

## CHAPTER 50.

[S. B. 143.]

## GENERAL APPROPRIATIONS.

AN ACT making an appropriation for the construction of buildings at, for the maintenance of, and sundry expenses of the various state institutions, schools and state offices, and for the sundry civil expenses of the state government, and for miscellaneous purposes for the fiscal term beginning April 1st, 1923, and ending March 31st, 1925, except as otherwise provided, and declaring that this act shall take effect immediately.

*Be it enacted by the Legislature of the State of Washington:*

SECTION 1. The following sums or as much thereof as shall severally be found necessary, are hereby appropriated out of any monies in the several funds in the state treasury hereinafter named in payment of salaries of certain officers and employees of the state, and for the operation and maintenance of, and construction of buildings at, and other expenses for, and various state institutions and officers hereinbelow designated and mentioned, and for the other divers purposes hereinafter expressed, and for the fiscal term beginning April 1st, 1923, and ending March 31st, 1925, and as hereinafter or otherwise particularly specified in the amount appropriated for all buildings for state institutions, whether penal, charitable, educational or reformatory to be expended under the direction of the board or officer having control.

Authorizing  
appropriations.

SEC. 2. The phrase "Capital Outlays," as used herein, includes any expenditure which augments the state's assets, and includes the purchase of property, buildings and permanent equipment, and the making of new improvements.

Definitions.

The word "operation," as used herein, includes salaries and wages of officers and employees, and

all expenses necessary for the operation and maintenance of the various institutions and departments, including necessary traveling expenses not included in the phrase "capital outlays," as hereinbefore defined.
