(1) "Recording officer" means the county auditor, or in charter counties the county official charged with the responsibility for recording instruments in the county records.

(2) "File," "filed," or "filing" means the act of delivering or transmitting electronically an instrument to the auditor or recording officer for recording into the official public records.

(3) "Record," "recorded," or "recording" means the process, such as electronic, mechanical, optical, magnetic, or microfilm storage used by the auditor or recording officer after filing to incorporate the instrument into the public records.

(4) "Recording number" means a unique number that identifies the storage location (book or volume and page, reel and frame, instrument number, auditor or recording officer file number, receiving number, electronic retrieval code, or other specific place) of each instrument in the public records accessible in the same recording office where the instrument containing the reference to the location is found.

(5) "Grantor/grantee" for recording purposes means the names of the parties involved in the transaction used to create the recording index. There will always be at least one grantor and one grantee for any document. In some cases, the grantor and the grantee will be the same individual(s), or one of the parties may be the public.

(6) "Legible and capable of being imaged" means all text, seals, drawings, signatures, or other content within the document must be legible and capable of producing a readable image, regardless of what process is used for recording. [1999 c 233 § 10; 1998 c 27 § 3; 1996 c 229 § 1; 1991 c 26 § 3.]

65.04.050 Index of instruments, how made and kept—Recording of plat names. Every auditor or recording officer must keep a general index, direct and inverted. The index may be either printed on paper or produced on microfilm or microfiche, or it can be created from a computerized database and displayed on a video display terminal. Any reference to a prior *record location number may be entered in the remarks column. Any property legal description contained in the instrument must be entered in the description of property column of the general index. The direct index shall be divided into eight columns, and with heads to the respective columns, as follows: Date of reception, grantor, grantee, nature of instrument, volume and page where recorded and/or the auditor's file number, remarks, description of property, assessor's property tax parcel or account number. The auditor or recording officer shall correctly enter in such index every instrument concerning or affecting real estate which by law is required to be recorded, the names of grantors being in alphabetical order. The inverted index shall also be divided into eight columns, precisely similar, except that "grantee" shall occupy the second column and "grantor" the third, the names of grantees being in alphabetical order. The auditor or recording officer may combine the direct and indirect indexes into a single index if it contains all the information required to be contained in the separate direct and indirect indexes and the names of all grantors and grantees can be found by a person searching the combined index. For the purposes of this chapter, the term "grantor" means any person conveying or encumbering the title to any property, or any person against whom any *lis pendens*, judgment, notice of lien, order of sale, execution, writ of attachment, claims of separate or community property, or notice for request of transfer or encumbrance under RCW 43.20B.750 shall be placed on record. The auditor or recording officer shall also enter in the general index, the name of the party or parties platting a town, village, or addition in the column prescribed for "grantors," describing the grantee in such case as "the public." However, the auditor or recording officer shall not receive or record any such plat or map until it has been approved by the mayor and common council of the municipality in which the property so platted is situated, or if the property be not situated within any municipal corporation, then the plat must be first approved by the county legislative authority. The auditor or recording officer shall not receive for record any plat, map, or subdivision of land bearing a name the same or similar to the name of any map or plat already on record in the office. The auditor or recording officer may establish a name reservation system to preclude the possibility of duplication of names. [2005 c 292 § 3; 1996 c 143 § 4; 1991 c 26 § 6; 1893 c 119 § 12; Code 1881 § 2728; 1869 p 314 § 24; RRS § 10603.]

*Reviser's note: The definition "record location number" was changed to "recording number" by 1999 c 233 § 10.

65.04.060 Record when lien is discharged. Whenever any mortgage, bond, lien, or instrument encumbering real estate, has been satisfied, released or discharged, by the recording of an instrument of release, or acknowledgment of satisfaction, the auditor shall immediately note, in the comment section of the index, the recording number of the original mortgage, bond, lien, or instrument. [1999 c 233 § 15; 1985 c 44 § 17; Code 1881 § 2729; 1869 p 315 § 25; RRS § 10604.]

Additional notes found at www.leg.wa.gov

65.04.070 Recording judgments affecting real property. The auditor must file and record with the record of deeds, grants, and transfers certified copies of final judgments or decrees partitioning or affecting the title or possession of real property, any part of which is situated in the county of which he or she is recorder. Every such certified copy or partition, from the time of filing the same with the auditor for record, imparts notice to all persons of the contents thereof, and subsequent purchasers, mortgagees, and lienholders purchase and take with like notice and effect as if such copy or decree was a duly recorded deed, grant, or transfer. [2012 c 117 § 205; Code 1881 § 2730; RRS § 10605.]

65.04.080 Entries when instruments offered for record—Content restrictions. (1) When any instrument, paper, or notice, authorized or required by law to be filed or recorded, is deposited in or electronically transmitted to the county auditor's office for filing or record, that officer must indorse upon the same the time when it was received, noting the year, month, day, hour and minute of its reception, and note that the document was received by electronic transmission, and must file, or file and record the same without delay, together with the acknowledgments, proofs, and certificates written or printed upon or annexed to the same, with the plats, surveys, schedules and other papers thereto annexed, in the order and as of the time when the same was received for filing or record, and must note on the instrument filed, or at the foot of the record the exact time of its reception, and the name of the person at whose request it was filed or filed and recorded. However, the county auditor shall not be required to accept for filing, or filing and recording, any instrument unless there appear upon the face thereof, the name and nature of the instrument offered for filing, or filing and recording, as the case may be.

(2) When any instrument, except those generated by governmental agencies, is presented to a county auditor or recording officer for recording, the document may not contain the following information: (a) A social security number; (b) a date of birth identified with a particular person; or (c) the maiden name of a person's parent so as to be identified with a particular person. [2005 c 134 § 2; 1996 c 229 § 4; 1985 c 44 § 18; 1927 c 187 § 1; Code 1881 § 2731; 1869 p 313 § 19; RRS § 10606.]

65.04.090 Further endorsements—Delivery. The recording officer must also endorse upon such an instrument, paper, or notice, the time when and the book and page in which it is recorded, and must thereafter either electronically transmit or deliver it to the party leaving the same for record

or to the address on the face of the document. [2003 c 239 § 1; 1996 c 229 § 5; Code 1881 § 2732; RRS § 10607.]

65.04.110 Liability of auditor for damages. If any county auditor to whom an instrument, proved or acknowledged according to law, or any paper or notice which may by law be recorded is delivered or electronically transmitted for record: (1) Neglects or refuses to record such instrument, paper or notice, within a reasonable time after receiving the same; or (2) records any instruments, papers or notices untruly, or in any other manner than as directed in this chapter; or, (3) neglects or refuses to keep in his or her office such indexes as are required by *this act, or to make the proper entries therein; or, (4) neglects or refuses to make the searches and to give the certificate required by *this act; or if such searches or certificate are incomplete and defective in any important particular affecting the property in respect to which the search is requested; or, (5) alters, changes, or obliterates any records deposited in his or her office, or inserts any new matter therein; he or she is liable to the party aggrieved for the amount of damage which may be occasioned thereby. However, if the name or names and address hand printed, printed, or typewritten on any instrument, proved or acknowledged according to law, or on any paper or notice which may by law be filed or recorded, is or are incorrect, or misspelled or not the true name or names of the party or parties appearing thereon, the county auditor shall not, by reason of such fact, be liable for any loss or damage resulting therefrom. [1996 c 229 § 6; 1965 c 134 § 1; Code 1881 § 2734; RRS § 10609.]

***Reviser's note:** The language "this act" appears in Code 1881 c 211, codified herein as RCW 5.44.070, 36.16.030 through 36.16.050, 36.16.070, 36.16.080, 36.22.110 through 36.22.130, 36.22.150, 65.04.020, 65.04.030, 65.04.050 through 65.04.110, 65.04.130, and 65.04.140.

65.04.115 Names on documents, etc., to be printed or typewritten—Indexing. The name or names appearing on all documents or instruments, proved or acknowledged according to law, or on any paper which may by law be filed or recorded shall be hand printed, printed or typewritten so as to be legible and the county auditor shall index said documents and instruments in accordance with the hand printed, printed or typewritten name or names appearing thereon. [1965 c 134 § 2.]

65.04.130 Fees to be paid or tendered. Said county auditor is not bound to record any instrument, or file any paper or notice, or furnish any copies, or to render any service connected with his or her office, until his or her fees for the same, as prescribed by law, are if demanded paid or tendered. [2012 c 117 § 206; Code 1881 § 2735; RRS § 10610.]

65.04.140 Auditor as custodian of records. The county auditor in his or her capacity of recorder of deeds is sole custodian of all books in which are recorded deeds, mortgages, judgments, liens, incumbrances, and other instruments of writing, indexes thereto, maps, charts, town plats, survey and other books and papers constituting the records and files in said office of recorder of deeds, and all such records and files are, and shall be, matters of public information, free of charge to any and all persons demanding to

inspect or to examine the same, or to search the same for titles of property. It is said recorder's duty to arrange in suitable places the indexes of said books of record, and when practicable, the record books themselves, to the end that the same may be accessible to the public and convenient for said public inspection, examination, and search, and not interfere with the said auditor's personal control and responsibility for the same, or prevent him or her from promptly furnishing the said records and files of his or her said office to persons demanding any information from the same. The said auditor or recorder must and shall, upon demand, and without charge, freely permit any and all persons, during reasonable office hours, to inspect, examine, and search any or all of the records and files of his or her said office, and to gather any information therefrom, and to make any desired notes or memoranda about or concerning the same, and to prepare an abstract or abstracts of title to any and all property therein contained. A registered owner holding several duplicate certificates for several distinct parcels of land may surrender them and take out a single duplicate certificate for all of said parcels, or several certificates for different portions thereof. Such exchange of certificates, however, shall only be made by the order of the court upon petition therefor duly made by the owner. An owner of registered land who shall subdivide such land into lots, blocks or acre tracts shall file with the registrar of titles a plat of said land so subdivided, in the same manner and subject to the same rules of law and restrictions as is provided for platting land that is not registered. [1907 c 250 § 39; RRS § 10668.]

65.12.280 Effective date of certificate. The certificate of title shall relate back to and take effect as of the date of the decree of registration. [1907 c 250 § 40; RRS § 10669.]

65.12.290 Certificate of title as evidence. The original certificate in the registration book, any copy thereof duly certified under the signature of the registrar of titles or his or her deputy, and authenticated by his or [or] her seal and also the owner's duplicate certificate shall be received as evidence in all the courts of this state, and shall be conclusive as to all matters contained therein, except so far as is otherwise provided in this chapter. In case of a variance between the

owner's duplicate certificate and the original certificate, the original shall prevail. [2012 c 117 § 232; 1907 c 250 § 41; RRS § 10670.]

65.12.300 Indexes and files—Forms. The registrar of titles, under the direction of the court, shall make and keep indexes of all duplication and of all certified copies and decrees of registration and certificates of titles, and shall also index and file in classified order all papers and instruments filed in his or her office relating to applications and to registered titles. The registrar shall also, under the direction of the court, prepare and keep forms of indexes and entry books. The court shall prepare and adopt convenient forms of certificates of titles, and also general forms of memorials or notations to be used by the registrars of titles in registering the common forms of conveyance and other instruments to express briefly their effect. [2012 c 117 § 233; 1907 c 250 § 42; RRS § 10671.]

65.12.310 Tract and alphabetical indexes. The registrar of titles shall keep tract indexes, in which shall be entered the lands registered in the numerical order of the townships, ranges, sections, and in cases of subdivisions, the blocks and lots therein, and the names of the owners, with a reference to the volume and page of the register of titles in which the lands are registered. He or she shall also keep alphabetical indexes, in which shall be entered, in alphabetical order, the names of all registered owners, and all other persons interested in, or holding charges upon, or any interest in, the registered land, with a reference to the volume and page of the register of titles in which the land is registered. [2012 c 117 § 234; 1907 c 250 § 43; RRS § 10672.]

65.12.320 Dealings with registered land. The owner of registered land may convey, mortgage, lease, charge, or otherwise incur, dispose of, or deal with the same as fully as if it had not been registered. He or she may use forms of deeds, trust deeds, mortgages and leases or voluntary instruments, like those now in use, and sufficient in law for the purpose intended. But no voluntary instrument of conveyance, except a will and a lease, for a term not exceeding three years, purporting to convey or affect registered land, shall take effect as a conveyance, or bind the land; but shall operate only as a contract between the parties, and as evidence of the authority to the registrar of titles to make registration. The act of registration shall be the operative act to convey or affect the land. [2012 c 117 § 235; 1907 c 250 § 44; RRS § 10673.]

65.12.330 Registration has effect of recording. Every conveyance, lien, attachment, order, decree, judgment of a court of record, or instrument or entry which would, under existing law, if recorded, filed or entered in the office of the county clerk, and county auditor, of the county in which the real estate is situate, affect the said real estate to which it relates, if the title thereto were not registered, shall, if recorded, filed or entered in the office of the registrar of titles in the county where the real estate to which such instrument relates is situate, affect in like manner the title thereto if registered, and shall be notice to all persons from the time of such recording, filing or entering. [1907 c 250 § 45; RRS § 10674.]

65.12.340 Filing—Numbering—Indexing—Public records. The registrar of titles shall number and note in a proper book to be kept for that purpose, the year, month, day, hour and minute of reception and number of all conveyances, orders or decrees, writs or other process, judgments, liens, or all other instruments, or papers or orders affecting the title of land, the title to which is registered. Every instrument so filed shall be retained in the office of the registrar of titles, and shall be regarded as registered from the time so noted, and the memorial of each instrument, when made on the certificate of title to which it refers, shall bear the same date. Every instrument so filed, whether voluntary or involuntary, shall be numbered and indexed, and indorsed with a reference to the proper certificate of title. All records and papers, relating to registered land, in the office of the registrar of titles shall be open to public inspection, in the same manner as are now the papers and records in the office of the county clerk and county auditor. [1907 c 250 § 46; RRS § 10675.]

65.12.350 Duplicate of instruments certified—Fees. Duplicates of all instruments, voluntary or involuntary, filed and registered in the office of the registrar of titles, may be presented with the originals, and shall be attested and sealed by the registrar of titles, and indorsed with the file number and other memoranda on the originals, and may be taken away by the person presenting the same. Certified copies of all instruments filed and registered may be obtained from the registrar of titles, on the payment of a fee of the same amount as is now allowed the county clerk and county auditor, for a like certified copy. [1907 c 250 § 47; RRS § 10676.]

65.12.360 New certificate—Register of less than fee—When form of memorial in doubt. No new certificate shall be entered or issued upon any transfer of registered land, which does not divest the title in fee simple of said land or some part thereof, from the owner or some one of the registered owners. All interest in the registered land, less than a freehold estate, shall be registered by filing with the registrar of titles, the instruments creating, transferring, or claiming such interest, and by a brief memorandum or memorial thereof, made by a registrar of titles upon the certificate of title, and signed by him or her. A similar memorandum, or memorial, shall also be made on the owner's duplicate.

The cancellation or extinguishment of such interests shall be registered in the same manner. When any party in interest does not agree as to the proper memorial to be made upon the filing of any instrument, (voluntary or involuntary), presented for registration, or where the registrar of titles is in doubt as to the form of such memorial, the question shall be referred to the court for decision, either on the certificate of the registrar of titles, or upon the demand in writing of any party in interest.

The registrar of titles shall bring before the court all the papers and evidence which may be necessary for the determination of the question by the court. The court, after notice to all parties in interest and a hearing, shall enter an order prescribing the form of the memorial, and the registrar of titles shall make registration in accordance therewith. [2012 c 117 § 236; 1907 c 250 § 48; RRS § 10677.]

65.12.370 Owner's certificate to be produced when new certificate issued. No new certificates of titles shall be entered, and no memorial shall be made upon any certificate of title, in pursuance of any deed, or other voluntary instrument, unless the owner's duplicate certificate is presented with such instrument, except in cases provided for in this chapter, or upon the order of the court for cause shown; and whenever such order is made a memorial therefor shall be entered, or a new certificate issued, as directed by said order. The production of the owner's duplicate certificate, whenever any voluntary instrument is presented for registration, shall be conclusive authority from the registered owner to the registrar of titles, to enter a new certificate, or to make a memorial of registration in accordance with such instrument; and a new certificate or memorial shall be binding upon the registered owner and upon all persons claiming under him or her in favor of every purchaser for value and in good faith. [2012 c 117 § 237; 1907 c 250 § 49; RRS § 10678.]

65.12.375 Owner's duplicate certificate. In the event that an owner's duplicate certificate of title shall be lost, mislaid or destroyed, the owner may make affidavit of the fact before any officer authorized to administer oaths, stating, with particularly, the facts relating to such loss, mislaying or destruction, and shall file the same in the office of the registrar of titles.

Any party in interest may thereupon apply to the court, and the court shall, upon proofs of the facts set forth in the affidavits, enter an order directing the registrar of titles to make and issue a new owner's duplicate certificate, such new owner's duplicate certificate shall be printed or marked, "Certified copy of owner's duplicate certificate", and such certified copy shall stand in the place of and have like effect as the owner's duplicate certificate. [1907 c 250 § 50; RRS § 10679.]

65.12.380 Conveyance of registered land. An owner of registered land, conveying the same, or any portion thereof, in fee, shall execute a deed of conveyance, which the grantor shall file with the registrar of titles in the county where the land lies. The owner's duplicate certificate shall be surrendered at the same time and shall be by the registrar marked "Canceled". The original certificate of title shall also be marked "Canceled". The registrar of titles shall thereupon entered in the register of titles, a new certificate of title to the grantee, and shall prepare and deliver to such grantee an owner's duplicate certificate. All incumbrances, claims, or interests adverse to the title of the registered owner shall be stated upon the new certificate or certificates, except insofar as they may be simultaneously released or discharged.

When only a part of the land described in a certificate is transferred, or some estate or interest in the land is to remain in the transferor, a new certificate shall be issued to him or her, for the part, estate, or interest remaining in him or her. [2012 c 117 § 238; 1907 c 250 § 51; RRS § 10680.]

65.12.390 Certificate of tax payment. Before any deed, plat or other instrument affecting registered land shall be filed or registered in the office of the registrar of titles, the owner shall present a certificate from the county treasurer

showing that all taxes then due thereon have been paid. [1907 c 250 § 52; RRS § 10681.]

65.12.400 Registered land charged as other land. Registered land and ownership therein shall in all respects be subject to the same burdens and incidents which attach by law to unregistered land. Nothing contained in this chapter shall in any way be construed to relieve registered land, or the owners thereof, from any rights incident to the relation of husband and wife, or from liability to attachment of mesne process, or levy on execution, or from liability from any lien of any description established by law on land or the improvements thereon, or the interest of the owner in such land or improvements, or to change the laws of descent, or the rights of partition between cotenants, or the right to take the same by eminent domain, or to relieve such land from liability to be recovered by an assignee in insolvency or trustee in bankruptcy, under the provisions of law relating thereto; or to change or affect in any way, any other rights or liabilities, created by law, applicable to unregistered land, except as otherwise expressly provided in this chapter, or any amendments hereof. [1907 c 250 § 53; RRS § 10682.]

65.12.410 Conveyances by attorney-in-fact. Any person may by attorney convey or otherwise deal with registered land, but the letters or power of attorney shall be acknowledged and filed with the registrar of titles, and registered. Any instrument revoking such letters, or power of attorney, shall be acknowledged in like manner. [1907 c 250 § 54; RRS § 10683.]

65.12.420 Encumbrances by owner. The owner of registered land may mortgage or encumber the same, by executing a trust deed or other instrument, sufficient in law for that purpose, and such instrument may be assigned, extended, discharged, released, in whole or in part, or otherwise dealt with by the mortgagee, by any form of instrument sufficient in law for the purpose; but such trust deed or other instrument, and all instruments assigning, extending, discharging, releasing or otherwise dealing with the encumbrance, shall be registered, and shall take effect upon the title only from the time of registration. [1907 c 250 § 55; RRS § 10684.]

65.12.430 Registration of mortgages. A trust deed shall be deemed to be a mortgage, and be subject to the same rules as a mortgage, excepting as to the manner of the foreclosure thereof. The registration of a mortgage shall be made in the following manner, to wit: The owner's duplicate certificate shall be presented to the registrar of titles with the mortgage deed or instrument to be registered, and the registrar shall enter upon the original certificate of title and also upon the owner's duplicate certificate, a memorial of the purport of the instrument registered, the time of filing, and the file number of the registered instrument. He or she shall also note upon the instrument registered, the time of filing, and a reference to the volume and page of the register of titles, wherein the same is registered. The registrar of titles shall also, at the request of the mortgagee, make out and deliver to him or her a duplicate certificate of title, like the owner's duplicate, except that the words, "Mortgagee's duplicate", shall be written or printed upon such certificate in large letters, diagonally

across the face. A memorandum of the issuance of the mortgagee's duplicate shall be made upon the certificate of title. [2012 c 117 § 239; 1907 c 250 § 56; RRS § 10685.]

65.12.435 Dealings with mortgages. Whenever a mortgage upon which a mortgagee's duplicate has been issued is assigned, extended or otherwise dealt with, the mortgagee's duplicate shall be presented with the instrument assigning, extending, or otherwise dealing with the mortgage, and a memorial of the instrument shall be made upon the mortgagee's duplicate, and upon the original certificate of title. When the mortgage is discharged, or otherwise extinguished, the mortgagee's duplicate shall be surrendered and stamped, "Canceled". In case only a part of the charge or of the land is intended to be released, discharged, or surrendered, the entry shall be made by a memorial according in like manner as before provided for a release or discharge.

The production of the mortgagee's duplicate certificate shall be conclusive authority to register the instrument therewith presented. A mortgage on registered land may be discharged in whole or in part by the mortgagee in person on the register of titles in the same manner as a mortgage on unregistered land may be discharged by an entry on the margin of the record thereof, in the auditor's office, and such discharge shall be attested by the registrar of titles. [1907 c 250 § 57; RRS § 10686.]

65.12.440 Foreclosures on registered land. All charges upon registered land, or any estate or interest in the same, and any right thereunder, may be enforced as is now allowed by law, and all laws relating to the foreclosure of mortgages shall apply to mortgages upon registered land, or any estate or interest therein, except as herein otherwise provided, and except that a notice of the pendency of any suit or of any proceeding to enforce or foreclose the mortgage, or any charge, shall be filed in the office of the registrar of titles, and a memorial thereof entered on the register, at the time of, or prior to, the commencement of such suit, or the beginning of any such proceeding. A notice so filed and registered shall be notice to the registrar of titles and all persons dealing with the land or any part thereof. When a mortgagee's duplicate has been issued, such duplicate shall, at the time of the registering of the notice, be presented, and a memorial of such notice shall be entered upon the mortgagee's duplicate. [1907 c 250 § 58; RRS § 10687.]

65.12.445 Registration of final decree—New certificate. In any action affecting registered land a judgment or final decree shall be entitled to registration on the presentation of a certified copy of the entry thereof from the clerk of the court where the action is pending to the registrar of titles. The registrar of titles shall enter a memorial thereof upon the original certificates of title, and upon the owner's duplicate, and also upon the mortgagee's and lessee's duplicate, if any there be outstanding. When the registered owner of such land is, by such judgment or decree, divested of his or her estate in fee to the land or any part thereof, the plaintiff or defendant shall be entitled to a new certificate of title for the land, or that part thereof, designated in the judgment or decree, and the registrar of titles shall enter such new certificate of title, and issue a new owner's duplicate, in such manner as is pro-

vided in the case of voluntary conveyance: PROVIDED, HOWEVER, That no such new certificate of title shall be entered, except upon the order of the superior court of the county in which the land is situated, and upon the filing in the office of the registrar of titles, an order of the court directing the entry of such new certificate. [2012 c 117 § 240; 1907 c 250 § 59; RRS § 10688.]

65.12.450 Title on foreclosure—Registration. Any person who has, by any action or proceeding to enforce or foreclose any mortgage, lien or charge upon registered land, become the owner in fee of the land, or any part thereof, shall be entitled to have his or her title registered, and the registrar of titles shall, upon application therefor, enter a new certificate of title for the land, or that part thereof, of which the applicant is the owner, and issue an owner's duplicate, in such manner as in the case of a voluntary conveyance of registered land: PROVIDED, HOWEVER, No such new certificate of title shall be entered, except after the time to redeem from such foreclosure has expired, and upon the filing in the office of the registrar of titles, an order of the superior court of the county directing the entry of such new certificates. [2012 c 117 § 241; 1907 c 250 § 60; RRS § 10689.]

65.12.460 Petition for new certificate. In all cases wherein, by this chapter, it is provided that a new certificate of title to registered land shall be entered by order of the court a person applying for such new certificate shall apply to the court by petition, setting forth the facts; and the court shall, after notice given to all parties in interest, as the court may direct, and upon hearing, make an order or decree for the entry of a new certificate to such person as shall appear to be entitled thereto. [1907 c 250 § 61; RRS § 10690.]

65.12.470 Registration of leases. Leases for registered land, for a term of three years or more, shall be registered in like manner as a mortgage, and the provisions herein relating to the registration of mortgages, shall also apply to the registration of leases. The registrar shall, at the request of the lessee, make out and deliver to him or her a duplicate of the certificate of title like the owner's duplicate, except the words, "Lessee's duplicate," shall be written or printed upon it in large letters diagonally across its face. [2012 c 117 § 242; 1907 c 250 § 62; RRS § 10691.]

65.12.480 Instruments with conditions. Whenever a deed, or other instrument, is filed in the office of the registrar of titles, for the purpose of effecting a transfer of or charge upon the registered land, or any estate or interest in the same, and it shall appear that the transfer or charge is to be in trust or upon condition or limitation expressed in such deed or instrument, such deed or instrument shall be registered in the usual manner, except that the particulars of the trust, condition, limitation, or other equitable interest shall not be entered upon the certificate of title by memorial, but a memorandum or memorial shall be entered by the words, "in trust," or "upon condition," or other apt words, and by reference by number to the instrument authorizing or creating the same. A similar memorial shall be made upon the owner's duplicate certificate.

No transfer of, or charge upon, or dealing with, the land, estate or interest therein, shall thereafter be registered, except upon an order of the court first filed in the office of the registrar of titles, directing such transfer, charge, or dealing, in accordance with the true intent and meaning of the trust, condition, or limitation. Such registration shall be conclusive evidence in favor of the person taking such transfer, charge, or right; and those claiming under him or her, in good faith, and for a valuable consideration, that such transfer, charge, or other dealing is in accordance with the true intent and meaning of the trust, condition, or limitation. [2012 c 117 § 243; 1907 c 250 § 63; RRS § 10692.]

65.12.490 Transfers between trustees. When the title to registered land passes from a trustee to a new trustee, a new certificate shall be entered to him or her, and shall be registered in like manner as upon an original conveyance in trust. [2012 c 117 § 244; 1907 c 250 § 64; RRS § 10693.]

65.12.500 Trustee may register land. Any trustee shall have authority to file an application for the registration of any land held in trust by him or her, unless expressly prohibited by the instrument creating the trust. [2012 c 117 § 245; 1907 c 250 § 65; RRS § 10694.]

65.12.510 Creation of lien on registered land. In every case where writing of any description, or copy of any writ, order or decree is required by law to be filed or recorded in order to create or preserve any lien, right, or attachment upon unregistered land, such writing or copy, when intended to affect registered land, in lieu of recording, shall be filed and registered in the office of the registrar of titles, in the county in which the land lies, and, in addition to any particulars required in such papers, for the filing or recording, shall also contain a reference to the number of the certificate of title of the land to be affected, and also, if the attachment, right or lien is not claimed on all the land in any certificate of title, a description sufficiently accurate for the identification of the land intended to be affected. [1907 c 250 § 66; RRS § 10695.]

65.12.520 Registration of liens. All attachments, liens and rights, of every description, shall be enforced, continued, reduced, discharged and dissolved, by any proceeding or method, sufficient and proper in law to enforce, continue, reduce, discharge or dissolve, like liens or unregistered land. All certificates, writing or other instruments, permitted or required by law, to be filed or recorded, to give effect to the enforcement, continuance, reduction, discharge or dissolution of attachments, liens or other rights upon registered land, or to give notice of such enforcement, continuance, reduction, discharge or dissolution, shall in the case of like attachments, liens or other rights upon registered land, be filed with the registrar of titles, and registered in the register of titles, in lieu of filing or recording. [1907 c 250 § 67; RRS § 10696.]

65.12.530 Entry as to plaintiff's attorney. The name and address of the attorney for the plaintiff in every action affecting the title to registered land, shall, in all cases, be endorsed upon the writ or other writing filed in the office of the registrar of titles, and he or she shall be deemed the attor-

ney of the plaintiff until written notice that he or she has ceased to be such plaintiff's attorney shall be filed for registration by the plaintiff. [2012 c 117 § 246; 1907 c 250 § 68; RRS § 10697.]

65.12.540 Decree. A judgment, decree, or order of any court shall be a lien upon, or affect registered land, or any estate or interest therein, only when a certificate under the hand and official seal of the clerk of the court in which the same is of record, stating the date and purport of the judgment, decree, or order, or a certified copy of such judgment, decree, or order, or transcript of the judgment docket, is filed in the office of the registrar, and a memorial of the same is entered upon the register of the last certificate of the title to be affected. [1907 c 250 § 69; RRS § 10698.]

65.12.550 Title acquired on execution. Any person who has acquired any right, interest, or estate in registered land by virtue of any execution, judgment, order, or decree of the court, shall register his or her title so acquired, by filing in the office of the registrar of titles all writings or instruments permitted or required to be recorded in the case of unregistered land. If the interest or estate so acquired is the fee in the registered land, or any part thereof, the person acquiring such interest shall be entitled to have a new certificate of title, registered in him or her, in the same manner as is provided in the case of persons acquiring title by an action or proceeding in foreclosure of mortgages. [2012 c 117 § 247; 1907 c 250 § 70; RRS § 10699.]

65.12.560 Termination of proceedings. The certificate of the clerk of the court in which any action or proceeding shall be pending, or any judgment or decree is of record, that such action or proceeding has been dismissed or otherwise disposed of, or that the judgment, decree, or order has been satisfied, released, reversed, or overruled, or of any sheriff or any other officer that the levy of any execution, attachment, or other process, certified by him or her, has been released, discharged, or otherwise disposed of, being filed in the office of the registrar of titles and noted upon the register, shall be sufficient to authorize the registrar to cancel or otherwise treat the memorial of such action, proceeding, judgment, decree, order, or levy, according to the purport of such certificate. [2012 c 117 § 248; 1907 c 250 § 71; RRS § 10700.]

65.12.570 Land registered only after redemption period. Whenever registered land is sold, and the same is by law subject to redemption by the owner or any other person, the purchaser shall not be entitled to have a new certificate of title entered, until the time within which the land may be redeemed has expired. At any time after the time to redeem shall have expired, the purchaser may petition the court for an order directing the entry of a new certificate of title to him or her, and the court shall, after such notice as it may order, and hearing, grant and make an order directing the entry of such new certificate of title. [2012 c 117 § 249; 1907 c 250 § 72; RRS § 10701.]

65.12.580 Registration on inheritance. The heirs at law and devisees, upon the death of an owner of lands, and any estate or interest therein, registered pursuant to this chap-

ter, on the expiration of thirty days after the entry of the decree of the superior court granting letters testamentary or of administration, or, in case of an appeal from such decree, at any time after the entry of a final decree, may file a certified copy of the final decree, of the superior court having jurisdiction, and of the will, if any, with the clerk of the superior court, in the county in which the land lies, and make application to the court for an order for the entry of a new certificate of title. The court shall issue notice to the executor or administrator and all other persons in interest, and may also give notice by publication in such newspaper or newspapers as it may deem proper, to all whom it may concern; and after hearing, may direct the entry of a new certificate or certificates to the person or persons who appear to be entitled thereto as heirs or devisees. Any new certificate so entered before the final settlement of the estate of the deceased owner, in the superior courts, shall state expressly that it is entered by transfer from the last certificate by descent or devise, and that the estate is in process of settlement. After the final settlement of the estate in the superior court, or after the expiration of the time allowed by law for bringing an action against an executor or administrator by creditors of the deceased, the heirs at law or devisees may petition the court for an order to cancel the memorial upon their certificates, stating that the estate is in the course of settlement, and the court, after such notice as it may order, and a hearing, may grant the petition: PROVIDED, HOWEVER, That the liability of registered land to be sold for claims against the estate of the deceased, shall not in any way be diminished or changed. [1907 c 250 § 73; RRS § 10702.]

65.12.590 Probate court may direct sale of registered land. Nothing contained in this chapter shall include, affect, or impair the jurisdiction of the superior court to order an executor, administrator, or guardian to sell or mortgage registered land for any purpose for which such order may be granted in the case of unregistered land. The purchaser or mortgagee, taking a deed or mortgage executed in pursuance of such order of the superior court, shall be entitled to register his or her title, and to the entry of a new certificate of title or memorial of registration, upon application to the superior court, and upon filing in the office of the registrar of titles, an order of said court, directing the entry of such certificates. [2012 c 117 § 250; 1907 c 250 § 74; RRS § 10703.]

65.12.600 Trustees and receivers. An assignee for the benefit of creditors, receiver, trustee in bankruptcy, master in chancery, special commissioner, or other person appointed by the court, shall file in the office of the registrar of titles, the instrument or instruments by which he or she is vested with title, estate, or interest in any registered land, or a certified copy of an order of the court showing that such assignee, receiver, trustee in bankruptcy, master in chancery, special commissioner, or other person, is authorized to deal with such land, estate, or interest, and, if it is in the power of such person, he or she shall, at the same time, present to the registrar of titles, the owner's duplicate certificate of title; thereupon the registrar shall enter upon the register of titles, and the duplicate certificate, if presented, a memorial thereof, with a reference to such order or deed by its file number. Such memorial having been entered, the assignee, receiver,

trustee in bankruptcy, master in chancery, special commissioner, or other person may, subject to the direction of the court, deal with or transfer such land as if he or she were a registered owner. [2012 c 117 § 251; 1907 c 250 § 75; RRS § 10704.]

65.12.610 Eminent domain—Reversion. Whenever registered land, or any right or interest therein, is taken by eminent domain, the state or body politic, or corporate or other authority exercising such right shall pay all fees on account of any memorial or registration or entry of new certificates, or duplicate thereof, and fees for the filing of instruments required by this chapter to be filed. When, for any reason, by operation of law, land which has been taken for public use reverts to the owner from whom it was taken, or his or her heirs or assigns, the court, upon petition of the person entitled to the benefit of the reversion, after such notice as it may order, and hearing, may order the entry of a new certificate of title to him or her. [2012 c 117 § 252; 1907 c 250 § 76; RRS § 10705.]

65.12.620 Registration when owner's certificate withheld. In every case where the registrar of titles enters a memorial upon a certificate of title, or enters a new certificate of title, in pursuance of any instrument executed by the registered owner, or by reason of any instrument or proceeding which affects or devises the title of the registered owner against his or her consent, if the outstanding owner's duplicate certificate is not presented, the registrar of titles shall not enter a new certificate or make a memorial, but the person claiming to be entitled thereto may apply by petition to the court. The court may order the registered owner, or any person withholding the duplicate certificate, to present or surrender the same, and direct the entry of a memorial or new certificate upon such presentation or surrender. If, in any case, the person withholding the duplicate certificate is not amenable to the process of the court, or cannot be found, or if, for any reason, the outstanding owner's duplicate certificate cannot be presented or surrendered without delay, the court may, by decree, annul the same, and order a new certificate of title to be entered. Such new certificate, and all duplicates thereof, shall contain a memorial of the annulment of the outstanding duplicate. If in any case of an outstanding mortgagee's or lessee's duplicate certificate shall be withheld or otherwise dealt with, like proceedings may be had to obtain registration as in case of the owner's withholding or refusing to deliver the duplicate receipt. [2012 c 117 § 253; 1907 c 250 § 77; RRS § 10706.]

65.12.630 Reference to examiner of title. [1907 c 250 § 78; RRS § 10707.]

65.12.635 Examiner of titles. Examiners of titles shall, upon the request of the registrar of titles, advise him or her upon any act or duty pertaining to the conduct of his or her office, and shall, upon request, prepare the form of any

memorial to be made or entered by the registrar of titles. The examiner of titles shall have full power to administer oaths and examine witnesses involved in his or her investigation of titles. [2012 c 117 § 254; 1907 c 250 § 79; RRS § 10708.]

65.12.640 Registered instruments to contain names and addresses—Service of notices. Every writing and instrument required or permitted by this chapter to be filed for registration, shall contain or have endorsed upon it, the full name, place of residence, and post office address of the grantee or other person requiring or claiming any right, title, or interest under such instrument. Any change in residence or post office address of such person shall be endorsed by the registrar of titles in the original instrument, on receiving a sworn statement of such change. All names and addresses shall also be entered on all certificates. All notices required by, or given in pursuance of the provisions of this chapter by the registrar of titles or by the court, after original registration, shall be served upon the person to be notified; if a resident of the state of Washington, as summons in civil actions are served; and proof of such service shall be made as on the return of a summons. All such notices shall be sent by mail, to the person to be notified, if not a resident of the state of Washington, and his or her residence and post office address, as stated in the certificate of title, or in any registered instrument under which he or she claims an interest. The certificate of the registrar of titles, or clerk of court, that any notice has been served, by mailing the same, as aforesaid, shall be conclusive proof of such notice: PROVIDED, HOWEVER, That the court may, in any case, order different or further service by publication or otherwise. 65.12.650 Adverse claims—Procedure. Any person claiming any right or interest in registered land, adverse to the registered owner, arising subsequent to the date of the original registration, may, if no other provision is made in this chapter for registering the same, make a statement in writing, setting forth fully his or her alleged right or interest and how or under whom acquired, and a reference to the volume and page of the certificate of title of the registered owner, and a description of the land to which the right or interest is claimed. The statement shall be signed and sworn to, and shall state the adverse claimant's residence, and designate a place at which all notices may be served upon him or her. This statement shall be entitled to registration, as an adverse claim; and the court, upon the petition of any party in interest, shall grant a speedy hearing upon the question of the validity of such adverse claim, and shall enter such decree thereon as equity and justice may require.

If the claim is adjudged to be invalid, its registration shall be canceled. The court may, in any case, award such costs and damages, including reasonable attorneys' fees, as it may deem just in the premises. [2012 c 117 § 256; 1907 c 250 § 81; RRS § 10710.]

65.12.660 Assurance fund. Upon the original registration of land under this chapter, and also upon the entry of the certificate showing title as registered owners in heirs or devisees, there shall be paid to the registrar of titles, one-fortieth of one percent of the assessed value of the real estate on the

basis of the last assessment for general taxation, as an assurance fund. [1973 1st ex.s. c 195 § 75; 1907 c 250 § 82; RRS § 10711.]

All sums of money received by the registrar as provided for in RCW 65.12.660, shall be forthwith paid by the registrar to the county treasurer of the county in which the land lies, for the purpose of an assurance fund, under the terms of this chapter; it shall be the duty of the county treasurer, whenever the amount on hand in said assurance fund is sufficient, to invest the same, principal and income, and report annually to the superior court of the same county the condition and income thereof; and no investment of the funds, or any part thereof, shall be made without the approval of said court, by order entered of record. Said fund shall be invested only in bonds or securities of the United States, or of one of the states of the United States, or of the counties or other municipalities of this state. [1907 c 250 § 83; RRS § 10712.]

65.12.680 Recoveries from fund. Any person sustaining loss or damage, through any omission, mistake, or misfeasance of the registrar of titles, or of any examiner of titles, or of any deputy, or by the mistake or misfeasance of the clerk of the court, or any deputy, in the performance of their respective duties, under the provisions of this chapter, and any person wrongfully deprived of any land or any interest therein, through the bringing of the same, under the provisions of this chapter, or by the registration of any other person as the owner of such land, or by any mistake, omission, or misdescription in any certificate or entry, or memorial, in the register of titles, or by any cancellation, and who, by the provisions of this chapter, is barred or precluded from bringing any action for the recovery of such land, or interest therein, or claim thereon, may bring an action against the treasurer of the county in which such land is situated, for the recovery of damages to be paid out of the assurance fund. [1907 c 250 § 84; RRS § 10713.]

In all such actions, where there are defendants other than the county treasurer, and damages shall have been recovered, no final judgment shall be entered against the county treasurer, until execution against

the other defendants shall be returned unsatisfied in whole or in part, and the officer returning the execution shall certify that the amount still due upon the execution cannot be collected except by application to the indemnity assurance fund. Thereupon the court, being satisfied as to the truth of such return, shall order final judgment against the treasurer, for the amount of the execution and costs, or so much thereof as remains unpaid. The county treasurer shall, upon such order of the court and final judgment, pay the amount of such judgment out of the assurance fund. It shall be the duty of the county attorney to appear and defend all such actions. If the funds in the assurance funds at any time are insufficient to pay any judgment in full, the balance unpaid shall draw interest at the legal rate of interest, and be paid with such interest out of the first funds coming into said fund. Final judgment shall not be entered against the county treasurer in any action against this chapter to recover from the assurance fund for more than a fair market value of the real estate at the time of the last payment to the assurance fund, on account of the same real estate. [1907 c 250 § 86; RRS § 10715.]

65.12.710 Limitation of actions. Certificates of ownership and registration: Chapter 46.12 RCW.

65.20.010 Purpose. The legislature recognizes that confusion exists regarding the classification of manufactured homes as personal or real property. This confusion is increased because manufactured homes are treated as vehicles in some parts of state statutes, however these homes are often used as residences to house persons residing in the state of Washington. This results in a variety of problems, including: (1) Creating confusion as to the creation, perfection, and

priority of security interests in manufactured homes; (2) making it more difficult and expensive to obtain financing and title insurance; (3) making it more difficult to utilize manufactured homes as an affordable housing option; and (4) increasing the risk of problems for and losses to the consumer. Therefore the purpose of this chapter is to clarify the type of property manufactured homes are, particularly relating to security interests, and to provide a statutory process to make the manufactured home real property by eliminating the title to a manufactured home when the home is affixed to land owned by the homeowner. [1989 c 343 § 1.]

65.20.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Affixed" means that the manufactured home is installed in accordance with the installation standards in state law.

(2) "Department" means the department of licensing.

(3) "Eliminating the title" means to cancel an existing certificate of title issued by this state or a foreign jurisdiction or to waive the certificate of title required in chapter 46.12 RCW and recording the appropriate documents in the county real property records pursuant to this chapter.

(4) "Homeowner" means the owner of a manufactured home.

(5) "Land" means real property excluding the manufactured home.

(6) "Manufactured home" or "mobile home" means a structure, designed and constructed to be transportable in one or more sections and is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities that include plumbing, heating, and electrical systems contained therein. The structure must comply with the national mobile home construction and safety standards act of 1974 as adopted by chapter 43.22 RCW if applicable. "Manufactured home" does not include a modular home. A structure which met the definition of a "manufactured home" at the time of manufacture is still considered to meet this definition notwithstanding that it is no longer transportable.

(7) "Owner" means, when referring to a manufactured home that is titled, the person who is the registered owner. When referring to a mobile home that is untitled pursuant to this chapter, the owner is the person who owns the land. When referring to land, the person may have fee simple title, have a leasehold estate of thirty-five years or more, or be purchasing the property on a real estate contract. Owners include joint tenants, tenants in common, holders of legal life estates, and holders of remainder interests.

(8) "Person" means any individual, trustee, partnership, corporation, or other legal entity. "Person" may refer to more than one individual or entity.

(9) "Secured party" means the legal owner when referring to a titled mobile home, or the lender securing a loan through a mortgage, deed of trust, or real estate contract when referring to land or land containing an untitled manufactured home pursuant to this chapter.

(10) "Security interest" means an interest in property to secure payment of a loan made by a secured party to a borrower.

(11) "Title" or "titled" means a certificate of title issued pursuant to chapter 46.12 RCW. [2010 c 161 § 1154; 1989 c 343 § 2.]

Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161: See notes following RCW 46.04.013.

65.20.030 Clarification of type of property and perfection of security interests. When a manufactured home is sold or transferred on or after March 1, 1990, and when all ownership in the manufactured home is transferred through the sale or other transfer of the manufactured home to new owners, the manufactured home shall be real property when the new owners eliminate the title pursuant to this chapter. The manufactured home shall not be real property in any form, including fixture law, unless the title is eliminated under this chapter. Where any person who owned a used manufactured home on March 1, 1990, continues to own the manufactured home on or after March 1, 1990, the interests and rights of owners, secured parties, lienholders, and others in the manufactured home shall be based on the law prior to March 1, 1990, except where the owner voluntarily eliminates the title to the manufactured home by complying with this chapter. If the title to the manufactured home is eliminated under this chapter, the manufactured home shall be treated the same as a site-built structure and ownership shall be based on ownership of the real property through real property law. If the title to the manufactured home has not been eliminated under this chapter, ownership shall be based on chapter 46.12 RCW.

For purposes of perfecting and realizing upon security interests, manufactured homes shall always be treated as follows: (1) If the title has not been eliminated under this chapter, security interests in the manufactured home shall be perfected only under chapter 62A.9A RCW in the case of a manufactured home held as inventory by a manufacturer or dealer or chapter 46.12 RCW in all other cases, and the lien shall be treated as securing personal property for purposes of realizing upon the security interest; or (2) if the title has been eliminated under this chapter, a separate security interest in the manufactured home shall not exist, and the manufactured home shall only be secured as part of the real property through a mortgage, deed of trust, or real estate contract. [2000 c 250 § 9A-836; 1989 c 343 § 3.]

65.20.040 Elimination of title—Application. If a manufactured home is affixed to land that is owned by the homeowner, the homeowner may apply to the department to have the title to the manufactured home eliminated. The application package shall consist of the following:

(1) An affidavit, in the form prescribed by the department, signed by all the owners of the manufactured home and containing:

(a) The date;

(b) The names of all of the owners of record of the manufactured home;

(c) The legal description of the real property;

(d) A description of the manufactured home including model year, make, width, length, and vehicle identification number;

(e) The names of all secured parties in the manufactured home; and

(f) A statement that the owner of the manufactured home owns the real property to which it is affixed;

(2) Certificate of title for the manufactured home, or the manufacturer's statement of origin in the case of a new manufactured home. Where title is held by the secured party as legal owner, the consent of the secured party must be indicated by the legal owner releasing his or her security interest;

(3) A certification by the local government indicating that the manufactured home is affixed to the land;

(4) Payment of all vehicle license fees, excise tax, use tax, real estate tax, recording fees, and proof of payment of all property taxes then due; and

Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161: See notes following RCW 46.04.013.

65.20.050 Elimination of title—Approval. The department shall approve the application for elimination of the title when all requirements listed in RCW 65.20.040 have been satisfied and the registered and legal owners of the manufactured home have consented to the elimination of the title. After approval, the department shall have the approved application recorded in the county or counties in which the land is located and on which the manufactured home is affixed.

The county auditor shall record the approved application, and any other form prescribed by the department, in the county real property records. The manufactured home shall then be treated as real property as if it were a site-built structure. Removal of the manufactured home from the land is prohibited unless the procedures set forth in RCW 65.20.070 are complied with.

The department shall cancel the title after verification that the county auditor has recorded the appropriate documents, and the department shall maintain a record of each manufactured home title eliminated under this chapter by vehicle identification number. The title is deemed eliminated on the date the appropriate documents are recorded by the county auditor. [1989 c 343 § 5.]

65.20.060 Eliminating title—Lenders and conveyances. It is the responsibility of the owner, secured parties, and others to take action as necessary to protect their respective interests in conjunction with the elimination of the title or reissuance of a previously eliminated title.

A manufactured home whose title has been eliminated shall be conveyed by deed or real estate contract and shall only be transferred together with the property to which it is affixed, unless procedures described in RCW 65.20.070 are completed.

The obligation of the lender to consent is governed solely by the agreement between the lender and the owner of the manufactured home. Absent any express written contractual obligation, a lender may withhold consent in the lender's sole discretion. In addition, the homeowner shall
