(1) If a boarding home voluntarily withdraws from participation in a state medicaid program for residential care and services under Chapter 74.39A, but continues to provide services of the type provided by boarding homes the facility's voluntary withdrawal from participation is not an acceptable basis for the transfer or discharge of residents of the facility (a) who were receiving medicaid on the day before the effective date of the withdrawal; or (b) who have been paying the facility privately for at least two years and who become eligible for medicaid within one hundred eighty days of the date of withdrawal.

(2) A boarding home that has withdrawn from the state medicaid program for residential care and services under Chapter 74.39A, must provide the following oral and written notices to prospective residents. The written notice must be prominent and must be written on a page that is separate from the other admission documents. The notice shall provide that:

(a) The facility will not participate in the medicaid program with respect to that resident; and

(b) The facility may transfer or discharge the resident from the facility for nonpayment, even if the resident becomes eligible for medicaid.

(3) Notwithstanding any other provision of this section, the medicaid contract under Chapter 74.39A RCW that exists on the day the facility withdraws from Medicaid participation is deemed to continue in effect as to the persons described in subsection (1) for the purposes of :

(a) Department payments for the residential care and services provided to such persons;

(b) Maintaining compliance with all requirements of the medicaid contract between the department and the facility; and

(c) Ongoing inspection, contracting, and enforcement authority under the medicaid contract, regulations, and law.

(4) Except as provided in subsections (1) of this section, this section shall not apply to a person who begins residence in a facility on or after the effective date of the facility's withdrawal from participation in the medicaid program for residential care and services.

- (c) The health of individuals in the facility would otherwise be endangered;
- (d) The resident has failed to make the required payment for his or her stay; or

If the care needs of the applicant who is medicaid eligible are in excess of the facility's service capabilities, the department shall identify other care settings or residential care options consistent with federal law.

(3) All long-term care facilities shall fully disclose in writing to residents and potential residents or their legal representative the facility policy on accepting medicaid as a payment source. The policy shall clearly and plainly state the circumstances under which the facility will care for persons who are eligible for medicaid upon admission or who may later become eligible for medicaid. Disclosure must be provided prior to admission, and the facility must retain a copy of the disclosure signed by the resident or their legal representative. The facility policy on medicaid as a payment source as of the date of the resident's admission to the facility shall be considered a legally binding contract between the resident and the facility.
