offender's risk of reoffending; or (d) the safety of the community.

### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1636 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** The legislature finds that current concern over the rapid and increasing loss of rural, agricultural, and forested land has led to the exploration of creative approaches to preserving these important lands. The legislature finds also that the creation of a regional transfer of development rights marketplace will assist in slowing the conversion of these lands.

The legislature further finds that transferring development rights is a market-based technique that encourages the voluntary transfer of growth from places where a community would like to see less development, referred to as sending areas, to places where a community would like to see more development, referred to as receiving areas. Under this technique, permanent deed restrictions are placed on the sending area properties to ensure that the land will be used only for approved activities such as farming, forest management, conservation, or passive recreation. Also under this technique, the costs of purchasing the recorded development restrictions are borne by the developers who receive the building credit or bonus.

Accordingly, the legislature has determined that it is good public policy to build upon existing transfer of development rights programs, pilot projects, and private initiatives that foster effective use of transferred development rights through the creation of a market-based program that focuses on the central Puget Sound region.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of community, trade, and economic development.

(2) "Nongovernmental entities" includes nonprofit or membership organizations with experience or expertise in transferring development rights.

(3) "Transfer of development rights" includes methods for protecting land from development by voluntarily removing the development rights from a sending area and transferring them to a receiving area for the purpose of increasing development density in the receiving area.

**NEW SECTION. Sec. 3.** Subject to the availability of amounts appropriated for this specific purpose, the department shall fund a process to develop a regional transfer of development rights program that comports with chapter 36.70A RCW that:

(1) Encourages King, Kitsap, Pierce, and Snohomish counties, and the cities within these counties, to participate in the development and implementation of regional frameworks and mechanisms that make transfer of development rights programs viable and successful. The department shall encourage and embrace the efforts in any of these counties or cities to develop local transfer of development rights programs. In fulfilling the requirements of this chapter, the department shall work with the Puget Sound regional council and its growth management policy board to develop a process that satisfies the requirements of this chapter. In the development of a process to create a regional transfer of development rights program, the Puget Sound regional council and its growth management policy board shall develop policies to discourage, or prohibit if necessary, the transfer of development rights from a sending area that would negatively impact the future economic viability of the sending area. The department shall also work with an advisory committee to develop a regional transfer of development rights marketplace that includes, but is not limited to, supporting strategies for financing infrastructure and conservation. The department shall establish an advisory committee of nine stakeholders with representatives of the following interests:

(a) Two qualified nongovernmental organizations with expertise in the transfer of development rights. At least one organization must have a statewide expertise in growth management planning and in the transfer of development rights and at least one organization must have a local perspective on market-based conservation strategies and transfer of development rights;

(b) Two representatives from real estate and development;

(c) One representative with a county government perspective;

(d) Two representatives from cities of different sizes and geographic areas within the four-county region; and

(e) Two representatives of the agricultural industry; and

(2) Allows the department to utilize recommendations of the interested local governments, nongovernmental entities, and the Puget Sound regional council to develop recommendations and strategies for a regional transfer of development rights marketplace with supporting strategies for financing infrastructure and conservation that represents the consensus of the governmental and nongovernmental parties engaged in the process. However, if agreement between the parties cannot be reached, the department shall make recommendations to the legislature that seek to balance the needs and interests of the interested governmental and nongovernmental parties. The department may contract for expertise to accomplish any of the following tasks. Recommendations developed under this subsection must:

(a) Identify opportunities for cities, counties, and the state to achieve significant benefits through using transfer of development rights programs and the value in modifying criteria by which capital budget funds are allocated, including but not limited to, existing state grant programs to provide incentives for local governments to implement transfer of development rights programs;

(b) Address challenges to the creation of an efficient and transparent transfer of development rights market, including the creation of a transfer of development rights bank, brokerage, or direct buyer-seller exchange;

(c) Address issues of certainty to buyers and sellers of development rights that address long-term environmental benefits and perceived inequities in land values and permitting processes;

(d) Address the means for assuring that appropriate values are recognized and updated, as well as specifically addressing the need to maintain the quality of life in receiving neighborhoods and the protection of environmental values over time;

(e) Identify opportunities and challenges that, if resolved, would result in cities throughout the Puget Sound region participating in a transfer of development rights market;

(f) Compare the uses of a regional transfer of development rights program to other existing land conservation strategies to protect rural and resource lands and implement the growth management act; and

(g) Identify appropriate sending areas so as to protect future growth and economic development needs of the sending areas.

**NEW SECTION. Sec. 4.** The department shall submit recommendations, findings, and legislative recommendations according to the following schedule:

(1) By December 1, 2007, the department shall notify the governor and the appropriate committees of the legislature of any recommended actions for advancing the purposes of this act.

(2) By December 1, 2008, the department shall notify the governor and the appropriate committees of the legislature of findings and legislative recommendations to implement a regional transfer of development rights program.

**NEW SECTION. Sec. 5.** Sections 1 through 3 of this act constitute a new chapter in Title 43 RCW."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "adding a new chapter to Title 43 RCW; and creating a new section."

and the same is herewith transmitted.

"NEW SECTION. Sec. 1. The legislature intends that sampling of fish, wildlife, and shellfish by department of fish and wildlife employees will ensure the conservation and management of fish, shellfish, and wildlife. ~~(1) A retail fish seller is guilty of retail fish seller's failure to account for commercial harvest if the retail seller sells fish or shellfish at retail, the fish or shellfish were required to be entered on a Washington state fish receiving ticket, the seller is not a wholesale fish dealer or fisher selling under a direct retail sale endorsement, and the seller fails to maintain sufficient records at the location where the fish or shellfish are being sold to determine the following:~~

The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(2) In counties in which ballots are not counted at the polling place, the official political party observers, upon mutual agreement, may request that a precinct be selected at random on receipt of the ballots from the polling place and that a manual count be made of the number of ballots and of the votes cast on any office or issue. The ballots for that precinct must then be counted by the vote tallying system, and this result will be compared to the results of the manual count. This may be done as many as three times during the tabulation of ballots on the day of the primary or election.

(3) In counties using poll-site ballot counting devices, the political party observers, upon mutual agreement, may choose as many as three precincts and request that a manual count be made of the number of ballots and the votes cast on any office or issue. The results of this count will be compared to the count of the precinct made by the poll-site ballot counting device. These selections must be made no later than thirty minutes after the close of the polls. The manual count must be completed within forty-eight hours after the close of the polls. The process must take place at a location designated by the county auditor for that purpose. The political party observers must receive timely notice of the time and location, and have the right to be present. However, the process must proceed as scheduled if the observers are unable to attend.

(4) In counties voting entirely by mail, a random check of the ballot counting equipment may be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The random check procedures must be adopted by the county canvassing board prior to the processing of ballots. The random check process shall involve a comparison of a manual count to the machine count and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board and the check must be completed no later than forty-eight hours after election day.

**NEW SECTION. Sec. 4.** Section 1 of this act expires July 1, 2013.

**NEW SECTION. Sec. 5.** Section 2 of this act takes effect July 1, 2013."

On page 1, line 2 of the title, after "ballots;" strike the remainder of the title and insert "amending RCW 29A.60.160 and 29A.60.170; reenacting and amending RCW 29A.60.160; providing an effective date; and providing an expiration date."

### MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1761 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.105D.030 and 2002 c 288 s 3 are each amended to read as follows:

(1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;

(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of RCW 70.105D.020(7) and classify substances and products as hazardous substances for purposes of RCW 82.21.020(1);

(f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection that may be conditioned upon, deed restrictions where necessary to protect human health and the environment from a release or threatened release of a hazardous substance from a facility. Prior to establishing a deed restriction under this subsection, the department shall notify and seek comment from a city or county department with land use planning authority for real property subject to a deed restriction;

(g) Enforce the application of permanent and effective institutional controls that are necessary for a remedial action to be protective of human health and the environment and the notification requirements established in RCW 70.105D.110, and impose penalties for violations of that section consistent with RCW 70.105D.050;

(h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(12)(b)(ii)(C);

(i) Provide informal advice and assistance to persons regarding the administrative and technical requirements of this chapter. This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and

(j) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(a) Provide for public participation, including at least (i) public notice of the development of investigative plans or remedial plans for releases or threatened releases and (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remedying releases or threatened releases at the site;

(e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) To achieve and protect the state's long-term ecological health, the department shall prioritize sufficient funding to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes, and create financing tools to clean up large-scale hazardous waste sites requiring multiyear commitments. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

(4) Before ~~(November 1st)~~ December 20th of each even-numbered year, the department shall ~~((develop, with public notice and hearing, and submit to))~~

(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the local toxics control account;

(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;

(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the local toxics control account and the state toxics control account, and submit this information to the ~~((ways and means and))~~ appropriate standing fiscal and environmental committees of the senate and house of representatives ~~((a ranked list of projects and expenditures recommended for appropriation from both the state and local toxics control accounts. The department shall also)).~~ This submittal must

also include a ranked list of such remedial action projects for both accounts; and

~~((c))~~ (c) Provide the legislature and the public each year with an accounting of the department's activities supported by appropriations from the state and local toxics control accounts, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its ~~((top two))~~ waste management priorities under RCW 70.105.150, and all funds expended under this chapter.

~~((4))~~ (5) The department shall establish a scientific advisory board to render advice to the department with respect to the hazard ranking system, cleanup standards, remedial actions, deadlines for remedial actions, monitoring, the classification of substances as hazardous substances for purposes of RCW 70.105D.020(7) and the classification of substances or products as hazardous substances for purposes of RCW 82.21.020(1). The board shall consist of five independent members to serve staggered three-year terms. No members may be employees of the department. Members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

~~((5))~~ (6) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

**Sec. 2.** RCW 70.105D.070 and 2005 c 488 s 926 are each amended to read as follows:

(1) The state toxics control account and the local toxics control account are hereby created in the state treasury.

(2) The following moneys shall be deposited into the state toxics control account: (a) Those revenues which are raised by the tax imposed under RCW 82.21.030 and which are attributable to that portion of the rate equal to thirty-three one-hundredths of one percent; (b) the costs of remedial actions recovered under this chapter or chapter 70.105A RCW; (c) penalties collected or recovered under this chapter; and (d) any other money appropriated or transferred to the account by the legislature. Moneys in the account may be used only to carry out the purposes of this chapter, including but not limited to the following activities:

(xii) Development and demonstration of alternative management technologies designed to carry out the ~~((top two))~~ hazardous waste management priorities of RCW 70.105.150.

(3) The following moneys shall be deposited into the local toxics control account: Those revenues which are raised by the tax imposed under RCW 82.21.030 and which are attributable to that

portion of the rate equal to thirty-seven one-hundredths of one percent.

(a) Moneys deposited in the local toxics control account shall be used by the department for grants or loans to local governments for the following purposes in descending order of priority: (i) Remedial actions; (ii) hazardous waste plans and programs under chapter 70.105 RCW; (iii) solid waste plans and programs under chapters 70.95, 70.95C, 70.95I, and 70.105 RCW; (iv) funds for a program to assist in the assessment and cleanup of sites of methamphetamine production, but not to be used for the initial containment of such sites, consistent with the responsibilities and intent of RCW 69.50.511; and (v) cleanup and disposal of hazardous substances from abandoned or derelict vessels that pose a threat to human health or the environment. For purposes of this subsection (3)(a)(v), "abandoned or derelict vessels" means vessels that have little or no value and either have no identified owner or have an identified owner lacking financial resources to clean up and dispose of the vessel. Funds for plans and programs shall be allocated consistent with the priorities and matching requirements established in chapters 70.105, 70.95C, 70.95I, and 70.95 RCW. During the 1999-2001 fiscal biennium, moneys in the account may also be used for the following activities: Conducting a study of whether dioxins occur in fertilizers, soil amendments, and soils; reviewing applications for registration of fertilizers; and conducting a study of plant uptake of metals. During the 2005-2007 fiscal biennium, the legislature may transfer from the local toxics control account to the state toxics control account such amounts as specified in the omnibus capital budget bill. During the 2005-2007 fiscal biennium, moneys in the account may also be used for grants to local governments to retrofit public sector diesel equipment and for storm water planning and implementation activities.

(b) Funds may also be appropriated to the department of health to implement programs to reduce testing requirements under the federal safe drinking water act for public water systems. The department of health shall reimburse the account from fees assessed under RCW 70.119A.115 by June 30, 1995.

(c) To expedite cleanups throughout the state, the department shall partner with local communities and liable parties for cleanups. The department is authorized to use the following additional strategies in order to ensure a healthful environment for future generations:

(i) The director may alter grant-matching requirements to create incentives for local governments to expedite cleanups when one of the following conditions exists:

(A) Funding would prevent or mitigate unfair economic hardship imposed by the clean-up liability;

(B) Funding would create new substantial economic development, public recreational, or habitat restoration opportunities that would not otherwise occur; or

(C) Funding would create an opportunity for acquisition and redevelopment of vacant, orphaned, or abandoned property under RCW 70.105D.040(5) that would not otherwise occur;

(ii) The use of outside contracts to conduct necessary studies;

(iii) The purchase of remedial action cost-cap insurance, when necessary to expedite multiparty clean-up efforts.

(4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute.

(5) One percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. However, during the 1999-2001 fiscal biennium, funding may not be granted to entities engaged in lobbying activities, and applicants may not be awarded grants if their cumulative grant awards under this section exceed two hundred thousand dollars. No grant may exceed sixty thousand dollars. Grants may be renewed annually. Moneys appropriated for public

participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation.

(7) The department shall adopt rules for grant or loan issuance and performance.

(8) During the 2005-2007 fiscal biennium, the legislature may transfer from the state toxics control account to the water quality account such amounts as reflect the excess fund balance of the fund."

On page 1, line 2 of the title, after "cleanups;" strike the remainder of the title and insert "and amending RCW 70.105D.030 and 70.105D.070."

and the same is herewith transmitted.

The program shall be administered by the nonprofit organization selected as the private partner in the public-private partnership.

(2) The total annual amount of each GET ready for math and science scholarship may vary, but shall not exceed the annual cost of resident undergraduate tuition fees and mandatory fees at the University of Washington. (3) Scholarships shall be awarded only to the extent that state funds and private matching funds are available for that purpose in the GET ready for math and science account established in section 11 of this act.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

**MESSAGE FROM THE SENATE**

April 6, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1896 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that Washington is committed to economic development and supporting the tourism industry, and that economic development is achieved by promoting the state and the goods produced around the state. The legislature further finds that tourism is encouraged providing a memorable experience and an opportunity for visitors to take something back home with them to remind them of this experience. There are many visitors every day to the legislative building, including tourists, school children, and people from around the state visiting the state capitol. These visitors offer an opportunity for the state to showcase its products and history. Therefore, the legislature finds that a gift center in the legislative building would be an appropriate response to this opportunity, and further, that such a gift center could provide a source of revenue to help fund the oral history program and to pay for the restoration and repurchase of historical capitol furnishings.

**NEW SECTION. Sec. 2.** (1) There is created in the legislature a legislative gift center for the retail sale of products bearing the state seal, Washington state souvenirs, other Washington products, and other products as approved. Wholesale purchase of products for sale at the legislative gift center is not subject to competitive bidding.

(2) Governance for the legislative gift center shall be under the chief clerk of the house of representatives and the secretary of the senate. They may designate a legislative staff member as the lead staff person to oversee management and operation of the gift shop.

(3) The chief clerk of the house of representatives and secretary of the senate shall consult with the department of general administration in planning, siting, and maintaining legislative building space for the gift center.

(4) Products bearing the "Seal of the State of Washington" as described in Article XVIII, section 1 of the Washington state Constitution and RCW 1.20.080, must be purchased from the secretary of state pursuant to an agreement between the chief clerk of the house of representatives, the secretary of the senate, and the secretary of state.

**NEW SECTION. Sec. 3.** (1) The legislative gift center account is created in the custody of the state treasurer. All moneys received by the gift center from the sale of Washington state souvenirs, other Washington products, and other products as approved shall be deposited in the account. Expenditures from the account may be used only for the operations and maintenance of the gift center, including the purchase of inventory, and for other purposes as

provided in this section. Only the chief clerk of the house of representatives and the secretary of the senate, or the lead staff person designated by them to oversee management and operation of the gift shop, may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) Net profits, after expenses, from the sale of Washington state souvenirs, other Washington products, and products approved by the legislative gift center, shall be deposited as provided in this subsection:

(a) Twenty-five percent in the legislative oral history account in chapter 44.04 RCW (created in Substitute House Bill No. 1741);

(b) Twenty-five percent in the oral history, state library, and archives account created in RCW 43.07.380; and

(c) Fifty percent in the capitol furnishings preservation committee account created in RCW 27.48.040.

(3) Net profits, after expenses, from the sale of items bearing the state seal by the legislative gift center shall be deposited in the capitol furnishings preservation committee account created in RCW 27.48.040. A full accounting thereof shall be provided to the secretary of state.

(4) The legislative gift center may designate special sales, the proceeds of which shall go to an account specified at the time of designation.

**Sec. 4.** RCW 43.04.100 and 1988 c 120 s 10 are each amended to read as follows:

All fees, penalties, and damages received under this chapter shall be paid to the secretary of state and with the exception of the filing fee authorized in RCW 43.04.040(2) shall be deposited by the secretary into the capitol (~~(building construction account in the state treasury, for use in the historical restoration and completion of the legislative building))~~ furnishings preservation committee account created in RCW 27.48.040.

**NEW SECTION. Sec. 5.** Sections 1 through 3 of this act constitute a new chapter in Title 44 RCW."

On page 1, line 1 of the title, after "center;" strike the remainder of the title and insert "amending RCW 43.04.100; and adding a new chapter to Title 44 RCW."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1910 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 84.14.005 and 1995 c 375 s 1 are each amended to read as follows:

The legislature finds:

(1) That in many of Washington's urban centers there is insufficient availability of desirable and convenient residential units, including affordable housing units, to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, affordable, and livable places to live were available;

(2) That the development of additional and desirable residential units, including affordable housing units, in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable mixed income residential population and will help to achieve the planning goals mandated by the growth management act under RCW 36.70A.020; and

(3) That planning solutions to solve the problems of urban sprawl often lack incentive and implementation techniques needed to encourage residential redevelopment in those urban centers lacking a sufficient variety of residential opportunities, and it is in the public interest and will benefit, provide, and promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities, including affordable housing opportunities, within urban centers through a tax incentive as provided by this chapter.

"**Sec. 2.** RCW 84.14.007 and 1995 c 375 s 2 are each amended to read as follows:

It is the purpose of this chapter to encourage increased residential opportunities, including affordable housing opportunities, in cities that are required to plan or choose to plan under the growth management act within urban centers where the ~~((legislative body))~~ governing authority of the affected city has found there is insufficient housing opportunities, including affordable housing opportunities. It is further the purpose of this chapter to stimulate the construction of new multifamily housing and the rehabilitation of existing vacant and underutilized buildings for multifamily housing in urban centers having insufficient housing opportunities that will increase and improve residential opportunities, including affordable housing opportunities, within these urban centers. To achieve these purposes, this chapter provides for special valuations in residentially deficient urban centers for eligible improvements associated with multiunit housing ~~((in residentially deficient urban centers))~~, which includes affordable housing.

"**Sec. 3.** RCW 84.14.010 and 2002 c 146 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(5) "Moderate-income household" means a single person, family, or unrelated persons living together whose adjusted income is more than eighty percent but is at or below one hundred fifteen percent of the median family income adjusted for family size, for the county where the project is located, as reported by the United States department of housing and urban development. For cities located in high-cost areas, "moderate-income household" means a household that has an income that is more than one hundred percent, but at or below one hundred fifty percent, of the median family income adjusted for family size, for the county where the project is located.

(6) "High cost area" means a county where the third quarter median house price for the previous year as reported by the Washington center for real estate research at Washington State University is equal to or greater than one hundred thirty percent of the statewide median house price published during the same time period.

~~((6))~~ (11) "Permanent residential occupancy" means multiunit housing that provides either rental or owner occupancy on a nontransient basis. (c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

**Sec. 4.** RCW 84.14.020 and 2002 c 146 s 2 are each amended to read as follows:

(1)(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows:

(i) For properties for which applications for certificates of tax exemption eligibility are submitted under chapter 84.14 RCW before the effective date of this act, the value is exempt for ten successive years beginning January 1 of the year immediately following the calendar year of issuance of the certificate (of tax exemption eligibility. However, the exemption does not include the value of land or nonhousing-related improvements not qualifying under this chapter); and

(ii) For properties for which applications for certificates of tax exemption eligibility are submitted under chapter 84.14 RCW on or after the effective date of this act, the value is exempt:

(A) For eight successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate; or

(B) For twelve successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under chapter 84.14 RCW and meets the conditions in this subsection (1)(a)(ii)(B). For the property to qualify for the twelve-year exemption under this subsection, the applicant must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households, and the property must satisfy that commitment and any additional affordability and income eligibility conditions adopted by the local government under this chapter. In the case of projects intended exclusively for owner occupancy, the minimum requirement of this subsection (1)(a)(ii)(B) may be satisfied solely through housing affordable to moderate-income households.

(b) The exemptions provided in (a)(i) and (ii) of this subsection do not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(2) When a local government adopts guidelines pursuant to RCW 84.14.030(2) and ~~((the qualifying dwelling units are each on separate parcels for the purpose of property taxation))~~ includes conditions that must be satisfied with respect to individual dwelling units, rather than with respect to the multiple-unit housing as a whole or some minimum portion thereof, the exemption may, at the local government's discretion, be limited to the value of the qualifying improvements allocable to those dwelling units that meet the local guidelines.

~~((2))~~ (3) In the case of rehabilitation of existing buildings, the exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

~~((3))~~ (4) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

~~((4))~~ (5) At the conclusion of the ~~((ten-year))~~ exemption period, the new or rehabilitated housing cost shall be considered as new construction for the purposes of chapter 84.55 RCW.

**Sec. 5.** RCW 84.14.030 and 2005 c 80 s 1 are each amended to read as follows:

An owner of property making application under this chapter must meet the following requirements:

(1) The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city;

(2) The multiple-unit housing must meet ~~((the))~~ guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, ~~((low-income or moderate-))~~ income limits for occupancy ~~((requirements)),~~ limits on rents or sale prices, and other adopted requirements indicated necessary by the city. The required amenities should be relative to the size of the project and tax benefit to be obtained;

(3) The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. In the case of existing occupied multifamily development, the multifamily housing must also provide for a minimum of four additional multifamily units. Existing multifamily vacant housing that has been vacant for twelve months or more does not have to provide additional multifamily units;

(4) New construction multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application;

(5) Property proposed to be rehabilitated must fail to comply with one or more standards of the applicable state or local building or housing codes on or after July 23, 1995. If the property proposed to be rehabilitated is not vacant, an applicant shall provide each existing tenant housing of comparable size, quality, and price and a reasonable opportunity to relocate; and

(6) The applicant must enter into a contract with the city approved by the governing ~~((body))~~ authority, or an administrative official or commission authorized by the governing authority, under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

**Sec. 6.** RCW 84.14.040 and 1995 c 375 s 7 are each amended to read as follows:

(1) The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;

(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing, including affordable housing, to meet the needs of the public who would be likely to live in the urban center, if the affordable, desirable, attractive, and livable places to live were available; and

(c) The providing of additional housing opportunity, including affordable housing, in the area, as determined by the governing authority, will assist in achieving one or more of the stated purposes of this chapter.

(2) For the purpose of designating a residential targeted area or areas, the governing authority may adopt a resolution of intention to so designate an area as generally described in the resolution. The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

(3) The governing authority shall give notice of a hearing held under this chapter by publication of the notice once each week for two consecutive weeks, not less than seven days, nor more than thirty days before the date of the hearing in a paper having a general circulation in the city where the proposed residential targeted area is located. The notice must state the time, date, place, and purpose of the hearing and generally identify the area proposed to be designated as a residential targeted area.

(4) Following the hearing, or a continuance of the hearing, the governing authority may designate all or a portion of the area described in the resolution of intent as a residential targeted area if it

finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

(5) After designation of a residential targeted area, the governing authority ~~((shall))~~ must adopt and implement standards and guidelines to be utilized in considering applications and making the determinations required under RCW 84.14.060. The standards and guidelines must establish basic requirements for both new construction and rehabilitation ~~((including))~~, which must include:

~~((a))~~ (a) Application process and procedures ~~((These guidelines may include the following:));~~

~~((b))~~ (b) Requirements that address demolition of existing structures and site utilization; and

~~((c))~~ (c) Building requirements that may include elements addressing parking, height, density, environmental impact, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the livability of the residential targeted area in which they are to be located.

(6) The governing authority may adopt and implement, either as conditions to eight-year exemptions or as conditions to an extended exemption period under RCW 84.14.020(2), or both, more stringent income eligibility, rent, or sale price limits, including limits that apply to a higher percentage of units, than the minimum conditions for an extended exemption period under RCW 84.14.020(2).

**Sec. 8.** RCW 84.14.060 and 1995 c 375 s 9 are each amended to read as follows:

(1) A minimum of four new units are being constructed or in the case of occupied rehabilitation or conversion a minimum of four additional multifamily units are being developed;

(2) If applicable, the proposed multiunit housing project meets the affordable housing requirements as described in RCW 84.14.020;

The city shall also determine which specific improvements completed meet the requirements and required findings.

(3) If the rehabilitation, conversion, or construction is completed within three years of the date the application for a limited tax exemption is filed under this chapter, or within an authorized extension of this time limit, and the authorized representative of the city determines that improvements were constructed consistent with the application and other applicable requirements, including if applicable, affordable housing requirements, and the owner's property is qualified for a limited tax exemption under this chapter, the city shall file the certificate of tax exemption with the county assessor within ten days of the expiration of the thirty-day period provided under subsection (2) of this section.

(4) The authorized representative of the city shall notify the applicant that a certificate of tax exemption is not going to be filed if the authorized representative determines that:

The owner may appeal a decision by the deciding officer or authority that is not subject to local appeal or a decision by the local appeal authority that the owner is not entitled to a certificate of tax exemption in superior court under RCW 34.05.510 through 34.05.598, if the appeal is filed within thirty days of notification by the city to the owner of the decision being challenged.

**Sec. 10.** RCW 84.14.100 and 1995 c 375 s 13 are each amended to read as follows:

(1) Thirty days after the anniversary of the date of the certificate of tax exemption and each year for ~~((a period of ten years))~~ the tax exemption period, the owner of the rehabilitated or newly constructed property shall file with a designated ~~((agent))~~ authorized representative of the city an annual report indicating the following:

~~((+))~~ (a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date;

~~((+))~~ (b) A certification by the owner that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in RCW 84.14.020 since the date of the certificate approved by the city; ~~((and~~

~~((+))~~ (c) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and

(d) Any additional information requested by the city in regards to the units receiving a tax exemption.

(2) All cities, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, shall report annually by December 31st of each year, beginning in 2007, to the department of community, trade, and economic development. The report must include the following information:

(a) The number of tax exemption certificates granted;

(b) The total number and type of units produced or to be produced;

(c) The number and type of units produced or to be produced meeting affordable housing requirements;

(d) The actual development cost of each unit produced;

(e) The total monthly rent or total sale amount of each unit produced;

(f) The income of each renter household at the time of initial occupancy and the income of each initial purchaser of owner-occupied

units at the time of purchase for each of the units receiving a tax exemption and a summary of these figures for the city; and

(g) The value of the tax exemption for each project receiving a tax exemption and the total value of tax exemptions granted.

**Sec. 11.** RCW 84.14.110 and 2002 c 146 s 3 are each amended to read as follows:

(1) If improvements have been exempted under this chapter, the improvements continue to be exempted ~~((and))~~ for the applicable period under RCW 84.14.020, so long as they are not ((be)) converted to another use ~~((for at least ten years from date of issuance of the certificate of tax exemption))~~ and continue to satisfy all applicable conditions. If the owner intends to convert the multifamily development to another use, or if applicable, if the owner intends to discontinue compliance with the affordable housing requirements as described in RCW 84.14.020 or any other condition to exemption, the owner shall notify the assessor within sixty days of the change in use or intended discontinuance. If, after a certificate of tax exemption has been filed with the county assessor, the ~~((city or assessor or agent))~~ authorized representative of the governing authority discovers that a portion of the property is changed or will be changed to a use that is other than residential or that housing or amenities no longer meet the requirements, including, if applicable, affordable housing requirements, as previously approved or agreed upon by contract between the ~~((governing authority))~~ city and the owner and that the multifamily housing, or a portion of the housing, no longer qualifies for the exemption, the tax exemption must be canceled and the following must occur:

(a) Additional real property tax must be imposed upon the value of the nonqualifying improvements in the amount that would normally be imposed, plus a penalty must be imposed amounting to twenty percent. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonmultifamily use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have

been paid without penalty if the improvements had been assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty must become a lien on the land and attach at the time the property or portion of the property is removed from multifamily use or the amenities no longer meet applicable requirements, and has priority to and must be fully paid and satisfied before a recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(2) Upon a determination that a tax exemption is to be canceled for a reason stated in this section, the governing authority or authorized representative shall notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to cancel the exemption. The owner may appeal the determination to the governing authority or authorized representative, within thirty days by filing a notice of appeal with the clerk of the governing authority, which notice must specify the factual and legal basis on which the determination of cancellation is alleged to be erroneous. The governing authority or a hearing examiner or other official authorized by the governing authority may hear the appeal. At the hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer shall either affirm, modify, or repeal the decision of cancellation of exemption based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court under RCW 34.05.510 through 34.05.598.

(3) Upon determination by the governing authority or authorized representative to terminate an exemption, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor shall make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The value of the new housing construction, conversion, and rehabilitation improvements added to the rolls shall be considered as new construction for the purposes of chapter 84.55 RCW. The owner may appeal the valuation to the county board of equalization under chapter 84.48 RCW and according to the provisions of RCW 84.40.038. If there has been a failure to comply with this chapter, the property must be listed as an omitted assessment for assessment years beginning January 1 of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered.

**NEW SECTION. Sec. 12.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

**MESSAGE FROM THE SENATE**

April 10, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1922 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that providing needy youth aging out of the state dependency system with safe and viable options for housing to avoid homelessness confers a valuable benefit on the public that is intended to improve public health, safety, and welfare.

(2) It is the goal of this state to:

(a) Ensure that all youth aging out of the state dependency system have access to a decent, appropriate, and affordable home in a healthy safe environment to prevent such young people from experiencing homelessness; and

(b) Reduce each year the percentage of young people eligible for state assistance upon aging out of the state dependency system.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.63A RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of community, trade, and economic development.

(2) "Eligible youth" means an individual who:

(a) On or after September 1, 2006, is at least eighteen, was a dependent of the state under chapter 13.34 RCW in the month before his or her eighteenth birthday, and has not yet reached the age of twenty-three;

(b) Except as provided in section 4(2)(a) of this act, has a total income from all sources, except for temporary sources that include, but are not limited to, overtime wages, bonuses, or short-term temporary assignments, that does not exceed fifty percent of the area median income;

(c) Is not receiving services under RCW 74.13.031(10)(b);

(d) Complies with other eligibility requirements the department may establish.

(3) "Fair market rent" means the fair market rent in each county of the state, as determined by the United States department of housing and urban development.

(4) "Independent housing" means a housing unit that is not owned by or located within the home of the eligible youth's biological parents or any of the eligible youth's former foster care families or dependency guardians. "Independent housing" may include a unit in a transitional or other supportive housing facility.

(5) "Individual development account" or "account" means an account established by contract between a low-income individual and a sponsoring organization for the benefit of the low-income individual and funded through periodic contributions by the low-income individual that are matched with contributions by or through the sponsoring organization.

(6) "Subcontractor organization" means an eligible organization described under RCW 43.185A.040 that contracts with the department to administer the independent youth housing program.

**NEW SECTION. Sec. 3.** A new section is added to chapter 43.63A RCW to read as follows:

(1) The independent youth housing program is created in the department to provide housing stipends to eligible youth to be used for independent housing. In developing a plan for the design, implementation, and operation of the independent youth housing program, the department shall:

(a) Adopt policies, requirements, and procedures necessary to administer the program;

(b) Contract with one or more eligible organizations described under RCW 43.185A.040 to provide services and conduct administrative activities as described in subsection (3) of this section;

(c) Establish eligibility criteria for youth to participate in the independent youth housing program, giving priority to youth who have been dependents of the state for at least one year;

(d) Refer interested youth to the designated subcontractor organization administering the program in the area in which the youth intends to reside;

(e) Develop a method for determining the amount of the housing stipend, first and last month's rent, and security deposit, where applicable, to be dedicated to participating youth. The method for determining a housing stipend must take into account a youth's age, the youth's total income from all sources, the fair market rent for the area in which the youth lives or intends to live, and a variety of possible living situations for the youth. The amount of housing stipends must be adjusted, by a method and formula established by the department, to promote the successful transition for youth to complete housing self-sufficiency over time;

(f) Ensure that the independent youth housing program is integrated and aligned with other state rental assistance and case management programs operated by the department, as well as case management and supportive services programs, including the independent living program, the transitional living program, and other related programs offered by the department of social and health services; and

(g) Consult with the department of social and health services and other stakeholders involved with dependent youth, homeless youth, and homeless young adults, as appropriate.

(2) The department of social and health services shall collaborate with the department in implementing and operating the independent youth housing program including, but not limited to, the following:

(a) Refer potential eligible youth to the department before the youth's eighteenth birthday, if feasible, to include an indication, if known, of where the youth plans to reside after aging out of foster care;

(b) Provide information to all youth aged fifteen or older, who are dependents of the state under chapter 13.34 RCW, about the independent youth housing program, encouraging dependents nearing their eighteenth birthday to consider applying for enrollment in the program;

(c) Encourage organizations participating in the independent living program and the transitional living program to collaborate with independent youth housing program providers whenever possible to capitalize on resources and provide the greatest amount and variety of services to eligible youth;

(d) Annually provide to the department data reflecting changes in the percentage of youth aging out of the state dependency system each year who are eligible for state assistance, as well as any other data and performance measures that may assist the department to measure program success; and

(e) Annually, beginning by December 31, 2007, provide to the appropriate committees of the legislature and the interagency council on homelessness as described under RCW 43.185C.170 recommendations of strategies to reach the goals described in section 5(2)(g) of this act.

(3) Under the independent youth housing program, subcontractor organizations shall:

(a) Use moneys awarded to the organizations for housing stipends, security deposits, first and last month's rent stipends, case management program costs, and administrative costs;

(i) Administrative costs for each subcontractor organization may not exceed twelve percent of the estimated total annual grant amount to the subcontractor organization;

(ii) All housing stipends must be payable only to a landlord or housing manager of any type of independent housing;

(b) Enroll eligible youth who are referred by the department and who choose to reside in their assigned service area;

(c) Enter eligible youth program participants into the homeless client management information system as described in RCW 43.185C.180;

(d) Monitor participating youth's housing status;

(e) Evaluate participating youth's eligibility and compliance with department policies and procedures at least twice a year;

(f) Assist participating youth to develop or update an independent living plan focused on obtaining and retaining independent housing or collaborate with a case manager with whom the youth is already involved to ensure that the youth has an independent living plan;

(g) Educate participating youth on tenant rights and responsibilities;

(h) Provide support to participating youth in the form of general case management and information and referral services, when necessary, or collaborate with a case manager with whom the youth is already involved to ensure that the youth is receiving the case management and information and referral services needed;

(i) Connect participating youth, when possible, with individual development account programs, other financial literacy programs, and other programs that are designed to help young people acquire economic independence and self-sufficiency, or collaborate with a case manager with whom the youth is already involved to ensure that

the youth is receiving information and referrals to these programs, when appropriate;

(j) Submit expenditure and performance reports, including information related to the performance measures in section 5 of this act, to the department on a time schedule determined by the department; and

(k) Provide recommendations to the department regarding program improvements and strategies that might assist the state to reach its goals as described in section 5(2)(g) of this act.

**NEW SECTION. Sec. 4.** A new section is added to chapter 43.63A RCW to read as follows:

(1) An eligible youth participating in the independent youth housing program must:

(a) Sign a program compliance agreement stating that the youth agrees to:

(i) Timely pay his or her portion of the independent housing cost;

(ii) Comply with an independent living plan; and

(iii) Comply with other program requirements and policies the department may establish; and

(b) Maintain his or her status as an eligible youth, except as provided in subsection (2) of this section.

(2) The department shall establish policies and procedures to allow the youth to remain in the program and continue to receive a housing stipend if the youth's total income exceeds fifty percent of the area median income during the course of his or her participation in the program. The policies must require the youth to:

(a) Participate in the individual development account program established under RCW 43.31.460 and invest a portion, to be determined by the department, of his or her income that exceeds fifty percent of the area median income in an individual development account; or

(b) If the youth is unable to participate in the individual development account program due to the program's capacity limits or eligibility requirements, participate in an alternate supervised savings program approved by the department, as long as the youth qualifies for and may participate in this savings program.

(3) An eligible youth may participate in the independent youth housing program for any duration of time and may apply to enroll in the program with the department at any time.

(4)(a) A youth may be terminated from the independent youth housing program for a violation of department policies.

(b) Youth who are terminated from the program may apply to the department for reenrollment in the program through a procedure to be developed by the department. The department shall establish criteria to evaluate a reenrollment application and may accept or deny a reenrollment application based on the department's evaluation.

**NEW SECTION. Sec. 5.** A new section is added to chapter 43.63A RCW to read as follows:

Beginning in 2007, the department must annually review and report on the performance of subcontractor organizations participating in the independent youth housing program, as well as the performance of the program as a whole.

(1) Reporting should be within the context of the state homeless housing strategic plan under RCW 43.185C.040 and any other relevant state or local homeless or affordable housing plans. The outcomes of the independent youth housing program must be included in the measurement of any performance measures described in chapter 43.185C RCW.

#### MESSAGE FROM THE SENATE

April 2, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1929 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds and declares that greenhouse gases offset contracts, credits, and other greenhouse gases mitigation efforts are a recognized utility purpose that confers a direct benefit on the utility's ratepayers. The legislature declares that section 2 of this act is intended to reverse the result of *Okeson v. City of Seattle* (January 18, 2007), by expressly granting municipal utilities the statutory authority to engage in mitigation activities to offset their utility's impact on the environment.

**NEW SECTION. Sec. 2.** A new section is added to chapter 35.92 RCW to read as follows:

(1) A city or town authorized to acquire and operate utilities for the purpose of furnishing the city or town and its inhabitants and other persons with water, with electricity for lighting and other purposes, or with service from sewerage, storm water, surface water, or solid waste handling facilities, may develop and make publicly available a plan to reduce its greenhouse gases emissions or achieve no-net emissions from all sources of greenhouse gases that the utility owns, leases, uses, contracts for, or otherwise controls.

(2) A city or town authorized to acquire and operate utilities for the purpose of furnishing the city or town and its inhabitants and other persons with water, with electricity for lighting and other purposes, or with service from sewerage, storm water, surface water, or solid waste handling facilities, may, as part of its utility operation, mitigate the environmental impacts, such as greenhouse gases emissions, of its operation, including any power purchases. The

mitigation may include, but is not limited to, those greenhouse gases mitigation mechanisms recognized by independent, qualified organizations with proven experience in emissions mitigation activities. Mitigation mechanisms may include the purchase, trade, and banking of greenhouse gases offsets or credits. If a state greenhouse gases registry is established, a utility that has purchased, traded, or banked greenhouse gases mitigation mechanisms under this section shall receive credit in the registry.

**NEW SECTION. Sec. 3.** The legislature finds and declares that greenhouse gases offset contracts, credits, and other greenhouse gases mitigation efforts are a recognized utility purpose that confers a direct benefit on the utility's ratepayers. The legislature declares that section 4 of this act is intended to reverse the result of *Okeson v. City of Seattle* (January 18, 2007), by expressly granting public utility districts the statutory authority to engage in mitigation activities to offset their utility's impact on the environment.

**NEW SECTION. Sec. 4.** A new section is added to chapter 54.16 RCW to read as follows:

(1) A public utility district may develop and make publicly available a plan for the district to reduce its greenhouse gases emissions or achieve no-net emissions from all sources of greenhouse gases that the district owns, leases, uses, contracts for, or otherwise controls.

(2) A public utility district may, as part of its utility operation, mitigate the environmental impacts, such as greenhouse gases emissions, of its operation and any power purchases. Mitigation may include, but is not limited to, those greenhouse gases mitigation mechanisms recognized by independent, qualified organizations with proven experience in emissions mitigation activities. Mitigation mechanisms may include the purchase, trade, and banking of greenhouse gases offsets or credits. If a state greenhouse gases registry is established, a public utility district that has purchased, traded, or banked greenhouse gases mitigation mechanisms under this section shall receive credit in the registry.

**NEW SECTION. Sec. 5.** The legislature finds and declares that greenhouse gases offset contracts, credits, and other greenhouse gases mitigation efforts are a recognized utility purpose that confers a direct benefit on the utility's ratepayers. The legislature also finds and declares that greenhouse gases offset contracts, credits, and other greenhouse gases mitigation efforts are a recognized purpose of other county proprietary activities that are funded by users and ratepayers, and that such mitigation efforts confer a direct benefit on such payers. The legislature declares that section 6 of this act is intended to reverse the result of *Okeson v. City of Seattle* (January 18, 2007), by expressly granting counties the statutory authority to engage in mitigation activities to offset the impact on the environment of their utilities and certain other proprietary and user and ratepayer funded activities.

**NEW SECTION. Sec. 6.** A new section is added to chapter 36.01 RCW to read as follows:

(1) Any county authorized to acquire and operate utilities or conduct other proprietary or user or ratepayer funded activities may develop and make publicly available a plan for the county to reduce its greenhouse gases emissions or achieve no-net emissions from all sources of greenhouse gases that such county utility or proprietary or user or ratepayer funded activity owns, operates, leases, uses, contracts for, or otherwise controls.

(2) Any county authorized to acquire and operate utilities or conduct other proprietary or user or ratepayer funded activities may, as part of such utility or activity, reduce or mitigate the environmental impacts, such as greenhouse gases emissions, of such utility and other proprietary or user or ratepayer funded activity. The mitigation may include, but is not limited to, all greenhouse gases mitigation mechanisms recognized by independent, qualified organizations with proven experience in emissions mitigation activities. Mitigation mechanisms may include the purchase, trade, and banking of carbon offsets or credits. Ratepayer funds, fees, or other revenue dedicated to a county utility or other proprietary or user or ratepayer funded activity may be spent to reduce or mitigate

the environmental impacts of greenhouse gases emitted as a result of that function. If a state greenhouse gases registry is established, the county that has purchased, traded, or banked greenhouse gases mitigation mechanisms under this section shall receive credit in the registry."

On page 1, line 2 of the title, after "efforts;" strike the remainder of the title and insert "adding a new section to chapter 35.92 RCW; adding a new section to chapter 54.16 RCW; adding a new section to chapter 36.01 RCW; and creating new sections."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1929, as amended by the Senate, having received the constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1966 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that some state agencies and departments do not accept the signature of physician assistants on certain certificates, reports, and other documents that their supervising physician is permitted to sign, notwithstanding the fact that the signing of such documents is within the physician assistant's scope of practice, covered under their practice arrangement plan, and permitted pursuant to WAC 246-918-140.

It is therefore the intent of the legislature to clarify in statute what was adopted by rule in WAC 246-918-140, that a physician assistant may sign and attest to any document that might ordinarily be signed by the supervising physician and that is consistent with the terms of the practice arrangement plan.

**NEW SECTION. Sec. 2.** A new section is added to chapter 18.57A RCW to read as follows:

An osteopathic physician's assistant may sign and attest to any certificates, cards, forms, or other required documentation that the osteopathic physician's assistant's supervising osteopathic physician or osteopathic physician group may sign, provided that it is within the osteopathic physician's assistant's scope of practice and is consistent with the terms of the osteopathic physician's assistant's practice arrangement plan as required by this chapter.

**NEW SECTION. Sec. 3.** A new section is added to chapter 18.71A RCW to read as follows:

A physician assistant may sign and attest to any certificates, cards, forms, or other required documentation that the physician assistant's supervising physician or physician group may sign, provided that it is within the physician assistant's scope of practice and is consistent with the terms of the physician assistant's practice arrangement plan as required by this chapter."

On page 1, line 2 of the title, after "documents;" strike the remainder of the title and insert "adding a new section to chapter 18.57A RCW; adding a new section to chapter 18.71A RCW; and creating a new section."

#### MESSAGE FROM THE SENATE

April 6, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2034 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds the challenge of developing realistic, effective, and efficient solutions to the conservation and management issues facing Puget Sound and Washington's outer coast requires calling on all available sources of knowledge and creative thinking available in the collective wisdom of Washington's citizens. The legislature further finds that both Puget Sound and the outer coast are dynamic and localized waterbodies with unique local challenges and unique local solutions. As such, it is essential for the future management of these ecosystems that citizens, through their local government, have a voice and an opportunity to share their dedication and interest in the well-being of their community's unique marine waters, while providing a valuable contribution to the statewide efforts aimed at restoring the outer coast and Puget Sound as a whole.

(2) The legislature further finds that federally led efforts to establish marine resources committees have proven to be an exciting vehicle for involving local citizens and community leaders in the future discussions, decisions, and restoration commitments in the waters most important to the community. The existing model of using a community-based, nonregulatory organization to examine issues particular to a community's corner of Puget Sound, applying for grants, and thoroughly and fairly investigating available options and solutions has proved to be a valuable asset to Puget Sound and its communities, and is worthy of replication throughout the Puget Sound basin and the outer coast.

(3) In this chapter, the legislature intends to establish a structure on which interested local communities can harness the dedication, creativity, and wisdom of their residents in the form of marine resources committees. These committees are intended to complement, and not compete with or undermine, any other governmental efforts to restore and manage the Puget Sound. The legislature further intends that the department of fish and wildlife should apply the lessons learned from Puget Sound to work with county governments on the outer coast to establish marine resources committees.

**NEW SECTION. Sec. 2.** (1)(a) The legislative authority for each county that borders the marine waters of southern Puget Sound may establish marine resources committees consistent with the procedures outlined in section 3 of this act. Counties authorized to establish marine resources committees in the southern Puget Sound are: King, Pierce, Thurston, Kitsap, and Mason counties.

(b) The legislative authority for each county bordering the marine waters of the outer coast may develop a marine resources committee consistent with the procedures outlined in section 3 of this

act. Counties authorized to establish marine resources committees on the outer coast are: Pacific, Grays Harbor, and Wahkiakum counties.

(c) Jefferson and Clallam counties may establish a new marine resources committee or a subcommittee of the county's existing marine resources committee, consistent with the procedures outlined in section 3 of this act, specifically to address the marine ecosystems for the outer coast or Puget Sound, where appropriate.

(2) The mission of a marine resources committee created under this section is to address, utilizing sound science, the needs of the marine ecosystem local to the county initiating the marine resources committee.

(3) A marine resources committee created under this section should review current data and resource conservation and management programs and make prioritized recommendations for additional measures that might be necessary to enhance protection of marine resources.

(4) The role of a marine resources committee in developing recommendations includes, but is not limited to:

(a) Utilizing existing data and, to the extent necessary, helping to gather new data on the health of local marine resources;

(b) Making scientifically based recommendations on local candidate sites for marine protected areas;

(c) Working closely with local and state officials to help implement recommendations of the marine resources committee;

(d) Promoting public outreach and education around marine resource conservation and management issues; and

(e) Engaging in any other activities that the initiating county deems appropriate.

**NEW SECTION. Sec. 3.** (1) A marine resources committee, as described in section 2 of this act, may be created by the legislative authority of any county bordering the marine waters of the outer coast or Puget Sound, in cooperation with all appropriate cities and special districts within their boundaries. Adjacent county legislative authorities shall coordinate their efforts whenever there is a mutual interest in creating a marine resources committee.

(2) A county may delegate the management and oversight of a marine resources committee created by the county under section 2 of this act to a city, or cities, within its jurisdiction, if the city or cities are located on the marine waters of the outer coast or southern Puget Sound and are willing to accept the delegation.

(3) Participating county legislative authorities must select members of the marine resources committee, ensuring balanced representation from: Local government; scientific experts; affected economic interests; affected recreational interests; and environmental and conservation interests. Additionally, participating county legislative authorities must invite tribal representatives to participate in the marine resources committee. An initiating county may delegate its appointment authority to a city or cities that have received from the county the delegated responsibilities of managing and overseeing the marine resources committee.

(4) County residents may petition the county legislative authority to create a marine resources committee. Upon receipt of a petition, the county legislative authority must respond in writing within sixty days as to whether they will authorize the creation of a marine resources committee as well as the reasons for their decision.

**NEW SECTION. Sec. 4.** (1) The Puget Sound action team, or its successor organization, shall serve as the regional coordinating entity for marine resources committees created in the southern Puget Sound and the department of fish and wildlife shall serve as the regional coordinating entity for marine resources committees created for the outer coast.

(2) The regional coordinating entity shall serve as a resource to, at a minimum:

(a) Coordinate and pool grant applications and other funding requests for marine resources committees;

(b) Coordinate communications and information among marine resources committees;

(c) Assist marine resources committees to measure themselves against regional performance benchmarks;

(d) Assist marine resources committees with coordinating local projects to complement regional priorities;

(e) Assist marine resources committees to interact with and complement other marine resources committees, and other similar groups, constituted under a different authority; and

(f) Coordinate with the Northwest Straits commission on issues common to marine resources committees statewide.

**NEW SECTION. Sec. 5.** Nothing in section 2 or 3 of this act is intended to expand or limit the authority of local marine resources committees established under the Northwest Straits marine conservation initiative by federal act in San Juan, Whatcom, Skagit, Island, Snohomish, Clallam, and Jefferson counties and existing as of the effective date of this section.

**NEW SECTION. Sec. 6.** Outer coast marine resources committees, in conjunction with their regional coordinating entity, shall meet and consult with key state, federal, local, and tribal governments, and private interest groups to develop a collaborative process to address ocean policy issues. This collaborative process should use Washington's "Ocean Action Plan: Enhancing Management of Washington State's Ocean and Outer Coasts" developed by the Washington ocean policy work group as a guide to begin the work of developing and coordinating state and local ocean policy and providing better management of Washington's coastal areas.

**NEW SECTION. Sec. 7.** Sections 1 through 6 of this act constitute a new chapter in Title 36 RCW."

On page 1, line 1 of the title, after "committees;" strike the remainder of the title and insert "and adding a new chapter to Title 36 RCW."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1041 with the following amendment:

Beginning on page 3, line 19, strike all of section 5 and insert the following:

"NEW SECTION. Sec. 5. A new section is added to chapter 23B.10 RCW to read as follows:

(1) Unless the articles of incorporation (a) specifically prohibit the adoption of a bylaw pursuant to this section, (b) alter the vote specified in RCW 23B.07.280(2), or (c) allow for or do not exclude cumulative voting, a public company may elect in its bylaws to be governed in the election of directors as follows:

(i) Each vote entitled to be cast may be voted for, voted against, or withheld for one or more candidates up to that number of candidates that is equal to the number of directors to be elected but without cumulating the votes, or a shareholder may indicate an abstention for one or more candidates;

(ii) To be elected, a candidate must have received the number, percentage, or level of votes specified in the bylaws; provided that holders of shares entitled to vote in the election and constituting a quorum are present at the meeting. A candidate who does not receive the number, percentage, or level of votes specified in the bylaws but who was a director at the time of the election shall continue to serve as a director for a term that shall terminate on the date that is the earlier of (A) the date specified in the bylaw, but not longer than ninety days from the date on which the voting results are determined pursuant to RCW 23B.07.300(2), or (B) the date on which an individual is selected by the board of directors to fill the office held by such director, which selection shall be deemed to constitute the filling of a vacancy by the board to which RCW 23B.08.100 applies;

(iii) A bylaw adopted pursuant to this section may provide that votes cast against and/or withheld as to a candidate are to be taken into account in determining whether the number, percentage, or level of votes required for election has been received. Unless the bylaw specifies otherwise, only votes cast are to be taken into account and a ballot marked "withheld" in respect to a share is deemed to be a vote cast. Unless the bylaws specify otherwise, shares otherwise present at the meeting but for which there is an abstention or as to which no authority or direction to vote in the election is given or specified, are not deemed to be votes cast in the election;

(iv) The board of directors may select any qualified individual to fill the office held by a director who did not receive the specified vote for election referenced in (c)(ii) of this subsection; and

(v) Unless the bylaw specifies otherwise, a bylaw adopted pursuant to this subsection (1) shall not apply to an election of directors by a voting group if (A) at the expiration of the time fixed under a provision requiring advance notification of director candidates, or (B) absent such a provision, at a time fixed by the board of directors which is not more than fourteen days before notice is given of the meeting at which the election is to occur, there are more candidates for election by the voting group than the number of directors to be elected, one or more of whom are properly proposed by shareholders. An individual shall not be considered a candidate for purposes of this subsection (1)(c)(v) if the board of directors determines before the notice of meeting is given that such individual's candidacy does not create a bona fide election contest.

(2) A bylaw containing an election to be governed by this section may be repealed or amended:

(a) If originally adopted by the shareholders, only by the shareholders, unless the bylaw otherwise provides; or

(b) If adopted by the board of directors, by the board of directors or the shareholders."

and the same is herewith transmitted.

### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1041 and asked the Senate to recede therefrom.

### MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1098 with the following amendment

and the same is herewith transmitted.

Thomas Hoemann, Secretary

### POINT OF ORDER

Representative Springer requested a scope and object ruling on the Senate amendment to Substitute House Bill No. 1098.

### SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "Substitute House Bill 1098 is titled AN ACT relating to the "availability of vaccines during outbreaks." Current law prohibits the vaccination of pregnant women and children under the age of three with vaccines containing mercury above a specific limit, with the exception of influenza vaccines. The bill authorizes the Secretary of the Department of Health to suspend this prohibition during the duration of a declared outbreak of vaccine-preventable disease or a shortage of vaccines.

The Senate amendment adds a provision requiring notice to pregnant women and parents or legal guardians of any child under the age of eighteen before vaccination with products containing mercury above the limit referenced above. The Senate amendment's requirement of notice is not limited to the same group of persons subject to current statutory prohibitions nor is it limited to vaccinations during declared outbreaks or shortages. The Speaker therefore finds the amendment expands the scope and object of the bill.

Representative Springer, your point of order is well taken."

### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1098 and asked the Senate to recede therefrom.

### MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1573 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** It is the intent of the legislature that increasing academic success and increasing graduation rates be dual goals for the K-12 system. The legislature finds that only seventy-four percent of the class of 2005 graduated on time. Students of color, students living in poverty, students in foster care, students in the juvenile justice system, students who are homeless, students for whom English is not their primary language, and students with disabilities have lower graduation rates than the average. The legislature further finds that students who drop out experience more frequent occurrences of early pregnancy, delinquency, substance abuse, and mental health issues, and have greater need of publicly funded health and social services. The legislature further finds that helping all students be successful in school requires active participation in coordinating services from schools, parents, and other stakeholders and agencies in the local community. The legislature finds that existing resources to vulnerable youth are used more efficiently and effectively when there is significant coordination across local and state entities. The legislature further finds that efficiency and accountability of the K-12 system would be improved by creating a dropout prevention and intervention grant program that implements research-based and emerging best practices and evaluates results.

**NEW SECTION. Sec. 2.** Subject to the availability of funds appropriated for this purpose, the office of the superintendent of public instruction shall create a grant program and award grants to local partnerships of schools, families, and communities to begin the phase in of a statewide comprehensive dropout prevention, intervention, and retrieval system. This program shall be known as the building bridges program.

(1) For purposes of sections 2 through 7 of this act, a "building bridges program" means a local partnership of schools, families, and communities that provides all of the following programs or activities:

(a) A system that identifies individual students at risk of dropping out from middle through high school based on local predictive data, including state assessment data starting in the fourth grade, and provides timely interventions for such students and for dropouts, including a plan for educational success as already required by the student learning plan as defined under RCW 28A.655.061. Students identified shall include foster care youth, youth involved in the juvenile justice system, and students receiving special education services under chapter 28A.155 RCW;

(b) Coaches or mentors for students as necessary;

(c) Staff responsible for coordination of community partners that provide a seamless continuum of academic and nonacademic support in schools and communities;

(d) Retrieval or reentry activities; and

(e) Alternative educational programming, including, but not limited to, career and technical education exploratory and preparatory programs and online learning opportunities.

(2) One of the grants awarded under this section shall be for a two-year demonstration project focusing on providing fifth through twelfth grade students with a program that utilizes technology and is integrated with state standards, basic academics, cross-cultural exposures, and age-appropriate preemployment training. The project shall:

(a) Establish programs in two western Washington and one eastern Washington urban areas;

(b) Identify at-risk students in each of the distinct communities and populations and implement strategies to close the achievement gap;

(c) Collect and report data on participant characteristics and outcomes of the project, including the characteristics and outcomes specified under section 3(1)(e) of this act; and

(d) Submit a report to the legislature by December 1, 2009.

**NEW SECTION. Sec. 3.** (1) The office of the superintendent of public instruction shall:

(a) Identify criteria for grants and evaluate proposals for funding in consultation with the workforce training and education coordinating board;

(b) Develop and monitor requirements for grant recipients to:

(i) Identify students who both fail the Washington assessment of student learning and drop out of school;

(ii) Identify their own strengths and gaps in services provided to youth;

(iii) Set their own local goals for program outcomes;

(iv) Use research-based and emerging best practices that lead to positive outcomes in implementing the building bridges program; and

(v) Coordinate an outreach campaign to bring public and private organizations together and to provide information about the building bridges program to the local community;

(c) In setting the requirements under (b) of this subsection, encourage creativity and provide for flexibility in implementing the local building bridges program;

(d) Identify and disseminate successful practices;

(e) Develop requirements for grant recipients to collect and report data, including, but not limited to:

(i) The number of and demographics of students served including, but not limited to, information regarding a student's race and ethnicity, a student's household income, a student's housing status, whether a student is a foster youth or youth involved in the juvenile justice system, whether a student is disabled, and the primary language spoken at a student's home;

(ii) Washington assessment of student learning scores;

(iii) Dropout rates;

(iv) On-time graduation rates;

(v) Extended graduation rates;

(vi) Credentials obtained;

(vii) Absenteeism rates;

(viii) Truancy rates; and

(ix) Credit retrieval;

(f) Contract with a third party to evaluate the infrastructure and implementation of the partnership including the leveraging of outside resources that relate to the goal of the partnership. The third-party contractor shall also evaluate the performance and effectiveness of the partnerships relative to the type of entity, as identified in section 4 of this act, serving as the lead agency for the partnership; and

(g) Report to the legislature by December 1, 2008.

(2) In performing its duties under this section, the office of the superintendent of public instruction is encouraged to consult with the work group identified in section 7 of this act.

**NEW SECTION. Sec. 4.** In awarding the grants under section 2 of this act, the office of the superintendent of public instruction shall prioritize schools or districts with dropout rates above the

statewide average and shall attempt to award building bridges program grants to different geographic regions of the state. Eligible recipients shall be one of the following entities acting as a lead agency for the local partnership: A school district, a tribal school, an area workforce development council, an educational service district, an accredited institution of higher education, a vocational skills center, a federally recognized tribe, a community organization, or a nonprofit 501(c)(3) corporation. If the recipient is not a school district, at least one school district must be identified within the partnership. The superintendent of public instruction shall ensure that grants are distributed proportionately between school districts and other recipients. This requirement may be waived if the superintendent of public instruction finds that the quality of the programs or applications from these entities does not warrant the awarding of the grants proportionately.

**NEW SECTION. Sec. 5.** To be eligible for a grant under section 2 of this act, grant applicants shall:

(1) Build or demonstrate a commitment to building a broad-based partnership of schools, families, and community members to provide an effective and efficient building bridges program. The partnership shall consider an effective model for school-community partnerships and include local membership from, but not limited to, school districts, tribal schools, secondary career and technical education programs, skill centers that serve the local community, an educational service district, the area workforce development council, accredited institutions of higher education, tribes or other cultural organizations, the parent teacher association, the juvenile court, prosecutors and defenders, the local health department, health care agencies, public transportation agencies, local division representatives of the department of social and health services, businesses, city or county government agencies, civic organizations, and appropriate youth-serving community-based organizations. Interested parents and students shall be actively included whenever possible;

(2) Demonstrate how the grant will enhance any dropout prevention and intervention programs and services already in place in the district;

(3) Provide a twenty-five percent match that may include in-kind resources from within the partnership;

(4) Track and report data required by the grant; and

(5) Describe how the dropout prevention, intervention, and retrieval system will be sustained after initial funding, including roles of each of the partners.

**NEW SECTION. Sec. 6.** (1) Educational service districts, in collaboration with area workforce development councils, shall:

(a) Provide technical assistance to local partnerships established under a grant awarded under section 2 of this act in collecting and using performance data; and

(b) At the request of a local partnership established under a grant awarded under section 2 of this act, provide assistance in the development of a functional sustainability plan, including the identification of potential funding sources for future operation.

(2) Local partnerships established under a grant awarded under section 2 of this act may contract with an educational service district, workforce development council, or a private agency for specialized training in such areas as cultural competency, identifying diverse learning styles, and intervention strategies for students at risk of dropping out of school.

**NEW SECTION. Sec. 7.** (1) The office of the superintendent of public instruction shall establish a state-level work group that includes K-12 and state agencies that work with youth who have dropped out or are at risk of dropping out of school. The state-level leadership group shall consist of one representative from each of the following agencies and organizations: The workforce training and education coordinating board; career and technical education including skill centers; relevant divisions of the department of social and health services; the juvenile courts; the Washington association of prosecuting attorneys; the Washington state office of public defense; the employment security department; accredited institutions of higher education; the educational service districts; the area

workforce development councils; parent and educator associations; the department of health; local school districts; agencies or organizations that provide services to special education students; community organizations serving youth; federally recognized tribes and urban tribal centers; each of the major political caucuses of the senate and house of representatives; and the minority commissions.

(2) To assist and enhance the work of the building bridges programs established in section 5 of this act, the state-level work group shall:

(a) Identify and make recommendations to the legislature for the reduction of fiscal, legal, and regulatory barriers that prevent coordination of program resources across agencies at the state and local level;

(b) Develop and track performance measures and benchmarks for each partner agency or organization across the state including performance measures and benchmarks based on student characteristics and outcomes specified in section 3(1)(e) of this act; and

(c) Identify research-based and emerging best practices regarding prevention, intervention, and retrieval programs.

(3) The work group shall report to the legislature and the governor on an annual basis beginning December 1, 2007, with recommendations for implementing emerging best practices, needed additional resources, and eliminating barriers.

**NEW SECTION. Sec. 8.** (1) During the 2007-2009 biennium, school districts that contract with eligible alternative educational service providers to provide education programs, including GED preparation, that generate course credits towards high school graduation, for students who are at risk of dropping out of school, or who have dropped out of school, may continue to use basic education allocations under RCW 28A.150.250 to fund contracts with those providers. For purposes of this section, "eligible alternative educational service providers" includes community and technical colleges and community-based organizations that meet all state requirements for receiving state K-12 formula allocations.

(2) All school districts with contracts with eligible alternative educational service providers shall provide information to the office of the superintendent of public instruction including, but not limited to: (a) The number of students enrolled in those programs; (b) the amount of weekly instructional hours provided; (c) the location of the instruction program provided; and (d) the number and types of staff providing the instruction in the programs. By December 1, 2008, the office of the superintendent of public instruction shall submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the information provided by the school districts pursuant to this subsection.

(3) The state-level work group established under section 7 of this act shall examine issues related to school districts' use of basic education allocations under this section including, but not limited to, findings or other relevant communications by the state auditor. The work group shall develop recommendations and submit a report to the appropriate legislative committees by December 1, 2009.

**NEW SECTION. Sec. 9.** Sections 2 through 7 of this act are each added to chapter 28A.175 RCW.

**NEW SECTION. Sec. 10.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2007, in the omnibus appropriations act, this act is null and void."

On page 1, line 1 of the title, after "retrieval;" strike the remainder of the title and insert "adding new sections to chapter 28A.175 RCW; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

"**Sec. 1.** RCW 71.36.005 and 1991 c 326 s 11 are each amended to read as follows:

The legislature intends to (~~encourage the development of community-based interagency collaborative efforts to plan for and provide mental health services to children in a manner that~~) substantially improve the delivery of children's mental health services in Washington state through the development and implementation of a children's mental health system that:

The "wraparound process" shall emphasize principles of persistence and outcome-based measurements of success.

**NEW SECTION. Sec. 3.** A new section is added to chapter 71.36 RCW to read as follows:

**ELEMENTS OF A CHILDREN'S MENTAL HEALTH SYSTEM.** (1) It is the goal of the legislature that, by 2012, the children's mental health system in Washington state include the following elements:

(a) A continuum of services from early identification, intervention, and prevention through crisis intervention and inpatient treatment, including peer support and parent mentoring services;

(b) Equity in access to services for similarly situated children, including children with co-occurring disorders;

(c) Developmentally appropriate, high quality, and culturally competent services available statewide;

(d) Treatment of each child in the context of his or her family and other persons that are a source of support and stability in his or her life;

(e) A sufficient supply of qualified and culturally competent children's mental health providers;

(f) Use of developmentally appropriate evidence-based, research-based, promising, or consensus-based practices;

(g) Integrated and flexible services to meet the needs of children who, due to mental illness or emotional or behavioral disturbance, are at risk of out-of-home placement or involved with multiple child-serving systems.

(2) The effectiveness of the children's mental health system shall be determined through the use of outcome-based performance measures. The department and the evidence-based practice institute established in section 7 of this act, in consultation with parents, caregivers, youth, regional support networks, mental health services providers, health plans, primary care providers, tribes, and others, shall develop outcome-based performance measures such as:

(a) Decreased emergency room utilization;

(b) Decreased psychiatric hospitalization;

(c) Lessening of symptoms, as measured by commonly used assessment tools;

(d) Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, when necessary;

(e) Decreased runaways from home or residential placements;

(f) Decreased rates of chemical dependency;

(g) Decreased involvement with the juvenile justice system;

(h) Improved school attendance and performance;

(i) Reductions in school or child care suspensions or expulsions;

(j) Reductions in use of prescribed medication where cognitive behavioral therapies are indicated;

(k) Improved rates of high school graduation and employment; and

(l) Decreased use of mental health services upon reaching adulthood for mental disorders other than those that require ongoing treatment to maintain stability.

Performance measure reporting for children's mental health services should be integrated into existing performance measurement

and reporting systems developed and implemented under chapter 71.24 RCW.

**NEW SECTION. Sec. 4. REGIONAL SUPPORT NETWORK SERVICES--CHILDREN'S ACCESS TO CARE STANDARDS AND BENEFIT PACKAGE.** As part of the system transformation initiative, the department of social and health services shall undertake the following activities related specifically to children's mental health services:

(1) The development of recommended revisions to the access to care standards for children. The recommended revisions shall reflect the policies and principles set out in RCW 71.36.005, 71.36.010, and section 3 of this act, and recognize that early identification, intervention and prevention services, and brief intervention services may be provided outside of the regional support network system. Revised access to care standards shall assess a child's need for mental health services based upon the child's diagnosis and its negative impact upon his or her persistent impaired functioning in family, school, or the community, and should not solely condition the receipt of services upon a determination that a child is engaged in high risk behavior or is in imminent need of hospitalization or out-of-home placement. Assessment and diagnosis for children under five years of age shall be determined using a nationally accepted assessment tool designed specifically for children of that age. The recommendations shall also address whether amendments to RCW 71.24.025 (26) and (27) and 71.24.035(5) are necessary to implement revised access to care standards;

(2) Development of a revised children's mental health benefit package. The department shall ensure that services included in the children's mental health benefit package reflect the policies and principles included in RCW 71.36.005 and section 3 of this act, to the extent allowable under medicaid, Title XIX of the federal social security act. Strong consideration shall be given to developmentally appropriate evidence-based, research-based, promising, or consensus-based practices, family-based interventions, the use of natural and peer supports, and community support services. This effort shall include a review of other states' efforts to fund family-centered children's mental health services through their medicaid programs;

(3) Consistent with the timeline developed for the system transformation initiative, recommendations for revisions to the children's access to care standards and the children's mental health services benefits package shall be presented to the legislature by January 1, 2009.

**NEW SECTION. Sec. 5.** A new section is added to chapter 74.09 RCW to read as follows:

**IMPROVING MEDICATION MANAGEMENT AND CARE COORDINATION.** (1)(a) The department, in consultation with the evidence-based practice institute established in section 7 of this act,

shall develop and implement policies to improve prescribing practices for treatment of emotional or behavioral disturbances in children, improve the quality of children's mental health therapy through increased use of evidence-based, research-based, promising, or consensus-based practices and reduced variation in practice, improve communication and care coordination between primary care and mental health providers, and prioritize care in the family home or care which integrates the family where out-of-home placement is required.

(b) The department shall identify those children with emotional or behavioral disturbances who may be at high risk due to off-label use of prescription medication, use of multiple medications, high medication dosage, or lack of coordination among multiple prescribing providers, and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.

(c) The department shall review the psychotropic medications of all children under five and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.

(d) The department shall track prescriptive practices with respect to psychotropic medications with the goal of reducing the use of medication.

(e) The department shall encourage the use of cognitive behavioral therapies and other treatments which are empirically supported or evidence-based, in addition to or in the place of prescription medication where appropriate.

(2) The department shall convene a representative group of regional support networks, community mental health centers, and managed health care systems contracting with the department under RCW 74.09.522 to:

(a) Establish mechanisms and develop contract language that ensures increased coordination of and access to medicaid mental health benefits available to children and their families, including ensuring access to services that are identified as a result of a developmental screen administered through early periodic screening, diagnosis, and treatment;

(b) Define managed health care system and regional support network contractual performance standards that track access to and utilization of services; and

(c) Set standards for reducing the number of children that are prescribed antipsychotic drugs and receive no outpatient mental health services with their medication.

(3) The department shall report on progress and any findings under this section to the legislature by January 1, 2009.

**NEW SECTION. Sec. 6.** A new section is added to chapter 71.36 RCW to read as follows:

**MEDICAID ELIGIBLE CHILDREN IN TEMPORARY JUVENILE DETENTION.** The department shall explore the feasibility of obtaining a medicaid state plan amendment to allow the state to receive medicaid matching funds for health services provided to medicaid enrolled youth who are temporarily placed in a juvenile detention facility. Temporary placement shall be defined as until adjudication or up to sixty continuous days, whichever occurs first.

**NEW SECTION. Sec. 7.** A new section is added to chapter 71.24 RCW to read as follows:

**CHILDREN'S MENTAL HEALTH PROVIDERS.** (1) The department shall provide flexibility in provider contracting to regional support networks for children's mental health services. Beginning with 2007-2009 biennium contracts, regional support network contracts shall authorize regional support networks to allow and encourage licensed community mental health centers to subcontract with individual licensed mental health professionals when necessary to meet the need for an adequate, culturally competent, and qualified children's mental health provider network.

(2) To the extent that funds are specifically appropriated for this purpose or that nonstate funds are available, a children's mental health evidence-based practice institute shall be established at the University of Washington division of public behavioral health and justice policy. The institute shall closely collaborate with entities currently engaged in evaluating and promoting the use of evidence-based, research-based, promising, or consensus-based practices in children's mental health treatment, including but not limited to the University of Washington department of psychiatry and behavioral sciences, children's hospital and regional medical center, the University of Washington school of nursing, the University of Washington school of social work, and the Washington state institute for public policy. To ensure that funds appropriated are used to the greatest extent possible for their intended purpose, the University of Washington's indirect costs of administration shall not exceed ten percent of appropriated funding. The institute shall:

(a) Improve the implementation of evidence-based, research-based, promising, or consensus-based practices by providing sustained and effective training and consultation to licensed children's mental health providers and child-serving agencies who are implementing evidence-based or promising practices for treatment of children's emotional or behavioral disorders, or who are interested in adapting these practices to better serve ethnically or culturally diverse children. Efforts under this subsection should include a focus on appropriate oversight of implementation of evidence-based

practices to ensure fidelity to these practices and thereby achieve positive outcomes;

(b) Continue the successful implementation of the "partnerships for success" model by consulting with communities so they may select, implement, and continually evaluate the success of evidence-based practices that are relevant to the needs of children, youth, and families in their community;

(c) Partner with youth, family members, family advocacy, and culturally competent provider organizations to develop a series of information sessions, literature, and on-line resources for families to become informed and engaged in evidence-based, research-based, promising, or consensus-based practices;

(d) Participate in the identification of outcome-based performance measures under section 3(2) of this act and partner in a statewide effort to implement statewide outcomes monitoring and quality improvement processes; and

(e) Serve as a statewide resource to the department and other entities on child and adolescent evidence-based, research-based, promising, or consensus-based practices for children's mental health treatment, maintaining a working knowledge through ongoing review of academic and professional literature, and knowledge of other evidence-based practice implementation efforts in Washington and other states.

(3) To the extent that funds are specifically appropriated for this purpose, the department in collaboration with the evidence-based practice institute shall implement a pilot program to support primary care providers in the assessment and provision of appropriate diagnosis and treatment of children with mental and behavioral health disorders and track outcomes of this program. The program shall be designed to promote more accurate diagnoses and treatment through timely case consultation between primary care providers and child psychiatric specialists, and focused educational learning collaboratives with primary care providers.

**NEW SECTION. Sec. 8.** A new section is added to chapter 74.09 RCW to read as follows:

(1) The department shall adopt rules and policies providing that when youth who were enrolled in a medical assistance program immediately prior to confinement are released from confinement, their medical assistance coverage will be fully reinstated on the day of their release, subject to any expedited review of their continued eligibility for medical assistance coverage that is required under federal or state law.

(2) The department, in collaboration with county juvenile court administrators and regional support networks, shall establish procedures for coordination between department field offices, juvenile rehabilitation administration institutions, and county juvenile courts that result in prompt reinstatement of eligibility and speedy eligibility determinations for youth who are likely to be eligible for medical assistance services upon release from confinement. Procedures developed under this subsection must address:

(a) Mechanisms for receiving medical assistance services' applications on behalf of confined youth in anticipation of their release from confinement;

(b) Expedited review of applications filed by or on behalf of confined youth and, to the extent practicable, completion of the review before the youth is released; and

(c) Mechanisms for providing medical assistance services' identity cards to youth eligible for medical assistance services immediately upon their release from confinement.

(3) For purposes of this section, "confined" or "confinement" means detained in a facility operated by or under contract with the department of social and health services, juvenile rehabilitation administration, or detained in a juvenile detention facility operated under chapter 13.04 RCW.

(4) The department shall adopt standardized statewide screening and application practices and forms designed to facilitate the application of a confined youth who is likely to be eligible for a medical assistance program.

**NEW SECTION. Sec. 9.** Educational service district boards may partner with regional support networks to respond to a request for proposal for operation of a wraparound model site under this act

and, if selected, may contract for the provision of services to coordinate care and facilitate the delivery of services and other supports under a wraparound model.

**NEW SECTION. Sec. 10.** WRAPAROUND MODEL OF INTEGRATED CHILDREN'S MENTAL HEALTH SERVICES DELIVERY. To the extent funds are specifically appropriated for this purpose, the department of social and health services shall contract for implementation of a wraparound model of integrated children's mental health services delivery in up to three counties in Washington state.

(1) Funding provided may be expended for: Costs associated with a request for proposal and contracting process; administrative costs associated with successful bidders' operation of the wraparound model; the evaluation under subsection (5) of this section; and funding for services needed by children enrolled in wraparound model sites that are not otherwise covered under existing state programs. The services provided through the wraparound model sites shall include, but not be limited to, services covered under the medicaid program. The department shall maximize the use of medicaid and other existing state-funded programs as a funding source. However, state funds provided may be used to develop a broader service package to meet needs identified in a child's care plan. Amounts provided shall supplement, and not supplant, state, local, or other funding for services that a child being served through a wraparound site would otherwise be eligible to receive.

(2) The wraparound model sites shall serve children with serious emotional or behavioral disturbances who are at high risk of residential or correctional placement or psychiatric hospitalization, and who have been referred for services from the department, a county juvenile court, a tribal court, a school, or a licensed mental health provider or agency.

(3) Through a request for proposal process, the department shall contract, with educational service districts, regional support networks, or entities licensed to provide mental health services to children with serious emotional or behavioral disturbances, to operate the wraparound model sites. The contractor shall provide care coordination and facilitate the delivery of services and other supports to families using a strength-based, highly individualized wraparound process. The request for proposal shall require that the contractor provide evidence of commitments from at least the following entities to participate in wraparound care plan development and service provision when appropriate: Regional support networks, community mental health agencies, schools, the department of social and health services children's administration, juvenile courts, the department of social and health services juvenile rehabilitation administration, and managed health care systems contracting with the department under RCW 74.09.522.

(4) Contracts for operation of the wraparound model sites shall be executed on or before April 1, 2008, with enrollment and service delivery beginning on or before July 1, 2008.

(5) The evidence-based practice institute established in section 7 of this act shall evaluate the wraparound model sites, measuring outcomes for children served. Outcomes measured shall include, but are not limited to: Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, school attendance, school performance, recidivism, emergency room utilization, involvement with the juvenile justice system, and decreased hospitalization.

**NEW SECTION. Sec. 11.** A new section is added to chapter 74.09 RCW to read as follows:

(1) To the extent that funds are specifically appropriated for this purpose the department shall revise its medicaid healthy options managed care and fee-for-service program standards under medicaid, Title XIX of the federal social security act to improve access to mental health services for children who do not meet the regional support network access to care standards. Effective July 1, 2008, the program standards shall be revised to allow outpatient therapy services to be provided by licensed mental health professionals, as defined in RCW 71.34.020, and up to twenty outpatient therapy hours per calendar year, including family therapy visits integral to a child's treatment.

(2) This section expires July 1, 2010.

**NEW SECTION. Sec. 12.** The following acts or parts of acts are each repealed:

(4) RCW 71.36.020 (Plan for early periodic screening, diagnosis, and treatment services) and 2003 c 281 s 4 & 1991 c 326 s 13; and

(5) RCW 71.36.030 (Children's mental health services delivery system--Local planning efforts) and 1991 c 326 s 14.

**NEW SECTION. Sec. 13.** Captions used in this act are not part of the law.

**NEW SECTION. Sec. 14.** If specific funding for the purposes of sections 4, 5, 7, 8, 10, and 11 of this act, referencing the section by section number and by bill or chapter number, is not provided by June 30, 2007, each section not referenced is null and void."

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1096 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

- (1) The economic trends of globalization and technological change are increasing the demand for higher and differently skilled workers than in the past;
- (2) Increasing Washington's economic competitiveness requires increasing the supply of skilled workers in the state;
- (3) Improving the labor market competitiveness of all Washington residents requires that all residents have access to postsecondary education; and
- (4) Community and technical college workforce training programs and Washington state apprenticeship and training council-approved apprenticeship programs provide effective and efficient pathways for people to enter high wage, high skill careers while also meeting the needs of the economy.

### PART 1 OPPORTUNITY GRANT PROGRAM

NEW SECTION. **Sec. 101.** A new section is added to chapter 28B.50 RCW to read as follows:

(1) The college board shall develop and implement a workforce education program known as the opportunity grant program to provide financial and other assistance for students enrolled at qualified institutions of higher education in opportunity grant-eligible programs of study as described in section 201 of this act. Students enrolled in the opportunity grant program are eligible for:

- (a) Funding for tuition and mandatory fees at the public community and technical college rate, prorated if the credit load is less than full time, paid directly to the educational institution; and
- (b) An additional one thousand dollars per academic year for books, tools, and supplies, prorated if the credit load is less than full time.

(2) Funding under subsection (1)(a) and (b) of this section is limited to a maximum forty-five credits or the equivalent in an opportunity grant-eligible program of study, including required related courses. No student may receive opportunity grant funding for more than forty-five credits or for more than three years from initial receipt of grant funds in one or a combination of programs.

(3) Grants awarded under this section are subject to the availability of amounts appropriated for this specific purpose.

NEW SECTION. **Sec. 102.** A new section is added to chapter 28B.50 RCW to read as follows:

(1) To be eligible for participation in the opportunity grant program established in section 101 of this act, a student must:

- (a) Be a Washington resident student as defined in RCW 28B.15.012 enrolled in an opportunity grant-eligible program of study;
- (b) Have a family income that is at or below two hundred percent of the federal poverty level using the most current guidelines available from the United States department of health and human services, and be determined to have financial need based on the free application for federal student aid; and
- (c) Meet such additional selection criteria as the college board shall establish in order to operate the program within appropriated funding levels.

(2) Upon enrolling, the student must provide evidence of commitment to complete the program. The student must make satisfactory progress and maintain a cumulative 2.0 grade point average for continued eligibility. If a student's cumulative grade point average falls below 2.0, the student may petition the institution of higher education of attendance. The qualified institution of higher education has the authority to establish a probationary period until such time as the student's grade point average reaches required standards.

(3) Subject to funds appropriated for this specific purpose, public qualified institutions of higher education shall receive an enhancement of one thousand five hundred dollars for each full-time equivalent student enrolled in the opportunity grant program whose income is below two hundred percent of the federal poverty level. The funds shall be used for individualized support services which may include, but are not limited to, college and career advising, tutoring, emergency child care, and emergency transportation. The qualified institution of higher education is expected to help students access all financial resources and support services available to them through alternative sources.

(4) The college board shall be accountable for student retention and completion of opportunity grant-eligible programs of study. It shall set annual performance measures and targets and monitor the performance at all qualified institutions of higher education. The college board must reduce funding at institutions of higher education that do not meet targets for two consecutive years, based on criteria developed by the college board.

(5) The college board and higher education coordinating board shall work together to ensure that students participating in the opportunity grant program are informed of all other state and federal financial aid to which they may be entitled while receiving an opportunity grant.

(6) The college board and higher education coordinating board shall document the amount of opportunity grant assistance and the types and amounts of other sources of financial aid received by participating students. Annually, they shall produce a summary of the data.

(7) The college board shall:

- (a) Begin developing the program no later than August 1, 2007, with student enrollment to begin no later than January 14, 2008; and
- (b) Submit a progress report to the legislature by December 1, 2008.

(8) The college board may, in implementing the opportunity grant program, accept, use, and expend or dispose of contributions of money, services, and property. All such moneys received by the college board for the program must be deposited in an account at a depository approved by the state treasurer. Only the college board or a duly authorized representative thereof may authorize expenditures from this account. In order to maintain an effective expenditure and revenue control, the account is subject in all respects to chapter 43.88 RCW, but no appropriation is required to permit expenditure of moneys in the account.

The college board, in partnership with business, labor, and the workforce training and education coordinating board, shall:

(2) Gain recognition of the credentials, certificates, and degrees by Washington's employers and labor organizations. The college board shall designate these recognized credentials, certificates, and degrees as "opportunity grant-eligible programs of study"; and

(3) Market the credentials, certificates, and degrees to potential students, businesses, and apprenticeship programs as a way for individuals to advance in their careers and to better meet the needs of industry.

The opportunity partnership program may be newly developed or part of an existing program, and shall provide mentoring to students participating in the opportunity grant program. The program must develop criteria and identify opportunity grant students who would benefit by having a mentor. Each participating student shall be matched with a business or labor mentor employed in the field in which the student is interested. The mentor shall help the student explore careers and employment options through any combination of tours, informational interviews, job shadowing, and internships.

(2) Subject to funds appropriated for this specific purpose, the workforce training and education coordinating board shall create the opportunity partnership program. The board, in partnership with business, labor, and the college board, shall determine the criteria for the distribution of funds.

(3) The board may, in implementing this section, accept, use, and dispose of contributions of money, services, and property. All moneys received by the board for the purposes of this section must be deposited in a depository approved by the state treasurer. Only the board or a duly authorized representative thereof may authorize expenditures from this account. **MESSAGE FROM THE SENATE**

April 11, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1106 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that each year health care-associated infections affect two million Americans. These infections result in the unnecessary death of ninety thousand patients and costs the health care system 4.5 billion dollars. Hospitals should be implementing evidence-based measures to reduce hospital-acquired infections. The legislature further finds the public should have access to data on outcome measures regarding hospital-acquired infections. Data reporting should be consistent with national hospital reporting standards.

**NEW SECTION. Sec. 2.** A new section is added to chapter 43.70 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Health care-associated infection" means a localized or systemic condition that results from adverse reaction to the presence of an infectious agent or its toxins and that was not present or incubating at the time of admission to the hospital.

(b) "Hospital" means a health care facility licensed under chapter 70.41 RCW.

(2)(a) A hospital shall collect data related to health care-associated infections as required under this subsection (2) on the following:

(i) Beginning July 1, 2008, central line-associated bloodstream infection in the intensive care unit;

(ii) Beginning January 1, 2009, ventilator-associated pneumonia; and

(iii) Beginning January 1, 2010, surgical site infection for the following procedures:

(A) Deep sternal wound for cardiac surgery, including coronary artery bypass graft;

(B) Total hip and knee replacement surgery; and

(C) Hysterectomy, abdominal and vaginal.

(b) Until required otherwise under (c) of this subsection, a hospital must routinely collect and submit the data required to be collected under (a) of this subsection to the national healthcare safety network of the United States centers for disease control and prevention in accordance with national healthcare safety network definitions, methods, requirements, and procedures.

(c)(i) With respect to any of the health care-associated infection measures for which reporting is required under (a) of this subsection, the department must, by rule, require hospitals to collect and submit the data to the centers for medicare and medicaid services according to the definitions, methods, requirements, and procedures of the hospital compare program, or its successor, instead of to the national healthcare safety network, if the department determines that:

(A) The measure is available for reporting under the hospital compare program, or its successor, under substantially the same definition; and

(B) Reporting under this subsection (2)(c) will provide substantially the same information to the public.

(ii) If the department determines that reporting of a measure must be conducted under this subsection (2)(c), the department must adopt rules to implement such reporting. The department's rules must require reporting to the centers for medicare and medicaid services as soon as practicable, but not more than one hundred twenty days, after the centers for medicare and medicaid services allow hospitals to report the respective measure to the hospital compare

program, or its successor. However, if the centers for medicare and medicaid services allow infection rates to be reported using the centers for disease control and prevention's national healthcare safety network, the department's rules must require reporting that reduces the burden of data reporting and minimizes changes that hospitals must make to accommodate requirements for reporting.

(d) Data collection and submission required under this subsection (2) must be overseen by a qualified individual with the appropriate level of skill and knowledge to oversee data collection and submission.

(e)(i) A hospital must release to the department, or grant the department access to, its hospital-specific information contained in the reports submitted under this subsection (2), as requested by the department.

(ii) The hospital reports obtained by the department under this subsection (2), and any of the information contained in them, are not subject to discovery by subpoena or admissible as evidence in a civil proceeding, and are not subject to public disclosure as provided in RCW 42.56.360.

(3) The department shall:

(a) Provide oversight of the health care-associated infection reporting program established in this section;

(b) By January 1, 2011, submit a report to the appropriate committees of the legislature based on the recommendations of the advisory committee established in subsection (5) of this section for additional reporting requirements related to health care-associated infections, considering the methodologies and practices of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations;

(c) Delete, by rule, the reporting of categories that the department determines are no longer necessary to protect public health and safety;

(d) By December 1, 2009, and by each December 1st thereafter, prepare and publish a report on the department's web site that compares the health care-associated infection rates at individual hospitals in the state using the data reported in the previous calendar year pursuant to subsection (2) of this section. The department may update the reports quarterly. In developing a methodology for the report and determining its contents, the department shall consider the recommendations of the advisory committee established in subsection (5) of this section. The report is subject to the following:

(i) The report must disclose data in a format that does not release health information about any individual patient; and

(ii) The report must not include data if the department determines that a data set is too small or possesses other characteristics that make it otherwise unrepresentative of a hospital's particular ability to achieve a specific outcome; and

(e) Evaluate, on a regular basis, the quality and accuracy of health care-associated infection reporting required under subsection (2) of this section and the data collection, analysis, and reporting methodologies.

(4) The department may respond to requests for data and other information from the data required to be reported under subsection (2) of this section, at the requestor's expense, for special studies and analysis consistent with requirements for confidentiality of patient records.

(5)(a) The department shall establish an advisory committee which may include members representing infection control professionals and epidemiologists, licensed health care providers, nursing staff, organizations that represent health care providers and facilities, health maintenance organizations, health care payers and consumers, and the department. The advisory committee shall make recommendations to assist the department in carrying out its responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report selected data from certified critical access hospitals.

(b) In developing its recommendations, the advisory committee shall consider methodologies and practices related to health care-associated infections of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the

joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations.

(6) The department shall adopt rules as necessary to carry out its responsibilities under this section.

**Sec. 3.** RCW 70.41.200 and 2005 c 291 s 3 and 2005 c 33 s 7 are each reenacted and amended to read as follows:

(1) Every hospital shall maintain a coordinated quality improvement program for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice. The program shall include at least the following:

(a) The establishment of a quality improvement committee with the responsibility to review the services rendered in the hospital, both retrospectively and prospectively, in order to improve the quality of medical care of patients and to prevent medical malpractice. The committee shall oversee and coordinate the quality improvement and medical malpractice prevention program and shall ensure that information gathered pursuant to the program is used to review and to revise hospital policies and procedures;

(b) A medical staff privileges sanction procedure through which credentials, physical and mental capacity, and competence in delivering health care services are periodically reviewed as part of an evaluation of staff privileges;

(c) The periodic review of the credentials, physical and mental capacity, and competence in delivering health care services of all persons who are employed or associated with the hospital;

(d) A procedure for the prompt resolution of grievances by patients or their representatives related to accidents, injuries, treatment, and other events that may result in claims of medical malpractice;

(e) The maintenance and continuous collection of information concerning the hospital's experience with negative health care outcomes and incidents injurious to patients including health care-associated infections as defined in section 2 of this act, patient grievances, professional liability premiums, settlements, awards, costs incurred by the hospital for patient injury prevention, and safety improvement activities;

(f) The maintenance of relevant and appropriate information gathered pursuant to (a) through (e) of this subsection concerning individual physicians within the physician's personnel or credential file maintained by the hospital;

(g) Education programs dealing with quality improvement, patient safety, medication errors, injury prevention, infection control, staff responsibility to report professional misconduct, the legal aspects of patient care, improved communication with patients, and causes of malpractice claims for staff personnel engaged in patient care activities; and

(h) Policies to ensure compliance with the reporting requirements of this section.

(2) Any person who, in substantial good faith, provides information to further the purposes of the quality improvement and medical malpractice prevention program or who, in substantial good faith, participates on the quality improvement committee shall not be subject to an action for civil damages or other relief as a result of such activity. Any person or entity participating in a coordinated quality improvement program that, in substantial good faith, shares information or documents with one or more other programs, committees, or boards under subsection (8) of this section is not subject to an action for civil damages or other relief as a result of the activity. For the purposes of this section, sharing information is presumed to be in substantial good faith. However, the presumption may be rebutted upon a showing of clear, cogent, and convincing evidence that the information shared was knowingly false or deliberately misleading.

(3) Information and documents, including complaints and incident reports, created specifically for, and collected and maintained by, a quality improvement committee are not subject to review or disclosure, except as provided in this section, or discovery or introduction into evidence in any civil action, and no person who was in attendance at a meeting of such committee or who participated in the creation, collection, or maintenance of information or documents specifically for the committee shall be permitted or

required to testify in any civil action as to the content of such proceedings or the documents and information prepared specifically for the committee. This subsection does not preclude: (a) In any civil action, the discovery of the identity of persons involved in the medical care that is the basis of the civil action whose involvement was independent of any quality improvement activity; (b) in any civil action, the testimony of any person concerning the facts which form the basis for the institution of such proceedings of which the person had personal knowledge acquired independently of such proceedings; (c) in any civil action by a health care provider regarding the restriction or revocation of that individual's clinical or staff privileges, introduction into evidence information collected and maintained by quality improvement committees regarding such health care provider; (d) in any civil action, disclosure of the fact that staff privileges were terminated or restricted, including the specific restrictions imposed, if any and the reasons for the restrictions; or (e) in any civil action, discovery and introduction into evidence of the patient's medical records required by regulation of the department of health to be made regarding the care and treatment received.

(4) Each quality improvement committee shall, on at least a semiannual basis, report to the governing board of the hospital in which the committee is located. The report shall review the quality improvement activities conducted by the committee, and any actions taken as a result of those activities.

(5) The department of health shall adopt such rules as are deemed appropriate to effectuate the purposes of this section.

(6) The medical quality assurance commission or the board of osteopathic medicine and surgery, as appropriate, may review and audit the records of committee decisions in which a physician's privileges are terminated or restricted. Each hospital shall produce and make accessible to the commission or board the appropriate records and otherwise facilitate the review and audit. Information so gained shall not be subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section. Failure of a hospital to comply with this subsection is punishable by a civil penalty not to exceed two hundred fifty dollars.

(7) The department, the joint commission on accreditation of health care organizations, and any other accrediting organization may review and audit the records of a quality improvement committee or peer review committee in connection with their inspection and review of hospitals. Information so obtained shall not be subject to the discovery process, and confidentiality shall be respected as required by subsection (3) of this section. Each hospital shall produce and make accessible to the department the appropriate records and otherwise facilitate the review and audit.

(8) A coordinated quality improvement program may share information and documents, including complaints and incident reports, created specifically for, and collected and maintained by, a quality improvement committee or a peer review committee under RCW 4.24.250 with one or more other coordinated quality improvement programs maintained in accordance with this section or RCW 43.70.510, a quality assurance committee maintained in accordance with RCW 18.20.390 or 74.42.640, or a peer review committee under RCW 4.24.250, for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice. The privacy protections of chapter 70.02 RCW and the federal health insurance portability and accountability act of 1996 and its implementing regulations apply to the sharing of individually identifiable patient information held by a coordinated quality improvement program. Any rules necessary to implement this section shall meet the requirements of applicable federal and state privacy laws. Information and documents disclosed by one coordinated quality improvement program to another coordinated quality improvement program or a peer review committee under RCW 4.24.250 and any information and documents created or maintained as a result of the sharing of information and documents shall not be subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section, RCW 18.20.390 (6) and (8), 74.42.640 (7) and (9), and 4.24.250.

(9) A hospital that operates a nursing home as defined in RCW 18.51.010 may conduct quality improvement activities for both the hospital and the nursing home through a quality improvement

committee under this section, and such activities shall be subject to the provisions of subsections (2) through (8) of this section.

(10) Violation of this section shall not be considered negligence per se.

#### MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1328 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 39.04.155 and 2001 c 284 s 1 are each amended to read as follows:

(1) This section provides uniform small works roster provisions to award contracts for construction, building, renovation, remodeling, alteration, repair, or improvement of real property that may be used by state agencies and by any local government that is expressly authorized to use these provisions. These provisions may be used in lieu of other procedures to award contracts for such work with an estimated cost of two hundred thousand dollars or less. The small works roster process includes the limited public works process authorized under subsection (3) of this section and any local government authorized to award contracts using the small works roster process under this section may award contracts using the limited public works process under subsection (3) of this section.

(2)(a) A state agency or authorized local government may create a single general small works roster, or may create a small works roster for different specialties or categories of anticipated work. Where applicable, small works rosters may make distinctions between contractors based upon different geographic areas served by the contractor. The small works roster or rosters shall consist of all responsible contractors who have requested to be on the list, and where required by law are properly licensed or registered to perform such work in this state. A state agency or local government establishing a small works roster or rosters may require eligible contractors desiring to be placed on a roster or rosters to keep current records of any applicable licenses, certifications, registrations, bonding, insurance, or other appropriate matters on file with the state agency or local government as a condition of being placed on a roster or rosters. At least once a year, the state agency or local government shall publish in a newspaper of general circulation within the jurisdiction a notice of the existence of the roster or rosters and solicit the names of contractors for such roster or rosters. In addition, responsible contractors shall be added to an appropriate roster or rosters at any time they submit a written request and necessary records. Master contracts may be required to be signed that become effective when a specific award is made using a small works roster.

(b) A state agency establishing a small works roster or rosters shall adopt rules implementing this subsection. A local government establishing a small works roster or rosters shall adopt an ordinance or resolution implementing this subsection. Procedures included in rules adopted by the department of general administration in implementing this subsection must be included in any rules providing for a small works roster or rosters that is adopted by another state agency, if the authority for that state agency to engage in these activities has been delegated to it by the department of general administration under chapter 43.19 RCW. An interlocal contract or agreement between two or more state agencies or local governments establishing a small works roster or rosters to be used by the parties to the agreement or contract must clearly identify the lead entity that is responsible for implementing the provisions of this subsection.

(c) Procedures shall be established for securing telephone, written, or electronic quotations from contractors on the appropriate small works roster to assure that a competitive price is established

and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.1911. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This subsection does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. However, if the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, a state agency or local government, other than a port district, that chooses to solicit bids from less than all the appropriate contractors on the appropriate small works roster must also notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The government has the sole option of determining whether this notice to the remaining contractors is made by: (i) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done; (ii) mailing a notice to these contractors; or (iii) sending a notice to these contractors by facsimile or other electronic means. For purposes of this subsection (2)(c), "equitably distribute" means that a state agency or local government soliciting bids may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

(d) A contract awarded from a small works roster under this section need not be advertised.

(e) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(3) In lieu of awarding contracts under subsection (2) of this section, a state agency or authorized local government may award a contract for work, construction, alteration, repair, or improvement (~~(project projects)~~) projects estimated to cost less than thirty-five thousand dollars using the limited public works process provided under this subsection. Public works projects awarded under this subsection are exempt from the other requirements of the small works roster process provided under subsection (2) of this section and are exempt from the requirement that contracts be awarded after advertisement as provided under RCW 39.04.010.

For limited public works projects, a state agency or authorized local government shall solicit electronic or written quotations from a minimum of three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 43.19.1911. After an award is made, the quotations shall be open to public inspection and available by electronic request. A state agency or authorized local government shall attempt to distribute opportunities for limited public works projects equitably among contractors willing to perform in the geographic area of the work. A state agency or authorized local government shall maintain a list of the contractors contacted and the contracts awarded during the previous twenty-four months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. For limited public works projects, a state agency or authorized local government may waive the payment and performance bond requirements of chapter 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, ~~(materialmen)~~ materialpersons, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project, however the state agency or authorized local government shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

(4) The breaking of any project into units or accomplishing any projects by phases is prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that may be let using the small works roster process or limited public works process.

(5)(a) A state agency or authorized local government may use the limited public works process of subsection (3) of this section to solicit and award small works roster contracts to small businesses that are registered contractors with gross revenues under one million dollars annually as reported on their federal tax return.

(b) A state agency or authorized local government may adopt additional procedures to encourage small businesses that are registered contractors with gross revenues under two hundred fifty thousand dollars annually as reported on their federal tax returns to submit quotations or bids on small works roster contracts.

(6) As used in this section, "state agency" means the department of general administration, the state parks and recreation commission, the department of natural resources, the department of fish and wildlife, the department of transportation, any institution of higher education as defined under RCW 28B.10.016, and any other state agency delegated authority by the department of general administration to engage in construction, building, renovation, remodeling, alteration, improvement, or repair activities.

**Sec. 2.** RCW 60.28.051 and 1992 c 223 s 4 are each amended to read as follows:

Upon completion of a contract, the state, county, or other municipal officer charged with the duty of disbursing or authorizing disbursement or payment of such contracts shall forthwith notify the department of revenue of the completion of contracts over ~~((twenty))~~ thirty-five thousand dollars. Such officer shall not make any payment from the retained percentage fund or release any retained percentage escrow account to any person, until he or she has received from the department of revenue a certificate that all taxes, increases, and penalties due from the contractor, and all taxes due and to become due with respect to such contract have been paid in full or that they are, in the department's opinion, readily collectible without recourse to the state's lien on the retained percentage.

**Sec. 3.** RCW 39.08.010 and 1989 c 145 s 1 are each amended to read as follows:

Whenever any board, council, commission, trustees, or body acting for the state or any county or municipality or any public body shall contract with any person or corporation to do any work for the state, county, or municipality, or other public body, city, town, or district, such board, council, commission, trustees, or body shall require the person or persons with whom such contract is made to make, execute, and deliver to such board, council, commission, trustees, or body a good and sufficient bond, with a surety company as surety, conditioned that such person or persons shall faithfully perform all the provisions of such contract and pay all laborers, mechanics, and subcontractors and materialmen, and all persons who supply such person or persons, or subcontractors, with provisions and supplies for the carrying on of such work, which bond in cases of cities and towns shall be filed with the clerk or comptroller thereof, and any person or persons performing such services or furnishing material to any subcontractor shall have the same right under the provisions of such bond as if such work, services, or material was furnished to the original contractor: PROVIDED, HOWEVER, That the provisions of RCW 39.08.010 through 39.08.030 shall not apply to any money loaned or advanced to any such contractor, subcontractor or other person in the performance of any such work: PROVIDED FURTHER, That on contracts of ~~((twenty-five))~~ thirty-five thousand dollars or less, at the option of the contractor the respective public entity may, in lieu of the bond, retain fifty percent of the contract amount for a period of thirty days after date of final acceptance, or until receipt of all necessary releases from the department of revenue and the department of labor and industries and settlement of any liens filed under chapter 60.28 RCW, whichever is later: PROVIDED FURTHER, That for contracts of one hundred thousand dollars or less, the public entity may accept a full payment and performance bond from an individual surety or sureties: AND PROVIDED FURTHER, That the surety must agree to be bound by the laws of the state of Washington and subjected to the jurisdiction of the state of Washington.

**Sec. 4.** RCW 39.12.040 and 1991 c 15 s 1 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, before payment is made by or on behalf of the state, or any county, municipality, or political subdivision created by its laws, of any sum or sums due on account of a public works contract, it shall be the duty of the officer or person charged with the custody and disbursement of public funds to require the contractor and each and every subcontractor from the contractor or a subcontractor to submit to such officer a "Statement of Intent to Pay Prevailing Wages". For a contract in excess of ten thousand dollars, the statement of intent to pay prevailing wages shall include:

(a) The contractor's registration certificate number; and

(b) The prevailing rate of wage for each classification of workers entitled to prevailing wages under RCW 39.12.020 and the estimated number of workers in each classification.

Each statement of intent to pay prevailing wages must be approved by the industrial statistician of the department of labor and industries before it is submitted to said officer. Unless otherwise authorized by the department of labor and industries, each voucher claim submitted by a contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the prefiled statement or statements of intent to pay prevailing wages on file with the public agency. Following the final acceptance of a public works project, it shall be the duty of the officer charged with the disbursement of public funds, to require the contractor and each and every subcontractor from the contractor or a subcontractor to submit to such officer an "Affidavit of Wages Paid" before the funds retained according to the provisions of RCW 60.28.010 are released to the contractor. Each affidavit of wages paid must be certified by the industrial statistician of the department of labor and industries before it is submitted to said officer.

(2) As an alternate to the procedures provided for in subsection (1) of this section, for public works projects of two thousand five hundred dollars or less and for projects where the limited public works process under RCW 39.04.155(3) is followed:

(a) An awarding agency may authorize the contractor or subcontractor to submit the statement of intent to pay prevailing wages directly to the officer or person charged with the custody or disbursement of public funds in the awarding agency without approval by the industrial statistician of the department of labor and industries. The awarding agency shall retain such statement of intent to pay prevailing wages for a period of not less than three years.

(b) Upon final acceptance of the public works project, the awarding agency shall require the contractor or subcontractor to submit an affidavit of wages paid. Upon receipt of the affidavit of wages paid, the awarding agency may pay the contractor or subcontractor in full, including funds that would otherwise be retained according to the provisions of RCW 60.28.010. Within thirty days of receipt of the affidavit of wages paid, the awarding agency shall submit the affidavit of wages paid to the industrial statistician of the department of labor and industries for approval.

(c) A statement of intent to pay prevailing wages and an affidavit of wages paid shall be on forms approved by the department of labor and industries.

(d) In the event of a wage claim and a finding for the claimant by the department of labor and industries where the awarding agency has used the alternative process provided for in subsection (2) of this section, the awarding agency shall pay the wages due directly to the claimant. If the contractor or subcontractor did not pay the wages stated in the affidavit of wages paid, the awarding agency may take action at law to seek reimbursement from the contractor or subcontractor of wages paid to the claimant, and may prohibit the contractor or subcontractor from bidding on any public works contract of the awarding agency for up to one year.

(e) Nothing in this section shall be interpreted to allow an awarding agency to subdivide any public works project of more than two thousand five hundred dollars for the purpose of circumventing the procedures required by RCW 39.12.040(1)."

On page 1, line 1 of the title, after "procedures;" strike the remainder of the title and insert "and amending RCW 39.04.155, 60.28.051, 39.08.010, and 39.12.040."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1371 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.63.073 and 2005 c 331 s 2 are each amended to read as follows:

(1) In the event a traffic infraction is based on a vehicle's identification, and the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction may be issued, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within thirty days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction. In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty. ~~((2))~~ For the purpose of this ~~(section)~~ subsection, a "traffic infraction based on a vehicle's identification" includes, but is not limited to, parking infractions, high-occupancy toll lane violations, and violations recorded by automated traffic safety cameras.

(2) In the event a parking infraction is issued by a private parking facility and is based on a vehicle's identification, and the registered owner of the vehicle is a rental car business, the parking facility shall, before a notice of infraction may be issued, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within thirty days of receiving the written notice, provide to the parking facility by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft.

Timely mailing of this statement to the parking facility relieves a rental car business of any liability under this chapter for the notice of infraction. In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty. For the purpose of this subsection, a "parking infraction based on a vehicle's identification" is limited to parking infractions occurring on a private parking facility's premises.

**Sec. 2.** RCW 46.63.160 and 2004 c 231 s 6 are each amended to read as follows:

(1) This section applies only to traffic infractions issued under RCW 46.61.690 for toll collection evasion.

(2) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(3) Toll collection systems include manual cash collection, electronic toll collection, and photo enforcement systems.

(4) "Electronic toll collection system" means a system of collecting tolls or charges that is capable of charging the account of the toll patron the appropriate toll or charge by electronic transmission from the motor vehicle to the toll collection system, which information is used to charge the appropriate toll or charge to the patron's account.

(5) "Photo enforcement system" means a vehicle sensor installed to work in conjunction with an electronic toll collection system that automatically produces one or more photographs, one or more microphotographs, a videotape, or other recorded images of a vehicle operated in violation of an infraction under this chapter.

(6) The use of a toll collection system is subject to the following requirements:

(a) The department of transportation shall adopt rules that allow an open standard for automatic vehicle identification transponders used for electronic toll collection to be compatible with other electronic payment devices or transponders from the Washington state ferry system, other public transportation systems, or other toll collection systems to the extent that technology permits. The rules must also allow for multiple vendors providing electronic payment devices or transponders as technology permits.

(b) The department of transportation may not sell, distribute, or make available in any way, the names and addresses of electronic toll collection system account holders.

(7) The use of a photo enforcement system for issuance of notices of infraction is subject to the following requirements:

(a) Photo enforcement systems may take photographs, digital photographs, microphotographs, videotapes, or other recorded images of the vehicle and vehicle license plate only.

(b) A notice of infraction must be mailed to the registered owner of the vehicle or to the renter of a vehicle within sixty days of the violation. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by a photo enforcement system, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, digital photographs, microphotographs, videotape, or other recorded images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction.

(c) Notwithstanding any other provision of law, all photographs, digital photographs, microphotographs, videotape, or other recorded images prepared under this chapter are for the exclusive use of the tolling agency and law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this chapter. No photograph, digital photograph, microphotograph, videotape, or other recorded image may be used for any purpose other than enforcement of violations under this chapter nor retained longer than necessary to enforce this chapter or verify that tolls are paid.

(d) All locations where a photo enforcement system is used must be clearly marked by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by a photo enforcement system.

(8) Infractions detected through the use of photo enforcement systems are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120.

(9) If the registered owner of the vehicle is a rental car business the department of transportation or a law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of the mailing of the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable toll and fee.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

**Sec. 3.** RCW 46.63.170 and 2005 c 167 s 1 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must first enact an ordinance allowing for their use to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance.

(b) Use of automated traffic safety cameras is restricted to two-arterial intersections, railroad crossings, and school speed zones only.

(c) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle.

(d) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

(e) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(e) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

(f) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

(g) All locations where an automated traffic safety camera is used must be clearly marked by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera.

(h) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.46.120, 3.50.100, 35.20.220, 46.16.216, and 46.20.270(3). However, the amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car

business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit in a school speed zone as detected by a speed measuring device."

On page 1, line 1 of the title, after "vehicles;" strike the remainder of the title and insert "and amending RCW 46.63.073, 46.63.160, and 46.63.170."

and the same is herewith transmitted.

The county, city, or town shall notify the department and the department of ecology in writing sixty days prior to adoption of the development regulations required in this section. #### MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1422 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature recognizes the significant impact on the lives and well-being of children and families when a parent is incarcerated. It is the intent of the legislature to support children and families, and maintain familial connections when appropriate, during the period a parent is incarcerated. Further, the legislature finds that there must be a greater emphasis placed on identifying state policies and programs impacting children with incarcerated parents. Additionally, greater effort must be made to ensure that the policies and programs of the state are supportive of the children, and meet their needs during the time the parent is incarcerated.

According to the final report of the children of incarcerated parents oversight committee, helping offenders build durable family relationships may reduce the likelihood that their children will go to prison later in life. Additionally, the report indicates that offenders who reconnect with their families in sustaining ways are less likely to reoffend. In all efforts to help offenders build these relationships with their children, the safety of the children will be paramount.

Programs and policies should take into consideration the children's need to maintain contact with his or her parent, the inmate's ability to develop plans to financially support their children, assist in reunification when appropriate, and encourage the improvement of parenting skills where needed. The programs and policies should also meet the needs of the child while the parent is incarcerated.

(2) The secretary shall conduct the following activities to assist in implementing the requirements of subsection (1) of this section:

#### MESSAGE FROM THE SENATE

March 31, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1461 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that there are factors unique to the relationship between a manufactured/mobile home tenant and a manufactured/mobile home community landlord. Once occupancy has commenced, the difficulty and expense in moving and relocating a manufactured/mobile home can affect the operation of market forces and lead to an inequality of the bargaining position of the parties. Once occupancy has commenced, a tenant may be subject to violations of the manufactured/mobile home landlord-tenant act without an adequate remedy at law. This chapter is created for the purpose of protecting the public, fostering fair and honest competition, and regulating the factors unique to the relationship between the manufactured/mobile home tenant and the manufactured/mobile home community landlord.

(2) The legislature finds that taking legal action against a manufactured/mobile home community landlord for violations of the manufactured/mobile home landlord-tenant act can be a costly and lengthy process, and that many people cannot afford to pursue a court process to vindicate statutory rights. Manufactured/mobile home community landlords will also benefit by having access to a process that resolves disputes quickly and efficiently.

(3)(a) Therefore, it is the intent of the legislature to provide an equitable as well as a less costly and more efficient way for manufactured/mobile home tenants and manufactured/mobile home community landlords to resolve disputes, and to provide a mechanism for state authorities to quickly locate manufactured/mobile home community landlords.

(b) The legislature intends to authorize the department of licensing to register manufactured/mobile home communities and collect a registration fee.

(c) The legislature intends to authorize the attorney general to:

(i) Produce and distribute educational materials regarding the manufactured/mobile home landlord-tenant act and the manufactured/mobile home dispute resolution program created in section 3 of this act;

(ii) Administer the dispute resolution program by taking complaints, conducting investigations, making determinations, issuing fines and other penalties, and participating in administrative dispute resolutions, when necessary, when there are alleged violations of the manufactured/mobile home landlord-tenant act; and

(iii) Collect and annually report upon data related to disputes and violations, and make recommendations on modifying chapter 59.20 RCW, to the appropriate committees of the legislature.

**NEW SECTION. Sec. 2.** For purposes of this chapter:

(1) "Complainant" means a landlord, community owner, or tenant, who has a complaint alleging a violation of chapter 59.20 RCW;

(2) "Department" means the department of licensing;

(3) "Director" means the director of licensing;

(4) "Landlord" or "community owner" means the owner of a mobile home park or a manufactured housing community and includes the agents of a landlord;

Mobile homes have not been built since the introduction of the United States department of housing and urban development manufactured home construction and safety act;

(7) "Manufactured/mobile home" means either a manufactured home or a mobile home;

(8) "Manufactured/mobile home lot" means a portion of a manufactured/mobile home community designated as the location of one mobile home, manufactured home, or park model and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home, manufactured home, or park model;

(9) "Mobile home park," "manufactured housing community," or "manufactured/mobile home community" means any real property that is rented or held out for rent to others for the placement of two or more mobile homes, manufactured homes, park models, or recreational vehicles for the primary purpose of production of income, except where the real property is rented or held out for rent for seasonal recreational purposes only and is not used for year-round occupancy;

(10) "Owner" means one or more persons, jointly or severally, in whom is vested:

**NEW SECTION. Sec. 3.** (1) The attorney general shall administer a manufactured/mobile home dispute resolution program.

(2) The purpose of the manufactured/mobile home dispute resolution program is to provide manufactured/mobile home community landlords and tenants with a cost-effective and time-efficient process to resolve disputes regarding alleged violations of the manufactured/mobile home landlord-tenant act.

(3) The attorney general under the manufactured/mobile home dispute resolution program shall:

(a) Produce educational materials regarding chapter 59.20 RCW and the manufactured/mobile home dispute resolution program, including a notice in a format that a landlord can reasonably post in a manufactured/mobile home community that summarizes tenant rights and responsibilities, includes information on how to file a complaint with the attorney general, and includes a toll-free telephone number and web site address that landlords and tenants can use to seek additional information and communicate complaints;

(b) Distribute the educational materials described in (a) of this subsection to all known landlords and information alerting landlords that:

(i) All landlords must post the notice provided by the attorney general that summarizes tenant rights and responsibilities and includes information on how to file complaints, in a clearly visible location in all common areas of manufactured/mobile home communities, including in each clubhouse;

(ii) The attorney general may visually confirm that the notice is appropriately posted; and

(iii) The attorney general may issue a fine or other penalty if the attorney general discovers that the landlord has not appropriately posted the notice or that the landlord has not maintained the posted notice so that it is clearly visible to tenants;

(c) Distribute the educational materials described in (a) of this subsection to any complainants and respondents, as requested;

(d) Perform dispute resolution activities, including investigations, negotiations, determinations of violations, and imposition of fines or other penalties as described in section 4 of this act;

(e) Create and maintain a database of manufactured/mobile home communities that have had complaints filed against them. For each manufactured/mobile home community in the database, the following information must be contained, at a minimum:

(i) The number of complaints received;

(ii) The nature and extent of the complaints received;

(iii) The violation of law complained of; and

(iv) The manufactured/mobile home dispute resolution program outcomes for each complaint;

(f) Provide an annual report to the appropriate committees of the legislature on the data collected under this section, including program performance measures and recommendations regarding how the manufactured/mobile home dispute resolution program may be improved, by December 31st, beginning in 2007.

(4) The manufactured/mobile home dispute resolution program, including all of the duties of the attorney general under the program as described in this section, shall be funded by the collection of fines, other penalties, and fees deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act, and all other sources directed to the manufactured/mobile home dispute resolution program.

**NEW SECTION. Sec. 4.** (1) An aggrieved party has the right to file a complaint with the attorney general alleging a violation of chapter 59.20 RCW.

(2) Upon receiving a complaint under this act, the attorney general must:

(a) Inform the complainant of any notification requirements under RCW 59.20.080 for tenant violations or RCW 59.20.200 for landlord violations and encourage the complainant to appropriately notify the respondent of the complaint; and

(b) If a statutory time period is applicable, inform the complainant of the time frame that the respondent has to remedy the complaint under RCW 59.20.080 for tenant violations or RCW 59.20.200 for landlord violations.

(3) After receiving a complaint under this act, the attorney general shall initiate the manufactured/mobile home dispute resolution program by investigating the alleged violations at its discretion and, if appropriate, facilitating negotiations between the complainant and the respondent.

(4)(a) Complainants and respondents shall cooperate with the attorney general in the course of an investigation by (i) responding to subpoenas issued by the attorney general, which may consist of providing access to papers or other documents, and (ii) providing access to the manufactured/mobile home facilities relevant to the investigation. Complainants and respondents must respond to attorney general subpoenas within thirty days.

(b) Failure to cooperate with the attorney general in the course of an investigation is a violation of this chapter.

(5) If after an investigation the attorney general determines that an agreement cannot be negotiated between the parties, the attorney general shall make a written determination on whether a violation of chapter 59.20 RCW has occurred.

(a) If the attorney general finds by a written determination that a violation of chapter 59.20 RCW has occurred, the attorney general shall deliver a written notice of violation to the respondent who committed the violation by certified mail. The notice of violation must specify the violation, the corrective action required, the time within which the corrective action must be taken, the penalties including fines, other penalties, and actions that will result if corrective action is not taken within the specified time period, and the process for contesting the determination, fines, penalties, and other actions included in the notice of violation through an administrative hearing. The attorney general must deliver to the complainant a copy of the notice of violation by certified mail.

(b) If the attorney general finds by a written determination that a violation of chapter 59.20 RCW has not occurred, the attorney general shall deliver a written notice of nonviolation to both the complainant and the respondent by certified mail. The notice of nonviolation must include the process for contesting the determination included in the notice of nonviolation through an administrative hearing.

(6) Corrective action must take place within fifteen business days of the respondent's receipt of a notice of violation, except as required otherwise by the attorney general, unless the respondent has submitted a timely request for an administrative hearing to contest the notice of violation as required under subsection (8) of this section. If a respondent, which includes either a landlord or a tenant, fails to take corrective action within the required time period and the attorney general has not received a timely request for an administrative hearing, the attorney general may impose a fine, up to a maximum of two hundred fifty dollars per violation per day, for each day that a violation remains uncorrected. The attorney general must consider the severity and duration of the violation and the violation's impact on other community residents when determining the appropriate amount of a fine or the appropriate penalty to impose on a respondent. If the respondent shows upon timely application to the attorney general that a good faith effort to comply with the corrective action requirements of the notice of violation has been made and that the corrective action has not been completed because of mitigating factors beyond the respondent's control, the attorney general may delay the imposition of a fine or penalty.

(7) The attorney general may issue an order requiring the respondent, or its assignee or agent, to cease and desist from an unlawful practice and take affirmative actions that in the judgment of the attorney general will carry out the purposes of this chapter. The affirmative actions may include, but are not limited to, the following:

(a) Refunds of rent increases, improper fees, charges, and assessments collected in violation of this chapter;

(b) Filing and utilization of documents that correct a statutory or rule violation; and

(c) Reasonable action necessary to correct a statutory or rule violation.

(8) A complainant or respondent may request an administrative hearing before an administrative law judge under chapter 34.05 RCW to contest:

(a) A notice of violation issued under subsection (5)(a) of this section or a notice of nonviolation issued under subsection (5)(b) of this section;

(b) A fine or other penalty imposed under subsection (6) of this section; or

(c) An order to cease and desist or an order to take affirmative actions under subsection (7) of this section.

The complainant or respondent must request an administrative hearing within fifteen business days of receipt of a notice of violation, notice of nonviolation, fine, other penalty, order, or action. If an administrative hearing is not requested within this time period, the notice of violation, notice of nonviolation, fine, other penalty, order, or action constitutes a final order of the attorney general and is not subject to review by any court or agency.

(9) If an administrative hearing is initiated, the respondent and complainant shall each bear the cost of his or her own legal expenses.

(10) The administrative law judge appointed under chapter 34.12 RCW shall:

(a) Hear and receive pertinent evidence and testimony;

(b) Decide whether the evidence supports the attorney general finding by a preponderance of the evidence; and

(c) Enter an appropriate order within thirty days after the close of the hearing and immediately mail copies of the order to the affected parties.

The order of the administrative law judge constitutes the final agency order of the attorney general and may be appealed to the superior court under chapter 34.05 RCW.

(11) When the attorney general imposes a fine, refund, or other penalty against a respondent, the respondent may not seek any recovery or reimbursement of the fine, refund, or other penalty from a complainant or from other manufactured/mobile home tenants.

(12) All receipts from the imposition of fines or other penalties collected under this section other than those due to a complainant must be deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act.

(13) This section is not exclusive and does not limit the right of landlords or tenants to take legal action against another party as provided in chapter 59.20 RCW or otherwise. Exhaustion of the administrative remedy provided in this chapter is not required before a landlord or tenants may bring a legal action. This section does not apply to unlawful detainer actions initiated under RCW 59.20.080 prior to the filing and service of an unlawful detainer court action; however, a tenant is not precluded from seeking relief under this chapter if the complaint claims the notice of termination violates RCW 59.20.080 prior to the filing and service of an unlawful detainer action.

**NEW SECTION. Sec. 5.** The attorney general, director, or individuals acting on behalf of the attorney general or director are immune from suit in any action, civil or criminal, based upon any disciplinary actions or other official acts performed in the course of their duties under this chapter, except their intentional or willful misconduct.

**NEW SECTION. Sec. 6.** (1) The department shall annually register all manufactured/mobile home communities. Each community must be registered separately. The department must deliver by certified mail registration notifications to all known manufactured/mobile home community landlords. Registration information packets must include:

(a) Registration forms; and

(b) Registration assessment information, including registration due dates and late fees, and the collections procedures, liens, and charging costs to tenants.

(2) To apply for registration, the landlord of a manufactured/mobile home community must file with the department an application for registration on a form provided by the department and must pay a registration fee as described in subsection (3) of this section. The department may require the submission of information necessary to assist in identifying and locating a manufactured/mobile home community and other information that may be useful to the state, which must include, at a minimum:

(a) The names and addresses of the owners of the manufactured/mobile home community;

(b) The name and address of the manufactured/mobile home community;

(c) The name and address of the landlord and manager of the manufactured/mobile home community;

(d) The number of lots within the manufactured/mobile home community that are subject to chapter 59.20 RCW; and

(e) The addresses of each manufactured/mobile home lot within the manufactured/mobile home community that is subject to chapter 59.20 RCW.

(3) Each manufactured/mobile home community landlord shall pay to the department:

(a) A one-time master application fee for the first year of registration and, in subsequent years, an annual master renewal application fee, as provided in RCW 19.02.075; and

(b) An annual registration assessment of ten dollars for each manufactured/mobile home that is subject to chapter 59.20 RCW within a manufactured/mobile home community. Manufactured/mobile home community landlords may charge a

maximum of five dollars of this assessment to tenants. Nine dollars of the registration assessment for each manufactured/mobile home shall be deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act to fund the costs associated with the manufactured/mobile home dispute resolution program. The remaining one dollar shall be deposited into the master license fund created in RCW 19.02.210. The annual registration assessment must be reviewed once each biennium by the department and the attorney general and may be adjusted to reasonably relate to the cost of administering this chapter. The registration assessment may not exceed ten dollars, but if the assessment is reduced, the portion allocated to the manufactured/mobile home dispute resolution program account and the master license fund shall be adjusted proportionately.

(4) Initial registrations of mobile/manufactured housing communities must be filed with the department before November 1, 2007, or within three months of the availability of mobile home lots for rent within the community. The manufactured/mobile home community is subject to a delinquency fee of two hundred fifty dollars for late initial registrations. The delinquency fee shall be deposited in the master license fund. Renewal registrations that are not renewed by the expiration date as assigned by the department are subject to delinquency fees under RCW 19.02.085.

(5) Thirty days after sending late fee notices to a noncomplying landlord, the department may refer the past due account to a collection agency. If there is no response from a noncomplying landlord after sixty days in collections, the department may file an action to enforce payment of unpaid registration assessments and late fees in the superior court for Thurston county or in the county in which the manufactured/mobile home community is located. If the department prevails, the manufactured/mobile home community landlord shall pay the department's costs, including reasonable attorneys' fees, for the enforcement proceedings.

(6) Registration is effective on the date determined by the department, and the department shall issue a registration number to each registered manufactured/mobile home community. The department must provide an expiration date, assigned by the department, to each manufactured/mobile home community who registers.

**NEW SECTION. Sec. 7.** The department must have the capability to compile, update, and maintain the most accurate database possible of all the manufactured/mobile home communities in the state, which must include all of the information collected under section 6 of this act, except for the addresses of each manufactured/mobile home lot within the manufactured/mobile home community that is subject to chapter 59.20 RCW, which must be made available to the attorney general and the department of community, trade, and economic development in a format to be determined by a collaborative agreement between the department of licensing and the attorney general.

**NEW SECTION. Sec. 8.** The manufactured/mobile home dispute resolution program account is created in the custody of the state treasurer. All receipts from sources directed to the manufactured/mobile home dispute resolution program must be deposited in the account. Expenditures from the account may be used only for the costs associated with administering the manufactured/mobile home dispute resolution program. Only the attorney general or the attorney general's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 9.** A new section is added to chapter 34.12 RCW to read as follows:

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1461, as amended by the Senate, having received the constitutional majority, was declared passed.

#### MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1472 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that one in five of Washington's one and one-half million children are children of color. Broken out by racial groups, approximately six percent of children are Asian/Pacific Islander, six percent are multiracial, four and one-half percent are African American, and two percent are Native American. Thirteen percent of Washington children are of Hispanic origin, but representation of this group increases in the lower age ranges. For example, seventeen percent of children birth to four years of age are Hispanic.

The legislature also finds that in counties such as Adams, Franklin, Yakima, and Grant, more than half of the births are of Hispanic origin. Three-quarters of the state's African American children and two-thirds of Asian/Pacific Islander children live in King and Pierce counties. The legislature finds further that despite some progress closing the achievement gap in recent years, children of color continue to lag behind their classmates on the Washington assessment of student learning. In 2005 children of color trailed in every category of the fourth-grade reading, writing, and math assessments. On the reading test alone, sixty-nine percent of African American students, sixty-four percent of native American students, and sixty-one percent of Hispanic students met the standards, compared with eighty-five percent of caucasian students. And, since 1993, the number of Washington students for which English is not their first language has doubled to more than seven percent of students statewide.

The legislature finds further that according to national research, African American children enter the child welfare system at far higher rates than caucasian children, despite no greater incidence of maltreatment in African American families compared to caucasian families. This trend holds true for Washington state, where African American children represent approximately nine and one-half percent of the children in out-of-home care even though they represent slightly more than four percent of the state's total child population. Native American children represent slightly over ten percent of the children in out-of-home care although they represent only two percent of the children in the state. In King county, African American and Native American children are over represented at nearly every decision point in the child welfare system. Although these two groups of children represent only eight percent of the child population in King county, they account for one-third of all children removed from their homes and one-half of children in foster care for more than four years.

The legislature finds also that children of immigrants are the fastest growing component of the United States' child population. While immigrants are eleven percent of the nation's total population, the children of immigrants make up twenty-two percent of the

nation's children under six years of age. These immigrant children are twice as likely as native-born children to be poor.

**NEW SECTION. Sec. 2.** (1) The secretary of the department of social and health services shall convene an advisory committee to analyze and make recommendations on the disproportionate representation of children of color in Washington's child welfare system. The department shall collaborate with the Washington institute for public policy and private sector entities to develop a methodology for the advisory committee to follow in conducting a baseline analysis of data from the child welfare system to determine whether racial disproportionality and racial disparity exist in this system. The Washington institute for public policy shall serve as technical staff for the advisory committee. In determining whether racial disproportionality or racial disparity exists, the committee shall utilize existing research and evaluations conducted within Washington state, nationally, and in other states and localities that have similarly analyzed the prevalence of racial disproportionality and disparity in child welfare.

(2) At a minimum, the advisory committee shall examine and analyze: (a) The level of involvement of children of color at each stage in the state's child welfare system, including the points of entry and exit, and each point at which a treatment decision is made; (b) the number of children of color in low-income or single-parent families involved in the state's child welfare system; (c) the family structures of families involved in the state's child welfare system; and (d) the outcomes for children in the existing child welfare system. This analysis shall be disaggregated by racial and ethnic group, and by geographic region.

(3) The committee of not more than fifteen individuals shall consist of experts in social work, law, child welfare, psychology, or related fields, at least two tribal representatives, a representative of the governor's juvenile justice advisory committee, a representative of a community-based organization involved with child welfare issues, a representative of the department of social and health services, a current or former foster care youth, a current or former foster care parent, and a parent previously involved with Washington's child welfare system. Committee members shall be selected as follows: (a) Five members selected by the senate majority leader; (b) five members selected by the speaker of the house of representatives; and (c) five members selected by the secretary of the department of social and health services. The secretary, the senate majority leader, and the speaker of the house of representatives shall coordinate appointments to ensure the representation specified in this subsection is achieved. After the advisory committee appointments are finalized, the committee shall select two individuals to serve as coarchs of the committee, one of whom shall be a representative from a nongovernmental entity.

(4) The secretary shall make reasonable efforts to seek public and private funding for the advisory committee.

(5) Not later than June 1, 2008, the advisory committee created in subsection (1) of this section shall report to the secretary of the department of social and health services on the results of the analysis. If the results of the analysis indicate disproportionality or disparity exists for any racial or ethnic group in any region of the state, the committee, in conjunction with the secretary of the department of social and health services, shall develop a plan for remedying the disproportionality or disparity. The remediation plan shall include: (a) Recommendations for administrative and legislative actions related to appropriate programs and services to reduce and eliminate disparities in the system and improve the long-term outcomes for children of color who are served by the system; and (b) performance measures for implementing the remediation plan. To the extent possible and appropriate, the remediation plan shall be developed to integrate the recommendations required in this subsection with the department's existing compliance plans, training efforts, and other practice improvement and reform initiatives in progress. The advisory committee shall be responsible for ongoing evaluation of current and prospective policies and procedures for their contribution to or effect on racial disproportionality and disparity.

(6) Not later than December 1, 2008, the secretary shall report the results of the analysis conducted under subsection (2) of this section and shall describe the remediation plan required under

subsection (5) of this section to the appropriate committees of the legislature with jurisdiction over policy and fiscal matters relating to children, families, and human services. Beginning January 1, 2010, the secretary shall report annually to the appropriate committees of the legislature on the implementation of the remediation plan, including any measurable progress made in reducing and eliminating racial disproportionality and disparity in the state's child welfare system.

**NEW SECTION. Sec. 3.** This act expires June 30, 2014."

On page 1, line 2 of the title, after "welfare;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1488 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that the state's oil spill prevention and response programs perform essential services in protecting the environment and natural resource economy of Washington. Due to increased demand for services, the legislature finds that these programs have been expanded several times in the twenty years since the funding mechanisms for these programs were authorized, but the funding mechanisms for these programs have remained unchanged. Without additional funding, these programs face a structural funding deficit beginning in the 2007-2009 biennium. The legislature further finds that the current source of funding for these programs is derived from only one segment of activities that present oil spill risks in the state, and that there is a need for a comprehensive assessment of the sources of oil spill risks and potential funding mechanisms by which all sectors that are a source of oil spill risks may contribute to ensuring adequate funding for programs that prevent as well as prepare for and respond to oil spills. (2) The legislature finds that the Strait of Juan de Fuca is a significant international avenue of waterborne commerce. Over five thousand transits by vessels greater than three hundred gross tons occur in the Strait each year. Reliable, safe vessel transits are vitally important to Washington state, the United States, and Canada. The legislature finds that comprehensive measures to prevent oil spills must be implemented in the Strait. The legislature further finds that stationing a response tug at the west entrance to the Strait is a critical component of such comprehensive measures, evidenced by the fact that the seasonal tug stationed at Neah Bay has conducted more than thirty assists since 1999. Because of the national significance of this waterway and the national interest in preventing oil spills there, the federal government should undertake to ensure that a year-round response tug is stationed at the west entrance to the Strait, either by providing sufficient federal funding for this purpose or to require through federal regulation that the commercial shipping interests benefiting from this service provide for a stationed tug. The legislature therefore directs the department of ecology to request that federal agencies with jurisdiction seek to require or fund the stationing of a response tug at such location, and seek reimbursement for the funding provided by the state for this purpose commencing with the fiscal year 2008 costs to the state.

**NEW SECTION. Sec. 2.** By September 1, 2008, the joint legislative audit and review committee shall examine the funding mechanism for the oil spill prevention and response programs. This study shall evaluate the state's oil spill prevention, preparedness, and response programs to compare the sources of oil spill risk with the funding mechanism. The study shall include:

(1) A review of existing oil spill risk evaluations and qualitative models, including:

(a) Evaluations or models for a risk evaluation framework, considering such factors as volume of oil, time at sea, proximity to water, organizational readiness, and damage done; and

(b) Evaluations or models for risk allocation, assessing how much of the risk goes with the product and how much with where and how the product is handled and who is handling it;

(2) A review of empirical data related to actual spill numbers, spill volumes, spill locations, and other circumstances related to individual spills;

(3) Comparisons of the risk allocation to the actual funding contributed by sector; and

(4) Options to allocate the state's costs to the major risk categories, by sector."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "and creating new sections."

and the same is herewith transmitted.

HOUSE BILL NO. 1520, as amended by the Senate, having received the constitutional majority, was declared passed.

**MESSAGE FROM THE SENATE**

April 12, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1569 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 70.47A.010 and 2006 c 255 s 1 are each amended to read as follows:

(1) The legislature finds that many small employers struggle with the cost of providing employer-sponsored health insurance coverage to their employees, while others are unable to offer employer-sponsored health insurance due to its high cost. Low-wage workers also struggle with the burden of paying their share of the costs of employer-sponsored health insurance, while others turn down their employer's offer of coverage due to its costs.

(2) The legislature intends, through establishment of a ~~((small employer))~~ health insurance partnership program, to remove economic barriers to health insurance coverage for low-wage employees of small employers by building on the private sector health benefit plan system and encouraging employer and employee participation in employer-sponsored health benefit plan coverage.

**Sec. 2.** RCW 70.47A.020 and 2006 c 255 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administrator" means the administrator of the Washington state health care authority, established under chapter 41.05 RCW.

(2) "Board" means the health insurance partnership board established in section 4 of this act.

(3) "Eligible ~~((employee))~~ partnership participant" means an individual who:

(a) Is a resident of the state of Washington;

(b) Has family income ~~((less than))~~ that does not exceed two hundred percent of the federal poverty level, as determined annually by the federal department of health and human services; and

(c) Is employed by a participating small employer or is a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

~~((3))~~ (4) "Health benefit plan" has the same meaning as defined in RCW 48.43.005 ~~((or any plan provided by a self-funded multiple employer welfare arrangement as defined in RCW 48.125.010 or by another benefit arrangement defined in the federal employee retirement income security act of 1974, as amended))~~.

~~((4))~~ "Program" (5) "Participating small employer" means a small employer that employs at least one eligible partnership participant and has entered into an agreement with the partnership for the partnership to offer and administer the small employer's group health benefit plan, as defined in federal law, Sec. 706 of ERISA (29 U.S.C. Sec. 1167), for enrollees in the plan.

(6) "Partnership" means the ~~((small employer))~~ health insurance partnership ~~((program))~~ established in RCW 70.47A.030.

~~((5))~~ (7) "Partnership participant" means an employee of a participating small employer, or a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

(8) "Small employer" has the same meaning as defined in RCW 48.43.005.

~~((6))~~ (9) "Subsidy" or "premium subsidy" means payment or reimbursement to an eligible ~~((employee))~~ partnership participant toward the purchase of a health benefit plan, and may include a net billing arrangement with insurance carriers or a prospective or retrospective payment for health benefit plan premiums.

**Sec. 3.** RCW 70.47A.030 and 2006 c 255 s 3 are each amended to read as follows:

(1) To the extent funding is appropriated in the operating budget for this purpose, the ~~((small employer))~~ health insurance partnership ~~((program))~~ is established. The administrator shall be responsible for the implementation and operation of the ~~((small employer))~~ health insurance partnership ~~((program))~~, directly or by contract. The administrator shall offer premium subsidies to eligible ~~((employees))~~ partnership participants under RCW 70.47A.040.

(2) Consistent with policies adopted by the board under section 4 of this act, the administrator shall, directly or by contract:

(a) Establish and administer procedures for enrolling small employers in the partnership, including publicizing the existence of the partnership and disseminating information on enrollment, and establishing rules related to minimum participation of employees in small groups purchasing health insurance through the partnership.

Opportunities to publicize the program for outreach and education of small employers on the value of insurance shall explore the use of online employer guides. As a condition of participating in the partnership, a small employer must agree to establish a cafeteria plan under section 125 of the federal internal revenue code that will enable employees to use pretax dollars to pay their share of their health benefit plan premium. The partnership shall provide technical assistance to small employers for this purpose;

(b) Establish and administer procedures for health benefit plan enrollment by employees of small employers during open enrollment periods and outside of open enrollment periods upon the occurrence of any qualifying event specified in the federal health insurance portability and accountability act of 1996 or applicable state law. Neither the employer nor the partnership shall limit an employee's choice of coverage from among all the health benefit plans offered;

(c) Establish and manage a system for the partnership to be designated as the sponsor or administrator of a participating small employer health benefit plan and to undertake the obligations required of a plan administrator under federal law;

(d) Establish and manage a system of collecting and transmitting to the applicable carriers all premium payments or contributions made by or on behalf of partnership participants, including employer contributions, automatic payroll deductions for partnership participants, premium subsidy payments, and contributions from philanthropies;

(e) Establish and manage a system for determining eligibility for and making premium subsidy payments under this act;

(f) Establish a mechanism to apply a surcharge to all health benefit plans, which shall be used only to pay for administrative and operational expenses of the partnership. The surcharge must be applied uniformly to all health benefit plans offered through the partnership and must be included in the premium for each health benefit plan. Surcharges may not be used to pay any premium assistance payments under this chapter;

(g) Design a schedule of premium subsidies that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members based on a benchmark health benefit plan designated by the board. The amount of an eligible partnership participant's premium subsidy shall be determined by applying a sliding scale subsidy schedule with the percentage of premium similar to that developed for subsidized basic health plan enrollees under RCW 70.47.060. The subsidy shall be applied to the employee's premium obligation for his or her health benefit plan, so that employees benefit financially from any employer contribution to the cost of their coverage through the partnership. Employees shall not be eligible for premium assistance if they have immediately transitioned from employer-sponsored insurance, until they have fulfilled a six-month waiting period. During that time, the employee may participate in the program but not receive state-sponsored premium assistance.

(3) The administrator may enter into interdepartmental agreements with the office of the insurance commissioner, the department of social and health services, and any other state agencies necessary to implement this chapter.

**NEW SECTION. Sec. 4.** A new section is added to chapter 70.47A RCW to read as follows:

(1) The health insurance partnership board is hereby established. The governor shall appoint a seven-member health insurance partnership board by June 30, 2007. The board shall be composed of persons with expertise in the health insurance market and benefit design, and be chaired by the administrator.

(2) The governor shall appoint the initial members of the board to staggered terms not to exceed four years. Initial appointments shall be made on or before June 1, 2007. Members appointed thereafter shall serve two-year terms. Members of the board shall be compensated in accordance with RCW 43.03.250 and shall be reimbursed for their travel expenses while on official business in accordance with RCW 43.03.050 and 43.03.060. The board shall prescribe rules for the conduct of its business. Meetings of the board shall be at the call of the chair.

(3) The board may establish technical advisory committees or seek the advice of technical experts when necessary to execute the powers and duties included in this section.

(4) The board and employees of the board shall not be civilly or criminally liable and shall not have any penalty or cause of action of any nature arise against them for any action taken or not taken, including any discretionary decision or failure to make a discretionary decision, when the action or inaction is done in good faith and in the performance of the powers and duties under this chapter. Nothing in this section prohibits legal actions against the board to enforce the board's statutory or contractual duties or obligations.

**NEW SECTION. Sec. 5.** A new section is added to chapter 70.47A RCW to read as follows:

(1) The health insurance partnership board shall:

(a) Develop policies for enrollment of small employers in the partnership, including minimum participation rules for small employer groups. The small employer shall determine the criteria for eligibility and enrollment in his or her plan and the terms and amounts of the employer's contributions to that plan, consistent with any minimum employer premium contribution level established by the board under (d) of this subsection;

(b) Designate health benefit plans that are currently offered in the small group market that will qualify for premium subsidy payments. At least four health benefit plans shall be chosen, with multiple deductible and point-of-service cost-sharing options. The health benefit plans shall range from catastrophic to comprehensive coverage, and one health benefit plan shall be a high deductible health plan. Every effort shall be made to include health benefit plans that include components to maximize the quality of care provided and result in improved health outcomes, such as preventive care, wellness incentives, chronic care management services, and provider network development and payment policies related to quality of care;

(c) Approve a mid-range benefit plan from those selected to be used as a benchmark plan for calculating premium subsidies;

(d) Determine whether there should be a minimum employer premium contribution on behalf of employees, and if so, how much;

(e) Determine appropriate health benefit plan rating methodologies. The methodologies shall be based on the small group adjusted community rate as defined in Title 48 RCW. The board shall evaluate the impact of applying the small group community rating with the partnership principle of allowing each employee to choose their health benefit plan, and consider options to reduce uncertainty for carriers and provide for efficient risk management of high-cost enrollees through risk adjustment, reinsurance, or other mechanisms;

(f) Conduct analyses and provide recommendations as requested by the legislature and the governor, with the assistance of staff from the health care authority and the office of the insurance commissioner.

(2) The board may authorize one or more limited health care service plans for dental care services to be offered by limited health care service contractors under RCW 48.44.035. However, such plan shall not qualify for subsidy payments.

(3) In fulfilling the requirements of this section, the board shall consult with small employers, the office of the insurance commissioner, members in good standing of the American academy of actuaries, health carriers, agents and brokers, and employees of small business.

**Sec. 6.** RCW 70.47A.040 and 2006 c 255 s 4 are each amended to read as follows:

~~((+))~~ Beginning ~~((July 1, 2007))~~ September 1, 2008, the administrator shall accept applications from eligible ~~((employees))~~ partnership participants, on behalf of themselves, their spouses, and their dependent children, to receive premium subsidies through the ~~((small employer))~~ health insurance partnership ~~((program))~~.

~~((2))~~ Premium subsidy payments may be provided to eligible employees if:

~~((a))~~ The eligible employee is employed by a small employer;

~~((b))~~ The actuarial value of the health benefit plan offered by the small employer is at least equivalent to that of the basic health plan

benefit offered under chapter 70.47 RCW. The office of the insurance commissioner under Title 48 RCW shall certify those small employer health benefit plans that are at least actuarially equivalent to the basic health plan benefit; and

~~((c))~~ The small employer will pay at least forty percent of the monthly premium cost for health benefit plan coverage of the eligible employee.

~~((3))~~ The amount of an eligible employee's premium subsidy shall be determined by applying the sliding scale subsidy schedule developed for subsidized basic health plan enrollees under RCW 70.47.060 to the employee's premium obligation for his or her employer's health benefit plan.

~~((4))~~ After an eligible individual has enrolled in the program, the program shall issue subsidies in an amount determined pursuant to subsection (3) of this section to either the eligible employee or to the carrier designated by the eligible employee.

~~((5))~~ An eligible employee must agree to provide verification of continued enrollment in his or her small employer's health benefit plan on a semiannual basis or to notify the administrator whenever his or her enrollment status changes, whichever is earlier. Verification or notification may be made directly by the employee, or through his or her employer or the carrier providing the small employer health benefit plan. When necessary, the administrator has the authority to perform retrospective audits on premium subsidy accounts. The administrator may suspend or terminate an employee's participation in the program and seek repayment of any subsidy amounts paid due to the omission or misrepresentation of an applicant or enrolled employee. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources.)

**Sec. 7.** RCW 48.21.045 and 2004 c 244 s 1 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. An insurer offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.21.130, 48.21.140, 48.21.141, 48.21.142, 48.21.144, 48.21.146, 48.21.160 through 48.21.197, 48.21.200, 48.21.220, 48.21.225, 48.21.230, 48.21.235, 48.21.240, 48.21.244, 48.21.250, 48.21.300, 48.21.310, or 48.21.320.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the enrollment of the small employer;
- (ii) Changes to the family composition of the employee;
- (iii) Changes to the health benefit plan requested by the small employer; or
- (iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

- (i) One hundred percent of eligible employees working for groups with three or less employees; and
- (ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum

employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(7) As used in this section, "health benefit plan," "small employer," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

**Sec. 8.** RCW 48.44.023 and 2004 c 244 s 7 are each amended to read as follows:

(1)(a) A health care services contractor offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude a contractor from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. A contractor offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.44.225, 48.44.240, 48.44.245, 48.44.290, 48.44.300, 48.44.310, 48.44.320, 48.44.325, 48.44.330, 48.44.335, 48.44.340, 48.44.344, 48.44.360, 48.44.400, 48.44.440, 48.44.450, and 48.44.460.

(2) Nothing in this section shall prohibit a health care service contractor from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

- (i) Geographic area;
- (ii) Family size;
- (iii) Age; and
- (iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The contractor shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

- (i) Changes to the enrollment of the small employer;
- (ii) Changes to the family composition of the employee;

(iii) Changes to the health benefit plan requested by the small employer; or

(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a contractor in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A contractor shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A contractor may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) A contractor must offer coverage to all eligible employees of a small employer and their dependents. A contractor may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A contractor may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

**Sec. 9.** RCW 48.46.066 and 2004 c 244 s 9 are each amended to read as follows:

(1)(a) A health maintenance organization offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. (b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530.

(2) Nothing in this section shall prohibit a health maintenance organization from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. **NEW SECTION. Sec. 10.** On or before December 1, 2008, the health insurance partnership board shall submit a preliminary report to the governor and the legislature that includes an implementation plan to incorporate the individual and small group health insurance markets into the partnership program. (2) The impact of applying small group health benefit plan regulations on access to health services and the cost of coverage for these markets; and

(3) How the composition of the board should be modified to reflect the incorporation of the individual and small group markets in the partnership.

**NEW SECTION. Sec. 11.** On or before September 1, 2009, the health insurance partnership board shall submit a report and recommendations to the governor and the legislature regarding:

(1) The risks and benefits of additional markets participating in the partnership:

(b) The report shall examine at least the following issues:

(i) The impact of these markets participating in the partnership, with respect to the utilization of services and cost of health plans offered through the partnership;

(ii) Whether any distinction should be made in participation between active and retired employees enrolled in public employees' benefits board plans, giving consideration to the implicit subsidy that nonmedicare-eligible retirees currently benefit from by being pooled with active employees, and how medicare-eligible retirees would be affected;

(iii) The impact of applying small group health benefit plan regulations on access to health services and the cost of coverage for these markets; and

(iv) If the board recommends the inclusion of additional markets, how the composition of the board should be modified to reflect the participation of these markets; and

**Sec. 12.** RCW 70.47A.050 and 2006 c 255 s 5 are each amended to read as follows:

Enrollment in the (~~small employer~~) health insurance partnership (~~program~~) is not an entitlement and shall not result in expenditures that exceed the amount that has been appropriated for the program in the operating budget. If it appears that continued enrollment will result in expenditures exceeding the appropriated level for a particular fiscal year, the administrator may freeze new enrollment in the program and establish a waiting list of eligible employees who shall receive subsidies only when sufficient funds are available.

**Sec. 13.** RCW 70.47A.060 and 2006 c 255 s 6 are each amended to read as follows:

The administrator shall adopt all rules necessary for the implementation and operation of the (~~small employer~~) health insurance partnership (~~program~~). All rules shall be adopted in accordance with chapter 34.05 RCW.

**Sec. 14.** RCW 70.47A.080 and 2006 c 255 s 8 are each amended to read as follows:

The (~~small employer~~) health insurance partnership (~~program~~) account is hereby established in the custody of the state treasurer. Any nongeneral fund--state funds collected for the (~~small employer~~) health insurance partnership (~~program~~) shall be deposited in the (~~small employer~~) health insurance partnership (~~program~~) account. Moneys in the account shall be used exclusively for the purposes of administering the (~~small employer~~) health insurance partnership (~~program~~), including payments to (~~participating managed health care systems~~) insurance carriers on behalf of (~~small employer~~) health insurance partnership enrollees. Only the administrator of the health care authority or his or her designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 15.** (1) The office of the insurance commissioner shall contract for an independent study of health benefit mandates, rating requirements, and insurance statutes and rules to determine the impact on premiums and individuals' health if those statutes or rules were amended or repealed.

**NEW SECTION. Sec. 16.** 2006 c 255 s 10 (uncodified) is repealed.

**NEW SECTION. Sec. 17.** Sections 1 through 6 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect July 1, 2007.

**NEW SECTION. Sec. 18.** If specific funding for the purposes of the following sections of this act, referencing the section of this act by bill or chapter number and section number, is not provided by June 30, 2007, in the omnibus appropriations act, the section is null and void:

#### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1644 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** 2006 c 308 s 1 (uncodified) is amended to read as follows:

Part-time academic employees at community and technical colleges are currently eligible for full health care benefits beginning the second consecutive quarter of employment, at half-time or more of an academic workload, as defined in RCW 28B.50.489. They are also eligible for health benefits through the summer even if they receive no work at all that quarter, if they have worked half-time or more of an academic workload in each of the three (~~of the four~~) preceding quarters. However, workload fluctuations below these thresholds may result in the loss of employer contributions for health care benefits. It is the intent of the legislature to provide for continuous health care eligibility for part-time academic employees based on averaging workload gained during the two preceding academic years.

**Sec. 2.** RCW 41.05.053 and 2006 c 308 s 2 are each amended to read as follows:

(1) Part-time academic employees, as defined in RCW 28B.50.489, who have established eligibility as determined from the payroll records of the employing community or technical college districts, for employer contributions for benefits under this chapter and who have worked an average of half-time or more in each of the two preceding academic years, through employment at one or more community or technical college districts, are eligible for continuation of employer contributions for the subsequent summer quarter period including the break between summer and fall quarters.

(2) Once a part-time academic employee meets the criteria in subsection (1) of this section, the employee shall continue to receive uninterrupted employer contributions for benefits if the employee works at least (~~three of the four~~) two quarters of the academic year with an average workload of half-time or more for three quarters of the academic year. Benefits provided under this section cease (~~at the end of the academic year~~) if this criteria is not met. Continuous benefits shall be reinstated once the employee reestablishes eligibility under subsection (1) of this section (~~and will be maintained as long as the employee works at least three of the four quarters of the academic year with an average academic workload of half-time or more~~).

(3) As used in this section, "academic year" means summer, fall, winter, and spring quarters.

(4) This section does not modify rules in existence on June 7, 2006, adopted under this chapter regarding the initial establishment of eligibility for benefits.

(5) This section does not preclude individuals from being eligible for benefits under other laws or rules that may apply or for which they may be eligible.

(6) The employer must notify part-time academic employees of their potential right to benefits under this section.

(7) To be eligible for maintenance of benefits through averaging, part-time academic employees must notify their employers of their potential eligibility. The state board for community and technical colleges shall report back to the legislature by November 15, 2009, on the feasibility of eliminating the self-reporting requirement for employees."

On page 1, line 2 of the title, after "colleges;" strike the remainder of the title and insert "amending RCW 41.05.053; and amending 2006 c 308 s 1 (uncodified)."

and the same is herewith transmitted.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1859 with the following amendment:

Strike everything after the enacting clause and insert the following:

(5) Three sets shall be given to the library of the circuit court of appeals of the ninth circuit, upon its request.

(6) The following may request, and receive at no charge, as many sets as are needed for their official business: The senate and house of representatives; each county auditor, who shall receive and distribute sets for use by his or her county's officials; the office of the code reviser; the secretary of the senate; the chief clerk of the house of representatives; the supreme court; each court of appeals in the state; the superior courts; the state library; and the state law library.

(7) Surplus copies of the session laws shall be sold and delivered by the statute law committee, in which case the price of the bound volumes shall be sufficient to cover costs. All money received from the sale of the session law sets shall be paid into the ~~((state treasury for the general fund))~~ statute law committee publications account.

(8) The statute law committee may exchange session law sets for similar laws or legal materials of other states, territories, and governments, and make such other distribution of the sets as in its judgment seems proper.

**Sec. 2.** RCW 1.08.110 and 1977 ex.s. c 240 s 2 are each amended to read as follows:

The statute law committee, in addition to the other responsibilities enumerated in this chapter, shall ~~((cause to be))~~ publish~~((ed))~~ the Washington State Register as created in RCW 34.08.020. The statute law committee, in its discretion, may publish the Washington State Register exclusively by electronic means on the code reviser web site if it determines that public access to the Washington State Register is not substantially diminished. If the statute law committee publishes the Washington State Register exclusively by electronic means on the code reviser web site, the electronic copy posted on the code reviser web site shall be considered the official copy of the Washington State Register.

The code reviser shall provide a paper copy of any issue of the register or any register filing upon request. The code reviser may charge a reasonable fee for printing and mailing the paper copy.

**Sec. 3.** RCW 34.05.210 and 1988 c 288 s 201 are each amended to read as follows:

(1) The code reviser shall cause the Washington Administrative Code to be compiled, indexed by subject, and published. (2) Subject to the provisions of this chapter, the code reviser shall prescribe a uniform numbering system, form, and style for all proposed and adopted rules.

(3) The code reviser shall publish a register setting forth the text of all rules filed during the appropriate register publication period.

(4) The code reviser may omit from the register or the compilation, rules that would be unduly cumbersome, expensive, or otherwise inexpedient to publish, if such rules are made available in printed or processed form on application to the adopting agency, and if the register or compilation contains a notice stating the general subject matter of the rules so omitted and stating how copies thereof may be obtained.

(5) The code reviser may edit and revise rules for publication, codification, and compilation, without changing the meaning of any such rule.

(6) When a rule, in whole or in part, is declared invalid and unconstitutional by a court of final appeal, the adopting agency shall give notice to that effect in the register. With the consent of the attorney general, the code reviser may remove obsolete rules or parts of rules from the Washington Administrative Code when:

(a) The rules are declared unconstitutional by a court of final appeal; or

(b) The adopting agency ceases to exist and the rules are not transferred by statute to a successor agency.

(8) The board of law library trustees of each county shall keep and maintain a complete and current set of registers and compilations when required for use and inspection as provided in ((RCW 27.24.060)) chapter 27.24 RCW. If the register is published exclusively by electronic means on the code reviser web site, providing on-site access to the electronic version of the register shall satisfy the requirements of this subsection for access to the register.

(9) Registers shall be made available in written form to the same parties and under the same terms as those listed in subsection (7) of this section, unless the register is published exclusively by electronic means on the code reviser web site.

(10) Judicial notice shall be taken of rules filed and published as provided in RCW 34.05.380 and this section.

**Sec. 4.** RCW 34.05.312 and 2003 c 246 s 4 are each amended to read as follows:

Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible, proposed, or adopted rules and the identity of agency personnel working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and ~~((in the first issue of each calendar year))~~ maintained thereafter on the code reviser web site for the duration of the designation. (1) Each agency shall file in the office of the code reviser a certified copy of all rules it adopts, except for rules contained in tariffs filed with or published by the Washington utilities and

transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and shall keep a permanent ~~((register))~~ written record of filed rules open to public inspection. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

(2) Emergency rules adopted under RCW 34.05.350 become effective upon filing unless a later date is specified in the order of adoption. All other rules become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the order of adoption.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (2) of this section, if the agency establishes that effective date in the adopting order and finds that:

(a) Such action is required by the state or federal Constitution, a statute, or court order;

(b) The rule only delays the effective date of another rule that is not yet effective; or

(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be made a part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

**Sec. 6.** RCW 42.56.580 and 2005 c 483 s 3 are each amended to read as follows:

(1) Each state and local agency shall appoint and publicly identify a public records officer whose responsibility is to serve as a point of contact for members of the public in requesting disclosure of public records and to oversee the agency's compliance with the public records disclosure requirements of this chapter. A state or local agency's public records officer may appoint an employee or official of another agency as its public records officer.

(2) For state agencies, the name and contact information of the agency's public records officer to whom members of the public may direct requests for disclosure of public records and who will oversee the agency's compliance with the public records disclosure requirements of this chapter shall be published in the state register at the time of designation and ~~((annually every year))~~ maintained thereafter on the code reviser web site for the duration of the designation.

(3) For local agencies, the name and contact information of the agency's public records officer to whom members of the public may direct requests for disclosure of public records and who will oversee the agency's compliance within the public records disclosure requirements of this chapter shall be made in a way reasonably calculated to provide notice to the public, including posting at the local agency's place of business, posting on its internet site, or including in its publications."

On page 1, line 1 of the title, after "committee;" strike the remainder of the title and insert "and amending RCW 40.04.031, 1.08.110, 34.05.210, 34.05.312, 34.05.380, and 42.56.580."

~~(d))~~ The average consumer prices for goods and services, commonly known as the cost of living;

~~((#))~~ (d) Changes in any of the circumstances under (a) through ~~((#))~~ (c) of this subsection during the pendency of the proceedings; and

For those employees listed in RCW 41.56.030(7)(a) who are employed by the governing body of a city or town with a population of less than fifteen thousand, or a county with a population of less than seventy thousand, consideration must also be given to regional differences in the cost of living.

(2) For employees listed in RCW 41.56.030(7) (a) through (d), the panel shall also consider a comparison of the wages, hours, and conditions of employment of personnel involved in the proceedings with the wages, hours, and conditions of employment of like personnel of like employers of similar size on the west coast of the United States.

(3) For employees listed in RCW 41.56.030(7) (e) through (h), the panel shall also consider a comparison of the wages, hours, and conditions of employment of personnel involved in the proceedings with the wages, hours, and conditions of employment of like personnel of public fire departments of similar size on the west coast of the United States. However, when an adequate number of comparable employers exists within the state of Washington, other west coast employers may not be considered.

(4) For employees listed in RCW 41.56.028:

(a) The panel shall also consider:

(i) A comparison of child care provider subsidy rates and reimbursement programs by public entities, including counties and municipalities, along the west coast of the United States; and

(ii) The financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement; and

(b) The panel may consider:

(i) The public's interest in reducing turnover and increasing retention of child care providers;

(ii) The state's interest in promoting, through education and training, a stable child care workforce to provide quality and reliable child care from all providers throughout the state; and

(iii) In addition, for employees exempt from licensing under chapter 74.15 RCW, the state's fiscal interest in reducing reliance upon public benefit programs including but not limited to medical coupons, food stamps, subsidized housing, and emergency medical services.

(5) For employees listed in RCW 74.39A.270:

(ii) The financial ability of the state to pay for the compensation and fringe benefit provisions of a collective bargaining agreement; and

(iii) The state's interest in ensuring access to affordable, quality health care for all state citizens; and

(iv) The state's fiscal interest in reducing reliance upon public benefit programs including but not limited to medical coupons, food stamps, subsidized housing, and emergency medical services.

(6) Subsections ~~((#))~~ (2) and (3) of this section may not be construed to authorize the panel to require the employer to pay, directly or indirectly, the increased employee contributions resulting from chapter 502, Laws of 1993 or chapter 517, Laws of 1993 as required under chapter 41.26 RCW.

**Sec. 2.** RCW 41.56.028 and 2006 c 54 s 1 are each amended to read as follows:

(1) In addition to the entities listed in RCW 41.56.020, this chapter applies to the governor with respect to family child care providers. Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer of family child care providers who, solely for the purposes of collective bargaining, are public employees. The public employer shall be represented for bargaining purposes by the governor or the governor's designee appointed under chapter 41.80 RCW.

(2) This chapter governs the collective bargaining relationship between the governor and family child care providers, except as follows:

(a) A statewide unit of all family child care providers is the only unit appropriate for purposes of collective bargaining under RCW 41.56.060.

(b) The exclusive bargaining representative of family child care providers in the unit specified in (a) of this subsection shall be the representative chosen in an election conducted pursuant to RCW 41.56.070, except that in the initial election conducted under chapter 54, Laws of 2006, if more than one labor organization is on the ballot and none of the choices receives a majority of the votes cast, a run-off election shall be held.

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for child care providers under this section shall be limited solely to: (i) Economic compensation, such as manner and rate of subsidy and reimbursement, including tiered reimbursements; (ii) health and welfare benefits; (iii) professional development and training; (iv) labor-management committees; (v) grievance procedures; and (vi) other economic matters. Retirement benefits shall not be subject to collective bargaining. By such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter.

(d) The mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) With respect to commencement of negotiations between the governor and the exclusive bargaining representative of family child care providers, negotiations shall be commenced initially upon certification of an exclusive bargaining representative under (a) of this subsection and, thereafter, by February 1st of any even-numbered year; and

(ii) ~~(In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement; and~~

~~(iii))~~ The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, is not binding on the state.

(e) Family child care providers do not have the right to strike.

(3) Family child care providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any purpose. This section applies only to the governance of the collective bargaining relationship between the employer and family child care providers as provided in subsections (1) and (2) of this section.

(4) This section does not create or modify:

(a) The parents' or legal guardians' right to choose and terminate the services of any family child care provider that provides care for their child or children;

(b) The secretary of the department of social and health services' right to adopt requirements under RCW 74.15.030, except for requirements related to grievance procedures and collective negotiations on personnel matters as specified in subsection (2)(c) of this section;

(c) Chapter 26.44 RCW, RCW 43.43.832, 43.20A.205, and 74.15.130; and

(d) The legislature's right to make programmatic modifications to the delivery of state services through child care subsidy programs, including standards of eligibility of parents, legal guardians, and family child care providers participating in child care subsidy programs, and the nature of services provided. The governor shall

not enter into, extend, or renew any agreement under this section that does not expressly reserve the legislative rights described in this subsection (4)(d).

(5) Upon meeting the requirements of subsection (6) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement such agreement.

(6) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section shall not be submitted by the governor to the legislature unless such request has been:

(a) Submitted to the director of financial management by October 1st before the legislative session at which the request is to be considered, except that, for initial negotiations under this section, the request must be submitted by November 15, 2006; and

(b) Certified by the director of financial management as being feasible financially for the state or reflects the binding decision of an arbitration panel reached under this section.

(7) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any such agreement will be reopened solely for the purpose of renegotiating the funds necessary to implement the agreement.

(8) The governor shall periodically consult with the joint committee on employment relations established by RCW 41.80.010 regarding appropriations necessary to implement the compensation and benefit provisions of any collective bargaining agreement and, upon completion of negotiations, advise the committee on the elements of the agreement and on any legislation necessary to implement such agreement.

(9) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in any such agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement, except as provided in subsection (4)(d) of this section.

(10) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of family child care providers and their exclusive bargaining representative to the extent such activities are authorized by this chapter.

**Sec. 3.** RCW 74.39A.270 and 2006 c 106 s 1 are each amended to read as follows:

(1) Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer, as defined in chapter 41.56 RCW, of individual providers, who, solely for the purposes of collective bargaining, are public employees as defined in chapter 41.56 RCW. To accommodate the role of the state as payor for the community-based services provided under this chapter and to ensure coordination with state employee collective bargaining under chapter 41.80 RCW and the coordination necessary to implement RCW 74.39A.300, the public employer shall be represented for bargaining purposes by the governor or the governor's designee appointed under chapter 41.80 RCW. The governor or governor's designee shall periodically consult with the authority during the collective bargaining process to allow the authority to communicate issues relating to the long-term in-home care services received by consumers. The governor or the governor's designee shall consult the authority on all issues for which the exclusive bargaining representative requests to engage in collective bargaining under subsection (6) of this section. The authority shall work with the developmental disabilities council, the governor's committee on disability issues and employment, the state

council on aging, and other consumer advocacy organizations to obtain informed input from consumers on their interests, including impacts on consumer choice, for all issues proposed for collective bargaining under subsection (6) of this section.

(2) Chapter 41.56 RCW governs the collective bargaining relationship between the governor and individual providers, except as otherwise expressly provided in this chapter and except as follows:

(a) The only unit appropriate for the purpose of collective bargaining under RCW 41.56.060 is a statewide unit of all individual providers;

(b) The showing of interest required to request an election under RCW 41.56.060 is ten percent of the unit, and any intervener seeking to appear on the ballot must make the same showing of interest;

(c) The mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) With respect to commencement of negotiations between the governor and the bargaining representative of individual providers, negotiations shall be commenced by May 1st of any year prior to the year in which an existing collective bargaining agreement expires; and

(ii) ~~((With respect to factors to be taken into consideration by an interest arbitration panel, the panel shall consider the financial ability of the state to pay for the compensation and fringe benefit provisions of a collective bargaining agreement; and~~

~~—(iii)))~~ The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and fringe benefit provisions of the arbitrated collective bargaining agreement, is not binding on the authority or the state;

(d) Individual providers do not have the right to strike; and

(e) Individual providers who are related to, or family members of, consumers or prospective consumers are not, for that reason, exempt from this chapter or chapter 41.56 RCW.

(3) Individual providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state, its political subdivisions, or an area agency on aging for any purpose. Chapter 41.56 RCW applies only to the governance of the collective bargaining relationship between the employer and individual providers as provided in subsections (1) and (2) of this section.

(4) Consumers and prospective consumers retain the right to select, hire, supervise the work of, and terminate any individual provider providing services to them. Consumers may elect to receive long-term in-home care services from individual providers who are not referred to them by the authority.

(5) In implementing and administering this chapter, neither the authority nor any of its contractors may reduce or increase the hours of service for any consumer below or above the amount determined to be necessary under any assessment prepared by the department or an area agency on aging.

(6) Except as expressly limited in this section and RCW 74.39A.300, the wages, hours, and working conditions of individual providers are determined solely through collective bargaining as provided in this chapter. No agency or department of the state may establish policies or rules governing the wages or hours of individual providers. However, this subsection does not modify:

(a) The department's authority to establish a plan of care for each consumer or its core responsibility to manage long-term in-home care services under this chapter, including determination of the level of care that each consumer is eligible to receive. However, at the request of the exclusive bargaining representative, the governor or the governor's designee appointed under chapter 41.80 RCW shall engage in collective bargaining, as defined in RCW 41.56.030(4), with the exclusive bargaining representative over how the department's core responsibility affects hours of work for individual providers. This subsection shall not be interpreted to require collective bargaining over an individual consumer's plan of care;

(b) The department's authority to terminate its contracts with individual providers who are not adequately meeting the needs of a particular consumer, or to deny a contract under RCW 74.39A.095(8);

(c) The consumer's right to assign hours to one or more individual providers selected by the consumer within the maximum hours determined by his or her plan of care;

(d) The consumer's right to select, hire, terminate, supervise the work of, and determine the conditions of employment for each individual provider providing services to the consumer under this chapter;

(e) The department's obligation to comply with the federal medicaid statute and regulations and the terms of any community-based waiver granted by the federal department of health and human services and to ensure federal financial participation in the provision of the services; and

(f) The legislature's right to make programmatic modifications to the delivery of state services under this title, including standards of eligibility of consumers and individual providers participating in the programs under this title, and the nature of services provided. The governor shall not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection (6)(f).

(7)(a) The state, the department, the authority, the area agencies on aging, or their contractors under this chapter may not be held vicariously or jointly liable for the action or inaction of any individual provider or prospective individual provider, whether or not that individual provider or prospective individual provider was included on the authority's referral registry or referred to a consumer or prospective consumer. The existence of a collective bargaining agreement, the placement of an individual provider on the referral registry, or the development or approval of a plan of care for a consumer who chooses to use the services of an individual provider and the provision of case management services to that consumer, by the department or an area agency on aging, does not constitute a special relationship with the consumer.

(b) The members of the board are immune from any liability resulting from implementation of this chapter.

(8) Nothing in this section affects the state's responsibility with respect to unemployment insurance for individual providers. However, individual providers are not to be considered, as a result of the state assuming this responsibility, employees of the state."

#### MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2261 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.94.473 and 2005 c 197 s 1 are each amended to read as follows:

(1) Any person in a residence or commercial establishment which has an adequate source of heat without burning wood shall:

(a) Not burn wood in any solid fuel burning device whenever the department has determined under RCW 70.94.715 that any air pollution episode exists in that area;

(b) Not burn wood in any solid fuel burning device except those which are either Oregon department of environmental quality phase II or United States environmental protection agency certified or certified by the department under RCW 70.94.457(1) or a pellet stove either certified or issued an exemption by the United States environmental protection agency in accordance with Title 40, Part 60 of the code of federal regulations, in the geographical area and for the period of time that a first stage of impaired air quality has been determined, by the department or any authority, for that area. A first stage of impaired air quality is reached when:

(i) Fine particulates are at an ambient level of thirty-five micrograms per cubic meter measured on a twenty-four hour average; and

(ii) Forecasted meteorological conditions are not expected to allow levels of fine particulates to decline below thirty-five micrograms per cubic meter for a period of forty-eight hours or more from the time that the fine particulates are measured at the trigger level; and

(c) Not burn wood in any solid fuel burning device in a geographical area and for the period of time that a second stage of impaired air quality has been determined by the department or any authority, for that area. A second stage of impaired air quality is reached when:

(i) A first stage of impaired air quality has been in force and not been sufficient to reduce the increasing fine (~~(particle [particulate])~~) particulate pollution trend;

(ii) Fine particulates are at an ambient level of sixty micrograms per cubic meter measured on a twenty-four hour average; and

(iii) Forecasted meteorological conditions are not expected to allow levels of fine particulates to decline below sixty micrograms

per cubic meter for a period of forty-eight hours or more from the time that the fine particulates are measured at the trigger level.

(2) Until June 30, 2009, an authority comprised of one county east of the crest of the Cascade mountains with a population of equal to or greater than four hundred thousand people, may determine by rule an alternative ambient air level of fine particulates that defines when a first stage and when a second stage of impaired air quality exists under subsection (1) of this section. All other criteria of subsection (1) of this section continue to apply to a county subject to this subsection.

(3) Actions of the department and local air pollution control authorities under this section shall preempt actions of other state agencies and local governments for the purposes of controlling air pollution from solid fuel burning devices, except where authorized by chapter 199, Laws of 1991.

**NEW SECTION. Sec. 2.** A new section is added to chapter 70.94 RCW to read as follows:

The legislature finds that there are some communities in the state in which the national ambient air quality standards for PM 2.5 are exceeded, primarily due to wood smoke emissions, and that current strategies are not sufficient to reduce wood smoke emissions to levels that comply with the federal standards or adequately protect public health. The legislature finds that it is in the state's interest and to the benefit of the people of the state to evaluate additional measures to reduce wood smoke emissions and update the state wood smoke control program.

**NEW SECTION. Sec. 3.** A new section is added to chapter 70.94 RCW to read as follows:

(1) The department shall convene and chair a work group to study the impacts of wood smoke from solid fuel burning devices on communities in Washington and make recommendations to the legislature on practical and cost-effective opportunities to reduce exposure to wood smoke from solid fuel burning devices and meet the new national air quality standards for fine particulates in Washington state. The work group shall be established by the director and include representatives from the department, the state department of health, regional air quality agencies, local health departments, related industry representatives, and nongovernmental health organizations. Recommendations may include statutory or regulatory changes, incentives, and other strategies that will reduce ambient PM 2.5 pollution. Recommendations should be presented to the governor and to the legislature by December 1, 2007.

(2) In carrying out its assignment the work group shall include, but not be limited to, the following considerations:

(a) Communities in the state that have elevated levels of PM 2.5 pollution;

(b) The contribution of pollution from solid fuel burning devices to potential violations of federal air quality standards;

(c) Strategies used in other states, regions, or cities to reduce wood smoke pollution levels and effectiveness of these strategies;

(d) State laws, rules, fees, utility regulations, and other policies that may affect the ability to reduce emissions from solid fuel burning devices or encourage the use of cleaner burning devices; and

(e) Potential financial incentives and sources of funding to change out older solid fuel burning devices to cleaner burning devices."

On page 1, line 2 of the title, after "program," strike the remainder of the title and insert "amending RCW 70.94.473; and adding new sections to chapter 70.94 RCW."

and the same is herewith transmitted.

(A) Retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation and the individual shall receive the equivalent service credit.

(B) If a leave of absence, without pay, is taken by a member for the purpose of serving as a member of the state legislature, and such member has served in the legislature five or more years, the salary which would have been received for the position from which the leave of absence was taken shall be considered as compensation earnable if the employee's contribution thereon is paid by the employee. ### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2281 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 41.04.665 and 2003 1st sp.s. c 12 s 3 are each amended to read as follows:

(1) An agency head may permit an employee to receive leave under this section if:

(a)(i) The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature; ((☞))

(ii) The employee has been called to service in the uniformed services; or

(iii) A state of emergency has been declared anywhere within the United States by the federal or any state government and the employee has needed skills to assist in responding to the emergency or its aftermath and volunteers his or her services to either a governmental agency or to a nonprofit organization engaged in humanitarian relief in the devastated area, and the governmental agency or nonprofit organization accepts the employee's offer of volunteer services;

(b) The illness, injury, impairment, condition, ((☞)) call to service, or emergency volunteer service has caused, or is likely to cause, the employee to:

(i) Go on leave without pay status; or

(ii) Terminate state employment;

(c) The employee's absence and the use of shared leave are justified;

(d) The employee has depleted or will shortly deplete his or her:

(i) Annual leave and sick leave reserves if he or she qualifies under (a)(i) of this subsection; ((☞))

(ii) Annual leave and paid military leave allowed under RCW 38.40.060 if he or she qualifies under (a)(ii) of this subsection; or

(iii) Annual leave if he or she qualifies under (a)(iii) of this subsection;

(e) The employee has abided by agency rules regarding:

(i) Sick leave use if he or she qualifies under (a)(i) of this subsection; or

(ii) Military leave if he or she qualifies under (a)(ii) of this subsection; and

(f) The employee has diligently pursued and been found to be ineligible for benefits under chapter 51.32 RCW if he or she qualifies under (a)(i) of this subsection.

(2) The agency head shall determine the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total of more than two hundred sixty-one days of leave.

(3) An employee may transfer annual leave, sick leave, and his or her personal holiday, as follows:

(a) An employee who has an accrued annual leave balance of more than ten days may request that the head of the agency for which the employee works transfer a specified amount of annual leave to another employee authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her annual leave account going below ten days. For purposes of this subsection (3)(a), annual leave does not accrue if the employee receives compensation in lieu of accumulating a balance of annual leave.

(b) An employee may transfer a specified amount of sick leave to an employee requesting shared leave only when the donating employee retains a minimum of one hundred seventy-six hours of sick leave after the transfer.

(c) An employee may transfer, under the provisions of this section relating to the transfer of leave, all or part of his or her personal holiday, as that term is defined under RCW 1.16.050, or as such holidays are provided to employees by agreement with a school district's board of directors if the leave transferred under this subsection does not exceed the amount of time provided for personal holidays under RCW 1.16.050.

(4) An employee of an institution of higher education under RCW 28B.10.016, school district, or educational service district who does not accrue annual leave but does accrue sick leave and who has an accrued sick leave balance of more than twenty-two days may request that the head of the agency for which the employee works transfer a specified amount of sick leave to another employee authorized to receive leave under subsection (1) of this section. In no event may such an employee request a transfer that would result in his or her sick leave account going below twenty-two days. Transfers of sick leave under this subsection are limited to transfers from employees who do not accrue annual leave. Under this subsection, "sick leave" also includes leave accrued pursuant to RCW 28A.400.300(2) or 28A.310.240(1) with compensation for illness, injury, and emergencies.

(5) Transfers of leave made by an agency head under subsections (3) and (4) of this section shall not exceed the requested amount.

(6) Leave transferred under this section may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads of both agencies, to an employee of another state agency. However, leave transferred to or from employees of school districts or educational service districts is limited to transfers to or from employees within the same employing district.

(7) While an employee is on leave transferred under this section, he or she shall continue to be classified as a state employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued annual leave or sick leave.

(a) All salary and wage payments made to employees while on leave transferred under this section shall be made by the agency employing the person receiving the leave. The value of leave transferred shall be based upon the leave value of the person receiving the leave.

(b) In the case of leave transferred by an employee of one agency to an employee of another agency, the agencies involved shall arrange for the transfer of funds and credit for the appropriate value of leave.

(i) Pursuant to rules adopted by the office of financial management, funds shall not be transferred under this section if the transfer would violate any constitutional or statutory restrictions on the funds being transferred.

(ii) The office of financial management may adjust the appropriation authority of an agency receiving funds under this section only if and to the extent that the agency's existing appropriation authority would prevent it from expending the funds received.

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

(8) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

(9) The value of any leave transferred under this section which remains unused shall be returned at its original value to the employee or employees who transferred the leave when the agency head finds that the leave is no longer needed or will not be needed at a future time in connection with the illness or injury for which the leave was transferred or for any other qualifying condition. Before the agency head makes a determination to return unused leave in connection with an illness or injury, or any other qualifying condition, he or she must receive from the affected employee a statement from the employee's doctor verifying that the illness or injury is resolved. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

(10) An employee who uses leave that is transferred to him or her under this section may not be required to repay the value of the leave that he or she used."

**MESSAGE FROM THE SENATE**

April 12, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1141 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.50.050 and 2004 c 42 s 1 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or

when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12) The court shall not grant any motion to seal records made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless it finds that:

(a) For class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in conviction. For class C offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For gross misdemeanors and misdemeanors, since the last date of release from confinement,

including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For diversions, since completion of the diversion agreement, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction or diversion;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(c) No proceeding is pending seeking the formation of a diversion agreement with that person;

(d) The person has not been convicted of a class A or sex offense; and

(e) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a) ~~(A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.)~~ (i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after the effective date of this act;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and

(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.

(b) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to the effective date of this act, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(c) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(b) or (c) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(b) or (c) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older ~~(, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement))~~ or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1141 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

April 13, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1303 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that excessive dependence on fossil fuels jeopardizes Washington's economic security, environmental integrity, and public health. Accelerated development and use of clean fuels and clean vehicle technologies will reduce the drain on Washington's economy from importing fossil fuels. As fossil fuel prices rise, clean fuels and vehicles can save consumers money while promoting the development of a major, sustainable industry that provides good jobs and a new source of rural prosperity. In addition, clean fuels and vehicles protect public health by reducing toxic air and climate change emissions.

(2) The legislature also finds that climate change is expected to have significant impacts in the Pacific Northwest region in the near and long-term future. These impacts include: Increased temperatures, declining snowpack, more frequent heavy rainfall and flooding, receding glaciers, rising sea levels, increased risks to public health due to insect and rodent-borne diseases, declining salmon populations, and increased drought and risk of forest fires. The legislature recognizes the need at this time to continue to gather and analyze information related to climate protection. This analysis will allow prudent steps to be taken to avoid, mitigate, or respond to climate impacts and protect our communities.

(3) Finally, the legislature finds that to reduce fossil fuel dependence, build our clean energy economy, and reduce climate impacts, the state should develop policies and incentives that help businesses, consumers, and farmers gain greater access to affordable clean fuels and vehicles and to produce clean fuels in the state. These policies and incentives should include: Incentives for replacement of the most polluting diesel engines, especially in school buses; transitional incentives for development of the most promising in-state clean fuels and fuel feedstocks, including biodiesel crops, ethanol from plant waste, and liquid natural gas from landfill or wastewater treatment gases; reduced fossil fuel consumption by state fleets; development of promising new technologies for displacing petroleum with electricity, such as "plug-in hybrids"; and impact analysis and emission accounting procedures that prepare Washington to respond and prosper as climate change impacts occur, and as policies and markets to reduce climate pollution are developed.

#### PART 1 INVESTING IN CLEAN AIR

NEW SECTION. Sec. 101. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction shall implement a school bus replacement incentive program. As part of

the program, the office shall fund up to ten percent of the cost of a new 2007 or later model year school bus that meets the 2007 federal motor vehicle emission control standards and is purchased by a school district by no later than June 30, 2009, provided that the new bus is replacing a 1994 or older school bus in the school district's fleet. Replacement of the oldest buses must be given highest priority.

(2) The office of the superintendent of public instruction shall ensure that buses being replaced through this program are surplus under RCW 28A.335.180. As part of the surplus process, school districts must provide written documentation to the office of the superintendent of public instruction demonstrating that buses being replaced are scrapped and not purchased for road use. The documentation must include bus make, model, year, vehicle identification number, engine make, engine serial number, and salvage yard receipts; and must demonstrate that the engine and body of the bus being replaced has been rendered unusable.

(3) The office of the superintendent of public instruction may adopt any rules necessary for the implementation of this act.

**Sec. 102.** RCW 70.94.017 and 2005 c 295 s 5 are each amended to read as follows:

(1) Money deposited in the segregated subaccount of the air pollution control account under RCW 46.68.020(2) shall be distributed as follows:

(a) Eighty-five percent shall be distributed to air pollution control authorities created under this chapter. The money must be distributed in direct proportion with the amount of fees imposed under RCW 46.12.080, 46.12.170, and 46.12.181 that are collected within the boundaries of each authority. However, an amount in direct proportion with those fees collected in counties for which no air pollution control authority exists must be distributed to the department.

(b) The remaining fifteen percent shall be distributed to the department.

(2) Money distributed to air pollution control authorities and the department under subsection (1) of this section must be used as follows:

(a) Eighty-five percent of the money received by an air pollution control authority or the department is available on a priority basis to retrofit school buses with exhaust emission control devices or to provide funding for fueling infrastructure necessary to allow school bus fleets to use alternative, cleaner fuels. In addition, the director of ecology or the air pollution control officer may direct funding under this section for other publicly or privately owned diesel equipment if the director of ecology or the air pollution control officer finds that funding for other publicly or privately owned diesel equipment will provide public health benefits and further the purposes of this chapter.

(b) The remaining fifteen percent may be used by the air pollution control authority or department to reduce transportation-related air contaminant emissions and clean up air pollution, or reduce and monitor toxic air contaminants.

(3) Money in the air pollution control account may be spent by the department only after appropriation.

(4) This section expires July 1, 2020.

**Sec. 103.** RCW 53.08.040 and 1989 c 298 s 1 are each amended to read as follows:

(1) A district may improve its lands by dredging, filling, bulkheading, providing waterways or otherwise developing such lands for industrial and commercial purposes. A district may also acquire, construct, install, improve, and operate sewer and water utilities to serve its own property and other property owners under terms, conditions, and rates to be fixed and approved by the port commission. A district may also acquire, by purchase, construction, lease, or in any other manner, and may maintain and operate other facilities for the control or elimination of air, water, or other pollution, including, but not limited to, facilities for the treatment and/or disposal of industrial wastes, and may make such facilities available to others under terms, conditions and rates to be fixed and approved by the port commission. Such conditions and rates shall be sufficient to reimburse the port for all costs, including reasonable amortization of capital outlays caused by or incidental to providing

such other pollution control facilities(~~(= PROVIDED, That)~~), However, no part of such costs of providing any pollution control facility to others shall be paid out of any tax revenues of the port(~~(= AND PROVIDED FURTHER, That)~~) and no port shall enter into an agreement or contract to provide sewer and/or water utilities or pollution control facilities if substantially similar utilities or facilities are available from another source (or sources) which is able and willing to provide such utilities or facilities on a reasonable and nondiscriminatory basis unless such other source (or sources) consents thereto.

(2) In the event that a port elects to make such other pollution control facilities available to others, it shall do so by lease, lease purchase agreement, or other agreement binding such user to pay for the use of said facilities for the full term of the revenue bonds issued by the port for the acquisition of said facilities, and said payments shall at least fully reimburse the port for all principal and interest paid by it on said bonds and for all operating or other costs, if any, incurred by the port in connection with said facilities(~~(= PROVIDED=)~~), However, (~~That~~) where there is more than one user of any such facilities, each user shall be responsible for its pro rata share of such costs and payment of principal and interest. Any port intending to provide pollution control facilities to others shall first survey the port district to ascertain the potential users of such facilities and the extent of their needs. The port shall conduct a public hearing upon the proposal and shall give each potential user an opportunity to participate in the use of such facilities upon equal terms and conditions.

(3) "Pollution control facility," as used in this section and RCW 53.08.041, does not include air quality improvement equipment that provides emission reductions for engines, vehicles, and vessels.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1303 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1333 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.138 and 2005 c 512 s 3 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(3) or 13.34.134. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency's and parent's efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing, including the in-court requirement, shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department must complete the following:

(i) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(ii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

~~((+))~~ (d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(2)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with an agency case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the agency case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(3) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

(4) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).

**Sec. 2.** RCW 13.34.025 and 2002 c 52 s 2 are each amended to read as follows:

(1) The department of social and health services shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department must:

~~((+))~~ (a) Coordinate and integrate services to children and families, using service plans and activities that address the children's and families' multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;

~~((2))~~ (b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make; and

~~((3))~~ (c) Access training for department staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers, to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(a) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.

(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent's ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.

(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.

(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter.

NEW SECTION. Sec. 3. A new section is added to chapter 26.44 RCW to read as follows:

(1) Each county shall revise and expand its existing child sexual abuse investigation protocol to address investigations of child fatality, child physical abuse, and criminal child neglect cases and to incorporate the statewide guidelines for first responders to child fatalities developed by the criminal justice training commission. The protocols shall address the coordination of child fatality, child physical abuse, and criminal child neglect investigations between the county and city prosecutor's offices, law enforcement, children's protective services, local advocacy groups, emergency medical services, and any other local agency involved in the investigation of such cases. The protocol revision and expansion shall be developed by the prosecuting attorney in collaboration with the agencies referenced in this section.

(2) Revised and expanded protocols under this section shall be adopted and in place by July 1, 2008. Thereafter, the protocols shall be reviewed every two years to determine whether modifications are needed.

NEW SECTION. Sec. 4. A new section is added to chapter 43.101 RCW to read as follows:

(1) The commission, in consultation with the department of social and health services, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys, shall develop a curriculum related to child abuse and neglect to be included in the basic law enforcement training that must be successfully completed within the first fifteen months of employment of all law enforcement personnel.

(2) The curriculum must be incorporated into the basic law enforcement training program by July 1, 2008.

**NEW SECTION. Sec. 5.** (1) The joint legislative audit and review committee shall analyze gaps throughout the state in the availability and accessibility of services identified in the federal adoption and safe families act as it existed on the effective date of this section.

(2) The joint legislative audit and review committee shall submit to appropriate committees of the legislature a report and recommendations by December 1, 2007.

**NEW SECTION. Sec. 6.** A new section is added to chapter 13.34 RCW to read as follows:

(1) The administrative office of the courts, in consultation with the attorney general's office and the department of social and health services, shall compile an annual report, providing information about cases that fail to meet statutory guidelines to achieve permanency for dependent children.

(2) The administrative office of the courts shall submit the annual report required by this section to appropriate committees of the legislature by December 1st of each year, beginning on December 1, 2007.

**Sec. 7.** RCW 74.13.330 and 1990 c 284 s 23 are each amended to read as follows:

Foster parents are responsible for the protection, care, supervision, and nurturing of the child in placement. As an integral part of the foster care team, foster parents shall, if appropriate and they desire to: Participate in the development of the service plan for the child and the child's family; assist in family visitation, including monitoring; ~~(and)~~ model effective parenting behavior for the natural family; and be available to help with the child's transition back to the natural family.

**Sec. 8.** RCW 71.24.035 and 2006 c 333 s 201 are each amended to read as follows:

(1) The department is designated as the state mental health authority.

(2) The secretary shall provide for public, client, and licensed service provider participation in developing the state mental health program, developing contracts with regional support networks, and any waiver request to the federal government under medicaid.

(3) The secretary shall provide for participation in developing the state mental health program for children and other underserved populations, by including representatives on any committee established to provide oversight to the state mental health program.

(b) Assure that any regional or county community mental health program provides access to treatment for the region's residents, including parents who are defendants in dependency cases, in the following order of priority: (i) The acutely mentally ill; (ii) chronically mentally ill adults and severely emotionally disturbed children; and (iii) the seriously disturbed. Such programs shall provide:

(A) Outpatient services;

(B) Emergency care services for twenty-four hours per day;

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1368 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 35.61.150 and 2002 c 88 s 6 are each amended to read as follows:

Metropolitan park commissioners selected by election according to RCW 35.61.050(2) shall perform their duties and may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate of up to ~~((seventy))~~ ninety dollars for each day or portion of a day ~~((devoted to the business))~~ spent in actual attendance at official meetings or in performance of other official services or duties on behalf of the district. However, the compensation for each commissioner must not exceed ~~((six))~~ eight thousand ~~((seven))~~ six hundred ~~((twenty))~~ forty dollars per year.

Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning July 1, 2008, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar

threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions.

**Sec. 2.** RCW 52.14.010 and 1998 c 121 s 2 are each amended to read as follows:

The affairs of the district shall be managed by a board of fire commissioners composed of three registered voters residing in the district except as provided in RCW 52.14.015 and 52.14.020. Each member shall each receive ~~((seventy))~~ ninety dollars per day or portion thereof, not to exceed ~~((six))~~ eight thousand ~~((seven))~~ six hundred ~~((twenty))~~ forty dollars per year, for time spent in actual attendance at official meetings of the board ~~((meetings and for))~~ or in performance of other services ~~((m))~~ or duties on behalf of the district.

In addition, they shall receive necessary expenses incurred in attending meetings of the board or when otherwise engaged in district business, and shall be entitled to receive the same insurance available to all firefighters of the district: PROVIDED, That the premiums for such insurance, except liability insurance, shall be paid by the individual commissioners who elect to receive it.

Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the secretary as provided in this section. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

The board shall fix the compensation to be paid the secretary and all other agents and employees of the district. The board may, by resolution adopted by unanimous vote, authorize any of its members to serve as volunteer firefighters without compensation. A commissioner actually serving as a volunteer firefighter may enjoy the rights and benefits of a volunteer firefighter.

The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning July 1, 2008, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions.

**Sec. 2.** RCW 13.34.130 and 2003 c 227 s 3 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose those services, including housing assistance, that least interfere with family autonomy and are adequate to protect the child.

(b) Order the child to be removed from his or her home and into the custody, control, and care of a relative or the department or a licensed child placing agency for ((placement)) supervision of the child's placement. The department or agency supervising the child's placement has the authority to place the child, subject to review and approval by the court (i) with a relative as defined in RCW 74.15.020(2)(a), (ii) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW, or ((in a home not required to be licensed pursuant to chapter 74.15 RCW)) (iii) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child. Absent good cause, the department or

supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260. The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a) when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is: ~~((+))~~ (A) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; and ~~((+))~~ (B) willing and available to care for the child.

(2) ~~((Placement of the child with a relative under this subsection shall be given preference by the court.))~~ An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(3) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a step-brother or step-sister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the step-sibling.

(4) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(5) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "amending RCW 13.34.130; and reenacting and amending RCW 74.15.020."

#### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2220 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.20 RCW to read as follows:

(1) The sea grant program at the University of Washington shall, consistent with this section, commission a series of scientific research studies that examines the possible effects, including the cumulative effects, of the current prevalent geoduck aquaculture techniques and practices on the natural environment in and around Puget Sound, including the Strait of Juan de Fuca. The sea grant program shall use funding provided from the geoduck aquaculture research account created in section 2 of this act to review existing literature, directly perform research identified as needed, or to enter into and manage contracts with scientific organizations or institutions to accomplish these results.

(2) Prior to entering into a contract with a scientific organization or institution, the sea grant program must:

(a) Analyze, through peer review, the credibility of the proposed party to the contract, including whether the party has credible experience and knowledge and has access to the facilities necessary to fully execute the research required by the contract; and

(b) Require that all proposed parties to a contract fully disclose any past, present, or planned future personal or professional connections with the shellfish industry or public interest groups.

(3) All research commissioned under this section must be subjected to a rigorous peer review process prior to being accepted and reported by the sea grant program.

(4) In prioritizing and directing research under this section, the sea grant program shall meet with the department of ecology at least annually and rely on guidance submitted by the department of ecology. The department of ecology shall convene the shellfish aquaculture regulatory committee created in section 4 of this act as necessary to serve as an oversight committee to formulate the guidance provided to the sea grant program. The objective of the oversight committee, and the resulting guidance provided to the sea grant program, is to ensure that the research required under this section satisfies the planning, permitting, and data management needs of the state, to assist in the prioritization of research given limited funding, and to help identify any research that is beneficial to complete other than what is listed in subsection (5) of this section.

(5) To satisfy the minimum requirements of subsection (1) of this section, the sea grant program shall review all scientific research that is existing or in progress that examines the possible effect of currently prevalent geoduck practices, on the natural environment, and prioritize and conduct new studies as needed, to measure and assess the following:

(a) The environmental effects of structures commonly used in the aquaculture industry to protect juvenile geoducks from predation;

(b) The environmental effects of commercial harvesting of geoducks from intertidal geoduck beds, focusing on current prevalent harvesting techniques, including a review of the recovery rates for benthic communities after harvest;

(c) The extent to which geoducks in standard aquaculture tracts alter the ecological characteristics of overlying waters while the tracts are submerged, including impacts on species diversity, and the abundance of other benthic organisms;

(d) Baseline information regarding naturally existing parasites and diseases in wild and cultured geoducks, including whether and to what extent commercial intertidal geoduck aquaculture practices impact the baseline;

(e) Genetic interactions between cultured and wild geoduck, including measurements of differences between cultured geoducks and wild geoducks in terms of genetics and reproductive status; and

(f) The impact of the use of sterile triploid geoducks and whether triploid animals diminish the genetic interactions between wild and cultured geoducks.

(6) If adequate funding is not made available for the completion of all research required under this section, the sea grant program shall consult with the shellfish aquaculture regulatory committee, via the department of ecology, to prioritize which of the enumerated research projects have the greatest cost/benefit ratio in terms of providing information important for regulatory decisions. The prioritization process may include the addition of any new studies that may be appropriate in addition to, or in place of, studies listed in this section.

(7) When appropriate, all research commissioned under this section must address localized and cumulative effects of geoduck aquaculture.

(8) The sea grant program and the University of Washington are prohibited from retaining greater than fifteen percent of any funding provided to implement this section for administrative overhead or other deductions not directly associated with conducting the research required by this section.

(9) Individual commissioned contracts under this section may address single or multiple components listed for study under this section.

(10) All research commissioned under this section must be completed and the results reported to the appropriate committees of the legislature by December 1, 2013. In addition, the sea grant program shall provide the appropriate committees of the legislature with annual reports updating the status and progress of the ongoing studies that are completed in advance of the 2013 deadline.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28B.20 RCW to read as follows:

The geoduck aquaculture research account is created in the custody of the state treasurer. All receipts from any legislative appropriations, the industry, or any other private or public source directed to the account must be deposited in the account. Expenditures from the account may only be used by the sea grant program for the geoduck research projects identified by section 1 of

this act. Only the president of the University of Washington or the president's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**Sec. 3.** RCW 79.135.100 and 1984 c 221 s 10 are each amended to read as follows:

(1) If state-owned aquatic lands are used for aquaculture production or harvesting, rents and fees shall be established through competitive bidding or negotiation.

(2) The department is prohibited from offering leases that would permit the intertidal commercial aquaculture of geoducks on more than a total of twenty-three acres of state-owned aquatic lands until:

(a) The department of ecology and the shellfish aquaculture regulatory committee have submitted a final report containing recommendations as required under section 4 of this act; and (b) the legislature has had at least one full legislative session to consider and act upon the recommendations. If the legislature does not take action limiting the department's authority to lease state-owned aquatic lands for geoduck aquaculture under (b) of this subsection, then the department may resume leasing property consistent with any applicable federal, state, and local guidelines or regulations.

(3) All rents and fees collected from leases of state-owned aquatic lands for purposes of geoduck aquaculture must be deposited into the geoduck aquaculture research account created under section 2 of this act.

(4) Any intertidal leases entered into by the department for geoduck aquaculture must be conditioned in such a way that: (a) The department can engage in monitoring of the environmental impacts of the lease's execution, without unreasonably diminishing the economic viability of the lease, and that the lease tracts are eligible to be made part of the studies conducted under section 1 of this act; and (b) any aquaculture equipment and materials used in the cultivation, protection, or harvest of geoducks be marked with the registration number of the aquatic farmer as required under RCW 77.115.040. The department must notify all abutting landowners of the intent of the department to lease the tidal and subtidal lands for the purposes of geoduck aquaculture. An intertidal lease entered into by the department for the purpose of geoduck aquaculture may not contain an automatic right of renewal.

**NEW SECTION. Sec. 4.** (1) The shellfish aquaculture regulatory committee is established to, consistent with this section, serve as an advisory body to the department of ecology on regulatory processes and approvals for all current and new shellfish aquaculture activities, and the activities conducted pursuant to RCW 90.58.060, as the activities relate to shellfish. The shellfish aquaculture regulatory committee is advisory in nature, and no vote or action of the committee may overrule existing statutes, regulations, or local ordinances.

(2) The shellfish aquaculture regulatory committee shall develop recommendations as to:

(a) A regulatory system or permit process for all current and new shellfish aquaculture projects and activities that integrates all applicable existing local, state, and federal regulations and is efficient both for the regulators and the regulated; and

(b) Appropriate guidelines for geoduck aquaculture operations to be included in shoreline master programs under section 5 of this act.

(3)(a) The members of the shellfish aquaculture regulatory committee shall be appointed by the director of the department of ecology as follows:

(i) Two representatives of county government, one from a county located on the Puget Sound, and one from a county located on the Pacific Ocean;

(ii) Two individuals who are professionally engaged in the commercial aquaculture of shellfish, one who owns or operates an aquatic farm in Puget Sound, and one who owns or operates an aquatic farm in state waters other than the Puget Sound;

(iii) Two representatives of organizations representing the environmental community;

(iv) Two individuals who own shoreline property, one of which does not have a commercial geoduck operation on his or her property

and one of which who does have a commercial geoduck operation on his or her property; and

(v) One representative each from the following state agencies: The department of ecology, the department of fish and wildlife, the department of agriculture, and the department of natural resources.

(b) In addition to the other participants listed in this subsection, the governor shall invite the full participation of two tribal governments, at least one of which is located within the drainage of the Puget Sound.

(4) The department of ecology shall provide administrative and clerical assistance to the shellfish aquaculture regulatory committee and all agencies listed in subsection (3) of this section shall provide technical assistance.

(5) Nonagency members of the shellfish aquaculture regulatory committee will not be compensated, but are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(6) Any participation by a Native American tribe on the shellfish aquaculture regulatory committee shall not, under any circumstances, be viewed as an admission by the tribe that any of its activities, or those of its members, are subject to any of the statutes, regulations, ordinances, standards, or permit systems reviewed, considered, or proposed by the committee.

(7) The shellfish aquaculture regulatory committee is authorized to form technical advisory panels as needed and appoint to them members not on the shellfish aquaculture regulatory committee.

(8) The department of ecology shall report the recommendations and findings of the shellfish aquaculture regulatory committee to the appropriate committees of the legislature by December 1, 2007, with a further report, if necessary, by December 1, 2008.

**NEW SECTION. Sec. 5.** (1) The department of ecology shall develop, by rule, guidelines for the appropriate siting and operation of geoduck aquaculture operations to be included in any master program under this section. The guidelines adopted under this section must be prepared with the advice of the shellfish aquaculture regulatory committee created in section 4 of this act, which shall serve as the advisory committee for the development of the guidelines. The guidelines must include abutting landowner notification of proposed tidal and subtidal aquaculture activities.

(2) The guidelines required under this section must be filed for public review and comment no later than six months after the delivery of the final report by the shellfish aquaculture regulatory committee created in section 4 of this act.

(3) The department of ecology shall update the guidelines required under this section, as necessary, after the completion of the geoduck research by the sea grant program at the University of Washington required under section 1 of this act.

**Sec. 6.** RCW 77.115.040 and 1993 sp.s. c 2 s 58 are each amended to read as follows:

(1) All aquatic farmers as defined in RCW 15.85.020 shall register with the department. The director shall develop and maintain a registration list of all aquaculture farms and assign each farm a registration number. The department shall periodically update the list to ensure accuracy. The department shall coordinate with the department of health using shellfish growing area certification data when updating the registration list.

(2) Registered aquaculture farms shall provide the department ((production statistical data)) with the following information: (a) The name of the aquatic farmer; (b) the address of the aquatic farmer; (c) contact information such as telephone, fax, web site, and email address, if available; (d) the number of acres under cultivation; (e) the name of the landowner of the property being cultivated or otherwise used in the aquatic farming operation; (f) the private sector cultured aquatic product being propagated, farmed, or cultivated; and (g) production statistical data. As a condition of registration, all aquatic farmers shall provide the department with proof of abutting landowner notification of geoduck farming activities.

(3) The department shall require a registered aquatic farmer who commercially farms and manages the cultivation of geoduck to mark any aquaculture equipment and materials used in the cultivation, protection, or harvest of geoducks with the registration number.

(4) The department must publish the contact information of a staff person responsible for managing the registration list who is available to answer questions from the public regarding aquatic farms that cultivate geoducks.

(5) The state veterinarian shall be provided with registration and statistical data by the department.

**NEW SECTION. Sec. 7.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2007, in the omnibus appropriations act, this act is null and void."

### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 2220 and asked the Senate to recede therefrom.

### MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 1001 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that:

(a) Automobiles are an essential part of our everyday lives. The west coast is the only region of the United States with an increase of over three percent in motor vehicle thefts over the last several years. The family car is a priority of most individuals and families. The family car is typically the second largest investment a person has next to the home, so when a car is stolen, it causes a significant loss and inconvenience to people, imposes financial hardship, and negatively impacts their work, school, and personal activities. Appropriate and meaningful penalties that are proportionate to the crime committed must be imposed on those who steal motor vehicles;

(b) In Washington, more than one car is stolen every eleven minutes, one hundred thirty-eight cars are stolen every day, someone's car has a one in one hundred seventy-nine chance of being stolen, and more vehicles were stolen in 2005 than in any other previous year. Since 1994, auto theft has increased over fifty-five percent, while other property crimes like burglary are on the decline or holding steady. The national crime insurance bureau reports that Seattle and Tacoma ranked in the top ten places for the most auto thefts, ninth and tenth respectively, in 2004. In 2005, over fifty thousand auto thefts were reported costing Washington citizens more than three hundred twenty-five million dollars in higher insurance rates and lost vehicles. Nearly eighty percent of these crimes occurred in the central Puget Sound region consisting of the heavily populated areas of King, Pierce, and Snohomish counties;

(c) Law enforcement has determined that auto theft, along with all the grief it causes the immediate victims, is linked more and more to offenders engaged in other crimes. Many stolen vehicles are used by criminals involved in such crimes as robbery, burglary, and assault. In addition, many people who are stopped in stolen vehicles are found to possess the personal identification of other persons, or to possess methamphetamine, precursors to methamphetamine, or equipment used to cook methamphetamine;

(d) Juveniles account for over half of the reported auto thefts with many of these thefts being their first criminal offense. It is critical that they, along with first time adult offenders, are appropriately punished for their crimes. However, it is also important that first time offenders who qualify receive appropriate counseling treatment for associated problems that may have contributed to the commission of the crime, such as drugs, alcohol, and anger management; and

(e) A coordinated and concentrated enforcement mechanism is critical to an effective statewide offensive against motor vehicle theft. Such a system provides for better communications between and among law enforcement agencies, more efficient implementation of efforts to discover, track, and arrest auto thieves, quicker recovery, and the return of stolen vehicles, saving millions of dollars in potential loss to victims and their insurers.

(2) It is the intent of this act to deter motor vehicle theft through a statewide cooperative effort by combating motor vehicle theft through tough laws, supporting law enforcement activities, improving enforcement and administration, effective prosecution, public awareness, and meaningful treatment for first time offenders where appropriate. It is also the intent of the legislature to ensure that adequate funding is provided to implement this act in order for real, observable reductions in the number of auto thefts in Washington state.

**NEW SECTION. Sec. 2.** A new section is added to chapter 9A.56 RCW to read as follows:

(1) A person is guilty of theft of a motor vehicle if he or she commits theft of a motor vehicle.

(2) Theft of a motor vehicle is a class B felony.

(a) Property or services which exceed(s) one thousand five hundred dollars in value other than a firearm as defined in RCW 9.41.010;

(b) Property of any value, other than a firearm as defined in RCW 9.41.010 or a motor vehicle, taken from the person of another; or

(c) A search and rescue dog, as defined in RCW 9.91.175, while the search and rescue dog is on duty.

(2) Theft in the first degree is a class B felony.

**Sec. 4.** RCW 9A.56.040 and 1995 c 129 s 12 are each amended to read as follows:

(1) A person is guilty of theft in the second degree if he or she commits theft of:

(a) Property or services which exceed(s) two hundred ~~((and))~~ fifty dollars in value ~~((other than a firearm as defined in RCW 9.41.010;))~~ but does not exceed one thousand five hundred dollars in value, other than a firearm as defined in RCW 9.41.010 or a motor vehicle; or

(b) A public record, writing, or instrument kept, filed, or deposited according to law with or in the keeping of any public office or public servant; or

(c) An access device(~~or~~

~~(d) A motor vehicle, of a value less than one thousand five hundred dollars).~~

(2) Theft in the second degree is a class C felony.

**NEW SECTION. Sec. 5.** A new section is added to chapter 9A.56 RCW to read as follows:

(1) A person is guilty of possession of a stolen vehicle if he or she possess a stolen motor vehicle.

(2) Possession of a stolen motor vehicle is a class B felony.

**Sec. 6.** RCW 9A.56.150 and 1995 c 129 s 14 are each amended to read as follows:

(1) A person is guilty of possessing stolen property in the first degree if he or she possesses stolen property<sub>2</sub> other than a firearm as

defined in RCW 9.41.010 or a motor vehicle, which exceeds one thousand five hundred dollars in value.

(2) Possessing stolen property in the first degree is a class B felony.

**Sec. 7.** RCW 9A.56.160 and 1995 c 129 s 15 are each amended to read as follows:

(a) He or she possesses stolen property<sub>2</sub> other than a firearm as defined in RCW 9.41.010 or a motor vehicle, which exceeds two hundred fifty dollars in value but does not exceed one thousand five hundred dollars in value; or

(b) He or she possesses a stolen public record, writing or instrument kept, filed, or deposited according to law; or

(c) He or she possesses a stolen access device(~~or~~

~~(d) He or she possesses a stolen motor vehicle of a value less than one thousand five hundred dollars).~~

(2) Possessing stolen property in the second degree is a class C felony.

**Sec. 8.** RCW 9.94A.525 and 2006 c 128 s 6 and 2006 c 73 s 7 are each reenacted and amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.589.

(2)(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), prior convictions of felony driving while under the influence of intoxicating liquor or any drug, felony physical control of a vehicle while under the influence of intoxicating liquor or any drug, and serious traffic offenses shall be included in the offender score if: (i) The prior convictions were committed within five years since the last date of release from confinement (including full-time residential treatment) or entry of judgment and sentence; or (ii) the prior convictions would be considered "prior offenses within ten years" as defined in RCW 46.61.5055.

(f) This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall

be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and 1/2 point for each juvenile prior conviction.

(12) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction and two points for each juvenile manufacture of methamphetamine offense. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(16) If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(17) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130(10), count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction, excluding prior convictions for failure to register as a sex offender under RCW 9A.44.130(10), which shall count as one point.

(18) If the present conviction is for an offense committed while the offender was under community placement, add one point.

(19) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section; however count one point for prior convictions of Vehicle Prowling 2, and three points for each adult and juvenile prior Theft 1 (of a motor vehicle), Theft 2 (of a motor vehicle), Possession of Stolen Property 1 (of a motor vehicle), Possession of Stolen Property 2 (of a motor vehicle), Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2 conviction.

(20) The fact that a prior conviction was not included in an offender's offender score or criminal history at a previous sentencing shall have no bearing on whether it is included in the criminal history or offender score for the current offense. Accordingly, prior convictions that were not counted in the offender score or included in criminal history under repealed or previous versions of the sentencing reform act shall be included in criminal history and shall count in the offender score if the current version of the sentencing reform act requires including or counting those convictions.

**Sec. 9.** RCW 9.94A.734 and 2003 c 53 s 62 are each amended to read as follows:

		PRIOR ADJUDICATIONS				

NOTE: References in the grid to days or weeks mean periods of confinement.

- (1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.
- (2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.
- (3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.
- (4) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.
- (5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

**OR  
OPTION B  
SUSPENDED DISPOSITION ALTERNATIVE**

- (1) If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee.
- (2) If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.
- (3) An offender is ineligible for the suspended disposition option under this section if the offender is:
  - (a) Adjudicated of an A + offense;
  - (b) Fourteen years of age or older and is adjudicated of one or more of the following offenses:
    - (i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;
    - (ii) Manslaughter in the first degree (RCW 9A.32.060); or
    - (iii) Assault in the second degree (RCW 9A.36.021), extortion in the first degree (RCW 9A.56.120), kidnapping in the second degree (RCW 9A.40.030), robbery in the second degree (RCW 9A.56.210), residential burglary (RCW 9A.52.025), burglary in the second degree (RCW 9A.52.030), drive-by shooting (RCW 9A.36.045), vehicular homicide (RCW 46.61.520), hit and run death (RCW 46.52.020(4)(a)), intimidating a witness (RCW 9A.72.110), violation of the uniform controlled substances act (RCW 69.50.401 (2)(a) and (b)), or manslaughter 2 (RCW 9A.32.070), when the offense includes infliction of bodily harm upon another or when during the commission or immediate withdrawal from the offense the respondent was armed with a deadly weapon;
  - (c) Ordered to serve a disposition for a firearm violation under RCW 13.40.193; or
  - (d) Adjudicated of a sex offense as defined in RCW 9.94A.030.

**OR  
OPTION C  
CHEMICAL DEPENDENCY DISPOSITION ALTERNATIVE**

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

**OR  
OPTION D  
MANIFEST INJUSTICE**

If the court determines that a disposition under option A, B, or C would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2).

**NEW SECTION. Sec. 12.** A new section is added to chapter 13.40 RCW to read as follows:

If a juvenile is adjudicated of theft of a motor vehicle under section 2 of this act, possession of a stolen vehicle under section 5 of this act, taking a motor vehicle without permission in the first degree as defined in RCW 9A.56.070(1), or taking a motor vehicle without permission in the second degree as defined in RCW 9A.56.075(1) and is sentenced to local sanctions, the juvenile's disposition shall include an evaluation to determine whether the juvenile is in need of community-based rehabilitation services and to complete any treatment recommended by the evaluation.

**Sec. 13.** RCW 13.40.210 and 2002 c 175 s 27 are each amended to read as follows:

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence of theft of a motor vehicle 1, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. The decision to place an offender on parole shall be based on an assessment by the department of the offender's risk for reoffending upon release. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii)

pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

**Sec. 14.** RCW 13.40.160 and 2004 c 120 s 4 and 2004 c 38 s 11 are each reenacted and amended to read as follows:

(1) The standard range disposition for a juvenile adjudicated of an offense is determined according to RCW 13.40.0357.

(a) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 option A, the court shall impose a determinate disposition within the standard ranges, except as provided in subsection (2), (3), (4), (5), or (6) of this section. The disposition may be comprised of one or more local sanctions.

(b) When the court sentences an offender to a standard range as provided in RCW 13.40.0357 option A that includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement, except as provided in subsection (2), (3), (4), (5), or (6) of this section.

(2) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option D of RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

(3) When a juvenile offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (iv) Anticipated length of treatment; and
- (v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

- (b)(i) Devote time to a specific education, employment, or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall

not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(v) Report as directed to the court and a probation counselor;

(vi) Pay all court-ordered legal financial obligations, perform community restitution, or any combination thereof;

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense;

(viii) Comply with the conditions of any court-ordered probation bond; or

(ix) The court shall order that the offender shall not attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings. The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district. The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (3), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by certified sex offender treatment providers or certified affiliate sex offender treatment providers under chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified sex offender treatment providers or certified affiliate sex offender treatment providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (3) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days' confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days' confinement for the violation of the conditions of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

A disposition entered under this subsection (3) is not appealable under RCW 13.40.230.

(4) If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose the disposition alternative under RCW 13.40.165.

(5) If a juvenile is subject to a commitment of 15 to 65 weeks of confinement, the court may impose the disposition alternative under RCW 13.40.167.

(6) When the offender is subject to a standard range commitment of 15 to 36 weeks and is ineligible for a suspended disposition alternative, a manifest injustice disposition below the standard range, special sex offender disposition alternative, chemical dependency disposition alternative, or mental health disposition alternative, the court in a county with a pilot program under RCW 13.40.169 may impose the disposition alternative under RCW 13.40.169.

(7) RCW 13.40.193 shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of RCW 9A.41.040(2)(a)(iii) or any crime in which a special finding is entered that the juvenile was armed with a firearm.

(8) Section 15 of this act shall govern the disposition of any juvenile adjudicated of theft of a motor vehicle as defined under section 2 of this act, possession of a stolen motor vehicle as defined under section 5 of this act, taking a motor vehicle without permission in the first degree under RCW 9A.56.070, and taking a motor vehicle without permission in the second degree under RCW 9A.56.075.

(9) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

~~((9))~~ (10) Except as provided under subsection (3), (4), (5), or (6) of this section, or option B of RCW 13.40.0357, or RCW 13.40.127, the court shall not suspend or defer the imposition or the execution of the disposition.

~~((10))~~ (11) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

**NEW SECTION. Sec. 15.** A new section is added to chapter 13.40 RCW to read as follows:

(1) If a respondent is adjudicated of taking a motor vehicle without permission in the first degree as defined in RCW 9A.56.070, the court shall impose the following minimum sentence, in addition to any restitution the court may order payable to the victim:

(a) Juveniles with a prior criminal history score of zero to one-half points shall be sentenced to a standard range sentence that includes no less than five days of home detention, forty-five hours of community restitution, and a two hundred dollar fine;

(2) If a respondent is adjudicated of theft of a motor vehicle as defined under section 2 of this act, or possession of a stolen vehicle as defined under section 5 of this act, the court shall impose the following minimum sentence, in addition to any restitution the court may order payable to the victim:

(a) Juveniles with a prior criminal history score of zero to one-half points shall be sentenced to a standard range sentence that includes either: (i) No less than five days of home detention and forty-five hours of community restitution; or (ii) no home detention and ninety hours of community restitution;

(b) Juveniles with a prior criminal history score of three-quarters to one and one-half points shall be sentenced to standard range sentence that includes no less than ten days of detention, ninety hours of community restitution, and a four hundred dollar fine; and

(3) If a respondent is adjudicated of taking a motor vehicle without permission in the second degree as defined in RCW 9A.56.075, the court shall impose a standard range as follows:

(a) Juveniles with a prior criminal history score of zero to one-half points shall be sentenced to a standard range sentence that includes either: (i) No less than one day of home detention, one month of supervision, and fifteen hours of community restitution; or (ii) no home detention, one month of supervision, and thirty hours of community restitution;

(b) Juveniles with a prior criminal history score of three-quarters to one and one-half points shall be sentenced to a standard range sentence that includes no less than one day of detention, two days of home detention, two months of supervision, thirty hours of community restitution, and a one hundred fifty dollar fine; and

(c) Juveniles with a prior criminal history score of two or more points shall be sentenced to no less than three days of detention, seven days of home detention, three months of supervision, forty-five hours of community restitution, and a one hundred fifty dollar fine.

(1) A person is guilty of taking a motor vehicle without permission in the first degree if he or she, without the permission of the owner or person entitled to possession, intentionally takes or drives away an automobile or motor vehicle, whether propelled by steam, electricity, or internal combustion engine, that is the property of another, and he or she:

(a) Alters the motor vehicle for the purpose of changing its appearance or primary identification, including obscuring, removing, or changing the manufacturer's serial number or the vehicle identification number plates;

**Sec. 17.** RCW 9A.56.096 and 2003 c 53 s 77 are each amended to read as follows:

(2) The finder of fact may presume intent to deprive if the finder of fact finds either of the following:

(a) That the person who rented or leased the property failed to return or make arrangements acceptable to the owner of the property or the owner's agent to return the property to the owner or the owner's agent within seventy-two hours after receipt of proper notice following the due date of the rental, lease, ~~((or))~~ lease-purchase, or loan agreement; or

(5) The authority shall annually report its activities, findings, and recommendations during the preceding year to the legislature by December 31st.

**NEW SECTION. Sec. 26.** Any member serving in their official capacity on the Washington auto theft prevention authority, or either their employer or employers, or other entity that selected the members to serve, are immune from a civil action based upon an act performed in good faith.

**NEW SECTION. Sec. 27.** (1) The Washington auto theft prevention authority account is created in the state treasury, subject to appropriation. All revenues from the traffic infraction surcharge in RCW 46.63.110(7)(b) and all receipts from gifts, grants, bequests, devises, or other funds from public and private sources to support the activities of the auto theft prevention authority must be deposited into the account. Expenditures from the account may be used only for activities relating to motor vehicle theft, including education, prevention, law enforcement, investigation, prosecution, and confinement.

(2) The authority shall allocate moneys appropriated from the account to public agencies for the purpose of establishing, maintaining, and

supporting programs that are designed to prevent motor vehicle theft, including:

(a) Financial support to prosecution agencies to increase the effectiveness of motor vehicle theft prosecution;

(b) Financial support to a unit of local government or a team consisting of units of local governments to increase the effectiveness of motor vehicle theft enforcement;

(c) Financial support for the procurement of equipment and technologies for use by law enforcement agencies for the purpose of enforcing motor vehicle theft laws; and

(d) Financial support for programs that are designed to educate and assist the public in the prevention of motor vehicle theft.

(3) The costs of administration shall not exceed ten percent of the moneys in the account in any one year so that the greatest possible portion of the moneys available to the authority is expended on combating motor vehicle theft.

(4) Prior to awarding any moneys from the Washington auto theft prevention authority account for motor vehicle theft enforcement, the auto theft prevention authority must verify that the financial award includes sufficient funding to cover proposed activities, which include, but are not limited to: (a) State, municipal, and county offender and juvenile confinement costs; (b) administration costs; (c) law enforcement costs; (d) prosecutor costs; and (e) court costs, with a priority being given to ensuring that sufficient funding is available to cover state, municipal, and county offender and juvenile confinement costs.

(5) Moneys expended from the Washington auto theft prevention authority account under subsection (2) of this section shall be used to supplement, not supplant, other moneys that are available for motor vehicle theft prevention.

(6) Grants provided under subsection (2) of this section constitute reimbursement for purposes of RCW 43.135.060(1).

**Sec. 28.** RCW 46.63.110 and 2005 c 413 s 2, 2005 c 320 s 2, and 2005 c 288 s 8 are each reenacted and amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five hundred dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this chapter.

(6) Whenever a monetary penalty, fee, cost, assessment, or other monetary obligation is imposed by a court under this chapter it is immediately payable. If the court determines, in its discretion, that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the later of July 1, 2005, or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, or unless the person is in noncompliance of any existing or prior payment plan, in which case the court may, at its discretion, implement a payment plan. If the court has notified the department that the person has failed to pay or comply and the person has subsequently entered into a payment

plan and made an initial payment, the court shall notify the department that the infraction has been adjudicated, and the department shall rescind any suspension of the person's driver's license or driver's privilege based on failure to respond to that infraction. "Payment plan," as used in this section, means a plan that requires reasonable payments based on the financial ability of the person to pay. The person may voluntarily pay an amount at any time in addition to the payments required under the payment plan.

(a) If a payment required to be made under the payment plan is delinquent or the person fails to complete a community restitution program on or before the time established under the payment plan, unless the court determines good cause therefor and adjusts the payment plan or the community restitution plan accordingly, the court shall notify the department of the person's failure to meet the conditions of the plan, and the department shall suspend the person's driver's license or driving privilege until all monetary obligations, including those imposed under subsections (3) and (4) of this section, have been paid, and court authorized community restitution has been completed, or until the department has been notified that the court has entered into a new time payment or community restitution agreement with the person.

(b) If a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court shall notify the department of the delinquency. The department shall suspend the person's driver's license or driving privilege until all monetary obligations have been paid, including those imposed under subsections (3) and (4) of this section, or until the person has entered into a payment plan under this section.

(c) If the payment plan is to be administered by the court, the court may assess the person a reasonable administrative fee to be wholly retained by the city or county with jurisdiction. The administrative fee shall not exceed ten dollars per infraction or twenty-five dollars per payment plan, whichever is less.

(d) Nothing in this section precludes a court from contracting with outside entities to administer its payment plan system. When outside entities are used for the administration of a payment plan, the court may assess the person a reasonable fee for such administrative services, which fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders is available in the jurisdiction, the court may allow conversion of all or part of the monetary obligations due under this section to court authorized community restitution in lieu of time payments if the person is unable to make reasonable time payments.

(7) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction shall be assessed:

(a) A fee of five dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040; and

(b) A fee of ten dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the Washington auto theft prevention authority account.

(8)(a) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction other than of RCW 46.61.527 shall be assessed an additional penalty of twenty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a court authorized community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection (8) by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of this subsection shall be remitted to the state treasurer. The remaining revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited as provided in RCW 43.08.250. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

(9) If a legal proceeding, such as garnishment, has commenced to collect any delinquent amount owed by the person for any penalty imposed by the court under this section, the court may, at its discretion, enter into a payment plan.

(10) The monetary penalty for violating RCW 46.37.395 is: (a) Two hundred fifty dollars for the first violation; (b) five hundred dollars for the second violation; and (c) seven hundred fifty dollars for each violation thereafter.

**NEW SECTION. Sec. 29.** This act shall be known as the Elizabeth Nowak-Washington auto theft prevention act.

**NEW SECTION. Sec. 30.** Sections 20 through 27 of this act constitute a new chapter in Title 46 RCW."

On page 1, line 1 of the title, after "theft;" strike the remainder of the title and insert "amending RCW 9A.56.030, 9A.56.040, 9A.56.150, 9A.56.160, 9.94A.734, 13.40.0357, 13.40.210, 9A.56.070, and 9A.56.096; reenacting and amending RCW 9.94A.525, 9.94A.515, 13.40.160, and 46.63.110; adding new sections to chapter 9A.56 RCW; adding new sections to chapter 13.40 RCW; adding a new section to chapter 36.28A RCW; adding a new chapter to Title 46 RCW; creating new sections; and prescribing penalties."

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter or submit a report under this chapter; (b) consultants designated by the department; and (c) designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department ~~((determines))~~ has reason to believe that the vulnerable adult has suffered from abuse, neglect, self-neglect, abandonment, or financial exploitation, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW ~~((as an interested person))~~.

(6) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

(7) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless

immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

(8) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants.

**Sec. 3.** RCW 74.34.110 and 1999 c 176 s 12 are each amended to read as follows:

An action known as a petition for an order for protection of a vulnerable adult in cases of abandonment, abuse, financial exploitation, or neglect is created.

(1) A vulnerable adult, or interested person on behalf of the vulnerable adult, may seek relief from abandonment, abuse, financial exploitation, or neglect, or the threat thereof, by filing a petition for an order for protection in superior court.

(2) A petition shall allege that the petitioner, or person on whose behalf the petition is brought, is a vulnerable adult and that the petitioner, or person on whose behalf the petition is brought, has been abandoned, abused, financially exploited, or neglected, or is threatened with abandonment, abuse, financial exploitation, or neglect by respondent.

(3) A petition shall be accompanied by affidavit made under oath, or a declaration signed under penalty of perjury, stating the specific facts and circumstances which demonstrate the need for the relief sought. If the petition is filed by an interested person, the affidavit or declaration must also include a statement of why the petitioner qualifies as an interested person.

(4) A petition for an order may be made whether or not there is a pending lawsuit, complaint, petition, or other action (~~between the parties~~) pending that relates to the issues presented in the petition for an order for protection.

(5) Within ninety days of receipt of the master copy from the administrative office of the courts, all court clerk's offices shall make available the standardized forms and instructions required by section 4 of this act.

(6) Any assistance or information provided by any person, including, but not limited to, court clerks, employees of the department, and other court facilitators, to another to complete the forms provided by the court in subsection (5) of this section does not constitute the practice of law.

(7) A petitioner is not required to post bond to obtain relief in any proceeding under this section.

~~((6))~~ (8) An action under this section shall be filed in the county where the ~~((petitioner))~~ vulnerable adult resides; except that if the ~~((petitioner))~~ vulnerable adult has left or been removed from the residence as a result of abandonment, abuse, financial exploitation, or neglect, or in order to avoid abandonment, abuse, financial exploitation, or neglect, the petitioner may bring an action in the county of either the vulnerable adult's previous or new residence.

~~((7))~~ The filing fee for the petition may be waived at the discretion of the court.

(9) No filing fee may be charged to the petitioner for proceedings under this section. Standard forms and written instructions shall be provided free of charge.

**NEW SECTION. Sec. 4.** A new section is added to chapter 74.34 RCW to read as follows:

(1) The administrative office of the courts shall develop and prepare standard petition, temporary order for protection, and permanent order for protection forms, a standard notice form to provide notice to the vulnerable adult if the vulnerable adult is not the petitioner, instructions, and a court staff handbook on the protection order process. The standard petition and order for protection forms must be used after October 1, 2007, for all petitions filed and orders issued under this chapter. The administrative office of the courts, in preparing the instructions, forms, notice, and handbook, may consult with attorneys from the elder law section of the Washington state bar association, judges, the department, the Washington protection and advocacy system, and law enforcement personnel.

(a) The instructions shall be designed to assist petitioners in completing the petition, and shall include a sample of the standard petition and order for protection forms.

(b) The order for protection form shall include, in a conspicuous location, notice of criminal penalties resulting from violation of the order.

(c) The standard notice form shall be designed to explain to the vulnerable adult in clear, plain language the purpose and nature of the petition and that the vulnerable adult has the right to participate in the hearing and to either support or object to the petition.

(2) The administrative office of the courts shall distribute a master copy of the standard forms, instructions, and court staff handbook to all court clerks and shall distribute a master copy of the standard forms to all superior, district, and municipal courts.

(3) The administrative office of the courts shall determine the significant non-English-speaking or limited-English-speaking populations in the state. The administrator shall then arrange for translation of the instructions required by this section, which shall contain a sample of the standard forms, into the languages spoken by those significant non-English-speaking populations, and shall distribute a master copy of the translated instructions to all court clerks by December 31, 2007.

(4) The administrative office of the courts shall update the instructions, standard forms, and court staff handbook when changes in the law make an update necessary. The updates may be made in consultation with the persons and entities specified in subsection (1) of this section.

(5) For purposes of this section, "court clerks" means court administrators in courts of limited jurisdiction and elected court clerks.

**Sec. 5.** RCW 74.34.120 and 1986 c 187 s 6 are each amended to read as follows:

(1) The court shall order a hearing on a petition under RCW 74.34.110 not later than fourteen days from the date of filing the petition.

(2) Personal service shall be made upon the respondent not less than ~~((five))~~ six court days before the hearing. When good faith attempts to personally serve the respondent have been unsuccessful, the court shall permit service by mail or by publication.

(3) When a petition under RCW 74.34.110 is filed by someone other than the vulnerable adult, notice of the petition and hearing must be personally served upon the vulnerable adult not less than six court days before the hearing. In addition to copies of all pleadings filed by the petitioner, the petitioner shall provide a written notice to the vulnerable adult using the standard notice form developed under section 4 of this act. When good faith attempts to personally serve the vulnerable adult have been unsuccessful, the court shall permit service by mail, or by publication if the court determines that personal service and service by mail cannot be obtained.

(4) If timely service under subsections (2) and (3) of this section cannot be made, the court ~~((may set a new hearing date))~~ shall continue the hearing date until the substitute service approved by the court has been satisfied.

(5)(a) A petitioner may move for temporary relief under chapter 7.40 RCW. The court may continue any temporary order for protection granted under chapter 7.40 RCW until the hearing on a petition under RCW 74.34.110 is held.

(b) Written notice of the request for temporary relief must be provided to the respondent, and to the vulnerable adult if someone other than the vulnerable adult filed the petition. A temporary protection order may be granted without written notice to the respondent and vulnerable adult if it clearly appears from specific facts shown by affidavit or declaration that immediate and irreparable injury, loss, or damage would result to the vulnerable adult before the respondent and vulnerable adult can be served and heard, or that show the respondent and vulnerable adult cannot be served with notice, the efforts made to serve them, and the reasons why prior notice should not be required.

**Sec. 6.** RCW 74.34.130 and 2000 c 119 s 27 and 2000 c 51 s 2 are each reenacted and amended to read as follows:

The court may order relief as it deems necessary for the protection of the ~~((petitioner))~~ vulnerable adult, including, but not limited to the following:

(1) Restraining respondent from committing acts of abandonment, abuse, neglect, or financial exploitation against the vulnerable adult;

(2) Excluding the respondent from ~~((petitioner's))~~ the vulnerable adult's residence for a specified period or until further order of the court;

(3) Prohibiting contact with the vulnerable adult by respondent for a specified period or until further order of the court;

(4) Prohibiting the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(5) Requiring an accounting by respondent of the disposition of ~~((petitioner's))~~ the vulnerable adult's income or other resources;

(6) Restraining the transfer of the respondent's and/or vulnerable adult's property for a specified period not exceeding ninety days; and

(7) Requiring the respondent to pay ~~((the))~~ a filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee.

Any relief granted by an order for protection, other than a judgment for costs, shall be for a fixed period not to exceed ~~((one year))~~ five years. The clerk of the court shall enter any order for protection issued under this section into the judicial information system.

**Sec. 7.** RCW 74.34.145 and 2000 c 119 s 2 are each amended to read as follows:

(1) An order for protection of a vulnerable adult issued under this chapter which restrains the respondent or another person from committing acts of abuse, prohibits contact with the ~~((petitioner))~~ vulnerable adult, excludes the person from any specified location, or prohibits the person from coming within a specified distance from a location, shall prominently bear on the front page of the order the legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.50 RCW AND WILL SUBJECT A VIOLATOR TO ARREST.

(2) Whenever an order for protection of a vulnerable adult is issued under this chapter, and the respondent or person to be restrained knows of the order, a violation of a provision restraining the person from committing acts of abuse, prohibiting contact with the ~~((petitioner))~~ vulnerable adult, excluding the person from any specified location, or prohibiting the person from coming within a specified distance of a location, shall be punishable under RCW 26.50.110, regardless of whether the person is a family or household member as defined in RCW 26.50.010.

**Sec. 8.** RCW 74.34.150 and 1986 c 187 s 9 are each amended to read as follows:

The department of social and health services, in its discretion, may seek relief under RCW 74.34.110 through 74.34.140 on behalf of and with the consent of any vulnerable adult. When the department has reason to believe a vulnerable adult lacks the ability or capacity to consent, the department, in its discretion, may seek relief under RCW 74.34.110 through 74.34.140 on behalf of the vulnerable adult. Neither the department of social and health services nor the state of Washington shall be liable for ~~((failure))~~ seeking or failing to seek relief on behalf of any persons under this section.

**NEW SECTION. Sec. 9.** A new section is added to chapter 74.34 RCW to read as follows:

(1) When a petition for protection under RCW 74.34.110 is filed by someone other than the vulnerable adult or the vulnerable adult's full guardian over either the person or the estate, or both, and the vulnerable adult for whom protection is sought advises the court at the hearing that he or she does not want all or part of the protection sought in the petition, then the court may dismiss the petition or the provisions that the vulnerable adult objects to and any protection order issued under RCW 74.34.120 or 74.34.130, or the court may take additional testimony or evidence, or order additional evidentiary hearings to determine whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order. If an additional evidentiary hearing is ordered and the court determines that there is reason to believe that there is a genuine issue about whether the vulnerable adult is unable to protect his or her person or estate in connection with the issues raised in the petition or order, the court may issue a temporary order for protection of the vulnerable adult pending a decision after the evidentiary hearing.

(2) An evidentiary hearing on the issue of whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order, shall be held within fourteen days of entry of the temporary order for protection under subsection (1) of this section. If the court did not

enter a temporary order for protection, the evidentiary hearing shall be held within fourteen days of the prior hearing on the petition. Notice of the time and place of the evidentiary hearing shall be personally served upon the vulnerable adult and the respondent not less than six court days before the hearing. When good faith attempts to personally serve the vulnerable adult and the respondent have been unsuccessful, the court shall permit service by mail, or by publication if the court determines that personal service and service by mail cannot be obtained. If timely service cannot be made, the court may set a new hearing date. A hearing under this subsection is not necessary if the vulnerable adult has been determined to be fully incapacitated over either the person or the estate, or both, under the guardianship laws, chapter 11.88 RCW. If a hearing is scheduled under this subsection, the protection order shall remain in effect pending the court's decision at the subsequent hearing.

(3) At the hearing scheduled by the court, the court shall give the vulnerable adult, the respondent, the petitioner, and in the court's discretion other interested persons, the opportunity to testify and submit relevant evidence.

(4) If the court determines that the vulnerable adult is capable of protecting his or her person or estate in connection with the issues raised in the petition, and the individual continues to object to the protection order, the court shall dismiss the order or may modify the order if agreed to by the vulnerable adult. If the court determines that the vulnerable adult is not capable of protecting his or her person or estate in connection with the issues raised in the petition or order, and that the individual continues to need protection, the court shall order relief consistent with RCW 74.34.130 as it deems necessary for the protection of the vulnerable adult. In the entry of any order that is inconsistent with the expressed wishes of the vulnerable adult, the court's order shall be governed by the legislative findings contained in RCW 74.34.005.

**NEW SECTION. Sec. 10.** A new section is added to chapter 74.34 RCW to read as follows:

Any vulnerable adult who has not been adjudicated fully incapacitated under chapter 11.88 RCW, or the vulnerable adult's guardian, at any time subsequent to entry of a permanent protection order under this chapter, may apply to the court for an order to modify or vacate the order. In a hearing on an application to dismiss or modify the protection order, the court shall grant such relief consistent with RCW 74.34.110 as it deems necessary for the protection of the vulnerable adult, including dismissal or modification of the protection order.

**Sec. 11.** RCW 74.34.210 and 1995 1st sp.s. c 18 s 86 are each amended to read as follows:

A petition for an order for protection ~~((or))~~ may be brought by the vulnerable adult, the vulnerable adult's guardian or legal fiduciary, the department, or any interested person as defined in RCW 74.34.020. An action for damages under this chapter may be brought by the ~~((plaintiff))~~ vulnerable adult, or where necessary, by his or her family members and/or guardian or legal fiduciary ~~((, or as otherwise provided under this chapter)).~~ The death of the ~~((plaintiff))~~ vulnerable adult shall not deprive the court of jurisdiction over a petition or claim brought under this chapter. Upon petition, after the death of the vulnerable ~~((person))~~ adult, the right to initiate or maintain the action shall be transferred to the executor or administrator of the deceased, for recovery of all damages for the benefit of the ((surviving spouse, child or children, or other heirs)) deceased person's beneficiaries set forth in chapter 4.20 RCW or if there are no beneficiaries, then for recovery of all economic losses sustained by the deceased person's estate."

On page 1, line 1 of the title, after "adults," strike the remainder of the title and insert "amending RCW 74.34.020, 74.34.067, 74.34.110, 74.34.120, 74.34.145, 74.34.150, and 74.34.210; reenacting and amending RCW 74.34.130; and adding new sections to chapter 74.34 RCW."

#### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1140 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"Sec. 1.** RCW 80.60.010 and 2006 c 201 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly indicates otherwise.

(1) "Commission" means the utilities and transportation commission.

(2) "Customer-generator" means a user of a net metering system.

(3) "Electrical company" means a company owned by investors that meets the definition of RCW 80.04.010.

(4) "Electric cooperative" means a cooperative or association organized under chapter 23.86 or 24.06 RCW.

(5) "Electric utility" means any electrical company, public utility district, irrigation district, port district, electric cooperative, or municipal electric utility that is engaged in the business of distributing electricity to retail electric customers in the state.

(6) "Irrigation district" means an irrigation district under chapter 87.03 RCW.

(7) "Meter aggregation" means the administrative combination of readings from and billing for all meters, regardless of the rate class, on premises owned or leased by a customer-generator located within the service territory of a single electric utility.

(8) "Municipal electric utility" means a city or town that owns or operates an electric utility authorized by chapter 35.92 RCW.

((8)) (9) "Net metering" means measuring the difference between the electricity supplied by an electric utility and the electricity generated by a customer-generator over the applicable billing period.

((9)) (10) "Net metering system" means a fuel cell, a facility that produces electricity and used and useful thermal energy from a common fuel source, or a facility for the production of electrical energy that generates renewable energy, and that:

(a) Has an electrical generating capacity of not more than one hundred kilowatts;

(b) Is located on the customer-generator's premises;

(c) Operates in parallel with the electric utility's transmission and distribution facilities; and

(d) Is intended primarily to offset part or all of the customer-generator's requirements for electricity.

((10)) (11) "Premises" means any residential property, commercial real estate, or lands, owned or leased by a customer-generator within the service area of a single electric utility.

(12) "Port district" means a port district within which an industrial development district has been established as authorized by Title 53 RCW.

((11)) (13) "Public utility district" means a district authorized by chapter 54.04 RCW.

((12)) (14) "Renewable energy" means energy generated by a facility that uses water, wind, solar energy, or biogas from animal waste as a fuel.

**Sec. 2.** RCW 80.60.020 and 2006 c 201 s 2 are each amended to read as follows:

(1) An electric utility:

~~((+))~~ (a) Shall offer to make net metering available to eligible customers-generators on a first-come, first-served basis until the cumulative generating capacity of net metering systems equals 0.25 percent of the utility's peak demand during 1996. On January 1, 2014, the cumulative generating capacity available to net metering systems will equal 0.5 percent of the utility's peak demand during 1996. Not less than one-half of the utility's 1996 peak demand available for net metering systems shall be reserved for the cumulative generating capacity attributable to net metering systems that generate renewable energy;

~~((=))~~ (b) Shall allow net metering systems to be interconnected using a standard kilowatt-hour meter capable of registering the flow of electricity in two directions, unless the commission, in the case of an electrical company, or the appropriate governing body, in the case of other electric utilities, determines, after appropriate notice and opportunity for comment:

~~((+))~~ (i) That the use of additional metering equipment to monitor the flow of electricity in each direction is necessary and appropriate for the interconnection of net metering systems, after taking into account the benefits and costs of purchasing and installing additional metering equipment; and

~~((+))~~ (ii) How the cost of purchasing and installing an additional meter is to be allocated between the customer-generator and the utility;

~~((+))~~ (c) Shall charge the customer-generator a minimum monthly fee that is the same as other customers of the electric utility in the same rate class, but shall not charge the customer-generator any additional standby, capacity, interconnection, or other fee or charge unless the commission, in the case of an electrical company, or the appropriate governing body, in the case of other electric utilities, determines, after appropriate notice and opportunity for comment that:

~~((+))~~ (i) The electric utility will incur direct costs associated with interconnecting or administering net metering systems that exceed any offsetting benefits associated with these systems; and

~~((+))~~ (ii) Public policy is best served by imposing these costs on the customer-generator rather than allocating these costs among the utility's entire customer base.

(2) If a production meter and software is required by the electric utility to provide meter aggregation under RCW 80.60.030(4), the customer-generator is responsible for the purchase of the production meter and software.

**Sec. 3.** RCW 80.60.030 and 2006 c 201 s 3 are each amended to read as follows:

Consistent with the other provisions of this chapter, the net energy measurement must be calculated in the following manner:

(1) The electric utility shall measure the net electricity produced or consumed during the billing period, in accordance with normal metering practices.

(2) If the electricity supplied by the electric utility exceeds the electricity generated by the customer-generator and fed back to the electric utility during the billing period, the customer-generator shall be billed for the net electricity supplied by the electric utility, in accordance with normal metering practices.

(3) If electricity generated by the customer-generator exceeds the electricity supplied by the electric utility, the customer-generator:

(a) Shall be billed for the appropriate customer charges for that billing period, in accordance with RCW 80.60.020; and

(b) Shall be credited for the excess kilowatt-hours generated during the billing period, with this kilowatt-hour credit appearing on the bill for the following billing period.

(4) If a customer-generator requests, an electric utility shall provide meter aggregation.

(a) For customer-generators participating in meter aggregation, kilowatt-hours credits earned by a net metering system during the billing period first shall be used to offset electricity supplied by the electric utility.

(b) Not more than a total of one hundred kilowatts shall be aggregated among all customer-generators participating in a generating facility under this subsection.

(c) Excess kilowatt-hours credits earned by the net metering system, during the same billing period, shall be credited equally by the electric

utility to remaining meters located on all premises of a customer-generator at the designated rate of each meter.

(d) Meters so aggregated shall not change rate classes due to meter aggregation under this section.

(5) On April 30th of each calendar year, any remaining unused kilowatt-hour credit accumulated during the previous year shall be granted to the electric utility, without any compensation to the customer-generator."

On page 1, line 1 of the title, after "electricity;" strike the remainder of the title and insert "and amending RCW 80.60.010, 80.60.020, and 80.60.030."

### MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1255 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 42.23.030 and 2006 c 121 s 1 are each amended to read as follows:

No municipal officer shall be beneficially interested, directly or indirectly, in any contract which may be made by, through or under the supervision of such officer, in whole or in part, or which may be made for the benefit of his or her office, or accept, directly or indirectly, any compensation, gratuity or reward in connection with such contract from any other person beneficially interested therein. This section shall not apply in the following cases:

(1) The furnishing of electrical, water or other utility services by a municipality engaged in the business of furnishing such services, at the same rates and on the same terms as are available to the public generally;

(2) The designation of public depositaries for municipal funds;

(3) The publication of legal notices required by law to be published by any municipality, upon competitive bidding or at rates not higher than prescribed by law for members of the general public;

(4) The designation of a school director as clerk or as both clerk and purchasing agent of a school district;

(5) The employment of any person by a municipality for unskilled day labor at wages not exceeding two hundred dollars in any calendar month. The exception provided in this subsection does not apply to a county with a population of one hundred twenty-five thousand or more, a city with a population of more than one thousand five hundred, an irrigation district encompassing more than fifty thousand acres, or a first class school district;

(6)(a) The letting of any other contract in which the total amount received under the contract or contracts by the municipal officer or the municipal officer's business does not exceed one thousand five hundred dollars in any calendar month.

(b) However, in the case of a particular officer of a second class city or town, or a noncharter optional code city, or a member of any county fair board in a county which has not established a county purchasing department pursuant to RCW 36.32.240, the total amount of such contract

or contracts authorized in this subsection (6) may exceed one thousand five hundred dollars in any calendar month but shall not exceed eighteen thousand dollars in any calendar year.

(c)(i) In the case of a particular officer of a rural public hospital district, as defined in RCW 70.44.460, the total amount of such contract or contracts authorized in this subsection (6) may exceed one thousand five hundred dollars in any calendar month, but shall not exceed twenty-four thousand dollars in any calendar year.

(ii) At the beginning of each calendar year, beginning with the 2006 calendar year, the legislative authority of the rural public hospital district shall increase the calendar year limitation described in this subsection (6)(c) by an amount equal to the dollar amount for the previous calendar year multiplied by the change in the consumer price index as of the close of the twelve-month period ending December 31st of that previous calendar year. If the new dollar amount established under this subsection is not a multiple of ten dollars, the increase shall be rounded to the next lowest multiple of ten dollars. As used in this subsection, "consumer price index" means the consumer price index compiled by the bureau of labor statistics, United States department of labor for the state of Washington. If the bureau of labor statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used.

(d) The exceptions provided in this subsection (6) do not apply to:

(i) A sale or lease by the municipality as the seller or lessor (~~The exceptions provided in this subsection (6) also do not apply to~~);

(ii) The letting of any contract by a county with a population of one hundred twenty-five thousand or more, a city with a population of ten thousand or more, or an irrigation district encompassing more than fifty thousand acres; or

(iii) Contracts for legal services, except for reimbursement of expenditures.

(e) The municipality shall maintain a list of all contracts that are awarded under this subsection (6). The list must be made available for public inspection and copying;

(7) The leasing by a port district as lessor of port district property to a municipal officer or to a contracting party in which a municipal officer may be beneficially interested, if in addition to all other legal requirements, a board of three disinterested appraisers and the superior court in the county where the property is situated finds that all terms and conditions of such lease are fair to the port district and are in the public interest. The appraisers must be appointed from members of the American Institute of Real Estate Appraisers by the presiding judge of the superior court;

(8) The letting of any employment contract for the driving of a school bus in a second class school district if the terms of such contract are commensurate with the pay plan or collective bargaining agreement operating in the district;

(9) The letting of an employment contract as a substitute teacher or substitute educational aide to an officer of a second class school district that has two hundred or fewer full-time equivalent students, if the terms of the contract are commensurate with the pay plan or collective bargaining agreement operating in the district and the board of directors has found, consistent with the written policy under RCW 28A.330.240, that there is a shortage of substitute teachers in the school district;

(10) The letting of any employment contract to the spouse of an officer of a school district, when such contract is solely for employment as a substitute teacher for the school district. This exception applies only if the terms of the contract are commensurate with the pay plan or collective bargaining agreement applicable to all district employees and the board of directors has found, consistent with the written policy under RCW 28A.330.240, that there is a shortage of substitute teachers in the school district;

(11) The letting of any employment contract to the spouse of an officer of a school district if the spouse was under contract as a certificated or classified employee with the school district before the date in which the officer assumes office and the terms of the contract are commensurate with the pay plan or collective bargaining agreement operating in the district. However, in a second class school district that has less than two hundred full-time equivalent students enrolled at the start of the school year as defined in RCW 28A.150.040, the spouse is not required to be under contract as a certificated or classified employee before the date on which the officer assumes office;

(12) The authorization, approval, or ratification of any employment contract with the spouse of a public hospital district commissioner if: (a) The spouse was employed by the public hospital district before the date the commissioner was initially elected; (b) the terms of the contract are commensurate with the pay plan or collective bargaining agreement operating in the district for similar employees; (c) the interest of the commissioner is disclosed to the board of commissioners and noted in the official minutes or similar records of the public hospital district prior to the letting or continuation of the contract; and (d) and the commissioner does not vote on the authorization, approval, or ratification of the contract or any conditions in the contract.

A municipal officer may not vote in the authorization, approval, or ratification of a contract in which he or she is beneficially interested even though one of the exemptions allowing the awarding of such a contract applies. The interest of the municipal officer must be disclosed to the governing body of the municipality and noted in the official minutes or similar records of the municipality before the formation of the contract."

On page 1, line 2 of the title, after "contracts;" strike the remainder of the title and insert "and amending RCW 42.23.030."

and the same is herewith transmitted.

(1) The allocation of costs between the employer and members of the Washington state patrol retirement system shall be made only after the application of any minimum total contribution rate that may be in effect for the system under subsection (4) of this section. For benefit improvements effective on or after July 1, 2007, costs shall be shared equally by members and the employer, and any cap on member contributions shall be adjusted accordingly. The member contribution rate shall be based on the adjusted total contribution rate described in subsection (2) of this section. Beginning July 1, ((2004)) 2007, the required member contribution rate for members of the Washington state patrol retirement system shall be ((two percent or equal to the employer rate adopted under RCW 41.45.060 and 41.45.070 for the Washington state patrol retirement system, whichever is greater. The employee contribution rate shall not, however, include any increase as a result of)) the lesser of the following: (a) One-half of the adjusted total contribution rate for the system; or (b) seven percent, plus fifty percent of the contribution rate increase caused by any benefit improvements effective on or after July 1, 2007.

In order to avoid charging members for these costs, the total required contribution rate shall be adjusted to exclude these costs. The result of the adjustment shall be the adjusted total contribution rate that is to be used to calculate the required member contribution rate.

(3) The employer rate shall be the contribution rate required to cover all total system costs that are not covered by the member contribution rate.

(4) Beginning July 1, 2009, a minimum total contribution rate is established for the Washington state patrol retirement system. The total Washington state patrol retirement system contribution rate as adopted by the pension funding council and subject to revision by the legislature may exceed, but may not drop below, the established minimum total contribution rate. The minimum total contribution rate shall equal the total contribution rate required to fund seventy percent of the Washington state patrol retirement system's normal cost as calculated under the entry age normal cost method. Upon completion of each biennial actuarial valuation, the state actuary shall review the appropriateness of this minimum total contribution rate and recommend to the legislature any adjustments as may be needed.

NEW SECTION. Sec. 2. If both Senate Bill No. 6129 and Substitute Senate Bill No. 5937 are not enacted by June 30, 2007, this act is null and void.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1343 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.12.030 and 2005 c 173 s 1 are each amended to read as follows:

(1) The application for a certificate of ownership shall be upon a form furnished or approved by the department and shall contain:

(a) A full description of the vehicle, which shall contain the proper vehicle identification number, the number of miles indicated on the odometer at the time of delivery of the vehicle, and any distinguishing marks of identification;

(b) The name and address of the person who is to be the registered owner of the vehicle and, if the vehicle is subject to a security interest, the name and address of the secured party;

(c) Such other information as the department may require.

(2) The department may in any instance, in addition to the information required on the application, require additional information and a physical examination of the vehicle or of any class of vehicles, or either.

(3)(a) A physical examination of the vehicle is mandatory if (i) it has been rebuilt after surrender of the certificate of ownership to the department under RCW 46.12.070 due to the vehicle's destruction or declaration as a total loss and (ii) it is not retained by the registered owner at the time of the vehicle's destruction or declaration as a total loss. The inspection must verify that the vehicle identification number is genuine and agrees with the number shown on the title and registration certificate. The inspection must be made by a member of the Washington state patrol or other person authorized by the department to make such inspections.

(b)(i) A physical examination of the vehicle is mandatory if the vehicle was declared totaled or salvage under the laws of this state, or the vehicle is presented with documents from another state showing the vehicle was totaled or salvage and has not been reissued a valid registration from that state after the declaration of total loss or salvage.

(ii) The inspection must verify that the vehicle identification number is genuine and agrees with the number shown on the original documents supporting the vehicle purchase or ownership.

(iii) A Washington state patrol VIN specialist must ensure that all major component parts used for the reconstruction of a salvage or rebuildable vehicle were obtained legally. Original invoices for new and used parts must be from a vendor that is registered with the department of revenue for the collection of retail sales or use taxes or comparable agency in the jurisdiction where the major component parts were purchased. The invoices must include the name and address of the business, a description of the part or parts sold, the date of sale, and the amount of sale to include all taxes paid unless exempted by the department of revenue or comparable agency in the jurisdiction where the major component parts were purchased. Original invoices for used parts must be from a vehicle wrecker licensed under chapter 46.80 RCW or a comparable business in the jurisdiction outside Washington state where the major component part was purchased. If the parts or components were purchased from a private individual, the private individual must have title to the vehicle the parts were taken from, except as provided by RCW 46.04.3815, and the bill of sale for the parts must be notarized. The bills of sale must include the names and addresses of the sellers and purchasers, a description of the vehicle, the part or parts being sold, including the make, model, year, and identification or serial number, that date of sale, and the purchase price of the vehicle or part or parts. If the presenter is unable to provide an acceptable release of interest or proof of ownership for a vehicle or major component part as described above, an inspection must be completed for ownership-in-doubt purposes as prescribed by WAC 308-56A-210.

(iv) A vehicle presented for inspection must have all damaged major component parts replaced or repaired to meet RCW and WAC requirements before inspection of the salvage vehicle by the Washington state patrol.

(4) To the extent that the Washington state patrol has a backlog of vehicle inspections that it is to perform under this section, this act shall not be construed to reduce the vehicle inspection workload of the Washington state patrol.

(5) Rebuilt or salvage vehicles licensed in Washington must meet the requirements found under chapter 46.37 RCW to be driven upon public roadways.

~~((5))~~ (6) The application shall be subscribed by the person applying to be the registered owner and be sworn to by that applicant in the manner described by RCW 9A.72.085. The department shall retain the application in either the original, computer, or photostatic form.

**Sec. 2.** RCW 46.12.040 and 2004 c 200 s 1 are each amended to read as follows:

(3) In addition to the application fee and any other fee for the license registration of a vehicle, the department shall collect from the applicant a fee of fifteen dollars for vehicles previously registered in any other state or country. The proceeds from the fee shall be deposited in accordance with RCW 46.68.020. For vehicles requiring a physical examination, the inspection fee shall be ~~((fifty dollars and))~~ sixty-five dollars, fifteen dollars of which shall be deposited into the state patrol highway account created under RCW 46.68.030, and the remainder of which shall be deposited in accordance with RCW 46.68.020."

#### MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1525 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that:

(1) A vibrant and growing small business sector is critical to creating jobs in a dynamic economy;

(2) Small businesses bear a disproportionate share of regulatory costs and burdens;

(3) Fundamental changes that are needed in the regulatory and enforcement culture of state agencies to make them more responsive to small business can be made without compromising the statutory missions of the agencies;

(4) When adopting rules to protect the health, safety, and economic welfare of Washington, state agencies should seek to achieve statutory goals as effectively and efficiently as possible without imposing unnecessary burdens on small employers;

(5) Uniform regulatory and reporting requirements can impose unnecessary and disproportionately burdensome demands including legal, accounting, and consulting costs upon small businesses with limited resources;

(6) The failure to recognize differences in the scale and resources of regulated businesses can adversely affect competition in the marketplace, discourage innovation, and restrict improvements in productivity;

(7) Unnecessary regulations create entry barriers in many industries and discourage potential entrepreneurs from introducing beneficial products and processes;

(8) The practice of treating all regulated businesses the same leads to inefficient use of regulatory agency resources, enforcement problems, and, in some cases, to actions inconsistent with the legislative intent of health, safety, environmental, and economic welfare legislation;

(9) Alternative regulatory approaches which do not conflict with the state objective of applicable statutes may be available to minimize the significant economic impact of rules on small businesses; and

(10) The process by which state rules are developed and adopted should be reformed to require agencies to solicit the ideas and comments of small businesses, to examine the impact of proposed and existing rules on such businesses, and to review the continued need for existing rules.

**Sec. 2.** RCW 19.85.020 and 2003 c 166 s 1 are each amended to read as follows:

~~((Unless the context clearly indicates otherwise,))~~ The definitions in this section apply through this chapter unless the context clearly requires otherwise.

(1) "Industry" means all of the businesses in this state in any one four-digit standard industrial classification as published by the United States department of commerce, or the North American industry classification system as published by the executive office of the president and the office of management and budget. However, if the use of a four-digit standard industrial classification or North American industry classification system would result in the release of data that would violate state confidentiality laws, "industry" means all businesses in a three-digit standard industrial classification or the North American industry classification system.

(2) "Minor cost" means a cost per business that is less than three-tenths of one percent of annual revenue or income, or one hundred dollars, whichever is greater, or one percent of annual payroll. However, for the rules of the department of social and health services "minor cost" means cost per business that is less than fifty dollars of annual cost per client or other appropriate unit of service.

(3) "Small business" means any business entity, including a sole proprietorship, corporation, partnership, or other legal entity, that is owned and operated independently from all other businesses, and that has fifty or fewer employees.

~~((2))~~ (4) "Small business economic impact statement" means a statement meeting the requirements of RCW 19.85.040 prepared by a state agency pursuant to RCW 19.85.030.

~~((3))~~ "Industry" means all of the businesses in this state in any one four-digit standard industrial classification as published by the United

~~States department of commerce. However, if the use of a four-digit standard industrial classification would result in the release of data that would violate state confidentiality laws, "industry" means all businesses in a three-digit standard industrial classification.))~~

**Sec. 3.** RCW 19.85.030 and 2000 c 171 s 60 are each amended to read as follows:

(1) In the adoption of a rule under chapter 34.05 RCW, an agency shall prepare a small business economic impact statement: (a) If the proposed rule will impose more than minor costs on businesses in an industry; or (b) if requested to do so by a majority vote of the joint administrative rules review committee within forty-five days of receiving the notice of proposed rule making under RCW 34.05.320. However, if the agency has completed the pilot rule process as defined by RCW 34.05.313 before filing the notice of a proposed rule, the agency is not required to prepare a small business economic impact statement.

An agency shall prepare the small business economic impact statement in accordance with RCW 19.85.040, and file it with the code reviser along with the notice required under RCW 34.05.320. An agency shall file a statement prepared at the request of the joint administrative rules review committee with the code reviser upon its completion before the adoption of the rule. An agency shall provide a copy of the small business economic impact statement to any person requesting it.

(2) Based upon the extent of disproportionate impact on small business identified in the statement prepared under RCW 19.85.040, the agency shall, where legal and feasible in meeting the stated objectives of the statutes upon which the rule is based, reduce the costs imposed by the rule on small businesses. Methods to reduce the costs on small businesses may include:

- (a) Reducing, modifying, or eliminating substantive regulatory requirements;
- (b) Simplifying, reducing, or eliminating recordkeeping and reporting requirements;
- (c) Reducing the frequency of inspections;
- (d) Delaying compliance timetables;
- (e) Reducing or modifying fine schedules for noncompliance; or
- (f) Any other mitigation techniques.

(3) If the agency determines it cannot reduce the costs imposed by the rule on small businesses, the agency shall provide a clear explanation of why it has made that determination and include that statement with its filing of the proposed rule pursuant to RCW 34.05.320.

(4)(a) All small business economic impact statements are subject to selective review by the joint administrative rules review committee pursuant to RCW 34.05.630.

It shall analyze the costs of compliance for businesses required to comply with the proposed rule adopted pursuant to RCW 34.05.320, including costs of equipment, supplies, labor, professional services, and increased administrative costs. It shall consider, based on input received, whether compliance with the rule will cause businesses to lose sales or revenue. To determine whether the proposed rule will have a disproportionate cost impact on small businesses, the impact statement must compare the cost of compliance for small business with the cost of compliance for the ten percent of businesses that are the largest businesses required to comply with the proposed rules using one or more of the following as a basis for comparing costs:

- (a) Cost per employee;
- (b) Cost per hour of labor; or
- (c) Cost per one hundred dollars of sales.

(2) A small business economic impact statement must also include:

(a) A statement of the steps taken by the agency to reduce the costs of the rule on small businesses as required by RCW 19.85.030(~~(3))~~ (2),

or reasonable justification for not doing so, addressing the options listed in RCW 19.85.030(~~(3))~~ (2);

(b) A description of how the agency will involve small businesses in the development of the rule; (~~and~~)

(c) A list of industries that will be required to comply with the rule. However, this subsection (2)(c) shall not be construed to preclude application of the rule to any business or industry to which it would otherwise apply; and

(d) An estimate of the number of jobs that will be created or lost as the result of compliance with the proposed rule.

(3) To obtain information for purposes of this section, an agency may survey a representative sample of affected businesses or trade associations and should, whenever possible, appoint a committee under RCW 34.05.310(2) to assist in the accurate assessment of the costs of a proposed rule, and the means to reduce the costs imposed on small business."

Sec. 2. RCW 6.13.080 and 2005 c 292 s 4 are each amended to read as follows:

The homestead exemption is not available against an execution or forced sale in satisfaction of judgments obtained:

(1) On debts secured by mechanic's, laborer's, construction, maritime, automobile repair, materialmen's or vendor's liens arising out of and against the particular property claimed as a homestead;

Failure to give the notice specified in this subsection affects an association's lien only for debts accrued up to the time an association complies with the notice provisions under this subsection; or

(7) On debts owed for taxes collected under chapters 82.08, 82.12, and 82.14 RCW but not remitted to the department of revenue.

Sec. 1.** The center for disease control estimates that at least five million three hundred thousand Americans, approximately two percent of the United States population, currently have a long-term or lifelong need for help to perform activities of daily living as a result of a traumatic brain injury. Each year approximately one million four hundred thousand people in this country, including children, sustain traumatic brain injuries as a result of a variety of causes including falls, motor vehicle injuries, being struck by an object, or as a result of an assault and other violent crimes, including domestic violence. Additionally, there are significant numbers of veterans who sustain traumatic brain injuries as a result of their service in the military.

Traumatic brain injury can cause a wide range of functional changes affecting thinking, sensation, language, or emotions. It can also cause epilepsy and increase the risk for conditions such as Alzheimer's disease, Parkinson's disease, and other brain disorders that become more prevalent with age. The impact of a traumatic brain injury on the individual and family can be devastating.

The legislature recognizes that current programs and services are not funded or designed to address the diverse needs of this population. It is the intent of the legislature to develop a comprehensive plan to help individuals with traumatic brain injuries meet their needs. The legislature also recognizes the efforts of many in the private sector who are providing services and assistance to individuals with traumatic brain injuries. The legislature intends to bring together those in both the public and private sectors with expertise in this area to address the needs of this growing population.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

**NEW SECTION. Sec. 7.** A new section is added to chapter 46.20 RCW to read as follows:

The traumatic brain injury account is created in the state treasury. Two dollars of the fee imposed under RCW 46.63.110(7)(b) must be deposited into the account. Moneys in the account may be spent only after appropriation, and may be used only to provide a public awareness campaign and services relating to traumatic brain injury under sections 5 and 6 of this act, for information and referral services, and for costs of required department staff who are providing support for the council and information and referral services under sections 3 and 4 of this act. The secretary of the department of social and health services has the authority to administer the funds.

**Sec. 8.** RCW 46.63.110 and 2005 c 413 s 2 are each amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five hundred dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this chapter.

(6) Whenever a monetary penalty, fee, cost, assessment, or other monetary obligation is imposed by a court under this chapter it is immediately payable. If the court determines, in its discretion, that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the later of July 1, 2005, or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, or unless the person is in noncompliance of any existing or prior payment plan, in which case the court may, at its discretion, implement a payment plan. If the court has notified the department that the person has failed to pay or comply and the person has subsequently entered into a payment plan and made an initial payment, the court shall notify the department that the infraction has been adjudicated, and the department shall rescind any suspension of the person's driver's license or driver's privilege based on failure to respond to that infraction. "Payment plan," as used in this section, means a plan that requires reasonable payments based on the financial ability of the person to pay. The person may voluntarily pay an amount at any time in addition to the payments required under the payment plan.

(a) If a payment required to be made under the payment plan is delinquent or the person fails to complete a community restitution program on or before the time established under the payment plan, unless the court determines good cause therefor and adjusts the payment plan or the community restitution plan accordingly, the court shall notify the department of the person's failure to meet the conditions of the plan, and the department shall suspend the person's driver's license or driving privilege until all monetary obligations, including those imposed under subsections (3) and (4) of this section, have been paid, and court authorized community restitution has been completed, or until the department has been notified that the court has entered into a new time payment or community restitution agreement with the person.

(b) If a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court shall notify the department of the delinquency. The department shall suspend the person's driver's license or driving privilege until all monetary obligations have been paid, including those imposed under subsections (3) and (4) of this section, or until the person has entered into a payment plan under this section.

(c) If the payment plan is to be administered by the court, the court may assess the person a reasonable administrative fee to be wholly retained by the city or county with jurisdiction. The administrative fee shall not exceed ten dollars per infraction or twenty-five dollars per payment plan, whichever is less.

(d) Nothing in this section precludes a court from contracting with outside entities to administer its payment plan system. When outside entities are used for the administration of a payment plan, the court may assess the person a reasonable fee for such administrative services, which fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders is available in the jurisdiction, the court may allow conversion of all or part of the monetary obligations due under this section to court authorized community restitution in lieu of time payments if the person is unable to make reasonable time payments.

(7) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction shall be assessed:

(a) A fee of five dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040; and

(b) A fee of two dollars per infraction. Revenue from this fee shall be forwarded to the state treasurer for deposit in the traumatic brain injury account established in section 7 of this act.

(8)(a) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction other than of RCW 46.61.527 shall be assessed an additional penalty of twenty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a court authorized community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection (8) by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of this subsection shall be remitted to the state treasurer. The remaining revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited as provided in RCW 43.08.250. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

(9) If a legal proceeding, such as garnishment, has commenced to collect any delinquent amount owed by the person for any penalty imposed by the court under this section, the court may, at its discretion, enter into a payment plan.

(10) The monetary penalty for violating RCW 46.37.395 is: (a) Two hundred fifty dollars for the first violation; (b) five hundred dollars for the second violation; and (c) seven hundred fifty dollars for each violation thereafter.

**Sec. 9.** RCW 43.84.092 and 2006 c 337 s 11, 2006 c 311 s 23, 2006 c 171 s 10, 2006 c 56 s 10, and 2006 c 6 s 8 are each reenacted and amended to read as follows:

Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. ### MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2115 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** The legislature finds that historic barns are essential symbols of Washington's heritage representing a pioneering spirit of industriousness. Important for their association with broad patterns of agricultural history and community development and as examples of distinct architectural styles and methods of construction, historic barns

serve as highly visible icons for local residents and visitors alike. The legislature acknowledges that factors such as changes in the agricultural economy and farming technologies, prohibitive rehabilitation costs, development pressures, and regulations restricting new uses, collectively work to endanger historic barns statewide and contribute to their falling into decay or being demolished altogether.

As historic barns represent irreplaceable resources, and recognizing that barn preservation will work to retain these structures as functional and economically viable elements of working lands, the purpose of this act is to create a system acknowledging heritage barns statewide that provides emergency assistance to heritage barn owners through matching grants, assesses the need for long-term barn preservation, and considers additional incentives and regulatory revisions that work toward the preservation of heritage barns as integral components of Washington's historic landscapes.

**NEW SECTION. Sec. 2.** (1) The Washington state heritage barn preservation program is created in the department.

(2) The director, in consultation with the heritage barn preservation advisory board, shall conduct a thematic study of Washington state's barns. The study shall include a determination of types, an assessment of the most unique and significant barns in the state, and a condition and needs assessment of historic barns in the state.

(3)(a) The department, in consultation with the heritage barn preservation advisory board, shall establish a heritage barn recognition program. To apply for recognition as a heritage barn, the barn owner shall supply to the department photos of the barn, photos of the farm and surrounding landscape, a brief history of the farm, and a construction date for the barn.

(b) Three times a year, the governor's advisory council on historic places shall review the list of barns submitted by the department for formal recognition as a heritage barn.

(4) Eligible applicants for heritage barn preservation fund awards include property owners, nonprofit organizations, and local governments.

(5) To apply for support from the heritage barn preservation fund, an applicant must submit an application to the department in a form prescribed by the department. Applicants must provide at least fifty percent of the cost of the project through in-kind labor, the applicant's own moneys, or other funding sources.

(6) The following types of projects are eligible for funding:

(a) Stabilization of endangered heritage barns and related agricultural buildings, including but not limited to repairs to foundations, sills, windows, walls, structural framework, and the repair and replacement of roofs; and

(b) Work that preserves the historic character, features, and materials of a historic barn.

(7) In making awards, the advisory board shall consider the following criteria:

(a) Relative historical and cultural significance of the barn;

(b) Urgency of the threat and need for repair;

(c) Extent to which the project preserves historic character and extends the useful life of the barn or associated agricultural building;

(d) Visibility of the barn from a state designated scenic byway or other publicly traveled way;

(e) Extent to which the project leverages other sources of financial assistance;

(f) Provision for long-term preservation;

(g) Readiness of the applicant to initiate and complete the project; and

(h) Extent to which the project contributes to the equitable geographic distribution of heritage barn preservation fund awards across the state.

(8) In awarding funds, special consideration shall be given to barns that are:

(a) Still in agricultural use;

(b) Listed on the national register of historic places; or

(c) Outstanding examples of their type or era.

(9) The conditions in this subsection must be met by recipients of funding in order to satisfy the public benefit requirements of the heritage barn preservation program.

(a) Recipients must execute a contract with the department before commencing work. The contract must include a historic preservation easement for between five to fifteen years depending on the amount of the award. The contract must specify public benefit and minimum maintenance requirements.

(b) Recipients must proactively maintain their historic barn for a minimum of ten years.

(c) Public access to the exterior of properties that are not visible from a public right-of-way must be provided under reasonable terms and circumstances, including the requirement that visits by nonprofit organizations or school groups must be offered at least one day per year.

(10) All work must comply with the United States secretary of the interior's standards for the rehabilitation of historic properties; however, exceptions may be made for the retention or installation of metal roofs on a case-by-case basis.

(11) The heritage barn preservation fund shall be acknowledged on any materials produced and in publicity for the project. A sign acknowledging the fund shall be posted at the worksite for the duration of the preservation agreement.

(12) Projects must be initiated within one year of funding approval and completed within two years, unless an extension is provided by the department in writing.

(13) If a recipient of a heritage barn preservation fund award, or subsequent owner of a property that was assisted by the fund, takes any action within ten years of the funding award with respect to the assisted property such as dismantlement, removal, or substantial alteration, which causes it to be no longer eligible for listing in the Washington heritage register, the fund shall be repaid in full within one year.

**NEW SECTION. Sec. 3.** (1) The director shall establish a Washington state heritage barn preservation advisory board that includes:

(a) Two members representing owners of heritage barns nominated by recognized agricultural organizations;

(b) The chair of the advisory council, or the chair's designee;

(c) A representative of a statewide historic preservation organization;

(d) A representative of a county heritage commission that is recognized by the department as a certified local government;

(e) Two elected county officials, one appointed by the Washington state association of counties and one appointed by the Washington association of county officials;

(f) A representative of a private foundation with an interest in the preservation of barns;

(g) A representative of a land trust that is experienced with easements; and

(h) At least one at-large member with appropriate expertise in barn architecture, architectural history, construction, engineering, or a related field.

(2) The director may invite representatives of federal agencies that have barn preservation programs or expertise to participate on the advisory board, who shall serve as ex-officio members.

(3) The director shall work to assure that the advisory board members are from diverse geographic regions of the state. The director may serve as chair, or appoint a person to serve as chair.

(4) The advisory board shall provide advice to the director regarding:

(a) The criteria for designation of heritage barns;

(b) The criteria for determining eligibility for grant funds including contracting provisions between the department and grant recipients. In developing this criteria, the department and the advisory board shall consult with the state attorney general; and

(c) The criteria for awarding grants for barn rehabilitation.

(5) The advisory board shall examine regulatory issues that impose constraints on the ability to use heritage barns for contemporary economically productive purposes including building and land use codes.

(6) By December 1, 2010, the department shall provide a final report to appropriate committees of the legislature that summarizes the accomplishments of the program, addresses regulatory issues examined under subsection (5) of this section, and makes final recommendations.

(7) This section expires December 31, 2010.

**NEW SECTION. Sec. 4.** (1) The heritage barn preservation fund is created as an account in the state treasury. All receipts from appropriations and private sources must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only to provide assistance to owners of heritage barns in Washington state in the stabilization and restoration of their barns so that these historic properties may continue to serve the community.

(2) The department shall minimize the amount of funds that are used for program administration, which shall include consultation with the department of general administration's barrier-free facilities program for input regarding accessibility for people with disabilities where public access to historic barns is permitted.

(3) The primary public benefit of funding through the heritage barn preservation program is the preservation and enhancement of significant historic properties that provide economic benefit to the state's citizens and enrich communities throughout the state.
