# The Constitution of the United States of America

## Preamble

We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

## Article I

**§ 1 LEGISLATIVE POWERS.** All legislative powers herein granted shall be vested in a congress of the United States, which shall consist of a senate and house of representatives.

**§ 2 HOUSE OF REPRESENTATIVES, HOW CONSTITUTED, POWER OF IMPEACHMENT.** The house of representatives shall be composed of members chosen every second year by the people of the several states, and the electors in each state shall have the qualifications requisite for electors of the most numerous branch of the state legislature.

No person shall be a representative who shall not have attained to the age of twenty-five years, and been seven years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state in which he shall be chosen.

Representatives and direct taxes shall be apportioned among the several states which may be included within this union, according to their respective numbers, which shall be determined by adding to the whole number of free persons, including those bound to service for a term of years, and excluding Indians not taxed, three-fifths of all other person.\* The actual enumeration shall be made within three years after the first meeting of the congress of the United States, and within every subsequent term of ten years, in such manner as they shall by law direct. The number of representatives shall not exceed one for every thirty thousand, but each state shall have at least one representative; and until such enumeration shall be made, the state of New Hampshire shall be entitled to choose three, Massachusetts eight, Rhode Island and Providence Plantations one, Connecticut five, New York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three.

When vacancies happen in the representation from any state, the executive authority thereof shall issue writs of election to fill such vacancies.

The house of representatives shall choose their speaker and other officers; and shall have the sole power of impeachment.

*\*Note:* Modified by Amendment XIV, Section 2.

**§ 3 THE SENATE, HOW CONSTITUTED, IMPEACHMENT TRIALS.** The senate of the United States shall be composed of two senators from each state, chosen by the legislature thereof, for six years; and each senator shall have one vote.

Immediately after they shall be assembled in consequence of the first election, they shall be divided as equally as may be into three classes. The seats of the senators of the first class shall be vacated at the expiration of the second year, of the second class at the expiration of the fourth year, and of the third class at the expiration of the sixth year, so that one-third may be chosen every second year; and if vacancies happen by resignation, or otherwise, during the recess of the legislature of any state, the executive thereof may make temporary appointments until the next meeting of the legislature, which shall then fill such vacancies.\*

No person shall be a senator who shall not have attained to the age of thirty years, and been nine years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state for which he shall be chosen.

The vice president of the United States shall be president of the senate, but shall have no vote, unless they be equally divided.

The senate shall choose their other officers, and also a president pro tempore, in the absence of the vice president, or when he shall exercise the office of president of the United States.

The senate shall have the sole power to try all impeachments. When sitting for that purpose, they shall be on oath or affirmation. When the president of the United States is tried the chief justice shall preside: and no person shall be convicted without the concurrence of two-thirds of the members present.

Judgment in cases of impeachment shall not extend further than to removal from office, and disqualification to hold and enjoy any office of honor, trust or profit under the United States: but the party convicted shall nevertheless be liable and subject to indictment, trial, judgment and punishment, according to law.

*\*Note:* Provisions changed by Amendment XVII.

**§ 4 ELECTION OF SENATORS AND REPRESENTATIVES.** The times, places and manner of holding elections for senators and representatives, shall be prescribed in each state by the legislature thereof; but the congress may at any time by law make or alter such regulations, except as to the places of choosing senators.

The congress shall assemble at least once in every year, and such meeting shall be on the first Monday in December, unless they shall by law appoint a different day.\*

*\*Note:* Provision changed by Amendment XX, Section 2.

**§ 5 QUORUM, JOURNALS, MEETINGS, ADJOURNMENTS.** Each house shall be the judge of the elections, returns and qualifications of its own members, and a majority of each shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and may be authorized to compel the attendance of absent members, in such manner, and under such penalties as each house may provide.

Each house may determine the rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds, expel a member.

Each house shall keep a journal of its proceedings, and from time to time publish the same, excepting such parts as may in their judgment require secrecy; and the yeas and nays of the members of either house on any question shall, at the desire of one-fifth of those present, be entered on the journal.

Neither house, during the session of congress, shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which the two houses shall be sitting.

**§ 6 COMPENSATION, PRIVILEGES, DISABILITIES.** The senators and representatives shall receive a compensation for their services, to be ascertained by law, and paid out of the treasury of the United States. They shall in all cases, except treason, felony and breach of the peace, be privileged from arrest during their attendance at the session of their respective houses, and in going to and returning from the same; and for any speech or debate in either house, they shall not be questioned in any other place.

No senator or representative shall, during the time for which he was elected, be appointed to any civil office under the authority of the United States, which shall have been created, or the emoluments whereof shall have been increased during such time; and no person holding any office under the United States, shall be a member of either house during his continuance in office.

**§ 7 PROCEDURE IN PASSING BILLS AND RESOLUTIONS.** All bills for raising revenue shall originate in the house of representatives; but the senate may propose or concur with amendments as on other bills.

Every bill which shall have passed the house of representatives and the senate, shall, before it become a law, be presented to the president of the United States; if he approve he shall sign it, but if not he shall return it, with his objections to that house in which it shall have originated, who shall enter the objections at large on their journal, and proceed to reconsider it. If after such reconsideration two-thirds of that house shall agree to pass the bill, it shall be sent, together with the objections, to the other house, by which it shall likewise be reconsidered, and if approved by two-thirds of that house, it shall become a law. But in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the journal of each house respectively. If any bill shall not be returned by the president within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law, in like manner as if he had signed it, unless the congress by their adjournment prevent its return, in which case it shall not be a law.

Every order, resolution, or vote to which the concurrence of the senate and house of representatives may be necessary (except on a question of adjournment) shall be presented to the president of the United States; and before the same shall take effect, shall be approved by him, or being disapproved by him, shall be repassed by two-thirds of

the senate and house of representatives, according to the rules and limitations prescribed in the case of a bill.

**§ 8 POWERS OF CONGRESS.** The congress shall have power to lay and collect taxes, duties, imposts and excises, to pay the debts and provide for the common defense and general welfare of the United States; but all duties, imposts and excises shall be uniform throughout the United States;

## Article II

**§ 1 EXECUTIVE POWER, ELECTION, QUALIFICATIONS OF THE PRESIDENT.** The executive power shall be vested in a president of the United States of America. He shall hold his office during the term of four years, and, together with the vice president, chosen for the same term, be elected, as follows

Each state shall appoint, in such manner as the legislature thereof may direct, a number of electors, equal to the whole number of senators and representatives to which the state may be entitled in the congress: but no senator or representative, or person holding an office of trust or profit under the United States, shall be appointed an elector.

The electors shall meet in their respective states, and vote by ballot for two persons, of whom one at least shall not be an inhabitant of the same state with themselves. And

they shall make a list of all the persons voted for, and of the number of votes for each; which list they shall sign and certify, and transmit sealed to the seat of the government of the United States, directed to the president of the senate. The president of the senate shall, in the presence of the senate and house of representatives, open all the certificates, and the votes shall then be counted. The person having the greatest number of votes shall be the president, if such number be a majority of the whole number of electors appointed; and if there be more than one who have such majority, and have an equal number of votes, then the house of representatives shall immediately choose by ballot one of them for president; and if no person have a majority, then from the five highest on the list the said house shall in like manner choose the president. But in choosing the president, the votes shall be taken by states, the representation from each state having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the states, and a majority of all the states shall be necessary to a choice. In every case, after the choice of the president, the person having the greatest number of votes of the electors shall be the vice president. But if there should remain two or more who have equal votes, the senate shall choose from them by ballot the vice president.\*

The congress may determine the time of choosing the electors, and the day on which they shall give their votes; which day shall be the same throughout the United States.

No person except a natural born citizen, or a citizen of the United States, at the time of the adoption of this Constitution, shall be eligible to the office of president; neither shall any person be eligible to that office who shall not have attained to the age of thirty-five years, and been fourteen years a resident within the United States.

In case of the removal of the president from office, or of his death, resignation, or inability to discharge the powers and duties of the said office, the same shall devolve on the vice president, and the congress may by law provide for the case of removal, death, resignation or inability, both of the president and vice president, declaring what officer shall then act as president, and such officer shall act accordingly, until the disability be removed, or a president shall be elected.

The president shall, at stated times, receive for his services, a compensation, which shall neither be increased nor diminished during the period for which he shall have been elected, and he shall not receive within that period any other emolument from the United States, or any of them.

Before he enter on the execution of his office, he shall take the following oath or affirmation: "I do solemnly swear (or affirm) that I will faithfully execute the office of president of the United States, and will to the best of my ability, preserve, protect and defend the Constitution of the United States."

\*Note: Provisions superseded by Amendment XII.

**§ 2 POWERS OF THE PRESIDENT.** The president shall be commander in chief of the army and navy of the United States, and of the militia of the several states, when called into the actual service of the United States; he may require the opinion, in writing, of the principal officer in each of the executive departments, upon any subject relating to the duties of their respective offices, and he shall have

power to grant reprieves and pardons for offences against the United States, except in cases of impeachment.

He shall have power, by and with the advice and consent of the senate, to make treaties, provided two-thirds of the senators present concur; and he shall nominate, and by and with the advice and consent of the senate, shall appoint ambassadors, other public ministers and consuls, judges of the supreme court, and all other officers of the United States, whose appointments are not herein otherwise provided for, and which shall be established by law: but the congress may by law vest the appointment of such inferior officers, as they think proper in the president alone, in the courts of law, or in the heads of departments.

The president shall have power to fill up all vacancies that may happen during the recess of the senate, by granting commissions which shall expire at the end of their next session.

**§ 3 POWERS AND DUTIES OF THE PRESIDENT.** He shall from time to time give to the congress information of the state of the union, and recommend to their consideration such measures as he shall judge necessary and expedient; he may, on extraordinary occasions, convene both houses, or either of them, and in case of disagreement between them, with respect to the time of adjournment, he may adjourn them to such time as he shall think proper; he shall receive ambassadors and other public ministers; he shall take care that the laws be faithfully executed, and shall commission all the officers of the United States.

**Article III**

**§ 1 JUDICIAL POWER, TENURE OF OFFICE.** The judicial power of the United States, shall be vested in one supreme court, and in such inferior courts as the congress may from time to time ordain and establish. The judges, both of the supreme and inferior courts, shall hold their offices during good behavior, and shall, at stated times, receive for their services, a compensation, which shall not be diminished during their continuance in office.

**§ 2 JURISDICTION.** The judicial power shall extend to all cases, in law and equity, arising under this Constitution, the laws of the United States, and treaties made, or which shall be made, under their authority; to all cases affecting ambassadors, other public ministers and consuls; to all cases of admiralty and maritime jurisdiction; to controversies to which the United States shall be a party; to controversies between two or more states; between a state and citizens of another state; between citizens of different states, between citizens of the same state claiming lands under grants of different states, and between a state, or the citizens thereof, and foreign states, citizens or subjects.\*

In all cases affecting ambassadors, other public ministers and consuls, and those in which a state shall be

party, the supreme court shall have original jurisdiction. In all the other cases before mentioned, the supreme court shall have appellate jurisdiction, both as to law and fact, with such exceptions, and under such regulations as the congress shall make.

The trial of all crimes, except in cases of impeachment, shall be by jury; and such trial shall be held in the state where the said crimes shall have been committed; but when not committed within any state, the trial shall be at such place or places as the congress may by law have directed.

*\*Note:* Clause changed by Amendment XI.

**§ 3 TREASON, PROOF AND PUNISHMENT.** Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses to the same overt act, or on confession in open court.

The congress shall have power to declare the punishment of treason, but no attainder of treason shall work corruption of blood, or forfeiture except during the life of the person attainted.

**Article IV**

**§ 1 FAITH AND CREDIT AMONG STATES.** Full faith and credit shall be given in each state to the public acts, records, and judicial proceedings of every other state. **§ 2 PRIVILEGES AND IMMUNITIES, FUGITIVES.** The citizens of each state shall be entitled to all privileges and immunities of citizens in the several states.

A person charged in any state with treason, felony, or other crime, who shall flee from justice, and be found in another state, shall on demand of the executive authority of the state from which he fled, be delivered up, to be removed to the state having jurisdiction of the crime.

No person held to service or labor in one state, under the laws thereof, escaping into another, shall, in consequence of any law or regulation therein, be discharged from such service or labor, but shall be delivered up on claim of the party to whom such service or labor may be due.

**§ 3 ADMISSION OF NEW STATES.** New states may be admitted by the congress into this union; but no new state shall be formed or erected within the jurisdiction of any other state; nor any state be formed by the junction of two or more states, or parts of states, without the consent of the legislatures of the states concerned as well as of the congress.

The congress shall have power to dispose of and make all needful rules and regulations respecting the territory or other property belonging to the United States; and nothing in this Constitution shall be so construed as to prejudice any claims of the United States, or of any particular state.

**§ 4 GUARANTEE OF REPUBLICAN GOVERNMENT.** The United States shall guarantee to

every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

Article V

The senators and representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.

# ORGANIC ACT

**Reviser's note:** The original organic act to establish the territorial government of Washington is set forth herein. Note however that the organic act was completely revised in the 1873 United States Revised Statutes which was enacted by Congress in 1874. The 1873 United States Revised Statutes contained a construction section (Title 74, section 5596) which has been construed by the United States Supreme Court (*Dwight v. Merrit*, 140 U.S. 213, 11 S.Ct. 768, 35 L.Ed. 45) as abrogating or repealing all prior statutes on the same subject as those revised. As the twenty-one sections of the original organic act were rewritten and combined with the organic acts of other territories the disposition of the original sections into the 1873 United States Revised Statutes cannot be traced with absolute accuracy. A schedule of the disposition of the original organic act sections based on the audit contained in the United States Revised Statutes of 1878, is published herein following section 21 of the organic act.

## AN ACT TO ESTABLISH THE TERRITORIAL GOVERNMENT OF WASHINGTON.

(Approved March 2, 1853.) [10 U.S. Statutes at Large, c 90 p 172.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That from and after the passage of this act, all that portion of Oregon Territory lying and being south of the forty-ninth degree of north latitude, and north of the middle of the main channel of the Columbia River, from its mouth to where the forty-sixth degree of north latitude crosses said river, near Fort Wallawalla, thence with said forty-sixth degree of latitude to the summit of the Rocky Mountains, be organized into and constitute a temporary government by the name of the Territory of Washington: *Provided*, That nothing in this act contained shall be construed to affect the authority of the government of the United States to make any regulation respecting the Indians of said Territory, their lands, property, or other rights, by treaty, law, or otherwise, which it would have been competent to the government to make if this act had never been passed: *Provided further*, That the title to the land, not exceeding six hundred and forty acres, now occupied as missionary stations among the Indian tribes in said Territory, or that may have been so occupied as missionary stations prior to the passage of the act establishing the Territorial government of Oregon, together with the improvements thereon, be, and is hereby, confirmed and established to the several religious societies to which said missionary stations respectively belong.

**SEC. 2.** *And be it further enacted*, That the executive power and authority in and over said Territory of Washington shall be vested in a governor, who shall hold his office for four years, and until his successor shall be appointed and qualified, unless sooner removed by the President of the United States. The governor shall reside in said Territory, shall be the commander-in-chief of the militia thereof, shall perform the duties and receive the emoluments of Superintendent of Indian Affairs; he may grant pardons and remit fines and forfeitures for offenses against the laws of said Territory, and respites for offenses against the laws of the United States until the decision of the President can be made known thereon; he shall commission all officers who shall be appointed to office under the laws of the said Territory, where, by law, such commissions shall be required, and shall take care that the laws be faithfully executed.

**SEC. 3.** *And be it further enacted*, That there shall be a Secretary of said Territory, who shall reside therein, and hold his office for four years, unless sooner removed by the President of the United States; he shall record and preserve all the laws and proceedings of the Legislative Assembly hereinafter constituted, and all the acts and proceedings of the Governor in his Executive department; he shall transmit one copy of the laws and journals of the Legislative Assembly within thirty days after the end of each session, and one copy of the executive proceedings and official correspondence semi-annually, on the first days of January and July in each year, to the President of the United States, and two copies of the laws to the President of the Senate and to the Speaker of the House of Representatives, for the use of Congress. And in case of the death, removal, resignation, or absence of the Governor from the Territory, the Secretary shall be, and he is hereby, authorized and required to execute and perform all the powers and duties of the Governor during such vacancy or absence, or until another Governor shall be duly appointed and qualified to fill such vacancy.

**SEC. 4.** *And be it further enacted*, That the Legislative power and authority of said Territory shall be vested in a Legislative Assembly, which shall consist of a Council and House of Representatives. The Council shall consist of nine members, having the qualifications of voters, as hereinafter prescribed, whose term of service shall continue three years. Immediately after they shall be assembled, in consequence of their first election, they shall be divided as equally as may be into three classes. The seats of the members of Council of the first class, shall be vacated at the expiration of the first year, of the second class at the expiration of the second year, and of the third class at the expiration of the third year, so that one third may be chosen every year; and if vacancies happen, by resignation or otherwise, the same shall be filled at the next ensuing election. The House of Representatives shall, at its first session, consist of eighteen members, possessing the same qualifications as prescribed for members of the Council, and whose term of service shall continue one year. The number of representatives may be increased by the Legislative Assembly, from time to time, in proportion to the increase of qualified voters: *Provided*, That the whole number shall never exceed thirty. An apportionment shall be made, as nearly equal as practicable, among the several counties or districts, for the election of the Council and Representatives, giving to each section of the Territory representation in the ratio of its qualified voters, as nearly as may be. And the members of the Council and of the House of Representatives shall reside in, and be inhabitants of, the district or county or counties, for which they may be elected, respectively. Previous to the first election, the Governor shall cause a census or enumeration of the inhabitants and qualified voters of the several counties and districts of the Territory to be taken, by such persons, and in such mode, as the Governor shall designate and appoint; and the persons so appointed shall receive a reasonable compensation therefor. And the first election shall be held at such time and places, and be conducted in such manner, both as to the persons

## Organic Act

who shall superintend such election and the returns thereof, as the Governor shall appoint and direct; and he shall at the same time declare the number of members of the Council and House of Representatives to which each of the counties or districts shall be entitled under this act; and the Governor shall, by his proclamation, give at least sixty days' previous notice of such apportionment, and of the time, places, and manner of holding such election. The persons having the highest number of legal votes in each of said council districts for members of the Council shall be declared by the Governor to be duly elected to the Council, and the persons having the highest number of legal votes for the House of Representatives shall be declared by the Governor to be duly elected members of said House: *Provided*, That in case two or more persons voted for shall have an equal number of votes, and in case a vacancy shall otherwise occur in either branch of the Legislative Assembly, the Governor shall order a new election; and the persons thus elected to the Legislative Assembly shall meet at such place, and on such day, within ninety days after such elections, as the Governor shall appoint. But thereafter the time, place, and manner of holding and conducting all elections by the people, and the apportioning the representation in the several counties or districts to the Council and House of Representatives, according to the number of qualified voters, shall be prescribed by law, as well as the day of the commencement of the regular session of the Legislative Assembly: *Provided*, That no session in any one year shall exceed the term of sixty days, except the first session, which shall not exceed one hundred days.

SEC. 5. *And be it further enacted*, That every white male inhabitant above the age of twenty-one years, who shall have been a resident of said Territory at the time of the passage of this act, and shall possess the qualifications hereinafter prescribed, shall be entitled to vote at the first election, and shall be eligible to any office within the said Territory; but the qualifications of voters and of holding office at all subsequent elections shall be such as shall be prescribed by the Legislative Assembly: *Provided*, That the right of suffrage and of holding office shall be exercised only by citizens of the United States above the age of twenty-one years, and those above that age who shall have declared on oath their intention to become such, and shall have taken an oath to support the Constitution of the United States and the provisions of this act: *And provided further*, That no officer, soldier, seaman, mariner, or other person in the army or navy of the United States, or attached to troops in the service of the United States, shall be allowed to vote in said Territory, by reason of being on service therein, unless said Territory is, and has been for the period of six months, his permanent domicil: *Provided further*, That no person belonging to the army or navy of the United States shall ever be elected to or hold any civil office or appointment in said Territory.

SEC. 6. *And be it further enacted*, That the Legislative power of the Territory shall extend to all rightful subjects of legislation not inconsistent with the Constitution and laws of the United States. But no law shall be passed interfering with the primary disposal of the soil; no tax shall be imposed upon the property of the United States; nor shall the lands or other property of nonresidents be taxed higher than the lands

or other property of residents. All the laws passed by the Legislative Assembly shall be submitted to the Congress of the United States, and, if disapproved, shall be null and of no effect: *Provided*, That nothing in this act shall be construed to give power to incorporate a bank or any institution with banking powers, or to borrow money in the name of the Territory, or to pledge the faith of the people of the same for any loan whatever, directly or indirectly. No charter granting any privileges of making, issuing, or putting into circulation any notes or bills in the likeness of bank-notes, or any bonds, scrip, drafts, bills of exchange, or obligations, or granting any other banking powers or privileges, shall be passed by the Legislative Assembly; nor shall the establishment of any branch or agency of any such corporation, derived from other authority, be allowed in said Territory; nor shall said Legislative Assembly authorize the issue of any obligation, scrip, or evidence of debt, by said Territory, in any mode or manner whatever, except certificates for service to said Territory. And all such laws, or any law or laws inconsistent with the provisions of this act, shall be utterly null and void. And all taxes shall be equal and uniform; and no distinctions shall be made in the assessments between different kinds of property, but the assessments shall be according to the value thereof. To avoid improper influences, which may result from intermixing in one and the same act such things as have no proper relation to each other, every law shall embrace but one object, and that shall be expressed in the title.

SEC. 7. *And be it further enacted*, That all township, district, and county officers not herein otherwise provided for, shall be appointed or elected in such manner as shall be provided by the Legislative Assembly of the Territory of Washington.

SEC. 8. *And be it further enacted*, That no member of the Legislative Assembly shall hold or be appointed to any office which shall have been created, or the salary or emoluments of which shall have been increased while he was a member, during the term for which he was elected and for one year after the expiration of such term; but this restriction shall not be applicable to members of the first Legislative Assembly; and no person holding a commission or appointment under the United States shall be a member of the Legislative Assembly, or shall hold any office under the government of said Territory.

SEC. 9. *And be it further enacted*, That the judicial power of said Territory shall be vested in a supreme court, district courts, probate courts, and in justices of the peace. The supreme court shall consist of a chief justice and two associate justices, any two of whom shall constitute a quorum, and who shall hold a term at the seat of government of said Territory annually, and they shall hold their offices during the period of four years, and until their successors shall be appointed and qualified. The said Territory shall be divided into three judicial districts, and a district court shall be held in each of said districts by one of the justices of the supreme court, at such times and places as may be prescribed by law; and the said judges shall, after their appointments, respectively reside in the districts which shall be assigned them. The jurisdiction of the several courts herein provided for, both appellate and original, and that of the

## Organic Act

probate courts and of justices of the peace, shall be as limited by law: *Provided*, That justices of the peace shall not have jurisdiction of any case in which the title to land shall in any wise come in question, or where the debt or damages claimed shall exceed one hundred dollars; and the said supreme and district courts, respectively shall possess chancery as well as common-law jurisdiction. Each district court, or the judge thereof, shall appoint its clerk, who shall also be the register in chancery, and shall keep his office at the place where the court may be held. Writs of error, bills of exception, and appeals, shall be allowed in all cases from the final decisions of said district court to the supreme court under such regulations as may be prescribed by law; but in no case removed to the supreme court shall trial by jury be allowed in said court. The supreme court, or the justices thereof, shall appoint its own clerk, and every clerk shall hold his office at the pleasure of the court for which he shall have been appointed. Writs of error, and appeals from the final decisions of said supreme court, shall be allowed, and may be taken to the Supreme Court of the United States, in the same manner and under the same regulations as from the circuit court of the United States, where the value of the property, or the amount in controversy, to be ascertained by the oath or affirmation of either party, or other competent witness, shall exceed two thousand dollars, and in all cases where the constitution of the United States, or acts of Congress, or a treaty of the United States, is brought in question; and each of the said district courts shall have and exercise the same jurisdiction in all cases arising under the constitution of the United States and the laws of said Territory, as is vested in the circuit and district courts of the United States; writs of error and appeal in all such cases shall be made to the supreme court of said Territory the same as in other cases. Writs of error, and appeals from the final decisions of said supreme court, shall be allowed and may be taken to the supreme court of the United States in the same manner as from the circuit courts of the United States, where the value of the property, or the amount in controversy, shall exceed two thousand dollars, and each of said district courts shall have and exercise the same jurisdiction, in all cases arising under the constitution and laws of the United States, as is vested in the circuit and district courts of the United States; and also of all cases arising under the laws of said Territory, and otherwise. The said clerk shall receive in all such cases the same fees which the clerks of the district courts of the Territory of Oregon receive for similar services.

SEC. 10. *And be it further enacted*, That there shall be appointed an attorney for said Territory, who shall continue in office for four years and until his successor shall be appointed and qualified, unless sooner removed by the President, and who shall receive the same fees and salary as is provided by law for the attorney of the United States for the Territory of Oregon. There shall also be a marshal for the Territory appointed, who shall hold his office for four years and until his successor shall be appointed and qualified, unless sooner removed by the President, and who shall execute all processes issuing from the said courts when exercising their jurisdiction as circuit and district courts of the United States; he shall perform the duties, be subject to the same regulation and penalties, and be entitled to the same fees, as are provided by law for the marshal of the

Territory of Oregon, and shall, in addition, be paid the sum of two hundred dollars annually as a compensation for extra services.

SEC. 11. *And be it further enacted*, That the governor, secretary, chief justice, and associate justices, attorney, and marshal, shall be nominated, and, by and with the advice and consent of the Senate, appointed by the President of the United States. The governor and secretary to be appointed as aforesaid shall, before they act as such, respectively take an oath or affirmation before the district judge, or some justice of the peace in the limits of said Territory duly authorized to administer oaths and affirmations by the laws in force therein, or before the chief justice or some associate justice of the supreme court of the United States, to support the constitution of the United States, and faithfully to discharge the duties of their respective offices, which said oaths, when so taken, shall be certified by the person before whom the same shall have been taken; and such certificates shall be received and recorded by the said Secretary among the executive proceedings; and the Chief Justice and Associate Justices, and all other civil officers in said Territory, before they act as such, shall take a like oath or affirmation before the said Governor or Secretary, or some judge or justice of the peace of the Territory who may be duly commissioned and qualified, which said oath or affirmation shall be certified and transmitted, by the person taking the same, to the Secretary, to be by him recorded as aforesaid; and afterwards, the like oath or affirmation shall be taken, certified and recorded in such manner and form as may be prescribed by law. The Chief Justice, and Associate Justices, shall each receive an annual salary of two thousand dollars. The Secretary shall receive an annual salary of fifteen hundred dollars. The said salaries shall be paid quarterly, from the dates of the respective appointments, at the Treasury of the United States; but no such payment shall be made until said officers shall have entered upon the duties of their respective appointments. The members of the legislative assembly shall be entitled to receive three dollars each per day during their attendance at the session thereof, and three dollars each for every twenty miles' travel in going to and returning from said sessions, estimated according to the nearest usually traveled route. And a chief clerk, one assistant clerk, a sergeant-at-arms, and door-keeper, may be chosen for each house; and the chief clerk shall receive five dollars per day, and the said other officers three dollars per day, during the session of the legislative assembly; but no other officers shall be paid by the United States: *Provided*, That there shall be but one session of the legislative assembly annually, unless, on an extraordinary occasion, the Governor shall deem it expedient and proper to call the legislature together. There shall be appropriated, annually, the sum of fifteen hundred dollars, to be expended by the Governor, to defray the contingent expenses of the Territory, including the salary of a clerk of the executive department; and there shall also be appropriated, annually, a sufficient sum to be expended by the Secretary of the Territory, and upon an estimate to be made by the Secretary of the Treasury of the United States, to defray the expenses of the legislative assembly, the printing of the laws, and other incidental expenses; and the

## Organic Act

Governor and Secretary of the Territory shall; in the disbursement of all moneys intrusted to them, be governed solely by the instructions of the Secretary of the Treasury of the United States, and shall, semi-annually, account to the said Secretary for the manner in which the aforesaid sums of money shall have been expended; and no expenditure, to be paid out of money appropriated by Congress, shall be made by said legislative assembly for objects not specially authorized by the acts of Congress making the appropriations, nor beyond the sums thus appropriated for such objects.

SEC. 12. *And be it further enacted*, That the laws now in force in said Territory of Washington, by virtue of the legislation of Congress in reference to the Territory of Oregon, which have been enacted and passed subsequent to the first day of September, eighteen hundred and forty-eight, applicable to the said Territory of Washington, together with the legislative enactments of the Territory of Oregon, enacted and passed prior to the passage of, and not inconsistent with, the provisions of this act, and applicable to the said Territory of Washington, be, and they are hereby, continued in force in said Territory of Washington until they shall be repealed or amended by future legislation.

SEC. 13. *And be it further enacted*, That the legislative assembly of the Territory of Washington shall hold its first session at such time and place in said Territory as the Governor thereof shall appoint and direct; and at said first session, or as soon thereafter as they shall deem expedient, the legislative assembly shall proceed to locate and establish the seat of government for said Territory, at such place as they may deem eligible; which place, however, shall thereafter be subject to be changed by said legislative assembly. And the sum of five thousand dollars, out of any money in the Treasury not otherwise appropriated, is hereby appropriated and granted to said Territory of Washington, to be there applied by the Governor to the erection of suitable buildings at the seat of government.

SEC. 14. *And be it further enacted*, That a delegate to the House of Representatives of the United States, to serve for the term of two years, who shall be a citizen of the United States, may be elected by the voters qualified to elect members of the legislative assembly, who shall be entitled to the same rights and privileges as have been heretofore exercised and enjoyed by the delegates from the several other Territories of the United States to the House of Representatives, but the delegate first elected shall hold his seat only during the term of the Congress to which he shall be elected. The first election shall be held at such time, and places, and be conducted in such manner, as the Governor shall appoint and direct; of which, and the time, place, and manner of holding such elections, he shall give at least sixty days' notice by proclamation; and at all subsequent elections the time, places, and manner of holding the elections shall be prescribed by law. The person having the greatest number of votes shall be declared by the Governor to be duly elected, and a certificate thereof shall be given accordingly. The delegate from said Territory shall be entitled to receive the same per diem compensation and mileage at present allowed the delegate from the Territory of Oregon.

SEC. 15. *And be it further enacted*, That all suits, complaints, process, and proceedings, civil and criminal, at law and in chancery, and all indictments and informations, which shall be pending and undetermined in the courts established within and for said Territory of Oregon, by act of Congress, entitled "An act to establish the territorial government of Oregon," approved August fourteen, one thousand eight hundred and forty-eight, wherein the venue in said cases, suits at law, or in chancery, or criminal proceedings, shall be included within the limits hereinbefore declared and established for the said Territory of Washington; then, and in that case, said actions so pending in the Supreme or Circuit Courts of the Territory of Oregon shall be, by the clerks of said courts, duly certified to the proper courts of said Territory of Washington; and thereupon said causes shall, in all things concerning the same, be proceeded on, and judgments, verdicts, decrees, and sentences rendered thereon, in the same manner as if the said Territory had not been divided. All bonds, recognizances, and obligations of every kind whatsoever, valid, under the existing laws, within the limits of said Territory of Oregon, shall be held valid under this act, and all crimes and misdemeanors against the laws now in force within the said limits of the Territory of Washington may be prosecuted, tried, and punished in the courts established by this act, and all penalties, forfeitures, actions, and causes of action, may be recovered and enforced, under this act, before the Supreme and Circuit Courts established by this act as aforesaid: *Provided*, That no right of action whatever shall accrue against any person for any act done in pursuance of any law heretofore passed by the legislative assembly of the Territory of Oregon, and which may be declared contrary to the Constitution or laws of the United States.

SEC. 16. *And be it further enacted*, That all justices of the peace, constables, sheriffs, and other judicial and ministerial officers, who shall be in office within the limits of said Territory of Washington when this act shall take effect, shall be and they are hereby authorized and required to continue to exercise and perform the duties of their respective offices, as officers of said Territory, until they or others shall be duly elected or appointed, and qualified, to fill their places in the manner herein directed, or until their offices shall be abolished.

SEC. 17. *And be it further enacted*, That the sum of five thousand dollars be, and the same is hereby, appropriated out of any moneys in the Treasury not otherwise appropriated, to be expended, by and under the direction of the Governor of Washington, in the purchase of a library, to be kept at the seat of government for the use of the Governor, legislative assembly, Judges of the Supreme Court, secretary, marshal, and Attorney of said Territory, and such other persons, and under such regulations, as shall be prescribed by law.

SEC. 18. *And be it further enacted*, That until otherwise provided for by law, the Governor of said Territory may define the judicial districts of said Territory, and assign the judges who may be appointed for said Territory to the several districts, and also appoint the times and places for holding courts in the several counties or subdivisions in each of said judicial districts by proclamation, to be issued by

him; but the legislative assembly, at their first or any subsequent session, may organize, alter, or modify such judicial districts, and assign the judges, and alter the times and places of holding the courts, as to them shall seem expedient and proper.

SEC. 19. *And be it further enacted*, That all officers to be appointed by the President, by and with the advice and consent of the Senate, for the Territory of Washington, who, by virtue of the provisions of any law of Congress now existing, or which may be enacted during the present session of Congress, are required to give security for moneys that may be intrusted with them for disbursement, shall give such security at such time and place, and in such manner, as the Secretary of the Treasury may prescribe.

SEC. 20. *And be it further enacted*, That when the lands in said Territory shall be surveyed under the direction of the Government of the United States preparatory to bringing the same into market or otherwise disposing thereof, sections numbered sixteen and thirty-six in each township in said Territory shall be, and the same are hereby, reserved for the purpose of being applied to common schools in said Territory. SEC. 21. *And be it further enacted*, That the Territory of Oregon and the Territory of Washington shall have concurrent jurisdiction over all offenses committed on the Columbia River, where said river forms a common boundary between said Territories.

# ENABLING ACT

AN ACT to provide for the division of Dakota into two States and to enable the people of North Dakota, South Dakota, Montana, and Washington to form constitutions and State governments and to be admitted into the Union on an equal footing with the original States, and to make donations of public lands to such States.

(Approved February 22, 1889.) [25 U.S. Statutes at Large, c 180 p 676.] [President's proclamation declaring Washington a state: 26 St. at Large, Proclamations, p 10, Nov. 11, 1889.]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the inhabitants of all that part of the area of the United States now constituting the Territories of Dakota, Montana, and Washington, as at present described, may become the States of North Dakota, South Dakota, Montana, and Washington, respectively, as hereinafter provided.

SEC. 2. The area comprising the Territory of Dakota shall, for the purposes of this act, be divided on the line of the seventh standard parallel produced due west to the western boundary of said Territory; and the delegates elected as hereinafter provided to the constitutional convention in districts north of said parallel shall assemble in convention, at the time prescribed in this act, at the city of Bismarck; and the delegates elected in districts south of said parallel shall, at the same time, assemble in convention at the city of Sioux Falls.

SEC. 3. That all persons who are qualified by the laws of said Territories to vote for representatives to the legislative assemblies thereof, are hereby authorized to vote for and choose delegates to form conventions in said proposed States; and the qualifications for delegates to such conventions shall be such as by the laws of said Territories respectively persons are required to possess to be eligible to the legislative assemblies thereof; and the aforesaid delegates to form said conventions shall be apportioned within the limits of the proposed States, in such districts as may be established as herein provided, in proportion to the population in each of said counties and districts, as near as may be, to be ascertained at the time of making said apportionments by the persons hereinafter authorized to make the same, from the best information obtainable, in each of which districts three delegates shall be elected, but no elector shall vote for more than two persons for delegates to such conventions; that said apportionments shall be made by the governor, the chief-justice, and the secretary of said Territories; and the governors of said Territories shall, by proclamation, order an election of the delegates aforesaid in each of said proposed States, to be held on the Tuesday after the second Monday in May, eighteen hundred and eighty-nine, which proclamation shall be issued on the fifteenth day of April, eighteen hundred and eighty-nine; and such election shall be conducted, the returns made, the result ascertained, and the certificates to persons elected to such convention issued in the same manner as is prescribed by the laws of the said Territories regulating elections therein for Delegates to Congress; and the number of votes cast for delegates in each precinct shall also be returned. The number of delegates to said conventions respectively shall be seventy-five; and all

persons resident in said proposed States, who are qualified voters of said Territories as herein provided, shall be entitled to vote upon the election of delegates, and under such rules and regulations as said conventions may prescribe, not in conflict with this act, upon the ratification or rejection of the constitutions.

SEC. 4. That the delegates to the conventions elected as provided for in this act shall meet at the seat of government of each of said Territories, except the delegates elected in South Dakota, who shall meet at the city of Sioux Falls, on the fourth day of July, eighteen hundred and eighty-nine, and, after organization, shall declare, on behalf of the people of said proposed States, that they adopt the Constitution of the United States; whereupon the said conventions shall be, and are hereby, authorized to form constitutions and States governments for said proposed states, respectively. The constitutions shall be republican in form, and make no distinction in civil or political rights on account of race or color, except as to Indians not taxed, and not be repugnant to the Constitution of the United States and the principles of the Declaration of Independence. And said conventions shall provide, by ordinances irrevocable without the consent of the United States and the people of said States:

First. That perfect toleration of religious sentiment shall be secured and that no inhabitant of said States shall ever be molested in person or property on account of his or her mode of religious worship.

Second. That the people inhabiting said proposed States do agree and declare that they forever disclaim all right and title to the unappropriated public lands lying within the boundaries thereof, and to all lands lying within said limits owned or held by any Indian or Indian tribes; and that until the title thereto shall have been extinguished by the United States, the same shall be and remain subject to the disposition of the United States, and said Indian lands shall remain under the absolute jurisdiction and control of the Congress of the United States; that the lands belonging to citizens of the United States residing without the said States shall never be taxed at a higher rate than the lands belonging to residents thereof; that no taxes shall be imposed by the States on lands or property therein belonging to or which may hereafter be purchased by the United States or reserved for its use. But nothing herein, or in the ordinances herein provided for, shall preclude the said States from taxing as other lands are taxed any lands owned or held by any Indian who has severed his tribal relations, and has obtained from the United States or from any person a title thereto by patent or other grant, save and except such lands as have been or may be granted to any Indian or Indians under any act of Congress containing a provision exempting the lands thus granted from taxation; but said ordinances shall provide that all such lands shall be exempt from taxation by said States so long and to such extent as such act of Congress may prescribe.

Third. That the debts and liabilities of said Territories shall be assumed and paid by said States, respectively.

Fourth. That provision shall be made for the establishment and maintenance of systems of public schools, which

## Enabling Act

shall be open to all the children of said States, and free from sectarian control.

SEC. 5. That the convention which shall assemble at Bismarck shall form a constitution and State government for a State to be known as North Dakota, and the convention which shall assemble at Sioux Falls shall form a constitution and State government for a State to be known as South Dakota: *Provided*, That at the election for delegates to the constitutional convention in South Dakota, as hereinbefore provided, each elector may have written or printed on his ballot the words "For the Sioux Falls constitution," or the words "Against the Sioux Falls constitution," and the votes on this question shall be returned and canvassed in the same manner as for the election provided for in section three of this act; and if a majority of all votes cast on this question shall be "for the Sioux Falls constitution" it shall be the duty of the convention which may assemble at Sioux Falls, as herein provided, to resubmit to the people of South Dakota, for ratification or rejection at the election hereinafter provided for in this act, the constitution framed at Sioux Falls and adopted November third, eighteen hundred and eighty-five, and also the articles and propositions separately submitted at the election, including the question of locating the temporary seat of government, with such changes only as relate to the name and boundary of the proposed State, to the re-apportionment of the judicial and legislative districts, and such amendments as may be necessary in order to comply with the provisions of this act; and if a majority of the votes cast on the ratification or rejection of the constitution shall be for the constitution irrespective of the articles separately submitted, the State of South Dakota shall be admitted as a State in the Union under said constitution as hereinafter provided; but the archives, records, and books of the Territory of Dakota shall remain at Bismarck, the capital of North Dakota, until an agreement in reference thereto is reached by said States. But if at the election for delegates to the constitutional convention in South Dakota a majority of all the votes cast at that election shall be "against the Sioux Falls constitution", then and in that event it shall be the duty of the convention which will assemble at the city of Sioux Falls on the fourth day of July, eighteen hundred and eighty-nine, to proceed to form a constitution and State government as provided in this act the same as if that question had not been submitted to a vote of the people of South Dakota.

SEC. 6. It shall be the duty of the constitutional conventions of North Dakota and South Dakota to appoint a joint commission, to be composed of not less than three members of each convention, whose duty it shall be to assemble at Bismarck, the present seat of government of said Territory, and agree upon an equitable division of all property belonging to the Territory of Dakota, the disposition of all public records, and also adjust and agree upon the amount of the debts and liabilities of the Territory, which shall be assumed and paid by each of the proposed States of North Dakota and South Dakota; and the agreement reached respecting the Territorial debts and liabilities shall be incorporated in the respective constitutions, and each of said States shall obligate itself to pay its proportion of such debts and liabilities the same as if they had been created by such States respectively.

SEC. 7. If the constitutions formed for both North Dakota and South Dakota shall be rejected by the people at the elections for the ratification or rejection of their respective constitutions as provided for in this act, the Territorial government of Dakota shall continue in existence the same as if this act had not been passed. But if the constitution formed for either North Dakota or South Dakota shall be rejected by the people, that part of the Territory so rejecting its proposed constitution shall continue under the Territorial government of the present Territory of Dakota, but shall, after the State adopting its constitution is admitted into the Union, be called by the name of the Territory of North Dakota or South Dakota, as the case may be: *Provided*, That if either of the proposed States provided for in this act shall reject the constitution which may be submitted for ratification or rejection at the election provided therefor, the governor of the Territory in which such proposed constitution was rejected shall issue his proclamation reconvening the delegates elected to the convention which formed such rejected constitution, fixing the time and place at which said delegates shall assemble; and when so assembled they shall proceed to form another constitution or to amend the rejected constitution, and shall submit such new constitution or amended constitution to the people of the proposed State for ratification or rejection, at such time as said convention may determine; and all the provisions of this act, so far as applicable, shall apply to such convention so reassembled and to the constitution which may be formed, its ratification or rejection, and to the admission of the proposed State.

SEC. 8. That the constitutional convention which may assemble in South Dakota shall provide by ordinance for resubmitting the Sioux Falls constitution of eighteen hundred and eighty-five, after having amended the same as provided in section five of this act, to the people of South Dakota for ratification or rejection at an election to be held therein on the first Tuesday in October, eighteen hundred and eighty-nine; but if said constitutional convention is authorized and required to form a new constitution for South Dakota it shall provide for submitting the same in like manner to the people of South Dakota for ratification or rejection at an election to be held in said proposed State on the said first Tuesday in October. And the constitutional conventions which may assemble in North Dakota, Montana, and Washington shall provide in like manner for submitting the constitutions formed by them to the people of said proposed States, respectively, for ratification or rejection at elections to be held in said proposed States on the said first Tuesday in October. At the elections provided for in this section the qualified voters of said proposed States shall vote directly for or against the proposed constitutions, and for or against any articles or propositions separately submitted. The returns of said elections shall be made to the secretary of each of said Territories, who with the governor and chief-justice thereof, or any two of them, shall canvass the same; and if a majority of the legal votes cast shall be for the constitution the governor shall certify the result to the President of the United States, together with a statement of the votes cast thereon and upon separate articles or propositions, and a copy of said constitution, articles, propositions, and ordinances. And if the constitutions and governments of said proposed States are republican in form, and if all the provisions of this act have been complied with in the

## Enabling Act

formation thereof, it shall be the duty of the President of the United States to issue his proclamation announcing the result of the election in each, and thereupon the proposed States which have adopted constitutions and formed State governments as herein provided shall be deemed admitted by Congress into the Union under and by virtue of this act on an equal footing with the original States from and after the date of said proclamation.

SEC. 9. That until the next general census, or until otherwise provided by law, said States shall be entitled to one Representative in the House of Representatives of the United States, except South Dakota, which shall be entitled to two; and the Representatives to the fifty-first Congress, together with the governors and other officers provided for in said constitutions, may be elected on the same day of the election for the ratification or rejection of the constitutions; and until said State officers are elected and qualified under the provisions of each constitution and the States, respectively, are admitted into the Union, the Territorial officers shall continue to discharge the duties of their respective offices in each of said Territories.

SEC. 10. That upon the admission of each of said States into the Union sections numbered sixteen and thirty-six in every township of said proposed States, and where such sections, or any parts thereof, have been sold or otherwise disposed of by or under the authority of any act of Congress, other lands equivalent thereto, in legal subdivisions of not less than one-quarter section, and as contiguous as may be to the section in lieu of which the same is taken, are hereby granted to said States for the support of common schools, such indemnity lands to be selected within said States in such manner as the legislature may provide, with the approval of the Secretary of the Interior: *Provided*, That the sixteenth and thirty-sixth sections embraced in permanent reservations for national purposes shall not, at any time, be subject to the grants nor to the indemnity provisions of this act, nor shall any lands embraced in Indian, military, or other reservations of any character be subject to the grants or to the indemnity provisions of this act until the reservation shall have been extinguished and such lands be restored to, and become a part of, the public domain.

SEC. 11. That all lands herein granted for educational purposes shall be disposed of only at public sale, and at a price not less than ten dollars per acre, the proceeds to constitute a permanent school fund, the interest of which only shall be expended in the support of said schools. But said lands may, under such regulations as the legislatures shall prescribe, be leased for periods of not more than five years, in quantities not exceeding one section to any one person or company; and such land shall not be subject to pre-emption, homestead entry, or any other entry under the land laws of the United States, whether surveyed or unsurveyed, but shall be reserved for school purposes only.

"That all lands granted by this Act shall be disposed of only at public sale after advertising - tillable lands capable of producing agricultural crops for not less than \$10 per acre and lands principally valuable for grazing purposes for not less than \$5 per acre. Any of the said lands may be exchanged for other lands, public or private, of equal value and as near as may be of equal area, but if any of the said lands are exchanged with the United States such exchange shall be limited to surveyed, nonmineral, unreserved public lands of the United States within the State.

## Article II LEGISLATIVE DEPARTMENT

**§ 1 LEGISLATIVE POWERS, WHERE VESTED.** The legislative authority of the state of Washington shall be vested in the legislature, consisting of a senate and house of representatives, which shall be called the legislature of the state of Washington, but the people reserve to themselves the power to propose bills, laws, and to enact or reject the same at the polls, independent of the legislature, and also reserve power, at their own option, to approve or reject at the polls any act, item, section, or part of any bill, act, or law passed by the legislature.

(a) Initiative: The first power reserved by the people is the initiative. Every such petition shall include the full text of the measure so proposed. In the case of initiatives to the legislature and initiatives to the people, the number of valid signatures of legal voters required shall be equal to eight percent of the votes cast for the office of governor at the last gubernatorial election preceding the initial filing of the text of the initiative measure with the secretary of state.

If certification is not complete by the date that the legislature convenes, he shall provisionally certify the measure pending final certification of the measure. Such initiative measures, whether certified or provisionally certified, shall take precedence over all other measures in the legislature except appropriation bills and shall be either enacted or rejected without change or amendment by the legislature before the end of such regular session. If any such initiative measures shall be enacted by the legislature it shall be subject to the referendum petition, or it may be enacted and referred by the legislature to the people for approval or rejection at the next regular election. If it is rejected or if no action is taken upon it by the legislature before the end of such regular session, the secretary of state shall submit it to the people for approval or rejection at the next ensuing regular general election. The legislature may reject any measure so proposed by initiative petition and propose a different one dealing with the same subject, and in such event both measures shall be submitted by the secretary of state to the people for approval or rejection at the next ensuing regular general election. When conflicting measures are submitted to the people the ballots shall be so printed that a voter can express separately by making one cross (X) for each, two

If the majority of those voting on the first issue is for neither, both fail, but in that case the votes on the second issue shall nevertheless be carefully counted and made public. If a majority voting on the first issue is for either, then the measure receiving a majority of the votes on the second issue shall be law.

(b) Referendum. The second power reserved by the people is the referendum, and it may be ordered on any act, bill, law, or any part thereof passed by the legislature, except such laws as may be necessary for the immediate preservation of the public peace, health or safety, support of the state government and its existing public institutions, either by petition signed by the required percentage of the legal voters, or by the legislature as other bills are enacted: *Provided*, That the legislature may not order a referendum on any initiative measure enacted by the legislature under the foregoing subsection (a). The number of valid signatures of registered voters required on a petition for referendum of an act of the legislature or any part thereof, shall be equal to or exceeding four percent of the votes cast for the office of governor at the last gubernatorial election preceding the filing of the text of the referendum measure with the secretary of state.

(c) No act, law, or bill subject to referendum shall take effect until ninety days after the adjournment of the session at which it was enacted. No act, law, or bill approved by a majority of the electors voting thereon shall be amended or repealed by the legislature within a period of two years following such enactment: *Provided*, That any such act, law, or bill may be amended within two years after such enactment at any regular or special session of the legislature by a vote of two-thirds of all the members elected to each house with full compliance with section 12, Article III, of the Washington Constitution, and no amendatory law adopted in accordance with this provision shall be subject to referendum. But such enactment may be amended or repealed at any general regular or special election by direct vote of the people thereon.

(d) The filing of a referendum petition against one or more items, sections, or parts of any act, law, or bill shall not delay the remainder of the measure from becoming operative. Referendum petitions against measures passed by the legislature shall be filed with the secretary of state not later than ninety days after the final adjournment of the session of the legislature which passed the measure on which the referendum is demanded. The veto power of the governor shall not extend to measures initiated by or referred to the people. All elections on measures referred to the people of the state shall be had at the next succeeding regular general election following the filing of the measure with the secretary of state, except when the legislature shall order a special election. Any measure initiated by the people or referred to the people as herein provided shall take effect and become the law if it is approved by a majority of the votes cast thereon: *Provided*, That the vote cast upon such question or measure shall equal one-third of the total votes cast at such election and not otherwise. Such measure shall be in operation on and after the thirtieth day after the election at which it is approved. The style of all bills proposed by initiative petition shall be: "Be it enacted by the people of the State of Washington." This section shall

not be construed to deprive any member of the legislature of the right to introduce any measure. All such petitions shall be filed with the secretary of state, who shall be guided by the general laws in submitting the same to the people until additional legislation shall especially provide therefor. This section is self-executing, but legislation may be enacted especially to facilitate its operation.

(e) The legislature shall provide methods of publicity of all laws or parts of laws, and amendments to the Constitution referred to the people with arguments for and against the laws and amendments so referred. The secretary of state shall send one copy of the publication to each individual place of residence in the state and shall make such additional distribution as he shall determine necessary to reasonably assure that each voter will have an opportunity to study the measures prior to election. [AMENDMENT 72, 1981 Substitute Senate Joint Resolution No. 133, p 1796. Approved November 3, 1981.]

**§ 1 STATE DEBT.** (a) The state may contract debt, the principal of which shall be paid and discharged within thirty years from the time of contracting thereof, in the manner set forth herein.

(b) The aggregate debt contracted by the state shall not exceed that amount for which payments of principal and interest in any fiscal year would require the state to expend more than nine percent of the arithmetic mean of its general state revenues for the three immediately preceding fiscal years as certified by the treasurer. The term "fiscal year" means that period of time commencing July 1 of any year and ending on June 30 of the following year.

(c) The term "general state revenues" when used in this section, shall include all state money received in the treasury from each and every source whatsoever except: (1) Fees and revenues derived from the ownership or operation of any undertaking, facility, or project; (2) Moneys received as gifts, grants, donations, aid, or assistance or otherwise from the United States or any department, bureau, or corporation thereof, or any person, firm, or corporation, public or private, when the terms and conditions of such gift, grant, donation, aid, or assistance require the application and disbursement of such moneys otherwise than for the general purposes of the state of Washington; (3) Moneys to be paid into and received from retirement system funds, and performance bonds and deposits; (4) Moneys to be paid into and received from trust funds including but not limited to moneys received from taxes levied for specific purposes and the several permanent and irrevocable funds of the state and the moneys derived therefrom but excluding bond redemption funds; (5) Proceeds received from the sale of bonds or other evidences of indebtedness.

(d) In computing the amount required for payment of principal and interest on outstanding debt under this section, debt shall be construed to mean borrowed money represented by bonds, notes, or other evidences of indebtedness which are secured by the full faith and credit of the state or are required to be repaid, directly or indirectly, from general state revenues and which are incurred by the state, any department, authority, public corporation, or quasi public corporation of the state, any state university or college, or any other public agency created by the state but not by counties, cities, towns, school districts, or other municipal corporations, but shall not include obligations for the payment of current expenses of state government, nor shall it include debt hereafter incurred pursuant to section 3 of this article, obligations guaranteed as provided for in subsection (f) of this section, principal of bond anticipation notes or obligations issued to fund or refund the indebtedness of the Washington state building authority.

(e) The state may, without limitation, fund or refund, at or prior to maturity, the whole or any part of any existing debt or of any debt hereafter contracted pursuant to section 1, section 2, or section 3 of this article, including any premium payable with respect thereto and interest thereon, or fund or refund, at or prior to maturity, the whole or any part of any indebtedness incurred or authorized prior to the effective date of this amendment by any entity of the type described in subsection (g) of this section, including any premium payable with respect thereto and any interest thereon. Such funding or refunding shall not be deemed to be contracting debt by the state.

(f) Notwithstanding the limitation contained in subsection (b) of this section, the state may pledge its full faith, credit, and taxing power to guarantee the payment of any obligation payable from revenues received from any of the following sources: (1) Fees collected by the state as license fees for motor vehicles; (2) Excise taxes collected by the state on the sale, distribution or use of motor vehicle fuel; and (3) Interest on the permanent common school fund: *Provided*, That the legislature shall, at all times, provide sufficient revenues from such sources to pay the principal and interest due on all obligations for which said source of revenue is pledged.

(h) The legislature shall prescribe all matters relating to the contracting, funding or refunding of debt pursuant to this section, including: The purposes for which debt may be contracted; by a favorable vote of three-fifths of the members elected to each house, the amount of debt which may be contracted for any class of such purposes; the kinds of notes, bonds, or other evidences of debt which may be issued by the state; and the manner by which the treasurer shall determine and advise the legislature, any appropriate agency, officer, or instrumentality of the state as to the available debt capacity within the limitation set forth in this section. The legislature may delegate to any state officer, agency, or instrumentality any of its powers relating to the contracting, funding or refunding of debt pursuant to this section except its power to determine the amount and purposes for which debt may be contracted.

(i) The full faith, credit, and taxing power of the state of Washington are pledged to the payment of the debt created on behalf of the state pursuant to this section and the legislature shall provide by appropriation for the payment of the interest upon and installments of principal of all such debt as the same falls due, but in any event, any court of record may compel such payment.

(j) Notwithstanding the limitations contained in subsection (b) of this section, the state may issue certificates of indebtedness in such sum or sums as may be necessary to meet temporary deficiencies of the treasury, to preserve the best interests of the state in the conduct of the various state institutions, departments, bureaus, and agencies during each fiscal year; such certificates may be issued only to provide

for appropriations already made by the legislature and such certificates must be retired and the debt discharged other than by refunding within twelve months after the date of incurrence.

(k) Bonds, notes, or other obligations issued and sold by the state of Washington pursuant to and in conformity with this article shall not be invalid for any irregularity or defect in the proceedings of the issuance or sale thereof and shall be incontestable in the hands of a bona fide purchaser or holder thereof. Every county which shall be enlarged or created from territory taken from any other county or counties shall be liable for a just proportion of the existing debts and liabilities of the county or counties from which such territory shall be taken: *Provided*, That in such accounting neither county shall be charged with any debt or liability then existing incurred in the purchase of any county property, or in the purchase or construction of any county buildings then in use, or under construction, which shall fall within and be retained by the county: *Provided further*, That this shall not be construed to affect the rights of creditors.

**§ 4 COUNTY GOVERNMENT AND TOWNSHIP ORGANIZATION.** The legislature shall establish a system of county government, which shall be uniform throughout the state except as hereinafter provided, and by general laws shall provide for township organization, under which any county may organize whenever a majority of the qualified electors of such county voting at a general election shall so determine; and whenever a county shall adopt township organization, the assessment and collection of the revenue shall be made, and the business of such county and the local affairs of the several townships therein, shall be managed and transacted in the manner prescribed by such general law.

Any county may frame a "Home Rule" charter for its own government subject to the Constitution and laws of this state, and for such purpose the legislative authority of such county may cause an election to be had, at which election there shall be chosen by the qualified voters of said county not less than fifteen (15) nor more than twenty-five (25) freeholders thereof, as determined by the legislative authority, who shall have been residents of said county for a period of at least five (5) years preceding their election and who are themselves qualified electors, whose duty it shall be to convene within thirty (30) days after their election and prepare and propose a charter for such county. Such proposed charter shall be submitted to the qualified electors of said county, and if a majority of such qualified electors voting thereon ratify the same, it shall become the charter of said county and shall become the organic law thereof, and supersede any existing charter, including amendments thereto, or any existing form of county government, and all special laws inconsistent with such charter. Said proposed charter shall be published in two (2) legal newspapers published in said county, at least once a week for four (4) consecutive weeks prior to the day of submitting the same to the electors for their approval as above provided. Said elections may be general or special elections and except as herein provided, shall be governed by the law regulating and controlling general or special elections in said county. The procedure for the nomination of qualified electors as candidates for said board of freeholders shall be prescribed by the legislative authority of the county, and the procedure for the framing of the charter and the submission of the charter as framed shall be the same as in the case of a board of freeholders chosen at an election initiated by the legislative authority of the county.

In calling for any election of freeholders as provided in this section, the legislative authority of the county shall apportion the number of freeholders to be elected in accordance with either the legislative districts or the county commissioner districts, if any, within said county, the number of said freeholders to be elected from each of said districts to be in proportion to the population of said districts as nearly as may be.

Should the charter proposed receive the affirmative vote of the majority of the electors voting thereon, the legislative authority of the county shall immediately call such special election as may be provided for therein, if any, and the county government shall be established in accordance with the terms of said charter not more than six (6) months after the election at which the charter was adopted.

The terms of all elective officers, except the prosecuting attorney, the county superintendent of schools, the judges of the superior court, and the justices of the peace, who are in office at the time of the adoption of a Home Rule Charter shall terminate as provided in the charter. All appointive officers in office at the time the charter goes into effect, whose positions are not abolished thereby, shall continue until their successors shall have qualified.

After the adoption of such charter, such county shall continue to have all the rights, powers, privileges and benefits then possessed or thereafter conferred by general law. All the powers, authority and duties granted to and

imposed on county officers by general law, except the prosecuting attorney, the county superintendent of schools, the judges of the superior court and the justices of the peace, shall be vested in the legislative authority of the county unless expressly vested in specific officers by the charter. The legislative authority may by resolution delegate any of its executive or administrative powers, authority or duties not expressly vested in specific officers by the charter, to any county officer or officers or county employee or employees.

#### § 16 COMBINED CITY-COUNTY.

Any county may frame a "Home Rule" charter subject to the Constitution and laws of this state to provide for the formation and government of combined city and county municipal corporations, each of which shall be known as "city-county". Registered voters equal in number to ten (10) percent of the

voters of any such county voting at the last preceding general election may at any time propose by a petition the calling of an election of freeholders. The provisions of section 4 of this Article with respect to a petition calling for an election of freeholders to frame a county home rule charter, the election of freeholders, and the framing and adoption of a county home rule charter pursuant to such petition shall apply to a petition proposed under this section for the election of freeholders to frame a city-county charter, the election of freeholders, and to the framing and adoption of such city-county charter pursuant to such petition. If there are not sufficient legal newspapers published in the county to meet the requirements for publication of a proposed charter under section 4 of this Article, publication in a legal newspaper circulated in the county may be substituted for publication in a legal newspaper published in the county. No such "city-county" shall be formed except by a majority vote of the qualified electors voting thereon in the county. The charter shall designate the respective officers of such city-county who shall perform the duties imposed by law upon county officers. Every such city-county shall have and enjoy all rights, powers and privileges asserted in its charter, and in addition thereto, such rights, powers and privileges as may be granted to it, or to any city or county or class or classes of cities and counties. In the event of a conflict in the constitutional provisions applying to cities and those applying to counties or of a conflict in the general laws applying to cities and those applying to counties, a city-county shall be authorized to exercise any powers that are granted to either the cities or the counties.

No legislative enactment which is a prohibition or restriction shall apply to the rights, powers and privileges of a city-county unless such prohibition or restriction shall apply equally to every other city, county, and city-county.

The provisions of sections 2, 3, 5, 6, and 8 and of the first paragraph of section 4 of this article shall not apply to any such city-county.

Municipal corporations may be retained or otherwise provided for within the city-county. The formation, powers and duties of such municipal corporations shall be prescribed by the charter.

No city-county shall for any purpose become indebted in any manner to an amount exceeding three per centum of the taxable property in such city-county without the assent of three-fifths of the voters therein voting at an election to be held for that purpose, nor in cases requiring such assent shall the total indebtedness at any time exceed ten per centum of the value of the taxable property therein, to be ascertained by the last assessment for city-county purposes previous to the incurring of such indebtedness: *Provided*, That no part of the indebtedness allowed in this section shall be incurred for any purpose other than strictly city-county or other municipal purposes: *Provided further*, That any city-county, with such assent may be allowed to become indebted to a larger amount, but not exceeding five per centum additional for supplying such city-county with water, artificial light, and sewers, when the works for supplying such water, light, and sewers shall be owned and controlled by the city-county.

No municipal corporation which is retained or otherwise provided for within the city-county shall for any purpose become indebted in any manner to an amount exceeding one and one-half per centum of the taxable property in such municipal corporation without the assent of three-fifths of the voters therein voting at an election to be held for that purpose, nor shall the total indebtedness at any time exceed five per centum of the value of the taxable property therein, to be ascertained by the last assessment for city-county purposes previous to the incurring of such indebtedness: *Provided*, That no part of the indebtedness allowed in this section shall be incurred for any purpose other than strictly municipal purposes: *Provided further*, That any such municipal corporation, with such assent, may be allowed to become indebted to a larger amount, but not exceeding five per centum additional for supplying such municipal corporation with water, artificial light, and sewers, when the works for supplying such water, light, and sewers shall be owned and controlled by the municipal corporation. All taxes which are levied and collected within a municipal corporation for a specific purpose shall be expended within that municipal corporation.

The authority conferred on the city-county government shall not be restricted by the second sentence of Article 7, section 1, or by Article 8, section 6 of this Constitution. [AMENDMENT 58, 1971 House Joint Resolution No. 21, p 1831. Approved November, 1972.]

No such city and county shall be formed except by a majority vote of the qualified electors of the area proposed to be included therein and also by a majority vote of the qualified electors of the remainder of that county from which such area is to be taken. Any such city and county shall be permitted to frame a charter for its own government, and amend the same, in the manner provided for cities by section 10 of this article: Provided, however, That the first charter of such city and county shall be framed and adopted in a manner to be specified in the general law authorizing the formation of such corporations: Provided further, That every such charter shall designate the respective officers of such city and county who shall perform the duties imposed by law upon county officers. In case an existing county is divided in the formation of a city and county, such city and county shall be liable for a just proportion of the existing debts or liabilities of the former county, and shall account for and pay the county remaining a just proportion of the value of any real estate or other property owned by the former county and taken over by the county and city, the method of determining such just proportion to be prescribed by general law, but such division shall not affect the rights of creditors. The officers of a city and county, their compensation, qualifications, term of office and manner of election or appointment shall be as provided for in its charter, subject to general laws and applicable constitutional provisions. [1909 p 642 § 1. Approved November, 1910.]

### AMENDMENT 7

Article 2 was amended by striking all of sections 1 and 31, and inserting in lieu thereof as section 1 the following, so that the same shall read as follows:

Art. 2 § 1 LEGISLATIVE POWERS, WHERE VESTED. The legislative authority of the state of Washington shall be vested in the legislature, consisting of a senate and house of representatives, which shall be called the legislature of the state of Washington, but the people reserve to themselves the power to propose bills, laws, and to enact or reject the same at the polls, independent of the legislature, and also reserve power, at their own option, to approve or reject at the polls any act, item, section or part of any bill, act or law passed by the legislature.

(a) Initiative: The first power reserved by the people is the initiative. *Ten per centum, but in no case more than fifty thousand, of the legal voters shall be required to propose any measure by such petition, and every such petition shall include the full text of the measure so proposed. Initiative petitions shall be filed with the secretary of state not less than four months before the election at which they are to be voted upon, or not less than ten days before any regular session of the legislature. If filed at least four months before the election at which they are to be voted upon, he shall submit the same to the vote of the people at the said election. If such petitions are filed not less than ten days before any regular session of the legislature, he shall transmit the same to the legislature as soon as it convenes and organizes. Such initiative measure shall take precedence over all other measures in the legislature except appropriation bills and shall be either enacted or rejected without change or amendment by the legislature before the end of such regular session. If any such initiative measure shall be enacted by the legislature it shall be subject to the referendum petition, or it may be enacted and referred by the legislature to the people for approval or rejection at the next regular election. If it is rejected or if no action is taken upon it by the legislature before the end of such regular session, the secretary of state shall submit it to the people for approval or rejection at the next ensuing regular general election. The legislature may reject any measure so proposed by initiative petition and propose a different one dealing with the same subject, and in such event both measures shall be submitted by the secretary of state to the people for approval or rejection at the next ensuing regular general election. When conflicting measures are submitted to the people the ballots shall be so printed that a voter can express separately by making one cross (X) for each, two preferences, first, as between either measure and neither, and secondly, as between one and the other. If the majority of those voting on the first issue is for neither, both fail, but in that case the votes on the second issue shall nevertheless be carefully counted and made public. If a majority voting on the first issue is for either, then the measure receiving a majority of the votes on the second issue shall be law.*

*Portion of subdivision (a) is superseded by Amendment 30.*

(b) Referendum. The second power reserved by the people is the referendum, and it may be ordered on any act, bill, law, or any part thereof passed by the legislature, except such laws as may be necessary for the immediate preservation of the public peace, health or safety, support of the state government and its existing public institutions, either by

petition signed by the required percentage of the legal voters, or by the legislature as other bills are enacted. *Six per centum, but in no case more than thirty thousand, of the legal voters shall be required to sign and make a valid referendum petition.*

*Portion of subdivision (b) is superseded by Amendment 30.*

(c) *No act, law, or bill subject to referendum shall take effect until ninety days after the adjournment of the session at which it was enacted. No act, law, or bill approved by a majority of the electors voting thereon shall be amended or repealed by the legislature within a period of two years following such enactment. But such enactment may be amended or repealed at any general regular or special election by direct vote of the people thereon.*

*Subdivision (c) is superseded by Amendment 26.*

(d) The filing of a referendum petition against one or more items, sections or parts of any act, law or bill shall not delay the remainder of the measure from becoming operative. Referendum petitions against measures passed by the legislature shall be filed with the secretary of state not later than ninety days after the final adjournment of the session of the legislature which passed the measure on which the referendum is demanded. The veto power of the governor shall not extend to measures initiated by or referred to the people. All elections on measures referred to the people of the state shall be had at the biennial regular elections, except when the legislature shall order a special election. Any measure initiated by the people or referred to the people as herein provided shall take effect and become the law if it is approved by a majority of the votes cast thereon: *Provided*, That the vote cast upon such question or measure shall equal one-third of the total votes cast at such election and not otherwise. Such measure shall be in operation on and after the thirtieth day after the election at which it is approved. The style of all bills proposed by initiative petition shall be: "Be it enacted by the people of the State of Washington." This section shall not be construed to deprive any member of the legislature of the right to introduce any measure. *The whole number of electors who voted for governor at the regular gubernatorial election last preceding the filing of any petition for the initiative or for the referendum shall be the basis on which the number of legal voters necessary to sign such petition shall be counted.* All such petitions shall be filed with the secretary of state, who shall be guided by the general laws in submitting the same to the people until additional legislation shall especially provide therefor. This section is self-executing, but legislation may be enacted especially to facilitate its operation.

*The legislature shall provide methods of publicity of all laws or parts of laws, and amendments to the constitution referred to the people with arguments for and against the laws and amendments so referred, so that each voter of the state shall receive the publication at least fifty days before the election at which they are to be voted upon.* [1911 p 136 § 1. Approved November, 1912.]

*Last paragraph is superseded by Amendment 36.*

*Art. 2 § 1 was later amended by Amendment 72.*

#### AMENDMENT 19

Art. 7 § 3 TAXATION OF FEDERAL AGENCIES AND PROPERTY. #### AMENDMENT 20

Art. 28 § 1 COMPENSATION OF STATE OFFICERS. All elected state officials shall each severally receive such compensation as the legislature may direct. The compensation of any state officer shall not be increased or diminished during his term of office, except that the legislature, at its thirty-first regular session, may increase or diminish the compensation of all state officers whose terms exist on the Thursday after the second Monday in January, 1949.

The provisions of sections 14, 16, 17, 19, 20, 21, and 22 of Article III and section 23 of Article II in so far as they are inconsistent herewith, are hereby repealed. [1947 Senate Joint Resolution No. 4, p 1371. Approved November 2, 1948.]

Art. 28 § 1 was later amended by Amendment 78.

Authorizing compensation increase during term: See Amendment 54.

#### AMENDMENT 21

Art. 11 § 4 COUNTY GOVERNMENT AND TOWNSHIP ORGANIZATION. The legislature shall establish a system of county government, which shall be uniform throughout the state except as hereinafter provided, and by general laws shall provide for township organization, under which any county may organize whenever a majority of the qualified electors of such county voting at a general election shall so determine; and whenever a county shall adopt township organization, the assessment and collection of the revenue shall be made, and the business of such county and the local affairs of the several townships therein, shall be managed and transacted in the manner prescribed by such general law.

Any county may frame a "Home Rule" charter for its own government subject to the Constitution and laws of this state, and for such purpose the legislative authority of such county may cause an election to be had, at which election there shall be chosen by the qualified voters of said county not less than fifteen (15) nor more than twenty-five (25)

freeholders thereof, as determined by the legislative authority, who shall have been residents of said county for a period of at least five (5) years preceding their election and who are themselves qualified electors, whose duty it shall be to convene within thirty (30) days after their election and prepare and propose a charter for such county. Such proposed charter shall be submitted to the qualified electors of said county, and if a majority of such qualified electors voting thereon ratify the same, it shall become the charter of said county and shall become the organic law thereof, and supersede any existing charter, including amendments thereto, or any existing form of county government, and all special laws inconsistent with such charter. Said proposed charter shall be published in two (2) legal newspapers published in said county, at least once a week for four (4) consecutive weeks prior to the day of submitting the same to the electors for their approval as above provided. All elections in this section authorized shall only be had upon notice, which notice shall specify the object of calling such election and shall be given for at least ten (10) days before the day of election in all election districts of said county. Said elections may be general or special elections and except as herein provided, shall be governed by the law regulating and controlling general or special elections in said county. Such charter may be amended by proposals therefor submitted by the legislative authority of said county to the electors thereof at any general election after notice of such submission published as above specified, and ratified by a majority of the qualified electors voting thereon. In submitting any such charter or amendment thereto, any alternate article or proposition may be presented for the choice of the voters and may be voted on separately without prejudice to others.

Any home rule charter proposed as herein provided, may provide for such county officers as may be deemed necessary to carry out and perform all county functions as provided by charter or by general law, and for their compensation, but shall not affect the election of the prosecuting attorney, the county superintendent of schools, the judges of the superior court, and the justices of the peace, or the jurisdiction of the courts.

Notwithstanding the foregoing provision for the calling of an election by the legislative authority of such county for the election of freeholders to frame a county charter, registered voters equal in number to ten (10) per centum of the voters of any such county voting at the last preceding general election, may at any time propose by petition the calling of an election of freeholders. The petition shall be filed with the county auditor of the county at least three (3) months before any general election and the proposal that a board of freeholders be elected for the purpose of framing a county charter shall be submitted to the vote of the people at said general election, and at the same election a board of freeholders of not less than fifteen (15) or more than twenty-five (25), as fixed in the petition calling for the election, shall be chosen to draft the new charter. The procedure for the nomination of qualified electors as candidates for said board of freeholders shall be prescribed by the legislative authority of the county, and the procedure for the framing of the charter and the submission of the charter as framed shall be the same as in the case of a board of freeholders chosen at an election initiated by the legislative authority of the county.

In calling for any election of freeholders as provided in this section, the legislative authority of the county shall apportion the number of freeholders to be elected in accordance with either the legislative districts or the county commissioner districts, if any, within said county, the number of said freeholders to be elected from each of said districts to be in proportion to the population of said districts as nearly as may be.

Should the charter proposed receive the affirmative vote of the majority of the electors voting thereon, the legislative authority of the county shall immediately call such special election as may be provided for therein, if any, and the county government shall be established in accordance with the terms of said charter not more than six (6) months after the election at which the charter was adopted.

The terms of all elective officers, except the prosecuting attorney, the county superintendent of schools, the judges of the superior court, and the justices of the peace, who are in office at the time of the adoption of a Home Rule Charter shall terminate as provided in the charter. All appointive officers in office at the time the charter goes into effect, whose positions are not abolished thereby, shall continue until their successors shall have qualified.

After the adoption of such charter, such county shall continue to have all the rights, powers, privileges and benefits then possessed or thereafter conferred by general law. All the powers, authority and duties granted to and imposed on county officers by general law, except the prosecuting attorney, the county superintendent of schools, the judges of the superior court and the justices of the peace, shall be vested in the legislative authority of the county unless expressly vested in specific officers by the charter. The legislative authority may by resolution delegate any of its executive or administrative powers, authority or duties not expressly vested in specific officers by the charter, to any county officer or officers or county employee or employees.

The provisions of sections 5, 6, 7, and the first sentence of section 8 of this Article as amended shall not apply to counties in which the government has been established by charter adopted under the provisions hereof. The authority conferred on the board of county commissioners by Section 15 of Article II as amended, shall be exercised by the legislative authority of the county. [1947 Senate Joint Resolution No. 5, p 1372. Approved November 2, 1948.]

Art. 11 § 16 **COMBINED CITY AND COUNTY.** The legislature shall, by general law, provide for the formation of combined city and county municipal corporations, and for the manner of determining the territorial limits thereof, each of which shall be known as a "city and county," and, when organized, shall contain a population of at least three hundred thousand (300,000) inhabitants. No such city and county shall be formed except by a majority vote of the qualified electors of the area proposed to be included therein and also by a majority vote of the qualified

electors of the remainder of that county from which such area is to be taken. Any such city and county shall be permitted to frame a charter for its own government, and amend the same, in the manner provided for cities by section 10 of this article: *Provided, however,* That the first charter of such city and county shall be framed and adopted in a manner to be specified in the general law authorizing the formation of such corporations: *Provided further,* That every such charter shall designate the respective officers of such city and county who shall perform the duties imposed by law upon county officers. Every such city and county shall have and enjoy all rights, powers and privileges asserted in its charter, not inconsistent with general laws, and in addition thereto, such rights, powers and privileges as may be granted to it, or possessed and enjoyed by cities and counties of like population separately organized.

No county or county government existing outside the territorial limits of such county and city shall exercise any police, taxation or other powers within the territorial limits of such county and city, but all such powers shall be exercised by the city and county and the officers thereof, subject to such constitutional provisions and general laws as apply to either cities or counties: *Provided,* That the provisions of sections 2, 3, 4, 5, 6, 7, and 8 of this article shall not apply to any such city and county: *Provided further,* That the salary of any elective or appointive officer of a city and county shall not be changed after his election or appointment or during his term of office; nor shall the term of any such officer be extended beyond the period for which he is elected or appointed. In case an existing county is divided in the formation of a city and county, such city and county shall be liable for a just proportion of the existing debts or liabilities of the former county, and shall account for and pay the county remaining a just proportion of the value of any real estate or other property owned by the former county and taken over by the county and city, the method of determining such just proportion to be prescribed by general law, but such division shall not affect the rights of creditors. The officers of a city and county, their compensation, qualifications, term of office and manner of election or appointment shall be as provided for in its charter, subject to general laws and applicable constitutional provisions. [1947 House Joint Resolution No. 13, p 1386. Approved November 2, 1948.]

No municipal corporation which is retained or otherwise provided for within the city-county shall for any purpose become indebted in any manner to an amount exceeding one and one-half per centum of the taxable property in such municipal corporation without the assent of three-fifths of the voters therein voting at an election to be held for that purpose, nor shall the total indebtedness at any time exceed five per centum of the value of the taxable property therein, to be ascertained by the last assessment for city-county purposes previous to the incurring of such indebtedness: *Provided*, That no part of the indebtedness allowed in this section shall be incurred for any purpose other than strictly municipal purposes: *Provided further*, That any such municipal corporation, with such assent, may be allowed to become indebted to a larger amount, but not exceeding five per centum additional for supplying such municipal corporation with water, artificial light, and sewers, when the works for supplying such water, light, and sewers shall be owned and controlled by the municipal corporation. All taxes which are levied and collected within a municipal corporation for a specific purpose shall be expended within that municipal corporation.

The authority conferred on the city-county government shall not be restricted by the second sentence of Article 7, section 1, or by Article 8, section 6 of this Constitution. [1971 House Joint Resolution No. 21, p 1831. Approved November 7, 1972.]

The term "taxing district" for the purposes of this section shall mean any political subdivision, municipal corporation, district, or other governmental agency authorized by law to levy, or have levied for it, ad valorem taxes on property, other than a port or public utility district. (b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided,* That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the

interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, *And provided further,* That the provisions of this section shall also be subject to the limitations contained in Article VIII, section 6, of this Constitution;

#### AMENDMENT 60

Art. 8 § 1 STATE DEBT. (a) The state may contract debt, the principal of which shall be paid and discharged within thirty years from the time of contracting thereof, in the manner set forth herein.

(b) The aggregate debt contracted by the state shall not exceed that amount for which payments of principal and interest in any fiscal year would require the state to expend more than nine percent of the arithmetic mean of its general state revenues for the three immediately preceding fiscal years as certified by the treasurer. The term "fiscal year" means that period of time commencing July 1 of any year and ending on June 30 of the following year.

(c) The term "general state revenues" when used in this section, shall include all state money received in the treasury from each and every source whatsoever except: (1) Fees and revenues derived from the ownership or operation of any undertaking, facility, or project; (2) Moneys received as gifts, grants, donations, aid, or assistance or otherwise from the United States or any department, bureau, or corporation thereof, or any person, firm, or corporation, public or private, when the terms and conditions of such gift, grant, donation, aid, or assistance require the application and disbursement of such moneys otherwise than for the general purposes of the state of Washington; (3) Moneys to be paid into and received from retirement system funds, and performance bonds and deposits; (4) Moneys to be paid into and received from trust funds including but not limited to moneys received from taxes levied for specific purposes and the several permanent and irreducible funds of the state and the moneys derived therefrom but excluding bond redemption funds; (5) Proceeds received from the sale of bonds or other evidences of indebtedness.

(d) In computing the amount required for payment of principal and interest on outstanding debt under this section, debt shall be construed to mean borrowed money represented by bonds, notes, or other evidences of indebtedness which are secured by the full faith and credit of the state or are

required to be repaid, directly or indirectly, from general state revenues and which are incurred by the state, any department, authority, public corporation, or quasi public corporation of the state, any state university or college, or any other public agency created by the state but not by counties, cities, towns, school districts, or other municipal corporations, but shall not include obligations for the payment of current expenses of state government, nor shall it include debt hereafter incurred pursuant to section 3 of this Article, obligations guaranteed as provided for in subsection (f) of this section, principal of bond anticipation notes or obligations issued to fund or refund the indebtedness of the Washington state building authority.

(e) The state may, without limitation, fund or refund, at or prior to maturity, the whole or any part of any existing debt or of any debt hereafter contracted pursuant to section 1, section 2, or section 3 of this Article, including any premium payable with respect thereto and interest thereon, or fund or refund, at or prior to maturity, the whole or any part of any indebtedness incurred or authorized prior to the effective date of this amendment by any entity of the type described in subsection (g) of this section, including any premium payable with respect thereto and any interest thereon. Such funding or refunding shall not be deemed to be contracting debt by the state.

(f) Notwithstanding the limitation contained in subsection (b) of this section, the state may pledge its full faith, credit, and taxing power to guarantee the payment of any obligation payable from revenues received from any of the following sources: (1) Fees collected by the state as license fees for motor vehicles; (2) Excise taxes collected by the state on the sale, distribution or use of motor vehicle fuel; and (3) Interest on the permanent common school fund: *Provided*, That the legislature shall, at all times, provide sufficient revenues from such sources to pay the principal and interest due on all obligations for which said source of revenue is pledged.

(g) No money shall be paid from funds in custody of the treasurer with respect to any debt contracted after the effective date of this amendment by the Washington state building authority, the capitol committee, or any similar entity existing or operating for similar purposes pursuant to which such entity undertakes to finance or provide a facility for use or occupancy by the state or any agency, department, or instrumentality thereof.

(h) The legislature shall prescribe all matters relating to the contracting, funding or refunding of debt pursuant to this section, including: The purposes for which debt may be contracted; by a favorable vote of three-fifths of the members elected to each house, the amount of debt which may be contracted for any class of such purposes; the kinds of notes, bonds, or other evidences of debt which may be issued by the state; and the manner by which the treasurer shall determine and advise the legislature, any appropriate agency, officer, or instrumentality of the state as to the available debt capacity within the limitation set forth in this section. The legislature may delegate to any state officer, agency, or instrumentality any of its powers relating to the contracting, funding or refunding of debt pursuant to this section except its power to determine the amount and purposes for which debt may be contracted.

(i) The full faith, credit, and taxing power of the state of Washington are pledged to the payment of the debt created on behalf of the state pursuant to this section and the legislature shall provide by appropriation for the payment of the interest upon and installments of principal of all such debt as the same falls due, but in any event, any court of record may compel such payment.

(j) Notwithstanding the limitations contained in subsection (b) of this section, the state may issue certificates of indebtedness in such sum or sums as may be necessary to meet temporary deficiencies of the treasury, to preserve the best interests of the state in the conduct of the various state institutions, departments, bureaus, and agencies during each fiscal year; such certificates may be issued only to provide for appropriations already made by the legislature and such certificates must be retired and the debt discharged other than by refunding within twelve months after the date of incurrence.

(k) Bonds, notes, or other obligations issued and sold by the state of Washington pursuant to and in conformity with this Article shall not be invalid for any irregularity or defect in the proceedings of the issuance or sale thereof and shall be incontestable in the hands of a bona fide purchaser or holder thereof.

Art. 8 § 3 SPECIAL INDEBTEDNESS, HOW AUTHORIZED. Except the debt specified in sections one and two of this Article, no debts shall hereafter be contracted by, or on behalf of this state, unless such debt shall be authorized by law for some single work or object to be distinctly specified therein. No such law shall take effect until it shall, at a general election, or a special election called for that purpose, have been submitted to the people and have received a majority of all the votes cast for and against it at such election. Art. 2 § 1 LEGISLATIVE POWERS, WHERE VESTED. The legislative authority of the state of Washington shall be vested in the legislature, consisting of a senate and house of representatives, which shall be called the legislature of the state of Washington, but the people reserve to themselves the power to propose bills, laws, and to enact or reject the same at the polls, independent of the legislature, and also reserve power, at their own option, to approve or reject at the polls any act, item, section, or part of any bill, act, or law passed by the legislature.

(a) Initiative: The first power reserved by the people is the initiative. Every such petition shall include the full text of the measure so proposed. In the case of initiatives to the legislature and initiatives to the people, the number of valid signatures of legal voters required shall be equal to eight percent of the votes cast for the office of governor at the last gubernatorial election preceding the initial filing of the text of the initiative measure with the secretary of state.

Initiative petitions shall be filed with the secretary of state not less than four months before the election at which they are to be voted upon, or not less than ten days before any regular session of the legislature. If filed at least four months before the election at which they are to be voted upon, he shall submit the same to the vote of the people at the said election. If such petitions are filed not less than ten days before any regular session of the legislature, he shall certify the results within forty days of the filing. If certification is not complete by the date that the legislature convenes, he shall provisionally certify the measure pending final certification of the measure. Such initiative measures, whether certified or provisionally certified, shall take precedence over all other measures in the legislature except appropriation bills and shall be either enacted or rejected without change or amendment by the legislature before the end of such regular session. If any such initiative measures shall be enacted by the legislature it shall be subject to the referendum petition, or it may be enacted and referred by the legislature to the people for approval or rejection at the next regular election. If it is rejected or if no action is taken upon it by the legislature before the end of such regular session, the secretary of state shall submit it to the people for approval or rejection at the next ensuing regular general election. The legislature may reject any measure so proposed by initiative petition and propose a different one dealing with the same subject, and in such event both measures shall be submitted by the secretary of state to the people for approval or rejection at the next ensuing regular general election. When conflicting measures are submitted to the people the ballots shall be so printed that a voter can express separately by making one cross (X) for each, two preferences, first, as between either measure and neither, and secondly, as between one and the other. If the majority of those voting on the first issue is for neither, both fail, but in that case the votes on the second issue shall nevertheless be carefully counted and made public. If a majority voting on the first issue is for either, then the measure receiving a majority of the votes on the second issue shall be law.

(b) Referendum. The second power reserved by the people is the referendum, and it may be ordered on any act, bill, law, or any part thereof passed by the legislature, except such laws as may be necessary for the immediate preserva-

tion of the public peace, health or safety, support of the state government and its existing public institutions, either by petition signed by the required percentage of the legal voters, or by the legislature as other bills are enacted: *Provided*, That the legislature may not order a referendum on any initiative measure enacted by the legislature under the foregoing subsection (a). The number of valid signatures of registered voters required on a petition for referendum of an act of the legislature or any part thereof, shall be equal to or exceeding four percent of the votes cast for the office of governor at the last gubernatorial election preceding the filing of the text of the referendum measure with the secretary of state.

(c) No act, law, or bill subject to referendum shall take effect until ninety days after the adjournment of the session at which it was enacted. No act, law, or bill approved by a majority of the electors voting thereon shall be amended or repealed by the legislature within a period of two years following such enactment: *Provided*, That any such act, law, or bill may be amended within two years after such enactment at any regular or special session of the legislature by a vote of two-thirds of all the members elected to each house with full compliance with section 12, Article III, of the Washington Constitution, and no amendatory law adopted in accordance with this provision shall be subject to referendum. But such enactment may be amended or repealed at any general regular or special election by direct vote of the people thereon.

(d) The filing of a referendum petition against one or more items, sections, or parts of any act, law, or bill shall not delay the remainder of the measure from becoming operative. Referendum petitions against measures passed by the legislature shall be filed with the secretary of state not later than ninety days after the final adjournment of the session of the legislature which passed the measure on which the referendum is demanded. The veto power of the governor shall not extend to measures initiated by or referred to the people. All elections on measures referred to the people of the state shall be had at the next succeeding regular general election following the filing of the measure with the secretary of state, except when the legislature shall order a special election. Any measure initiated by the people or referred to the people as herein provided shall take effect and become the law if it is approved by a majority of the votes cast thereon: *Provided*, That the vote cast upon such question or measure shall equal one-third of the total votes cast at such election and not otherwise. Such measure shall be in operation on and after the thirtieth day after the election at which it is approved. The style of all bills proposed by initiative petition shall be: "Be it enacted by the people of the State of Washington." This section shall not be construed to deprive any member of the legislature of the right to introduce any measure. All such petitions shall be filed with the secretary of state, who shall be guided by the general laws in submitting the same to the people until additional legislation shall especially provide therefor. This section is self-executing, but legislation may be enacted especially to facilitate its operation.

(e) The legislature shall provide methods of publicity of all laws or parts of laws, and amendments to the Constitution referred to the people with arguments for and against the laws and amendments so referred. The secretary of state

shall send one copy of the publication to each individual place of residence in the state and shall make such additional distribution as he shall determine necessary to reasonably assure that each voter will have an opportunity to study the measures prior to election. If three of the voting members of the commission fail to approve a plan within the time limitations provided in this subsection, the supreme court shall adopt a plan by April 30th of the year ending in two in conformance with the standards set forth in subsection (5) of this section.

(7) The legislature may amend the redistricting plan but must do so by a two-thirds vote of the legislators elected or appointed to each house of the legislature. Any amendment must have passed both houses by the end of the thirtieth day of the first session convened after the commission has submitted its plan to the legislature. After that day, the plan, with any legislative amendments, constitutes the state districting law.

(8) The legislature shall enact laws providing for the reconvening of a commission for the purpose of modifying a districting law adopted under this section. Such reconvening requires a two-thirds vote of the legislators elected or appointed to each house of the legislature. The commission shall conform to the standards prescribed under subsection (5) of this section and any other standards or procedures that the legislature may provide by law. At least three of the voting members shall approve such a modification. Any modification adopted by the commission may be amended by a two-thirds vote of the legislators elected and appointed to each house of the legislature. The state districting law shall include the modifications with amendments, if any.

(9) The legislature shall prescribe by law the terms of commission members and the method of filling vacancies on the commission.

(10) The supreme court has original jurisdiction to hear and decide all cases involving congressional and legislative redistricting.

(11) Legislative and congressional districts may not be changed or established except pursuant to this section. A districting plan and any legislative amendments to the plan are not subject to Article III, section 12 of this Constitution. [1983 Substitute Senate Joint Resolution No. 103, p 2202. **AMENDMENT 76**

Art. 8 § 11 **AGRICULTURAL COMMODITY ASSESSMENTS — DEVELOPMENT, PROMOTION, AND HOSTING.** The use of agricultural commodity assessments by agricultural commodity commissions in such manner as may be prescribed by the legislature for agricultural development or trade promotion and promotional hosting shall be deemed a public use for a public purpose, and shall not be deemed a gift within the provisions of section 5 of this article. [1985 House Joint Resolution No. 42, p 2402. Approved November 5, 1985.]

**AMENDMENT 77**

Art. 4 § 31 **COMMISSION ON JUDICIAL CONDUCT — REMOVAL, CENSURE, SUSPENSION, OR RETIREMENT OF JUDGES OR JUSTICES — PROCEEDINGS.** There shall be a commission on judicial conduct consisting of a judge selected by and from the court of appeals judges, a judge selected by and from the superior court judges, a judge selected by and from the district court judges, two persons admitted to the practice of law in this state selected by the state bar association, and four persons who are not attorneys appointed by the governor and confirmed by the senate.

The supreme court may censure, suspend, or remove a judge or justice for violating a rule of judicial conduct and may retire a judge or justice for disability which is permanent or is likely to become permanent and which seriously interferes with the performance of judicial duties. The office of a judge or justice retired or removed by the supreme court becomes vacant, and that person is ineligible for judicial office until eligibility is reinstated by the supreme court. The salary of a removed judge or justice shall cease.

The supreme court shall specify the effect upon salary when disciplinary action other than removal is taken. The supreme court may not discipline or retire a judge or justice until the commission on judicial conduct recommends after notice and hearing that action be taken and the supreme court conducts a hearing, after notice, to review commission proceedings and findings against a judge or justice.

Whenever the commission receives a complaint against a judge or justice, it shall first conduct proceedings for the purpose of determining whether sufficient reason exists for conducting a hearing or hearings to deal with the accusations. These initial proceedings shall be confidential, unless confidentiality is waived by the judge or justice, but all subsequent hearings conducted by the commission shall be open to members of the public.

Whenever the commission adopts a recommendation that a judge or justice be removed, the judge or justice shall be suspended immediately, with salary, from his or her judicial position until a final determination is made by the supreme court.

The legislature shall provide for commissioners' terms of office and compensation. The commission shall establish rules of procedure for commission proceedings including due process and confidentiality of proceedings. [1986 Senate Joint Resolution No. 136, p 1532. Approved November 4, 1986.]

Art. 4 § 31 was later amended by Amendment 85.

**AMENDMENT 78**

Art. 28 § 1 **SALARIES FOR LEGISLATORS, ELECTED STATE OFFICIALS, AND JUDGES — INDEPENDENT COMMISSION — REFERENDUM.** Salaries for members of the legislature, elected officials of the executive branch of state government, and judges of the state's supreme court, court of appeals, superior courts, and district courts shall be fixed by an independent commission created and directed by law to that purpose. No state official, public employee, or person required by law to register with a state agency as a lobbyist, or immediate family member of the official, employee, or lobbyist, may be a member of that commission.

As used in this section the phrase "immediate family" has the meaning that is defined by law.

Any change of salary shall be filed with the secretary of state and shall become law ninety days thereafter without action of the legislature or governor, but shall be subject to referendum petition by the people, filed within the ninety-day period. Referendum measures under this section shall be submitted to the people at the next following general election, and shall be otherwise governed by the provisions of this Constitution generally applicable to referendum measures. The salaries fixed pursuant to this section shall supersede any other provision for the salaries of members of the legislature, elected officials of the executive branch of state government, and judges of the state's supreme court, court of appeals, superior courts, and district courts. The salaries for such officials in effect on January 12, 1987, shall remain in effect until changed pursuant to this section.

After the initial adoption of a law by the legislature creating the independent commission, no amendment to such act which alters the composition of the commission shall be valid unless the amendment is enacted by a favorable vote of two-thirds of the members elected to each house of the legislature and is subject to referendum petition.

The provisions of section 14 of Article IV, sections 14, 16, 17, 19, 20, 21, and 22 of Article III, and section 23 of Article II, insofar as they are inconsistent herewith, are hereby superseded. The provisions of section 1 of Article II relating to referendum procedures, insofar as they are inconsistent herewith, are hereby superseded with regard to the salaries governed by this section. (b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided*, That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, *And provided further*, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;

(c) By the state or any taxing district for the purpose of paying the principal or interest on general obligation bonds outstanding on December 6, 1934; or for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort. Art. 7 § 1 TAXATION. The power of taxation shall never be suspended, surrendered or contracted away. All taxes shall be uniform upon the same class of property within the territorial limits of the authority levying the tax and shall be levied and collected for public purposes only. In the event the victim is deceased, incompetent, a minor, or otherwise unavailable, the prosecuting attorney may identify a representative to appear to exercise the victim's rights. This provision shall not constitute a basis for error in favor of a defendant in a criminal proceeding nor a basis for providing a victim or the victim's representative with court appointed counsel. [1989 Senate Joint Resolution No. 8200, p 2999. Approved November 7, 1989.]

### AMENDMENT 85

Art. 4 § 31 COMMISSION ON JUDICIAL CONDUCT. (2) Whenever the commission receives a complaint against a judge or justice, or otherwise has reason to believe that a judge or justice should be admonished, reprimanded, censured, suspended, removed, or retired, the commission shall first investigate the complaint or belief and then conduct initial proceedings for the purpose of determining whether probable cause exists for conducting a public hearing or hearings to deal with the complaint or belief. The investigation and initial proceedings shall be confidential. Upon beginning an initial proceeding, the commission shall notify the judge or justice of the existence of and basis for the initial proceeding.

(3) Whenever the commission concludes, based on an initial proceeding, that there is probable cause to believe that a judge or justice has violated a rule of judicial conduct or that the judge or justice suffers from a disability which is permanent or likely to become permanent and which seriously interferes with the performance of judicial duties, the commission shall conduct a public hearing or hearings and shall make public all those records of the initial proceeding that provide the basis for its conclusion. If the commission concludes that there is not probable cause, it shall notify the judge or justice of its conclusion.

(4) Upon the completion of the hearing or hearings, the commission in open session shall either dismiss the case, or shall admonish, reprimand, or censure the judge or justice, or shall censure the judge or justice and recommend to the supreme court the suspension or removal of the judge or justice, or shall recommend to the supreme court the retirement of the judge or justice. The commission may not recommend suspension or removal unless it censures the judge or justice for the violation serving as the basis for the recommendation. The commission may recommend retirement of a judge or justice for a disability which is permanent or likely to become permanent and which seriously interferes with the performance of judicial duties.

(5) Upon the recommendation of the commission, the supreme court may suspend, remove, or retire a judge or justice. The office of a judge or justice retired or removed by the supreme court becomes vacant, and that person is ineligible for judicial office until eligibility is reinstated by the supreme court. The salary of a removed judge or justice shall cease. The supreme court shall specify the effect upon salary when it suspends a judge or justice. The supreme court may not suspend, remove, or retire a judge or justice until the commission, after notice and hearing, recommends that action be taken, and the supreme court conducts a hearing, after notice, to review commission proceedings and findings against the judge or justice.

(6) Within thirty days after the commission admonishes, reprimands, or censures a judge or justice, the judge or justice shall have a right of appeal de novo to the supreme court.

(7) Any matter before the commission or supreme court may be disposed of by a stipulation entered into in a public proceeding. The stipulation shall be signed by the judge or justice and the commission or court. The stipulation may impose any terms and conditions deemed appropriate by the commission or court. A stipulation shall set forth all

material facts relating to the proceeding and the conduct of the judge or justice.

(8) Whenever the commission adopts a recommendation that a judge or justice be removed, the judge or justice shall be suspended immediately, with salary, from his or her judicial position until a final determination is made by the supreme court.

(9) The legislature shall provide for commissioners' terms of office and compensation. The commission shall employ one or more investigative officers with appropriate professional training and experience. The investigative officers of the commission shall report directly to the commission. The commission shall also employ such administrative or other staff as are necessary to manage the affairs of the commission.

The commission shall establish rules of procedure for commission proceedings including due process and confidentiality of proceedings. [1989 Substitute Senate Joint Resolution No. 8202, p 3000. # CODIFICATION TABLES

- (1) Remington's Revised Statutes to Revised Code of Washington.
- (2) Session law sections not included in Remington's Revised Statutes but included in the Revised Code of Washington: 1854 to 1949 Session Laws; inclusive.
- (3) Session law sections commencing with the 1950 Extraordinary Session.

These tables include: (1) All sections of Remington's Revised Statutes or parts thereof that have parallel sections in the Revised Code of Washington as originally published, accounting as well for those Remington sections that are omitted from the Revised Code of Washington, and which omitted sections may not be accounted for in tables or notes published in Remington's Revised Statutes, its pocket supplements, and its biennial supplements up to and including that for the year 1949; (2) session law sections not included in Remington's Revised Statutes but included in the Revised Code of Washington: 1854 to 1949 Session Laws, inclusive; and (3) session law sections commencing with the 1950 Extraordinary Session.

The original codification tables were prepared in 1951. Since that date, the Statute Law Committee has restored the Revised Code of Washington to the sectionalization of the session laws. As a result, several of the RCW citations are no longer accurate. If the RCW section cited in the table cannot be found in the text of the Revised Code of Washington, consult the table entitled "Disposition of Former RCW Sections" for further information.
