Further debate ensued, Representatives Adams, Bottiger and Hoggins speaking in opposition to the adoption of the amendment.

MOTION

Mr. Hill moved that the House defer further consideration of House Bill No. 323 and that the bill be ordered placed on the second reading calendar tomorrow.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. Hill yielded to question.

Mr. Bottiger:

"Mr. Hill, do accountants, architects, and licensed practical nurses have this privilege?"

Mr. Hill:

"Of course not, Mr. Bottiger, but as I say, this is a question in my mind. I have talked to the caucus attorney about this and at least in his mind there is a problem. I would like to look it over before we pass on this bill."

Debate ensued, Representatives Adams and Saling speaking against the motion.

YIELDING TO QUESTION

At the request of Mr. Clark (Newman H.), Mr. Saling yielded to question.

Mr. Clark:

"Mr. Saling, would you think there should be included in section 1 the restrictions which are on doctors and lawyers in their professional acts? There is nothing in this bill which restricts the teacher."

Mr. Saling:

"Mr. Clark, I am not sure I understand your question. I think teaching does have rights and responsibilities which go along with those rights."

Mr. Clark:

"I am talking about the limitations the doctors and lawyers have in their act. They have the code of ethics spelled out in detail and reviewed constantly, so that the lawyers know just what the interpretations are. In this section there are none."

Mr. Saling:

"Mr. Clark, I would show you this piece of paper I am holding in my hand. It is the code of ethics for the teaching profession which has been adopted by every state in the United States. I am not in agreement that there should be any limitations here, as far as responsibilities are concerned."

Mr. Clark:

"Mr. Saling, would you have any objection to including such reference in section 1 so that we would know and the public would know that teachers do have limitations in their practices?"

Mr. Saling:

"It would depend on how it was worded, Mr. Clark."

Mr. Charette demanded the previous question and the demand was sustained.

The motion was lost on a rising vote.

The Speaker declared the question before the House to be the adoption of Mrs. Hurley's amendment to page 1, section 1 of House Bill No. 323.

The Clerk called the roll, and the motion was lost and the amendment not adopted by the following vote: Yeas, 25; nays, 70; absent or not voting, 4.

Those voting yea were: Representatives Amen, Avey, Clark (Newman H.), Day, Elicker, Flanagan, Gladder, Grant, Haussler, Hubbard, Hurley, Jastad, Jolly, Litchman, Marzano, May, Moon, Morrison, Murray, Perry, Reese, Sprague, Taylor, Walgren, Whetzel—25.

Those voting nay were: Representatives Adams, Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clarke (George W.), Clocksin, Copeland, Cunningham, DeJarnatt, Farr, Gallagher, Garrett, Goldsworthy, Gorton, Harris, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Johnson, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Lewis, Lux, Lynch, Marsh, McCaffree, McCormick, McDougall, McGavick, Merrill, Newschwander, O'Brien, O'Dell, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Swayze, Thompson, Veroske, Wana-maker, Wolf, Zimmerman, Mr. Speaker—70.

Those absent or not voting were: Representatives Conner, Leland, Mahaffey, Newhouse—4.

Mrs. Hurley moved adoption of the following amendment:

On page 2, section 3, line 5, after the comma following "commission" and before "shall insure" strike "the board" and insert "the executive committee of the Washington School Directors' Association"

Debate ensued, Representative Hurley speaking in favor of adoption of the amendment and Representative Clarke (George W.) speaking against its adoption.

YIELDING TO QUESTION

At the request of Mrs. Lux, Mr. Saling yielded to question.

Mrs. Lux:

"Mr. Saling, the term 'board' in line 5 on page 2 does refer back, does it not, to the state board of education in your bill?"

Mr. Saling:

"Yes, Mrs. Lux, it does refer to the state board."

Further debate ensued, Representative Lux speaking against adoption of the amendment.

Mr. Saling demanded an electric roll call and the demand was sustained.

The Clerk called the roll on adoption of Mrs. Hurley's amendment to page 2, section 3, and the motion was lost and the amendment not adopted by the following vote: Yeas, 9; nays, 84; absent or not voting, 6.

Those voting yea were: Representatives Bozarth, Clark (Newman H.), Day, Gallagher, Grant, Heavey, Hurley, May, Taylor—9.

Those voting nay were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clarke (George W.), Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Garrett, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Leckenby, Lewis, Litchman, Lux, Lynch, Marsh, Marzano, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—84.

Those absent or not voting were: Representatives Conner, Copeland, Kopet, Leland, Mahaffey and Perry—6.

Mr. Sprague moved adoption of the following amendment:

On page 1, section 3, after "members" on line 23 and before "five" on line 24, strike "each possessing at least" and insert "eight of whom shall have"

Debate ensued, Representatives Sprague and Moon speaking in favor of adoption of the amendment, and Representatives Saling and Clark (Newman H.) speaking against its adoption.

The motion was lost and the amendment was not adopted.

Mr. Clark (Newman H.) moved adoption of the following amendment:

On page 3, section 4, line 3, after "standards" strike the remainder of the sentence and insert "as have been and hereafter shall be adopted governing the teaching profession."

YIELDING TO QUESTION

At the request of Mr. Saling, Mr. Clark (Newman H.) yielded to question.

Mr. Saling:

"Mr. Clark, standards generally accepted by whom? Your amendment doesn't make that clear to me. What body would accept these as standards?"

Mr. Clark:

"I couldn't write the body into the amendment in short language because, frankly, you referred to some code of ethics in a pamphlet or photographed copy that you have in front of you with which I am not familiar. I don't know who adopted it, whether it was five teachers in this state or nationally or some agency or board, so I can't speak for the teaching profession. I do not intend to, but certainly I intend by the

amendment that the teachers will adopt standards for themselves and I have great respect and admiration for their ability to do so if they get at it. They need a set of standards if they are going to be entirely self-governing."

RESOLUTION

House Resolution No. 67-27, by Representatives Reese, Johnson, Goldsworthy, Brouillet, and Jolly:

Whereas, Nuclear science and technology have advanced, producing new demands on federal and state governmental units to promote orderly development of new resources within a framework assuring maximum protection of public health and safety; and

Whereas, The federal government has pursued a program for several years encouraging state and regional participation and responsibility with regard to nuclear development, licensing and regulation; and

Whereas, Effective and timely response by state action to responsibilities imposed by the nuclear age requires coordinated action; a willingness and ability to share

information and ideas, and a governmental structure enabling unified action by the states involved; and

Whereas, Other regions of the Nation have already found that these needs and responsibilities may be best met and discharged through creation and operation of an interstate board or commission functioning in unison by compact; and

Whereas, The Western Governors' Conference has, by unanimous resolution, created a Committee on Western Interstate Nuclear Cooperation; and

Whereas, The Committee on Western Interstate Nuclear Cooperation has studied, met, and declared:

(1) Time is of the essence; and

(2) It is in the best interest of the western states and its business community to accelerate the nuclear industry in the western states by the formation of a formal organization dedicated to advancing programs, projects, and activities which individual state programs could not expect to produce; and, further, that interim arrangements be made whereby western interstate nuclear cooperation could be made effective immediately until such time as formal compact agreements are reached; and

(3) The goal of western interstate nuclear cooperation is the maximum utilization of human and technological resources to catalyze the western region's vast potential for the peaceful application of nuclear energy for economic development; and

(4) A formal western interstate nuclear compact, recognized and supported by the federal government, is the preferable vehicle for interstate nuclear cooperation; and

(5) The two major objectives which can best be achieved through a formal western interstate nuclear compact, and are of sufficient importance to justify the formation of such a compact, are:

(a) To provide a unified governmental voice at the federal level which has federal recognition and support; and

(b) To provide a vehicle through which uniform state regulation pertaining to interstate commerce in the nuclear field may be handled.

Now, Therefore, Be It Resolved, (1) That the House of Representatives hereby declares its position as favoring a continuing study of western interstate nuclear cooperation leading to the maximum utilization of human and technological resources for the peaceful application of nuclear energy; and (2) That recognizing that the legislative process among the several states is not concurrent enjoins the governor to cooperate in western interstate nuclear cooperation arrangements until enactment of state and federal legislation; and (3) That the question of western interstate nuclear cooperation be referred to the most appropriate legislative interim committee for study and that this committee be authorized to cooperate with the various interest groups and make a report and recommendations to the 1969 Washington Legislature.

Mr. Reese moved adoption of the resolution.

Representatives Reese, Jolly and Johnson spoke in favor of adoption of the resolution.

The motion was carried and the resolution was adopted.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Adams on a point of personal privilege.

Mr. Adams:

"If you will go back a few years when we were debating the question of building dams across the Cowlitz river which would interfere somewhat with fish runs, Mr. Hawley and I stood on this floor and said we felt it would be a relatively short period of time until we were developing an adequate supply of power in nuclear energy. I am glad to see our statements made on the floor at that time come true."

SPEAKER'S PRIVILEGE

The Speaker recognized Donald F. Koch, Executive Director of the Office of Nuclear Energy Development of the Department of Commerce and Economic Development, and requested that Representatives Lynch, Johnson, Jolly, and Reese conduct him to a position of honor on the rostrum.

The Speaker:

"It is my pleasure this morning to introduce Don Koch, the Executive Director of the Office of Nuclear Energy Development. You have placed on your desks a couple of

pieces of printed material that I think you will find most interesting and which will give you some background on the great progress that has been made in this state in this area. It is my pleasure to introduce Mr. Koch."

Mr. Koch:

"Thank you, Mr. Speaker, ladies and gentlemen of the House, my offering today is very brief. It is merely a token of the nuclear industries' and my department's appreciation to you for your assistance over the past two years. It is a token and a demonstration of how nuclear energy is affecting commercial activity in this state and really is becoming a significant part of our economy. The offering under the space needle flag with the electrons in orbit is a nuclear gavel. This gavel was made by Boise Cascade at the Lincoln mills in the northeastern part of the state out of a very soft, native, Washington wood, ponderosa pine. In fact, you can carve it with your fingernail. But with the addition of plastic and nuclear energy, it has magically become a hardwood gavel for presentation to the Speaker of the House. Washington State University irradiated it and provided the energy. The gavel itself reposes on a base which was made with nuclear energy and in this base are many Washington products, such as a solid gold Boeing 727, an Olympia oyster shell, apple seed, wheat, barley, and other products that we are indeed using nuclear energy in now. Finally, the master base is so heavy I don't know if we can lift it to take it to the Speaker's office, but it is lead glass made in the state of Washington, and it is the glass used for the window through which one can view a nuclear reactor or a high intensity radiation field. So, Mr. Speaker, I would like to present this gavel to you and to the House of Representatives."

The Speaker:

"Thank you very much, Mr. Koch."

MOTIONS

On motion of Mr. Humiston, Engrossed Senate Bill No. 161 was rereferred to Committee on Public Health and Welfare.

On motion of Mrs. Lynch, House Bill No. 818 was rereferred to Committee on Transportation.

On motion of Mr. Cunningham, Senate Joint Resolution No. 17 and Senate Bill No. 371 were rereferred to Committee on Appropriations.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Mr. Speaker:

We, a majority on your Committee on Local Government, to whom was referred **House Bill No. 182**, authorizing a county central services department to perform ministerial duties on automatic data processing equipment, copy equipment, and duplicating equipment, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 3, section 5, line 3, after "It may" and before "make transfers" on line 4 strike "levy a tax therefor,"

On page 3, section 6, line 7, after "Sec. 6" and before "When established" insert a new paragraph as follows:

"Services departments created pursuant to this act shall initially draw a comprehensive data processing use plan. It shall establish levels of service to be performed by the department and shall establish levels of service required by using agencies. Before proceeding with purchase, lease or acquisition of the data processing equipment, the comprehensive data processing use plan shall be adopted by the board."

On page 3, section 6, line 8, after "department" and before "perform" strike "shall" and insert "may"

On page 4, section 9, line 4, after "department" and before "shall not" on line 5 insert "in connection with automatic data processing"

Homer Humiston, *Chairman*,
Joseph L. McGavick, *Vice Chairman*.

We concur in this report: Horace W. Bozarth, Donald H. Brazier, Jr., P. J. "Jim" Gallagher, Slade Gorton, Joe D. Haussler, Edward Heavey, Timothy H. Hill, Hugh "Bud" Kalich, Gladys Kirk, William S. Leckenby, Brian J. Lewis, Audley F. Mahaffey, John Merrill, George P. Sheridan, Sam Smith, Jonathan Whetzel.

The bill was read the second time.

On motion of Mr. Humiston, the committee amendments were adopted.

House Bill No. 182 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

Senate Bill No. 135, by Senators Ridder, Talley, and Stender:

Relating to school district employees' sick leave.

The bill was read the second time.

Mr. Heavey moved adoption of the following amendment:

On page 5, section 1, following line 6, add a new subsection (i) as follows:

"(i) No school district or community college district may deduct from the compensation or salary of any certificated school employee under contract who is on leave, and for whom a substitute is employed, any sum or amount greater than that required for payment of the substitute replacing the contracted certificated school employee on leave;"

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, I am sorry I don't have the exact number, but I know that is a bill that is in the Education Committee. Does the same Rule 36 in the old rules apply for Senate bills as it does for House bills?"

RULING BY THE SPEAKER

The Speaker:

"I think, Mr. Charette, that while the subject matter is perhaps the same, the verbiage is considerably different that it is in the bill to which you refer. This was brought to my attention yesterday and I would have to rule the amendment is in order."

Mr. McGavick moved adoption of the following amendment to the amendment by Mr. Heavey:

Amend the amendment by Mr. Heavey on page 1, section 1: On the third line of the amendment after "leave" and before the comma, insert "for any activity without its own compensation"

Debate ensued, Representatives McGavick and Charette speaking in favor of adoption of the amendment to the amendment, and Representative Heavey speaking against its adoption.

Mr. McGavick demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Brouillet and Cunningham speaking in favor of adoption of the amendment to the amendment.

Mr. Elicker demanded the previous question and the demand was sustained.

The Clerk called the roll, and Mr. McGavick's amendment to the amendment by Mr. Heavey to Senate Bill No. 135 was adopted by the following vote: Yeas, 90; nays, 2; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Marsh, Marzano, May, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—90.

Those voting nay were: Representatives Grant, Heavey—2.

Those absent or not voting were: Representatives Backstrom, Copeland, Day, King, Mahaffey, McCaffree, Perry—7.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Heavey as amended.

Debate ensued, Representatives Clarke (George W.), DeJarnatt and Garrett speaking against adoption of the amendment as amended.

Mr. Grant demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative Heavey speaking in favor of adoption of the amendment as amended.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. DeJarnatt yielded to question.

Mr. McGavick:

"Mr. DeJarnatt, when we discussed House Bill No. 273, which is the substance of this amendment, in the Education Committee, it appeared that there are occasions when teachers because of extended leave or illness do exhaust their sick leave and there are occasions when they have to take leaves of absence, for example to attend the WEA convention, where they are not reimbursed. In such a case the teacher is penalized. For those reasons, I support Mr. Heavey's amendment. Would you address yourself to those specifics?"

Mr. DeJarnatt:

"When a teacher is on business there are funds within the treasury of the local chapter to take care of that, and also sometimes to pay his expenses when he has a WEA state office. Now, as to an extended period of time, as for instance if he might be the WEA president, I am not sure. As to the matter of exhausting your sick leave benefits and being on your own resources, most of us carry an insurance policy which pays a fraction of our pay."

Mr. Merrill demanded the previous question and the demand was sustained.

The Clerk called the roll on the amendment by Mr. Heavey as amended, and the motion was lost and the amendment as amended not adopted by the following vote: Yeas, 14; nays, 74; absent or not voting, 11.

Those voting yea were: Representatives Avey, Bagnariol, Barden, Bottiger, Clocksin, Gallagher, Grant, Haussler, Heavey, Hill, Hoggins, Litchman, McGavick, Perry—14.

Those voting nay were: Representatives Adams, Amen, Beck, Berentson, Bledsoe, Bluechel, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Conner, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Garrett, Gladder, Gorton, Harris, Hawley, Holman, Hubbard, Humiston, Jastad, Johnson, Jolly, Juelling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Lewis, Lux, Lynch, Marsh, Marzano, May, McCormick, McDougall, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Zimmerman, Mr. Speaker—74.

Those absent or not voting were: Representatives Anderson, Backstrom, Chatalas, Copeland, Goldsworthy, Hurley, King, Leland, Mahaffey, McCaffree, Wolf—11.

Mr. King moved adoption of the following amendment:

On page 5, section 2, line 17, following section 2 add a new section 3 as follows:

"NEW SECTION. Sec. 3. There is added to chapter 28.67 RCW a new section to read as follows:

Any faculty member, instructor, teacher, or other certificated employee or instructor may be credited by the board of directors of the school district which employs him

with his total years of educational experience as an instructor, teacher, or other certificated employee or instructor, whether the experience was acquired in this state or elsewhere, for purposes of computing seniority for salary benefits. Such employees shall receive credit by their employer for their accrued sick leave benefits earned through service in this state. It is the intention of the legislature that this section shall apply retroactively."

Renumber Section 3 to read Sec. 4.

Mr. Grant demanded an electric roll call and the demand was not sustained.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. King yielded to question.

Mr. Adams:

"I think that the gentleman who just spoke should give us some idea of the cost. I can visualize that with the word 'retroactive' we might be talking about millions of dollars."

Mr. King:

"Well, in the first section it would cost nothing unless it were put into effect by the board. This would depend on their own funds. It is permissive. The cost of the second section is difficult to estimate. It would only cost money for those people involved in a striking set of circumstances. They would have to have transferred from one district to another in the last six years, prior to the adoption of House Bill No. 444 in the last session, and then have been sick for an extended period of time. I would say, in effect, there would be no substantial impact financially unless the district decided to go ahead and apply the first section across the board."

YIELDING TO QUESTION

At the request of Mr. Clarke (George W.), Mr. King yielded to question.

Mr. Clarke:

"Is it not correct that in reality the only new matters in the amendment relate to retroactive applications. Cannot the first portion, which is permissive, be implemented under the present law?"

Mr. King:

"In some school districts the first portion is implemented, but there is a question in the minds of people because it is not written into the law that they have permission to do this. This just clarifies it. I don't know whether they are doing it legally, but they are doing it now in some districts, yes."

The motion was lost and the amendment by Mr. King was not adopted.

Senate Bill No. 135 was passed to Committee on Rules and Administration for third reading.

House Bill No. 144, by Representatives Newhouse, Brazier, and Bozarth (by departmental request):

Regulating weights and measures within state.

House of Representatives,
Olympia, Wash., January 28, 1967.

Mr. Speaker:

We, a majority of your Committee on Agriculture, to whom was referred House Bill No. 144, regulating weights and measures within state, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

On page 7, section 24, line 19, after the period following "section" insert a new sentence as follows:

"Any product used for testing the accuracy of a device dispensing a particular product shall be supplied by the owner and said owner of the device must provide means for the immediate disposal of the product used in testing."

Irving Newhouse, Chairman,
F. Pat Wanamaker, Vice Chairman.

We concur in this report: Otto Amen, Stewart Bledsoe, Horace W. Bozarth, Arlie U. DeJarnatt, Dr. Caswell J. Farr, Joe D. Haussler, Vaughn Hubbard, Dan Jolly, Charles Moon, Sid W. Morrison, Bob McDougall, Walt Reese.

The bill was read the second time.

On motion of Mr. Newhouse, the committee amendment was adopted.

On motion of Mr. Newhouse, the following amendment was adopted:

On page 5, section 20, line 12, after "measures" and before "commodities" strike "or" and insert "on"

Mr. Murray moved adoption of the following amendment:

On page 11, section 37, beginning on line 24, strike all of section 37 and renumber the remaining sections consecutively

Debate ensued, Representatives Murray, Flanagan, and Bledsoe speaking in favor of adoption of the amendment, and Representatives Newhouse and Moon speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. Newhouse yielded to question.

Mr. Bottiger:

"Mr. Newhouse, has Director Moos been in touch with you since yesterday morning?"

Mr. Newhouse:

"Yes, in committee meeting this morning."

Mr. Bottiger:

"Has he changed his opinion on this section since that time?"

Mr. Newhouse:

"I don't like to quote Director Moos directly, but I would say that the department is not violently against the amendment. They are not saying they must have this section, but they feel they could live with it."

Further debate ensued, Representative Bottiger speaking against adoption of the amendment and Representative Wolf speaking for its adoption.

Mrs. Lux demanded an electric roll call and the demand was sustained.

The Clerk called the roll, and the motion was carried and the amendment by Mr. Murray was adopted by the following vote: Yeas, 80; nays, 15; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Juelling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lynch, Marsh, Marzano, May, McCaffree, McCormick, McDougall, Merrill, Murray, Newschwander, O'Brien, O'Dell, Richardson, Rosellini, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—80.

Those voting nay were: Representatives, Bottiger, Bozarth, Gorton, Grant, Johnson, Jolly, King, Lux, McGavick, Moon, Morrison, Newhouse, Perry, Reese, Veroske—15.

Those absent or not voting were: Representatives Garrett, Heavey, Mahaffey, Saling—4.

On motion of Mr. Newhouse, the following amendment was adopted:

On page 13, beginning on line 32, after "Sec. 45." strike the remainder of the section and insert

"(1) All liquid fuels such as, but not limited to, stove oil, furnace oil, black oil, diesel oil, coal oil and kerosene shall be sold by liquid measure or by net weight in accordance with the provision of section 33 of this act. All such fuel delivered to the ultimate consumer shall be accompanied by legible duplicate delivery tickets on which there shall be clearly stated:

- (a) The name and address of the vendor
- (b) The name and address of the purchaser
- (c) The identity of the type of fuel comprising the delivery
- (d) Units of measure or weight:

(i) In the case of sale by liquid measure, the measure of the delivery together with any meter readings from which such liquid measure has been computed, expressed in terms of the gallon and its submultiples or decimal subdivisions, shall be stated.

(ii) In the case of sale by weight, the net weight of the delivery together with any weighing scale readings from which such net weight has been computed, expressed in terms of tons or pounds avoirdupois, shall be stated, unless in package form.

(2) One of these tickets shall be retained by the vendor and the other shall be delivered to the purchaser at the time of delivery of the fuel or mailed to the purchaser not later than the next following business day: *Provided*, That if the purchaser carries away his purchase, the vendor shall be required only to give to the purchaser at the time of sale a delivery ticket stating the liquid measure or net weight of the product.

(3) Nothing in this section shall pertain to liquid fuels dispensed at the vendor's place of business through permanently installed metered computing pumps."

House Bill No. 144 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

MOTION

On motion of Mr. McDougall, the House recessed until 1:30 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 1:30 p.m.

The Clerk called the roll and all members were present except Representatives Chatalas, Mahaffey, and McCaffree. Representative Mahaffey was excused.

The Speaker called on Mr. Gorton to preside.

The House resumed consideration of bills on second reading.

SECOND READING OF BILLS

House Bill No. 143, by Representatives Newhouse, Brazier, and Haussler (by departmental request):

Regulating certified weights within state.

MOTION

On motion of Mr. Newhouse, Substitute House Bill No. 143 was substituted for House Bill No. 143 and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 143 was read the second time.

Mr. Bledsoe moved adoption of the following amendment:

On page 3, section 14, line 21, after the period and before "Such" insert "The director may, subsequent to a public hearing and satisfying the requirements of

chapter 34.04 RCW (Administrative Procedures Act) as enacted or hereafter amended for the adoption of regulations, and having determined that an automatic weighing or measuring device can issue certified weights in conformance with the provisions of this act, adopt a regulation allowing an applicant who has satisfied the requirements of this section to use such automatic weighing or measuring device in his capacity as weighmaster."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Bledsoe yielded to question.

Mr. Moon:

"Mr. Bledsoe, I am concerned about this, not having had the opportunity to look at it before. I am wondering if this is done on an automatic basis, where the individual inserts coins, if it wouldn't be possible for a false weight to be stamped on the ticket and the weight really delivered be other than what would later be represented as the true weight of the load."

Mr. Bledsoe:

"Representative Moon, your point is well taken and the concern you voice has already been raised in the industry. The device comes complete with a camera arrangement which takes a picture of the load weighed. It is a device specifically for hay trucks at out-of-the-way points, and there is rather large printing on the sale ticket that the load is being accepted at the risk of the buyer, giving notice that it was not weighed in the presence of a warm, living, breathing weighmaster. Your objection has merit, and insofar as possible the company constructing this device has incorporated a photographic record to go along with it so that if you show up with a load of hay that is seven tiers high by weight but only five tiers high on arriving at the specific farm, it will be obvious that something is not right."

Debate ensued, Representative Bledsoe speaking in favor of adoption of the amendment and Representative Moon speaking against its adoption.

The motion was carried and the amendment was adopted.

Substitute House Bill No. 143 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

Substitute House Bill No. 78, by Committee on Local Government:

Providing for office of community affairs.

The House resumed consideration of Substitute House Bill No. 78 on second reading. (See p. 663 for amendment by Mr. Humiston adopted previously.)

Mr. Berentson moved adoption of the following amendment:

On page 4, section 8, beginning on line 24, strike all of subsection (b) and subsection (c) and insert:

"(b) The director shall approve or disapprove state grants administered by the planning and community affairs agency to apply toward the nonfederal share of project costs in conformity with the provisions of this act. Such approval may be conditional upon approval of a governmental conference or council, or regional planning agency, which provides review of federal aid applications within its regional area, and upon subsequent approval of the project by an appropriate federal agency for federal grant funds. Any application disapproved by the director shall be returned to the applicant with written notice of modification necessary to make the project eligible in terms of state policies."

Debate ensued, Representatives Berentson and Charette speaking in favor of adoption of the amendment, and Representatives Sprague and Holman speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Berentson yielded to question.

Mr. Smith:

"Aren't you actually talking about the nonfederal share of the funds? If the nonfederal share of the funds were disapproved, wouldn't this in effect disapprove the application for federal funds?"

Mr. Berentson:

"No, I don't believe it would. We are not here affecting the federal funds in any way. The only funds that are affected by the state entering in now are what we call 701 funds. All I am attempting to do, along with Mr. Charette, is to meet the problem which I see raised by the provision on page 5, line 3, which provides that the director shall, upon approval, transmit the application to the appropriate federal agency. The way I read this, the director of the new agency which would be created would have the power then, if he approves an application of a local planning unit, for example, to go ahead with the federal grant. This to me means he has a lever so that he in effect can say he doesn't approve, and he can come back to the local planning unit and insist on changes before he will approve it for a federal grant. I don't say that the director of the new agency might look upon every local unit with disfavor and be too demanding, but it is here, and as long as it is here it could very well control the whole bill."

Mr. Smith:

"I would like to ask another question, Mr. Berentson, please. Is it not common that state approval would actually greatly enhance the chance of federal grants?"

Mr. Berentson:

"So that your state agency might perhaps be more capable of directing the funds to the local agencies? A lot of them think this, I am sure, but the local county and city units certainly know where to go."

Further debate ensued, Representative Chapin speaking in favor of adoption of the amendment, and Representatives Humiston and Perry speaking against its adoption.

Mr. Thompson demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative Berentson speaking in favor of adoption of the amendment, and Representatives Whetzel and Heavey speaking against its adoption.

The Clerk called the roll on adoption of the amendment by Mr. Berentson, and the motion was lost and the amendment not adopted by the following vote: Yeas, 40; nays, 52; absent or not voting, 7.

Those voting yea were: Representatives Amen, Anderson, Avey, Berentson, Bledsoe, Bozarth, Brazier, Chapin, Charette, Clocksin, Copeland, Garrett, Gladder, Goldsworthy, Haussler, Hawley, Hubbard, Hurley, Jueling, Kopet, Leland, Lewis, Lynch, McDougall, Morrison, Newhouse, Newschwander, O'Dell, Reese, Richardson, Saling, Smith, Smythe, Spanton, Thompson, Versoske, Wanamaker, Wolf, Zimmerman, Mr. Speaker—40.

Those voting nay were: Representatives Adams, Backstrom, Bagnariol, Barden, Beck, Bluechel, Bottiger, Brouillet, Ceccarelli, Clark (Newman H.), Clarke (George W.), Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Gorton, Grant, Harris, Heavey, Hill, Hoggins, Holman, Humiston, Jastad, Johnson, Kalich, King, Kirk, Kiskaddon, Leckenby, Litchman, Lux, Marsh, Marzano, May, McCormick, McGavick, Merrill, Murray, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Sprague, Swayze, Taylor, Walgren, Whetzel—52.

Those absent or not voting were: Representatives Chatalas, Conner, Day, Jolly, Mahaffey, McCaffree, Moon—7.

Mr. O'Dell moved adoption of the following amendment:

On page 8, section 10, line 13, after the period insert "Failure of any county, city, or any other municipal corporation to comply with the provisions of this section, shall not invalidate any comprehensive plan or any amendments thereto, otherwise enacted according to law."

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. O'Dell yielded to question.

Mr. McGavick:

"Mr. O'Dell, I have read your amendment and I am not sure whether I am opposed or not, but it seems to me that it says that if we have an agency in the state government to whom the comprehensive plan should be submitted, and the city, county, or other municipal corporation failed to submit it, either deliberately or by accident, then the result is that they can go ahead and adopt the comprehensive plan. It seems to say that if I want to submit it to the state agency, that is okay, but if I don't, I don't need to worry about it."

Mr. O'Dell:

"That is more or less right as far as the comprehensive plan is concerned or the amendment to it. I think what the bill is concerned with is the idea that they should file with the state agency before they can go ahead with their plans. I can see where in the smaller cities they might overlook these things, and two or three years later, after they were done, the plan would become invalidated because they did not get the approval of the state agency."

Debate ensued, Representative McGavick speaking against adoption of the amendment, and Representatives O'Dell, Berentson, and Humiston speaking for its adoption.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. O'Dell yielded to question.

Mr. Bottiger:

"Mr. O'Dell, is it your understanding of the bill as now written without your amendment that every zoning modification or change would have to be submitted to the state planning agency for their approval before the county planning commission could go ahead and grant the zoning request?"

Mr. O'Dell:

"All I am referring to is any amendment to the comprehensive plan, such as a revision of the plan where the whole character of one area would be changed in the way it would be used."

Mr. Bottiger:

"I will rephrase the question. Suppose you had a rural agricultural area which you wanted to change to residential SR-9, a large tract of land. This would then have to go through the state agency for approval with the bill as now written?"

Mr. O'Dell:

"If that particular zoning had not been accomplished under your plan, I think your comprehensive plan would have to be amended; and if you are going to amend your comprehensive plan, you have to submit your change, according to this statute, before you can go ahead and make such a change in your use or restriction."

Further debate ensued, Representatives Lewis and Chapin speaking in favor of adoption of the amendment.

Mr. Bledsoe demanded the previous question and the demand was sustained.

Mr. Heavey demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the amendment by Mr. O'Dell, and the motion was carried and the amendment adopted by the following vote: Yeas, 85; nays, 7; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, DeJarnatt, Elicker,

Flanagan, Garrett, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Marsh, May, McCaffree, McCormick, McDougall, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—85.

Those voting nay were: Representatives Conner, Gallagher, Grant, Marzano, McGavick, Moon, Perry—7.

Those absent or not voting were: Representatives Ceccarelli, Day, Farr, Juelling, Lynch, Mahaffey, Rosellini—7.

On motion of Mr. Wolf, the following amendment was adopted:

On page 8, section 11, line 25, after "generally" and before the period insert "in chapter 43.03 RCW now or hereafter amended"

Substitute House Bill No. 78 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

House Bill No. 678, by Representatives Elicker, Charette, and Harris:

Limiting time for bringing actions involving construction projects.

Olympia, Wash., February 16, 1967.

Mr. Speaker:

We, a majority of your Committee on Judiciary, to whom was referred **House Bill No. 678**, limiting time for bringing actions involving construction projects, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

On page 1, section 2, line 22, after "barred" and before the period insert "": *Provided*, That this limitation shall not apply to any owner, tenant or other person in possession and control of the improvement at the time such cause of action accrues"

Newman H. Clark, *Chairman*,
Timothy H. Hill, *Vice Chairman*.

We concur in this report: R. Ted Bottiger, Donald H. Brazier, Jr., Richard U. Chapin, Robert L. Charette, Charles W. Elicker, Edward F. Harris, Mark Litchman, Daniel G. Marsh, Robert W. O'Dell, Thomas A. Swayze, Jr.

Substitute House Bill No. 137 was read the second time.

Mr. Whetzel moved adoption of the following amendment:

On page 3, section 4, beginning on line 9, strike all of sections 4 and 5

Debate ensued, Representative Whetzel speaking in favor of adoption of the amendment and Representative Bottiger speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. Bottiger yielded to question.

Mr. Perry:

"The in lieu of service charge that the city of Tacoma pays in contribution to the treasury and that the PUD's pay is voluntary. Now, when you put a service charge on, what will be the effect of this? We tried this when we put that amendment on the municipal parking lot bill here some time ago."

Mr. Bottiger:

"My understanding from conferring with my expert on the PUD's here, Mr. Jolly, is that theirs is right in the statute, that it is not discretionary. The charge on bonds would be fantastic without the severability clause."

Further debate ensued, Representatives O'Brien, Leckenby, Garrett, and Kirk speaking in opposition to adoption of the amendment, and Representatives Wolf and Perry speaking for its adoption.

Mr. McDougall demanded the previous question and the demand was sustained.

The motion was lost on a rising vote and the amendment was not adopted.

Substitute House Bill No. 137 was passed to Committee on Rules and Administration for third reading.

House Bill No. 492, by Representatives Berentson, Veroske, and Sawyer:

The motion was carried on a rising vote and the amendment was adopted.

House Bill No. 492 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

MOTION

On motion of Mr. McDougall, the House deferred further consideration of the remaining bills on the second reading calendar and the bills were ordered placed on the second reading calendar for Thursday.

Mr. Bottiger moved that the rules be suspended and that Engrossed House Bill No. 123 be returned to second reading for the purpose of amendment.

YIELDING TO QUESTION

At the request of Mr. Hill, Mr. Bottiger yielded to question.

Mr. Hill:

"Mr. Bottiger, will you explain why you amended this bill originally and why you are now asking us to take the amendment off?"

Mr. Bottiger:

"Mr. Hill, I have made a careful survey of the possibility of the bill passing with my amendment on it, and have concluded that it would not pass through both houses of the legislature. In all deference to Mr. May, who has a good bill here, I would like to see it passed, and I am taking my amendment off in hope that his bill will pass."

Debate ensued, Representative Hill speaking against the motion to return the bill to second reading for amendment.

POINT OF ORDER

The Speaker (Mr. Gorton presiding) recognized Mr. Grant on a point of order.

Mr. Grant:

"My point of order is that Mr. Hill is wandering rather far afield. He is discussing the subject of the bill rather than the motion by Mr. Bottiger."

The Speaker (Mr. Gorton presiding):

"One person is permitted to speak on each side of a motion to suspend the rules, and I think they are permitted to reasons for wishing or not wishing the motion to be granted. I think Mr. Hill is in order."

The motion was lost.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Richardson yielded to question.

Mr. McGavick:

"Mr. Richardson, I have been advised by members of the real estate commission that the effect of this bill is to prevent people who might want to enter this business and to acquire the knowledge and practical experience which would benefit them from carrying out this purpose. I have also been advised that the permit is of a temporary nature and that the protection qualities which you mention are not really present. Would you comment on that?"

Mr. Richardson:

"I would say this is a ridiculous contention. Actually today, anybody who can pay a twenty dollar fee and get somebody to give them a reasonably good character reference can get a temporary permit within forty-eight hours. Is that the kind of people we should have representing us, selling real estate in the state of Washington? One member of the real estate commission came to me the other day and made this point. He said he did not have enough real estate men available in the state of Washington. I said, 'This program is being developed with your concurrence, and I would be glad to amend this bill to make the effective date July 1, 1968.' I was merely trying to see whether he was concerned with educating potential real estate salesmen or just trying to protect the status quo. He said to me, 'No, that really wouldn't help.' He said, 'It really doesn't make any difference what you do in the House of Representatives. I will have this bill killed in the Senate.'"

Further debate ensued, Representatives Smith and Sawyer speaking against passage of the bill, and Representatives McDougall and Richardson speaking in its favor.

YIELDING TO QUESTION

At the request of Mr. Barden, Mr. Sawyer yielded to question.

Mr. Barden:

"Mr. Sawyer, you are familiar with this particular subject. Perhaps you can provide some information for me. Are there specific restrictions to this temporary license, and is there any consumer fraud activity that salesmen could engage in that would not be in concurrence with the original firm with which he applied?"

Mr. Sawyer:

"If you want to set the bill over today, I would be happy to bring out my brief on the matter. It is my understanding from recollection—I prepared the brief a couple of years ago and things may have changed—that the broker is held responsible, just as he is for any other salesman, while the holder of the temporary permit is working for him. Also, there is quite a bit of discretion within the department as to how and what is required for the issuance of these temporary permits."

Further debate ensued, Representative O'Brien speaking against passage of the bill.

MOTION

Mr. Sprague moved that the House defer further consideration of House Bill No. 479 and that the bill be ordered placed on the third reading calendar for Friday.

Those voting nay were: Representatives Avey, Backstrom, Beck, Bluechel, Bottiger, Brouillet, Chatalas, Conner, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Holman, Hurley, Jastad, Johnson, Jolly, Kalich, King, Litchman, Lux, Lynch, May, McCaffree, McGavick, Moon, Morrison, Newhouse, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Spanton, Sprague, Taylor, Thompson, Whetzel—41.

Those absent or not voting were: Representatives Mahaffey and Marzano—2.

House Bill No. 479, having received the constitutional majority, was declared passed.

RESOLUTION

House Resolution No. 67-28, by Representative O'Brien:

Whereas, The Republican-controlled House of Representatives has presented a budget to the State Senate without the necessary tax measures to support it; and

Whereas, The passage of this budget in excess of \$2 billion seemed to be predicated more upon meeting a predetermined Republican timetable than upon fiscal responsibility or legislative understanding; and

Whereas, The budget was rushed through over protests of the Democratic minority and without any recorded votes in a Committee of the Whole; a procedure which denied to the public the right to know how their representatives vote on vital issues; and

Whereas, This budget, as passed, is considered by the Democratic minority to be inadequate in some areas and misleading in others; and

Whereas, It is impossible for the Washington State Senate to adequately consider the many facets in this appropriation bill without knowing the position of the House of Representatives on the proposed increase in the sales tax to 4.5 percent or the single rate proportional income tax;

Now, Therefore, Be It Resolved, That the Republican majority of this House promptly bring forward its proposals regarding revenue and taxation for consideration of the House in order that the State Senate may intelligently appraise the expenditures authorized by this budget.

At the request of Mr. Clark (Newman H.), Mr. Spanton yielded to question.

Mr. Clark:

"In the 1951 session, I opposed this bill which you seek now to amend because there were some first degree murderers. The bill was passed and they did release those who had been confined on first degree murder at that time. I wonder why this bill is now necessary?"

Mr. Spanton:

"This is departmental request, Representative Clark, and apparently there are, as I said, a few people in this situation and, although I am not completely in favor of a lot of things that are done, I think it is a little unfortunate that we should confine one group and not the other. In other words, I think all should be treated equally, whether we agree or not."

Mr. Clark:

"They said at that time that a man or woman who had committed murder wouldn't do it again, yet one of those men who had killed his first wife killed his second wife after his release. Are you familiar with that?"

Mr. Spanton:

"I am not familiar with that particular case, sir."

The Speaker:

"Mr. Anderson, I don't believe it is in order for you to ask questions under personal privilege. Now, if you have a personal privilege point, something you want to bring to the attention of the body, that is fine, but to use this parliamentary move to ask questions is out of order."

"The question of Mr. Anderson pertained not only to this bill, but to all the bills on this consent calendar. He wanted the visitors to know that there has been agreement in the Rules Committee on this consent calendar for today, and the bills that were selected by the majority leader and myself were subject to scrutiny by the Rules and Administration Committee and placed on this calendar on the basis that they were not controversial. Therefore, there is limited discussion on these various proposals because they are not controversial. This day was set aside to consider this type of legislation. It is a custom that has been carried on in the past, when we have also had what is called a consent calendar. The bills on today's calendar fall into that category."

PERSONAL PRIVILEGE

The Speaker recognized Mrs. Lux on a point of personal privilege.

Mrs. Lux:

"Mr. Speaker, ladies and gentlemen, under 'Other Business' today, I think it is timely that we recall the other business of some yesterdays, particularly because of our interest in constitutional revision. I would note that today is the seventy-eighth anniversary of the passage of the enabling act of the state of Washington. It was passed by Congress on February 22, 1889. The people then were offered the opportunity to write a Constitution for the state of Washington, and their timetable is interesting to us to consider. They elected delegates in May. They opened the convention July 4. It was approved by the people in October and Washington was admitted on November 11. It is only possible to have such a timetable, I am certain, in a less complex society of days gone by, but in contemplation of the future, their timetable is interesting for us to consider."

MEMORIAL TRIBUTE

Representative Veroske

While anticipating this service of love and memory, I found myself wishing that it might follow the pattern set by our Quaker friends. If it did, we would gather quietly with no one person appointed to speak. All would sit in silence, each busy with his own thoughts.

It is not hard to imagine what thoughts would engage our minds in such moments of meditation. In varying sequence, they would run somewhat as follows:

A few at least would think first of the great glad gift of life.

Never do we appreciate life as much as when we linger in memory of those who no longer live with us.

Others, especially those who are older, would dwell on the brevity of life. They would recall that as children the years seemed endlessly long. They are but as yesterday, now they have passed, a little more than "a watch in the night."

This day, this place and the occasion fills us with hallowed memories. It is altogether proper and fitting that a day should be devoted in respectfully remembering the compatriots who have served during the passing of the years and now lay down their burdens. It is indeed worth our while to devote our thoughts for the momentous

and weighty life principles of service that they have given to their fellowmen. And, as surely as there is a time to sow, there will come a time to gather the harvest. For them, as for us, the life of man like the sun, rises out of darkness in the morning and sinks back into darkness at night. For them, as for us, are the same questions of mortal life and human destinies which prompted the troubled patriarch of old to ask the momentous question for which centuries have sought an answer, If a man dies, shall he live again?

Surely there is an afterlife for all who have been loyal and true, a life to which light and peace shall come, where the love, the hope and the fulfillment that escape us here shall be given us, to be ours forever. As Whittier says:

"I only know I cannot drift
Beyond His love and care."

Mr. Conner:

"Well, Representative Cunningham, as I said, this is a simple amendment and the cost is less than one percent on the construction of these facilities."

Further debate ensued, Representatives Cunningham and Mahaffey speaking against adoption of the amendment.

Mr. Heavey:

"Mr. Leland, I ask two questions. No. 1, who appoints the director of highways; and No. 2, is there a proposed change to make the director of highways appointed by the governor?"

Mr. Leland:

"I think you obviously know the answer to both. You are just bringing House Bill No. 333 on the docket two bills early. Under the present setup the commission appoints the director, and under House Bill No. 333, if passed, the governor would make the appointment. I think it is very simple."

Further debate ensued, Representatives Heavey and Avey speaking against adoption of the committee amendment, and Representatives Whetzel and Lewis speaking for its adoption.

Mr. Kink demanded the previous question and the demand was sustained.

The Clerk called the roll on adoption of the committee amendment to page 2, section 2, line 18, and the motion was lost and the amendment not adopted by the following vote: Yeas, 28; nays, 65; absent or not voting, 6.

YIELDING TO QUESTION

At the request of Mr. Leland, Mr. Beck yielded to question.

Mr. Leland:

"Mr. Beck, I don't mean anything improper by this inquiry, but the bill would have the governor appoint several directors, and you have singled out one. My question is,

do you have other amendments you are offering in that regard? Is this your single amendment?"

Mr. Beck:

"No, this is the only amendment in this particular case. I do have another amendment on the desk but it doesn't pertain to this. I do have an amendment on the desk to strike all of section 6, which pertains to assistant directors. We have a transportation commission according to this bill. I think that they should be the ones to decide who the director of transportation is going to be."

Debate ensued, Representative Beck speaking in favor of adoption of the amendment and Representative Leland speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Leckenby, Mr. Beck yielded to question.

Mr. Leckenby:

"Mr. Beck, the present highway commission has authority to appoint the director, is that not right, and they also have authority to instruct the director to operate the department in such a manner as to effect economies and to make it the most efficient department that would be possible. Is that not right?"

Mr. Beck:

"Yes, the highway commission is charged with responsibility of operating the entire department through the director of highways."

Mr. Leckenby:

"All right. If the highway department is not operated in an efficient and effective manner, is there any way that the voters can effectively say something about this, other than through a long process of electing a new chief executive and he would then have an opportunity to appoint new directors?"

Mr. Beck:

"Well, Mr. Leckenby, as you know, there can be no more than three members of any one political party on the highway commission. There is a pretty good system of checks and balances. The purpose of creating the highway commission in the first place was to get this 'pork-barrel' politicking in highways out of the hands of the politicians and let it be a continuing body."

Further debate ensued, Representative Leckenby speaking against adoption of the amendment and Representative Beck speaking for its adoption.

The Speaker resumed the Chair.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Barden, Mr. Beck yielded to question.

Mr. Barden:

"Representative Beck, looking at this bill, the bill repeals the act that provided for the commission to appoint the director and now you want to strike out the ability of the governor to appoint the director. With no subsequent amendments on the agenda, what statute would provide—or would there be anything to provide—for the appointment of the position of director of transportation?"

Mr. Beck:

"As my amendment says, the commission will be responsible for it. To go back further, in the bill it says the commission will have the power there. This just takes the authority of appointing the director of transportation from the governor and gives it to the commission."

Further debate ensued, Representative Barden speaking against adoption of the amendment.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

The Clerk called the roll on the adoption of Mr. Beck's amendment, and the motion was lost and the amendment not adopted by the following vote: Yeas, 44; nays, 53; absent or not voting, 2.

Those voting yea were: Representatives Anderson, Avey, Backstrom, Bag-nariol, Beck, Bledsoe, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Gallagher, Garrett, Grant, Haussler, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, Morrison, O'Brien, Perry, Richardson, Rosellini, Sawyer, Sheridan, Smith, Spanton, Taylor, Thompson, Walgren—44.

Those voting nay were: Representatives Adams, Amen, Barden, Berentson, Bluechel, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Murray, Newhouse, Newschwander, O'Dell, Reese, Saling, Smythe, Sprague, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—53.

Mr. Conner:

"Mr. Speaker, we have just had some sheets handed to us. I am wondering whether we should have some indication as to who is distributing the various pieces of literature that come to our desks."

The Speaker:

Mr. Clark (Newman H.) moved that the committee amendment to the bill be adopted.

YIELDING TO QUESTION

At the request of Mr. Charette, Mr. Clark (Newman H.) yielded to question.

Mr. Charette:

"Mr. Clark, by the amendment it is my understanding you are going to allow any city of less than one hundred thousand to maintain its own municipal court, but there are three pages of repealers starting on page 12 of this bill, and in the short time I have had to check, it is my opinion that we may have eliminated the municipal court. Has anybody checked all these repealers to understand their import and what they do to the municipal and justice courts?"

Mr. Clark:

"Yes, Representative Charette. In addition to yourself, the law clerks and other members of the committee did check every repealer."

SECOND READING OF BILLS

Mr. Wolf moved adoption of the following amendment:

On page 1, section 1, beginning on line 13, strike all of subsection (3) and insert:

"(3) Cooperate with other groups and organizations, when requested, in a study of programs in the general areas of athletics, physical education, and recreation in the state and report the results of its findings together with its recommendations to the legislature on or before December 30th of each even-numbered year. The authority of the state athletic commission shall not be construed to extend to the common schools, or to the state colleges or universities."

YIELDING TO QUESTION

At the request of Mr. King, Mr. Wolf yielded to question.

Mr. King:

"Mr. Wolf, I just caught part of that amendment. It said 'common schools, state colleges, and universities?'"

Mr. Wolf:

"Right."

Mr. King:

"Including community colleges?"

Mr. Wolf:

"Are they not state colleges?"

Mr. King:

"I don't believe they are, but I'm not sure."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Wolf yielded to question.

Mr. Moon:

"Mr. Wolf, I am concerned with the status of all amateur athletics and this amendment seems to exclude the common schools and universities fairly well, but what effect will this have on other amateur athletics, since the state athletics commission deals primarily with professional athletics, such as boxing and wrestling?"

Mr. Wolf:

"The intent here, Mr. Moon, is that when the athletics commission is asked to lend their weight by publicity and promotion of programs in the state of Washington such as the Little League, the door is open for the commission to make press and create a real interest in these things. If they are asked to cooperate, they could do so. This has nothing to do with regulations or supervision. It is only in the interest of promoting all phases of athletics in the state of Washington."

On motion of Mr. King, the following amendment to the amendment was adopted:

Amend the amendment by Representative Wolf inserting a new subsection (3) as follows: After "common schools," and before "or to" insert "community colleges,"

The Speaker (Mr. Copeland presiding) declared the question before the House to be the adoption of the amendment as amended.

The motion was lost.

Mr. Moon moved adoption of the following amendment to the amendment by Mr. Wolf:

Amend the amendment by Representative Wolf inserting a new subsection (3) as follows: After "when requested" and before the comma insert "by said groups and organizations"

POINT OF ORDER

The Speaker (Mr. Copeland presiding) recognized Mr. Wolf on a point of order.

Mr. Wolf:

"Mr. Speaker, can you have an amendment to an amendment to an amendment?"

RULING BY THE SPEAKER

The Speaker (Mr. Copeland presiding):

"We have already adopted an amendment to your amendment. If Mr. Moon's amendment is something other than to strike the provisions that were inserted by Mr. King, it would be in order."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Adams yielded to question.

Can they not be licensed the same as any other individual by qualifying themselves by taking the state board examination and in so doing become licensed in this state?"

Mr. Adams:

"They can become licensed if they wish to practice outside the institutions. We had a shortage of help and in order to induce some of these men to come out and take these important positions as psychiatrists, we granted them temporary permits. They took positions under the jurisdiction of the institutions and came in with that in mind. They don't intend to go into private practice. We thought we should grant them the grandfather clause. It only involves about eight or ten of them. They can become licensed if they choose to practice outside the institutions."

Substitute House Bill No. 137, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

Although we support the meritorious purpose of this bill to authorize the establishment of trade centers by ports, we voted against this bill because of inclusion of the severability clause. In the event a court determines the provisions in Section 3 for payment of an annual service fee are unconstitutional, port districts could construct a trade center which could provide essentially tax-free office space for private enterprise. We are opposed to further erosion of the tax base in this manner. Already existing tax exemptions have created serious revenue problems for local governments which largely depend on property tax revenues. Further exemptions will increase the burdens on the remaining homes and businesses subject to property taxes.

A trade center should be limited to trade purposes and not be a potential haven for avoidance of property taxes.

Engrossed House Bill No. 323, by Representatives Saling, Hoggins, and Garrett:

Establishing teaching professional practices commission.

Debate ensued, Representatives Saling, Clarke (George W.), Brouillet, and Garrett speaking for passage of the bill, and Representatives Litchman, Sprague, and King speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. Brouillet yielded to question.

Mr. Perry:

"Mr. Brouillet, you alluded to the fact that this would in some way raise the educational abilities of our teachers and assist them generally. Specifically, what does this do intellectually to raise the teachers' ability to teach?"

Mr. Brouillet:

"My comments were that this is a step in the direction of making the educational profession a stronger profession. We hope thereby to attract more and more highly capable people. Not that the people aren't capable now, but we have a great shortage of competent people in the United States and I think one of the areas into which we should try to attract them is the teaching profession. I don't think anyone in the House would object to efforts to attract the best of our young people into teaching. I

think we won't do so until we have some type of professional status on a higher level, perhaps some day comparable to that of the medical and legal professions which automatically attract competent people. I think we should do anything we can to encourage this type of thing and that was the thinking behind my remarks."

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 323, and the bill passed the House by the following vote: Yeas, 77; nays, 21; absent or not voting, 1.

Those absent or not voting were: Representative Day—1.

Engrossed House Bill No. 323, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

The bill establishing a professional practices commission for classroom teachers is a good conceptual approach but failed in my opinion to establish a broad enough participation by the classroom teacher in adopting the standard by which they would be governed.

While an opposite point of view is defensible, it was my conclusion that I could not in conscience vote for the bill with its potential risks to the teachers it will have authority to discipline.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Honorable John Brademas, United States Congressman from Indiana, and appointed Representatives O'Brien, Chatalas, and Harris to escort him to a place on the rostrum beside the Speaker.

The Speaker:

"I would like to ask Representative O'Brien to introduce our honored guest."

Mr. O'Brien:

"Mr. Speaker, Congressman Brademas, members of the House of Representatives, it is a great honor and pleasure for me today to introduce to you one of the outstanding members of the United States Congress, a gentleman who has had a very fine record in the Congress and who prior to going to Congress also had some great honors in the academic world. He was a Rhodes scholar from Indiana. He also received the distinguished service award as Young Man of the Year in 1960 from the South Bend Junior Chamber of Commerce, and had had the fine distinction and pleasure of serving as executive assistant to Adlai Stevenson in the years of 1955 and 1956. He has served in Congress on the very important House Education and Labor Committee, and is the ranking member on two education subcommittees, in addition to having served on other important committees.

So he is doing very well and, as a member of our party, we certainly are very proud of his achievements. He is serving his fifth term as a member of Congress and has distinguished himself as a very able gentleman. I am sure that the message he is going to bring to you today will give you some idea of the many problems that are being considered in Congress relative to the all-important area of education. It is now my great honor to present to you the Honorable John Brademas, Congressman from Indiana.

Congressman Brademas:

"Mr. Speaker, Mr. O'Brien, my distinguished colleagues, fellow legislators, I count it a very high honor indeed to have been invited to speak to you this morning. As I rise to address you, I cannot help reflecting upon the story told of Winston Churchill back in those days of 1930 when Adolph Hitler was on the rise in Western Europe and Churchill was the lone voice in the House of Commons speaking out for increased military preparation. To illustrate his point, he told of a man, who, on receiving word that his mother-in-law had died out in Brazil and being asked as to how the remains should be disposed of, cabled back, 'Embalm, cremate, and bury. Take no risks.' I hope that you will not think it is too great a risk to allow a Hoosier Democrat from out in Washington, D.C. to address the Republican-controlled House here in the state of Washington. I would like, if I may, to talk with you about some common tasks that confront all of us as legislators, whether we are Democrats or Republicans, federal legislators, or state legislators.

"In 1953 Leonard D. White, a professor of political science, offered a gloomy prophecy about state government in the United States. He said, 'If present trends continue for another quarter century, the states may be left hollow shells, operating primarily as the field districts of Federal departments and dependent upon the Federal treasury for their support.'

"Confronted with this dour view of state government, former President Harry Truman offered a characteristic retort: 'I am of the opinion that most of these professional political scientists know very little about government as it is operated.'

"I come before you today, I must confess, not only as a former college teacher of political science, but also as a member for over eight years of the larger half of another often maligned institution, the Congress of the United States.

"I need not remind you that on institutional, not to mention other grounds, Congress has almost—but not quite—as many critics as state government. As one of the less vitriolic critics, Professor Samuel P. Huntington of Harvard wrote rather ungraciously in 1964: 'Congress can assert its power or it can pass laws, but it cannot do both.' In other words, Congress is either obstructionist or a rubber stamp. It cannot be both creative and constructive. I dispute this view hotly, but I am fully aware that Congress, like state legislatures, has been charged with much worse!

"To judge by our critics, then, we in Congress and you in state legislatures share membership in the populous club of embattled institutions. I am confident, however, that we also share something far more important—a deep concern for responsive and effective government at all levels of our Federal system. It is precisely this purpose of responsible government which critics of the institutions we represent often accuse us of failing to achieve, and it is this purpose—and how we achieve it—that form the substance of my remarks to you today.

"Let us consider for a moment the nature of our problem. It is clear to me as a Federal legislator, and I am sure to you as state legislators, that for the American Federal system to function properly, all members of the partnership must be strong, vigorous, and efficient.

"But the operative question that we must raise at each level of government is this, How well equipped, and how well disposed, is government, local, state, or Federal, to assume its current responsibilities and to take on additional burdens at an ever increasing rate?

"When we raise this question vis-a-vis with the states, we run into some rough weather. One close observer of the states, Roscoe C. Martin, reflects a widely held viewpoint about the states' capacity to react positively and effectively to the demands of a new age. After painstaking documentation of his case Martin writes:

"We have concluded that state constitutions are outmoded and inflexible; that the legislators, identified as the keystone of the democratic arch, are not representative; that resources, partly from deliberate choice, are inadequate; that the atmosphere is not congenial to the embrace of new programs; and that state horizons are severely limited by prevailing mythology. Only with respect to administrative organization was the state's house judged to be in reasonably good order, and by common consent there is ground for improvement there."

"This is indeed a harsh indictment of the performance of the states. Certainly not all state governments are guilty on every count, and in individual fields—such as Washington's performance in education—some states have registered enviable records. But I believe in all candor that it is accurate to say—and I think you will bear me out on this—that states that manage to avoid all the pitfalls that Martin sets forth are by far the exception, and not the rule.

"These historical shortcomings of state government are in themselves grave enough. But in the past several years they have been complicated by one of the most enormous administrative tasks ever to confront any government. I am speaking, of course, of the wide spectrum of new Federal programs passed by the 88th and 89th Congress for the development of our human and physical resources.

"Statistics help convey the impact of these programs in health, education, urban renewal and many other fields, on our Federal, state and local administrative structures. In 1946 the Federal government spent \$894 million to help state and local governments augment their public services. In fiscal year 1967 that figure will exceed \$14 billion and it will cover more than 170 separate programs administered by 21 departments and agencies.

"The Federal government—not just the states—has sharply felt the impact of this rapid growth on its administrative capacity. For one thing, overlapping authorities appear the order of the day. At least three departments—Commerce, Labor, and Health, Education and Welfare, as well as the Office of Economic Opportunity—are authorized to provide jobs and vocational training for the hardcore unemployed. At least four departments—Agriculture, Interior, and Commerce, and HUD—and one agency, the Appalachian Regional Commission, are in the business of dispensing water and sewer grants. And nearly every department and agency can boast some program that applies to solving the problems of the cities.

"Shortages of topflight people to staff the new programs are just as serious. Says John Gardner, the extremely able Secretary of the Department of Health, Education, and Welfare, 'Our organizational aspirations have outrun our organizational abilities.'

"To find our way out of this 'management muddle,' the phrase of Senator Edmund Muskie, former Governor of Maine and now chairman of the Governmental Relations subcommittee that has probed deeply into the capacity of the Federal system to absorb new funds and programs, we must turn our attention at least partly from the policies of government to the processes.

"I am pleased to tell you that in the Federal government some important steps in this kind of review and reorientation have been taken. We have already seen, for example, a full reorganization of the Department of Housing and Urban Development and a substantial realignment of what Presidential aide Douglass Cater calls the 'highly fragmented fiefdom' of health, education, and welfare. The very creation of the Department of Transportation is an attempt to pull together and rationalize transportation functions previously exercised by a dizzying series of agencies.

"There is evidence, too, of closer cooperation between departments on issues that have often precipitated intense bureaucratic battles. Secretary Gardner, for example, has established a Center for Community Planning to match the urban-oriented programs of his department with those of Housing and Urban Development. Similarly Labor and the Office of Economic Opportunity have shown marked improvement on jurisdictional questions in the manpower field.

"I do not mean to suggest that in the area of rational and effective programming, Washington has put its own house fully in order. We on Capitol Hill are alternately

dismayed and amused by major administrative shortcomings as well as by a wide assortment of peccadilloes committed by the departments and agencies of the Executive Branch. With the added impetus of a more conservative Congress this year, we in Congress—and particularly, I might say, in the Education and Labor Committee on which I sit, where much of the domestic legislation originated—are devoting considerable time in the current session to close scrutiny of both the substance and the administration of the full range of Federal programs. To put the point another way, Congress is likely this year to give particular attention to our duty to oversee the administration of legislation.

"But even more important than the rationalization of Federal procedures is the sharpening of the administrative skills and capacities of state and local governments. Many State governments already suffer some severe built-in deterrents to effective operation. I refer, for example, to the restrictions imposed by the 19th century constitutions on borrowing and taxing, and even on the ability to convene legislatures frequently enough to deal with the business facing modern states.

"In this light the fate suffered across the nation last November in the vast majority of state referendums for governmental reform is a cause for the deepest concern. It seems fair to conclude that many voters either failed to understand or refused to accept proposals to overhaul state government to meet burgeoning administrative and fiscal demands.

"Nebraska voters, for example, not only defeated the income tax their legislature had proposed but also voted down the state property tax, thus precipitating a total loss of major tax revenues. Utah and Missouri turned down proposals to allow planning to begin for metropolitan governments. Kentucky rejected a modernized constitution. West Virginia overwhelmingly defeated proposals to establish annual 60-day legislative sessions, raise legislators' salaries by \$2500, and enable the Governor to succeed himself for a second term.

"I do not want to contend that all of these proposals are of equal merit. And I must note that in five states, for instance, antiquated constitutional restrictions on meetings of the legislatures were removed. Still it remains clear that without favorable action on referendums like these, states simply cannot respond effectively to their racial problems, their ancient transportation systems, their slum housing and poverty, their inadequate schools, their overcrowded hospitals and institutions, or their polluted air and water. Instead parsimony and indifference appear to carry the day.

"For the states, and particularly for state legislators, this evidence from the November elections presents a serious paradox: The consumers of public services demand more and more but want to pay less and less taxes. If the public services are not provided, it seems inevitable that the consumers of public services will revolt. And yet consumers are reluctant to equip the states to forestall the uprising with garrisons of responsive and effective state programs.

"I believe that for the states to survive as viable partners in the Federal system, they will have to overcome this reluctance of consumers and win their trust and support. The states will have to approach consumers with the skill and aplomb of the private sector—at its best. They must win over consumers not with the sirens of planned obsolescence or eternal youth, but rather with courageous political leadership and the firm promise of first-rate government.

"This new kind of leadership, which has already found its way into a growing number of states, including Washington, is a ray of hope in the darkening gloom that has enveloped many aspects of state government. I am pleased to report to you that I see other rays of light for renewed vigor in state governments, and I would like to describe them briefly to you now.

"First, I see great hope in the effect of reapportionment of the state legislatures. As the full impact of the one-man-one-vote principle is registered, legislatures will inevitably be able to respond more directly to the thorniest problems of their constituents. State legislators will be able to perform, with far greater relevance to the serious needs of the state, their essential duty in democratic government of explaining, justifying, and interpreting legislation and of interceding on matters of state policy on behalf of their constituents.

"Second, I see great hope in the development of first-rate cadres of highly talented young men and women to enter and improve the administrative services of state and local government. It was, indeed, for this reason that I introduced in the House of Representatives earlier this week the Public Service Education Act of 1967, a bill designed to equip public officials at all levels of government to deal capably and imaginatively with the ever more complex questions that confront them.

"In addition, my bill will help attract more talented young people to work in local and state government by providing fellowships for up to two years of graduate study for persons planning to pursue public service careers. The bill authorizes \$46 million for a total of 3,750 fellowships over the next five years. These fellowships are for graduate study in public administration and public affairs at our colleges and universities.

"As part of the fellowship programs, colleges and universities can arrange internships in state and local government, much as we in Congress now do with many outstanding students during the summer in Washington.

"My bill will also enable men and women now working in state and local governments to improve their professional qualifications by graduate study and through short-term in-service training. City administrators, state water pollution experts, or police officials, for example, could go to the best colleges and universities in the country to catch up on the newest techniques in their fields.

"Under this part of the Act, states will receive Federal grants to enable state and local government officials to do graduate work or to take special in-service courses. My bill authorizes \$85 million over five years for such programs.

"The Public Service Education Act also provides grants to colleges and universities to develop the strongest possible programs in public administration and public affairs. We need the best people we can get in the public service, and we cannot expect institutions of higher education alone to shoulder the financial burden of producing them. This section of the bill establishes a five-year, \$70 million program of grants to participating colleges and universities.

"My bill also provides some 3,200 graduate fellowships for Federal employees as well as a system of sabbatical leaves for career Federal employees in the supergrade category. Under this section, high level career employees would be eligible to apply for one year of study, reading, or research for every seven years of high Federal service. This provision, like some others in my bill, could profitably be considered for legislative action by the many state legislatures who are concerned about attracting to and retaining in state government service men and women of the first rank.

"The importance of a Public Service Education Act was made strikingly clear last year in a Senate hearing on intergovernmental relations. Senator Robert Kennedy insistently lectured the witness, Bureau of the Budget Director Charles L. Schultze: 'If we can get to the moon, it just seems to me we do not have to sit here and be frustrated year after year about how to coordinate the Federal government and the local communities and the problems that affect this country over the period of the next decade.'

"Mr. Schultze replied, 'The laws of celestial mechanics are pretty well fixed. The law that covers the behavior of the states and local officials is very far from that.'

"My bill will, I am confident, at least help bring some of these certainties to state government!

"Third, I see great hope in the development of improved patterns for channeling Federal funds into states and localities to assist in the solution of governmental needs. We in Congress are now subjecting the dominant grant-in-aid patterns to close scrutiny, and I am confident that our efforts will improve the current structure, some of whose liabilities I have already discussed with you.

"I would like to say a few words, however, about one alternative pattern that has received extraordinary attention during this session of Congress: the taxback, or tax-sharing plan. Most tax-sharing bills call for a shift from grants-in-aid under Federal supervision to an allocation of Federal revenues to the states with few or no strings attached. The bill sponsored by Congressman Charles Goodell of New York, for example, would return 5 percent of the Federal revenue from individual income taxes to the states on the basis of population, but modified by a tax-effort ratio and income equalization factor. Half the taxback would be turned over for unspecified state use. Forty-five percent would be earmarked for local government needs. The remaining five percent would go to strengthen state management machinery and methods.

"This kind of plan has had an almost mystical appeal for many of my colleagues in both Houses of Congress and their enthusiasm is shared by many Governors, notably your own Governor Dan Evans. My friend and colleague, Morris Udall of Arizona, has perhaps analyzed the reasons better than anyone else: 'This enables you,' he says, 'to be for states' rights, against the larger federal bureaucracy and at the same time get goodies for the folks back home all at once—all wrapped up in a neat little bundle.'

"I am eager, as I am sure many of you are, to see a full Congressional inquiry into the merits of some form of tax-sharing, but I feel compelled to raise several major questions about it. I would be opposed, for instance, to seeing massive new Federal revenues channelled solely into state highway funds, or perhaps used chiefly to make significant reductions in local property tax burdens. Similarly, we would most of us be opposed to the use of new Federal revenues for programs that would perpetuate patterns of racial discrimination. Furthermore, the mayors of America feel strongly that if there is to be any tax-sharing, hard-pressed cities should be able to take part in it, too. In light of the increasing urbanization of this country, theirs is a point of view we cannot overlook.

"But what concerns me most of all about tax-sharing is the carefree notion some associate with it that the Federal government can painlessly exact taxes that the states cannot exact. There is no provision in the constitution of most states that prohibits the levying of income taxes, and given similar tax structures, there is nothing more onerous about state tax collections for education, health, and other human and physical resource development programs than there is about collections by the U. S. Internal Revenue Service.

"The crucial point here—and I say this in full awareness of your current debate on tax policy here in Washington—is that tax-sharing greatly undermines the revenue-raising responsibilities of the states. By authorizing a separation of tax powers from spending powers, tax-sharing would thereby deal a severe blow to the Federal system.

"What the states really need, in my judgment, are both the *opportunity*, and the *incentive*, to enter the income tax field. I want to make it quite clear that I strongly favor careful Congressional scrutiny of existing patterns for Federal grants-in-aid to state and local government. At the same time, however, I fear that tax-sharing, at least as many currently conceive it, may reflect an abrogation of state obligations and be fraught with pitfalls for responsible state government.

"Finally, I see great hope in the ferment in a number of states, including Washington, for sharp improvement in state and local government. Here you are vitally concerned with improved state and local planning, a department of transportation, and strong model measures in air and water pollution. I find it highly encouraging that New Jersey, having created a department of community affairs, is now moving to become the first state with a public-defender system, and has plans to enter the field of middle-income housing; and, that Colorado Governor John Love has lashed out at 'organizational patterns of the 19th century' and plans to overturn them.

"I see considerable promise in new patterns like the regional commissions—the Appalachian, the Upper Great Lakes, the Ozarks, and last month the New England—set up under the Economic Development Administration, to tackle the economic revival of areas of persistent poverty. The directors of these commissions share with the Governors of the 24 states involved the authority to rationalize and redirect Federal funds flowing to the states and to the cities and counties within them. While these directors exercise veto power, so, too, do the Governors who thus receive an important extension of their supervisory authority over the grant-making process to local communities.

"Also promising are programs like the Education Compact of the States and the Institute of the States proposed by former North Carolina Governor Terry Sanford—"a conscience," Sanford calls it, "for the states, a means by which they might call themselves to task, moving to provide the positive services the people require."

"These are all reasons for hope in the revitalization of the states as part of the Federal system, and although the states have, in terms relative to their needs, moved forward to date only by fits and starts, I am both as a Member of Congress and as one deeply committed to a strong and working Federal system, encouraged and gratified by these developments.

"Few persons take seriously, I am convinced, the suggestion that we supplant the states with new units of government. Proponents of this position would find themselves like the Australian bushman who wanted a new boomerang but couldn't figure out how to throw the old one away!

"Yet your own Governor has stated the issue in its starkest terms: 'State governments are unquestionably on trial today. If we are not willing to pay the price, if we cannot change where change is required, then we have only one recourse. And that is to prepare for an orderly transfer of our remaining responsibilities to the Federal government.'

"On this matter, too, our interests coincide, for as a Federal legislator I look forward to that dark day with no greater relish than you. You can forestall that day, and with

a renewal and deepening of your clear commitment to government of the highest quality, you can measurably *advance* the day when the states, and the State of Washington in particular, can assume full and responsible partnership in the Federal system.

"As Alexis de Tocqueville observed in *Democracy in America*, ' . . . Americans have extraordinarily good sense and practical judgment . . . in the ingenious devices by which they elude the numberless difficulties resulting from their Federal constitution.' This analysis still stands. With good sense, practical judgment, ingenious devices—and with continuing political courage—you as Washington state legislators can move ahead to make your state a model for the country, and a source of assurance and pride to those of us who live and work in your namesake on the Potomac.

"Let me then close with the words that President-elect John F. Kennedy delivered shortly before his inauguration seven years ago to the Legislature of his native Massachusetts. President Kennedy said:

"I have been guided by the standard John Winthrop set before his shipmates on the flagship *Arabella* 331 years ago, as they, too, faced the task of building a government on a new and perilous frontier.

"We must always consider,' he said, 'that we shall be a city upon a hill—the eyes of all people are upon us.'

"Today the eyes of all people are truly upon us—and our governments, in every branch, at every level, national, state, and local, must be as a city upon a hill—constructed and inhabited by men aware of their grave trust and their great responsibilities.

"Thank you."

Mr. O'Brien:

"I am sure, Congressman Brademas, that I can speak for all the members of the House of Representatives when I say that you have given us a truly inspiring message that has covered a wide variety of very important issues, some of which, I can assure you, we are considering at this session of the legislature. It was certainly an enlightening message and we appreciate your coming here today."

The Speaker requested that the committee escort Congressman Brademas from the rostrum.

The House resumed consideration of bills on the third reading calendar.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Adams on a point of personal privilege.

Mr. Adams:

"Mr. Speaker, each year there is usually one statement of the year, the prime statement of the year, and I am reminded of this, having heard the talk that the Congressman just made in which he points out that the federal government is going to exercise more supervision and give more attention to the way the money is handled by the executive branches and see how they can improve the way it is channeled to the state. This morning in committee my colleague, Dr. Humiston, made what I think is the prize statement of the year. He said, 'When the federal government moves the hose, we change the bucket.'"

"Normally there has been no problem in this area and they do not expect any problem, Mr. Moon, with this change in the law. What really has happened in the past is that the state departments have said that they did state a preference, but the bids were awarded without any real consideration of the products offered. I think this is a two-way street and this bill will do a job both ways."

PERSONAL PRIVILEGE

The Speaker (Mr. Garrett presiding) recognized Mr. Moon on a point of personal privilege.

Mr. Moon:

"Mr. Speaker, my remarks pertain to this bill as well as to quite a number of the others I have noticed on this calendar. I see this one has a 'Do Pass' report signed by twenty of the twenty-five members of the committee. I am concerned about the rapid pace at which we are passing these bills on the consent calendar. I haven't had an opportunity until late this afternoon to even see what the flash calendar was or the opportunity to go over these bills and find out what they are. I am surprised, since they are on the consent calendar, that they don't have a complete committee 'Do Pass' report on them. I just wanted to voice my objection."

The Speaker (Mr. Garrett presiding):

"Thank you, Mr. Moon. It is my understanding that anyone who wishes any of these bills taken off the calendar and wishes them to go back to Rules can make that request. One individual can do this. I am sure this is what the understanding was when the consent calendar was adopted."

RESOLUTION

House Resolution No. 67-32, by Representative Perry:

Whereas, The natural resources of the Pacific Northwest are both a bounty of scenic beauty and a basis of economic wealth; and

Whereas, It is obvious that our natural resources are not inexhaustible, therefore, we must use them in such ways as will return the greatest economic gain to our area while at the same time making certain these resources last as long as possible; and

Whereas, Of all these natural resources, one of the most important is water and waterpower; and

Whereas, This limited resource should be used so that it will produce the greatest economic wealth for the greatest number of people in the Pacific Northwest; and

Whereas, Experience has shown us that jobs produced per kilowatt-hour used will vary greatly from industry to industry; and

Whereas, These kilowatt-hours should be used to produce as many jobs as possible for the Northwest;

Now, Therefore, Be It Resolved, By the Washington State House of Representatives, That we express it as our intent that the water and waterpower resources of this state should be used so that those industries producing the maximum jobs per kilowatt-hour used will have priority on its use.

And Be It Further Resolved, That it is also our intent that this water and waterpower should be used on a priority basis by those industries producing goods primarily for the American market.

And Be It Further Resolved, That copies of this resolution should be sent to the President of the United States, the Governor of the State of Washington, and the Administrator of the Bonneville Power Administration.

On motion of Mr. Perry, the resolution was adopted.

EXPLANATION OF VOTE

We voted against Mr. Smith's motion to rerefer House Bill No. 426 from the Judiciary Committee to Second Reading.

This is a dangerous precedent. It completely bypassed the committee system in the House. In our tenure in the legislature it is the first time we have ever seen such a thing happen.

The record will show that we have almost consistently supported Civil Rights issues. We did not regard the vote on this matter as a vote against Human Rights.

YIELDING TO QUESTION

At the request of Mr. O'Dell, Mr. Marsh yielded to question.

Mr. O'Dell:

"Mr. Marsh, were you given an opportunity to present any amendments to House Bill No. 596, which might have been applicable to the Clark county location?"

Mr. Marsh:

"During the House Higher Education committee meeting in which House Bill No. 596 was considered, I asked the committee chairman for the floor for the purpose of making an amendment to House Bill No. 596. I further stated that two of the Representatives desired to make additional amendments to House Bill No. 596. The committee chairman stated she would not recognize anyone for the purpose of making amendments, that she would only recognize a motion to move the bill out of the Higher Education Committee. She stated, 'We are not here for the purpose of making amendments.'"

PERSONAL PRIVILEGE

The Speaker recognized Mrs. Lynch on a point of personal privilege.

Mrs. Lynch:

"Mr. Speaker, I think Mr. Marsh has impinged on my immunity or whatever it is."

The Speaker:

"Whatever it is, I think you are right."

YIELDING TO QUESTION

At the request of Mr. Charette, Mr. O'Dell yielded to question.

Mr. Charette:

"Mr. O'Dell, on what just took place between you and Mr. Marsh, if I brought some musicians in here, would you dance to it?"

Mr. O'Dell:

"If it is necessary in order to get the bill referred back to committee. That was the reason for it. There has been some discussion whether this has been properly considered in committee and we wanted to clear up that proposition. We thought this should be rereferred, since they can't say there has been fair consideration given to this bill. All we want is fair consideration."

Debate ensued, Representative Lynch speaking against the motion to rerefer House Bill No. 596 to the Committee on Higher Education.

Mr. Grant demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Moon and Marsh speaking in favor of the motion, and Representatives Wolf, Anderson, Goldsworthy, and Kalich speaking in opposition to the motion.

Mr. Charette demanded the previous question and the demand was not sustained, on a rising vote.

MOTION

Mr. Gorton moved that the motion to rerefer House Bill No. 596 to Committee on Higher Education be laid on the table.

Mr. Grant demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Moon on a point of parliamentary inquiry.

Mr. Moon:

"Mr. Speaker, will this motion to table take the entire bill with it?"

RULING BY THE SPEAKER

The Speaker:

"No, it will not, Mr. Moon."

The Clerk called the roll on the motion to lay on the table the motion to rerefer House Bill No. 596 to Committee on Higher Education, and the motion to table was carried by the following vote: Yeas, 56; nays, 42; absent or not voting, 1.

Those voting yea were: Representatives Adams, Amen, Anderson, Barden, Beck, Berentson, Bledsoe, Bluechel, Brazier, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Holman, Hubbard, Humiston, Jueling, Kalich, Kink, Kirk, Kopet, Leckenby, Lux, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, Reese, Richardson, Saling, Spanton, Sprague, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—56.

Those absent or not voting were: Representative Leland—1.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Day on a point of parliamentary inquiry.

Mr. Day:

"When the motion to demand the previous question has lost and debate then should properly ensue, is it proper to supersede that motion with a motion to lay on the table before debate has ensued?"

The Speaker:

"The matter is before us once the motion has failed."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Sawyer on a point of parliamentary inquiry.

Mr. Sawyer:

"Mr. Speaker, is this what we were worried about when we were talking about the gag rule?"

The Speaker:

"What is that, Mr. Sawyer?"

Mr. Sawyer:

"I think this motion to lay on the table was debated at great length. Mr. Gorton said it was going to be judiciously used; in other words, that it wasn't going to be abused. I said at that time that whenever you give somebody power, they always abuse it. I think this is a perfect example."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, the debate we had on the motion to lay on the table didn't involve this kind of motion at all. This has been possible since the beginning of the legislature. As a matter of fact, Mr. O'Brien used to recognize it before the gentleman could put the motion to lay on the table."

The Speaker recognized Mr. Perry.

Mr. Perry:

"Mr. Speaker, I think the point Mr. Gorton made is interesting, because when we agree to lay the motion on the table, I don't think we were talking about substantially the same question. I think by a majority vote of the members of this House we have always been able to do just what was done."

MOTION

Mr. DeJarnatt moved that House Bill No. 596 be rereferred to Committee on Appropriations.

Debate ensued, Representative DeJarnatt speaking in favor of the motion and Representative Lux speaking in opposition to it.

Mr. Marsh demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Litchman, Mr. Goldsworthy yielded to question.

Mr. Litchman:

"Mr. Goldsworthy, in light of this motion to rerefer to your committee, is it your honest opinion that a four-year college would involve some expense by this state or is it going to be a free college?"

Mr. Goldsworthy:

"I think we can assume a new four-year college is going to require an appropriation. I would point out, in opposing this motion to rerefer to Appropriations, that we have deferred that until after the passage of this bill. If you pass a bill authorizing a four-year college it will require an appropriation. However, that will be in the supplemental budget and is not in the budget now, so there is little reason for the bill to go to the Appropriations Committee."

Mr. Litchman:

"Sooner or later you are going to have to take a look at the appropriation for a four-year college, is that not correct?"

Mr. Goldsworthy:

"That is a very astute statement."

MOTION

Mr. Gorton moved that the motion to rerefer House Bill No. 596 to the Committee on Appropriations be laid on the table.

Mr. Grant demanded an electric roll call and the demand was sustained.

The Clerk called the roll and the motion to table the motion to rerefer House Bill No. 596 to Committee on Appropriations was carried by the following vote: Yeas, 58; nays, 40; absent or not voting, 1.

Those voting yea were: Representatives Adams, Amen, Anderson, Barden, Beck, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Holman, Hubbard, Humiston, Jastad, Juelling, Kalich, Kink, Kirk, Kopet, Leckenby, Lewis, Lux, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, Reese, Richardson, Saling, Spanton, Sprague, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—58.

Those voting nay were: Representatives Avey, Backstrom, Bagnariol, Bottiger, Bozarth, Brouillet, Ceccarelli, Chatalas, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hoggins, Hurley, Johnson, Jolly, King, Kiskaddon, Litchman, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, O'Dell, Perry, Rosellini, Sawyer, Sheridan, Smith, Smythe, Taylor, Thompson, Walgren, Zimmerman—40.

Those absent or not voting were: Representative Leland—1.

MOTION

Mr. O'Brien moved that the House defer further consideration of House Bill No. 596, and that the bill be made a special order of business following consideration of House Bill No. 548 on second reading.

Debate ensued, Representative O'Brien speaking in favor of the motion, and Representatives Wolf and Gorton speaking against it.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative King speaking in favor of the motion.

MOTION

Mr. Holman moved that the motion to make House Bill No. 596 a special order of business following House Bill No. 548 be laid on the table.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

The Clerk called the roll and the motion to table the motion to make House Bill No. 596 a special order of business following House Bill No. 548 was carried by the following vote: Yeas, 57; nays, 41; absent or not voting, 1.

Those voting nay were: Representatives Avey, Backstrom, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Chatalas, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hurley, Johnson, Jolly, King, Kiskaddon, Litchman, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, O'Dell, Perry, Rosellini, Sawyer, Sheridan, Smith, Smythe, Sprague, Taylor, Thompson, Walgren, Zimmerman—41.

Those absent or not voting were: Representative Leland—1.

Mr. Wolf moved adoption of the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Wolf yielded to question.

Mr. Moon:

"Mr. Wolf, do you know how much it will cost to establish a four-year college, to get this college started?"

Mr. Wolf:

"Mr. Moon, it is my understanding that the governor in his budget message asked for nine hundred six thousand dollars for planning. There are plans for the board of regents to do some faculty studies and investigate the various problems involved in getting a four-year college off the ground. This is one of the big concerns, I think, of the House today, that we get started, so that these students are able to begin college as soon as possible."

Mr. Moon:

"Mr. Wolf, I would refresh your memory. This appropriation included not only initial planning but funds for site acquisition. I was wondering if perhaps you know the division—how much is actually going to be needed for site acquisition and how much is going to be needed for the initial planning of the four-year institution."

Mr. Wolf:

"The appropriation was written so that as much may be used for the site as necessary. In the case of Thurston county, we have six hundred seventy acres that are available at no cost except for such small things as title fees."

Mr. Moon:

"The point I am trying to make is that funds were appropriated in excess of nine hundred thousand dollars to include site acquisition, and since Thurston county has free land available, my opinion is further strengthened that we will have sufficient funds to begin the operation of two four-year colleges. Certainly, this is what we need in the higher education field in the state of Washington."

Mr. Wolf:

"Speaking directly to the point, the study approved one college, and, in addition, went a little further and said we should continue to look at the situation because there may be a further need. If you are suggesting that we are talking today about funding two colleges, maybe there are people in the House who believe we should move that fast. I for one think we should follow the recommendations of the council set up to study this proposition. I am sure that if the money is not needed for the site in the judgment of a board of regents from across this state of Washington, it would revert to the general fund."

The motion was carried and the committee amendment was adopted.

Mr. Jastad moved adoption of the following amendment:

On page 2, section 1, line 10, strike "ten miles of Olympia" and insert "three miles of the Aberdeen Interstate 5 highway interchange"

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Moon on a point of parliamentary inquiry.

Mr. Moon:

"Mr. Speaker, are we going to take these amendments section by section, one at a time?"

The Speaker:

"We are trying to put these amendments in groups by areas. We will consider them by areas."

Debate ensued, Representatives Jastad and Anderson speaking in favor of adoption of the amendment, and Representatives Lux and Smythe speaking against its adoption.

Mr. Charette demanded an electric roll call and the demand was not sustained.

YIELDING TO QUESTION

At the request of Mr. Moon, Mrs. Lux yielded to question.

Mr. Moon:

"Mrs. Lux, when you refer to the report of the temporary advisory council on higher education in saying that they had made projections for the number of unserved students in the different areas, what year was this based on?"

Mrs. Lux:

"Dr. Moon, as we have discussed in this chamber today, these were based on the most recent studies done by the census board available to the committee at that time."

Further debate ensued, Representative Moon speaking in favor of adoption of the amendment.

The Speaker:

"Mr. Moon, I think you are making remarks without stating your position for or against the amendment. Will you confine your remarks to the amendment before us?"

Further debate ensued, Representative Moon completing his remarks, and Representative Kalich speaking in favor of adoption of the amendment.

The motion was lost and the amendment by Mr. Jastad to page 2, section 1, line 10 was not adopted.

Mr. Jastad moved adoption of the following amendment:

On page 2, section 1, beginning on line 9 after "county" and before "of Olympia" on line 10, strike "within a radius of approximately ten miles" and insert "south"

Debate ensued, Representatives Jastad and Kalich speaking in favor of adoption of the amendment.

Mr. Heavey demanded an electric roll call and the demand was sustained.

The Clerk called the roll, and the motion was lost and the amendment by Mr. Jastad to page 2, section 1, beginning on line 9, not adopted by the following vote: Yeas, 35; nays, 63; absent or not voting, 1.

Those voting yea were: Representatives Anderson, Avey, Backstrom, Bagnariol, Beck, Bozarth, Ceccarelli, Chapin, Charette, Chatalas, Day, Flanagan, Garrett, Grant, Haussler, Hurley, Jastad, Johnson, Jolly, Kalich, King, Mahaffey, Marsh, May, McCormick, Merrill, Moon, O'Brien, O'Dell, Perry, Rosellini, Smith, Smythe, Taylor, Zimmerman—35.

Those voting nay were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Gallagher, Gladder, Goldsworthy, Gorton, Harris, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Lewis, Litchman, Lux, Lynch, Marzano, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, Reese, Richardson, Saling, Sawyer, Sheridan, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Mr. Speaker—63.

Those absent or not voting were: Representative Leland—1.

Mr. DeJarnatt moved adoption of the following amendment by Representatives DeJarnatt, Marsh, Thompson, O'Dell, Zimmerman, and Smythe:

On page 2, section 1, line 5, after the period following "of" strike all the material through line 10 and insert "It is the will of the legislature that the new four-year state college shall be located within a radius of ten miles of the town of Woodland."

Representatives DeJarnatt, Marsh, Thompson, and Smythe spoke in favor of adoption of the amendment.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Marsh on a point of personal privilege.

Mr. Marsh:

"Mr. Speaker, I would ask permission to insert a copy of my remarks in the journal."

The Speaker:

"You may do so."

STATEMENT FOR THE JOURNAL

The following is a copy of the remarks of Representative Marsh on House Bill No. 596 and on the amendment offered by Representatives DeJarnatt, Marsh, Thompson, O'Dell, Zimmerman, and Smythe for the establishment of a four-year college in the Ridgefield-Woodland area:

Speaking in favor of the amendment, I would like to present the reasons of the 17th, 18th, and the 49th District legislators for believing that the needs of higher education in the State of Washington can best be met by location of the new college in true southwest Washington, near the Woodland-Ridgefield area.

The overriding criterion for site determination should be the provision of higher education opportunity to the greatest number of not only underserved but completely *unserved* students. Our site best provides for this. Of the State's seven hundred fifty thousand population and one hundred fifty thousand students who do not have a four-year college institution within a fifty mile radius, the greatest percentage can be benefited by placement at the Woodland-Ridgefield site, 31% of the population and 37% of the student body.

You may ask, doesn't the area otherwise provide for the lack of four-year college availability? It does not.

The state average of high school students attending college is 31%. The average of students attending college who reside in counties with four-year institutions is over 40%. Yet, in southwest Washington only 16% continue their education in a state degree-granting institution.

The question often is asked, Why not attend Portland schools? The tuition for out-of-state students is three hundred dollars a quarter. Oregon, too, has such pressure on its schools that our transfer students can only register after all Oregon students have done so and thus are refused participation in courses already filled by Oregon students. Thus the young people from our area do not have a reasonable substitute for a college in their own area.

Do they go on anyway to obtain an education? The desire is there—in an area representing a relatively small proportion of the population, 6,300, or 17% of the students attending community colleges in the state are attending the three in southwest Washington.

Doesn't this mean they go on to further education? No, it does not. Only 6.5% of the population in the Third Congressional District have four or more years of college. This is the lowest percentage in the state.

With this demonstrated need are there reasons it should not be located in the Woodland-Ridgefield area? No, there are none!

The considered criteria established by the Higher Education Advisory Council special subcommittee are fully satisfied by the Woodland-Ridgefield area. I would submit the following twelve reasons for locating the next four-year college in the Ridgefield-Woodland area:

1. The population base will provide a proper opening enrollment, 3,000-4,000 students, of which 50% will commute; and there will be 6,100 by 1975.
2. It will complement the present distribution of four-year institutions by placing one in the single major population concentration yet unserved.
3. It certainly will increase educational opportunity to an unserved region.

4. Community support and interest will be intense and sustained from all communities served. There is no single competing institution and the obvious pride arising would be great.
5. The cultural and intellectual level of the surrounding communities, and of Portland only thirty minutes away, provide a richer cultural opportunity than any in the state outside Seattle (which is already served by the University of Washington and many private colleges and universities).
6. Interrelating educational opportunities, with Portland Universities, with the Educational Laboratory for our region for basic and applied research in education located in Portland (serving Washington, Oregon, Montana, Idaho, and Alaska), and with the large number of area industries, provide a healthy environment.
7. Over one thousand teachers can be provided a Masters degree program on a commuting basis.
8. The three community colleges (and No. 4 in Olympia?) with high student enrollment can be well served.
9. There will be no direct competition with other four-year institutions as would be true if located in Olympia, or any other proposed site.
10. Inexpensive, attractive land in large parcels is readily available.
11. Recreational opportunities are excellent.
12. Being adjacent to Interstate Highway No. 5, the major north-south freeway of the west coast, close to the only all weather, east-west freeway, served by five railroads and only thirty minutes from the international airport at Portland, its transportation assets are unexcelled.

And I could go on. It is apparent that the Woodland-Ridgefield junction site best serves the educational needs in our state. I respectfully ask for your vote for the amendment before us.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Smythe yielded to question.

Mr. Moon:

"Representative Smythe, you are vice chairman of the Committee on Higher Education. Did the House Committee on Higher Education evaluate the gross predictions and forecasts—

POINT OF ORDER

The Speaker recognized Mr. Anderson on a point of order.

Mr. Anderson:

"Mr. Speaker, he is not speaking on the motion."

The Speaker:

"I think he is. Continue."

Mr. Moon:

"Thank you, Mr. Speaker. Did the House committee, Mr. Smythe, evaluate the recent growth predictions and compare the current needs of the Woodland-Ridgefield area with those of other competing areas?"

Mr. Smythe:

"No, Mr. Moon, they did not. This was admitted by our chairman when she stated how this bill came out of committee."

Further debate ensued, Representative Sawyer speaking in favor of adoption of the amendment.

Mr. Bledsoe demanded the previous question and the demand was sustained.

Mr. Thompson demanded an electric roll call and the demand was sustained.

The purpose of this 1967 amendatory act is to provide the youth of the State of Washington with the necessary educational opportunities in higher education and to provide for the immediate initiation of two new four-year state colleges."

Debate ensued, Representatives King and Marsh speaking in favor of adoption of the amendment, and Representative Wolf speaking against its adoption.

The Speaker called on Mr. Copeland to preside.

YIELDING TO QUESTION

At the request of Mr. Taylor, Mr. Wolf yielded to question.

Mr. Taylor:

"Mr. Wolf, in your presentation a minute ago you mentioned the fact that you and your people have been very successful in keeping this discussion of the new site of the college out of politics. Would you care to elaborate on that a little bit more?"

Mr. Wolf:

"Yes, Mr. Taylor, I have not been able to keep it out of politics on the floor today. My reference was to the advisory committee. With the assistance of Senator Glissberg from the Senate, we placed the responsibility with the seven college presidents and the lay members of high stature from each of the Congressional districts. This was probably a great start toward having blue ribbon committees make the decisions that in the past might have been political 'pork barrels'."

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Wolf yielded to question.

Mr. Lewis:

"Representative Wolf, I see on the third reading calendar that one of the bills before us for final action is House Bill No. 586 which provides for continuing studies and continuation of the higher education commission and setting forth the duties of that commission. Nowhere in the bill does it provide that during the next two years it should be the duty of the commission to consider the situation of the existing universities and colleges in the state. I asked the question when I was out at the University of Washington before I came down and they have no plans, apparently, for stopping the growth of that university from going to thirty, forty, or fifty thousand students. Do you think we should have some plans, perhaps, for limiting the size of these colleges?"

Mr. Wolf:

"The house bill you refer to deals only with facilities. The tremendous interest on this floor for higher education and the need that has been proven will, I am sure, result in the reestablishment of the interim committee on higher education. I, for one, support the concept that it be made up of lay members and college presidents who know their jobs best."

Mr. Kalich demanded the previous question and the demand was sustained.

Mr. Taylor demanded an electric roll call and the demand was sustained.

At the request of Mr. Brouillet, the reading clerk reread the amendment.

The Clerk called the roll, and the motion was lost and the amendment by Mr. King not adopted by the following vote: Yeas, 37; nays, 61; absent or not voting, 1.

YIELDING TO QUESTION

Mr. Moon:

"Mrs. Lynch, you stated that Snohomish county was represented on the advisory council by Dr. Berg and by Stanton Hall of Everett. If you recall, at the joint House-Senate hearing the remark was made that not all of the members of the committee participated in the voting. The suggestion was made that the information be made available to the higher education committee of the voting records and attendance at these hearings and committee meetings. Has this information been made available to the committee?"

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Sheridan yielded to question.

Mr. Grant:

"Representative Sheridan, what percentage of the millage that the county commissioners are levying is being used for the soldiers' and sailors' indigent fund?"

Mr. Sheridan:

"Thank you. I am glad you asked that question. To answer briefly and not take up the time of the House, Mr. Elicker referred to one and one-fifth mills. That is correct, but in actuality there is an average of as little as one-twentieth of a mill that is currently being levied by the county commissioners for this purpose. That is what we are trying to protect. If your bill wants to take the balance of that millage, that is fine. That is going for other purposes. So it is distorting to say you have that one and one-fifth mills that is going to veterans, because it averages only about one-twentieth to one-quarter of a mill. I don't know whether the rest is being levied for other purposes but I suggest to the sponsors of the bill that that is the area in which to seek your funds and leave this small pittance to the veterans."

Further debate ensued, Representatives Conner and Beck speaking against passage of the bill, and Representatives Whetzel and Bottiger speaking for its passage.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Substitute House Bill No. 304, and the bill passed the House by the following vote: Yeas, 81; nays, 14; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—81.

Those voting nay were: Representatives Avey, Beck, Bozarth, Charette, Conner, Day, Gallagher, Garrett, Grant, Hawley, Marzano, Sheridan, Smith, Walgren—14.

Those absent or not voting were: Representatives Heavey, Leckenby, Newhouse, Taylor—4.

Substitute House Bill No. 304, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I voted against Substitute House Bill No. 304 even though I felt that the object and intent of the measure was excellent. My objection to this measure lay in the method of financing this program for the amelioration of mental retardation.

The plan to take only surplus funds from the Soldiers' and Sailors' Indigent Fund did not appear to me to be an adequate method of financing this important program.

I also feel that all funds available to the Soldiers' and Sailors' Indigent Fund must be preserved for the use of servicemen soon to return from Vietnam. A bill is in

Rules which would make Korean Conflict and Vietnam Conflict veterans eligible for indigent funds.

Frank G. Marzano,
27th District.

I voted against Substitute House Bill No. 304 because I did not like the way it was funded. I was not voting against the community mental retardation program.

P. J. "Jim" Gallagher,
29th District.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Moon on a point of personal privilege.

Mr. Moon:

"Mr. Speaker, I would now like to say that it becomes the responsibility of this legislature to meet the challenge of higher education. Of course, I have been disappointed in the action that this House has taken in the selection of a site in Olympia. I stated earlier I didn't think this was the site that was best suited for a new four-year college. I would now, at this time, urge each and every one of you to give higher education a vote of confidence in voting for the passage of House Bill No. 596. You will see that I will be voting against it. I am doing this for the reason that I think possibly the Senate may have some amendments. If they amend the bill, I would like to be recorded as having a negative vote. Thank you."

Mr. Litchman demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 596, and the bill passed the House by the following vote: Yeas, 80; nays, 17; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Lewis, Litchman, Lux, Lynch, Mahaffey, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, Perry, Reese, Richardson, Rosellini, Saling, Sheridan, Spanton, Sprague, Swayze, Veroske, Walgren, Wanamaker, Whetzel, Wolf—80.

Those voting nay were: Representatives Avey, Backstrom, Berentson, DeJarnatt, Garrett, Grant, Hurley, Leland, Marsh, Moon, O'Dell, Sawyer, Smith, Smythe, Thompson, Zimmerman, Mr. Speaker—17.

Those absent or not voting were: Representatives Heavey, Taylor—2.

Engrossed House Bill No. 596, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

I felt compelled to vote against House Bill No. 596 because of the serious impact passage of this bill will have on students in the 49th, 17th, and 18th districts.

The sad and disappointing thing about the location called for in House Bill No. 596 is not the county named in this bill, but rather the fact that hundreds of students in Clark and Cowlitz counties will not be served by a college located in Thurston county.

These students in the 49th, 17th, and 18th districts will lose the opportunity for a higher education in a Washington state college if the next four-year college is located in Thurston county. These students will not be able to commute on a daily basis, nor will they be able to afford to be resident students any more than they are able to commute to or be resident students in our existing colleges.

Because the students in the 49th, 17th, and 18th districts will not be served by the passage of House Bill No. 596, I am voting against it.

Daniel G. Marsh,
49th District.

While recognizing the importance of the work of the committees that attempted to select the site for a new 4-year college, we find that the criteria and presentations of the Southwest Washington counties most logically point to a location in the Ridgefield-Woodland area, serving the two largest, yet most unserved counties.

We support the idea that the unserved, fastest growing area be the site of the new college, Clark and Cowlitz Counties. This area has the opportunity of faculty interaction with the several Portland colleges and universities. It also has the opportunity to work with the most industrialized part of Southwest Washington. The cultural opportunities afforded by Portland are within twenty-five minutes of the proposed site. The major air, rail, and bus centers are within twenty-five minutes of the site. (Olympia has inadequate rail service as well as housing.)

The Woodland-Ridgefield site would not be in direct competition with three existing 4-year colleges, all private institutions.

It is our sincere and firm opinion that a 4-year college in Ridgefield-Woodland area would best serve the large unserved area of Washington.

Harold S. Zimmerman,
Robert W. O'Dell,
17th District.

I firmly believe that it would be to the best interest of the state to establish a 4-year college in Lewis county because of its central location. But I have supported the Thurston county bid because this is only a few miles from the Lewis county area, and I believe that in order to keep the college in Southwest Washington that I, as a representative, not only of my district but in the State of Washington, should back the interim committee report.

Hugh "Bud" Kallch,
State Representative,
20th District.

SPECIAL ORDER OF BUSINESS

The Speaker declared the question before the House to be further consideration of Engrossed House Bill No. 228 on third reading, the bill having been made a special order of business immediately following consideration of House Bill No. 596.

Engrossed House Bill No. 228, by Representatives McDougall, Smythe, Beck, Kirk, Bozarth, Mahaffey, Reese, Lux, and Farr (by executive request):

Providing implied consent to taking of chemical tests by persons allegedly driving while under the influence of intoxicating liquor.

Engrossed House Bill No. 228 was read the third time and placed on final passage.

Representative McDougall spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Avey, Mr. McDougall yielded to question.

Mr. Avey:

"Representative McDougall, I would like to know how effective our action was in the last session when we put on one hundred fifty new state patrolmen to do this job?"

Mr. McDougall:

"I would be very glad to answer that particular question. I think if you will check as to the actual number of drivers that we have in the state of Washington and the actual number of miles that these drivers have driven, that despite the fact that your traffic death rate was higher, you will find that we had less instances of violation than we had in previous years. I would say unequivocally that the one hundred fifty state patrolmen hired during the last session have done a very fine job in their capacity of creating traffic safety in the state of Washington."

Debate ensued, Representatives Litchman and Mahaffey speaking in favor of passage of the bill, and Representatives Smith and Sawyer speaking against its passage.

SPECIAL ORDER OF BUSINESS

The hour of 9:00 p.m. having arrived, the Speaker declared the question before the House to be the special order of business, House Bill No. 548 on second reading.

On page 62, following "NEW SECTION. Sec. 79." added by the amendment by Representative Chapin, add a new section to read as follows:

Notwithstanding any other provisions of this act, the board of directors of any public school district located in any county of the third, second, first, A or AA class, may elect to have any vocational-technical institute located within such district remain a part of the public school system rather than have such institute become a part of the state community college system: *Provided*, That within thirty days after the effective date of this act, any school district operating a vocational-technical institute which operates independent of any existing community college as of January 1, 1967 may elect to remain independent of any community college by resolution of the board of directors of such district."

Renumber the remaining section accordingly.

Mr. Kink demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Newschwander and Garrett speaking in favor of adoption of the amendment, and Representative Smythe speaking against its adoption.

Mr. King moved adoption of the following amendment to the amendment:

"NEW SECTION. Sec. 80. Where, at the effective date of this act, there exists in a community college district a vocational-technical institute that has been operated by a school district located within the community college district, the director of such vocational-technical institute shall report directly to the institute's local community college board of trustees on a temporary basis through June 30, 1969. The forty-first legislature shall determine the permanent relationship of the vocational-technical institute to its board of trustees upon the study of the operation during this interim period."

Renumber the remaining sections consecutively.

POINT OF ORDER

The Speaker recognized Mr. Kink on a point of personal privilege.

Mr. Kink:

"The amendment to the amendment seems to be changing the original amendment. I don't think it is germane to the amendment."

RULING BY THE SPEAKER

The Speaker:

"I think it is. It is an amendment to strike."

Mr. Jueling demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Adams, Mrs. Lynch yielded to question.

Mr. Adams:

"I think if we ask Mrs. Lynch, the chairman of this committee, whether or not vocational institutions will be hurt by this bill, we will clear up a lot of problems. I would like to present that question to Mrs. Lynch."

Mrs. Lynch:

"Mr. Speaker, ladies and gentlemen of the House, I do not for one minute imagine that, if this goes through, the technical schools will be hurt. Those who know anything

about the present community colleges know very well they already have technical areas within the community colleges. I think the state of Washington is very fortunate to have schools such as we have in Tacoma and Bellingham, and I do not believe by putting them under community colleges you are in any way going to hurt the program. I have been told by people down there that the students have been told if they come under community colleges that by the first of June the doors will be closed and the school will stop. This is absolutely ridiculous and everyone knows this. As far as I am concerned, I think the program will be strengthened in that the student who goes to a vocational school will have the opportunity to participate in an academic program if he wants to. There is nothing to force him to do so; it is untrue that if we put technical schools under the community colleges everybody will have to take an academic course."

Debate ensued, Representatives Bottiger and Barden speaking in opposition to adoption of the amendment to the amendment.

YIELDING TO QUESTION

At the request of Mr. Anderson, Mrs. Lynch yielded to question.

Mr. Anderson:

"Mrs. Lynch, I have in Rules now a bill calling for vocational training in high schools and establishment of fish hatcheries. Would this bill interfere with high school education?"

Mrs. Lynch:

"No, it would not. We want to leave the vocational area in high school exactly where it is. We have no intention of hurting vocational areas in high school at all."

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Sheridan yielded to question.

Mr. Lewis:

"Representative Sheridan, if the amendment as you have proposed it, without Mr. King's amendment to it, is adopted, would there be a greater proportional share of the financial burden for running these vocational schools imposed on the local school districts, as compared with the situation, if your amendment did not carry, in which the greatest share would then fall on the shoulders of the state?"

Mr. Sheridan:

"I am not an authority on the fiscal part of this, but I think that under my original amendment the local school district would maintain its autonomy. I think it follows they would not participate fully in the state program and, therefore, the greater burden would be on the shoulders of the local district. I think that we would be happy to do that. I am confident I can speak for all the people in the community in saying that they want to preserve the fine vocational-technical school and are willing to pay the price, if necessary."

Further debate ensued, Representative Lewis speaking against adoption of the amendment to the amendment.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on adoption of the amendment by Mr. King to the amendment by Representatives Sheridan, Veroske, Newschwander, and Kink to page 62 of Substitute House Bill No. 548, and the motion was lost and the amendment not adopted by the following vote: Yeas, 8; nays, 83; absent or not voting, 8.

YIELDING TO QUESTION

At the request of Mr. Brouillet, Mr. Wolf yielded to question.

Mr. Brouillet:

"Is it your intent to put these people under state civil service, Mr. Wolf?"

Mr. Wolf:

"The way this is worded now it could be interpreted to mean a temporary situation existing for only two years. What we want to do is give them a permanent classification, exactly what they have now. This does not change a thing."

Mr. Brouillet:

"These people are under civil service now."

Mr. Wolf:

"Very possibly, but when you change the language and transfer from one board to a council, some question can develop. My only purpose in this is to see that they are protected permanently."

Debate ensued, Representatives Wolf, Bottiger, and Conner speaking in favor of adoption of the amendment, and Representatives Brouillet, Hoggins, and Lynch speaking against adoption of the amendment. Representative Brouillet withdrew his objection to the amendment.

The motion was carried and the amendment was adopted.

On motion of Mr. Wolf, the following amendments by Representatives Wolf and Bottiger were adopted:

Renumber the remaining subsections and the school districts described therein.

Representatives Bottiger and Sheridan spoke in favor of adoption of the amendment.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Holman on a point of parliamentary inquiry.

Mr. Holman:

"Mr. Speaker, a previous amendment increased the number of districts to twenty-one. Will this not increase the number to twenty-two? Will that be taken care of?"

The Speaker:

"The sections will be taken care of, Mr. Holman, and put in the right order."

Debate ensued, Representatives Kiskaddon and Brouillet speaking against adoption of the amendment.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Lewis on a point of parliamentary inquiry.

Mr. Lewis:

"Mr. Speaker, according to the amendment we would be renumbering the remaining subsections. Would we also be renumbering the remaining districts? Would something have to be done about changing twelve to thirteen and so on throughout the rest of the sections?"

The Speaker:

"I think your point is well taken. If we adopt this amendment, we would have to go through and renumber all of the subsequent district numbers."

Further debate ensued, Representative Smythe speaking against adoption of the amendment.

Mr. Litchman demanded the previous question and the demand was sustained.

The motion was lost and the amendment was not adopted.

YIELDING TO QUESTION

At the request of Mr. Chapin, Mrs. Lynch yielded to question.

Mr. Chapin:

"Mrs. Lynch, am I correct in my understanding that under this act, as now drawn, the local district board and state board would have the authority to do what Representative Sheridan is asking in this amendment?"

Mrs. Lynch:

"Mr. Chapin, as you know, the power is in the hands of the local board to request from the state board of community colleges for a new community college campus in their district. I believe that Mr. Sheridan's amendment is probably pretty good. We did pass this two years ago and I don't think this is going to affect this at all."

The motion was carried and the amendment was adopted.

On page 11, section 9, line 18, after "college" insert a semicolon and strike all the remaining material down to and including the semicolon on line 20

Those absent or not voting were: Representatives Brazier, Richardson, Taylor—3.

EXPLANATION OF VOTE

I wish to be neither an obstructionist nor a "rubber stamp," and in general will favor ninety-five percent of Governor Evans' progressive, courageous programs. But I feel the House should be sure that each measure it passes has the best work of its committees and members, without relying on the Senate to improve or reject the bill.

Two major points I wish to make: 1. Pollution is a serious problem, best solved through additional knowledge, standards and rules, a reasonable timetable to meet enforcement, and funds for research and regulation. This legislature is providing two bills (House Bill No. 179 and Senate Bill No. 46) which took years in preparation, is appropriating five million dollars for staff, scientists, research and regulation, and now it needs to have the time to implement the laws; 2. As a health problem, air and water pollution could be most efficiently attacked by putting responsibility in the state health department, which is directly answerable to the governor. This would have the advantages of: (a) avoiding the establishment of a new, unwieldy commission; (b)

saving the costs of the superstructures; (c) focusing on the problem as it affects health; (d) giving the legislature two years to study the entire field to see if the idea of an environmental quality commission would add to knowledge, provide efficiency, and dramatize the real solutions more effectively.

Pollution problems are caused by people, cars, homes and industries, but they are not solved by establishing new commissions, at a time when several commissions are being set up. There isn't room for all of us to jump on this popular bandwagon of the decade—pollution control. I am as interested as anyone else in solving these problems, but feel that the best solutions lie in using experience and knowledge of those in the field, rather than adding to political entities.

Harold S. Zimmerman,
17th District.

The Speaker declared the question before the House to be Engrossed House Bill No. 370 on final passage.

The Clerk called the roll on the final passage of Engrossed House Bill No. 370, and the bill passed the House by the following vote: Yeas, 71; nays, 26; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Bozarth, Brouillet, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Garrett, Gladder, Goldsworthy, Gorton, Harris, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Juelling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lux, Lynch, Mahaffey, Marsh, McCaffree, McCormick, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, O'Dell, Reese, Richardson, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—71.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagnariol, Beck, Bottiger, Ceccarelli, Chatalas, DeJarnatt, Gallagher, Grant, Haussler, Jastad, Johnson, Jolly, King, Litchman, Marzano, May, Merrill, Moon, O'Brien, Perry, Rosellini, Walgren, Zimmerman—26.

Those absent or not voting were: Representatives Brazier, Taylor—2.

Engrossed House Bill No. 370, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I voted against passage of House Bill No. 370, not because I am against control of air and water pollution. Rather the reason for my negative vote was because the bill is not strong enough in proposed controls. The Senate has passed a much better bill which we will soon consider. Further, House Concurrent Resolution No. 16, which follows, provides for the creation of an environmental affairs interim committee for the study of pollution control. This study is vitally needed. House Bill No. 370 would be inconsistent, I believe, with the study to be made.

Gordon L. Walgren,
23rd District.

House Concurrent Resolution No. 16, by Representatives Thompson, Smythe, and Zimmerman:

Providing for an environmental affairs interim committee and outlining a study thereby.

House Concurrent Resolution No. 16 was read the third time and placed on final passage.

Representatives Thompson, Smythe, and Bledsoe spoke in favor of passage of the resolution.

The Clerk called the roll on the final passage of House Concurrent Resolution No. 16, and the resolution passed the House by the following vote: Yeas, 96; nays, 0; absent or not voting, 3.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—96.

Those absent or not voting were: Representatives Brazier, Conner, Taylor—3.

House Concurrent Resolution No. 16, having received the constitutional majority, was declared passed.

MOTION

On motion of Mr. McDougall, the House reverted to the ninth order of business for the second reading of bills.

YIELDING TO QUESTION

At the request of Mr. Charette, Mr. Cunningham yielded to question.

Mr. Charette:

"Mr. Cunningham, presently within one of the cities in my district they are drawing new ward lines. This means that voters will be voting in a different place from where they voted before and yet your amendment will require them to vote in a precinct that might be nonexistent."

Mr. Cunningham:

"I talked about this with the auditors at some length. They felt this was not that mandatory. If they did move the ward lines or precinct boundaries, there would be no problems involved, because this would be the procedure we normally use when we move lines around."

The motion was carried and the amendment by Mr. Cunningham was adopted.

Mr. Smith moved adoption of the following amendment:

On page 6, section 14, beginning on line 1, after "Sec. 14." strike the remainder of the paragraph and insert "The state central committee of the political parties shall name alternate delegates for each delegate elected in such election within thirty-five days following the election and shall file same with the secretary of state."

However, if any other election or elections shall be held at the same time, the state shall be liable only for its pro-rated share. The county auditor shall determine the election costs, including the state's pro-rated share, if applicable, and shall file a certified claim therefor with the state auditor. The state auditor shall compile such claims for presentation to the next succeeding legislature in the same manner as other legislative relief claims."

YIELDING TO QUESTION

At the request of Mr. O'Brien, Mr. Cunningham yielded to question.

Mr. O'Brien:

"I don't understand, Mr. Cunningham, why you offer an amendment like this without at least putting in the costs. It also surprises me that the chairman of the Appropriations Committee hasn't asked for this bill. All of a sudden, with this amendment, you are going to skip over this lightly and let the bill go back to Rules Committee without its being sent to the Appropriations Committee for a price tag. If you believe in the principle one time, why do you abandon it now? You want to go back to the people and tell them how financially responsible you were on all matters and now all of a sudden you are skipping over this without going through the proper channels."

Mr. Cunningham:

"Mr. O'Brien, I think this is a financially responsible bill. We passed House Bill No. 654 which called for annual general elections, which is now over in the Senate. It did not go to Appropriations and it carried the same amendment on it. This is just as financially responsible as the one we passed before. I see no inconsistency. I would urge you to adopt this amendment. It is the way the thing is normally done for election costs. I think it is the way it should be done in this case."

The motion was carried and the amendment was adopted.

House Bill No. 748 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

The bill was read the second time.

On motion of Mr. Humiston, the committee amendment to House Bill No. 223 was adopted.

Mr. Humiston moved the adoption of the following amendment:

On page 2, section 1, beginning on line 8, after "committee" strike all of the matter down to and including "short term" on line 9 and insert "shall direct the county treasurer to invest, to the maximum prudent extent, such funds in"

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Humiston yielded to question.

Mr. McGavick:

"Dr. Humiston, when we had this before the committee I checked with the King county treasurer and if the language of this act were permissive, I would have no objection to it, but in King county we had about five hundred eighty-four million dollars already invested and we have a residual of about thirty-nine million dollars a month. If this act were mandatory, the problem, according to the treasurer, is determining how much of the thirty-nine million dollars he could safely invest. Where he has over two hundred funds he would have to check with the municipal corporation in order to decide whether or not their cash demands would exceed the cash he had on hand. It would seem to me that this amendment of yours would place the county treasurer in a situation which was a bit untenable."

Mr. Humiston:

"In response to your question, Mr. McGavick, if he has thirty-five million dollars and he could invest thirty million dollars in government securities at five percent without writing any rubber checks. This would provide in the course of one year six hundred thousand dollars to go to the county of King. Now, I don't care if he has to call two hundred fifty people every day. For six hundred thousand dollars I think it would be worth it."

The motion was carried and the amendment was adopted.

Mr. Garrett moved adoption of the following amendment:

On page 2, line 11, after "government" and before the period insert ": *Provided, That the foregoing authority shall not be exercised by the county treasurer until after not less than thirty days' notice has been given to the district or agency affected, and said district or agency has either declined to adopt an appropriate resolution for investment of such funds or failed to advise the county treasurer in writing of the need for current use of such funds*"

Debate ensued, Representatives Garrett and Barden speaking in favor of adoption of the amendment, and Representatives Beck, Humiston, Sheridan, Haussler, and Conner speaking against its adoption.

Mr. Gorton demanded the previous question and the demand was sustained.

The motion was lost and the amendment was not adopted.

House Bill No. 751, by Representatives Bluechel, Garrett, and Whetzel:

Authorizing conversion of overhead electric and communications facilities to underground facilities in counties.

House of Representatives,
Olympia, Wash., February 24, 1967.

Mr. Speaker:

We, a majority of your Committee on Local Government, to whom was referred **House Bill No. 751**, authorizing conversion of overhead electric and communications facilities to underground facilities in counties, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

On page 1, section 1, beginning on line 14, strike all of section 1 and renumber the remaining sections consecutively.

Debate ensued, Representatives Heavey, May, and Perry speaking in favor of adoption of the amendment, and Representative Bluechel speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Bluechel yielded to question.

Mr. Smith:

"Mr. Bluechel, there have been some serious allegations made and I wonder just in what way Mr. Heavey's amendment would affect the bill *per se*?"

Mr. Bluechel:

"Mr. Smith, to answer that you must talk about the reason for the bill. Now, the reason for the bill is not as stated by speakers here on the floor, but the reason is that in certain sections of King county, groups in unincorporated areas have asked to put their wires underground. At the present time they are prevented from doing this. There is no law at the present time that allows a community group to get together and voluntarily decide to agree to pay to put the wires underground."

Further debate ensued, Representatives Bledsoe, Smythe, and Charette speaking against adoption of the amendment.

Mr. Gorton demanded the previous question and the demand was not sustained on a rising vote.

Mr. Jolly demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. King, Mr. Perry yielded to question.

Mr. King:

"Mr. Perry, you mentioned in your earlier remarks that this measure might result in millions of dollars to the advantage of the public or private utilities. Could you tell us what it might mean in the form of monthly assessments for some of the people who are retired?"

Mr. Perry:

"Mr. Charette alluded to the fact that somebody was going to have to pay for the cost of expensive underground projects. For a one hundred foot lot, employing the most efficient manner of installation and depending on subsoil, sidewalks, and streets, the cost is about seven hundred fifty dollars a lot. Now the expenses are borne, as Mr. Smythe stated, by the utilities; they do come together and do these jobs exactly as he said. There is only one catch in this. The city of Seattle went to some people and suggested going underground at a cost of nine hundred dollars apiece. The people came to us for a bid and we gave them a bid for seven hundred dollars, but this did not include any moneys to replace the existing facilities. In other words, if the system had been in for twenty years, and it was a thirty-year system, there were no moneys put in by the city of Seattle in the two-thirds proportion. These people would have borne the total cost of seven hundred dollars per consumer. What I am concerned with here is that no place in this act is there any statement that says the utility involved shall make a contribution. I recognize that under the law the private utilities have to do this, because the public service commission can get them on the rate of return, but with public agencies there is no place that says they shall bear any part of the expense of undergrounding systems. I wish any of you attorneys would show me any place in this act which says an unregulated utility can be forced to pay their contribution to an underground system."

Further debate ensued, Representative Lewis speaking against adoption of the amendment.

At the request of Mr. Humiston, the reading clerk reread the amendment.

Further debate ensued, Representatives Humiston and Bottiger speaking against adoption of the amendment.

Mr. O'Brien demanded the previous question and the demand was sustained.

The Clerk called the roll on the adoption of Mr. Heavey's amendment to page 1, section 1, line 14, of House Bill No. 751, and the motion was lost and the amendment not adopted by the following vote: Yeas, 30; nays, 65; absent or not voting, 4.

Mr. Heavey moved adoption of the following amendment:

On page 2, section 3, beginning on line 23, strike all of subsection (4)

Representative Heavey spoke in favor of adoption of the amendment.

POINT OF ORDER

The Speaker (Mr. McDougall presiding) recognized Mr. Whetzel on a point of order.

Mr. Whetzel:

"Mr. Speaker, the gentleman is debating an amendment that we have adopted rather than the one that is before us."

The Speaker:

"I think that Mr. Whetzel's point is well taken. Would you hold your remarks to the amendment that you have before the body?"

Debate ensued, Representatives Heavey and Perry speaking in favor of adoption of the amendment, and Representative Whetzel speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Chapin, Mr. Bluechel yielded to question.

Mr. Chapin:

"Mr. Bluechel, I find as I sit here and listen that I become more and more confused. I keep hearing Mr. Heavey talking about things we should not force and require the people to do. I wonder if you would clarify this for me? Am I correct in my understanding that all of the LID provisions that apply to road improvements, sewer improvements and the like are a part of this bill, so that sixty percent of the property owners could kill this? They have the usual right of protest over the amount of the assessment and so on? We are not forcing anybody to do anything?"

Mr. Bluechel:

"Mr. Chapin, you are entirely correct in your assumption."

Further debate ensued, Representative Perry speaking in favor of adoption of the amendment.

POINT OF ORDER

The Speaker (Mr. McDougall presiding) recognized Mr. Lewis on a point of order.

Mr. Lewis:

"Mr. Speaker, I believe Mr. Perry has spoken once already on this amendment."

The Speaker:

"Your point is well taken."

The Speaker recognized Mr. Smith.

Mr. Smith:

"Mr. Speaker, Mr. Perry can have my time."

RULING BY THE SPEAKER

The Speaker (Mr. McDougall presiding):

"I don't believe it is the policy of the body to yield time."

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Perry yielded to question.

Mr. Grant:

"Mr. Perry, would you comment on the remarks of Mr. Bluechel as to the requirement for opposing the LID?"

Mr. Perry:

"This particular LID only has a fifty percent requirement. It doesn't have a sixty percent requirement. The laws for the road improvement type of LID are substantially different."

POINT OF ORDER

The Speaker (Mr. McDougall presiding) recognized Mr. Lewis on a point of order.

Mr. Lewis:

"Mr. Speaker, I believe Mr. Grant's question was not a question. It was just an invitation to make a general speech."

The Speaker:

"I believe your point is well taken."

The Speaker declared the question before the House to be adoption of the amendment by Mr. Heavey to page 2, section 3, line 23.

Mr. Heavey demanded an electric roll call and the demand was sustained.

The Clerk called the roll, and the motion was lost and the amendment not adopted by the following vote: Yeas, 37; nays, 57; absent or not voting, 5.

Those voting yea were: Representatives Anderson, Bagnariol, Bottiger, Bozarth, Brouillet, Ceccarelli, Chatalas, Day, DeJarnatt, Gallagher, Grant, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, Newhouse, O'Brien, Perry, Sawyer, Sheridan, Smith, Spanton, Sprague, Thompson, Walgren—37.

Those voting nay were: Representatives Adams, Amen, Avey, Barden, Beck, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Elicker, Farr, Flanagan, Garrett, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newschwander, O'Dell, Reese, Richardson, Saling, Smythe, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—57.

Those absent or not voting were: Representatives Backstrom, Conner, Haussler, Rosellini, Taylor—5.

POINT OF INFORMATION

The Speaker recognized Mr. Bledsoe on a point of information.

Mr. Bledsoe:

"Mr. Speaker, may I ask how many amendments there are on the desk pertaining to this particular bill?"

The Speaker (Mr. McDougall presiding):

"The Clerk tells me there are approximately fifteen."

Mr. Bledsoe:

"Let's decide what we are going to do. There are fifteen amendments on the desk and quite possibly some of them are substantive; some possibly are irritative. Suppose we decide at this point we are going to limit ourselves to reasonable debate. We have marched up and down the field and quite possibly we will march up and down the

field again. It is certainly not the policy of the majority party to stop debate, but we certainly should be temperate. I suggest that we will restrain ourselves over here if you will restrain yourselves over there, and let's get on with it. We have quite a long calendar in front of us with legislation on it that people on both sides of the aisle are interested in having passed out of this body before the calendar is closed."

YIELDING TO QUESTION

At the request of Mr. Sheridan, Mr. Bledsoe yielded to question.

Mr. Sheridan:

"Mr. Bledsoe, may I ask you simply, do I understand your remarks as a threat to invoke the gag rule on us?"

Mr. Bledsoe:

"You understand no such thing, Mr. Sheridan. It was a plea for moderation and for temperance. I said before and I will say again that we will restrain ourselves over here if you do likewise. We have some other things to discuss besides the amendments on this particular bill."

Mr. Heavey moved adoption of the following amendment:

On page 2, section 3, line 24, after "of" and before "street" strike "ornamental" and insert "functional"

PERSONAL PRIVILEGE

The Speaker (Mr. McDougall presiding) recognized Mr. Heavey on a point of personal privilege.

Mr. Heavey:

"Mr. Speaker, the amendments I have offered are not delaying. They are substantive and for the purpose of protecting certain segments of my people having low incomes and small homes. I am attempting to protect them. I am not attempting to delay anything. If we had delayed a bit in committee, we wouldn't have had this problem on the floor. I am sure there were no threats of the gag rule. I do not think that was Mr. Bledsoe's intention, nor do I intend to use delaying tactics at this time."

POINT OF ORDER

The Speaker (Mr. McDougall presiding) recognized Mr. Whetzel on a point of order.

Mr. Whetzel:

"Mr. Speaker, this is an amendment to subsection (4). Did we not just vote in the negative on a motion to strike subsection (4), so that further amendments are out of order?"

RULING BY THE SPEAKER

The Speaker (Mr. McDougall presiding):

"Mr. Heavey, it would appear that Mr. Whetzel's point is well taken. I think your amendment is out of order."

Mr. Litchman moved adoption of the following amendment:

Mr. Litchman:

"It states in the RCW section that the notice to owners shall be fifteen days in advance of the hearing and I believe the notices are mailed."

Mr. McGavick:

"If each owner receives one, doesn't that constitute notice?"

Mr. Bluechel:

"At the present time there is no such thing as LID's for undergrounding in counties. In the area with which I am familiar, the LID for sewers, water and suchlike, it is ninety days, I believe."

Mr. Sawyer:

"I mean, is this LID power the same that you are proposing in this bill? Is it the same as that of the cities for street LID's?"

"Mr. O'Brien, I believe we have rules of the House which clearly stipulate that the motion to lay on the table is not debatable and does not take the bill or any portion of the bill along with it."

The Speaker (Mr. McDougall presiding) recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, this is a motion to rerefer the bill to committee and this is a special question raised on the bill. Now this is different from laying an amendment on the table."

The Speaker resumed the Chair.

The Speaker:

"Mr. O'Brien, if my memory serves me correctly, this is the way you have ruled on many, many occasions."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, since you have stated that I ruled this way many times, I want you to refer to the 1957 journal when I ruled in a similar instance that a motion to table a motion to rerefer a bill to committee, if it carried, would take the bill with it."

The Speaker:

"If my memory serves me correctly, you may have ruled that way in 1957, but I think after that time you ruled the other way."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Whetzel yielded to question.

Mr. Moon:

"Representative Whetzel, it is my understanding we presently have a constitutional revision commission that was constituted at the last session by this legislature in House Concurrent Resolution No. 38. I am concerned that perhaps we will now have two commissions studying constitutional revision. Does this House Bill No. 402 do anything to abolish the commission that was established by House Concurrent Resolution No. 38?"

Mr. Whetzel:

"I believe that the other one expired at the beginning of this legislative session, and if it did not, it won't have any money and so probably would not be doing anything anyway."

Mr. Moon:

"I am not too familiar with the provisions of the present constitutional revision commission, but it is my understanding that it would remain in existence until 1975."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, a house concurrent resolution by its very nature goes out of existence automatically at the time of the next session. This is a situation analogous to the interim committees which are created by concurrent resolution. We must in every session of the legislature recreate those interim committees by new concurrent resolutions. This session by concurrent resolution, which is not law, can't do anything to bind the next session of the legislature. I can assure Mr. Moon that the present commission created two years ago is simply out of existence and the appropriation in the appropriations bill is for some new one. Now, it could be a recreation of the one we had last time, but it doesn't continue in existence by reason of House Concurrent Resolution No. 38 in the 1965 session."

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Gorton yielded to question.

Mr. Grant:

"Mr. Gorton, I would like to know how this constitutional convention commission differs in construction or makeup or appointment from the prior interim committee that did the study on constitutional conventions. Is there any change in the makeup or is it the same?"

Mr. Gorton:

"Mr. Whetzel, I think, knows more about that than I do, but I do understand that this one is evenly divided between the parties. There is no majority from one party or the other among the legislative appointments. It has a few more members. The one last biennium, I believe, had three Senators and three Representatives, with no more than two from each party. It had the governor appoint two members and he could appoint whoever he wanted; there was no party restriction on them. This has the governor appointing six, with not more than three from any party. The other had the chief justice of the supreme court appointing three; this doesn't have the supreme court justice appointing any. The only other change, I think, is that last time there were some other members who didn't have a vote. Here all of them have the right to vote. What you have here is a commission of eighteen members, legislative and gubernatorial appointments evenly divided between the two parties, and two more appointments, one by each of the presidents of the state universities. This is somewhat larger and makes a greater attempt to see it is divided equally between the two parties."

Debate ensued, Representative Grant speaking in favor of passage of the bill and Representative O'Brien speaking against its passage.

The Clerk called the roll on the final passage of House Bill No. 402 and the bill passed the House by the following vote: Yeas, 75; nays, 20; absent or not voting, 4.

YIELDING TO QUESTION

At the request of Mr. Gallagher, Mr. McDougall yielded to question.

Mr. Gallagher:

"What is the reason for putting House Bill No. 335 to the bottom of the calendar?"

Mr. McDougall:

"Mr. Gallagher, we have had the practice of extending this courtesy to members on either side of the aisle when they had some particular question about a bill. In this instance, Representative Chapin has found an error in the bill which he would like to have the opportunity to correct. This is certainly no endeavor to delay action on this bill. I can assure you that, with the consent of the body, all the bills on this second reading calendar will be advanced to third reading this evening."

Mr. Cunningham:

"Under House Joint Resolution No. 25, it would probably be in 1968."

Mr. Moon:

Mr. King:

"Mr. Holman, if both House Joint Resolution No. 25 and House Joint Resolution No. 22 appear on the ballot at the same time and House Joint Resolution No. 25 were to pass, would it apply to the vote on House Joint Resolution No. 22?"

Mr. Holman:

"No, it would not."

Mr. King:

"Wouldn't it make much more sense for this body to consider first whether or not we want to have on the ballot this time a call for a constitutional convention?"

Mr. Holman:

"Not at all, because you have no assurance that House Joint Resolution No. 22 would pass on the ballot. The point is, do we want to determine now what majority is required to pass a call for a constitutional convention? That is something that can be decided independently of any of the other measures."

Debate ensued, Representatives Heavey, O'Brien, Clarke (George W.), and Hurley speaking against passage of the resolution.

Mr. McDougall demanded the previous question and the demand was not sustained.

Ever since I have been in the legislature, we have never bound the Democratic caucus. I want everyone to know the Democratic party has not bound its members in a solid block on any single issue. Thank you."

Mr. Barden:

"Representative Beck, I have been closer to you than most of the people on the other side of the aisle, so I feel I can ask you this question. PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Humiston on a point of parliamentary inquiry.

Mr. Humiston:

"Mr. Speaker, a little while ago Mr. Sawyer, I believe, made mention of his idea that we would be voting over and over again on these same things. As I read our rules and Reed's rules as they relate to reconsideration, once one of these things is turned down it can be reconsidered after the fiftieth day only on that same day. I would just like to know, if this does not receive sixty-six votes, under what circumstances this House might again consider this proposition?"

The Speaker:

"Well, there are probably two situations that can occur. You are correct that it would have to be immediate reconsideration with a majority vote. By a two-thirds vote, we could suspend the rules, which is also the vote that would be required to pass the resolution. Or when we get into a special session, there would be another opportunity."

Further debate ensued, Representative Bledsoe speaking in favor of passage of the resolution.

The Clerk called the roll on the final passage of House Joint Resolution No. 20, and the resolution failed to pass the House by the following vote: Yeas, 57; nays, 40; absent or not voting, 2.

Those voting nay were: Representatives Avey, Backstrom, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, DeJarnatt, Garrett, Grant, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren—40.

STATEMENT FOR THE JOURNAL

On this the fifty-third day of the fortieth session of the Washington State Legislature, a crisis of conscience faced the members of the House of Representatives. At one level was the question of whether or not this body should allow partisan politics to inhibit the development of plans for a constitutional revision in the near future. At a more substantial level was the question of the best and most effective manner of achieving such revision.

We, the undersigned, support fully the early convening of a body of delegates to modernize Washington State's most basic governmental document, and, further, we hope that such action can be taken with the active support of both major parties.

Today we of the Democratic caucus asked the House to bring from committee a proposal which would allow for rapid implementation of a plan to elect delegates, to hold a constitutional convention, and to submit the results of that convention's deliberations to the electorate of this state within two years. It was our hope that this proposal could be considered with others scheduled for debate on the floor of the House. Further, we believed our request clearly indicated our support of the concept and rapid implementation of a program for a constitutional convention.

Our request was denied in a strictly partisan vote and we were directed, instead, to accept without compromise other proposals submitted by the Republican majority in the House. Not only was this action in direct violation of the democratic principles of this legislature and a denial of free debate so necessary to effective legislation, but we also feel it was designed to produce a smoke screen of irresponsible charges which would be used to obscure the true Democratic position on this issue.

We have favored and continue to favor constitutional revision through the means of a delegate convention. And we urge that revision be undertaken as the result of free dialogue between individuals and parties, working together in the best interests of

the people of this state. We are willing, even eager, to participate in the development of a program acceptable to all concerned. But we will not be forced into adopting a plan which we have not taken part in producing and which we have not been allowed to debate or amend in a free interchange of ideas.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Smith yielded to question.

Mr. McGavick:

"Mr. Smith, does this mean we are locked in on the voting machines?"

Mr. Smith:

"Do you mean voting machines as they exist in King county? It doesn't mean you are locked in on them because we now have both machines and paper ballots. What it means is that at the present time we don't have in our law reference to the electrical vote counting machines which will take nine hundred votes per machine. There are not enough safeguards to make sure that the votes are counted right and properly."

Mr. McGavick:

"Would this amendment preclude us from going on other kinds of electronic voting machines?"

Mr. Smith:

"It precludes us from going to these nine hundred vote per count machines at this time."

Representative Cunningham spoke in favor of adoption of the amendment. The motion was carried and the amendment was adopted.

On motion of Mr. Smith, the following amendment was adopted:

Strike the amendment by the Committee on State Government and Legislative Procedures to page 2, section 1, and on page 2, section 1, beginning on line 1, after "That" strike everything down to and including the underlined period on line 15 and insert "there shall be at least one voting machine for each three hundred registered voters or major fraction thereof."

Each county auditor, when reporting the official election returns to the secretary of state as provided by RCW 29.62.090, shall indicate in such report which precincts are voted by paper ballots, or voting machines. In the instance of a voting machine precinct, the county auditor shall also indicate the number of such machines used so that the secretary of state will be able to determine that the requirements of this section are being honored."

Providing P.U.D. support to counties.**

House of Representatives,
Olympia, Wash., February 27, 1967.

Mr. Speaker:

We, a majority of your Committee on Local Government, to whom was referred **House Bill No. 626**, providing P.U.D. support to counties, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 1, section 1, line 9 after "with such" and before "therefor" strike "county" and insert "cities, towns, counties, and taxing districts"

Mr. Humiston moved that the committee amendment to page 1, section 1, line 12, be not adopted.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. Humiston yielded to question.

Mr. Perry:

"Mr. Speaker, I would like to have this clarified. The chairman of the committee is now standing up asking that the committee amendments not be adopted, and this to me is rather confusing. I have always felt in the past that the committee chairman exercises great control over the activities of the committee. I would like a little better explanation of what happened here."

Mr. Humiston:

"I will try to rehearse it to you. Mr. Charette, a member of our committee, picked up the point that as the bill was written it would limit this to dealing strictly with counties, and towns and cities might be eliminated from participation. Consequently, his amendment was accepted. What actually happened was that this amendment was accepted. The other two amendments were put together after action by the committee on the advice, as I have mentioned, of a 'lawyer type' who attempted to make the bill consistent all the way through. However, the net effect was to produce something in which I am sure Mr. Charette was not interested, and it is for that reason that I am moving that these other two amendments be not adopted."

Representative Holman spoke against the motion by Mr. Humiston that the committee amendment to page 1, section 1, line 12, be not adopted.

On motion of Mr. Gorton, the House deferred further consideration of House Bill No. 626, and the bill was ordered placed at the end of this second reading calendar.

Creating a state system of community colleges.

House of Representatives,
Olympia, Wash., February 28, 1967.

Mr. Speaker:

We, a majority of your Committee on Higher Education, to whom was referred House Bill No. 716, creating a state system of community colleges, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

In section 1, line 3, after "NEW SECTION. Section 1." strike "This act shall be known as the Community College Act of 1967." and insert the following:

"The state board for community college education is hereby directed to make a study of the priorities heretofore determined by the State Board of Education for

establishing four new community colleges as follows: Lower Yakima Valley Community College, Spokane Valley Community College, Puyallup Community College, and Lake Washington Community College. In order to prepare the study and to carry out the provisions of this act, the state board for community college education is directed to obtain and consider all information compiled by the state board of education for the purpose of determining the priority to be applied with respect to the above proposed community colleges. The state board of education is hereby directed to assist the state board for community college education by making available to the latter board all information compiled by the state board of education relative to the priority to be assigned to each location. The study by the state board for community college education shall be completed by September 1, 1967.

NEW SECTION. Sec. 2. From any amounts which may be appropriated for the operation of community colleges in the general appropriations act of the state, the state board for community college education is hereby authorized to spend up to \$50,000 for the purpose of preparing the necessary preliminary planning and organization essential to the commencement of operations of each of the proposed community colleges described in section 1 of this act."

Marjorie W. Lynch, *Chairman.*

We concur in this report: Eric O. Anderson, Robert F. Goldsworthy, Elmer Jastad, Richard A. King, Dick J. Kink, Daniel G. Marsh, Mary Ellen McCaffree, John S. Murray, Gordon L. Walgren, Hal Wolf.

The bill was read the second time.

Mrs. Lynch moved adoption of the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Flanagan, Mrs. Lynch yielded to question.

Mr. Flanagan:

"I haven't had a chance to study this amendment, but after having authorized a community to spend one hundred fifty or two hundred thousand dollars to make a study of community college districts, and after having passed a bill the night before last which set up these community college districts, why are we now spending fifty thousand dollars to study community college districts which apparently were not included in the bill we just passed?"

Mrs. Lynch:

"If you read the amendment, we are not spending fifty thousand dollars to make a study of whether we need the four colleges. This fifty thousand dollars will be used for their preliminary planning. We are just directing the community colleges to take a look at what the state board of education decided. We are not authorizing any new community colleges."

Mr. Flanagan:

"It appears to me that there are some districts here that weren't in the bill that we passed."

Mrs. Lynch:

"No."

YIELDING TO QUESTION

At the request of Mr. Chapin, Mrs. Lynch yielded to question.

Mr. Chapin:

"Mrs. Lynch, it is my understanding in section 2 that the intent is to allow fifty thousand dollars to be spent for preliminary planning and organization for each of these schools. Is that not correct?"

Mrs. Lynch:

"Up to fifty thousand dollars for the four schools, Representative Chapin."

Mr. Chapin:

"Not per school?"

Mrs. Lynch:

"No, not per school."

The motion was carried and the committee amendment was adopted.

House Bill No. 716 was ordered engrossed.

With consent of the House, the rules were suspended, Engrossed House Bill No. 716 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Lynch spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Perry, Mrs. Lynch yielded to question.

Mr. Perry:

"I notice this is a title only bill. It refers to moneys already appropriated. When we are dealing with moneys that are already appropriated, I would like to know how it comes about that fifty thousand dollars is not designated for something already in the budget?"

Mrs. Lynch:

"This money is included in the general appropriation. The state board of education already authorized these four colleges, Mr. Perry. All we are doing is giving this new state board of community colleges which we have authorized an opportunity to look at the actual priority for these four colleges."

YIELDING TO QUESTION

At the request of Mr. Lewis, Mrs. Lynch yielded to question.

Mr. Lewis:

"Mrs. Lynch, as I read this, do I understand, then, that by adopting this bill we in fact will be establishing four community colleges at some future date? There won't be any doubt the next four community colleges in the state will be at these locations?"

Mrs. Lynch:

"Mr. Lewis, the reason we are doing this is to allow the new state community college board the right to decide the priorities."

Mr. Lewis:

"I understand they are determining the priorities. Does this act say the next four colleges in some particular priority yet to be established, shall be at these sites?"

Mrs. Lynch:

"Nobody has said this. This is up to the new community college board. The state board of education has already established this priority. All we are doing is to ask the new community college board to take a look and decide if this priority is correct."

Mr. Lewis:

"Does this mean they could come back in two years' time and recommend two of these not be constructed?"

Mrs. Lynch:

"They will not have to come back to the legislature to say this. If you read the new community college bill, you will know how they handle this."

Prohibiting exhibition of speed or acceleration on public highways.

The bill was read the second time.

Mr. McCormick moved adoption of the following amendment:

On line 15 after "guilty of" and before "whether" strike "reckless driving" and insert "drag racing"

YIELDING TO QUESTION

At the request of Mr. Avey, Mr. McCormick yielded to question.

Mr. Avey:

"I'd like to ask Representative McCormick what the penalty for drag racing is."

Mr. McCormick:

"To answer your question, at the present time there is no penalty, but the advisory committee made up of judges and the department of motor vehicles will set up point penalties for so-called drag racing."

Mr. Avey:

"Mr. Speaker, may I ask that question again? I don't think I got an answer."

Mr. McCormick:

"Mr. Speaker, to answer Mr. Avey's question, the department of motor vehicles has an advisory committee made up of judges throughout the state which decides the point penalties for negligent driving or whatever the offense might be. This is something new. These judges will take this under consideration and decide the point penalties for it."

Mr. Avey:

"It looks to me as if this is taking the penalty out. I am a little perturbed, and if anybody can answer this, I would like to find out."

Mr. McCormick:

"Mr. Avey, as an operator of a large logging truck, you might recall that conviction of reckless driving carries a penalty of mandatory suspension of driving license. I felt that this was too severe, so we came in with a new category under the point system, aimed at drag racing. This is copied after the municipal code of the city of Los Angeles and we are talking about drag racing on public highways."

Debate ensued, Representatives Avey and Leland speaking against adoption of the amendment, and Representative McCormick speaking for its adoption.

YIELDING TO QUESTION

At the request of Mr. Spanton, Mr. McCormick yielded to question.

Mr. Spanton:

"Mr. McCormick, what offense are we going to charge him with?"

Mr. McCormick:

"Drag racing. There is nothing in the point system at the present time under drag racing."

Mr. Spanton:

"Before you can get under a penalty system, do you not have to have an actual citation or arrest charge?"

Mr. McCormick:

"Yes, Mr. Spanton, you do. In talking with the state patrol and the various members of the police around the state, they state that they feel that their hands are tied in the case of a single car dragging out from a stop sign. This is what this bill will do; it will put it under drag racing."

MOTION

Mr. Bottiger moved that the House defer further consideration of House Bill No. 757 on second reading, and that the bill be ordered placed at the end of this second reading calendar.

Debate ensued, Representatives Bottiger and Spanton speaking in favor of the motion, and Representative McCormick speaking against it.

The motion was lost.

The Speaker declared the question before the House to be adoption of the amendment by Mr. McCormick to House Bill No. 757.

Debate ensued, Representative Leland speaking against adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Barden, Mr. Spanton yielded to question.

Mr. Barden:

"Mr. Spanton, with your years of experience as a magistrate, would you say that if this bill were left as is and someone were charged with this offense of reckless driving, that in the wisdom of the court the magistrate could find the person guilty of a lesser charge, if the circumstances indicated?"

Mr. Spanton:

"Yes. The statute provides that negligent driving is part and parcel of reckless driving. If Mr. McCormick wishes to make a lesser offense, I suggest an amendment of negligent driving instead of drag racing. Negligent driving is an offense that can be set up under the point system."

Mr. Bledsoe demanded the previous question and the demand was not sustained.

Further debate ensued, Representative Hill speaking against adoption of the amendment.

The motion was lost and the amendment was not adopted.

With consent of the House, the rules were suspended, House Bill No. 757 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

All existing leases on those portions of the lands described in section 1, subsection (2) acquired by Clark county through the authorization provided in this bill shall be owned by Clark county subject to the same rights and obligations of renegotiation as are now held by the department of natural resources."

Making the 1961 Justice Court Act applicable to all counties.

The bill was read the third time and placed on final passage.

Debate ensued, Representative Clark (Newman H.) speaking in favor of passage of the bill and Representative Charette speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Holman, Mr. Clark (Newman H.) yielded to question.

Mr. Holman:

"Do I understand, Mr. Clark, that this will permit a city which now is operating a municipal court, in a county which is already under the justice act of 1961, to continue to operate its own municipal court?"

Mr. Clark:

"Yes, it will. However, there will be no fee justices."

Mr. Bottiger demanded the previous question and the demand was not sustained.

Further debate ensued, Representative Hill speaking in favor of passage of the bill and Representative Avey speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. Charette yielded to question.

Mr. Hoggins:

"Mr. Charette, I have a question concerning one of the statements you made to the effect that some of these courts will be abolished for four years. Will they come back automatically or what is the procedure? I don't quite understand your remarks."

Mr. Charette:

"Mr. Hoggins, under what is known as the McCutcheon amendment to the justice court act that was adopted in 1961, certain municipal courts under Chapter 350 will be allowed to maintain their police court. This is separate from the justice court. As the law now stands, coming under the justice court act of 1961 was a matter of election. You had to elect before January 2, 1966, which was a year ago last January, and if you did not elect to come under the act, then you could not elect to do so for an additional four years, or until 1970. If we pass Engrossed House Bill No. 204, you have then abolished your police court and you cannot come under the act until 1970. You can't have your own police court judge. If the little amendment we want to have put on doesn't get taken care of in the Senate and the bill is passed, you may find you have no police court."

The Clerk called the roll on the final passage of Engrossed House Bill No. 204, and the bill passed the House by the following vote: Yeas, 59; nays, 28; absent or not voting, 12.

Said bond shall be conditioned further that the contractor will pay all taxes and contributions due to the state of Washington. Any person, firm or corporation sustaining any damage or injury by reason of the breach of the conditions of said bond by the principal therein may bring an action against the surety named therein, with or without joining in said action the principal named in said bond; said action may be brought in the superior court of any county in which the principal on said bond resides or transacts business, or in the county in which the work was performed as a result of which the breach is alleged to have occurred; said action shall be maintained and prosecuted as other civil actions. No action on said bond, or failure to bring action thereon shall waive the right of any person, firm or corporation to sue the principal named in said bond for any damage or injury sustained by reason of the failure of the principal in said bond to comply with the provisions of this act: *Provided*, That the total liability of the surety on any such bond shall not exceed the sum of such contractor's bond. Such action shall be brought within one year from the completion of the work in the performance of which the breach is alleged to have occurred or utilization of the object of the contract.

"In the event that any final judgment shall impair the liability of the surety upon the bond so furnished that there shall not be in effect a bond undertaking in the full amount prescribed in this section, the director shall suspend the registration of such contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims shall have been furnished.

"In lieu of the surety bond required by this section the contractor may file with the director a cash deposit or other negotiable security acceptable to the director.

"In the event of a judgment being entered against such deposit, the director of licenses shall upon receipt of a certified copy of a final judgment, pay from the amount of the deposit said judgment.

(1) On and after January 1, 1968, no new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance or use of a motor vehicle shall be delivered or issued for delivery in this state with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto on forms approved by the insurance commissioner, in limits for bodily injury or death set forth in RCW 46.29.490, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom, except that the named insured may be given the right to reject such coverage, and except that, unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured had rejected the coverage in connection with a policy previously issued to him by the same insurer.

(2) For the purposes of this coverage, the term "uninsured motor vehicle" shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(3) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's uninsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(4) In the event of payment to an insured under the coverage required by this section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer, but such paying insurer shall have the right to proceed directly

against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment."

On page 23, section 28, line 33, after the comma, and before the word "who" insert "or to a trustee or trustees or agent designated by two or more creditors."

Robert W. O'Dell, *Chairman*,
Paul Barden, *Vice Chairman*.

We concur in this report: Henry Backstrom, John Bagnariol, George W. Clarke, Vaughn Hubbard, Mrs. Joseph E. Hurley, Helmut L. Jueling, Jerry C. Kopet, Brian J. Lewis, John L. O'Brien, Sam Smith, Fred A. Veroske.

The bill was read the second time.

On motion of Mr. O'Dell, the committee amendments were adopted.

Mr. Brazier moved adoption of the following amendment:

On page 23, section 27, line 23, after "therefrom" strike the comma and the remainder of the section down to but not including the period on line 28.

POINT OF ORDER

The Speaker recognized Mr. Clarke (George W.) on a point of order.

Mr. Clarke:

"Mr. Speaker, this amendment relates to the identical section that the committee amendment covers in full. If this amendment were to be considered, it should have been as an amendment to the committee amendment, which has already been adopted."

RULING BY THE SPEAKER

The Speaker:

"Mr. Brazier, your amendment would be out of order. Section 27 has been stricken."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Heavey on a point of parliamentary inquiry.

Mr. Heavey:

"Mr. Speaker, I voted on the prevailing side to strike Section 27. Would it be proper for me at this time to move for reconsideration of that vote?"

The Speaker:

"Yes, it would."

MOTION FOR RECONSIDERATION

Mr. Heavey, having voted on the prevailing side, moved that the House do now reconsider the vote by which it had adopted the committee amendment to page 23, striking section 27.

The motion was lost.

On motion of Mr. O'Dell, the following amendment to the title was adopted:

On page 1, line 25 of the title, after "RCW 48.17.150;" strike "amending section 17.16, chapter 79, Laws of 1947, as last amended by section 6, chapter 225, Laws of 1959, and RCW 48.17.160;"

Substitute Senate Bill No. 199 as amended by the House was passed to Committee on Rules and Administration for third reading.

Engrossed Senate Bill No. 245, by Senators Neill and Hanna:

Preserving certain rights of action foreclosed under contractor's registration act.

The House resumed consideration of Engrossed Senate Bill No. 245 on second reading.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Bluechel. (See pp. 1072 to 1075 for amendment.)

Debate ensued, Representatives Hill and Sprague speaking in favor of adoption of the amendment, and Representatives Bottiger and Leland speaking against its adoption.

MOTION

Mr. Leckenby moved that the amendment by Mr. Bluechel be laid on the table.

Mrs. Hurley demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to table the amendment by Mr. Bluechel, and the motion was lost by the following vote: Yeas, 37; nays, 56; absent or not voting, 6.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Beck, Bottiger, Brouillet, Chatalas, Clocksin, DeJarnatt, Gallagher, Garrett, Grant, Hawley, Heavey, Hubbard, Jastad, Johnson, Jolly, Kalich, Leckenby, Leland, Litchman, Lux, Mahaffey, May, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Swayze, Taylor, Thompson, Walgren, Wolf, Mr. Speaker—37.

Those voting nay were: Representatives Adams, Amen, Avey, Barden, Berentson, Bledsoe, Bluechel, Brazier, Ceccarelli, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hill, Hoggins, Holman, Humiston, Hurley, Jueling, King, Kink, Kiskaddon, Kopet, Lewis, Lynch, Marzano, McCaffree, McCormick, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, O'Dell, Saling, Sheridan, Smith, Smythe, Spanton, Sprague, Veroske, Wanamaker, Whetzel, Zimmerman—56.

Those absent or not voting were: Representatives Bozarth, Conner, Kirk, Marsh, Reese, Richardson—6.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Leland yielded to question.

Mr. Adams:

"Mr. Leland, we have here before us a law to which we are considering an amendment and which has been a source of a lot of trouble. Was there any attempt made in your committee to bring out an amendment to rectify some of the inequities, particularly in the bonding area?"

Mr. Leland:

"Yes, Dr. Adams, that is exactly what I have been trying to do. We have House Bill No. 348 which attempts to do this very thing. This was the bill which, after careful consideration and all the testimony in the committee, we wanted to bring out to offer in an attempt to correct the faults we find in the original act. Apparently we are not going to be given the chance to give it the study that is required."

MOTION

Mr. Smith moved that the House defer further consideration of Engrossed Senate Bill No. 245 on second reading and that the bill be ordered placed at the end of Monday's second reading calendar.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Leland on a point of parliamentary inquiry.

Mr. Leland:

"Mr. Speaker, I have an amendment to offer to Mr. Bluechel's amendment. Would that be in order prior to voting on Mr. Smith's motion to set this over or would it follow?"

The Speaker:

"It would follow."

Mr. Leland:

"If his motion carries, we would have an opportunity to offer this Monday?"

The Speaker:

"That is right."

Debate ensued, Representative Smith speaking in favor of the motion and Representative Hurley speaking against it.

YIELDING TO QUESTION

At the request of Mrs. Lynch, Mr. Bluechel yielded to question.

Mrs. Lynch:

"Mr. Bluechel, it seems there is a great deal of discussion about nobody on the committee wanting this amendment. Would you mind telling me how many people were at that committee meeting and whether you discussed this amendment at all?"

Mr. Bluechel:

"Mrs. Lynch, at the committee meeting in which House Bill No. 163 was taken up either six or seven people were there. Someone moved to indefinitely postpone it. It took a total of thirty seconds and at that particular committee meeting the discussion from start to finish did not occupy more than sixty seconds."

YIELDING TO QUESTION

At the request of Mr. Leckenby, Mr. Bluechel yielded to question.

Mr. Leckenby:

"Mr. Bluechel, is it true that when the contractor works for someone on his property and is unable to collect for the work he has done, he can file a lien against the owner of that property?"

Mr. Bluechel:

"That is correct."

Mr. Leckenby:

"Well, Mr. Bluechel, would it not be proper that if a man were doing work for this same property owner and for one reason or another did not pay some of the bills that were incurred as a result of that work that the laborer or materials dealer could file liens against this property?"

Mr. Bluechel:

"The laborer or materials man can always file liens against the property under the statutes."

Mr. Leckenby:

"Does it seem improper that the property owner should have the right of a lien against something of the contractor's if the contractor isn't able to pay his bills?"

Mr. Bluechel:

"Mr. Leckenby, the intent of the amendment that I submitted in this bill is to provide an equitable and fair system so that the small contractor, as well as the large, can enter into business. I agree with you completely that everybody should have recourse to the contractor for improper work or for not paying bills. All we are doing by this amendment is graduating the bonds required before a contractor can get a license."

Mr. Bledsoe demanded the previous question and the demand was not sustained.

Further debate ensued, Representative Chatalas speaking in favor of the

motion to defer further consideration of Engrossed Senate Bill No. 245, and Representatives Lewis and Garrett speaking against it.

Mr. Charette demanded the previous question and the demand was sustained.

The motion was lost.

Mr. Kiskaddon moved adoption of the following amendment to the amendment by Mr. Bluechel:

On page 2, section 3, line 5, strike subsection (7), and following line 14 insert a new subsection as follows:

"(7) The amount of gross income of the applicant's business during the preceding calendar year: *Provided*, That in the case of a new business with no income for the preceding year, the estimated amount of gross income for the current year may be used as gross income for the purpose of this act."

POINT OF ORDER

The Speaker recognized Mr. Leland on a point of order.

Mr. Leland:

"Mr. Speaker, if we proceed to accept and act on amendments to Mr. Bluechel's amendment and in effect perfect it, since the amendment that I offer in effect substantially strikes Mr. Bluechel's amendment, would we still be able to offer this amendment?"

RULING BY THE SPEAKER

The Speaker:

"The friends of the amendment have a right to perfect it, Mr. Leland. The motion to strike would then be in order."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Perry on a point of parliamentary inquiry.

Mr. Perry:

"Mr. Speaker, if we substantially altered the body of Mr. Bluechel's amendment, isn't the amendment considered perfected and no subsequent amendment can be offered?"

The Speaker:

"Mr. Kiskaddon's amendment does not substantially change the content of Mr. Bluechel's amendment, and I think we could consider it, and then the amendment to the amendment by Mr. Leland."

Mr. Perry:

"Aside from Mr. Kiskaddon's amendment, after we substantially change a proposition or amendment, is the proposition or amendment considered perfected?"

The Speaker:

"I would have to deal with that when we get to it, because there may be other matters before us that are not before us at the present time."

The motion was carried on a rising vote and the amendment by Mr. Kiskaddon to Mr. Bluechel's amendment to Engrossed Senate Bill No. 245 was adopted.

Mr. Whetzel moved adoption of the following amendment to the amendment by Mr. Bluechel as amended:

On page 9, following section 15, add a new section as follows:

"NEW SECTION. Sec. 16. No person engaged in the business or acting in the capacity of a contractor shall be entitled to commence or maintain any suit or action in any court of this state pertaining to any such work or business without alleging and

proving that such person, firm or corporation held, at the time of commencing the action, an unexpired, unrevoked and unsuspended license issued under the provisions of this chapter."

Representative Whetzel spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Whetzel yielded to question.

Mr. Smith:

"Mr. Whetzel, I would like to make sure I understood you. Did you indicate that the contractor could go out and do some work and, after having some problems, could then decide he wanted to bring some action and then register and go back and sue for debts incurred?"

Mr. Whetzel:

"Yes, Mr. Smith, this is the way the court interprets licensing provisions that exist for electrical contractors. I have had personal experience in litigation where the court permitted the contractor to register after the litigation began. All this is an enforcement measure. We aren't requiring that he have a license at the time he does the work or before he brings the suit."

Mr. Smith:

"What is wrong with him having a license when he does the work?"

Mr. Whetzel:

"He should have, but the present law could be interpreted, and many people have interpreted it, that he can't bring court action if he wasn't registered at the time he did the work. I am trying to perfect Mr. Bluechel's amendment. I understand this is satisfactory to him."

Debate ensued, Representatives Bottiger, Leland, and May speaking against adoption of the amendment, and Representatives Clark (Newman H.) and Bluechel speaking for its adoption.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. Bluechel yielded to question.

Mr. Bottiger:

"Mr. Bluechel, under the Whetzel amendment, would it be possible for a contractor who wasn't registered to take a promissory note from the property owner, assign it to a bank, and then leave town, allowing the bank to register the contractor and then bring the action on the contractor's bill as assigned?"

Mr. Bluechel:

"Mr. Bottiger, not being an attorney, I may have to refer that to one of the attorneys. I couldn't answer your question. It is too complicated a question for me."

The motion was carried and Mr. Whetzel's amendment to the amendment by Mr. Bluechel as amended was adopted.

Mr. Leland moved adoption of the following amendment to the amendment by Mr. Bluechel as amended to Engrossed Senate Bill No. 245:

Amend the amendment by Mr. Bluechel as amended by Mr. Kiskaddon and Mr. Whetzel by striking all of the amendment as amended and inserting the following:

"Section 1. Section 4, chapter 77, Laws of 1963 and RCW 18.27.040 are each amended to read as follows:

"Each applicant shall, at the time of applying for a certificate of registration, file with the director of licenses a surety bond running to the state of Washington if a general contractor, in the sum of two thousand dollars; if a specialty contractor, in the sum of one thousand dollars, conditioned that the applicant will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing labor or material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of negligent or

improper work or breach of contract in the conduct of the contracting business. Any person having a claim against the contractor for any of the items referred to in this section may bring suit upon such bond in the superior court of the county in which the work is done or of any county in which jurisdiction of the contractor may be had. *Action upon such bond shall be commenced by serving and filing of the complaint within one year from the date of expiration of the certificate of registration in force at the time the work was completed.* A copy of the complaint shall be served by registered or certified mail upon the director of licenses at the time suit is started and the director shall maintain a record, available for public inspection, of all suits so commenced. Such service shall constitute service on the surety and the director shall transmit the complaint or a copy thereof to the surety within forty-eight hours after it shall have been received. The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond, but in case claims pending at any one time exceed the amount of the bond, claims shall be satisfied from the bond in the following order:

- "(1) Labor, including employee benefits;
- "(2) Taxes and contributions due the state of Washington;
- "(3) Material and equipment;
- "(4) Claims for breach of contract.

"In the event that any final judgment shall impair the liability of the surety upon the bond so furnished that there shall not be in effect a bond undertaking in the full amount prescribed in this section, the director shall suspend the registration of such contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims shall have been furnished.

"In lieu of the surety bond required by this section the contractor may file with the director a cash deposit or other negotiable security acceptable to the director.

"In the event of a judgment being entered against such deposit, the director of licenses shall upon receipt of a certified copy of a final judgment, pay from the amount of the deposit said judgment.

"Sec. 2. Section 7, chapter 77, Laws of 1963, and RCW 18.27.070 are each hereby amended to read as follows:

"The applicant shall pay to the director of licenses a registration or renewal fee of, if a general contractor, [thirty-five dollars,] or if a specialty contractor, [twenty dollars] *fifteen dollars.*

"Sec. 3. Section 9, chapter 77, Laws of 1963, as amended by section 50, chapter 170, Laws of 1965 extraordinary session and RCW 18.27.090 are each hereby amended to read as follows:

"This chapter shall not apply to:

"(1) An authorized representative of the United States government, the state of Washington, or any incorporated city, town, county, township, irrigation district, reclamation district or other municipal or political corporation or subdivision of this state;

"(2) Officers of a court when they are acting within the scope of their office;

"(3) Public utilities operating under the regulations of the public service commission in construction, maintenance or development work incidental to their own business;

"(4) Any construction, repair or operation incidental to the discovering or producing of petroleum or gas, or the drilling, testing, abandoning or other operation of any petroleum or gas well or any surface or underground mine or mineral deposit when performed by an owner or lessee;

"(5) The sale or installation of any finished products, materials or articles of merchandise which are not actually fabricated into and do not become a permanent fixed part of a structure;

"(6) Any construction, alteration, improvement or repair of personal property;

"(7) Any construction, alteration, improvement, or repair carried on within the limits and boundaries of any site or reservation under the legal jurisdiction of the federal government;

"(8) Any person who only furnished materials, supplies or equipment without fabricating them into, or consuming them in the performance of, the work of the contractor;

"(9) Any work or operation on one undertaking or project by one or more contracts, the aggregate contract price of which for labor and materials and all other items is less than [one] *two hundred-fifty* dollars, such work or operations being considered as of a casual, minor, or inconsequential nature. The exemption prescribed in this subsection does not apply in any instance wherein the work or construction is

only a part of a larger or major operation, whether undertaken by the same or a different contractor, or in which a division of the operation is made into contracts of amounts less than [one] two hundred-fifty dollars for the purpose of evasion of this chapter or otherwise. The exemption prescribed in this subsection does not apply to a person who advertises or puts out any sign or card or other device which might indicate to the public that he is a contractor, or that he is qualified to engage in the business of contractor;

"(10) Any construction or operation incidental to the construction and repair of irrigation and drainage ditches of regularly constituted irrigation districts or reclamation districts; or to farming, dairying, agriculture, viticulture, horticulture, or stock or poultry raising; or to clearing or other work upon land in rural districts for fire prevention purposes; except when any of the above work is performed by a registered contractor;

"(11) An owner who contracts for a project with a registered contractor;

"(12) Any person working on his own property, whether occupied by him or not, and any person working on his residence, whether owned by him or not but this exemption shall not apply to any person otherwise covered by this act who constructs an improvement on his own property with the intention and for the purpose of selling the improved property;

"(13) Owners of commercial properties who use their own employees to do maintenance, repair and alteration work in or upon their own properties;

"(14) A licensed architect or civil or professional engineer acting solely in his professional capacity, an electrician licensed under the laws of the state of Washington, or a plumber licensed under the laws of the state of Washington or licensed by a political subdivision of the state of Washington while operating within the boundaries of such political subdivision. The exemption provided in this subsection is applicable only when the licensee is operating within the scope of his license;

"(15) Any person who engages in the activities herein regulated as an employee of a registered contractor with wages as his sole compensation or as an employee with wages as his sole compensation;

"(16) Contractors on highway projects who have been prequalified as required by chapter 13 of the Laws of 1961, RCW 47.28.070, with the highway department to perform highway construction, reconstruction or maintenance work.

"NEW SECTION. Sec. 4. There is added to chapter 77, Laws of 1963 and to chapter 18.27 RCW a new section to read as follows:

"No city, town or county shall issue a construction building permit for work which is to be done by any contractor required to be registered under chapter 77, Laws of 1963 and chapter 18.27 without proof that such contractor is currently registered as required by law.

"NEW SECTION. Sec. 5. There is added to chapter 77, Laws of 1963 and to chapter 18.27 RCW a new section to read as follows:

"This state hereby preempts the field of legislating with respect to the registration or licensing of those contractors required to be registered under chapter 77, Laws of 1963 and chapter 18.27, and no city, county, or political subdivision of the state shall require any registration or licensing of such contractors but contractors registered under chapter 77, Laws of 1963 and chapter 18.27 shall be eligible to operate within the boundaries of any political subdivision of the state of Washington without paying further fees or qualifying further. This section shall not prevent the levying by a municipality of a business and occupation tax upon contractors if a business and occupation tax is levied upon other types of businesses.

"Sec. 6. Section 1, chapter 77, Laws of 1963 and RCW 18.27.010 are each amended to read as follows:

"A 'contractor' as used in this chapter is any person, firm or corporation who or which, in the pursuit of an independent business undertakes to, or offers to undertake, or submits a bid to, construct, alter, repair, add to, subtract from, improve, move, wreck or demolish, for another, any building, highway, road, railroad, excavation or other structure, project, development or improvement attached to real estate or to do any part thereof including the erection of scaffolding or other structures or works in connection therewith; or, who, to do similar work upon his own property, employs members of more than one trade upon a single job or project or under a single building permit except as otherwise provided herein. A "general contractor" is a contractor whose business operations require the use of more than two unrelated building trades or crafts whose work the contractor shall [superintendent] *superintend* or do in whole or in part; the term 'general contractor' shall not include an individual

who does all work personally without employees or other 'specialty contractors' as defined herein. The terms 'general contractor' and 'builder' are synonymous. A 'specialty contractor' is a contractor whose operations as such do not fall within the foregoing definition of 'general contractor.'

"NEW SECTION. Sec. 6. There is added to chapter 77, Laws of 1963 and to chapter 18.27 RCW a new section to read as follows:

"Notwithstanding the provisions of section 12, chapter 77, Laws of 1963 or any other provision of law, the provisions of section 8, chapter 77, Laws of 1963 and RCW 18.27.080 shall not apply to any agreement or contract or performance of work or breach of contract covering the period from August 1, 1963 to December 24, 1965 or action pending thereon not foreclosed by the entry of a final judgment by or against any person in the business of acting in the capacity of a contractor."

Representative Leland spoke in favor of adoption of the amendment to the amendment.

Mr. Garrett demanded an electric roll call and the demand was sustained.

POINT OF ORDER

The Speaker recognized Mr. Harris on a point of order.

Mr. Harris:

"Mr. Speaker, I note that Mr. Leland's amendment to the amendment by Mr. Bluechel would strike all of the amendment, which is a complete wiping out of the amendment. Now, since we have already amended Mr. Bluechel's amendment with an amendment by Mr. Whetzel, would adoption of this amendment take with it Mr. Whetzel's amendment? It wasn't so stated in the amendment submitted by Mr. Leland."

RULING BY THE SPEAKER

The Speaker:

"Yes, it would. The friends of the amendment have an opportunity to perfect it. We have considered those amendments that would perfect the amendment. Now we are considering the amendment to strike the amendment as amended, and it would be in order."

Debate ensued, Representatives Heavey, Wolf, and Kalich speaking in favor of adoption of the amendment to the amendment, and Representatives Hill and Hurley speaking against its adoption.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Leland on a point of personal privilege.

Mr. Leland:

"Mr. Speaker, ladies and gentlemen of the House, I believe the charming lady from Spokane has a right to express her views, but I deeply resent her inference that this was ill-considered, and I think the lady owes me an apology."

Further debate ensued, Representative Bledsoe speaking against adoption of the amendment to the amendment as amended.

Mr. O'Brien demanded the previous question and the demand was sustained.

The Clerk called the roll, and the amendment by Mr. Leland to Mr. Bluechel's amendment as amended to Engrossed Senate Bill No. 245 was adopted by the following vote: Yeas, 52; nays, 41; absent or not voting, 6.

Those voting yea were: Representatives Backstrom, Bagnariol, Barden, Beck, Bottiger, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clocksin, Copeland, Cunningham, DeJarnatt, Farr, Gallagher, Garrett, Grant, Haussler, Hawley, Heavey, Hubbard, Humiston, Jastad, Johnson, Jolly, Kalich, King, Leckenby, Leland, Litchman, Lux, Mahaffey, Marzano, May, McDougall, McGavick, Merrill, Moon, O'Brien, Perry, Richardson, Rosellini, Sawyer,

Those voting nay were: Representatives Adams, Amen, Avey, Berentson, Bledsoe, Bluechel, Brazier, Clark (Newman H.), Clarke (George W.), Day, Elicker, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hill, Hoggins, Holman, Hurley, Jueling, Kink, Kiskaddon, Kopet, Lewis, Lynch, McCaffree, McCormick, Morrison, Murray, Newhouse, Newschwander, O'Dell, Saling, Smith, Smythe, Spanton, Sprague, Wanamaker, Whetzel, Zimmerman—41.

Those absent or not voting were: Representatives Anderson, Bozarth, Conner, Kirk, Marsh, Reese—6.

The Speaker declared the question before the House to be adoption of Mr. Bluechel's amendment as amended.

The amendment as amended was adopted.

On motion of Mr. Leland, the following amendment to the title of Engrossed Senate Bill No. 254 was adopted:

In line 1 of the title of the printed and engrossed bill, after the semicolon following "contractors" strike the remainder of the title and insert "amending section 4, chapter 77, Laws of 1963 and RCW 18.27.040; amending section 7, chapter 77, Laws of 1963 and RCW 18.27.070; amending section 9, chapter 77, Laws of 1963 as amended by section 50, chapter 170, Laws of 1965 extraordinary session and RCW 18.27.090; amending section 1, chapter 77, Laws of 1963 and RCW 18.27.010; and adding three new sections to chapter 77, Laws of 1963 and to chapter 18.27 RCW."

Engrossed Senate Bill No. 245 as amended by the House was passed to Committee on Rules and Administration for third reading.

THIRD READING OF BILLS

House Concurrent Resolution No. 24, by Representatives Litchman, Kirk, Chatalas, O'Brien, Heavey, Walgren, Ceccarelli, Day, Sprague, Bottiger, Elicker, Perry, and McGavick:

MOTION

On motion of Mr. Gorton, the House adjourned until 11:00 a.m., Monday, March 6, 1967.

Don Eldridge, *Speaker*.

Malcolm McBeath, *Chief Clerk*.

FIFTY-SEVENTH DAY

MORNING SESSION

House of Representatives,
Olympia, Wash., Monday, March 6, 1967.

The Speaker called the House to order at 11:00 a.m.

The Clerk called the roll and all members were present except Representatives Kirk and Taylor. Representative Kirk was excused.

The flag was escorted to the rostrum by a Sergeant at Arms color guard.

Prayer was offered by the Reverend Arthur I. Anderson of the Gloria Dei Lutheran Church of Olympia.

The reading clerk proceeded to read the journal of the proceedings of the previous day. On motion of Mr. McDougall, further reading was dispensed with and the journal was ordered to stand approved.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the court of the Puyallup Valley Daffodil Festival and requested that Representative Bledsoe escort the Queen Mother, Mrs. Carl Scheyer to a place on the rostrum.

The Speaker requested that Representatives Jueling, Gallagher, Bottiger, Marzano, Humiston, Brouillet, Sheridan, Swayze, Murray, and Bluechel escort the Daffodil Queen, Susan Bona, and the princesses to a place on the rostrum.

The Speaker recognized the parents of the queen, Mr. and Mrs. Lester Bona, in the North Gallery and asked that they stand and be recognized.

The Speaker:

"It is my pleasure to introduce to you, the members of the House of Representatives, the queen of the Puyallup Daffodil Festival."

Queen Susan:

"Thank you very much, Mr. Speaker. Members of the House, ladies and gentlemen, last year about this time I surely didn't expect to be here today. It is indeed an honor and privilege to be here and it is truly a highlight of my reign. Two years ago last summer I went to Evergreen Girls' State where three hundred seventy-five girls met to create an exact replica of a state government. There we gained insight into what you are doing and we gained greater interest in our state government. The Daffodil Festival is a promotion of springtime, as the daffodils bring color into the fields and make you feel more like spring. We do hope you will come and enjoy our festival. Imagine seeing two million daffodils decorating floats. Imagine coming and seeing Mount Rainier and Commencement Bay and the beauty of God's wonderland. Please do come. April 1 to 9 will be our festival week and you will be especially welcome."

The Speaker requested that the special committee escort the Daffodil Queen and her court from the rostrum.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Mr. Kalich appeared at the bar of the House.

Mr. Kink demanded an oral roll call and the demand was sustained.

Further debate ensued, Representatives Sawyer, Litchman, Day, Backstrom, and Moon speaking in favor of the motion, and Representatives Gorton, Holman, and Bledsoe speaking against it.

The Clerk called the roll and the motion that the House do concur in the Senate amendments to Engrossed House Bill No. 208 was lost by the following vote: Yeas, 42; nays, 54; absent or not voting, 3.

Those voting yea were: Representatives Anderson, Avey, Backstrom, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren—42.

Those absent or not voting were: Representatives Kirk, Perry, Taylor—3.

The Speaker declared the motion that the House do concur having lost, it implies that the House does not, therefore, concur in the Senate amendments to Engrossed House Bill No. 208 and asks the Senate to recede therefrom.

EXPLANATION OF VOTE

While there are some weaknesses in House Bill No. 208 as amended by the Senate and returned today to the House of Representatives, I feel that there are also sound reasons for supporting a budget which would be balanced without the imposition of additional taxes. I, therefore, supported the amended bill and urged its passage on the floor.

Inadequacies appear, particularly in the level of state support for our schools, in programs of financial aid to smaller cities and towns, and in provisions for assistance to counties. Other deficiencies exist in appropriations for state agencies and for other departments of state government.

Nevertheless, one practical fact should be kept in mind. The highest appropriation agreed upon by either chamber of the legislature fell below the ideal held by many legislators. Now that the House has refused to accept the Senate's amendments to House Bill No. 208, the measure necessarily will be referred to a conference committee where a compromise acceptable to all will be sought.

Under these conditions, it is highly unlikely that more than the maximum amount of support recommended by either chamber will be found in the final agreement.

Rather than achieving what was already a compromise in the amended House Bill, we may now face an additional loss of support for many of these vital areas.

Fearing this course of events, I supported House Bill No. 208 and urged that Senate amendments be accepted by the House. My aim in this critical legislative session is a balanced and adequate budget but one without additional taxes.

Charles Moon,
39th District.

Mr. Speaker:

The Senate has passed House Bill No. 478 with the following amendment:

On page 1, section 1, following line 16, add a new paragraph to read as follows:

"Before any sale under the provisions of this act shall be made the property shall be appraised by two independent, competent real estate appraisers. Any sale pursuant to the provisions of this act shall be made to the best bidder for a price not less than the appraised value of said property and pursuant to a call for bids published at least 15 days prior to the date fixed for the sale in one issue of a newspaper printed and published in the county in which the armory is located. Any exchange hereunder shall be for property of at least equal value as determined by two independent, competent appraisers.", and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

On motion of Mr. McDougall, the House refused to concur in the Senate amendment to House Bill No. 478 and asked the Senate to recede therefrom.

FIRST READING OF SENATE BILLS

The following was read first time by title and acted upon as indicated:

Senate Bill No. 621, by Senators McCormack, Ryder, Dore, and Durkan:

An Act relating to the supplemental budget enacted by chapter 4, Laws of 1967; amending section 2, chapter 4, Laws of 1967; and declaring an emergency.

Mr. Gorton moved that the rules be suspended, Senate Bill No. 621 be advanced to second reading and read the second time.

POINT OF INFORMATION

The Speaker recognized Mr. Beck on a point of information.

Mr. Beck:

"Mr. Speaker, I don't have Senate Bill No. 621. What are we voting on? The bills only go up to 620 in the book."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, if Mr. Beck had been listening, I just explained what the bill did. If you don't want to vote on it today, that is fine. The Senate considered it an emergency and wanted it done. If Mr. Beck wants to let these people wait for OASI benefits, we can wait."

The motion carried, and the bill was read the second time.

Mr. Gorton moved that the rules be suspended, Senate Bill No. 621 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Charette, Mr. Gorton yielded to question.

Mr. Charette:

"Mr. Gorton, so that there will be no misunderstanding, the way this has been explained is that when we passed House Bill No. 186, we did not provide that the benefits could be paid out of the money provided there. We actually imposed approximately a twelve percent burden on all the school districts throughout the state for non-certified employees, and this bill merely allows them to use the money for that purpose. Is that correct?"

Mr. Gorton:

"Mr. Charette, you are correct."

The motion was carried, and the bill was placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Brouillet, Mr. Gorton yielded to question.

Mr. Brouillet:

"Mr. Gorton, I understand this allows them to use this money for OASI and so forth. Is this money that would have been used for salary increases or is this surplus not needed for the salary increase?"

Mr. Gorton:

"The latter. This is all within the appropriation that the legislature actually made, not all of which could possibly be used for salary purposes under the formula."

Mr. Brouillet:

"In other words, these people are entitled to their monthly increase plus the OASI and that sort of thing?"

Mr. Gorton:

"Actually it doesn't do anything for the people concerned. It does something for the school districts, which otherwise would have to find this money for OASI out of other school district funds."

Mr. Brouillet:

"Thank you. I am trying to establish that this still gives them up to \$42.00, whether it is from local or state funds. Anything left over will be for OASI."

Mr. Gorton:

"It will make no difference as far as the pay raise is concerned."

EXPLANATION OF VOTE

The following is an explanation of why I voted against Senate Bill 138 on the evening of March 6, 1967:

I spoke against this legislation and voted against it but my voting button did not work and my vote was not recorded on the board.

I am opposed to removing the one-mile boundary around the University where the selling of alcoholic beverages has been prevented. With the removal of this boundary there will be at least two cocktail lounges and two taverns opened in this area where the ban is removed—a liberalizing of the liquor laws.

These new outlets for the selling of liquor will make for more drinking with its consequent incidents on the highways, and increases in our institutional care and in our family disintegration. In fact a great deal of the moral and social degeneration of our society can be traced to the use of alcohol. In having this line around the University there is no discrimination as liquor is sold closer to the University campus than it is to many other campuses, including the W.S.U. campus.

The only discrimination by this boundary is against a few businessmen who have dollar signs in their eyes instead of seeing the evil that will result from opening new outlets for liquor sales. None of the ministers of the largest churches in this area wants the boundary removed.

We can't legislate morals, true, but we can help young people by not giving them more temptations than they already have. We are our brother's keeper—for his good and the good of society. To quote from a great thinker of modern times, Bishop Fulton J. Sheen:

"Liberty is no heirloom. It requires the daily bread of self-denial, the salt of law, and, above all, the backbone of acknowledging responsibility for our deeds."

I appreciated the opportunity to express myself on this bill. I only wish I could have finished my remarks to say this:

The University District has been my home for nearly fifty years. It is a good place to live. I would hope it would continue to be that way.

Audley F. Mahaffey,
46th District.

Engrossed Senate Bill No. 143, by Senators Hallauer, Peterson (Lowell), Guess, Chytil, and Cooney:

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Bledsoe yielded to question.

Mr. McGavick:

"Mr. Bledsoe, it is my understanding the public utility district commissioners are not full-time employees. Are these men who have full-time employment elsewhere and serve part-time as public utility district commissioners?"

Mr. Bledsoe:

"You are correct in that. That is the reason behind this legislation. Much of the work is done on their own time. They are druggists, dentists, farmers—you name it—who serve in that capacity at a substantial sacrifice."

Mr. McGavick:

"Do you know of any other part-time public official we pay an optimum of fifty-three hundred dollars?"

Mr. Bledsoe:

"I am sorry. I can't answer that question. I wish I had that information for you, Mr. McGavick."

Debate ensued, Representative McGavick speaking against passage of the bill, and Representatives Bledsoe and Thompson speaking in its favor.

"(1) To purchase, and sell electric power to the inhabitants of the irrigation district for the purposes of irrigation and domestic use, to acquire, construct and lease dams, canals, plants, transmission lines, and other power equipment and the necessary property and rights therefor and to operate, improve, repair and maintain the same, for the generation and transmission of electrical energy, used in the operation of pumping plants and irrigation systems of the district, and to sell the surplus of any such electrical energy over and above the requirements of the irrigation districts to municipalities, public and private corporations and individuals, on such terms and conditions as the board of directors shall determine: *Provided*, That no contract entered into by such board for the sale of electrical energy to continue for a period longer than ten years shall be binding on the district until ratified by a majority vote of the electors of the district at an election therein, called, held and canvassed for that purpose in the same manner as that provided by law for district bond elections.

"(2) To construct, repair, purchase, maintain or lease a system for the sale or lease of water to the owners of irrigated lands within the district for domestic purposes.

"(3) To construct, repair, purchase, lease, acquire, operate and maintain a system of drains, sanitary sewers, and sewage disposal or treatment plants as herein provided.

As a part of its acceptance of the conveyance the irrigation district must agree to relieve the water district of responsibility for maintenance and repair of the system. On page 9, section 7, line 23, after "title." insert the following new sections:

"Sec. 8. Section 6, chapter 53, Laws of 1965 and RCW 23A.08.030 are each amended to read as follows:

A corporation shall have the right to purchase, take, receive or otherwise acquire, hold, own, pledge, transfer or otherwise dispose of its own shares, but purchases of its own shares, whether direct or indirect, shall be made only to the extent of unreserved and unrestricted [earned] surplus available therefor [, and, if the articles of incorporation so permit or with the affirmative vote of the holders of at least two-thirds of all shares entitled to vote thereon, to the extent of unreserved and unrestricted capital surplus available therefor].

To the extent that [earned] surplus [or capital surplus] is used as the measure of the corporation's right to purchase its own shares, such surplus shall be restricted so long as such shares are held as treasury shares, and upon the disposition or cancellation of any such shares the restriction shall be removed pro tanto.

Notwithstanding the foregoing limitation, a corporation may purchase or otherwise acquire its own shares for the purpose of:

- (1) Eliminating fractional shares.
- (2) Collecting or compromising indebtedness to the corporation.
- (3) Paying dissenting shareholders entitled to payment for their shares under the provisions of this title.
- (4) Effecting, subject to the other provisions of this title, the retirement of its redeemable shares by redemption or by purchase at not to exceed the redemption price.

No purchase of or payment for its own shares shall be made at a time when the corporation is insolvent or when such purchase or payment would make it insolvent.

The board of directors of a corporation may, from time to time, distribute to its shareholders out of capital surplus of the corporation a portion of its assets, in cash or property, subject to the following provisions:

(1) No such distribution shall be made at a time when the corporation is insolvent or when such distribution would render the corporation insolvent.

[(2) No such distribution shall be made unless the articles of incorporation so provide or such distribution is authorized by the affirmative vote of the holders of a majority of the outstanding shares of each class whether or not entitled to vote thereon by the provisions of the articles of incorporation of the corporation.]

[(3)] (2) No such distribution shall be made to the holders of any class of shares unless all cumulative dividends accrued on all preferred or special classes of shares entitled to preferential dividends shall have been fully paid.

[(4)] (3) No such distribution shall be made to the holders of any class of shares which would reduce the remaining net assets of the corporation below the aggregate preferential amount payable in event of voluntary liquidation to the holders of shares having preferential rights to the assets of the corporation in the event of liquidation.

[(5)] (4) Each such distribution, when made, shall be identified as a distribution

from capital surplus and the amount per share disclosed to the shareholders receiving the same concurrently with the distribution thereof.

The board of directors of a corporation may also, from time to time, distribute to the holders of its outstanding shares having a cumulative preferential right to receive dividends, in discharge of their cumulative dividend rights, dividends payable in cash out of the capital surplus of the corporation, if at the time the corporation has no earned surplus and is not insolvent and would not thereby be rendered insolvent. Each such distribution, when made, shall be identified as a payment of cumulative dividends out of capital surplus."

Renumber the remaining section. The same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

On motion of Mr. Clark (Newman H.), the House refused to concur in the Senate amendments to Engrossed House Bill No. 497 and the Senate was asked to recede therefrom.

SENATE AMENDMENTS TO HOUSE BILL

Senate Chamber,
Olympia, Wash., March 6, 1967.

Mr. Speaker:

The Senate has passed **House Bill No. 866** with the following amendments:

On page 1, line 1 of the title, strike "AN ACT Relating to diking and drainage districts;" and insert "AN ACT Relating to diking, drainage, and sewerage improvement districts; prescribing a method to pay for maintenance costs of such districts; defining terms; providing for an assessment roll and levies; prescribing powers, duties and functions of the board of improvement districts and the boards of county commissioners in relation thereto; prescribing a method review; adding a new chapter to Title 85 RCW;"

On page 1, line 7, before "NEW SECTION. Section 1." insert the following and renumber the remaining sections consecutively:

"NEW SECTION. Section 1. There is added to Title 85 RCW a new chapter to read as set forth in sections 2 through 20 of this act.

"NEW SECTION. Sec. 2. The maintenance, enlargement and extension of diking, drainage and sewerage improvement districts formed under chapter 85.08 RCW is essential to the public welfare and economy of the state. The influx of population and changes in land use since many such districts were formed, has made obsolete, expensive and unjust the method used under existing law to provide funds for the operation of such districts and for the maintenance and expansion of their systems of improvement.

"NEW SECTION. Sec. 3. As used in this chapter:

" 'District' means a diking, drainage or sewerage improvement district organized under chapter 85.08 RCW.

" 'Maintenance' means and includes not merely operating expenses and such upkeep and other work commonly classed as maintenance as shall be necessary to restore and preserve the district's systems of improvement and the machinery and equipment operated in connection therewith in the same or as good condition as when originally constructed and installed, but also the making of such changes in and betterments to the original works, improvements and installations as shall, subject to approval of the board of county commissioners, be by the board deemed necessary to put the systems of improvements into such condition as will provide protection and services as contemplated and intended by the original construction and any enlargement and extensions thereof thereafter made.

"NEW SECTION. Sec. 4. To operate under this chapter, the board of commissioners of the improvement district shall cause to be prepared and filed with the board of county commissioners a property roll. The roll shall contain: (1) A description of all properties benefited and improvements thereon which receive protection and service from the systems of the district with the name of the owner or the reputed owner thereof and his address as shown on the tax rolls of the assessor or treasurer of the county wherein the property is located, and (2) the determined value of such land and improvements thereon as last assessed and equalized by the assessor of such county or counties. Such assessed and equalized values shall be deemed prima facie to

be just, fair and correct valuations against which annual millage shall be levied for the operation of the district and the maintenance and expansion of its facilities.

"If property outside of the limits of the original district are upon the roll as adopted ultimately, and the original district has outstanding bonds or long-term warrants, the board of county commissioners shall set up separate millage levies for the full retirement thereof.

"**NEW SECTION.** Sec. 5. When a property roll is filed with the board of county commissioners, the board shall hold a public hearing to determine whether the facts and conditions heretofore recited in this chapter as a prerequisite to its application do or do not exist, and shall give notice of hearing as follows:

"The notice shall be published at least three times in consecutive issues in a weekly newspaper, or once a week for three consecutive weeks in a daily newspaper, published in or near said district, and if there is more than one such paper, then in some paper chosen by the board of county commissioners having general circulation in the area involved. The last publication shall be more than fifteen days prior to date of hearing.

"**NEW SECTION.** Sec. 6. Any person, owner or reputed owner having any interest in any property against which the board of county commissioners seeks to make a protection and service charge under this chapter, may object thereto. All such objections must be in writing and filed with the board of county commissioners before the hearing is commenced upon the roll containing such properties and must state clearly the grounds of such objection. Objections not made within this time and in this manner shall be deemed conclusively to have been waived.

"**NEW SECTION.** Sec. 7. The board of county commissioners may at any time reexamine the properties on any roll, and upon receipt of a petition from the board of supervisors of the district or the written request of a property owner shall do so. If it is found that the condition of such property or properties has changed so that such property should be eliminated from any rolls on file, or the valuation against which millage is levied should be lowered, it shall so determine and enter an order adjusting the valuation as to such properties and shall certify and file a copy thereof with the treasurer of the county wherein the property is situated, and the treasurer shall alter and change the existing rolls accordingly. Valuations may be revised periodically to reflect changes in real property valuations by the county assessor.

"**NEW SECTION.** Sec. 8. The roll approved and certified to the county officers by the board of county commissioners as in this chapter provided shall constitute the valuations of land, buildings and improvements furnished protection and services by the systems of the district against which valuation millage shall be levied and collected annually in the same manner as general taxes for the continuing operations of the district and its systems. The valuations on said roll shall be subject to adjustment from time to time in the manner provided in section 7 of this chapter.

"The board of county commissioners shall hold a hearing on such adjustments at the county seat at the time of equalization of real property assessments for the purpose of considering written objections to any revision of valuations filed at least ten days prior to the hearing and shall give published notice only of such hearing as provided in section 5 of this chapter.

"**NEW SECTION.** Sec. 9. Wherever any roll shall have been adopted by the board of county commissioners, the regularity, validity and correctness of the proceedings relating thereto shall be conclusive upon all parties, and it cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to the roll as provided in section 6 of this chapter and appealing from the action of said board in confirming the roll in the manner and within the time in this chapter provided. No proceeding of any kind, except proceedings had throughout the process of appeal as in this chapter provided, shall be commenced or prosecuted or may be maintained, for the purpose of defeating or contesting any assessment or charge made through levies under this chapter, or the sale of any property to pay such charges: *Provided*, That suit in injunction may be brought to prevent collection of charges of assessments or sale of property thereunder upon the following grounds and no other:

"(1) That the property charged or about to be sold does not appear upon the district roll, or

"(2) The charge has been paid.

"**NEW SECTION.** Sec. 10. The decision of the board of county commissioners upon any objection made within the time and in the manner prescribed may be reviewed by

the superior court of the county wherein the property in question is located, upon appeal thereto taken in the following manner: Any person aggrieved must file his petition for writ of review with the clerk of the superior court wherein the property is located within ten days after the roll affecting such aggrieved party was adopted by resolution, and serve a copy thereof upon the county treasurer. The petition shall describe the property in question, shall set forth the written objections which were made to the decision, and the date of filing of such objections, and shall be signed by such party or someone in his behalf. The court shall forthwith grant such petition if correct as to form and filed in accordance with this chapter.

"NEW SECTION. Sec. 11. Within ten days from the filing of such petition for review, the county treasurer, unless the court shall grant additional time, shall file with the clerk of the superior court its certified transcript containing such portion of the roll as is subject to review, any written objections thereto filed with the board by the person reviewing before the roll was adopted, and a copy of the resolution adopting the roll.

"NEW SECTION. Sec. 12. The county clerk shall charge the same filing fees for petitions for review as in civil actions. At the time of the filing of such a petition with the clerk, the appellant shall execute and file a bond in the penal sum of two hundred dollars, with at least two sureties, to be approved by the judge of the court, conditioned upon his prosecuting his appeal without delay and to guarantee all costs which may be assessed against him by reason of such review. The court shall, on motion of either party to the cause, with notice to the other party, set the cause for trial at the earliest time available to the court, fixing a date for hearing and trial without a jury. The cause shall have preference over all civil actions pending in the court except eminent domain and forcible entry and detainer proceedings.

"NEW SECTION. Sec. 13. At the trial the court shall determine whether the board of county commissioners has acted within its discretion and has correctly construed and applied the law. If it finds that it has, the finding of the board shall be affirmed; otherwise it shall be reversed or modified. The judgment of the court may change, confirm, correct, or modify the values of the property in question as shown upon the roll, and a certified copy thereof shall be filed with the county treasurer, who shall change, modify, or correct the roll as and if required by the judgment.

"NEW SECTION. Sec. 14. An appeal shall lie to the supreme court from the superior court as in other civil cases: *Provided*, That such appeal must be taken within fifteen days after the date of entry of the judgment of the superior court. The supreme court may change, conform, correct, or modify the values of the property in question as shown upon the roll. A certified copy of any judgment of the supreme court shall be filed with the county treasurer having custody of such roll, who shall thereupon change, modify, or correct such roll in accordance with such judgment as and if required.

"NEW SECTION. Sec. 15. The millage levies collected from time to time under this chapter are solely assessments for benefits received continuously by the protected properties, calculated in the manner specified in this chapter as a just and equitable way for all protected property to share the expense of such required protection and services.

"NEW SECTION. Sec. 16. The board of any improvement district proceeding under this chapter shall, on or before the first day of September of each year, make an estimate of the costs reasonably anticipated to be required for the effective functioning of the district during the ensuing year and until further revenue therefor can be made available, and shall cause its chairman or secretary to file the same with the board of county commissioners of the county containing the district and other benefited area. The board of county commissioners shall, on or before the first Monday in October next ensuing, certify the amount of the district's estimate, or such amount as it shall deem advisable, to the county treasurer. The amount so certified shall be applied by the regular taxing agencies against the benefit valuation of lands, buildings and improvements as shown by the then current complete roll of such properties certified to and filed with such county treasurer by the board of county commissioners. When thus levied, the amount of assessment produced thereby shall be added by the general taxing authorities to the general taxes against said lands and collected therewith as a part thereof. If unpaid, any delinquencies in such assessments shall bear interest at the same rate and in the same manner as general taxes and they shall be included in and be made a part of any general tax foreclosure proceedings, according to the provisions of law with relation to such foreclosures. As assessment collections are made, the county treasurer shall credit the same to the funds of the district.

"NEW SECTION. Sec. 17. In the case of an emergency or disaster occurring after the time of making the annual estimate of costs, declared to be such by resolution of the board, the board of the district may incur additional obligations and issue valid warrants therefor in excess of such estimate, in the manner provided by law for issuance of warrants by districts and the servicing thereof. All such warrants so issued shall be valid and legal obligations of the district and its taxable lands and improvements as shown upon the then current roll of the district filed with the county treasurer.

"NEW SECTION. Sec. 18. Any diking, drainage, or sewerage improvement district operating under this chapter shall not use concurrently the processes provided for raising revenue for maintenance purposes under any other law: *Provided*, That any other method of raising such revenue provided by law may be used concurrently for the sole purpose of extinguishing indebtedness incurred before the district adopts the procedures of this chapter, and no funds raised hereunder shall be used to pay such prior indebtedness.", and the same is herewith transmitted.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mrs. Lux yielded to question.

Mr. Lewis:

"Representative Lux, I see that in House Bill No. 455 you call for the establishment of one hundred fifty school districts. Now, would it be the intention of this resolution, if adopted, that the study be confined to examination of one hundred fifty potential school districts or would it be your intention that it would perhaps be a study of whether the number should be one hundred fifty or some other number?"

Mrs. Lux:

"The whole range could be considered in the study. The precise number was an error in drafting; it should have read not more than one hundred fifty. Obviously the study would have to include the whole range."

RESOLUTIONS

House Resolution No. 67-36, by Representatives Amen, Reese, Jolly and Kalich:

Whereas, The production of agricultural crops and livestock is an industry vitally affecting the public interest, health, and general welfare of the State of Washington; and

Whereas, Noxious weeds and other weeds are detrimental to the production of agricultural crops and livestock in this state; and

Whereas, Noxious weeds and other weeds can reduce or completely eliminate the production of marketable agricultural seeds, such as vegetable, grain, grass, and other seeds necessary for the production of agricultural crops in this state and other areas of the United States and the world; and

Whereas, Noxious weeds and other weeds can eliminate or reduce vast areas of productive land used in the production of agricultural crops and livestock by making such areas untillable or completely eliminating their forage use; and

Whereas, Noxious weeds and other weeds can vitally affect the production of agricultural crops and livestock by eliminating or drastically reducing the availability of moisture and productive components of the soil where such noxious weeds or other weeds are growing; and

Whereas, The control, eradication, and prevention of the spread of noxious or other weeds in this state is in the public interest; and

Whereas, The laws of this state relating to the control, eradication, and spread of noxious weeds or other weeds are archaic and difficult to interpret and enforce;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council, through its Subcommittee on Agriculture, is requested to conduct a study and investigation of noxious and other weeds and their injurious effect on the production of agricultural crops, livestock, and the various land and water areas of the state; and

Be It Further Resolved, That such study and investigation shall include a review of the various laws of this state relating to the control, eradication, and prevention of the spreading of such noxious weeds and other weeds in or into this state; and

Be It Further Resolved, That in the course of such study and investigation, the Legislative Council, through its Subcommittee on Agriculture, may hold hearings and may expend for expert, legal, technical, clerical, and other services and assistance such sums as may be appropriated therefor; and

Be It Further Resolved, That the Legislative Council, through its Subcommittee on Agriculture, shall report to the Forty-first Legislature the results of its study and investigation, and its recommendations, together with drafts of legislation necessary to carry its recommendations into effect. Such report shall be made on or before December 1, 1968.

On motion of Mr. Amen, the resolution was adopted.

House Resolution No. 67-37, by Representatives Beck, Barden, Leland, Harris, O'Brien, Hawley, Juelling, Saling, Brazier, Conner, Leckenby, Rosellini, Jolly, Merrill, Haussler, Elicker, Sprague, Day, Anderson, Avey, Lux, Thompson, Jastad, Gallagher, King, Hurley, Chatalas, Walgren, Sheridan, Garrett, Grant, Murray, Heavey, Whetzel, Zimmerman, Brouillet, O'Dell, Holman, Litchman, Charette, Clark (Newman H.), Smith and Ceccarelli:

Whereas, Justice Tom Clark of the United States Supreme Court has publicly announced his intention of resigning from the Court at an undetermined date prior to June 1, 1967; and

Whereas, The President of the United States will shortly be called upon to select and appoint a worthy successor to this high office; and

Whereas, Our own Chief Justice, The Honorable Robert C. Finley, in his seventeen years of service on our supreme court, including two terms as Chief Justice, and by virtue of his many collateral achievements in the advancement and improvement of the law and the administration of justice, as enumerated below, has demonstrated his eminent qualifications for consideration for appointment to this prospective vacancy, to wit:

He was born and reared in North Carolina and was graduated from the public schools of that state. He earned his B.A. and LL.B. degrees at Duke University, and was awarded the degree of Master in Law at Georgetown University. He was also bestowed honorary membership in the Order of the Coif at Duke University;

He has served as a faculty member and lecturer at many seminars on the subject of appellate jurisprudence;

He has been a practicing attorney and is keenly aware of the responsibilities of the profession;

He has been a frequent contributor to national legal publications and law journals;

He is serving or has served as a director of the American Judicature Society, and as a member of the council of the section on judicial administration of the American Bar Association. He is Chairman of the Committee on State and Federal Court Relationships of the Conference of Chief Justices;

As Chairman of the State Judicial Council, he was instrumental in accomplishing the following improvements in the administration of justice in this state: The establishment of the court administrator system; the adoption of a comprehensive system of justice and inferior courts which is among the finest in the Nation; and the addition to the supreme court of *pro tempore* judges which required popular ratification and which has been extremely helpful in enabling the supreme court to maintain a current docket; and

Whereas, Judge Finley has at all times employed a reasonable and rational approach to the whole field of jurisprudence, including the presently vexatious problems of criminal procedure and law enforcement, and his many outstanding

opinions are frequently cited with approval by courts and judges throughout the Nation; and

Whereas, Judge Finley is, above all, a warm and humane person who enjoys the popular support of business, agriculture and labor, as well as of various citizens groups, and was twice reelected to the supreme bench without opposition; and

Whereas, The appointment to the Supreme Court of the United States of a person having lengthy and broad state appellate court experience would be of great benefit to the Court and to the Nation;

Now, Therefore, Be It Resolved, By the House of Representatives, That we do unequivocally commend, to the attention of the President of the United States and the other addressees of this resolution, the serious consideration of the appointment of Judge Robert C. Finley to fill the prospective vacancy on the United States Supreme Court when it occurs; and

Be It Further Resolved, That copies of this resolution be forwarded forthwith to the Honorable Lyndon B. Johnson, the President of the United States; to Senator Warren G. Magnuson and Senator Henry M. Jackson; as well as to Mr. Orison S. Marden, the President of the American Bar Association; and to Mr. Bernard Segal, the President of the Federal Judicial Selection Committee.

On motion of Mr. Clark (Newman H.), the resolution was adopted.

MOTION

On motion of Mr. McDougall, **Substitute Senate Bill No. 140** was rereferred to Committee on Agriculture.

SECOND READING OF BILLS

Substitute Senate Bill No. 46, by Committee on Medicine, Dentistry, Public Health, Air and Water Pollution:

Enacting Washington clean air act.

House of Representatives,
Olympia, Wash., March 3, 1967.

Mr. Speaker:

We, a majority of your Committee on Natural Resources, to whom was referred **Substitute Senate Bill No. 46**, enacting Washington clean air act, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 3, section 2, line 29, after "*duration as*" and before "*to be*" insert "*is, or is likely to be,*"

On page 3, section 2, line 29, after "*human*" and before "*, plant*" insert "*health*"

On page 3, section 2, line 30, after "*life or*" and before "*property*" strike "*to*"

S. E. "Sid" Flanagan, *Chairman*.

We concur in this report: Otto Amen, Art Avey, C. W. "Red" Beck, Alan Bluechel, P. J. "Jim" Gallagher, Dwight S. Hawley, Dan Jolly, Hugh "Bud" Kalich, Bill Kiskaddon, Brian J. Lewis, John S. Murray, Richard L. Smythe, Keith J. Spanton, Fred A. Veroske, Harold S. Zimmerman.

The bill was read the second time.

On motion of Mr. Flanagan, the committee amendments were adopted.

The Speaker called on Mr. Copeland to preside.

Mr. Berentson moved adoption of the following amendment by Representatives Berentson and Day:

On page 25, section 31, line 16, after subparagraph (a) insert a new subparagraph as follows:

"(b) If the application for variance shows that there is no automobile fragmentizer in the state within a reasonable distance of the wrecking yard for which the variance is sought, a variance will be granted for a period not to exceed five years for commercial burning of automobile hulks, subject to such conditions as the state board or governing body may impose as to climatic conditions and hours during which burning of such hulks may be carried out: *Provided, However*, That any variance granted hereunder shall be of no force and effect after January 1, 1972."

Reletter the remaining subparagraphs accordingly.

Debate ensued, Representatives Berentson, Day, and Clark (Newman H.) speaking in favor of adoption of the amendment, and Representative Whetzel speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Day yielded to question.

Mr. Sprague:

"Mr. Day, I was curious as to how many fragmentizers there are in the state now."

Mr. Day:

"I am not aware of the exact number. I know they are expensive and this might be a difficult thing to comply with. These people want to comply and will as soon as they can. If you will note, the amendment has a great deal of flexibility as far as the authority of the board is concerned. It is not something that grants them the privilege for the next five years; it gives the board the authority to act on a reasonable basis."

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Berentson yielded to question.

Mr. Sprague:

"Mr. Berentson, do you know how many fragmentizers there are?"

Mr. Berentson:

"I can't say how many fragmentizers there are. I know there is one located in Tacoma and I believe one in Seattle. However, the cost of one of these facilities required in the proposed air pollution act that would control the pollutants is around a million dollars and I think it has been proposed that they establish five regional facilities throughout the state. I believe they will eventually get to this, but again I would like to mention that we are talking about a unique area here. Actually, within Senate Bill No. 46 there are some variances allowed in other industries. From a strictly practical viewpoint, if we don't do this we are going to have auto wrecks stacked all over the country. I think there are something like six million of these cars whose age is less than seven years that are discarded each year. If we don't do something to give relief, the state or someone is going to have to tow them away and do something with them."

Further debate ensued, Representative Sprague speaking against adoption of the amendment.

Mr. McGavick demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative Garrett speaking against adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Berentson yielded to question.

Mr. Adams:

"Mr. Berentson, we have quite a lot of burning over our way. Will this permit seed growers to burn off their land prior to planting seed?"

Mr. Berentson:

"I think the chairman of the committee can answer that better than I. As I understand it, there are variances allowed, including some areas of agriculture."

The Speaker (Mr. Copeland presiding) recognized Mr. Flanagan.

Mr. Flanagan:

"Dr. Adams, in the bill there are variations to take care of certain situations, and the administration of this bill is in the hands of the counties and districts. As to this particular thing, there was no discussion in the committee and I can't answer that."

The Speaker (Mr. Copeland presiding) recognized Mr. Bledsoe.

Mr. Bledsoe:

"If I might, Dr. Adams, the rationale behind the bill is that air pollution is not strictly prohibited. We are not drawing the line and saying that from this moment there will be no air pollutants. We are regulating them by permit. In this case, the county organizations will be the base at first. From there we will eventually proceed to a state authority. At this stage in Spokane county, it would be under the jurisdiction of your county commissioners. They possibly would regulate it by permit so that it would be done on certain days, in certain months, according to atmospheric conditions and the like. It is not the intent that regulations be adopted today so there will be no pollutants; it will be done strictly under permit, however."

YIELDING TO QUESTION

At the request of Mr. Heavey, Mr. Clark (Newman H.) yielded to question.

Mr. Heavey:

"Representative Clark, I know you have considerable experience representing second-hand car wrecking outfits. How do you feel about this amendment?"

Mr. Clark:

"Mr. Heavey, when these car burners are in the vicinity of all the factories and major commercial construction areas in a city where the pollution is being sent out of their stacks into the air in a very substantial degree, and when the health department hasn't complied with the conditions already existing and in effect in the county of King and under the state statutes, I think that it is very fair to pass this amendment."

Further debate ensued, Representative Anderson speaking in favor of adoption of the amendment.

The Clerk called the roll on adoption of the amendment by Representatives Berentson and Day to Substitute Senate Bill No. 46, and the motion was carried and the amendment adopted by the following vote: Yeas, 66; nays, 31; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Beck, Berentson, Bledsoe, Bottiger, Bozarth, Brazier, Ceccarelli, Charette, Clark (Newman H.), Clocksin, Conner, Copeland, Day, Flanagan, Gallagher, Gladder, Goldsworthy, Harris, Haussler, Hawley, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, Kink, Kirk, Kopet, Leckenby, Leland, Lewis, Lynch, Marsh, Marzano, McCaffree, McCormick, McDougall, Merrill, Morrison, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sheridan, Smith, Smythe, Spanton, Taylor, Walgren, Wanamaker, Wolf, Zimmerman, Mr. Speaker—66.

Those absent or not voting were: Representatives Cunningham, Veroske—2.

On motion of Mr. Berentson, the following amendment by Representatives Berentson and Day was adopted:

On page 25, section 31, line 29, after "(a)" strike "and (b)" and insert ", (b) and (c)"

With consent of the House, the rules were suspended, Substitute Senate Bill No. 46 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Flanagan spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Substitute Senate Bill No. 46 as amended by the House and the bill passed the House by the following vote: Yeas, 98; nays, 0; absent or not voting, 1.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—98.

Those absent or not voting were: Representative Veroske—1.

YIELDING TO QUESTION

At the request of Mr. Hill, Mr. Lewis yielded to question.

Mr. Hill:

"Representative Lewis, I understand that this bill is one of the bills in the package presented by Forward Thrust and that Forward Thrust has indicated that this bill should be enacted now and not two years hence. Will there be a duplication of effort on the part of cities and other units that undertake to complement this act with the interim study authorized a few days ago of the general transportation needs of this state?"

Mr. Lewis:

"Representative Hill, I would say definitely not. This whole process will probably take several years to put into effect. History has shown in other communities around the country that the time from when the first enabling steps were taken until the day the parties started doing something has been as long as ten years. I wouldn't see any conflict. Hopefully, all the studies of state transportation needs will fit together as part of a logical, integrated package to make sure we get optimum utilization of tax money at all levels, because we all recognize there is inadequate money in any single place to do the whole job. What we want to make sure of is that the various aspects do not compete but complement one another. I think the various bills are working toward that objective."

Further debate ensued, Representative Whetzel speaking in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 168, and the bill passed the House by the following vote: Yeas, 94; nays, 2; absent or not voting, 3.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger,

Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—94.

EXPLANATIONS OF VOTE

I wish to be excused from voting on Engrossed Senate Bill No. 212 on conflict of interest grounds.

David G. Sprague,
37th District.

I voted against this bill because its fiscal impact on the state was not made clear. Secondly, it increases the state's participation in the program two hundred percent over the past four years. It could cost the state up to twelve million dollars a biennium within four years. I finally opposed it because we have told teachers of a salary increase of seven and five percent, and we can't keep promising without funding the

increases. Teachers are not clear that this fringe benefit (insurance) would be considered part of the salary increase.

Harold S. Zimmerman,
17th District.

Whenever any member affected by this chapter terminates his employment prior to the completion of twenty-five years of service he shall receive seventy-five percent of his contributions made after the effective date of this act and he shall not receive any contributions made prior thereto: *Provided, That in the case of any member who has completed twenty years of service, such member, upon termination for any cause, other than a felony conviction, shall have the option of electing, in lieu of recovery of his contributions as herein provided, to be classified as a vested member in accordance with the following provisions:*

(1) *Written notice of such election shall be filed with the board within thirty days after the effective date of such member's termination.*

Ward Bowden, Secretary.

MOTIONS

Mr. Humiston moved that the House do not concur in the Senate amendments to House Bill No. 554 and that the Senate be asked to recede therefrom.

Mr. Charette moved that the House do concur in the Senate amendments to House Bill No. 554.

Mr. Gorton moved that House Bill No. 554 as amended by the Senate be rereferred to Committee on Local Government.

Mr. Charette demanded an electric roll call on the motion by Mr. Gorton and the demand was sustained.

Representative May spoke against the motion to rerefer the bill to Committee on Local Government.

POINT OF ORDER

The Speaker (Mr. Copeland presiding) recognized Mr. Brouillet on a point of order.

Mr. Brouillet:

"Mr. Speaker, Mr. Charette moved that we do concur in the amendments and Mr. Gorton moved that we rerefer the bill. Is there any rank in these motions?"

RULING BY THE SPEAKER

The Speaker (Mr. Copeland presiding):

"Mr. Brouillet, to explain the procedure with respect to a negative motion, the Speaker would rule that, a negative motion having been made, a subsequent motion in the affirmative to adopt would be in order, and that Mr. Charette's motion that the House do concur in the Senate amendments would be properly before the body. Now, Mr. Gorton's motion is a subsidiary motion of the fourth rank to commit the bill to a committee and would take precedence over Mr. Charette's motion to concur in the Senate amendments."

Mr. Litchman demanded an electric roll call and the demand was sustained.

POINT OF ORDER

The Speaker (Mr. Copeland presiding) recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, on what basis did Mr. Gorton make his motion to commit? We have a rule that on Senate amendments our choice is either to agree or disagree unless the scope of the bill is changed, in which case the House would have the right to rerefer it to committee."

The Speaker:

"With respect to the scope and object, it has been the custom of the House that oftentimes we have disallowed the reading of an amendment because it drastically changes the scope and object of a house bill. Mr. Gorton's motion is only to commit the bill to the committee on local government, irrespective of the effect of the Senate amendment."

Mr. O'Brien:

"Mr. Speaker, it appears the motion would be out of order. It would be a violation of the joint rules on matters of disagreement between the House and Senate."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, speaking to that point of order, of course the Senate constantly puts house bills back in committee when the amendments are less drastic than this. This is something we recognized when we adopted the new rules this time, but it is something that could have been done before adoption of the rules."

MOTION

Mr. Brouillet moved that the motion by Mr. Gorton to rerefer House Bill No. 554 as amended by the Senate to Committee on Local Government be laid on the table.

Mr. Sheridan demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to table the motion that House Bill No. 554 be rereferred to Committee on Local Government, and the motion to table was lost by the following vote: Yeas, 44; nays, 52; absent or not voting, 3.

nariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Taylor, Thompson, Walgren, Wolf—44.

Those absent or not voting were: Representatives Kirk, Mahaffey, Mr. Speaker—3.

With the consent of the House, Mr. Gorton withdrew his motion that House Bill No. 554 as amended by the Senate be rereferred to Committee on Local Government.

The Speaker (Mr. Copeland presiding) declared the question before the House to be the motion that the House do concur in the Senate amendments to House Bill No. 554.

With the consent of the House, Mr. Charette withdrew his motion that the House do concur in the Senate amendments to House Bill No. 554.

MOTION

Mr. O'Brien moved that the House defer further consideration of House Bill No. 554 as amended by the Senate and that the bill be made a special order of business at 8:15 tonight.

PARLIAMENTARY INQUIRY

The Speaker (Mr. Copeland presiding) recognized Mr. Humiston on a point of parliamentary inquiry.

Mr. Humiston:

"Mr. Speaker, if Mr. O'Brien's motion is adopted, are we then at the position of my motion not to concur in the Senate amendment being before us?"

The Speaker:

"That is correct."

The motion was carried.

Senate Chamber,
Olympia, Wash., March 7, 1967.

Mr. Speaker:

The Senate has passed Engrossed House Bill No. 516 with the following amendments:

On page 1, line 2 of the title, after "RCW 29.04.040" insert "; and establishing a procedure for new residents to vote a special ballot limited to the offices of president and vice president; adding a new chapter to chapter 9, Laws of 1965 and to Title 29 RCW; and making an appropriation"

NEW SECTION. Section 2. As used in this chapter "new resident" means a person qualified to vote for presidential and vice-presidential electors as provided by this chapter and authorized by Article VI, section 1A of the state constitution.

NEW SECTION. Sec. 3. A new resident who moves into the state of Washington less than one year from an approaching presidential election and intends to make this state his permanent residence shall be entitled to vote for presidential and vice-presidential electors or for the office of president and vice president of the United States, as the case may be, but no other office, provided he meets the following qualifications:

(1) He possesses the qualifications required of other voters as contained in Article VI, section 1 of the state constitution except as to residence;

(2) He is not excluded from suffrage under any other provision of law;

(3) He is unable to vote for presidential and vice-presidential electors in the state of his former residence; and

(4) He has followed the voting procedure as hereinafter in this chapter provided.

NEW SECTION. Sec. 4. All voting as provided by this chapter shall be by mail through the use of a special ballot issued by the secretary of state.

Insofar as applicable, the voting procedure for a new resident to cast a special presidential ballot shall be substantially the same as for civilian absentee voting as provided in chapter 29.36 RCW but the secretary of state shall make such revisions

that are necessary to carry out the purpose of this chapter, including but not limited to, the following:

(1) A new resident must execute an official application form as prescribed by section 4 of this act, as a prerequisite to obtaining a ballot;

(2) All such signed application forms must be received by the secretary of state no later than the day prior to the election concerned. In order to be valid, all ballots must be voted and postmarked no later than the day of the election and received by the secretary of state no later than the fifteenth day following the election;

(3) The state canvassing board as prescribed in RCW 29.62.100 shall perform the preliminary tasks and be responsible for the count of the special presidential ballots in the same manner as the county canvassing board performs in the count of absentee ballots as provided in chapter 29.36 RCW. In the event any member of the state canvassing board cannot appear in person, his assistant or deputy may serve in his place;

(4) The actual count of the special presidential ballots shall be done by teams, each consisting of four persons, and equally representing each major political party as provided by RCW 29.54.043. The secretary of state shall determine the number of such counting teams to be used and shall employ such persons as needed from lists of names submitted by the state chairman of each major political party. The compensation of such persons shall be the same as those employed by the Thurston county canvassing board to count absentee ballots; and

(5) The tallying of the special presidential ballot shall be by county and upon the conclusion and certification of such count, the appropriate election figures shall be added to the vote cast on the position of president as reported to the secretary of state by each county auditor. Such adjusted totals shall then constitute the official election returns of the respective counties.

NEW SECTION. Sec. 5. The official application form to be used by a new resident desiring to vote shall be issued by the secretary of state. It shall be of a distinctive color and shall be substantially as follows:

APPLICATION FOR A SPECIAL PRESIDENTIAL BALLOT

..... (Street) (City) (County) (State)

I hereby make application for a special presidential ballot to vote for presidential and vice-presidential electors only at the approaching presidential election and request that such ballot be sent to the following address:

A supply of the above-described application forms shall be distributed at least three months prior to the election concerned by the secretary of state to each city and

town clerk, county auditor, county chairman of each political party, and to all other persons or organizations requesting the same.

NEW SECTION. Sec. 6. The wording of the voter's affidavit appearing upon the pre-addressed return envelope shall be substantially the same as the wording of the official application as contained in section 4 of this act.

Such declaration properly executed is hereby declared to be a full and complete temporary registration of the new resident concerned but only for the purposes of this chapter and the election for which it is submitted.

NEW SECTION. Sec. 7. The signed applications of the new residents received by the secretary of state shall be available for public inspection under such reasonable rules and regulations as may be prescribed therefor.

NEW SECTION. Sec. 8. The secretary of state shall be responsible for furnishing all election supplies necessary to carry out the purposes of this chapter, including but not limited to ballots, envelopes, voting instructions and application forms.

The ballots shall be patterned after the absentee ballots, including arrangement of political party columns, as issued by the respective county auditors for the same election, except that only the presidential and vice-presidential offices shall appear upon the special presidential ballots.

The sets of envelopes used for mailing such ballots shall be patterned after the envelopes as provided by RCW 29.36.030 for the voting of absentee ballots.

The secretary of state shall determine the size of envelopes, dimensions of ballots and voting instructions, and may revise the wording of forms and affidavits whenever in his judgment such changes shall best serve the voting procedure for new residents.

NEW SECTION. Sec. 10. Sections 1 through 7 of this act shall constitute a new chapter and be added to chapter 9, Laws of 1965 and Title 29 RCW.

Renumber the remaining sections accordingly.

Debate ensued, Representatives Sawyer and Day speaking in favor of adoption of the amendment, and Representatives Humiston and Cunningham speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Humiston yielded to question.

Mr. McCormick:

"What about the vested rights in state pensions? They would not be transferred from, say, the state patrol to some other department, would they?"

Mr. Humiston:

"This is true, but if he piled up twenty years in the state patrol, he would begin collecting on that, and if he piled up some other years in another pension system, he would collect on that, too."

Mr. McCormick:

"If he spent fifteen years in the state patrol and then maybe ten years in the parks department, would his pension overall, with the twenty-five years service, be comparable to what he would have if he hadn't been in two different systems?"

Mr. Humiston:

"Well, the pension system that the state patrol operates under pays a higher rate, but if he had fifteen years in the state patrol and he is not old enough to collect his pension, it will stay there until he achieves the age, whatever it is—I believe it is 55—and then they would start paying. He could collect probably sixty percent of his pension from the state patrol and the other forty percent from the other system."

Mr. Anderson demanded an electric roll call and the demand was not sustained.

The motion was lost and the amendment was not adopted.

Engrossed Senate Bill No. 96 as amended by the House was passed to Committee on Rules and Administration for third reading.

Engrossed Senate Bill No. 11, by Senator Atwood:

Empowering state patrol to spot check vehicles.

House of Representatives,
Olympia, Wash., March 9, 1967.

Mr. Speaker:

We, a majority of your Committee on Transportation, to whom was referred **Engrossed Senate Bill No. 11**, empowering state patrol to spot check vehicles, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

On page 1, section 2, line 21 of the engrossed bill, after the period following "amended" strike "No criminal citation shall be issued for a period of 10 days after giving a warning ticket pointing out the defect."

Alfred E. Leland, *Chairman*,
Duane L. Berentson, *Vice Chairman*,
Bob McDougall, *Vice Chairman*.

We concur in this report: C. W. "Red" Beck, Horace W. Bozarth, Norwood Cunningham, Elmer Jastad, Dan Jolly, Bill Kiskaddon, William S. Leckenby, Brian J. Lewis, William J. S. "Bill" May, W. L. The bill was read the second time.

Mr. McDougall moved adoption of the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. McDougall yielded to question.

Mr. Smith:

"Mr. McDougall, if we do not adopt this amendment, it would be possible, if the state patrolman so decided, to issue a citation when he found something, is that not true?"

Mr. McDougall:

"Yes, Mr. Smith. It was pointed out by at least one member of the state patrol that in the event an individual was stopped with, for example, defective brakes, if we had this particular amendment added to the bill, conceivably that gentleman could drive his automobile for ten days with defective brakes and be a menace to others on the highway. I might add that, as I pointed out earlier, the patrol has been quite lenient in allowing people adequate time, regardless of where they might live, to have these repairs made. For this reason, it was felt that this particular amendment was not needed."

Mr. Smith:

"This is an established policy at this time?"

Mr. McDougall:

"It is a discretionary determination by the patrol, which has been quite lenient in allowing time to make these repairs."

The motion was carried and the committee amendment was adopted.

With the consent of the House, the rules were suspended, Engrossed Senate Bill No. 11 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Leland yielded to question.

Mr. Sprague:

"Mr. Leland, how is the state patrol going to perform these spot checks? Do you happen to know?"

Mr. Leland:

"Mr. Sprague, they testified at some length on this very subject. They said, for example, that they would never contemplate stopping people on the freeway or in heavy traffic where stopping people would cause a dangerous condition. They further testified they would never stop more cars than they had individual patrolmen to cover and they would do it very discreetly."

Further debate ensued, Representatives Sprague and Smith speaking against passage of the bill, and Representatives McDougall and Spanton speaking for its passage.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. King, Mr. Backstrom yielded to question.

Mr. King:

"Mr. Backstrom, I notice that a portion of this bill involves the labelling of materials that are brought in as to country of origin. Would that mean that if we imported lumber, for example, every board would have to have stamped on it where it came from?"

"Representative King, that is being done now as far as our products going out of this country are concerned. If you go down to the Port of Everett, you will find that the lumber is labeled that goes out."

EXPLANATION OF VOTE

As a friend of this proposition, I wanted to be a member of the Conference Committee should the Senate not concur in the floor amendment adopted by the House.

It would be most regrettable that anyone would consider my vote a vote against

education, as I have long been a strong advocate of the formation of the Interstate Education Compact. This Compact promotes the total cause of education for the young people of our state and of every state which becomes a member of the Interstate Compact for Education.

It is my hope that should this measure go to a Conference Committee, any disagreement in the formation of the policy for the State of Washington to participate completely, be resolved so that we in turn can continue to promote the cause of education for all children residing within our boundary.

Doris J. Johnson,
District 16-A.

EXPLANATION OF VOTE

I should like to record briefly my reasons for supporting and voting in favor of Engrossed Substitute Senate Bill No. 52. The original bill was the result of extensive work by one of the Legislative Council committees and proposed needed changes in the Administrative Procedure Act of the State. Desirable amendments were incorporated by the Senate in the substitute bill. In addition a very sound House amendment has been recommended by the House Judiciary Committee, after hearing, to which I would like to address your attention.

Members of the House will recall that we passed the other day House Bill No. 841 by an overwhelming vote. This bill pertained to one of the sections in the A.P.A. which is also to be amended by Substitute Senate Bill No. 52 relating to the scope of judicial review of administrative agency decisions. Our House Bill No. 841, which I sponsored along with Representatives Bottiger, Charette, and Chapin, substituted the so-called "clearly erroneous" test of judicial review of agency findings for that of a so-called "substantial evidence" test which has been severely criticized by lawyers and commentators alike as practically eliminating judicial review of the actions of administrative agencies. House Bill No. 841 also permitted and required the reviewing court to give consideration to the public policy of the legislature contained in the statute authorizing the agency decision.

When Substitute Senate Bill No. 52 came before the House Judiciary Committee its section 6 amending RCW 34.04.130(6) (e) contained the language relating to the "clearly erroneous" test but it did not contain the remaining language of House Bill No. 841 relating to the public policy of this body. The House amendment on Substitute Senate Bill No. 52 conforms the language of this bill with that which we previously adopted in House Bill No. 841.

This House amendment which was recommended by our Judiciary Committee was endorsed not only by the outstanding lawyers of this body but also by several prominent lawyers throughout the state. A representative of the Attorney General's office opposed this House amendment on the ground that it unduly expanded the scope of judicial review of agency decisions and suggested that only the administrative agencies have the expertise to give consideration to the policy which the Legislature intended. He also stated that one of the professors at the Law School opposed the amendment. I submit that the judiciary is in a better and more objective position to give consideration to and effectuate the intent and public policy announced by this body than agency employees, and I have urged support of the amended Substitute Senate Bill No. 52 for these reasons.

The House amendment favors neither the party opposing nor supporting an agency decision. It is intended to give effect to the public body contained in the underlying statutes passed by this body.

George W. Clarke,
41st District.

(3) For the purposes of [chapter 46.20 RCW] Title 46 the term "conviction" shall mean a final conviction in either a state or municipal court. [Also, for the purposes of chapter 46.20 RCW] An unvacated forfeiture of bail or collateral deposited to secure a defendant's appearance in court, the payment of a fine, a plea of guilty or a finding of guilt on a traffic law violation charge, shall be equivalent to a conviction under Title 46 regardless of whether the imposition of sentence is deferred or the penalty is suspended."

"I am not sure. I can change the amendment so as to appropriate that much money and delete the other appropriation if that will accomplish the objective, but the point is that there can't be too big a demand for this man's house if they still haven't spent the money, while there is a crying need for this educational equipment."

The attorney general may make such application for a hearing to the superior court for Thurston County.

(2) Notice of the hearing shall immediately be served upon the dealer or distributor selling or otherwise distributing the alleged erotic publication. FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of Engrossed House Bill No. 123 as amended by the Senate.

YIELDING TO QUESTION

At the request of Mr. Clark (Newman H.), Mr. May yielded to question.

Mr. Clark:

"Mr. May, we haven't seen the amendment. We haven't heard it read. You haven't said what it is. Would you give us a brief explanation?"

Mr. May:

"I read it once, Mr. Clark. It is about the same in content as the other one that a couple of attorneys drew up. My attorney, Mr. Bottiger, could tell you more about it than I could."

The Speaker recognized Mr. Bottiger.

Mr. Bottiger:

"Basically, they took off the definition section that the House put on and adopted a procedure whereby material found to be 'erotic' in the eyes of an eighteen-year-old has to be stamped on its face 'For Adults Only.' The amendment is by Senators Greive and Uhlman. I believe Senator Uhlman's reputation for being quite liberal in this field is well-known. I think this amendment is better than nothing. It is keyed to children."

Representative Charette spoke against passage of the bill as amended by the Senate.

Mr. Beck demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 123 as amended by the Senate, and the bill failed to pass the House by the following vote: Yeas, 33; nays, 60; absent or not voting, 6.

Every final decision and order rendered by the board shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the board's order based thereon. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal and to his attorney of record *within one hundred and twenty days from the date of expiration of the period for filing petitions for review*. In the event that no such decision and order is mailed *within said one hundred and twenty days*, the hearing examiner's proposed decision and order shall be deemed to be the final decision and order of the board.

"Sec. 18. Section 51.52.110, chapter 23, Laws of 1961 and RCW 51.52.110 are each amended to read as follows:

"Within thirty days after the final decision and order of the board upon such appeal has been communicated to such workman, beneficiary, employer or other person, or within thirty days after the appeal is deemed denied as herein provided, or *within thirty days after the proposed decision and order of the hearing examiner is deemed to be the final decision and order of the board as herein provided*, such workman, beneficiary, employer or other person aggrieved by the decision and order of the board may appeal to the superior court.

"In cases involving injured workmen such appeal shall be to the superior court of the county of residence of the workman or beneficiary, as shown by the department's records, the superior court for Thurston county, or to the superior court of the county wherein the injury occurred. In all other cases the appeal shall be to the superior court of Thurston county. Such appeal shall be perfected by filing with the clerk of the court a notice of appeal and by serving a copy thereof by mail, or personally, on the director and on the board. The department shall, within twenty days after the receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed at issue. The board shall serve upon the appealing party, the director and any other party appearing at the board's proceeding, and file with the clerk of the court before trial, a certified copy of the board's official record which shall include the notice of appeal and other pleadings, testimony and exhibits, and the board's decision and order, which shall become the record in such case. No bond shall be required on appeals to the superior court or on appeals to the supreme court, except that an appeal by the employer from a decision and order of the board under RCW 51.48.070, shall be ineffectual unless, within five days following the service of notice thereof, a bond, with surety satisfactory to the court, shall be filed, conditioned to perform the judgment of the court. Except in the case last named an appeal shall not be a stay: *Provided, however*, That whenever the board has made any decision and order reversing an order of the supervisor of industrial insurance on questions of law or mandatory administrative actions of the director, the department shall have the right of appeal to the superior court.

"Sec. 19. Section 51.52.130, chapter 23, Laws of 1961 and RCW 51.52.130 are each amended to read as follows:

"If, on appeal to the court from the decision and order of the board, said decision and order is reversed or modified and additional relief is granted to a workman or beneficiary, or in cases where a party other than the workman or beneficiary is the

appealing party and the workman's or beneficiary's right to relief is sustained by the court, a reasonable fee for the services of the workman's or beneficiary's attorney shall be fixed by the court. In fixing the fee the court shall take into consideration the fee or fees, if any, fixed by the director and the board for such attorney's services before the department and the board. If the court finds that the fee fixed by the director or by the board is inadequate for services performed before the department or board, or if the director or the board has fixed no fee for such services, then the court shall fix a fee for the attorney's services before the department, or the board, as the case may be, in addition to the fee fixed for the services in the court. If the decision and order of the board is reversed or modified and if the accident fund is affected by the litigation then the attorney's fee fixed by the court for services before the court only, and the fees of medical and other witnesses and the costs shall be [payable out of the administrative fund of the department] paid and assessed by the department in the same manner as provided for those costs and expenses in RCW 51.52.150.

"Sec. 20. Section 51.52.132, chapter 23, Laws of 1961 as amended by section 2, chapter 63, Laws of 1965 extraordinary session and RCW 51.52.132 are each amended to read as follows:

"Where the department pays the attorney's fee, or where the department, the board or the court, pursuant to RCW 51.52.120 or 51.52.130 fixes the attorney's fee, it shall be unlawful for an attorney to charge or receive any fee in excess [of that fixed by the department, board or the court] thereof. Any person who violates any provision of this section shall be guilty of a misdemeanor.

"Sec. 21. Section 51.52.150, chapter 23, Laws of 1961 and RCW 51.52.150 are each amended to read as follows:

"All expenses and costs incurred by the department for board and court appeals, including fees for medical and other witnesses, court reporter costs and attorney's fees, and all costs taxed against the department, shall be paid one-half out of the medical aid fund and one-half out of the accident fund and shall be assessed against the various employer classes.

"NEW SECTION. Sec. 22. There is added to chapter 23, Laws of 1961 and to chapter 51.52 RCW a new section to read as follows:

"An attorney engaged in the representation of a workman or beneficiary shall be entitled to attorney's fees which shall be paid by the department in addition to any award granted the workman or beneficiary, and shall be determined as follows:

"(1) For services before the department or the board, a fee of twenty-five percent of the amount of temporary total disability and permanent partial disability compensation in immediate issue which is awarded and obtained by the attorney's services: *Provided*, That in cases of a pension award, such fee shall be either ten percent of the pension reserve as determined by the department, or four thousand dollars, whichever is less;

"(2) For services before the superior court or supreme court, a fee of thirty percent of the amount of temporary total disability and permanent partial disability compensation in immediate issue which is awarded and obtained by the attorney's services: *Provided*, That in cases of a pension award, such fee shall be either ten percent of the pension reserve as determined by the department, or four thousand dollars, whichever is less;

"(3) In cases where no increased compensation is obtained as prescribed in subsections (1) and (2), but which result in the department assuming responsibility for expenses of medical treatment, the attorney's fee shall be twenty-five percent of the amount of such expenses, both past and future, that are paid on behalf of the workman up to such time as the department next closes the claim or the expiration of one year from the date of the decision, order or judgment whereby the department assumed the responsibility for such expenses, whichever occurs first: *Provided*, That in no event shall such fee exceed the sum of one thousand dollars.

"NEW SECTION. Sec. 23. There is added to chapter 23, Laws of 1961 and to chapter 51.52 RCW a new section to read as follows:

"If, on appeal to the board or to the superior or supreme court, the order of the department is reversed or modified and additional relief is granted the workman or beneficiary, or in cases where a party other than the workman or beneficiary is the appealing party and the right of the workman or beneficiary to relief is sustained, the department shall pay to the workman or beneficiary, as costs, his witness fees, including those of medical witnesses, but not to exceed in total amount the sum of one hundred dollars. Such fees shall be paid by the department in addition to any award granted the workman or beneficiary.

"NEW SECTION. Sec. 24. Sections 14 through 23 of this 1967 amendatory act shall take effect on July 1, 1967. The review procedure provided in sections 16 through 18 of this 1967 amendatory act shall apply to all appeals as provided for in chapter 51.52 RCW, but as to those appeals pending before the board on July 1, 1967, with respect to which there has been a proposed decision and order issued on which exceptions have been filed, the time for mailing a final decision and order shall be extended to one hundred and twenty days from July 1, 1967. The provisions of sections 22 and 23 of this 1967 amendatory act shall only apply to cases involving injuries occurring on or after July 1, 1967. The provisions of RCW 51.52.120 and 51.52.130 shall only apply to cases involving injuries which occurred prior to July 1, 1967.", and the same is herewith transmitted.

Engrossed House Bill No. 477 as amended by the Senate was referred to Committee on Labor and Employment Security.

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, this is a rather strange thing to do. We should move either to concur or not to concur. Is there some basis for this move?"

RULING BY THE SPEAKER

The Speaker:

"Yes, Mr. O'Brien. Rule 32 states that a House bill passed by the Senate with amendment or amendments which change the scope and object of the bill shall, upon being received in the House, be referred to the appropriate committee and take the same course as the original bill. Now, if you will check these amendments to House Bill No. 477, you will find that this changed the scope of the original bill entirely. This, therefore, comes under the purview of Rule 32."

Mr. O'Brien:

"Why isn't this done by a motion, so that we could get a roll call on it?"

The Speaker:

"I don't think that is necessary, Mr. O'Brien."

Mr. O'Brien:

"I am particularly concerned with the arbitrary action of referring it when the point of order wasn't raised by a member and a motion wasn't made and you have apparently taken it upon yourself to make this motion. According to Reeds, when there is a doubt about whether the matter has been substantially changed and the question of germaneness is raised, the body has the right to make the determination. That is, when a presiding officer doesn't like to take the great power that is within his jurisdiction, he should leave the matter to the determination of the body."

The Speaker:

"According to Rule 32, it indicates that the bill upon being received in the House shall be referred. That is all."

"When articles of incorporation complying with the foregoing requirements, together with duplicate copies of such bylaws, have been filed with the supervisor, he shall ascertain whether such articles of incorporation and bylaws of such credit union are consistent with the purposes of this chapter and whether the character, responsibility and general fitness of the persons named in such articles are such as to command confidence and warrant belief that the purpose of the proposed credit union will be honestly and efficiently conducted in accordance with the purpose of this chapter, and he shall further determine the economic advisability for such credit union, also taking into consideration all surrounding facts and circumstances pertaining to a successful operation of said credit union, and whether the proposed credit union is being formed for other than the legitimate objects covered by this chapter. After the supervisor shall have satisfied himself of the above facts, and within thirty days after receipt of such certificates and bylaws, he shall endorse upon each of the articles of incorporation his official signature with the word "approved" or the word "refused" with the date thereof. In case of refusal, he shall return one of the quadruplicate certificates so endorsed with a copy of the bylaws to the person from whom the same were received, which refusal shall be conclusive unless the incorporators, within ten days of the issuance of such notice of refusal, shall appeal to the superior court of the county in which the credit union is proposed to be located. The incorporators shall file one of the quadruplicate copies with the county auditor of the county in which such credit union is to be located, with a filing fee of twenty-five cents.

"Upon receipt from the proposed incorporators of a filing fee of five dollars the secretary of state shall file and record the articles of incorporation. Upon the filing of articles of incorporation, approved as aforesaid by the supervisor, with the secretary of state and county auditor, all persons named therein and their successors shall become and be a corporation, which shall have the powers and be subject to the duties and obligations prescribed by this chapter, and whose existence shall continue for the period not exceeding fifty years. No member may vote by proxy or have more than one vote, and after a credit union has been incorporated for one year, no member may vote until he has been a member for three months. To be eligible to vote a member must have not less than one fully paid share. The board shall select a credit committee composed of three or more members of the credit union, who need not be board members. The offices of secretary and treasurer may be held by the same person. No director shall be a member of both the credit and auditing committee, and no more than one director shall serve on the auditing committee.* Each officer and employee handling funds of the credit union shall give bond to the directors in such amount and with such surety and conditions as the supervisor may prescribe, which bond shall be filed with the supervisor.

"Sec. 7. Section 15, chapter 173, Laws of 1933 as last amended by section 3, chapter 138, Laws of 1959, and RCW 31.12.190 are each amended to read as follows:

The board from time to time shall set the amount of shares and deposits which any one member may hold in the credit union, and set the amount which may be loaned, secured or unsecured, to any one member, all subject to the limitations contained in this chapter. At each annual, [or] semiannual, or quarterly period the board may declare a dividend from net earnings, which shall be paid on all shares outstanding at the time of declaration, and which may be paid to members on shares withdrawn during the period. Shares which become paid up during the year shall be entitled to a proportional part of the dividend calculated from the first day of the month following such payment in full: *Provided*, That the board may compute such full shares if purchased on or before the tenth day of any month, as of the first day of the month. The board may borrow money in behalf of the credit union, for the purpose of making loans, and the payment of debts or withdrawals. The aggregate amount of such loans shall not exceed thirty-three and one-third percent of the credit union's paid-in and unimpaired capital and surplus except with the approval of the supervisor. Senate Chamber,
Olympia, Wash., March 8, 1967.

Mr. Speaker:

The Senate has passed **Engrossed House Bill No. 72** with the following amendments:
On page 1, line 3, of the title of the engrossed and printed bills, after "measures;" insert "creating a parks and recreation revolving account; providing for certain

inter-agency fund transfers; authorizing the expenditure of certain funds for park purposes; providing for the exchange of state lands for privately owned lands of equal value to be used for park purposes; adding a new section to chapter 79.08 RCW;”

On page 1, section 1, line 11 of the printed bill, being line 10 of the engrossed bill, after “jurisdiction” and before “when” insert “which are of primitive character”

On page 1, line 24 of the printed bill, being line 23 of the engrossed bill, following section 1, insert new sections to read as follows:

“NEW SECTION. Sec. 2. There is added to chapter 8, Laws of 1965 and to chapter 43.30 RCW a new section to read as follows:

There is hereby created an account of the general fund to be known as the “Parks and Recreation Revolving Account”. Notwithstanding any other provisions of law, the department of natural resources is hereby directed to deposit into such account from time to time an amount equal to any rents it shall have received from the state parks and recreation commission. No moneys derived from the sale, lease or other disposal of lands granted in trust to the state by the Washington state enabling act shall be deposited in such account. The state parks and recreation commission is hereby authorized to withdraw from such account and expend for park purposes such funds as may from time to time be deposited therein. No appropriation shall be required to permit such withdrawals and expenditures.

“NEW SECTION. Sec. 3. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW, a new section to read as follows:

It is the sense of the legislature that use of lands granted to the state in trust by the Washington State Enabling Act for park purposes is not in violation of the trust imposed upon such lands, since the lands are not disposed of in the constitutional sense and since the various trust beneficiaries indirectly receive the benefits of the trust.

Therefore, the department of natural resources, with respect to the rental on lands leased for park purposes, shall determine the full rental market value as required by Article XVI of the Washington State Constitution, by considering only the actual money value of the lands when used for park purposes and the offsetting benefits accruing directly or indirectly to the owners and/or beneficiaries of such lands.

“NEW SECTION. Sec. 4. There is added to chapter 79.08 RCW a new section to read as follows:

For the purpose of securing and preserving privately owned lands for parks and recreation purposes, the department of natural resources is authorized, with the advice and approval of the state board of natural resources, to exchange any state lands of equal value for such lands. Lands acquired by exchange as herein provided shall be withdrawn from lease and sale and reserved for park and recreation purposes.

“NEW SECTION. Sec. 5. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW a new section to read as follows:

If any provision of sections 1 through 6 of this act, or its application to any person or circumstances is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.”

Renumber existing section 2 as section 6., and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

Mr. Lewis moved that the House do concur in the Senate amendments to Engrossed House Bill No. 72.

Debate ensued, Representative Lewis speaking in favor of the motion, and Representatives Copeland and Jolly speaking against it.

Mr. Newhouse demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Whetzel and Chapin speaking in favor of the motion, and Representative Flanagan speaking against it.

Mr. Beck demanded the previous question and the demand was not sustained.

Further debate ensued, Representatives Moon, Lux, and Anderson speaking against the motion to concur in the Senate amendments, and Representative Bluechel speaking in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. Copeland yielded to question.

Mr. Bottiger:

"Mr. Copeland, how is the rent set on these lands?"

Mr. Copeland:

"Well, at the present time it is a negotiated type of arrangement, Mr. Bottiger, but this act says it will now be on the full use, which is all right. I have no particular concern about that. The point I think is important is that you should try to protect the trust funds. In other words, we are trying to get away from this dollar-a-year type of arrangement. It is my understanding that the parks department, with some of the land they currently have and are developing for a park, will go in and log off certain areas and sell the logs, and all of the money goes to the parks department, not to the trustees themselves. We are financing this, and the moneys that are going for it are no more than what you would consider the just rental, and I think it is proper that the trustees receive just rental. I don't think we are going to price any parks out of business in any way, shape, or form. The public is demanding the parks and the people are interested in them. The only thing is to be honest about the way you pay for it. Don't go the back door route and take it away from your common schools."

Further debate ensued, Representatives Holman and Garrett speaking against the motion to concur in the Senate amendments.

Mr. Harris demanded the previous question and the demand was sustained.

The Clerk called the roll, and the motion that the House concur in the Senate amendments to Engrossed House Bill No. 72 was lost by the following vote: Yeas, 9; nays, 84; absent or not voting, 6.

Those voting yea were: Representatives Avey, Bluechel, Chapin, Elicker, Gorton, Lewis, Murray, Sprague, Whetzel—9.

Those voting nay were: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Hurley, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McGavick, Merrill, Moon, Morrison, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Span-ton, Swayze, Thompson, Veroske, Walgren, Wanamaker, Wolf, Zimmerman, Mr. Speaker—84.

Those absent or not voting were: Representatives Backstrom, Hubbard, Jastad, Leland, McDougall, Taylor—6.

The Speaker declared that, the motion that the House do concur having lost, the Senate would be advised that the House had failed to concur in the Senate amendments to Engrossed House Bill No. 72 and would be asked to recede therefrom.

NEW SECTION. Sec. 9. The requirements of RCW 48.19.040 and 48.19.440 shall not apply to insurance subject to chapter 48.19 RCW for any policyholder whose aggregate annual premiums for all insurance subject to said chapter exceeds twenty-five thousand dollars.

Sec. 10. Section 14, chapter 70, Laws of 1965 extraordinary session and RCW 48.13.370 are each amended to read as follows:

Any domestic life insurer may, after adoption of a resolution by its board of directors and certification thereof to the commissioner, allocate to one or more separate accounts, pursuant to the terms of a written agreement, any amounts which are paid to such insurer in connection with a pension, retirement, or profit-sharing plan or annuity issued pursuant to chapter 48.23 or chapter 48.24 RCW, which are to be used to provide annuities or retirement benefits *payable in fixed or in variable dollar amounts or in both* under such insurer's policies or contracts and to provide other benefits incidental thereto. The income, if any, and gains or losses, realized or unrealized, on each separate account shall be credited to or charged against the amount allocated to the account in accordance with the agreement, without regard to the other income, gains or losses of such insurer. Amounts allocated to such separate accounts shall be owned by such insurer, who shall not be, or hold itself out to be, a trustee in respect to these amounts.

NEW SECTION. Sec. 11. There is added to chapter 79, Laws of 1947 and to chapter 48.13 RCW a new section to read as follows:

(1) A domestic life insurer may issue annuity contracts providing benefits payable in fixed or in variable dollar amounts or both. The insurer shall establish separate accounts for all such contracts which provide benefits payable in variable dollar amounts, and shall allocate funds thereto and invest funds therein and otherwise treat such separate accounts as provided in the applicable provisions of chapter 48.13 RCW.

(2) If the contract provides for payment of benefits in variable amounts, it shall contain a statement of the essential features of the procedure to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract shall state that such dollar amount may decrease or increase and shall contain on its first page a statement that the benefits thereunder are on a variable basis.

(3) No domestic life insurer, and no other authorized life insurer, shall deliver within this state any contract providing benefits in variable amounts until the insurer has satisfied the commissioner that it has surplus as to policyholders of not less than one million dollars, and that its condition or methods of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this state. In determining the qualification of any insurer requesting authority to deliver such agreements within this state, the commissioner shall consider, among other things,

(a) The history and financial condition of the insurer,

(b) The character, responsibility and general fitness of the officers and directors of the insurer, and

(c) In the case of an insurer other than a domestic insurer, whether the statutes or regulations of the jurisdiction of its incorporation provide a degree of protection to policyholders and the public which is substantially equal to that provided under this section and rules and regulations issued hereunder.

(4) The commissioner shall have sole authority to regulate the issuance and sale of such contracts, and to make rules and regulations for the effectuation of this section.

NEW SECTION. Sec. 12. There is added to chapter 79, Laws of 1947 and to chapter 48.17 RCW a new section to read as follows:

In the case of life insurers authorized to issue variable annuities in this state, the commissioner shall require applicants appointed by such insurers to solicit such contracts in this state, in addition to completing examinations required for a life insurance agent's license, to pass a supplemental examination covering the subject of variable annuities.

Sec. 13. Section 6, chapter 229, Laws of 1951 and RCW 48.20.025 are each amended to read as follows:

There shall be a provision as follows:

TIME LIMIT ON CERTAIN DEFENSES: (a) After [three years] *ninety days* from the date of issue of this policy no misstatements except fraudulent misstatements, *knowingly* made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such [three-year] *ninety day* period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial [three-year] *ninety day* period, nor to limit the application of RCW 48.20.172, 48.20.182, 48.20.192, 48.20.202, and 48.20.212 in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE":

"After this policy has been in force for a period of [three years] *ninety days* during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.")

(b) No claim for loss incurred or disability (as defined in the policy) commencing after [three years] *ninety days* from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

NEW SECTION. Sec. 14. There is added to chapter 79, Laws of 1947 and to chapter 48.20 RCW a new section to read as follows:

There shall be in every policy as provided for in this chapter a provision that the policy shall be incontestable after it has been in force during the lifetime of the insured for a period of ninety days from its date of issue, except for the nonpayment of premiums, and except for fraudulent misstatements knowingly made by the applicant in the application for such policy: *Provided*, That this section shall not be construed to limit the application of RCW 48.20.172, 48.20.182, 48.20.192, 48.20.202, and 48.20.212 in the event of misstatement with respect to age or occupation or other insurance.

NEW SECTION. Sec. 15. There is added to chapter 79, Laws of 1947 and to chapter 48.20 RCW a new section to read as follows:

Notwithstanding any other provision of law and Title 48 RCW, any claim upon a policy issued to an insured whose application was filled out by said insured in good faith and when the insured was unaware of any existing physical disability, shall not subsequently be disallowed upon the insurers' counterclaim of a preexisting disability contributing to the physical disability for which the claim is made, and any provision to the contrary in any contract of insurance issued under the provisions of this chapter shall be considered void and of no effect."

In line 1 of the title after "insurance" strike the remainder of the title and insert the following:

" , including motor vehicle financial responsibility; amending sections 9, 26, 39, 49 and 55, chapter 169, Laws of 1963 and RCW 46.29.090, 46.29.260, 46.29.390, 46.29.490 and 46.29.550; amending section 1, chapter 75, Laws of 1963 as amended by section 1, chapter 57, Laws of 1965 and RCW 41.04.180; amending section 1, chapter 187, Laws of 1959 and RCW 28.76.410; amending section 14, chapter 70, Laws of 1965 extraordinary session and RCW 48.13.370; amending section 6, chapter 229, Laws of 1951 and RCW 48.20.025; adding a new section to chapter 79, Laws of 1947 and to chapter 48.17 RCW; adding a new section to chapter 79, Laws of 1947 and to chapter 48.18 RCW; adding a new section to chapter 79, Laws of 1947 and to chapter 48.19 RCW; adding new sections

Mr. Perry:

"Mr. Bledsoe, does this contain a provision that this lease is extended on the basis of the capital investment?"

YIELDING TO QUESTION

"He was inquiring about what the Senate was doing on our amendment on uninsured motorists. In answer to Mr. Sprague, we are very much concerned about

Rather than go to free conference on this one point, I would remind the House that this same provision was covered in House Bill No. 351 which is in Rules and which could be considered again during the special session. I don't think we should dwell on one part of this bill and go to free conference on it when it affects the whole insurance code."

There being no objection, the title of the bill was ordered to stand as the title of the act.

Mr. Copeland appeared before the bar of the House.

MESSAGE FROM THE SENATE

Senate Chamber,
Olympia, Wash., March 8, 1967.

Mr. Speaker:

The Senate has concurred in the second House amendment, being "Sec. 5" to Engrossed Senate Bill No. 378.

The Senate refuses to concur in the first House amendment, adding new sections 3 and 4, to Engrossed Senate Bill No. 378, and asks the House to recede therefrom, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTIONS

Mr. Richardson moved that the House do not recede from its amendment adding new sections 3 and 4 to Engrossed Senate Bill No. 378.

Mr. Smith moved that the House do recede from its amendment adding new sections 3 and 4 to Engrossed Senate Bill No. 378.

The Speaker declared the question before the House to be the motion that the House do recede from its amendment adding new sections 3 and 4 to Engrossed Senate Bill No. 378.

Mr. Marzano demanded an electric roll call and the demand was sustained.

Representative Heavey spoke in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Richardson yielded to question.

Mr. McCormick:

"Mr. Richardson, am I correct in my understanding of your statement that you and Mr. Smith have an agreement that he would support your amendment and you would support his amendment?"

Mr. Richardson:

"Yes, Mr. McCormick, Mr. Smith did come to me and we agreed to support each other in these two amendments all the way through, even if it came to a conference committee, in order to get both these amendments on the bill."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Smith yielded to question.

Mr. Moon:

"Mr. Smith, would you like to explain your position on this?"

Mr. Smith:

"I would be glad to. Mr. Richardson and I did have an agreement to support each other on this bill here and in the Senate. That agreement I have discharged. The question of conference never came up. I am a man who will not back down on my word. We did not discuss a conference, because we never dreamed we would go this far. I have gone as far as I can go. The moment of truth is now. We either pass a civil rights bill now or we decide we are not going to."

YIELDING TO QUESTION

At the request of Mr. Hawley, Mr. Heavey yielded to question.

Mr. Hawley:

"Mr. Heavey, isn't it true that this bill has been ruined by the Democratic Senate by their not accepting a little real estate amendment that did not amount to much?"

Mr. Heavey:

"Mr. Hawley, I cannot answer whether this bill has been ruined or not. My position is that regardless of what a Democratic Senate may have done, we should not ruin the progress we are making in civil rights for an unimportant amendment."

YIELDING TO QUESTION

At the request of Mr. Chapin, Mr. Smith yielded to question.

Mr. Chapin:

"Mr. Smith, I don't have a copy of this amendment in my Senate book, and I don't think any of us do. I would like to ask you this. Am I correct or not in my understanding that under your amendment, if a home owner directs an agent that he does not desire to show his home to any particular group, and if the agent goes along with those wishes, he is not in violation?"

Mr. Smith:

"Let me explain it this way. Under the amendment, a real estate broker has to communicate all offers to the owner. The owner makes the decision whether or not to sell. If the owner does not want to sell, all well and good; he has discharged his duty. But the real estate broker himself may not discriminate."

Mr. Chapin:

"You haven't answered my question. Under your amendment, if I am a home-owner and I go to a realtor and say, 'I want you to sell my house, but I don't want

you to show my house and I am not interested in selling my house to a particular group,' and as a result he doesn't show it to a particular person who comes along and would otherwise like to see the house, is he in violation?"

Mr. Smith:

"Under this law, the real estate broker should tell the owner, 'The law requires me to communicate any offer to you or to show it to anyone. It is up to you to accept the offer.' That is all he has to do to discharge his duty. He doesn't have to go any further."

Further debate ensued, Representative Litchman speaking in favor of the motion that the House do recede from its amendment to Engrossed Senate Bill No. 378.

MOTION

Mr. Clark (Newman H.) moved that the House defer further consideration of Engrossed Senate Bill No. 378 and that the bill be made a special order of business at 5:00 p.m. today.

The motion was lost.

Further debate ensued, Representative Bledsoe speaking against the motion.

YIELDING TO QUESTION

At the request of Mr. Backstrom, Mr. Smith yielded to question.

Mr. Backstrom:

"Mr. Smith, have you taken this up with the director of motor vehicles?"

Mr. Smith:

"Yes, Mr. Backstrom. I talked to Mr. Toms only this morning and he assured me the problems in connection with temporary permits could be worked out in the interim. He explained some programs to me that he felt sure he could work out."

Further debate ensued, Representative Sheridan speaking in favor of the motion and Representative Richardson speaking against it.

Mr. Bledsoe demanded the previous question and the demand was not sustained.

Further debate ensued, Representatives King and Sprague speaking in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. Merrill, Mr. Smith yielded to question.

Mr. Merrill:

"Mr. Smith, Mr. Sprague in his talk said that the real estate agent would not have to show this house if the owner wanted to discriminate as to race. Is that correct?"

Mr. Smith:

"Mr. Merrill, under the provision of this law, the real estate broker would be required to communicate any offer to the owners."

Mr. Merrill:

"And if he didn't?"

Mr. Smith:

"If he did not communicate this offer to the owner, this would be discrimination. The director of licenses could investigate and let him know he had been found guilty of discrimination. All he would have to do after that is write the director of licenses a letter and say, 'I will stop discriminating.' No further action would be taken unless within six months he should discriminate again. Then it would be up to the director whether he wanted to suspend or revoke the license. In the case the director did

suspend or revoke the license, the broker would have recourse to the courts. You see, he would discriminate twice for the record before anything at all would happen to him. This is a very mild little bill."

Further debate ensued, Representatives Leckenby and Gorton speaking against the motion.

The Clerk called the roll on the motion that the House do recede from its amendment adding new sections 3 and 4 to Engrossed Senate Bill No. 378, and the motion was carried by the following vote: Yeas, 48; nays, 47; absent or not voting, 4.

Those voting yea were: Representatives Backstrom, Bagnariol, Barden, Beck, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Chatalas, Conner, DeJarnatt, Gallagher, Garrett, Grant, Hawley, Heavey, Holman, Humiston, Jastad, Johnson, Jolly, Kalich, King, Kiskaddon, Litchman, Lux, Lynch, Marsh, Marzano, May, McCaffree, Merrill, Moon, Morrison, Murray, O'Brien, Rosellini, Sawyer, Sheridan, Smith, Smythe, Sprague, Thompson, Walgren, Wanamaker—48.

Those voting nay were: Representatives Adams, Amen, Anderson, Avey, Berentson, Bledsoe, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hill, Hoggins, Hurley, Juelling, Kink, Kirk, Kopet, Leckenby, Leland, Lewis, Mahaffey, McCormick, McDougall, McGavick, Newhouse, Newschwander, O'Dell, Reese, Richardson, Saling, Spanton, Swayze, Veroske, Whetzel, Wolf, Zimmerman, Mr. Speaker—47.

Those absent or not voting were: Representatives Haussler, Hubbard, Perry, Taylor—4.

EXPLANATIONS OF VOTE

I stated on the floor that my vote would be "nay" and so voted because it appeared that an agreement had been made to go to conference, if necessary. The agreement was with Mr. Richardson, who was especially interested in passage of legislation restricting temporary real estate licenses, which had been deleted by the Senate. Mr. Smith's motion passed 48-47. On final passage of Engrossed Senate Bill No. 378 my vote was "aye."

William S. Leckenby,
31st District.

I had previously voted for fair housing on final passage of Engrossed Senate Bill No. 378. I opposed receding because I supported Representative Gordon Richardson on his statement (supported by Representative William Leckenby) that he had an agreement to stay with the amendments through conference.

I am in favor of fair housing and supported Representative Sam Smith on his earlier efforts in the session and on the previous votes on the amendments to Engrossed Senate Bill No. 378.

Harold S. Zimmerman,
17th District.

FINAL PASSAGE OF SENATE BILL WITHOUT HOUSE AMENDMENT

The Speaker declared the question before the House to be Engrossed Senate Bill No. 378 without the House amendment adding new sections 3 and 4.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 378 without the House amendment adding new sections 3 and 4, and the bill passed the House by the following vote: Yeas, 86; nays, 9; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bo-

zarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gorton, Grant, Harris, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Reese, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—86.

Those voting nay were: Representatives Avey, Clark (Newman H.), Gladder, Goldsworthy, Jueling, Kink, McCormick, Newschwander, Richardson—9.

Those absent or not voting were: Representatives Haussler, Hubbard, Perry, Taylor—4.

Engrossed Senate Bill No. 378 without the House amendment adding new sections 3 and 4, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

Because there are so many measures introduced at every legislative session, it is imperative that legislators and legislative representatives can be taken at their word.

We were in favor of the open housing amendment on Engrossed Senate Bill No. 378 and still are, but we also felt the other house amendment doing away with temporary real estate licenses also was important.

We felt an agreement was made between two Representatives in support of each other's amendment. This agreement was not fulfilled.

We also disagree that a conference committee would have killed the bill, since both houses favored it by a large margin. Had the measure gone into conference, we were convinced we could have passed a bill which would have helped all concerned and possibly even made a stronger open housing provision than the one which was adopted.

The Speaker recognized Mr. Gorton.

Mr. Gorton:

Mr. Speaker, one of the pleasures of serving in the House of Representatives is in the ability of each of us to carry on the tradition of our predecessors, and one of the finest of those traditions is the recognition at the end of the session of the fact that the Speaker is an officer of the entire House and is respected by the membership of the entire House, and his experience, which is a difficult one at times and an exhausting one at almost all times, should be recognized by all the members of the House with some remembrance which he can keep as a memento of the occasion. You, as the Speaker of the fortieth session of the legislature, have helped all of us as members of the House deal with our business with dispatch and fairness, and with humor and with kindness as far as our mistakes are concerned. Therefore, representing the members of the House, at this particular time I would like to present you with this gift in token of our appreciation for your services as Speaker during the fortieth session of the legislature. I know Mr. O'Brien would like to join with me in this and say a few words to you also."

Mr. O'Brien:

"Mr. Speaker and Mrs. Eldridge and members of the House of Representatives, it is a real honor for me to have this opportunity to represent our side of the aisle in this presentation. I can say we have enjoyed very much serving under you. On many occasions, of course, we have disagreed with you, but we attempted not to be disagreeable. This is part of the two-party system, and I can join with Mr. Gorton in saying that you are a man with a heart and deep understanding, I am sure, of our problems that many of us have. But it has been a real pleasure to work with you, and I know the people on our side join with me in wishing you well in the future with this little remembrance. I hope you remember us in the future years as being a part, maybe, of your loyal and militant opposition, but it is all in the vein of the two-party system. I am sure after the special session is over that we will all be friends in the future, wherever we go. We join in wishing you well. In knowing you, we know a very fine gentleman. It has been a real pleasure for me to know both you and your wife these many years."

The Speaker:

"I am really glad this happened today, not two days ago when it might have been a little difficult for me to express myself. Harriet and I certainly appreciate this wonderful gesture from you, the members of the House. I have enjoyed my fourteen years here and this is certainly a culmination of my service to the House of Representatives. John, it has been really great knowing you. While we have had our little skirmishes, I count you as one of my closest friends; and Slade, I have enjoyed working with you, as I have enjoyed working with all of you people. We have had a

fine session and you are a fine bunch. I think the state can be proud of the kind of representation we have had at this session of the legislature during this fortieth session. Once again, I deeply appreciate, as does Harriet, your generous commendation, and I thank you."

The members of the House presented to Speaker and Mrs. Eldridge a large silver punch bowl and cups.

The Speaker (Mr. Copeland presiding) requested that Representatives McCaffree and Kirk escort Mrs. Gorton before the bar of the House.

The Speaker (Mr. Copeland presiding) recognized Mr. McDougall.

Mr. McDougall:

"Mr. Speaker pro tem and Mr. Speaker, Representative Gorton and Mrs. Gorton, members of the House, I think that today, to the best of my knowledge, we are establishing what I would hope would be a precedent in not only commemorating the services of a Speaker, but also recognizing the hard work and effort that are put in by the majority leader and the minority leader in the House of Representatives. Certainly for myself, and I am sure I speak for all the members of the House here, it has been an extreme pleasure for me to work with you during this session, Representative Gorton. I would say you are a taskmaster. We have worked long and hard hours, but I think that the state of Washington is certainly going to benefit from this extra time that we have put in during this regular session of the legislature. Your work, I am sure, has not only been noted by the people on our side of the aisle. I am confident it has also been appreciated by the members who sit on this side of the aisle, and indeed it is a real pleasure for me on behalf of all of the people here today to present to you and Mrs. Gorton this gift at this time."

Mr. Gorton:

"One thing I am sure will receive unanimous approval is that you have heard enough speeches from me. So, Bob, and all of the members, thank you very much."

The members of the House presented to Representative and Mrs. Gorton a silver candelabra.

The Speaker (Mr. Copeland presiding) recognized Mr. Litchman.

Mr. Litchman:

"Mr. Speaker, Mrs. Eldridge, and distinguished legislators and guests, it is a pleasure on behalf of the members of the House of Representatives today to present a gift to our minority leader. As Mr. McDougall indicated, it is the first time this has been done, to the best of my knowledge. I hope that we will carry it on as a tradition that we may not only honor the Speaker, but also the hard working people behind the scene; namely, the majority leader and minority leader. I do wish to echo the remarks made by the others pertaining to the Speaker and majority leader for the excellent work they have done. I also wish to commend Mr. John O'Brien, the fighting Irishman from the thirty-third district, for all the work he has done, not only this session but for his efforts on behalf of the state of Washington for the past many sessions. As some of you do not know, John in some respects is the old man of the legislature. He resents that term, because he isn't that old in age. He has served here twenty-six years and served four terms, eight years, as Speaker of the House of Representatives, longer than any other Speaker. Perhaps the Speaker here today, Mr. Eldridge, may very well serve as long; I don't know. In addition to this, John is recognized nationally. Next year John O'Brien, our minority leader, will be the president of the National Legislative Leaders Conference; in effect, the leader of all legislative leaders throughout the United States, so this, too, is an honor, John, and it is certainly a pleasure for me today to commend you on behalf of the group here today, and, in addition, it is a pleasure to be your seatmate and to consider ourselves as good friends of you, John O'Brien."

Mr. O'Brien:

"Mr. Speaker, Mr. Speaker pro tem, and ladies and gentlemen, I think I can hold my remarks short, too, like Mr. Gorton did. You have probably heard too much from me already this session. I deeply appreciate this remembrance and I can also assure you it has been a real pleasure for me to work with all of you again. We establish a

sort of fraternalism here in the House of Representatives that you don't find in any other type of business. I think this develops over a period of years. It is just something different. I think we all appreciate deeply the honor the people in our respective districts give us. I have enjoyed working with all of you. I can say from the bottom of my heart that when I leave here I remember the many happy occasions that do occur here, and it is something that you just don't forget. Again I wish to thank each and every one of you. I enjoy being with you and I feel you are all my friends. Thank you very much."

The members of the House presented Representative O'Brien a silver tray.

The Speaker (Mr. Copeland presiding) recognized Mr. Goldsworthy.

Mr. Goldsworthy:

"Thank you, Mr. Speaker. Mr. Speaker, members of the House, I must take this opportunity. You know caucus chairmen are something like chaplains. Everyone takes their problems to them—and they don't take it nicely on some occasions. I have to have this moment to say, Buster, Representative Brouillet, you are a pretty nice guy:"

The Speaker (Mr. Copeland presiding) recognized Mr. Brouillet.

Mr. Brouillet:

"Thank you, Mr. Speaker, and friends and fellows and gals, I would also like to say something about Representative Goldsworthy. I hope next session he can return to the House again—as minority caucus leader to replace me. Thank you."

The Speaker (Mr. Copeland presiding) requested that the special committee conduct the Speaker and Mrs. Eldridge back to the office of the Speaker.

The Speaker (Mr. Copeland presiding) requested the special committees to escort Representative and Mrs. Gorton and Representative O'Brien to the rear of the House chamber.

Mr. Speaker:

The Senate has adopted the report of the Free Conference Committee on **Engrossed House Bill No. 497** and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

REPORT OF FREE CONFERENCE COMMITTEE

Olympia, Wash., March 9, 1967.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred **Engrossed House Bill No. 497**, amending the 1966 corporation code, have had the same under consideration, and we recommend that the Senate Judiciary Committee amendment to page 9 of the engrossed bill be stricken and that the following amendment be adopted:

On page 9, section 7, line 23, after "title." insert the following new sections:

"Sec. 8. Section 6, chapter 53, Laws of 1965 and RCW 23A.08.030 are each amended to read as follows:

"A corporation shall have the right to purchase, take, receive or otherwise acquire, hold, own, pledge, transfer or otherwise dispose of its own shares, but purchases of its own shares, whether direct or indirect, shall be made only to the extent of unreserved and unrestricted earned surplus available therefore, and, if the articles of incorporation so permit or with the affirmative vote of the holders of at least [two-thirds] majority of all shares entitled to vote thereon, to the extent of unreserved and unrestricted capital surplus available therefor [.] : *Provided, That a Regulated Investment Company registered under the Investment Company Act of 1940, or any similar federal*

statute, shall have the right to purchase its own shares out of unreserved and unrestricted capital surplus whether or not the articles of incorporation so provide and without prior shareholder approval.

"To the extent that earned surplus or capital surplus is used as the measure of the corporation's right to purchase its own shares, such surplus shall be restricted so long as such shares are held as treasury shares, and upon the disposition or cancellation of any such shares the restriction shall be removed pro tanto.

"Notwithstanding the foregoing limitation, a corporation may purchase or otherwise acquire its own shares for the purpose of:

"(1) Eliminating fractional shares.

"(2) Collecting or compromising indebtedness to the corporation.

"(3) Paying dissenting shareholders entitled to payment for their shares under the provisions of this title.

"(4) Effecting, subject to the other provisions of this title, the retirement of its redeemable shares by redemption or by purchase at not to exceed the redemption price.

"No purchase of or payment for its own shares shall be made at a time when the corporation is insolvent or when such purchase or payment would make it insolvent.

"Sec. 9. Section 46, chapter 53, Laws of 1965 and RCW 23A.08.430 are each amended to read as follows:

"The board of directors of a corporation may, from time to time, distribute to its shareholders out of capital surplus of the corporation a portion of its assets, in cash or property, subject to the following provisions:

"(1) No such distribution shall be made at a time when the corporation is insolvent or when such distribution would render the corporation insolvent.

"(2) No such distribution shall be made unless the articles of incorporation so provide or such distribution is authorized by the affirmative vote of the holders of a majority of the outstanding shares of each class whether or not entitled to vote thereon by the provisions of the articles of incorporation of the corporation [.] : *Provided, That a Regulated Investment Company registered under the Investment Company Act of 1940, or any similar federal statute, shall have the right to make distributions out of capital surplus whether or not the articles of incorporation so provide and without prior shareholder approval.*

"(3) No such distribution shall be made to the holders of any class of shares unless all cumulative dividends accrued on all preferred or special classes of shares entitled to preferential dividends shall have been fully paid.

"(4) No such distribution shall be made to the holders of any class of shares which would reduce the remaining net assets of the corporation below the aggregate preferential amount payable in event of voluntary liquidation to the holders of shares having preferential rights to the assets of the corporation in the event of liquidation.

"(5) Each such distribution, when made, shall be identified as a distribution from capital surplus and the amount per share disclosed to the shareholders receiving the same concurrently with the distribution thereof.

"The board of directors of a corporation may also, from time to time, distribute to the holders of its outstanding shares having a cumulative preferential right to receive dividends, in discharge of their cumulative dividend rights, dividends payable in cash out of the capital surplus of the corporation, if at the time the corporation has no earned surplus and is not insolvent and would not thereby be rendered insolvent. Each such distribution, when made, shall be identified as a payment of cumulative dividends out of capital surplus."

Renumber the remaining section.

SECOND READING OF BILLS

Senate Joint Resolution No. 5, by Senators Ryder, Sandison, and Foley (by public pension commission request):

Investing of pension funds, constitutional amendment.

The resolution was read the second time.

With consent of the House, the rules were suspended, Senate Joint Resolution No. 5 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Representatives Humiston, Holman, and Sheridan spoke in favor of passage of the resolution.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Humiston yielded to question.

Mr. McGavick:

"Dr. Humiston, would the adoption of this joint resolution provide for investment in equities or in other methods under current law? Would we in subsequent legislation have to adopt legislation to deal with this?"

Mr. Humiston:

"This is only an amendment to the Constitution which gives authority to the legislature to use its judgment and it would allow the legislature to permit investment in equities, which power the legislature does not have."

Mr. McGavick:

"Am I correct there is no current law that would be activated by the adoption of this?"

Mr. Humiston:

"This is correct. This would not come up for legislative consideration until the next session of the legislature, if this is approved by the people."

Mr. McGavick:

"Are you also contemplating a study to deal with this manner of investment?"

Mr. Humiston:

"Well, the pension commission, I am sure, will give consideration to recommendations along this line, and I am sure the pension commission will be quite concerned with the recommendations. I am sure the legislature will likewise."

YIELDING TO QUESTION

At the request of Mr. Mahaffey, Mr. Humiston yielded to question.

Mr. Mahaffey:

"Dr. Humiston, is there anything in this resolution that will ever cause the investment policy of the present teachers' pension, for instance, to be taken from them and put in any other hands?"

Mr. Humiston:

"Mr. Mahaffey, this really doesn't have anything to do with that at all. Actually, in the TIAA this is permitted, but this is not handled by the state. This would permit the legislature to give the teachers' pension system the authority to operate as TIAA does."

Mr. Mahaffey:

"I have in mind that this might allow some other body to tell them how to invest their money. This isn't going to allow that?"

Mr. Humiston:

"Not at all."

The Clerk called the roll on the final passage of Senate Joint Resolution No. 5, and the resolution passed the House by the following vote: Yeas, 86; nays, 1; absent or not voting, 12.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Hawley, Heavey, Hoggins, Holman, Humiston, Jastad, Jolly, Juelling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Veroske, Wanamaker, Wolf, Zimmerman, Mr. Speaker—86.

POINT OF ORDER

The Speaker recognized Mr. Humiston on a point of order.

Mr. Humiston:

"Mr. Speaker, I have examined this bill as it was transmitted back from the Senate and the amendments by the Senate change the scope and object of the bill. I believe it should be referred to the appropriate committee."

RULING BY THE SPEAKER

The Speaker:

"I believe your point is well taken, Dr. Humiston. Rule 32 indicates that if the scope has been changed, the bill should be moved into committee."

POINT OF INFORMATION

The Speaker recognized Mr. Day on a point of information.

Mr. Day:

"In what way is the scope of the bill changed?"

The Speaker:

"The original bill deals with podiatry and the amendment deals with an entirely different profession, Dr. Day."

Mr. Day:

"Mr. Speaker, the original bill deals with health care contractors, and the bill still deals with health care contractors."

The Speaker:

"Well, it deals with health care contractors in relationship to one field. I would think we are adding an entirely different field, and that it would come under the scope of Rule 32."

The Speaker recognized Mr. Humiston.

Mr. Humiston:

"Mr. Speaker, the comments you have made are perfectly true, but actually the change goes much further than that, and says that the health care contractor must accept optometrists, which is the new profession which is added to the bill, as participants in what really amounts to a vendor cooperative. This very drastically changes the entire approach. The original bill dealt only with those portions of the coverage for podiatrists that had to do with reimbursement or indemnity. This is a real departure, much more so than adding another profession."

The Speaker recognized Mr. Day.

Mr. Day:

"Mr. Speaker, I believe this is a matter of semantics. Unless they participate in some way, they cannot be paid, the indemnity can't be paid. That is a participation itself."

House Bill No. 252 as amended by the Senate was rereferred to Committee on Financial Institutions and Insurance.

MESSAGE FROM THE SENATE

Senate Chamber,
Olympia, Wash., March 9, 1967.

Mr. Speaker:

The Senate insists on its position regarding Engrossed House Bill No. 72 and asks the House to recede therefrom.

Ward Bowden, Secretary.

MOTION

Mr. Lewis moved that the House recede from its amendments to Engrossed House Bill No. 72.

Debate ensued, Representatives Lewis and Murray speaking in favor of the motion, and Representatives Copeland, Garrett, and Gallagher speaking against the motion.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Murray yielded to question.

Mr. Adams:

"Where is this park that you are talking about?"

Mr. Murray:

"Actually, there are a number of parks involved. The total rental from all parks, as I recall the testimony, was approximately thirty-two thousand dollars, and it is anticipated that if the current court suit goes through, the department of natural resources would have to raise their rent by approximately six times their existing rental. That would make a major difference to the park department in their budget, which doesn't now allow enough money to take care of this kind of rental."

Further debate ensued, Representative Adams speaking against the motion.

POINT OF ORDER

The Speaker recognized Mr. Adams on a point of order.

Mr. Adams:

"Mr. Speaker, it is after midnight."

RULING BY THE SPEAKER

The Speaker:

"It is our policy that we should finish any matter that is before us at such a time as this."

Further debate ensued, Representative Conner speaking against the motion that the House recede from its amendments to Engrossed House Bill No. 72.

The motion was lost.

The House was declared to be at ease.

The House was called to order.

MESSAGE FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, March 9, 1967

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I have the honor to advise that Governor Evans has executed and filed in the Office of the Secretary of State the attached proclamation convening an Extraordinary Session of the Legislature at 9 o'clock a.m., Friday, March 10, 1967.

Yours very truly,

Raymond W. Haman,

Legal Counsel to the Governor.

PROCLAMATION BY THE GOVERNOR:

The 1967 Session of the Washington State Legislature has considered a record volume of proposed legislation during its regular sixty-day session, and is to be commended for enacting more significant measures than any Legislature in recent history.

However, the Legislature has failed to enact appropriation and revenue measures and other measures of vital interest to the people of this state, including the following:

Tax Reform. The people should have the opportunity to choose a tax structure which is more responsive to the expanding needs of this state and more equitable in its impact upon its citizens. The proceeds of any revised tax structure should be made available to relieve the heavy reliance upon annual special levies for school support.

Highway Safety. The Legislature must protect innocent persons from the fatal consequences of the drinking driver; and must bring our highway safety laws into compliance with federal requirements to assure that this state will obtain its full share of federal funds for highway construction. Also the State Patrol needs 200 more troopers to help keep our highways safe.

Transportation. A Department of Transportation will make it possible to properly coordinate the agencies of state government involved with the movement of people and goods on land, in the air, and over water. And the Legislature should provide a transportation system of bridges, roads and ferries for Puget Sound.

Human Needs. The state urgently needs a program of mental health and mental retardation services and a program for comprehensive community health centers. The outdated facilities for the mentally ill and mentally retarded should be rebuilt now, rather than incurring the delay inherent in financing construction of these facilities through another state-wide bond issue.

Unemployment Compensation laws should be modernized to give workers a realistic level of benefits and to provide a more equitable system of allocating the costs of the program among employers. Public Assistance grants should be based on current living costs. Injured workmen deserve legislation to speed the processing of industrial insurance appeals.

Preserving Natural Resources. The natural beauty of this state both within and outside urban areas should be preserved and recreational facilities developed. The Legislature should propose a constitutional amendment and pass enabling legislation to permit assessment of certain undeveloped property for tax purposes on the basis of present use. A bond issue should be authorized to finance acquisition and development of recreation sites. A system of scenic highways should be authorized.

Assisting Local Government. Local government should be given additional taxing authority; and additional state funds should be appropriated during the ensuing biennium to help cities cope with their immediate problems.

Constitutional Reform. The Legislature should permit the people to call a constitutional convention and permit the Legislature to propose comprehensive revisions of the Constitution as a single amendment. Moreover, the Constitution should permit a majority of the people voting on the issue to call a constitutional convention. A Constitutional Revision Commission should be created to review the Constitution and make recommendations for its modernization.

Improvement of Government. The remaining "fee justice courts" should be abolished. The administration of the tax laws would be improved under a Department of Revenue; and taxpayers would have a speedy, inexpensive and independent review of administrative decisions in the field of taxation under a separate Board of Tax Appeals. The overcrowded general election ballots would be relieved by holding a state general election every year. Effective control of air and water pollution can be achieved best by coordinating these functions under the Environmental Quality Commission. The state should have an improved system for handling the payroll of its employees. The Governor should be authorized to accept federal funds when new programs are developed between sessions of the Legislature. Finally, the Legislature should address itself to the need for laws regulating campaign contributions and strengthening the code of ethics applicable to legislators and other public officials.

As a result of these conditions, an emergency exists constituting an extraordinary occasion within the meaning of Article III, Section 7, of the Constitution of the State of Washington:

Now, Therefore, I, Daniel J. Evans, Governor of the State of Washington, by virtue of the authority vested in me by the Constitution, do hereby convene the Legislature of the State of Washington in Extraordinary Session in the Capitol at Olympia on the tenth day of March, A.D. 1967, at the hour of nine o'clock a.m.; and

I Do Hereby Specify, in accordance with the requirements of the Constitution that the purposes for which the Legislature is convened are:

To appropriate sufficient funds, and raise sufficient revenues, to carry on the necessary functions and services of state government; and

To consider the enactment of the several other measures specified above for the benefit of the people of the State of Washington.

In Witness Whereof, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia, this 9th day of March, A.D., Nineteen Hundred and Sixty-seven.

DANIEL J. EVANS, Governor of Washington.

[The Seal of the State of Washington—1889]

By the Governor:

A. Ludlow Kramer,
Secretary of State.
