Subject: Please endorse a Plan1 COLA proposal for 2023 legislative session

CAUTION:External email.

Dear Select Committee on Pension Policy,

I, like other PERS 1 pensioners, thank you for the July 1 PERS 1 one time increase. I am grateful for it and will put it to good use. But an infrequent one-time increase cannot be viewed as solving the loss of earning power caused by years of neglect to Plan 1 COLA. The current high inflation only adds to the serious erosion in the value of PERS 1 benefits. I therefore write as well to ask that you endorse a Plan 1 COLA proposal for the 2023 legislative session. We need this problem addressed.

Thank you for your attention to this matter in your upcoming meetings.

Sincerely,

Helen Remick, 2005 retiree
